Sean

1
00:00:44,549 --> 00:00:29,790
[Music]

2
00:00:48,630 --> 00:00:47,110
what's up everybody

3
00:00:49,810 --> 00:00:48,640
that's red

4
00:00:53,270 --> 00:00:49,820
i got a green screen

5
00:00:54,470 --> 00:00:53,280
[Music]

6
00:00:58,069 --> 00:00:54,480
so

7
00:00:59,029 --> 00:00:58,079
let me know what you think of the green

8
00:01:00,549 --> 00:00:59,039
screen

9
00:01:03,270 --> 00:01:00,559
i think uh it's pretty cool because i

10
00:01:04,710 --> 00:01:03,280
can design it however i would like to

11
00:01:05,670 --> 00:01:04,720
design it

12
00:01:08,310 --> 00:01:05,680
um

13
00:01:12,789 --> 00:01:08,320

so i whipped up this little backdrop

14

00:01:15,830 --> 00:01:14,230

there we go that's the kind of comment

15

00:01:18,870 --> 00:01:15,840

i'm looking for jose

16

00:01:21,590 --> 00:01:18,880

nice green screen love it thank you

17

00:01:23,030 --> 00:01:21,600

everybody else what's up uh paranormal

18

00:01:24,469 --> 00:01:23,040

pixie

19

00:01:26,710 --> 00:01:24,479

dutch uap

20

00:01:27,990 --> 00:01:26,720

mr daniel christensen

21

00:01:29,270 --> 00:01:28,000

um

22

00:01:30,469 --> 00:01:29,280

jose

23

00:01:31,510 --> 00:01:30,479

yep

24

00:01:33,590 --> 00:01:31,520

lionel

25

00:01:35,429 --> 00:01:33,600

uh everybody else i appreciate you being

26

00:01:38,149 --> 00:01:35,439

here

27

00:01:39,990 --> 00:01:38,159

we're just gonna have some fun today

28

00:01:40,950 --> 00:01:40,000

um

29

00:01:43,109 --> 00:01:40,960

you know

30

00:01:45,510 --> 00:01:43,119

to be quite honest the show is a little

31

00:01:46,230 --> 00:01:45,520

haphazard

32

00:01:48,069 --> 00:01:46,240

but

33

00:01:50,149 --> 00:01:48,079

i needed something to do the wife is

34

00:01:52,389 --> 00:01:50,159

working

35

00:01:55,190 --> 00:01:52,399

i was getting a little bored

36

00:01:56,870 --> 00:01:55,200

so i thought i'd uh do a show

37

00:01:59,190 --> 00:01:56,880

not bad huh

38

00:02:00,550 --> 00:01:59,200

a couple things that we could uh talk

39

00:02:03,990 --> 00:02:00,560

about

40

00:02:06,469 --> 00:02:04,000

one is a very interesting um

41

00:02:09,749 --> 00:02:06,479

sighting from 1954

42

00:02:12,150 --> 00:02:09,759

and it remains unidentified

43

00:02:14,150 --> 00:02:12,160

uh it's a very interesting one

44

00:02:16,630 --> 00:02:14,160

because it is

45

00:02:19,110 --> 00:02:16,640

uh it was seen by two test pilots of

46

00:02:20,869 --> 00:02:19,120

hughes aircraft corporation and that's

47

00:02:23,910 --> 00:02:20,879

kind of what we're gonna wind up getting

48

00:02:26,470 --> 00:02:23,920

into is this whole

49

00:02:28,550 --> 00:02:26,480

you know technology

50

00:02:29,589 --> 00:02:28,560

advanced technology being in the private

51

00:02:31,990 --> 00:02:29,599

sector

52

00:02:36,550 --> 00:02:34,070

you know how possible is that and how

53

00:02:37,270 --> 00:02:36,560

complicated well i can tell you it would

54

00:02:38,630 --> 00:02:37,280

be

55

00:02:40,869 --> 00:02:38,640

a little bit of both

56

00:02:43,670 --> 00:02:40,879

that's most definitely

57

00:02:47,589 --> 00:02:45,430

and then

58

00:02:49,750 --> 00:02:47,599

i don't know maybe we'll watch some ufo

59

00:02:51,750 --> 00:02:49,760

videos or something

60

00:02:54,470 --> 00:02:51,760

you know a little what the heck is that

61

00:02:56,150 --> 00:02:54,480

who knows we'll see what happens

62

00:02:59,509 --> 00:02:56,160

um

63

00:03:00,470 --> 00:02:59,519

i don't know if you guys uh saw

64

00:03:01,830 --> 00:03:00,480

you know the

65

00:03:05,190 --> 00:03:01,840

elizondo

66

00:03:07,990 --> 00:03:05,200

in cahill um have been doing a plethora

67

00:03:09,190 --> 00:03:08,000

of uh videos lately

68

00:03:10,949 --> 00:03:09,200

and the whole kind of theme of

69

00:03:11,610 --> 00:03:10,959

everything to be quite honest with you

70

00:03:13,509 --> 00:03:11,620

is um

71

00:03:15,670 --> 00:03:13,519

[Music]

72

00:03:17,110 --> 00:03:15,680

you know people hating on them and stuff

73

00:03:18,949 --> 00:03:17,120

and i don't want to get too much into

74

00:03:19,830 --> 00:03:18,959

the trauma or anything

75

00:03:21,990 --> 00:03:19,840

um

76
00:03:23,589 --> 00:03:22,000
i'm just gonna say like you know when i

77
00:03:25,350 --> 00:03:23,599
first did my sighting

78
00:03:26,710 --> 00:03:25,360
and i went to

79
00:03:29,190 --> 00:03:26,720
um

80
00:03:30,830 --> 00:03:29,200
you know ufo twitter basically just like

81
00:03:33,030 --> 00:03:30,840
looking for

82
00:03:35,430 --> 00:03:33,040
um places

83
00:03:36,710 --> 00:03:35,440
to be and to go

84
00:03:38,949 --> 00:03:36,720
to where i could find some sort of

85
00:03:40,869 --> 00:03:38,959
like-minded individuals

86
00:03:46,229 --> 00:03:40,879
um

87
00:03:48,869 --> 00:03:46,239
elizondo and more importantly sean

88
00:03:51,030 --> 00:03:48,879

cahill uh because he's more accessible

89

00:03:52,949 --> 00:03:51,040

actually at the time

90

00:03:54,949 --> 00:03:52,959

um

91

00:03:57,990 --> 00:03:54,959

i can say

92

00:03:58,830 --> 00:03:58,000

if they weren't involved with this stuff

93

00:04:01,350 --> 00:03:58,840

at the

94

00:04:03,030 --> 00:04:01,360

time you know i was searching for

95

00:04:04,789 --> 00:04:03,040

something

96

00:04:06,229 --> 00:04:04,799

after my you know experience and

97

00:04:08,229 --> 00:04:06,239

everything

98

00:04:10,149 --> 00:04:08,239

i don't know that i'd necessarily be

99

00:04:11,589 --> 00:04:10,159

here right now

100

00:04:14,309 --> 00:04:11,599

you know

101
00:04:16,870 --> 00:04:14,319
um gotta remember i come from a

102
00:04:19,270 --> 00:04:16,880
completely different

103
00:04:21,030 --> 00:04:19,280
flavor you know i was playing music

104
00:04:21,400 --> 00:04:21,040
playing concerts

105
00:04:22,710 --> 00:04:21,410
um

106
00:04:25,189 --> 00:04:22,720
[Music]

107
00:04:28,150 --> 00:04:25,199
all that kind of stuff i had no

108
00:04:31,110 --> 00:04:28,160
plans on getting into this stuff at all

109
00:04:32,629 --> 00:04:31,120
you know and when i would ever look at

110
00:04:34,710 --> 00:04:32,639
it from the outside in the past what do

111
00:04:37,510 --> 00:04:34,720
i see well i see things like ancient

112
00:04:40,310 --> 00:04:37,520
aliens and i see things that this world

113
00:04:44,790 --> 00:04:42,390

this world has built up a view and cast

114

00:04:46,710 --> 00:04:44,800

people who are into ufos or anything or

115

00:04:48,230 --> 00:04:46,720

looking into it as a certain type of

116

00:04:51,510 --> 00:04:48,240

person and that's just how it is and

117

00:04:55,590 --> 00:04:53,270

you know so when i have my sighting if i

118

00:04:58,150 --> 00:04:55,600

were to go into this and kind of see

119

00:05:01,430 --> 00:04:58,160

what that kind of view

120

00:05:03,189 --> 00:05:01,440

that the world has created for ufos

121

00:05:07,110 --> 00:05:03,199

i think i probably would have turned

122

00:05:10,950 --> 00:05:09,430

you know

123

00:05:14,310 --> 00:05:10,960

but because there were people that i

124

00:05:16,550 --> 00:05:14,320

could relate to like a sean cahill

125

00:05:18,629 --> 00:05:16,560

or lou elizondo

126

00:05:21,110 --> 00:05:18,639

i know eventually a lot more people but

127

00:05:23,590 --> 00:05:21,120

it started there

128

00:05:26,870 --> 00:05:23,600

you know i i wouldn't have made it to

129

00:05:28,469 --> 00:05:26,880

this point of where i'm doing this show

130

00:05:31,270 --> 00:05:28,479

you know if you guys appreciate what i

131

00:05:32,870 --> 00:05:31,280

do and like what i do and who i am

132

00:05:37,830 --> 00:05:32,880

you know

133

00:05:40,230 --> 00:05:38,710

so

134

00:05:43,350 --> 00:05:40,240

for better for worse

135

00:05:45,670 --> 00:05:43,360

i'll have to see but i can say again

136

00:05:49,189 --> 00:05:45,680

if it wasn't for those people um i

137

00:05:55,510 --> 00:05:51,749

i can also tell you that the the closer

138

00:05:59,909 --> 00:05:57,990

some sort of uh

139

00:06:02,390 --> 00:05:59,919

i hate using the word disclosure but as

140

00:06:07,110 --> 00:06:02,400

more information comes out about this

141

00:06:12,309 --> 00:06:10,629

there's gonna be more pushback

142

00:06:15,990 --> 00:06:12,319

there's gonna be more people that don't

143

00:06:16,000 --> 00:06:19,990

you know and typically

144

00:06:24,710 --> 00:06:22,870

you know the the worst people

145

00:06:26,950 --> 00:06:24,720

the people with the worst things to say

146

00:06:30,390 --> 00:06:26,960

and the most negative attitudes are

147

00:06:32,230 --> 00:06:30,400

always the loudest

148

00:06:33,670 --> 00:06:32,240

you know

149

00:06:36,150 --> 00:06:33,680

so it's important for us to remember

150

00:06:38,230 --> 00:06:36,160

that too but because just

151
00:06:40,950 --> 00:06:38,240
because we're seeing the loud voices and

152
00:06:45,029 --> 00:06:40,960
the negativity doesn't mean that that's

153
00:06:45,039 --> 00:06:50,950
you know they're just the loudest

154
00:06:56,230 --> 00:06:53,189
and there's people really out gunning

155
00:06:57,589 --> 00:06:56,240
for for elizondo especially

156
00:07:00,950 --> 00:06:57,599
you know and

157
00:07:05,670 --> 00:07:02,790
you know he's not asking you to pledge

158
00:07:09,830 --> 00:07:05,680
allegiance to him

159
00:07:18,230 --> 00:07:12,230
he's not asking you to

160
00:07:18,240 --> 00:07:22,390
he's not asking to do any of that

161
00:07:25,670 --> 00:07:23,110
so

162
00:07:29,670 --> 00:07:25,680
you know if you don't really

163
00:07:32,309 --> 00:07:29,680

like the cut of his jib so to speak like

164

00:07:35,909 --> 00:07:32,319

what happened to just like not

165

00:07:38,870 --> 00:07:35,919

paying attention to the person

166

00:07:41,510 --> 00:07:38,880

you know there's plenty of characters

167

00:07:43,510 --> 00:07:41,520

in this neighborhood

168

00:07:47,029 --> 00:07:43,520

that you can grow from or learn from or

169

00:07:47,039 --> 00:07:50,869

and oftentimes

170

00:07:56,150 --> 00:07:53,350

we or especially the negative people act

171

00:07:58,629 --> 00:07:56,160

like he's the only one that exists

172

00:08:01,510 --> 00:07:58,639

so everything your whole fight and your

173

00:08:03,670 --> 00:08:01,520

whole attitude towards ufos is just

174

00:08:08,550 --> 00:08:03,680

going to be about him

175

00:08:08,560 --> 00:08:13,830

but i can't say

176

00:08:17,510 --> 00:08:16,469

that it goes to show

177

00:08:19,589 --> 00:08:17,520

you know what

178

00:08:21,909 --> 00:08:19,599

it really makes clear what side of this

179

00:08:24,390 --> 00:08:21,919

i want to be on when i look at

180

00:08:26,629 --> 00:08:24,400

the things done to him versus what he

181

00:08:27,909 --> 00:08:26,639

does

182

00:08:31,749 --> 00:08:27,919

you know i always think people should

183

00:08:35,269 --> 00:08:33,589

and leading by example to me isn't

184

00:08:36,790 --> 00:08:35,279

making

185

00:08:40,550 --> 00:08:36,800

you know

186

00:08:43,430 --> 00:08:40,560

whether it be a a snide comment or a

187

00:08:44,550 --> 00:08:43,440

documentary that's kind of based around

188

00:08:46,550 --> 00:08:44,560

stalker

189

00:08:47,670 --> 00:08:46,560

aspects

190

00:08:51,509 --> 00:08:47,680

they remain

191

00:09:03,509 --> 00:08:52,870

you know

192

00:09:05,990 --> 00:09:03,519

certain level of respect

193

00:09:10,389 --> 00:09:06,000

given and no matter what i say no matter

194

00:09:11,910 --> 00:09:10,399

what anyone else says there's always

195

00:09:14,949 --> 00:09:11,920

going to be

196

00:09:19,910 --> 00:09:17,670

who will continue to make myself or you

197

00:09:21,670 --> 00:09:19,920

feel bad for your opinions or what you

198

00:09:22,949 --> 00:09:21,680

believe or the road that you want to go

199

00:09:26,070 --> 00:09:22,959

down

200

00:09:31,590 --> 00:09:28,230

i can say the only way that they can be

201
00:09:34,829 --> 00:09:31,600
effective at doing that is if you

202
00:09:40,550 --> 00:09:34,839
let them be effective at doing

203
00:09:44,389 --> 00:09:42,150
you know

204
00:09:47,430 --> 00:09:44,399
if you get sucked into it become their

205
00:09:52,470 --> 00:09:47,440
friends and then start drama along with

206
00:09:55,990 --> 00:09:53,990
you know

207
00:09:59,350 --> 00:09:56,000
i got a little pissed off because a good

208
00:10:03,910 --> 00:10:01,750
who's a fellow podcaster

209
00:10:06,069 --> 00:10:03,920
is feeling down about all this stuff and

210
00:10:08,310 --> 00:10:06,079
he's one of the hardest working

211
00:10:09,910 --> 00:10:08,320
podcasters

212
00:10:12,389 --> 00:10:09,920
here

213
00:10:14,710 --> 00:10:12,399

and he doesn't start drama

214

00:10:16,230 --> 00:10:14,720

and he has the best freaking guests

215

00:10:20,230 --> 00:10:16,240

and he works his butt off and he's

216

00:10:25,750 --> 00:10:22,949

and somebody pulled him into this

217

00:10:29,030 --> 00:10:25,760

episode to where now he feels down about

218

00:10:29,040 --> 00:10:34,710

and wants to take a step back

219

00:10:37,829 --> 00:10:36,949

you know so sometimes we wonder why we

220

00:10:40,389 --> 00:10:37,839

are

221

00:10:41,590 --> 00:10:40,399

in the position we're in in ufology and

222

00:10:43,190 --> 00:10:41,600

it's because

223

00:10:45,910 --> 00:10:43,200

those

224

00:10:48,150 --> 00:10:45,920

people ruin it for everyone else and

225

00:10:50,310 --> 00:10:48,160

take the good ones like this person i'm

226

00:10:51,990 --> 00:10:50,320

talking about

227

00:10:54,069 --> 00:10:52,000

they take them down

228

00:10:57,350 --> 00:10:54,079

and they take them out of this

229

00:11:04,470 --> 00:11:01,990

then ufology loses good people like him

230

00:11:08,790 --> 00:11:04,480

that work hard for it no

231

00:11:11,590 --> 00:11:09,829

he doesn't

232

00:11:15,190 --> 00:11:11,600

push his patreon

233

00:11:19,110 --> 00:11:15,200

with a corny ass intro video

234

00:11:20,550 --> 00:11:19,120

like it's a fundraiser telethon

235

00:11:22,630 --> 00:11:20,560

you know

236

00:11:26,630 --> 00:11:22,640

he doesn't remind people every freaking

237

00:11:34,630 --> 00:11:27,750

he doesn't

238

00:11:34,640 --> 00:11:40,550

he's a good person

239

00:11:45,269 --> 00:11:43,190

and then talking about

240

00:11:48,230 --> 00:11:45,279

drama is if

241

00:11:50,470 --> 00:11:48,240

lou and sean were in the same freaking

242

00:11:57,750 --> 00:11:50,480

house what the [h__h] are you talking

243

00:12:01,590 --> 00:12:00,389

then someone goes busted after they just

244

00:12:04,150 --> 00:12:01,600

got done

245

00:12:05,509 --> 00:12:04,160

starting a bunch of [h__h]

246

00:12:08,310 --> 00:12:05,519

go home

247

00:12:08,320 --> 00:12:12,949

nobody needs that

248

00:12:17,829 --> 00:12:14,629

anyone it's gonna involve people i

249

00:12:27,110 --> 00:12:20,150

i'm sorry

250

00:12:27,120 --> 00:12:32,550

so

251
00:12:37,430 --> 00:12:35,269
you know and i'm talking about like that

252
00:12:40,150 --> 00:12:37,440
area whatever

253
00:12:41,430 --> 00:12:40,160
50 whatever i'm talking about

254
00:12:43,269 --> 00:12:41,440
goof on

255
00:12:47,110 --> 00:12:43,279
i'm talking about

256
00:12:50,629 --> 00:12:48,470
you know

257
00:12:55,430 --> 00:12:50,639
who are complete

258
00:12:55,440 --> 00:13:00,230
there i said it

259
00:13:06,470 --> 00:13:02,949
if you don't like what's going on

260
00:13:12,470 --> 00:13:09,670
putting evil in the river

261
00:13:14,069 --> 00:13:12,480
or negativity

262
00:13:16,470 --> 00:13:14,079
nobody needs that

263
00:13:18,829 --> 00:13:16,480

why do you spend so much time around

264

00:13:21,750 --> 00:13:18,839

something you don't

265

00:13:23,750 --> 00:13:21,760

like it's like me going to a basketball

266

00:13:26,870 --> 00:13:23,760

game and complaining how stupid the

267

00:13:39,030 --> 00:13:26,880

sport is the whole time

268

00:13:45,189 --> 00:13:40,870

and i'm not perfect

269

00:13:50,069 --> 00:13:46,829

far from

270

00:13:53,030 --> 00:13:50,079

it and i know i have things wrong with

271

00:13:56,629 --> 00:13:54,230

you know

272

00:13:58,949 --> 00:13:56,639

i'm always going to try to work on that

273

00:14:01,189 --> 00:13:58,959

and be aware of it

274

00:14:02,470 --> 00:14:01,199

you know it sucks that things happen the

275

00:14:04,790 --> 00:14:02,480

way they did with

276

00:14:06,550 --> 00:14:04,800

unidentified celebrity review in black

277

00:14:10,949 --> 00:14:06,560

vault

278

00:14:14,710 --> 00:14:12,550

i don't like that

279

00:14:19,590 --> 00:14:14,720

you know

280

00:14:25,509 --> 00:14:22,470

but it's not worth continuing to stew

281

00:14:27,350 --> 00:14:25,519

over or attack people about it's time to

282

00:14:29,509 --> 00:14:27,360

move on

283

00:14:31,269 --> 00:14:29,519

you know

284

00:14:36,790 --> 00:14:31,279

and take the lessons you learned with

285

00:14:40,790 --> 00:14:38,710

you know

286

00:14:42,870 --> 00:14:40,800

those are the people that i want to be

287

00:14:48,310 --> 00:14:42,880

around that's the kind of person i want

288

00:14:51,269 --> 00:14:49,910

i don't want to spend my life

289

00:14:53,910 --> 00:14:51,279

questioning

290

00:14:58,470 --> 00:14:53,920

one person everything they do

291

00:15:01,430 --> 00:15:00,470

whether they're drinking beer or apple

292

00:15:05,590 --> 00:15:01,440

juice

293

00:15:08,949 --> 00:15:05,600

who gives a [h__\h] we're talking about

294

00:15:13,829 --> 00:15:10,069

you know and more than that we're

295

00:15:16,389 --> 00:15:13,839

talking about life as we know it

296

00:15:19,189 --> 00:15:16,399

what it is and what it means and what

297

00:15:28,470 --> 00:15:19,199

other kinds of it exists

298

00:15:33,189 --> 00:15:31,350

and if somebody's in the same room

299

00:15:34,790 --> 00:15:33,199

same house as a friend while doing an

300

00:15:38,710 --> 00:15:34,800

interview like what the hell are we

301
00:15:38,720 --> 00:15:41,910
that makes no sense

302
00:15:46,150 --> 00:15:44,949
or if somebody's showing a video it to a

303
00:15:46,630 --> 00:15:46,160
friend

304
00:15:49,670 --> 00:15:46,640
really

305
00:15:52,069 --> 00:15:49,680
[Music]

306
00:15:54,629 --> 00:15:52,079
before anybody else sees it which wasn't

307
00:15:58,550 --> 00:15:54,639
even the case but even if it was who

308
00:15:58,560 --> 00:16:05,829
you worry about your own stuff

309
00:16:10,550 --> 00:16:07,829
you can do

310
00:16:12,470 --> 00:16:10,560
your own thing in your own research and

311
00:16:19,749 --> 00:16:12,480
work on your own prerogative instead of

312
00:16:19,759 --> 00:16:26,949
it's wasted energy

313
00:16:26,959 --> 00:16:32,629

so that being said

314

00:16:39,590 --> 00:16:34,949

we got a hell of a case that we're gonna

315

00:16:42,790 --> 00:16:41,189

and i'm gonna be done with that grip

316

00:16:45,269 --> 00:16:42,800

because i don't really have time for it

317

00:16:46,629 --> 00:16:45,279

i do research i try to find truth any

318

00:16:48,870 --> 00:16:46,639

way i can

319

00:16:50,949 --> 00:16:48,880

and i dig in documents and i do all that

320

00:16:53,430 --> 00:16:50,959

sometimes i have guests

321

00:16:55,829 --> 00:16:53,440

sometimes i don't

322

00:16:58,629 --> 00:16:55,839

you know but in the end like

323

00:17:01,030 --> 00:16:58,639

i'm doing this because i

324

00:17:02,790 --> 00:17:01,040

want to try to provide information that

325

00:17:04,309 --> 00:17:02,800

other people might not know

326

00:17:06,309 --> 00:17:04,319

and if i'm the catalyst to put in the

327

00:17:07,270 --> 00:17:06,319

work and then put this stuff up on the

328

00:17:09,110 --> 00:17:07,280

screen

329

00:17:11,429 --> 00:17:09,120

so other people like yourselves can read

330

00:17:13,590 --> 00:17:11,439

it and learn that really want to

331

00:17:17,429 --> 00:17:13,600

i'm happy you know

332

00:17:17,439 --> 00:17:20,069

so

333

00:17:20,079 --> 00:17:30,310

i'm not here to start crap

334

00:17:34,870 --> 00:17:32,549

i wonder how it is to drive the gravity

335

00:17:37,190 --> 00:17:34,880

manipulating vehicle

336

00:17:40,950 --> 00:17:37,200

probably a lot like that is that a crx

337

00:17:42,310 --> 00:17:40,960

or alpha romero i can't tell drazen

338

00:17:45,029 --> 00:17:42,320

looks like you're racing it anyways

339

00:17:49,510 --> 00:17:47,669

this case is pretty

340

00:17:53,669 --> 00:17:49,520

interesting and

341

00:18:00,150 --> 00:17:55,909

of course it's on the archives with the

342

00:18:01,750 --> 00:18:00,160

blue book files that's for sure

343

00:18:03,830 --> 00:18:01,760

sorry about that yeah it's kind of small

344

00:18:05,510 --> 00:18:03,840

i can't really tell

345

00:18:07,430 --> 00:18:05,520

cool though

346

00:18:08,710 --> 00:18:07,440

um

347

00:18:11,669 --> 00:18:08,720

is

348

00:18:13,909 --> 00:18:11,679

i was looking at

349

00:18:16,150 --> 00:18:13,919

uh darpa if you guys aren't familiar

350

00:18:18,310 --> 00:18:16,160

with darpa darpa is

351

00:18:19,830 --> 00:18:18,320

basically like

352

00:18:22,230 --> 00:18:19,840

the weird arm of the government that

353

00:18:25,110 --> 00:18:22,240

works on all the crazy stuff like brain

354

00:18:27,510 --> 00:18:25,120

implants and hypersonic vehicles

355

00:18:31,830 --> 00:18:27,520

and all the advancements in technology

356

00:18:34,150 --> 00:18:32,710

so

357

00:18:35,590 --> 00:18:34,160

um

358

00:18:37,350 --> 00:18:35,600

they're pretty big deal

359

00:18:39,590 --> 00:18:37,360

that darpa there

360

00:18:41,110 --> 00:18:39,600

so

361

00:18:43,110 --> 00:18:41,120

i was looking at them and i was looking

362

00:18:45,990 --> 00:18:43,120

at their

363

00:18:48,470 --> 00:18:46,000

um like they're kind of like uh

364

00:18:50,150 --> 00:18:48,480

their fiscal spending their budget and

365

00:18:53,110 --> 00:18:50,160

you know who gets

366

00:18:55,510 --> 00:18:53,120

you know their money basically

367

00:18:58,230 --> 00:18:55,520

like as far as private contractors

368

00:19:00,630 --> 00:18:58,240

and one that i landed on maybe i should

369

00:19:02,730 --> 00:19:00,640

show you that first i guess

370

00:19:04,549 --> 00:19:02,740

well one that i landed on was um

371

00:19:06,789 --> 00:19:04,559

[Music]

372

00:19:09,110 --> 00:19:06,799

h r l

373

00:19:14,070 --> 00:19:09,120

laboratories

374

00:19:15,190 --> 00:19:14,080

boeing

375

00:19:17,590 --> 00:19:15,200

right

376

00:19:20,710 --> 00:19:17,600

and what i did was i thought hey who is

377

00:19:21,590 --> 00:19:20,720

hrl laboratories

378

00:19:23,270 --> 00:19:21,600

hmm

379

00:19:25,029 --> 00:19:23,280

so i've looked them up

380

00:19:26,470 --> 00:19:25,039

well it turns out

381

00:19:27,590 --> 00:19:26,480

they came from

382

00:19:29,029 --> 00:19:27,600

hughes

383

00:19:34,150 --> 00:19:29,039

aircraft

384

00:19:34,160 --> 00:19:37,510

so

385

00:19:43,669 --> 00:19:39,590

i look up

386

00:19:47,830 --> 00:19:45,270

do my thing and i found a very

387

00:19:50,549 --> 00:19:47,840

interesting

388

00:19:54,549 --> 00:19:50,559

uh sighting so yeah we'll we'll go over

389

00:19:56,789 --> 00:19:54,559

that and you know there's actually kind

390

00:19:58,510 --> 00:19:56,799

of a small amount of pages here but

391

00:20:01,110 --> 00:19:58,520

um you can see they mark it as

392

00:20:05,350 --> 00:20:01,120

unidentified right there

393

00:20:07,590 --> 00:20:05,360

we got a 30th of july 1954 in

394

00:20:10,950 --> 00:20:07,600

sunny l.a california

395

00:20:13,669 --> 00:20:10,960

civilian to test pilots

396

00:20:15,990 --> 00:20:13,679

uh pretty interesting

397

00:20:18,549 --> 00:20:16,000

so there's a whole lot of inside

398

00:20:19,830 --> 00:20:18,559

baseball talk here that's for sure

399

00:20:22,950 --> 00:20:19,840

um

400

00:20:24,890 --> 00:20:22,960

description of the object is

401
00:20:26,950 --> 00:20:24,900
a pencil thin line

402
00:20:30,870 --> 00:20:26,960
[Music]

403
00:20:31,750 --> 00:20:30,880
color is metallic or similar material

404
00:20:33,990 --> 00:20:31,760
um

405
00:20:38,470 --> 00:20:34,000
formation we got a single one no

406
00:20:43,590 --> 00:20:41,270
two test pilots of hughes aircraft corp

407
00:20:45,750 --> 00:20:43,600
flying in a b-25 south eastern lee

408
00:20:48,230 --> 00:20:45,760
heading approximately 15 miles southeast

409
00:20:50,070 --> 00:20:48,240
of the city of l.a cited an object

410
00:20:52,149 --> 00:20:50,080
looking like a pencil thin line in a

411
00:20:54,230 --> 00:20:52,159
horizontal plane in relationship to the

412
00:20:57,190 --> 00:20:54,240
earth both pilots made sightings

413
00:20:59,430 --> 00:20:57,200

simultaneously object appeared

414

00:21:00,630 --> 00:20:59,440

in a stationary position

415

00:21:04,230 --> 00:21:00,640

um

416

00:21:06,230 --> 00:21:04,240

aircraft climbed to 11 000

417

00:21:08,390 --> 00:21:06,240

and made 30 degree turns in an effort to

418

00:21:10,149 --> 00:21:08,400

obtain a better view

419

00:21:12,149 --> 00:21:10,159

and i think that failed

420

00:21:14,470 --> 00:21:12,159

object did not disappear while making 30

421

00:21:16,870 --> 00:21:14,480

degree turns interesting it appeared to

422

00:21:18,320 --> 00:21:16,880

be solid and of metallic or similar

423

00:21:19,510 --> 00:21:18,330

material yep we already knew that

424

00:21:20,800 --> 00:21:19,520

[Music]

425

00:21:22,390 --> 00:21:20,810

um

426

00:21:25,029 --> 00:21:22,400

[Music]

427

00:21:28,950 --> 00:21:25,039

heading unknown at the plains air speed

428

00:21:33,430 --> 00:21:31,750

and

429

00:21:35,750 --> 00:21:33,440

oh here we go

430

00:21:38,470 --> 00:21:35,760

this is interesting so right here it

431

00:21:42,149 --> 00:21:38,480

says um

432

00:21:44,230 --> 00:21:42,159

peterson a national guard jet pilot

433

00:21:45,830 --> 00:21:44,240

he felt citing that was important enough

434

00:21:49,190 --> 00:21:45,840

for scramble

435

00:21:51,430 --> 00:21:49,200

and jet intercept attempt but unable to

436

00:21:53,270 --> 00:21:51,440

establish radio contact

437

00:21:55,110 --> 00:21:53,280

with the van nuys national guard

438

00:21:58,310 --> 00:21:55,120

operations

439

00:22:00,789 --> 00:21:58,320

navy aircraft flying from southerly

440

00:22:03,990 --> 00:22:00,799

direction seem to pass underneath object

441

00:22:17,350 --> 00:22:05,990

pretty interesting

442

00:22:20,789 --> 00:22:17,360

we have a

443

00:22:22,470 --> 00:22:20,799

national guard f86 pilot felt object was

444

00:22:24,710 --> 00:22:22,480

important enough to have

445

00:22:27,830 --> 00:22:24,720

a scramble made

446

00:22:30,710 --> 00:22:27,840

so we have the coast guard

447

00:22:35,029 --> 00:22:30,720

scrambling an f-86

448

00:22:38,950 --> 00:22:35,039

to go after this unidentified that two

449

00:22:42,149 --> 00:22:38,960

test pilots from hughes aircraft see

450

00:22:43,669 --> 00:22:42,159

aircraft court and a navy pilot

451
00:22:45,909 --> 00:22:43,679
didn't see it

452
00:22:48,630 --> 00:22:45,919
but apparently went underneath it

453
00:22:53,350 --> 00:22:48,640
it was metallic thin pencil shaped

454
00:22:59,190 --> 00:22:55,830
interesting they say it's metallic

455
00:23:00,630 --> 00:22:59,200
so it's not like white or anything

456
00:23:02,549 --> 00:23:00,640
which is what i was gonna make a

457
00:23:03,830 --> 00:23:02,559
comparison to the tic tac

458
00:23:05,110 --> 00:23:03,840
but that's white

459
00:23:08,149 --> 00:23:05,120
but you know

460
00:23:09,110 --> 00:23:08,159
who knows

461
00:23:11,909 --> 00:23:09,120
um

462
00:23:14,070 --> 00:23:11,919
so we have

463
00:23:16,310 --> 00:23:14,080

yeah and that's pretty much it so it's a

464

00:23:21,350 --> 00:23:16,320

pretty

465

00:23:23,430 --> 00:23:21,360

something that one unidentified

466

00:23:25,750 --> 00:23:23,440

you know what's weird about this is

467

00:23:27,430 --> 00:23:25,760

usually and i bet mr robert gopher could

468

00:23:29,029 --> 00:23:27,440

attest for this

469

00:23:32,230 --> 00:23:29,039

usually if

470

00:23:34,390 --> 00:23:32,240

you have this little of information

471

00:23:38,310 --> 00:23:34,400

and something

472

00:23:43,190 --> 00:23:38,320

is reported that they can't identify

473

00:23:48,549 --> 00:23:45,830

yeah like this one insufficient data

474

00:23:51,190 --> 00:23:48,559

for evaluation

475

00:23:56,630 --> 00:23:51,200

they won't say unidentified

476

00:24:02,310 --> 00:23:59,590

um i wonder if it's weird to

477

00:24:04,070 --> 00:24:02,320

mr cowford probably pencil thin line

478

00:24:06,230 --> 00:24:04,080

stationary and horizontal plane parallel

479

00:24:09,110 --> 00:24:06,240

to earth seam solid metallic air visual

480

00:24:10,950 --> 00:24:09,120

from b-25 on test mission aircraft

481

00:24:13,190 --> 00:24:10,960

climbed to eleven thousand circling to

482

00:24:15,269 --> 00:24:13,200

obtain better view object did not

483

00:24:19,590 --> 00:24:15,279

disappear tv aircraft passed under

484

00:24:21,350 --> 00:24:19,600

object object appeared to be at 30 000.

485

00:24:22,390 --> 00:24:21,360

interesting

486

00:24:23,590 --> 00:24:22,400

yeah

487

00:24:29,110 --> 00:24:23,600

i did not

488

00:24:32,789 --> 00:24:30,870

hold will pick up

489

00:24:35,269 --> 00:24:32,799

it's interesting so i would imagine

490

00:24:37,830 --> 00:24:35,279

almost that the

491

00:24:40,070 --> 00:24:37,840

probably the more information

492

00:24:42,230 --> 00:24:40,080

that came with this

493

00:24:51,110 --> 00:24:42,240

is probably not here anymore it went

494

00:24:55,590 --> 00:24:53,990

was a very interesting case that's for

495

00:24:56,710 --> 00:24:55,600

sure

496

00:25:03,590 --> 00:24:56,720

so

497

00:25:03,600 --> 00:25:09,110

and there's a there's a lot of kind of

498

00:25:14,230 --> 00:25:11,510

rumors i guess there could be more than

499

00:25:16,470 --> 00:25:14,240

rumors but i haven't been able to

500

00:25:18,549 --> 00:25:16,480

put enough research to do that but here

501
00:25:23,510 --> 00:25:18,559
hughes aircraft corporation being

502
00:25:28,960 --> 00:25:27,029
anomalous material maybe

503
00:25:31,750 --> 00:25:28,970
that have been recovered back then

504
00:25:33,190 --> 00:25:31,760
[Music]

505
00:25:35,190 --> 00:25:33,200
so

506
00:25:36,950 --> 00:25:35,200
who knows oh yeah here we go we got the

507
00:25:41,029 --> 00:25:36,960
emergency right here

508
00:25:41,039 --> 00:25:45,029
that's pretty crazy huh

509
00:25:51,909 --> 00:25:48,310
so what did what were they thinking

510
00:25:57,029 --> 00:25:54,310
they intercept a pilot

511
00:26:00,310 --> 00:25:57,039
or they put a coast guard interceptor up

512
00:26:05,110 --> 00:26:02,710
and

513
00:26:07,190 --> 00:26:05,120

that's it

514

00:26:09,909 --> 00:26:07,200

i mean sometimes like the socorro case

515

00:26:13,510 --> 00:26:09,919

with lonnie zamora you got like 70 pages

516

00:26:17,909 --> 00:26:15,750

interesting

517

00:26:19,590 --> 00:26:17,919

so

518

00:26:22,549 --> 00:26:19,600

yeah

519

00:26:25,190 --> 00:26:22,559

pretty pretty interesting so

520

00:26:27,110 --> 00:26:25,200

that is at that one not a whole lot more

521

00:26:29,350 --> 00:26:27,120

to it

522

00:26:31,669 --> 00:26:29,360

but that hughes aircraft is kind of uh

523

00:26:33,669 --> 00:26:31,679

where everything started for me i guess

524

00:26:36,230 --> 00:26:33,679

you could say

525

00:26:38,990 --> 00:26:36,240

um because

526
00:26:42,149 --> 00:26:39,000
of the

527
00:26:44,310 --> 00:26:42,159
hrl laboratories who

528
00:26:47,029 --> 00:26:44,320
wound up

529
00:26:51,269 --> 00:26:47,039
more or less

530
00:26:52,789 --> 00:26:51,279
taking over hughes aircraft the research

531
00:26:54,470 --> 00:26:52,799
side of things

532
00:26:58,149 --> 00:26:54,480
and

533
00:27:01,430 --> 00:26:59,750
their main

534
00:27:03,669 --> 00:27:01,440
is their parent company

535
00:27:05,029 --> 00:27:03,679
so this is interesting so when you look

536
00:27:07,190 --> 00:27:05,039
and i'm going to kind of show you this

537
00:27:09,750 --> 00:27:07,200
is where i kind of got into this right

538
00:27:14,149 --> 00:27:11,830

darpa research funding and this is

539

00:27:15,110 --> 00:27:14,159

fiscal year 2006 sure but i'm just

540

00:27:16,549 --> 00:27:15,120

looking at

541

00:27:19,029 --> 00:27:16,559

where are they spending their money

542

00:27:21,110 --> 00:27:19,039

right so we got 2006 over here you can

543

00:27:23,269 --> 00:27:21,120

see all these amounts 1 million 5

544

00:27:24,389 --> 00:27:23,279

million then all of a sudden out of

545

00:27:26,350 --> 00:27:24,399

nowhere

546

00:27:28,549 --> 00:27:26,360

you get boom

547

00:27:31,909 --> 00:27:28,559

57.1 million

548

00:27:39,669 --> 00:27:31,919

now this isn't hrl but this is uh

549

00:27:44,789 --> 00:27:41,830

and then 46 million scramjet engine

550

00:27:46,630 --> 00:27:44,799

demonstrator wave rider consortium this

551
00:27:50,389 --> 00:27:46,640
is so but basically the reason i

552
00:27:52,389 --> 00:27:50,399
highlighted sri at a whopping 57 million

553
00:27:54,710 --> 00:27:52,399
because that is who

554
00:27:56,470 --> 00:27:54,720
did the

555
00:27:59,430 --> 00:27:56,480
stargate project the whole remote

556
00:28:05,430 --> 00:27:59,440
viewing project for the cia

557
00:28:10,549 --> 00:28:08,070
the most famous person

558
00:28:11,350 --> 00:28:10,559
with sri international

559
00:28:15,430 --> 00:28:11,360
um

560
00:28:15,440 --> 00:28:19,190
i'm sure you're familiar with

561
00:28:26,230 --> 00:28:23,669
so that is interesting 57 million

562
00:28:27,990 --> 00:28:26,240
unless taxpayers are paying for that

563
00:28:29,430 --> 00:28:28,000

and guess how much information we

564

00:28:37,110 --> 00:28:29,440

probably have on it

565

00:28:42,200 --> 00:28:39,430

zero

566

00:28:45,990 --> 00:28:43,350

[Music]

567

00:28:49,990 --> 00:28:46,000

you know whatever is where it is so how

568

00:28:51,669 --> 00:28:50,000

did i find the hrl laboratories so

569

00:28:52,950 --> 00:28:51,679

you probably can't see it i'll try to

570

00:28:55,669 --> 00:28:52,960

zoom in here

571

00:28:56,830 --> 00:28:55,679

but the hrl laboratories right here this

572

00:29:00,909 --> 00:28:56,840

bottom line

573

00:29:03,510 --> 00:29:02,630

2697

574

00:29:05,669 --> 00:29:03,520

so

575

00:29:07,430 --> 00:29:05,679

that amount stuck out to me

576

00:29:11,990 --> 00:29:07,440

what the hell is that

577

00:29:17,110 --> 00:29:15,590

zeta turns out zeta is some quantum uh

578

00:29:20,630 --> 00:29:17,120

communication

579

00:29:20,640 --> 00:29:23,669

pretty crazy

580

00:29:27,190 --> 00:29:25,990

did i solve any cases or anything no

581

00:29:29,029 --> 00:29:27,200

definitely not

582

00:29:30,549 --> 00:29:29,039

but this is a rabbit hole

583

00:29:36,070 --> 00:29:30,559

here's

584

00:29:40,389 --> 00:29:36,080

the one interesting aspect

585

00:29:41,350 --> 00:29:40,399

i would say is getting into this

586

00:29:42,870 --> 00:29:41,360

is

587

00:29:49,190 --> 00:29:42,880

you start getting into all these

588

00:29:52,870 --> 00:29:51,510

which can be kind of fun so i'm just

589

00:29:55,190 --> 00:29:52,880

kind of randomly going through different

590

00:29:57,909 --> 00:29:55,200

things here so this new millennium

591

00:29:59,430 --> 00:29:57,919

project uh deep space

592

00:30:01,350 --> 00:29:59,440

i'm kind of losing track of where i was

593

00:30:03,029 --> 00:30:01,360

going

594

00:30:05,110 --> 00:30:03,039

um

595

00:30:07,590 --> 00:30:05,120

all this stuff all these people come

596

00:30:09,750 --> 00:30:07,600

from these original branches

597

00:30:11,830 --> 00:30:09,760

of or companies

598

00:30:14,230 --> 00:30:11,840

like hughes aircraft

599

00:30:15,750 --> 00:30:14,240

branched out into like several different

600

00:30:18,310 --> 00:30:15,760

companies

601
00:30:20,870 --> 00:30:18,320
which is hrl laboratories

602
00:30:24,389 --> 00:30:20,880
owned by boeing another aspect of the

603
00:30:26,789 --> 00:30:24,399
hughes aircraft went to raytheon

604
00:30:30,230 --> 00:30:26,799
another aspect turned into northrop

605
00:30:34,389 --> 00:30:31,510
and then to even make it more

606
00:30:41,190 --> 00:30:36,630
one of the

607
00:30:44,149 --> 00:30:41,200
winds up

608
00:30:46,950 --> 00:30:44,159
being alliant technologies

609
00:30:48,230 --> 00:30:46,960
that's headed by none other than admiral

610
00:30:54,070 --> 00:30:48,240
wilson

611
00:30:55,669 --> 00:30:54,080
and they worked on space vehicles

612
00:30:59,350 --> 00:30:55,679
and now they're owned by northrop

613
00:31:03,590 --> 00:31:01,110

how are you supposed to figure anything

614

00:31:06,149 --> 00:31:03,600

out so the only like what i think of

615

00:31:07,909 --> 00:31:06,159

about this technology is you always hear

616

00:31:11,269 --> 00:31:07,919

these government folks talking about the

617

00:31:16,870 --> 00:31:13,110

uh with our help from our friends in the

618

00:31:22,549 --> 00:31:19,909

i think this private sector probably

619

00:31:27,430 --> 00:31:22,559

uh are the ones that maybe are really

620

00:31:27,440 --> 00:31:31,990

they probably have all the technology

621

00:31:39,909 --> 00:31:35,029

and our government has to beg and plead

622

00:31:45,269 --> 00:31:42,470

all that money that darpa and the army

623

00:31:47,110 --> 00:31:45,279

and other people give these companies to

624

00:31:48,389 --> 00:31:47,120

do their work for them

625

00:31:49,669 --> 00:31:48,399

who do you think is going to have the

626

00:31:52,230 --> 00:31:49,679

materials

627

00:31:57,029 --> 00:31:52,240

us or them

628

00:32:01,830 --> 00:31:58,389

you know

629

00:32:03,350 --> 00:32:01,840

and guess what you can't foia that

630

00:32:05,590 --> 00:32:03,360

you can't foia

631

00:32:09,509 --> 00:32:05,600

hrl laboratories

632

00:32:15,909 --> 00:32:11,190

show me what you're working on

633

00:32:19,190 --> 00:32:18,230

we can't go to boeing

634

00:32:26,630 --> 00:32:19,200

you know

635

00:32:30,950 --> 00:32:28,230

and you would have to think that they

636

00:32:32,549 --> 00:32:30,960

have any type of material

637

00:32:34,070 --> 00:32:32,559

um that could be

638

00:32:36,789 --> 00:32:34,080

um

639

00:32:42,549 --> 00:32:36,799

from some sort of spacecraft

640

00:32:42,559 --> 00:32:49,590

so deep space um

641

00:32:59,269 --> 00:32:50,630

so

642

00:33:00,230 --> 00:32:59,279

canceled but it was to test different

643

00:33:01,509 --> 00:33:00,240

kinds of um

644

00:33:03,029 --> 00:33:01,519

[Music]

645

00:33:09,350 --> 00:33:03,039

uh

646

00:33:14,710 --> 00:33:12,710

and then i don't even think we sometimes

647

00:33:16,070 --> 00:33:14,720

i or others

648

00:33:19,909 --> 00:33:16,080

didn't even

649

00:33:23,350 --> 00:33:19,919

real don't even realize like um

650

00:33:28,389 --> 00:33:26,149

the u.s government is really up to

651
00:33:30,470 --> 00:33:28,399
like darpa for instance

652
00:33:31,430 --> 00:33:30,480
darpa

653
00:33:37,990 --> 00:33:31,440
like

654
00:33:44,149 --> 00:33:38,000
guys are familiar or not i'm not sure

655
00:33:48,950 --> 00:33:46,789
there's actually some pretty freaky

656
00:33:51,110 --> 00:33:48,960
stuff

657
00:33:53,350 --> 00:33:51,120
that would seem like maybe we're getting

658
00:34:01,190 --> 00:33:53,360
pretty close to that

659
00:34:08,550 --> 00:34:03,990
science and technology symposium

660
00:34:12,710 --> 00:34:10,230
they're they're working on some pretty

661
00:34:17,589 --> 00:34:12,720
um

662
00:34:20,710 --> 00:34:19,430
so i'm just going through here

663
00:34:22,470 --> 00:34:20,720

quick

664

00:34:24,149 --> 00:34:22,480

but they also have

665

00:34:26,629 --> 00:34:24,159

all sorts of things

666

00:34:28,629 --> 00:34:26,639

that they work on including like chips

667

00:34:35,750 --> 00:34:28,639

that they can put in people's brains

668

00:34:39,750 --> 00:34:37,430

and

669

00:34:40,950 --> 00:34:39,760

you know this is all stuff that we can

670

00:34:43,430 --> 00:34:40,960

see

671

00:34:45,270 --> 00:34:43,440

from a long time ago

672

00:34:47,190 --> 00:34:45,280

10 15 years ago so what are they working

673

00:34:49,349 --> 00:34:47,200

on now interesting

674

00:34:55,190 --> 00:34:49,359

defending against biological well that

675

00:34:59,670 --> 00:34:57,750

interesting hey using biology to enhance

676
00:35:01,670 --> 00:34:59,680
defense systems bio

677
00:35:03,190 --> 00:35:01,680
computation new materials energy

678
00:35:05,829 --> 00:35:03,200
transduction

679
00:35:09,430 --> 00:35:05,839
uh wow the bio

680
00:35:11,750 --> 00:35:09,440
silico interface brain technology

681
00:35:12,550 --> 00:35:11,760
cell and tissue engineering do you see

682
00:35:25,670 --> 00:35:12,560
that

683
00:35:27,589 --> 00:35:25,680
could be interesting and i would have no

684
00:35:30,230 --> 00:35:27,599
idea

685
00:35:32,950 --> 00:35:30,240
probably something with your genes

686
00:35:35,670 --> 00:35:32,960
maintaining human combat performance

687
00:35:39,589 --> 00:35:35,680
deploy at peak maintain at peak use

688
00:35:40,950 --> 00:35:39,599

brain activity to command control uh

689

00:35:42,390 --> 00:35:40,960

communicate with the world directly

690

00:35:46,230 --> 00:35:42,400

through brain integration with

691

00:35:49,829 --> 00:35:46,240

prosthetics and peripheral devices

692

00:35:58,150 --> 00:35:51,430

closed-loop demonstration of arm

693

00:36:01,589 --> 00:35:59,030

well

694

00:36:03,829 --> 00:36:01,599

human assisted neural devices learning

695

00:36:05,990 --> 00:36:03,839

how to control a brain machine interface

696

00:36:13,270 --> 00:36:06,000

for reaching and grasping

697

00:36:16,390 --> 00:36:14,710

this is what

698

00:36:19,109 --> 00:36:16,400

what you know

699

00:36:24,069 --> 00:36:19,119

microchip models of hippocampal function

700

00:36:24,079 --> 00:36:27,510

hippocampus

701
00:36:32,230 --> 00:36:30,310
uh so they put microchips in there

702
00:36:34,470 --> 00:36:32,240
now i wonder

703
00:36:41,030 --> 00:36:34,480
are they doing it

704
00:36:41,040 --> 00:36:44,310
who's doing it

705
00:36:51,670 --> 00:36:46,310
it's pretty interesting though cognitive

706
00:36:59,349 --> 00:36:53,910
hippocampal slice that sounds like it

707
00:37:01,430 --> 00:36:59,720
um

708
00:37:03,670 --> 00:37:01,440
[Music]

709
00:37:06,630 --> 00:37:03,680
gold to develop

710
00:37:08,310 --> 00:37:06,640
biometric model of c83 region that can

711
00:37:10,470 --> 00:37:08,320
interact with the brain to restore and

712
00:37:11,670 --> 00:37:10,480
or augment hippocampal memory from

713
00:37:14,710 --> 00:37:11,680

function

714

00:37:23,589 --> 00:37:16,790

to augment

715

00:37:27,750 --> 00:37:25,670

well you might want to call those people

716

00:37:29,349 --> 00:37:27,760

get on the horn with uh doug eric or

717

00:37:35,670 --> 00:37:29,359

mike

718

00:37:40,069 --> 00:37:37,510

so you know don't mind me while i go

719

00:37:41,670 --> 00:37:40,079

through this i'm just kind of like

720

00:37:42,470 --> 00:37:41,680

in shock and looking at it at the same

721

00:37:44,069 --> 00:37:42,480

time

722

00:37:47,109 --> 00:37:44,079

and this is what our universities are

723

00:37:50,069 --> 00:37:47,119

working at caltech

724

00:37:54,470 --> 00:37:50,079

interesting

725

00:37:58,230 --> 00:37:57,030

yeah so this is we're almost done with

726

00:37:59,990 --> 00:37:58,240

this one here

727

00:38:02,950 --> 00:38:00,000

using the partial cortex rather than

728

00:38:04,390 --> 00:38:02,960

motor uh cortex is novel

729

00:38:07,109 --> 00:38:04,400

useful features

730

00:38:10,870 --> 00:38:08,950

so yeah they're going all out with this

731

00:38:13,270 --> 00:38:10,880

high level cognitive and may require

732

00:38:14,790 --> 00:38:13,280

fewer recordings to read out intentions

733

00:38:17,190 --> 00:38:14,800

wow

734

00:38:19,430 --> 00:38:17,200

this is uh

735

00:38:21,190 --> 00:38:19,440

reminds me of uh i start talking about

736

00:38:24,550 --> 00:38:21,200

intentions and reading intentions

737

00:38:31,430 --> 00:38:24,560

reminds me of minority report that movie

738

00:38:36,470 --> 00:38:33,589

you know we probably need

739

00:38:39,190 --> 00:38:36,480

a neurologist to make more

740

00:38:42,470 --> 00:38:41,109

you know to give you a better idea of

741

00:38:44,069 --> 00:38:42,480

what

742

00:38:46,310 --> 00:38:44,079

uh the implications of something like

743

00:38:51,030 --> 00:38:46,320

this

744

00:38:56,230 --> 00:38:53,829

you know putting chips and brains

745

00:38:57,910 --> 00:38:56,240

weird regardless of what your profession

746

00:39:02,630 --> 00:38:57,920

is

747

00:39:04,310 --> 00:39:02,640

and we hear about that from abductees

748

00:39:06,550 --> 00:39:04,320

you know chips

749

00:39:08,230 --> 00:39:06,560

implemented

750

00:39:10,470 --> 00:39:08,240

which is interesting there's always

751
00:39:11,510 --> 00:39:10,480
these correlations between

752
00:39:15,030 --> 00:39:11,520
uh

753
00:39:25,910 --> 00:39:16,310
and

754
00:39:25,920 --> 00:39:29,349
interesting

755
00:39:37,750 --> 00:39:33,670
so

756
00:39:37,760 --> 00:39:44,470
that's really all i got

757
00:39:57,990 --> 00:39:50,870
got any questions

758
00:40:02,630 --> 00:40:00,310
i can answer them i don't really have

759
00:40:06,069 --> 00:40:02,640
any new

760
00:40:13,589 --> 00:40:06,079
well i guess i could kind of show

761
00:40:22,630 --> 00:40:15,030
what we could do

762
00:40:22,640 --> 00:40:26,309
this is something uh

763
00:40:31,829 --> 00:40:29,349

darpa made oh we got a question what's

764

00:40:33,349 --> 00:40:31,839

your take on the toe episode yesterday

765

00:40:36,309 --> 00:40:33,359

um

766

00:40:40,470 --> 00:40:36,319

i thought it was uh

767

00:40:46,550 --> 00:40:44,870

you know three hours that's way too long

768

00:40:49,190 --> 00:40:46,560

i don't know why anyone would do that

769

00:40:50,470 --> 00:40:49,200

for three hours that

770

00:40:52,550 --> 00:40:50,480

um

771

00:40:55,190 --> 00:40:52,560

and i think you also saw kind of like

772

00:40:57,510 --> 00:40:55,200

what happens when you let

773

00:40:59,270 --> 00:40:57,520

uh an audience of

774

00:41:01,270 --> 00:40:59,280

three and a half thousand people ask the

775

00:41:03,589 --> 00:41:01,280

questions

776

00:41:04,790 --> 00:41:03,599

you know

777

00:41:06,550 --> 00:41:04,800

like um

778

00:41:09,589 --> 00:41:06,560

my favorite part actually the episode

779

00:41:12,870 --> 00:41:09,599

was uh when a question came up of

780

00:41:15,990 --> 00:41:12,880

um do you think there is a dna

781

00:41:19,829 --> 00:41:16,000

lineage from aliens to to us humans

782

00:41:21,490 --> 00:41:19,839

and uh sean gale goes i have no idea

783

00:41:25,349 --> 00:41:21,500

next question

784

00:41:26,710 --> 00:41:25,359

[Laughter]

785

00:41:29,750 --> 00:41:26,720

you know because that's the kind of

786

00:41:31,670 --> 00:41:29,760

stuff i think you know for the most part

787

00:41:34,470 --> 00:41:31,680

you're trying to avoid like speculation

788

00:41:36,309 --> 00:41:34,480

on stuff like you just don't know you

789

00:41:38,150 --> 00:41:36,319

know how far can you take a subject when

790

00:41:40,630 --> 00:41:38,160

you spend all your time talking about

791

00:41:42,630 --> 00:41:40,640

things that you just don't know about or

792

00:41:45,430 --> 00:41:42,640

speculating about yeah like you said if

793

00:41:47,910 --> 00:41:45,440

the moon is hollow you know

794

00:41:50,550 --> 00:41:47,920

which it's not speculation it isn't but

795

00:41:51,829 --> 00:41:50,560

you know what i mean

796

00:41:53,270 --> 00:41:51,839

and he actually made a kind of an

797

00:41:55,829 --> 00:41:53,280

interesting point that some people seem

798

00:41:58,390 --> 00:41:55,839

to ask questions that are geared around

799

00:42:05,270 --> 00:42:00,630

you know padding their own

800

00:42:09,030 --> 00:42:06,550

you know

801
00:42:09,990 --> 00:42:09,040
so for instance if they want the truth

802
00:42:12,309 --> 00:42:10,000
to be

803
00:42:13,829 --> 00:42:12,319
that our dna has come from aliens then

804
00:42:14,829 --> 00:42:13,839
they asked that question

805
00:42:17,829 --> 00:42:14,839
you

806
00:42:18,550 --> 00:42:17,839
know and then take any kind of answer

807
00:42:20,950 --> 00:42:18,560
with

808
00:42:23,990 --> 00:42:20,960
any wiggle room at all available and use

809
00:42:26,230 --> 00:42:24,000
that to prop up their belief right

810
00:42:28,069 --> 00:42:26,240
like for instance if you're here to say

811
00:42:31,109 --> 00:42:28,079
well i don't know i've heard pretty good

812
00:42:32,870 --> 00:42:31,119
stories about that but you know i'm not

813
00:42:34,550 --> 00:42:32,880

sure could be

814

00:42:37,349 --> 00:42:34,560

they'll take that and go

815

00:42:38,470 --> 00:42:37,359

see it could be look sean caleb said

816

00:42:39,990 --> 00:42:38,480

maybe

817

00:42:43,589 --> 00:42:40,000

it could possibly be he's heard some

818

00:42:43,599 --> 00:42:47,349

you know

819

00:42:47,359 --> 00:42:50,309

so

820

00:42:55,109 --> 00:42:52,230

um this is a pretty good one do you

821

00:42:57,270 --> 00:42:55,119

think you really put uh

822

00:42:58,630 --> 00:42:57,280

apple juice in there

823

00:43:01,589 --> 00:42:58,640

i have no idea

824

00:43:04,230 --> 00:43:01,599

to me it's pretty interesting um

825

00:43:05,510 --> 00:43:04,240

that if you're drinking beer

826

00:43:07,270 --> 00:43:05,520

you're drinking

827

00:43:10,829 --> 00:43:07,280

mcglobe ultra because that's not really

828

00:43:15,670 --> 00:43:10,839

beer that's like that's totally legit

829

00:43:20,150 --> 00:43:18,400

do i think he did or not uh no

830

00:43:21,190 --> 00:43:20,160

[Music]

831

00:43:23,030 --> 00:43:21,200

maybe

832

00:43:24,630 --> 00:43:23,040

i i can't i can't really say it the

833

00:43:26,790 --> 00:43:24,640

whole thing's weird like who gives a

834

00:43:30,950 --> 00:43:26,800

[h__\h]

835

00:43:30,960 --> 00:43:34,630

that's what i would say

836

00:43:34,640 --> 00:43:38,470

um

837

00:43:38,480 --> 00:43:44,150

but yeah it's like in i feel like

838

00:43:48,630 --> 00:43:46,230

you know we're we we have to get out of

839

00:43:49,910 --> 00:43:48,640

the and i'm just saying we generally not

840

00:43:52,230 --> 00:43:49,920

you guys because you guys never really

841

00:43:54,390 --> 00:43:52,240

do this stuff but we have to get out of

842

00:43:56,150 --> 00:43:54,400

um

843

00:43:58,870 --> 00:43:56,160

the habit of like

844

00:44:02,950 --> 00:43:58,880

latching first of all onto anything

845

00:44:11,030 --> 00:44:04,069

you know

846

00:44:13,829 --> 00:44:11,040

that the government and the pentagon

847

00:44:17,190 --> 00:44:13,839

confirm that uap's unidentified aerial

848

00:44:20,069 --> 00:44:17,200

phenomenon exists and that it's real

849

00:44:25,030 --> 00:44:20,079

and they have an office that apparently

850

00:44:30,710 --> 00:44:28,550

nothing else to really work on

851
00:44:32,550 --> 00:44:30,720
and we know that they've

852
00:44:34,829 --> 00:44:32,560
that we've been lied to

853
00:44:36,470 --> 00:44:34,839
for decades upon decades

854
00:44:44,069 --> 00:44:36,480
about

855
00:44:48,550 --> 00:44:46,150
we know that there are things in the

856
00:44:49,349 --> 00:44:48,560
skies sometimes in the seas

857
00:44:54,309 --> 00:44:49,359
that

858
00:45:02,150 --> 00:44:57,910
we do not know however

859
00:45:06,710 --> 00:45:02,160
if they're from zeta reticuli mars venus

860
00:45:10,550 --> 00:45:07,990
or

861
00:45:10,560 --> 00:45:13,829
we have no idea

862
00:45:19,750 --> 00:45:15,510
anyone who comes that tries to tell you

863
00:45:23,670 --> 00:45:22,390

is straight up um

864

00:45:26,710 --> 00:45:23,680

lying to you

865

00:45:29,829 --> 00:45:28,309

they would know at least where that

866

00:45:32,710 --> 00:45:29,839

proof is

867

00:45:35,750 --> 00:45:32,720

or they'd be able to give you that proof

868

00:45:37,030 --> 00:45:35,760

and they'd be a lot more famous than me

869

00:45:38,390 --> 00:45:37,040

or luella

870

00:45:39,910 --> 00:45:38,400

which i'm not

871

00:45:41,270 --> 00:45:39,920

at all

872

00:45:42,870 --> 00:45:41,280

by the way

873

00:45:48,230 --> 00:45:42,880

i'm very

874

00:45:50,870 --> 00:45:48,240

in the whole scheme of everything but

875

00:45:53,430 --> 00:45:50,880

they'd be more famous than um in the ufo

876

00:45:55,829 --> 00:45:53,440

world than like lou elizondo

877

00:45:58,150 --> 00:45:55,839

or even in the whole world than a

878

00:45:59,910 --> 00:45:58,160

freaking queen elizabeth if they came

879

00:46:01,510 --> 00:45:59,920

out and had proof of what these things

880

00:46:03,190 --> 00:46:01,520

are and where they're from if they

881

00:46:03,990 --> 00:46:03,200

actually knew that

882

00:46:06,230 --> 00:46:04,000

that's

883

00:46:09,109 --> 00:46:06,240

who they'd be they wouldn't be

884

00:46:11,910 --> 00:46:09,119

uh an emoji without a picture

885

00:46:15,589 --> 00:46:11,920

and a and they and have a fake name

886

00:46:16,870 --> 00:46:15,599

and be angry and say you guys are idiots

887

00:46:17,240 --> 00:46:16,880

they're

888

00:46:18,550 --> 00:46:17,250

um

889

00:46:20,790 --> 00:46:18,560

[Music]

890

00:46:24,470 --> 00:46:20,800

ai monkey brains

891

00:46:31,990 --> 00:46:28,470

you know

892

00:46:34,870 --> 00:46:32,000

with people who have experiences like

893

00:46:37,910 --> 00:46:34,880

they can be so emotional

894

00:46:41,030 --> 00:46:37,920

and you want to have an answer

895

00:46:43,030 --> 00:46:41,040

and some people make so much sense

896

00:46:45,750 --> 00:46:43,040

and you so badly just want to go with

897

00:46:48,790 --> 00:46:45,760

that because you want to have an end to

898

00:46:51,750 --> 00:46:48,800

the story that started

899

00:46:56,790 --> 00:46:51,760

or at least a broad to take

900

00:47:02,550 --> 00:46:58,630

and you can but

901
00:47:07,910 --> 00:47:02,560
it's just a it's a waste of time

902
00:47:14,230 --> 00:47:11,190
you really just don't especially in this

903
00:47:16,230 --> 00:47:14,240
field the only way to go i think

904
00:47:18,950 --> 00:47:16,240
is to

905
00:47:21,750 --> 00:47:18,960
stay true to who you are

906
00:47:22,630 --> 00:47:21,760
and what you can really live with as far

907
00:47:25,109 --> 00:47:22,640
as

908
00:47:26,309 --> 00:47:25,119
um telling yourself what's true and

909
00:47:28,390 --> 00:47:26,319
what's not

910
00:47:30,710 --> 00:47:28,400
you have to live with yourself and ask

911
00:47:33,510 --> 00:47:30,720
yourself that question

912
00:47:35,030 --> 00:47:33,520
and be serious with it

913
00:47:42,470 --> 00:47:35,040

and lying to yourself for faking

914

00:47:45,670 --> 00:47:44,309

yeah you know that's a great point when

915

00:47:48,150 --> 00:47:45,680

people don't think it's a big deal it's

916

00:47:50,829 --> 00:47:48,160

amazing well

917

00:47:53,190 --> 00:47:50,839

there's one answer for that it's

918

00:47:55,109 --> 00:47:53,200

because you know i don't think they see

919

00:47:56,390 --> 00:47:55,119

anything they don't see anything so it's

920

00:47:58,870 --> 00:47:56,400

not a big deal

921

00:48:00,870 --> 00:47:58,880

you know there hasn't been some big

922

00:48:02,870 --> 00:48:00,880

plane air crash that's on the news that

923

00:48:04,390 --> 00:48:02,880

a ufo hit it or whatever so it's not a

924

00:48:07,510 --> 00:48:04,400

big deal

925

00:48:09,030 --> 00:48:07,520

you know i think actually most people

926
00:48:10,950 --> 00:48:09,040
it's funny because i think most people

927
00:48:13,990 --> 00:48:10,960
believe that there's other intelligent

928
00:48:14,870 --> 00:48:14,000
life in the universe or the galaxy you

929
00:48:16,470 --> 00:48:14,880
know

930
00:48:17,910 --> 00:48:16,480
universe

931
00:48:19,670 --> 00:48:17,920
for sure

932
00:48:22,950 --> 00:48:19,680
i think the majority of people think

933
00:48:23,829 --> 00:48:22,960
that i also think the majority of people

934
00:48:26,549 --> 00:48:23,839
um

935
00:48:27,510 --> 00:48:26,559
those same people don't think that ufos

936
00:48:28,309 --> 00:48:27,520
are

937
00:48:31,430 --> 00:48:28,319
uh

938
00:48:34,549 --> 00:48:31,440

alien or anything weird or paranormal

939

00:48:36,950 --> 00:48:34,559

and think for the most part

940

00:48:39,430 --> 00:48:36,960

are probably government projects and

941

00:48:41,910 --> 00:48:39,440

even this whole thing is some sort of

942

00:48:44,150 --> 00:48:41,920

psyop operation i think most people

943

00:48:45,910 --> 00:48:44,160

think that

944

00:48:48,470 --> 00:48:45,920

that aren't like

945

00:48:49,829 --> 00:48:48,480

you know

946

00:48:51,990 --> 00:48:49,839

that don't like

947

00:48:58,549 --> 00:48:52,000

aren't well read on anything that's

948

00:48:58,559 --> 00:49:03,430

can i prove that no

949

00:49:07,430 --> 00:49:05,270

but i can say like

950

00:49:09,349 --> 00:49:07,440

before i had my experience before i

951
00:49:10,150 --> 00:49:09,359
started reading

952
00:49:13,109 --> 00:49:10,160
the

953
00:49:14,950 --> 00:49:13,119
probably almost thousand of ufo reports

954
00:49:18,790 --> 00:49:14,960
now

955
00:49:24,790 --> 00:49:20,710
and i was just like the only thing i

956
00:49:26,470 --> 00:49:24,800
knew of ufos was uh uh maybe

957
00:49:28,549 --> 00:49:26,480
unidentified

958
00:49:31,750 --> 00:49:28,559
right with alexander that i saw a couple

959
00:49:34,309 --> 00:49:31,760
episodes of um and before that like

960
00:49:35,750 --> 00:49:34,319
firing this guy when i was a kid

961
00:49:36,870 --> 00:49:35,760
um

962
00:49:41,750 --> 00:49:36,880
i didn't

963
00:49:43,829 --> 00:49:41,760

i thought um cool you know but if it's

964

00:49:45,030 --> 00:49:43,839

gonna affect me then you know i'll see

965

00:49:46,630 --> 00:49:45,040

it or

966

00:49:49,910 --> 00:49:46,640

you know it'll be something to worry

967

00:49:52,150 --> 00:49:49,920

about it'll affect my life somehow you

968

00:50:02,390 --> 00:49:52,160

know

969

00:50:06,309 --> 00:50:02,400

a problem i think for most people

970

00:50:13,430 --> 00:50:06,319

unless ufos affect their life it's a tv

971

00:50:16,950 --> 00:50:15,190

are they wrong for thinking that i don't

972

00:50:18,309 --> 00:50:16,960

know with how much the government has

973

00:50:24,130 --> 00:50:18,319

lied about this stuff before can you

974

00:50:36,710 --> 00:50:30,620

[Music]

975

00:50:44,150 --> 00:50:40,950

i would have no way to answer that

976

00:50:45,030 --> 00:50:44,160

i have no idea next question

977

00:50:48,230 --> 00:50:45,040

um

978

00:50:52,230 --> 00:50:48,240

i definitely know that they've tried

979

00:50:54,450 --> 00:50:53,829

well they've tried to find them right

980

00:50:56,470 --> 00:50:54,460

with seti

981

00:50:56,910 --> 00:50:56,480

[Music]

982

00:50:58,230 --> 00:50:56,920

and

983

00:50:59,829 --> 00:50:58,240

[Music]

984

00:51:01,910 --> 00:50:59,839

other things

985

00:51:03,990 --> 00:51:01,920

we know that the foreign technology

986

00:51:06,309 --> 00:51:04,000

division did a whole report uh the

987

00:51:09,589 --> 00:51:06,319

soviet union's attempts to contact

988

00:51:13,670 --> 00:51:11,349

so but do they actually have the

989

00:51:16,950 --> 00:51:13,680

communications with them i don't know

990

00:51:19,109 --> 00:51:16,960

because if we knew that answer

991

00:51:22,069 --> 00:51:19,119

they would have admitted

992

00:51:23,990 --> 00:51:22,079

that they exist

993

00:51:25,510 --> 00:51:24,000

because then

994

00:51:30,150 --> 00:51:25,520

you know

995

00:51:36,470 --> 00:51:32,230

the subject has definitely affected our

996

00:51:38,390 --> 00:51:36,480

lives and that's why we're here

997

00:51:43,829 --> 00:51:38,400

but you know all the people that aren't

998

00:51:48,309 --> 00:51:44,710

so

999

00:51:51,910 --> 00:51:50,390

and it depends whether that's fortunate

1000

00:51:55,990 --> 00:51:51,920

or not really depends on what we're

1001
00:51:56,000 --> 00:52:00,790
all i can say is that

1002
00:52:08,390 --> 00:52:02,829
my secret source

1003
00:52:17,990 --> 00:52:11,990
and

1004
00:52:18,000 --> 00:52:25,030
one knows what the hell this is

1005
00:52:25,040 --> 00:52:28,150
that was it

1006
00:52:28,160 --> 00:52:32,150
i'm just kidding

1007
00:52:35,190 --> 00:52:33,270
um

1008
00:52:41,670 --> 00:52:35,200
yeah i think that's

1009
00:52:44,470 --> 00:52:42,950
so

1010
00:52:47,750 --> 00:52:44,480
i mean

1011
00:52:51,270 --> 00:52:47,760
it's uh yeah that's kind of i would say

1012
00:52:56,549 --> 00:52:54,630
if you can't prove it why talk about it

1013
00:53:00,790 --> 00:52:56,559

just makes no sense

1014

00:53:02,950 --> 00:53:00,800

um all i know is as far as what i saw

1015

00:53:04,950 --> 00:53:02,960

and

1016

00:53:06,150 --> 00:53:04,960

it affected me to the point of where i'm

1017

00:53:09,510 --> 00:53:06,160

doing this and i've done probably

1018

00:53:11,349 --> 00:53:09,520

upwards of 400 episodes

1019

00:53:13,990 --> 00:53:11,359

trying to find the reality of of

1020

00:53:18,069 --> 00:53:14,000

anything which have i gotten closer or

1021

00:53:18,079 --> 00:53:20,549

maybe

1022

00:53:23,910 --> 00:53:22,390

i think um

1023

00:53:25,670 --> 00:53:23,920

you know getting to know yourself as a

1024

00:53:28,470 --> 00:53:25,680

human and what it means to be human

1025

00:53:31,109 --> 00:53:28,480

actually is a really good point

1026
00:53:33,910 --> 00:53:31,119
how are you gonna identify something

1027
00:53:37,270 --> 00:53:33,920
that isn't if you don't know what it is

1028
00:53:39,670 --> 00:53:38,390
so

1029
00:53:41,510 --> 00:53:39,680
i don't know i don't know if that's

1030
00:53:43,030 --> 00:53:41,520
possible

1031
00:53:46,309 --> 00:53:43,040
so

1032
00:53:51,910 --> 00:53:48,470
i'm going to stop telling you that i

1033
00:53:53,670 --> 00:53:52,790
um

1034
00:53:56,950 --> 00:53:53,680
so

1035
00:54:02,549 --> 00:53:56,960
we'll stop there

1036
00:54:07,190 --> 00:54:04,549
so but you know

1037
00:54:09,109 --> 00:54:07,200
keep your head up um

1038
00:54:10,390 --> 00:54:09,119

maybe not that i did my best today i

1039

00:54:11,910 --> 00:54:10,400

don't know i just more or less just

1040

00:54:14,470 --> 00:54:11,920

wanted to do a show and talk a little

1041

00:54:17,910 --> 00:54:14,480

bit first of all about all the bull crap

1042

00:54:18,230 --> 00:54:17,920

uh that's been going on and

1043

00:54:20,390 --> 00:54:18,240

um

1044

00:54:22,390 --> 00:54:20,400

[Music]

1045

00:54:23,990 --> 00:54:22,400

you know i just uh that unidentified

1046

00:54:25,589 --> 00:54:24,000

sighting which was pretty interesting in

1047

00:54:29,190 --> 00:54:25,599

hughes aircraft and

1048

00:54:33,349 --> 00:54:31,510

and all the different places any type of

1049

00:54:34,549 --> 00:54:33,359

materials could be if they do in fact

1050

00:54:36,789 --> 00:54:34,559

exist

1051
00:54:38,470 --> 00:54:36,799
which would be all over the place

1052
00:54:40,950 --> 00:54:38,480
but i think it's clear that private

1053
00:54:42,150 --> 00:54:40,960
corporations do all the real work and

1054
00:54:43,510 --> 00:54:42,160
they probably have all the real

1055
00:54:45,750 --> 00:54:43,520
materials

1056
00:54:48,069 --> 00:54:45,760
and all the real secrecy

1057
00:54:50,230 --> 00:54:48,079
if it does exist which of course there's

1058
00:54:53,190 --> 00:54:50,240
gonna be some that exist in some way

1059
00:54:56,549 --> 00:54:53,200
shape or form

1060
00:55:02,470 --> 00:54:56,559
a lot of it would be with them

1061
00:55:09,670 --> 00:55:05,030
ah that's super nice for you to say

1062
00:55:15,589 --> 00:55:10,950
i'll take that

1063
00:55:18,230 --> 00:55:15,599

stay up

1064

00:55:19,670 --> 00:55:18,240

i got your back anybody that complains

1065

00:55:22,470 --> 00:55:19,680

or is negative

1066

00:55:25,829 --> 00:55:22,480

or bitching about people

1067

00:55:27,829 --> 00:55:25,839

like just like just forget it you know

1068

00:55:29,589 --> 00:55:27,839

just move on

1069

00:55:30,950 --> 00:55:29,599

and i think the best thing you could do

1070

00:55:32,309 --> 00:55:30,960

is probably just

1071

00:55:35,349 --> 00:55:32,319

block them

1072

00:55:37,030 --> 00:55:35,359

and move on with your life you know

1073

00:55:38,309 --> 00:55:37,040

you know the thing about black fault is

1074

00:55:39,430 --> 00:55:38,319

i blocked

1075

00:55:43,430 --> 00:55:39,440

him

1076

00:55:44,789 --> 00:55:43,440

does good work

1077

00:55:51,670 --> 00:55:44,799

you know

1078

00:55:56,710 --> 00:55:53,589

but people you don't get along with or

1079

00:55:58,069 --> 00:55:56,720

don't like can still do good work

1080

00:56:00,390 --> 00:55:58,079

you know

1081

00:56:03,030 --> 00:56:00,400

crap ton of people don't like me

1082

00:56:07,829 --> 00:56:03,040

i'd like to think that i do good work in

1083

00:56:10,870 --> 00:56:09,750

so it's important to remember that too

1084

00:56:12,069 --> 00:56:10,880

but

1085

00:56:13,670 --> 00:56:12,079

um

1086

00:56:15,190 --> 00:56:13,680

i think i'm gonna

1087

00:56:17,109 --> 00:56:15,200

you know not for the long haul or

1088

00:56:18,390 --> 00:56:17,119

anything but

1089

00:56:20,870 --> 00:56:18,400

i am gonna

1090

00:56:22,470 --> 00:56:20,880

slow down this upcoming week i'm gonna

1091

00:56:24,069 --> 00:56:22,480

try to not

1092

00:56:26,630 --> 00:56:24,079

do any

1093

00:56:28,150 --> 00:56:26,640

um i have one show is one interview i'm

1094

00:56:30,710 --> 00:56:28,160

doing on thursday

1095

00:56:32,950 --> 00:56:30,720

uh with kirsten blackburn she's been on

1096

00:56:34,950 --> 00:56:32,960

this show before awesome person

1097

00:56:36,549 --> 00:56:34,960

um

1098

00:56:37,990 --> 00:56:36,559

but

1099

00:56:41,190 --> 00:56:38,000

i'm also just gonna take a little

1100

00:56:43,349 --> 00:56:41,200

breather from this for a second

1101

00:56:45,829 --> 00:56:43,359

get my wits about me

1102

00:56:47,349 --> 00:56:45,839

um and kind of let things play out a

1103

00:56:49,270 --> 00:56:47,359

little bit

1104

00:56:50,710 --> 00:56:49,280

you know me i can't stay away for too

1105

00:56:53,510 --> 00:56:50,720

long and i'm going to be working on

1106

00:56:55,589 --> 00:56:53,520

stuff anyways so

1107

00:56:57,910 --> 00:56:55,599

uh but just letting you know

1108

00:57:01,030 --> 00:56:57,920

that the only time you might see me next

1109

00:57:01,040 --> 00:57:03,990

on thursday

1110

00:57:08,150 --> 00:57:05,510

so

1111

00:57:09,990 --> 00:57:08,160

that being said

1112

00:57:11,270 --> 00:57:10,000

i got a bunch of stuff you could catch

1113

00:57:13,910 --> 00:57:11,280

up on

1114

00:57:15,670 --> 00:57:13,920

i may throw a uap

1115

00:57:18,150 --> 00:57:15,680

secret video in there or something but

1116

00:57:19,990 --> 00:57:18,160

otherwise

1117

00:57:22,150 --> 00:57:20,000

unless something big happens of course

1118

00:57:25,030 --> 00:57:22,160

then i'll be here

1119

00:57:31,990 --> 00:57:26,950

i'm going to take a jail pill for a

1120

00:57:38,470 --> 00:57:35,430

so and um you know feel free to

1121

00:57:45,510 --> 00:57:41,829

if you want to

1122

00:57:45,520 --> 00:57:48,870

jose is right

1123

00:57:56,390 --> 00:57:52,470

and also like the just the cia watch my

1124

00:58:06,069 --> 00:57:57,910

i put a lot of work into getting those

1125

00:58:12,150 --> 00:58:07,670

robertson panel

1126

00:58:12,160 --> 00:58:16,630

the ufo community basically

1127

00:58:21,510 --> 00:58:18,789

even putting quotes in one part

1128

00:58:25,190 --> 00:58:21,520

we would train the debunkers to spread

1129

00:58:28,630 --> 00:58:27,030

you know

1130

00:58:30,230 --> 00:58:28,640

so

1131

00:58:31,910 --> 00:58:30,240

all right

1132

00:58:33,990 --> 00:58:31,920

that being said i'm going to take off

1133

00:58:37,030 --> 00:58:34,000

y'all um take a little breather from

1134

00:58:38,549 --> 00:58:37,040

this i will see you soon though

1135

00:58:41,349 --> 00:58:38,559

stay well

1136

00:58:43,270 --> 00:58:41,359

say a prayer to a meditation for ukraine

1137

00:58:44,630 --> 00:58:43,280

the world really things are getting

1138

00:58:47,670 --> 00:58:44,640

pretty crazy

1139

00:58:49,190 --> 00:58:47,680

so try your best to keep that love in

1140

00:58:50,630 --> 00:58:49,200

your heart

1141

00:58:52,230 --> 00:58:50,640

thanks for

1142

00:58:54,870 --> 00:58:52,240

staying here with me and let me ramble

1143

00:58:54,880 --> 00:58:58,950

i'm getting hungry now though so

1144

00:59:03,670 --> 00:59:01,670

i'm gonna get out of here peace out you

1145

00:59:06,230 --> 00:59:03,680

know and what i'll say is if you

1146

00:59:08,549 --> 00:59:06,240

appreciate what lou does or sean or or

1147

00:59:11,190 --> 00:59:08,559

anyone else like

1148

00:59:14,630 --> 00:59:11,200

you know go the extra mile and send them

1149

00:59:16,390 --> 00:59:14,640

an email or a twitter comment

1150

00:59:19,670 --> 00:59:16,400

you know they'll probably tell you they

1151

00:59:22,390 --> 00:59:19,680

don't need that but and tell them

1152

00:59:23,750 --> 00:59:22,400

that you appreciate it you know

1153

00:59:25,910 --> 00:59:23,760

because when we don't do the stuff like

1154

00:59:28,309 --> 00:59:25,920

that that's when the the

1155

00:59:29,910 --> 00:59:28,319

darkness kind of can take over

1156

00:59:31,030 --> 00:59:29,920

you know so

1157

00:59:33,030 --> 00:59:31,040

we all have a little bit of

1158

00:59:34,630 --> 00:59:33,040

responsibility to to tell people we

1159

00:59:35,750 --> 00:59:34,640

appreciate them and validate their

1160

00:59:38,470 --> 00:59:35,760

efforts

1161

00:59:39,750 --> 00:59:38,480

if you you know think so

1162

00:59:42,260 --> 00:59:39,760

that being said

1163

01:00:09,320 --> 00:59:42,270

peace
