

1
00:00:07,670 --> 00:00:05,030
there's footage and records of

2
00:00:10,310 --> 00:00:07,680
objects in the skies that we

3
00:00:12,150 --> 00:00:10,320
don't know exactly what they are

4
00:00:15,589 --> 00:00:12,160
however there have been a certain

5
00:00:17,510 --> 00:00:15,599
percentage of this volume of reports

6
00:00:19,029 --> 00:00:17,520
that have been made by credible

7
00:00:21,910 --> 00:00:19,039
observers

8
00:00:23,029 --> 00:00:21,920
of relatively incredible things we we

9
00:00:25,429 --> 00:00:23,039
have uh

10
00:00:27,589 --> 00:00:25,439
lots of reports about what we call uh

11
00:00:29,429 --> 00:00:27,599
unidentified aerial phenomenon there are

12
00:00:31,589 --> 00:00:29,439
a lot more sightings than have been made

13
00:00:33,350 --> 00:00:31,599

public long web of cover-up about

14

00:00:35,270 --> 00:00:33,360

yesterday now you cover up not by

15

00:00:36,389 --> 00:00:35,280

telling everybody everything the

16

00:00:38,510 --> 00:00:36,399

important thing this is where my

17

00:00:40,869 --> 00:00:38,520

background and classified work comes is

18

00:00:41,990 --> 00:00:40,879

compartmentalization need to know just

19

00:00:43,750 --> 00:00:42,000

because you have a clearance doesn't

20

00:00:45,110 --> 00:00:43,760

mean you get access to the data some

21

00:00:46,310 --> 00:00:45,120

type of

22

00:00:48,150 --> 00:00:46,320

activity

23

00:00:49,029 --> 00:00:48,160

that some might

24

00:00:50,310 --> 00:00:49,039

say

25

00:00:52,069 --> 00:00:50,320

constitutes a

26

00:00:54,150 --> 00:00:52,079

different form of life but i think what

27

00:00:56,310 --> 00:00:54,160

people are wrestling with is whether

28

00:00:58,069 --> 00:00:56,320

this is the right time

29

00:01:00,790 --> 00:00:58,079

and i think being worried about showing

30

00:01:02,470 --> 00:01:00,800

their hand to potential rivals like the

31

00:01:03,750 --> 00:01:02,480

chinese or the russians let's be honest

32

00:01:05,109 --> 00:01:03,760

about it

33

00:01:07,670 --> 00:01:05,119

but

34

00:01:13,990 --> 00:01:07,680

frankly

35

00:01:18,310 --> 00:01:15,990

what is up everybody thanks for hanging

36

00:01:20,630 --> 00:01:18,320

out with me sorry if i was a

37

00:01:21,670 --> 00:01:20,640

little behind schedule i just was

38

00:01:23,990 --> 00:01:21,680

planning

39

00:01:26,390 --> 00:01:24,000

so much for today

40

00:01:27,350 --> 00:01:26,400

um maybe too much but i think it'll be

41

00:01:28,390 --> 00:01:27,360

worth it

42

00:01:29,350 --> 00:01:28,400

so

43

00:01:32,230 --> 00:01:29,360

um

44

00:01:34,950 --> 00:01:32,240

i have a lot in store for today but

45

00:01:37,830 --> 00:01:34,960

first of all how is everybody doing

46

00:01:39,830 --> 00:01:37,840

we have a good crowd here today we have

47

00:01:44,469 --> 00:01:39,840

josh

48

00:01:47,030 --> 00:01:44,479

lara what's up

49

00:01:49,350 --> 00:01:47,040

k-42-d

50

00:01:51,510 --> 00:01:49,360

dope nose

51
00:01:53,429 --> 00:01:51,520
dope knows every time

52
00:01:54,389 --> 00:01:53,439
every time i laugh at that for whatever

53
00:01:56,630 --> 00:01:54,399
reason

54
00:02:01,429 --> 00:01:56,640
yesterday though i think your name was

55
00:02:04,389 --> 00:02:01,439
beat dope nose by ufo ho 420

56
00:02:06,469 --> 00:02:04,399
so far that was that's the best name

57
00:02:09,990 --> 00:02:06,479
that i have

58
00:02:11,029 --> 00:02:10,000
i've seen in my my freaking lifetime

59
00:02:14,229 --> 00:02:11,039
so

60
00:02:16,470 --> 00:02:14,239
mentos what's up

61
00:02:18,309 --> 00:02:16,480
tj what's up

62
00:02:20,470 --> 00:02:18,319
uh really appreciate you guys coming

63
00:02:21,430 --> 00:02:20,480

here i hope you enjoyed uh the opening

64

00:02:24,070 --> 00:02:21,440

clip

65

00:02:28,070 --> 00:02:26,070

you know i think uh and i've said this

66

00:02:31,750 --> 00:02:28,080

before but the more information that's

67

00:02:33,990 --> 00:02:31,760

being you know basically is shared

68

00:02:34,830 --> 00:02:34,000

and the farther down the line

69

00:02:36,950 --> 00:02:34,840

this

70

00:02:38,470 --> 00:02:36,960

goes um the more

71

00:02:40,229 --> 00:02:38,480

[Music]

72

00:02:42,150 --> 00:02:40,239

you know becomes real

73

00:02:43,910 --> 00:02:42,160

really i mean

74

00:02:46,949 --> 00:02:43,920

just that first clip alone president

75

00:02:48,790 --> 00:02:46,959

barack obama you know there's things in

76

00:02:51,910 --> 00:02:48,800

the skies

77

00:02:53,670 --> 00:02:51,920

we don't know what they are go back to

78

00:02:57,350 --> 00:02:53,680

general sanford

79

00:03:02,830 --> 00:03:01,589

talking in 1952 after washington dc

80

00:03:04,390 --> 00:03:02,840

talking about

81

00:03:09,830 --> 00:03:04,400

pilots

82

00:03:11,030 --> 00:03:09,840

incredible things

83

00:03:14,149 --> 00:03:11,040

you know

84

00:03:16,550 --> 00:03:14,159

um and then john brennan in their xcia

85

00:03:25,110 --> 00:03:21,110

would constitute another form of life

86

00:03:34,550 --> 00:03:27,589

i

87

00:03:36,630 --> 00:03:34,560

you know

88

00:03:38,710 --> 00:03:36,640

that's pretty serious

89

00:03:41,509 --> 00:03:38,720

and he said that

90

00:03:43,110 --> 00:03:41,519

publicly i mean it's just incredible and

91

00:03:45,030 --> 00:03:43,120

the more this happens the more pushback

92

00:03:46,949 --> 00:03:45,040

we get i mean one of the topics that i

93

00:03:47,750 --> 00:03:46,959

wanted to go over today was

94

00:03:49,910 --> 00:03:47,760

um

95

00:03:54,229 --> 00:03:49,920

the

96

00:03:58,390 --> 00:03:54,239

i don't know if you guys are familiar

97

00:04:01,990 --> 00:03:58,400

with um project unity uh jay from that

98

00:04:05,190 --> 00:04:02,000

channel he's been on this show before

99

00:04:08,229 --> 00:04:06,229

um

100

00:04:13,030 --> 00:04:08,239

inman

101
00:04:16,390 --> 00:04:13,040
you know

102
00:04:18,229 --> 00:04:16,400
and that was the next uh dia chief um

103
00:04:19,349 --> 00:04:18,239
and i think cia82

104
00:04:21,590 --> 00:04:19,359
yet

105
00:04:24,070 --> 00:04:21,600
he's had some of the biggest roles

106
00:04:24,950 --> 00:04:24,080
possible that you could imagine right

107
00:04:26,870 --> 00:04:24,960
and

108
00:04:30,070 --> 00:04:26,880
there's been you know conspiracy stuff

109
00:04:32,390 --> 00:04:30,080
or whatever about him being an mj12 or

110
00:04:34,469 --> 00:04:32,400
which is you know

111
00:04:36,310 --> 00:04:34,479
who knows that whole

112
00:04:38,469 --> 00:04:36,320
topic is so

113
00:04:40,870 --> 00:04:38,479

complicated in

114

00:04:42,790 --> 00:04:40,880

conspiracy or not truth and lies

115

00:04:44,950 --> 00:04:42,800

whatever

116

00:04:47,030 --> 00:04:44,960

um but the guy's 90 years old and he

117

00:04:49,350 --> 00:04:47,040

went on record with project unity okay

118

00:04:50,870 --> 00:04:49,360

all you would have to do is pay any

119

00:04:52,710 --> 00:04:50,880

attention to

120

00:04:55,350 --> 00:04:52,720

jay's channel to know

121

00:04:57,909 --> 00:04:55,360

the kind of things that he discusses you

122

00:05:02,790 --> 00:05:00,950

and he goes on the channel right

123

00:05:04,310 --> 00:05:02,800

so

124

00:05:06,310 --> 00:05:04,320

you know when i first

125

00:05:08,230 --> 00:05:06,320

saw that what i thought of right away is

126
00:05:09,990 --> 00:05:08,240
okay well he's

127
00:05:12,550 --> 00:05:10,000
has something prepared yeah i think he's

128
00:05:14,790 --> 00:05:12,560
going to say something about this stuff

129
00:05:16,950 --> 00:05:14,800
and you know lo and behold they they

130
00:05:20,070 --> 00:05:16,960
conduct a lot of the interview and

131
00:05:21,350 --> 00:05:20,080
and they get to the the uap topic and he

132
00:05:22,710 --> 00:05:21,360
just

133
00:05:26,550 --> 00:05:22,720
shuts it down

134
00:05:31,270 --> 00:05:28,870
with quite the defensiveness i would i

135
00:05:33,350 --> 00:05:31,280
would have to say as well

136
00:05:35,029 --> 00:05:33,360
and you know but i don't think i was

137
00:05:35,909 --> 00:05:35,039
wrong i don't think i was wrong in that

138
00:05:39,670 --> 00:05:35,919

he

139

00:05:44,469 --> 00:05:39,680

had something to say it's just what i

140

00:05:49,029 --> 00:05:45,909

you know and here we are with all this

141

00:05:53,189 --> 00:05:49,039

stuff happening uh the amendment uh the

142

00:05:54,790 --> 00:05:53,199

aoi msg is funded

143

00:05:58,070 --> 00:05:54,800

there are reports coming this year

144

00:05:59,350 --> 00:05:58,080

classified and unclassified on uaps

145

00:06:01,029 --> 00:05:59,360

john brennan

146

00:06:01,510 --> 00:06:01,039

the clips i just showed you president

147

00:06:03,990 --> 00:06:01,520

obama

148

00:06:05,670 --> 00:06:04,000

[Music]

149

00:06:08,150 --> 00:06:05,680

and where's our pushback there's our

150

00:06:11,510 --> 00:06:08,160

pushback

151
00:06:13,590 --> 00:06:11,520
is this highly respected gentleman

152
00:06:15,350 --> 00:06:13,600
you know putting it out there that

153
00:06:18,150 --> 00:06:15,360
he studied

154
00:06:20,550 --> 00:06:18,160
a case where there were four lights and

155
00:06:22,710 --> 00:06:20,560
they were after burners

156
00:06:24,309 --> 00:06:22,720
and then the the planes turned and they

157
00:06:27,510 --> 00:06:24,319
disappeared and that was it that was a

158
00:06:27,520 --> 00:06:31,029
you know

159
00:06:34,870 --> 00:06:32,469
i wish

160
00:06:39,029 --> 00:06:34,880
they brings up roswell

161
00:06:39,039 --> 00:06:44,390
but i wish um

162
00:06:48,390 --> 00:06:46,390
you know what i posted this document

163
00:06:50,870 --> 00:06:48,400

that that i've shown here on this

164

00:06:52,390 --> 00:06:50,880

channel before i see a document you can

165

00:06:53,909 --> 00:06:52,400

go to my twitter to see that where it

166

00:06:56,390 --> 00:06:53,919

talks about

167

00:06:59,990 --> 00:06:56,400

in the past several weeks pilots have

168

00:07:03,110 --> 00:07:00,000

reported radar and visual

169

00:07:06,629 --> 00:07:04,230

you know so

170

00:07:09,029 --> 00:07:06,639

explaining that these things don't exist

171

00:07:13,589 --> 00:07:09,039

by one case that you looked at where

172

00:07:16,390 --> 00:07:14,830

not gonna cut it

173

00:07:18,550 --> 00:07:16,400

boss

174

00:07:22,870 --> 00:07:18,560

not going to cut it

175

00:07:26,150 --> 00:07:24,550

one of the things i wanted to talk about

176
00:07:29,589 --> 00:07:26,160
today

177
00:07:31,830 --> 00:07:29,599
which is a case an edwards air force

178
00:07:36,469 --> 00:07:31,840
base case

179
00:07:40,870 --> 00:07:39,029
all-encompassing

180
00:07:42,070 --> 00:07:40,880
example

181
00:07:44,550 --> 00:07:42,080
of how

182
00:07:46,390 --> 00:07:44,560
the ufo topic has been treated by people

183
00:07:48,469 --> 00:07:46,400
like him

184
00:07:52,790 --> 00:07:48,479
and people before him and people after

185
00:07:55,589 --> 00:07:54,790
you can see here just by looking at this

186
00:08:00,230 --> 00:07:55,599
right

187
00:08:05,909 --> 00:08:02,390
we have one aluminum or metallic disc

188
00:08:07,430 --> 00:08:05,919

shape object the size of a basketball

189

00:08:09,029 --> 00:08:07,440

but look in the upper right hand corner

190

00:08:10,830 --> 00:08:09,039

and i just want you to pay attention to

191

00:08:12,790 --> 00:08:10,840

this it says it was

192

00:08:14,070 --> 00:08:12,800

balloon

193

00:08:15,909 --> 00:08:14,080

confirmed

194

00:08:17,749 --> 00:08:15,919

balloon

195

00:08:22,309 --> 00:08:17,759

right

196

00:08:26,230 --> 00:08:23,909

about to show you was

197

00:08:27,830 --> 00:08:26,240

it was not attention is invited to the

198

00:08:30,070 --> 00:08:27,840

attached photographs of the reported

199

00:08:32,070 --> 00:08:30,080

sighting

200

00:08:34,550 --> 00:08:32,080

which i have in here and we will see so

201

00:08:38,630 --> 00:08:34,560

hang on for two seconds

202

00:08:43,750 --> 00:08:40,630

here we are

203

00:08:50,949 --> 00:08:43,760

so i just put that page in there so

204

00:08:54,790 --> 00:08:53,269

they have all the stuff in here as far

205

00:09:04,150 --> 00:08:54,800

as

206

00:09:06,230 --> 00:09:04,160

track made in the location of the

207

00:09:08,070 --> 00:09:06,240

observers at the time of sighting the

208

00:09:10,310 --> 00:09:08,080

weather balloon released at edwards

209

00:09:14,150 --> 00:09:10,320

could not have been the identified

210

00:09:24,230 --> 00:09:15,829

you see that

211

00:09:28,949 --> 00:09:27,269

and this afftc that you see in the upper

212

00:09:31,110 --> 00:09:28,959

left-hand corner that's the air force

213

00:09:35,590 --> 00:09:31,120

flight test center

214

00:09:35,600 --> 00:09:39,990

or colorado springs colorado rather

215

00:09:44,870 --> 00:09:42,949

here's the synopsis of the whole case

216

00:09:46,470 --> 00:09:44,880

this case received nationwide publicity

217

00:09:48,710 --> 00:09:46,480

because the ufo was observed over the

218

00:09:51,350 --> 00:09:48,720

so-called united states secret testing

219

00:09:53,110 --> 00:09:51,360

grounds so-called

220

00:09:54,949 --> 00:09:53,120

and had been photographed officially by

221

00:09:57,350 --> 00:09:54,959

high-speed cameras

222

00:10:00,389 --> 00:09:57,360

and it was

223

00:10:02,069 --> 00:10:00,399

you go down a little bit

224

00:10:04,630 --> 00:10:02,079

right here it says this pointed to the

225

00:10:06,550 --> 00:10:04,640

object being a balloon further

226

00:10:08,630 --> 00:10:06,560

investigation not only disclosed that a

227

00:10:10,069 --> 00:10:08,640

balloon was reached in the vicinity but

228

00:10:11,750 --> 00:10:10,079

precise

229

00:10:13,829 --> 00:10:11,760

measurements coincided with the

230

00:10:19,430 --> 00:10:13,839

observer's report as to the times

231

00:10:22,630 --> 00:10:21,350

but guess what was written after that

232

00:10:24,630 --> 00:10:22,640

this

233

00:10:26,470 --> 00:10:24,640

based on the above track made and the

234

00:10:28,310 --> 00:10:26,480

location of the observers at the time of

235

00:10:31,430 --> 00:10:28,320

sighting the weather balloon released at

236

00:10:33,509 --> 00:10:31,440

edwards could not have been the ufo

237

00:10:35,750 --> 00:10:33,519

probable cause of sighting is unknown

238

00:10:38,630 --> 00:10:35,760

and they looked at various

239

00:10:41,110 --> 00:10:38,640

places and checked various

240

00:10:42,949 --> 00:10:41,120

places as far as

241

00:10:44,470 --> 00:10:42,959

if they release balloons and they were

242

00:10:47,750 --> 00:10:44,480

negative the only one that did was

243

00:10:49,190 --> 00:10:47,760

edwards and it turns out

244

00:10:54,949 --> 00:10:49,200

it couldn't have been

245

00:10:58,069 --> 00:10:56,230

but this is how

246

00:10:58,870 --> 00:10:58,079

this is how hardcore they go look at

247

00:11:01,509 --> 00:10:58,880

this

248

00:11:03,829 --> 00:11:01,519

per telephone conversation with major uh

249

00:11:05,670 --> 00:11:03,839

winniger

250

00:11:07,990 --> 00:11:05,680

he's aware of the facts of this case

251
00:11:09,990 --> 00:11:08,000
this is the guy at edwards so they asked

252
00:11:11,670 --> 00:11:10,000
him

253
00:11:14,470 --> 00:11:11,680
was it your balloon on the morning of

254
00:11:15,670 --> 00:11:14,480
the 2nd of may 57

255
00:11:17,190 --> 00:11:15,680
they released

256
00:11:21,030 --> 00:11:17,200
a balloon

257
00:11:26,389 --> 00:11:23,030
major winner also stated that this

258
00:11:29,269 --> 00:11:26,399
sighting is quite obviously

259
00:11:31,190 --> 00:11:29,279
the balloon they released

260
00:11:33,990 --> 00:11:31,200
and this information was given to the

261
00:11:35,750 --> 00:11:34,000
information officer at edwards air force

262
00:11:38,069 --> 00:11:35,760
base

263
00:11:39,190 --> 00:11:38,079

the balloon was debunked by the air

264

00:11:40,389 --> 00:11:39,200

force

265

00:11:41,590 --> 00:11:40,399

afterwards

266

00:11:45,509 --> 00:11:41,600

but yet

267

00:11:45,519 --> 00:11:48,790

as you can see

268

00:11:54,310 --> 00:11:51,829

was balloon confirmed balloon

269

00:11:58,550 --> 00:11:54,320

and then you think of all

270

00:11:59,910 --> 00:11:58,560

the reports that we received after this

271

00:12:01,829 --> 00:11:59,920

you know whether it be

272

00:12:05,590 --> 00:12:01,839

the condon report or

273

00:12:07,990 --> 00:12:05,600

final tallies of ufo sightings in 57 the

274

00:12:10,310 --> 00:12:08,000

percentage of what was balloons what

275

00:12:13,910 --> 00:12:10,320

were identified what weren't identified

276

00:12:15,350 --> 00:12:13,920

that all goes down the crapper

277

00:12:19,110 --> 00:12:15,360

because of this

278

00:12:27,509 --> 00:12:23,030

of how they blatantly lied

279

00:12:27,519 --> 00:12:31,190

when we can read for ourselves

280

00:12:34,550 --> 00:12:33,030

that they said in fact

281

00:12:36,069 --> 00:12:34,560

it could not

282

00:12:47,110 --> 00:12:36,079

have been

283

00:12:53,030 --> 00:12:48,949

chris

284

00:12:53,040 --> 00:12:56,629

that's a great point

285

00:13:00,629 --> 00:12:59,430

pretty crazy stuff

286

00:13:03,190 --> 00:13:00,639

this here

287

00:13:04,629 --> 00:13:03,200

uh is actually from 1975 the date was

288

00:13:07,509 --> 00:13:04,639

shipped you can see right here it's

289

00:13:09,430 --> 00:13:07,519

really just different pictures

290

00:13:10,870 --> 00:13:09,440

that they were sending i just kind of

291

00:13:12,389 --> 00:13:10,880

attached that to this because the

292

00:13:13,430 --> 00:13:12,399

pictures were about to see came from

293

00:13:14,310 --> 00:13:13,440

that

294

00:13:16,550 --> 00:13:14,320

and it's

295

00:13:17,990 --> 00:13:16,560

the air force pictures aren't great but

296

00:13:23,910 --> 00:13:18,000

you can see

297

00:13:28,870 --> 00:13:27,030

so it's this white dot

298

00:13:30,629 --> 00:13:28,880

to the left of the black dot you can see

299

00:13:35,269 --> 00:13:30,639

what does that look like looks like a

300

00:13:39,829 --> 00:13:37,269

and it does change shape just as the

301
00:13:43,030 --> 00:13:39,839
witness described from spherical to

302
00:13:43,040 --> 00:13:50,150
here it is in the middle

303
00:13:50,160 --> 00:13:54,310
there it is

304
00:14:06,949 --> 00:13:55,990
this is a probably a better one because

305
00:14:16,550 --> 00:14:09,590
doesn't look like a balloon to me either

306
00:14:19,350 --> 00:14:17,590
so

307
00:14:21,509 --> 00:14:19,360
you know when people go on the record

308
00:14:24,230 --> 00:14:21,519
like inman and they talk the way they do

309
00:14:26,150 --> 00:14:24,240
about this stuff you know that's fine if

310
00:14:28,470 --> 00:14:26,160
you want to deny

311
00:14:31,189 --> 00:14:28,480
the existence of extraterrestrials or

312
00:14:32,389 --> 00:14:31,199
whatever like i'm not in this for et you

313
00:14:34,710 --> 00:14:32,399

know

314

00:14:36,629 --> 00:14:34,720

i'm in this for the truth of what ufos

315

00:14:40,790 --> 00:14:36,639

are

316

00:14:43,350 --> 00:14:40,800

and if you're going to go on the record

317

00:14:45,189 --> 00:14:43,360

like that and just completely deny them

318

00:14:48,069 --> 00:14:45,199

when he was in a place to know what they

319

00:14:52,870 --> 00:14:50,230

that's fine but you better come up with

320

00:14:54,150 --> 00:14:52,880

a better explanation than everything you

321

00:14:57,350 --> 00:14:54,160

looked into

322

00:14:58,949 --> 00:14:57,360

had a plausible explanation because that

323

00:15:01,269 --> 00:14:58,959

i'm sorry

324

00:15:03,350 --> 00:15:01,279

coming from a guy who has studied

325

00:15:05,590 --> 00:15:03,360

probably upwards of a thousand

326
00:15:07,750 --> 00:15:05,600
cases

327
00:15:12,230 --> 00:15:07,760
by experienced pilots

328
00:15:15,910 --> 00:15:13,910
uh that is

329
00:15:17,670 --> 00:15:15,920
not

330
00:15:21,670 --> 00:15:17,680
going to cut it

331
00:15:27,670 --> 00:15:24,150
if you want to come in and give an

332
00:15:31,030 --> 00:15:27,680
actual explanation of why the ufos are

333
00:15:35,189 --> 00:15:33,269
fine but don't give me

334
00:15:37,430 --> 00:15:35,199
that

335
00:15:39,990 --> 00:15:37,440
because it's just not the case unless

336
00:15:43,509 --> 00:15:40,000
you're calling your pilots

337
00:15:45,670 --> 00:15:43,519
and as we'll see faa operators

338
00:15:49,910 --> 00:15:45,680

i'll play some testimony

339

00:15:55,590 --> 00:15:52,790
time and time and time again

340

00:15:58,230 --> 00:15:55,600
tens of thousands of times

341

00:16:01,829 --> 00:15:58,240
since 1969 probably over a hundred

342

00:16:01,839 --> 00:16:04,230
you know

343

00:16:09,509 --> 00:16:07,030
that's not going to cut it sir

344

00:16:11,350 --> 00:16:09,519
because if that was the truth what poor

345

00:16:15,110 --> 00:16:11,360
training

346

00:16:22,550 --> 00:16:15,120
these people to know better at this

347

00:16:26,230 --> 00:16:24,550
then he goes to the latest tic tac case

348

00:16:29,590 --> 00:16:26,240
and you know

349

00:16:31,910 --> 00:16:29,600
god bless jay he was trying to you know

350

00:16:34,389 --> 00:16:31,920
go over uh fravor's testimony a little

351
00:16:35,110 --> 00:16:34,399
bit and and and tell him you know hey

352
00:16:37,350 --> 00:16:35,120
but

353
00:16:38,949 --> 00:16:37,360
we have an office about this now

354
00:16:41,269 --> 00:16:38,959
you know

355
00:16:43,990 --> 00:16:41,279
and he had nothing other than i would be

356
00:16:46,470 --> 00:16:44,000
wary of foreign technology over here

357
00:16:48,550 --> 00:16:46,480
keeping surveillance of of our things

358
00:16:50,790 --> 00:16:48,560
you know what whatever

359
00:16:54,550 --> 00:16:50,800
but what about the 30

360
00:16:55,430 --> 00:16:54,560
40 50 60 70 000 other cases that exist

361
00:16:59,030 --> 00:16:55,440
men

362
00:17:03,749 --> 00:17:00,629
really

363
00:17:11,429 --> 00:17:03,759

since the 1930s

364

00:17:15,110 --> 00:17:13,429

so

365

00:17:17,110 --> 00:17:15,120

you know andre's

366

00:17:21,510 --> 00:17:17,120

he was disappointing not because of jay

367

00:17:25,750 --> 00:17:23,189

you know little do people like inman

368

00:17:27,829 --> 00:17:25,760

know that the more

369

00:17:30,950 --> 00:17:27,839

crappy explanations

370

00:17:32,630 --> 00:17:30,960

from people like him go on the record

371

00:17:35,510 --> 00:17:32,640

the bigger the chip on my shoulder

372

00:17:39,510 --> 00:17:37,669

i have plenty

373

00:17:41,029 --> 00:17:39,520

of proof

374

00:17:42,870 --> 00:17:41,039

to prove otherwise

375

00:17:46,230 --> 00:17:42,880

just in the air force's very own

376

00:17:48,549 --> 00:17:46,240

documents as we saw in the 1957 case

377

00:17:50,390 --> 00:17:48,559

where they blatantly put balloon on the

378

00:17:51,510 --> 00:17:50,400

end synopsis used that for all their

379

00:17:53,909 --> 00:17:51,520

reports

380

00:17:55,190 --> 00:17:53,919

when in that very report the air force

381

00:17:59,350 --> 00:17:55,200

test center

382

00:17:59,360 --> 00:18:01,909

the balloon

383

00:18:06,870 --> 00:18:04,710

but they don't pay attention to that

384

00:18:09,750 --> 00:18:06,880

because then it's another unidentified

385

00:18:12,630 --> 00:18:09,760

that they can't explain

386

00:18:15,669 --> 00:18:12,640

and god forbid

387

00:18:20,789 --> 00:18:15,679

they have to put that in a report and

388

00:18:28,710 --> 00:18:23,190

sorry that stuff just gets me riled up

389

00:18:28,720 --> 00:18:33,909

but the good news is

390

00:18:36,230 --> 00:18:35,110

no matter

391

00:18:38,470 --> 00:18:36,240

what

392

00:18:40,470 --> 00:18:38,480

people like him continue

393

00:18:44,230 --> 00:18:40,480

to try and say

394

00:18:46,630 --> 00:18:44,240

there's stuff happening in uap

395

00:18:48,870 --> 00:18:46,640

and not even in just our own country

396

00:18:51,029 --> 00:18:48,880

which is the best part if you go to

397

00:18:54,470 --> 00:18:51,039

liberation times

398

00:18:54,480 --> 00:19:02,070

we have canada participating

399

00:19:05,669 --> 00:19:04,150

canada looks like they are going to

400

00:19:08,150 --> 00:19:05,679

possibly do

401
00:19:10,470 --> 00:19:08,160
sorry about this a uap report their

402
00:19:12,230 --> 00:19:10,480
government

403
00:19:15,110 --> 00:19:12,240
they wrote up this nice piece i put all

404
00:19:16,549 --> 00:19:15,120
these links in the description

405
00:19:17,590 --> 00:19:16,559
of this video so you could check them

406
00:19:19,430 --> 00:19:17,600
out yourself

407
00:19:21,750 --> 00:19:19,440
uh but canada to pray report into

408
00:19:23,510 --> 00:19:21,760
possible ufo incursions at nuclear

409
00:19:25,430 --> 00:19:23,520
facilities and we'll consider reaching

410
00:19:26,710 --> 00:19:25,440
out to us allies

411
00:19:30,710 --> 00:19:26,720
right

412
00:19:32,789 --> 00:19:30,720
read this piece it's a great piece

413
00:19:35,190 --> 00:19:32,799

uh christopher sharp does a fantastic

414

00:19:39,990 --> 00:19:37,110

and he's really covering the stuff that

415

00:19:42,789 --> 00:19:40,000

matters the stuff that's happening now

416

00:19:46,029 --> 00:19:42,799

that is proof that this whole thing is

417

00:19:49,110 --> 00:19:46,039

transforming this whole uap ufo thing is

418

00:19:52,230 --> 00:19:49,120

transforming into something

419

00:19:54,470 --> 00:19:52,240

transparent slowly

420

00:19:56,630 --> 00:19:54,480

but if you consider it you know going

421

00:19:58,950 --> 00:19:56,640

back 70 80 years

422

00:20:03,110 --> 00:19:58,960

it's moving quite fast right now and who

423

00:20:06,710 --> 00:20:04,390

you know

424

00:20:09,909 --> 00:20:06,720

if you say to louis alexander oh no you

425

00:20:13,029 --> 00:20:09,919

know he'll deflect and say you know

426

00:20:15,830 --> 00:20:13,039

it's because of people like me or ucr or

427

00:20:17,669 --> 00:20:15,840

uh disclosure team or whatever

428

00:20:19,190 --> 00:20:17,679

uh but in fact it's the people behind

429

00:20:21,190 --> 00:20:19,200

the scenes that are making the real

430

00:20:23,029 --> 00:20:21,200

difference like christopher mellon

431

00:20:26,950 --> 00:20:23,039

lou elizondo

432

00:20:26,960 --> 00:20:30,070

senator gillebrand

433

00:20:30,080 --> 00:20:34,470

jill o'brien

434

00:20:39,750 --> 00:20:37,830

and if you want to know

435

00:20:41,669 --> 00:20:39,760

how serious this stuff is all you have

436

00:20:45,590 --> 00:20:41,679

to do is look at the drama that is

437

00:20:51,029 --> 00:20:48,549

how well people like elizondo are doing

438

00:20:53,669 --> 00:20:51,039

where they can't even give a interview

439

00:20:56,870 --> 00:20:55,990

without people

440

00:20:58,149 --> 00:20:56,880

are

441

00:21:00,710 --> 00:20:58,159

basically

442

00:21:04,149 --> 00:21:00,720

harassing them in the chat room of every

443

00:21:04,159 --> 00:21:07,270

you know why

444

00:21:11,350 --> 00:21:09,990

you know they're not selling you a 300

445

00:21:11,940 --> 00:21:11,360

vacation

446

00:21:13,350 --> 00:21:11,950

to learn

447

00:21:16,950 --> 00:21:13,360

[Music]

448

00:21:19,750 --> 00:21:16,960

you know um

449

00:21:21,510 --> 00:21:19,760

from you know a billion books they wrote

450

00:21:24,870 --> 00:21:21,520

that they try to sell you every day in

451
00:21:27,990 --> 00:21:24,880
an email spam yes somebody does that

452
00:21:32,789 --> 00:21:28,000
i'm not gonna name names but

453
00:21:32,799 --> 00:21:35,909
doesn't even do that

454
00:21:39,029 --> 00:21:37,430
you know

455
00:21:40,710 --> 00:21:39,039
and he's got a book coming out that he

456
00:21:42,470 --> 00:21:40,720
says is part of a disclosure and i'm

457
00:21:43,909 --> 00:21:42,480
sorry but if

458
00:21:47,110 --> 00:21:43,919
we don't know what the deal is but if

459
00:21:49,830 --> 00:21:47,120
he's gonna charge like 10 14 even 20

460
00:21:51,680 --> 00:21:49,840
bucks for a book after four years of

461
00:21:54,950 --> 00:21:51,690
working for free

462
00:21:59,990 --> 00:21:56,470
uh sorry

463
00:22:03,350 --> 00:22:00,000

you don't have a pot to piss in there

464

00:22:07,110 --> 00:22:05,830

and i won't gladly by that book because

465

00:22:11,029 --> 00:22:07,120

he has not

466

00:22:15,990 --> 00:22:11,039

been words and words alone he has been

467

00:22:21,190 --> 00:22:18,230

actions you know

468

00:22:22,710 --> 00:22:21,200

that line up with his words

469

00:22:25,590 --> 00:22:22,720

and that's what it's about people can

470

00:22:29,110 --> 00:22:27,190

but talk is cheap

471

00:22:32,950 --> 00:22:29,120

so what have you done what can i see

472

00:22:37,669 --> 00:22:35,110

and we're looking at it the reason i'm

473

00:22:40,630 --> 00:22:37,679

showing you the canada article and i'm

474

00:22:42,230 --> 00:22:40,640

about to show you a reporter in brazil

475

00:22:44,310 --> 00:22:42,240

well i don't really need to show you i

476
00:22:45,270 --> 00:22:44,320
guess

477
00:22:47,510 --> 00:22:45,280
but

478
00:22:50,390 --> 00:22:47,520
a reporter in brazil i've been following

479
00:22:55,029 --> 00:22:50,400
he's been following the uap topic in his

480
00:22:55,039 --> 00:22:59,430
and

481
00:22:59,440 --> 00:23:02,310
they're about to

482
00:23:08,630 --> 00:23:05,110
take the uap topic on in a very serious

483
00:23:14,149 --> 00:23:10,630
and so when i talk about

484
00:23:15,669 --> 00:23:14,159
you can talk all you want but actions

485
00:23:17,270 --> 00:23:15,679
what happens what can we measure what

486
00:23:18,390 --> 00:23:17,280
can we look at that's what makes the

487
00:23:20,870 --> 00:23:18,400
difference

488
00:23:24,710 --> 00:23:22,470

if you remember

489

00:23:26,390 --> 00:23:24,720

here it is

490

00:23:28,149 --> 00:23:26,400

silence that precedes the storm he said

491

00:23:29,750 --> 00:23:28,159

in the brazilian storm is coming soon

492

00:23:31,750 --> 00:23:29,760

important politicians and scientists in

493

00:23:33,510 --> 00:23:31,760

brazil will be briefed about uap and we

494

00:23:35,029 --> 00:23:33,520

hope to start a new revolution in this

495

00:23:40,549 --> 00:23:35,039

topic

496

00:23:40,559 --> 00:23:43,510

pretty cool

497

00:23:47,029 --> 00:23:44,870

um

498

00:23:50,390 --> 00:23:47,039

one of lou elizondo's five pillars

499

00:23:51,990 --> 00:23:50,400

basically his plan public engagement one

500

00:23:55,430 --> 00:23:52,000

of them right obviously he does that

501
00:23:58,950 --> 00:23:55,440
well he's got a show coming up on ucr in

502
00:24:04,870 --> 00:24:00,870
unfortunately he's done doing these

503
00:24:06,789 --> 00:24:04,880
podcasts because apparently of the uh

504
00:24:11,430 --> 00:24:06,799
the troll

505
00:24:15,669 --> 00:24:13,430
you know an idiots who make

506
00:24:17,669 --> 00:24:15,679
uh stalker videos about him and his you

507
00:24:20,149 --> 00:24:17,679
know wife or daughter

508
00:24:22,230 --> 00:24:20,159
can't blame the guy

509
00:24:23,750 --> 00:24:22,240
but he has done enough you know he has

510
00:24:26,390 --> 00:24:23,760
done plenty

511
00:24:28,230 --> 00:24:26,400
i wouldn't be here i wouldn't even know

512
00:24:29,909 --> 00:24:28,240
a lot of you if it wasn't for him giving

513
00:24:32,230 --> 00:24:29,919

me an opportunity and doing an interview

514

00:24:33,350 --> 00:24:32,240

with me so i'm grateful for that you

515

00:24:35,029 --> 00:24:33,360

know

516

00:24:37,269 --> 00:24:35,039

but back to his pillars public

517

00:24:39,669 --> 00:24:37,279

engagement the other one is to work with

518

00:24:44,630 --> 00:24:39,679

our allies who are some of our allies

519

00:24:49,510 --> 00:24:46,950

do you think maybe some of the work that

520

00:24:51,269 --> 00:24:49,520

he does behind the scenes

521

00:24:52,310 --> 00:24:51,279

is starting to come to fruition a little

522

00:24:54,230 --> 00:24:52,320

bit

523

00:24:56,230 --> 00:24:54,240

as we can see

524

00:25:04,630 --> 00:24:56,240

possibly and that's what i measure a

525

00:25:04,640 --> 00:25:09,430

most definitely

526

00:25:13,350 --> 00:25:11,350

another pretty cool thing

527

00:25:17,190 --> 00:25:13,360

that's happening well could be cool

528

00:25:20,789 --> 00:25:17,200

could not be cool i don't know we'll see

529

00:25:26,310 --> 00:25:23,269

mr

530

00:25:28,390 --> 00:25:26,320

president barack obama

531

00:25:30,789 --> 00:25:28,400

again i put these

532

00:25:32,549 --> 00:25:30,799

um in these links

533

00:25:35,269 --> 00:25:32,559

in the description so you can check it

534

00:25:40,310 --> 00:25:38,230

presidential library

535

00:25:50,549 --> 00:25:40,320

thousands

536

00:25:53,029 --> 00:25:50,559

and yeah black vaults you know in a foia

537

00:25:54,950 --> 00:25:53,039

process with them uh better yet grant

538

00:25:56,630 --> 00:25:54,960

cameron is and he's even ahead of the

539

00:25:58,230 --> 00:25:56,640

line than john greenwald and getting

540

00:26:00,310 --> 00:25:58,240

access to this which i think is

541

00:26:02,909 --> 00:26:00,320

rightfully so because he is the

542

00:26:06,630 --> 00:26:02,919

president slash ufo guy

543

00:26:08,710 --> 00:26:06,640

of our time for sure so i'm glad that

544

00:26:12,470 --> 00:26:08,720

he's getting his hands on it because

545

00:26:13,590 --> 00:26:12,480

he knows and has been working

546

00:26:15,909 --> 00:26:13,600

um

547

00:26:17,830 --> 00:26:15,919

you know presidents and ufos uh so hard

548

00:26:19,190 --> 00:26:17,840

and for a long time so i look forward to

549

00:26:21,269 --> 00:26:19,200

getting them back on the show maybe we

550

00:26:23,190 --> 00:26:21,279

can discuss a little bit of that

551
00:26:24,950 --> 00:26:23,200
um

552
00:26:26,310 --> 00:26:24,960
so that's interesting you can see

553
00:26:29,950 --> 00:26:26,320
greenwald here

554
00:26:34,870 --> 00:26:29,960
says um he was told that 34

555
00:26:37,590 --> 00:26:34,880
340 pages 26 271 electronic files

556
00:26:40,549 --> 00:26:37,600
pertained to his request

557
00:26:42,549 --> 00:26:40,559
for eight tip ufo uap asset uh let me

558
00:26:45,269 --> 00:26:42,559
tell you what

559
00:26:47,590 --> 00:26:45,279
while i'm glad he's posting that

560
00:26:51,190 --> 00:26:47,600
things like um that have been said by

561
00:26:54,870 --> 00:26:52,549
regarding

562
00:26:59,190 --> 00:26:54,880
uh etip didn't have anything to do with

563
00:27:01,350 --> 00:26:59,200

ufos like even i think susan go said

564

00:27:02,950 --> 00:27:01,360

which later she had

565

00:27:05,350 --> 00:27:02,960

changed that tune

566

00:27:07,269 --> 00:27:05,360

um and other people

567

00:27:09,350 --> 00:27:07,279

i've said the same thing

568

00:27:13,350 --> 00:27:09,360

it's things like that that completely

569

00:27:13,360 --> 00:27:17,990

that that is wrong

570

00:27:23,430 --> 00:27:21,190

incorrect sir

571

00:27:25,269 --> 00:27:23,440

so i look forward to having those

572

00:27:28,230 --> 00:27:25,279

although if you watch the black video he

573

00:27:30,549 --> 00:27:28,240

talks about um being told

574

00:27:32,230 --> 00:27:30,559

you know i'm not sure of the exact

575

00:27:34,789 --> 00:27:32,240

details but somewhere

576
00:27:37,190 --> 00:27:34,799
around like you know 14 years or 12

577
00:27:38,789 --> 00:27:37,200
years before those before it gets those

578
00:27:40,310 --> 00:27:38,799
files or something

579
00:27:42,230 --> 00:27:40,320
which would just be completely

580
00:27:43,909 --> 00:27:42,240
ridiculous because that point we're

581
00:27:45,830 --> 00:27:43,919
probably going to have anti-gravity

582
00:27:48,789 --> 00:27:45,840
machines will be a whole completely

583
00:27:52,789 --> 00:27:48,799
different world in 14 years trust me 16

584
00:27:55,669 --> 00:27:53,830
you know

585
00:27:57,110 --> 00:27:55,679
to me

586
00:27:59,190 --> 00:27:57,120
what that means when i hear something

587
00:28:00,630 --> 00:27:59,200
like that if they said that to me

588
00:28:02,230 --> 00:28:00,640

it's like well we're not giving you

589

00:28:05,029 --> 00:28:02,240

anything and i don't really care it'll

590

00:28:08,070 --> 00:28:05,039

be somebody else's problem

591

00:28:11,590 --> 00:28:09,070

you know

592

00:28:13,430 --> 00:28:11,600

[Music]

593

00:28:14,830 --> 00:28:13,440

pretty much saying yeah

594

00:28:17,830 --> 00:28:14,840

teasing the dude

595

00:28:19,430 --> 00:28:17,840

basically we have all these files

596

00:28:22,549 --> 00:28:19,440

and guess what

597

00:28:24,149 --> 00:28:22,559

i'm not going to give you any of them

598

00:28:26,870 --> 00:28:24,159

and that's probably the truth because by

599

00:28:31,590 --> 00:28:26,880

the time 14 16 years comes that person

600

00:28:34,870 --> 00:28:32,870

you know

601
00:28:36,950 --> 00:28:34,880
it doesn't take that long to go through

602
00:28:38,630 --> 00:28:36,960
those files i'm sorry

603
00:28:39,669 --> 00:28:38,640
and with the amount of taxpayer money we

604
00:28:41,269 --> 00:28:39,679
give them

605
00:28:43,590 --> 00:28:41,279
to tell us that you are that

606
00:28:49,029 --> 00:28:43,600
disorganized that it'll take you 16

607
00:28:53,750 --> 00:28:51,029
you know

608
00:28:55,990 --> 00:28:53,760
we forget that they work for us

609
00:28:59,190 --> 00:28:56,000
you know in the us taxpayers they are

610
00:29:00,789 --> 00:28:59,200
our employees

611
00:29:03,110 --> 00:29:00,799
and what would we tell an employee if

612
00:29:05,269 --> 00:29:03,120
they told us something that we needed

613
00:29:06,630 --> 00:29:05,279

was going to take 16 years i would say

614

00:29:08,950 --> 00:29:06,640

well

615

00:29:13,350 --> 00:29:08,960

you can find your next paycheck

616

00:29:16,230 --> 00:29:15,110

unfortunately that's not how it works

617

00:29:17,750 --> 00:29:16,240

here but

618

00:29:21,269 --> 00:29:17,760

can't forget that we do have a voice and

619

00:29:23,350 --> 00:29:21,279

we can't make a difference you know

620

00:29:28,870 --> 00:29:23,360

and stuff like that

621

00:29:32,789 --> 00:29:30,789

little do they know we probably won't

622

00:29:35,029 --> 00:29:32,799

need those

623

00:29:36,789 --> 00:29:35,039

to get where we want i mean anyways like

624

00:29:38,870 --> 00:29:36,799

the clip i just showed at the beginning

625

00:29:41,190 --> 00:29:38,880

of the show john brennan

626
00:29:42,870 --> 00:29:41,200
constitute another formal life president

627
00:29:44,470 --> 00:29:42,880
barack obama

628
00:29:52,230 --> 00:29:44,480
things on our skies we don't know what

629
00:29:52,240 --> 00:29:56,710
consider yourself disclosed

630
00:30:00,149 --> 00:29:58,310
if you want to know more like what they

631
00:30:02,950 --> 00:30:00,159
are and where they come from

632
00:30:05,750 --> 00:30:02,960
that's gonna be um

633
00:30:08,789 --> 00:30:06,470
it's

634
00:30:10,470 --> 00:30:08,799
it sounds like a very complicated topic

635
00:30:12,470 --> 00:30:10,480
so i don't know if i'd get your hopes up

636
00:30:15,190 --> 00:30:12,480
for that

637
00:30:17,029 --> 00:30:15,200
from anybody

638
00:30:20,389 --> 00:30:17,039

you know

639

00:30:31,909 --> 00:30:22,470

by a president and cia

640

00:30:31,919 --> 00:30:34,549

so

641

00:30:34,559 --> 00:30:40,549

that's pretty good

642

00:30:40,559 --> 00:30:43,590

but yet

643

00:30:50,389 --> 00:30:47,110

we're still here you know

644

00:30:52,310 --> 00:30:50,399

still fighting off uh trolls who tried

645

00:30:54,149 --> 00:30:52,320

to

646

00:30:56,389 --> 00:30:54,159

call it crazy

647

00:30:58,470 --> 00:30:56,399

so to speak

648

00:31:00,389 --> 00:30:58,480

or say lou or whatever hasn't done

649

00:31:02,870 --> 00:31:00,399

anything when all of that has happened

650

00:31:05,269 --> 00:31:02,880

since he started his journey

651
00:31:11,269 --> 00:31:05,279
with disclosure

652
00:31:15,830 --> 00:31:13,669
but it's up to us to not allow them

653
00:31:21,190 --> 00:31:15,840
to get away with that stuff because it's

654
00:31:32,950 --> 00:31:23,430
you know

655
00:31:34,870 --> 00:31:32,960
realize that at this point it's those

656
00:31:38,549 --> 00:31:34,880
people

657
00:31:40,549 --> 00:31:38,559
who are the conspiracy folks

658
00:31:42,230 --> 00:31:40,559
because they're going against what the

659
00:31:44,470 --> 00:31:42,240
government is saying

660
00:31:47,110 --> 00:31:44,480
and making up their own truth

661
00:31:49,350 --> 00:31:47,120
that's a conspiracy

662
00:31:51,990 --> 00:31:49,360
what we're doing is just talking about

663
00:31:57,509 --> 00:31:52,000

what the government said

664

00:32:00,470 --> 00:31:58,830

i

665

00:32:03,269 --> 00:32:00,480

mean

666

00:32:06,149 --> 00:32:03,279

uap ufo is not the conspiracy anymore my

667

00:32:10,870 --> 00:32:07,909

maybe we should even

668

00:32:12,830 --> 00:32:10,880

if you're on twitter or something report

669

00:32:16,549 --> 00:32:12,840

those people as

670

00:32:17,509 --> 00:32:16,559

spreading false information

671

00:32:21,350 --> 00:32:17,519

because

672

00:32:24,389 --> 00:32:23,430

you know

673

00:32:26,470 --> 00:32:24,399

and

674

00:32:28,710 --> 00:32:26,480

it's not me saying that

675

00:32:32,310 --> 00:32:28,720

our government said that

676

00:32:34,950 --> 00:32:32,320

meet shoot footage and records of

677

00:32:39,269 --> 00:32:34,960

objects in the skies that we

678

00:32:43,430 --> 00:32:42,310

sorry just had to play that again

679

00:32:45,909 --> 00:32:43,440

like

680

00:32:49,509 --> 00:32:47,830

so

681

00:32:51,830 --> 00:32:49,519

moving on

682

00:32:55,029 --> 00:32:51,840

um i believe

683

00:32:56,549 --> 00:32:55,039

there was maybe one more

684

00:32:59,590 --> 00:32:56,559

well there is one more

685

00:33:04,389 --> 00:33:01,590

article on liberation times again who is

686

00:33:09,509 --> 00:33:07,190

with the information

687

00:33:10,950 --> 00:33:09,519

um that you should check out and it's

688

00:33:11,830 --> 00:33:10,960

about

689

00:33:14,230 --> 00:33:11,840

well

690

00:33:16,070 --> 00:33:14,240

2022 is the year view it foes on capitol

691

00:33:18,149 --> 00:33:16,080

hill has six reports and briefings are

692

00:33:21,269 --> 00:33:18,159

due this year yes that's right

693

00:33:24,789 --> 00:33:21,279

six reports and briefings are due

694

00:33:28,230 --> 00:33:24,799

this year on unidentified aerial

695

00:33:32,070 --> 00:33:30,149

which if you're wondering if that's the

696

00:33:33,269 --> 00:33:32,080

same thing as ufos

697

00:33:35,509 --> 00:33:33,279

uh

698

00:33:36,789 --> 00:33:35,519

just go back to some of the reports

699

00:33:40,070 --> 00:33:36,799

we've looked at

700

00:33:42,230 --> 00:33:40,080

on this very show from 1947-48

701
00:33:45,029 --> 00:33:42,240
where they were called unidentified

702
00:33:47,269 --> 00:33:45,039
aerial phenomena so if you're wondering

703
00:33:50,470 --> 00:33:47,279
if they're the same

704
00:33:52,549 --> 00:33:50,480
there's your proof they are

705
00:33:55,029 --> 00:33:52,559
and we're getting

706
00:33:56,789 --> 00:33:55,039
the government you know congress

707
00:33:57,669 --> 00:33:56,799
six reports and briefings are due this

708
00:34:00,789 --> 00:33:57,679
year

709
00:34:03,269 --> 00:34:00,799
but don't forget that there are

710
00:34:04,950 --> 00:34:03,279
there's at least one unclassified in

711
00:34:08,550 --> 00:34:04,960
there

712
00:34:08,560 --> 00:34:12,470
um

713
00:34:16,230 --> 00:34:13,750

so

714

00:34:18,230 --> 00:34:16,240
definitely

715

00:34:20,149 --> 00:34:18,240
should read this

716

00:34:22,310 --> 00:34:20,159
article

717

00:34:23,990 --> 00:34:22,320
he's doing great work

718

00:34:25,909 --> 00:34:24,000
and as much as i like to dip into the

719

00:34:28,149 --> 00:34:25,919
past

720

00:34:29,750 --> 00:34:28,159
that's to prove points

721

00:34:32,069 --> 00:34:29,760
of how long this has really been going

722

00:34:34,149 --> 00:34:32,079
on a very long time

723

00:34:36,230 --> 00:34:34,159
you know because even though it's a

724

00:34:37,909 --> 00:34:36,240
conspiracy at this point to say that

725

00:34:41,349 --> 00:34:37,919
these things are not real as our

726

00:34:44,069 --> 00:34:41,359

government has confirmed they are

727

00:34:50,310 --> 00:34:44,079

ex-president xcia chief and i'm from the

728

00:34:55,909 --> 00:34:51,909

by the way the i think the only

729

00:35:01,030 --> 00:34:58,710

to admit the existence

730

00:35:02,710 --> 00:35:01,040

of uaps ufos

731

00:35:05,030 --> 00:35:02,720

what do you call something that flies in

732

00:35:07,030 --> 00:35:05,040

our sky that you don't know what it is

733

00:35:14,310 --> 00:35:07,040

well that's an identified flying object

734

00:35:17,990 --> 00:35:15,349

so

735

00:35:19,510 --> 00:35:18,000

you should read this it's important that

736

00:35:22,470 --> 00:35:19,520

you know the funding

737

00:35:24,230 --> 00:35:22,480

uh passed for this be you know and then

738

00:35:26,069 --> 00:35:24,240

there's no excuse to not do what you got

739

00:35:28,470 --> 00:35:26,079

to do you're funded

740

00:35:30,470 --> 00:35:28,480

you're locked you're loaded

741

00:35:36,150 --> 00:35:30,480

uh now it's time for the government to

742

00:35:40,710 --> 00:35:38,230

interestingly enough i mean you can pick

743

00:35:42,310 --> 00:35:40,720

these things apart

744

00:35:43,910 --> 00:35:42,320

uh

745

00:35:45,589 --> 00:35:43,920

national air and space intelligence

746

00:35:49,910 --> 00:35:45,599

center

747

00:35:49,920 --> 00:35:53,109

you know who is that

748

00:35:53,119 --> 00:35:57,990

that's wright-patterson air force base

749

00:35:58,000 --> 00:36:01,430

that's blue book

750

00:36:05,109 --> 00:36:02,950

which you know

751
00:36:08,230 --> 00:36:05,119
was a cover name

752
00:36:14,790 --> 00:36:10,630
because the office that was really doing

753
00:36:18,230 --> 00:36:14,800
the work was attic attic

754
00:36:19,829 --> 00:36:18,240
aerial technical intelligence center

755
00:36:21,750 --> 00:36:19,839
that

756
00:36:25,270 --> 00:36:21,760
dates back to the beginning of all these

757
00:36:25,280 --> 00:36:29,430
n-a-s-i-c

758
00:36:34,950 --> 00:36:30,550
is

759
00:36:37,990 --> 00:36:36,470
and you know

760
00:36:41,670 --> 00:36:38,000
part of me says

761
00:36:44,069 --> 00:36:41,680
what the hell is that about

762
00:36:46,870 --> 00:36:44,079
the other part of me says

763
00:36:51,670 --> 00:36:46,880

you screwed this up

764

00:36:57,670 --> 00:36:54,390

dod as well my friend

765

00:37:00,950 --> 00:36:57,680

it is the dod

766

00:37:00,960 --> 00:37:04,550

the

767

00:37:10,470 --> 00:37:07,270

air force chief to do blue book in those

768

00:37:11,430 --> 00:37:10,480

investigations so dod

769

00:37:12,950 --> 00:37:11,440

really

770

00:37:15,109 --> 00:37:12,960

has been involved this whole time as

771

00:37:18,740 --> 00:37:15,119

well

772

00:37:24,870 --> 00:37:20,870

[Music]

773

00:37:32,950 --> 00:37:26,950

so got a lot of good links in there for

774

00:37:37,190 --> 00:37:34,630

it's my pleasure providing you with

775

00:37:39,030 --> 00:37:37,200

those

776

00:37:40,710 --> 00:37:39,040

right now i'm going to take a little

777

00:37:44,069 --> 00:37:40,720

break and what we're going to do is

778

00:37:44,079 --> 00:37:47,589

testimony

779

00:37:53,589 --> 00:37:49,109

there's a point where there is a

780

00:37:56,230 --> 00:37:54,790

and

781

00:37:57,910 --> 00:37:56,240

all sorts of people call into it

782

00:38:01,829 --> 00:37:57,920

civilians

783

00:38:03,910 --> 00:38:01,839

pilots commercial pilots police officers

784

00:38:04,950 --> 00:38:03,920

and on this this call i'm about to play

785

00:38:07,270 --> 00:38:04,960

you

786

00:38:08,310 --> 00:38:07,280

is important for a couple of reasons one

787

00:38:09,270 --> 00:38:08,320

is

788

00:38:12,790 --> 00:38:09,280

uh

789

00:38:14,790 --> 00:38:12,800

it's the faa who calls

790

00:38:16,950 --> 00:38:14,800

to report something right

791

00:38:18,310 --> 00:38:16,960

and two is

792

00:38:19,829 --> 00:38:18,320

in the recording

793

00:38:21,829 --> 00:38:19,839

[Music]

794

00:38:24,310 --> 00:38:21,839

they talk about why a certain person

795

00:38:27,109 --> 00:38:24,320

didn't want to give so much information

796

00:38:31,109 --> 00:38:27,119

and it had to do with

797

00:38:33,349 --> 00:38:31,119

how blue book treated witnesses

798

00:38:34,390 --> 00:38:33,359

and the stigma uh

799

00:38:36,950 --> 00:38:34,400

applied

800

00:38:39,270 --> 00:38:36,960

you know in regards to that topic

801
00:38:42,310 --> 00:38:39,280
and when that part comes up

802
00:38:44,230 --> 00:38:42,320
i pasted a little document in there

803
00:38:46,550 --> 00:38:44,240
to just show you

804
00:38:48,870 --> 00:38:46,560
what exactly they're talking about which

805
00:38:51,190 --> 00:38:48,880
is a document from the cia foyer reading

806
00:38:54,710 --> 00:38:51,200
room that talks about

807
00:38:56,870 --> 00:38:54,720
the education program

808
00:38:58,710 --> 00:38:56,880
that they put in place via the robertson

809
00:39:02,470 --> 00:38:58,720
panel

810
00:39:09,349 --> 00:39:05,430
to where the plan was to train

811
00:39:14,630 --> 00:39:11,990
the stories and even some of the words

812
00:39:16,390 --> 00:39:14,640
in the document are literally trained

813
00:39:19,990 --> 00:39:16,400

people to debunk these things and to

814

00:39:25,349 --> 00:39:22,470

that ufos are

815

00:39:25,359 --> 00:39:29,829

i don't know twinkles in your eyes

816

00:39:31,510 --> 00:39:30,130

so

817

00:39:33,589 --> 00:39:31,520

[Music]

818

00:39:34,870 --> 00:39:33,599

you can read that too or come back to

819

00:39:36,470 --> 00:39:34,880

this video pause it and read it or

820

00:39:39,670 --> 00:39:36,480

whatever

821

00:39:40,630 --> 00:39:39,680

so i have that in there this it was in

822

00:39:42,470 --> 00:39:40,640

florida

823

00:39:44,069 --> 00:39:42,480

about a plane over georgia

824

00:39:46,470 --> 00:39:44,079

so i'm going to play that don't forget

825

00:39:47,270 --> 00:39:46,480

to like this video share it if you like

826

00:39:49,510 --> 00:39:47,280

it

827

00:39:51,670 --> 00:39:49,520

subscribe if you haven't i appreciate

828

00:39:53,589 --> 00:39:51,680

you guys hanging out and i'll be back

829

00:39:57,109 --> 00:39:53,599

when this is over just take about four

830

00:40:02,470 --> 00:39:59,349

yeah sir this is the jacksonville center

831

00:40:04,150 --> 00:40:02,480

watch uh supervisor and uh i don't know

832

00:40:05,589 --> 00:40:04,160

what we need to do on this or even how

833

00:40:07,109 --> 00:40:05,599

it's handled because i've never had one

834

00:40:08,390 --> 00:40:07,119

of these before but at any rate we've

835

00:40:10,630 --> 00:40:08,400

got a

836

00:40:13,670 --> 00:40:10,640

civilian aircraft uh

837

00:40:14,790 --> 00:40:13,680

around augusta right now that uh

838

00:40:21,030 --> 00:40:14,800

uh

839

00:40:23,270 --> 00:40:21,040

about his 11 o'clock position for the

840

00:40:25,829 --> 00:40:23,280

last half an hour or so

841

00:40:27,750 --> 00:40:25,839

and we have

842

00:40:29,430 --> 00:40:27,760

no other aircraft in the area no other

843

00:40:31,430 --> 00:40:29,440

reported aircraft nothing that we're

844

00:40:34,470 --> 00:40:31,440

seeing as far as

845

00:40:36,069 --> 00:40:34,480

vfr traffic or any other targets so i

846

00:40:39,670 --> 00:40:36,079

guess we have reason to believe as well

847

00:40:41,750 --> 00:40:39,680

as a pilot believes that it may be a ufo

848

00:40:44,309 --> 00:40:41,760

now what uh what information do you need

849

00:40:46,069 --> 00:40:44,319

to have me get here so we can

850

00:40:47,829 --> 00:40:46,079

uh of course just the name and phone

851
00:40:48,950 --> 00:40:47,839
number so we could contact him later as

852
00:40:50,950 --> 00:40:48,960
possible

853
00:40:52,530 --> 00:40:50,960
all right

854
00:40:54,230 --> 00:40:52,540
let me get uh

855
00:40:55,990 --> 00:40:54,240
[Applause]

856
00:41:00,390 --> 00:40:56,000
name and phone number what else do you

857
00:41:03,190 --> 00:41:01,270
okay

858
00:41:05,270 --> 00:41:03,200
is this is uh

859
00:41:07,430 --> 00:41:05,280
is this a government uh reporting agency

860
00:41:10,870 --> 00:41:07,440
no no it's a private agency

861
00:41:14,069 --> 00:41:10,880
okay is this uh just out of curiosity uh

862
00:41:16,390 --> 00:41:14,079
is this any uh i'll shoot a guy by the

863
00:41:18,309 --> 00:41:16,400

name of uh out of uh

864

00:41:20,870 --> 00:41:18,319

cleveland ohio did he have anything to

865

00:41:23,510 --> 00:41:20,880

do with this times no okay what is this

866

00:41:25,589 --> 00:41:23,520

is this just a tracking agency

867

00:41:28,470 --> 00:41:25,599

uh we gather the reports from around the

868

00:41:29,750 --> 00:41:28,480

country and then they're evaluated here

869

00:41:32,069 --> 00:41:29,760

you know what's down with them from

870

00:41:36,790 --> 00:41:34,390

uh if uh they need additional

871

00:41:38,470 --> 00:41:36,800

information then they go on to uh

872

00:41:41,670 --> 00:41:38,480

field investigators and they make

873

00:41:43,910 --> 00:41:41,680

on-site investigations okay

874

00:41:45,349 --> 00:41:43,920

all right well i'll get his name and uh

875

00:41:47,030 --> 00:41:45,359

phone number and give you call back

876

00:41:50,230 --> 00:41:47,040

thank you do i need to ask for anybody

877

00:41:52,870 --> 00:41:50,240

in particular sir okay thank you

878

00:41:55,430 --> 00:41:52,880

ufo reporting center yes sir this jack

879

00:41:57,589 --> 00:41:55,440

center watch supervisor yes sir okay the

880

00:42:00,230 --> 00:41:57,599

information on that gentleman he was

881

00:42:01,990 --> 00:42:00,240

real reluctant to uh

882

00:42:03,910 --> 00:42:02,000

talk to anybody on this thing and i

883

00:42:05,829 --> 00:42:03,920

reassured him

884

00:42:08,150 --> 00:42:05,839

you know the sad part about this you

885

00:42:10,550 --> 00:42:08,160

know people see things like this and uh

886

00:42:13,030 --> 00:42:10,560

a lot of it goes uh goes unreported i

887

00:42:14,870 --> 00:42:13,040

think as a result of a lot of what uh

888

00:42:17,270 --> 00:42:14,880

you know project blue book did back the

889

00:42:19,190 --> 00:42:17,280

in the 60s and the

890

00:42:20,950 --> 00:42:19,200

50s were trying to discredit the people

891

00:42:24,150 --> 00:42:20,960

that uh you know that were seeing these

892

00:42:25,910 --> 00:42:24,160

things and and reporting them but at any

893

00:42:27,670 --> 00:42:25,920

rate i'm sure that was in the back of

894

00:42:30,230 --> 00:42:27,680

his mind and i assured him that this was

895

00:42:31,589 --> 00:42:30,240

not a government agency and that

896

00:42:33,270 --> 00:42:31,599

folks just wanted to gather a little

897

00:42:35,829 --> 00:42:33,280

more information on it that is correct

898

00:42:37,670 --> 00:42:35,839

is that right yes sir okay

899

00:42:39,349 --> 00:42:37,680

well i appreciate it thank you very much

900

00:42:41,670 --> 00:42:39,359

thank you

901
00:42:43,750 --> 00:42:41,680
you a full reporting center yes sir this

902
00:42:45,829 --> 00:42:43,760
is jax underwater supervisor one more

903
00:42:46,790 --> 00:42:45,839
time here just a little more information

904
00:42:52,390 --> 00:42:46,800
on

905
00:42:53,270 --> 00:42:52,400
uh i went down to the radar display

906
00:42:54,790 --> 00:42:53,280
where

907
00:42:56,150 --> 00:42:54,800
at the time that this aircraft was

908
00:42:58,710 --> 00:42:56,160
reporting it

909
00:43:00,470 --> 00:42:58,720
we were showing something on radar on an

910
00:43:02,630 --> 00:43:00,480
intermittent basis that was in the

911
00:43:05,670 --> 00:43:02,640
approximate position that uh

912
00:43:08,069 --> 00:43:05,680
you know that he was uh describing

913
00:43:09,349 --> 00:43:08,079

and uh you know so whether this would

914

00:43:11,990 --> 00:43:09,359

have any uh

915

00:43:14,950 --> 00:43:12,000

bearing on it or not uh you know i don't

916

00:43:17,109 --> 00:43:14,960

know but at any rate i thought i'd just

917

00:43:19,270 --> 00:43:17,119

lay that on you i don't know

918

00:43:20,790 --> 00:43:19,280

if they've had any other uh it'd be real

919

00:43:22,710 --> 00:43:20,800

interesting to know at this point if any

920

00:43:23,670 --> 00:43:22,720

of the other police departments in that

921

00:43:25,270 --> 00:43:23,680

area

922

00:43:27,589 --> 00:43:25,280

had any uh

923

00:43:29,430 --> 00:43:27,599

squad cars or policemen that uh state

924

00:43:30,950 --> 00:43:29,440

patrol would reported anything out there

925

00:43:32,230 --> 00:43:30,960

in that area tonight

926
00:43:34,710 --> 00:43:32,240
so if we get anything from the ground

927
00:43:42,069 --> 00:43:34,720
witnesses i'll let you know

928
00:43:42,079 --> 00:43:45,030
pretty intense

929
00:43:48,870 --> 00:43:47,190
especially when he talks about why the

930
00:43:55,190 --> 00:43:48,880
guy didn't want to

931
00:44:01,990 --> 00:43:59,109
i mean and here we are finally

932
00:44:04,069 --> 00:44:02,000
40 years later

933
00:44:08,390 --> 00:44:04,079
breaking the stigma as sean cahill

934
00:44:11,109 --> 00:44:10,150
and it's happening and i'm along for the

935
00:44:13,430 --> 00:44:11,119
ride

936
00:44:15,829 --> 00:44:13,440
and i'm grateful for that i had my own

937
00:44:18,710 --> 00:44:15,839
sighting and yes i want to know the

938
00:44:20,390 --> 00:44:18,720

truth behind that sighting

939

00:44:22,390 --> 00:44:20,400

you know

940

00:44:24,390 --> 00:44:22,400

but more importantly

941

00:44:27,670 --> 00:44:24,400

i want the truth

942

00:44:29,030 --> 00:44:27,680

for everybody else who's had

943

00:44:31,589 --> 00:44:29,040

sightings for the people who have been

944

00:44:33,109 --> 00:44:31,599

investigating and looking at this since

945

00:44:36,950 --> 00:44:33,119

the time of that call we played since

946

00:44:41,190 --> 00:44:39,349

and for all the people who have

947

00:44:43,430 --> 00:44:41,200

unfortunately passed away without

948

00:44:46,950 --> 00:44:43,440

knowing

949

00:44:49,430 --> 00:44:46,960

with a lifetime worth of work

950

00:44:51,270 --> 00:44:49,440

that followed them you know but part of

951
00:44:54,790 --> 00:44:51,280
the show is you know

952
00:44:58,309 --> 00:44:56,150
as you can see

953
00:45:00,870 --> 00:44:58,319
you know i do a lot of stuff with james

954
00:45:02,790 --> 00:45:00,880
mcdonald dr mcdonald you know professor

955
00:45:04,790 --> 00:45:02,800
mcdonald

956
00:45:06,230 --> 00:45:04,800
and and all sorts of people who have put

957
00:45:07,430 --> 00:45:06,240
in a lot of time and work into this

958
00:45:09,910 --> 00:45:07,440
topic

959
00:45:15,510 --> 00:45:09,920
and i like to shine a light on that

960
00:45:19,589 --> 00:45:17,430
so we've been pretty serious this whole

961
00:45:21,270 --> 00:45:19,599
time because

962
00:45:24,550 --> 00:45:21,280
stuff is serious

963
00:45:26,069 --> 00:45:24,560

um and thank you for for everybody who's

964

00:45:27,750 --> 00:45:26,079

said things like great show today i feel

965

00:45:30,150 --> 00:45:27,760

like it's a great show i feel passionate

966

00:45:33,990 --> 00:45:31,990

and that's why people like inman should

967

00:45:37,030 --> 00:45:34,000

be very careful

968

00:45:42,470 --> 00:45:40,710

and and act so um

969

00:45:44,550 --> 00:45:42,480

cocky

970

00:45:49,510 --> 00:45:44,560

about

971

00:45:51,750 --> 00:45:49,520

because it's just not true

972

00:45:53,990 --> 00:45:51,760

and i'm just one voice

973

00:45:56,550 --> 00:45:54,000

you can stop my voice

974

00:45:58,630 --> 00:45:56,560

but the information is out there

975

00:46:00,790 --> 00:45:58,640

already

976
00:46:02,150 --> 00:46:00,800
you know and it's really up to the

977
00:46:05,750 --> 00:46:02,160
people

978
00:46:08,710 --> 00:46:05,760
that information

979
00:46:11,030 --> 00:46:08,720
and at this point take it

980
00:46:12,950 --> 00:46:11,040
as what it is

981
00:46:15,829 --> 00:46:12,960
you know you don't have to

982
00:46:17,589 --> 00:46:15,839
finagle it into something so you can

983
00:46:18,710 --> 00:46:17,599
believe it because you have a need to

984
00:46:26,309 --> 00:46:18,720
believe

985
00:46:31,430 --> 00:46:28,710
i can't say that ufos are

986
00:46:34,230 --> 00:46:31,440
extraterrestrial or interdimensional or

987
00:46:35,910 --> 00:46:34,240
spirits or whatever but they exist and

988
00:46:38,309 --> 00:46:35,920

they're not planes and they're not

989

00:46:42,470 --> 00:46:38,319

prosaic and they're things that we don't

990

00:46:46,950 --> 00:46:43,990

that really

991

00:46:51,510 --> 00:46:46,960

mess with some people

992

00:46:56,790 --> 00:46:53,430

you know

993

00:46:58,150 --> 00:46:56,800

and here we are finally dealing with it

994

00:47:01,750 --> 00:46:58,160

and i thank you

995

00:47:01,760 --> 00:47:05,829

um and being so supportive

996

00:47:10,470 --> 00:47:07,750

that really helps that helps with my

997

00:47:13,910 --> 00:47:10,480

morale it helps keep me up he helps keep

998

00:47:18,790 --> 00:47:15,510

right now

999

00:47:18,800 --> 00:47:24,069

i found some very interesting videos

1000

00:47:29,589 --> 00:47:27,750

so in this last segment

1001
00:47:32,020 --> 00:47:29,599
we're going to look at those and we like

1002
00:47:45,510 --> 00:47:32,030
to call it what the heck is that

1003
00:47:49,190 --> 00:47:48,150
that's right what the heck is that so

1004
00:47:51,109 --> 00:47:49,200
um

1005
00:47:53,190 --> 00:47:51,119
i have about like nine minutes of video

1006
00:47:54,790 --> 00:47:53,200
so i'm gonna split this in half because

1007
00:47:55,670 --> 00:47:54,800
i don't know that's kind of a long time

1008
00:47:59,349 --> 00:47:55,680
so

1009
00:48:00,630 --> 00:47:59,359
um let's take a look

1010
00:48:02,870 --> 00:48:00,640
i'll try to

1011
00:48:04,790 --> 00:48:02,880
rewind this to where it kind of gives

1012
00:48:07,349 --> 00:48:04,800
you the

1013
00:48:11,910 --> 00:48:07,359

deal well i'll just let it go for the

1014

00:48:17,349 --> 00:48:14,230

so here we go november 1984

1015

00:48:23,109 --> 00:48:20,630

this is a pretty good one

1016

00:48:26,950 --> 00:48:23,119

there's been things said about it like a

1017

00:48:31,270 --> 00:48:26,960

chunk of ice or whatever but

1018

00:48:36,710 --> 00:48:34,309

doubt it

1019

00:48:39,109 --> 00:48:36,720

i mean i'm not a video expert by any

1020

00:48:42,950 --> 00:48:39,119

means but you can

1021

00:48:42,960 --> 00:48:51,430

to see how it moved in and no otherwise

1022

00:48:55,829 --> 00:48:52,470

but

1023

00:48:57,510 --> 00:48:55,839

there's no sound here unfortunately

1024

00:49:00,069 --> 00:48:57,520

so that's why i'm talking talking

1025

00:49:02,150 --> 00:49:00,079

through it this one i don't know

1026

00:49:05,270 --> 00:49:02,160

the the saucers i always feel weird

1027

00:49:06,870 --> 00:49:05,280

about i guess this one thick it could be

1028

00:49:07,829 --> 00:49:06,880

really anything there's not a really

1029

00:49:10,470 --> 00:49:07,839

good

1030

00:49:14,790 --> 00:49:13,270

point of view i guess you could say

1031

00:49:15,910 --> 00:49:14,800

uh but this one's interesting i'm just

1032

00:49:18,230 --> 00:49:15,920

gonna get out of here and let you watch

1033

00:49:32,470 --> 00:49:18,240

it keep your eyes on the left hand side

1034

00:49:32,480 --> 00:49:42,470

and those are tic tacs

1035

00:49:48,150 --> 00:49:44,950

uh those look like tic tacs you see

1036

00:49:51,829 --> 00:49:49,990

hopefully

1037

00:49:53,589 --> 00:49:51,839

they're

1038

00:49:55,589 --> 00:49:53,599

not the easiest to see but you have

1039

00:49:56,950 --> 00:49:55,599

something in this guy

1040

00:49:59,109 --> 00:49:56,960

this one's pretty cool you can see it

1041

00:50:03,430 --> 00:49:59,119

dart off to the right

1042

00:50:07,349 --> 00:50:05,349

which is interesting

1043

00:50:09,910 --> 00:50:07,359

so there it goes

1044

00:50:12,390 --> 00:50:09,920

and it keeps on

1045

00:50:14,230 --> 00:50:12,400

moving

1046

00:50:16,309 --> 00:50:14,240

one of those 90 degree turns and i can't

1047

00:50:17,670 --> 00:50:16,319

say any of these or this or that

1048

00:50:20,309 --> 00:50:17,680

i just showed these because they're

1049

00:50:25,190 --> 00:50:20,319

pretty interesting

1050

00:50:25,200 --> 00:50:28,470

but

1051

00:50:28,480 --> 00:50:34,870

this one is also very interesting

1052

00:50:41,990 --> 00:50:36,150

thanks for all the compliments on the

1053

00:50:46,230 --> 00:50:44,950

i'm glad you guys are loving the the

1054

00:50:49,829 --> 00:50:46,240

the hat

1055

00:50:53,750 --> 00:50:49,839

i'm a heck guy

1056

00:50:59,910 --> 00:50:56,069

switch it up

1057

00:51:00,790 --> 00:50:59,920

trying to go in my hair out long too so

1058

00:51:03,670 --> 00:51:00,800

you know

1059

00:51:08,230 --> 00:51:03,680

getting that kind of weird in-between

1060

00:51:13,349 --> 00:51:09,829

yeah these are interesting like what is

1061

00:51:19,910 --> 00:51:15,030

this one's weird because it looks like

1062

00:51:19,920 --> 00:51:24,790

you know

1063

00:51:28,069 --> 00:51:27,030

it's like kind of wobbling around very

1064

00:51:29,670 --> 00:51:28,079

interesting

1065

00:51:31,589 --> 00:51:29,680

the only thing i could think of is if

1066

00:51:34,150 --> 00:51:31,599

this was some sort of hoax and this is

1067

00:51:35,109 --> 00:51:34,160

like the bottom of an ocean or something

1068

00:51:40,549 --> 00:51:35,119

maybe

1069

00:51:43,349 --> 00:51:42,470

could be i guess

1070

00:51:44,790 --> 00:51:43,359

but

1071

00:51:51,670 --> 00:51:44,800

i don't know what would be in the ocean

1072

00:51:51,680 --> 00:51:58,870

it is very interesting

1073

00:52:05,430 --> 00:52:00,630

and we got another space shuttle this

1074

00:52:10,309 --> 00:52:07,030

because you'll see it come in from the

1075

00:52:14,470 --> 00:52:12,950

top half of the the camera view here

1076
00:52:17,990 --> 00:52:14,480
that's the most interesting part of this

1077
00:52:18,000 --> 00:52:21,430
look at it zigzagger huh

1078
00:52:21,440 --> 00:52:32,470
pretty cool

1079
00:52:36,600 --> 00:52:35,349
i look best at very terrible

1080
00:52:38,309 --> 00:52:36,610
we all do

1081
00:52:40,069 --> 00:52:38,319
[Laughter]

1082
00:52:41,190 --> 00:52:40,079
we all do

1083
00:52:43,670 --> 00:52:41,200
um

1084
00:52:46,470 --> 00:52:43,680
i do want to i'm gonna play one more

1085
00:52:49,589 --> 00:52:46,480
here that i think is pretty interesting

1086
00:52:51,829 --> 00:52:49,599
i have no idea what this is

1087
00:52:54,150 --> 00:52:51,839
if it's a hoax whatever the heck it is

1088
00:52:57,190 --> 00:52:54,160

no idea

1089

00:53:01,589 --> 00:52:59,510

it's after this one

1090

00:53:03,670 --> 00:53:01,599

so hang in there and you'll see it and

1091

00:53:05,430 --> 00:53:03,680

it's more of a recent one so these are

1092

00:53:07,109 --> 00:53:05,440

all like kind of nasa ones that i've

1093

00:53:08,630 --> 00:53:07,119

been playing and the video is about like

1094

00:53:09,990 --> 00:53:08,640

10 minutes so

1095

00:53:11,349 --> 00:53:10,000

there's some that we haven't seen mainly

1096

00:53:14,309 --> 00:53:11,359

i'll just upload the whole thing to

1097

00:53:19,750 --> 00:53:14,319

youtube or something

1098

00:53:22,710 --> 00:53:20,790

you know

1099

00:53:25,430 --> 00:53:22,720

i don't know what that is

1100

00:53:26,790 --> 00:53:25,440

could be something prozac

1101
00:53:27,910 --> 00:53:26,800
maybe not

1102
00:55:31,270 --> 00:53:27,920
but the video i'm talking about is

1103
00:55:35,910 --> 00:55:33,670
so that was it

1104
00:55:39,540 --> 00:55:35,920
pretty weird i found that one on reddit

1105
00:55:47,180 --> 00:55:39,550
and that was today's segment of what

1106
00:55:47,190 --> 00:55:51,910
[Music]

1107
00:55:56,870 --> 00:55:53,670
so thanks everybody for hanging out

1108
00:55:59,190 --> 00:55:56,880
that'll do it for today's episode uh a

1109
00:56:01,030 --> 00:55:59,200
really yeah you know

1110
00:56:04,470 --> 00:56:01,040
dude comes in here with dude that's a

1111
00:56:06,390 --> 00:56:04,480
drone bro maybe it is i have no idea

1112
00:56:08,950 --> 00:56:06,400
um it was pretty interesting that's for

1113
00:56:09,910 --> 00:56:08,960

sure when i show these videos i'm not

1114

00:56:11,670 --> 00:56:09,920

showing you

1115

00:56:14,870 --> 00:56:11,680

proof of ufos

1116

00:56:16,630 --> 00:56:14,880

you know or here's an alien spaceship

1117

00:56:18,870 --> 00:56:16,640

i'm just showing interesting things to

1118

00:56:20,870 --> 00:56:18,880

look at

1119

00:56:22,870 --> 00:56:20,880

could be something could be nothing i

1120

00:56:25,829 --> 00:56:22,880

don't stand by any of them i wasn't

1121

00:56:30,069 --> 00:56:25,839

there i didn't take them

1122

00:56:32,069 --> 00:56:30,079

but i had a great time

1123

00:56:32,789 --> 00:56:32,079

i'm glad you guys hung out hung out with

1124

00:56:34,870 --> 00:56:32,799

me

1125

00:56:36,950 --> 00:56:34,880

um and

1126
00:56:38,230 --> 00:56:36,960
yeah

1127
00:56:43,109 --> 00:56:38,240
you know we're living in a very

1128
00:56:43,119 --> 00:56:46,390
so

1129
00:56:51,510 --> 00:56:48,230
i i really think that things in the

1130
00:56:52,390 --> 00:56:51,520
world are changing right now um so

1131
00:56:53,990 --> 00:56:52,400
just

1132
00:56:57,030 --> 00:56:54,000
do what you can

1133
00:57:00,870 --> 00:56:58,789
stay in love

1134
00:57:03,510 --> 00:57:00,880
stay positive

1135
00:57:05,349 --> 00:57:03,520
help people where you can help people

1136
00:57:07,670 --> 00:57:05,359
don't break your back

1137
00:57:11,190 --> 00:57:07,680
make sure you take care of yourself

1138
00:57:13,270 --> 00:57:11,200

but then spread the love you know

1139

00:57:17,109 --> 00:57:13,280

like the video again share it subscribe

1140

00:57:18,549 --> 00:57:17,119

all that fun stuff um and i'll be back

1141

00:57:19,990 --> 00:57:18,559

and we'll do some more stuff we've got a

1142

00:57:21,270 --> 00:57:20,000

great show coming up on wednesday with

1143

00:57:22,069 --> 00:57:21,280

mike cleland

1144

00:57:24,870 --> 00:57:22,079

um

1145

00:57:27,349 --> 00:57:24,880

if you like high strangeness

1146

00:57:29,750 --> 00:57:27,359

i definitely advise you to check that

1147

00:57:32,630 --> 00:57:29,760

out because that is an aspect that we're

1148

00:57:34,549 --> 00:57:32,640

gonna have to uh confront as this stuff

1149

00:57:35,589 --> 00:57:34,559

keeps going right

1150

00:57:37,589 --> 00:57:35,599

um

1151
00:57:39,670 --> 00:57:37,599
it's important to me because i've had my

1152
00:57:41,430 --> 00:57:39,680
own experience with it so you know

1153
00:57:44,230 --> 00:57:41,440
you'll always see me talking about it or

1154
00:57:45,910 --> 00:57:44,240
or bringing it up

1155
00:57:47,670 --> 00:57:45,920
but i also have shows like this where

1156
00:57:49,430 --> 00:57:47,680
just straight news

1157
00:57:51,349 --> 00:57:49,440
nuts and bolts

1158
00:57:53,270 --> 00:57:51,359
all that kind of stuff digestible for

1159
00:57:54,549 --> 00:57:53,280
everyone you know

1160
00:57:56,549 --> 00:57:54,559
so

1161
00:57:57,990 --> 00:57:56,559
hope you like the show i hope you guys

1162
00:57:59,430 --> 00:57:58,000
have a great weekend

1163
00:58:00,549 --> 00:57:59,440

i know this is a great start to my

1164

00:58:02,789 --> 00:58:00,559

weekend

1165

00:58:04,309 --> 00:58:02,799

and i appreciate

1166

00:58:08,069 --> 00:58:04,319

everybody

1167

00:58:11,910 --> 00:58:09,829

hey and by the way clip this little

1168

00:58:13,349 --> 00:58:11,920

video share it around

1169

00:58:15,589 --> 00:58:13,359

you know

1170

00:58:17,270 --> 00:58:15,599

because it's impactful footage and

1171

00:58:19,910 --> 00:58:17,280

records of

1172

00:58:22,549 --> 00:58:19,920

objects in the skies that we

1173

00:58:24,309 --> 00:58:22,559

don't know exactly what they are

1174

00:58:27,750 --> 00:58:24,319

however there have been a certain

1175

00:58:29,829 --> 00:58:27,760

percentage of this volume of reports

1176

00:58:31,270 --> 00:58:29,839

that have been made by credible

1177

00:58:35,270 --> 00:58:31,280

observers

1178

00:58:37,670 --> 00:58:35,280

of relatively incredible things we have

1179

00:58:39,910 --> 00:58:37,680

lots of reports about what we call uh

1180

00:58:41,670 --> 00:58:39,920

unidentified aerial phenomenon there are

1181

00:58:43,829 --> 00:58:41,680

a lot more sightings than have been made

1182

00:58:45,589 --> 00:58:43,839

public long web of cover-up about

1183

00:58:47,510 --> 00:58:45,599

yesterday now you cover up not by

1184

00:58:48,710 --> 00:58:47,520

telling everybody everything the

1185

00:58:50,750 --> 00:58:48,720

important thing this is where my

1186

00:58:53,109 --> 00:58:50,760

background and classified work comes is

1187

00:58:54,230 --> 00:58:53,119

compartmentalization need to know just

1188

00:58:55,990 --> 00:58:54,240

because you have a clearance doesn't

1189

00:58:57,349 --> 00:58:56,000

mean you get access to the data some

1190

00:58:58,549 --> 00:58:57,359

type of

1191

00:59:00,390 --> 00:58:58,559

activity

1192

00:59:01,270 --> 00:59:00,400

that some might

1193

00:59:02,549 --> 00:59:01,280

say

1194

00:59:04,309 --> 00:59:02,559

constitutes a

1195

00:59:06,390 --> 00:59:04,319

different form of life but i think what

1196

00:59:08,549 --> 00:59:06,400

people are wrestling with is whether

1197

00:59:10,309 --> 00:59:08,559

this is the right time

1198

00:59:13,030 --> 00:59:10,319

and i think being worried about showing

1199

00:59:14,710 --> 00:59:13,040

their hand to potential rivals like the

1200

00:59:15,990 --> 00:59:14,720

chinese or the russians let's be honest

1201

00:59:17,349 --> 00:59:16,000

about it
