

1
00:00:05,510 --> 00:00:03,130
why don't they talk to us

2
00:00:07,269 --> 00:00:05,520
[Music]

3
00:00:08,629 --> 00:00:07,279
i don't talk to the squirrels in my

4
00:00:10,470 --> 00:00:08,639
backyard

5
00:00:11,830 --> 00:00:10,480
thank you very much for listening it's

6
00:00:13,350 --> 00:00:11,840
logical you want to know what it is i

7
00:00:14,789 --> 00:00:13,360
miss common sense right it stops flying

8
00:00:16,710 --> 00:00:14,799
over the top of your most sensitive

9
00:00:18,310 --> 00:00:16,720
installations and it's not ours and no

10
00:00:21,029 --> 00:00:18,320
one knows whose it is the key takeaways

11
00:00:23,509 --> 00:00:21,039
i have is that the um

12
00:00:25,910 --> 00:00:23,519
the military and others are taking this

13
00:00:27,509 --> 00:00:25,920

issue seriously which even previous

14

00:00:30,950 --> 00:00:27,519

generations may not have been the case

15

00:00:32,950 --> 00:00:30,960

there's footage and records of objects

16

00:00:35,430 --> 00:00:32,960

in the skies that we

17

00:00:37,830 --> 00:00:35,440

don't know exactly

18

00:00:39,990 --> 00:00:37,840

lots of reports about what we call uh

19

00:00:41,830 --> 00:00:40,000

unidentified aerial phenomenon there are

20

00:00:44,190 --> 00:00:41,840

a lot more sightings than have been made

21

00:00:49,270 --> 00:00:44,200

public

22

00:00:50,790 --> 00:00:49,280

[Music]

23

00:00:54,150 --> 00:00:50,800

but i think what people are wrestling

24

00:00:55,590 --> 00:00:54,160

with is whether this is the right time

25

00:00:57,990 --> 00:00:55,600

and i think they're worried about

26

00:00:59,910 --> 00:00:58,000

showing their hand to potential rivals

27

00:01:01,590 --> 00:00:59,920

like the chinese or the russians let's

28

00:01:02,950 --> 00:01:01,600

be honest about it

29

00:01:05,509 --> 00:01:02,960

but

30

00:01:05,519 --> 00:01:09,830

there's never going to be a good time

31

00:01:14,310 --> 00:01:12,710

what's up everybody happy sunday

32

00:01:16,469 --> 00:01:14,320

um hope you

33

00:01:18,870 --> 00:01:16,479

uh are enjoying your weekend

34

00:01:21,030 --> 00:01:18,880

i'm enjoying my weekend

35

00:01:23,350 --> 00:01:21,040

it's actually pretty nice out that's why

36

00:01:25,270 --> 00:01:23,360

i'm doing this kind of early

37

00:01:27,270 --> 00:01:25,280

so i can go for a

38

00:01:29,109 --> 00:01:27,280

i don't know maybe a walk or something

39

00:01:32,550 --> 00:01:29,119

after this

40

00:01:36,789 --> 00:01:33,749

i'm open

41

00:01:40,310 --> 00:01:38,550

so what's up to everybody

42

00:01:43,429 --> 00:01:40,320

in the chat i do appreciate you being

43

00:01:45,830 --> 00:01:43,439

here um yeah that first clip uh was a

44

00:01:48,389 --> 00:01:45,840

shout out to mr robert cofort uh from

45

00:01:50,069 --> 00:01:48,399

stan frieden he was talking about why

46

00:01:53,190 --> 00:01:50,079

they don't talk to us

47

00:01:54,469 --> 00:01:53,200

and he said uh well i don't talk to the

48

00:01:57,350 --> 00:01:54,479

squirrels

49

00:01:58,469 --> 00:01:57,360

in my backyard

50

00:02:01,830 --> 00:01:58,479

and

51

00:02:04,870 --> 00:02:01,840

i think uh robert may do that so

52

00:02:06,389 --> 00:02:04,880

that's a shout out to him

53

00:02:08,630 --> 00:02:06,399

but i appreciate everybody joining

54

00:02:10,469 --> 00:02:08,640

pontificator benji uh

55

00:02:14,309 --> 00:02:10,479

papa pires arno

56

00:02:17,589 --> 00:02:14,319

jason dope nose lara uh witness citizen

57

00:02:19,430 --> 00:02:17,599

uh case for infinity joes i appreciate

58

00:02:20,710 --> 00:02:19,440

everybody hanging out today we're gonna

59

00:02:24,390 --> 00:02:20,720

have a good time and we're gonna get

60

00:02:26,710 --> 00:02:24,400

into it this uh the first thing that

61

00:02:30,390 --> 00:02:26,720

i thought i would talk about is the

62

00:02:33,589 --> 00:02:30,400

whole idea of uh destroying

63

00:02:36,229 --> 00:02:33,599

uh ufology right uh lou elizondo is on

64

00:02:39,670 --> 00:02:36,239

record um a couple times now talking

65

00:02:42,390 --> 00:02:39,680

about what that means and and you know

66

00:02:45,110 --> 00:02:42,400

that that's something he

67

00:02:47,270 --> 00:02:45,120

you know wanted to do or wants to do

68

00:02:49,830 --> 00:02:47,280

uh what does that mean

69

00:02:53,270 --> 00:02:49,840

does that mean that he wants to

70

00:02:54,390 --> 00:02:53,280

get rid of you know ufo researchers

71

00:02:56,550 --> 00:02:54,400

whether it be

72

00:02:57,509 --> 00:02:56,560

myself or

73

00:03:00,710 --> 00:02:57,519

um

74

00:03:03,110 --> 00:03:00,720

you know richard dolan or

75

00:03:05,430 --> 00:03:03,120

the community in general

76

00:03:09,190 --> 00:03:05,440

well it's hard to say you know exactly

77

00:03:11,270 --> 00:03:09,200

what it means because i'm not him right

78

00:03:12,149 --> 00:03:11,280

but if i were to

79

00:03:14,309 --> 00:03:12,159

um

80

00:03:15,509 --> 00:03:14,319

make that statement this is what i would

81

00:03:17,589 --> 00:03:15,519

mean and

82

00:03:19,830 --> 00:03:17,599

what i would mean is is kind of what i

83

00:03:22,229 --> 00:03:19,840

was you know hinting at the description

84

00:03:24,710 --> 00:03:22,239

of of this video and kind of debating

85

00:03:25,509 --> 00:03:24,720

back and forth what i wanted to even

86

00:03:26,949 --> 00:03:25,519

call

87

00:03:29,190 --> 00:03:26,959

this video

88

00:03:31,190 --> 00:03:29,200

um

89

00:03:32,470 --> 00:03:31,200

and what i think it means is is the

90

00:03:34,789 --> 00:03:32,480

people who

91

00:03:36,470 --> 00:03:34,799

who benefit

92

00:03:37,830 --> 00:03:36,480

financially

93

00:03:39,509 --> 00:03:37,840

from garbage

94

00:03:41,190 --> 00:03:39,519

basically

95

00:03:42,630 --> 00:03:41,200

you know people

96

00:03:45,670 --> 00:03:42,640

who

97

00:03:47,430 --> 00:03:45,680

peddle false narratives

98

00:03:48,869 --> 00:03:47,440

fact as truth

99

00:03:50,949 --> 00:03:48,879

and you can think of a plethora of

100

00:03:52,309 --> 00:03:50,959

different people

101
00:03:54,710 --> 00:03:52,319
whether

102
00:03:58,470 --> 00:03:54,720
people are saying without a doubt that

103
00:04:02,149 --> 00:03:58,480
these entities or whatever the ufos are

104
00:04:05,589 --> 00:04:02,159
are innocent and positive

105
00:04:08,390 --> 00:04:05,599
you know and all loving and that's it

106
00:04:10,149 --> 00:04:08,400
or vice versa

107
00:04:15,589 --> 00:04:10,159
right

108
00:04:19,909 --> 00:04:18,229
or people who

109
00:04:22,069 --> 00:04:19,919
just swear up and down that they know

110
00:04:24,469 --> 00:04:22,079
what the ufos are that they're from zeta

111
00:04:26,950 --> 00:04:24,479
reticuli they came here

112
00:04:29,270 --> 00:04:26,960
on a mission to you know stop us from

113
00:04:32,230 --> 00:04:29,280

destroying ourselves with nuclear bombs

114

00:04:33,670 --> 00:04:32,240

which is things that we still hear

115

00:04:35,430 --> 00:04:33,680

but how do people know that you don't

116

00:04:37,030 --> 00:04:35,440

know that

117

00:04:38,870 --> 00:04:37,040

you can speculate

118

00:04:41,110 --> 00:04:38,880

right

119

00:04:43,270 --> 00:04:41,120

but i think when people talk about

120

00:04:46,070 --> 00:04:43,280

destroying you apology or at least lou

121

00:04:50,230 --> 00:04:46,080

does or if i am right now what i would

122

00:04:55,030 --> 00:04:51,189

right

123

00:04:57,030 --> 00:04:55,040

people who have built complete

124

00:04:59,110 --> 00:04:57,040

you know um

125

00:05:02,469 --> 00:04:59,120

economies

126
00:05:05,189 --> 00:05:02,479
off of ufos for themselves

127
00:05:06,950 --> 00:05:05,199
you know whether it be

128
00:05:09,510 --> 00:05:06,960
a show

129
00:05:11,830 --> 00:05:09,520
that they live off of

130
00:05:15,110 --> 00:05:11,840
whether it be

131
00:05:16,950 --> 00:05:15,120
uh book sales that they live off of or

132
00:05:19,670 --> 00:05:16,960
talks

133
00:05:21,270 --> 00:05:19,680
you know whatever it is

134
00:05:25,110 --> 00:05:21,280
now i think

135
00:05:28,870 --> 00:05:26,550
you know this kind of gets into the

136
00:05:30,390 --> 00:05:28,880
point of making money off of

137
00:05:33,270 --> 00:05:30,400
ufos right

138
00:05:35,029 --> 00:05:33,280

when is it okay when is it not okay

139

00:05:37,110 --> 00:05:35,039

right

140

00:05:39,110 --> 00:05:37,120

and i think there there is a fine line

141

00:05:42,710 --> 00:05:39,120

there

142

00:05:48,070 --> 00:05:45,110

if somebody

143

00:05:50,230 --> 00:05:48,080

makes money off of ufos

144

00:05:52,629 --> 00:05:50,240

and it's but it's like their hobby

145

00:05:54,710 --> 00:05:52,639

and maybe they have like a donation

146

00:05:57,270 --> 00:05:54,720

account people can donate to

147

00:06:00,390 --> 00:05:57,280

um but they do this once in a while

148

00:06:03,430 --> 00:06:00,400

and they don't peddle conspiracies or

149

00:06:05,590 --> 00:06:03,440

uh you know fake truth

150

00:06:09,189 --> 00:06:05,600

their goal is to maybe either find the

151

00:06:16,390 --> 00:06:09,199

truth or bring people to you that

152

00:06:22,150 --> 00:06:18,550

is it okay to make money

153

00:06:26,629 --> 00:06:22,160

and have a career off of

154

00:06:30,150 --> 00:06:28,230

well you would have to think the only

155

00:06:31,430 --> 00:06:30,160

way to make a career off of this with

156

00:06:36,390 --> 00:06:31,440

integrity

157

00:06:39,029 --> 00:06:36,400

is to avoid speculation as truth right

158

00:06:41,990 --> 00:06:39,039

and then if you're doing that

159

00:06:46,950 --> 00:06:42,000

you're profiting off of

160

00:06:51,430 --> 00:06:49,510

now maybe who could can people do that

161

00:06:55,990 --> 00:06:51,440

is that possible without sacrificing

162

00:07:01,350 --> 00:06:57,990

but it's also

163

00:07:01,360 --> 00:07:05,430

how many people can you think of

164

00:07:05,440 --> 00:07:09,510

that can stay true to their morals

165

00:07:14,710 --> 00:07:12,309

if a lot is like a bunch of money was

166

00:07:18,070 --> 00:07:14,720

involved for them to just maybe go off

167

00:07:22,870 --> 00:07:20,309

you know maybe you're trying to be

168

00:07:24,950 --> 00:07:22,880

honest but

169

00:07:27,430 --> 00:07:24,960

maybe your book publisher says hey just

170

00:07:29,749 --> 00:07:27,440

make a book about

171

00:07:34,870 --> 00:07:33,430

you know the grays are are real for sure

172

00:07:37,350 --> 00:07:34,880

and they're

173

00:07:38,710 --> 00:07:37,360

positive for sure and that's how it is

174

00:07:41,029 --> 00:07:38,720

and i know you don't know that but make

175

00:07:45,189 --> 00:07:41,039

a book about that and i'll give you you

176

00:07:47,350 --> 00:07:45,199

know whatever it is a million bucks

177

00:07:50,869 --> 00:07:47,360

what would they do

178

00:07:57,270 --> 00:07:54,309

money has a way of just influencing

179

00:07:58,710 --> 00:07:57,280

your decision-making

180

00:08:01,350 --> 00:07:58,720

you know whether you want to admit it or

181

00:08:04,710 --> 00:08:03,110

so what you know in the description i

182

00:08:05,990 --> 00:08:04,720

talked about

183

00:08:08,390 --> 00:08:06,000

who

184

00:08:15,589 --> 00:08:08,400

stands to lose

185

00:08:19,110 --> 00:08:17,029

people

186

00:08:21,990 --> 00:08:19,120

that lose

187

00:08:24,390 --> 00:08:22,000

are people that benefit

188

00:08:25,670 --> 00:08:24,400

off of the secrecy

189

00:08:27,270 --> 00:08:25,680

and that could be a lot of different

190

00:08:29,430 --> 00:08:27,280

people

191

00:08:31,909 --> 00:08:29,440

as long as the truth is muddy

192

00:08:35,990 --> 00:08:31,919

and we're not really exactly sure

193

00:08:37,750 --> 00:08:36,000

that's what allows ufology

194

00:08:41,110 --> 00:08:37,760

to come in

195

00:08:42,550 --> 00:08:41,120

and take advantage of people

196

00:08:43,909 --> 00:08:42,560

right

197

00:08:45,509 --> 00:08:43,919

the second

198

00:08:47,030 --> 00:08:45,519

there's truth and just to make this

199

00:08:49,910 --> 00:08:47,040

black and white

200

00:08:50,870 --> 00:08:49,920

for those reasons alone

201
00:08:52,230 --> 00:08:50,880
because

202
00:08:54,710 --> 00:08:52,240
you know obviously i don't think we can

203
00:08:56,550 --> 00:08:54,720
even do that with this topic

204
00:08:58,630 --> 00:08:56,560
because it's so complicated but let's

205
00:09:01,430 --> 00:08:58,640
just say

206
00:09:03,430 --> 00:09:01,440
and this is just

207
00:09:05,190 --> 00:09:03,440
for hypothetical purposes at all right

208
00:09:08,230 --> 00:09:05,200
because we don't know this but

209
00:09:09,990 --> 00:09:08,240
let's just say they're extraterrestrials

210
00:09:12,949 --> 00:09:10,000
and to just make it silly let's say

211
00:09:15,829 --> 00:09:14,550
the moon

212
00:09:18,949 --> 00:09:15,839
right

213
00:09:20,630 --> 00:09:18,959

and they're here

214

00:09:22,630 --> 00:09:20,640

and the government

215

00:09:24,150 --> 00:09:22,640

gives all the facts all the truth that

216

00:09:26,389 --> 00:09:24,160

you would want that that's the case

217

00:09:28,630 --> 00:09:26,399

right

218

00:09:31,350 --> 00:09:28,640

well all the people

219

00:09:34,389 --> 00:09:31,360

that wrote books on

220

00:09:36,470 --> 00:09:34,399

them being interdimensional or et's from

221

00:09:41,990 --> 00:09:36,480

say to reticuli or

222

00:09:44,150 --> 00:09:43,110

look like

223

00:09:45,910 --> 00:09:44,160

fools

224

00:09:48,310 --> 00:09:45,920

at least the ones that weren't clear

225

00:09:51,030 --> 00:09:48,320

about it being speculation

226
00:09:52,389 --> 00:09:51,040
right

227
00:09:54,870 --> 00:09:52,399
so

228
00:09:56,790 --> 00:09:54,880
now take this area we're in with uaps

229
00:09:58,070 --> 00:09:56,800
and how it's questionable what it is and

230
00:10:00,389 --> 00:09:58,080
nobody really

231
00:10:02,550 --> 00:10:00,399
really truly knows right

232
00:10:04,870 --> 00:10:02,560
now

233
00:10:06,870 --> 00:10:04,880
think about all the people that have

234
00:10:08,949 --> 00:10:06,880
written books or you know spread the

235
00:10:10,389 --> 00:10:08,959
gospel of their truth as far as what

236
00:10:12,389 --> 00:10:10,399
this is

237
00:10:13,509 --> 00:10:12,399
whether it be you know published papers

238
00:10:14,710 --> 00:10:13,519

books

239

00:10:16,069 --> 00:10:14,720

um

240

00:10:20,630 --> 00:10:16,079

a complete

241

00:10:25,590 --> 00:10:22,790

now think of what happens to them if the

242

00:10:27,670 --> 00:10:25,600

truth comes out and it's not what they

243

00:10:30,550 --> 00:10:27,680

have preached or written about

244

00:10:34,550 --> 00:10:30,560

with conviction like that

245

00:10:37,829 --> 00:10:37,030

all the people that profit off of

246

00:10:40,550 --> 00:10:37,839

uh

247

00:10:41,829 --> 00:10:40,560

writing about the secrecy or

248

00:10:44,790 --> 00:10:41,839

um

249

00:10:47,030 --> 00:10:44,800

you know like mj-12 or something

250

00:10:48,389 --> 00:10:47,040

and the conspiracies

251
00:10:51,829 --> 00:10:48,399
you know that might be true that might

252
00:10:56,150 --> 00:10:51,839
not be true we don't i don't know

253
00:11:01,110 --> 00:10:58,630
you know of of

254
00:11:03,910 --> 00:11:01,120
maybe making things up that look like

255
00:11:05,910 --> 00:11:03,920
what the wilson notes look like

256
00:11:08,389 --> 00:11:05,920
or other things

257
00:11:10,470 --> 00:11:08,399
just because it gets people emotionally

258
00:11:12,389 --> 00:11:10,480
invested and they can get viewers and

259
00:11:15,269 --> 00:11:12,399
make some money all those types of

260
00:11:18,150 --> 00:11:15,279
people lose

261
00:11:21,990 --> 00:11:18,160
with the truth of uaps

262
00:11:26,310 --> 00:11:24,550
you know and none of this is

263
00:11:28,870 --> 00:11:26,320

you know it's hard to i can't say what

264

00:11:30,870 --> 00:11:28,880

would really happen or what the what uap

265

00:11:32,630 --> 00:11:30,880

really is right so

266

00:11:34,230 --> 00:11:32,640

all this is

267

00:11:35,590 --> 00:11:34,240

you know more or less an opinion piece

268

00:11:37,750 --> 00:11:35,600

but i'm trying to

269

00:11:39,030 --> 00:11:37,760

you know provide examples of people that

270

00:11:41,509 --> 00:11:39,040

would lose

271

00:11:43,990 --> 00:11:41,519

with uap transparency other people that

272

00:11:47,269 --> 00:11:44,000

would lose people that couldn't elevate

273

00:11:50,230 --> 00:11:48,389

you know

274

00:11:52,710 --> 00:11:50,240

let's say this is all consciousness

275

00:11:54,870 --> 00:11:52,720

based you know and to learn more about

276

00:11:57,190 --> 00:11:54,880

it you have to learn more about

277

00:11:58,150 --> 00:11:57,200

meditation or elevating your train of

278

00:12:00,710 --> 00:11:58,160

thought

279

00:12:03,829 --> 00:12:00,720

um you know playing mental chess

280

00:12:06,150 --> 00:12:03,839

basically you know all the people

281

00:12:08,949 --> 00:12:06,160

now that are involved in the community

282

00:12:10,389 --> 00:12:08,959

that have a quite shallow

283

00:12:13,190 --> 00:12:10,399

pool

284

00:12:17,030 --> 00:12:13,200

of of what they do in the community like

285

00:12:20,069 --> 00:12:17,040

pretty much people who do ufo attainment

286

00:12:27,829 --> 00:12:23,269

because they won't be able to keep up

287

00:12:33,590 --> 00:12:31,030

you know all that stuff all that stuff

288

00:12:35,330 --> 00:12:33,600

all that stuff loses

289

00:12:36,550 --> 00:12:35,340

big corporations who

290

00:12:40,470 --> 00:12:36,560

[Music]

291

00:12:41,750 --> 00:12:40,480

have like a lot invested in secret

292

00:12:45,269 --> 00:12:41,760

technology

293

00:12:48,870 --> 00:12:45,279

drones or airplanes or whatever

294

00:12:51,430 --> 00:12:48,880

or satellite projects who benefit from

295

00:12:53,350 --> 00:12:51,440

maybe a uap sighting

296

00:12:55,910 --> 00:12:53,360

but it's really their

297

00:13:02,310 --> 00:12:55,920

technology

298

00:13:10,230 --> 00:13:04,710

a lot of people

299

00:13:14,389 --> 00:13:12,230

so i just think for me personally at

300

00:13:16,310 --> 00:13:14,399

least it's important for me to

301
00:13:18,470 --> 00:13:16,320
think about that and remember all the

302
00:13:20,949 --> 00:13:18,480
different things going on

303
00:13:25,269 --> 00:13:20,959
because that's kind of where you can

304
00:13:30,710 --> 00:13:28,150
i mean think of all the lifer ufologists

305
00:13:32,870 --> 00:13:30,720
that haven't really lifted a finger

306
00:13:36,470 --> 00:13:32,880
in the last four years for uap

307
00:13:40,710 --> 00:13:37,590
like

308
00:13:43,110 --> 00:13:40,720
40 year ufologists who have

309
00:13:45,350 --> 00:13:43,120
written many books and

310
00:13:48,710 --> 00:13:45,360
it's basically their life but

311
00:13:50,870 --> 00:13:48,720
in this last four year push or whatever

312
00:13:52,710 --> 00:13:50,880
for more transparency

313
00:13:55,110 --> 00:13:52,720

they haven't said a thing about it as

314

00:13:57,430 --> 00:13:55,120

far as

315

00:13:58,470 --> 00:13:57,440

you know helping any efforts posting

316

00:14:00,230 --> 00:13:58,480

about it

317

00:14:03,829 --> 00:14:00,240

or anything

318

00:14:06,389 --> 00:14:03,839

those people so you can kind of put two

319

00:14:11,269 --> 00:14:06,399

and two together there why aren't they

320

00:14:20,870 --> 00:14:13,509

maybe because they stand to lose with

321

00:14:25,990 --> 00:14:23,829

a couple good comments here

322

00:14:28,069 --> 00:14:26,000

joe says it's an old saying cheesy even

323

00:14:30,230 --> 00:14:28,079

but the truth will set you free better

324

00:14:32,069 --> 00:14:30,240

maybe without the truth there is no

325

00:14:33,030 --> 00:14:32,079

freedom

326
00:14:35,110 --> 00:14:33,040
yeah

327
00:14:37,990 --> 00:14:35,120
completely great comment

328
00:14:39,509 --> 00:14:38,000
robert says i think that some

329
00:14:40,949 --> 00:14:39,519
became so convinced that it would never

330
00:14:42,870 --> 00:14:40,959
come out they figured they could say

331
00:14:43,590 --> 00:14:42,880
whatever they want how would the public

332
00:14:46,389 --> 00:14:43,600
know

333
00:14:50,389 --> 00:14:46,399
that's exactly my point

334
00:14:53,990 --> 00:14:50,399
your um

335
00:14:55,829 --> 00:14:54,000
content is is endless

336
00:14:58,629 --> 00:14:55,839
right because anything you could think

337
00:15:00,389 --> 00:14:58,639
of for for these things to be is another

338
00:15:02,389 --> 00:15:00,399

book that could be written or a speech

339

00:15:04,870 --> 00:15:02,399

that could be put together for another

340

00:15:09,590 --> 00:15:04,880

tour of the country that you could do

341

00:15:09,600 --> 00:15:12,790

i mean

342

00:15:12,800 --> 00:15:16,629

it's kind of a never-ending

343

00:15:20,629 --> 00:15:19,350

tap of content

344

00:15:24,230 --> 00:15:20,639

when

345

00:15:26,949 --> 00:15:24,240

the details of ufology are hidden

346

00:15:27,910 --> 00:15:26,959

or ufos

347

00:15:29,910 --> 00:15:27,920

you know

348

00:15:31,350 --> 00:15:29,920

it just allows people to

349

00:15:32,870 --> 00:15:31,360

start coming in

350

00:15:34,470 --> 00:15:32,880

and doing whatever they want well not

351
00:15:35,670 --> 00:15:34,480
start because they happen for a long

352
00:15:37,509 --> 00:15:35,680
time right

353
00:15:38,949 --> 00:15:37,519
and that's why

354
00:15:41,590 --> 00:15:38,959
you know i'm not

355
00:15:44,389 --> 00:15:41,600
to be all sale of course you know

356
00:15:46,710 --> 00:15:44,399
um but that's why i hear and i i'll tell

357
00:15:48,710 --> 00:15:46,720
you that you gotta be careful

358
00:15:50,710 --> 00:15:48,720
who you give your money to or

359
00:15:52,790 --> 00:15:50,720
you know whoever you listen to or

360
00:15:54,790 --> 00:15:52,800
whatever that is

361
00:15:57,990 --> 00:15:54,800
so it's like

362
00:16:04,230 --> 00:16:00,870
you know an individual

363
00:16:10,710 --> 00:16:06,949

i guess has to lose the more i'll trust

364

00:16:14,389 --> 00:16:12,550

you know like let's say

365

00:16:16,470 --> 00:16:14,399

you know lou macy basically this whole

366

00:16:18,069 --> 00:16:16,480

time so he had that show right

367

00:16:20,230 --> 00:16:18,079

and at that time maybe you could make

368

00:16:21,829 --> 00:16:20,240

the point where well you know he's

369

00:16:22,870 --> 00:16:21,839

profiting off of this he has a show

370

00:16:25,030 --> 00:16:22,880

right

371

00:16:26,790 --> 00:16:25,040

now what is that about and you know he

372

00:16:29,509 --> 00:16:26,800

says he bought a lawnmower

373

00:16:31,030 --> 00:16:29,519

did we see the numbers no

374

00:16:32,069 --> 00:16:31,040

but i have no reason to not believe him

375

00:16:34,230 --> 00:16:32,079

right but

376

00:16:37,350 --> 00:16:34,240

years go by

377

00:16:39,670 --> 00:16:37,360

he hasn't done anything else

378

00:16:42,150 --> 00:16:39,680

he's still here

379

00:16:44,470 --> 00:16:42,160

doing all these interviews with

380

00:16:48,389 --> 00:16:44,480

tiny podcasts

381

00:16:51,590 --> 00:16:49,749

let's say the truth comes out what

382

00:16:55,749 --> 00:16:51,600

happens to him well guess what his

383

00:16:58,470 --> 00:16:55,759

financial situation doesn't change

384

00:17:00,069 --> 00:16:58,480

in fact his life gets better

385

00:17:04,069 --> 00:17:00,079

because a lot of work he was doing for

386

00:17:07,590 --> 00:17:04,079

free he now doesn't have to do

387

00:17:12,630 --> 00:17:09,590

i just got a book coming out so

388

00:17:14,230 --> 00:17:12,640

the thing you could ask is

389

00:17:18,230 --> 00:17:14,240

what's up with the book you know how

390

00:17:21,909 --> 00:17:18,240

much could you possibly gain from that

391

00:17:28,549 --> 00:17:23,510

but for years worth of work it's

392

00:17:28,559 --> 00:17:31,990

you know

393

00:17:36,070 --> 00:17:34,070

people an example who i wouldn't trust

394

00:17:38,710 --> 00:17:36,080

people that just constantly benefit in

395

00:17:41,990 --> 00:17:38,720

their whole life situation is around

396

00:17:44,390 --> 00:17:42,000

this topic because this topic isn't

397

00:17:45,750 --> 00:17:44,400

you know a fake topic

398

00:17:48,470 --> 00:17:45,760

made

399

00:17:51,430 --> 00:17:48,480

you know to be here for you to make an

400

00:17:52,950 --> 00:17:51,440

entertainment industry out of

401
00:17:55,510 --> 00:17:52,960
you know leave that to the big budget

402
00:17:57,990 --> 00:17:55,520
movie theaters or whatever

403
00:18:00,070 --> 00:17:58,000
but it's not here so you can come in and

404
00:18:01,909 --> 00:18:00,080
make a little niche for yourself to just

405
00:18:05,590 --> 00:18:01,919
benefit off of

406
00:18:08,549 --> 00:18:05,600
and set up a retirement fund

407
00:18:11,029 --> 00:18:08,559
and pay your mortgage or your rent you

408
00:18:13,590 --> 00:18:11,039
know that's not what this is here for

409
00:18:16,230 --> 00:18:13,600
this is a real life world situation and

410
00:18:18,870 --> 00:18:16,240
when you do create an atmosphere of

411
00:18:20,950 --> 00:18:18,880
monetary gain around this topic that

412
00:18:23,430 --> 00:18:20,960
means to me that you don't really take

413
00:18:26,390 --> 00:18:23,440

it that seriously and it is

414

00:18:29,750 --> 00:18:26,400
entertainment to you

415

00:18:33,750 --> 00:18:31,350
which

416

00:18:35,510 --> 00:18:33,760
you know fine how could it not be

417

00:18:39,029 --> 00:18:35,520
entertaining of course it's entertaining

418

00:18:43,990 --> 00:18:42,549
but to just you know

419

00:18:46,310 --> 00:18:44,000
it's it's so

420

00:18:52,789 --> 00:18:46,320
it's way too easy and lazy to just come

421

00:18:57,669 --> 00:18:56,070
just my thoughts on it

422

00:19:01,430 --> 00:18:57,679
people do

423

00:19:05,430 --> 00:19:04,310
in in this uh you know community or

424

00:19:06,789 --> 00:19:05,440
whatever

425

00:19:09,350 --> 00:19:06,799
um

426

00:19:11,590 --> 00:19:09,360

no one i talked to or anything but

427

00:19:15,110 --> 00:19:11,600

i'll watch their show

428

00:19:17,430 --> 00:19:15,120

and i'll see like 100 200 300 donations

429

00:19:20,710 --> 00:19:17,440

coming in right

430

00:19:23,669 --> 00:19:20,720

just crazy crazy money

431

00:19:26,230 --> 00:19:23,679

for a question somebody has

432

00:19:28,230 --> 00:19:26,240

that has no

433

00:19:30,549 --> 00:19:28,240

you know unfortunately for them

434

00:19:31,990 --> 00:19:30,559

one asked and answered we'll give

435

00:19:35,270 --> 00:19:32,000

nothing

436

00:19:38,549 --> 00:19:35,280

on moving this topic forward or uh

437

00:19:40,710 --> 00:19:38,559

revealing any crucial information or

438

00:19:43,190 --> 00:19:40,720

anything you know

439

00:19:45,990 --> 00:19:43,200

it's depressing

440

00:19:48,950 --> 00:19:46,000

but that money goes to the person

441

00:19:51,909 --> 00:19:48,960

so they can continue

442

00:19:54,150 --> 00:19:51,919

to do another show and get more money

443

00:19:57,430 --> 00:19:54,160

and to ask another question that won't

444

00:19:57,440 --> 00:20:01,510

you know

445

00:20:01,520 --> 00:20:04,070

so

446

00:20:10,630 --> 00:20:06,630

i just think it's and important to think

447

00:20:14,390 --> 00:20:12,710

you know

448

00:20:15,430 --> 00:20:14,400

i'll take the benjamins but i'm not

449

00:20:19,430 --> 00:20:15,440

gonna

450

00:20:23,830 --> 00:20:22,310

or take advantage of it

451
00:20:24,870 --> 00:20:23,840
you know by

452
00:20:26,070 --> 00:20:24,880
quitting

453
00:20:27,190 --> 00:20:26,080
what i do

454
00:20:29,350 --> 00:20:27,200
for money

455
00:20:30,390 --> 00:20:29,360
to do this

456
00:20:33,430 --> 00:20:30,400
you know

457
00:20:37,029 --> 00:20:33,440
if i did take money to just do this it

458
00:20:39,350 --> 00:20:37,039
wouldn't be from you it'd be from some

459
00:20:40,950 --> 00:20:39,360
corporate thing that can afford it and

460
00:20:44,789 --> 00:20:40,960
they would have to

461
00:20:48,470 --> 00:20:44,799
uh agree to my terms

462
00:20:49,910 --> 00:20:48,480
of truth you know bullcrap so in essence

463
00:20:53,270 --> 00:20:49,920

it's never going to happen

464

00:20:57,830 --> 00:20:53,280

[Laughter]

465

00:21:03,430 --> 00:21:00,470

in essence it would never happen

466

00:21:04,950 --> 00:21:03,440

um

467

00:21:06,789 --> 00:21:04,960

but you can see that because i'm here

468

00:21:08,789 --> 00:21:06,799

all the time

469

00:21:14,950 --> 00:21:08,799

and i really don't make a damn thing

470

00:21:19,510 --> 00:21:17,270

you know what what i get

471

00:21:25,190 --> 00:21:19,520

my benefit or my monetary gain from

472

00:21:29,669 --> 00:21:27,510

it's it's mutual well hopefully you guys

473

00:21:31,990 --> 00:21:29,679

enjoy the shows and what i'm able to

474

00:21:34,789 --> 00:21:32,000

show you in my point of view

475

00:21:36,950 --> 00:21:34,799

and as far as my end um

476
00:21:39,270 --> 00:21:36,960
i like

477
00:21:41,430 --> 00:21:39,280
not being as isolated as i probably

478
00:21:42,310 --> 00:21:41,440
would be otherwise you know

479
00:21:44,549 --> 00:21:42,320
and

480
00:21:51,510 --> 00:21:44,559
having an outlet for

481
00:21:55,350 --> 00:21:53,669
you know i put work into it i researched

482
00:21:56,830 --> 00:21:55,360
documents whatever

483
00:22:00,070 --> 00:21:56,840
and if i didn't

484
00:22:02,070 --> 00:22:00,080
have a place to

485
00:22:04,149 --> 00:22:02,080
to go and talk about them

486
00:22:05,830 --> 00:22:04,159
that would kind of suck

487
00:22:08,470 --> 00:22:05,840
because it's not like i got a

488
00:22:09,909 --> 00:22:08,480

ufo posse here where i am that i can

489

00:22:12,390 --> 00:22:09,919

just

490

00:22:14,549 --> 00:22:12,400

you know call and hang out and

491

00:22:16,630 --> 00:22:14,559

talk shop on

492

00:22:18,549 --> 00:22:16,640

blue bug crap you know

493

00:22:19,830 --> 00:22:18,559

doesn't happen

494

00:22:22,070 --> 00:22:19,840

so anyways

495

00:22:23,669 --> 00:22:22,080

you know i just wanted to uh

496

00:22:26,710 --> 00:22:23,679

kind of talk about that kind of stuff

497

00:22:27,909 --> 00:22:26,720

you know

498

00:22:29,990 --> 00:22:27,919

um

499

00:22:32,390 --> 00:22:30,000

it's not a fad

500

00:22:36,149 --> 00:22:32,400

it's not an industry i mean and these

501
00:22:41,990 --> 00:22:39,669
you know it has become

502
00:22:43,430 --> 00:22:42,000
unfortunately

503
00:22:45,830 --> 00:22:43,440
for a lot of people

504
00:22:46,950 --> 00:22:45,840
a fad in industry

505
00:22:50,070 --> 00:22:46,960
what's hot

506
00:22:55,750 --> 00:22:52,470
when i say it's not i mean it shouldn't

507
00:22:56,870 --> 00:22:55,760
be in in reality in all seriousness it's

508
00:23:00,070 --> 00:22:56,880
not

509
00:23:01,750 --> 00:23:00,080
a fad in industry

510
00:23:05,990 --> 00:23:01,760
you know

511
00:23:10,149 --> 00:23:06,000
a job a cult mentality a religion

512
00:23:14,390 --> 00:23:11,909
a couple good comments coming through

513
00:23:15,990 --> 00:23:14,400

jason even if the truth comes i feel

514

00:23:17,750 --> 00:23:16,000

there's always going to be people that

515

00:23:19,830 --> 00:23:17,760

want to create their own narrative for

516

00:23:22,710 --> 00:23:19,840

their benefit yeah look at many cult

517

00:23:24,789 --> 00:23:22,720

leaders in history sure that's true

518

00:23:26,390 --> 00:23:24,799

you know so that's not necessarily

519

00:23:27,990 --> 00:23:26,400

something that's going to go away with

520

00:23:31,990 --> 00:23:28,000

with transparency either that's a good

521

00:23:33,990 --> 00:23:32,000

point like um you know if

522

00:23:36,549 --> 00:23:34,000

like i always kind of relate what i

523

00:23:39,430 --> 00:23:36,559

think you're getting at like let's say

524

00:23:42,630 --> 00:23:39,440

the best of uap video comes out crystal

525

00:23:43,669 --> 00:23:42,640

clear perfect right

526

00:23:46,310 --> 00:23:43,679

and

527

00:23:47,909 --> 00:23:46,320

a lot every almost everybody wants that

528

00:23:49,430 --> 00:23:47,919

you know that's what it's all about to a

529

00:23:50,390 --> 00:23:49,440

lot of people this one's that next video

530

00:23:53,830 --> 00:23:50,400

coming out

531

00:23:55,029 --> 00:23:53,840

but how can you even

532

00:23:57,430 --> 00:23:55,039

you know you don't know until you're

533

00:23:58,789 --> 00:23:57,440

there i guess but with technology deep

534

00:24:01,830 --> 00:23:58,799

fake

535

00:24:05,110 --> 00:24:01,840

artificial intelligence you know cgi how

536

00:24:07,350 --> 00:24:05,120

do you how could you even trust that

537

00:24:09,269 --> 00:24:07,360

you know

538

00:24:13,590 --> 00:24:09,279

so many people want that for the truth

539

00:24:16,149 --> 00:24:13,600

but how is that going to really be truth

540

00:24:17,830 --> 00:24:16,159

you know maybe it is i don't know

541

00:24:19,110 --> 00:24:17,840

can't really say without seeing it but

542

00:24:22,470 --> 00:24:19,120

that's just

543

00:24:28,470 --> 00:24:24,310

you know so there's always going to be

544

00:24:34,950 --> 00:24:32,549

they come out and say it's ets from ours

545

00:24:37,350 --> 00:24:34,960

i think you know what jason's get to is

546

00:24:38,149 --> 00:24:37,360

people could still come up with a way to

547

00:24:38,950 --> 00:24:38,159

say

548

00:24:40,789 --> 00:24:38,960

that

549

00:24:41,750 --> 00:24:40,799

either they're lying about where they're

550

00:24:44,230 --> 00:24:41,760

from

551

00:24:45,669 --> 00:24:44,240

or you know their intentions there's

552

00:24:48,230 --> 00:24:45,679

always going to be some sort of wiggle

553

00:24:49,909 --> 00:24:48,240

room right so

554

00:24:53,750 --> 00:24:49,919

you know even

555

00:24:58,230 --> 00:24:55,110

it's still something that we're going to

556

00:24:59,830 --> 00:24:58,240

have to think about but i do feel like

557

00:25:02,149 --> 00:24:59,840

there's going to be a lot of people who

558

00:25:04,470 --> 00:25:02,159

still lose from that

559

00:25:06,630 --> 00:25:04,480

and and because of that may

560

00:25:10,230 --> 00:25:06,640

either not help now

561

00:25:18,070 --> 00:25:12,950

or even pretend to help

562

00:25:21,430 --> 00:25:19,430

you know

563

00:25:23,430 --> 00:25:21,440

i think a lot of people even pretend to

564

00:25:29,750 --> 00:25:23,440

help

565

00:25:29,760 --> 00:25:34,870

but

566

00:25:39,110 --> 00:25:37,110

what else we got here we got some other

567

00:25:41,350 --> 00:25:39,120

stuff

568

00:25:44,310 --> 00:25:41,360

no problem christian i appreciate your

569

00:25:48,070 --> 00:25:46,840

robert mj12 does not pay me

570

00:25:49,269 --> 00:25:48,080

[Music]

571

00:25:50,070 --> 00:25:49,279

nope

572

00:25:51,990 --> 00:25:50,080

no

573

00:25:54,149 --> 00:25:52,000

sir

574

00:25:55,909 --> 00:25:54,159

uh subsidized by

575

00:25:57,990 --> 00:25:55,919

the fossil fuels is

576
00:26:01,110 --> 00:25:58,000
okay

577
00:26:03,110 --> 00:26:01,120
nothing against that but

578
00:26:04,870 --> 00:26:03,120
don't really know what to say

579
00:26:06,549 --> 00:26:04,880
i really appreciate your historical deep

580
00:26:07,990 --> 00:26:06,559
dives how do you feel about lose saying

581
00:26:09,669 --> 00:26:08,000
that historical accounts are not

582
00:26:11,590 --> 00:26:09,679
important moving forward i feel like

583
00:26:14,149 --> 00:26:11,600
they're extremely important

584
00:26:14,950 --> 00:26:14,159
well i think um unintentionally that's a

585
00:26:20,230 --> 00:26:14,960
little

586
00:26:21,750 --> 00:26:20,240
think he says as far as historical

587
00:26:23,909 --> 00:26:21,760
accounts not

588
00:26:26,149 --> 00:26:23,919

being important first i think he said

589

00:26:27,830 --> 00:26:26,159

like it may be as important as current

590

00:26:30,390 --> 00:26:27,840

events right with witnesses that are

591

00:26:32,710 --> 00:26:30,400

still alive people you can still talk to

592

00:26:35,269 --> 00:26:32,720

you know data that's more fresh

593

00:26:38,549 --> 00:26:35,279

um you can't really argue with that

594

00:26:41,029 --> 00:26:38,559

um he also does say that

595

00:26:43,590 --> 00:26:41,039

either eventually or whatever you know

596

00:26:44,789 --> 00:26:43,600

incorporating that historical data for

597

00:26:47,110 --> 00:26:44,799

what would be

598

00:26:48,630 --> 00:26:47,120

really uh pattern finding and and

599

00:26:49,669 --> 00:26:48,640

whatnot right

600

00:26:50,950 --> 00:26:49,679

and

601
00:26:54,390 --> 00:26:50,960
i think

602
00:26:58,870 --> 00:26:54,400
accounts

603
00:27:02,149 --> 00:27:01,110
i think they're important

604
00:27:06,310 --> 00:27:02,159
for

605
00:27:11,830 --> 00:27:08,470
you know i that that's my leverage

606
00:27:14,149 --> 00:27:11,840
that's like my tool for for truth right

607
00:27:16,549 --> 00:27:14,159
and i'm not going to find the absolute

608
00:27:19,830 --> 00:27:16,559
truth with those historical documents

609
00:27:22,630 --> 00:27:19,840
but it's truth of the situation over the

610
00:27:23,909 --> 00:27:22,640
course of the years and and how uap is

611
00:27:25,909 --> 00:27:23,919
real

612
00:27:27,669 --> 00:27:25,919
and exists

613
00:27:29,190 --> 00:27:27,679

and there's things flying around in the

614

00:27:31,029 --> 00:27:29,200

skies that

615

00:27:32,149 --> 00:27:31,039

are unidentified and we don't have an

616

00:27:34,549 --> 00:27:32,159

answer for

617

00:27:36,470 --> 00:27:34,559

and with those historical accounts

618

00:27:38,470 --> 00:27:36,480

the thousands

619

00:27:40,389 --> 00:27:38,480

of uh

620

00:27:42,710 --> 00:27:40,399

attic or blue book or whatever you want

621

00:27:44,149 --> 00:27:42,720

to call it air force reports

622

00:27:45,190 --> 00:27:44,159

i have found that

623

00:27:46,950 --> 00:27:45,200

you know

624

00:27:49,029 --> 00:27:46,960

and it took a lot of work that was a lot

625

00:27:51,110 --> 00:27:49,039

of hard work reading through all those

626

00:27:53,669 --> 00:27:51,120

but i found the reality of that

627

00:27:55,830 --> 00:27:53,679

situation you know

628

00:27:58,310 --> 00:27:55,840

and that's so if i can bring like the

629

00:27:59,990 --> 00:27:58,320

best ones to prove examples

630

00:28:00,789 --> 00:28:00,000

uh to this show

631

00:28:02,630 --> 00:28:00,799

like

632

00:28:04,710 --> 00:28:02,640

that's why i think those are important

633

00:28:06,789 --> 00:28:04,720

and with the new new accounts let's say

634

00:28:08,710 --> 00:28:06,799

like the tick deck or whatever like

635

00:28:10,789 --> 00:28:08,720

those aren't accessible to me you know

636

00:28:13,029 --> 00:28:10,799

so there's an aspect of

637

00:28:15,510 --> 00:28:13,039

you got to work with what you got but as

638

00:28:16,470 --> 00:28:15,520

far as you know like

639

00:28:19,430 --> 00:28:16,480

um

640

00:28:20,310 --> 00:28:19,440

aoi msg or the uap task force or

641

00:28:21,350 --> 00:28:20,320

whatever

642

00:28:24,389 --> 00:28:21,360

you know what's going to be most

643

00:28:26,549 --> 00:28:24,399

beneficial for them is it can be

644

00:28:29,909 --> 00:28:26,559

you know going into historical documents

645

00:28:31,430 --> 00:28:29,919

maybe as an overall picture that that i

646

00:28:34,310 --> 00:28:31,440

personally think that'll definitely be

647

00:28:36,310 --> 00:28:34,320

important um but as far as

648

00:28:38,230 --> 00:28:36,320

like qap task force had six months to

649

00:28:39,350 --> 00:28:38,240

come up with a preliminary assessment

650

00:28:44,389 --> 00:28:39,360

it's probably not going to be a good

651
00:28:48,710 --> 00:28:46,389
that's my thoughts on it there

652
00:28:51,029 --> 00:28:48,720
um

653
00:28:52,710 --> 00:28:51,039
yeah don't forget

654
00:28:54,630 --> 00:28:52,720
another great comment here by robert

655
00:28:56,389 --> 00:28:54,640
he's crushing it

656
00:29:01,269 --> 00:28:56,399
you just remember to like

657
00:29:05,350 --> 00:29:03,110
so

658
00:29:06,789 --> 00:29:05,360
you know i think

659
00:29:08,470 --> 00:29:06,799
you know

660
00:29:10,389 --> 00:29:08,480
and i have this trouble a lot too i

661
00:29:13,350 --> 00:29:10,399
think

662
00:29:15,430 --> 00:29:13,360
i tend to try to make things um or

663
00:29:16,710 --> 00:29:15,440

not even try to make things black and

664

00:29:18,710 --> 00:29:16,720

white

665

00:29:20,870 --> 00:29:18,720

or cut and dry when you hear somebody

666

00:29:25,350 --> 00:29:20,880

say something or when i approach this

667

00:29:27,990 --> 00:29:25,360

topic and it just never works that way

668

00:29:31,269 --> 00:29:28,000

just never does you know

669

00:29:34,870 --> 00:29:33,110

you know that he was on a show recently

670

00:29:37,269 --> 00:29:34,880

lou actually was were

671

00:29:39,750 --> 00:29:37,279

um on ucr and i got to give it to him

672

00:29:41,669 --> 00:29:39,760

they had they had a great idea of of

673

00:29:43,990 --> 00:29:41,679

playing this game right and i've thought

674

00:29:45,190 --> 00:29:44,000

about doing a yes or no thing with lou

675

00:29:47,269 --> 00:29:45,200

but this was

676

00:29:49,590 --> 00:29:47,279

a little different book you know with

677

00:29:52,630 --> 00:29:49,600

the maybe thrown in there pretty much

678

00:29:53,590 --> 00:29:52,640

which was legit bs or move on for now

679

00:29:57,350 --> 00:29:53,600

right

680

00:29:59,669 --> 00:29:57,360

and a lot of topics were thrown in there

681

00:30:01,990 --> 00:29:59,679

which you know i could easily make

682

00:30:03,350 --> 00:30:02,000

assumptions why but i'm not going to

683

00:30:04,710 --> 00:30:03,360

but or

684

00:30:07,110 --> 00:30:04,720

like um

685

00:30:09,510 --> 00:30:07,120

you know alien abductions you know and

686

00:30:11,510 --> 00:30:09,520

they will move on

687

00:30:12,549 --> 00:30:11,520

for now

688

00:30:14,389 --> 00:30:12,559

right

689

00:30:17,510 --> 00:30:14,399

and lou threw that in there for now

690

00:30:20,389 --> 00:30:17,520

kettle mutilations move on for now right

691

00:30:22,470 --> 00:30:20,399

because if he just said move on

692

00:30:24,710 --> 00:30:22,480

so many people would use that and take

693

00:30:26,950 --> 00:30:24,720

it as i told you that wasn't

694

00:30:29,110 --> 00:30:26,960

real you know

695

00:30:31,350 --> 00:30:29,120

so and stuff just isn't that easy

696

00:30:32,870 --> 00:30:31,360

there's time and place i guess right and

697

00:30:35,029 --> 00:30:32,880

we just don't

698

00:30:37,590 --> 00:30:35,039

maybe those answers aren't really

699

00:30:39,430 --> 00:30:37,600

available right now either

700

00:30:40,789 --> 00:30:39,440

right but you don't want to say it's not

701
00:30:42,549 --> 00:30:40,799
real because you don't know and you

702
00:30:46,389 --> 00:30:42,559
don't want to say it is real because

703
00:30:51,750 --> 00:30:48,310
human hybrids that's an interesting

704
00:30:55,110 --> 00:30:51,760
topic to me

705
00:30:58,549 --> 00:30:55,120
john ramirez definitely

706
00:31:03,509 --> 00:30:58,559
is a guy a proponent of the

707
00:31:03,519 --> 00:31:06,870
you know that's

708
00:31:09,909 --> 00:31:08,470
you know it's one a human hybrs is one

709
00:31:12,549 --> 00:31:09,919
of those things where you just look at

710
00:31:14,549 --> 00:31:12,559
that and think alien human hybrid that

711
00:31:18,389 --> 00:31:14,559
is freaking wacky right

712
00:31:21,750 --> 00:31:18,399
but is there a situation where it's not

713
00:31:26,710 --> 00:31:23,830

you know the someone related it to me

714

00:31:28,549 --> 00:31:26,720

this way before like if you relate it to

715

00:31:30,549 --> 00:31:28,559

genesis right and

716

00:31:33,190 --> 00:31:30,559

adam and eve and

717

00:31:34,870 --> 00:31:33,200

um how did uh

718

00:31:36,549 --> 00:31:34,880

i figured it was how you create a div or

719

00:31:39,750 --> 00:31:36,559

atom or whatever but took the rib out of

720

00:31:42,149 --> 00:31:39,760

the one and created the other right like

721

00:31:44,230 --> 00:31:42,159

imagine

722

00:31:45,269 --> 00:31:44,240

that's

723

00:31:47,509 --> 00:31:45,279

kind of

724

00:31:51,509 --> 00:31:47,519

how human hybrids happened

725

00:31:55,509 --> 00:31:53,830

maybe it's something like that

726
00:31:59,029 --> 00:31:55,519
and if that's the case it really isn't

727
00:31:59,039 --> 00:32:04,389
you just don't know

728
00:32:07,990 --> 00:32:06,470
the word real is getting a big beating

729
00:32:09,110 --> 00:32:08,000
these days

730
00:32:12,470 --> 00:32:09,120
yeah

731
00:32:14,950 --> 00:32:12,480
for sure

732
00:32:17,430 --> 00:32:14,960
um so i don't know there's so many uh

733
00:32:18,870 --> 00:32:17,440
aspects of it that are just like what do

734
00:32:21,110 --> 00:32:18,880
you do with it you can't really do

735
00:32:24,070 --> 00:32:21,120
anything with it

736
00:32:26,070 --> 00:32:24,080
there's no yes there's no no

737
00:32:29,430 --> 00:32:26,080
and unless there's a way to get to

738
00:32:30,950 --> 00:32:29,440

either answer that's accessible

739

00:32:33,350 --> 00:32:30,960

you know

740

00:32:35,430 --> 00:32:33,360

to me i think what's the point

741

00:32:38,549 --> 00:32:35,440

but everybody's different i guess as

742

00:32:40,310 --> 00:32:38,559

long as you know you're speculating

743

00:32:41,990 --> 00:32:40,320

and you don't know

744

00:32:43,430 --> 00:32:42,000

and you can know maybe you could find

745

00:32:45,590 --> 00:32:43,440

out a way to figure it out and really

746

00:32:47,669 --> 00:32:45,600

know but

747

00:32:49,430 --> 00:32:47,679

don't cut the corners don't read

748

00:32:51,590 --> 00:32:49,440

somebody's book they're profiting off of

749

00:32:53,590 --> 00:32:51,600

don't you know you got to do it like a

750

00:32:55,430 --> 00:32:53,600

gary nolan style where you're doing lab

751
00:32:57,110 --> 00:32:55,440
tests you're getting samples

752
00:32:59,029 --> 00:32:57,120
you're getting peer reviewed all that

753
00:33:00,310 --> 00:32:59,039
kind of stuff you know

754
00:33:02,470 --> 00:33:00,320
i don't know about you guys but i'm not

755
00:33:04,549 --> 00:33:02,480
up for something like that

756
00:33:06,389 --> 00:33:04,559
i didn't even go to college man

757
00:33:08,710 --> 00:33:06,399
[h__\h]

758
00:33:10,950 --> 00:33:08,720
alien bases i think that was bs

759
00:33:12,070 --> 00:33:10,960
uh that was uh

760
00:33:15,029 --> 00:33:12,080
caves

761
00:33:17,269 --> 00:33:15,039
like underground or whatever

762
00:33:19,509 --> 00:33:17,279
which sucks me because man you know that

763
00:33:21,669 --> 00:33:19,519

phil schneider got that one finger blown

764

00:33:24,870 --> 00:33:21,679

off by the aliens underground

765

00:33:27,669 --> 00:33:24,880

probably seen that

766

00:33:29,669 --> 00:33:27,679

i believed the [h__h] out of that guy

767

00:33:31,509 --> 00:33:29,679

actually i didn't but he is very

768

00:33:33,590 --> 00:33:31,519

believable but phil schneider is a

769

00:33:36,630 --> 00:33:33,600

perfect example if you don't know who

770

00:33:38,870 --> 00:33:36,640

that is look him up phil schneider

771

00:33:42,149 --> 00:33:38,880

uh underground alien bases that is a

772

00:33:44,549 --> 00:33:42,159

perfect example of how when there is no

773

00:33:46,710 --> 00:33:44,559

truth people can just come in and make

774

00:33:47,990 --> 00:33:46,720

up the truth

775

00:33:49,909 --> 00:33:48,000

you know and if they bring enough

776

00:33:52,149 --> 00:33:49,919

conviction to it they'll fool enough

777

00:33:58,230 --> 00:33:52,159

people with it to profit enough off of

778

00:34:02,630 --> 00:34:00,230

which also sucks is when the real truth

779

00:34:04,549 --> 00:34:02,640

comes along

780

00:34:07,350 --> 00:34:04,559

which it's so cloudy that

781

00:34:09,990 --> 00:34:07,360

you know how do you believe it it's

782

00:34:13,990 --> 00:34:11,589

it's a great point christian we talked

783

00:34:17,510 --> 00:34:14,000

about this admiral inman

784

00:34:23,430 --> 00:34:18,950

had every

785

00:34:25,430 --> 00:34:24,100

in the government

786

00:34:29,349 --> 00:34:25,440

[Music]

787

00:34:34,710 --> 00:34:32,629

with a just a weak ass reasoning to

788

00:34:37,430 --> 00:34:34,720

which i just like can't stand the people

789

00:34:39,510 --> 00:34:37,440

that don't they feel like they can uh

790

00:34:42,069 --> 00:34:39,520

have the conversation or have an opinion

791

00:34:45,190 --> 00:34:42,079

without really doing any work and just

792

00:34:46,829 --> 00:34:45,200

throwing stuff out there you know

793

00:34:49,349 --> 00:34:46,839

that's not how it

794

00:34:51,909 --> 00:34:49,359

works i only talk

795

00:34:53,430 --> 00:34:51,919

manufactured uap technology transcend

796

00:34:56,389 --> 00:34:53,440

your math drop the circle below the

797

00:34:57,510 --> 00:34:56,399

electromagnet i

798

00:35:00,150 --> 00:34:57,520

cool

799

00:35:00,829 --> 00:35:00,160

i can't keep up with that

800

00:35:02,550 --> 00:35:00,839

but

801
00:35:07,910 --> 00:35:02,560
cool

802
00:35:13,349 --> 00:35:09,510
yeah what is your definition it's really

803
00:35:16,870 --> 00:35:15,190
you know that's

804
00:35:19,430 --> 00:35:16,880
hard to say i can tell you what i meant

805
00:35:21,510 --> 00:35:19,440
from that comment more so than what you

806
00:35:22,550 --> 00:35:21,520
know a real definition of trolling is i

807
00:35:24,950 --> 00:35:22,560
guess

808
00:35:26,390 --> 00:35:24,960
what i meant from that comment is

809
00:35:28,630 --> 00:35:26,400
you know i've seen

810
00:35:30,870 --> 00:35:28,640
like harassment basically

811
00:35:32,870 --> 00:35:30,880
online harassment like

812
00:35:36,150 --> 00:35:32,880
uh somebody who

813
00:35:37,430 --> 00:35:36,160

you know typically likes

814

00:35:39,750 --> 00:35:37,440

you know

815

00:35:43,510 --> 00:35:39,760

lou elizondo stuff or

816

00:35:45,829 --> 00:35:43,520

other uap stuff and is a believer and

817

00:35:48,630 --> 00:35:45,839

you know maybe calls congress does that

818

00:35:53,270 --> 00:35:48,640

kind of stuff but then they go after you

819

00:35:57,349 --> 00:35:55,270

like like a greenwald or something like

820

00:35:59,349 --> 00:35:57,359

that and make up

821

00:36:01,750 --> 00:35:59,359

an outlandish

822

00:36:05,030 --> 00:36:01,760

claim about them

823

00:36:07,030 --> 00:36:05,040

and get pretty nasty about it and harass

824

00:36:08,790 --> 00:36:07,040

them about it all the time you know like

825

00:36:13,910 --> 00:36:08,800

that

826

00:36:16,150 --> 00:36:13,920

to me and i hate seeing it

827

00:36:19,030 --> 00:36:16,160

and i don't

828

00:36:21,750 --> 00:36:19,040

you know i'll say it like um

829

00:36:26,710 --> 00:36:21,760

greenwald does great work

830

00:36:30,069 --> 00:36:28,310

and that's just how it is but i'm not

831

00:36:32,310 --> 00:36:30,079

gonna

832

00:36:33,670 --> 00:36:32,320

you know follow him around online and

833

00:36:36,390 --> 00:36:33,680

and just

834

00:36:37,910 --> 00:36:36,400

harass him all the time like it's not

835

00:36:39,510 --> 00:36:37,920

worth it

836

00:36:41,510 --> 00:36:39,520

you know and that's what people do to

837

00:36:43,829 --> 00:36:41,520

lou

838

00:36:44,870 --> 00:36:43,839

and that's what he complains about right

839

00:36:57,990 --> 00:36:44,880

so

840

00:37:00,790 --> 00:36:58,000

you know fight uh you gotta

841

00:37:02,790 --> 00:37:00,800

eye for an eye type of thing right

842

00:37:05,030 --> 00:37:02,800

but what that reminds me of is

843

00:37:07,030 --> 00:37:05,040

cnn versus fox right

844

00:37:09,349 --> 00:37:07,040

they're both making up outlandish stuff

845

00:37:11,510 --> 00:37:09,359

about each other

846

00:37:13,270 --> 00:37:11,520

you know and it sucks

847

00:37:15,589 --> 00:37:13,280

because you can't get like

848

00:37:18,069 --> 00:37:15,599

a true

849

00:37:19,349 --> 00:37:18,079

version of anything

850

00:37:21,670 --> 00:37:19,359

you know

851
00:37:24,550 --> 00:37:21,680
and that's in essence

852
00:37:27,510 --> 00:37:24,560
what will happen here

853
00:37:30,390 --> 00:37:27,520
you know we'll lose our our

854
00:37:32,630 --> 00:37:30,400
our middle ground our um

855
00:37:38,069 --> 00:37:32,640
our grounding

856
00:37:42,870 --> 00:37:40,470
and it's not always easy for sure i mean

857
00:37:46,069 --> 00:37:42,880
i'm definitely not perfect

858
00:37:48,829 --> 00:37:47,670
but i want to be better all the time

859
00:37:51,270 --> 00:37:48,839
with that stuff

860
00:37:54,230 --> 00:37:51,280
like because some people will push your

861
00:37:56,069 --> 00:37:54,240
buttons and some people do it on purpose

862
00:37:58,710 --> 00:37:56,079
you know and you'll react

863
00:37:59,730 --> 00:37:58,720

i've done that

864

00:38:00,950 --> 00:37:59,740

but it's one thing

865

00:38:02,950 --> 00:38:00,960

[Music]

866

00:38:05,510 --> 00:38:02,960

to think

867

00:38:08,310 --> 00:38:05,520

making a mistake is okay you know not

868

00:38:09,910 --> 00:38:08,320

realizing them it's it's a mistake

869

00:38:11,990 --> 00:38:09,920

continuing on with the process it's

870

00:38:14,950 --> 00:38:12,000

another thing knowing that maybe it was

871

00:38:17,190 --> 00:38:14,960

a mistake even if they deserved it

872

00:38:18,950 --> 00:38:17,200

knowing it's a mistake

873

00:38:19,990 --> 00:38:18,960

and and trying to be better next time

874

00:38:23,670 --> 00:38:20,000

around

875

00:38:28,310 --> 00:38:25,829

you know i went hard on somebody before

876

00:38:29,670 --> 00:38:28,320

because they were extremely rude to

877

00:38:33,349 --> 00:38:29,680

somebody

878

00:38:34,550 --> 00:38:33,359

like a like a guest or whatever and

879

00:39:01,190 --> 00:38:34,560

i

880

00:39:03,910 --> 00:39:02,230

so

881

00:39:06,390 --> 00:39:03,920

yeah i mean it's a good comment laura

882

00:39:08,230 --> 00:39:06,400

even when we don't agree we can we can

883

00:39:11,270 --> 00:39:08,240

still be civil i think

884

00:39:13,670 --> 00:39:11,280

there can be arguments right and and

885

00:39:16,310 --> 00:39:13,680

fight so to speak but it has to

886

00:39:19,910 --> 00:39:16,320

be a you know civil

887

00:39:24,150 --> 00:39:21,589

i hate bringing up the guy's name but

888

00:39:26,630 --> 00:39:24,160

you know mick west and somebody else

889

00:39:30,230 --> 00:39:26,640

go back and forth

890

00:39:31,670 --> 00:39:30,240

on the gimbal video now this is way past

891

00:39:33,670 --> 00:39:31,680

you know how much time has passed since

892

00:39:36,150 --> 00:39:33,680

that video came out and the points that

893

00:39:37,910 --> 00:39:36,160

came out like oh my god i'm so sick of

894

00:39:39,910 --> 00:39:37,920

it

895

00:39:42,390 --> 00:39:39,920

right

896

00:39:44,390 --> 00:39:42,400

but just like using it as an example

897

00:39:45,990 --> 00:39:44,400

mcquest tries to debunk it

898

00:39:48,310 --> 00:39:46,000

comes up with this little program and

899

00:39:49,349 --> 00:39:48,320

everything and this other guy

900

00:39:51,430 --> 00:39:49,359

uh

901
00:39:52,950 --> 00:39:51,440
you know comes back with

902
00:39:54,950 --> 00:39:52,960
you know scientific facts from the

903
00:39:58,710 --> 00:39:54,960
patent holder and how it could not be

904
00:40:02,710 --> 00:40:00,069
you know when you figure out the truth

905
00:40:04,150 --> 00:40:02,720
unfortunately you know it seems like

906
00:40:06,870 --> 00:40:04,160
midwest

907
00:40:10,230 --> 00:40:08,870
be you know i can't really say i guess

908
00:40:11,990 --> 00:40:10,240
because i'm not smart enough to keep up

909
00:40:14,630 --> 00:40:12,000
with where that conversation is at to be

910
00:40:16,550 --> 00:40:14,640
quite frank with you but um sometimes it

911
00:40:19,030 --> 00:40:16,560
seems like he's not very authentic with

912
00:40:19,990 --> 00:40:19,040
his uh arguments and is just

913
00:40:21,430 --> 00:40:20,000

trying to

914

00:40:22,829 --> 00:40:21,440

keep it going for the sake of keep it

915

00:40:25,750 --> 00:40:22,839

going

916

00:40:27,430 --> 00:40:25,760

but but let's take somebody who is

917

00:40:30,309 --> 00:40:27,440

honest in their arguments like that's

918

00:40:35,109 --> 00:40:32,790

not um

919

00:40:38,790 --> 00:40:35,119

you know trying to find

920

00:40:40,710 --> 00:40:38,800

some post from somebody in a different

921

00:40:42,390 --> 00:40:40,720

social media era

922

00:40:44,069 --> 00:40:42,400

area that

923

00:40:45,990 --> 00:40:44,079

probably wasn't even that person but

924

00:40:48,150 --> 00:40:46,000

could be that person and they mentioned

925

00:40:50,790 --> 00:40:48,160

something about

926

00:40:50,800 --> 00:40:57,270

mega and now they're a racist

927

00:41:01,589 --> 00:40:59,670

you know just stuff like that

928

00:41:04,710 --> 00:41:01,599

and i don't have anything specific for

929

00:41:09,109 --> 00:41:07,030

you know because i'm not keeping tabs on

930

00:41:11,270 --> 00:41:09,119

it and writing it down but

931

00:41:13,190 --> 00:41:11,280

you know i've been seeing some stuff

932

00:41:14,150 --> 00:41:13,200

that i don't even want to repeat like

933

00:41:16,870 --> 00:41:14,160

some

934

00:41:19,270 --> 00:41:16,880

uh just like nasty graphics

935

00:41:21,270 --> 00:41:19,280

that i i don't even want to say what it

936

00:41:23,270 --> 00:41:21,280

was you know because

937

00:41:25,670 --> 00:41:23,280

it's just downright stupid

938

00:41:27,349 --> 00:41:25,680

and i don't care who the person is like

939

00:41:29,430 --> 00:41:27,359

that's not cool

940

00:41:32,710 --> 00:41:29,440

you know block the guy mute the guy

941

00:41:34,950 --> 00:41:32,720

argue with him on a

942

00:41:36,550 --> 00:41:34,960

you know on a solid ground have an

943

00:41:38,470 --> 00:41:36,560

honest argument fine

944

00:41:41,190 --> 00:41:38,480

but doing that is just

945

00:41:46,069 --> 00:41:43,349

no thanks so

946

00:41:47,349 --> 00:41:46,079

uh kind of talked a lot

947

00:41:48,790 --> 00:41:47,359

so

948

00:41:51,750 --> 00:41:48,800

um

949

00:41:54,550 --> 00:41:51,760

without bringing too much so

950

00:41:56,150 --> 00:41:54,560

like uh documents or anything

951
00:41:59,109 --> 00:41:56,160
but i hope you guys like this video and

952
00:42:01,270 --> 00:41:59,119
stuff i got a couple things um that i

953
00:42:04,790 --> 00:42:01,280
wanted to show you right i did say uap

954
00:42:06,550 --> 00:42:04,800
news and one was brought to you

955
00:42:06,830 --> 00:42:06,560
by twitter this is pretty cool this is

956
00:42:07,990 --> 00:42:06,840
um

957
00:42:11,990 --> 00:42:08,000
[Music]

958
00:42:14,829 --> 00:42:12,000
uh out of france so this alien juliet

959
00:42:17,589 --> 00:42:14,839
a former member of the g

960
00:42:19,829 --> 00:42:17,599
dgse which is france's external

961
00:42:21,270 --> 00:42:19,839
intelligence agency this is pulled from

962
00:42:23,670 --> 00:42:21,280
his website he knows how to

963
00:42:26,069 --> 00:42:23,680

differentiate between the real uh threat

964

00:42:27,670 --> 00:42:26,079

and the threat as manipulation so why am

965

00:42:30,390 --> 00:42:27,680

i bringing this up because he's

966

00:42:32,710 --> 00:42:30,400

partaking in a documentary on ufos

967

00:42:33,910 --> 00:42:32,720

there's a short kind of question and

968

00:42:37,670 --> 00:42:33,920

answer

969

00:42:39,910 --> 00:42:37,680

here which i think is pretty interesting

970

00:42:41,670 --> 00:42:39,920

they asked him is this the first time

971

00:42:44,790 --> 00:42:41,680

he's spoken publicly on the subject of

972

00:42:46,470 --> 00:42:44,800

ufos he said yes i participated in a

973

00:42:48,069 --> 00:42:46,480

meeting of aeronautical enthusiasts

974

00:42:49,990 --> 00:42:48,079

where the problem of unidentified

975

00:42:51,430 --> 00:42:50,000

objects has been raised i was in a room

976

00:42:53,430 --> 00:42:51,440

and answered a few questions but i've

977

00:42:54,710 --> 00:42:53,440

never intervened on the subject publicly

978

00:42:57,589 --> 00:42:54,720

it was after an interview with the

979

00:42:59,270 --> 00:42:57,599

director dominique that we tackled this

980

00:43:00,550 --> 00:42:59,280

theme he asked me two or three questions

981

00:43:02,230 --> 00:43:00,560

and said i'm interested in this i'm

982

00:43:03,829 --> 00:43:02,240

preparing something this is how it

983

00:43:05,589 --> 00:43:03,839

happened

984

00:43:07,589 --> 00:43:05,599

so then he talks about this which is

985

00:43:09,109 --> 00:43:07,599

very interesting because it kind of

986

00:43:12,069 --> 00:43:09,119

piggybacks off of what we were just

987

00:43:13,430 --> 00:43:12,079

talking about with the tic tac and stuff

988

00:43:15,270 --> 00:43:13,440

um

989

00:43:16,870 --> 00:43:15,280

in the particular field of ufos not to

990

00:43:18,390 --> 00:43:16,880

mention people who seeing a flying

991

00:43:20,550 --> 00:43:18,400

saucer landing in a field they're

992

00:43:22,470 --> 00:43:20,560

fighter pilots astronauts

993

00:43:25,270 --> 00:43:22,480

people who are anything but funny and

994

00:43:27,270 --> 00:43:25,280

report very precise observations we must

995

00:43:29,190 --> 00:43:27,280

not say it that they are nonsense but

996

00:43:33,510 --> 00:43:29,200

just recognize

997

00:43:36,390 --> 00:43:33,520

that there are things that escape us

998

00:43:36,400 --> 00:43:39,670

you know

999

00:43:45,430 --> 00:43:41,510

this is a little bit longer i think you

1000

00:43:51,109 --> 00:43:48,230

but basically i just wanted to show

1001

00:43:55,589 --> 00:43:53,750

because it's another

1002

00:43:58,870 --> 00:43:55,599

example of how

1003

00:44:00,470 --> 00:43:58,880

uap transparency is coming for you

1004

00:44:04,870 --> 00:44:00,480

no matter what

1005

00:44:08,470 --> 00:44:06,710

getting into quantum phys quantum

1006

00:44:10,069 --> 00:44:08,480

physics here which is awesome which

1007

00:44:12,150 --> 00:44:10,079

oscillates that two separate points can

1008

00:44:14,390 --> 00:44:12,160

be the same

1009

00:44:16,390 --> 00:44:14,400

which is uh i believe i don't know if

1010

00:44:19,589 --> 00:44:16,400

that's kind of like a

1011

00:44:21,510 --> 00:44:19,599

resonance or entanglement but it seems

1012

00:44:23,109 --> 00:44:21,520

inconceivable to us but from there we

1013

00:44:25,430 --> 00:44:23,119

can go very far and

1014

00:44:30,150 --> 00:44:25,440

tell the possible existence of parallel

1015

00:44:32,470 --> 00:44:30,160

worlds crazy so now this is speculation

1016

00:44:34,230 --> 00:44:32,480

it piques my interest

1017

00:44:38,710 --> 00:44:34,240

especially when it's you know somebody

1018

00:44:43,270 --> 00:44:38,720

of such notoriety but this is why it's

1019

00:44:45,589 --> 00:44:43,280

a important to get transparency and b

1020

00:44:47,670 --> 00:44:45,599

to go after this topic because of the

1021

00:44:50,870 --> 00:44:47,680

possibilities

1022

00:44:55,670 --> 00:44:53,910

something like that can you imagine that

1023

00:44:57,589 --> 00:44:55,680

parallel worlds

1024

00:45:01,910 --> 00:44:57,599

i've had a sighting i've experienced it

1025

00:45:05,910 --> 00:45:03,990

and i wish i had a truth that i could

1026

00:45:08,230 --> 00:45:05,920

latch onto and

1027

00:45:11,670 --> 00:45:08,240

tell you about and tell you

1028

00:45:14,150 --> 00:45:11,680

how real it is and why i think the

1029

00:45:15,910 --> 00:45:14,160

experience means this or that i wish i

1030

00:45:19,990 --> 00:45:15,920

could

1031

00:45:22,230 --> 00:45:20,370

um

1032

00:45:24,550 --> 00:45:22,240

[Music]

1033

00:45:26,390 --> 00:45:24,560

what i just showed you was just like a

1034

00:45:28,230 --> 00:45:26,400

clip from

1035

00:45:30,950 --> 00:45:28,240

uh

1036

00:45:32,550 --> 00:45:30,960

twitter but what i can't do is i made it

1037

00:45:34,790 --> 00:45:32,560

like in a

1038

00:45:36,550 --> 00:45:34,800

lara is asking for uh what i was just

1039

00:45:40,150 --> 00:45:36,560

sharing

1040

00:45:44,829 --> 00:45:43,589

share the google link thing that i made

1041

00:45:47,750 --> 00:45:44,839

for

1042

00:45:50,950 --> 00:45:47,760

it because honestly i don't know where

1043

00:45:55,670 --> 00:45:53,030

because i just grabbed it off of

1044

00:46:01,430 --> 00:45:55,680

somebody uh

1045

00:46:04,470 --> 00:46:02,390

so

1046

00:46:05,990 --> 00:46:04,480

here it is if you want to read the whole

1047

00:46:08,069 --> 00:46:06,000

thing you can just click on that like

1048

00:46:12,710 --> 00:46:08,079

you should be able to

1049

00:46:18,630 --> 00:46:15,990

so yeah uh there's another interesting

1050

00:46:22,390 --> 00:46:18,640

document that i'll share with you as

1051
00:46:25,510 --> 00:46:22,400
well that actually uh lou shared today

1052
00:46:27,270 --> 00:46:25,520
which i thought was very

1053
00:46:29,030 --> 00:46:27,280
uh very interesting at first when i saw

1054
00:46:31,589 --> 00:46:29,040
it i was i was kind of blown away then i

1055
00:46:32,710 --> 00:46:31,599
realized it wasn't actually

1056
00:46:34,790 --> 00:46:32,720
from

1057
00:46:37,270 --> 00:46:34,800
our government or anything but

1058
00:46:40,950 --> 00:46:37,280
but it is a great uh

1059
00:46:47,030 --> 00:46:40,960
synopsis on the preliminary

1060
00:46:51,510 --> 00:46:48,950
and if you have time that's that's a

1061
00:46:56,630 --> 00:46:51,520
pretty neat thing to go through

1062
00:46:56,640 --> 00:46:59,589
because

1063
00:47:08,150 --> 00:47:03,270

it is worth it

1064

00:47:11,270 --> 00:47:09,750

and i'll kind of just show you what i

1065

00:47:14,470 --> 00:47:11,280

was talking about by bringing it up

1066

00:47:19,829 --> 00:47:16,309

so we get a little time left here do

1067

00:47:19,839 --> 00:47:22,150

so

1068

00:47:27,190 --> 00:47:25,349

there you go

1069

00:47:29,349 --> 00:47:27,200

so i'm going to bring this out

1070

00:47:31,750 --> 00:47:29,359

apparently it's on spacetec global uap

1071

00:47:34,790 --> 00:47:31,760

they did like a little um kind of

1072

00:47:36,150 --> 00:47:34,800

in-depth uh analysis

1073

00:47:37,910 --> 00:47:36,160

um of the

1074

00:47:41,510 --> 00:47:37,920

preliminary report apparently i don't

1075

00:47:44,549 --> 00:47:41,520

know how depth in depth he can really go

1076

00:47:46,230 --> 00:47:44,559

but it's worth looking through

1077

00:47:51,430 --> 00:47:46,240

and i only say that because you know we

1078

00:47:55,990 --> 00:47:52,470

but you know you can read it for

1079

00:47:57,670 --> 00:47:56,000

yourself see what you think um

1080

00:48:00,309 --> 00:47:57,680

it's pretty interesting publication of

1081

00:48:01,829 --> 00:48:00,319

this report is going to cause increased

1082

00:48:03,510 --> 00:48:01,839

attention they're just

1083

00:48:05,270 --> 00:48:03,520

introduction

1084

00:48:06,710 --> 00:48:05,280

on the preliminary assessment

1085

00:48:09,109 --> 00:48:06,720

publication of the report is going to

1086

00:48:10,870 --> 00:48:09,119

cause increased attention to the uap all

1087

00:48:12,150 --> 00:48:10,880

over the world additionally researchers

1088

00:48:13,349 --> 00:48:12,160

who have studied and addressed these

1089

00:48:15,670 --> 00:48:13,359

issues will now

1090

00:48:18,069 --> 00:48:15,680

be now destigmatized their scientific

1091

00:48:19,910 --> 00:48:18,079

works are expected to be more frequently

1092

00:48:21,430 --> 00:48:19,920

highlighted there is possibility for

1093

00:48:23,430 --> 00:48:21,440

them to receive certain acknowledgements

1094

00:48:26,790 --> 00:48:23,440

and become opinion makers in this area

1095

00:48:29,109 --> 00:48:26,800

the pre-limits assessment uap report is

1096

00:48:31,510 --> 00:48:29,119

a phenomenon itself which is going to

1097

00:48:33,030 --> 00:48:31,520

become a trigger for follow-up

1098

00:48:35,829 --> 00:48:33,040

acknowledgement of uap and other

1099

00:48:38,390 --> 00:48:35,839

countries besides the us

1100

00:48:39,990 --> 00:48:38,400

uh consequently a number of new reports

1101
00:48:41,670 --> 00:48:40,000
provided by these countries within the

1102
00:48:43,670 --> 00:48:41,680
next two years are expected to appear

1103
00:48:45,750 --> 00:48:43,680
now that's exciting

1104
00:48:49,349 --> 00:48:45,760
right

1105
00:48:51,270 --> 00:48:49,359
to see where that goes

1106
00:48:56,470 --> 00:48:51,280
this is pretty interesting breakdown

1107
00:48:56,480 --> 00:49:02,309
this could be

1108
00:49:07,430 --> 00:49:04,470
um too accurate as far as what the

1109
00:49:09,270 --> 00:49:07,440
reality is versus uh just sightings

1110
00:49:11,270 --> 00:49:09,280
right

1111
00:49:15,349 --> 00:49:11,280
uh interesting those are a lot of

1112
00:49:18,710 --> 00:49:16,870
again

1113
00:49:21,510 --> 00:49:18,720

you know i just don't know how accurate

1114

00:49:23,829 --> 00:49:21,520

these these could be because just so

1115

00:49:26,950 --> 00:49:23,839

many people don't report it

1116

00:49:32,309 --> 00:49:26,960

i didn't report mine like my big one

1117

00:49:37,030 --> 00:49:34,230

you know because it was a internal

1118

00:49:38,549 --> 00:49:37,040

battle of even

1119

00:49:40,309 --> 00:49:38,559

you know

1120

00:49:42,829 --> 00:49:40,319

knowing how to digest something like

1121

00:49:48,150 --> 00:49:45,670

so if i was a pilot though

1122

00:49:50,470 --> 00:49:48,160

now with how the world is i think i

1123

00:49:55,430 --> 00:49:53,589

spaghetti what's up bro

1124

00:50:00,200 --> 00:49:55,440

there is clearly

1125

00:50:03,829 --> 00:50:01,270

[Music]

1126
00:50:05,270 --> 00:50:03,839
don't believe it

1127
00:50:06,950 --> 00:50:05,280
that's all we got

1128
00:50:09,270 --> 00:50:06,960
144

1129
00:50:12,870 --> 00:50:09,280
only identified one is a balloon

1130
00:50:16,069 --> 00:50:14,470
no yeah there's definitely a more

1131
00:50:17,990 --> 00:50:16,079
in-depth report hopefully we can get

1132
00:50:19,750 --> 00:50:18,000
that or see it

1133
00:50:22,069 --> 00:50:19,760
one day

1134
00:50:23,109 --> 00:50:22,079
um here is where we kind of switch it up

1135
00:50:25,270 --> 00:50:23,119
a little bit

1136
00:50:27,030 --> 00:50:25,280
and we're this is pretty interesting

1137
00:50:28,150 --> 00:50:27,040
because the clip i'm going to play here

1138
00:50:29,670 --> 00:50:28,160

is

1139

00:50:31,670 --> 00:50:29,680

um a

1140

00:50:35,030 --> 00:50:31,680

blue book it's a blue book recording

1141

00:50:37,349 --> 00:50:35,040

it's a interview of police officer

1142

00:50:41,430 --> 00:50:37,359

uh bf taylor

1143

00:50:44,309 --> 00:50:41,440

and a radio manager dennis krueger um

1144

00:50:46,230 --> 00:50:44,319

this took place in tillamook oregon

1145

00:50:49,270 --> 00:50:46,240

march 19

1146

00:50:52,870 --> 00:50:51,190

so i'm gonna pull that up i think it's

1147

00:50:57,750 --> 00:50:52,880

pretty interesting

1148

00:51:00,710 --> 00:50:59,190

um

1149

00:51:01,990 --> 00:51:00,720

if you don't

1150

00:51:15,190 --> 00:51:02,000

i can't help you

1151
00:51:20,230 --> 00:51:17,990
the city police gave all the up there

1152
00:51:22,870 --> 00:51:20,240
i was on patrol saturday night at

1153
00:51:26,549 --> 00:51:22,880
approximately eight o'clock i followed a

1154
00:51:27,990 --> 00:51:26,559
car north of town to smith point

1155
00:51:30,069 --> 00:51:28,000
and there's a little turn out there and

1156
00:51:32,069 --> 00:51:30,079
i went to turn around and as i turned i

1157
00:51:34,309 --> 00:51:32,079
thought i seen a spotlight

1158
00:51:35,910 --> 00:51:34,319
or a large floodlight over the channel

1159
00:51:37,990 --> 00:51:35,920
and i thought it was unusual for someone

1160
00:51:40,069 --> 00:51:38,000
to be coming in that time of night

1161
00:51:42,230 --> 00:51:40,079
so i backed off the highway

1162
00:51:44,069 --> 00:51:42,240
and then i could see the blinking a

1163
00:51:46,549 --> 00:51:44,079

regular range light

1164

00:51:48,069 --> 00:51:46,559

on the whistling buoy out there was

1165

00:51:49,349 --> 00:51:48,079

below it

1166

00:51:51,190 --> 00:51:49,359

and i would say

1167

00:51:53,030 --> 00:51:51,200

the other one looked to be about 30 or

1168

00:51:55,109 --> 00:51:53,040

40 feet above that

1169

00:51:56,390 --> 00:51:55,119

just at that range which is about two

1170

00:51:58,549 --> 00:51:56,400

miles

1171

00:52:00,630 --> 00:51:58,559

then it started moving south and when i

1172

00:52:02,230 --> 00:52:00,640

seen the first of the stainless steel

1173

00:52:04,069 --> 00:52:02,240

and then started moving south and it

1174

00:52:05,030 --> 00:52:04,079

came to bite inch kinslow point which is

1175

00:52:07,109 --> 00:52:05,040

just a

1176

00:52:08,790 --> 00:52:07,119

little hump in the sand dunes out there

1177

00:52:10,870 --> 00:52:08,800

we call the point

1178

00:52:12,870 --> 00:52:10,880

uh it disappeared for just a little bit

1179

00:52:13,910 --> 00:52:12,880

and it was about just under the top of

1180

00:52:18,950 --> 00:52:13,920

it

1181

00:52:21,510 --> 00:52:18,960

uh potential point on cape mears

1182

00:52:23,829 --> 00:52:21,520

and then as it went on down it went

1183

00:52:27,190 --> 00:52:23,839

around cape mears i would say just about

1184

00:52:29,430 --> 00:52:27,200

even with the top of the of cape mirrors

1185

00:52:30,950 --> 00:52:29,440

and then i thought well some plane

1186

00:52:33,190 --> 00:52:30,960

looking for something

1187

00:52:35,190 --> 00:52:33,200

i drove back to town

1188

00:52:36,309 --> 00:52:35,200

and i'd been in town approximately 15

1189

00:52:38,470 --> 00:52:36,319

minutes

1190

00:52:40,790 --> 00:52:38,480

and officer jacobus stopped and asked me

1191

00:52:42,870 --> 00:52:40,800

if i'd seen any crazy lights and i said

1192

00:52:44,390 --> 00:52:42,880

i did it but i did

1193

00:52:47,109 --> 00:52:44,400

so then i went with him back to this

1194

00:52:49,829 --> 00:52:47,119

same point and while we're sitting there

1195

00:52:51,589 --> 00:52:49,839

they radioed from evidently from down

1196

00:52:53,589 --> 00:52:51,599

towards meat arts it was heading back

1197

00:52:55,430 --> 00:52:53,599

north and then here it came but that

1198

00:52:57,510 --> 00:52:55,440

time it was

1199

00:52:59,670 --> 00:52:57,520

quite high i'd say in the neighborhood

1200

00:53:01,670 --> 00:52:59,680

five or six thousand feet

1201
00:53:03,430 --> 00:53:01,680
and traveling quite a little bit faster

1202
00:53:04,710 --> 00:53:03,440
and then when they got almost even with

1203
00:53:06,150 --> 00:53:04,720
us we jumped the car and drove to

1204
00:53:08,390 --> 00:53:06,160
rockaway

1205
00:53:11,349 --> 00:53:08,400
but when we got out on the beach there

1206
00:53:13,349 --> 00:53:11,359
we uh we thought we'd sing it once but

1207
00:53:14,549 --> 00:53:13,359
if we did it we real them

1208
00:53:18,069 --> 00:53:14,559
and that would have been in a

1209
00:53:20,069 --> 00:53:18,079
northwestly position at that time

1210
00:53:22,470 --> 00:53:20,079
but the color

1211
00:53:24,390 --> 00:53:22,480
when i first seen it was a kind of a

1212
00:53:27,349 --> 00:53:24,400
greenish hue

1213
00:53:29,270 --> 00:53:27,359

i couldn't distinct any two colors to it

1214

00:53:31,270 --> 00:53:29,280

but as i watched it then i couldn't tell

1215

00:53:33,589 --> 00:53:31,280

whether it was flashing or just kind of

1216

00:53:35,349 --> 00:53:33,599

dimming down and then picking up

1217

00:53:37,430 --> 00:53:35,359

pretty regular but it had to be a kind

1218

00:53:38,309 --> 00:53:37,440

of a green issue but i wear dark glasses

1219

00:53:41,109 --> 00:53:38,319

so

1220

00:53:43,910 --> 00:53:41,119

all right my name is dennis krueger

1221

00:53:45,990 --> 00:53:43,920

and i was working i was on duty at ktl

1222

00:53:48,390 --> 00:53:46,000

at the time

1223

00:53:51,990 --> 00:53:48,400

and uh i had a phone call at around

1224

00:53:53,190 --> 00:53:52,000

between 10 15 and 10 16 p.m

1225

00:53:55,109 --> 00:53:53,200

and uh

1226

00:53:57,670 --> 00:53:55,119

these people said that they

1227

00:54:00,710 --> 00:53:57,680

believed they cena

1228

00:54:02,950 --> 00:54:00,720

what uh they believed was a ufo

1229

00:54:05,829 --> 00:54:02,960

which would be uh approximately south

1230

00:54:08,390 --> 00:54:05,839

from ktl so i told them hang on a sec

1231

00:54:10,870 --> 00:54:08,400

and i ran outside and

1232

00:54:12,470 --> 00:54:10,880

i thought you know we get a few calls

1233

00:54:13,990 --> 00:54:12,480

like this every once in a while and so

1234

00:54:14,630 --> 00:54:14,000

we'll check him out and go out and look

1235

00:54:17,510 --> 00:54:14,640

and

1236

00:54:20,230 --> 00:54:17,520

if i see anything fine i'll call a boss

1237

00:54:23,270 --> 00:54:20,240

which let him worry about things yeah

1238

00:54:24,470 --> 00:54:23,280

so i ran outside and i seen this light

1239

00:54:26,150 --> 00:54:24,480

in the sky

1240

00:54:27,190 --> 00:54:26,160

and as he described it to me over the

1241

00:54:29,349 --> 00:54:27,200

phone

1242

00:54:30,950 --> 00:54:29,359

he said that it was a white light inside

1243

00:54:33,190 --> 00:54:30,960

of a green ring

1244

00:54:35,829 --> 00:54:33,200

so when i went out i probably had this

1245

00:54:38,950 --> 00:54:35,839

in mind when i went outside

1246

00:54:41,190 --> 00:54:38,960

and that's what i believe i saw so i ran

1247

00:54:42,870 --> 00:54:41,200

inside and i told him uh if you would

1248

00:54:45,030 --> 00:54:42,880

like to hang on a sec i'd like to call

1249

00:54:47,589 --> 00:54:45,040

my boss because we had just been talking

1250

00:54:49,589 --> 00:54:47,599

about this the night before so i

1251
00:54:51,510 --> 00:54:49,599
he said he'd hang on so i called bob

1252
00:54:55,750 --> 00:54:51,520
douglas and

1253
00:54:58,549 --> 00:54:55,760
i'd call the sheriff's department and

1254
00:54:59,990 --> 00:54:58,559
then they sent their deputy out here

1255
00:55:02,069 --> 00:55:00,000
and we washed it

1256
00:55:03,750 --> 00:55:02,079
for uh

1257
00:55:06,230 --> 00:55:03,760
at least an hour

1258
00:55:07,990 --> 00:55:06,240
if not over because the last time we had

1259
00:55:10,309 --> 00:55:08,000
seen it my wife and i she was sitting

1260
00:55:11,589 --> 00:55:10,319
inside and in this room where were

1261
00:55:12,950 --> 00:55:11,599
sitting watching it out through the

1262
00:55:15,829 --> 00:55:12,960
window with the lights

1263
00:55:17,910 --> 00:55:15,839

shut off and uh fog definitely was what

1264

00:55:20,309 --> 00:55:17,920

uh i was screwed our vision but it was

1265

00:55:22,870 --> 00:55:20,319

at 11 27 because i marked the time

1266

00:55:24,710 --> 00:55:22,880

exactly you couldn't distinguish any

1267

00:55:31,829 --> 00:55:24,720

shape at all or i couldn't

1268

00:55:36,470 --> 00:55:33,589

pretty interesting stuff for sure we got

1269

00:55:38,309 --> 00:55:36,480

a cop and a radio guy which is kind of

1270

00:55:40,230 --> 00:55:38,319

uh two

1271

00:55:41,589 --> 00:55:40,240

different ends of the spectrum right a

1272

00:55:42,950 --> 00:55:41,599

cop everybody's

1273

00:55:44,789 --> 00:55:42,960

you know is going to believe the cop

1274

00:55:47,190 --> 00:55:44,799

right because it's a cop

1275

00:55:50,069 --> 00:55:47,200

whether they should or not

1276

00:55:52,870 --> 00:55:50,079

you know um

1277

00:55:54,630 --> 00:55:52,880

and the other aspect is a radio guy is

1278

00:55:55,670 --> 00:55:54,640

he just in it for the publicity or

1279

00:55:58,230 --> 00:55:55,680

whatever but

1280

00:55:59,109 --> 00:55:58,240

um you can listen you can listen to them

1281

00:55:59,990 --> 00:55:59,119

and

1282

00:56:03,270 --> 00:56:00,000

they're

1283

00:56:05,190 --> 00:56:03,280

pretty

1284

00:56:08,470 --> 00:56:05,200

convicted

1285

00:56:13,430 --> 00:56:10,549

tell a lot about people by just the way

1286

00:56:16,390 --> 00:56:13,440

they talk right and we're so easily

1287

00:56:18,870 --> 00:56:16,400

dismissive of witness testimony like you

1288

00:56:20,230 --> 00:56:18,880

listen to fravor or um

1289

00:56:21,589 --> 00:56:20,240

i don't know if you've seen that recent

1290

00:56:22,549 --> 00:56:21,599

clip

1291

00:56:24,630 --> 00:56:22,559

of

1292

00:56:26,390 --> 00:56:24,640

how man the name escapes me but he was

1293

00:56:28,069 --> 00:56:26,400

another witness who's

1294

00:56:30,470 --> 00:56:28,079

just completely shaken and talked about

1295

00:56:32,950 --> 00:56:30,480

how his life has changed

1296

00:56:35,109 --> 00:56:32,960

uh kevin day actually

1297

00:56:36,390 --> 00:56:35,119

how his life has changed how he's

1298

00:56:38,789 --> 00:56:36,400

changed

1299

00:56:39,990 --> 00:56:38,799

as a person because of his sighting and

1300

00:56:40,950 --> 00:56:40,000

you can tell

1301

00:56:43,670 --> 00:56:40,960

you know

1302

00:56:46,230 --> 00:56:43,680

that guy's not making stuff up like

1303

00:56:51,430 --> 00:56:46,240

he's definitely changed

1304

00:56:54,230 --> 00:56:52,549

it

1305

00:56:56,390 --> 00:56:54,240

only

1306

00:56:57,430 --> 00:56:56,400

it doesn't work but if there's any

1307

00:56:59,589 --> 00:56:57,440

chance

1308

00:57:04,309 --> 00:56:59,599

of it working at all in you know a

1309

00:57:09,670 --> 00:57:05,990

you have to disregard the witness

1310

00:57:10,710 --> 00:57:09,680

testimony because if you don't

1311

00:57:12,870 --> 00:57:10,720

it's

1312

00:57:14,630 --> 00:57:12,880

way too intense

1313

00:57:17,190 --> 00:57:14,640

you know

1314

00:57:19,750 --> 00:57:17,200

like if they were that good of actors

1315

00:57:21,829 --> 00:57:19,760

trust me they they wouldn't be

1316

00:57:23,589 --> 00:57:21,839

in this uap game they'd be winning

1317

00:57:25,349 --> 00:57:23,599

oscars

1318

00:57:26,950 --> 00:57:25,359

you know

1319

00:57:32,150 --> 00:57:26,960

they'd be getting paid a lot of money to

1320

00:57:37,990 --> 00:57:33,910

so

1321

00:57:43,910 --> 00:57:40,870

and that's you know a while back i got

1322

00:57:48,309 --> 00:57:43,920

pretty irritated on twitter with someone

1323

00:57:50,870 --> 00:57:49,349

you know sh

1324

00:57:52,950 --> 00:57:50,880

she didn't claim to know what it was

1325

00:57:55,589 --> 00:57:52,960

she's just talking about what she you

1326

00:57:57,270 --> 00:57:55,599

know she saw and what happened

1327

00:57:58,710 --> 00:57:57,280

and

1328

00:58:00,549 --> 00:57:58,720

you know she

1329

00:58:03,109 --> 00:58:00,559

volunteered her life basically for our

1330

00:58:05,510 --> 00:58:03,119

country in this happy tour and she comes

1331

00:58:08,069 --> 00:58:05,520

out and people just give her crap like

1332

00:58:10,230 --> 00:58:08,079

those people aren't patriots you know of

1333

00:58:11,910 --> 00:58:10,240

the truth

1334

00:58:13,750 --> 00:58:11,920

you know

1335

00:58:16,789 --> 00:58:13,760

and frankly i think people like that

1336

00:58:19,510 --> 00:58:16,799

should be ashamed of themselves you know

1337

00:58:24,390 --> 00:58:19,520

for for treating patriots like that

1338

00:58:28,150 --> 00:58:26,069

you know because they're not trying to

1339

00:58:30,710 --> 00:58:28,160

write a book and sell you it

1340

00:58:33,030 --> 00:58:30,720

they're not making up what it is to have

1341

00:58:35,030 --> 00:58:33,040

you believe a certain thing they're just

1342

00:58:36,549 --> 00:58:35,040

telling you what happened

1343

00:58:40,069 --> 00:58:36,559

and if you listen to them if you know

1344

00:58:41,990 --> 00:58:40,079

anything about people

1345

00:58:43,910 --> 00:58:42,000

you know they're just telling the story

1346

00:58:45,750 --> 00:58:43,920

how it is and how it went for them and

1347

00:58:48,789 --> 00:58:45,760

that's it

1348

00:58:53,270 --> 00:58:50,950

all right the last thing we do

1349

00:58:55,270 --> 00:58:53,280

that we always do

1350

00:58:58,810 --> 00:58:55,280

is

1351
00:59:11,510 --> 00:58:58,820
a little uh segment we call

1352
00:59:15,829 --> 00:59:13,349
it's called what the heck is that

1353
00:59:19,030 --> 00:59:15,839
where we watch

1354
00:59:21,349 --> 00:59:19,040
ufo videos online and ask ourselves what

1355
00:59:24,309 --> 00:59:21,359
the heck is that

1356
00:59:27,510 --> 00:59:24,319
to be honest maybe mostly of them are

1357
00:59:29,589 --> 00:59:27,520
our old sister prozac i have no idea

1358
00:59:31,430 --> 00:59:29,599
but even if we catch one that's real and

1359
00:59:33,670 --> 00:59:31,440
we don't even know it it's probably

1360
00:59:36,789 --> 00:59:33,680
worth it

1361
00:59:39,750 --> 00:59:36,799
um which yesterday uh the last video a

1362
00:59:41,910 --> 00:59:39,760
couple days ago i think are probably

1363
00:59:43,910 --> 00:59:41,920

had some of

1364

00:59:47,270 --> 00:59:43,920

the best chance

1365

00:59:50,549 --> 00:59:47,280

videos for being real uaps that

1366

00:59:54,710 --> 00:59:52,069

today i don't know this is kind of going

1367

01:00:36,230 --> 00:59:54,720

to be a hodgepodge of different ones

1368

01:00:38,630 --> 01:00:37,190

hey

1369

01:00:40,789 --> 01:00:38,640

maybe

1370

01:00:43,510 --> 01:00:40,799

you know

1371

01:00:51,109 --> 01:00:43,520

who knows like it went by so fast let's

1372

01:00:54,870 --> 01:00:52,309

how did sell

1373

01:00:58,069 --> 01:00:54,880

who knows pretty interesting though

1374

01:01:03,030 --> 01:01:00,150

is darpa

1375

01:01:07,270 --> 01:01:03,040

uh this is actually

1376

01:01:13,030 --> 01:01:11,270

hypersonic uh test vehicle

1377

01:01:15,829 --> 01:01:13,040

that they did like 10 years ago which is

1378

01:01:19,589 --> 01:01:17,589

so which is interesting because you look

1379

01:01:21,430 --> 01:01:19,599

at this and they were working on like

1380

01:01:23,510 --> 01:01:21,440

hypersonic stuff

1381

01:01:25,430 --> 01:01:23,520

like at least 10 years ago if not more

1382

01:01:28,150 --> 01:01:25,440

and you think we don't have something

1383

01:01:30,470 --> 01:01:28,160

i'm sure we have something

1384

01:01:34,630 --> 01:01:30,480

we just don't know about it so but i'll

1385

01:01:38,390 --> 01:01:36,470

in probes

1386

01:01:41,829 --> 01:01:38,400

sorry i'm just skipping through these um

1387

01:01:53,030 --> 01:01:44,930

almond air force base

1388

01:01:57,990 --> 01:01:55,910

shutters can only be operated manually

1389

01:02:00,150 --> 01:01:58,000

and um it's kind of cool to think that

1390

01:02:02,309 --> 01:02:00,160

you know there is this shaft that is

1391

01:02:03,750 --> 01:02:02,319

pretty interesting sort of through the

1392

01:02:06,150 --> 01:02:03,760

structure the other side is in outer

1393

01:02:09,349 --> 01:02:06,160

space it feels cold but the regular

1394

01:02:10,870 --> 01:02:09,359

metal cold not really really cold

1395

01:02:12,309 --> 01:02:10,880

and again when you get close to

1396

01:02:14,150 --> 01:02:12,319

structure you want to be careful not to

1397

01:02:16,789 --> 01:02:14,160

hit real hard

1398

01:02:18,309 --> 01:02:16,799

so this is it it's uh it's pretty simple

1399

01:02:20,150 --> 01:02:18,319

i'm european astronaut samantha

1400

01:02:22,150 --> 01:02:20,160

christopher on the international space

1401

01:03:02,150 --> 01:02:22,160

station and you are getting smarter

1402

01:03:07,670 --> 01:03:05,349

see i just don't know like

1403

01:03:11,270 --> 01:03:07,680

that's interesting it says nasa but how

1404

01:03:16,390 --> 01:03:12,710

i mean

1405

01:03:18,390 --> 01:03:16,400

does this on mars

1406

01:03:22,630 --> 01:03:18,400

of course it's weird

1407

01:03:38,069 --> 01:03:30,630

not sure

1408

01:03:42,870 --> 01:03:40,390

i can't even get it on my [h__h] camera

1409

01:03:45,430 --> 01:03:42,880

hey no swearing kid

1410

01:03:50,549 --> 01:03:48,470

oh my god what the hell is that

1411

01:03:55,750 --> 01:03:50,559

oh my god

1412

01:03:59,450 --> 01:03:55,760

oh [h__h]

1413

01:04:10,309 --> 01:04:02,690

[Music]

1414

01:04:10,319 --> 01:04:14,460

is

1415

01:04:14,470 --> 01:04:23,750

[Music]

1416

01:04:27,270 --> 01:04:25,510

oh my god i've never seen something like

1417

01:04:28,870 --> 01:04:27,280

that before you see the hell on the

1418

01:04:29,910 --> 01:04:28,880

spaceship

1419

01:04:31,349 --> 01:04:29,920

inside

1420

01:04:35,580 --> 01:04:31,359

oh my god look at this [h__h] on the

1421

01:04:58,870 --> 01:04:50,560

[Music]

1422

01:05:02,549 --> 01:05:01,349

oh my god

1423

01:05:06,069 --> 01:05:02,559

yes

1424

01:05:08,150 --> 01:05:06,079

oh my god oh my god that's crazy

1425

01:05:15,430 --> 01:05:08,160

hold i can't oh my god my camera's not

1426

01:05:21,190 --> 01:05:18,710

this one i've seen before

1427

01:05:25,190 --> 01:05:23,349

the orb and the chemtrail or cloud or

1428

01:05:28,069 --> 01:05:25,200

whatever it's

1429

01:05:29,910 --> 01:05:28,079

it's okay i guess

1430

01:05:34,069 --> 01:05:29,920

dissipation of the contrail suggests

1431

01:05:34,829 --> 01:05:34,079

possible energy field around the object

1432

01:05:36,789 --> 01:05:34,839

yeah

1433

01:05:41,910 --> 01:05:36,799

possible

1434

01:05:54,069 --> 01:05:43,430

doesn't really move

1435

01:05:54,079 --> 01:05:58,150

apparently there's

1436

01:05:58,160 --> 01:06:04,630

something that comes

1437

01:06:04,640 --> 01:06:11,270

so it's not what we see right now

1438

01:06:17,109 --> 01:06:13,109

because that's obviously like a rocket

1439

01:06:21,670 --> 01:06:19,670

but we'll see it coming up here there it

1440

01:06:23,910 --> 01:06:21,680

is there's some things

1441

01:06:38,870 --> 01:06:23,920

looks like a triangle the sound just hit

1442

01:06:38,880 --> 01:06:44,630

it's pretty weird

1443

01:06:44,640 --> 01:06:48,390

wow that is beautiful

1444

01:06:48,400 --> 01:06:51,990

see i wonder what he's talking about the

1445

01:06:52,000 --> 01:07:00,870

the rocket or the triangle

1446

01:07:05,510 --> 01:07:03,750

because totally was he oblivious to what

1447

01:07:07,190 --> 01:07:05,520

just happened there there's a triangle

1448

01:07:08,789 --> 01:07:07,200

ufo bro

1449

01:07:09,510 --> 01:07:08,799

man

1450

01:07:11,750 --> 01:07:09,520

so

1451
01:07:13,680 --> 01:07:11,760
that was today's

1452
01:07:21,320 --> 01:07:13,690
segment

1453
01:07:21,330 --> 01:07:26,950
[Music]

1454
01:07:30,069 --> 01:07:28,549
i don't know i think we asked that

1455
01:07:30,950 --> 01:07:30,079
question a lot today what the heck is

1456
01:07:34,950 --> 01:07:30,960
that

1457
01:07:36,710 --> 01:07:34,960
though unfortunately

1458
01:07:37,670 --> 01:07:36,720
um but we did see some interesting

1459
01:07:40,549 --> 01:07:37,680
things

1460
01:07:43,109 --> 01:07:40,559
i've got a hot tip here from christian

1461
01:07:45,029 --> 01:07:43,119
um about sts-81

1462
01:07:47,589 --> 01:07:45,039
i'm not sure

1463
01:07:49,190 --> 01:07:47,599

if we have

1464

01:07:50,549 --> 01:07:49,200

um

1465

01:07:52,660 --> 01:07:50,559

seen that because we watched a couple

1466

01:07:53,910 --> 01:07:52,670

sds uh ones the other day

1467

01:07:58,309 --> 01:07:53,920

[Music]

1468

01:07:58,319 --> 01:08:03,029

if we saw that one or not

1469

01:08:07,750 --> 01:08:06,470

but those are pretty

1470

01:08:09,750 --> 01:08:07,760

you know they're pretty convincing

1471

01:08:12,470 --> 01:08:09,760

really to be quite honest with you if if

1472

01:08:15,109 --> 01:08:12,480

they're good ones um

1473

01:08:16,950 --> 01:08:15,119

i don't know if you guys have seen the

1474

01:08:19,349 --> 01:08:16,960

tether incident

1475

01:08:21,189 --> 01:08:19,359

and i know a lot of people have uh what

1476

01:08:23,189 --> 01:08:21,199

they want to say about that

1477

01:08:24,789 --> 01:08:23,199

that video but to me

1478

01:08:26,550 --> 01:08:24,799

i have some thoughts on it that i'm

1479

01:08:27,990 --> 01:08:26,560

going to reserve

1480

01:08:29,590 --> 01:08:28,000

for the right time because i have other

1481

01:08:34,309 --> 01:08:29,600

things that i'm going to bring to the

1482

01:08:37,430 --> 01:08:35,590

but um

1483

01:08:41,269 --> 01:08:37,440

yeah so we'll wait for that when i'm

1484

01:08:45,110 --> 01:08:42,550

yeah see

1485

01:08:47,990 --> 01:08:45,120

grant's got the point

1486

01:08:52,070 --> 01:08:48,000

no idea what any of those were right

1487

01:08:55,910 --> 01:08:53,590

that's the point

1488

01:08:57,990 --> 01:08:55,920

uh thanks for joining grant by the way

1489

01:09:00,309 --> 01:08:58,000

on this sunday

1490

01:09:01,990 --> 01:09:00,319

um yeah we got a lot of people here late

1491

01:09:04,470 --> 01:09:02,000

in the game but that's so cool that's

1492

01:09:06,789 --> 01:09:04,480

okay i'm getting ready to

1493

01:09:07,990 --> 01:09:06,799

uh take off though that is the end of

1494

01:09:10,070 --> 01:09:08,000

the episode

1495

01:09:14,149 --> 01:09:10,080

so i hope you go back and watch from the

1496

01:09:17,030 --> 01:09:15,349

um

1497

01:09:19,590 --> 01:09:17,040

but yeah so

1498

01:09:23,910 --> 01:09:19,600

i will see you next time

1499

01:09:27,669 --> 01:09:26,309

what we could do

1500

01:09:29,110 --> 01:09:27,679

is

1501
01:09:31,030 --> 01:09:29,120
we'll go out

1502
01:09:32,709 --> 01:09:31,040
in style

1503
01:09:35,269 --> 01:09:32,719
you know to celebrate what the heck is

1504
01:09:36,950 --> 01:09:35,279
that

1505
01:09:38,470 --> 01:09:36,960
we're gonna go i made this video a while

1506
01:09:40,550 --> 01:09:38,480
ago some of you have been with me for a

1507
01:09:42,309 --> 01:09:40,560
while i might have seen it already but i

1508
01:09:45,269 --> 01:09:42,319
made a music video

1509
01:09:47,990 --> 01:09:45,279
that incorporates two

1510
01:09:49,829 --> 01:09:48,000
sightings of videos that i have that are

1511
01:09:51,349 --> 01:09:49,839
pretty interesting

1512
01:09:52,149 --> 01:09:51,359
um for sure

1513
01:09:54,229 --> 01:09:52,159

so

1514

01:09:55,350 --> 01:09:54,239

we'll go out on that note

1515

01:09:57,350 --> 01:09:55,360

peace out

1516

01:10:09,990 --> 01:09:57,360

love you guys thanks for hanging out and

1517

01:10:20,310 --> 01:10:11,430

wow

1518

01:10:27,630 --> 01:10:20,320

[Music]

1519

01:10:27,640 --> 01:10:31,910

more than

1520

01:10:43,430 --> 01:10:36,010

we can't touch lightning

1521

01:10:50,750 --> 01:10:47,690

we can do something

1522

01:10:55,030 --> 01:10:50,760

[Music]

1523

01:11:10,250 --> 01:10:58,400

we can't touch lightning

1524

01:11:13,430 --> 01:11:10,260

[Music]

1525

01:11:15,430 --> 01:11:13,440

[Laughter]

1526

01:11:17,510 --> 01:11:15,440

yes i believe in what you haven't seen

1527

01:11:19,750 --> 01:11:17,520

for weeks at a time around so much it

1528

01:11:23,830 --> 01:11:19,760

was i've seen a video with a cell phone

1529

01:11:28,229 --> 01:11:25,830

phenomenal at the start but don't over

1530

01:11:33,110 --> 01:11:28,239

back the cut i swear i got something but

1531

01:11:37,910 --> 01:11:35,910

great catch i thought it was an asteroid

1532

01:11:39,830 --> 01:11:37,920

like a baseball player on steroids

1533

01:11:41,350 --> 01:11:39,840

filmed on a camera with no tape to

1534

01:11:43,990 --> 01:11:41,360

handle

1535

01:11:46,950 --> 01:11:44,000

split in the middle

1536

01:11:49,030 --> 01:11:46,960

and you say any cuts were little

1537

01:11:55,920 --> 01:11:49,040

well you know who you are you lost the

1538

01:11:55,930 --> 01:12:28,950

[Music]

1539

01:12:33,830 --> 01:12:31,110

thanks for the love but if it's not

1540

01:12:37,510 --> 01:12:33,840

taking me above

1541

01:12:41,990 --> 01:12:37,520

it'll last as long as this song

1542

01:12:45,990 --> 01:12:44,310

no exit from the bed or worse and i can

1543

01:12:47,750 --> 01:12:46,000

see you now

1544

01:12:49,430 --> 01:12:47,760

there's something wrong with how you

1545

01:12:51,030 --> 01:12:49,440

lived and now the dark prince told you

1546

01:12:53,110 --> 01:12:51,040

life but you can get it back with some

1547

01:12:54,390 --> 01:12:53,120

tack it's up to you but lighter is my

1548

01:12:56,229 --> 01:12:54,400

back i know it's different but i'll

1549

01:12:57,750 --> 01:12:56,239

never retract

1550

01:12:59,110 --> 01:12:57,760

i know it's different but i'll never

1551
01:13:00,950 --> 01:12:59,120
retract

1552
01:13:04,750 --> 01:13:00,960
i know it's different but i'll never

1553
01:13:18,390 --> 01:13:16,630
[Music]

1554
01:13:26,070 --> 01:13:18,400
like

1555
01:13:39,910 --> 01:13:30,360
we can do something

1556
01:13:42,070 --> 01:13:39,920
[Music]

1557
01:13:46,880 --> 01:13:42,080
like me

1558
01:14:03,910 --> 01:13:53,189
[Music]

1559
01:14:24,550 --> 01:14:05,830
oh yeah wow

1560
01:14:24,560 --> 01:14:55,030
come on over buddy

1561
01:14:55,040 --> 01:15:36,870
no the i don't know what these are

1562
01:15:36,880 --> 01:15:39,990
oh there it is

1563
01:15:42,630 --> 01:15:40,870

wow

1564

01:15:52,550 --> 01:15:42,640

change colors it's not even that color

1565

01:15:52,560 --> 01:15:55,990

you were kidding

1566

01:15:59,430 --> 01:15:57,750

what the hell

1567

01:16:00,390 --> 01:15:59,440

that looked like the thing that i
