00:00:07,210 --> 00:00:05,590
[Music]

2
00:00:09,589 --> 00:00:07,220
why don't they talk to us

3
00:00:11,350 --> 00:00:09,599
[Music]

4
00:00:12,629 --> 00:00:11,360
i don't talk to the squirrels in my

5
00:00:14,549 --> 00:00:12,639
backyard

6
00:00:15,910 --> 00:00:14,559
thank you very much for listening it's

7
00:00:17,349 --> 00:00:15,920
logical you want to know what it is and

8
00:00:18,790 --> 00:00:17,359
it's common sense right stuff's flying

9
00:00:20,870 --> 00:00:18,800
over the top of your most sensitive

10
00:00:22,470 --> 00:00:20,880
installations and it's not ours and no

11
00:00:24,390 --> 00:00:22,480
one knows whose it is the key takeaways

12
00:00:26,630 --> 00:00:24,400
i have is that the um

13
00:00:29,189 --> 00:00:26,640

you know the military and others are

14

00:00:30,950 --> 00:00:29,199

taking this issue seriously which

15

00:00:32,870 --> 00:00:30,960

even previous generations may not have

16

00:00:34,389 --> 00:00:32,880

been the case there's footage and

17

00:00:37,030 --> 00:00:34,399

records of

18

00:00:39,510 --> 00:00:37,040

objects in the skies that we

19

00:00:41,990 --> 00:00:39,520

don't know exactly

20

00:00:44,150 --> 00:00:42,000

lots of reports about what we call

21

00:00:45,910 --> 00:00:44,160

unidentified aerial phenomenon there are

22

00:00:48,840 --> 00:00:45,920

a lot more sightings than have been made

23

00:00:48,850 --> 00:00:55,110

[Music]

24

00:00:55,120 --> 00:00:58,869

what's up all

25

00:01:04,710 --> 00:01:01,590

i forgot that's the version where uh

26

00:01:04,710 --> 00:01:04,720

ross is silent

27

00:01:09,910 --> 00:01:07,710

you know so we'll just cut that early

28

00:01:12,950 --> 00:01:09,920

[Laughter]

29

00:01:15,590 --> 00:01:12,960

uh hope you guys are

30

00:01:16,550 --> 00:01:15,600

having a good start to the week

31

00:01:18,550 --> 00:01:16,560

um

32

00:01:19,990 --> 00:01:18,560

we what do we got today we got tuesday

33

00:01:23,910 --> 00:01:20,000

tuesday

34

00:01:25,429 --> 00:01:23,920

the 22nd uh we got 3 22 22. how do you

35

00:01:28,149 --> 00:01:25,439

like those numbers

36

00:01:30,950 --> 00:01:28,159

um yeah we got some interesting things

37

00:01:32,789 --> 00:01:30,960

to talk about here today

38

00:01:35,350 --> 00:01:32,799

um so

39

00:01:37,670 --> 00:01:35,360

um i wanted to

40

00:01:39,109 --> 00:01:37,680

get in get into it with you first we'll

41

00:01:42,550 --> 00:01:39,119

start with our

42

00:01:44,950 --> 00:01:42,560

hellos we have mr christian thompson

43

00:01:46,230 --> 00:01:44,960

uh jose

44

00:01:48,870 --> 00:01:46,240

um

45

00:01:51,590 --> 00:01:48,880

who else we got andres

46

00:01:54,069 --> 00:01:51,600

robert josh rob wood

47

00:01:55,429 --> 00:01:54,079

um craig

48

00:01:58,469 --> 00:01:55,439

awesome victor

49

00:02:03,190 --> 00:02:01,030

witness citizen lc

50

00:02:04,950 --> 00:02:03,200

lara what's happening

51
00:02:06,789 --> 00:02:04,960
um hopefully i'm not missing anyone

52
00:02:09,190 --> 00:02:06,799
lionel what's happening

53
00:02:10,150 --> 00:02:09,200
benji what's up brother mikey how's it

54
00:02:12,229 --> 00:02:10,160
going

55
00:02:13,830 --> 00:02:12,239
thanks everybody for joining us

56
00:02:16,869 --> 00:02:13,840
um i really

57
00:02:19,350 --> 00:02:16,879
uh appreciate everything

58
00:02:20,830 --> 00:02:19,360
um video and audio are out of sync over

59
00:02:24,150 --> 00:02:20,840
there huh

60
00:02:25,910 --> 00:02:24,160
hmm interesting

61
00:02:28,470 --> 00:02:25,920
they shouldn't be how is it for

62
00:02:30,390 --> 00:02:28,480
everybody else

63
00:02:32,550 --> 00:02:30,400

let me know

64

00:02:34,550 --> 00:02:32,560

um i can do

65

00:02:35,750 --> 00:02:34,560

like a reload or something but it should

66

00:02:37,750 --> 00:02:35,760

be fine

67

00:02:39,910 --> 00:02:37,760

i mean at least like the connections and

68

00:02:41,190 --> 00:02:39,920

everything on my end are uh where they

69

00:02:42,470 --> 00:02:41,200

should be

70

00:02:43,670 --> 00:02:42,480

so

71

00:02:45,350 --> 00:02:43,680

i'm not sure

72

00:02:46,869 --> 00:02:45,360

what

73

00:02:48,070 --> 00:02:46,879

the problem is

74

00:02:53,830 --> 00:02:48,080

so

75

00:02:55,190 --> 00:02:53,840

connection julie possibly i'm not sure

76

00:02:58,070 --> 00:02:55,200

so

77

00:03:01,750 --> 00:02:58,080

yeah maybe that's it but

78

00:03:04,550 --> 00:03:01,760

let's get into it so the first thing

79

00:03:07,509 --> 00:03:04,560

that i wanted to get into with you

80

00:03:10,070 --> 00:03:07,519

was we had a little

81

00:03:12,630 --> 00:03:10,080

uh release of some

82

00:03:14,550 --> 00:03:12,640

foia stuff for

83

00:03:17,030 --> 00:03:14,560

uh awesome

84

00:03:19,030 --> 00:03:17,040

feel this uh

85

00:03:19,830 --> 00:03:19,040

a website i forget what it is names like

86

00:03:24,149 --> 00:03:19,840

jim

87

00:03:25,990 --> 00:03:24,159

the comedian but i know that's not it

88

00:03:27,990 --> 00:03:26,000

somebody knows what it is just uh put it

89

00:03:29,509 --> 00:03:28,000

in there i forgot

90

00:03:31,589 --> 00:03:29,519

um but we're gonna

91

00:03:32,949 --> 00:03:31,599

just go over a little bit of that not a

92

00:03:34,869 --> 00:03:32,959

whole bunch of it

93

00:03:36,789 --> 00:03:34,879

um because there's not a whole lot to it

94

00:03:37,589 --> 00:03:36,799

the the main thing that i got from this

95

00:03:39,350 --> 00:03:37,599

was

96

00:03:40,869 --> 00:03:39,360

they kind of verified a lot of what

97

00:03:42,309 --> 00:03:40,879

we've been told as far as like the

98

00:03:43,509 --> 00:03:42,319

weapon systems and all that kind of

99

00:03:46,789 --> 00:03:43,519

stuff

100

00:03:50,949 --> 00:03:47,670

no

101
00:03:52,949 --> 00:03:50,959
he's like a ufo blogger or something um

102
00:03:53,910 --> 00:03:52,959
but i think he's kind of a jerk too i'm

103
00:03:56,229 --> 00:03:53,920
not sure

104
00:03:58,869 --> 00:03:56,239
if i'm thinking of the right guy

105
00:03:59,750 --> 00:03:58,879
but you know i i could be wrong i don't

106
00:04:03,190 --> 00:03:59,760
know

107
00:04:05,350 --> 00:04:03,200
so but anyways uh this is an awesome

108
00:04:07,830 --> 00:04:05,360
foia release so there's

109
00:04:09,429 --> 00:04:07,840
not a whole lot to it other than things

110
00:04:10,550 --> 00:04:09,439
that we already know

111
00:04:12,949 --> 00:04:10,560
um

112
00:04:14,710 --> 00:04:12,959
but i did put the link drive in the

113
00:04:16,870 --> 00:04:14,720

description so you can check that out

114

00:04:18,629 --> 00:04:16,880

yourself which is what i always suggest

115

00:04:20,629 --> 00:04:18,639

you do

116

00:04:23,830 --> 00:04:20,639

as we can see

117

00:04:26,230 --> 00:04:23,840

we have the contract was awarded

118

00:04:27,909 --> 00:04:26,240

aerospace contract status interesting

119

00:04:30,070 --> 00:04:27,919

and i'm going to touch on this a little

120

00:04:32,710 --> 00:04:30,080

bit after we go through this is

121

00:04:35,510 --> 00:04:32,720

kind of the co-mingling of

122

00:04:37,990 --> 00:04:35,520

uh aerospace uap and advanced weapons i

123

00:04:40,070 --> 00:04:38,000

mean it seems like even in blue book

124

00:04:42,150 --> 00:04:40,080

there is always these times or moments

125

00:04:43,749 --> 00:04:42,160

where these things are just

126

00:04:45,110 --> 00:04:43,759

intertwining

127

00:04:47,430 --> 00:04:45,120

and

128

00:04:49,430 --> 00:04:47,440

i think a lot of that has to do with the

129

00:04:50,710 --> 00:04:49,440

research and development aspect of the

130

00:04:58,710 --> 00:04:50,720

ufo

131

00:05:03,990 --> 00:04:58,720

but i'm going to just bring up a couple

132

00:05:07,510 --> 00:05:05,909

and yeah so this is all just like

133

00:05:08,629 --> 00:05:07,520

technical stuff but look at look at

134

00:05:09,510 --> 00:05:08,639

these and

135

00:05:12,790 --> 00:05:09,520

these

136

00:05:14,790 --> 00:05:12,800

already knew existed but

137

00:05:16,550 --> 00:05:14,800

i mean just to look at these are

138

00:05:19,270 --> 00:05:16,560

interesting

139

00:05:21,510 --> 00:05:19,280

some of these it's like what is in store

140

00:05:23,189 --> 00:05:21,520

for

141

00:05:24,950 --> 00:05:23,199

our future here

142

00:05:26,469 --> 00:05:24,960

it's pretty intense the things that they

143

00:05:31,350 --> 00:05:26,479

were working on

144

00:05:36,070 --> 00:05:33,749

gravity wave communication wormholes in

145

00:05:37,990 --> 00:05:36,080

space time

146

00:05:38,590 --> 00:05:38,000

theory and experiments of invisibility

147

00:05:40,710 --> 00:05:38,600

cloaking

148

00:05:42,230 --> 00:05:40,720

[Music]

149

00:05:43,590 --> 00:05:42,240

high-energy laser weapons we already

150

00:05:45,590 --> 00:05:43,600

knew that quantum entanglement

151
00:05:48,230 --> 00:05:45,600
communications

152
00:05:51,189 --> 00:05:48,240
which basically

153
00:05:58,150 --> 00:05:53,029
a different version of like remote

154
00:06:01,670 --> 00:05:59,590
uh

155
00:06:03,830 --> 00:06:01,680
advanced nuclear propulsion for deep

156
00:06:05,830 --> 00:06:03,840
space

157
00:06:07,749 --> 00:06:05,840
which is interesting there because if we

158
00:06:10,150 --> 00:06:07,759
had like any gravity

159
00:06:11,670 --> 00:06:10,160
uh technology or energy

160
00:06:14,230 --> 00:06:11,680
i don't know if we'd need nuclear

161
00:06:16,070 --> 00:06:14,240
propulsion for deep space but

162
00:06:18,550 --> 00:06:16,080
um

163
00:06:20,550 --> 00:06:18,560

it's pretty interesting because with

164

00:06:23,029 --> 00:06:20,560

that kind of propulsion events nuclear

165

00:06:25,749 --> 00:06:23,039

propulsion i mean that's pretty much

166

00:06:27,430 --> 00:06:25,759

what you need to go deep deep deep deep

167

00:06:31,749 --> 00:06:27,440

space so

168

00:06:36,550 --> 00:06:33,909

controlling devices without limb

169

00:06:38,070 --> 00:06:36,560

operated interfaces

170

00:06:39,830 --> 00:06:38,080

so

171

00:06:42,790 --> 00:06:39,840

without your hands or feet or anything

172

00:06:44,790 --> 00:06:42,800

so what is that that's

173

00:06:47,110 --> 00:06:44,800

controlling devices with your brain your

174

00:06:50,550 --> 00:06:47,120

consciousness

175

00:06:52,950 --> 00:06:50,560

which is what we hear sometimes these

176

00:06:56,469 --> 00:06:55,749

for lack of a better term alien ships

177

00:06:58,230 --> 00:06:56,479

are

178

00:07:01,029 --> 00:06:58,240

controlled with

179

00:07:02,629 --> 00:07:01,039

i mean i actually asked lou i believe on

180

00:07:03,909 --> 00:07:02,639

our first interview

181

00:07:05,589 --> 00:07:03,919

about

182

00:07:07,270 --> 00:07:05,599

that aspect of it and he gave me one of

183

00:07:08,629 --> 00:07:07,280

those answers well i would ask you what

184

00:07:10,230 --> 00:07:08,639

is consciousness you know he does that

185

00:07:11,909 --> 00:07:10,240

kind of a lot but

186

00:07:15,270 --> 00:07:11,919

um but it was also written about in tom

187

00:07:15,280 --> 00:07:19,909

uh his uh i think it was his first book

188

00:07:23,589 --> 00:07:21,510

where the ships were controlled with

189

00:07:28,309 --> 00:07:23,599

your consciousness

190

00:07:34,230 --> 00:07:32,150

um yeah pretty i mean could you imagine

191

00:07:35,670 --> 00:07:34,240

this stuff like being a thing like

192

00:07:40,950 --> 00:07:35,680

working

193

00:07:40,960 --> 00:07:45,670

what does that even look like

194

00:07:52,390 --> 00:07:49,749

um another thing a part of this voya was

195

00:07:55,029 --> 00:07:52,400

um the dude asked for like a specific

196

00:07:56,150 --> 00:07:55,039

report mentioned in um the skinwalkers

197

00:08:00,070 --> 00:07:56,160

book

198

00:08:02,150 --> 00:08:00,080

it was a report on a skinwalker ranch

199

00:08:03,189 --> 00:08:02,160

they said they couldn't find anything on

200

00:08:06,950 --> 00:08:03,199

it

201
00:08:09,110 --> 00:08:06,960
so i don't know what that means but

202
00:08:10,950 --> 00:08:09,120
what that's supposed to mean but then

203
00:08:12,950 --> 00:08:10,960
you look at this stuff this is all like

204
00:08:14,550 --> 00:08:12,960
ufo stuff throughout the years you know

205
00:08:16,869 --> 00:08:14,560
deals in vast spanning einstein's

206
00:08:19,990 --> 00:08:16,879
journal three of um

207
00:08:23,110 --> 00:08:20,000
relatively electromagnetisms

208
00:08:23,120 --> 00:08:28,230
pretty crazy

209
00:08:30,950 --> 00:08:29,510
pretty

210
00:08:32,550 --> 00:08:30,960
intense so

211
00:08:35,110 --> 00:08:32,560
and then i think this part is actually

212
00:08:37,029 --> 00:08:35,120
pretty interesting future program issues

213
00:08:39,589 --> 00:08:37,039

uh blank will be transferring to blank

214

00:08:41,589 --> 00:08:39,599

during fy 10.

215

00:08:43,829 --> 00:08:41,599

i mean i can't say obviously because

216

00:08:49,750 --> 00:08:43,839

it's well it's blank but

217

00:08:49,760 --> 00:08:52,949

just my thoughts

218

00:08:52,959 --> 00:08:56,230

um because i believe

219

00:08:56,240 --> 00:09:00,150

it was around that time possibly

220

00:09:03,350 --> 00:09:02,070

when that started i mean don't quote me

221

00:09:04,949 --> 00:09:03,360

on that though i'm just thinking out

222

00:09:07,269 --> 00:09:04,959

loud

223

00:09:08,949 --> 00:09:07,279

and i know how kind of complicated that

224

00:09:12,710 --> 00:09:08,959

stuff is so

225

00:09:16,790 --> 00:09:15,190

not there's a lot to this but not a lot

226
00:09:18,710 --> 00:09:16,800
of like

227
00:09:19,990 --> 00:09:18,720
meat on it i guess

228
00:09:21,509 --> 00:09:20,000
so

229
00:09:22,949 --> 00:09:21,519
but again that stuff is in the

230
00:09:25,190 --> 00:09:22,959
description so you can check it out for

231
00:09:26,790 --> 00:09:25,200
yourself read it for yourself um if you

232
00:09:28,710 --> 00:09:26,800
like getting into the nitty-gritty the

233
00:09:31,110 --> 00:09:28,720
super details of

234
00:09:34,070 --> 00:09:31,120
contract starts and stops and

235
00:09:37,670 --> 00:09:34,080
you know big lawyer space addresses and

236
00:09:39,350 --> 00:09:37,680
you know um kind of um

237
00:09:42,230 --> 00:09:39,360
boring jargon that doesn't really give

238
00:09:43,910 --> 00:09:42,240

you a whole lot check it out

239

00:09:45,590 --> 00:09:43,920

what it does confirm is that it worked

240

00:09:48,150 --> 00:09:45,600

on advanced aerospace

241

00:09:49,990 --> 00:09:48,160

weapon applications and aerospace

242

00:09:51,990 --> 00:09:50,000

vehicles

243

00:09:52,949 --> 00:09:52,000

which i find

244

00:09:55,110 --> 00:09:52,959

um

245

00:09:56,949 --> 00:09:55,120

coherent with what we've been told

246

00:09:59,590 --> 00:09:56,959

now you might think to yourself and some

247

00:10:01,910 --> 00:09:59,600

people might think so does that mean it

248

00:10:04,949 --> 00:10:01,920

had nothing to do with ufos or weird

249

00:10:09,190 --> 00:10:04,959

stuff and it just had to do with that

250

00:10:09,200 --> 00:10:11,590

um

251
00:10:16,710 --> 00:10:13,110
that there

252
00:10:18,550 --> 00:10:16,720
is so much that has to do with that

253
00:10:20,069 --> 00:10:18,560
program that we don't

254
00:10:21,110 --> 00:10:20,079
that you know isn't public that

255
00:10:23,829 --> 00:10:21,120
hopefully

256
00:10:26,949 --> 00:10:23,839
will become public before 14 years or 16

257
00:10:29,750 --> 00:10:26,959
years or whatever it is we've been told

258
00:10:33,990 --> 00:10:32,630
these people have been

259
00:10:36,630 --> 00:10:34,000
working

260
00:10:37,990 --> 00:10:36,640
on this stuff

261
00:10:39,590 --> 00:10:38,000
for a long time like the advanced

262
00:10:42,870 --> 00:10:39,600
weapons people

263
00:10:45,190 --> 00:10:42,880

ufos advanced aerospace ufos it all goes

264

00:10:47,110 --> 00:10:45,200

together and it kind of makes sense as

265

00:10:49,590 --> 00:10:47,120

well right i mean

266

00:10:50,790 --> 00:10:49,600

if the ufo is a technology that we can't

267

00:10:52,790 --> 00:10:50,800

imagine

268

00:10:55,910 --> 00:10:52,800

what else would you want to study

269

00:11:01,750 --> 00:10:57,910

that's how i look at it so that kind of

270

00:11:06,790 --> 00:11:03,430

this is kind of like

271

00:11:10,630 --> 00:11:06,800

bringing it up for some precedence

272

00:11:12,870 --> 00:11:10,640

so this guy worked on

273

00:11:15,509 --> 00:11:12,880

the content report

274

00:11:17,509 --> 00:11:15,519

which we all know

275

00:11:18,949 --> 00:11:17,519

uh the condom report

276

00:11:21,509 --> 00:11:18,959

that came out

277

00:11:22,949 --> 00:11:21,519

he was like 69 or whatever it's kind of

278

00:11:26,230 --> 00:11:22,959

a joke

279

00:11:28,870 --> 00:11:26,240

but this guy uh was one of the big dogs

280

00:11:31,910 --> 00:11:28,880

part of that report and so to kind of

281

00:11:34,069 --> 00:11:31,920

give some uh precedence as far as the

282

00:11:36,630 --> 00:11:34,079

types of people that work on these ufo

283

00:11:37,430 --> 00:11:36,640

things i wanted to bring him up and show

284

00:11:39,590 --> 00:11:37,440

you

285

00:11:45,269 --> 00:11:39,600

uh what he did within the government

286

00:11:50,710 --> 00:11:47,590

so he is assistant general manager for

287

00:11:53,030 --> 00:11:50,720

military application

288

00:11:55,750 --> 00:11:53,040

atomic energy commission interesting and

289

00:11:56,710 --> 00:11:55,760

this is going to be a great segue into

290

00:12:00,949 --> 00:11:56,720

our

291

00:12:06,389 --> 00:12:02,470

so

292

00:12:08,550 --> 00:12:06,399

i'm really going to skip down to

293

00:12:09,590 --> 00:12:08,560

where it lists the different positions

294

00:12:11,829 --> 00:12:09,600

for him

295

00:12:14,150 --> 00:12:11,839

so here we have

296

00:12:16,629 --> 00:12:14,160

i skipped it here okay so from march

297

00:12:17,750 --> 00:12:16,639

1950 to 54 he was executive weapons

298

00:12:19,910 --> 00:12:17,760

effects

299

00:12:21,750 --> 00:12:19,920

division

300

00:12:25,990 --> 00:12:21,760

right

301
00:12:26,000 --> 00:12:31,750
basically what assaf is you know

302
00:12:36,230 --> 00:12:34,629
june 54 to 59

303
00:12:37,430 --> 00:12:36,240
assistant director and then director of

304
00:12:40,790 --> 00:12:37,440
the research

305
00:12:43,430 --> 00:12:40,800
directorate air force weapons center

306
00:12:45,509 --> 00:12:43,440
kirkland air force base

307
00:12:54,949 --> 00:12:45,519
this center pie inherited in the high

308
00:12:59,190 --> 00:12:57,350
it's just interesting how all this just

309
00:13:05,590 --> 00:12:59,200
dances with each other isn't it special

310
00:13:09,590 --> 00:13:07,910
he joined the atomic energy commission

311
00:13:12,150 --> 00:13:09,600
1967

312
00:13:17,750 --> 00:13:12,160
which happens to be the time

313
00:13:24,629 --> 00:13:19,910

which he was obviously doing but of

314

00:13:29,430 --> 00:13:26,310

his air force uh

315

00:13:32,629 --> 00:13:29,440

bio worked on a condom report

316

00:13:36,870 --> 00:13:34,310

also there's this one document i found

317

00:13:39,910 --> 00:13:36,880

where he was like assigned to

318

00:13:41,030 --> 00:13:39,920

um a cleanup job at bikini atoll bikini

319

00:13:42,310 --> 00:13:41,040

atoll was

320

00:13:44,150 --> 00:13:42,320

like um

321

00:13:45,829 --> 00:13:44,160

that was our so you know we have white

322

00:13:49,110 --> 00:13:45,839

sands proving grounds

323

00:13:51,350 --> 00:13:49,120

where we tested all you know

324

00:13:53,509 --> 00:13:51,360

weapons and all that nuclear weapons

325

00:13:56,150 --> 00:13:53,519

which i'll get to um

326

00:13:58,470 --> 00:13:56,160

atomic weapons

327

00:14:00,150 --> 00:13:58,480

we had another proving ground

328

00:14:02,790 --> 00:14:00,160

a nice little about this on our last

329

00:14:04,949 --> 00:14:02,800

interview and which was um the bikini

330

00:14:08,069 --> 00:14:04,959

atoll area marshall islands midway

331

00:14:12,870 --> 00:14:11,350

where we ran tests there for years and

332

00:14:14,949 --> 00:14:12,880

years

333

00:14:17,750 --> 00:14:14,959

basically destroyed the ecosystem of the

334

00:14:19,750 --> 00:14:17,760

ocean

335

00:14:21,430 --> 00:14:19,760

you know

336

00:14:24,230 --> 00:14:21,440

and guess what

337

00:14:25,269 --> 00:14:24,240

there was a lot of ufo sightings over

338

00:14:27,910 --> 00:14:25,279

the years

339

00:14:30,230 --> 00:14:27,920

in that area

340

00:14:32,790 --> 00:14:30,240

which is weird because why would people

341

00:14:35,350 --> 00:14:32,800

be there right there's nothing there

342

00:14:36,870 --> 00:14:35,360

it's just ocean

343

00:14:41,110 --> 00:14:36,880

well people were there they were

344

00:14:44,949 --> 00:14:42,550

so

345

00:14:47,509 --> 00:14:44,959

very interesting stuff

346

00:14:50,550 --> 00:14:47,519

but we'll get back into that

347

00:14:53,750 --> 00:14:50,560

so just wanted to show you that quick

348

00:14:58,710 --> 00:14:56,310

that i wanted to share with you again i

349

00:15:01,829 --> 00:14:58,720

put this link in the description

350

00:15:03,990 --> 00:15:01,839

is a cosmic milestone i should make a

351

00:15:06,949 --> 00:15:04,000

little video for that eh

352

00:15:09,509 --> 00:15:06,959

uh cosmic milestone has confirmed 5000

353

00:15:12,389 --> 00:15:09,519

exoplanets is a really cool article

354

00:15:14,470 --> 00:15:12,399

um it kind of gives you

355

00:15:18,790 --> 00:15:14,480

um a really good look at the

356

00:15:20,470 --> 00:15:18,800

possibilities out there in our own

357

00:15:22,389 --> 00:15:20,480

uh galaxy

358

00:15:24,150 --> 00:15:22,399

in our own solar system we know it's

359

00:15:26,150 --> 00:15:24,160

there right but outside of the solar

360

00:15:28,629 --> 00:15:26,160

system

361

00:15:29,749 --> 00:15:28,639

there is so much

362

00:15:32,790 --> 00:15:29,759

so much

363

00:15:36,230 --> 00:15:34,470

and you know we've done different

364

00:15:38,470 --> 00:15:36,240

studies before

365

00:15:41,110 --> 00:15:38,480

and many times since

366

00:15:43,030 --> 00:15:41,120

um blue book on the possibility of

367

00:15:45,189 --> 00:15:43,040

things traveling here from there

368

00:15:46,710 --> 00:15:45,199

but you know one where

369

00:15:50,150 --> 00:15:46,720

one us

370

00:15:57,110 --> 00:15:52,829

are putting together through ossep a

371

00:16:04,069 --> 00:16:00,069

that seemingly i would imagine are

372

00:16:09,110 --> 00:16:06,550

i would think something that is way in

373

00:16:10,629 --> 00:16:09,120

advance of our own technology

374

00:16:13,990 --> 00:16:10,639

would be well ba

375

00:16:17,030 --> 00:16:14,000

well uh beyond the wormhole theory

376

00:16:19,189 --> 00:16:17,040

and would be able to uh

377

00:16:21,430 --> 00:16:19,199

uh probably travel here then people say

378

00:16:24,470 --> 00:16:21,440

why why would they want to go here

379

00:16:24,480 --> 00:16:27,749

i'll get to that

380

00:16:32,389 --> 00:16:30,629

i have an answer for that

381

00:16:35,829 --> 00:16:32,399

so this is pretty interesting you should

382

00:16:42,310 --> 00:16:40,150

really puts things into context here

383

00:16:44,710 --> 00:16:42,320

on nasa's website they have a quote to

384

00:16:47,910 --> 00:16:44,720

my thinking it is inevitable that we

385

00:16:52,470 --> 00:16:47,920

will find some kind of life somewhere

386

00:16:57,269 --> 00:16:54,790

what a stupid thing to think

387

00:17:01,110 --> 00:16:57,279

i gotta say the primitive kind

388

00:17:07,510 --> 00:17:04,549

and how do you know that

389

00:17:10,470 --> 00:17:07,520

most likely the primitive kind like

390

00:17:12,630 --> 00:17:10,480

first of all what's that based off of

391

00:17:17,110 --> 00:17:12,640

most like how do you how did you run

392

00:17:21,029 --> 00:17:19,270

and why do you think that uh

393

00:17:23,909 --> 00:17:21,039

you know something would be less

394

00:17:25,110 --> 00:17:23,919

intelligent than us

395

00:17:26,949 --> 00:17:25,120

because obviously we're not that

396

00:17:33,590 --> 00:17:26,959

intelligent because we're about to just

397

00:17:37,270 --> 00:17:35,590

yeah let's come up with weapons and you

398

00:17:40,150 --> 00:17:37,280

know you watch some of those old air

399

00:17:40,870 --> 00:17:40,160

force videos on atomic bombs and stuff

400

00:17:41,750 --> 00:17:40,880

and

401
00:17:43,350 --> 00:17:41,760
um

402
00:17:46,150 --> 00:17:43,360
they always uh

403
00:17:48,390 --> 00:17:46,160
you know categorize it as

404
00:17:50,310 --> 00:17:48,400
a weapon for peace right a deterrent

405
00:17:51,510 --> 00:17:50,320
well we have these big weapons on

406
00:17:56,870 --> 00:17:51,520
you know there's never going to be any

407
00:18:01,590 --> 00:17:58,870
meanwhile first to even have one that

408
00:18:03,909 --> 00:18:01,600
works you have to do

409
00:18:06,390 --> 00:18:03,919
while they did a bunch

410
00:18:10,710 --> 00:18:06,400
of tests

411
00:18:13,669 --> 00:18:10,720
in our atmosphere on land and oceans

412
00:18:14,950 --> 00:18:13,679
going as far as to

413
00:18:16,470 --> 00:18:14,960

test

414

00:18:19,510 --> 00:18:16,480

their soldiers

415

00:18:21,190 --> 00:18:19,520

psychological reactions

416

00:18:22,390 --> 00:18:21,200

to blasts

417

00:18:24,549 --> 00:18:22,400

you know

418

00:18:27,350 --> 00:18:24,559

all sorts of stuff they even

419

00:18:32,070 --> 00:18:27,360

tested sheep

420

00:18:32,080 --> 00:18:35,830

dogs

421

00:18:40,070 --> 00:18:37,110

you know

422

00:18:42,870 --> 00:18:40,080

and we create this stuff

423

00:18:43,830 --> 00:18:42,880

we created this destruction this pure

424

00:18:47,669 --> 00:18:43,840

evil

425

00:18:52,710 --> 00:18:50,070

constantly in the news

426
00:18:59,430 --> 00:18:52,720
is russia going to use a nuclear weapon

427
00:19:04,870 --> 00:19:01,029
i mean these people

428
00:19:04,880 --> 00:19:10,230
for these even being in existence

429
00:19:14,230 --> 00:19:11,990
everybody wants to be the most powerful

430
00:19:18,789 --> 00:19:14,240
well you can't beat us up we got to be

431
00:19:26,789 --> 00:19:21,510
at what cost

432
00:19:30,630 --> 00:19:28,549
you're going around throwing bombs all

433
00:19:32,390 --> 00:19:30,640
over this country just to experiment on

434
00:19:35,990 --> 00:19:32,400
it like

435
00:19:37,750 --> 00:19:36,000
with complete disrespect for our planet

436
00:19:39,270 --> 00:19:37,760
irregard of any

437
00:19:41,029 --> 00:19:39,280
repercussions

438
00:19:42,950 --> 00:19:41,039

we don't have more than one earth this

439

00:19:46,710 --> 00:19:42,960

is all we have

440

00:19:54,310 --> 00:19:46,720

and the people that are our leaders

441

00:19:54,320 --> 00:19:59,350

for power

442

00:20:02,470 --> 00:20:00,789

so no one can

443

00:20:05,350 --> 00:20:02,480

you know take them off their nice

444

00:20:11,270 --> 00:20:07,510

and mansion

445

00:20:14,230 --> 00:20:12,310

meanwhile

446

00:20:19,430 --> 00:20:14,240

the population is being told what to do

447

00:20:23,590 --> 00:20:21,110

and then

448

00:20:24,950 --> 00:20:23,600

so we hear things from people

449

00:20:26,789 --> 00:20:24,960

like why would

450

00:20:28,710 --> 00:20:26,799

another

451
00:20:30,950 --> 00:20:28,720
intelligent life come here why do they

452
00:20:32,710 --> 00:20:30,960
care about us

453
00:20:35,590 --> 00:20:32,720
you know well maybe they don't care

454
00:20:38,390 --> 00:20:35,600
about us

455
00:20:41,830 --> 00:20:38,400
but maybe they care about

456
00:20:44,390 --> 00:20:41,840
the destruction of a planet

457
00:20:46,549 --> 00:20:44,400
because of maybe what repercussions that

458
00:20:50,549 --> 00:20:46,559
could have throughout a solar system or

459
00:20:57,510 --> 00:20:52,950
and this is just speculation

460
00:21:03,430 --> 00:20:59,510
but you have all these abductees over

461
00:21:05,430 --> 00:21:03,440
the years being told the same message

462
00:21:10,470 --> 00:21:05,440
destroying the planet destroying the

463
00:21:14,310 --> 00:21:11,909

you know

464

00:21:18,710 --> 00:21:14,320

no regard

465

00:21:25,990 --> 00:21:20,390

and we do this stuff before we even

466

00:21:29,190 --> 00:21:27,590

when we

467

00:21:32,470 --> 00:21:29,200

dropped the first

468

00:21:37,110 --> 00:21:32,480

bomb on hiroshima

469

00:21:41,909 --> 00:21:40,390

we didn't even have sufficient research

470

00:21:43,350 --> 00:21:41,919

done on it

471

00:21:44,710 --> 00:21:43,360

at that time

472

00:21:47,430 --> 00:21:44,720

we dropped it

473

00:21:47,440 --> 00:21:52,230

a war

474

00:21:56,789 --> 00:21:54,710

well you also ended

475

00:21:59,669 --> 00:21:56,799

a lot of lives

476
00:22:01,830 --> 00:21:59,679
because no one was grown up enough to

477
00:22:03,430 --> 00:22:01,840
just say hey maybe we just should be

478
00:22:04,549 --> 00:22:03,440
happy with what we have and not kill

479
00:22:11,770 --> 00:22:04,559
each other

480
00:22:11,780 --> 00:22:18,870
[Music]

481
00:22:18,880 --> 00:22:23,110
it's just frustrating

482
00:22:27,430 --> 00:22:25,990
that us here who you know live on this

483
00:22:29,590 --> 00:22:27,440
earth

484
00:22:34,470 --> 00:22:29,600
who are just trying to pay our freaking

485
00:22:38,230 --> 00:22:36,630
are the people in ukraine innocent

486
00:22:41,430 --> 00:22:38,240
people

487
00:22:43,909 --> 00:22:41,440
pregnant moms babies

488
00:22:46,950 --> 00:22:43,919

just living their life trying to survive

489

00:22:46,960 --> 00:22:53,270

and these [h__\h] in suits

490

00:22:56,789 --> 00:22:54,549

you know

491

00:23:00,070 --> 00:22:56,799

making atomic bombs

492

00:23:05,990 --> 00:23:03,590

are threatening your way of life

493

00:23:09,190 --> 00:23:06,000

for doing what

494

00:23:10,630 --> 00:23:09,200

for nothing just living your life

495

00:23:13,029 --> 00:23:10,640

because they have some sort of whacked

496

00:23:14,310 --> 00:23:13,039

out ideology that's been stewing in

497

00:23:17,750 --> 00:23:14,320

their

498

00:23:17,760 --> 00:23:23,029

you know it's too bad

499

00:23:27,750 --> 00:23:25,110

and so when i hear about there being a

500

00:23:29,669 --> 00:23:27,760

connection with an another intelligent

501
00:23:32,549 --> 00:23:29,679
life and atomic

502
00:23:33,830 --> 00:23:32,559
bombs or technology well if that did

503
00:23:35,830 --> 00:23:33,840
exist

504
00:23:39,750 --> 00:23:35,840
another intelligent life

505
00:23:41,590 --> 00:23:39,760
why else would they ever come here

506
00:23:45,190 --> 00:23:41,600
what better reason

507
00:23:50,149 --> 00:23:46,710
than destroying

508
00:23:57,510 --> 00:23:50,159
a part of the universal ecosystem so to

509
00:23:57,520 --> 00:24:01,110
if you could wouldn't you

510
00:24:04,950 --> 00:24:03,510
i had someone said

511
00:24:06,310 --> 00:24:04,960
uh

512
00:24:07,430 --> 00:24:06,320
the other day

513
00:24:10,710 --> 00:24:07,440

they

514

00:24:13,110 --> 00:24:10,720

likened this to us discussing with uh

515

00:24:13,990 --> 00:24:13,120

ants on an animal like why would we do

516

00:24:15,990 --> 00:24:14,000

that

517

00:24:17,350 --> 00:24:16,000

well because the ants don't have nuclear

518

00:24:19,110 --> 00:24:17,360

bombs they're about to blow up your

519

00:24:24,950 --> 00:24:19,120

backyard

520

00:24:30,070 --> 00:24:26,789

andres yeah that video i posted that was

521

00:24:30,870 --> 00:24:30,080

from 2020 so that wasn't uh re recent i

522

00:24:33,590 --> 00:24:30,880

just

523

00:24:36,070 --> 00:24:33,600

haven't uploaded it on youtube

524

00:24:39,590 --> 00:24:37,990

so it's actually kind of an older video

525

00:24:42,470 --> 00:24:39,600

but

526

00:24:45,269 --> 00:24:43,430

it's

527

00:24:49,909 --> 00:24:45,279

there's not really much to say about it

528

00:24:55,029 --> 00:24:51,430

not doing anything

529

00:24:59,350 --> 00:24:57,830

and she

530

00:25:00,630 --> 00:24:59,360

called me to tell me to get outside if i

531

00:25:02,149 --> 00:25:00,640

wanted to see something crazy in this

532

00:25:03,830 --> 00:25:02,159

guy so

533

00:25:06,710 --> 00:25:03,840

i'm like okay which is weird for her

534

00:25:08,950 --> 00:25:06,720

because she's not uh into

535

00:25:11,110 --> 00:25:08,960

you know ufos or anything like that

536

00:25:15,669 --> 00:25:11,120

so when she says that

537

00:25:19,190 --> 00:25:15,679

i'm like this must be something

538

00:25:24,310 --> 00:25:21,190

i go outside

539

00:25:27,669 --> 00:25:24,320

and basically

540

00:25:31,990 --> 00:25:29,750

um she

541

00:25:32,950 --> 00:25:32,000

had seen about i think she said four of

542

00:25:35,190 --> 00:25:32,960

them

543

00:25:37,669 --> 00:25:35,200

uh on our way home that were like

544

00:25:39,990 --> 00:25:37,679

passing over the street

545

00:25:41,669 --> 00:25:40,000

um and they wind up going over our house

546

00:25:44,070 --> 00:25:41,679

over the backyard here

547

00:25:52,149 --> 00:25:46,549

weird stuff

548

00:25:56,630 --> 00:25:53,830

a good question i haven't really thought

549

00:25:59,029 --> 00:25:56,640

about that i've probably had

550

00:26:00,710 --> 00:25:59,039

i mean my major uh like sighting

551
00:26:03,350 --> 00:26:00,720
sighting

552
00:26:05,190 --> 00:26:03,360
it was one each time but the whole like

553
00:26:06,789 --> 00:26:05,200
situation or

554
00:26:09,510 --> 00:26:06,799
you know

555
00:26:12,390 --> 00:26:09,520
whole event i guess which to me lasted

556
00:26:14,950 --> 00:26:12,400
over the course of a week involved too

557
00:26:16,950 --> 00:26:14,960
there's two in that video that i posted

558
00:26:18,950 --> 00:26:16,960
although there were more than that all

559
00:26:22,830 --> 00:26:18,960
together but just two that

560
00:26:27,430 --> 00:26:25,269
um then i have another video where a lot

561
00:26:28,950 --> 00:26:27,440
of them were popping out of clouds i

562
00:26:30,070 --> 00:26:28,960
didn't count on many but i think that

563
00:26:34,630 --> 00:26:30,080

was

564

00:26:37,430 --> 00:26:34,640

or something

565

00:26:41,530 --> 00:26:38,630

um

566

00:26:43,350 --> 00:26:41,540

yeah click like everyone

567

00:26:47,909 --> 00:26:43,360

[Music]

568

00:26:50,549 --> 00:26:47,919

um what was it west to east it was

569

00:26:52,950 --> 00:26:50,559

uh those red ones so that was

570

00:26:57,190 --> 00:26:52,960

norris

571

00:27:03,029 --> 00:26:59,669

that would be

572

00:27:03,039 --> 00:27:08,470

um not that i can recall no

573

00:27:13,590 --> 00:27:10,070

no um

574

00:27:14,630 --> 00:27:13,600

the only thing i can say as far as like

575

00:27:16,789 --> 00:27:14,640

sightings

576
00:27:17,990 --> 00:27:16,799
i know my father's had one when he was

577
00:27:20,310 --> 00:27:18,000
younger

578
00:27:22,710 --> 00:27:20,320
my grandfather saw one

579
00:27:23,430 --> 00:27:22,720
what she my dad told me he said it was

580
00:27:25,110 --> 00:27:23,440
uh

581
00:27:26,149 --> 00:27:25,120
like a cigar

582
00:27:32,470 --> 00:27:26,159
with

583
00:27:37,269 --> 00:27:34,310
and my brother said he saw something

584
00:27:38,149 --> 00:27:37,279
crazy too but i don't think he

585
00:27:39,350 --> 00:27:38,159
uh

586
00:27:41,029 --> 00:27:39,360
really

587
00:27:43,110 --> 00:27:41,039
feels one way or another about it as far

588
00:27:44,470 --> 00:27:43,120

as what it is

589

00:27:46,389 --> 00:27:44,480

so

590

00:27:47,430 --> 00:27:46,399

pretty interesting stuff though how it

591

00:27:49,350 --> 00:27:47,440

kind of

592

00:27:51,430 --> 00:27:49,360

you know

593

00:27:55,990 --> 00:27:51,440

all the

594

00:27:57,669 --> 00:27:56,000

so

595

00:28:00,389 --> 00:27:57,679

you know me i like

596

00:28:02,070 --> 00:28:00,399

uh precedence right

597

00:28:03,190 --> 00:28:02,080

so going back to this atomic stuff i

598

00:28:06,389 --> 00:28:03,200

know that might have been kind of

599

00:28:11,669 --> 00:28:07,590

what are our

600

00:28:18,549 --> 00:28:16,310

all i did really is go through some

601
00:28:20,870 --> 00:28:18,559
um different

602
00:28:23,909 --> 00:28:20,880
blue book stuff just to look at what

603
00:28:26,389 --> 00:28:23,919
other atomic things have happened or

604
00:28:28,549 --> 00:28:26,399
or whatever right so i just took little

605
00:28:30,549 --> 00:28:28,559
snippets and clips of different things

606
00:28:33,430 --> 00:28:30,559
that i found this first one's

607
00:28:36,310 --> 00:28:33,440
interesting october 28th london ufo with

608
00:28:37,990 --> 00:28:36,320
light scene over one of britain's atomic

609
00:28:40,310 --> 00:28:38,000
bomber bases

610
00:28:41,909 --> 00:28:40,320
night fighter pilot

611
00:28:43,669 --> 00:28:41,919
also picked up by radar cruising the

612
00:28:47,990 --> 00:28:43,679
ground

613
00:28:53,190 --> 00:28:50,549

uh this one i put in here because it was

614

00:28:55,190 --> 00:28:53,200

at the atomic

615

00:28:56,830 --> 00:28:55,200

support wayne kirkland air force base

616

00:28:59,990 --> 00:28:56,840

may 24

617

00:29:01,350 --> 00:29:00,000

1952 sighting i'm not going to get too

618

00:29:07,750 --> 00:29:01,360

into these i'm just going to go through

619

00:29:14,070 --> 00:29:10,950

so this is

620

00:29:18,230 --> 00:29:14,080

los alamos 1949.

621

00:29:20,870 --> 00:29:18,240

um now that there is a lot of

622

00:29:22,549 --> 00:29:20,880

of the atomic energy uh security service

623

00:29:24,310 --> 00:29:22,559

inspectors there was a handful of these

624

00:29:26,310 --> 00:29:24,320

people who witnessed this including

625

00:29:27,990 --> 00:29:26,320

people that were just scientists at los

626
00:29:29,430 --> 00:29:28,000
angeles

627
00:29:31,990 --> 00:29:29,440
but this is just

628
00:29:35,029 --> 00:29:32,000
and this was all throughout like

629
00:29:41,029 --> 00:29:35,039
47 48 49 50.

630
00:29:45,110 --> 00:29:43,590
but exciting

631
00:29:50,070 --> 00:29:45,120
lieutenant johnny carroll chief

632
00:29:54,710 --> 00:29:52,230
this one is interesting because

633
00:29:56,950 --> 00:29:54,720
if these things care about us doing

634
00:29:59,750 --> 00:29:56,960
atomic stuff

635
00:30:01,669 --> 00:29:59,760
they even use telepathy

636
00:30:03,990 --> 00:30:01,679
when you're even thinking about it and

637
00:30:05,909 --> 00:30:04,000
show up this is interesting

638
00:30:07,990 --> 00:30:05,919

as a minister i'm accustomed to

639

00:30:09,830 --> 00:30:08,000

believing on evidence i consider

640

00:30:11,350 --> 00:30:09,840

sufficient and i have therefore become

641

00:30:12,549 --> 00:30:11,360

used to getting along

642

00:30:15,110 --> 00:30:12,559

good

643

00:30:17,110 --> 00:30:15,120

in nature with those who have had more

644

00:30:19,350 --> 00:30:17,120

rigid scientific training and consider

645

00:30:21,510 --> 00:30:19,360

it their duty to suspend all decision

646

00:30:23,430 --> 00:30:21,520

till the facts are in hand

647

00:30:25,590 --> 00:30:23,440

when my friend a keenly intelligent

648

00:30:27,350 --> 00:30:25,600

engineer and one of the most clear

649

00:30:29,909 --> 00:30:27,360

thinking members of my congregation was

650

00:30:31,750 --> 00:30:29,919

explaining to me as well as he could to

651

00:30:33,350 --> 00:30:31,760

my clerical mind uh some of the

652

00:30:35,190 --> 00:30:33,360

difficulties involved in building the

653

00:30:37,190 --> 00:30:35,200

reactors for the new atomic powered

654

00:30:39,110 --> 00:30:37,200

merchant ship he was leaning against my

655

00:30:40,710 --> 00:30:39,120

car parked in our drive and i was

656

00:30:42,870 --> 00:30:40,720

sitting on the curb looking up at him

657

00:30:44,710 --> 00:30:42,880

intent on absorbing this information

658

00:30:46,630 --> 00:30:44,720

outside of my field he was just

659

00:30:49,029 --> 00:30:46,640

discussing the possibilities of some of

660

00:30:51,990 --> 00:30:49,039

the newer metals which can withstand up

661

00:30:55,029 --> 00:30:52,000

to 2500 degrees fahrenheit when i saw in

662

00:30:57,110 --> 00:30:55,039

the sky just past his head high and

663

00:31:00,710 --> 00:30:57,120

apparently very far away no sound could

664

00:31:03,430 --> 00:31:00,720

be heard two large brilliant lights

665

00:31:05,350 --> 00:31:03,440

instinctively i knew no airplane could

666

00:31:07,190 --> 00:31:05,360

have lights that bright that early in

667

00:31:12,870 --> 00:31:07,200

the evening when the sky was still

668

00:31:12,880 --> 00:31:16,389

interesting eh

669

00:31:22,149 --> 00:31:20,549

you talking about making nuke ships

670

00:31:27,029 --> 00:31:22,159

i'm watching you that's what they're

671

00:31:31,029 --> 00:31:28,710

so i thought that was interesting that's

672

00:31:32,630 --> 00:31:31,039

not really a real correlation i guess

673

00:31:34,950 --> 00:31:32,640

but who knows

674

00:31:37,269 --> 00:31:34,960

uh this is interesting this was a press

675

00:31:39,190 --> 00:31:37,279

conference back in the day

676

00:31:40,870 --> 00:31:39,200

with general sanford

677

00:31:42,470 --> 00:31:40,880

um and

678

00:31:44,950 --> 00:31:42,480

roof belt

679

00:31:46,389 --> 00:31:44,960

so they basically ask and it's funny

680

00:31:48,710 --> 00:31:46,399

because we deal with the same stuff

681

00:31:50,389 --> 00:31:48,720

today the right except the press

682

00:31:52,549 --> 00:31:50,399

isn't really doing anything

683

00:31:53,590 --> 00:31:52,559

maybe because they have maybe that's why

684

00:31:54,470 --> 00:31:53,600

they don't

685

00:31:56,310 --> 00:31:54,480

uh

686

00:31:57,909 --> 00:31:56,320

press s either the air force or atomic

687

00:31:59,190 --> 00:31:57,919

energy is carrying on can you make a

688

00:32:00,630 --> 00:31:59,200

flat statement say that these

689

00:32:03,029 --> 00:32:00,640

unexplained flying saucer sighting

690

00:32:07,990 --> 00:32:03,039

manifestations are not the result

691

00:32:08,000 --> 00:32:11,750

general sanford says pretty much no

692

00:32:15,430 --> 00:32:13,509

you know

693

00:32:17,350 --> 00:32:15,440

although you can't say none of them are

694

00:32:19,430 --> 00:32:17,360

and he was being honest there but the

695

00:32:20,389 --> 00:32:19,440

interesting thing here is the difference

696

00:32:23,029 --> 00:32:20,399

between

697

00:32:24,230 --> 00:32:23,039

this and now right now we're saying

698

00:32:28,230 --> 00:32:24,240

they're not

699

00:32:30,470 --> 00:32:28,240

an american project here

700

00:32:33,029 --> 00:32:30,480

you say now to say that these sightings

701
00:32:35,029 --> 00:32:33,039
everywhere are none of them

702
00:32:36,710 --> 00:32:35,039
could possibly be associated with what

703
00:32:38,789 --> 00:32:36,720
the united states is doing isn't quite

704
00:32:40,710 --> 00:32:38,799
true because we know that a particular

705
00:32:41,669 --> 00:32:40,720
jet fighter has been flying in a certain

706
00:32:45,430 --> 00:32:41,679
area

707
00:32:47,590 --> 00:32:45,440
somebody has reported us and using us so

708
00:32:50,230 --> 00:32:47,600
interesting

709
00:32:54,549 --> 00:32:52,149
so precedents would tell us

710
00:32:57,190 --> 00:32:54,559
that if that was the case now with you

711
00:32:59,269 --> 00:32:57,200
know the things that they're looking at

712
00:33:03,430 --> 00:32:59,279
in the government why wouldn't they say

713
00:33:03,440 --> 00:33:06,470

moving on

714

00:33:10,470 --> 00:33:09,269

um captain and then this has to do with

715

00:33:12,070 --> 00:33:10,480

um

716

00:33:13,830 --> 00:33:12,080

i think this might be out of order but

717

00:33:15,590 --> 00:33:13,840

they asked them about

718

00:33:19,110 --> 00:33:15,600

the

719

00:33:21,190 --> 00:33:19,120

installations and stuff

720

00:33:22,710 --> 00:33:21,200

captain and basically sanford says well

721

00:33:24,549 --> 00:33:22,720

it looks like they're around there but

722

00:33:26,389 --> 00:33:24,559

we don't know you know if there's just

723

00:33:28,549 --> 00:33:26,399

more there or just more observers right

724

00:33:30,950 --> 00:33:28,559

same kind of stuff we hear now

725

00:33:32,789 --> 00:33:30,960

which is interesting captain rupell

726
00:33:35,509 --> 00:33:32,799
says we've plotted these things out on a

727
00:33:37,269 --> 00:33:35,519
map and they do come out grouped around

728
00:33:38,389 --> 00:33:37,279
some of the atomic installations in the

729
00:33:40,070 --> 00:33:38,399
country

730
00:33:41,430 --> 00:33:40,080
however there is one point you don't

731
00:33:43,269 --> 00:33:41,440
know

732
00:33:45,029 --> 00:33:43,279
maybe the people in that area are a

733
00:33:48,870 --> 00:33:45,039
little more jumpy and if they see a

734
00:33:50,950 --> 00:33:48,880
meteor they'll report it into the guards

735
00:33:53,029 --> 00:33:50,960
if some farmer out in the middle of iowa

736
00:33:54,950 --> 00:33:53,039
saw meteor he just forget about it now

737
00:33:56,950 --> 00:33:54,960
that is one possibility that we can't

738
00:33:58,310 --> 00:33:56,960

eliminate a lot of the sightings that

739

00:34:00,230 --> 00:33:58,320
occurred around these atomic

740

00:34:02,710 --> 00:34:00,240
installations have turned out to be

741

00:34:05,750 --> 00:34:02,720
balloons etc but it may be that

742

00:34:07,669 --> 00:34:05,760
the story has gone out that those are

743

00:34:12,310 --> 00:34:07,679
vital areas and where people are

744

00:34:16,710 --> 00:34:14,950
um what percentage are unexplainable

745

00:34:18,550 --> 00:34:16,720
that you get around there uh i wouldn't

746

00:34:22,149 --> 00:34:18,560
say that every sighting is around an

747

00:34:24,230 --> 00:34:22,159
atomic installation is unexplained

748

00:34:26,069 --> 00:34:24,240
um there's really no i don't quite

749

00:34:27,990 --> 00:34:26,079
follow you so captain rupaul actually

750

00:34:30,950 --> 00:34:28,000
said a few of them

751

00:34:33,990 --> 00:34:32,629

uh the press his question is what

752

00:34:35,430 --> 00:34:34,000

percentage of the unexplainable

753

00:34:37,190 --> 00:34:35,440

percentage of sightings are grouped

754

00:34:39,109 --> 00:34:37,200

around atomic energy

755

00:34:43,349 --> 00:34:39,119

um captain rupaul we've never broken it

756

00:34:43,359 --> 00:34:46,550

why wouldn't you do that

757

00:34:46,560 --> 00:34:50,869

idiots

758

00:34:55,909 --> 00:34:53,030

is it uniform to the general percentages

759

00:34:58,069 --> 00:34:55,919

it follows the general percentages

760

00:34:59,589 --> 00:34:58,079

in other words if 20 of the sightings

761

00:35:01,990 --> 00:34:59,599

are unexplained 20 percent of the

762

00:35:03,670 --> 00:35:02,000

sightings around los alamos are well how

763

00:35:08,390 --> 00:35:03,680

do you know you said you've never broken

764

00:35:11,430 --> 00:35:10,069

which you know i kind of like rupel

765

00:35:13,030 --> 00:35:11,440

because he's the one that kind of went

766

00:35:14,550 --> 00:35:13,040

on a limb

767

00:35:19,349 --> 00:35:14,560

what this stuff is

768

00:35:19,359 --> 00:35:24,069

um this is interesting

769

00:35:28,870 --> 00:35:27,030

we went over this in a more thorough way

770

00:35:30,390 --> 00:35:28,880

in an episode so i'm not going to really

771

00:35:35,109 --> 00:35:30,400

read this whole thing you can go back

772

00:35:39,430 --> 00:35:36,790

here they touch on the possibility of

773

00:35:44,230 --> 00:35:39,440

the saucers being powered by some form

774

00:35:48,390 --> 00:35:46,950

here um roo belt and blue book were

775

00:35:50,870 --> 00:35:48,400

briefing

776
00:35:54,150 --> 00:35:50,880
the atomic energy commission at los

777
00:35:57,910 --> 00:35:54,160
alamos on the flag saucers

778
00:35:59,670 --> 00:35:57,920
los alamos at the time well with uh

779
00:36:03,349 --> 00:35:59,680
magners

780
00:36:09,510 --> 00:36:06,310
uh spikes radiation spikes

781
00:36:10,950 --> 00:36:09,520
with the passage of a ufo overhead

782
00:36:13,750 --> 00:36:10,960
many times

783
00:36:18,310 --> 00:36:13,760
that was in the episode i was

784
00:36:21,910 --> 00:36:20,069
got a news article

785
00:36:24,870 --> 00:36:21,920
flag saucer seen

786
00:36:28,310 --> 00:36:24,880
uh over a ec plant so this is

787
00:36:32,310 --> 00:36:30,069
in regards to kind of what i talked

788
00:36:34,150 --> 00:36:32,320

about before where the the reverend or

789

00:36:37,589 --> 00:36:34,160

whatever was just talking

790

00:36:38,950 --> 00:36:37,599

about a navy a boat with nuclear stuff

791

00:36:44,069 --> 00:36:38,960

on it

792

00:36:49,910 --> 00:36:46,150

um

793

00:36:52,310 --> 00:36:49,920

wait let me read it sorry flank saucers

794

00:36:55,430 --> 00:36:52,320

here we're flying saucers spying

795

00:37:03,670 --> 00:36:55,440

on the proposed site of the nation's

796

00:37:03,680 --> 00:37:09,750

interesting

797

00:37:09,760 --> 00:37:15,190

now

798

00:37:15,200 --> 00:37:20,150

talk about telepathy

799

00:37:25,990 --> 00:37:23,510

i mean speculation but holy cow like

800

00:37:27,750 --> 00:37:26,000

we have ufos showing up when people are

801
00:37:29,349 --> 00:37:27,760
talking about it

802
00:37:30,790 --> 00:37:29,359
the right people too not just like

803
00:37:32,790 --> 00:37:30,800
anybody like

804
00:37:34,069 --> 00:37:32,800
people who

805
00:37:37,109 --> 00:37:34,079
are dealing with this stuff with the

806
00:37:39,109 --> 00:37:37,119
government and then we have ufos showing

807
00:37:43,030 --> 00:37:39,119
up

808
00:37:44,950 --> 00:37:43,040
at a spot that is going to be

809
00:37:52,390 --> 00:37:44,960
the first location for a hydrogen bomb

810
00:37:52,400 --> 00:37:58,550
interesting

811
00:38:03,829 --> 00:38:00,470
and looks like we have a few of them

812
00:38:06,710 --> 00:38:05,270
and

813
00:38:08,950 --> 00:38:06,720

this is

814

00:38:10,470 --> 00:38:08,960

um about a sighting at oak ridge

815

00:38:12,790 --> 00:38:10,480

tennessee oak ridge

816

00:38:14,710 --> 00:38:12,800

big plant with all that uh atomic

817

00:38:17,109 --> 00:38:14,720

nuclear stuff

818

00:38:18,390 --> 00:38:17,119

and they were checking in on the the

819

00:38:21,030 --> 00:38:18,400

different things that could have been a

820

00:38:21,040 --> 00:38:24,470

is what they thought it was

821

00:38:28,390 --> 00:38:26,630

uh here it says no balloons were

822

00:38:31,190 --> 00:38:28,400

released officially in oak ridge at the

823

00:38:33,829 --> 00:38:31,200

time of the incident i i don't didn't go

824

00:38:36,230 --> 00:38:33,839

too far into this report it's

825

00:38:38,950 --> 00:38:36,240

there's a lot of sightings at oak ridge

826

00:38:41,349 --> 00:38:38,960

just using it as an example

827

00:38:44,069 --> 00:38:41,359

now this is interesting because it is a

828

00:38:46,710 --> 00:38:44,079

hypothesis

829

00:38:48,390 --> 00:38:46,720

that i pulled from a report at the

830

00:38:49,990 --> 00:38:48,400

foreign technology division on the

831

00:38:51,670 --> 00:38:50,000

soviets efforts

832

00:38:54,950 --> 00:38:51,680

looking into

833

00:38:59,349 --> 00:38:54,960

contacting extraterrestrial

834

00:39:03,829 --> 00:39:01,910

and you know so some of these ideas with

835

00:39:05,430 --> 00:39:03,839

this atomic stuff

836

00:39:12,550 --> 00:39:05,440

are old

837

00:39:18,710 --> 00:39:16,630

it says in regards to

838

00:39:20,470 --> 00:39:18,720

uh that ufos were so so these are

839

00:39:21,510 --> 00:39:20,480

different ideas ufos were soviet

840

00:39:24,150 --> 00:39:21,520

aircraft

841

00:39:25,589 --> 00:39:24,160

of such advanced design fantastic speeds

842

00:39:27,109 --> 00:39:25,599

they could traverse the skies of america

843

00:39:30,150 --> 00:39:27,119

and return to russia in a matter of

844

00:39:31,589 --> 00:39:30,160

hours that they were another option they

845

00:39:33,910 --> 00:39:31,599

were spaceships made by super

846

00:39:35,670 --> 00:39:33,920

intelligence beings from another galaxy

847

00:39:38,470 --> 00:39:35,680

which were drawn to the earth by the

848

00:39:39,990 --> 00:39:38,480

atomic tests set off by the us and

849

00:39:42,390 --> 00:39:40,000

russia

850

00:39:45,349 --> 00:39:42,400

that the ufos represented the lord's

851

00:39:47,990 --> 00:39:45,359

advance scouts preparatory to the

852

00:39:50,310 --> 00:39:48,000

judgment day and unfortunately by some

853

00:39:52,310 --> 00:39:50,320

people high in influential positions

854

00:39:54,630 --> 00:39:52,320

that they were our own

855

00:39:56,310 --> 00:39:54,640

experimental aircraft

856

00:39:58,710 --> 00:39:56,320

so this isn't from that sorry this is

857

00:40:01,990 --> 00:39:58,720

from a 19

858

00:40:04,790 --> 00:40:02,000

i think 58 staff study blue book staff

859

00:40:04,800 --> 00:40:07,190

so

860

00:40:12,630 --> 00:40:09,030

interesting they say here unfortunately

861

00:40:17,030 --> 00:40:13,829

and then they're right during this

862

00:40:18,470 --> 00:40:17,040

trying period without fanfare

863

00:40:21,349 --> 00:40:18,480

value

864

00:40:22,790 --> 00:40:21,359

or undue publicity uh air technical

865

00:40:25,109 --> 00:40:22,800

intelligence center

866

00:40:26,069 --> 00:40:25,119

most people known as blue book or

867

00:40:28,630 --> 00:40:26,079

whatever

868

00:40:30,069 --> 00:40:28,640

went quietly selling solemnly and

869

00:40:33,510 --> 00:40:30,079

seriously about the business of

870

00:40:41,190 --> 00:40:35,510

here's another one saw fireball los

871

00:40:48,630 --> 00:40:44,390

this is a media report

872

00:40:51,349 --> 00:40:50,390

and they're all the same green fireball

873

00:40:52,790 --> 00:40:51,359

moves

874

00:40:54,870 --> 00:40:52,800

horizontally

875

00:40:57,270 --> 00:40:54,880

um dr lapaz did a lot of work on there

876

00:40:59,030 --> 00:40:57,280

there was over like 150 reports within a

877

00:40:59,910 --> 00:40:59,040

year and a half two years

878

00:41:03,910 --> 00:40:59,920

um

879

00:41:05,910 --> 00:41:03,920

ones that were unexplained

880

00:41:07,589 --> 00:41:05,920

were at first the past thought they were

881

00:41:10,710 --> 00:41:07,599

like green and yellow he called them

882

00:41:12,230 --> 00:41:10,720

fireballs later on he confesses he says

883

00:41:15,270 --> 00:41:12,240

he wish you would have called them i

884

00:41:19,270 --> 00:41:15,280

think it was blue yellow or blue green

885

00:41:20,950 --> 00:41:19,280

um and they always traveled horizontally

886

00:41:24,309 --> 00:41:20,960

so you know

887

00:41:26,870 --> 00:41:24,319

they weren't coming down like this

888

00:41:29,430 --> 00:41:26,880

they were actually

889

00:41:32,309 --> 00:41:29,440

so that's you know

890

00:41:35,109 --> 00:41:32,319

it's been odd right

891

00:41:36,630 --> 00:41:35,119

and he had his own set but he actually

892

00:41:38,390 --> 00:41:36,640

thought they were man-made he didn't

893

00:41:41,109 --> 00:41:38,400

think that they were extraterrestrial or

894

00:41:43,430 --> 00:41:41,119

anything which is pretty interesting

895

00:41:44,950 --> 00:41:43,440

and you'll actually see him in blue book

896

00:41:46,710 --> 00:41:44,960

reports

897

00:41:48,870 --> 00:41:46,720

uh come up

898

00:41:51,270 --> 00:41:48,880

years and years later as still making

899

00:41:56,550 --> 00:41:51,280

comments on you know ufos that come up

900

00:42:02,710 --> 00:41:59,750

so this one is interesting

901

00:42:04,950 --> 00:42:02,720

uh flash soviet island

902

00:42:06,870 --> 00:42:04,960

they weren't sure if it was i had a

903

00:42:10,950 --> 00:42:06,880

connection with an atomic explosion or

904

00:42:10,960 --> 00:42:17,510

who knows

905

00:42:17,520 --> 00:42:21,510

um this one

906

00:42:21,520 --> 00:42:26,150

i think this is

907

00:42:31,750 --> 00:42:27,990

hold on with me as i look at this we got

908

00:42:35,030 --> 00:42:31,760

october 9th 1951 terre haute indiana

909

00:42:36,309 --> 00:42:35,040

municipal airport okay so this we have a

910

00:42:37,990 --> 00:42:36,319

sighting

911

00:42:40,230 --> 00:42:38,000

uh and the object was last seen

912

00:42:42,790 --> 00:42:40,240

traveling in a northeasternly direction

913

00:42:47,750 --> 00:42:42,800

south of the atomic energy plant

914

00:42:54,710 --> 00:42:50,550

this one

915

00:42:56,630 --> 00:42:54,720

white sands proving grounds two separate

916

00:42:59,109 --> 00:42:56,640

military patrols reported today they had

917

00:43:01,270 --> 00:42:59,119

seen an unidentified flying object early

918

00:43:03,190 --> 00:43:01,280

yesterday over an isolated area of the

919

00:43:07,109 --> 00:43:03,200

white sands proving grounds

920

00:43:13,270 --> 00:43:07,119

where this was was the trinity test site

921

00:43:16,550 --> 00:43:14,710

the reports from the patrols to the

922

00:43:19,510 --> 00:43:16,560

object was shaped like a car 200 feet

923

00:43:21,750 --> 00:43:19,520

long at 75 feet in diameter

924

00:43:25,589 --> 00:43:21,760

that's freaking big man the object was

925

00:43:29,510 --> 00:43:27,829

uh patrol cited the object 2 30 a.m

926
00:43:31,030 --> 00:43:29,520
yesterday the other side at 8 pm

927
00:43:34,550 --> 00:43:31,040
yesterday said the missile center's

928
00:43:36,550 --> 00:43:34,560
radar unit did not pick it up any object

929
00:43:38,870 --> 00:43:36,560
on the screen he said an investigation

930
00:43:41,349 --> 00:43:38,880
was underway to determine authenticity

931
00:43:43,349 --> 00:43:41,359
of the reports military police patrols

932
00:43:45,030 --> 00:43:43,359
put the information of the ufos in their

933
00:43:47,109 --> 00:43:45,040
official daily reports however these

934
00:43:50,309 --> 00:43:47,119
reports were not filed with their

935
00:43:52,230 --> 00:43:50,319
headquarters until today

936
00:43:54,950 --> 00:43:52,240
so

937
00:43:56,150 --> 00:43:54,960
what they want to blame in this on

938
00:44:00,790 --> 00:43:56,160

is

939

00:44:02,630 --> 00:44:00,800

say it loveland or something uh texas

940

00:44:04,390 --> 00:44:02,640

sightings

941

00:44:07,270 --> 00:44:04,400

which had just happened right before

942

00:44:14,069 --> 00:44:09,670

which was blamed and called that it was

943

00:44:18,710 --> 00:44:15,829

but

944

00:44:21,349 --> 00:44:18,720

um in the days following

945

00:44:23,510 --> 00:44:21,359

military freaking officers okay not

946

00:44:24,870 --> 00:44:23,520

idiots and not just these guys a bunch

947

00:44:25,750 --> 00:44:24,880

of other people

948

00:44:28,870 --> 00:44:25,760

um

949

00:44:30,230 --> 00:44:28,880

had sightings at the trinity test site

950

00:44:32,390 --> 00:44:30,240

of the same kind of looking thing they

951
00:44:33,589 --> 00:44:32,400
described it later on with like a tail

952
00:44:37,750 --> 00:44:33,599
and everything

953
00:44:42,309 --> 00:44:40,390
open blue book you can hit the same guys

954
00:44:44,470 --> 00:44:42,319
see this is what happens you got a ufo

955
00:44:45,510 --> 00:44:44,480
sighting somewhere now everybody's seen

956
00:44:48,309 --> 00:44:45,520
one

957
00:44:51,190 --> 00:44:48,319
yes that's how it works

958
00:44:53,360 --> 00:44:51,200
this actually got from uh mr colford

959
00:44:56,390 --> 00:44:53,370
here thanks for uh showing this to me

960
00:44:58,230 --> 00:44:56,400
[Music]

961
00:44:59,829 --> 00:44:58,240
um because this is kind of what got me

962
00:45:01,750 --> 00:44:59,839
started

963
00:45:03,349 --> 00:45:01,760

all this stuff so if you if you don't

964

00:45:05,750 --> 00:45:03,359

like this uh

965

00:45:07,430 --> 00:45:05,760

uh episode blame him but he set this to

966

00:45:09,190 --> 00:45:07,440

me um

967

00:45:11,190 --> 00:45:09,200

and i don't have the rest of it

968

00:45:13,510 --> 00:45:11,200

but it says unidentified flying objects

969

00:45:16,790 --> 00:45:13,520

similar to types reported seen over

970

00:45:21,349 --> 00:45:16,800

operation desert rock

971

00:45:27,349 --> 00:45:26,150

and it says uh 22nd of july 1952

972

00:45:29,510 --> 00:45:27,359

happens to be

973

00:45:31,990 --> 00:45:29,520

right smack dab in the

974

00:45:33,589 --> 00:45:32,000

middle of the washington dc sightings of

975

00:45:35,670 --> 00:45:33,599

1952.

976

00:45:38,550 --> 00:45:35,680

what is operation desert rock operation

977

00:45:40,790 --> 00:45:38,560

desert rock those were atmospheric

978

00:45:45,349 --> 00:45:40,800

uh atomic bomb tests

979

00:45:45,359 --> 00:45:53,589

and it was in 1951.

980

00:45:57,109 --> 00:45:55,109

crazy

981

00:45:59,750 --> 00:45:57,119

uh white saints proving ground new

982

00:46:01,829 --> 00:45:59,760

mexico so this is in relation to the one

983

00:46:04,950 --> 00:46:01,839

i showed you before but

984

00:46:08,069 --> 00:46:04,960

brings in to the equation the trinity

985

00:46:12,470 --> 00:46:10,230

november 4th army today reported that a

986

00:46:15,829 --> 00:46:12,480

huge oval object nearly as bright as the

987

00:46:18,870 --> 00:46:15,839

sun was spotted sunday hovering near

988

00:46:21,190 --> 00:46:18,880

bunkers used in the first atomic bomb

989

00:46:23,109 --> 00:46:21,200

explosion if you're not familiar with

990

00:46:24,470 --> 00:46:23,119

jacques valet he wrote a whole book on

991

00:46:25,349 --> 00:46:24,480

trinity

992

00:46:27,109 --> 00:46:25,359

and

993

00:46:28,390 --> 00:46:27,119

um the whole

994

00:46:30,309 --> 00:46:28,400

um

995

00:46:32,710 --> 00:46:30,319

allegedly these two witnesses when they

996

00:46:34,309 --> 00:46:32,720

were kids saw a ship there

997

00:46:36,470 --> 00:46:34,319

spaceship and all that kind of stuff and

998

00:46:39,190 --> 00:46:36,480

then there's recovered material

999

00:46:42,069 --> 00:46:39,200

and he has it and had it tested

1000

00:46:43,910 --> 00:46:42,079

all that kind of stuff

1001
00:46:46,230 --> 00:46:43,920
this isn't about that but this is in the

1002
00:46:53,030 --> 00:46:46,240
same spot

1003
00:46:59,190 --> 00:46:54,550
this is on my twitter too if you want to

1004
00:47:04,470 --> 00:47:01,190
uh levelland

1005
00:47:07,030 --> 00:47:04,480
texas by the way i'm being told

1006
00:47:08,710 --> 00:47:07,040
as level land texas

1007
00:47:12,069 --> 00:47:08,720
that's what we're talking about

1008
00:47:14,230 --> 00:47:12,079
level and texas so

1009
00:47:17,990 --> 00:47:14,240
what we're gonna do now

1010
00:47:22,069 --> 00:47:19,829
you know what we do here uh we're gonna

1011
00:47:23,670 --> 00:47:22,079
listen to a little testimony

1012
00:47:26,069 --> 00:47:23,680
we're gonna switch from the atomic stuff

1013
00:47:28,470 --> 00:47:26,079

we're gonna go to an audio testimony

1014

00:47:30,150 --> 00:47:28,480

that i find pretty fascinating

1015

00:47:31,670 --> 00:47:30,160

it is

1016

00:47:35,510 --> 00:47:31,680

um

1017

00:47:40,150 --> 00:47:35,520

in michigan march 20th 1966 i believe

1018

00:47:46,549 --> 00:47:42,390

i want to say

1019

00:47:52,870 --> 00:47:50,309

so bear with me while i get that

1020

00:47:55,030 --> 00:47:52,880

up for you guys it's pretty good then

1021

00:47:59,109 --> 00:47:55,040

after that we're gonna do

1022

00:48:10,630 --> 00:48:02,309

that segment where we look at ufo videos

1023

00:48:10,640 --> 00:48:16,150

what the heck is that

1024

00:48:22,470 --> 00:48:19,190

so hope you guys are enjoying

1025

00:48:26,150 --> 00:48:24,390

don't forget to like the video subscribe

1026
00:48:27,910 --> 00:48:26,160
if you haven't

1027
00:48:31,829 --> 00:48:27,920
all that stuff

1028
00:48:40,950 --> 00:48:33,710
i'm gonna get this up

1029
00:48:45,270 --> 00:48:42,870
here we go

1030
00:48:47,270 --> 00:48:45,280
dozens of people in washtenaw county and

1031
00:48:49,190 --> 00:48:47,280
surrounding areas have become firm

1032
00:48:52,230 --> 00:48:49,200
believers in flying saucers in the past

1033
00:48:54,870 --> 00:48:52,240
few weeks over the weekend more reports

1034
00:48:56,950 --> 00:48:54,880
40 persons 12 have been law officers

1035
00:48:59,750 --> 00:48:56,960
reported seeing an unidentified flying

1036
00:49:02,150 --> 00:48:59,760
object land in a swamp near ann arbor

1037
00:49:04,230 --> 00:49:02,160
officers said four sister ships hovered

1038
00:49:06,470 --> 00:49:04,240

in a quarter circle above the other

1039

00:49:09,030 --> 00:49:06,480

object which landed they said it then

1040

00:49:11,349 --> 00:49:09,040

took off with a warbling sound like the

1041

00:49:13,750 --> 00:49:11,359

echo of a ricocheting bullet

1042

00:49:16,230 --> 00:49:13,760

dexter policeman robert honeywell said

1043

00:49:18,309 --> 00:49:16,240

he and other residents saw similar

1044

00:49:20,630 --> 00:49:18,319

objects zipping through the skies early

1045

00:49:24,080 --> 00:49:20,640

last monday and again on wednesday he

1046

00:49:26,870 --> 00:49:24,090

explained to wjr's william harris

1047

00:50:04,870 --> 00:49:26,880

[Music]

1048

00:50:07,030 --> 00:50:04,880

47 year old frank manor a farmer and his

1049

00:50:08,710 --> 00:50:07,040

19 year old son ronald said they

1050

00:50:11,190 --> 00:50:08,720

approached within 100 yards of the

1051
00:50:13,829 --> 00:50:11,200
strange object cited last night they

1052
00:50:16,630 --> 00:50:13,839
said it lay in a swamp and had pulsating

1053
00:50:18,630 --> 00:50:16,640
lights on each end manor said it was

1054
00:50:21,270 --> 00:50:18,640
pitted like coral rock and about the

1055
00:50:23,670 --> 00:50:21,280
length of a car he said its shape was

1056
00:50:25,589 --> 00:50:23,680
like that of a football matter said his

1057
00:50:28,309 --> 00:50:25,599
son then said look at that horrible

1058
00:50:30,790 --> 00:50:28,319
thing and the craft vanished six police

1059
00:50:32,870 --> 00:50:30,800
cars chased the formation of strange

1060
00:50:33,910 --> 00:50:32,880
objects but the objects vanished in the

1061
00:50:35,589 --> 00:50:33,920
darkness

1062
00:50:37,829 --> 00:50:35,599
in washington the air force said it had

1063
00:50:40,230 --> 00:50:37,839

no report as yet on the latest sighting

1064

00:50:41,829 --> 00:50:40,240

of the ufos but that its investigative

1065

00:50:44,390 --> 00:50:41,839

office at wright-patterson air force

1066

00:50:46,710 --> 00:50:44,400

base in dayton is checking the incident

1067

00:50:49,270 --> 00:50:46,720

well the air force is characteristically

1068

00:50:51,190 --> 00:50:49,280

silent on ufo reports state police

1069

00:50:52,950 --> 00:50:51,200

colonel frederick davids says he plans

1070

00:50:54,710 --> 00:50:52,960

to look into the matters

1071

00:50:56,710 --> 00:50:54,720

we certainly are interested in these

1072

00:50:58,549 --> 00:50:56,720

reports that are coming in and we intend

1073

00:51:01,670 --> 00:50:58,559

to look further into it

1074

00:51:03,670 --> 00:51:01,680

we have uh minnesota now that are

1075

00:51:05,589 --> 00:51:03,680

inquiring into it and expect we will

1076
00:51:06,470 --> 00:51:05,599
talk with washington county authorities

1077
00:51:08,630 --> 00:51:06,480
and with

1078
00:51:09,430 --> 00:51:08,640
some of the people that are supposed to

1079
00:51:11,109 --> 00:51:09,440
have

1080
00:51:14,069 --> 00:51:11,119
seen certain objects

1081
00:51:15,829 --> 00:51:14,079
what is your personal attitude toward

1082
00:51:18,150 --> 00:51:15,839
these objects

1083
00:51:19,990 --> 00:51:18,160
well actually i know nothing more about

1084
00:51:21,270 --> 00:51:20,000
them than what i read or hear the

1085
00:51:22,870 --> 00:51:21,280
reports

1086
00:51:25,670 --> 00:51:22,880
but when you get

1087
00:51:27,589 --> 00:51:25,680
as many people citing something

1088
00:51:29,750 --> 00:51:27,599

and cited

1089

00:51:31,190 --> 00:51:29,760

things last night in the dexter area and

1090

00:51:33,270 --> 00:51:31,200

over the weekend

1091

00:51:35,510 --> 00:51:33,280

why i think it's time to take another

1092

00:51:37,030 --> 00:51:35,520

long hard look at it anyway i think many

1093

00:51:38,630 --> 00:51:37,040

of these people

1094

00:51:40,309 --> 00:51:38,640

certainly aren't the types that make a

1095

00:51:41,910 --> 00:51:40,319

report just for the sake of the

1096

00:51:45,510 --> 00:51:41,920

publicity

1097

00:51:47,349 --> 00:51:45,520

probably truly did see something

1098

00:51:50,390 --> 00:51:47,359

state police colonel frederick david's

1099

00:51:52,950 --> 00:51:50,400

questioned by wjr newsman dave white

1100

00:51:55,270 --> 00:51:52,960

this has just come in from ann arbor

1101

00:51:56,790 --> 00:51:55,280

wjr's william harris reporting from

1102

00:52:00,630 --> 00:51:56,800

there has just interviewed the

1103

00:52:02,230 --> 00:52:00,640

washington county sheriff douglas harvey

1104

00:52:04,630 --> 00:52:02,240

sheriff as i understand you've just

1105

00:52:06,549 --> 00:52:04,640

completed an investigation on the scene

1106

00:52:07,670 --> 00:52:06,559

of the fighting last night what did you

1107

00:52:09,829 --> 00:52:07,680

discover

1108

00:52:11,270 --> 00:52:09,839

uh we found nothing out there there's no

1109

00:52:13,190 --> 00:52:11,280

indication no evidence of where it's

1110

00:52:15,030 --> 00:52:13,200

come down where the mr manor said they

1111

00:52:16,790 --> 00:52:15,040

did come down or my officers stated that

1112

00:52:18,870 --> 00:52:16,800

the area would have come down

1113

00:52:20,230 --> 00:52:18,880

also uh the geiger counter picked up

1114

00:52:23,349 --> 00:52:20,240

nothing

1115

00:52:24,710 --> 00:52:23,359

there was no uh flat grass flat brush or

1116

00:52:27,109 --> 00:52:24,720

anything that would indicate something

1117

00:52:28,870 --> 00:52:27,119

and landed there none whatsoever

1118

00:52:29,990 --> 00:52:28,880

do you have any theories as to what this

1119

00:52:32,069 --> 00:52:30,000

might be

1120

00:52:33,430 --> 00:52:32,079

i wish i did i wish i had some answers i

1121

00:52:35,349 --> 00:52:33,440

i don't i

1122

00:52:37,190 --> 00:52:35,359

was a little doubtful at first my first

1123

00:52:39,270 --> 00:52:37,200

sighting this was on the 17th recited

1124

00:52:41,349 --> 00:52:39,280

the first one my men did that again on

1125

00:52:42,710 --> 00:52:41,359

the 18th and then last night but now

1126

00:52:44,870 --> 00:52:42,720

we've got too many people too many

1127

00:52:48,549 --> 00:52:44,880

trained officers have also seen this so

1128

00:52:51,910 --> 00:52:49,829

do you intend to continue your

1129

00:52:56,870 --> 00:52:51,920

investigation very definitely can we

1130

00:53:07,510 --> 00:52:58,470

oh we're going to continue the

1131

00:53:12,710 --> 00:53:09,190

um

1132

00:53:15,510 --> 00:53:12,720

yeah so it's interesting

1133

00:53:18,390 --> 00:53:15,520

just to hear

1134

00:53:20,630 --> 00:53:18,400

you could hear like the the steadfast

1135

00:53:22,150 --> 00:53:20,640

resolve and the guy saying no

1136

00:53:24,470 --> 00:53:22,160

absolutely nothing we used our geico

1137

00:53:26,710 --> 00:53:24,480

counters and what i always thought was

1138

00:53:28,870 --> 00:53:26,720

these geiger counters were always a part

1139

00:53:30,630 --> 00:53:28,880

of their investigations right that was a

1140

00:53:32,549 --> 00:53:30,640

part of their protocol

1141

00:53:33,750 --> 00:53:32,559

like you can read it in the blue book

1142

00:53:36,630 --> 00:53:33,760

paperwork

1143

00:53:39,589 --> 00:53:36,640

so if these things

1144

00:53:41,190 --> 00:53:39,599

never elevated radiation levels

1145

00:53:47,109 --> 00:53:41,200

who came up with the idea to bring

1146

00:53:50,230 --> 00:53:48,950

obviously there's some correlation there

1147

00:53:52,870 --> 00:53:50,240

or that wouldn't be a part of your

1148

00:53:54,069 --> 00:53:52,880

investigation kit is bringing geiger

1149

00:53:56,790 --> 00:53:54,079

counters

1150

00:53:59,430 --> 00:53:56,800

right

1151
00:54:02,230 --> 00:53:59,440
and just you know just my thoughts um

1152
00:54:04,630 --> 00:54:02,240
and k42

1153
00:54:07,829 --> 00:54:04,640
d thanks for mentioning

1154
00:54:09,670 --> 00:54:07,839
what you did because there was a part of

1155
00:54:11,349 --> 00:54:09,680
um

1156
00:54:12,950 --> 00:54:11,359
this atomic thing that i wanted to

1157
00:54:17,589 --> 00:54:12,960
mention

1158
00:54:22,549 --> 00:54:19,190
and i post this on my twitter you can

1159
00:54:24,549 --> 00:54:22,559
check it out so they did tests um called

1160
00:54:25,670 --> 00:54:24,559
buster jingle

1161
00:54:30,150 --> 00:54:25,680
and

1162
00:54:32,790 --> 00:54:30,160
uh 51 i believe it was maybe 52. um but

1163
00:54:35,829 --> 00:54:32,800

it was regarding the

1164

00:54:38,630 --> 00:54:35,839

um something called special phenomenon

1165

00:54:41,589 --> 00:54:38,640

regarding these tests right and part of

1166

00:54:44,390 --> 00:54:41,599

it was electromagnetic disturbances

1167

00:54:45,990 --> 00:54:44,400

which created big

1168

00:54:48,390 --> 00:54:46,000

disturbances

1169

00:54:51,109 --> 00:54:48,400

in the electromagnetic spectrum the

1170

00:54:53,270 --> 00:54:51,119

atomic blast did

1171

00:54:54,470 --> 00:54:53,280

and we hear a lot that these

1172

00:54:58,309 --> 00:54:54,480

ufos

1173

00:55:00,630 --> 00:54:58,319

may have something to do with uh electro

1174

00:55:02,870 --> 00:55:00,640

magnet uh spectrum the electromagnetic

1175

00:55:05,430 --> 00:55:02,880

spectrum

1176
00:55:09,109 --> 00:55:05,440
now i'm just thinking

1177
00:55:11,750 --> 00:55:09,119
and this is speculation so if

1178
00:55:14,630 --> 00:55:11,760
with the amount of blasts

1179
00:55:16,230 --> 00:55:14,640
that we have conducted

1180
00:55:19,030 --> 00:55:16,240
and the amount of sightings that have

1181
00:55:22,549 --> 00:55:19,040
been seen in these areas

1182
00:55:22,559 --> 00:55:27,109
created some sort of way for travel

1183
00:55:34,549 --> 00:55:30,150
to make an easier travel or something

1184
00:55:39,829 --> 00:55:37,109
could possibly be

1185
00:55:41,670 --> 00:55:39,839
especially what if there are other so

1186
00:55:43,510 --> 00:55:41,680
this is more

1187
00:55:45,190 --> 00:55:43,520
a dimensional kind of thing and i'm not

1188
00:55:47,750 --> 00:55:45,200

a scientist i can't answer this stuff

1189

00:55:51,510 --> 00:55:47,760

right but what if we're blowing holes in

1190

00:55:56,710 --> 00:55:53,829

who knows

1191

00:56:00,789 --> 00:55:56,720

they're obviously they obviously found

1192

00:56:03,990 --> 00:56:00,799

uh a lot of anomalies in the em spectrum

1193

00:56:06,230 --> 00:56:04,000

during these atomic blasts

1194

00:56:07,589 --> 00:56:06,240

and during a long course of these blasts

1195

00:56:09,589 --> 00:56:07,599

they were still investigating the

1196

00:56:11,510 --> 00:56:09,599

different phenomenon

1197

00:56:13,510 --> 00:56:11,520

that happened with them that they didn't

1198

00:56:20,789 --> 00:56:13,520

know about

1199

00:56:29,030 --> 00:56:22,789

yeah they do like meteors and stuff

1200

00:56:35,030 --> 00:56:31,030

sure so

1201
00:56:37,109 --> 00:56:35,040
i just think that is pretty interesting

1202
00:56:39,750 --> 00:56:37,119
pretty pretty interesting

1203
00:56:48,150 --> 00:56:41,750
so i think there would could be a couple

1204
00:56:53,510 --> 00:56:50,870
if i was a different intelligence

1205
00:56:56,789 --> 00:56:53,520
and i saw somebody

1206
00:57:02,870 --> 00:56:59,510
completely destroying it

1207
00:57:05,589 --> 00:57:02,880
possibly destroying our

1208
00:57:08,230 --> 00:57:05,599
magnetic geomagnetic field around our

1209
00:57:11,109 --> 00:57:08,240
earth that protects us

1210
00:57:13,510 --> 00:57:11,119
from solar flares and other things

1211
00:57:19,430 --> 00:57:13,520
and radiation

1212
00:57:23,990 --> 00:57:21,430
you know maybe they don't have to care

1213
00:57:27,829 --> 00:57:24,000

about us to care about what happens to

1214

00:57:30,230 --> 00:57:27,839

the the galaxy so to speak right

1215

00:57:33,589 --> 00:57:30,240

but again

1216

00:57:38,549 --> 00:57:37,030

you know but it'd be nice to know

1217

00:57:40,549 --> 00:57:38,559

but i think there's enough evidence with

1218

00:57:42,470 --> 00:57:40,559

this atomic stuff

1219

00:57:44,549 --> 00:57:42,480

you know along with the sightings around

1220

00:57:46,150 --> 00:57:44,559

the places

1221

00:57:47,750 --> 00:57:46,160

all the people in the air force that

1222

00:57:50,789 --> 00:57:47,760

work on

1223

00:57:52,789 --> 00:57:50,799

with the atomic energy commission

1224

00:57:55,750 --> 00:57:52,799

atomic weapons

1225

00:57:57,510 --> 00:57:55,760

involved in ufo investigations

1226
00:57:59,430 --> 00:57:57,520
there's obviously

1227
00:58:02,150 --> 00:57:59,440
if there's not a connection there they

1228
00:58:04,630 --> 00:58:02,160
at least think there is one

1229
00:58:05,750 --> 00:58:04,640
so or was

1230
00:58:11,270 --> 00:58:05,760
so

1231
00:58:16,789 --> 00:58:14,630
before i get out of here for the day

1232
00:58:26,260 --> 00:58:16,799
you all know what it is

1233
00:58:26,270 --> 00:58:31,430
[Music]

1234
00:58:33,990 --> 00:58:32,549
all right

1235
00:58:34,829 --> 00:58:34,000
so we go

1236
00:58:37,670 --> 00:58:34,839
here we

1237
00:58:38,470 --> 00:58:37,680
go um quick comment yeah nothing stopped

1238
00:58:40,710 --> 00:58:38,480

us

1239

00:58:43,510 --> 00:58:40,720

i'm not saying that anything came here

1240

00:58:45,910 --> 00:58:43,520

to stop us as much as

1241

00:58:48,470 --> 00:58:45,920

maybe that's not the goal maybe it's

1242

00:58:51,510 --> 00:58:48,480

just see what the heck is that

1243

00:58:52,950 --> 00:58:51,520

what's happening

1244

00:58:54,390 --> 00:58:52,960

i don't know

1245

00:58:56,309 --> 00:58:54,400

you know

1246

00:58:59,430 --> 00:58:56,319

i'm not sure

1247

00:59:01,990 --> 00:58:59,440

maybe they checked it out

1248

00:59:05,109 --> 00:59:02,000

and decided you know what it's not going

1249

00:59:06,950 --> 00:59:05,119

to do anything to us

1250

00:59:09,270 --> 00:59:06,960

i don't know i don't think they're

1251

00:59:11,990 --> 00:59:09,280

i definitely don't think they're here to

1252

00:59:14,150 --> 00:59:12,000

stop it or save us that's for sure

1253

00:59:16,789 --> 00:59:14,160

so

1254

00:59:19,030 --> 00:59:16,799

you know maybe saving it isn't in the

1255

00:59:20,630 --> 00:59:19,040

cards or stopping it

1256

00:59:22,549 --> 00:59:20,640

i would

1257

00:59:24,710 --> 00:59:22,559

kind of assume it is not to be quite

1258

00:59:26,069 --> 00:59:24,720

honest with you

1259

00:59:29,190 --> 00:59:26,079

but maybe they're doing their own

1260

00:59:30,549 --> 00:59:29,200

research on it or maybe they travel here

1261

00:59:32,390 --> 00:59:30,559

somehow

1262

00:59:35,510 --> 00:59:32,400

through the deviations in the em

1263

00:59:39,349 --> 00:59:35,520

spectrum or something i don't know

1264

00:59:43,589 --> 00:59:41,510

maybe

1265

00:59:45,510 --> 00:59:43,599

it's misinformation so we think it's

1266

00:59:47,589 --> 00:59:45,520

connected

1267

00:59:49,270 --> 00:59:47,599

but it really isn't

1268

00:59:52,789 --> 00:59:49,280

maybe we're fed a bunch of bullcrap so

1269

00:59:52,799 --> 00:59:57,670

related but in reality it is not

1270

00:59:57,680 --> 01:00:02,630

all questions no answers

1271

01:00:02,640 --> 01:00:07,430

um yeah so what the heck is that

1272

01:00:11,510 --> 01:00:08,789

we are currently

1273

01:00:14,069 --> 01:00:11,520

currently receiving downlink from

1274

01:00:18,630 --> 01:00:14,079

discovery as it passes over the pacific

1275

01:00:24,549 --> 01:00:21,030

once again the cirrus is part of the

1276

01:00:31,910 --> 01:00:27,430

the problems that have occurred with the

1277

01:00:35,190 --> 01:00:31,920

two tape recorders on afp 675 have had

1278

01:00:36,390 --> 01:00:35,200

no impact on cirrus cirrus is performing

1279

01:00:39,109 --> 01:00:36,400

quite well

1280

01:00:40,630 --> 01:00:39,119

the community the payload community

1281

01:00:43,510 --> 01:00:40,640

working with that

1282

01:00:45,510 --> 01:00:43,520

particular instrument is very happy with

1283

01:00:51,589 --> 01:00:45,520

the active with the data that they've

1284

01:00:51,599 --> 01:01:00,150

cirrus is the primary payload on afp675

1285

01:01:03,430 --> 01:01:01,670

the recorders

1286

01:01:06,150 --> 01:01:03,440

in question

1287

01:01:09,030 --> 01:01:06,160

are related to the secondary payloads

1288

01:01:11,589 --> 01:01:09,040

specifically the far uv

1289

01:01:13,990 --> 01:01:11,599

which is

1290

01:01:16,069 --> 01:01:14,000

which performs imaging and

1291

01:01:17,829 --> 01:01:16,079

photometry of natural and manmade

1292

01:01:20,789 --> 01:01:17,839

ultraviolet emissions

1293

01:01:22,710 --> 01:01:20,799

the uniformly redundant array or ura

1294

01:01:25,430 --> 01:01:22,720

which measures spectral and spatial

1295

01:01:28,230 --> 01:01:25,440

characteristics of the earth's horizon

1296

01:01:29,990 --> 01:01:28,240

and quims the quadrupole ion neutral

1297

01:01:35,190 --> 01:01:30,000

spectrometer which determines and

1298

01:01:40,230 --> 01:01:37,670

clay the far uv

1299

01:01:42,630 --> 01:01:40,240

which is

1300

01:01:44,710 --> 01:01:42,640

which performs imaging and

1301
01:01:46,470 --> 01:01:44,720
photometry of natural and manmade

1302
01:01:49,670 --> 01:01:46,480
ultraviolet emissions

1303
01:01:52,150 --> 01:01:49,680
the uniformly redundant array or ura

1304
01:01:54,630 --> 01:01:52,160
i thought that was an interesting one

1305
01:02:01,190 --> 01:01:54,640
what the heck is that

1306
01:02:05,750 --> 01:02:03,029
our area our colt miller talked to the

1307
01:02:10,870 --> 01:02:05,760
local man who says he saw something out

1308
01:02:15,990 --> 01:02:12,950
out here it's quiet anyway so and the

1309
01:02:23,109 --> 01:02:20,230
it was literally right up there

1310
01:02:25,829 --> 01:02:23,119
not the trees but way up in the sky

1311
01:02:28,150 --> 01:02:25,839
sitting on that tailgate staring up into

1312
01:02:28,870 --> 01:02:28,160
the dark night whoa there it goes look

1313
01:02:32,069 --> 01:02:28,880

at it

1314

01:02:34,870 --> 01:02:32,079

see oh my god let's do it now a sight

1315

01:02:37,510 --> 01:02:34,880

one family won't soon forget

1316

01:02:39,990 --> 01:02:37,520

what is that i was in bed

1317

01:02:41,990 --> 01:02:40,000

my wife came home and uh she was putting

1318

01:02:43,510 --> 01:02:42,000

some groceries away and she come running

1319

01:02:44,630 --> 01:02:43,520

come out husband you got to see this

1320

01:02:46,710 --> 01:02:44,640

there's something in the sky and i can't

1321

01:02:49,670 --> 01:02:46,720

explain it at their gaston home i think

1322

01:02:52,390 --> 01:02:49,680

it was january 11th david stone takes us

1323

01:02:55,589 --> 01:02:52,400

through that strange encounter and it

1324

01:02:56,630 --> 01:02:55,599

was a spinning colorful light and it was

1325

01:03:01,589 --> 01:02:56,640

too

1326

01:03:04,230 --> 01:03:01,599

wasn't right here you know it was like

1327

01:03:05,670 --> 01:03:04,240

what could it be is it coming closer to

1328

01:03:08,390 --> 01:03:05,680

us no

1329

01:03:10,950 --> 01:03:08,400

yes it is this shaky cell phone video

1330

01:03:12,789 --> 01:03:10,960

showing those dancing lights it would

1331

01:03:13,990 --> 01:03:12,799

spin and it would get

1332

01:03:15,750 --> 01:03:14,000

bigger and bigger and bigger and then it

1333

01:03:17,990 --> 01:03:15,760

would just poof just

1334

01:03:20,069 --> 01:03:18,000

go away for like i don't know

1335

01:03:22,630 --> 01:03:20,079

a quarter mile half mile just gone and

1336

01:03:24,309 --> 01:03:22,640

then come right back got us all fired up

1337

01:03:26,470 --> 01:03:24,319

huh little buddy

1338

01:03:28,630 --> 01:03:26,480

i was inside looking from the window

1339

01:03:31,109 --> 01:03:28,640

sharing it on social media his wife

1340

01:03:34,069 --> 01:03:31,119

began to see some feedback that's when

1341

01:03:36,710 --> 01:03:34,079

tom bowden at mufon the mutual ufo

1342

01:03:38,710 --> 01:03:36,720

network started his investigation

1343

01:03:41,430 --> 01:03:38,720

looking into things like air traffic

1344

01:03:43,510 --> 01:03:41,440

patterns as well as astronomy eventually

1345

01:03:47,190 --> 01:03:43,520

concluding whatever that flashing orb

1346

01:03:48,630 --> 01:03:47,200

was was an unidentified flying object

1347

01:03:50,309 --> 01:03:48,640

nobody could say one way or the other

1348

01:03:52,789 --> 01:03:50,319

what it was you said you're a skeptic

1349

01:03:54,470 --> 01:03:52,799

are you still saying him i am i i you

1350

01:03:55,589 --> 01:03:54,480

know it was just bizarre do you believe

1351

01:03:58,150 --> 01:03:55,599

there's

1352

01:03:59,109 --> 01:03:58,160

other beings out there in the space

1353

01:04:01,109 --> 01:03:59,119

world

1354

01:04:02,549 --> 01:04:01,119

i don't know god didn't he created the

1355

01:04:04,309 --> 01:04:02,559

heaven and the earth so i guess there's

1356

01:04:07,190 --> 01:04:04,319

there's more to it than that down here

1357

01:04:09,670 --> 01:04:07,200

we may never know everything going on up

1358

01:04:12,390 --> 01:04:09,680

there in the meantime we'll continue to

1359

01:04:16,230 --> 01:04:12,400

gaze at the skies and wonder are we

1360

01:04:18,309 --> 01:04:16,240

alone or are we in the cosmic company of

1361

01:04:20,150 --> 01:04:18,319

something much bigger it'd be nice to

1362

01:04:21,829 --> 01:04:20,160

have an explanation though i'd imagine

1363

01:04:26,230 --> 01:04:21,839

i'll look it up when i get up there in

1364

01:04:29,990 --> 01:04:26,240

gaston cole miller coin 6 news

1365

01:04:32,150 --> 01:04:30,000

what a good story you can see the video

1366

01:04:33,990 --> 01:04:32,160

in facebook i'm out here again facebook

1367

01:04:36,230 --> 01:04:34,000

y'all see what i see

1368

01:04:38,309 --> 01:04:36,240

do y'all see that or is my mind is my

1369

01:04:40,470 --> 01:04:38,319

eyes the only one playing tricks

1370

01:04:43,270 --> 01:04:40,480

come on now am i the only one tell me

1371

01:04:45,829 --> 01:04:43,280

i'm my mind going crazy and that i'm the

1372

01:04:48,549 --> 01:04:45,839

only one see this

1373

01:04:51,589 --> 01:04:48,559

my mama my stepdad my my

1374

01:04:55,070 --> 01:04:51,599

god mama everybody think i'm going crazy

1375

01:05:03,430 --> 01:04:55,080

it's moving too i'm hoping

1376

01:05:03,440 --> 01:05:10,470

some are staying still some are moving

1377

01:05:10,480 --> 01:05:13,990

[h__\h] is this

1378

01:05:24,630 --> 01:05:15,829

there's no beam going up to show that

1379

01:05:24,640 --> 01:05:27,430

it's crazy

1380

01:05:39,430 --> 01:05:29,910

you already know what that is

1381

01:05:43,430 --> 01:05:41,109

well this sounds like something out of a

1382

01:05:46,710 --> 01:05:43,440

science fiction movie but some here in

1383

01:05:49,430 --> 01:05:46,720

northeast ohio insist they've seen

1384

01:05:52,069 --> 01:05:49,440

unidentified flying objects here saying

1385

01:05:55,109 --> 01:05:52,079

we're even in a hot spot for sightings

1386

01:05:57,029 --> 01:05:55,119

okay so science fiction or the real deal

1387

01:05:59,109 --> 01:05:57,039

what do you think recent study found a

1388

01:06:01,510 --> 01:05:59,119

majority of americans about 56 percent

1389

01:06:03,990 --> 01:06:01,520

believe ufos are real bother your side

1390

01:06:06,309 --> 01:06:04,000

investigator joe paganakis introduces us

1391

01:06:08,710 --> 01:06:06,319

to some local people who think they've

1392

01:06:12,150 --> 01:06:08,720

captured something on their cameras from

1393

01:06:15,750 --> 01:06:13,990

[Applause]

1394

01:06:18,470 --> 01:06:15,760

catching the unexplained the

1395

01:06:20,150 --> 01:06:18,480

unidentified on video and i seen this

1396

01:06:22,870 --> 01:06:20,160

light come out of like the lake

1397

01:06:25,829 --> 01:06:22,880

northeast ohio ufo videographers sharing

1398

01:06:26,710 --> 01:06:25,839

their images online there ain't no plane

1399

01:06:28,549 --> 01:06:26,720

no

1400

01:06:30,069 --> 01:06:28,559

hey everybody check this out y'all come

1401

01:06:32,870 --> 01:06:30,079

here y'all look at this raising

1402

01:06:35,270 --> 01:06:32,880

questions and commentary from skeptics

1403

01:06:37,829 --> 01:06:35,280

believers and the open-minded there's

1404

01:06:41,910 --> 01:06:37,839

another one there's a third one

1405

01:06:44,870 --> 01:06:41,920

that we may not be alone what i saw

1406

01:06:46,950 --> 01:06:44,880

i can't explain some don't try to define

1407

01:06:49,349 --> 01:06:46,960

what they've recorded that's above my

1408

01:06:51,750 --> 01:06:49,359

pay grade while others are sure what

1409

01:06:52,870 --> 01:06:51,760

they captured with their camera wait

1410

01:06:55,589 --> 01:06:52,880

wait

1411

01:06:57,990 --> 01:06:55,599

oh do we have three is not from this

1412

01:06:59,029 --> 01:06:58,000

world and there were three saucers above

1413

01:07:01,349 --> 01:06:59,039

me

1414

01:07:02,870 --> 01:07:01,359

one on each point of an equilateral

1415

01:07:05,190 --> 01:07:02,880

triangle

1416

01:07:07,190 --> 01:07:05,200

each of the ufo videographers we talked

1417

01:07:09,190 --> 01:07:07,200

to say their sightings changed their

1418

01:07:10,549 --> 01:07:09,200

lives within seven minutes or so it

1419

01:07:12,390 --> 01:07:10,559

disappeared

1420

01:07:14,230 --> 01:07:12,400

and then it came back but as you might

1421

01:07:16,710 --> 01:07:14,240

guess not all of their family and

1422

01:07:20,230 --> 01:07:16,720

friends believe what is pictured here is

1423

01:07:22,870 --> 01:07:20,240

an actual ufo so this actual activity

1424

01:07:25,829 --> 01:07:22,880

has been going on over lake erie for a

1425

01:07:28,230 --> 01:07:25,839

very long time videos of ufos shot by

1426

01:07:30,230 --> 01:07:28,240

michael lee hill a native of east lake

1427

01:07:32,630 --> 01:07:30,240

have generated hundreds of thousands of

1428

01:07:34,470 --> 01:07:32,640

views even featured on the history

1429

01:07:36,069 --> 01:07:34,480

channel you can see this ball of light

1430

01:07:37,990 --> 01:07:36,079

come down all of a sudden you can see

1431

01:07:40,950 --> 01:07:38,000

its reflection on the lake these were

1432

01:07:43,349 --> 01:07:40,960

orange they were solid nothing blinking

1433

01:07:45,029 --> 01:07:43,359

and no sound at all just last year nate

1434

01:07:47,109 --> 01:07:45,039

ellis used his cell phone to capture

1435

01:07:49,270 --> 01:07:47,119

this formation of unexplained lights

1436

01:07:51,510 --> 01:07:49,280

hovering over his cleveland home trying

1437

01:07:53,029 --> 01:07:51,520

to think of anything logical

1438

01:07:57,510 --> 01:07:53,039

maybe it could be

1439

01:07:59,510 --> 01:07:57,520

flares or something like that but again

1440

01:08:00,710 --> 01:07:59,520

the way they were moving it was just a

1441

01:08:03,270 --> 01:08:00,720

difference and then they were in a

1442

01:08:04,870 --> 01:08:03,280

formation i was amazed

1443

01:08:06,870 --> 01:08:04,880

i was amazed i didn't know what to think

1444

01:08:08,549 --> 01:08:06,880

sam phillips of brooklyn captured one of

1445

01:08:10,630 --> 01:08:08,559

northeast ohio's most talked about

1446

01:08:12,630 --> 01:08:10,640

sightings over key tower in downtown

1447

01:08:15,109 --> 01:08:12,640

cleveland what the hell is it during a

1448

01:08:17,269 --> 01:08:15,119

piece vigil in march of 2007. there it

1449

01:08:19,669 --> 01:08:17,279

goes dozens of people saw what appeared

1450

01:08:21,510 --> 01:08:19,679

to be an unexplained object but i've

1451

01:08:22,789 --> 01:08:21,520

never seen them like and and

1452

01:08:25,110 --> 01:08:22,799

the tape

1453

01:08:28,309 --> 01:08:25,120

does not pick up the brightness i

1454

01:08:29,510 --> 01:08:28,319

believe that this area uh in the outer

1455

01:08:31,829 --> 01:08:29,520

cleveland here

1456

01:08:33,749 --> 01:08:31,839

is uh is a hot spot dale harder with

1457

01:08:35,990 --> 01:08:33,759

cleveland's ufology project one of the

1458

01:08:38,550 --> 01:08:36,000

world's oldest ufo organizations

1459

01:08:40,789 --> 01:08:38,560

established in 1952 actually

1460

01:08:43,189 --> 01:08:40,799

investigates sightings in this region of

1461

01:08:45,829 --> 01:08:43,199

the united states harter says citing

1462

01:08:49,110 --> 01:08:45,839

statistics from the mutual ufo network

1463

01:08:51,669 --> 01:08:49,120

or mufon show ohio in the top five for

1464

01:08:53,990 --> 01:08:51,679

ufo reports and while harder believes

1465

01:08:56,550 --> 01:08:54,000

some ufo sightings are legitimate he

1466

01:08:58,789 --> 01:08:56,560

also says growing camera technology is

1467

01:09:00,309 --> 01:08:58,799

generating plenty of fakes everybody's

1468

01:09:02,149 --> 01:09:00,319

carrying a cell phone these days and

1469

01:09:06,070 --> 01:09:02,159

everybody's picking things up

1470

01:09:07,349 --> 01:09:06,080

aside from those that like to perpetrate

1471

01:09:08,950 --> 01:09:07,359

hoaxes

1472

01:09:11,189 --> 01:09:08,960

there is a lot of garbage out there so

1473

01:09:13,430 --> 01:09:11,199

you have to be careful

1474

01:09:15,990 --> 01:09:13,440

meanwhile ellis takes a more practical

1475

01:09:18,470 --> 01:09:16,000

approach to his video sighting

1476

01:09:22,070 --> 01:09:18,480

unwilling to even try to explain what he

1477

01:09:24,789 --> 01:09:22,080

saw that night on the cleveland skyline

1478

01:09:27,189 --> 01:09:24,799

only asking everyone

1479

01:09:29,590 --> 01:09:27,199

to keep an open mind and i definitely

1480

01:09:33,430 --> 01:09:29,600

look up

1481

01:09:35,430 --> 01:09:33,440

you never know man you catch something

1482

01:09:37,189 --> 01:09:35,440

who knows what you'll catch next time

1483

01:09:38,470 --> 01:09:37,199

reporting on the skies over northeast

1484

01:09:40,580 --> 01:09:38,480

ohio

1485

01:09:42,229 --> 01:09:40,590

joe paganakis news 5.

1486

01:09:44,950 --> 01:09:42,239

[Applause]

1487

01:09:46,829 --> 01:09:44,960

well the cleveland ufology project holds

1488

01:09:49,260 --> 01:09:46,839

its next meeting

1489

01:09:53,510 --> 01:09:49,270

saturday good stuff good stuff

1490

01:10:00,229 --> 01:09:56,149

good stuff and there is uh more but

1491

01:10:05,270 --> 01:10:02,950

gonna get out of here and i did kind of

1492

01:10:08,070 --> 01:10:05,280

make somewhat of a

1493

01:10:09,030 --> 01:10:08,080

special project to ditch out on for

1494

01:10:12,390 --> 01:10:09,040

today

1495

01:10:15,270 --> 01:10:13,830

you know if you don't like it that's

1496

01:10:17,669 --> 01:10:15,280

fine it shows over you can get out of

1497

01:10:19,990 --> 01:10:17,679

here but it's just like a song i made

1498

01:10:21,189 --> 01:10:20,000

kind of sounds like radiohead and i put

1499

01:10:22,790 --> 01:10:21,199

it to

1500

01:10:26,390 --> 01:10:22,800

an assortment of

1501

01:10:28,390 --> 01:10:26,400

nuclear bomb tests so

1502

01:10:30,630 --> 01:10:28,400

i appreciate your time here everybody

1503

01:10:32,149 --> 01:10:30,640

for hanging out um i really do

1504

01:10:34,229 --> 01:10:32,159

appreciate that

1505

01:10:35,350 --> 01:10:34,239

um

1506

01:10:38,229 --> 01:10:35,360

i'll be back

1507

01:10:41,030 --> 01:10:38,239

tomorrow uh with mike cleland

1508

01:10:43,350 --> 01:10:41,040

um who

1509

01:10:47,430 --> 01:10:43,360

he's an author he wrote the messengers

1510

01:10:48,870 --> 01:10:47,440

um a really really interesting person um

1511

01:10:55,350 --> 01:10:48,880

i

01:11:32,630 --> 01:11:30,520
uh you must hate it

1528
01:11:35,030 --> 01:11:32,640
[Music]

1529
01:11:37,830 --> 01:11:35,040
it's kind of about

1530
01:11:40,390 --> 01:11:37,840
what people do to the earth

1531
01:11:42,830 --> 01:11:40,400
so you can't really hear the lyrics but

1532
01:11:47,020 --> 01:11:42,840
i did that on purpose

1533
01:11:47,030 --> 01:11:57,560
[Laughter]

1534
01:13:13,590 --> 01:12:14,530
[Music]

1535
01:13:13,600 --> 01:13:16,870
yes

1536
01:13:40,530 --> 01:13:28,080
[Music]

1537
01:13:55,030 --> 01:13:40,540
smooth

1538
01:14:09,750 --> 01:13:55,040

[Music]

1539

01:14:09,760 --> 01:14:14,160

this

1540

01:14:26,630 --> 01:14:20,980

[Music]

1541

01:14:26,640 --> 01:14:33,590

hey

1542

01:14:33,600 --> 01:14:36,950
