

1
00:00:11,240 --> 00:00:38,030

thank you

2
00:00:43,130 --> 00:00:40,610

what's up everybody

3
00:00:45,590 --> 00:00:43,140

happy Monday hope you're having a great

4
00:00:48,049 --> 00:00:45,600

start to the week

5
00:00:50,450 --> 00:00:48,059

um I know I'm having a pretty good start

6
00:00:52,610 --> 00:00:50,460

to the week so

7
00:00:55,910 --> 00:00:52,620

um thanks for joining me I really do

8
00:00:57,889 --> 00:00:55,920

appreciate it I am in the middle of a

9
00:00:59,990 --> 00:00:57,899

couple things you'll notice uh I don't

10
00:01:02,029 --> 00:01:00,000

have the green screen

11
00:01:03,110 --> 00:01:02,039

um and I have a wall full of Blue Book

12
00:01:06,170 --> 00:01:03,120

photos

13
00:01:10,310 --> 00:01:06,180

that is because I'm working on

14

00:01:12,350 --> 00:01:10,320

kind of like a a short movie or movie

15

00:01:14,390 --> 00:01:12,360

um I've been going back and forth on

16

00:01:16,429 --> 00:01:14,400

this and and what I want to do if I want

17

00:01:19,730 --> 00:01:16,439

to do anything I figured I might as well

18

00:01:22,490 --> 00:01:19,740

try making a movie it may suck you know

19

00:01:24,230 --> 00:01:22,500

but it's something I want to do so I

20

00:01:25,550 --> 00:01:24,240

might as well do it

21

00:01:27,649 --> 00:01:25,560

so

22

00:01:32,510 --> 00:01:27,659

um that's what that's about it's

23

00:01:34,670 --> 00:01:32,520

basically a scene in the movie so

24

00:01:38,810 --> 00:01:34,680

it should be pretty cool hopefully

25

00:01:43,749 --> 00:01:41,810

so uh what's up to everybody we have

26

00:01:49,190 --> 00:01:43,759

Josh in here Sarah

27

00:01:52,969 --> 00:01:50,870

um everybody else who's in here Graham

28

00:01:56,510 --> 00:01:52,979

what's up uh appreciate everybody

29

00:01:58,490 --> 00:01:56,520

hanging out I really do uh spinny2010

30

00:02:01,789 --> 00:01:58,500

thanks for hanging out

31

00:02:03,889 --> 00:02:01,799

uh you guys are the best I do appreciate

32

00:02:06,590 --> 00:02:03,899

it yeah and when I say like making a

33

00:02:09,229 --> 00:02:06,600

movie like not I'm not like trying to

34

00:02:12,170 --> 00:02:09,239

make some Hollywood movie or anything

35

00:02:13,850 --> 00:02:12,180

um just like homemade all that kind of

36

00:02:14,630 --> 00:02:13,860

stuff you know

37

00:02:16,970 --> 00:02:14,640

um

38

00:02:18,830 --> 00:02:16,980

I've gone back and forth on it you know

39

00:02:21,589 --> 00:02:18,840

I decided to do it and then I decided

40

00:02:24,229 --> 00:02:21,599

not to then decided to you know how that

41

00:02:26,390 --> 00:02:24,239

goes but at the end of the day

42

00:02:29,690 --> 00:02:26,400

I just gotta give what I want to do a

43

00:02:33,229 --> 00:02:29,700

try so that's what I'm gonna do and

44

00:02:38,229 --> 00:02:36,050

I'm sure it'll be at least uh better

45

00:02:41,030 --> 00:02:38,239

than I give myself credit for because

46

00:02:43,009 --> 00:02:41,040

that usually is the case for things is

47

00:02:45,530 --> 00:02:43,019

I'm pretty down on myself

48

00:02:49,009 --> 00:02:45,540

and things turn out to be not that bad

49

00:02:53,750 --> 00:02:51,170

if I just keep along with that train of

50

00:02:56,509 --> 00:02:53,760

thought I think everything will be okay

51
00:02:59,509 --> 00:02:56,519
um I'm not sure if you guys

52
00:03:01,130 --> 00:02:59,519
um yeah Josh says we get it it's an

53
00:03:03,170 --> 00:03:01,140
adult film

54
00:03:09,589 --> 00:03:03,180
um no

55
00:03:12,949 --> 00:03:11,149
uh today

56
00:03:15,070 --> 00:03:12,959
oh first of all I should tell you guys

57
00:03:18,949 --> 00:03:15,080
that um

58
00:03:22,009 --> 00:03:18,959
we got a pretty cool guest for Wednesday

59
00:03:26,690 --> 00:03:22,019
if you haven't seen

60
00:03:28,729 --> 00:03:26,700
um and that is Mr George Knapp and com

61
00:03:30,770 --> 00:03:28,739
um who wrote the book um

62
00:03:34,070 --> 00:03:30,780
skinwalkers at the Pentagon and they

63
00:03:37,369 --> 00:03:34,080

also hunt for for Skinwalker a couple

64

00:03:39,289 --> 00:03:37,379

great books so I was just

65

00:03:41,869 --> 00:03:39,299

today earlier today I was just brushing

66

00:03:44,030 --> 00:03:41,879

up on some of Collins interviews

67

00:03:46,250 --> 00:03:44,040

uh whichever you missed love I think his

68

00:03:50,149 --> 00:03:46,260

name is mishlov I'm not sure how to

69

00:03:51,830 --> 00:03:50,159

pronounce his last name but um bad

70

00:03:53,929 --> 00:03:51,840

he's got a

71

00:03:55,369 --> 00:03:53,939

a lot of very interesting things to talk

72

00:03:57,350 --> 00:03:55,379

about

73

00:03:58,970 --> 00:03:57,360

um I can say that so

74

00:04:00,830 --> 00:03:58,980

one thing

75

00:04:02,869 --> 00:04:00,840

so that'll be on Wednesday can't wait to

76

00:04:05,570 --> 00:04:02,879

do that with you guys

77

00:04:07,910 --> 00:04:05,580

um one thing that I wanted to let you

78

00:04:09,789 --> 00:04:07,920

know of is that apparently today or at

79

00:04:13,970 --> 00:04:09,799

least March 2022

80

00:04:17,810 --> 00:04:13,980

which is just about over we're supposed

81

00:04:20,530 --> 00:04:17,820

to get well not us but Congress in some

82

00:04:23,150 --> 00:04:20,540

committees like uh Senator

83

00:04:25,189 --> 00:04:23,160

arms committee all that kind of stuff

84

00:04:26,870 --> 00:04:25,199

it's supposed to get briefed on the uaps

85

00:04:28,790 --> 00:04:26,880

so

86

00:04:30,530 --> 00:04:28,800

um that's pretty good news we'll see how

87

00:04:33,409 --> 00:04:30,540

it goes that's how it's what's supposed

88

00:04:35,570 --> 00:04:33,419

to happen now there's a lot of uh stuff

89

00:04:38,570 --> 00:04:35,580

going on right now in Russia and Korea

90

00:04:40,249 --> 00:04:38,580

and and all that kind of stuff so I'm

91

00:04:41,689 --> 00:04:40,259

not sure how that works if they can

92

00:04:43,730 --> 00:04:41,699

delay it because other things are

93

00:04:47,570 --> 00:04:43,740

pressing or whatever but

94

00:04:49,610 --> 00:04:47,580

um I hope that it happens so

95

00:04:52,670 --> 00:04:49,620

uh we'll see what the deal is there I'm

96

00:04:54,770 --> 00:04:52,680

not sure even we'd find out anything

97

00:04:57,050 --> 00:04:54,780

um I'm sure if it was like uh aliens are

98

00:04:58,550 --> 00:04:57,060

here and they're about to

99

00:04:59,990 --> 00:04:58,560

um you know take our babies and kill us

100

00:05:03,050 --> 00:05:00,000

all I'm sure somebody would leak

101
00:05:04,730 --> 00:05:03,060
something right but um if it's more of

102
00:05:06,650 --> 00:05:04,740
like uh I don't know these things are

103
00:05:10,610 --> 00:05:06,660
pretty crazy still

104
00:05:13,909 --> 00:05:10,620
since 47 that things are just crazy

105
00:05:16,249 --> 00:05:13,919
still are and we don't know then we

106
00:05:19,370 --> 00:05:16,259
probably wouldn't hear anything but

107
00:05:21,050 --> 00:05:19,380
time will tell

108
00:05:25,430 --> 00:05:21,060
so

109
00:05:28,670 --> 00:05:25,440
um what I want to start with actually is

110
00:05:31,310 --> 00:05:28,680
we're gonna go a little on the

111
00:05:33,230 --> 00:05:31,320
um because you know we cover uh pilot

112
00:05:36,529 --> 00:05:33,240
accounts and

113
00:05:38,870 --> 00:05:36,539

um you know their testimony the the

114

00:05:41,029 --> 00:05:38,880

visual and radar sightings we cover

115

00:05:45,110 --> 00:05:41,039

those all the time and we have so many

116

00:05:49,670 --> 00:05:45,120

of those in the witness library for sure

117

00:05:52,610 --> 00:05:49,680

um so this time today I wanted to dive

118

00:05:55,850 --> 00:05:52,620

into I guess people like to call it the

119

00:05:59,090 --> 00:05:55,860

highest Rangers side of things right so

120

00:06:00,770 --> 00:05:59,100

you know if you spend enough time

121

00:06:04,070 --> 00:06:00,780

um in this topic none of this will be

122

00:06:05,870 --> 00:06:04,080

Askew to you but the first thing I'm

123

00:06:08,390 --> 00:06:05,880

going to start with is some audio

124

00:06:09,950 --> 00:06:08,400

testimony and I'm going to be hearing it

125

00:06:12,830 --> 00:06:09,960

for the first time along with you this

126
00:06:15,770 --> 00:06:12,840
is random I just picked it it's uh

127
00:06:17,510 --> 00:06:15,780
Edward Robinson of Calgary Canada is

128
00:06:20,749 --> 00:06:17,520
interviewed regarding his alien

129
00:06:22,070 --> 00:06:20,759
abduction in August 1968. so I'm going

130
00:06:25,309 --> 00:06:22,080
to play that we'll hear it for the first

131
00:06:27,770 --> 00:06:25,319
time together after that I'll come back

132
00:06:30,770 --> 00:06:27,780
we'll see what's up and then I have a

133
00:06:32,870 --> 00:06:30,780
very interesting case in California

134
00:06:34,550 --> 00:06:32,880
um that we can take a look at very very

135
00:06:36,290 --> 00:06:34,560
interesting

136
00:06:37,969 --> 00:06:36,300
um in the last thing I wanted to show

137
00:06:41,330 --> 00:06:37,979
other than or what the heck is that

138
00:06:44,210 --> 00:06:41,340

segment towards the end of the show is

139

00:06:47,809 --> 00:06:44,220

um this piece

140

00:06:50,570 --> 00:06:47,819

actually I'm going to share it with you

141

00:06:52,610 --> 00:06:50,580

if I can find it right now mystery wire

142

00:06:56,089 --> 00:06:52,620

actually yeah here it is Mystery wire

143

00:06:56,099 --> 00:07:04,370

this little Congressional research paper

144

00:07:09,050 --> 00:07:05,930

um a while ago a few months back ago

145

00:07:11,870 --> 00:07:09,060

it's called the UFO Enigma Congressional

146

00:07:14,029 --> 00:07:11,880

research uh report for Congress that was

147

00:07:15,830 --> 00:07:14,039

done in 1983.

148

00:07:18,950 --> 00:07:15,840

um so

149

00:07:20,870 --> 00:07:18,960

I kind of randomly in doing my research

150

00:07:23,930 --> 00:07:20,880

like Graham's here Bob Sarah I know

151
00:07:24,830 --> 00:07:23,940
other people here do uh research

152
00:07:26,990 --> 00:07:24,840
um

153
00:07:29,469 --> 00:07:27,000
you'll kind of find yourself in unique

154
00:07:31,550 --> 00:07:29,479
places that you didn't expect

155
00:07:33,650 --> 00:07:31,560
right when you're doing your research

156
00:07:36,710 --> 00:07:33,660
and that's what happened for me so I

157
00:07:40,089 --> 00:07:36,720
found myself looking at this

158
00:07:43,010 --> 00:07:40,099
um Congressional research paper from 19

159
00:07:46,309 --> 00:07:43,020
1983 and I was looking at it it was

160
00:07:49,550 --> 00:07:46,319
about 120 some pages and I never had

161
00:07:51,589 --> 00:07:49,560
seen it before I thought but I just did

162
00:07:53,689 --> 00:07:51,599
a little researching and found that

163
00:07:56,869 --> 00:07:53,699

mystery wire had actually

164

00:07:58,550 --> 00:07:56,879

uh posted this online a few months back

165

00:08:01,610 --> 00:07:58,560

I was like oh cool it's already out

166

00:08:04,309 --> 00:08:01,620

there then I noticed the mystery wire

167

00:08:10,850 --> 00:08:06,890

um is smaller than the one I found

168

00:08:13,550 --> 00:08:10,860

uh they uploaded one with 88 pages

169

00:08:14,270 --> 00:08:13,560

mine the one I found

170

00:08:16,129 --> 00:08:14,280

um

171

00:08:20,450 --> 00:08:16,139

I think it was on a college website

172

00:08:22,249 --> 00:08:20,460

actually oddly enough I had like 129

173

00:08:24,050 --> 00:08:22,259

Pages or something so I went through

174

00:08:25,850 --> 00:08:24,060

them both and

175

00:08:28,430 --> 00:08:25,860

uh we can go through the one I found it

176

00:08:30,529 --> 00:08:28,440

and pick it up at where uh the mystery

177

00:08:34,730 --> 00:08:30,539

Warrior one left off which was like it

178

00:08:36,290 --> 00:08:34,740

run the mufon uh section so

179

00:08:39,110 --> 00:08:36,300

we got some cool things that we can do

180

00:08:40,790 --> 00:08:39,120

today so first like I said we will start

181

00:08:42,769 --> 00:08:40,800

with

182

00:08:55,190 --> 00:08:42,779

this thing

183

00:08:55,200 --> 00:09:00,230

um

184

00:09:05,090 --> 00:09:02,389

we're fixing the highways and I remember

185

00:09:07,610 --> 00:09:05,100

see and I've taken a bird out to the

186

00:09:09,470 --> 00:09:07,620

drive-in and I got to take alarm and I

187

00:09:11,269 --> 00:09:09,480

didn't want to go through that

188

00:09:13,210 --> 00:09:11,279

you haven't dressed so I decided to

189

00:09:19,300 --> 00:09:13,220

teach

190

00:09:48,130 --> 00:09:25,150

[Music]

191

00:09:54,190 --> 00:09:50,389

all right

192

00:09:56,509 --> 00:09:54,200

about 15 minutes to myself I was gonna

193

00:09:58,190 --> 00:09:56,519

responds around and open the door and I

194

00:10:00,470 --> 00:09:58,200

looked at the London

195

00:10:01,310 --> 00:10:00,480

that's that's when I first said it was

196

00:10:03,889 --> 00:10:01,320

uh

197

00:10:06,350 --> 00:10:03,899

we were like being right to it

198

00:10:08,750 --> 00:10:06,360

I don't really know how long it was but

199

00:10:10,190 --> 00:10:08,760

I could see the top and it said I was

200

00:10:11,750 --> 00:10:10,200

throwing shape to it

201
00:10:13,490 --> 00:10:11,760
and I love you would have been playing

202
00:10:16,190 --> 00:10:13,500
at the time

203
00:10:18,410 --> 00:10:16,200
and it sort of figured out and I got a

204
00:10:21,050 --> 00:10:18,420
steady beat the Deep sound

205
00:10:22,850 --> 00:10:21,060
and for the beginning of a funny feeling

206
00:10:24,530 --> 00:10:22,860
I was scared of thinking I went and

207
00:10:26,509 --> 00:10:24,540
didn't stop it turned off

208
00:10:28,009 --> 00:10:26,519
on the restaurant a couple of seconds

209
00:10:30,230 --> 00:10:28,019
and I looked back out the window or

210
00:10:32,449 --> 00:10:30,240
whatever it was where I was done

211
00:10:34,630 --> 00:10:32,459
and it must have been growing too many

212
00:10:37,850 --> 00:10:34,640
speakers

213
00:10:42,410 --> 00:10:37,860

have attempt to be that fast

214

00:10:45,170 --> 00:10:42,420

well the you could see the problem uh

215

00:10:47,870 --> 00:10:45,180

that could you give me any idea how far

216

00:10:50,090 --> 00:10:47,880

the edges were on the side

217

00:10:51,590 --> 00:10:50,100

I think it was about the size of my

218

00:10:53,389 --> 00:10:51,600

account and the son of a bunch of the

219

00:10:56,690 --> 00:10:53,399

truck to the back of the crowd

220

00:10:58,850 --> 00:10:56,700

and there's about six feet high

221

00:11:00,650 --> 00:10:58,860

because I I can't see the taxes I

222

00:11:02,870 --> 00:11:00,660

couldn't see the see the side to the

223

00:11:05,389 --> 00:11:02,880

bottom and it was further

224

00:11:08,030 --> 00:11:05,399

sort of moving back especially those

225

00:11:10,670 --> 00:11:08,040

immaculous plastic runners that you know

226

00:11:13,069 --> 00:11:10,680

cruising there trying to just just

227

00:11:15,260 --> 00:11:13,079

trying to stay in that one spot I

228

00:11:20,150 --> 00:11:15,270

started moving around too much yeah

229

00:11:24,590 --> 00:11:22,550

so I can see the top pretty

230

00:11:27,769 --> 00:11:24,600

pretty good

231

00:11:30,230 --> 00:11:27,779

and they couldn't really see the signs

232

00:11:31,310 --> 00:11:30,240

because I was too far back in the seat

233

00:11:33,410 --> 00:11:31,320

and uh

234

00:11:35,870 --> 00:11:33,420

the truck door was closed and I couldn't

235

00:11:45,950 --> 00:11:35,880

see Nevada and I had to remember close

236

00:12:02,350 --> 00:11:47,290

[Music]

237

00:12:11,410 --> 00:12:06,050

about it was about three feet from a

238

00:12:16,730 --> 00:12:13,850

that compare with the Moonlight and

239

00:12:18,009 --> 00:12:16,740

brightness which is

240

00:12:22,129 --> 00:12:18,019

[Music]

241

00:12:24,470 --> 00:12:22,139

now you're supposed to talk overheating

242

00:12:27,650 --> 00:12:24,480

um has it ever done that thing but

243

00:12:30,550 --> 00:12:27,660

hasn't it so you say you couldn't see

244

00:12:32,990 --> 00:12:30,560

the signs of the redness that just

245

00:12:38,090 --> 00:12:33,000

slipped off at all for the time there

246

00:12:42,350 --> 00:12:40,370

during her record

247

00:12:44,500 --> 00:12:42,360

[Music]

248

00:12:51,170 --> 00:12:44,510

ings

249

00:12:57,290 --> 00:12:54,230

well I was scared I I didn't notice any

250

00:13:01,129 --> 00:12:57,300

reactions from it you know like

251
00:13:02,810 --> 00:13:01,139
you know hanging up you know just about

252
00:13:05,810 --> 00:13:02,820
to get scared

253
00:13:08,389 --> 00:13:05,820
um I I never did feel sick at the

254
00:13:10,009 --> 00:13:08,399
account but I did deal about it for us

255
00:13:11,810 --> 00:13:10,019
a week after

256
00:13:12,650 --> 00:13:11,820
especially this one that I had a dream

257
00:13:15,790 --> 00:13:12,660
that

258
00:13:17,870 --> 00:13:15,800
would be I get out of truck and the

259
00:13:19,550 --> 00:13:17,880
encryption rate

260
00:13:21,949 --> 00:13:19,560
you know

261
00:13:25,129 --> 00:13:21,959
and that's when I woke up

262
00:13:26,170 --> 00:13:25,139
I was sort of threatened you know I I

263
00:13:28,850 --> 00:13:26,180

could

264

00:13:31,069 --> 00:13:28,860

Terraria on me from the dreams

265

00:13:32,870 --> 00:13:31,079

because it sort of scared me

266

00:13:39,530 --> 00:13:32,880

but I did dream about it every week

267

00:13:42,829 --> 00:13:42,110

man that stuff is so surreal

268

00:13:45,230 --> 00:13:42,839

um

269

00:13:47,569 --> 00:13:45,240

you know there's no way

270

00:13:50,569 --> 00:13:47,579

Eric Leo sprinkle

271

00:13:55,910 --> 00:13:53,689

there's no way for us or for me to

272

00:14:00,470 --> 00:13:55,920

you know tell

273

00:14:03,769 --> 00:14:00,480

or not so the the only thing I can

274

00:14:05,810 --> 00:14:03,779

really do is is just listen to him

275

00:14:08,150 --> 00:14:05,820

um he sounds

276

00:14:11,150 --> 00:14:08,160

fine he sounds convicted in what he's

277

00:14:13,009 --> 00:14:11,160

saying uh it sounds serious

278

00:14:15,050 --> 00:14:13,019

you know the thing that I always think

279

00:14:17,269 --> 00:14:15,060

about is why would like someone like

280

00:14:19,250 --> 00:14:17,279

that I don't know the circumstances

281

00:14:21,110 --> 00:14:19,260

surrounding you know him given that

282

00:14:23,030 --> 00:14:21,120

interview but why would somebody like

283

00:14:24,050 --> 00:14:23,040

that want to go through that if it

284

00:14:26,689 --> 00:14:24,060

wasn't

285

00:14:28,189 --> 00:14:26,699

you know uh something that the person

286

00:14:30,710 --> 00:14:28,199

really went through why would that

287

00:14:33,170 --> 00:14:30,720

person want to do an interview with

288

00:14:38,509 --> 00:14:34,910

and just go through that and get that

289

00:14:41,210 --> 00:14:38,519

attention and stuff if it's not

290

00:14:44,870 --> 00:14:41,220

you know because you're not called like

291

00:14:46,550 --> 00:14:44,880

a hero after this like if you know I'm

292

00:14:48,889 --> 00:14:46,560

sure some people would say like to see

293

00:14:51,110 --> 00:14:48,899

attention you're not called like a hero

294

00:14:53,150 --> 00:14:51,120

you're not like wow you did that that's

295

00:14:56,750 --> 00:14:53,160

awesome you're so cool let me hear about

296

00:14:58,790 --> 00:14:56,760

it like maybe some people but for the

297

00:15:01,069 --> 00:14:58,800

most part like

298

00:15:03,170 --> 00:15:01,079

people just

299

00:15:04,970 --> 00:15:03,180

you know either don't believe you and

300

00:15:07,430 --> 00:15:04,980

probably talk about about you behind

301

00:15:09,829 --> 00:15:07,440

your back or even to your face so it's

302

00:15:13,790 --> 00:15:09,839

just interesting

303

00:15:16,250 --> 00:15:13,800

um

304

00:15:17,810 --> 00:15:16,260

you know uh the person asked him if he

305

00:15:19,550 --> 00:15:17,820

felt any fear or anything he just said

306

00:15:21,590 --> 00:15:19,560

scared I don't know it's interesting

307

00:15:22,550 --> 00:15:21,600

yeah the audio wasn't that wasn't the

308

00:15:25,910 --> 00:15:22,560

best

309

00:15:29,389 --> 00:15:25,920

um I had to pay attention

310

00:15:29,990 --> 00:15:29,399

um pretty closely but I heard it then so

311

00:15:31,790 --> 00:15:30,000

um

312

00:15:32,810 --> 00:15:31,800

but yeah go back and listen to it if

313

00:15:34,129 --> 00:15:32,820

that's something you're interested in

314

00:15:36,350 --> 00:15:34,139

otherwise

315

00:15:40,850 --> 00:15:36,360

I thought I would give something a

316

00:15:46,490 --> 00:15:44,329

that is that

317

00:15:49,069 --> 00:15:46,500

you know I can say like when I hear

318

00:15:51,350 --> 00:15:49,079

those stories like uh stories where

319

00:15:53,269 --> 00:15:51,360

people are taken or whatever

320

00:15:55,790 --> 00:15:53,279

um I'm glad that hasn't happened to me

321

00:15:57,829 --> 00:15:55,800

because it always sounds

322

00:16:00,350 --> 00:15:57,839

um

323

00:16:02,030 --> 00:16:00,360

I don't know you know the feeling when

324

00:16:03,769 --> 00:16:02,040

you're watching like a horror movie or

325

00:16:06,350 --> 00:16:03,779

even like um

326

00:16:08,509 --> 00:16:06,360

you know just weird movies or a song and

327

00:16:12,530 --> 00:16:08,519

it leaves you with like this kind of

328

00:16:15,470 --> 00:16:12,540

odd feeling like those stories

329

00:16:19,370 --> 00:16:15,480

leave me with the odd feeling but in a

330

00:16:24,050 --> 00:16:22,430

like a bad bad dream or something I

331

00:16:26,389 --> 00:16:24,060

don't know it's hard to describe I guess

332

00:16:29,810 --> 00:16:26,399

but it's it's different

333

00:16:33,949 --> 00:16:32,449

yeah the uh the guy

334

00:16:35,689 --> 00:16:33,959

I said he was having him like a dream

335

00:16:37,490 --> 00:16:35,699

every night for like a week or something

336

00:16:41,329 --> 00:16:37,500

afterwards I've definitely heard of that

337

00:16:48,410 --> 00:16:45,530

but yeah it's one account of many that

338

00:16:49,850 --> 00:16:48,420

people have for sure

339

00:16:54,290 --> 00:16:49,860
moving on

340

00:16:56,449 --> 00:16:54,300
this is a strangest

341

00:17:00,170 --> 00:16:56,459
hi strange

342

00:17:02,749 --> 00:17:00,180
High strangeness kind of day so

343

00:17:05,150 --> 00:17:02,759
this is the next thing we're going to

344

00:17:11,449 --> 00:17:05,160
look at here

345

00:17:15,949 --> 00:17:11,459
and it is why I gave uh the title I did

346

00:17:20,270 --> 00:17:17,390
because

347

00:17:21,710 --> 00:17:20,280
we encounter an arrowhead

348

00:17:24,409 --> 00:17:21,720
so

349

00:17:26,929 --> 00:17:24,419
I'm just going to go through these

350

00:17:32,090 --> 00:17:26,939
different things here so basically a

351

00:17:33,529 --> 00:17:32,100

couple guys go hunting this guy tries to

352

00:17:36,409 --> 00:17:33,539

um you know go to sleep while they're

353

00:17:38,450 --> 00:17:36,419

out there and he has this encounter and

354

00:17:40,010 --> 00:17:38,460

they first tell

355

00:17:43,250 --> 00:17:40,020

um

356

00:17:49,370 --> 00:17:43,260

this uh Victor killick

357

00:17:53,810 --> 00:17:52,250

this is Victor killock who they told

358

00:17:55,130 --> 00:17:53,820

there's this phone number if you want to

359

00:17:57,830 --> 00:17:55,140

give him a call it's probably not his

360

00:18:00,710 --> 00:17:57,840

anymore but uh he writes to the

361

00:18:03,110 --> 00:18:00,720

commanding officer uh at the Air Force

362

00:18:06,049 --> 00:18:03,120

Base in Sacramento California he says

363

00:18:07,970 --> 00:18:06,059

Dear Sir during the last 12 years the

364

00:18:09,950 --> 00:18:07,980

writer has had charge of the

365

00:18:12,110 --> 00:18:09,960

astronomical Observatory Sacramento City

366

00:18:13,909 --> 00:18:12,120

College in the course of our operations

367

00:18:16,130 --> 00:18:13,919

I received telephone calls and letters

368

00:18:18,590 --> 00:18:16,140

from civilians government officials and

369

00:18:23,090 --> 00:18:18,600

the military seeking identification

370

00:18:27,409 --> 00:18:25,190

most of the reported sightings concern

371

00:18:30,470 --> 00:18:27,419

astronomical objects night flank planes

372

00:18:33,250 --> 00:18:30,480

search of Lights Etc as yet I never had

373

00:18:36,169 --> 00:18:33,260

a hoax reported

374

00:18:38,510 --> 00:18:36,179

that Saturday afternoon a woman unknown

375

00:18:40,190 --> 00:18:38,520

to me who owned my residence saying she

376

00:18:42,590 --> 00:18:40,200

had been referred to me by these

377

00:18:44,510 --> 00:18:42,600

Sacramento union she stated that her

378

00:18:47,870 --> 00:18:44,520

son-in-law had seen some strange lights

379

00:18:49,850 --> 00:18:47,880

in the sky the previous night while on a

380

00:18:53,029 --> 00:18:49,860

hunting trip in the mountains and wanted

381

00:18:54,049 --> 00:18:53,039

to know if anyone else had made a report

382

00:18:56,930 --> 00:18:54,059

on it

383

00:18:59,029 --> 00:18:56,940

I replied that we had a report of a

384

00:19:02,330 --> 00:18:59,039

brilliant meteor having passed over Los

385

00:19:07,070 --> 00:19:02,340

Angeles and which had exploded in the

386

00:19:10,010 --> 00:19:07,080

Sierra east of uh Visalia but that event

387

00:19:12,950 --> 00:19:10,020

had occurred on Thursday night

388

00:19:15,110 --> 00:19:12,960

I questioned her for the details on what

389

00:19:17,090 --> 00:19:15,120

her son-in-law had seen and she called

390

00:19:18,529 --> 00:19:17,100

him to the phone

391

00:19:20,750 --> 00:19:18,539

he told me that on Friday night

392

00:19:23,630 --> 00:19:20,760

September 5th he and two companions went

393

00:19:26,990 --> 00:19:23,640

out for a deer hunt with bows and arrows

394

00:19:29,270 --> 00:19:27,000

into the region of Loch laven Lakes

395

00:19:31,310 --> 00:19:29,280

in the vicinity of South Cisco off

396

00:19:34,070 --> 00:19:31,320

Highway 40. during the late afternoon

397

00:19:36,409 --> 00:19:34,080

they separated the hunt as the darkness

398

00:19:38,630 --> 00:19:36,419

approached he realized he was lost and

399

00:19:41,510 --> 00:19:38,640

rather than risk trying to find his way

400

00:19:44,090 --> 00:19:41,520

back out of the camp in the dark over

401
00:19:47,990 --> 00:19:44,100
rough terrain he decided it would be

402
00:19:50,029 --> 00:19:48,000
safer to stay where he was until dawn

403
00:19:53,090 --> 00:19:50,039
the story of the this part of the story

404
00:19:54,770 --> 00:19:53,100
checks out as there was no moon that

405
00:19:57,230 --> 00:19:54,780
night

406
00:19:59,510 --> 00:19:57,240
he says he found a tree in a protected

407
00:20:01,669 --> 00:19:59,520
location climbed into it and fastened

408
00:20:02,810 --> 00:20:01,679
himself to one of its branches with his

409
00:20:05,090 --> 00:20:02,820
belt

410
00:20:07,610 --> 00:20:05,100
soon he noticed a glowing light moving

411
00:20:10,610 --> 00:20:07,620
and hovering along a nearby Ridge

412
00:20:14,690 --> 00:20:10,620
he described it as a moving laterally

413
00:20:17,149 --> 00:20:14,700

and vertically over and Beyond The Ridge

414

00:20:19,430 --> 00:20:17,159

it made no sound

415

00:20:22,310 --> 00:20:19,440

it came closer and had an estimated

416

00:20:24,890 --> 00:20:22,320

distance of half a mile

417

00:20:29,210 --> 00:20:24,900

some sort of vehicle appeared to land on

418

00:20:33,350 --> 00:20:31,370

shortly thereafter he heard a crackling

419

00:20:34,850 --> 00:20:33,360

of someone approaching through the

420

00:20:37,669 --> 00:20:34,860

nearby shrubbery

421

00:20:39,350 --> 00:20:37,679

two human beings about three foot tall

422

00:20:41,330 --> 00:20:39,360

dressed in white

423

00:20:44,090 --> 00:20:41,340

came and stood under his tree and looked

424

00:20:49,190 --> 00:20:46,610

they did not sneak but uttered a cooing

425

00:20:51,710 --> 00:20:49,200

sound resembling the sound of a dove

426
00:20:53,149 --> 00:20:51,720
later two other moving robot-like moving

427
00:20:55,549 --> 00:20:53,159
objects appeared

428
00:20:57,770 --> 00:20:55,559
these emitted anoxic gas which tended

429
00:21:01,010 --> 00:20:57,780
to gag and choke him

430
00:21:03,409 --> 00:21:01,020
he spotted three arrows he shot three

431
00:21:05,630 --> 00:21:03,419
arrows at them one of which hit the

432
00:21:07,250 --> 00:21:05,640
robot with a metallic sound and was

433
00:21:08,990 --> 00:21:07,260
recovered later

434
00:21:17,870 --> 00:21:09,000
he finally tore off parts of his

435
00:21:22,130 --> 00:21:20,570
with matches he carried and dropped them

436
00:21:24,169 --> 00:21:22,140
to the ground in an effort to start a

437
00:21:26,270 --> 00:21:24,179
small grass fire which he hoped would

438
00:21:28,430 --> 00:21:26,280

attract the forest service this caused

439

00:21:31,250 --> 00:21:28,440

the visitors to leave him unharmed I

440

00:21:35,029 --> 00:21:31,260

ascertained he is a married man 26 years

441

00:21:37,850 --> 00:21:35,039

old employed at aerojet plant near here

442

00:21:40,250 --> 00:21:37,860

has a brother also employed at the same

443

00:21:42,230 --> 00:21:40,260

plant his Hunting Party applied for a

444

00:21:44,810 --> 00:21:42,240

fire permit at the nearby ranger station

445

00:21:48,169 --> 00:21:44,820

he stated he knew the story was hard to

446

00:21:54,250 --> 00:21:48,179

believe and that he did not want to let

447

00:21:59,149 --> 00:21:57,049

and did not want to reveal his name

448

00:22:01,789 --> 00:21:59,159

which I didn't press him to do but I did

449

00:22:03,590 --> 00:22:01,799

get him to give me his mother-in-law's

450

00:22:05,210 --> 00:22:03,600

telephone number he said he said he

451
00:22:07,549 --> 00:22:05,220
thought it was his duty to notify

452
00:22:08,870 --> 00:22:07,559
someone in authority to have the matter

453
00:22:13,190 --> 00:22:08,880
investigated

454
00:22:14,810 --> 00:22:13,200
as a public security matter

455
00:22:17,090 --> 00:22:14,820
on September 6 I received another

456
00:22:19,070 --> 00:22:17,100
telephone call from the wife of the man

457
00:22:22,190 --> 00:22:19,080
that made an appointment to meet me at

458
00:22:24,230 --> 00:22:22,200
my home and appeared shortly after 1 pm

459
00:22:27,470 --> 00:22:24,240
together with his brother

460
00:22:29,930 --> 00:22:27,480
they brought along a forest service map

461
00:22:32,570 --> 00:22:29,940
pinpointed the location

462
00:22:36,710 --> 00:22:32,580
of the episode and also the arrow in

463
00:22:38,330 --> 00:22:36,720

question with a dented point

464

00:22:40,130 --> 00:22:38,340

I told them that the Air Force may want

465

00:22:42,049 --> 00:22:40,140

to investigate the incident that I was

466

00:22:43,610 --> 00:22:42,059

skeptical skeptical myself but would

467

00:22:45,470 --> 00:22:43,620

like to assist in helping them get to

468

00:22:47,270 --> 00:22:45,480

the bottom of it they said they would

469

00:22:49,789 --> 00:22:47,280

welcome and give assistance to such an

470

00:22:51,169 --> 00:22:49,799

investigation provided no publicity was

471

00:22:53,270 --> 00:22:51,179

attached to it

472

00:22:54,770 --> 00:22:53,280

as far as my contact with them goes

473

00:22:55,970 --> 00:22:54,780

these people all appear in good health

474

00:22:58,430 --> 00:22:55,980

and rational

475

00:23:00,470 --> 00:22:58,440

the family believes the man's story

476
00:23:02,270 --> 00:23:00,480
they told me that when he got home he

477
00:23:04,789 --> 00:23:02,280
was as pale as a sheet

478
00:23:06,830 --> 00:23:04,799
and badly shaken up

479
00:23:08,270 --> 00:23:06,840
I did a little probing to try and find

480
00:23:11,149 --> 00:23:08,280
an ulterior

481
00:23:13,010 --> 00:23:11,159
ulterior motive without success

482
00:23:15,230 --> 00:23:13,020
I have a certain degree of confidence in

483
00:23:16,669 --> 00:23:15,240
their veracity and sincerity

484
00:23:19,130 --> 00:23:16,679
if you desire to have the matter

485
00:23:21,409 --> 00:23:19,140
investigated I think I can arrange for a

486
00:23:22,669 --> 00:23:21,419
private meeting with the principal and

487
00:23:25,610 --> 00:23:22,679
his family

488
00:23:27,770 --> 00:23:25,620

and your investigators yours very truly

489

00:23:30,950 --> 00:23:27,780

Victor killick

490

00:23:30,960 --> 00:23:35,330

story

491

00:23:40,549 --> 00:23:37,070

so here's a little back and forth of the

492

00:23:42,409 --> 00:23:40,559

interview apparently it was

493

00:23:44,029 --> 00:23:42,419

um actually recorded that would be great

494

00:23:45,950 --> 00:23:44,039

to hear that

495

00:23:48,169 --> 00:23:45,960

um in the interview they just pretty

496

00:23:49,850 --> 00:23:48,179

much talk about the story there's a

497

00:23:52,070 --> 00:23:49,860

couple other questions that are asked of

498

00:23:54,049 --> 00:23:52,080

the witness as far as like have you

499

00:23:56,090 --> 00:23:54,059

gotten checked out by your doctor and

500

00:23:59,540 --> 00:23:56,100

such

501
00:24:01,610 --> 00:23:59,550
um nothing too interesting came up there

502
00:24:03,769 --> 00:24:01,620
[Music]

503
00:24:06,350 --> 00:24:03,779
um then the artifact and tape obviously

504
00:24:08,029 --> 00:24:06,360
you know there's no tape in a electronic

505
00:24:10,970 --> 00:24:08,039
document

506
00:24:12,230 --> 00:24:10,980
would be really cool to hear it though

507
00:24:14,090 --> 00:24:12,240
um

508
00:24:16,010 --> 00:24:14,100
you know a couple interesting things to

509
00:24:18,669 --> 00:24:16,020
me were

510
00:24:21,710 --> 00:24:18,679
that the guy

511
00:24:24,890 --> 00:24:21,720
seemingly you know was a Satan rational

512
00:24:27,289 --> 00:24:24,900
person and and his brother was too and

513
00:24:30,350 --> 00:24:27,299

you know they didn't want publicity

514

00:24:31,669 --> 00:24:30,360

which is the interesting thing to me

515

00:24:34,190 --> 00:24:31,679

you know

516

00:24:35,750 --> 00:24:34,200

they don't want publicity

517

00:24:36,769 --> 00:24:35,760

they're not even telling the Air Force

518

00:24:39,230 --> 00:24:36,779

they're just telling this uh

519

00:24:42,710 --> 00:24:39,240

astronomical dude

520

00:24:48,049 --> 00:24:45,649

he believes them basically and tells the

521

00:24:50,090 --> 00:24:48,059

Air Force and they actually have

522

00:24:52,490 --> 00:24:50,100

the arrowhead that's dented which is

523

00:24:57,950 --> 00:24:52,500

interesting to me

524

00:25:00,350 --> 00:24:57,960

yeah you know so he shot it at something

525

00:25:03,350 --> 00:25:00,360

and it hit something

526

00:25:05,269 --> 00:25:03,360

uh could have been a rock I guess you

527

00:25:08,570 --> 00:25:05,279

know but

528

00:25:11,090 --> 00:25:08,580

it was definitely interesting

529

00:25:14,930 --> 00:25:11,100

another thing that's interesting is it

530

00:25:17,210 --> 00:25:14,940

the person mentioned uh the astronomical

531

00:25:18,710 --> 00:25:17,220

dude mentioned that there was a meteor

532

00:25:20,690 --> 00:25:18,720

that like the

533

00:25:23,149 --> 00:25:20,700

night before a couple nights before in

534

00:25:26,210 --> 00:25:23,159

Los Angeles and then this happens just

535

00:25:28,490 --> 00:25:26,220

makes me think sometimes

536

00:25:30,649 --> 00:25:28,500

you know this is complete speculation

537

00:25:32,510 --> 00:25:30,659

and more of like a fantasy movie I'd be

538

00:25:34,370 --> 00:25:32,520

making but what if these meteors like

539

00:25:36,769 --> 00:25:34,380

the green Fireballs back in the 40s a

540

00:25:39,230 --> 00:25:36,779

green Dr lupaz what if those were

541

00:25:42,230 --> 00:25:39,240

bringing some sort of

542

00:25:44,750 --> 00:25:42,240

things that could manifest life you know

543

00:25:46,789 --> 00:25:44,760

to Earth who knows

544

00:25:47,810 --> 00:25:46,799

what if that was a way of traveling to

545

00:25:49,730 --> 00:25:47,820

Earth

546

00:25:54,250 --> 00:25:49,740

putting something on the meteor to get

547

00:26:01,730 --> 00:25:57,350

pretty out of the out of the

548

00:26:03,289 --> 00:26:01,740

out there thinking but um you know

549

00:26:07,010 --> 00:26:03,299

so

550

00:26:10,669 --> 00:26:07,020

here is because of the guests we had

551
00:26:14,029 --> 00:26:11,810
um

552
00:26:15,830 --> 00:26:14,039
you know who wrote a book basically on

553
00:26:17,930 --> 00:26:15,840
the role Owls play

554
00:26:21,169 --> 00:26:17,940
um in you know his life in high

555
00:26:22,669 --> 00:26:21,179
strangeness and other people's

556
00:26:24,350 --> 00:26:22,679
and one of the questions here is does

557
00:26:25,850 --> 00:26:24,360
the interviewing officers feel that this

558
00:26:28,190 --> 00:26:25,860
occurrence could have been attributed to

559
00:26:29,930 --> 00:26:28,200
an owl or such birds or animals coupled

560
00:26:32,810 --> 00:26:29,940
with an overactive imagination on the

561
00:26:35,350 --> 00:26:33,470
um

562
00:26:38,210 --> 00:26:35,360
if it was an owl

563
00:26:43,190 --> 00:26:38,220

you know that probably doesn't mean it

564

00:26:48,590 --> 00:26:45,470

it's it's just interesting like imagine

565

00:26:51,409 --> 00:26:48,600

for a second like um you know put your

566

00:26:53,990 --> 00:26:51,419

thoughts away and or judgments or or

567

00:26:56,210 --> 00:26:54,000

anything like that and just

568

00:26:58,610 --> 00:26:56,220

um think of the story that he's telling

569

00:27:02,990 --> 00:27:00,830

and

570

00:27:05,870 --> 00:27:03,000

it's just um

571

00:27:07,850 --> 00:27:05,880

you know how you get treated and you

572

00:27:09,590 --> 00:27:07,860

know what people assume of you for

573

00:27:11,470 --> 00:27:09,600

telling a story like that is just too

574

00:27:14,090 --> 00:27:11,480

bad

575

00:27:15,470 --> 00:27:14,100

I mean could you imagine if something

576

00:27:17,690 --> 00:27:15,480

like that happened to you is a real

577

00:27:19,310 --> 00:27:17,700

story and you know you're being

578

00:27:21,230 --> 00:27:19,320

interviewed by like these Air Force

579

00:27:23,690 --> 00:27:21,240

officers or something later

580

00:27:25,549 --> 00:27:23,700

and they they already have their mind

581

00:27:27,889 --> 00:27:25,559

made up when they're talking to you you

582

00:27:29,930 --> 00:27:27,899

know well it could have been just you

583

00:27:32,330 --> 00:27:29,940

know attributed to an owl or other such

584

00:27:33,889 --> 00:27:32,340

Birds maybe and just an overactive

585

00:27:37,190 --> 00:27:33,899

imagination

586

00:27:41,149 --> 00:27:39,049

it's like what do you do you're out in

587

00:27:43,789 --> 00:27:41,159

your own little like

588

00:27:45,649 --> 00:27:43,799

torture there I mean even if the the guy

589

00:27:47,330 --> 00:27:45,659

had just had um

590

00:27:50,029 --> 00:27:47,340

you know like some sort of psychotic

591

00:27:52,490 --> 00:27:50,039

breakdown or was that way like that's

592

00:27:54,049 --> 00:27:52,500

still I don't think how you would treat

593

00:27:56,090 --> 00:27:54,059

somebody because to them it seems real

594

00:27:58,250 --> 00:27:56,100

right so

595

00:28:00,529 --> 00:27:58,260

um I thought you just

596

00:28:03,289 --> 00:28:00,539

you know we'll send fighter pilots out

597

00:28:07,250 --> 00:28:03,299

to find the robots but you know you know

598

00:28:08,930 --> 00:28:07,260

not not an easy situation so

599

00:28:12,470 --> 00:28:08,940

um but these stories are pretty intense

600

00:28:14,990 --> 00:28:12,480

so and then you find the

601
00:28:17,570 --> 00:28:15,000
you know synopsis for the the final card

602
00:28:19,370 --> 00:28:17,580
here that breaks down what they went

603
00:28:24,409 --> 00:28:19,380
with as far as what this is

604
00:28:29,090 --> 00:28:26,029
and

605
00:28:31,070 --> 00:28:29,100
you know what although it that sucks but

606
00:28:33,350 --> 00:28:31,080
also the other Flip Flip Side of the

607
00:28:36,049 --> 00:28:33,360
coin is like what are you supposed to

608
00:28:37,850 --> 00:28:36,059
think when somebody tells you that right

609
00:28:40,070 --> 00:28:37,860
what are you supposed to do

610
00:28:43,909 --> 00:28:40,080
conclusion

611
00:28:44,810 --> 00:28:43,919
uh robots and three foot feet men in

612
00:28:47,630 --> 00:28:44,820
white

613
00:28:50,889 --> 00:28:47,640

you know like

614

00:28:50,899 --> 00:28:55,310

mind-bending situation

615

00:28:59,930 --> 00:28:58,070

you know and for you to like just accept

616

00:29:02,210 --> 00:28:59,940

someone's story and you haven't seen it

617

00:29:04,010 --> 00:29:02,220

or been through it yourself like

618

00:29:06,169 --> 00:29:04,020

and maybe even you don't even think

619

00:29:10,130 --> 00:29:06,179

about this stuff to begin with like what

620

00:29:13,970 --> 00:29:11,870

you know well we know what you're

621

00:29:14,990 --> 00:29:13,980

supposed to think but

622

00:29:18,950 --> 00:29:15,000

um

623

00:29:22,669 --> 00:29:18,960

to know better is extremely uh difficult

624

00:29:28,490 --> 00:29:22,679

if not impossible for most people

625

00:29:32,450 --> 00:29:30,350

it's unfortunate

626
00:29:36,769 --> 00:29:32,460
but

627
00:29:38,990 --> 00:29:36,779
that's what we're dealing with you know

628
00:29:43,190 --> 00:29:39,000
that's what we're dealing with

629
00:29:47,450 --> 00:29:44,990
um that unfortunately muddy everything

630
00:29:51,529 --> 00:29:47,460
up by making up stories themselves that

631
00:29:58,130 --> 00:29:53,029
you know and kind of make everything

632
00:30:02,450 --> 00:30:00,169
kind of stinks too you know

633
00:30:03,169 --> 00:30:02,460
like I was going through this old

634
00:30:06,710 --> 00:30:03,179
um

635
00:30:08,630 --> 00:30:06,720
like this old UFO newspaper

636
00:30:11,210 --> 00:30:08,640
you know which is interesting because it

637
00:30:13,669 --> 00:30:11,220
was well there was no internet there but

638
00:30:16,010 --> 00:30:13,679

but they had so many different kinds of

639

00:30:17,870 --> 00:30:16,020

Publications like UFO news and all that

640

00:30:19,850 --> 00:30:17,880

kind of stuff and and one I'm going

641

00:30:22,070 --> 00:30:19,860

through and I posted the pictures on my

642

00:30:23,450 --> 00:30:22,080

Instagram or Twitter

643

00:30:24,889 --> 00:30:23,460

um so you can check them out there if

644

00:30:26,330 --> 00:30:24,899

you want

645

00:30:30,049 --> 00:30:26,340

um

646

00:30:32,510 --> 00:30:30,059

but they have stories of uh an ex-air

647

00:30:34,370 --> 00:30:32,520

Force pilot you know or an ex NASA

648

00:30:37,549 --> 00:30:34,380

astronaut

649

00:30:39,769 --> 00:30:37,559

who are convinced that you know there's

650

00:30:42,350 --> 00:30:39,779

beings here and

651
00:30:44,450 --> 00:30:42,360
um one of them was talking about like

652
00:30:46,370 --> 00:30:44,460
how he knows there's a slow drip of

653
00:30:48,169 --> 00:30:46,380
disclosure going on and all this stuff

654
00:30:50,330 --> 00:30:48,179
to get people accustomed to everything

655
00:30:55,130 --> 00:30:50,340
and I'm just thinking like that's what

656
00:31:02,090 --> 00:30:57,049
so it makes you wonder like what's

657
00:31:03,710 --> 00:31:02,100
what's real and and what isn't you know

658
00:31:06,350 --> 00:31:03,720
especially when you have like people

659
00:31:07,669 --> 00:31:06,360
that stature the Air Force NASA Guy come

660
00:31:09,230 --> 00:31:07,679
out and saying this stuff and you think

661
00:31:11,570 --> 00:31:09,240
about where we're at now it's like who

662
00:31:16,070 --> 00:31:11,580
so who really means it and who doesn't

663
00:31:20,870 --> 00:31:18,289

um that's kind of you know one of the

664

00:31:24,110 --> 00:31:20,880

reasons I really appreciate

665

00:31:26,149 --> 00:31:24,120

um like Lou Elizondo

666

00:31:28,909 --> 00:31:26,159

is because he doesn't come out and just

667

00:31:31,669 --> 00:31:28,919

say they're they're aliens you know and

668

00:31:33,830 --> 00:31:31,679

come up with this um

669

00:31:36,409 --> 00:31:33,840

um

670

00:31:39,529 --> 00:31:36,419

or try to you know shove his story down

671

00:31:41,870 --> 00:31:39,539

your throat of what the things are

672

00:31:45,470 --> 00:31:41,880

and what we should be doing

673

00:31:50,690 --> 00:31:47,990

he's just uh

674

00:31:53,930 --> 00:31:50,700

he tries to not pretty much

675

00:31:56,630 --> 00:31:53,940

tell you what anything is at all and

676
00:31:59,090 --> 00:31:56,640
tries to you know get Congress to take

677
00:32:00,470 --> 00:31:59,100
it seriously so probably if there is

678
00:32:02,630 --> 00:32:00,480
going to be disclosure it would be done

679
00:32:05,509 --> 00:32:02,640
the right way which is not through one

680
00:32:07,669 --> 00:32:05,519
person who you know leaks it out of an

681
00:32:10,370 --> 00:32:07,679
old job he had it's you know by the

682
00:32:13,130 --> 00:32:10,380
government who the taxpayers uh pay for

683
00:32:16,970 --> 00:32:13,140
you know

684
00:32:21,889 --> 00:32:18,950
so there's there's a difference there

685
00:32:24,529 --> 00:32:21,899
which is which is you know you have to

686
00:32:26,149 --> 00:32:24,539
recognize that and

687
00:32:28,490 --> 00:32:26,159
recognize the things that have been done

688
00:32:29,990 --> 00:32:28,500

since that like uh you know a UFO office

689

00:32:31,850 --> 00:32:30,000

that's public

690

00:32:34,490 --> 00:32:31,860

putting Along by Congress which has

691

00:32:36,350 --> 00:32:34,500

never happened before

692

00:32:37,789 --> 00:32:36,360

you know what they're doing is public as

693

00:32:39,409 --> 00:32:37,799

far as

694

00:32:42,289 --> 00:32:39,419

you know we know that they're supposed

695

00:32:43,669 --> 00:32:42,299

to get a classified report you know

696

00:32:45,950 --> 00:32:43,679

whether

697

00:32:47,690 --> 00:32:45,960

you know we you know assuming we won't

698

00:32:49,730 --> 00:32:47,700

see any but at least we know that that's

699

00:32:52,850 --> 00:32:49,740

happening right that's different than

700

00:32:54,830 --> 00:32:52,860

ever ever before

701

00:32:57,529 --> 00:32:54,840

um so there are differences

702

00:32:59,450 --> 00:32:57,539

most definitely so it's important to

703

00:33:02,029 --> 00:32:59,460

take note of those two I tell myself

704

00:33:04,130 --> 00:33:02,039

when you know reading those old UFO

705

00:33:05,389 --> 00:33:04,140

newspaper

706

00:33:06,649 --> 00:33:05,399

you know

707

00:33:09,110 --> 00:33:06,659

um

708

00:33:10,850 --> 00:33:09,120

reports of exit Air Force guys and

709

00:33:13,070 --> 00:33:10,860

ex-nasa people or whatever talking about

710

00:33:14,330 --> 00:33:13,080

this stuff and disclosure because it's

711

00:33:17,210 --> 00:33:14,340

different

712

00:33:17,870 --> 00:33:17,220

uh there was one ad about

713

00:33:19,730 --> 00:33:17,880

um

714

00:33:20,930 --> 00:33:19,740

you know there's ad about disclosure

715

00:33:23,029 --> 00:33:20,940

events

716

00:33:26,090 --> 00:33:23,039

and where people are charging money

717

00:33:28,070 --> 00:33:26,100

to listen all these speakers

718

00:33:30,889 --> 00:33:28,080

talk about disclosure and all that kind

719

00:33:36,409 --> 00:33:32,330

one thing I could say is you should

720

00:33:38,810 --> 00:33:36,419

never have to pay for uh disclosure of

721

00:33:41,750 --> 00:33:38,820

any sort of

722

00:33:46,430 --> 00:33:41,760

um another intelligent life that's

723

00:33:48,590 --> 00:33:46,440

visiting our planet to know about that

724

00:33:49,850 --> 00:33:48,600

to know about that will never cost you

725

00:33:52,130 --> 00:33:49,860

money

726

00:33:54,470 --> 00:33:52,140

you will never get the truth

727

00:33:56,450 --> 00:33:54,480

about another intelligent life form by

728

00:34:02,090 --> 00:33:56,460

having to pay for it

729

00:34:02,100 --> 00:34:06,049

and I can promise you that

730

00:34:06,059 --> 00:34:09,169

take that to the bank

731

00:34:13,730 --> 00:34:11,629

so

732

00:34:15,770 --> 00:34:13,740

what else did I say we want to talk

733

00:34:17,169 --> 00:34:15,780

about oh yeah so I sent you that um

734

00:34:19,369 --> 00:34:17,179

interesting

735

00:34:20,089 --> 00:34:19,379

mystery wire

736

00:34:22,430 --> 00:34:20,099

um

737

00:34:24,050 --> 00:34:22,440

Congressional research paper super

738

00:34:27,349 --> 00:34:24,060

interesting

739

00:34:31,849 --> 00:34:30,770

because you read it and it's like holy

740

00:34:34,690 --> 00:34:31,859

crap

741

00:34:37,669 --> 00:34:34,700

let's just public scientific journal

742

00:34:39,409 --> 00:34:37,679

uh yeah but you know Toby I don't think

743

00:34:41,030 --> 00:34:39,419

they're gonna like what I mean is

744

00:34:42,649 --> 00:34:41,040

they're not gonna come out No One's

745

00:34:45,230 --> 00:34:42,659

Gonna Come Out For the First Time and

746

00:34:48,889 --> 00:34:45,240

prove that there's another intelligent

747

00:34:50,990 --> 00:34:48,899

life here visiting us on Earth

748

00:34:52,790 --> 00:34:51,000

in something that's charged for whether

749

00:34:55,190 --> 00:34:52,800

it be a journal or something like that

750

00:34:56,089 --> 00:34:55,200

you know

751
00:34:58,910 --> 00:34:56,099
yeah

752
00:35:00,170 --> 00:34:58,920
maybe there'll be hints at it like we

753
00:35:04,310 --> 00:35:00,180
found

754
00:35:06,170 --> 00:35:04,320
you know amino acids and it made up this

755
00:35:08,810 --> 00:35:06,180
body or whatever but you know what I

756
00:35:12,890 --> 00:35:10,430
they're gonna have to pay for something

757
00:35:15,290 --> 00:35:12,900
and then get proof and like here's a

758
00:35:18,109 --> 00:35:15,300
body you can worry here's this or that

759
00:35:18,119 --> 00:35:22,550
it just ain't gonna be how it works

760
00:35:27,349 --> 00:35:25,670
uh yeah of course things we're talking

761
00:35:28,849 --> 00:35:27,359
about two different things I think like

762
00:35:30,770 --> 00:35:28,859
I'm talking about just like getting

763
00:35:32,630 --> 00:35:30,780

disclosure

764

00:35:34,730 --> 00:35:32,640

you know you're never gonna have to pay

765

00:35:36,770 --> 00:35:34,740

for that if you're talking about like a

766

00:35:38,990 --> 00:35:36,780

UFO event or something

767

00:35:42,950 --> 00:35:39,000

where there's you know speakers or

768

00:35:47,750 --> 00:35:46,490

like you know like Comic-Con or you know

769

00:35:52,670 --> 00:35:47,760

whatever

770

00:35:58,370 --> 00:35:55,970

of course it's like I attribute that to

771

00:36:00,890 --> 00:35:58,380

like playing concerts now it's a

772

00:36:03,410 --> 00:36:00,900

different topic but if I was just to go

773

00:36:04,730 --> 00:36:03,420

out and play shows and stuff like I'm

774

00:36:07,730 --> 00:36:04,740

asking for money

775

00:36:10,190 --> 00:36:07,740

if I'm going to play across the country

776

00:36:11,870 --> 00:36:10,200

at a venue like you know when I first

777

00:36:13,609 --> 00:36:11,880

started you know I didn't have much of a

778

00:36:15,290 --> 00:36:13,619

choice I just had to play and hopefully

779

00:36:17,210 --> 00:36:15,300

I got money

780

00:36:19,130 --> 00:36:17,220

um but eventually you know you better

781

00:36:21,290 --> 00:36:19,140

get some money

782

00:36:22,790 --> 00:36:21,300

so

783

00:36:26,630 --> 00:36:22,800

you know and they charge that at the

784

00:36:29,270 --> 00:36:26,640

door admission right yeah

785

00:36:31,430 --> 00:36:29,280

but along with my show I'm never gonna

786

00:36:34,550 --> 00:36:31,440

you know build the show as and I'm gonna

787

00:36:40,550 --> 00:36:36,410

you know that that'd be a trick to get

788

00:36:44,450 --> 00:36:42,109

and people probably wouldn't buy it

789

00:36:46,430 --> 00:36:44,460

anyway so

790

00:36:49,750 --> 00:36:46,440

because I'm a musician promising a

791

00:36:52,069 --> 00:36:49,760

secret so I don't know I mean

792

00:36:53,690 --> 00:36:52,079

uh teach their own and I'm not talking

793

00:36:54,890 --> 00:36:53,700

about anything specific I'm just giving

794

00:36:57,950 --> 00:36:54,900

an opinion

795

00:36:57,960 --> 00:37:00,589

here we go

796

00:37:04,430 --> 00:37:02,930

here it is I'm going to so you can look

797

00:37:05,390 --> 00:37:04,440

at like the

798

00:37:07,609 --> 00:37:05,400

um

799

00:37:10,430 --> 00:37:07,619

things here well first of all the person

800

00:37:13,130 --> 00:37:10,440

Marcia Smith is an analyst in science

801
00:37:15,109 --> 00:37:13,140
and technology science policy research

802
00:37:18,190 --> 00:37:15,119
division

803
00:37:20,930 --> 00:37:18,200
put this together March 1976

804
00:37:25,490 --> 00:37:20,940
Congressional research service Library

805
00:37:25,500 --> 00:37:30,050
covers all sorts of interesting things

806
00:37:35,810 --> 00:37:33,290
probable immunity of extraterrestrial uh

807
00:37:37,370 --> 00:37:35,820
hypothesis alleged Air Force secrecy and

808
00:37:40,130 --> 00:37:37,380
cover-ups focuses and witness

809
00:37:42,470 --> 00:37:40,140
credibility uh possible benefits to

810
00:37:45,170 --> 00:37:42,480
science from you know post study

811
00:37:48,710 --> 00:37:45,180
interesting biblical studies

812
00:37:48,720 --> 00:37:53,569
covers private organizations down here

813
00:37:58,130 --> 00:37:55,790

um and yeah we're at the

814

00:38:00,770 --> 00:37:58,140

um mystery wire one cut off was it

815

00:38:05,630 --> 00:38:03,230

Animal mutilations Human individual

816

00:38:07,550 --> 00:38:05,640

metamorphosis all right let's just skip

817

00:38:10,849 --> 00:38:07,560

to that page

818

00:38:12,050 --> 00:38:10,859

a human individual metamorphosis that

819

00:38:17,329 --> 00:38:12,060

sounds

820

00:38:23,710 --> 00:38:18,829

um but yeah like I said the mystery wire

821

00:38:27,530 --> 00:38:25,910

so I'm just actually going to remove

822

00:38:29,270 --> 00:38:27,540

this so you don't have to look at me

823

00:38:32,390 --> 00:38:29,280

doing all that

824

00:38:35,210 --> 00:38:32,400

so you can look at that

825

00:38:41,150 --> 00:38:35,220

there is a strangeness index in there

826

00:38:45,410 --> 00:38:44,510

this paper is pretty pretty cool I would

827

00:38:49,310 --> 00:38:45,420

say

828

00:38:51,050 --> 00:38:49,320

it makes for a definitely a good read

829

00:38:53,390 --> 00:38:51,060

it's just weird where you find some of

830

00:38:56,630 --> 00:38:53,400

this stuff too I gotta say

831

00:38:56,640 --> 00:39:03,950

and I'm just looking for our spot here

832

00:39:07,670 --> 00:39:05,510

well

833

00:39:10,250 --> 00:39:07,680

this is pretty interesting so it covers

834

00:39:12,290 --> 00:39:10,260

like the USSR and how they took it and

835

00:39:15,950 --> 00:39:12,300

it pretty much goes through

836

00:39:18,829 --> 00:39:15,960

how they treated UFOs just a lot like

837

00:39:23,690 --> 00:39:20,870

the bullet point two here Soviet Union

838

00:39:26,030 --> 00:39:23,700

Dr Felix is that Gail of Moscow Aviation

839

00:39:28,910 --> 00:39:26,040

Institute appears to be the leading

840

00:39:30,109 --> 00:39:28,920

proponent of UFOs in Russia in 1968 he

841

00:39:32,569 --> 00:39:30,119

published one of the first Soviet

842

00:39:34,550 --> 00:39:32,579

articles on UFOs to appear Western

843

00:39:37,310 --> 00:39:34,560

Soviet life a Russian magazine published

844

00:39:39,290 --> 00:39:37,320

for consumption in the United States and

845

00:39:42,109 --> 00:39:39,300

that article he described several USSR

846

00:39:46,569 --> 00:39:42,119

sightings as an example of which is as

847

00:39:52,069 --> 00:39:49,670

oh we have a Harry Potter interesting in

848

00:39:54,310 --> 00:39:52,079

the very early morning of July 18th 1967

849

00:39:56,870 --> 00:39:54,320

astronomer Harry Potter

850

00:39:58,790 --> 00:39:56,880

h-e-h-i Potter notice the strange

851
00:40:02,089 --> 00:39:58,800
formation against a clear starry night

852
00:40:04,250 --> 00:40:02,099
at 2 50 A.M

853
00:40:07,010 --> 00:40:04,260
about 20 degrees its diameter was twice

854
00:40:10,010 --> 00:40:07,020
as long that of the moon but its nose

855
00:40:13,190 --> 00:40:10,020
was several times less bright that's uh

856
00:40:16,730 --> 00:40:13,200
interesting to read

857
00:40:20,630 --> 00:40:18,410
um

858
00:40:26,089 --> 00:40:20,640
like the Soviet

859
00:40:28,010 --> 00:40:26,099
and how pretty much they were confused

860
00:40:29,690 --> 00:40:28,020
as well you know that should mean

861
00:40:32,450 --> 00:40:29,700
something

862
00:40:34,670 --> 00:40:32,460
talk about the tunguska river

863
00:40:36,829 --> 00:40:34,680

incident

864

00:40:38,089 --> 00:40:36,839

what's interesting to me is this part

865

00:40:40,730 --> 00:40:38,099

underneath here that talks about

866

00:40:43,190 --> 00:40:40,740

magnetic disturbances were reported on

867

00:40:44,809 --> 00:40:43,200

many continents the energy released is

868

00:40:47,390 --> 00:40:44,819

estimated between

869

00:40:49,490 --> 00:40:47,400

some Jewels the energy energy range of

870

00:40:52,790 --> 00:40:49,500

hydrogen bombs

871

00:40:54,410 --> 00:40:52,800

which if you go back to kind of

872

00:40:56,450 --> 00:40:54,420

what we were talking about before the

873

00:41:00,770 --> 00:40:56,460

whole magnetic Spectrum thing to me is

874

00:41:05,690 --> 00:41:03,170

talks about the Condon report who cares

875

00:41:07,790 --> 00:41:05,700

about that

876

00:41:09,470 --> 00:41:07,800

and here it is ufologists and the Soviet

877

00:41:11,089 --> 00:41:09,480

Union faced many of the same problems as

878

00:41:12,950 --> 00:41:11,099

their American counterparts and perhaps

879

00:41:15,829 --> 00:41:12,960

even more there are no private

880

00:41:17,809 --> 00:41:15,839

organizations such as apro and nightcap

881

00:41:20,210 --> 00:41:17,819

in their Air Force as far as we know had

882

00:41:21,950 --> 00:41:20,220

nothing similar to Blue Book which at

883

00:41:24,470 --> 00:41:21,960

least served as a collecting point for

884

00:41:28,670 --> 00:41:24,480

reports interesting

885

00:41:32,930 --> 00:41:30,829

um but it was you know

886

00:41:35,270 --> 00:41:32,940

put together by a government person for

887

00:41:41,390 --> 00:41:35,280

congress so

888

00:41:44,690 --> 00:41:42,770

um interesting here International

889

00:41:48,790 --> 00:41:44,700

cooperation

890

00:41:53,329 --> 00:41:51,470

1967. James McDonald took the case to

891

00:41:54,650 --> 00:41:53,339

outer space Affairs group of the United

892

00:41:57,290 --> 00:41:54,660

Nations

893

00:42:01,609 --> 00:41:57,300

I read that it's in one of the videos

894

00:42:07,609 --> 00:42:04,370

it took place in the middle of the mid

895

00:42:10,970 --> 00:42:07,619

East war in 1967. now that's interesting

896

00:42:15,650 --> 00:42:13,370

got a big Middle East War

897

00:42:19,550 --> 00:42:15,660

UFOs uptick

898

00:42:20,809 --> 00:42:19,560

we have Russian Ukraine war UFO uptick

899

00:42:23,569 --> 00:42:20,819

it's something that's kind of been in

900

00:42:25,309 --> 00:42:23,579

the back of my mind lately

901
00:42:28,609 --> 00:42:25,319
is there any

902
00:42:32,569 --> 00:42:28,619
correlation between

903
00:42:38,030 --> 00:42:34,550
you know I don't know quote unquote

904
00:42:43,010 --> 00:42:38,040
disclosure or at least UFOs being more

905
00:42:47,210 --> 00:42:44,930
now McDonald

906
00:42:49,329 --> 00:42:47,220
thought these were

907
00:42:52,490 --> 00:42:49,339
um drones from extraterrestrials or

908
00:42:56,150 --> 00:42:52,500
probes from extraterrestrials

909
00:42:57,890 --> 00:42:56,160
as a hypothesis but that was his

910
00:42:58,910 --> 00:42:57,900
it's probably the best one of the best

911
00:43:01,910 --> 00:42:58,920
ones

912
00:43:07,790 --> 00:43:05,030
you know because we know what kind of uh

913
00:43:09,950 --> 00:43:07,800

screen that would be in a body to go the

914

00:43:12,790 --> 00:43:09,960

speed you would have to go to travel

915

00:43:15,270 --> 00:43:12,800

that sort of distance to get here from

916

00:43:17,750 --> 00:43:15,280

uh another galaxy

917

00:43:20,089 --> 00:43:17,760

[Music]

918

00:43:22,190 --> 00:43:20,099

so a probe would probably be good maybe

919

00:43:24,650 --> 00:43:22,200

in the 40s and stuff they were first

920

00:43:26,150 --> 00:43:24,660

trying to send those and they were

921

00:43:29,030 --> 00:43:26,160

crashing them

922

00:43:33,829 --> 00:43:29,040

because we don't have crashes anymore

923

00:43:40,730 --> 00:43:38,990

so yeah you can read this for yourself

924

00:43:42,410 --> 00:43:40,740

um I can share this paper with you if

925

00:43:45,109 --> 00:43:42,420

you want you just let me know if that's

926

00:43:47,630 --> 00:43:45,119

something you want or not if it is

927

00:43:50,630 --> 00:43:47,640

um I have no issues sharing it with you

928

00:43:55,970 --> 00:43:53,089

so but it's uh definitely an interesting

929

00:44:02,450 --> 00:43:57,950

and I definitely suggest

930

00:44:02,460 --> 00:44:06,290

um but anyways it's on um

931

00:44:12,589 --> 00:44:08,510

tell me this you read the whole thing a

932

00:44:15,950 --> 00:44:14,569

and you want to finish it

933

00:44:17,690 --> 00:44:15,960

you send me a message and I'll send you

934

00:44:20,270 --> 00:44:17,700

this

935

00:44:23,870 --> 00:44:20,280

we got OG Skywatch pushing his videos in

936

00:44:29,329 --> 00:44:25,670

better not be charged

937

00:44:34,670 --> 00:44:32,450

I gotta tell you that

938

00:44:36,890 --> 00:44:34,680

tell you what

939

00:44:38,329 --> 00:44:36,900

um so actually

940

00:44:43,970 --> 00:44:38,339

what

941

00:44:47,870 --> 00:44:43,980

that segment where we look at videos and

942

00:44:50,569 --> 00:44:47,880

try to decide what the heck they are

943

00:44:52,790 --> 00:44:50,579

which we're never going to get right for

944

00:44:54,770 --> 00:44:52,800

the record

945

00:44:58,670 --> 00:44:54,780

but I have an interesting one and I'm

946

00:45:01,130 --> 00:44:58,680

not sure what it is I took it myself the

947

00:45:03,290 --> 00:45:01,140

other day could be a bird

948

00:45:05,630 --> 00:45:03,300

I don't think it's a plane I checked

949

00:45:08,450 --> 00:45:05,640

Radar 24 and there was there was no

950

00:45:10,370 --> 00:45:08,460

planes in that direction

951
00:45:12,109 --> 00:45:10,380
um it was very illuminated

952
00:45:13,609 --> 00:45:12,119
and it didn't have the shape of a plane

953
00:45:15,109 --> 00:45:13,619
and where it was in the sky I would have

954
00:45:18,470 --> 00:45:15,119
been able to tell it's a plan because I

955
00:45:23,630 --> 00:45:21,890
I went at a decent speed

956
00:45:25,970 --> 00:45:23,640
um kind of more just faded out or

957
00:45:27,470 --> 00:45:25,980
disappeared I guess you could say

958
00:45:28,910 --> 00:45:27,480
um

959
00:45:30,410 --> 00:45:28,920
but I'm not sure

960
00:45:32,510 --> 00:45:30,420
if anything it would be like an

961
00:45:33,710 --> 00:45:32,520
illuminated bird

962
00:45:37,010 --> 00:45:33,720
you know

963
00:45:42,890 --> 00:45:40,250

like I've seen birds before where they

964

00:45:45,829 --> 00:45:42,900

were pretty freaking shiny

965

00:45:49,010 --> 00:45:45,839

didn't last that long but

966

00:45:52,190 --> 00:45:50,750

so but this one just yeah caught my

967

00:45:56,809 --> 00:45:52,200

attention for sure

968

00:46:02,270 --> 00:46:00,530

and then I have some um

969

00:46:03,410 --> 00:46:02,280

you know interesting ones on YouTube we

970

00:46:11,040 --> 00:46:03,420

can watch

971

00:46:11,050 --> 00:46:49,849

[Music]

972

00:46:57,410 --> 00:46:52,309

so that's pretty much it

973

00:47:03,230 --> 00:47:00,770

not that cool well what is cool

974

00:47:05,569 --> 00:47:03,240

is

975

00:47:06,650 --> 00:47:05,579

yeah it wasn't on flight tracker so I

976

00:47:07,910 --> 00:47:06,660

don't think it was a plan I guess it

977

00:47:09,349 --> 00:47:07,920

could be like a military plane or

978

00:47:11,569 --> 00:47:09,359

something my guess is if it's something

979

00:47:13,430 --> 00:47:11,579

prosec it's a bird

980

00:47:14,450 --> 00:47:13,440

um looking at it in person I would have

981

00:47:17,089 --> 00:47:14,460

never

982

00:47:19,190 --> 00:47:17,099

thought that but you know

983

00:47:20,950 --> 00:47:19,200

but now my memories are relegated to

984

00:47:25,370 --> 00:47:20,960

this video so

985

00:47:28,250 --> 00:47:25,380

but I did a little bit of a weird thing

986

00:47:30,950 --> 00:47:28,260

with it which

987

00:47:33,829 --> 00:47:30,960

totally is probably makes no difference

988

00:47:35,809 --> 00:47:33,839

in can't really take it for anything

989

00:47:38,089 --> 00:47:35,819

serious but it still makes it look

990

00:47:49,069 --> 00:47:38,099

interesting

991

00:47:49,079 --> 00:47:55,130

so I kind of you know

992

00:47:59,150 --> 00:47:57,530

yeah it's like zoomed in and then did

993

00:48:01,069 --> 00:47:59,160

something weird with the with the stuff

994

00:48:04,010 --> 00:48:01,079

and it makes it look

995

00:48:07,069 --> 00:48:04,020

look weird

996

00:48:11,870 --> 00:48:10,069

it's not like um

997

00:48:13,309 --> 00:48:11,880

I don't know I don't know what the frick

998

00:48:16,790 --> 00:48:13,319

it is

999

00:48:21,109 --> 00:48:18,829

I could say with my camera my camera's

1000

00:48:25,730 --> 00:48:21,119

got like probably

1001
00:48:28,130 --> 00:48:25,740
you know it's a new iPhone whatever so

1002
00:48:34,490 --> 00:48:28,140
it would

1003
00:48:39,950 --> 00:48:34,500
uh wings or of some sort so I don't know

1004
00:48:41,510 --> 00:48:39,960
makes me very curious as to what it is

1005
00:48:44,930 --> 00:48:41,520
so I don't know

1006
00:48:44,940 --> 00:48:48,530
that's about it for that

1007
00:48:54,410 --> 00:48:51,890
but we do have something

1008
00:48:56,150 --> 00:48:54,420
a little bit more interesting that we

1009
00:49:01,250 --> 00:48:56,160
can watch

1010
00:49:08,210 --> 00:49:04,069
this is actually very interesting

1011
00:49:12,470 --> 00:49:08,220
so I am just going to get two things

1012
00:49:16,450 --> 00:49:14,630
and hopefully

1013
00:49:19,190 --> 00:49:16,460

do you agree

1014

00:49:21,109 --> 00:49:19,200

you probably will

1015

00:49:26,270 --> 00:49:21,119

if you don't

1016

00:49:26,280 --> 00:49:36,710

let's Let It Roll

1017

00:49:42,890 --> 00:49:38,510

I need a chocolate

1018

00:49:42,900 --> 00:50:13,130

foreign

1019

00:50:13,140 --> 00:50:44,630

okay

1020

00:50:44,640 --> 00:50:50,630

[Music]

1021

00:50:50,640 --> 00:50:54,440

foreign

1022

00:50:54,450 --> 00:51:12,950

[Music]

1023

00:51:20,510 --> 00:51:17,930

on August 10 2019 I was outside with my

1024

00:51:22,849 --> 00:51:20,520

night vision monocular

1025

00:51:25,730 --> 00:51:22,859

and when I would look to the Northeast

1026
00:51:27,290 --> 00:51:25,740
over to the Las Vegas mountain range I

1027
00:51:29,390 --> 00:51:27,300
noticed a

1028
00:51:33,890 --> 00:51:29,400
what looked like it's just a white orb

1029
00:51:36,950 --> 00:51:33,900
and so I put the camera on it and I

1030
00:51:39,349 --> 00:51:36,960
started following it as it seemed to be

1031
00:51:41,870 --> 00:51:39,359
coming to my area which would be

1032
00:51:46,069 --> 00:51:41,880
basically going from the Northeast

1033
00:51:47,210 --> 00:51:46,079
to the southwest and as it approached my

1034
00:51:50,210 --> 00:51:47,220
area

1035
00:51:53,750 --> 00:51:50,220
and was in between my home and la Madre

1036
00:51:57,470 --> 00:51:53,760
Mountain but higher than the mountain

1037
00:52:00,490 --> 00:51:57,480
all of a sudden some tubular shaped

1038
00:52:03,470 --> 00:52:00,500

object went right through the screen

1039

00:52:05,690 --> 00:52:03,480

and I knew immediately that there had to

1040

00:52:08,510 --> 00:52:05,700

be something amazing about this so

1041

00:52:11,450 --> 00:52:08,520

anyway what I'm going to do is I'm

1042

00:52:13,910 --> 00:52:11,460

getting all of the logos and all of that

1043

00:52:16,609 --> 00:52:13,920

other nonsense out of this video and

1044

00:52:19,309 --> 00:52:16,619

just purifying the video and making it

1045

00:52:20,390 --> 00:52:19,319

better because I know now how to render

1046

00:52:34,060 --> 00:52:20,400

these

1047

00:52:34,070 --> 00:52:51,349

[Music]

1048

00:52:56,990 --> 00:52:54,410

was it a close encounter of the alien

1049

00:52:58,670 --> 00:52:57,000

kind in the Taos mountains two New

1050

00:53:01,069 --> 00:52:58,680

Mexico Hunters are still trying to make

1051
00:53:03,950 --> 00:53:01,079
sense of what they saw here's news 13's

1052
00:53:05,930 --> 00:53:03,960
Francesca Washington a rare sighting in

1053
00:53:08,329 --> 00:53:05,940
the Taos mountains we called it the

1054
00:53:10,250 --> 00:53:08,339
mothership turned an opening day hunt

1055
00:53:12,470 --> 00:53:10,260
for Elk I was hoping to take you away

1056
00:53:15,290 --> 00:53:12,480
but I wasn't that lucky into something

1057
00:53:17,809 --> 00:53:15,300
out of this world we're on the hunt for

1058
00:53:20,270 --> 00:53:17,819
aliens bow Hunters Josh Brinkley and

1059
00:53:22,190 --> 00:53:20,280
Daniel Lucero say they were hunting on

1060
00:53:24,349 --> 00:53:22,200
pot mountain when they encountered what

1061
00:53:26,630 --> 00:53:24,359
they believe were extraterrestrial

1062
00:53:29,210 --> 00:53:26,640
beings they definitely look more like

1063
00:53:31,370 --> 00:53:29,220

Space men than like E.T looking aliens

1064

00:53:33,470 --> 00:53:31,380

Brinkley says the first day of the hunt

1065

00:53:35,510 --> 00:53:33,480

he spotted what he thought were two

1066

00:53:37,130 --> 00:53:35,520

Hunters we have little shapes on the

1067

00:53:39,770 --> 00:53:37,140

right and left side of them oversized

1068

00:53:42,170 --> 00:53:39,780

heads kind of black torsos the next day

1069

00:53:43,849 --> 00:53:42,180

both men came across what looked like a

1070

00:53:46,010 --> 00:53:43,859

movie set I thought it was like a base

1071

00:53:48,829 --> 00:53:46,020

camp Maybe

1072

00:53:51,230 --> 00:53:48,839

catering as they drove closer to the 100

1073

00:53:52,970 --> 00:53:51,240

foot long structure and the road just

1074

00:53:56,030 --> 00:53:52,980

dipped down a little bit for a couple

1075

00:53:58,309 --> 00:53:56,040

seconds gone there's no way a trailer or

1076

00:54:00,049 --> 00:53:58,319

a truck pulled it away or

1077

00:54:02,510 --> 00:54:00,059

it doesn't just disappear like that

1078

00:54:04,730 --> 00:54:02,520

their movie set theory quickly changed

1079

00:54:07,790 --> 00:54:04,740

what better place the land than alien

1080

00:54:09,890 --> 00:54:07,800

spacecraft than out here right the men

1081

00:54:12,530 --> 00:54:09,900

say the experience has opened their eyes

1082

00:54:15,250 --> 00:54:12,540

and changed their beliefs about aliens

1083

00:54:17,530 --> 00:54:15,260

it actually happened to a couple guys

1084

00:54:21,650 --> 00:54:17,540

that really don't believe in much

1085

00:54:23,630 --> 00:54:21,660

Francesca Washington KRQE News 13.

1086

00:54:25,849 --> 00:54:23,640

now the hunters did report the sighting

1087

00:54:27,710 --> 00:54:25,859

to the National UFO Reporting Center the

1088

00:54:31,250 --> 00:54:27,720

director tells us they do believe the

1089

00:54:31,260 --> 00:54:37,170

was it

1090

00:54:37,180 --> 00:54:46,690

[Music]

1091

00:54:51,470 --> 00:54:49,069

you guys have probably seen this one

1092

00:55:00,609 --> 00:54:52,120

well

1093

00:55:04,670 --> 00:55:02,450

so

1094

00:55:06,770 --> 00:55:04,680

yeah I thought that was an interesting

1095

00:55:08,089 --> 00:55:06,780

story I I couldn't believe those guys

1096

00:55:09,890 --> 00:55:08,099

too just

1097

00:55:11,329 --> 00:55:09,900

um you know again like there's no reason

1098

00:55:13,430 --> 00:55:11,339

to do that

1099

00:55:15,589 --> 00:55:13,440

um so I don't know I thought it was

1100

00:55:17,569 --> 00:55:15,599

pretty good

1101

00:55:20,270 --> 00:55:17,579

so

1102

00:55:21,410 --> 00:55:20,280

those are a couple videos yeah

1103

00:55:25,990 --> 00:55:21,420

um

1104

00:55:29,410 --> 00:55:26,000

and I think we have uh Christian up here

1105

00:55:35,630 --> 00:55:33,589

the STS 80 video play that yeah I do

1106

00:55:36,410 --> 00:55:35,640

want to play that but

1107

00:55:38,990 --> 00:55:36,420

um

1108

00:55:41,630 --> 00:55:39,000

I think he was going to come on and talk

1109

00:55:45,589 --> 00:55:41,640

to us about it so I'm going to save that

1110

00:55:47,150 --> 00:55:45,599

for when he does that with us

1111

00:55:49,010 --> 00:55:47,160

because that's what we should be doing

1112

00:55:50,329 --> 00:55:49,020

we should do it together

1113

00:55:52,010 --> 00:55:50,339

so

1114

00:55:53,750 --> 00:55:52,020

that being said

1115

00:55:57,049 --> 00:55:53,760

I'm gonna get out of here for the day I

1116

00:56:01,010 --> 00:55:58,910

so

1117

00:56:02,750 --> 00:56:01,020

I can check make sure I have nothing

1118

00:56:04,970 --> 00:56:02,760

better to offer you

1119

00:56:08,329 --> 00:56:04,980

which would basically just be in my

1120

00:56:09,950 --> 00:56:08,339

research pile and what I found recently

1121

00:56:11,990 --> 00:56:09,960

yeah

1122

00:56:13,730 --> 00:56:12,000

which oh here's an interesting one

1123

00:56:15,589 --> 00:56:13,740

actually

1124

00:56:22,970 --> 00:56:15,599

this is very interesting

1125

00:56:22,980 --> 00:56:27,109

nope that's not it

1126

00:56:33,410 --> 00:56:30,170

it's interesting too though

1127

00:56:33,420 --> 00:56:39,049

this I saved literally only because

1128

00:56:44,930 --> 00:56:41,270

so there is this whole thing that went

1129

00:56:47,750 --> 00:56:44,940

on in 1952 and if you watched like that

1130

00:56:50,569 --> 00:56:47,760

Project Blue Book show on TV you may

1131

00:56:52,910 --> 00:56:50,579

know about this already but there were a

1132

00:56:55,670 --> 00:56:52,920

bunch of sightings visual sightings and

1133

00:56:58,490 --> 00:56:55,680

radar sightings during this NATO

1134

00:57:03,730 --> 00:57:01,130

um called operation mainberries

1135

00:57:05,690 --> 00:57:03,740

which I thought was a pretty interesting

1136

00:57:09,170 --> 00:57:05,700

and this

1137

00:57:12,410 --> 00:57:09,180

citing is super interesting because it's

1138

00:57:14,450 --> 00:57:12,420

a bluish glowing triangle

1139

00:57:17,210 --> 00:57:14,460
and it's estimated speed is 1500

1140

00:57:19,010 --> 00:57:17,220
kilometers an hour

1141

00:57:20,930 --> 00:57:19,020
um

1142

00:57:23,990 --> 00:57:20,940
one of the vessels participating in an

1143

00:57:26,329 --> 00:57:24,000
operation main race and I believe it was

1144

00:57:28,190 --> 00:57:26,339
a Danish Destroyer yep

1145

00:57:30,589 --> 00:57:28,200
second in command of the Danish

1146

00:57:32,450 --> 00:57:30,599
Destroyer said today he observed a

1147

00:57:34,130 --> 00:57:32,460
mysterious glowing object moving across

1148

00:57:36,410 --> 00:57:34,140
the sky at great speed north of the

1149

00:57:39,049 --> 00:57:36,420
island of uh burn home last night

1150

00:57:41,690 --> 00:57:39,059
heading Southeast he described it as a

1151
00:57:44,450 --> 00:57:41,700
bluish glowing triangle and estimated

1152
00:57:47,630 --> 00:57:44,460
its speed at 1500 kilometers I thought

1153
00:57:52,190 --> 00:57:49,910
so operation main brace

1154
00:57:56,870 --> 00:57:54,770
pretty interesting NATO stuff right

1155
00:58:00,170 --> 00:57:56,880
there so that was like a huge NATO

1156
00:58:03,950 --> 00:58:00,180
operation apparently

1157
00:58:05,690 --> 00:58:03,960
um the other thing I have to share today

1158
00:58:07,670 --> 00:58:05,700
which is also very interesting so

1159
00:58:09,289 --> 00:58:07,680
somebody posted online a picture that

1160
00:58:10,609 --> 00:58:09,299
looked

1161
00:58:13,970 --> 00:58:10,619
um

1162
00:58:16,490 --> 00:58:13,980
almost it was like a updated new version

1163
00:58:18,470 --> 00:58:16,500

of what this is basically

1164

00:58:22,250 --> 00:58:18,480

I mean not that I know what this is but

1165

00:58:30,109 --> 00:58:26,450

so and I found that interesting for uh a

1166

00:58:31,910 --> 00:58:30,119

couple very specific reasons first is

1167

00:58:34,970 --> 00:58:31,920

this shape

1168

00:58:37,010 --> 00:58:34,980

that is very

1169

00:58:38,930 --> 00:58:37,020

I mean

1170

00:58:42,049 --> 00:58:38,940

I don't know how that would pop up on

1171

00:58:45,829 --> 00:58:42,059

film but it's I've seen that so many

1172

00:58:47,569 --> 00:58:45,839

times on these Blue Book photos

1173

00:58:50,210 --> 00:58:47,579

and these are like new photos that you

1174

00:58:52,069 --> 00:58:50,220

posted on Twitter so

1175

00:58:54,530 --> 00:58:52,079

you know identifying patterns and things

1176

00:58:56,870 --> 00:58:54,540

that look alike

1177

00:58:58,250 --> 00:58:56,880

is an interesting way to go I mean if

1178

00:59:01,309 --> 00:58:58,260

you're going to figure out anything what

1179

00:59:04,609 --> 00:59:01,319

else would you really do right

1180

00:59:06,890 --> 00:59:04,619

and there's a handful of pictures that

1181

00:59:10,010 --> 00:59:06,900

look just like that

1182

00:59:11,390 --> 00:59:10,020

in the Blue Book photos

1183

00:59:12,950 --> 00:59:11,400

you know and when I would see it

1184

00:59:14,329 --> 00:59:12,960

individually I wouldn't pay much

1185

00:59:15,829 --> 00:59:14,339

attention to it because it's like I

1186

00:59:18,530 --> 00:59:15,839

don't know but that is what is that like

1187

00:59:22,670 --> 00:59:18,540

a weird view of a plane

1188

00:59:26,809 --> 00:59:25,609

just like kind of identical to each

1189

00:59:29,329 --> 00:59:26,819

other but

1190

00:59:31,490 --> 00:59:29,339

that's not a plane right that's like the

1191

00:59:34,430 --> 00:59:31,500

boomerang look

1192

00:59:36,109 --> 00:59:34,440

and if anything it looks like

1193

00:59:38,809 --> 00:59:36,119

you know the back would be some sort of

1194

00:59:42,470 --> 00:59:38,819

exhaust or something

1195

00:59:45,890 --> 00:59:44,329

say look at this one in the last one I

1196

00:59:47,750 --> 00:59:45,900

just showed it's like

1197

00:59:50,630 --> 00:59:47,760

and there's more of these in the Blue

1198

00:59:53,750 --> 00:59:50,640

Book photos that look just like that

1199

00:59:55,430 --> 00:59:53,760

this is what was in Venezuela

1200

00:59:58,789 --> 00:59:55,440

um the one I just got done showing you

1201
01:00:04,670 --> 01:00:01,190
and we hear like the boomerang shaped

1202
01:00:06,410 --> 01:00:04,680
UFO it's been reported before

1203
01:00:08,510 --> 01:00:06,420
and their drawings of it

1204
01:00:10,190 --> 01:00:08,520
so I don't know it could be something to

1205
01:00:11,630 --> 01:00:10,200
these pictures

1206
01:00:13,010 --> 01:00:11,640
I'm going to look a little further into

1207
01:00:14,450 --> 01:00:13,020
it but I thought I'd share those with

1208
01:00:17,809 --> 01:00:14,460
you because I thought they were pretty

1209
01:00:17,819 --> 01:00:22,130
and as I go through

1210
01:00:26,150 --> 01:00:23,870
my stuff

1211
01:00:30,289 --> 01:00:26,160
that is the last thing that I have to

1212
01:00:34,069 --> 01:00:32,089
that being said

1213
01:00:36,829 --> 01:00:34,079

I appreciate you guys hanging out and

1214

01:00:39,109 --> 01:00:36,839

being so kind in the chat and everything

1215

01:00:41,870 --> 01:00:39,119

um I saw some people sticking up for for

1216

01:00:44,089 --> 01:00:41,880

the guy with um about like the eye stuff

1217

01:00:45,950 --> 01:00:44,099

yes

1218

01:00:48,190 --> 01:00:45,960

um we don't make fun of people for

1219

01:00:52,970 --> 01:00:48,200

physical deficiencies that's not cool

1220

01:00:56,270 --> 01:00:54,530

um so I appreciate people sticking up

1221

01:00:59,089 --> 01:00:56,280

for him

1222

01:01:00,890 --> 01:00:59,099

thanks for being so kind in the comments

1223

01:01:02,750 --> 01:01:00,900

I do appreciate it you guys are always

1224

01:01:04,609 --> 01:01:02,760

really great and nice please like the

1225

01:01:08,089 --> 01:01:04,619

video

1226

01:01:08,990 --> 01:01:08,099

um share it if you can subscribe if you

1227

01:01:11,930 --> 01:01:09,000

haven't

1228

01:01:13,490 --> 01:01:11,940

keep an eye out for movie and stuff that

1229

01:01:15,230 --> 01:01:13,500

I'm working on it's a homemade movie

1230

01:01:17,569 --> 01:01:15,240

remember it ain't gonna be Hollywood

1231

01:01:20,030 --> 01:01:17,579

stuff but I put a lot of uh I'm gonna

1232

01:01:22,970 --> 01:01:20,040

put a lot of effort into it so

1233

01:01:26,329 --> 01:01:22,980

hope you enjoy it when it comes out and

1234

01:01:30,470 --> 01:01:26,339

I'll be back on Wednesday with Mr J

1235

01:01:32,510 --> 01:01:30,480

uh Christopher King George Knapp calm

1236

01:01:34,970 --> 01:01:32,520

we're going to get into the whole skin

1237

01:01:36,670 --> 01:01:34,980

walker Ranch thing uh maybe I'll ask

1238

01:01:39,470 --> 01:01:36,680

them about the difference between uh

1239

01:01:41,030 --> 01:01:39,480

atip and ASAP who knows

1240

01:01:45,470 --> 01:01:41,040

so

1241

01:01:46,910 --> 01:01:45,480

um it's gonna be a good show

1242

01:01:49,849 --> 01:01:46,920

stop by for that

1243

01:01:51,829 --> 01:01:49,859

I made it uh disable the chat for that

1244

01:01:54,349 --> 01:01:51,839

show just so we don't get a bunch of

1245

01:01:55,430 --> 01:01:54,359

hooligans you know so if I do sorry

1246

01:01:57,349 --> 01:01:55,440

about that
