

Sean

1  
00:00:16,950 --> 00:00:13,910  
is it real or is it not that's what

2  
00:00:19,910 --> 00:00:16,960  
you're asking me

3  
00:00:23,670 --> 00:00:19,920  
i still to this day can't find any

4  
00:00:27,429 --> 00:00:23,680  
rational explanation for what i saw

5  
00:00:31,589 --> 00:00:27,439  
extremely intelligent apparently highly

6  
00:00:34,229 --> 00:00:31,599  
advanced hyper technological

7  
00:00:37,750 --> 00:00:34,239  
i think that we just don't look at the

8  
00:00:39,430 --> 00:00:37,760  
perception of reality in the right way

9  
00:00:40,389 --> 00:00:39,440  
yet

10  
00:00:41,830 --> 00:00:40,399  
it got

11  
00:00:44,310 --> 00:00:41,840  
very close

12  
00:00:47,510 --> 00:00:44,320  
to the point that i could see just one

13  
00:00:50,310 --> 00:00:47,520

big light and then it stopped and then

14

00:00:51,830 --> 00:00:50,320

it shot up in the sky

15

00:00:55,430 --> 00:00:51,840

you know you know you're not dreaming

16

00:00:57,029 --> 00:00:55,440

but you wonder how real any of it really

17

00:01:01,510 --> 00:00:57,039

is

18

00:01:02,950 --> 00:01:01,520

took place but then i still didn't do

19

00:01:04,869 --> 00:01:02,960

anything with it never said anything

20

00:01:08,149 --> 00:01:04,879

anyway

21

00:01:10,149 --> 00:01:08,159

there is some mind-altering aspect to

22

00:01:12,230 --> 00:01:10,159

these ufo encounters

23

00:01:13,670 --> 00:01:12,240

a lot of people get a sense of missing

24

00:01:15,590 --> 00:01:13,680

time

25

00:01:17,590 --> 00:01:15,600

i noticed that these three stars were

26

00:01:19,830 --> 00:01:17,600

kind of in a formation triangular

27

00:01:23,030 --> 00:01:19,840

formation

28

00:01:27,109 --> 00:01:23,040

condensed into entities or beings that

29

00:01:27,910 --> 00:01:27,119

you interact with who are sentient

30

00:01:32,950 --> 00:01:27,920

how

31

00:01:35,990 --> 00:01:32,960

things evolve from pure energy to matter

32

00:01:37,830 --> 00:01:36,000

definitely was kind of a paradigm

33

00:01:39,830 --> 00:01:37,840

shifting moment

34

00:01:41,990 --> 00:01:39,840

coming from the scientific background

35

00:01:42,789 --> 00:01:42,000

you come up with explanations that range

36

00:01:46,230 --> 00:01:42,799

from

37

00:01:48,710 --> 00:01:46,240

geomagnetic to atmosphere to something

38

00:01:50,469 --> 00:01:48,720

that's physical in nature there's a lot

39

00:01:51,990 --> 00:01:50,479

more out there that we don't know than

40

00:01:54,710 --> 00:01:52,000

we do know

41

00:01:56,389 --> 00:01:54,720

the our view of reality the reality that

42

00:01:58,709 --> 00:01:56,399

we experience on a day-to-day basis

43

00:02:00,709 --> 00:01:58,719

seems to be this very very thin slice of

44

00:02:03,590 --> 00:02:00,719

something far larger

45

00:02:05,109 --> 00:02:03,600

and far more

46

00:02:11,720 --> 00:02:05,119

super reasonable

47

00:03:39,990 --> 00:02:19,960

[Music]

48

00:03:43,030 --> 00:03:40,000

what's up everybody

49

00:03:46,229 --> 00:03:43,040

happy thursday afternoon

50

00:03:49,589 --> 00:03:46,239

um i hope you're doing well

51  
00:03:54,149 --> 00:03:49,599  
uh christian what's up

52  
00:03:56,390 --> 00:03:54,159  
uh k42d spinning 2010 howdy

53  
00:03:58,830 --> 00:03:56,400  
renee cruz what's happening mr robert

54  
00:04:01,429 --> 00:03:58,840  
copeford what's up

55  
00:04:03,589 --> 00:04:01,439  
um thomas

56  
00:04:05,670 --> 00:04:03,599  
bullock what's up andre see you what's

57  
00:04:09,190 --> 00:04:05,680  
up jd

58  
00:04:10,949 --> 00:04:09,200  
uh jason what's happening uh lionel

59  
00:04:14,070 --> 00:04:10,959  
parker

60  
00:04:15,030 --> 00:04:14,080  
what's up everybody jos of course laura

61  
00:04:17,270 --> 00:04:15,040  
awesome

62  
00:04:18,310 --> 00:04:17,280  
to have everybody here vapid gage what's

63  
00:04:21,349 --> 00:04:18,320

up

64

00:04:23,670 --> 00:04:21,359

uh really appreciate you guys being here

65

00:04:27,270 --> 00:04:23,680

today um yesterday was

66

00:04:30,070 --> 00:04:27,280

a lot of fun we had um mr

67

00:04:31,749 --> 00:04:30,080

george knapp and colin kellyer uh i had

68

00:04:33,270 --> 00:04:31,759

a great conversation with them i thought

69

00:04:34,629 --> 00:04:33,280

it was fantastic

70

00:04:35,909 --> 00:04:34,639

um

71

00:04:38,629 --> 00:04:35,919

yeah and

72

00:04:42,790 --> 00:04:38,639

you know i did something different where

73

00:04:45,030 --> 00:04:42,800

um i just limited the chat to uh like

74

00:04:46,150 --> 00:04:45,040

members i was gonna eliminate the chat

75

00:04:48,070 --> 00:04:46,160

all together

76

00:04:50,070 --> 00:04:48,080

um but when i said i could at least have

77

00:04:52,310 --> 00:04:50,080

it for the members i did that because i

78

00:04:54,469 --> 00:04:52,320

really don't do anything for them

79

00:04:57,749 --> 00:04:54,479

other than these shows

80

00:05:00,710 --> 00:04:57,759

i only have about 10 make about um

81

00:05:03,590 --> 00:05:00,720

maybe 10 to 15 bucks a month off of that

82

00:05:05,350 --> 00:05:03,600

and it's pretty cold hard scratch

83

00:05:07,110 --> 00:05:05,360

uh but i thought i'd uh offer them

84

00:05:09,510 --> 00:05:07,120

something and in turn

85

00:05:12,550 --> 00:05:09,520

um kind of uh

86

00:05:14,230 --> 00:05:12,560

you know eliminate the opportunity for

87

00:05:15,510 --> 00:05:14,240

um trolls to come in and all that

88

00:05:16,629 --> 00:05:15,520

because

89

00:05:18,310 --> 00:05:16,639

you know there's there's a lot of

90

00:05:20,469 --> 00:05:18,320

complaints about um

91

00:05:23,350 --> 00:05:20,479

the chat room and and the kind of

92

00:05:26,390 --> 00:05:23,360

vitriol that's thrown in those chats

93

00:05:28,469 --> 00:05:26,400

uh for a bigger guess like that so

94

00:05:29,990 --> 00:05:28,479

i just wanted to try it out um in

95

00:05:31,990 --> 00:05:30,000

retrospect i probably just could have

96

00:05:33,749 --> 00:05:32,000

had it going um

97

00:05:36,230 --> 00:05:33,759

and and just blocked them as they came

98

00:05:38,550 --> 00:05:36,240

up but i wasn't sure how you know busy

99

00:05:41,270 --> 00:05:38,560

or not busy it was going to be so

100

00:05:43,590 --> 00:05:41,280

wanted to try it so hopefully everybody

101  
00:05:45,510 --> 00:05:43,600  
understood that uh dope knows what's up

102  
00:05:46,629 --> 00:05:45,520  
thanks for coming in benji what's up

103  
00:05:47,990 --> 00:05:46,639  
josh

104  
00:05:48,870 --> 00:05:48,000  
what's up

105  
00:05:51,270 --> 00:05:48,880  
um

106  
00:05:52,629 --> 00:05:51,280  
really appreciate you guys hanging out

107  
00:05:57,990 --> 00:05:52,639  
and doing this

108  
00:05:59,029 --> 00:05:58,000  
uh so i started with this um documentary

109  
00:06:02,309 --> 00:05:59,039  
today

110  
00:06:03,830 --> 00:06:02,319  
it's a trailer for a documentary um

111  
00:06:05,670 --> 00:06:03,840  
that

112  
00:06:07,670 --> 00:06:05,680  
christopher walford is in he's been on

113  
00:06:10,070 --> 00:06:07,680

the show a couple times

114

00:06:13,029 --> 00:06:10,080

um hopefully we'll get him back on here

115

00:06:16,309 --> 00:06:13,039

to talk about that documentary

116

00:06:17,590 --> 00:06:16,319

um it's just a trailer as we speak so

117

00:06:20,390 --> 00:06:17,600

i'm looking forward to the whole thing

118

00:06:22,550 --> 00:06:20,400

because it really um seemingly

119

00:06:25,029 --> 00:06:22,560

takes on the experience or aspect of

120

00:06:25,990 --> 00:06:25,039

this in a serious way so

121

00:06:30,070 --> 00:06:26,000

um

122

00:06:32,469 --> 00:06:30,080

i cannot wait uh to see that as you know

123

00:06:34,550 --> 00:06:32,479

that kind of stuff to me is always long

124

00:06:35,510 --> 00:06:34,560

overdue as for the most part this stuff

125

00:06:37,510 --> 00:06:35,520

is

126

00:06:42,230 --> 00:06:37,520

um

127

00:06:45,830 --> 00:06:42,240

you know stigma type stuff whether it be

128

00:06:47,510 --> 00:06:45,840

movies or whatever so

129

00:06:48,790 --> 00:06:47,520

looking forward to that being taken

130

00:06:51,029 --> 00:06:48,800

seriously

131

00:06:52,710 --> 00:06:51,039

uh christian i started the interview

132

00:06:54,070 --> 00:06:52,720

yesterday

133

00:06:55,589 --> 00:06:54,080

yeah i know

134

00:06:58,629 --> 00:06:55,599

oh man

135

00:07:01,029 --> 00:06:58,639

that was crazy um

136

00:07:03,589 --> 00:07:01,039

i think he's talking about um

137

00:07:05,990 --> 00:07:03,599

mr john lear that that was just uh the

138

00:07:07,990 --> 00:07:06,000

timing of that the timing of my show in

139

00:07:09,749 --> 00:07:08,000

the different shows i have are always

140

00:07:12,390 --> 00:07:09,759

just so weird

141

00:07:13,990 --> 00:07:12,400

i think it was um

142

00:07:16,550 --> 00:07:14,000

show it

143

00:07:18,950 --> 00:07:16,560

i i think it was yeah our end uap

144

00:07:20,550 --> 00:07:18,960

secrecy lake marathon show

145

00:07:26,469 --> 00:07:20,560

the

146

00:07:28,790 --> 00:07:26,479

just passed or

147

00:07:32,230 --> 00:07:28,800

or something like that so always having

148

00:07:34,070 --> 00:07:32,240

some weird timing but um

149

00:07:36,309 --> 00:07:34,080

you know it's weird

150

00:07:38,390 --> 00:07:36,319

uh and i was just starting to

151

00:07:39,350 --> 00:07:38,400

look into john lear and i was finding

152

00:07:40,469 --> 00:07:39,360

like

153

00:07:42,629 --> 00:07:40,479

all the

154

00:07:45,510 --> 00:07:42,639

i think what was probably maybe

155

00:07:48,150 --> 00:07:45,520

the uh conspiracy type side of them with

156

00:07:50,230 --> 00:07:48,160

the moon bases and moon civilizations

157

00:07:52,390 --> 00:07:50,240

because i looked at those pictures and i

158

00:07:53,589 --> 00:07:52,400

didn't really see what he was hinting at

159

00:07:54,629 --> 00:07:53,599

there but

160

00:07:56,309 --> 00:07:54,639

um

161

00:07:58,390 --> 00:07:56,319

yeah

162

00:08:00,309 --> 00:07:58,400

but he was responsible for a lot of

163

00:08:02,230 --> 00:08:00,319

other stuff too so

164

00:08:03,589 --> 00:08:02,240

um look forward to maybe checking them

165

00:08:05,110 --> 00:08:03,599

out a little more not sure what i'll

166

00:08:08,469 --> 00:08:05,120

find but um

167

00:08:09,749 --> 00:08:08,479

i definitely am going to do that so

168

00:08:12,869 --> 00:08:09,759

looking

169

00:08:15,749 --> 00:08:12,879

forward to that and

170

00:08:17,270 --> 00:08:15,759

it was it was great just to talk to

171

00:08:21,110 --> 00:08:17,280

um

172

00:08:22,950 --> 00:08:21,120

because he's been around he's been doing

173

00:08:24,950 --> 00:08:22,960

this for such a long time right and he's

174

00:08:27,909 --> 00:08:24,960

been successful at it

175

00:08:30,869 --> 00:08:27,919

and those four hour podcasts which is

176

00:08:32,709 --> 00:08:30,879

just amazing or for our radio shows i

177

00:08:35,269 --> 00:08:32,719

can barely get there an hour

178

00:08:38,070 --> 00:08:35,279

um he's a super nice guy so

179

00:08:40,230 --> 00:08:38,080

um i really enjoyed that and appreciated

180

00:08:43,509 --> 00:08:40,240

him taking the time to do that and

181

00:08:44,870 --> 00:08:43,519

obviously calm as well um

182

00:08:46,630 --> 00:08:44,880

you know who's put so much time and

183

00:08:48,389 --> 00:08:46,640

research into the consciousness aspect

184

00:08:51,269 --> 00:08:48,399

and the phenomenon

185

00:08:53,350 --> 00:08:51,279

and uh with big low and all that stuff

186

00:08:54,710 --> 00:08:53,360

so

187

00:08:56,230 --> 00:08:54,720

you know they definitely both have

188

00:08:57,829 --> 00:08:56,240

better things to do so i'm really

189

00:08:59,030 --> 00:08:57,839

appreciative of them doing that and of

190

00:09:02,230 --> 00:08:59,040

course g

191

00:09:03,670 --> 00:09:02,240

uh christopher king i always love uh

192

00:09:04,870 --> 00:09:03,680

having him on the show and being able to

193

00:09:07,030 --> 00:09:04,880

speaking with him

194

00:09:09,190 --> 00:09:07,040

as one of my favorite dudes such a kind

195

00:09:10,949 --> 00:09:09,200

heart smart person intelligent great

196

00:09:13,110 --> 00:09:10,959

thoughtful questions

197

00:09:16,150 --> 00:09:13,120

somebody commented on twitter that this

198

00:09:18,790 --> 00:09:16,160

podcast really took a step up uh with

199

00:09:20,310 --> 00:09:18,800

uh with him uh joining uh for those

200

00:09:21,430 --> 00:09:20,320

interviews and

201  
00:09:23,430 --> 00:09:21,440  
um

202  
00:09:24,630 --> 00:09:23,440  
i really really

203  
00:09:26,070 --> 00:09:24,640  
really

204  
00:09:30,790 --> 00:09:26,080  
agree with that

205  
00:09:37,990 --> 00:09:34,310  
that being said we have

206  
00:09:39,750 --> 00:09:38,000  
a few interesting uh things that we can

207  
00:09:41,350 --> 00:09:39,760  
get into

208  
00:09:43,910 --> 00:09:41,360  
today

209  
00:09:45,990 --> 00:09:43,920  
um the first of which you know i put the

210  
00:09:47,750 --> 00:09:46,000  
link in the description

211  
00:09:49,269 --> 00:09:47,760  
and it is

212  
00:09:51,350 --> 00:09:49,279  
an interview

213  
00:09:54,230 --> 00:09:51,360

um that

214

00:09:56,150 --> 00:09:54,240

um mr pious did with

215

00:09:58,710 --> 00:09:56,160

on theory of everything

216

00:09:59,829 --> 00:09:58,720

with uh kurt chimongal i think his name

217

00:10:03,190 --> 00:09:59,839

is

218

00:10:05,030 --> 00:10:03,200

and it was pretty great to watch

219

00:10:07,430 --> 00:10:05,040

because we've heard so much about the

220

00:10:09,670 --> 00:10:07,440

salvador pius and his

221

00:10:12,389 --> 00:10:09,680

um patents

222

00:10:14,790 --> 00:10:12,399

you know like the drive talked about it

223

00:10:18,230 --> 00:10:14,800

um other people talked about it

224

00:10:22,389 --> 00:10:18,240

and they're they're pretty intense um

225

00:10:26,949 --> 00:10:25,190

you know seems like spaceships i suppose

226

00:10:28,550 --> 00:10:26,959

the one patent you can find it on the

227

00:10:30,550 --> 00:10:28,560

drive i should have found the link for

228

00:10:32,550 --> 00:10:30,560

you if anybody knows where it is uh

229

00:10:33,910 --> 00:10:32,560

that'd be great to to post it in here

230

00:10:37,190 --> 00:10:33,920

and that'd be cool

231

00:10:39,509 --> 00:10:38,069

but

232

00:10:41,030 --> 00:10:39,519

you know and he's with the navy right

233

00:10:43,509 --> 00:10:41,040

now which is very interesting so the

234

00:10:46,150 --> 00:10:43,519

navy had uh did the patent it's a

235

00:10:49,110 --> 00:10:46,160

triangle type ship

236

00:10:50,550 --> 00:10:49,120

you know i am not going to probably get

237

00:10:53,030 --> 00:10:50,560

this physics right but i'm going to try

238

00:10:54,870 --> 00:10:53,040

my best it was a very inside baseball

239

00:10:57,829 --> 00:10:54,880

type show

240

00:10:59,509 --> 00:10:57,839

um in the walls of the ship i believe

241

00:11:01,350 --> 00:10:59,519

there is the

242

00:11:02,310 --> 00:11:01,360

plasma

243

00:11:04,069 --> 00:11:02,320

and

244

00:11:06,310 --> 00:11:04,079

there's some sort of like microwave or

245

00:11:08,630 --> 00:11:06,320

something that like has to vibrate it

246

00:11:10,550 --> 00:11:08,640

enough to get to a point

247

00:11:13,990 --> 00:11:10,560

to

248

00:11:17,509 --> 00:11:14,000

where basically it can create like this

249

00:11:19,190 --> 00:11:17,519

void in the quantum vacuum

250

00:11:21,750 --> 00:11:19,200

i'm going to say

251

00:11:22,550 --> 00:11:21,760

which allows you to travel

252

00:11:24,630 --> 00:11:22,560

um

253

00:11:28,069 --> 00:11:24,640

i'm not sure but pretty much uh

254

00:11:28,949 --> 00:11:28,079

anywhere i would imagine

255

00:11:31,590 --> 00:11:28,959

so

256

00:11:34,150 --> 00:11:31,600

the technology that he's working on or

257

00:11:35,670 --> 00:11:34,160

did work on and and come up with is

258

00:11:38,310 --> 00:11:35,680

pretty amazing and he spoke about all

259

00:11:40,150 --> 00:11:38,320

the troubles that he had uh getting his

260

00:11:42,310 --> 00:11:40,160

stuff peer reviewed

261

00:11:44,470 --> 00:11:42,320

uh because it was new you know and ave

262

00:11:46,230 --> 00:11:44,480

lopes talks about that all the time

263

00:11:48,470 --> 00:11:46,240

um it's so

264

00:11:50,550 --> 00:11:48,480

uh hard for

265

00:11:52,949 --> 00:11:50,560

um

266

00:11:54,949 --> 00:11:52,959

you know scientists uh who are working

267

00:11:56,790 --> 00:11:54,959

on something new to to have it

268

00:11:59,190 --> 00:11:56,800

you know be get peer reviewed and taken

269

00:12:00,870 --> 00:11:59,200

seriously because you know if you

270

00:12:02,470 --> 00:12:00,880

haven't heard of it well it's not real

271

00:12:04,550 --> 00:12:02,480

and they're not interested

272

00:12:06,310 --> 00:12:04,560

supposedly it's what we hear

273

00:12:09,350 --> 00:12:06,320

um they also talked about some pretty

274

00:12:10,949 --> 00:12:09,360

interesting things like um

275

00:12:12,870 --> 00:12:10,959

uh orbs

276

00:12:15,590 --> 00:12:12,880

how heat thinks that they're

277

00:12:17,990 --> 00:12:15,600

um you know plasma based

278

00:12:20,389 --> 00:12:18,000

and uh you know they can mention how

279

00:12:22,470 --> 00:12:20,399

they can penetrate like uh walls and

280

00:12:24,790 --> 00:12:22,480

such which is pretty interesting

281

00:12:26,710 --> 00:12:24,800

um that kind of coincides with the the

282

00:12:29,030 --> 00:12:26,720

sightings i've had i mean

283

00:12:30,470 --> 00:12:29,040

that makes sense to me uh that would be

284

00:12:32,150 --> 00:12:30,480

that

285

00:12:33,990 --> 00:12:32,160

um

286

00:12:36,310 --> 00:12:34,000

you know he kept saying things like

287

00:12:38,870 --> 00:12:36,320

hypothetically when it came to like uaps

288

00:12:41,750 --> 00:12:38,880

he said this uh basically to rewind a

289

00:12:45,030 --> 00:12:41,760

bit uh this vehicle in this uh pious

290

00:12:46,069 --> 00:12:45,040

effect uh that he came up with

291

00:12:49,030 --> 00:12:46,079

that he

292

00:12:53,509 --> 00:12:49,040

you know basically um you know made this

293

00:12:56,069 --> 00:12:53,519

vehicle in this patent with um

294

00:12:58,470 --> 00:12:56,079

you know shows and has kind of like the

295

00:13:01,590 --> 00:12:58,480

same physics as these orbs and stuff and

296

00:13:03,829 --> 00:13:01,600

as these plasma orbs so

297

00:13:06,230 --> 00:13:03,839

and these uap in the way we see the

298

00:13:07,910 --> 00:13:06,240

maneuver he said the way that this

299

00:13:10,389 --> 00:13:07,920

vehicle would maneuver is basically like

300

00:13:11,590 --> 00:13:10,399

what we see with these uaps now you know

301  
00:13:14,150 --> 00:13:11,600  
what

302  
00:13:15,670 --> 00:13:14,160  
the question i have for this stuff is

303  
00:13:17,030 --> 00:13:15,680  
how do you

304  
00:13:19,190 --> 00:13:17,040  
know that

305  
00:13:20,550 --> 00:13:19,200  
without like how do you come up with

306  
00:13:23,509 --> 00:13:20,560  
something that replicates what these

307  
00:13:25,509 --> 00:13:23,519  
uaps do if you don't have one to work

308  
00:13:30,230 --> 00:13:25,519  
with you know

309  
00:13:34,310 --> 00:13:32,389  
i don't know like uh that's

310  
00:13:36,150 --> 00:13:34,320  
you know all these things to me like

311  
00:13:38,069 --> 00:13:36,160  
these these dirts and how they were

312  
00:13:41,350 --> 00:13:38,079  
written up and everything

313  
00:13:46,629 --> 00:13:44,550

you know it all seems to me like

314

00:13:48,470 --> 00:13:46,639

there is something they're working with

315

00:13:50,310 --> 00:13:48,480

as far as a craft that they're reverse

316

00:13:51,110 --> 00:13:50,320

engineering or something i could be

317

00:13:53,269 --> 00:13:51,120

wrong

318

00:13:54,550 --> 00:13:53,279

obviously

319

00:13:56,310 --> 00:13:54,560

but

320

00:13:57,030 --> 00:13:56,320

that's what it seems like sometimes to

321

00:13:59,750 --> 00:13:57,040

me

322

00:14:01,110 --> 00:13:59,760

um i asked calm about that uh

323

00:14:04,069 --> 00:14:01,120

you know they wondered where they could

324

00:14:07,030 --> 00:14:04,079

reverse engineer

325

00:14:09,910 --> 00:14:07,040

they had the science and tools available

326

00:14:11,350 --> 00:14:09,920

to reverse engineer

327

00:14:13,750 --> 00:14:11,360

something and i asked him about it and

328

00:14:15,430 --> 00:14:13,760

he said basically like the the health

329

00:14:18,550 --> 00:14:15,440

effect or whatever the injury that the

330

00:14:21,030 --> 00:14:18,560

person has they're able to tell what

331

00:14:23,430 --> 00:14:21,040

energy basically did that in reverse

332

00:14:25,590 --> 00:14:23,440

engineer the process to

333

00:14:27,350 --> 00:14:25,600

the the tool or the weapon or whatever

334

00:14:28,870 --> 00:14:27,360

that that did that

335

00:14:30,790 --> 00:14:28,880

so

336

00:14:33,269 --> 00:14:30,800

it's pretty interesting

337

00:14:38,870 --> 00:14:35,910

you know regardless like uh what uh plus

338

00:14:42,230 --> 00:14:38,880

came up with is is revolutionary now he

339

00:14:43,590 --> 00:14:42,240

says to his knowledge that nobody has a

340

00:14:46,230 --> 00:14:43,600

um

341

00:14:48,470 --> 00:14:46,240

is operating a vl vehicle like that but

342

00:14:49,670 --> 00:14:48,480

uh

343

00:14:50,629 --> 00:14:49,680

i

344

00:14:51,750 --> 00:14:50,639

really

345

00:14:53,269 --> 00:14:51,760

don't know

346

00:14:55,110 --> 00:14:53,279

if i buy that

347

00:14:56,710 --> 00:14:55,120

you know he did he was serious a couple

348

00:14:59,430 --> 00:14:56,720

times saying how

349

00:15:02,150 --> 00:14:59,440

um you know he's a patriot

350

00:15:03,030 --> 00:15:02,160

and he takes that seriously so

351

00:15:05,110 --> 00:15:03,040

um

352

00:15:06,629 --> 00:15:05,120

i'm sure he wouldn't be able to tell

353

00:15:10,949 --> 00:15:06,639

if

354

00:15:13,110 --> 00:15:10,959

there was a vehicle operating like that

355

00:15:15,030 --> 00:15:13,120

what's interesting is it's a triangle

356

00:15:16,470 --> 00:15:15,040

there's a couple things in tom delong's

357

00:15:19,750 --> 00:15:16,480

book

358

00:15:21,750 --> 00:15:19,760

that he said actually would we would see

359

00:15:25,509 --> 00:15:21,760

come to fruition over time

360

00:15:27,269 --> 00:15:25,519

one of which are triangles operated

361

00:15:28,949 --> 00:15:27,279

by us

362

00:15:30,870 --> 00:15:28,959

and basically driven with our

363

00:15:33,350 --> 00:15:30,880

consciousness

364

00:15:35,829 --> 00:15:33,360

which is all spelled out in those dirts

365

00:15:37,189 --> 00:15:35,839

including this pious effect

366

00:15:38,829 --> 00:15:37,199

so

367

00:15:43,269 --> 00:15:38,839

it's very interesting to

368

00:15:45,590 --> 00:15:43,279

me that uh the more time goes on

369

00:15:48,790 --> 00:15:45,600

you know starting to like kind of see

370

00:15:50,470 --> 00:15:48,800

how those things could come to fruition

371

00:15:51,910 --> 00:15:50,480

and if that's the case

372

00:15:57,430 --> 00:15:51,920

there's a lot of other things in that

373

00:16:02,710 --> 00:16:00,310

so um you know is that the case i don't

374

00:16:03,509 --> 00:16:02,720

know i think it still kind of stinks the

375

00:16:07,030 --> 00:16:03,519

way

376

00:16:08,550 --> 00:16:07,040

ttsa did some of their stuff as far as

377

00:16:10,069 --> 00:16:08,560

um you know

378

00:16:13,749 --> 00:16:10,079

some of their beginnings and and how

379

00:16:16,389 --> 00:16:13,759

they handled things and how they would

380

00:16:20,949 --> 00:16:16,399

kind of uh defunct in their investors

381

00:16:26,310 --> 00:16:23,269

um i can't make excuses for that but i'm

382

00:16:27,749 --> 00:16:26,320

just uh saying what i know

383

00:16:28,790 --> 00:16:27,759

and that's what i know

384

00:16:30,310 --> 00:16:28,800

so

385

00:16:31,829 --> 00:16:30,320

i suggest

386

00:16:34,949 --> 00:16:31,839

that you

387

00:16:36,790 --> 00:16:34,959

uh check out the interview

388

00:16:38,949 --> 00:16:36,800

you know again it's gonna be hard to

389

00:16:39,910 --> 00:16:38,959

understand it was for me at least unless

390

00:16:43,189 --> 00:16:39,920

you're

391

00:16:45,430 --> 00:16:43,199

you know physics major um

392

00:16:47,269 --> 00:16:45,440

he seems like a good guy he seemed very

393

00:16:49,189 --> 00:16:47,279

happy and excited to talk about this he

394

00:16:52,069 --> 00:16:49,199

was very um

395

00:16:53,430 --> 00:16:52,079

complimentary towards uh kurt which is

396

00:16:56,150 --> 00:16:53,440

awesome

397

00:16:58,949 --> 00:16:56,160

um also kurt looks like he is changing

398

00:17:00,470 --> 00:16:58,959

his format and the you know how he's

399

00:17:02,870 --> 00:17:00,480

doing his show

400

00:17:05,110 --> 00:17:02,880

which seems like it's going to be

401  
00:17:07,829 --> 00:17:05,120  
not so much ufos i think the ufo world

402  
00:17:09,669 --> 00:17:07,839  
scared them so

403  
00:17:12,150 --> 00:17:09,679  
that kind of sucks

404  
00:17:16,549 --> 00:17:14,870  
you know that's what happens when um

405  
00:17:22,870 --> 00:17:16,559  
the bad people

406  
00:17:22,880 --> 00:17:27,909  
which is just uh kind of terrible um

407  
00:17:33,110 --> 00:17:30,230  
but you know all i can do is is keep

408  
00:17:35,350 --> 00:17:33,120  
doing my thing and and hope that uh

409  
00:17:36,310 --> 00:17:35,360  
other people want to

410  
00:17:38,710 --> 00:17:36,320  
you know

411  
00:17:41,830 --> 00:17:38,720  
go along with that ride versus

412  
00:17:44,070 --> 00:17:41,840  
kind of what i consider my newton in

413  
00:17:47,830 --> 00:17:44,080

inconsequential um

414

00:17:50,789 --> 00:17:49,590

and

415

00:17:52,549 --> 00:17:50,799

you know we hear a lot of stuff about

416

00:17:54,630 --> 00:17:52,559

ufo twitter and how you know twitter

417

00:17:56,310 --> 00:17:54,640

stinks and and twitter's this or twitter

418

00:17:58,549 --> 00:17:56,320

is that it's so much easier on twitter

419

00:18:02,310 --> 00:17:58,559

to be mean or whatever but

420

00:18:05,350 --> 00:18:02,320

you know to be honest with you um

421

00:18:07,750 --> 00:18:05,360

you know twitter actually shows more of

422

00:18:09,590 --> 00:18:07,760

us and who we are as a society than i

423

00:18:11,590 --> 00:18:09,600

think we'd like to admit

424

00:18:14,390 --> 00:18:11,600

you know

425

00:18:18,630 --> 00:18:14,400

because people are more apt to put an

426

00:18:20,630 --> 00:18:18,640

instant reaction on the app

427

00:18:22,150 --> 00:18:20,640

you know and they're not holding back or

428

00:18:24,470 --> 00:18:22,160

keeping a filter because they're up to

429

00:18:27,029 --> 00:18:24,480

your face you actually kind of get a

430

00:18:29,669 --> 00:18:27,039

glimpse into who they really are more

431

00:18:32,390 --> 00:18:29,679

you know

432

00:18:33,909 --> 00:18:32,400

if we can get this figured out

433

00:18:35,110 --> 00:18:33,919

which we need to get it figured out

434

00:18:37,750 --> 00:18:35,120

somehow

435

00:18:42,310 --> 00:18:37,760

i think we're uh on our way to to some

436

00:18:46,630 --> 00:18:44,710

and i think being

437

00:18:48,710 --> 00:18:46,640

you know there there's a line where you

438

00:18:50,230 --> 00:18:48,720

have to be positive and and be loving

439

00:18:52,070 --> 00:18:50,240

and all that you know

440

00:18:54,310 --> 00:18:52,080

but what do you do when i'm

441

00:18:55,590 --> 00:18:54,320

a monster something bad comes around you

442

00:18:57,750 --> 00:18:55,600

know

443

00:19:00,870 --> 00:18:57,760

you can't just be silent not say

444

00:19:02,870 --> 00:19:00,880

anything you know or we see what happens

445

00:19:04,950 --> 00:19:02,880

those loud voices get louder than the

446

00:19:07,350 --> 00:19:04,960

other ones and people walk away from

447

00:19:09,909 --> 00:19:07,360

this topic like lou elizondo calm and

448

00:19:11,750 --> 00:19:09,919

george were talking about it last night

449

00:19:13,669 --> 00:19:11,760

um kurt chimongo i don't know why he's

450

00:19:14,870 --> 00:19:13,679

leaving but you know it seems like he's

451  
00:19:17,110 --> 00:19:14,880  
not doing

452  
00:19:20,870 --> 00:19:17,120  
uap stuff anymore i would assume maybe

453  
00:19:25,830 --> 00:19:23,430  
you know and those louder voices kind of

454  
00:19:28,070 --> 00:19:25,840  
um they're doing it for a particular

455  
00:19:28,950 --> 00:19:28,080  
reason and it's because

456  
00:19:31,430 --> 00:19:28,960  
um

457  
00:19:33,110 --> 00:19:31,440  
we'll walk away

458  
00:19:35,190 --> 00:19:33,120  
you know

459  
00:19:37,350 --> 00:19:35,200  
and i don't think the answer is either

460  
00:19:40,470 --> 00:19:37,360  
is to fight back with

461  
00:19:43,270 --> 00:19:40,480  
you know the same kind of attitude

462  
00:19:49,190 --> 00:19:47,510  
you know i think you can be just as loud

463  
00:19:50,870 --> 00:19:49,200

and intelligent

464

00:19:51,510 --> 00:19:50,880

or smart you know because i always think

465

00:19:53,990 --> 00:19:51,520

of

466

00:19:56,710 --> 00:19:54,000

what do new people see when they're

467

00:19:59,270 --> 00:19:56,720

looking at it for the first time

468

00:20:01,510 --> 00:19:59,280

i just saw ufo i want to go somewhere

469

00:20:03,029 --> 00:20:01,520

and i heard this ufo twitter things

470

00:20:04,470 --> 00:20:03,039

happening i'm going to go check it out

471

00:20:06,950 --> 00:20:04,480

and see if there's a place for me you

472

00:20:09,430 --> 00:20:06,960

look at it and people are fighting both

473

00:20:11,669 --> 00:20:09,440

sides immaturely what would you do i

474

00:20:14,950 --> 00:20:11,679

would run i would walk away

475

00:20:16,390 --> 00:20:14,960

i would say that's not for me

476

00:20:19,510 --> 00:20:16,400

you know

477

00:20:21,430 --> 00:20:19,520

and that's not what you want to do

478

00:20:22,870 --> 00:20:21,440

that's not the kind of scene you want to

479

00:20:25,590 --> 00:20:22,880

create

480

00:20:26,950 --> 00:20:25,600

so somebody says something nasty

481

00:20:29,110 --> 00:20:26,960

you don't have to say something nasty

482

00:20:31,750 --> 00:20:29,120

back you could say something

483

00:20:34,470 --> 00:20:31,760

that corrects the record back

484

00:20:36,149 --> 00:20:34,480

you know or even say

485

00:20:37,990 --> 00:20:36,159

you know other things and we're not

486

00:20:39,990 --> 00:20:38,000

perfect obviously but if you take it a

487

00:20:41,750 --> 00:20:40,000

step at a time maybe we can get there

488

00:20:43,510 --> 00:20:41,760

but if i saw a tweet and i was new and i

489

00:20:46,390 --> 00:20:43,520

was going to ufo twitter and one person

490

00:20:48,789 --> 00:20:46,400

said lou elizondo is a disinformation

491

00:20:51,110 --> 00:20:48,799

agent he's scamming you and you guys

492

00:20:54,070 --> 00:20:51,120

lack critical thinking skills

493

00:20:55,029 --> 00:20:54,080

and then somebody on the other side says

494

00:20:57,270 --> 00:20:55,039

you're

495

00:20:59,909 --> 00:20:57,280

a husband and

496

00:21:02,390 --> 00:20:59,919

sleep in your mother's bed and

497

00:21:04,310 --> 00:21:02,400

you don't have a job

498

00:21:06,470 --> 00:21:04,320

or a loser you know i'm going to look at

499

00:21:10,950 --> 00:21:06,480

that and go whoa i don't want to do any

500

00:21:13,270 --> 00:21:11,830

but

501  
00:21:16,390 --> 00:21:13,280  
you know that's the world

502  
00:21:17,669 --> 00:21:16,400  
like we have to find a way to to live

503  
00:21:20,549 --> 00:21:17,679  
with this

504  
00:21:22,310 --> 00:21:20,559  
uh medium of twitter and other things

505  
00:21:25,270 --> 00:21:22,320  
because that's the world we're at if if

506  
00:21:28,549 --> 00:21:25,280  
we don't we walk away and the other side

507  
00:21:30,870 --> 00:21:28,559  
wins the attention in in the story and

508  
00:21:33,510 --> 00:21:30,880  
the narrative which is not the

509  
00:21:35,350 --> 00:21:33,520  
typically the the true one

510  
00:21:37,029 --> 00:21:35,360  
you know

511  
00:21:38,950 --> 00:21:37,039  
so i don't know i don't have all the

512  
00:21:43,350 --> 00:21:38,960  
answers but i've just been thinking

513  
00:21:46,789 --> 00:21:45,029

because you have to stand up for

514

00:21:48,630 --> 00:21:46,799

something when you know it means

515

00:21:52,390 --> 00:21:48,640

something to you and integrity is

516

00:21:54,870 --> 00:21:52,400

involved i have to i personally do

517

00:22:00,390 --> 00:21:57,029

i've done that my whole life in real

518

00:22:03,190 --> 00:22:00,400

life you know like

519

00:22:06,230 --> 00:22:03,200

that's how i sleep at night

520

00:22:09,590 --> 00:22:07,940

k42d um

521

00:22:11,190 --> 00:22:09,600

[Music]

522

00:22:13,350 --> 00:22:11,200

you know i think it's

523

00:22:15,430 --> 00:22:13,360

you can't just blanket say it is there

524

00:22:17,510 --> 00:22:15,440

isn't i guess but i mean i think it

525

00:22:20,070 --> 00:22:17,520

really shows people's tendencies a lot

526

00:22:23,190 --> 00:22:20,080

more than you would see them person to

527

00:22:26,710 --> 00:22:24,950

and those inner thoughts that maybe they

528

00:22:28,950 --> 00:22:26,720

would keep in their head if they had to

529

00:22:31,350 --> 00:22:28,960

say it to your face versus

530

00:22:32,789 --> 00:22:31,360

you know a fake picture on their profile

531

00:22:34,630 --> 00:22:32,799

and a fake name

532

00:22:36,950 --> 00:22:34,640

or they can say whatever they want

533

00:22:41,350 --> 00:22:36,960

basically

534

00:22:47,270 --> 00:22:45,270

which is it is what it is you know um

535

00:22:49,029 --> 00:22:47,280

the best you can do is be emotionally

536

00:22:53,990 --> 00:22:49,039

intelligent with it

537

00:22:57,750 --> 00:22:54,000

and however you respond if you do is not

538

00:23:01,590 --> 00:22:59,430

you know if you can do that and be

539

00:23:05,590 --> 00:23:01,600

clear-headed

540

00:23:09,990 --> 00:23:07,669

but you know i make a pledge here to

541

00:23:11,430 --> 00:23:10,000

make this show about information

542

00:23:12,470 --> 00:23:11,440

informing you

543

00:23:14,310 --> 00:23:12,480

bringing

544

00:23:15,990 --> 00:23:14,320

interesting things from either the past

545

00:23:17,510 --> 00:23:16,000

or current to you

546

00:23:18,549 --> 00:23:17,520

and not

547

00:23:21,590 --> 00:23:18,559

um

548

00:23:26,230 --> 00:23:23,990

things that are inconsequential and for

549

00:23:28,390 --> 00:23:26,240

those of you who know

550

00:23:30,630 --> 00:23:28,400

uh you know the kind of things that are

551  
00:23:32,310 --> 00:23:30,640  
talking about

552  
00:23:34,230 --> 00:23:32,320  
um know what i mean

553  
00:23:36,310 --> 00:23:34,240  
you know

554  
00:23:39,110 --> 00:23:36,320  
you can't give that stuff any air either

555  
00:23:41,510 --> 00:23:39,120  
because it's so just freaking stupid

556  
00:23:41,520 --> 00:23:44,390  
is what it is

557  
00:23:47,669 --> 00:23:46,710  
just gotta keep fighting the good fight

558  
00:23:53,029 --> 00:23:47,679  
right

559  
00:23:57,029 --> 00:23:55,590  
that i want to show you

560  
00:23:59,269 --> 00:23:57,039  
as long as you guys are here checking

561  
00:24:01,669 --> 00:23:59,279  
out the show being nice to me that's all

562  
00:24:06,549 --> 00:24:01,679  
the positive reinforcement i need

563  
00:24:11,830 --> 00:24:09,190

so uh this is pretty interesting uh dave

564

00:24:14,470 --> 00:24:11,840

beatty god bless him that guy is a

565

00:24:16,470 --> 00:24:14,480

workhorse with this stuff

566

00:24:18,789 --> 00:24:16,480

he has connections with

567

00:24:21,269 --> 00:24:18,799

these people that i i don't know how it

568

00:24:22,789 --> 00:24:21,279

happens but but he's got him and he gets

569

00:24:24,789 --> 00:24:22,799

these scoops

570

00:24:26,950 --> 00:24:24,799

now i think what he said about as far as

571

00:24:29,669 --> 00:24:26,960

these witnesses is they're either second

572

00:24:31,590 --> 00:24:29,679

or third end witnesses and you know to

573

00:24:34,470 --> 00:24:31,600

take it any farther you know he's going

574

00:24:38,149 --> 00:24:34,480

to have to get better witnesses but

575

00:24:39,830 --> 00:24:38,159

um if he posts this stuff i think he

576  
00:24:41,909 --> 00:24:39,840  
believes it enough to think it may be

577  
00:24:44,390 --> 00:24:41,919  
something so again i put this link in

578  
00:24:46,470 --> 00:24:44,400  
the description read for yourself

579  
00:24:47,909 --> 00:24:46,480  
mysterious uap encounters in the navy's

580  
00:24:49,990 --> 00:24:47,919  
atlantic

581  
00:24:50,430 --> 00:24:50,000  
2021 at uss

582  
00:24:53,190 --> 00:24:50,440  
um

583  
00:24:56,070 --> 00:24:53,200  
[Music]

584  
00:24:57,830 --> 00:24:56,080  
cursarge uh probably butchered that

585  
00:24:59,350 --> 00:24:57,840  
sightings

586  
00:25:01,190 --> 00:24:59,360  
um

587  
00:25:03,430 --> 00:25:01,200  
so and he wrote a nice little article

588  
00:25:04,950 --> 00:25:03,440

it's about eight minutes of eight minute

589

00:25:06,149 --> 00:25:04,960

read i don't know how they timed that

590

00:25:07,590 --> 00:25:06,159

you know

591

00:25:09,269 --> 00:25:07,600

who's reading it

592

00:25:11,029 --> 00:25:09,279

are they slow reader

593

00:25:13,190 --> 00:25:11,039

fast reader

594

00:25:15,990 --> 00:25:13,200

you know

595

00:25:17,750 --> 00:25:16,000

minutes

596

00:25:20,870 --> 00:25:17,760

what if i'm a fast reader but i get

597

00:25:24,149 --> 00:25:20,880

interrupted and have to come back

598

00:25:27,510 --> 00:25:24,159

[Laughter]

599

00:25:30,549 --> 00:25:27,520

so this is pretty interesting

600

00:25:35,830 --> 00:25:31,350

so

601  
00:25:39,110 --> 00:25:37,669  
you know i think there's there's a lot

602  
00:25:41,510 --> 00:25:39,120  
of sightings and there's a lot of people

603  
00:25:43,669 --> 00:25:41,520  
that want to or would give testimony

604  
00:25:46,310 --> 00:25:43,679  
that are either still serving

605  
00:25:48,070 --> 00:25:46,320  
or maybe look at

606  
00:25:53,590 --> 00:25:48,080  
you know how people are treated who do

607  
00:25:58,870 --> 00:25:56,070  
you know if i was david fravor like one

608  
00:26:05,669 --> 00:26:01,870  
america's greatest pilots in the history

609  
00:26:08,470 --> 00:26:05,679  
of this stuff coming up and talking uh

610  
00:26:10,630 --> 00:26:08,480  
about what he has in you know four years

611  
00:26:11,590 --> 00:26:10,640  
later still getting

612  
00:26:15,269 --> 00:26:11,600  
um

613  
00:26:15,279 --> 00:26:20,070

you know misinformation and everything

614

00:26:24,950 --> 00:26:23,110

so yeah he really writes uh pretty good

615

00:26:25,909 --> 00:26:24,960

articles here so maybe we'll get him on

616

00:26:27,590 --> 00:26:25,919

the show

617

00:26:29,190 --> 00:26:27,600

when this story

618

00:26:31,029 --> 00:26:29,200

ticks up a little bit and have him talk

619

00:26:35,430 --> 00:26:31,039

about it but for now

620

00:26:40,390 --> 00:26:36,630

so yeah

621

00:26:42,789 --> 00:26:40,400

that's about it so again link in the

622

00:26:45,110 --> 00:26:42,799

description

623

00:26:47,110 --> 00:26:45,120

um the last

624

00:26:49,990 --> 00:26:47,120

news bit and this is before we get to

625

00:26:52,870 --> 00:26:50,000

our other segments of course

626

00:26:55,029 --> 00:26:52,880

that i do have so

627

00:26:57,190 --> 00:26:55,039

we are going to talk about that

628

00:27:00,230 --> 00:26:57,200

uh the last thing that i wanted to

629

00:27:03,110 --> 00:27:00,240

discuss as far as the new stuff goes is

630

00:27:06,470 --> 00:27:03,120

uh this coast-to-coast interview

631

00:27:09,510 --> 00:27:06,480

um corbell did with nab the other day i

632

00:27:10,789 --> 00:27:09,520

put joe mergia's

633

00:27:12,710 --> 00:27:10,799

transcription

634

00:27:13,909 --> 00:27:12,720

on twitter in the description so you can

635

00:27:15,669 --> 00:27:13,919

read it

636

00:27:17,430 --> 00:27:15,679

um

637

00:27:19,350 --> 00:27:17,440

because you have to it's like a

638

00:27:21,590 --> 00:27:19,360

subscription to to listen to it if you

639

00:27:24,549 --> 00:27:21,600

don't listen to it live on the radio so

640

00:27:26,149 --> 00:27:24,559

i joe does that uh on his own time very

641

00:27:28,149 --> 00:27:26,159

nice of him to do that and it's very

642

00:27:31,190 --> 00:27:28,159

accurate so you can read it for yourself

643

00:27:33,590 --> 00:27:31,200

a couple things that came out of that um

644

00:27:36,789 --> 00:27:33,600

one of which is there is recorded

645

00:27:39,029 --> 00:27:36,799

testimony from some of the people um

646

00:27:42,389 --> 00:27:39,039

that were involved with the

647

00:27:45,190 --> 00:27:42,399

um pyramid uh ufo sightings that are now

648

00:27:46,870 --> 00:27:45,200

infamous so

649

00:27:48,549 --> 00:27:46,880

it's interesting to me because they are

650

00:27:51,350 --> 00:27:48,559

still swimming but yet they have

651  
00:27:53,750 --> 00:27:51,360  
recorded interviews so

652  
00:27:56,230 --> 00:27:53,760  
and i think they're probably jeremy is

653  
00:27:57,909 --> 00:27:56,240  
uh just waiting to release some of that

654  
00:28:00,149 --> 00:27:57,919  
until the witness is ready which would

655  
00:28:02,310 --> 00:28:00,159  
probably be when he's done serving uh

656  
00:28:03,430 --> 00:28:02,320  
whenever that may be so that'll be

657  
00:28:07,190 --> 00:28:03,440  
interesting

658  
00:28:10,070 --> 00:28:07,200  
um he has more footage he has footage

659  
00:28:12,630 --> 00:28:10,080  
of what he described as a phoenix lights

660  
00:28:15,590 --> 00:28:12,640  
type instant over a military base

661  
00:28:17,510 --> 00:28:15,600  
uh where there are multiple angles of

662  
00:28:19,269 --> 00:28:17,520  
video

663  
00:28:33,029 --> 00:28:19,279

so

664

00:28:35,510 --> 00:28:33,039

discussed um things like how anything

665

00:28:37,029 --> 00:28:35,520

having to do with uap now because of a

666

00:28:40,149 --> 00:28:37,039

mandate in the government is

667

00:28:41,990 --> 00:28:40,159

automatically top secret or classified

668

00:28:44,310 --> 00:28:42,000

um so

669

00:28:45,669 --> 00:28:44,320

you know the ways and means of of doing

670

00:28:47,510 --> 00:28:45,679

this kind of stuff and working from

671

00:28:49,430 --> 00:28:47,520

footage or talking about this or getting

672

00:28:51,510 --> 00:28:49,440

leaks or whatever is is a little bit

673

00:28:53,669 --> 00:28:51,520

different now so

674

00:28:55,830 --> 00:28:53,679

um but

675

00:28:57,190 --> 00:28:55,840

we'll see how that goes you know which

676  
00:28:59,750 --> 00:28:57,200  
is pretty

677  
00:29:01,830 --> 00:28:59,760  
frustrating but i don't mind it as long

678  
00:29:03,190 --> 00:29:01,840  
as the government does their job

679  
00:29:05,110 --> 00:29:03,200  
um and

680  
00:29:08,630 --> 00:29:05,120  
shares

681  
00:29:10,230 --> 00:29:08,640  
you know what's going on um

682  
00:29:13,350 --> 00:29:10,240  
but i don't know like cohn said

683  
00:29:17,830 --> 00:29:16,149  
how much do you put uh in the government

684  
00:29:21,830 --> 00:29:17,840  
actually doing that not pulling a blue

685  
00:29:26,230 --> 00:29:23,990  
don't know we'll see

686  
00:29:32,549 --> 00:29:26,240  
we will see

687  
00:29:33,590 --> 00:29:32,559  
supposedly briefed at this point on the

688  
00:29:35,510 --> 00:29:33,600

you know

689

00:29:37,750 --> 00:29:35,520

aoi msg stuff

690

00:29:42,470 --> 00:29:37,760

so

691

00:29:50,950 --> 00:29:44,950

there's not an unclassified

692

00:29:54,789 --> 00:29:53,029

hopefully when it does

693

00:29:57,830 --> 00:29:54,799

some of those blacked out parts that we

694

00:30:01,750 --> 00:29:57,840

see in the 2021 preliminary report

695

00:30:03,990 --> 00:30:01,760

are there but not blacked out

696

00:30:07,669 --> 00:30:04,000

that would be great

697

00:30:10,630 --> 00:30:08,789

thomas

698

00:30:12,549 --> 00:30:10,640

lots of interesting stuff at galileo

699

00:30:14,149 --> 00:30:12,559

webb yeah i'm interested to see how that

700

00:30:16,710 --> 00:30:14,159

stuff progresses

701  
00:30:18,310 --> 00:30:16,720  
um all this stuff is kind of slow um

702  
00:30:21,350 --> 00:30:18,320  
hopefully

703  
00:30:24,630 --> 00:30:21,360  
you know um we can start seeing things

704  
00:30:26,470 --> 00:30:24,640  
come to fruition a bit

705  
00:30:27,750 --> 00:30:26,480  
jim's web telescope will be interesting

706  
00:30:29,830 --> 00:30:27,760  
[Music]

707  
00:30:30,950 --> 00:30:29,840  
i'm not really sure what to expect

708  
00:30:32,710 --> 00:30:30,960  
from that

709  
00:30:34,549 --> 00:30:32,720  
as far as timing goes

710  
00:30:36,389 --> 00:30:34,559  
i know it's incredible

711  
00:30:38,070 --> 00:30:36,399  
there's an incredible telescope that'll

712  
00:30:39,110 --> 00:30:38,080  
look back in time farther than ever

713  
00:30:41,750 --> 00:30:39,120

possible

714

00:30:43,909 --> 00:30:41,760

uh what they'll see i i don't know you

715

00:30:46,070 --> 00:30:43,919

know like for instance if the stuff that

716

00:30:47,510 --> 00:30:46,080

we see here these uaps are earth-based

717

00:30:48,830 --> 00:30:47,520

are they going to see any then probably

718

00:30:52,310 --> 00:30:48,840

not

719

00:30:53,990 --> 00:30:52,320

right um christian says when does tears

720

00:30:56,070 --> 00:30:54,000

in the sky come out i'm not sure good

721

00:31:01,110 --> 00:30:56,080

question you could probably

722

00:31:04,870 --> 00:31:03,110

um i want to see

723

00:31:06,789 --> 00:31:04,880

i want someone to ask one of the members

724

00:31:09,269 --> 00:31:06,799

of congress about what they saw and see

725

00:31:12,789 --> 00:31:09,279

their reaction yeah right

726

00:31:15,269 --> 00:31:12,799

you don't have to tell me anything just

727

00:31:16,950 --> 00:31:15,279

videotape your face when they're telling

728

00:31:19,470 --> 00:31:16,960

you

729

00:31:21,190 --> 00:31:19,480

that's all that's all i want

730

00:31:23,190 --> 00:31:21,200

[Laughter]

731

00:31:25,830 --> 00:31:23,200

that's perfect yeah

732

00:31:27,909 --> 00:31:25,840

facial expressions are not classified

733

00:31:30,230 --> 00:31:27,919

right

734

00:31:33,509 --> 00:31:30,240

totally

735

00:31:36,389 --> 00:31:33,519

uh says me awesome cool some say

736

00:31:38,230 --> 00:31:36,399

april okay cool we'll see

737

00:31:40,230 --> 00:31:38,240

we will see

738

00:31:41,669 --> 00:31:40,240

uh craig says it's very difficult

739

00:31:42,789 --> 00:31:41,679

subject to bring up even with good

740

00:31:44,070 --> 00:31:42,799

friends i stopped because it's

741

00:31:47,509 --> 00:31:44,080

frustrating

742

00:31:49,190 --> 00:31:47,519

yeah i understand you know and

743

00:31:51,110 --> 00:31:49,200

that's kind of the position we're in

744

00:31:53,509 --> 00:31:51,120

even though it's in the government and

745

00:31:56,470 --> 00:31:53,519

even though there's these thirds

746

00:31:58,630 --> 00:31:56,480

and all that stuff like

747

00:32:00,630 --> 00:31:58,640

this is something that no one is going

748

00:32:02,950 --> 00:32:00,640

to believe without having their own

749

00:32:05,029 --> 00:32:02,960

experience or

750

00:32:07,350 --> 00:32:05,039

um having more

751  
00:32:08,950 --> 00:32:07,360  
evidence given

752  
00:32:10,430 --> 00:32:08,960  
from the government probably

753  
00:32:11,590 --> 00:32:10,440  
unfortunately um

754  
00:32:12,710 --> 00:32:11,600  
[Music]

755  
00:32:15,669 --> 00:32:12,720  
you know in a

756  
00:32:17,830 --> 00:32:15,679  
more tangible way

757  
00:32:19,909 --> 00:32:17,840  
you know a lot of people acted that way

758  
00:32:22,230 --> 00:32:19,919  
with covet you know

759  
00:32:24,389 --> 00:32:22,240  
no one really took it seriously or as a

760  
00:32:25,830 --> 00:32:24,399  
reality until they got it or someone

761  
00:32:30,470 --> 00:32:25,840  
close to them got it

762  
00:32:33,509 --> 00:32:32,310  
and

763  
00:32:35,269 --> 00:32:33,519

people still think that there's

764

00:32:37,269 --> 00:32:35,279

conspiracies involved in this or that or

765

00:32:39,110 --> 00:32:37,279

whatever you know and unfortunately

766

00:32:41,110 --> 00:32:39,120

there's been conspiracies that have been

767

00:32:42,870 --> 00:32:41,120

true with the government in the past

768

00:32:44,549 --> 00:32:42,880

so it's

769

00:32:45,909 --> 00:32:44,559

you know i can't blame them to a certain

770

00:32:47,590 --> 00:32:45,919

extent

771

00:32:50,630 --> 00:32:47,600

you know and there's science

772

00:32:53,269 --> 00:32:50,640

right i'm not a scientist

773

00:32:56,389 --> 00:32:53,279

you know i got my vaccines

774

00:32:58,710 --> 00:32:56,399

i'm doing the best i can

775

00:33:01,029 --> 00:32:58,720

but it's like most people don't believe

776

00:33:02,389 --> 00:33:01,039

anything until they see it or experience

777

00:33:04,070 --> 00:33:02,399

it you know

778

00:33:06,950 --> 00:33:04,080

and especially when you're dealing with

779

00:33:08,389 --> 00:33:06,960

something that's completely

780

00:33:13,110 --> 00:33:08,399

altering

781

00:33:18,630 --> 00:33:16,310

you know and i think rightfully so

782

00:33:20,789 --> 00:33:18,640

people aren't going to

783

00:33:23,990 --> 00:33:20,799

take that far

784

00:33:27,509 --> 00:33:24,000

very far by words alone or a government

785

00:33:28,470 --> 00:33:27,519

office alone you know

786

00:33:30,630 --> 00:33:28,480

because

787

00:33:32,710 --> 00:33:30,640

think about the past like we knew blue

788

00:33:34,630 --> 00:33:32,720

book was a thing

789

00:33:37,190 --> 00:33:34,640

that's kind of an admission from the

790

00:33:43,909 --> 00:33:37,200

government there that ufos are real

791

00:33:47,190 --> 00:33:45,269

so

792

00:33:48,549 --> 00:33:47,200

i'm gonna have to have more than that to

793

00:33:51,029 --> 00:33:48,559

kind of

794

00:33:53,830 --> 00:33:51,039

flip this grip

795

00:33:54,549 --> 00:33:53,840

so to speak

796

00:34:02,070 --> 00:33:54,559

so

797

00:34:06,070 --> 00:34:02,080

part of this show

798

00:34:09,349 --> 00:34:06,080

is going to be audio testimony that is

799

00:34:11,190 --> 00:34:09,359

audible versus the last time we did this

800

00:34:12,389 --> 00:34:11,200

i'm sorry about that by the way i guess

801  
00:34:14,069 --> 00:34:12,399  
that's why you should listen to him

802  
00:34:15,750 --> 00:34:14,079  
first i was going to try to have it be

803  
00:34:18,149 --> 00:34:15,760  
fresh with you guys but that didn't work

804  
00:34:18,950 --> 00:34:18,159  
out so well so this one i i listened to

805  
00:34:20,389 --> 00:34:18,960  
first

806  
00:34:25,349 --> 00:34:20,399  
sounds great

807  
00:34:26,550 --> 00:34:25,359  
um and yeah it's a swarm of ufos

808  
00:34:30,389 --> 00:34:26,560  
um so

809  
00:34:33,030 --> 00:34:30,399  
i hope you enjoy it and i'll be back

810  
00:34:34,869 --> 00:34:33,040  
reporting center oh just who i want to

811  
00:34:37,510 --> 00:34:34,879  
talk to we're in grass valley california

812  
00:34:38,790 --> 00:34:37,520  
yes and i contacted beale air force base

813  
00:34:40,550 --> 00:34:38,800

here to get a number that we could

814

00:34:42,389 --> 00:34:40,560

report a ufo sighting here in grass

815

00:34:44,149 --> 00:34:42,399

valley yes

816

00:34:45,669 --> 00:34:44,159

i can get a description where you saw it

817

00:34:47,349 --> 00:34:45,679

well you know i'll let you talk to my

818

00:34:49,349 --> 00:34:47,359

husband i only seen two of them he's

819

00:34:51,190 --> 00:34:49,359

seen quite a few more it was about ten

820

00:34:53,270 --> 00:34:51,200

to five or five to five this morning

821

00:34:55,510 --> 00:34:53,280

okay so let me put him on the phone hold

822

00:34:57,349 --> 00:34:55,520

on thank you

823

00:34:59,829 --> 00:34:57,359

hello good morning good morning hey

824

00:35:01,829 --> 00:34:59,839

listen uh i have never been a believer

825

00:35:04,069 --> 00:35:01,839

of ufos in my entire life and i just

826

00:35:05,829 --> 00:35:04,079

seen at minimum of nine this morning

827

00:35:08,310 --> 00:35:05,839

with my own eyes

828

00:35:10,630 --> 00:35:08,320

and i mean i'm a believer

829

00:35:12,790 --> 00:35:10,640

okay what are you huh what'd they look

830

00:35:14,470 --> 00:35:12,800

like okay it's about five to five i went

831

00:35:16,310 --> 00:35:14,480

out to check my water pump i turned

832

00:35:18,230 --> 00:35:16,320

around in the sky and approached me

833

00:35:19,990 --> 00:35:18,240

first of all was

834

00:35:22,150 --> 00:35:20,000

if i remember right now

835

00:35:23,829 --> 00:35:22,160

there's at least three maybe four that i

836

00:35:24,790 --> 00:35:23,839

seen at first that were

837

00:35:31,829 --> 00:35:24,800

bright

838

00:35:33,510 --> 00:35:31,839

in uniform moving

839

00:35:35,510 --> 00:35:33,520

slow or well

840

00:35:38,550 --> 00:35:35,520

you know in uniform i mean fairly fast

841

00:35:40,069 --> 00:35:38,560

not a streak just a steady move and uh

842

00:35:41,430 --> 00:35:40,079

very quiet so

843

00:35:42,870 --> 00:35:41,440

i kind of went up the hill a little bit

844

00:35:44,630 --> 00:35:42,880

looking at those

845

00:35:45,990 --> 00:35:44,640

waiting to hear engines and i thought

846

00:35:48,230 --> 00:35:46,000

this is weird i don't know if there were

847

00:35:51,270 --> 00:35:48,240

choppers or what's going on i heard no

848

00:35:53,910 --> 00:35:51,280

no motors then

849

00:35:55,670 --> 00:35:53,920

further out beyond them i kept seeing

850

00:35:58,710 --> 00:35:55,680

more up here i'd seen like two or three

851  
00:35:59,990 --> 00:35:58,720  
more the same bright bright lights

852  
00:36:01,910 --> 00:36:00,000  
it looked like they were like in a

853  
00:36:02,870 --> 00:36:01,920  
pattern just kept coming right towards

854  
00:36:06,390 --> 00:36:02,880  
me

855  
00:36:09,510 --> 00:36:06,400  
rubbed my eyes i thought i was seeing

856  
00:36:10,630 --> 00:36:09,520  
things had like tails behind them

857  
00:36:12,470 --> 00:36:10,640  
and

858  
00:36:14,790 --> 00:36:12,480  
i thought maybe the tails dissipate they

859  
00:36:17,990 --> 00:36:14,800  
just kept coming over

860  
00:36:21,030 --> 00:36:18,000  
then what really got me is down slightly

861  
00:36:23,109 --> 00:36:21,040  
to me but what i'll call below them uh

862  
00:36:24,310 --> 00:36:23,119  
you know they were awful little ways

863  
00:36:26,230 --> 00:36:24,320

was like

864

00:36:28,950 --> 00:36:26,240

when i first seen it it almost looked

865

00:36:31,750 --> 00:36:28,960

like some kind of an orange explosion

866

00:36:33,510 --> 00:36:31,760

like a almost like a pinwheel thing

867

00:36:34,950 --> 00:36:33,520

and i kept waiting for these things to

868

00:36:36,630 --> 00:36:34,960

like fall to the ground or something

869

00:36:39,430 --> 00:36:36,640

then i realized that whatever this was i

870

00:36:40,870 --> 00:36:39,440

was looking at was moving also with

871

00:36:41,670 --> 00:36:40,880

these white lights

872

00:36:48,870 --> 00:36:41,680

so

873

00:36:50,550 --> 00:36:48,880

these trees and there was like

874

00:36:52,550 --> 00:36:50,560

four of these lights and i was screaming

875

00:36:54,470 --> 00:36:52,560

at my wife to come out she's out on the

876

00:36:56,310 --> 00:36:54,480

gravel in her bare feet

877

00:36:58,870 --> 00:36:56,320

the two main bright ones are moving

878

00:37:00,630 --> 00:36:58,880

directly out of the west directly to the

879

00:37:02,630 --> 00:37:00,640

east uh

880

00:37:04,390 --> 00:37:02,640

it was just starting to get daylight and

881

00:37:06,069 --> 00:37:04,400

east and i followed them

882

00:37:09,910 --> 00:37:06,079

completely until they disappeared even

883

00:37:14,470 --> 00:37:11,430

i would say i've seen at least nine of

884

00:37:15,190 --> 00:37:14,480

them the one orange and at least nine of

885

00:37:17,190 --> 00:37:15,200

the

886

00:37:19,510 --> 00:37:17,200

bright that's all i can describe is

887

00:37:23,750 --> 00:37:19,520

bright moving lights

888

00:37:25,829 --> 00:37:23,760

that's it from west to east 5 54 or 5 55

889

00:37:27,750 --> 00:37:25,839

this morning and i'm i'm a building

890

00:37:29,270 --> 00:37:27,760

contractor uh

891

00:37:31,030 --> 00:37:29,280

i mean i've seen him what else can i say

892

00:37:32,550 --> 00:37:31,040

so i had to tell somebody

893

00:37:34,829 --> 00:37:32,560

okay how long do you watch them all

894

00:37:37,990 --> 00:37:34,839

together i would say

895

00:37:41,190 --> 00:37:38,000

okay what maybe two minutes

896

00:37:46,150 --> 00:37:43,270

i would i'm going to guess at this but

897

00:37:47,829 --> 00:37:46,160

from we've got a pretty good aerial view

898

00:37:49,910 --> 00:37:47,839

here we're sitting kind of on a hill and

899

00:37:51,670 --> 00:37:49,920

from when i first appeared to when i

900

00:37:54,710 --> 00:37:51,680

watched him disappear in east where i

901  
00:37:57,910 --> 00:37:54,720  
couldn't see him anymore i would say

902  
00:38:00,310 --> 00:37:57,920  
a minute and a half maybe okay

903  
00:38:02,630 --> 00:38:00,320  
two minutes maybe maybe i mean you know

904  
00:38:03,829 --> 00:38:02,640  
what i was so excited that uh

905  
00:38:05,750 --> 00:38:03,839  
i've never seen anything like this

906  
00:38:06,870 --> 00:38:05,760  
before did any of those pass directly

907  
00:38:10,069 --> 00:38:06,880  
overhead

908  
00:38:12,550 --> 00:38:10,079  
the two of them passed i would say

909  
00:38:14,710 --> 00:38:12,560  
not directly but

910  
00:38:16,470 --> 00:38:14,720  
damn close there was two of them that

911  
00:38:18,790 --> 00:38:16,480  
were what i call the first ones to

912  
00:38:20,390 --> 00:38:18,800  
appear out of the sky

913  
00:38:21,910 --> 00:38:20,400

were

914

00:38:24,790 --> 00:38:21,920

okay if i'm standing here looking

915

00:38:26,710 --> 00:38:24,800

straight up you know no but if i drop my

916

00:38:28,550 --> 00:38:26,720

head from straight up down at an angle

917

00:38:31,270 --> 00:38:28,560

at about

918

00:38:32,630 --> 00:38:31,280

oh not even 45 degrees that's how close

919

00:38:34,470 --> 00:38:32,640

two of them were and they were just

920

00:38:35,910 --> 00:38:34,480

steady and in uniform i think they were

921

00:38:39,270 --> 00:38:35,920

close enough for that you would have

922

00:38:40,870 --> 00:38:39,280

heard any sound oh god yes

923

00:38:43,030 --> 00:38:40,880

that was the first thing because beale

924

00:38:45,109 --> 00:38:43,040

air force base we've got

925

00:38:47,109 --> 00:38:45,119

these fuelers that fly over us every

926  
00:38:50,630 --> 00:38:47,119  
other day and i mean i can hear them way

927  
00:38:53,030 --> 00:38:50,640  
oh yeah yeah yeah no no these were low

928  
00:38:55,270 --> 00:38:53,040  
and distinct bright

929  
00:38:56,150 --> 00:38:55,280  
circular type lights

930  
00:38:58,550 --> 00:38:56,160  
okay

931  
00:39:01,430 --> 00:38:58,560  
all i can tell is like all i can tell

932  
00:39:02,790 --> 00:39:01,440  
you is that the bright lights that first

933  
00:39:05,510 --> 00:39:02,800  
appeared

934  
00:39:07,670 --> 00:39:05,520  
were just like massive yeah i would say

935  
00:39:09,589 --> 00:39:07,680  
circular yeah okay i would say circular

936  
00:39:11,510 --> 00:39:09,599  
okay but not the orange deal i don't

937  
00:39:14,550 --> 00:39:11,520  
know what that was that was that was

938  
00:39:15,990 --> 00:39:14,560

like a big wheel i mean it

939

00:39:18,069 --> 00:39:16,000

again circular

940

00:39:19,670 --> 00:39:18,079

wheel would be but uh

941

00:39:21,349 --> 00:39:19,680

that's what really that's why i really

942

00:39:23,750 --> 00:39:21,359

started freaking out and calling my wife

943

00:39:25,030 --> 00:39:23,760

when i seen that okay i mean i'm just

944

00:39:27,349 --> 00:39:25,040

i'm just a little guy a little

945

00:39:29,510 --> 00:39:27,359

contractor i've never been involved in

946

00:39:31,030 --> 00:39:29,520

this stuff but i mean i've seen him

947

00:39:33,349 --> 00:39:31,040

yeah i don't have a problem with it my

948

00:39:37,990 --> 00:39:33,359

name is doug swanson and i seen him okay

949

00:39:39,750 --> 00:39:38,000

and your age i'm 45 years old

950

00:39:41,109 --> 00:39:39,760

i mean i've watched this stuff on tv

951  
00:39:42,950 --> 00:39:41,119  
i've seen it in the inquirer i've seen

952  
00:39:45,270 --> 00:39:42,960  
it i've always laughed at it

953  
00:39:46,550 --> 00:39:45,280  
i really i've seen him okay where did

954  
00:39:48,790 --> 00:39:46,560  
you get our number

955  
00:39:52,150 --> 00:39:48,800  
uh dealer my wife my wife called the

956  
00:39:53,910 --> 00:39:52,160  
sheriff and she she called beal and then

957  
00:40:08,550 --> 00:39:53,920  
they gave us your number the air force

958  
00:40:13,589 --> 00:40:11,190  
the interesting uh part of that is is we

959  
00:40:16,630 --> 00:40:13,599  
hear that all the time as far as uh

960  
00:40:18,870 --> 00:40:16,640  
people who witness this stuff is i was

961  
00:40:21,190 --> 00:40:18,880  
not a believer i i would watch this

962  
00:40:22,069 --> 00:40:21,200  
stuff i would laugh at it but i've seen

963  
00:40:24,870 --> 00:40:22,079

it

964

00:40:27,510 --> 00:40:24,880

you know and i always relate that to

965

00:40:28,390 --> 00:40:27,520

how i treated like uh go shows or

966

00:40:30,470 --> 00:40:28,400

whatever

967

00:40:31,750 --> 00:40:30,480

you know i still never really had a

968

00:40:33,670 --> 00:40:31,760

ghost

969

00:40:34,870 --> 00:40:33,680

um experience

970

00:40:36,390 --> 00:40:34,880

um

971

00:40:38,309 --> 00:40:36,400

but that's

972

00:40:40,470 --> 00:40:38,319

you know kind of how i treat that and

973

00:40:42,790 --> 00:40:40,480

ufos more or less that's

974

00:40:44,710 --> 00:40:42,800

how i thought about that too you know

975

00:40:49,030 --> 00:40:44,720

until i had a sighting

976  
00:40:52,950 --> 00:40:50,950  
you know

977  
00:40:55,270 --> 00:40:52,960  
that's how it works i saw you guys uh

978  
00:40:58,309 --> 00:40:55,280  
talking about

979  
00:40:59,670 --> 00:40:58,319  
crash retrieval stuff in the chat so

980  
00:41:03,670 --> 00:40:59,680  
i thought i would bring up this

981  
00:41:09,510 --> 00:41:06,630  
this is a case in lombard illinois

982  
00:41:11,750 --> 00:41:09,520  
may 21 1952

983  
00:41:14,150 --> 00:41:11,760  
uh civilian case

984  
00:41:16,550 --> 00:41:14,160  
we have a

985  
00:41:18,950 --> 00:41:16,560  
known object origin unknown could have

986  
00:41:22,630 --> 00:41:18,960  
been shot from slingshot kicked up by

987  
00:41:25,589 --> 00:41:22,640  
truck etc uh we have physical evidence

988  
00:41:28,150 --> 00:41:25,599

uh glass marble tar cover glass marble

989

00:41:29,270 --> 00:41:28,160

hit sources mailbox indented it marble

990

00:41:35,670 --> 00:41:29,280

was hot

991

00:41:35,680 --> 00:41:39,109

so we have um

992

00:41:44,230 --> 00:41:41,750

recover material what is it

993

00:41:46,790 --> 00:41:44,240

they don't know

994

00:41:49,510 --> 00:41:46,800

recovery of unidentified flying object

995

00:41:50,790 --> 00:41:49,520

once spherical uh transparent glass-like

996

00:41:52,790 --> 00:41:50,800

object

997

00:41:53,829 --> 00:41:52,800

one in

998

00:41:56,550 --> 00:41:53,839

uh

999

00:41:57,589 --> 00:41:56,560

d-i-a-m-c-m-a

1000

00:41:59,109 --> 00:41:57,599

i'm not sure

1001  
00:42:02,309 --> 00:41:59,119  
part covered with black and reddish

1002  
00:42:05,910 --> 00:42:02,319  
matte resembling tar

1003  
00:42:08,069 --> 00:42:05,920  
struck mailbox interesting

1004  
00:42:10,950 --> 00:42:08,079  
and then it bounced to porch leaving

1005  
00:42:14,230 --> 00:42:10,960  
black line to point where owner of house

1006  
00:42:18,069 --> 00:42:16,230  
minutes four minutes later but dropped

1007  
00:42:20,230 --> 00:42:18,079  
it due to its heat so four minutes later

1008  
00:42:22,950 --> 00:42:20,240  
and it's still hot and it came from a

1009  
00:42:29,109 --> 00:42:22,960  
slingshot or kicked up by a truck

1010  
00:42:29,119 --> 00:42:36,390  
pretty interesting

1011  
00:42:40,630 --> 00:42:37,870  
we have headquarters

1012  
00:42:44,150 --> 00:42:40,640  
4706 defense wing

1013  
00:42:46,150 --> 00:42:44,160

recovery of unidentified flying object

1014

00:42:48,550 --> 00:42:46,160

analysis of the object shows it to be a

1015

00:42:51,109 --> 00:42:48,560

large glass marble covered with tar-like

1016

00:42:52,309 --> 00:42:51,119

substance it is impossible to determine

1017

00:42:54,150 --> 00:42:52,319

its origin

1018

00:42:55,589 --> 00:42:54,160

although it is probably man-made

1019

00:42:59,030 --> 00:42:55,599

probably

1020

00:43:01,190 --> 00:42:59,040

man-made

1021

00:43:02,950 --> 00:43:01,200

we it's impossible to tell the origin

1022

00:43:05,190 --> 00:43:02,960

but it's probably man-made

1023

00:43:06,790 --> 00:43:05,200

about the only conclusions which can be

1024

00:43:08,470 --> 00:43:06,800

made are that the object had not

1025

00:43:09,510 --> 00:43:08,480

traveled at any great speed for any

1026  
00:43:10,950 --> 00:43:09,520  
distance

1027  
00:43:12,790 --> 00:43:10,960  
how

1028  
00:43:15,430 --> 00:43:12,800  
or it would have melted and removed the

1029  
00:43:15,440 --> 00:43:20,309  
why was it hot

1030  
00:43:20,319 --> 00:43:22,710  
so

1031  
00:43:28,870 --> 00:43:24,309  
thrown or slung

1032  
00:43:32,550 --> 00:43:29,829  
could be

1033  
00:43:35,990 --> 00:43:34,069  
maybe not

1034  
00:43:38,829 --> 00:43:36,000  
analysis of the object shows that the

1035  
00:43:45,190 --> 00:43:38,839  
object is large glass

1036  
00:43:49,270 --> 00:43:46,870  
it would be possible to determine the

1037  
00:43:51,109 --> 00:43:49,280  
energy necessary to dent the mailbox as

1038  
00:43:52,950 --> 00:43:51,119

mentioned in the original port

1039

00:43:55,030 --> 00:43:52,960

therefore obtaining an estimate of how

1040

00:43:57,270 --> 00:43:55,040

far the marble fell or if it were shot

1041

00:43:59,349 --> 00:43:57,280

from a slingshot however it is not

1042

00:44:01,990 --> 00:43:59,359

deemed advisable to do this due to the

1043

00:44:05,349 --> 00:44:02,000

time and financial factors

1044

00:44:10,870 --> 00:44:07,109

that's

1045

00:44:14,790 --> 00:44:12,950

a tick

1046

00:44:17,349 --> 00:44:14,800

air force

1047

00:44:19,430 --> 00:44:17,359

treated this whole subject right we

1048

00:44:21,349 --> 00:44:19,440

could determine the energy necessary to

1049

00:44:22,790 --> 00:44:21,359

dent the mailbox but

1050

00:44:25,430 --> 00:44:22,800

you know because

1051  
00:44:28,950 --> 00:44:25,440  
of time and financial factors

1052  
00:44:28,960 --> 00:44:31,349  
but

1053  
00:44:35,510 --> 00:44:33,510  
oh man

1054  
00:44:37,589 --> 00:44:35,520  
some were just gonna say

1055  
00:44:39,030 --> 00:44:37,599  
that it was a slingshot

1056  
00:44:47,349 --> 00:44:39,040  
and

1057  
00:44:51,190 --> 00:44:49,109  
recovered object forwarded to this

1058  
00:44:53,589 --> 00:44:51,200  
headquarters attention combat

1059  
00:44:56,630 --> 00:44:53,599  
intelligence officer

1060  
00:44:59,270 --> 00:44:56,640  
interesting office of the chief

1061  
00:45:07,030 --> 00:45:00,390  
oak ridge

1062  
00:45:15,109 --> 00:45:10,150  
and a plane is over the top f86

1063  
00:45:19,589 --> 00:45:17,109

we have

1064

00:45:21,829 --> 00:45:19,599

object structural mailbox steel mailbox

1065

00:45:24,870 --> 00:45:21,839

um

1066

00:45:25,670 --> 00:45:24,880

dent 3 16 of an inch by the impact where

1067

00:45:27,910 --> 00:45:25,680

um

1068

00:45:30,150 --> 00:45:27,920

my amount of objects outer covering was

1069

00:45:31,349 --> 00:45:30,160

deposited before object ricocheted the

1070

00:45:34,150 --> 00:45:31,359

porch

1071

00:45:36,470 --> 00:45:34,160

four minutes after the noisy impact

1072

00:45:38,390 --> 00:45:36,480

he located the object picked it up

1073

00:45:40,069 --> 00:45:38,400

but dropped it as it was too hot to hold

1074

00:45:42,470 --> 00:45:40,079

it did not burn his hand

1075

00:45:45,430 --> 00:45:42,480

none of the tar-like coverings stuck to

1076

00:45:48,390 --> 00:45:45,440

his fingers the object dropped

1077

00:45:51,270 --> 00:45:48,400

on the wet lawn where it steamed

1078

00:45:53,829 --> 00:45:51,280

forming a small steam-like cloud in the

1079

00:45:55,910 --> 00:45:53,839

still air until the object cooled 20

1080

00:45:57,829 --> 00:45:55,920

minutes later he picked up the object

1081

00:45:58,790 --> 00:45:57,839

now cooled and took it to lombard police

1082

00:46:02,230 --> 00:45:58,800

station

1083

00:46:10,069 --> 00:46:04,950

um object has not been analyzed nor

1084

00:46:14,950 --> 00:46:12,390

here's factory it's electro

1085

00:46:16,950 --> 00:46:14,960

electro

1086

00:46:19,349 --> 00:46:16,960

motive plant

1087

00:46:21,829 --> 00:46:19,359

12 miles southeast of lumber

1088

00:46:24,150 --> 00:46:21,839

six f-86 type aircraft were airborne

1089

00:46:25,910 --> 00:46:24,160

from the o'hare international airport 10

1090

00:46:28,230 --> 00:46:25,920

miles northeast of lombard at the time

1091

00:46:29,829 --> 00:46:28,240

of the incident of the sixth tour on

1092

00:46:31,430 --> 00:46:29,839

their first flight since

1093

00:46:33,270 --> 00:46:31,440

their display to the public on armed

1094

00:46:35,829 --> 00:46:33,280

forces day however to check these two

1095

00:46:37,109 --> 00:46:35,839

aircraft reels no traces of tar

1096

00:46:39,030 --> 00:46:37,119

in the

1097

00:46:40,550 --> 00:46:39,040

section so your craft were examined to

1098

00:46:42,710 --> 00:46:40,560

determine the possibility of object

1099

00:46:45,270 --> 00:46:42,720

having been deposited i thought it was

1100

00:46:47,190 --> 00:46:45,280

from a slingshot

1101  
00:46:49,030 --> 00:46:47,200  
there was negative evidence to indicate

1102  
00:46:52,550 --> 00:46:49,040  
object that ever been

1103  
00:46:52,560 --> 00:46:55,990  
interesting

1104  
00:47:01,030 --> 00:46:58,230  
it's so conflicting all this stuff

1105  
00:47:02,630 --> 00:47:01,040  
april 16th 1952.

1106  
00:47:04,150 --> 00:47:02,640  
so they say it's probably kicked up from

1107  
00:47:05,589 --> 00:47:04,160  
a truck or a slingshot but yet they're

1108  
00:47:11,910 --> 00:47:05,599  
checking planes to see if it could come

1109  
00:47:16,710 --> 00:47:14,230  
so that's it

1110  
00:47:20,150 --> 00:47:16,720  
i would like to know

1111  
00:47:24,390 --> 00:47:22,680  
i would love to know

1112  
00:47:26,470 --> 00:47:24,400  
[Music]

1113  
00:47:29,990 --> 00:47:26,480

that would be cool

1114

00:47:33,510 --> 00:47:31,430

so

1115

00:47:35,430 --> 00:47:33,520

there you go

1116

00:47:37,109 --> 00:47:35,440

interesting what do you think

1117

00:47:39,109 --> 00:47:37,119

i think it's interesting but like

1118

00:47:40,630 --> 00:47:39,119

everything else

1119

00:47:44,390 --> 00:47:40,640

you just don't

1120

00:47:51,589 --> 00:47:47,510

it's frustrating to me that's for sure

1121

00:47:51,599 --> 00:47:57,030

one last segment for today

1122

00:47:57,040 --> 00:48:00,470

and it's gonna be a good one

1123

00:48:03,910 --> 00:48:01,589

and you probably know what i'm talking

1124

00:48:11,540 --> 00:48:03,920

about

1125

00:48:11,550 --> 00:48:17,030

[Music]

1126

00:48:21,990 --> 00:48:19,510

that's right everybody it's our favorite

1127

00:48:23,510 --> 00:48:22,000

segment of the day called what the heck

1128

00:48:26,790 --> 00:48:23,520

is that

1129

00:48:28,950 --> 00:48:26,800

we have ufos hovering all over the place

1130

00:48:32,069 --> 00:48:28,960

we don't know what they are videos are

1131

00:48:36,630 --> 00:48:32,079

taken we look at them we're confused

1132

00:48:41,270 --> 00:48:39,109

and i swear to god it came towards me

1133

00:48:45,589 --> 00:48:41,280

and looked like

1134

00:48:45,599 --> 00:48:50,710

like real fast moving towards us

1135

00:48:55,030 --> 00:48:52,710

and there's no sound

1136

00:48:56,470 --> 00:48:55,040

you can't hear anything

1137

00:48:58,390 --> 00:48:56,480

and the light goes out once in a while

1138

00:48:59,670 --> 00:48:58,400

and comes closer it's coming like real

1139

00:49:01,349 --> 00:48:59,680

fast

1140

00:49:04,630 --> 00:49:01,359

getting closer to us

1141

00:49:08,150 --> 00:49:04,640

and now it's stopped it's hovering

1142

00:49:09,990 --> 00:49:08,160

halfway between us and the point

1143

00:49:13,670 --> 00:49:10,000

this is the craziest thing i've ever

1144

00:49:17,990 --> 00:49:16,230

oh no is it gone no it's still there i'm

1145

00:49:19,430 --> 00:49:18,000

videotaping it

1146

00:49:21,750 --> 00:49:19,440

that's strange did you see how that

1147

00:49:24,390 --> 00:49:21,760

second one just popped up yeah i got

1148

00:49:26,710 --> 00:49:24,400

that on video

1149

00:49:29,270 --> 00:49:26,720

this thing is crazy and you can see over

1150

00:49:31,109 --> 00:49:29,280

to the right here there's a ship yeah

1151  
00:49:32,790 --> 00:49:31,119  
let's even get the ship you can see

1152  
00:49:33,430 --> 00:49:32,800  
there's a ship out there

1153  
00:49:34,870 --> 00:49:33,440  
and that's

1154  
00:49:37,589 --> 00:49:34,880  
[Music]

1155  
00:49:39,510 --> 00:49:37,599  
moving towards it

1156  
00:49:40,870 --> 00:49:39,520  
whoa

1157  
00:49:43,109 --> 00:49:40,880  
yeah but you should see what it's doing

1158  
00:49:45,510 --> 00:49:43,119  
on the the video it's like it's getting

1159  
00:49:46,950 --> 00:49:45,520  
big and then small and disappearing and

1160  
00:49:49,670 --> 00:49:46,960  
it is it's orbiting like you know how

1161  
00:49:51,349 --> 00:49:49,680  
they say they circle but watch

1162  
00:49:53,910 --> 00:49:51,359  
watch if i move away and then move back

1163  
00:49:55,750 --> 00:49:53,920

to it watch see

1164

00:49:57,750 --> 00:49:55,760

look at now there's two now there's two

1165

00:49:59,109 --> 00:49:57,760

again

1166

00:50:00,150 --> 00:49:59,119

i moved and moved back and now there's

1167

00:50:01,829 --> 00:50:00,160

two

1168

00:50:04,870 --> 00:50:01,839

this is the craziest thing i've ever

1169

00:50:09,030 --> 00:50:07,349

i'm not moving the camera at all but

1170

00:50:10,790 --> 00:50:09,040

they seem to be moving around the screen

1171

00:50:14,630 --> 00:50:10,800

quite a bit

1172

00:50:17,670 --> 00:50:15,990

look at that i'm not moving the camera

1173

00:50:19,030 --> 00:50:17,680

at all

1174

00:50:21,829 --> 00:50:19,040

and it's like

1175

00:50:23,349 --> 00:50:21,839

look how it's screwing with my camera

1176

00:50:28,309 --> 00:50:23,359

see how it's getting all big and small

1177

00:50:31,910 --> 00:50:29,589

trying to stay right on it oh you can

1178

00:50:34,150 --> 00:50:31,920

see the ship coming into yeah i'll try

1179

00:50:35,510 --> 00:50:34,160

to focus on the ship

1180

00:50:46,710 --> 00:50:35,520

because look it's almost touching the

1181

00:50:51,670 --> 00:50:49,670

it's got to be right above the ship

1182

00:50:53,190 --> 00:50:51,680

it's like hovering your club above the

1183

00:50:54,549 --> 00:50:53,200

deck

1184

00:50:57,030 --> 00:50:54,559

yeah but they have to be able that's got

1185

00:50:58,309 --> 00:50:57,040

to be so bright on that ship

1186

00:51:04,440 --> 00:50:58,319

yeah somebody's got to be able to see

1187

00:51:09,310 --> 00:51:07,109

[Music]

1188

00:51:11,320 --> 00:51:09,320

oh

1189

00:51:31,030 --> 00:51:11,330

[Laughter]

1190

00:51:31,040 --> 00:51:53,190

come back

1191

00:51:53,200 --> 00:51:56,870

dude there's moving

1192

00:51:56,880 --> 00:52:00,870

is that the moon over there

1193

00:52:17,349 --> 00:52:02,470

those boots are

1194

00:52:21,349 --> 00:52:19,430

here we have this weird circle in the

1195

00:52:23,829 --> 00:52:21,359

middle of nowhere

1196

00:52:27,109 --> 00:52:23,839

up in the sky

1197

00:52:29,270 --> 00:52:27,119

we don't know what it could be

1198

00:52:32,710 --> 00:52:29,280

it looks like it looks like a slightly

1199

00:52:34,069 --> 00:52:32,720

ufo like a big balloon but we don't it's

1200

00:52:36,790 --> 00:52:34,079

a fun way

1201  
00:52:38,950 --> 00:52:36,800  
we don't see anything uh

1202  
00:52:41,670 --> 00:52:38,960  
anything holding it

1203  
00:52:46,069 --> 00:52:41,680  
so it looks like a big sphere

1204  
00:52:46,079 --> 00:52:58,829  
it's actually a totally ufo i see

1205  
00:52:58,839 --> 00:53:14,870  
it because it's not moving at all

1206  
00:53:14,880 --> 00:53:20,069  
there's nothing really

1207  
00:53:23,670 --> 00:53:21,510  
there's nothing here holding it down

1208  
00:53:35,589 --> 00:53:23,680  
though that's the thing

1209  
00:53:40,950 --> 00:53:37,910  
ufo in

1210  
00:53:53,109 --> 00:53:40,960  
west covina san gabriel valley

1211  
00:53:53,119 --> 00:54:06,150  
what's today monday julian

1212  
00:54:12,309 --> 00:54:08,470  
looks like a one eyeball yeah looks like

1213  
00:54:29,589 --> 00:54:14,390

helicopter

1214

00:54:29,599 --> 00:54:46,470

there's a duck flying under it now

1215

00:54:50,309 --> 00:54:48,710

well my friends is in the ufo over san

1216

00:54:53,510 --> 00:54:50,319

gabriel valley

1217

00:54:55,750 --> 00:54:53,520

and it's early morning uh seven

1218

00:54:58,390 --> 00:54:55,760

seven o'clock or so

1219

00:55:01,670 --> 00:54:58,400

six forty-something and it's still up

1220

00:55:01,680 --> 00:55:07,990

that's weird

1221

00:55:13,589 --> 00:55:11,750

as you can see it's the zoom out pan out

1222

00:55:15,030 --> 00:55:13,599

it's uh

1223

00:55:16,870 --> 00:55:15,040

it's fairly

1224

00:55:19,670 --> 00:55:16,880

big size

1225

00:55:23,550 --> 00:55:19,680

for it to be floating up in the air just

1226  
00:55:23,560 --> 00:55:28,789

[Music]

1227  
00:55:41,430 --> 00:55:31,349

was it a close encounter of the alien

1228  
00:55:45,109 --> 00:55:43,910

we will leave on that note

1229  
00:55:46,710 --> 00:55:45,119

um

1230  
00:55:50,230 --> 00:55:46,720

do you guys

1231  
00:55:52,549 --> 00:55:50,240

you guys probably what i can do is

1232  
00:55:54,870 --> 00:55:52,559

share that video with you since you seem

1233  
00:55:57,990 --> 00:55:54,880

to like that one i agree i thought the

1234  
00:55:59,670 --> 00:55:58,000

helicopter um

1235  
00:56:02,470 --> 00:55:59,680

went around was pretty good too wasn't

1236  
00:56:05,589 --> 00:56:02,480

it

1237  
00:56:07,589 --> 00:56:05,599

so

1238  
00:56:10,710 --> 00:56:07,599

um i didn't want to

1239

00:56:13,349 --> 00:56:10,720

watch that the whole time

1240

00:56:17,270 --> 00:56:13,359

here with you

1241

00:56:21,750 --> 00:56:17,280

but let me find that for you so you can

1242

00:56:27,990 --> 00:56:24,309

uh it seems

1243

00:56:31,829 --> 00:56:28,000

we have august 28 2017 has half a

1244

00:56:37,430 --> 00:56:33,510

it must have done the rounds at some

1245

00:56:39,990 --> 00:56:38,309

but

1246

00:56:43,190 --> 00:56:40,000

you know

1247

00:56:45,430 --> 00:56:43,200

that's how it goes isn't it

1248

00:56:47,990 --> 00:56:45,440

oh you know what

1249

00:56:50,549 --> 00:56:48,000

there's one more thing that i wanted to

1250

00:56:53,430 --> 00:56:50,559

show i don't know if it's too late yeah

1251

00:56:54,710 --> 00:56:53,440

i'll have to save it for next time

1252

00:56:59,190 --> 00:56:54,720

be excited though because it's pretty

1253

00:57:03,030 --> 00:57:00,950

so

1254

00:57:03,990 --> 00:57:03,040

i guess i could show this one quick

1255

00:57:06,870 --> 00:57:04,000

though

1256

00:57:08,390 --> 00:57:06,880

all right i got one more

1257

00:57:11,109 --> 00:57:08,400

one

1258

00:57:15,030 --> 00:57:11,119

freaking mower

1259

00:57:17,829 --> 00:57:15,990

so

1260

00:57:23,190 --> 00:57:17,839

just chill out

1261

00:57:29,030 --> 00:57:25,030

um yeah share the video with you so you

1262

00:57:29,040 --> 00:57:32,370

do it

1263

00:57:38,710 --> 00:57:36,630

[Music]

1264

00:57:40,150 --> 00:57:38,720

it moved over his head an incredibly

1265

00:57:42,630 --> 00:57:40,160

fast feed

1266

00:57:45,270 --> 00:57:42,640

and disappeared out to the northwest

1267

00:57:46,630 --> 00:57:45,280

this particular sighting

1268

00:57:49,190 --> 00:57:46,640

in itself

1269

00:57:50,870 --> 00:57:49,200

was a landmark sighting in that it

1270

00:57:53,829 --> 00:57:50,880

actually showed

1271

00:57:55,829 --> 00:57:53,839

the ufo disappearing or leaving there's

1272

00:57:57,910 --> 00:57:55,839

a landmark side you see coming in here

1273

00:57:59,750 --> 00:57:57,920

it's very indistinct appears to be

1274

00:58:01,589 --> 00:57:59,760

moving relatively slowly

1275

00:58:03,430 --> 00:58:01,599

so here's a slowdown of the same video

1276  
00:58:05,750 --> 00:58:03,440  
object hovering they're motionless it's

1277  
00:58:07,430 --> 00:58:05,760  
got a nice mustache spontaneously

1278  
00:58:09,829 --> 00:58:07,440  
barely make it out as it zips off to the

1279  
00:58:11,829 --> 00:58:09,839  
right the object was about three miles

1280  
00:58:13,670 --> 00:58:11,839  
away on the left side

1281  
00:58:14,789 --> 00:58:13,680  
got up to about two miles away on the

1282  
00:58:16,309 --> 00:58:14,799  
right side

1283  
00:58:17,510 --> 00:58:16,319  
it was doing about four thousand miles

1284  
00:58:19,430 --> 00:58:17,520  
an hour

1285  
00:58:21,990 --> 00:58:19,440  
still another documented sighting comes

1286  
00:58:23,910 --> 00:58:22,000  
from an eyewitness known only as phillip

1287  
00:58:25,910 --> 00:58:23,920  
the plight pattern is similar to that on

1288  
00:58:27,990 --> 00:58:25,920

the other videotapes and so is the shape

1289

00:58:29,190 --> 00:58:28,000

of the craft

1290

00:58:31,430 --> 00:58:29,200

on the monitor

1291

00:58:33,829 --> 00:58:31,440

is it just me or did that look like the

1292

00:58:35,349 --> 00:58:33,839

same freaking thing we just looked at it

1293

00:58:37,030 --> 00:58:35,359

on the monitor

1294

00:58:38,390 --> 00:58:37,040

came out of the south

1295

00:58:39,670 --> 00:58:38,400

i was doing about fourth that's pretty

1296

00:58:41,670 --> 00:58:39,680

interesting

1297

00:58:44,150 --> 00:58:41,680

still another documented sighting comes

1298

00:58:46,069 --> 00:58:44,160

from an eyewitness known only as phillip

1299

00:58:48,069 --> 00:58:46,079

the flight pattern is similar to that on

1300

00:58:49,829 --> 00:58:48,079

the other videotapes and so is the shape

1301  
00:58:56,230 --> 00:58:49,839  
of the craft

1302  
00:58:59,349 --> 00:58:57,829  
that just kind of cuts off like that

1303  
00:59:03,589 --> 00:58:59,359  
that's too bad

1304  
00:59:06,710 --> 00:59:03,599  
but that looked just like to me

1305  
00:59:08,549 --> 00:59:06,720  
what we just saw in california

1306  
00:59:13,430 --> 00:59:08,559  
interesting

1307  
00:59:13,440 --> 00:59:17,349  
that was a rather fun

1308  
00:59:26,860 --> 00:59:19,230  
uh segments

1309  
00:59:26,870 --> 00:59:37,589  
[Music]

1310  
00:59:43,750 --> 00:59:39,349  
all right i'm gonna say

1311  
00:59:48,230 --> 00:59:45,589  
hope you guys had a good time today i

1312  
00:59:51,910 --> 00:59:48,240  
really appreciate you joining

1313  
00:59:56,069 --> 00:59:51,920

um i had a great time with you

1314

01:00:03,270 --> 01:00:00,549

hopefully we'll see you next time

1315

01:00:04,710 --> 01:00:03,280

and we'll have an even better time

1316

01:00:06,630 --> 01:00:04,720

so

1317

01:00:08,470 --> 01:00:06,640

i'm going to keep looking uh everybody

1318

01:00:12,549 --> 01:00:08,480

for hanging out i appreciate it e.t

1319

01:00:16,150 --> 01:00:12,559

pearson og skywatch d spinney uh craig d

1320

01:00:17,910 --> 01:00:16,160

thomas benji uh lara jason

1321

01:00:21,030 --> 01:00:17,920

um

1322

01:00:24,150 --> 01:00:21,040

what else we got here

1323

01:00:24,160 --> 01:00:27,510

andres

1324

01:00:35,670 --> 01:00:30,549

uh

1325

01:00:38,309 --> 01:00:35,680

hanging out i appreciate your time

1326

01:00:41,349 --> 01:00:38,319

thank you so much for being here like

1327

01:00:43,670 --> 01:00:41,359

the video please eli what's up brother

1328

01:00:45,990 --> 01:00:43,680

yeah like the video share it that'd be

1329

01:00:48,710 --> 01:00:46,000

awesome subscribe if you haven't

1330

01:00:50,309 --> 01:00:48,720

and i will see you on the flip side

1331

01:01:00,750 --> 01:00:50,319

probably not until monday

1332

01:01:00,760 --> 01:01:59,750

[Music]

1333

01:01:59,760 --> 01:02:03,080

so
