

A man with a beard and glasses is speaking into a microphone. He is wearing a light-colored t-shirt. The background is dark with a grid pattern and a large, stylized circular logo with horizontal lines. The name 'Sean' is displayed in a black box in the bottom left corner.

Sean

1
00:00:03,040 --> 00:00:18,360

so

2
00:01:00,790 --> 00:00:31,610

[Music]

3
00:01:05,750 --> 00:01:03,430

what is up everybody

4
00:01:06,950 --> 00:01:05,760

uh happy thursday thanks for joining

5
00:01:12,310 --> 00:01:06,960

today

6
00:01:17,429 --> 00:01:15,350

and yeah so that's what we're gonna do

7
00:01:18,950 --> 00:01:17,439

what else we gonna do right not talk

8
00:01:23,030 --> 00:01:18,960

about stuff

9
00:01:28,469 --> 00:01:25,270

so we've had a good streak of uh shows

10
00:01:30,069 --> 00:01:28,479

this week um pretty good

11
00:01:31,109 --> 00:01:30,079

tuesday wednesday and thursday pretty

12
00:01:32,230 --> 00:01:31,119

good stuff

13
00:01:34,550 --> 00:01:32,240

um

14

00:01:36,310 --> 00:01:34,560

yeah and i appreciate everybody here in

15

00:01:38,390 --> 00:01:36,320

the chat for hanging out mr robert

16

00:01:41,429 --> 00:01:38,400

colford good to see you

17

00:01:44,069 --> 00:01:41,439

uh tj what's up denisova what's

18

00:01:45,350 --> 00:01:44,079

happening benji what's up

19

00:01:46,710 --> 00:01:45,360

lionel

20

00:01:47,749 --> 00:01:46,720

uh

21

00:01:50,069 --> 00:01:47,759

peter

22

00:01:52,149 --> 00:01:50,079

mueller hi how you doing

23

00:01:54,149 --> 00:01:52,159

uh anybody else that's here i appreciate

24

00:01:57,190 --> 00:01:54,159

it um i'm doing this at one o'clock

25

00:01:59,109 --> 00:01:57,200

today at two o'clock gonna head over to

26

00:02:01,270 --> 00:01:59,119

uh disclosure team

27

00:02:02,789 --> 00:02:01,280

uh because they're gonna have a pretty

28

00:02:04,069 --> 00:02:02,799

good show over there so i'm gonna check

29

00:02:06,709 --> 00:02:04,079

that out there

30

00:02:08,469 --> 00:02:06,719

um for anybody tuning in

31

00:02:10,790 --> 00:02:08,479

hit the like button that would be

32

00:02:12,070 --> 00:02:10,800

awesome

33

00:02:14,550 --> 00:02:12,080

that'd be great

34

00:02:16,869 --> 00:02:14,560

um subscribe if you haven't

35

00:02:17,750 --> 00:02:16,879

that would be great

36

00:02:19,430 --> 00:02:17,760

and

37

00:02:21,270 --> 00:02:19,440

you know share it if it turns out that

38

00:02:23,990 --> 00:02:21,280

you like it

39

00:02:27,270 --> 00:02:24,000

that would be great too

40

00:02:28,790 --> 00:02:27,280

uh today we're gonna start out with some

41

00:02:29,750 --> 00:02:28,800

uap

42

00:02:31,910 --> 00:02:29,760

freaking

43

00:02:34,550 --> 00:02:31,920

news all right

44

00:02:36,150 --> 00:02:34,560

um there's a couple things that we can

45

00:02:38,309 --> 00:02:36,160

talk about as far as that goes the first

46

00:02:40,229 --> 00:02:38,319

one i thought was very interesting

47

00:02:42,150 --> 00:02:40,239

because it uh

48

00:02:44,550 --> 00:02:42,160

we've done this before now what i'm

49

00:02:46,550 --> 00:02:44,560

talking about is

50

00:02:49,430 --> 00:02:46,560

sending out a

51
00:02:53,910 --> 00:02:51,589
to outer space

52
00:02:55,990 --> 00:02:53,920
sorry i gotta blow the mouse sometimes

53
00:02:58,949 --> 00:02:56,000
because it gets stuck

54
00:03:01,270 --> 00:02:58,959
so i thought that was this is pretty

55
00:03:05,190 --> 00:03:01,280
interesting because

56
00:03:05,990 --> 00:03:05,200
we've definitely done this before

57
00:03:08,070 --> 00:03:06,000
so

58
00:03:11,990 --> 00:03:08,080
i'll put this link in the chat for you

59
00:03:14,229 --> 00:03:12,000
if you want to look at it later

60
00:03:16,630 --> 00:03:14,239
and there are kind of like different

61
00:03:18,949 --> 00:03:16,640
ways to look at this right like

62
00:03:22,390 --> 00:03:18,959
should we be doing that should we tell

63
00:03:28,869 --> 00:03:25,830

um right so in this article

64

00:03:32,470 --> 00:03:28,879

it kind of uh talks about uh

65

00:03:34,229 --> 00:03:32,480

the 50th anniversary 1974 uh there was a

66

00:03:35,190 --> 00:03:34,239

message humanities first attempt to send

67

00:03:36,070 --> 00:03:35,200

out

68

00:03:38,710 --> 00:03:36,080

uh

69

00:03:40,550 --> 00:03:38,720

a missive capable of being understood by

70

00:03:42,710 --> 00:03:40,560

extraterrestrial intelligence first of

71

00:03:44,800 --> 00:03:42,720

all how do you know

72

00:03:46,789 --> 00:03:44,810

that it's capable

73

00:03:49,589 --> 00:03:46,799

[Laughter]

74

00:03:51,430 --> 00:03:49,599

of being understood

75

00:03:54,309 --> 00:03:51,440

so that's kind of interesting

76

00:03:56,229 --> 00:03:54,319

um but you know suffice to say i think

77

00:03:58,149 --> 00:03:56,239

that uh it would take so long for that

78

00:03:59,509 --> 00:03:58,159

message to get anywhere then by the time

79

00:04:01,190 --> 00:03:59,519

somebody heard it

80

00:04:03,350 --> 00:04:01,200

we wouldn't be here anymore

81

00:04:05,270 --> 00:04:03,360

but maybe that's different now

82

00:04:07,270 --> 00:04:05,280

i don't know it says here the motivation

83

00:04:09,270 --> 00:04:07,280

for the design was to deliver the

84

00:04:12,149 --> 00:04:09,280

maximum amount of information about our

85

00:04:15,350 --> 00:04:12,159

society in the human species in the

86

00:04:17,990 --> 00:04:15,360

minimal amount of message

87

00:04:19,590 --> 00:04:18,000

sounds like something we do

88

00:04:24,070 --> 00:04:19,600

try to give you the most bang for your

89

00:04:28,550 --> 00:04:27,030

so yep jinx says with improvements in

90

00:04:30,390 --> 00:04:28,560

digital technology

91

00:04:34,950 --> 00:04:30,400

we can do much better

92

00:04:39,189 --> 00:04:36,870

so

93

00:04:41,670 --> 00:04:39,199

talks about the fundamental questions

94

00:04:43,909 --> 00:04:41,680

every interstellar message should have

95

00:04:49,030 --> 00:04:45,990

establishing some common ground basic

96

00:04:51,110 --> 00:04:49,040

lesson science and mathematics

97

00:04:52,950 --> 00:04:51,120

sure maybe

98

00:04:55,430 --> 00:04:52,960

here's a sample message

99

00:04:58,150 --> 00:04:55,440

interesting

100

00:05:03,670 --> 00:04:58,160

let's give them some prime numbers

101
00:05:08,710 --> 00:05:06,550
i don't know well hey you never know

102
00:05:11,590 --> 00:05:08,720
could work the one thing is you know

103
00:05:13,909 --> 00:05:11,600
maybe we should

104
00:05:15,830 --> 00:05:13,919
sending them particle physics just in

105
00:05:16,870 --> 00:05:15,840
case you want to know about particle

106
00:05:19,110 --> 00:05:16,880
physics

107
00:05:21,430 --> 00:05:19,120
check this out

108
00:05:25,270 --> 00:05:22,710
it's kind of interesting because maybe

109
00:05:28,390 --> 00:05:25,280
we should

110
00:05:32,629 --> 00:05:30,070
you know if

111
00:05:33,830 --> 00:05:32,639
what is out there

112
00:05:37,350 --> 00:05:33,840
you know

113
00:05:39,590 --> 00:05:37,360

before we go sending stuff like this to

114

00:05:42,790 --> 00:05:39,600

what if they're just like

115

00:05:45,670 --> 00:05:44,469

animals

116

00:05:48,150 --> 00:05:45,680

and they get this and they're like

117

00:05:49,749 --> 00:05:48,160

freaking jackpot dude let's go let's get

118

00:05:51,430 --> 00:05:49,759

them

119

00:05:55,749 --> 00:05:51,440

before you know it

120

00:05:58,550 --> 00:05:56,790

so

121

00:06:01,029 --> 00:05:58,560

it's pretty interesting to send or not

122

00:06:02,550 --> 00:06:01,039

to send uh jang and his colleagues

123

00:06:04,550 --> 00:06:02,560

propose sending their message from

124

00:06:06,870 --> 00:06:04,560

either the ellen telescope array in

125

00:06:09,110 --> 00:06:06,880

northern california or the 500 meter

126

00:06:12,230 --> 00:06:09,120

aperture spherical radio telescope in

127

00:06:14,550 --> 00:06:12,240

china since the recent destruction of oh

128

00:06:16,070 --> 00:06:14,560

yeah that telescope puerto rico these

129

00:06:18,070 --> 00:06:16,080

two radio telescopes are the only ones

130

00:06:22,710 --> 00:06:18,080

in the world that are actively courting

131

00:06:22,720 --> 00:06:26,870

at the moment

132

00:06:31,189 --> 00:06:28,710

it says both telescopes are only capable

133

00:06:33,270 --> 00:06:31,199

of listening to the cosmos not talking

134

00:06:35,270 --> 00:06:33,280

to it

135

00:06:36,710 --> 00:06:35,280

uh jang acknowledges that outfitting

136

00:06:38,309 --> 00:06:36,720

either telescope with the equipment

137

00:06:39,830 --> 00:06:38,319

required to transmit the message will

138

00:06:42,390 --> 00:06:39,840

not be trivial

139

00:06:45,270 --> 00:06:42,400

but doing so is possible and he says

140

00:06:46,870 --> 00:06:45,280

that he is in ongoing discussions with

141

00:06:49,670 --> 00:06:46,880

researchers at fast

142

00:06:51,510 --> 00:06:49,680

making it happen

143

00:06:52,790 --> 00:06:51,520

well we'll see huh have you ever seen

144

00:06:55,749 --> 00:06:52,800

the movie

145

00:06:58,629 --> 00:06:56,629

oh

146

00:07:00,710 --> 00:06:58,639

now i'm losing it

147

00:07:04,710 --> 00:07:00,720

oh what's it called with jodie foster

148

00:07:09,670 --> 00:07:07,270

it is one of the better

149

00:07:11,909 --> 00:07:09,680

i would say

150

00:07:13,189 --> 00:07:11,919

extraterrestrial type movies most

151
00:07:14,870 --> 00:07:13,199
definitely

152
00:07:18,309 --> 00:07:14,880
and i can't remember the name but it's a

153
00:07:25,110 --> 00:07:22,070
jody foster contact there it is thanks

154
00:07:26,390 --> 00:07:25,120
nick in the house contact

155
00:07:27,830 --> 00:07:26,400
thank you sir

156
00:07:31,110 --> 00:07:27,840
yeah that's pretty good movie i

157
00:07:33,589 --> 00:07:31,120
appreciate that movie

158
00:07:35,029 --> 00:07:33,599
in fact i think it's worth

159
00:07:36,390 --> 00:07:35,039
probably

160
00:07:38,309 --> 00:07:36,400
watching again

161
00:07:41,189 --> 00:07:38,319
uh gundog for the rival yeah that's a

162
00:07:43,350 --> 00:07:41,199
great movie too i do like that movie

163
00:07:46,070 --> 00:07:43,360

wizard of oz was never really a fan a

164

00:07:48,150 --> 00:07:46,080

lot of people like that movie

165

00:07:49,350 --> 00:07:48,160

a lot of people

166

00:07:52,070 --> 00:07:49,360

i mean

167

00:07:53,670 --> 00:07:52,080

i could take it or leave it

168

00:07:56,629 --> 00:07:53,680

it's a little too campy sometimes but i

169

00:07:58,950 --> 00:07:56,639

get it it's you know there's a lot to it

170

00:08:00,150 --> 00:07:58,960

it's deep all that stuff you know

171

00:08:02,309 --> 00:08:00,160

understood

172

00:08:04,550 --> 00:08:02,319

um

173

00:08:06,230 --> 00:08:04,560

and there's there's other good ones

174

00:08:08,469 --> 00:08:06,240

interstellar was it was pretty good and

175

00:08:11,110 --> 00:08:08,479

i watched that again recently

176

00:08:12,790 --> 00:08:11,120

because i put all this research into

177

00:08:14,629 --> 00:08:12,800

what people are doing for interstellar

178

00:08:17,029 --> 00:08:14,639

travel these days

179

00:08:18,629 --> 00:08:17,039

and um in the warp drive and all that

180

00:08:21,270 --> 00:08:18,639

kind of stuff and so i watched that

181

00:08:26,070 --> 00:08:21,280

movie again and it holds up pretty well

182

00:08:27,909 --> 00:08:26,080

i tried this not too long ago

183

00:08:30,309 --> 00:08:27,919

and for whatever reason

184

00:08:31,909 --> 00:08:30,319

the matthew mcconaughey stuff i couldn't

185

00:08:34,949 --> 00:08:31,919

do it anymore i just had to stop but

186

00:08:35,829 --> 00:08:34,959

this time i got through it it was great

187

00:08:40,149 --> 00:08:35,839

so

188

00:08:41,509 --> 00:08:40,159

mr j christopher king hello sir

189

00:08:43,029 --> 00:08:41,519

i didn't know you were available if i

190

00:08:47,829 --> 00:08:43,039

knew that i would have just sent you an

191

00:08:51,269 --> 00:08:49,910

i really enjoyed yesterday sir it was a

192

00:08:57,350 --> 00:08:51,279

great time

193

00:08:58,790 --> 00:08:57,360

so the other thing that we are going to

194

00:09:00,310 --> 00:08:58,800

um

195

00:09:02,470 --> 00:09:00,320

go over today so i just wanted to

196

00:09:05,430 --> 00:09:02,480

mention that interesting thing because

197

00:09:07,190 --> 00:09:05,440

you know um who knows you never know

198

00:09:09,910 --> 00:09:07,200

maybe one of these messages will send

199

00:09:12,630 --> 00:09:11,269

we'll get something back wouldn't that

200

00:09:17,030 --> 00:09:12,640

be crazy

201
00:09:20,870 --> 00:09:19,030
depending on the message maybe

202
00:09:23,269 --> 00:09:20,880
they'd probably have to like

203
00:09:25,030 --> 00:09:23,279
go over it and decide the pros and cons

204
00:09:27,509 --> 00:09:25,040
and get like an oversight committee and

205
00:09:31,030 --> 00:09:27,519
decide how they wanted to tell us all

206
00:09:34,230 --> 00:09:33,110
so this one um

207
00:09:36,949 --> 00:09:34,240
is

208
00:09:39,990 --> 00:09:36,959
seemingly

209
00:09:42,470 --> 00:09:40,000
uh some paperwork on

210
00:09:43,190 --> 00:09:42,480
uh the gimbal

211
00:09:47,590 --> 00:09:43,200
so

212
00:09:49,350 --> 00:09:47,600
uh blackvault sent a foia in

213
00:09:50,550 --> 00:09:49,360

yep there he is so he gets his marketing

214

00:09:56,790 --> 00:09:50,560

in

215

00:09:58,710 --> 00:09:56,800

appreciative that it's out there

216

00:10:01,430 --> 00:09:58,720

so i can share this

217

00:10:04,630 --> 00:10:03,190

so if you remember the gimbal that is

218

00:10:08,230 --> 00:10:04,640

one of the

219

00:10:09,990 --> 00:10:08,240

uh three videos that were released a few

220

00:10:11,670 --> 00:10:10,000

years ago now

221

00:10:13,110 --> 00:10:11,680

this one is the one that uh where

222

00:10:15,750 --> 00:10:13,120

there's so much back and forth on

223

00:10:17,990 --> 00:10:15,760

whether it rotates or not with mcquest

224

00:10:20,630 --> 00:10:18,000

and other people i have to say mcquest

225

00:10:22,630 --> 00:10:20,640

made a pretty good flight simulator that

226

00:10:24,949 --> 00:10:22,640

you know i tested out made me think that

227

00:10:27,190 --> 00:10:24,959

maybe it doesn't rotate but now there's

228

00:10:29,110 --> 00:10:27,200

uh you know conflicting confirmation

229

00:10:32,550 --> 00:10:29,120

that kind of makes it seem like it is

230

00:10:33,590 --> 00:10:32,560

rotating to me i don't really care

231

00:10:36,150 --> 00:10:33,600

like just

232

00:10:38,470 --> 00:10:36,160

like i'm gonna wait and see kind of mode

233

00:10:39,350 --> 00:10:38,480

let's just see what happens

234

00:10:41,670 --> 00:10:39,360

you know

235

00:10:43,030 --> 00:10:41,680

um if you just take it for what it's

236

00:10:45,350 --> 00:10:43,040

worth

237

00:10:46,949 --> 00:10:45,360

it rotated there's a fleetable

238

00:10:48,710 --> 00:10:46,959

these pilots were pretty

239

00:10:49,670 --> 00:10:48,720

surprised you could hear it in their

240

00:10:51,750 --> 00:10:49,680

voices

241

00:10:55,190 --> 00:10:51,760

i don't think they'd have like uh you

242

00:10:56,870 --> 00:10:55,200

know that good of you know actors also

243

00:10:59,269 --> 00:10:56,880

acting as fighter pilots but i could be

244

00:11:03,590 --> 00:11:01,269

so it's pretty interesting right

245

00:11:06,069 --> 00:11:03,600

anomalous irritable aerial vehicle

246

00:11:07,590 --> 00:11:06,079

detection what's interesting to me

247

00:11:09,350 --> 00:11:07,600

about this is

248

00:11:10,630 --> 00:11:09,360

the asset papers

249

00:11:13,269 --> 00:11:10,640

you know

250

00:11:15,269 --> 00:11:13,279

uh and how they

251
00:11:16,790 --> 00:11:15,279
the language they use to discuss this

252
00:11:21,990 --> 00:11:16,800
stuff anomalous

253
00:11:24,949 --> 00:11:24,150
in regards to all the news that's coming

254
00:11:28,389 --> 00:11:24,959
out

255
00:11:30,310 --> 00:11:28,399
um lightly mainstream news um on the

256
00:11:33,350 --> 00:11:30,320
like health effects and stuff

257
00:11:34,870 --> 00:11:33,360
that's those are the words that they use

258
00:11:36,949 --> 00:11:34,880
interesting to pay attention that

259
00:11:38,470 --> 00:11:36,959
because there's no

260
00:11:42,069 --> 00:11:38,480
you know confusion there at least you

261
00:11:47,350 --> 00:11:44,949
so we have the f-18 pilot brief so that

262
00:11:48,949 --> 00:11:47,360
person apparently uh briefed

263
00:11:52,629 --> 00:11:48,959

people here

264

00:11:56,470 --> 00:11:54,230

well i don't know i'm just going to skip

265

00:11:58,230 --> 00:11:56,480

those his account of instance when he

266

00:11:59,509 --> 00:11:58,240

detected an anomalous air vehicle in the

267

00:12:00,870 --> 00:11:59,519

warning area

268

00:12:02,870 --> 00:12:00,880

interesting

269

00:12:04,949 --> 00:12:02,880

uh is currently serving

270

00:12:07,430 --> 00:12:04,959

pilot during the time of the incident he

271

00:12:09,269 --> 00:12:07,440

was a naval flight officer

272

00:12:11,590 --> 00:12:09,279

interesting the overall atmosphere in

273

00:12:12,550 --> 00:12:11,600

the meeting was very professional

274

00:12:13,389 --> 00:12:12,560

um

275

00:12:15,829 --> 00:12:13,399

the

276

00:12:17,910 --> 00:12:15,839

psms that were genuinely interested to

277

00:12:20,230 --> 00:12:17,920

hear is account of what happened during

278

00:12:21,750 --> 00:12:20,240

his air vehicle detection

279

00:12:23,590 --> 00:12:21,760

they continue to show interest in

280

00:12:24,870 --> 00:12:23,600

learning more about these types of

281

00:12:26,389 --> 00:12:24,880

detections

282

00:12:28,310 --> 00:12:26,399

and are

283

00:12:30,470 --> 00:12:28,320

curious as to the way ahead the navy

284

00:12:32,150 --> 00:12:30,480

intends to take yeah i think we're all

285

00:12:33,910 --> 00:12:32,160

curious

286

00:12:36,389 --> 00:12:33,920

most definitely

287

00:12:38,230 --> 00:12:36,399

oh we got a new member james sweet

288

00:12:39,829 --> 00:12:38,240

awesome

289

00:12:44,069 --> 00:12:39,839

i appreciate that

290

00:12:45,829 --> 00:12:44,079

i should share but i'm so bad with that

291

00:12:48,069 --> 00:12:45,839

stuff

292

00:12:49,509 --> 00:12:48,079

um

293

00:12:51,430 --> 00:12:49,519

but you know

294

00:12:52,920 --> 00:12:51,440

i can also give you my home address you

295

00:12:55,509 --> 00:12:52,930

can mail me a blank check

296

00:12:57,829 --> 00:12:55,519

[Music]

297

00:13:00,389 --> 00:12:57,839

uh in addition to two navy naval

298

00:13:02,069 --> 00:13:00,399

aviators from oh and i uh were also in

299

00:13:04,069 --> 00:13:02,079

attendance at this brief both of them

300

00:13:07,110 --> 00:13:04,079

had been part of the squadrons

301
00:13:08,470 --> 00:13:07,120
and he has oceano well they offered no

302
00:13:10,629 --> 00:13:08,480
first standard counts of detecting

303
00:13:12,710 --> 00:13:10,639
anomalous aerial vehicles they're very

304
00:13:14,790 --> 00:13:12,720
familiar with the occurrences and were

305
00:13:16,949 --> 00:13:14,800
queried

306
00:13:18,069 --> 00:13:16,959
about what they observed and learned

307
00:13:19,670 --> 00:13:18,079
um

308
00:13:21,829 --> 00:13:19,680
so this is interesting initially

309
00:13:23,670 --> 00:13:21,839
thinking it may be a simulated adversary

310
00:13:25,509 --> 00:13:23,680
aircraft as a part of the computex

311
00:13:27,430 --> 00:13:25,519
scenario

312
00:13:29,430 --> 00:13:27,440
uh he took a

313
00:13:33,030 --> 00:13:29,440

lot to investigate further

314

00:13:35,829 --> 00:13:33,040

uh the contact was approximately blocked

315

00:13:37,269 --> 00:13:35,839

with the stable uh track life

316

00:13:38,550 --> 00:13:37,279

the air crew determined it was not a

317

00:13:43,910 --> 00:13:38,560

false set so

318

00:13:49,670 --> 00:13:46,829

like uh you know practice

319

00:13:51,670 --> 00:13:49,680

basically more or less

320

00:13:53,110 --> 00:13:51,680

very simple way of saying it

321

00:13:54,710 --> 00:13:53,120

um they determined it was not a

322

00:13:56,550 --> 00:13:54,720

falsehood

323

00:13:58,949 --> 00:13:56,560

and they were able to gain a lock which

324

00:14:01,509 --> 00:13:58,959

further indicated the vehicle

325

00:14:03,990 --> 00:14:01,519

it became clear via the pilot maneuver

326

00:14:05,430 --> 00:14:04,000

to maintain it lock an effort to

327

00:14:08,470 --> 00:14:05,440

their vehicle appeared to be a shaped

328

00:14:11,990 --> 00:14:10,310

we can tell what it's shaped like though

329

00:14:14,389 --> 00:14:12,000

right

330

00:14:16,069 --> 00:14:14,399

i mean we can look at the video and

331

00:14:17,430 --> 00:14:16,079

make the most of it now there is

332

00:14:19,509 --> 00:14:17,440

something where maybe it's a little

333

00:14:20,949 --> 00:14:19,519

blurry we only have so much of the video

334

00:14:22,710 --> 00:14:20,959

maybe it becomes a little more clear

335

00:14:25,030 --> 00:14:22,720

what it's shaped like if the video

336

00:14:27,829 --> 00:14:25,040

continued if they could just show us the

337

00:14:29,750 --> 00:14:27,839

rest which is ridiculous that they don't

338

00:14:32,069 --> 00:14:29,760

since they already determined the part

339

00:14:33,750 --> 00:14:32,079

that they showed they get joe so what's

340

00:14:35,750 --> 00:14:33,760

the difference

341

00:14:37,030 --> 00:14:35,760

unless they're warped speeding over to

342

00:14:39,030 --> 00:14:37,040

russia

343

00:14:41,030 --> 00:14:39,040

you know over some nuclear plants that

344

00:14:43,030 --> 00:14:41,040

pop up in the video don't think that's

345

00:14:45,110 --> 00:14:43,040

happening

346

00:14:47,590 --> 00:14:45,120

so just share the rest of the video

347

00:14:50,230 --> 00:14:47,600

and it makes it very suspicious too like

348

00:14:51,910 --> 00:14:50,240

why aren't you sharing the rest

349

00:14:52,949 --> 00:14:51,920

dude

350

00:14:55,750 --> 00:14:52,959

you know

351

00:14:57,509 --> 00:14:55,760

it's kind of crappy if you ask me

352

00:15:00,470 --> 00:14:57,519

but you know time will tell maybe we'll

353

00:15:06,069 --> 00:15:03,990

um the staffers asked objects seem aware

354

00:15:08,069 --> 00:15:06,079

the navy ships in the area interesting

355

00:15:09,990 --> 00:15:08,079

the staffers also asked

356

00:15:14,310 --> 00:15:10,000

uh if he knew blake observed the

357

00:15:18,710 --> 00:15:15,590

they were interested in the amount of

358

00:15:21,750 --> 00:15:18,720

experience he has a ton okay blah blah

359

00:15:25,350 --> 00:15:23,189

they also wondered what happened to the

360

00:15:27,269 --> 00:15:25,360

video evidence of the encounter

361

00:15:29,509 --> 00:15:27,279

staffer yeah

362

00:15:31,749 --> 00:15:29,519

i'm interested in that too staffers also

363

00:15:33,269 --> 00:15:31,759

asked if blake was forced to take a drug

364

00:15:35,189 --> 00:15:33,279

test following the incident or was

365

00:15:37,509 --> 00:15:35,199

harassed

366

00:15:39,030 --> 00:15:37,519

well do we get an answer to that or

367

00:15:40,389 --> 00:15:39,040

staffers also asked about the chain of

368

00:15:42,310 --> 00:15:40,399

custody the video of the encounter

369

00:15:44,389 --> 00:15:42,320

they're generally disappointed that the

370

00:15:46,230 --> 00:15:44,399

navy does not save any video of these

371

00:15:48,360 --> 00:15:46,240

encounters and the change of custody is

372

00:15:50,470 --> 00:15:48,370

lacking they don't save any video

373

00:15:52,949 --> 00:15:50,480

[Music]

374

00:15:54,310 --> 00:15:52,959

see are they putting the the kind of the

375

00:15:55,430 --> 00:15:54,320

word out there that they're not going to

376

00:15:58,870 --> 00:15:55,440

share

377

00:16:01,350 --> 00:16:00,470

bull crap

378

00:16:03,030 --> 00:16:01,360

and

379

00:16:04,629 --> 00:16:03,040

so i don't know where that original

380

00:16:06,550 --> 00:16:04,639

video came from didn't it come from the

381

00:16:10,790 --> 00:16:06,560

navy how is that possible if they don't

382

00:16:15,269 --> 00:16:13,350

this maybe came from yeah this is

383

00:16:16,150 --> 00:16:15,279

probably this is afterwards so who knows

384

00:16:18,069 --> 00:16:16,160

i guess

385

00:16:23,269 --> 00:16:18,079

uh the staffers were shocked that the

386

00:16:26,790 --> 00:16:24,629

this is the first time a pilot

387

00:16:28,310 --> 00:16:26,800

communicated to the staffers

388

00:16:29,829 --> 00:16:28,320

to a large extent

389

00:16:31,749 --> 00:16:29,839

so it looks like

390

00:16:33,430 --> 00:16:31,759

if i would had to guess the staffers

391

00:16:35,189 --> 00:16:33,440

were shocked that the range followers in

392

00:16:37,670 --> 00:16:35,199

2014 and 15

393

00:16:38,629 --> 00:16:37,680

were the same type of thing and happened

394

00:16:40,230 --> 00:16:38,639

a lot

395

00:16:42,310 --> 00:16:40,240

and that this is the first time a pilot

396

00:16:44,710 --> 00:16:42,320

communicated to the staffers that this

397

00:16:48,470 --> 00:16:44,720

was happening to a large extent probably

398

00:16:52,389 --> 00:16:49,910

or it says the staffers were shocked

399

00:16:56,949 --> 00:16:52,399

that range followers of 2014 and 15 were

400

00:17:01,590 --> 00:16:58,069

and

401
00:17:03,990 --> 00:17:01,600
it's the first time a pilot communicated

402
00:17:09,990 --> 00:17:04,000
to staffers

403
00:17:16,230 --> 00:17:12,230
you know i'm just taking taking a guess

404
00:17:21,189 --> 00:17:18,949
so that's it

405
00:17:22,549 --> 00:17:21,199
um that's something but you know it's

406
00:17:25,270 --> 00:17:22,559
never

407
00:17:29,190 --> 00:17:27,590
so it's just tiptoes all these little

408
00:17:32,150 --> 00:17:29,200
tiptoes

409
00:17:33,430 --> 00:17:32,160
you know like for the community at large

410
00:17:36,070 --> 00:17:33,440
for

411
00:17:39,110 --> 00:17:36,080
uh so many reasons

412
00:17:41,270 --> 00:17:39,120
like giving more information as far as

413
00:17:42,950 --> 00:17:41,280

even just the rotation even though it

414

00:17:43,909 --> 00:17:42,960

doesn't bother me really one way or the

415

00:17:45,190 --> 00:17:43,919

other

416

00:17:46,950 --> 00:17:45,200

would put

417

00:17:48,710 --> 00:17:46,960

a lot of stuff to bed

418

00:17:49,909 --> 00:17:48,720

you know would get rid of a lot of

419

00:17:51,909 --> 00:17:49,919

headaches

420

00:17:53,990 --> 00:17:51,919

contradictions

421

00:17:57,270 --> 00:17:54,000

but you know

422

00:17:59,110 --> 00:17:57,280

it's not the first time um

423

00:18:02,789 --> 00:17:59,120

or seemingly

424

00:18:04,950 --> 00:18:02,799

they enjoy a little confusion

425

00:18:06,789 --> 00:18:04,960

you know

426

00:18:09,750 --> 00:18:06,799

which kind of sucks

427

00:18:09,760 --> 00:18:13,669

funny that you should mention

428

00:18:18,710 --> 00:18:16,310

and i say huh i wasn't going to to go

429

00:18:19,590 --> 00:18:18,720

through that but

430

00:18:21,190 --> 00:18:19,600

you know

431

00:18:22,630 --> 00:18:21,200

nsa

432

00:18:27,270 --> 00:18:22,640

he's right

433

00:18:31,029 --> 00:18:29,510

and

434

00:18:33,590 --> 00:18:31,039

you know it's interesting because i just

435

00:18:34,870 --> 00:18:33,600

went through some nsa stuff not too long

436

00:18:37,110 --> 00:18:34,880

ago

437

00:18:39,350 --> 00:18:37,120

and

438

00:18:43,029 --> 00:18:39,360

everything

439

00:18:44,789 --> 00:18:43,039

to them was a balloon

440

00:18:47,830 --> 00:18:44,799

probably a balloon but they always say

441

00:18:50,390 --> 00:18:47,840

probably they don't know

442

00:18:52,390 --> 00:18:50,400

just guess probably

443

00:18:55,990 --> 00:18:52,400

probably balloon

444

00:18:58,789 --> 00:18:56,000

but yeah since robert mentioned it

445

00:19:00,470 --> 00:18:58,799

do have some nsa stuff these are all nsa

446

00:19:02,070 --> 00:19:00,480

frustrating part is you don't know where

447

00:19:03,190 --> 00:19:02,080

it was

448

00:19:05,430 --> 00:19:03,200

when

449

00:19:11,750 --> 00:19:05,440

but they do

450

00:19:16,230 --> 00:19:13,990

uh reports that unidentified flying

451
00:19:19,110 --> 00:19:16,240
object but also been cited from

452
00:19:20,950 --> 00:19:19,120
ufos usually appear at the same time

453
00:19:23,270 --> 00:19:20,960
during the afternoon hours for

454
00:19:24,789 --> 00:19:23,280
approximately two minutes flying in

455
00:19:27,590 --> 00:19:24,799
groups of two or three

456
00:19:30,070 --> 00:19:27,600
at some defeat

457
00:19:32,870 --> 00:19:30,080
uh is presently presently forming a

458
00:19:34,950 --> 00:19:32,880
four-man military electronic team to go

459
00:19:38,549 --> 00:19:34,960
and conduct an investigation

460
00:19:40,150 --> 00:19:38,559
also suspects ufos may

461
00:19:42,549 --> 00:19:40,160
i don't know

462
00:19:45,110 --> 00:19:42,559
other info received indicates that

463
00:19:48,630 --> 00:19:45,120

reporting at ufo a total of

464

00:19:50,150 --> 00:19:48,640

33 have been cited while ufos described

465

00:19:52,950 --> 00:19:50,160

as yellow or green

466

00:19:54,870 --> 00:19:52,960

appear between

467

00:19:58,310 --> 00:19:54,880

1800

468

00:20:00,390 --> 00:19:58,320

and 2130 and seem to drift over the area

469

00:20:02,070 --> 00:20:00,400

i have no info to

470

00:20:03,430 --> 00:20:02,080

something of those sightings from human

471

00:20:05,669 --> 00:20:03,440

sources

472

00:20:10,310 --> 00:20:05,679

so i mean this is interesting to look at

473

00:20:10,320 --> 00:20:14,070

you know where it is or anything

474

00:20:17,669 --> 00:20:16,070

but if you want to get some shapes

475

00:20:20,230 --> 00:20:17,679

this is a great way to do it this is a

476
00:20:25,430 --> 00:20:20,240
nsa report

477
00:20:33,029 --> 00:20:27,830
you know

478
00:20:34,870 --> 00:20:33,039
being reported to on is the same stuff

479
00:20:37,750 --> 00:20:34,880
as back in the day

480
00:20:38,789 --> 00:20:37,760
which mr lou elizondo always says you

481
00:20:40,230 --> 00:20:38,799
know

482
00:20:43,350 --> 00:20:40,240
back in the day they didn't call it tic

483
00:20:46,710 --> 00:20:45,909
flying throat lozenger or butane tank

484
00:20:49,590 --> 00:20:46,720
which

485
00:20:50,950 --> 00:20:49,600
actually i've seen that is um extremely

486
00:20:54,549 --> 00:20:50,960
rare

487
00:20:56,230 --> 00:20:54,559
it's usually called cigar

488
00:20:57,270 --> 00:20:56,240

but maybe the scar isn't the same thing

489

00:20:59,029 --> 00:20:57,280

i don't know

490

00:21:02,789 --> 00:20:59,039

maybe it was just those two descriptions

491

00:21:05,270 --> 00:21:02,799

that were the same i can't tell you

492

00:21:08,390 --> 00:21:05,280

so but yeah these are all different nsa

493

00:21:13,590 --> 00:21:10,149

pretty interesting

494

00:21:16,390 --> 00:21:13,600

and again all that stuff blacked out

495

00:21:19,270 --> 00:21:16,400

but just to show you

496

00:21:24,549 --> 00:21:20,950

but how old are these i

497

00:21:31,270 --> 00:21:26,630

this is interesting they actually say

498

00:21:34,710 --> 00:21:33,029

observe traveling at southeastern and

499

00:21:37,350 --> 00:21:34,720

northeastern direction the possible

500

00:21:40,070 --> 00:21:37,360

craft numbered 14

501
00:21:43,029 --> 00:21:40,080
in groups of three

502
00:21:46,950 --> 00:21:43,039
uh with a larger object on each side in

503
00:21:48,310 --> 00:21:46,960
the shape of artificial flying saucers

504
00:21:53,029 --> 00:21:48,320
what do you mean artificial flying

505
00:21:58,070 --> 00:21:55,669
as opposed to

506
00:22:00,230 --> 00:21:58,080
real flank saucers

507
00:22:03,430 --> 00:22:00,240
ufo activities three ufos moved

508
00:22:08,390 --> 00:22:05,909
four ufos so the whole

509
00:22:11,990 --> 00:22:08,400
swarm thing is uh obviously quite

510
00:22:14,950 --> 00:22:13,430
you know what i wish i could answer that

511
00:22:17,110 --> 00:22:14,960
for you jonathan and that's why i

512
00:22:18,789 --> 00:22:17,120
haven't really

513
00:22:20,470 --> 00:22:18,799

you know

514

00:22:22,149 --> 00:22:20,480

went too deep into these things they're

515

00:22:23,510 --> 00:22:22,159

all radar tracking so which is pretty

516

00:22:25,990 --> 00:22:23,520

interesting

517

00:22:28,470 --> 00:22:26,000

um because i don't really know much

518

00:22:30,070 --> 00:22:28,480

about where when they're from right

519

00:22:32,230 --> 00:22:30,080

so

520

00:22:34,630 --> 00:22:32,240

one thing i did want to address actually

521

00:22:37,590 --> 00:22:34,640

and you know it's robert that made me uh

522

00:22:40,710 --> 00:22:37,600

think of this is

523

00:22:43,990 --> 00:22:40,720

um online recently

524

00:22:45,270 --> 00:22:44,000

people are sharing this

525

00:22:50,870 --> 00:22:45,280

document

526

00:22:52,710 --> 00:22:50,880

three disks being recovered such and

527

00:22:55,190 --> 00:22:52,720

such and the person's name on there is

528

00:22:59,350 --> 00:22:55,200

guy huddle and they're saying this is

529

00:23:00,149 --> 00:22:59,360

proof of roswell new mexico okay that is

530

00:23:03,909 --> 00:23:00,159

not

531

00:23:07,669 --> 00:23:03,919

a roswell new mexico document

532

00:23:10,070 --> 00:23:07,679

that pertains to aztec

533

00:23:11,750 --> 00:23:10,080

right which

534

00:23:18,070 --> 00:23:11,760

may or may not have happened on march

535

00:23:21,590 --> 00:23:19,830

and people are just like

536

00:23:24,230 --> 00:23:21,600

going nuts sharing that thing it's crazy

537

00:23:28,310 --> 00:23:24,240

how that misinformation you know just

538

00:23:30,390 --> 00:23:28,320

flies is it really harmful i don't know

539

00:23:34,870 --> 00:23:30,400

maybe maybe not but i know better and it

540

00:23:39,830 --> 00:23:37,190

but i did you know do my best to at

541

00:23:41,990 --> 00:23:39,840

least share a real roswell document

542

00:23:44,390 --> 00:23:42,000

which i found in the general accounting

543

00:23:48,149 --> 00:23:44,400

office uh report

544

00:23:51,029 --> 00:23:49,590

which a lot of people still don't know

545

00:23:53,110 --> 00:23:51,039

about but they actually put in a lot of

546

00:23:54,789 --> 00:23:53,120

work to try to find

547

00:23:56,470 --> 00:23:54,799

um something

548

00:23:58,630 --> 00:23:56,480

uh on it they talked all the different

549

00:24:00,870 --> 00:23:58,640

military branches pretty much got a nod

550

00:24:03,430 --> 00:24:00,880

up from everybody uh but this document

551
00:24:05,190 --> 00:24:03,440
did come out of it

552
00:24:07,510 --> 00:24:05,200
flying disc information concerning

553
00:24:08,950 --> 00:24:07,520
eighth air force advised that an object

554
00:24:12,310 --> 00:24:08,960
reporting to be a flank disk was covered

555
00:24:13,430 --> 00:24:12,320
near roswell mexico this date this

556
00:24:15,430 --> 00:24:13,440
disk is

557
00:24:18,470 --> 00:24:15,440
hexagonal in shape interesting and was

558
00:24:19,909 --> 00:24:18,480
suspended from a balloon by a cable

559
00:24:21,750 --> 00:24:19,919
uh which

560
00:24:23,909 --> 00:24:21,760
balloon was approximately 20 feet in

561
00:24:26,230 --> 00:24:23,919
diameter further advised that the object

562
00:24:28,470 --> 00:24:26,240
found resembles a high altitude weather

563
00:24:30,070 --> 00:24:28,480

balloon with a radar reflector but that

564

00:24:32,950 --> 00:24:30,080

telephonic conversation between their

565

00:24:34,230 --> 00:24:32,960

office and right field had not borne out

566

00:24:36,549 --> 00:24:34,240

this belief

567

00:24:39,830 --> 00:24:36,559

see now that's interesting

568

00:24:43,029 --> 00:24:41,590

so

569

00:24:44,789 --> 00:24:43,039

they have a conversation with right

570

00:24:49,510 --> 00:24:44,799

field and

571

00:24:53,110 --> 00:24:51,510

and then they say disk and balloon being

572

00:24:55,029 --> 00:24:53,120

transported to right field by special

573

00:25:00,149 --> 00:24:55,039

plane for examination what do you need

574

00:25:04,310 --> 00:25:02,310

provided this office uh because of

575

00:25:05,909 --> 00:25:04,320

national interest

576
00:25:07,750 --> 00:25:05,919
in case in fact that national

577
00:25:09,750 --> 00:25:07,760
broadcasting company associated press

578
00:25:11,350 --> 00:25:09,760
and others attempting to break story of

579
00:25:13,830 --> 00:25:11,360
location of this today advise you would

580
00:25:16,470 --> 00:25:13,840
request right field to advise cincinnati

581
00:25:18,470 --> 00:25:16,480
uh office results of examination where

582
00:25:21,669 --> 00:25:18,480
are those results

583
00:25:24,470 --> 00:25:21,679
they gotta have those somewhere

584
00:25:28,070 --> 00:25:24,480
no further investigation being conducted

585
00:25:31,510 --> 00:25:28,080
where are the results

586
00:25:37,669 --> 00:25:33,269
if it was a balloon

587
00:25:37,679 --> 00:25:40,870
you know

588
00:25:45,430 --> 00:25:43,350

and if it was a bloom

589

00:25:50,549 --> 00:25:45,440

yours why are you taking it to right

590

00:25:53,830 --> 00:25:52,789

bullcrap

591

00:25:55,590 --> 00:25:53,840

so

592

00:25:57,029 --> 00:25:55,600

you know

593

00:25:59,510 --> 00:25:57,039

at least i got a real one to you

594

00:26:02,310 --> 00:25:59,520

interesting though around the state 7847

595

00:26:05,269 --> 00:26:02,320

is the like same day

596

00:26:08,710 --> 00:26:05,279

almost exactly that

597

00:26:10,549 --> 00:26:08,720

uh that one disc was seen over arizona

598

00:26:12,149 --> 00:26:10,559

where supposedly i mean we've seen the

599

00:26:14,710 --> 00:26:12,159

pictures those are the best pictures

600

00:26:19,909 --> 00:26:14,720

ever taken of a flank saucer

601
00:26:19,919 --> 00:26:24,630
so

602
00:26:27,830 --> 00:26:26,470
this is interesting going back to jay's

603
00:26:29,750 --> 00:26:27,840
comment

604
00:26:31,590 --> 00:26:29,760
uh it seems to be incredibly

605
00:26:33,669 --> 00:26:31,600
sophisticated exchange detection system

606
00:26:36,230 --> 00:26:33,679
that seems to always be in use

607
00:26:40,310 --> 00:26:36,240
i mean as far as like monitoring uh

608
00:26:42,870 --> 00:26:40,320
flying saucers or um

609
00:26:45,909 --> 00:26:42,880
the uh

610
00:26:49,510 --> 00:26:45,919
flying saucers or uh

611
00:26:52,070 --> 00:26:49,520
it's just ufos in general i mean

612
00:26:54,390 --> 00:26:52,080
i can pretty much prove that we've had

613
00:26:57,430 --> 00:26:54,400

the technology to

614

00:27:00,789 --> 00:26:57,440

see those and capture them

615

00:27:04,950 --> 00:27:02,630

one thing is called

616

00:27:07,110 --> 00:27:04,960

moonwatch moonwatch was a

617

00:27:08,630 --> 00:27:07,120

group of amateur astronomers astronomers

618

00:27:11,350 --> 00:27:08,640

that heinek put together around the

619

00:27:13,909 --> 00:27:11,360

country to look for meteors well it just

620

00:27:16,070 --> 00:27:13,919

so happens when ufo sightings came in he

621

00:27:19,190 --> 00:27:16,080

would contact his group of amateur

622

00:27:21,350 --> 00:27:19,200

astronomers and ask if they've seen

623

00:27:22,870 --> 00:27:21,360

ufo sometimes

624

00:27:27,029 --> 00:27:22,880

once in a while

625

00:27:29,350 --> 00:27:27,039

moonwatch would report a ufo

626
00:27:31,590 --> 00:27:29,360
another thing would be

627
00:27:34,630 --> 00:27:31,600
something called space track

628
00:27:36,630 --> 00:27:34,640
space track was a

629
00:27:38,710 --> 00:27:36,640
satellite system

630
00:27:40,389 --> 00:27:38,720
that they used

631
00:27:43,510 --> 00:27:40,399
to detect

632
00:27:48,870 --> 00:27:45,990
and they would check

633
00:27:51,830 --> 00:27:48,880
the reports on ufos it was all during

634
00:27:55,510 --> 00:27:53,909
you know

635
00:27:57,430 --> 00:27:55,520
so

636
00:28:00,310 --> 00:27:57,440
it's that kind of stuff that makes you

637
00:28:04,389 --> 00:28:01,350
that

638
00:28:07,669 --> 00:28:04,399

we're not always being told the truth

639

00:28:11,350 --> 00:28:07,679

you know and i go back and forth on this

640

00:28:11,360 --> 00:28:14,950

you know in the end

641

00:28:22,230 --> 00:28:17,909

they had ways to check this stuff out

642

00:28:25,269 --> 00:28:24,149

you know

643

00:28:26,389 --> 00:28:25,279

so

644

00:28:27,510 --> 00:28:26,399

back to the

645

00:28:31,110 --> 00:28:27,520

um

646

00:28:32,310 --> 00:28:31,120

the ufo injury stuff so it's on the news

647

00:28:35,590 --> 00:28:32,320

it's getting a lot of coverage the

648

00:28:38,389 --> 00:28:35,600

awesome document on injuries and such

649

00:28:39,990 --> 00:28:38,399

and the big um kick in the nuts so to

650

00:28:41,350 --> 00:28:40,000

speak that people are given to it is

651
00:28:43,750 --> 00:28:41,360
that the

652
00:28:47,669 --> 00:28:43,760
paperwork was based solely off of

653
00:28:53,430 --> 00:28:49,110
well if you first of all if you go

654
00:28:56,070 --> 00:28:53,440
through the list of mufon reports

655
00:28:57,909 --> 00:28:56,080
you can go through them and find some

656
00:29:00,070 --> 00:28:57,919
actually in blue book that blue book

657
00:29:01,909 --> 00:29:00,080
investigated themselves

658
00:29:04,310 --> 00:29:01,919
uh one of which we went over on this

659
00:29:06,310 --> 00:29:04,320
show when i did the episode on this

660
00:29:07,110 --> 00:29:06,320
is in cochrane wisconsin

661
00:29:08,070 --> 00:29:07,120
uh

662
00:29:21,830 --> 00:29:08,080
a

663
00:29:25,350 --> 00:29:23,590

so here

664

00:29:29,110 --> 00:29:25,360

what i thought i'd do

665

00:29:31,190 --> 00:29:29,120

is go through a blue book a little bit

666

00:29:33,350 --> 00:29:31,200

and

667

00:29:37,190 --> 00:29:33,360

see what i can find it straight from the

668

00:29:39,430 --> 00:29:37,200

air force's own files as far as

669

00:29:41,760 --> 00:29:39,440

you know biological effects

670

00:29:43,029 --> 00:29:41,770

some of these like this one are from

671

00:29:44,070 --> 00:29:43,039

[Music]

672

00:29:45,750 --> 00:29:44,080

you know

673

00:29:48,310 --> 00:29:45,760

either a letter or a different

674

00:29:51,750 --> 00:29:48,320

publication some are straight from blue

675

00:29:55,669 --> 00:29:53,669

which is kind of interesting

676

00:29:57,990 --> 00:29:55,679

i can say for the most part from what

677

00:30:01,350 --> 00:29:58,000

i've found in looking a little bit

678

00:30:03,190 --> 00:30:01,360

most of the actual in-depth details on

679

00:30:04,870 --> 00:30:03,200

biological effects

680

00:30:07,830 --> 00:30:04,880

are not in

681

00:30:10,149 --> 00:30:07,840

blue book files they're in

682

00:30:11,909 --> 00:30:10,159

other you know publications that these

683

00:30:14,630 --> 00:30:11,919

witnesses report to

684

00:30:15,909 --> 00:30:14,640

and a good example of why that is is

685

00:30:17,750 --> 00:30:15,919

because

686

00:30:19,029 --> 00:30:17,760

um if you were to tell the blue book

687

00:30:21,269 --> 00:30:19,039

investigators

688

00:30:22,470 --> 00:30:21,279

about what you were suffering you're

689

00:30:24,630 --> 00:30:22,480

going through

690

00:30:29,269 --> 00:30:24,640

they would say you had a psychological

691

00:30:33,190 --> 00:30:31,430

here's one reports of physical distress

692

00:30:35,430 --> 00:30:33,200

and i'm not going to go too into each

693

00:30:37,430 --> 00:30:35,440

report i'm just i grabbed a bunch of

694

00:30:39,350 --> 00:30:37,440

clips from different ones

695

00:30:43,430 --> 00:30:39,360

mr potter's headache that went away when

696

00:30:48,950 --> 00:30:45,590

um this okay so what i just showed you

697

00:30:50,710 --> 00:30:48,960

is a iapa present special report

698

00:30:54,310 --> 00:30:50,720

or what i'm about to show you willow

699

00:30:55,430 --> 00:30:54,320

grove australia february 15th

700

00:30:57,669 --> 00:30:55,440

there's a little back and forth

701
00:30:59,269 --> 00:30:57,679
interview on this

702
00:31:01,750 --> 00:30:59,279
but i did get an awful headache just

703
00:31:05,269 --> 00:31:01,760
beyond the eyes i never suffer

704
00:31:06,950 --> 00:31:05,279
with headaches normally

705
00:31:09,350 --> 00:31:06,960
and what did he say about that equal he

706
00:31:12,070 --> 00:31:09,360
said that ties in with our theory we

707
00:31:13,269 --> 00:31:12,080
always had the impression that it was

708
00:31:14,870 --> 00:31:13,279
it gave me the impression it was

709
00:31:17,669 --> 00:31:14,880
electromagnetic

710
00:31:20,870 --> 00:31:17,679
or something to that effect

711
00:31:26,230 --> 00:31:24,070
em electromagnetic radio frequency

712
00:31:27,909 --> 00:31:26,240
this is old this is an old australian

713
00:31:31,430 --> 00:31:27,919

port old

714

00:31:35,990 --> 00:31:33,590

and what's coming out now

715

00:31:37,509 --> 00:31:36,000

was made in 2008.

716

00:31:42,070 --> 00:31:37,519

so anyone who wants to say anything

717

00:31:46,950 --> 00:31:42,080

about that like just get with it like

718

00:31:54,630 --> 00:31:46,960

this stuff is uh not made up or rare

719

00:31:54,640 --> 00:31:59,590

here's a direct letter to the

720

00:32:02,310 --> 00:32:00,710

um

721

00:32:06,149 --> 00:32:02,320

hi army command it's interesting and

722

00:32:08,070 --> 00:32:06,159

close is an article in the paper about a

723

00:32:10,789 --> 00:32:08,080

sonic boom i was in the yard interesting

724

00:32:12,710 --> 00:32:10,799

because typically the foes no sound

725

00:32:15,110 --> 00:32:12,720

overhead i could hear this strange noise

726

00:32:17,669 --> 00:32:15,120

and i felt such a strange feeling like i

727

00:32:19,350 --> 00:32:17,679

was under some kind of great heat

728

00:32:22,149 --> 00:32:19,360

that night my body was breaking out with

729

00:32:24,389 --> 00:32:22,159

strange welts and my body felt as though

730

00:32:26,789 --> 00:32:24,399

i was coming out of my skin i went to

731

00:32:28,870 --> 00:32:26,799

the hospital about four am

732

00:32:31,509 --> 00:32:28,880

doctors couldn't describe it so like all

733

00:32:39,830 --> 00:32:31,519

doctors they called it hives i never had

734

00:32:45,190 --> 00:32:43,590

another one this one's south wales

735

00:32:47,990 --> 00:32:45,200

so we're going all around the world here

736

00:32:50,950 --> 00:32:48,000

this is in fsr flank saucer review which

737

00:32:53,669 --> 00:32:50,960

is actually a more uh highly regarded

738

00:32:56,470 --> 00:32:53,679

publication than most

739

00:32:58,789 --> 00:32:56,480

but again this is this one these are in

740

00:33:02,789 --> 00:32:58,799

blue book files

741

00:33:07,990 --> 00:33:06,070

the last letter i read to you

742

00:33:09,750 --> 00:33:08,000

was letter written directly to blue book

743

00:33:11,750 --> 00:33:09,760

folks

744

00:33:13,190 --> 00:33:11,760

wales evening post september third

745

00:33:14,630 --> 00:33:13,200

carried a letter from

746

00:33:17,750 --> 00:33:14,640

francis

747

00:33:18,870 --> 00:33:17,760

telling her daughter was uh standing at

748

00:33:21,509 --> 00:33:18,880

the window

749

00:33:23,110 --> 00:33:21,519

morrison home 11 50 p.m august 25th when

750

00:33:25,190 --> 00:33:23,120

she saw a bright light approaching the

751

00:33:29,110 --> 00:33:25,200

sky the kitchen was illuminated by the

752

00:33:33,430 --> 00:33:29,120

glare which seemed also to burn her skin

753

00:33:36,310 --> 00:33:34,870

so i have all around the world we have

754

00:33:38,870 --> 00:33:36,320

the same kind of reports right there's

755

00:33:40,310 --> 00:33:38,880

no internet at this time

756

00:33:42,070 --> 00:33:40,320

this is just a big

757

00:33:43,669 --> 00:33:42,080

like ruse people are sending notes

758

00:33:45,509 --> 00:33:43,679

across the country hey

759

00:33:48,149 --> 00:33:45,519

if you have a ufo sighting say they

760

00:33:50,710 --> 00:33:48,159

experience this

761

00:33:54,630 --> 00:33:50,720

because when 2008 comes

762

00:33:58,630 --> 00:33:55,909

you know

763

00:34:03,750 --> 00:33:58,640

okay 14 years after that

764

00:34:03,760 --> 00:34:09,829

it's quite a it's quite a scheme right

765

00:34:15,270 --> 00:34:12,389

so here i'm just gonna go

766

00:34:16,710 --> 00:34:15,280

um so this is the following is uh the

767

00:34:18,470 --> 00:34:16,720

following narrative is a beta

768

00:34:19,669 --> 00:34:18,480

transcription from the record against an

769

00:34:21,349 --> 00:34:19,679

interview

770

00:34:22,869 --> 00:34:21,359

uh second lieutenant bert staples tape

771

00:34:24,230 --> 00:34:22,879

recorded the interview we're going to go

772

00:34:25,750 --> 00:34:24,240

over to the right hand side second

773

00:34:27,349 --> 00:34:25,760

paragraph from the top you can see the

774

00:34:30,069 --> 00:34:27,359

highlighted letter

775

00:34:33,510 --> 00:34:30,079

we told them what we had seen this time

776
00:34:36,710 --> 00:34:33,520
mr and myself notice burning sensations

777
00:34:45,909 --> 00:34:36,720
of the skin of our faces in the dryness

778
00:34:49,750 --> 00:34:47,510
she said it was very blood blue which

779
00:34:53,669 --> 00:34:49,760
hurt her eyes when she looked at it

780
00:34:57,109 --> 00:34:55,750
and she gets pains down the back of her

781
00:34:58,950 --> 00:34:57,119
neck

782
00:35:03,670 --> 00:34:58,960
and reciting her vision gets blurred at

783
00:35:13,190 --> 00:35:05,829
uh it did not move otherwise as a flying

784
00:35:17,430 --> 00:35:16,390
got a lot of eyes eye ones here

785
00:35:22,150 --> 00:35:17,440
um

786
00:35:25,109 --> 00:35:23,829
one object round

787
00:35:27,030 --> 00:35:25,119
butt size

788
00:35:29,109 --> 00:35:27,040

undetermined however observers stated

789

00:35:31,030 --> 00:35:29,119

the object was larger

790

00:35:34,790 --> 00:35:31,040

than conventional aircraft

791

00:35:36,710 --> 00:35:34,800

gave off a luminous color

792

00:35:40,710 --> 00:35:36,720

somewhat like a glittering diamond that

793

00:35:49,829 --> 00:35:40,720

was so brilliant that it hurt eyes

794

00:35:54,950 --> 00:35:52,069

there's another direct

795

00:35:57,109 --> 00:35:54,960

oh i already looked at this one

796

00:35:58,790 --> 00:35:57,119

so this uh what i'm about to show you

797

00:36:01,910 --> 00:35:58,800

was written in

798

00:36:05,750 --> 00:36:01,920

this was inserted in a blue book staff

799

00:36:12,150 --> 00:36:08,310

and it is from

800

00:36:13,750 --> 00:36:12,160

a private researcher

801
00:36:15,670 --> 00:36:13,760
our studies have indicated that some

802
00:36:18,069 --> 00:36:15,680
people have had their eyes strained or

803
00:36:21,030 --> 00:36:18,079
hurt as well as other physical ailments

804
00:36:23,270 --> 00:36:21,040
which presumably result from observing

805
00:36:27,510 --> 00:36:23,280
ufos at close range and for an extended

806
00:36:33,670 --> 00:36:28,790
why would they have that in their staff

807
00:36:37,829 --> 00:36:36,470
that particular one is the only thing

808
00:36:40,870 --> 00:36:37,839
that was in their staff study from

809
00:36:43,030 --> 00:36:40,880
outside source

810
00:36:49,349 --> 00:36:43,040
it was kind of dim then it got real

811
00:36:55,510 --> 00:36:50,790
apparently the noise must have really

812
00:37:00,390 --> 00:36:58,550
i mean you you get that point right

813
00:37:02,710 --> 00:37:00,400

uh this one is interesting

814

00:37:04,310 --> 00:37:02,720

let's try to zoom in sorry if these are

815

00:37:05,430 --> 00:37:04,320

a little blurry the screenshots aren't

816

00:37:06,790 --> 00:37:05,440

the best

817

00:37:11,109 --> 00:37:06,800

uh

818

00:37:13,349 --> 00:37:11,119

light was white in the center with the

819

00:37:15,349 --> 00:37:13,359

orange ring at dark space and then blue

820

00:37:18,310 --> 00:37:15,359

razor flames

821

00:37:22,870 --> 00:37:18,320

um i just put this here so you could

822

00:37:25,910 --> 00:37:22,880

have some context to what this is

823

00:37:28,470 --> 00:37:25,920

um air force systems command

824

00:37:30,790 --> 00:37:28,480

foreign technology division

825

00:37:32,390 --> 00:37:30,800

letter written to them i have been

826

00:37:34,310 --> 00:37:32,400

advised by the air force special

827

00:37:36,950 --> 00:37:34,320

investigation agency in cleveland to

828

00:37:38,550 --> 00:37:36,960

contact your office in order to report a

829

00:37:41,750 --> 00:37:38,560

strange sighting made by a friend of

830

00:37:43,109 --> 00:37:41,760

myself as we drove on west cedar avenue

831

00:37:46,310 --> 00:37:43,119

towards cleveland

832

00:37:49,030 --> 00:37:46,320

on july 25th

833

00:37:49,040 --> 00:37:52,310

um

834

00:37:58,069 --> 00:37:54,550

and then this is basically the gist of

835

00:38:02,470 --> 00:37:59,910

red tinged object that hurt his eyes

836

00:38:04,230 --> 00:38:02,480

when he looked at it

837

00:38:06,790 --> 00:38:04,240

saw a circular object that was about a

838

00:38:08,630 --> 00:38:06,800

mile away the object emitted a blue rays

839

00:38:10,310 --> 00:38:08,640

that hurt their eyes now

840

00:38:12,150 --> 00:38:10,320

uh column kellog

841

00:38:13,349 --> 00:38:12,160

keller keller

842

00:38:15,349 --> 00:38:13,359

just uh

843

00:38:17,670 --> 00:38:15,359

they have

844

00:38:19,109 --> 00:38:17,680

an account in

845

00:38:22,790 --> 00:38:19,119

their book

846

00:38:27,990 --> 00:38:22,800

about a triangle that emits a blue light

847

00:38:35,190 --> 00:38:29,510

this is

848

00:38:40,310 --> 00:38:38,470

a degree where it almost hurt his ears

849

00:38:46,950 --> 00:38:40,320

that's not too bad right almost her

850

00:38:50,550 --> 00:38:48,630

and we're almost done here

851

00:38:52,710 --> 00:38:50,560

he suffered burns however due to the

852

00:38:57,910 --> 00:38:52,720

close approach of the saucer-shaped

853

00:39:01,430 --> 00:38:59,510

there were witnesses but when the women

854

00:39:03,670 --> 00:39:01,440

was reached she was found dead with

855

00:39:06,310 --> 00:39:03,680

severe burns on her body now this one is

856

00:39:08,470 --> 00:39:06,320

pretty out there

857

00:39:10,470 --> 00:39:08,480

civilian research interplanetary flying

858

00:39:12,390 --> 00:39:10,480

objects so

859

00:39:13,589 --> 00:39:12,400

um

860

00:39:15,510 --> 00:39:13,599

written to

861

00:39:17,910 --> 00:39:15,520

uh office of public information united

862

00:39:20,550 --> 00:39:17,920

states air force uh would your office

863

00:39:22,230 --> 00:39:20,560

kindly confirm the incident reported

864

00:39:26,150 --> 00:39:22,240

tacoma washington

865

00:39:27,990 --> 00:39:26,160

uh news tribune april 2nd 1957.

866

00:39:30,950 --> 00:39:28,000

according to the news tribunal watched

867

00:39:33,190 --> 00:39:30,960

an object with a metallic glow to send

868

00:39:35,829 --> 00:39:33,200

in the pastor on experience property on

869

00:39:37,030 --> 00:39:35,839

waller road the newspaper uh count told

870

00:39:40,790 --> 00:39:37,040

of the air force intelligence

871

00:39:43,270 --> 00:39:40,800

investigating and relating it

872

00:39:44,710 --> 00:39:43,280

to mr at the following perhaps it is

873

00:39:47,829 --> 00:39:44,720

just uh

874

00:39:49,510 --> 00:39:47,839

just as well at you ran

875

00:39:52,069 --> 00:39:49,520

uh then according to the news tribunal

876

00:39:53,030 --> 00:39:52,079

air force investigating team of three

877

00:39:55,270 --> 00:39:53,040

men

878

00:39:57,270 --> 00:39:55,280

told blank of an incident similar to his

879

00:39:59,510 --> 00:39:57,280

occurring in florida they said it

880

00:40:01,589 --> 00:39:59,520

involved a woman walking along the road

881

00:40:03,270 --> 00:40:01,599

who had become transfixed with fear by

882

00:40:05,589 --> 00:40:03,280

glowing red object hurtling towards her

883

00:40:08,150 --> 00:40:05,599

silently craft knocked her down to the

884

00:40:09,829 --> 00:40:08,160

ground that there were witnesses

885

00:40:12,550 --> 00:40:09,839

but when the woman was reached she was

886

00:40:15,910 --> 00:40:12,560

found dead with severe burns on her body

887

00:40:17,270 --> 00:40:15,920

i don't know what the truth of that is

888

00:40:18,870 --> 00:40:17,280

but

889

00:40:23,910 --> 00:40:18,880

it's not the first time i heard a report

890

00:40:28,150 --> 00:40:25,589

so

891

00:40:30,150 --> 00:40:28,160

pretty interesting

892

00:40:31,270 --> 00:40:30,160

there's one

893

00:40:34,069 --> 00:40:31,280

more

894

00:40:36,710 --> 00:40:34,079

that i wanted to

895

00:40:40,230 --> 00:40:36,720

share if y'all have time that is i don't

896

00:40:44,470 --> 00:40:42,390

don't want to take up all your time it's

897

00:40:46,550 --> 00:40:44,480

pretty good

898

00:40:49,829 --> 00:40:46,560

and

899

00:40:53,750 --> 00:40:49,839

but it might be hard to find it actually

900

00:40:56,230 --> 00:40:54,950

so

901
00:40:57,430 --> 00:40:56,240
i'm just gonna give this one shot

902
00:40:59,270 --> 00:40:57,440
because i was a little unprepared i

903
00:41:03,589 --> 00:40:59,280
guess i should have

904
00:41:04,829 --> 00:41:03,599
got this ready beforehand but i did not

905
00:41:06,470 --> 00:41:04,839
but

906
00:41:08,390 --> 00:41:06,480
basically

907
00:41:10,309 --> 00:41:08,400
i can just tell you what it is if it

908
00:41:13,190 --> 00:41:10,319
won't come up and i can't share it

909
00:41:19,670 --> 00:41:16,710
this gentleman who has a sighting in

910
00:41:21,109 --> 00:41:19,680
uh guam basically in like 1950 i think

911
00:41:24,069 --> 00:41:21,119
it is

912
00:41:26,390 --> 00:41:25,349
he

913
00:41:28,950 --> 00:41:26,400

has some

914

00:41:31,190 --> 00:41:28,960

um issues with it whatever he says it

915

00:41:33,349 --> 00:41:31,200

followed at the time it like knocked him

916

00:41:37,030 --> 00:41:33,359

unconscious

917

00:41:37,040 --> 00:41:40,710

uh until he saw it again

918

00:41:45,030 --> 00:41:42,550

so that that was a pretty intense one i

919

00:41:46,710 --> 00:41:45,040

thought and but the the reason i thought

920

00:41:48,390 --> 00:41:46,720

that one was interesting is because they

921

00:41:50,309 --> 00:41:48,400

just chalked it up to the guy having

922

00:41:52,710 --> 00:41:50,319

mental issues

923

00:41:55,589 --> 00:41:52,720

you know

924

00:41:58,309 --> 00:41:55,599

and they didn't investigate further

925

00:42:03,910 --> 00:42:01,430

it's like what's the deal with that

926
00:42:05,270 --> 00:42:03,920
if anything is unusual up they got

927
00:42:07,190 --> 00:42:05,280
mental issues

928
00:42:11,109 --> 00:42:07,200
no big deal

929
00:42:11,119 --> 00:42:13,510
wrong

930
00:42:18,630 --> 00:42:17,030
okay i think i might have found it

931
00:42:21,589 --> 00:42:18,640
no

932
00:42:21,599 --> 00:42:25,589
maybe next time

933
00:42:31,430 --> 00:42:27,589
there's so many interesting reports it's

934
00:42:33,190 --> 00:42:31,440
like oh boy this is it

935
00:42:35,109 --> 00:42:33,200
there's some so many interesting reports

936
00:42:37,589 --> 00:42:35,119
in this in the just these blue book

937
00:42:39,670 --> 00:42:37,599
files alone it's it's incredible to me

938
00:42:41,910 --> 00:42:39,680

how they could

939

00:42:43,589 --> 00:42:41,920

so easily just write this stuff off and

940

00:42:44,950 --> 00:42:43,599

and brush it under the rug it's like how

941

00:42:46,390 --> 00:42:44,960

can you do that

942

00:42:50,710 --> 00:42:46,400

it's like obviously there's so many

943

00:42:50,720 --> 00:42:56,710

explain away like that

944

00:43:00,630 --> 00:42:58,550

because it just don't work

945

00:43:02,870 --> 00:43:00,640

it does make sense

946

00:43:07,270 --> 00:43:02,880

okay so that's pretty interesting

947

00:43:09,510 --> 00:43:07,280

so we got september 7 1950 guam

948

00:43:12,150 --> 00:43:09,520

object observe offshore circular flat

949

00:43:13,990 --> 00:43:12,160

about 600.

950

00:43:16,470 --> 00:43:14,000

i do a thousand feet

951
00:43:21,589 --> 00:43:16,480
yeah see other here what they say oh

952
00:43:30,950 --> 00:43:25,270
no one else saw it it's imagination

953
00:43:35,109 --> 00:43:33,109
this is interesting

954
00:43:36,470 --> 00:43:35,119
memorandum memorandum for assistant

955
00:43:37,589 --> 00:43:36,480
chief of staff

956
00:43:39,750 --> 00:43:37,599
uh

957
00:43:42,550 --> 00:43:39,760
previous information i've been at

958
00:43:49,589 --> 00:43:45,670
so why is uh someone from the fbi chief

959
00:43:55,030 --> 00:43:52,390
involved with this

960
00:43:58,390 --> 00:43:55,040
that's weird

961
00:44:00,230 --> 00:43:58,400
so in 1950 near guam he observed a ufo

962
00:44:03,109 --> 00:44:00,240
just off the shore that island he stated

963
00:44:05,349 --> 00:44:03,119

it was circular flat and about 60 600 or

964

00:44:07,109 --> 00:44:05,359

a thousand feet wide it appeared to be

965

00:44:09,109 --> 00:44:07,119

about half a mile from shore and was

966

00:44:09,990 --> 00:44:09,119

about 300 feet above the surface of the

967

00:44:11,990 --> 00:44:10,000

water

968

00:44:13,670 --> 00:44:12,000

state that a white cloud covered part of

969

00:44:16,550 --> 00:44:13,680

the object and he saw

970

00:44:19,430 --> 00:44:16,560

open portholes in the object from which

971

00:44:21,990 --> 00:44:19,440

blue gas was coming out he's there we go

972

00:44:24,230 --> 00:44:22,000

with blue again he does not know whether

973

00:44:27,750 --> 00:44:24,240

the cloud was already there or whether

974

00:44:30,069 --> 00:44:27,760

the gas was formed from the flag object

975

00:44:34,390 --> 00:44:30,079

he's got a handwritten sketch

976
00:44:37,910 --> 00:44:34,400
uh he was a waiting fbi representative

977
00:44:41,190 --> 00:44:38,630
so

978
00:44:43,349 --> 00:44:41,200
it's interesting because the fbi

979
00:44:47,109 --> 00:44:43,359
initially it was involved

980
00:44:49,589 --> 00:44:47,119
with these um salsa reports

981
00:44:50,950 --> 00:44:49,599
to and they were only involved in ones

982
00:44:54,950 --> 00:44:50,960
that

983
00:44:57,829 --> 00:44:56,150
vehicles

984
00:44:59,750 --> 00:44:57,839
but they got all pissed off because they

985
00:45:01,990 --> 00:44:59,760
figured that the crash vehicles would

986
00:45:04,550 --> 00:45:02,000
just be like hoaxes so the only part of

987
00:45:06,790 --> 00:45:04,560
these ufo investigations the fbi would

988
00:45:09,030 --> 00:45:06,800

be a part of were hoaxes and bull crap

989

00:45:10,790 --> 00:45:09,040

ones

990

00:45:15,510 --> 00:45:10,800

you know apparently going by the

991

00:45:18,550 --> 00:45:16,790

during the interview mentions that he

992

00:45:20,069 --> 00:45:18,560

felt ill and that doctors have told him

993

00:45:21,670 --> 00:45:20,079

that about 75

994

00:45:24,470 --> 00:45:21,680

of his

995

00:45:29,750 --> 00:45:27,109

vitality is now gone

996

00:45:31,990 --> 00:45:29,760

stated he interpreted that meant that he

997

00:45:33,430 --> 00:45:32,000

is three four is dead he further

998

00:45:35,510 --> 00:45:33,440

commented that he is under the

999

00:45:37,750 --> 00:45:35,520

impression that uh blank are constantly

1000

00:45:41,430 --> 00:45:37,760

stalking him

1001
00:45:49,030 --> 00:45:43,270
no additional information and data

1002
00:45:51,990 --> 00:45:50,550
so i'm skipping past that because i have

1003
00:45:55,990 --> 00:45:52,000
a hard time reading other people's

1004
00:46:01,190 --> 00:45:57,990
um he's able to give details of small

1005
00:46:04,390 --> 00:46:01,200
rivets portals and other uh many details

1006
00:46:09,589 --> 00:46:04,400
of a large space sketch for fbi

1007
00:46:13,430 --> 00:46:11,910
so here we go due to the many varied and

1008
00:46:15,190 --> 00:46:13,440
odd cloud formations over the pacific

1009
00:46:18,710 --> 00:46:15,200
numerous ufo reports have been received

1010
00:46:20,470 --> 00:46:18,720
from that area which is very true

1011
00:46:22,309 --> 00:46:20,480
it is possible that source may have

1012
00:46:28,390 --> 00:46:22,319
observed a rare

1013
00:46:33,270 --> 00:46:30,630

so what is it lenticular cloud or

1014

00:46:35,030 --> 00:46:33,280

imagination

1015

00:46:37,349 --> 00:46:35,040

because they definitely put lenticular

1016

00:46:38,230 --> 00:46:37,359

cloud

1017

00:46:40,710 --> 00:46:38,240

in

1018

00:46:42,390 --> 00:46:40,720

these reports before as far as you know

1019

00:46:46,550 --> 00:46:42,400

what the conclusion was so why didn't

1020

00:46:51,430 --> 00:46:49,109

call him a publicity seeker yeah okay

1021

00:46:55,430 --> 00:46:51,440

well he didn't tell any newspapers

1022

00:46:59,109 --> 00:46:56,790

you know but it's funny because in the

1023

00:47:02,470 --> 00:46:59,119

pacific during this time especially they

1024

00:47:10,069 --> 00:47:02,480

were testing so many

1025

00:47:13,829 --> 00:47:12,230

which i find interesting

1026

00:47:17,829 --> 00:47:13,839

here's attention our favorite person

1027

00:47:21,829 --> 00:47:20,309

um signed gilbert deputy for signs and

1028

00:47:22,950 --> 00:47:21,839

components united states air force

1029

00:47:25,510 --> 00:47:22,960

number two

1030

00:47:27,109 --> 00:47:25,520

says cannot comment on source's instance

1031

00:47:28,950 --> 00:47:27,119

that a particular saucer had been

1032

00:47:31,430 --> 00:47:28,960

following him for over eight years

1033

00:47:33,030 --> 00:47:31,440

starting in guam 1950 his original

1034

00:47:35,109 --> 00:47:33,040

report on the file

1035

00:47:37,829 --> 00:47:35,119

which caught up with him in a ballpark

1036

00:47:39,750 --> 00:47:37,839

where it knocked him

1037

00:47:42,069 --> 00:47:39,760

other than that he is categorized as a

1038

00:47:44,309 --> 00:47:42,079

persistent but harmless crank by this

1039

00:47:49,430 --> 00:47:44,319

office

1040

00:47:54,710 --> 00:47:51,670

interesting

1041

00:47:56,950 --> 00:47:54,720

deputy for science and components

1042

00:47:58,950 --> 00:47:56,960

for the air force

1043

00:48:01,030 --> 00:47:58,960

other than that he is categorized as a

1044

00:48:02,710 --> 00:48:01,040

persistent but harmless crank by this

1045

00:48:06,549 --> 00:48:02,720

office

1046

00:48:09,430 --> 00:48:06,559

components for the united states air

1047

00:48:09,440 --> 00:48:13,910

is that what that means

1048

00:48:17,589 --> 00:48:16,470

this is getting more interesting

1049

00:48:26,790 --> 00:48:17,599

i'm gonna have to put some more work

1050

00:48:29,190 --> 00:48:27,750

wow

1051

00:48:30,710 --> 00:48:29,200

dear sir it might interest you to know

1052

00:48:32,950 --> 00:48:30,720

that since the guam sighting i've been

1053

00:48:35,829 --> 00:48:32,960

shot with the rings about 50 times as a

1054

00:48:37,910 --> 00:48:35,839

report from the shot comes after the

1055

00:48:39,670 --> 00:48:37,920

blackout i did not hear them and thought

1056

00:48:41,990 --> 00:48:39,680

that i was suffering from some physical

1057

00:48:44,230 --> 00:48:42,000

debility as the incident in the park had

1058

00:48:46,309 --> 00:48:44,240

exactly the same results momentary

1059

00:48:49,109 --> 00:48:46,319

blackout i now know the real source on

1060

00:48:51,190 --> 00:48:49,119

one occasion on michael on guam my car

1061

00:48:53,589 --> 00:48:51,200

was completely off the road when i came

1062

00:48:54,549 --> 00:48:53,599

to either they had given me a stronger

1063

00:48:56,870 --> 00:48:54,559

charge

1064

00:48:58,950 --> 00:48:56,880

wow so he had missing time

1065

00:49:00,549 --> 00:48:58,960

or the ship was closer to me i was

1066

00:49:02,710 --> 00:49:00,559

unconscious at least five seconds i

1067

00:49:04,950 --> 00:49:02,720

reported this to my boss fitzgerald

1068

00:49:07,910 --> 00:49:04,960

denver colorado and he can verify the

1069

00:49:11,589 --> 00:49:09,670

after this incident they reverted back

1070

00:49:13,190 --> 00:49:11,599

to the weaker shots so i doubt that they

1071

00:49:14,790 --> 00:49:13,200

were trying to do media harm the only

1072

00:49:17,190 --> 00:49:14,800

disconcerting thing about the whole

1073

00:49:18,950 --> 00:49:17,200

business is that the attack always came

1074

00:49:21,190 --> 00:49:18,960

when i was either

1075

00:49:23,270 --> 00:49:21,200

a curb or a mountain road but that could

1076
00:49:24,710 --> 00:49:23,280
be coincidence i believe that these

1077
00:49:26,470 --> 00:49:24,720
people

1078
00:49:27,990 --> 00:49:26,480
are here on a friendly exploration

1079
00:49:30,309 --> 00:49:28,000
observation trip and will not leave

1080
00:49:32,390 --> 00:49:30,319
without contacting us and establishing

1081
00:49:34,390 --> 00:49:32,400
some sort of relationship if they are

1082
00:49:36,150 --> 00:49:34,400
unfriendly and bent on conquest they

1083
00:49:38,710 --> 00:49:36,160
will not want to contact us until the

1084
00:49:41,030 --> 00:49:38,720
fireworks begin

1085
00:49:42,630 --> 00:49:41,040
uh what does that mean the only way to

1086
00:49:45,109 --> 00:49:42,640
ascertain their motive is to attempt to

1087
00:49:47,270 --> 00:49:45,119
contact and i suggest just that they

1088
00:49:49,109 --> 00:49:47,280

know me and i know that i am conditioned

1089

00:49:50,630 --> 00:49:49,119

to the fact that they exist therefore i

1090

00:49:53,589 --> 00:49:50,640

suggest that

1091

00:49:55,750 --> 00:49:53,599

i can myself drive to some

1092

00:49:57,750 --> 00:49:55,760

isolated spot in the country preferably

1093

00:50:00,309 --> 00:49:57,760

alaska where i will try for a complete

1094

00:50:01,990 --> 00:50:00,319

contact i choose to

1095

00:50:04,150 --> 00:50:02,000

go with me because he appears to have a

1096

00:50:07,750 --> 00:50:04,160

good grasp of the situation

1097

00:50:10,069 --> 00:50:07,760

and also to have the necessary guts

1098

00:50:12,630 --> 00:50:10,079

he will not be in on the finale but i

1099

00:50:14,390 --> 00:50:12,640

will need someone within 50 miles of me

1100

00:50:16,069 --> 00:50:14,400

to whom i can relay information if i get

1101

00:50:17,589 --> 00:50:16,079

any wow

1102

00:50:19,829 --> 00:50:17,599

i shudder when i think of what will

1103

00:50:21,270 --> 00:50:19,839

happen if we do not attempt this contact

1104

00:50:23,030 --> 00:50:21,280

and the russians

1105

00:50:24,710 --> 00:50:23,040

succeed in making one

1106

00:50:27,109 --> 00:50:24,720

their leaders know as well as we do

1107

00:50:29,349 --> 00:50:27,119

these people exist at present we have

1108

00:50:31,430 --> 00:50:29,359

the advantage but if these

1109

00:50:33,190 --> 00:50:31,440

people really want to contact the human

1110

00:50:34,230 --> 00:50:33,200

race they will not

1111

00:50:38,069 --> 00:50:34,240

to

1112

00:50:40,390 --> 00:50:38,079

probably take

1113

00:50:42,309 --> 00:50:40,400

there to some other part of the globe in

1114

00:50:44,390 --> 00:50:42,319

closing i might say that nothing will be

1115

00:50:46,710 --> 00:50:44,400

accomplished with you hiding under the

1116

00:50:48,230 --> 00:50:46,720

bed and spoon feeding me information to

1117

00:50:50,309 --> 00:50:48,240

you

1118

00:50:52,230 --> 00:50:50,319

the security of the country is in danger

1119

00:51:03,430 --> 00:50:52,240

and this situation calls for direct

1120

00:51:03,440 --> 00:51:07,270

well

1121

00:51:07,280 --> 00:51:12,790

that's pretty interesting

1122

00:51:16,950 --> 00:51:14,630

general claims

1123

00:51:18,630 --> 00:51:16,960

saucer following them since the 50s

1124

00:51:20,630 --> 00:51:18,640

they're inhabited a weapon used by these

1125

00:51:23,750 --> 00:51:20,640

spacer travelers is a stunning ray of

1126
00:51:24,950 --> 00:51:23,760
some type which assumes a annular shape

1127
00:51:29,750 --> 00:51:24,960
when fired

1128
00:51:33,750 --> 00:51:31,270
it appears that the source is either

1129
00:51:35,349 --> 00:51:33,760
perpetrating a hoax for a joke or a more

1130
00:51:36,390 --> 00:51:35,359
underhanded

1131
00:51:38,230 --> 00:51:36,400
reason

1132
00:51:40,069 --> 00:51:38,240
or is a person in need of medical care

1133
00:51:41,910 --> 00:51:40,079
the added conclusion is that this report

1134
00:51:48,470 --> 00:51:41,920
the previous claims of mr plank are

1135
00:51:52,549 --> 00:51:50,309
air force has not found any positive

1136
00:51:54,710 --> 00:51:52,559
evidence of the existed

1137
00:51:56,870 --> 00:51:54,720
existence of interplanetary vehicles or

1138
00:51:59,430 --> 00:51:56,880

any type nor have any of the phenomenon

1139

00:52:01,510 --> 00:51:59,440

or objects reported identified proved to

1140

00:52:03,589 --> 00:52:01,520

be anything but man-made

1141

00:52:05,990 --> 00:52:03,599

items or natural phenomena

1142

00:52:07,829 --> 00:52:06,000

non-hostile and dangerous except in ways

1143

00:52:11,670 --> 00:52:07,839

that we understand and know meteors and

1144

00:52:15,990 --> 00:52:13,829

wow

1145

00:52:17,750 --> 00:52:16,000

doubt it

1146

00:52:18,790 --> 00:52:17,760

so that's kind of the thing here you

1147

00:52:20,230 --> 00:52:18,800

know

1148

00:52:21,829 --> 00:52:20,240

like

1149

00:52:24,390 --> 00:52:21,839

take them out and say first of all that

1150

00:52:28,470 --> 00:52:24,400

these things can do you harm

1151

00:52:32,549 --> 00:52:30,630

there are so many

1152

00:52:37,430 --> 00:52:32,559

instances that they have to account for

1153

00:52:43,109 --> 00:52:40,309

no worry to national security

1154

00:52:48,069 --> 00:52:43,119

their fictitious either imagination or

1155

00:52:48,079 --> 00:52:51,109

be an issue

1156

00:52:51,119 --> 00:52:55,750

so

1157

00:52:55,760 --> 00:53:04,150

in the end what's the deal

1158

00:53:04,160 --> 00:53:09,670

are they a threat or not

1159

00:53:14,069 --> 00:53:11,349

i would say

1160

00:53:16,150 --> 00:53:14,079

that it seems like

1161

00:53:17,990 --> 00:53:16,160

they could be if you ask kelly or on the

1162

00:53:21,030 --> 00:53:18,000

interview with us

1163

00:53:26,150 --> 00:53:21,040

uh jay and i said it seems like they are

1164

00:53:32,549 --> 00:53:28,950

lou elizondo says

1165

00:53:32,559 --> 00:53:38,790

not intentional

1166

00:53:41,990 --> 00:53:40,150

but then you go to someone like jim

1167

00:53:43,589 --> 00:53:42,000

semivan and he puts out pretty clearly

1168

00:53:45,349 --> 00:53:43,599

it's like you know

1169

00:53:47,510 --> 00:53:45,359

you abduct somebody without their

1170

00:53:50,710 --> 00:53:47,520

permission like that's kidnapping

1171

00:53:50,720 --> 00:53:59,430

so what's the truth

1172

00:54:03,829 --> 00:54:02,950

i think the the most harm that's done

1173

00:54:05,829 --> 00:54:03,839

um

1174

00:54:07,349 --> 00:54:05,839

you know on a large scale

1175

00:54:08,829 --> 00:54:07,359

psychological

1176

00:54:12,150 --> 00:54:08,839

i don't know if that's

1177

00:54:14,549 --> 00:54:12,160

hard or not controlling people's lives

1178

00:54:15,990 --> 00:54:14,559

people have sightings and it changes the

1179

00:54:19,030 --> 00:54:16,000

course of their life like me for

1180

00:54:21,750 --> 00:54:20,309

you know

1181

00:54:23,750 --> 00:54:21,760

other people

1182

00:54:25,430 --> 00:54:23,760

a lot of you i'm sure

1183

00:54:27,270 --> 00:54:25,440

think about it all the time

1184

00:54:33,750 --> 00:54:27,280

research all the time spend so much time

1185

00:54:33,760 --> 00:54:36,309

you know

1186

00:54:40,470 --> 00:54:39,190

that's an effect

1187

00:54:42,309 --> 00:54:40,480

so

1188

00:54:45,349 --> 00:54:42,319

that being said

1189

00:54:49,109 --> 00:54:45,359

don't mean to be a downer i don't think

1190

00:54:54,150 --> 00:54:51,430

that there's anything that

1191

00:54:55,109 --> 00:54:54,160

we should worry about right now

1192

00:54:56,710 --> 00:54:55,119

you know

1193

00:54:57,150 --> 00:54:56,720

if you see one maybe just don't get too

1194

00:54:59,030 --> 00:54:57,160

close

1195

00:55:00,309 --> 00:54:59,040

[Music]

1196

00:55:03,190 --> 00:55:00,319

you know

1197

00:55:10,150 --> 00:55:05,910

i would have to think that there's more

1198

00:55:15,030 --> 00:55:12,230

good and evil is instilled so deep

1199

00:55:18,829 --> 00:55:17,750

that i'm sure if we're not the only

1200

00:55:20,710 --> 00:55:18,839

living

1201
00:55:22,870 --> 00:55:20,720
intelligence

1202
00:55:26,069 --> 00:55:22,880
we're not the only ones that live with

1203
00:55:32,470 --> 00:55:27,750
so

1204
00:55:35,829 --> 00:55:34,230
um check out disclosure team he's got a

1205
00:55:38,549 --> 00:55:35,839
show coming up

1206
00:55:39,990 --> 00:55:38,559
it's got a panel of amazing people

1207
00:55:41,910 --> 00:55:40,000
super good people

1208
00:55:42,789 --> 00:55:41,920
check that out i'll be over there in the

1209
00:55:45,030 --> 00:55:42,799
chat

1210
00:55:45,910 --> 00:55:45,040
chopping it up

1211
00:55:48,630 --> 00:55:45,920
um

1212
00:55:51,109 --> 00:55:48,640
not gonna be here tomorrow probably not

1213
00:55:52,470 --> 00:55:51,119

the weekend i'm hoping to be back on

1214

00:55:53,510 --> 00:55:52,480

monday

1215

00:55:56,230 --> 00:55:53,520

so

1216

00:55:58,390 --> 00:55:56,240

that being said

1217

00:55:59,589 --> 00:55:58,400

stay good

1218

00:56:03,430 --> 00:55:59,599

stay in love

1219

00:56:34,120 --> 00:56:04,640

bye
