[Music]

2
00:01:21,429 --> 00:01:18,789

what's up everybody

3
00:01:22,630 --> 00:01:21,439

happy monday to you i hope you are

4
00:01:24,710 --> 00:01:22,640

kicking ass

5
00:01:26,630 --> 00:01:24,720

um

6
00:01:29,590 --> 00:01:26,640

my day's okay i had to change a tire

7
00:01:31,990 --> 00:01:29,600

today so that kind of stinks you know

8
00:01:34,230 --> 00:01:32,000

had one of those bubbles in the sidewall

9
00:01:37,190 --> 00:01:34,240

so

10
00:01:39,190 --> 00:01:37,200

apparently if you don't change it

11
00:01:41,350 --> 00:01:39,200

it can blow up

12
00:01:42,230 --> 00:01:41,360

so

13
00:01:44,710 --> 00:01:42,240

you know

14

00:01:45,990 --> 00:01:44,720
my wife didn't really uh like the

15

00:01:47,350 --> 00:01:46,000
thought of that

16

00:01:48,789 --> 00:01:47,360
and you know what

17

00:01:50,149 --> 00:01:48,799
i didn't either

18

00:01:52,310 --> 00:01:50,159
so

19

00:01:55,670 --> 00:01:52,320
you know

20

00:01:59,109 --> 00:01:55,680
what are you gonna do

21

00:01:59,990 --> 00:01:59,119
except uh you know um do something about

22

00:02:04,709 --> 00:02:00,000
it

23

00:02:06,469 --> 00:02:04,719
the freaking tire

24

00:02:08,550 --> 00:02:06,479
but um

25

00:02:13,350 --> 00:02:08,560
yeah there's

26

00:02:17,350 --> 00:02:13,360

some stuff that we can uh cover today

27

00:02:18,710 --> 00:02:17,360

hope everybody is doing well by the way

28

00:02:21,030 --> 00:02:18,720

29

00:02:22,949 --> 00:02:21,040

58
00:03:40,229 --> 00:03:38,080
how's it going

59
00:03:43,270 --> 00:03:40,239
i'm not gonna be able to start the show

60
00:03:45,350 --> 00:03:43,280
patrick what's happening

61
00:03:46,630 --> 00:03:45,360
i'm just gonna say hello to everybody

62
00:03:49,190 --> 00:03:46,640
the whole time

63
00:03:50,869 --> 00:03:49,200

let's go we can do that

64

00:03:52,630 --> 00:03:50,879

smash the like button hit the like

65

00:03:56,550 --> 00:03:52,640

button on the video if you haven't

66

00:03:59,670 --> 00:03:56,560

subscribe if you haven't uh share the

67

00:04:02,229 --> 00:03:59,680

um video as well if if you can that

68

00:04:05,910 --> 00:04:02,239

helps too what's up elena how you doing

69

00:04:11,830 --> 00:04:09,190

so yeah so the first thing that um i

70

00:04:13,030 --> 00:04:11,840

thought we could talk about is if i mean

71

00:04:15,910 --> 00:04:13,040

if you watched

72

00:04:18,390 --> 00:04:15,920

um you know the previous episodes that

73

00:04:20,469 --> 00:04:18,400

i've done it's been

74

00:04:23,749 --> 00:04:20,479

um about

75

00:04:26,550 --> 00:04:23,759

kind of uh those 1500

76

00:04:28,629 --> 00:04:26,560

give or take pages that have been

77

00:04:31,590 --> 00:04:28,639

released now a lot of these have been

78

00:04:34,230 --> 00:04:31,600

leaked before they've been out

79

00:04:35,670 --> 00:04:34,240

um by way of uh george knapp has

80

00:04:36,790 --> 00:04:35,680

released some

81

00:04:39,990 --> 00:04:36,800

um

82

00:04:41,590 --> 00:04:40,000

keith basterfield has released some

83

00:04:42,390 --> 00:04:41,600

and so some of these have been out for a

84

00:04:45,270 --> 00:04:42,400

while

85

00:04:46,710 --> 00:04:45,280

but it was official that the

86

00:04:50,390 --> 00:04:46,720

dia

87

00:04:53,189 --> 00:04:50,400

had uh officially put these on their

88

00:04:54,629 --> 00:04:53,199

website in the foyer reading room

89

00:04:57,670 --> 00:04:54,639

and

90

00:04:58,710 --> 00:04:57,680

they put them in

91

00:04:59,830 --> 00:04:58,720

um

92

00:05:01,350 --> 00:04:59,840

you know they have like different

93

00:05:03,029 --> 00:05:01,360

categories

94

00:05:05,510 --> 00:05:03,039

for their documents they release in

95

00:05:08,310 --> 00:05:05,520

their foia reading

96

00:05:09,510 --> 00:05:08,320

freedom of information act

97

00:05:12,390 --> 00:05:09,520

you know so they have a various

98

00:05:15,270 --> 00:05:12,400

different categories and

99

00:05:19,830 --> 00:05:15,280

they have one called other

100

00:05:22,830 --> 00:05:19,840

which is where the uh previous

101
00:05:25,270 --> 00:05:22,840
ufo documents were from from a while

102
00:05:27,510 --> 00:05:25,280
back and for these

103
00:05:29,350 --> 00:05:27,520
asap and atip

104
00:05:34,550 --> 00:05:29,360
asap

105
00:05:38,469 --> 00:05:35,990
which are just like all sorts of

106
00:05:40,150 --> 00:05:38,479
different working papers on different

107
00:05:41,749 --> 00:05:40,160
crazy technologies everything from

108
00:05:43,990 --> 00:05:41,759
different propulsion systems to the

109
00:05:46,870 --> 00:05:44,000
biological effects you may have seen in

110
00:05:48,950 --> 00:05:46,880
in the news in in others and like emails

111
00:05:49,990 --> 00:05:48,960
and such they put those in what is

112
00:05:53,430 --> 00:05:50,000
called

113
00:05:54,710 --> 00:05:53,440

uh united or united unidentified aerial

114

00:05:57,189 --> 00:05:54,720

phenomenon

115

00:05:59,189 --> 00:05:57,199

so they created an unidentified aerial

116

00:06:00,469 --> 00:05:59,199

phenomenon folder

117

00:06:04,950 --> 00:06:00,479

or tab

118

00:06:07,990 --> 00:06:07,029

right so first they had to create the

119

00:06:11,189 --> 00:06:08,000

tab

120

00:06:12,870 --> 00:06:11,199

then they put all the papers in it

121

00:06:14,309 --> 00:06:12,880

i noticed that

122

00:06:16,230 --> 00:06:14,319

i tweet out

123

00:06:17,990 --> 00:06:16,240

fact

124

00:06:22,550 --> 00:06:18,000

asap papers

125

00:06:25,909 --> 00:06:23,990

tab

126

00:06:28,070 --> 00:06:25,919

so it's obviously

127

00:06:29,189 --> 00:06:28,080

uap related now the reason i said that

128

00:06:31,350 --> 00:06:29,199

is because

129

00:06:34,070 --> 00:06:31,360

uh many people have said there's nothing

130

00:06:37,189 --> 00:06:34,080

uap related about these thirds susan gao

131

00:06:39,430 --> 00:06:37,199

has even been on the record

132

00:06:40,950 --> 00:06:39,440

saying

133

00:06:42,950 --> 00:06:40,960

that asap

134

00:06:44,790 --> 00:06:42,960

atip

135

00:06:47,270 --> 00:06:44,800

to investigate uh

136

00:06:49,510 --> 00:06:47,280

uaps was not in their purview more or

137

00:06:51,189 --> 00:06:49,520

less now they could investigate all

138

00:06:52,390 --> 00:06:51,199

sorts of different things uaps being one

139

00:06:54,309 --> 00:06:52,400

of them but their

140

00:06:58,790 --> 00:06:54,319

main directive wasn't

141

00:07:03,350 --> 00:06:59,909

so

142

00:07:06,230 --> 00:07:03,360

for

143

00:07:08,870 --> 00:07:06,240

pentagon whatever i haven't gotten too

144

00:07:10,070 --> 00:07:08,880

far deep in her i do know that she's

145

00:07:12,150 --> 00:07:10,080

basically written the book on

146

00:07:14,309 --> 00:07:12,160

psychological warfare you can get papers

147

00:07:15,270 --> 00:07:14,319

from her online

148

00:07:18,150 --> 00:07:15,280

right

149

00:07:20,710 --> 00:07:18,160

so that's an important thing to remember

150

00:07:23,670 --> 00:07:20,720

first of all

151
00:07:28,950 --> 00:07:25,189
so

152
00:07:33,510 --> 00:07:28,960
email which i think it's uh christopher

153
00:07:37,430 --> 00:07:35,110
which

154
00:07:39,510 --> 00:07:37,440
he wrote an article on this

155
00:07:42,629 --> 00:07:39,520
pentagon misab leads

156
00:07:45,350 --> 00:07:42,639
acid programs categorized as uap related

157
00:07:46,710 --> 00:07:45,360
so basically gao says oh that's that was

158
00:07:48,629 --> 00:07:46,720
a mistake

159
00:07:51,110 --> 00:07:48,639
simple mistake

160
00:07:52,950 --> 00:07:51,120
didn't mean to do it

161
00:07:56,230 --> 00:07:52,960
so they took them all

162
00:07:58,390 --> 00:07:56,240
down off the dia website

163
00:08:00,230 --> 00:07:58,400

and you know obviously in turn they had

164

00:08:01,909 --> 00:08:00,240

to get rid of the unidentified aerial

165

00:08:03,350 --> 00:08:01,919

phenomenon tab because

166

00:08:06,790 --> 00:08:03,360

without these

167

00:08:10,869 --> 00:08:07,990

right

168

00:08:13,350 --> 00:08:10,879

so i like this article

169

00:08:16,309 --> 00:08:13,360

in the description

170

00:08:18,469 --> 00:08:16,319

that you can um read it for yourself

171

00:08:23,350 --> 00:08:18,479

which this gentleman has

172

00:08:27,670 --> 00:08:25,749

and i'm pretty sure he's got some pretty

173

00:08:29,110 --> 00:08:27,680

nice ones coming out too

174

00:08:31,510 --> 00:08:29,120

in the future

175

00:08:33,029 --> 00:08:31,520

so here's actually a great example of

176
00:08:35,269 --> 00:08:33,039
you know what the tabs look like on the

177
00:08:36,790 --> 00:08:35,279
dia website right

178
00:08:39,909 --> 00:08:36,800
and then they have

179
00:08:42,469 --> 00:08:39,919
i like this oh my god sticker this here

180
00:08:45,110 --> 00:08:42,479
which all the durds and ossep stuff is

181
00:08:47,590 --> 00:08:45,120
located into and then they had to

182
00:08:49,829 --> 00:08:47,600
uh delete that

183
00:08:52,389 --> 00:08:49,839
and everything right so the quote is a

184
00:08:57,670 --> 00:08:52,399
mistakenly selected uap as the tab label

185
00:09:03,110 --> 00:08:59,990
right there is a live because the

186
00:09:05,430 --> 00:09:03,120
correct thing that you would say is dia

187
00:09:08,550 --> 00:09:05,440
mistakingly created

188
00:09:10,070 --> 00:09:08,560

a uap tab

189

00:09:14,310 --> 00:09:10,080

and then

190

00:09:20,389 --> 00:09:16,870

right they didn't mistakenly select uap

191

00:09:26,470 --> 00:09:20,399

as the tab label because they created

192

00:09:30,070 --> 00:09:28,150

we're working with them to change it to

193

00:09:32,070 --> 00:09:30,080

a more accurate name

194

00:09:34,070 --> 00:09:32,080

you know what fine

195

00:09:34,829 --> 00:09:34,080

but just be honest

196

00:09:38,310 --> 00:09:34,839

you

197

00:09:42,790 --> 00:09:38,320

know because this quote right here

198

00:09:48,150 --> 00:09:45,910

because they in fact had to create a uap

199

00:09:49,590 --> 00:09:48,160

tab

200

00:09:51,670 --> 00:09:49,600

so you know

201
00:09:54,070 --> 00:09:51,680
you're telling me someone created it and

202
00:09:56,949 --> 00:09:54,080
then mistakenly put

203
00:09:59,110 --> 00:09:56,959
paperwork in it the only paperwork

204
00:10:04,949 --> 00:09:59,120
that was going to go in that newly

205
00:10:08,230 --> 00:10:06,230
it's a joke

206
00:10:09,990 --> 00:10:08,240
and

207
00:10:13,509 --> 00:10:10,000
you know what's funny about it it is

208
00:10:19,509 --> 00:10:17,269
on twitter it's like roswell 2.0

209
00:10:21,269 --> 00:10:19,519
you know the something crashes they tell

210
00:10:23,910 --> 00:10:21,279
the papers they put out a press release

211
00:10:25,670 --> 00:10:23,920
it was a flag saucer they report it and

212
00:10:27,829 --> 00:10:25,680
then they say oh wait

213
00:10:29,829 --> 00:10:27,839

no it wasn't

214

00:10:30,829 --> 00:10:29,839

that was a mistake

215

00:10:35,829 --> 00:10:30,839

but by

216

00:10:40,790 --> 00:10:38,150

and here we are in 2022

217

00:10:42,470 --> 00:10:40,800

repeating the cycle

218

00:10:46,069 --> 00:10:42,480

still talking about

219

00:10:47,990 --> 00:10:46,079

flying discs saucers ufos uap

220

00:10:51,509 --> 00:10:48,000

aerial phenomenon whatever you want to

221

00:10:51,519 --> 00:10:54,069

you know

222

00:10:57,990 --> 00:10:56,069

it's interesting to me how history

223

00:10:59,430 --> 00:10:58,000

repeats itself this way i mean it's

224

00:11:03,269 --> 00:10:59,440

different of course

225

00:11:08,630 --> 00:11:06,389

is quite the same

226

00:11:10,790 --> 00:11:08,640

put it out there as uap related

227

00:11:11,670 --> 00:11:10,800

everybody reports on it everybody from

228

00:11:16,550 --> 00:11:11,680

uh

229

00:11:18,870 --> 00:11:16,560

media

230

00:11:21,350 --> 00:11:18,880

organizations whether it be people call

231

00:11:22,310 --> 00:11:21,360

them tabloid stuff like the sun or or

232

00:11:24,310 --> 00:11:22,320

whatever

233

00:11:26,069 --> 00:11:24,320

and then there's fox news

234

00:11:26,829 --> 00:11:26,079

i'm sure other people are reporting on

235

00:11:30,150 --> 00:11:26,839

it

236

00:11:32,710 --> 00:11:30,160

too and

237

00:11:34,949 --> 00:11:32,720

i know nbc like a local nbc channel is

238

00:11:36,870 --> 00:11:34,959

reporting on it jeremy corbell is on the

239

00:11:37,260 --> 00:11:36,880

news talking about it

240

00:11:39,590 --> 00:11:37,270

um

241

00:11:41,110 --> 00:11:39,600

[Music]

242

00:11:43,350 --> 00:11:41,120

and they're all referencing this

243

00:11:45,430 --> 00:11:43,360

paperwork as

244

00:11:47,430 --> 00:11:45,440

uh uap

245

00:11:49,430 --> 00:11:47,440

ufos

246

00:11:54,550 --> 00:11:49,440

and the government's shadowy

247

00:11:57,670 --> 00:11:54,560

organization that studied ufos

248

00:12:00,230 --> 00:11:57,680

so it's like it's too late you can't put

249

00:12:04,629 --> 00:12:00,240

that back in the bag

250

00:12:10,710 --> 00:12:07,430

so whether they put it up there on by

251

00:12:13,030 --> 00:12:10,720

mistake the dia or whoever put

252

00:12:15,670 --> 00:12:13,040

the uap on the dia website put the

253

00:12:17,350 --> 00:12:15,680

offset papers in there by mistake or not

254

00:12:19,509 --> 00:12:17,360

it's too late

255

00:12:21,990 --> 00:12:19,519

the word is out

256

00:12:25,829 --> 00:12:23,670

and i gotta say everybody's transfixed

257

00:12:26,949 --> 00:12:25,839

on the biological effects you know for

258

00:12:29,190 --> 00:12:26,959

good reason

259

00:12:30,790 --> 00:12:29,200

uh fear wins today

260

00:12:32,710 --> 00:12:30,800

right people want to report on the fear

261

00:12:35,190 --> 00:12:32,720

this is the craziest stuff in the world

262

00:12:37,509 --> 00:12:35,200

i've ever heard uh unaccounted for in

263

00:12:38,470 --> 00:12:37,519

pregnancies um

264

00:12:40,870 --> 00:12:38,480

you know

265

00:12:43,750 --> 00:12:40,880

burns

266

00:12:45,430 --> 00:12:43,760

all this kind of stuff coming from ufos

267

00:12:51,590 --> 00:12:45,440

and it's being reported all over the

268

00:12:56,389 --> 00:12:53,509

and the pushback to it which there is

269

00:12:58,470 --> 00:12:56,399

pushback to it

270

00:12:59,590 --> 00:12:58,480

is not

271

00:13:01,590 --> 00:12:59,600

effective

272

00:13:03,910 --> 00:13:01,600

because they can't

273

00:13:07,590 --> 00:13:03,920

they can't uh at this part at this point

274

00:13:11,190 --> 00:13:09,750

so here i mean you can see

275

00:13:12,790 --> 00:13:11,200

on this tab you can have some videos to

276

00:13:15,509 --> 00:13:12,800

watch there's lou

277

00:13:17,190 --> 00:13:15,519

friend of show he's been on the show

278

00:13:19,350 --> 00:13:17,200

um then you have

279

00:13:22,470 --> 00:13:19,360

this guy berkshire ufo sighting which is

280

00:13:25,190 --> 00:13:22,480

actually an amazing sighting that i just

281

00:13:28,629 --> 00:13:25,200

learned about because of this which is

282

00:13:28,639 --> 00:13:33,509

so it's pretty interesting

283

00:13:37,509 --> 00:13:36,230

kick green came out with an article you

284

00:13:39,110 --> 00:13:37,519

can go back and watch my previous

285

00:13:40,389 --> 00:13:39,120

episodes to check that out it's pretty

286

00:13:43,430 --> 00:13:40,399

intense

287

00:13:44,949 --> 00:13:43,440

um

288

00:13:46,470 --> 00:13:44,959

linking it uh

289

00:13:48,470 --> 00:13:46,480

like some of these effects to havana

290

00:13:50,790 --> 00:13:48,480

serum which if you follow me for long

291

00:13:53,990 --> 00:13:50,800

enough i made this link a long time ago

292

00:13:57,110 --> 00:13:54,000

and did an entire show about it

293

00:13:59,509 --> 00:13:57,120

like almost probably two months ago now

294

00:14:00,710 --> 00:13:59,519

maybe not that long ago but about havana

295

00:14:03,750 --> 00:14:00,720

syndrome

296

00:14:05,269 --> 00:14:03,760

and electromagnetic

297

00:14:09,030 --> 00:14:05,279

effects and stuff

298

00:14:10,790 --> 00:14:09,040

i've been on the freaking tip man

299

00:14:14,949 --> 00:14:10,800

but it's not difficult you just put two

300

00:14:17,509 --> 00:14:16,629

so

301
00:14:19,990 --> 00:14:17,519
yeah

302
00:14:23,189 --> 00:14:20,000
check that article out it features me

303
00:14:23,199 --> 00:14:26,629
so

304
00:14:29,750 --> 00:14:28,069
what i mean where do we go from here

305
00:14:31,430 --> 00:14:29,760
what does that mean it's not much we can

306
00:14:34,949 --> 00:14:31,440
do they're going to put the papers back

307
00:14:36,389 --> 00:14:34,959
on the website what are they going to

308
00:14:38,150 --> 00:14:36,399
what tab are they going to create now

309
00:14:40,069 --> 00:14:38,160
are they going to stick it in other with

310
00:14:42,150 --> 00:14:40,079
the ufo files

311
00:14:43,990 --> 00:14:42,160
did they do that and they'll probably

312
00:14:45,750 --> 00:14:44,000
still get the same kind of result

313
00:14:47,570 --> 00:14:45,760

because there's already ufo files in

314

00:14:49,189 --> 00:14:47,580

there

315

00:14:51,829 --> 00:14:49,199

[Laughter]

316

00:14:52,870 --> 00:14:51,839

great you put it where your ufo files

317

00:14:55,829 --> 00:14:52,880

are

318

00:15:00,629 --> 00:14:57,750

which is where you put your ufo

319

00:15:03,189 --> 00:15:01,829

so

320

00:15:04,870 --> 00:15:03,199

yeah

321

00:15:07,110 --> 00:15:04,880

there you go

322

00:15:09,189 --> 00:15:07,120

it's i mean there's one thing that's for

323

00:15:13,030 --> 00:15:09,199

certain is um

324

00:15:16,710 --> 00:15:14,710

you know and whoever is in control of

325

00:15:19,030 --> 00:15:16,720

this stuff is just like tripping over

326

00:15:20,629 --> 00:15:19,040

themselves time and time again over and

327

00:15:22,629 --> 00:15:20,639

over to me if you ask me it seems like

328

00:15:24,389 --> 00:15:22,639

there's a power struggle

329

00:15:25,910 --> 00:15:24,399

behind the scenes

330

00:15:27,269 --> 00:15:25,920

of people that want to get this stuff

331

00:15:29,990 --> 00:15:27,279

out honestly

332

00:15:34,470 --> 00:15:30,000

and people that don't

333

00:15:40,389 --> 00:15:38,230

jennifer grove good question yes i did

334

00:15:42,710 --> 00:15:40,399

corrected energy weapons active denial

335

00:15:45,110 --> 00:15:42,720

system i not sure i got too far into

336

00:15:46,230 --> 00:15:45,120

that but active denial system is very

337

00:15:50,150 --> 00:15:46,240

interesting

338

00:15:52,389 --> 00:15:50,160

um those you know i saw one report

339

00:15:53,350 --> 00:15:52,399

research report on that

340

00:15:55,509 --> 00:15:53,360

um

341

00:15:57,829 --> 00:15:55,519

or it's to keep protesters

342

00:15:59,590 --> 00:15:57,839

at bay basically

343

00:16:01,189 --> 00:15:59,600

where they shoot them with like electro

344

00:16:03,110 --> 00:16:01,199

magnetic whatever

345

00:16:04,710 --> 00:16:03,120

starts burning their skin just enough

346

00:16:06,629 --> 00:16:04,720

for them to feel it and get freaked out

347

00:16:09,350 --> 00:16:06,639

and stop um

348

00:16:11,670 --> 00:16:09,360

you know their march on the capital for

349

00:16:13,590 --> 00:16:11,680

instance or wherever

350

00:16:17,030 --> 00:16:13,600

it's pretty interesting

351
00:16:17,910 --> 00:16:17,040
so you know and part of kick green's

352
00:16:19,350 --> 00:16:17,920
um

353
00:16:24,069 --> 00:16:19,360
you know

354
00:16:26,790 --> 00:16:24,079
is uh all the effects he

355
00:16:29,430 --> 00:16:26,800
is able to say that it's possible with

356
00:16:31,350 --> 00:16:29,440
technology that exists now

357
00:16:34,150 --> 00:16:31,360
the unencountered four pregnancies i

358
00:16:34,870 --> 00:16:34,160
don't think are part of that but i don't

359
00:16:37,430 --> 00:16:34,880
know

360
00:16:39,269 --> 00:16:37,440
maybe

361
00:16:42,069 --> 00:16:39,279
you know but

362
00:16:44,389 --> 00:16:42,079
we also on the show went back throughout

363
00:16:47,670 --> 00:16:44,399

history and blue book files and stories

364

00:16:50,550 --> 00:16:47,680
and rattled one off after the other

365

00:16:52,230 --> 00:16:50,560
burning skin blinded eyes all sorts of

366

00:16:52,949 --> 00:16:52,240
stuff

367

00:16:54,310 --> 00:16:52,959
so

368

00:16:55,829 --> 00:16:54,320
this is

369

00:16:58,629 --> 00:16:55,839
old

370

00:17:01,670 --> 00:16:58,639
what's interesting is you know kind of a

371

00:17:04,549 --> 00:17:01,680
great segue to our next uh kind of topic

372

00:17:06,230 --> 00:17:04,559
today is colonel corso

373

00:17:07,590 --> 00:17:06,240
now admittedly

374

00:17:14,870 --> 00:17:07,600
um

375

00:17:16,549 --> 00:17:14,880
too much time in my research to look at

376

00:17:20,390 --> 00:17:16,559

this gentleman but

377

00:17:24,549 --> 00:17:22,870

what he says about uh you know the crash

378

00:17:25,829 --> 00:17:24,559

craft and the technology that we got

379

00:17:27,909 --> 00:17:25,839

from the aircraft

380

00:17:31,990 --> 00:17:27,919

is one of the things

381

00:17:34,230 --> 00:17:32,000

that we got from it were laser systems

382

00:17:37,669 --> 00:17:34,240

it just so happens laser systems and

383

00:17:40,230 --> 00:17:37,679

direct energy stuff has been

384

00:17:42,630 --> 00:17:40,240

you know researched on i'm not i

385

00:17:43,430 --> 00:17:42,640

can't quote me on the the exacts of this

386

00:17:45,190 --> 00:17:43,440

but

387

00:17:47,590 --> 00:17:45,200

until at least

388

00:17:51,909 --> 00:17:47,600

since 47 or around then

389

00:17:51,919 --> 00:17:58,830

i would say

390

00:18:04,070 --> 00:18:02,390

so you know but colonel corso i have not

391

00:18:05,990 --> 00:18:04,080

read this book immediately the day after

392

00:18:08,230 --> 00:18:06,000

roswell i hear it's great i want to read

393

00:18:10,549 --> 00:18:08,240

it i'm going to but i'm a part of this

394

00:18:12,150 --> 00:18:10,559

book club right and i have to read a

395

00:18:15,590 --> 00:18:12,160

book for the book club

396

00:18:17,750 --> 00:18:15,600

and this month's book is a thickie

397

00:18:19,669 --> 00:18:17,760

so i don't really have time for it yet

398

00:18:22,870 --> 00:18:19,679

but i will get there

399

00:18:26,470 --> 00:18:22,880

and it's above top top secret which

400

00:18:29,750 --> 00:18:28,070

but i watched a couple of interviews

401
00:18:34,070 --> 00:18:29,760
which i've linked in the description

402
00:18:37,830 --> 00:18:34,080
here of colonel carso a lot of his stuff

403
00:18:39,430 --> 00:18:37,840
is although it is of course

404
00:18:40,710 --> 00:18:39,440
like everything else here

405
00:18:42,470 --> 00:18:40,720
bizarre

406
00:18:48,150 --> 00:18:42,480
it makes sense

407
00:18:49,350 --> 00:18:48,160
with the same things we're hearing today

408
00:18:53,110 --> 00:18:49,360
like

409
00:18:56,630 --> 00:18:53,120
he says these beings were

410
00:18:59,590 --> 00:18:56,640
a part of the ship you know like it was

411
00:19:01,190 --> 00:18:59,600
a kind of a biological ship

412
00:19:02,870 --> 00:19:01,200
you know they were they became one

413
00:19:05,270 --> 00:19:02,880

together

414

00:19:07,590 --> 00:19:05,280

wrote it with their mind he says the

415

00:19:09,350 --> 00:19:07,600

materials that were left behind

416

00:19:12,470 --> 00:19:09,360

the technology

417

00:19:14,630 --> 00:19:12,480

not as important as the being in the

418

00:19:16,390 --> 00:19:14,640

mind

419

00:19:19,190 --> 00:19:16,400

you know

420

00:19:20,789 --> 00:19:19,200

in the body that was left behind

421

00:19:22,470 --> 00:19:20,799

why would that be important because

422

00:19:24,870 --> 00:19:22,480

that's what actually

423

00:19:27,029 --> 00:19:24,880

flew the craft which according to him we

424

00:19:28,789 --> 00:19:27,039

couldn't figure out how to do

425

00:19:31,270 --> 00:19:28,799

tom delong's book i always go back to

426
00:19:34,150 --> 00:19:31,280
this flying the craft with your mind one

427
00:19:34,160 --> 00:19:36,789
basically

428
00:19:41,909 --> 00:19:39,270
a human brain machine interface a

429
00:19:46,230 --> 00:19:43,750
to be able to i don't know fly craft

430
00:19:47,669 --> 00:19:46,240
with your mind

431
00:19:49,430 --> 00:19:47,679
the propulsion they were trying to

432
00:19:51,350 --> 00:19:49,440
reverse engine in the turrets they were

433
00:19:54,630 --> 00:19:51,360
trying to reverse engineer that

434
00:19:57,669 --> 00:19:56,310
some of which were from the injuries

435
00:19:59,510 --> 00:19:57,679
suffered

436
00:20:01,110 --> 00:19:59,520
they were trying to reverse engineer a

437
00:20:03,909 --> 00:20:01,120
freaking spaceship that's what they were

438
00:20:07,510 --> 00:20:03,919

doing people

439

00:20:09,909 --> 00:20:07,520

that's what they were doing

440

00:20:11,750 --> 00:20:09,919

and a part of that was going off of uap

441

00:20:13,669 --> 00:20:11,760

sightings

442

00:20:17,750 --> 00:20:13,679

effects

443

00:20:17,760 --> 00:20:22,549

that's what they were doing

444

00:20:26,630 --> 00:20:24,230

do i know that no

445

00:20:28,549 --> 00:20:26,640

that's just what they were doing just

446

00:20:31,430 --> 00:20:28,559

use your brain

447

00:20:33,830 --> 00:20:31,440

follow the evidence where it goes

448

00:20:36,870 --> 00:20:33,840

that's what they were

449

00:20:40,149 --> 00:20:38,149

apparently

450

00:20:43,190 --> 00:20:40,159

experienced some pretty paranormal

451
00:20:44,950 --> 00:20:43,200
other crazy things so back to gra

452
00:20:47,190 --> 00:20:44,960
back to colonel corso

453
00:20:50,070 --> 00:20:47,200
what i wanted to do here is hit on a

454
00:20:52,070 --> 00:20:50,080
couple interesting things

455
00:20:55,110 --> 00:20:52,080
with mr corso

456
00:20:57,190 --> 00:20:55,120
uh you know typically we'll play um some

457
00:20:59,350 --> 00:20:57,200
witness recorded witness testimony from

458
00:21:01,669 --> 00:20:59,360
younger years back that day

459
00:21:07,029 --> 00:21:01,679
or whatever so today we're going to

460
00:21:10,470 --> 00:21:08,470
i select the kind of interesting

461
00:21:11,909 --> 00:21:10,480
different things one of which is kind of

462
00:21:14,549 --> 00:21:11,919
uh more of a

463
00:21:16,950 --> 00:21:14,559

advocacy base like this is a video that

464

00:21:19,990 --> 00:21:16,960

i plan on posting on twitter a bit

465

00:21:22,070 --> 00:21:20,000

afterwards because so what he says about

466

00:21:23,510 --> 00:21:22,080

somebody the interviewer asked him if

467

00:21:25,110 --> 00:21:23,520

you were in front of a congressional

468

00:21:26,470 --> 00:21:25,120

hearing what would you have to say and

469

00:21:31,110 --> 00:21:26,480

what he has to say

470

00:21:33,350 --> 00:21:31,120

is like come on let's do it you know

471

00:21:35,590 --> 00:21:33,360

and it's it's been so long and another

472

00:21:40,870 --> 00:21:35,600

thing i'll just say this right now when

473

00:21:47,110 --> 00:21:43,669

for better for worse i don't know but

474

00:21:52,230 --> 00:21:47,120

that's that's who i hear so

475

00:21:57,190 --> 00:21:55,029

this structure has some

476
00:21:58,870 --> 00:21:57,200
metallic

477
00:22:00,230 --> 00:21:58,880
surroundings so they have to survive in

478
00:22:04,390 --> 00:22:00,240
space

479
00:22:05,590 --> 00:22:04,400
striking it constantly it'll knock holes

480
00:22:07,190 --> 00:22:05,600
in it

481
00:22:10,070 --> 00:22:07,200
so there's a little different strength

482
00:22:11,270 --> 00:22:10,080
there that will last a few more years

483
00:22:13,270 --> 00:22:11,280
it is really

484
00:22:15,270 --> 00:22:13,280
almost

485
00:22:32,149 --> 00:22:15,280
a

486
00:22:33,590 --> 00:22:32,159
there the

487
00:22:34,630 --> 00:22:33,600
ship itself

488
00:22:36,710 --> 00:22:34,640

is maybe a

489

00:22:37,590 --> 00:22:36,720

biological type structure because of the

490

00:22:39,590 --> 00:22:37,600

cell

491

00:22:41,270 --> 00:22:39,600

and the atom structure

492

00:22:43,510 --> 00:22:41,280

but it's all created with more strength

493

00:22:45,110 --> 00:22:43,520

because it has to resist more this being

494

00:22:48,070 --> 00:22:45,120

is protecting the way now when this

495

00:22:50,549 --> 00:22:48,080

being comes in this world

496

00:22:52,950 --> 00:22:50,559

he will wear a suit

497

00:22:55,270 --> 00:22:52,960

skin-tight suit which we found

498

00:22:57,270 --> 00:22:55,280

his skin is atomically aligned

499

00:22:59,350 --> 00:22:57,280

and his suit is atomically aligned

500

00:23:02,470 --> 00:22:59,360

that's to repel radiation and harmful

501
00:23:04,230 --> 00:23:02,480
effects even cosmic action who uh only

502
00:23:06,710 --> 00:23:04,240
had a moment to speak in open

503
00:23:09,510 --> 00:23:06,720
congressional hearings to discuss what

504
00:23:13,029 --> 00:23:09,520
happened 50 years ago what would you say

505
00:23:15,029 --> 00:23:13,039
i say it happened and i died onto that

506
00:23:17,190 --> 00:23:15,039
give us information to the young people

507
00:23:18,789 --> 00:23:17,200
of the world in this country they want

508
00:23:20,789 --> 00:23:18,799
to hear it they want it

509
00:23:23,350 --> 00:23:20,799
give it to them don't hide it and tell

510
00:23:24,630 --> 00:23:23,360
lies and make stories they're not stupid

511
00:23:27,430 --> 00:23:24,640
they're not

512
00:23:29,590 --> 00:23:27,440
young men that'll panic in fact my own

513
00:23:31,350 --> 00:23:29,600

nephew is a research director

514

00:23:32,950 --> 00:23:31,360

of daycare corporation he tells me his

515

00:23:34,390 --> 00:23:32,960

uncle phil once they tell us the truth

516

00:23:35,750 --> 00:23:34,400

we're not going to panic and pull our

517

00:23:37,430 --> 00:23:35,760

hair out

518

00:23:39,190 --> 00:23:37,440

and one good example of this which i

519

00:23:41,269 --> 00:23:39,200

always tell

520

00:23:42,789 --> 00:23:41,279

the to prove this point that the young

521

00:23:45,269 --> 00:23:42,799

people will want it and they're not

522

00:23:46,549 --> 00:23:45,279

going to panic they want to hear this

523

00:23:48,230 --> 00:23:46,559

and that's one of the reasons i wrote

524

00:23:49,269 --> 00:23:48,240

this my own grandchildren now will see

525

00:23:53,990 --> 00:23:49,279

it

526
00:23:56,310 --> 00:23:54,000
i commanded the battalion of 1500 men

527
00:23:59,430 --> 00:23:56,320
combat battalion average age of my

528
00:24:01,430 --> 00:23:59,440
soldiers was 19 and a half years old

529
00:24:02,470 --> 00:24:01,440
i told my exec when they my god maine

530
00:24:05,669 --> 00:24:02,480
were

531
00:24:06,950 --> 00:24:05,679
sending babies in the battle

532
00:24:08,470 --> 00:24:06,960
these kids

533
00:24:09,510 --> 00:24:08,480
they fought the greatest armies in the

534
00:24:11,510 --> 00:24:09,520
world

535
00:24:14,149 --> 00:24:11,520
they didn't run they didn't panic

536
00:24:16,710 --> 00:24:14,159
they stood there and fought

537
00:24:18,390 --> 00:24:16,720
and i i don't why do you think though

538
00:24:19,590 --> 00:24:18,400

they wanted this information they

539

00:24:21,269 --> 00:24:19,600

deserve it

540

00:24:23,590 --> 00:24:21,279

it's their information it doesn't belong

541

00:24:26,390 --> 00:24:23,600

to the army of department defense it's

542

00:24:27,990 --> 00:24:26,400

theirs if it's classified

543

00:24:29,750 --> 00:24:28,000

take the classification off and give it

544

00:24:31,669 --> 00:24:29,760

to them who's covering it up now is

545

00:24:33,750 --> 00:24:31,679

there any one organization i always say

546

00:24:36,630 --> 00:24:33,760

this now here's what i say

547

00:24:38,149 --> 00:24:36,640

the government is so big and so vast

548

00:24:43,269 --> 00:24:38,159

that if you leave it alone it'll cover

549

00:24:48,070 --> 00:24:46,549

the government is so big and so vast if

550

00:24:50,070 --> 00:24:48,080

you leave it alone

551
00:24:52,230 --> 00:24:50,080
the government will cover itself up

552
00:24:54,310 --> 00:24:52,240
isn't that true

553
00:24:56,390 --> 00:24:54,320
that is so true and then how he talks

554
00:24:58,789 --> 00:24:56,400
about um

555
00:25:01,430 --> 00:24:58,799
you know letting the people know

556
00:25:04,149 --> 00:25:01,440
you know sending kids out to war

557
00:25:05,990 --> 00:25:04,159
and how they didn't flee they fought

558
00:25:07,909 --> 00:25:06,000
you know

559
00:25:09,750 --> 00:25:07,919
people want the information so i thought

560
00:25:11,750 --> 00:25:09,760
that was pretty great what's up jay

561
00:25:13,669 --> 00:25:11,760
awesome to see you

562
00:25:15,990 --> 00:25:13,679
thanks for being here brother

563
00:25:18,870 --> 00:25:16,000

mr altman hello looking forward to it

564

00:25:22,390 --> 00:25:20,870

it's got a pretty sweet documentary

565

00:25:25,669 --> 00:25:22,400

coming out

566

00:25:28,870 --> 00:25:27,110

yeah how long is it going to be and now

567

00:25:31,590 --> 00:25:28,880

we have louis alexander right and he's

568

00:25:33,909 --> 00:25:31,600

he doesn't say um go as far as to say

569

00:25:35,909 --> 00:25:33,919

what colonel corso is saying one thing i

570

00:25:38,149 --> 00:25:35,919

can say and and things that come to mind

571

00:25:40,950 --> 00:25:38,159

about colonel corso is i think his age

572

00:25:44,549 --> 00:25:40,960

he was 82 there why would he at 82

573

00:25:50,070 --> 00:25:46,149

you know

574

00:25:51,190 --> 00:25:50,080

what he says is his boss general um

575

00:25:52,390 --> 00:25:51,200

trudeau

576

00:25:57,269 --> 00:25:52,400

i think it was

577

00:25:59,510 --> 00:25:57,279

i told him when he dies his health

578

00:26:03,669 --> 00:25:59,520

he he can give it up so he can talk if

579

00:26:08,310 --> 00:26:05,990

and there's a whole lot that makes sense

580

00:26:11,029 --> 00:26:08,320

and what he says even the alien he said

581

00:26:12,950 --> 00:26:11,039

there were autopsies done at walter reed

582

00:26:15,190 --> 00:26:12,960

because it was owned by the air force

583

00:26:16,310 --> 00:26:15,200

sure enough you should do enough digging

584

00:26:19,990 --> 00:26:16,320

that could

585

00:26:25,269 --> 00:26:21,909

now

586

00:26:27,190 --> 00:26:25,279

have i seen a body have i seen a ship

587

00:26:31,669 --> 00:26:27,200

have i seen

588

00:26:33,990 --> 00:26:31,679

you know the hard stuff no i haven't

589

00:26:35,669 --> 00:26:34,000

you know but after seeing this guy

590

00:26:37,430 --> 00:26:35,679

listening to him looking at any

591

00:26:39,590 --> 00:26:37,440

indicators i can

592

00:26:42,470 --> 00:26:39,600

for you know whatever it

593

00:26:44,470 --> 00:26:42,480

would be for like lying or whatever i i

594

00:26:48,470 --> 00:26:44,480

haven't seen them

595

00:26:48,480 --> 00:26:53,350

not a lot to put enough you know

596

00:26:58,230 --> 00:26:55,830

he's a credible guy saying um pretty

597

00:27:01,029 --> 00:26:58,240

interesting things so you can only take

598

00:27:04,470 --> 00:27:01,039

it so far unfortunately but

599

00:27:06,950 --> 00:27:04,480

you know it's pretty interesting to see

600

00:27:09,190 --> 00:27:06,960

you know where we are now

601
00:27:12,549 --> 00:27:09,200
you know considering how long ago that

602
00:27:17,590 --> 00:27:15,269
and you know i remember uh spaghetti who

603
00:27:19,110 --> 00:27:17,600
used to you know watch the show and and

604
00:27:20,789 --> 00:27:19,120
be a part of this and have his own show

605
00:27:22,710 --> 00:27:20,799
his name was spaghetti lee

606
00:27:24,470 --> 00:27:22,720
he i remember him saying like at the

607
00:27:26,950 --> 00:27:24,480
time

608
00:27:29,350 --> 00:27:26,960
everybody thought his book and

609
00:27:31,269 --> 00:27:29,360
everything we're gonna the doors off the

610
00:27:33,190 --> 00:27:31,279
whole secrecy ship we're gonna be blown

611
00:27:39,430 --> 00:27:33,200
it

612
00:27:43,350 --> 00:27:41,190
government still tries to pedal around

613
00:27:44,630 --> 00:27:43,360

it

614

00:27:47,269 --> 00:27:44,640

you know

615

00:27:50,630 --> 00:27:47,279

and all we want is some truth i mean

616

00:27:52,710 --> 00:27:50,640

it's clear one thing is crystal clear

617

00:27:54,070 --> 00:27:52,720

for anybody and everybody should agree

618

00:27:55,990 --> 00:27:54,080

on this

619

00:27:57,909 --> 00:27:56,000

is that the government

620

00:28:00,870 --> 00:27:57,919

our government

621

00:28:03,990 --> 00:28:00,880

has been dishonest

622

00:28:08,389 --> 00:28:04,000

about a what they do as far as studying

623

00:28:08,399 --> 00:28:13,909

that is truth that is fact

624

00:28:22,149 --> 00:28:17,269

period full stop

625

00:28:29,029 --> 00:28:23,269

you know

626
00:28:33,590 --> 00:28:30,710
at that point

627
00:28:37,830 --> 00:28:33,600
let the chips fall where they

628
00:28:42,070 --> 00:28:39,750
so

629
00:28:43,830 --> 00:28:42,080
one interesting thing

630
00:28:46,310 --> 00:28:43,840
and you can use different things from

631
00:28:49,269 --> 00:28:46,320
corso and what he talks about to look

632
00:28:51,909 --> 00:28:49,279
into yourself you know and now what i'm

633
00:28:53,750 --> 00:28:51,919
gonna get into here is is well known at

634
00:28:56,149 --> 00:28:53,760
this point

635
00:28:58,950 --> 00:28:56,159
um although it wasn't to me

636
00:29:01,510 --> 00:28:58,960
because a lot is not well known to me

637
00:29:04,149 --> 00:29:01,520
as i've only been doing this for maybe a

638
00:29:06,549 --> 00:29:04,159

year year and a half or so

639

00:29:08,470 --> 00:29:06,559

and i can only read so much

640

00:29:11,029 --> 00:29:08,480

but i found this just

641

00:29:14,870 --> 00:29:11,039

absolutely fascinating because what he

642

00:29:17,029 --> 00:29:14,880

talks about is uh project horizon where

643

00:29:21,190 --> 00:29:17,039

we wanted to build a literal

644

00:29:23,510 --> 00:29:22,789

and you know you hear this stuff and you

645

00:29:25,190 --> 00:29:23,520

hear

646

00:29:27,669 --> 00:29:25,200

things like from

647

00:29:29,110 --> 00:29:27,679

i think john lear right

648

00:29:30,950 --> 00:29:29,120

i'm talking about the moon stuff and

649

00:29:32,789 --> 00:29:30,960

you're like okay

650

00:29:35,830 --> 00:29:32,799

here they go off the deep end but sure

651
00:29:40,149 --> 00:29:35,840
enough right on the army's website nsa's

652
00:29:43,830 --> 00:29:40,159
website you got stuff on project horizon

653
00:29:48,070 --> 00:29:45,510
and

654
00:29:49,990 --> 00:29:48,080
it's not even like

655
00:29:52,389 --> 00:29:50,000
you know well it made some leaps to make

656
00:29:54,389 --> 00:29:52,399
that about uh based on the moon but no

657
00:29:56,149 --> 00:29:54,399
like

658
00:29:59,990 --> 00:29:56,159
it's

659
00:30:02,070 --> 00:30:00,000
but

660
00:30:03,510 --> 00:30:02,080
you look at this stuff and it's what

661
00:30:05,190 --> 00:30:03,520
they say it is

662
00:30:09,029 --> 00:30:05,200
so here's just to cover united states

663
00:30:09,039 --> 00:30:13,190

here we go the army is engaged

664

00:30:16,230 --> 00:30:14,549

in determining objectives and

665

00:30:17,510 --> 00:30:16,240

requirements for outer space operations

666

00:30:19,350 --> 00:30:17,520

the most challenging and perhaps the

667

00:30:21,990 --> 00:30:19,360

most urgent objective is that of

668

00:30:23,510 --> 00:30:22,000

establishing a man lunar outpost on the

669

00:30:25,909 --> 00:30:23,520

moon this lunar base is needed to

670

00:30:27,350 --> 00:30:25,919

protect the united states interest

671

00:30:31,990 --> 00:30:27,360

on the moon

672

00:30:32,000 --> 00:30:35,190

lost my spot

673

00:30:38,710 --> 00:30:36,630

in moon bay surveillance of the earth

674

00:30:40,470 --> 00:30:38,720

and space and communications relay and

675

00:30:42,230 --> 00:30:40,480

in operations on the surface of the moon

676
00:30:44,230 --> 00:30:42,240
when established the lunar station will

677
00:30:46,149 --> 00:30:44,240
be utilized as a base

678
00:30:49,350 --> 00:30:46,159
for exploration of the moon for further

679
00:30:50,710 --> 00:30:49,360
explorations into space and for military

680
00:30:52,789 --> 00:30:50,720
operations

681
00:30:54,870 --> 00:30:52,799
if required

682
00:30:57,990 --> 00:30:54,880
the base is also needed to support

683
00:31:00,470 --> 00:30:58,000
scientific investigations on the moon it

684
00:31:01,750 --> 00:31:00,480
is considered the utmost importance that

685
00:31:04,389 --> 00:31:01,760
the moon

686
00:31:06,789 --> 00:31:04,399
be first occupied by the us

687
00:31:09,029 --> 00:31:06,799
it's important so that the us can deny

688
00:31:10,870 --> 00:31:09,039

it soviet territorial commercial or

689

00:31:12,710 --> 00:31:10,880

technological claims

690

00:31:14,950 --> 00:31:12,720

if a permanent base can be established

691

00:31:16,549 --> 00:31:14,960

first by the us the prestige and

692

00:31:19,029 --> 00:31:16,559

psychological advantage to the nation

693

00:31:21,110 --> 00:31:19,039

will be invaluable

694

00:31:23,590 --> 00:31:21,120

you are therefore requested as a matter

695

00:31:25,509 --> 00:31:23,600

of urgency

696

00:31:26,789 --> 00:31:25,519

to make a preliminary investigation to

697

00:31:28,789 --> 00:31:26,799

determine the probable means and

698

00:31:31,190 --> 00:31:28,799

techniques of accomplishment and to

699

00:31:32,950 --> 00:31:31,200

develop a plan including estimated time

700

00:31:34,789 --> 00:31:32,960

scheduling costs for establishing a

701
00:31:36,789 --> 00:31:34,799
lunar base by the quickest means

702
00:31:38,310 --> 00:31:36,799
possible the investigation should

703
00:31:39,750 --> 00:31:38,320
include a determination of the

704
00:31:45,350 --> 00:31:39,760
feasibility of

705
00:31:50,070 --> 00:31:48,470
and of establishing a permanent base

706
00:31:52,070 --> 00:31:50,080
as soon thereafter as possible the

707
00:31:53,750 --> 00:31:52,080
preliminary investigation will be the

708
00:31:55,830 --> 00:31:53,760
first of a series of steps to establish

709
00:31:57,350 --> 00:31:55,840
a lunar-based program it will be used by

710
00:32:00,070 --> 00:31:57,360
the general staff as background

711
00:32:01,990 --> 00:32:00,080
information for making a firm proposal

712
00:32:05,029 --> 00:32:02,000
to higher authority if approved the

713
00:32:07,509 --> 00:32:05,039

lunar base program become a major part

714

00:32:11,190 --> 00:32:07,519

of the national space

715

00:32:15,509 --> 00:32:12,870

let's keep going

716

00:32:17,590 --> 00:32:15,519

get another good stuff

717

00:32:19,669 --> 00:32:17,600

the establishment of the outpost should

718

00:32:21,990 --> 00:32:19,679

be a special project having authority

719

00:32:26,389 --> 00:32:22,000

and priorities similar to the manhattan

720

00:32:31,509 --> 00:32:28,470

what are we here what do we hear about

721

00:32:33,750 --> 00:32:31,519

saucers what we hear about saucers

722

00:32:35,830 --> 00:32:33,760

and what was said is

723

00:32:37,669 --> 00:32:35,840

the secrecy about it and what's said

724

00:32:41,269 --> 00:32:37,679

about the secrecy about it

725

00:32:43,909 --> 00:32:41,279

it's said to be more secret than the

726
00:32:48,950 --> 00:32:43,919
h bomb

727
00:32:54,149 --> 00:32:51,110
what a coincidence

728
00:32:55,990 --> 00:32:54,159
that the same thing is said here

729
00:32:58,630 --> 00:32:56,000
having authority and priorities similar

730
00:33:03,190 --> 00:32:58,640
to the manhattan project in world war ii

731
00:33:04,870 --> 00:33:03,200
not as far as secrecy but in relation to

732
00:33:12,389 --> 00:33:04,880
you know relating to two things very

733
00:33:15,830 --> 00:33:14,149
will be considered

734
00:33:17,830 --> 00:33:15,840
a military

735
00:33:19,190 --> 00:33:17,840
theater

736
00:33:21,350 --> 00:33:19,200
the control of all united states

737
00:33:22,950 --> 00:33:21,360
military forces by unified commands is

738
00:33:26,549 --> 00:33:22,960

already established

739

00:33:30,870 --> 00:33:28,710

and military operations in space should

740

00:33:32,630 --> 00:33:30,880

be no exception unified space command

741

00:33:35,830 --> 00:33:32,640

will control and utilize

742

00:33:37,990 --> 00:33:35,840

uh besides the lunar space degree of

743

00:33:40,710 --> 00:33:38,000

urgency

744

00:33:42,470 --> 00:33:40,720

uh to be second to the soviet union and

745

00:33:45,669 --> 00:33:42,480

establishing an outpost on the moon

746

00:33:48,070 --> 00:33:45,679

would be disastrous that is no soft

747

00:33:52,870 --> 00:33:48,080

language that's hard

748

00:33:58,230 --> 00:33:54,710

you must have some thoughts in mind when

749

00:34:03,509 --> 00:34:01,110

to our nation's prestige and in turn our

750

00:34:05,350 --> 00:34:03,519

democratic philosophy although it is

751
00:34:07,110 --> 00:34:05,360
contrary to the united states policy the

752
00:34:09,430 --> 00:34:07,120
soviet union in establishing the first

753
00:34:11,829 --> 00:34:09,440
permanent base may claim the moon or

754
00:34:14,149 --> 00:34:11,839
critical areas thereof for its own then

755
00:34:16,470 --> 00:34:14,159
a subsequent attempt to establish

756
00:34:18,109 --> 00:34:16,480
an outpost by the united states might be

757
00:34:24,310 --> 00:34:18,119
considered and

758
00:34:32,629 --> 00:34:27,030
and remember sputnik

759
00:34:39,030 --> 00:34:36,790
you know i think it was maybe

760
00:34:41,030 --> 00:34:39,040
von neumann i think it was him who would

761
00:34:43,510 --> 00:34:41,040
foresputnik he actually had things that

762
00:34:45,430 --> 00:34:43,520
were ready to go and he pleaded for

763
00:34:47,430 --> 00:34:45,440

somebody

764

00:34:49,589 --> 00:34:47,440

to

765

00:34:50,470 --> 00:34:49,599

put them out there

766

00:34:53,030 --> 00:34:50,480

but

767

00:34:56,629 --> 00:34:53,040

they didn't because they figured

768

00:35:01,670 --> 00:34:56,639

they weren't completely ready yet

769

00:35:01,680 --> 00:35:05,829

uh this is the last one i got on this

770

00:35:09,670 --> 00:35:07,670

although

771

00:35:11,510 --> 00:35:09,680

what i'm going to do so you can have it

772

00:35:12,230 --> 00:35:11,520

for yourself you can find it easily just

773

00:35:14,069 --> 00:35:12,240

by

774

00:35:15,990 --> 00:35:14,079

googling it and you can find it on the

775

00:35:17,349 --> 00:35:16,000

army's website

776

00:35:19,190 --> 00:35:17,359

or

777

00:35:20,550 --> 00:35:19,200

nsa's website

778

00:35:22,230 --> 00:35:20,560

or

779

00:35:23,510 --> 00:35:22,240

you can go to this google drive link i'm

780

00:35:26,790 --> 00:35:23,520

giving to you

781

00:35:31,430 --> 00:35:28,710

requirement for man military outpost on

782

00:35:33,190 --> 00:35:31,440

the moon develop and protect potential

783

00:35:34,470 --> 00:35:33,200

united states interest on the moon to

784

00:35:36,870 --> 00:35:34,480

develop techniques and moon-based

785

00:35:39,190 --> 00:35:36,880

surveillance of the earth space and

786

00:35:42,069 --> 00:35:39,200

communications relay and operations on

787

00:35:45,270 --> 00:35:42,079

the surface of the moon

788

00:35:45,280 --> 00:35:48,870

you get the point

789

00:35:51,910 --> 00:35:50,710

they're pretty serious about this

790

00:35:53,990 --> 00:35:51,920

now

791

00:35:54,950 --> 00:35:54,000

if the urgency was that of the manhattan

792

00:35:57,589 --> 00:35:54,960

project

793

00:36:00,230 --> 00:35:57,599

i would assume one should assume

794

00:36:01,109 --> 00:36:00,240

that the secrecy would be up there as

795

00:36:03,109 --> 00:36:01,119

well

796

00:36:05,510 --> 00:36:03,119

and when we think about the manhattan

797

00:36:07,349 --> 00:36:05,520

project the secrecy

798

00:36:08,550 --> 00:36:07,359

was real

799

00:36:17,589 --> 00:36:08,560

and

800

00:36:23,670 --> 00:36:20,550

pretty interesting stuff

801
00:36:28,550 --> 00:36:25,430
no one has asked me

802
00:36:30,950 --> 00:36:28,560
but if you were to

803
00:36:33,349 --> 00:36:30,960
i would say yeah

804
00:36:37,190 --> 00:36:33,359
that's interesting

805
00:36:37,200 --> 00:36:41,109
so

806
00:36:44,870 --> 00:36:43,430
what i'm going to do now

807
00:36:48,630 --> 00:36:44,880
is

808
00:36:54,310 --> 00:36:51,510
i'm going to transition

809
00:36:55,750 --> 00:36:54,320
to something that i find uh very

810
00:36:58,150 --> 00:36:55,760
interesting

811
00:37:00,390 --> 00:36:58,160
it's going through these blue book files

812
00:37:01,990 --> 00:37:00,400
and i came across this one

813
00:37:04,870 --> 00:37:02,000

where

814

00:37:07,589 --> 00:37:04,880

this lady was investigated she saw all

815

00:37:09,349 --> 00:37:07,599

sorts of different crafts the cigar one

816

00:37:10,950 --> 00:37:09,359

the the

817

00:37:12,870 --> 00:37:10,960

saucer one

818

00:37:14,870 --> 00:37:12,880

um

819

00:37:16,630 --> 00:37:14,880

different times multiple times there's

820

00:37:18,069 --> 00:37:16,640

amazing drawings in here that i'm going

821

00:37:20,470 --> 00:37:18,079

to get to

822

00:37:23,910 --> 00:37:20,480

and show you but there is something even

823

00:37:27,750 --> 00:37:23,920

more interesting here to me

824

00:37:27,760 --> 00:37:33,910

i am going to show you that

825

00:37:38,950 --> 00:37:36,230

the interesting thing here to me was

826
00:37:44,550 --> 00:37:40,390
we have

827
00:37:51,910 --> 00:37:48,310
clear-cut evidence that

828
00:37:53,829 --> 00:37:51,920
the air force had a secret

829
00:37:55,829 --> 00:37:53,839
ufo

830
00:37:57,750 --> 00:37:55,839
investigators

831
00:38:01,430 --> 00:37:57,760
that were not

832
00:38:01,440 --> 00:38:06,310
or even government

833
00:38:12,310 --> 00:38:08,790
it's pretty interesting

834
00:38:16,790 --> 00:38:14,310
the case itself is very interesting but

835
00:38:21,829 --> 00:38:16,800
this was the most interesting to me

836
00:38:28,069 --> 00:38:25,349
well first of all we have a colonel

837
00:38:30,550 --> 00:38:28,079
wharton baker

838
00:38:33,270 --> 00:38:30,560

he's writing to a dear mr wall at

839

00:38:35,349 --> 00:38:33,280

american machine and foundry company

840

00:38:37,430 --> 00:38:35,359

he's assistant to the vice president

841

00:38:39,270 --> 00:38:37,440

engineering division

842

00:38:41,190 --> 00:38:39,280

he writes dear mr well in the absence of

843

00:38:42,870 --> 00:38:41,200

brigadier general garland who as you may

844

00:38:44,870 --> 00:38:42,880

know is presently in walter reed

845

00:38:47,030 --> 00:38:44,880

hospital huh we were just talking about

846

00:38:49,270 --> 00:38:47,040

that

847

00:38:51,109 --> 00:38:49,280

in washington dc i'm taking at the

848

00:38:53,430 --> 00:38:51,119

liberty of acknowledging the receipt of

849

00:38:55,750 --> 00:38:53,440

your letters of 18th of november and 2nd

850

00:38:57,109 --> 00:38:55,760

at december 53. and that i was not

851
00:38:59,109 --> 00:38:57,119
involved in your conversation with

852
00:39:01,109 --> 00:38:59,119
garland and our people here i'm asking

853
00:39:03,510 --> 00:39:01,119
that lieutenant colonel johnson to

854
00:39:06,150 --> 00:39:03,520
review your letters and enclosures i'm

855
00:39:09,270 --> 00:39:06,160
sure that you were

856
00:39:10,790 --> 00:39:09,280
i'm sure that or carl and here he would

857
00:39:13,349 --> 00:39:10,800
express his appreciation for your

858
00:39:16,870 --> 00:39:13,359
assistant and interest in this matter so

859
00:39:19,910 --> 00:39:16,880
this is the deal

860
00:39:26,310 --> 00:39:22,710
who's with american machine and foundry

861
00:39:30,550 --> 00:39:29,030
is writing brigadier general garland

862
00:39:32,470 --> 00:39:30,560
apparently has established a

863
00:39:34,790 --> 00:39:32,480

relationship with this person

864

00:39:38,230 --> 00:39:34,800

he says yesterday i visited with mr

865

00:39:40,870 --> 00:39:38,240

blake and without without revealing any

866

00:39:43,750 --> 00:39:40,880

connection with attic

867

00:39:45,349 --> 00:39:43,760

blue book air force

868

00:39:47,510 --> 00:39:45,359

discussed her sightings with her took

869

00:39:49,750 --> 00:39:47,520

some photographs of the area

870

00:39:51,589 --> 00:39:49,760

and she contacted the state police

871

00:39:54,069 --> 00:39:51,599

station at riverhead new york and

872

00:39:55,589 --> 00:39:54,079

southampton town police

873

00:39:57,190 --> 00:39:55,599

she appeared to be quite normal and

874

00:39:59,510 --> 00:39:57,200

reported the information give it to her

875

00:40:03,670 --> 00:39:59,520

very accurately okay so she has a lot of

876
00:40:09,349 --> 00:40:06,870
this person who's with american machine

877
00:40:10,710 --> 00:40:09,359
and foundry

878
00:40:12,630 --> 00:40:10,720
is

879
00:40:17,750 --> 00:40:12,640
has connections with attic and the air

880
00:40:23,109 --> 00:40:19,829
and doesn't tell her

881
00:40:23,119 --> 00:40:26,870
playing it secret

882
00:40:32,630 --> 00:40:29,670
and it just so happens that this

883
00:40:37,109 --> 00:40:32,640
uh sighting this lady has

884
00:40:37,119 --> 00:40:43,109
it is actually pretty reliable

885
00:40:43,119 --> 00:40:45,829
nice one

886
00:40:45,839 --> 00:40:48,550
wiki that

887
00:40:51,829 --> 00:40:50,150
was one of the united states largest

888
00:40:54,150 --> 00:40:51,839

recreational equipment companies with

889

00:40:56,230 --> 00:40:54,160

diversified products as

890

00:40:58,550 --> 00:40:56,240

despaired as garden equipment atomic

891

00:41:00,309 --> 00:40:58,560

reactors

892

00:41:02,470 --> 00:41:00,319

and yachts wow

893

00:41:05,670 --> 00:41:02,480

good stuff

894

00:41:05,680 --> 00:41:09,270

so

895

00:41:11,990 --> 00:41:10,710

here's another one

896

00:41:13,829 --> 00:41:12,000

very interesting

897

00:41:15,270 --> 00:41:13,839

as i mentioned as i mentioned in our

898

00:41:16,230 --> 00:41:15,280

recent visit

899

00:41:20,230 --> 00:41:16,240

so

900

00:41:23,750 --> 00:41:20,240

he had a recent visit with garland

901
00:41:28,230 --> 00:41:25,910
we had one of our canadian associates

902
00:41:30,470 --> 00:41:28,240
check with the canadian authorities in

903
00:41:32,870 --> 00:41:30,480
regard to their interest in project blue

904
00:41:36,069 --> 00:41:34,390
we find that the reaction is very

905
00:41:37,910 --> 00:41:36,079
similar to yours and that they do not

906
00:41:40,950 --> 00:41:37,920
place the kind of emphasis on the

907
00:41:43,109 --> 00:41:40,960
subject that major keo would lead us to

908
00:41:54,150 --> 00:41:43,119
believe

909
00:41:57,990 --> 00:41:56,470
what is the

910
00:41:59,910 --> 00:41:58,000
deal

911
00:42:03,270 --> 00:41:59,920
that looks like her seems like a nice

912
00:42:07,109 --> 00:42:04,150
so

913
00:42:08,950 --> 00:42:07,119

the drawings the drawings are

914

00:42:10,230 --> 00:42:08,960

pretty great

915

00:42:11,430 --> 00:42:10,240

because

916

00:42:12,950 --> 00:42:11,440

you know and if you're looking for

917

00:42:16,550 --> 00:42:12,960

shapes obviously the government is

918

00:42:18,710 --> 00:42:16,560

citing shapes from us right

919

00:42:20,550 --> 00:42:18,720

and if these ufos that are coming around

920

00:42:22,790 --> 00:42:20,560

these days they're the same as they were

921

00:42:26,630 --> 00:42:22,800

then well these should be pretty

922

00:42:34,150 --> 00:42:28,790

here's one

923

00:42:38,390 --> 00:42:36,150

that would probably be your classic egg

924

00:42:43,030 --> 00:42:38,400

shape

925

00:42:46,870 --> 00:42:45,030

i will show you something pretty

926
00:42:49,270 --> 00:42:46,880
interesting here

927
00:42:49,280 --> 00:42:57,430
i find to

928
00:42:57,440 --> 00:43:03,750
pretty be

929
00:43:09,910 --> 00:43:06,470
and i'm just going to do enough so that

930
00:43:16,069 --> 00:43:09,920
you can see this picture

931
00:43:20,069 --> 00:43:18,069
nowadays right so first of all look at

932
00:43:21,990 --> 00:43:20,079
the propellers on the back keep an eye

933
00:43:25,430 --> 00:43:22,000
on that

934
00:43:28,390 --> 00:43:25,440
so now i'm going to show you

935
00:43:29,750 --> 00:43:28,400
hypersonic vehicle from

936
00:43:31,990 --> 00:43:29,760
today

937
00:43:33,510 --> 00:43:32,000
and what that looks like

938
00:43:34,950 --> 00:43:33,520

it's very interesting

939

00:43:35,630 --> 00:43:34,960

this is from

940

00:43:40,230 --> 00:43:35,640

uh

941

00:43:42,309 --> 00:43:40,240

rand.com by the way rand project was

942

00:43:44,230 --> 00:43:42,319

the only

943

00:43:46,230 --> 00:43:44,240

quote-unquote private company that was

944

00:43:48,069 --> 00:43:46,240

included in some blue book monthly

945

00:43:49,109 --> 00:43:48,079

status reports and actually did their

946

00:43:51,589 --> 00:43:49,119

own

947

00:43:55,190 --> 00:43:53,109

ufo reports

948

00:43:57,109 --> 00:43:55,200

look at those propellers

949

00:44:00,950 --> 00:43:57,119

look at the shape

950

00:44:06,829 --> 00:44:02,150

quite

951
00:44:10,870 --> 00:44:08,390
so

952
00:44:14,309 --> 00:44:10,880
we can

953
00:44:14,319 --> 00:44:17,670
i would say

954
00:44:21,109 --> 00:44:19,589
pretty similar so i didn't pre-plan this

955
00:44:23,829 --> 00:44:21,119
it just came to my mind otherwise i

956
00:44:25,430 --> 00:44:23,839
could do like a side by side

957
00:44:28,550 --> 00:44:25,440
but interesting

958
00:44:31,030 --> 00:44:29,670
in

959
00:44:36,710 --> 00:44:31,040
the other

960
00:44:36,720 --> 00:44:44,230
we got our letter saucer here

961
00:44:50,790 --> 00:44:46,069
pretty cool looking

962
00:44:55,270 --> 00:44:52,950
pretty pretty good stuff

963
00:44:59,829 --> 00:44:55,280

like uh almost like an engineer did it

964

00:44:59,839 --> 00:45:04,309

so

965

00:45:11,510 --> 00:45:06,630

pretty

966

00:45:14,550 --> 00:45:11,520

open space all around between cabinet

967

00:45:16,069 --> 00:45:14,560

deck once ship rested level cabin slowly

968

00:45:18,390 --> 00:45:16,079

rotated

969

00:45:20,069 --> 00:45:18,400

to above approximate arcs and return to

970

00:45:22,550 --> 00:45:20,079

center position solid lines before

971

00:45:24,150 --> 00:45:22,560

lowering to bottom of cone ship then

972

00:45:27,109 --> 00:45:24,160

took off

973

00:45:33,109 --> 00:45:27,119

1953

974

00:45:35,589 --> 00:45:33,119

do you know that some of this ufo stuff

975

00:45:36,630 --> 00:45:35,599

for sure

976
00:45:42,470 --> 00:45:36,640
was

977
00:45:48,390 --> 00:45:44,870
investigating

978
00:45:55,270 --> 00:45:50,630
what are people saying that these things

979
00:45:58,710 --> 00:45:56,950
because the things they're telling us

980
00:46:01,990 --> 00:45:58,720
are impossible

981
00:46:03,349 --> 00:46:02,000
basically you know whatever

982
00:46:04,790 --> 00:46:03,359
amazing like

983
00:46:06,710 --> 00:46:04,800
if you could think of a plane why

984
00:46:09,750 --> 00:46:06,720
wouldn't you want to create a plane that

985
00:46:11,430 --> 00:46:09,760
could go at hypersonic velocities and do

986
00:46:12,829 --> 00:46:11,440
90 degree turns

987
00:46:18,150 --> 00:46:12,839
in an

988
00:46:21,430 --> 00:46:19,109

so

989

00:46:24,069 --> 00:46:21,440

if people are giving you those reports

990

00:46:26,710 --> 00:46:24,079

maybe we can take those reports and try

991

00:46:31,510 --> 00:46:26,720

to create one hence what i think

992

00:46:31,520 --> 00:46:34,950

bringing it back around

993

00:46:39,030 --> 00:46:36,950

interestingly enough we had this guy

994

00:46:41,030 --> 00:46:39,040

named jack frost

995

00:46:44,950 --> 00:46:41,040

some of you guys maybe know who that is

996

00:46:44,960 --> 00:46:50,150

avro aircraft

997

00:46:53,829 --> 00:46:51,510

you guys are probably familiar with this

998

00:46:55,430 --> 00:46:53,839

this is 1955.

999

00:46:58,950 --> 00:46:55,440

jack frost i'm not going gonna get too

1000

00:47:02,710 --> 00:46:58,960

deep into this just wanted to show you

1001
00:47:06,950 --> 00:47:05,190
pretty crazy now apparently it

1002
00:47:08,870 --> 00:47:06,960
didn't work

1003
00:47:10,710 --> 00:47:08,880
and it stunk

1004
00:47:13,109 --> 00:47:10,720
but there's kind of

1005
00:47:17,109 --> 00:47:13,119
conflicting reports in here

1006
00:47:21,829 --> 00:47:19,589
british people and canadian people

1007
00:47:24,630 --> 00:47:21,839
taking a meeting with this person

1008
00:47:27,430 --> 00:47:24,640
and being absolutely flabbergasted and

1009
00:47:29,510 --> 00:47:27,440
impressed with the technology

1010
00:47:31,190 --> 00:47:29,520
although it didn't say if they saw it

1011
00:47:32,390 --> 00:47:31,200
fly

1012
00:47:33,829 --> 00:47:32,400
which you would

1013
00:47:35,109 --> 00:47:33,839

uh you know

1014

00:47:37,670 --> 00:47:35,119

need to see

1015

00:47:40,309 --> 00:47:37,680

versus just hearing stuff

1016

00:47:42,069 --> 00:47:40,319

come out of somebody's mouth right

1017

00:47:44,790 --> 00:47:42,079

and there is

1018

00:47:46,950 --> 00:47:44,800

a video online of the us navy i think it

1019

00:47:48,710 --> 00:47:46,960

is or whoever in one of these things

1020

00:47:50,870 --> 00:47:48,720

trying to make it work and it's pathetic

1021

00:47:53,270 --> 00:47:50,880

and it doesn't

1022

00:47:55,589 --> 00:47:53,280

but if it's as secret as a manhattan

1023

00:47:57,349 --> 00:47:55,599

project or an h-bomb

1024

00:48:01,349 --> 00:47:57,359

i'm sure

1025

00:48:03,109 --> 00:48:01,359

that would be a great way to tell people

1026

00:48:05,190 --> 00:48:03,119

that it doesn't work

1027

00:48:08,870 --> 00:48:05,200

because we know eventually they'll find

1028

00:48:09,910 --> 00:48:08,880

out we tried to get it to

1029

00:48:12,870 --> 00:48:09,920

function

1030

00:48:16,549 --> 00:48:14,230

that's a part

1031

00:48:23,829 --> 00:48:16,559

about the end of the

1032

00:48:28,150 --> 00:48:25,510

say

1033

00:48:30,309 --> 00:48:28,160

um covered a lot of stuff today

1034

00:48:32,150 --> 00:48:30,319

thanks for listening to me and we have

1035

00:48:35,030 --> 00:48:32,160

one more

1036

00:48:37,090 --> 00:48:35,040

segment for today and it's called what

1037

00:48:44,730 --> 00:48:37,100

the heck is that

1038

00:48:44,740 --> 00:48:49,910

[Music]

1039

00:48:53,910 --> 00:48:52,150

that's right everybody what the heck is

1040

00:48:56,950 --> 00:48:53,920

that and

1041

00:48:59,270 --> 00:48:56,960

you guys are definitely free to

1042

00:49:00,870 --> 00:48:59,280

send me your clips that you want to see

1043

00:49:02,630 --> 00:49:00,880

on the show

1044

00:49:03,910 --> 00:49:02,640

um

1045

00:49:06,150 --> 00:49:03,920

definitely we'll play them on there

1046

00:49:07,910 --> 00:49:06,160

here's where we just look at stuff or i

1047

00:49:09,829 --> 00:49:07,920

don't know what the heck it is there's

1048

00:49:11,589 --> 00:49:09,839

no way well you may know what that good

1049

00:49:14,390 --> 00:49:11,599

is but most likely not

1050

00:49:16,150 --> 00:49:14,400

and that's about it

1051
00:49:18,630 --> 00:49:16,160
we're gonna start with this one from

1052
00:49:21,109 --> 00:49:18,640
viewer paranormal pixar

1053
00:49:23,349 --> 00:49:21,119
sent this in i've seen this one

1054
00:49:28,829 --> 00:49:23,359
don't know what it is though

1055
00:49:33,750 --> 00:49:31,270
up this happened

1056
00:49:35,270 --> 00:49:33,760
i'm sorry what is that the passenger on

1057
00:49:37,030 --> 00:49:35,280
the plane

1058
00:49:39,910 --> 00:49:37,040
looks out the window

1059
00:49:42,470 --> 00:49:39,920
grabs the phone this was filmed in june

1060
00:49:46,549 --> 00:49:42,480
the traveler sees that an object

1061
00:49:47,829 --> 00:49:46,559
apparently changing shapes in seconds

1062
00:49:50,390 --> 00:49:47,839
oh

1063
00:49:53,910 --> 00:49:50,400

is it a shape-shifting object

1064

00:49:55,750 --> 00:49:53,920

is it bezos is it branson what is it is

1065

00:49:57,109 --> 00:49:55,760

it a ufo

1066

00:49:58,870 --> 00:49:57,119

mal go for it

1067

00:50:00,309 --> 00:49:58,880

i have no okay i'm looking at this for

1068

00:50:02,230 --> 00:50:00,319

the first time i want it to be something

1069

00:50:03,030 --> 00:50:02,240

whoa

1070

00:50:06,390 --> 00:50:03,040

no

1071

00:50:07,670 --> 00:50:06,400

way okay crazy

1072

00:50:09,030 --> 00:50:07,680

i don't

1073

00:50:10,150 --> 00:50:09,040

that could be anything honestly here's

1074

00:50:12,790 --> 00:50:10,160

the thing like i

1075

00:50:14,470 --> 00:50:12,800

i don't know what that could be there's

1076

00:50:15,430 --> 00:50:14,480

someone said i i read this little bit

1077

00:50:17,829 --> 00:50:15,440

online and someone said that maybe

1078

00:50:20,790 --> 00:50:17,839

that's just the reflection off the

1079

00:50:23,270 --> 00:50:20,800

window of something or other right like

1080

00:50:30,549 --> 00:50:23,280

that it's catching the light funny

1081

00:50:35,829 --> 00:50:32,470

okay this one just so you know is not a

1082

00:50:37,589 --> 00:50:35,839

ufo but it's still pretty crazy looking

1083

00:51:02,230 --> 00:50:37,599

so

1084

00:51:19,430 --> 00:51:08,490

[Music]

1085

00:51:23,270 --> 00:51:21,349

strange lights over the skies of san

1086

00:51:25,190 --> 00:51:23,280

diego if you saw them last night just

1087

00:51:27,109 --> 00:51:25,200

about a half hour after midnight you

1088

00:51:29,829 --> 00:51:27,119

were not the only one who received a

1089

00:51:31,190 --> 00:51:29,839

number of emails today asking about them

1090

00:51:33,510 --> 00:51:31,200

even got a call from a group in

1091

00:51:41,110 --> 00:51:33,520

claremont who captured the display on

1092

00:51:41,120 --> 00:51:45,349

[Music]

1093

00:51:50,230 --> 00:51:47,190

it's about half past midnight on the

1094

00:51:52,150 --> 00:51:50,240

first day of 2008 when a string of nine

1095

00:51:55,670 --> 00:51:52,160

lights heading from east to west are

1096

00:51:58,069 --> 00:51:57,030

there's a big commotion over in the

1097

00:51:59,270 --> 00:51:58,079

corner

1098

00:52:01,109 --> 00:51:59,280

we could tell something really exciting

1099

00:52:03,030 --> 00:52:01,119

was going on matt coyle was among a

1100

00:52:05,750 --> 00:52:03,040

group of college friends at a new year's

1101
00:52:08,069 --> 00:52:05,760
party in west clermont i looked up at

1102
00:52:10,230 --> 00:52:08,079
what they were looking at and i right

1103
00:52:11,589 --> 00:52:10,240
then and there i knew it was a once in a

1104
00:52:13,829 --> 00:52:11,599
lifetime thing

1105
00:52:16,390 --> 00:52:13,839
so i had the camera on me and i started

1106
00:52:17,990 --> 00:52:16,400
to record they all moved uniformly in a

1107
00:52:19,750 --> 00:52:18,000
uniform speed

1108
00:52:21,750 --> 00:52:19,760
they moved in an arc they didn't move in

1109
00:52:23,349 --> 00:52:21,760
a straight line like i said we live with

1110
00:52:25,109 --> 00:52:23,359
a couple guys who are astrophysics

1111
00:52:26,630 --> 00:52:25,119
majors and

1112
00:52:29,589 --> 00:52:26,640
they're sitting there you know running

1113
00:52:31,190 --> 00:52:29,599

through the list of possible things and

1114

00:52:33,430 --> 00:52:31,200

we ran out of things before we could

1115

00:52:35,670 --> 00:52:33,440

identify what it was similar accounts

1116

00:52:38,150 --> 00:52:35,680

have been coming to fox 6 via email

1117

00:52:40,230 --> 00:52:38,160

quote they were very bright almost an

1118

00:52:43,030 --> 00:52:40,240

amber color they were not jets

1119

00:52:45,190 --> 00:52:43,040

helicopters or fireworks there was no

1120

00:52:46,790 --> 00:52:45,200

sound that we could hear or blinking as

1121

00:52:49,270 --> 00:52:46,800

on an airplane they were neither

1122

00:52:51,589 --> 00:52:49,280

airplanes nor fireworks those are the

1123

00:52:53,990 --> 00:52:51,599

anti-nuclear missile levels they were

1124

00:52:55,510 --> 00:52:54,000

just much too bright and moving much too

1125

00:52:57,670 --> 00:52:55,520

fast and then disappearing over the

1126

00:52:58,950 --> 00:52:57,680

horiz like into the distance not even

1127

00:53:00,549 --> 00:52:58,960

disappearing say over the mountain or

1128

00:53:01,910 --> 00:53:00,559

over the horizon just disappearing into

1129

00:53:02,870 --> 00:53:01,920

the distance

1130

00:53:07,270 --> 00:53:02,880

it was

1131

00:53:09,510 --> 00:53:07,280

bit yeah a little bit a little bit

1132

00:53:11,190 --> 00:53:09,520

it looked like a group of helicopters to

1133

00:53:13,430 --> 00:53:11,200

me but people who saw them in person say

1134

00:53:15,030 --> 00:53:13,440

that's not the case living in san diego

1135

00:53:16,950 --> 00:53:15,040

we figure the most likely explanation

1136

00:53:19,190 --> 00:53:16,960

though is military

1137

00:53:20,950 --> 00:53:19,200

this guy first of all their last missile

1138

00:53:23,270 --> 00:53:20,960

test was december 8th

1139

00:53:24,870 --> 00:53:23,280

it looked like a bunch of helicopters to

1140

00:53:26,870 --> 00:53:24,880

me

1141

00:53:29,670 --> 00:53:26,880

what a loser

1142

00:53:40,950 --> 00:53:29,680

those aren't helicopters

1143

00:53:46,390 --> 00:53:44,150

were um red blue green kept flashing and

1144

00:53:47,750 --> 00:53:46,400

changing colors something to say they

1145

00:53:50,230 --> 00:53:47,760

didn't think they moved like a plane or

1146

00:53:52,069 --> 00:53:50,240

a drone would it's still a mystery

1147

00:53:53,589 --> 00:53:52,079

because we put out calls to the military

1148

00:54:10,930 --> 00:53:53,599

here to see if they could identify what

1149

00:54:46,870 --> 00:54:19,260

[Music]

1150

00:54:49,940 --> 00:54:49,410

oh

1151
00:55:04,789 --> 00:54:49,950
[Applause]

1152
00:55:04,799 --> 00:55:09,030
man we need to get there

1153
00:55:12,150 --> 00:55:10,789
let's go let's go

1154
00:55:13,670 --> 00:55:12,160
wow

1155
00:55:15,510 --> 00:55:13,680
what the is that

1156
00:55:17,589 --> 00:55:15,520
looks like it's reappearing look at it

1157
00:55:34,840 --> 00:55:17,599
up there it's real oh

1158
00:55:34,850 --> 00:55:42,789
[Music]

1159
00:55:58,410 --> 00:55:45,080
man i told you i told you

1160
00:56:03,190 --> 00:56:01,270
[Music]

1161
00:56:05,030 --> 00:56:03,200
in the sky yo that

1162
00:56:07,190 --> 00:56:05,040
disappeared in the sky what is

1163
00:56:08,630 --> 00:56:07,200

it no man what the is that oh

1164

00:56:10,549 --> 00:56:08,640

like a comic

1165

00:57:05,589 --> 00:56:10,559

book go straight go straight you going

1166

00:57:05,599 --> 00:57:10,829

it's district

1167

00:57:10,839 --> 00:57:17,910

9. now they're right here

1168

00:57:17,920 --> 00:57:23,589

somebody's shooting off of this

1169

00:57:23,599 --> 00:57:33,349

now there's only two of them

1170

00:57:39,270 --> 00:57:35,990

one of looked like it just faded out

1171

00:57:43,670 --> 00:57:41,190

oh it's going away

1172

00:57:43,680 --> 00:57:49,750

it's down further see it oh yeah

1173

00:57:49,760 --> 00:57:52,870

i think they were just

1174

00:57:52,880 --> 00:58:02,549

these people with the guns

1175

00:58:08,069 --> 00:58:05,349

i bet you're i don't know

1176
00:58:17,109 --> 00:58:08,079
it's weird because they're slowly moving

1177
00:58:23,430 --> 00:58:19,109
that's it

1178
00:58:23,440 --> 00:58:29,270
[Music]

1179
00:58:36,390 --> 00:58:31,060
oh

1180
00:58:39,030 --> 00:58:37,430
so

1181
00:58:43,510 --> 00:58:39,040
