

**UAP NEWS 4.15.22**

1  
00:00:07,990 --> 00:00:03,510  
give me some time

2  
00:00:08,000 --> 00:00:15,749  
planet nine

3  
00:00:22,790 --> 00:00:19,120  
seeing more of what i like

4  
00:00:25,189 --> 00:00:22,800  
[Music]

5  
00:00:35,590 --> 00:00:25,199  
i've seen enough

6  
00:00:35,600 --> 00:00:39,030  
turn your head up

7  
00:00:39,040 --> 00:00:43,990  
it's the same inside

8  
00:00:48,950 --> 00:00:47,430  
i set his up

9  
00:00:52,069 --> 00:00:48,960  
enough is enough

10  
00:00:55,670 --> 00:00:52,079  
when i'm feeling right

11  
00:01:00,340 --> 00:00:55,680  
i don't think we're alone

12  
00:01:09,670 --> 00:01:06,310  
[Music]

13  
00:01:12,070 --> 00:01:09,680

hope you're having a good friday

14

00:01:14,310 --> 00:01:12,080

friday is a great day especially for

15

00:01:16,950 --> 00:01:14,320

those of you who work all week and have

16

00:01:18,630 --> 00:01:16,960

the weekend off it's a fantastic time to

17

00:01:21,590 --> 00:01:18,640

be alive for you

18

00:01:25,190 --> 00:01:21,600

and i understand that so i hope you are

19

00:01:27,270 --> 00:01:25,200

in a mood that reflects that

20

00:01:28,149 --> 00:01:27,280

that's all i got to say

21

00:01:30,950 --> 00:01:28,159

they

22

00:01:34,950 --> 00:01:30,960

thank you everybody uh for joining us uh

23

00:01:40,069 --> 00:01:34,960

here we have uh mr steve shaw

24

00:01:42,469 --> 00:01:40,079

um steph laura mikey sunsaver

25

00:01:43,990 --> 00:01:42,479

who else we got joe smikey

26

00:01:47,030 --> 00:01:44,000

there he say that

27

00:01:49,190 --> 00:01:47,040

uh witness citizen what's up

28

00:01:51,350 --> 00:01:49,200

i haven't done that one in a while

29

00:01:53,510 --> 00:01:51,360

um

30

00:01:55,350 --> 00:01:53,520

lionel everybody i really appreciate you

31

00:01:57,109 --> 00:01:55,360

guys for hanging out we're gonna have a

32

00:01:58,870 --> 00:01:57,119

good time we're gonna talk about some

33

00:02:00,870 --> 00:01:58,880

stuff do some stuff

34

00:02:05,350 --> 00:02:00,880

look at some stuff read some stuff watch

35

00:02:08,869 --> 00:02:06,950

um

36

00:02:10,389 --> 00:02:08,879

oh i love i love it thank you so much

37

00:02:12,150 --> 00:02:10,399

for that compliment i really do

38

00:02:14,150 --> 00:02:12,160

appreciate it uh for those who don't

39

00:02:16,630 --> 00:02:14,160

know i spent most of my time

40

00:02:18,869 --> 00:02:16,640

uh in my adult life making the music and

41

00:02:22,070 --> 00:02:18,879

playing shows and all that kind of stuff

42

00:02:23,990 --> 00:02:22,080

which all really kind of changed uh when

43

00:02:25,350 --> 00:02:24,000

coronavirus came

44

00:02:26,710 --> 00:02:25,360

um

45

00:02:28,630 --> 00:02:26,720

and

46

00:02:30,790 --> 00:02:28,640

we were all on lockdown i had my my

47

00:02:32,309 --> 00:02:30,800

experience my sighting

48

00:02:34,630 --> 00:02:32,319

and all that that kind of changed the

49

00:02:37,190 --> 00:02:34,640

course of my life you know so

50

00:02:40,550 --> 00:02:37,200

when people say it if

51

00:02:42,869 --> 00:02:40,560

um you know or wonder if uaps

52

00:02:46,229 --> 00:02:42,879

uh have an effect

53

00:02:47,990 --> 00:02:46,239

uh on people uh or ufos they definitely

54

00:02:50,630 --> 00:02:48,000

do because

55

00:02:53,030 --> 00:02:50,640

uh i wouldn't be here doing this if it

56

00:02:54,949 --> 00:02:53,040

wasn't uh for that sighting

57

00:02:56,550 --> 00:02:54,959

and you know sighting is probably

58

00:02:57,990 --> 00:02:56,560

putting it lightly i would say more of

59

00:03:01,990 --> 00:02:58,000

an encounter

60

00:03:03,509 --> 00:03:02,000

um an experience um that um

61

00:03:05,670 --> 00:03:03,519

not only

62

00:03:07,030 --> 00:03:05,680

kind of messed with me uh

63

00:03:09,670 --> 00:03:07,040

consciously

64

00:03:11,110 --> 00:03:09,680

um but also you know physically i would

65

00:03:13,030 --> 00:03:11,120

say so

66

00:03:15,670 --> 00:03:13,040

very interesting

67

00:03:17,430 --> 00:03:15,680

but i am here

68

00:03:20,390 --> 00:03:17,440

the first couple things i thought it

69

00:03:23,270 --> 00:03:20,400

would be beneficial if we

70

00:03:25,190 --> 00:03:23,280

kind of just did a quick round up of all

71

00:03:27,430 --> 00:03:25,200

the different stuff that's that's come

72

00:03:31,110 --> 00:03:27,440

through and kind of do an overall big

73

00:03:32,949 --> 00:03:31,120

picture evaluation of all the

74

00:03:35,110 --> 00:03:32,959

different documents and such that have

75

00:03:36,550 --> 00:03:35,120

come through lately uh the different

76

00:03:40,309 --> 00:03:36,560

news pieces

77

00:03:44,830 --> 00:03:44,070

lots of kind of a lot a lot of things

78

00:03:46,789 --> 00:03:44,840

that

79

00:03:49,750 --> 00:03:46,799

have

80

00:03:51,990 --> 00:03:49,760

you know happened and been released in

81

00:03:53,110 --> 00:03:52,000

kind of a small amount of time i would

82

00:03:53,500 --> 00:03:53,120

say

83

00:03:55,110 --> 00:03:53,510

um

84

00:03:56,789 --> 00:03:55,120

[Music]

85

00:03:59,830 --> 00:03:56,799

and it's i think it's important to

86

00:04:01,350 --> 00:03:59,840

evaluate that and and try to just

87

00:04:02,710 --> 00:04:01,360

decide like

88

00:04:05,429 --> 00:04:02,720

is it helping

89

00:04:08,070 --> 00:04:05,439

what has it helped has it moved anything

90

00:04:08,949 --> 00:04:08,080

forward has it moved anything backwards

91

00:04:13,190 --> 00:04:08,959

um

92

00:04:21,430 --> 00:04:17,349

learn more about uh ufos or another

93

00:04:24,550 --> 00:04:22,469

you know

94

00:04:25,749 --> 00:04:24,560

um what has it done for you if anything

95

00:04:27,909 --> 00:04:25,759

so like

96

00:04:31,110 --> 00:04:27,919

we have everything from those navy

97

00:04:33,189 --> 00:04:31,120

documents in the foyer reading room

98

00:04:36,629 --> 00:04:33,199

that came out right with all the ship

99

00:04:38,150 --> 00:04:36,639

the ship logs and some um

100

00:04:40,550 --> 00:04:38,160

interdepartmental

101  
00:04:42,150 --> 00:04:40,560  
emails

102  
00:04:44,070 --> 00:04:42,160  
going back and forth kind of talking

103  
00:04:45,830 --> 00:04:44,080  
about their public statement and how

104  
00:04:47,990 --> 00:04:45,840  
they want to craft that

105  
00:04:49,909 --> 00:04:48,000  
we have

106  
00:04:52,870 --> 00:04:49,919  
um

107  
00:04:56,390 --> 00:04:52,880  
paperwork that came out

108  
00:04:58,710 --> 00:04:56,400  
uh regarding the gimbal

109  
00:05:00,550 --> 00:04:58,720  
well what what seemingly is about the

110  
00:05:02,150 --> 00:05:00,560  
gimbal the ufo video that came out where

111  
00:05:03,830 --> 00:05:02,160  
it kind of rotates

112  
00:05:05,990 --> 00:05:03,840  
and you know people argue about if it

113  
00:05:08,870 --> 00:05:06,000

rotates or not but

114

00:05:10,469 --> 00:05:08,880

you know what i'm talking about

115

00:05:13,430 --> 00:05:10,479

that came out where they were talking to

116

00:05:14,950 --> 00:05:13,440

the pilots you know they thought maybe

117

00:05:16,950 --> 00:05:14,960

it was some practice target they

118

00:05:18,710 --> 00:05:16,960

realized it wasn't they came in on it

119

00:05:20,310 --> 00:05:18,720

and we know what happened with in the

120

00:05:20,950 --> 00:05:20,320

video right there's a whole fleet of

121

00:05:25,270 --> 00:05:20,960

them

122

00:05:27,110 --> 00:05:25,280

it looked crazy in the video

123

00:05:29,350 --> 00:05:27,120

so we kind of have confirmation on that

124

00:05:32,230 --> 00:05:29,360

that the pilots were

125

00:05:34,150 --> 00:05:32,240

um taking that object they saw in it in

126

00:05:37,670 --> 00:05:34,160

that video seriously

127

00:05:39,270 --> 00:05:37,680

um as a uap right and then we have some

128

00:05:41,270 --> 00:05:39,280

documents that came out recently where

129

00:05:42,950 --> 00:05:41,280

and are always involved talking about uh

130

00:05:45,909 --> 00:05:42,960

someone from the nro

131

00:05:48,230 --> 00:05:45,919

um being a part of the uap task force

132

00:05:50,230 --> 00:05:48,240

and talking about you know

133

00:05:51,749 --> 00:05:50,240

uh them pretty much asking hey give us

134

00:05:53,749 --> 00:05:51,759

what to look for what they're under on

135

00:05:57,029 --> 00:05:53,759

satellites but we'll do it

136

00:06:00,070 --> 00:05:57,039

and uh we'll get back to you you know

137

00:06:01,909 --> 00:06:00,080

um has that happened i don't know

138

00:06:03,670 --> 00:06:01,919

i don't know

139

00:06:05,590 --> 00:06:03,680

and then we have uh

140

00:06:07,590 --> 00:06:05,600

you know kind of a rehashed what's

141

00:06:09,670 --> 00:06:07,600

what's turning out to be is kind of a

142

00:06:11,110 --> 00:06:09,680

rehashed asap story

143

00:06:13,590 --> 00:06:11,120

um a lot of the

144

00:06:16,150 --> 00:06:13,600

the thirds and the paperwork for ossep

145

00:06:18,070 --> 00:06:16,160

has come out a while ago um someone told

146

00:06:20,230 --> 00:06:18,080

me they had the paper on the biological

147

00:06:21,590 --> 00:06:20,240

effects two years ago you know it was

148

00:06:24,309 --> 00:06:21,600

leaked sure

149

00:06:26,710 --> 00:06:24,319

um or whatever it wasn't official but

150

00:06:29,029 --> 00:06:26,720

it's been out um and that was the one by

151

00:06:30,950 --> 00:06:29,039

kick green christopher green

152

00:06:33,189 --> 00:06:30,960

and then we also have this story that

153

00:06:38,150 --> 00:06:33,199

just came out uh this week a couple days

154

00:06:39,510 --> 00:06:38,160

ago about gary reed um you know and him

155

00:06:42,870 --> 00:06:39,520

you know pretty much harassing lou

156

00:06:45,189 --> 00:06:42,880

elizondo and through doing that

157

00:06:47,189 --> 00:06:45,199

um kind of

158

00:06:50,150 --> 00:06:47,199

you would you would imagine that's uh

159

00:06:52,150 --> 00:06:50,160

tamping down any uap transparency right

160

00:06:55,510 --> 00:06:52,160

so what does this all mean all this

161

00:06:57,270 --> 00:06:55,520

stuff happening it sounds like a lot

162

00:06:59,749 --> 00:06:57,280

and if i missed something i'm sorry you

163

00:07:02,390 --> 00:06:59,759

can let me know in the in the chat there

164

00:07:05,990 --> 00:07:02,400

but it sounds like a lot we have

165

00:07:07,270 --> 00:07:06,000

documents we have people losing jobs

166

00:07:10,070 --> 00:07:07,280

um

167

00:07:14,230 --> 00:07:10,080

we have of course we have

168

00:07:17,589 --> 00:07:14,240

you know the the aoi msg

169

00:07:19,749 --> 00:07:17,599

all that stuff

170

00:07:23,110 --> 00:07:19,759

so what do you

171

00:07:26,390 --> 00:07:23,120

how do you feel about it do you

172

00:07:29,510 --> 00:07:26,400

feel like you've learned more about uaps

173

00:07:33,270 --> 00:07:31,830

that maybe people who are on the fence

174

00:07:35,670 --> 00:07:33,280

do they now

175

00:07:38,230 --> 00:07:35,680

think uaps are real that you know maybe

176  
00:07:40,469 --> 00:07:38,240  
they didn't before

177  
00:07:45,110 --> 00:07:40,479  
you know

178  
00:07:50,950 --> 00:07:49,029  
it's hard to say that it it's

179  
00:07:53,510 --> 00:07:50,960  
it's really helped much of anything

180  
00:07:57,830 --> 00:07:55,749  
i mean i definitely didn't learn

181  
00:07:59,270 --> 00:07:57,840  
anything i didn't know before

182  
00:08:02,950 --> 00:07:59,280  
as far as

183  
00:08:08,950 --> 00:08:05,430  
i already knew they existed right i had

184  
00:08:08,960 --> 00:08:13,749  
we already knew the gimbal was something

185  
00:08:17,029 --> 00:08:15,510  
um

186  
00:08:19,749 --> 00:08:17,039  
we already knew the navy kind of took

187  
00:08:23,270 --> 00:08:19,759  
over the a lot of the

188  
00:08:24,950 --> 00:08:23,280

pr stuff for the uaps at a certain time

189

00:08:28,070 --> 00:08:24,960

the turds have already been out and we

190

00:08:30,230 --> 00:08:28,080

already knew somebody was harassing lou

191

00:08:32,149 --> 00:08:30,240

um and kind of making it difficult on

192

00:08:37,990 --> 00:08:32,159

his life so it's all kind of stuff that

193

00:08:46,070 --> 00:08:41,589

we already knew it has it helped

194

00:08:46,080 --> 00:08:49,670

i don't know we we still have

195

00:08:53,509 --> 00:08:51,430

i think what what really holds a lot of

196

00:08:55,990 --> 00:08:53,519

this back is

197

00:09:00,389 --> 00:08:57,750

that kind of take statements from susan

198

00:09:06,550 --> 00:09:04,310

and profess it as truth to fight against

199

00:09:09,750 --> 00:09:06,560

basically the things lou elizondo says

200

00:09:14,870 --> 00:09:09,760

or george knapp or colin keller

201  
00:09:17,910 --> 00:09:16,630  
you know i literally watched a video

202  
00:09:19,430 --> 00:09:17,920  
yesterday

203  
00:09:22,550 --> 00:09:19,440  
um and somebody was going through all

204  
00:09:24,150 --> 00:09:22,560  
the offset paperwork

205  
00:09:25,590 --> 00:09:24,160  
and all they were basically talking

206  
00:09:28,070 --> 00:09:25,600  
about was

207  
00:09:30,630 --> 00:09:28,080  
how contract was changed

208  
00:09:33,670 --> 00:09:30,640  
about a building a building

209  
00:09:35,750 --> 00:09:33,680  
and yada yada who gives a crap

210  
00:09:37,190 --> 00:09:35,760  
like talk about

211  
00:09:39,670 --> 00:09:37,200  
focusing on

212  
00:09:44,070 --> 00:09:39,680  
things that

213  
00:09:44,080 --> 00:09:47,910

in taking the government's line

214

00:09:51,110 --> 00:09:49,350

susan gallo said

215

00:09:54,230 --> 00:09:51,120

wasn't you know ap related

216

00:09:55,190 --> 00:09:54,240

susan gal said louis lozando had no

217

00:09:57,750 --> 00:09:55,200

um

218

00:09:59,910 --> 00:09:57,760

you know duties but they took susan who

219

00:10:01,590 --> 00:09:59,920

gives a crap what she says like

220

00:10:04,949 --> 00:10:01,600

obviously

221

00:10:07,269 --> 00:10:04,959

she's been proven a liar

222

00:10:09,590 --> 00:10:07,279

the government as a whole has lied about

223

00:10:15,110 --> 00:10:09,600

ufos and uaps

224

00:10:17,269 --> 00:10:15,990

you know

225

00:10:19,190 --> 00:10:17,279

so

226

00:10:21,110 --> 00:10:19,200

i don't know that we can take anything

227

00:10:22,870 --> 00:10:21,120

they say

228

00:10:24,310 --> 00:10:22,880

as truth which makes it difficult for

229

00:10:26,230 --> 00:10:24,320

them to be

230

00:10:27,190 --> 00:10:26,240

you know transparent for us to to

231

00:10:30,150 --> 00:10:27,200

believe it

232

00:10:31,590 --> 00:10:30,160

to be quite honest with you but

233

00:10:34,069 --> 00:10:31,600

you know

234

00:10:36,790 --> 00:10:34,079

using anything that they say

235

00:10:38,150 --> 00:10:36,800

is it needs to stop

236

00:10:42,230 --> 00:10:38,160

in my opinion

237

00:10:43,750 --> 00:10:42,240

as truth taking what they say is true

238

00:10:45,670 --> 00:10:43,760

because we already know that's not the

239

00:10:47,110 --> 00:10:45,680

case

240

00:10:51,910 --> 00:10:47,120

right

241

00:10:54,790 --> 00:10:53,030

and why did they have a paper on

242

00:10:57,110 --> 00:10:54,800

biological effects

243

00:10:58,870 --> 00:10:57,120

that happened from anomalous aerospace

244

00:11:00,630 --> 00:10:58,880

vehicles by the way

245

00:11:02,230 --> 00:11:00,640

that paper comes out

246

00:11:04,389 --> 00:11:02,240

and there's people out there just

247

00:11:06,310 --> 00:11:04,399

nailing home on

248

00:11:09,430 --> 00:11:06,320

one of the sources that

249

00:11:13,350 --> 00:11:09,440

my co-host jay put so nicely

250

00:11:17,750 --> 00:11:13,360

one of the sources was a move on paper

251  
00:11:20,389 --> 00:11:17,760  
that used cases some of which came from

252  
00:11:21,910 --> 00:11:20,399  
uh national enquirer which linda

253  
00:11:24,630 --> 00:11:21,920  
thompson if you don't follow her on

254  
00:11:26,710 --> 00:11:24,640  
twitter she put out a great rundown of

255  
00:11:29,030 --> 00:11:26,720  
of that paper actually and talked with

256  
00:11:31,750 --> 00:11:29,040  
the person who who wrote it which

257  
00:11:32,949 --> 00:11:31,760  
pretty good stuff

258  
00:11:37,030 --> 00:11:32,959  
and i don't know it was something out of

259  
00:11:41,030 --> 00:11:39,190  
like 44 references in that dirt and one

260  
00:11:43,030 --> 00:11:41,040  
of them was that

261  
00:11:45,269 --> 00:11:43,040  
and people are making videos and hitting

262  
00:11:46,949 --> 00:11:45,279  
home on oh this national choir this is

263  
00:11:48,630 --> 00:11:46,959

just such garbage people are reporting

264

00:11:50,870 --> 00:11:48,640  
on this stuff

265

00:11:55,269 --> 00:11:50,880  
you know

266

00:12:03,829 --> 00:11:59,030  
by a uap or an experience

267

00:12:06,949 --> 00:12:05,350  
you know

268

00:12:08,230 --> 00:12:06,959  
they're dramatized

269

00:12:11,030 --> 00:12:08,240  
some people are dramatized their whole

270

00:12:13,190 --> 00:12:11,040  
life because of this stuff

271

00:12:14,949 --> 00:12:13,200  
you know

272

00:12:17,750 --> 00:12:14,959  
i think we got to take that seriously

273

00:12:19,190 --> 00:12:17,760  
not that you don't or i don't but

274

00:12:22,829 --> 00:12:19,200  
you know

275

00:12:27,990 --> 00:12:25,910  
that so i think what would help us

276

00:12:31,190 --> 00:12:28,000

to actually move forward is to hold

277

00:12:32,710 --> 00:12:31,200

those people accountable

278

00:12:35,829 --> 00:12:32,720

like there's one show out there they get

279

00:12:39,910 --> 00:12:35,839

so many viewers and they get things

280

00:12:40,790 --> 00:12:39,920

wrong time after time again

281

00:12:43,190 --> 00:12:40,800

talk

282

00:12:45,350 --> 00:12:43,200

crap and don't believe john ramirez they

283

00:12:46,790 --> 00:12:45,360

were wrong

284

00:12:51,350 --> 00:12:46,800

talk crap and don't

285

00:12:55,910 --> 00:12:53,829

they're wrong

286

00:12:57,590 --> 00:12:55,920

but yet people just keep continuing to

287

00:12:58,949 --> 00:12:57,600

go back there

288

00:13:00,949 --> 00:12:58,959

so if you want things that's changed

289

00:13:02,470 --> 00:13:00,959

it's going to be up to you and i'm not

290

00:13:04,470 --> 00:13:02,480

necessarily talking to people watching

291

00:13:05,750 --> 00:13:04,480

right now people that may watch or

292

00:13:09,430 --> 00:13:05,760

whatever like

293

00:13:13,030 --> 00:13:09,440

realize that the future of this topic is

294

00:13:15,269 --> 00:13:13,040

in no one else's hands but yours

295

00:13:18,069 --> 00:13:15,279

i can talk all day long but in the end

296

00:13:21,030 --> 00:13:18,079

it is not up to me it is up to you the

297

00:13:23,110 --> 00:13:21,040

person who watches the person who

298

00:13:24,870 --> 00:13:23,120

you know

299

00:13:26,870 --> 00:13:24,880

conducts

300

00:13:28,710 --> 00:13:26,880

themselves

301  
00:13:32,790 --> 00:13:28,720  
it is in control of their actions and

302  
00:13:32,800 --> 00:13:37,269  
it's up to that person

303  
00:13:41,910 --> 00:13:39,670  
and that more or less

304  
00:13:43,990 --> 00:13:41,920  
will control the atmosphere that we are

305  
00:13:46,389 --> 00:13:44,000  
in with this topic are we in an

306  
00:13:48,790 --> 00:13:46,399  
atmosphere of people who are just

307  
00:13:50,629 --> 00:13:48,800  
constantly doubting the good works of

308  
00:13:52,710 --> 00:13:50,639  
others

309  
00:13:55,350 --> 00:13:52,720  
we're constantly

310  
00:13:59,189 --> 00:13:55,360  
still talking about

311  
00:14:03,430 --> 00:13:59,199  
a navy video from four years ago

312  
00:14:09,350 --> 00:14:03,440  
and debating the authenticity of it

313  
00:14:13,030 --> 00:14:11,269

talk about not moving forward we're

314

00:14:19,350 --> 00:14:13,040

still talking about

315

00:14:19,360 --> 00:14:24,870

you know

316

00:14:32,310 --> 00:14:26,550

and going back and forth on those kind

317

00:14:36,310 --> 00:14:34,069

we can't then come together and ask for

318

00:14:39,910 --> 00:14:36,320

more transparency like the government

319

00:14:43,030 --> 00:14:39,920

has videos and photos and information

320

00:14:46,550 --> 00:14:43,040

and data that would

321

00:14:48,550 --> 00:14:46,560

you know uh it give us more information

322

00:14:50,790 --> 00:14:48,560

on this stuff and they refuse to do it

323

00:14:54,550 --> 00:14:50,800

they don't do it instead they put

324

00:14:59,990 --> 00:14:56,629

you know in place to

325

00:15:02,310 --> 00:15:00,000

reply and send emails that outright lie

326

00:15:04,870 --> 00:15:02,320

to the american public

327

00:15:06,389 --> 00:15:04,880

about what's really going on meanwhile

328

00:15:10,790 --> 00:15:06,399

we're paying the taxes for it we're

329

00:15:14,790 --> 00:15:12,389

what would you do with an employee that

330

00:15:17,430 --> 00:15:14,800

did that stuff you know we have someone

331

00:15:19,910 --> 00:15:17,440

like gary reed

332

00:15:24,790 --> 00:15:22,150

now you can find the whole report on

333

00:15:27,110 --> 00:15:24,800

gary reed and his

334

00:15:28,790 --> 00:15:27,120

encounters with employee one and two and

335

00:15:30,150 --> 00:15:28,800

the claims of sexual harassment and all

336

00:15:31,829 --> 00:15:30,160

that stuff and

337

00:15:33,430 --> 00:15:31,839

and classified emails on his home

338

00:15:35,189 --> 00:15:33,440

computer you can go and read that for

339

00:15:37,749 --> 00:15:35,199

yourself

340

00:15:39,670 --> 00:15:37,759

but in the end

341

00:15:41,749 --> 00:15:39,680

the dudes

342

00:15:42,550 --> 00:15:41,759

going up to women kissing them on the

343

00:15:44,629 --> 00:15:42,560

cheek

344

00:15:47,350 --> 00:15:44,639

putting his arm around him all that kind

345

00:15:52,550 --> 00:15:51,110

no matter what anybody says if somebody

346

00:15:56,550 --> 00:15:52,560

if

347

00:16:00,150 --> 00:15:58,550

i know she'd be freaked out and i would

348

00:16:01,749 --> 00:16:00,160

be pissed off

349

00:16:04,470 --> 00:16:01,759

i've been a boss for a long time i would

350

00:16:09,189 --> 00:16:04,480

never do that i've never once

351  
00:16:13,509 --> 00:16:11,110  
and that's you know the person that was

352  
00:16:14,790 --> 00:16:13,519  
put in charge of the uap task force and

353  
00:16:16,629 --> 00:16:14,800  
here we are

354  
00:16:18,629 --> 00:16:16,639  
paying attention this topic hoping for

355  
00:16:22,710 --> 00:16:18,639  
more transparency meanwhile that's

356  
00:16:34,389 --> 00:16:27,910  
you know

357  
00:16:37,030 --> 00:16:34,399  
and it should irritate you otherwise

358  
00:16:39,590 --> 00:16:37,040  
we're gonna be stuck in you know ufo

359  
00:16:41,350 --> 00:16:39,600  
entertainment the rest of our

360  
00:16:43,910 --> 00:16:41,360  
lives

361  
00:16:46,790 --> 00:16:45,030  
and there's some people who would

362  
00:16:48,470 --> 00:16:46,800  
benefit off of that the people same

363  
00:16:52,150 --> 00:16:48,480

people who get things wrong time after

364

00:16:55,509 --> 00:16:54,230

but that's

365

00:17:01,670 --> 00:16:55,519

you know

366

00:17:03,990 --> 00:17:01,680

i don't

367

00:17:06,069 --> 00:17:04,000

dive into old documents and and do all

368

00:17:07,829 --> 00:17:06,079

that kind of stuff

369

00:17:09,110 --> 00:17:07,839

you know for the fun of it i mean it is

370

00:17:11,909 --> 00:17:09,120

fun

371

00:17:15,750 --> 00:17:13,590

but my intent is to learn more to

372

00:17:17,990 --> 00:17:15,760

educate more people so that you know the

373

00:17:19,750 --> 00:17:18,000

reality of the ufo situation and how

374

00:17:21,750 --> 00:17:19,760

real it is and how long it's been going

375

00:17:23,189 --> 00:17:21,760

on because the more of us there are that

376

00:17:24,870 --> 00:17:23,199

actually know

377

00:17:28,710 --> 00:17:24,880

the width

378

00:17:30,150 --> 00:17:28,720

of it the depth of it

379

00:17:32,390 --> 00:17:30,160

the more people that will want the

380

00:17:35,750 --> 00:17:32,400

transparency and in the end

381

00:17:39,590 --> 00:17:37,750

to get enough people to care about this

382

00:17:41,750 --> 00:17:39,600

because if that happens

383

00:17:44,310 --> 00:17:41,760

then

384

00:17:46,710 --> 00:17:44,320

people are running for office

385

00:17:52,150 --> 00:17:46,720

have to care

386

00:17:56,070 --> 00:17:54,310

you know and some people say is it

387

00:18:01,830 --> 00:17:56,080

really that big of a deal we got wars

388

00:18:04,630 --> 00:18:02,710

there's a

389

00:18:07,750 --> 00:18:04,640

you know potential to learn more about

390

00:18:10,070 --> 00:18:07,760

another intelligent life form other than

391

00:18:14,630 --> 00:18:11,990

how is it not important people have been

392

00:18:17,510 --> 00:18:14,640

talking about god angels

393

00:18:20,789 --> 00:18:17,520

aliens other things

394

00:18:32,070 --> 00:18:23,110

and no one has ever shown

395

00:18:34,870 --> 00:18:33,350

you could change everything it could

396

00:18:39,750 --> 00:18:34,880

change the world it could change how we

397

00:18:46,870 --> 00:18:43,590

things aren't going so well right now

398

00:18:51,029 --> 00:18:46,880

so i think we're due for a change

399

00:18:56,070 --> 00:18:53,190

i don't have all the answers but i do

400

00:18:57,430 --> 00:18:56,080

know

401  
00:19:01,990 --> 00:18:57,440  
that a lot of this is going to be

402  
00:19:06,549 --> 00:19:04,070  
on who we support and who we prop up in

403  
00:19:07,990 --> 00:19:06,559  
this community

404  
00:19:13,590 --> 00:19:08,000  
and forget me

405  
00:19:13,600 --> 00:19:16,710  
but i hate seeing

406  
00:19:22,390 --> 00:19:18,390  
people that have been fighting against

407  
00:19:27,350 --> 00:19:24,390  
we don't stand a chance that way you

408  
00:19:27,360 --> 00:19:31,190  
just don't stand a chance

409  
00:19:34,950 --> 00:19:33,270  
hopefully that'll change over time

410  
00:19:36,150 --> 00:19:34,960  
you know

411  
00:19:37,750 --> 00:19:36,160  
hopefully

412  
00:19:40,390 --> 00:19:37,760  
but it's not up to me

413  
00:19:42,310 --> 00:19:40,400

it's up to you

414

00:19:45,350 --> 00:19:42,320

it's up to people in this community and

415

00:19:51,350 --> 00:19:48,549

but they spend their time watching

416

00:19:56,470 --> 00:19:53,430

it's time to take a little power into

417

00:19:56,480 --> 00:20:03,110

and do something with it

418

00:20:07,909 --> 00:20:05,190

so

419

00:20:09,750 --> 00:20:07,919

i think that's important you know

420

00:20:11,830 --> 00:20:09,760

everybody takes a little accountability

421

00:20:14,549 --> 00:20:11,840

for themselves and what they do and

422

00:20:15,830 --> 00:20:14,559

and you know how they're trying to move

423

00:20:17,029 --> 00:20:15,840

this forward

424

00:20:18,950 --> 00:20:17,039

well some people have different

425

00:20:20,630 --> 00:20:18,960

capacities than others some people

426  
00:20:22,630 --> 00:20:20,640  
everybody has a different life everybody

427  
00:20:24,390 --> 00:20:22,640  
has different situations and

428  
00:20:27,029 --> 00:20:24,400  
you know

429  
00:20:31,990 --> 00:20:27,039  
it's up to them to make that choice

430  
00:20:37,029 --> 00:20:33,909  
but i think any anyone who's invested

431  
00:20:41,190 --> 00:20:37,039  
enough can can do something you know

432  
00:20:46,830 --> 00:20:45,510  
the complicated world this ufo world

433  
00:20:50,950 --> 00:20:46,840  
you

434  
00:20:51,830 --> 00:20:50,960  
know if some people make their

435  
00:20:55,750 --> 00:20:51,840  
their

436  
00:21:00,230 --> 00:20:55,760  
you know space like a game show

437  
00:21:00,240 --> 00:21:06,070  
i wish it was a game

438  
00:21:10,310 --> 00:21:09,110

but it's it's not

439

00:21:14,830 --> 00:21:10,320

it's

440

00:21:21,270 --> 00:21:17,909

lighter you know it can be

441

00:21:25,270 --> 00:21:23,350

definitely

442

00:21:28,149 --> 00:21:25,280

but every time something comes along

443

00:21:31,110 --> 00:21:28,159

here we have people just stomping on

444

00:21:33,909 --> 00:21:31,120

the good stuff you know

445

00:21:34,870 --> 00:21:33,919

only way we'll get past that is by

446

00:21:36,070 --> 00:21:34,880

not

447

00:21:38,710 --> 00:21:36,080

supporting

448

00:21:40,710 --> 00:21:38,720

them whatever that means

449

00:21:42,870 --> 00:21:40,720

you know that's on anybody what to do

450

00:21:46,070 --> 00:21:42,880

but you know

451  
00:21:46,950 --> 00:21:46,080  
you can make that choice for yourself

452  
00:21:51,110 --> 00:21:46,960  
most

453  
00:21:54,950 --> 00:21:52,549  
i'm interested

454  
00:21:59,590 --> 00:21:54,960  
mostly in lou alexander's book i want to

455  
00:22:07,190 --> 00:22:02,310  
uh because he says it's part of the

456  
00:22:09,990 --> 00:22:08,310  
you know

457  
00:22:12,070 --> 00:22:10,000  
i want to read that book

458  
00:22:17,990 --> 00:22:12,080  
i don't know when it's coming out but i

459  
00:22:18,000 --> 00:22:21,110  
most definitely

460  
00:22:24,950 --> 00:22:23,190  
another thing is like what what can we

461  
00:22:26,870 --> 00:22:24,960  
do in the meantime to like get more

462  
00:22:28,070 --> 00:22:26,880  
information i think

463  
00:22:30,230 --> 00:22:28,080

you know

464

00:22:31,430 --> 00:22:30,240

we've been

465

00:22:33,430 --> 00:22:31,440

you know the government has proved

466

00:22:37,270 --> 00:22:33,440

enough by now that that we can't really

467

00:22:40,070 --> 00:22:37,280

rely on them for transparency if if they

468

00:22:41,909 --> 00:22:40,080

you know we can fight that battle

469

00:22:44,310 --> 00:22:41,919

and i think we can fight many battles at

470

00:22:45,830 --> 00:22:44,320

the same time you know the civilian

471

00:22:47,830 --> 00:22:45,840

organizations trying to get their own

472

00:22:49,110 --> 00:22:47,840

data on research

473

00:22:51,510 --> 00:22:49,120

you know some people are pushing the

474

00:22:53,430 --> 00:22:51,520

government for more information

475

00:22:55,270 --> 00:22:53,440

there's all sorts of different ways to

476  
00:22:57,029 --> 00:22:55,280  
do things if we do them all at the same

477  
00:23:00,149 --> 00:22:57,039  
time and together i think that would be

478  
00:23:03,750 --> 00:23:00,159  
really fantastic

479  
00:23:06,310 --> 00:23:03,760  
but you know i know ufos are real

480  
00:23:08,390 --> 00:23:06,320  
uaps whatever you want to call them

481  
00:23:10,630 --> 00:23:08,400  
and i know that they must have another

482  
00:23:11,590 --> 00:23:10,640  
intelligent life connected to it you

483  
00:23:13,830 --> 00:23:11,600  
know

484  
00:23:14,630 --> 00:23:13,840  
so what i'm doing what i'm trying to do

485  
00:23:17,830 --> 00:23:14,640  
is

486  
00:23:22,630 --> 00:23:17,840  
learn more about that

487  
00:23:26,230 --> 00:23:23,750  
you know

488  
00:23:31,830 --> 00:23:26,240

what does it want with me

489

00:23:37,110 --> 00:23:34,390

you know that's

490

00:23:38,549 --> 00:23:37,120

that's what i want to know more about

491

00:23:40,390 --> 00:23:38,559

and i'm not

492

00:23:42,470 --> 00:23:40,400

going to just listen to anybody who says

493

00:23:44,549 --> 00:23:42,480

anything about it either like i'm going

494

00:23:46,870 --> 00:23:44,559

to dive into my own consciousness

495

00:23:48,390 --> 00:23:46,880

explore that

496

00:23:52,950 --> 00:23:48,400

connect with that

497

00:24:03,510 --> 00:23:55,510

and find what there is to communicate

498

00:24:03,520 --> 00:24:05,909

so

499

00:24:11,269 --> 00:24:07,029

that's what i'm going to do i'm not

500

00:24:11,279 --> 00:24:15,669

for that stuff you know

501  
00:24:15,679 --> 00:24:24,549  
we have an office the aoi msg office

502  
00:24:28,070 --> 00:24:26,549  
investigating this are we going to learn

503  
00:24:33,510 --> 00:24:28,080  
anything i got to tell you it doesn't

504  
00:24:37,669 --> 00:24:36,070  
it may be well in time

505  
00:24:40,390 --> 00:24:37,679  
you know i heard a couple people i've

506  
00:24:42,230 --> 00:24:40,400  
heard this a couple times

507  
00:24:45,190 --> 00:24:42,240  
you know from elizondo and other people

508  
00:24:50,549 --> 00:24:45,200  
you know if if you want disclosure quick

509  
00:24:55,350 --> 00:24:51,909  
you know

510  
00:24:56,950 --> 00:24:55,360  
sure that's i get it

511  
00:24:58,310 --> 00:24:56,960  
everything takes time

512  
00:25:00,070 --> 00:24:58,320  
but

513  
00:25:01,350 --> 00:25:00,080

you know if these things are buzzing our

514

00:25:02,710 --> 00:25:01,360

ships

515

00:25:05,590 --> 00:25:02,720

every day

516

00:25:07,269 --> 00:25:05,600

or as frequently as they are

517

00:25:10,230 --> 00:25:07,279

i don't think we should be waiting five

518

00:25:16,870 --> 00:25:10,240

years to learn about it

519

00:25:21,669 --> 00:25:18,310

i think it may be a little more

520

00:25:26,630 --> 00:25:23,669

like if these things are harassing our

521

00:25:29,269 --> 00:25:26,640

navy that much like the people should

522

00:25:31,269 --> 00:25:29,279

know

523

00:25:33,269 --> 00:25:31,279

if we had anything else harassing our

524

00:25:36,070 --> 00:25:33,279

navy whether it be foreign jets or

525

00:25:38,310 --> 00:25:36,080

foreign drones or anything like that

526

00:25:40,549 --> 00:25:38,320

it's a super dangerous thing and the

527

00:25:42,950 --> 00:25:40,559

public needs to know what could happen

528

00:25:45,750 --> 00:25:42,960

tomorrow or what is happening now with

529

00:25:46,789 --> 00:25:45,760

the military that we fund with our tax

530

00:25:49,029 --> 00:25:46,799

money

531

00:25:51,430 --> 00:25:49,039

and because they're trials or pyramids

532

00:25:53,269 --> 00:25:51,440

or uaps or you don't know what they are

533

00:25:58,070 --> 00:25:53,279

we don't we don't know

534

00:25:58,080 --> 00:26:02,230

you know

535

00:26:02,240 --> 00:26:08,549

that's not cool

536

00:26:08,559 --> 00:26:14,789

you got to tell us

537

00:26:17,990 --> 00:26:16,390

you know

538

00:26:20,149 --> 00:26:18,000

that's what i think

539

00:26:21,830 --> 00:26:20,159

these biological effects like you know

540

00:26:24,390 --> 00:26:21,840

there's all over the news

541

00:26:26,870 --> 00:26:24,400

it's negative effects biological effects

542

00:26:28,630 --> 00:26:26,880

all over the news

543

00:26:31,110 --> 00:26:28,640

picked it up

544

00:26:35,990 --> 00:26:31,120

mainstream this mainstream that all over

545

00:26:41,190 --> 00:26:37,269

when

546

00:26:42,950 --> 00:26:41,200

you know really all that does those like

547

00:26:44,310 --> 00:26:42,960

as crappy as it is

548

00:26:45,990 --> 00:26:44,320

like that's on

549

00:26:47,269 --> 00:26:46,000

it first of all it's only on republican

550

00:26:49,029 --> 00:26:47,279

channels

551  
00:26:52,149 --> 00:26:49,039  
right

552  
00:26:54,789 --> 00:26:52,159  
second off

553  
00:27:02,710 --> 00:26:57,430  
take somebody who who doesn't believe in

554  
00:27:07,909 --> 00:27:04,070  
show them

555  
00:27:10,149 --> 00:27:07,919  
you know that clip uh

556  
00:27:11,830 --> 00:27:10,159  
unaccounted for pregnancies

557  
00:27:13,750 --> 00:27:11,840  
radiation burns

558  
00:27:15,430 --> 00:27:13,760  
abductions all that what are they gonna

559  
00:27:17,269 --> 00:27:15,440  
say

560  
00:27:18,070 --> 00:27:17,279  
what are they gonna think they're gonna

561  
00:27:19,430 --> 00:27:18,080  
think

562  
00:27:35,590 --> 00:27:19,440  
what

563  
00:27:39,830 --> 00:27:37,990

you know and unfortunately

564

00:27:41,830 --> 00:27:39,840

uh that stuff

565

00:27:43,990 --> 00:27:41,840

you know i haven't researched all of it

566

00:27:47,029 --> 00:27:44,000

you know but i know a lot of that stuff

567

00:27:50,149 --> 00:27:47,039

i know about is true

568

00:27:50,159 --> 00:27:54,149

but maybe

569

00:28:01,510 --> 00:27:56,230

maybe the government maybe the president

570

00:28:09,590 --> 00:28:03,990

should deliver a message to the united

571

00:28:09,600 --> 00:28:13,669

maybe that's what he should do

572

00:28:17,110 --> 00:28:15,190

enough of this

573

00:28:19,350 --> 00:28:17,120

enough this office are they sharing this

574

00:28:21,240 --> 00:28:19,360

are they sharing that oh a document came

575

00:28:23,750 --> 00:28:21,250

out that's mostly blacked out

576

00:28:28,870 --> 00:28:23,760

[Music]

577

00:28:28,880 --> 00:28:32,870

come on biden

578

00:28:36,389 --> 00:28:35,110

let's do it

579

00:28:38,149 --> 00:28:36,399

throw it out there

580

00:28:40,389 --> 00:28:38,159

worst thing that could happen is nuclear

581

00:28:43,430 --> 00:28:40,399

bombs going off all over the freaking

582

00:28:48,789 --> 00:28:43,440

world and they never told us anything

583

00:28:52,470 --> 00:28:50,710

so many people have already died without

584

00:28:58,389 --> 00:28:52,480

knowing the truth that have investigated

585

00:29:03,990 --> 00:29:00,230

maybe they know once they're dead i

586

00:29:04,000 --> 00:29:07,190

why wait

587

00:29:07,200 --> 00:29:10,470

tell us now

588

00:29:16,389 --> 00:29:13,269

a lot of people think that's uh you know

589

00:29:18,549 --> 00:29:16,399

asking joe biden to say that like nobody

590

00:29:21,430 --> 00:29:18,559

really thinks that's gonna happen

591

00:29:27,190 --> 00:29:24,149

we have a right to know

592

00:29:30,230 --> 00:29:27,200

about another

593

00:29:35,190 --> 00:29:30,240

intelligent life form

594

00:29:35,200 --> 00:29:39,110

you know

595

00:29:43,830 --> 00:29:41,510

we deserve that

596

00:29:45,029 --> 00:29:43,840

as much as anything else health care

597

00:29:47,190 --> 00:29:45,039

food

598

00:29:51,990 --> 00:29:47,200

we need to know about another living

599

00:29:56,470 --> 00:29:54,950

we deserve that

600

00:29:58,870 --> 00:29:56,480

and we shouldn't have to fight for

601  
00:30:01,190 --> 00:29:58,880  
something like that that should be

602  
00:30:03,990 --> 00:30:01,200  
information given to us

603  
00:30:04,000 --> 00:30:06,710  
you know

604  
00:30:09,909 --> 00:30:08,389  
because

605  
00:30:12,070 --> 00:30:09,919  
without doing that

606  
00:30:14,710 --> 00:30:12,080  
they're allowing us all to basically

607  
00:30:17,830 --> 00:30:14,720  
live a lie

608  
00:30:23,110 --> 00:30:17,840  
with that much truth

609  
00:30:23,120 --> 00:30:27,990  
really existing and not telling us

610  
00:30:33,590 --> 00:30:30,710  
they're they're letting us just live

611  
00:30:35,669 --> 00:30:33,600  
a lie because how much does life change

612  
00:30:42,950 --> 00:30:35,679  
once that's known proven and everything

613  
00:30:48,310 --> 00:30:45,190

everything changes so

614

00:30:53,430 --> 00:30:48,320

with that being said not telling us

615

00:30:53,440 --> 00:31:00,789

and that's not fair

616

00:31:00,799 --> 00:31:05,029

that's not fair at all

617

00:31:09,669 --> 00:31:07,590

sorry i'm on a little bit of a tangent

618

00:31:11,830 --> 00:31:09,679

today

619

00:31:14,070 --> 00:31:11,840

sometimes i just keep going

620

00:31:16,549 --> 00:31:14,080

but it's just irritating peace people

621

00:31:19,190 --> 00:31:16,559

like freaking gary reed like kissing

622

00:31:21,750 --> 00:31:19,200

women on the face being jerks to people

623

00:31:23,990 --> 00:31:21,760

uh harassing lou elizondo like for

624

00:31:26,630 --> 00:31:24,000

information that we deserve to have we

625

00:31:28,950 --> 00:31:26,640

deserve to have information on another

626

00:31:31,830 --> 00:31:28,960

intelligent life form that is visited

627

00:31:34,149 --> 00:31:31,840

here is here harassing our ships our

628

00:31:36,549 --> 00:31:34,159

navy our army that our taxes paid for we

629

00:31:38,870 --> 00:31:36,559

deserve to know that and instead we get

630

00:31:41,509 --> 00:31:38,880

this guy

631

00:31:46,870 --> 00:31:41,519

and afterwards by the way he still

632

00:31:49,750 --> 00:31:47,750

you know

633

00:31:53,029 --> 00:31:49,760

and we're sitting here depending on aoi

634

00:32:01,029 --> 00:31:53,039

msg the freaking group that kept the guy

635

00:32:10,149 --> 00:32:02,870

you know

636

00:32:10,159 --> 00:32:19,830

absolutely crap

637

00:32:21,909 --> 00:32:20,789

you know

638

00:32:23,669 --> 00:32:21,919

so

639

00:32:28,389 --> 00:32:23,679

what are we gonna do the only thing we

640

00:32:32,310 --> 00:32:30,549

is hit from all sides you know push for

641

00:32:35,029 --> 00:32:32,320

transparency from the government sure

642

00:32:37,509 --> 00:32:35,039

don't count on it

643

00:32:40,230 --> 00:32:37,519

support civilian researchers who are

644

00:32:42,310 --> 00:32:40,240

trustworthy and honest

645

00:32:44,950 --> 00:32:42,320

and put the time in to figure out if

646

00:32:49,909 --> 00:32:44,960

that is the case

647

00:32:55,990 --> 00:32:52,389

dive deep into yourself you know explore

648

00:32:56,000 --> 00:32:59,110

find peace

649

00:33:04,230 --> 00:33:01,909

love yourself

650

00:33:06,789 --> 00:33:04,240

i think if we do all that stuff

651

00:33:10,230 --> 00:33:06,799

we might get somewhere

652

00:33:10,240 --> 00:33:16,549

but maybe soon

653

00:33:23,430 --> 00:33:19,110

maybe soon

654

00:33:25,350 --> 00:33:23,440

you know like the the the psy up thing

655

00:33:26,549 --> 00:33:25,360

what's a psyop this is a scythe that's

656

00:33:28,710 --> 00:33:26,559

messiah

657

00:33:30,549 --> 00:33:28,720

is it is it not you know i don't care

658

00:33:34,070 --> 00:33:30,559

what it is like

659

00:33:38,710 --> 00:33:36,310

shouldn't affect what we do for

660

00:33:41,350 --> 00:33:38,720

ourselves we can only rely on ourselves

661

00:33:43,750 --> 00:33:41,360

we can't sit back and rely on elizondo

662

00:33:44,789 --> 00:33:43,760

or aoi msg

663

00:33:53,669 --> 00:33:44,799

or

664

00:33:56,470 --> 00:33:53,679

we can only rely on ourselves and what

665

00:33:56,480 --> 00:34:02,070

as individuals and as a group

666

00:34:06,230 --> 00:34:04,310

so but with that being said

667

00:34:13,589 --> 00:34:06,240

you gotta hold yourself accountable what

668

00:34:13,599 --> 00:34:16,629

so

669

00:34:22,230 --> 00:34:18,710

that's all i could say that's all i can

670

00:34:27,750 --> 00:34:24,869

gotta do stuff for yourself

671

00:34:29,030 --> 00:34:27,760

and if people come along to help

672

00:34:31,270 --> 00:34:29,040

right

673

00:34:32,230 --> 00:34:31,280

if lou elisando here is trying to help

674

00:34:34,149 --> 00:34:32,240

and

675

00:34:36,710 --> 00:34:34,159

whatever like he's not asking for our

676  
00:34:37,589 --> 00:34:36,720  
money he's talking to us he's a super

677  
00:34:40,869 --> 00:34:37,599  
guy

678  
00:34:42,470 --> 00:34:40,879  
he's awesome to talk to

679  
00:34:45,430 --> 00:34:42,480  
he's doing this getting this office in

680  
00:34:47,349 --> 00:34:45,440  
the government great thank you

681  
00:34:49,109 --> 00:34:47,359  
you know

682  
00:34:52,470 --> 00:34:49,119  
but i'm also going to continue my thing

683  
00:34:55,349 --> 00:34:53,669  
i'm going to keep trying to find the

684  
00:34:56,550 --> 00:34:55,359  
truth for myself i'm not going to just

685  
00:35:00,390 --> 00:34:56,560  
sit back and

686  
00:35:15,349 --> 00:35:05,190  
you know

687  
00:35:17,430 --> 00:35:16,390  
know what i mean

688  
00:35:19,829 --> 00:35:17,440

in the end

689

00:35:27,510 --> 00:35:19,839

doing something is doing better than

690

00:35:31,670 --> 00:35:29,270

if i were to

691

00:35:33,190 --> 00:35:31,680

to tell people that there's a another

692

00:35:35,750 --> 00:35:33,200

intelligent life

693

00:35:39,670 --> 00:35:35,760

you would have to do it steph ass

694

00:35:45,190 --> 00:35:42,829

you would have to do it with

695

00:35:50,790 --> 00:35:45,200

empathy an understanding of the

696

00:35:55,670 --> 00:35:52,790

you know like you folks may not believe

697

00:35:58,870 --> 00:35:55,680

this and i'm not expecting you to but

698

00:35:59,829 --> 00:35:58,880

it's my duty to tell you the honest

699

00:36:03,430 --> 00:35:59,839

truth

700

00:36:05,270 --> 00:36:03,440

of the world that we currently live in

701  
00:36:06,630 --> 00:36:05,280  
and you and i are not the only

702  
00:36:09,030 --> 00:36:06,640  
intelligent

703  
00:36:14,870 --> 00:36:09,040  
people or species

704  
00:36:17,910 --> 00:36:16,550  
people say seeing is believing but in

705  
00:36:20,470 --> 00:36:17,920  
this case

706  
00:36:25,270 --> 00:36:20,480  
you can't see what else

707  
00:36:29,510 --> 00:36:27,270  
there is more than you and i there is

708  
00:36:30,870 --> 00:36:29,520  
more than our race there's more than our

709  
00:36:33,030 --> 00:36:30,880  
species

710  
00:36:35,670 --> 00:36:33,040  
i can't say what it is if it's god if

711  
00:36:42,390 --> 00:36:35,680  
it's angels if it's aliens i don't know

712  
00:36:52,230 --> 00:36:45,510  
here's a video this is the best we got

713  
00:36:57,589 --> 00:36:54,470

you know

714

00:36:59,990 --> 00:36:57,599

nobody else can explain it

715

00:37:03,109 --> 00:37:00,000

but yet it is

716

00:37:05,829 --> 00:37:03,119

i'm not asking you to change your life

717

00:37:07,510 --> 00:37:05,839

who you worship

718

00:37:10,550 --> 00:37:07,520

what you do with your day

719

00:37:19,030 --> 00:37:10,560

but it's my duty to let you know that it

720

00:37:25,109 --> 00:37:21,109

the only thing i can say is be true to

721

00:37:25,119 --> 00:37:31,510

search yourself pray meditate

722

00:37:36,550 --> 00:37:34,230

appreciate your loved ones

723

00:37:41,270 --> 00:37:36,560

appreciate every breath every day on

724

00:37:44,150 --> 00:37:43,270

in the end you can know that there is

725

00:37:45,270 --> 00:37:44,160

more

726  
00:37:49,829 --> 00:37:45,280  
to life

727  
00:37:57,750 --> 00:37:51,430  
and to me

728  
00:38:02,710 --> 00:37:59,910  
we have other stuff

729  
00:38:05,430 --> 00:38:02,720  
to tackle here today

730  
00:38:07,510 --> 00:38:05,440  
one of which is

731  
00:38:10,310 --> 00:38:07,520  
nasa

732  
00:38:12,390 --> 00:38:10,320  
bill nelson he's another guy comes out

733  
00:38:14,630 --> 00:38:12,400  
here talks about this and that nasa have

734  
00:38:19,270 --> 00:38:14,640  
been searching for another intelligent

735  
00:38:23,910 --> 00:38:21,750  
other life in general

736  
00:38:26,870 --> 00:38:23,920  
on mars

737  
00:38:34,069 --> 00:38:28,950  
you name it

738  
00:38:38,470 --> 00:38:36,470

but what have they done with uaps right

739

00:38:41,030 --> 00:38:38,480

if if that's what they've been doing if

740

00:38:42,870 --> 00:38:41,040

that's what a lot of their missions are

741

00:38:44,790 --> 00:38:42,880

you would think

742

00:38:50,390 --> 00:38:44,800

perhaps

743

00:38:53,990 --> 00:38:51,670

because if not

744

00:38:58,390 --> 00:38:54,000

what are they not telling us

745

00:39:03,990 --> 00:39:00,150

you're sending things to mars to look

746

00:39:11,670 --> 00:39:08,150

dude there's ufos what's the deal

747

00:39:21,270 --> 00:39:12,829

you

748

00:39:26,230 --> 00:39:23,349

nasa

749

00:39:27,829 --> 00:39:26,240

we find some more dishonesty right

750

00:39:32,069 --> 00:39:27,839

i'm bringing this letter up because it

751

00:39:34,790 --> 00:39:32,079

states a position that they had in 1960.

752

00:39:37,670 --> 00:39:34,800

somebody has wrote to them about a ufo

753

00:39:42,550 --> 00:39:40,390

in 1960 i guess this was

754

00:39:44,470 --> 00:39:42,560

looks like the response was in 1961 they

755

00:39:45,910 --> 00:39:44,480

say

756

00:39:48,150 --> 00:39:45,920

this is in further response to your

757

00:39:50,630 --> 00:39:48,160

letter of august 8 1960 in which you

758

00:39:51,670 --> 00:39:50,640

report the sighting of a ufo we wish to

759

00:39:53,190 --> 00:39:51,680

thank you for your interest in

760

00:39:55,430 --> 00:39:53,200

submitting the information in your

761

00:39:57,829 --> 00:39:55,440

letters as you may know a member of

762

00:39:59,510 --> 00:39:57,839

similar observations have been a number

763

00:40:01,670 --> 00:39:59,520

of similar observations have been

764

00:40:05,430 --> 00:40:01,680  
reported for which there is no

765

00:40:08,230 --> 00:40:05,440  
particularly satisfactory explanation

766

00:40:10,470 --> 00:40:08,240  
this agency has neither the assignment

767

00:40:11,589 --> 00:40:10,480  
nor the facilities to investigate such

768

00:40:13,750 --> 00:40:11,599  
occurrences

769

00:40:15,910 --> 00:40:13,760  
we have therefore forwarded your letter

770

00:40:18,069 --> 00:40:15,920  
to the department of air force which is

771

00:40:21,589 --> 00:40:18,079  
the primary responsibility for

772

00:40:24,390 --> 00:40:21,599  
investigating this type of phenomenon

773

00:40:28,390 --> 00:40:24,400  
which is interesting here is they admit

774

00:40:32,230 --> 00:40:30,710  
that's pretty interesting

775

00:40:34,470 --> 00:40:32,240  
1961

776

00:40:36,309 --> 00:40:34,480

there's a number of sightings

777

00:40:38,150 --> 00:40:36,319

don't have a good answer for

778

00:40:41,430 --> 00:40:38,160

there is a phenomenon but we don't

779

00:40:44,069 --> 00:40:41,440

investigate it the air force does

780

00:40:49,430 --> 00:40:44,079

1961 right

781

00:40:55,910 --> 00:40:52,790

and

782

00:40:57,190 --> 00:40:55,920

stance for

783

00:41:03,750 --> 00:40:57,200

up until

784

00:41:07,589 --> 00:41:06,150

so it's interesting when we look at

785

00:41:10,390 --> 00:41:07,599

something

786

00:41:12,309 --> 00:41:10,400

like this right

787

00:41:15,190 --> 00:41:12,319

we have a

788

00:41:15,200 --> 00:41:20,870

in canberra australia

789

00:41:25,750 --> 00:41:23,430

pretty interesting one

790

00:41:27,990 --> 00:41:25,760

they said they went with satellite echo

791

00:41:29,430 --> 00:41:28,000

2 which is pretty interesting

792

00:41:31,589 --> 00:41:29,440

um but

793

00:41:33,990 --> 00:41:31,599

i'm going to read this from a

794

00:41:35,750 --> 00:41:34,000

air graham department of state united

795

00:41:37,270 --> 00:41:35,760

states of america

796

00:41:40,470 --> 00:41:37,280

uh from their

797

00:41:45,030 --> 00:41:42,790

in australia they write

798

00:41:47,190 --> 00:41:45,040

about deciding a sighting of a

799

00:41:49,829 --> 00:41:47,200

unidentified luminous object has been

800

00:41:51,990 --> 00:41:49,839

reported to the embassy an abstract of

801  
00:41:54,230 --> 00:41:52,000  
the details is given below followed by a

802  
00:41:58,550 --> 00:41:54,240  
narrative account

803  
00:42:01,030 --> 00:41:58,560  
date and time may 3rd 64 black mountain

804  
00:42:02,710 --> 00:42:01,040  
first object moved in a wobbly manner

805  
00:42:05,670 --> 00:42:02,720  
from west to southwest

806  
00:42:08,150 --> 00:42:05,680  
east northeast turned now northwest to

807  
00:42:11,349 --> 00:42:08,160  
collision with second object

808  
00:42:17,430 --> 00:42:13,750  
two objects collided bounced and moved

809  
00:42:19,750 --> 00:42:17,440  
out of sight second object stationary

810  
00:42:21,510 --> 00:42:19,760  
first object soft white light larger

811  
00:42:23,430 --> 00:42:21,520  
brighter there was no breakup of the

812  
00:42:26,069 --> 00:42:23,440  
objects the small one appeared to

813  
00:42:28,550 --> 00:42:26,079

sputter then disappeared

814

00:42:30,870 --> 00:42:28,560

this is interesting no noise associated

815

00:42:32,069 --> 00:42:30,880

with the phenomena now if it's a

816

00:42:36,630 --> 00:42:32,079

satellite

817

00:42:38,550 --> 00:42:36,640

you don't call it phenomenon you say no

818

00:42:39,670 --> 00:42:38,560

noise is so data associated with the

819

00:42:40,550 --> 00:42:39,680

satellite

820

00:42:42,790 --> 00:42:40,560

so

821

00:42:46,309 --> 00:42:42,800

what's interesting

822

00:42:46,319 --> 00:42:53,190

is who investigated it

823

00:42:59,750 --> 00:42:56,550

and this is just some witness testimony

824

00:43:08,710 --> 00:42:59,760

pretty much in a longer way

825

00:43:17,430 --> 00:43:10,710

but the interesting thing here is who

826

00:43:21,990 --> 00:43:19,430

so mr blank is apparently the witness

827

00:43:24,550 --> 00:43:22,000

right was quizzed during the next hour

828

00:43:28,710 --> 00:43:24,560

and a half by the scientific attache

829

00:43:34,790 --> 00:43:32,150

for the u.s that's our usa scientific

830

00:43:38,829 --> 00:43:34,800

attache

831

00:43:41,589 --> 00:43:38,839

and two local nasa representatives

832

00:43:45,750 --> 00:43:41,599

mr meredith glenn

833

00:43:52,390 --> 00:43:48,790

so so we have two nasa representatives

834

00:43:58,309 --> 00:43:55,510

who by the way paul sipple was an

835

00:44:01,270 --> 00:43:58,319

antarctic explorer

836

00:44:04,309 --> 00:44:01,280

and coined the term wind chill

837

00:44:10,069 --> 00:44:06,829

so here we have nasa

838

00:44:13,109 --> 00:44:10,079

investigating a ufo sighting

839

00:44:15,670 --> 00:44:13,119

but i thought they didn't do that

840

00:44:18,309 --> 00:44:15,680

what the heck

841

00:44:26,710 --> 00:44:20,309

i guess that wasn't a hundred percent

842

00:44:30,309 --> 00:44:28,230

through the open window of the trailer i

843

00:44:32,309 --> 00:44:30,319

saw a bright object in the sky

844

00:44:34,390 --> 00:44:32,319

or black mountain

845

00:44:36,870 --> 00:44:34,400

it's moving slower and more erratically

846

00:44:38,630 --> 00:44:36,880

than most satellites i've seen before

847

00:44:40,870 --> 00:44:38,640

it was much brighter and larger it was

848

00:44:43,589 --> 00:44:40,880

nearly as prominent as venus but looked

849

00:44:46,230 --> 00:44:43,599

bigger and more like the soft light in a

850

00:44:48,150 --> 00:44:46,240

frosted globe lamp

851  
00:44:54,870 --> 00:44:48,160  
than like the sparkly brilliance of a

852  
00:44:58,790 --> 00:44:56,950  
the whole reason really that i'm showing

853  
00:45:00,790 --> 00:44:58,800  
this is to show

854  
00:45:02,230 --> 00:45:00,800  
that in fact

855  
00:45:05,750 --> 00:45:02,240  
nasa

856  
00:45:08,630 --> 00:45:05,760  
did investigate a ufo sighting did they

857  
00:45:11,190 --> 00:45:08,640  
investigate a lot of them i have no idea

858  
00:45:13,190 --> 00:45:11,200  
but there's at least one here

859  
00:45:20,390 --> 00:45:13,200  
and they said that they didn't do that

860  
00:45:23,829 --> 00:45:22,150  
here's a report

861  
00:45:26,390 --> 00:45:23,839  
you usually get the more accurate

862  
00:45:28,950 --> 00:45:26,400  
information from reports like this

863  
00:45:30,309 --> 00:45:28,960

another unusual incident subject of an

864

00:45:32,870 --> 00:45:30,319

official state department report

865

00:45:34,150 --> 00:45:32,880

occurred on may 1964

866

00:45:35,910 --> 00:45:34,160

uh

867

00:45:37,109 --> 00:45:35,920

canberra australia i don't know if i'm

868

00:45:39,270 --> 00:45:37,119

saying that right

869

00:45:40,870 --> 00:45:39,280

ross coldharbour no

870

00:45:43,670 --> 00:45:40,880

just before dawn several ground

871

00:45:45,270 --> 00:45:43,680

observers um saw a large white glowing

872

00:45:48,230 --> 00:45:45,280

object traveling northeast across the

873

00:45:50,630 --> 00:45:48,240

dark sky moved with an odd wobble as

874

00:45:52,710 --> 00:45:50,640

though losing power or

875

00:45:54,550 --> 00:45:52,720

partly out of control then the observers

876

00:45:57,190 --> 00:45:54,560

saw a smaller object visible with a

877

00:45:58,470 --> 00:45:57,200

faint red light

878

00:46:03,510 --> 00:45:58,480

hovering ahead

879

00:46:07,190 --> 00:46:05,270

the large white device flew straight

880

00:46:09,270 --> 00:46:07,200

towards the small ufo and appeared to

881

00:46:12,069 --> 00:46:09,280

strike it bouncing back then the large

882

00:46:13,430 --> 00:46:12,079

ufo turned no longer wobbling and raced

883

00:46:15,510 --> 00:46:13,440

out of sight the small red light

884

00:46:17,430 --> 00:46:15,520

sputtered and then disappeared it had

885

00:46:19,589 --> 00:46:17,440

been suggested that this could have been

886

00:46:21,829 --> 00:46:19,599

some unknown type of refueling or

887

00:46:23,670 --> 00:46:21,839

recharging process

888

00:46:27,109 --> 00:46:23,680

uh yeah just run into each other that's

889

00:46:30,550 --> 00:46:28,710

oh man

890

00:46:32,150 --> 00:46:30,560

the observer's uh

891

00:46:33,750 --> 00:46:32,160

report was investigated by the

892

00:46:37,670 --> 00:46:33,760

scientific attache of the american

893

00:46:39,430 --> 00:46:37,680

embassy uh dr paul sippl and by two nasa

894

00:46:40,710 --> 00:46:39,440

engineers they concluded that the

895

00:46:44,550 --> 00:46:40,720

objects were

896

00:46:47,829 --> 00:46:44,560

not any known earth made craft and that

897

00:46:51,430 --> 00:46:47,839

they had no explanation for the sighting

898

00:46:54,470 --> 00:46:51,440

the report was sent via eragram a 894 to

899

00:46:59,270 --> 00:46:55,750

something to think about here which was

900

00:47:00,710 --> 00:46:59,280

forwarded copies to the cia

901  
00:47:05,670 --> 00:47:00,720  
the nsa

902  
00:47:09,750 --> 00:47:07,349  
but not

903  
00:47:14,710 --> 00:47:09,760  
the air force

904  
00:47:18,230 --> 00:47:16,630  
but we've looked at documents before

905  
00:47:22,390 --> 00:47:18,240  
where

906  
00:47:29,109 --> 00:47:22,400  
the cia's in on it the nsa is the dia

907  
00:47:29,119 --> 00:47:33,670  
you know

908  
00:47:33,680 --> 00:47:38,069  
come on

909  
00:47:38,079 --> 00:47:45,270  
let us know what the deal is

910  
00:47:45,280 --> 00:47:49,270  
um i guess we have maybe

911  
00:47:53,910 --> 00:47:51,030  
another

912  
00:47:55,270 --> 00:47:53,920  
thing to share quick before we get to

913  
00:47:57,190 --> 00:47:55,280

uh the video

914

00:47:58,710 --> 00:47:57,200

here's a little bit about nasa nasa

915

00:48:02,630 --> 00:47:58,720

finds these

916

00:48:04,870 --> 00:48:02,640

um metal strips found on a farm

917

00:48:06,549 --> 00:48:04,880

the air force calls it chaff but nasa

918

00:48:08,470 --> 00:48:06,559

found these and

919

00:48:11,829 --> 00:48:08,480

wrote a letter

920

00:48:13,430 --> 00:48:11,839

and sent them to the air force

921

00:48:15,910 --> 00:48:13,440

asking hey do you know what this is can

922

00:48:19,030 --> 00:48:15,920

you shed light on the enclosed

923

00:48:19,040 --> 00:48:23,270

we have a hundred acre farm

924

00:48:34,230 --> 00:48:25,270

we have found bunches of this foil in

925

00:48:39,270 --> 00:48:36,390

how does nasa not know

926

00:48:41,030 --> 00:48:39,280

that it's chaff

927

00:48:43,349 --> 00:48:41,040

it's supposed to be

928

00:48:44,710 --> 00:48:43,359

the smartest people basically that there

929

00:48:48,790 --> 00:48:44,720

is they don't know that strip they have

930

00:48:48,800 --> 00:48:52,150

bullcrap

931

00:48:55,270 --> 00:48:53,670

so basically reference the attached

932

00:48:57,270 --> 00:48:55,280

letters forwarded to this office from

933

00:49:00,950 --> 00:48:57,280

the nasa

934

00:49:03,430 --> 00:49:00,960

uh requesting information on ufos

935

00:49:06,230 --> 00:49:03,440

isn't that interesting nasa request

936

00:49:08,150 --> 00:49:06,240

information on ufos

937

00:49:09,990 --> 00:49:08,160

so they didn't say nasa just you know

938

00:49:12,309 --> 00:49:10,000

gave us this material and they wanted to

939

00:49:14,230 --> 00:49:12,319

know if we knew what it was

940

00:49:19,270 --> 00:49:14,240

it was one part of it but they also

941

00:49:25,990 --> 00:49:21,349

interesting

942

00:49:29,349 --> 00:49:26,000

other nasa thing again

943

00:49:33,349 --> 00:49:30,710

for nasa

944

00:49:36,470 --> 00:49:33,359

this guy right here christian thompson

945

00:49:37,510 --> 00:49:36,480

is featured in our next segment of what

946

00:49:41,670 --> 00:49:37,520

the heck

947

00:49:41,680 --> 00:49:47,320

which is going to be pretty cool

948

00:50:00,230 --> 00:49:54,950

[Music]

949

00:50:04,150 --> 00:50:02,470

that's right so i did a little sneaky

950

00:50:07,270 --> 00:50:04,160

interview with christian thompson he

951  
00:50:09,870 --> 00:50:07,280  
informed me about um these

952  
00:50:12,950 --> 00:50:09,880  
videos from what's called

953  
00:50:15,589 --> 00:50:12,960  
sts-80 nasa mission uh i believe it was

954  
00:50:19,510 --> 00:50:15,599  
uh columbia

955  
00:50:21,430 --> 00:50:20,470  
um

956  
00:50:23,190 --> 00:50:21,440  
you know

957  
00:50:26,150 --> 00:50:23,200  
i think an astronaut other people have

958  
00:50:27,430 --> 00:50:26,160  
reviewed this video and they you know

959  
00:50:29,190 --> 00:50:27,440  
discount it

960  
00:50:31,990 --> 00:50:29,200  
but once you see it

961  
00:50:35,030 --> 00:50:32,000  
i don't know that you will be able to

962  
00:50:38,950 --> 00:50:37,030  
as much as they did so without further

963  
00:50:40,710 --> 00:50:38,960

ado i'm going to bring up the videos

964

00:50:42,710 --> 00:50:40,720

about 13 minutes long

965

00:50:45,349 --> 00:50:42,720

after that i'll come back i'll say

966

00:50:46,870 --> 00:50:45,359

goodbye um and then i'm gonna

967

00:50:48,150 --> 00:50:46,880

you know just play

968

00:50:49,589 --> 00:50:48,160

um

969

00:50:51,589 --> 00:50:49,599

a new song

970

00:50:53,990 --> 00:50:51,599

that that i really like

971

00:50:56,710 --> 00:50:54,000

um and you can hang out and listen to it

972

00:50:59,190 --> 00:50:56,720

or you can sit by so that's up to you

973

00:51:01,670 --> 00:50:59,200

but i'll be right back really appreciate

974

00:51:06,630 --> 00:51:01,680

the time i'll be in the uh

975

00:51:11,589 --> 00:51:08,870

hope you like it

976  
00:51:13,030 --> 00:51:11,599  
is the sts-80

977  
00:51:13,829 --> 00:51:13,040  
so

978  
00:51:15,910 --> 00:51:13,839  
what

979  
00:51:17,750 --> 00:51:15,920  
makes you say this video is a smoking

980  
00:51:19,589 --> 00:51:17,760  
gun i guess

981  
00:51:21,349 --> 00:51:19,599  
um

982  
00:51:23,910 --> 00:51:21,359  
it's because

983  
00:51:26,790 --> 00:51:23,920  
of the behavior wow

984  
00:51:28,790 --> 00:51:26,800  
that you you see there was an anomaly

985  
00:51:33,270 --> 00:51:28,800  
going going across

986  
00:51:37,030 --> 00:51:33,280  
there's many anomalies in this picture

987  
00:51:39,670 --> 00:51:37,040  
you can even see one in the bottom now

988  
00:51:43,270 --> 00:51:39,680

coming in they're zooming away

989

00:51:46,309 --> 00:51:43,280

this is a thunder cloud on the

990

00:51:47,750 --> 00:51:46,319

day they are filming at night

991

00:51:51,030 --> 00:51:47,760

uh it

992

00:51:54,309 --> 00:51:51,040

it's actually one of the more more

993

00:51:57,030 --> 00:51:54,319

senior people um

994

00:51:58,470 --> 00:51:57,040

most great that is on this

995

00:52:01,270 --> 00:51:58,480

flight

996

00:52:04,549 --> 00:52:01,280

and but he he has in the in the

997

00:52:05,910 --> 00:52:04,559

interview said it's not him that films

998

00:52:07,829 --> 00:52:05,920

this

999

00:52:11,270 --> 00:52:07,839

because

1000

00:52:12,710 --> 00:52:11,280

houston or nasa can operate the cameras

1001  
00:52:13,829 --> 00:52:12,720  
at night

1002  
00:52:15,589 --> 00:52:13,839  
at will

1003  
00:52:17,270 --> 00:52:15,599  
if they wanna

1004  
00:52:19,510 --> 00:52:17,280  
so you can see

1005  
00:52:22,630 --> 00:52:19,520  
there's some something coming in

1006  
00:52:25,910 --> 00:52:24,470  
zooming out now

1007  
00:52:28,630 --> 00:52:25,920  
there you could see like three or four

1008  
00:52:32,150 --> 00:52:28,640  
of them there yeah

1009  
00:52:36,790 --> 00:52:32,160  
and nothing much happening in in the

1010  
00:52:38,309 --> 00:52:36,800  
start here but they they are actually um

1011  
00:52:41,829 --> 00:52:38,319  
looking at a

1012  
00:52:48,470 --> 00:52:44,790  
thunderstorm i i can't

1013  
00:52:51,270 --> 00:52:48,480

i i don't know exactly where they are at

1014

00:52:52,790 --> 00:52:51,280

this moment where they're filming

1015

00:52:55,030 --> 00:52:52,800

yeah

1016

00:52:58,549 --> 00:52:55,040

somewhere over a cloud

1017

00:53:03,829 --> 00:53:01,270

wow that's interesting

1018

00:53:04,950 --> 00:53:03,839

and the way they move the camera they

1019

00:53:07,190 --> 00:53:04,960

can really

1020

00:53:09,589 --> 00:53:07,200

uh uh do it in

1021

00:53:12,069 --> 00:53:09,599

small steps as you see

1022

00:53:12,870 --> 00:53:12,079

you you can see the thundercloud and

1023

00:53:14,390 --> 00:53:12,880

yeah

1024

00:53:16,470 --> 00:53:14,400

and the

1025

00:53:18,790 --> 00:53:16,480

left corner there

1026  
00:53:21,829 --> 00:53:18,800  
should did this make

1027  
00:53:22,710 --> 00:53:21,839  
uh like news at the time

1028  
00:53:25,349 --> 00:53:22,720  
um

1029  
00:53:27,030 --> 00:53:25,359  
there were another piece

1030  
00:53:28,950 --> 00:53:27,040  
where you see

1031  
00:53:32,710 --> 00:53:28,960  
our

1032  
00:53:35,430 --> 00:53:32,720  
anomaly going across and then something

1033  
00:53:37,190 --> 00:53:35,440  
shoot from the earth and up

1034  
00:53:41,829 --> 00:53:37,200  
and it goes away

1035  
00:53:47,670 --> 00:53:44,470  
with another mission i believe

1036  
00:53:51,990 --> 00:53:50,710  
but you can see the the funder still

1037  
00:53:55,349 --> 00:53:52,000  
um

1038  
00:53:58,870 --> 00:53:55,359

this is a quite long video but it's it's

1039

00:54:05,109 --> 00:54:01,430

you you have to

1040

00:54:07,910 --> 00:54:05,119

notice all the details um just to figure

1041

00:54:09,109 --> 00:54:07,920

out what what's happening

1042

00:54:10,120 --> 00:54:09,119

uh

1043

00:54:12,309 --> 00:54:10,130

soon

1044

00:54:15,670 --> 00:54:12,319

[Laughter]

1045

00:54:21,510 --> 00:54:15,680

because it really gonna be interesting

1046

00:54:25,910 --> 00:54:23,910

can you see there is anomaly going

1047

00:54:31,510 --> 00:54:25,920

across

1048

00:54:35,910 --> 00:54:33,510

they they have now

1049

00:54:39,190 --> 00:54:35,920

focused on the thundercloud where all

1050

00:54:41,349 --> 00:54:39,200

the lightning are

1051  
00:54:44,069 --> 00:54:41,359  
and there's another you can see another

1052  
00:54:47,430 --> 00:54:44,079  
one going there changing direction now

1053  
00:54:50,230 --> 00:54:47,440  
you can see see this one now

1054  
00:54:51,670 --> 00:54:50,240  
look at this and more anomalies going

1055  
00:54:54,470 --> 00:54:51,680  
across

1056  
00:54:57,910 --> 00:54:54,480  
and it's lights up now

1057  
00:54:59,030 --> 00:54:57,920  
it's in the thundercloud now

1058  
00:55:04,069 --> 00:54:59,040  
wow

1059  
00:55:09,750 --> 00:55:06,789  
in the thundercloud but especially this

1060  
00:55:11,430 --> 00:55:09,760  
one and you keep your eye on this one

1061  
00:55:15,109 --> 00:55:11,440  
because

1062  
00:55:16,230 --> 00:55:15,119  
it is the most interesting one

1063  
00:55:18,789 --> 00:55:16,240

um

1064

00:55:21,829 --> 00:55:18,799

it's just sitting still now

1065

00:55:25,430 --> 00:55:21,839

but is actually

1066

00:55:30,789 --> 00:55:25,440

following the earth's curvature as it

1067

00:55:35,430 --> 00:55:32,829

and you can see more

1068

00:55:37,349 --> 00:55:35,440

anomalies um

1069

00:55:41,510 --> 00:55:37,359

going across

1070

00:55:46,069 --> 00:55:41,520

and and you the thundercrowd is still

1071

00:55:47,030 --> 00:55:46,079

maybe in 30 000 feet or something right

1072

00:55:49,670 --> 00:55:47,040

and

1073

00:55:53,510 --> 00:55:49,680

there it is another anomaly coming

1074

00:55:57,510 --> 00:55:55,990

you're going to slightly see it

1075

00:55:58,309 --> 00:55:57,520

but yeah

1076  
00:56:01,990 --> 00:55:58,319  
there's

1077  
00:56:03,510 --> 00:56:02,000  
and and one coming from space now

1078  
00:56:05,829 --> 00:56:03,520  
that yeah

1079  
00:56:07,589 --> 00:56:05,839  
there's really

1080  
00:56:10,870 --> 00:56:07,599  
a one again you know

1081  
00:56:14,549 --> 00:56:12,549  
you can see it's

1082  
00:56:15,750 --> 00:56:14,559  
in the mill

1083  
00:56:17,510 --> 00:56:15,760  
it's

1084  
00:56:21,349 --> 00:56:17,520  
quite blank

1085  
00:56:22,470 --> 00:56:21,359  
and and who knows if they can charge

1086  
00:56:24,150 --> 00:56:22,480  
you know

1087  
00:56:26,470 --> 00:56:24,160  
um

1088  
00:56:31,030 --> 00:56:26,480

here in the bottom you can see one blink

1089

00:56:38,789 --> 00:56:34,630

but still keep your eye on this one

1090

00:56:40,230 --> 00:56:38,799

that that it's in the middle

1091

00:56:42,549 --> 00:56:40,240

and and

1092

00:56:46,549 --> 00:56:42,559

slightly

1093

00:56:48,870 --> 00:56:46,559

going to the one who blinks

1094

00:56:50,230 --> 00:56:48,880

and is going up now

1095

00:56:51,109 --> 00:56:50,240

up through

1096

00:56:53,349 --> 00:56:51,119

the

1097

00:56:56,470 --> 00:56:53,359

atmosphere

1098

00:56:58,950 --> 00:56:56,480

into space

1099

00:56:59,829 --> 00:56:58,960

again

1100

00:57:04,069 --> 00:56:59,839

and

1101  
00:57:09,109 --> 00:57:04,079  
the camera is just now picking up what

1102  
00:57:14,710 --> 00:57:11,349  
and we're realizing like what the heck

1103  
00:57:18,870 --> 00:57:14,720  
yeah and they try to zoom in

1104  
00:57:26,150 --> 00:57:22,390  
uh they they went a little too far now

1105  
00:57:30,230 --> 00:57:27,990  
like wait a minute i think i should be

1106  
00:57:31,829 --> 00:57:30,240  
looking at this

1107  
00:57:32,870 --> 00:57:31,839  
yeah

1108  
00:57:38,150 --> 00:57:32,880  
so

1109  
00:57:39,670 --> 00:57:38,160  
you you have to consider what power

1110  
00:57:44,309 --> 00:57:39,680  
is exactly

1111  
00:57:45,430 --> 00:57:44,319  
in this anomaly whatever it is because

1112  
00:57:47,990 --> 00:57:45,440  
we

1113  
00:57:49,510 --> 00:57:48,000

have rocket boosters

1114

00:57:50,789 --> 00:57:49,520

and we are going

1115

00:57:53,829 --> 00:57:50,799

i believe

1116

00:57:57,510 --> 00:57:53,839

i can uh

1117

00:58:00,150 --> 00:57:57,520

000 miles per hour to

1118

00:58:02,470 --> 00:58:00,160

get into space or something like this

1119

00:58:03,829 --> 00:58:02,480

and it's just drifted

1120

00:58:05,750 --> 00:58:03,839

into space

1121

00:58:09,349 --> 00:58:05,760

you know getting

1122

00:58:11,430 --> 00:58:09,359

through our atmosphere like

1123

00:58:13,349 --> 00:58:11,440

nothing

1124

00:58:16,150 --> 00:58:13,359

just powering up

1125

00:58:18,870 --> 00:58:16,160

stealing uh

1126  
00:58:19,750 --> 00:58:18,880  
yeah stealing energy from the funding

1127  
00:58:21,829 --> 00:58:19,760  
cloud

1128  
00:58:24,150 --> 00:58:21,839  
yeah isn't that interesting

1129  
00:58:25,430 --> 00:58:24,160  
it really it really kind of

1130  
00:58:27,109 --> 00:58:25,440  
um

1131  
00:58:31,190 --> 00:58:27,119  
puts more

1132  
00:58:32,390 --> 00:58:31,200  
meat on the bones of electromagnetic

1133  
00:58:33,670 --> 00:58:32,400  
possible

1134  
00:58:35,990 --> 00:58:33,680  
you know

1135  
00:58:37,109 --> 00:58:36,000  
means of propulsion or or whatever

1136  
00:58:41,589 --> 00:58:37,119  
because

1137  
00:58:43,910 --> 00:58:41,599  
if if they are traveling uh distance

1138  
00:58:45,990 --> 00:58:43,920

and they want to charge up maybe maybe

1139

00:58:48,829 --> 00:58:46,000

that's a way to do it

1140

00:58:52,069 --> 00:58:48,839

that's a good idea yeah it's really a

1141

00:58:53,990 --> 00:58:52,079

powerful if you can harness the energy

1142

00:58:55,270 --> 00:58:54,000

from from

1143

00:58:56,230 --> 00:58:55,280

thunder

1144

00:58:58,069 --> 00:58:56,240

you know

1145

00:58:59,829 --> 00:58:58,079

yeah because it was sitting in there for

1146

00:59:01,990 --> 00:58:59,839

a while hanging out in there and then

1147

00:59:03,589 --> 00:59:02,000

was leaving so

1148

00:59:05,430 --> 00:59:03,599

he's like i don't care about you guys

1149

00:59:06,130 --> 00:59:05,440

i'm just here for the energy yeah

1150

00:59:08,630 --> 00:59:06,140

exactly

1151  
00:59:10,069 --> 00:59:08,640  
[Laughter]

1152  
00:59:13,589 --> 00:59:10,079  
so

1153  
00:59:16,950 --> 00:59:13,599  
there you go uh i i don't think there's

1154  
00:59:19,670 --> 00:59:16,960  
so much more to try to zoom in on on

1155  
00:59:21,910 --> 00:59:19,680  
some other guys

1156  
00:59:23,190 --> 00:59:21,920  
but that's you know it'd be great if

1157  
00:59:24,549 --> 00:59:23,200  
they

1158  
00:59:26,870 --> 00:59:24,559  
could have followed it to see where it

1159  
00:59:28,950 --> 00:59:26,880  
was going you know yeah

1160  
00:59:31,670 --> 00:59:28,960  
but maybe they

1161  
00:59:32,549 --> 00:59:31,680  
they they are with other systems you

1162  
00:59:34,950 --> 00:59:32,559  
know

1163  
00:59:36,789 --> 00:59:34,960

probably that's awesome

1164

00:59:39,510 --> 00:59:36,799

thanks for bringing it to my attention

1165

00:59:41,510 --> 00:59:39,520

and and this were in

1166

00:59:46,870 --> 00:59:41,520

uh

1167

00:59:50,390 --> 00:59:48,630

i want to bring out the other one the

1168

00:59:54,309 --> 00:59:50,400

other video you're talking about yeah

1169

00:59:54,319 --> 00:59:59,109

space camp

1170

01:00:02,470 --> 01:00:01,670

there's a little music going with this

1171

01:00:06,069 --> 01:00:02,480

one

1172

01:00:11,270 --> 01:00:08,630

hopefully uh

1173

01:00:13,190 --> 01:00:11,280

hopefully it's okay to play it

1174

01:00:15,510 --> 01:00:13,200

yeah

1175

01:00:18,069 --> 01:00:15,520

they might ding me on it

1176

01:00:19,990 --> 01:00:18,079

well not that i run ads on these shows

1177

01:00:22,789 --> 01:00:20,000

anyways but

1178

01:00:24,470 --> 01:00:22,799

sometimes someone will claim a copyright

1179

01:00:26,789 --> 01:00:24,480

yeah

1180

01:00:28,390 --> 01:00:26,799

exactly but joke's on them because i

1181

01:00:33,990 --> 01:00:28,400

don't run ads anyway so they're just

1182

01:00:37,750 --> 01:00:35,030

okay

1183

01:00:39,030 --> 01:00:37,760

so i'm gonna bring that one up now

1184

01:00:40,150 --> 01:00:39,040

here we go

1185

01:00:42,870 --> 01:00:40,160

and that

1186

01:00:47,750 --> 01:00:42,880

i i don't know when in the mission this

1187

01:00:50,710 --> 01:00:47,760

is but it's still uh the uh nasa

1188

01:00:52,230 --> 01:00:50,720

sts-80

1189

01:00:56,870 --> 01:00:52,240

and you

1190

01:00:58,390 --> 01:00:56,880

and there's anomalies um

1191

01:01:00,150 --> 01:00:58,400

blinking

1192

01:01:06,710 --> 01:01:00,160

yeah

1193

01:01:12,710 --> 01:01:08,950

from all sides

1194

01:01:13,990 --> 01:01:12,720

and you you see what's happening in the

1195

01:01:15,430 --> 01:01:14,000

end

1196

01:01:21,030 --> 01:01:15,440

it's quite

1197

01:01:27,270 --> 01:01:25,750

and here we go there was one quite

1198

01:01:30,069 --> 01:01:27,280

transparent

1199

01:01:32,710 --> 01:01:30,079

yeah that was very interesting yeah

1200

01:01:36,470 --> 01:01:32,720

coming to a hold

1201  
01:01:51,829 --> 01:01:39,510  
and

1202  
01:01:54,069 --> 01:01:51,839  
you know you can't just see them

1203  
01:01:56,309 --> 01:01:54,079  
but um

1204  
01:01:58,630 --> 01:01:56,319  
if you

1205  
01:02:00,789 --> 01:01:58,640  
they they are doing

1206  
01:02:05,670 --> 01:02:00,799  
uh

1207  
01:02:08,470 --> 01:02:05,680  
communication

1208  
01:02:12,710 --> 01:02:10,950  
we know that

1209  
01:02:13,670 --> 01:02:12,720  
you are watching

1210  
01:02:17,589 --> 01:02:13,680  
so

1211  
01:02:24,069 --> 01:02:22,789  
and you can see now one two three four

1212  
01:02:25,670 --> 01:02:24,079  
five

1213  
01:02:27,510 --> 01:02:25,680

and

1214

01:02:29,510 --> 01:02:27,520

another one

1215

01:02:32,150 --> 01:02:29,520

blanks

1216

01:02:35,990 --> 01:02:32,160

coming in and they are

1217

01:02:36,789 --> 01:02:36,000

making oh yeah you can see one now

1218

01:02:37,750 --> 01:02:36,799

uh

1219

01:02:39,270 --> 01:02:37,760

really

1220

01:02:40,950 --> 01:02:39,280

going in

1221

01:02:42,549 --> 01:02:40,960

and it's going

1222

01:02:47,750 --> 01:02:42,559

to be

1223

01:02:50,950 --> 01:02:47,760

i believe in the middle of those

1224

01:02:50,960 --> 01:02:55,910

beaming up right now

1225

01:03:00,710 --> 01:02:57,910

when it comes to a halt

1226

01:03:03,829 --> 01:03:00,720

see is that another cloud

1227

01:03:05,750 --> 01:03:03,839

no it's it's in in space

1228

01:03:07,990 --> 01:03:05,760

oh that's it actually it's pissed now

1229

01:03:11,190 --> 01:03:08,000

it's beams up in the middle of the

1230

01:03:14,069 --> 01:03:11,200

circle where they all are

1231

01:03:20,390 --> 01:03:17,510

what are they doing what are they doing

1232

01:03:22,870 --> 01:03:20,400

are you communicating who knows

1233

01:03:24,549 --> 01:03:22,880

and and you can maybe see the pattern i

1234

01:03:25,430 --> 01:03:24,559

i i see a

1235

01:03:33,750 --> 01:03:25,440

a

1236

01:03:34,950 --> 01:03:33,760

so

1237

01:03:35,990 --> 01:03:34,960

yeah

1238

01:03:39,270 --> 01:03:36,000

it's

1239

01:03:42,150 --> 01:03:39,280

those two videos have flourished uh

1240

01:03:46,309 --> 01:03:42,160

around the internet for a long time but

1241

01:03:48,230 --> 01:03:46,319

again it's yeah

1242

01:03:49,670 --> 01:03:48,240

they're quite interesting

1243

01:03:50,710 --> 01:03:49,680

yeah that one's blinking right down

1244

01:03:53,349 --> 01:03:50,720

there

1245

01:03:56,390 --> 01:03:53,359

especially the first one i believe i i

1246

01:03:58,870 --> 01:03:56,400

have always had this in my archive

1247

01:04:00,470 --> 01:03:58,880

i have a big old car you know so that's

1248

01:04:02,789 --> 01:04:00,480

awesome

1249

01:04:04,549 --> 01:04:02,799

i appreciate you showing me those videos

1250

01:04:07,430 --> 01:04:04,559

those are pretty cool

1251  
01:04:10,549 --> 01:04:07,440  
that's gonna make a great

1252  
01:04:14,050 --> 01:04:10,559  
that makes a great segment for

1253  
01:04:14,060 --> 01:04:24,870  
[Music]

1254  
01:04:30,230 --> 01:04:28,069  
so thanks christian for um

1255  
01:04:32,309 --> 01:04:30,240  
doing that i really appreciate it i love

1256  
01:04:35,029 --> 01:04:32,319  
those videos those are great

1257  
01:04:38,309 --> 01:04:36,309  
yeah i thought they were really

1258  
01:04:40,309 --> 01:04:38,319  
fantastic

1259  
01:04:42,470 --> 01:04:40,319  
i like the the last one too where

1260  
01:04:44,309 --> 01:04:42,480  
they're you know it's kind of like in a

1261  
01:04:46,630 --> 01:04:44,319  
circle formation there

1262  
01:04:48,549 --> 01:04:46,640  
and the ones all lit up and all that um

1263  
01:04:50,950 --> 01:04:48,559

it's interesting you know

1264

01:04:52,549 --> 01:04:50,960

and it makes makes me curious and

1265

01:04:53,430 --> 01:04:52,559

hopefully it makes other people curious

1266

01:04:55,510 --> 01:04:53,440

too

1267

01:04:57,430 --> 01:04:55,520

um i definitely think

1268

01:04:59,910 --> 01:04:57,440

that those are cool and i do appreciate

1269

01:05:02,470 --> 01:04:59,920

the time that you spent coming on the

1270

01:05:04,230 --> 01:05:02,480

show to go through those with us and

1271

01:05:06,630 --> 01:05:04,240

describe what we were seeing

1272

01:05:08,789 --> 01:05:06,640

and i know what you are having a good

1273

01:05:10,309 --> 01:05:08,799

time right now on vacation so well at

1274

01:05:12,870 --> 01:05:10,319

least i hope you are

1275

01:05:15,829 --> 01:05:12,880

um hopefully you will see your tan when

1276

01:05:20,789 --> 01:05:18,230

um hope you're getting some sun and

1277

01:05:22,789 --> 01:05:20,799

doing some fun stuff so

1278

01:05:24,390 --> 01:05:22,799

i appreciate it christian have a great

1279

01:05:27,349 --> 01:05:24,400

day

1280

01:05:30,230 --> 01:05:27,359

so with that being said um those videos

1281

01:05:35,349 --> 01:05:32,150

in um

1282

01:05:36,470 --> 01:05:35,359

the playlist where i put all our deck

1283

01:05:38,470 --> 01:05:36,480

videos

1284

01:05:39,750 --> 01:05:38,480

so you can go check them out if you want

1285

01:05:41,349 --> 01:05:39,760

to

1286

01:05:44,069 --> 01:05:41,359

although i'd rather just have you come

1287

01:05:47,190 --> 01:05:44,079

back here and watch it again you know so

1288

01:05:49,829 --> 01:05:47,200

the plays the play count really

1289

01:05:52,870 --> 01:05:49,839

ticks up on these youtube videos that

1290

01:05:54,710 --> 01:05:52,880

always helps you know

1291

01:05:56,150 --> 01:05:54,720

so no with that being said i had a great

1292

01:05:59,029 --> 01:05:56,160

time with everybody and i'm going to

1293

01:06:00,710 --> 01:05:59,039

leave you with a song i wrote uh you can

1294

01:06:01,589 --> 01:06:00,720

it's not a video or anything just a song

1295

01:06:04,069 --> 01:06:01,599

you can

1296

01:06:05,910 --> 01:06:04,079

you know listen to it if you want um

1297

01:06:08,309 --> 01:06:05,920

obviously you don't have to

1298

01:06:10,309 --> 01:06:08,319

um it's a little different than the ones

1299

01:06:13,430 --> 01:06:10,319

i've been writing

1300

01:06:14,630 --> 01:06:13,440

it's a little more in the abstract

1301

01:06:15,670 --> 01:06:14,640

abstract

1302

01:06:18,950 --> 01:06:15,680

realm

1303

01:06:20,309 --> 01:06:18,960

so hope you enjoy it um but i do

1304

01:06:22,230 --> 01:06:20,319

appreciate your time and everything i'll

1305

01:06:24,950 --> 01:06:22,240

be back next week

1306

01:06:26,789 --> 01:06:24,960

um and you know we'll see what happens

1307

01:06:29,670 --> 01:06:26,799

what happens in the meantime is there

1308

01:06:31,430 --> 01:06:29,680

any news is there anything to talk about

1309

01:06:33,510 --> 01:06:31,440

are we just gonna go through old stuff

1310

01:06:35,750 --> 01:06:33,520

again what are we gonna do

1311

01:06:38,390 --> 01:06:35,760

i'm not sure but

1312

01:06:39,260 --> 01:06:38,400

we'll do it and we'll have a good time

1313

01:06:40,470 --> 01:06:39,270

so um

1314

01:06:43,270 --> 01:06:40,480

[Music]

1315

01:06:48,470 --> 01:06:45,670

have a great

1316

01:06:50,110 --> 01:06:48,480

fantastic wonderful

1317

01:06:58,490 --> 01:06:50,120

day

1318

01:06:58,500 --> 01:07:06,710

[Music]

1319

01:07:11,589 --> 01:07:08,390

whether or not the truth is what i'm

1320

01:07:15,910 --> 01:07:12,829

remains to

1321

01:07:22,470 --> 01:07:15,920

be part of the story that needs to play

1322

01:07:30,309 --> 01:07:25,109

context is everything a mess i guess but

1323

01:07:38,309 --> 01:07:32,390

negate the tricks it's magic don't you

1324

01:07:45,990 --> 01:07:39,829

man is built for this and it's

1325

01:07:54,630 --> 01:07:48,549

the soul goes on but eras don't show up

1326

01:07:58,069 --> 01:07:56,490

but if i try to beat

1327

01:08:03,029 --> 01:07:58,079

[Music]

1328

01:08:03,039 --> 01:08:10,230

forsaken not forgiven

1329

01:08:15,690 --> 01:08:14,220

cheers to anyone who wants this

1330

01:08:18,709 --> 01:08:15,700

[Music]

1331

01:08:24,190 --> 01:08:18,719

[Applause]

1332

01:08:30,229 --> 01:08:26,229

[Music]

1333

01:08:34,870 --> 01:08:30,239

normally or not i'm so fortunate

1334

01:08:40,219 --> 01:08:37,990

i shouldn't need that

1335

01:08:42,870 --> 01:08:40,229

just covering up what it did to me

1336

01:08:47,189 --> 01:08:42,880

[Music]

1337

01:08:47,199 --> 01:08:51,669

looks like i was hit with a baseball bat

1338

01:08:51,679 --> 01:08:55,030

man i can say it

1339

01:09:05,889 --> 01:08:57,760

it's something i live

1340

01:09:05,899 --> 01:09:13,189

[Music]

1341

01:09:13,199 --> 01:09:20,340

so

1342

01:09:20,350 --> 01:09:32,550

[Music]

1343

01:09:38,309 --> 01:09:34,679

baby

1344

01:10:03,110 --> 01:09:41,050

so

1345

01:10:06,149 --> 01:10:03,120

[Music]

1346

01:10:08,070 --> 01:10:06,159

as real as my skin can heal

1347

01:10:09,080 --> 01:10:08,080

i'm tired of always being

1348

01:10:11,110 --> 01:10:09,090

on the rebound

1349

01:10:19,350 --> 01:10:11,120

[Music]

1350

01:10:26,840 --> 01:10:23,030

maybe it comes off as too proud

1351

01:10:29,180 --> 01:10:26,850

don't trust me i can shout

1352

01:10:29,430 --> 01:10:29,190

[Music]

1353

01:10:34,149 --> 01:10:29,440

[Applause]

1354

01:10:42,149 --> 01:10:35,760

so have a nice day

1355

01:10:42,159 --> 01:10:50,310

i know you want it that way

1356

01:10:59,430 --> 01:10:53,630

have a nice day

1357

01:11:30,810 --> 01:10:59,440

[Music]

1358

01:11:32,120 --> 01:11:30,820

[Applause]

1359

01:11:33,430 --> 01:11:32,130

[Music]
