

A beach scene with waves crashing onto the shore. A wide-brimmed hat is lying on the sand in the foreground. The sky is overcast with grey clouds.

just the ufo world never uh lets you

17

00:02:07,510 --> 00:02:06,079

down with

18

00:02:11,110 --> 00:02:07,520

um

19

00:02:12,229 --> 00:02:11,120

a drama you know it's one thing after

20

00:02:14,470 --> 00:02:12,239

another

21

00:02:15,430 --> 00:02:14,480

i gotta tell you this time it's coming

22

00:02:18,309 --> 00:02:15,440

from

23

00:02:20,710 --> 00:02:18,319

a pretty hard hitting story

24

00:02:22,790 --> 00:02:20,720

pretty hard hitting story and people are

25

00:02:24,150 --> 00:02:22,800

losing their bananas

26

00:02:27,350 --> 00:02:24,160

what's up everybody thanks for hanging

36

00:02:46,229 --> 00:02:44,080

out on this uh wonderful saturday i do

37

00:02:48,070 --> 00:02:46,239

appreciate your time i appreciate you i

38

00:02:49,589 --> 00:02:48,080

appreciate you hanging out i'm thankful

39

00:02:51,990 --> 00:02:49,599

i'm grateful

40

00:02:53,670 --> 00:02:52,000

all that fun stuff

41

00:02:55,830 --> 00:02:53,680

so on our last show

42

00:02:56,710 --> 00:02:55,840

um

43

00:02:58,229 --> 00:02:56,720

well

44

00:03:00,309 --> 00:02:58,239

on our show that we did on wednesday

45

00:03:02,470 --> 00:03:00,319

with um

46

00:03:08,149 --> 00:03:02,480

um oh wow

47

00:03:11,509 --> 00:03:09,670

i'm not sure if it was this person or

48

00:03:12,630 --> 00:03:11,519

not but but somebody

49

00:03:14,550 --> 00:03:12,640

maybe not

50

00:03:16,149 --> 00:03:14,560

there was somebody that was pretty mean

51
00:03:18,949 --> 00:03:16,159
in the chat the other day it might have

52
00:03:21,750 --> 00:03:18,959
been you if it's not i'm sorry but

53
00:03:26,470 --> 00:03:24,630
but uh yeah we'll be actually getting to

54
00:03:30,830 --> 00:03:26,480
that video today so

55
00:03:34,869 --> 00:03:32,390
um

56
00:03:37,190 --> 00:03:34,879
yeah so

57
00:03:39,430 --> 00:03:37,200
interestingly on wednesday we we went

58
00:03:42,869 --> 00:03:39,440
over that debrief story

59
00:03:44,789 --> 00:03:42,879
uh about gary reid and you know i don't

60
00:03:46,470 --> 00:03:44,799
want to have to rehash that story or

61
00:03:48,149 --> 00:03:46,480
anything you can go back to that episode

62
00:03:50,070 --> 00:03:48,159
or just simply read the article in the

63
00:03:52,550 --> 00:03:50,080

description here from politico

64

00:03:54,309 --> 00:03:52,560
or the original one from debrief if

65

00:03:56,070 --> 00:03:54,319
you'd like but

66

00:03:58,229 --> 00:03:56,080
since that came out

67

00:04:00,149 --> 00:03:58,239
you know people have been coming up with

68

00:04:01,190 --> 00:04:00,159
with different things to say about it

69

00:04:03,910 --> 00:04:01,200
for instance

70

00:04:05,830 --> 00:04:03,920
right away we have um you know

71

00:04:06,949 --> 00:04:05,840
greenwald from blackvault talking about

72

00:04:09,110 --> 00:04:06,959
how

73

00:04:10,630 --> 00:04:09,120
um

74

00:04:12,470 --> 00:04:10,640
you know

75

00:04:15,110 --> 00:04:12,480
anonymous sources and other people

76
00:04:15,990 --> 00:04:15,120
talking about anonymous sources

77
00:04:23,510 --> 00:04:16,000
and

78
00:04:23,520 --> 00:04:28,150
you know with that being said um

79
00:04:31,430 --> 00:04:29,510
you know that's just kind of the name of

80
00:04:33,270 --> 00:04:31,440
the game for a lot of people

81
00:04:34,870 --> 00:04:33,280
is they use those sources and they want

82
00:04:36,550 --> 00:04:34,880
to protect those sources so they're not

83
00:04:40,790 --> 00:04:36,560
talking about them and that's just kind

84
00:04:45,670 --> 00:04:40,800
of the way it goes sometimes i suppose

85
00:04:45,680 --> 00:04:48,230
that

86
00:04:52,710 --> 00:04:50,950
this story comes out

87
00:04:55,110 --> 00:04:52,720
and

88
00:04:58,790 --> 00:04:55,120

uh another person uh jaishoff you know

89

00:05:01,590 --> 00:04:58,800

him um good guy comes out and says

90

00:05:02,629 --> 00:05:01,600

that he got a response from susan cow

91

00:05:04,950 --> 00:05:02,639

that

92

00:05:06,950 --> 00:05:04,960

um basically gary reed was not fired and

93

00:05:08,150 --> 00:05:06,960

he's still in his position the same

94

00:05:10,710 --> 00:05:08,160

position

95

00:05:11,909 --> 00:05:10,720

uh as he had before

96

00:05:14,390 --> 00:05:11,919

all this

97

00:05:16,310 --> 00:05:14,400

so then there's a whole thing about is

98

00:05:17,830 --> 00:05:16,320

he fired is he not fired what's going on

99

00:05:19,909 --> 00:05:17,840

then political rights of peace and other

100

00:05:21,510 --> 00:05:19,919

people are chiming in saying i hear he's

101
00:05:23,749 --> 00:05:21,520
fired i hear

102
00:05:25,909 --> 00:05:23,759
that uh he's in the system but there's

103
00:05:29,670 --> 00:05:25,919
no job title by his by his name and all

104
00:05:34,310 --> 00:05:32,070
pretty pretty crazy right

105
00:05:36,310 --> 00:05:34,320
well

106
00:05:40,150 --> 00:05:36,320
you know what's interesting is too like

107
00:05:42,230 --> 00:05:40,160
a viewer um uh jennifer who views the

108
00:05:44,230 --> 00:05:42,240
comments actually found an episode two

109
00:05:46,390 --> 00:05:44,240
months ago where i talked about uh

110
00:05:48,390 --> 00:05:46,400
george knapp talking to lou elizondo

111
00:05:50,710 --> 00:05:48,400
about the scary read person so george

112
00:05:53,909 --> 00:05:50,720
knapp has been on this story or at least

113
00:05:55,830 --> 00:05:53,919

has had a hint of of what's going on uh

114

00:05:57,270 --> 00:05:55,840

for a while now which is pretty

115

00:05:59,670 --> 00:05:57,280

interesting

116

00:06:01,830 --> 00:05:59,680

um so

117

00:06:03,590 --> 00:06:01,840

you know in the end is gary reed still

118

00:06:05,830 --> 00:06:03,600

in his position it doesn't seem like it

119

00:06:08,309 --> 00:06:05,840

although it seems like he's still

120

00:06:09,909 --> 00:06:08,319

employed by the department of defense

121

00:06:12,230 --> 00:06:09,919

that's what it seems like

122

00:06:16,790 --> 00:06:14,309

uh but i have a feel i have a feeling a

123

00:06:18,070 --> 00:06:16,800

lot more will be coming out about this

124

00:06:19,749 --> 00:06:18,080

so

125

00:06:21,909 --> 00:06:19,759

we'll just have to sit tight and see

126
00:06:24,550 --> 00:06:21,919
where it goes from here

127
00:06:29,350 --> 00:06:24,560
definitely um

128
00:06:35,270 --> 00:06:33,510
it is what it is i guess but

129
00:06:37,510 --> 00:06:35,280
and louis alexander has an interview

130
00:06:39,029 --> 00:06:37,520
tonight so i have a feeling that we'll

131
00:06:41,749 --> 00:06:39,039
hear more

132
00:06:43,029 --> 00:06:41,759
more about this later tonight

133
00:06:46,070 --> 00:06:43,039
um so

134
00:06:47,670 --> 00:06:46,080
make sure that you

135
00:06:49,270 --> 00:06:47,680
uh tune into that i'm sure he'll be

136
00:06:51,270 --> 00:06:49,280
talking about that i mean i can't say

137
00:06:53,830 --> 00:06:51,280
for certain but i would imagine that's

138
00:06:54,710 --> 00:06:53,840

the hubbub that's the news right

139

00:06:55,430 --> 00:06:54,720

um

140

00:06:56,790 --> 00:06:55,440

it

141

00:06:59,350 --> 00:06:56,800

at the end of the day

142

00:07:02,390 --> 00:06:59,360

you know whatever you think about uh

143

00:07:04,950 --> 00:07:02,400

alexander or any character

144

00:07:06,230 --> 00:07:04,960

in ufology whether it be greenwald or

145

00:07:10,230 --> 00:07:06,240

other people

146

00:07:10,240 --> 00:07:12,550

um

147

00:07:12,560 --> 00:07:16,710

there is

148

00:07:19,830 --> 00:07:17,589

law

149

00:07:22,790 --> 00:07:19,840

that congress enacted to look into the

150

00:07:25,510 --> 00:07:24,230

and they have to follow through with

151
00:07:29,270 --> 00:07:25,520
that

152
00:07:31,589 --> 00:07:29,280
and we have to hold them accountable for

153
00:07:34,150 --> 00:07:31,599
that

154
00:07:36,550 --> 00:07:34,160
you know they have to do their job now

155
00:07:37,990 --> 00:07:36,560
and it's their job right now to clean up

156
00:07:40,629 --> 00:07:38,000
this mess

157
00:07:42,469 --> 00:07:40,639
because it is a mess

158
00:07:43,749 --> 00:07:42,479
and congress passed a law to look into

159
00:07:45,589 --> 00:07:43,759
uaps

160
00:07:47,029 --> 00:07:45,599
and they have to do that and they have

161
00:07:49,189 --> 00:07:47,039
to clean up this mess because that's

162
00:07:52,230 --> 00:07:49,199
their job

163
00:07:56,070 --> 00:07:54,230

there's still a ig investigation looking

164

00:07:57,430 --> 00:07:56,080

in the past actions the uap over the

165

00:07:59,670 --> 00:07:57,440

course of two years

166

00:08:01,830 --> 00:07:59,680

so

167

00:08:05,749 --> 00:08:01,840

let's hope that is actually getting to

168

00:08:09,350 --> 00:08:07,589

you know

169

00:08:11,430 --> 00:08:09,360

because really any of this stuff if he's

170

00:08:12,869 --> 00:08:11,440

fired if he's not fired

171

00:08:16,790 --> 00:08:12,879

whatever like

172

00:08:20,550 --> 00:08:18,469

there's law

173

00:08:22,390 --> 00:08:20,560

and congress needs to follow through

174

00:08:25,510 --> 00:08:22,400

with that

175

00:08:27,110 --> 00:08:25,520

and the law needs to be followed

176

00:08:29,749 --> 00:08:27,120

and then whatever comes out from that is

177

00:08:34,070 --> 00:08:29,759

what comes out from it right the truth

178

00:08:38,389 --> 00:08:36,310

but we need to get that truth right and

179

00:08:40,310 --> 00:08:38,399

enough of

180

00:08:42,790 --> 00:08:40,320

back and forth hiding stuff not hiding

181

00:08:47,110 --> 00:08:42,800

stuff covering up for people like gary

182

00:08:48,870 --> 00:08:47,120

reed getting lies out of uh susan gao

183

00:08:51,829 --> 00:08:48,880

people lying straight to the american

184

00:08:53,750 --> 00:08:51,839

public about stuff

185

00:08:57,829 --> 00:08:53,760

you know

186

00:09:01,110 --> 00:08:59,110

get some truth here because enough

187

00:09:04,230 --> 00:09:01,120

people's lives have been sacrificed to

188

00:09:06,550 --> 00:09:04,240

time effort looking into this topic all

189

00:09:08,470 --> 00:09:06,560

this stuff

190

00:09:10,550 --> 00:09:08,480

you know our government owes it to us to

191

00:09:14,150 --> 00:09:10,560

be transparent with what the heck is

192

00:09:18,710 --> 00:09:14,160

going on and might i add

193

00:09:22,550 --> 00:09:20,550

so you can look at this article yourself

194

00:09:24,949 --> 00:09:22,560

it's the last political

195

00:09:28,230 --> 00:09:24,959

article written by brian bender who's

196

00:09:30,790 --> 00:09:28,240

also featured on the show unidentified

197

00:09:33,350 --> 00:09:30,800

take that for what you want

198

00:09:35,829 --> 00:09:33,360

um tim mcmillan uh

199

00:09:38,389 --> 00:09:35,839

released the one off the debrief if you

200

00:09:41,110 --> 00:09:38,399

remember the debrief was launched

201
00:09:44,310 --> 00:09:41,120
um not too long ago with a

202
00:09:45,269 --> 00:09:44,320
big story about uap and that got them

203
00:09:47,990 --> 00:09:45,279
started

204
00:09:51,910 --> 00:09:48,000
and before that

205
00:09:56,790 --> 00:09:53,750
um i don't know his timeline officially

206
00:09:59,030 --> 00:09:56,800
but before that he was a police officer

207
00:10:00,470 --> 00:09:59,040
so

208
00:10:02,069 --> 00:10:00,480
it's interesting you know all these

209
00:10:04,389 --> 00:10:02,079
different people that have something to

210
00:10:06,150 --> 00:10:04,399
do with uap and what's what and who's

211
00:10:07,670 --> 00:10:06,160
helping who and what's the truth and

212
00:10:09,829 --> 00:10:07,680
what isn't the truth and it gets so

213
00:10:12,470 --> 00:10:09,839

freaking messy

214

00:10:15,590 --> 00:10:12,480

you know who really wants transparency

215

00:10:19,590 --> 00:10:15,600

who's covering up for secret weapons

216

00:10:20,949 --> 00:10:19,600

who's just trying to make money

217

00:10:23,750 --> 00:10:20,959

who's just trying to entertain

218

00:10:28,310 --> 00:10:26,710

there's so much absolute

219

00:10:30,829 --> 00:10:28,320

horseshit

220

00:10:34,470 --> 00:10:30,839

in this community i gotta

221

00:10:36,230 --> 00:10:34,480

say it's like i sometimes i feel like

222

00:10:39,990 --> 00:10:36,240

the amount of people that actually want

223

00:10:44,310 --> 00:10:41,670

are just like

224

00:10:49,590 --> 00:10:46,550

than and people that are in this stuff

225

00:10:52,630 --> 00:10:49,600

for different reasons you know

226

00:10:55,590 --> 00:10:52,640

which which is unfortunate but

227

00:10:58,150 --> 00:10:55,600

hopefully that changes one day i guess

228

00:11:00,470 --> 00:10:58,160

and hopefully we'll figure it out

229

00:11:02,310 --> 00:11:00,480

but until then

230

00:11:04,069 --> 00:11:02,320

we're gonna be

231

00:11:07,829 --> 00:11:04,079

doing our own thing

232

00:11:10,949 --> 00:11:09,910

like old documents

233

00:11:13,030 --> 00:11:10,959

pictures

234

00:11:14,710 --> 00:11:13,040

videos

235

00:11:16,949 --> 00:11:14,720

all that kind of stuff

236

00:11:22,069 --> 00:11:16,959

what we're going to do today which i

237

00:11:31,150 --> 00:11:27,269

is look at a few cases from

238

00:11:35,509 --> 00:11:34,310

1966 in particular in 1966 there was

239

00:11:36,949 --> 00:11:35,519

this wave

240

00:11:39,829 --> 00:11:36,959

i mean it seems like there was always a

241

00:11:43,670 --> 00:11:39,839

wave of ufo sightings but in this

242

00:11:45,030 --> 00:11:43,680

particular time in the middle of 1966

243

00:11:46,949 --> 00:11:45,040

these people were having these

244

00:11:49,509 --> 00:11:46,959

encounters that were

245

00:11:51,030 --> 00:11:49,519

kind of go above and beyond normal type

246

00:11:54,310 --> 00:11:51,040

encounters i mean first of all i think

247

00:11:56,629 --> 00:11:54,320

it was west all right 1966 april

248

00:11:57,430 --> 00:11:56,639

6 even in australia that was an intense

249

00:11:59,590 --> 00:11:57,440

one

250

00:12:02,230 --> 00:11:59,600

ship lands all these kids see it

251
00:12:04,230 --> 00:12:02,240
you know i'm not completely brushed up

252
00:12:06,550 --> 00:12:04,240
on that case but i it was intense

253
00:12:13,670 --> 00:12:06,560
obviously you had all these kids um tell

254
00:12:17,269 --> 00:12:14,949
but

255
00:12:19,110 --> 00:12:17,279
that definitely

256
00:12:21,269 --> 00:12:19,120
not even close

257
00:12:26,470 --> 00:12:21,279
was that the only

258
00:12:26,480 --> 00:12:31,910
there was a lot of others

259
00:12:36,069 --> 00:12:34,310
yeah chris leto did a thing about gary

260
00:12:37,990 --> 00:12:36,079
reed

261
00:12:39,990 --> 00:12:38,000
i watched a little bit of it basically

262
00:12:41,590 --> 00:12:40,000
he was i'm just talking about how he's

263
00:12:43,670 --> 00:12:41,600

bully

264

00:12:45,269 --> 00:12:43,680

and he knows uh bullies like that and

265

00:12:48,629 --> 00:12:45,279

talks about

266

00:12:50,230 --> 00:12:48,639

you know um kind of uh the work how

267

00:12:52,949 --> 00:12:50,240

things work basically

268

00:12:55,670 --> 00:12:52,959

kissing butt up to the top and kicking

269

00:12:57,670 --> 00:12:55,680

people down below you you know

270

00:12:59,750 --> 00:12:57,680

um

271

00:13:01,670 --> 00:12:59,760

andres comes in with us delta force he

272

00:13:03,670 --> 00:13:01,680

was delta force that's like the pretty

273

00:13:05,509 --> 00:13:03,680

much premier special ops unit that you

274

00:13:06,389 --> 00:13:05,519

can get

275

00:13:11,509 --> 00:13:06,399

you know

276

00:13:11,519 --> 00:13:14,790

seems like he's a jerk

277

00:13:20,629 --> 00:13:18,470

um but but i i think uh in the next

278

00:13:22,949 --> 00:13:20,639

i mean i can't say but within the next

279

00:13:25,269 --> 00:13:22,959

few days or weeks we'll probably find

280

00:13:27,829 --> 00:13:25,279

out a lot more about that at the very

281

00:13:29,829 --> 00:13:27,839

least we deserve some sort of like uh

282

00:13:31,030 --> 00:13:29,839

truthful statement but who's going to

283

00:13:33,430 --> 00:13:31,040

give us that statement from the

284

00:13:35,030 --> 00:13:33,440

government and can we even count on that

285

00:13:39,750 --> 00:13:35,040

statement from the government because

286

00:13:41,750 --> 00:13:39,760

all they've been doing is lying to us

287

00:13:42,790 --> 00:13:41,760

you know

288

00:13:45,990 --> 00:13:42,800

so

289

00:13:49,189 --> 00:13:46,790

you know

290

00:13:51,509 --> 00:13:49,199

if susan gal gives you a statement why

291

00:13:52,470 --> 00:13:51,519

do you even treat it as any semblance of

292

00:13:53,269 --> 00:13:52,480

truth

293

00:13:55,269 --> 00:13:53,279

just

294

00:14:00,389 --> 00:13:55,279

trash it trash the email why would you

295

00:14:04,310 --> 00:14:02,230

it's it's no good it's not worth

296

00:14:07,430 --> 00:14:04,320

anything

297

00:14:10,710 --> 00:14:07,440

why even throw that into the mix

298

00:14:14,790 --> 00:14:10,720

a susan gao statement

299

00:14:18,550 --> 00:14:16,870

you know

300

00:14:20,470 --> 00:14:18,560

and that's kind of really what muddied

301

00:14:22,949 --> 00:14:20,480

up all these waters is this susan gao

302

00:14:26,470 --> 00:14:22,959

statement

303

00:14:32,790 --> 00:14:30,949

susan wrote the book on on psyops right

304

00:14:35,829 --> 00:14:32,800

who's been caught lying about uaps to

305

00:14:39,670 --> 00:14:37,990

puts out a statement after this story

306

00:14:41,509 --> 00:14:39,680

that muddies up the whole thing who

307

00:14:43,110 --> 00:14:41,519

would have thought

308

00:14:45,990 --> 00:14:43,120

and what i would do is look at the

309

00:14:47,670 --> 00:14:46,000

people who use that statement who take

310

00:14:48,790 --> 00:14:47,680

that statement and prop up their

311

00:14:50,629 --> 00:14:48,800

argument

312

00:14:52,310 --> 00:14:50,639

and all you have to do is look at their

313

00:14:53,990 --> 00:14:52,320

twitter pages

314

00:14:55,829 --> 00:14:54,000

and who's doing that

315

00:15:02,389 --> 00:14:55,839

who's propping up the person that's been

316

00:15:07,829 --> 00:15:05,030

those people i bet wouldn't be

317

00:15:10,790 --> 00:15:07,839

worth listening to

318

00:15:14,230 --> 00:15:12,870

that's what i would think

319

00:15:15,750 --> 00:15:14,240

but

320

00:15:17,269 --> 00:15:15,760

it's just me

321

00:15:18,150 --> 00:15:17,279

if it turns out

322

00:15:20,310 --> 00:15:18,160

that

323

00:15:22,310 --> 00:15:20,320

you know mcmillan is wrong and the guy

324

00:15:23,350 --> 00:15:22,320

wasn't fired and like joe says here he

325

00:15:24,230 --> 00:15:23,360

was

326

00:15:25,990 --> 00:15:24,240
um

327

00:15:27,110 --> 00:15:26,000
you know

328

00:15:30,470 --> 00:15:27,120
he was

329

00:15:32,150 --> 00:15:30,480
promoted to a higher rank

330

00:15:34,389 --> 00:15:32,160
and that story is wrong the details are

331

00:15:37,590 --> 00:15:34,399
wrong about it then at least we know

332

00:15:39,670 --> 00:15:37,600
well let's take off macmillan

333

00:15:41,509 --> 00:15:39,680
can't trust that guy anymore

334

00:15:43,110 --> 00:15:41,519
his reporting stinks

335

00:15:46,389 --> 00:15:43,120
and we'll know that

336

00:15:50,790 --> 00:15:48,629
but right now we know one person lies

337

00:15:52,310 --> 00:15:50,800
and that susan cow

338

00:15:56,389 --> 00:15:52,320

and we don't know that the other person

339

00:15:59,829 --> 00:15:57,670

so

340

00:16:01,509 --> 00:15:59,839

i think we gotta go that way at least i

341

00:16:07,430 --> 00:16:01,519

do

342

00:16:11,749 --> 00:16:09,590

but yeah

343

00:16:14,949 --> 00:16:11,759

it's like it's just so interesting to me

344

00:16:16,790 --> 00:16:14,959

anytime a big thing comes around

345

00:16:18,790 --> 00:16:16,800

all the hubbub that comes with it you

346

00:16:20,150 --> 00:16:18,800

know all the different people that all

347

00:16:22,470 --> 00:16:20,160

of a sudden throw their opinions in

348

00:16:25,110 --> 00:16:22,480

their strong opinions and and try to

349

00:16:26,790 --> 00:16:25,120

change the the

350

00:16:28,629 --> 00:16:26,800

uh the narrative

351

00:16:33,030 --> 00:16:28,639

so to speak

352

00:16:38,069 --> 00:16:34,949

and i feel like intentions on either

353

00:16:44,550 --> 00:16:38,079

side sometimes just aren't exactly

354

00:16:49,030 --> 00:16:45,749

so

355

00:16:50,790 --> 00:16:49,040

19 freaking 66.

356

00:16:53,189 --> 00:16:50,800

this one i'm gonna start with i have a

357

00:16:55,269 --> 00:16:53,199

few cases uh most of which i'm just

358

00:16:57,990 --> 00:16:55,279

gonna not really talk too much about and

359

00:17:00,870 --> 00:16:58,000

just go through quick there's two cases

360

00:17:02,550 --> 00:17:00,880

that are pretty

361

00:17:08,630 --> 00:17:02,560

cool

362

00:17:12,549 --> 00:17:08,640

have sheriffs all the way from

363

00:17:19,590 --> 00:17:15,990

these people chased a ufo

364

00:17:21,669 --> 00:17:19,600
for 80 miles

365

00:17:24,390 --> 00:17:21,679
80 freaking

366

00:17:26,230 --> 00:17:24,400
miles they chased the thing

367

00:17:27,990 --> 00:17:26,240
and this story is intense

368

00:17:30,070 --> 00:17:28,000
and this is just a couple weeks after

369

00:17:32,390 --> 00:17:30,080
westowl

370

00:17:35,270 --> 00:17:32,400
a report of a ufo was received from mr

371

00:17:37,669 --> 00:17:35,280
dale spar badge number 15 portage county

372

00:17:41,590 --> 00:17:37,679
sheriff's office for vena hyatt

373

00:17:43,590 --> 00:17:41,600
17 to april 1966

374

00:17:46,710 --> 00:17:43,600
first sighted in ravino ohio along

375

00:17:48,470 --> 00:17:46,720
rounds 224 44 followed the object conway

376

00:17:50,870 --> 00:17:48,480

pennsylvania for about 80 miles of

377

00:17:51,990 --> 00:17:50,880

object seem to be taking off from the

378

00:17:54,470 --> 00:17:52,000

ground

379

00:17:55,830 --> 00:17:54,480

oblong shaped with antenna projecting

380

00:17:58,150 --> 00:17:55,840

from it

381

00:18:00,470 --> 00:17:58,160

there were no colored lights only a very

382

00:18:03,669 --> 00:18:00,480

bright silvery radiance object flying

383

00:18:05,750 --> 00:18:03,679

about 500 feet over vehicle wow

384

00:18:08,310 --> 00:18:05,760

it would slow down its speed

385

00:18:11,110 --> 00:18:08,320

and then go very fast the glow from the

386

00:18:13,830 --> 00:18:11,120

object was so bright it blinded

387

00:18:15,909 --> 00:18:13,840

driver of vehicle object was flying due

388

00:18:18,070 --> 00:18:15,919

east this was witnessed by people along

389

00:18:19,909 --> 00:18:18,080

the route between ravino ohio conway

390

00:18:22,390 --> 00:18:19,919

pennsylvania there were three men from

391

00:18:24,390 --> 00:18:22,400

sheriff's office and two patrol cars

392

00:18:25,350 --> 00:18:24,400

that followed the object along this

393

00:18:27,830 --> 00:18:25,360

route

394

00:18:30,310 --> 00:18:27,840

after the report was received a call was

395

00:18:32,070 --> 00:18:30,320

made to the airport tower at greater

396

00:18:34,390 --> 00:18:32,080

pittsburgh airport nothing had been

397

00:18:37,669 --> 00:18:34,400

picked up on radar at the airport

398

00:18:41,110 --> 00:18:37,679

so the national guard and f-102s did not

399

00:18:42,710 --> 00:18:41,120

go scrambled ufo basically because

400

00:18:44,230 --> 00:18:42,720

they said they're

401
00:18:46,630 --> 00:18:44,240
they didn't pick up radar so they didn't

402
00:18:48,710 --> 00:18:46,640
scramble for it

403
00:18:50,630 --> 00:18:48,720
it's like yeah okay

404
00:18:53,430 --> 00:18:50,640
you know how ufos work huh why don't you

405
00:18:55,190 --> 00:18:54,390
so

406
00:18:57,190 --> 00:18:55,200
um

407
00:18:59,350 --> 00:18:57,200
very interesting it was a lot of

408
00:19:01,590 --> 00:18:59,360
different news outlets and newspapers uh

409
00:19:03,510 --> 00:19:01,600
publicized uh the fact that a photo of

410
00:19:04,549 --> 00:19:03,520
the ufo had been taken

411
00:19:06,150 --> 00:19:04,559
um

412
00:19:07,830 --> 00:19:06,160
and

413
00:19:10,470 --> 00:19:07,840

that this happened

414

00:19:12,789 --> 00:19:10,480

so it was pretty big apparently in the

415

00:19:13,830 --> 00:19:12,799

different newspapers again it's just

416

00:19:16,310 --> 00:19:13,840

something interesting because it's

417

00:19:17,830 --> 00:19:16,320

around west all like with that story

418

00:19:19,909 --> 00:19:17,840

you'd think that one would be taken up

419

00:19:22,150 --> 00:19:19,919

off the papers but it doesn't

420

00:19:27,669 --> 00:19:22,160

you know and different ones

421

00:19:33,669 --> 00:19:30,230

um so this is just uh another report of

422

00:19:36,470 --> 00:19:35,430

same kind of thing followed it for 80

423

00:19:38,710 --> 00:19:36,480

miles

424

00:19:41,350 --> 00:19:38,720

didn't send up aircraft

425

00:19:42,630 --> 00:19:41,360

uh national guard didn't scramble uh if

426

00:19:44,310 --> 00:19:42,640

you want their phone number down there i

427

00:19:46,310 --> 00:19:44,320

don't know if it's uh the same but we

428

00:19:48,470 --> 00:19:46,320

got it in the bottom right hand corner

429

00:19:51,140 --> 00:19:48,480

four one two two six four thirty three

430

00:19:55,029 --> 00:19:51,150

eighty for colonel phillippi

431

00:19:57,270 --> 00:19:55,039

[Laughter]

432

00:20:00,390 --> 00:19:57,280

two cars followed the object along this

433

00:20:04,310 --> 00:20:02,310

yeah and in the end they said uh at

434

00:20:06,710 --> 00:20:04,320

first it was a satellite and then they

435

00:20:09,110 --> 00:20:06,720

lost it and started chasing venus that's

436

00:20:13,669 --> 00:20:09,120

exactly like the captain man tell story

437

00:20:17,669 --> 00:20:15,590

you know where captain mental in

438

00:20:19,830 --> 00:20:17,679

1948

439

00:20:22,070 --> 00:20:19,840

january they said he went after a

440

00:20:24,789 --> 00:20:22,080

balloon lost track of it and then was

441

00:20:27,590 --> 00:20:24,799

going after venus and

442

00:20:31,190 --> 00:20:30,070

here the guy goes after a satellite

443

00:20:32,789 --> 00:20:31,200

which

444

00:20:34,950 --> 00:20:32,799

is bright enough to blind them i've

445

00:20:36,710 --> 00:20:34,960

never seen a satellite like this and by

446

00:20:38,630 --> 00:20:36,720

the way they looked at different

447

00:20:39,909 --> 00:20:38,640

satellites they said it was not echo 1

448

00:20:41,990 --> 00:20:39,919

or echo 2.

449

00:20:43,510 --> 00:20:42,000

um they didn't know where pegasus was

450

00:20:47,270 --> 00:20:43,520

they didn't keep track of it anymore but

451
00:20:50,870 --> 00:20:49,029
you know

452
00:20:53,190 --> 00:20:50,880
what kind of dumb cops will go chase the

453
00:20:55,270 --> 00:20:53,200
satellite you see a satellite in this in

454
00:20:56,549 --> 00:20:55,280
the sky which i do i saw one this

455
00:21:00,149 --> 00:20:56,559
morning it's

456
00:21:04,870 --> 00:21:02,950
you know a little dimmer than some stars

457
00:21:07,110 --> 00:21:04,880
like

458
00:21:11,270 --> 00:21:07,120
you're not chasing that thing 80 miles

459
00:21:11,280 --> 00:21:17,430
it's like what the hell

460
00:21:21,909 --> 00:21:20,390
uh these are all the same story the the

461
00:21:25,990 --> 00:21:21,919
same story different paperwork from the

462
00:21:26,000 --> 00:21:31,830
so they were driving 83 84 miles an hour

463
00:21:35,510 --> 00:21:33,190

oh man

464

00:21:37,350 --> 00:21:35,520

so it's pretty interesting uh at the top

465

00:21:38,470 --> 00:21:37,360

here you can say um

466

00:21:40,390 --> 00:21:38,480

you can see

467

00:21:43,350 --> 00:21:40,400

on state route 14 notice the lighted

468

00:21:45,350 --> 00:21:43,360

object going down behind the woods

469

00:21:46,230 --> 00:21:45,360

interesting while they were out of squad

470

00:21:50,230 --> 00:21:46,240

car

471

00:21:51,510 --> 00:21:50,240

was like daylight called the home radio

472

00:21:52,950 --> 00:21:51,520

base

473

00:21:54,710 --> 00:21:52,960

and ravina

474

00:21:57,510 --> 00:21:54,720

asked them what to do told them to keep

475

00:21:59,830 --> 00:21:57,520

calm and keep it under observation now

476

00:22:02,470 --> 00:21:59,840

again satellite so i think cops are

477

00:22:05,190 --> 00:22:02,480

calling in all freaked out shaken up

478

00:22:07,590 --> 00:22:05,200

asking what to do about a tiny dot in

479

00:22:10,310 --> 00:22:07,600

this guy that you can barely see unless

480

00:22:13,430 --> 00:22:10,320

you're even looking up

481

00:22:15,350 --> 00:22:13,440

you know and first you even have to look

482

00:22:19,350 --> 00:22:15,360

up and pick it out

483

00:22:22,870 --> 00:22:20,630

what a joke

484

00:22:24,549 --> 00:22:22,880

so another police car and somebody was

485

00:22:26,310 --> 00:22:24,559

watching the object he turned around and

486

00:22:28,149 --> 00:22:26,320

went back home houston heard the radio

487

00:22:29,830 --> 00:22:28,159

contacts going on and was listening

488

00:22:31,990 --> 00:22:29,840

getting within 10 miles established

489

00:22:33,590 --> 00:22:32,000

contact he didn't see until they were a

490

00:22:35,909 --> 00:22:33,600

few miles away it was traveling down

491

00:22:38,870 --> 00:22:35,919

going southeast he got this car

492

00:22:41,909 --> 00:22:38,880

and joined it and described top

493

00:22:45,270 --> 00:22:41,919

traveling sideways atop traveling

494

00:22:49,430 --> 00:22:46,470

interesting

495

00:22:52,470 --> 00:22:49,440

very bright with no special lights no

496

00:22:54,630 --> 00:22:52,480

markings no turning

497

00:22:57,990 --> 00:22:54,640

as they went into rochester they thought

498

00:23:00,950 --> 00:23:00,070

powers thought we should send someone

499

00:23:02,390 --> 00:23:00,960

down

500

00:23:04,149 --> 00:23:02,400

to get the right directions thought one

501
00:23:06,870 --> 00:23:04,159
critical point was when houston first

502
00:23:09,270 --> 00:23:06,880
saw the object cell come over the trees

503
00:23:11,510 --> 00:23:09,280
only five miles

504
00:23:14,470 --> 00:23:11,520
there's some confusion getting near dawn

505
00:23:17,350 --> 00:23:14,480
by getting over pennsylvania

506
00:23:19,669 --> 00:23:17,360
here it is they probably started out

507
00:23:23,029 --> 00:23:19,679
with a real object they lost it and then

508
00:23:29,110 --> 00:23:26,549
who's chasing venus like

509
00:23:31,029 --> 00:23:29,120
not even in a plane

510
00:23:39,190 --> 00:23:31,039
you know they're they're in cop cars and

511
00:23:44,310 --> 00:23:40,549
um

512
00:23:51,029 --> 00:23:46,470
and more venus stuff

513
00:23:56,870 --> 00:23:53,669

this is interesting too i mean here we

514

00:23:58,950 --> 00:23:56,880

just have so many similarities

515

00:24:01,269 --> 00:23:58,960

between so many different sightings

516

00:24:04,630 --> 00:24:03,029

here it

517

00:24:08,470 --> 00:24:04,640

says um

518

00:24:09,909 --> 00:24:08,480

there was one other object like a star

519

00:24:12,549 --> 00:24:09,919

right of the moon south west three

520

00:24:14,470 --> 00:24:12,559

o'clock the only shape was uh

521

00:24:16,630 --> 00:24:14,480

unperfect circle egg shaped almost

522

00:24:18,630 --> 00:24:16,640

oblong but not real oblong so bright

523

00:24:21,029 --> 00:24:18,640

that we couldn't look directly at it

524

00:24:23,430 --> 00:24:21,039

yeah that's not a star it came out of a

525

00:24:24,950 --> 00:24:23,440

deep wooded area so

526
00:24:27,830 --> 00:24:24,960
everyone's kind of saying the same thing

527
00:24:32,630 --> 00:24:29,909
the other car was watching it from two

528
00:24:34,870 --> 00:24:32,640
roads above it it was not so everyone's

529
00:24:37,430 --> 00:24:34,880
getting confused by by the star in

530
00:24:48,870 --> 00:24:37,440
satellite

531
00:24:54,070 --> 00:24:52,710
um and then this is uh in this document

532
00:24:56,630 --> 00:24:54,080
is in uh

533
00:24:58,070 --> 00:24:56,640
pertaining to the picture that was taken

534
00:25:01,190 --> 00:24:58,080
uh basically what happened with the

535
00:25:03,029 --> 00:25:01,200
pictures is they were

536
00:25:07,510 --> 00:25:03,039
you know blue books said they were fuzzy

537
00:25:12,950 --> 00:25:09,350
what do you know

538
00:25:14,310 --> 00:25:12,960

we have a copy of that picture

539

00:25:17,110 --> 00:25:14,320

and we'll take a look at it for

540

00:25:22,549 --> 00:25:19,430

here's just a couple of the news

541

00:25:22,559 --> 00:25:26,149

newspaper

542

00:25:31,110 --> 00:25:28,789

uh we were close closer than i ever want

543

00:25:34,390 --> 00:25:31,120

to be again said a deputy sheriff who

544

00:25:36,470 --> 00:25:34,400

chased a ufo from ohio to pennsylvania

545

00:25:38,230 --> 00:25:36,480

hundreds of persons in both states

546

00:25:40,789 --> 00:25:38,240

reported seeing the brilliant and shiny

547

00:25:43,029 --> 00:25:40,799

object early sunday morning police chief

548

00:25:46,230 --> 00:25:43,039

gerald buchert of

549

00:25:48,230 --> 00:25:46,240

mantua about eight miles north of ravina

550

00:25:49,750 --> 00:25:48,240

uh said he took a picture of the object

551
00:25:51,669 --> 00:25:49,760
from his front yard but the air force

552
00:25:53,830 --> 00:25:51,679
told him not to release it

553
00:25:55,669 --> 00:25:53,840
and that's where the stories always come

554
00:25:57,350 --> 00:25:55,679
out don't they don't release that

555
00:25:59,750 --> 00:25:57,360
picture of the air forces

556
00:26:02,870 --> 00:25:59,760
deputy sheriff dale uh said he and his

557
00:26:05,830 --> 00:26:02,880
partner wl neve were close to the object

558
00:26:11,669 --> 00:26:05,840
in separate cars and chased it 86 miles

559
00:26:11,679 --> 00:26:15,350
and the one to the right

560
00:26:21,029 --> 00:26:18,310
clocked at 103 miles per hour it's not

561
00:26:22,549 --> 00:26:21,039
too fast about 40 feet wide and 18 feet

562
00:26:24,470 --> 00:26:22,559
high wow

563
00:26:27,750 --> 00:26:24,480

lines of the object were very distinct

564

00:26:29,510 --> 00:26:27,760

somebody had control over it he said it

565

00:26:33,750 --> 00:26:29,520

wasn't just floating around it can

566

00:26:38,390 --> 00:26:35,830

later on he says i know nobody's gonna

567

00:26:42,070 --> 00:26:38,400

believe it but it's true he in

568

00:26:42,080 --> 00:26:50,149

interesting huh

569

00:26:55,510 --> 00:26:52,950

this is an interesting letter

570

00:26:55,520 --> 00:27:00,630

somebody writes the congressman

571

00:27:04,310 --> 00:27:02,950

because they're pissed off

572

00:27:05,430 --> 00:27:04,320

i'm writing to complain about the

573

00:27:07,110 --> 00:27:05,440

attitude and actions of the

574

00:27:08,950 --> 00:27:07,120

representative of the united states air

575

00:27:10,870 --> 00:27:08,960

force at wright patterson field in

576

00:27:13,430 --> 00:27:10,880

reference to reports of ufo sightings of

577

00:27:15,830 --> 00:27:13,440

portico county on the 17th of april at

578

00:27:18,230 --> 00:27:15,840

about 3 a.m two deputies portage county

579

00:27:19,669 --> 00:27:18,240

sheriff's office dale and wilbur and the

580

00:27:21,590 --> 00:27:19,679

chief of police

581

00:27:23,909 --> 00:27:21,600

gerald reported that they observed an

582

00:27:25,510 --> 00:27:23,919

object in the air over portage

583

00:27:27,750 --> 00:27:25,520

two deputies stated they chased this

584

00:27:29,430 --> 00:27:27,760

object for 85 miles before they were

585

00:27:34,950 --> 00:27:29,440

forced to give up their pursuit they ran

586

00:27:34,960 --> 00:27:39,909

and he further says

587

00:27:45,669 --> 00:27:42,630

that he was mad because all they did was

588

00:27:46,950 --> 00:27:45,679

make telephone calls

589

00:27:49,830 --> 00:27:46,960

they talked to these people over the

590

00:27:52,389 --> 00:27:49,840

phone that was it

591

00:27:54,310 --> 00:27:52,399

these cops are in this heated chase of a

592

00:27:56,070 --> 00:27:54,320

ufo in their cop cars

593

00:27:57,830 --> 00:27:56,080

the air force who's in charge of

594

00:28:00,230 --> 00:27:57,840

investigating this stuff they call them

595

00:28:02,230 --> 00:28:00,240

they talk to them that's it oh okay good

596

00:28:04,470 --> 00:28:02,240

see ya that's it that must be a

597

00:28:11,269 --> 00:28:04,480

satellite and venus end

598

00:28:16,549 --> 00:28:14,870

someone in control sheriff says of ufo

599

00:28:17,990 --> 00:28:16,559

we were close closer than i ever want to

600

00:28:20,789 --> 00:28:18,000

be again

601
00:28:23,269 --> 00:28:20,799
says that again

602
00:28:25,669 --> 00:28:23,279
it's kind of a copy and paste

603
00:28:28,830 --> 00:28:25,679
job right here

604
00:28:33,990 --> 00:28:28,840
this is the continuation of that letter

605
00:28:38,950 --> 00:28:36,470
bottom paragraphs i personally know the

606
00:28:41,350 --> 00:28:38,960
three officers involved they are men of

607
00:28:43,909 --> 00:28:41,360
integrity and i feel this it is grossly

608
00:28:46,070 --> 00:28:43,919
unfair for the air force to reach any

609
00:28:47,350 --> 00:28:46,080
conclusion in this matter until it has

610
00:28:49,190 --> 00:28:47,360
conducted a real and complete

611
00:28:51,590 --> 00:28:49,200
investigation

612
00:28:54,389 --> 00:28:51,600
as the congressman from this district i

613
00:28:56,230 --> 00:28:54,399

sincerely urge you to insist that the

614

00:28:59,750 --> 00:28:56,240

air force immediately send investigators

615

00:29:01,990 --> 00:28:59,760

to portage county to make

616

00:29:03,430 --> 00:29:02,000

such an investigation and to reevaluate

617

00:29:05,830 --> 00:29:03,440

its findings

618

00:29:07,669 --> 00:29:05,840

after a visit

619

00:29:09,190 --> 00:29:07,679

now this is

620

00:29:10,549 --> 00:29:09,200

the picture this is kind of a crappy

621

00:29:12,549 --> 00:29:10,559

version of it

622

00:29:15,909 --> 00:29:12,559

took me a while to figure out that

623

00:29:19,110 --> 00:29:15,919

this whole black outline here is

624

00:29:20,950 --> 00:29:19,120

i think what it is so

625

00:29:22,549 --> 00:29:20,960

that's a bad picture

626

00:29:23,909 --> 00:29:22,559

uh the other one's not much better but

627

00:29:29,590 --> 00:29:23,919

it is a little better i clipped it

628

00:29:36,789 --> 00:29:32,710

so it's all red around here

629

00:29:36,799 --> 00:29:39,750

right there

630

00:29:39,760 --> 00:29:42,630

sorry

631

00:29:47,430 --> 00:29:45,350

so it goes all the way you can see like

632

00:29:52,070 --> 00:29:47,440

kind of uh

633

00:30:01,830 --> 00:29:56,230

dark objects said to be picture of ufo

634

00:30:01,840 --> 00:30:06,470

pretty interesting i would say

635

00:30:10,870 --> 00:30:08,950

and so if you believe that story which i

636

00:30:12,310 --> 00:30:10,880

believe this story this is a picture of

637

00:30:15,510 --> 00:30:12,320

the object

638

00:30:18,549 --> 00:30:15,520

now it sucks yeah

639

00:30:23,590 --> 00:30:18,559

but in reality this is a picture of a

640

00:30:30,549 --> 00:30:27,430

interesting

641

00:30:30,559 --> 00:30:36,149

just another story here

642

00:30:40,710 --> 00:30:37,350

and

643

00:30:45,510 --> 00:30:40,720

going forward these are different cases

644

00:30:48,149 --> 00:30:45,520

around the same time march 24 1966

645

00:30:51,029 --> 00:30:48,159

another saucer

646

00:30:54,389 --> 00:30:51,039

march 9 66.

647

00:30:56,789 --> 00:30:54,399

this one was seen along a piper cub

648

00:31:03,190 --> 00:30:56,799

single engine aircraft

649

00:31:07,669 --> 00:31:05,190

there's a drawing here's a drawing of

650

00:31:14,710 --> 00:31:07,679

another one

651
00:31:14,720 --> 00:31:18,470
so

652
00:31:23,190 --> 00:31:21,350
here is the police report

653
00:31:25,110 --> 00:31:23,200
from the one we were just talking about

654
00:31:27,909 --> 00:31:25,120
portage county sorry it's a little mixed

655
00:31:31,990 --> 00:31:29,909
actual police report description of

656
00:31:34,870 --> 00:31:32,000
object round object except when it moved

657
00:31:37,190 --> 00:31:34,880
left or right it appeared to tilt

658
00:31:38,470 --> 00:31:37,200
and to be saucer shape with a light

659
00:31:40,389 --> 00:31:38,480
coming from it

660
00:31:42,630 --> 00:31:40,399
object was very bright

661
00:31:46,549 --> 00:31:42,640
and it was a steady light it did not

662
00:31:50,710 --> 00:31:48,710
no other stars etc except moon and area

663
00:31:53,909 --> 00:31:50,720

of object object appeared larger than

664

00:31:56,230 --> 00:31:53,919

any star ever seen by officer

665

00:31:59,750 --> 00:31:56,240

yeah i would think so

666

00:32:02,310 --> 00:31:59,760

heard no sound from it no vapor trail

667

00:32:04,470 --> 00:32:02,320

was left by it

668

00:32:06,710 --> 00:32:04,480

the object had no wings the sky was

669

00:32:08,870 --> 00:32:06,720

clear no distance or size of an object

670

00:32:10,389 --> 00:32:08,880

is stated because it would purely be a

671

00:32:11,990 --> 00:32:10,399

guess on my part

672

00:32:16,070 --> 00:32:12,000

it was bigger than any star i've ever

673

00:32:17,830 --> 00:32:16,080

seen yeah no crap dude

674

00:32:20,149 --> 00:32:17,840

ain't no star

675

00:32:21,990 --> 00:32:20,159

so as i go through these other reports

676
00:32:23,669 --> 00:32:22,000
and such from around the same time

677
00:32:24,710 --> 00:32:23,679
they're all kind of reporting the same

678
00:32:25,830 --> 00:32:24,720
shape

679
00:32:26,950 --> 00:32:25,840
um

680
00:32:28,950 --> 00:32:26,960
you know the

681
00:32:30,630 --> 00:32:28,960
instances where sound is mentioned it's

682
00:32:32,389 --> 00:32:30,640
the same kind of sound with the low hum

683
00:32:35,269 --> 00:32:32,399
and everything but it gets really

684
00:32:38,149 --> 00:32:35,279
interesting because for the first time

685
00:32:40,549 --> 00:32:38,159
in looking at all these blue book

686
00:32:42,870 --> 00:32:40,559
documents for the first time

687
00:32:44,070 --> 00:32:42,880
i start to see

688
00:32:46,789 --> 00:32:44,080

department

689

00:32:49,669 --> 00:32:46,799

of defense intelligence information

690

00:32:55,350 --> 00:32:53,430

now what the hell is the dod

691

00:32:59,669 --> 00:32:55,360

who's gary reed works for

692

00:33:05,909 --> 00:32:59,679

looking at ufos in 1966 for

693

00:33:05,919 --> 00:33:09,110

interesting

694

00:33:12,710 --> 00:33:10,789

now this is regarding a case in

695

00:33:16,230 --> 00:33:12,720

california there was a case in

696

00:33:22,070 --> 00:33:18,710

so what was going on

697

00:33:22,080 --> 00:33:27,190

there's no other time have i seen

698

00:33:32,310 --> 00:33:28,549

the dod

699

00:33:34,710 --> 00:33:32,320

getting ufo reports on ufos in

700

00:33:37,029 --> 00:33:34,720

the country

701
00:33:38,870 --> 00:33:37,039
of america

702
00:33:43,190 --> 00:33:38,880
i've seen them get ones outside of the

703
00:33:45,430 --> 00:33:43,200
country in later on past 69 past 70.

704
00:33:48,950 --> 00:33:45,440
but here we are

705
00:33:52,310 --> 00:33:50,630
and don't forget to like this video if

706
00:33:55,430 --> 00:33:52,320
you can that would be great that stuff

707
00:33:58,470 --> 00:33:56,870
thanks sarah for the reminder i do

708
00:34:00,070 --> 00:33:58,480
appreciate it

709
00:34:05,350 --> 00:34:00,080
all that stuff helps i always forget to

710
00:34:08,069 --> 00:34:06,870
um

711
00:34:10,310 --> 00:34:08,079
so that's very interesting the

712
00:34:15,270 --> 00:34:10,320
department of the def department of

713
00:34:18,470 --> 00:34:15,280

defense april 30 1966 checking out ufo

714

00:34:24,069 --> 00:34:21,669

thanks joe's

715

00:34:26,149 --> 00:34:24,079

in the united states of america now if

716

00:34:28,069 --> 00:34:26,159

robert is here still watching he could

717

00:34:32,069 --> 00:34:28,079

probably correct me if i'm wrong is that

718

00:34:36,790 --> 00:34:34,550

maybe maybe not

719

00:34:38,950 --> 00:34:36,800

so we got yeah and that's a part of the

720

00:34:42,389 --> 00:34:38,960

sacramento one phenomena which you

721

00:34:44,310 --> 00:34:42,399

reported for at the 30th of april 1966

722

00:34:46,389 --> 00:34:44,320

has been checked

723

00:34:48,470 --> 00:34:46,399

check with the fire department in mather

724

00:34:52,149 --> 00:34:48,480

air force base california you got no

725

00:34:53,909 --> 00:34:52,159

record oh okay so i got no record of a

726
00:34:56,710 --> 00:34:53,919
fire so

727
00:34:59,670 --> 00:34:56,720
this sacramento report is

728
00:35:03,190 --> 00:34:59,680
crazy so this this guy has seen

729
00:35:06,310 --> 00:35:03,200
two ufos on the 29th and 30th

730
00:35:08,630 --> 00:35:06,320
they tell them hey on the 29th

731
00:35:11,270 --> 00:35:08,640
it was venus

732
00:35:13,430 --> 00:35:11,280
on the 30th it was uh you saw a

733
00:35:14,829 --> 00:35:13,440
refueling thing

734
00:35:18,630 --> 00:35:14,839
that starts

735
00:35:21,430 --> 00:35:18,640
fires the guy never mentioned a fire

736
00:35:23,270 --> 00:35:21,440
and in the correspondence

737
00:35:25,270 --> 00:35:23,280
you see this conversation with nellis

738
00:35:26,310 --> 00:35:25,280

air force base nevada the fuel testing

739

00:35:32,630 --> 00:35:26,320

that takes

740

00:35:34,150 --> 00:35:32,640

the burning of age two uh the flames

741

00:35:36,230 --> 00:35:34,160

reach an altitude of above several

742

00:35:38,230 --> 00:35:36,240

hundred feet the flames could not be

743

00:35:41,190 --> 00:35:38,240

visible in california isn't that

744

00:35:45,190 --> 00:35:42,150

but yet

745

00:35:49,430 --> 00:35:45,200

they go and tell this person

746

00:35:55,190 --> 00:35:51,510

and here we are

747

00:35:58,760 --> 00:35:57,270

and we don't even know if gary reed was

748

00:36:04,870 --> 00:35:58,770

freaking fired

749

00:36:11,109 --> 00:36:09,430

like these these reports are always so

750

00:36:13,910 --> 00:36:11,119

like this is the witness report that

751
00:36:16,310 --> 00:36:13,920
they're you know they're not saying like

752
00:36:17,430 --> 00:36:16,320
it's aliens you gotta help me like

753
00:36:19,190 --> 00:36:17,440
the guy

754
00:36:21,270 --> 00:36:19,200
says this is the first time i met in my

755
00:36:23,030 --> 00:36:21,280
life that i've ever seen a ufo or

756
00:36:25,109 --> 00:36:23,040
whatever it was

757
00:36:27,190 --> 00:36:25,119
i never have time or interest to be

758
00:36:28,870 --> 00:36:27,200
bothered with such speculation

759
00:36:30,470 --> 00:36:28,880
i thought i'd be doing my duty as a

760
00:36:33,430 --> 00:36:30,480
citizen and loyal american to report

761
00:36:34,390 --> 00:36:33,440
this phenomenon regardless of uh what it

762
00:36:35,990 --> 00:36:34,400
could be

763
00:36:37,670 --> 00:36:36,000

or what would be said

764

00:36:39,670 --> 00:36:37,680

i can see you by the tone of your last

765

00:36:43,030 --> 00:36:39,680

correspondence

766

00:36:45,349 --> 00:36:43,040

just what you comply to and how such

767

00:36:48,230 --> 00:36:45,359

matters are handled i place no blame on

768

00:36:50,470 --> 00:36:48,240

anyone you are being one man in an

769

00:36:53,270 --> 00:36:50,480

exclusive position having quite a small

770

00:36:53,280 --> 00:36:59,270

so he's understanding he's empathetic

771

00:36:59,280 --> 00:37:03,910

and he gets lied to

772

00:37:03,920 --> 00:37:07,829

just like we're getting lied to now

773

00:37:07,839 --> 00:37:11,750

isn't that something

774

00:37:11,760 --> 00:37:16,630

one is enough enough

775

00:37:20,950 --> 00:37:18,390

i don't know

776

00:37:24,069 --> 00:37:22,630

but

777

00:37:31,349 --> 00:37:24,079

the last

778

00:37:33,910 --> 00:37:31,359

that is kind of the most intense to me

779

00:37:36,710 --> 00:37:33,920

and ties actually into

780

00:37:39,030 --> 00:37:36,720

um injuries from ufos

781

00:37:41,510 --> 00:37:39,040

that we've heard about which the story

782

00:37:43,270 --> 00:37:41,520

has been conveniently um pushed to the

783

00:37:46,790 --> 00:37:43,280

bottom of the barrel with this gary reid

784

00:37:51,270 --> 00:37:46,800

story whatever that means i don't know

785

00:37:51,280 --> 00:37:55,910

again remember people were talking about

786

00:38:00,150 --> 00:37:58,150

only source from

787

00:38:03,109 --> 00:38:00,160

from

788

00:38:06,550 --> 00:38:03,119

the inquirer all that kind of stuff

789

00:38:08,870 --> 00:38:06,560

yes like in sure

790

00:38:12,150 --> 00:38:08,880

build channel build community thanks

791

00:38:13,829 --> 00:38:12,160

sarah so kind i love it

792

00:38:15,589 --> 00:38:13,839

love it

793

00:38:17,109 --> 00:38:15,599

i do put quite a bit of work into

794

00:38:20,150 --> 00:38:17,119

finding this stuff and putting the shows

795

00:38:23,589 --> 00:38:21,829

anything you can do to help

796

00:38:26,390 --> 00:38:23,599

which would be a thumbs up for sharing

797

00:38:31,349 --> 00:38:26,400

much appreciated so

798

00:38:31,359 --> 00:38:34,870

and it was

799

00:38:47,589 --> 00:38:37,670

um personally investigated by dr j allen

800

00:38:53,109 --> 00:38:50,150

so i'm going to

801
00:38:55,349 --> 00:38:53,119
pretty much just read this

802
00:38:57,270 --> 00:38:55,359
word for word and be a storyteller here

803
00:39:02,069 --> 00:38:57,280
because it's pretty good

804
00:39:03,430 --> 00:39:02,079
on april 7 1966 three teenage couples

805
00:39:05,510 --> 00:39:03,440
blah blah blah

806
00:39:08,470 --> 00:39:05,520
they list their names had gone at

807
00:39:11,510 --> 00:39:08,480
daniel's park south of denver by some 10

808
00:39:12,829 --> 00:39:11,520
to 15 miles in completely open hilly

809
00:39:15,750 --> 00:39:12,839
uninhabited

810
00:39:17,750 --> 00:39:15,760
territory save for two or three houses

811
00:39:19,829 --> 00:39:17,760
in the distance

812
00:39:21,829 --> 00:39:19,839
uh the territory was strangely

813
00:39:24,470 --> 00:39:21,839

reminiscent of the socorro sighting

814

00:39:26,310 --> 00:39:24,480

gullies and deep wooded valleys but much

815

00:39:29,990 --> 00:39:26,320

more vegetation

816

00:39:33,270 --> 00:39:30,000

than new mexico i saw it in july

817

00:39:35,190 --> 00:39:33,280

in early april the foliage would not ha

818

00:39:37,349 --> 00:39:35,200

would not yet have been out

819

00:39:39,430 --> 00:39:37,359

no establishments of any kind power

820

00:39:41,030 --> 00:39:39,440

lines about a half a mile away

821

00:39:44,150 --> 00:39:41,040

the picnic started in daylight and a

822

00:39:47,670 --> 00:39:44,160

fire had been started in the shelter

823

00:39:49,750 --> 00:39:47,680

which is on the side of a steep ledge

824

00:39:51,910 --> 00:39:49,760

things were going slow swimmingly it was

825

00:39:54,069 --> 00:39:51,920

about 9 30 pm the young couples were

826
00:39:55,430 --> 00:39:54,079
preparing to do what all young couples

827
00:39:58,950 --> 00:39:55,440
do on picnics

828
00:40:04,550 --> 00:40:00,790
somewhat and they were preparing to

829
00:40:08,630 --> 00:40:06,390
they decided to slip away for a while

830
00:40:10,710 --> 00:40:08,640
and wandered out front with the light of

831
00:40:13,270 --> 00:40:10,720
the fire streaming out of the window

832
00:40:14,870 --> 00:40:13,280
they were about 20 to 30 feet in front

833
00:40:17,589 --> 00:40:14,880
of the entrance

834
00:40:20,870 --> 00:40:17,599
such and such looking out at them in the

835
00:40:24,069 --> 00:40:20,880
dim light insist they saw a tall figure

836
00:40:26,950 --> 00:40:24,079
standing close

837
00:40:30,309 --> 00:40:26,960
returned and reported when asked

838
00:40:32,230 --> 00:40:30,319

that they had seen no one out there

839

00:40:35,430 --> 00:40:32,240

about then footsteps were heard on the

840

00:40:37,190 --> 00:40:35,440

roof which is level with the terrain

841

00:40:39,030 --> 00:40:37,200

they went out to investigate taking one

842

00:40:39,829 --> 00:40:39,040

of the crutches with him he had a broken

843

00:40:41,990 --> 00:40:39,839

leg

844

00:40:43,430 --> 00:40:42,000

they tapped on the roof calling out

845

00:40:45,430 --> 00:40:43,440

this is us now

846

00:40:47,589 --> 00:40:45,440

this is my crutch

847

00:40:49,349 --> 00:40:47,599

they then went to inspect the car

848

00:40:52,390 --> 00:40:49,359

suspecting possible

849

00:40:54,230 --> 00:40:52,400

uh murderers i don't know what then i'm

850

00:40:55,910 --> 00:40:54,240

supposed to say

851
00:40:57,670 --> 00:40:55,920
during their observance

852
00:41:00,150 --> 00:40:57,680
more steps were heard on the roof and

853
00:41:05,430 --> 00:41:00,160
those inside called out in no uncertain

854
00:41:09,750 --> 00:41:07,430
shortly after mike was sitting near the

855
00:41:12,069 --> 00:41:09,760
fire and looking up through the chimney

856
00:41:14,550 --> 00:41:12,079
and she saw a figure above them

857
00:41:16,630 --> 00:41:14,560
shortly after they said they saw a huge

858
00:41:18,790 --> 00:41:16,640
figure of a man presumably about seven

859
00:41:21,589 --> 00:41:18,800
feet tall with a tight felty black

860
00:41:24,950 --> 00:41:21,599
garment like a trench coat

861
00:41:26,710 --> 00:41:24,960
but they could not see the form

862
00:41:27,990 --> 00:41:26,720
when they returned they were accused of

863
00:41:32,470 --> 00:41:28,000

the horse playing on the roof but

864

00:41:37,510 --> 00:41:35,349

furthermore neither of the two were as

865

00:41:46,309 --> 00:41:37,520

tall nor dressed like the figure which

866

00:41:50,069 --> 00:41:48,309

when they had gone to the car said he

867

00:41:52,309 --> 00:41:50,079

felt their presence and their hair stood

868

00:41:54,550 --> 00:41:52,319

up on his neck as they approached the

869

00:41:57,190 --> 00:41:54,560

car walking toward the west they noticed

870

00:41:58,950 --> 00:41:57,200

two circular lights blue and red with

871

00:42:00,630 --> 00:41:58,960

white lights in the center

872

00:42:04,230 --> 00:42:00,640

the white lights were going on and off

873

00:42:07,589 --> 00:42:05,510

he thought that there might be some

874

00:42:10,470 --> 00:42:07,599

pranksters in the car so they went off

875

00:42:12,870 --> 00:42:10,480

the road on the opposite side out of

876

00:42:14,710 --> 00:42:12,880

sight of the object after three or four

877

00:42:16,309 --> 00:42:14,720

minutes during which time they found

878

00:42:18,309 --> 00:42:16,319

nothing they went back on the road to

879

00:42:20,790 --> 00:42:18,319

see if the object was coming closer but

880

00:42:23,349 --> 00:42:20,800

whatever it was was gone or invisible

881

00:42:25,910 --> 00:42:23,359

there were no lights or sound

882

00:42:28,069 --> 00:42:25,920

at night in daniels park it is possible

883

00:42:29,910 --> 00:42:28,079

to see lights for a great distance at

884

00:42:30,950 --> 00:42:29,920

night the leds assumed the light of a

885

00:42:32,470 --> 00:42:30,960

car

886

00:42:34,950 --> 00:42:32,480

they looked like something like backup

887

00:42:36,950 --> 00:42:34,960

lights being pumped on and off

888

00:42:38,230 --> 00:42:36,960

around a level metal just off the road

889

00:42:39,829 --> 00:42:38,240

when they returned in daylight they

890

00:42:42,470 --> 00:42:39,839

noted that the lights had appeared over

891

00:42:45,670 --> 00:42:42,480

a very uneven gully

892

00:42:47,589 --> 00:42:45,680

where no car could be expected to be

893

00:42:49,910 --> 00:42:47,599

after they returned and there's

894

00:42:53,349 --> 00:42:49,920

and their statement that they had not

895

00:42:57,190 --> 00:42:53,359

been responsible for the contrary noises

896

00:43:01,030 --> 00:42:59,030

up to this time the conclusion was that

897

00:43:03,349 --> 00:43:01,040

some hoodlums were about and that some

898

00:43:08,870 --> 00:43:03,359

harm might come to the girls or to all

899

00:43:13,030 --> 00:43:10,710

thus just when their picnic was settling

900

00:43:14,470 --> 00:43:13,040

down into the cozy stage it was rudely

901
00:43:15,270 --> 00:43:14,480
interrupted and the whole thing called

902
00:43:17,510 --> 00:43:15,280
off

903
00:43:20,470 --> 00:43:17,520
this one fact above i believe it rules

904
00:43:22,390 --> 00:43:20,480
out a hoax on their part who breaks up a

905
00:43:24,069 --> 00:43:22,400
cozy three-couple nighttime party for a

906
00:43:25,030 --> 00:43:24,079
hoax that can only bring ridicule to

907
00:43:27,190 --> 00:43:25,040
them

908
00:43:28,630 --> 00:43:27,200
it of course does not rule out hoax on

909
00:43:29,910 --> 00:43:28,640
the part of others but this is

910
00:43:32,550 --> 00:43:29,920
effectively

911
00:43:35,349 --> 00:43:32,560
ruled out by other factors

912
00:43:37,270 --> 00:43:35,359
the entire party rushed towards the car

913
00:43:38,950 --> 00:43:37,280

and 19 such and such

914

00:43:40,630 --> 00:43:38,960

such and such

915

00:43:42,069 --> 00:43:40,640

now blank trailing notice the light

916

00:43:43,829 --> 00:43:42,079

behind him in the sky this guy was

917

00:43:45,589 --> 00:43:43,839

overcast the light moved up and down and

918

00:43:48,309 --> 00:43:45,599

when it went down it went behind the

919

00:43:50,230 --> 00:43:48,319

ridge which hid it from the site

920

00:43:51,910 --> 00:43:50,240

temporarily two other lights were

921

00:43:52,870 --> 00:43:51,920

observed hovering near it

922

00:43:53,670 --> 00:43:52,880

this was

923

00:43:55,510 --> 00:43:53,680

no

924

00:43:57,990 --> 00:43:55,520

this was

925

00:43:59,349 --> 00:43:58,000

essentially in the opposite direction

926
00:44:01,270 --> 00:43:59,359
from that in which they had seen the

927
00:44:02,870 --> 00:44:01,280
first set of lights they all got into

928
00:44:05,270 --> 00:44:02,880
the car but before the key was put in

929
00:44:08,150 --> 00:44:05,280
the ignition lock car shook violently

930
00:44:09,750 --> 00:44:08,160
from side to side several times they got

931
00:44:11,990 --> 00:44:09,760
the car started

932
00:44:14,390 --> 00:44:12,000
and backed it up away from parking space

933
00:44:16,470 --> 00:44:14,400
and back onto the road

934
00:44:19,990 --> 00:44:16,480
no other cars are people around way

935
00:44:21,589 --> 00:44:20,000
before season for picnics

936
00:44:23,910 --> 00:44:21,599
they now watched lights moving and

937
00:44:26,870 --> 00:44:23,920
seemed definitely attached to some

938
00:44:29,109 --> 00:44:26,880

object allen drew the object at the car

939

00:44:31,430 --> 00:44:29,119

after the car had backed up several got

940

00:44:33,670 --> 00:44:31,440

on top of the car to watch

941

00:44:36,230 --> 00:44:33,680

but the other stayed inside frequently

942

00:44:38,150 --> 00:44:36,240

yelling out screams of fright they

943

00:44:40,470 --> 00:44:38,160

notice one light to the left

944

00:44:42,470 --> 00:44:40,480

of the three which after about 15

945

00:44:45,109 --> 00:44:42,480

minutes moves straight towards them it

946

00:44:48,829 --> 00:44:45,119

came close and stopped

947

00:44:53,750 --> 00:44:51,589

drew a light detached itself and came

948

00:44:56,630 --> 00:44:53,760

around to the left and along the trees

949

00:44:59,030 --> 00:44:56,640

and above them would suddenly go out and

950

00:45:01,510 --> 00:44:59,040

then very suddenly flash on nearby all

951
00:45:05,030 --> 00:45:01,520
during the period an all pervasive

952
00:45:06,870 --> 00:45:05,040
humming sound was heard no other noise

953
00:45:09,109 --> 00:45:06,880
when red light

954
00:45:10,950 --> 00:45:09,119
bright popped up over rocky terrain just

955
00:45:12,309 --> 00:45:10,960
about 20 feet

956
00:45:14,710 --> 00:45:12,319
over them they thought they wanted to

957
00:45:16,710 --> 00:45:14,720
get out as fast as it could

958
00:45:18,470 --> 00:45:16,720
one boy wanted to reverse

959
00:45:20,069 --> 00:45:18,480
stop the car to continue watching but

960
00:45:22,230 --> 00:45:20,079
the screams of the girls and the fear of

961
00:45:24,309 --> 00:45:22,240
the rest made him insist they get out of

962
00:45:26,470 --> 00:45:24,319
the place they noticed one light to the

963
00:45:28,550 --> 00:45:26,480

left and the other three which after

964

00:45:30,630 --> 00:45:28,560

about 15 minutes moved straight toward

965

00:45:32,630 --> 00:45:30,640

them it came close

966

00:45:34,870 --> 00:45:32,640

stopped

967

00:45:36,950 --> 00:45:34,880

this is the object allen drew

968

00:45:38,950 --> 00:45:36,960

they started for home but the car motor

969

00:45:41,430 --> 00:45:38,960

frequently stalled momentarily and then

970

00:45:43,670 --> 00:45:41,440

started on its own the engine went on

971

00:45:45,109 --> 00:45:43,680

and off as if the ignition were being

972

00:45:47,750 --> 00:45:45,119

turned on or not

973

00:45:50,710 --> 00:45:47,760

the radio was exceedingly full of static

974

00:45:52,230 --> 00:45:50,720

the ignition key was not turned

975

00:45:54,870 --> 00:45:52,240

car was started by pushing down

976
00:45:56,630 --> 00:45:54,880
accelerator

977
00:45:57,430 --> 00:45:56,640
car would suddenly start chugging along

978
00:45:59,190 --> 00:45:57,440
again

979
00:46:01,109 --> 00:45:59,200
finally two things

980
00:46:03,109 --> 00:46:01,119
about a mile or so down the road toward

981
00:46:04,390 --> 00:46:03,119
denver heard the other scream and

982
00:46:07,430 --> 00:46:04,400
danielle

983
00:46:09,510 --> 00:46:07,440
god what's going on

984
00:46:11,910 --> 00:46:09,520
they saw bright light white projected

985
00:46:14,550 --> 00:46:11,920
from above under the road the light on

986
00:46:16,390 --> 00:46:14,560
it appeared on the road was circular and

987
00:46:17,430 --> 00:46:16,400
of a diameter equal to the width of the

988
00:46:19,349 --> 00:46:17,440

rope

989

00:46:21,349 --> 00:46:19,359

the light appeared about 50 feet behind

990

00:46:23,589 --> 00:46:21,359

them and caught up with them in about

991

00:46:25,829 --> 00:46:23,599

two seconds the beam seemed to come

992

00:46:28,230 --> 00:46:25,839

straight down

993

00:46:29,829 --> 00:46:28,240

or thought it was a coherent being allen

994

00:46:32,150 --> 00:46:29,839

said that he hated looking for it in his

995

00:46:33,829 --> 00:46:32,160

rear-view mirror

996

00:46:35,670 --> 00:46:33,839

but did not see it because in his

997

00:46:36,950 --> 00:46:35,680

opinion the light did not seem to

998

00:46:39,990 --> 00:46:36,960

reflect

999

00:46:41,589 --> 00:46:40,000

the rest of the trip was uneventful

1000

00:46:43,589 --> 00:46:41,599

two or three of the group developed

1001
00:46:47,829 --> 00:46:43,599
burns

1002
00:46:51,349 --> 00:46:49,510
when they reported it

1003
00:46:54,150 --> 00:46:51,359
they were at first regarded very lightly

1004
00:46:56,069 --> 00:46:54,160
but at the littleton police office

1005
00:46:58,790 --> 00:46:56,079
where they went immediately to report it

1006
00:47:01,030 --> 00:46:58,800
their story was fully regarded seriously

1007
00:47:02,630 --> 00:47:01,040
because they had not been drinking

1008
00:47:03,990 --> 00:47:02,640
not even beer had been brought to the

1009
00:47:05,910 --> 00:47:04,000
picnic

1010
00:47:15,109 --> 00:47:05,920
and they were obviously seriously

1011
00:47:26,309 --> 00:47:19,750
pretty interesting case

1012
00:47:27,750 --> 00:47:26,319
oh did you want to see the object talked

1013
00:47:32,870 --> 00:47:27,760

about what he drew

1014

00:47:36,829 --> 00:47:34,950

what everybody else draws what everybody

1015

00:47:41,829 --> 00:47:36,839

else is they

1016

00:47:49,349 --> 00:47:45,030

same thing

1017

00:47:52,390 --> 00:47:49,359

and it's interesting you know because

1018

00:47:57,829 --> 00:47:52,400

you start to see

1019

00:47:57,839 --> 00:48:03,270

just like this these pictures

1020

00:48:09,670 --> 00:48:05,190

same thing

1021

00:48:15,910 --> 00:48:11,670

that could be for instance the top in

1022

00:48:19,589 --> 00:48:17,349

here we go

1023

00:48:20,950 --> 00:48:19,599

who knows what it is but look at the top

1024

00:48:25,670 --> 00:48:20,960

there's another protuberance there at

1025

00:48:34,390 --> 00:48:27,750

here we go another one

1026
00:48:39,270 --> 00:48:36,390
another one it's on the left-hand side

1027
00:48:39,280 --> 00:48:46,309
think at the top

1028
00:48:51,589 --> 00:48:48,710
this is probably my favorite one

1029
00:48:54,950 --> 00:48:53,589
this is interesting i i've tried to look

1030
00:48:57,270 --> 00:48:54,960
more into this but i couldn't find it

1031
00:49:01,589 --> 00:48:57,280
because it says france french flank

1032
00:49:08,069 --> 00:49:03,670
i'd unknown to learn more about that

1033
00:49:13,910 --> 00:49:11,109
this looks like it's taken from a plane

1034
00:49:23,430 --> 00:49:13,920
these are clouds in the sky

1035
00:49:27,670 --> 00:49:25,670
that's a funny comment

1036
00:49:30,230 --> 00:49:27,680
um

1037
00:49:32,470 --> 00:49:30,240
yeah yeah they definitely considered it

1038
00:49:35,270 --> 00:49:32,480

as real

1039

00:49:37,349 --> 00:49:35,280

i mean the reports i'm reading from our

1040

00:49:39,109 --> 00:49:37,359

foreign technology division

1041

00:49:41,190 --> 00:49:39,119

air force in

1042

00:49:43,589 --> 00:49:41,200

all these pictures even the ones that

1043

00:49:46,710 --> 00:49:43,599

don't say that are from ftd i just

1044

00:49:50,630 --> 00:49:48,549

but if you go on my website

1045

00:49:53,270 --> 00:49:50,640

you can go to blue book photos click on

1046

00:49:55,190 --> 00:49:53,280

that link witnesscitizen.com and you can

1047

00:49:58,630 --> 00:49:55,200

look at all the blue book photos there

1048

00:50:02,790 --> 00:49:58,640

are hundreds of them

1049

00:50:09,349 --> 00:50:05,430

but some are pretty decent

1050

00:50:11,990 --> 00:50:09,359

so that is going to segue into

1051
00:50:14,390 --> 00:50:12,000
our next piece here

1052
00:50:16,950 --> 00:50:14,400
those pictures

1053
00:50:19,570 --> 00:50:16,960
and those stories

1054
00:50:27,200 --> 00:50:19,580
and now

1055
00:50:27,210 --> 00:50:31,750
[Music]

1056
00:50:37,109 --> 00:50:33,910
that's rio it's time for what the heck

1057
00:50:41,349 --> 00:50:39,589
we have

1058
00:50:43,510 --> 00:50:41,359
only one video that we're going to show

1059
00:50:45,670 --> 00:50:43,520
for what the heck is that

1060
00:50:48,950 --> 00:50:45,680
and it's on purpose

1061
00:50:49,829 --> 00:50:48,960
it's playing from those pictures into

1062
00:51:41,300 --> 00:50:49,839
this

1063
00:51:53,750 --> 00:51:48,870

[Music]

1064

00:51:53,760 --> 00:51:57,349

so that was it

1065

00:52:00,950 --> 00:51:58,549

so

1066

00:52:04,069 --> 00:52:00,960

um yeah i thought that was a

1067

00:52:09,030 --> 00:52:04,079

pretty interesting

1068

00:52:11,030 --> 00:52:09,040

those pictures

1069

00:52:12,950 --> 00:52:11,040

to well starting with the stories and

1070

00:52:15,270 --> 00:52:12,960

then the drawings that they make and

1071

00:52:17,430 --> 00:52:15,280

then the pictures

1072

00:52:19,750 --> 00:52:17,440

and then that video which is the most

1073

00:52:22,150 --> 00:52:19,760

recent of everything is that video real

1074

00:52:23,750 --> 00:52:22,160

i have no freaking clue

1075

00:52:25,829 --> 00:52:23,760

no freaking idea

1076

00:52:28,230 --> 00:52:25,839

but the similarities

1077

00:52:30,829 --> 00:52:28,240

are there

1078

00:52:33,270 --> 00:52:30,839

notice the top was on it in that

1079

00:52:34,390 --> 00:52:33,280

video that little top piece just like

1080

00:52:39,030 --> 00:52:34,400

those pictures

1081

00:52:43,990 --> 00:52:42,069

just like the picture in the newspaper

1082

00:52:47,990 --> 00:52:44,000

that the police officer took after they

1083

00:52:48,000 --> 00:52:52,069

for 80 some miles

1084

00:52:52,079 --> 00:52:54,630

you know

1085

00:52:59,829 --> 00:52:56,470

so you can see what i put together here

1086

00:53:01,109 --> 00:52:59,839

for you i tried to lay it

1087

00:53:04,069 --> 00:53:01,119

you know

1088

00:53:06,150 --> 00:53:04,079

people have done it before

1089

00:53:09,430 --> 00:53:06,160

but i love robert yeah

1090

00:53:20,470 --> 00:53:09,440

typical flying disc

1091

00:53:23,030 --> 00:53:21,829

he is hard

1092

00:53:26,309 --> 00:53:23,040

to

1093

00:53:29,030 --> 00:53:26,319

please i'll tell you that

1094

00:53:33,750 --> 00:53:29,040

that guy

1095

00:53:33,760 --> 00:53:39,030

no but uh with that being said um

1096

00:53:42,069 --> 00:53:40,630

if you guys have any questions or

1097

00:53:43,829 --> 00:53:42,079

anything we got a couple minutes here

1098

00:53:45,589 --> 00:53:43,839

otherwise i guess

1099

00:53:48,150 --> 00:53:45,599

that would be

1100

00:53:53,430 --> 00:53:48,160

about it

1101

00:53:58,630 --> 00:53:55,829

if you guys can hit the like button that

1102

00:54:00,870 --> 00:53:58,640

would be fantastic it's just a thumb

1103

00:54:03,589 --> 00:54:00,880

i don't run ads on this stuff i don't

1104

00:54:05,270 --> 00:54:03,599

ask for your money i mean you can donate

1105

00:54:06,150 --> 00:54:05,280

if you want but i'm not going to push it

1106

00:54:08,069 --> 00:54:06,160

on you

1107

00:54:10,230 --> 00:54:08,079

uh if you could hit thumbs up share it

1108

00:54:11,829 --> 00:54:10,240

that's cool if not that's cool too i

1109

00:54:12,790 --> 00:54:11,839

understand it could be a hard thing to

1110

00:54:16,150 --> 00:54:12,800

do

1111

00:54:17,349 --> 00:54:16,160

um if you're watching and not signed in

1112

00:54:19,109 --> 00:54:17,359

sign in

1113

00:54:20,549 --> 00:54:19,119

subscribe

1114

00:54:23,349 --> 00:54:20,559

hang out

1115

00:54:25,510 --> 00:54:23,359

i'm gonna have guests do more this kind

1116

00:54:26,870 --> 00:54:25,520

of stuff

1117

00:54:28,390 --> 00:54:26,880

you know

1118

00:54:30,630 --> 00:54:28,400

that'll be cool

1119

00:54:33,430 --> 00:54:30,640

there we go

1120

00:54:35,510 --> 00:54:33,440

so um

1121

00:54:37,190 --> 00:54:35,520

yeah with that being said

1122

00:54:38,470 --> 00:54:37,200

i guess

1123

00:54:40,549 --> 00:54:38,480

we have a question what am i going to

1124

00:54:41,589 --> 00:54:40,559

eat today come on that's not a real

1125

00:54:43,270 --> 00:54:41,599

question

1126

00:54:45,589 --> 00:54:43,280

what the heck

1127

00:54:47,430 --> 00:54:45,599

[Laughter]

1128

00:54:48,390 --> 00:54:47,440

uh i can't answer because i just don't

1129

00:54:50,829 --> 00:54:48,400

know

1130

00:54:53,589 --> 00:54:52,549

um

1131

00:54:55,670 --> 00:54:53,599

but yeah

1132

00:54:57,750 --> 00:54:55,680

so

1133

00:54:59,829 --> 00:54:57,760

i hope you guys are

1134

00:55:01,270 --> 00:54:59,839

1146

00:55:43,030 --> 00:55:39,410

seeing more of what i like

1147

00:55:45,270 --> 00:55:43,040

[Music]

1148

00:55:55,910 --> 00:55:45,280

i've seen enough

1149

00:55:55,920 --> 00:55:59,270

turn your head up

1150

00:55:59,280 --> 00:56:04,309

it's the same inside

1151
00:56:12,390 --> 00:56:07,670
i set his up

1152
00:56:15,990 --> 00:56:12,400
enough is enough when i'm feeling right

1153
00:56:17,980 --> 00:56:16,000
i don't think we're alone

1154
00:56:20,710 --> 00:56:17,990
that's not what i feel

1155
00:56:24,549 --> 00:56:20,720
[Music]

1156
00:56:25,990 --> 00:56:24,559
i don't think we're alone

1157
00:56:29,109 --> 00:56:26,000
what's the appeal

1158
00:56:32,710 --> 00:56:29,119
[Music]

1159
00:56:36,380 --> 00:56:32,720
i don't think we're alone

1160
00:56:54,309 --> 00:56:36,390
i guess it's real

1161
00:56:59,349 --> 00:56:56,920
i can say for certain

1162
00:57:01,520 --> 00:56:59,359
[Music]

1163
00:57:16,549 --> 00:57:01,530

we can see past the sky

1164

00:57:16,559 --> 00:57:24,380

my eyes don't lie

1165

00:57:24,390 --> 00:57:31,190

[Music]

1166

00:57:31,200 --> 00:57:35,829

it's the same inside

1167

00:57:35,839 --> 00:57:39,510

i said it

1168

00:57:44,230 --> 00:57:41,190

enough is enough

1169

00:57:47,829 --> 00:57:44,240

and i'm feeling right

1170

00:57:49,450 --> 00:57:47,839

i don't think we're alone

1171

00:57:52,549 --> 00:57:49,460

it's not what i feel

1172

00:57:56,390 --> 00:57:52,559

[Music]

1173

00:57:57,790 --> 00:57:56,400

i don't think we're alone

1174

00:58:00,870 --> 00:57:57,800

what's the idea

1175

00:58:04,789 --> 00:58:00,880

[Music]

1176

00:58:09,349 --> 00:58:07,870

yes it's real

1177

00:58:37,990 --> 00:58:09,359

[Music]
