

Below this text are links to the various ufo files. It IS NOT the end all be all but it is my collection and most of what I use for resources and research. Other than the below files great resources include all the various FOIA (freedom of information act) reading rooms. At some point I'll try and get those links down below too. But for now... Simply click the text to see the corresponding data.

1  
00:00:05,190 --> 00:00:03,750  
what's up everybody i hope you are

2  
00:00:06,309 --> 00:00:05,200  
enjoying

3  
00:00:07,990 --> 00:00:06,319  
your

4  
00:00:10,790 --> 00:00:08,000  
saturday

5  
00:00:12,230 --> 00:00:10,800  
i really do i really do

6  
00:00:14,310 --> 00:00:12,240  
mean that

7  
00:00:15,270 --> 00:00:14,320  
i'm not screwing with you

8  
00:00:18,470 --> 00:00:15,280  
at

9  
00:00:20,070 --> 00:00:18,480  
all uh today is going to be

10  
00:00:23,590 --> 00:00:20,080  
kind of a short

11  
00:00:26,230 --> 00:00:23,600  
uh maybe hopefully um to the point

12  
00:00:29,509 --> 00:00:26,240  
uh episode we're going to

13  
00:00:30,390 --> 00:00:29,519

uh talk about uh ufo research

14

00:00:32,470 --> 00:00:30,400

what are

15

00:00:33,510 --> 00:00:32,480

some of the resources that i use how do

16

00:00:35,830 --> 00:00:33,520

i do it

17

00:00:37,910 --> 00:00:35,840

uh where do i go and how you can do it

18

00:00:40,630 --> 00:00:37,920

if it's something that you are

19

00:00:41,590 --> 00:00:40,640

interested in doing yourself a lot of

20

00:00:44,150 --> 00:00:41,600

times

21

00:00:46,150 --> 00:00:44,160

you know at least with the older records

22

00:00:48,869 --> 00:00:46,160

um you know different news sites or

23

00:00:50,470 --> 00:00:48,879

whatever we'll we'll post a story you

24

00:00:51,510 --> 00:00:50,480

know from blue book and show you the

25

00:00:53,270 --> 00:00:51,520

documents

26

00:00:56,310 --> 00:00:53,280

where do they get those

27

00:00:57,430 --> 00:00:56,320

um you know do they have a secret source

28

00:01:00,069 --> 00:00:57,440

or

29

00:01:03,430 --> 00:01:00,079

are they just going somewhere well i'm

30

00:01:06,070 --> 00:01:03,440

going to show you where i go

31

00:01:07,990 --> 00:01:06,080

um so you can if you're so

32

00:01:09,830 --> 00:01:08,000

uh inclined to do so you can find this

33

00:01:11,350 --> 00:01:09,840

stuff for yourself for instance

34

00:01:14,550 --> 00:01:11,360

somebody uh

35

00:01:17,350 --> 00:01:14,560

you know posted a document

36

00:01:19,749 --> 00:01:17,360

article about the mantel case right

37

00:01:21,910 --> 00:01:19,759

and not too long ago

38

00:01:24,070 --> 00:01:21,920

and the way it's proposed is you know

39

00:01:26,550 --> 00:01:24,080

it's like an exclusive like i have this

40

00:01:28,870 --> 00:01:26,560

case here it is you know

41

00:01:30,789 --> 00:01:28,880

now you can see it well that's actually

42

00:01:32,870 --> 00:01:30,799

available to everybody

43

00:01:34,390 --> 00:01:32,880

you know you just have to

44

00:01:36,230 --> 00:01:34,400

you know have the link and basically

45

00:01:37,830 --> 00:01:36,240

nowhere to go to find something like

46

00:01:40,870 --> 00:01:37,840

that for yourself

47

00:01:43,590 --> 00:01:40,880

so that's what we are going to do uh

48

00:01:45,429 --> 00:01:43,600

what i did before this is kind of

49

00:01:47,590 --> 00:01:45,439

put together

50

00:01:50,149 --> 00:01:47,600

what i call research tools

51

00:01:52,230 --> 00:01:50,159

on my what on my website

52

00:01:53,350 --> 00:01:52,240

so you could just have it all in one

53

00:01:55,270 --> 00:01:53,360

place

54

00:01:57,030 --> 00:01:55,280

um you could also just go to the

55

00:01:59,350 --> 00:01:57,040

websites and you know favorite them

56

00:02:01,830 --> 00:01:59,360

yourselves in your own browser

57

00:02:03,990 --> 00:02:01,840

but i did this for you so

58

00:02:06,709 --> 00:02:04,000

you know it's kind of easy access for

59

00:02:08,389 --> 00:02:06,719

you to have a list of everything

60

00:02:09,830 --> 00:02:08,399

so that's what we're going to take a

61

00:02:11,110 --> 00:02:09,840

look at

62

00:02:13,990 --> 00:02:11,120

the first thing

63

00:02:16,229 --> 00:02:14,000

that you want to do is go to

64

00:02:21,510 --> 00:02:16,239

witness

65

00:02:26,309 --> 00:02:23,030

because that's

66

00:02:28,949 --> 00:02:26,319

the coolest website in the world

67

00:02:31,110 --> 00:02:28,959

so you want to do that first of course

68

00:02:33,110 --> 00:02:31,120

so here you can see oh there's lou's

69

00:02:34,949 --> 00:02:33,120

beautiful face right on the

70

00:02:37,190 --> 00:02:34,959

right of the front page so these are

71

00:02:38,309 --> 00:02:37,200

just some of my recent interviews and

72

00:02:40,309 --> 00:02:38,319

such but

73

00:02:43,270 --> 00:02:40,319

um right at the top here

74

00:02:45,110 --> 00:02:43,280

on the left what you'll see is ufo

75

00:02:46,229 --> 00:02:45,120

research tools

76

00:02:48,830 --> 00:02:46,239

that's where you're going to find all

77

00:02:52,150 --> 00:02:48,840

the good stuff so you just click on

78

00:02:53,589 --> 00:02:52,160

that and here you go and our video is

79

00:02:56,790 --> 00:02:53,599

right here i could hit play and it would

80

00:02:59,270 --> 00:02:56,800

pop up but i'm not going to do that

81

00:03:00,790 --> 00:02:59,280

because uh this is going to be somewhat

82

00:03:02,710 --> 00:03:00,800

of a

83

00:03:05,110 --> 00:03:02,720

tutorial tutorial

84

00:03:07,910 --> 00:03:05,120

uh more or less so

85

00:03:10,149 --> 00:03:07,920

you can see what i put here below uh

86

00:03:11,190 --> 00:03:10,159

this text are links to the various ufo

87

00:03:13,990 --> 00:03:11,200

files

88

00:03:16,309 --> 00:03:14,000

it is not the end all be all but it is

89

00:03:18,470 --> 00:03:16,319

my collection and most of what i use for

90

00:03:20,309 --> 00:03:18,480

resources and research

91

00:03:22,390 --> 00:03:20,319

other than the below files great

92

00:03:24,149 --> 00:03:22,400

resources include

93

00:03:26,229 --> 00:03:24,159

all the various foia

94

00:03:28,070 --> 00:03:26,239

reading rooms at some point i'll try and

95

00:03:29,830 --> 00:03:28,080

get those links down below too but for

96

00:03:32,550 --> 00:03:29,840

now simply click the text to see the

97

00:03:34,470 --> 00:03:32,560

corresponding data

98

00:03:36,470 --> 00:03:34,480

and i did actually wind up putting some

99

00:03:37,589 --> 00:03:36,480

foia reading rooms in there for you too

100

00:03:40,309 --> 00:03:37,599

so

101  
00:03:41,270 --> 00:03:40,319  
um all good for you what's up james the

102  
00:03:43,270 --> 00:03:41,280  
world

103  
00:03:44,390 --> 00:03:43,280  
good to see you friend how you doing

104  
00:03:47,750 --> 00:03:44,400  
partner

105  
00:03:50,390 --> 00:03:47,760  
andres what's up how you doing

106  
00:03:53,030 --> 00:03:50,400  
um jos

107  
00:03:56,149 --> 00:03:53,040  
uh we established before this uh show

108  
00:03:58,789 --> 00:03:56,159  
that jose is a little creepy

109  
00:04:01,429 --> 00:03:58,799  
just in case you're wondering

110  
00:04:04,789 --> 00:04:01,439  
jason what's up

111  
00:04:07,670 --> 00:04:04,799  
um we have robert what's happening

112  
00:04:10,470 --> 00:04:07,680  
lionel how's it going see

113  
00:04:12,309 --> 00:04:10,480

here's the proof proof's in the pudding

114

00:04:15,270 --> 00:04:12,319

jos maybe i am

115

00:04:16,469 --> 00:04:15,280

a little creepy lol

116

00:04:17,509 --> 00:04:16,479

now we have

117

00:04:21,110 --> 00:04:17,519

lc

118

00:04:25,350 --> 00:04:21,120

what's up glad you could join us

119

00:04:29,430 --> 00:04:27,350

for some people

120

00:04:30,230 --> 00:04:29,440

saturday you know whatever

121

00:04:32,070 --> 00:04:30,240

but

122

00:04:33,830 --> 00:04:32,080

like i said this is meant to be kind of

123

00:04:35,990 --> 00:04:33,840

an instructional

124

00:04:37,510 --> 00:04:36,000

uh instruction video

125

00:04:39,590 --> 00:04:37,520

so you can go check things out for

126  
00:04:41,030 --> 00:04:39,600  
yourself so go to the website click on

127  
00:04:42,710 --> 00:04:41,040  
research tools

128  
00:04:45,110 --> 00:04:42,720  
and we have all these different things

129  
00:04:47,990 --> 00:04:45,120  
the first one is a list of all of blue

130  
00:04:49,430 --> 00:04:48,000  
book signed grudge ufo sightings

131  
00:04:50,870 --> 00:04:49,440  
and what do you have to do to see it and

132  
00:04:52,710 --> 00:04:50,880  
i'm not going to go through each you

133  
00:04:54,390 --> 00:04:52,720  
know individual one super slow and

134  
00:04:57,270 --> 00:04:54,400  
boring i'm just going to kind of give

135  
00:05:01,670 --> 00:04:57,280  
you a rundown but this top one is

136  
00:05:06,230 --> 00:05:04,629  
you know see what the deal was in

137  
00:05:07,830 --> 00:05:06,240  
1951

138  
00:05:10,950 --> 00:05:07,840

what sightings were there

139

00:05:13,430 --> 00:05:10,960

maybe there's a particular date

140

00:05:14,469 --> 00:05:13,440

in 1951 that you want to check out well

141

00:05:16,950 --> 00:05:14,479

first of all

142

00:05:19,029 --> 00:05:16,960

just click on the thing here and you can

143

00:05:21,270 --> 00:05:19,039

see a list of all

144

00:05:23,350 --> 00:05:21,280

uh the different

145

00:05:25,830 --> 00:05:23,360

sheets so we have

146

00:05:28,390 --> 00:05:25,840

a couple versions of each here one's

147

00:05:31,830 --> 00:05:28,400

redacted one's unredacted the difference

148

00:05:35,430 --> 00:05:31,840

unredacted is going to give you um

149

00:05:39,749 --> 00:05:37,990

so let's say we said 1951 let's check it

150

00:05:41,830 --> 00:05:39,759

out

151  
00:05:43,990 --> 00:05:41,840  
boom there it is

152  
00:05:45,749 --> 00:05:44,000  
so you can't see it that great here but

153  
00:05:47,110 --> 00:05:45,759  
you know if you go there there we go i'm

154  
00:05:49,029 --> 00:05:47,120  
just going to zoom in

155  
00:05:52,469 --> 00:05:49,039  
right away what do i see oak ridge

156  
00:05:54,870 --> 00:05:52,479  
tennessee military radar boom what's the

157  
00:05:55,909 --> 00:05:54,880  
date there we got the 21st

158  
00:05:59,029 --> 00:05:55,919  
boom

159  
00:06:01,430 --> 00:05:59,039  
uh looks like january 21st so

160  
00:06:04,790 --> 00:06:01,440  
there we go

161  
00:06:07,430 --> 00:06:04,800  
and if you want to

162  
00:06:08,550 --> 00:06:07,440  
um you know go then and check that out

163  
00:06:11,110 --> 00:06:08,560

for yourself

164

00:06:12,550 --> 00:06:11,120

click on the third link from the top

165

00:06:14,550 --> 00:06:12,560

i'll go back again

166

00:06:16,870 --> 00:06:14,560

documents for blue book sign and crunch

167

00:06:18,309 --> 00:06:16,880

settings that takes us straight to the

168

00:06:19,749 --> 00:06:18,319

archive

169

00:06:21,670 --> 00:06:19,759

there's a couple ways to search the

170

00:06:24,150 --> 00:06:21,680

archive right here

171

00:06:25,029 --> 00:06:24,160

you see my cursor under the 10 000 uh

172

00:06:28,070 --> 00:06:25,039

number

173

00:06:30,550 --> 00:06:28,080

you can search metadata or text contents

174

00:06:31,749 --> 00:06:30,560

you can always try both text contents

175

00:06:34,469 --> 00:06:31,759

we'll grab

176  
00:06:37,510 --> 00:06:34,479  
the word you search in

177  
00:06:39,990 --> 00:06:37,520  
all the documents that are in here right

178  
00:06:43,670 --> 00:06:40,000  
metadata you'll

179  
00:06:45,510 --> 00:06:43,680  
you're more likely just going to get

180  
00:06:47,990 --> 00:06:45,520  
the word you search if it's in the title

181  
00:06:53,990 --> 00:06:48,000  
of the document so to speak right so

182  
00:06:54,000 --> 00:07:00,550  
and we're doing uh metadata

183  
00:07:00,560 --> 00:07:07,110  
nothing right let's try it text contents

184  
00:07:11,189 --> 00:07:09,830  
boom now we're getting a lot of stuff

185  
00:07:13,830 --> 00:07:11,199  
14.

186  
00:07:17,830 --> 00:07:13,840  
now we're looking for 1951.

187  
00:07:19,029 --> 00:07:17,840  
here it is 1951 oak ridge tennessee boom

188  
00:07:20,790 --> 00:07:19,039

click on it

189

00:07:23,029 --> 00:07:20,800

there it is

190

00:07:25,189 --> 00:07:23,039

bam

191

00:07:27,350 --> 00:07:25,199

starts out pretty hot

192

00:07:28,309 --> 00:07:27,360

f52 attempted to intercept an unknown

193

00:07:30,150 --> 00:07:28,319

target

194

00:07:32,870 --> 00:07:30,160

three passes were made at the object but

195

00:07:34,790 --> 00:07:32,880

since it was over oak ridge the pass

196

00:07:36,550 --> 00:07:34,800

could not be completed

197

00:07:38,070 --> 00:07:36,560

why because that's a nuclear facility

198

00:07:41,270 --> 00:07:38,080

dog

199

00:07:43,029 --> 00:07:41,280

can't go flying out there

200

00:07:45,029 --> 00:07:43,039

and of course

201  
00:07:48,380 --> 00:07:45,039  
you can see over here they say other

202  
00:07:51,510 --> 00:07:48,390  
insufficient data

203  
00:07:52,950 --> 00:07:51,520  
[Laughter]

204  
00:07:55,350 --> 00:07:52,960  
wow

205  
00:07:56,309 --> 00:07:55,360  
can you believe that so we're going to

206  
00:07:57,670 --> 00:07:56,319  
go back

207  
00:07:59,350 --> 00:07:57,680  
i just wanted to give you an example of

208  
00:08:01,749 --> 00:07:59,360  
how that works

209  
00:08:03,990 --> 00:08:01,759  
we're gonna go back here

210  
00:08:05,990 --> 00:08:04,000  
the other uh things here the following

211  
00:08:07,350 --> 00:08:06,000  
are just my own collection that i've

212  
00:08:09,110 --> 00:08:07,360  
went into

213  
00:08:11,350 --> 00:08:09,120

for your reading rooms or researched

214

00:08:13,510 --> 00:08:11,360

otherwise and found these files

215

00:08:15,909 --> 00:08:13,520

and i put them

216

00:08:19,350 --> 00:08:15,919

into google drive folders for you like

217

00:08:23,670 --> 00:08:19,360

cia ufo files you can click on that

218

00:08:25,909 --> 00:08:23,680

and here we go a bunch of cia ufo files

219

00:08:28,070 --> 00:08:25,919

here's some you put this have this

220

00:08:30,469 --> 00:08:28,080

document together i think i put this

221

00:08:32,149 --> 00:08:30,479

together for a show actually so maybe i

222

00:08:33,430 --> 00:08:32,159

should delete this it'll be no good to

223

00:08:34,790 --> 00:08:33,440

you but

224

00:08:36,469 --> 00:08:34,800

um

225

00:08:39,350 --> 00:08:36,479

yeah you just click on the file here we

226

00:08:40,389 --> 00:08:39,360

go it's uh profile

227

00:08:42,149 --> 00:08:40,399

pretty

228

00:08:43,829 --> 00:08:42,159

good stuff

229

00:08:44,949 --> 00:08:43,839

i'm getting a little weak internet here

230

00:08:46,389 --> 00:08:44,959

so

231

00:08:47,910 --> 00:08:46,399

um

232

00:08:49,670 --> 00:08:47,920

hold on

233

00:08:51,990 --> 00:08:49,680

hopefully everything's

234

00:08:54,710 --> 00:08:52,000

working out for you sorry about that if

235

00:08:57,750 --> 00:08:54,720

it is not

236

00:08:59,990 --> 00:08:57,760

so anyways we'll go backwards

237

00:09:01,509 --> 00:09:00,000

fbi ufo files

238

00:09:02,710 --> 00:09:01,519

bam

239

00:09:04,310 --> 00:09:02,720

we got

240

00:09:07,590 --> 00:09:04,320

ufo

241

00:09:09,829 --> 00:09:07,600

part 1 through 16 i believe

242

00:09:13,269 --> 00:09:09,839

just click on it here's all

243

00:09:16,150 --> 00:09:13,279

the fbi ufo files some stink some don't

244

00:09:17,990 --> 00:09:16,160

i mean as far as like text and stuff

245

00:09:21,509 --> 00:09:18,000

uh the fbi ones especially in the late

246

00:09:23,190 --> 00:09:21,519

40s are pretty interesting because

247

00:09:26,310 --> 00:09:23,200

the fbi

248

00:09:28,070 --> 00:09:26,320

had to like their part of the ufo gig

249

00:09:29,350 --> 00:09:28,080

was to

250

00:09:30,470 --> 00:09:29,360

um

251  
00:09:32,150 --> 00:09:30,480  
wrangle up

252  
00:09:36,150 --> 00:09:32,160  
you know fl if there was a report of a

253  
00:09:38,310 --> 00:09:36,160  
crash disk it was the fbi that was uh

254  
00:09:39,350 --> 00:09:38,320  
tasked to go get it

255  
00:09:43,269 --> 00:09:39,360  
so

256  
00:09:45,110 --> 00:09:43,279  
you'll notice if you go to uh and start

257  
00:09:47,829 --> 00:09:45,120  
looking at fbi part

258  
00:09:49,430 --> 00:09:47,839  
one i would believe it is in 1947 there

259  
00:09:52,310 --> 00:09:49,440  
are reports have crashed this all over

260  
00:09:53,269 --> 00:09:52,320  
the place a lot of them were hoaxes very

261  
00:09:56,550 --> 00:09:53,279  
interesting

262  
00:09:59,030 --> 00:09:56,560  
one was actually in wisconsin

263  
00:10:01,350 --> 00:09:59,040

my home state

264

00:10:04,150 --> 00:10:01,360

and these nsa files pretty interesting

265

00:10:06,389 --> 00:10:04,160

because nsa is actually being talked

266

00:10:08,150 --> 00:10:06,399

about quite a bit these days by drake

267

00:10:09,430 --> 00:10:08,160

jeremy corbell and others as far as

268

00:10:13,829 --> 00:10:09,440

taking over

269

00:10:16,790 --> 00:10:13,839

uh asap and the ufo stuff so there's 372

270

00:10:18,550 --> 00:10:16,800

documents here that's a lot

271

00:10:21,269 --> 00:10:18,560

you know and a lot of these

272

00:10:23,670 --> 00:10:21,279

unfortunately are blacked out

273

00:10:28,630 --> 00:10:25,350

and they all kind of go like this radar

274

00:10:31,590 --> 00:10:28,640

tracking unidentified flying object

275

00:10:33,990 --> 00:10:31,600

and then they always say

276

00:10:35,990 --> 00:10:34,000

let me zoom in so you can see this they

277

00:10:39,190 --> 00:10:36,000

always say

278

00:10:45,509 --> 00:10:41,910

there's 372 pages in here i bet it says

279

00:10:47,670 --> 00:10:45,519

probably balloon on maybe 350 of them

280

00:10:50,230 --> 00:10:47,680

seriously it's ridiculous

281

00:10:51,110 --> 00:10:50,240

and the thing is it's always probably a

282

00:10:52,230 --> 00:10:51,120

balloon

283

00:10:54,230 --> 00:10:52,240

it's never

284

00:10:56,949 --> 00:10:54,240

it is a balloon

285

00:10:59,670 --> 00:10:56,959

or even possibly a balloon

286

00:11:01,750 --> 00:10:59,680

it's always probably a balloon

287

00:11:03,110 --> 00:11:01,760

well

288

00:11:04,389 --> 00:11:03,120

you know what i say

289

00:11:05,269 --> 00:11:04,399

probably

290

00:11:08,310 --> 00:11:05,279

not

291

00:11:10,310 --> 00:11:08,320

well maybe some of them i don't know

292

00:11:13,269 --> 00:11:10,320

so that's pretty interesting then i

293

00:11:15,990 --> 00:11:13,279

actually went out and

294

00:11:17,509 --> 00:11:16,000

um linked up some

295

00:11:20,470 --> 00:11:17,519

other country

296

00:11:21,670 --> 00:11:20,480

uh documents australia canada new

297

00:11:24,470 --> 00:11:21,680

zealand

298

00:11:26,310 --> 00:11:24,480

so those are on the archives

299

00:11:29,750 --> 00:11:26,320

again click on it you got a link

300

00:11:31,430 --> 00:11:29,760

straight there australian ufo files

301  
00:11:32,790 --> 00:11:31,440  
check it out you have all these

302  
00:11:35,430 --> 00:11:32,800  
different parts

303  
00:11:37,030 --> 00:11:35,440  
oh just lost it there

304  
00:11:38,470 --> 00:11:37,040  
um

305  
00:11:40,829 --> 00:11:38,480  
yeah so you have all these different

306  
00:11:43,269 --> 00:11:40,839  
parts and

307  
00:11:45,590 --> 00:11:43,279  
such and these are all different like

308  
00:11:49,750 --> 00:11:45,600  
packets of ufo files so you click on

309  
00:11:54,629 --> 00:11:51,269  
click on that one it gets a different

310  
00:11:56,710 --> 00:11:54,639  
packet with another amount of pages

311  
00:11:58,949 --> 00:11:56,720  
pretty interesting and you can even

312  
00:12:03,269 --> 00:11:58,959  
search within here

313  
00:12:07,269 --> 00:12:04,710

so

314

00:12:10,710 --> 00:12:07,279

we can try it yeah it works

315

00:12:13,110 --> 00:12:10,720

so if you want to go to where it says um

316

00:12:15,269 --> 00:12:13,120

what you search which research ufo you

317

00:12:16,470 --> 00:12:15,279

can either click on the

318

00:12:18,710 --> 00:12:16,480

side

319

00:12:20,470 --> 00:12:18,720

bar here on the different things

320

00:12:22,150 --> 00:12:20,480

or you can go down below where it says

321

00:12:25,030 --> 00:12:22,160

54 results

322

00:12:29,269 --> 00:12:25,040

and you can simply go through

323

00:12:30,870 --> 00:12:29,279

and it'll take you there ufo ufo ufo

324

00:12:33,430 --> 00:12:30,880

ufo

325

00:12:35,829 --> 00:12:33,440

you know so pretty cool

326  
00:12:39,509 --> 00:12:35,839  
if you want to go balloon

327  
00:12:41,670 --> 00:12:39,519  
there'll be wood i guess

328  
00:12:45,910 --> 00:12:41,680  
do that oh

329  
00:12:48,870 --> 00:12:47,110  
about

330  
00:12:53,030 --> 00:12:48,880  
face

331  
00:12:56,150 --> 00:12:53,040  
yep here it is

332  
00:12:57,269 --> 00:12:56,160  
one witness fled and felt pricklings on

333  
00:12:59,190 --> 00:12:57,279  
his face

334  
00:13:01,509 --> 00:12:59,200  
as he ran

335  
00:13:02,710 --> 00:13:01,519  
well we've just been hearing about

336  
00:13:05,509 --> 00:13:02,720  
um

337  
00:13:06,949 --> 00:13:05,519  
ufo injuries lately haven't we look at

338  
00:13:09,269 --> 00:13:06,959

that

339

00:13:12,629 --> 00:13:09,279

three strange men in the field

340

00:13:15,350 --> 00:13:12,639

one held a box which he emitted a

341

00:13:17,910 --> 00:13:15,360

ten inch long beat ten foot long beam

342

00:13:19,910 --> 00:13:17,920

the other two held weapons one witness

343

00:13:20,870 --> 00:13:19,920

fled it felt pricklings on his faces he

344

00:13:27,590 --> 00:13:20,880

ran

345

00:13:29,670 --> 00:13:27,600

there is so much stuff in these files

346

00:13:30,870 --> 00:13:29,680

it's unbelievable

347

00:13:34,069 --> 00:13:30,880

like

348

00:13:36,389 --> 00:13:34,079

there's no way any one person knows

349

00:13:38,870 --> 00:13:36,399

about all of them

350

00:13:39,750 --> 00:13:38,880

not even possible

351  
00:13:42,389 --> 00:13:39,760  
so

352  
00:13:45,110 --> 00:13:42,399  
and then just like australia you have

353  
00:13:47,110 --> 00:13:45,120  
canada canadian new zealand

354  
00:13:49,110 --> 00:13:47,120  
and there's a brazil too i think on the

355  
00:13:51,110 --> 00:13:49,120  
archives but i was having a

356  
00:13:52,629 --> 00:13:51,120  
hard time finding it again but i know

357  
00:13:54,550 --> 00:13:52,639  
that's there too

358  
00:13:55,750 --> 00:13:54,560  
and again this isn't everything you know

359  
00:13:57,750 --> 00:13:55,760  
there's

360  
00:13:59,590 --> 00:13:57,760  
probably other australian files

361  
00:14:01,189 --> 00:13:59,600  
somewhere else or other canadian files

362  
00:14:02,629 --> 00:14:01,199  
somewhere else but

363  
00:14:04,230 --> 00:14:02,639

you know there's definitely enough here

364

00:14:06,790 --> 00:14:04,240

to get your feet wet like the canadian

365

00:14:10,550 --> 00:14:06,800

ufo files there's eight thousand

366

00:14:12,790 --> 00:14:10,560

uh documents in there you know so

367

00:14:15,110 --> 00:14:12,800

there's plenty of stuff then these uh

368

00:14:17,430 --> 00:14:15,120

foia reading rooms like the dia foi

369

00:14:20,310 --> 00:14:17,440

reading that's a popular one these days

370

00:14:23,030 --> 00:14:20,320

why because attic asap

371

00:14:24,629 --> 00:14:23,040

or etip rather sorry

372

00:14:27,269 --> 00:14:24,639

um

373

00:14:29,509 --> 00:14:27,279

there was a whole debacle where they put

374

00:14:31,350 --> 00:14:29,519

those dirts

375

00:14:33,350 --> 00:14:31,360

under

376

00:14:36,150 --> 00:14:33,360

they created an unidentified aerial

377

00:14:40,629 --> 00:14:38,069

put the dirts in there

378

00:14:42,629 --> 00:14:40,639

and said whoopsie mistake deleted it

379

00:14:44,870 --> 00:14:42,639

well they finally put them back up

380

00:14:47,350 --> 00:14:44,880

created another new tab for it called

381

00:14:50,389 --> 00:14:47,360

advanced aerospace threat identification

382

00:14:54,150 --> 00:14:50,399

program a tip and put all the asap

383

00:14:57,590 --> 00:14:56,069

i don't know

384

00:14:59,350 --> 00:14:57,600

pretty crazy but you can look through

385

00:15:00,790 --> 00:14:59,360

those if you want

386

00:15:02,470 --> 00:15:00,800

um

387

00:15:03,350 --> 00:15:02,480

i have these

388

00:15:05,189 --> 00:15:03,360

um

389

00:15:08,150 --> 00:15:05,199

already on

390

00:15:11,590 --> 00:15:08,160

my website in that list i showed you

391

00:15:13,750 --> 00:15:11,600

these old ufo files but if you don't

392

00:15:14,870 --> 00:15:13,760

trust them you can find those here too

393

00:15:15,670 --> 00:15:14,880

ufo

394

00:15:16,949 --> 00:15:15,680

one

395

00:15:18,389 --> 00:15:16,959

and two

396

00:15:19,750 --> 00:15:18,399

and it's always good to keep an eye on

397

00:15:22,069 --> 00:15:19,760

this stuff

398

00:15:23,110 --> 00:15:22,079

in case something else pops up or maybe

399

00:15:25,350 --> 00:15:23,120

there's something else you want to

400

00:15:29,350 --> 00:15:25,360

research

401  
00:15:31,670 --> 00:15:29,360  
you know like this uh warsaw pact here

402  
00:15:34,949 --> 00:15:31,680  
this document is pretty crazy

403  
00:15:36,870 --> 00:15:34,959  
paraphysics r d or subpact

404  
00:15:40,710 --> 00:15:36,880  
pretty intense stuff that they looked at

405  
00:15:46,310 --> 00:15:40,720  
it's worth a gander for sure

406  
00:15:50,069 --> 00:15:47,910  
so

407  
00:15:51,350 --> 00:15:50,079  
the other ones i have cia for your

408  
00:15:53,350 --> 00:15:51,360  
reading room

409  
00:15:55,030 --> 00:15:53,360  
this is a good one

410  
00:15:58,870 --> 00:15:55,040  
um you always gotta search different

411  
00:16:03,829 --> 00:16:01,189  
so what you do is i don't know maybe

412  
00:16:08,069 --> 00:16:03,839  
saucer

413  
00:16:10,069 --> 00:16:08,079

only gonna get the docs that say both

414

00:16:11,670 --> 00:16:10,079

flying and saucer

415

00:16:15,509 --> 00:16:11,680

if you search saucer you're going to get

416

00:16:19,749 --> 00:16:16,949

it says flying

417

00:16:21,350 --> 00:16:19,759

and it doesn't say flying

418

00:16:23,590 --> 00:16:21,360

so here's a little more difficult you

419

00:16:25,590 --> 00:16:23,600

got to look at the different things

420

00:16:28,230 --> 00:16:25,600

a lot of the best documents you'll find

421

00:16:30,389 --> 00:16:28,240

here i put in my own cia drive folder

422

00:16:32,310 --> 00:16:30,399

that you just click on and look i did a

423

00:16:34,550 --> 00:16:32,320

lot of the work for you but i'm not

424

00:16:37,590 --> 00:16:34,560

going to say i got them all you know i

425

00:16:39,910 --> 00:16:37,600

put a lot of time into it so probably

426

00:16:41,269 --> 00:16:39,920

but maybe not

427

00:16:42,550 --> 00:16:41,279

but there's a lot of

428

00:16:45,269 --> 00:16:42,560

there's a lot of stuff here there's a

429

00:16:47,910 --> 00:16:45,279

lot of things i don't have my file like

430

00:16:50,230 --> 00:16:47,920

uh news reports and and clippings and

431

00:16:52,550 --> 00:16:50,240

such like that

432

00:16:53,910 --> 00:16:52,560

letter to all flying search flank saucer

433

00:16:57,829 --> 00:16:53,920

researchers

434

00:17:03,590 --> 00:17:00,629

flank saucers weapons of the cold war

435

00:17:08,710 --> 00:17:03,600

this will be a book of 25 chapters you

436

00:17:13,189 --> 00:17:11,590

when you look at this stuff just um

437

00:17:14,949 --> 00:17:13,199

take your time

438

00:17:16,549 --> 00:17:14,959

don't make too much out of it until you

439

00:17:18,789 --> 00:17:16,559

get a real full understanding what

440

00:17:21,029 --> 00:17:18,799

you're looking at you know some people

441

00:17:24,470 --> 00:17:21,039

look at that and go oh my gosh

442

00:17:28,390 --> 00:17:25,829

what the heck

443

00:17:32,310 --> 00:17:30,390

cold war weapon

444

00:17:33,830 --> 00:17:32,320

no that's a letter that somebody wrote

445

00:17:38,310 --> 00:17:33,840

it's bullcrap

446

00:17:43,510 --> 00:17:40,549

you have to take your time looking at it

447

00:17:45,430 --> 00:17:43,520

so in a safe way reading room this one's

448

00:17:46,950 --> 00:17:45,440

uh kind of

449

00:17:49,110 --> 00:17:46,960

this one kind of stinks to be quite

450

00:17:50,630 --> 00:17:49,120

honest with you but i found some stuff

451  
00:17:52,390 --> 00:17:50,640  
in here

452  
00:17:55,110 --> 00:17:52,400  
um enter terms you just put it in there

453  
00:17:56,870 --> 00:17:55,120  
you can do document date and apply you

454  
00:18:00,710 --> 00:17:56,880  
can find good stuff in there it's just a

455  
00:18:03,270 --> 00:18:00,720  
lot more um complicated than other ones

456  
00:18:04,950 --> 00:18:03,280  
um but ufo audio recordings that's

457  
00:18:06,630 --> 00:18:04,960  
pretty good that takes you to the you

458  
00:18:08,150 --> 00:18:06,640  
know all the like the witness testimony

459  
00:18:09,590 --> 00:18:08,160  
that we listen to on the show and all

460  
00:18:11,990 --> 00:18:09,600  
that kind of stuff

461  
00:18:13,190 --> 00:18:12,000  
those are all mainly not all of them but

462  
00:18:14,789 --> 00:18:13,200  
a lot of them are grabbed right from

463  
00:18:16,789 --> 00:18:14,799

here

464

00:18:20,070 --> 00:18:16,799

and these were put together by wendy

465

00:18:21,909 --> 00:18:20,080

connors ran something called faded discs

466

00:18:23,750 --> 00:18:21,919

and she has all these different

467

00:18:25,590 --> 00:18:23,760

recordings that you put up on the

468

00:18:26,789 --> 00:18:25,600

archives and these are all the different

469

00:18:29,110 --> 00:18:26,799

categories

470

00:18:31,270 --> 00:18:29,120

that you can check out

471

00:18:33,909 --> 00:18:31,280

so you know you got humanoid encounters

472

00:18:35,990 --> 00:18:33,919

cops and saucers hotline reports

473

00:18:37,909 --> 00:18:36,000

profiles and ufology

474

00:18:39,430 --> 00:18:37,919

and you really just click on them

475

00:18:43,430 --> 00:18:39,440

and you get the whole

476

00:18:45,110 --> 00:18:43,440

dang list of recordings look at that

477

00:18:46,789 --> 00:18:45,120

and you click on one and it starts

478

00:18:48,710 --> 00:18:46,799

playing

479

00:18:50,310 --> 00:18:48,720

it's pretty cool and it gives you like a

480

00:18:52,630 --> 00:18:50,320

list breakdown of what they're we got

481

00:18:55,270 --> 00:18:52,640

done kehoe

482

00:18:57,990 --> 00:18:55,280

lot of donald kehoe

483

00:18:59,590 --> 00:18:58,000

james mcdonald frank edwards

484

00:19:00,950 --> 00:18:59,600

a lot of stuff

485

00:19:04,549 --> 00:19:00,960

so

486

00:19:08,470 --> 00:19:04,559

i suggest uh looking into that if you

487

00:19:13,590 --> 00:19:11,270

then i put my blue book photos file up

488

00:19:15,990 --> 00:19:13,600

here which is pretty cool

489

00:19:18,630 --> 00:19:16,000

uh a lot of the blue book photos i had

490

00:19:20,070 --> 00:19:18,640

to go and find the

491

00:19:22,470 --> 00:19:20,080

file

492

00:19:25,270 --> 00:19:22,480

like the actual blue book paperwork

493

00:19:27,669 --> 00:19:25,280

and i combine them with the photos and

494

00:19:29,430 --> 00:19:27,679

put them in these folders that you see

495

00:19:31,110 --> 00:19:29,440

because at the archives where we were

496

00:19:33,669 --> 00:19:31,120

earlier when you search for things like

497

00:19:37,029 --> 00:19:33,679

where we found oak ridge the photos are

498

00:19:37,750 --> 00:19:37,039

separate from the actual case file

499

00:19:40,310 --> 00:19:37,760

so

500

00:19:41,830 --> 00:19:40,320

for the ones you see here i combine them

501  
00:19:43,430 --> 00:19:41,840  
i'd like to do that for all of them at

502  
00:19:45,430 --> 00:19:43,440  
some point but obviously that takes a

503  
00:19:49,270 --> 00:19:45,440  
lot of time so you can see for instance

504  
00:19:50,950 --> 00:19:49,280  
covington indiana 67 we have two folders

505  
00:19:52,630 --> 00:19:50,960  
we have one

506  
00:19:55,510 --> 00:19:52,640  
that is the actual

507  
00:19:58,789 --> 00:19:55,520  
document file and then we have the other

508  
00:20:01,590 --> 00:19:59,830  
you know

509  
00:20:04,830 --> 00:20:01,600  
like that

510  
00:20:07,350 --> 00:20:04,840  
and i didn't do that for all of

511  
00:20:09,909 --> 00:20:07,360  
them um as you can see if there's no

512  
00:20:11,430 --> 00:20:09,919  
folder you just have the photos

513  
00:20:13,510 --> 00:20:11,440

there's another one you gotta be careful

514

00:20:16,390 --> 00:20:13,520

what you're looking at this says 1945

515

00:20:19,510 --> 00:20:16,400

thomas river new jersey maybe it is but

516

00:20:21,590 --> 00:20:19,520

i haven't found a 1945

517

00:20:23,750 --> 00:20:21,600

new jersey ufo

518

00:20:24,870 --> 00:20:23,760

document so

519

00:20:27,110 --> 00:20:24,880

who knows

520

00:20:29,029 --> 00:20:27,120

but i doubt it it's probably a typo

521

00:20:30,070 --> 00:20:29,039

because you find a lot of typos in these

522

00:20:31,750 --> 00:20:30,080

files

523

00:20:33,029 --> 00:20:31,760

but

524

00:20:34,470 --> 00:20:33,039

you know so

525

00:20:35,590 --> 00:20:34,480

and really if you just want to click

526  
00:20:39,590 --> 00:20:35,600  
through them you can hit this arrow on

527  
00:20:44,390 --> 00:20:42,230  
you get some like

528  
00:20:46,789 --> 00:20:44,400  
you'll you get all sorts of stuff

529  
00:20:48,950 --> 00:20:46,799  
sometimes you'll just get pure junk

530  
00:20:50,710 --> 00:20:48,960  
where you don't really see anything

531  
00:20:52,870 --> 00:20:50,720  
and you get interesting ones like what

532  
00:20:54,630 --> 00:20:52,880  
the heck is this you know

533  
00:20:56,310 --> 00:20:54,640  
you got this little guy in there what is

534  
00:20:58,950 --> 00:20:56,320  
that it could be a weather balloon i

535  
00:21:02,710 --> 00:21:01,110  
um but then you can tell it's like in

536  
00:21:04,710 --> 00:21:02,720  
this cloud so there's a lot of

537  
00:21:06,870 --> 00:21:04,720  
interesting things in here

538  
00:21:08,630 --> 00:21:06,880

um i went through where we found that

539

00:21:10,310 --> 00:21:08,640

oak ridge one again

540

00:21:14,149 --> 00:21:10,320

earlier

541

00:21:18,310 --> 00:21:14,159

i went there and found all the photos

542

00:21:21,190 --> 00:21:18,320

and individually downloaded each one

543

00:21:23,590 --> 00:21:21,200

and then put them into this drive folder

544

00:21:25,510 --> 00:21:23,600

took a lot of time

545

00:21:27,669 --> 00:21:25,520

and i think i got them all i may have

546

00:21:29,430 --> 00:21:27,679

missed one or two but i think i have

547

00:21:32,470 --> 00:21:29,440

them all in here

548

00:21:33,510 --> 00:21:32,480

so you can definitely go and check all

549

00:21:37,110 --> 00:21:33,520

those out

550

00:21:41,909 --> 00:21:39,190

i can say from what i've seen there's no

551  
00:21:45,909 --> 00:21:43,110  
maybe there's

552  
00:21:48,230 --> 00:21:45,919  
a smoking gun photo but you know i don't

553  
00:21:49,830 --> 00:21:48,240  
know but there's a lot of radar pictures

554  
00:21:51,750 --> 00:21:49,840  
stuff like that

555  
00:21:52,870 --> 00:21:51,760  
a lot of cool stuff in there

556  
00:21:54,470 --> 00:21:52,880  
uh

557  
00:21:56,230 --> 00:21:54,480  
there's a lot of flying discs you know

558  
00:21:58,070 --> 00:21:56,240  
if they're real yeah it's a smoking gun

559  
00:22:00,149 --> 00:21:58,080  
photo but how are you supposed to know

560  
00:22:04,070 --> 00:22:00,159  
you know

561  
00:22:07,430 --> 00:22:05,909  
so

562  
00:22:10,230 --> 00:22:07,440  
photos are pretty interesting place to

563  
00:22:13,029 --> 00:22:10,240

go um and then this one is just a link

564

00:22:14,870 --> 00:22:13,039

to the homepage of the national archives

565

00:22:17,029 --> 00:22:14,880

because you can find a lot of stuff that

566

00:22:19,590 --> 00:22:17,039

i don't necessarily have linked up here

567

00:22:21,270 --> 00:22:19,600

in the archives for instance

568

00:22:23,190 --> 00:22:21,280

in here we go with the search metadata

569

00:22:24,870 --> 00:22:23,200

and search text contents i always say

570

00:22:30,230 --> 00:22:24,880

text contents

571

00:22:31,350 --> 00:22:30,240

like if you just search ufo australia

572

00:22:41,029 --> 00:22:31,360

oops

573

00:22:45,110 --> 00:22:43,190

you'll find a lot of different

574

00:22:48,149 --> 00:22:45,120

interesting things

575

00:22:50,710 --> 00:22:48,159

like these old ufo bulletins

576

00:22:53,270 --> 00:22:50,720

which i think are really cool these ufo

577

00:22:56,070 --> 00:22:53,280

research australia newsletters

578

00:22:58,149 --> 00:22:56,080

all sorts of cool things

579

00:23:00,789 --> 00:22:58,159

so that's why i just put that basic link

580

00:23:02,310 --> 00:23:00,799

in there so you could go in and find

581

00:23:04,470 --> 00:23:02,320

stuff yourself if you want like

582

00:23:06,470 --> 00:23:04,480

different kind of stuff

583

00:23:08,470 --> 00:23:06,480

even it sometimes have full books here

584

00:23:08,940 --> 00:23:08,480

that you can download

585

00:23:10,310 --> 00:23:08,950

um

586

00:23:12,630 --> 00:23:10,320

[Music]

587

00:23:16,070 --> 00:23:12,640

you know i don't know

588

00:23:20,230 --> 00:23:17,510

and what's legal or what's not but

589

00:23:22,549 --> 00:23:20,240

whatever it's up there so

590

00:23:24,390 --> 00:23:22,559

like this one timothy good uh you can

591

00:23:26,870 --> 00:23:24,400

borrow it like a library i guess this

592

00:23:28,310 --> 00:23:26,880

one but it's pretty cool to at least

593

00:23:29,750 --> 00:23:28,320

have that option

594

00:23:33,190 --> 00:23:29,760

but you have a lot of stuff like this

595

00:23:34,830 --> 00:23:33,200

australian annual flag saucer review

596

00:23:38,149 --> 00:23:34,840

pretty

597

00:23:39,909 --> 00:23:38,159

cool a lot of stuff and you can do that

598

00:23:43,029 --> 00:23:39,919

for you know you don't have to type

599

00:23:45,190 --> 00:23:43,039

australia ufo obviously you can

600

00:23:48,230 --> 00:23:45,200

search anything

601  
00:23:51,269 --> 00:23:48,240  
um but yeah so that's pretty cool too

602  
00:23:55,269 --> 00:23:51,279  
and this last one is defense technical

603  
00:23:58,390 --> 00:23:55,279  
reports so this takes it straight to

604  
00:23:59,669 --> 00:23:58,400  
um their website right and i put this

605  
00:24:01,269 --> 00:23:59,679  
here

606  
00:24:02,950 --> 00:24:01,279  
not a lot of people are gonna use it but

607  
00:24:05,909 --> 00:24:02,960  
this is where you'll get like technical

608  
00:24:07,510 --> 00:24:05,919  
reports on things that uh they've done

609  
00:24:10,070 --> 00:24:07,520  
in the past like

610  
00:24:13,669 --> 00:24:10,080  
let's say like anti-gravity or something

611  
00:24:16,149 --> 00:24:13,679  
so you'll have to search it right

612  
00:24:17,830 --> 00:24:16,159  
gravity

613  
00:24:19,990 --> 00:24:17,840

and you can see what pops up and some

614

00:24:22,310 --> 00:24:20,000

things pop up

615

00:24:25,029 --> 00:24:22,320

and you'll have to click on it

616

00:24:28,070 --> 00:24:25,039

and check it out this is more for like

617

00:24:31,190 --> 00:24:28,080

in-depth kind of research right

618

00:24:33,430 --> 00:24:31,200

um this one is not easy to sort through

619

00:24:34,630 --> 00:24:33,440

i tend to look at like the descriptions

620

00:24:39,909 --> 00:24:34,640

here to see if it's going to be

621

00:24:42,149 --> 00:24:40,630

so

622

00:24:43,909 --> 00:24:42,159

you know that's kind of up to you to

623

00:24:46,789 --> 00:24:43,919

learn how to use

624

00:24:48,230 --> 00:24:46,799

and find your way about it but there's a

625

00:24:53,750 --> 00:24:48,240

lot of different

626  
00:24:58,230 --> 00:24:55,669  
so this will be like technology based

627  
00:25:00,870 --> 00:24:58,240  
kind of stuff electromagnet

628  
00:25:03,310 --> 00:25:00,880  
electro

629  
00:25:06,149 --> 00:25:03,320  
medic remote sensing

630  
00:25:09,669 --> 00:25:06,159  
electromagnetic fields exposure limits

631  
00:25:12,549 --> 00:25:09,679  
that's probably a good one to click on

632  
00:25:17,269 --> 00:25:15,590  
this is pretty much what the ufos do

633  
00:25:20,549 --> 00:25:17,279  
like the bio effects that kick green

634  
00:25:24,230 --> 00:25:21,510  
that's

635  
00:25:26,789 --> 00:25:24,240  
those are largely electromagnetic or

636  
00:25:30,549 --> 00:25:26,799  
radiation things you know

637  
00:25:37,110 --> 00:25:32,710  
a lot of that is this stuff

638  
00:25:39,590 --> 00:25:37,120

nato test research group 189 bio effects

639

00:25:41,750 --> 00:25:39,600

standardization of exposure you know

640

00:25:43,909 --> 00:25:41,760

nato science and technology so this is

641

00:25:45,830 --> 00:25:43,919

nato research paper even

642

00:25:47,190 --> 00:25:45,840

it's pretty good

643

00:25:52,950 --> 00:25:47,200

i don't even think i've looked at this

644

00:25:57,909 --> 00:25:55,909

pretty important to look at so you could

645

00:26:00,149 --> 00:25:57,919

uh and i'll dive into this on my own i

646

00:26:02,710 --> 00:26:00,159

guess but um so you can look at this

647

00:26:04,470 --> 00:26:02,720

stuff and

648

00:26:07,830 --> 00:26:04,480

this just actually looks like a list of

649

00:26:12,549 --> 00:26:09,750

well there's probably a lot of pages to

650

00:26:14,710 --> 00:26:12,559

it to be quite honest with you so

651  
00:26:17,430 --> 00:26:14,720  
you can look at it you can download it

652  
00:26:20,310 --> 00:26:17,440  
for yourself and use your own

653  
00:26:21,269 --> 00:26:20,320  
uh you know like um

654  
00:26:23,269 --> 00:26:21,279  
your own

655  
00:26:27,510 --> 00:26:23,279  
computer viewer to then search the

656  
00:26:32,870 --> 00:26:29,029  
you know so there could be interesting

657  
00:26:37,029 --> 00:26:35,110  
when you research this electromagnetic

658  
00:26:41,750 --> 00:26:37,039  
stuff it's pretty funny it's not funny

659  
00:26:47,430 --> 00:26:44,710  
um like the effects

660  
00:26:49,269 --> 00:26:47,440  
the human effects the biological effects

661  
00:26:51,190 --> 00:26:49,279  
are very similar

662  
00:26:53,269 --> 00:26:51,200  
to the bio effects

663  
00:26:59,190 --> 00:26:53,279

regarding the osceptor and the kick

664

00:27:02,310 --> 00:27:00,470

like uh

665

00:27:06,149 --> 00:27:02,320

you know burning skin

666

00:27:07,190 --> 00:27:06,159

headaches all that kind of stuff

667

00:27:09,430 --> 00:27:07,200

so

668

00:27:11,269 --> 00:27:09,440

when kick green says we have the human

669

00:27:13,510 --> 00:27:11,279

technology to reverse engineer that

670

00:27:15,350 --> 00:27:13,520

stuff

671

00:27:17,750 --> 00:27:15,360

that's what he's talking about

672

00:27:19,590 --> 00:27:17,760

ionizing radiation

673

00:27:21,669 --> 00:27:19,600

all sorts of good stuff here the thing

674

00:27:23,430 --> 00:27:21,679

is

675

00:27:24,850 --> 00:27:23,440

it can be very

676  
00:27:26,630 --> 00:27:24,860  
addicting

677  
00:27:28,149 --> 00:27:26,640  
[Laughter]

678  
00:27:29,669 --> 00:27:28,159  
you know

679  
00:27:32,310 --> 00:27:29,679  
and

680  
00:27:33,830 --> 00:27:32,320  
you want to find an answer or whatever

681  
00:27:36,149 --> 00:27:33,840  
it can be very addicting but the one

682  
00:27:38,630 --> 00:27:36,159  
thing i could say so then

683  
00:27:43,190 --> 00:27:38,640  
again here it is witnesscitizen.com

684  
00:27:48,389 --> 00:27:45,350  
the thing that i found with this stuff

685  
00:27:53,909 --> 00:27:50,950  
you know although i haven't found like

686  
00:27:56,310 --> 00:27:53,919  
some smoking gun or some great answer

687  
00:27:58,389 --> 00:27:56,320  
what i have been able to find is is a

688  
00:27:59,590 --> 00:27:58,399

lot of knowledge

689

00:28:02,630 --> 00:27:59,600

you know

690

00:28:03,510 --> 00:28:02,640

there's a lot of knowledge i've learned

691

00:28:06,549 --> 00:28:03,520

a lot

692

00:28:08,470 --> 00:28:06,559

about all sorts of different things

693

00:28:11,830 --> 00:28:08,480

not just ufos and looking at the

694

00:28:13,110 --> 00:28:11,840

technology and all that so

695

00:28:14,549 --> 00:28:13,120

and you really do

696

00:28:17,510 --> 00:28:14,559

the longer you do it the more you get

697

00:28:19,350 --> 00:28:17,520

into it you really do

698

00:28:22,070 --> 00:28:19,360

although you don't like figure out what

699

00:28:25,909 --> 00:28:22,080

the whole deal is you do get a good

700

00:28:30,389 --> 00:28:28,630

you know understanding of how long this

701

00:28:32,470 --> 00:28:30,399

stuff has been going on

702

00:28:33,669 --> 00:28:32,480

the different technologies what's really

703

00:28:35,190 --> 00:28:33,679

possible

704

00:28:37,590 --> 00:28:35,200

you know

705

00:28:39,590 --> 00:28:37,600

in that dtic thing you can

706

00:28:41,430 --> 00:28:39,600

find all sorts of stuff as far as like

707

00:28:42,389 --> 00:28:41,440

the different engines

708

00:28:43,990 --> 00:28:42,399

you know

709

00:28:46,070 --> 00:28:44,000

that they put into fighter jets or

710

00:28:47,669 --> 00:28:46,080

planes and all that kind of stuff so so

711

00:28:49,669 --> 00:28:47,679

you can really get as deep as you want

712

00:28:50,630 --> 00:28:49,679

to with the resources that i provided

713

00:28:52,789 --> 00:28:50,640

you

714

00:28:55,029 --> 00:28:52,799

um and of course there's other ways to

715

00:28:56,870 --> 00:28:55,039

research as well um

716

00:29:00,389 --> 00:28:56,880

you know contrary to popular belief you

717

00:29:02,549 --> 00:29:00,399

can research via google

718

00:29:04,470 --> 00:29:02,559

that is actually a way to research too

719

00:29:05,750 --> 00:29:04,480

there's actually one more place i wanted

720

00:29:08,310 --> 00:29:05,760

to show you

721

00:29:11,190 --> 00:29:08,320

and this is the air force office of

722

00:29:13,269 --> 00:29:11,200

special investigation ufo files

723

00:29:15,830 --> 00:29:13,279

so this is where i started was with

724

00:29:17,669 --> 00:29:15,840

these files and i found these searching

725

00:29:20,630 --> 00:29:17,679

google and i found them they were

726

00:29:23,909 --> 00:29:20,640

clifford stone's foia documents and

727

00:29:26,710 --> 00:29:23,919

their osi air force documents so blue

728

00:29:28,950 --> 00:29:26,720

book will have some of these

729

00:29:31,190 --> 00:29:28,960

and some of them they won't have so

730

00:29:34,230 --> 00:29:31,200

these are air force

731

00:29:35,510 --> 00:29:34,240

ufo documents that nobody really knows

732

00:29:36,549 --> 00:29:35,520

about

733

00:29:38,950 --> 00:29:36,559

so

734

00:29:41,110 --> 00:29:38,960

you do know

735

00:29:43,029 --> 00:29:41,120

it just because it's you know and you

736

00:29:45,029 --> 00:29:43,039

try to tell people about it but

737

00:29:46,710 --> 00:29:45,039

some people listen some people don't

738

00:29:48,149 --> 00:29:46,720

some people think you're full of crap

739

00:29:50,310 --> 00:29:48,159

and they're not really important and

740

00:29:53,190 --> 00:29:50,320

other people don't know about them and

741

00:29:55,669 --> 00:29:53,200

whatever but the fact is

742

00:29:57,590 --> 00:29:55,679

nobody really knows about these

743

00:29:59,190 --> 00:29:57,600

now the ones that blue book shares with

744

00:30:00,950 --> 00:29:59,200

these of course

745

00:30:02,470 --> 00:30:00,960

some people know about them but there's

746

00:30:04,789 --> 00:30:02,480

a lot in here

747

00:30:06,389 --> 00:30:04,799

that are just unknown

748

00:30:08,470 --> 00:30:06,399

that people have never even looked at

749

00:30:10,310 --> 00:30:08,480

these

750

00:30:12,630 --> 00:30:10,320

you know so

751  
00:30:14,789 --> 00:30:12,640  
if you are a ufo researcher

752  
00:30:17,269 --> 00:30:14,799  
i suggest going through these and these

753  
00:30:19,750 --> 00:30:17,279  
are all um

754  
00:30:21,830 --> 00:30:19,760  
sorted by districts district one

755  
00:30:25,269 --> 00:30:21,840  
for instance is

756  
00:30:27,830 --> 00:30:25,279  
westover air force base so

757  
00:30:29,669 --> 00:30:27,840  
when a ufo report would go to west over

758  
00:30:32,630 --> 00:30:29,679  
air force base

759  
00:30:34,230 --> 00:30:32,640  
an officer there an osi officer agent

760  
00:30:36,870 --> 00:30:34,240  
would go out and investigate and this is

761  
00:30:39,750 --> 00:30:36,880  
like on the ground field research stuff

762  
00:30:43,430 --> 00:30:39,760  
so this isn't filtered out

763  
00:30:45,430 --> 00:30:43,440

you know this is the agent going

764

00:30:47,750 --> 00:30:45,440

checking it out talking to the person

765

00:30:51,029 --> 00:30:47,760

what they said yada yada so there's a

766

00:30:52,950 --> 00:30:51,039

lot of a lot of good stuff in here and

767

00:30:55,510 --> 00:30:52,960

it's definitely worth looking into this

768

00:30:56,549 --> 00:30:55,520

is what i first found

769

00:30:58,870 --> 00:30:56,559

online

770

00:30:59,909 --> 00:30:58,880

the rest

771

00:31:01,590 --> 00:30:59,919

you know

772

00:31:04,070 --> 00:31:01,600

and what i build it upon to get to the

773

00:31:06,149 --> 00:31:04,080

point of where i could offer all these

774

00:31:08,149 --> 00:31:06,159

things here on this website

775

00:31:09,750 --> 00:31:08,159

and then share to you or other people

776

00:31:11,750 --> 00:31:09,760

that might want to do

777

00:31:13,269 --> 00:31:11,760

our research as well but it all started

778

00:31:15,110 --> 00:31:13,279

with that

779

00:31:18,470 --> 00:31:15,120

second link there air force office of

780

00:31:23,430 --> 00:31:21,750

so you know some are easier than others

781

00:31:26,230 --> 00:31:23,440

to look at like when things are in the

782

00:31:27,269 --> 00:31:26,240

archives you can search stuff the search

783

00:31:29,430 --> 00:31:27,279

isn't going to be perfect because

784

00:31:30,389 --> 00:31:29,440

they're old documents you know

785

00:31:33,110 --> 00:31:30,399

so

786

00:31:34,230 --> 00:31:33,120

you're not going to catch everything

787

00:31:36,149 --> 00:31:34,240

but you know

788

00:31:38,230 --> 00:31:36,159

it's it helps

789

00:31:40,789 --> 00:31:38,240

like in the archives i've searched

790

00:31:42,310 --> 00:31:40,799

injury for one of our shows that we did

791

00:31:45,029 --> 00:31:42,320

and used some of the documents that

792

00:31:46,630 --> 00:31:45,039

popped up you know to talk about the

793

00:31:49,430 --> 00:31:46,640

different injuries that were reported

794

00:31:50,549 --> 00:31:49,440

with ufo sightings so but i didn't get

795

00:31:52,149 --> 00:31:50,559

all of them

796

00:31:53,350 --> 00:31:52,159

you know the the search didn't get all

797

00:31:54,630 --> 00:31:53,360

of them

798

00:31:57,110 --> 00:31:54,640

because randomly going through a

799

00:31:58,070 --> 00:31:57,120

different uh sighting or or a blue book

800

00:32:01,110 --> 00:31:58,080

thing

801  
00:32:03,909 --> 00:32:01,120  
i found you know a pretty

802  
00:32:05,509 --> 00:32:03,919  
impactful looking injury in there that

803  
00:32:07,029 --> 00:32:05,519  
didn't show up in the search

804  
00:32:10,470 --> 00:32:07,039  
so you can't count on it a hundred

805  
00:32:12,310 --> 00:32:10,480  
percent but it is better than nothing

806  
00:32:15,830 --> 00:32:12,320  
so

807  
00:32:20,389 --> 00:32:17,750  
when you go up to the top and you click

808  
00:32:22,710 --> 00:32:20,399  
on witness files these are kind of the

809  
00:32:24,230 --> 00:32:22,720  
different things that i find

810  
00:32:25,509 --> 00:32:24,240  
you know the different things that stood

811  
00:32:28,310 --> 00:32:25,519  
out to me and the different things that

812  
00:32:29,509 --> 00:32:28,320  
i find through my research and and i put

813  
00:32:30,950 --> 00:32:29,519

them up here

814

00:32:33,190 --> 00:32:30,960

and the different things i've learned

815

00:32:34,870 --> 00:32:33,200

like moon does since bass track i've

816

00:32:37,269 --> 00:32:34,880

learned about that stuff by looking at

817

00:32:39,430 --> 00:32:37,279

all those files

818

00:32:40,789 --> 00:32:39,440

or you know here's the warsaw pack that

819

00:32:42,630 --> 00:32:40,799

we looked at earlier i found that

820

00:32:44,310 --> 00:32:42,640

interesting so i put it up there so

821

00:32:47,750 --> 00:32:44,320

these are kind of like

822

00:32:50,870 --> 00:32:49,269

greatest hits are my favorite thing like

823

00:32:53,430 --> 00:32:50,880

this blue book file in kecksburg

824

00:32:54,470 --> 00:32:53,440

pennsylvania you know how i found that

825

00:32:56,230 --> 00:32:54,480

is

826

00:32:58,710 --> 00:32:56,240

if i would have just searched gecksburg

827

00:33:00,870 --> 00:32:58,720

i wouldn't have found it

828

00:33:03,350 --> 00:33:00,880

that's another thing you know but in the

829

00:33:06,230 --> 00:33:03,360

archives i figu i've

830

00:33:08,710 --> 00:33:06,240

i'd forget how but i wound up searching

831

00:33:11,190 --> 00:33:08,720

acme pennsylvania and boom there it is

832

00:33:13,110 --> 00:33:11,200

the file for kecksburg it's because they

833

00:33:16,389 --> 00:33:13,120

actually talked about it

834

00:33:17,669 --> 00:33:16,399

as acme pennsylvania here you can see

835

00:33:20,070 --> 00:33:17,679

um

836

00:33:21,909 --> 00:33:20,080

this isn't even up anymore sorry

837

00:33:23,269 --> 00:33:21,919

as you can see uh

838

00:33:24,950 --> 00:33:23,279

kecksburg

839

00:33:27,430 --> 00:33:24,960

pennsylvania i have a so you can see

840

00:33:31,750 --> 00:33:27,440

it's acme pennsylvania so that's how i

841

00:33:35,909 --> 00:33:33,350

and that's again i was talking about

842

00:33:39,509 --> 00:33:35,919

witness files greatest hits

843

00:33:41,750 --> 00:33:39,519

that's where we are here

844

00:33:44,149 --> 00:33:41,760

this this one really this one down here

845

00:33:46,870 --> 00:33:44,159

crashed ufola camp louisiana we did a

846

00:33:48,870 --> 00:33:46,880

show on that that's a really good one

847

00:33:52,310 --> 00:33:48,880

it's a really good one it was

848

00:33:53,909 --> 00:33:52,320

unidentified thing crashed

849

00:33:55,909 --> 00:33:53,919

it's really good

850

00:33:59,029 --> 00:33:55,919

then you got other things like uap in

851  
00:34:04,630 --> 00:33:59,039  
the uk all sorts of stuff so i just

852  
00:34:09,109 --> 00:34:06,789  
there's over 100 plus documents on the

853  
00:34:11,190 --> 00:34:09,119  
washington dc sightings

854  
00:34:11,990 --> 00:34:11,200  
it's a great case

855  
00:34:13,750 --> 00:34:12,000  
so

856  
00:34:16,310 --> 00:34:13,760  
i just wanted to make those available to

857  
00:34:18,829 --> 00:34:16,320  
you in case you want to do your own

858  
00:34:20,850 --> 00:34:18,839  
research or look into this stuff for

859  
00:34:22,149 --> 00:34:20,860  
yourself you know um

860  
00:34:24,470 --> 00:34:22,159  
[Music]

861  
00:34:27,990 --> 00:34:24,480  
i barely have read

862  
00:34:28,950 --> 00:34:28,000  
any books or listen to other people um

863  
00:34:30,710 --> 00:34:28,960

too much

864

00:34:32,230 --> 00:34:30,720

as far as this stuff goes because

865

00:34:34,149 --> 00:34:32,240

everybody's got a twist right you read

866

00:34:36,710 --> 00:34:34,159

somebody's book where they use some of

867

00:34:38,310 --> 00:34:36,720

these files you know they have their own

868

00:34:40,470 --> 00:34:38,320

twist or their own

869

00:34:42,389 --> 00:34:40,480

uh prerogative or their own influence on

870

00:34:44,950 --> 00:34:42,399

it sometimes it's benign and sometimes

871

00:34:47,510 --> 00:34:44,960

it is not benign

872

00:34:49,109 --> 00:34:47,520

so that's why it was important to me to

873

00:34:51,909 --> 00:34:49,119

look at these files and read them for

874

00:34:54,550 --> 00:34:51,919

myself and take away from it what i take

875

00:34:57,349 --> 00:34:54,560

away from it without outside influence

876

00:35:01,270 --> 00:34:57,359

you know i think that's important

877

00:35:05,670 --> 00:35:03,589

and you know i i still think that's the

878

00:35:07,270 --> 00:35:05,680

way it should be done

879

00:35:09,270 --> 00:35:07,280

now that's not to say that there aren't

880

00:35:11,109 --> 00:35:09,280

good books out there there are like you

881

00:35:12,230 --> 00:35:11,119

know speaking of books graeme rendell

882

00:35:15,430 --> 00:35:12,240

wrote

883

00:35:16,630 --> 00:35:15,440

ufos before roswell the reason i like

884

00:35:19,190 --> 00:35:16,640

that book

885

00:35:21,030 --> 00:35:19,200

and him as an author

886

00:35:23,030 --> 00:35:21,040

first of all in that book you can't find

887

00:35:25,430 --> 00:35:23,040

those reports online he had to put a lot

888

00:35:28,150 --> 00:35:25,440

of like boots on the ground so to speak

889

00:35:31,750 --> 00:35:28,160

work into finding that information

890

00:35:34,150 --> 00:35:31,760

so that that's huge but

891

00:35:36,630 --> 00:35:34,160

uh that book is great because it's just

892

00:35:38,230 --> 00:35:36,640

the facts ma'am this is what's reported

893

00:35:40,790 --> 00:35:38,240

it's the facts he's not putting an

894

00:35:42,470 --> 00:35:40,800

opinion on it he's not trying to get you

895

00:35:44,150 --> 00:35:42,480

to believe this or that he's just

896

00:35:46,069 --> 00:35:44,160

reporting

897

00:35:48,950 --> 00:35:46,079

what was that writing about what was

898

00:35:52,310 --> 00:35:48,960

documented you know

899

00:35:53,030 --> 00:35:52,320

and it's hard to find authors like that

900

00:36:02,150 --> 00:35:53,040

so

901  
00:36:04,150 --> 00:36:02,160  
who writes a book on old files and stuff

902  
00:36:06,470 --> 00:36:04,160  
you know

903  
00:36:08,230 --> 00:36:06,480  
but some people will take the files and

904  
00:36:10,630 --> 00:36:08,240  
twist it into

905  
00:36:12,870 --> 00:36:10,640  
there's 138 different races and a

906  
00:36:15,270 --> 00:36:12,880  
galactic federation and here's the proof

907  
00:36:18,150 --> 00:36:15,280  
somebody saw an alien and end the story

908  
00:36:21,270 --> 00:36:18,160  
you know but you can't do that there's

909  
00:36:22,710 --> 00:36:21,280  
just so much more to it you know

910  
00:36:25,030 --> 00:36:22,720  
um

911  
00:36:27,990 --> 00:36:25,040  
so yeah that's what i got short episode

912  
00:36:31,190 --> 00:36:28,000  
today i want to make it tight and sweet

913  
00:36:33,510 --> 00:36:31,200

for people so um they can

914

00:36:35,190 --> 00:36:33,520

you know use this as a reference point

915

00:36:36,630 --> 00:36:35,200

if if they decide to get into the

916

00:36:39,030 --> 00:36:36,640

research stuff

917

00:36:40,390 --> 00:36:39,040

so with that being said i'll see y'all

918

00:36:42,790 --> 00:36:40,400

soon

919

00:36:44,550 --> 00:36:42,800

i hope you guys have a great weekend

920

00:36:47,910 --> 00:36:44,560

uh thank you so much for hanging out and

921

00:36:52,829 --> 00:36:47,920

being supportive of channel 4 hours

922

00:36:56,230 --> 00:36:52,839

horace um jose robert um james lara

923

00:36:58,310 --> 00:36:56,240

lara everybody i really do appreciate it

924

00:36:58,670 --> 00:36:58,320

i appreciate you guys hanging out

925

00:36:59,750 --> 00:36:58,680

um

926

00:37:02,150 --> 00:36:59,760

[Music]

927

00:37:04,069 --> 00:37:02,160

and if you do some research if you wind

928

00:37:06,550 --> 00:37:04,079

up using some of this stuff and you find

929

00:37:08,950 --> 00:37:06,560

something interesting let me know

930

00:37:11,109 --> 00:37:08,960

you know post on twitter tag me in it or

931

00:37:13,910 --> 00:37:11,119

instagram and say hey

932

00:37:15,670 --> 00:37:13,920

you know sean i found this

933

00:37:17,430 --> 00:37:15,680

pretty cool huh or if you're having

934

00:37:19,990 --> 00:37:17,440

trouble you know going through any of

935

00:37:22,310 --> 00:37:20,000

this stuff just let me know send me a

936

00:37:24,550 --> 00:37:22,320

direct message or email me i have a

937

00:37:27,829 --> 00:37:24,560

contact form on the website there

938

00:37:29,589 --> 00:37:27,839

um and you can email me and you know

939

00:37:31,589 --> 00:37:29,599

feel free to ask a question i can help

940

00:37:34,069 --> 00:37:31,599

out as best as i can

941

00:37:35,750 --> 00:37:34,079

so i i definitely don't

942

00:37:37,589 --> 00:37:35,760

know everything

943

00:37:39,829 --> 00:37:37,599

not even close

944

00:37:41,510 --> 00:37:39,839

you know but all i'm doing is sharing

945

00:37:43,430 --> 00:37:41,520

what i have learned and how i do my

946

00:37:45,510 --> 00:37:43,440

thing there's definitely you know

947

00:37:48,069 --> 00:37:45,520

different ways to do stuff and

948

00:37:51,109 --> 00:37:48,079

um you know people that know a lot more

949

00:37:53,349 --> 00:37:51,119

about this than i do this is just what

950

00:37:55,190 --> 00:37:53,359

i've learned and how i do it and you

951  
00:37:57,510 --> 00:37:55,200  
know hopefully somebody finds it helpful

952  
00:38:00,510 --> 00:37:57,520  
so that being said hope you have a great

953  
00:38:12,950 --> 00:38:04,500  
peace to another

954  
00:38:24,310 --> 00:38:15,280  
same as a brother

955  
00:38:24,320 --> 00:38:32,640  
so close to another

956  
00:38:32,650 --> 00:38:35,990  
[Music]

957  
00:38:36,000 --> 00:38:44,340  
it's the same as my brother

958  
00:38:44,350 --> 00:38:48,470  
[Music]

959  
00:38:50,950 --> 00:38:49,750  
type of

960  
00:38:52,710 --> 00:38:50,960  
activity

961  
00:38:53,670 --> 00:38:52,720  
that some might

962  
00:38:59,030 --> 00:38:53,680  
say
