

Sean

1  
00:00:09,270 --> 00:00:03,830  
i'm just a witness

2  
00:00:09,280 --> 00:00:15,430  
i don't know what i saw if it's alien

3  
00:00:19,750 --> 00:00:16,710  
[Music]

4  
00:00:25,189 --> 00:00:19,760  
i'm just a witness

5  
00:00:32,790 --> 00:00:28,310  
i'll tell you my side if i knew where to

6  
00:00:38,130 --> 00:00:35,750  
i'm just a witness

7  
00:00:54,150 --> 00:00:38,140  
citizen

8  
00:00:56,830 --> 00:00:55,750  
what's up everybody

9  
00:01:01,189 --> 00:00:56,840  
happy

10  
00:01:03,910 --> 00:01:01,199  
monday uh the 25th 4 25 22

11  
00:01:05,429 --> 00:01:03,920  
uh hope everyone is enjoying this start

12  
00:01:08,310 --> 00:01:05,439  
to the week

13  
00:01:10,310 --> 00:01:08,320

um yeah but you got a long way to go

14

00:01:13,910 --> 00:01:10,320

it's only monday so you got tuesday

15

00:01:15,670 --> 00:01:13,920

wednesday thursday friday uh saturday

16

00:01:16,870 --> 00:01:15,680

sunday

17

00:01:18,789 --> 00:01:16,880

but i guess

18

00:01:21,350 --> 00:01:18,799

you know sunday is one of those days

19

00:01:22,630 --> 00:01:21,360

that uh

20

00:01:24,469 --> 00:01:22,640

to me

21

00:01:27,190 --> 00:01:24,479

feels like the last day of the week but

22

00:01:30,870 --> 00:01:27,200

apparently it's like the first day of

23

00:01:35,429 --> 00:01:33,109

but yeah so

24

00:01:38,550 --> 00:01:35,439

is what it is right

25

00:01:42,149 --> 00:01:38,560

good to see you guys uh we have some

26  
00:01:44,149 --> 00:01:42,159  
great people here in the chat as always

27  
00:01:47,270 --> 00:01:44,159  
we have andres

28  
00:01:49,830 --> 00:01:47,280  
what's up he found a

29  
00:01:51,270 --> 00:01:49,840  
excellent video about valet

30  
00:01:52,469 --> 00:01:51,280  
cool

31  
00:01:55,670 --> 00:01:52,479  
awesome

32  
00:01:56,870 --> 00:01:55,680  
um we have shows thanking people as

33  
00:01:59,350 --> 00:01:56,880  
usual

34  
00:02:01,270 --> 00:01:59,360  
great guy always thankful

35  
00:02:02,709 --> 00:02:01,280  
um josh

36  
00:02:04,950 --> 00:02:02,719  
what's up

37  
00:02:07,109 --> 00:02:04,960  
and we have robert good to see you too

38  
00:02:10,869 --> 00:02:07,119

sir

39

00:02:12,869 --> 00:02:10,879

uh who else we got lc in the house

40

00:02:14,869 --> 00:02:12,879

awesome

41

00:02:16,630 --> 00:02:14,879

lionel

42

00:02:18,470 --> 00:02:16,640

what's up

43

00:02:20,830 --> 00:02:18,480

yeah we got a good crowd here today i

44

00:02:22,710 --> 00:02:20,840

appreciate everyone hanging

45

00:02:25,030 --> 00:02:22,720

out um

46

00:02:27,350 --> 00:02:25,040

disclosure team what's up

47

00:02:29,350 --> 00:02:27,360

you just had a video i would i wasn't

48

00:02:32,070 --> 00:02:29,360

going to tell you but uh he's actually

49

00:02:36,869 --> 00:02:34,710

that i pushed this back you know i was

50

00:02:40,070 --> 00:02:36,879

about to have a show and i was like oh

51  
00:02:45,110 --> 00:02:41,589  
there's not a big enough crowd for the

52  
00:02:49,430 --> 00:02:47,110  
renee cruz no idea if that person's

53  
00:02:51,750 --> 00:02:49,440  
still here or not but if you are awesome

54  
00:02:54,710 --> 00:02:51,760  
glad to have you

55  
00:02:58,149 --> 00:02:54,720  
um every day is friday when you are

56  
00:03:02,830 --> 00:02:59,540  
that's good that's good

57  
00:03:04,390 --> 00:03:02,840  
[Laughter]

58  
00:03:08,149 --> 00:03:04,400  
so

59  
00:03:10,949 --> 00:03:08,159  
um i really do uh appreciate your time

60  
00:03:14,309 --> 00:03:10,959  
we don't have anything

61  
00:03:17,350 --> 00:03:14,319  
uh pressing as far as news

62  
00:03:19,509 --> 00:03:17,360  
you know it's it kind of comes and goes

63  
00:03:22,630 --> 00:03:19,519

that's for sure

64

00:03:25,750 --> 00:03:22,640

what's up steve how you doing

65

00:03:27,110 --> 00:03:25,760

glad to see you sir

66

00:03:30,309 --> 00:03:27,120

awesome

67

00:03:32,229 --> 00:03:30,319

um yeah so you know the

68

00:03:32,949 --> 00:03:32,239

uap news kind of comes and goes right

69

00:03:35,990 --> 00:03:32,959

the

70

00:03:39,030 --> 00:03:36,000

update on

71

00:03:42,149 --> 00:03:39,040

um the dod stuff

72

00:03:43,589 --> 00:03:42,159

uh which is just a cluster that's for

73

00:03:46,789 --> 00:03:43,599

sure um

74

00:03:49,509 --> 00:03:46,799

so this uh brian bender guy tweeted

75

00:03:51,830 --> 00:03:49,519

his news break

76

00:03:55,350 --> 00:03:51,840

about um

77

00:03:58,229 --> 00:03:55,360

uh the scary read apparently the

78

00:03:59,670 --> 00:03:58,239

uh he's being reassigned

79

00:04:02,550 --> 00:03:59,680

and

80

00:04:04,710 --> 00:04:02,560

the dia pretty much what i read is is in

81

00:04:07,110 --> 00:04:04,720

charge of that reassignment

82

00:04:08,550 --> 00:04:07,120

or he's being reassigned to dia or

83

00:04:10,470 --> 00:04:08,560

something so

84

00:04:12,229 --> 00:04:10,480

um you know then there's a lot of back

85

00:04:13,830 --> 00:04:12,239

and forth well i guess he wasn't fired

86

00:04:15,589 --> 00:04:13,840

who's reporting this yeah somebody's

87

00:04:17,430 --> 00:04:15,599

reporting he's fired what's the deal

88

00:04:20,310 --> 00:04:17,440

what's really happening

89

00:04:22,870 --> 00:04:20,320

is he fired is he not fired you know

90

00:04:25,590 --> 00:04:22,880

what i take from it is you know first of

91

00:04:28,310 --> 00:04:25,600

all i guess we don't really know

92

00:04:29,909 --> 00:04:28,320

but i can't say that it seems like he

93

00:04:31,870 --> 00:04:29,919

was

94

00:04:33,830 --> 00:04:31,880

you know whatever duties whatever

95

00:04:35,430 --> 00:04:33,840

responsibilities he had for the

96

00:04:37,189 --> 00:04:35,440

government

97

00:04:38,550 --> 00:04:37,199

those were taken away those were

98

00:04:40,870 --> 00:04:38,560

stripped

99

00:04:42,390 --> 00:04:40,880

and he's being given a different

100

00:04:45,830 --> 00:04:42,400

a different assignment whatever that

101  
00:04:45,840 --> 00:04:48,790  
no if

102  
00:04:54,390 --> 00:04:51,430  
my screen might be blurry it could be

103  
00:04:56,310 --> 00:04:54,400  
i'm getting a low internet signal so

104  
00:04:58,390 --> 00:04:56,320  
i don't know even though i'm plugged

105  
00:05:01,350 --> 00:04:58,400  
directly in

106  
00:05:02,710 --> 00:05:01,360  
so i don't know what what the deal is

107  
00:05:04,070 --> 00:05:02,720  
but uh

108  
00:05:05,590 --> 00:05:04,080  
you know

109  
00:05:08,469 --> 00:05:05,600  
now everyone's just saying yeah kind of

110  
00:05:13,110 --> 00:05:10,710  
all right well let me

111  
00:05:14,469 --> 00:05:13,120  
see what i can do

112  
00:05:16,469 --> 00:05:14,479  
i don't know if this is gonna help or

113  
00:05:19,670 --> 00:05:16,479

not but

114

00:05:19,680 --> 00:05:36,150

i might disappear for a second

115

00:05:42,150 --> 00:05:39,749

is that any better maybe

116

00:05:44,070 --> 00:05:42,160

probably not maybe i just got weak ass

117

00:05:47,430 --> 00:05:44,080

internet today

118

00:05:51,110 --> 00:05:47,440

i think that could be the case

119

00:05:51,120 --> 00:06:06,710

but it is what it is i guess

120

00:06:11,430 --> 00:06:09,110

yeah i don't know maybe i just have weak

121

00:06:13,590 --> 00:06:11,440

internet today

122

00:06:15,830 --> 00:06:13,600

kind of stinks

123

00:06:17,990 --> 00:06:15,840

it's like what do you pay for you know

124

00:06:20,550 --> 00:06:18,000

you paying for weak internet

125

00:06:22,070 --> 00:06:20,560

i'm not paying for weak internet that's

126  
00:06:25,110 --> 00:06:22,080  
for sure

127  
00:06:26,629 --> 00:06:25,120  
um so i don't know but anyways we'll

128  
00:06:29,830 --> 00:06:26,639  
just

129  
00:06:32,629 --> 00:06:29,840  
we'll go with it here and

130  
00:06:35,350 --> 00:06:32,639  
hopefully it gets better i guess

131  
00:06:38,070 --> 00:06:35,360  
you know i don't know

132  
00:06:41,990 --> 00:06:38,080  
it stinks

133  
00:06:46,150 --> 00:06:44,629  
you know i don't know that makes me

134  
00:06:49,909 --> 00:06:46,160  
kind of frustrated

135  
00:06:54,230 --> 00:06:51,510  
but hopefully it gets better hopefully

136  
00:06:55,990 --> 00:06:54,240  
it gets better so

137  
00:06:59,270 --> 00:06:56,000  
what we'll do

138  
00:07:03,350 --> 00:06:59,280

is start with kind of uh i don't know

139

00:07:06,309 --> 00:07:03,360

the news stories of the day

140

00:07:11,749 --> 00:07:06,319

um we have a couple of them

141

00:07:13,830 --> 00:07:11,759

the first one is mr avi loeb

142

00:07:15,510 --> 00:07:13,840

talking about

143

00:07:16,870 --> 00:07:15,520

you can pull up the stories if you want

144

00:07:18,070 --> 00:07:16,880

there in the

145

00:07:21,110 --> 00:07:18,080

description

146

00:07:24,070 --> 00:07:21,120

so you can check that out if you want

147

00:07:27,749 --> 00:07:24,080

and it's pretty interesting because

148

00:07:28,790 --> 00:07:27,759

avi loeb is talking about

149

00:07:32,390 --> 00:07:28,800

this

150

00:07:34,790 --> 00:07:32,400

supposed meteorite interstellar

151  
00:07:40,070 --> 00:07:37,350  
fell into the ocean and

152  
00:07:42,230 --> 00:07:40,080  
the military was

153  
00:07:43,670 --> 00:07:42,240  
pretty much keeping the information

154  
00:07:46,550 --> 00:07:43,680  
classified

155  
00:07:48,790 --> 00:07:46,560  
which of course of course they would

156  
00:07:51,589 --> 00:07:48,800  
what's classified about that i don't

157  
00:07:53,430 --> 00:07:51,599  
know but apparently they were doing that

158  
00:07:55,909 --> 00:07:53,440  
and

159  
00:07:57,350 --> 00:07:55,919  
but obviously got the information he got

160  
00:07:59,589 --> 00:07:57,360  
the scoop

161  
00:08:01,670 --> 00:07:59,599  
so

162  
00:08:03,270 --> 00:08:01,680  
him and this other guy

163  
00:08:05,029 --> 00:08:03,280

you know unfortunately for the other guy

164

00:08:05,830 --> 00:08:05,039

he's always going to be called the other

165

00:08:06,950 --> 00:08:05,840

guy

166

00:08:08,469 --> 00:08:06,960

right

167

00:08:12,150 --> 00:08:08,479

and it's always going to be avi lope and

168

00:08:16,710 --> 00:08:13,990

no offense to the other guy but you know

169

00:08:22,790 --> 00:08:19,830

so i put the debrief article uh up there

170

00:08:25,510 --> 00:08:22,800

so sorry i'm taking a little long here

171

00:08:26,710 --> 00:08:25,520

the internet being crappy was uh just

172

00:08:29,830 --> 00:08:26,720

kind of

173

00:08:32,630 --> 00:08:29,840

you know cramping my style man

174

00:08:35,589 --> 00:08:32,640

just cramping my style

175

00:08:39,589 --> 00:08:37,750

scooping in his interstellar fragments

176

00:08:41,589 --> 00:08:39,599

from the ocean floor so that's what he

177

00:08:43,670 --> 00:08:41,599

basically wants to do he wants to go

178

00:08:45,670 --> 00:08:43,680

look for the interstellar fragments from

179

00:08:48,710 --> 00:08:45,680

the ocean floor

180

00:08:50,230 --> 00:08:48,720

a pretty good article the debrief did

181

00:08:53,190 --> 00:08:50,240

um

182

00:08:56,070 --> 00:08:53,200

as always so but

183

00:08:57,910 --> 00:08:56,080

it was on april 6 2022 the united states

184

00:09:00,870 --> 00:08:57,920

space command tweeted a formal letter

185

00:09:04,630 --> 00:09:00,880

confirming that a meteor identified

186

00:09:08,150 --> 00:09:04,640

um in the cneos catalog

187

00:09:11,110 --> 00:09:08,160

by a student amir siraj i guess not the

188

00:09:12,710 --> 00:09:11,120

other guy in me avilope says um as

189

00:09:15,350 --> 00:09:12,720

originating from outside the solar

190

00:09:17,750 --> 00:09:15,360

system based on its high speed is indeed

191

00:09:21,509 --> 00:09:17,760

interstellar uh the meteor

192

00:09:23,509 --> 00:09:21,519

detection uh january 8 2014 predated the

193

00:09:26,230 --> 00:09:23,519

first reported interstellar object of

194

00:09:28,389 --> 00:09:26,240

muammua interesting hey have to go back

195

00:09:30,550 --> 00:09:28,399

and and see how many times people call

196

00:09:35,350 --> 00:09:30,560

that the first interstellar object and

197

00:09:38,790 --> 00:09:37,350

uh the meteor paper was initially

198

00:09:39,990 --> 00:09:38,800

doubted because the uncertainties and

199

00:09:42,949 --> 00:09:40,000

the velocity

200

00:09:44,230 --> 00:09:42,959

uh measurements uh

201  
00:09:45,509 --> 00:09:44,240  
the velocity measurements were

202  
00:09:47,430 --> 00:09:45,519  
classified the release of the

203  
00:09:49,430 --> 00:09:47,440  
confirmation letter is a watershed

204  
00:09:51,269 --> 00:09:49,440  
moment in which the government assists

205  
00:09:53,110 --> 00:09:51,279  
scientific progress by confirming the

206  
00:09:57,670 --> 00:09:53,120  
interstellar origin of this so-called

207  
00:09:59,269 --> 00:09:57,680  
object um at the 99.9999

208  
00:10:01,190 --> 00:09:59,279  
confidence see at that point why don't

209  
00:10:03,190 --> 00:10:01,200  
you just say 100 why do you always got

210  
00:10:05,990 --> 00:10:03,200  
to leave it out for you you always gotta

211  
00:10:08,230 --> 00:10:06,000  
leave out just in case something happens

212  
00:10:11,590 --> 00:10:08,240  
you can say well i told you

213  
00:10:13,190 --> 00:10:11,600

there was .01

214

00:10:15,829 --> 00:10:13,200  
chance

215

00:10:18,470 --> 00:10:15,839  
that maybe it wasn't

216

00:10:20,710 --> 00:10:18,480  
so we weren't completely real

217

00:10:23,990 --> 00:10:20,720  
um so

218

00:10:28,389 --> 00:10:26,470  
it interesting that the meteor uh

219

00:10:30,630 --> 00:10:28,399  
in size and created a fireball carrying

220

00:10:33,829 --> 00:10:30,640  
the percent of energy of the hiroshima

221

00:10:35,750 --> 00:10:33,839  
bomb wow

222

00:10:37,030 --> 00:10:35,760  
you know it's interesting that uh they

223

00:10:39,030 --> 00:10:37,040  
wouldn't even tell us that that the

224

00:10:41,910 --> 00:10:39,040  
government wouldn't even

225

00:10:44,150 --> 00:10:41,920  
tell us that that happened

226

00:10:45,990 --> 00:10:44,160

that's a big deal how did

227

00:10:48,230 --> 00:10:46,000

no one know it seems like it could be a

228

00:10:50,949 --> 00:10:48,240

big blast

229

00:10:52,230 --> 00:10:50,959

you know don't you think

230

00:10:56,870 --> 00:10:52,240

so what do you do you go to the bottom

231

00:11:01,430 --> 00:10:58,069

right

232

00:11:03,509 --> 00:11:01,440

you find it

233

00:11:04,949 --> 00:11:03,519

what if it's a alien chip well you know

234

00:11:07,110 --> 00:11:04,959

hopefully it's better than iphones and

235

00:11:08,870 --> 00:11:07,120

it still works you have to put it in

236

00:11:11,030 --> 00:11:08,880

rice

237

00:11:14,389 --> 00:11:11,040

you know to soak the water up so the

238

00:11:17,269 --> 00:11:14,399

technology still works

239

00:11:20,310 --> 00:11:17,279

well basically you know um

240

00:11:24,630 --> 00:11:20,320

avila but his dream is to find one of

241

00:11:26,949 --> 00:11:24,640

these objects and press buttons on it so

242

00:11:29,990 --> 00:11:26,959

you know he's going for it

243

00:11:32,230 --> 00:11:30,000

it he should you know especially even if

244

00:11:33,750 --> 00:11:32,240

it's just an interstellar meteorite i

245

00:11:37,430 --> 00:11:33,760

mean you think you'd want to find that

246

00:11:40,069 --> 00:11:37,440

thing so you can study it you know

247

00:11:43,269 --> 00:11:40,079

regardless of what it is so

248

00:11:44,550 --> 00:11:43,279

hopefully you know somebody uh pays for

249

00:11:47,190 --> 00:11:44,560

that

250

00:11:48,949 --> 00:11:47,200

you know avila by doubt would pay

251  
00:11:51,910 --> 00:11:48,959  
for it himself but

252  
00:11:52,629 --> 00:11:51,920  
you never know maybe he would

253  
00:11:54,629 --> 00:11:52,639  
but

254  
00:11:56,629 --> 00:11:54,639  
i doubt it

255  
00:11:58,470 --> 00:11:56,639  
so maybe that's why he is on the

256  
00:12:00,310 --> 00:11:58,480  
campaign he's trying to get somebody to

257  
00:12:03,509 --> 00:12:00,320  
pay for it

258  
00:12:05,590 --> 00:12:03,519  
i don't know who knows

259  
00:12:07,670 --> 00:12:05,600  
never know these days right

260  
00:12:12,790 --> 00:12:07,680  
i doubt it

261  
00:12:15,190 --> 00:12:12,800  
updates on the project galileo

262  
00:12:16,629 --> 00:12:15,200  
either so i'm pretty curious about that

263  
00:12:18,230 --> 00:12:16,639

you know it's another thing that needed

264

00:12:19,829 --> 00:12:18,240

funding what happens if that doesn't get

265

00:12:21,670 --> 00:12:19,839

funny is he going to be able to carry

266

00:12:24,949 --> 00:12:21,680

out that project

267

00:12:27,030 --> 00:12:24,959

i don't know

268

00:12:30,069 --> 00:12:27,040

i just don't know

269

00:12:32,069 --> 00:12:30,079

uh this next story ufo or no night sky

270

00:12:34,310 --> 00:12:32,079

space honesty reported in parts of

271

00:12:36,829 --> 00:12:34,320

ontario pretty interesting here's a

272

00:12:41,269 --> 00:12:40,150

uh cool i guess

273

00:12:44,629 --> 00:12:41,279

and uh

274

00:12:47,350 --> 00:12:44,639

an odd night sky sighting thursday

275

00:12:49,590 --> 00:12:47,360

ontario um people wondering if it was a

276

00:12:51,750 --> 00:12:49,600

ufo or even a rocket a string of lights

277

00:12:54,470 --> 00:12:51,760

floating in the night sky were spotted

278

00:12:57,030 --> 00:12:54,480

uh areas of ontario thursday but then

279

00:12:59,509 --> 00:12:57,040

suddenly disappeared disappeared what at

280

00:13:00,710 --> 00:12:59,519

first thought to be a ufo object turned

281

00:13:02,389 --> 00:13:00,720

out to be satellites that may have been

282

00:13:04,629 --> 00:13:02,399

launched by spacex

283

00:13:06,470 --> 00:13:04,639

isn't that always

284

00:13:08,629 --> 00:13:06,480

the freaking case

285

00:13:14,870 --> 00:13:08,639

when are we going to stop

286

00:13:19,350 --> 00:13:16,949

oh look at that mug this guy's got it

287

00:13:21,100 --> 00:13:19,360

all figured out doesn't he

288

00:13:24,389 --> 00:13:21,110

hmm satellites

289

00:13:26,710 --> 00:13:24,399

[Laughter]

290

00:13:29,750 --> 00:13:26,720

you know how many times are we gonna do

291

00:13:34,550 --> 00:13:32,150

that's um but according to an unofficial

292

00:13:36,629 --> 00:13:34,560

web tool used to track spacex starling

293

00:13:38,150 --> 00:13:36,639

satellites they would have been visible

294

00:13:40,949 --> 00:13:38,160

at about the same time they were spotted

295

00:13:43,189 --> 00:13:40,959

in those areas of ontario it was super

296

00:13:46,790 --> 00:13:43,199

super weird yeah everybody always thinks

297

00:13:48,790 --> 00:13:46,800

it's super weird but it's always

298

00:13:50,310 --> 00:13:48,800

spacex

299

00:13:53,189 --> 00:13:50,320

but the reason

300

00:13:55,030 --> 00:13:53,199

i picked this article was because

301  
00:13:57,990 --> 00:13:55,040  
of these words

302  
00:13:58,000 --> 00:14:01,350  
right

303  
00:14:01,360 --> 00:14:05,430  
you guys know what those words mean

304  
00:14:12,250 --> 00:14:07,509  
they mean

305  
00:14:12,260 --> 00:14:17,189  
[Music]

306  
00:14:21,269 --> 00:14:18,629  
so we got a written version of what the

307  
00:14:22,310 --> 00:14:21,279  
heck is that pretty cool huh pretty

308  
00:14:23,509 --> 00:14:22,320  
freaking

309  
00:14:24,310 --> 00:14:23,519  
cool

310  
00:14:25,829 --> 00:14:24,320  
so

311  
00:14:27,670 --> 00:14:25,839  
that article is kind of a bust because

312  
00:14:29,110 --> 00:14:27,680  
it's like hey look what more people

313  
00:14:30,870 --> 00:14:29,120

thought uh

314

00:14:33,350 --> 00:14:30,880

you know more people thought the uh

315

00:14:35,910 --> 00:14:33,360

starlink where ufo is pretty cool right

316

00:14:37,910 --> 00:14:35,920

um this is an old article that i found

317

00:14:39,750 --> 00:14:37,920

but i thought it was pretty

318

00:14:42,550 --> 00:14:39,760

uh interesting because we're still kind

319

00:14:44,310 --> 00:14:42,560

of going through these same scenarios

320

00:14:46,310 --> 00:14:44,320

right now the u.s government hasn't

321

00:14:48,629 --> 00:14:46,320

comprehensively studied ufos in decades

322

00:14:51,189 --> 00:14:48,639

but not all ufologists are excited about

323

00:14:54,629 --> 00:14:51,199

a new pentagon investigative office

324

00:14:57,430 --> 00:14:54,639

so this pretty much runs down

325

00:14:59,910 --> 00:14:57,440

the idea that are we

326

00:15:01,750 --> 00:14:59,920

really on the edge of

327

00:15:04,629 --> 00:15:01,760

some sort of disclosure

328

00:15:10,389 --> 00:15:08,790

are we on the edge of a renewed cover-up

329

00:15:12,150 --> 00:15:10,399

for instance

330

00:15:15,750 --> 00:15:12,160

and i think that's pretty interesting

331

00:15:19,829 --> 00:15:17,670

you know developing some sort of uh

332

00:15:22,310 --> 00:15:19,839

secret weapon again

333

00:15:26,069 --> 00:15:22,320

you know and they're using these ufos

334

00:15:28,310 --> 00:15:26,079

these ufo sightings to cover that up

335

00:15:30,150 --> 00:15:28,320

or is it a real disclosure and that's

336

00:15:32,389 --> 00:15:30,160

what that article talks about and i feel

337

00:15:33,910 --> 00:15:32,399

like that's what everybody thinks one

338

00:15:35,910 --> 00:15:33,920

way or another

339

00:15:37,910 --> 00:15:35,920

some people think it's legit some other

340

00:15:39,509 --> 00:15:37,920

people think the government's up to

341

00:15:41,749 --> 00:15:39,519

something but you know what i say you

342

00:15:43,910 --> 00:15:41,759

know what could put an end to that is

343

00:15:45,110 --> 00:15:43,920

government show us

344

00:15:48,389 --> 00:15:45,120

this stuff

345

00:15:52,069 --> 00:15:48,399

show us the videos show us the data

346

00:15:54,870 --> 00:15:53,509

let's see it

347

00:16:02,629 --> 00:15:54,880

you know

348

00:16:04,230 --> 00:16:02,639

going to know is if they freaking show

349

00:16:06,870 --> 00:16:04,240

us stuff and they keep

350

00:16:10,870 --> 00:16:06,880

us in this kind of like middle ground of

351

00:16:15,030 --> 00:16:12,790

you know we're really

352

00:16:16,790 --> 00:16:15,040

we really got stuff can you show us no i

353

00:16:19,110 --> 00:16:16,800

can't show you anything

354

00:16:21,189 --> 00:16:19,120

i can't do that you know the more we

355

00:16:23,829 --> 00:16:21,199

stay in that kind of area

356

00:16:26,629 --> 00:16:23,839

the longer it stays in that kind of area

357

00:16:29,829 --> 00:16:26,639

the more likely it is that we're just uh

358

00:16:32,069 --> 00:16:29,839

being taken advantage of but

359

00:16:33,910 --> 00:16:32,079

uh you know

360

00:16:37,509 --> 00:16:33,920

in history would tell you that that

361

00:16:39,030 --> 00:16:37,519

could possibly be the case but

362

00:16:39,990 --> 00:16:39,040

you know having talked to some of the

363

00:16:42,230 --> 00:16:40,000

people

364

00:16:43,749 --> 00:16:42,240

uh in the scene you know that are

365

00:16:48,069 --> 00:16:43,759

pushing for this kind of stuff whether

366

00:16:48,949 --> 00:16:48,079

it be an elizondo or or somebody else

367

00:16:50,470 --> 00:16:48,959

um

368

00:16:52,470 --> 00:16:50,480

you know that they seem like honest

369

00:16:54,069 --> 00:16:52,480

people that are really trying hard you

370

00:16:56,389 --> 00:16:54,079

know um

371

00:16:58,470 --> 00:16:56,399

and things have happened like a lot

372

00:17:00,310 --> 00:16:58,480

being passed in in congress and

373

00:17:03,590 --> 00:17:00,320

everything so that's all good positive

374

00:17:05,829 --> 00:17:03,600

signs that things are being uh done

375

00:17:07,429 --> 00:17:05,839

um unfortunately it always seems like

376

00:17:09,110 --> 00:17:07,439

it's one thing after another that sets

377

00:17:11,909 --> 00:17:09,120

us back first it was

378

00:17:13,990 --> 00:17:11,919

uh covet right covet you can't do

379

00:17:16,549 --> 00:17:14,000

anything coven

380

00:17:17,669 --> 00:17:16,559

and it's you know a war with russian

381

00:17:19,270 --> 00:17:17,679

ukraine

382

00:17:21,029 --> 00:17:19,280

can't do anything

383

00:17:22,870 --> 00:17:21,039

with that either you know what are we

384

00:17:24,069 --> 00:17:22,880

supposed to do

385

00:17:26,710 --> 00:17:24,079

it's always

386

00:17:28,309 --> 00:17:26,720

one thing after another you know but i

387

00:17:30,789 --> 00:17:28,319

always go back to the clip of uh when

388

00:17:32,870 --> 00:17:30,799

ross coldheart was on the show and and

389

00:17:35,029 --> 00:17:32,880

you know he was saying how people are

390

00:17:37,750 --> 00:17:35,039

thinking that uh maybe it's just not a

391

00:17:39,830 --> 00:17:37,760

good time but you know he landed on you

392

00:17:42,470 --> 00:17:39,840

know there's never gonna be a good time

393

00:17:44,150 --> 00:17:42,480

there's never gonna be a good time just

394

00:17:45,029 --> 00:17:44,160

like in life when you're living life

395

00:17:47,590 --> 00:17:45,039

right

396

00:17:50,390 --> 00:17:47,600

and you think about like getting a house

397

00:17:52,470 --> 00:17:50,400

or or getting a car right or or

398

00:17:54,870 --> 00:17:52,480

something like that or having a kid you

399

00:17:56,630 --> 00:17:54,880

know it always comes up where

400

00:17:58,549 --> 00:17:56,640

i don't know maybe we should wait till

401  
00:18:00,310 --> 00:17:58,559  
this happens maybe we should wait till

402  
00:18:02,230 --> 00:18:00,320  
we have this amount of money saved it's

403  
00:18:05,909 --> 00:18:02,240  
just not a good time well you know what

404  
00:18:09,190 --> 00:18:05,919  
it's never a good time

405  
00:18:13,909 --> 00:18:11,029  
and it's not

406  
00:18:15,270 --> 00:18:13,919  
the public's fault the american people

407  
00:18:17,430 --> 00:18:15,280  
the

408  
00:18:18,789 --> 00:18:17,440  
civilizations of this world it's it's

409  
00:18:20,710 --> 00:18:18,799  
not our fault

410  
00:18:23,350 --> 00:18:20,720  
that

411  
00:18:25,510 --> 00:18:23,360  
this has been hit from us

412  
00:18:27,510 --> 00:18:25,520  
from the beginning

413  
00:18:28,390 --> 00:18:27,520

you know so i'm sorry if it's not a good

414

00:18:30,390 --> 00:18:28,400  
time

415

00:18:32,549 --> 00:18:30,400  
tough

416

00:18:33,830 --> 00:18:32,559  
you know it's time to disclose that

417

00:18:37,510 --> 00:18:33,840  
anyways

418

00:18:42,549 --> 00:18:39,909  
you know whatever the case

419

00:18:44,630 --> 00:18:42,559  
whatever the things are whatever you

420

00:18:45,669 --> 00:18:44,640  
know whatever you don't know just spit

421

00:18:47,270 --> 00:18:45,679  
it out

422

00:18:49,510 --> 00:18:47,280  
because at this point

423

00:18:51,669 --> 00:18:49,520  
with the last elections all this crap

424

00:18:54,549 --> 00:18:51,679  
going on i can't remember a time where

425

00:18:56,549 --> 00:18:54,559  
maybe our government has had less

426

00:18:57,510 --> 00:18:56,559

uh credibility

427

00:19:00,789 --> 00:18:57,520

to it

428

00:19:03,430 --> 00:19:00,799

you know it's extremely divisive

429

00:19:05,350 --> 00:19:03,440

people take low blows on both sides lie

430

00:19:07,110 --> 00:19:05,360

on both sides

431

00:19:11,190 --> 00:19:07,120

you know and here we are we have to vote

432

00:19:13,350 --> 00:19:11,200

for the lesser of two evils every time

433

00:19:16,630 --> 00:19:13,360

you know they could take one

434

00:19:19,430 --> 00:19:16,640

strong step as they say for mankind

435

00:19:21,350 --> 00:19:19,440

and tell us the truth

436

00:19:23,510 --> 00:19:21,360

so we can move forward together as a

437

00:19:28,710 --> 00:19:23,520

nation

438

00:19:33,590 --> 00:19:31,110

it's it's just like um

439

00:19:34,549 --> 00:19:33,600

every day that passes

440

00:19:36,390 --> 00:19:34,559

um

441

00:19:39,430 --> 00:19:36,400

you know and lou elizondo has said this

442

00:19:41,270 --> 00:19:39,440

it's like you know um

443

00:19:42,390 --> 00:19:41,280

it's like just old rotting fruit in the

444

00:19:44,630 --> 00:19:42,400

fridge

445

00:19:47,029 --> 00:19:44,640

that maybe doesn't even work anymore

446

00:19:52,710 --> 00:19:49,510

and every day that passes

447

00:19:54,470 --> 00:19:52,720

the worse the smell gets

448

00:19:57,669 --> 00:19:54,480

you know

449

00:20:01,909 --> 00:19:59,669

and you just gotta pull the band-aid off

450

00:20:07,029 --> 00:20:01,919

and like what is the freaking problem

451  
00:20:09,110 --> 00:20:07,039  
stop being a wuss about it and do it

452  
00:20:10,710 --> 00:20:09,120  
you know stop thinking of how are we

453  
00:20:12,470 --> 00:20:10,720  
gonna do this or how are we gonna do

454  
00:20:14,230 --> 00:20:12,480  
that or i don't know about this or i

455  
00:20:16,310 --> 00:20:14,240  
don't know about that just freaking do

456  
00:20:18,390 --> 00:20:16,320  
it tell us

457  
00:20:21,270 --> 00:20:18,400  
release a video

458  
00:20:22,470 --> 00:20:21,280  
tell us what the deal is this is

459  
00:20:25,430 --> 00:20:22,480  
freaking

460  
00:20:29,430 --> 00:20:27,430  
you know people have had real sightings

461  
00:20:31,510 --> 00:20:29,440  
that affected their life people have

462  
00:20:34,310 --> 00:20:31,520  
studied this stuff their entire life and

463  
00:20:38,390 --> 00:20:34,320

then died and it not been any closer to

464

00:20:42,630 --> 00:20:41,029

because of the government

465

00:20:46,950 --> 00:20:42,640

and they continue to play these games

466

00:20:49,190 --> 00:20:46,960

with us like we're not important

467

00:20:51,029 --> 00:20:49,200

you know what i don't like to say

468

00:20:54,710 --> 00:20:51,039

you know have this big ego or whatever

469

00:20:56,789 --> 00:20:54,720

but we are important we're individuals

470

00:20:58,789 --> 00:20:56,799

and our lives are important to ourselves

471

00:21:01,110 --> 00:20:58,799

because we have emotions

472

00:21:04,470 --> 00:21:01,120

we have thoughts we have feelings we

473

00:21:06,390 --> 00:21:04,480

have experiences that the government

474

00:21:09,110 --> 00:21:06,400

and any government that has information

475

00:21:13,750 --> 00:21:09,120

on this continues to just take advantage

476  
00:21:18,310 --> 00:21:15,190  
well i know i've had enough i know

477  
00:21:23,909 --> 00:21:21,350  
so what is the holdup

478  
00:21:25,830 --> 00:21:23,919  
what is the freaking hold up

479  
00:21:27,830 --> 00:21:25,840  
people are gonna have mass hysteria if

480  
00:21:29,909 --> 00:21:27,840  
they keep having sightings and no one

481  
00:21:34,230 --> 00:21:29,919  
tells them what the hell is going on

482  
00:21:39,270 --> 00:21:35,669  
you want to be a good government a

483  
00:21:43,669 --> 00:21:40,549  
open

484  
00:21:46,870 --> 00:21:44,950  
show people

485  
00:21:48,789 --> 00:21:46,880  
what you have if you want to be

486  
00:21:52,070 --> 00:21:48,799  
irresponsible if you want to be

487  
00:21:54,710 --> 00:21:52,080  
secretive if you want to be liars

488  
00:21:56,470 --> 00:21:54,720

if you want to be criminals

489

00:21:59,590 --> 00:21:56,480

continue doing this

490

00:22:02,630 --> 00:21:59,600

continue to let people fight

491

00:22:05,270 --> 00:22:02,640

each other over what's going on

492

00:22:10,830 --> 00:22:05,280

continue to let people ruin

493

00:22:16,070 --> 00:22:14,310

lives because of this subject

494

00:22:18,390 --> 00:22:16,080

that you keep

495

00:22:21,270 --> 00:22:18,400

hidden

496

00:22:22,870 --> 00:22:21,280

that you brush under the carpet

497

00:22:23,830 --> 00:22:22,880

because you don't know how to deal with

498

00:22:25,029 --> 00:22:23,840

it

499

00:22:27,990 --> 00:22:25,039

and then

500

00:22:30,149 --> 00:22:28,000

you ask for respect from us you ask for

501  
00:22:32,310 --> 00:22:30,159  
respect from the population

502  
00:22:34,870 --> 00:22:32,320  
you ask for people to vote for you ask

503  
00:22:36,630 --> 00:22:34,880  
for people to canvas

504  
00:22:38,789 --> 00:22:36,640  
to get votes for you you ask for

505  
00:22:40,789 --> 00:22:38,799  
donations

506  
00:22:46,310 --> 00:22:40,799  
but what do you do

507  
00:22:52,470 --> 00:22:49,750  
you cut into the heart of society time

508  
00:22:57,110 --> 00:22:52,480  
and time again and not just with ufos

509  
00:23:03,909 --> 00:22:59,510  
but you know maybe you could start

510  
00:23:03,919 --> 00:23:07,990  
you know

511  
00:23:15,190 --> 00:23:09,909  
i can guarantee you i'm not the only one

512  
00:23:15,200 --> 00:23:17,909  
you know

513  
00:23:24,070 --> 00:23:21,430

and how do you like being called liars

514

00:23:25,270 --> 00:23:24,080

hidens secret keepers you can't like

515

00:23:31,029 --> 00:23:25,280

that

516

00:23:32,950 --> 00:23:31,039

it in old documents

517

00:23:34,789 --> 00:23:32,960

how you've talked about oh this will

518

00:23:36,710 --> 00:23:34,799

make us look bad like we're

519

00:23:38,149 --> 00:23:36,720

keeping secrets we gotta be on top of

520

00:23:40,070 --> 00:23:38,159

this stuff well

521

00:23:44,029 --> 00:23:40,080

you flushed that idea right down the

522

00:23:49,510 --> 00:23:47,510

1947 and trust me it was way before that

523

00:23:51,029 --> 00:23:49,520

but we'll play your stupid game in say

524

00:23:54,630 --> 00:23:51,039

1947

525

00:23:58,630 --> 00:23:54,640

and it's 75 years

526  
00:24:02,870 --> 00:24:00,310  
and people say different things like oh

527  
00:24:04,870 --> 00:24:02,880  
the tabloids created this or you know

528  
00:24:06,710 --> 00:24:04,880  
people who have grandiose ideas of what

529  
00:24:08,149 --> 00:24:06,720  
this stuff is that's the reason why

530  
00:24:14,549 --> 00:24:08,159  
we're here

531  
00:24:16,630 --> 00:24:14,559  
is because some

532  
00:24:19,029 --> 00:24:16,640  
told the press that a flying disc

533  
00:24:22,390 --> 00:24:19,039  
crashed at roswell

534  
00:24:26,950 --> 00:24:24,470  
and we're also here because

535  
00:24:30,710 --> 00:24:26,960  
of the press taking kenneth arnold's

536  
00:24:33,830 --> 00:24:30,720  
story and running it as flying saucers

537  
00:24:35,590 --> 00:24:33,840  
that's another reason why we're here

538  
00:24:37,909 --> 00:24:35,600

and then that happens

539

00:24:39,510 --> 00:24:37,919

and the government says nothing about it

540

00:24:42,870 --> 00:24:39,520

they say

541

00:24:45,750 --> 00:24:42,880

kenneth arnold veteran pilot

542

00:24:47,830 --> 00:24:45,760

it was a mirage

543

00:24:50,870 --> 00:24:47,840

flying disc oh you know never mind it

544

00:24:55,190 --> 00:24:52,310

you know

545

00:25:00,070 --> 00:24:55,200

if that's the case why would you keep up

546

00:25:02,549 --> 00:25:00,080

an investigation for this long

547

00:25:04,789 --> 00:25:02,559

looking at ufos

548

00:25:06,950 --> 00:25:04,799

listening to people's reports and don't

549

00:25:11,190 --> 00:25:06,960

tell me it's because you want the people

550

00:25:16,070 --> 00:25:14,390

you can't be that dumb

551  
00:25:18,149 --> 00:25:16,080  
to not know that keeping up an

552  
00:25:20,470 --> 00:25:18,159  
investigation in this stuff

553  
00:25:23,830 --> 00:25:20,480  
further inflames

554  
00:25:26,070 --> 00:25:23,840  
the reality of these things

555  
00:25:29,909 --> 00:25:26,080  
because unfortunately

556  
00:25:31,669 --> 00:25:29,919  
people look to you the government

557  
00:25:33,510 --> 00:25:31,679  
on what's true or what's not and trust

558  
00:25:36,310 --> 00:25:33,520  
me they shouldn't but they do

559  
00:25:37,430 --> 00:25:36,320  
so if you have an investigation on it

560  
00:25:39,430 --> 00:25:37,440  
they're gonna think there's something

561  
00:25:41,110 --> 00:25:39,440  
going on

562  
00:25:43,190 --> 00:25:41,120  
and when you do it for decade after

563  
00:25:46,870 --> 00:25:43,200

decade after decade and you come back

564

00:25:49,830 --> 00:25:48,549

it's obviously

565

00:25:51,750 --> 00:25:49,840

a lie

566

00:25:58,149 --> 00:25:51,760

otherwise

567

00:25:59,909 --> 00:25:58,159

it makes you that much more

568

00:26:02,310 --> 00:25:59,919

dumb looking

569

00:26:05,430 --> 00:26:02,320

because you put so much into it and you

570

00:26:08,710 --> 00:26:05,440

have nothing to show for it

571

00:26:11,190 --> 00:26:08,720

on the show we've gone over so many

572

00:26:14,470 --> 00:26:11,200

different documents where you talked

573

00:26:16,230 --> 00:26:14,480

about discrediting your own military

574

00:26:18,470 --> 00:26:16,240

servicemen

575

00:26:22,470 --> 00:26:18,480

taking military action if they talk

576  
00:26:22,480 --> 00:26:26,070  
legal action

577  
00:26:26,080 --> 00:26:28,710  
you know

578  
00:26:31,669 --> 00:26:30,470  
calling people

579  
00:26:33,669 --> 00:26:31,679  
saying they have

580  
00:26:37,990 --> 00:26:33,679  
psychological issues because they've

581  
00:26:42,870 --> 00:26:41,190  
your own pilots vectoring them in time

582  
00:26:43,750 --> 00:26:42,880  
after time again

583  
00:26:46,230 --> 00:26:43,760  
to

584  
00:26:47,510 --> 00:26:46,240  
go after these unidentified objects and

585  
00:26:48,789 --> 00:26:47,520  
you're going to tell me there's nothing

586  
00:26:53,510 --> 00:26:48,799  
to see here

587  
00:26:57,029 --> 00:26:55,909  
why did mantel

588  
00:27:01,110 --> 00:26:57,039

die

589

00:27:04,470 --> 00:27:01,120

chasing a ufo if there's nothing to it

590

00:27:06,710 --> 00:27:04,480

why did you send him to chase that

591

00:27:09,350 --> 00:27:06,720

if there's nothing to this

592

00:27:18,789 --> 00:27:09,360

if it's just mirages and balloons in the

593

00:27:22,870 --> 00:27:20,310

you don't have a good answer for that

594

00:27:26,630 --> 00:27:24,710

and the best you can do

595

00:27:27,909 --> 00:27:26,640

is send avril hanes

596

00:27:30,750 --> 00:27:27,919

up to say

597

00:27:33,669 --> 00:27:30,760

x maybe it's something that's come

598

00:27:36,149 --> 00:27:33,679

extraterrestrially and cough as she says

599

00:27:38,389 --> 00:27:36,159

that's the best you can do

600

00:27:40,310 --> 00:27:38,399

and have bill nelson talk about

601  
00:27:43,190 --> 00:27:40,320  
something that might exist on mars that

602  
00:27:44,630 --> 00:27:43,200  
you've been searching for for over a

603  
00:27:47,909 --> 00:27:44,640  
decade

604  
00:27:53,830 --> 00:27:47,919  
nasa has been looking for other life for

605  
00:27:53,840 --> 00:27:57,909  
you know

606  
00:28:02,389 --> 00:28:00,710  
a long time

607  
00:28:04,549 --> 00:28:02,399  
and they haven't found anything

608  
00:28:06,070 --> 00:28:04,559  
try harder

609  
00:28:08,389 --> 00:28:06,080  
you're supposed to be the best and the

610  
00:28:10,950 --> 00:28:08,399  
brightest

611  
00:28:12,549 --> 00:28:10,960  
bill nelson's telling us about oceans on

612  
00:28:15,029 --> 00:28:12,559  
planets

613  
00:28:16,389 --> 00:28:15,039

and if there's oceans there's life we'll

614

00:28:19,190 --> 00:28:16,399

find it

615

00:28:21,750 --> 00:28:19,200

tell us about it

616

00:28:23,430 --> 00:28:21,760

we're not a kid

617

00:28:28,630 --> 00:28:23,440

you know that will just chase after

618

00:28:33,590 --> 00:28:31,669

that's not enough

619

00:28:35,669 --> 00:28:33,600

tell us enough

620

00:28:37,350 --> 00:28:35,679

of people that come from the government

621

00:28:40,310 --> 00:28:37,360

telling us about all these amazing

622

00:28:44,789 --> 00:28:40,320

things that we don't ever get to see

623

00:28:47,909 --> 00:28:46,710

and jeremy rebel god bless him comes out

624

00:28:49,029 --> 00:28:47,919

with videos

625

00:28:52,789 --> 00:28:49,039

that

626

00:29:00,630 --> 00:28:52,799

all we can do is look at it and listen

627

00:29:05,190 --> 00:29:02,630

it shouldn't take that

628

00:29:08,549 --> 00:29:05,200

it shouldn't take people doing that

629

00:29:12,389 --> 00:29:08,559

for us to see things

630

00:29:15,350 --> 00:29:12,399

it's ours we've paid for it

631

00:29:17,190 --> 00:29:15,360

we pay for you the government to get

632

00:29:19,110 --> 00:29:17,200

those videos

633

00:29:24,230 --> 00:29:19,120

we pay for

634

00:29:31,750 --> 00:29:27,190

and with some of us really struggle

635

00:29:35,909 --> 00:29:33,510

meanwhile the taxes you take from that

636

00:29:38,710 --> 00:29:35,919

paycheck you use

637

00:29:40,549 --> 00:29:38,720

to continue to obfuscate ufo truth and

638

00:29:46,149 --> 00:29:40,559

i'm sure a lot

639

00:29:46,159 --> 00:29:49,830

how is that fair

640

00:29:56,230 --> 00:29:52,870

and i know life isn't fair but

641

00:30:03,029 --> 00:29:56,240

you could at least make an attempt

642

00:30:03,039 --> 00:30:07,269

that's my monologue

643

00:30:10,310 --> 00:30:08,789

that is

644

00:30:12,470 --> 00:30:10,320

my

645

00:30:17,590 --> 00:30:12,480

monologue

646

00:30:17,600 --> 00:30:21,110

something brighter

647

00:30:25,510 --> 00:30:22,789

depends how you look at it

648

00:30:28,149 --> 00:30:25,520

uh this is pretty goofy and the longer

649

00:30:30,470 --> 00:30:28,159

this continues we'll get goofy stuff

650

00:30:32,310 --> 00:30:30,480

like this where rice county town is

651  
00:30:34,710 --> 00:30:32,320  
working to become the next roswell

652  
00:30:37,350 --> 00:30:34,720  
putting together a ufo exhibit with a

653  
00:30:42,389 --> 00:30:37,360  
little green man balloon right in the

654  
00:30:47,350 --> 00:30:46,149  
using the ufo story to try to bring

655  
00:30:51,830 --> 00:30:47,360  
their town

656  
00:30:51,840 --> 00:30:55,110  
you know

657  
00:30:58,389 --> 00:30:57,110  
in hell

658  
00:31:01,320 --> 00:30:58,399  
it may work

659  
00:31:04,470 --> 00:31:01,330  
god bless them

660  
00:31:05,909 --> 00:31:04,480  
[Laughter]

661  
00:31:08,630 --> 00:31:05,919  
but what if these things are

662  
00:31:10,549 --> 00:31:08,640  
interdimensional spirits what if they're

663  
00:31:12,789 --> 00:31:10,559

beings

664

00:31:14,789 --> 00:31:12,799

that come from this earth

665

00:31:16,950 --> 00:31:14,799

you know all these people who write

666

00:31:19,430 --> 00:31:16,960

books about what they think

667

00:31:21,269 --> 00:31:19,440

and what their prognosis is an

668

00:31:24,230 --> 00:31:21,279

inter-dimensional altered

669

00:31:26,149 --> 00:31:24,240

you know ultra-terrestrial this or that

670

00:31:28,310 --> 00:31:26,159

like

671

00:31:31,029 --> 00:31:28,320

nobody freaking

672

00:31:32,630 --> 00:31:31,039

has any clue what it is but these people

673

00:31:34,870 --> 00:31:32,640

continue to make money off of their

674

00:31:37,029 --> 00:31:34,880

ideas

675

00:31:39,190 --> 00:31:37,039

you know when they're no better than

676  
00:31:41,029 --> 00:31:39,200  
yours their eyes

677  
00:31:42,630 --> 00:31:41,039  
if they are that means they must have

678  
00:31:44,789 --> 00:31:42,640  
better evidence and if that's the case

679  
00:31:48,870 --> 00:31:44,799  
freaking show us you know somebody who's

680  
00:31:52,310 --> 00:31:50,789  
bass bigelow

681  
00:31:53,909 --> 00:31:52,320  
you know much evidence he's probably

682  
00:31:57,269 --> 00:31:53,919  
sitting on farting on

683  
00:31:58,789 --> 00:31:57,279  
he's probably farting on sightings

684  
00:32:03,509 --> 00:31:58,799  
data

685  
00:32:07,509 --> 00:32:04,950  
where's his stuff

686  
00:32:10,389 --> 00:32:07,519  
why doesn't he want disclosure

687  
00:32:11,909 --> 00:32:10,399  
why isn't he talking about it

688  
00:32:13,990 --> 00:32:11,919

he goes on

689

00:32:18,549 --> 00:32:14,000

60 minutes and talks about their walking

690

00:32:18,559 --> 00:32:24,389

why start more rumors prove it

691

00:32:24,399 --> 00:32:28,310

you know

692

00:32:32,870 --> 00:32:30,630

and it

693

00:32:37,669 --> 00:32:32,880

if something like that really existed

694

00:32:43,750 --> 00:32:40,389

whatever it is whatever you can imagine

695

00:32:45,750 --> 00:32:43,760

to you that would be full proof

696

00:32:48,070 --> 00:32:45,760

if somebody came out

697

00:32:50,149 --> 00:32:48,080

and broke an nda or whatever and showed

698

00:32:51,430 --> 00:32:50,159

that so the world could see it

699

00:32:54,389 --> 00:32:51,440

um

700

00:32:56,630 --> 00:32:54,399

they're gonna be okay

701  
00:33:00,389 --> 00:32:56,640  
could you imagine that person then being

702  
00:33:02,389 --> 00:33:00,399  
locked up for life or whatever it is

703  
00:33:07,830 --> 00:33:02,399  
and the whole world knows now about

704  
00:33:11,750 --> 00:33:09,669  
just make sure if you're that person if

705  
00:33:14,389 --> 00:33:11,760  
you do it that it's

706  
00:33:20,789 --> 00:33:16,710  
don't come out with a blurry video doing

707  
00:33:27,029 --> 00:33:22,070  
but if it's

708  
00:33:30,389 --> 00:33:29,430  
people will people will storm whatever

709  
00:33:32,950 --> 00:33:30,399  
jail that

710  
00:33:35,110 --> 00:33:32,960  
that this person is at

711  
00:33:37,430 --> 00:33:35,120  
in protest night after night to let you

712  
00:33:38,710 --> 00:33:37,440  
out because you would be the savior of

713  
00:33:42,630 --> 00:33:38,720

the freaking

714

00:33:47,029 --> 00:33:44,389

no doubt

715

00:33:49,750 --> 00:33:47,039

but there's a caveat

716

00:33:53,190 --> 00:33:49,760

has to be bulletproof

717

00:33:57,029 --> 00:33:53,200

otherwise it's not worth it

718

00:34:02,070 --> 00:33:58,950

you're on the bridge

719

00:34:08,389 --> 00:34:04,070

and we see other things

720

00:34:08,399 --> 00:34:13,589

you know um

721

00:34:17,109 --> 00:34:15,349

let people off the hook somebody comes

722

00:34:18,869 --> 00:34:17,119

out and

723

00:34:20,470 --> 00:34:18,879

you know

724

00:34:23,270 --> 00:34:20,480

they want to share something about this

725

00:34:24,629 --> 00:34:23,280

let them off the hook don't punish them

726  
00:34:26,310 --> 00:34:24,639  
fine

727  
00:34:29,349 --> 00:34:26,320  
what if they killed somebody

728  
00:34:29,359 --> 00:34:31,750  
you know

729  
00:34:36,149 --> 00:34:33,589  
it's a hard thing to say why doesn't the

730  
00:34:40,230 --> 00:34:36,159  
government just tell us what the deal is

731  
00:34:43,990 --> 00:34:41,829  
and if the government thinks that

732  
00:34:46,069 --> 00:34:44,000  
someone like lockheed martin has all the

733  
00:34:51,430 --> 00:34:46,079  
information and they're the ones hiding

734  
00:34:55,510 --> 00:34:52,869  
because there's other companies that can

735  
00:34:59,190 --> 00:34:55,520  
make your stuff too

736  
00:35:03,750 --> 00:35:02,150  
and if you are you know lockheed martin

737  
00:35:05,109 --> 00:35:03,760  
and you just want to keep the tech for

738  
00:35:06,230 --> 00:35:05,119

yourself and you don't want to tell

739

00:35:08,870 --> 00:35:06,240

anybody

740

00:35:13,109 --> 00:35:08,880

well go to freaking hell

741

00:35:18,150 --> 00:35:14,870

otherwise

742

00:35:26,310 --> 00:35:18,160

you deserve what's coming your way and i

743

00:35:30,950 --> 00:35:29,430

what we're going to do now

744

00:35:34,390 --> 00:35:30,960

it's changing up

745

00:35:38,150 --> 00:35:36,550

you know but i'd be lying

746

00:35:39,990 --> 00:35:38,160

if i said this

747

00:35:41,829 --> 00:35:40,000

stuff we're gonna look at

748

00:35:45,430 --> 00:35:41,839

doesn't prove my point and what we're

749

00:35:47,190 --> 00:35:45,440

gonna look at here is a random

750

00:35:51,270 --> 00:35:47,200

assortment

751  
00:35:55,670 --> 00:35:53,030  
it's kind of a collage i guess you could

752  
00:35:58,630 --> 00:35:55,680  
say this first one

753  
00:36:00,310 --> 00:35:58,640  
incident number 215 it dated

754  
00:36:04,550 --> 00:36:00,320  
if the government's listening uh

755  
00:36:09,270 --> 00:36:08,069  
oh look at an air force base

756  
00:36:11,349 --> 00:36:09,280  
fairfield

757  
00:36:12,630 --> 00:36:11,359  
california the base control tower

758  
00:36:14,870 --> 00:36:12,640  
operator

759  
00:36:18,390 --> 00:36:14,880  
saw for 25 seconds a bright white light

760  
00:36:23,990 --> 00:36:21,349  
it came into view two miles away at 500

761  
00:36:27,829 --> 00:36:24,000  
to a thousand feet climbing slowly at

762  
00:36:30,390 --> 00:36:27,839  
400 miles per hour at 1500 feet it

763  
00:36:33,670 --> 00:36:30,400

slowed it for a few seconds to 200 miles

764

00:36:39,510 --> 00:36:36,310

um it bounced

765

00:36:41,270 --> 00:36:39,520

undulated rose vertically to 3000 feet

766

00:36:44,950 --> 00:36:41,280

and immediately afterwards climbed

767

00:36:46,870 --> 00:36:44,960

quickly to twenty thousand feet and was

768

00:36:47,990 --> 00:36:46,880

lost

769

00:36:52,470 --> 00:36:48,000

to site

770

00:36:53,270 --> 00:36:52,480

the air material command has an opinion

771

00:36:54,710 --> 00:36:53,280

our

772

00:36:57,349 --> 00:36:54,720

army

773

00:37:00,069 --> 00:36:57,359

our air force our military

774

00:37:02,870 --> 00:37:00,079

there's no logical explanation for this

775

00:37:06,630 --> 00:37:02,880

incident that fits the available

776

00:37:15,750 --> 00:37:09,270

who would have thought

777

00:37:15,760 --> 00:37:19,589

bonafide ufo

778

00:37:23,349 --> 00:37:21,670

that's right keep blowing on my mouse i

779

00:37:24,790 --> 00:37:23,359

think it gets like dusty and it doesn't

780

00:37:27,190 --> 00:37:24,800

work that well

781

00:37:30,710 --> 00:37:27,200

um this is an interesting document it's

782

00:37:33,190 --> 00:37:30,720

an this is an extract um from a weekly

783

00:37:34,950 --> 00:37:33,200

intelligence summary

784

00:37:36,790 --> 00:37:34,960

applying objects report summary the

785

00:37:38,790 --> 00:37:36,800

following is a digest of

786

00:37:40,230 --> 00:37:38,800

the only current reports that have been

787

00:37:42,150 --> 00:37:40,240

received through the intelligence system

788

00:37:43,670 --> 00:37:42,160

of this command concerning ufos

789

00:37:46,790 --> 00:37:43,680

basically talks about the one on the

790

00:37:47,910 --> 00:37:46,800

10th of july 1947.

791

00:37:49,910 --> 00:37:47,920

this is

792

00:37:51,910 --> 00:37:49,920

about rumors drifting into budapest from

793

00:37:54,390 --> 00:37:51,920

rural areas and hungary to the effect

794

00:37:56,710 --> 00:37:54,400

that silvery silver balls

795

00:37:59,750 --> 00:37:56,720

so burr bubbles

796

00:38:01,510 --> 00:37:59,760

were flashing across the sky in daytime

797

00:38:05,910 --> 00:38:01,520

interesting huh

798

00:38:08,190 --> 00:38:05,920

worldwide we have here world wide ufo

799

00:38:10,150 --> 00:38:08,200

sightings

800

00:38:11,030 --> 00:38:10,160

1947

801

00:38:15,990 --> 00:38:11,040

june

802

00:38:20,630 --> 00:38:17,990

the interesting thing about here is

803

00:38:22,310 --> 00:38:20,640

pictures were taken at uh newfoundland

804

00:38:28,390 --> 00:38:22,320

uh air force base

805

00:38:34,150 --> 00:38:30,390

apparently pretty good were people told

806

00:38:44,069 --> 00:38:36,710

i doubt it

807

00:38:51,510 --> 00:38:46,630

coming up the mountain harmon field

808

00:38:51,520 --> 00:38:56,470

we're going to get to july 10th photos

809

00:39:01,109 --> 00:38:58,950

1947 brought a flurry of ufo photographs

810

00:39:03,030 --> 00:39:01,119

with the best in this person's opinion

811

00:39:06,790 --> 00:39:03,040

morristown new jersey on july 10th which

812

00:39:11,670 --> 00:39:08,950

ufo

813

00:39:13,670 --> 00:39:11,680

this is kind of taken a

814

00:39:15,030 --> 00:39:13,680

left turn but it's an interesting

815

00:39:16,790 --> 00:39:15,040

document

816

00:39:18,069 --> 00:39:16,800

because again we have a ufo there's

817

00:39:20,230 --> 00:39:18,079

nothing in the description of this

818

00:39:22,470 --> 00:39:20,240

incident oh never mind that contradicts

819

00:39:24,950 --> 00:39:22,480

a possible bright meteor

820

00:39:27,349 --> 00:39:24,960

but the reason that this document is

821

00:39:29,270 --> 00:39:27,359

interesting to me is because

822

00:39:33,430 --> 00:39:29,280

notice the incident number it says

823

00:39:34,870 --> 00:39:33,440

incident number 80 on july 7 1947

824

00:39:42,150 --> 00:39:34,880

80

825

00:39:44,630 --> 00:39:42,160

backtrack go to july 10 1947 and we have

826  
00:39:47,750 --> 00:39:44,640  
incident number 27.

827  
00:39:47,760 --> 00:39:52,470  
how can it three days before instant

828  
00:39:58,230 --> 00:39:54,790  
number 27

829  
00:39:58,240 --> 00:40:01,589  
incident number 80.

830  
00:40:05,910 --> 00:40:02,950  
again

831  
00:40:07,430 --> 00:40:05,920  
more secrets more sightings

832  
00:40:10,470 --> 00:40:07,440  
hidden

833  
00:40:11,430 --> 00:40:10,480  
and what this could go back to is i

834  
00:40:13,430 --> 00:40:11,440  
recall

835  
00:40:15,109 --> 00:40:13,440  
actually robert coford

836  
00:40:18,309 --> 00:40:15,119  
on this show talking about the different

837  
00:40:25,109 --> 00:40:19,670  
there were different reporting systems

838  
00:40:25,119 --> 00:40:28,069

i believe it was

839

00:40:33,030 --> 00:40:29,829

some sightings probably went to one

840

00:40:35,750 --> 00:40:34,790

so do we have all the records from this

841

00:40:37,670 --> 00:40:35,760

time

842

00:40:40,630 --> 00:40:37,680

no we do not

843

00:40:42,150 --> 00:40:40,640

and i'm sure this is a clue

844

00:40:50,710 --> 00:40:42,160

but you know i would know otherwise

845

00:40:55,589 --> 00:40:53,589

that's the kicker

846

00:40:57,349 --> 00:40:55,599

this is interesting when captain ray

847

00:40:59,910 --> 00:40:57,359

heard saw two unidentified aerial

848

00:41:01,750 --> 00:40:59,920

objects approximately eight thousand to

849

00:41:03,829 --> 00:41:01,760

ten thousand feet traveling above a p

850

00:41:05,589 --> 00:41:03,839

80.

851  
00:41:07,349 --> 00:41:05,599  
he thought they were approximately 15 to

852  
00:41:09,349 --> 00:41:07,359  
25 feet in diameter

853  
00:41:11,510 --> 00:41:09,359  
in shape they were circular like a ball

854  
00:41:14,550 --> 00:41:11,520  
at the bottom but no but not completely

855  
00:41:16,309 --> 00:41:14,560  
round they first flew straight and level

856  
00:41:17,990 --> 00:41:16,319  
but the second flying close behind the

857  
00:41:19,910 --> 00:41:18,000  
first at the same altitude seemed to be

858  
00:41:21,829 --> 00:41:19,920  
going from left to right and right to

859  
00:41:24,230 --> 00:41:21,839  
left more like a guard

860  
00:41:26,390 --> 00:41:24,240  
in an aircraft formation due to the

861  
00:41:28,630 --> 00:41:26,400  
noise of the p80 no source could no

862  
00:41:29,990 --> 00:41:28,640  
sound could be heard from them or maybe

863  
00:41:33,510 --> 00:41:30,000

just because they didn't have sound

864

00:41:35,990 --> 00:41:33,520

because they were freaking ufo

865

00:41:38,150 --> 00:41:36,000

uh they did not leave any vapor smoke or

866

00:41:39,750 --> 00:41:38,160

visible trail the weather was clear and

867

00:41:42,069 --> 00:41:39,760

captain rayer and lieutenant ward

868

00:41:44,470 --> 00:41:42,079

stewart watched them until they

869

00:41:47,990 --> 00:41:44,480

disappeared in flight presumably over

870

00:41:49,670 --> 00:41:48,000

oakland headed towards the ocean

871

00:41:51,349 --> 00:41:49,680

captain showed extreme sincerity

872

00:41:53,910 --> 00:41:51,359

throughout the interview and let me tell

873

00:41:55,990 --> 00:41:53,920

you that's always the case but guess

874

00:41:58,550 --> 00:41:56,000

what doesn't stop happening

875

00:41:59,990 --> 00:41:58,560

um the government crapping all over them

876  
00:42:04,470 --> 00:42:00,000  
that doesn't stop

877  
00:42:17,190 --> 00:42:07,750  
um

878  
00:42:22,230 --> 00:42:18,790  
this is very interesting actually

879  
00:42:28,150 --> 00:42:22,240  
because this has to do with

880  
00:42:33,190 --> 00:42:29,510  
bruce cabot

881  
00:42:36,710 --> 00:42:34,790  
and

882  
00:42:38,630 --> 00:42:36,720  
what's most interesting to me is there

883  
00:42:40,630 --> 00:42:38,640  
are two other things written on here as

884  
00:42:43,270 --> 00:42:40,640  
you can see in the operating corner we

885  
00:42:47,670 --> 00:42:43,280  
have mori island which is another

886  
00:42:47,680 --> 00:42:52,069  
and the other is july 47

887  
00:42:56,150 --> 00:42:53,990  
which apparently it was when roswell

888  
00:42:57,750 --> 00:42:56,160

crashed

889

00:43:03,270 --> 00:42:57,760

and then we have this letter about a

890

00:43:07,990 --> 00:43:05,430

isn't that interesting

891

00:43:10,550 --> 00:43:08,000

the government is putting these all

892

00:43:14,630 --> 00:43:12,069

the investigation of this incident was

893

00:43:17,190 --> 00:43:14,640

predicated upon a letter dated

894

00:43:19,190 --> 00:43:17,200

uh to osi from the fbi it had reported a

895

00:43:20,790 --> 00:43:19,200

hearing of a fantastic story told by mr

896

00:43:23,589 --> 00:43:20,800

newt concerning the crash two flying

897

00:43:26,069 --> 00:43:23,599

saucers cabot bruce cabot

898

00:43:27,589 --> 00:43:26,079

said that according he's a actor by the

899

00:43:30,230 --> 00:43:27,599

way

900

00:43:33,109 --> 00:43:30,240

the disc contained men and he had in his

901

00:43:35,190 --> 00:43:33,119

possession bits of clothing worn by

902

00:43:36,870 --> 00:43:35,200

these men the osi expended considerable

903

00:43:38,309 --> 00:43:36,880

efforts attempting to contact the

904

00:43:40,550 --> 00:43:38,319

various people concerned again all

905

00:43:43,349 --> 00:43:40,560

possible details mr newton turned out to

906

00:43:44,790 --> 00:43:43,359

be most uncooperative and the case was

907

00:43:46,390 --> 00:43:44,800

finally closed concluding the whole

908

00:43:48,230 --> 00:43:46,400

matter was else

909

00:43:50,630 --> 00:43:48,240

so you know the interesting thing is

910

00:43:53,990 --> 00:43:50,640

here they call it a hoax because mr

911

00:43:56,470 --> 00:43:54,000

newton was uncooperative

912

00:43:58,230 --> 00:43:56,480

that's what i read

913

00:43:59,829 --> 00:43:58,240

he's uncooperative we can't get the

914

00:44:01,030 --> 00:43:59,839

information we need so it's a hoax well

915

00:44:02,950 --> 00:44:01,040

guess what

916

00:44:05,349 --> 00:44:02,960

you made your bed that you're sleeping

917

00:44:07,349 --> 00:44:05,359

in who would want to be cooperative with

918

00:44:09,270 --> 00:44:07,359

you if they had that stuff because they

919

00:44:11,910 --> 00:44:09,280

know what you would do with it which is

920

00:44:20,630 --> 00:44:11,920

sit on it and not tell anyone and lie

921

00:44:20,640 --> 00:44:24,630

we're getting get into these

922

00:44:29,069 --> 00:44:27,190

this is interesting this is dated june

923

00:44:31,990 --> 00:44:29,079

29th

924

00:44:33,670 --> 00:44:32,000

1947. for your information

925

00:44:34,470 --> 00:44:33,680

this is not a government document by the

926  
00:44:36,790 --> 00:44:34,480  
way

927  
00:44:38,470 --> 00:44:36,800  
this is just something written

928  
00:44:40,470 --> 00:44:38,480  
by you can see here

929  
00:44:43,430 --> 00:44:40,480  
the 14

930  
00:44:46,150 --> 00:44:43,440  
which john keel was and other people

931  
00:44:48,069 --> 00:44:46,160  
uh partial quotes from the trans uh

932  
00:44:50,630 --> 00:44:48,079  
control langford regarding flying

933  
00:44:52,870 --> 00:44:50,640  
saucers quote there are worlds within

934  
00:44:55,190 --> 00:44:52,880  
worlds etheric worlds

935  
00:44:57,510 --> 00:44:55,200  
penetrating your plane these objects do

936  
00:44:59,109 --> 00:44:57,520  
not come from another planet but from an

937  
00:45:01,829 --> 00:44:59,119  
etheric world

938  
00:45:03,910 --> 00:45:01,839

objects doing this seem to materialize

939

00:45:05,589 --> 00:45:03,920

then dematerialize on re-entering the

940

00:45:07,670 --> 00:45:05,599

ether

941

00:45:08,950 --> 00:45:07,680

purpose is to compel attention to wake

942

00:45:11,190 --> 00:45:08,960

you up

943

00:45:12,870 --> 00:45:11,200

they come with good intent

944

00:45:14,790 --> 00:45:12,880

they have some idea of experimenting

945

00:45:17,030 --> 00:45:14,800

with earth life themselves

946

00:45:19,829 --> 00:45:17,040

coming to your plane to live

947

00:45:22,150 --> 00:45:19,839

the aeronautics cannot humans

948

00:45:24,950 --> 00:45:22,160

their shape and spinning give almost no

949

00:45:27,829 --> 00:45:24,960

resistance hence their speed

950

00:45:30,390 --> 00:45:27,839

i do not know how they propelled

951  
00:45:33,430 --> 00:45:30,400  
are they propelled

952  
00:45:35,990 --> 00:45:33,440  
the creta orchard was probably also

953  
00:45:37,589 --> 00:45:36,000  
etheric construction your ignorance of

954  
00:45:39,910 --> 00:45:37,599  
the etheric

955  
00:45:42,470 --> 00:45:39,920  
world is appalling there will be many

956  
00:45:43,990 --> 00:45:42,480  
strange sky appearances

957  
00:45:46,790 --> 00:45:44,000  
there are humans

958  
00:45:49,190 --> 00:45:46,800  
they are humans but not of your world

959  
00:45:56,069 --> 00:45:49,200  
and not from any planet which your

960  
00:45:56,079 --> 00:45:58,790  
you know

961  
00:46:01,990 --> 00:46:00,550  
this person back

962  
00:46:07,670 --> 00:46:02,000  
june

963  
00:46:13,670 --> 00:46:09,990

maybe

964

00:46:19,829 --> 00:46:15,109

you know the other things that kind of

965

00:46:24,870 --> 00:46:23,109

we got hallman air force base

966

00:46:29,109 --> 00:46:24,880

almond air force base

967

00:46:31,349 --> 00:46:29,119

taking pictures of freaking ufos

968

00:46:34,230 --> 00:46:31,359

that ain't no bird

969

00:46:39,109 --> 00:46:34,240

i ain't no plane that ain't superman

970

00:46:39,119 --> 00:46:46,710

taking it holloman air force base

971

00:46:51,030 --> 00:46:48,870

let's start kicking black volleyballs up

972

00:46:55,670 --> 00:46:51,040

in the sky and taking pictures of it

973

00:46:55,680 --> 00:46:58,470

probably a balloon

974

00:47:06,230 --> 00:47:01,510

they're taking pictures of balloons

975

00:47:09,430 --> 00:47:08,069

i don't think that's how it works but

976  
00:47:16,309 --> 00:47:09,440  
you know

977  
00:47:19,589 --> 00:47:18,470  
okay newfoundland coming back to this

978  
00:47:22,710 --> 00:47:19,599  
now

979  
00:47:24,950 --> 00:47:22,720  
this to me seems like a meteor

980  
00:47:28,790 --> 00:47:24,960  
what if it wasn't what if it was a crash

981  
00:47:28,800 --> 00:47:32,549  
who knows

982  
00:47:32,559 --> 00:47:37,990  
who freaking knows

983  
00:47:46,790 --> 00:47:39,270  
but it is a pretty cool picture

984  
00:47:49,829 --> 00:47:47,829  
could be

985  
00:47:57,030 --> 00:47:49,839  
speaking to david alton altman here

986  
00:48:00,150 --> 00:47:58,390  
we're going to have him on the show

987  
00:48:03,349 --> 00:48:00,160  
interviewing him about that documentary

988  
00:48:07,910 --> 00:48:05,109

oh they definitely had balloons in the

989

00:48:09,109 --> 00:48:07,920

40s for sure

990

00:48:10,230 --> 00:48:09,119

[Music]

991

00:48:12,950 --> 00:48:10,240

and

992

00:48:15,829 --> 00:48:12,960

probable or possibly balloon

993

00:48:18,230 --> 00:48:15,839

is pretty much

994

00:48:23,430 --> 00:48:18,240

what blue book wrote on just about every

995

00:48:28,069 --> 00:48:25,990

it was rarely ever

996

00:48:30,470 --> 00:48:28,079

you know they always had three choices

997

00:48:32,829 --> 00:48:30,480

probable aircraft possible aircraft

998

00:48:37,030 --> 00:48:32,839

probable balloon possible

999

00:48:39,430 --> 00:48:37,040

balloon it was rarely ever

1000

00:48:42,870 --> 00:48:39,440

actually a balloon

1001

00:48:44,790 --> 00:48:42,880

it's always possible or probable

1002

00:48:46,150 --> 00:48:44,800

you know but yet these reports that they

1003

00:48:48,390 --> 00:48:46,160

give out and give to the public and they

1004

00:48:50,390 --> 00:48:48,400

say only two percent when identif

1005

00:48:52,390 --> 00:48:50,400

unidentified or whatever they never took

1006

00:48:53,990 --> 00:48:52,400

that into account they never said oh but

1007

00:48:55,910 --> 00:48:54,000

these were possibilities we never could

1008

00:48:58,309 --> 00:48:55,920

confirm them it was possible it was

1009

00:49:00,790 --> 00:48:58,319

probable no they never did that they

1010

00:49:04,790 --> 00:49:00,800

took those and they tallied them up as

1011

00:49:06,150 --> 00:49:04,800

it was a balloon or meteor

1012

00:49:07,510 --> 00:49:06,160

so the truth

1013

00:49:10,710 --> 00:49:07,520

of what

1014

00:49:16,069 --> 00:49:13,030

is highly

1015

00:49:19,510 --> 00:49:17,910

suspect

1016

00:49:24,470 --> 00:49:19,520

because how many of those possibles and

1017

00:49:28,549 --> 00:49:26,150

but they couldn't say that they didn't

1018

00:49:32,390 --> 00:49:30,549

because they were scared

1019

00:49:34,230 --> 00:49:32,400

they were scared that the public would

1020

00:49:37,270 --> 00:49:34,240

say you can't i

1021

00:49:39,430 --> 00:49:37,280

you can't identify all of these

1022

00:49:41,589 --> 00:49:39,440

which would probably be about 50 if i

1023

00:49:43,430 --> 00:49:41,599

had to guess if they took the probable

1024

00:49:45,190 --> 00:49:43,440

impossibles and made them

1025

00:49:49,510 --> 00:49:45,200

unidentified because truly that's what

1026  
00:49:54,309 --> 00:49:51,430  
because probable impossible is not

1027  
00:49:55,910 --> 00:49:54,319  
identified my friend that is still

1028  
00:49:58,870 --> 00:49:55,920  
unidentified

1029  
00:50:01,270 --> 00:49:58,880  
and if you take all those

1030  
00:50:03,190 --> 00:50:01,280  
i guarantee you're looking at 50 at

1031  
00:50:05,030 --> 00:50:03,200  
least unidentified

1032  
00:50:06,870 --> 00:50:05,040  
what are you gonna tell the public that

1033  
00:50:08,870 --> 00:50:06,880  
no so what do you do

1034  
00:50:11,430 --> 00:50:08,880  
you lie

1035  
00:50:13,109 --> 00:50:11,440  
you turn the probable impossibles into

1036  
00:50:14,710 --> 00:50:13,119  
actuals

1037  
00:50:16,150 --> 00:50:14,720  
you make a fancy report and you give it

1038  
00:50:18,470 --> 00:50:16,160

to the public

1039

00:50:20,630 --> 00:50:18,480

so they think that everything is handled

1040

00:50:24,150 --> 00:50:20,640

but guess what there's a lot of us and

1041

00:50:29,510 --> 00:50:27,910

and we know that you're full

1042

00:50:31,190 --> 00:50:29,520

of

1043

00:50:35,030 --> 00:50:31,200

crap

1044

00:50:36,470 --> 00:50:35,040

i'm biting my tongue trying not to swear

1045

00:50:42,069 --> 00:50:36,480

so i'm saying words like crap and all

1046

00:50:48,309 --> 00:50:44,790

that's how it goes you know

1047

00:50:48,319 --> 00:50:51,270

we're gonna end

1048

00:50:51,280 --> 00:50:55,510

some fun stuff here

1049

00:51:00,309 --> 00:50:57,990

you probably know what that means if you

1050

00:51:01,829 --> 00:51:00,319

watch this show long enough

1051  
00:51:05,030 --> 00:51:01,839  
at this point

1052  
00:51:08,309 --> 00:51:05,040  
you know what it means when i say

1053  
00:51:09,990 --> 00:51:08,319  
we're gonna watch some fun stuff

1054  
00:51:14,069 --> 00:51:10,000  
if you don't

1055  
00:51:20,950 --> 00:51:17,510  
and it'll probably be

1056  
00:51:23,670 --> 00:51:20,960  
probably the best day of your life

1057  
00:51:25,670 --> 00:51:23,680  
because of this

1058  
00:51:27,829 --> 00:51:25,680  
am i overstating it

1059  
00:51:29,510 --> 00:51:27,839  
quite possibly

1060  
00:51:32,710 --> 00:51:29,520  
that'll be up to you to decide while i

1061  
00:51:34,470 --> 00:51:32,720  
ramble and get everything set

1062  
00:51:37,589 --> 00:51:34,480  
for

1063  
00:51:39,150 --> 00:51:37,599

our favorite time of

1064

00:51:51,510 --> 00:51:39,160

the day

1065

00:51:54,470 --> 00:51:53,109

that's right everybody it's time for

1066

00:51:56,950 --> 00:51:54,480

what the heck is that

1067

00:52:03,030 --> 00:51:56,960

i got a hodgepodge of stuff here so i

1068

00:52:07,109 --> 00:52:05,349

an orange light moves at a steady pace

1069

00:52:09,589 --> 00:52:07,119

over the skies of wayne new jersey

1070

00:52:11,910 --> 00:52:09,599

saturday night the scene captured by a

1071

00:52:14,069 --> 00:52:11,920

pix 11 news viewer who said it was just

1072

00:52:16,470 --> 00:52:14,079

before 8 30 p.m when the first of at

1073

00:52:18,870 --> 00:52:16,480

least five lights appeared over airspace

1074

00:52:20,950 --> 00:52:18,880

in wayne township visible above hamburg

1075

00:52:22,630 --> 00:52:20,960

turnpike i wouldn't think it's a drone

1076  
00:52:24,470 --> 00:52:22,640  
the sighting which had some residents

1077  
00:52:26,309 --> 00:52:24,480  
scratching their heads happens nearly

1078  
00:52:31,030 --> 00:52:26,319  
two weeks after mysterious lights were

1079  
00:52:34,790 --> 00:52:33,270  
that sighting happened on october 11th

1080  
00:52:37,270 --> 00:52:34,800  
at the time officials with the federal

1081  
00:52:39,589 --> 00:52:37,280  
aviation administration told pix 11 news

1082  
00:52:41,829 --> 00:52:39,599  
it received no reports of unusual

1083  
00:52:44,390 --> 00:52:41,839  
activity for the area in saturday's

1084  
00:52:46,309 --> 00:52:44,400  
sighting faa officials made the same

1085  
00:52:48,470 --> 00:52:46,319  
assessment fueling the mystery as to

1086  
00:52:51,349 --> 00:52:48,480  
what is flying in the skies over passaic

1087  
00:52:53,270 --> 00:52:51,359  
county nadia deleon who owns her own new

1088  
00:52:54,950 --> 00:52:53,280

jersey-based drone photography company

1089

00:52:57,349 --> 00:52:54,960

doesn't believe the lights are drone

1090

00:52:58,790 --> 00:52:57,359

related calling attention to halloween

1091

00:53:00,790 --> 00:52:58,800

being around the corner and the

1092

00:53:03,030 --> 00:53:00,800

possibility that a prankster may be to

1093

00:53:04,230 --> 00:53:03,040

blame why is it concentrated right in

1094

00:53:07,430 --> 00:53:04,240

this area

1095

00:53:09,990 --> 00:53:07,440

why not like ringwood or

1096

00:53:12,790 --> 00:53:10,000

i don't know bergen county giuseppe de

1097

00:53:15,030 --> 00:53:12,800

marco a resident of nearby wanakew who

1098

00:53:17,349 --> 00:53:15,040

is also a paranormal enthusiast believes

1099

00:53:18,950 --> 00:53:17,359

there is more to these sightings he has

1100

00:53:21,190 --> 00:53:18,960

looked into a number of unexplained

1101  
00:53:22,870 --> 00:53:21,200  
phenomena that have happened in the area

1102  
00:53:24,230 --> 00:53:22,880  
over the years there's definitely more

1103  
00:53:25,270 --> 00:53:24,240  
out there i mean

1104  
00:53:27,510 --> 00:53:25,280  
you've been here about this stuff for

1105  
00:53:29,190 --> 00:53:27,520  
like since biblical times while much of

1106  
00:53:31,349 --> 00:53:29,200  
the unknown provides fodder for

1107  
00:53:33,589 --> 00:53:31,359  
believers it's also the centerpiece of a

1108  
00:53:35,430 --> 00:53:33,599  
recent government report released over

1109  
00:53:37,270 --> 00:53:35,440  
the summer that acknowledged that

1110  
00:53:38,950 --> 00:53:37,280  
intelligence officials cannot explain

1111  
00:53:41,430 --> 00:53:38,960  
such sophisticated movements in the

1112  
00:53:44,069 --> 00:53:41,440  
skies the formation of the unidentified

1113  
00:53:46,390 --> 00:53:44,079

aerial phenomena task force is now on

1114

00:53:49,030 --> 00:53:46,400

the front lines of investigating such

1115

00:53:50,870 --> 00:53:49,040

incidents now according to the faa a uap

1116

00:53:52,950 --> 00:53:50,880

sighting is only documented after a

1117

00:53:55,430 --> 00:53:52,960

pilot reports one of these sightings to

1118

00:53:57,270 --> 00:53:55,440

a local air traffic control facility and

1119

00:53:59,589 --> 00:53:57,280

then it would have to be corroborated

1120

00:54:01,030 --> 00:53:59,599

with supporting evidence before it heads

1121

00:54:03,510 --> 00:54:01,040

to the task force

1122

00:54:05,829 --> 00:54:03,520

that did not happen in either case that

1123

00:54:11,430 --> 00:54:05,839

happened in pasay county

1124

00:54:16,710 --> 00:54:13,430

i don't know let me tell you they popped

1125

00:54:22,230 --> 00:54:16,720

up one by one look at that those drones

1126  
00:54:27,109 --> 00:54:24,630  
that's what they are

1127  
00:54:32,630 --> 00:54:27,119  
are you sure you have to be i don't know

1128  
00:54:32,640 --> 00:54:37,430  
that's

1129  
00:54:37,440 --> 00:54:57,780  
it's wild be drones

1130  
00:54:57,790 --> 00:55:03,430  
[Music]

1131  
00:55:09,349 --> 00:55:07,190  
it is a moving blinking mystery what was

1132  
00:55:11,829 --> 00:55:09,359  
that spotted flying over new hampshire

1133  
00:55:16,069 --> 00:55:11,839  
here's jim smith with the video a lot of

1134  
00:55:19,829 --> 00:55:17,430  
there's something going on in our

1135  
00:55:22,230 --> 00:55:19,839  
atmosphere strange lights in the sky

1136  
00:55:24,789 --> 00:55:22,240  
over concord new hampshire illuminated

1137  
00:55:27,430 --> 00:55:24,799  
orbs dancing in the heavens right around

1138  
00:55:29,750 --> 00:55:27,440

sunset this video was captured by mike

1139

00:55:31,190 --> 00:55:29,760

pataro at a shopping mall

1140

00:55:33,829 --> 00:55:31,200

what is that

1141

00:55:36,789 --> 00:55:33,839

yeah it's moving it's above the clouds

1142

00:55:39,190 --> 00:55:36,799

oh wow it's it's changing shape just

1143

00:55:41,190 --> 00:55:39,200

splitting up we showed people the video

1144

00:55:42,150 --> 00:55:41,200

to see what they think more often than

1145

00:55:44,390 --> 00:55:42,160

that i would think it'd be something

1146

00:55:46,630 --> 00:55:44,400

maybe military aircraft or something

1147

00:55:49,349 --> 00:55:46,640

private that's just not common that we

1148

00:55:51,430 --> 00:55:49,359

interpret as ufo probably seen the same

1149

00:55:53,430 --> 00:55:51,440

thing up my way in the woods oh yeah

1150

00:55:55,510 --> 00:55:53,440

have you ever seen anything

1151

00:55:58,069 --> 00:55:55,520

i can't say that i have a heaven as far

1152

00:55:59,349 --> 00:55:58,079

as what it actually was but

1153

00:56:01,030 --> 00:55:59,359

definitely seen some weird stuff

1154

00:56:03,910 --> 00:56:01,040

sometimes i'd say

1155

00:56:06,710 --> 00:56:03,920

up in the sky yeah sure it's cool it's

1156

00:56:10,069 --> 00:56:07,910

you're not gonna

1157

00:56:11,750 --> 00:56:10,079

no when you work on a story like this

1158

00:56:13,910 --> 00:56:11,760

it's always important to find people

1159

00:56:15,990 --> 00:56:13,920

with an open mind here's the guy we

1160

00:56:19,109 --> 00:56:16,000

really wanted to ask but we couldn't

1161

00:56:21,829 --> 00:56:19,119

find it so was it drones light flaring

1162

00:56:23,910 --> 00:56:21,839

on a lens or little green men for now

1163

00:56:26,789 --> 00:56:23,920

the jury is still out on an age-old

1164

00:57:41,270 --> 00:56:26,799

question are we alone in the universe in

1165

00:57:47,349 --> 00:57:44,150

was it a ufo or is there a more down to

1166

00:57:49,270 --> 00:57:47,359

earth explanation for it a strange sight

1167

00:57:51,589 --> 00:57:49,280

red blinking lights could be seen across

1168

00:57:55,030 --> 00:57:51,599

morris county new jersey last night what

1169

00:57:56,950 --> 00:57:55,040

was it here's cbs 2's john slattery

1170

00:57:59,349 --> 00:57:56,960

this is what was seen last night between

1171

00:58:01,030 --> 00:57:59,359

8 30 and 9 photographed by the hurley

1172

00:58:03,510 --> 00:58:01,040

family in whippany

1173

00:58:05,430 --> 00:58:03,520

it was unsettling yeah for sure just

1174

00:58:07,109 --> 00:58:05,440

because you're watching something that

1175

00:58:08,390 --> 00:58:07,119

you have no idea you've never seen

1176  
00:58:10,950 --> 00:58:08,400  
before

1177  
00:58:12,789 --> 00:58:10,960  
and very strange pattern eleven-year-old

1178  
00:58:14,950 --> 00:58:12,799  
kristen was the first to spot them a

1179  
00:58:17,190 --> 00:58:14,960  
group of three lights together and two

1180  
00:58:18,309 --> 00:58:17,200  
lights together seen in the sky through

1181  
00:58:20,829 --> 00:58:18,319  
the trees

1182  
00:58:24,309 --> 00:58:20,839  
i looked up outside

1183  
00:58:27,030 --> 00:58:24,319  
and i was really scared and i just saw

1184  
00:58:28,470 --> 00:58:27,040  
these five red lights the family went

1185  
00:58:31,270 --> 00:58:28,480  
out onto their deck to look at the

1186  
00:58:33,510 --> 00:58:31,280  
strange sight paul hurley a pilot who

1187  
00:58:35,910 --> 00:58:33,520  
works at morristown airport says they

1188  
00:58:38,069 --> 00:58:35,920

weren't planes i've been in the aviation

1189

00:58:39,910 --> 00:58:38,079

industry for for 20 years and i've never

1190

00:58:41,430 --> 00:58:39,920

seen anything like this the hurleys

1191

00:58:44,390 --> 00:58:41,440

weren't the only ones to see the bright

1192

00:58:49,109 --> 00:58:44,400

lights at 8 28 the hanover township

1193

00:58:52,309 --> 00:58:50,390

it's like these 911

1194

00:58:54,710 --> 00:58:52,319

with these uh

1195

00:58:56,710 --> 00:58:54,720

balloons with these five lights flying

1196

00:58:58,950 --> 00:58:56,720

over there paul hurley who called the

1197

00:59:00,710 --> 00:58:58,960

morristown airport control tower says

1198

00:59:02,789 --> 00:59:00,720

the lights had also been spotted from

1199

00:59:05,190 --> 00:59:02,799

there yet they caused no interference

1200

00:59:07,109 --> 00:59:05,200

with flight operations between those

1201  
00:59:09,349 --> 00:59:07,119  
officials and the morristown police the

1202  
00:59:11,589 --> 00:59:09,359  
best guess as to what the lights were

1203  
00:59:14,549 --> 00:59:11,599  
nothing more than a prank roadside

1204  
00:59:16,789 --> 00:59:14,559  
flares attached to helium balloons yet

1205  
00:59:19,109 --> 00:59:16,799  
they left rather quickly it like it took

1206  
00:59:21,510 --> 00:59:19,119  
off

1207  
00:59:23,750 --> 00:59:21,520  
it was very strange there's been no

1208  
00:59:26,150 --> 00:59:23,760  
report of any debris recovered and

1209  
00:59:29,030 --> 00:59:26,160  
police don't know who released them the

1210  
00:59:31,270 --> 00:59:29,040  
faa tells cbs 2 news with the exception

1211  
00:59:33,589 --> 00:59:31,280  
of laser lights and weather balloons

1212  
00:59:36,549 --> 00:59:33,599  
there is no regulation on releasing

1213  
00:59:39,420 --> 00:59:36,559

balloons or shining lights into the sky

1214

01:01:23,589 --> 00:59:39,430

john slattery cbs 2 news

1215

01:01:28,770 --> 01:01:26,470

that is all she

1216

01:01:36,430 --> 01:01:28,780

wrote for

1217

01:01:36,440 --> 01:01:40,470

[Music]

1218

01:01:40,480 --> 01:01:43,270

for certain

1219

01:01:47,190 --> 01:01:44,710

that's for sure

1220

01:01:48,549 --> 01:01:47,200

so many uncertainties in life but you

1221

01:01:51,030 --> 01:01:48,559

know it's fun

1222

01:01:52,870 --> 01:01:51,040

it's fun wondering

1223

01:01:54,630 --> 01:01:52,880

it's fun being

1224

01:01:57,910 --> 01:01:54,640

you know just completely in the dark

1225

01:01:59,510 --> 01:01:57,920

about the things flying around up there

1226

01:02:00,470 --> 01:01:59,520

but it makes me feel a lot better that

1227

01:02:02,150 --> 01:02:00,480

things

1228

01:02:04,230 --> 01:02:02,160

are probably

1229

01:02:05,990 --> 01:02:04,240

balloons or probable

1230

01:02:08,230 --> 01:02:06,000

bones

1231

01:02:10,390 --> 01:02:08,240

or asteroids or

1232

01:02:12,630 --> 01:02:10,400

flying kids

1233

01:02:14,390 --> 01:02:12,640

whatever the case could be

1234

01:02:16,710 --> 01:02:14,400

probable and possible

1235

01:02:19,270 --> 01:02:16,720

is good for me one more thing i wanted

1236

01:02:22,069 --> 01:02:19,280

to show you

1237

01:02:24,309 --> 01:02:22,079

that tic tac thing some people

1238

01:02:27,750 --> 01:02:24,319

i've been uh doing stuff with uh with

1239

01:02:31,270 --> 01:02:29,510

made it look like this you can kind of

1240

01:02:35,510 --> 01:02:31,280

see the appendages underneath to me it

1241

01:02:36,950 --> 01:02:35,520

looks like a flying car now perhaps

1242

01:02:39,510 --> 01:02:36,960

it's got a big butt

1243

01:02:41,829 --> 01:02:39,520

i don't know people just love those navy

1244

01:02:43,510 --> 01:02:41,839

videos i'll do anything

1245

01:02:45,190 --> 01:02:43,520

i'll do anything

1246

01:02:49,910 --> 01:02:45,200

i don't know

1247

01:02:54,069 --> 01:02:51,750

but i thought i'd share that because it

1248

01:02:56,789 --> 01:02:54,079

it is probably the best uh

1249

01:02:57,750 --> 01:02:56,799

view of uh like the actual shape of the

1250

01:02:58,710 --> 01:02:57,760

thing

1251  
01:03:01,190 --> 01:02:58,720  
you know

1252  
01:03:02,390 --> 01:03:01,200  
whatever shape that is i guess but again

1253  
01:03:05,190 --> 01:03:02,400  
we shouldn't have to look at that kind

1254  
01:03:07,510 --> 01:03:05,200  
of crap especially after you know what

1255  
01:03:09,910 --> 01:03:07,520  
people say is out there whether

1256  
01:03:11,670 --> 01:03:09,920  
you know it's louis elizondo or or you

1257  
01:03:12,789 --> 01:03:11,680  
know the freaking john

1258  
01:03:14,150 --> 01:03:12,799  
brennan

1259  
01:03:15,910 --> 01:03:14,160  
like

1260  
01:03:18,470 --> 01:03:15,920  
with his hand and

1261  
01:03:21,510 --> 01:03:18,480  
it could be possible you know another

1262  
01:03:22,950 --> 01:03:21,520  
intelligent uh form of of life like the

1263  
01:03:26,630 --> 01:03:22,960

guy says that

1264

01:03:28,950 --> 01:03:26,640

and mum's the word what's the deal

1265

01:03:30,630 --> 01:03:28,960

dude ran the cia

1266

01:03:33,670 --> 01:03:30,640

like come on

1267

01:03:36,789 --> 01:03:35,589

barack obama there's things flying

1268

01:03:39,670 --> 01:03:36,799

around the sky and we don't know what

1269

01:03:43,270 --> 01:03:39,680

they are what are we here

1270

01:03:47,190 --> 01:03:45,829

there's all this stuff out there guess

1271

01:03:51,109 --> 01:03:47,200

what you get to see

1272

01:03:58,549 --> 01:03:53,670

whatever

1273

01:04:01,450 --> 01:04:00,150

at least you know we get to have these

1274

01:04:04,470 --> 01:04:01,460

shows and talk about it

1275

01:04:05,990 --> 01:04:04,480

[Laughter]

1276

01:04:08,710 --> 01:04:06,000

right so

1277

01:04:10,470 --> 01:04:08,720

i appreciate everybody's time

1278

01:04:12,789 --> 01:04:10,480

yeah control the nerve and it's always

1279

01:04:14,150 --> 01:04:12,799

about the control you know you know if

1280

01:04:16,230 --> 01:04:14,160

it's always about the control they do

1281

01:04:18,069 --> 01:04:16,240

such a crappy job because they really

1282

01:04:19,190 --> 01:04:18,079

definitely seem completely out of

1283

01:04:20,710 --> 01:04:19,200

control

1284

01:04:22,230 --> 01:04:20,720

so

1285

01:04:23,829 --> 01:04:22,240

but that's just me

1286

01:04:27,990 --> 01:04:23,839

all right

1287

01:04:29,750 --> 01:04:28,000

i appreciate your time

1288

01:04:31,589 --> 01:04:29,760

appreciate you guys hanging out hope you

1289

01:04:33,589 --> 01:04:31,599

had a good

1290

01:04:34,789 --> 01:04:33,599

monday

1291

01:04:37,589 --> 01:04:34,799

um

1292

01:04:39,190 --> 01:04:37,599

i had a good monday hanging out with you

1293

01:04:41,589 --> 01:04:39,200

so

1294

01:04:43,910 --> 01:04:41,599

that's about it i'm gonna feed my dogs

1295

01:04:47,190 --> 01:04:43,920

and go hang out with my wife and make

1296

01:04:49,430 --> 01:04:47,200

food and and do that kind of stuff so

1297

01:04:51,670 --> 01:04:49,440

um i appreciate you guys being here and

1298

01:04:53,190 --> 01:04:51,680

being supportive like the video again i

1299

01:04:54,870 --> 01:04:53,200

always forget to say that till the end

1300

01:04:57,109 --> 01:04:54,880

but most people will click on this

1301

01:04:59,670 --> 01:04:57,119

probably tune out by then and never like

1302

01:05:01,829 --> 01:04:59,680

it so like the video if you can share it

1303

01:05:04,470 --> 01:05:01,839

subscribe all that kind of stuff

1304

01:05:06,950 --> 01:05:04,480

uh thank you for being

1305

01:05:11,430 --> 01:05:06,960

awesome and i hope you enjoy

1306

01:05:16,870 --> 01:05:11,440

the new theme song i'm just a witness

1307

01:05:16,880 --> 01:05:34,390

i don't know what i saw if it's alien

1308

01:05:34,400 --> 01:05:40,309

if i knew where to begin

1309

01:05:45,680 --> 01:05:43,270

i'm just a witness

1310

01:06:09,349 --> 01:05:45,690

citizen
