

1
00:00:07,829 --> 00:00:04,950
what is up everybody happy thursday

2
00:00:10,390 --> 00:00:07,839
got another show in store for you

3
00:00:11,749 --> 00:00:10,400
because that's what i do

4
00:00:14,549 --> 00:00:11,759
i do shows

5
00:00:17,910 --> 00:00:14,559
i do lots of content and i research and

6
00:00:20,390 --> 00:00:17,920
i dig and i find important documents

7
00:00:22,630 --> 00:00:20,400
that i think are essential

8
00:00:23,830 --> 00:00:22,640
um to this chase a lot of us are on i

9
00:00:25,750 --> 00:00:23,840
don't

10
00:00:28,230 --> 00:00:25,760
think it's a joke i take it serious i've

11
00:00:30,390 --> 00:00:28,240
had my own experience

12
00:00:33,590 --> 00:00:30,400
paradigm shifting

13
00:00:35,190 --> 00:00:33,600

and if anyone out there thinks that

14

00:00:40,069 --> 00:00:35,200

80 years

15

00:00:42,709 --> 00:00:40,079

of ufos sightings and investigations

16

00:00:45,510 --> 00:00:42,719

is all prosaic

17

00:00:47,590 --> 00:00:45,520

it's time for a reality check

18

00:00:50,470 --> 00:00:47,600

it's time to get real

19

00:00:52,150 --> 00:00:50,480

ufos exist they're out there and we

20

00:00:57,430 --> 00:00:52,160

don't know what they are

21

00:01:01,430 --> 00:00:59,510

and that's not cool

22

00:01:02,950 --> 00:01:01,440

yeah i mean i think the bottom line is

23

00:01:04,390 --> 00:01:02,960

that we don't understand everything that

24

00:01:06,550 --> 00:01:04,400

we're seeing well i guess they only

25

00:01:08,149 --> 00:01:06,560

identified one out of what a hundred

26

00:01:09,270 --> 00:01:08,159

something

27

00:01:10,469 --> 00:01:09,280

and i'm like

28

00:01:13,109 --> 00:01:10,479

yes

29

00:01:14,310 --> 00:01:13,119

right that's exactly right honey exactly

30

00:01:17,190 --> 00:01:14,320

by the way some of these things were

31

00:01:19,510 --> 00:01:17,200

really really close so you know you tell

32

00:01:22,230 --> 00:01:19,520

me one was other

33

00:01:23,830 --> 00:01:22,240

and that basically indicated that we

34

00:01:25,830 --> 00:01:23,840

were pretty sure we weren't going to be

35

00:01:28,149 --> 00:01:25,840

able to characterize every single one of

36

00:01:30,710 --> 00:01:28,159

these reports frankly we were not able

37

00:01:33,109 --> 00:01:30,720

to understand everything about it and

38

00:01:34,550 --> 00:01:33,119

and the main issues that congress and

39

00:01:36,550 --> 00:01:34,560

others have been concerned about are

40

00:01:38,390 --> 00:01:36,560

basically safety of flight concerns and

41

00:01:40,550 --> 00:01:38,400

counterintelligence issues but of course

42

00:01:42,310 --> 00:01:40,560

there's always the question of

43

00:01:45,190 --> 00:01:42,320

is there something else that we simply

44

00:01:48,310 --> 00:01:45,200

do not understand that might come

45

00:01:48,320 --> 00:01:59,860

extraterrestrial extraterrestrially

46

00:01:59,870 --> 00:02:34,869

[Music]

47

00:02:39,480 --> 00:02:37,110

ufos seamlessly traveling through air

48

00:02:46,020 --> 00:02:39,490

and water

49

00:02:46,030 --> 00:02:53,270

[Music]

50

00:02:57,990 --> 00:02:56,309

i've never seen anything in my life that

51
00:02:59,670 --> 00:02:58,000
had the performance

52
00:03:01,350 --> 00:02:59,680
the acceleration

53
00:03:03,030 --> 00:03:01,360
and it's moving around left right

54
00:03:04,790 --> 00:03:03,040
forward back the radar immediately

55
00:03:06,790 --> 00:03:04,800
starts getting jammed all of a sudden it

56
00:03:09,190 --> 00:03:06,800
takes off

57
00:03:11,670 --> 00:03:09,200
those blips are solid they're good and

58
00:03:13,910 --> 00:03:11,680
solid now you cover up not by telling

59
00:03:14,949 --> 00:03:13,920
everybody everything the important thing

60
00:03:16,509 --> 00:03:14,959
this is where my background and

61
00:03:18,869 --> 00:03:16,519
classified work comes in is

62
00:03:19,990 --> 00:03:18,879
compartmentalization need to know just

63
00:03:21,910 --> 00:03:20,000

because you have a clearance doesn't

64

00:03:24,309 --> 00:03:21,920

mean you get access to the data think of

65

00:03:28,710 --> 00:03:24,319

space as the ocean

66

00:03:30,470 --> 00:03:28,720

can't rule out something that's

67

00:03:31,670 --> 00:03:30,480

otherworldly but that's a very small

68

00:03:33,589 --> 00:03:31,680

percentage

69

00:03:35,990 --> 00:03:33,599

people want members of the government to

70

00:03:37,910 --> 00:03:36,000

say it's extraterrestrial we won't stop

71

00:03:40,149 --> 00:03:37,920

there but the key takeaways i have is

72

00:03:42,630 --> 00:03:40,159

that the um

73

00:03:44,630 --> 00:03:42,640

the military and others are taking this

74

00:03:46,070 --> 00:03:44,640

issue seriously which i think in

75

00:03:49,350 --> 00:03:46,080

previous generations may not have been

76
00:03:51,990 --> 00:03:49,360
the case there's footage and records of

77
00:03:54,149 --> 00:03:52,000
objects in the skies that we

78
00:03:55,670 --> 00:03:54,159
don't know exactly what they are we

79
00:03:56,789 --> 00:03:55,680
can't explain

80
00:03:58,550 --> 00:03:56,799
uh

81
00:04:00,470 --> 00:03:58,560
how they moved

82
00:04:01,910 --> 00:04:00,480
their trajectory it's logical you want

83
00:04:03,350 --> 00:04:01,920
to know what it is i miss common sense

84
00:04:05,270 --> 00:04:03,360
right stuff's flying over the top of

85
00:04:06,869 --> 00:04:05,280
your most sensitive installations and

86
00:04:09,910 --> 00:04:06,879
it's not ours and no one knows whose it

87
00:04:12,309 --> 00:04:09,920
is we we have uh lots of reports about

88
00:04:13,589 --> 00:04:12,319

what we call uh unidentified aerial

89

00:04:15,429 --> 00:04:13,599

phenomenon there are a lot more

90

00:04:17,189 --> 00:04:15,439

sightings than have been made public a

91

00:04:19,030 --> 00:04:17,199

lot more sightings than have been made

92

00:04:20,710 --> 00:04:19,040

public a lot more sightings than have

93

00:04:22,870 --> 00:04:20,720

been made public a lot more sightings

94

00:04:24,550 --> 00:04:22,880

than have been made public sometimes we

95

00:04:26,310 --> 00:04:24,560

wonder whether or not our adversaries

96

00:04:27,670 --> 00:04:26,320

have technologies

97

00:04:29,780 --> 00:04:27,680

that are a little bit further down the

98

00:04:32,710 --> 00:04:29,790

road than we thought

99

00:04:35,510 --> 00:04:32,720

[Music]

100

00:04:37,350 --> 00:04:35,520

some type of um activity

101
00:04:40,070 --> 00:04:37,360
that some might

102
00:04:42,469 --> 00:04:40,080
say uh constitutes a a different form of

103
00:04:44,710 --> 00:04:42,479
life

104
00:04:46,390 --> 00:04:44,720
meant to say it's extraterrestrial we

105
00:04:49,189 --> 00:04:46,400
won't stop there but at a moment to

106
00:04:51,670 --> 00:04:49,199
speak in open congressional hearings to

107
00:04:54,629 --> 00:04:51,680
discuss what happened 50 years ago what

108
00:04:57,590 --> 00:04:54,639
would you say i say it happened and i

109
00:04:59,030 --> 00:04:57,600
died to that give us information to the

110
00:04:59,990 --> 00:04:59,040
young people of the world in this

111
00:05:01,990 --> 00:05:00,000
country

112
00:05:03,990 --> 00:05:02,000
they want to hear it they want it

113
00:05:06,629 --> 00:05:04,000

give it to them don't hide it and tell

114

00:05:07,830 --> 00:05:06,639

lies and make stories they're not stupid

115

00:05:10,629 --> 00:05:07,840

they're not

116

00:05:12,790 --> 00:05:10,639

young men that'll panic in fact my own

117

00:05:14,550 --> 00:05:12,800

nephew is the research director

118

00:05:16,150 --> 00:05:14,560

of daycare corporation he tells me his

119

00:05:17,590 --> 00:05:16,160

uncle phil once they tell us the truth

120

00:05:18,950 --> 00:05:17,600

we're not going to panic and pull our

121

00:05:20,629 --> 00:05:18,960

hair out

122

00:05:22,790 --> 00:05:20,639

and one good example of this which i

123

00:05:24,469 --> 00:05:22,800

always tell

124

00:05:25,990 --> 00:05:24,479

to prove this point that the young

125

00:05:28,469 --> 00:05:26,000

people will want it and they're not

126

00:05:29,749 --> 00:05:28,479

going to panic they want to hear this

127

00:05:31,430 --> 00:05:29,759

and that's one of the reasons i wrote

128

00:05:32,469 --> 00:05:31,440

this my own grandchildren now will see

129

00:05:37,189 --> 00:05:32,479

it

130

00:05:39,510 --> 00:05:37,199

i commanded the battalion of 1500 men

131

00:05:42,629 --> 00:05:39,520

combat battalion average age of my

132

00:05:45,670 --> 00:05:42,639

soldiers who was 19 and a half years old

133

00:05:48,870 --> 00:05:45,680

i told my exec one day my god maine were

134

00:05:50,150 --> 00:05:48,880

sending babies in the battle

135

00:05:51,590 --> 00:05:50,160

these kids

136

00:05:52,710 --> 00:05:51,600

they fought the greatest armies in the

137

00:05:54,710 --> 00:05:52,720

world

138

00:05:57,350 --> 00:05:54,720

they didn't run they didn't panic

139

00:05:59,590 --> 00:05:57,360

they stood there and fought

140

00:06:01,590 --> 00:05:59,600

and i i don't why do you think they'll

141

00:06:02,710 --> 00:06:01,600

pay they want this information they

142

00:06:04,390 --> 00:06:02,720

deserve it

143

00:06:06,550 --> 00:06:04,400

it's their information it doesn't belong

144

00:06:07,749 --> 00:06:06,560

to the army of department defense

145

00:06:09,909 --> 00:06:07,759

it's theirs

146

00:06:11,670 --> 00:06:09,919

if it's classified then take the

147

00:06:13,110 --> 00:06:11,680

classification off and give it to them

148

00:06:15,110 --> 00:06:13,120

who's covering it up now i mean is there

149

00:06:16,950 --> 00:06:15,120

any one organization i always say this

150

00:06:19,749 --> 00:06:16,960

now here's what i say

151
00:06:21,350 --> 00:06:19,759
the government is so big and so vast

152
00:06:22,710 --> 00:06:21,360
that if you leave it alone it'll cover

153
00:06:24,550 --> 00:06:22,720
itself up

154
00:06:26,870 --> 00:06:24,560
dr jacques valet

155
00:06:27,990 --> 00:06:26,880
international authority on the ufo

156
00:06:30,070 --> 00:06:28,000
experience

157
00:06:32,390 --> 00:06:30,080
first thing i'd like to dispel

158
00:06:34,790 --> 00:06:32,400
is a frequent misconception that ufos

159
00:06:36,070 --> 00:06:34,800
are limited to this country very often

160
00:06:37,830 --> 00:06:36,080
people ask me

161
00:06:39,909 --> 00:06:37,840
how come i never hear about ufos in

162
00:06:42,309 --> 00:06:39,919
other parts of the world how can we only

163
00:06:45,110 --> 00:06:42,319

hear about ufos in america

164

00:06:47,510 --> 00:06:45,120

well ufos are not an american phenomenon

165

00:06:48,870 --> 00:06:47,520

they are a worldwide phenomenon that's

166

00:06:50,629 --> 00:06:48,880

one of their most dramatic

167

00:06:53,670 --> 00:06:50,639

characteristics

168

00:06:55,430 --> 00:06:53,680

the first major wave of sightings

169

00:06:57,830 --> 00:06:55,440

and sightings tend to come in very

170

00:06:59,909 --> 00:06:57,840

intense series over a couple of months

171

00:07:03,029 --> 00:06:59,919

over a given region of the world

172

00:07:07,589 --> 00:07:03,039

the first such major wave occurred over

173

00:07:12,550 --> 00:07:09,350

there was a major wave in this country

174

00:07:14,710 --> 00:07:12,560

in 1947 mainly in the western states and

175

00:07:17,589 --> 00:07:14,720

then there have been waves in the us in

176

00:07:18,550 --> 00:07:17,599

1950 1952 and so on

177

00:07:21,909 --> 00:07:18,560

and there have been intense

178

00:07:24,390 --> 00:07:21,919

concentrations of sightings in africa

179

00:07:26,870 --> 00:07:24,400

in latin america

180

00:07:28,950 --> 00:07:26,880

in mexico in the soviet union in the

181

00:07:30,950 --> 00:07:28,960

people's republic of china

182

00:07:33,189 --> 00:07:30,960

australia new zealand and on and on and

183

00:07:35,110 --> 00:07:33,199

on i don't know of any single country

184

00:07:37,589 --> 00:07:35,120

that has not had a series of ufo

185

00:07:39,510 --> 00:07:37,599

sightings one of the theories by boeing

186

00:07:40,790 --> 00:07:39,520

and they did a bench test

187

00:07:41,749 --> 00:07:40,800

um

188

00:07:45,110 --> 00:07:41,759

was that

189

00:07:48,869 --> 00:07:45,120

this stable platform was simply uh

190

00:07:50,950 --> 00:07:48,879

disrupted to the point where uh

191

00:07:52,550 --> 00:07:50,960

it was it was useless as far as

192

00:07:54,390 --> 00:07:52,560

calculating the

193

00:08:02,790 --> 00:07:54,400

position of the missile after launch and

194

00:08:07,990 --> 00:08:05,029

what's up everybody i hope you like that

195

00:08:08,869 --> 00:08:08,000

uh put that together those are some of

196

00:08:09,670 --> 00:08:08,879

the

197

00:08:11,189 --> 00:08:09,680

uh

198

00:08:14,150 --> 00:08:11,199

clips

199

00:08:17,189 --> 00:08:14,160

that i've kind of gathered over

200

00:08:18,390 --> 00:08:17,199

uh the months and everything and so

201
00:08:20,150 --> 00:08:18,400

i hope

202
00:08:21,990 --> 00:08:20,160

that you

203
00:08:23,830 --> 00:08:22,000

enjoyed that i mean for the most part

204
00:08:25,189 --> 00:08:23,840

it's like

205
00:08:27,029 --> 00:08:25,199

we can see people have been talking

206
00:08:29,430 --> 00:08:27,039

about this for

207
00:08:32,949 --> 00:08:29,440

a while right and

208
00:08:36,550 --> 00:08:34,469

you know first of all it doesn't help

209
00:08:37,670 --> 00:08:36,560

bashing people that are sticking out

210
00:08:39,430 --> 00:08:37,680

their neck

211
00:08:41,350 --> 00:08:39,440

to try to help this situation whether it

212
00:08:44,310 --> 00:08:41,360

be somebody

213
00:08:47,110 --> 00:08:44,320

kicking down lou elizondo

214

00:08:48,630 --> 00:08:47,120

whether it be john ramirez

215

00:08:52,070 --> 00:08:48,640

whether it be

216

00:08:54,630 --> 00:08:53,509

whoever it is

217

00:08:56,949 --> 00:08:54,640

you know

218

00:08:58,230 --> 00:08:56,959

it's time that we embrace

219

00:08:59,910 --> 00:08:58,240

the people that have been working at

220

00:09:02,389 --> 00:08:59,920

this working hard at this for a long

221

00:09:04,790 --> 00:09:02,399

time and just because ufos are a hard

222

00:09:06,310 --> 00:09:04,800

thing to believe in doesn't give you a

223

00:09:07,509 --> 00:09:06,320

pass

224

00:09:10,310 --> 00:09:07,519

to

225

00:09:11,990 --> 00:09:10,320

on anyone that disagrees with you and

226

00:09:13,829 --> 00:09:12,000

tries to get this topic out there in the

227

00:09:16,630 --> 00:09:13,839

open

228

00:09:18,870 --> 00:09:16,640

which is what people are doing

229

00:09:20,230 --> 00:09:18,880

and it's unnecessary

230

00:09:22,470 --> 00:09:20,240

you don't have to agree with them but

231

00:09:24,070 --> 00:09:22,480

you don't have to actively

232

00:09:26,550 --> 00:09:24,080

fight against

233

00:09:28,389 --> 00:09:26,560

their efforts

234

00:09:30,470 --> 00:09:28,399

to bring more information to the public

235

00:09:32,230 --> 00:09:30,480

they're not the only ones doing it as

236

00:09:35,990 --> 00:09:32,240

you can tell this has been going on for

237

00:09:41,590 --> 00:09:37,670

know and as far as i'm concerned not

238

00:09:45,829 --> 00:09:43,590

you know and it's because of people like

239

00:09:47,670 --> 00:09:45,839

that that constantly muddy the waters

240

00:09:49,990 --> 00:09:47,680

and fight back against the ones that are

241

00:09:52,470 --> 00:09:50,000

trying

242

00:09:58,949 --> 00:09:54,310

and of course there's huxters grifters

243

00:10:03,030 --> 00:10:01,110

you know but i'm sorry

244

00:10:04,710 --> 00:10:03,040

if you're a person that can't see

245

00:10:07,190 --> 00:10:04,720

through that

246

00:10:08,949 --> 00:10:07,200

that's not my fault that's not

247

00:10:11,110 --> 00:10:08,959

the fault of somebody who's

248

00:10:12,710 --> 00:10:11,120

trying to be honest

249

00:10:14,870 --> 00:10:12,720

with this stuff

250

00:10:16,470 --> 00:10:14,880

and help the cause

251
00:10:18,550 --> 00:10:16,480
and if you don't have anything positive

252
00:10:20,630 --> 00:10:18,560
to add and all you're going to do is cut

253
00:10:23,269 --> 00:10:20,640
people down

254
00:10:26,470 --> 00:10:23,279
bully them so they quit twitter

255
00:10:28,230 --> 00:10:26,480
like christopher sharp liberation times

256
00:10:30,710 --> 00:10:28,240
go away

257
00:10:33,430 --> 00:10:30,720
you're hurting

258
00:10:35,910 --> 00:10:33,440
you know and at this point

259
00:10:37,910 --> 00:10:35,920
although the government is to blame for

260
00:10:41,030 --> 00:10:37,920
hiding a lot of information from us

261
00:10:43,350 --> 00:10:41,040
people like that are just as much

262
00:10:45,509 --> 00:10:43,360
to blame

263
00:10:47,670 --> 00:10:45,519

because they're restricting an overall

264

00:10:49,670 --> 00:10:47,680

consensus from moving forward which

265

00:10:53,910 --> 00:10:49,680

would then also pressure the government

266

00:10:58,550 --> 00:10:55,430

you know

267

00:11:02,550 --> 00:10:58,560

and we had some good news

268

00:11:04,160 --> 00:11:02,560

christopher sharp is back on twitter

269

00:11:07,590 --> 00:11:04,170

that's the news of the day

270

00:11:09,430 --> 00:11:07,600

[Laughter]

271

00:11:10,420 --> 00:11:09,440

thanks vinnie but he comes in with that

272

00:11:12,949 --> 00:11:10,430

that's beautiful

273

00:11:15,670 --> 00:11:12,959

[Laughter]

274

00:11:17,269 --> 00:11:15,680

that's beautiful

275

00:11:19,430 --> 00:11:17,279

you know

276

00:11:21,750 --> 00:11:19,440

if you want to look for

277

00:11:23,430 --> 00:11:21,760

hucksters fraudsters you know that kind

278

00:11:24,710 --> 00:11:23,440

of thing

279

00:11:26,829 --> 00:11:24,720

there's a couple things that you can

280

00:11:30,550 --> 00:11:26,839

look for

281

00:11:32,870 --> 00:11:30,560

no not everybody you know approves of

282

00:11:34,949 --> 00:11:32,880

this when when things are

283

00:11:37,670 --> 00:11:34,959

done you know like if somebody's uh

284

00:11:40,470 --> 00:11:37,680

going out and you know being a part of a

285

00:11:42,790 --> 00:11:40,480

uh an article or a video or something

286

00:11:45,030 --> 00:11:42,800

they don't always have a say in

287

00:11:47,910 --> 00:11:45,040

you know what's said about them or

288

00:11:53,110 --> 00:11:50,230

one thing you can look out for is when

289

00:11:55,750 --> 00:11:53,120

people try and call themselves ufo

290

00:12:00,629 --> 00:11:57,430

you know because if somebody says that

291

00:12:01,590 --> 00:12:00,639

they're a ufo expert

292

00:12:03,990 --> 00:12:01,600

uh

293

00:12:06,310 --> 00:12:04,000

well then why haven't they shared any

294

00:12:07,590 --> 00:12:06,320

truth with us about this why are we

295

00:12:09,269 --> 00:12:07,600

still here

296

00:12:11,190 --> 00:12:09,279

trying to figure out more information

297

00:12:13,670 --> 00:12:11,200

about this

298

00:12:18,790 --> 00:12:17,110

that means that they're probably

299

00:12:20,629 --> 00:12:18,800

they're probably

300

00:12:22,829 --> 00:12:20,639

uh they may be

301
00:12:26,550 --> 00:12:22,839
full of

302
00:12:28,550 --> 00:12:26,560
crap craps or what i'm looking for

303
00:12:31,829 --> 00:12:28,560
so that brings me

304
00:12:33,829 --> 00:12:31,839
that brings me to our ufo news of the

305
00:12:34,949 --> 00:12:33,839
day

306
00:12:38,710 --> 00:12:34,959
well

307
00:12:38,720 --> 00:12:41,590
this article

308
00:12:45,190 --> 00:12:42,870
and this is the kind of thing that you

309
00:12:47,750 --> 00:12:45,200
can look out for

310
00:12:50,629 --> 00:12:47,760
uh at least as far as what to uh stay

311
00:12:55,430 --> 00:12:52,870
gotta block those notifications

312
00:12:56,710 --> 00:12:55,440
seagulls could be alien spies sent to

313
00:12:58,949 --> 00:12:56,720

watch us

314

00:13:01,350 --> 00:12:58,959

ufo expert claims

315

00:13:03,509 --> 00:13:01,360

that headline alone

316

00:13:05,590 --> 00:13:03,519

right there

317

00:13:06,949 --> 00:13:05,600

seagulls could be alien spies sent to

318

00:13:08,389 --> 00:13:06,959

watch us

319

00:13:09,670 --> 00:13:08,399

followed by

320

00:13:11,269 --> 00:13:09,680

ufo

321

00:13:13,269 --> 00:13:11,279

expert

322

00:13:15,670 --> 00:13:13,279

claims

323

00:13:16,629 --> 00:13:15,680

those two first of all no one's a ufo

324

00:13:19,269 --> 00:13:16,639

expert

325

00:13:20,550 --> 00:13:19,279

second of all what an oxymoron of a

326

00:13:22,389 --> 00:13:20,560

headline

327

00:13:23,430 --> 00:13:22,399

seagulls could be alien spy sent to

328

00:13:26,629 --> 00:13:23,440

watch us

329

00:13:32,629 --> 00:13:26,639

ufo expert claims nick pope

330

00:13:37,190 --> 00:13:34,710

and he believes that seagulls

331

00:13:39,269 --> 00:13:37,200

could be alien spies sent to earth to

332

00:13:43,450 --> 00:13:39,279

spy on humanity and honestly

333

00:13:50,230 --> 00:13:43,460

it makes a lot of sense he says

334

00:13:55,509 --> 00:13:50,240

[Laughter]

335

00:14:01,269 --> 00:13:58,150

he's a ufo expert

336

00:14:04,389 --> 00:14:01,279

seagulls could be alien spies but hey

337

00:14:06,389 --> 00:14:04,399

you know what maybe he's right

338

00:14:08,389 --> 00:14:06,399

because i'm not an expert

339

00:14:09,829 --> 00:14:08,399

so

340

00:14:12,870 --> 00:14:09,839

i guess it would take one to no one

341

00:14:16,550 --> 00:14:14,150

i just thought that was kind of

342

00:14:17,670 --> 00:14:16,560

hilarious so

343

00:14:19,590 --> 00:14:17,680

like uh

344

00:14:21,430 --> 00:14:19,600

this stuff isn't difficult enough and

345

00:14:22,790 --> 00:14:21,440

here we have a ufo

346

00:14:25,750 --> 00:14:22,800

expert i'm so i'm sure his

347

00:14:27,670 --> 00:14:25,760

self-proclaimed nick pope ufo expert

348

00:14:29,509 --> 00:14:27,680

says seagulls

349

00:14:30,790 --> 00:14:29,519

could be sent here

350

00:14:32,310 --> 00:14:30,800

as alien

351
00:14:35,509 --> 00:14:32,320
spies

352
00:14:37,750 --> 00:14:35,519
as fun as that is

353
00:14:39,670 --> 00:14:37,760
to think about

354
00:14:41,990 --> 00:14:39,680
i'm not sure

355
00:14:46,629 --> 00:14:42,000
that that's going to be very accurate so

356
00:14:48,949 --> 00:14:46,639
let's get into some accurate uh stuff so

357
00:14:51,350 --> 00:14:48,959
this case that i wanted to bring up is

358
00:14:53,670 --> 00:14:51,360
really interesting for a couple reasons

359
00:14:55,910 --> 00:14:53,680
one is

360
00:14:58,470 --> 00:14:55,920
the main one really

361
00:15:00,949 --> 00:14:58,480
is

362
00:15:05,590 --> 00:15:03,430
it was sent to president

363
00:15:07,670 --> 00:15:05,600

kennedy

364

00:15:09,670 --> 00:15:07,680

and the president's office sent it to

365

00:15:11,430 --> 00:15:09,680

the air force

366

00:15:13,350 --> 00:15:11,440

and said

367

00:15:15,430 --> 00:15:13,360

hey

368

00:15:17,269 --> 00:15:15,440

please

369

00:15:18,790 --> 00:15:17,279

check this out would you the office of

370

00:15:21,189 --> 00:15:18,800

the president has asked the air force to

371

00:15:23,750 --> 00:15:21,199

reply to your letter concerning a ufo

372

00:15:25,350 --> 00:15:23,760

what you both saw in ashland kentucky we

373

00:15:27,670 --> 00:15:25,360

are unable to determine from your

374

00:15:29,590 --> 00:15:27,680

drawings just what it is that you both

375

00:15:32,150 --> 00:15:29,600

cited

376

00:15:35,110 --> 00:15:32,160

we are in closing a form blah blah blah

377

00:15:36,310 --> 00:15:35,120

please fill this out so we can correctly

378

00:15:38,150 --> 00:15:36,320

um

379

00:15:40,710 --> 00:15:38,160

you know tell you that we

380

00:15:42,629 --> 00:15:40,720

gave it a thorough analysis and decided

381

00:15:46,389 --> 00:15:42,639

it was nothing important basically

382

00:15:46,399 --> 00:15:48,710

so

383

00:15:52,870 --> 00:15:50,870

i thought i had one more and then we

384

00:15:54,790 --> 00:15:52,880

have a little note here which is pretty

385

00:15:56,790 --> 00:15:54,800

interesting actually department of the

386

00:15:58,710 --> 00:15:56,800

air force it says in the original letter

387

00:16:00,310 --> 00:15:58,720

they sent to the president the boys were

388

00:16:06,230 --> 00:16:00,320

listed as blank

389

00:16:08,389 --> 00:16:06,240

we have some mismatched names and

390

00:16:11,030 --> 00:16:08,399

this is october 21st this is literally

391

00:16:13,590 --> 00:16:11,040

like a month before

392

00:16:15,509 --> 00:16:13,600

uh kennedy was killed

393

00:16:17,910 --> 00:16:15,519

which is you know i'm not relating the

394

00:16:20,790 --> 00:16:17,920

two i'm not doing that but it's pretty

395

00:16:25,189 --> 00:16:23,509

and unfortunately the drawings are not

396

00:16:26,629 --> 00:16:25,199

in the file they're missing which is

397

00:16:28,389 --> 00:16:26,639

very interesting

398

00:16:31,509 --> 00:16:28,399

we have a brief summary it says object

399

00:16:34,629 --> 00:16:31,519

like spaceship with heat waves

400

00:16:36,710 --> 00:16:34,639

sound or high pitch

401
00:16:38,790 --> 00:16:36,720
color gold or silver diminished in size

402
00:16:41,910 --> 00:16:38,800
increased altitude and flight also

403
00:16:45,110 --> 00:16:41,920
looked like an upside down plate

404
00:16:47,030 --> 00:16:45,120
and the comments are very interesting

405
00:16:50,069 --> 00:16:47,040
they write the air force rights report

406
00:16:52,550 --> 00:16:50,079
could be considered as conflicting data

407
00:16:54,230 --> 00:16:52,560
unreliable report or insufficient data

408
00:16:56,150 --> 00:16:54,240
so which is it unreliable or

409
00:16:58,389 --> 00:16:56,160
insufficient

410
00:17:02,629 --> 00:16:58,399
however no info presented conflicting

411
00:17:07,750 --> 00:17:05,590
no info conflicting with aircraft

412
00:17:11,990 --> 00:17:07,760
analysis so basically

413
00:17:13,669 --> 00:17:12,339

um

414

00:17:15,270 --> 00:17:13,679

[Music]

415

00:17:17,189 --> 00:17:15,280

i don't think i think it would be really

416

00:17:18,949 --> 00:17:17,199

difficult you know

417

00:17:20,309 --> 00:17:18,959

especially the witness has to know that

418

00:17:23,510 --> 00:17:20,319

oh okay they're looking for something

419

00:17:24,630 --> 00:17:23,520

that's conflicting with the aircraft

420

00:17:26,470 --> 00:17:24,640

you know

421

00:17:28,870 --> 00:17:26,480

like

422

00:17:31,590 --> 00:17:28,880

that's pretty crap

423

00:17:33,350 --> 00:17:31,600

pretty crappy

424

00:17:36,230 --> 00:17:33,360

but you know

425

00:17:37,830 --> 00:17:36,240

nothing new there especially in 1963

426
00:17:39,909 --> 00:17:37,840
they were definitely on the way

427
00:17:42,390 --> 00:17:39,919
downwards as far as

428
00:17:44,789 --> 00:17:42,400
uh investigating ufos you can tell the

429
00:17:46,789 --> 00:17:44,799
the files get smaller

430
00:17:48,950 --> 00:17:46,799
the the folders get smaller instead of

431
00:17:50,390 --> 00:17:48,960
like 10 to 30 and now there's only like

432
00:17:52,549 --> 00:17:50,400
two or three

433
00:17:55,029 --> 00:17:52,559
as the time goes on

434
00:17:57,029 --> 00:17:55,039
um you can also see heinek is is

435
00:17:59,270 --> 00:17:57,039
starting to kind of get pissed off and

436
00:18:01,110 --> 00:17:59,280
try to mark a lot rightfully so is

437
00:18:03,270 --> 00:18:01,120
unidentified and

438
00:18:06,310 --> 00:18:03,280

they're they start the the air force

439

00:18:09,909 --> 00:18:06,320

start stop starts to skip giving these

440

00:18:12,789 --> 00:18:09,919

to heineken giving them to manzelo to

441

00:18:14,390 --> 00:18:12,799

debunk manziel talks a lot of crap about

442

00:18:16,630 --> 00:18:14,400

ionic and some letters

443

00:18:18,470 --> 00:18:16,640

uh written back and forth between

444

00:18:19,669 --> 00:18:18,480

the air force hector

445

00:18:20,630 --> 00:18:19,679

quintilla

446

00:18:22,070 --> 00:18:20,640

and my

447

00:18:24,230 --> 00:18:22,080

intel so

448

00:18:26,830 --> 00:18:24,240

a lot of things start changing

449

00:18:31,270 --> 00:18:26,840

around that time this

450

00:18:32,950 --> 00:18:31,280

document um i just find very interesting

451
00:18:35,669 --> 00:18:32,960
um

452
00:18:37,350 --> 00:18:35,679
for the fact of

453
00:18:39,590 --> 00:18:37,360
they didn't know what it was these are

454
00:18:40,830 --> 00:18:39,600
u.s air force

455
00:18:44,470 --> 00:18:40,840
folks

456
00:18:45,990 --> 00:18:44,480
right and

457
00:18:46,950 --> 00:18:46,000
one is a lieutenant the other is a

458
00:18:49,029 --> 00:18:46,960
captain

459
00:18:51,830 --> 00:18:49,039
they see things that

460
00:18:54,230 --> 00:18:51,840
you know they blink they

461
00:18:56,390 --> 00:18:54,240
start they stop hover and then reverse

462
00:18:57,830 --> 00:18:56,400
and go backwards they don't know what it

463
00:18:59,190 --> 00:18:57,840

is they've never seen it before in their

464

00:19:03,830 --> 00:18:59,200

life

465

00:19:09,830 --> 00:19:06,390

forever in everybody else every other

466

00:19:11,110 --> 00:19:09,840

pilot since the 40s that has reported

467

00:19:13,190 --> 00:19:11,120

this

468

00:19:15,590 --> 00:19:13,200

it's ridiculous

469

00:19:17,830 --> 00:19:15,600

and also

470

00:19:19,669 --> 00:19:17,840

people out there talking about dia and

471

00:19:21,669 --> 00:19:19,679

ossep and

472

00:19:23,590 --> 00:19:21,679

it being related to ufos and i've said

473

00:19:24,789 --> 00:19:23,600

this before but you know

474

00:19:26,710 --> 00:19:24,799

um

475

00:19:28,549 --> 00:19:26,720

you know

476

00:19:31,270 --> 00:19:28,559

foreign technology

477

00:19:34,470 --> 00:19:31,280

what

478

00:19:36,630 --> 00:19:34,480

asap and the paperwork was uh looking at

479

00:19:39,669 --> 00:19:36,640

right well guess what foreign technology

480

00:19:42,310 --> 00:19:39,679

division looked at ufos

481

00:19:44,630 --> 00:19:42,320

and guess who else did the dia

482

00:19:47,190 --> 00:19:44,640

so what's the skew here absolutely

483

00:19:49,510 --> 00:19:47,200

nothing and that's why i highlighted dia

484

00:19:51,270 --> 00:19:49,520

because this is a ufo report and guess

485

00:19:57,110 --> 00:19:51,280

what else is on it foreign technology

486

00:19:59,750 --> 00:19:58,870

so it that's why it's frustrating when

487

00:20:01,430 --> 00:19:59,760

people

488

00:20:03,510 --> 00:20:01,440

that are out there that have shows or do

489

00:20:05,270 --> 00:20:03,520

this or that that don't

490

00:20:07,350 --> 00:20:05,280

know anything about the history no it's

491

00:20:09,029 --> 00:20:07,360

not everybody but some of the popular

492

00:20:10,470 --> 00:20:09,039

ones definitely don't know anything

493

00:20:13,029 --> 00:20:10,480

about history so they don't even know

494

00:20:14,789 --> 00:20:13,039

this it goes right over their head

495

00:20:17,510 --> 00:20:14,799

and you know people go to them and

496

00:20:19,430 --> 00:20:17,520

listen and watch interviews or take

497

00:20:21,270 --> 00:20:19,440

whatever they say with them and it's

498

00:20:22,630 --> 00:20:21,280

just so empty

499

00:20:24,950 --> 00:20:22,640

what they have to say because they don't

500

00:20:25,990 --> 00:20:24,960

know any of the history

501
00:20:28,149 --> 00:20:26,000
that doesn't mean you're going to know

502
00:20:29,590 --> 00:20:28,159
what the ufos are

503
00:20:30,950 --> 00:20:29,600
but when you hear news that comes out

504
00:20:33,430 --> 00:20:30,960
today what are you going to relate it to

505
00:20:38,710 --> 00:20:33,440
if you don't know anything else

506
00:20:43,669 --> 00:20:41,029
it's important to know

507
00:20:46,070 --> 00:20:43,679
your history you know robert that's a

508
00:20:48,070 --> 00:20:46,080
that's a good point who is nin i wanted

509
00:20:49,350 --> 00:20:48,080
to look into that so i'll have to do

510
00:20:51,430 --> 00:20:49,360
that a different time

511
00:20:54,230 --> 00:20:51,440
and i in

512
00:20:57,110 --> 00:20:54,240
because i've noticed that on a lot of

513
00:20:59,830 --> 00:20:57,120

documents recently in the

514

00:21:02,710 --> 00:20:59,840

uh 60s along with dia and these also

515

00:21:04,149 --> 00:21:02,720

went to the cia too by the way so

516

00:21:08,310 --> 00:21:04,159

there's a lot of people involved with

517

00:21:14,549 --> 00:21:09,750

so this report

518

00:21:20,710 --> 00:21:17,909

pretty interesting for that fact

519

00:21:22,310 --> 00:21:20,720

now i want to find where it started

520

00:21:23,990 --> 00:21:22,320

but basically i guess i could just get

521

00:21:25,430 --> 00:21:24,000

into it here object first noted by

522

00:21:27,110 --> 00:21:25,440

observers

523

00:21:29,270 --> 00:21:27,120

looks like those may be like code names

524

00:21:32,070 --> 00:21:29,280

or something i'm not sure

525

00:21:34,549 --> 00:21:32,080

but then made it rapid erratic movements

526
00:21:36,710 --> 00:21:34,559
compared to b16 compass object first

527
00:21:38,950 --> 00:21:36,720
observed on a heading of 230 degrees

528
00:21:41,350 --> 00:21:38,960
estimated altitude of 3 000

529
00:21:43,590 --> 00:21:41,360
feet object departed on heading of 320

530
00:21:45,430 --> 00:21:43,600
degrees appeared first as if making

531
00:21:47,990 --> 00:21:45,440
approach to runway at wake island then

532
00:21:50,230 --> 00:21:48,000
abruptly stopped reversed itself several

533
00:21:52,950 --> 00:21:50,240
times and changed course before going

534
00:21:54,390 --> 00:21:52,960
out of sight object again made erratic

535
00:21:56,310 --> 00:21:54,400
movements

536
00:21:59,190 --> 00:21:56,320
observers stated that the object changed

537
00:22:01,830 --> 00:21:59,200
directions at will similar to movement

538
00:22:04,630 --> 00:22:01,840

of large birds in flight well maybe nick

539

00:22:06,870 --> 00:22:04,640

popes onto something huh

540

00:22:09,430 --> 00:22:06,880

just kidding object gradually faded out

541

00:22:14,070 --> 00:22:09,440

to the northwest 320 degrees

542

00:22:19,669 --> 00:22:16,950

part three description of cursive object

543

00:22:20,710 --> 00:22:19,679

ground visual none uh not applicable

544

00:22:24,029 --> 00:22:20,720

part four

545

00:22:26,549 --> 00:22:24,039

time and date of sighting at 10 17

546

00:22:28,950 --> 00:22:26,559

67 does that say

547

00:22:31,350 --> 00:22:28,960

what does that say

548

00:22:32,950 --> 00:22:31,360

60z

549

00:22:35,669 --> 00:22:32,960

hmm

550

00:22:36,950 --> 00:22:35,679

interesting uh i think that must be the

551
00:22:40,870 --> 00:22:36,960
time

552
00:22:43,190 --> 00:22:40,880
that's funny august 1964. night predawn

553
00:22:45,990 --> 00:22:43,200
part five location of observers observed

554
00:22:48,710 --> 00:22:46,000
from flight deck of c-124 parked on

555
00:22:51,110 --> 00:22:48,720
taxiway at wake island approximately 150

556
00:22:53,909 --> 00:22:51,120
yards from control tower

557
00:22:56,549 --> 00:22:53,919
150 yards from the control tower crazy

558
00:22:59,270 --> 00:22:56,559
part six identifying information on

559
00:23:02,230 --> 00:22:59,280
observ on observers none initially

560
00:23:03,830 --> 00:23:02,240
observed by uh kevin deere henry first

561
00:23:06,390 --> 00:23:03,840
lieutenant

562
00:23:09,350 --> 00:23:06,400
united states air force 85th travis air

563
00:23:10,950 --> 00:23:09,360

force base california navigator c-124

564

00:23:12,149 --> 00:23:10,960

trained observer considered highly

565

00:23:14,950 --> 00:23:12,159

reliable

566

00:23:19,270 --> 00:23:14,960

next observed by jones bernard captain

567

00:23:23,190 --> 00:23:20,630

and

568

00:23:25,750 --> 00:23:23,200

that person is highly reliable

569

00:23:28,710 --> 00:23:25,760

experienced aviator just like

570

00:23:30,390 --> 00:23:28,720

uh i don't know dietrich fravor

571

00:23:32,470 --> 00:23:30,400

dietrich by the way like people just

572

00:23:35,510 --> 00:23:32,480

crapping on dietrich too before then i

573

00:23:38,470 --> 00:23:35,520

mean that's long past that but man

574

00:23:39,909 --> 00:23:38,480

what are people doing out there

575

00:23:43,110 --> 00:23:39,919

diedrich if you didn't know is a navy

576

00:23:45,750 --> 00:23:43,120

aviator um that encountered the tic tac

577

00:23:48,070 --> 00:23:45,760

who now unfortunately has breast cancer

578

00:23:50,630 --> 00:23:48,080

um so hopefully it seems like she's

579

00:23:52,630 --> 00:23:50,640

gonna be okay so i'm rooting for her

580

00:23:54,470 --> 00:23:52,640

aloft conditions that time in place of

581

00:23:55,990 --> 00:23:54,480

sighting weather conditions reported as

582

00:23:57,909 --> 00:23:56,000

excellent light and variable surface

583

00:24:02,310 --> 00:23:57,919

winds clear starlight

584

00:24:02,320 --> 00:24:08,310

information here

585

00:24:12,070 --> 00:24:10,230

and sparse percentage unknown this is

586

00:24:13,190 --> 00:24:12,080

like all weather information any on

587

00:24:19,110 --> 00:24:13,200

either

588

00:24:25,029 --> 00:24:20,710

they did not take

589

00:24:29,830 --> 00:24:28,230

general direction position

590

00:24:31,669 --> 00:24:29,840

comments of preparing officer chief

591

00:24:33,510 --> 00:24:31,679

intelligence division 51st fighter

592

00:24:36,070 --> 00:24:33,520

interceptor wing

593

00:24:40,950 --> 00:24:36,080

okinawa it is considered unlikely that

594

00:24:44,789 --> 00:24:42,789

observers called wake island control

595

00:24:46,870 --> 00:24:44,799

tower

596

00:24:49,510 --> 00:24:46,880

asked if atc personnel had cited an

597

00:24:51,990 --> 00:24:49,520

object tower replied negative and seen

598

00:24:53,830 --> 00:24:52,000

nothing at that time speed of object was

599

00:24:55,430 --> 00:24:53,840

described as comparable to that of a jet

600

00:24:57,029 --> 00:24:55,440

fighter on final approach but the

601
00:24:58,870 --> 00:24:57,039
movements described could not have been

602
00:25:00,470 --> 00:24:58,880
performed by an airplane

603
00:25:02,710 --> 00:25:00,480
no weather balloons were known to be in

604
00:25:04,549 --> 00:25:02,720
the area at that time and by virtue of

605
00:25:06,070 --> 00:25:04,559
the reported intermittent blinking of

606
00:25:08,950 --> 00:25:06,080
light

607
00:25:10,870 --> 00:25:08,960
similar to jeremy corbell's video

608
00:25:15,830 --> 00:25:10,880
and movements of the object as compared

609
00:25:19,430 --> 00:25:17,669
it's considered unlikely that the object

610
00:25:21,190 --> 00:25:19,440
was a balloon birds are ruled out

611
00:25:23,190 --> 00:25:21,200
because of the blinking light and the

612
00:25:24,950 --> 00:25:23,200
reported speed of the object no

613
00:25:27,190 --> 00:25:24,960

searchlight was reported in operation

614

00:25:29,110 --> 00:25:27,200

anywhere in the vicinity at that time

615

00:25:31,350 --> 00:25:29,120

the preparing officer considered the two

616

00:25:33,590 --> 00:25:31,360

observers to be highly reliable

617

00:25:36,070 --> 00:25:33,600

both reported that never in their

618

00:25:38,470 --> 00:25:36,080

experience had they seen anything with

619

00:25:40,710 --> 00:25:38,480

which to compare this object

620

00:25:43,990 --> 00:25:40,720

no other information is available

621

00:25:46,870 --> 00:25:44,000

other than that contained in this report

622

00:25:48,950 --> 00:25:46,880

interesting note here

623

00:25:50,549 --> 00:25:48,960

advanced copy

624

00:25:51,990 --> 00:25:50,559

delivered to

625

00:25:54,630 --> 00:25:52,000

dia

626
00:25:55,750 --> 00:25:54,640
and nin

627
00:25:57,990 --> 00:25:55,760
we're going to have to figure out who

628
00:26:00,310 --> 00:25:58,000
that nin is

629
00:26:01,990 --> 00:26:00,320
and lastly this is something completely

630
00:26:05,669 --> 00:26:02,000
different but i saw this drawing and it

631
00:26:07,350 --> 00:26:05,679
just reminded me of my own sighting so

632
00:26:09,110 --> 00:26:07,360
i thought that was interesting i've

633
00:26:12,390 --> 00:26:09,120
described it with a border like that

634
00:26:14,070 --> 00:26:12,400
with like these kind of edges around it

635
00:26:17,909 --> 00:26:14,080
that were kind of pointed

636
00:26:20,310 --> 00:26:17,919
it was kind of always in constant motion

637
00:26:26,549 --> 00:26:24,950
it's interesting to hear similar stories

638
00:26:29,590 --> 00:26:26,559

so i just wanted to

639

00:26:29,600 --> 00:26:34,390

so yeah

640

00:26:38,870 --> 00:26:36,470

but these reports never end you know

641

00:26:40,950 --> 00:26:38,880

they never end as we could hear just in

642

00:26:43,029 --> 00:26:40,960

that video i played earlier by john

643

00:26:45,029 --> 00:26:43,039

ratcliffe

644

00:26:47,990 --> 00:26:45,039

there's plenty more reports that haven't

645

00:26:53,430 --> 00:26:51,269

if we go back to kit green's biological

646

00:26:55,830 --> 00:26:53,440

effects paper that he wrote

647

00:26:57,430 --> 00:26:55,840

you know for ossep

648

00:26:58,870 --> 00:26:57,440

something that he says in there is that

649

00:27:01,269 --> 00:26:58,880

there's a lot more

650

00:27:03,590 --> 00:27:01,279

information that remains classified on

651

00:27:05,269 --> 00:27:03,600

this stuff

652

00:27:07,909 --> 00:27:05,279

you know so it's clear that there's more

653

00:27:13,830 --> 00:27:07,919

information on this that's not being

654

00:27:18,470 --> 00:27:15,909

and that's not cool

655

00:27:20,789 --> 00:27:18,480

my hair is doing its own thing today huh

656

00:27:24,870 --> 00:27:20,799

that's not cool we need

657

00:27:26,710 --> 00:27:24,880

um all the information that we can get

658

00:27:28,630 --> 00:27:26,720

otherwise

659

00:27:30,230 --> 00:27:28,640

people like nick pope are gonna keep

660

00:27:32,230 --> 00:27:30,240

saying

661

00:27:35,350 --> 00:27:32,240

that seagulls

662

00:27:38,549 --> 00:27:35,360

are alien spies

663

00:27:39,909 --> 00:27:38,559

and nobody wants to deal with that crap

664

00:27:41,590 --> 00:27:39,919

nobody

665

00:27:43,210 --> 00:27:41,600

not a single

666

00:27:45,830 --> 00:27:43,220

freaking person

667

00:27:49,430 --> 00:27:45,840

[Laughter]

668

00:27:54,070 --> 00:27:49,440

um something that

669

00:27:54,080 --> 00:27:56,870

is

670

00:28:00,230 --> 00:27:58,389

i don't know if i can do it actually

671

00:28:02,789 --> 00:28:00,240

maybe next time but

672

00:28:04,230 --> 00:28:02,799

um i've been working on some highlight

673

00:28:08,070 --> 00:28:04,240

clips

674

00:28:11,669 --> 00:28:08,080

and so i wanted to show you guys that

675

00:28:15,590 --> 00:28:13,190

actually i'll probably just put them all

676
00:28:17,830 --> 00:28:15,600
together

677
00:28:20,230 --> 00:28:17,840
and make it like a hour and a half thing

678
00:28:22,870 --> 00:28:20,240
we got some you know appearances by

679
00:28:24,950 --> 00:28:22,880
robert cofort and other people

680
00:28:27,110 --> 00:28:24,960
pretty cool pretty cool stuff

681
00:28:28,789 --> 00:28:27,120
so i can't wait to show you

682
00:28:30,789 --> 00:28:28,799
we got jeremy corbell out there by the

683
00:28:33,350 --> 00:28:30,799
way too talking a lot about more uh

684
00:28:35,669 --> 00:28:33,360
videos and maybe some testimony uh which

685
00:28:37,590 --> 00:28:35,679
should be pretty cool um

686
00:28:39,110 --> 00:28:37,600
you know he's out there on tv too being

687
00:28:41,350 --> 00:28:39,120
a pretty

688
00:28:44,789 --> 00:28:41,360

um he's always like reminds me of like

689

00:28:45,990 --> 00:28:44,799

uh someone you'd bring to a pep rally

690

00:28:48,310 --> 00:28:46,000

you know

691

00:28:51,110 --> 00:28:48,320

like if we had a ufo pep rally

692

00:28:53,350 --> 00:28:51,120

that guy would be the emcee

693

00:28:54,789 --> 00:28:53,360

uh this i wanted to show

694

00:28:58,389 --> 00:28:54,799

it's frustrating because i can't find

695

00:28:59,269 --> 00:28:58,399

the actual case for this

696

00:29:02,710 --> 00:28:59,279

you know

697

00:29:04,389 --> 00:29:02,720

we got el toro california

698

00:29:07,909 --> 00:29:04,399

and we have these wonderful radar

699

00:29:12,470 --> 00:29:09,909

or from a scope here

700

00:29:13,750 --> 00:29:12,480

and i can't

701
00:29:16,789 --> 00:29:13,760
i don't know

702
00:29:21,750 --> 00:29:19,110
so if anybody out there is a radar

703
00:29:24,149 --> 00:29:21,760
operator like are these bogies

704
00:29:25,510 --> 00:29:24,159
could be

705
00:29:26,870 --> 00:29:25,520
let me know

706
00:29:28,470 --> 00:29:26,880
you could help me with what i'm looking

707
00:29:30,230 --> 00:29:28,480
at

708
00:29:32,389 --> 00:29:30,240
and there's other radar pictures just

709
00:29:35,430 --> 00:29:32,399
like this in the blue book photo section

710
00:29:37,350 --> 00:29:35,440
of my website so if anybody knows about

711
00:29:38,710 --> 00:29:37,360
this stuff and can kind of figure it out

712
00:29:46,310 --> 00:29:38,720
by looking at it

713
00:29:52,389 --> 00:29:48,470

the oswald was

714

00:29:54,710 --> 00:29:52,399

robert keeps making the the kennedy

715

00:29:56,389 --> 00:29:54,720

the kennedy connection

716

00:29:58,870 --> 00:29:56,399

interesting you know what is uh kind of

717

00:30:01,430 --> 00:29:58,880

interesting about kennedy though is

718

00:30:03,269 --> 00:30:01,440

um i think it was uh boland was it or

719

00:30:05,110 --> 00:30:03,279

bowling

720

00:30:07,110 --> 00:30:05,120

uh like his brother he was like the head

721

00:30:09,510 --> 00:30:07,120

of blue book for a little while

722

00:30:11,990 --> 00:30:09,520

um

723

00:30:14,630 --> 00:30:12,000

brandon fogle on ucr in a bit wow what a

724

00:30:16,630 --> 00:30:14,640

waste of time that is for brandon

725

00:30:21,510 --> 00:30:16,640

that's too bad

726

00:30:22,630 --> 00:30:21,520

kind of talk about and say what you want

727

00:30:24,389 --> 00:30:22,640

when you're talking to somebody who

728

00:30:27,830 --> 00:30:24,399

doesn't know you know what's up and

729

00:30:31,269 --> 00:30:27,840

what's down as far as ufos go so

730

00:30:38,389 --> 00:30:33,590

that's how it is there um

731

00:30:38,399 --> 00:30:42,549

anyways

732

00:30:46,630 --> 00:30:44,950

yeah so uh there's a lot of pictures a

733

00:30:48,549 --> 00:30:46,640

lot of great radar there's a lot of

734

00:30:50,389 --> 00:30:48,559

great data in there if people weren't so

735

00:30:52,630 --> 00:30:50,399

quick to you know throw

736

00:30:54,950 --> 00:30:52,640

the old stuff away you could still find

737

00:30:57,029 --> 00:30:54,960

a lot of great stuff so i hope somebody

738

00:30:59,990 --> 00:30:57,039

goes in there checks it out maybe make

739

00:31:03,350 --> 00:31:00,000

some sense of it but um

740

00:31:04,950 --> 00:31:03,360

you know uh that is up to

741

00:31:06,310 --> 00:31:04,960

them

742

00:31:09,190 --> 00:31:06,320

so

743

00:31:11,029 --> 00:31:09,200

good luck doing that but

744

00:31:12,389 --> 00:31:11,039

last thing i wanted to do today i'm

745

00:31:13,669 --> 00:31:12,399

going to make this kind of a quick one

746

00:31:15,269 --> 00:31:13,679

because we do have a pretty good show

747

00:31:17,590 --> 00:31:15,279

tomorrow with jay christopher king and

748

00:31:19,190 --> 00:31:17,600

james tony tomorrow uh as a brilliant

749

00:31:21,350 --> 00:31:19,200

man you can go in there and look at the

750

00:31:22,470 --> 00:31:21,360

description click on his website

751
00:31:24,070 --> 00:31:22,480
and

752
00:31:28,070 --> 00:31:24,080
uh check out

753
00:31:29,990 --> 00:31:28,080
his information if you want

754
00:31:32,549 --> 00:31:30,000
you do like brando tell him to go on a

755
00:31:33,909 --> 00:31:32,559
different show laura that's what you got

756
00:31:35,669 --> 00:31:33,919
to do you know

757
00:31:37,909 --> 00:31:35,679
yeah the squidding guy is funny because

758
00:31:40,950 --> 00:31:37,919
he complains about

759
00:31:41,990 --> 00:31:40,960
uh lou having his sock puppet account

760
00:31:45,669 --> 00:31:42,000
but he's

761
00:31:46,950 --> 00:31:45,679
you know just a sock puppet person

762
00:31:50,070 --> 00:31:46,960
it's

763
00:31:53,590 --> 00:31:50,080

not even just an account he's a complete

764

00:31:55,350 --> 00:31:53,600

sock puppet person which is interesting

765

00:31:57,669 --> 00:31:55,360

you know unless you think that's his

766

00:31:59,509 --> 00:31:57,679

real name but i i don't think it is

767

00:32:00,630 --> 00:31:59,519

and who knows

768

00:32:02,149 --> 00:32:00,640

maybe he doesn't want people to look

769

00:32:03,990 --> 00:32:02,159

into his history maybe he's got a

770

00:32:05,430 --> 00:32:04,000

criminal record maybe he's done pretty

771

00:32:08,070 --> 00:32:05,440

bad things before

772

00:32:09,830 --> 00:32:08,080

i don't know i can't say for certain

773

00:32:13,190 --> 00:32:09,840

but you know

774

00:32:15,669 --> 00:32:13,200

it's a good way to stop people from uh

775

00:32:17,830 --> 00:32:15,679

figuring that out

776
00:32:20,310 --> 00:32:17,840
you know

777
00:32:21,430 --> 00:32:20,320
does not give a real name

778
00:32:24,070 --> 00:32:21,440
but um

779
00:32:28,660 --> 00:32:24,080
i'm gonna do one more thing today

780
00:32:41,669 --> 00:32:36,290
[Music]

781
00:32:45,750 --> 00:32:43,669
there you go brandon was on

782
00:32:47,990 --> 00:32:45,760
uh martin willis podcast last night it

783
00:32:49,430 --> 00:32:48,000
could be a good another option

784
00:32:50,710 --> 00:32:49,440
and that guy has actually been around

785
00:32:53,490 --> 00:32:50,720
for a while so he actually knows what

786
00:32:54,830 --> 00:32:53,500
he's talking about so that could be cool

787
00:32:58,549 --> 00:32:54,840
[Music]

788
00:33:00,789 --> 00:32:58,559

um sorry being a little you know uh down

789

00:33:02,950 --> 00:33:00,799

on that but it's just like how many

790

00:33:05,350 --> 00:33:02,960

other people that come out are are gonna

791

00:33:06,230 --> 00:33:05,360

get crapped on you know

792

00:33:07,430 --> 00:33:06,240

um

793

00:33:10,870 --> 00:33:07,440

we have

794

00:33:12,789 --> 00:33:10,880

diedrick uh lou elizondo

795

00:33:13,060 --> 00:33:12,799

george knapp

796

00:33:15,509 --> 00:33:13,070

um

797

00:33:17,190 --> 00:33:15,519

[Music]

798

00:33:18,789 --> 00:33:17,200

you know and

799

00:33:20,310 --> 00:33:18,799

basically just

800

00:33:23,430 --> 00:33:20,320

you know everything that has been worked

801
00:33:27,509 --> 00:33:23,440
for for the past few years

802
00:33:32,470 --> 00:33:29,909
you know doubted

803
00:33:34,149 --> 00:33:32,480
and and crap done so it's it's just like

804
00:33:36,389 --> 00:33:34,159
i've had enough of that stuff and then

805
00:33:38,470 --> 00:33:36,399
you know

806
00:33:40,710 --> 00:33:38,480
putting on their their poster that gary

807
00:33:43,269 --> 00:33:40,720
reed was not fired when i i really don't

808
00:33:45,909 --> 00:33:43,279
think that they know the whole story so

809
00:33:48,070 --> 00:33:45,919
but uh time will tell i suppose

810
00:34:11,430 --> 00:33:48,080
so

811
00:34:40,629 --> 00:34:37,030
dude i don't know

812
00:34:44,230 --> 00:34:43,109
so there is more to that video

813
00:34:46,869 --> 00:34:44,240

and

814

00:34:48,629 --> 00:34:46,879

um there's another clip to that video

815

00:34:50,710 --> 00:34:48,639

too where you can see it go a lot

816

00:34:52,230 --> 00:34:50,720

farther away but i'm gonna wait for that

817

00:34:54,310 --> 00:34:52,240

because i'm gonna bring on the actual

818

00:34:56,629 --> 00:34:54,320

witness who's an air force veteran who's

819

00:34:58,390 --> 00:34:56,639

gonna tell us about his experiences and

820

00:35:01,270 --> 00:34:58,400

maybe we'll look at a couple more of his

821

00:35:02,790 --> 00:35:01,280

videos he's gonna be on on monday

822

00:35:04,630 --> 00:35:02,800

so look out for that because it's going

823

00:35:06,310 --> 00:35:04,640

to be pretty

824

00:35:08,230 --> 00:35:06,320

cool so

825

00:35:11,109 --> 00:35:08,240

yeah it was pretty neat is rotating like

826

00:35:13,109 --> 00:35:11,119

that it kind of freaked me out so

827

00:35:13,440 --> 00:35:13,119

so i thought i'd uh

828

00:35:14,550 --> 00:35:13,450

um

829

00:35:16,150 --> 00:35:14,560

[Music]

830

00:35:17,670 --> 00:35:16,160

i thought i'd show that one before i got

831

00:35:19,349 --> 00:35:17,680

out of here so

832

00:35:21,430 --> 00:35:19,359

that being said i appreciate all your

833

00:35:23,670 --> 00:35:21,440

time i wanted to play that uh video at

834

00:35:24,790 --> 00:35:23,680

the beginning

835

00:35:27,109 --> 00:35:24,800

and

836

00:35:29,030 --> 00:35:27,119

um

837

00:35:31,270 --> 00:35:29,040

you know that i played and show you a

838

00:35:32,550 --> 00:35:31,280

couple of those files

839

00:35:34,150 --> 00:35:32,560

and

840

00:35:35,910 --> 00:35:34,160

that

841

00:35:38,150 --> 00:35:35,920

so we have brandon mentioned working

842

00:35:39,670 --> 00:35:38,160

with avi that's pretty awesome

843

00:35:43,190 --> 00:35:39,680

anybody working with avi is good

844

00:35:44,470 --> 00:35:43,200

obviously another um you know genius at

845

00:35:45,349 --> 00:35:44,480

harvard

846

00:35:47,270 --> 00:35:45,359

um

847

00:35:49,030 --> 00:35:47,280

working on this stuff and and he could

848

00:35:51,670 --> 00:35:49,040

use

849

00:35:56,230 --> 00:35:53,589

all

850

00:35:57,750 --> 00:35:56,240

so

851
00:36:01,510 --> 00:35:57,760
and if all this stuff is happening at

852
00:36:04,069 --> 00:36:01,520
skidwalker ranch why not get people

853
00:36:05,990 --> 00:36:04,079
you know involved that can

854
00:36:07,750 --> 00:36:06,000
uh like avi

855
00:36:10,150 --> 00:36:07,760
you know because it pretty much seems

856
00:36:12,710 --> 00:36:10,160
like that's a hot spot right so you can

857
00:36:14,310 --> 00:36:12,720
get avi involved get that in the books

858
00:36:16,069 --> 00:36:14,320
that'd be great

859
00:36:18,310 --> 00:36:16,079
so another thing i'm excited for is a

860
00:36:20,550 --> 00:36:18,320
tear in the sky we have a couple people

861
00:36:22,630 --> 00:36:20,560
from that movie coming out i've been

862
00:36:24,230 --> 00:36:22,640
able to watch it

863
00:36:25,589 --> 00:36:24,240

and it's pretty legit it's pretty cool

864

00:36:27,190 --> 00:36:25,599

so

865

00:36:29,430 --> 00:36:27,200

i hope you guys get a chance to watch

866

00:36:31,910 --> 00:36:29,440

that and and check that out because it's

867

00:36:32,630 --> 00:36:31,920

a pretty great documentary

868

00:36:36,310 --> 00:36:32,640

and

869

00:36:38,310 --> 00:36:36,320

if you follow um

870

00:36:40,710 --> 00:36:38,320

there's actually someone kevin i'm not

871

00:36:42,390 --> 00:36:40,720

sure of his last name knuth but um that

872

00:36:44,950 --> 00:36:42,400

guy is brilliant

873

00:36:47,750 --> 00:36:44,960

um i'm not sure of what his actual title

874

00:36:49,030 --> 00:36:47,760

is but the guy is uh

875

00:36:51,190 --> 00:36:49,040

aviation

876

00:36:54,310 --> 00:36:51,200

genius for the most part

877

00:36:55,510 --> 00:36:54,320

um and he's

878

00:36:58,790 --> 00:36:55,520

actually said

879

00:37:01,829 --> 00:37:00,950

some of the some data has been uh went

880

00:37:03,510 --> 00:37:01,839

over

881

00:37:06,470 --> 00:37:03,520

you know peer-reviewed and that they

882

00:37:08,069 --> 00:37:06,480

have found a new phenomenon which is

883

00:37:10,150 --> 00:37:08,079

exciting when that guy says it because

884

00:37:12,230 --> 00:37:10,160

he doesn't mess around with with stuff

885

00:37:13,670 --> 00:37:12,240

if you've looked into how he's uh broken

886

00:37:15,670 --> 00:37:13,680

down and looked at other reports like

887

00:37:18,310 --> 00:37:15,680

the tic tac stuff he gets really

888

00:37:19,990 --> 00:37:18,320

detailed into it so that's pretty cool

889

00:37:22,550 --> 00:37:20,000

um

890

00:37:24,069 --> 00:37:22,560

oh man disclosure team saw the duck how

891

00:37:26,630 --> 00:37:24,079

do you people get to see this stuff

892

00:37:29,510 --> 00:37:26,640

early what bullcrap

893

00:37:31,270 --> 00:37:29,520

that's awesome i'm so jealous i want to

894

00:37:32,870 --> 00:37:31,280

watch that so the aerial school

895

00:37:34,470 --> 00:37:32,880

documentary that's going to be really

896

00:37:37,910 --> 00:37:34,480

cool and that's been worked on for a

897

00:37:39,349 --> 00:37:37,920

long time so um i can't wait to see that

898

00:37:40,710 --> 00:37:39,359

that's gonna be great and then we have

899

00:37:42,230 --> 00:37:40,720

james fox coming out with his

900

00:37:45,910 --> 00:37:42,240

documentary too

901
00:37:48,069 --> 00:37:45,920
about the the stuff in brazil that was

902
00:37:51,109 --> 00:37:48,079
one of the craziest cases i've ever

903
00:37:52,470 --> 00:37:51,119
heard of in my life so that should be

904
00:37:53,589 --> 00:37:52,480
pretty good too

905
00:37:57,829 --> 00:37:53,599
yeah

906
00:37:59,510 --> 00:37:57,839
i think you're right

907
00:38:01,349 --> 00:37:59,520
yeah so kevin knew said they found a

908
00:38:02,150 --> 00:38:01,359
nude phenomena

909
00:38:04,510 --> 00:38:02,160
so

910
00:38:06,790 --> 00:38:04,520
that's pretty cool too you know

911
00:38:08,310 --> 00:38:06,800
[Laughter]

912
00:38:09,589 --> 00:38:08,320
thanks for that thanks for that that's

913
00:38:10,790 --> 00:38:09,599

pretty awesome

914

00:38:12,870 --> 00:38:10,800

so

915

00:38:13,670 --> 00:38:12,880

um

916

00:38:15,670 --> 00:38:13,680

yeah

917

00:38:18,950 --> 00:38:15,680

so i'll let you go because you guys are

918

00:38:20,630 --> 00:38:18,960

probably sick of my ass

919

00:38:23,430 --> 00:38:20,640

been around here

920

00:38:28,310 --> 00:38:26,230

too long sean too long shown

921

00:38:31,190 --> 00:38:28,320

so i'll get out of here

922

00:38:33,670 --> 00:38:31,200

so you get a good clickbait yeah

923

00:38:37,190 --> 00:38:33,680

nude phenomena i found

924

00:38:39,589 --> 00:38:37,200

ufos and nude phenomena

925

00:38:41,670 --> 00:38:39,599

so i appreciate you you guys enjoy the

926
00:38:43,670 --> 00:38:41,680
rest of your day

927
00:38:46,470 --> 00:38:43,680
uh stay cool stay strong

928
00:38:48,950 --> 00:38:46,480
you know um support the people uh with

929
00:38:51,510 --> 00:38:48,960
integrity that put in the work

930
00:38:53,750 --> 00:38:51,520
and that don't charge for it

931
00:38:57,910 --> 00:38:53,760
unless

932
00:38:59,510 --> 00:38:57,920
they have integrity and there are some

933
00:39:01,510 --> 00:38:59,520
people that do so

934
00:39:03,990 --> 00:39:01,520
anyways

935
00:39:04,870 --> 00:39:04,000
head over to christina gomez i like that

936
00:39:06,550 --> 00:39:04,880
idea

937
00:39:07,990 --> 00:39:06,560
she's awesome

938
00:39:09,670 --> 00:39:08,000

i love how she doesn't get involved in

939

00:39:11,510 --> 00:39:09,680

any of the crap either she just does her

940

00:39:13,670 --> 00:39:11,520

thing that's badass to me i should

941

00:39:13,980 --> 00:39:13,680

probably take a hint from that

942

00:39:15,750 --> 00:39:13,990

so

943

00:39:18,390 --> 00:39:15,760

[Laughter]

944

00:39:20,350 --> 00:39:18,400

all right so later y'all appreciate you

945

00:39:28,190 --> 00:39:20,360

peace

946

00:39:56,670 --> 00:39:34,670

[Music]

947

00:39:56,680 --> 00:40:02,640

unidentified flying objects
