

1
00:00:01,520 --> 00:00:05,570
um

2
00:01:04,310 --> 00:00:30,080
[Music]

3
00:01:06,789 --> 00:01:04,320
what's up everybody

4
00:01:08,870 --> 00:01:06,799
happy monday

5
00:01:10,830 --> 00:01:08,880
hope you enjoyed your weekend

6
00:01:13,300 --> 00:01:10,840
hope you did fun

7
00:01:14,550 --> 00:01:13,310
stuff if you're like me

8
00:01:16,550 --> 00:01:14,560
[Music]

9
00:01:17,749 --> 00:01:16,560
your weekends aren't as crazy as they

10
00:01:20,710 --> 00:01:17,759
used to be

11
00:01:23,350 --> 00:01:20,720
you find yourself at walmart

12
00:01:25,429 --> 00:01:23,360
maybe looking at yard furniture

13
00:01:26,550 --> 00:01:25,439

maybe getting groceries

14

00:01:27,830 --> 00:01:26,560

light bulbs

15

00:01:30,310 --> 00:01:27,840

you know

16

00:01:32,390 --> 00:01:30,320

fixing patio doors that kind of stuff

17

00:01:36,149 --> 00:01:32,400

maybe he had an ant problem

18

00:01:41,749 --> 00:01:37,270

yeah

19

00:01:45,590 --> 00:01:43,590

i feel like will ferrell from uh old

20

00:01:46,950 --> 00:01:45,600

school maybe go to home depot i don't

21

00:01:49,910 --> 00:01:46,960

know get some stuff we'll see what the

22

00:01:53,030 --> 00:01:51,910

but the one second you have a chance

23

00:01:56,630 --> 00:01:53,040

you're

24

00:02:00,870 --> 00:01:58,630

no i i don't think i could handle that

25

00:02:03,190 --> 00:02:00,880

anymore but uh

26

00:02:05,429 --> 00:02:03,200

you know i

27

00:02:06,870 --> 00:02:05,439

there was a time there was a time that's

28

00:02:08,949 --> 00:02:06,880

for sure but

29

00:02:12,309 --> 00:02:08,959

not anymore those days are

30

00:02:14,630 --> 00:02:12,319

long gone for now so

31

00:02:17,910 --> 00:02:14,640

uh happy everybody's here uh great to

32

00:02:19,510 --> 00:02:17,920

see everybody in the chat brent jedi e.t

33

00:02:23,589 --> 00:02:19,520

uh and

34

00:02:24,790 --> 00:02:23,599

everybody uh lara josh christian

35

00:02:26,390 --> 00:02:24,800

um

36

00:02:30,309 --> 00:02:26,400

witness citizen

37

00:02:33,270 --> 00:02:30,319

cognitive dissonance uh robert

38

00:02:35,110 --> 00:02:33,280

uh jose everybody i appreciate everybody

39

00:02:37,110 --> 00:02:35,120

for coming out and hanging out today

40

00:02:39,270 --> 00:02:37,120

we're gonna have a good time andre sam

41

00:02:41,430 --> 00:02:39,280

what's up everybody so today we have a

42

00:02:43,110 --> 00:02:41,440

very interesting guest so i'm not gonna

43

00:02:45,110 --> 00:02:43,120

lie i met him on socials met him on

44

00:02:47,030 --> 00:02:45,120

twitter uh seems like a very nice

45

00:02:49,350 --> 00:02:47,040

gentleman and he's

46

00:02:51,670 --> 00:02:49,360

uh an air force veteran and much respect

47

00:02:52,869 --> 00:02:51,680

for that i have a lot of respect for

48

00:02:55,270 --> 00:02:52,879

veterans

49

00:02:58,470 --> 00:02:55,280

um serving our country

50

00:02:59,430 --> 00:02:58,480

and uh he's he's had his own experiences

51

00:03:01,670 --> 00:02:59,440

so

52

00:03:03,430 --> 00:03:01,680

um i wanted to do what i could to just

53

00:03:05,589 --> 00:03:03,440

try to give him a platform to maybe talk

54

00:03:08,869 --> 00:03:05,599

about his experiences and and what he's

55

00:03:10,390 --> 00:03:08,879

been through and maybe what he continues

56

00:03:12,149 --> 00:03:10,400

to go through so

57

00:03:13,750 --> 00:03:12,159

and just kind of get his take on other

58

00:03:15,670 --> 00:03:13,760

stuff too so

59

00:03:18,550 --> 00:03:15,680

uh we're gonna have a good time and talk

60

00:03:21,430 --> 00:03:18,560

with him his name is shane franks

61

00:03:24,470 --> 00:03:21,440

so without further ado i'll bring in

62

00:03:25,910 --> 00:03:24,480

the guest of the hour mr shane how are

63

00:03:27,670 --> 00:03:25,920

you sir

64

00:03:30,390 --> 00:03:27,680

i'm good thank you for having me

65

00:03:33,030 --> 00:03:30,400

yeah thanks for being here so

66

00:03:34,789 --> 00:03:33,040

um

67

00:03:36,070 --> 00:03:34,799

i mean this is pretty nuts say ufo

68

00:03:38,149 --> 00:03:36,080

twitter and all that you're you're

69

00:03:40,710 --> 00:03:38,159

pretty new to it yeah before we get

70

00:03:44,070 --> 00:03:40,720

started can i say if you can wounded

71

00:03:45,270 --> 00:03:44,080

warriors save my life donate if you can

72

00:03:47,509 --> 00:03:45,280

the other thing take care of your mental

73

00:03:49,430 --> 00:03:47,519

health i was always good about well that

74

00:03:50,789 --> 00:03:49,440

and my wife saying you need some help so

75

00:03:54,149 --> 00:03:50,799

i always check myself in and i'm only

76

00:03:56,470 --> 00:03:54,159

here today and alive because of that

77

00:03:58,149 --> 00:03:56,480

yeah no no i appreciate it uh wounded

78

00:03:59,110 --> 00:03:58,159

warrior that's awesome

79

00:04:02,309 --> 00:03:59,120

any

80

00:04:04,309 --> 00:04:02,319

um operation or or you know thing that's

81

00:04:06,070 --> 00:04:04,319

uh to help veterans i'm all about it for

82

00:04:08,789 --> 00:04:06,080

sure and and psd

83

00:04:10,229 --> 00:04:08,799

ptsd i know it is a big issue there are

84

00:04:11,350 --> 00:04:10,239

you saying that you've had your own belt

85

00:04:14,149 --> 00:04:11,360

with that

86

00:04:17,270 --> 00:04:14,159

um yeah i got a i

87

00:04:18,870 --> 00:04:17,280

served from 2001 to 2010

88

00:04:21,990 --> 00:04:18,880

so i served nine years active duty had

89

00:04:24,950 --> 00:04:22,000

three tours uh between those two wars

90

00:04:26,870 --> 00:04:24,960

uh let's just say to summon up 2010 to

91

00:04:29,350 --> 00:04:26,880

2018

92

00:04:31,270 --> 00:04:29,360

was a very bad time for me

93

00:04:33,110 --> 00:04:31,280

so uh yeah

94

00:04:35,110 --> 00:04:33,120

when warrior came along saved my butt

95

00:04:36,469 --> 00:04:35,120

and then uh brings us to 2020 with the

96

00:04:37,909 --> 00:04:36,479

uap

97

00:04:38,790 --> 00:04:37,919

yeah yeah

98

00:04:40,469 --> 00:04:38,800

so

99

00:04:42,469 --> 00:04:40,479

you were serving in the air force for

100

00:04:43,749 --> 00:04:42,479

all that time what where what were you

101
00:04:45,990 --> 00:04:43,759
doing there if you don't mind me asking

102
00:04:49,110 --> 00:04:46,000
were you flying jets or

103
00:04:51,350 --> 00:04:49,120
no shoot yeah i wish i was two fox one

104
00:04:53,510 --> 00:04:51,360
uh those jets wouldn't fly without fuels

105
00:04:55,430 --> 00:04:53,520
let's just say that pol um okay i

106
00:04:57,510 --> 00:04:55,440
refilled aircraft on the ground uh did a

107
00:04:58,950 --> 00:04:57,520
tour in pakistan qatar i flew some

108
00:05:01,270 --> 00:04:58,960
combat missions in and out of iraq and

109
00:05:04,150 --> 00:05:01,280
then an uneventful tournament incirlik

110
00:05:06,790 --> 00:05:04,160
but it was uh man good time

111
00:05:08,870 --> 00:05:06,800
yeah well thank you for your service man

112
00:05:11,590 --> 00:05:08,880
well a lot of respect for doing that for

113
00:05:13,110 --> 00:05:11,600

sure um

114

00:05:15,270 --> 00:05:13,120

when you were when you were out there

115

00:05:17,430 --> 00:05:15,280

did you see anything weird in the sky

116

00:05:18,710 --> 00:05:17,440

here's the thing

117

00:05:20,790 --> 00:05:18,720

i have never

118

00:05:22,469 --> 00:05:20,800

believed in any of this ever

119

00:05:23,990 --> 00:05:22,479

i'm still having a hard time

120

00:05:26,070 --> 00:05:24,000

my great grandfather who was a pilot

121

00:05:28,790 --> 00:05:26,080

during world war ii in korea he also

122

00:05:29,670 --> 00:05:28,800

wrote in his memoirs he told me twice

123

00:05:31,189 --> 00:05:29,680

uh

124

00:05:33,430 --> 00:05:31,199

he had two encounters one in a fighter

125

00:05:34,230 --> 00:05:33,440

aircraft one in a bomber

126
00:05:36,790 --> 00:05:34,240
and

127
00:05:40,070 --> 00:05:36,800
the bomber aircraft uh

128
00:05:41,590 --> 00:05:40,080
it was a cigar-shaped object

129
00:05:43,909 --> 00:05:41,600
it was off in the distance and all it

130
00:05:45,350 --> 00:05:43,919
did was mimic them like toy with them

131
00:05:47,430 --> 00:05:45,360
come up beside them do everything they

132
00:05:48,790 --> 00:05:47,440
did and then as a fighter aircraft same

133
00:05:50,629 --> 00:05:48,800
thing and

134
00:05:51,590 --> 00:05:50,639
now i kind of feel bad

135
00:05:53,110 --> 00:05:51,600
because

136
00:05:54,710 --> 00:05:53,120
all i could think is this old man is

137
00:05:55,909 --> 00:05:54,720
crazy as [h__\h]

138
00:05:58,390 --> 00:05:55,919

you know

139

00:06:01,670 --> 00:05:58,400

um i haven't i didn't have any

140

00:06:02,550 --> 00:06:01,680

experiences that i'm aware of until

141

00:06:03,830 --> 00:06:02,560

now

142

00:06:05,270 --> 00:06:03,840

2020

143

00:06:06,950 --> 00:06:05,280

so that's when i first had my

144

00:06:08,469 --> 00:06:06,960

experiences not that i was paying

145

00:06:10,070 --> 00:06:08,479

attention or anything like that but when

146

00:06:11,670 --> 00:06:10,080

it came it came hard

147

00:06:13,350 --> 00:06:11,680

and it didn't make any sense to someone

148

00:06:15,029 --> 00:06:13,360

who loves aircraft i mean that's my

149

00:06:17,990 --> 00:06:15,039

passion i like to sit outside with my

150

00:06:19,990 --> 00:06:18,000

monocle and try to spot from so some of

151
00:06:22,390 --> 00:06:20,000
the stuff i've seen doesn't make a whole

152
00:06:23,510 --> 00:06:22,400
lot of sense to me and it kind of plays

153
00:06:26,469 --> 00:06:23,520
into the whole

154
00:06:27,990 --> 00:06:26,479
uh i just saw sean talk about you know

155
00:06:29,590 --> 00:06:28,000
things like

156
00:06:31,430 --> 00:06:29,600
when you dream where do you go things

157
00:06:34,950 --> 00:06:31,440
like this this is the kind of things i'm

158
00:06:36,469 --> 00:06:34,960
getting i've never seen a craft per se

159
00:06:37,510 --> 00:06:36,479
but i've seen things that fly that

160
00:06:39,909 --> 00:06:37,520
shouldn't be

161
00:06:42,390 --> 00:06:39,919
you know right yeah no i i definitely

162
00:06:44,230 --> 00:06:42,400
know what you mean um your grandfather

163
00:06:45,029 --> 00:06:44,240

served in world war ii

164

00:06:46,230 --> 00:06:45,039

um

165

00:06:49,110 --> 00:06:46,240

was he

166

00:07:00,629 --> 00:06:49,120

was

167

00:07:02,550 --> 00:07:00,639

foo fighters i know he called the foo

168

00:07:04,390 --> 00:07:02,560

fighters but he said that it was

169

00:07:05,670 --> 00:07:04,400

actually a cylindrical and like i had

170

00:07:07,510 --> 00:07:05,680

talked to you before i'll give you his

171

00:07:09,110 --> 00:07:07,520

information you can foil it actually

172

00:07:10,230 --> 00:07:09,120

because i'm pretty sure it's there yeah

173

00:07:11,670 --> 00:07:10,240

um

174

00:07:13,430 --> 00:07:11,680

he had talked about it in two different

175

00:07:15,589 --> 00:07:13,440

experiences and two different air types

176

00:07:18,150 --> 00:07:15,599

of aircraft so wow

177

00:07:20,230 --> 00:07:18,160

crazy and one was a scar shape that's

178

00:07:21,830 --> 00:07:20,240

that's pretty intense my

179

00:07:23,909 --> 00:07:21,840

you know that the interesting thing

180

00:07:24,629 --> 00:07:23,919

there is sometimes i feel like there's

181

00:07:26,950 --> 00:07:24,639

uh

182

00:07:28,629 --> 00:07:26,960

like it follows your and i've heard this

183

00:07:31,510 --> 00:07:28,639

before it follows your bloodline type of

184

00:07:34,469 --> 00:07:31,520

thing like my grandfather saw

185

00:07:36,790 --> 00:07:34,479

um something you know he was in the navy

186

00:07:39,270 --> 00:07:36,800

but at the time he was just back at home

187

00:07:41,430 --> 00:07:39,280

it was a cigar shape with with like

188

00:07:43,670 --> 00:07:41,440

windows and all that kind of stuff so

189

00:07:45,350 --> 00:07:43,680

it's and here we are me and you you know

190

00:07:46,790 --> 00:07:45,360

our grandfather seen something cigar

191

00:07:49,670 --> 00:07:46,800

ship yeah so

192

00:07:51,749 --> 00:07:49,680

um you you know uh bringing up a little

193

00:07:54,790 --> 00:07:51,759

uh bringing the timeline a little closer

194

00:07:56,950 --> 00:07:54,800

to in 2020s that um

195

00:07:58,390 --> 00:07:56,960

that uh you started having

196

00:07:59,749 --> 00:07:58,400

you know experiences and kind of hit

197

00:08:02,150 --> 00:07:59,759

hard i guess

198

00:08:03,830 --> 00:08:02,160

um how did it hit you like uh was it

199

00:08:05,909 --> 00:08:03,840

just something you've seen or yeah tell

200

00:08:08,469 --> 00:08:05,919

me a little bit about your first one

201

00:08:09,909 --> 00:08:08,479

i guess the easiest way to explain it is

202

00:08:13,029 --> 00:08:09,919

i'm still under the assumption this

203

00:08:15,350 --> 00:08:13,039

stuff does not exist so imagine

204

00:08:17,990 --> 00:08:15,360

recording and seeing

205

00:08:19,350 --> 00:08:18,000

what i assumed were drones at first

206

00:08:20,869 --> 00:08:19,360

and it was later that i realized there's

207

00:08:22,309 --> 00:08:20,879

no way these are drones because someone

208

00:08:25,189 --> 00:08:22,319

would be spending a lot of effort and a

209

00:08:27,029 --> 00:08:25,199

lot of money to travel with me

210

00:08:28,710 --> 00:08:27,039

to put these things up so that i record

211

00:08:31,270 --> 00:08:28,720

them in multiple locations at specific

212

00:08:33,829 --> 00:08:31,280

times and so things like that don't make

213

00:08:36,550 --> 00:08:33,839

sense and i i know i had sent you a

214

00:08:38,949 --> 00:08:36,560

a video it almost

215

00:08:41,190 --> 00:08:38,959

out of context it looks like a bag

216

00:08:42,949 --> 00:08:41,200

it's 10 minutes of a bag

217

00:08:44,630 --> 00:08:42,959

right yeah except that's the third time

218

00:08:46,150 --> 00:08:44,640

i've seen it the only second time i

219

00:08:47,350 --> 00:08:46,160

recorded the first time it trailed me

220

00:08:50,470 --> 00:08:47,360

home from the mountains and i

221

00:08:52,310 --> 00:08:50,480

specifically told my wife i said what is

222

00:08:54,710 --> 00:08:52,320

what the heck is that and as i pointed

223

00:08:56,550 --> 00:08:54,720

to it the bag shot straight up and i was

224

00:08:58,710 --> 00:08:56,560

like wow that's the crazy and this is

225

00:09:01,030 --> 00:08:58,720

the first time so i assumed it was a bag

226

00:09:03,269 --> 00:09:01,040

that the one i sent you i was outside

227

00:09:04,389 --> 00:09:03,279

and i looked up and i i saw a glint in

228

00:09:06,389 --> 00:09:04,399

the sky

229

00:09:07,910 --> 00:09:06,399

should we just play that a little clip

230

00:09:09,110 --> 00:09:07,920

of it just to give people some context

231

00:09:09,990 --> 00:09:09,120

i'm sorry okay

232

00:09:10,710 --> 00:09:10,000

no no

233

00:09:14,389 --> 00:09:10,720

yeah

234

00:09:21,430 --> 00:09:14,399

know

235

00:09:23,430 --> 00:09:21,440

i'll throw it up it's my life

236

00:09:25,829 --> 00:09:23,440

so this is just a real short clip of it

237

00:09:28,070 --> 00:09:25,839

i showed it a couple days ago too so

238

00:09:29,590 --> 00:09:28,080

it's like 22 seconds a short clip and

239

00:09:31,590 --> 00:09:29,600

this is the second time i've seen this

240

00:09:33,190 --> 00:09:31,600

the first time i tried to get a picture

241

00:09:34,470 --> 00:09:33,200

of it it literally trailed me from the

242

00:09:36,470 --> 00:09:34,480

mountains over the mountaintops and i

243

00:09:38,470 --> 00:09:36,480

couldn't get a shot of it but as i came

244

00:09:41,350 --> 00:09:38,480

into another town it was sitting at

245

00:09:42,550 --> 00:09:41,360

intersection hovering right the first

246

00:09:44,230 --> 00:09:42,560

time i saw it

247

00:09:46,230 --> 00:09:44,240

and i i saw it shoot straight up and i

248

00:09:47,829 --> 00:09:46,240

told my wife what the hell that back

249

00:09:49,509 --> 00:09:47,839

shot off like a rocket

250

00:09:51,509 --> 00:09:49,519

this is my second experience and i

251
00:09:53,030 --> 00:09:51,519
actually saw a glint in the sky

252
00:09:54,230 --> 00:09:53,040
i tried to record it

253
00:09:55,990 --> 00:09:54,240
and that's i think one of my first

254
00:09:57,350 --> 00:09:56,000
videos of that i sent and didn't pay any

255
00:09:58,870 --> 00:09:57,360
attention about five minutes later i

256
00:09:59,590 --> 00:09:58,880
look up and it's just hovering again i'm

257
00:10:01,030 --> 00:09:59,600
like

258
00:10:03,590 --> 00:10:01,040
i went over to a doctor across the

259
00:10:05,509 --> 00:10:03,600
street and i said is that a bag

260
00:10:07,670 --> 00:10:05,519
or something

261
00:10:10,069 --> 00:10:07,680
yeah she goes i don't know it looks like

262
00:10:12,389 --> 00:10:10,079
it and then it starts going up

263
00:10:14,630 --> 00:10:12,399

and again i'm not saying what it is or

264

00:10:16,310 --> 00:10:14,640

what it is i'm just saying

265

00:10:18,790 --> 00:10:16,320

i may be the master of bags at this

266

00:10:21,190 --> 00:10:18,800

point plastic or something so you know

267

00:10:22,630 --> 00:10:21,200

i i just keep seeing these things

268

00:10:24,069 --> 00:10:22,640

and then i also have recordings of them

269

00:10:25,670 --> 00:10:24,079

at night it's harder to see what they

270

00:10:27,670 --> 00:10:25,680

are unless you're in the mountains and

271

00:10:29,190 --> 00:10:27,680

they're right above your head it's a lot

272

00:10:31,190 --> 00:10:29,200

easier to see them

273

00:10:32,470 --> 00:10:31,200

so interesting

274

00:10:33,829 --> 00:10:32,480

so

275

00:10:36,310 --> 00:10:33,839

go ahead go ahead

276

00:10:38,630 --> 00:10:36,320

well i was just going to ask so so

277

00:10:40,550 --> 00:10:38,640

you're seeing these things you're you're

278

00:10:42,069 --> 00:10:40,560

recording things really you're trying to

279

00:10:43,990 --> 00:10:42,079

you're recording aircraft because you

280

00:10:45,750 --> 00:10:44,000

like you know watching aircraft and

281

00:10:47,110 --> 00:10:45,760

spotting out for aircraft and you see

282

00:10:48,630 --> 00:10:47,120

stuff like that

283

00:10:51,590 --> 00:10:48,640

um

284

00:10:53,430 --> 00:10:51,600

did you notice anything else

285

00:10:56,710 --> 00:10:53,440

happened like you know i just had this

286

00:10:58,150 --> 00:10:56,720

guest on uh his name is james tooney and

287

00:10:59,430 --> 00:10:58,160

you know he goes the experience is kind

288

00:11:02,550 --> 00:10:59,440

of useless

289

00:11:04,949 --> 00:11:02,560

on its own really it's it's the effect

290

00:11:06,949 --> 00:11:04,959

um what kind of effect did it have on

291

00:11:09,110 --> 00:11:06,959

you so what i'm asking you is did any

292

00:11:11,030 --> 00:11:09,120

effect come with it you know

293

00:11:12,310 --> 00:11:11,040

what whatever it may be

294

00:11:13,990 --> 00:11:12,320

i gotta be careful with this because i

295

00:11:17,590 --> 00:11:14,000

can only tell you what i i think and i

296

00:11:19,590 --> 00:11:17,600

can tell you yeah so for me

297

00:11:21,110 --> 00:11:19,600

unlike most people they came to ufo

298

00:11:21,990 --> 00:11:21,120

twitter and all this has been coming

299

00:11:23,750 --> 00:11:22,000

along

300

00:11:26,069 --> 00:11:23,760

i'm the reverse

301
00:11:27,509 --> 00:11:26,079
i didn't start coming here i signed up a

302
00:11:29,269 --> 00:11:27,519
year ago on twitter and it's the only

303
00:11:31,190 --> 00:11:29,279
one i had it was because

304
00:11:31,990 --> 00:11:31,200
i thought i was losing my mind

305
00:11:33,269 --> 00:11:32,000
right

306
00:11:36,389 --> 00:11:33,279
so i signed up

307
00:11:38,310 --> 00:11:36,399
and most of my stuff that i've come into

308
00:11:40,710 --> 00:11:38,320
i'm very thankful for because

309
00:11:42,230 --> 00:11:40,720
other experiences for example skinwalker

310
00:11:43,910 --> 00:11:42,240
rants

311
00:11:45,269 --> 00:11:43,920
without saying too much there's only one

312
00:11:47,350 --> 00:11:45,279
other place that i've

313
00:11:48,870 --> 00:11:47,360

that and another airman who was on base

314

00:11:51,509 --> 00:11:48,880

who's seen

315

00:11:53,990 --> 00:11:51,519

shadow a shadow let's say that right and

316

00:11:55,990 --> 00:11:54,000

again as crazy as that sounds

317

00:11:57,670 --> 00:11:56,000

i'm also the person that would freak out

318

00:12:00,150 --> 00:11:57,680

and see something like that and go get a

319

00:12:01,430 --> 00:12:00,160

psyche out right

320

00:12:03,509 --> 00:12:01,440

yeah me too

321

00:12:05,670 --> 00:12:03,519

yeah nothing ever happens again like

322

00:12:07,590 --> 00:12:05,680

that it's like but then the continuous

323

00:12:09,750 --> 00:12:07,600

nature of all these things the only

324

00:12:11,269 --> 00:12:09,760

thing i could pull out of it is

325

00:12:13,750 --> 00:12:11,279

i can't say

326

00:12:16,069 --> 00:12:13,760

i know there's negative side effects

327

00:12:18,550 --> 00:12:16,079

i can't find any positive but i don't

328

00:12:20,389 --> 00:12:18,560

have any negative right

329

00:12:22,069 --> 00:12:20,399

sure if you saw me two years ago and you

330

00:12:24,710 --> 00:12:22,079

saw me now

331

00:12:26,550 --> 00:12:24,720

you two different people right and now i

332

00:12:28,150 --> 00:12:26,560

can't say it's them

333

00:12:29,350 --> 00:12:28,160

at that point in my life whenever all of

334

00:12:31,350 --> 00:12:29,360

a sudden

335

00:12:33,030 --> 00:12:31,360

again i also agree with why kind of not

336

00:12:35,829 --> 00:12:33,040

how they handled the government this is

337

00:12:38,710 --> 00:12:35,839

a world shaken event

338

00:12:40,230 --> 00:12:38,720

i'm going through an ex external crisis

339

00:12:41,910 --> 00:12:40,240

as it is trying to figure out who the

340

00:12:44,230 --> 00:12:41,920

hell i am after the war all this other

341

00:12:45,990 --> 00:12:44,240

stuff and on top of that i've got this

342

00:12:47,350 --> 00:12:46,000

now everything i've been told everything

343

00:12:49,990 --> 00:12:47,360

that's in a book that they say it's all

344

00:12:51,430 --> 00:12:50,000

answers are here it's not there

345

00:12:53,910 --> 00:12:51,440

so at that point

346

00:12:56,629 --> 00:12:53,920

i lost my [h__h] i'm not gonna lie i was

347

00:12:57,509 --> 00:12:56,639

just kind of like what is going on you

348

00:13:00,389 --> 00:12:57,519

know

349

00:13:01,430 --> 00:13:00,399

and then i started realizing

350

00:13:03,430 --> 00:13:01,440

that

351

00:13:05,750 --> 00:13:03,440

i could seek answers

352

00:13:07,990 --> 00:13:05,760

being curious it actually opened me up

353

00:13:10,710 --> 00:13:08,000

to a lot of things

354

00:13:11,829 --> 00:13:10,720

uh cahill um

355

00:13:13,269 --> 00:13:11,839

man

356

00:13:16,069 --> 00:13:13,279

valet

357

00:13:18,310 --> 00:13:16,079

trying to think operation trojan horse

358

00:13:19,910 --> 00:13:18,320

the only things that i can compare to

359

00:13:23,670 --> 00:13:19,920

what i'm experiencing has nothing to do

360

00:13:25,269 --> 00:13:23,680

with their craft of any kind so

361

00:13:27,110 --> 00:13:25,279

it's tough for me to be here because i

362

00:13:28,310 --> 00:13:27,120

have nothing to gain from this

363

00:13:29,750 --> 00:13:28,320

people think

364

00:13:33,509 --> 00:13:29,760

well people already think i'm a crazy

365

00:13:35,670 --> 00:13:33,519

ass veteran right so only to lose but

366

00:13:38,310 --> 00:13:35,680

the reason i decided to was

367

00:13:39,990 --> 00:13:38,320

the toughest part for me was if science

368

00:13:41,350 --> 00:13:40,000

isn't taking this seriously

369

00:13:42,550 --> 00:13:41,360

medical science isn't taking this

370

00:13:44,470 --> 00:13:42,560

seriously

371

00:13:46,470 --> 00:13:44,480

what about people who need that medical

372

00:13:48,949 --> 00:13:46,480

science who are dealing with this

373

00:13:50,870 --> 00:13:48,959

subject right how do you tell what's

374

00:13:52,790 --> 00:13:50,880

real or not we've been signing people

375

00:13:54,230 --> 00:13:52,800

off as crazy for so long and i know i'm

376

00:13:55,350 --> 00:13:54,240

not crazy that's the reason i started

377

00:13:57,509 --> 00:13:55,360

carrying

378

00:13:58,790 --> 00:13:57,519

literally a camera everywhere i went

379

00:14:00,069 --> 00:13:58,800

right

380

00:14:02,550 --> 00:14:00,079

and

381

00:14:04,069 --> 00:14:02,560

i hate bullies i'm i'm just i think it's

382

00:14:06,230 --> 00:14:04,079

time that people start paying attention

383

00:14:08,069 --> 00:14:06,240

there's a lot more going on than

384

00:14:10,949 --> 00:14:08,079

technology

385

00:14:12,150 --> 00:14:10,959

i mean i can't begin to say what it is

386

00:14:14,310 --> 00:14:12,160

because uh

387

00:14:17,030 --> 00:14:14,320

i let the smart people figure that out i

388

00:14:18,470 --> 00:14:17,040

just say that all i do is i pay

389

00:14:20,389 --> 00:14:18,480

attention

390

00:14:21,829 --> 00:14:20,399

and for me for a long time i thought to

391

00:14:24,069 --> 00:14:21,839

myself

392

00:14:25,829 --> 00:14:24,079

this is this craziest part is i just

393

00:14:27,030 --> 00:14:25,839

thought they were everywhere and a bunch

394

00:14:29,829 --> 00:14:27,040

of people weren't no one was paying

395

00:14:31,189 --> 00:14:29,839

attention i assumed because i don't i

396

00:14:33,110 --> 00:14:31,199

didn't do social media i didn't know

397

00:14:35,509 --> 00:14:33,120

what was going on

398

00:14:36,790 --> 00:14:35,519

the intensity got so much

399

00:14:38,629 --> 00:14:36,800

that uh

400

00:14:40,870 --> 00:14:38,639

as a december 17th i don't record or

401
00:14:42,949 --> 00:14:40,880
look up right i know that they're always

402
00:14:45,590 --> 00:14:42,959
there last time i last two times i

403
00:14:47,829 --> 00:14:45,600
looked up they were there so it's like

404
00:14:49,990 --> 00:14:47,839
what's the point but who do i tell that

405
00:14:51,990 --> 00:14:50,000
i can't tell a doctor that and people

406
00:14:53,590 --> 00:14:52,000
say they tell their doctors i've had an

407
00:14:54,949 --> 00:14:53,600
experience where i've told a doctor and

408
00:14:57,110 --> 00:14:54,959
that what do they do you should get a

409
00:14:59,910 --> 00:14:57,120
psyche out before i see you again

410
00:15:01,110 --> 00:14:59,920
so it's like all right so a crazy person

411
00:15:03,110 --> 00:15:01,120
also knows

412
00:15:05,590 --> 00:15:03,120
i mean a person who's not crazy i should

413
00:15:07,590 --> 00:15:05,600

say knows when and when not to speak of

414

00:15:09,509 --> 00:15:07,600

things and i'm not saying to speak about

415

00:15:10,949 --> 00:15:09,519

these things what i'm saying is

416

00:15:11,750 --> 00:15:10,959

you need to gauge your audience right

417

00:15:14,310 --> 00:15:11,760

now

418

00:15:15,910 --> 00:15:14,320

medical science it's not what you think

419

00:15:17,030 --> 00:15:15,920

people aren't people will use this

420

00:15:19,189 --> 00:15:17,040

against you

421

00:15:21,110 --> 00:15:19,199

we need a way to report i know we got

422

00:15:22,790 --> 00:15:21,120

mufon and i'm thankful to all these

423

00:15:25,269 --> 00:15:22,800

different ones but we need

424

00:15:26,470 --> 00:15:25,279

i guess a better system i'm going to ufo

425

00:15:29,749 --> 00:15:26,480

twitter to figure out what the hell's

426

00:15:31,910 --> 00:15:29,759

going on in your life is not exactly

427

00:15:32,710 --> 00:15:31,920

what i would say especially lately you

428

00:15:34,790 --> 00:15:32,720

know

429

00:15:35,749 --> 00:15:34,800

shout out to lou and everybody else it's

430

00:15:38,629 --> 00:15:35,759

just

431

00:15:40,790 --> 00:15:38,639

i have a difficult time with uh

432

00:15:43,269 --> 00:15:40,800

negativity i've lived in some [h__h] i've

433

00:15:44,710 --> 00:15:43,279

survived some [h__h] right so yeah it kind

434

00:15:46,629 --> 00:15:44,720

of blows my mind that this is an

435

00:15:48,069 --> 00:15:46,639

experience so many people have had and

436

00:15:50,710 --> 00:15:48,079

are having

437

00:15:52,470 --> 00:15:50,720

and there's no real way to gauge the

438

00:15:54,629 --> 00:15:52,480

reality of that experience no real way

439

00:15:56,629 --> 00:15:54,639

to get data because no one's trying and

440

00:15:58,150 --> 00:15:56,639

everyone's scared right

441

00:15:59,910 --> 00:15:58,160

so it's like

442

00:16:01,509 --> 00:15:59,920

i'll step up [h__\h] no one could think any

443

00:16:02,870 --> 00:16:01,519

worse of me than what i did in my life

444

00:16:03,829 --> 00:16:02,880

already right

445

00:16:07,670 --> 00:16:03,839

yeah

446

00:16:09,509 --> 00:16:07,680

hear what you're saying with twitter is

447

00:16:11,749 --> 00:16:09,519

especially if new people come along and

448

00:16:13,910 --> 00:16:11,759

they see the negativity i i completely

449

00:16:15,670 --> 00:16:13,920

get it and especially people being

450

00:16:17,430 --> 00:16:15,680

negative to maybe the people that have a

451
00:16:18,629 --> 00:16:17,440
bigger face on this kind of situation

452
00:16:21,749 --> 00:16:18,639
like a lou

453
00:16:23,189 --> 00:16:21,759
or sean cale or or other people you know

454
00:16:25,910 --> 00:16:23,199
it's

455
00:16:28,629 --> 00:16:25,920
you know and i i kind of came into this

456
00:16:30,230 --> 00:16:28,639
somewhat the same as as you did to be

457
00:16:31,509 --> 00:16:30,240
quite honest with you like i've had my

458
00:16:33,590 --> 00:16:31,519
experience

459
00:16:34,310 --> 00:16:33,600
and when i did like

460
00:16:37,749 --> 00:16:34,320
the

461
00:16:39,430 --> 00:16:37,759
deeper into ufo twitter i went because

462
00:16:40,629 --> 00:16:39,440
you know for better for worse that's

463
00:16:43,910 --> 00:16:40,639

that's where

464

00:16:46,230 --> 00:16:43,920

you know information flows uh at a kind

465

00:16:48,870 --> 00:16:46,240

of a rapid pace and you know when i got

466

00:16:51,670 --> 00:16:48,880

into it it wasn't the negativity wasn't

467

00:16:53,269 --> 00:16:51,680

so big of an issue at that point as as

468

00:16:55,350 --> 00:16:53,279

it is now but

469

00:16:57,990 --> 00:16:55,360

um but it did help a little bit what

470

00:16:59,749 --> 00:16:58,000

what really helped you know realizing i

471

00:17:01,509 --> 00:16:59,759

wasn't crazy was the documents and all

472

00:17:02,949 --> 00:17:01,519

that kind of stuff but yeah and i

473

00:17:04,150 --> 00:17:02,959

actually appreciate you on that all the

474

00:17:05,750 --> 00:17:04,160

stuff you post that actually gave me a

475

00:17:08,230 --> 00:17:05,760

little bit of peace that's what ufo

476
00:17:08,949 --> 00:17:08,240
twitter ted katie all these people from

477
00:17:11,270 --> 00:17:08,959
there

478
00:17:13,029 --> 00:17:11,280
as shitty as it is man i wouldn't know

479
00:17:14,309 --> 00:17:13,039
what was going on i i don't know if i

480
00:17:16,150 --> 00:17:14,319
would have made it through this it was

481
00:17:18,309 --> 00:17:16,160
intense i was dealing with other stuff

482
00:17:19,510 --> 00:17:18,319
on top of it so it's like what is going

483
00:17:21,750 --> 00:17:19,520
on

484
00:17:23,750 --> 00:17:21,760
yeah that's interesting so so was that

485
00:17:25,590 --> 00:17:23,760
asking this question yeah go ahead can i

486
00:17:27,669 --> 00:17:25,600
ask you a question uh yeah turn the

487
00:17:29,430 --> 00:17:27,679
table then go ahead yeah one of the

488
00:17:31,270 --> 00:17:29,440

things that i i really haven't think

489

00:17:32,549 --> 00:17:31,280

about i see a lot of people talk about

490

00:17:34,390 --> 00:17:32,559

ce5

491

00:17:36,470 --> 00:17:34,400

um they're worried about negativity

492

00:17:38,310 --> 00:17:36,480

positivity of nhi

493

00:17:40,789 --> 00:17:38,320

you know whatever it is and i'm aware

494

00:17:43,029 --> 00:17:40,799

that we don't know and i'm not saying

495

00:17:45,669 --> 00:17:43,039

mine's negative or positive but what

496

00:17:48,310 --> 00:17:45,679

bothers me is the implications right

497

00:17:50,789 --> 00:17:48,320

so if i can go anywhere

498

00:17:52,070 --> 00:17:50,799

i can see and point out and record these

499

00:17:53,510 --> 00:17:52,080

things

500

00:17:55,830 --> 00:17:53,520

why

501
00:17:57,350 --> 00:17:55,840
how are they following me

502
00:17:59,190 --> 00:17:57,360
the term experience bothers me because

503
00:18:00,470 --> 00:17:59,200
it means i don't have control

504
00:18:02,950 --> 00:18:00,480
they're under control and let me

505
00:18:04,110 --> 00:18:02,960
experience their whatever it is right so

506
00:18:06,470 --> 00:18:04,120
i'd like to go with

507
00:18:09,270 --> 00:18:06,480
videographer of uaps

508
00:18:11,750 --> 00:18:09,280
uh it's a it's hard for someone

509
00:18:12,789 --> 00:18:11,760
who has ptsd uh

510
00:18:14,870 --> 00:18:12,799
they have this

511
00:18:16,789 --> 00:18:14,880
it's not even i can't even describe it

512
00:18:18,390 --> 00:18:16,799
it's almost like uh your spidey tingle

513
00:18:19,990 --> 00:18:18,400

but it's with crap right you know

514

00:18:21,270 --> 00:18:20,000

whenever you just extra secure about

515

00:18:24,230 --> 00:18:21,280

everything checking everything all the

516

00:18:25,430 --> 00:18:24,240

time and then you add that on top

517

00:18:26,549 --> 00:18:25,440

and it's like

518

00:18:28,630 --> 00:18:26,559

so

519

00:18:29,510 --> 00:18:28,640

it could be a lot

520

00:18:30,789 --> 00:18:29,520

and

521

00:18:31,909 --> 00:18:30,799

i see a lot of people talking about

522

00:18:33,750 --> 00:18:31,919

communicating and i'm not saying it's

523

00:18:35,270 --> 00:18:33,760

negative or positive but i'm saying we

524

00:18:37,270 --> 00:18:35,280

don't know what it is

525

00:18:38,710 --> 00:18:37,280

they're going all over hanford with you

526

00:18:41,270 --> 00:18:38,720

know impunity

527

00:18:43,510 --> 00:18:41,280

i can tell you that right now so

528

00:18:45,750 --> 00:18:43,520

no one seems concerned kind of bothers

529

00:18:47,190 --> 00:18:45,760

me a little bit

530

00:18:49,830 --> 00:18:47,200

what do you think about negative or

531

00:18:52,310 --> 00:18:49,840

positives the questions on that oh the

532

00:18:55,190 --> 00:18:52,320

negative or positive i you know the the

533

00:18:57,750 --> 00:18:55,200

one thing that that comes to mind for me

534

00:18:59,669 --> 00:18:57,760

is if there's one if there's one thing

535

00:19:01,669 --> 00:18:59,679

that's here i mean what are the chances

536

00:19:04,710 --> 00:19:01,679

that it's just one thing

537

00:19:06,710 --> 00:19:04,720

and instead of uh multiple entities or

538

00:19:08,870 --> 00:19:06,720

multiple different scenarios

539

00:19:11,830 --> 00:19:08,880

maybe that bring positive and negative

540

00:19:14,150 --> 00:19:11,840

and if something is that advanced that

541

00:19:16,470 --> 00:19:14,160

it can be here or you know be seen when

542

00:19:18,390 --> 00:19:16,480

it wants or disappear when it wants or

543

00:19:20,870 --> 00:19:18,400

whatever what you know what are the

544

00:19:23,190 --> 00:19:20,880

chances that it would be as easy as

545

00:19:25,510 --> 00:19:23,200

being positive or negative only you know

546

00:19:27,669 --> 00:19:25,520

without exactly a mix of the two or

547

00:19:30,630 --> 00:19:27,679

maybe even both or

548

00:19:32,390 --> 00:19:30,640

you know as people were multifaceted you

549

00:19:35,350 --> 00:19:32,400

could have a good person

550

00:19:38,310 --> 00:19:35,360

who does one bad thing in their life or

551
00:19:40,870 --> 00:19:38,320
you could have a totally bad person or

552
00:19:42,710 --> 00:19:40,880
you know like there's so much variation

553
00:19:44,630 --> 00:19:42,720
to us as a human species and

554
00:19:46,549 --> 00:19:44,640
individually that makes us all

555
00:19:48,710 --> 00:19:46,559
uh unique

556
00:19:51,190 --> 00:19:48,720
you know is is that we're all

557
00:19:53,909 --> 00:19:51,200
different from one another you know in

558
00:19:55,350 --> 00:19:53,919
in some way shape or form so i know

559
00:19:57,990 --> 00:19:55,360
maybe you shouldn't relate humans to

560
00:19:58,950 --> 00:19:58,000
these things but i think

561
00:20:01,190 --> 00:19:58,960
you know

562
00:20:03,510 --> 00:20:01,200
and i'm not saying it's like us as much

563
00:20:05,110 --> 00:20:03,520

as i'm saying like the possibilities

564

00:20:06,630 --> 00:20:05,120

have to be

565

00:20:09,270 --> 00:20:06,640

um that

566

00:20:10,310 --> 00:20:09,280

much more varied almost

567

00:20:12,630 --> 00:20:10,320

you know

568

00:20:16,789 --> 00:20:14,789

yeah that's hard to say

569

00:20:19,590 --> 00:20:16,799

it's hard to say because i've had both

570

00:20:20,789 --> 00:20:19,600

with with these things so yeah i agree i

571

00:20:22,950 --> 00:20:20,799

don't know if it's necessarily negative

572

00:20:25,190 --> 00:20:22,960

or positive uh and that's why i'm stuck

573

00:20:26,950 --> 00:20:25,200

on but in my head

574

00:20:28,390 --> 00:20:26,960

i know people talk about

575

00:20:30,390 --> 00:20:28,400

how to communicate and how they would

576

00:20:31,669 --> 00:20:30,400

communicate at and i and i think to

577

00:20:33,590 --> 00:20:31,679

myself they wouldn't need anything but

578

00:20:36,070 --> 00:20:33,600

our brain i mean if there's far enough

579

00:20:38,149 --> 00:20:36,080

advances hiding from us right before us

580

00:20:41,029 --> 00:20:38,159

uh why not shoot a little whatever at

581

00:20:42,789 --> 00:20:41,039

our brain and get us to see do whatever

582

00:20:44,630 --> 00:20:42,799

manipulation

583

00:20:46,630 --> 00:20:44,640

yeah 100 i feel like i've been being

584

00:20:48,710 --> 00:20:46,640

manipulated and

585

00:20:51,590 --> 00:20:48,720

not into a way that sounds hokey and

586

00:20:53,669 --> 00:20:51,600

crazy sometimes i would ask myself and

587

00:20:55,669 --> 00:20:53,679

i'm not a religious person right

588

00:20:57,990 --> 00:20:55,679

um i almost feel like tests are thrown

589

00:21:00,230 --> 00:20:58,000

in front of me way too much [h__\h] right

590

00:21:02,390 --> 00:21:00,240

i'm excuse my language youtube's no

591

00:21:04,950 --> 00:21:02,400

that's way too much stuff right

592

00:21:07,190 --> 00:21:04,960

and then here i am dealing with them but

593

00:21:09,669 --> 00:21:07,200

i kept getting stronger and that i don't

594

00:21:11,590 --> 00:21:09,679

know if that's me it's a situation and

595

00:21:12,789 --> 00:21:11,600

then the amount of stuff which you would

596

00:21:14,870 --> 00:21:12,799

ask the question earlier if there's

597

00:21:17,110 --> 00:21:14,880

anything that i saw from it i don't know

598

00:21:19,110 --> 00:21:17,120

if that opened my eyes because there's

599

00:21:21,270 --> 00:21:19,120

things that i haven't seen before so i

600

00:21:24,549 --> 00:21:21,280

just paid attention to everything

601
00:21:26,390 --> 00:21:24,559
and i'm not relating anything but

602
00:21:28,230 --> 00:21:26,400
i love the mountains now and i've always

603
00:21:29,430 --> 00:21:28,240
been a city boy the very first time i

604
00:21:31,909 --> 00:21:29,440
went into the mountains was two years

605
00:21:33,110 --> 00:21:31,919
ago the first time i went i recorded

606
00:21:35,029 --> 00:21:33,120
a uap

607
00:21:36,710 --> 00:21:35,039
first time i went i also started

608
00:21:38,149 --> 00:21:36,720
collecting

609
00:21:40,789 --> 00:21:38,159
uh rocks

610
00:21:43,110 --> 00:21:40,799
okay like ocd type collecting i couldn't

611
00:21:45,430 --> 00:21:43,120
figure out why i knew it was something i

612
00:21:46,710 --> 00:21:45,440
left that spot went to another spot same

613
00:21:48,549 --> 00:21:46,720

thing this happened three times three

614

00:21:51,350 --> 00:21:48,559

different spots only three times i've

615

00:21:53,830 --> 00:21:51,360

got boxes i've got 900 pounds of these

616

00:21:55,590 --> 00:21:53,840

things and i'm pretty sure

617

00:21:57,669 --> 00:21:55,600

i now know what it is

618

00:21:59,590 --> 00:21:57,679

i went all crazy trying to figure it out

619

00:22:01,270 --> 00:21:59,600

uh platinum's the son of a gun right i'm

620

00:22:02,470 --> 00:22:01,280

pretty sure it's platinum kimberlite all

621

00:22:03,430 --> 00:22:02,480

these things that shouldn't exist up

622

00:22:04,390 --> 00:22:03,440

there

623

00:22:05,830 --> 00:22:04,400

um

624

00:22:07,029 --> 00:22:05,840

but then again

625

00:22:09,350 --> 00:22:07,039

i don't know what to do with them i'm

626

00:22:11,110 --> 00:22:09,360

not i i'm a prospector now but

627

00:22:12,870 --> 00:22:11,120

platinum's not like gold you've got to

628

00:22:15,110 --> 00:22:12,880

have chemicals and all this stuff and

629

00:22:16,950 --> 00:22:15,120

it's like why man give me gold dude

630

00:22:19,190 --> 00:22:16,960

what's up you know

631

00:22:21,830 --> 00:22:19,200

and again this brings me back to after

632

00:22:24,830 --> 00:22:21,840

the fact i run across a speech kevin day

633

00:22:27,110 --> 00:22:24,840

gives and i'm like oh my gosh someone

634

00:22:28,950 --> 00:22:27,120

else they talked about that

635

00:22:31,830 --> 00:22:28,960

and then another time i talked about in

636

00:22:33,430 --> 00:22:31,840

colorado i saw there's cases in colorado

637

00:22:35,190 --> 00:22:33,440

that the old prospectors say mark that

638

00:22:36,310 --> 00:22:35,200

spot wherever you see one there's gold

639

00:22:37,830 --> 00:22:36,320

right there

640

00:22:40,630 --> 00:22:37,840

right this is me coming after the fact

641

00:22:43,110 --> 00:22:40,640

like oh man i know that and it's gotten

642

00:22:45,510 --> 00:22:43,120

so insane that i've got i have to ask

643

00:22:46,390 --> 00:22:45,520

myself this can't be real i live in a

644

00:22:48,149 --> 00:22:46,400

city

645

00:22:50,470 --> 00:22:48,159

and i have to stop myself from grabbing

646

00:22:53,029 --> 00:22:50,480

rocks right

647

00:22:55,190 --> 00:22:53,039

200 yards away i find chunk of gold

648

00:22:56,710 --> 00:22:55,200

right i'm like what the hell

649

00:22:58,630 --> 00:22:56,720

is going maybe i'm just super good at

650

00:23:00,390 --> 00:22:58,640

this and i never knew it and i have no

651
00:23:01,510 --> 00:23:00,400
reason to lie or [h__h] it i still got

652
00:23:03,510 --> 00:23:01,520
these rocks sitting in here i had to

653
00:23:05,190 --> 00:23:03,520
stop doing it because it was such an i

654
00:23:08,549 --> 00:23:05,200
don't know much about it i had to learn

655
00:23:09,830 --> 00:23:08,559
everything right and i don't understand

656
00:23:11,990 --> 00:23:09,840
how

657
00:23:14,070 --> 00:23:12,000
i can sit here now and say well that

658
00:23:16,230 --> 00:23:14,080
shit's all just crazy

659
00:23:17,669 --> 00:23:16,240
right but i can also sit here now and

660
00:23:19,909 --> 00:23:17,679
say

661
00:23:21,669 --> 00:23:19,919
this that doesn't make any sense none of

662
00:23:23,029 --> 00:23:21,679
it everywhere i've went

663
00:23:25,350 --> 00:23:23,039

and it just feels like i'm being pulled

664

00:23:26,789 --> 00:23:25,360

along right

665

00:23:27,909 --> 00:23:26,799

yeah and i have to kind of be careful

666

00:23:30,230 --> 00:23:27,919

about saying that i'm not saying

667

00:23:31,750 --> 00:23:30,240

anything in its way it gives me back to

668

00:23:33,909 --> 00:23:31,760

the whole uh

669

00:23:36,070 --> 00:23:33,919

manipulation

670

00:23:37,669 --> 00:23:36,080

uh jacques valet talks about uh control

671

00:23:41,430 --> 00:23:37,679

system

672

00:23:43,510 --> 00:23:41,440

they know what buttons to push when to

673

00:23:44,230 --> 00:23:43,520

get me to do what to get this out of me

674

00:23:48,070 --> 00:23:44,240

and

675

00:23:49,830 --> 00:23:48,080

so this is just what i feel at times

676
00:23:51,590 --> 00:23:49,840
because sure

677
00:23:55,269 --> 00:23:51,600
either

678
00:23:57,350 --> 00:23:55,279
when

679
00:23:58,470 --> 00:23:57,360
my the intensity or let's say i'm going

680
00:23:59,750 --> 00:23:58,480
through it

681
00:24:02,710 --> 00:23:59,760
the amount of trauma i've lived through

682
00:24:04,149 --> 00:24:02,720
my life abuse war addiction homelessness

683
00:24:06,470 --> 00:24:04,159
all these things i don't know if that

684
00:24:09,590 --> 00:24:06,480
makes me a giant antenna

685
00:24:12,230 --> 00:24:09,600
right and it almost seems like it

686
00:24:13,590 --> 00:24:12,240
at times or

687
00:24:15,669 --> 00:24:13,600
if

688
00:24:17,110 --> 00:24:15,679

i just happen to be awake and paying

689

00:24:19,029 --> 00:24:17,120

attention because i'm a service

690

00:24:20,710 --> 00:24:19,039

connected vet i got lots of time some

691

00:24:22,630 --> 00:24:20,720

time on my hands you know to do these

692

00:24:24,149 --> 00:24:22,640

things so

693

00:24:26,149 --> 00:24:24,159

i stumbled for a bit because i didn't

694

00:24:27,430 --> 00:24:26,159

know people like you or twitter or

695

00:24:28,789 --> 00:24:27,440

whatever existed i didn't know what a

696

00:24:29,830 --> 00:24:28,799

uap was

697

00:24:31,430 --> 00:24:29,840

until

698

00:24:33,269 --> 00:24:31,440

2021

699

00:24:34,549 --> 00:24:33,279

so that's about when i the first book i

700

00:24:35,750 --> 00:24:34,559

read was skin rocker ranch it finally

701
00:24:37,269 --> 00:24:35,760
gave me a little piece because i wasn't

702
00:24:40,070 --> 00:24:37,279
the only one experiencing crazy because

703
00:24:41,830 --> 00:24:40,080
i've never seen a craft mainly orbish

704
00:24:44,870 --> 00:24:41,840
you know things like that yeah some of

705
00:24:47,350 --> 00:24:44,880
the videos that i haven't sent you

706
00:24:48,710 --> 00:24:47,360
i've got like 60 70 videos i don't go

707
00:24:50,149 --> 00:24:48,720
back and look through them because they

708
00:24:52,630 --> 00:24:50,159
always end up having one thing or the

709
00:24:54,149 --> 00:24:52,640
other some of them get to be

710
00:24:55,590 --> 00:24:54,159
you you look at an orb and you enhance

711
00:24:57,590 --> 00:24:55,600
it and there's two other things in a

712
00:25:01,190 --> 00:24:57,600
triangle formation it's like what the

713
00:25:03,029 --> 00:25:01,200

heck triangle craft right um i've had

714

00:25:04,549 --> 00:25:03,039

the first experience that i had that

715

00:25:05,990 --> 00:25:04,559

caused me

716

00:25:07,430 --> 00:25:06,000

this is gonna be going down a little bit

717

00:25:09,510 --> 00:25:07,440

of a wood train but caused me to start

718

00:25:11,830 --> 00:25:09,520

recording was i used to sit and sit

719

00:25:14,070 --> 00:25:11,840

outside pandemic started

720

00:25:15,830 --> 00:25:14,080

i was just leaving uh my last mental

721

00:25:17,830 --> 00:25:15,840

health treatment like maybe six months

722

00:25:19,909 --> 00:25:17,840

prior and i sit outside all day just

723

00:25:21,750 --> 00:25:19,919

look at the stars i loved it right i

724

00:25:23,430 --> 00:25:21,760

started seeing

725

00:25:25,110 --> 00:25:23,440

not flashing lights

726

00:25:26,950 --> 00:25:25,120

what it was clearly

727

00:25:29,110 --> 00:25:26,960

was because i could see it was just

728

00:25:31,510 --> 00:25:29,120

quick enough it'd be a

729

00:25:33,029 --> 00:25:31,520

almost uh i'd say

730

00:25:34,870 --> 00:25:33,039

if it's a lighthouse you could not see

731

00:25:37,269 --> 00:25:34,880

from the side laser whatever you want to

732

00:25:39,269 --> 00:25:37,279

call it right but i could see it one eye

733

00:25:41,029 --> 00:25:39,279

to the other it was never bam it was

734

00:25:42,470 --> 00:25:41,039

always one eye to the other

735

00:25:44,710 --> 00:25:42,480

and i can't look you know and that's how

736

00:25:45,590 --> 00:25:44,720

i find it so i decided to record that

737

00:25:47,430 --> 00:25:45,600

stuff

738

00:25:49,350 --> 00:25:47,440

um that's when i started seeing and

739

00:25:51,590 --> 00:25:49,360

recording way more things but the

740

00:25:54,630 --> 00:25:51,600

problem with what i'm seeing is

741

00:25:56,630 --> 00:25:54,640

it doesn't fit into a neat little box

742

00:25:58,230 --> 00:25:56,640

yeah well why would it fit into a neat

743

00:25:59,830 --> 00:25:58,240

little box you know if it fed into a

744

00:26:01,909 --> 00:25:59,840

neat little box we wouldn't be here

745

00:26:04,789 --> 00:26:01,919

still trying to figure this out you know

746

00:26:07,190 --> 00:26:04,799

we wouldn't have scientists aviators

747

00:26:09,990 --> 00:26:07,200

um you name it having these types of

748

00:26:10,950 --> 00:26:10,000

experiences with no answers really you

749

00:26:12,710 --> 00:26:10,960

know

750

00:26:14,950 --> 00:26:12,720

avi loeb wouldn't be setting up this

751
00:26:16,549 --> 00:26:14,960
huge project galileo to figure this out

752
00:26:18,630 --> 00:26:16,559
because it already would be figured out

753
00:26:20,630 --> 00:26:18,640
because it's in a new little box as

754
00:26:22,710 --> 00:26:20,640
humans we want to put everything in a

755
00:26:25,830 --> 00:26:22,720
neat little box because that gives us a

756
00:26:26,870 --> 00:26:25,840
sense of control but when we can't do

757
00:26:29,830 --> 00:26:26,880
that

758
00:26:31,669 --> 00:26:29,840
things become seemingly uncontrollable

759
00:26:33,990 --> 00:26:31,679
and that's kind of what drives a lot of

760
00:26:35,830 --> 00:26:34,000
us mad right that's what drives fear

761
00:26:37,590 --> 00:26:35,840
with ukraine and russia we don't know

762
00:26:39,110 --> 00:26:37,600
who's gonna do what when the nuke's

763
00:26:42,390 --> 00:26:39,120

going to come up when this is going to

764

00:26:45,350 --> 00:26:42,400

go or that and because of that we have

765

00:26:47,830 --> 00:26:45,360

fear and that doesn't fit into a little

766

00:26:50,710 --> 00:26:47,840

box you know so sometimes i think that

767

00:26:53,750 --> 00:26:50,720

these situations at least the one i had

768

00:26:56,950 --> 00:26:53,760

i can say that sometimes i feel like the

769

00:26:59,269 --> 00:26:56,960

point of it was for me to think outside

770

00:27:01,350 --> 00:26:59,279

of the box and relinquish a little

771

00:27:03,350 --> 00:27:01,360

control and realize

772

00:27:05,669 --> 00:27:03,360

that i don't have to have control of

773

00:27:08,789 --> 00:27:05,679

everything and i will still be okay with

774

00:27:10,470 --> 00:27:08,799

the resources i have at being the human

775

00:27:12,230 --> 00:27:10,480

i am you know

776

00:27:13,830 --> 00:27:12,240

um that's a good point that's exactly

777

00:27:15,750 --> 00:27:13,840

yeah one of the things that saved my

778

00:27:17,350 --> 00:27:15,760

life

779

00:27:20,070 --> 00:27:17,360

i could do it myself with the resources

780

00:27:22,149 --> 00:27:20,080

i have figure this out yeah and you know

781

00:27:24,630 --> 00:27:22,159

sometimes you know you i hear you talked

782

00:27:27,510 --> 00:27:24,640

about uh manipulation somebody in the

783

00:27:29,830 --> 00:27:27,520

chat elena brought this up do you think

784

00:27:32,830 --> 00:27:29,840

is do you think there's any

785

00:27:34,710 --> 00:27:32,840

you know synchronicity involved versus

786

00:27:36,870 --> 00:27:34,720

manipulation you know

787

00:27:37,590 --> 00:27:36,880

you had to say that word i just learned

788

00:27:40,870 --> 00:27:37,600

that

789

00:27:43,190 --> 00:27:40,880

she did elena did yeah elena thank you

790

00:27:44,549 --> 00:27:43,200

um yeah i like questions it actually i

791

00:27:45,830 --> 00:27:44,559

told somebody on twitter this the other

792

00:27:47,590 --> 00:27:45,840

day

793

00:27:49,510 --> 00:27:47,600

i'm way too old i've lived through way

794

00:27:51,350 --> 00:27:49,520

too much crap to be set in my ways i

795

00:27:52,950 --> 00:27:51,360

don't know anything and i love questions

796

00:27:54,789 --> 00:27:52,960

because it helps me think think outside

797

00:28:00,230 --> 00:27:54,799

the box and i learn a lot from them

798

00:28:04,389 --> 00:28:02,549

at times i could i've actually said

799

00:28:05,750 --> 00:28:04,399

it's almost so thick

800

00:28:07,350 --> 00:28:05,760

once you notice it you learn it you

801
00:28:08,710 --> 00:28:07,360
understand high strangers whatever you

802
00:28:12,070 --> 00:28:08,720
want to call it that you choke on it

803
00:28:13,190 --> 00:28:12,080
right you can look back and see it it's

804
00:28:14,789 --> 00:28:13,200
really the only way you can see that

805
00:28:16,710 --> 00:28:14,799
synchronicity but it's

806
00:28:18,789 --> 00:28:16,720
most people go through life without and

807
00:28:21,510 --> 00:28:18,799
it's funny that that synchronicity often

808
00:28:23,510 --> 00:28:21,520
comes with uap right

809
00:28:25,590 --> 00:28:23,520
i can look at where i'm at now and that

810
00:28:27,350 --> 00:28:25,600
whole feel like i'm being dragged i can

811
00:28:29,590 --> 00:28:27,360
kind of see right

812
00:28:30,950 --> 00:28:29,600
that i can look now at the

813
00:28:32,230 --> 00:28:30,960

different things i've been doing the

814

00:28:33,510 --> 00:28:32,240

last two years seeing whatever

815

00:28:35,669 --> 00:28:33,520

experience and

816

00:28:38,470 --> 00:28:35,679

where i'm at now and like holy crap how

817

00:28:39,909 --> 00:28:38,480

did this even happen

818

00:28:42,870 --> 00:28:39,919

um

819

00:28:45,350 --> 00:28:42,880

there's stuff that i don't want to get

820

00:28:46,789 --> 00:28:45,360

into because it's so absolutely woo i

821

00:28:48,789 --> 00:28:46,799

don't want to take away from my master

822

00:28:50,549 --> 00:28:48,799

chair

823

00:28:52,230 --> 00:28:50,559

you do what you're comfortable with man

824

00:28:54,310 --> 00:28:52,240

yeah um

825

00:28:56,710 --> 00:28:54,320

i'm already a crazy ass combat man so i

826

00:28:59,510 --> 00:28:56,720

don't need much more of that but i can

827

00:29:01,830 --> 00:28:59,520

tell you if i could ask a question to

828

00:29:03,990 --> 00:29:01,840

other people i know we talk about sia

829

00:29:05,110 --> 00:29:04,000

abilities local downloads things like

830

00:29:06,950 --> 00:29:05,120

these right

831

00:29:08,389 --> 00:29:06,960

what if you've got local downloads what

832

00:29:09,990 --> 00:29:08,399

if you got local downloads to stuff you

833

00:29:11,350 --> 00:29:10,000

didn't want

834

00:29:12,870 --> 00:29:11,360

what if you had local downloads to

835

00:29:15,029 --> 00:29:12,880

things you didn't want and you had to

836

00:29:16,950 --> 00:29:15,039

tell someone else or prove it or explain

837

00:29:19,909 --> 00:29:16,960

it how

838

00:29:22,870 --> 00:29:19,919

you can't what's that make you seem like

839

00:29:25,190 --> 00:29:22,880

maybe seem like crazy [\h__\h]

840

00:29:26,470 --> 00:29:25,200

well first of all you don't seem crazy

841

00:29:28,070 --> 00:29:26,480

yeah i think you're doing great with

842

00:29:29,669 --> 00:29:28,080

this stuff especially on top of

843

00:29:31,430 --> 00:29:29,679

everything else you've you've had to

844

00:29:33,190 --> 00:29:31,440

deal with in your life and then throw

845

00:29:35,830 --> 00:29:33,200

this on top i think you're doing a great

846

00:29:38,470 --> 00:29:35,840

job and we talked on the phone uh you

847

00:29:42,070 --> 00:29:38,480

know privately before and

848

00:29:44,070 --> 00:29:42,080

um and i'll stick to this every time i i

849

00:29:45,830 --> 00:29:44,080

go through stuff myself or anyone else

850

00:29:49,350 --> 00:29:45,840

talks to me about it's like

851

00:29:52,149 --> 00:29:49,360

i think the main goal here is to also

852

00:29:53,350 --> 00:29:52,159

um you know if possible not right not

853

00:29:56,470 --> 00:29:53,360

relinquish

854

00:29:58,789 --> 00:29:56,480

um you know uh your grounding to this

855

00:30:01,669 --> 00:29:58,799

thing maybe be able to stay grounded and

856

00:30:04,310 --> 00:30:01,679

have a a sense of choice involved with

857

00:30:07,110 --> 00:30:04,320

it you know like no today i'm not gonna

858

00:30:09,110 --> 00:30:07,120

go do this you know i'm gonna do this

859

00:30:11,269 --> 00:30:09,120

and you know as far as you're concerned

860

00:30:13,590 --> 00:30:11,279

uap you can shove it because i'm doing

861

00:30:15,350 --> 00:30:13,600

this today

862

00:30:16,950 --> 00:30:15,360

or whatever whatever it is whatever it

863

00:30:19,510 --> 00:30:16,960

is i'm gonna tell you this uh i think it

864

00:30:21,029 --> 00:30:19,520

was sean cahill just i was just talking

865

00:30:23,190 --> 00:30:21,039

about the grounding especially the

866

00:30:24,789 --> 00:30:23,200

subject right

867

00:30:26,230 --> 00:30:24,799

and but how you know and you made a

868

00:30:28,230 --> 00:30:26,240

point of grounding grounding yourself in

869

00:30:29,510 --> 00:30:28,240

life whatever it is but especially when

870

00:30:30,710 --> 00:30:29,520

let's say you're living life and you're

871

00:30:31,750 --> 00:30:30,720

dealing with this subject how do you

872

00:30:33,510 --> 00:30:31,760

ground yourself when there's no one

873

00:30:35,430 --> 00:30:33,520

really to ground yourself

874

00:30:36,630 --> 00:30:35,440

maybe you have ufo twitter and some of

875

00:30:37,990 --> 00:30:36,640

these people

876

00:30:41,029 --> 00:30:38,000

um

877

00:30:43,590 --> 00:30:41,039

it's it's the weirdest thing to talk

878

00:30:46,310 --> 00:30:43,600

about things you see

879

00:30:48,070 --> 00:30:46,320

and record and to see a scientist or a

880

00:30:49,830 --> 00:30:48,080

doctor say not even give a [h__h] what you

881

00:30:51,029 --> 00:30:49,840

have on film

882

00:30:52,789 --> 00:30:51,039

automatically

883

00:30:54,149 --> 00:30:52,799

ask somebody else do you see these

884

00:30:55,430 --> 00:30:54,159

things too

885

00:30:57,029 --> 00:30:55,440

it doesn't matter what evidence you what

886

00:30:58,630 --> 00:30:57,039

you put before them they have it in

887

00:31:01,029 --> 00:30:58,640

their head right

888

00:31:02,389 --> 00:31:01,039

so where do you go to ground and that's

889

00:31:03,509 --> 00:31:02,399

the thing that's important it kind of

890

00:31:05,990 --> 00:31:03,519

worries me a little bit because it's

891

00:31:07,669 --> 00:31:06,000

like if i didn't have i'm gonna lie if i

892

00:31:10,310 --> 00:31:07,679

didn't have ted rowe i'd probably lost

893

00:31:12,789 --> 00:31:10,320

my ass ted rowe actually you may not

894

00:31:13,990 --> 00:31:12,799

know it he saved me from some it was the

895

00:31:15,830 --> 00:31:14,000

intensity of which i was going through

896

00:31:17,830 --> 00:31:15,840

this i i didn't understand because most

897

00:31:20,149 --> 00:31:17,840

people are just kind of like oh hey i

898

00:31:21,110 --> 00:31:20,159

see e5 let's and i'm not taking away

899

00:31:22,950 --> 00:31:21,120

from that

900

00:31:24,230 --> 00:31:22,960

i didn't ask for anything all i wanted

901
00:31:26,789 --> 00:31:24,240
was just to

902
00:31:28,789 --> 00:31:26,799
be normal which is very hard to do when

903
00:31:30,310 --> 00:31:28,799
you're pointing out this stuff right

904
00:31:32,470 --> 00:31:30,320
ain't nobody gonna be like oh that's the

905
00:31:34,230 --> 00:31:32,480
cool normal guy over there

906
00:31:36,470 --> 00:31:34,240
yeah he's always got his camera in this

907
00:31:38,710 --> 00:31:36,480
guy yeah no instead i just get avoided

908
00:31:40,149 --> 00:31:38,720
so i don't discuss this with anyone else

909
00:31:42,470 --> 00:31:40,159
i don't talk about my family i don't

910
00:31:44,830 --> 00:31:42,480
even point look up or whatever unless

911
00:31:47,430 --> 00:31:44,840
you know it's specific but it was

912
00:31:48,789 --> 00:31:47,440
important for me to change soon oh it

913
00:31:50,630 --> 00:31:48,799

will and that's one of the reasons i

914

00:31:52,389 --> 00:31:50,640

want to come here more people need to i

915

00:31:54,389 --> 00:31:52,399

guess be able to be open about it

916

00:31:55,830 --> 00:31:54,399

without repercussions but i also often

917

00:31:57,430 --> 00:31:55,840

worry and wonder about people who've had

918

00:31:58,789 --> 00:31:57,440

a mental health history

919

00:32:01,269 --> 00:31:58,799

because it doesn't take much to get them

920

00:32:03,509 --> 00:32:01,279

put right back in if you see imagine you

921

00:32:05,110 --> 00:32:03,519

come out of some kind of a mental health

922

00:32:07,350 --> 00:32:05,120

right and this is real for you you're

923

00:32:08,789 --> 00:32:07,360

seeing this stuff and you go to anyone

924

00:32:10,310 --> 00:32:08,799

and you're basically punished for it

925

00:32:12,310 --> 00:32:10,320

whoop

926

00:32:13,669 --> 00:32:12,320

yeah we need to do better man we need to

927

00:32:15,430 --> 00:32:13,679

do way better

928

00:32:17,190 --> 00:32:15,440

i think we're getting there slowly but

929

00:32:19,190 --> 00:32:17,200

surely yeah we are because people like

930

00:32:20,470 --> 00:32:19,200

you gary nolan all these other people

931

00:32:22,310 --> 00:32:20,480

that's very important that they they

932

00:32:23,830 --> 00:32:22,320

keep doing what they're doing

933

00:32:26,070 --> 00:32:23,840

and people are bringing up great points

934

00:32:28,389 --> 00:32:26,080

in the chat here like what is normal you

935

00:32:29,110 --> 00:32:28,399

know and that's one of the things that i

936

00:32:30,870 --> 00:32:29,120

mean

937

00:32:33,509 --> 00:32:30,880

that i think isn't

938

00:32:36,070 --> 00:32:33,519

important to to think about like what is

939

00:32:38,389 --> 00:32:36,080

what is normal and

940

00:32:40,870 --> 00:32:38,399

that puts us right back to talking about

941

00:32:43,750 --> 00:32:40,880

fitting in a neat little box like why is

942

00:32:46,230 --> 00:32:43,760

that the right way to be you know i've

943

00:32:47,029 --> 00:32:46,240

never been normal you know i've always

944

00:32:49,269 --> 00:32:47,039

been

945

00:32:50,789 --> 00:32:49,279

uh the outsider guy the black sheep or

946

00:32:51,750 --> 00:32:50,799

whatever you want to call it you know

947

00:32:54,389 --> 00:32:51,760

and it

948

00:32:56,789 --> 00:32:54,399

comes with a diff a more difficult life

949

00:33:00,149 --> 00:32:56,799

because you don't have as many people to

950

00:33:01,830 --> 00:33:00,159

rely on as people who are normal so to

951
00:33:04,549 --> 00:33:01,840
speak you know but

952
00:33:06,789 --> 00:33:04,559
um i agree i i'd rather be independent

953
00:33:08,149 --> 00:33:06,799
i'd rather be my own person you know let

954
00:33:09,830 --> 00:33:08,159
me ask you this but about your

955
00:33:11,750 --> 00:33:09,840
experiences and everything in the

956
00:33:13,909 --> 00:33:11,760
synchronicities like

957
00:33:19,110 --> 00:33:13,919
how was your

958
00:33:21,669 --> 00:33:19,120
not your not yourself but the world

959
00:33:23,509 --> 00:33:21,679
changed since you know experiencing

960
00:33:26,070 --> 00:33:23,519
stuff like this like

961
00:33:27,669 --> 00:33:26,080
maybe possibilities or what's out there

962
00:33:29,669 --> 00:33:27,679
what isn't

963
00:33:30,950 --> 00:33:29,679

uh i hate to keep referring back to ufo

964

00:33:33,110 --> 00:33:30,960

twitter but

965

00:33:35,590 --> 00:33:33,120

uh brandon frugal

966

00:33:36,789 --> 00:33:35,600

uh tweeted when i say my limit i have

967

00:33:39,110 --> 00:33:36,799

limited experience talking to people

968

00:33:40,710 --> 00:33:39,120

twitter is it if i'm not you twitter

969

00:33:44,389 --> 00:33:40,720

that's about all i've talked to in years

970

00:33:45,909 --> 00:33:44,399

but you posted something about curiosity

971

00:33:47,190 --> 00:33:45,919

and how you know

972

00:33:48,870 --> 00:33:47,200

that is how you live and that is

973

00:33:51,750 --> 00:33:48,880

literally how i live my life i no longer

974

00:33:53,190 --> 00:33:51,760

take what someone gives me

975

00:33:55,029 --> 00:33:53,200

yes i know there's limits to that such

976
00:33:56,789 --> 00:33:55,039
as you know you're not a scientist and

977
00:34:01,350 --> 00:33:56,799
all these other things

978
00:34:03,990 --> 00:34:01,360
i question i'm curious i i also know

979
00:34:05,750 --> 00:34:04,000
that we don't know at times i feel like

980
00:34:07,830 --> 00:34:05,760
there's a crack in reality that we just

981
00:34:09,589 --> 00:34:07,840
don't quite understand

982
00:34:11,990 --> 00:34:09,599
it's all here

983
00:34:14,149 --> 00:34:12,000
you know it's almost like some of us

984
00:34:15,430 --> 00:34:14,159
see this little crack

985
00:34:18,470 --> 00:34:15,440
um

986
00:34:21,510 --> 00:34:18,480
and and it's so odd for me especially

987
00:34:23,030 --> 00:34:21,520
scientists right so odd for me that most

988
00:34:24,310 --> 00:34:23,040

laymen don't give a crap just like you

989

00:34:26,950 --> 00:34:24,320

could be like hey look at that and

990

00:34:29,030 --> 00:34:26,960

they're like okay walk off but for

991

00:34:31,990 --> 00:34:29,040

scientists for scientists have the same

992

00:34:34,069 --> 00:34:32,000

dogma or a similar dogma as

993

00:34:35,990 --> 00:34:34,079

religion

994

00:34:37,510 --> 00:34:36,000

we're going to always be stuck here

995

00:34:39,990 --> 00:34:37,520

scientists right now

996

00:34:41,270 --> 00:34:40,000

are only looking for the known unknowns

997

00:34:42,710 --> 00:34:41,280

that they want right the things that

998

00:34:44,230 --> 00:34:42,720

they know that they're looking for that

999

00:34:46,230 --> 00:34:44,240

they don't know

1000

00:34:47,589 --> 00:34:46,240

wow imagine the progress we'll get once

1001
00:34:49,030 --> 00:34:47,599
they start looking for stuff that we

1002
00:34:51,109 --> 00:34:49,040
have zero clue about and they start

1003
00:34:53,109 --> 00:34:51,119
accepting there's things that we may not

1004
00:34:54,790 --> 00:34:53,119
understand consciousness all these

1005
00:34:56,869 --> 00:34:54,800
things instead we're still going after

1006
00:34:58,630 --> 00:34:56,879
the same things we don't know

1007
00:35:00,310 --> 00:34:58,640
and meanwhile

1008
00:35:02,630 --> 00:35:00,320
people who aren't scientists are like

1009
00:35:04,150 --> 00:35:02,640
what the hell you guys doing

1010
00:35:05,990 --> 00:35:04,160
right over here

1011
00:35:07,750 --> 00:35:06,000
you know and it kind of blows my mind to

1012
00:35:09,750 --> 00:35:07,760
live in a world where people just

1013
00:35:11,750 --> 00:35:09,760

i guess kind of turning a blind eye to

1014

00:35:12,550 --> 00:35:11,760

what's going on around them

1015

00:35:16,470 --> 00:35:12,560

yeah

1016

00:35:18,390 --> 00:35:16,480

bit before too sometimes i just feel

1017

00:35:20,550 --> 00:35:18,400

like people won't really care unless it

1018

00:35:21,990 --> 00:35:20,560

affects them personally like we're

1019

00:35:24,790 --> 00:35:22,000

talking about you

1020

00:35:26,710 --> 00:35:24,800

uh in your experiences and the effect

1021

00:35:28,710 --> 00:35:26,720

that they had on you obviously they've

1022

00:35:30,710 --> 00:35:28,720

had an effect on you and

1023

00:35:32,950 --> 00:35:30,720

i can't only say so much from being from

1024

00:35:36,710 --> 00:35:32,960

the outside but it seems almost positive

1025

00:35:38,630 --> 00:35:36,720

because it's keeping you um it's keeping

1026
00:35:39,910 --> 00:35:38,640
you on a good path without knowing you

1027
00:35:42,230 --> 00:35:39,920
more than i do

1028
00:35:44,950 --> 00:35:42,240
you know it seems that like that at

1029
00:35:46,790 --> 00:35:44,960
least for me it keeps me open

1030
00:35:48,310 --> 00:35:46,800
you know let me ask you this question

1031
00:35:49,670 --> 00:35:48,320
since you said that

1032
00:35:51,190 --> 00:35:49,680
you take someone like me who's lived

1033
00:35:52,470 --> 00:35:51,200
through a bunch of crap

1034
00:35:54,150 --> 00:35:52,480
didn't really have much to look forward

1035
00:35:57,030 --> 00:35:54,160
to all the questions you know it doesn't

1036
00:35:59,109 --> 00:35:57,040
matter what you take naa bible all the

1037
00:36:00,550 --> 00:35:59,119
answers are always in books

1038
00:36:02,790 --> 00:36:00,560

then you take that person whose whole

1039

00:36:05,109 --> 00:36:02,800

life said you've been telling it's all

1040

00:36:06,630 --> 00:36:05,119

right here everything about life and

1041

00:36:08,630 --> 00:36:06,640

then you say

1042

00:36:09,510 --> 00:36:08,640

i'm just kidding check this out it's all

1043

00:36:12,069 --> 00:36:09,520

different

1044

00:36:14,069 --> 00:36:12,079

that saved my ass man once i realized i

1045

00:36:15,750 --> 00:36:14,079

got past the oh my world changing what

1046

00:36:17,990 --> 00:36:15,760

is going on i was like

1047

00:36:19,829 --> 00:36:18,000

oh this could be fun we got a lot to

1048

00:36:21,349 --> 00:36:19,839

learn but i'm just so

1049

00:36:22,950 --> 00:36:21,359

blown away exactly

1050

00:36:24,470 --> 00:36:22,960

you said it right there

1051

00:36:26,550 --> 00:36:24,480

yeah

1052

00:36:28,230 --> 00:36:26,560

exactly people aren't excited to learn

1053

00:36:29,670 --> 00:36:28,240

about this stuff to see to

1054

00:36:32,310 --> 00:36:29,680

there's no excitement in the fact that

1055

00:36:33,349 --> 00:36:32,320

okay maybe we don't know it all instead

1056

00:36:35,829 --> 00:36:33,359

it's

1057

00:36:37,670 --> 00:36:35,839

uh constant put downs oh you're crazy

1058

00:36:39,670 --> 00:36:37,680

and all this other type of stuff and

1059

00:36:40,470 --> 00:36:39,680

it's like yeah yeah i could do without

1060

00:36:43,589 --> 00:36:40,480

that

1061

00:36:45,349 --> 00:36:43,599

just like galileo himself like uh you

1062

00:36:46,710 --> 00:36:45,359

know exactly that they thought that dude

1063

00:36:49,190 --> 00:36:46,720

was crazy

1064

00:36:51,270 --> 00:36:49,200

you know turns out he wasn't so much and

1065

00:36:55,270 --> 00:36:51,280

that's you know if you think about our

1066

00:36:57,030 --> 00:36:55,280

tech and and when we've really gotten um

1067

00:36:59,430 --> 00:36:57,040

advanced with this stuff was the past

1068

00:37:02,150 --> 00:36:59,440

hundred years or something 150 years

1069

00:37:04,550 --> 00:37:02,160

in the time span of all of mankind or

1070

00:37:06,829 --> 00:37:04,560

even the world's history and here we are

1071

00:37:10,230 --> 00:37:06,839

this fast doing this

1072

00:37:11,910 --> 00:37:10,240

like anything's possible man you know

1073

00:37:13,670 --> 00:37:11,920

think of what we'll be

1074

00:37:15,910 --> 00:37:13,680

we'll be able to do in

1075

00:37:19,670 --> 00:37:15,920

you know let's just say a hundred years

1076

00:37:21,030 --> 00:37:19,680

but even go farther 500 or a thousand

1077

00:37:22,950 --> 00:37:21,040

you know what are we going to be able to

1078

00:37:24,550 --> 00:37:22,960

accomplish what new discoveries are

1079

00:37:26,310 --> 00:37:24,560

going to come about that exciting you

1080

00:37:29,510 --> 00:37:26,320

can't even imagine it's like scientists

1081

00:37:30,950 --> 00:37:29,520

but it doesn't it's like uh well okay

1082

00:37:32,470 --> 00:37:30,960

i've you can't

1083

00:37:34,069 --> 00:37:32,480

paint them with a broad brush right

1084

00:37:35,589 --> 00:37:34,079

maybe a lot of them are like that but

1085

00:37:38,390 --> 00:37:35,599

there's some that aren't like that you

1086

00:37:40,390 --> 00:37:38,400

know like avila for instance yeah yeah

1087

00:37:42,310 --> 00:37:40,400

you're right it's the same way you do

1088

00:37:44,470 --> 00:37:42,320

all about scientists yeah

1089

00:37:46,069 --> 00:37:44,480

yeah i know and it's just i guess it's

1090

00:37:47,349 --> 00:37:46,079

hard for me because it'd be like anyone

1091

00:37:49,030 --> 00:37:47,359

else doing their job to be like you're

1092

00:37:52,069 --> 00:37:49,040

not doing your job

1093

00:37:53,829 --> 00:37:52,079

yeah totally how you getting paid

1094

00:37:55,589 --> 00:37:53,839

because it goes back to not being in

1095

00:37:57,910 --> 00:37:55,599

control again right well if i'm looking

1096

00:37:59,910 --> 00:37:57,920

for something unknown like how do i even

1097

00:38:01,190 --> 00:37:59,920

do that how do i do this career fields

1098

00:38:05,349 --> 00:38:01,200

are going to be lost

1099

00:38:06,230 --> 00:38:05,359

just an example stream fairies you know

1100

00:38:07,829 --> 00:38:06,240

all these different things are going to

1101
00:38:09,910 --> 00:38:07,839
happen no one wants to face that right

1102
00:38:11,750 --> 00:38:09,920
no one wants their life to be shaking

1103
00:38:13,270 --> 00:38:11,760
the poop and have to start from scratch

1104
00:38:14,550 --> 00:38:13,280
which is where i was

1105
00:38:16,790 --> 00:38:14,560
you know

1106
00:38:18,390 --> 00:38:16,800
yeah and i mean we don't even really

1107
00:38:20,310 --> 00:38:18,400
fully understand gravity what's going to

1108
00:38:21,349 --> 00:38:20,320
happen when we get that understanding

1109
00:38:23,109 --> 00:38:21,359
you know

1110
00:38:24,470 --> 00:38:23,119
what's going to be possible then you

1111
00:38:26,150 --> 00:38:24,480
know

1112
00:38:27,990 --> 00:38:26,160
well one of the things that

1113
00:38:30,390 --> 00:38:28,000

about gravity i mean like i said i'm an

1114

00:38:31,829 --> 00:38:30,400

aircraft guy

1115

00:38:33,270 --> 00:38:31,839

when i was talking about earlier i kept

1116

00:38:35,030 --> 00:38:33,280

seeing all these lights and things like

1117

00:38:36,470 --> 00:38:35,040

that to see things for example one of

1118

00:38:38,069 --> 00:38:36,480

the first experiences that i saw and i

1119

00:38:39,510 --> 00:38:38,079

didn't get to record

1120

00:38:41,430 --> 00:38:39,520

the only way i could explain it is look

1121

00:38:42,950 --> 00:38:41,440

like someone lit a match in the sky

1122

00:38:44,710 --> 00:38:42,960

i watched it

1123

00:38:47,829 --> 00:38:44,720

go up and it's just and it looks like a

1124

00:38:49,829 --> 00:38:47,839

tadpole moving up back and forth

1125

00:38:51,109 --> 00:38:49,839

i can point out and this is the thing i

1126

00:38:54,390 --> 00:38:51,119

see the most

1127

00:38:57,270 --> 00:38:54,400

there's something that has absolutely no

1128

00:38:58,390 --> 00:38:57,280

um it's not putting light out

1129

00:38:59,750 --> 00:38:58,400

per se

1130

00:39:01,430 --> 00:38:59,760

but i can see it

1131

00:39:03,109 --> 00:39:01,440

and this is that blob thing i always see

1132

00:39:04,230 --> 00:39:03,119

i know it is because it it's been above

1133

00:39:05,109 --> 00:39:04,240

my head it's like 500 feet in the

1134

00:39:06,310 --> 00:39:05,119

mountains

1135

00:39:08,550 --> 00:39:06,320

and i swear to you it moves like a

1136

00:39:10,069 --> 00:39:08,560

tadpole back and forth and i've got a

1137

00:39:11,589 --> 00:39:10,079

side of my son he calls it the dancing

1138

00:39:12,870 --> 00:39:11,599

stars is what he calls them they'll be

1139

00:39:14,550 --> 00:39:12,880

going around each other like doing this

1140

00:39:16,870 --> 00:39:14,560

stuff and they're you they have no light

1141

00:39:18,150 --> 00:39:16,880

source they're either way up or they're

1142

00:39:19,510 --> 00:39:18,160

little bitty and they're a lot closer

1143

00:39:21,270 --> 00:39:19,520

which is what i'm starting to think

1144

00:39:23,030 --> 00:39:21,280

because most of my experiences what

1145

00:39:24,150 --> 00:39:23,040

scares me is

1146

00:39:25,750 --> 00:39:24,160

i've had one that i thought i was

1147

00:39:26,870 --> 00:39:25,760

recording serious

1148

00:39:29,190 --> 00:39:26,880

the star

1149

00:39:31,190 --> 00:39:29,200

and it kept looking like it was moving

1150

00:39:33,030 --> 00:39:31,200

and at one point it's in front of some

1151
00:39:34,310 --> 00:39:33,040
tree branches that are 60 feet from me

1152
00:39:35,990 --> 00:39:34,320
right

1153
00:39:38,069 --> 00:39:36,000
i think i said the pulsating whatever it

1154
00:39:39,430 --> 00:39:38,079
was to you right and i got 10 minutes of

1155
00:39:41,349 --> 00:39:39,440
it and it's just moving across and i

1156
00:39:42,950 --> 00:39:41,359
can't figure out most of mine are pretty

1157
00:39:44,230 --> 00:39:42,960
close-up stuff and implications that

1158
00:39:45,430 --> 00:39:44,240
kind of scare me a little bit because

1159
00:39:47,349 --> 00:39:45,440
it's like oh

1160
00:39:49,270 --> 00:39:47,359
wait a second here

1161
00:39:50,950 --> 00:39:49,280
you know this is kind of crazy and i

1162
00:39:52,390 --> 00:39:50,960
also know drones i ever i know everybody

1163
00:39:54,390 --> 00:39:52,400

loves their fast drones they're first

1164

00:39:56,630 --> 00:39:54,400

person and i know all of these kids

1165

00:39:59,589 --> 00:39:56,640

around me love these so seeing something

1166

00:40:03,829 --> 00:39:59,599

with zero lights that yeah i'm always

1167

00:40:07,190 --> 00:40:05,510

it's like i'm gonna look up oh there it

1168

00:40:09,670 --> 00:40:07,200

is it's not like i'm gonna stare at the

1169

00:40:10,630 --> 00:40:09,680

sky for a while and find it interesting

1170

00:40:12,230 --> 00:40:10,640

yeah

1171

00:40:14,550 --> 00:40:12,240

never has it been like that december

1172

00:40:17,109 --> 00:40:14,560

17th of this year i had an experience it

1173

00:40:18,630 --> 00:40:17,119

scared the crap out of me and i've seen

1174

00:40:20,550 --> 00:40:18,640

some [h__h] actually that scared me more

1175

00:40:21,750 --> 00:40:20,560

than anything in my life so

1176

00:40:23,109 --> 00:40:21,760

i stopped looking up doing all this

1177

00:40:25,190 --> 00:40:23,119

other stuff maybe at some point and

1178

00:40:27,270 --> 00:40:25,200

discuss that uh when i seem like less of

1179

00:40:29,030 --> 00:40:27,280

a crazy person but

1180

00:40:30,630 --> 00:40:29,040

three months went by you don't seem like

1181

00:40:32,390 --> 00:40:30,640

a crazy person at all bro you're doing

1182

00:40:33,589 --> 00:40:32,400

great i appreciate that three months

1183

00:40:35,430 --> 00:40:33,599

went by i went to the mountains

1184

00:40:36,230 --> 00:40:35,440

specifically because i was like all

1185

00:40:38,550 --> 00:40:36,240

right

1186

00:40:39,910 --> 00:40:38,560

i'm gonna pick a day pick a time go out

1187

00:40:41,349 --> 00:40:39,920

and see if it's exactly what i think

1188

00:40:42,950 --> 00:40:41,359

like i just know

1189

00:40:44,870 --> 00:40:42,960

i went outside on the third day i was in

1190

00:40:46,390 --> 00:40:44,880

the mountains i'm a mountain boy now i

1191

00:40:47,670 --> 00:40:46,400

don't i god i can live there i don't

1192

00:40:49,670 --> 00:40:47,680

need the internet that's another thing

1193

00:40:51,589 --> 00:40:49,680

that's changed right yeah yeah i'm in

1194

00:40:54,790 --> 00:40:51,599

more with nature

1195

00:40:56,550 --> 00:40:54,800

100 and then uh i go outside i'm sitting

1196

00:40:59,349 --> 00:40:56,560

there maybe five minutes i'm setting my

1197

00:41:01,510 --> 00:40:59,359

camera and stuff up

1198

00:41:03,190 --> 00:41:01,520

look up there it is

1199

00:41:06,069 --> 00:41:03,200

and this is

1200

00:41:07,750 --> 00:41:06,079

80 90 miles away from home

1201
00:41:08,950 --> 00:41:07,760
look up first thing i see it's dancing

1202
00:41:10,230 --> 00:41:08,960
across the sky i got a little slight

1203
00:41:12,550 --> 00:41:10,240
crappy video of it because it's kind of

1204
00:41:14,069 --> 00:41:12,560
foggy and usually that's what they are

1205
00:41:14,950 --> 00:41:14,079
it's clearly a video of something but

1206
00:41:16,950 --> 00:41:14,960
it's

1207
00:41:18,390 --> 00:41:16,960
the thing that's frustrating

1208
00:41:20,230 --> 00:41:18,400
yeah it's like why do i know when to

1209
00:41:21,589 --> 00:41:20,240
look and where because it's not like oh

1210
00:41:22,870 --> 00:41:21,599
where's it at where's it at and i'm able

1211
00:41:24,390 --> 00:41:22,880
to point it out

1212
00:41:27,109 --> 00:41:24,400
and other people don't seem either

1213
00:41:28,230 --> 00:41:27,119

interested or it and it's on it's like i

1214

00:41:30,230 --> 00:41:28,240

don't know what's going on now there's a

1215

00:41:32,230 --> 00:41:30,240

very real possibility

1216

00:41:34,950 --> 00:41:32,240

someone hates me and

1217

00:41:37,829 --> 00:41:34,960

stalking me but which sounds crazier

1218

00:41:40,309 --> 00:41:37,839

that's what's not so that does

1219

00:41:43,109 --> 00:41:40,319

yeah exactly aliens would be less crazy

1220

00:41:44,630 --> 00:41:43,119

or et nhi would be less crazy but when

1221

00:41:46,470 --> 00:41:44,640

you record it everywhere you go and it's

1222

00:41:48,550 --> 00:41:46,480

obviously an aircraft

1223

00:41:50,069 --> 00:41:48,560

it's like oh your options are limited so

1224

00:41:52,150 --> 00:41:50,079

you got to be very careful who you talk

1225

00:41:53,510 --> 00:41:52,160

to it about right yeah

1226

00:41:54,790 --> 00:41:53,520

what mountain if you don't mind me

1227

00:41:57,510 --> 00:41:54,800

asking

1228

00:42:00,470 --> 00:41:57,520

um i live in washington state so i

1229

00:42:03,750 --> 00:42:00,480

usually go up uh snoqualmie up in those

1230

00:42:05,750 --> 00:42:03,760

areas and that's where i i mean

1231

00:42:08,630 --> 00:42:05,760

there's a lot of history in washington

1232

00:42:10,630 --> 00:42:08,640

state my friend see after the fact i

1233

00:42:12,150 --> 00:42:10,640

knew none of this i'm seeing all this

1234

00:42:14,150 --> 00:42:12,160

wondering what the hell is going on then

1235

00:42:15,430 --> 00:42:14,160

i'm like oh okay

1236

00:42:17,270 --> 00:42:15,440

so i go

1237

00:42:19,030 --> 00:42:17,280

i go up in the mountains you know and

1238

00:42:21,270 --> 00:42:19,040

now it's it's it's kind of fun for me to

1239

00:42:22,950 --> 00:42:21,280

do to go up in the mountains and

1240

00:42:24,630 --> 00:42:22,960

all these places that i go

1241

00:42:27,670 --> 00:42:24,640

it doesn't matter where

1242

00:42:29,030 --> 00:42:27,680

i i always record or see and point out

1243

00:42:31,349 --> 00:42:29,040

and it's kind of like

1244

00:42:33,030 --> 00:42:31,359

okay they're there

1245

00:42:35,030 --> 00:42:33,040

so so now

1246

00:42:37,190 --> 00:42:35,040

i'm limited what i can do about it so we

1247

00:42:38,230 --> 00:42:37,200

need other people to start thinking you

1248

00:42:40,630 --> 00:42:38,240

know what i mean

1249

00:42:43,270 --> 00:42:40,640

yeah right but what is there to even do

1250

00:42:45,030 --> 00:42:43,280

about it understand it from a scientist

1251
00:42:47,190 --> 00:42:45,040
scientist perspective but like in a

1252
00:42:50,069 --> 00:42:47,200
position like you're in or or i'm in

1253
00:42:52,870 --> 00:42:50,079
like what can we really do about it

1254
00:42:54,390 --> 00:42:52,880
i guess like i tend to think that a lot

1255
00:42:57,349 --> 00:42:54,400
of this stuff is

1256
00:42:59,430 --> 00:42:57,359
related to consciousness you know um i

1257
00:43:01,109 --> 00:42:59,440
think it is a hundred percent too but

1258
00:43:02,309 --> 00:43:01,119
why don't you explore that a bit i don't

1259
00:43:03,910 --> 00:43:02,319
know

1260
00:43:06,230 --> 00:43:03,920
and one of the ways that i think we

1261
00:43:08,069 --> 00:43:06,240
could do that is a lot of people if they

1262
00:43:10,069 --> 00:43:08,079
see a craft great they record that's the

1263
00:43:11,750 --> 00:43:10,079

stuff they're looking for lights orbs no

1264

00:43:13,270 --> 00:43:11,760

one gets a crap

1265

00:43:15,270 --> 00:43:13,280

i had a conversation the other day with

1266

00:43:17,349 --> 00:43:15,280

somebody who were talking about what do

1267

00:43:18,550 --> 00:43:17,359

the lights mean and what i mean by that

1268

00:43:20,309 --> 00:43:18,560

is

1269

00:43:22,710 --> 00:43:20,319

pay attention the rhythm

1270

00:43:25,670 --> 00:43:22,720

as humans i understand whatever not a

1271

00:43:27,750 --> 00:43:25,680

human we use lights for specific reasons

1272

00:43:29,190 --> 00:43:27,760

right security uh all kinds of different

1273

00:43:30,630 --> 00:43:29,200

reasons doesn't matter

1274

00:43:33,030 --> 00:43:30,640

point is

1275

00:43:34,710 --> 00:43:33,040

if this is an object or an nhi is

1276

00:43:36,069 --> 00:43:34,720

invisible to us whenever it wants to be

1277

00:43:38,309 --> 00:43:36,079

and all of a sudden it's showing us

1278

00:43:41,109 --> 00:43:38,319

things there's a reason

1279

00:43:43,589 --> 00:43:41,119

none of us pay attention to it

1280

00:43:45,270 --> 00:43:43,599

and that's kind of like uh why i mean

1281

00:43:48,150 --> 00:43:45,280

rhythm i mean i saw someone i think they

1282

00:43:50,230 --> 00:43:48,160

were using ai to be i think they used ai

1283

00:43:51,750 --> 00:43:50,240

to tell that the beats of some of these

1284

00:43:53,670 --> 00:43:51,760

lights weren't aircraft that's something

1285

00:43:55,510 --> 00:43:53,680

new which is awesome which i find like

1286

00:43:57,349 --> 00:43:55,520

finally right

1287

00:43:59,430 --> 00:43:57,359

um

1288

00:44:00,390 --> 00:43:59,440

as far as lights what blows my mind is

1289

00:44:01,589 --> 00:44:00,400

we know

1290

00:44:03,270 --> 00:44:01,599

they have a rather

1291

00:44:04,550 --> 00:44:03,280

regular rhythm and beat when we start

1292

00:44:06,309 --> 00:44:04,560

doing these and some of the stuff the

1293

00:44:07,589 --> 00:44:06,319

reason i knew it wasn't what it was is

1294

00:44:09,910 --> 00:44:07,599

i'd see a

1295

00:44:11,190 --> 00:44:09,920

that sweep across my eyes it disappeared

1296

00:44:12,710 --> 00:44:11,200

for five minutes and i'd be looking for

1297

00:44:14,470 --> 00:44:12,720

it and there it was again another part

1298

00:44:17,910 --> 00:44:14,480

of the sky

1299

00:44:19,430 --> 00:44:17,920

and i'm pretty sure not positive i

1300

00:44:20,390 --> 00:44:19,440

you know that whole they talk about that

1301
00:44:21,349 --> 00:44:20,400
being

1302
00:44:24,950 --> 00:44:21,359
they

1303
00:44:26,950 --> 00:44:24,960
something like that i think

1304
00:44:29,349 --> 00:44:26,960
i have a video of that

1305
00:44:30,790 --> 00:44:29,359
that's a video and i think right

1306
00:44:32,390 --> 00:44:30,800
and then and if you slow it down

1307
00:44:34,550 --> 00:44:32,400
everything goes crazy there's a triangle

1308
00:44:36,150 --> 00:44:34,560
light there's triangles almost that's

1309
00:44:38,069 --> 00:44:36,160
the craziest part so i'm searching for

1310
00:44:39,589 --> 00:44:38,079
this craft that's spot doing that across

1311
00:44:41,190 --> 00:44:39,599
my eyes in this video because i'm going

1312
00:44:42,870 --> 00:44:41,200
to get you right

1313
00:44:44,390 --> 00:44:42,880

and then i just found this because like

1314

00:44:46,069 --> 00:44:44,400

i said i have no interest in going back

1315

00:44:47,990 --> 00:44:46,079

and looking because that wasn't my thing

1316

00:44:49,510 --> 00:44:48,000

at the time and i just found this and as

1317

00:44:51,750 --> 00:44:49,520

i'm sweeping for it

1318

00:44:55,030 --> 00:44:51,760

if you slow it down the whole camera

1319

00:44:57,589 --> 00:44:55,040

goes nuts you see a triangle of lights

1320

00:44:59,510 --> 00:44:57,599

camera goes nuts and then it's gone

1321

00:45:01,430 --> 00:44:59,520

and and i'm like what the heck you know

1322

00:45:02,829 --> 00:45:01,440

and it's it's little things like that

1323

00:45:05,190 --> 00:45:02,839

and maybe

1324

00:45:07,510 --> 00:45:05,200

there's there's all kinds of things it

1325

00:45:09,190 --> 00:45:07,520

could be maybe it's one of ours but i

1326
00:45:13,190 --> 00:45:09,200
have a hard time believing because i

1327
00:45:14,790 --> 00:45:13,200
haven't seen it do like a craft

1328
00:45:16,790 --> 00:45:14,800
but now that i'm starting to think maybe

1329
00:45:18,950 --> 00:45:16,800
these orbs are attached to craft or

1330
00:45:21,670 --> 00:45:18,960
their tools these lights orbs whatever

1331
00:45:22,550 --> 00:45:21,680
you want to call them are either tools

1332
00:45:24,150 --> 00:45:22,560
or

1333
00:45:25,510 --> 00:45:24,160
a way of communicating i don't know if

1334
00:45:27,510 --> 00:45:25,520
communicating is necessarily it i think

1335
00:45:28,309 --> 00:45:27,520
it's a tool and i know that they talk

1336
00:45:30,150 --> 00:45:28,319
about

1337
00:45:32,069 --> 00:45:30,160
lights picking stuff off the ground like

1338
00:45:33,349 --> 00:45:32,079

it's doing samples you know things like

1339

00:45:36,150 --> 00:45:33,359

that but

1340

00:45:37,430 --> 00:45:36,160

i've seen firsthand

1341

00:45:38,870 --> 00:45:37,440

whatever it was because i remember

1342

00:45:40,550 --> 00:45:38,880

thinking what is this thing this

1343

00:45:42,150 --> 00:45:40,560

lighthouse it's just sweep across my

1344

00:45:43,990 --> 00:45:42,160

eyes really quick and i got that one

1345

00:45:45,109 --> 00:45:44,000

video i think i said to you

1346

00:45:48,309 --> 00:45:45,119

those red

1347

00:45:50,870 --> 00:45:48,319

or amber orbs that uh i threw a video up

1348

00:45:51,990 --> 00:45:50,880

on my youtube that to me my instinct

1349

00:45:54,150 --> 00:45:52,000

felt like

1350

00:45:56,790 --> 00:45:54,160

um you know scoping like they were

1351
00:45:58,630 --> 00:45:56,800
scoping something out or reconnaissance

1352
00:46:00,230 --> 00:45:58,640
or looking at stuff or whatever and i

1353
00:46:02,550 --> 00:46:00,240
even got a feeling from one of them was

1354
00:46:03,829 --> 00:46:02,560
that grumpy like they were grumpy that

1355
00:46:05,670 --> 00:46:03,839
they were yeah

1356
00:46:07,750 --> 00:46:05,680
i'm like what the hell am i doing here

1357
00:46:09,270 --> 00:46:07,760
that's what kind of worries me

1358
00:46:10,950 --> 00:46:09,280
what where's me and concerns me about

1359
00:46:13,030 --> 00:46:10,960
all this is you get that okay you just

1360
00:46:15,109 --> 00:46:13,040
said it's a nail on the head

1361
00:46:16,390 --> 00:46:15,119
now me being a veteran

1362
00:46:17,910 --> 00:46:16,400
that means

1363
00:46:19,910 --> 00:46:17,920

they're checking us out either looking

1364

00:46:22,390 --> 00:46:19,920

for weaknesses this is in my head

1365

00:46:23,430 --> 00:46:22,400

weaknesses uh strengths trying to figure

1366

00:46:25,030 --> 00:46:23,440

out what we have you know they're

1367

00:46:26,550 --> 00:46:25,040

scoping us out which scares me and no

1368

00:46:29,910 --> 00:46:26,560

one seems to be concerned it could be

1369

00:46:33,430 --> 00:46:31,349

this is the old veteran in me that's

1370

00:46:36,069 --> 00:46:33,440

like i don't know what this is i don't

1371

00:46:37,349 --> 00:46:36,079

like it right yeah yeah you gotta find a

1372

00:46:40,309 --> 00:46:37,359

way to be okay with what you can't

1373

00:46:41,910 --> 00:46:40,319

control yeah which i am finally but it

1374

00:46:43,670 --> 00:46:41,920

took me having people to tell you and

1375

00:46:47,670 --> 00:46:43,680

there's not really a or are you going to

1376

00:46:48,710 --> 00:46:47,680

go to a nhi recovery group

1377

00:46:51,589 --> 00:46:48,720

hey

1378

00:46:53,109 --> 00:46:51,599

maybe a good maybe in a few years

1379

00:46:55,270 --> 00:46:53,119

you know what

1380

00:46:58,790 --> 00:46:55,280

that was my idea remember that

1381

00:47:00,230 --> 00:46:58,800

yeah well they and there are uh places

1382

00:47:01,510 --> 00:47:00,240

you can go you know like there's

1383

00:47:03,510 --> 00:47:01,520

something called the experiencer group

1384

00:47:06,150 --> 00:47:03,520

like my co-host uh jay christopher king

1385

00:47:07,990 --> 00:47:06,160

he's with me sometimes he uh runs that

1386

00:47:09,910 --> 00:47:08,000

and it's a website where experiencers

1387

00:47:11,670 --> 00:47:09,920

can go and just kind of talk shop and

1388

00:47:13,750 --> 00:47:11,680

talk about their experiences and

1389

00:47:15,829 --> 00:47:13,760

exchange notes and it's all everything's

1390

00:47:18,470 --> 00:47:15,839

private you know um

1391

00:47:20,309 --> 00:47:18,480

so and i've taken i've taken part in

1392

00:47:21,589 --> 00:47:20,319

that it's really nice to

1393

00:47:24,150 --> 00:47:21,599

be able to

1394

00:47:26,309 --> 00:47:24,160

unload and talk about everything and all

1395

00:47:29,109 --> 00:47:26,319

your thoughts related to it and not

1396

00:47:30,710 --> 00:47:29,119

worry about what what someone's going to

1397

00:47:32,150 --> 00:47:30,720

say or think

1398

00:47:33,109 --> 00:47:32,160

you know because you're right there's so

1399

00:47:35,270 --> 00:47:33,119

many

1400

00:47:37,670 --> 00:47:35,280

like my main experience involved you

1401

00:47:39,190 --> 00:47:37,680

know like i feel like it involves a

1402

00:47:40,950 --> 00:47:39,200

dream premonition that came true that

1403

00:47:43,109 --> 00:47:40,960

involved a family member i don't want to

1404

00:47:44,950 --> 00:47:43,119

go and talk about this stuff constantly

1405

00:47:46,870 --> 00:47:44,960

online because that involves other

1406

00:47:49,510 --> 00:47:46,880

people you know and i don't want to do

1407

00:47:51,670 --> 00:47:49,520

that so that's that was a great place to

1408

00:47:53,589 --> 00:47:51,680

to go and just like

1409

00:47:55,589 --> 00:47:53,599

say you know put your arms up say i

1410

00:47:57,030 --> 00:47:55,599

don't know but these are the things i

1411

00:47:59,430 --> 00:47:57,040

think and these are the things that

1412

00:48:01,030 --> 00:47:59,440

happen to me you know that in itself

1413

00:48:03,510 --> 00:48:01,040

feels great you know

1414

00:48:06,549 --> 00:48:03,520

you may not leave any wiser for it

1415

00:48:08,069 --> 00:48:06,559

or whatever but you are because you're

1416

00:48:10,710 --> 00:48:08,079

lighter because you got it off of your

1417

00:48:12,549 --> 00:48:10,720

chest you know and it's a great place i

1418

00:48:15,270 --> 00:48:12,559

really and there's other places like

1419

00:48:17,349 --> 00:48:15,280

that that do it i mean you know and

1420

00:48:19,349 --> 00:48:17,359

obviously you check whatever out and

1421

00:48:21,510 --> 00:48:19,359

figure out what's best for you but

1422

00:48:24,230 --> 00:48:21,520

you know i i feel like that's

1423

00:48:26,390 --> 00:48:24,240

you know that's a a useful thing because

1424

00:48:29,190 --> 00:48:26,400

especially with this stuff now like

1425

00:48:31,270 --> 00:48:29,200

twitter and and stuff going to to

1426

00:48:33,109 --> 00:48:31,280

congress and the government and all that

1427

00:48:35,030 --> 00:48:33,119

there is a little bit of an effort to

1428

00:48:37,030 --> 00:48:35,040

squash the experience or side of this

1429

00:48:39,109 --> 00:48:37,040

for now because it'll weird people out

1430

00:48:41,349 --> 00:48:39,119

you know and whatever i don't want to

1431

00:48:42,790 --> 00:48:41,359

get in the politics of that i guess but

1432

00:48:44,870 --> 00:48:42,800

in the end like

1433

00:48:47,109 --> 00:48:44,880

we're all experiencers

1434

00:48:49,750 --> 00:48:47,119

you know if you've seen even a story of

1435

00:48:51,829 --> 00:48:49,760

this and you thought wow that's crazy

1436

00:48:54,069 --> 00:48:51,839

that's an experience you just that

1437

00:48:54,870 --> 00:48:54,079

affected you you know maybe in a small

1438

00:48:57,109 --> 00:48:54,880

way

1439

00:48:58,710 --> 00:48:57,119

whatever but it did you know you were

1440

00:49:00,870 --> 00:48:58,720

talking about the politics of the whole

1441

00:49:03,349 --> 00:49:00,880

thing one thing i would like to say is

1442

00:49:05,670 --> 00:49:03,359

it's far easier for us as experiencers

1443

00:49:06,710 --> 00:49:05,680

ufo twitter whatever you want to call it

1444

00:49:11,030 --> 00:49:06,720

to

1445

00:49:12,790 --> 00:49:11,040

may not all have the same this is a big

1446

00:49:15,030 --> 00:49:12,800

old umbrella

1447

00:49:16,870 --> 00:49:15,040

there's way more here than just

1448

00:49:18,390 --> 00:49:16,880

technology you know

1449

00:49:20,230 --> 00:49:18,400

and it seems that everyone's screaming

1450

00:49:21,430 --> 00:49:20,240

at each other it's it's not really

1451
00:49:22,549 --> 00:49:21,440
helping

1452
00:49:24,150 --> 00:49:22,559
right

1453
00:49:26,150 --> 00:49:24,160
and it kind of hurts when i see people

1454
00:49:28,390 --> 00:49:26,160
know and people are gonna like me for

1455
00:49:30,470 --> 00:49:28,400
some of this susan go all these other

1456
00:49:31,990 --> 00:49:30,480
people um brian bender a lot of these

1457
00:49:34,870 --> 00:49:32,000
guys people who do their job that may

1458
00:49:36,230 --> 00:49:34,880
not agree with what you we are all

1459
00:49:37,990 --> 00:49:36,240
they're literally

1460
00:49:39,990 --> 00:49:38,000
helping right we don't want to be in an

1461
00:49:41,670 --> 00:49:40,000
echo chamber no we don't need to be in

1462
00:49:43,270 --> 00:49:41,680
an echo chamber and as much as some of

1463
00:49:45,750 --> 00:49:43,280

this sucks i just think sometimes i'm

1464

00:49:48,390 --> 00:49:45,760

like oh we need to breathe take a breath

1465

00:49:50,230 --> 00:49:48,400

and then just talk and figure this out

1466

00:49:51,750 --> 00:49:50,240

yeah you're right i mean i think with

1467

00:49:54,630 --> 00:49:51,760

twitter it kind of takes advantage of

1468

00:49:58,150 --> 00:49:54,640

people's like uh worst eliminating

1469

00:49:59,910 --> 00:49:58,160

traits yeah you know like i can just if

1470

00:50:01,990 --> 00:49:59,920

you're pissed off it's so easy to just

1471

00:50:03,910 --> 00:50:02,000

hit a couple buttons and hit send where

1472

00:50:05,510 --> 00:50:03,920

you know if you're in person like well

1473

00:50:07,750 --> 00:50:05,520

they might punch me in the mouth so

1474

00:50:11,109 --> 00:50:07,760

maybe i won't say it you know

1475

00:50:13,030 --> 00:50:11,119

you know or whatever that may be so

1476

00:50:15,829 --> 00:50:13,040

yeah it's like and a lot of people

1477

00:50:17,670 --> 00:50:15,839

complain about twitter but in a and i

1478

00:50:19,990 --> 00:50:17,680

share that frustration but in another

1479

00:50:22,150 --> 00:50:20,000

sense it's kind of um

1480

00:50:25,349 --> 00:50:22,160

you know if you can figure out how to

1481

00:50:27,190 --> 00:50:25,359

make it work with that

1482

00:50:28,710 --> 00:50:27,200

nothing's going to stop you

1483

00:50:29,510 --> 00:50:28,720

you know

1484

00:50:31,750 --> 00:50:29,520

um

1485

00:50:33,990 --> 00:50:31,760

let me ask you about your experience

1486

00:50:34,710 --> 00:50:34,000

sure i know you you show me uh your head

1487

00:50:35,910 --> 00:50:34,720

back

1488

00:50:37,190 --> 00:50:35,920

so

1489

00:50:39,670 --> 00:50:37,200

when you had it

1490

00:50:40,950 --> 00:50:39,680

what what's i don't know

1491

00:50:42,230 --> 00:50:40,960

i guess a person whenever they

1492

00:50:43,750 --> 00:50:42,240

experience something they do the best

1493

00:50:45,430 --> 00:50:43,760

they can to explain it to themselves in

1494

00:50:48,390 --> 00:50:45,440

whatever way they can sure how have you

1495

00:50:51,829 --> 00:50:48,400

justified or explained it to yourself

1496

00:50:54,710 --> 00:50:51,839

uh great question um i don't know that i

1497

00:50:56,150 --> 00:50:54,720

have really 100 percent um

1498

00:50:59,270 --> 00:50:56,160

definitely

1499

00:51:00,470 --> 00:50:59,280

still trying to figure that out most

1500

00:51:02,950 --> 00:51:00,480

definitely

1501
00:51:03,990 --> 00:51:02,960
um the main takeaway that i have from it

1502
00:51:06,549 --> 00:51:04,000
is it was

1503
00:51:09,270 --> 00:51:06,559
uh it made me pay attention and it put

1504
00:51:11,349 --> 00:51:09,280
me in this place so

1505
00:51:13,270 --> 00:51:11,359
all i can think of is that i'm here for

1506
00:51:15,990 --> 00:51:13,280
a reason you know maybe i don't know

1507
00:51:17,109 --> 00:51:16,000
what that is right now but but i'll find

1508
00:51:19,910 --> 00:51:17,119
out

1509
00:51:21,510 --> 00:51:19,920
uh you know so i'm just here trying to

1510
00:51:23,670 --> 00:51:21,520
do the best i can

1511
00:51:26,870 --> 00:51:23,680
be there for people if i can be have a

1512
00:51:28,790 --> 00:51:26,880
spot for people to to go to or watch or

1513
00:51:31,109 --> 00:51:28,800

learn or whatever so but with that i

1514

00:51:32,870 --> 00:51:31,119

took on responsibility i figured like if

1515

00:51:34,710 --> 00:51:32,880

i'm gonna be here and do this and be put

1516

00:51:36,470 --> 00:51:34,720

in this position i'm gonna take it

1517

00:51:38,069 --> 00:51:36,480

seriously i'm going to do my research

1518

00:51:40,150 --> 00:51:38,079

i'm going to learn as much as i can

1519

00:51:41,829 --> 00:51:40,160

about what's happened already because

1520

00:51:44,309 --> 00:51:41,839

when people listen to me and come to my

1521

00:51:46,870 --> 00:51:44,319

channel i want them to know that there's

1522

00:51:48,390 --> 00:51:46,880

a knowledge base behind the things i i

1523

00:51:49,430 --> 00:51:48,400

say or

1524

00:51:51,190 --> 00:51:49,440

or do

1525

00:51:53,430 --> 00:51:51,200

you know so that's why i do all that

1526
00:51:54,150 --> 00:51:53,440
research and everything so i can you

1527
00:51:55,910 --> 00:51:54,160
know

1528
00:51:57,589 --> 00:51:55,920
have a pot to piss and so to speak

1529
00:51:59,670 --> 00:51:57,599
versus just interviewing a bunch of

1530
00:52:01,430 --> 00:51:59,680
people and not really knowing much of

1531
00:52:03,990 --> 00:52:01,440
what's happened before or what could be

1532
00:52:06,069 --> 00:52:04,000
happening now or is this new is this

1533
00:52:08,470 --> 00:52:06,079
different or whatever and i'm still

1534
00:52:09,670 --> 00:52:08,480
learning every day and i have a lot to

1535
00:52:13,109 --> 00:52:09,680
learn but

1536
00:52:14,309 --> 00:52:13,119
um you know i'm put here for a reason

1537
00:52:16,549 --> 00:52:14,319
and

1538
00:52:19,430 --> 00:52:16,559

i have to respect that

1539

00:52:21,910 --> 00:52:19,440

and do the best i can with it you know

1540

00:52:24,069 --> 00:52:21,920

and so that's that's the my main

1541

00:52:25,510 --> 00:52:24,079

takeaway from it at this point

1542

00:52:27,109 --> 00:52:25,520

i'll tell you sean though that's

1543

00:52:27,990 --> 00:52:27,119

important

1544

00:52:31,030 --> 00:52:28,000

me

1545

00:52:33,109 --> 00:52:31,040

i had no one else i had you posted i'm

1546

00:52:34,630 --> 00:52:33,119

literally ufo twitter's all i had and as

1547

00:52:36,309 --> 00:52:34,640

crazy as it sounds that's one of the

1548

00:52:38,230 --> 00:52:36,319

important things here you're doing what

1549

00:52:40,230 --> 00:52:38,240

you need to do just keep doing it you

1550

00:52:43,190 --> 00:52:40,240

experience something

1551

00:52:45,829 --> 00:52:43,200

it's very self-isolating right

1552

00:52:47,750 --> 00:52:45,839

so sure like i said before if you're

1553

00:52:49,270 --> 00:52:47,760

experiencing something like this who do

1554

00:52:51,030 --> 00:52:49,280

you talk to whatever it can be isolating

1555

00:52:53,109 --> 00:52:51,040

if you have no one to discuss this with

1556

00:52:55,349 --> 00:52:53,119

you know how crappy it is that i have to

1557

00:52:57,109 --> 00:52:55,359

come compartmentalize my mental health

1558

00:52:58,630 --> 00:52:57,119

i'm very aware what i can and can't say

1559

00:53:00,470 --> 00:52:58,640

to my doctors

1560

00:53:02,470 --> 00:53:00,480

and it's like yeah it's kind of crappy

1561

00:53:05,030 --> 00:53:02,480

you know but i do so when i have other

1562

00:53:06,950 --> 00:53:05,040

people i can discuss this stuff with and

1563

00:53:08,390 --> 00:53:06,960

i'm hoping at some point we could be you

1564

00:53:10,069 --> 00:53:08,400

know there won't be a whole

1565

00:53:11,990 --> 00:53:10,079

compartmentalize this type stuff because

1566

00:53:14,150 --> 00:53:12,000

mental health is pretty important and i

1567

00:53:15,670 --> 00:53:14,160

can promise you this is a rabbit hole

1568

00:53:17,910 --> 00:53:15,680

that you need to have your mental health

1569

00:53:19,349 --> 00:53:17,920

in checked on you know yeah

1570

00:53:21,990 --> 00:53:19,359

yeah no

1571

00:53:23,910 --> 00:53:22,000

most definitely

1572

00:53:27,109 --> 00:53:23,920

definitely you know and you all know

1573

00:53:28,870 --> 00:53:27,119

those you know like that's kind of

1574

00:53:30,710 --> 00:53:28,880

what we're afraid of turning into right

1575

00:53:32,870 --> 00:53:30,720

that's like at least when i had my

1576

00:53:35,349 --> 00:53:32,880

sightings like i'm afraid i'm gonna be

1577

00:53:38,470 --> 00:53:35,359

that guy that's going aliens are coming

1578

00:53:40,710 --> 00:53:38,480

after me like yeah and everybody's like

1579

00:53:43,589 --> 00:53:40,720

that's what happened to sean in the rash

1580

00:53:45,990 --> 00:53:43,599

house that guy's lost it you know like

1581

00:53:47,990 --> 00:53:46,000

so that's there's always that fear that

1582

00:53:49,829 --> 00:53:48,000

that may happen to me but the fact that

1583

00:53:53,190 --> 00:53:49,839

i'm even thinking about it means you

1584

00:53:57,430 --> 00:53:55,589

you know that sucks because i agree with

1585

00:53:59,190 --> 00:53:57,440

you someone like me who spent their

1586

00:54:00,950 --> 00:53:59,200

entire life like i said i was decorated

1587

00:54:03,910 --> 00:54:00,960

out of military 2010 then burned their

1588

00:54:04,950 --> 00:54:03,920

life down people only think of yes

1589

00:54:06,630 --> 00:54:04,960

that

1590

00:54:08,549 --> 00:54:06,640

uh criminal addict whatever the hell you

1591

00:54:10,470 --> 00:54:08,559

were ptsd mental patient

1592

00:54:11,430 --> 00:54:10,480

here let's just add this stuff to it

1593

00:54:13,349 --> 00:54:11,440

right

1594

00:54:16,069 --> 00:54:13,359

yeah i'm sure oh look guys he's getting

1595

00:54:18,230 --> 00:54:16,079

so much better he's talking about uap

1596

00:54:19,589 --> 00:54:18,240

yeah sure so it doesn't matter how much

1597

00:54:21,829 --> 00:54:19,599

better you do

1598

00:54:22,870 --> 00:54:21,839

this topic this topic right now is still

1599

00:54:24,390 --> 00:54:22,880

kind of

1600

00:54:28,150 --> 00:54:24,400

and that's why i'm here i don't care who

1601

00:54:32,950 --> 00:54:31,030

we need not worry about what we seem uh

1602

00:54:35,030 --> 00:54:32,960

we only need to worry about being who we

1603

00:54:36,950 --> 00:54:35,040

are yeah

1604

00:54:39,430 --> 00:54:36,960

yeah and i think you know

1605

00:54:41,349 --> 00:54:39,440

it's it's a part of it you know yeah

1606

00:54:44,230 --> 00:54:41,359

that's what it is but that doesn't mean

1607

00:54:46,710 --> 00:54:44,240

it has to take over who you are are as a

1608

00:54:47,510 --> 00:54:46,720

person you still have to find a way to

1609

00:54:49,990 --> 00:54:47,520

be

1610

00:54:52,549 --> 00:54:50,000

you and yourself you know as an

1611

00:54:55,829 --> 00:54:52,559

individual that's true to yourself and

1612

00:54:58,150 --> 00:54:55,839

and not let it uh your whole being be

1613

00:55:00,309 --> 00:54:58,160

that you know or the uap like once it

1614

00:55:03,030 --> 00:55:00,319

takes away your individuality that's

1615

00:55:04,950 --> 00:55:03,040

when i think it's a detriment you know

1616

00:55:07,030 --> 00:55:04,960

i brought something up earlier and

1617

00:55:08,710 --> 00:55:07,040

i'll tell you what i'll i'll tell you

1618

00:55:10,870 --> 00:55:08,720

your podcast at a later date not right

1619

00:55:13,030 --> 00:55:10,880

yet but we had talked about uh how it

1620

00:55:14,789 --> 00:55:13,040

changed my life and things like that

1621

00:55:16,470 --> 00:55:14,799

so what if you start whatever you want

1622

00:55:18,829 --> 00:55:16,480

to call it pay attention to things

1623

00:55:20,390 --> 00:55:18,839

downloads whatever what it is

1624

00:55:22,870 --> 00:55:20,400

so

1625

00:55:27,109 --> 00:55:22,880

what if that

1626

00:55:31,430 --> 00:55:28,390

that

1627

00:55:34,309 --> 00:55:31,440

exist right

1628

00:55:35,589 --> 00:55:34,319

yeah so on top of that you got usps

1629

00:55:36,789 --> 00:55:35,599

now you know things that you probably

1630

00:55:38,150 --> 00:55:36,799

shouldn't that you don't you wish you

1631

00:55:39,510 --> 00:55:38,160

didn't

1632

00:55:41,109 --> 00:55:39,520

what do you do with those things what do

1633

00:55:42,470 --> 00:55:41,119

you do with the uaps

1634

00:55:44,069 --> 00:55:42,480

you know you got all this baggage on top

1635

00:55:46,309 --> 00:55:44,079

of your head

1636

00:55:47,990 --> 00:55:46,319

so i come from it from a point of i'm

1637

00:55:50,549 --> 00:55:48,000

not saying it's negative i'm saying it's

1638

00:55:52,470 --> 00:55:50,559

a lot and who would believe me this is

1639

00:55:54,309 --> 00:55:52,480

let's just say hypothetically

1640

00:55:56,470 --> 00:55:54,319

if i said oh man

1641

00:55:58,069 --> 00:55:56,480

this is happening right over here and

1642

00:56:00,789 --> 00:55:58,079

i'm not talking about you of peace i

1643

00:56:02,870 --> 00:56:00,799

just say i know this is happening

1644

00:56:03,750 --> 00:56:02,880

and someone comes along and they said

1645

00:56:05,430 --> 00:56:03,760

okay

1646

00:56:06,950 --> 00:56:05,440

show me

1647

00:56:09,589 --> 00:56:06,960

how do you show them

1648

00:56:11,190 --> 00:56:09,599

oh i i don't know how i know it is i

1649

00:56:11,990 --> 00:56:11,200

mean you know after the fact for sure it

1650

00:56:13,990 --> 00:56:12,000

is

1651
00:56:16,230 --> 00:56:14,000
you don't know how and i i'm not saying

1652
00:56:17,670 --> 00:56:16,240
that it's me per se but i see people

1653
00:56:18,710 --> 00:56:17,680
talk about psyabilities and things like

1654
00:56:19,829 --> 00:56:18,720
that and i always play it through and

1655
00:56:21,510 --> 00:56:19,839
i'm like man

1656
00:56:22,789 --> 00:56:21,520
it ain't what you think if you go in

1657
00:56:23,990 --> 00:56:22,799
there saying hey guys there's this crime

1658
00:56:27,270 --> 00:56:24,000
this guy got murdered right here at this

1659
00:56:32,549 --> 00:56:30,470
oh cool look at this other guy okay yeah

1660
00:56:34,870 --> 00:56:32,559
yeah i kind of get confused because

1661
00:56:36,950 --> 00:56:34,880
there's no science or doctors in it so

1662
00:56:38,630 --> 00:56:36,960
sure i always try to play myself through

1663
00:56:39,990 --> 00:56:38,640

some of this stuff people get excited i

1664

00:56:42,630 --> 00:56:40,000

don't know if i'd be excited about some

1665

00:56:44,230 --> 00:56:42,640

of it and i think

1666

00:56:45,990 --> 00:56:44,240

i don't think anything's happened to me

1667

00:56:47,510 --> 00:56:46,000

that i can't explain normally i think

1668

00:56:49,190 --> 00:56:47,520

that my eyes have been opened to a world

1669

00:56:52,630 --> 00:56:49,200

that i didn't know existed so now i pay

1670

00:56:54,630 --> 00:56:52,640

attention to everything yeah every year

1671

00:56:56,390 --> 00:56:54,640

and i think i see more because of that

1672

00:56:57,910 --> 00:56:56,400

that's all it is maybe it's

1673

00:56:59,589 --> 00:56:57,920

nothing special i mean i'm not saying

1674

00:57:00,470 --> 00:56:59,599

i'm special i'm not definitely not

1675

00:57:02,390 --> 00:57:00,480

special

1676

00:57:03,990 --> 00:57:02,400

[h__\h] i may be messed up

1677

00:57:07,190 --> 00:57:04,000

like what's wrong with this guy let's

1678

00:57:09,030 --> 00:57:07,200

see what's up over here you know no i

1679

00:57:10,230 --> 00:57:09,040

think you're right i think you're right

1680

00:57:12,390 --> 00:57:10,240

i think it's

1681

00:57:14,390 --> 00:57:12,400

opened you up to more

1682

00:57:15,829 --> 00:57:14,400

uh possibilities that aren't like

1683

00:57:18,870 --> 00:57:15,839

because one thing they say about like

1684

00:57:20,789 --> 00:57:18,880

meditation consciousness is be here you

1685

00:57:22,789 --> 00:57:20,799

know be in

1686

00:57:24,230 --> 00:57:22,799

the now mindfulness or whatever you want

1687

00:57:26,390 --> 00:57:24,240

to call it right because everybody's

1688

00:57:28,230 --> 00:57:26,400

thinking of the future everybody's

1689

00:57:30,549 --> 00:57:28,240

thinking of the past one votes are

1690

00:57:32,870 --> 00:57:30,559

really just imagined right and we're not

1691

00:57:35,030 --> 00:57:32,880

living in the current in the now which

1692

00:57:36,789 --> 00:57:35,040

is where everything is happening

1693

00:57:39,589 --> 00:57:36,799

and when you see stuff like that it kind

1694

00:57:40,390 --> 00:57:39,599

of forces you to put you there like

1695

00:57:42,630 --> 00:57:40,400

wow

1696

00:57:43,589 --> 00:57:42,640

what is happening and when that happens

1697

00:57:45,670 --> 00:57:43,599

when you pay attention your

1698

00:57:48,950 --> 00:57:45,680

consciousness you live in the now i

1699

00:57:51,430 --> 00:57:48,960

think um you know you're you become

1700

00:57:53,349 --> 00:57:51,440

intuitively more aware of a lot

1701
00:57:55,349 --> 00:57:53,359
of of different stuff

1702
00:57:56,309 --> 00:57:55,359
you know um

1703
00:57:57,510 --> 00:57:56,319
what's

1704
00:58:00,710 --> 00:57:57,520
absolutely

1705
00:58:02,230 --> 00:58:00,720
insane about this whole experience is

1706
00:58:03,670 --> 00:58:02,240
that you can this is an experience you

1707
00:58:05,109 --> 00:58:03,680
can share with people and it seems that

1708
00:58:06,390 --> 00:58:05,119
people don't

1709
00:58:08,950 --> 00:58:06,400
i'm going to go with the infectious

1710
00:58:10,630 --> 00:58:08,960
disease model right

1711
00:58:11,750 --> 00:58:10,640
and i only say that because i i don't

1712
00:58:12,950 --> 00:58:11,760
think i've ever been not being able to

1713
00:58:14,309 --> 00:58:12,960

point it out and like i said i keep

1714

00:58:18,950 --> 00:58:14,319

going back to it's just how people could

1715

00:58:23,510 --> 00:58:19,910

and

1716

00:58:26,069 --> 00:58:23,520

gonna shake some stuff up this isn't

1717

00:58:28,870 --> 00:58:26,079

like hey guess what you need to choose

1718

00:58:31,589 --> 00:58:28,880

tacos tonight instead of nachos this is

1719

00:58:33,109 --> 00:58:31,599

everything you thought you knew bs

1720

00:58:35,670 --> 00:58:33,119

yeah so

1721

00:58:37,349 --> 00:58:35,680

it's just like i don't know when or how

1722

00:58:39,030 --> 00:58:37,359

it's going to change

1723

00:58:40,549 --> 00:58:39,040

i just thought i'd do my part i'm not a

1724

00:58:41,910 --> 00:58:40,559

little concerned about people thinking

1725

00:58:44,069 --> 00:58:41,920

i'm crazy so

1726

00:58:45,990 --> 00:58:44,079

well i had a great talk with dan we're

1727

00:58:47,589 --> 00:58:46,000

up against the hour but i mean i have

1728

00:58:49,589 --> 00:58:47,599

had a wonderful time with you and i

1729

00:58:51,589 --> 00:58:49,599

thank you so much for talking about this

1730

00:58:54,549 --> 00:58:51,599

stuff and for you know serving our

1731

00:58:56,630 --> 00:58:54,559

country and having the the the strength

1732

00:58:58,549 --> 00:58:56,640

to come out here and and talk about your

1733

00:59:00,150 --> 00:58:58,559

own experiences and everything

1734

00:59:01,349 --> 00:59:00,160

i really do appreciate it and thank you

1735

00:59:03,990 --> 00:59:01,359

and i know this won't be the last time

1736

00:59:06,230 --> 00:59:04,000

we talk whether it be on social or here

1737

00:59:08,069 --> 00:59:06,240

so i appreciate you sean thank you sorry

1738

00:59:10,950 --> 00:59:08,079

for the question

1739

00:59:13,990 --> 00:59:10,960

don't about stop apologizing man you're

1740

00:59:15,589 --> 00:59:14,000

great you're great i loved it so i

1741

00:59:17,109 --> 00:59:15,599

thought it was very good in my book it's

1742

00:59:18,789 --> 00:59:17,119

the first conversation i've ever had

1743

00:59:23,349 --> 00:59:18,799

with another person in the last two

1744

00:59:26,390 --> 00:59:24,789

all right brother that sounds good all

1745

00:59:28,950 --> 00:59:26,400

right will you have a great rest of the

1746

00:59:30,829 --> 00:59:28,960

day and yeah we'll talk soon all right

1747

00:59:33,670 --> 00:59:30,839

take care

1748

00:59:36,230 --> 00:59:33,680

bye all right everybody thanks so much

1749

00:59:37,589 --> 00:59:36,240

for hanging out i had a great time uh

1750

00:59:38,789 --> 00:59:37,599

with shane

1751

00:59:39,990 --> 00:59:38,799

i really

1752

00:59:41,670 --> 00:59:40,000

um

1753

00:59:43,910 --> 00:59:41,680

really hope you enjoyed the conversation

1754

00:59:45,190 --> 00:59:43,920

i hope that more people can have the

1755

00:59:46,789 --> 00:59:45,200

strength that he did to come out and

1756

00:59:48,710 --> 00:59:46,799

talk about this stuff and the things

1757

00:59:50,069 --> 00:59:48,720

that he's been through and you know i

1758

00:59:53,270 --> 00:59:50,079

think in the end

1759

00:59:56,150 --> 00:59:53,280

admitting that we don't know the answer

1760

00:59:57,510 --> 00:59:56,160

um is key to a lot of this stuff right

1761

00:59:59,109 --> 00:59:57,520

because a lot of us don't want to talk

1762

01:00:00,710 --> 00:59:59,119

about stuff that that we don't

1763

01:00:02,950 --> 01:00:00,720

understand

1764

01:00:05,589 --> 01:00:02,960

that you know it's like a salesman if

1765

01:00:07,349 --> 01:00:05,599

you go to a car dealership and somebody

1766

01:00:09,109 --> 01:00:07,359

goes to the salesman and asks about a

1767

01:00:10,230 --> 01:00:09,119

car and they don't know the answer that

1768

01:00:12,870 --> 01:00:10,240

person

1769

01:00:14,950 --> 01:00:12,880

the salesman becomes uncomfortable

1770

01:00:17,670 --> 01:00:14,960

and they either lie or they don't talk

1771

01:00:22,309 --> 01:00:17,680

about it they redirect right but we have

1772

01:00:24,230 --> 01:00:22,319

to learn how to be okay with not knowing

1773

01:00:26,230 --> 01:00:24,240

you know and a lot of that just comes

1774

01:00:29,349 --> 01:00:26,240

from admission

1775

01:00:31,109 --> 01:00:29,359

of not knowing and once you do that

1776

01:00:33,270 --> 01:00:31,119

i think we can respect each other and be

1777

01:00:34,789 --> 01:00:33,280

on the same playing field right there

1778

01:00:36,390 --> 01:00:34,799

you know

1779

01:00:38,069 --> 01:00:36,400

and we can get a lot further with this

1780

01:00:39,349 --> 01:00:38,079

and just other stuff

1781

01:00:41,990 --> 01:00:39,359

so

1782

01:00:42,950 --> 01:00:42,000

with that being said i appreciate your

1783

01:00:44,950 --> 01:00:42,960

time

1784

01:00:46,950 --> 01:00:44,960

you guys have been a great

1785

01:00:48,150 --> 01:00:46,960

group today i really do appreciate it

1786

01:00:52,630 --> 01:00:48,160

everybody

1787

01:00:54,309 --> 01:00:52,640

um if you know me i'm angry

1788

01:00:56,710 --> 01:00:54,319

so we got some great shows coming up too

1789

01:00:58,549 --> 01:00:56,720

later this week um so

1790

01:01:01,750 --> 01:00:58,559

um stay tuned like the video if you

1791

01:01:03,109 --> 01:01:01,760

haven't uh share it subscribe do all

1792

01:01:07,910 --> 01:01:03,119

that kind of stuff

1793

01:01:13,450 --> 01:01:07,920

um and yeah we will see you soon

1794

01:01:13,460 --> 01:01:23,349

[Music]

1795

01:01:23,359 --> 01:01:28,530

um
