CONGRESSIONAL

BRIEFINGS

FLOP

1
00:00:06,070 --> 00:00:03,990
well i'd love to tell you what i know

2
00:00:08,710 --> 00:00:06,080
all what i already know right now leland

3
00:00:10,870 --> 00:00:08,720
but i can't well but um you know they're

4
00:00:13,350 --> 00:00:10,880
flying into the water it's it's under

5
00:00:14,390 --> 00:00:13,360
the water in the air like this

6
00:00:15,430 --> 00:00:14,400
um

7
00:00:17,029 --> 00:00:15,440
which we're seeing right now on the

8
00:00:21,269 --> 00:00:17,039
screen there's just

9
00:00:24,470 --> 00:00:22,870
yeah we need to start we need to start

10
00:00:26,710 --> 00:00:24,480
addressing it because

11
00:00:28,710 --> 00:00:26,720
if these who whatever they are have

12
00:00:31,029 --> 00:00:28,720
control of the air like that it's a

13
00:00:32,709 --> 00:00:31,039

national defense issue for us

14

00:00:34,310 --> 00:00:32,719

and um and so

15

00:00:36,310 --> 00:00:34,320

that's probably a meteor right there but

16

00:00:38,229 --> 00:00:36,320

if it was ours we would

17

00:00:41,590 --> 00:00:38,239

we could end all conflicts because we

18

00:00:42,470 --> 00:00:41,600

would have the the strongest air power

19

00:00:43,830 --> 00:00:42,480

ever

20

00:00:46,310 --> 00:00:43,840

two if it was the russians of the

21

00:00:47,750 --> 00:00:46,320

chinese i mean honestly putin he would

22

00:00:50,150 --> 00:00:47,760

land one of those things on the white

23

00:00:53,350 --> 00:00:50,160

house lawn and write a unicorn out and

24

00:00:55,029 --> 00:00:53,360

and and wrestle joe biden so the reality

25

00:00:57,750 --> 00:00:55,039

is it's three i mean there's historical

26

00:00:59,830 --> 00:00:57,760

references this if you read your bible

27

00:01:01,270 --> 00:00:59,840

the first chapter of ezekiel pretty much

28

00:01:03,670 --> 00:01:01,280

describes a

29

00:01:06,149 --> 00:01:03,680

ufo landing and

30

00:01:08,230 --> 00:01:06,159

and historically we've seen it the dark

31

00:01:10,550 --> 00:01:08,240

ages through paintings there's there's

32

00:01:12,070 --> 00:01:10,560

hieroglyphics on walls and caves i think

33

00:01:15,109 --> 00:01:12,080

there's an arrogance in government at

34

00:01:16,789 --> 00:01:15,119

that level that that we cannot handle

35

00:01:19,190 --> 00:01:16,799

what's going on out there and i just

36

00:01:21,510 --> 00:01:19,200

think it's a it's a bogus cover-up it

37

00:01:23,830 --> 00:01:21,520

doesn't fit and it's about power and

38

00:01:26,789 --> 00:01:23,840

it's about control imagine if there was

39

00:01:28,710 --> 00:01:26,799

a if we decided that there was something

40

00:01:30,630 --> 00:01:28,720

out there like like you're seeing right

41

00:01:32,390 --> 00:01:30,640

there that comes from another another

42

00:01:34,230 --> 00:01:32,400

galaxy or what have you

43

00:01:36,550 --> 00:01:34,240

immediately our focus would stop being

44

00:01:38,789 --> 00:01:36,560

on fighting each other but looking at

45

00:01:40,710 --> 00:01:38,799

this and i think it puts a lot honestly

46

00:01:42,789 --> 00:01:40,720

it puts a lot of people out of business

47

00:01:45,990 --> 00:01:42,799

uh the military-industrial complex is

48

00:01:49,350 --> 00:01:47,670

if i if i'm the military-industrial

49

00:01:51,350 --> 00:01:49,360

complex i would love nothing more than

50

00:01:53,670 --> 00:01:51,360

for ufos to be real because now i've got

51
00:01:55,590 --> 00:01:53,680
a whole new business fighting ufos don't

52
00:01:58,310 --> 00:01:55,600
i well you've got to sell the american

53
00:02:00,630 --> 00:01:58,320
public on it but but you've also it does

54
00:02:03,749 --> 00:02:00,640
away with any of our conflicts overseas

55
00:02:04,950 --> 00:02:03,759
or anything else it unifies the world i

56
00:02:06,149 --> 00:02:04,960
just don't think they're in the business

57
00:02:07,670 --> 00:02:06,159
that i don't think i think we're giving

58
00:02:08,790 --> 00:02:07,680
them too much credit and they're

59
00:02:10,869 --> 00:02:08,800
arrogant

60
00:02:13,830 --> 00:02:10,879
we take the shackles off we we put

61
00:02:16,869 --> 00:02:13,840
pressure on the pentagon in funding and

62
00:02:18,710 --> 00:02:16,879
everything else and say enough is enough

63
00:02:20,630 --> 00:02:18,720

bring forth what you got and let the

64

00:02:23,260 --> 00:02:20,640

american public decide i trust the

65

00:02:37,589 --> 00:02:23,270

american public

66

00:02:37,599 --> 00:02:42,950

um

67

00:02:57,030 --> 00:02:52,510

[Music]

68

00:02:57,040 --> 00:03:00,790

what's up everybody

69

00:03:07,350 --> 00:03:03,350

hope you are

70

00:03:10,869 --> 00:03:08,790

um

71

00:03:12,630 --> 00:03:10,879

it's raining over here but

72

00:03:15,030 --> 00:03:12,640

you know

73

00:03:19,350 --> 00:03:15,040

at least we're alive

74

00:03:21,589 --> 00:03:19,360

so uh started that show with uh

75

00:03:24,630 --> 00:03:21,599

timber chet talking on the news there

76

00:03:30,869 --> 00:03:27,509

um basically his frustration

77

00:03:34,149 --> 00:03:30,879

with the pentagon continuing to withhold

78

00:03:36,710 --> 00:03:34,159

information even after law passed

79

00:03:38,390 --> 00:03:36,720

to continue to withhold information

80

00:03:40,070 --> 00:03:38,400

um and

81

00:03:41,670 --> 00:03:40,080

i kind of rearranged the clip a little

82

00:03:42,789 --> 00:03:41,680

bit

83

00:03:44,869 --> 00:03:42,799

because

84

00:03:46,869 --> 00:03:44,879

i wanted you

85

00:03:48,149 --> 00:03:46,879

like the last thing he said in the in

86

00:03:49,190 --> 00:03:48,159

the clip i thought was the most

87

00:03:51,190 --> 00:03:49,200

important

88

00:03:52,949 --> 00:03:51,200

uh he said you know tell you what i'd

89

00:03:55,270 --> 00:03:52,959

tell you more if i could

90

00:03:57,509 --> 00:03:55,280

or i wanted to i'd love to tell you what

91

00:03:58,949 --> 00:03:57,519

i know if i could but i can't

92

00:04:01,110 --> 00:03:58,959

so i wanted to start with that because

93

00:04:03,670 --> 00:04:01,120

it puts the rest of what he's saying in

94

00:04:05,110 --> 00:04:03,680

in really uh nice context there so if

95

00:04:07,910 --> 00:04:05,120

that's the case

96

00:04:11,030 --> 00:04:07,920

and he's saying it's not foreign it's

97

00:04:14,229 --> 00:04:11,040

basically some other human entity

98

00:04:16,629 --> 00:04:14,239

uh they're not telling us because of the

99

00:04:18,629 --> 00:04:16,639

military industrial complex

100

00:04:20,870 --> 00:04:18,639

uh wars would end people would be

101
00:04:23,430 --> 00:04:20,880
friends all that kind of stuff it puts a

102
00:04:27,430 --> 00:04:23,440
lot more weight as far as i'm concerned

103
00:04:29,749 --> 00:04:27,440
in what he says about about the topic

104
00:04:32,230 --> 00:04:29,759
and i'd love to know what else he knows

105
00:04:34,870 --> 00:04:32,240
that's for sure and it kind of segues

106
00:04:35,990 --> 00:04:34,880
into our first

107
00:04:39,350 --> 00:04:36,000
um

108
00:04:44,469 --> 00:04:39,360
you know uap news uh bit so to speak

109
00:04:49,590 --> 00:04:47,670
basically what it says is

110
00:04:51,510 --> 00:04:49,600
congress you know they got some some

111
00:04:53,590 --> 00:04:51,520
briefings already

112
00:04:56,390 --> 00:04:53,600
and they're irritated that they keep

113
00:04:58,790 --> 00:04:56,400

getting it reports on

114

00:05:01,749 --> 00:04:58,800

more uap encounters when they what they

115

00:05:04,390 --> 00:05:01,759

want is to

116

00:05:06,390 --> 00:05:04,400

get more information on what the things

117

00:05:08,550 --> 00:05:06,400

are and where they're coming from you

118

00:05:10,550 --> 00:05:08,560

know

119

00:05:13,430 --> 00:05:10,560

so

120

00:05:15,189 --> 00:05:13,440

they're pretty irritated with it

121

00:05:16,870 --> 00:05:15,199

a couple quotes in here rubio is

122

00:05:18,550 --> 00:05:16,880

definitely frustrated

123

00:05:20,469 --> 00:05:18,560

said one of the senators aides who is

124

00:05:22,469 --> 00:05:20,479

not authorized to speak publicly they're

125

00:05:25,590 --> 00:05:22,479

not moving fast enough

126

00:05:27,990 --> 00:05:25,600

not doing enough not sharing enough

127

00:05:30,150 --> 00:05:28,000

uh the administration is aware of the

128

00:05:32,390 --> 00:05:30,160

concerns

129

00:05:35,670 --> 00:05:32,400

it is not at the level it that it needs

130

00:05:38,710 --> 00:05:37,189

others are more critical accusing the

131

00:05:40,710 --> 00:05:38,720

pentagon of fighting information from

132

00:05:42,629 --> 00:05:40,720

congress i don't trust the department of

133

00:05:44,390 --> 00:05:42,639

defense to get this right since

134

00:05:46,950 --> 00:05:44,400

leadership there has always been part of

135

00:05:48,469 --> 00:05:46,960

the cutter cover-up

136

00:05:49,749 --> 00:05:48,479

the person that was in the video

137

00:05:53,189 --> 00:05:49,759

burchette

138

00:05:56,469 --> 00:05:55,029

uh it is clear from the public evidence

139

00:05:58,150 --> 00:05:56,479

that we don't have full control of our

140

00:06:00,710 --> 00:05:58,160

airspace

141

00:06:02,390 --> 00:06:00,720

his district includes oakridge national

142

00:06:04,390 --> 00:06:02,400

laboratory where there have that's

143

00:06:06,550 --> 00:06:04,400

accurate been numerous reports of ufo

144

00:06:11,590 --> 00:06:06,560

sightings over the decades maybe some of

145

00:06:14,629 --> 00:06:13,029

five current former military

146

00:06:17,110 --> 00:06:14,639

intelligence officials and contractor

147

00:06:18,870 --> 00:06:17,120

personnel privy to the deliberations who

148

00:06:20,629 --> 00:06:18,880

are not authorized to speak publicly to

149

00:06:22,950 --> 00:06:20,639

political they believe real progress is

150

00:06:25,590 --> 00:06:22,960

being made to compel agencies to take a

151
00:06:27,749 --> 00:06:25,600
more proactive approach and also be more

152
00:06:33,590 --> 00:06:27,759
transparent about what they know

153
00:06:36,550 --> 00:06:35,189
another quote they're putting time and

154
00:06:38,950 --> 00:06:36,560
they're doing works at a government

155
00:06:40,629 --> 00:06:38,960
contractor who has been enlisted

156
00:06:42,550 --> 00:06:40,639
in the new effort

157
00:06:43,990 --> 00:06:42,560
they are going to put some bodies on it

158
00:06:45,590 --> 00:06:44,000
i think they'll probably file the

159
00:06:48,070 --> 00:06:45,600
reports back to congress on time and

160
00:06:50,150 --> 00:06:48,080
that is a big plus

161
00:06:53,830 --> 00:06:50,160
said a government contractor who has

162
00:06:55,589 --> 00:06:53,840
been enlisted in the new effort

163
00:06:58,230 --> 00:06:55,599

who could that be

164

00:06:59,990 --> 00:06:58,240

if you remember a couple shows ago

165

00:07:01,990 --> 00:07:00,000

i was like y'all remember alessandro is

166

00:07:03,830 --> 00:07:02,000

a government contractor right anybody

167

00:07:05,510 --> 00:07:03,840

ever think that maybe

168

00:07:08,230 --> 00:07:05,520

his contract is i don't know

169

00:07:10,629 --> 00:07:08,240

investigating ufos

170

00:07:13,270 --> 00:07:10,639

maybe that's him i don't know

171

00:07:15,430 --> 00:07:13,280

intuition tells me could be

172

00:07:19,670 --> 00:07:15,440

but i'm not very sure

173

00:07:23,189 --> 00:07:21,270

another quote i've seen everything we

174

00:07:25,589 --> 00:07:23,199

have in the files and i'm very confident

175

00:07:27,990 --> 00:07:25,599

they are not or ours said a former

176

00:07:29,990 --> 00:07:28,000

senior intelligence official who had

177

00:07:32,230 --> 00:07:30,000

authority over the ufo portfolio

178

00:07:40,309 --> 00:07:32,240

referring to classified us

179

00:07:44,469 --> 00:07:42,070

another quote congress wants somebody to

180

00:07:49,510 --> 00:07:44,479

get on the stick over there and get to

181

00:07:54,150 --> 00:07:52,230

have these three satellites collect x

182

00:07:56,830 --> 00:07:54,160

amount of hours and x locations for

183

00:08:00,869 --> 00:07:59,350

yeah you know the thing is like of

184

00:08:02,150 --> 00:08:00,879

course they know how to do it and they

185

00:08:07,029 --> 00:08:02,160

can't do it

186

00:08:10,230 --> 00:08:08,469

another quote here who's got all the

187

00:08:12,550 --> 00:08:10,240

puzzle pieces who's doing the serious

188

00:08:14,710 --> 00:08:12,560

analysis and then making informed

189

00:08:16,710 --> 00:08:14,720

intelligent decisions about intelligence

190

00:08:18,710 --> 00:08:16,720

collection

191

00:08:20,629 --> 00:08:18,720

you have to compete with a lot of other

192

00:08:22,469 --> 00:08:20,639

priority things that are going

193

00:08:25,990 --> 00:08:22,479

to often outrank this

194

00:08:28,950 --> 00:08:26,000

i am so sick of hearing that

195

00:08:33,190 --> 00:08:28,960

what outranks a possible another form of

196

00:08:33,200 --> 00:08:37,190

you know

197

00:08:37,200 --> 00:08:43,350

what don rank said

198

00:08:43,360 --> 00:08:52,710

as far as i'm concerned nothing

199

00:08:52,720 --> 00:08:59,509

nothing

200

00:09:04,230 --> 00:09:01,829

andy uh in the chat andy this is a

201
00:09:06,470 --> 00:09:04,240
message to you i appreciate you taking a

202
00:09:07,430 --> 00:09:06,480
part in the chat i would appreciate if

203
00:09:10,710 --> 00:09:07,440
you don't

204
00:09:10,720 --> 00:09:15,430
and people like

205
00:09:15,440 --> 00:09:20,550
that would be great

206
00:09:25,269 --> 00:09:22,470
when they are made aware of information

207
00:09:27,269 --> 00:09:25,279
and data in videos and photos

208
00:09:28,949 --> 00:09:27,279
that are not being provided by dod it

209
00:09:30,070 --> 00:09:28,959
sets up a situation where the left hand

210
00:09:32,790 --> 00:09:30,080
doesn't know what the right hand is

211
00:09:34,550 --> 00:09:32,800
doing alexander said

212
00:09:36,790 --> 00:09:34,560
who i think is probably moonlighting as

213
00:09:38,230 --> 00:09:36,800

a government contractor

214

00:09:41,910 --> 00:09:38,240

this article

215

00:09:46,550 --> 00:09:43,910

the intent of the new law is not to

216

00:09:48,550 --> 00:09:46,560

associate uaps as an air clutter issue

217

00:09:51,030 --> 00:09:48,560

or space junk yet that should not be

218

00:09:53,190 --> 00:09:51,040

confused with clear clearly breakaway

219

00:09:59,430 --> 00:09:53,200

technologies

220

00:10:03,030 --> 00:10:00,710

you know it's interesting too that

221

00:10:06,389 --> 00:10:03,040

elizondo gave this guy gives this guy

222

00:10:08,470 --> 00:10:06,399

brian bender uh a couple quotes right

223

00:10:10,710 --> 00:10:08,480

brian bender just went on twitter saying

224

00:10:12,069 --> 00:10:10,720

pretty much that alexander was dishonest

225

00:10:13,509 --> 00:10:12,079

with him and misled him about the

226
00:10:15,509 --> 00:10:13,519
project

227
00:10:18,470 --> 00:10:15,519
so people will say that this article is

228
00:10:22,069 --> 00:10:18,480
a way to kind of make up

229
00:10:25,350 --> 00:10:23,509
i think there are pockets of people in

230
00:10:29,829 --> 00:10:25,360
different agencies who are enthusiastic

231
00:10:33,509 --> 00:10:31,430
is there somebody at a high level who is

232
00:10:34,710 --> 00:10:33,519
an advocate who owns this problem and is

233
00:10:36,389 --> 00:10:34,720
putting together a plan to get the

234
00:10:40,949 --> 00:10:36,399
answers that congress wants

235
00:10:40,959 --> 00:10:43,910
so there you have it

236
00:10:47,990 --> 00:10:45,509
we'll get to the other articles in a

237
00:10:49,190 --> 00:10:48,000
second when we wrap this one up

238
00:10:51,509 --> 00:10:49,200

so

239

00:10:52,790 --> 00:10:51,519

here we go we have the law passed we

240

00:10:54,949 --> 00:10:52,800

have all these people coming out and

241

00:10:56,870 --> 00:10:54,959

talking oh yeah by the way the shirt

242

00:10:59,030 --> 00:10:56,880

uh it's a vintage shirt i got from the

243

00:11:00,470 --> 00:10:59,040

vintage sword national association of

244

00:11:03,829 --> 00:11:00,480

student council

245

00:11:07,829 --> 00:11:05,030

but yeah

246

00:11:12,630 --> 00:11:10,949

here we go same old same old right

247

00:11:16,230 --> 00:11:12,640

pentagon with holding information

248

00:11:19,350 --> 00:11:16,240

congress trying to get that information

249

00:11:24,949 --> 00:11:22,630

how long is this going to go on and you

250

00:11:29,430 --> 00:11:24,959

know i what i'm just so

251

00:11:32,069 --> 00:11:29,440

so sick of of reading is other

252

00:11:35,430 --> 00:11:32,079

issues take precedence over this

253

00:11:37,110 --> 00:11:35,440

possibility non-human life forms

254

00:11:39,430 --> 00:11:37,120

you know we kind of already know that

255

00:11:41,030 --> 00:11:39,440

exists but like that the government

256

00:11:43,190 --> 00:11:41,040

tells us about it

257

00:11:46,310 --> 00:11:43,200

you know and i think bruschetta actually

258

00:11:50,310 --> 00:11:46,320

made a great point it would change

259

00:11:52,389 --> 00:11:50,320

reality it would change focus

260

00:11:53,190 --> 00:11:52,399

you know it would take people's focus

261

00:11:55,190 --> 00:11:53,200

from

262

00:11:56,389 --> 00:11:55,200

ukraine versus russia

263

00:11:59,509 --> 00:11:56,399

to

264

00:12:00,949 --> 00:11:59,519

oh my gosh what are these things

265

00:12:02,870 --> 00:12:00,959

you know

266

00:12:06,710 --> 00:12:02,880

and a lot of people who have

267

00:12:12,710 --> 00:12:09,670

would lose a lot of people who maybe

268

00:12:14,310 --> 00:12:12,720

invested in gasoline

269

00:12:16,389 --> 00:12:14,320

or the way

270

00:12:19,509 --> 00:12:16,399

uh you know

271

00:12:22,389 --> 00:12:19,519

we currently uh use energy whether it be

272

00:12:25,430 --> 00:12:22,399

oil or whatever would lose

273

00:12:28,629 --> 00:12:25,440

maybe not right away but eventually

274

00:12:31,829 --> 00:12:28,639

you know a lot of people don't like um

275

00:12:33,990 --> 00:12:31,839

dr steven greer and you know i

276

00:12:35,990 --> 00:12:34,000

don't really care for the guy either in

277

00:12:38,949 --> 00:12:36,000

the end but one thing that i do

278

00:12:41,190 --> 00:12:38,959

appreciate that he talks about is

279

00:12:44,710 --> 00:12:41,200

the energy of all of this

280

00:12:44,720 --> 00:12:47,509

like

281

00:12:51,430 --> 00:12:49,190

you know

282

00:12:54,470 --> 00:12:51,440

the powers that be withholding better

283

00:12:56,069 --> 00:12:54,480

technology cleaner technology

284

00:12:59,430 --> 00:12:56,079

because it would take money out of their

285

00:13:02,870 --> 00:12:59,440

pockets you know that's who's in power

286

00:13:07,430 --> 00:13:05,190

you know and the pentagon holds this

287

00:13:09,509 --> 00:13:07,440

with all this information like

288

00:13:12,470 --> 00:13:09,519

they're the ceo of the freaking company

289

00:13:13,750 --> 00:13:12,480

well you know what they're not

290

00:13:15,990 --> 00:13:13,760

you know

291

00:13:17,590 --> 00:13:16,000

they're supposed to be our employees

292

00:13:20,230 --> 00:13:17,600

what are we going to care enough to do

293

00:13:21,590 --> 00:13:20,240

something about it they work for us we

294

00:13:24,069 --> 00:13:21,600

pay them

295

00:13:30,150 --> 00:13:24,079

and here we are doing shows begging for

296

00:13:34,470 --> 00:13:32,069

it's bull crap

297

00:13:36,230 --> 00:13:34,480

that's not right

298

00:13:37,190 --> 00:13:36,240

and it's always going to be that way

299

00:13:39,030 --> 00:13:37,200

until

300

00:13:42,629 --> 00:13:39,040

we

301
00:13:42,639 --> 00:13:48,470
to have people start running on that

302
00:13:48,480 --> 00:13:50,870
you know

303
00:13:54,949 --> 00:13:52,790
if they have to run if they have to run

304
00:13:57,670 --> 00:13:54,959
their election on

305
00:13:59,990 --> 00:13:57,680
doing something about this

306
00:14:02,870 --> 00:14:00,000
and stop looking at this topic like it

307
00:14:05,110 --> 00:14:02,880
takes a back seat

308
00:14:07,829 --> 00:14:05,120
to everything else

309
00:14:10,790 --> 00:14:07,839
that's why this hasn't gotten anywhere

310
00:14:15,750 --> 00:14:10,800
because we allow this topic to take a

311
00:14:20,069 --> 00:14:17,750
and as long as we allow the topic to

312
00:14:22,470 --> 00:14:20,079
take a back seat it's not going to get

313
00:14:24,470 --> 00:14:22,480

anywhere that those are excuses and they

314

00:14:26,949 --> 00:14:24,480

grow on trees

315

00:14:32,790 --> 00:14:26,959

sorry excuse my language and everyone's

316

00:14:38,949 --> 00:14:37,269

excuses excuses constant excuses for

317

00:14:41,269 --> 00:14:38,959

75 years

318

00:14:43,189 --> 00:14:41,279

all we hear are excuses well you know we

319

00:14:45,509 --> 00:14:43,199

can't because you know means and ways of

320

00:14:47,829 --> 00:14:45,519

of giving you the information and how

321

00:14:49,509 --> 00:14:47,839

the satellites work and oh you know we

322

00:14:51,110 --> 00:14:49,519

were looking we were spying on russia

323

00:14:52,629 --> 00:14:51,120

when we shouldn't have been

324

00:14:54,949 --> 00:14:52,639

you know

325

00:14:57,829 --> 00:14:54,959

oh mass hysteria man people will freak

326

00:14:58,949 --> 00:14:57,839

out you know or actually you're freaking

327

00:15:01,110 --> 00:14:58,959

greedy

328

00:15:03,590 --> 00:15:01,120

and you want to keep your power and you

329

00:15:06,389 --> 00:15:03,600

want to hide the information and you

330

00:15:08,470 --> 00:15:06,399

want this to take a back seat so can can

331

00:15:10,949 --> 00:15:08,480

continue to be that way well that's

332

00:15:17,030 --> 00:15:12,790

that's wrong and it's always going to be

333

00:15:18,710 --> 00:15:17,040

that way unless we do something about it

334

00:15:21,189 --> 00:15:18,720

the only thing we can do about it is

335

00:15:24,150 --> 00:15:21,199

make people run on this freaking stuff

336

00:15:26,470 --> 00:15:24,160

if they want our votes make them run on

337

00:15:28,870 --> 00:15:26,480

something that should be the most

338

00:15:31,110 --> 00:15:28,880

important issue

339

00:15:33,990 --> 00:15:31,120

not even to us as voters but to all of

340

00:15:37,509 --> 00:15:35,829

we're about to kill ourselves with

341

00:15:40,870 --> 00:15:37,519

nuclear bombs and what we've done with

342

00:15:40,880 --> 00:15:43,430

you know

343

00:15:47,509 --> 00:15:45,670

and who can we blame that on we can

344

00:15:49,269 --> 00:15:47,519

blame that on the people that have been

345

00:15:50,949 --> 00:15:49,279

in power this whole time

346

00:15:54,069 --> 00:15:50,959

making these weapons creating these

347

00:15:56,710 --> 00:15:54,079

weapons just to annihilate ourselves in

348

00:16:01,269 --> 00:15:59,110

any tool that's ever been created we've

349

00:16:06,310 --> 00:16:01,279

turned around and used

350

00:16:11,749 --> 00:16:09,030

whether it be fire

351
00:16:11,759 --> 00:16:14,949
bone arrows

352
00:16:14,959 --> 00:16:22,629
stuff to hunt we wind up using for war

353
00:16:22,639 --> 00:16:26,470
it's disgusting

354
00:16:29,509 --> 00:16:27,910
and the only people to blame for that

355
00:16:35,189 --> 00:16:29,519
are the people in power who make the

356
00:16:39,670 --> 00:16:38,310
and they've got us to this point

357
00:16:42,310 --> 00:16:39,680
and they've hid this

358
00:16:45,110 --> 00:16:42,320
for way too long

359
00:16:49,430 --> 00:16:45,120
it's disgusting

360
00:16:52,790 --> 00:16:50,470
you know

361
00:16:54,949 --> 00:16:52,800
i understand you can't be you can't let

362
00:16:57,670 --> 00:16:54,959
anger overtake you but in this instance

363
00:17:00,150 --> 00:16:57,680

i'm sorry the world is falling apart and

364

00:17:01,749 --> 00:17:00,160

we need information on this topic

365

00:17:03,829 --> 00:17:01,759

especially if there's a chance that it

366

00:17:06,870 --> 00:17:03,839

could bring the world together because

367

00:17:10,470 --> 00:17:06,880

by god are we far apart

368

00:17:12,789 --> 00:17:10,480

more so than ever before

369

00:17:14,789 --> 00:17:12,799

and unless we do something about it it

370

00:17:18,470 --> 00:17:14,799

won't be our country that ends up in

371

00:17:20,230 --> 00:17:18,480

civil war it'll be the world

372

00:17:21,750 --> 00:17:20,240

world war three won't be nation against

373

00:17:28,549 --> 00:17:21,760

nation it'll be

374

00:17:33,110 --> 00:17:30,870

it's time that something is done about

375

00:17:35,110 --> 00:17:33,120

that and if there's an

376

00:17:37,590 --> 00:17:35,120

opportunity that something like this

377

00:17:39,510 --> 00:17:37,600

could change that

378

00:17:42,549 --> 00:17:39,520

share it

379

00:17:48,150 --> 00:17:44,950

and if you don't have anything

380

00:17:49,990 --> 00:17:48,160

freaking prove it say that

381

00:17:54,150 --> 00:17:50,000

not that i believe you i guess but you

382

00:17:59,110 --> 00:17:54,950

so

383

00:18:04,070 --> 00:18:01,350

i mean how many pilots

384

00:18:05,350 --> 00:18:04,080

have to see something how many

385

00:18:06,870 --> 00:18:05,360

people

386

00:18:09,990 --> 00:18:06,880

have to have

387

00:18:11,830 --> 00:18:10,000

their world rocked

388

00:18:14,230 --> 00:18:11,840

you know how many congressmen

389

00:18:15,190 --> 00:18:14,240

representatives ex-intelligence air

390

00:18:17,029 --> 00:18:15,200

force

391

00:18:20,789 --> 00:18:17,039

people have to come out and talk about

392

00:18:24,950 --> 00:18:20,799

this for you to just freaking admit it

393

00:18:30,310 --> 00:18:27,590

it's embarrassing

394

00:18:33,190 --> 00:18:30,320

and i just hope so much that more people

395

00:18:36,070 --> 00:18:33,200

find out about this stuff

396

00:18:38,310 --> 00:18:36,080

i hope to god people find out about this

397

00:18:39,990 --> 00:18:38,320

stuff because it is extremely

398

00:18:41,669 --> 00:18:40,000

embarrassing

399

00:18:44,150 --> 00:18:41,679

and the more people that find out the

400

00:18:47,029 --> 00:18:44,160

more embarrassing it is and i hope that

401
00:18:50,310 --> 00:18:48,789
because every president that's ever

402
00:18:52,789 --> 00:18:50,320
known about this

403
00:18:58,549 --> 00:18:52,799
that is without it

404
00:19:02,870 --> 00:19:00,070
and that needs to change and you know

405
00:19:04,549 --> 00:19:02,880
what not just the usa either every

406
00:19:06,230 --> 00:19:04,559
country that knows about this i don't

407
00:19:08,390 --> 00:19:06,240
care what country it is if you know

408
00:19:09,750 --> 00:19:08,400
about it and you got proof come out with

409
00:19:14,230 --> 00:19:09,760
it

410
00:19:14,240 --> 00:19:18,710
stop hiding behind your money

411
00:19:24,310 --> 00:19:21,590
because if there's one thing i know

412
00:19:27,909 --> 00:19:24,320
about death

413
00:19:33,110 --> 00:19:29,909

and we all only live

414

00:19:34,310 --> 00:19:33,120

for a short amount of time on this world

415

00:19:36,830 --> 00:19:34,320

compared to

416

00:19:39,669 --> 00:19:36,840

what is really

417

00:19:43,270 --> 00:19:39,679

infinity we have people that are so

418

00:19:43,280 --> 00:19:46,870

so simple

419

00:19:50,830 --> 00:19:48,789

that they make their entire existence

420

00:19:55,510 --> 00:19:50,840

here about

421

00:20:02,149 --> 00:19:57,590

when none of that follows you after this

422

00:20:02,159 --> 00:20:07,909

it's time to change your priorities

423

00:20:14,070 --> 00:20:10,230

because this is only here for a small

424

00:20:17,190 --> 00:20:15,430

and you don't want to spend it worrying

425

00:20:18,149 --> 00:20:17,200

about bills

426

00:20:29,590 --> 00:20:18,159

or

427

00:20:29,600 --> 00:20:32,789

right

428

00:20:36,470 --> 00:20:35,430

if you want to have power if you want to

429

00:20:41,110 --> 00:20:36,480

last

430

00:20:44,230 --> 00:20:42,630

do something

431

00:20:47,190 --> 00:20:44,240

that'll change

432

00:20:54,789 --> 00:20:47,200

the way the world

433

00:20:57,990 --> 00:20:56,310

if you never want to lose power make

434

00:20:59,909 --> 00:20:58,000

sure your name is talked about forever

435

00:21:03,270 --> 00:20:59,919

and how can you do that

436

00:21:05,190 --> 00:21:03,280

well you can share bulletproof evidence

437

00:21:09,190 --> 00:21:05,200

that there are non-human entities

438

00:21:15,669 --> 00:21:12,470

i promise you people will talk about you

439

00:21:17,990 --> 00:21:15,679

until the end of freaking time as we

440

00:21:20,230 --> 00:21:18,000

know it

441

00:21:22,870 --> 00:21:20,240

remember that guy we didn't even know

442

00:21:24,149 --> 00:21:22,880

these aliens existed until that one guy

443

00:21:25,750 --> 00:21:24,159

remember him

444

00:21:30,630 --> 00:21:25,760

books will be written about you you'll

445

00:21:35,270 --> 00:21:32,549

so that's also when i hear stuff about

446

00:21:39,110 --> 00:21:35,280

ndas and i'm scared of ndas well you

447

00:21:41,350 --> 00:21:39,120

know what you'll be in the history books

448

00:21:48,230 --> 00:21:41,360

people will learn about you for the rest

449

00:21:52,070 --> 00:21:50,630

you know christopher columbus you will

450

00:21:55,430 --> 00:21:52,080

be

451
00:21:58,230 --> 00:21:56,630
but

452
00:22:00,549 --> 00:21:58,240
the true story will come out this time

453
00:22:01,669 --> 00:22:00,559
around

454
00:22:03,750 --> 00:22:01,679
because there's too

455
00:22:06,070 --> 00:22:03,760
much technology

456
00:22:08,470 --> 00:22:06,080
and information tracking for there to be

457
00:22:13,669 --> 00:22:08,480
a lie about it

458
00:22:17,110 --> 00:22:15,110
and what the government holds with the

459
00:22:19,029 --> 00:22:17,120
pentagon hopes is the longer this goes

460
00:22:21,430 --> 00:22:19,039
on the more frustrated people get that

461
00:22:23,190 --> 00:22:21,440
we don't get any information and we just

462
00:22:29,990 --> 00:22:23,200
give up

463
00:22:34,070 --> 00:22:31,990

as new people get into the topic and the

464

00:22:36,230 --> 00:22:34,080

ones who get frustrated leave and they

465

00:22:41,430 --> 00:22:36,240

can just wait those new people out and

466

00:22:41,440 --> 00:22:44,630

well

467

00:22:48,470 --> 00:22:45,990

you're dealing with new people a new

468

00:22:50,230 --> 00:22:48,480

generation who've had experiences that

469

00:23:01,270 --> 00:22:50,240

have rocked them and they're not going

470

00:23:01,280 --> 00:23:08,070

never mind so

471

00:23:08,080 --> 00:23:13,270

we have

472

00:23:13,280 --> 00:23:16,310

limited time here

473

00:23:20,470 --> 00:23:18,630

and what keeps coming up right now

474

00:23:22,310 --> 00:23:20,480

we have jeremy corbell we have lua

475

00:23:25,029 --> 00:23:22,320

elizondo

476
00:23:31,669 --> 00:23:25,039
both hitting the point of breakaway

477
00:23:38,390 --> 00:23:34,390
breakaway technologies

478
00:23:38,400 --> 00:23:42,070
what that could really mean

479
00:23:50,549 --> 00:23:44,149
does that mean that there's

480
00:23:50,559 --> 00:23:53,590
or northrip

481
00:23:57,350 --> 00:23:55,510
who have this technology and have been

482
00:24:00,149 --> 00:23:57,360
hiding it this whole time

483
00:24:01,909 --> 00:24:00,159
did something crash in roswell they got

484
00:24:03,669 --> 00:24:01,919
their hands on it and didn't share with

485
00:24:04,789 --> 00:24:03,679
anyone and worked on this thing in the

486
00:24:06,950 --> 00:24:04,799
background

487
00:24:15,669 --> 00:24:06,960
is that what that could mean

488
00:24:19,350 --> 00:24:17,510

or does it mean that something's been

489

00:24:21,590 --> 00:24:19,360

living here

490

00:24:23,669 --> 00:24:21,600

for a long time hiding in the shadows in

491

00:24:25,590 --> 00:24:23,679

the caves and the oceans

492

00:24:29,510 --> 00:24:25,600

have had this stuff

493

00:24:33,430 --> 00:24:32,070

you know one thing that irritates me

494

00:24:34,549 --> 00:24:33,440

about

495

00:24:36,390 --> 00:24:34,559

whether it be

496

00:24:39,830 --> 00:24:36,400

you know neil degrasse tyson or other

497

00:24:41,350 --> 00:24:39,840

people you know tyson especially he goes

498

00:24:42,549 --> 00:24:41,360

you know if there are aliens visiting

499

00:24:44,870 --> 00:24:42,559

this earth well we have the best

500

00:24:46,710 --> 00:24:44,880

surveillance system you know in the

501
00:24:48,230 --> 00:24:46,720
history of mankind with everybody's got

502
00:24:50,310 --> 00:24:48,240
cell phones in their pockets there's no

503
00:24:52,310 --> 00:24:50,320
way for them to hide and right before

504
00:24:54,549 --> 00:24:52,320
that he just said

505
00:24:57,590 --> 00:24:54,559
that if things are visiting here

506
00:24:59,510 --> 00:24:57,600
they are way more advanced than us

507
00:25:01,430 --> 00:24:59,520
so listen to that

508
00:25:03,750 --> 00:25:01,440
think about that rather

509
00:25:06,870 --> 00:25:03,760
if something is way more advanced than

510
00:25:10,549 --> 00:25:06,880
us how can you not fathom that it can go

511
00:25:12,470 --> 00:25:10,559
undetected by us when we ourselves have

512
00:25:14,870 --> 00:25:12,480
stealth technology

513
00:25:18,710 --> 00:25:14,880

we have technology to make our jets

514

00:25:18,720 --> 00:25:22,549

even to the human eye

515

00:25:27,029 --> 00:25:24,549

look it up

516

00:25:28,950 --> 00:25:27,039

they do it with a freaking coating

517

00:25:34,230 --> 00:25:28,960

they can paint it on there i don't know

518

00:25:38,950 --> 00:25:36,950

and you can't fathom that ufos something

519

00:25:40,950 --> 00:25:38,960

way more advanced than us could do that

520

00:25:42,789 --> 00:25:40,960

if they wanted

521

00:25:45,510 --> 00:25:42,799

why would they do that well maybe

522

00:25:48,070 --> 00:25:45,520

because they don't care about us

523

00:25:50,390 --> 00:25:48,080

do we sit and walk around and think you

524

00:25:52,149 --> 00:25:50,400

know well you know we really gotta do

525

00:25:53,510 --> 00:25:52,159

something with these ants here we gotta

526

00:25:56,390 --> 00:25:53,520

figure out a way to communicate with

527

00:25:57,830 --> 00:25:56,400

these ants man because can't you tell

528

00:26:00,230 --> 00:25:57,840

yeah aren't you listening to them they

529

00:26:01,750 --> 00:26:00,240

want to talk to us so bad so we gotta

530

00:26:04,470 --> 00:26:01,760

talk to the ants that's not how it

531

00:26:06,230 --> 00:26:04,480

fricking works dude

532

00:26:10,230 --> 00:26:06,240

the ants are there until the bigfoot

533

00:26:14,149 --> 00:26:10,240

comes by and stomps on him

534

00:26:18,390 --> 00:26:15,990

or they're played with

535

00:26:23,750 --> 00:26:18,400

they're putting little ant farms

536

00:26:29,029 --> 00:26:26,549

i just had an infestation

537

00:26:30,950 --> 00:26:29,039

it wasn't too bad it was on a mud room

538

00:26:33,269 --> 00:26:30,960

outdoor type of room

539

00:26:35,750 --> 00:26:33,279

but guess what those ants thought

540

00:26:38,470 --> 00:26:35,760

everything was great

541

00:26:40,470 --> 00:26:38,480

until i opened up that wall

542

00:26:41,990 --> 00:26:40,480

put that vacuum in there and sucked them

543

00:26:48,710 --> 00:26:42,000

up

544

00:26:55,350 --> 00:26:51,510

now they're freaking dead

545

00:26:59,669 --> 00:26:57,669

we need not worry about

546

00:27:01,269 --> 00:26:59,679

if they're real or if they're not real

547

00:27:03,430 --> 00:27:01,279

and cameras would get them cameras

548

00:27:06,070 --> 00:27:03,440

wouldn't get them whatever like let's

549

00:27:08,789 --> 00:27:06,080

get the best information possible on the

550

00:27:11,350 --> 00:27:08,799

subject out into the public and make up

551
00:27:14,710 --> 00:27:11,360
our own minds it's stupid to talk about

552
00:27:16,870 --> 00:27:14,720
this like this and debate this anymore

553
00:27:18,549 --> 00:27:16,880
you know like i've had an experience

554
00:27:20,549 --> 00:27:18,559
they're real what is it i don't freaking

555
00:27:22,549 --> 00:27:20,559
know but how am i going to find out my

556
00:27:25,110 --> 00:27:22,559
best chances to get the best documented

557
00:27:26,549 --> 00:27:25,120
evidence on this that exists

558
00:27:29,669 --> 00:27:26,559
which is going to be by the best

559
00:27:33,190 --> 00:27:29,679
equipment that exists and who has it the

560
00:27:33,200 --> 00:27:43,669
so let's see it

561
00:27:43,679 --> 00:27:57,190
let's see it

562
00:28:00,549 --> 00:27:58,470
you know another thing that kind of

563
00:28:03,510 --> 00:28:00,559

holds us back is you know when people

564

00:28:05,110 --> 00:28:03,520

sit on it no offense to andy but when

565

00:28:06,549 --> 00:28:05,120

people sit

566

00:28:11,190 --> 00:28:06,559

on

567

00:28:13,350 --> 00:28:11,200

add up to anything

568

00:28:18,149 --> 00:28:13,360

little full of holes and lies

569

00:28:23,510 --> 00:28:21,110

you know it's like people just

570

00:28:25,669 --> 00:28:23,520

try to hurt people that may be coming up

571

00:28:28,070 --> 00:28:25,679

with information that'll help us

572

00:28:29,430 --> 00:28:28,080

like everybody forgets that

573

00:28:31,990 --> 00:28:29,440

there's a law

574

00:28:34,789 --> 00:28:32,000

that was passed by congress now to look

575

00:28:35,909 --> 00:28:34,799

into this issue and that was started and

576
00:28:38,710 --> 00:28:35,919
done

577
00:28:42,310 --> 00:28:38,720
by chris mellon and lou elizondo i don't

578
00:28:44,549 --> 00:28:42,320
care what they did they got that done

579
00:28:47,750 --> 00:28:44,559
and that's not the same crap for 30

580
00:28:50,630 --> 00:28:47,760
years i've studied it

581
00:28:52,389 --> 00:28:50,640
so you can't get away with that

582
00:28:59,750 --> 00:28:52,399
because that's not the same that's

583
00:29:03,669 --> 00:29:01,350
when you didn't say lose full of

584
00:29:05,590 --> 00:29:03,679
it's the same thing same bs for 30 years

585
00:29:08,389 --> 00:29:05,600
whatever that is

586
00:29:10,389 --> 00:29:08,399
on its face not true because we have

587
00:29:12,310 --> 00:29:10,399
something passed in congress now if

588
00:29:15,830 --> 00:29:12,320

that's gonna do anything or not i cannot

589

00:29:19,190 --> 00:29:15,840

say but that is not the same that is

590

00:29:21,669 --> 00:29:19,200

fundamentally 100 percent different than

591

00:29:23,510 --> 00:29:21,679

anything that has happened

592

00:29:28,710 --> 00:29:23,520

in the entire history

593

00:29:32,070 --> 00:29:29,909

and you can't

594

00:29:34,470 --> 00:29:32,080

argue against that you can try

595

00:29:37,269 --> 00:29:34,480

but it's going to be a failing argument

596

00:29:40,549 --> 00:29:37,279

now why he's doing that

597

00:29:45,110 --> 00:29:42,389

congress what will actually come from it

598

00:29:47,110 --> 00:29:45,120

i don't know any of that but the fact

599

00:29:49,830 --> 00:29:47,120

is that

600

00:29:59,110 --> 00:29:49,840

if we stick to the facts

601
00:29:59,120 --> 00:30:05,830
that is the fact

602
00:30:11,590 --> 00:30:10,149
and another thing i'm so tired of people

603
00:30:14,549 --> 00:30:11,600
talking

604
00:30:18,870 --> 00:30:17,669
making this whole thing

605
00:30:20,630 --> 00:30:18,880
about

606
00:30:28,710 --> 00:30:20,640
people

607
00:30:31,029 --> 00:30:28,720
opinions about this guy or that guy or

608
00:30:34,310 --> 00:30:31,039
this guy find whatever you know but like

609
00:30:38,470 --> 00:30:34,320
it doesn't help anything

610
00:30:44,630 --> 00:30:41,190
it distracts

611
00:30:50,870 --> 00:30:44,640
from what really matters

612
00:30:54,230 --> 00:30:52,230
you know if somebody's not working from

613
00:30:56,710 --> 00:30:54,240

you move on

614

00:31:01,430 --> 00:30:56,720

if some of them is some of them isn't

615

00:31:05,430 --> 00:31:03,190

if you sit here and make the topic about

616

00:31:07,669 --> 00:31:05,440

a person and argue about the person

617

00:31:09,110 --> 00:31:07,679

we're never gonna get anywhere because

618

00:31:11,669 --> 00:31:09,120

guess what

619

00:31:19,029 --> 00:31:11,679

the topic is fundamentally

620

00:31:23,110 --> 00:31:20,789

i'm glad you said that andy it's about

621

00:31:24,870 --> 00:31:23,120

facts it is about facts

622

00:31:26,630 --> 00:31:24,880

one fact that we have to work with right

623

00:31:29,509 --> 00:31:26,640

now is that there's something in

624

00:31:31,110 --> 00:31:29,519

congress to where they have to get

625

00:31:33,110 --> 00:31:31,120

information on these people and there

626

00:31:34,950 --> 00:31:33,120

has to be a public

627

00:31:37,029 --> 00:31:34,960

report

628

00:31:39,750 --> 00:31:37,039

now maybe an uphill climb but that

629

00:31:48,470 --> 00:31:39,760

should be our focus is that that is

630

00:31:52,310 --> 00:31:50,789

and if people keep

631

00:31:53,669 --> 00:31:52,320

hot in the pentagon keep hiding

632

00:31:55,750 --> 00:31:53,679

information from congressmen our

633

00:31:59,669 --> 00:31:55,760

representatives we need to let them know

634

00:32:03,269 --> 00:32:01,590

and that there will be people like jimmy

635

00:32:05,110 --> 00:32:03,279

corbell who will leak videos and

636

00:32:07,590 --> 00:32:05,120

information and that'll continue to

637

00:32:10,870 --> 00:32:07,600

happen until it just embarrasses the

638

00:32:16,870 --> 00:32:10,880

pentagon more and more and more every

639

00:32:16,880 --> 00:32:21,029

so that's how they want to do this

640

00:32:21,039 --> 00:32:24,950

but that's embarrassing

641

00:32:28,789 --> 00:32:26,710

all right moving on

642

00:32:30,310 --> 00:32:28,799

next

643

00:32:32,389 --> 00:32:30,320

interesting

644

00:32:34,470 --> 00:32:32,399

little piece of news

645

00:32:36,389 --> 00:32:34,480

all five building blocks of dna rna

646

00:32:39,590 --> 00:32:36,399

found in meteorites from canada us

647

00:32:42,230 --> 00:32:39,600

australia researchers have found all

648

00:32:44,870 --> 00:32:42,240

nucleobases needed to make dna and rna

649

00:32:46,470 --> 00:32:44,880

and meteorites

650

00:32:49,100 --> 00:32:46,480

i don't think that's a real picture by

651
00:32:51,509 --> 00:32:49,110
the way just so you know

652
00:32:53,509 --> 00:32:51,519
[Laughter]

653
00:32:55,669 --> 00:32:53,519
a fresh examination of meteorites that

654
00:32:58,470 --> 00:32:55,679
landed in the u.s canada and australia

655
00:33:01,029 --> 00:32:58,480
is bolstering the notion that early life

656
00:33:02,630 --> 00:33:01,039
that early in earth's history such

657
00:33:07,430 --> 00:33:02,640
objects may have delivered chemical

658
00:33:11,350 --> 00:33:09,669
i'm going to make sure i share this with

659
00:33:12,630 --> 00:33:11,360
you

660
00:33:14,149 --> 00:33:12,640
because i did not put that in the

661
00:33:15,430 --> 00:33:14,159
description

662
00:33:16,389 --> 00:33:15,440
just in case you want to read it for

663
00:33:18,310 --> 00:33:16,399

yourself

664

00:33:20,149 --> 00:33:18,320

but why is this interesting this is

665

00:33:21,430 --> 00:33:20,159

interesting well you know kind of speaks

666

00:33:23,029 --> 00:33:21,440

for itself

667

00:33:29,350 --> 00:33:23,039

it's interesting

668

00:33:33,110 --> 00:33:31,350

because it takes me back to my studies

669

00:33:35,830 --> 00:33:33,120

and it takes me back to my studies with

670

00:33:37,190 --> 00:33:35,840

the green fireballs in the 40s

671

00:33:39,990 --> 00:33:37,200

late 40s

672

00:33:42,149 --> 00:33:40,000

there were 150 some sightings in a year

673

00:33:44,549 --> 00:33:42,159

and a half two years of these green

674

00:33:48,549 --> 00:33:44,559

fireballs

675

00:33:53,990 --> 00:33:51,190

horizontally

676

00:33:58,310 --> 00:33:55,669

you know

677

00:33:58,320 --> 00:34:00,870

what if

678

00:34:06,789 --> 00:34:03,110

some building blocks of life came with

679

00:34:13,669 --> 00:34:06,799

those in that life developed in a way

680

00:34:16,790 --> 00:34:15,190

you know obviously we're only aware of

681

00:34:18,710 --> 00:34:16,800

what we're aware of and what exists on

682

00:34:20,629 --> 00:34:18,720

this earth and who we conduct our

683

00:34:22,710 --> 00:34:20,639

business with and who we see and who we

684

00:34:26,869 --> 00:34:22,720

talk to but does that mean that's the

685

00:34:28,950 --> 00:34:26,879

only thing that's possible hell no

686

00:34:32,069 --> 00:34:28,960

especially with a huge freaking universe

687

00:34:34,710 --> 00:34:32,079

that goes the length of infinity

688

00:34:38,149 --> 00:34:34,720

what if these meteors brought some life

689

00:34:39,589 --> 00:34:38,159

along with it that developed in a way

690

00:34:47,990 --> 00:34:39,599

we are

691

00:34:51,990 --> 00:34:49,669

good question you see did green

692

00:34:56,869 --> 00:34:52,000

fireballs crash seemingly they did but

693

00:34:56,879 --> 00:35:00,470

any pieces

694

00:35:05,190 --> 00:35:02,230

at least like the doctor of apostates

695

00:35:10,870 --> 00:35:07,589

remnants

696

00:35:13,430 --> 00:35:10,880

they would send teams there

697

00:35:15,510 --> 00:35:13,440

to where it looked like it went down

698

00:35:16,710 --> 00:35:15,520

never found anything

699

00:35:24,790 --> 00:35:16,720

why

700

00:35:24,800 --> 00:35:28,870

how is that possible

701
00:35:28,880 --> 00:35:39,190

very interesting

702
00:35:42,630 --> 00:35:41,109

you know sorry sorry to keep picking on

703
00:35:44,470 --> 00:35:42,640

andy but i like his comments because it

704
00:35:46,150 --> 00:35:44,480

gives me something to riff on

705
00:35:48,069 --> 00:35:46,160

in my cynical eyes there ain't been a

706
00:35:49,670 --> 00:35:48,079

single photo or video that reveals

707
00:35:51,109 --> 00:35:49,680

anything

708
00:35:51,829 --> 00:35:51,119

you know what the funny part about that

709
00:36:00,630 --> 00:35:51,839

is

710
00:36:04,950 --> 00:36:03,109

if an alien chip was a blurry dot you

711
00:36:07,190 --> 00:36:04,960

wouldn't know because you don't know

712
00:36:08,630 --> 00:36:07,200

anything about alien ships

713
00:36:12,630 --> 00:36:08,640

and for all you know they could be

714

00:36:17,109 --> 00:36:15,670

i'm not not saying they are

715

00:36:18,790 --> 00:36:17,119

but if you don't know what you're

716

00:36:25,270 --> 00:36:18,800

looking for you're not going to know it

717

00:36:28,790 --> 00:36:26,790

that's the thing with gary not like gary

718

00:36:30,470 --> 00:36:28,800

no one comes up

719

00:36:33,829 --> 00:36:30,480

you know he he's talking about this

720

00:36:33,839 --> 00:36:38,390

right

721

00:36:43,109 --> 00:36:40,790

and people are like you know just tell

722

00:36:44,230 --> 00:36:43,119

us it's alien just tell me tell me it's

723

00:36:45,349 --> 00:36:44,240

alien

724

00:36:46,950 --> 00:36:45,359

you know what

725

00:36:49,270 --> 00:36:46,960

how's he supposed to tell you that if he

726

00:36:54,390 --> 00:36:49,280

doesn't know what

727

00:37:00,550 --> 00:36:57,910

he can tell you that it

728

00:37:01,829 --> 00:37:00,560

is unequivocal unequivocally has an odd

729

00:37:04,230 --> 00:37:01,839

makeup

730

00:37:06,390 --> 00:37:04,240

it the only way to make something like

731

00:37:08,630 --> 00:37:06,400

that would take hundreds of thousands of

732

00:37:10,630 --> 00:37:08,640

dollars now just drop it in the middle

733

00:37:12,150 --> 00:37:10,640

of a park or whatever makes absolutely

734

00:37:13,990 --> 00:37:12,160

no sense

735

00:37:16,069 --> 00:37:14,000

so can i tell you that as part of alien

736

00:37:18,069 --> 00:37:16,079

craft no i can't

737

00:37:19,990 --> 00:37:18,079

but i can tell you that

738

00:37:23,190 --> 00:37:20,000

guess what

739

00:37:25,510 --> 00:37:23,200

i can't tell you what it is

740

00:37:26,470 --> 00:37:25,520

and a part of that is maybe because i

741

00:37:33,589 --> 00:37:26,480

don't know

742

00:37:33,599 --> 00:37:36,710

hello

743

00:37:41,190 --> 00:37:39,030

so the the thing to me about like videos

744

00:37:43,829 --> 00:37:41,200

and stuff is you can't tell if it's real

745

00:37:45,270 --> 00:37:43,839

or fake you know

746

00:37:46,630 --> 00:37:45,280

i mean sometimes you can't but you know

747

00:37:50,310 --> 00:37:46,640

what i'm talking about because you don't

748

00:37:52,390 --> 00:37:50,320

know what you're looking for

749

00:37:53,670 --> 00:37:52,400

if you saw a perfect video of a flying

750

00:37:56,069 --> 00:37:53,680

saucer

751

00:37:58,790 --> 00:37:57,510

you're not gonna know if it's real or

752

00:38:03,349 --> 00:37:58,800

fake because you don't know what they

753

00:38:06,790 --> 00:38:05,109

especially if you're going to this

754

00:38:08,550 --> 00:38:06,800

controlled area and you know these

755

00:38:10,230 --> 00:38:08,560

beings make you see what they want you

756

00:38:11,670 --> 00:38:10,240

to see whatever do i really believe in

757

00:38:13,349 --> 00:38:11,680

that i don't know

758

00:38:15,270 --> 00:38:13,359

maybe maybe not but you don't know what

759

00:38:20,870 --> 00:38:15,280

they look like so if you see it you're

760

00:38:20,880 --> 00:38:25,109

and what's sure

761

00:38:29,190 --> 00:38:27,349

what's true

762

00:38:32,790 --> 00:38:29,200

is that if you see something you're

763

00:38:34,390 --> 00:38:32,800

gonna go immediately to prozac

764

00:38:36,550 --> 00:38:34,400

maybe you should maybe you shouldn't but

765

00:38:38,310 --> 00:38:36,560

if it isn't prosaic

766

00:38:56,310 --> 00:38:38,320

but it looks like the part you're gonna

767

00:38:59,670 --> 00:38:58,710

so i got time for

768

00:39:07,510 --> 00:38:59,680

a

769

00:39:10,230 --> 00:39:07,520

getting in here

770

00:39:14,150 --> 00:39:10,240

but in the end of the day

771

00:39:15,829 --> 00:39:14,160

you're just a glass half empty person

772

00:39:17,670 --> 00:39:15,839

and no one can help those type of people

773

00:39:22,069 --> 00:39:17,680

you gotta help yourself

774

00:39:25,109 --> 00:39:23,750

factually

775

00:39:26,630 --> 00:39:25,119

yes

776

00:39:28,550 --> 00:39:26,640

but you gotta put your face somewhere

777

00:39:30,150 --> 00:39:28,560

and work for something to be optimistic

778

00:39:32,310 --> 00:39:30,160

because you're not going to get anything

779

00:39:35,750 --> 00:39:32,320

accomplished

780

00:39:38,710 --> 00:39:37,190

and i also don't want to bring that into

781

00:39:45,270 --> 00:39:38,720

the chat room

782

00:39:45,280 --> 00:39:48,710

if people want to talk

783

00:39:55,030 --> 00:39:50,310

about what they think or what they feel

784

00:40:02,230 --> 00:39:59,349

but half glass empty constant negativity

785

00:40:03,349 --> 00:40:02,240

it's not going to get anybody anywhere

786

00:40:05,270 --> 00:40:03,359

if i have

787

00:40:06,710 --> 00:40:05,280

an ability to stop that from spreading

788

00:40:09,670 --> 00:40:06,720

to other people

789

00:40:14,390 --> 00:40:11,430

and here we do critically think i don't

790

00:40:16,550 --> 00:40:14,400

just sit here and buy everything

791

00:40:18,710 --> 00:40:16,560

like lou elizondo i love what he's

792

00:40:21,910 --> 00:40:18,720

accomplished and what he's done but do i

793

00:40:22,829 --> 00:40:21,920

know why he did it or do i know

794

00:40:25,430 --> 00:40:22,839

who

795

00:40:27,270 --> 00:40:25,440

he you know works for or what his

796

00:40:29,670 --> 00:40:27,280

contract is no and you know what i don't

797

00:40:31,990 --> 00:40:29,680

care i'm in this to get more information

798

00:40:33,750 --> 00:40:32,000

on ufos and he got a law passed in

799

00:40:36,230 --> 00:40:33,760

congress that's supposed to get more

800

00:40:38,710 --> 00:40:36,240

information on ufos that's what i care

801
00:40:39,750 --> 00:40:38,720
about

802
00:40:46,390 --> 00:40:39,760
the rest

803
00:40:53,670 --> 00:40:48,550
but you're helping me in what i'm here

804
00:40:58,069 --> 00:40:55,829
gary nolan literally told you that he

805
00:41:02,470 --> 00:40:58,079
has material that he absolutely can't

806
00:41:02,480 --> 00:41:05,589
now to me

807
00:41:09,190 --> 00:41:06,950
it's my opinion

808
00:41:12,870 --> 00:41:09,200
that means it comes from something

809
00:41:15,109 --> 00:41:12,880
uh that we don't really know about

810
00:41:16,470 --> 00:41:15,119
but again he can't tell you what it is

811
00:41:18,309 --> 00:41:16,480
because well

812
00:41:24,390 --> 00:41:18,319
you can't tell someone what you don't

813
00:41:31,510 --> 00:41:27,030

just my opinion

814

00:41:32,870 --> 00:41:31,520

back to the uap news this is a good one

815

00:41:35,349 --> 00:41:32,880

now is this company going to be

816

00:41:40,309 --> 00:41:35,359

successful or not maybe maybe not but

817

00:41:45,190 --> 00:41:42,870

scheduled to open in 2025. look at that

818

00:41:51,510 --> 00:41:48,230

now if you're going to a hotel

819

00:41:53,829 --> 00:41:51,520

like the view is important but

820

00:41:56,550 --> 00:41:53,839

you know if you know

821

00:42:00,790 --> 00:41:58,630

we take everything for granted it's

822

00:42:02,710 --> 00:42:00,800

gonna you know only be successful for so

823

00:42:04,870 --> 00:42:02,720

long until people are going

824

00:42:06,950 --> 00:42:04,880

oh you're going to that hotel again yeah

825

00:42:13,109 --> 00:42:06,960

i've been there like 50 times

826

00:42:17,270 --> 00:42:15,349

yeah there's a lot of 2025 references

827

00:42:18,870 --> 00:42:17,280

i've seen

828

00:42:21,030 --> 00:42:18,880

but you know we'll see

829

00:42:22,950 --> 00:42:21,040

but this wheel is uh

830

00:42:24,870 --> 00:42:22,960

interesting because the wheel always

831

00:42:27,430 --> 00:42:24,880

comes up in different things which is

832

00:42:29,589 --> 00:42:27,440

very interesting

833

00:42:36,870 --> 00:42:29,599

so let me share this article with you i

834

00:42:40,309 --> 00:42:38,309

they don't look to be honest like

835

00:42:42,550 --> 00:42:40,319

they're any big to do but

836

00:42:45,829 --> 00:42:42,560

you know

837

00:42:48,550 --> 00:42:45,839

i'm really just showing it because

838

00:42:49,430 --> 00:42:48,560

something like this will exist at some

839

00:42:51,510 --> 00:42:49,440

point

840

00:42:52,870 --> 00:42:51,520

whether it's by them or not

841

00:42:54,470 --> 00:42:52,880

no idea

842

00:42:57,349 --> 00:42:54,480

but

843

00:43:01,430 --> 00:42:57,359

that is the future

844

00:43:01,440 --> 00:43:03,910

like

845

00:43:08,150 --> 00:43:05,589

if they want to commercialize space and

846

00:43:11,349 --> 00:43:08,160

keep putting people up in space

847

00:43:14,470 --> 00:43:11,359

that's only going to last

848

00:43:15,910 --> 00:43:14,480

so long before people are just like

849

00:43:18,390 --> 00:43:15,920

uh what are these

850

00:43:21,589 --> 00:43:18,400

living things and ships out here

851
00:43:23,030 --> 00:43:21,599
that nobody told us about

852
00:43:26,870 --> 00:43:23,040
that you didn't even put on the freaking

853
00:43:28,150 --> 00:43:26,880
brochure for your space hotel

854
00:43:29,430 --> 00:43:28,160
you know

855
00:43:32,230 --> 00:43:29,440
that's not the reason the government's

856
00:43:34,710 --> 00:43:32,240
gotta fess up

857
00:43:40,150 --> 00:43:34,720
if you ask me

858
00:43:40,160 --> 00:43:46,069
i got something

859
00:43:52,870 --> 00:43:49,270
kind of interesting here

860
00:43:58,710 --> 00:43:56,950
and it'll be good for me

861
00:44:00,550 --> 00:43:58,720
because it's video

862
00:44:04,150 --> 00:44:00,560
i can take

863
00:44:09,990 --> 00:44:05,750

as long as you guys are cool with that

864

00:44:14,390 --> 00:44:11,589

um

865

00:44:16,309 --> 00:44:14,400

what the heck is that

866

00:44:19,510 --> 00:44:16,319

kind of a different version kind of

867

00:44:24,710 --> 00:44:23,109

so we're gonna get into that

868

00:44:25,670 --> 00:44:24,720

and we're all gonna look at some weird

869

00:44:27,370 --> 00:44:25,680

stuff

870

00:44:35,000 --> 00:44:27,380

and ask

871

00:46:56,710 --> 00:46:36,050

[Music]

872

00:47:00,790 --> 00:46:58,390

this is from the next

873

00:47:03,270 --> 00:47:00,800

website but instantly they went to

874

00:47:05,910 --> 00:47:03,280

maintenance mode and you can no longer

875

00:47:08,069 --> 00:47:05,920

get these this video or photos and i

876
00:47:10,150 --> 00:47:08,079
just wanted to show you this black cube

877
00:47:12,630 --> 00:47:10,160
coming out of the sun and it's not just

878
00:47:14,230 --> 00:47:12,640
in one coming out of the sun and right

879
00:47:17,190 --> 00:47:14,240
after that frame

880
00:47:19,430 --> 00:47:17,200
a big glitch that covers 25 watch there

881
00:47:22,230 --> 00:47:19,440
it is there it is gone glitch did you

882
00:47:24,549 --> 00:47:22,240
see that okay watch it again cover

883
00:47:26,710 --> 00:47:24,559
here it comes here comes two frames

884
00:47:28,390 --> 00:47:26,720
of the cube coming out of the sun and

885
00:47:30,710 --> 00:47:28,400
then a huge glitch

886
00:47:37,390 --> 00:47:30,720
one two glitch

887
00:47:50,309 --> 00:47:45,020
[Music]

888
00:47:54,230 --> 00:47:52,630

all right that's what the heck is it

889

00:47:56,309 --> 00:47:54,240

i thought we had some interesting ones

890

00:47:58,470 --> 00:47:56,319

in there the triangle thing that goes up

891

00:48:01,349 --> 00:47:58,480

in the sky who knows you know but that's

892

00:48:04,309 --> 00:48:01,359

a perfect example to me is if that was

893

00:48:07,510 --> 00:48:04,319

real you wouldn't know

894

00:48:08,790 --> 00:48:07,520

you know i mean maybe you can look at uh

895

00:48:10,790 --> 00:48:08,800

you know some

896

00:48:12,150 --> 00:48:10,800

video analysis and figure it out

897

00:48:14,549 --> 00:48:12,160

somebody that's better with that's

898

00:48:18,630 --> 00:48:14,559

possible but you know what i'm saying

899

00:48:21,910 --> 00:48:19,510

so

900

00:48:24,230 --> 00:48:21,920

like you can't say things like i haven't

901
00:48:27,349 --> 00:48:24,240
seen anything that's you know not just

902
00:48:29,589 --> 00:48:27,359
prosaic stupid stuff because if you saw

903
00:48:35,670 --> 00:48:29,599
something that was real like that video

904
00:48:40,390 --> 00:48:38,150
that's at least

905
00:48:44,230 --> 00:48:40,400
you know what i think about

906
00:48:51,510 --> 00:48:47,349
so

907
00:48:57,270 --> 00:48:54,309
do you guys want to look at uh

908
00:48:57,280 --> 00:49:01,109
docs of the day for instance

909
00:49:07,510 --> 00:49:03,750
docks of the day

910
00:49:10,950 --> 00:49:08,950
that i could show

911
00:49:13,270 --> 00:49:10,960
but

912
00:49:17,670 --> 00:49:13,280
you know in retrospect

913
00:49:19,829 --> 00:49:17,680

i'm not sure if i'm a big fan of them

914

00:49:24,870 --> 00:49:19,839

i mean they're neat and all

915

00:49:24,880 --> 00:49:29,510

you know

916

00:49:33,990 --> 00:49:31,910

maybe i should uh i don't know

917

00:49:35,750 --> 00:49:34,000

what what uh

918

00:49:37,589 --> 00:49:35,760

okay you guys want to

919

00:49:40,150 --> 00:49:37,599

you can look at the docs

920

00:49:45,430 --> 00:49:42,390

we'll look at the decks we are gonna

921

00:49:47,270 --> 00:49:45,440

look at the freaking docks man

922

00:49:55,109 --> 00:49:47,280

we're gonna look at them

923

00:50:01,510 --> 00:49:56,470

um

924

00:50:03,910 --> 00:50:01,520

we got turtle c1c in the comment box

925

00:50:11,430 --> 00:50:06,630

uh yes it did really i like most of the

926
00:50:11,440 --> 00:50:15,030
so yeah just

927
00:50:21,829 --> 00:50:16,710
if you go back to re-watch the episode

928
00:50:25,109 --> 00:50:23,349
most definitely

929
00:50:27,910 --> 00:50:25,119
so

930
00:50:30,630 --> 00:50:27,920
the docs of the day we'll quick show

931
00:50:30,640 --> 00:50:35,510
so what do we have here

932
00:50:39,030 --> 00:50:36,630
other than

933
00:50:41,270 --> 00:50:39,040
docs of the days

934
00:50:43,670 --> 00:50:41,280
so this actually is pretty interesting

935
00:50:45,109 --> 00:50:43,680
this has to do with the person that

936
00:50:49,990 --> 00:50:45,119
worked for

937
00:50:53,510 --> 00:50:51,990
that was like a film camera company that

938
00:50:56,470 --> 00:50:53,520

was kind of big

939

00:51:01,829 --> 00:50:59,430

when this case happened

940

00:51:07,109 --> 00:51:01,839

and he took these photos of these things

941

00:51:12,710 --> 00:51:09,589

and like the the air force was actually

942

00:51:12,720 --> 00:51:16,309

pretty interested in them

943

00:51:21,430 --> 00:51:17,990

you know now they went up saying it's a

944

00:51:22,870 --> 00:51:21,440

hoax of course obviously

945

00:51:25,430 --> 00:51:22,880

but they were interested in these

946

00:51:29,270 --> 00:51:28,230

and the story started

947

00:51:31,190 --> 00:51:29,280

with

948

00:51:32,069 --> 00:51:31,200

this article here

949

00:51:34,309 --> 00:51:32,079

well

950

00:51:35,910 --> 00:51:34,319

maybe not specifically this article but

951
00:51:37,030 --> 00:51:35,920
this is kind of how things started

952
00:51:39,190 --> 00:51:37,040
rolling

953
00:51:41,109 --> 00:51:39,200
it it was uh experts await details of

954
00:51:43,510 --> 00:51:41,119
eruption on the moon astronomers here

955
00:51:45,910 --> 00:51:43,520
adopted a wait-and-see attitude today on

956
00:51:47,829 --> 00:51:45,920
a report from russia that a volcano was

957
00:51:51,349 --> 00:51:47,839
observed an eruption on the

958
00:51:53,510 --> 00:51:51,359
moon a few days ago an associated press

959
00:51:54,630 --> 00:51:53,520
dispatch quoted the official soviet news

960
00:51:56,870 --> 00:51:54,640
agency

961
00:52:00,549 --> 00:51:56,880
uh tas as having published a report test

962
00:52:02,710 --> 00:52:00,559
said an astronomer at the crimean astro

963
00:52:04,470 --> 00:52:02,720

astrophysics observatory

964

00:52:06,309 --> 00:52:04,480

uh has observed the apparent volcanic

965

00:52:08,069 --> 00:52:06,319

eruption early on the morning of

966

00:52:10,150 --> 00:52:08,079

november 3rd

967

00:52:13,109 --> 00:52:10,160

it took the form of a bright light that

968

00:52:15,349 --> 00:52:13,119

lasts about 30 minutes interesting huh

969

00:52:21,589 --> 00:52:15,359

what

970

00:52:26,549 --> 00:52:24,470

volcano on the moon

971

00:52:27,750 --> 00:52:26,559

so

972

00:52:29,589 --> 00:52:27,760

then

973

00:52:30,829 --> 00:52:29,599

i'm gonna go to

974

00:52:32,549 --> 00:52:30,839

the

975

00:52:34,390 --> 00:52:32,559

interesting

976
00:52:35,829 --> 00:52:34,400
pictures

977
00:52:37,910 --> 00:52:35,839
then after that

978
00:52:39,750 --> 00:52:37,920
we'll go through

979
00:52:43,030 --> 00:52:39,760
kind of the the document

980
00:52:46,950 --> 00:52:45,030
so

981
00:52:49,109 --> 00:52:46,960
we have these bad boys

982
00:52:54,309 --> 00:52:49,119
these are

983
00:52:58,790 --> 00:52:57,109
zoom in a little bit they're definitely

984
00:53:01,990 --> 00:52:58,800
weird how do you fake something like

985
00:53:02,000 --> 00:53:05,829
so here's a moon

986
00:53:13,430 --> 00:53:08,950
i mean i'm sure it could be done but

987
00:53:18,950 --> 00:53:14,630
then you go

988
00:53:18,960 --> 00:53:25,430

bam

989

00:53:32,230 --> 00:53:26,829

pretty

990

00:53:35,910 --> 00:53:32,240

actually like a disc right here doesn't

991

00:53:39,430 --> 00:53:38,309

very interesting

992

00:53:43,670 --> 00:53:39,440

so

993

00:53:48,069 --> 00:53:46,630

and this guy

994

00:53:49,510 --> 00:53:48,079

is dealing with the air force in regards

995

00:53:50,470 --> 00:53:49,520

to these pictures and the air force is

996

00:53:52,150 --> 00:53:50,480

actually

997

00:53:54,630 --> 00:53:52,160

being

998

00:53:54,640 --> 00:53:59,270

interested and curious

999

00:54:05,910 --> 00:54:01,829

oh this is the wrong document this is a

1000

00:54:10,710 --> 00:54:08,549

this disposition form may be hard to

1001
00:54:12,870 --> 00:54:10,720
read

1002
00:54:14,630 --> 00:54:12,880
but during my visit

1003
00:54:16,630 --> 00:54:14,640
it says during my visit

1004
00:54:19,109 --> 00:54:16,640
to washington i was asked by colonel

1005
00:54:20,950 --> 00:54:19,119
mccarthy to talk to mr blank that this

1006
00:54:22,710 --> 00:54:20,960
is the person who took the pictures on

1007
00:54:25,190 --> 00:54:22,720
the telephone since he had been making

1008
00:54:27,190 --> 00:54:25,200
numerous phone calls to general watson

1009
00:54:29,670 --> 00:54:27,200
general watson's office regarding

1010
00:54:31,190 --> 00:54:29,680
unidentified objects on the moon to go

1011
00:54:33,510 --> 00:54:31,200
into the history the same man is

1012
00:54:36,230 --> 00:54:33,520
responsible for the development of some

1013
00:54:39,910 --> 00:54:36,240

exclusive photo processing chemicals

1014

00:54:40,789 --> 00:54:39,920

which have been used by the ansco people

1015

00:54:42,309 --> 00:54:40,799

so

1016

00:54:44,390 --> 00:54:42,319

this guy knows what he's doing with

1017

00:54:46,230 --> 00:54:44,400

photos it's important to remember that

1018

00:54:47,910 --> 00:54:46,240

uh the antscope people notified major

1019

00:54:50,069 --> 00:54:47,920

randall about three months ago that this

1020

00:54:53,190 --> 00:54:50,079

man had in his collection of photo which

1021

00:54:54,470 --> 00:54:53,200

might be of interest okay so now this is

1022

00:54:58,390 --> 00:54:54,480

interesting

1023

00:55:01,030 --> 00:54:58,400

so the person himself didn't first tell

1024

00:55:02,870 --> 00:55:01,040

major randall that anscope people

1025

00:55:05,109 --> 00:55:02,880

notified major randall about three

1026

00:55:07,030 --> 00:55:05,119

months ago that this man

1027

00:55:08,549 --> 00:55:07,040

who had taken the pictures had in his

1028

00:55:10,230 --> 00:55:08,559

collection of photo which might be of

1029

00:55:13,030 --> 00:55:10,240

interest to the intelligence community

1030

00:55:14,470 --> 00:55:13,040

as a result dr blank and mr blank

1031

00:55:17,190 --> 00:55:14,480

of 4a

1032

00:55:19,270 --> 00:55:17,200

and mr blanco 4d who are air force

1033

00:55:21,829 --> 00:55:19,280

people for a 40

1034

00:55:23,670 --> 00:55:21,839

visited and mr griffin brought back with

1035

00:55:25,030 --> 00:55:23,680

him a set of the prince that's so funny

1036

00:55:27,750 --> 00:55:25,040

they black out all the names and then

1037

00:55:29,510 --> 00:55:27,760

they then they forget mr griffin so

1038

00:55:30,950 --> 00:55:29,520

that's the guy's name mr griffin there

1039

00:55:32,150 --> 00:55:30,960

you have it

1040

00:55:33,829 --> 00:55:32,160

brought back with him instead of the

1041

00:55:35,349 --> 00:55:33,839

prince that particular set of

1042

00:55:38,950 --> 00:55:35,359

photographs were apparently explained

1043

00:55:41,030 --> 00:55:38,960

away as a cracked telescopic lens

1044

00:55:42,390 --> 00:55:41,040

i don't know about that mr fine told me

1045

00:55:43,270 --> 00:55:42,400

that uh

1046

00:55:45,589 --> 00:55:43,280

since

1047

00:55:47,349 --> 00:55:45,599

that time he has taken many more or mr

1048

00:55:49,670 --> 00:55:47,359

fine maybe that's the person

1049

00:55:50,630 --> 00:55:49,680

mr fine uh many more photographs with

1050

00:55:52,950 --> 00:55:50,640

different cameras and different

1051
00:55:54,870 --> 00:55:52,960
telescopes he thinks as a matter of fact

1052
00:55:57,109 --> 00:55:54,880
knows in his opinion that there are

1053
00:55:59,270 --> 00:55:57,119
objects taking off from the moon he says

1054
00:56:01,829 --> 00:55:59,280
he sees blast off with shock waves

1055
00:56:03,829 --> 00:56:01,839
attached he refers to the writings of a

1056
00:56:05,910 --> 00:56:03,839
person named meninger

1057
00:56:09,349 --> 00:56:05,920
on the subject of

1058
00:56:12,069 --> 00:56:09,359
ionic or ionic propulsion interesting

1059
00:56:14,549 --> 00:56:12,079
i'm not sure of the relationship of this

1060
00:56:16,230 --> 00:56:14,559
to what he discloses

1061
00:56:17,510 --> 00:56:16,240
he refers specifically to the articles

1062
00:56:19,109 --> 00:56:17,520
which are appearing in the paper about

1063
00:56:20,069 --> 00:56:19,119

soviets having seen eruptions on the

1064

00:56:21,990 --> 00:56:20,079

moon

1065

00:56:25,030 --> 00:56:22,000

an example of this type of article is

1066

00:56:27,190 --> 00:56:25,040

attached just looked at that his claims

1067

00:56:30,950 --> 00:56:27,200

is that these are not eruptions but

1068

00:56:32,630 --> 00:56:30,960

rather things blasting off from the moon

1069

00:56:34,069 --> 00:56:32,640

what is important

1070

00:56:37,109 --> 00:56:34,079

in all this

1071

00:56:39,589 --> 00:56:37,119

is that if the man has some real data

1072

00:56:44,309 --> 00:56:39,599

it would concern either

1073

00:56:44,319 --> 00:56:49,270

if he is not sincere and he might

1074

00:56:53,990 --> 00:56:52,069

pass these pictures

1075

00:56:55,670 --> 00:56:54,000

with the story to the press and causes

1076

00:56:57,910 --> 00:56:55,680

considerable man hours to either

1077

00:56:59,589 --> 00:56:57,920

investigate or explain i therefore

1078

00:57:00,870 --> 00:56:59,599

suggested this man be contacted and

1079

00:57:02,789 --> 00:57:00,880

visited

1080

00:57:04,870 --> 00:57:02,799

by people from your shop my answer to

1081

00:57:06,549 --> 00:57:04,880

him was that i would notify the

1082

00:57:08,069 --> 00:57:06,559

cognizant people who would carry it from

1083

00:57:11,589 --> 00:57:08,079

here his phone number in washington is

1084

00:57:14,390 --> 00:57:11,599

blank see the interesting thing is

1085

00:57:18,470 --> 00:57:14,400

if they knew ufos were all bull crap

1086

00:57:18,480 --> 00:57:23,030

if this man has some real data

1087

00:57:27,589 --> 00:57:26,230

because they would know it doesn't exist

1088

00:57:29,030 --> 00:57:27,599

they would say

1089

00:57:31,030 --> 00:57:29,040

we got to talk to this guy to get the

1090

00:57:33,190 --> 00:57:31,040

story out because it's going to be super

1091

00:57:34,309 --> 00:57:33,200

annoying if he gets the press and we

1092

00:57:35,990 --> 00:57:34,319

have to

1093

00:57:40,710 --> 00:57:36,000

you know try and squash this because

1094

00:57:44,630 --> 00:57:42,150

they want to follow up with it because

1095

00:57:47,030 --> 00:57:44,640

the guy could have some real data on uf

1096

00:57:50,789 --> 00:57:47,040

freaking o's

1097

00:57:55,750 --> 00:57:53,750

so back to moscow just a little bit more

1098

00:57:57,990 --> 00:57:55,760

we got the soviet astronomer

1099

00:57:59,829 --> 00:57:58,000

recently photographed a volcano erupting

1100

00:58:02,470 --> 00:57:59,839

on the moon the official soviet test

1101
00:58:03,829 --> 00:58:02,480
news agency said last night

1102
00:58:06,230 --> 00:58:03,839
um i don't think we have those

1103
00:58:07,829 --> 00:58:06,240
photographs but

1104
00:58:09,750 --> 00:58:07,839
it's a reddish glow that grew in

1105
00:58:11,750 --> 00:58:09,760
intensity of two hours there was every

1106
00:58:14,390 --> 00:58:11,760
reason to believe that it was a normal

1107
00:58:22,630 --> 00:58:14,400
development of a volcanic process on the

1108
00:58:26,549 --> 00:58:24,630
skip it so these are about the pictures

1109
00:58:29,589 --> 00:58:26,559
major uh

1110
00:58:31,190 --> 00:58:29,599
friend of the ariel phenomena group

1111
00:58:33,190 --> 00:58:31,200
you know it is so many people that don't

1112
00:58:36,950 --> 00:58:33,200
even know that there is an actual aerial

1113
00:58:41,349 --> 00:58:38,630

you know they just think blue book or

1114

00:58:43,910 --> 00:58:41,359

whatever but no it was there was an

1115

00:58:45,990 --> 00:58:43,920

actual aerial phenomenon group air

1116

00:58:47,510 --> 00:58:46,000

sciences division

1117

00:58:48,829 --> 00:58:47,520

visited dc

1118

00:58:52,150 --> 00:58:48,839

december

1119

00:58:53,990 --> 00:58:52,160

58 for the purpose of interviewing this

1120

00:58:55,990 --> 00:58:54,000

person that took pictures this gentleman

1121

00:58:58,789 --> 00:58:56,000

who has had some previous contact before

1122

00:59:01,270 --> 00:58:58,799

a4d of attic concerning some photographs

1123

00:59:02,950 --> 00:59:01,280

and a developer he has supposedly

1124

00:59:05,109 --> 00:59:02,960

perfected

1125

00:59:06,789 --> 00:59:05,119

uh has plagued

1126
00:59:08,470 --> 00:59:06,799
general watson's office with calls

1127
00:59:10,630 --> 00:59:08,480
during the past few weeks

1128
00:59:12,470 --> 00:59:10,640
prior to contacting a major friend

1129
00:59:14,950 --> 00:59:12,480
cleared with both major

1130
00:59:16,309 --> 00:59:14,960
brian and major tacker neither had heard

1131
00:59:18,230 --> 00:59:16,319
of the dude

1132
00:59:23,670 --> 00:59:18,240
that's not what they typed by the way

1133
00:59:29,349 --> 00:59:25,829
so we have here initial contact was made

1134
00:59:30,630 --> 00:59:29,359
by telephone morning december 3rd 58

1135
00:59:32,390 --> 00:59:30,640
due to the large number of previous

1136
00:59:34,710 --> 00:59:32,400
engagements with government people in

1137
00:59:36,309 --> 00:59:34,720
high places in a pressing contract

1138
00:59:37,910 --> 00:59:36,319

okay so

1139

00:59:39,430 --> 00:59:37,920

talking about major friend it would be

1140

00:59:44,829 --> 00:59:39,440

impossible to grant an appointment

1141

00:59:49,910 --> 00:59:47,430

um you wouldn't divulge the identity of

1142

00:59:53,030 --> 00:59:49,920

these people or the top oh okay so this

1143

00:59:54,309 --> 00:59:53,040

guy is telling major friend

1144

00:59:57,589 --> 00:59:54,319

that he's talking to other people

1145

01:00:02,549 --> 00:59:59,910

uh he would not divulge the identity of

1146

01:00:05,430 --> 01:00:02,559

these people or the agency with which

1147

01:00:08,150 --> 01:00:05,440

they were associated he later let drop

1148

01:00:10,470 --> 01:00:08,160

broad hints like top missile man a

1149

01:00:12,390 --> 01:00:10,480

specific comment of blank during this

1150

01:00:14,789 --> 01:00:12,400

initial contact was that outside of the

1151
01:00:16,710 --> 01:00:14,799
government service if you don't produce

1152
01:00:18,390 --> 01:00:16,720
you don't eat this one comment serves to

1153
01:00:20,230 --> 01:00:18,400
sum up the men's attitude towards the

1154
01:00:22,230 --> 01:00:20,240
government and more specifically the

1155
01:00:23,190 --> 01:00:22,240
united states air force

1156
01:00:25,829 --> 01:00:23,200
yeah

1157
01:00:31,270 --> 01:00:29,109
i get it

1158
01:00:32,789 --> 01:00:31,280
a major friend arrived at building his

1159
01:00:34,309 --> 01:00:32,799
addresses blank in which the place of

1160
01:00:36,150 --> 01:00:34,319
business is located made a friend

1161
01:00:37,589 --> 01:00:36,160
outside of his office area asked to see

1162
01:00:39,510 --> 01:00:37,599
his credentials commenting that he

1163
01:00:41,109 --> 01:00:39,520

didn't know the man after inspecting the

1164

01:00:43,990 --> 01:00:41,119

credentials warned

1165

01:00:46,710 --> 01:00:44,000

that what was about to be seen was

1166

01:00:48,630 --> 01:00:46,720

dynamite

1167

01:00:51,109 --> 01:00:48,640

upon entering place of business major

1168

01:00:52,390 --> 01:00:51,119

friend observed that the walls of the

1169

01:00:53,829 --> 01:00:52,400

front room were littered with

1170

01:00:55,510 --> 01:00:53,839

photographs major friends spent

1171

01:00:57,910 --> 01:00:55,520

approximately three hours

1172

01:00:59,109 --> 01:00:57,920

three hours

1173

01:01:00,789 --> 01:00:59,119

during which time the gentleman

1174

01:01:02,150 --> 01:01:00,799

confessed his ill feeling towards the

1175

01:01:03,910 --> 01:01:02,160

air force

1176

01:01:05,510 --> 01:01:03,920

general watson

1177

01:01:07,349 --> 01:01:05,520

feels that the air force and these

1178

01:01:08,829 --> 01:01:07,359

gentlemen in particular

1179

01:01:14,549 --> 01:01:08,839

are out to

1180

01:01:14,559 --> 01:01:18,309

so

1181

01:01:21,190 --> 01:01:19,670

interesting

1182

01:01:22,710 --> 01:01:21,200

he was very enthusiastic about his

1183

01:01:25,430 --> 01:01:22,720

photographs and felt that he had

1184

01:01:28,069 --> 01:01:25,440

pictures of blastops from the moon with

1185

01:01:35,750 --> 01:01:28,079

associated shock waves

1186

01:01:39,990 --> 01:01:37,750

so

1187

01:01:41,349 --> 01:01:40,000

head of attic spends three hours with

1188

01:01:43,190 --> 01:01:41,359

this guy

1189

01:01:44,710 --> 01:01:43,200

i don't think he spend that much time

1190

01:01:50,789 --> 01:01:44,720

with someone

1191

01:01:54,230 --> 01:01:52,470

um so

1192

01:01:55,990 --> 01:01:54,240

guys says this the pictures at greater

1193

01:01:57,430 --> 01:01:56,000

significance due to russian astronomer

1194

01:01:59,829 --> 01:01:57,440

claimed that he observed a volcanic

1195

01:02:01,190 --> 01:01:59,839

eruption on the moon claim is that this

1196

01:02:02,950 --> 01:02:01,200

was just a mis

1197

01:02:04,309 --> 01:02:02,960

interpretation of one of his picture

1198

01:02:08,710 --> 01:02:04,319

blast offs

1199

01:02:12,630 --> 01:02:11,109

i asked mr friend to his position and if

1200

01:02:14,069 --> 01:02:12,640

he were to make a definite commitment

1201
01:02:16,309 --> 01:02:14,079
concerning the air force's attitude

1202
01:02:18,069 --> 01:02:16,319
towards this developer and was important

1203
01:02:19,510 --> 01:02:18,079
by a major friend of the year science

1204
01:02:21,750 --> 01:02:19,520
division interest in the matter was

1205
01:02:23,589 --> 01:02:21,760
restricted to the images

1206
01:02:24,789 --> 01:02:23,599
if they were images

1207
01:02:27,670 --> 01:02:24,799
of

1208
01:02:29,430 --> 01:02:27,680
if they were images on the film however

1209
01:02:31,430 --> 01:02:29,440
was persistent in the connection of his

1210
01:02:33,510 --> 01:02:31,440
developer and the images his belief is

1211
01:02:36,390 --> 01:02:33,520
that present commercial developers would

1212
01:02:38,630 --> 01:02:36,400
not bring out these images

1213
01:02:41,510 --> 01:02:38,640

the attitude of blank was that he should

1214

01:02:44,309 --> 01:02:41,520

be paid to cover his expenses

1215

01:02:46,470 --> 01:02:44,319

okay so now they're talking about

1216

01:02:47,430 --> 01:02:46,480

he wants to get paid for this

1217

01:02:49,190 --> 01:02:47,440

uh

1218

01:02:51,510 --> 01:02:49,200

for his labor

1219

01:02:54,150 --> 01:02:51,520

the material and technique for capturing

1220

01:02:57,029 --> 01:02:54,160

this phenomena on film

1221

01:02:59,270 --> 01:02:57,039

and had been rebuffed

1222

01:03:01,109 --> 01:02:59,280

as a friend requested prints of film to

1223

01:03:03,349 --> 01:03:01,119

bring back for analysis and or

1224

01:03:05,990 --> 01:03:03,359

interpretation so why do you even

1225

01:03:07,510 --> 01:03:06,000

care about getting copies of those if

1226

01:03:10,870 --> 01:03:07,520

again

1227

01:03:13,190 --> 01:03:10,880

the things don't exist in their crap

1228

01:03:17,270 --> 01:03:15,670

you're not gonna feed into it and say oh

1229

01:03:19,670 --> 01:03:17,280

let me give me copies of those so we can

1230

01:03:23,510 --> 01:03:19,680

analyze them

1231

01:03:27,109 --> 01:03:25,349

it's just all these actions of how

1232

01:03:29,510 --> 01:03:27,119

people deal with this stuff is that it's

1233

01:03:30,710 --> 01:03:29,520

very true they may be a little confused

1234

01:03:36,470 --> 01:03:30,720

themselves and they want more

1235

01:03:41,190 --> 01:03:38,510

uh the entire lot of photographs were

1236

01:03:43,670 --> 01:03:41,200

extensively analyzed in order to arrive

1237

01:03:46,230 --> 01:03:43,680

at a realistic interpretation it's just

1238

01:03:49,510 --> 01:03:46,240

that sentence alone we extensively

1239

01:03:52,230 --> 01:03:49,520

analyze them in order to arrive

1240

01:03:54,309 --> 01:03:52,240

at a realistic interpretation

1241

01:04:05,510 --> 01:03:54,319

so not an interpretation

1242

01:04:08,390 --> 01:04:06,950

there is some doubt as to the

1243

01:04:10,309 --> 01:04:08,400

authenticity of the photographs in

1244

01:04:14,950 --> 01:04:10,319

general this is to say

1245

01:04:19,349 --> 01:04:17,510

is is to say that the photographs could

1246

01:04:21,910 --> 01:04:19,359

have been reproduced in such a manner as

1247

01:04:23,750 --> 01:04:21,920

to civic conditions or objects that

1248

01:04:25,270 --> 01:04:23,760

never really existed this is entirely

1249

01:04:27,029 --> 01:04:25,280

possible when considering photographs

1250

01:04:30,630 --> 01:04:27,039

and photographs

1251

01:04:34,309 --> 01:04:32,230

so they're saying maybe the guy put a

1252

01:04:36,230 --> 01:04:34,319

photograph on top of a photograph of the

1253

01:04:39,510 --> 01:04:36,240

moon

1254

01:04:42,630 --> 01:04:41,270

it just seems like a huge waste of time

1255

01:04:50,470 --> 01:04:42,640

especially for a guy that's in the

1256

01:04:53,750 --> 01:04:51,990

so

1257

01:04:56,710 --> 01:04:53,760

then they wound up calling it a freaking

1258

01:04:59,029 --> 01:04:57,750

i don't know

1259

01:05:01,910 --> 01:04:59,039

i thought that was kind of interesting

1260

01:05:07,109 --> 01:05:03,430

most definitely

1261

01:05:08,789 --> 01:05:07,119

uh somebody actually i saw

1262

01:05:10,789 --> 01:05:08,799

um

1263

01:05:14,390 --> 01:05:10,799

moonfall yeah you mentioned moonfall so

1264

01:05:14,400 --> 01:05:17,349

premise good

1265

01:05:17,359 --> 01:05:20,829

storyline okay

1266

01:05:27,109 --> 01:05:24,230

acting writing

1267

01:05:29,349 --> 01:05:27,119

special effects

1268

01:05:30,710 --> 01:05:29,359

cool

1269

01:05:32,230 --> 01:05:30,720

but

1270

01:05:35,109 --> 01:05:32,240

which is kind of more interesting is

1271

01:05:37,670 --> 01:05:35,119

just the theme of it

1272

01:05:40,549 --> 01:05:37,680

you know putting it out in hollywood and

1273

01:05:43,109 --> 01:05:40,559

you know renting a movie and the ufo guy

1274

01:05:44,549 --> 01:05:43,119

there's a ufo guy involved basically or

1275

01:05:47,270 --> 01:05:44,559

well he's a

1276

01:05:54,390 --> 01:05:47,280

structure major structural

1277

01:05:57,270 --> 01:05:56,069

pretty much being vindicated and taken

1278

01:05:59,270 --> 01:05:57,280

to the moon and blah blah blah you'll

1279

01:06:01,430 --> 01:05:59,280

have to watch it i watched it yesterday

1280

01:06:05,270 --> 01:06:01,440

it's worth the watch um you're not going

1281

01:06:08,390 --> 01:06:05,280

to get any gram you know oscar winners

1282

01:06:11,430 --> 01:06:08,400

um or best scripts written um but it's

1283

01:06:13,589 --> 01:06:11,440

it's a fun watch and especially you know

1284

01:06:16,069 --> 01:06:13,599

being in the business we're in so i i

1285

01:06:19,670 --> 01:06:16,079

would recommend watching it it's

1286

01:06:21,910 --> 01:06:19,680

it's worth your time

1287

01:06:24,150 --> 01:06:21,920

there's some funny parts too so it's not

1288

01:06:25,910 --> 01:06:24,160

all

1289

01:06:28,230 --> 01:06:25,920

you know serious but it is kind of like

1290

01:06:31,510 --> 01:06:28,240

a end of the world type of thing

1291

01:06:35,990 --> 01:06:33,349

but uh you know

1292

01:06:41,029 --> 01:06:36,000

i'd really love if someone made like a

1293

01:06:45,750 --> 01:06:42,950

instead of trying to make it like a

1294

01:06:47,750 --> 01:06:45,760

action comedy

1295

01:06:49,750 --> 01:06:47,760

but yeah so hopefully you like the

1296

01:06:51,510 --> 01:06:49,760

documents i'm going to show you this

1297

01:06:53,270 --> 01:06:51,520

clip here that i put on

1298

01:06:55,109 --> 01:06:53,280

twitter yesterday about

1299

01:06:57,270 --> 01:06:55,119

a dream i had

1300

01:06:58,950 --> 01:06:57,280

a while ago because i think it could be

1301

01:07:01,910 --> 01:06:58,960

important to

1302

01:07:03,589 --> 01:07:01,920

consciousness what consciousness is

1303

01:07:05,109 --> 01:07:03,599

and so on and so forth i mean you'll

1304

01:07:07,109 --> 01:07:05,119

have to decide for yourself but at least

1305

01:07:14,710 --> 01:07:07,119

that's the tip i'm on so hope you like

1306

01:07:21,670 --> 01:07:18,309

it was about 17 years ago um i was

1307

01:07:23,589 --> 01:07:21,680

asleep and i had a dream that um

1308

01:07:27,430 --> 01:07:23,599

pretty much rocked my world in the

1309

01:07:30,630 --> 01:07:27,440

basement at the time of my parents house

1310

01:07:35,670 --> 01:07:32,710

um and i was having a dream that i was

1311

01:07:36,870 --> 01:07:35,680

in a nursing home

1312

01:07:40,069 --> 01:07:36,880

with other

1313

01:07:42,630 --> 01:07:40,079

family and friends of my uncle who was

1314

01:07:44,309 --> 01:07:42,640

at the time passing away of a brain

1315

01:07:48,390 --> 01:07:44,319

tumor he's my

1316

01:07:53,670 --> 01:07:50,549

and this was happening in real life as

1317

01:07:56,309 --> 01:07:53,680

it was in my dream at the time

1318

01:07:58,069 --> 01:07:56,319

in the dream uh we're all around his bed

1319

01:08:00,150 --> 01:07:58,079

in the nursing home

1320

01:08:01,990 --> 01:08:00,160

and i have this golden bowl

1321

01:08:04,069 --> 01:08:02,000

and still i'm not sure what the golden

1322

01:08:06,549 --> 01:08:04,079

bowl means but

1323

01:08:09,109 --> 01:08:06,559

the point is um

1324

01:08:12,150 --> 01:08:09,119

as he was sleeping in his bed i passed

1325

01:08:13,190 --> 01:08:12,160

him this golden bowl and as it got to

1326
01:08:16,950 --> 01:08:13,200
him he

1327
01:08:18,789 --> 01:08:16,960
sat up in his eyes opened

1328
01:08:22,390 --> 01:08:18,799
really wide

1329
01:08:27,590 --> 01:08:25,269
and right when that happened

1330
01:08:30,149 --> 01:08:27,600
the dream ended and the dream ended

1331
01:08:32,870 --> 01:08:30,159
because the phone rang

1332
01:08:36,550 --> 01:08:32,880
at my parents house

1333
01:08:40,390 --> 01:08:38,709
in the phone call it was in the middle

1334
01:08:44,229 --> 01:08:40,400
of the night

1335
01:08:44,239 --> 01:08:49,990
it was a full moon that night

1336
01:08:57,910 --> 01:08:53,510
and the call was that

1337
01:08:57,920 --> 01:09:01,749
i'm telling you this dream because

1338
01:09:08,950 --> 01:09:05,030

i believe there's another world

1339

01:09:19,269 --> 01:09:12,789

and i think in that dream i was

1340

01:09:25,430 --> 01:09:21,669

and i think in her dreams

1341

01:09:25,440 --> 01:09:29,749

can meet the dead

1342

01:09:35,510 --> 01:09:31,749

so yeah um

1343

01:09:37,430 --> 01:09:35,520

i was really close with my uncle so

1344

01:09:38,630 --> 01:09:37,440

you know that dream was pretty intense

1345

01:09:40,870 --> 01:09:38,640

uh to me

1346

01:09:41,990 --> 01:09:40,880

i'll quick tell you a story

1347

01:09:45,110 --> 01:09:42,000

about him

1348

01:09:46,789 --> 01:09:45,120

um so well my uncle has

1349

01:09:48,709 --> 01:09:46,799

had the

1350

01:09:50,709 --> 01:09:48,719

brain cancer or whatever

1351

01:09:52,390 --> 01:09:50,719

um he was in this uh

1352

01:09:54,070 --> 01:09:52,400

coed bowling league with his wife at the

1353

01:09:55,750 --> 01:09:54,080

time um but

1354

01:09:56,870 --> 01:09:55,760

he had to go in the nursing home he was

1355

01:09:59,590 --> 01:09:56,880

in a wheelchair you know he couldn't

1356

01:10:02,470 --> 01:09:59,600

bowl anymore so my dad wound up filling

1357

01:10:05,510 --> 01:10:02,480

in for him to to bowl on his team and

1358

01:10:07,590 --> 01:10:05,520

this is more what i would say is uh

1359

01:10:09,830 --> 01:10:07,600

synchronicity is kind of selling it

1360

01:10:11,910 --> 01:10:09,840

short almost this story but

1361

01:10:13,030 --> 01:10:11,920

so my dad winds up filling in for many

1362

01:10:15,430 --> 01:10:13,040

bulls

1363

01:10:19,830 --> 01:10:15,440

in this league

1364

01:10:21,669 --> 01:10:19,840

um with uh in place of my uncle so

1365

01:10:24,870 --> 01:10:21,679

there was one night one on the bowling

1366

01:10:27,510 --> 01:10:24,880

league uh my uncle gets to leave the the

1367

01:10:28,950 --> 01:10:27,520

nursing home and he gets to leave the

1368

01:10:31,189 --> 01:10:28,960

nursing home

1369

01:10:32,790 --> 01:10:31,199

uh for the last time this is his last

1370

01:10:35,030 --> 01:10:32,800

time leaving the nursing home and it's

1371

01:10:37,430 --> 01:10:35,040

to go watch my dad bowl for him in his

1372

01:10:39,669 --> 01:10:37,440

place in this league

1373

01:10:42,709 --> 01:10:39,679

so i'm there my mom's there

1374

01:10:44,550 --> 01:10:42,719

um and and whatever the night's going on

1375

01:10:46,550 --> 01:10:44,560

and they both pulled their entire lives

1376

01:10:47,830 --> 01:10:46,560

with their dad and everything uh big

1377

01:10:49,750 --> 01:10:47,840

family thing

1378

01:10:51,270 --> 01:10:49,760

so my dad's bowling in his place uh

1379

01:10:52,310 --> 01:10:51,280

michael's there in his wheelchair kind

1380

01:10:54,630 --> 01:10:52,320

of

1381

01:10:56,390 --> 01:10:54,640

you know he's not really all there

1382

01:10:58,790 --> 01:10:56,400

but again it's his last time he gets to

1383

01:11:00,470 --> 01:10:58,800

leave the nursing home

1384

01:11:04,790 --> 01:11:00,480

my dad bowls

1385

01:11:08,870 --> 01:11:06,790

it was a perfect game

1386

01:11:11,110 --> 01:11:08,880

and that's the only time

1387

01:11:13,110 --> 01:11:11,120

he's ever bowled a perfect game my uncle

1388

01:11:15,030 --> 01:11:13,120

never bowled a perfect game no one else

1389

01:11:18,070 --> 01:11:15,040

in my family ever bought a perfect game

1390

01:11:20,550 --> 01:11:18,080

but my dad pulled a perfect game

1391

01:11:23,590 --> 01:11:20,560

on the last night my uncle could leave

1392

01:11:27,590 --> 01:11:25,510

to watch my dad pull in place for him

1393

01:11:30,390 --> 01:11:27,600

and i still like i wear

1394

01:11:34,070 --> 01:11:30,400

the 300 ring

1395

01:11:39,110 --> 01:11:36,790

pretty cool yeah so

1396

01:11:40,709 --> 01:11:39,120

pretty cool story i'm into the dream

1397

01:11:43,830 --> 01:11:40,719

obviously i told you about happened

1398

01:11:46,950 --> 01:11:43,840

after after that so um

1399

01:11:46,960 --> 01:11:51,510

pretty endearing story so

1400

01:11:57,110 --> 01:11:54,950

um with that being said

1401

01:11:59,350 --> 01:11:57,120

i'll leave you with that

1402

01:12:01,830 --> 01:11:59,360

wanted to say thank you everybody for

1403

01:12:03,350 --> 01:12:01,840

hanging out being so great in the chat

1404

01:12:05,830 --> 01:12:03,360

being positive

1405

01:12:07,669 --> 01:12:05,840

um paying attention

1406

01:12:09,830 --> 01:12:07,679

you know being supportive like the video

1407

01:12:13,910 --> 01:12:09,840

if you haven't

1408

01:12:17,270 --> 01:12:15,030

share it

1409

01:12:18,790 --> 01:12:17,280

all that fun stuff and i appreciate you

1410

01:12:20,950 --> 01:12:18,800

guys i'll be back here tomorrow with jay

1411

01:12:24,030 --> 01:12:20,960

christopher king and francisco we're

1412

01:12:25,590 --> 01:12:24,040

going to be talking about portuguese

1413

01:12:31,070 --> 01:12:25,600

uaps
