

1
00:00:04,789 --> 00:00:02,550
so we know where the information is just

2
00:00:06,630 --> 00:00:04,799
go get it and give it to us what we can

3
00:00:08,230 --> 00:00:06,640
see that's all i got to say yeah i'm

4
00:00:09,910 --> 00:00:08,240
kind of hogging the mic

5
00:00:12,549 --> 00:00:09,920
no absolutely you've made a really good

6
00:00:13,430 --> 00:00:12,559
point and john ramirez incredibly good

7
00:00:15,509 --> 00:00:13,440
egg

8
00:00:18,230 --> 00:00:15,519
i always manage and you managed as well

9
00:00:19,830 --> 00:00:18,240
to um confirm he was who he said he was

10
00:00:21,590 --> 00:00:19,840
as well i mean you didn't even need to

11
00:00:22,870 --> 00:00:21,600
do that you just needed to actually talk

12
00:00:25,269 --> 00:00:22,880
to him and know the level of knowledge

13
00:00:26,870 --> 00:00:25,279

that he had to know he was who he was i

14

00:00:29,189 --> 00:00:26,880

mean i'm really really questioning

15

00:00:30,870 --> 00:00:29,199

certain people's analytical skills at

16

00:00:33,190 --> 00:00:30,880

this point

17

00:00:34,870 --> 00:00:33,200

it just boggles the mind there are some

18

00:00:36,709 --> 00:00:34,880

really really bad eggs in this community

19

00:00:38,310 --> 00:00:36,719

right now um

20

00:00:40,630 --> 00:00:38,320

and it's time they take a really really

21

00:00:42,150 --> 00:00:40,640

long good look at themselves because

22

00:00:43,990 --> 00:00:42,160

they're really muddying the waters and

23

00:00:45,430 --> 00:00:44,000

they're creating a toxic atmosphere and

24

00:00:47,510 --> 00:00:45,440

it's time to call them out it's time to

25

00:00:49,990 --> 00:00:47,520

call them out now i think this you know

26

00:00:51,750 --> 00:00:50,000

this stuff around gary reed um it's

27

00:00:53,750 --> 00:00:51,760

going to vindicate what what lou has

28

00:00:54,869 --> 00:00:53,760

been saying all along and you know what

29

00:00:57,270 --> 00:00:54,879

there's going to be a lot more of this

30

00:00:58,790 --> 00:00:57,280

as well i think more i think more is

31

00:01:00,790 --> 00:00:58,800

going to happen

32

00:01:03,430 --> 00:01:00,800

definitely

33

00:01:06,310 --> 00:01:03,440

do you think that has any relation to

34

00:01:08,310 --> 00:01:06,320

the brain working off of a kind of

35

00:01:09,750 --> 00:01:08,320

quantum

36

00:01:11,270 --> 00:01:09,760

you know that's a really interesting

37

00:01:13,350 --> 00:01:11,280

point sean

38

00:01:14,390 --> 00:01:13,360

certainly that's possibility yeah i mean

39

00:01:15,990 --> 00:01:14,400

that's

40

00:01:17,109 --> 00:01:16,000

the the more we learn about the brain

41

00:01:18,870 --> 00:01:17,119

the more we realize we don't know

42

00:01:20,149 --> 00:01:18,880

anything about the brain and and that

43

00:01:22,550 --> 00:01:20,159

consciousness being a quantum

44

00:01:24,870 --> 00:01:22,560

potentially a quantum process

45

00:01:27,830 --> 00:01:24,880

uh you know sky's the limit uh when you

46

00:01:30,149 --> 00:01:27,840

start talking about about that um you

47

00:01:33,910 --> 00:01:30,159

know you're talking about about things

48

00:01:36,469 --> 00:01:33,920

now that that don't necessarily abide by

49

00:01:38,710 --> 00:01:36,479

newtonian laws of physics um you know

50

00:01:41,030 --> 00:01:38,720

they abide by quantum physics uh the

51
00:01:42,870 --> 00:01:41,040
laws of quantum physics and and there a

52
00:01:45,510 --> 00:01:42,880
lot of things are are strange and

53
00:01:48,230 --> 00:01:45,520
bizarre but but are very real and it's

54
00:01:50,310 --> 00:01:48,240
possible sure it's that's that's uh

55
00:01:53,590 --> 00:01:50,320
there's certainly some some speculation

56
00:01:54,630 --> 00:01:53,600
within within uh the community uh that i

57
00:01:57,830 --> 00:01:54,640
come from

58
00:01:59,830 --> 00:01:57,840
to get rolling yeah unfortunately dude

59
00:02:01,990 --> 00:01:59,840
no that's okay it was a great time man i

60
00:02:05,749 --> 00:02:02,000
loved having you on um

61
00:02:06,950 --> 00:02:05,759
for december 17th at nuap secrecy day

62
00:02:09,749 --> 00:02:06,960
yeah um

63
00:02:11,589 --> 00:02:09,759

vinnie and i decided we want you to uh

64

00:02:15,270 --> 00:02:11,599

come aboard and be a co-host for at

65

00:02:16,390 --> 00:02:15,280

least an hour or two dude

66

00:02:18,309 --> 00:02:16,400

really

67

00:02:29,110 --> 00:02:18,319

yeah

68

00:02:34,790 --> 00:02:29,120

i'm

69

00:02:39,670 --> 00:02:37,830

all right no so take that with you have

70

00:02:41,190 --> 00:02:39,680

a great day brother all right man take

71

00:02:42,070 --> 00:02:41,200

it easy bye guys

72

00:02:44,309 --> 00:02:42,080

peace

73

00:02:46,869 --> 00:02:44,319

how even though that's happened

74

00:02:49,990 --> 00:02:46,879

um there's enough

75

00:02:52,229 --> 00:02:50,000

skepticism or doubt per se

76

00:02:53,589 --> 00:02:52,239

to kind of keep us in the same spot

77

00:02:55,670 --> 00:02:53,599

isn't that

78

00:02:58,390 --> 00:02:55,680

it's a little odd isn't it

79

00:02:59,990 --> 00:02:58,400

it isn't yes it is it is and it depends

80

00:03:03,110 --> 00:03:00,000

on your world view where are you coming

81

00:03:04,710 --> 00:03:03,120

from right i know that when i talk about

82

00:03:07,190 --> 00:03:04,720

my personal experiences with the

83

00:03:09,350 --> 00:03:07,200

phenomenon and i should preface this by

84

00:03:11,750 --> 00:03:09,360

saying in the government

85

00:03:15,190 --> 00:03:11,760

everything the metallic craft the light

86

00:03:17,030 --> 00:03:15,200

orbs the beings the paranormal beings

87

00:03:19,030 --> 00:03:17,040

metaphysical beings ethereal

88

00:03:20,229 --> 00:03:19,040

consciousness higher consciousness

89

00:03:22,309 --> 00:03:20,239

beings

90

00:03:24,710 --> 00:03:22,319

everything is classified under

91

00:03:26,949 --> 00:03:24,720

the phenomenon with a capital p

92

00:03:29,830 --> 00:03:26,959

including those disturbing aspects of

93

00:03:32,470 --> 00:03:29,840

the phenomenon that

94

00:03:33,750 --> 00:03:32,480

were documented in the skinwalkers of

95

00:03:37,270 --> 00:03:33,760

the pentagon book so it's all the

96

00:03:38,390 --> 00:03:37,280

phenomena so as the phenomenon

97

00:03:42,789 --> 00:03:38,400

now i

98

00:03:48,390 --> 00:03:46,470

i wasn't shocked by it and i did not see

99

00:03:50,149 --> 00:03:48,400

it as unusual

100

00:03:51,830 --> 00:03:50,159

and i lost your training question

101
00:03:54,149 --> 00:03:51,840
unfortunately no no you could put that

102
00:03:54,949 --> 00:03:54,159
together in any sort of comprehensible

103
00:03:58,229 --> 00:03:54,959
way

104
00:04:00,470 --> 00:03:58,239
um you know he was at a he was at a base

105
00:04:02,630 --> 00:04:00,480
uh you ufos came by

106
00:04:03,509 --> 00:04:02,640
and communications were shut down they

107
00:04:06,630 --> 00:04:03,519
couldn't

108
00:04:08,710 --> 00:04:06,640
do anything with the missiles

109
00:04:10,869 --> 00:04:08,720
because of these things like

110
00:04:13,830 --> 00:04:10,879
and he's not told what they are nobody

111
00:04:15,990 --> 00:04:13,840
knows what they are like

112
00:04:17,830 --> 00:04:16,000
and he's damned upset that nobody takes

113
00:04:19,430 --> 00:04:17,840

him seriously which he

114

00:04:22,550 --> 00:04:19,440

very well should be

115

00:04:24,629 --> 00:04:22,560

um it's it's pretty

116

00:04:27,510 --> 00:04:24,639

you know to me it is borderline and

117

00:04:29,749 --> 00:04:27,520

forgivable unforgivable you know

118

00:04:31,830 --> 00:04:29,759

it gets to a point where um

119

00:04:32,950 --> 00:04:31,840

you know how much can you put people

120

00:04:33,990 --> 00:04:32,960

through

121

00:04:38,310 --> 00:04:34,000

that

122

00:04:40,790 --> 00:04:38,320

put their lives on the line for the

123

00:04:43,189 --> 00:04:40,800

country and donate their life

124

00:04:45,270 --> 00:04:43,199

you know because they trust in the

125

00:04:46,629 --> 00:04:45,280

government and want to fight for it in

126
00:04:47,590 --> 00:04:46,639
our country

127
00:04:56,310 --> 00:04:47,600
and

128
00:04:59,110 --> 00:04:56,320
there's so many other kinds of instances

129
00:05:00,230 --> 00:04:59,120
even non-ufo related where that happens

130
00:05:01,909 --> 00:05:00,240
but

131
00:05:03,749 --> 00:05:01,919
this as well

132
00:05:04,790 --> 00:05:03,759
and it's like how many times can this

133
00:05:06,150 --> 00:05:04,800
happen

134
00:05:08,070 --> 00:05:06,160
to where

135
00:05:09,909 --> 00:05:08,080
you know we

136
00:05:10,950 --> 00:05:09,919
we don't do anything about it you know

137
00:05:13,590 --> 00:05:10,960
we don't

138
00:05:16,469 --> 00:05:13,600

any classified uap photos no you're not

139

00:05:18,790 --> 00:05:16,479

gonna get no no the point is i don't

140

00:05:20,870 --> 00:05:18,800

i don't want to see that because it will

141

00:05:22,469 --> 00:05:20,880

limit my freedom as a scientist to talk

142

00:05:23,590 --> 00:05:22,479

about these subject cases you know

143

00:05:25,990 --> 00:05:23,600

people that

144

00:05:27,270 --> 00:05:26,000

couldn't get rid of like poltergeist

145

00:05:29,510 --> 00:05:27,280

type energy

146

00:05:30,870 --> 00:05:29,520

yeah stuff like that people that had

147

00:05:33,909 --> 00:05:30,880

really deep

148

00:05:36,310 --> 00:05:33,919

trauma from abduction encounters

149

00:05:38,790 --> 00:05:36,320

and stuart has a private practice doing

150

00:05:40,150 --> 00:05:38,800

sessions with experiencers

151

00:05:42,469 --> 00:05:40,160

um that's great

152

00:05:44,469 --> 00:05:42,479

and was

153

00:05:46,950 --> 00:05:44,479

established that's what i think is going

154

00:05:49,110 --> 00:05:46,960

forward i think in our lifetimes i think

155

00:05:51,430 --> 00:05:49,120

we're we're going to get some level of

156

00:05:53,670 --> 00:05:51,440

understanding of what's going on and the

157

00:05:56,790 --> 00:05:53,680

uh recent uh skin walkers of the

158

00:05:58,150 --> 00:05:56,800

pentagon have went a long long way

159

00:06:00,390 --> 00:05:58,160

of addressing

160

00:06:02,550 --> 00:06:00,400

so can you somewhat vouch for the

161

00:06:04,870 --> 00:06:02,560

authenticity of it as far as you can

162

00:06:07,189 --> 00:06:04,880

tell of course from reading it it all

163

00:06:09,270 --> 00:06:07,199

seems up just enough for the most i

164

00:06:10,950 --> 00:06:09,280

looked at the security protocols in

165

00:06:13,510 --> 00:06:10,960

place i looked at the reporting

166

00:06:15,350 --> 00:06:13,520

requirements the way it was constructed

167

00:06:17,430 --> 00:06:15,360

the budget i know a lot about how

168

00:06:19,270 --> 00:06:17,440

budgets are constructed

169

00:06:22,629 --> 00:06:19,280

i would say yes indeed that is very

170

00:06:23,590 --> 00:06:22,639

authentic i i would totally totally

171

00:06:25,830 --> 00:06:23,600

place

172

00:06:28,070 --> 00:06:25,840

a high degree of validation on that

173

00:06:30,230 --> 00:06:28,080

piece of work beginning of summer uh

174

00:06:34,230 --> 00:06:30,240

some of my colleagues

175

00:06:36,309 --> 00:06:34,240

myself decided to do a project one

176
00:06:37,830 --> 00:06:36,319
aspect of the wilson stuff the wilson

177
00:06:39,749 --> 00:06:37,840
notes

178
00:06:41,189 --> 00:06:39,759
we decided to

179
00:06:44,150 --> 00:06:41,199
look into

180
00:06:45,830 --> 00:06:44,160
the buildings where eric davis and emil

181
00:06:46,870 --> 00:06:45,840
wilson met

182
00:06:49,909 --> 00:06:46,880
but

183
00:06:52,790 --> 00:06:49,919
later on lockheed martin bought all

184
00:06:55,670 --> 00:06:52,800
those eg g buildings

185
00:06:59,510 --> 00:06:55,680
through a shell company

186
00:07:02,870 --> 00:06:59,520
and i i have the documents to prove this

187
00:07:04,469 --> 00:07:02,880
on top of that the person who procured

188
00:07:06,390 --> 00:07:04,479

these buildings

189

00:07:08,950 --> 00:07:06,400

there's almost nothing on the internet

190

00:07:11,670 --> 00:07:08,960

about this individual other than he's

191

00:07:13,589 --> 00:07:11,680

very connected he was a former military

192

00:07:15,589 --> 00:07:13,599

guy

193

00:07:17,189 --> 00:07:15,599

he's like a ghost on the internet other

194

00:07:20,070 --> 00:07:17,199

than his

195

00:07:22,790 --> 00:07:20,080

just showing what he's done in his prior

196

00:07:23,589 --> 00:07:22,800

service in the military her ufos are

197

00:07:25,909 --> 00:07:23,599

real

198

00:07:28,150 --> 00:07:25,919

and now it's just finding out what's

199

00:07:30,710 --> 00:07:28,160

piloting them and if it's intelligent or

200

00:07:32,950 --> 00:07:30,720

what it is right yeah you know that's a

201

00:07:35,029 --> 00:07:32,960

really good point because i've heard

202

00:07:37,670 --> 00:07:35,039

people say that before it only takes one

203

00:07:41,909 --> 00:07:37,680

but for whatever reason when you said it

204

00:07:45,430 --> 00:07:44,150

if i'm the only one who've ever had an

205

00:07:47,270 --> 00:07:45,440

experience

206

00:07:49,350 --> 00:07:47,280

it makes it all true

207

00:07:51,350 --> 00:07:49,360

you know what i mean and imagine it is

208

00:07:52,629 --> 00:07:51,360

quite breathtaking to think about

209

00:07:54,230 --> 00:07:52,639

yeah could you imagine being the only

210

00:07:56,830 --> 00:07:54,240

person having an experience with though

211

00:07:59,830 --> 00:07:56,840

too i swear to god

212

00:08:01,909 --> 00:07:59,840

yeah and i you know i say that's like

213

00:08:03,589 --> 00:08:01,919

that anyways

214

00:08:05,589 --> 00:08:03,599

right and like if people people that are

215

00:08:07,589 --> 00:08:05,599

like experiencers and you know have had

216

00:08:09,589 --> 00:08:07,599

abductions and stuff like that like you

217

00:08:11,510 --> 00:08:09,599

know it it's hard because we can't prove

218

00:08:13,909 --> 00:08:11,520

those things and science probably will

219

00:08:15,990 --> 00:08:13,919

at some point in time and catch up um

220

00:08:18,070 --> 00:08:16,000

but at the same time i'm like i always

221

00:08:20,390 --> 00:08:18,080

say no matter what if someone's had a

222

00:08:23,589 --> 00:08:20,400

traumatic experience and that's affected

223

00:08:25,189 --> 00:08:23,599

their life that's a form of ptsd that

224

00:08:27,029 --> 00:08:25,199

other people won't relate to unless

225

00:08:28,629 --> 00:08:27,039

they're in a similar experience or so we

226

00:08:30,469 --> 00:08:28,639

need to give some empathy towards that

227

00:08:33,029 --> 00:08:30,479

rather than like push it off we need to

228

00:08:34,709 --> 00:08:33,039

obviously look at it and analyze it

229

00:08:36,630 --> 00:08:34,719

science won't be there for probably for

230

00:08:38,949 --> 00:08:36,640

a while but it's gonna have to go down

231

00:08:40,870 --> 00:08:38,959

the road at some point in time right um

232

00:08:41,990 --> 00:08:40,880

like i should say it is kind of now like

233

00:08:44,230 --> 00:08:42,000

they're they're look they always look at

234

00:08:47,110 --> 00:08:44,240

sleep paralysis and stuff but it's not

235

00:08:48,710 --> 00:08:47,120

taken as serious as ufos but at one

236

00:08:50,470 --> 00:08:48,720

point it probably will be and for all

237

00:08:52,870 --> 00:08:50,480

those people that are experiencing

238

00:08:55,110 --> 00:08:52,880

things on a high level they need they

239

00:08:56,470 --> 00:08:55,120

deserve that and they deserve to have

240

00:08:58,710 --> 00:08:56,480

that space where people are actually

241

00:09:01,030 --> 00:08:58,720

looking at to say like yes this is an et

242

00:09:02,310 --> 00:09:01,040

encounter or no this is something that's

243

00:09:03,590 --> 00:09:02,320

happening

244

00:09:05,350 --> 00:09:03,600

god it could be interdimensional it

245

00:09:06,550 --> 00:09:05,360

could be right it could be it could be

246

00:09:08,470 --> 00:09:06,560

this could be actually happening in your

247

00:09:10,230 --> 00:09:08,480

brain like those people deserve that so

248

00:09:11,750 --> 00:09:10,240

it's an answer rather than sitting

249

00:09:13,829 --> 00:09:11,760

through something that's like extremely

250

00:09:15,269 --> 00:09:13,839

dramatic you know sometimes i think

251
00:09:17,269 --> 00:09:15,279
about all the different things that have

252
00:09:19,670 --> 00:09:17,279
to had to happen

253
00:09:21,430 --> 00:09:19,680
for me to be right here with you two you

254
00:09:22,470 --> 00:09:21,440
know yeah it's weird

255
00:09:25,350 --> 00:09:22,480
the story

256
00:09:27,590 --> 00:09:25,360
may be different for us all but it all

257
00:09:29,509 --> 00:09:27,600
plays out the same because like we are

258
00:09:30,389 --> 00:09:29,519
all here now especially me and you sean

259
00:09:32,310 --> 00:09:30,399
being

260
00:09:34,310 --> 00:09:32,320
a lot newer than james for example i

261
00:09:36,389 --> 00:09:34,320
mean yeah it's

262
00:09:38,310 --> 00:09:36,399
there's mirrors that really mirror what

263
00:09:40,230 --> 00:09:38,320

we've been not been through but like how

264

00:09:42,310 --> 00:09:40,240

we got here but then i've not had the

265

00:09:44,710 --> 00:09:42,320

sighting side of things you have so

266

00:09:46,630 --> 00:09:44,720

there's yeah it's it's crazy you're

267

00:09:48,150 --> 00:09:46,640

making me feel old

268

00:09:50,550 --> 00:09:48,160

nah man

269

00:09:52,389 --> 00:09:50,560

i'm the oldest anyways i'm the oldest

270

00:09:55,590 --> 00:09:52,399

yeah you're like what 45 or something

271

00:10:00,230 --> 00:09:58,790

really you're 43. i was i am fully free

272

00:10:02,660 --> 00:10:00,240

okay

273

00:10:11,750 --> 00:10:02,670

i always call vinnie uh tony stark

274

00:10:14,949 --> 00:10:13,509

yeah you know what somebody somebody

275

00:10:16,069 --> 00:10:14,959

because i guess probably because of this

276

00:10:19,110 --> 00:10:16,079

shirt too

277

00:10:21,590 --> 00:10:19,120

uh in in my little zondo thing called me

278

00:10:22,790 --> 00:10:21,600

uh said hey is that captain america

279

00:10:25,430 --> 00:10:22,800

so yeah

280

00:10:28,150 --> 00:10:25,440

only stark we got captain america

281

00:10:30,470 --> 00:10:28,160

and yes we have one for you too you you

282

00:10:32,630 --> 00:10:30,480

could be doctor strange

283

00:10:33,990 --> 00:10:32,640

yeah there we go it's in the background

284

00:10:37,829 --> 00:10:34,000

you got the background and the colors

285

00:10:40,870 --> 00:10:37,839

kind of give me that doctor strange vibe

286

00:10:43,110 --> 00:10:40,880

avengers man i like it

287

00:10:44,550 --> 00:10:43,120

push you off it throws you off the horse

288

00:10:46,949 --> 00:10:44,560

you go emotional what was that dream

289

00:10:48,949 --> 00:10:46,959

about and it haunts you and it makes you

290

00:10:50,389 --> 00:10:48,959

start down the path that's what it's

291

00:10:52,790 --> 00:10:50,399

doing and it may have been you that it's

292

00:10:54,150 --> 00:10:52,800

causing a dream you set it up because

293

00:10:55,910 --> 00:10:54,160

people will they'll complain about

294

00:10:57,350 --> 00:10:55,920

whatever situation you know they hate

295

00:10:59,430 --> 00:10:57,360

the world and all this stuff and i say

296

00:11:01,829 --> 00:10:59,440

just remember if reincarnation is a fact

297

00:11:04,310 --> 00:11:01,839

then you and i both chose to be here at

298

00:11:05,990 --> 00:11:04,320

this time in this place in the middle of

299

00:11:07,829 --> 00:11:06,000

whatever mess we're complaining about

300

00:11:09,509 --> 00:11:07,839

and maybe we came at this time in this

301

00:11:11,190 --> 00:11:09,519

place in the middle of this mess for a

302

00:11:12,389 --> 00:11:11,200

particular reason so that's the whole

303

00:11:14,470 --> 00:11:12,399

thing we have to always take

304

00:11:17,190 --> 00:11:14,480

responsibility for what's happening that

305

00:11:19,509 --> 00:11:17,200

may have been you triggering yourself to

306

00:11:21,750 --> 00:11:19,519

get on the path to start with this dream

307

00:11:23,829 --> 00:11:21,760

to say what is going on here like and

308

00:11:25,750 --> 00:11:23,839

and you start and you do a radio show

309

00:11:27,590 --> 00:11:25,760

and a male woman plan that you and i had

310

00:11:28,710 --> 00:11:27,600

before we were born we had a plan okay

311

00:11:30,150 --> 00:11:28,720

you're going to have a dream i'm going

312

00:11:31,590 --> 00:11:30,160

to have a ufo setting we're going to

313

00:11:33,829 --> 00:11:31,600

have a radio show we're going to meet

314

00:11:36,710 --> 00:11:35,110

because people want to believe that

315

00:11:39,509 --> 00:11:36,720

random thing they want to believe well

316

00:11:41,350 --> 00:11:39,519

the dream is coming true two years later

317

00:11:43,670 --> 00:11:41,360

and then i see these things around the

318

00:11:46,310 --> 00:11:43,680

fruition of that dream two years ago

319

00:11:47,990 --> 00:11:46,320

there's not a louder sign to me that

320

00:11:50,069 --> 00:11:48,000

uh hello

321

00:11:52,550 --> 00:11:50,079

um you know yeah like that's supposed to

322

00:11:55,509 --> 00:11:53,990

that was like my first experience you

323

00:11:57,269 --> 00:11:55,519

probably know that my first experience i

324

00:11:59,030 --> 00:11:57,279

had i had no intention of seeing ufo i

325

00:12:00,710 --> 00:11:59,040

had no interest in whatsoever the only

326

00:12:02,550 --> 00:12:00,720

reason i went out there was because this

327

00:12:05,269 --> 00:12:02,560

town was having these stuff to correct

328

00:12:07,190 --> 00:12:05,279

the perception it's time to adjust

329

00:12:09,670 --> 00:12:07,200

public perception about the phenomenon

330

00:12:12,230 --> 00:12:09,680

because i think people have been fed

331

00:12:15,190 --> 00:12:12,240

a disinformation line for so long you

332

00:12:17,430 --> 00:12:15,200

know i'm sure that there are people in

333

00:12:20,389 --> 00:12:17,440

the u.s air force in particular and also

334

00:12:22,150 --> 00:12:20,399

in your cia in fact i know there are who

335

00:12:24,230 --> 00:12:22,160

don't want this story out they're trying

336

00:12:25,829 --> 00:12:24,240

to control the narrative look i actually

337

00:12:27,430 --> 00:12:25,839

think they're doing it for what they

338

00:12:28,470 --> 00:12:27,440

perceive to be

339

00:12:29,990 --> 00:12:28,480

genuine

340

00:12:33,269 --> 00:12:30,000

public interest reasons i think they're

341

00:12:36,150 --> 00:12:33,279

worried that now is not a good time for

342

00:12:37,990 --> 00:12:36,160

this whole story for the full exposition

343

00:12:39,990 --> 00:12:38,000

of what the united states government

344

00:12:42,150 --> 00:12:40,000

actually and

345

00:12:45,030 --> 00:12:42,160

it's funny because i noticed my friend

346

00:12:47,509 --> 00:12:45,040

leslie kane has said that she thinks

347

00:12:48,949 --> 00:12:47,519

it's very likely that the united states

348

00:12:50,550 --> 00:12:48,959

has recovered

349

00:12:53,590 --> 00:12:50,560

et craft

350

00:12:56,470 --> 00:12:53,600

um other people i've spoken to in your

351

00:12:58,310 --> 00:12:56,480

national security infrastructure have

352

00:13:00,230 --> 00:12:58,320

confirmed the same thing to me on a

353

00:13:01,750 --> 00:13:00,240

background basis

354

00:13:03,829 --> 00:13:01,760

but i think what people are wrestling

355

00:13:05,509 --> 00:13:03,839

with is whether this is the right

356

00:13:06,949 --> 00:13:05,519

there's never going to be a good time oh

357

00:13:09,509 --> 00:13:06,959

my god you took the words right out of

358

00:13:11,670 --> 00:13:09,519

my head it's like there's there's always

359

00:13:13,590 --> 00:13:11,680

going to be something yeah and i mean i

360

00:13:16,150 --> 00:13:13,600

i think also nothing would bring us

361

00:13:17,430 --> 00:13:16,160

together more as a planet

362

00:13:19,509 --> 00:13:17,440

and make

363

00:13:22,310 --> 00:13:19,519

national enmities more ridiculous and

364

00:13:24,949 --> 00:13:22,320

absurd than the notion the realization

365

00:13:26,629 --> 00:13:24,959

if that's the case if that's the case

366

00:13:28,310 --> 00:13:26,639

that we are not alone hearings and by

367

00:13:29,670 --> 00:13:28,320

the way this is the first interview i've

368

00:13:30,949 --> 00:13:29,680

ever done

369

00:13:34,310 --> 00:13:30,959

where the

370

00:13:37,190 --> 00:13:34,320

host was completely mobile

371

00:13:38,550 --> 00:13:37,200

and getting the hearing on the move

372

00:13:40,949 --> 00:13:38,560

right

373

00:13:43,990 --> 00:13:40,959

this is the first okay i think you were

374

00:13:46,310 --> 00:13:44,000

in three different rooms there

375

00:13:49,189 --> 00:13:46,320

okay but let's buy the routers it turns

376

00:13:52,069 --> 00:13:49,199

out we have a huge storm

377

00:13:54,870 --> 00:13:52,079

folks which is why we can do this

378

00:13:57,430 --> 00:13:54,880

it looks like a pretty good thing

379

00:14:00,629 --> 00:13:57,440

oh [h__h] oh don't don't destroy your

380

00:14:05,430 --> 00:14:03,030

okay if if sean gets struck by lightning

381

00:14:07,509 --> 00:14:05,440

this will be a podcast first

382

00:14:10,230 --> 00:14:07,519

all right we'll go down in the history

383

00:14:16,790 --> 00:14:11,910

well now that max is gone we can have

384

00:14:25,590 --> 00:14:20,230

do actually have some sort of news don't

385

00:14:25,600 --> 00:14:30,470

uap news

386

00:14:34,629 --> 00:14:32,710

i like that not bad

387

00:14:36,790 --> 00:14:34,639

no i really like that

388

00:14:41,590 --> 00:14:36,800

we have uh nasa

389

00:14:44,949 --> 00:14:41,600

um being briefed uh by the uaptf bird

390

00:14:47,430 --> 00:14:44,959

john greenwald and um a foia

391

00:14:49,509 --> 00:14:47,440

that he got some information back on now

392

00:14:50,790 --> 00:14:49,519

that's pretty interesting especially if

393

00:14:53,350 --> 00:14:50,800

you consider

394

00:14:55,430 --> 00:14:53,360

uh bill nelson and his recent comments

395

00:14:57,990 --> 00:14:55,440

talking about it so

396

00:14:59,110 --> 00:14:58,000

yeah well i occasionally get something

397

00:15:00,230 --> 00:14:59,120

right

398

00:15:02,310 --> 00:15:00,240

um

399

00:15:04,949 --> 00:15:02,320

essentially

400

00:15:06,550 --> 00:15:04,959

my contention is and i've had it

401
00:15:09,430 --> 00:15:06,560
reinforced

402
00:15:10,710 --> 00:15:09,440
i had some inside report that i'm on on

403
00:15:13,189 --> 00:15:10,720
the money

404
00:15:16,069 --> 00:15:13,199
the the the reason the two to stars

405
00:15:17,350 --> 00:15:16,079
academy was created and launched and

406
00:15:19,350 --> 00:15:17,360
went to the new york times of the

407
00:15:21,110 --> 00:15:19,360
articles and just got this ball rolling

408
00:15:22,069 --> 00:15:21,120
in a way that we've never done before

409
00:15:23,269 --> 00:15:22,079
because

410
00:15:25,590 --> 00:15:23,279
they had a

411
00:15:27,189 --> 00:15:25,600
they had grab they had to gravitas and

412
00:15:29,350 --> 00:15:27,199
and credentials

413
00:15:30,710 --> 00:15:29,360

and they'd obviously been working for

414

00:15:33,269 --> 00:15:30,720

the government for years and now

415

00:15:35,030 --> 00:15:33,279

suddenly they're supporting this issue

416

00:15:36,550 --> 00:15:35,040

and what have you that was a big deal

417

00:15:37,670 --> 00:15:36,560

yeah so

418

00:15:40,550 --> 00:15:37,680

uh

419

00:15:42,389 --> 00:15:40,560

it was clear to me that the agenda

420

00:15:43,910 --> 00:15:42,399

ultimately was to get congressional

421

00:15:46,710 --> 00:15:43,920

hearings that's why they launched this

422

00:15:48,949 --> 00:15:46,720

possibly could in that documentary but

423

00:15:50,790 --> 00:15:48,959

at the same time i had self-imposed

424

00:15:52,829 --> 00:15:50,800

rules on me

425

00:15:55,749 --> 00:15:52,839

that didn't allow me to cross certain

426
00:15:57,350 --> 00:15:55,759
frontiers um and actually the the the

427
00:15:58,150 --> 00:15:57,360
strange thing is

428
00:16:00,790 --> 00:15:58,160
um

429
00:16:03,350 --> 00:16:00,800
now it can be told is that channel four

430
00:16:05,670 --> 00:16:03,360
here put a lot of pressure on me to make

431
00:16:06,949 --> 00:16:05,680
that documentary about

432
00:16:09,269 --> 00:16:06,959
um

433
00:16:10,790 --> 00:16:09,279
about terrestrial about terrestrial

434
00:16:13,390 --> 00:16:10,800
explanations

435
00:16:41,540 --> 00:16:13,400
you know we were

436
00:16:41,550 --> 00:17:11,350
[Music]

437
00:17:14,870 --> 00:17:13,029
it might be that some other country has

438
00:17:16,390 --> 00:17:14,880

to come out some other country that

439

00:17:18,470 --> 00:17:16,400

really it doesn't matter whether they're

440

00:17:20,470 --> 00:17:18,480

first or not then maybe you know a

441

00:17:22,870 --> 00:17:20,480

little bit more like i think of uh

442

00:17:25,189 --> 00:17:22,880

granada in that whole united nations

443

00:17:26,789 --> 00:17:25,199

thing and that didn't go

444

00:17:28,549 --> 00:17:26,799

it looked like

445

00:17:29,990 --> 00:17:28,559

but it didn't didn't but that's my what

446

00:17:32,230 --> 00:17:30,000

it might need some like a more

447

00:17:34,230 --> 00:17:32,240

intermediate country you know like peru

448

00:17:36,950 --> 00:17:34,240

or somewhere in africa or somewhere else

449

00:17:38,630 --> 00:17:36,960

we should come up you know well yeah

450

00:17:40,150 --> 00:17:38,640

it might need some a country like that

451

00:17:42,150 --> 00:17:40,160

which is a bit more respected on the

452

00:17:44,470 --> 00:17:42,160

world stage but is not like one of the

453

00:17:48,070 --> 00:17:44,480

big power blocks he said that it had a

454

00:17:51,750 --> 00:17:48,080

loot uh kind of a tight-fitting uniform

455

00:17:54,150 --> 00:17:51,760

um he felt like that it had a mask on he

456

00:17:55,830 --> 00:17:54,160

drew a sketch of it and it looks like a

457

00:17:57,190 --> 00:17:55,840

typical gray

458

00:17:59,110 --> 00:17:57,200

um

459

00:18:03,669 --> 00:17:59,120

and so

460

00:18:05,669 --> 00:18:03,679

in 1995 i believe it was he came forward

461

00:18:08,549 --> 00:18:05,679

and did a full interview for the

462

00:18:10,390 --> 00:18:08,559

ufologists that were in brazil

463

00:18:13,270 --> 00:18:10,400

and

464

00:18:17,110 --> 00:18:13,280

i think it was six months three years

465

00:18:19,110 --> 00:18:17,120

six months later he killed himself

466

00:18:19,909 --> 00:18:19,120

and um

467

00:18:27,669 --> 00:18:19,919

he

468

00:18:29,750 --> 00:18:27,679

a bunch of superstitious farmers

469

00:18:31,990 --> 00:18:29,760

until they got in there and realized

470

00:18:34,630 --> 00:18:32,000

this is really going on

471

00:18:36,710 --> 00:18:34,640

the doctor was a woman and i can't even

472

00:18:39,909 --> 00:18:36,720

say her name because it's like i can't

473

00:18:41,590 --> 00:18:39,919

even pronounce it but she was told by

474

00:18:45,270 --> 00:18:41,600

the military

475

00:18:47,430 --> 00:18:45,280

to tell the people that there's no ufos

476

00:18:50,310 --> 00:18:47,440

that this this is something else that's

477

00:18:52,789 --> 00:18:50,320

happening and she refused

478

00:18:54,230 --> 00:18:52,799

and she said i'm not gonna do that these

479

00:18:56,630 --> 00:18:54,240

people are telling me what they're

480

00:19:00,070 --> 00:18:56,640

seeing and i'm believing them

481

00:19:03,110 --> 00:19:00,080

so she testified years later

482

00:19:04,390 --> 00:19:03,120

i'm watching a presentation by hal put

483

00:19:07,190 --> 00:19:04,400

off

484

00:19:10,950 --> 00:19:07,200

and i sent you both the slides

485

00:19:13,669 --> 00:19:10,960

and there's the slide showing that atip

486

00:19:15,669 --> 00:19:13,679

looked into this case

487

00:19:18,070 --> 00:19:15,679

wow

488

00:19:21,029 --> 00:19:18,080

um

489

00:19:22,150 --> 00:19:21,039

what slide is that one oh historical

490

00:19:24,390 --> 00:19:22,160

cases

491

00:19:26,390 --> 00:19:24,400

yes okay

492

00:19:27,990 --> 00:19:26,400

wow

493

00:19:29,990 --> 00:19:28,000

that is

494

00:19:32,870 --> 00:19:30,000

pretty crazy

495

00:19:36,150 --> 00:19:32,880

right so a thousand pages of documents

496

00:19:39,029 --> 00:19:36,160

logs sketches and maps 500 photographs

497

00:19:40,710 --> 00:19:39,039

15 hours

498

00:19:42,950 --> 00:19:40,720

please be careful

499

00:19:44,630 --> 00:19:42,960

for the love of god don't

500

00:19:46,310 --> 00:19:44,640

you know

501
00:19:47,430 --> 00:19:46,320
be mindful there's a lot of sharks in

502
00:19:49,909 --> 00:19:47,440
the water

503
00:19:51,990 --> 00:19:49,919
and you know i i don't mind being beat

504
00:19:53,350 --> 00:19:52,000
up but there's there's there's there's

505
00:19:54,950 --> 00:19:53,360
people out there

506
00:19:57,270 --> 00:19:54,960
that do not have your best interest at

507
00:19:58,710 --> 00:19:57,280
heart and they will take you for a ride

508
00:20:00,630 --> 00:19:58,720
and they will

509
00:20:03,590 --> 00:20:00,640
they will they are they are professional

510
00:20:05,029 --> 00:20:03,600
con people and uh

511
00:20:07,430 --> 00:20:05,039
it you know

512
00:20:09,110 --> 00:20:07,440
it's a shame it breaks my heart because

513
00:20:11,029 --> 00:20:09,120

ultimately we should all be on the same

514

00:20:12,230 --> 00:20:11,039

team uh we should all be working for

515

00:20:15,110 --> 00:20:12,240

this cause

516

00:20:17,270 --> 00:20:15,120

so my my my

517

00:20:17,990 --> 00:20:17,280

i guess my advice for ufo twitter would

518

00:20:19,510 --> 00:20:18,000

be

519

00:20:21,909 --> 00:20:19,520

you know just

520

00:20:23,830 --> 00:20:21,919

please be careful think for yourself

521

00:20:25,750 --> 00:20:23,840

don't let anybody think for you for the

522

00:20:28,149 --> 00:20:25,760

love of god don't do that you're you

523

00:20:30,549 --> 00:20:28,159

know your mind is too precious to just

524

00:20:31,990 --> 00:20:30,559

hand over the reins to to some shmo

525

00:20:34,789 --> 00:20:32,000

that's that's you know trying to make a

526

00:20:36,950 --> 00:20:34,799

buck please please please don't do that

527

00:20:38,070 --> 00:20:36,960

and at the end of the day if you do

528

00:20:39,110 --> 00:20:38,080

um

529

00:20:42,870 --> 00:20:39,120

you know

530

00:20:44,390 --> 00:20:42,880

i i'm sorry i'm i'm sorry that that that

531

00:20:45,750 --> 00:20:44,400

you got suckered into something like

532

00:20:48,310 --> 00:20:45,760

that um

533

00:20:50,710 --> 00:20:48,320

you know i i think i think most people

534

00:20:52,549 --> 00:20:50,720

are pretty wise to those type of antics

535

00:20:54,149 --> 00:20:52,559

yeah again i don't like to say people's

536

00:20:54,950 --> 00:20:54,159

names because i don't even want to give

537

00:21:03,669 --> 00:20:54,960

them

538

00:21:05,190 --> 00:21:03,679

is the world gonna look like you know if

539

00:21:07,990 --> 00:21:05,200

we get some sort of confirmation of

540

00:21:09,909 --> 00:21:08,000

another intelligent life and the reason

541

00:21:10,870 --> 00:21:09,919

that i think about it so much is because

542

00:21:12,470 --> 00:21:10,880

i think

543

00:21:15,590 --> 00:21:12,480

other people

544

00:21:17,440 --> 00:21:15,600

that envision so many different things

545

00:21:19,430 --> 00:21:17,450

you know because nobody knows

546

00:21:22,470 --> 00:21:19,440

[Music]

547

00:21:25,830 --> 00:21:22,480

what do you think is going to look like

548

00:21:28,070 --> 00:21:25,840

you know what if you had asked me this

549

00:21:30,390 --> 00:21:28,080

before march of last year and it's not

550

00:21:31,430 --> 00:21:30,400

because of the podcast but for because i

551
00:21:33,110 --> 00:21:31,440
covered

552
00:21:34,470 --> 00:21:33,120
i would have said you know they'll be

553
00:21:35,510 --> 00:21:34,480
this that and the next thing will happen

554
00:21:37,350 --> 00:21:35,520
okay but

555
00:21:39,029 --> 00:21:37,360
we're living through and we have had a

556
00:21:41,510 --> 00:21:39,039
global pandemic

557
00:21:43,029 --> 00:21:41,520
and the world's just for most all

558
00:21:44,310 --> 00:21:43,039
intents and purposes going on you've

559
00:21:46,549 --> 00:21:44,320
still got the shop

560
00:21:48,470 --> 00:21:46,559
in a global pandemic you still

561
00:21:51,750 --> 00:21:48,480
have been able to go to your local deli

562
00:21:54,230 --> 00:21:51,760
or restaurant at times cinemas are back

563
00:21:56,470 --> 00:21:54,240

open the world carries on in its own way

564

00:21:58,310 --> 00:21:56,480

and i think it probably shows

565

00:21:59,909 --> 00:21:58,320

and i i used to find it funnier last

566

00:22:01,750 --> 00:21:59,919

year and this year we have the memes of

567

00:22:03,510 --> 00:22:01,760

next stop it's the aliens

568

00:22:06,310 --> 00:22:03,520

and that's probably a little bit truer

569

00:22:08,230 --> 00:22:06,320

than we probably realized that i think

570

00:22:10,230 --> 00:22:08,240

people are just

571

00:22:13,190 --> 00:22:10,240

accustomed now to

572

00:22:15,590 --> 00:22:13,200

stuff happens and

573

00:22:17,270 --> 00:22:15,600

it'll just be something we we go on with

574

00:22:18,870 --> 00:22:17,280

and acclimatize to and

575

00:22:20,789 --> 00:22:18,880

and i think the covert stuff for me has

576

00:22:22,950 --> 00:22:20,799

shown that the world will just carry on

577

00:22:26,070 --> 00:22:22,960

and continue yeah and this will just be

578

00:22:29,669 --> 00:22:26,080

a part of it other guys like andreas

579

00:22:31,270 --> 00:22:29,679

from ufo twitter we started uh he's a

580

00:22:34,230 --> 00:22:31,280

great writer he kind of has a background

581

00:22:36,390 --> 00:22:34,240

in writing and he started up a blog and

582

00:22:38,310 --> 00:22:36,400

along with some other guys and they kind

583

00:22:40,789 --> 00:22:38,320

of forced me to write when i didn't even

584

00:22:41,990 --> 00:22:40,799

feel comfortable doing it and um

585

00:22:43,190 --> 00:22:42,000

just because we were the ones on twitter

586

00:22:45,190 --> 00:22:43,200

there wasn't even that many people on

587

00:22:46,630 --> 00:22:45,200

twitter talking about this and we were

588

00:22:48,950 --> 00:22:46,640

digging we were googling everything we

589

00:22:50,310 --> 00:22:48,960

were contacting all these people and we

590

00:22:52,870 --> 00:22:50,320

realized that we could break stories at

591

00:22:54,470 --> 00:22:52,880

least to the ufo community yeah and it

592

00:22:57,190 --> 00:22:54,480

kind of just snowballed from there but

593

00:22:59,830 --> 00:22:57,200

um it was because of andreas and another

594

00:23:01,990 --> 00:22:59,840

guy named keith jason christian

595

00:23:03,830 --> 00:23:02,000

other people i'm forgetting and they we

596

00:23:06,470 --> 00:23:03,840

started a website at the time

597

00:23:09,270 --> 00:23:06,480

uh called uap info and then it dissolved

598

00:23:10,149 --> 00:23:09,280

and i just had my own after that yeah

599

00:23:12,470 --> 00:23:10,159

so

600

00:23:15,350 --> 00:23:12,480

is it safe to say you are one of the

601
00:23:18,780 --> 00:23:15,360
godfathers of ufo twitter

602
00:23:24,070 --> 00:23:20,830
[Music]

603
00:23:26,950 --> 00:23:24,080
guess catch up with the news you know

604
00:23:29,669 --> 00:23:26,960
yeah so hey chris how's it going

605
00:23:31,430 --> 00:23:29,679
so yeah that no that's that's for sure

606
00:23:33,029 --> 00:23:31,440
oh i think maybe he just put your

607
00:23:34,870 --> 00:23:33,039
youtube channel in there

608
00:23:37,350 --> 00:23:34,880
i would have to click on it to check but

609
00:23:39,830 --> 00:23:37,360
i would guess derek's a good guy hey

610
00:23:42,310 --> 00:23:39,840
thanks derek if it is if not whatever it

611
00:23:45,269 --> 00:23:42,320
is yeah cool click on it watch it leave

612
00:23:45,279 --> 00:23:48,710
okay

613
00:23:53,029 --> 00:23:51,110

did you talk about your first guest

614

00:23:53,990 --> 00:23:53,039

uh we have well i've announced it today

615

00:23:56,630 --> 00:23:54,000

but i'll

616

00:23:57,830 --> 00:23:56,640

ask you yeah right now um

617

00:23:59,909 --> 00:23:57,840

so i don't know how many people are

618

00:24:02,710 --> 00:23:59,919

actually familiar with the sosterberg

619

00:24:05,669 --> 00:24:02,720

case from holland 1979 it's a big

620

00:24:07,430 --> 00:24:05,679

triangle case from a military base

621

00:24:08,710 --> 00:24:07,440

so there were there were 12 military

622

00:24:11,510 --> 00:24:08,720

witnesses

623

00:24:12,950 --> 00:24:11,520

and it was a nuclear base um so what

624

00:24:15,029 --> 00:24:12,960

we're doing is we're interviewing the

625

00:24:17,430 --> 00:24:15,039

commander who was on the base he wasn't

626
00:24:19,669 --> 00:24:17,440
a witness yeah but he obviously everyone

627
00:24:22,470 --> 00:24:19,679
reported it to him but we've also now

628
00:24:24,630 --> 00:24:22,480
got one of the 12 military witnesses

629
00:24:27,110 --> 00:24:24,640
he's coming on wow

630
00:24:29,269 --> 00:24:27,120
gelato is good do you think aliens like

631
00:24:31,750 --> 00:24:29,279
gelato you know what if they did

632
00:24:34,390 --> 00:24:31,760
automatically my best friend

633
00:24:36,070 --> 00:24:34,400
automatically automatically like

634
00:24:38,149 --> 00:24:36,080
that's it what if it ate it with his

635
00:24:39,590 --> 00:24:38,159
mouth open

636
00:24:42,070 --> 00:24:39,600
same

637
00:24:44,789 --> 00:24:42,080
no okay just checking

638
00:24:46,710 --> 00:24:44,799

if you had an alien kid what would you

639

00:24:48,950 --> 00:24:46,720

name it

640

00:24:51,510 --> 00:24:48,960

that's a bizarre question you got that

641

00:24:54,230 --> 00:24:51,520

right well i'll let you go first come on

642

00:24:56,230 --> 00:24:54,240

sean if you had a zagler

643

00:24:58,230 --> 00:24:56,240

i just came up with that but it's good

644

00:25:03,830 --> 00:24:58,240

they would get bullied confirm the

645

00:25:08,630 --> 00:25:05,750

so him talking about the wilson david's

646

00:25:10,710 --> 00:25:08,640

documents is all of like 90 seconds

647

00:25:13,029 --> 00:25:10,720

for me asking him about it to us moving

648

00:25:15,110 --> 00:25:13,039

on is 90 seconds he didn't

649

00:25:18,310 --> 00:25:15,120

he didn't say

650

00:25:20,149 --> 00:25:18,320

no comment or yes or no he just said

651

00:25:23,510 --> 00:25:20,159

i'm not talking about it

652

00:25:26,549 --> 00:25:23,520

like i'm not gonna talk about that um

653

00:25:29,110 --> 00:25:26,559

but no so we released a bonus episode so

654

00:25:31,190 --> 00:25:29,120

eric davis shows up in episode seven of

655

00:25:33,190 --> 00:25:31,200

the basement office and then we released

656

00:25:34,870 --> 00:25:33,200

a bonus episode where it's just like me

657

00:25:36,470 --> 00:25:34,880

and him talking about random stuff you

658

00:25:38,470 --> 00:25:36,480

know he talks about how a tip never

659

00:25:39,590 --> 00:25:38,480

ended how he's still part of atip how

660

00:25:41,750 --> 00:25:39,600

he's still

661

00:25:43,909 --> 00:25:41,760

working for the pentagon as a contractor

662

00:25:46,070 --> 00:25:43,919

with ufos um

663

00:25:48,470 --> 00:25:46,080

and then there's even more

664

00:25:50,470 --> 00:25:48,480

that hasn't been released yet

665

00:25:52,630 --> 00:25:50,480

i mean i'll just

666

00:25:54,950 --> 00:25:52,640

give you an exclusive man if you want to

667

00:25:56,630 --> 00:25:54,960

know what he said so um

668

00:25:59,990 --> 00:25:56,640

in the 13 minutes that haven't been

669

00:26:02,310 --> 00:26:00,000

released eric i asked eric davis

670

00:26:04,470 --> 00:26:02,320

all of this leads to an ultimate truth

671

00:26:05,590 --> 00:26:04,480

you know all of it leads somewhere to

672

00:26:08,310 --> 00:26:05,600

some kind of

673

00:26:11,269 --> 00:26:08,320

defined truth what is your opinion of

674

00:26:14,149 --> 00:26:11,279

what that is and eric davis says he

675

00:26:15,909 --> 00:26:14,159

thinks they're aliens like without any

676

00:26:18,230 --> 00:26:15,919

hesitation

677

00:26:20,789 --> 00:26:18,240

astrophysicists said aliens not like

678

00:26:21,990 --> 00:26:20,799

enter anything or

679

00:26:24,710 --> 00:26:22,000

aliens

680

00:26:26,950 --> 00:26:24,720

so eric davis without a doubt

681

00:26:29,269 --> 00:26:26,960

an astrophysicist rocket scientist

682

00:26:31,190 --> 00:26:29,279

current contractor for the u.s

683

00:26:32,950 --> 00:26:31,200

government says i believe they are

684

00:26:34,630 --> 00:26:32,960

aliens

685

00:26:37,909 --> 00:26:34,640

and wow um

686

00:26:39,110 --> 00:26:37,919

he says uh his boss has a different

687

00:26:41,350 --> 00:26:39,120

theory

688

00:26:43,750 --> 00:26:41,360

and i i think he was referring to how

689

00:26:45,510 --> 00:26:43,760

put off like i think he was referring to

690

00:26:48,310 --> 00:26:45,520

yeah that was his boss yeah

691

00:26:50,470 --> 00:26:48,320

you know eric says things like

692

00:26:52,950 --> 00:26:50,480

that it could be aliens hiding in the

693

00:26:55,510 --> 00:26:52,960

shadow biome which

694

00:26:57,430 --> 00:26:55,520

is goes along with what lou said about

695

00:26:59,430 --> 00:26:57,440

sea monsters like things in front of

696

00:27:01,909 --> 00:26:59,440

your eyes that you can't perceive that

697

00:27:04,630 --> 00:27:01,919

you can't see and he he opens it up that

698

00:27:07,029 --> 00:27:04,640

like they could be alien

699

00:27:08,710 --> 00:27:07,039

uh in a literal sense or a

700

00:27:10,230 --> 00:27:08,720

interdimensional sense meaning

701

00:27:11,909 --> 00:27:10,240

extraterrestrial but also

702

00:27:14,230 --> 00:27:11,919

interdimensional

703

00:27:15,909 --> 00:27:14,240

right i don't think there's like a this

704

00:27:17,669 --> 00:27:15,919

is a legitimate experience if you don't

705

00:27:18,870 --> 00:27:17,679

have this then your experience was

706

00:27:21,669 --> 00:27:18,880

something else

707

00:27:23,669 --> 00:27:21,679

i don't i don't buy that in at all i

708

00:27:25,909 --> 00:27:23,679

think they're individual experiences and

709

00:27:28,470 --> 00:27:25,919

you take from it what you can you learn

710

00:27:30,470 --> 00:27:28,480

from it what you can and i just because

711

00:27:32,149 --> 00:27:30,480

someone had a bad experience i don't say

712

00:27:35,110 --> 00:27:32,159

that that's not a genuine experience

713

00:27:37,510 --> 00:27:35,120

that's their experience right yeah how

714

00:27:38,389 --> 00:27:37,520

could you right yeah that'd be discount

715

00:27:40,950 --> 00:27:38,399

again

716

00:27:44,470 --> 00:27:42,310

have you

717

00:27:47,269 --> 00:27:44,480

i'd go back to like when hopefully you

718

00:27:49,350 --> 00:27:47,279

don't mind talking about this stuff um

719

00:27:50,240 --> 00:27:49,360

but going back to like when you were a

720

00:27:52,230 --> 00:27:50,250

kid and

721

00:27:53,430 --> 00:27:52,240

[Music]

722

00:27:54,950 --> 00:27:53,440

you

723

00:27:56,789 --> 00:27:54,960

were like taken by this woman that

724

00:27:58,789 --> 00:27:56,799

wasn't your mother into the house and

725

00:27:59,750 --> 00:27:58,799

were doing getting like examinations and

726

00:28:00,950 --> 00:27:59,760

everything

727

00:28:06,149 --> 00:28:00,960

did they

728

00:28:08,230 --> 00:28:06,159

anything to you at all other than it's

729

00:28:10,230 --> 00:28:08,240

going to be okay

730

00:28:11,350 --> 00:28:10,240

they were humans i perceive them as

731

00:28:17,669 --> 00:28:11,360

humans

732

00:28:19,909 --> 00:28:17,679

yeah and as i said before

733

00:28:22,789 --> 00:28:19,919

i placed them time wise when i learned

734

00:28:25,110 --> 00:28:22,799

about the different eras of

735

00:28:26,549 --> 00:28:25,120

history that this was like the victorian

736

00:28:28,710 --> 00:28:26,559

era

737

00:28:32,389 --> 00:28:28,720

that's right and i'm working with that i

738

00:28:33,830 --> 00:28:32,399

think i know why that might be

739

00:28:37,029 --> 00:28:33,840

and i'll get back to that because that's

740

00:28:38,950 --> 00:28:37,039

a fascinating story too um but no they

741

00:28:40,950 --> 00:28:38,960

just reassured me that everything was

742

00:28:44,710 --> 00:28:40,960

fine as they were examining me i had no

743

00:28:47,110 --> 00:28:44,720

fear really i was just curious um and

744

00:28:48,870 --> 00:28:47,120

that it would occur more than once

745

00:28:51,190 --> 00:28:48,880

sometime first floor sometimes second

746

00:28:53,029 --> 00:28:51,200

floor now getting back to where i'm

747

00:28:54,870 --> 00:28:53,039

trying to connect the dots of why it was

748

00:28:57,029 --> 00:28:54,880

victorian

749

00:29:03,190 --> 00:28:57,039

i've had something

750

00:29:05,830 --> 00:29:03,200

known as qhht it's a type of regression

751
00:29:08,310 --> 00:29:05,840
founded by dolores cannon

752
00:29:09,510 --> 00:29:08,320
it stands for quantum healing hypnosis

753
00:29:11,990 --> 00:29:09,520
technique

754
00:29:13,669 --> 00:29:12,000
and i had a practitioner in charlotte

755
00:29:15,110 --> 00:29:13,679
north carolina

756
00:29:17,269 --> 00:29:15,120
working with me

757
00:29:18,710 --> 00:29:17,279
on a qhht

758
00:29:22,710 --> 00:29:18,720
regression

759
00:29:24,630 --> 00:29:22,720
tapes recently

760
00:29:27,190 --> 00:29:24,640
of my regression

761
00:29:30,389 --> 00:29:27,200
i did describe a past life in the

762
00:29:34,230 --> 00:29:33,029
where um i was married to a woman i

763
00:29:37,830 --> 00:29:34,240

remember

764

00:29:40,310 --> 00:29:37,840

a scene that was like a picnic scene of

765

00:29:41,909 --> 00:29:40,320

i can remember the yellow flowers and

766

00:29:43,750 --> 00:29:41,919

trees and the winds blowing through it

767

00:29:46,470 --> 00:29:43,760

and i was married to this woman

768

00:29:48,070 --> 00:29:46,480

i was in a village somewhere in i would

769

00:29:50,389 --> 00:29:48,080

think england

770

00:29:52,149 --> 00:29:50,399

based on my memories of you know the

771

00:29:54,950 --> 00:29:52,159

signs and whatnot and it was very

772

00:29:57,029 --> 00:29:54,960

definitely victorian i was a printer

773

00:29:59,350 --> 00:29:57,039

back when printer was like these little

774

00:30:01,190 --> 00:29:59,360

flat plates that you inked right and

775

00:30:03,430 --> 00:30:01,200

just press and press

776

00:30:05,590 --> 00:30:03,440

so i ran a printing press like that on

777

00:30:07,669 --> 00:30:05,600

the ground floor of the shop and we

778

00:30:11,590 --> 00:30:07,679

lived on the second floor

779

00:30:13,990 --> 00:30:11,600

and i lost her she died of uh

780

00:30:14,789 --> 00:30:14,000

some kind of lung ailment

781

00:30:16,870 --> 00:30:14,799

which

782

00:30:18,870 --> 00:30:16,880

it was probably tuberculosis or

783

00:30:21,350 --> 00:30:18,880

something because that was one of the

784

00:30:23,510 --> 00:30:21,360

most prevalent diseases of the time

785

00:30:26,149 --> 00:30:23,520

but again this was a place where they

786

00:30:28,149 --> 00:30:26,159

had a lot of like dust and debris from

787

00:30:30,870 --> 00:30:28,159

paper from inks

788

00:30:32,310 --> 00:30:30,880

and she was affected by this and she

789

00:30:35,669 --> 00:30:32,320

passed away

790

00:30:38,630 --> 00:30:35,679

and then later as i went through this

791

00:30:39,990 --> 00:30:38,640

regression experience i remember myself

792

00:30:42,070 --> 00:30:40,000

dying

793

00:30:44,789 --> 00:30:42,080

i was in my 70s

794

00:30:46,230 --> 00:30:44,799

and so the practitioner

795

00:30:47,909 --> 00:30:46,240

had me

796

00:30:49,669 --> 00:30:47,919

just experienced that so what's

797

00:30:51,269 --> 00:30:49,679

happening now

798

00:30:53,750 --> 00:30:51,279

at the moment of your death and i

799

00:30:54,789 --> 00:30:53,760

describe rising out of my body and she

800

00:30:57,029 --> 00:30:54,799

said

801
00:30:58,389 --> 00:30:57,039
look back at yourself and describe to me

802
00:31:01,430 --> 00:30:58,399
what you see

803
00:31:03,350 --> 00:31:01,440
and it was like these victorian nurses

804
00:31:05,509 --> 00:31:03,360
and a victorian doctor

805
00:31:06,389 --> 00:31:05,519
because it was the victorian setting

806
00:31:09,029 --> 00:31:06,399
um

807
00:31:13,110 --> 00:31:09,039
and so i put that together recently

808
00:31:14,789 --> 00:31:13,120
because when i had this qhht experience

809
00:31:17,029 --> 00:31:14,799
it was recorded it was like an hour and

810
00:31:19,029 --> 00:31:17,039
a half or two hours of recording

811
00:31:20,950 --> 00:31:19,039
and i just this i never listened to it

812
00:31:21,750 --> 00:31:20,960
until recently i listened to it with my

813
00:31:23,830 --> 00:31:21,760

wife

814

00:31:24,950 --> 00:31:23,840

and so that came out so okay there you

815

00:31:26,789 --> 00:31:24,960

go

816

00:31:28,789 --> 00:31:26,799

i often get people say like well you

817

00:31:30,230 --> 00:31:28,799

know a lot of people that are really

818

00:31:32,230 --> 00:31:30,240

right at the cutting edge of what's

819

00:31:33,750 --> 00:31:32,240

going on

820

00:31:35,430 --> 00:31:33,760

is there an answer i said well i'm going

821

00:31:37,110 --> 00:31:35,440

to tell you something they're still

822

00:31:38,389 --> 00:31:37,120

searching

823

00:31:39,590 --> 00:31:38,399

i don't know any of them that are going

824

00:31:41,909 --> 00:31:39,600

i'm going to retire now because i

825

00:31:44,310 --> 00:31:41,919

figured it out they keep looking they

826

00:31:45,990 --> 00:31:44,320

keep trying to get a grasp on it and

827

00:31:48,230 --> 00:31:46,000

then every time you talk to them there's

828

00:31:50,230 --> 00:31:48,240

another layer of thought idea you know

829

00:31:52,470 --> 00:31:50,240

first it was extraterrestrials then it

830

00:31:54,230 --> 00:31:52,480

was ultra terrestrials and you know

831

00:31:56,549 --> 00:31:54,240

there's all these

832

00:31:58,549 --> 00:31:56,559

possibilities opening up as we

833

00:32:01,350 --> 00:31:58,559

understand quantum entanglement and

834

00:32:03,669 --> 00:32:01,360

quantum physics you know so when i met

835

00:32:05,029 --> 00:32:03,679

ingo and i met cleve baxter and all of

836

00:32:06,710 --> 00:32:05,039

these interesting people in the vermont

837

00:32:08,549 --> 00:32:06,720

viewing community you really begin to

838

00:32:09,669 --> 00:32:08,559

understand how quantum entanglement

839

00:32:11,830 --> 00:32:09,679

works

840

00:32:13,830 --> 00:32:11,840

and how you can affect something at a

841

00:32:15,509 --> 00:32:13,840

distance that you should not be able to

842

00:32:16,950 --> 00:32:15,519

you know and uri geller is another one

843

00:32:20,549 --> 00:32:16,960

he could

844

00:32:23,110 --> 00:32:20,559

engel had was able to manipulate a

845

00:32:25,590 --> 00:32:23,120

machine buried underground in colorado a

846

00:32:27,110 --> 00:32:25,600

thousand miles away he said tell me when

847

00:32:29,269 --> 00:32:27,120

you want me to do it and they would do

848

00:32:30,470 --> 00:32:29,279

it and then the machine would register

849

00:32:33,269 --> 00:32:30,480

his

850

00:32:34,710 --> 00:32:33,279

manipulation of it you know so

851
00:32:36,549 --> 00:32:34,720
it's a target

852
00:32:38,470 --> 00:32:36,559
you know and i think as we understand

853
00:32:40,870 --> 00:32:38,480
quantum entanglement and quantum physics

854
00:32:43,029 --> 00:32:40,880
more there's even more possibilities of

855
00:32:44,870 --> 00:32:43,039
what this could be they have they're

856
00:32:46,549 --> 00:32:44,880
working with the people at cnn so

857
00:32:49,110 --> 00:32:46,559
they'll get notes and feedback and

858
00:32:51,029 --> 00:32:49,120
guidance from them in terms of what cnn

859
00:32:52,549 --> 00:32:51,039
actually wants so

860
00:32:55,110 --> 00:32:52,559
i think that keeps it pretty fresh and

861
00:32:56,710 --> 00:32:55,120
there's so many people in the

862
00:32:58,310 --> 00:32:56,720
from breakthrough films we're working on

863
00:33:01,190 --> 00:32:58,320

this i mean they have many editors and

864

00:33:03,110 --> 00:33:01,200

many producers and archivists and all

865

00:33:05,350 --> 00:33:03,120

kinds of people working on it so there's

866

00:33:06,630 --> 00:33:05,360

a lot of eyes on it which is really good

867

00:33:08,830 --> 00:33:06,640

yeah yeah

868

00:33:10,710 --> 00:33:08,840

that's great to hear that's amazing i

869

00:33:11,590 --> 00:33:10,720

mean it's a really great series i have

870

00:33:13,750 --> 00:33:11,600

to say

871

00:33:15,669 --> 00:33:13,760

do you know when it's nice

872

00:33:17,590 --> 00:33:15,679

do you know when it's showing by chance

873

00:33:19,750 --> 00:33:17,600

um it's supposed to show this summer

874

00:33:21,350 --> 00:33:19,760

supposed to start in july

875

00:33:22,830 --> 00:33:21,360

cool yeah

876
00:33:24,630 --> 00:33:22,840
great

877
00:33:26,310 --> 00:33:24,640
um i actually do a streaming version of

878
00:33:27,269 --> 00:33:26,320
it that's all

879
00:33:29,269 --> 00:33:27,279
yes

880
00:33:30,149 --> 00:33:29,279
and i'm sure that there's i'm sure that

881
00:33:32,630 --> 00:33:30,159
there's

882
00:33:35,190 --> 00:33:32,640
a since it's in post since it's an edit

883
00:33:37,830 --> 00:33:35,200
right now there's only there's only a

884
00:33:40,070 --> 00:33:37,840
limited amount that you that you can say

885
00:33:42,149 --> 00:33:40,080
for sure will be in the show

886
00:33:45,029 --> 00:33:42,159
and i know that um

887
00:33:47,350 --> 00:33:45,039
of course since it's coming in july um

888
00:33:48,870 --> 00:33:47,360

we don't want to give you don't probably

889

00:33:51,110 --> 00:33:48,880

want to give too many spoilers about

890

00:33:53,430 --> 00:33:51,120

what's what's going to be going into it

891

00:33:54,789 --> 00:33:53,440

um uh so

892

00:33:56,549 --> 00:33:54,799

feel free to

893

00:33:59,029 --> 00:33:56,559

you know but

894

00:34:01,110 --> 00:33:59,039

do you think were there times you know

895

00:34:03,350 --> 00:34:01,120

you were saying that your team the team

896

00:34:04,789 --> 00:34:03,360

from surviving death largely came on to

897

00:34:05,669 --> 00:34:04,799

this new show

898

00:34:08,470 --> 00:34:05,679

and

899

00:34:10,389 --> 00:34:08,480

i'm wondering a uh

900

00:34:12,230 --> 00:34:10,399

were there were there times in shooting

901
00:34:14,230 --> 00:34:12,240
a new program where

902
00:34:16,869 --> 00:34:14,240
these people that you've worked with

903
00:34:19,430 --> 00:34:16,879
in dealing with consciousness and after

904
00:34:21,349 --> 00:34:19,440
life scenarios and all this stuff where

905
00:34:22,950 --> 00:34:21,359
they they're hearing this information

906
00:34:24,629 --> 00:34:22,960
for the first time and you're getting

907
00:34:26,790 --> 00:34:24,639
this like

908
00:34:28,869 --> 00:34:26,800
kind of like jaw-dropped

909
00:34:30,149 --> 00:34:28,879
you know

910
00:34:32,149 --> 00:34:30,159
i think people they all have their

911
00:34:33,510 --> 00:34:32,159
moments so sometimes there's even people

912
00:34:35,349 --> 00:34:33,520
who weren't involved with surviving

913
00:34:36,950 --> 00:34:35,359

death that have those moments

914

00:34:38,629 --> 00:34:36,960

because um

915

00:34:40,790 --> 00:34:38,639

yeah i mean it's really interesting when

916

00:34:42,470 --> 00:34:40,800

the you know you get the the crew that

917

00:34:44,710 --> 00:34:42,480

come in you know every time we shoot

918

00:34:46,470 --> 00:34:44,720

there's probably 10 or 11 people

919

00:34:48,950 --> 00:34:46,480

involved but just

920

00:34:50,149 --> 00:34:48,960

lighting and sound and

921

00:34:53,750 --> 00:34:50,159

everything you know all the people you

922

00:34:55,349 --> 00:34:53,760

need to do a a really great professional

923

00:34:57,109 --> 00:34:55,359

interview with somebody

924

00:34:59,430 --> 00:34:57,119

and they all have their relate you know

925

00:35:01,589 --> 00:34:59,440

they'll they get to listen right and for

926

00:35:03,589 --> 00:35:01,599

a lot of this is news it's new stuff for

927

00:35:05,990 --> 00:35:03,599

some of them it's not but yeah it's

928

00:35:07,990 --> 00:35:06,000

really fun to dialogue with them and see

929

00:35:09,990 --> 00:35:08,000

how they respond to everything

930

00:35:12,310 --> 00:35:10,000

um and i think yeah some of the and

931

00:35:14,230 --> 00:35:12,320

there were some some of them were on

932

00:35:17,910 --> 00:35:14,240

both shows not all you know the director

933

00:35:19,829 --> 00:35:17,920

is the same person our two top our show

934

00:35:21,990 --> 00:35:19,839

runners are different in this show than

935

00:35:23,910 --> 00:35:22,000

they were in surviving death but some of

936

00:35:25,670 --> 00:35:23,920

the producers are the same and they

937

00:35:27,349 --> 00:35:25,680

they're really interested in how it all

938

00:35:28,310 --> 00:35:27,359

fits together

939

00:35:29,670 --> 00:35:28,320

and

940

00:35:31,990 --> 00:35:29,680

they're you know some of them are really

941

00:35:33,670 --> 00:35:32,000

really involved with the material i mean

942

00:35:37,030 --> 00:35:33,680

one of our producers

943

00:35:38,150 --> 00:35:37,040

seth keel knew bud hopkins very well and

944

00:35:40,710 --> 00:35:38,160

he shot

945

00:35:42,470 --> 00:35:40,720

he spent a lot of time just following

946

00:35:44,550 --> 00:35:42,480

butt around with a camera and shot lots

947

00:35:46,550 --> 00:35:44,560

of footage of bud

948

00:35:47,990 --> 00:35:46,560

so he's like goes back that far with

949

00:35:50,470 --> 00:35:48,000

this topic

950

00:35:52,790 --> 00:35:50,480

and he really knows a lot about it and

951
00:35:54,790 --> 00:35:52,800
then we i did i did a show with the same

952
00:35:56,470 --> 00:35:54,800
group in 2011

953
00:35:58,470 --> 00:35:56,480
there was a history channel special

954
00:36:00,470 --> 00:35:58,480
based on my book called secret access i

955
00:36:02,630 --> 00:36:00,480
don't really like the name but

956
00:36:05,750 --> 00:36:02,640
um i didn't really like the show all

957
00:36:07,829 --> 00:36:05,760
that well either it was okay but really

958
00:36:09,910 --> 00:36:07,839
yeah um that was the first time i really

959
00:36:11,670 --> 00:36:09,920
worked with this this group this

960
00:36:14,550 --> 00:36:11,680
breakthrough films people but i had

961
00:36:16,950 --> 00:36:14,560
known them for years before that so um

962
00:36:18,230 --> 00:36:16,960
it's really like family at this point

963
00:36:19,270 --> 00:36:18,240

you know i've known them for so long and

964

00:36:21,589 --> 00:36:19,280

worked with them this is the third

965

00:36:23,430 --> 00:36:21,599

project we've worked on together

966

00:36:28,069 --> 00:36:23,440

and they do know a lot about these

967

00:36:29,670 --> 00:36:28,079

topics by now so that is really fun um

968

00:36:31,430 --> 00:36:29,680

any questions that you see from the chat

969

00:36:33,030 --> 00:36:31,440

or anything like sean that you'd like to

970

00:36:34,470 --> 00:36:33,040

ask before we get out of here tonight i

971

00:36:36,550 --> 00:36:34,480

i guess my

972

00:36:37,750 --> 00:36:36,560

i would just have a last question i

973

00:36:40,310 --> 00:36:37,760

suppose

974

00:36:42,790 --> 00:36:40,320

with the world as it is and the you know

975

00:36:43,430 --> 00:36:42,800

the state of it being so uh sensitive

976
00:36:45,670 --> 00:36:43,440
and

977
00:36:47,750 --> 00:36:45,680
a lot of people not really necessarily

978
00:36:49,109 --> 00:36:47,760
knowing what to expect from it

979
00:36:50,710 --> 00:36:49,119
um

980
00:36:53,510 --> 00:36:50,720
first uh what did

981
00:36:56,310 --> 00:36:53,520
outsider our rv like what advice would

982
00:36:58,150 --> 00:36:56,320
you have for people to to grasp with it

983
00:37:00,790 --> 00:36:58,160
and and not allow themselves to fall

984
00:37:03,750 --> 00:37:00,800
into so much fear and two

985
00:37:05,670 --> 00:37:03,760
um you know how far do you go into

986
00:37:07,109 --> 00:37:05,680
remote viewing those aspects of the

987
00:37:08,950 --> 00:37:07,119
world

988
00:37:10,230 --> 00:37:08,960

well that's because what have you seen

989

00:37:12,310 --> 00:37:10,240

yeah

990

00:37:14,390 --> 00:37:12,320

fair one um

991

00:37:16,790 --> 00:37:14,400

there's a lot out there and a lot of the

992

00:37:20,470 --> 00:37:16,800

uh a lot of the sources that we all see

993

00:37:21,430 --> 00:37:20,480

every day in social media and beyond are

994

00:37:25,270 --> 00:37:21,440

are

995

00:37:27,030 --> 00:37:25,280

those

996

00:37:28,230 --> 00:37:27,040

uh but you know it goes on to our

997

00:37:30,230 --> 00:37:28,240

previous discussion it's all about

998

00:37:31,750 --> 00:37:30,240

balance really trying to get an element

999

00:37:33,510 --> 00:37:31,760

of balance you know don't and if you're

1000

00:37:35,270 --> 00:37:33,520

looking at different sources please look

1001
00:37:37,990 --> 00:37:35,280
far and wide don't just look in your own

1002
00:37:40,230 --> 00:37:38,000
source a group of people in like an echo

1003
00:37:41,990 --> 00:37:40,240
chamber try to go outside the box and

1004
00:37:43,670 --> 00:37:42,000
get different points of view and that's

1005
00:37:45,270 --> 00:37:43,680
what we you know within our crypto view

1006
00:37:47,190 --> 00:37:45,280
and we say to people don't don't just

1007
00:37:49,190 --> 00:37:47,200
take our information you don't don't

1008
00:37:51,270 --> 00:37:49,200
make any financial

1009
00:37:53,109 --> 00:37:51,280
decisions based on what we say

1010
00:37:54,710 --> 00:37:53,119
maybe look at the information but then

1011
00:37:56,950 --> 00:37:54,720
go outside the box look at some youtube

1012
00:37:59,750 --> 00:37:56,960
videos go to other sources and then kind

1013
00:38:01,910 --> 00:37:59,760

of consolidate an opinion so that's the

1014

00:38:03,990 --> 00:38:01,920

fear thing on the

1015

00:38:05,910 --> 00:38:04,000

looking ahead we look ahead quite a lot

1016

00:38:07,510 --> 00:38:05,920

we looked ahead

1017

00:38:09,190 --> 00:38:07,520

before the covid thing and we were

1018

00:38:10,630 --> 00:38:09,200

seeing some really strange reviewing

1019

00:38:12,310 --> 00:38:10,640

data but we didn't publish a lot of it

1020

00:38:14,230 --> 00:38:12,320

because we didn't know what to do with

1021

00:38:16,310 --> 00:38:14,240

it because we were seeing

1022

00:38:18,630 --> 00:38:16,320

sporting events that and you know like

1023

00:38:20,870 --> 00:38:18,640

the macy's demon parade in america that

1024

00:38:21,910 --> 00:38:20,880

was one of our targets two a year ahead

1025

00:38:24,150 --> 00:38:21,920

and we were looking at it and we were

1026

00:38:26,069 --> 00:38:24,160

none of us we were getting anything

1027

00:38:27,510 --> 00:38:26,079

right well there are no people there are

1028

00:38:29,109 --> 00:38:27,520

credits we don't understand what's going

1029

00:38:30,390 --> 00:38:29,119

on of course oh we didn't know that

1030

00:38:33,109 --> 00:38:30,400

everything would be cancelled because we

1031

00:38:35,030 --> 00:38:33,119

didn't know cove existed right so we do

1032

00:38:38,470 --> 00:38:35,040

get this kind of data

1033

00:38:40,310 --> 00:38:38,480

but a lot of it we don't publish because

1034

00:38:42,310 --> 00:38:40,320

there's no context we don't know what's

1035

00:38:43,670 --> 00:38:42,320

happening but you know we have and you

1036

00:38:45,990 --> 00:38:43,680

know i'm just being totally honest with

1037

00:38:47,430 --> 00:38:46,000

you we have had quite a lot of data over

1038

00:38:49,270 --> 00:38:47,440

a period of years

1039

00:38:51,750 --> 00:38:49,280

that indicates

1040

00:38:54,790 --> 00:38:51,760

uh massive climate changes

1041

00:38:57,270 --> 00:38:54,800

uh massive movements of people massive

1042

00:38:58,950 --> 00:38:57,280

desolation in in various parts of the

1043

00:39:01,030 --> 00:38:58,960

art parts of the world now i don't know

1044

00:39:02,870 --> 00:39:01,040

when that's going to come about but

1045

00:39:05,349 --> 00:39:02,880

we see it and you know i think on a

1046

00:39:07,190 --> 00:39:05,359

daily basis we're seeing it happen i

1047

00:39:08,069 --> 00:39:07,200

mean as as i said before we came on air

1048

00:39:09,990 --> 00:39:08,079

we uh

1049

00:39:12,470 --> 00:39:10,000

we all of us we didn't get the exact day

1050

00:39:15,030 --> 00:39:12,480

of the uh the invasion this month but we

1051
00:39:16,310 --> 00:39:15,040
you know we we got all the events of

1052
00:39:19,430 --> 00:39:16,320
what what's happening in that and i'm

1053
00:39:22,390 --> 00:39:19,440
expecting i'm expecting a lot more from

1054
00:39:24,390 --> 00:39:22,400
that that will be more militaristic

1055
00:39:26,069 --> 00:39:24,400
before the end of the month maybe maybe

1056
00:39:27,510 --> 00:39:26,079
slightly moving into the first three

1057
00:39:30,150 --> 00:39:27,520
days of march

1058
00:39:41,020 --> 00:39:30,160
so we do see ahead and as i said it's

1059
00:39:59,349 --> 00:39:54,250
[Music]

1060
00:39:59,359 --> 00:40:03,580
so

1061
00:40:03,590 --> 00:40:21,270
[Music]

1062
00:40:24,309 --> 00:40:22,630
third of

1063
00:40:26,470 --> 00:40:24,319

the show unidentified which you are

1064

00:40:28,309 --> 00:40:26,480

heavily featured on uh you said that if

1065

00:40:29,990 --> 00:40:28,319

people are being taken against their

1066

00:40:31,030 --> 00:40:30,000

will that could be perceived as an act

1067

00:40:32,950 --> 00:40:31,040

of war

1068

00:40:34,470 --> 00:40:32,960

just last week in conversation with a

1069

00:40:35,990 --> 00:40:34,480

co-founder of mine in the experimenter

1070

00:40:38,470 --> 00:40:36,000

group stuart davis

1071

00:40:41,109 --> 00:40:38,480

uh jim simavan a colleague of yours at

1072

00:40:42,790 --> 00:40:41,119

ttsa said that he viewed his personal

1073

00:40:45,030 --> 00:40:42,800

encounter with non-human entities in his

1074

00:40:46,390 --> 00:40:45,040

own bedroom with his wife as a human

1075

00:40:48,390 --> 00:40:46,400

rights violation

1076
00:40:50,470 --> 00:40:48,400
gary nolan semivan and others have

1077
00:40:52,710 --> 00:40:50,480
indicated long-standing programs close

1078
00:40:54,950 --> 00:40:52,720
to governmental agencies studying the

1079
00:40:58,550 --> 00:40:54,960
biology and biological effects on

1080
00:41:00,550 --> 00:40:58,560
contact experiencers and abductees

1081
00:41:04,550 --> 00:41:00,560
close to what you term as the sixth of

1082
00:41:05,829 --> 00:41:04,560
observable of biological effects

1083
00:41:07,750 --> 00:41:05,839
in the experiencer group we have

1084
00:41:09,990 --> 00:41:07,760
military experiencers in almost every

1085
00:41:12,069 --> 00:41:10,000
single confidential support meeting

1086
00:41:14,069 --> 00:41:12,079
uh we're very aware that non-human

1087
00:41:15,910 --> 00:41:14,079
visitation has been tracked and studied

1088
00:41:19,349 --> 00:41:15,920

for quite a long time with some of the

1089

00:41:21,270 --> 00:41:19,359

people that um i've just mentioned it's

1090

00:41:23,190 --> 00:41:21,280

not hearsay and it hasn't been for many

1091

00:41:25,670 --> 00:41:23,200

years now that people like nolan and

1092

00:41:27,589 --> 00:41:25,680

your old tsa colleague jim simavan are

1093

00:41:30,069 --> 00:41:27,599

courageously coming forward

1094

00:41:32,069 --> 00:41:30,079

um is is this an opportunity for you to

1095

00:41:34,790 --> 00:41:32,079

speak more directly to this profoundly

1096

00:41:36,390 --> 00:41:34,800

challenging topic of of contact with

1097

00:41:39,109 --> 00:41:36,400

non-human entities

1098

00:41:40,710 --> 00:41:39,119

yes and no yes in the sense that that

1099

00:41:43,270 --> 00:41:40,720

people now are coming out where i had to

1100

00:41:45,270 --> 00:41:43,280

allude before to a six observable are

1101
00:41:46,550 --> 00:41:45,280
coming out and and stating for the

1102
00:41:47,829 --> 00:41:46,560
record yes that was one of the

1103
00:41:50,309 --> 00:41:47,839
observables

1104
00:41:52,470 --> 00:41:50,319
so it's them saying it not me um

1105
00:41:54,230 --> 00:41:52,480
but there are areas of this topic i

1106
00:41:56,630 --> 00:41:54,240
still cannot discuss

1107
00:41:57,910 --> 00:41:56,640
uh again and this is going to rub people

1108
00:41:59,510 --> 00:41:57,920
the wrong way and you know my suggestion

1109
00:42:01,750 --> 00:41:59,520
if you don't want to hear it then

1110
00:42:03,589 --> 00:42:01,760
mute me for a second or two

1111
00:42:04,790 --> 00:42:03,599
but i have a security clearance you know

1112
00:42:06,390 --> 00:42:04,800
and by the way let me let me set

1113
00:42:07,829 --> 00:42:06,400

something straight here

1114

00:42:11,430 --> 00:42:07,839

when you have a security clearance not

1115

00:42:13,109 --> 00:42:11,440

only are you required to to keep secrets

1116

00:42:15,510 --> 00:42:13,119

that you have sworn to keep but you also

1117

00:42:17,589 --> 00:42:15,520

can't tell a lie okay because that's an

1118

00:42:18,950 --> 00:42:17,599

indicator of a psychological issue

1119

00:42:21,109 --> 00:42:18,960

so the fact that i have a security

1120

00:42:22,630 --> 00:42:21,119

clearance uh at the ts level top secret

1121

00:42:24,950 --> 00:42:22,640

level there's something called

1122

00:42:26,150 --> 00:42:24,960

continuous evaluation ce

1123

00:42:27,349 --> 00:42:26,160

and when you have a certain level of

1124

00:42:28,870 --> 00:42:27,359

security clearance you are put into that

1125

00:42:30,630 --> 00:42:28,880

category and you are continuously

1126
00:42:31,910 --> 00:42:30,640
monitored they're looking at your credit

1127
00:42:33,670 --> 00:42:31,920
scores they're looking at your

1128
00:42:35,829 --> 00:42:33,680
psychological stability looking whether

1129
00:42:37,430 --> 00:42:35,839
or not uh you have any indications of

1130
00:42:39,750 --> 00:42:37,440
deception or you're a liar and they look

1131
00:42:41,190 --> 00:42:39,760
at all sorts of stuff right uh you

1132
00:42:43,670 --> 00:42:41,200
you're you're subject to random

1133
00:42:45,510 --> 00:42:43,680
polygraph examinations just like i am

1134
00:42:48,470 --> 00:42:45,520
and so what's important to note is not

1135
00:42:51,670 --> 00:42:48,480
only do can i not tell a secret i also

1136
00:42:54,150 --> 00:42:51,680
can't tell a lie um i get i will i will

1137
00:42:56,550 --> 00:42:54,160
lose my uh lose my security clearance in

1138
00:42:58,470 --> 00:42:56,560

about a second flat if i do

1139

00:43:00,870 --> 00:42:58,480

um so i have to be very very very

1140

00:43:01,990 --> 00:43:00,880

careful on one hand i can't lie but at

1141

00:43:04,069 --> 00:43:02,000

the other hand i also can't say

1142

00:43:06,069 --> 00:43:04,079

everything i know and so uh it's a bit

1143

00:43:08,230 --> 00:43:06,079

of a balancing act um i think when

1144

00:43:09,510 --> 00:43:08,240

you're asking about how i feel about you

1145

00:43:10,950 --> 00:43:09,520

know jay let me ask you a personal

1146

00:43:12,470 --> 00:43:10,960

question if i made you have any children

1147

00:43:13,750 --> 00:43:12,480

you have to tell me how many you have or

1148

00:43:16,630 --> 00:43:13,760

if you're a boy or girl but you have any

1149

00:43:18,870 --> 00:43:16,640

children no i don't no okay do you have

1150

00:43:19,750 --> 00:43:18,880

a significant other in your life i sure

1151

00:43:22,390 --> 00:43:19,760

do

1152

00:43:24,870 --> 00:43:22,400

okay so let's say this significant other

1153

00:43:26,390 --> 00:43:24,880

uh was taken against their free will

1154

00:43:28,390 --> 00:43:26,400

somewhere right

1155

00:43:30,950 --> 00:43:28,400

in essence kidnapped right

1156

00:43:33,190 --> 00:43:30,960

and while they were kidnapped um someone

1157

00:43:35,670 --> 00:43:33,200

or something decides to

1158

00:43:37,270 --> 00:43:35,680

to to touch them in a way without their

1159

00:43:38,069 --> 00:43:37,280

their consent or their their permission

1160

00:43:39,750 --> 00:43:38,079

okay

1161

00:43:42,790 --> 00:43:39,760

so now you have kidnapping now you also

1162

00:43:45,750 --> 00:43:42,800

have assault okay uh and then you have

1163

00:43:48,309 --> 00:43:45,760

someone potentially causing long-term

1164

00:43:51,270 --> 00:43:48,319

uh physiological distress

1165

00:43:55,589 --> 00:43:51,280

to your significant other long-term so

1166

00:43:57,829 --> 00:43:55,599

now they suffer from a medically um some

1167

00:43:58,710 --> 00:43:57,839

sort of long-term consequence right

1168

00:44:00,870 --> 00:43:58,720

um

1169

00:44:02,550 --> 00:44:00,880

you know and ultimately ultimately at

1170

00:44:04,150 --> 00:44:02,560

some point god forbid it leads to their

1171

00:44:06,069 --> 00:44:04,160

death well you know in our country

1172

00:44:08,790 --> 00:44:06,079

that's that's homicide you know there's

1173

00:44:10,790 --> 00:44:08,800

people that get you know

1174

00:44:12,470 --> 00:44:10,800

assaulted and two years later they die

1175

00:44:14,950 --> 00:44:12,480

because they've been in a coma and then

1176

00:44:17,270 --> 00:44:14,960

they charge a person with murder um

1177

00:44:18,950 --> 00:44:17,280

it's very serious um it is a human

1178

00:44:21,030 --> 00:44:18,960

rights violation it

1179

00:44:22,710 --> 00:44:21,040

you know for instance it's interesting

1180

00:44:24,470 --> 00:44:22,720

to

1181

00:44:27,109 --> 00:44:24,480

consider

1182

00:44:29,030 --> 00:44:27,119

this is one of the types of work

1183

00:44:31,109 --> 00:44:29,040

with experiencers whether one-on-one

1184

00:44:33,750 --> 00:44:31,119

groups and i think it's just an endeavor

1185

00:44:39,430 --> 00:44:33,760

that a lot of experiences are taken up

1186

00:44:40,190 --> 00:44:39,440

of late which is trying to consider

1187

00:44:42,309 --> 00:44:40,200

what

1188

00:44:44,390 --> 00:44:42,319

non-anthropomorphic or non-human

1189

00:44:46,790 --> 00:44:44,400

consciousness might be like

1190

00:44:48,309 --> 00:44:46,800

and how that relationship works and i'm

1191

00:44:49,670 --> 00:44:48,319

going to be specific with the dreams in

1192

00:44:51,430 --> 00:44:49,680

a second here that's what where this

1193

00:44:53,349 --> 00:44:51,440

leads actually so

1194

00:44:55,510 --> 00:44:53,359

to personalize it in my

1195

00:44:57,270 --> 00:44:55,520

trying to figure out why in the heck an

1196

00:44:58,950 --> 00:44:57,280

eight foot tall mantis entities showed

1197

00:45:01,670 --> 00:44:58,960

up in my room

1198

00:45:04,710 --> 00:45:01,680

wearing a purple robe with a hog i

1199

00:45:07,510 --> 00:45:04,720

couldn't even imagine it i mean it's

1200

00:45:09,430 --> 00:45:07,520

absolutely preposterous and so i

1201
00:45:10,950 --> 00:45:09,440
in going deeper and deeper year over

1202
00:45:13,030 --> 00:45:10,960
year into

1203
00:45:15,270 --> 00:45:13,040
investigating and interrogating this and

1204
00:45:17,430 --> 00:45:15,280
then having more interaction with it

1205
00:45:19,270 --> 00:45:17,440
one of the things that it told me is i

1206
00:45:21,430 --> 00:45:19,280
tried i had put forth a question

1207
00:45:23,589 --> 00:45:21,440
something to the effect of like how am i

1208
00:45:25,190 --> 00:45:23,599
supposed to even

1209
00:45:27,910 --> 00:45:25,200
have any kind of relationship with you

1210
00:45:29,990 --> 00:45:27,920
how can i imagine what

1211
00:45:32,470 --> 00:45:30,000
this consciousness of an eight-foot tall

1212
00:45:35,190 --> 00:45:32,480
man identity is like and it said

1213
00:45:36,550 --> 00:45:35,200

try to imagine

1214

00:45:37,750 --> 00:45:36,560

your waking

1215

00:45:39,750 --> 00:45:37,760

dreaming

1216

00:45:42,230 --> 00:45:39,760

and deep dreamless life

1217

00:45:43,750 --> 00:45:42,240

all integrated into one occurring

1218

00:45:46,390 --> 00:45:43,760

simultaneously

1219

00:45:48,470 --> 00:45:46,400

that some people also kind of attach

1220

00:45:50,630 --> 00:45:48,480

reoccurring dreams or something to your

1221

00:45:53,270 --> 00:45:50,640

subconscious and it being somewhat

1222

00:45:55,190 --> 00:45:53,280

attached to past life perhaps

1223

00:45:56,870 --> 00:45:55,200

you know and and whatever that is i

1224

00:45:59,190 --> 00:45:56,880

don't know i don't know but they are

1225

00:46:00,630 --> 00:45:59,200

very interesting um and to dissect them

1226

00:46:04,150 --> 00:46:00,640

is sometimes is

1227

00:46:05,109 --> 00:46:04,160

um the most interesting to me although

1228

00:46:06,309 --> 00:46:05,119

you know

1229

00:46:09,910 --> 00:46:06,319

i'm sure you'd agree you got to be

1230

00:46:12,470 --> 00:46:09,920

careful not to attach to anything

1231

00:46:17,829 --> 00:46:12,480

for sure without knowing but uh when did

1232

00:46:20,630 --> 00:46:19,589

19.

1233

00:46:22,630 --> 00:46:20,640

wow

1234

00:46:27,589 --> 00:46:22,640

you know uh 43

1235

00:46:32,630 --> 00:46:29,990

good answer good answer you know in the

1236

00:46:34,790 --> 00:46:32,640

19 late 1970s so they were able to

1237

00:46:36,950 --> 00:46:34,800

basically sell things and get on the

1238

00:46:39,589 --> 00:46:36,960

road and we traveled for

1239

00:46:42,069 --> 00:46:39,599

a year a little over a year around the

1240

00:46:43,829 --> 00:46:42,079

country we were homeschooled my brother

1241

00:46:46,790 --> 00:46:43,839

and i and

1242

00:46:49,270 --> 00:46:46,800

and then we settled in a beautiful place

1243

00:46:51,910 --> 00:46:49,280

called orcas island which is in the san

1244

00:46:52,950 --> 00:46:51,920

juan islands up in washington state

1245

00:46:56,870 --> 00:46:52,960

now

1246

00:46:58,550 --> 00:46:56,880

orcas island is very rich in new age

1247

00:47:01,510 --> 00:46:58,560

spiritual

1248

00:47:04,230 --> 00:47:01,520

philosophical religious communities

1249

00:47:05,829 --> 00:47:04,240

i really got my feel of that

1250

00:47:09,109 --> 00:47:05,839

my parents joined the theosophical

1251

00:47:12,150 --> 00:47:09,119

society and we ended up working

1252

00:47:13,750 --> 00:47:12,160

at a theosophical summer camp um every

1253

00:47:16,069 --> 00:47:13,760

summer for about three or four years and

1254

00:47:19,430 --> 00:47:16,079

my father became the manager there so we

1255

00:47:22,309 --> 00:47:19,440

were we were waist deep in hinduism

1256

00:47:23,589 --> 00:47:22,319

buddhism theosophy clairvoyance

1257

00:47:25,030 --> 00:47:23,599

meditation

1258

00:47:28,470 --> 00:47:25,040

so

1259

00:47:30,390 --> 00:47:28,480

basically by the time i was 18

1260

00:47:32,549 --> 00:47:30,400

i had joined i'd gone back to high

1261

00:47:34,309 --> 00:47:32,559

school because i wanted to do that and i

1262

00:47:37,109 --> 00:47:34,319

just wanted to leave all that stuff

1263

00:47:39,109 --> 00:47:37,119

behind me so between the years of like

1264

00:47:40,549 --> 00:47:39,119

18 to 30

1265

00:47:41,829 --> 00:47:40,559

i probably

1266

00:47:42,630 --> 00:47:41,839

i didn't want to have anything to do

1267

00:47:44,790 --> 00:47:42,640

with

1268

00:47:47,349 --> 00:47:44,800

any of that stuff i was like i was still

1269

00:47:50,630 --> 00:47:47,359

interested in ufos however deeply

1270

00:47:53,829 --> 00:47:50,640

interested in ufos i just i was like new

1271

00:47:55,829 --> 00:47:53,839

age enough you know not interested wow

1272

00:47:58,230 --> 00:47:55,839

well what kind of uh turned you around

1273

00:48:01,670 --> 00:47:58,240

was it a an experience or

1274

00:48:04,870 --> 00:48:01,680

was it a buildup over time

1275

00:48:08,150 --> 00:48:04,880

well interestingly um

1276

00:48:10,150 --> 00:48:08,160

it was kind of an experience um

1277

00:48:11,589 --> 00:48:10,160

now that i now that i kind of cast my

1278

00:48:14,390 --> 00:48:11,599

mind back to

1279

00:48:17,190 --> 00:48:14,400

getting back into spirituality

1280

00:48:20,230 --> 00:48:17,200

and and how it sort of married

1281

00:48:21,750 --> 00:48:20,240

in with my obsession with with ufos and

1282

00:48:24,549 --> 00:48:21,760

the anomalous

1283

00:48:26,309 --> 00:48:24,559

i had a

1284

00:48:28,309 --> 00:48:26,319

not a missing time

1285

00:48:31,109 --> 00:48:28,319

experience but a compressed time

1286

00:48:33,910 --> 00:48:31,119

experience and i don't know if you know

1287

00:48:35,829 --> 00:48:33,920

or your listeners know what that is um

1288

00:48:37,430 --> 00:48:35,839

sort of the opposite of missing time

1289

00:48:39,990 --> 00:48:37,440

where

1290

00:48:42,710 --> 00:48:40,000

you you sort of fast forward into a new

1291

00:48:44,549 --> 00:48:42,720

new time and space and

1292

00:48:47,190 --> 00:48:44,559

yeah and this this was something that

1293

00:48:48,470 --> 00:48:47,200

happened with my ex-husband and i we

1294

00:48:53,030 --> 00:48:48,480

were

1295

00:48:56,950 --> 00:48:53,040

in the 19

1296

00:48:59,030 --> 00:48:56,960

late 1990s maybe 1996 actually um

1297

00:49:00,829 --> 00:48:59,040

and we were driving where we were in los

1298

00:49:04,470 --> 00:49:00,839

angeles and we were driving to the bay

1299

00:49:05,589 --> 00:49:04,480

area and it would normally take us this

1300

00:49:07,030 --> 00:49:05,599

is something that we like to do

1301
00:49:08,390 --> 00:49:07,040
regularly even though we were living in

1302
00:49:10,150 --> 00:49:08,400
seattle we would take a lot of road

1303
00:49:11,589 --> 00:49:10,160
trips so we were driving from los

1304
00:49:13,109 --> 00:49:11,599
angeles to the bay area to visit my

1305
00:49:15,190 --> 00:49:13,119
grandparents who still lived in los

1306
00:49:17,990 --> 00:49:15,200
altos hills near palo alto

1307
00:49:19,670 --> 00:49:18,000
and it took us about

1308
00:49:21,990 --> 00:49:19,680
what should have taken us between five

1309
00:49:24,630 --> 00:49:22,000
and six hours took us about two and a

1310
00:49:27,349 --> 00:49:24,640
half to three hours

1311
00:49:30,790 --> 00:49:27,359
and we were basically talking to each

1312
00:49:32,870 --> 00:49:30,800
other and and probably having a somewhat

1313
00:49:34,870 --> 00:49:32,880

sort of spiritual inspired conversation

1314

00:49:35,829 --> 00:49:34,880

because that's what we did i mean

1315

00:49:38,309 --> 00:49:35,839

um

1316

00:49:39,349 --> 00:49:38,319

he kind of got me back into buddhism and

1317

00:49:40,950 --> 00:49:39,359

into

1318

00:49:42,470 --> 00:49:40,960

different ways of looking at

1319

00:49:44,390 --> 00:49:42,480

you know things he introduced me to the

1320

00:49:45,510 --> 00:49:44,400

holographic universe talking out of my

1321

00:49:47,030 --> 00:49:45,520

head a little bit and i was kind of like

1322

00:49:48,309 --> 00:49:47,040

hey you know

1323

00:49:49,910 --> 00:49:48,319

people uh

1324

00:49:51,349 --> 00:49:49,920

you know people have had the ufo contact

1325

00:49:53,750 --> 00:49:51,359

experience they have more

1326

00:49:55,750 --> 00:49:53,760

synchronicities than joe normal like i

1327

00:49:57,109 --> 00:49:55,760

was i felt confident in saying that she

1328

00:49:59,510 --> 00:49:57,119

looked at me like she just rolled her

1329

00:50:00,470 --> 00:49:59,520

eyes and she said anyone on a spiritual

1330

00:50:03,750 --> 00:50:00,480

path

1331

00:50:04,790 --> 00:50:03,760

will have more synchronicities

1332

00:50:06,390 --> 00:50:04,800

and she looked at me like i was so

1333

00:50:08,630 --> 00:50:06,400

stupid like well how would like get on

1334

00:50:10,150 --> 00:50:08,640

you like get off your high horse buddy

1335

00:50:11,589 --> 00:50:10,160

and and i thought for a second it's like

1336

00:50:13,990 --> 00:50:11,599

well

1337

00:50:16,150 --> 00:50:14,000

it made perfect sense now

1338

00:50:21,270 --> 00:50:16,160

it like felt true like a full visceral

1339

00:50:24,549 --> 00:50:23,270

you know i i was saying ufo contact

1340

00:50:26,390 --> 00:50:24,559

people with ufo contact have more

1341

00:50:27,750 --> 00:50:26,400

synchronicities and then she said no no

1342

00:50:29,109 --> 00:50:27,760

anyone on a spiritual path will have

1343

00:50:31,510 --> 00:50:29,119

more synchronicities and i said okay

1344

00:50:35,190 --> 00:50:31,520

given that model

1345

00:50:37,510 --> 00:50:35,200

ufo contact would be a spiritual path

1346

00:50:39,030 --> 00:50:37,520

and i and i really took that to heart

1347

00:50:40,710 --> 00:50:39,040

like it's not just

1348

00:50:42,309 --> 00:50:40,720

some poor victim which there's certainly

1349

00:50:43,589 --> 00:50:42,319

you could and i want to be very cautious

1350

00:50:44,710 --> 00:50:43,599

to say this because i know people a lot

1351

00:50:47,270 --> 00:50:44,720

of people have had really tough

1352

00:50:49,109 --> 00:50:47,280

experiences as have i and i think that

1353

00:50:50,150 --> 00:50:49,119

coming to terms with the experience is

1354

00:50:53,030 --> 00:50:50,160

tougher

1355

00:50:56,710 --> 00:50:53,040

than the experience itself in many ways

1356

00:50:59,990 --> 00:50:56,720

um were you able to gather

1357

00:51:04,630 --> 00:51:00,000

any idea if this sort of thing is a

1358

00:51:06,390 --> 00:51:04,640

threat is it not a threat is it um

1359

00:51:08,950 --> 00:51:06,400

and then the entities is it all the

1360

00:51:10,790 --> 00:51:08,960

above or are they one thing

1361

00:51:13,430 --> 00:51:10,800

you know um you know you're seeing

1362

00:51:15,270 --> 00:51:13,440

dinosaurs with beaver tails have you

1363

00:51:17,510 --> 00:51:15,280

ever seen a grey alien

1364

00:51:18,950 --> 00:51:17,520

uh wolves sometimes you shoot them and

1365

00:51:22,150 --> 00:51:18,960

they bleed sometimes you shoot them and

1366

00:51:23,750 --> 00:51:22,160

they don't it's like how do you even

1367

00:51:25,030 --> 00:51:23,760

work on something like that it seems

1368

00:51:27,270 --> 00:51:25,040

impossible

1369

00:51:29,910 --> 00:51:27,280

which i thank you for but yeah so threat

1370

00:51:31,750 --> 00:51:29,920

or not threat one entity or multiple

1371

00:51:33,670 --> 00:51:31,760

well i guess um

1372

00:51:36,150 --> 00:51:33,680

the the

1373

00:51:38,549 --> 00:51:36,160

the sort of the departure point for the

1374

00:51:41,190 --> 00:51:38,559

osap program was

1375

00:51:43,030 --> 00:51:41,200

um initially at least we we were

1376

00:51:45,750 --> 00:51:43,040

mandated to

1377

00:51:47,910 --> 00:51:45,760

produce a threat assessment report

1378

00:51:50,549 --> 00:51:47,920

and uh one of those uh one of those

1379

00:51:53,030 --> 00:51:50,559

reports that went in one of those 104 or

1380

00:51:55,430 --> 00:51:53,040

whatever it was reports that went into

1381

00:51:57,670 --> 00:51:55,440

defense intelligence agency was actually

1382

00:52:00,230 --> 00:51:57,680

a threat assessment report but the

1383

00:52:01,349 --> 00:52:00,240

conclusion that we came to

1384

00:52:09,030 --> 00:52:01,359

was

1385

00:52:11,829 --> 00:52:09,040

a ufo agenda or a intent

1386

00:52:14,230 --> 00:52:11,839

to definitively come down on the side of

1387

00:52:17,190 --> 00:52:14,240

that these this phenomena represents a

1388

00:52:18,630 --> 00:52:17,200

threat we did go as far to say that this

1389

00:52:21,430 --> 00:52:18,640

this phenomenon

1390

00:52:25,030 --> 00:52:21,440

is a threat to human health uh that's a

1391

00:52:27,670 --> 00:52:25,040

very distinct category of threat because

1392

00:52:28,390 --> 00:52:27,680

it certainly is does not imply a threat

1393

00:52:30,470 --> 00:52:28,400

to

1394

00:52:33,510 --> 00:52:30,480

national security of the united states

1395

00:52:35,349 --> 00:52:33,520

it may just simply imply being in the

1396

00:52:37,990 --> 00:52:35,359

wrong place at the wrong time it's just

1397

00:52:40,790 --> 00:52:38,000

like you know somebody wandering by a

1398

00:52:43,190 --> 00:52:40,800

radar installation and accidentally

1399

00:52:44,549 --> 00:52:43,200

getting beamed with high intensity radio

1400

00:52:47,349 --> 00:52:44,559

waves

1401

00:52:49,430 --> 00:52:47,359

you know so somebody who ends up

1402

00:52:52,710 --> 00:52:49,440

sort of uh being in the wrong place and

1403

00:52:56,150 --> 00:52:52,720

happens to have a blue orb uh flying

1404

00:52:58,630 --> 00:52:56,160

through their body uh or or getting uh

1405

00:53:01,030 --> 00:52:58,640

getting a sort of a a knee-jerk

1406

00:53:02,470 --> 00:53:01,040

reaction from a triangular craft that's

1407

00:53:05,270 --> 00:53:02,480

hovering over their

1408

00:53:07,829 --> 00:53:05,280

um their property um it there's

1409

00:53:08,790 --> 00:53:07,839

insufficient evidence from what we could

1410

00:53:11,109 --> 00:53:08,800

see

1411

00:53:14,470 --> 00:53:11,119

to define a threat to the national

1412

00:53:16,069 --> 00:53:14,480

security of the united states definitely

1413

00:53:18,950 --> 00:53:16,079

bad for your health

1414

00:53:21,349 --> 00:53:18,960

um if you're in a in the vicinity of a

1415

00:53:23,030 --> 00:53:21,359

blue orb just run like hell in the

1416

00:53:24,710 --> 00:53:23,040

opposite direction

1417

00:53:27,670 --> 00:53:24,720

because it's probably not going to be

1418

00:53:30,630 --> 00:53:27,680

very good for your health so um

1419

00:53:33,670 --> 00:53:30,640

that's kind of the extent of of where we

1420

00:53:35,990 --> 00:53:33,680

were uh we were and what we reported out

1421

00:53:37,670 --> 00:53:36,000

to the defense intelligence agency we

1422

00:53:40,470 --> 00:53:37,680

just didn't have enough data to say it

1423

00:53:44,069 --> 00:53:40,480

was a threat um the second part of your

1424

00:53:45,270 --> 00:53:44,079

question um is really sort of when you

1425

00:53:47,270 --> 00:53:45,280

look at

1426
00:53:48,390 --> 00:53:47,280
these hot spots

1427
00:53:50,750 --> 00:53:48,400
and you know

1428
00:53:52,390 --> 00:53:50,760
we spent sort of between

1429
00:53:56,790 --> 00:53:52,400
1996

1430
00:53:58,950 --> 00:53:56,800
and 2016 that's 20 years uh our group

1431
00:54:01,349 --> 00:53:58,960
spent on the property brandon fugles

1432
00:54:03,750 --> 00:54:01,359
that has now spent another six years on

1433
00:54:06,150 --> 00:54:03,760
the property a lot of overlapping

1434
00:54:08,950 --> 00:54:06,160
testimony a lot of overlapping data and

1435
00:54:10,710 --> 00:54:08,960
effects on you know electronics and all

1436
00:54:11,829 --> 00:54:10,720
of that

1437
00:54:14,390 --> 00:54:11,839
what we

1438
00:54:16,950 --> 00:54:14,400

came up with i guess was that

1439

00:54:19,990 --> 00:54:16,960

um there is a central sort of

1440

00:54:22,950 --> 00:54:20,000

nuts and bolts ufo phenomenon

1441

00:54:25,990 --> 00:54:22,960

that's in the in these the vicinity of

1442

00:54:28,309 --> 00:54:26,000

these uh these places and overlaid on

1443

00:54:31,030 --> 00:54:28,319

that there is a tremendous sort of

1444

00:54:31,829 --> 00:54:31,040

paranormal disneyland of

1445

00:54:35,670 --> 00:54:31,839

uh

1446

00:54:37,750 --> 00:54:35,680

effects on

1447

00:54:41,940 --> 00:54:37,760

you know human perception being

1448

00:54:48,150 --> 00:54:41,950

distorted and all of that

1449

00:56:28,950 --> 00:54:55,970

[Music]

1450

00:56:34,549 --> 00:56:32,789

he wants to to really say that uh it's

1451

00:56:37,030 --> 00:56:34,559

we are really interested that what is

1452

00:56:40,470 --> 00:56:37,040

happening in the us in france because

1453

00:56:41,990 --> 00:56:40,480

you you managed to to to pull off uh

1454

00:56:48,630 --> 00:56:42,000

uh

1455

00:56:51,109 --> 00:56:48,640

new york times articles by rafa

1456

00:56:53,430 --> 00:56:51,119

boulenthal leslie keane and ellen cooper

1457

00:56:55,589 --> 00:56:53,440

you you managed to

1458

00:57:00,390 --> 00:56:55,599

on the planetary scale

1459

00:57:00,400 --> 00:57:37,430

of course the problem is

1460

00:57:40,549 --> 00:57:39,109

that

1461

00:57:42,789 --> 00:57:40,559

but is

1462

00:57:44,950 --> 00:57:42,799

so cons

1463

00:57:48,150 --> 00:57:44,960

for france the problem is to

1464

00:57:51,030 --> 00:57:48,160

access the primary sources of each cases

1465

00:57:53,510 --> 00:57:51,040

because the work of the japan has to be

1466

00:57:57,990 --> 00:57:53,520

legally

1467

00:58:01,589 --> 00:57:58,000

accurate so it has to anonymize and

1468

00:58:05,190 --> 00:58:01,599

hide the location of the cases to

1469

00:58:06,870 --> 00:58:05,200

public eyes so um if you are inside the

1470

00:58:09,109 --> 00:58:06,880

japan you can have access to this data

1471

00:58:10,870 --> 00:58:09,119

you are validated by the states

1472

00:58:11,990 --> 00:58:10,880

but there are very few scientists or

1473

00:58:13,349 --> 00:58:12,000

thinkers

1474

00:58:15,430 --> 00:58:13,359

four scientists

1475

00:58:16,630 --> 00:58:15,440

currently that are validated to access

1476

00:58:18,549 --> 00:58:16,640

this data

1477

00:58:20,789 --> 00:58:18,559

and otherwise if you are just a public

1478

00:58:22,390 --> 00:58:20,799

researcher you you don't have the name

1479

00:58:24,390 --> 00:58:22,400

the identity of the witness or the

1480

00:58:25,820 --> 00:58:24,400

location of

1481

00:58:33,510 --> 00:58:25,830

the sighting

1482

00:58:34,720 --> 00:58:33,520

[Music]

1483

00:58:35,260 --> 00:58:34,730

[Laughter]

1484

00:58:36,350 --> 00:58:35,270

[Music]

1485

00:58:44,230 --> 00:58:36,360

[Applause]

1486

00:58:46,780 --> 00:58:44,240

[Music]

1487

00:58:49,430 --> 00:58:46,790

even with the western winds

1488

00:58:51,109 --> 00:58:49,440

[Music]

1489

00:58:55,510 --> 00:58:51,119

taking me away

1490

00:59:00,760 --> 00:58:58,150

don't need a telescope to see

1491

00:59:10,069 --> 00:59:00,770

where we need to live free

1492

00:59:12,870 --> 00:59:10,079

[Music]

1493

00:59:15,270 --> 00:59:12,880

and this is for all the voices

1494

00:59:21,820 --> 00:59:15,280

[Music]

1495

00:59:36,390 --> 00:59:25,890

[Laughter]

1496

00:59:40,789 --> 00:59:36,400

[Music]

1497

00:59:42,470 --> 00:59:40,799

all roads lead to a sudden departure

1498

00:59:45,580 --> 00:59:42,480

although

1499

01:00:03,360 --> 00:59:45,590

when we bleed we go farther

1500

01:00:07,030 --> 01:00:05,910

[Music]

1501

01:00:10,230 --> 01:00:07,040

these are great

1502

01:00:11,829 --> 01:00:10,240

they're all clear there's no

1503

01:00:12,829 --> 01:00:11,839

can you all see that one up there on the

1504

01:00:15,750 --> 01:00:12,839

left

1505

01:00:17,430 --> 01:00:15,760

hand but i kept this page because it's

1506

01:00:19,349 --> 01:00:17,440

it's the page it's one that gives those

1507

01:00:22,390 --> 01:00:19,359

famous quotes you know

1508

01:00:24,870 --> 01:00:22,400

and this was done by colonel mccooy out

1509

01:00:25,990 --> 01:00:24,880

there at right field

1510

01:00:29,030 --> 01:00:26,000

he's the one

1511

01:00:31,030 --> 01:00:29,040

behind this information see that it says

1512

01:00:32,069 --> 01:00:31,040

you know this as requested by george

1513

01:00:34,549 --> 01:00:32,079

shuligan

1514

01:00:36,309 --> 01:00:34,559

head of uh off uh office of intelligence

1515

01:00:38,470 --> 01:00:36,319

requirements

1516

01:00:40,069 --> 01:00:38,480

uh that's why it says as requested by

1517

01:00:42,870 --> 01:00:40,079

acting chief of staff air intelligence

1518

01:00:44,710 --> 01:00:42,880

which was he was at the time proposed

1519

01:00:46,710 --> 01:00:44,720

below the considered opinion by this

1520

01:00:49,270 --> 01:00:46,720

command volvo we know this right but it

1521

01:00:51,030 --> 01:00:49,280

was by the personnel of t2

1522

01:00:52,789 --> 01:00:51,040

aircraft laboratory engineering and that

1523

01:00:54,950 --> 01:00:52,799

so that's howard mccoey

1524

01:00:56,549 --> 01:00:54,960

at right field so he was the one that

1525

01:00:58,630 --> 01:00:56,559

gave them the information

1526

01:01:00,870 --> 01:00:58,640

that george that george shuligan put

1527

01:01:02,870 --> 01:01:00,880

together to get this famous report where

1528

01:01:04,789 --> 01:01:02,880

it says the philomonum the philomenon

1529

01:01:06,210 --> 01:01:04,799

reported as real

1530

01:01:08,549 --> 01:01:06,220

the phenomenon

1531

01:01:09,430 --> 01:01:08,559

[Laughter]

1532

01:01:13,130 --> 01:01:09,440

there

1533

01:01:15,030 --> 01:01:13,140

just supposedly sadly uh disc thing that

1534

01:01:17,030 --> 01:01:15,040

[Laughter]

1535

01:01:18,870 --> 01:01:17,040

so here we go here's like the second

1536

01:01:21,990 --> 01:01:18,880

letter

1537

01:01:25,829 --> 01:01:22,000

i'm gonna try just a different

1538

01:01:29,270 --> 01:01:25,839

better way to bring this up

1539

01:01:31,109 --> 01:01:29,280

just because you know we want people to

1540

01:01:33,510 --> 01:01:31,119

be able to see it well

1541

01:01:35,829 --> 01:01:33,520

yeah i think

1542

01:01:38,789 --> 01:01:35,839

that didn't work

1543

01:01:41,030 --> 01:01:38,799

okay so i think this might be

1544

01:01:44,470 --> 01:01:41,040

a little bit better because i can zoom

1545

01:01:45,589 --> 01:01:44,480

in oh yes ah

1546

01:01:47,030 --> 01:01:45,599

there we go

1547

01:01:49,030 --> 01:01:47,040

cool

1548

01:01:50,870 --> 01:01:49,040

see here we have a reference to an even

1549

01:01:53,190 --> 01:01:50,880

obviously there's an even other filing

1550

01:01:55,670 --> 01:01:53,200

systems either handwritten x

1551

01:01:58,390 --> 01:01:55,680

0 0 0.9

1552

01:02:01,029 --> 01:01:58,400

and then signed by the guy j j afer or

1553

01:02:02,309 --> 01:02:01,039

jaffer that's an obviously other filing

1554

01:02:04,069 --> 01:02:02,319

system

1555

01:02:07,510 --> 01:02:04,079

right then the other one we're looking

1556

01:02:11,109 --> 01:02:09,109

there's a lot of that you know i wonder

1557

01:02:12,470 --> 01:02:11,119

what's in there who's doctor charles

1558

01:02:13,910 --> 01:02:12,480

carroll

1559

01:02:16,710 --> 01:02:13,920

what's that

1560

01:02:18,470 --> 01:02:16,720

who's dr charles carroll very famous guy

1561

01:02:19,910 --> 01:02:18,480

at the time

1562

01:02:22,069 --> 01:02:19,920

we could do a little background search

1563

01:02:23,829 --> 01:02:22,079

and he's got a lot of information

1564

01:02:25,430 --> 01:02:23,839

and he would have been a guy that he

1565

01:02:28,069 --> 01:02:25,440

would have been the kind of guy you brag

1566

01:02:30,950 --> 01:02:28,079

about with well dr carroll said you know

1567

01:02:32,549 --> 01:02:30,960

he was that kind of guy alfred

1568

01:02:35,510 --> 01:02:32,559

see he's there too

1569

01:02:36,710 --> 01:02:35,520

what's the significance of this document

1570

01:02:39,029 --> 01:02:36,720

okay

1571

01:02:40,630 --> 01:02:39,039

that again it's mccoys see that signed

1572

01:02:42,950 --> 01:02:40,640

kernel air corps

1573

01:02:45,109 --> 01:02:42,960

24 september 1947 the day they were

1574

01:02:46,309 --> 01:02:45,119

finalizing the air force

1575

01:02:49,109 --> 01:02:46,319

okay he's

1576

01:02:51,430 --> 01:02:49,119

he's this is part of a

1577

01:02:53,029 --> 01:02:51,440

a question he keeps trying notice how

1578

01:02:55,510 --> 01:02:53,039

it's addressed to up at the top

1579

01:02:57,270 --> 01:02:55,520

lieutenant colonel garrett

1580

01:03:00,069 --> 01:02:57,280

he's the guy that was putting together

1581

01:03:02,230 --> 01:03:00,079

the first estimate of the situation that

1582

01:03:03,750 --> 01:03:02,240

was what they used to create project

1583

01:03:05,990 --> 01:03:03,760

sign

1584

01:03:07,589 --> 01:03:06,000

colonel mccoey and garrett are both with

1585

01:03:09,349 --> 01:03:07,599

gsc

1586

01:03:11,029 --> 01:03:09,359

even though they're air force

1587

01:03:13,510 --> 01:03:11,039

they're both still with the general

1588

01:03:14,789 --> 01:03:13,520

staff on their airpath

1589

01:03:16,549 --> 01:03:14,799

so

1590

01:03:18,150 --> 01:03:16,559

they would be lazy

1591

01:03:20,150 --> 01:03:18,160

that's why their assistant chief of

1592

01:03:22,789 --> 01:03:20,160

staff air intelligence that's why that's

1593

01:03:24,710 --> 01:03:22,799

the liaison because the air staffs lays

1594

01:03:25,910 --> 01:03:24,720

together

1595

01:03:29,670 --> 01:03:25,920

so

1596

01:03:30,710 --> 01:03:29,680

knows how much deviates into that army

1597

01:03:32,150 --> 01:03:30,720

connection

1598

01:03:34,390 --> 01:03:32,160

into the air staff that somehow we

1599

01:03:36,549 --> 01:03:34,400

should be looking more into including

1600

01:03:38,870 --> 01:03:36,559

52.1

1601
01:03:40,789 --> 01:03:38,880
uh i would think graham might have come

1602
01:03:41,589 --> 01:03:40,799
across some stuff

1603
01:03:44,309 --> 01:03:41,599
yeah

1604
01:03:46,390 --> 01:03:44,319
foo fighters six months but i don't owe

1605
01:03:49,029 --> 01:03:46,400
me to that but it's it's multiple times

1606
01:03:50,870 --> 01:03:49,039
a year we get a public report

1607
01:03:53,109 --> 01:03:50,880
that's number one and number two

1608
01:03:55,910 --> 01:03:53,119
go look at the

1609
01:03:57,589 --> 01:03:55,920
the language that demands they tell us

1610
01:03:59,910 --> 01:03:57,599
about artifacts

1611
01:04:03,510 --> 01:03:59,920
look that's the cat opener

1612
01:04:05,829 --> 01:04:03,520
that opens roswell wide open

1613
01:04:07,910 --> 01:04:05,839

now i don't know how far that will go or

1614

01:04:11,430 --> 01:04:07,920

whether there will be a mechanism just

1615

01:04:14,309 --> 01:04:11,440

to stymie it and stifle it but this is

1616

01:04:17,029 --> 01:04:14,319

go back in history don't only look

1617

01:04:18,870 --> 01:04:17,039

forward from 2004 they've got to go give

1618

01:04:21,510 --> 01:04:18,880

us historical evidence they have about

1619

01:04:25,029 --> 01:04:21,520

artifacts now given what we've seen

1620

01:04:26,549 --> 01:04:25,039

about the attempts at secrecy by any

1621

01:04:28,870 --> 01:04:26,559

means necessary

1622

01:04:31,670 --> 01:04:28,880

from the 1940s on

1623

01:04:33,990 --> 01:04:31,680

uh i got to tell you i can't wait to

1624

01:04:35,910 --> 01:04:34,000

find out what we actually have you know

1625

01:04:37,670 --> 01:04:35,920

i'm always happy when when somebody says

1626
01:04:39,270 --> 01:04:37,680
something like that because you probably

1627
01:04:40,789 --> 01:04:39,280
know just as much as i do when you put

1628
01:04:42,870 --> 01:04:40,799
in so much work and

1629
01:04:44,230 --> 01:04:42,880
you know a little bit of recognition

1630
01:04:46,390 --> 01:04:44,240
goes a long way

1631
01:04:48,549 --> 01:04:46,400
for your um

1632
01:04:49,510 --> 01:04:48,559
just for your attitude and determination

1633
01:04:51,029 --> 01:04:49,520
so

1634
01:04:53,349 --> 01:04:51,039
i really like those pieces i like your

1635
01:04:54,950 --> 01:04:53,359
piece um i like christopher's pieces and

1636
01:04:57,430 --> 01:04:54,960
i like the piece that bob pliskin did as

1637
01:04:58,309 --> 01:04:57,440
well on um on signatures because you

1638
01:04:59,510 --> 01:04:58,319

know there's

1639

01:05:02,870 --> 01:04:59,520

the

1640

01:05:05,670 --> 01:05:02,880

phenomenally in terms of some really

1641

01:05:08,150 --> 01:05:05,680

really good analysts podcasters bloggers

1642

01:05:09,670 --> 01:05:08,160

and just contributors in general um but

1643

01:05:10,950 --> 01:05:09,680

when you come across pieces like that

1644

01:05:12,870 --> 01:05:10,960

and when i came across the liberation

1645

01:05:14,390 --> 01:05:12,880

times website i was like wow like i want

1646

01:05:15,670 --> 01:05:14,400

to be referencing um some of these

1647

01:05:17,910 --> 01:05:15,680

articles because these guys are doing

1648

01:05:20,309 --> 01:05:17,920

really deep dives and also that indian

1649

01:05:21,829 --> 01:05:20,319

ufo researcher talking about um you know

1650

01:05:24,069 --> 01:05:21,839

that the cultural differences that could

1651

01:05:26,549 --> 01:05:24,079

lead um you know to uap causing a war

1652

01:05:27,829 --> 01:05:26,559

between india and pakistan so that

1653

01:05:30,069 --> 01:05:27,839

that's i mean i've looked at the india

1654

01:05:31,990 --> 01:05:30,079

pakistan issue for for kind of quite a

1655

01:05:33,589 --> 01:05:32,000

few years but it was only recently in

1656

01:05:35,829 --> 01:05:33,599

the last couple of years that i got on

1657

01:05:37,910 --> 01:05:35,839

top of the the fact that uap might cause

1658

01:05:39,190 --> 01:05:37,920

them to have a nuclear exchange and then

1659

01:05:41,349 --> 01:05:39,200

with this guy deep diving on the

1660

01:05:42,630 --> 01:05:41,359

cultural aspects was really fascinating

1661

01:05:44,230 --> 01:05:42,640

on top of that

1662

01:05:47,109 --> 01:05:44,240

yeah they have a very interesting

1663

01:05:48,630 --> 01:05:47,119

relationship uh that's for sure and you

1664

01:05:51,109 --> 01:05:48,640

know it

1665

01:05:53,349 --> 01:05:51,119

seems like a tinderbox at times

1666

01:05:55,670 --> 01:05:53,359

definitely with different influences

1667

01:05:57,670 --> 01:05:55,680

coming in and out you know

1668

01:05:59,829 --> 01:05:57,680

um so that that could be dangerous for

1669

01:06:02,230 --> 01:05:59,839

sure it you know

1670

01:06:05,270 --> 01:06:02,240

and that's kind of along the same lines

1671

01:06:08,230 --> 01:06:05,280

why it can be dangerous for us and china

1672

01:06:11,670 --> 01:06:08,240

or russia and sending off the wrong

1673

01:06:13,670 --> 01:06:11,680

uh you know alarms when it may not be

1674

01:06:14,710 --> 01:06:13,680

you know anything either of us have to

1675

01:06:16,309 --> 01:06:14,720

do with

1676

01:06:18,470 --> 01:06:16,319

uh but

1677

01:06:21,190 --> 01:06:18,480

you know go ahead sorry i'm just going

1678

01:06:22,470 --> 01:06:21,200

to say i'm just going to add in um john

1679

01:06:25,270 --> 01:06:22,480

john alexander's book colonel john

1680

01:06:27,910 --> 01:06:25,280

alexander ufos realities myths and

1681

01:06:30,710 --> 01:06:27,920

conspiracies he actually visited norad

1682

01:06:32,470 --> 01:06:30,720

um you know when he was a colonel and uh

1683

01:06:33,750 --> 01:06:32,480

he sort of asked so what about the ufos

1684

01:06:36,470 --> 01:06:33,760

and the guys even oh you mean like you

1685

01:06:37,829 --> 01:06:36,480

know the the truck those tracks so they

1686

01:06:39,029 --> 01:06:37,839

were already trying to filter them out

1687

01:06:41,829 --> 01:06:39,039

because they were they didn't want to

1688

01:06:43,109 --> 01:06:41,839

have a um you know misidentification

1689

01:06:43,910 --> 01:06:43,119

oh my gosh

1690

01:06:47,750 --> 01:06:43,920

yeah

1691

01:06:49,670 --> 01:06:47,760

just joking about that sean before um

1692

01:06:52,150 --> 01:06:49,680

you came on we were we're like how do

1693

01:06:54,789 --> 01:06:52,160

you make a classification system

1694

01:06:57,430 --> 01:06:54,799

for like a whole range of beings that

1695

01:06:58,630 --> 01:06:57,440

you can't touch or even see

1696

01:07:00,309 --> 01:06:58,640

um but

1697

01:07:03,510 --> 01:07:00,319

but that's kind of like what shawnee

1698

01:07:05,190 --> 01:07:03,520

spjon hargens does yeah so

1699

01:07:05,990 --> 01:07:05,200

yeah exactly

1700

01:07:07,670 --> 01:07:06,000

so

1701

01:07:10,150 --> 01:07:07,680

there is you have to talk to a lot of

1702

01:07:12,470 --> 01:07:10,160

experiencers you know or look at the

1703

01:07:13,829 --> 01:07:12,480

literature that represents you know you

1704

01:07:15,829 --> 01:07:13,839

know thousands and thousands of

1705

01:07:17,829 --> 01:07:15,839

experiencers and look for the meta

1706

01:07:20,150 --> 01:07:17,839

patterns

1707

01:07:22,710 --> 01:07:20,160

yeah that's amazing

1708

01:07:24,230 --> 01:07:22,720

yeah um can you tell us about this new

1709

01:07:26,789 --> 01:07:24,240

program that you've created at the

1710

01:07:29,029 --> 01:07:26,799

california institute for human science

1711

01:07:32,309 --> 01:07:29,039

yeah i'm really excited you know i've i

1712

01:07:34,710 --> 01:07:32,319

was in academia for about 10 years you

1713

01:07:37,910 --> 01:07:34,720

know right after i got my phd

1714

01:07:39,829 --> 01:07:37,920

and i ran two masters programs dealing

1715

01:07:42,230 --> 01:07:39,839

with interdisciplinary studies and

1716

01:07:45,029 --> 01:07:42,240

integral theory and so i've always been

1717

01:07:47,670 --> 01:07:45,039

a big picture kind of guy a kind of meta

1718

01:07:50,549 --> 01:07:47,680

mind is you know my angle

1719

01:07:52,630 --> 01:07:50,559

where i just love getting data from so

1720

01:07:54,470 --> 01:07:52,640

many different disciplines and domains

1721

01:07:56,950 --> 01:07:54,480

and and then trying to figure out you

1722

01:07:58,630 --> 01:07:56,960

know how do they mash together and how

1723

01:08:01,270 --> 01:07:58,640

can they help us you know just have a

1724

01:08:04,150 --> 01:08:01,280

more complete view of reality you know

1725

01:08:05,750 --> 01:08:04,160

not in any kind of fully explanatory way

1726

01:08:08,870 --> 01:08:05,760

but you know honoring the mystery and

1727

01:08:10,549 --> 01:08:08,880

the ever receding you know horizon of

1728

01:08:13,270 --> 01:08:10,559

understanding but you know just doing

1729

01:08:15,349 --> 01:08:13,280

our best to make sense of it all given

1730

01:08:16,789 --> 01:08:15,359

you know what we know and what we're you

1731

01:08:18,789 --> 01:08:16,799

know discovering from other people's

1732

01:08:20,390 --> 01:08:18,799

encounters and explorations you know

1733

01:08:23,189 --> 01:08:20,400

across disciplines

1734

01:08:25,669 --> 01:08:23,199

and then i left that to go into business

1735

01:08:26,709 --> 01:08:25,679

and do leadership consulting and

1736

01:08:28,870 --> 01:08:26,719

coaching

1737

01:08:30,149 --> 01:08:28,880

and then about a year ago

1738

01:08:31,990 --> 01:08:30,159

this

1739

01:08:33,590 --> 01:08:32,000

graduate school approached me and said

1740

01:08:35,990 --> 01:08:33,600

you know hey we'd like to have you come

1741

01:08:36,950 --> 01:08:36,000

and you know be part of our you know

1742

01:08:39,110 --> 01:08:36,960

school

1743

01:08:41,590 --> 01:08:39,120

and i basically said

1744

01:08:43,189 --> 01:08:41,600

you know i love to do it you know i've

1745

01:08:45,349 --> 01:08:43,199

missed academia

1746

01:08:46,870 --> 01:08:45,359

and i've kind of been looking for a home

1747

01:08:48,870 --> 01:08:46,880

a place to land

1748

01:08:51,510 --> 01:08:48,880

but there's two things i'm passionate

1749

01:08:53,510 --> 01:08:51,520

about right now in my life and i want to

1750

01:08:56,309 --> 01:08:53,520

make sure i can do both of those at this

1751

01:08:59,030 --> 01:08:56,319

place right so it was kind of you know

1752

01:09:01,030 --> 01:08:59,040

my ultimatum was you know i'm interested

1753

01:09:03,430 --> 01:09:01,040

but only if i can

1754

01:09:05,590 --> 01:09:03,440

explore exo studies

1755

01:09:07,910 --> 01:09:05,600

and if i can explore you know this other

1756

01:09:10,229 --> 01:09:07,920

framework i developed a meta capital

1757

01:09:12,149 --> 01:09:10,239

framework that has 10 different kinds of

1758

01:09:13,990 --> 01:09:12,159

capital you know like financial capital

1759

01:09:15,829 --> 01:09:14,000

social capital human capital

1760

01:09:17,590 --> 01:09:15,839

psychological capital and so forth so

1761

01:09:19,430 --> 01:09:17,600

that's kind of like my business side my

1762

01:09:21,349 --> 01:09:19,440

integral business side and then the

1763

01:09:23,910 --> 01:09:21,359

other piece that i'm passionate about is

1764

01:09:26,789 --> 01:09:23,920

kind of an integral approach to ufos and

1765

01:09:29,669 --> 01:09:26,799

anomalous experiences and realities and

1766

01:09:32,390 --> 01:09:29,679

and they said yeah we're open to that so

1767

01:09:34,709 --> 01:09:32,400

when i took the job last november i

1768

01:09:37,590 --> 01:09:34,719

began you know going through the process

1769

01:09:40,470 --> 01:09:37,600

of transforming a current program

1770

01:09:41,829 --> 01:09:40,480

that was titled comparative religion and

1771

01:09:44,950 --> 01:09:41,839

philosophy

1772

01:09:45,990 --> 01:09:44,960

and you know this is a master's and phd

1773

01:09:48,070 --> 01:09:46,000

program

1774

01:09:50,950 --> 01:09:48,080

and i basically wanted to kind of you

1775

01:09:53,910 --> 01:09:50,960

know upgrade it to kind of the 21st

1776

01:09:56,550 --> 01:09:53,920

century and so we ended up calling it

1777

01:09:58,709 --> 01:09:56,560

integral noetic sciences and integral

1778

01:10:01,350 --> 01:09:58,719

noetic sciences is basically taking this

1779

01:10:02,870 --> 01:10:01,360

integral or meta-disciplinary approach

1780

01:10:05,189 --> 01:10:02,880

um which i can say more about in a

1781

01:10:06,950 --> 01:10:05,199

moment and looking at noetic science

1782

01:10:09,110 --> 01:10:06,960

looking at the science of consciousness

1783

01:10:12,070 --> 01:10:09,120

philosophy of science looking at

1784

01:10:14,470 --> 01:10:12,080

meditation and and brain studies looking

1785

01:10:17,510 --> 01:10:14,480

at you know kind of what's a

1786

01:10:19,669 --> 01:10:17,520

science in a broadly construed sense

1787

01:10:21,830 --> 01:10:19,679

what i would call a broad empiricism so

1788

01:10:23,070 --> 01:10:21,840

not a reductive or materialistic this is

1789

01:10:26,310 --> 01:10:23,080

very much a

1790

01:10:28,310 --> 01:10:26,320

post-materialist orientation to science

1791

01:10:30,310 --> 01:10:28,320

oh and i should mention that the school

1792

01:10:32,550 --> 01:10:30,320

the california institute for human

1793

01:10:34,790 --> 01:10:32,560

science is really well known for its

1794

01:10:37,350 --> 01:10:34,800

research and work in subtle energy after

1795

01:10:38,950 --> 01:10:37,360

40 years hundreds of millions of dollars

1796

01:10:40,229 --> 01:10:38,960

we haven't learned anything we just know

1797

01:10:43,350 --> 01:10:40,239

that they are

1798

01:10:46,229 --> 01:10:43,360

those particles now my point is

1799

01:10:47,669 --> 01:10:46,239

you know without investing similar

1800

01:10:49,910 --> 01:10:47,679

amounts of money in the search for

1801

01:10:52,310 --> 01:10:49,920

equipment from other civilizations we

1802

01:10:55,270 --> 01:10:52,320

will never know if there are things

1803

01:10:57,350 --> 01:10:55,280

flying in space so when people ask for

1804

01:10:59,590 --> 01:10:57,360

extraordinary evidence you know that's

1805

01:11:02,070 --> 01:10:59,600

impossible unless you put the funds to

1806

01:11:02,870 --> 01:11:02,080

search for the these things right and

1807

01:11:04,790 --> 01:11:02,880

and

1808

01:11:07,590 --> 01:11:04,800

it's a circular argument to say i don't

1809

01:11:09,350 --> 01:11:07,600

have extraordinary evidence therefore

1810

01:11:12,470 --> 01:11:09,360

we should not discuss this possibility

1811

01:11:15,669 --> 01:11:12,480

because in my book actually in the real

1812

01:11:17,350 --> 01:11:15,679

book uh the search for um technological

1813

01:11:19,110 --> 01:11:17,360

equipment in space

1814

01:11:20,950 --> 01:11:19,120

is much less speculative than the search

1815

01:11:23,590 --> 01:11:20,960

for dark matter because we know that we

1816

01:11:26,310 --> 01:11:23,600

are doing it we know that other planets

1817

01:11:28,390 --> 01:11:26,320

like the earth are very common around

1818

01:11:30,149 --> 01:11:28,400

stars like the sun and we know that most

1819

01:11:32,630 --> 01:11:30,159

of those stars from billions of years

1820

01:11:34,950 --> 01:11:32,640

before us right before before the solar

1821

01:11:36,630 --> 01:11:34,960

system so in that sense you know there

1822

01:11:38,550 --> 01:11:36,640

there could have been technological

1823

01:11:41,189 --> 01:11:38,560

civilizations far more advanced than we

1824

01:11:43,669 --> 01:11:41,199

are that predated us and sent equipment

1825

01:11:45,910 --> 01:11:43,679

let's check and so

1826

01:11:48,390 --> 01:11:45,920

that's the goal of the galileo project

1827

01:11:51,350 --> 01:11:48,400

that i established back in july this

1828

01:11:52,950 --> 01:11:51,360

year thanks to donations from

1829

01:11:54,390 --> 01:11:52,960

wealthy individuals

1830

01:11:56,630 --> 01:11:54,400

well that's not true

1831

01:11:58,310 --> 01:11:56,640

because you're still obviously very

1832

01:11:59,189 --> 01:11:58,320

unique so

1833

01:12:01,189 --> 01:11:59,199

um

1834

01:12:02,950 --> 01:12:01,199

you know that's the cool thing about art

1835

01:12:04,709 --> 01:12:02,960

though isn't it like

1836

01:12:07,270 --> 01:12:04,719

there can be

1837

01:12:08,390 --> 01:12:07,280

a saturated market of art but the thing

1838

01:12:09,910 --> 01:12:08,400

is well

1839

01:12:11,110 --> 01:12:09,920

you know commercial art maybe is

1840

01:12:13,350 --> 01:12:11,120

different but

1841

01:12:14,950 --> 01:12:13,360

um with artists like yourself

1842

01:12:16,149 --> 01:12:14,960

there's always going to be a difference

1843

01:12:17,590 --> 01:12:16,159

there's always going to be something

1844

01:12:20,390 --> 01:12:17,600

unique to you

1845

01:12:22,390 --> 01:12:20,400

uh that stands out you know whichever i

1846

01:12:24,630 --> 01:12:22,400

know what you mean like i feel like i

1847

01:12:26,149 --> 01:12:24,640

could hear a piece of uh you know one of

1848

01:12:28,950 --> 01:12:26,159

your songs and just be like yeah that's

1849

01:12:31,430 --> 01:12:28,960

sean you know i told them um i call them

1850

01:12:33,590 --> 01:12:31,440

horcrux you know you know in harry

1851
01:12:36,310 --> 01:12:33,600
potter how voldemort puts his soul into

1852
01:12:38,390 --> 01:12:36,320
the various items like ah that really

1853
01:12:39,750 --> 01:12:38,400
resonates with people they they carry

1854
01:12:41,830 --> 01:12:39,760
little bits of people's souls and

1855
01:12:43,910 --> 01:12:41,840
experience in them you know and it's

1856
01:12:45,270 --> 01:12:43,920
just a way of a way of talking and

1857
01:12:47,910 --> 01:12:45,280
sharing your truth with the world i

1858
01:12:49,910 --> 01:12:47,920
guess not to be pretentious but you know

1859
01:12:51,350 --> 01:12:49,920
that a good artist and a good piece of

1860
01:12:52,950 --> 01:12:51,360
art you always know when it kind of

1861
01:12:55,350 --> 01:12:52,960
talks back at you

1862
01:12:57,669 --> 01:12:55,360
contextualizing things within within the

1863
01:13:01,110 --> 01:12:57,679

framework a little bit of of other

1864

01:13:04,149 --> 01:13:01,120

cultures spirituality religion folklore

1865

01:13:05,669 --> 01:13:04,159

and that really resonated with me it and

1866

01:13:08,470 --> 01:13:05,679

i think it resonates with a lot of

1867

01:13:11,590 --> 01:13:08,480

experiencers where before that before

1868

01:13:13,350 --> 01:13:11,600

that text and even in in abduction along

1869

01:13:16,950 --> 01:13:13,360

with people like hopkins people like

1870

01:13:19,510 --> 01:13:16,960

jacobs and others that that that

1871

01:13:21,430 --> 01:13:19,520

really we're trying to nail down like

1872

01:13:23,030 --> 01:13:21,440

okay this happens and this happens and

1873

01:13:24,870 --> 01:13:23,040

then this happens like you get floated

1874

01:13:26,070 --> 01:13:24,880

through the wall and then this happens

1875

01:13:28,470 --> 01:13:26,080

and this happens

1876

01:13:29,510 --> 01:13:28,480

like he was trying to get to

1877

01:13:32,709 --> 01:13:29,520

to

1878

01:13:34,630 --> 01:13:32,719

not just that kind of criminal case work

1879

01:13:36,790 --> 01:13:34,640

if you will

1880

01:13:39,110 --> 01:13:36,800

and trying to go beyond

1881

01:13:42,149 --> 01:13:39,120

go beyond this kind of like hearty boys

1882

01:13:44,310 --> 01:13:42,159

mystery solving aspect and get back even

1883

01:13:46,630 --> 01:13:44,320

further than that to

1884

01:13:49,590 --> 01:13:46,640

what does this all mean in terms of

1885

01:13:52,310 --> 01:13:49,600

ontologies like meaning like what is

1886

01:13:53,990 --> 01:13:52,320

your view of reality and what and like

1887

01:13:56,709 --> 01:13:54,000

what you were speaking of with regard to

1888

01:13:59,669 --> 01:13:56,719

language he did a great job articulating

1889

01:14:02,149 --> 01:13:59,679

the sneaky ways that we make basic

1890

01:14:04,709 --> 01:14:02,159

assumptions about reality that may not

1891

01:14:07,750 --> 01:14:04,719

be true and i think that that is

1892

01:14:09,910 --> 01:14:07,760

that continues to be one of the many

1893

01:14:12,310 --> 01:14:09,920

great gifts that he's given what is real

1894

01:14:14,709 --> 01:14:12,320

right yeah what is real

1895

01:14:17,189 --> 01:14:14,719

why is um what we see in front of us

1896

01:14:19,270 --> 01:14:17,199

more real than the dreams we have for

1897

01:14:22,149 --> 01:14:19,280

instance you know or

1898

01:14:25,590 --> 01:14:22,159

the experiences that we encounter what

1899

01:14:29,510 --> 01:14:25,600

you know what makes something real is it

1900

01:14:30,390 --> 01:14:29,520

our language simply you know or

1901

01:14:32,229 --> 01:14:30,400

i would

1902

01:14:36,149 --> 01:14:32,239

argue that it's

1903

01:14:38,709 --> 01:14:36,159

your feelings and your emotions

1904

01:14:40,550 --> 01:14:38,719

personally that make things more real to

1905

01:14:43,189 --> 01:14:40,560

me

1906

01:14:44,550 --> 01:14:43,199

whether it's in a dream or in real life

1907

01:14:47,910 --> 01:14:44,560

it's

1908

01:14:51,270 --> 01:14:47,920

gut

1909

01:14:53,750 --> 01:14:51,280

you know that makes something real to me

1910

01:14:57,990 --> 01:14:53,760

so i can wake up from a dream in tears

1911

01:14:58,870 --> 01:14:58,000

and that thing is real that happened

1912

01:15:04,070 --> 01:14:58,880

you know

1913

01:15:06,550 --> 01:15:04,080

for instance

1914

01:15:08,229 --> 01:15:06,560

i think these subtle distinctions um

1915

01:15:09,270 --> 01:15:08,239

actually have some

1916

01:15:12,310 --> 01:15:09,280

uh

1917

01:15:15,350 --> 01:15:12,320

you know potentially powerful impact um

1918

01:15:17,030 --> 01:15:15,360

on the larger cultural dialogue

1919

01:15:18,790 --> 01:15:17,040

in as much as

1920

01:15:20,870 --> 01:15:18,800

you know there can there's a lot of

1921

01:15:21,910 --> 01:15:20,880

discussion and conflict around whether

1922

01:15:24,630 --> 01:15:21,920

or not

1923

01:15:27,030 --> 01:15:24,640

these experiences happen in reality as

1924

01:15:28,870 --> 01:15:27,040

we define it so the five senses you know

1925

01:15:31,510 --> 01:15:28,880

newtonian cartesian

1926

01:15:33,270 --> 01:15:31,520

um you know definition of reality that

1927

01:15:35,830 --> 01:15:33,280

you know most western civilizations are

1928

01:15:37,830 --> 01:15:35,840

aligned with um and going back to john

1929

01:15:40,070 --> 01:15:37,840

for for just a second you know i think

1930

01:15:41,510 --> 01:15:40,080

when he originally started interviewing

1931

01:15:44,630 --> 01:15:41,520

experiencers

1932

01:15:46,070 --> 01:15:44,640

um there was certainly this

1933

01:15:47,910 --> 01:15:46,080

as he began to see that there was an

1934

01:15:49,830 --> 01:15:47,920

actual phenomena occurring and that

1935

01:15:52,390 --> 01:15:49,840

experiencers were reporting

1936

01:15:54,709 --> 01:15:52,400

um accurately to the best of our ability

1937

01:15:56,310 --> 01:15:54,719

what appeared to john to be real

1938

01:15:57,590 --> 01:15:56,320

experience and for us was real

1939

01:15:58,390 --> 01:15:57,600

experience

1940

01:15:59,750 --> 01:15:58,400

um

1941

01:16:01,990 --> 01:15:59,760

you know and i think abduction as you

1942

01:16:03,910 --> 01:16:02,000

point out reflects that kind of more

1943

01:16:06,470 --> 01:16:03,920

nuts and bolts

1944

01:16:08,790 --> 01:16:06,480

um aspect of it and

1945

01:16:11,110 --> 01:16:08,800

attempt to find the grounding

1946

01:16:13,189 --> 01:16:11,120

of these narratives in reality what he

1947

01:16:15,990 --> 01:16:13,199

discovered you know the more he

1948

01:16:18,149 --> 01:16:16,000

interviewed um experiencers and got

1949

01:16:19,350 --> 01:16:18,159

deeper into the research is that it

1950

01:16:21,189 --> 01:16:19,360

became

1951

01:16:22,709 --> 01:16:21,199

you know clear that there are these

1952

01:16:25,590 --> 01:16:22,719

subtle realms

1953

01:16:28,229 --> 01:16:25,600

of reality that were present but that

1954

01:16:29,030 --> 01:16:28,239

didn't you know fit the the narrative of

1955

01:16:31,110 --> 01:16:29,040

our

1956

01:16:32,870 --> 01:16:31,120

you know the the mainstream paradigm you

1957

01:16:35,910 --> 01:16:32,880

know the worldview that most of us are

1958

01:16:38,149 --> 01:16:35,920

are born into in in the west and so

1959

01:16:39,910 --> 01:16:38,159

you know as as a personal friend of his

1960

01:16:42,550 --> 01:16:39,920

as well he you know he and i had a lot

1961

01:16:44,310 --> 01:16:42,560

of conversations on the side especially

1962

01:16:46,709 --> 01:16:44,320

as he got close to the end of his life

1963

01:16:48,870 --> 01:16:46,719

where we would sort of tease apart you

1964

01:16:51,990 --> 01:16:48,880

know the the subtleties in language that

1965

01:16:54,149 --> 01:16:52,000

you're speaking to and of you know where

1966

01:16:55,910 --> 01:16:54,159

reality exists and he

1967

01:16:57,189 --> 01:16:55,920

you know got to this place where he was

1968

01:17:00,390 --> 01:16:57,199

actually more

1969

01:17:02,630 --> 01:17:00,400

aligned with you know ideas like patrick

1970

01:17:04,790 --> 01:17:02,640

patrick harper and demonic reality where

1971

01:17:07,030 --> 01:17:04,800

this you know maybe these experiences

1972

01:17:10,229 --> 01:17:07,040

were happening you know in a realm that

1973

01:17:12,870 --> 01:17:10,239

was familiar to humans historically as

1974

01:17:14,630 --> 01:17:12,880

along with succubi and incubi and things

1975

01:17:16,149 --> 01:17:14,640

like that so

1976

01:17:17,669 --> 01:17:16,159

there's it's you know from my

1977

01:17:19,030 --> 01:17:17,679

perspective it was very understandable

1978

01:17:21,189 --> 01:17:19,040

that he would get to that point

1979

01:17:23,110 --> 01:17:21,199

especially as someone who was a witness

1980

01:17:25,510 --> 01:17:23,120

um to people who had gone through this

1981

01:17:27,750 --> 01:17:25,520

you know um and not somebody who had had

1982

01:17:30,870 --> 01:17:27,760

experiences firsthand

1983

01:17:33,030 --> 01:17:30,880

that being said i would wrestle

1984

01:17:35,189 --> 01:17:33,040

wrestle with him in the conversation

1985

01:17:37,189 --> 01:17:35,199

because even though all of that's true

1986

01:17:39,430 --> 01:17:37,199

that it feels like some of these

1987

01:17:42,550 --> 01:17:39,440

experiences are are happening in some

1988

01:17:44,870 --> 01:17:42,560

form of reality that is far expanded

1989

01:17:46,709 --> 01:17:44,880

from what we originally know as we're

1990

01:17:48,950 --> 01:17:46,719

sitting here talking to each other again

1991

01:17:51,030 --> 01:17:48,960

the five senses reality

1992

01:17:53,270 --> 01:17:51,040

there are also experiences that take

1993

01:17:55,669 --> 01:17:53,280

place in this very physical

1994

01:17:57,830 --> 01:17:55,679

world and have a very physical element

1995

01:17:58,630 --> 01:17:57,840

to them and have physical consequences

1996

01:18:00,070 --> 01:17:58,640

and

1997

01:18:02,470 --> 01:18:00,080

make physical

1998

01:18:04,630 --> 01:18:02,480

impressions you know either in objects

1999

01:18:05,910 --> 01:18:04,640

or our bodies or in our minds in this

2000

01:18:09,430 --> 01:18:05,920

world so

2001

01:18:11,510 --> 01:18:09,440

i think the experienter community um

2002

01:18:14,470 --> 01:18:11,520

growing up in a way over these past two

2003

01:18:17,590 --> 01:18:14,480

or three decades and realizing that

2004

01:18:20,550 --> 01:18:17,600

how we language our experiences

2005

01:18:23,110 --> 01:18:20,560

especially to mainstream audiences

2006

01:18:25,110 --> 01:18:23,120

and a mainstream listener really matters

2007

01:18:26,950 --> 01:18:25,120

because the more we're discerning about

2008

01:18:29,110 --> 01:18:26,960

how we communicate this

2009

01:18:32,149 --> 01:18:29,120

to people who are unfamiliar with the

2010

01:18:34,310 --> 01:18:32,159

phenomenon or are skeptical about it

2011

01:18:36,550 --> 01:18:34,320

has everything to do with how well we

2012

01:18:39,430 --> 01:18:36,560

are received as a credible witness or

2013

01:18:41,910 --> 01:18:39,440

not we have to be able to discern how

2014

01:18:43,669 --> 01:18:41,920

our listener is receiving it or

2015

01:18:46,149 --> 01:18:43,679

resisting it and at the place where we

2016

01:18:48,470 --> 01:18:46,159

meet that tension of resistance i think

2017

01:18:50,470 --> 01:18:48,480

that is is really fundamentally where

2018

01:18:52,790 --> 01:18:50,480

john's work left off at the time of his

2019

01:18:54,950 --> 01:18:52,800

death it's where our world views you

2020

01:18:57,110 --> 01:18:54,960

know collide and we reach the limits of

2021

01:18:58,870 --> 01:18:57,120

what we believe is possible and this is

2022

01:19:00,950 --> 01:18:58,880

where normally you know the listener

2023

01:19:04,070 --> 01:19:00,960

might start to say that well you know

2024

01:19:05,750 --> 01:19:04,080

it's sleep paralysis or it's some kind

2025

01:19:07,910 --> 01:19:05,760

kind of

2026

01:19:09,510 --> 01:19:07,920

defined psychopathology or something

2027

01:19:11,669 --> 01:19:09,520

like that and really

2028

01:19:13,110 --> 01:19:11,679

i think where the experienter community

2029

01:19:14,550 --> 01:19:13,120

is required to sort of pull back a

2030

01:19:16,630 --> 01:19:14,560

little bit and get to the point where

2031

01:19:18,070 --> 01:19:16,640

the blockage is so we can really slow

2032

01:19:20,630 --> 01:19:18,080

down and talk about why we're

2033

01:19:24,229 --> 01:19:20,640

experiencing these resistances to the

2034

01:19:28,070 --> 01:19:26,149

right i mean and yeah and lou has spoken

2035

01:19:29,669 --> 01:19:28,080

about you know when he was on tucker

2036

01:19:31,189 --> 01:19:29,679

carlson i think it was last year or the

2037

01:19:32,790 --> 01:19:31,199

year before he was asked if he believed

2038

01:19:35,110 --> 01:19:32,800

the ufo you know the united states

2039

01:19:36,709 --> 01:19:35,120

government had debris from a ufo and he

2040

01:19:39,030 --> 01:19:36,719

said yes and now

2041

01:19:40,950 --> 01:19:39,040

in the la the language coming before the

2042

01:19:42,630 --> 01:19:40,960

house and senate in the house portion of

2043

01:19:46,310 --> 01:19:42,640

the bill where they're talking about

2044

01:19:48,229 --> 01:19:46,320

adding a permanent uap ufo office they

2045

01:19:50,550 --> 01:19:48,239

mention in the language they want an

2046

01:19:53,110 --> 01:19:50,560

update on any efforts understanding on

2047

01:19:56,310 --> 01:19:53,120

the ability to capture or exploit

2048

01:19:58,149 --> 01:19:56,320

discovered uap and and right away i

2049

01:19:59,830 --> 01:19:58,159

thought okay that's that's crash

2050

01:20:01,510 --> 01:19:59,840

retrievals and people are like no you're

2051
01:20:03,590 --> 01:20:01,520
reading into that but then lou was on

2052
01:20:05,270 --> 01:20:03,600
fox news the other night and saying

2053
01:20:06,709 --> 01:20:05,280
it's crash retrievals

2054
01:20:09,590 --> 01:20:06,719
and they're talking about basically

2055
01:20:11,110 --> 01:20:09,600
making field trips to wherever these

2056
01:20:13,830 --> 01:20:11,120
you know wherever the materials or

2057
01:20:15,590 --> 01:20:13,840
objects are and the second part is in

2058
01:20:17,270 --> 01:20:15,600
the house bill it says and this is not

2059
01:20:19,510 --> 01:20:17,280
final language it may not make it into

2060
01:20:21,510 --> 01:20:19,520
the final bill but it says an assessment

2061
01:20:23,510 --> 01:20:21,520
of any health related effects of

2062
01:20:26,070 --> 01:20:23,520
individuals that have encountered

2063
01:20:28,390 --> 01:20:26,080

unidentified aerial phenomena and that's

2064

01:20:30,070 --> 01:20:28,400
points to the work of dr kit green

2065

01:20:31,350 --> 01:20:30,080
and gary nolan and i'm sure others

2066

01:20:33,590 --> 01:20:31,360
behind the scenes working with

2067

01:20:35,430 --> 01:20:33,600
experiences who have been injured

2068

01:20:37,110 --> 01:20:35,440
so right away if that makes it into that

2069

01:20:39,510 --> 01:20:37,120
the final language i would think people

2070

01:20:40,790 --> 01:20:39,520
who are not normally interested in this

2071

01:20:43,189 --> 01:20:40,800
subject and they see that they're going

2072

01:20:45,430 --> 01:20:43,199
to immediately say

2073

01:20:47,189 --> 01:20:45,440
wait a second we may have craft and some

2074

01:20:48,870 --> 01:20:47,199
of these people have been injured by

2075

01:20:50,709 --> 01:20:48,880
close encounters that means that people

2076

01:20:53,189 --> 01:20:50,719

who have been talking about

2077

01:20:55,270 --> 01:20:53,199

abductions or experiencers may be

2078

01:20:57,030 --> 01:20:55,280

telling the truth and

2079

01:20:58,310 --> 01:20:57,040

that's the next step it's a huge deal

2080

01:21:01,189 --> 01:20:58,320

and that's why we're always saying it's

2081

01:21:03,350 --> 01:21:01,199

pandora's box once you admit if if any

2082

01:21:04,629 --> 01:21:03,360

you know if the president and it doesn't

2083

01:21:06,470 --> 01:21:04,639

have to be the president but if the

2084

01:21:07,830 --> 01:21:06,480

president ever said these things are

2085

01:21:09,189 --> 01:21:07,840

real we don't know where they're from

2086

01:21:11,990 --> 01:21:09,199

the next step is

2087

01:21:14,229 --> 01:21:12,000

so people may be taken by these you know

2088

01:21:16,310 --> 01:21:14,239

people who are saying grays and mantis

2089

01:21:17,910 --> 01:21:16,320

beings they may be telling the truth and

2090

01:21:19,350 --> 01:21:17,920

that leads us to the article by ralph

2091

01:21:21,030 --> 01:21:19,360

blumenthal which

2092

01:21:23,350 --> 01:21:21,040

jay can talk about which just came out

2093

01:21:24,870 --> 01:21:23,360

this morning in the debrief

2094

01:21:26,070 --> 01:21:24,880

a lot of people that have

2095

01:21:27,189 --> 01:21:26,080

not a lot of people because they're like

2096

01:21:29,669 --> 01:21:27,199

five people

2097

01:21:31,430 --> 01:21:29,679

but a lot anybody that's known me or

2098

01:21:33,189 --> 01:21:31,440

even known me online within the past

2099

01:21:34,229 --> 01:21:33,199

couple months um i've kind of told

2100

01:21:36,790 --> 01:21:34,239

people

2101

01:21:38,790 --> 01:21:36,800

um my first sighting at five and my

2102

01:21:39,910 --> 01:21:38,800

grandma was a medium and a tarot reader

2103

01:21:41,270 --> 01:21:39,920

and she would do it late at night

2104

01:21:42,470 --> 01:21:41,280

because we were catholic and you're not

2105

01:21:44,870 --> 01:21:42,480

supposed to be doing that

2106

01:21:46,470 --> 01:21:44,880

um i had i snuck outside one night and i

2107

01:21:48,870 --> 01:21:46,480

saw this ufo

2108

01:21:50,709 --> 01:21:48,880

and uh i saw

2109

01:21:53,030 --> 01:21:50,719

that kind of cascaded into a whole

2110

01:21:54,790 --> 01:21:53,040

series of experiences that i'm still

2111

01:21:55,590 --> 01:21:54,800

kind of like working the courage to talk

2112

01:21:57,510 --> 01:21:55,600

about

2113

01:21:59,350 --> 01:21:57,520

in the meantime i've got all my weird

2114

01:22:01,669 --> 01:21:59,360

you know witchy interests anything

2115

01:22:02,790 --> 01:22:01,679

metaphysical anything like any type of

2116

01:22:04,550 --> 01:22:02,800

religion

2117

01:22:06,870 --> 01:22:04,560

i was there with encyclopedias like

2118

01:22:09,830 --> 01:22:06,880

looking up different religions and

2119

01:22:12,550 --> 01:22:09,840

gods and goddesses and ufos and

2120

01:22:13,830 --> 01:22:12,560

extraterrestrials and finally um i think

2121

01:22:16,310 --> 01:22:13,840

that vinnie

2122

01:22:17,910 --> 01:22:16,320

i thought i saw disclosure teams stuff

2123

01:22:19,830 --> 01:22:17,920

and then vinnie shared one of my ufo

2124

01:22:20,870 --> 01:22:19,840

things i realized there was a community

2125

01:22:22,550 --> 01:22:20,880

basically

2126

01:22:23,990 --> 01:22:22,560

like a couple months ago and i was like

2127

01:22:26,310 --> 01:22:24,000

wow like i'm not i was following

2128

01:22:27,990 --> 01:22:26,320

everything happening but kind of keeping

2129

01:22:29,110 --> 01:22:28,000

it to myself and just doing like the

2130

01:22:31,030 --> 01:22:29,120

witch thing

2131

01:22:32,870 --> 01:22:31,040

and

2132

01:22:34,229 --> 01:22:32,880

yeah just doing the witch thing you know
