

1
00:00:14,950 --> 00:00:10,070
[Music]

2
00:00:14,960 --> 00:00:19,750
what can be worse than

3
00:00:24,070 --> 00:00:22,100
living and hiding

4
00:00:28,470 --> 00:00:24,080
[Music]

5
00:00:31,580 --> 00:00:29,750
the

6
00:00:33,110 --> 00:00:31,590
are empty

7
00:00:34,860 --> 00:00:33,120
[Music]

8
00:00:37,830 --> 00:00:34,870
and it plays on repeat

9
00:00:41,110 --> 00:00:37,840
[Music]

10
00:00:42,670 --> 00:00:41,120
reality is hungry

11
00:00:46,869 --> 00:00:42,680
[Music]

12
00:00:54,709 --> 00:00:49,830
so i guess so

13
00:00:54,719 --> 00:00:58,470

i've had enough

14

00:01:05,509 --> 00:01:01,510

and i'm so frustrated

15

00:01:08,390 --> 00:01:05,519

[Music]

16

00:01:15,030 --> 00:01:08,400

an enemy's

17

00:01:19,429 --> 00:01:16,590

entities

18

00:01:22,170 --> 00:01:19,439

[Music]

19

00:01:27,800 --> 00:01:22,180

without being seen

20

00:01:33,460 --> 00:01:31,990

[Music]

21

00:01:54,680 --> 00:01:33,470

so

22

00:01:55,560 --> 00:01:54,690

[Music]

23

00:02:07,749 --> 00:01:55,570

[Applause]

24

00:02:12,309 --> 00:02:09,109

giving

25

00:02:12,319 --> 00:02:17,190

a plan to be

26
00:02:26,470 --> 00:02:19,450
given anonymously

27
00:02:28,110 --> 00:02:26,480
[Music]

28
00:02:30,949 --> 00:02:28,120
heroes are given

29
00:02:32,840 --> 00:02:30,959
[Music]

30
00:02:35,270 --> 00:02:32,850
when you give up fighting

31
00:02:40,070 --> 00:02:35,280
[Music]

32
00:02:44,949 --> 00:02:43,090
unless you get your laughter

33
00:02:49,190 --> 00:02:44,959
[Music]

34
00:02:49,200 --> 00:02:56,390
resolution you better stop her

35
00:03:01,750 --> 00:02:59,790
i guess i'll just take it

36
00:03:05,270 --> 00:03:01,760
[Music]

37
00:03:12,470 --> 00:03:06,869
and i'm so

38
00:03:25,990 --> 00:03:14,550

an enemies

39

00:03:31,990 --> 00:03:27,430

without being

40

00:03:36,450 --> 00:03:33,670

i get

41

00:03:38,710 --> 00:03:36,460

i'll just take it

42

00:03:42,229 --> 00:03:38,720

[Music]

43

00:03:49,869 --> 00:03:44,550

and i'm so

44

00:03:54,610 --> 00:03:51,430

enemies

45

00:03:58,550 --> 00:03:54,620

won't stop coming after me

46

00:04:02,949 --> 00:03:58,560

[Music]

47

00:04:08,370 --> 00:04:04,470

without being
