1
00:00:03,980 --> 00:00:19,670

[Music]

2
00:00:24,950 --> 00:00:22,630

what's up everybody happy tuesday

3
00:00:27,830 --> 00:00:24,960

uh we have a pretty good

4
00:00:28,630 --> 00:00:27,840

day today we have congressional

5
00:00:29,910 --> 00:00:28,640

uh

6
00:00:31,349 --> 00:00:29,920

congressional some congressional

7
00:00:33,910 --> 00:00:31,359

briefings being

8
00:00:37,030 --> 00:00:33,920

uh done

9
00:00:38,709 --> 00:00:37,040

next week on tuesday and uh yours truly

10
00:00:40,790 --> 00:00:38,719

in disclosure team

11
00:00:43,110 --> 00:00:40,800

uh we're going to

12
00:00:45,830 --> 00:00:43,120

live do a live play by play during the

13
00:00:50,069 --> 00:00:45,840

briefings and pretty sure we should be

14

00:00:52,150 --> 00:00:50,079

able to watch them as well because

15

00:00:54,150 --> 00:00:52,160

um you know

16

00:00:54,950 --> 00:00:54,160

that stuff's public you know so they

17

00:00:56,869 --> 00:00:54,960

can't

18

00:00:59,029 --> 00:00:56,879

shut us down

19

00:01:00,790 --> 00:00:59,039

which is pretty cool so

20

00:01:04,390 --> 00:01:00,800

we're gonna do that

21

00:01:05,830 --> 00:01:04,400

talk a bunch of crap what's happening

22

00:01:07,030 --> 00:01:05,840

should be

23

00:01:09,030 --> 00:01:07,040

awesome

24

00:01:12,390 --> 00:01:09,040

um but yeah thanks everybody for being

25

00:01:14,070 --> 00:01:12,400

here and what is the beginning of

26

00:01:15,510 --> 00:01:14,080

something fantastic which is another

27

00:01:18,950 --> 00:01:15,520

beginning of

28

00:01:21,270 --> 00:01:18,960

people have been asking for briefings

29

00:01:22,710 --> 00:01:21,280

for a long time and although this isn't

30

00:01:25,990 --> 00:01:22,720

going to be

31

00:01:27,990 --> 00:01:26,000

you know the big uh shebang so to speak

32

00:01:29,190 --> 00:01:28,000

it's a definite start and it's a great

33

00:01:30,230 --> 00:01:29,200

start

34

00:01:32,230 --> 00:01:30,240

um

35

00:01:33,510 --> 00:01:32,240

we have two uh important people being

36

00:01:35,429 --> 00:01:33,520

put up

37

00:01:36,950 --> 00:01:35,439

um to

38

00:01:37,910 --> 00:01:36,960

you know give their testimony on this

39

00:01:39,749 --> 00:01:37,920

stuff

40

00:01:41,429 --> 00:01:39,759

and it's pretty awesome i put the

41

00:01:43,990 --> 00:01:41,439

amazing new york times article in the

42

00:01:45,749 --> 00:01:44,000

description that was written by mr ralph

43

00:01:49,270 --> 00:01:45,759

blumenthal and lizzy kane

44

00:01:53,270 --> 00:01:49,280

so you can check that out for yourself

45

00:01:55,190 --> 00:01:53,280

um so today we are celebrating a victory

46

00:01:57,270 --> 00:01:55,200

you know we didn't win the war but we

47

00:01:59,590 --> 00:01:57,280

won this battle and that is fantastic

48

00:02:01,510 --> 00:01:59,600

and it's because of each and every one

49

00:02:03,030 --> 00:02:01,520

of you who stay engaged in a positive

50

00:02:05,510 --> 00:02:03,040

way that makes something like this

51
00:02:08,070 --> 00:02:05,520
possible whether it be supporting a

52
00:02:09,430 --> 00:02:08,080
podcast like this or you know tweeting

53
00:02:12,309 --> 00:02:09,440
something

54
00:02:14,070 --> 00:02:12,319
um to a representative or whether you

55
00:02:16,390 --> 00:02:14,080
made a phone call to a representative or

56
00:02:18,229 --> 00:02:16,400
wrote a letter whatever it is all that

57
00:02:19,990 --> 00:02:18,239
stuff really matters and people

58
00:02:22,309 --> 00:02:20,000
obviously care about that and it goes

59
00:02:24,710 --> 00:02:22,319
somewhere because look at where we are

60
00:02:27,270 --> 00:02:24,720
now if it wasn't for that and if it

61
00:02:30,550 --> 00:02:27,280
wasn't for people like lou elizondo

62
00:02:32,390 --> 00:02:30,560
sean cale other people um

63
00:02:35,430 --> 00:02:32,400

chris mellon and all that i don't know

64

00:02:37,110 --> 00:02:35,440

that we would be here right now you know

65

00:02:39,190 --> 00:02:37,120

um and

66

00:02:40,309 --> 00:02:39,200

case in point right there here we are

67

00:02:42,630 --> 00:02:40,319

you know

68

00:02:45,110 --> 00:02:42,640

um and it's all too fitting that uh mr

69

00:02:46,390 --> 00:02:45,120

blumenthal and uh leslie kane wrote that

70

00:02:49,830 --> 00:02:46,400

article because

71

00:02:52,229 --> 00:02:49,840

um it did all start

72

00:02:57,030 --> 00:02:52,239

with that

73

00:03:00,790 --> 00:02:58,869

and although

74

00:03:02,710 --> 00:03:00,800

okay well here we go i'm going to bring

75

00:03:07,589 --> 00:03:02,720

up the

76

00:03:11,350 --> 00:03:09,430

i read it on my instagram earlier today

77

00:03:13,190 --> 00:03:11,360

that's how cool it was

78

00:03:15,030 --> 00:03:13,200

so

79

00:03:17,589 --> 00:03:15,040

i gotta get rid of this stuff because i

80

00:03:20,229 --> 00:03:17,599

don't pay but just so you know there is

81

00:03:23,589 --> 00:03:20,239

a special offer for new york times and

82

00:03:26,149 --> 00:03:23,599

you can subscribe for a dollar a week

83

00:03:27,430 --> 00:03:26,159

as you can see usually 4.25 a week they

84

00:03:30,710 --> 00:03:27,440

crossed it out

85

00:03:33,350 --> 00:03:30,720

because that's not the case anymore

86

00:03:34,710 --> 00:03:33,360

so we have may 10 2022.

87

00:03:36,229 --> 00:03:34,720

it's been updated a couple times it

88

00:03:37,509 --> 00:03:36,239

looks like we have a house subcommittee

89

00:03:39,190 --> 00:03:37,519

scheduled to hold

90

00:03:41,430 --> 00:03:39,200

uh next week the first open

91

00:03:43,910 --> 00:03:41,440

congressional hearing on you

92

00:03:47,589 --> 00:03:43,920

uh unidentified aerial vehicles in more

93

00:03:50,149 --> 00:03:47,599

than half a century interesting

94

00:03:51,350 --> 00:03:50,159

uh hold on one second by the way oh it

95

00:03:54,070 --> 00:03:51,360

looks like

96

00:03:55,350 --> 00:03:54,080

i think we have a special guest

97

00:03:57,750 --> 00:03:55,360

um

98

00:04:00,149 --> 00:03:57,760

yeah i think i know who that is we we do

99

00:04:01,670 --> 00:04:00,159

have a special guest oh my gosh if it

100

00:04:03,110 --> 00:04:01,680

isn't

101
00:04:06,710 --> 00:04:03,120
what the heck

102
00:04:08,949 --> 00:04:06,720
what it flew in just flew in

103
00:04:10,710 --> 00:04:08,959
all right much for coming man yeah you

104
00:04:12,390 --> 00:04:10,720
surprised me i if i would have had to

105
00:04:14,470 --> 00:04:12,400
guess like

106
00:04:15,589 --> 00:04:14,480
you know what's percentage of belief

107
00:04:17,509 --> 00:04:15,599
that you think he's going to show up

108
00:04:20,710 --> 00:04:17,519
today i would have said

109
00:04:22,550 --> 00:04:20,720
20 freaking percent man i'm in his days

110
00:04:23,670 --> 00:04:22,560
in new york he's busy

111
00:04:26,150 --> 00:04:23,680
so thanks

112
00:04:28,710 --> 00:04:26,160
all right i'll do my best i i'm a little

113
00:04:31,670 --> 00:04:28,720

under the gun here but um

114

00:04:32,629 --> 00:04:31,680

anyway uh i will i will try

115

00:04:34,070 --> 00:04:32,639

um

116

00:04:36,070 --> 00:04:34,080

anyway thanks

117

00:04:37,430 --> 00:04:36,080

yeah i'll let you do the talking uh it

118

00:04:40,390 --> 00:04:37,440

looks like you were up late last night

119

00:04:42,469 --> 00:04:40,400

it got submitted at what 2 3 a.m uh the

120

00:04:44,629 --> 00:04:42,479

article so tell me about how that came

121

00:04:45,990 --> 00:04:44,639

to be well we've been working leslie and

122

00:04:47,830 --> 00:04:46,000

i have been working on this for some

123

00:04:50,790 --> 00:04:47,840

time we knew this hearing was coming up

124

00:04:52,870 --> 00:04:50,800

and frankly our concern was uh to keep

125

00:04:55,749 --> 00:04:52,880

it from being to keep us from being

126

00:04:57,909 --> 00:04:55,759

scooped um we knew about it but we

127

00:05:00,629 --> 00:04:57,919

thought that because so many other

128

00:05:02,629 --> 00:05:00,639

people in congress and the committee

129

00:05:04,950 --> 00:05:02,639

um house intelligence committee and

130

00:05:06,710 --> 00:05:04,960

subcommittee knew about it that

131

00:05:09,350 --> 00:05:06,720

given the good sources that people have

132

00:05:10,550 --> 00:05:09,360

in washington that the r are exclusive

133

00:05:13,430 --> 00:05:10,560

wouldn't last

134

00:05:15,350 --> 00:05:13,440

but we were sure that um

135

00:05:17,350 --> 00:05:15,360

we could get the story and people you

136

00:05:20,870 --> 00:05:17,360

know cooperated with us and

137

00:05:21,670 --> 00:05:20,880

uh we we protect our sources and uh so

138

00:05:23,270 --> 00:05:21,680

um

139

00:05:25,029 --> 00:05:23,280

it all worked out it was

140

00:05:26,629 --> 00:05:25,039

unusual for a secret like this to be

141

00:05:29,110 --> 00:05:26,639

kept in washington

142

00:05:30,230 --> 00:05:29,120

because a lot of people have been um

143

00:05:32,070 --> 00:05:30,240

expecting

144

00:05:34,710 --> 00:05:32,080

you know hearing like this of course

145

00:05:39,270 --> 00:05:34,720

it's the first one in you know 52

146

00:05:42,469 --> 00:05:39,280

54 years actually since 68

147

00:05:44,310 --> 00:05:42,479

so it's a long time coming but uh it

148

00:05:46,550 --> 00:05:44,320

could could be interesting it doesn't

149

00:05:48,150 --> 00:05:46,560

have to be interesting depending on

150

00:05:50,870 --> 00:05:48,160

you know the questions that are asked

151
00:05:53,110 --> 00:05:50,880
and how forthcoming the witnesses are

152
00:05:55,990 --> 00:05:53,120
moultrie and bray and the others we

153
00:05:57,430 --> 00:05:56,000
don't know all of them but um it's it's

154
00:05:59,510 --> 00:05:57,440
a good start

155
00:06:01,749 --> 00:05:59,520
yeah yeah that's a fantastic start i

156
00:06:05,029 --> 00:06:01,759
mean especially how you just said

157
00:06:07,510 --> 00:06:05,039
you know not since 1968 i mean holy cow

158
00:06:09,510 --> 00:06:07,520
and you know i've been looking at those

159
00:06:11,990 --> 00:06:09,520
uh old records from blue book and man

160
00:06:14,230 --> 00:06:12,000
the air force was trying to dodge those

161
00:06:17,189 --> 00:06:14,240
you know hell in high water

162
00:06:18,790 --> 00:06:17,199
yeah it's a sad history we you know we

163
00:06:19,830 --> 00:06:18,800

didn't have a lot of space to get into

164

00:06:22,950 --> 00:06:19,840

it but

165

00:06:25,430 --> 00:06:22,960

when gerald ford in um

166

00:06:27,350 --> 00:06:25,440

66 demanded hearings i mean he wasn't

167

00:06:28,150 --> 00:06:27,360

president yet

168

00:06:35,670 --> 00:06:28,160

he

169

00:06:38,790 --> 00:06:35,680

government was you know dissembling uh

170

00:06:42,550 --> 00:06:38,800

putting out disinformation lying frankly

171

00:06:44,150 --> 00:06:42,560

uh that was nothing to these accounts um

172

00:06:46,550 --> 00:06:44,160

protecting you know

173

00:06:48,309 --> 00:06:46,560

for whatever reason we can debate that

174

00:06:51,990 --> 00:06:48,319

uh keeping the truth from the american

175

00:06:54,230 --> 00:06:52,000

people but um you know by then already

176

00:06:57,830 --> 00:06:54,240

so many people had seen these things

177

00:07:00,629 --> 00:06:57,840

uh that um and so many people who knew

178

00:07:02,550 --> 00:07:00,639

um you know aircraft i mean world war ii

179

00:07:05,189 --> 00:07:02,560

fighter pilots uh

180

00:07:05,990 --> 00:07:05,199

airline pilots people with um

181

00:07:06,790 --> 00:07:06,000

you know

182

00:07:10,150 --> 00:07:06,800

who

183

00:07:13,110 --> 00:07:10,160

don't mistake the planet venus for for

184

00:07:13,909 --> 00:07:13,120

ufos or swamp gas um

185

00:07:16,950 --> 00:07:13,919

so

186

00:07:19,510 --> 00:07:16,960

you know even back then uh ford uh said

187

00:07:22,070 --> 00:07:19,520

this is ridiculous but it's taken this

188

00:07:24,230 --> 00:07:22,080

long really to get where we are today

189

00:07:26,390 --> 00:07:24,240

yeah yeah and you know i was just

190

00:07:27,430 --> 00:07:26,400

telling everybody i mean there's so many

191

00:07:29,029 --> 00:07:27,440

people

192

00:07:31,110 --> 00:07:29,039

you know to thank you don't want to go

193

00:07:33,350 --> 00:07:31,120

too crazy because this seems like maybe

194

00:07:35,189 --> 00:07:33,360

it's the tip of an iceberg hopefully

195

00:07:37,589 --> 00:07:35,199

um you know but there's so many people

196

00:07:39,670 --> 00:07:37,599

that put in so much uh hard work and it

197

00:07:41,670 --> 00:07:39,680

all really started at least you know in

198

00:07:42,790 --> 00:07:41,680

recent history with with your article

199

00:07:44,469 --> 00:07:42,800

with leslie

200

00:07:47,110 --> 00:07:44,479

you know not that long ago

201
00:07:48,790 --> 00:07:47,120
which which really december 2017

202
00:07:50,629 --> 00:07:48,800
on one hand it seems like a long time

203
00:07:53,110 --> 00:07:50,639
ago on the other hand it's

204
00:07:55,909 --> 00:07:53,120
you know it's five years but uh not

205
00:07:58,469 --> 00:07:55,919
quite but um yeah things are really

206
00:08:00,230 --> 00:07:58,479
turned around i mean um

207
00:08:01,749 --> 00:08:00,240
you know the

208
00:08:04,790 --> 00:08:01,759
report by the

209
00:08:06,150 --> 00:08:04,800
uap task force last june

210
00:08:09,990 --> 00:08:06,160
a lot of people

211
00:08:12,790 --> 00:08:10,000
uh derided or derisive about that report

212
00:08:14,390 --> 00:08:12,800
nine pages didn't really get into detail

213
00:08:17,270 --> 00:08:14,400

said that it couldn't resolve the

214

00:08:19,430 --> 00:08:17,280

questions but um as i

215

00:08:21,589 --> 00:08:19,440

said before the one thing that really

216

00:08:23,029 --> 00:08:21,599

broke new ground is where they say

217

00:08:25,270 --> 00:08:23,039

um

218

00:08:28,150 --> 00:08:25,280

these these objects

219

00:08:30,230 --> 00:08:28,160

are physically real i mean uh you know

220

00:08:32,790 --> 00:08:30,240

they uh they're not imaginary they're

221

00:08:35,509 --> 00:08:32,800

not fly specs on the windshield they're

222

00:08:38,829 --> 00:08:35,519

not uh illusion delusions

223

00:08:41,589 --> 00:08:38,839

um and then you can you know start to

224

00:08:43,990 --> 00:08:41,599

to uh speculate well if they're real

225

00:08:45,910 --> 00:08:44,000

what are they you know but that's that's

226

00:08:48,150 --> 00:08:45,920

the next step and and so far no one in

227

00:08:50,150 --> 00:08:48,160

the government is going there but um

228

00:08:51,750 --> 00:08:50,160

that's that's the next step what what

229

00:08:53,750 --> 00:08:51,760

are they if they're real

230

00:08:56,230 --> 00:08:53,760

yeah very true that's that's like we're

231

00:08:58,630 --> 00:08:56,240

all kind of just hanging off the cliff

232

00:09:01,350 --> 00:08:58,640

there waiting for him to say okay it's

233

00:09:02,710 --> 00:09:01,360

not chinese or russian all right

234

00:09:04,230 --> 00:09:02,720

yeah well that's the thing you know you

235

00:09:05,750 --> 00:09:04,240

keep hearing that i mean i was looking

236

00:09:07,990 --> 00:09:05,760

at some of the questions

237

00:09:10,150 --> 00:09:08,000

uh once again the article has provoked

238

00:09:12,710 --> 00:09:10,160

tremendous reader reaction the

239

00:09:14,550 --> 00:09:12,720

the the navy video which we ran

240

00:09:17,190 --> 00:09:14,560

originally with our story

241

00:09:19,670 --> 00:09:17,200

um is now trending again it's the most

242

00:09:21,670 --> 00:09:19,680

watched thing on the times website which

243

00:09:24,230 --> 00:09:21,680

is interesting five years later

244

00:09:26,790 --> 00:09:24,240

um you know there's still tremendous

245

00:09:28,230 --> 00:09:26,800

interest in these videos at the end and

246

00:09:28,949 --> 00:09:28,240

you know we only got a little piece of

247

00:09:29,750 --> 00:09:28,959

it

248

00:09:30,630 --> 00:09:29,760

right

249

00:09:33,990 --> 00:09:30,640

um

250

00:09:35,509 --> 00:09:34,000

and they're still very enigmatic but

251
00:09:36,949 --> 00:09:35,519
you know for the people who say these

252
00:09:39,269 --> 00:09:36,959
objects have never been you know

253
00:09:41,110 --> 00:09:39,279
photographed or they'd you know then

254
00:09:43,350 --> 00:09:41,120
they don't allow themselves to be

255
00:09:45,590 --> 00:09:43,360
depicted or whatever these

256
00:09:46,949 --> 00:09:45,600
pictures the navy has put out are real

257
00:09:50,470 --> 00:09:46,959
and um

258
00:09:54,150 --> 00:09:50,480
so uh so again um

259
00:09:56,150 --> 00:09:54,160
reader interest is is very is is intense

260
00:09:58,389 --> 00:09:56,160
and um and there's still people out

261
00:09:59,750 --> 00:09:58,399
there saying you know that

262
00:10:01,750 --> 00:09:59,760
they don't believe why is the government

263
00:10:04,150 --> 00:10:01,760

wasting time on this when they should be

264

00:10:05,590 --> 00:10:04,160

you know worrying about ukraine and

265

00:10:06,470 --> 00:10:05,600

poverty at home

266

00:10:08,389 --> 00:10:06,480

and

267

00:10:10,550 --> 00:10:08,399

what i keep answering when i comment in

268

00:10:12,710 --> 00:10:10,560

the comment mode is that science doesn't

269

00:10:14,870 --> 00:10:12,720

wait for all problems on earth

270

00:10:16,630 --> 00:10:14,880

to be resolved before they

271

00:10:17,350 --> 00:10:16,640

start to look into things i mean these

272

00:10:20,230 --> 00:10:17,360

are

273

00:10:22,230 --> 00:10:20,240

fundamental questions about um

274

00:10:25,269 --> 00:10:22,240

you know existence

275

00:10:26,230 --> 00:10:25,279

um and science needs to pursue them and

276

00:10:28,870 --> 00:10:26,240

and

277

00:10:30,949 --> 00:10:28,880

nobody is nobody that i respect is

278

00:10:32,710 --> 00:10:30,959

arguing that science shouldn't take the

279

00:10:33,670 --> 00:10:32,720

lead of course it should

280

00:10:34,470 --> 00:10:33,680

um

281

00:10:37,269 --> 00:10:34,480

but

282

00:10:40,310 --> 00:10:37,279

you have to give the scientists the

283

00:10:42,389 --> 00:10:40,320

um the funding and the um

284

00:10:43,509 --> 00:10:42,399

authority to to pursue it and that's

285

00:10:45,269 --> 00:10:43,519

what

286

00:10:46,389 --> 00:10:45,279

little by little is happening in our

287

00:10:48,150 --> 00:10:46,399

country

288

00:10:50,870 --> 00:10:48,160

yeah and you know you can't help that

289

00:10:52,310 --> 00:10:50,880

it's long overdue either you know do you

290

00:10:53,910 --> 00:10:52,320

think people want to be dealing with

291

00:10:56,230 --> 00:10:53,920

this now while everything's going on the

292

00:10:58,230 --> 00:10:56,240

world no of course but we've waited so

293

00:11:00,310 --> 00:10:58,240

long and here we are you know

294

00:11:02,630 --> 00:11:00,320

yeah i think we've come a long way sean

295

00:11:05,430 --> 00:11:02,640

i mean and that's that's the good news

296

00:11:06,870 --> 00:11:05,440

that um this uap report as skimpy as it

297

00:11:08,949 --> 00:11:06,880

was last year

298

00:11:11,750 --> 00:11:08,959

uh did um

299

00:11:14,630 --> 00:11:11,760

establish that out of you know 140

300

00:11:16,470 --> 00:11:14,640

cases only one could be explained it was

301
00:11:19,509 --> 00:11:16,480
a weather balloon and you know nobody's

302
00:11:22,470 --> 00:11:19,519
saying that all these sightings are

303
00:11:24,949 --> 00:11:22,480
uh you know are uap or ufos or

304
00:11:27,110 --> 00:11:24,959
extraterrestrial or whatever

305
00:11:28,630 --> 00:11:27,120
nobody is saying that there's a lot of

306
00:11:30,630 --> 00:11:28,640
false

307
00:11:32,710 --> 00:11:30,640
sightings there's the satellites up

308
00:11:34,949 --> 00:11:32,720
there there are reflections there are

309
00:11:36,230 --> 00:11:34,959
cloud formations all kinds of things

310
00:11:37,670 --> 00:11:36,240
aviation

311
00:11:40,710 --> 00:11:37,680
um but

312
00:11:44,150 --> 00:11:40,720
the navy said uh all but one could not

313
00:11:45,990 --> 00:11:44,160

be explained um so this was a real big

314

00:11:47,190 --> 00:11:46,000

step in the right direction

315

00:11:48,949 --> 00:11:47,200

you know i don't want to take up too

316

00:11:51,590 --> 00:11:48,959

much your time but let me ask you what

317

00:11:53,590 --> 00:11:51,600

do you um have any expectations or what

318

00:11:56,150 --> 00:11:53,600

do you foresee these hearings

319

00:11:58,629 --> 00:11:56,160

uh well you know it is interesting the

320

00:12:00,470 --> 00:11:58,639

possibilities are great because when you

321

00:12:02,949 --> 00:12:00,480

have these two officials moultrie and

322

00:12:05,990 --> 00:12:02,959

bray who are really top level i mean

323

00:12:08,069 --> 00:12:06,000

moultrie is the chief advisor to defense

324

00:12:10,629 --> 00:12:08,079

secretary austin

325

00:12:13,590 --> 00:12:10,639

and and bray also you know is naval

326

00:12:16,710 --> 00:12:13,600

intelligence uh or national intelligence

327

00:12:19,430 --> 00:12:16,720

um so i'm sure they

328

00:12:21,910 --> 00:12:19,440

uh are gonna be on their you know guard

329

00:12:23,750 --> 00:12:21,920

and not to reveal too much and they

330

00:12:25,829 --> 00:12:23,760

don't wanna jump ahead of the news and

331

00:12:27,990 --> 00:12:25,839

you know say things that they don't

332

00:12:30,710 --> 00:12:28,000

haven't been confirmed so the pressure

333

00:12:32,870 --> 00:12:30,720

is going to be on them to to be

334

00:12:35,509 --> 00:12:32,880

conservative but you know there's a lot

335

00:12:37,670 --> 00:12:35,519

of smart members of congress and um i

336

00:12:40,470 --> 00:12:37,680

think if the committee does its

337

00:12:42,949 --> 00:12:40,480

subcommittee does its job and has is

338

00:12:44,470 --> 00:12:42,959

armed with the proper information

339

00:12:46,550 --> 00:12:44,480

they might get some really interesting

340

00:12:47,990 --> 00:12:46,560

answers and again for the first time the

341

00:12:49,750 --> 00:12:48,000

pentagon is

342

00:12:52,470 --> 00:12:49,760

showing a willingness

343

00:12:54,310 --> 00:12:52,480

uh to address these questions and um and

344

00:12:56,790 --> 00:12:54,320

that's a big step forward i mean it

345

00:12:59,829 --> 00:12:56,800

wasn't so long ago you know that

346

00:13:02,310 --> 00:12:59,839

they were um you know making up stories

347

00:13:03,430 --> 00:13:02,320

and and making fun of people who

348

00:13:05,350 --> 00:13:03,440

um

349

00:13:08,069 --> 00:13:05,360

you know who tried to research this and

350

00:13:10,629 --> 00:13:08,079

they were making up um

351
00:13:11,590 --> 00:13:10,639
false narratives uh

352
00:13:12,310 --> 00:13:11,600
um

353
00:13:14,389 --> 00:13:12,320
so

354
00:13:16,150 --> 00:13:14,399
again we got to think not only

355
00:13:18,230 --> 00:13:16,160
the great distance we still need to go

356
00:13:19,110 --> 00:13:18,240
but how far we've come

357
00:13:21,110 --> 00:13:19,120
yeah

358
00:13:23,509 --> 00:13:21,120
uh part of that uh the article you wrote

359
00:13:26,069 --> 00:13:23,519
was um where it mentions how the

360
00:13:28,310 --> 00:13:26,079
hearings will kind of go over um what

361
00:13:30,069 --> 00:13:28,320
they can do to reduce stigma to increase

362
00:13:32,710 --> 00:13:30,079
reporting well that's interesting right

363
00:13:35,350 --> 00:13:32,720

they actually addressed that uh and i

364

00:13:37,350 --> 00:13:35,360

mean uh carson andre carson the

365

00:13:39,829 --> 00:13:37,360

chairman of the subcommittee three c's

366

00:13:42,150 --> 00:13:39,839

you know counterintelligence uh forgot

367

00:13:44,550 --> 00:13:42,160

the others but um yeah proliferation

368

00:13:47,189 --> 00:13:44,560

yeah yeah um

369

00:13:48,949 --> 00:13:47,199

uh he he kind of said it lightly that

370

00:13:51,590 --> 00:13:48,959

he's you know

371

00:13:53,430 --> 00:13:51,600

expecting some uh joking about it and we

372

00:13:54,949 --> 00:13:53,440

got some of that when we wrote our first

373

00:13:55,990 --> 00:13:54,959

story you know and

374

00:13:58,150 --> 00:13:56,000

um

375

00:14:01,189 --> 00:13:58,160

leslie and helene cooper and i

376

00:14:02,949 --> 00:14:01,199

but um that comes with the territory you

377

00:14:04,949 --> 00:14:02,959

know when people are uncomfortable about

378

00:14:08,150 --> 00:14:04,959

something they joke about it

379

00:14:09,110 --> 00:14:08,160

and um it's it's a way of dealing with a

380

00:14:11,110 --> 00:14:09,120

very

381

00:14:11,990 --> 00:14:11,120

tricky subject

382

00:14:15,110 --> 00:14:12,000

and

383

00:14:17,189 --> 00:14:15,120

york times

384

00:14:18,550 --> 00:14:17,199

and also in the book i wrote on john

385

00:14:19,509 --> 00:14:18,560

mack you know and

386

00:14:20,230 --> 00:14:19,519

um

387

00:14:21,750 --> 00:14:20,240

and

388

00:14:24,069 --> 00:14:21,760

you know his

389

00:14:26,389 --> 00:14:24,079

research into alien encounters

390

00:14:28,870 --> 00:14:26,399

to stick with what's known and the facts

391

00:14:30,870 --> 00:14:28,880

and to label clearly what's not known

392

00:14:32,550 --> 00:14:30,880

and what speculation but in the stories

393

00:14:34,629 --> 00:14:32,560

that we've done in the times and in this

394

00:14:36,790 --> 00:14:34,639

story about the hearings

395

00:14:39,110 --> 00:14:36,800

i haven't said anything about aliens and

396

00:14:41,110 --> 00:14:39,120

extraterrestrials because all that is

397

00:14:41,990 --> 00:14:41,120

just pure speculation we've just stuck

398

00:14:44,629 --> 00:14:42,000

to the

399

00:14:46,710 --> 00:14:44,639

the fact that um uh

400

00:14:48,310 --> 00:14:46,720

these objects are real where they come

401
00:14:50,629 --> 00:14:48,320
from we don't know who's behind the

402
00:14:51,910 --> 00:14:50,639
wheel if anybody or anything

403
00:14:54,389 --> 00:14:51,920
but um

404
00:14:55,350 --> 00:14:54,399
that's progress that we we now say these

405
00:14:56,150 --> 00:14:55,360
things

406
00:14:57,590 --> 00:14:56,160
have

407
00:14:58,470 --> 00:14:57,600
superpowers

408
00:15:00,470 --> 00:14:58,480
that

409
00:15:02,949 --> 00:15:00,480
stagger you know physicists and

410
00:15:04,870 --> 00:15:02,959
scientists they accelerate on a dime

411
00:15:06,710 --> 00:15:04,880
they disappear they operate in the water

412
00:15:07,430 --> 00:15:06,720
apparently at times so

413
00:15:09,269 --> 00:15:07,440

yeah

414

00:15:10,470 --> 00:15:09,279

we've come a long way

415

00:15:12,550 --> 00:15:10,480

you know that's really well put

416

00:15:14,069 --> 00:15:12,560

superpowers

417

00:15:14,949 --> 00:15:14,079

that's really well but

418

00:15:19,590 --> 00:15:14,959

uh

419

00:15:22,710 --> 00:15:19,600

other day about um your initial piece

420

00:15:24,870 --> 00:15:22,720

and i saw you doing a cable news show

421

00:15:26,150 --> 00:15:24,880

and you mentioned the the off-world

422

00:15:28,870 --> 00:15:26,160

vehicle piece do you ever see any

423

00:15:30,150 --> 00:15:28,880

headway being made on that stuff

424

00:15:31,910 --> 00:15:30,160

the uh

425

00:15:34,150 --> 00:15:31,920

no i mean

426
00:15:37,509 --> 00:15:34,160
the people who who know about that are

427
00:15:38,949 --> 00:15:37,519
talking uh it's protected by very high

428
00:15:41,829 --> 00:15:38,959
levels of

429
00:15:43,910 --> 00:15:41,839
government confidentiality top secret

430
00:15:45,749 --> 00:15:43,920
um we don't know more than we were able

431
00:15:47,590 --> 00:15:45,759
to put in the paper which was a tiny bit

432
00:15:48,949 --> 00:15:47,600
it didn't satisfy a lot of people you

433
00:15:52,069 --> 00:15:48,959
know we got

434
00:15:53,670 --> 00:15:52,079
uh criticized then on the web for not

435
00:15:55,670 --> 00:15:53,680
telling more but we didn't know more

436
00:15:57,430 --> 00:15:55,680
that we could confirm all we knew was

437
00:16:00,150 --> 00:15:57,440
that um

438
00:16:01,829 --> 00:16:00,160

uh congressional committees were briefed

439

00:16:02,629 --> 00:16:01,839

yeah um

440

00:16:04,389 --> 00:16:02,639

by

441

00:16:05,430 --> 00:16:04,399

scientists who

442

00:16:07,430 --> 00:16:05,440

uh

443

00:16:09,749 --> 00:16:07,440

you know were putting out information

444

00:16:13,189 --> 00:16:09,759

said that um

445

00:16:18,310 --> 00:16:15,990

had recovered let's say some material

446

00:16:19,430 --> 00:16:18,320

presumably from crashed vehicles and was

447

00:16:20,550 --> 00:16:19,440

testing it

448

00:16:23,350 --> 00:16:20,560

um

449

00:16:25,350 --> 00:16:23,360

and uh you know where that material is

450

00:16:26,710 --> 00:16:25,360

who's doing that we no no we don't have

451
00:16:29,509 --> 00:16:26,720
any details

452
00:16:31,030 --> 00:16:29,519
uh but we have been told by high-level

453
00:16:32,069 --> 00:16:31,040
people that the government is very

454
00:16:34,389 --> 00:16:32,079
interested

455
00:16:36,470 --> 00:16:34,399
in reverse engineering

456
00:16:38,629 --> 00:16:36,480
uh the capabilities of these objects

457
00:16:40,230 --> 00:16:38,639
which they now agree are real

458
00:16:42,069 --> 00:16:40,240
uh and i mean who wouldn't want to

459
00:16:44,710 --> 00:16:42,079
reverse engineer these things i mean

460
00:16:47,189 --> 00:16:44,720
they can accelerate to unimaginable

461
00:16:49,189 --> 00:16:47,199
speeds they can drop down from you know

462
00:16:50,389 --> 00:16:49,199
60 000 feet to the

463
00:16:52,949 --> 00:16:50,399

um

464

00:16:55,670 --> 00:16:52,959

top you know the the waves of the ocean

465

00:16:57,990 --> 00:16:55,680

in in a moment and then perhaps go under

466

00:17:00,470 --> 00:16:58,000

the water

467

00:17:02,310 --> 00:17:00,480

and become invisible at times and

468

00:17:05,270 --> 00:17:02,320

there's no visible means of propulsion

469

00:17:06,309 --> 00:17:05,280

there's no wings or tail or you know or

470

00:17:08,150 --> 00:17:06,319

exhaust

471

00:17:09,429 --> 00:17:08,160

no signature

472

00:17:11,270 --> 00:17:09,439

sonic boom

473

00:17:12,549 --> 00:17:11,280

uh of course we'd like to duplicate that

474

00:17:13,750 --> 00:17:12,559

so would the chinese so would the

475

00:17:16,949 --> 00:17:13,760

russians i don't think there's any

476

00:17:18,789 --> 00:17:16,959

argument about that um

477

00:17:20,949 --> 00:17:18,799

presumably that someone is doing this

478

00:17:23,110 --> 00:17:20,959

research but who's doing it how much do

479

00:17:28,069 --> 00:17:23,120

they have a whole craft you know

480

00:17:32,549 --> 00:17:29,669

i mean that's that's the thing really

481

00:17:34,390 --> 00:17:32,559

too uh you know we like you said china

482

00:17:36,710 --> 00:17:34,400

russia other countries would want to

483

00:17:38,230 --> 00:17:36,720

reverse engineer this as well and who's

484

00:17:40,070 --> 00:17:38,240

going to get there first really is the

485

00:17:40,870 --> 00:17:40,080

scary part i remember that's right and

486

00:17:44,310 --> 00:17:40,880

uh

487

00:17:46,150 --> 00:17:44,320

and

488

00:17:48,630 --> 00:17:46,160

but the idea that these that these

489

00:17:50,549 --> 00:17:48,640

objects are secretly russian or secretly

490

00:17:53,510 --> 00:17:50,559

chinese is really

491

00:17:56,070 --> 00:17:53,520

uh has that has been uh authoritatively

492

00:17:58,150 --> 00:17:56,080

debunked in my view and uh sure they

493

00:18:00,070 --> 00:17:58,160

always trot that out as a possibility

494

00:18:03,190 --> 00:18:00,080

you know when they're listing all in the

495

00:18:05,350 --> 00:18:03,200

uap report of june last june uh they

496

00:18:06,710 --> 00:18:05,360

list that as a possibility i guess they

497

00:18:08,870 --> 00:18:06,720

have to if you're listing all the

498

00:18:11,510 --> 00:18:08,880

logical possibilities is it a weather

499

00:18:15,669 --> 00:18:11,520

balloon is it a natural atmospheric

500

00:18:17,990 --> 00:18:15,679

condition um is it our own technology is

501
00:18:19,750 --> 00:18:18,000
it chinese is it russian iranian i mean

502
00:18:22,230 --> 00:18:19,760
you name it

503
00:18:24,470 --> 00:18:22,240
they go through these uh possibilities

504
00:18:26,390 --> 00:18:24,480
because it's it's only logical but one

505
00:18:29,029 --> 00:18:26,400
by one they knock them down

506
00:18:31,190 --> 00:18:29,039
and um

507
00:18:34,630 --> 00:18:31,200
conclusively in my view

508
00:18:37,110 --> 00:18:34,640
um uh that the the

509
00:18:39,350 --> 00:18:37,120
capabilities that these things have

510
00:18:41,990 --> 00:18:39,360
have have been been seen to have

511
00:18:44,789 --> 00:18:42,000
just far outpace anything known on earth

512
00:18:47,750 --> 00:18:44,799
so that's what we're left with mystery

513
00:18:50,070 --> 00:18:47,760

especially going back you know the 1947

514

00:18:52,390 --> 00:18:50,080

and that's right

515

00:18:54,230 --> 00:18:52,400

exactly we're not talking about

516

00:18:55,510 --> 00:18:54,240

today there's you know obviously

517

00:18:57,830 --> 00:18:55,520

tremendous

518

00:18:59,750 --> 00:18:57,840

strides have been made in aerodynamics

519

00:19:01,270 --> 00:18:59,760

but we're talking about things that had

520

00:19:05,110 --> 00:19:01,280

this capability

521

00:19:06,070 --> 00:19:05,120

at least back to 1947 at roswell and uh

522

00:19:08,310 --> 00:19:06,080

um

523

00:19:09,510 --> 00:19:08,320

you know with the uh the first sighting

524

00:19:10,710 --> 00:19:09,520

ken arnold

525

00:19:11,430 --> 00:19:10,720

um

526

00:19:13,990 --> 00:19:11,440

so

527

00:19:16,390 --> 00:19:14,000

who had that capability then and you

528

00:19:17,430 --> 00:19:16,400

know today okay maybe but certainly not

529

00:19:19,350 --> 00:19:17,440

back then

530

00:19:21,909 --> 00:19:19,360

yeah most definitely and the more time

531

00:19:23,750 --> 00:19:21,919

goes on the harder it could be to make a

532

00:19:25,909 --> 00:19:23,760

clear distinction between you if we

533

00:19:26,710 --> 00:19:25,919

don't handle it soon yeah

534

00:19:28,070 --> 00:19:26,720

so

535

00:19:29,029 --> 00:19:28,080

um how much time do you have i don't

536

00:19:31,430 --> 00:19:29,039

want to

537

00:19:33,909 --> 00:19:31,440

i can stay say another a few minutes

538

00:19:35,830 --> 00:19:33,919

five minutes and then i gotta run but

539

00:19:37,909 --> 00:19:35,840

um well somebody actually had a question

540

00:19:39,510 --> 00:19:37,919

do you think uh amnesty should be

541

00:19:41,110 --> 00:19:39,520

afforded to officials who come forward

542

00:19:43,110 --> 00:19:41,120

during hearings

543

00:19:46,630 --> 00:19:43,120

well you know we're not at that point i

544

00:19:48,630 --> 00:19:46,640

mean certainly anybody who who breaks

545

00:19:49,990 --> 00:19:48,640

you know confident breaks an oath to

546

00:19:52,789 --> 00:19:50,000

protect uh

547

00:19:53,590 --> 00:19:52,799

top secret information is is criminally

548

00:19:55,909 --> 00:19:53,600

uh

549

00:19:57,669 --> 00:19:55,919

viable so i'm not suggesting anybody

550

00:19:59,510 --> 00:19:57,679

should do that and i don't think anybody

551
00:20:02,310 --> 00:19:59,520
should do that we're not in the business

552
00:20:03,510 --> 00:20:02,320
of uh you know breaking the law

553
00:20:06,549 --> 00:20:03,520
to put out

554
00:20:07,990 --> 00:20:06,559
confidential protected information

555
00:20:10,070 --> 00:20:08,000
so um

556
00:20:13,190 --> 00:20:10,080
i i don't think anybody who

557
00:20:14,870 --> 00:20:13,200
who violates his or her oath to protect

558
00:20:16,789 --> 00:20:14,880
national security information should

559
00:20:18,070 --> 00:20:16,799
escape you know

560
00:20:20,549 --> 00:20:18,080
um

561
00:20:21,990 --> 00:20:20,559
you know justice because

562
00:20:23,669 --> 00:20:22,000
we're dealing you know look this is a

563
00:20:25,750 --> 00:20:23,679

tough world and we as we know from

564

00:20:26,870 --> 00:20:25,760

ukraine now we're dealing with some very

565

00:20:29,909 --> 00:20:26,880

serious

566

00:20:31,029 --> 00:20:29,919

um adversaries uh one in particular

567

00:20:33,830 --> 00:20:31,039

russia

568

00:20:35,750 --> 00:20:33,840

so um i think it would be folly to say

569

00:20:38,070 --> 00:20:35,760

oh everybody should just reveal all the

570

00:20:39,029 --> 00:20:38,080

secret information you know we have

571

00:20:40,549 --> 00:20:39,039

um

572

00:20:42,310 --> 00:20:40,559

so

573

00:20:43,990 --> 00:20:42,320

and you don't know what the crime is

574

00:20:45,590 --> 00:20:44,000

right right and there's no yeah we don't

575

00:20:46,630 --> 00:20:45,600

know what the crime is and

576

00:20:48,630 --> 00:20:46,640

um

577

00:20:51,430 --> 00:20:48,640

uh so i want to be clear i'm not

578

00:20:53,909 --> 00:20:51,440

suggesting anybody violate his or her

579

00:20:55,909 --> 00:20:53,919

oath and and reveal

580

00:20:58,390 --> 00:20:55,919

you know classify classified information

581

00:21:00,230 --> 00:20:58,400

which is a federal crime um but there's

582

00:21:02,390 --> 00:21:00,240

a lot of information short of that as we

583

00:21:04,310 --> 00:21:02,400

know because the

584

00:21:06,310 --> 00:21:04,320

atip which was the group we

585

00:21:08,870 --> 00:21:06,320

focused on in our first story december

586

00:21:10,390 --> 00:21:08,880

2017 advanced aerospace threat

587

00:21:12,710 --> 00:21:10,400

identification program that was not a

588

00:21:14,950 --> 00:21:12,720

classified program and there are other

589

00:21:17,029 --> 00:21:14,960

programs that are not classified and the

590

00:21:19,430 --> 00:21:17,039

navy videos that we put out in the new

591

00:21:21,110 --> 00:21:19,440

york times and that's now trending again

592

00:21:23,430 --> 00:21:21,120

all over again and that's not a

593

00:21:25,990 --> 00:21:23,440

classified video i mean that was

594

00:21:29,350 --> 00:21:26,000

approved for release by uh louisando got

595

00:21:30,950 --> 00:21:29,360

that cleared for release so when we so

596

00:21:32,630 --> 00:21:30,960

there's a lot of information that can be

597

00:21:34,310 --> 00:21:32,640

given to the american public without

598

00:21:35,990 --> 00:21:34,320

endangering national security that's

599

00:21:37,430 --> 00:21:36,000

been the problem all along that

600

00:21:39,430 --> 00:21:37,440

everything was sort of thrown together

601
00:21:41,510 --> 00:21:39,440
that and the american people can't know

602
00:21:44,390 --> 00:21:41,520
anything about this phenomenon

603
00:21:46,230 --> 00:21:44,400
everything has to be covered up and and

604
00:21:48,390 --> 00:21:46,240
that's wrong um

605
00:21:51,430 --> 00:21:48,400
the american people can be trusted with

606
00:21:53,990 --> 00:21:51,440
this information people around the world

607
00:21:56,310 --> 00:21:54,000
can be trusted it's our world it's you

608
00:21:58,470 --> 00:21:56,320
know we yes

609
00:21:59,669 --> 00:21:58,480
we need to have this information that

610
00:22:02,310 --> 00:21:59,679
that's that

611
00:22:05,669 --> 00:22:02,320
can and should be public so

612
00:22:07,430 --> 00:22:05,679
a lot of that it can be can be opened up

613
00:22:09,669 --> 00:22:07,440

well i want to thank you for taking time

614

00:22:10,950 --> 00:22:09,679

on your busy day to do this i have one

615

00:22:13,430 --> 00:22:10,960

more question for you and it's going to

616

00:22:14,950 --> 00:22:13,440

be super difficult so i hope

617

00:22:17,190 --> 00:22:14,960

that it's something you've pondered for

618

00:22:19,830 --> 00:22:17,200

a long time and if you had the

619

00:22:23,430 --> 00:22:19,840

opportunity to get in a tic tac and fly

620

00:22:23,440 --> 00:22:27,430

i could be abducted

621

00:22:33,270 --> 00:22:30,710

well you know everybody would love to

622

00:22:35,990 --> 00:22:33,280

you know unravel this mystery and these

623

00:22:37,669 --> 00:22:36,000

these objects i mean dave fraber

624

00:22:39,110 --> 00:22:37,679

eyeballed one of them

625

00:22:41,750 --> 00:22:39,120

and um

626

00:22:43,430 --> 00:22:41,760

he said it was astounding uh he watched

627

00:22:45,830 --> 00:22:43,440

it you know like turn you watch

628

00:22:48,230 --> 00:22:45,840

something churn under the water and this

629

00:22:51,110 --> 00:22:48,240

guy is a decorated fighter pilot you

630

00:22:54,390 --> 00:22:51,120

know he's no flake

631

00:22:55,590 --> 00:22:54,400

and he he he and other pilots we've

632

00:22:57,590 --> 00:22:55,600

talked to

633

00:22:59,590 --> 00:22:57,600

said actually what you just said that

634

00:23:01,190 --> 00:22:59,600

they would love to be piloting these

635

00:23:03,029 --> 00:23:01,200

things because that is really cutting

636

00:23:04,149 --> 00:23:03,039

edge

637

00:23:06,310 --> 00:23:04,159

and you know there's a lot of

638

00:23:08,549 --> 00:23:06,320

speculation well they're they're driven

639

00:23:09,750 --> 00:23:08,559

by thoughts you know that

640

00:23:11,110 --> 00:23:09,760

yeah

641

00:23:14,070 --> 00:23:11,120

who knows

642

00:23:15,830 --> 00:23:14,080

yeah but um that's the next frontier

643

00:23:17,430 --> 00:23:15,840

well we're getting a lot of thanks here

644

00:23:19,750 --> 00:23:17,440

in in the chat room thanks for

645

00:23:22,310 --> 00:23:19,760

everything you've done thank you for um

646

00:23:23,750 --> 00:23:22,320

you know making this topic more out in

647

00:23:26,070 --> 00:23:23,760

the public sector bringing down the

648

00:23:27,750 --> 00:23:26,080

stigma writing that book um you know

649

00:23:29,830 --> 00:23:27,760

bringing john mack to light hopefully

650

00:23:30,710 --> 00:23:29,840

we'll get closer to that as well

651

00:23:34,549 --> 00:23:30,720

so

652

00:23:36,230 --> 00:23:34,559

sean thanks for having me on at short

653

00:23:39,510 --> 00:23:36,240

notice i really enjoyed it thanks for

654

00:23:41,190 --> 00:23:39,520

coming back short notice bye bye

655

00:23:43,590 --> 00:23:41,200

all right that was fantastic what a

656

00:23:45,510 --> 00:23:43,600

surprise fantastic everybody

657

00:23:48,310 --> 00:23:45,520

um

658

00:23:49,430 --> 00:23:48,320

so we got the the scoop on the

659

00:23:50,710 --> 00:23:49,440

um

660

00:23:53,110 --> 00:23:50,720

article that came out in the new york

661

00:23:56,390 --> 00:23:53,120

times that is fantastic

662

00:23:58,149 --> 00:23:56,400

uh really really cool you know one of

663

00:24:00,070 --> 00:23:58,159

those days where you're just

664

00:24:01,590 --> 00:24:00,080

uh thankful to be doing what you're

665

00:24:02,710 --> 00:24:01,600

doing quite frankly

666

00:24:05,350 --> 00:24:02,720

you know

667

00:24:06,789 --> 00:24:05,360

um because that's not something i even

668

00:24:08,310 --> 00:24:06,799

expected so

669

00:24:11,110 --> 00:24:08,320

we'll see what happens i'm looking

670

00:24:15,269 --> 00:24:13,430

um he said some interesting things he's

671

00:24:16,830 --> 00:24:15,279

you know he said things like you don't

672

00:24:19,510 --> 00:24:16,840

you got to get

673

00:24:20,950 --> 00:24:19,520

your um you know depending on what

674

00:24:22,710 --> 00:24:20,960

questions and information you come to

675

00:24:25,190 --> 00:24:22,720

armed with to the hearings you could get

676

00:24:26,950 --> 00:24:25,200

some very interesting information so

677

00:24:29,029 --> 00:24:26,960

um

678

00:24:30,630 --> 00:24:29,039

let's hope that they do their homework i

679

00:24:32,789 --> 00:24:30,640

think they probably did or they wouldn't

680

00:24:34,470 --> 00:24:32,799

get this far with with public hearings

681

00:24:36,789 --> 00:24:34,480

so you know is it going to be the

682

00:24:39,430 --> 00:24:36,799

ultimate disclosure we want

683

00:24:40,870 --> 00:24:39,440

of course probably not

684

00:24:43,830 --> 00:24:40,880

but

685

00:24:46,070 --> 00:24:43,840

everything has been a buildup

686

00:24:47,830 --> 00:24:46,080

you know one piece at a time one piece

687

00:24:49,350 --> 00:24:47,840

at a time and we keep getting closer and

688

00:24:52,149 --> 00:24:49,360

closer

689

00:24:53,669 --> 00:24:52,159

because really it's an unraveling right

690

00:24:54,630 --> 00:24:53,679

of a big ball

691

00:24:58,470 --> 00:24:54,640

of

692

00:25:00,549 --> 00:24:58,480

and you just gotta take it

693

00:25:02,470 --> 00:25:00,559

one piece at a time so

694

00:25:04,789 --> 00:25:02,480

i'm pretty thankful that uh it's

695

00:25:05,830 --> 00:25:04,799

happening to begin with

696

00:25:08,549 --> 00:25:05,840

and

697

00:25:10,310 --> 00:25:08,559

i'm excited yep disclosure teams in here

698

00:25:11,909 --> 00:25:10,320

what's up brother uh we're gonna be

699

00:25:13,750 --> 00:25:11,919

screaming it live

700

00:25:16,149 --> 00:25:13,760

um and giving our thoughts our play by

701
00:25:18,390 --> 00:25:16,159
play so that should be pretty cool

702
00:25:20,549 --> 00:25:18,400
so

703
00:25:22,310 --> 00:25:20,559
can't wait to do that

704
00:25:23,830 --> 00:25:22,320
um

705
00:25:26,470 --> 00:25:23,840
so the article

706
00:25:28,470 --> 00:25:26,480
i put in the uh description you can

707
00:25:32,230 --> 00:25:28,480
check it out for yourself in the

708
00:25:33,909 --> 00:25:32,240
meantime also if if you you know have a

709
00:25:36,310 --> 00:25:33,919
extra pretty penny or something go check

710
00:25:39,430 --> 00:25:36,320
out uh mr blumenthal's book i'm john

711
00:25:43,190 --> 00:25:39,440
mack believer it's great it's fantastic

712
00:25:46,310 --> 00:25:43,200
um john mack is a warrior he's a hero

713
00:25:47,590 --> 00:25:46,320

and uh i think

714

00:25:49,110 --> 00:25:47,600

i would

715

00:25:53,110 --> 00:25:49,120

venture to guess we'll be

716

00:25:54,549 --> 00:25:53,120

hearing a lot more about that person um

717

00:25:55,750 --> 00:25:54,559

in some weeks

718

00:25:57,110 --> 00:25:55,760

to come

719

00:25:58,710 --> 00:25:57,120

maybe

720

00:25:59,590 --> 00:25:58,720

you know a couple weeks to months to

721

00:26:01,750 --> 00:25:59,600

come

722

00:26:03,269 --> 00:26:01,760

i was a fantastic guy he did work in

723

00:26:05,510 --> 00:26:03,279

earnest

724

00:26:06,789 --> 00:26:05,520

honest hard-working

725

00:26:08,950 --> 00:26:06,799

harvard

726

00:26:10,710 --> 00:26:08,960

uh and and it wasn't easy for him if you

727

00:26:11,510 --> 00:26:10,720

want to talk about stigma

728

00:26:14,230 --> 00:26:11,520

just

729

00:26:16,470 --> 00:26:14,240

look up what john mack had to go through

730

00:26:17,510 --> 00:26:16,480

just uh ridiculous

731

00:26:17,840 --> 00:26:17,520

you know

732

00:26:19,190 --> 00:26:17,850

um

733

00:26:20,230 --> 00:26:19,200

[Music]

734

00:26:21,830 --> 00:26:20,240

but

735

00:26:23,190 --> 00:26:21,840

he plugged away and he did it anyways

736

00:26:25,510 --> 00:26:23,200

and that's the kind of heroism that's

737

00:26:27,269 --> 00:26:25,520

the kind of

738

00:26:29,590 --> 00:26:27,279

person that we need

739

00:26:30,710 --> 00:26:29,600

right now is is someone to bring in that

740

00:26:33,269 --> 00:26:30,720

strength

741

00:26:34,789 --> 00:26:33,279

fortitude

742

00:26:39,669 --> 00:26:34,799

to get that stuff

743

00:26:41,990 --> 00:26:39,679

uh happening so i really really

744

00:26:43,750 --> 00:26:42,000

am appreciative of people like that lou

745

00:26:45,990 --> 00:26:43,760

elizando being one of them

746

00:26:50,230 --> 00:26:46,000

so

747

00:26:55,190 --> 00:26:52,549

i had um

748

00:26:58,310 --> 00:26:55,200

an interesting kind of document and

749

00:27:03,510 --> 00:27:01,350

um you know i'm going to take part in

750

00:27:06,470 --> 00:27:03,520

these hearings and i was able to ask

751
00:27:09,110 --> 00:27:06,480
questions

752
00:27:12,549 --> 00:27:09,120
this is something that i would

753
00:27:16,190 --> 00:27:14,470
so this report here

754
00:27:17,830 --> 00:27:16,200
is a

755
00:27:20,470 --> 00:27:17,840
[Music]

756
00:27:22,070 --> 00:27:20,480
berliner rockefeller briefing document

757
00:27:24,870 --> 00:27:22,080
it's very interesting

758
00:27:29,750 --> 00:27:27,590
and there's a part of this document it's

759
00:27:31,190 --> 00:27:29,760
148 pages we're not going through it all

760
00:27:31,909 --> 00:27:31,200
so don't worry

761
00:27:38,549 --> 00:27:31,919
but

762
00:27:38,559 --> 00:27:41,990
covers

763
00:27:48,470 --> 00:27:44,710

past statements

764

00:27:51,430 --> 00:27:48,480
from world government

765

00:27:53,269 --> 00:27:51,440
in military officials

766

00:27:56,710 --> 00:27:53,279
so what i want to do

767

00:27:59,830 --> 00:27:56,720
is go to page 92 here

768

00:28:01,669 --> 00:27:59,840
and we're going to check that out

769

00:28:04,389 --> 00:28:01,679
and we're going to look at all the

770

00:28:10,470 --> 00:28:06,389
uh statements and everything that people

771

00:28:10,480 --> 00:28:13,510
in the past

772

00:28:18,470 --> 00:28:16,710
because some of them are pretty

773

00:28:20,389 --> 00:28:18,480
uh pretty great there's a lot of

774

00:28:22,070 --> 00:28:20,399
statements and there's some statements

775

00:28:23,750 --> 00:28:22,080
that i didn't even know about so you

776

00:28:27,350 --> 00:28:23,760

know you see those videos

777

00:28:30,710 --> 00:28:27,360

uh frequently on

778

00:28:32,789 --> 00:28:30,720

you know on different um

779

00:28:34,950 --> 00:28:32,799

youtube channels or twitter channels of

780

00:28:37,669 --> 00:28:34,960

the current people that uh make

781

00:28:38,870 --> 00:28:37,679

statements like andrew andre carson and

782

00:28:40,310 --> 00:28:38,880

all that so

783

00:28:42,470 --> 00:28:40,320

but look at these

784

00:28:45,269 --> 00:28:42,480

we're gonna go back general nathan uh

785

00:28:47,029 --> 00:28:45,279

twinning right twining whatever you want

786

00:28:48,549 --> 00:28:47,039

to say so

787

00:28:50,070 --> 00:28:48,559

we're familiar with those phenomena

788

00:28:52,070 --> 00:28:50,080

reported something real not visionary

789

00:28:54,230 --> 00:28:52,080

this is 1947 by the way

790

00:28:55,830 --> 00:28:54,240

uh objects probably approximating the

791

00:28:58,310 --> 00:28:55,840

shape of a disc of such appreciable

792

00:28:59,909 --> 00:28:58,320

sizes to piers largest man-made aircraft

793

00:29:01,909 --> 00:28:59,919

possibility that some of the instances

794

00:29:03,669 --> 00:29:01,919

may be caused by natural phenomena

795

00:29:05,110 --> 00:29:03,679

such as meteors uh the reported

796

00:29:06,789 --> 00:29:05,120

operating characteristics such as

797

00:29:09,190 --> 00:29:06,799

extreme rates of climate maneuverability

798

00:29:11,110 --> 00:29:09,200

particularly enroll an action must be

799

00:29:13,350 --> 00:29:11,120

considered pervasive when cited or

800

00:29:15,029 --> 00:29:13,360

contacted by friendly aircraft and radar

801
00:29:16,230 --> 00:29:15,039
lynn believed the possibility that some

802
00:29:18,710 --> 00:29:16,240
of the objects are controlled either

803
00:29:20,149 --> 00:29:18,720
manually automatically or remotely

804
00:29:22,630 --> 00:29:20,159
interesting hey

805
00:29:25,029 --> 00:29:22,640
this one i didn't know this one existed

806
00:29:27,830 --> 00:29:25,039
uh j edgar hoover in response to a

807
00:29:29,750 --> 00:29:27,840
government request to study ufos i would

808
00:29:31,909 --> 00:29:29,760
do it but before agreeing to it we must

809
00:29:35,510 --> 00:29:31,919
assist upon full access to disks

810
00:29:37,830 --> 00:29:35,520
recovered for instance in the la case

811
00:29:40,389 --> 00:29:37,840
the army grabbed it and would not let us

812
00:29:42,070 --> 00:29:40,399
have it for cursory examination

813
00:29:44,470 --> 00:29:42,080

it was a handwritten note to kleitels in

814

00:29:45,430 --> 00:29:44,480

july 15 1947.

815

00:29:50,389 --> 00:29:45,440

uh

816

00:29:52,230 --> 00:29:50,399

guy

817

00:29:54,149 --> 00:29:52,240

central intelligence agency has reviewed

818

00:29:55,909 --> 00:29:54,159

the current situation concerning ufos

819

00:29:57,909 --> 00:29:55,919

have created

820

00:29:59,990 --> 00:29:57,919

extensive speculation of the press and

821

00:30:01,909 --> 00:30:00,000

have been subject subject of concern of

822

00:30:04,470 --> 00:30:01,919

government organizations

823

00:30:05,990 --> 00:30:04,480

approximately twenty two thousand

824

00:30:08,149 --> 00:30:06,000

official reports of sightings have been

825

00:30:09,830 --> 00:30:08,159

received of these twenty percent are

826

00:30:11,669 --> 00:30:09,840

unexplained it is my view that the

827

00:30:13,669 --> 00:30:11,679

situation has possible implications for

828

00:30:15,590 --> 00:30:13,679

our national security which transcend

829

00:30:17,430 --> 00:30:15,600

the interest of a single service a

830

00:30:19,830 --> 00:30:17,440

broader coordinated effort should be

831

00:30:21,430 --> 00:30:19,840

initiated to develop a firm scientific

832

00:30:22,710 --> 00:30:21,440

understanding of the several phenomena

833

00:30:24,870 --> 00:30:22,720

which apparently

834

00:30:27,269 --> 00:30:24,880

are involved in these reports

835

00:30:28,789 --> 00:30:27,279

it's from a 52 memorandum to national

836

00:30:30,230 --> 00:30:28,799

security council

837

00:30:31,350 --> 00:30:30,240

douglas macarthur because of the

838

00:30:33,430 --> 00:30:31,360

developments of science all the

839

00:30:35,590 --> 00:30:33,440

countries on earth will have to unite to

840

00:30:37,750 --> 00:30:35,600

survive and to make a common front

841

00:30:40,149 --> 00:30:37,760

against attack by people from other

842

00:30:42,950 --> 00:30:40,159

planets the politics of the future will

843

00:30:45,590 --> 00:30:42,960

be cosmic or interplanetary the new york

844

00:30:47,750 --> 00:30:45,600

times ah interesting hey october 8th

845

00:30:50,070 --> 00:30:47,760

1955

846

00:30:51,590 --> 00:30:50,080

you now face a new world world of change

847

00:30:53,110 --> 00:30:51,600

the thrust in the outer space of

848

00:30:54,710 --> 00:30:53,120

satellites fears and missiles marked the

849

00:30:57,029 --> 00:30:54,720

beginning of another epoch in the long

850

00:30:58,710 --> 00:30:57,039

story of mankind the chapter of space

851
00:31:01,750 --> 00:30:58,720
age we speak in strange terms of

852
00:31:03,990 --> 00:31:01,760
harnessing the cosmic energy

853
00:31:06,230 --> 00:31:04,000
um great stuff but i'm gonna pass out if

854
00:31:08,950 --> 00:31:06,240
i keep reading like this so i'm gonna

855
00:31:11,269 --> 00:31:08,960
i'm gonna just skip here uh edward rupal

856
00:31:13,269 --> 00:31:11,279
we're all familiar with well if you know

857
00:31:15,029 --> 00:31:13,279
the history a bit captain edward rupal

858
00:31:17,350 --> 00:31:15,039
look him up there's

859
00:31:18,549 --> 00:31:17,360
uh a lot he has to say

860
00:31:21,430 --> 00:31:18,559
so

861
00:31:23,430 --> 00:31:21,440
um admiral roscoe helencotter unknown

862
00:31:25,430 --> 00:31:23,440
objects are operating under intelligent

863
00:31:27,590 --> 00:31:25,440

control it is imperative that we learn

864

00:31:29,269 --> 00:31:27,600

where ufos come from and what their

865

00:31:31,909 --> 00:31:29,279

purpose is

866

00:31:33,830 --> 00:31:31,919

apparently mj12 but we don't know that

867

00:31:36,630 --> 00:31:33,840

it is time for the truth to be brought

868

00:31:38,389 --> 00:31:36,640

out into the open congressional hearings

869

00:31:40,549 --> 00:31:38,399

behind the scenes high-ranking air force

870

00:31:42,789 --> 00:31:40,559

officers are soberly concerned about

871

00:31:44,789 --> 00:31:42,799

ufos but through official secrecy and

872

00:31:46,470 --> 00:31:44,799

ridicule many citizens are led to

873

00:31:47,669 --> 00:31:46,480

believe unknown flying objects or

874

00:31:50,070 --> 00:31:47,679

nonsense

875

00:31:51,350 --> 00:31:50,080

general curtis lemaya

876

00:31:53,269 --> 00:31:51,360

we had a number of reports from

877

00:31:54,950 --> 00:31:53,279

reputable individuals well educated

878

00:31:58,470 --> 00:31:54,960

serious-minded folks scientists and

879

00:32:01,750 --> 00:31:58,480

flyers who surely saw something

880

00:32:03,830 --> 00:32:01,760

major general uh leveli

881

00:32:05,430 --> 00:32:03,840

many of the reports that cannot be

882

00:32:07,269 --> 00:32:05,440

explained have come from intelligent and

883

00:32:10,230 --> 00:32:07,279

technically well qualified individuals

884

00:32:12,230 --> 00:32:10,240

whose integrity cannot be doubted

885

00:32:13,909 --> 00:32:12,240

general george s brown i don't know

886

00:32:14,789 --> 00:32:13,919

whether this story has ever been told or

887

00:32:16,149 --> 00:32:14,799

not

888

00:32:18,230 --> 00:32:16,159

they weren't called ufos they were

889

00:32:19,669 --> 00:32:18,240

called enemy helicopters this is in

890

00:32:21,750 --> 00:32:19,679

regards to

891

00:32:23,750 --> 00:32:21,760

ufos over vietnam

892

00:32:25,350 --> 00:32:23,760

and they were only seen at night and

893

00:32:27,750 --> 00:32:25,360

they were only seen in certain places

894

00:32:29,750 --> 00:32:27,760

they were seen up around the dmz and

895

00:32:33,110 --> 00:32:29,760

demilitarized zone in the early summer

896

00:32:35,509 --> 00:32:33,120

of 68 this resulted in quite a little

897

00:32:37,190 --> 00:32:35,519

battle and in the course of this

898

00:32:39,750 --> 00:32:37,200

australian destroyer took a hit and we

899

00:32:41,029 --> 00:32:39,760

never found any enemy we only found

900

00:32:42,950 --> 00:32:41,039

ourselves

901
00:32:45,110 --> 00:32:42,960
when this had all been sorted out and

902
00:32:47,269 --> 00:32:45,120
this caused some shooting there

903
00:32:50,149 --> 00:32:47,279
there was no enemy at all involved but

904
00:32:51,990 --> 00:32:50,159
we always reacted always after dark same

905
00:32:53,830 --> 00:32:52,000
thing happened

906
00:32:56,470 --> 00:32:53,840
up at uh pleque

907
00:32:58,310 --> 00:32:56,480
at the highlands in 69 department of

908
00:33:01,509 --> 00:32:58,320
defense transcript of press conference

909
00:33:02,870 --> 00:33:01,519
illinois october 1673.

910
00:33:04,549 --> 00:33:02,880
lieutenant coyne

911
00:33:07,430 --> 00:33:04,559
with the aircraft under

912
00:33:09,509 --> 00:33:07,440
my control i observed red lighted object

913
00:33:11,350 --> 00:33:09,519

closing upon the helicopter at the same

914

00:33:14,070 --> 00:33:11,360
altitude at a high rate of speed it

915

00:33:16,070 --> 00:33:14,080
became apparent a mid-air collision was

916

00:33:19,269 --> 00:33:16,080
about to happen unless evasive action

917

00:33:22,310 --> 00:33:20,630
as a result of my experience i'm

918

00:33:24,230 --> 00:33:22,320
convinced this object was real and that

919

00:33:27,669 --> 00:33:24,240
these types of incidents should require

920

00:33:32,389 --> 00:33:30,470
uh victor marchetti former cia official

921

00:33:34,310 --> 00:33:32,399
we have indeed been contacted perhaps

922

00:33:35,830 --> 00:33:34,320
even visited by extraterrestrial beings

923

00:33:37,669 --> 00:33:35,840
in the us government in collusion with

924

00:33:39,190 --> 00:33:37,679
other national powers of the earth is

925

00:33:44,389 --> 00:33:39,200
determined to keep this information from

926
00:33:49,110 --> 00:33:47,509
united states harry truman president

927
00:33:50,710 --> 00:33:49,120
i can assure you that flying saucers

928
00:33:52,950 --> 00:33:50,720
given they exist are not constructed by

929
00:33:55,990 --> 00:33:52,960
any power on earth

930
00:33:59,590 --> 00:33:57,430
no doubt you have noted the recent

931
00:34:01,029 --> 00:33:59,600
flurry of newspaper stories about ufos

932
00:34:02,470 --> 00:34:01,039
i've taken special interest in these

933
00:34:04,389 --> 00:34:02,480
accounts because many of the latest

934
00:34:06,870 --> 00:34:04,399
reported sightings have been in my home

935
00:34:08,710 --> 00:34:06,880
state of michigan because i think there

936
00:34:10,149 --> 00:34:08,720
may be substance some of these reports

937
00:34:11,430 --> 00:34:10,159
because i believe the american people

938
00:34:14,470 --> 00:34:11,440

are entitled to a more thorough

939

00:34:16,230 --> 00:34:14,480
explanation than has been given

940

00:34:17,829 --> 00:34:16,240
to them by the air force to date i'm

941

00:34:19,909 --> 00:34:17,839
proposing that either the science and

942

00:34:22,310 --> 00:34:19,919
astronautics committee or the armed

943

00:34:24,629 --> 00:34:22,320
services committee of the house schedule

944

00:34:26,310 --> 00:34:24,639
hearings on the subject of ufos and

945

00:34:27,990 --> 00:34:26,320
invite testimony for both the executive

946

00:34:29,909 --> 00:34:28,000
branch of the government and some of the

947

00:34:32,149 --> 00:34:29,919
persons who claim to have seen ufos

948

00:34:33,510 --> 00:34:32,159
jimmy carter president if i become

949

00:34:35,990 --> 00:34:33,520
president i'll make every piece of

950

00:34:37,909 --> 00:34:36,000
information this country has about ufo

951
00:34:39,669 --> 00:34:37,919
sightings available to the public and

952
00:34:43,510 --> 00:34:39,679
the scientists i'm convinced that ufos

953
00:34:47,190 --> 00:34:45,109
president ronald reagan when he stopped

954
00:34:49,589 --> 00:34:47,200
to think we're all god's children

955
00:34:51,909 --> 00:34:49,599
wherever we may live in the world i

956
00:34:54,710 --> 00:34:51,919
couldn't help but say to him just think

957
00:34:57,270 --> 00:34:54,720
how easy his task and mine might be in

958
00:34:59,430 --> 00:34:57,280
these meetings that we held if suddenly

959
00:35:01,510 --> 00:34:59,440
there was a threat to this world from

960
00:35:04,710 --> 00:35:01,520
some other species from another planet

961
00:35:07,349 --> 00:35:04,720
outside in the universe we all forget

962
00:35:09,430 --> 00:35:07,359
about all the little local differences

963
00:35:11,670 --> 00:35:09,440

that we all have between our countries

964

00:35:13,829 --> 00:35:11,680

and we would find out once and for all

965

00:35:18,150 --> 00:35:13,839

that we really are human beings here on

966

00:35:22,150 --> 00:35:19,510

and we have more representative

967

00:35:25,990 --> 00:35:22,160

mccormick representative pettis senator

968

00:35:26,000 --> 00:35:30,550

representative stephen schiff

969

00:35:35,589 --> 00:35:33,030

and then we start going to

970

00:35:40,390 --> 00:35:35,599

other countries who also have had their

971

00:35:44,310 --> 00:35:41,430

canada

972

00:35:46,230 --> 00:35:44,320

england

973

00:35:47,670 --> 00:35:46,240

france

974

00:35:49,589 --> 00:35:47,680

uh and i can make this document

975

00:35:51,109 --> 00:35:49,599

available to you if anyone's interested

976
00:35:52,310 --> 00:35:51,119
hungary

977
00:35:54,470 --> 00:35:52,320
indonesia

978
00:35:56,310 --> 00:35:54,480
japan

979
00:35:58,550 --> 00:35:56,320
spain

980
00:36:02,310 --> 00:35:58,560
russia

981
00:36:06,630 --> 00:36:04,150
and then we get to astronaut scientists

982
00:36:09,990 --> 00:36:06,640
and the like

983
00:36:14,340 --> 00:36:13,990
that was a lot of reading so i hope you

984
00:36:15,670 --> 00:36:14,350
um

985
00:36:17,430 --> 00:36:15,680
[Music]

986
00:36:18,950 --> 00:36:17,440
you know took notice of those because

987
00:36:21,589 --> 00:36:18,960
really it's just been happening for so

988
00:36:24,150 --> 00:36:21,599

long and it's long overdue that we

989

00:36:26,630 --> 00:36:24,160

um get this a little bit out into the

990

00:36:28,069 --> 00:36:26,640

public and start you know so to speak

991

00:36:30,950 --> 00:36:28,079

heating so to speak these statements

992

00:36:33,349 --> 00:36:30,960

that have been made for so long by so

993

00:36:35,430 --> 00:36:33,359

many reputable people

994

00:36:38,790 --> 00:36:35,440

it's incredible

995

00:36:40,710 --> 00:36:38,800

um i'm going to upload that doc to

996

00:36:43,430 --> 00:36:40,720

uh google drive

997

00:36:44,710 --> 00:36:43,440

and i will share it with you in the chat

998

00:36:50,310 --> 00:36:44,720

here

999

00:36:53,430 --> 00:36:50,320

about it so i'll do that

1000

00:36:55,829 --> 00:36:53,440

so you can check it out because i think

1001
00:36:58,790 --> 00:36:55,839
that you should

1002
00:37:01,750 --> 00:36:58,800
be aware of that stuff

1003
00:37:06,390 --> 00:37:04,230
we'll take

1004
00:37:08,950 --> 00:37:06,400
a little

1005
00:37:10,470 --> 00:37:08,960
course change and we'll do something fun

1006
00:37:12,550 --> 00:37:10,480
that we call what the heck is that where

1007
00:37:14,150 --> 00:37:12,560
we watch weird videos

1008
00:37:16,190 --> 00:37:14,160
and think to ourselves

1009
00:37:31,270 --> 00:37:16,200
what the heck is that

1010
00:39:53,030 --> 00:37:33,310
here we go

1011
00:39:53,040 --> 00:40:08,829
what the [h__\h] is

1012
00:40:15,510 --> 00:40:11,190
yeah it's like and it's like spinning

1013
00:40:28,140 --> 00:40:18,430

um

1014

00:40:42,470 --> 00:40:39,180

[Music]

1015

00:40:42,480 --> 00:40:51,030

it's not moving at all

1016

00:41:03,600 --> 00:41:01,970

[Music]

1017

00:41:20,580 --> 00:41:03,610

[Applause]

1018

00:41:20,590 --> 00:42:10,790

[Music]

1019

00:42:10,800 --> 00:42:20,309

what the [h__\h] is that

1020

00:42:27,910 --> 00:42:22,069

there it is

1021

00:43:01,750 --> 00:42:47,190

there's another one

1022

00:43:04,710 --> 00:43:03,190

i want to thank

1023

00:43:05,910 --> 00:43:04,720

all the hoosiers

1024

00:43:07,589 --> 00:43:05,920

and folks around the country in the

1025

00:43:08,710 --> 00:43:07,599

world quite frankly who have supported

1026

00:43:12,069 --> 00:43:08,720

our efforts

1027

00:43:13,829 --> 00:43:12,079

and my efforts to get answers on uaps

1028

00:43:16,150 --> 00:43:13,839

which effectively are unidentified

1029

00:43:17,990 --> 00:43:16,160

aerial phenomenon or they're properly

1030

00:43:19,109 --> 00:43:18,000

known as ufos

1031

00:43:22,230 --> 00:43:19,119

i think

1032

00:43:27,109 --> 00:43:24,309

is is

1033

00:43:29,589 --> 00:43:27,119

something that has been

1034

00:43:31,190 --> 00:43:29,599

placed in the science fiction category

1035

00:43:34,069 --> 00:43:31,200

um however

1036

00:43:36,470 --> 00:43:34,079

the occurrence of uaps near our military

1037

00:43:38,550 --> 00:43:36,480

bases has been documented and posed as a

1038

00:43:41,190 --> 00:43:38,560

national security threat especially

1039

00:43:42,309 --> 00:43:41,200

since so much about them is is virtually

1040

00:43:44,390 --> 00:43:42,319

unknown

1041

00:43:45,589 --> 00:43:44,400

they could be a form of technology that

1042

00:43:47,109 --> 00:43:45,599

we don't have

1043

00:43:48,470 --> 00:43:47,119

or from

1044

00:43:51,109 --> 00:43:48,480

another place

1045

00:43:52,950 --> 00:43:51,119

which is concerning and yes

1046

00:43:55,740 --> 00:43:52,960

it might even be extraterrestrial life

1047

00:43:56,870 --> 00:43:55,750

forms the problem is

1048

00:43:58,230 --> 00:43:56,880

[Music]

1049

00:44:00,550 --> 00:43:58,240

people want to know

1050

00:44:02,390 --> 00:44:00,560

and they want answers you know last year

1051
00:44:03,190 --> 00:44:02,400
i conducted a close hearing on this

1052
00:44:04,870 --> 00:44:03,200
issue

1053
00:44:06,390 --> 00:44:04,880
on the house intelligence committee

1054
00:44:08,630 --> 00:44:06,400
where i serve as the chairman of the

1055
00:44:11,190 --> 00:44:08,640
counterterrorism subcommittee and i'd

1056
00:44:13,990 --> 00:44:11,200
like to have a public hearing this year

1057
00:44:14,950 --> 00:44:14,000
so we can have a a larger discussion

1058
00:44:16,630 --> 00:44:14,960
about this

1059
00:44:19,349 --> 00:44:16,640
without compromising our national

1060
00:44:21,349 --> 00:44:19,359
security concerns

1061
00:44:23,750 --> 00:44:21,359
yes i wanted to play that clip i saw

1062
00:44:26,069 --> 00:44:23,760
that clip today um pretty cool

1063
00:44:28,950 --> 00:44:26,079

andre carson's been

1064

00:44:34,790 --> 00:44:32,550

um these uh hearings for a while so it's

1065

00:44:36,150 --> 00:44:34,800

pretty you know

1066

00:44:39,030 --> 00:44:36,160

as compared to something like steve

1067

00:44:40,390 --> 00:44:39,040

bassett maybe not that long but you know

1068

00:44:41,910 --> 00:44:40,400

you know what i mean it's not easy to

1069

00:44:43,190 --> 00:44:41,920

put your name out there

1070

00:44:45,430 --> 00:44:43,200

and um

1071

00:44:47,349 --> 00:44:45,440

be pushing for this stuff and and he's

1072

00:44:48,829 --> 00:44:47,359

doing it and i really do appreciate that

1073

00:44:50,550 --> 00:44:48,839

he is doing it

1074

00:44:52,309 --> 00:44:50,560

um

1075

00:44:53,750 --> 00:44:52,319

you know and people were talking before

1076

00:44:55,109 --> 00:44:53,760

like is is this the right time

1077

00:44:57,030 --> 00:44:55,119

especially with ukraine and all that

1078

00:44:59,030 --> 00:44:57,040

different kind of stuff happening is

1079

00:45:01,190 --> 00:44:59,040

this right time well

1080

00:45:03,589 --> 00:45:01,200

the one thing i would say is if this is

1081

00:45:04,790 --> 00:45:03,599

a different uh human entity or a

1082

00:45:08,309 --> 00:45:04,800

different

1083

00:45:09,750 --> 00:45:08,319

uh intelligent life form or or whatever

1084

00:45:12,390 --> 00:45:09,760

like

1085

00:45:13,349 --> 00:45:12,400

now is the time right

1086

00:45:15,270 --> 00:45:13,359

um

1087

00:45:17,030 --> 00:45:15,280

we have some crazy scary stuff going on

1088

00:45:18,950 --> 00:45:17,040

right now and

1089

00:45:22,230 --> 00:45:18,960

maybe it is something that would bring

1090

00:45:23,750 --> 00:45:22,240

us together maybe not but maybe it would

1091

00:45:25,270 --> 00:45:23,760

um

1092

00:45:27,829 --> 00:45:25,280

and

1093

00:45:29,510 --> 00:45:27,839

you know we all deserve to know if

1094

00:45:33,750 --> 00:45:29,520

something that important

1095

00:45:34,950 --> 00:45:33,760

um exists most definitely and i think

1096

00:45:36,630 --> 00:45:34,960

that's the

1097

00:45:38,870 --> 00:45:36,640

news and the kind of effort this world

1098

00:45:40,550 --> 00:45:38,880

could use right now that doesn't mean

1099

00:45:42,470 --> 00:45:40,560

take your focus away from important

1100

00:45:44,470 --> 00:45:42,480

things either you know it doesn't mean

1101

00:45:46,950 --> 00:45:44,480

you have to just do one and not the

1102

00:45:49,190 --> 00:45:46,960

other you know there's a lot of people

1103

00:45:50,790 --> 00:45:49,200

uh that do a lot of different things

1104

00:45:53,270 --> 00:45:50,800

um in the government certainly my hair

1105

00:45:55,589 --> 00:45:53,280

is just doing crazy stuff today

1106

00:45:57,349 --> 00:45:55,599

but uh we can you know focus on a lot of

1107

00:45:59,589 --> 00:45:57,359

different points you know

1108

00:46:01,270 --> 00:45:59,599

um saw a couple comments here taper your

1109

00:46:03,670 --> 00:46:01,280

expectations well first of all i would

1110

00:46:05,190 --> 00:46:03,680

say you're a grown ass person you can do

1111

00:46:07,030 --> 00:46:05,200

what you want if you want to get too

1112

00:46:07,829 --> 00:46:07,040

excited get too excited if you don't

1113

00:46:09,910 --> 00:46:07,839

don't

1114

00:46:12,829 --> 00:46:09,920

but yeah i mean in the end if you ask my

1115

00:46:17,109 --> 00:46:12,839

opinion i think that

1116

00:46:19,270 --> 00:46:17,119

um you know um trying to be as

1117

00:46:20,790 --> 00:46:19,280

level-headed as i can be in this topic

1118

00:46:21,990 --> 00:46:20,800

that we're in i would say it's a great

1119

00:46:24,150 --> 00:46:22,000

first step

1120

00:46:26,390 --> 00:46:24,160

right um you never know uh what could

1121

00:46:28,630 --> 00:46:26,400

happen with those hearings

1122

00:46:29,990 --> 00:46:28,640

but at the very least let's say worst

1123

00:46:31,270 --> 00:46:30,000

case scenario people are gonna be

1124

00:46:32,630 --> 00:46:31,280

unnoticed that they're not afraid to

1125

00:46:34,309 --> 00:46:32,640

call hearings

1126

00:46:36,470 --> 00:46:34,319

you know so

1127

00:46:37,910 --> 00:46:36,480

at the very least um that's a great

1128

00:46:39,589 --> 00:46:37,920

message to send

1129

00:46:40,630 --> 00:46:39,599

at the very best who knows sky's the

1130

00:46:43,510 --> 00:46:40,640

limit

1131

00:46:47,349 --> 00:46:43,520

um i think there's a lot um we don't

1132

00:46:48,950 --> 00:46:47,359

know how it's gonna turn out but

1133

00:46:51,349 --> 00:46:48,960

uh hopefully

1134

00:46:55,589 --> 00:46:51,359

um you know whatever happens

1135

00:46:57,589 --> 00:46:55,599

it moves the ball a little forward right

1136

00:46:59,349 --> 00:46:57,599

and that's all

1137

00:47:00,390 --> 00:46:59,359

we can hope for

1138

00:47:02,870 --> 00:47:00,400

right

1139

00:47:04,309 --> 00:47:02,880

and to keep this momentum going i don't

1140

00:47:06,150 --> 00:47:04,319

care i'm still doing a happiness you

1141

00:47:09,109 --> 00:47:06,160

should do a happy dance

1142

00:47:11,750 --> 00:47:09,119

you know we we should be excited about

1143

00:47:13,349 --> 00:47:11,760

this you know but that also doesn't mean

1144

00:47:15,349 --> 00:47:13,359

that we have to

1145

00:47:17,589 --> 00:47:15,359

you know think that it's going to be the

1146

00:47:20,470 --> 00:47:17,599

end all the secrecy either you know we

1147

00:47:23,030 --> 00:47:20,480

can celebrate little victories you know

1148

00:47:24,470 --> 00:47:23,040

and still stay relative with

1149

00:47:26,150 --> 00:47:24,480

with um

1150

00:47:28,150 --> 00:47:26,160

what the what the

1151
00:47:30,069 --> 00:47:28,160
you know what it'll actually turn out to

1152
00:47:31,670 --> 00:47:30,079
be right so

1153
00:47:33,190 --> 00:47:31,680
um if you don't celebrate those small

1154
00:47:35,190 --> 00:47:33,200
victories if you don't find a little

1155
00:47:37,030 --> 00:47:35,200
place to be happy and smile sometimes in

1156
00:47:38,230 --> 00:47:37,040
this it's going to eat you up and spit

1157
00:47:40,069 --> 00:47:38,240
you out so you got to be able to

1158
00:47:41,270 --> 00:47:40,079
celebrate those victories

1159
00:47:43,190 --> 00:47:41,280
um

1160
00:47:44,309 --> 00:47:43,200
because you know especially for people

1161
00:47:46,549 --> 00:47:44,319
who have been following this stuff

1162
00:47:48,870 --> 00:47:46,559
who've had experiences who speak about

1163
00:47:49,750 --> 00:47:48,880

it who come out about it like you need

1164

00:47:52,549 --> 00:47:49,760

those

1165

00:47:54,710 --> 00:47:52,559

you know it helps you continue and push

1166

00:47:56,710 --> 00:47:54,720

on forward especially when the times get

1167

00:47:58,630 --> 00:47:56,720

tough you know as they do

1168

00:48:00,870 --> 00:47:58,640

and ufo twitter starts to eats itself

1169

00:48:02,470 --> 00:48:00,880

from from the inside out

1170

00:48:04,549 --> 00:48:02,480

one thing i'd like to say is we have a

1171

00:48:07,030 --> 00:48:04,559

birthday in the house

1172

00:48:09,430 --> 00:48:07,040

i've been looking at those comments

1173

00:48:12,950 --> 00:48:09,440

jose

1174

00:48:14,630 --> 00:48:12,960

jos it is his birthday today

1175

00:48:16,950 --> 00:48:14,640

and

1176

00:48:20,069 --> 00:48:16,960

i just wanted to say

1177

00:48:23,510 --> 00:48:20,079

thank you because he is always here

1178

00:48:26,230 --> 00:48:23,520

he always is is kind in the chat

1179

00:48:27,510 --> 00:48:26,240

uh always so supportive

1180

00:48:29,510 --> 00:48:27,520

um

1181

00:48:31,109 --> 00:48:29,520

you know it's it's a benefit to my show

1182

00:48:33,589 --> 00:48:31,119

and every other show that he takes part

1183

00:48:34,950 --> 00:48:33,599

of and it's his birthday today so i did

1184

00:48:37,190 --> 00:48:34,960

want to

1185

00:48:39,990 --> 00:48:37,200

um you know take a second to say happy

1186

00:48:41,510 --> 00:48:40,000

birthday to him and thank you for for

1187

00:48:43,109 --> 00:48:41,520

coming to these shows and being the

1188

00:48:44,790 --> 00:48:43,119

great person you are

1189

00:48:46,790 --> 00:48:44,800

in the chat and

1190

00:48:47,670 --> 00:48:46,800

being so positive and

1191

00:48:48,549 --> 00:48:47,680

um

1192

00:48:49,829 --> 00:48:48,559

you know

1193

00:48:51,829 --> 00:48:49,839

we all should be grateful for your

1194

00:48:53,109 --> 00:48:51,839

presence in this community and i know i

1195

00:48:53,910 --> 00:48:53,119

am for sure

1196

00:48:57,750 --> 00:48:53,920

so

1197

00:49:00,470 --> 00:48:57,760

happy birthday to you sir

1198

00:49:03,510 --> 00:49:00,480

hopefully one day we will get to meet

1199

00:49:05,190 --> 00:49:03,520

um maybe i'll fly spaceship over to you

1200

00:49:07,349 --> 00:49:05,200

or vice versa

1201
00:49:11,270 --> 00:49:07,359
never know

1202
00:49:16,790 --> 00:49:13,430
yeah joe says multiple screens playing

1203
00:49:19,190 --> 00:49:16,800
always he's the real mvp

1204
00:49:21,430 --> 00:49:19,200
yeah you are the real mvp we love you

1205
00:49:22,950 --> 00:49:21,440
here joe so thank you so much happy

1206
00:49:24,470 --> 00:49:22,960
birthday

1207
00:49:26,390 --> 00:49:24,480
to you

1208
00:49:29,430 --> 00:49:26,400
sorry that was probably out of key i

1209
00:49:32,309 --> 00:49:29,440
need an instrument to stay in tune but

1210
00:49:34,870 --> 00:49:32,319
can't say i've never sung happy birthday

1211
00:49:36,710 --> 00:49:34,880
to people in my chat

1212
00:49:38,230 --> 00:49:36,720
so with that being said i'm going to get

1213
00:49:40,710 --> 00:49:38,240

out of here and enjoy some of the nice

1214

00:49:42,390 --> 00:49:40,720

weather out by me sitting at 80 degrees

1215

00:49:44,470 --> 00:49:42,400

today which typically is a little too

1216

00:49:48,150 --> 00:49:44,480

hot for me to be quite frank

1217

00:49:49,829 --> 00:49:48,160

but i'm going to figure it out so

1218

00:49:51,349 --> 00:49:49,839

thanks for hanging out being so kind

1219

00:49:53,750 --> 00:49:51,359

what an awesome show thanks to ralph

1220

00:49:55,589 --> 00:49:53,760

blumenthal for coming and surprising us

1221

00:49:57,510 --> 00:49:55,599

and coming on the show i do appreciate

1222

00:50:00,150 --> 00:49:57,520

it it's a great day it's a beautiful day

1223

00:50:01,990 --> 00:50:00,160

take this day to be happy um

1224

00:50:04,470 --> 00:50:02,000

you know all the all the trash and all

1225

00:50:05,670 --> 00:50:04,480

the drama twitter just ignore it focus

1226

00:50:07,910 --> 00:50:05,680

on this stuff

1227

00:50:09,910 --> 00:50:07,920

um everything else is just a side show

1228

00:50:12,470 --> 00:50:09,920

it's a distraction it's entertainment

1229

00:50:15,030 --> 00:50:12,480

we're focused on real stuff

1230

00:50:17,990 --> 00:50:15,040

um real stuff um

1231

00:50:21,030 --> 00:50:18,000

happening you know congress hearings

1232

00:50:22,630 --> 00:50:21,040

um all that uh we're doing the good work

1233

00:50:25,270 --> 00:50:22,640

here so

1234

00:50:27,190 --> 00:50:25,280

thanks again for everything and i will

1235

00:50:32,300 --> 00:50:27,200

check y'all later
