[Music]

2
00:00:23,750 --> 00:00:21,830

what's up everybody happy monday hope

3
00:00:26,310 --> 00:00:23,760

you had a good weekend

4
00:00:29,349 --> 00:00:26,320

um it is the weather's actually turned

5
00:00:30,390 --> 00:00:29,359

out to be pretty decent when i finally

6
00:00:31,830 --> 00:00:30,400

um

7
00:00:32,870 --> 00:00:31,840

so

8
00:00:34,389 --> 00:00:32,880

this will probably be like a

9
00:00:36,229 --> 00:00:34,399

three-minute interview then i'm gonna go

10
00:00:38,229 --> 00:00:36,239

outside and run around through a

11
00:00:40,310 --> 00:00:38,239

sprinkler

12
00:00:43,190 --> 00:00:40,320

probably not but

13
00:00:44,630 --> 00:00:43,200

thanks everybody for joining us uh dave

14

00:00:46,950 --> 00:00:44,640

david altman

15

00:00:48,229 --> 00:00:46,960

we had a great show not too long ago

16

00:00:52,069 --> 00:00:48,239

awesome

17

00:00:55,310 --> 00:00:52,079

benji josh andres jose

18

00:00:59,430 --> 00:00:55,320

uh everybody robert

19

00:01:01,430 --> 00:00:59,440

ntme9 what's up uh appreciate everybody

20

00:01:03,189 --> 00:01:01,440

hanging out we have a special guest

21

00:01:08,310 --> 00:01:03,199

today a former

22

00:01:13,350 --> 00:01:10,390

chief petty officer

23

00:01:15,749 --> 00:01:13,360

was on the princeton was around during

24

00:01:17,910 --> 00:01:15,759

the uh nimitz tic-tac event so we're

25

00:01:19,510 --> 00:01:17,920

going to talk with them about that i put

26

00:01:21,830 --> 00:01:19,520

something in the

27

00:01:23,830 --> 00:01:21,840

link in the description of this video to

28

00:01:25,109 --> 00:01:23,840

interview we did with dave beatty if you

29

00:01:26,710 --> 00:01:25,119

want to check that out you can do that

30

00:01:29,109 --> 00:01:26,720

too that's pretty good it's pretty uh

31

00:01:30,469 --> 00:01:29,119

detailed as far as insider baseball kind

32

00:01:32,069 --> 00:01:30,479

of stuff so

33

00:01:34,630 --> 00:01:32,079

that could be good to listen to if

34

00:01:37,030 --> 00:01:34,640

you're into that as well but

35

00:01:40,310 --> 00:01:37,040

um appreciate you hanging out and yeah

36

00:01:41,429 --> 00:01:40,320

without further ado i'll bring him in uh

37

00:01:42,550 --> 00:01:41,439

ryan

38

00:01:45,190 --> 00:01:42,560

wygilt

39

00:01:47,109 --> 00:01:45,200

um i appreciate you hanging out and yeah

40

00:01:47,990 --> 00:01:47,119

without further ado i'll bring

41

00:01:49,990 --> 00:01:48,000

in

42

00:01:51,429 --> 00:01:50,000

we got some echo

43

00:01:53,270 --> 00:01:51,439

yeah that's some really bad echo

44

00:01:56,630 --> 00:01:53,280

appreciate you hanging out and yeah

45

00:02:03,109 --> 00:02:00,069

do you have youtube open yes

46

00:02:08,309 --> 00:02:05,030

okay that's what happened sorry yeah

47

00:02:10,469 --> 00:02:08,319

there you go no that's okay that's okay

48

00:02:11,750 --> 00:02:10,479

i'm like oh man we were just talking

49

00:02:15,990 --> 00:02:11,760

okay

50

00:02:17,990 --> 00:02:16,000

though i was a first class so

51
00:02:19,670 --> 00:02:18,000
unfortunately it wasn't in that long

52
00:02:21,270 --> 00:02:19,680
didn't

53
00:02:23,990 --> 00:02:21,280
well you would have

54
00:02:26,550 --> 00:02:24,000
hopefully i think so see you later how

55
00:02:29,430 --> 00:02:26,560
long were you serving i served for 15

56
00:02:31,910 --> 00:02:29,440
years 15 years wow that's a long time so

57
00:02:33,350 --> 00:02:31,920
you weren't you're in about the you know

58
00:02:35,270 --> 00:02:33,360
serve your couple years or whatever and

59
00:02:37,670 --> 00:02:35,280
get out you must have really enjoyed it

60
00:02:38,790 --> 00:02:37,680
oh yeah i tried to do my 20.

61
00:02:40,710 --> 00:02:38,800
yeah

62
00:02:41,750 --> 00:02:40,720
um

63
00:02:43,430 --> 00:02:41,760

so

64

00:02:44,869 --> 00:02:43,440

tell me about actually let's start from

65

00:02:45,670 --> 00:02:44,879

the beginning tell me about what made

66

00:02:49,430 --> 00:02:45,680

you

67

00:02:51,030 --> 00:02:49,440

hard decision to make for a lot of

68

00:02:53,030 --> 00:02:51,040

people what kind of put you over the

69

00:02:54,070 --> 00:02:53,040

edge and made you say i want to serve my

70

00:02:55,270 --> 00:02:54,080

country

71

00:02:57,910 --> 00:02:55,280

uh

72

00:03:01,030 --> 00:02:57,920

well i grew up in a everybody served

73

00:03:02,550 --> 00:03:01,040

kind of family and

74

00:03:04,550 --> 00:03:02,560

young 17 year old didn't know what else

75

00:03:05,910 --> 00:03:04,560

to do with my life and figure it was the

76

00:03:08,070 --> 00:03:05,920

best choice to go

77

00:03:09,270 --> 00:03:08,080

figure out what to become so i joined

78

00:03:10,390 --> 00:03:09,280

the navy

79

00:03:12,550 --> 00:03:10,400

yeah

80

00:03:13,350 --> 00:03:12,560

um

81

00:03:15,750 --> 00:03:13,360

and

82

00:03:17,350 --> 00:03:15,760

so did did you wind up serving during it

83

00:03:19,990 --> 00:03:17,360

like um

84

00:03:22,550 --> 00:03:20,000

any wars or anything that

85

00:03:23,910 --> 00:03:22,560

was in from 1997 to

86

00:03:27,190 --> 00:03:23,920

2012

87

00:03:29,750 --> 00:03:27,200

but um all the operations i ended up in

88

00:03:32,550 --> 00:03:29,760

were south america so

89

00:03:33,670 --> 00:03:32,560

okay i never went out to the war zone

90

00:03:36,070 --> 00:03:33,680

yeah

91

00:03:37,830 --> 00:03:36,080

then i bet i bet you probably thought

92

00:03:39,910 --> 00:03:37,840

when you entered the navy that there

93

00:03:41,750 --> 00:03:39,920

would be a major ufo sighting that the

94

00:03:43,270 --> 00:03:41,760

papers would write about and stuff and

95

00:03:44,550 --> 00:03:43,280

i'd be doing interviews about it i

96

00:03:46,869 --> 00:03:44,560

didn't know this would happen that's

97

00:03:48,550 --> 00:03:46,879

pretty cool though yeah

98

00:03:50,229 --> 00:03:48,560

where were you ever

99

00:03:51,509 --> 00:03:50,239

did you ever even think about ufos

100

00:03:55,990 --> 00:03:51,519

before

101
00:03:57,670 --> 00:03:56,000
always believed in ufos you know i grew

102
00:04:01,110 --> 00:03:57,680
up watching you know shows like

103
00:04:03,750 --> 00:04:01,120
unidentified so you know or the x-files

104
00:04:05,270 --> 00:04:03,760
so i i always believe there was more out

105
00:04:06,309 --> 00:04:05,280
there that's for sure

106
00:04:07,990 --> 00:04:06,319
yeah

107
00:04:10,789 --> 00:04:08,000
you never believed that i would be a

108
00:04:12,309 --> 00:04:10,799
part of one that was so you know

109
00:04:14,630 --> 00:04:12,319
historic

110
00:04:16,949 --> 00:04:14,640
yeah that's that's for sure

111
00:04:19,349 --> 00:04:16,959
um so

112
00:04:20,469 --> 00:04:19,359
we we have that event and you know from

113
00:04:23,350 --> 00:04:20,479

listening to

114

00:04:26,150 --> 00:04:23,360

to dave beatty's this was a 2004 correct

115

00:04:28,870 --> 00:04:26,160

yes yeah so listening to dave beatty's

116

00:04:30,710 --> 00:04:28,880

interview with you sounds like you kind

117

00:04:32,950 --> 00:04:30,720

of found out about it

118

00:04:34,150 --> 00:04:32,960

because you went to down to the cic is

119

00:04:36,230 --> 00:04:34,160

it

120

00:04:39,030 --> 00:04:36,240

uh that's what i was uh

121

00:04:40,070 --> 00:04:39,040

on a phone call down in cic

122

00:04:42,390 --> 00:04:40,080

during

123

00:04:44,950 --> 00:04:42,400

the whole intercept issue so there was a

124

00:04:46,870 --> 00:04:44,960

lot of excitement going on down there

125

00:04:49,030 --> 00:04:46,880

so explain to me a little bit how that

126
00:04:49,990 --> 00:04:49,040
how that happened and what that looked

127
00:04:51,510 --> 00:04:50,000
like

128
00:04:54,629 --> 00:04:51,520
uh

129
00:04:57,350 --> 00:04:54,639
well it was you know just a

130
00:04:59,909 --> 00:04:57,360
area on the ship where i was making a

131
00:05:02,230 --> 00:04:59,919
security a secure phone call to i don't

132
00:05:04,710 --> 00:05:02,240
even remember exactly who anymore but i

133
00:05:06,550 --> 00:05:04,720
was on the phone there um

134
00:05:09,029 --> 00:05:06,560
there was you know radar operators

135
00:05:12,310 --> 00:05:09,039
sitting next to me they had screens

136
00:05:14,310 --> 00:05:12,320
going everybody was extremely excited

137
00:05:15,749 --> 00:05:14,320
about what they were seeing and watching

138
00:05:17,830 --> 00:05:15,759

what was going on

139

00:05:20,070 --> 00:05:17,840

um i was kind of more involved on my

140

00:05:22,150 --> 00:05:20,080

phone call than anything so

141

00:05:24,710 --> 00:05:22,160

sure you know i knew something was going

142

00:05:26,390 --> 00:05:24,720

on and they were really excited but

143

00:05:28,710 --> 00:05:26,400

you know sometimes

144

00:05:29,749 --> 00:05:28,720

it can be like that in there so

145

00:05:32,150 --> 00:05:29,759

yeah

146

00:05:35,029 --> 00:05:32,160

so that's that's uh actually brings up a

147

00:05:36,950 --> 00:05:35,039

good point so that energy that was

148

00:05:38,230 --> 00:05:36,960

kind of a miss during that time

149

00:05:40,550 --> 00:05:38,240

everybody's excited hooting and

150

00:05:41,909 --> 00:05:40,560

hollering and stuff that's kind of a

151
00:05:44,629 --> 00:05:41,919
familiar

152
00:05:45,909 --> 00:05:44,639
atmosphere down there well

153
00:05:49,990 --> 00:05:45,919
not

154
00:05:52,310 --> 00:05:50,000
but

155
00:05:54,469 --> 00:05:52,320
you know sometimes when you're with the

156
00:05:55,350 --> 00:05:54,479
battle group and there's a lot of

157
00:05:57,110 --> 00:05:55,360
you know

158
00:05:58,790 --> 00:05:57,120
things going on at the same time it can

159
00:06:01,189 --> 00:05:58,800
just become a very

160
00:06:03,510 --> 00:06:01,199
you know chaotic environment somewhat

161
00:06:08,309 --> 00:06:03,520
but most of the time it's kind of quiet

162
00:06:12,950 --> 00:06:11,189
yeah no i i can't imagine i had

163
00:06:14,390 --> 00:06:12,960

you know i had a grandfather and my dad

164

00:06:16,469 --> 00:06:14,400

was in the navy my grandfather was a

165

00:06:17,590 --> 00:06:16,479

cook world war ii and all that

166

00:06:18,469 --> 00:06:17,600

called them

167

00:06:19,430 --> 00:06:18,479

um

168

00:06:22,230 --> 00:06:19,440

cookie

169

00:06:25,510 --> 00:06:22,240

interestingly very creative

170

00:06:27,749 --> 00:06:25,520

but grandfather was on two ships in

171

00:06:30,950 --> 00:06:27,759

world war ii that sank so

172

00:06:33,749 --> 00:06:30,960

wow right oh my god two sinkings two

173

00:06:35,270 --> 00:06:33,759

ships that sank so wow nanny was there

174

00:06:37,830 --> 00:06:35,280

on d-day

175

00:06:40,469 --> 00:06:37,840

wow incredible

176

00:06:43,350 --> 00:06:40,479

but uh the attack on pearl harbor

177

00:06:45,909 --> 00:06:43,360

sure he was on his ship

178

00:06:47,670 --> 00:06:45,919

that is uh yeah that's a crazy story in

179

00:06:49,990 --> 00:06:47,680

and of itself with our aircraft carriers

180

00:06:52,230 --> 00:06:50,000

and ships like the navy right battle

181

00:06:53,189 --> 00:06:52,240

during world war ii is amazing so

182

00:06:54,790 --> 00:06:53,199

um

183

00:06:56,390 --> 00:06:54,800

so you're on the phone all this stuff is

184

00:06:58,950 --> 00:06:56,400

kind of uh people are hooting and

185

00:07:00,150 --> 00:06:58,960

hollering when did you first learn that

186

00:07:04,150 --> 00:07:00,160

it was

187

00:07:06,309 --> 00:07:04,160

a ufo that they had been tracking

188

00:07:09,270 --> 00:07:06,319

and that's why they were so excited

189

00:07:12,150 --> 00:07:09,280

well i mean i knew had known

190

00:07:14,150 --> 00:07:12,160

that we were tracking something

191

00:07:16,710 --> 00:07:14,160

and that it was

192

00:07:18,870 --> 00:07:16,720

you know serious but how serious i

193

00:07:20,710 --> 00:07:18,880

didn't know and i also didn't know if it

194

00:07:22,230 --> 00:07:20,720

was part of you know the operations that

195

00:07:23,749 --> 00:07:22,240

we were doing at the time

196

00:07:25,589 --> 00:07:23,759

sure because this was like the last

197

00:07:27,270 --> 00:07:25,599

workup that you do for your final

198

00:07:28,950 --> 00:07:27,280

qualifications you know before you go

199

00:07:30,950 --> 00:07:28,960

out on long trips

200

00:07:33,029 --> 00:07:30,960

okay gotcha so you were thinking maybe

201

00:07:35,430 --> 00:07:33,039

it was some sort of like uh test drill

202

00:07:37,189 --> 00:07:35,440

or something possibly more just not

203

00:07:38,070 --> 00:07:37,199

paying attention to it to be honest with

204

00:07:40,550 --> 00:07:38,080

you

205

00:07:42,710 --> 00:07:40,560

like it wasn't the the most important

206

00:07:44,710 --> 00:07:42,720

thing in my life at the moment and what

207

00:07:47,749 --> 00:07:44,720

was going on you know

208

00:07:49,430 --> 00:07:47,759

during that work up anyway so

209

00:07:51,589 --> 00:07:49,440

it was more brushed off i mean it was a

210

00:07:53,029 --> 00:07:51,599

story i told people you know throughout

211

00:07:54,710 --> 00:07:53,039

the years

212

00:07:56,309 --> 00:07:54,720

but

213

00:08:00,550 --> 00:07:56,319

not

214

00:08:01,510 --> 00:08:00,560

thinking like you're almost done or

215

00:08:02,869 --> 00:08:01,520

whatever

216

00:08:05,909 --> 00:08:02,879

yeah yeah

217

00:08:08,869 --> 00:08:07,270

before that

218

00:08:11,189 --> 00:08:08,879

you know you had how long are you

219

00:08:13,350 --> 00:08:11,199

serving up till then so you were there

220

00:08:14,950 --> 00:08:13,360

for quite a while before that

221

00:08:17,909 --> 00:08:14,960

was

222

00:08:19,830 --> 00:08:17,919

at least eight years or about eight yeah

223

00:08:22,150 --> 00:08:19,840

any seven

224

00:08:23,670 --> 00:08:22,160

anyone did you hear of anyone seeing

225

00:08:26,070 --> 00:08:23,680

anything

226

00:08:27,830 --> 00:08:26,080

any weird stuff even remotely close to

227

00:08:30,150 --> 00:08:27,840

that before that event anywhere else

228

00:08:31,110 --> 00:08:30,160

when you're in south america or anything

229

00:08:35,909 --> 00:08:31,120

never

230

00:08:36,790 --> 00:08:35,919

weird things out to sea

231

00:08:37,750 --> 00:08:36,800

but

232

00:08:39,190 --> 00:08:37,760

never

233

00:08:40,790 --> 00:08:39,200

anything like that

234

00:08:42,070 --> 00:08:40,800

yeah right

235

00:08:44,470 --> 00:08:42,080

um

236

00:08:46,230 --> 00:08:44,480

if people even talk about ufos on the

237

00:08:49,190 --> 00:08:46,240

boat or it was kind of like that wasn't

238

00:08:50,870 --> 00:08:49,200

even a thing or if it wasn't people

239

00:08:53,430 --> 00:08:50,880

yeah it wasn't really much of a

240

00:08:55,910 --> 00:08:53,440

conversation um yeah

241

00:08:58,550 --> 00:08:55,920

and and typically it would just be more

242

00:08:59,750 --> 00:08:58,560

of as humor you know people joking

243

00:09:02,150 --> 00:08:59,760

around

244

00:09:04,710 --> 00:09:02,160

interesting more than seriousness

245

00:09:06,710 --> 00:09:04,720

right well yeah that's kind of

246

00:09:10,230 --> 00:09:06,720

the world we live in you see a ufo your

247

00:09:11,030 --> 00:09:10,240

kind of tagged as a lunatic more or less

248

00:09:14,389 --> 00:09:11,040

right

249

00:09:15,829 --> 00:09:14,399

yeah so that's changing now but yeah

250

00:09:17,670 --> 00:09:15,839

yeah

251

00:09:19,430 --> 00:09:17,680

did you know um

252

00:09:21,590 --> 00:09:19,440

david fravor at the time that were you

253

00:09:23,990 --> 00:09:21,600

like aware of who that person was or

254

00:09:25,110 --> 00:09:24,000

diedrich or anything no no never met him

255

00:09:27,190 --> 00:09:25,120

in my life

256

00:09:28,790 --> 00:09:27,200

uh never knew about him never knew

257

00:09:30,710 --> 00:09:28,800

anything about him he's a completely

258

00:09:32,150 --> 00:09:30,720

different ship than i was on yeah

259

00:09:35,269 --> 00:09:32,160

because you're a princeton right yeah i

260

00:09:36,550 --> 00:09:35,279

was on the princeton okay gotcha

261

00:09:38,310 --> 00:09:36,560

um

262

00:09:40,470 --> 00:09:38,320

but then you headed over to the nimitz

263

00:09:42,550 --> 00:09:40,480

for some reason you said right no so

264

00:09:43,590 --> 00:09:42,560

i've never even been on the nimitz okay

265

00:09:46,550 --> 00:09:43,600

gotcha

266

00:09:49,110 --> 00:09:46,560

the funny story is i was trying to

267

00:09:51,350 --> 00:09:49,120

get off of the ship and go home because

268

00:09:53,350 --> 00:09:51,360

my wife at that time was having some

269

00:09:54,710 --> 00:09:53,360

issues with the pregnancies so i was

270

00:09:55,829 --> 00:09:54,720

trying to get home

271

00:09:58,230 --> 00:09:55,839

um

272

00:10:00,230 --> 00:09:58,240

i had worked out someone to replace me

273

00:10:01,509 --> 00:10:00,240

and everything but they wouldn't allow

274

00:10:03,110 --> 00:10:01,519

me to leave

275

00:10:05,910 --> 00:10:03,120

so you know i had been trying to get

276

00:10:07,030 --> 00:10:05,920

over to the ship but this whole incident

277

00:10:09,190 --> 00:10:07,040

had

278

00:10:11,670 --> 00:10:09,200

stopped me from being able to leave the

279

00:10:12,949 --> 00:10:11,680

battlegroup basically to go back home

280

00:10:14,630 --> 00:10:12,959

geez

281

00:10:16,150 --> 00:10:14,640

i hope everything turned out all right

282

00:10:18,630 --> 00:10:16,160

oh everything my daughter ended up being

283

00:10:21,430 --> 00:10:18,640

born she was perfectly healthy so so

284

00:10:23,269 --> 00:10:21,440

what a story you could tell her probably

285

00:10:26,550 --> 00:10:23,279

yeah you would never believe what

286

00:10:31,670 --> 00:10:28,710

so uh all that's

287

00:10:33,509 --> 00:10:31,680

happening in the the ship itself was

288

00:10:34,870 --> 00:10:33,519

now correct me if i'm wrong that the

289

00:10:38,389 --> 00:10:34,880

ship itself

290

00:10:40,870 --> 00:10:38,399

had like live tracking of this object or

291

00:10:45,670 --> 00:10:40,880

is that right yeah they have the spy

292

00:10:48,150 --> 00:10:45,680

radar on this ship so spies is extremely

293

00:10:52,470 --> 00:10:48,160

powerful radar i've

294

00:10:54,069 --> 00:10:52,480

literally seen it pick up a small

295

00:10:55,750 --> 00:10:54,079

30-foot vessel

296

00:10:57,110 --> 00:10:55,760

over 200 and

297

00:10:59,350 --> 00:10:57,120

i don't even remember it was over 200

298

00:11:02,230 --> 00:10:59,360

nautical miles away from us with

299

00:11:04,630 --> 00:11:02,240

pinpoint accuracy so i mean it's an

300

00:11:06,630 --> 00:11:04,640

extremely powerful radar i know they

301

00:11:09,030 --> 00:11:06,640

were doing a new

302

00:11:10,630 --> 00:11:09,040

program or

303

00:11:11,990 --> 00:11:10,640

something with it you know on this

304

00:11:13,509 --> 00:11:12,000

workup

305

00:11:16,069 --> 00:11:13,519

because they didn't have technicians

306

00:11:17,990 --> 00:11:16,079

that were there helping them um i

307

00:11:21,190 --> 00:11:18,000

remember that

308

00:11:24,389 --> 00:11:21,200

yeah but they're very you know it's

309

00:11:26,790 --> 00:11:24,399

like the carrier's number one go-to ship

310

00:11:28,389 --> 00:11:26,800

they really do a lot for the carrier

311

00:11:29,430 --> 00:11:28,399

yeah well that's what they should yeah

312

00:11:31,829 --> 00:11:29,440

it's like

313

00:11:34,150 --> 00:11:31,839

a living base or a floating base

314

00:11:35,030 --> 00:11:34,160

basically yeah yeah you got to take care

315

00:11:36,630 --> 00:11:35,040

of that

316

00:11:39,269 --> 00:11:36,640

um

317

00:11:42,310 --> 00:11:40,550

you're you're on this phone call

318

00:11:43,590 --> 00:11:42,320

everybody's kind of hollering you get

319

00:11:46,150 --> 00:11:43,600

off the phone

320

00:11:48,870 --> 00:11:46,160

you're kind of figuring out what this is

321

00:11:51,350 --> 00:11:48,880

and is that one you were able to

322

00:11:54,470 --> 00:11:51,360

see the video

323

00:11:57,910 --> 00:11:54,480

the video was going on while i was in

324

00:11:59,990 --> 00:11:57,920

combat okay so you know the

325

00:12:01,829 --> 00:12:00,000

all the aircraft

326
00:12:03,990 --> 00:12:01,839
are linked together you know the ships

327
00:12:05,640 --> 00:12:04,000
are linked together the aircraft you

328
00:12:06,790 --> 00:12:05,650
know they get downloads from

329
00:12:08,310 --> 00:12:06,800
[Music]

330
00:12:10,470 --> 00:12:08,320
or the ships get downloads from the

331
00:12:12,150 --> 00:12:10,480
aircraft so you know everything is

332
00:12:13,670 --> 00:12:12,160
monitored and

333
00:12:15,670 --> 00:12:13,680
that's what was going on in there while

334
00:12:16,710 --> 00:12:15,680
i was in there um

335
00:12:19,990 --> 00:12:16,720
yeah

336
00:12:21,750 --> 00:12:20,000
so i did see it on the screen

337
00:12:23,910 --> 00:12:21,760
it's really more of just you know a

338
00:12:26,150 --> 00:12:23,920

camera and again like i said i really

339

00:12:28,710 --> 00:12:26,160

was more paying attention to my phone

340

00:12:31,030 --> 00:12:28,720

call with at like i think i was with a

341

00:12:33,670 --> 00:12:31,040

command or another ship out there at the

342

00:12:38,870 --> 00:12:36,790

yeah it um if i remember correctly how

343

00:12:41,990 --> 00:12:38,880

long was the video if you would have had

344

00:12:43,269 --> 00:12:42,000

uh if you would had to guess

345

00:12:44,790 --> 00:12:43,279

well

346

00:12:45,750 --> 00:12:44,800

it was playing the whole time i was in

347

00:12:50,230 --> 00:12:45,760

there

348

00:12:54,710 --> 00:12:53,350

at least five minutes okay yeah

349

00:12:55,910 --> 00:12:54,720

i'd have to be on the phone for a good

350

00:12:58,710 --> 00:12:55,920

five minutes

351
00:13:00,710 --> 00:12:58,720
so we're getting ripped off man

352
00:13:02,310 --> 00:13:00,720
yeah there's a lot more there's a lot

353
00:13:03,990 --> 00:13:02,320
more

354
00:13:05,110 --> 00:13:04,000
do you remember seeing anything that

355
00:13:07,030 --> 00:13:05,120
would like

356
00:13:08,389 --> 00:13:07,040
i mean i can kind of assume the answer

357
00:13:10,230 --> 00:13:08,399
you remember seeing anything that would

358
00:13:12,150 --> 00:13:10,240
lead you to

359
00:13:13,670 --> 00:13:12,160
like assume why they would cut it up

360
00:13:16,470 --> 00:13:13,680
like that

361
00:13:18,870 --> 00:13:16,480
or was it all just basically what we've

362
00:13:20,870 --> 00:13:18,880
seen except longer

363
00:13:23,110 --> 00:13:20,880

um

364

00:13:24,629 --> 00:13:23,120

so

365

00:13:26,230 --> 00:13:24,639

i know that they

366

00:13:27,670 --> 00:13:26,240

can use

367

00:13:30,310 --> 00:13:27,680

you know clips

368

00:13:32,470 --> 00:13:30,320

as breathing points

369

00:13:33,590 --> 00:13:32,480

i've seen it um

370

00:13:35,670 --> 00:13:33,600

you know the

371

00:13:36,550 --> 00:13:35,680

there was a guy who had had his head cut

372

00:13:37,829 --> 00:13:36,560

off

373

00:13:40,389 --> 00:13:37,839

out to sea

374

00:13:41,430 --> 00:13:40,399

and it ended up on a website

375

00:13:43,430 --> 00:13:41,440

and

376

00:13:45,750 --> 00:13:43,440

they what they had taken is a download

377

00:13:48,790 --> 00:13:45,760

of a safety briefing

378

00:13:49,590 --> 00:13:48,800

that was leaked out so i know that they

379

00:13:52,230 --> 00:13:49,600

make

380

00:13:54,949 --> 00:13:52,240

clips from things and accidents and

381

00:13:56,790 --> 00:13:54,959

situations that happen as

382

00:13:59,990 --> 00:13:56,800

that because i've seen it happen you

383

00:14:00,949 --> 00:14:00,000

know yeah but uh

384

00:14:02,550 --> 00:14:00,959

i believe

385

00:14:04,550 --> 00:14:02,560

some type of a briefing someone had put

386

00:14:06,790 --> 00:14:04,560

in together and

387

00:14:08,870 --> 00:14:06,800

decided to leak out that way but i know

388

00:14:10,629 --> 00:14:08,880

that their the video was going on the

389

00:14:12,150 --> 00:14:10,639

whole time i was in that

390

00:14:15,030 --> 00:14:12,160

space so

391

00:14:17,910 --> 00:14:15,040

what typically happens with those videos

392

00:14:19,910 --> 00:14:17,920

uh after is it recording like 24 hours a

393

00:14:21,269 --> 00:14:19,920

day all the time and they can

394

00:14:22,470 --> 00:14:21,279

just kind of

395

00:14:24,949 --> 00:14:22,480

download it somewhere else when they

396

00:14:28,870 --> 00:14:24,959

wonder how does that work i have no idea

397

00:14:30,470 --> 00:14:28,880

honestly that's okay no clue um

398

00:14:32,150 --> 00:14:30,480

yeah i have no idea

399

00:14:33,829 --> 00:14:32,160

that's okay yeah

400

00:14:35,829 --> 00:14:33,839

um interesting

401
00:14:37,509 --> 00:14:35,839
man was anyone recording it with their

402
00:14:38,389 --> 00:14:37,519
cell phone

403
00:14:47,350 --> 00:14:38,399
no

404
00:14:49,430 --> 00:14:47,360
you're out to see it works anyway so got

405
00:14:51,269 --> 00:14:49,440
your blackberry up there

406
00:14:52,550 --> 00:14:51,279
yeah gotcha

407
00:14:54,470 --> 00:14:52,560
um

408
00:14:56,069 --> 00:14:54,480
so that happens when when did people

409
00:14:57,430 --> 00:14:56,079
come

410
00:15:00,150 --> 00:14:57,440
in

411
00:15:02,790 --> 00:15:00,160
like what's your version of

412
00:15:04,310 --> 00:15:02,800
um the air force folks that came

413
00:15:06,470 --> 00:15:04,320

and took

414

00:15:08,550 --> 00:15:06,480

some of the tapes or data or they had

415

00:15:10,790 --> 00:15:08,560

backpacks or something or like what's

416

00:15:12,790 --> 00:15:10,800

your um

417

00:15:13,590 --> 00:15:12,800

what's your story with that i guess

418

00:15:14,389 --> 00:15:13,600

so

419

00:15:16,230 --> 00:15:14,399

uh

420

00:15:18,870 --> 00:15:16,240

i was part of the air detachment on

421

00:15:19,670 --> 00:15:18,880

board so we were we had two helicopters

422

00:15:21,189 --> 00:15:19,680

there

423

00:15:22,790 --> 00:15:21,199

right and

424

00:15:24,829 --> 00:15:22,800

you know i have everything to do with

425

00:15:26,389 --> 00:15:24,839

what's going on in the flight deck

426

00:15:27,430 --> 00:15:26,399

um

427

00:15:30,629 --> 00:15:27,440

what's

428

00:15:33,749 --> 00:15:30,639

a typical situation is another aircraft

429

00:15:36,470 --> 00:15:33,759

lands on your deck and gets fuel or

430

00:15:37,269 --> 00:15:36,480

offloads passengers things like that

431

00:15:39,910 --> 00:15:37,279

well

432

00:15:42,470 --> 00:15:39,920

that evening that's what happened

433

00:15:44,550 --> 00:15:42,480

we had some officers who came in they

434

00:15:47,430 --> 00:15:44,560

were just wearing you know flight suits

435

00:15:49,189 --> 00:15:47,440

over their uniform type deal

436

00:15:52,230 --> 00:15:49,199

you know walked with purpose to where

437

00:15:53,189 --> 00:15:52,240

they were going and left a little while

438

00:15:55,269 --> 00:15:53,199

later

439

00:15:56,310 --> 00:15:55,279

i was out there so i saw these guys come

440

00:16:01,749 --> 00:15:56,320

on

441

00:16:03,590 --> 00:16:01,759

yeah is that was that like a normal

442

00:16:05,189 --> 00:16:03,600

routine thing or is that like never

443

00:16:10,230 --> 00:16:05,199

happened before

444

00:16:15,189 --> 00:16:11,749

i don't really remember ever picking up

445

00:16:17,910 --> 00:16:15,199

or having any visitors that stayed

446

00:16:19,990 --> 00:16:17,920

on any of my cruises or work ups but i'm

447

00:16:21,829 --> 00:16:20,000

not saying that it doesn't happen

448

00:16:24,710 --> 00:16:21,839

you know sometimes you know people can

449

00:16:31,509 --> 00:16:28,310

so it's not exactly uncommon but it's

450

00:16:33,430 --> 00:16:31,519

not common either yeah

451
00:16:35,110 --> 00:16:33,440
interesting and i mean the story is

452
00:16:37,269 --> 00:16:35,120
apparently they took the

453
00:16:38,069 --> 00:16:37,279
the data bricks or whatever

454
00:16:39,509 --> 00:16:38,079
um

455
00:16:41,110 --> 00:16:39,519
however that goes was there any talk

456
00:16:43,590 --> 00:16:41,120
about that afterwards

457
00:16:45,990 --> 00:16:43,600
no i know

458
00:16:47,509 --> 00:16:46,000
it's hard to remember exactly sure

459
00:16:48,550 --> 00:16:47,519
what's going on

460
00:16:49,670 --> 00:16:48,560
but

461
00:16:52,230 --> 00:16:49,680
i know

462
00:16:55,590 --> 00:16:52,240
one of our aircraft they

463
00:16:57,749 --> 00:16:55,600

took one of the boxes or something that

464

00:16:58,790 --> 00:16:57,759

you used to communicate with a battle

465

00:17:02,150 --> 00:16:58,800

group

466

00:17:03,269 --> 00:17:02,160

uh from one of our aircraft and they

467

00:17:05,829 --> 00:17:03,279

you know

468

00:17:07,429 --> 00:17:05,839

so they had taken something like that

469

00:17:09,189 --> 00:17:07,439

off of one of our aircraft and we had to

470

00:17:11,189 --> 00:17:09,199

go get another one

471

00:17:12,630 --> 00:17:11,199

later on

472

00:17:14,069 --> 00:17:12,640

interesting

473

00:17:16,829 --> 00:17:14,079

that is another

474

00:17:19,669 --> 00:17:16,839

thing i remember how or what exactly it

475

00:17:20,470 --> 00:17:19,679

was again i don't remember

476
00:17:23,590 --> 00:17:20,480
yeah

477
00:17:25,829 --> 00:17:23,600
you know so long ago and it wasn't the

478
00:17:27,350 --> 00:17:25,839
most important moment that i can

479
00:17:29,750 --> 00:17:27,360
remember

480
00:17:31,110 --> 00:17:29,760
yeah i mean you had no idea what

481
00:17:33,430 --> 00:17:31,120
it was going to turn out to be you

482
00:17:35,830 --> 00:17:33,440
probably thought if anything you know it

483
00:17:39,350 --> 00:17:35,840
wouldn't get much past

484
00:17:40,630 --> 00:17:39,360
you know the ocean so to speak yeah

485
00:17:42,950 --> 00:17:40,640
um

486
00:17:46,390 --> 00:17:42,960
let me ask you this just as for this

487
00:17:48,870 --> 00:17:46,400
it's like for some context i guess um

488
00:17:51,350 --> 00:17:48,880

when have you ever been through

489

00:17:53,909 --> 00:17:51,360

any sort of like training exercise where

490

00:17:55,510 --> 00:17:53,919

it was like a surprise exercise like

491

00:17:57,590 --> 00:17:55,520

you're just going through your routines

492

00:18:00,950 --> 00:17:57,600

and all of a sudden they surprise you

493

00:18:01,830 --> 00:18:00,960

with some sort of dramatic exercise no

494

00:18:04,310 --> 00:18:01,840

never

495

00:18:05,190 --> 00:18:04,320

yeah if you're going to do a drill or

496

00:18:07,270 --> 00:18:05,200

something

497

00:18:08,870 --> 00:18:07,280

you know what's going to happen

498

00:18:10,470 --> 00:18:08,880

yeah

499

00:18:12,630 --> 00:18:10,480

you know well before now there are

500

00:18:15,190 --> 00:18:12,640

situations emergencies happen and they

501
00:18:17,669 --> 00:18:15,200
do happen and i they happen kind of

502
00:18:19,430 --> 00:18:17,679
frequently sometimes you know those do

503
00:18:21,270 --> 00:18:19,440
happen and everybody changes their

504
00:18:24,470 --> 00:18:21,280
posture and

505
00:18:26,870 --> 00:18:24,480
but typically it's it's like an accident

506
00:18:27,590 --> 00:18:26,880
right now that's that's the only time

507
00:18:29,270 --> 00:18:27,600
that

508
00:18:30,789 --> 00:18:29,280
i've ever been

509
00:18:32,950 --> 00:18:30,799
you know oh we lost communication with

510
00:18:35,110 --> 00:18:32,960
the aircraft well they you know full

511
00:18:37,830 --> 00:18:35,120
speed ahead until we can to their last

512
00:18:40,789 --> 00:18:37,840
limited location you know

513
00:18:43,590 --> 00:18:40,799

so um any instances where there is like

514

00:18:45,590 --> 00:18:43,600

a foreign fighter or a foreign drone or

515

00:18:48,470 --> 00:18:45,600

anything in the area that you had to

516

00:18:50,150 --> 00:18:48,480

track down and id or anything

517

00:18:52,789 --> 00:18:50,160

um

518

00:18:57,029 --> 00:18:52,799

not any aircraft no

519

00:18:58,789 --> 00:18:57,039

ships yes um

520

00:19:00,549 --> 00:18:58,799

uh

521

00:19:01,590 --> 00:19:00,559

i call those like range followers or

522

00:19:03,510 --> 00:19:01,600

whatever

523

00:19:04,950 --> 00:19:03,520

the what are those called range

524

00:19:07,669 --> 00:19:04,960

followers

525

00:19:09,590 --> 00:19:07,679

i believe or something you don't really

526

00:19:12,150 --> 00:19:09,600

know maybe that's a newer thing i don't

527

00:19:14,710 --> 00:19:13,909

yeah i just know we've got you know

528

00:19:16,710 --> 00:19:14,720

we've

529

00:19:19,029 --> 00:19:16,720

certain chips you know i was involved

530

00:19:21,029 --> 00:19:19,039

with a lot of uh anti-drug smuggling

531

00:19:23,830 --> 00:19:21,039

stuff

532

00:19:26,870 --> 00:19:23,840

so you know

533

00:19:29,669 --> 00:19:26,880

yeah with south america i can imagine

534

00:19:31,510 --> 00:19:29,679

yeah so you got like those uh uh

535

00:19:32,310 --> 00:19:31,520

handmade submarines and stuff that they

536

00:19:33,990 --> 00:19:32,320

did

537

00:19:36,070 --> 00:19:34,000

that they made

538

00:19:38,549 --> 00:19:36,080

i've seen a submarine before out in

539

00:19:41,990 --> 00:19:38,559

south america in the middle of the ocean

540

00:19:47,190 --> 00:19:43,909

damn they're there

541

00:19:49,510 --> 00:19:47,200

yeah crazy literally saw it poke its

542

00:19:51,669 --> 00:19:49,520

whatever snorkel up and

543

00:19:53,190 --> 00:19:51,679

i started screaming out there and by the

544

00:19:55,029 --> 00:19:53,200

time somebody paid attention on the

545

00:19:56,310 --> 00:19:55,039

bridge it was gone

546

00:19:58,150 --> 00:19:56,320

wow

547

00:20:02,710 --> 00:19:58,160

that's gotta be kind of freaky it was

548

00:20:07,029 --> 00:20:05,590

poke out of the water like what is this

549

00:20:08,370 --> 00:20:07,039

what is kicking out of the water right

550

00:20:10,390 --> 00:20:08,380

now yeah can i help you

551
00:20:13,029 --> 00:20:10,400

[Laughter]

552
00:20:14,070 --> 00:20:13,039

uh yeah i don't want any trouble sir

553
00:20:15,029 --> 00:20:14,080

yeah

554
00:20:17,669 --> 00:20:15,039

um

555
00:20:19,510 --> 00:20:17,679

interesting so

556
00:20:21,990 --> 00:20:19,520

you know when exercises happen you're

557
00:20:25,110 --> 00:20:22,000

told beforehand

558
00:20:27,510 --> 00:20:25,120

you know so this happens it's it's like

559
00:20:30,710 --> 00:20:28,390

it's

560
00:20:32,149 --> 00:20:30,720

not normal basically you know like

561
00:20:34,630 --> 00:20:32,159

something like this happens it's not

562
00:20:35,909 --> 00:20:34,640

normal it's not an exercise basically if

563
00:20:39,029 --> 00:20:35,919

we go on

564

00:20:40,950 --> 00:20:39,039

you know um you know previous

565

00:20:42,230 --> 00:20:40,960

routines and and how things work on the

566

00:20:43,750 --> 00:20:42,240

on the ships

567

00:20:45,190 --> 00:20:43,760

basically

568

00:20:47,430 --> 00:20:45,200

um

569

00:20:49,909 --> 00:20:47,440

yeah and especially you know how it

570

00:20:52,950 --> 00:20:49,919

moved i was described to move pretty

571

00:20:55,830 --> 00:20:52,960

insane especially for 2004

572

00:20:58,070 --> 00:20:55,840

yeah and kevin day i i had spoken him

573

00:21:00,149 --> 00:20:58,080

you know quite a bit on the ship so i

574

00:21:02,630 --> 00:21:00,159

knew him at the time we weren't

575

00:21:04,470 --> 00:21:02,640

friends i kind of didn't like him that

576

00:21:06,230 --> 00:21:04,480

much but we did

577

00:21:07,750 --> 00:21:06,240

all meant with each other you know well

578

00:21:10,149 --> 00:21:07,760

he was a senior guy i was kind of a

579

00:21:12,149 --> 00:21:10,159

little junior and sure we had i don't

580

00:21:14,070 --> 00:21:12,159

remember but i know we had some

581

00:21:15,510 --> 00:21:14,080

differences between us but i mean we did

582

00:21:17,590 --> 00:21:15,520

deal with each other a lot and we did

583

00:21:18,470 --> 00:21:17,600

speak a lot and i knew that

584

00:21:20,310 --> 00:21:18,480

you know

585

00:21:21,430 --> 00:21:20,320

something was going on

586

00:21:23,830 --> 00:21:21,440

but

587

00:21:25,110 --> 00:21:23,840

you know what it was i really didn't

588

00:21:26,230 --> 00:21:25,120

care i guess

589

00:21:27,750 --> 00:21:26,240

too much

590

00:21:29,669 --> 00:21:27,760

because again like i said i don't want

591

00:21:31,110 --> 00:21:29,679

to sound like i didn't care but it was

592

00:21:33,190 --> 00:21:31,120

you know there was more for me to deal

593

00:21:34,789 --> 00:21:33,200

with out there you know getting people

594

00:21:36,149 --> 00:21:34,799

trained up

595

00:21:38,070 --> 00:21:36,159

sure

596

00:21:39,110 --> 00:21:38,080

no completely understand

597

00:21:40,549 --> 00:21:39,120

um

598

00:21:42,470 --> 00:21:40,559

you were committed to your position i

599

00:21:44,789 --> 00:21:42,480

mean you were there for a long time so

600

00:21:47,590 --> 00:21:44,799

yeah well i had been i was the only

601
00:21:49,590 --> 00:21:47,600
qualified person in my command

602
00:21:52,230 --> 00:21:49,600
so i got sent

603
00:21:53,909 --> 00:21:52,240
a lot out to sea to train people so i

604
00:21:55,990 --> 00:21:53,919
was kind of upset that i had to keep

605
00:21:58,230 --> 00:21:56,000
going out and this actually ended up the

606
00:21:59,830 --> 00:21:58,240
very last time i was out to see was on

607
00:22:01,430 --> 00:21:59,840
this this work

608
00:22:02,789 --> 00:22:01,440
that was the last time i ever uh stepped

609
00:22:05,190 --> 00:22:02,799
foot on a ship

610
00:22:07,990 --> 00:22:05,200
wow

611
00:22:09,110 --> 00:22:08,000
have you kept up with with anybody from

612
00:22:11,990 --> 00:22:09,120
that

613
00:22:13,669 --> 00:22:12,000

uh episode or event like afterwards or

614

00:22:15,430 --> 00:22:13,679

up until this day you're still friends

615

00:22:17,990 --> 00:22:15,440

with anybody you know i didn't keep up

616

00:22:20,789 --> 00:22:18,000

with anybody but i do kind of speak with

617

00:22:22,310 --> 00:22:20,799

a couple of them now

618

00:22:24,070 --> 00:22:22,320

there's just because you know we've met

619

00:22:26,870 --> 00:22:24,080

and through this you know

620

00:22:28,710 --> 00:22:26,880

yeah but uh no

621

00:22:30,230 --> 00:22:28,720

i talked to a few other people to see if

622

00:22:31,990 --> 00:22:30,240

they ever wanted to

623

00:22:33,510 --> 00:22:32,000

you know maybe talk about it or if they

624

00:22:36,470 --> 00:22:33,520

remember anything about it but no one

625

00:22:37,590 --> 00:22:36,480

ever really would reply to me so i guess

626

00:22:40,390 --> 00:22:37,600

they didn't want to talk about it or

627

00:22:43,510 --> 00:22:40,400

they just didn't know anything about it

628

00:22:45,270 --> 00:22:43,520

yeah i would say maybe uh

629

00:22:46,870 --> 00:22:45,280

you know i'm just speculating but maybe

630

00:22:48,710 --> 00:22:46,880

they didn't want to talk about it

631

00:22:51,350 --> 00:22:48,720

because otherwise you can say i don't

632

00:22:52,789 --> 00:22:51,360

know anything about it

633

00:22:55,270 --> 00:22:52,799

which is kind of saying the same thing

634

00:22:56,840 --> 00:22:55,280

right but yeah um

635

00:22:59,510 --> 00:22:56,850

except not so rude

636

00:23:00,470 --> 00:22:59,520

[Laughter]

637

00:23:01,430 --> 00:23:00,480

yeah

638

00:23:02,870 --> 00:23:01,440

uh

639

00:23:04,630 --> 00:23:02,880

interesting

640

00:23:06,549 --> 00:23:04,640

so

641

00:23:08,710 --> 00:23:06,559

i guess i mean there's you know it

642

00:23:11,029 --> 00:23:08,720

because you didn't see it yourself so

643

00:23:13,110 --> 00:23:11,039

like there's not a whole lot you could

644

00:23:14,950 --> 00:23:13,120

say but i think

645

00:23:17,110 --> 00:23:14,960

you know the the fact that it's never

646

00:23:18,789 --> 00:23:17,120

happened before have you ever in it i

647

00:23:20,830 --> 00:23:18,799

mean i'm sure you have but have you

648

00:23:24,630 --> 00:23:20,840

encountered

649

00:23:26,710 --> 00:23:24,640

um like uh a test vehicle of any sort

650

00:23:28,630 --> 00:23:26,720

you know and was there any precedence

651
00:23:31,270 --> 00:23:28,640
for how that works

652
00:23:36,149 --> 00:23:33,590
we ran across uh

653
00:23:38,789 --> 00:23:36,159
f35

654
00:23:42,070 --> 00:23:38,799
in 2000 and

655
00:23:43,350 --> 00:23:42,080
i would guess 2002 2003

656
00:23:45,430 --> 00:23:43,360
um

657
00:23:47,029 --> 00:23:45,440
so that was an interesting thing to find

658
00:23:49,110 --> 00:23:47,039
one day we were working getting ready to

659
00:23:51,029 --> 00:23:49,120
go out to sea on a weekend

660
00:23:52,789 --> 00:23:51,039
and

661
00:23:54,230 --> 00:23:52,799
they were taxing the helicopter out when

662
00:23:56,870 --> 00:23:54,240
they came back in they're like hey you

663
00:23:58,950 --> 00:23:56,880

know we got this f-35 sitting away over

664

00:24:00,870 --> 00:23:58,960

here we should go check it out so you

665

00:24:02,830 --> 00:24:00,880

know a few of them did

666

00:24:05,430 --> 00:24:02,840

um that was the most

667

00:24:07,669 --> 00:24:05,440

secret type thing i ever

668

00:24:10,789 --> 00:24:07,679

ran across in my

669

00:24:15,350 --> 00:24:13,269

any training exercises with aerial

670

00:24:16,390 --> 00:24:15,360

vehicles at all that you've

671

00:24:17,510 --> 00:24:16,400

like

672

00:24:20,390 --> 00:24:17,520

had to

673

00:24:21,830 --> 00:24:20,400

uh conduct or do and if so if there's

674

00:24:23,430 --> 00:24:21,840

anything you can share about that how

675

00:24:25,029 --> 00:24:23,440

that works

676
00:24:27,990 --> 00:24:25,039
yeah never

677
00:24:29,830 --> 00:24:28,000
never did anything like that never was

678
00:24:31,750 --> 00:24:29,840
in a part like there was never a

679
00:24:33,430 --> 00:24:31,760
situation

680
00:24:35,669 --> 00:24:33,440
yeah

681
00:24:37,430 --> 00:24:35,679
what made you want to speak out about uh

682
00:24:39,590 --> 00:24:37,440
about the incident

683
00:24:42,310 --> 00:24:39,600
well um i actually

684
00:24:43,430 --> 00:24:42,320
ran across the documentary that dave

685
00:24:46,149 --> 00:24:43,440
beatty did

686
00:24:47,990 --> 00:24:46,159
yeah on youtube one day and watched it

687
00:24:49,430 --> 00:24:48,000
and at the end i got in contact with him

688
00:24:50,789 --> 00:24:49,440

just because you know i saw a lot of

689

00:24:52,390 --> 00:24:50,799

people who

690

00:24:54,549 --> 00:24:52,400

you know were

691

00:24:56,470 --> 00:24:54,559

you know bashing an incident that and

692

00:24:58,230 --> 00:24:56,480

people who

693

00:24:59,190 --> 00:24:58,240

i happen to know that this actually

694

00:25:01,909 --> 00:24:59,200

happened

695

00:25:04,390 --> 00:25:01,919

and i can you know lend into their story

696

00:25:06,870 --> 00:25:04,400

and add more witnesses to it so i kind

697

00:25:08,710 --> 00:25:06,880

of just came forward to help them

698

00:25:09,909 --> 00:25:08,720

yeah let them know yeah this really did

699

00:25:11,909 --> 00:25:09,919

happen

700

00:25:13,669 --> 00:25:11,919

you know yeah well that's nice yeah i

701
00:25:15,669 --> 00:25:13,679
mean first of all thank you for your

702
00:25:16,870 --> 00:25:15,679
service it's a long time you served and

703
00:25:18,950 --> 00:25:16,880
you know

704
00:25:20,870 --> 00:25:18,960
doing that is is not a

705
00:25:21,909 --> 00:25:20,880
it's not an easy choice to make either

706
00:25:23,669 --> 00:25:21,919
you know

707
00:25:26,390 --> 00:25:23,679
getting involved with that and even put

708
00:25:28,630 --> 00:25:26,400
your name out there like that have you

709
00:25:31,750 --> 00:25:28,640
um received any

710
00:25:33,990 --> 00:25:31,760
crap so to speak from people afterwards

711
00:25:36,870 --> 00:25:34,000
no but that's probably because i'm just

712
00:25:39,510 --> 00:25:36,880
not really into the internet or social

713
00:25:41,510 --> 00:25:39,520

media like you know where you are today

714

00:25:43,830 --> 00:25:41,520

so i haven't ran across it there might

715

00:25:46,070 --> 00:25:43,840

be out there but i've never read it so

716

00:25:47,909 --> 00:25:46,080

yeah well yeah if you don't know about

717

00:25:48,950 --> 00:25:47,919

it didn't happen right

718

00:25:50,470 --> 00:25:48,960

yeah

719

00:25:53,029 --> 00:25:50,480

um

720

00:25:54,470 --> 00:25:53,039

anything from that event or i guess

721

00:25:56,230 --> 00:25:54,480

anything in general that you would want

722

00:25:58,630 --> 00:25:56,240

people to know about it that maybe no

723

00:25:59,830 --> 00:25:58,640

one's asked you about or anything like

724

00:26:04,789 --> 00:25:59,840

that

725

00:26:08,230 --> 00:26:06,549

just you know i just want people to know

726

00:26:09,750 --> 00:26:08,240

that it really did happen

727

00:26:12,230 --> 00:26:09,760

you know and i'm glad that the

728

00:26:14,870 --> 00:26:12,240

government has come out and is starting

729

00:26:16,310 --> 00:26:14,880

to admit that there's stuff out there

730

00:26:17,990 --> 00:26:16,320

that we don't know

731

00:26:20,070 --> 00:26:18,000

about it you know

732

00:26:21,590 --> 00:26:20,080

and from what i'm understanding is

733

00:26:23,830 --> 00:26:21,600

they're finding it more and more and

734

00:26:25,669 --> 00:26:23,840

more every day which is

735

00:26:26,470 --> 00:26:25,679

exhilarating and terrifying at the same

736

00:26:27,990 --> 00:26:26,480

time

737

00:26:29,990 --> 00:26:28,000

so

738

00:26:33,029 --> 00:26:30,000

you know

739

00:26:35,350 --> 00:26:33,039

i've just questioned

740

00:26:36,310 --> 00:26:35,360

question what you're being told i guess

741

00:26:39,350 --> 00:26:36,320

yeah

742

00:26:42,230 --> 00:26:39,360

no i hear you um

743

00:26:43,190 --> 00:26:42,240

have you seen anything weird since

744

00:26:44,789 --> 00:26:43,200

um

745

00:26:46,390 --> 00:26:44,799

i know you didn't see it then but i've

746

00:26:48,390 --> 00:26:46,400

seen since

747

00:26:50,470 --> 00:26:48,400

um

748

00:26:52,149 --> 00:26:50,480

uh i know we were talking earlier and i

749

00:26:54,470 --> 00:26:52,159

completely had forgotten about this but

750

00:26:56,710 --> 00:26:54,480

i had lived in phoenix for a few years

751
00:26:59,990 --> 00:26:56,720
and there was one night i was

752
00:27:01,669 --> 00:27:00,000
driving on the 101 freeway and there was

753
00:27:03,750 --> 00:27:01,679
this fire

754
00:27:05,669 --> 00:27:03,760
going on in the sky

755
00:27:07,510 --> 00:27:05,679
and it had been sitting there it was

756
00:27:09,590 --> 00:27:07,520
just sitting by the side of a mountain

757
00:27:11,110 --> 00:27:09,600
just kind of going up into the sky and

758
00:27:13,350 --> 00:27:11,120
by the time i got my camera out and took

759
00:27:14,870 --> 00:27:13,360
a picture and looked at it all you can

760
00:27:16,310 --> 00:27:14,880
see is this light and it just

761
00:27:17,190 --> 00:27:16,320
disappeared

762
00:27:19,830 --> 00:27:17,200
wow

763
00:27:21,669 --> 00:27:19,840

so that was something odd that i've seen

764

00:27:24,149 --> 00:27:21,679

yeah it's like

765

00:27:25,510 --> 00:27:24,159

right what the heck what the heck is

766

00:27:27,750 --> 00:27:25,520

that

767

00:27:29,510 --> 00:27:27,760

something weird it was a fire in the sky

768

00:27:31,669 --> 00:27:29,520

and it just disappeared but i know i

769

00:27:32,830 --> 00:27:31,679

don't have any proof because the picture

770

00:27:35,350 --> 00:27:32,840

came out

771

00:27:37,510 --> 00:27:35,360

yeah no i totally know you mean even if

772

00:27:40,070 --> 00:27:37,520

you had a picture of video

773

00:27:42,630 --> 00:27:40,080

you know it's like

774

00:27:44,789 --> 00:27:42,640

it never looks like what you what it no

775

00:27:48,789 --> 00:27:44,799

what you saw in person it doesn't you

776

00:27:51,350 --> 00:27:48,799

know seeing the uh spacex

777

00:27:53,190 --> 00:27:51,360

whatever capsule that came back i was in

778

00:27:55,909 --> 00:27:53,200

oregon you know living up here at the

779

00:27:58,230 --> 00:27:55,919

time in la pine and you know we were

780

00:27:59,510 --> 00:27:58,240

outside and that came and re-entered and

781

00:28:02,470 --> 00:27:59,520

that was another

782

00:28:04,310 --> 00:28:02,480

kind of scary looking site for sure you

783

00:28:07,350 --> 00:28:04,320

know don't know what that is but there's

784

00:28:09,669 --> 00:28:07,360

a bunch of fire coming in from

785

00:28:10,680 --> 00:28:09,679

that looks that doesn't look normal

786

00:28:12,789 --> 00:28:10,690

or i don't know

787

00:28:15,029 --> 00:28:12,799

[Laughter]

788

00:28:16,789 --> 00:28:15,039

uh this is a good question that do you

789

00:28:19,029 --> 00:28:16,799

mind taking questions from the people

790

00:28:21,190 --> 00:28:19,039

hanging out here in the chat at all so

791

00:28:23,669 --> 00:28:21,200

yeah so if anyone has a question

792

00:28:25,669 --> 00:28:23,679

um you can pay me to ask it which would

793

00:28:27,669 --> 00:28:25,679

be awesome but you also don't have to

794

00:28:28,549 --> 00:28:27,679

you can just type in the question

795

00:28:31,269 --> 00:28:28,559

too

796

00:28:33,029 --> 00:28:31,279

uh the main one here is now because that

797

00:28:34,070 --> 00:28:33,039

was your last time on the boat i would

798

00:28:35,830 --> 00:28:34,080

assume

799

00:28:38,470 --> 00:28:35,840

that you may not have experience with

800

00:28:42,830 --> 00:28:38,480

this but did the conversations change

801
00:28:46,789 --> 00:28:44,789
um

802
00:28:48,870 --> 00:28:46,799
you know i

803
00:28:50,870 --> 00:28:48,880
i guess i would say that

804
00:28:52,310 --> 00:28:50,880
you know because i we knew something was

805
00:28:53,190 --> 00:28:52,320
going on we didn't know exactly what it

806
00:28:54,789 --> 00:28:53,200
was

807
00:28:56,549 --> 00:28:54,799
that you know

808
00:28:59,110 --> 00:28:56,559
i brought it up and i would speak about

809
00:29:01,350 --> 00:28:59,120
it i wasn't ashamed to say anything like

810
00:29:02,230 --> 00:29:01,360
that um

811
00:29:05,029 --> 00:29:02,240
but

812
00:29:06,789 --> 00:29:05,039
because i've been gone for so long now i

813
00:29:09,750 --> 00:29:06,799

really don't know what it is today but i

814

00:29:13,029 --> 00:29:09,760

would i would guess it's a lot more

815

00:29:14,870 --> 00:29:13,039

it's i'll bet it's changed quite a bit

816

00:29:17,590 --> 00:29:14,880

yeah it would have to right

817

00:29:18,789 --> 00:29:17,600

i mean the 60 minutes piece alone like

818

00:29:20,470 --> 00:29:18,799

it

819

00:29:21,830 --> 00:29:20,480

you'd think uh yeah people would be

820

00:29:24,389 --> 00:29:21,840

taking that a little more serious i

821

00:29:25,830 --> 00:29:24,399

guess yeah um

822

00:29:27,350 --> 00:29:25,840

no like i watch

823

00:29:29,750 --> 00:29:27,360

you're in that um

824

00:29:32,470 --> 00:29:29,760

uh tear in the sky as well aren't you

825

00:29:34,070 --> 00:29:32,480

yes yeah yeah so what did uh what was

826

00:29:37,190 --> 00:29:34,080

your part that you played in that what

827

00:29:39,269 --> 00:29:37,200

did you do they uh asked invited me to

828

00:29:41,269 --> 00:29:39,279

come out and just kind of hang out with

829

00:29:43,669 --> 00:29:41,279

them for a day

830

00:29:46,630 --> 00:29:43,679

and so that's what i did kind of got to

831

00:29:48,310 --> 00:29:46,640

meet everybody for the first time um

832

00:29:49,909 --> 00:29:48,320

cool and then they did a little bit of

833

00:29:51,590 --> 00:29:49,919

filming there was more they were showing

834

00:29:53,269 --> 00:29:51,600

me everything they were doing

835

00:29:54,870 --> 00:29:53,279

and all the equipment they got they

836

00:29:56,870 --> 00:29:54,880

really had

837

00:29:57,909 --> 00:29:56,880

dave altman really put together

838

00:29:58,789 --> 00:29:57,919

you know with

839

00:30:01,110 --> 00:29:58,799

um

840

00:30:03,110 --> 00:30:01,120

caroline just an amazing

841

00:30:04,310 --> 00:30:03,120

expedition thing so it was very

842

00:30:05,830 --> 00:30:04,320

interesting to go out there and check

843

00:30:06,789 --> 00:30:05,840

out what they had

844

00:30:09,029 --> 00:30:06,799

yeah

845

00:30:10,870 --> 00:30:09,039

in your expert well what was your

846

00:30:13,269 --> 00:30:10,880

expertise in the navy was it kind of

847

00:30:14,389 --> 00:30:13,279

like radar stuff or what was it uh so i

848

00:30:17,110 --> 00:30:14,399

was a

849

00:30:19,269 --> 00:30:17,120

aviation machinist mate i worked okay uh

850

00:30:20,310 --> 00:30:19,279

h60 helicopters i was a power plant

851

00:30:22,789 --> 00:30:20,320

mechanic

852

00:30:24,789 --> 00:30:22,799

uh right um but at that time i was

853

00:30:26,870 --> 00:30:24,799

training up those detachments to go out

854

00:30:28,149 --> 00:30:26,880

to sea so

855

00:30:30,389 --> 00:30:28,159

yeah

856

00:30:32,389 --> 00:30:30,399

i guess you know it's just a

857

00:30:33,269 --> 00:30:32,399

whatever i was doing at the time

858

00:30:37,830 --> 00:30:33,279

yeah

859

00:30:39,350 --> 00:30:37,840

gets any like power plant things going

860

00:30:41,669 --> 00:30:39,360

on you can uh

861

00:30:43,750 --> 00:30:41,679

maybe we'll see

862

00:30:45,990 --> 00:30:43,760

yeah you could help out with that uh did

863

00:30:47,269 --> 00:30:46,000

you enjoy that process you know taking

864

00:30:49,430 --> 00:30:47,279

part in the movie and all that kind of

865

00:30:52,310 --> 00:30:49,440

stuff yeah it was fun it was definitely

866

00:30:54,310 --> 00:30:52,320

fun it was an interesting time um

867

00:30:56,549 --> 00:30:54,320

there's a lot going on there was a lot

868

00:30:58,470 --> 00:30:56,559

of data i know they they got a lot of

869

00:31:00,950 --> 00:30:58,480

stuff it was pretty amazing what they

870

00:31:03,350 --> 00:31:00,960

did i hope they can do more

871

00:31:10,470 --> 00:31:08,230

me too uh dave all my kicks butt yes um

872

00:31:13,669 --> 00:31:10,480

i don't know what this is but

873

00:31:15,990 --> 00:31:13,679

did you ever experience a darkened ship

874

00:31:17,190 --> 00:31:16,000

with no obvious reason

875

00:31:19,029 --> 00:31:17,200

um

876

00:31:20,230 --> 00:31:19,039

i don't know what that reference is but

877

00:31:22,710 --> 00:31:20,240

very well

878

00:31:27,190 --> 00:31:22,720

so they darken the ship every single

879

00:31:28,870 --> 00:31:27,200

night okay um we go dark at sunset and

880

00:31:31,750 --> 00:31:28,880

there's no light allowed outside of the

881

00:31:33,669 --> 00:31:31,760

ship until sunrise and that's uh every

882

00:31:34,630 --> 00:31:33,679

single day thing so

883

00:31:36,470 --> 00:31:34,640

okay

884

00:31:38,389 --> 00:31:36,480

well then i guess they're asking it did

885

00:31:39,909 --> 00:31:38,399

that ever happen

886

00:31:42,230 --> 00:31:39,919

out of the ordinary

887

00:31:44,950 --> 00:31:42,240

uh you've experienced

888

00:31:47,509 --> 00:31:44,960

it it's kind of it's an ordinary thing

889

00:31:50,149 --> 00:31:47,519

it's never they are very

890

00:31:51,430 --> 00:31:50,159

very anal about their light at night

891

00:31:52,710 --> 00:31:51,440

yeah you don't want light shining

892

00:31:54,630 --> 00:31:52,720

outside at night they just don't want

893

00:31:56,470 --> 00:31:54,640

you they don't want to be seen

894

00:31:57,990 --> 00:31:56,480

right so and they're very

895

00:32:00,389 --> 00:31:58,000

anal about it

896

00:32:02,149 --> 00:32:00,399

it's something i got this and it's just

897

00:32:03,909 --> 00:32:02,159

it's bred into you there

898

00:32:05,590 --> 00:32:03,919

i got a good comment here ryan who's

899

00:32:07,029 --> 00:32:05,600

great in the movie

900

00:32:09,990 --> 00:32:07,039

it's one of my favorite scenes in the

901
00:32:11,909 --> 00:32:10,000
whole movie look at that right

902
00:32:13,430 --> 00:32:11,919
pretty pretty nice pretty good stuff

903
00:32:15,269 --> 00:32:13,440
right there

904
00:32:16,070 --> 00:32:15,279
um

905
00:32:21,269 --> 00:32:16,080
is

906
00:32:25,830 --> 00:32:21,279
you want to

907
00:32:28,310 --> 00:32:25,840
conversation or do you prefer to

908
00:32:30,149 --> 00:32:28,320
you know do your thing and fish or like

909
00:32:32,950 --> 00:32:30,159
what yeah what's yours i'm all about

910
00:32:34,870 --> 00:32:32,960
having a conversation any time so you

911
00:32:36,870 --> 00:32:34,880
know i'm

912
00:32:39,830 --> 00:32:36,880
i would like to learn more i watched a

913
00:32:40,710 --> 00:32:39,840

lot of documentaries but that's you know

914

00:32:41,750 --> 00:32:40,720

yeah

915

00:32:43,269 --> 00:32:41,760

sure

916

00:32:46,470 --> 00:32:43,279

there's a lot going on right now and i

917

00:32:48,070 --> 00:32:46,480

think it's a very very exciting time so

918

00:32:49,269 --> 00:32:48,080

yeah

919

00:32:51,190 --> 00:32:49,279

um

920

00:32:52,470 --> 00:32:51,200

i'm just gonna rewind a little bit back

921

00:32:53,669 --> 00:32:52,480

to

922

00:32:56,230 --> 00:32:53,679

um

923

00:32:57,350 --> 00:32:56,240

when that happened just to get a better

924

00:32:59,750 --> 00:32:57,360

feel for

925

00:33:02,070 --> 00:32:59,760

what the atmosphere was like because you

926
00:33:03,669 --> 00:33:02,080
know a lot of the reason that you know

927
00:33:05,430 --> 00:33:03,679
we're told

928
00:33:07,750 --> 00:33:05,440
by the government or whoever that were

929
00:33:10,149 --> 00:33:07,760
that we can't be told about ufos or this

930
00:33:12,310 --> 00:33:10,159
or that is because it could create like

931
00:33:14,230 --> 00:33:12,320
a mass hysteria thing so i think this is

932
00:33:16,149 --> 00:33:14,240
a good question is

933
00:33:18,310 --> 00:33:16,159
you know when what that was happening

934
00:33:20,230 --> 00:33:18,320
did you get a sense of mass hysteria

935
00:33:22,470 --> 00:33:20,240
from everybody or were people just

936
00:33:24,950 --> 00:33:22,480
generally excited but still cool calm

937
00:33:29,110 --> 00:33:24,960
and maintained excited cool calm and

938
00:33:31,110 --> 00:33:29,120

maintained yeah see come on man right

939

00:33:31,990 --> 00:33:31,120

yes

940

00:33:33,750 --> 00:33:32,000

yeah

941

00:33:36,789 --> 00:33:33,760

right

942

00:33:39,110 --> 00:33:36,799

that would be a good time to experience

943

00:33:40,389 --> 00:33:39,120

that thank you that was going to happen

944

00:33:42,630 --> 00:33:40,399

but

945

00:33:45,190 --> 00:33:42,640

um

946

00:33:47,990 --> 00:33:45,200

how old are people generally genuinely

947

00:33:50,950 --> 00:33:48,000

or generally on the boat

948

00:33:54,389 --> 00:33:50,960

kind of all over from 17

949

00:33:55,830 --> 00:33:54,399

to whatever you you do have a large

950

00:33:58,950 --> 00:33:55,840

uh

951
00:34:02,789 --> 00:33:58,960
group of everybody but the majority of

952
00:34:04,470 --> 00:34:02,799
the guys are 18 to 22 years old you know

953
00:34:05,509 --> 00:34:04,480
that's the majority of the military

954
00:34:07,750 --> 00:34:05,519
right there

955
00:34:08,629 --> 00:34:07,760
yeah our young men so

956
00:34:10,230 --> 00:34:08,639
yeah

957
00:34:12,869 --> 00:34:10,240
but that you know you do have older

958
00:34:15,349 --> 00:34:12,879
people um they seem to be wanting to

959
00:34:16,629 --> 00:34:15,359
phase out the guys you know the older

960
00:34:18,230 --> 00:34:16,639
guys and they just

961
00:34:20,629 --> 00:34:18,240
i don't i don't know what the military

962
00:34:22,950 --> 00:34:20,639
is doing today but

963
00:34:23,909 --> 00:34:22,960

i think there's a lot of right

964

00:34:25,109 --> 00:34:23,919

and

965

00:34:25,909 --> 00:34:25,119

you know

966

00:34:27,990 --> 00:34:25,919

go

967

00:34:30,230 --> 00:34:28,000

they're ageist

968

00:34:34,470 --> 00:34:30,240

yeah

969

00:34:38,389 --> 00:34:34,480

clearly

970

00:34:41,750 --> 00:34:38,399

uh has ryan ever seen a fast mover uh

971

00:34:44,550 --> 00:34:41,760

how regular were those occasions if so

972

00:34:47,270 --> 00:34:44,560

i unfortunately never got to see a fast

973

00:34:49,589 --> 00:34:47,280

mover so um

974

00:34:51,589 --> 00:34:49,599

i've i've seen satellites

975

00:34:53,589 --> 00:34:51,599

you know those move pretty fast that's

976
00:34:54,869 --> 00:34:53,599
the fastest thing you know i've i've

977
00:34:56,230 --> 00:34:54,879
gotten to see

978
00:34:58,069 --> 00:34:56,240
with my own eye

979
00:35:02,710 --> 00:34:58,079
yeah

980
00:35:08,870 --> 00:35:05,270
when you um

981
00:35:10,150 --> 00:35:08,880
when you contacted uh dave beatty to to

982
00:35:11,670 --> 00:35:10,160
you know kind of vouch for this

983
00:35:13,670 --> 00:35:11,680
experience

984
00:35:15,270 --> 00:35:13,680
um

985
00:35:16,950 --> 00:35:15,280
was that a hard decision for you to make

986
00:35:18,310 --> 00:35:16,960
what were you what were you thinking or

987
00:35:19,910 --> 00:35:18,320
feeling like

988
00:35:22,550 --> 00:35:19,920

or was it just pretty much like this is

989

00:35:24,150 --> 00:35:22,560

my duty i gotta do it i i felt like i

990

00:35:26,870 --> 00:35:24,160

had to to

991

00:35:29,109 --> 00:35:26,880

contact him you know i saw a thing where

992

00:35:30,870 --> 00:35:29,119

he asked you know right

993

00:35:32,790 --> 00:35:30,880

do you have anything you can add into

994

00:35:33,670 --> 00:35:32,800

this and i knew i did

995

00:35:35,349 --> 00:35:33,680

you know

996

00:35:37,349 --> 00:35:35,359

after seeing it i'm like oh man i just

997

00:35:40,790 --> 00:35:37,359

watch it i'm like oh my goodness i can't

998

00:35:42,710 --> 00:35:40,800

i remember this i remember oh my gosh

999

00:35:45,750 --> 00:35:42,720

it was an eye-opening to me it really

1000

00:35:47,750 --> 00:35:45,760

brought me back

1001
00:35:48,710 --> 00:35:47,760
are there um and you probably don't

1002
00:35:50,550 --> 00:35:48,720
remember

1003
00:35:52,550 --> 00:35:50,560
you know with all the time you spent in

1004
00:35:54,230 --> 00:35:52,560
the navy you don't remember every day

1005
00:35:56,950 --> 00:35:54,240
like you do that day

1006
00:35:59,670 --> 00:35:56,960
no definitely i i do remember that day

1007
00:36:00,950 --> 00:35:59,680
it's that stood out as one of a handful

1008
00:36:03,349 --> 00:36:00,960
i guess probably

1009
00:36:03,910 --> 00:36:03,359
yeah not many i don't remember too many

1010
00:36:07,589 --> 00:36:03,920
days

1011
00:36:08,630 --> 00:36:07,599
[Laughter]

1012
00:36:10,710 --> 00:36:08,640
interesting

1013
00:36:12,390 --> 00:36:10,720

um

1014

00:36:14,710 --> 00:36:12,400

jimmy the earthling i don't know if you

1015

00:36:16,390 --> 00:36:14,720

know who that is but

1016

00:36:18,550 --> 00:36:16,400

as a question uh ryan has your

1017

00:36:21,349 --> 00:36:18,560

experience changed you positive negative

1018

00:36:23,589 --> 00:36:21,359

otherwise and have you had any

1019

00:36:25,990 --> 00:36:23,599

other sightings since so i don't think

1020

00:36:28,069 --> 00:36:26,000

he he didn't actually see the the tic

1021

00:36:30,069 --> 00:36:28,079

tac but he was around

1022

00:36:31,670 --> 00:36:30,079

and inside of that atmosphere when it

1023

00:36:32,550 --> 00:36:31,680

happened but still great question have

1024

00:36:34,870 --> 00:36:32,560

you ex

1025

00:36:35,829 --> 00:36:34,880

has that experience changed to you uh in

1026

00:36:38,150 --> 00:36:35,839

any way

1027

00:36:40,390 --> 00:36:38,160

i i would say it it

1028

00:36:42,630 --> 00:36:40,400

changed me positively you know it

1029

00:36:45,349 --> 00:36:42,640

definitely i had always

1030

00:36:47,109 --> 00:36:45,359

grown up you know questioned that we're

1031

00:36:49,589 --> 00:36:47,119

the only things out there you know i

1032

00:36:50,790 --> 00:36:49,599

know there has to be more out there and

1033

00:36:53,190 --> 00:36:50,800

you know

1034

00:36:55,589 --> 00:36:53,200

so that that was positive and it's more

1035

00:36:57,670 --> 00:36:55,599

made me excited than anything

1036

00:36:59,030 --> 00:36:57,680

yeah see what's gonna because there's so

1037

00:37:04,069 --> 00:36:59,040

much happening

1038

00:37:09,589 --> 00:37:04,079

daily basis now that

1039

00:37:13,829 --> 00:37:11,510

you got an in with some old navy folks

1040

00:37:16,230 --> 00:37:13,839

or what no i just

1041

00:37:18,150 --> 00:37:16,240

you you're finding them on people are

1042

00:37:19,670 --> 00:37:18,160

posting more and more things online you

1043

00:37:20,550 --> 00:37:19,680

can you can find

1044

00:37:23,589 --> 00:37:20,560

you know

1045

00:37:24,710 --> 00:37:23,599

the same shapes over and over it's

1046

00:37:26,470 --> 00:37:24,720

you know

1047

00:37:28,630 --> 00:37:26,480

there's just

1048

00:37:31,349 --> 00:37:28,640

it's it's a worldwide phenomenon it's

1049

00:37:33,589 --> 00:37:31,359

not just here you know it yeah it's

1050

00:37:34,630 --> 00:37:33,599

being seen more and more i think there's

1051
00:37:37,109 --> 00:37:34,640
it's

1052
00:37:38,310 --> 00:37:37,119
ramping up for something

1053
00:37:39,990 --> 00:37:38,320
you think so

1054
00:37:41,109 --> 00:37:40,000
it's what it feels like

1055
00:37:42,870 --> 00:37:41,119
yeah

1056
00:37:44,230 --> 00:37:42,880
what who knows

1057
00:37:45,829 --> 00:37:44,240
so what do you

1058
00:37:47,750 --> 00:37:45,839
if you had to guess i mean we're all

1059
00:37:49,270 --> 00:37:47,760
kind of guessing and speculating i guess

1060
00:37:52,230 --> 00:37:49,280
at this point but

1061
00:37:53,829 --> 00:37:52,240
um what do you think is going on what do

1062
00:37:55,910 --> 00:37:53,839
you think they are

1063
00:37:58,310 --> 00:37:55,920

uh

1064

00:38:01,109 --> 00:37:58,320

i wish i knew i really do

1065

00:38:02,470 --> 00:38:01,119

i'm sure we all do

1066

00:38:05,190 --> 00:38:02,480

all right i

1067

00:38:07,670 --> 00:38:05,200

jump off the deck take a guess i

1068

00:38:09,589 --> 00:38:07,680

question it because i i don't know

1069

00:38:11,190 --> 00:38:09,599

you know yeah

1070

00:38:12,790 --> 00:38:11,200

i just don't know

1071

00:38:15,270 --> 00:38:12,800

i wish i did

1072

00:38:16,069 --> 00:38:15,280

well do you think it's uh human-made at

1073

00:38:16,950 --> 00:38:16,079

all

1074

00:38:21,589 --> 00:38:16,960

no

1075

00:38:22,470 --> 00:38:21,599

us

1076

00:38:23,990 --> 00:38:22,480

yeah

1077

00:38:25,670 --> 00:38:24,000

that's that's

1078

00:38:27,589 --> 00:38:25,680

i think that's

1079

00:38:31,510 --> 00:38:27,599

becoming the consent and that was in

1080

00:38:33,030 --> 00:38:31,520

2004 and i mean yeah this is not

1081

00:38:34,710 --> 00:38:33,040

yeah for me to go

1082

00:38:36,390 --> 00:38:34,720

and even now i don't i don't know that

1083

00:38:38,069 --> 00:38:36,400

anyone could

1084

00:38:40,069 --> 00:38:38,079

you know basically the way it's

1085

00:38:42,150 --> 00:38:40,079

described to me is

1086

00:38:44,710 --> 00:38:42,160

i feel like um

1087

00:38:46,390 --> 00:38:44,720

you know it's uh almost like a like a

1088

00:38:48,630 --> 00:38:46,400

muscle like

1089

00:38:52,230 --> 00:38:48,640

you know being able to move however you

1090

00:38:53,910 --> 00:38:52,240

want whenever you want you know like

1091

00:38:56,470 --> 00:38:53,920

like almost

1092

00:38:58,390 --> 00:38:56,480

like a perfect

1093

00:39:01,910 --> 00:38:58,400

you know a perfect craft you can go up

1094

00:39:04,550 --> 00:39:01,920

down disappear go fast go slow

1095

00:39:05,829 --> 00:39:04,560

stop on a dime 90 degree turns i mean if

1096

00:39:07,349 --> 00:39:05,839

you could

1097

00:39:09,109 --> 00:39:07,359

you know cook up

1098

00:39:11,910 --> 00:39:09,119

the most perfect

1099

00:39:13,430 --> 00:39:11,920

ship or vehicle ever like that's what

1100

00:39:14,630 --> 00:39:13,440

you would want it to do

1101

00:39:16,950 --> 00:39:14,640

right

1102

00:39:18,069 --> 00:39:16,960

anything the ability to just

1103

00:39:20,069 --> 00:39:18,079

do anything

1104

00:39:20,870 --> 00:39:20,079

whatever you need to do go ahead it's

1105

00:39:24,150 --> 00:39:20,880

it's

1106

00:39:25,829 --> 00:39:24,160

yeah possible kind of reminds me of um

1107

00:39:28,550 --> 00:39:25,839

you know i used to have dreams a lot

1108

00:39:29,910 --> 00:39:28,560

where i would fly in my dreams and they

1109

00:39:31,589 --> 00:39:29,920

were a lot like that where i could kind

1110

00:39:33,510 --> 00:39:31,599

of do anything

1111

00:39:35,589 --> 00:39:33,520

it's interesting

1112

00:39:37,510 --> 00:39:35,599

um

1113

00:39:38,630 --> 00:39:37,520

let's see we got a question that came in

1114

00:39:40,790 --> 00:39:38,640

here

1115

00:39:42,630 --> 00:39:40,800

now you just saw the video so you may

1116

00:39:45,349 --> 00:39:42,640

not be able to answer this but did you

1117

00:39:48,550 --> 00:39:45,359

see any appendages at the bottom of the

1118

00:39:52,390 --> 00:39:48,560

tic tac i yeah did not

1119

00:39:55,430 --> 00:39:52,400

not close to where the screen was and

1120

00:39:58,390 --> 00:39:55,440

again just not really paying attention

1121

00:40:01,430 --> 00:39:58,400

yeah to be honest with you it's like

1122

00:40:03,589 --> 00:40:01,440

i just couldn't remember that

1123

00:40:05,010 --> 00:40:03,599

you you see that you're like i wonder if

1124

00:40:07,990 --> 00:40:05,020

there's appendages on it

1125

00:40:09,270 --> 00:40:08,000

[Laughter]

1126

00:40:12,230 --> 00:40:09,280

right

1127

00:40:13,750 --> 00:40:12,240

it was kind of just like um

1128

00:40:15,270 --> 00:40:13,760

is something happening you knew is

1129

00:40:17,589 --> 00:40:15,280

exciting but you were focusing on

1130

00:40:20,309 --> 00:40:17,599

something else yeah yeah so you weren't

1131

00:40:21,030 --> 00:40:20,319

like taking in every little detail

1132

00:40:23,030 --> 00:40:21,040

no

1133

00:40:24,950 --> 00:40:23,040

yeah but i knew kevin

1134

00:40:26,790 --> 00:40:24,960

day like i said he had told me that they

1135

00:40:28,870 --> 00:40:26,800

were tracking things for

1136

00:40:31,750 --> 00:40:28,880

days you know this is not something new

1137

00:40:33,829 --> 00:40:31,760

that we didn't already know was going on

1138

00:40:36,390 --> 00:40:33,839

that something was going on

1139

00:40:38,790 --> 00:40:36,400

no sure sure so the things were being

1140

00:40:41,910 --> 00:40:38,800

tracked um before that event

1141

00:40:44,069 --> 00:40:41,920

for kevin day uh yeah he'd been tracking

1142

00:40:45,829 --> 00:40:44,079

these for days

1143

00:40:48,069 --> 00:40:45,839

like it wasn't just

1144

00:40:50,069 --> 00:40:48,079

you know all of a sudden he'd been for a

1145

00:40:51,349 --> 00:40:50,079

while watching him

1146

00:40:52,870 --> 00:40:51,359

they thought it was

1147

00:40:54,309 --> 00:40:52,880

uh

1148

00:40:58,390 --> 00:40:54,319

something with the

1149

00:40:59,990 --> 00:40:58,400

programming and spy i believe at first

1150

00:41:01,829 --> 00:41:00,000

yeah like a malfunction or something

1151

00:41:04,950 --> 00:41:01,839

i've read a lot of yeah you know you

1152

00:41:07,430 --> 00:41:04,960

have issues sometimes that's for sure

1153

00:41:09,030 --> 00:41:07,440

yeah and what is like with uh you know

1154

00:41:10,790 --> 00:41:09,040

do they still call them angels on the

1155

00:41:12,230 --> 00:41:10,800

radar or

1156

00:41:14,309 --> 00:41:12,240

you know where you get like bugs or

1157

00:41:16,230 --> 00:41:14,319

insects or or something like that coming

1158

00:41:18,790 --> 00:41:16,240

through they've probably worked that out

1159

00:41:21,190 --> 00:41:18,800

by now since the 50s but

1160

00:41:23,670 --> 00:41:21,200

well i mean i know that like the

1161

00:41:25,670 --> 00:41:23,680

the spy radar picks up you know clouds

1162

00:41:27,190 --> 00:41:25,680

but they know the difference they're

1163

00:41:28,790 --> 00:41:27,200

they're supposed to know the difference

1164

00:41:30,870 --> 00:41:28,800

between a cloud and

1165

00:41:31,750 --> 00:41:30,880

salt and object and

1166

00:41:34,230 --> 00:41:31,760

sure

1167

00:41:36,150 --> 00:41:34,240

i mean if you don't man i hope no war is

1168

00:41:37,750 --> 00:41:36,160

coming soon yeah

1169

00:41:39,589 --> 00:41:37,760

we'll be in some trouble

1170

00:41:41,750 --> 00:41:39,599

yeah a lot of trouble we look like

1171

00:41:43,670 --> 00:41:41,760

russia right now the best equipment in

1172

00:41:48,150 --> 00:41:43,680

the world we just don't have anyone to

1173

00:41:53,349 --> 00:41:49,990

um

1174

00:41:57,190 --> 00:41:55,670

you know i guess this is uh something i

1175

00:41:59,670 --> 00:41:57,200

had thought of so

1176

00:42:01,510 --> 00:41:59,680

you know talking to kevin dave

1177

00:42:03,990 --> 00:42:01,520

picking up objects

1178

00:42:05,430 --> 00:42:04,000

for however long and then this big event

1179

00:42:07,430 --> 00:42:05,440

happens

1180

00:42:09,670 --> 00:42:07,440

do you know if anything

1181

00:42:12,150 --> 00:42:09,680

like did that trajectory continue to go

1182

00:42:14,230 --> 00:42:12,160

or was that like the end of it

1183

00:42:22,470 --> 00:42:14,240

i

1184

00:42:29,510 --> 00:42:22,480

was

1185

00:42:31,109 --> 00:42:29,520

there and went to a different duty and

1186

00:42:32,150 --> 00:42:31,119

you know it's gone

1187

00:42:34,150 --> 00:42:32,160

yeah

1188

00:42:35,670 --> 00:42:34,160

uh it'd be interesting if you ever

1189

00:42:37,750 --> 00:42:35,680

talked to kevin

1190

00:42:39,349 --> 00:42:37,760

asked him about that yeah

1191

00:42:40,950 --> 00:42:39,359

because uh i wonder if that was like

1192

00:42:41,910 --> 00:42:40,960

some sort of uh

1193

00:42:45,510 --> 00:42:41,920

you know

1194

00:42:48,630 --> 00:42:45,520

then it was over that's why they went

1195

00:42:50,790 --> 00:42:48,640

out and did that whole uapx expedition

1196

00:42:51,750 --> 00:42:50,800

in that area is because they were trying

1197

00:42:52,470 --> 00:42:51,760

to

1198

00:42:54,150 --> 00:42:52,480

yeah

1199

00:42:57,510 --> 00:42:54,160

they originally they wanted to be there

1200

00:42:59,430 --> 00:42:57,520

at the same time frame but because

1201

00:43:00,390 --> 00:42:59,440

that didn't work out for them

1202

00:43:02,309 --> 00:43:00,400

right

1203

00:43:05,589 --> 00:43:02,319

yeah apparently they they got some stuff

1204

00:43:08,069 --> 00:43:05,599

so that's pretty interesting for sure

1205

00:43:10,069 --> 00:43:08,079

would you get in one of those tic tacs

1206

00:43:10,829 --> 00:43:10,079

and ride it around town if you could in

1207

00:43:17,510 --> 00:43:10,839

a

1208

00:43:19,510 --> 00:43:17,520

just open the door i'll hop in

1209

00:43:21,080 --> 00:43:19,520

as though i know that once and he said

1210

00:43:23,190 --> 00:43:21,090

you said that was a hard no

1211

00:43:24,829 --> 00:43:23,200

[Laughter]

1212

00:43:27,109 --> 00:43:24,839

if i die it'd be

1213

00:43:29,030 --> 00:43:27,119

great moment

1214

00:43:31,670 --> 00:43:29,040

right in a tic-tac alien ship or

1215

00:43:34,470 --> 00:43:31,680

whatever yeah

1216

00:43:36,710 --> 00:43:34,480

uh what kind of things do you listen for

1217

00:43:38,630 --> 00:43:36,720

or look for like let's say someone from

1218

00:43:43,030 --> 00:43:38,640

the navy is coming out and they're

1219

00:43:44,550 --> 00:43:43,040

telling a a different ufo story um

1220

00:43:46,630 --> 00:43:44,560

what would be some

1221

00:43:49,109 --> 00:43:46,640

some things that you would

1222

00:43:50,870 --> 00:43:49,119

um listen for to i don't know know if

1223

00:43:52,630 --> 00:43:50,880

they're telling the truth or not

1224

00:43:54,950 --> 00:43:52,640

for instance like

1225

00:43:56,470 --> 00:43:54,960

anything that stands out to you uh that

1226
00:43:57,589 --> 00:43:56,480
we could know about that would help us

1227
00:43:58,950 --> 00:43:57,599
shift through that because you know

1228
00:43:59,670 --> 00:43:58,960
there's a lot of

1229
00:44:03,910 --> 00:43:59,680
yeah

1230
00:44:05,589 --> 00:44:03,920
grifters out there there are um

1231
00:44:09,109 --> 00:44:05,599
i don't know

1232
00:44:10,950 --> 00:44:09,119
terminology comes in handy you know

1233
00:44:14,870 --> 00:44:10,960
yeah if someone's using a lot of

1234
00:44:18,150 --> 00:44:16,069
military

1235
00:44:20,230 --> 00:44:18,160
you know behind that but

1236
00:44:22,790 --> 00:44:20,240
uh

1237
00:44:25,430 --> 00:44:22,800
yeah that yeah that's a tough one

1238
00:44:26,870 --> 00:44:25,440

yeah i would just probably different for

1239

00:44:28,790 --> 00:44:26,880

everyone now

1240

00:44:30,870 --> 00:44:28,800

it's hopefully i mean they're out there

1241

00:44:33,109 --> 00:44:30,880

defending every day so hopefully they're

1242

00:44:34,309 --> 00:44:33,119

honest people you know most of them are

1243

00:44:35,990 --> 00:44:34,319

so yeah

1244

00:44:37,670 --> 00:44:36,000

that's that's good that you say that

1245

00:44:39,190 --> 00:44:37,680

most of them are i mean because a lot of

1246

00:44:40,790 --> 00:44:39,200

these people come out and talk like

1247

00:44:43,670 --> 00:44:40,800

forever whoever and they just kind of

1248

00:44:46,309 --> 00:44:43,680

get crapped on by a lot of people online

1249

00:44:47,990 --> 00:44:46,319

to be quite honest with you um

1250

00:44:49,510 --> 00:44:48,000

in the past you know there's a lot more

1251
00:44:52,790 --> 00:44:49,520
people took

1252
00:44:53,829 --> 00:44:52,800
a lot of grief over coming forward that

1253
00:44:55,829 --> 00:44:53,839
you know

1254
00:44:57,190 --> 00:44:55,839
it's finding out more and more that

1255
00:44:58,630 --> 00:44:57,200
these people were telling the truth a

1256
00:44:59,430 --> 00:44:58,640
long time ago

1257
00:45:01,430 --> 00:44:59,440
yeah

1258
00:45:03,109 --> 00:45:01,440
well and all you really have to do is

1259
00:45:04,550 --> 00:45:03,119
study the history of like blue book i

1260
00:45:06,790 --> 00:45:04,560
mean there's so many instances of

1261
00:45:09,430 --> 00:45:06,800
fighter pilots and ufos going back to

1262
00:45:11,670 --> 00:45:09,440
1947 there's hundreds of them literally

1263
00:45:14,150 --> 00:45:11,680

yeah um i remember counting it and i had

1264

00:45:16,470 --> 00:45:14,160

to quit because it got up to like 200. i

1265

00:45:17,270 --> 00:45:16,480

was like okay i gotta be done with this

1266

00:45:20,470 --> 00:45:17,280

right

1267

00:45:21,910 --> 00:45:20,480

but um yeah everybody says all sorts of

1268

00:45:23,829 --> 00:45:21,920

different things like hologram

1269

00:45:24,550 --> 00:45:23,839

technology and all this kind of stuff

1270

00:45:25,589 --> 00:45:24,560

and

1271

00:45:27,270 --> 00:45:25,599

um

1272

00:45:29,030 --> 00:45:27,280

you know i just would bring people back

1273

00:45:30,950 --> 00:45:29,040

to the point of

1274

00:45:33,589 --> 00:45:30,960

you know our conversation earlier where

1275

00:45:35,109 --> 00:45:33,599

it was like test test stuff test

1276

00:45:36,950 --> 00:45:35,119

vehicles or whatever like this was

1277

00:45:39,270 --> 00:45:36,960

completely unprecedented event that's

1278

00:45:43,030 --> 00:45:39,280

never yeah this was a happen before time

1279

00:45:45,349 --> 00:45:43,040

there were no you know um

1280

00:45:47,829 --> 00:45:45,359

the biggest smallest uavs weren't that

1281

00:45:49,910 --> 00:45:47,839

small at the time you know there was

1282

00:45:51,829 --> 00:45:49,920

a different time frame

1283

00:45:53,430 --> 00:45:51,839

and from what we talked about if they

1284

00:45:55,670 --> 00:45:53,440

were going to do some sort of test or

1285

00:45:57,990 --> 00:45:55,680

something you would know about it

1286

00:45:59,670 --> 00:45:58,000

any test that i was ever involved in but

1287

00:46:01,670 --> 00:45:59,680

you know i'm not saying the military

1288

00:46:03,589 --> 00:46:01,680

doesn't do

1289

00:46:05,030 --> 00:46:03,599

things like that because you know

1290

00:46:07,589 --> 00:46:05,040

they've been found to do some pretty

1291

00:46:09,670 --> 00:46:07,599

horrible tests before on people

1292

00:46:12,710 --> 00:46:09,680

unknowingly so

1293

00:46:17,430 --> 00:46:14,950

hopefully they're better than that today

1294

00:46:20,150 --> 00:46:17,440

yeah i would i would think so so i would

1295

00:46:23,030 --> 00:46:20,160

think so i believe so

1296

00:46:25,270 --> 00:46:23,040

um would you go back in and serve again

1297

00:46:29,030 --> 00:46:25,280

if you if you had the opportunity did

1298

00:46:30,309 --> 00:46:29,040

you enjoy it um i enjoyed it uh i kind

1299

00:46:31,990 --> 00:46:30,319

of got the short end of the stick

1300

00:46:34,390 --> 00:46:32,000

getting out and so

1301

00:46:36,470 --> 00:46:34,400

uh i was laid off right before i was

1302

00:46:38,550 --> 00:46:36,480

eligible to retire like less than two

1303

00:46:42,309 --> 00:46:38,560

weeks so

1304

00:46:44,230 --> 00:46:42,319

there's that but i think it's uh

1305

00:46:47,589 --> 00:46:44,240

it's a good thing to do as a young

1306

00:46:49,349 --> 00:46:47,599

person to go learn you know see

1307

00:46:51,270 --> 00:46:49,359

something other than america and see

1308

00:46:53,430 --> 00:46:51,280

what the rest of the world is like and

1309

00:46:55,030 --> 00:46:53,440

just have an experience and and they you

1310

00:46:56,870 --> 00:46:55,040

know they make it easy for you and then

1311

00:46:58,309 --> 00:46:56,880

they pay you to go to college afterwards

1312

00:47:00,950 --> 00:46:58,319

so

1313

00:47:02,710 --> 00:47:00,960

military and i think it does help

1314

00:47:03,670 --> 00:47:02,720

develop good character

1315

00:47:06,230 --> 00:47:03,680

yeah

1316

00:47:07,430 --> 00:47:06,240

what was your favorite place you got to

1317

00:47:09,349 --> 00:47:07,440

visit

1318

00:47:11,750 --> 00:47:09,359

um

1319

00:47:14,470 --> 00:47:11,760

well the place i was at the most was

1320

00:47:18,550 --> 00:47:14,480

panama so i've been to panama enough

1321

00:47:21,829 --> 00:47:20,870

how's it is panama red as good as they

1322

00:47:28,230 --> 00:47:21,839

say

1323

00:47:33,030 --> 00:47:30,390

another conversation right

1324

00:47:35,430 --> 00:47:33,040

yeah well i appreciate your time man i

1325

00:47:37,030 --> 00:47:35,440

mean i had a great time talking with you

1326

00:47:39,270 --> 00:47:37,040

and i feel privileged that you took time

1327

00:47:40,790 --> 00:47:39,280

out of your day to do this

1328

00:47:43,589 --> 00:47:40,800

um of course

1329

00:47:45,510 --> 00:47:43,599

1330

00:47:47,109 --> 00:47:45,520

1332

00:47:49,829 --> 00:47:48,240

about this

1333

00:47:51,910 --> 00:47:49,839

i think um

1334

00:47:53,990 --> 00:47:51,920

that you want to say i know you know

1342

00:48:13,109 --> 00:48:11,119

you may not and that's okay but just

1343

00:48:15,349 --> 00:48:13,119

uh with ryan

1366

00:49:12,390 --> 00:49:09,920
and we got a little more insight

1367

00:49:13,510 --> 00:49:12,400
on the nimitz event he served on the

1368

00:49:14,829 --> 00:49:13,520
princeton

1369

00:49:17,910 --> 00:49:14,839

this

1373

00:49:25,270 --> 00:49:22,640
and i think we got a lot of great

1374

00:49:27,270 --> 00:49:25,280
insight as far as

1375

00:49:29,030 --> 00:49:27,280
that event precedence what's normal

1376

00:49:31,430 --> 00:49:29,040

what's not normal and all that kind of

1377

00:49:33,750 --> 00:49:31,440

stuff so i hope you enjoyed it
