[Music]

2
00:00:36,950 --> 00:00:34,559

we have

3
00:00:39,110 --> 00:00:36,960

lots of reports about what we call

4
00:00:40,950 --> 00:00:39,120

unidentified aerial phenomenon there are

5
00:00:42,709 --> 00:00:40,960

a lot more sightings than have been made

6
00:00:45,590 --> 00:00:42,719

public sometimes we wonder whether or

7
00:00:46,950 --> 00:00:45,600

not our adversaries have technologies

8
00:00:51,550 --> 00:00:46,960

that are a little bit further down the

9
00:00:54,790 --> 00:00:53,270

[Music]

10
00:00:55,910 --> 00:00:54,800

the type of

11
00:00:57,750 --> 00:00:55,920

activity

12
00:00:58,709 --> 00:00:57,760

that some might

13
00:01:01,349 --> 00:00:58,719

say

14

00:01:04,630 --> 00:01:01,359

constitutes a a different form of life

15

00:01:06,789 --> 00:01:04,640

there are moons of other planets that we

16

00:01:08,630 --> 00:01:06,799

think there are oceans

17

00:01:19,910 --> 00:01:08,640

if there are oceans

18

00:01:24,310 --> 00:01:21,590

and records of

19

00:01:26,390 --> 00:01:24,320

objects in the skies that we

20

00:01:29,109 --> 00:01:26,400

don't know exactly what they are we

21

00:01:33,030 --> 00:01:30,789

how they moved

22

00:01:35,350 --> 00:01:33,040

their trajectory a pentagon report to

23

00:01:37,030 --> 00:01:35,360

congress this summer could not explain

24

00:01:39,830 --> 00:01:37,040

143

25

00:01:42,389 --> 00:01:39,840

sightings the the history this is making

26

00:01:43,910 --> 00:01:42,399

in washington they are real

27

00:01:45,990 --> 00:01:43,920

i believe they are out there they might

28

00:01:47,830 --> 00:01:46,000

be here but this is how it starts this

29

00:01:49,990 --> 00:01:47,840

is how they start softening us up tell

30

00:01:52,310 --> 00:01:50,000

me all about your experience

31

00:01:55,830 --> 00:01:53,590

friends

32

00:01:57,910 --> 00:01:55,840

through vinnie please allow me to offer

33

00:01:58,950 --> 00:01:57,920

my sincerest appreciation for all that

34

00:02:01,429 --> 00:01:58,960

you do

35

00:02:03,190 --> 00:02:01,439

you bet on the right horses

36

00:02:06,310 --> 00:02:03,200

and know that we are not finished

37

00:02:07,990 --> 00:02:06,320

winning races for you we have only begun

38

00:02:09,350 --> 00:02:08,000

the next year will be even better and

39

00:02:11,430 --> 00:02:09,360

greater

40

00:02:13,030 --> 00:02:11,440

thank you for being you and thank you

41

00:02:15,910 --> 00:02:13,040

for your support

42

00:02:17,430 --> 00:02:15,920

onwards until dawn take no quarter and

43

00:02:20,790 --> 00:02:17,440

savor the moment

44

00:02:22,550 --> 00:02:20,800

our armada has set sail and together we

45

00:02:27,670 --> 00:02:22,560

are like a hurricane

46

00:02:32,550 --> 00:02:29,990

back everybody our final story today um

47

00:02:34,309 --> 00:02:32,560

it's a little out there and i do mean um

48

00:02:36,070 --> 00:02:34,319

out there okay first it was not 22

49

00:02:37,509 --> 00:02:36,080

million a year was 22 million total

50

00:02:39,670 --> 00:02:37,519

which is really a drop in the bucket of

51
00:02:41,830 --> 00:02:39,680
the pentagon budget but it went for

52
00:02:43,910 --> 00:02:41,840
research into these objects and no one

53
00:02:46,150 --> 00:02:43,920
knows what they are to this day

54
00:02:48,150 --> 00:02:46,160
uh that have been seen by navy planes

55
00:02:51,110 --> 00:02:48,160
they've engaged with them they've been

56
00:02:53,750 --> 00:02:51,120
reported by witnesses but

57
00:02:56,550 --> 00:02:53,760
beyond that we really don't know much

58
00:02:59,030 --> 00:02:56,560
and the research went into

59
00:03:00,710 --> 00:02:59,040
trying to identify their strange means

60
00:03:02,710 --> 00:03:00,720
of propulsion their phenomenal

61
00:03:05,910 --> 00:03:02,720
aerodynamics which represent nothing on

62
00:03:08,149 --> 00:03:05,920
the face of this earth by any country

63
00:03:09,990 --> 00:03:08,159

and the research even though the program

64

00:03:12,390 --> 00:03:10,000

was officially

65

00:03:13,830 --> 00:03:12,400

ran out of money in 2012 it really has

66

00:03:15,430 --> 00:03:13,840

continued we found out there's a

67

00:03:16,869 --> 00:03:15,440

ridicule factor a lot of people were

68

00:03:18,070 --> 00:03:16,879

afraid of that you know that the people

69

00:03:19,830 --> 00:03:18,080

would make fun of the government

70

00:03:21,830 --> 00:03:19,840

spending this money as has already

71

00:03:23,430 --> 00:03:21,840

happened in other media the pet project

72

00:03:24,630 --> 00:03:23,440

by senator reid and some of his

73

00:03:26,149 --> 00:03:24,640

colleagues

74

00:03:28,070 --> 00:03:26,159

something that they thought needed to be

75

00:03:30,229 --> 00:03:28,080

investigated but the real question is

76

00:03:32,789 --> 00:03:30,239

was it worth 22 million dollars this is

77

00:03:34,309 --> 00:03:32,799

probably the most watched and looked at

78

00:03:36,229 --> 00:03:34,319

story the new york times has run in a

79

00:03:38,149 --> 00:03:36,239

long time because

80

00:03:39,910 --> 00:03:38,159

people are fascinated by the subject

81

00:03:42,550 --> 00:03:39,920

yeah so what what are they finding have

82

00:03:44,149 --> 00:03:42,560

they found anything so far well um

83

00:03:46,309 --> 00:03:44,159

they have confirmed in effect for the

84

00:03:48,949 --> 00:03:46,319

first time that these things exist

85

00:03:50,470 --> 00:03:48,959

according to what the program said

86

00:03:52,710 --> 00:03:50,480

that they have established a kind of

87

00:03:54,149 --> 00:03:52,720

reality to these objects that didn't

88

00:03:56,229 --> 00:03:54,159

exist before that the government was

89

00:03:57,750 --> 00:03:56,239

standing behind

90

00:03:59,350 --> 00:03:57,760

at least this unit of the of the

91

00:04:01,270 --> 00:03:59,360

pentagon

92

00:04:03,350 --> 00:04:01,280

they have as we reported in the paper

93

00:04:05,750 --> 00:04:03,360

some material from these objects that is

94

00:04:07,910 --> 00:04:05,760

being studied so that scientists can try

95

00:04:10,309 --> 00:04:07,920

to figure out what accounts for their

96

00:04:12,470 --> 00:04:10,319

amazing properties this

97

00:04:18,750 --> 00:04:12,480

technology these objects whatever they

98

00:05:06,710 --> 00:04:57,850

[Music]

99

00:05:09,430 --> 00:05:06,720

there's a reason people say actions

100

00:05:11,029 --> 00:05:09,440

speak louder than words this ufo

101
00:05:13,029 --> 00:05:11,039
community

102
00:05:14,870 --> 00:05:13,039
has been told disclosures coming from

103
00:05:18,230 --> 00:05:14,880
many different characters throughout its

104
00:05:24,550 --> 00:05:19,909
in the end those characters words never

105
00:05:29,350 --> 00:05:27,350
but since lou elizondo busted out onto

106
00:05:31,350 --> 00:05:29,360
the scene just five years ago he has

107
00:05:33,270 --> 00:05:31,360
been compared to those

108
00:05:38,150 --> 00:05:33,280
who have spoken those same fruitless

109
00:05:44,469 --> 00:05:40,710
so how do we know it's any different

110
00:05:47,270 --> 00:05:44,479
from one of those previous tall tales

111
00:05:51,110 --> 00:05:47,280
in 2017 lou elizondo is all over the

112
00:05:51,120 --> 00:05:58,550
we may not be alone

113
00:06:03,110 --> 00:06:00,790

he was quoted as an intelligence

114

00:06:06,469 --> 00:06:03,120

official who ran the pentagon's secret

115

00:06:08,550 --> 00:06:06,479

ufo unit called at

116

00:06:11,909 --> 00:06:08,560

said we have had observation of craft

117

00:06:16,629 --> 00:06:11,919

with capabilities beyond the us

118

00:06:20,950 --> 00:06:19,430

that was december 19 2017 from the

119

00:06:23,270 --> 00:06:20,960

independent

120

00:06:24,870 --> 00:06:23,280

world would soon learn 2017 would serve

121

00:06:30,629 --> 00:06:24,880

as just the beginning

122

00:06:35,110 --> 00:06:32,950

one of the resources that served this

123

00:06:36,630 --> 00:06:35,120

purpose was a history channel show

124

00:06:39,510 --> 00:06:36,640

unidentified

125

00:06:42,150 --> 00:06:39,520

[Music]

126
00:06:44,390 --> 00:06:42,160
where people like lou elizondo and chris

127
00:06:47,749 --> 00:06:44,400
mellon

128
00:06:55,189 --> 00:06:50,070
on some of the most bizarre ufo cases

129
00:06:59,990 --> 00:06:57,270
the show served more than

130
00:07:02,390 --> 00:07:00,000
just one purpose it also

131
00:07:06,150 --> 00:07:02,400
served as somewhat of a resume

132
00:07:08,230 --> 00:07:06,160
for elizondo's credentials and melons

133
00:07:10,629 --> 00:07:08,240
as this happened he did multiple

134
00:07:12,230 --> 00:07:10,639
interviews one with mystery wire in fact

135
00:07:13,270 --> 00:07:12,240
the gps satellites right now everybody

136
00:07:15,270 --> 00:07:13,280
has on their phone i'm going to see

137
00:07:17,189 --> 00:07:15,280
where i'm at today those clocks have to

138
00:07:18,710 --> 00:07:17,199

be calibrated and recalibrated even

139

00:07:20,870 --> 00:07:18,720

though those cesium clocks on those

140

00:07:22,629 --> 00:07:20,880

satellites are exactly the same as

141

00:07:24,230 --> 00:07:22,639

the ones we have on the ground station

142

00:07:25,909 --> 00:07:24,240

they have to constantly recalibrate and

143

00:07:27,589 --> 00:07:25,919

the reason why is because the effects of

144

00:07:29,990 --> 00:07:27,599

earth's gravity

145

00:07:32,309 --> 00:07:30,000

has on the space time of those cesium

146

00:07:34,550 --> 00:07:32,319

clocks here on earth relative to those

147

00:07:36,629 --> 00:07:34,560

cesium clocks that are on those those

148

00:07:40,150 --> 00:07:36,639

platforms that are above earth in fact

149

00:07:41,830 --> 00:07:40,160

the clocks that are that are above earth

150

00:07:43,430 --> 00:07:41,840

compared to the ones on on earth are

151

00:07:45,110 --> 00:07:43,440

running slightly

152

00:07:47,350 --> 00:07:45,120

faster now how is that possible if

153

00:07:49,029 --> 00:07:47,360

they're the exact same type of clocks

154

00:07:51,350 --> 00:07:49,039

well that is because the effects of

155

00:07:53,830 --> 00:07:51,360

earth gravity the closer you are to a

156

00:07:55,189 --> 00:07:53,840

massive object the more space time is

157

00:07:57,510 --> 00:07:55,199

warped and we've seen that with with

158

00:07:59,589 --> 00:07:57,520

einstein's relativity and it all boils

159

00:08:01,430 --> 00:07:59,599

down to $E = mc^2$ basically

160

00:08:03,909 --> 00:08:01,440

what we're talking about is lots of mass

161

00:08:05,670 --> 00:08:03,919

or lots of energy to warp space time the

162

00:08:08,309 --> 00:08:05,680

closer you get to a super massive object

163

00:08:10,070 --> 00:08:08,319

like the sun the greater that distortion

164

00:08:13,189 --> 00:08:10,080

that distortion occurs in fact when you

165

00:08:16,390 --> 00:08:13,199

get to a black hole time time is so

166

00:08:17,909 --> 00:08:16,400

distorted that time stands still so we

167

00:08:19,510 --> 00:08:17,919

know we've seen this we've seen it with

168

00:08:22,469 --> 00:08:19,520

gravitational lensing when we're looking

169

00:08:24,550 --> 00:08:22,479

at a at a far distant galaxy we can see

170

00:08:27,350 --> 00:08:24,560

the effects gravity has

171

00:08:29,990 --> 00:08:27,360

on on space-time we can actually see it

172

00:08:32,149 --> 00:08:30,000

with our with our eyes so

173

00:08:34,310 --> 00:08:32,159

we don't have to prove that that is that

174

00:08:35,630 --> 00:08:34,320

is science fact not science fiction so

175

00:08:38,469 --> 00:08:35,640

the question is

176

00:08:41,430 --> 00:08:38,479

technologically how can we go ahead and

177

00:08:44,630 --> 00:08:41,440

manipulate that physics

178

00:08:47,110 --> 00:08:44,640

to our benefit so now we can potentially

179

00:08:49,670 --> 00:08:47,120

warp space time in a way that allows us

180

00:08:51,190 --> 00:08:49,680

to go from point a to point b

181

00:08:53,990 --> 00:08:51,200

a little faster

182

00:08:57,829 --> 00:08:54,000

he received pushback during his ufo

183

00:09:06,829 --> 00:09:00,150

as higher ups would tell him

184

00:09:12,550 --> 00:09:09,590

demonic as time progressed we would see

185

00:09:18,070 --> 00:09:12,560

push back in various forms

186

00:09:27,190 --> 00:09:19,990

and from the spokesperson

187

00:09:35,110 --> 00:09:29,030

the department of defense would take any

188

00:09:39,750 --> 00:09:37,670

after they had first

189

00:09:41,430 --> 00:09:39,760

verified his credentials and said atif

190

00:09:43,670 --> 00:09:41,440

in fact did study ufos and louis

191

00:09:45,030 --> 00:09:43,680

elizondo did hit the program

192

00:09:47,590 --> 00:09:45,040

susan gao

193

00:09:51,509 --> 00:09:47,600

would take over

194

00:09:54,150 --> 00:09:51,519

the spokesperson position

195

00:09:59,910 --> 00:09:54,160

and begin to slanderous campaign against

196

00:10:03,030 --> 00:10:01,750

but little did they know little did

197

00:10:05,110 --> 00:10:03,040

anyone know

198

00:10:06,790 --> 00:10:05,120

that that wouldn't stop him

199

00:10:10,389 --> 00:10:06,800

he would continue to press forward in

200

00:10:13,990 --> 00:10:10,399

the name of ufo transparency

201
00:10:16,230 --> 00:10:14,000
during the years of 2020 2021 and 22 lou

202
00:10:19,190 --> 00:10:16,240
elizondo would seemingly move mountains

203
00:10:24,150 --> 00:10:19,200
to get the uap subject covered around

204
00:10:30,230 --> 00:10:26,550
doing non-stop podcast appearances and

205
00:10:42,550 --> 00:10:34,069
for channels with as little as

206
00:10:50,310 --> 00:10:44,790
but the most groundbreaking interview he

207
00:10:50,320 --> 00:10:56,710
was on the world renowned 60 minutes

208
00:11:01,030 --> 00:10:58,949
that can do six to seven hundred g

209
00:11:04,470 --> 00:11:01,040
forces that can fly at thirteen thousand

210
00:11:07,990 --> 00:11:04,480
miles an hour that uh it can evade radar

211
00:11:09,590 --> 00:11:08,000
and that can fly through air and water

212
00:11:11,509 --> 00:11:09,600
and possibly space

213
00:11:13,990 --> 00:11:11,519

and oh by the way has no obvious signs

214

00:11:16,069 --> 00:11:14,000
of propulsion no wings no control

215

00:11:17,509 --> 00:11:16,079
surfaces and yet still can defy the

216

00:11:19,430 --> 00:11:17,519
natural effects of earth's gravity there

217

00:11:22,550 --> 00:11:19,440
have been many milestones that have been

218

00:11:24,310 --> 00:11:22,560
reached since then

219

00:11:27,350 --> 00:11:24,320
they can serve

220

00:11:32,230 --> 00:11:30,230
as a sign as actions

221

00:11:38,550 --> 00:11:32,240
that this man has truly pushed for

222

00:11:46,710 --> 00:11:42,790
the first of which came not too long ago

223

00:11:51,910 --> 00:11:49,670
a uav task force

224

00:11:58,790 --> 00:11:51,920
that would come out with the first

225

00:11:58,800 --> 00:12:04,310
it would verify that there is a problem

226

00:12:04,320 --> 00:12:10,550

that there were 144 objects

227

00:12:16,949 --> 00:12:13,750

they were tracked as unidentified

228

00:12:16,959 --> 00:12:29,350

was still later be identified

229

00:12:34,150 --> 00:12:32,550

the next milestone

230

00:12:43,590 --> 00:12:34,160

would be the official creation by the

231

00:12:50,870 --> 00:12:46,069

spokesman john kirby

232

00:12:55,590 --> 00:12:53,030

i think as as we talked about when we

233

00:12:56,550 --> 00:12:55,600

rolled out this group um

234

00:13:02,949 --> 00:12:56,560

they

235

00:13:05,509 --> 00:13:02,959

proactively identifying objects so

236

00:13:06,949 --> 00:13:05,519

how that's going to be done i don't know

237

00:13:10,790 --> 00:13:06,959

uh and they've just recently been

238

00:13:11,990 --> 00:13:10,800

established but it's um

239

00:13:13,190 --> 00:13:12,000

it's it's

240

00:13:14,949 --> 00:13:13,200

about

241

00:13:17,110 --> 00:13:14,959

trying to again

242

00:13:18,710 --> 00:13:17,120

actively identify objects rather than

243

00:13:21,110 --> 00:13:18,720

just focusing on objects that were

244

00:13:22,949 --> 00:13:21,120

already observed but not identified so

245

00:13:24,550 --> 00:13:22,959

again what that's going to look like i

246

00:13:27,030 --> 00:13:24,560

don't know

247

00:13:30,550 --> 00:13:27,040

clearly they're still going to be

248

00:13:32,949 --> 00:13:30,560

interested in reports that are organic

249

00:13:35,350 --> 00:13:32,959

and are coming in

250

00:13:38,870 --> 00:13:35,360

susan gal was forced to reply to emails

251
00:13:44,150 --> 00:13:40,949
obfuscation would continue but the

252
00:13:44,160 --> 00:13:50,470
was not having it

253
00:13:54,790 --> 00:13:52,870
after receiving their first

254
00:13:56,690 --> 00:13:54,800
classified briefing

255
00:14:01,110 --> 00:13:56,700
congress left upset

256
00:14:02,870 --> 00:14:01,120
[Music]

257
00:14:05,189 --> 00:14:02,880
saying they were tired of getting report

258
00:14:07,350 --> 00:14:05,199
after report

259
00:14:10,389 --> 00:14:07,360
with no information on

260
00:14:12,870 --> 00:14:10,399
what these uavs are and where they are

261
00:14:15,670 --> 00:14:12,880
coming from

262
00:14:18,230 --> 00:14:15,680
one this is a technology that we don't

263
00:14:20,710 --> 00:14:18,240

completely understand and it seems to be

264

00:14:22,470 --> 00:14:20,720

define our understanding of physics it

265

00:14:24,550 --> 00:14:22,480

appears to be more advanced than our own

266

00:14:26,470 --> 00:14:24,560

technology

267

00:14:28,230 --> 00:14:26,480

but that's never a good thing from a

268

00:14:30,310 --> 00:14:28,240

strategic point of view

269

00:14:32,710 --> 00:14:30,320

there is an expectation among americans

270

00:14:35,030 --> 00:14:32,720

that we stay on top of advancements in

271

00:14:37,750 --> 00:14:35,040

technology and secondly whoever is

272

00:14:40,069 --> 00:14:37,760

operating it or whoever is behind it

273

00:14:41,990 --> 00:14:40,079

these aerial phenomena seems to be

274

00:14:43,509 --> 00:14:42,000

keenly interested in our military

275

00:14:44,949 --> 00:14:43,519

capabilities

276

00:14:46,550 --> 00:14:44,959

i want to thank

277

00:14:47,910 --> 00:14:46,560

all the hoosiers

278

00:14:49,670 --> 00:14:47,920

and folks around the country in the

279

00:14:50,949 --> 00:14:49,680

world quite frankly who have supported

280

00:14:53,509 --> 00:14:50,959

our efforts

281

00:14:56,550 --> 00:14:53,519

and my efforts to get answers on

282

00:14:59,189 --> 00:14:56,560

uaps which effectively are unidentified

283

00:15:01,189 --> 00:14:59,199

aerial phenomenon or they're properly

284

00:15:02,470 --> 00:15:01,199

known as ufos

285

00:15:05,829 --> 00:15:02,480

i think

286

00:15:11,269 --> 00:15:08,150

is is

287

00:15:13,990 --> 00:15:11,279

something that has been

288

00:15:15,750 --> 00:15:14,000

placed in the science fiction category

289

00:15:18,870 --> 00:15:15,760

um however

290

00:15:21,509 --> 00:15:18,880

the occurrence of uaps near our military

291

00:15:23,750 --> 00:15:21,519

bases has been documented and posed as a

292

00:15:26,710 --> 00:15:23,760

national security threat especially

293

00:15:27,990 --> 00:15:26,720

since so much about them is is virtually

294

00:15:30,230 --> 00:15:28,000

unknown

295

00:15:31,509 --> 00:15:30,240

they could be a form of technology that

296

00:15:33,189 --> 00:15:31,519

we don't have

297

00:15:34,710 --> 00:15:33,199

or from

298

00:15:37,670 --> 00:15:34,720

another place

299

00:15:39,590 --> 00:15:37,680

which is concerning and yes

300

00:15:41,590 --> 00:15:39,600

it might even be extraterrestrial life

301
00:15:43,189 --> 00:15:41,600
forms in turn we would learn by the new

302
00:15:49,910 --> 00:15:43,199
york times

303
00:15:57,670 --> 00:15:52,230
congressman andre carson would call for

304
00:15:57,680 --> 00:16:03,430
[Music]

305
00:16:06,389 --> 00:16:04,710
and some could say that true

306
00:16:08,370 --> 00:16:06,399
transparency

307
00:16:15,590 --> 00:16:08,380
began

308
00:16:16,949 --> 00:16:15,600
[Music]

309
00:16:18,710 --> 00:16:16,959
and while that was all happened

310
00:16:20,550 --> 00:16:18,720
simultaneously

311
00:16:22,629 --> 00:16:20,560
ufo characters

312
00:16:23,960 --> 00:16:22,639
would slander lou eleganto

313
00:16:27,670 --> 00:16:23,970

mischaracterize him

314

00:16:32,550 --> 00:16:30,320

bend truth to fit their agenda

315

00:16:34,550 --> 00:16:32,560

[Music]

316

00:16:38,870 --> 00:16:34,560

characters in the community would first

317

00:16:41,910 --> 00:16:40,750

and then turn around

318

00:16:43,270 --> 00:16:41,920

[Music]

319

00:16:47,509 --> 00:16:43,280

and stab him in the back

320

00:16:50,370 --> 00:16:47,519

[Music]

321

00:16:51,509 --> 00:16:50,380

but as we have learned

322

00:16:52,760 --> 00:16:51,519

[Music]

323

[Music]

329
00:17:09,589 --> 00:17:07,510
for ultimate

330
00:17:15,909 --> 00:17:09,599
uav transparency

to be continued

333
00:17:46,150 --> 00:17:38,870
everyone faces challenges

334
00:17:55,350 --> 00:17:48,390
some bigger than others but we all have

335
00:18:01,960 --> 00:17:57,350
what makes us volunteer for some of

336
00:18:06,390 --> 00:18:04,549
[Music]

337
00:18:16,789 --> 00:18:06,400
is it growth

338
00:18:20,630 --> 00:18:19,430

you always hear failure

339

00:18:23,830 --> 00:18:20,640

and pain

340

00:18:32,549 --> 00:18:23,840

is the best way to learn

341

00:18:42,710 --> 00:18:35,970

but what if we only had one chance

342

00:18:44,789 --> 00:18:42,720

[Music]

343

00:18:48,200 --> 00:18:44,799

what if someone took on the feet of

344

00:18:53,750 --> 00:18:48,210

rewriting the history books

345

00:18:57,190 --> 00:18:53,760

[Music]

346

00:18:58,190 --> 00:18:57,200

and they only had one opportunity to get

00:19:07,430 --> 00:18:58,200

it right

00:19:13,029 --> 00:19:07,440

[Music]

349

00:19:13,039 --> 00:19:17,480

would they turn around and go home

00:19:22,150 --> 00:19:20,710

[Music]

351
00:19:25,669 --> 00:19:22,160
surely after

352
00:19:28,070 --> 00:19:25,679
hundreds of hurdles and insults

353
00:19:29,830 --> 00:19:28,080
that could be pioneer

354
00:19:32,690 --> 00:19:29,840
would give up

355
00:19:44,150 --> 00:19:32,700
right

356
00:19:53,350 --> 00:19:47,180
well not this guy

357
00:19:56,549 --> 00:19:55,350
his name

358
