WITNESSCITIZEN.COM

1  
00:00:05,349 --> 00:00:03,750  
what's up everybody long time no

2  
00:00:07,749 --> 00:00:05,359  
talk

3  
00:00:10,950 --> 00:00:07,759  
i hope everybody's doing okay

4  
00:00:14,390 --> 00:00:10,960  
um took a couple days off

5  
00:00:17,750 --> 00:00:14,400  
um for you know various reasons but it's

6  
00:00:22,070 --> 00:00:17,760  
good to be back good to be back

7  
00:00:29,189 --> 00:00:26,630  
we have andres brett lara jonathan

8  
00:00:33,030 --> 00:00:31,029  
witness citizen

9  
00:00:34,790 --> 00:00:33,040  
everybody for hanging out i appreciate

10  
00:00:37,030 --> 00:00:34,800  
you hope everybody's having kind of a

11  
00:00:39,430 --> 00:00:37,040  
nice relaxed sunday

12  
00:00:40,950 --> 00:00:39,440  
elena what's up thanks for coming i do

13  
00:00:41,910 --> 00:00:40,960

appreciate it

14

00:00:45,670 --> 00:00:41,920

um

15

00:00:47,029 --> 00:00:45,680

this past week has been just crazy

16

00:00:49,670 --> 00:00:47,039

i mean we had

17

00:00:51,990 --> 00:00:49,680

uh those congressional hearings

18

00:00:54,470 --> 00:00:52,000

and we did a great show on here shout

19

00:00:56,950 --> 00:00:54,480

out to jay priscilla

20

00:00:56,960 --> 00:00:59,990

vinnie

21

00:01:04,869 --> 00:01:02,470

uh signal

22

00:01:07,190 --> 00:01:04,879

who else did we have

23

00:01:09,190 --> 00:01:07,200

we had nathan

24

00:01:10,789 --> 00:01:09,200

um

25

00:01:16,550 --> 00:01:10,799

we had

26

00:01:19,670 --> 00:01:16,560

and it was pretty awesome to do

27

00:01:21,350 --> 00:01:19,680

uh most definitely so uh we did that we

28

00:01:22,870 --> 00:01:21,360

streamed for a couple hours we gave our

29

00:01:23,590 --> 00:01:22,880

thoughts at the end it was it was pretty

30

00:01:26,310 --> 00:01:23,600

good

31

00:01:27,109 --> 00:01:26,320

um but the the best part to me was to

32

00:01:28,310 --> 00:01:27,119

watch

33

00:01:30,630 --> 00:01:28,320

uh

34

00:01:31,670 --> 00:01:30,640

the blowback everything well i don't i

35

00:01:33,190 --> 00:01:31,680

don't know about the blowback but

36

00:01:34,310 --> 00:01:33,200

everything that happened afterwards and

37

00:01:35,910 --> 00:01:34,320

everything

38

00:01:38,310 --> 00:01:35,920

you know people different people had to

39

00:01:40,710 --> 00:01:38,320

say from ross goldhart uh the interviews

40

00:01:43,510 --> 00:01:40,720

louis zondo did afterwards

41

00:01:46,469 --> 00:01:43,520

um to the positives to the negatives

42

00:01:49,030 --> 00:01:46,479

everybody had kind of different uh takes

43

00:01:50,870 --> 00:01:49,040

more or less

44

00:01:52,710 --> 00:01:50,880

in the end

45

00:01:54,310 --> 00:01:52,720

um you can take some positives and some

46

00:01:56,310 --> 00:01:54,320

negatives the positives is it's the

47

00:01:58,870 --> 00:01:56,320

first steering

48

00:02:01,030 --> 00:01:58,880

on ufos since the 60s which is pretty

49

00:02:03,510 --> 00:02:01,040

cool

50

00:02:06,610 --> 00:02:03,520

um they definitely

51  
00:02:08,309 --> 00:02:06,620  
you know uh left a lot to be desired

52  
00:02:10,469 --> 00:02:08,319  
[Laughter]

53  
00:02:12,710 --> 00:02:10,479  
most definitely but i hear there's going

54  
00:02:15,270 --> 00:02:12,720  
to be more congressional hearings

55  
00:02:16,229 --> 00:02:15,280  
so we'll we'll see how that goes the

56  
00:02:19,750 --> 00:02:16,239  
the

57  
00:02:27,430 --> 00:02:19,760  
bunch of

58  
00:02:28,710 --> 00:02:27,440  
they always kind of have routinely but

59  
00:02:30,150 --> 00:02:28,720  
everybody's kind of putting in their

60  
00:02:32,470 --> 00:02:30,160  
take on there there's some people that

61  
00:02:34,150 --> 00:02:32,480  
say oh that's just so stupid some people

62  
00:02:35,190 --> 00:02:34,160  
are saying

63  
00:02:36,630 --> 00:02:35,200

you know you don't know what you're

64

00:02:38,070 --> 00:02:36,640

talking about

65

00:02:40,470 --> 00:02:38,080

pretty much uh

66

00:02:42,710 --> 00:02:40,480

how everything with ufos goes

67

00:02:44,550 --> 00:02:42,720

you know um but the wilson davis notes

68

00:02:46,150 --> 00:02:44,560

are pretty interesting to me um if you

69

00:02:47,910 --> 00:02:46,160

haven't looked into them look into them

70

00:02:49,670 --> 00:02:47,920

i'm sure you can just google them

71

00:02:53,030 --> 00:02:49,680

wilson davis

72

00:02:54,869 --> 00:02:53,040

notes uh eric davis admiral tim wilson

73

00:02:57,110 --> 00:02:54,879

they were entered into the record in the

74

00:02:59,509 --> 00:02:57,120

congressional hearings by representative

75

00:03:01,509 --> 00:02:59,519

gallagher who's from my state

76

00:03:03,830 --> 00:03:01,519

green bay wisconsin

77

00:03:06,470 --> 00:03:03,840

um so it should be pretty interesting

78

00:03:07,990 --> 00:03:06,480

and i mean my take from it is

79

00:03:09,750 --> 00:03:08,000

if you think they're crap it should

80

00:03:12,710 --> 00:03:09,760

still be a good thing because it's going

81

00:03:14,309 --> 00:03:12,720

to get looked into and properly debunked

82

00:03:15,750 --> 00:03:14,319

um if

83

00:03:17,190 --> 00:03:15,760

you know

84

00:03:19,350 --> 00:03:17,200

you believe in the notes it's going to

85

00:03:21,670 --> 00:03:19,360

be a great thing because you're you know

86

00:03:23,670 --> 00:03:21,680

you're going to be validated basically

87

00:03:25,110 --> 00:03:23,680

when they look into this stuff

88

00:03:27,350 --> 00:03:25,120

my take on it

89

00:03:29,270 --> 00:03:27,360

on the notes is

90

00:03:30,869 --> 00:03:29,280

they're incredibly detailed and there's

91

00:03:32,869 --> 00:03:30,879

there's some

92

00:03:33,670 --> 00:03:32,879

stuff in there

93

00:03:35,750 --> 00:03:33,680

which

94

00:03:37,509 --> 00:03:35,760

you know it would be next to impossible

95

00:03:39,110 --> 00:03:37,519

for somebody to know

96

00:03:40,550 --> 00:03:39,120

about some of those things

97

00:03:42,070 --> 00:03:40,560

that were mentioned in those notes

98

00:03:43,670 --> 00:03:42,080

unless they were

99

00:03:45,350 --> 00:03:43,680

you know an insider and knew what they

100

00:03:46,949 --> 00:03:45,360

were talking about uh one thing i've

101  
00:03:48,309 --> 00:03:46,959  
kind of went through at length on this

102  
00:03:51,190 --> 00:03:48,319  
show is something called the watch

103  
00:03:52,630 --> 00:03:51,200  
committee the watch committee

104  
00:03:54,550 --> 00:03:52,640  
goes back

105  
00:03:58,830 --> 00:03:54,560  
a ways and they have a history of

106  
00:04:02,229 --> 00:04:00,470  
so

107  
00:04:05,190 --> 00:04:02,239  
you know and you ask

108  
00:04:06,710 --> 00:04:05,200  
basic ufologists

109  
00:04:08,070 --> 00:04:06,720  
and they're not going to know what that

110  
00:04:09,350 --> 00:04:08,080  
is

111  
00:04:11,910 --> 00:04:09,360  
so

112  
00:04:13,670 --> 00:04:11,920  
to me you know if they were you know

113  
00:04:15,270 --> 00:04:13,680

faked or whatever it wasn't by somebody

114

00:04:17,110 --> 00:04:15,280

in ufology because none of them really

115

00:04:18,870 --> 00:04:17,120

even knew that existed

116

00:04:20,789 --> 00:04:18,880

so

117

00:04:22,710 --> 00:04:20,799

you know can i say all of them no but i

118

00:04:25,030 --> 00:04:22,720

mean

119

00:04:27,670 --> 00:04:25,040

basically

120

00:04:28,629 --> 00:04:27,680

no one knew about that

121

00:04:31,270 --> 00:04:28,639

so

122

00:04:33,110 --> 00:04:31,280

to put that in the notes as you know

123

00:04:34,710 --> 00:04:33,120

it was uh

124

00:04:36,070 --> 00:04:34,720

referenced says

125

00:04:38,710 --> 00:04:36,080

you know people are basically holding

126

00:04:41,110 --> 00:04:38,720

the keys to the secrets it was watch

127

00:04:42,950 --> 00:04:41,120

committee and or gatekeepers

128

00:04:45,030 --> 00:04:42,960

so

129

00:04:46,710 --> 00:04:45,040

to to know that and i'm not saying that

130

00:04:48,950 --> 00:04:46,720

they're even actually the people that

131

00:04:52,310 --> 00:04:48,960

that were doing it that were holding the

132

00:04:55,510 --> 00:04:52,320

secrets or you know had the keys to the

133

00:04:58,790 --> 00:04:55,520

castle so to speak but

134

00:05:01,510 --> 00:04:58,800

they're mentioned in there and

135

00:05:02,469 --> 00:05:01,520

it's hard to even know who that is you

136

00:05:04,070 --> 00:05:02,479

know

137

00:05:05,510 --> 00:05:04,080

um but if you actually read the notes

138

00:05:07,430 --> 00:05:05,520

carefully and you look into the

139

00:05:09,510 --> 00:05:07,440

different things that are involved in it

140

00:05:11,430 --> 00:05:09,520

even names are mentioned in there that

141

00:05:13,510 --> 00:05:11,440

are are people that were really in the

142

00:05:15,510 --> 00:05:13,520

government at that time in those roles

143

00:05:18,710 --> 00:05:15,520

and it's a hard thing to find like this

144

00:05:21,990 --> 00:05:18,720

judith daily i looked into

145

00:05:24,550 --> 00:05:22,000

that's not an easy person to find

146

00:05:26,710 --> 00:05:24,560

you know like uh i had to do some real

147

00:05:28,390 --> 00:05:26,720

digging to actually find out if that was

148

00:05:29,510 --> 00:05:28,400

a real person and if they're in that

149

00:05:32,390 --> 00:05:29,520

role

150

00:05:34,790 --> 00:05:32,400

uh that she was mentioned as having um

151

00:05:36,150 --> 00:05:34,800

in those notes and she did

152

00:05:38,390 --> 00:05:36,160

so

153

00:05:39,830 --> 00:05:38,400

there's definitely a validity to the

154

00:05:40,190 --> 00:05:39,840

notes

155

00:05:41,990 --> 00:05:40,200

um

156

00:05:43,510 --> 00:05:42,000

[Music]

157

00:05:45,990 --> 00:05:43,520

you know is there misinformation in

158

00:05:47,270 --> 00:05:46,000

there or whatever maybe i don't know but

159

00:05:49,110 --> 00:05:47,280

there's a lot of things in there that

160

00:05:51,670 --> 00:05:49,120

are definitely true

161

00:05:54,310 --> 00:05:51,680

um so i'm interested to see where it

162

00:05:56,469 --> 00:05:54,320

goes most definitely i hope wilson

163

00:05:58,070 --> 00:05:56,479

testifies i hope other peace and people

164

00:06:00,469 --> 00:05:58,080

do as well

165

00:06:05,189 --> 00:06:03,430

so that would be cool

166

00:06:07,830 --> 00:06:05,199

that would definitely be cool

167

00:06:09,110 --> 00:06:07,840

to at least you know get that looked

168

00:06:10,550 --> 00:06:09,120

into for real

169

00:06:12,390 --> 00:06:10,560

and you know

170

00:06:15,110 --> 00:06:12,400

there's definitely some lying going on

171

00:06:16,469 --> 00:06:15,120

on the hill uh

172

00:06:18,390 --> 00:06:16,479

you know in regards to the miles from

173

00:06:20,469 --> 00:06:18,400

air force thing but i actually made like

174

00:06:22,629 --> 00:06:20,479

this little uh clip this 10 minute clip

175

00:06:24,469 --> 00:06:22,639

of me breaking down uh the congressional

176

00:06:26,309 --> 00:06:24,479

hearings so i'm gonna play that it's a

177

00:06:28,150 --> 00:06:26,319

short clip i'm gonna get through that

178

00:06:29,510 --> 00:06:28,160

and then i'm gonna get through to some

179

00:06:31,510 --> 00:06:29,520

other things like

180

00:06:34,390 --> 00:06:31,520

um how daniel sheehan just said on a

181

00:06:35,830 --> 00:06:34,400

radio show that lou elizondo is the

182

00:06:37,909 --> 00:06:35,840

principal

183

00:06:40,309 --> 00:06:37,919

advisor on ufos

184

00:06:44,320 --> 00:06:40,319

to the u.s space command

185

00:06:52,470 --> 00:06:44,330

so hang tight and we'll get to that

186

00:06:52,480 --> 00:07:06,230

[Music]

187

00:07:09,909 --> 00:07:07,909

here are my notes from the uap

188

00:07:12,790 --> 00:07:09,919

congressional hearings first of all they

189

00:07:14,469 --> 00:07:12,800

address stigma over 400 more reports

190

00:07:17,990 --> 00:07:14,479

have come in since the preliminary

191

00:07:21,430 --> 00:07:19,749

they mentioned

192

00:07:23,510 --> 00:07:21,440

relationships and commitments to other

193

00:07:25,510 --> 00:07:23,520

services and branches and departments as

194

00:07:27,909 --> 00:07:25,520

far as sharing information there was no

195

00:07:30,870 --> 00:07:27,919

mention of the united states air force

196

00:07:33,430 --> 00:07:30,880

or the cia although the space force was

197

00:07:37,749 --> 00:07:35,990

and other people were as far as noaa

198

00:07:39,189 --> 00:07:37,759

nasa and others but i found it

199

00:07:42,230 --> 00:07:39,199

interesting that the air force and the

200

00:07:45,589 --> 00:07:42,240

cia were absent as they also pretty much

201  
00:07:46,550 --> 00:07:45,599  
were in the preliminary assessment

202  
00:07:47,510 --> 00:07:46,560  
also

203  
00:07:49,749 --> 00:07:47,520  
they

204  
00:07:52,390 --> 00:07:49,759  
share some information with allies and

205  
00:07:54,390 --> 00:07:52,400  
ally share some information back

206  
00:07:57,029 --> 00:07:54,400  
allies as well as foreign adversaries in

207  
00:07:59,670 --> 00:07:57,039  
other countries have witnessed uap china

208  
00:08:01,029 --> 00:07:59,680  
has even established their own uap task

209  
00:08:03,589 --> 00:08:01,039  
force

210  
00:08:06,550 --> 00:08:03,599  
they'll also they have been receiving a

211  
00:08:11,990 --> 00:08:06,560  
uap reports from the faa and they do

212  
00:08:16,309 --> 00:08:15,110  
pre-limit assessment of 2021 had 144

213  
00:08:19,909 --> 00:08:16,319

objects

214

00:08:23,430 --> 00:08:19,919

there are 11 near misses

215

00:08:26,950 --> 00:08:23,440

115 were tracked with multiple sensors

216

00:08:28,790 --> 00:08:26,960

only one was identified

217

00:08:30,070 --> 00:08:28,800

18 showed no discernible means of

218

00:08:32,230 --> 00:08:30,080

propulsion

219

00:08:34,709 --> 00:08:32,240

they are not aware of any adversary

220

00:08:36,790 --> 00:08:34,719

technology

221

00:08:38,310 --> 00:08:36,800

that is able to

222

00:08:42,949 --> 00:08:38,320

basically have something in the air with

223

00:08:47,030 --> 00:08:44,550

it was said that no armaments were

224

00:08:48,870 --> 00:08:47,040

discharged

225

00:08:52,310 --> 00:08:48,880

although if you look back at the 2019

226

00:08:55,670 --> 00:08:52,320

report of swarms over navy ships

227

00:08:58,070 --> 00:08:55,680

we did in fact use ghostbusters

228

00:09:05,030 --> 00:08:58,080

which are guns that were meant to

229

00:09:09,670 --> 00:09:06,949

they showed a couple videos the first

230

00:09:11,910 --> 00:09:09,680

one was a very small spherical object

231

00:09:13,829 --> 00:09:11,920

that quickly passed

232

00:09:16,870 --> 00:09:13,839

it's unexplained they did receive

233

00:09:19,110 --> 00:09:16,880

multi-sensory data

234

00:09:21,670 --> 00:09:19,120

they could not go into it

235

00:09:24,470 --> 00:09:21,680

and decided to go into that

236

00:09:26,310 --> 00:09:24,480

behind closed doors

237

00:09:28,389 --> 00:09:26,320

i think they use the video as a way to

238

00:09:29,829 --> 00:09:28,399

attribute how little information they

239

00:09:31,350 --> 00:09:29,839

actually have on some of these

240

00:09:33,269 --> 00:09:31,360

encounters

241

00:09:37,269 --> 00:09:33,279

and more or less for us to feel bad for

242

00:09:41,590 --> 00:09:39,990

the other video is the pyramid video

243

00:09:44,630 --> 00:09:41,600

i was said they were reported as

244

00:09:46,630 --> 00:09:44,640

triangles and the shape

245

00:09:48,389 --> 00:09:46,640

is from

246

00:09:50,949 --> 00:09:48,399

light passing through the night vision

247

00:09:53,430 --> 00:09:50,959

goggles through an slr camera

248

00:09:55,190 --> 00:09:53,440

it went unresolved for years

249

00:09:58,150 --> 00:09:55,200

another instance it was captured with a

250

00:10:01,590 --> 00:09:58,160

single lens reflex camera

251  
00:10:05,750 --> 00:10:04,630  
at that time uas were picked up and seen

252  
00:10:07,269 --> 00:10:05,760  
around

253  
00:10:08,870 --> 00:10:07,279  
the same area therefore they're

254  
00:10:11,269 --> 00:10:08,880  
reasonably confident that's what the

255  
00:10:12,150 --> 00:10:11,279  
triangle was

256  
00:10:14,710 --> 00:10:12,160  
uh

257  
00:10:16,870 --> 00:10:14,720  
when schiff asked if the task force was

258  
00:10:18,120 --> 00:10:16,880  
able to reproduce that image on their

259  
00:10:20,710 --> 00:10:18,130  
own

260  
00:10:23,430 --> 00:10:20,720  
[Music]

261  
00:10:24,550 --> 00:10:23,440  
bray then mentioned that the uaptf were

262  
00:10:28,470 --> 00:10:24,560  
aware

263  
00:10:32,470 --> 00:10:28,480

of studies that have done that

264

00:10:34,389 --> 00:10:32,480

which is probably mick west

265

00:10:36,550 --> 00:10:34,399

they also mentioned that it took

266

00:10:39,269 --> 00:10:36,560

considerable amount of effort

267

00:10:41,829 --> 00:10:39,279

uh to resolve that issue but to me it

268

00:10:45,269 --> 00:10:41,839

seems unresolved

269

00:10:46,550 --> 00:10:45,279

as they're reasonably confident

270

00:10:48,710 --> 00:10:46,560

and they were

271

00:10:54,949 --> 00:10:48,720

unable to re reproduce that effect

272

00:10:59,190 --> 00:10:56,389

also i find it hard to believe if your

273

00:11:01,509 --> 00:10:59,200

navy ships are being swarmed

274

00:11:06,630 --> 00:11:01,519

no communication to them

275

00:11:10,870 --> 00:11:08,790

which it said

276  
00:11:14,470 --> 00:11:10,880  
that those attempts have not been made

277  
00:11:19,670 --> 00:11:17,430  
um some things that were not able to be

278  
00:11:21,030 --> 00:11:19,680  
talked about because they were

279  
00:11:26,389 --> 00:11:21,040  
going to be talked about in the

280  
00:11:32,470 --> 00:11:28,150  
what data the multi-sensor's got in the

281  
00:11:37,269 --> 00:11:34,310  
um

282  
00:11:40,870 --> 00:11:37,279  
other countries in their uap sightings

283  
00:11:46,310 --> 00:11:43,030  
how we have altered our offensive or

284  
00:11:51,430 --> 00:11:46,320  
defensive capabilities

285  
00:11:55,110 --> 00:11:53,190  
it was also said that we don't want

286  
00:11:57,750 --> 00:11:55,120  
adversaries to know what's seen and

287  
00:12:00,069 --> 00:11:57,760  
understood

288  
00:12:03,030 --> 00:12:00,079

and how they make conclusions

289

00:12:03,829 --> 00:12:03,040

it's probably why shapes are blacked out

290

00:12:08,470 --> 00:12:03,839

in

291

00:12:12,870 --> 00:12:11,110

how they make conclusions conflicts with

292

00:12:16,470 --> 00:12:12,880

their description of the triangle video

293

00:12:23,190 --> 00:12:16,480

as they literally told us how they make

294

00:12:27,829 --> 00:12:24,790

a tip was mentioned it's been

295

00:12:30,150 --> 00:12:27,839

established although it has already

296

00:12:31,350 --> 00:12:30,160

it's a deode it was a dod managed

297

00:12:37,670 --> 00:12:31,360

program

298

00:12:42,949 --> 00:12:40,790

um bray or moultrie not aware of

299

00:12:45,430 --> 00:12:42,959

contracted folks looking at this which

300

00:12:50,310 --> 00:12:45,440

leads me to believe that other people

301

00:12:55,269 --> 00:12:53,269

neither of them had any data

302

00:12:58,310 --> 00:12:55,279

or knew about the mouse from air force

303

00:13:03,910 --> 00:12:58,320

base incident in the 70s

304

00:13:07,269 --> 00:13:05,590

although they mentioned uh brie

305

00:13:10,150 --> 00:13:07,279

mentioned that he's

306

00:13:11,670 --> 00:13:10,160

seen media reports more or less

307

00:13:13,910 --> 00:13:11,680

to me that's a slap in the face to

308

00:13:16,230 --> 00:13:13,920

robert salas is

309

00:13:22,710 --> 00:13:16,240

that is a well-documented case in by the

310

00:13:27,430 --> 00:13:25,509

um also mentioned that a secret

311

00:13:28,790 --> 00:13:27,440

access program will

312

00:13:31,030 --> 00:13:28,800

um

313

00:13:38,870 --> 00:13:31,040

they're trying to create one

314

00:13:43,590 --> 00:13:41,590

some conflicts they've been uh

315

00:13:46,150 --> 00:13:43,600

moultrie said they've been identifying

316

00:13:48,150 --> 00:13:46,160

unknown unknowns for decades

317

00:13:49,829 --> 00:13:48,160

if that's the case how is the unaware of

318

00:13:53,030 --> 00:13:49,839

any effort

319

00:13:57,590 --> 00:13:53,040

in between blue book and atip which is

320

00:13:57,600 --> 00:14:01,990

um

321

00:14:04,949 --> 00:14:03,509

they basically haven't shot anything at

322

00:14:07,110 --> 00:14:04,959

these uap

323

00:14:08,550 --> 00:14:07,120

but we just talked about the 2019

324

00:14:10,310 --> 00:14:08,560

ghostbuster incident where they used

325

00:14:13,189 --> 00:14:10,320

those ghostbuster guns and tron swarming

326

00:14:16,389 --> 00:14:13,199

their navy ships

327

00:14:18,790 --> 00:14:16,399

uh communication

328

00:14:20,949 --> 00:14:18,800

well in the preliminary assessment rf

329

00:14:22,069 --> 00:14:20,959

signals were picked up communication

330

00:14:27,430 --> 00:14:22,079

could be

331

00:14:33,430 --> 00:14:30,550

or anything of the such they said

332

00:14:37,030 --> 00:14:33,440

that's never been done

333

00:14:41,910 --> 00:14:39,189

it's also mentioned that they're taking

334

00:14:43,269 --> 00:14:41,920

on a standardized approach to the uap of

335

00:14:45,430 --> 00:14:43,279

reporting

336

00:14:47,350 --> 00:14:45,440

which has never been done that's a flat

337

00:14:49,670 --> 00:14:47,360

out lie

338

00:14:51,269 --> 00:14:49,680

project blue book was a standardized

339

00:14:53,590 --> 00:14:51,279

reporting system

340

00:14:59,990 --> 00:14:53,600

in fact they had a ufo officer at almost

341

00:15:04,550 --> 00:15:02,470

another thing said

342

00:15:06,150 --> 00:15:04,560

uh is that they are confident they're

343

00:15:11,189 --> 00:15:06,160

not reporting

344

00:15:15,829 --> 00:15:13,750

another thing 2004 tic tac

345

00:15:16,949 --> 00:15:15,839

they have plenty of data on it and it

346

00:15:21,509 --> 00:15:16,959

remains

347

00:15:30,069 --> 00:15:23,750

a couple takeaways is the history here

348

00:15:33,110 --> 00:15:31,749

they are only talking about and will

349

00:15:35,030 --> 00:15:33,120

talk about things that are within the

350

00:15:37,749 --> 00:15:35,040

uap task force which has been around for

351  
00:15:41,829 --> 00:15:37,759  
only a little over a year

352  
00:15:44,389 --> 00:15:43,350  
bodies

353  
00:15:46,550 --> 00:15:44,399  
that

354  
00:15:49,749 --> 00:15:46,560  
they won't be able to talk about

355  
00:15:51,350 --> 00:15:49,759  
and it's probably by design

356  
00:15:55,430 --> 00:15:51,360  
and the wilson davis notes were

357  
00:15:57,189 --> 00:15:55,440  
officially put into the record

358  
00:15:58,470 --> 00:15:57,199  
which i don't have time to get into that

359  
00:15:59,829 --> 00:15:58,480  
now

360  
00:16:03,350 --> 00:15:59,839  
but it's something you should definitely

361  
00:16:03,360 --> 00:16:10,310  
that's a wrap

362  
00:16:15,509 --> 00:16:11,670  
so yeah

363  
00:16:17,590 --> 00:16:15,519

those were my takeaways hope you

364

00:16:19,430 --> 00:16:17,600

uh enjoyed them

365

00:16:22,629 --> 00:16:19,440

i went through it pretty

366

00:16:26,949 --> 00:16:22,639

meticulously so i'm sure i got most of

367

00:16:29,880 --> 00:16:29,189

um robert i'm not about to rap that's

368

00:16:33,030 --> 00:16:29,890

for sure

369

00:16:35,110 --> 00:16:33,040

[Laughter]

370

00:16:37,030 --> 00:16:35,120

but uh yeah i mean the historical

371

00:16:38,790 --> 00:16:37,040

knowledge was obviously lacking i mean

372

00:16:40,550 --> 00:16:38,800

the mouse from

373

00:16:41,749 --> 00:16:40,560

how do you how are you

374

00:16:43,749 --> 00:16:41,759

how are you

375

00:16:46,470 --> 00:16:43,759

looking at uap

376

00:16:49,030 --> 00:16:46,480

and don't know anything about it and

377

00:16:51,189 --> 00:16:49,040

basically refer to it as

378

00:16:54,790 --> 00:16:51,199

uh something that was

379

00:16:57,509 --> 00:16:54,800

uh just a media report when you know

380

00:17:00,230 --> 00:16:57,519

specific documents were actually voided

381

00:17:01,350 --> 00:17:00,240

and uh you know given by the department

382

00:17:02,230 --> 00:17:01,360

of defense

383

00:17:04,230 --> 00:17:02,240

so

384

00:17:06,230 --> 00:17:04,240

and uh robert salas actually on twitter

385

00:17:07,990 --> 00:17:06,240

posted a picture of

386

00:17:11,990 --> 00:17:08,000

you know uh him

387

00:17:15,510 --> 00:17:14,150

you know documents and such uh from that

388

00:17:17,590 --> 00:17:15,520

case

389

00:17:20,710 --> 00:17:17,600

to them so

390

00:17:22,390 --> 00:17:20,720

so i i think uh they should probably be

391

00:17:24,069 --> 00:17:22,400

in some

392

00:17:26,949 --> 00:17:24,079

uh hot water

393

00:17:28,390 --> 00:17:26,959

for that so to speak

394

00:17:32,549 --> 00:17:28,400

so

395

00:17:38,150 --> 00:17:32,559

before we get into the juicy gossip

396

00:17:40,549 --> 00:17:38,160

have uh one more thing

397

00:17:43,350 --> 00:17:40,559

oh well i don't know which one more you

398

00:17:46,470 --> 00:17:43,360

know or whatever but it is something

399

00:17:49,270 --> 00:17:46,480

cool that i'm gonna show you well at

400

00:17:51,270 --> 00:17:49,280

least i think it's cool

401  
00:17:52,950 --> 00:17:51,280  
because

402  
00:17:55,110 --> 00:17:52,960  
this picture

403  
00:17:59,510 --> 00:17:55,120  
that i'm about to show you

404  
00:18:01,590 --> 00:17:59,520  
i mean i've had this picture for a long

405  
00:18:03,190 --> 00:18:01,600  
time

406  
00:18:05,750 --> 00:18:03,200  
because as you know if you go to my

407  
00:18:07,430 --> 00:18:05,760  
website witnesscitizen.com

408  
00:18:09,110 --> 00:18:07,440  
you can look at all the blue book

409  
00:18:11,909 --> 00:18:09,120  
pictures because i've

410  
00:18:16,230 --> 00:18:11,919  
downloaded them and put them in a drive

411  
00:18:19,350 --> 00:18:16,240  
folder for you it took a lot of time

412  
00:18:20,549 --> 00:18:19,360  
an effort to do that but i did

413  
00:18:22,950 --> 00:18:20,559

you know and

414

00:18:24,870 --> 00:18:22,960

most pictures do suck

415

00:18:26,230 --> 00:18:24,880

but this one

416

00:18:28,789 --> 00:18:26,240

i thought

417

00:18:30,789 --> 00:18:28,799

was always really good

418

00:18:34,710 --> 00:18:30,799

and

419

00:18:36,470 --> 00:18:34,720

but the thing with it this is this oop

420

00:18:38,310 --> 00:18:36,480

this is in here but the thing about it

421

00:18:41,990 --> 00:18:38,320

is

422

00:18:44,390 --> 00:18:42,000

i could never find

423

00:18:48,230 --> 00:18:44,400

the case that went with it it was remy

424

00:18:51,110 --> 00:18:48,240

air force base puerto rico

425

00:18:52,870 --> 00:18:51,120

but i could never find the freaking case

426

00:18:54,630 --> 00:18:52,880

look at that thing that's uh pretty

427

00:18:57,590 --> 00:18:54,640

close

428

00:18:59,029 --> 00:18:57,600

he got some water or sky there i don't

429

00:19:00,549 --> 00:18:59,039

freaking know but

430

00:19:03,270 --> 00:19:00,559

uh it's a

431

00:19:06,390 --> 00:19:03,280

air force took this picture

432

00:19:08,870 --> 00:19:06,400

so when it says air force base

433

00:19:10,950 --> 00:19:08,880

that means that the sighting

434

00:19:12,950 --> 00:19:10,960

happened

435

00:19:14,950 --> 00:19:12,960

from them they made the sighting it

436

00:19:17,110 --> 00:19:14,960

wasn't reported to them by a civilian or

437

00:19:19,270 --> 00:19:17,120

whatever that ever somebody at the air

438

00:19:20,549 --> 00:19:19,280

force base actually made the sighting

439

00:19:22,630 --> 00:19:20,559

themselves

440

00:19:25,029 --> 00:19:22,640

so that's why i thought this was super

441

00:19:27,830 --> 00:19:25,039

good

442

00:19:29,430 --> 00:19:27,840

and we're going to get into

443

00:19:31,270 --> 00:19:29,440

sorry if it's kind of hodge podge

444

00:19:33,350 --> 00:19:31,280

together a little bit let me just go

445

00:19:39,350 --> 00:19:33,360

through this here

446

00:19:43,190 --> 00:19:40,390

so

447

00:19:46,070 --> 00:19:43,200

maybe these aren't in the best order but

448

00:19:48,870 --> 00:19:46,080

i actually found the case finally

449

00:19:51,990 --> 00:19:48,880

and it was in a pennsylvania folder

450

00:19:54,310 --> 00:19:52,000

in a pennsylvania blue book folder

451  
00:19:57,029 --> 00:19:54,320  
which just goes to show you like there's

452  
00:19:58,390 --> 00:19:57,039  
so much in these blue book files yet

453  
00:20:00,470 --> 00:19:58,400  
that we don't even know about because

454  
00:20:01,909 --> 00:20:00,480  
they're all stuffed in

455  
00:20:06,710 --> 00:20:01,919  
not all of them but a lot of them are

456  
00:20:10,230 --> 00:20:06,720  
stuffed in just incorrect folders

457  
00:20:13,669 --> 00:20:11,990  
you know just kind of one of the sheets

458  
00:20:15,669 --> 00:20:13,679  
that gives a breakdown of it

459  
00:20:17,830 --> 00:20:15,679  
so

460  
00:20:20,630 --> 00:20:17,840  
this shape object with two distinct

461  
00:20:23,430 --> 00:20:20,640  
levels upper and lower deck

462  
00:20:25,909 --> 00:20:23,440  
very bright brilliant white

463  
00:20:29,830 --> 00:20:25,919

two level appearance reddish looking

464

00:20:33,110 --> 00:20:29,840

band slightly above midsection

465

00:20:34,549 --> 00:20:33,120

object appeared to be

466

00:20:36,230 --> 00:20:34,559

floating

467

00:20:39,190 --> 00:20:36,240

or hovering

468

00:20:40,789 --> 00:20:39,200

just above the water

469

00:20:42,230 --> 00:20:40,799

and traveled a short distance from left

470

00:20:45,510 --> 00:20:42,240

to right and back

471

00:20:48,789 --> 00:20:45,520

it then began to rise from the water

472

00:20:52,630 --> 00:20:48,799

traveling from right to left

473

00:20:56,390 --> 00:20:54,549

object then reversed its flight path and

474

00:21:00,870 --> 00:20:56,400

disappeared from view

475

00:21:06,549 --> 00:21:03,669

as it began to rise from the water and

476

00:21:15,190 --> 00:21:06,559

traveling right to left

477

00:21:18,630 --> 00:21:16,710

so hot damn

478

00:21:20,470 --> 00:21:18,640

object appeared didn't uh disappear to

479

00:21:23,669 --> 00:21:20,480

the northeast

480

00:21:25,110 --> 00:21:23,679

saw for approximately five minutes

481

00:21:28,310 --> 00:21:25,120

uh

482

00:21:31,110 --> 00:21:28,320

location of observer the beach northeast

483

00:21:34,070 --> 00:21:31,120

corner of raimi air force base

484

00:21:36,070 --> 00:21:34,080

weather and winds they give that

485

00:21:37,750 --> 00:21:36,080

which is another thing like a lot of

486

00:21:41,110 --> 00:21:37,760

people complain about data but there

487

00:21:43,590 --> 00:21:41,120

actually is a lot of data like this

488

00:21:45,669 --> 00:21:43,600

in radar sighting data in the blue book

489

00:21:48,230 --> 00:21:45,679

files but nobody cares nobody goes and

490

00:21:50,710 --> 00:21:48,240

looks and knows tries to dissect them

491

00:21:53,430 --> 00:21:50,720

and figure out what it could mean

492

00:21:56,710 --> 00:21:53,440

it's a little beyond my

493

00:21:59,350 --> 00:21:56,720

knowledge my skill set so

494

00:22:00,870 --> 00:21:59,360

you know i don't really do that i'm sure

495

00:22:02,390 --> 00:22:00,880

i could if i took the time but it takes

496

00:22:03,350 --> 00:22:02,400

enough time to find this stuff to begin

497

00:22:06,310 --> 00:22:03,360

with

498

00:22:10,390 --> 00:22:08,710

the people uh robert d williams captain

499

00:22:12,710 --> 00:22:10,400

united states air force chief combat

500

00:22:14,549 --> 00:22:12,720

intelligence branch 72nd

501  
00:22:16,230 --> 00:22:14,559  
bomb wing

502  
00:22:17,830 --> 00:22:16,240  
comments it is the opinion of the

503  
00:22:20,070 --> 00:22:17,840  
preparing officer that the airman

504  
00:22:22,149 --> 00:22:20,080  
padilla and henry are reliable and

505  
00:22:24,870 --> 00:22:22,159  
stable individuals they are not in the

506  
00:22:27,270 --> 00:22:24,880  
publicity seeking type

507  
00:22:28,870 --> 00:22:27,280  
um airman padilla was particularly

508  
00:22:29,750 --> 00:22:28,880  
concerned that the other people would

509  
00:22:31,029 --> 00:22:29,760  
think

510  
00:22:33,110 --> 00:22:31,039  
him uh

511  
00:22:34,870 --> 00:22:33,120  
not

512  
00:22:36,950 --> 00:22:34,880  
if his sighting became public after

513  
00:22:38,630 --> 00:22:36,960

having it discussed this sighting with

514

00:22:41,190 --> 00:22:38,640

other members of the intelligence

515

00:22:43,350 --> 00:22:41,200

division and letting the prediction and

516

00:22:46,070 --> 00:22:43,360

interpretation section examine the 35

517

00:22:49,990 --> 00:22:46,080

millimeter slide this seems to be a

518

00:22:51,430 --> 00:22:50,000

credible sighting incident

519

00:22:53,270 --> 00:22:51,440

i would love to get my hands on that

520

00:22:54,470 --> 00:22:53,280

color slide

521

00:22:56,070 --> 00:22:54,480

as you can see

522

00:22:59,830 --> 00:22:56,080

won't exist

523

00:23:01,590 --> 00:22:59,840

so we have airmen patella padilla

524

00:23:02,950 --> 00:23:01,600

doesn't want publicity

525

00:23:04,470 --> 00:23:02,960

didn't want to tell people because they

526

00:23:09,029 --> 00:23:04,480

think he was a nut

527

00:23:12,789 --> 00:23:10,870

and for a black and white photo from

528

00:23:16,390 --> 00:23:12,799

1967

529

00:23:18,710 --> 00:23:16,400

out of all the photos in blue book

530

00:23:20,549 --> 00:23:18,720

that aren't obviously a hoax like which

531

00:23:22,549 --> 00:23:20,559

are usually the ones that look like

532

00:23:25,110 --> 00:23:22,559

actual flying saucers

533

00:23:28,549 --> 00:23:25,120

uh i think that's pretty good

534

00:23:29,990 --> 00:23:28,559

that's pretty pretty good

535

00:23:32,230 --> 00:23:30,000

so

536

00:23:36,789 --> 00:23:32,240

and it reminds me of tic-tacs hovering

537

00:23:36,799 --> 00:23:39,590

pretty interesting

538

00:23:43,110 --> 00:23:41,750

robert has interesting comment rising

539

00:23:46,149 --> 00:23:43,120  
from the water

540

00:23:54,230 --> 00:23:47,430  
doubt it

541

00:23:58,149 --> 00:23:54,240  
so all right

542

00:24:02,549 --> 00:24:01,350  
another actually very interesting

543

00:24:06,549 --> 00:24:02,559  
um

544

00:24:09,430 --> 00:24:06,559  
case here i don't know what i'm doing

545

00:24:12,390 --> 00:24:09,440  
case here um that i touched on for a

546

00:24:13,190 --> 00:24:12,400  
second and skipped over but it is this

547

00:24:17,350 --> 00:24:13,200  
uh

548

00:24:22,630 --> 00:24:19,990  
um because you hear that ufos were seen

549

00:24:25,669 --> 00:24:22,640  
there but you i haven't really

550

00:24:27,110 --> 00:24:25,679  
dug much into it but uh this just popped

551  
00:24:29,110 --> 00:24:27,120  
up in the same folder actually as

552  
00:24:30,789 --> 00:24:29,120  
reported this case is completely

553  
00:24:32,549 --> 00:24:30,799  
unidentified and much additional

554  
00:24:34,310 --> 00:24:32,559  
information is called for it is

555  
00:24:35,750 --> 00:24:34,320  
inconceivable that military intelligence

556  
00:24:37,830 --> 00:24:35,760  
would not have looked further into this

557  
00:24:39,590 --> 00:24:37,840  
case and therefore i should

558  
00:24:41,190 --> 00:24:39,600  
like to request that further information

559  
00:24:43,190 --> 00:24:41,200  
garnered in this case be forwarded to

560  
00:24:46,630 --> 00:24:43,200  
project blue book cycle must certainly

561  
00:24:48,870 --> 00:24:46,640  
have 24-hour radar coverage were these

562  
00:24:52,230 --> 00:24:48,880  
objects picked up by raider

563  
00:24:53,909 --> 00:24:52,240

witness indicates that jet interception

564

00:24:55,510 --> 00:24:53,919

may have been involved although objects

565

00:24:57,990 --> 00:24:55,520

were traveling at least five times

566

00:24:58,830 --> 00:24:58,000

faster than any jet powered aircraft i

567

00:25:02,390 --> 00:24:58,840

have ever

568

00:25:06,149 --> 00:25:02,400

seen these objects were oval in shape

569

00:25:08,070 --> 00:25:06,159

and were traveling in a vertical aspect

570

00:25:10,070 --> 00:25:08,080

in view of the fact that the witness was

571

00:25:12,870 --> 00:25:10,080

known as a stable mature member of the

572

00:25:14,710 --> 00:25:12,880

524th military intelligence attachment

573

00:25:16,070 --> 00:25:14,720

it appears that all persons concerned in

574

00:25:18,549 --> 00:25:16,080

this sighting should be further

575

00:25:20,470 --> 00:25:18,559

interrogated i further suggest that a

576

00:25:23,190 --> 00:25:20,480

copy of this sighting be transmitted to

577

00:25:25,909 --> 00:25:23,200

the university of colorado group

578

00:25:27,669 --> 00:25:25,919

a lot of good that's going to do

579

00:25:28,950 --> 00:25:27,679

since the source of this information was

580

00:25:31,110 --> 00:25:28,960

himself a member of military

581

00:25:33,110 --> 00:25:31,120

intelligence attachment it appears all

582

00:25:35,269 --> 00:25:33,120

the more incomprehensible that this

583

00:25:39,110 --> 00:25:35,279

incident was not followed up

584

00:25:39,120 --> 00:25:41,590

so

585

00:25:45,029 --> 00:25:43,430

that's all played on for that one for

586

00:25:46,310 --> 00:25:45,039

now

587

00:25:48,950 --> 00:25:46,320

but yeah

588

00:25:52,470 --> 00:25:49,990

and

589

00:25:53,909 --> 00:25:52,480

i think it was robert or somebody that

590

00:25:56,310 --> 00:25:53,919

actually said when they were reported

591

00:25:59,510 --> 00:25:56,320

they reported as helicopters not this

592

00:26:03,430 --> 00:26:01,350

so

593

00:26:06,310 --> 00:26:03,440

i figure now

594

00:26:08,390 --> 00:26:06,320

you kind of we kind of have to touch on

595

00:26:11,510 --> 00:26:08,400

something

596

00:26:13,990 --> 00:26:11,520

that i brought up earlier

597

00:26:20,870 --> 00:26:17,830

it has to do with the us

598

00:26:24,789 --> 00:26:23,029

first of all

599

00:26:26,870 --> 00:26:24,799

what is the u.s space command if you

600

00:26:29,510 --> 00:26:26,880

bring it up on wikipedia it's a unified

601  
00:26:31,510 --> 00:26:29,520  
combatant commander of the united states

602  
00:26:33,750 --> 00:26:31,520  
defense department

603  
00:26:35,590 --> 00:26:33,760  
dod

604  
00:26:38,390 --> 00:26:35,600  
responsible for military operations in

605  
00:26:39,990 --> 00:26:38,400  
outer space

606  
00:26:42,870 --> 00:26:40,000  
specifically all operations 100

607  
00:26:44,149 --> 00:26:42,880  
kilometers above mean sea level u.s base

608  
00:26:45,990 --> 00:26:44,159  
command is responsible for the

609  
00:26:47,990 --> 00:26:46,000  
operational employment of space forces

610  
00:26:53,110 --> 00:26:48,000  
that are provided by the uniformed

611  
00:26:56,710 --> 00:26:54,549  
space news

612  
00:26:58,230 --> 00:26:56,720  
2029 2019

613  
00:26:59,590 --> 00:26:58,240

2029

614

00:27:01,350 --> 00:26:59,600

five things to know about u.s space

615

00:27:03,350 --> 00:27:01,360

command

616

00:27:08,070 --> 00:27:03,360

we'll treat outer space as a theater of

617

00:27:10,310 --> 00:27:09,510

us-based

618

00:27:12,070 --> 00:27:10,320

uh

619

00:27:13,669 --> 00:27:12,080

command has been established but it's

620

00:27:16,149 --> 00:27:13,679

not yet fully operational that was in

621

00:27:17,269 --> 00:27:16,159

2019.

622

00:27:18,470 --> 00:27:17,279

i'm not going to read this little

623

00:27:21,430 --> 00:27:18,480

article i'm just going to go through the

624

00:27:23,029 --> 00:27:21,440

different things

625

00:27:28,389 --> 00:27:23,039

here we go space command who's

626

00:27:35,350 --> 00:27:31,190

interesting i love the logos

627

00:27:37,510 --> 00:27:35,360

love the logos most definitely

628

00:27:41,590 --> 00:27:37,520

some of them are just so crazy looking

629

00:27:46,630 --> 00:27:44,310

uh u.s space command is big on working

630

00:27:48,870 --> 00:27:46,640

with allies but can't share everything

631

00:27:51,830 --> 00:27:48,880

oh

632

00:27:54,710 --> 00:27:51,840

u.s base command is not the nro's boss

633

00:27:57,590 --> 00:27:54,720

but will take charge if need be

634

00:27:59,510 --> 00:27:57,600

u.s base command is not a space force

635

00:28:03,430 --> 00:27:59,520

but it wants one

636

00:28:05,990 --> 00:28:03,440

oh and it got one so

637

00:28:07,909 --> 00:28:06,000

moving on

638

00:28:09,590 --> 00:28:07,919

uh go straight to the website

639

00:28:11,350 --> 00:28:09,600

headquartered at peterson air force base

640

00:28:14,070 --> 00:28:11,360

colorado

641

00:28:18,149 --> 00:28:14,080

but if you catch up with the news

642

00:28:23,990 --> 00:28:21,029

which i believe is where

643

00:28:26,549 --> 00:28:24,000

uh eric davis from the wilson notes is

644

00:28:35,269 --> 00:28:26,559

now working

645

00:28:39,269 --> 00:28:37,669

and this article is on that colorado

646

00:28:41,990 --> 00:28:39,279

senator's push back on location for

647

00:28:44,230 --> 00:28:42,000

space command hq this just came out a

648

00:28:46,630 --> 00:28:44,240

couple days ago colorado senator's

649

00:28:47,990 --> 00:28:46,640

pushback

650

00:28:51,029 --> 00:28:48,000

donald trump was the one who chose

651  
00:28:55,950 --> 00:28:51,039  
huntsville alabama interesting

652  
00:29:00,630 --> 00:28:57,430  
[Music]

653  
00:29:03,510 --> 00:29:00,640  
huntsville is very interesting and you

654  
00:29:06,310 --> 00:29:03,520  
should keep your

655  
00:29:11,750 --> 00:29:07,990  
and ears open

656  
00:29:14,950 --> 00:29:13,669  
interestingly that kendall testified the

657  
00:29:16,789 --> 00:29:14,960  
house appropriations defense

658  
00:29:20,950 --> 00:29:16,799  
subcommittee on may 13th two days after

659  
00:29:24,470 --> 00:29:22,389  
because

660  
00:29:30,070 --> 00:29:24,480  
they thought maybe some foul play was

661  
00:29:32,789 --> 00:29:31,110  
so

662  
00:29:34,549 --> 00:29:32,799  
interesting stuff there

663  
00:29:35,990 --> 00:29:34,559

why am i bringing that up

664

00:29:38,789 --> 00:29:36,000

i'm bringing that up

665

00:29:38,799 --> 00:29:42,389

daniel sheehan

666

00:29:47,830 --> 00:29:45,029

friend of uh greer

667

00:29:49,669 --> 00:29:47,840

uh mr lou elizondo's lawyer

668

00:29:52,310 --> 00:29:49,679

was on a show

669

00:29:56,789 --> 00:29:54,789

and he said

670

00:29:59,590 --> 00:29:56,799

that lou elzano

671

00:30:02,149 --> 00:29:59,600

well i'll just play it for you

672

00:30:05,669 --> 00:30:02,159

elizondo who might represent

673

00:30:10,070 --> 00:30:05,679

uh is in fact the principal advisor on

674

00:30:12,230 --> 00:30:10,080

ufos to the u.s space command

675

00:30:15,750 --> 00:30:12,240

hear that who elizando who might

676

00:30:21,350 --> 00:30:15,760

represent uh is in fact the principal

677

00:30:24,140 --> 00:30:21,360

advisor on ufos to the u.s space command

678

00:30:32,230 --> 00:30:29,669

[Laughter]

679

00:30:36,789 --> 00:30:32,240

so what the hell

680

00:30:38,950 --> 00:30:36,799

his lawyers out there saying lou

681

00:30:47,269 --> 00:30:38,960

elizondo is the principal advisor on

682

00:30:47,279 --> 00:30:50,630

oh

683

00:30:53,750 --> 00:30:52,549

my earbud fell out

684

00:30:56,310 --> 00:30:53,760

darn it

685

00:30:58,070 --> 00:30:56,320

um but yeah so

686

00:30:59,669 --> 00:30:58,080

that's pretty interesting

687

00:31:01,430 --> 00:30:59,679

a lot of people have speculated before

688

00:31:03,190 --> 00:31:01,440

that louis elizando is some part of the

689

00:31:05,909 --> 00:31:03,200

government doing some sort of controlled

690

00:31:08,149 --> 00:31:06,270

um

691

00:31:11,110 --> 00:31:08,159

[Music]

692

00:31:12,549 --> 00:31:11,120

that would seem to uh rectify that uh

693

00:31:14,149 --> 00:31:12,559

somebody mentioned on twitter that louis

694

00:31:15,430 --> 00:31:14,159

lozano is on record a couple times in

695

00:31:16,830 --> 00:31:15,440

different interviews saying he's always

696

00:31:18,389 --> 00:31:16,840

in

697

00:31:21,909 --> 00:31:18,399

colorado

698

00:31:23,509 --> 00:31:21,919

sense

699

00:31:25,590 --> 00:31:23,519

louis alessandro said he has been a

700

00:31:28,070 --> 00:31:25,600

contractor for the government

701  
00:31:30,070 --> 00:31:28,080  
i said this uh a couple different times

702  
00:31:32,950 --> 00:31:30,080  
i can't cite the actual places one of

703  
00:31:35,269 --> 00:31:32,960  
them was some dolan thing um put

704  
00:31:39,350 --> 00:31:35,279  
together at this uh interesting weird

705  
00:31:41,830 --> 00:31:39,360  
metaverse um venue

706  
00:31:44,149 --> 00:31:41,840  
um where i actually saw mick west but he

707  
00:31:49,830 --> 00:31:44,159  
called himself mike at that time which i

708  
00:31:54,310 --> 00:31:52,470  
pretty interesting

709  
00:31:54,650 --> 00:31:54,320  
so are we

710  
00:31:55,830 --> 00:31:54,660  
um

711  
00:31:57,669 --> 00:31:55,840  
[Music]

712  
00:32:01,190 --> 00:31:57,679  
getting some controlled

713  
00:32:03,830 --> 00:32:01,200

disclosure from the u.s space commander

714

00:32:05,350 --> 00:32:03,840

department of defense

715

00:32:07,029 --> 00:32:05,360

it's pretty interesting that louisando

716

00:32:09,190 --> 00:32:07,039

files an ig complaint against the

717

00:32:10,870 --> 00:32:09,200

department of defense when in fact if he

718

00:32:12,710 --> 00:32:10,880

is the principal advisor of first base

719

00:32:17,509 --> 00:32:12,720

command they

720

00:32:17,519 --> 00:32:23,269

so this gets a lot more complicated

721

00:32:26,870 --> 00:32:25,350

uh i think we'll need to hear more about

722

00:32:30,070 --> 00:32:26,880

it

723

00:32:32,070 --> 00:32:30,080

xi'an has said some pretty wild stuff

724

00:32:35,430 --> 00:32:32,080

although a lot of uh what i've heard

725

00:32:37,669 --> 00:32:35,440

from people um inside the community and

726  
00:32:39,830 --> 00:32:37,679  
just piecing things together from

727  
00:32:42,710 --> 00:32:39,840  
interviews and such um i that's

728  
00:32:44,549 --> 00:32:42,720  
something i could probably in

729  
00:32:46,710 --> 00:32:44,559  
you know if you ask me what percentage

730  
00:32:47,830 --> 00:32:46,720  
of it do i believe on a scale of 1 to

731  
00:32:50,230 --> 00:32:47,840  
100

732  
00:32:53,990 --> 00:32:50,240  
i would say probably

733  
00:32:54,000 --> 00:32:59,430  
so

734  
00:33:03,350 --> 00:33:01,750  
i was hoping that with like one shot i

735  
00:33:05,830 --> 00:33:03,360  
could just kneel down find the pot and

736  
00:33:07,830 --> 00:33:05,840  
put it in but

737  
00:33:10,230 --> 00:33:07,840  
didn't work

738  
00:33:13,909 --> 00:33:10,240

so

739

00:33:17,350 --> 00:33:13,919

who might represent

740

00:33:23,269 --> 00:33:17,360

uh is in fact the principal advisor on

741

00:33:28,149 --> 00:33:24,549

there you have it

742

00:33:31,990 --> 00:33:29,269

we'll see where

743

00:33:33,509 --> 00:33:32,000

we'll see what happens with that

744

00:33:36,830 --> 00:33:33,519

uh i guess

745

00:33:40,470 --> 00:33:36,840

it's it's definitely interesting

746

00:33:42,310 --> 00:33:40,850

um

747

00:33:44,549 --> 00:33:42,320

[Music]

748

00:33:46,149 --> 00:33:44,559

she and has said some pretty wild stuff

749

00:33:46,730 --> 00:33:46,159

in his day so

750

00:33:48,710 --> 00:33:46,740

i'm not sure

751

00:33:49,909 --> 00:33:48,720

[Music]

752

00:33:51,269 --> 00:33:49,919

you know he's one of those guys like

753

00:33:52,950 --> 00:33:51,279

what do you believe what do you not

754

00:33:55,590 --> 00:33:52,960

believe because he's definitely said

755

00:33:57,669 --> 00:33:55,600

some pretty wild stuff

756

00:33:59,269 --> 00:33:57,679

but he's also accomplished a lot in his

757

00:34:02,070 --> 00:33:59,279

life

758

00:34:03,990 --> 00:34:02,080

and you can't

759

00:34:05,750 --> 00:34:04,000

you can't fight that i mean the guy has

760

00:34:07,990 --> 00:34:05,760

done a hell of a job with a lot of

761

00:34:10,069 --> 00:34:08,000

different things as a lawyer

762

00:34:13,589 --> 00:34:10,079

not just pertaining to this stuff

763

00:34:17,510 --> 00:34:16,069

i don't freaking know

764

00:34:21,109 --> 00:34:17,520

but i have a feeling

765

00:34:23,030 --> 00:34:21,119

we'll hear more about it

766

00:34:24,710 --> 00:34:23,040

um i'm

767

00:34:28,149 --> 00:34:24,720

kind of switching

768

00:34:30,149 --> 00:34:28,159

switching stuff up a little bit i put

769

00:34:33,349 --> 00:34:30,159

a little

770

00:34:35,510 --> 00:34:33,359

poll on twitter and it was if you are an

771

00:34:38,230 --> 00:34:35,520

experiencer of any kind

772

00:34:41,430 --> 00:34:38,240

of any paranormal ufo stuff have you had

773

00:34:43,430 --> 00:34:41,440

a religious upbringing

774

00:34:44,790 --> 00:34:43,440

kind of see it it's kind of fuzzy i

775

00:34:48,470 --> 00:34:44,800

guess but

776

00:34:51,030 --> 00:34:48,480

um and the poll ended and we got 45 said

777

00:34:52,149 --> 00:34:51,040

yes 42 said nope

778

00:34:55,430 --> 00:34:52,159

and

779

00:34:57,190 --> 00:34:55,440

13 said not sure sort of

780

00:34:59,270 --> 00:34:57,200

why did i ask that i ask that because i

781

00:35:01,910 --> 00:34:59,280

feel like a lot of people that i meet

782

00:35:03,349 --> 00:35:01,920

that are experiencers have had some sort

783

00:35:04,870 --> 00:35:03,359

of

784

00:35:07,109 --> 00:35:04,880

religious upbringing either they're

785

00:35:09,510 --> 00:35:07,119

catholic they grew up in a

786

00:35:11,910 --> 00:35:09,520

you know a christian house or something

787

00:35:14,870 --> 00:35:11,920

like that and i was just trying to feel

788

00:35:17,990 --> 00:35:14,880

out see if that's like a normal thing

789

00:35:19,910 --> 00:35:18,000

or not you know like are more people

790

00:35:21,670 --> 00:35:19,920

have to have experiences if they've had

791

00:35:23,349 --> 00:35:21,680

that kind of upbringing is there

792

00:35:25,349 --> 00:35:23,359

anything to that

793

00:35:27,990 --> 00:35:25,359

am i going to be able to tell on this

794

00:35:32,870 --> 00:35:28,000

twitter poll that literally one percent

795

00:35:32,880 --> 00:35:36,310

but um

796

00:35:43,990 --> 00:35:38,470

you know

797

00:35:45,670 --> 00:35:44,000

and what does that mean

798

00:35:47,510 --> 00:35:45,680

i think if you had a religious

799

00:35:51,270 --> 00:35:47,520

upbringing perhaps like

800

00:35:53,670 --> 00:35:51,280

there definitely is a vibe in in some

801  
00:35:55,750 --> 00:35:53,680  
like faiths or whatever you know like

802  
00:35:58,870 --> 00:35:55,760  
born again or whatever you get baptized

803  
00:36:00,230 --> 00:35:58,880  
or or you know you accept jesus into

804  
00:36:01,750 --> 00:36:00,240  
your heart or whatever sometimes you get

805  
00:36:04,390 --> 00:36:01,760  
this rush of what they call the holy

806  
00:36:05,270 --> 00:36:04,400  
spirit right and you feel this like holy

807  
00:36:06,950 --> 00:36:05,280  
cow

808  
00:36:10,150 --> 00:36:06,960  
and it's an incredible feeling that that

809  
00:36:12,069 --> 00:36:10,160  
you don't really feel all too often is

810  
00:36:14,069 --> 00:36:12,079  
is there some sort of connection with

811  
00:36:15,589 --> 00:36:14,079  
like that feeling

812  
00:36:18,230 --> 00:36:15,599  
in

813  
00:36:20,069 --> 00:36:18,240

like otherworldly experiences are they

814

00:36:21,750 --> 00:36:20,079

intertwined is it because you felt

815

00:36:24,150 --> 00:36:21,760

something like that before you're more

816

00:36:25,430 --> 00:36:24,160

apt to be in a position to feel it again

817

00:36:32,069 --> 00:36:25,440

you know that's all the kind of things i

818

00:36:34,390 --> 00:36:33,589

oh strict

819

00:36:35,990 --> 00:36:34,400

but

820

00:36:39,270 --> 00:36:36,000

at the end of the day i think i have to

821

00:36:41,270 --> 00:36:39,280

do some reading on that but

822

00:36:43,750 --> 00:36:41,280

um

823

00:36:46,390 --> 00:36:43,760

i'd be very interested i can't say

824

00:36:50,630 --> 00:36:48,150

more people actually answered and

825

00:36:52,630 --> 00:36:50,640

commented a religious

826

00:36:56,550 --> 00:36:52,640

uh background that uh were also

827

00:36:58,390 --> 00:36:56,560

experiencers for sure

828

00:37:00,230 --> 00:36:58,400

so

829

00:37:01,910 --> 00:37:00,240

this is interesting too you know

830

00:37:03,589 --> 00:37:01,920

scotland for me i had my own experiences

831

00:37:08,870 --> 00:37:03,599

of a ufo

832

00:37:08,880 --> 00:37:14,310

so the thing to me there is

833

00:37:17,750 --> 00:37:16,230

you you're kind of even if you don't

834

00:37:19,510 --> 00:37:17,760

believe it or whatever you're you're

835

00:37:22,230 --> 00:37:19,520

kind of being conditioned a little bit

836

00:37:24,230 --> 00:37:22,240

for something otherworldly you know so i

837

00:37:25,750 --> 00:37:24,240

wonder if the people who haven't

838

00:37:27,750 --> 00:37:25,760

had anything to do with that kind of

839

00:37:29,430 --> 00:37:27,760

stuff that i had of experience

840

00:37:30,470 --> 00:37:29,440

were they really into sci-fi for

841

00:37:32,790 --> 00:37:30,480

instance

842

00:37:36,790 --> 00:37:32,800

were they big daydreamers

843

00:37:39,430 --> 00:37:38,550

many i mean are musicians i hear that a

844

00:37:46,470 --> 00:37:39,440

lot

845

00:37:48,150 --> 00:37:46,480

musicians that are experiencers as well

846

00:37:51,750 --> 00:37:48,160

um

847

00:37:53,589 --> 00:37:51,760

and i've heard because you know

848

00:37:55,270 --> 00:37:53,599

and i i wonder if it's musicians or

849

00:37:57,430 --> 00:37:55,280

artists

850

00:37:59,109 --> 00:37:57,440

you know people are

851  
00:38:01,270 --> 00:37:59,119  
able to

852  
00:38:02,550 --> 00:38:01,280  
kind of tap that part of their brain so

853  
00:38:04,310 --> 00:38:02,560  
to speak

854  
00:38:05,750 --> 00:38:04,320  
we're kind of open to other

855  
00:38:07,270 --> 00:38:05,760  
possibilities and other things that

856  
00:38:09,349 --> 00:38:07,280  
could happen

857  
00:38:12,790 --> 00:38:09,359  
i don't know

858  
00:38:16,230 --> 00:38:14,230  
brent says

859  
00:38:17,349 --> 00:38:16,240  
house elf got your pod and there's a

860  
00:38:19,829 --> 00:38:17,359  
book on it

861  
00:38:22,710 --> 00:38:19,839  
wow

862  
00:38:25,990 --> 00:38:22,720  
that's some really quick writing

863  
00:38:30,470 --> 00:38:26,000

that a house elf got my bod and somebody

864

00:38:30,480 --> 00:38:34,870

that's crazy

865

00:38:40,310 --> 00:38:37,109

uh interesting show i started to watch

866

00:38:41,910 --> 00:38:40,320

what the wife calls the night skies

867

00:38:43,670 --> 00:38:41,920

i'm kind of all over the place today by

868

00:38:46,870 --> 00:38:43,680

the way if you haven't noticed

869

00:38:49,349 --> 00:38:46,880

um night skies on amazon prime it's a

870

00:38:51,430 --> 00:38:49,359

pretty interesting show it's this older

871

00:38:54,390 --> 00:38:51,440

cute couple that live kind of

872

00:38:55,750 --> 00:38:54,400

in like an up north kind of town

873

00:38:57,670 --> 00:38:55,760

and

874

00:38:59,430 --> 00:38:57,680

they have this shed in their backyard

875

00:39:02,790 --> 00:38:59,440

and they go to the shed

876

00:39:05,270 --> 00:39:02,800

and underneath the shed is like this

877

00:39:09,270 --> 00:39:05,280

elevator or

878

00:39:11,430 --> 00:39:09,280

entrance way to like another world

879

00:39:13,589 --> 00:39:11,440

to look at and they have like this big

880

00:39:17,349 --> 00:39:13,599

windshield and they look at the freaking

881

00:39:20,550 --> 00:39:18,710

it's pretty interesting and it's

882

00:39:23,510 --> 00:39:20,560

starting to get really interesting

883

00:39:28,150 --> 00:39:26,230

on the doorway to that area where they

884

00:39:33,670 --> 00:39:28,160

see these stars there's a sign there's a

885

00:39:38,950 --> 00:39:35,670

to the stars academy if you're not

886

00:39:45,270 --> 00:39:40,870

so yeah i don't know

887

00:39:48,390 --> 00:39:46,950

you know the the ufo stuff with the

888

00:39:51,670 --> 00:39:48,400

hearings and all this stuff with

889

00:39:57,670 --> 00:39:51,680

elizondo and um

890

00:40:01,910 --> 00:40:00,630

i i feel like a lot more experiencers

891

00:40:03,750 --> 00:40:01,920

are coming forward a lot more

892

00:40:05,750 --> 00:40:03,760

experiences are being had in the past

893

00:40:07,990 --> 00:40:05,760

couple of years do i know if that's true

894

00:40:09,670 --> 00:40:08,000

no but it's maybe it's social media

895

00:40:10,710 --> 00:40:09,680

amplifying that but sometimes it seems

896

00:40:15,910 --> 00:40:10,720

that way

897

00:40:22,870 --> 00:40:17,990

where is this all going war is coming to

898

00:40:26,230 --> 00:40:24,390

i know i'm not the only one that feels

899

00:40:28,069 --> 00:40:26,240

like we're on some sort of prep you know

900

00:40:37,430 --> 00:40:28,079

precipice of some sort of

901  
00:40:41,109 --> 00:40:39,190  
all i could say is

902  
00:40:42,470 --> 00:40:41,119  
you know i don't know that we'll ever

903  
00:40:44,390 --> 00:40:42,480  
know i mean unfortunately we have to

904  
00:40:46,230 --> 00:40:44,400  
wait for information we can't dig hard

905  
00:40:48,390 --> 00:40:46,240  
enough to figure it out for ourselves

906  
00:40:50,150 --> 00:40:48,400  
right

907  
00:40:52,550 --> 00:40:50,160  
the only thing you can do and if you're

908  
00:40:54,710 --> 00:40:52,560  
open to this kind of stuff is you know

909  
00:40:56,790 --> 00:40:54,720  
meditate or pray

910  
00:40:58,550 --> 00:40:56,800  
try to be one with yourself learn

911  
00:41:03,030 --> 00:40:58,560  
yourself find yourself

912  
00:41:09,589 --> 00:41:06,230  
be open-minded

913  
00:41:13,430 --> 00:41:11,829

find a community find friends that you

914

00:41:15,349 --> 00:41:13,440

feel you can trust and talk about

915

00:41:17,109 --> 00:41:15,359

experiences with and with about this

916

00:41:22,309 --> 00:41:17,119

stuff with

917

00:41:22,319 --> 00:41:26,069

but

918

00:41:28,870 --> 00:41:27,670

you know i mean

919

00:41:31,430 --> 00:41:28,880

you know for all this talk about

920

00:41:32,790 --> 00:41:31,440

disclosure and uap hearings like

921

00:41:37,589 --> 00:41:32,800

and i kind of went through this a little

922

00:41:37,599 --> 00:41:41,270

it's like the stuff's real man

923

00:41:46,550 --> 00:41:43,670

this stuff's real get over it

924

00:41:49,109 --> 00:41:46,560

there's ufos

925

00:41:50,950 --> 00:41:49,119

there's weird stuff in the sky

926  
00:41:52,870 --> 00:41:50,960  
that people see

927  
00:41:54,630 --> 00:41:52,880  
all different kinds of stuff it screws

928  
00:41:58,630 --> 00:41:54,640  
with some people's consciousness like it

929  
00:42:04,870 --> 00:42:00,470  
i heard somebody say on twitter actually

930  
00:42:04,880 --> 00:42:07,750  
and you know

931  
00:42:12,950 --> 00:42:10,309  
is that all they are obviously not but i

932  
00:42:14,630 --> 00:42:12,960  
think there is something to that though

933  
00:42:17,030 --> 00:42:14,640  
for instance like since my sighting here

934  
00:42:18,550 --> 00:42:17,040  
i am doing the show it's all i research

935  
00:42:21,990 --> 00:42:18,560  
and read about and like to watch now

936  
00:42:23,829 --> 00:42:22,000  
that was never me before that stuff

937  
00:42:25,829 --> 00:42:23,839  
that could be considered some sort of

938  
00:42:27,430 --> 00:42:25,839

mind thing

939

00:42:28,870 --> 00:42:27,440

but obviously it's not just my

940

00:42:35,829 --> 00:42:28,880

environment because i actually saw the

941

00:42:41,670 --> 00:42:39,829

but it's like kind of like has a way of

942

00:42:43,030 --> 00:42:41,680

hooking into your

943

00:42:44,870 --> 00:42:43,040

brain

944

00:42:48,550 --> 00:42:44,880

your being

945

00:42:53,190 --> 00:42:52,230

your consciousness like it just like

946

00:42:56,829 --> 00:42:53,200

you know

947

00:43:02,870 --> 00:42:56,839

like just grabs a hold and won't let

948

00:43:07,510 --> 00:43:04,390

so that could be a part of it you know

949

00:43:09,030 --> 00:43:07,520

one thing that i actually think about

950

00:43:10,230 --> 00:43:09,040

i forget what

951  
00:43:12,390 --> 00:43:10,240  
maybe it was

952  
00:43:14,470 --> 00:43:12,400  
on calling all beings lou alexander did

953  
00:43:17,990 --> 00:43:14,480  
this interview

954  
00:43:19,910 --> 00:43:18,000  
and he was like trying to describe who

955  
00:43:22,790 --> 00:43:19,920  
i'm nipping

956  
00:43:23,670 --> 00:43:22,800  
he's trying to describe uh

957  
00:43:25,589 --> 00:43:23,680  
um

958  
00:43:28,710 --> 00:43:25,599  
you know what what this stuff is the

959  
00:43:30,950 --> 00:43:28,720  
phenomena is and everything and um

960  
00:43:33,190 --> 00:43:30,960  
uh lu alexander tried to describe it

961  
00:43:35,670 --> 00:43:33,200  
like this he was like imagine like

962  
00:43:37,349 --> 00:43:35,680  
you know three blind people

963  
00:43:40,630 --> 00:43:37,359

and they're all touching a different

964

00:43:41,510 --> 00:43:40,640

part of this elephant and you ask them

965

00:43:45,990 --> 00:43:41,520

um

966

00:43:47,910 --> 00:43:46,000

you know to describe what the thing is

967

00:43:49,670 --> 00:43:47,920

by you know the the part of the elephant

968

00:43:52,069 --> 00:43:49,680

that touching one person is touching the

969

00:43:54,390 --> 00:43:52,079

ear one's touching the trunk the other

970

00:43:56,550 --> 00:43:54,400

like maybe the tail another foot they're

971

00:43:59,910 --> 00:43:56,560

all gonna have different descriptions of

972

00:44:04,950 --> 00:44:03,109

and we're the blind people

973

00:44:06,870 --> 00:44:04,960

you know and we're all touching

974

00:44:08,870 --> 00:44:06,880

different parts of this elephant this

975

00:44:11,109 --> 00:44:08,880

phenomenon

976  
00:44:13,349 --> 00:44:11,119  
you know so

977  
00:44:26,069 --> 00:44:13,359  
like

978  
00:44:28,150 --> 00:44:26,079  
right

979  
00:44:31,829 --> 00:44:28,160  
and maybe the heart is like the the

980  
00:44:34,309 --> 00:44:31,839  
craft somebody sees and maybe

981  
00:44:42,309 --> 00:44:34,319  
its brain is like the abductions people

982  
00:44:42,319 --> 00:44:45,190  
so

983  
00:44:50,470 --> 00:44:48,309  
you know i think we could do

984  
00:44:52,710 --> 00:44:50,480  
we could do ourselves a favor by

985  
00:44:54,390 --> 00:44:52,720  
by looking at it like that you know by

986  
00:44:57,109 --> 00:44:54,400  
taking all these different aspects of

987  
00:44:59,910 --> 00:44:57,119  
the phenomenon that we know about

988  
00:45:01,589 --> 00:44:59,920

and melding them together you know and i

989

00:45:03,510 --> 00:45:01,599

know people probably do that already and

990

00:45:04,550 --> 00:45:03,520

i'm just playing catch up or whatever

991

00:45:06,230 --> 00:45:04,560

but

992

00:45:08,710 --> 00:45:06,240

i'm just thinking about it like that

993

00:45:10,150 --> 00:45:08,720

right now

994

00:45:13,349 --> 00:45:10,160

because there are so many different

995

00:45:21,109 --> 00:45:15,349

and it all comes together you know

996

00:45:28,950 --> 00:45:22,630

i gotta get a haircut

997

00:45:31,589 --> 00:45:30,550

well i'm the barber so i better get to

998

00:45:32,950 --> 00:45:31,599

work

999

00:45:34,230 --> 00:45:32,960

but you know

1000

00:45:36,470 --> 00:45:34,240

i think if we

1001  
00:45:38,150 --> 00:45:36,480  
somehow figure out how to expand our

1002  
00:45:40,230 --> 00:45:38,160  
thought process and

1003  
00:45:43,109 --> 00:45:40,240  
not just think of it so singularly

1004  
00:45:44,470 --> 00:45:43,119  
focused you know

1005  
00:45:46,470 --> 00:45:44,480  
and think about what the different

1006  
00:45:48,950 --> 00:45:46,480  
aspects of this could be and try to put

1007  
00:45:51,670 --> 00:45:48,960  
them together as like a one

1008  
00:45:53,670 --> 00:45:51,680  
body kind of thing you know what what

1009  
00:45:55,990 --> 00:45:53,680  
would that look like

1010  
00:45:58,710 --> 00:45:56,000  
maybe we'd learn more about it but then

1011  
00:46:00,550 --> 00:45:58,720  
i always think of

1012  
00:46:03,030 --> 00:46:00,560  
is there any hope for us to learn about

1013  
00:46:06,710 --> 00:46:03,040

something like that

1014

00:46:08,710 --> 00:46:06,720

when it's so seemingly intelligent

1015

00:46:11,190 --> 00:46:08,720

you know beyond what we could comprehend

1016

00:46:13,030 --> 00:46:11,200

how are we supposed to learn about it

1017

00:46:15,990 --> 00:46:13,040

i can tell you one thing we're not going

1018

00:46:16,000 --> 00:46:19,270

by radar tracks

1019

00:46:23,750 --> 00:46:20,630

we're not going to learn what the thing

1020

00:46:26,150 --> 00:46:23,760

is by radar tracks

1021

00:46:28,309 --> 00:46:26,160

there's there's too many

1022

00:46:31,990 --> 00:46:28,319

um

1023

00:46:34,150 --> 00:46:32,000

shocking aspects of uh the phenomenon

1024

00:46:37,589 --> 00:46:34,160

beings or whatever

1025

00:46:39,349 --> 00:46:37,599

that you're not going to be able to

1026  
00:46:40,829 --> 00:46:39,359  
figure out by

1027  
00:46:45,030 --> 00:46:40,839  
its

1028  
00:46:48,710 --> 00:46:47,030  
all that stuff is just proving in

1029  
00:46:51,109 --> 00:46:48,720  
existence

1030  
00:46:53,910 --> 00:46:51,119  
to people that have a hard time

1031  
00:46:56,550 --> 00:46:53,920  
believing in that

1032  
00:46:58,150 --> 00:46:56,560  
you know the the seeing is believing

1033  
00:47:00,309 --> 00:46:58,160  
type

1034  
00:47:02,630 --> 00:47:00,319  
you know if you've had an experience

1035  
00:47:13,910 --> 00:47:02,640  
i don't need

1036  
00:47:16,390 --> 00:47:13,920  
that to know that

1037  
00:47:19,109 --> 00:47:16,400  
it exists and it's real and it's

1038  
00:47:22,549 --> 00:47:19,119

freaking crazy man

1039

00:47:25,430 --> 00:47:22,559

all that stuff is for

1040

00:47:27,349 --> 00:47:25,440

you know joe schmoe who works eight

1041

00:47:29,349 --> 00:47:27,359

hours a day

1042

00:47:31,510 --> 00:47:29,359

thinks anything like this is just

1043

00:47:34,150 --> 00:47:31,520

completely ridiculous

1044

00:47:35,750 --> 00:47:34,160

you know and maybe understandably so

1045

00:47:38,790 --> 00:47:35,760

it's not an easy thing to grasp to

1046

00:47:40,309 --> 00:47:38,800

believe but all this stuff is

1047

00:47:42,630 --> 00:47:40,319

you know

1048

00:47:44,950 --> 00:47:42,640

to kick that guy's brain around and have

1049

00:47:49,670 --> 00:47:44,960

him think outside the box which

1050

00:47:50,870 --> 00:47:49,680

i know all of us know people that just

1051

00:47:53,510 --> 00:47:50,880

you know

1052

00:47:55,750 --> 00:47:53,520

probably

1053

00:47:56,630 --> 00:47:55,760

maybe it's even impossible sometimes for

1054

00:47:58,230 --> 00:47:56,640

them to

1055

00:48:03,190 --> 00:47:58,240

to believe something like

1056

00:48:07,460 --> 00:48:04,829

you know think of the most

1057

00:48:09,430 --> 00:48:07,470

strict tight butthole person you know

1058

00:48:11,750 --> 00:48:09,440

[Laughter]

1059

00:48:15,990 --> 00:48:11,760

i've ever met like are they ever gonna

1060

00:48:20,950 --> 00:48:18,390

well i think that's what all

1061

00:48:22,630 --> 00:48:20,960

this is for really you know

1062

00:48:24,790 --> 00:48:22,640

it's not for

1063

00:48:27,349 --> 00:48:24,800

i mean i'd love to know how well people

1064

00:48:28,790 --> 00:48:27,359

lied about it and

1065

00:48:32,829 --> 00:48:28,800

and all that kind of stuff but then we

1066

00:48:38,150 --> 00:48:36,150

uh you know giving immunity to people

1067

00:48:39,589 --> 00:48:38,160

that have held secrets so they can come

1068

00:48:41,109 --> 00:48:39,599

forward and talk

1069

00:48:43,030 --> 00:48:41,119

you know and and

1070

00:48:43,990 --> 00:48:43,040

tell people where things are and you

1071

00:48:49,670 --> 00:48:44,000

know

1072

00:48:53,109 --> 00:48:49,680

somebody you didn't ruin somebody's life

1073

00:48:57,190 --> 00:48:54,710

but i mean again that's just something

1074

00:48:58,870 --> 00:48:57,200

to to prove to people that otherwise

1075

00:49:00,710 --> 00:48:58,880

wouldn't believe this kind of stuff that

1076  
00:49:02,710 --> 00:49:00,720  
it's real

1077  
00:49:04,549 --> 00:49:02,720  
i don't need that

1078  
00:49:08,230 --> 00:49:04,559  
you know

1079  
00:49:08,240 --> 00:49:11,750  
turkey burgers

1080  
00:49:15,290 --> 00:49:13,430  
you don't got ground beef in your burger

1081  
00:49:19,190 --> 00:49:15,300  
it ain't no burger bro

1082  
00:49:20,870 --> 00:49:19,200  
[Laughter]

1083  
00:49:22,630 --> 00:49:20,880  
that's a great point brent maybe we

1084  
00:49:24,950 --> 00:49:22,640  
humans will discover crazy as a normal

1085  
00:49:27,349 --> 00:49:24,960  
part of reality and isn't it what is

1086  
00:49:31,190 --> 00:49:27,359  
crazy

1087  
00:49:35,750 --> 00:49:33,829  
you know normal some word we came up for

1088  
00:49:38,309 --> 00:49:35,760

to keep people standing in a line and

1089

00:49:40,230 --> 00:49:38,319

punching their clock and coming home and

1090

00:49:42,309 --> 00:49:40,240

you know doing

1091

00:49:45,270 --> 00:49:42,319

their eight to fives and sticking to

1092

00:49:47,109 --> 00:49:45,280

their schedules and not going outside of

1093

00:49:49,109 --> 00:49:47,119

the box never even thinking of quitting

1094

00:49:51,109 --> 00:49:49,119

a job

1095

00:49:54,309 --> 00:49:51,119

because you're unhappy you know that all

1096

00:49:56,150 --> 00:49:54,319

that stuff is normal if you're not doing

1097

00:49:58,309 --> 00:49:56,160

that if you're not living that way

1098

00:49:59,750 --> 00:49:58,319

you're called weird your whole life you

1099

00:50:01,670 --> 00:49:59,760

know i've been called weird my whole

1100

00:50:05,510 --> 00:50:01,680

life

1101  
00:50:05,520 --> 00:50:11,109  
for being that kind of weird you know

1102  
00:50:11,119 --> 00:50:15,430  
but i don't look at it that way

1103  
00:50:19,190 --> 00:50:17,990  
i consider myself privileged for being

1104  
00:50:22,309 --> 00:50:19,200  
able to

1105  
00:50:26,790 --> 00:50:23,750  
because a lot of those folks are just

1106  
00:50:28,470 --> 00:50:26,800  
miserable inside

1107  
00:50:30,470 --> 00:50:28,480  
am i super happy

1108  
00:50:34,549 --> 00:50:30,480  
sometimes

1109  
00:50:38,790 --> 00:50:36,549  
you know what i mean

1110  
00:50:42,150 --> 00:50:38,800  
all right just kind of rambling today i

1111  
00:50:43,829 --> 00:50:42,160  
guess i'm just dusting the uh

1112  
00:50:46,630 --> 00:50:43,839  
getting the dust off since i took some

1113  
00:50:47,589 --> 00:50:46,640

time off right

1114

00:50:50,069 --> 00:50:47,599

um

1115

00:50:52,710 --> 00:50:50,079

but we have one thing that we can do yet

1116

00:50:54,300 --> 00:50:52,720

today yes i haven't forgot about it and

1117

00:51:01,930 --> 00:50:54,310

that is

1118

00:51:01,940 --> 00:51:07,030

[Music]

1119

00:51:11,510 --> 00:51:09,670

that's right what the heck

1120

00:51:17,349 --> 00:51:11,520

is that

1121

00:51:17,359 --> 00:51:20,069

um

1122

00:51:27,510 --> 00:51:22,150

maybe i showed these already actually oh

1123

00:51:32,630 --> 00:51:28,950

let me see here

1124

00:51:32,640 --> 00:51:36,870

all right

1125

00:51:36,880 --> 00:51:40,950

we're gonna get to it

1126  
00:51:40,960 --> 00:51:46,710  
all right

1127  
00:51:46,720 --> 00:52:13,430  
here we go

1128  
00:52:16,710 --> 00:52:14,510  
can you hear by the way

1129  
00:52:22,870 --> 00:52:16,720  
[Music]

1130  
00:52:22,880 --> 00:52:33,109  
oh [h\_\_h]

1131  
00:52:38,470 --> 00:52:34,870  
hurry honey

1132  
00:52:43,750 --> 00:52:40,230  
i looked at the binoculars there's no

1133  
00:52:48,069 --> 00:52:46,150  
yes look at it it came from way over

1134  
00:53:03,190 --> 00:52:48,079  
here

1135  
00:53:04,790 --> 00:53:03,200  
no blinking

1136  
00:53:08,549 --> 00:53:04,800  
it's just cruising along and it's

1137  
00:53:12,750 --> 00:53:11,030  
i still got it on the camera

1138  
00:53:21,670 --> 00:53:12,760

oh no i don't

1139

00:53:28,069 --> 00:53:24,069

oh it's just going below the frickin

1140

00:53:32,470 --> 00:53:29,670

still got it

1141

00:53:32,480 --> 00:53:42,069

okay

1142

00:53:46,470 --> 00:53:44,309

orange light moves at a steady pace over

1143

00:53:48,950 --> 00:53:46,480

the skies of wayne new jersey saturday

1144

00:53:51,030 --> 00:53:48,960

night the scene captured by a pixel 11

1145

00:53:53,109 --> 00:53:51,040

news viewer who said it was just before

1146

00:53:54,710 --> 00:53:53,119

8 30 p.m when the first i think we saw

1147

00:53:57,270 --> 00:53:54,720

that one already in the show

1148

00:53:59,270 --> 00:53:57,280

airspace in wayne township visible above

1149

00:54:01,030 --> 00:53:59,280

hamburg turnpike i wouldn't think it's a

1150

00:54:02,950 --> 00:54:01,040

drone the sighting which had something i

1151

00:54:05,030 --> 00:54:02,960

wouldn't think it's a battlefield

1152

00:54:08,510 --> 00:54:05,040

nearly two weeks after mysterious lights

1153

00:54:22,710 --> 00:54:08,520

were spotted over nearby patterson

1154

00:54:22,720 --> 00:54:26,730

sprites

1155

00:54:37,750 --> 00:54:29,630

[Music]

1156

00:54:43,109 --> 00:54:40,470

we've seen those already

1157

00:54:44,630 --> 00:54:43,119

but i did want to uh at least i showed

1158

00:54:45,900 --> 00:54:44,640

you that one that was kind of new right

1159

00:54:49,030 --> 00:54:45,910

that was pretty cool

1160

00:54:51,349 --> 00:54:49,040

[Laughter]

1161

00:54:54,020 --> 00:54:51,359

so you know maybe maybe a weak sauce

1162

00:55:01,650 --> 00:54:54,030

version but it's still a version

1163

00:55:01,660 --> 00:55:07,750

[Music]

1164

00:55:07,760 --> 00:55:11,829

so what the heck is it

1165

00:55:15,270 --> 00:55:13,510

tell me

1166

00:55:16,710 --> 00:55:15,280

what is it

1167

00:55:20,390 --> 00:55:16,720

i'm asking

1168

00:55:24,069 --> 00:55:20,400

tell me what that it is

1169

00:55:28,549 --> 00:55:26,069

tell me

1170

00:55:33,030 --> 00:55:28,559

you don't know what it is

1171

00:55:37,510 --> 00:55:33,040

i knew it

1172

00:55:40,789 --> 00:55:39,430

all right so that's about it for me

1173

00:55:43,589 --> 00:55:40,799

folks

1174

00:55:45,510 --> 00:55:43,599

oh by the way

1175

00:55:50,230 --> 00:55:45,520

this is robert salas proving that he

1176

00:55:51,670 --> 00:55:50,240

emailed the dod ig is

1177

00:55:52,789 --> 00:55:51,680

uh stuff

1178

00:55:54,630 --> 00:55:52,799

on

1179

00:55:55,510 --> 00:55:54,640

maelstrom

1180

00:56:00,789 --> 00:55:55,520

so

1181

00:56:04,150 --> 00:56:00,799

i'm going to uh do a thing on the

1182

00:56:06,470 --> 00:56:04,160

maelstrom case

1183

00:56:07,910 --> 00:56:06,480

and because there's a lot more to it

1184

00:56:09,990 --> 00:56:07,920

and there's a lot more sightings that

1185

00:56:11,910 --> 00:56:10,000

happened around that time that are very

1186

00:56:13,990 --> 00:56:11,920

interesting as well that don't get a

1187

00:56:15,670 --> 00:56:14,000

whole lot of play

1188

00:56:17,349 --> 00:56:15,680

because of

1189

00:56:19,910 --> 00:56:17,359

solace's case so i'm going to talk about

1190

00:56:23,589 --> 00:56:22,630

and it's going to get real

1191

00:56:25,510 --> 00:56:23,599

freaking

1192

00:56:26,390 --> 00:56:25,520

interesting

1193

00:56:30,470 --> 00:56:26,400

so

1194

00:56:33,829 --> 00:56:30,480

um thanks for hanging out with me today

1195

00:56:39,109 --> 00:56:35,829

i have no idea come on what do i pay you

1196

00:56:39,119 --> 00:56:44,710

chinese lantern oh that's too easy

1197

00:56:50,630 --> 00:56:45,990

maybe

1198

00:56:53,990 --> 00:56:50,640

i don't know

1199

00:56:58,789 --> 00:56:55,430

yeah so thanks for hanging out with me

1200

00:57:00,309 --> 00:56:58,799

today i do appreciate it and we're gonna

1201  
00:57:02,230 --> 00:57:00,319  
get on that mouse from stuff tomorrow

1202  
00:57:04,150 --> 00:57:02,240  
it's gonna be cool

1203  
00:57:05,829 --> 00:57:04,160  
it's gonna be very cool

1204  
00:57:10,309 --> 00:57:05,839  
that's for sure

1205  
00:57:10,319 --> 00:57:19,190  
i think i have

1206  
00:57:22,870 --> 00:57:21,109  
yeah so

1207  
00:57:24,950 --> 00:57:22,880  
we're gonna get after it i got some

1208  
00:57:27,430 --> 00:57:24,960  
documents for it i got some other stuff

1209  
00:57:28,630 --> 00:57:27,440  
that we can talk about

1210  
00:57:34,470 --> 00:57:28,640  
hopefully i'm

1211  
00:57:39,190 --> 00:57:36,789  
uh feeling 100 tomorrow that would be

1212  
00:57:45,589 --> 00:57:42,630  
and but i will leave you

1213  
00:57:45,599 --> 00:57:49,750

the

1214

00:57:53,990 --> 00:57:51,510

uh trailer

1215

00:57:56,150 --> 00:57:54,000

because i really like the trailer so

1216

00:57:57,510 --> 00:57:56,160

peace out have a great night everybody

1217

00:58:01,190 --> 00:57:57,520

like the video

1218

00:58:02,870 --> 00:58:01,200

um

1219

00:58:05,190 --> 00:58:02,880

subscribe if you haven't share it with

1220

00:58:07,190 --> 00:58:05,200

all your bestest friends in the world

1221

00:58:09,750 --> 00:58:07,200

and i'll see you tomorrow peace if there

1222

00:58:11,589 --> 00:58:09,760

have been uap observed and interacting

1223

00:58:13,349 --> 00:58:11,599

with and flying over sensitive military

1224

00:58:14,309 --> 00:58:13,359

facilities particularly not just ranges

1225

00:58:15,829 --> 00:58:14,319

but

1226  
00:58:17,750 --> 00:58:15,839  
some facilities housing our strategic

1227  
00:58:20,150 --> 00:58:17,760  
nuclear forces one such incident

1228  
00:58:22,150 --> 00:58:20,160  
allegedly occurred

1229  
00:58:23,670 --> 00:58:22,160  
at malmstrom air force base in which 10

1230  
00:58:25,589 --> 00:58:23,680  
of our nuclear icbms were rendered

1231  
00:58:26,870 --> 00:58:25,599  
inoperable uh there are many things that

1232  
00:58:28,309 --> 00:58:26,880  
are out there in the ether in terms of

1233  
00:58:29,589 --> 00:58:28,319  
just tracking what may be in the media

1234  
00:58:31,589 --> 00:58:29,599  
that says that something occurred at

1235  
00:58:33,109 --> 00:58:31,599  
this time at this place

1236  
00:58:34,309 --> 00:58:33,119  
there are probably a lot of leads that

1237  
00:58:35,670 --> 00:58:34,319  
we would have to follow up on i don't

1238  
00:58:36,630 --> 00:58:35,680

think we are resourced to do that right

1239

00:58:39,510 --> 00:58:36,640

now

1240

00:58:41,510 --> 00:58:39,520

good morning my name is robert salas

1241

00:58:43,670 --> 00:58:41,520

proudly served in the u.s air force and

1242

00:58:45,829 --> 00:58:43,680

we're witnesses to those uh that

1243

00:58:47,510 --> 00:58:45,839

phenomenon with respect to nuclear

1244

00:58:51,670 --> 00:58:47,520

weapons

1245

00:58:54,710 --> 00:58:51,680

march 16 1967

1246

00:58:58,230 --> 00:58:54,720

ufo rendered america's nuclear missiles

1247

00:59:02,829 --> 00:59:00,150

it happened at mastrum air force base

1248

00:59:04,789 --> 00:59:02,839

located in central montana witnessed by

1249

00:59:07,349 --> 00:59:04,799

many

1250

00:59:09,990 --> 00:59:07,359

since then it has become

1251

00:59:12,950 --> 00:59:10,000

one of the most world-renowned

1252

00:59:14,870 --> 00:59:12,960

uav encounters

1253

00:59:20,200 --> 00:59:14,880

we're about to get after it
