

Sean Raasch

Bob Salas

1
00:00:10,310 --> 00:00:07,430
good morning my name is robert

2
00:00:12,120 --> 00:00:10,320
[Music]

3
00:00:15,030 --> 00:00:12,130
robert salas

4
00:00:16,920 --> 00:00:15,040
[Music]

5
00:00:26,960 --> 00:00:16,930
ford solace

6
00:01:00,549 --> 00:00:58,470
[Music]

7
00:01:03,270 --> 00:01:00,559
what's up everybody

8
00:01:06,870 --> 00:01:03,280
thanks for joining me on this uh

9
00:01:09,429 --> 00:01:06,880
wonderful tuesday evening

10
00:01:12,070 --> 00:01:09,439
we have a wonderful guest

11
00:01:13,750 --> 00:01:12,080
we have a former commander of the united

12
00:01:15,030 --> 00:01:13,760
states air force maelstrom air force

13
00:01:16,570 --> 00:01:15,040

base

14

00:01:18,630 --> 00:01:16,580

uh mr robert salas

15

00:01:20,630 --> 00:01:18,640

[Music]

16

00:01:22,630 --> 00:01:20,640

that timing is is pretty good

17

00:01:25,990 --> 00:01:22,640

considering

18

00:01:27,990 --> 00:01:26,000

and so in a sec i'm gonna bring him in

19

00:01:30,149 --> 00:01:28,000

and

20

00:01:31,910 --> 00:01:30,159

uh we're we're gonna get after it so you

21

00:01:33,749 --> 00:01:31,920

can feel free to put any questions that

22

00:01:34,950 --> 00:01:33,759

you may have in the chat

23

00:01:36,630 --> 00:01:34,960

um

24

00:01:37,830 --> 00:01:36,640

you know you can give a donation that's

25

00:01:40,069 --> 00:01:37,840

up to you

26

00:01:42,069 --> 00:01:40,079

you don't have to to to ask a question

27

00:01:45,350 --> 00:01:42,079

just just put your question

28

00:01:47,350 --> 00:01:45,360

in um all caps and i'll try to get to it

29

00:01:49,190 --> 00:01:47,360

and yes so get after it so without

30

00:01:51,749 --> 00:01:49,200

further ado i'll bring in the man the

31

00:01:53,950 --> 00:01:51,759

myth the legend

32

00:01:56,149 --> 00:01:53,960

mr robert salas how are you

33

00:01:57,109 --> 00:01:56,159

[Laughter]

34

00:01:58,069 --> 00:01:57,119

too much

35

00:02:01,190 --> 00:01:58,079

uh

36

00:02:02,550 --> 00:02:01,200

well yeah just a little too much

37

00:02:04,789 --> 00:02:02,560

hi sean

38

00:02:06,310 --> 00:02:04,799

good to talk to you uh i don't know that

39

00:02:07,350 --> 00:02:06,320

we've ever had an interview before

40

00:02:10,229 --> 00:02:07,360

haven't we

41

00:02:12,070 --> 00:02:10,239

no no we have not but but i'm glad you

42

00:02:13,990 --> 00:02:12,080

agreed to this why you agreed to it i

43

00:02:16,790 --> 00:02:14,000

don't know but i'm but i'm glad you did

44

00:02:20,470 --> 00:02:18,309

and and i think i believe you're

45

00:02:23,430 --> 00:02:20,480

probably missing a dodger game which is

46

00:02:24,710 --> 00:02:23,440

just oh well you know the dodgers uh

47

00:02:27,110 --> 00:02:24,720

they're doing so well i'm not gonna

48

00:02:28,150 --> 00:02:27,120

worry about them today

49

00:02:30,390 --> 00:02:28,160

okay

50

00:02:32,550 --> 00:02:30,400

well hopefully my brewers don't have to

51
00:02:34,390 --> 00:02:32,560
to play them in any national

52
00:02:36,550 --> 00:02:34,400
championship games

53
00:02:39,670 --> 00:02:36,560
anytime soon so thanks for joining us i

54
00:02:41,750 --> 00:02:39,680
mean uh we we've had so much um

55
00:02:43,990 --> 00:02:41,760
obviously uh going on right now with the

56
00:02:45,990 --> 00:02:44,000
with the congressional hearings and

57
00:02:48,550 --> 00:02:46,000
you know um the famous smells from case

58
00:02:52,309 --> 00:02:48,560
was brought up which which you have so

59
00:02:54,470 --> 00:02:52,319
um you know bravely uh put forth to the

60
00:02:55,830 --> 00:02:54,480
american people time and time again

61
00:02:58,070 --> 00:02:55,840
um

62
00:03:00,149 --> 00:02:58,080
yesterday i did an episode where where i

63
00:03:01,990 --> 00:03:00,159

kind of went over the synopsis of of

64

00:03:02,949 --> 00:03:02,000

what happened in the two incidents and

65

00:03:07,030 --> 00:03:02,959

the

66

00:03:10,309 --> 00:03:07,040

missiles uh pretty much were rendered

67

00:03:11,990 --> 00:03:10,319

inoperable not able to to be used so i

68

00:03:13,589 --> 00:03:12,000

don't want to you know i don't want you

69

00:03:15,670 --> 00:03:13,599

to have to retell the story and

70

00:03:17,830 --> 00:03:15,680

everything but um

71

00:03:20,470 --> 00:03:17,840

i would like to make a couple of

72

00:03:23,110 --> 00:03:20,480

corrections uh yeah please do

73

00:03:25,990 --> 00:03:23,120

and uh let me just start by saying that

74

00:03:27,910 --> 00:03:26,000

um after the incident happened i was

75

00:03:31,589 --> 00:03:27,920

ordered to sign a non-disclosure

76

00:03:33,670 --> 00:03:31,599

statement the next day and uh

77

00:03:35,270 --> 00:03:33,680

ordered never to speak about it again to

78

00:03:38,229 --> 00:03:35,280

anyone uh

79

00:03:41,910 --> 00:03:38,239

and i didn't for

80

00:03:44,869 --> 00:03:41,920

until 1994 so about 27 years

81

00:03:47,910 --> 00:03:44,879

i didn't say a word about it to anyone

82

00:03:48,789 --> 00:03:47,920

um including my wife

83

00:03:49,589 --> 00:03:48,799

um

84

00:03:51,750 --> 00:03:49,599

so

85

00:03:53,270 --> 00:03:51,760

and i i made a conscious effort to try

86

00:03:55,830 --> 00:03:53,280

to forget

87

00:03:58,869 --> 00:03:55,840

the whole thing if i could uh but

88

00:04:00,869 --> 00:03:58,879

of course he kept nagging at me um

89

00:04:02,470 --> 00:04:00,879

and it wasn't until 94 when i picked up

90

00:04:04,710 --> 00:04:02,480

a book called above top secret by

91

00:04:07,030 --> 00:04:04,720

timothy good uh

92

00:04:09,350 --> 00:04:07,040

turned to page 301 and

93

00:04:12,149 --> 00:04:09,360

and there was a reference to uh missiles

94

00:04:14,630 --> 00:04:12,159

shutting down a vessel being shut down

95

00:04:19,909 --> 00:04:14,640

by ufos and um

96

00:04:22,390 --> 00:04:19,919

at malmstrom in 66 and 67 and um

97

00:04:25,030 --> 00:04:22,400

and that's when i decided to come

98

00:04:26,550 --> 00:04:25,040

forward i thought it was my incident

99

00:04:29,110 --> 00:04:26,560

and so

100

00:04:31,110 --> 00:04:29,120

i noticed uh yesterday

101
00:04:31,990 --> 00:04:31,120
you um

102
00:04:34,870 --> 00:04:32,000
well

103
00:04:36,790 --> 00:04:34,880
it was mentioned that um

104
00:04:38,230 --> 00:04:36,800
both incidents happened on the same day

105
00:04:42,070 --> 00:04:38,240
but

106
00:04:44,390 --> 00:04:42,080
that was my initial recollection

107
00:04:47,110 --> 00:04:44,400
and again this is a whole process of

108
00:04:48,710 --> 00:04:47,120
trying to recover details

109
00:04:52,070 --> 00:04:48,720
sure uh

110
00:04:54,629 --> 00:04:52,080
that caused that uh error um

111
00:04:56,950 --> 00:04:54,639
the missiles the echo flight incident

112
00:04:58,870 --> 00:04:56,960
occurred march 16th my incident occurred

113
00:05:01,670 --> 00:04:58,880

march 24th

114

00:05:06,870 --> 00:05:04,310

i guess that would lead me to my next q

115

00:05:09,110 --> 00:05:06,880

my my first question is is

116

00:05:11,749 --> 00:05:09,120

you know there was um

117

00:05:14,790 --> 00:05:11,759

uh a lot of reports on that day march

118

00:05:15,749 --> 00:05:14,800

24th and and even including a landing

119

00:05:17,110 --> 00:05:15,759

event

120

00:05:19,189 --> 00:05:17,120

that's right

121

00:05:20,550 --> 00:05:19,199

yeah do you recall anything about that

122

00:05:21,510 --> 00:05:20,560

hearing anything or what have you

123

00:05:23,430 --> 00:05:21,520

learned

124

00:05:25,749 --> 00:05:23,440

you know uh since your incident in the

125

00:05:27,110 --> 00:05:25,759

meantime about that if you've looked

126
00:05:29,510 --> 00:05:27,120
into it at all

127
00:05:31,430 --> 00:05:29,520
well yeah the uh

128
00:05:35,510 --> 00:05:31,440
there was a truck driver driving through

129
00:05:37,270 --> 00:05:35,520
belt montana uh on march 24th about i

130
00:05:40,469 --> 00:05:37,280
think it was

131
00:05:41,590 --> 00:05:40,479
i'm not sure what what the time was but

132
00:05:43,670 --> 00:05:41,600
it

133
00:05:55,189 --> 00:05:43,680
uh

134
00:05:59,990 --> 00:05:55,199
the light blinks at him a couple of

135
00:06:01,990 --> 00:06:00,000
times uh he stops the truck and it stops

136
00:06:03,350 --> 00:06:02,000
he takes a look at this light it turns

137
00:06:07,749 --> 00:06:03,360
out to be um

138
00:06:09,590 --> 00:06:07,759

an object uh ufo and he watches it land

139

00:06:11,909 --> 00:06:09,600

in a um

140

00:06:13,990 --> 00:06:11,919

an area called frenchman's cove it's

141

00:06:17,510 --> 00:06:14,000

just a gulch

142

00:06:20,150 --> 00:06:17,520

frenchman's gulf so i think it's cool

143

00:06:21,510 --> 00:06:20,160

he calls the highway patrol highway

144

00:06:23,110 --> 00:06:21,520

patrol comes

145

00:06:24,950 --> 00:06:23,120

out

146

00:06:27,749 --> 00:06:24,960

and they see

147

00:06:29,990 --> 00:06:27,759

they both see the object

148

00:06:32,440 --> 00:06:30,000

rise up and then land again

149

00:06:33,670 --> 00:06:32,450

so there's two witnesses to that

150

00:06:35,590 --> 00:06:33,680

[Music]

151
00:06:37,189 --> 00:06:35,600
and then they call the air force air

152
00:06:38,870 --> 00:06:37,199
force comes out

153
00:06:40,629 --> 00:06:38,880
they see the object

154
00:06:42,629 --> 00:06:40,639
landed in

155
00:06:44,469 --> 00:06:42,639
frenchman's uh

156
00:06:45,749 --> 00:06:44,479
culture

157
00:06:48,309 --> 00:06:45,759
uh

158
00:06:50,790 --> 00:06:48,319
and this is documented both by the truck

159
00:06:52,309 --> 00:06:50,800
driver himself who wrote a

160
00:06:54,790 --> 00:06:52,319
long

161
00:06:57,189 --> 00:06:54,800
handwritten note a letter

162
00:06:58,870 --> 00:06:57,199
not a letter a report

163
00:07:01,510 --> 00:06:58,880

on the landing

164

00:07:02,790 --> 00:07:01,520

actually you can see that in my book

165

00:07:05,909 --> 00:07:02,800

faded

166

00:07:07,430 --> 00:07:05,919

in the appendix

167

00:07:10,710 --> 00:07:07,440

i got that at the appendix his

168

00:07:12,469 --> 00:07:10,720

handwritten statement

169

00:07:15,350 --> 00:07:12,479

and in addition to that

170

00:07:17,670 --> 00:07:15,360

the air force did an investigation

171

00:07:19,589 --> 00:07:17,680

this was done by the base

172

00:07:21,670 --> 00:07:19,599

ops officer called lieutenant colonel

173

00:07:22,870 --> 00:07:21,680

chase

174

00:07:24,950 --> 00:07:22,880

and

175

00:07:27,110 --> 00:07:24,960

he actually sent that to the copies of

176

00:07:29,909 --> 00:07:27,120
that to the continent committee

177

00:07:31,830 --> 00:07:29,919
uh but it was an official report air

178

00:07:33,749 --> 00:07:31,840
force report

179

00:07:36,309 --> 00:07:33,759
later on

180

00:07:37,670 --> 00:07:36,319
objects were seen that evening

181

00:07:39,270 --> 00:07:37,680
over the base

182

00:07:42,390 --> 00:07:39,280
ufos

183

00:07:44,469 --> 00:07:42,400
were reported by airmen over the base

184

00:07:46,390 --> 00:07:44,479
including radar contact

185

00:07:48,070 --> 00:07:46,400
over the base

186

00:07:48,869 --> 00:07:48,080
and of course

187

00:07:51,270 --> 00:07:48,879
uh

188

00:07:53,189 --> 00:07:51,280

my incident occurred on the same

189

00:07:55,029 --> 00:07:53,199

evening

190

00:07:57,430 --> 00:07:55,039

so yes there were a lot of reports that

191

00:08:01,110 --> 00:07:59,110

that is incredible

192

00:08:03,189 --> 00:08:01,120

and and kind of further

193

00:08:05,510 --> 00:08:03,199

not that you needed it but further uh

194

00:08:08,550 --> 00:08:05,520

bolsters you know what happened there

195

00:08:11,189 --> 00:08:08,560

and it you know and i'm reading into uh

196

00:08:14,070 --> 00:08:11,199

i put the the link for mr sal's book

197

00:08:15,589 --> 00:08:14,080

here and in the chat so if anybody is

198

00:08:18,070 --> 00:08:15,599

interested which you should be you

199

00:08:19,029 --> 00:08:18,080

should buy it and that's a direct order

200

00:08:20,710 --> 00:08:19,039

so

201
00:08:23,990 --> 00:08:20,720
um

202
00:08:27,029 --> 00:08:24,000
what what i found interesting and

203
00:08:27,990 --> 00:08:27,039
looking at some of those documents was

204
00:08:33,269 --> 00:08:28,000
that

205
00:08:37,350 --> 00:08:33,279
into this stuff and and determined

206
00:08:39,509 --> 00:08:37,360
it would take i think it was like a 10

207
00:08:42,070 --> 00:08:39,519
i don't know i forget what it is 10 you

208
00:08:44,550 --> 00:08:42,080
know voltage or something to to be able

209
00:08:46,949 --> 00:08:44,560
to render those inoperable but it would

210
00:08:49,990 --> 00:08:46,959
have been basically impossible to do it

211
00:08:52,710 --> 00:08:50,000
outside of the base they had to directly

212
00:08:56,070 --> 00:08:52,720
you know what boeing did was a bench

213
00:08:59,190 --> 00:08:56,080

test of what's called the logic coupler

214

00:09:00,710 --> 00:08:59,200

yes logic coupler cam now

215

00:09:03,509 --> 00:09:00,720

the logic coupler is part of the

216

00:09:06,150 --> 00:09:03,519

guidance system guidance and control

217

00:09:11,750 --> 00:09:08,710

basically it takes the information

218

00:09:14,790 --> 00:09:11,760

that's fed to it by the inertial

219

00:09:17,110 --> 00:09:14,800

guidance that we had it's uh

220

00:09:21,190 --> 00:09:17,120

it includes a level platform and

221

00:09:27,190 --> 00:09:25,509

and if those uh those are set uh during

222

00:09:28,389 --> 00:09:27,200

um

223

00:09:30,070 --> 00:09:28,399

uh

224

00:09:32,310 --> 00:09:30,080

bringing the missile to an operational

225

00:09:35,350 --> 00:09:32,320

state and they have to be it has to be

226
00:09:38,150 --> 00:09:35,360
done manually uh there's got to be some

227
00:09:39,430 --> 00:09:38,160
orientation of the missile itself

228
00:09:40,310 --> 00:09:39,440
um

229
00:09:41,110 --> 00:09:40,320
and

230
00:09:42,550 --> 00:09:41,120
what

231
00:09:45,030 --> 00:09:42,560
boeing

232
00:09:46,150 --> 00:09:45,040
thinks at least these engineers that did

233
00:09:47,990 --> 00:09:46,160
the

234
00:09:51,030 --> 00:09:48,000
bench test

235
00:09:53,430 --> 00:09:51,040
uh i think happened is that some sort it

236
00:09:55,910 --> 00:09:53,440
would have taken uh some sort of signal

237
00:09:57,829 --> 00:09:55,920
they even mentioned the frequency

238
00:09:59,430 --> 00:09:57,839

uh and the voltage

239

00:10:00,230 --> 00:09:59,440

um

240

00:10:02,069 --> 00:10:00,240

to

241

00:10:04,069 --> 00:10:02,079

upset the uh

242

00:10:06,150 --> 00:10:04,079

the level platform of this inertial

243

00:10:09,509 --> 00:10:06,160

guidance system

244

00:10:10,550 --> 00:10:09,519

if that's done if that level platform is

245

00:10:13,110 --> 00:10:10,560

upset

246

00:10:16,150 --> 00:10:13,120

or tweaked in any way

247

00:10:19,430 --> 00:10:16,160

the um missile would shut down because

248

00:10:21,990 --> 00:10:19,440

what would happen is the after launch

249

00:10:23,030 --> 00:10:22,000

the missile couldn't orient itself or at

250

00:10:24,710 --> 00:10:23,040

least

251
00:10:28,470 --> 00:10:24,720
calculate

252
00:10:30,790 --> 00:10:28,480
whether or not it was on target

253
00:10:34,150 --> 00:10:30,800
so it's a

254
00:10:35,990 --> 00:10:34,160
that was what they suspected happened

255
00:10:37,829 --> 00:10:36,000
however

256
00:10:41,110 --> 00:10:37,839
that boeing team

257
00:10:43,269 --> 00:10:41,120
uh headed up by bob kaminsky he was the

258
00:10:45,430 --> 00:10:43,279
team leader we we communicated with

259
00:10:47,990 --> 00:10:45,440
kaminsky wrote this letter

260
00:10:50,150 --> 00:10:48,000
a long letter

261
00:10:52,630 --> 00:10:50,160
where he said

262
00:10:54,389 --> 00:10:52,640
his team had not found any specific

263
00:10:57,030 --> 00:10:54,399

reason for the

264

00:10:59,590 --> 00:10:57,040

missile shutdown that they could

265

00:11:00,790 --> 00:10:59,600

determine for sure

266

00:11:05,110 --> 00:11:00,800

and they looked at everything they

267

00:11:10,470 --> 00:11:07,670

you know uh things in the capsule that

268

00:11:13,269 --> 00:11:10,480

might have caused it um

269

00:11:14,790 --> 00:11:13,279

they looked at many many things

270

00:11:16,630 --> 00:11:14,800

and they were going to write a report to

271

00:11:20,230 --> 00:11:16,640

the air force which they were ordered to

272

00:11:21,190 --> 00:11:20,240

do actually by a strategic air command

273

00:11:22,949 --> 00:11:21,200

um

274

00:11:26,710 --> 00:11:22,959

because they had the main support

275

00:11:28,550 --> 00:11:26,720

contract for the mid-amendment missile

276

00:11:30,949 --> 00:11:28,560

but they were about to write their

277

00:11:35,190 --> 00:11:30,959

final report and then they were ordered

278

00:11:37,910 --> 00:11:35,200

not to write a final report wow and he

279

00:11:40,069 --> 00:11:37,920

was told by his um

280

00:11:45,110 --> 00:11:40,079

his boss

281

00:11:47,190 --> 00:11:45,120

that this was a ufo event

282

00:11:49,509 --> 00:11:47,200

and um

283

00:11:51,910 --> 00:11:49,519

and the reason the air force did not

284

00:11:54,389 --> 00:11:51,920

want a final report is because they were

285

00:11:56,629 --> 00:11:54,399

doing their own report in secret

286

00:11:57,670 --> 00:11:56,639

it was a secret report

287

00:12:00,550 --> 00:11:57,680

uh

288

00:12:02,150 --> 00:12:00,560

the condon investigation was ongoing at

289

00:12:03,910 --> 00:12:02,160

the time i don't know if you're familiar

290

00:12:06,550 --> 00:12:03,920

with the condo oh yeah

291

00:12:10,230 --> 00:12:06,560

unfortunately yeah yeah

292

00:12:11,750 --> 00:12:10,240

it was ongoing at the time and

293

00:12:14,550 --> 00:12:11,760

they didn't want the kind of

294

00:12:17,030 --> 00:12:14,560

investigators to

295

00:12:18,550 --> 00:12:17,040

get wind of

296

00:12:20,389 --> 00:12:18,560

any of it

297

00:12:22,710 --> 00:12:20,399

because then they would have started

298

00:12:24,790 --> 00:12:22,720

asking questions so

299

00:12:26,790 --> 00:12:24,800

the con investigators would never had

300

00:12:29,590 --> 00:12:26,800

access to the

301

00:12:32,710 --> 00:12:29,600

this secret air force report

302

00:12:36,150 --> 00:12:32,720

we have tried my my researcher james

303

00:12:37,910 --> 00:12:36,160

klotz and i have tried many many times

304

00:12:42,230 --> 00:12:37,920

to get this report which is still

305

00:12:46,230 --> 00:12:42,240

classified secret wow um without luck

306

00:12:50,069 --> 00:12:47,990

but

307

00:12:51,269 --> 00:12:50,079

members of congress could certainly ask

308

00:12:52,389 --> 00:12:51,279

for it

309

00:12:54,710 --> 00:12:52,399

yeah

310

00:12:57,110 --> 00:12:54,720

you know the condom report's interesting

311

00:12:59,030 --> 00:12:57,120

i just found um

312

00:13:01,269 --> 00:12:59,040

a document

313

00:13:04,230 --> 00:13:01,279

at uh colorado university they had they

314

00:13:06,949 --> 00:13:04,240

had a meeting with uh ufo investigators

315

00:13:08,790 --> 00:13:06,959

at uh several of the air force bases

316

00:13:11,670 --> 00:13:08,800

which people don't even you know think

317

00:13:14,710 --> 00:13:11,680

about that yes these air force bases had

318

00:13:17,430 --> 00:13:14,720

individual ufo officers why

319

00:13:19,030 --> 00:13:17,440

uh but one of them was uh chase lewis i

320

00:13:20,710 --> 00:13:19,040

wonder if you know

321

00:13:23,750 --> 00:13:20,720

louis chase yeah from mel's from air

322

00:13:25,430 --> 00:13:23,760

force base right um and did you have any

323

00:13:27,750 --> 00:13:25,440

interaction with that guy

324

00:13:29,190 --> 00:13:27,760

by chance uh no

325

00:13:31,030 --> 00:13:29,200

uh he was

326

00:13:33,350 --> 00:13:31,040

he was base operations but he was

327

00:13:36,310 --> 00:13:33,360

identified once the county committee got

328

00:13:40,150 --> 00:13:36,320

going about august of

329

00:13:45,350 --> 00:13:42,710

he was identified who was appointed by

330

00:13:47,110 --> 00:13:45,360

the air force as a base ufo officer that

331

00:13:48,389 --> 00:13:47,120

would be working with the continent

332

00:13:50,069 --> 00:13:48,399

committee

333

00:13:51,509 --> 00:13:50,079

okay gotcha

334

00:13:53,210 --> 00:13:51,519

yeah what do you need that for if

335

00:13:55,189 --> 00:13:53,220

there's no ufos

336

00:13:57,910 --> 00:13:55,199

[Laughter]

337

00:13:59,829 --> 00:13:57,920

but yeah so the the hearings i mean you

338

00:14:02,629 --> 00:13:59,839

must have fell out of your chair when

339

00:14:04,150 --> 00:14:02,639

you heard that come up

340

00:14:04,949 --> 00:14:04,160

i was

341

00:14:07,670 --> 00:14:04,959

like

342

00:14:13,189 --> 00:14:09,750

i was very happy to hear it

343

00:14:17,990 --> 00:14:15,750

but what what was this

344

00:14:19,670 --> 00:14:18,000

bothered me is the um

345

00:14:21,990 --> 00:14:19,680

dod

346

00:14:23,910 --> 00:14:22,000

mr moultrie

347

00:14:25,990 --> 00:14:23,920

didn't seem to know much about it if

348

00:14:27,829 --> 00:14:26,000

anything at all you know they

349

00:14:30,710 --> 00:14:27,839

neither one of them

350

00:14:33,189 --> 00:14:30,720

and you know you would think that if he

351

00:14:37,750 --> 00:14:33,199

was put in charge of um

352

00:14:40,310 --> 00:14:37,760

the uap office that dod is setting up

353

00:14:42,150 --> 00:14:40,320

well maybe he wasn't i'm sure but but he

354

00:14:43,670 --> 00:14:42,160

was a contact that

355

00:14:45,509 --> 00:14:43,680

obviously this

356

00:14:48,069 --> 00:14:45,519

congressman

357

00:14:50,230 --> 00:14:48,079

carson thought would be a good witness

358

00:14:51,910 --> 00:14:50,240

on the subject

359

00:14:52,710 --> 00:14:51,920

he should have read

360

00:14:58,790 --> 00:14:52,720

the

361

00:15:03,189 --> 00:14:58,800

national defense authorization act

362

00:15:05,990 --> 00:15:03,199

uh put forth by senator gillibrand

363

00:15:07,590 --> 00:15:06,000

and in that amendment there's a specific

364

00:15:08,550 --> 00:15:07,600

item that says

365

00:15:11,590 --> 00:15:08,560

uh

366

00:15:12,870 --> 00:15:11,600

dod i see in intelligence community you

367

00:15:14,310 --> 00:15:12,880

will

368

00:15:17,430 --> 00:15:14,320

uh check

369

00:15:21,110 --> 00:15:17,440

if there was any activity of ufos around

370

00:15:24,150 --> 00:15:21,120

nuclear weapons bases

371

00:15:27,430 --> 00:15:24,160

or words to that effect it's right there

372

00:15:30,550 --> 00:15:27,440

in black and white and if he had been

373

00:15:32,550 --> 00:15:30,560

properly prepared for that hearing he

374

00:15:34,949 --> 00:15:32,560

should have at least

375

00:15:37,990 --> 00:15:34,959

looked into my incident

376

00:15:39,590 --> 00:15:38,000

yeah or what i've reported for over

377

00:15:40,389 --> 00:15:39,600

25 years

378

00:15:43,509 --> 00:15:40,399

yeah

379

00:15:45,189 --> 00:15:43,519

how did that make you feel

380

00:15:46,150 --> 00:15:45,199

uh

381

00:15:48,710 --> 00:15:46,160

well

382

00:15:49,990 --> 00:15:48,720

frustrated again

383

00:15:52,629 --> 00:15:50,000

but yeah

384

00:15:54,949 --> 00:15:52,639

but uh at least it's now on the record

385

00:15:56,310 --> 00:15:54,959

it's now in the official record of that

386

00:15:58,150 --> 00:15:56,320

hearing

387

00:15:59,910 --> 00:15:58,160

and i'm sure

388

00:16:01,829 --> 00:15:59,920

congressman gallagher is not going to

389

00:16:02,629 --> 00:16:01,839

forget about it

390

00:16:04,389 --> 00:16:02,639

and

391

00:16:07,590 --> 00:16:04,399

we'll keep pressing

392

00:16:09,430 --> 00:16:07,600

and i know another congressman

393

00:16:10,790 --> 00:16:09,440

burchett i think his name is from

394

00:16:13,990 --> 00:16:10,800

tennessee

395

00:16:16,790 --> 00:16:14,000

yeah uh it was pretty incense that

396

00:16:20,949 --> 00:16:16,800

it went so poorly from uh

397

00:16:24,230 --> 00:16:22,150

so i think they're going to keep

398

00:16:25,269 --> 00:16:24,240

pressing it at least

399

00:16:27,030 --> 00:16:25,279

yeah

400

00:16:28,230 --> 00:16:27,040

it's just got to be frustrating i mean

401
00:16:30,389 --> 00:16:28,240
you spend

402
00:16:32,629 --> 00:16:30,399
over two decades making sure that the

403
00:16:34,550 --> 00:16:32,639
public has this information and and

404
00:16:37,829 --> 00:16:34,560
knows about this uh

405
00:16:38,870 --> 00:16:37,839
insane ufo encounter that uh

406
00:16:41,590 --> 00:16:38,880
really

407
00:16:44,069 --> 00:16:41,600
um should have a huge impact on our

408
00:16:45,829 --> 00:16:44,079
national security if if not just you

409
00:16:47,430 --> 00:16:45,839
know as human beings

410
00:16:49,910 --> 00:16:47,440
and you get to a point like this where

411
00:16:51,590 --> 00:16:49,920
there's uh congressional hearings and

412
00:16:53,350 --> 00:16:51,600
and you got these you know excuse my

413
00:16:56,069 --> 00:16:53,360

language wise asses

414

00:16:57,509 --> 00:16:56,079

uh pretending that uh

415

00:16:58,790 --> 00:16:57,519

you know it's only

416

00:16:59,990 --> 00:16:58,800

been in the media and it's not a

417

00:17:02,069 --> 00:17:00,000

documented

418

00:17:04,949 --> 00:17:02,079

uh case one clearly there's there's

419

00:17:06,949 --> 00:17:04,959

documents on the case um

420

00:17:09,990 --> 00:17:06,959

yeah absolutely frustrating

421

00:17:10,789 --> 00:17:10,000

i sent the dod ig inspector general

422

00:17:13,750 --> 00:17:10,799

right

423

00:17:16,150 --> 00:17:13,760

of the task force i say um

424

00:17:16,829 --> 00:17:16,160

i've got a copy of it right here

425

00:17:19,829 --> 00:17:16,839

it's

426

00:17:21,429 --> 00:17:19,839

a many pages

427

00:17:24,390 --> 00:17:21,439

of documents

428

00:17:27,110 --> 00:17:24,400

documents affidavits actual uh

429

00:17:30,830 --> 00:17:27,120

documents that are retrieved under foia

430

00:17:32,870 --> 00:17:30,840

uh affidavits from witnesses other

431

00:17:35,430 --> 00:17:32,880

witnesses uh

432

00:17:37,909 --> 00:17:35,440

including my own affidavit

433

00:17:39,510 --> 00:17:37,919

on the malmstrom incidents

434

00:17:40,310 --> 00:17:39,520

and

435

00:17:57,350 --> 00:17:40,320

i

436

00:18:04,470 --> 00:17:57,360

that was a year ago

437

00:18:09,830 --> 00:18:07,750

uh representative gallagher who

438

00:18:11,510 --> 00:18:09,840

who brought out the issue of uh

439

00:18:13,590 --> 00:18:11,520

malmstrom

440

00:18:15,590 --> 00:18:13,600

i was able to talk to one of his

441

00:18:16,870 --> 00:18:15,600

assistants they said they would be in

442

00:18:18,950 --> 00:18:16,880

touch

443

00:18:20,710 --> 00:18:18,960

and this was um

444

00:18:22,789 --> 00:18:20,720

same day same day as the hearing so it

445

00:18:24,630 --> 00:18:22,799

was about a week ago

446

00:18:25,909 --> 00:18:24,640

i haven't heard back

447

00:18:28,789 --> 00:18:25,919

yeah

448

00:18:30,549 --> 00:18:28,799

i called that day too so maybe

449

00:18:32,549 --> 00:18:30,559

maybe he's a bit swamped because he's

450

00:18:34,710 --> 00:18:32,559

actually in green bay

451

00:18:35,909 --> 00:18:34,720

which is uh my estate so i thought i'd

452

00:18:38,520 --> 00:18:35,919

give him a call

453

00:18:40,950 --> 00:18:38,530

but uh maybe it's due for another call

454

00:18:44,070 --> 00:18:40,960

[Laughter]

455

00:18:45,990 --> 00:18:44,080

keep calling yeah uh i will

456

00:18:47,510 --> 00:18:46,000

actually um

457

00:18:49,110 --> 00:18:47,520

well

458

00:18:51,029 --> 00:18:49,120

you know what that being the case which

459

00:18:52,549 --> 00:18:51,039

which i find just uh

460

00:18:54,710 --> 00:18:52,559

kind of disappointing that he hasn't

461

00:18:56,070 --> 00:18:54,720

even called you um

462

00:18:58,950 --> 00:18:56,080

what do you think this is about do you

463

00:19:01,350 --> 00:18:58,960

think this is about legit disclosure

464

00:19:03,430 --> 00:19:01,360

what do you think is

465

00:19:04,390 --> 00:19:03,440

what's your take from all this stuff

466

00:19:07,350 --> 00:19:04,400

yeah

467

00:19:09,350 --> 00:19:07,360

uh let's look at the situation

468

00:19:11,990 --> 00:19:09,360

if

469

00:19:14,070 --> 00:19:12,000

um i was to give a briefing to the

470

00:19:15,990 --> 00:19:14,080

congressman or any other congressman

471

00:19:18,310 --> 00:19:16,000

which i've offered to do

472

00:19:22,630 --> 00:19:18,320

i've offered to fly anywhere in the

473

00:19:25,029 --> 00:19:22,640

united states on my own dime

474

00:19:27,190 --> 00:19:25,039

and give a briefing a complete briefing

475

00:19:28,070 --> 00:19:27,200

on the malmstrom incidents for which i

476
00:19:30,070 --> 00:19:28,080
have

477
00:19:31,669 --> 00:19:30,080
documented evidence i've got witness

478
00:19:36,470 --> 00:19:31,679
testimony

479
00:19:37,510 --> 00:19:36,480
but

480
00:19:38,630 --> 00:19:37,520
uh

481
00:19:42,470 --> 00:19:38,640
if

482
00:19:45,350 --> 00:19:42,480
uh congress were to accept this report

483
00:19:49,430 --> 00:19:45,360
of mine um

484
00:19:52,150 --> 00:19:49,440
they would have to admit that um

485
00:19:54,150 --> 00:19:52,160
there is a serious national security

486
00:19:55,029 --> 00:19:54,160
implication here

487
00:20:01,350 --> 00:19:55,039
where

488
00:20:03,190 --> 00:20:01,360

flying object

489

00:20:06,950 --> 00:20:03,200

that they could not show

490

00:20:09,190 --> 00:20:06,960

was manufactured on earth because of its

491

00:20:10,950 --> 00:20:09,200

performance characteristics and what it

492

00:20:14,789 --> 00:20:10,960

did

493

00:20:17,190 --> 00:20:14,799

55 years ago at malmstrom um it was able

494

00:20:20,789 --> 00:20:17,200

to penetrate 60 feet of earth and

495

00:20:22,950 --> 00:20:20,799

concrete send signals to pen missiles

496

00:20:26,710 --> 00:20:22,960

separately

497

00:20:27,440 --> 00:20:26,720

within seconds and upset the guidance

498

00:20:29,190 --> 00:20:27,450

system

499

00:20:31,590 --> 00:20:29,200

[Music]

500

00:20:32,549 --> 00:20:31,600

as i described in each of the 10

501
00:20:35,190 --> 00:20:32,559
missiles

502
00:20:36,549 --> 00:20:35,200
they all had the same failure mode

503
00:20:37,510 --> 00:20:36,559
anyway

504
00:20:39,830 --> 00:20:37,520
uh

505
00:20:43,510 --> 00:20:39,840
think of the implications of that so i

506
00:20:46,310 --> 00:20:43,520
what i'm thinking here is that um

507
00:20:50,470 --> 00:20:46,320
uh both the congress who's supposed to

508
00:20:56,549 --> 00:20:53,430
and the dod for example

509
00:20:59,110 --> 00:20:56,559
are flummoxed as to how to deal with

510
00:21:00,950 --> 00:20:59,120
this reality

511
00:21:02,950 --> 00:21:00,960
and they probably still don't know how

512
00:21:05,510 --> 00:21:02,960
exactly they could

513
00:21:07,430 --> 00:21:05,520

explain to the public

514

00:21:10,390 --> 00:21:07,440

that this is real

515

00:21:13,110 --> 00:21:10,400

and what they're going to do about it

516

00:21:14,470 --> 00:21:13,120

so i think that's still

517

00:21:17,190 --> 00:21:14,480

in other words bottom line i think

518

00:21:18,789 --> 00:21:17,200

they're both afraid uh to

519

00:21:23,110 --> 00:21:18,799

disclose

520

00:21:24,789 --> 00:21:23,120

you know

521

00:21:26,230 --> 00:21:24,799

it's uh

522

00:21:30,230 --> 00:21:26,240

you know

523

00:21:31,990 --> 00:21:30,240

here for almost two years since i had my

524

00:21:33,830 --> 00:21:32,000

experience and i just couldn't get it

525

00:21:35,669 --> 00:21:33,840

out of my head and i had to do something

526

00:21:36,630 --> 00:21:35,679

about it so you know i started the show

527

00:21:38,549 --> 00:21:36,640

to start

528

00:21:39,350 --> 00:21:38,559

you know giving me a reason to research

529

00:21:40,630 --> 00:21:39,360

and

530

00:21:41,750 --> 00:21:40,640

talk to somebody about what i'm

531

00:21:42,789 --> 00:21:41,760

researching because i didn't know

532

00:21:43,830 --> 00:21:42,799

anybody

533

00:21:48,950 --> 00:21:43,840

you know

534

00:21:51,029 --> 00:21:48,960

i feel silly saying i'm sick and tired

535

00:21:52,710 --> 00:21:51,039

of this or that because because of that

536

00:21:53,590 --> 00:21:52,720

fact you know so that's why i say that

537

00:21:56,710 --> 00:21:53,600

but

538

00:21:57,909 --> 00:21:56,720

i mean it's been long enough

539

00:22:00,549 --> 00:21:57,919

if for

540

00:22:03,430 --> 00:22:00,559

for you know the excuse of being scared

541

00:22:05,350 --> 00:22:03,440

uh to really hold true anymore i mean

542

00:22:07,110 --> 00:22:05,360

for for christ's sex just ask you what

543

00:22:08,549 --> 00:22:07,120

to say i mean you've said it a million

544

00:22:09,510 --> 00:22:08,559

times

545

00:22:11,029 --> 00:22:09,520

you know

546

00:22:13,750 --> 00:22:11,039

like i would i would say you're pretty

547

00:22:15,909 --> 00:22:13,760

experienced um at this point to tell

548

00:22:17,029 --> 00:22:15,919

people uh what happened

549

00:22:18,789 --> 00:22:17,039

um

550

00:22:19,990 --> 00:22:18,799

you know

551
00:22:22,230 --> 00:22:20,000
well

552
00:22:25,190 --> 00:22:22,240
the good news is they're not going to be

553
00:22:27,270 --> 00:22:25,200
able to avoid responding to it to the

554
00:22:30,070 --> 00:22:27,280
public now because it's been brought up

555
00:22:31,430 --> 00:22:30,080
publicly in this hearing

556
00:22:32,950 --> 00:22:31,440
and um

557
00:22:35,110 --> 00:22:32,960
like i said there's going to be a

558
00:22:39,750 --> 00:22:35,120
follow-up and

559
00:22:41,270 --> 00:22:39,760
asking the dod agreed to um

560
00:22:43,029 --> 00:22:41,280
to look into it

561
00:22:46,789 --> 00:22:43,039
those were the words that moultrie is

562
00:22:49,909 --> 00:22:48,310
okay

563
00:22:51,909 --> 00:22:49,919

oh

564

00:22:53,029 --> 00:22:51,919

we'll see what that means

565

00:22:54,789 --> 00:22:53,039

yeah well

566

00:22:57,000 --> 00:22:54,799

look into it if someone of authority

567

00:22:59,190 --> 00:22:57,010

does this yeah okay buddy

568

00:23:02,630 --> 00:22:59,200

[Laughter]

569

00:23:09,190 --> 00:23:05,350

i mean i've heard you say before

570

00:23:11,190 --> 00:23:09,200

you know just uh generally speaking um

571

00:23:13,830 --> 00:23:11,200

you think that um

572

00:23:16,070 --> 00:23:13,840

you know possibly they were trying to

573

00:23:19,110 --> 00:23:16,080

the that whoever was in the the

574

00:23:21,270 --> 00:23:19,120

spaceships or um ufos was

575

00:23:22,630 --> 00:23:21,280

just kind of trying to say hey you guys

576

00:23:24,149 --> 00:23:22,640

are a bunch of dummies what are you

577

00:23:25,990 --> 00:23:24,159

doing with this stuff

578

00:23:27,669 --> 00:23:26,000

basically like you have no business with

579

00:23:29,350 --> 00:23:27,679

this and i kind of think that makes

580

00:23:31,029 --> 00:23:29,360

sense because you know people would say

581

00:23:32,870 --> 00:23:31,039

like well why haven't they

582

00:23:34,230 --> 00:23:32,880

you know come back and done it again or

583

00:23:36,149 --> 00:23:34,240

this time or that time but they've done

584

00:23:37,750 --> 00:23:36,159

it in russia yes and they've you know

585

00:23:41,029 --> 00:23:37,760

done weird things at other places but

586

00:23:43,029 --> 00:23:41,039

like once you know you can do it

587

00:23:46,230 --> 00:23:43,039

you know you don't have to keep going

588

00:23:47,669 --> 00:23:46,240

back you know it's like well i think

589

00:23:49,669 --> 00:23:47,679

et did

590

00:23:51,590 --> 00:23:49,679

do it multiple times

591

00:23:53,350 --> 00:23:51,600

and i say e.t because i'm convinced

592

00:23:55,830 --> 00:23:53,360

these are extraterrestrials

593

00:23:56,669 --> 00:23:55,840

okay raft

594

00:23:59,510 --> 00:23:56,679

uh

595

00:24:02,149 --> 00:23:59,520

1966 at minon air force base you've

596

00:24:03,110 --> 00:24:02,159

heard the testimony of david shindelli

597

00:24:06,390 --> 00:24:03,120

yeah

598

00:24:08,950 --> 00:24:06,400

uh and my two incidents that echo and

599

00:24:13,990 --> 00:24:08,960

oscar in 67

600

00:24:15,430 --> 00:24:14,000

68 again at minot air force base uh

601
00:24:17,029 --> 00:24:15,440
a very

602
00:24:19,510 --> 00:24:17,039
incredible

603
00:24:21,669 --> 00:24:19,520
witness it was just it was not just him

604
00:24:23,669 --> 00:24:21,679
it was a whole bunch of witnesses uh it

605
00:24:26,549 --> 00:24:23,679
was very thoroughly

606
00:24:29,269 --> 00:24:26,559
investigated where a ufo landed next to

607
00:24:32,630 --> 00:24:29,279
a launch facility where the missiles are

608
00:24:34,390 --> 00:24:32,640
and crushed the fence and removed the

609
00:24:36,230 --> 00:24:34,400
cover of the

610
00:24:39,750 --> 00:24:36,240
launch tube um

611
00:24:43,029 --> 00:24:39,760
we had a very a 20-ton cover

612
00:24:45,029 --> 00:24:43,039
it was on rails and there's no way to

613
00:24:47,190 --> 00:24:45,039

i don't know i don't want you to lift 20

614

00:24:50,230 --> 00:24:47,200

tons out there but

615

00:24:56,870 --> 00:24:54,789

and i i list in my my latest book

616

00:24:57,669 --> 00:24:56,880

i hate to keep plugging my books but go

617

00:25:01,190 --> 00:24:57,679

ahead

618

00:25:02,630 --> 00:25:01,200

i'm not paying you so you might as well

619

00:25:04,789 --> 00:25:02,640

you're not paying me

620

00:25:06,710 --> 00:25:04,799

oh crap

621

00:25:07,669 --> 00:25:06,720

okay

622

00:25:08,990 --> 00:25:07,679

my bad

623

00:25:12,149 --> 00:25:09,000

this was called

624

00:25:15,029 --> 00:25:12,159

unidentified the ufo phenomenon

625

00:25:18,789 --> 00:25:15,039

and in there i list at least a dozen

626

00:25:21,750 --> 00:25:18,799

other incidents where ufos fly over a

627

00:25:24,310 --> 00:25:21,760

weapons storage area where the nukes are

628

00:25:25,669 --> 00:25:24,320

kept and shine a beam of light and then

629

00:25:28,950 --> 00:25:25,679

fly off

630

00:25:30,950 --> 00:25:28,960

oh right you actually

631

00:25:33,750 --> 00:25:30,960

that interrupt but she actually recently

632

00:25:36,230 --> 00:25:33,760

did a somewhat of a a press conference

633

00:25:38,310 --> 00:25:36,240

where um somebody was talking about an

634

00:25:40,230 --> 00:25:38,320

episode similar to that with an atlas i

635

00:25:42,870 --> 00:25:40,240

believe that was in the air

636

00:25:44,470 --> 00:25:42,880

um well no not

637

00:25:47,110 --> 00:25:44,480

well it was a yeah you're talking about

638

00:25:49,269 --> 00:25:47,120

uh bob jacobs yeah yeah bob jacobs here

639

00:25:52,630 --> 00:25:49,279

that was an atlas missile

640

00:25:54,789 --> 00:25:52,640

but also um

641

00:25:56,870 --> 00:25:54,799

yeah so they demonstrated in in that

642

00:25:59,110 --> 00:25:56,880

case they demonstrated that they could

643

00:26:03,590 --> 00:25:59,120

um

644

00:26:08,390 --> 00:26:05,669

if if launched if the missile was

645

00:26:12,070 --> 00:26:09,909

and then there have been other cases

646

00:26:14,310 --> 00:26:12,080

many other cases so

647

00:26:15,190 --> 00:26:14,320

my case is not

648

00:26:29,190 --> 00:26:15,200

uh

649

00:26:32,070 --> 00:26:29,200

cases with good witnesses

650

00:26:33,990 --> 00:26:32,080

yeah and uh there's a book called ufos

651

00:26:36,230 --> 00:26:34,000

nuke that does that really

652

00:26:40,070 --> 00:26:36,240

really well too yeah robert hastings is

653

00:26:44,669 --> 00:26:42,710

yeah i mean i found cia documents dating

654

00:26:47,909 --> 00:26:44,679

back to you know

655

00:26:49,750 --> 00:26:47,919

1950 52 even earlier

656

00:26:52,549 --> 00:26:49,760

talk about these things being in you

657

00:26:54,470 --> 00:26:52,559

know strategic areas and you know

658

00:26:55,600 --> 00:26:54,480

nuclear areas and there's the old oak

659

00:26:57,430 --> 00:26:55,610

ridge cases and

660

00:26:59,669 --> 00:26:57,440

[Music]

661

00:27:00,710 --> 00:26:59,679

where that's happened um

662

00:27:03,750 --> 00:27:00,720

so

663

00:27:05,750 --> 00:27:03,760

and even los alamos

664

00:27:07,669 --> 00:27:05,760

atomic security officers the green

665

00:27:09,990 --> 00:27:07,679

fireballs like all that stuff like come

666

00:27:12,789 --> 00:27:10,000

on man there's something about this just

667

00:27:15,190 --> 00:27:12,799

seems to me sometimes that uh a part of

668

00:27:17,350 --> 00:27:15,200

not wanting to admit it is is also uh

669

00:27:19,190 --> 00:27:17,360

admitting that they've wasted a lot of

670

00:27:21,430 --> 00:27:19,200

money and stuff they may not even ever

671

00:27:23,750 --> 00:27:21,440

be able to use

672

00:27:25,430 --> 00:27:23,760

oh yeah but the biggest sin is they've

673

00:27:26,549 --> 00:27:25,440

withheld this information from the

674

00:27:29,269 --> 00:27:26,559

public

675

00:27:30,950 --> 00:27:29,279

yeah you know for some 70 years

676

00:27:32,549 --> 00:27:30,960

and um

677

00:27:34,710 --> 00:27:32,559

that's the hard thing they have to

678

00:27:37,029 --> 00:27:34,720

swallow you know if they're really going

679

00:27:39,110 --> 00:27:37,039

to tell the truth about this

680

00:27:41,669 --> 00:27:39,120

they have deliberately lied to the

681

00:27:43,669 --> 00:27:41,679

public for over 70 years about the

682

00:27:44,789 --> 00:27:43,679

reality of this phenomenon

683

00:27:46,830 --> 00:27:44,799

yeah

684

00:27:50,070 --> 00:27:46,840

it's awful

685

00:27:52,470 --> 00:27:50,080

yeah uh this is actually a

686

00:27:55,990 --> 00:27:52,480

decent question uh why do you think that

687

00:27:58,389 --> 00:27:56,000

um the aliens or ets didn't interfere

688

00:28:00,950 --> 00:27:58,399

with like the hiroshima and nagasaki

689

00:28:03,430 --> 00:28:00,960

bombings

690

00:28:04,630 --> 00:28:03,440

well i mean this is pretty speculative

691

00:28:08,310 --> 00:28:04,640

on my part

692

00:28:12,630 --> 00:28:09,830

you know actually

693

00:28:15,269 --> 00:28:12,640

ufos flew over the um

694

00:28:18,070 --> 00:28:15,279

hanford nuclear site where right

695

00:28:20,630 --> 00:28:18,080

plutonium was produced for those bombs

696

00:28:22,870 --> 00:28:20,640

the ones that were dropped on

697

00:28:25,750 --> 00:28:22,880

hiroshima and nagasaki

698

00:28:31,830 --> 00:28:27,990

i don't think they want to interfere to

699

00:28:34,389 --> 00:28:31,840

the extent where they start um

700

00:28:35,750 --> 00:28:34,399

stopping what we're doing um

701
00:28:38,070 --> 00:28:35,760
i think

702
00:28:38,950 --> 00:28:38,080
and this is just pure speculation on my

703
00:28:40,070 --> 00:28:38,960
part

704
00:28:42,070 --> 00:28:40,080
sure

705
00:28:44,870 --> 00:28:42,080
i think they want us to solve this

706
00:28:48,710 --> 00:28:44,880
problem nuclear weapons on our own i

707
00:28:52,630 --> 00:28:50,710
for us to demonstrate that we have the

708
00:28:55,909 --> 00:28:52,640
ability to do that

709
00:28:59,110 --> 00:28:55,919
and so far we have not demonstrated that

710
00:29:01,350 --> 00:28:59,120
in fact it's gotten worse yeah it's

711
00:29:03,110 --> 00:29:01,360
gotten worse this idea of nuclear

712
00:29:06,710 --> 00:29:03,120
deterrence

713
00:29:09,510 --> 00:29:06,720

uh that this concept where uh

714

00:29:12,789 --> 00:29:09,520

as long as we have a superior number of

715

00:29:15,350 --> 00:29:12,799

nukes or equal to any other country

716

00:29:17,830 --> 00:29:15,360

uh no one would dare attack as well

717

00:29:19,990 --> 00:29:17,840

that's baloney

718

00:29:21,510 --> 00:29:20,000

because

719

00:29:24,830 --> 00:29:21,520

what has happened is more and more

720

00:29:27,110 --> 00:29:24,840

countries now possess them more

721

00:29:29,110 --> 00:29:27,120

countries will want to possess them in

722

00:29:30,870 --> 00:29:29,120

the future

723

00:29:34,230 --> 00:29:30,880

we've had threats

724

00:29:35,430 --> 00:29:34,240

from not only north korea but russia

725

00:29:38,830 --> 00:29:35,440

recently

726
00:29:40,389 --> 00:29:38,840
has threatened to use nuclear weapons

727
00:29:43,350 --> 00:29:40,399
um

728
00:29:45,430 --> 00:29:43,360
our own commanders

729
00:29:49,750 --> 00:29:45,440
for example general westmoreland during

730
00:29:53,110 --> 00:29:50,549
the

731
00:29:55,269 --> 00:29:53,120
president johnson that he used nuclear

732
00:29:57,350 --> 00:29:55,279
weapons uh

733
00:30:00,710 --> 00:29:57,360
general macarthur requested the use of

734
00:30:02,149 --> 00:30:00,720
nuclear weapons during the korean war

735
00:30:04,950 --> 00:30:02,159
um so

736
00:30:08,470 --> 00:30:04,960
it's not without the real uh above the

737
00:30:10,549 --> 00:30:08,480
realm of possibility that

738
00:30:15,909 --> 00:30:10,559

let's say the russians

739

00:30:17,269 --> 00:30:15,919

use a small nuke in the ukrainian war

740

00:30:21,269 --> 00:30:17,279

would we

741

00:30:23,190 --> 00:30:21,279

then get involved and threaten to use

742

00:30:24,389 --> 00:30:23,200

small nukes

743

00:30:25,350 --> 00:30:24,399

i mean

744

00:30:26,950 --> 00:30:25,360

yeah

745

00:30:28,630 --> 00:30:26,960

you can see how it could escalate very

746

00:30:30,470 --> 00:30:28,640

quickly so

747

00:30:33,350 --> 00:30:30,480

nuclear war

748

00:30:34,549 --> 00:30:33,360

is not out of the question

749

00:30:36,389 --> 00:30:34,559

still

750

00:30:40,630 --> 00:30:36,399

yeah

751
00:30:42,710 --> 00:30:40,640
what you said about hiroshima a little

752
00:30:45,269 --> 00:30:42,720
bit and you know hoping that we learned

753
00:30:46,549 --> 00:30:45,279
for ourselves um you know sometimes i

754
00:30:48,870 --> 00:30:46,559
think of like

755
00:30:50,630 --> 00:30:48,880
a parent and a child

756
00:30:51,909 --> 00:30:50,640
some of the the worst punishment you can

757
00:30:53,430 --> 00:30:51,919
have is

758
00:30:56,470 --> 00:30:53,440
seeing the repercussions of your

759
00:30:58,470 --> 00:30:56,480
mistakes and in the pain it causes

760
00:31:00,549 --> 00:30:58,480
right you know and

761
00:31:02,470 --> 00:31:00,559
you would hope that

762
00:31:03,509 --> 00:31:02,480
you know people would learn their lesson

763
00:31:05,669 --> 00:31:03,519

but

764

00:31:07,909 --> 00:31:05,679

at this point you know a decades past

765

00:31:09,509 --> 00:31:07,919

and decades past i feel like people just

766

00:31:11,350 --> 00:31:09,519

lose um

767

00:31:13,269 --> 00:31:11,360

you know the seriousness and the weight

768

00:31:14,630 --> 00:31:13,279

of what it really means to use a nuclear

769

00:31:17,350 --> 00:31:14,640

bomb

770

00:31:19,110 --> 00:31:17,360

unfortunately um so you think these are

771

00:31:21,430 --> 00:31:19,120

uh

772

00:31:23,990 --> 00:31:21,440

do you think all these ufos and stuff

773

00:31:26,950 --> 00:31:24,000

you know maybe speculation whatever but

774

00:31:28,149 --> 00:31:26,960

are uh extraterrestrials and

775

00:31:29,909 --> 00:31:28,159

um

776

00:31:31,669 --> 00:31:29,919

do you think

777

00:31:33,509 --> 00:31:31,679

you know they come from one place or it

778

00:31:35,029 --> 00:31:33,519

tell me your synopsis on why you're

779

00:31:38,789 --> 00:31:35,039

thinking the e.t

780

00:31:38,799 --> 00:31:44,149

you know if you can in a nutshell

781

00:31:48,630 --> 00:31:46,470

do you want to

782

00:31:50,549 --> 00:31:48,640

well i know uh

783

00:31:54,149 --> 00:31:50,559

you know experiencers people who've been

784

00:31:58,710 --> 00:31:56,950

met these extraterrestrials

785

00:32:02,149 --> 00:31:58,720

uh me included

786

00:32:06,789 --> 00:32:02,159

have seen various uh

787

00:32:07,990 --> 00:32:06,799

types of beings from time to time

788

00:32:10,870 --> 00:32:08,000

so

789

00:32:14,630 --> 00:32:10,880

whether or not they're from one place

790

00:32:17,190 --> 00:32:14,640

or not i have no idea it is likely that

791

00:32:18,230 --> 00:32:17,200

there are multiple

792

00:32:20,870 --> 00:32:18,240

uh

793

00:32:23,190 --> 00:32:20,880

et civilizations that

794

00:32:25,110 --> 00:32:23,200

have visited us

795

00:32:27,509 --> 00:32:25,120

and

796

00:32:28,389 --> 00:32:27,519

but uh

797

00:32:30,070 --> 00:32:28,399

well

798

00:32:32,389 --> 00:32:30,080

i mean the rest

799

00:32:33,590 --> 00:32:32,399

your guess is as good as mine

800

00:32:36,549 --> 00:32:33,600

um

801
00:32:38,789 --> 00:32:36,559
excuse me for being uh ignorant to this

802
00:32:39,990 --> 00:32:38,799
fact but um

803
00:32:42,549 --> 00:32:40,000
would you mind

804
00:32:44,950 --> 00:32:42,559
telling me about your experience

805
00:32:48,070 --> 00:32:44,960
yeah actually i went public with it in

806
00:32:49,750 --> 00:32:48,080
2013 and it's in in my book

807
00:32:51,430 --> 00:32:49,760
unidentified

808
00:32:52,549 --> 00:32:51,440
that book

809
00:32:55,190 --> 00:32:52,559
okay

810
00:32:57,430 --> 00:32:55,200
1985

811
00:32:59,190 --> 00:32:57,440
i was living in manhattan beach

812
00:33:00,870 --> 00:32:59,200
california

813
00:33:02,549 --> 00:33:00,880

i know the specific house because i

814

00:33:06,630 --> 00:33:02,559

remember

815

00:33:08,870 --> 00:33:06,640

uh i was i was remodeling houses and uh

816

00:33:10,630 --> 00:33:08,880

buying them and then fixing them up and

817

00:33:12,470 --> 00:33:10,640

selling them so i remember where i was

818

00:33:14,789 --> 00:33:12,480

in 85

819

00:33:16,149 --> 00:33:14,799

this particular house

820

00:33:18,389 --> 00:33:16,159

now one night

821

00:33:22,710 --> 00:33:18,399

my wife and i and two children were

822

00:33:24,549 --> 00:33:22,720

asleep uh and all of a sudden i woke up

823

00:33:26,549 --> 00:33:24,559

saw blue light coming from the living

824

00:33:29,669 --> 00:33:26,559

room and by the way all this i'm telling

825

00:33:31,909 --> 00:33:29,679

you as a result of uh

826

00:33:33,830 --> 00:33:31,919

i think i've had four

827

00:33:39,190 --> 00:33:33,840

uh

828

00:33:41,909 --> 00:33:39,200

on this so

829

00:33:44,230 --> 00:33:41,919

uh and this is as far as i got as far as

830

00:33:47,669 --> 00:33:44,240

the information so

831

00:33:49,590 --> 00:33:47,679

uh so i wake up see the blue light

832

00:33:51,590 --> 00:33:49,600

wake up my wife

833

00:33:53,110 --> 00:33:51,600

ask her if she sees the blue light she

834

00:33:55,190 --> 00:33:53,120

says yeah

835

00:33:57,669 --> 00:33:55,200

i said i'm going to go check on it there

836

00:33:58,789 --> 00:33:57,679

might be someone in the house

837

00:34:01,269 --> 00:33:58,799

so

838

00:34:02,549 --> 00:34:01,279

i try to get up i'm paralyzed i can't

839

00:34:04,470 --> 00:34:02,559

move

840

00:34:07,029 --> 00:34:04,480

and i remember struggling

841

00:34:10,790 --> 00:34:07,039

with everything i had to

842

00:34:14,230 --> 00:34:10,800

to overcome the paralysis

843

00:34:16,069 --> 00:34:14,240

and uh turn to my wife and just

844

00:34:18,470 --> 00:34:16,079

now she's unconscious

845

00:34:21,750 --> 00:34:18,480

can't wake her

846

00:34:24,310 --> 00:34:21,760

so next thing i see a

847

00:34:27,349 --> 00:34:24,320

um hooded figure in the doorway i can't

848

00:34:30,069 --> 00:34:27,359

see the face but it's

849

00:34:33,750 --> 00:34:30,079

a little smaller than an average

850

00:34:36,230 --> 00:34:33,760

person a hooded figure

851

00:34:38,149 --> 00:34:36,240

and then the next i'm aware of

852

00:34:41,030 --> 00:34:38,159

what i think are children

853

00:34:42,389 --> 00:34:41,040

uh that's the impression i got again i i

854

00:34:45,349 --> 00:34:42,399

don't remember

855

00:34:47,190 --> 00:34:45,359

the faces just small beings

856

00:34:50,550 --> 00:34:47,200

in the room

857

00:34:54,470 --> 00:34:50,560

i get lifted off my bed and

858

00:34:56,629 --> 00:34:54,480

floated to the locked window

859

00:34:59,190 --> 00:34:56,639

they take me through the window

860

00:35:00,710 --> 00:34:59,200

i know that sounds ridiculous but that's

861

00:35:01,829 --> 00:35:00,720

what happened

862

00:35:04,470 --> 00:35:01,839

i at all

863

00:35:05,510 --> 00:35:04,480

they take me through the window next

864

00:35:10,950 --> 00:35:05,520

time

865

00:35:13,750 --> 00:35:10,960

on board a craft um on a metal table

866

00:35:16,790 --> 00:35:13,760

being shown a needle

867

00:35:17,990 --> 00:35:16,800

a long needle

868

00:35:20,230 --> 00:35:18,000

held my

869

00:35:21,589 --> 00:35:20,240

fingers

870

00:35:24,310 --> 00:35:21,599

uh

871

00:35:27,270 --> 00:35:24,320

and they communicate me with me

872

00:35:29,670 --> 00:35:27,280

telepathically i guess that

873

00:35:32,790 --> 00:35:29,680

they're gonna insert this in my groin

874

00:35:35,190 --> 00:35:32,800

area and it won't hurt but when they did

875

00:35:36,630 --> 00:35:35,200

that it hurt like help

876
00:35:38,069 --> 00:35:36,640
and as soon as i

877
00:35:40,310 --> 00:35:38,079
felt the pain

878
00:35:46,550 --> 00:35:43,030
probably screamed but

879
00:35:48,870 --> 00:35:46,560
uh the pain went away almost immediately

880
00:35:51,910 --> 00:35:50,550
set me on a bench

881
00:35:52,870 --> 00:35:51,920
after that

882
00:35:55,510 --> 00:35:52,880
uh

883
00:35:57,270 --> 00:35:55,520
on the side of the craft

884
00:35:58,630 --> 00:35:57,280
uh

885
00:36:01,270 --> 00:35:58,640
i had two

886
00:36:03,190 --> 00:36:01,280
small beings on either side they

887
00:36:05,990 --> 00:36:03,200
escorted me over to

888
00:36:07,750 --> 00:36:06,000

another cubicle where

889

00:36:09,990 --> 00:36:07,760

another being uh

890

00:36:12,470 --> 00:36:10,000

turned me around and

891

00:36:14,630 --> 00:36:12,480

poked fingers along my spine

892

00:36:16,950 --> 00:36:14,640

that's all i did he just poked his

893

00:36:20,710 --> 00:36:16,960

fingers down my spine

894

00:36:26,390 --> 00:36:22,710

went around

895

00:36:28,069 --> 00:36:26,400

curbing the craft along with these two

896

00:36:31,270 --> 00:36:28,079

beings and we were floating by the way

897

00:36:35,829 --> 00:36:33,510

all this whole time we weren't walking

898

00:36:37,510 --> 00:36:35,839

we were floating

899

00:36:39,510 --> 00:36:37,520

and then a

900

00:36:42,630 --> 00:36:39,520

big flash of white lightning back in my

901
00:36:47,670 --> 00:36:44,550
uh that's basically it the next morning

902
00:36:49,589 --> 00:36:47,680
my neither my wife nor i remembered any

903
00:36:51,670 --> 00:36:49,599
of this

904
00:36:55,190 --> 00:36:51,680
we never talked about it

905
00:37:00,470 --> 00:36:55,200
and then 27 years later i think it was

906
00:37:02,310 --> 00:37:00,480
85 yeah no 22 years later

907
00:37:04,230 --> 00:37:02,320
uh uh we were in

908
00:37:06,630 --> 00:37:04,240
ireland i was

909
00:37:09,670 --> 00:37:06,640
there at a conference and there was a

910
00:37:11,589 --> 00:37:09,680
lady who was talking about her abduction

911
00:37:13,109 --> 00:37:11,599
experience she said she saw a blue light

912
00:37:15,910 --> 00:37:13,119
in her bedroom

913
00:37:17,349 --> 00:37:15,920

i turned to my wife and

914

00:37:20,790 --> 00:37:17,359

i asked her

915

00:37:22,390 --> 00:37:20,800

because it rang a bell with me

916

00:37:24,390 --> 00:37:22,400

i asked her do you remember seeing a

917

00:37:26,470 --> 00:37:24,400

blue light in the bedroom

918

00:37:28,310 --> 00:37:26,480

she said yes

919

00:37:31,349 --> 00:37:28,320

and

920

00:37:33,109 --> 00:37:31,359

that was it after that i again got

921

00:37:34,550 --> 00:37:33,119

uh

922

00:37:36,870 --> 00:37:34,560

regression

923

00:37:38,550 --> 00:37:36,880

four times

924

00:37:41,829 --> 00:37:38,560

and that's how i was able to come up

925

00:37:44,069 --> 00:37:41,839

with uh what i just told you

926
00:37:46,710 --> 00:37:44,079
thanks for sharing that

927
00:37:49,270 --> 00:37:46,720
you know uh

928
00:37:51,190 --> 00:37:49,280
i feel like um whenever somebody tells a

929
00:37:53,829 --> 00:37:51,200
story uh

930
00:37:56,550 --> 00:37:53,839
or their their experience um

931
00:37:58,790 --> 00:37:56,560
you know this must this is gonna sound

932
00:37:59,670 --> 00:37:58,800
crazy is like part of

933
00:38:02,230 --> 00:37:59,680
every

934
00:38:04,470 --> 00:38:02,240
um

935
00:38:05,990 --> 00:38:04,480
even you know mine which doesn't even

936
00:38:07,829 --> 00:38:06,000
touch uh

937
00:38:09,990 --> 00:38:07,839
you know what you went through but what

938
00:38:12,150 --> 00:38:10,000

what i find interesting is

939

00:38:15,109 --> 00:38:12,160

that it was the light

940

00:38:16,710 --> 00:38:15,119

that you consciously remembered at first

941

00:38:18,390 --> 00:38:16,720

that made you

942

00:38:20,069 --> 00:38:18,400

you know dig a little deeper and i

943

00:38:21,589 --> 00:38:20,079

wonder

944

00:38:23,430 --> 00:38:21,599

you know if

945

00:38:25,349 --> 00:38:23,440

more people

946

00:38:27,190 --> 00:38:25,359

that have just seen the lights and kind

947

00:38:30,390 --> 00:38:27,200

of like shake it off

948

00:38:32,790 --> 00:38:30,400

don't realize the potential impact that

949

00:38:34,790 --> 00:38:32,800

light may have just had you know

950

00:38:36,950 --> 00:38:34,800

or may have had on their life it makes

951
00:38:39,109 --> 00:38:36,960
me kind of want to try the regression

952
00:38:40,630 --> 00:38:39,119
because the lights i saw were very

953
00:38:42,150 --> 00:38:40,640
intense and

954
00:38:44,950 --> 00:38:42,160
you know uh

955
00:38:48,550 --> 00:38:44,960
one was 13 feet away from my face you

956
00:38:50,390 --> 00:38:48,560
know 150 feet above my head and i just

957
00:38:52,710 --> 00:38:50,400
can't figure out what the heck it was

958
00:38:53,670 --> 00:38:52,720
never seen it again don't understand any

959
00:38:55,910 --> 00:38:53,680
of it

960
00:38:57,670 --> 00:38:55,920
um but you know i do wonder if there was

961
00:38:58,710 --> 00:38:57,680
something more behind it

962
00:39:00,550 --> 00:38:58,720
you know

963
00:39:01,910 --> 00:39:00,560

like what you explained but i'm also

964

00:39:03,670 --> 00:39:01,920

afraid of

965

00:39:05,430 --> 00:39:03,680

of the regression stuff you know i'm not

966

00:39:06,630 --> 00:39:05,440

in control i don't know what they're

967

00:39:09,430 --> 00:39:06,640

saying

968

00:39:11,510 --> 00:39:09,440

what's you know what's going on

969

00:39:13,670 --> 00:39:11,520

but and then having to live with those

970

00:39:15,670 --> 00:39:13,680

memories seems um

971

00:39:18,550 --> 00:39:15,680

very complicated

972

00:39:20,630 --> 00:39:18,560

yeah it's um

973

00:39:22,470 --> 00:39:20,640

you know for any anyone who thinks

974

00:39:26,829 --> 00:39:22,480

they've had experience

975

00:39:30,630 --> 00:39:26,839

it's a frightening thing to

976

00:39:32,150 --> 00:39:30,640

um engage with another human being about

977

00:39:34,710 --> 00:39:32,160

it um

978

00:39:36,870 --> 00:39:34,720

well really what you're fearful of is

979

00:39:38,870 --> 00:39:36,880

what you'll find out and

980

00:39:40,550 --> 00:39:38,880

you won't know how to deal with it

981

00:39:42,390 --> 00:39:40,560

um right

982

00:39:43,430 --> 00:39:42,400

that's the scary part

983

00:39:45,670 --> 00:39:43,440

uh

984

00:39:47,109 --> 00:39:45,680

so

985

00:39:50,390 --> 00:39:47,119

yeah well

986

00:39:54,829 --> 00:39:52,390

thanks bud

987

00:39:58,230 --> 00:39:54,839

good luck with that

988

00:40:00,870 --> 00:39:58,240

yeah um well i mean all you can really

989

00:40:03,589 --> 00:40:00,880

do is you know what you've always done

990

00:40:05,750 --> 00:40:03,599

which is which is tell um

991

00:40:07,270 --> 00:40:05,760

tell the experience and

992

00:40:09,589 --> 00:40:07,280

you know let people know that it that

993

00:40:10,950 --> 00:40:09,599

it's real because well every every time

994

00:40:13,030 --> 00:40:10,960

somebody hears it that's had an

995

00:40:15,030 --> 00:40:13,040

experience and maybe hasn't heard anyone

996

00:40:17,829 --> 00:40:15,040

talk about it before that's gonna help

997

00:40:19,589 --> 00:40:17,839

them you know yeah exactly and uh that's

998

00:40:21,109 --> 00:40:19,599

one of the reasons i came forward with

999

00:40:24,309 --> 00:40:21,119

it um

1000

00:40:25,910 --> 00:40:24,319

the other reason is there's so many uh

1001
00:40:27,990 --> 00:40:25,920
people out there that have had

1002
00:40:29,109 --> 00:40:28,000
experiences that

1003
00:40:31,430 --> 00:40:29,119
uh

1004
00:40:32,309 --> 00:40:31,440
the public should know in general that

1005
00:40:35,829 --> 00:40:32,319
uh

1006
00:40:37,750 --> 00:40:35,839
this is a real part of this phenomenon

1007
00:40:41,589 --> 00:40:37,760
the

1008
00:40:44,150 --> 00:40:41,599
here

1009
00:40:46,950 --> 00:40:44,160
they've got some agenda and

1010
00:40:51,109 --> 00:40:46,960
and some of us are part of that agenda

1011
00:40:56,150 --> 00:40:53,510
they've taken people uh

1012
00:41:00,230 --> 00:40:56,160
and uh for whatever reason they've got

1013
00:41:01,990 --> 00:41:00,240

um and uh that's part of the mystery

1014

00:41:03,109 --> 00:41:02,000

must be your genes you must have good

1015

00:41:04,870 --> 00:41:03,119

genes

1016

00:41:06,230 --> 00:41:04,880

or something you know and i'm not

1017

00:41:07,750 --> 00:41:06,240

talking about the denim jeans i'm

1018

00:41:12,230 --> 00:41:07,760

talking about you know

1019

00:41:12,240 --> 00:41:15,589

um

1020

00:41:18,829 --> 00:41:17,829

would you mind giving an opinion on you

1021

00:41:22,630 --> 00:41:18,839

know the

1022

00:41:24,950 --> 00:41:22,640

the the well-known players in in the ufo

1023

00:41:27,510 --> 00:41:24,960

disclosure game these days you know what

1024

00:41:30,950 --> 00:41:27,520

the the hard thing to do is know who to

1025

00:41:33,270 --> 00:41:30,960

trust and and you know who to back and

1026

00:41:35,109 --> 00:41:33,280

and bet on and as i'm sure you're more

1027

00:41:36,630 --> 00:41:35,119

than aware because you've been doing

1028

00:41:38,470 --> 00:41:36,640

this for a while you've seen hucksters

1029

00:41:40,309 --> 00:41:38,480

come and go so

1030

00:41:42,150 --> 00:41:40,319

um you know

1031

00:41:43,910 --> 00:41:42,160

how what do we do

1032

00:41:45,910 --> 00:41:43,920

you know how do we act who do we trust

1033

00:41:48,390 --> 00:41:45,920

dude you know yeah what are we listening

1034

00:41:50,630 --> 00:41:48,400

to i'll speak to that in general i i

1035

00:41:52,950 --> 00:41:50,640

don't want to talk about personalities

1036

00:41:56,550 --> 00:41:52,960

because uh that's fine

1037

00:42:00,309 --> 00:41:59,109

we should all come together and and work

1038

00:42:03,910 --> 00:42:00,319

together

1039

00:42:05,910 --> 00:42:03,920

to get disclosure but in general what

1040

00:42:08,309 --> 00:42:05,920

um

1041

00:42:11,430 --> 00:42:08,319

you know i when i first started

1042

00:42:13,910 --> 00:42:11,440

investigating uh my story and different

1043

00:42:18,390 --> 00:42:13,920

other stories um

1044

00:42:20,550 --> 00:42:18,400

i would kind of you know listen to a

1045

00:42:23,270 --> 00:42:20,560

part of what they were saying uh other

1046

00:42:25,670 --> 00:42:23,280

people maybe other witnesses um

1047

00:42:28,630 --> 00:42:25,680

and if it sounded uh didn't sound right

1048

00:42:30,790 --> 00:42:28,640

to me i'd just forget it and

1049

00:42:31,589 --> 00:42:30,800

you know move on but

1050

00:42:32,950 --> 00:42:31,599

uh

1051

00:42:35,990 --> 00:42:32,960

later on

1052

00:42:39,750 --> 00:42:36,000

uh as as i went along i realized how

1053

00:42:41,750 --> 00:42:39,760

really weird this stuff is and i didn't

1054

00:42:44,550 --> 00:42:41,760

want to

1055

00:42:47,430 --> 00:42:44,560

pooh-pooh any possibility that what they

1056

00:42:49,670 --> 00:42:47,440

might be saying was true so

1057

00:42:53,750 --> 00:42:49,680

i changed my two as far as

1058

00:42:58,950 --> 00:42:56,950

believability i i don't judge i try not

1059

00:43:00,230 --> 00:42:58,960

to judge people

1060

00:43:03,030 --> 00:43:00,240

in the in the sense that if they're

1061

00:43:04,950 --> 00:43:03,040

telling a story about something um

1062

00:43:07,589 --> 00:43:04,960

i'll listen to it and and then make

1063

00:43:09,750 --> 00:43:07,599

judgments on my own

1064

00:43:13,270 --> 00:43:09,760

now as far as individuals go yeah there

1065

00:43:15,030 --> 00:43:13,280

are a lot of what i call kibitzer's out

1066

00:43:18,630 --> 00:43:15,040

there

1067

00:43:20,470 --> 00:43:18,640

by kibitzer i mean someone who

1068

00:43:23,990 --> 00:43:20,480

you know picks up a story here and there

1069

00:43:26,550 --> 00:43:24,000

starts spouting off about it and uh

1070

00:43:30,309 --> 00:43:26,560

making judgments and saying things that

1071

00:43:35,030 --> 00:43:32,630

the way i i judge

1072

00:43:37,670 --> 00:43:35,040

people who are talking about this in the

1073

00:43:38,710 --> 00:43:37,680

so-called ufo community

1074

00:43:39,670 --> 00:43:38,720

is

1075

00:43:46,069 --> 00:43:39,680

if

1076

00:43:49,910 --> 00:43:46,079

back up what they're saying

1077

00:43:51,349 --> 00:43:49,920

and uh what their background is

1078

00:43:53,510 --> 00:43:51,359

um

1079

00:43:56,230 --> 00:43:53,520

sure and this is a complex thing it's

1080

00:43:59,109 --> 00:43:56,240

it's not easy it's a difficult thing

1081

00:44:00,470 --> 00:43:59,119

to try to judge people to see if

1082

00:44:03,589 --> 00:44:00,480

if they're

1083

00:44:05,349 --> 00:44:03,599

bullshitting you or or

1084

00:44:06,790 --> 00:44:05,359

they've got some other agenda the other

1085

00:44:10,790 --> 00:44:06,800

thing that's important for you to

1086

00:44:12,630 --> 00:44:10,800

understand here is there is indeed a ufo

1087

00:44:16,710 --> 00:44:12,640

cabal

1088

00:44:18,630 --> 00:44:16,720

it's an international group of people

1089

00:44:21,750 --> 00:44:18,640

mostly staffed by

1090

00:44:26,550 --> 00:44:24,630

of various agencies

1091

00:44:27,430 --> 00:44:26,560

um

1092

00:44:29,750 --> 00:44:27,440

uh

1093

00:44:32,230 --> 00:44:29,760

i i won't go into how i'm convinced of

1094

00:44:35,430 --> 00:44:32,240

that but i am very convinced that this

1095

00:44:37,589 --> 00:44:35,440

cabal still exists it's still going on

1096

00:44:39,349 --> 00:44:37,599

and they're spreading disinformation and

1097

00:44:44,390 --> 00:44:39,359

they're

1098

00:44:49,829 --> 00:44:46,230

and

1099

00:44:51,349 --> 00:44:49,839

they're trying to let's say

1100

00:44:52,870 --> 00:44:51,359

make mischief

1101

00:44:55,030 --> 00:44:52,880

about the whole thing

1102

00:45:00,390 --> 00:44:55,040

and maybe uh

1103

00:45:05,510 --> 00:45:02,550

pretend to know something that they

1104

00:45:08,550 --> 00:45:05,520

really don't

1105

00:45:10,230 --> 00:45:08,560

well that's fantastic

1106

00:45:11,670 --> 00:45:10,240

probably because they would uh lose

1107

00:45:14,870 --> 00:45:11,680

control and

1108

00:45:17,109 --> 00:45:14,880

whatever power they have i would assume

1109

00:45:18,630 --> 00:45:17,119

yeah that's part of it uh they'll

1110

00:45:20,870 --> 00:45:18,640

they'll do anything to keep these

1111

00:45:22,870 --> 00:45:20,880

secrets uh and

1112

00:45:25,270 --> 00:45:22,880

and that's why congress is gonna have a

1113

00:45:27,030 --> 00:45:25,280

difficult time uh

1114

00:45:29,750 --> 00:45:27,040

uh dealing with

1115

00:45:30,630 --> 00:45:29,760

the intelligence community

1116

00:45:33,030 --> 00:45:30,640

um

1117

00:45:34,870 --> 00:45:33,040

because there there definitely are

1118

00:45:36,790 --> 00:45:34,880

people within the intelligence community

1119

00:45:38,390 --> 00:45:36,800

that will do anything to keep these

1120

00:45:40,470 --> 00:45:38,400

secrets and i mean

1121

00:45:42,630 --> 00:45:40,480

anything

1122

00:45:44,309 --> 00:45:42,640

yeah

1123

00:45:46,470 --> 00:45:44,319

if you're going down that road you could

1124

00:45:47,990 --> 00:45:46,480

you could think of a a lot of things

1125

00:45:50,870 --> 00:45:48,000

that could have happened like james

1126

00:45:54,950 --> 00:45:50,880

mcdonald and and others

1127

00:45:57,349 --> 00:45:54,960

um so i'm glad you brought that up yeah

1128

00:45:59,750 --> 00:45:57,359

uh james mcdonald

1129

00:46:02,230 --> 00:45:59,760

was found under a bridge

1130

00:46:03,109 --> 00:46:02,240

with a bullet in his head

1131

00:46:06,550 --> 00:46:03,119

uh

1132

00:46:09,030 --> 00:46:07,750

problems with

1133

00:46:11,190 --> 00:46:09,040

his marriage

1134

00:46:12,710 --> 00:46:11,200

as a result of his activities by the way

1135

00:46:16,150 --> 00:46:12,720

on

1136

00:46:17,270 --> 00:46:16,160

investigating ufo cases um

1137

00:46:19,670 --> 00:46:17,280

uh

1138

00:46:21,990 --> 00:46:19,680

capitalia had just been embarrassed in

1139

00:46:23,270 --> 00:46:22,000

front of congress basically yeah

1140

00:46:26,309 --> 00:46:23,280

yeah

1141

00:46:29,190 --> 00:46:27,510

and uh

1142

00:46:30,870 --> 00:46:29,200

well there's a lot more detail i can go

1143

00:46:31,910 --> 00:46:30,880

into but i think some of it's personal

1144

00:46:34,150 --> 00:46:31,920

but

1145

00:46:36,230 --> 00:46:34,160

uh there's a question

1146

00:46:37,670 --> 00:46:36,240

uh on whether or not he was

1147

00:46:41,349 --> 00:46:37,680

murdered or

1148

00:46:46,390 --> 00:46:43,190

do you uh

1149

00:46:48,790 --> 00:46:46,400

think you have an answer to that

1150

00:46:50,430 --> 00:46:48,800

do i have an answer to that no

1151

00:46:51,670 --> 00:46:50,440

no i don't oh um

1152

00:46:54,150 --> 00:46:51,680

[Music]

1153

00:46:56,950 --> 00:46:54,160

yeah i don't have an answer to that

1154

00:46:57,910 --> 00:46:56,960

uh there's a good book called firestorm

1155

00:46:59,349 --> 00:46:57,920

right

1156

00:47:02,550 --> 00:46:59,359

have you read that

1157

00:47:04,230 --> 00:47:02,560

not yet nope uh but i've i've looked

1158

00:47:06,790 --> 00:47:04,240

into him a lot i know that was

1159

00:47:09,190 --> 00:47:06,800

apparently the the second attempt

1160

00:47:10,630 --> 00:47:09,200

uh at suicide

1161

00:47:11,910 --> 00:47:10,640

that he had

1162

00:47:13,270 --> 00:47:11,920

yeah

1163

00:47:15,430 --> 00:47:13,280

so

1164

00:47:17,190 --> 00:47:15,440

that's a story everyone should look into

1165

00:47:19,670 --> 00:47:17,200

is he's definitely

1166

00:47:20,790 --> 00:47:19,680

um from from what i've read and learned

1167

00:47:22,069 --> 00:47:20,800

about him

1168

00:47:24,549 --> 00:47:22,079

you know

1169

00:47:25,670 --> 00:47:24,559

he he was one of the leading scientific

1170

00:47:27,829 --> 00:47:25,680

uh

1171

00:47:29,589 --> 00:47:27,839

was the leading scientific investigator

1172

00:47:33,510 --> 00:47:29,599

with ufos who

1173

00:47:35,670 --> 00:47:33,520

um did not uh skip anything and and

1174

00:47:38,309 --> 00:47:35,680

actually did the science

1175

00:47:41,430 --> 00:47:38,319

well he's the one that walked into allen

1176

00:47:43,990 --> 00:47:41,440

heineck's office one day

1177

00:47:46,150 --> 00:47:44,000

and kicked his ass and told him to get

1178

00:47:49,030 --> 00:47:46,160

on board and do his research and he'd

1179

00:47:50,829 --> 00:47:49,040

realize that this was a real thing

1180

00:47:53,589 --> 00:47:50,839

and uh interesting

1181

00:47:55,430 --> 00:47:53,599

yeah uh and uh

1182

00:47:56,710 --> 00:47:55,440

and then after that hynek kind of

1183

00:47:59,990 --> 00:47:56,720

changed his mind

1184

00:48:03,670 --> 00:48:02,390

before that he was part of the air force

1185

00:48:06,950 --> 00:48:03,680

cover-up

1186

00:48:07,910 --> 00:48:06,960

was that around the mid-60s by chance

1187

00:48:09,589 --> 00:48:07,920

oh

1188

00:48:12,069 --> 00:48:09,599

because you can tell reading those blue

1189

00:48:14,069 --> 00:48:12,079

book files heineken has changed his tune

1190

00:48:15,829 --> 00:48:14,079

and all all of a sudden he's going more

1191

00:48:16,950 --> 00:48:15,839

towards unidentified for a lot more

1192

00:48:17,910 --> 00:48:16,960

cases

1193

00:48:19,990 --> 00:48:17,920

and

1194

00:48:22,309 --> 00:48:20,000

then manziel is starting to get involved

1195

00:48:24,950 --> 00:48:22,319

and get in quintilla's ear and you know

1196

00:48:27,270 --> 00:48:24,960

give him the prosaic bull crap so yeah

1197

00:48:29,430 --> 00:48:27,280

that makes a lot of sense

1198

00:48:31,829 --> 00:48:29,440

um do you mind taking a couple questions

1199

00:48:32,829 --> 00:48:31,839

before we get out of here from the

1200

00:48:37,270 --> 00:48:32,839

audience

1201

00:48:39,589 --> 00:48:37,280

okay um we got one here

1202

00:48:42,470 --> 00:48:39,599

if you had five minutes to ask and

1203

00:48:44,870 --> 00:48:42,480

receive questions as a congressman last

1204

00:48:46,549 --> 00:48:44,880

tuesday week

1205

00:48:48,549 --> 00:48:46,559

uh what

1206

00:48:53,190 --> 00:48:48,559

would he have asked either of the

1207

00:48:55,270 --> 00:48:54,069

uh

1208

00:48:59,190 --> 00:48:55,280

do you think

1209

00:49:01,589 --> 00:48:59,200

there was a crash retrieval at roswell

1210

00:49:04,549 --> 00:49:01,599

in july

1211

00:49:07,990 --> 00:49:04,559

3rd 1947.

1212

00:49:12,900 --> 00:49:10,230

have you looked into that

1213

00:49:14,829 --> 00:49:12,910

that's one question i'd ask

1214

00:49:16,950 --> 00:49:14,839

[Music]

1215

00:49:18,230 --> 00:49:16,960

um i mean the

1216

00:49:20,549 --> 00:49:18,240

the other question of course would be

1217

00:49:24,710 --> 00:49:20,559

what i know most about is the

1218

00:49:32,069 --> 00:49:28,470

and so they revolve around that

1219

00:49:33,910 --> 00:49:32,079

speaking of um

1220

00:49:36,309 --> 00:49:33,920

we've got a question here can you talk a

1221

00:49:38,549 --> 00:49:36,319

little bit about how the nukes are

1222

00:49:43,190 --> 00:49:38,559

shielded from emps

1223

00:49:47,670 --> 00:49:44,710

um well

1224

00:49:49,109 --> 00:49:47,680

as far as the um

1225

00:49:50,710 --> 00:49:49,119

uh

1226

00:49:53,829 --> 00:49:50,720

the missiles

1227

00:49:57,109 --> 00:49:53,839

had these large were connected to the

1228

00:49:58,790 --> 00:49:57,119

launch control center with very large uh

1229

00:50:00,710 --> 00:49:58,800

cables

1230

00:50:02,069 --> 00:50:00,720

about this large and they were triply

1231

00:50:04,390 --> 00:50:02,079

shielded

1232

00:50:07,270 --> 00:50:04,400

from an electromagnetic interference

1233

00:50:10,230 --> 00:50:07,280

electromagnetic interference they had

1234

00:50:11,349 --> 00:50:10,240

of course sheathing of various kinds

1235

00:50:13,270 --> 00:50:11,359

around it

1236

00:50:15,589 --> 00:50:13,280

there's also

1237

00:50:17,430 --> 00:50:15,599

some kind of a gas i forget what it was

1238

00:50:19,829 --> 00:50:17,440

nitrogen some

1239

00:50:23,349 --> 00:50:19,839

gas in there that would

1240

00:50:29,190 --> 00:50:23,359

help to shield from emi

1241

00:50:32,950 --> 00:50:30,870

you know it depends on the strength of

1242

00:50:34,309 --> 00:50:32,960

the emp

1243

00:50:36,150 --> 00:50:34,319

i know

1244

00:50:37,190 --> 00:50:36,160

nuclear

1245

00:50:39,510 --> 00:50:37,200

weapons

1246

00:50:44,150 --> 00:50:39,520

nuclear explosions

1247

00:50:46,950 --> 00:50:44,160

give out a magnet electromagnetic pulse

1248

00:50:50,150 --> 00:50:46,960

and supposedly we had we did have

1249

00:50:53,390 --> 00:50:50,160

systems that would supposedly protect

1250

00:50:56,150 --> 00:50:53,400

the missile systems from

1251
00:50:56,950 --> 00:50:56,160
electromagnetic pulse but those details

1252
00:51:01,270 --> 00:50:56,960
are

1253
00:51:07,270 --> 00:51:03,109
i don't think i think they only work for

1254
00:51:09,349 --> 00:51:07,280
human uh technology as well apparently

1255
00:51:11,510 --> 00:51:09,359
um

1256
00:51:13,910 --> 00:51:11,520
kind of from the

1257
00:51:17,030 --> 00:51:13,920
non-nutsable side do you believe there

1258
00:51:19,030 --> 00:51:17,040
is a hybrid program being conducted

1259
00:51:20,390 --> 00:51:19,040
yes

1260
00:51:22,870 --> 00:51:20,400
because

1261
00:51:23,910 --> 00:51:22,880
you mean by the extraterrestrial correct

1262
00:51:26,390 --> 00:51:23,920
yes

1263
00:51:27,510 --> 00:51:26,400

yeah no no question about it uh there

1264

00:51:30,790 --> 00:51:27,520

have been

1265

00:51:34,870 --> 00:51:32,870

uh that have seen

1266

00:51:37,190 --> 00:51:34,880

um

1267

00:51:40,069 --> 00:51:37,200

so-called hybrid babies that were

1268

00:51:42,150 --> 00:51:40,079

presented to them as uh as their own

1269

00:51:45,190 --> 00:51:42,160

child

1270

00:51:46,390 --> 00:51:45,200

during these abduction experiences

1271

00:51:48,710 --> 00:51:46,400

it's hard

1272

00:51:50,950 --> 00:51:48,720

not to believe that

1273

00:51:52,570 --> 00:51:50,960

they are producing hybrids

1274

00:51:53,990 --> 00:51:52,580

right and for what reason

1275

00:51:55,589 --> 00:51:54,000

[Music]

1276

00:51:59,510 --> 00:51:55,599

uh

1277

00:52:02,069 --> 00:52:01,109

yeah and

1278

00:52:06,309 --> 00:52:02,079

it's

1279

00:52:08,870 --> 00:52:06,319

me too like if um you know abductions

1280

00:52:12,150 --> 00:52:08,880

are a real thing we know that happens

1281

00:52:13,670 --> 00:52:12,160

so you kind of just got to take it all

1282

00:52:16,150 --> 00:52:13,680

you know you can't

1283

00:52:18,230 --> 00:52:16,160

you can't start to begin parsing what

1284

00:52:19,109 --> 00:52:18,240

you want to believe and not believe i

1285

00:52:19,910 --> 00:52:19,119

guess

1286

00:52:20,630 --> 00:52:19,920

so

1287

00:52:21,670 --> 00:52:20,640

but

1288

00:52:26,069 --> 00:52:21,680

yeah

1289

00:52:28,309 --> 00:52:26,079

they're taking sperm they're taking eggs

1290

00:52:31,430 --> 00:52:28,319

from women um

1291

00:52:34,470 --> 00:52:31,440

what do they need those for

1292

00:52:36,230 --> 00:52:34,480

i wonder sometimes if those uh the the

1293

00:52:38,069 --> 00:52:36,240

awesome documents you know those were

1294

00:52:41,510 --> 00:52:38,079

out for a while but then it hit the news

1295

00:52:43,510 --> 00:52:41,520

like the the health effects that that

1296

00:52:45,349 --> 00:52:43,520

these would have on on humans when they

1297

00:52:49,510 --> 00:52:45,359

had a close encounter and

1298

00:52:51,109 --> 00:52:49,520

and uh you know and pregnancies that

1299

00:52:53,109 --> 00:52:51,119

surprise pregnancies or whatever

1300

00:52:55,030 --> 00:52:53,119

sometimes i wonder if that was just like

1301
00:52:57,750 --> 00:52:55,040
a test to see

1302
00:52:59,109 --> 00:52:57,760
you know if they tell people the damn

1303
00:53:01,589 --> 00:52:59,119
truth

1304
00:53:02,950 --> 00:53:01,599
flat out how would it go

1305
00:53:04,390 --> 00:53:02,960
you know

1306
00:53:06,069 --> 00:53:04,400
and it'll probably take a lot more

1307
00:53:07,750 --> 00:53:06,079
convincing i guess is what we would

1308
00:53:10,069 --> 00:53:07,760
learn but

1309
00:53:13,990 --> 00:53:12,309
what would be most advantageous to ask

1310
00:53:17,510 --> 00:53:14,000
mr salas if he was called on for a

1311
00:53:20,150 --> 00:53:19,109
i'm sorry

1312
00:53:21,190 --> 00:53:20,160
um

1313
00:53:23,109 --> 00:53:21,200

this is

1314

00:53:25,829 --> 00:53:23,119

yeah what would be

1315

00:53:28,710 --> 00:53:25,839

the best question to ask you if you were

1316

00:53:31,030 --> 00:53:28,720

called on for a future hearing it's hard

1317

00:53:34,230 --> 00:53:31,040

to pick one probably but

1318

00:53:35,190 --> 00:53:34,240

well again my expertise is based on my

1319

00:53:37,510 --> 00:53:35,200

own

1320

00:53:39,190 --> 00:53:37,520

testimony so

1321

00:53:42,230 --> 00:53:39,200

i would like to

1322

00:53:43,670 --> 00:53:42,240

get the question um

1323

00:53:45,829 --> 00:53:43,680

mr solis

1324

00:53:47,910 --> 00:53:45,839

uh

1325

00:53:50,390 --> 00:53:47,920

can you

1326

00:53:53,030 --> 00:53:50,400

tell us about your incident and other

1327

00:53:56,150 --> 00:53:53,040

related incidents having to do with ufos

1328

00:53:59,670 --> 00:53:56,160

over nuclear weapons facilities

1329

00:54:03,190 --> 00:53:59,680

and i could go on for hours

1330

00:54:05,430 --> 00:54:03,200

lucky this show was only one hour but

1331

00:54:07,510 --> 00:54:05,440

um with with that

1332

00:54:09,349 --> 00:54:07,520

we got about you know a couple minutes

1333

00:54:11,349 --> 00:54:09,359

left or whatever but

1334

00:54:14,069 --> 00:54:11,359

is there anything that you would like to

1335

00:54:16,150 --> 00:54:14,079

say maybe i didn't ask or you would want

1336

00:54:18,309 --> 00:54:16,160

the audience to know or think about or

1337

00:54:21,670 --> 00:54:18,319

whatever it's completely up to you

1338

00:54:23,829 --> 00:54:21,680

well i think we've reached a point

1339

00:54:25,670 --> 00:54:23,839

of no return with the congress and the

1340

00:54:28,150 --> 00:54:25,680

subject of uaps

1341

00:54:29,430 --> 00:54:28,160

they're going to have to address my

1342

00:54:31,190 --> 00:54:29,440

incident they're going to have to

1343

00:54:33,430 --> 00:54:31,200

address

1344

00:54:35,030 --> 00:54:33,440

this big question about national

1345

00:54:36,829 --> 00:54:35,040

security

1346

00:54:39,190 --> 00:54:36,839

impact

1347

00:54:40,309 --> 00:54:39,200

uh and

1348

00:54:42,230 --> 00:54:40,319

you know

1349

00:54:44,230 --> 00:54:42,240

once we get and they're gonna have to

1350

00:54:44,950 --> 00:54:44,240

have open hearings i think because there

1351
00:54:48,230 --> 00:54:44,960
are

1352
00:54:50,870 --> 00:54:48,240
too many people clamoring for open

1353
00:54:52,630 --> 00:54:50,880
hearings with real witnesses

1354
00:54:53,910 --> 00:54:52,640
not those talking heads i was telling

1355
00:54:57,510 --> 00:54:53,920
you about the

1356
00:54:59,750 --> 00:54:57,520
kibbutz uh but real witnesses

1357
00:55:02,230 --> 00:54:59,760
and once they get that testimony going

1358
00:55:04,230 --> 00:55:02,240
it's going to break over and break open

1359
00:55:07,109 --> 00:55:04,240
the floodgates of people that have been

1360
00:55:09,190 --> 00:55:07,119
holding back uh

1361
00:55:12,069 --> 00:55:09,200
either because they don't want to

1362
00:55:13,030 --> 00:55:12,079
be ridiculed about what they would say

1363
00:55:19,270 --> 00:55:13,040

or

1364

00:55:20,549 --> 00:55:19,280

being held down by so

1365

00:55:21,510 --> 00:55:20,559

um

1366

00:55:22,870 --> 00:55:21,520

that's

1367

00:55:25,190 --> 00:55:22,880

and i think we're

1368

00:55:27,589 --> 00:55:25,200

i feel good about the fact that we're on

1369

00:55:30,150 --> 00:55:27,599

that road we're on that road to having

1370

00:55:31,589 --> 00:55:30,160

open hearings and

1371

00:55:33,670 --> 00:55:31,599

and uh

1372

00:55:36,230 --> 00:55:33,680

there will be much more to come i'm

1373

00:55:38,630 --> 00:55:36,240

convinced

1374

00:55:40,069 --> 00:55:38,640

well that's that's good to hear and i'm

1375

00:55:42,870 --> 00:55:40,079

going to give some more calls to make

1376

00:55:44,150 --> 00:55:42,880

sure they call your ass

1377

00:55:47,109 --> 00:55:44,160

because

1378

00:55:48,549 --> 00:55:47,119

you know it's been long enough i think

1379

00:55:50,789 --> 00:55:48,559

you know they need to do their due

1380

00:55:52,069 --> 00:55:50,799

diligence and give you a call and you

1381

00:55:54,150 --> 00:55:52,079

should be

1382

00:55:56,789 --> 00:55:54,160

you know on the stand at a public

1383

00:55:58,710 --> 00:55:56,799

hearing i think um i would back that 100

1384

00:56:00,710 --> 00:55:58,720

percent i'll even pay for the flight if

1385

00:56:03,109 --> 00:56:00,720

i have to you know

1386

00:56:05,190 --> 00:56:03,119

you said you'd pay for it but i would do

1387

00:56:06,789 --> 00:56:05,200

i would

1388

00:56:09,270 --> 00:56:06,799

well you know whoever you want to take

1389

00:56:12,710 --> 00:56:11,109

um

1390

00:56:15,030 --> 00:56:12,720

you know uh as

1391

00:56:17,589 --> 00:56:15,040

i guess we got still a little time left

1392

00:56:19,270 --> 00:56:17,599

i'll you okay with one more question oh

1393

00:56:20,470 --> 00:56:19,280

sure yeah okay

1394

00:56:25,910 --> 00:56:20,480

um

1395

00:56:28,710 --> 00:56:25,920

maybe new experiences

1396

00:56:30,710 --> 00:56:28,720

new experiences that are just you know

1397

00:56:33,990 --> 00:56:30,720

looking out for

1398

00:56:35,829 --> 00:56:34,000

for for answers in in you know

1399

00:56:36,710 --> 00:56:35,839

in a world that's not really full of

1400

00:56:38,789 --> 00:56:36,720

them

1401
00:56:42,230 --> 00:56:38,799
so keep a journal

1402
00:56:43,510 --> 00:56:42,240
uh if you're a new experiencer

1403
00:56:44,950 --> 00:56:43,520
um

1404
00:56:47,829 --> 00:56:44,960
it probably

1405
00:56:51,510 --> 00:56:47,839
was not the first time uh whatever you

1406
00:56:53,670 --> 00:56:51,520
recall and it may not be the last um

1407
00:56:55,109 --> 00:56:53,680
keep a journal of your dreams

1408
00:57:02,390 --> 00:56:55,119
uh

1409
00:57:08,230 --> 00:57:04,309
so yeah

1410
00:57:10,150 --> 00:57:08,240
and and join other group

1411
00:57:11,670 --> 00:57:10,160
you know like cerro

1412
00:57:13,270 --> 00:57:11,680
group

1413
00:57:15,030 --> 00:57:13,280

which deals with

1414

00:57:15,990 --> 00:57:15,040

abductees

1415

00:57:17,670 --> 00:57:16,000

uh

1416

00:57:20,390 --> 00:57:17,680

and you can

1417

00:57:21,750 --> 00:57:20,400

go to these uh you know private private

1418

00:57:23,240 --> 00:57:21,760

groups

1419

00:57:25,430 --> 00:57:23,250

uh and share information

1420

00:57:27,990 --> 00:57:25,440

[Music]

1421

00:57:30,230 --> 00:57:28,000

so that's that's my advice

1422

00:57:31,990 --> 00:57:30,240

no i like it i'm gonna

1423

00:57:33,910 --> 00:57:32,000

start doing that now

1424

00:57:37,750 --> 00:57:33,920

because yeah i've definitely had you

1425

00:57:39,589 --> 00:57:37,760

know at least maybe two dreams um

1426

00:57:42,950 --> 00:57:39,599

in my life that were definitely not

1427

00:57:45,589 --> 00:57:42,960

normal and that i can remember perfectly

1428

00:57:48,710 --> 00:57:45,599

that yeah at some point see what happens

1429

00:57:50,069 --> 00:57:48,720

is during these experiences i think

1430

00:57:52,230 --> 00:57:50,079

these beings

1431

00:57:54,950 --> 00:57:52,240

intentionally

1432

00:57:57,109 --> 00:57:54,960

suppress your memories in some way

1433

00:57:58,789 --> 00:57:57,119

yeah and um

1434

00:58:01,349 --> 00:57:58,799

they don't want you to remember for some

1435

00:58:02,870 --> 00:58:01,359

particular reason but at some point uh

1436

00:58:05,430 --> 00:58:02,880

other experiences were told at some

1437

00:58:06,829 --> 00:58:05,440

point you will remember

1438

00:58:09,589 --> 00:58:06,839

and so

1439

00:58:11,829 --> 00:58:09,599

um these might come in the form of

1440

00:58:13,430 --> 00:58:11,839

dreams or other

1441

00:58:14,710 --> 00:58:13,440

other things that happen

1442

00:58:17,430 --> 00:58:14,720

to you

1443

00:58:25,589 --> 00:58:20,710

do you suggest hypnosis

1444

00:58:44,309 --> 00:58:26,470

i

1445

00:58:48,630 --> 00:58:44,319

well

1446

00:58:50,870 --> 00:58:48,640

uh hypnosis is just deep relaxation

1447

00:58:53,270 --> 00:58:50,880

uh to the point where you're focused on

1448

00:58:55,670 --> 00:58:53,280

someone else's voice

1449

00:58:59,589 --> 00:58:58,230

but relaxation works very well also you

1450

00:59:01,990 --> 00:58:59,599

don't have to go

1451
00:59:04,069 --> 00:59:02,000
into a deep hypnosis to

1452
00:59:06,789 --> 00:59:04,079
start recall

1453
00:59:09,430 --> 00:59:06,799
um and so that session i had with jacobs

1454
00:59:12,470 --> 00:59:09,440
worked very well i was able to remember

1455
00:59:14,710 --> 00:59:12,480
some particular details

1456
00:59:16,150 --> 00:59:14,720
oh okay

1457
00:59:18,069 --> 00:59:16,160
good stuff

1458
00:59:20,390 --> 00:59:18,079
well hey i really appreciate you doing

1459
00:59:23,030 --> 00:59:20,400
this and taking the time there's

1460
00:59:24,789 --> 00:59:23,040
you know other things you could be doing

1461
00:59:26,789 --> 00:59:24,799
and so i'm just really grateful for you

1462
00:59:28,950 --> 00:59:26,799
doing this i look up to you everybody in

1463
00:59:30,230 --> 00:59:28,960

the chat is you're really like and looks

1464

00:59:31,589 --> 00:59:30,240

up to you so

1465

00:59:33,510 --> 00:59:31,599

um

1466

00:59:34,789 --> 00:59:33,520

i i thank you and if there's anything i

1467

00:59:37,589 --> 00:59:34,799

can do i don't know what that would ever

1468

00:59:38,470 --> 00:59:37,599

be but you know i'm here to do it so

1469

00:59:39,910 --> 00:59:38,480

well

1470

00:59:42,390 --> 00:59:39,920

anybody who's listening just keep

1471

00:59:45,670 --> 00:59:42,400

writing letters to your congressman uh i

1472

00:59:47,910 --> 00:59:45,680

mean real letters those kinds you write

1473

00:59:50,470 --> 00:59:47,920

send in the mail

1474

00:59:54,230 --> 00:59:50,480

yeah they i think they look at those

1475

00:59:55,190 --> 00:59:54,240

more than they do uh tweets or

1476
00:59:56,549 --> 00:59:55,200
you know

1477
00:59:57,349 --> 00:59:56,559
messages

1478
00:59:59,430 --> 00:59:57,359
yeah

1479
01:00:01,510 --> 00:59:59,440
and uh

1480
01:00:03,589 --> 01:00:01,520
let's all stick together and get this

1481
01:00:06,230 --> 01:00:03,599
done get open hearings

1482
01:00:09,030 --> 01:00:06,240
that'll break everything open

1483
01:00:12,309 --> 01:00:09,040
all right i'm into it and i'll do it

1484
01:00:15,349 --> 01:00:12,319
you're my boss so hey guys thanks

1485
01:00:17,589 --> 01:00:15,359
all right take care thank you you too

1486
01:00:21,589 --> 01:00:17,599
all right

1487
01:00:24,069 --> 01:00:21,599
i had a wonderful time talking to mr

1488
01:00:26,630 --> 01:00:24,079

salas and uh so grateful for him

1489

01:00:29,030 --> 01:00:26,640

donating his time uh to this show to be

1490

01:00:31,349 --> 01:00:29,040

with us and to take some questions and

1491

01:00:33,349 --> 01:00:31,359

and talk to us about his experiences at

1492

01:00:34,470 --> 01:00:33,359

malmstrom and his personal experiences

1493

01:00:36,309 --> 01:00:34,480

of

1494

01:00:38,390 --> 01:00:36,319

abduction so

1495

01:00:40,710 --> 01:00:38,400

just really grateful for him to take the

1496

01:00:43,030 --> 01:00:40,720

time and do that with us especially you

1497

01:00:44,470 --> 01:00:43,040

know me being uh newer

1498

01:00:46,230 --> 01:00:44,480

to this and

1499

01:00:48,309 --> 01:00:46,240

you know being a bit confused myself and

1500

01:00:51,109 --> 01:00:48,319

i'm sure you guys are too so

1501

01:00:53,910 --> 01:00:51,119

um really appreciating

1502

01:00:55,589 --> 01:00:53,920

his uh time he's got a very uh calming

1503

01:00:58,150 --> 01:00:55,599

attitude about it and it's it's very

1504

01:01:00,390 --> 01:00:58,160

nice to hear and talk to him about it so

1505

01:01:03,030 --> 01:01:00,400

really appreciate it hope you all have a

1506

01:01:05,109 --> 01:01:03,040

great rest of the night

1507

01:01:07,670 --> 01:01:05,119

i appreciate your time

1508

01:01:11,430 --> 01:01:07,680

um i'll be back soon we'll talk we'll

1509

01:01:12,230 --> 01:01:11,440

hang out we'll laugh and all that stuff

1510

01:01:14,390 --> 01:01:12,240

so

1511

01:01:15,670 --> 01:01:14,400

make sure you like the video subscribe

1512

01:01:17,670 --> 01:01:15,680

if you hadn't

1513

01:01:19,030 --> 01:01:17,680

and share it with friends all that kind

1514

01:01:21,109 --> 01:01:19,040

of fun stuff

1515

01:01:23,670 --> 01:01:21,119

that really helps the the video get more

1516

01:01:24,870 --> 01:01:23,680

views and and all that kind of stuff

1517

01:01:27,750 --> 01:01:24,880

so

1518

01:01:30,710 --> 01:01:27,760

whatever you can do there it's fantastic

1519

01:01:32,549 --> 01:01:30,720

and yeah appreciate your time

1520

01:01:36,390 --> 01:01:32,559

have a great evening

1521

01:01:41,750 --> 01:01:39,150

good morning my name is robert salas

1522

01:01:43,670 --> 01:01:41,760

[Music]

1523

01:01:46,470 --> 01:01:43,680

robert salas

1524
