Jay Christopher King

1
00:00:32,069 --> 00:00:29,109

[Music]

2
00:00:34,389 --> 00:00:33,190
we're gonna have a pretty cool show

3
00:00:36,950 --> 00:00:34,399
today

4
00:00:39,350 --> 00:00:36,960
why not because of me

5
00:00:41,750 --> 00:00:39,360
never because of me

6
00:00:43,590 --> 00:00:41,760
it's always because of the guests

7
00:00:45,190 --> 00:00:43,600
in this instance

8
00:00:46,709 --> 00:00:45,200
it's fantastic

9
00:00:48,630 --> 00:00:46,719
yes

10
00:00:52,069 --> 00:00:48,640
no it's not eric

11
00:00:54,470 --> 00:00:52,079
davis or admiral tom wilson but it is

12
00:00:56,310 --> 00:00:54,480
j christopher king

13
00:00:58,389 --> 00:00:56,320

how are you sir

14

00:00:59,990 --> 00:00:58,399

how's it going man it's great to see you

15

00:01:00,950 --> 00:01:00,000

good to see you

16

00:01:03,029 --> 00:01:00,960

yeah

17

00:01:05,109 --> 00:01:03,039

i'm looking forward to

18

00:01:07,510 --> 00:01:05,119

talking to some shops some admiral

19

00:01:09,270 --> 00:01:07,520

wilson eric davis notes

20

00:01:11,429 --> 00:01:09,280

you know fly fly

21

00:01:13,830 --> 00:01:11,439

uh on the

22

00:01:15,030 --> 00:01:13,840

back windshield of a car

23

00:01:17,270 --> 00:01:15,040

absolutely

24

00:01:19,109 --> 00:01:17,280

the parking lot

25

00:01:21,670 --> 00:01:19,119

yeah i'm looking forward to it i thought

26

00:01:24,070 --> 00:01:21,680

that was a fun idea for for a show

27

00:01:26,710 --> 00:01:24,080

why not well happy wednesday man

28

00:01:28,070 --> 00:01:26,720

yeah happy wednesday night wednesday

29

00:01:29,990 --> 00:01:28,080

early evening

30

00:01:31,749 --> 00:01:30,000

so to speak so but

31

00:01:34,550 --> 00:01:31,759

oh somebody's honking they know what

32

00:01:36,310 --> 00:01:34,560

we're doing they're excited oh yeah yep

33

00:01:38,390 --> 00:01:36,320

that's that's the government

34

00:01:40,630 --> 00:01:38,400

that's the government hey you better not

35

00:01:42,230 --> 00:01:40,640

do that dramatic reading

36

00:01:43,270 --> 00:01:42,240

that's right

37

00:01:45,910 --> 00:01:43,280

because that's what's really going to

38

00:01:49,510 --> 00:01:45,920

sell these docs to the public

39

00:01:52,389 --> 00:01:49,520

well i wasn't so sure but then

40

00:01:54,550 --> 00:01:52,399

yeah then we knew yeah yeah

41

00:01:57,510 --> 00:01:54,560

i'll just i'll look in my wi-fi list for

42

00:01:59,429 --> 00:01:57,520

fba fbi van number one or whatever you

43

00:02:03,910 --> 00:01:59,439

know those those kinds of situations

44

00:02:06,310 --> 00:02:03,920

anyway followed by wd ewd espionage yeah

45

00:02:11,110 --> 00:02:09,029

for those of you um

46

00:02:13,190 --> 00:02:11,120

that you know what's up to the crowd

47

00:02:15,670 --> 00:02:13,200

first of all uh

48

00:02:18,790 --> 00:02:15,680

you know i love the chatters uh the

49

00:02:21,270 --> 00:02:18,800

famine here andres lara katie

50

00:02:23,350 --> 00:02:21,280

uh i see that says she only came for the

51
00:02:26,150 --> 00:02:23,360
dramatic reading

52
00:02:28,550 --> 00:02:26,160
well she's gonna put her

53
00:02:29,990 --> 00:02:28,560
her mouth where money is or money where

54
00:02:31,910 --> 00:02:30,000
her mouth is

55
00:02:34,150 --> 00:02:31,920
yeah yeah oh is this a super chat

56
00:02:36,630 --> 00:02:34,160
situation that's right she said she'd do

57
00:02:38,390 --> 00:02:36,640
five bucks that's right yeah then uh

58
00:02:40,229 --> 00:02:38,400
then we'll do it we've never been we've

59
00:02:41,990 --> 00:02:40,239
never been um

60
00:02:44,710 --> 00:02:42,000
you know we've never

61
00:02:47,270 --> 00:02:44,720
kind of danned to the super chat crowd

62
00:02:49,430 --> 00:02:47,280
uh a whole lot even though we've never

63
00:02:51,350 --> 00:02:49,440

discouraged it either you know

64

00:02:53,670 --> 00:02:51,360

right i think part of it is just that a

65

00:02:55,990 --> 00:02:53,680

lot of people online there get pretty

66

00:02:57,190 --> 00:02:56,000

angry about super chats and whatnot so

67

00:02:59,430 --> 00:02:57,200

yeah

68

00:03:01,030 --> 00:02:59,440

but right but if katie wants you know if

69

00:03:02,869 --> 00:03:01,040

she wants her dramatic reading you know

70

00:03:06,149 --> 00:03:02,879

five bucks is five bucks

71

00:03:07,910 --> 00:03:06,159

and you know 250 that'll buy me a very

72

00:03:10,309 --> 00:03:07,920

small coffee at the deli around the

73

00:03:12,309 --> 00:03:10,319

corner so you know well we'll have to

74

00:03:14,630 --> 00:03:12,319

work out the percentages but

75

00:03:16,470 --> 00:03:14,640

that's a good point

76
00:03:20,229 --> 00:03:16,480
i'm just being assertive i'm a dealmaker

77
00:03:21,910 --> 00:03:20,239
what can i say it's the sport code

78
00:03:23,230 --> 00:03:21,920
all right

79
00:03:27,030 --> 00:03:23,240
listen here rash

80
00:03:29,509 --> 00:03:27,040
[Laughter]

81
00:03:32,309 --> 00:03:29,519
so all right

82
00:03:34,949 --> 00:03:32,319
all right get it together all right so

83
00:03:36,710 --> 00:03:34,959
uh we had the hearings um

84
00:03:38,149 --> 00:03:36,720
not too long we haven't heard we had

85
00:03:39,670 --> 00:03:38,159
congressional hearings

86
00:03:42,149 --> 00:03:39,680
and uh

87
00:03:44,070 --> 00:03:42,159
there was a there was a gentleman from

88
00:03:45,670 --> 00:03:44,080

green bay with scots in my state which

89

00:03:48,869 --> 00:03:45,680

is just this week is all about him

90

00:03:51,750 --> 00:03:48,879

apparently because we did uh oh okay

91

00:03:52,789 --> 00:03:51,760

we got bugs uh because we did

92

00:04:01,429 --> 00:03:52,799

uh

93

00:04:04,309 --> 00:04:01,439

robert salas yesterday and today

94

00:04:07,030 --> 00:04:04,319

um we're covering the other part of uh

95

00:04:08,789 --> 00:04:07,040

mr gallagher's um part of those hearings

96

00:04:11,990 --> 00:04:08,799

which was entering the

97

00:04:15,030 --> 00:04:12,000

uh admiral wilson and eric davis notes

98

00:04:16,949 --> 00:04:15,040

into the record um he asked about them

99

00:04:18,550 --> 00:04:16,959

that the moultrie gray

100

00:04:20,629 --> 00:04:18,560

had no idea what are they going to say

101
00:04:22,870 --> 00:04:20,639
anyways yeah i've heard of those and i

102
00:04:24,710 --> 00:04:22,880
believe them you know they're not

103
00:04:28,310 --> 00:04:24,720
probably wasn't expecting that but they

104
00:04:29,110 --> 00:04:28,320
got into the record mr carson allowed it

105
00:04:31,110 --> 00:04:29,120
so

106
00:04:34,629 --> 00:04:31,120
um pretty cool pretty cool stuff it's in

107
00:04:35,990 --> 00:04:34,639
there so exactly what that means i'm not

108
00:04:37,749 --> 00:04:36,000
really sure hopefully it means they at

109
00:04:40,070 --> 00:04:37,759
least look into it a little further i

110
00:04:42,950 --> 00:04:40,080
would hope i would hope for that

111
00:04:44,790 --> 00:04:42,960
um yeah but we figured we'd we'd do a

112
00:04:46,390 --> 00:04:44,800
little you know burner course on the

113
00:04:48,950 --> 00:04:46,400

nose what are they

114

00:04:51,270 --> 00:04:48,960

um when are they from what's the deal

115

00:04:53,590 --> 00:04:51,280

uh maybe go through some of it maybe do

116

00:04:56,629 --> 00:04:53,600

a little dramatic reading here there

117

00:04:59,670 --> 00:04:56,639

and uh you know give some takes uh on

118

00:05:01,029 --> 00:04:59,680

what we think so sounds great we can try

119

00:05:03,029 --> 00:05:01,039

to make sure we get some decent

120

00:05:04,070 --> 00:05:03,039

impressions in there well you know eric

121

00:05:05,189 --> 00:05:04,080

davis

122

00:05:06,710 --> 00:05:05,199

um

123

00:05:09,590 --> 00:05:06,720

i don't really know what tom wilson

124

00:05:11,510 --> 00:05:09,600

sounds like but we can approximate him

125

00:05:13,430 --> 00:05:11,520

i'm going with something

126
00:05:15,110 --> 00:05:13,440
we might even be able to get a ufo joe

127
00:05:17,830 --> 00:05:15,120
in there if we really try

128
00:05:19,270 --> 00:05:17,840
um with the uh with the timeline it

129
00:05:20,870 --> 00:05:19,280
could be pretty fun

130
00:05:22,390 --> 00:05:20,880
yeah that's true

131
00:05:23,990 --> 00:05:22,400
yeah right

132
00:05:26,070 --> 00:05:24,000
i should probably queue that up right

133
00:05:27,590 --> 00:05:26,080
unless you got it already you're pretty

134
00:05:31,510 --> 00:05:27,600
good with that stuff

135
00:05:35,350 --> 00:05:33,990
when did let me ask you what

136
00:05:36,710 --> 00:05:35,360
do you know the

137
00:05:38,070 --> 00:05:36,720
uh

138
00:05:39,909 --> 00:05:38,080

the beginning of these notes when did

139

00:05:41,270 --> 00:05:39,919

they come out i mean i feel like for a

140

00:05:43,909 --> 00:05:41,280

lot of people these probably just came

141

00:05:45,830 --> 00:05:43,919

out of nowhere um but it's been

142

00:05:47,590 --> 00:05:45,840

a couple years now right

143

00:05:50,390 --> 00:05:47,600

that's right um

144

00:05:53,270 --> 00:05:50,400

they were first leaked

145

00:05:54,629 --> 00:05:53,280

as far as i know um they were first

146

00:05:56,230 --> 00:05:54,639

leaked

147

00:05:59,990 --> 00:05:56,240

around

148

00:06:00,950 --> 00:06:00,000

it was april 19 2019

149

00:06:03,430 --> 00:06:00,960

um

150

00:06:04,550 --> 00:06:03,440

was when they just kind of went up

151
00:06:07,029 --> 00:06:04,560
briefly

152
00:06:09,909 --> 00:06:07,039
and were kind of pulled down but

153
00:06:12,550 --> 00:06:09,919
a couple people grabbed them um

154
00:06:14,150 --> 00:06:12,560
on a file sharing site and

155
00:06:14,950 --> 00:06:14,160
immediately

156
00:06:18,469 --> 00:06:14,960
joe

157
00:06:20,629 --> 00:06:18,479
giuliano marinkovic um was a key figure

158
00:06:23,430 --> 00:06:20,639
in kind of finding these

159
00:06:25,430 --> 00:06:23,440
um and i know that uh

160
00:06:27,510 --> 00:06:25,440
joe merger knew about him that day and

161
00:06:28,469 --> 00:06:27,520
chris wolford and some others

162
00:06:29,590 --> 00:06:28,479
um

163
00:06:31,350 --> 00:06:29,600

and

164

00:06:36,790 --> 00:06:31,360

it was

165

00:06:38,469 --> 00:06:36,800

it took until about early june before

166

00:06:42,629 --> 00:06:38,479

it kind of reached

167

00:06:44,629 --> 00:06:42,639

enough of a pitch where

168

00:06:47,830 --> 00:06:44,639

michael hall

169

00:06:51,189 --> 00:06:47,840

a lawyer kind of more formally dropped

170

00:06:53,670 --> 00:06:51,199

them and said yeah these are the notes

171

00:06:56,550 --> 00:06:53,680

and had kind of a reasonable

172

00:06:59,830 --> 00:06:56,560

chain of custody for where the notes how

173

00:07:01,189 --> 00:06:59,840

the notes got to him

174

00:07:02,469 --> 00:07:01,199

now

175

00:07:05,189 --> 00:07:02,479

also

176

00:07:06,950 --> 00:07:05,199

it's important to note that several

177

00:07:07,909 --> 00:07:06,960

key figures

178

00:07:10,230 --> 00:07:07,919

had

179

00:07:11,589 --> 00:07:10,240

known about these notes

180

00:07:15,029 --> 00:07:11,599

for

181

00:07:16,390 --> 00:07:15,039

so

182

00:07:19,510 --> 00:07:16,400

for example

183

00:07:21,909 --> 00:07:19,520

richard dolan was shown these notes

184

00:07:23,430 --> 00:07:21,919

over a decade before that

185

00:07:24,710 --> 00:07:23,440

well um

186

00:07:27,589 --> 00:07:24,720

and

187

00:07:29,510 --> 00:07:27,599

he was shown several pages in kind of a

188

00:07:30,790 --> 00:07:29,520

backroom situation

189

00:07:32,230 --> 00:07:30,800

um

190

00:07:34,230 --> 00:07:32,240

and he

191

00:07:37,589 --> 00:07:34,240

when i you know i used to i used to work

192

00:07:41,430 --> 00:07:37,599

for him and richard told me

193

00:07:42,870 --> 00:07:41,440

uh who showed him these pages of notes

194

00:07:44,950 --> 00:07:42,880

at that time

195

00:07:48,710 --> 00:07:44,960

and he swore me to secrecy that i

196

00:07:50,869 --> 00:07:48,720

wouldn't say who that person was

197

00:07:52,869 --> 00:07:50,879

so i know who showed richard dolan those

198

00:07:54,710 --> 00:07:52,879

notes over a decade before that

199

00:07:57,350 --> 00:07:54,720

and i don't i wouldn't want to break

200

00:07:58,550 --> 00:07:57,360

that confidence however i can say that

201
00:07:59,670 --> 00:07:58,560
it was somebody don't work for him

202
00:08:02,710 --> 00:07:59,680
anymore

203
00:08:04,950 --> 00:08:02,720
that's true but i wouldn't i uh just

204
00:08:06,790 --> 00:08:04,960
give this person this person is

205
00:08:08,230 --> 00:08:06,800
definitely somebody that would be in a

206
00:08:11,350 --> 00:08:08,240
position to know about their

207
00:08:13,589 --> 00:08:11,360
authenticity okay and and that's

208
00:08:15,270 --> 00:08:13,599
somebody that

209
00:08:17,749 --> 00:08:15,280
how to put it

210
00:08:19,830 --> 00:08:17,759
you can reasonably assume

211
00:08:21,430 --> 00:08:19,840
because of the chain of command of the

212
00:08:23,749 --> 00:08:21,440
chain of custody

213
00:08:26,790 --> 00:08:23,759

you know the the version of the notes

214

00:08:28,790 --> 00:08:26,800

that we got leaked um we're in

215

00:08:29,830 --> 00:08:28,800

possession of edgar mitchell

216

00:08:32,949 --> 00:08:29,840

right the

217

00:08:34,870 --> 00:08:32,959

the the former astronaut who later went

218

00:08:36,870 --> 00:08:34,880

on to be a key figure

219

00:08:39,190 --> 00:08:36,880

involved in the orbit of nids the

220

00:08:42,070 --> 00:08:39,200

national institute for discovery science

221

00:08:45,030 --> 00:08:42,080

that robert bigelow funded

222

00:08:47,269 --> 00:08:45,040

which notably included figures like hal

223

00:08:50,630 --> 00:08:47,279

put off

224

00:08:52,829 --> 00:08:50,640

and eric davis and jacques valet

225

00:08:56,550 --> 00:08:52,839

and others

226

00:08:59,350 --> 00:08:56,560

and you know that era of time that nids

227

00:09:02,070 --> 00:08:59,360

era some of that work was was

228

00:09:03,670 --> 00:09:02,080

compiled into hunt for the skinwalker

229

00:09:05,750 --> 00:09:03,680

but of course that was kind of a

230

00:09:07,750 --> 00:09:05,760

public-facing take on all the work that

231

00:09:08,790 --> 00:09:07,760

they were doing and

232

00:09:12,230 --> 00:09:08,800

you know

233

00:09:15,030 --> 00:09:12,240

eric davis kind of being sent

234

00:09:16,470 --> 00:09:15,040

on this mission in a way to meet with

235

00:09:17,509 --> 00:09:16,480

tom wilson

236

00:09:23,269 --> 00:09:17,519

about

237

00:09:24,310 --> 00:09:23,279

with special access programs

238

00:09:25,590 --> 00:09:24,320

um

239

00:09:27,110 --> 00:09:25,600

is

240

00:09:28,630 --> 00:09:27,120

you know that that's kind of like the

241

00:09:30,550 --> 00:09:28,640

center of what we're talking about here

242

00:09:32,949 --> 00:09:30,560

in a lot of ways we're talking about how

243

00:09:36,470 --> 00:09:32,959

did this meeting come about and what

244

00:09:38,230 --> 00:09:36,480

information was conveyed in that meeting

245

00:09:41,990 --> 00:09:38,240

assuming that it happened

246

00:09:44,389 --> 00:09:42,000

and and then after that you know what of

247

00:09:46,550 --> 00:09:44,399

that within this hall of mirrors what if

248

00:09:47,910 --> 00:09:46,560

that is accurate information

249

00:09:50,230 --> 00:09:47,920

um because

250

00:09:52,389 --> 00:09:50,240

a lot of what was conveyed in that

251
00:09:54,150 --> 00:09:52,399
meeting were things that wilson heard

252
00:09:56,870 --> 00:09:54,160
from other people

253
00:09:59,350 --> 00:09:56,880
um so there are several layers here

254
00:10:02,389 --> 00:09:59,360
at which point some people get lost and

255
00:10:04,870 --> 00:10:02,399
it is a rather complex story and on the

256
00:10:08,230 --> 00:10:04,880
other side of it what it comes down to

257
00:10:10,870 --> 00:10:08,240
is dr eric davis and thomas wilson

258
00:10:12,310 --> 00:10:10,880
meeting in the back of a car of thomas

259
00:10:13,190 --> 00:10:12,320
wilson's car

260
00:10:16,790 --> 00:10:13,200
um

261
00:10:19,509 --> 00:10:16,800
uh in the parking lot of eg g in nevada

262
00:10:21,509 --> 00:10:19,519
eg by the way

263
00:10:24,790 --> 00:10:21,519

runs the janet terminal

264

00:10:27,430 --> 00:10:24,800

that runs people out to

265

00:10:29,990 --> 00:10:27,440

secret sites like area 51

266

00:10:32,069 --> 00:10:30,000

so they meet in the parking lot of vgng

267

00:10:34,870 --> 00:10:32,079

and they talk for about an hour and they

268

00:10:36,949 --> 00:10:34,880

have a very kind of pivotal conversation

269

00:10:38,069 --> 00:10:36,959

that reveals a lot about government

270

00:10:38,949 --> 00:10:38,079

secrecy

271

00:10:42,389 --> 00:10:38,959

and

272

00:10:45,269 --> 00:10:42,399

uh the possibilities of recovered ufo

273

00:10:47,590 --> 00:10:45,279

craft among other things

274

00:10:49,430 --> 00:10:47,600

yeah i mean i mean the the the notes

275

00:10:51,110 --> 00:10:49,440

themselves are breathtaking if you read

276

00:10:52,949 --> 00:10:51,120

them i put the link in the description

277

00:10:53,750 --> 00:10:52,959

for people if they would you know want

278

00:10:55,430 --> 00:10:53,760

to

279

00:10:57,910 --> 00:10:55,440

uh follow along or read them for

280

00:11:00,310 --> 00:10:57,920

yourself which you know i always um

281

00:11:02,150 --> 00:11:00,320

suggest people do for themselves but you

282

00:11:03,750 --> 00:11:02,160

know it's funny that you you know i

283

00:11:05,430 --> 00:11:03,760

think first of all you did a great job

284

00:11:08,550 --> 00:11:05,440

putting the synopsis on it and the one

285

00:11:11,110 --> 00:11:08,560

thing that stuck out to me was

286

00:11:14,310 --> 00:11:11,120

eric davis kind of uh

287

00:11:18,790 --> 00:11:14,320

almost like tasked so to speak uh this

288

00:11:20,870 --> 00:11:18,800

mission to find out what um

289

00:11:22,470 --> 00:11:20,880

maybe what i mean i guess was told to

290

00:11:25,190 --> 00:11:22,480

admiral wilson and you can tell that in

291

00:11:28,630 --> 00:11:25,200

reading the notes you know like uh his

292

00:11:29,829 --> 00:11:28,640

questions are much like uh

293

00:11:34,230 --> 00:11:29,839

how

294

00:11:35,190 --> 00:11:34,240

of time at sales on the phone or in

295

00:11:36,710 --> 00:11:35,200

person

296

00:11:39,269 --> 00:11:36,720

you know some big ticket sales or

297

00:11:40,470 --> 00:11:39,279

whatever and what you're taught is

298

00:11:43,590 --> 00:11:40,480

you know the

299

00:11:45,430 --> 00:11:43,600

the more you talk the more you're losing

300

00:11:46,790 --> 00:11:45,440

basically you know

301
00:11:48,710 --> 00:11:46,800
you want to ask

302
00:11:50,150 --> 00:11:48,720
you know questions that

303
00:11:52,550 --> 00:11:50,160
get them to

304
00:11:54,150 --> 00:11:52,560
to do the talking open-ended questions

305
00:11:55,590 --> 00:11:54,160
um to to

306
00:11:57,430 --> 00:11:55,600
and actually listen to know what they

307
00:11:58,949 --> 00:11:57,440
want and you know what they're looking

308
00:12:00,150 --> 00:11:58,959
for and things like that and you can

309
00:12:02,150 --> 00:12:00,160
tell that with the notes like that's

310
00:12:03,750 --> 00:12:02,160
what eric davis is doing he's short with

311
00:12:06,150 --> 00:12:03,760
his questions

312
00:12:07,590 --> 00:12:06,160
you know and

313
00:12:10,949 --> 00:12:07,600

wilson just

314

00:12:12,069 --> 00:12:10,959

talks a lot

315

00:12:14,389 --> 00:12:12,079

you know

316

00:12:17,190 --> 00:12:14,399

which which is uh extremely interesting

317

00:12:18,710 --> 00:12:17,200

but then i guess

318

00:12:20,230 --> 00:12:18,720

you know there yeah the couple things

319

00:12:22,069 --> 00:12:20,240

you could think of is

320

00:12:23,910 --> 00:12:22,079

you know the the information that wilson

321

00:12:25,910 --> 00:12:23,920

got was was it accurate if somebody was

322

00:12:27,829 --> 00:12:25,920

on to him and what he was looking for

323

00:12:30,550 --> 00:12:27,839

maybe they they gave him some crap like

324

00:12:32,470 --> 00:12:30,560

it was some black project that they

325

00:12:34,550 --> 00:12:32,480

you know did not want him to know

326

00:12:36,150 --> 00:12:34,560

anything about would they use a story

327

00:12:37,110 --> 00:12:36,160

like this to kind of throw him off the

328

00:12:39,990 --> 00:12:37,120

scent

329

00:12:42,790 --> 00:12:40,000

so to speak you know um that could be a

330

00:12:45,350 --> 00:12:43,910

there

331

00:12:46,790 --> 00:12:45,360

you know and i'm almost afraid to

332

00:12:47,990 --> 00:12:46,800

speculate too much because i might hit

333

00:12:50,870 --> 00:12:48,000

it on the head and be in a lot of

334

00:12:51,590 --> 00:12:50,880

trouble somehow but

335

00:12:54,790 --> 00:12:51,600

well

336

00:12:57,110 --> 00:12:54,800

and and and yeah that's true and also i

337

00:12:58,230 --> 00:12:57,120

mean if there there's also the element

338

00:12:59,829 --> 00:12:58,240

of

339

00:13:02,230 --> 00:12:59,839

you know when we think about this hall

340

00:13:05,110 --> 00:13:02,240

of mirrors and

341

00:13:07,590 --> 00:13:05,120

that there's been so much see

342

00:13:10,069 --> 00:13:07,600

secrecy about this document and that

343

00:13:12,790 --> 00:13:10,079

even the principal players involved were

344

00:13:15,750 --> 00:13:12,800

incredibly freaked about it leaking

345

00:13:16,870 --> 00:13:15,760

it's it stands you it it makes you

346

00:13:18,470 --> 00:13:16,880

wonder

347

00:13:23,030 --> 00:13:18,480

why

348

00:13:25,110 --> 00:13:23,040

if if everybody involved with it

349

00:13:27,110 --> 00:13:25,120

is basically scared shitless that

350

00:13:29,829 --> 00:13:27,120

anybody talks about it ever

351

00:13:32,230 --> 00:13:29,839

you know there's there's

352

00:13:34,710 --> 00:13:32,240

there's that key question about it you

353

00:13:37,110 --> 00:13:34,720

know and if you talk to there have been

354

00:13:39,990 --> 00:13:37,120

some key

355

00:13:41,269 --> 00:13:40,000

figures okay for example

356

00:13:44,470 --> 00:13:41,279

jacques valet

357

00:13:46,150 --> 00:13:44,480

uh our our good buddy james ian doley

358

00:13:47,990 --> 00:13:46,160

who i'll see this weekend and i'm

359

00:13:48,790 --> 00:13:48,000

excited about that you might see him as

360

00:13:50,230 --> 00:13:48,800

well

361

00:13:51,829 --> 00:13:50,240

um

362

00:13:54,069 --> 00:13:51,839

oh uh

363

00:13:57,269 --> 00:13:54,079

so how do you ask

364

00:14:00,550 --> 00:13:57,279

olive garden jacques valet asked

365

00:14:02,790 --> 00:14:00,560

uh or no uh james asked jacques valet

366

00:14:04,470 --> 00:14:02,800

about the wilson davis talks uh around

367

00:14:06,550 --> 00:14:04,480

the time when trinity came out when the

368

00:14:07,750 --> 00:14:06,560

book trinity came out that he and paula

369

00:14:10,629 --> 00:14:07,760

harris wrote

370

00:14:14,230 --> 00:14:10,639

about a crash about a ufo crash

371

00:14:18,069 --> 00:14:14,240

uh alleged ufo crash case and

372

00:14:20,150 --> 00:14:18,079

and jacques was um maybe here we we get

373

00:14:22,069 --> 00:14:20,160

our first uh we get our first taste of

374

00:14:23,750 --> 00:14:22,079

an impression or a dramatic reading you

375

00:14:24,550 --> 00:14:23,760

know paraphrased

376

00:14:28,710 --> 00:14:24,560

uh

377

00:14:30,389 --> 00:14:28,720

there we go what's up buddy olive garden

378

00:14:31,509 --> 00:14:30,399

olive garden himself oh

379

00:14:33,030 --> 00:14:31,519

sick burn

380

00:14:34,150 --> 00:14:33,040

uh

381

00:14:38,629 --> 00:14:34,160

so

382

00:14:40,150 --> 00:14:38,639

correct me if i'm wrong here but jacques

383

00:14:43,030 --> 00:14:40,160

was like

384

00:14:46,150 --> 00:14:43,040

no he said he said so wilson

385

00:14:47,829 --> 00:14:46,160

you know who am i to uh

386

00:14:49,590 --> 00:14:47,839

to say

387

00:14:51,509 --> 00:14:49,600

what happened above one of the men

388

00:14:52,470 --> 00:14:51,519

himself and wilson says that it didn't

389

00:14:54,069 --> 00:14:52,480

happen

390

00:14:56,710 --> 00:14:54,079

however

391

00:14:58,550 --> 00:14:56,720

i know eric davis very well i've known

392

00:15:01,509 --> 00:14:58,560

him for many years

393

00:15:04,389 --> 00:15:01,519

i've talked with eric davis many times

394

00:15:06,550 --> 00:15:04,399

and i also know eric davis to be a very

395

00:15:08,470 --> 00:15:06,560

honest man

396

00:15:10,069 --> 00:15:08,480

he's a very straightforward scientist

397

00:15:12,790 --> 00:15:10,079

and a very honest person and i've talked

398

00:15:14,310 --> 00:15:12,800

to him many times well you know it's not

399

00:15:16,710 --> 00:15:14,320

it doesn't take

400

00:15:18,870 --> 00:15:16,720

a literal rocket scientist or the guy

401
00:15:21,030 --> 00:15:18,880
that mapped mars to figure out

402
00:15:22,629 --> 00:15:21,040
that uh what he's inferring in that

403
00:15:23,590 --> 00:15:22,639
situation right

404
00:15:24,949 --> 00:15:23,600
right

405
00:15:28,389 --> 00:15:24,959
yeah um

406
00:15:30,870 --> 00:15:28,399
so uh and of course chocolate was in its

407
00:15:32,790 --> 00:15:30,880
orbit back then so it's another case

408
00:15:33,910 --> 00:15:32,800
where you can look at this and say

409
00:15:35,990 --> 00:15:33,920
where where

410
00:15:37,910 --> 00:15:36,000
how did this meeting happen and you can

411
00:15:39,350 --> 00:15:37,920
say that the national institute for

412
00:15:41,829 --> 00:15:39,360
discovery science and the people that

413
00:15:44,949 --> 00:15:41,839

were orbiting around that were very key

414

00:15:46,470 --> 00:15:44,959

players with regards to custody of this

415

00:15:49,110 --> 00:15:46,480

document and

416

00:15:52,150 --> 00:15:49,120

and who was originally kind of had their

417

00:15:54,949 --> 00:15:52,160

fingers in this meeting early on

418

00:15:56,870 --> 00:15:54,959

and the years prior to uh it getting

419

00:15:57,590 --> 00:15:56,880

leaked

420

00:15:58,949 --> 00:15:57,600

yeah

421

00:16:01,269 --> 00:15:58,959

another thing

422

00:16:02,949 --> 00:16:01,279

to think about with this stuff is you

423

00:16:05,030 --> 00:16:02,959

know if you're thinking of uh if

424

00:16:07,269 --> 00:16:05,040

anyone's thinking like eric davis could

425

00:16:10,310 --> 00:16:07,279

be lying or or whatever

426

00:16:12,150 --> 00:16:10,320

um the the thing is like

427

00:16:14,550 --> 00:16:12,160

you know he has a there's a lot of

428

00:16:16,870 --> 00:16:14,560

people that have a lot on the line kind

429

00:16:18,629 --> 00:16:16,880

of with these notes in in the takes

430

00:16:21,110 --> 00:16:18,639

uh they're throwing at this thing as

431

00:16:23,749 --> 00:16:21,120

well like for instance eric davis

432

00:16:27,110 --> 00:16:23,759

uh really has done

433

00:16:28,629 --> 00:16:27,120

a lot of uh work with nasa you know so

434

00:16:30,710 --> 00:16:28,639

what's a nasa

435

00:16:32,150 --> 00:16:30,720

uh guy

436

00:16:33,749 --> 00:16:32,160

you know doing any of this for he

437

00:16:35,829 --> 00:16:33,759

doesn't have time for it

438

00:16:37,590 --> 00:16:35,839

first of all you know he's working on

439

00:16:39,189 --> 00:16:37,600

legitimate projects he's written

440

00:16:41,269 --> 00:16:39,199

legitimate papers that you can find in

441

00:16:45,350 --> 00:16:41,279

the archives some you can find on the

442

00:16:47,430 --> 00:16:45,360

dia's website that were a part of ossep

443

00:16:49,430 --> 00:16:47,440

you know um so he's done a lot of work

444

00:16:52,629 --> 00:16:49,440

there other people that that have coming

445

00:16:54,230 --> 00:16:52,639

out have come out and it said that these

446

00:16:56,230 --> 00:16:54,240

notes are

447

00:16:58,870 --> 00:16:56,240

you know that the meeting happened

448

00:17:00,870 --> 00:16:58,880

uh and the story there are people like

449

00:17:03,269 --> 00:17:00,880

um brandon fugal

450

00:17:04,870 --> 00:17:03,279

i mean that's right this guy not only

451
00:17:07,029 --> 00:17:04,880
has a

452
00:17:09,750 --> 00:17:07,039
great television show which you know i

453
00:17:11,590 --> 00:17:09,760
was cold on at first but now i'm hot on

454
00:17:13,189 --> 00:17:11,600
it and i can't wait to re-watch the

455
00:17:15,829 --> 00:17:13,199
episode from last night because i really

456
00:17:18,549 --> 00:17:15,839
do like it and i love just that travis

457
00:17:21,510 --> 00:17:18,559
taylor guy i just love the way he is so

458
00:17:26,150 --> 00:17:21,520
excited about a real phenomenon here at

459
00:17:30,950 --> 00:17:28,390
and uh but the other thing to think of

460
00:17:34,549 --> 00:17:30,960
is he has a very successful

461
00:17:36,470 --> 00:17:34,559
um um real estate business

462
00:17:38,789 --> 00:17:36,480
he's with one of the the larger real

463
00:17:41,909 --> 00:17:38,799

estate companies in the world let alone

464

00:17:43,750 --> 00:17:41,919

this country so if he's going out there

465

00:17:45,430 --> 00:17:43,760

you know saying that that

466

00:17:48,150 --> 00:17:45,440

this meeting happened these notes are

467

00:17:50,870 --> 00:17:48,160

legit and they're not like that that's a

468

00:17:52,870 --> 00:17:50,880

big deal for just his career you know

469

00:17:54,390 --> 00:17:52,880

that that's not good

470

00:17:55,750 --> 00:17:54,400

so that's very

471

00:18:00,470 --> 00:17:55,760

that's very true

472

00:18:03,029 --> 00:18:00,480

robert bigelow i mean okay so brandon

473

00:18:04,870 --> 00:18:03,039

fugal owns the skinwalker ranch as we

474

00:18:08,230 --> 00:18:04,880

were just saying who owned it before

475

00:18:10,710 --> 00:18:08,240

that robert bigelow right yep eric davis

476
00:18:11,510 --> 00:18:10,720
was employed by robert bigelow

477
00:18:14,710 --> 00:18:11,520
um

478
00:18:16,230 --> 00:18:14,720
around the time that that this that this

479
00:18:19,510 --> 00:18:16,240
meeting happened

480
00:18:22,470 --> 00:18:19,520
and uh was and continued to be employed

481
00:18:24,549 --> 00:18:22,480
by how put off another knits person for

482
00:18:27,909 --> 00:18:24,559
years afterwards and before

483
00:18:29,909 --> 00:18:27,919
so you know and we're again finding and

484
00:18:31,190 --> 00:18:29,919
eric davis worked on skinwalker ranch

485
00:18:33,750 --> 00:18:31,200
when bigelow

486
00:18:36,630 --> 00:18:33,760
uh doing doing studies and there's

487
00:18:38,950 --> 00:18:36,640
pictures we we have pictures of fogle

488
00:18:41,270 --> 00:18:38,960

and eric davis together

489

00:18:43,430 --> 00:18:41,280

you know um does exist

490

00:18:46,070 --> 00:18:43,440

so you know there you can make

491

00:18:47,909 --> 00:18:46,080

inferences about about how brandon fogle

492

00:18:51,029 --> 00:18:47,919

might know that as well

493

00:18:53,830 --> 00:18:51,039

now this is maybe a little uh

494

00:18:55,190 --> 00:18:53,840

a little off off center maybe a little

495

00:18:56,470 --> 00:18:55,200

bit but

496

00:18:57,750 --> 00:18:56,480

um

497

00:18:59,750 --> 00:18:57,760

so in

498

00:19:02,070 --> 00:18:59,760

i think it was in elizondo's last

499

00:19:03,830 --> 00:19:02,080

interview he mentioned how

500

00:19:06,549 --> 00:19:03,840

his favorite movie was uh dumb and

501
00:19:08,950 --> 00:19:06,559
dumber and he was talking about this uh

502
00:19:10,630 --> 00:19:08,960
limited limousine driver right

503
00:19:13,430 --> 00:19:10,640
and if you don't know he's he's talking

504
00:19:15,669 --> 00:19:13,440
about um jim carrey

505
00:19:17,430 --> 00:19:15,679
and who plays limousine driver in one of

506
00:19:19,669 --> 00:19:17,440
the scenes there and it's weird because

507
00:19:22,150 --> 00:19:19,679
this is the scene i

508
00:19:23,590 --> 00:19:22,160
thought of right away before he actually

509
00:19:25,750 --> 00:19:23,600
described the scene that he was going to

510
00:19:27,990 --> 00:19:25,760
talk about which is the one where jim

511
00:19:29,350 --> 00:19:28,000
carrey is in the limo with the gal in

512
00:19:31,590 --> 00:19:29,360
the back

513
00:19:33,750 --> 00:19:31,600

and he says where are you going flying

514

00:19:35,350 --> 00:19:33,760

somewhere right she goes well yeah yeah

515

00:19:38,070 --> 00:19:35,360

how'd you guess he goes

516

00:19:39,830 --> 00:19:38,080

well i i saw the luggage and we're at

517

00:19:42,470 --> 00:19:39,840

the airport so i just you know kind of

518

00:19:43,430 --> 00:19:42,480

put two and two together

519

00:19:44,230 --> 00:19:43,440

you know

520

00:19:47,029 --> 00:19:44,240

and

521

00:19:49,110 --> 00:19:47,039

that that is actually

522

00:19:51,190 --> 00:19:49,120

literally in the notes is putting two

523

00:19:53,590 --> 00:19:51,200

and two together

524

00:19:55,270 --> 00:19:53,600

you know i don't know so yeah

525

00:19:57,590 --> 00:19:55,280

it may be a stretch but i thought that

526

00:20:00,630 --> 00:19:57,600

was just very interesting

527

00:20:03,909 --> 00:20:02,549

i think that's the first time

528

00:20:05,590 --> 00:20:03,919

and

529

00:20:07,909 --> 00:20:05,600

will it be the last time that i've heard

530

00:20:09,990 --> 00:20:07,919

the wilson davis notes and and jim

531

00:20:11,510 --> 00:20:10,000

carrey and dem and dummer brought

532

00:20:14,470 --> 00:20:11,520

together

533

00:20:16,950 --> 00:20:14,480

in in uh in one little riff and i could

534

00:20:17,909 --> 00:20:16,960

be i could be a little thankful for it

535

00:20:19,909 --> 00:20:17,919

no i

536

00:20:20,789 --> 00:20:19,919

appreciate it sean that's why i love you

537

00:20:23,590 --> 00:20:20,799

sean

538

00:20:24,549 --> 00:20:23,600

that that your document finding

539

00:20:27,909 --> 00:20:24,559

this

540

00:20:29,350 --> 00:20:27,919

um your your appetite for knowledge and

541

00:20:31,590 --> 00:20:29,360

actual food

542

00:20:32,830 --> 00:20:31,600

you know all the reasons why we love you

543

00:20:38,549 --> 00:20:32,840

so

544

00:20:40,789 --> 00:20:38,559

okay um

545

00:20:43,270 --> 00:20:40,799

you know wilson wilson is on record

546

00:20:46,390 --> 00:20:43,280

denying this multiple times right right

547

00:20:48,950 --> 00:20:46,400

and then one of the the kind of uh

548

00:20:51,029 --> 00:20:48,960

pushback that people give

549

00:20:53,110 --> 00:20:51,039

on that you know people who you know

550

00:20:54,870 --> 00:20:53,120

really think these notes are legit

551
00:20:58,630 --> 00:20:54,880
everything about him whatever

552
00:21:03,909 --> 00:21:01,909
um wilson says

553
00:21:09,350 --> 00:21:03,919
if you blow my trust

554
00:21:11,430 --> 00:21:09,360
you deny everything said won't meet with

555
00:21:14,149 --> 00:21:11,440
any more people without clearances

556
00:21:15,909 --> 00:21:14,159
talk about this topic too risky because

557
00:21:17,270 --> 00:21:15,919
the security violation just by

558
00:21:20,630 --> 00:21:17,280
mentioning it

559
00:21:23,190 --> 00:21:20,640
very tightly held info absurdly closely

560
00:21:24,470 --> 00:21:23,200
held subject matter never seen anything

561
00:21:27,350 --> 00:21:24,480
like it

562
00:21:29,669 --> 00:21:27,360
like this program in black programs

563
00:21:31,510 --> 00:21:29,679

in all my life

564

00:21:34,390 --> 00:21:31,520

say community but

565

00:21:35,990 --> 00:21:34,400

you know so he says you know if anybody

566

00:21:37,510 --> 00:21:36,000

says anything of the night so right

567

00:21:40,070 --> 00:21:37,520

there

568

00:21:41,830 --> 00:21:40,080

it if he denies it

569

00:21:44,549 --> 00:21:41,840

which of course he's gonna deny it he's

570

00:21:46,390 --> 00:21:44,559

not gonna just tell some journalist yeah

571

00:21:47,510 --> 00:21:46,400

yeah of course you know that's all true

572

00:21:49,590 --> 00:21:47,520

that's not how it works he's going to

573

00:21:51,590 --> 00:21:49,600

deny it he said he's going to deny it so

574

00:21:52,870 --> 00:21:51,600

that's it's just worthless it's a mute

575

00:21:54,390 --> 00:21:52,880

talking point

576

00:21:56,149 --> 00:21:54,400

so

577

00:21:58,230 --> 00:21:56,159

now they're talking about getting the

578

00:22:01,190 --> 00:21:58,240

guy in the stand you know congressional

579

00:22:03,110 --> 00:22:01,200

hearings do you think that'd be worth it

580

00:22:05,110 --> 00:22:03,120

i think it would be worth it and i agree

581

00:22:07,909 --> 00:22:05,120

with you and joe merger likes to quote

582

00:22:10,470 --> 00:22:07,919

eric davis's a quote that

583

00:22:13,510 --> 00:22:10,480

from eric davis um

584

00:22:15,909 --> 00:22:13,520

that he said uh you're going to be lied

585

00:22:17,590 --> 00:22:15,919

to because that's the rule and that was

586

00:22:20,390 --> 00:22:17,600

in reference to

587

00:22:22,549 --> 00:22:20,400

to wilson uh like denying the meeting

588

00:22:23,990 --> 00:22:22,559

right right um now

589

00:22:25,510 --> 00:22:24,000

so

590

00:22:27,190 --> 00:22:25,520

i think this is

591

00:22:29,350 --> 00:22:27,200

this is kind of the point in the

592

00:22:31,110 --> 00:22:29,360

conversation where we should bring in

593

00:22:33,750 --> 00:22:31,120

the idea of

594

00:22:35,270 --> 00:22:33,760

what's called like you know ufo amnesty

595

00:22:37,590 --> 00:22:35,280

or immunity

596

00:22:40,630 --> 00:22:37,600

right and people like gary nolan have

597

00:22:44,390 --> 00:22:40,640

been talking recently online uh the

598

00:22:46,149 --> 00:22:44,400

scientist gary nolan um who is very much

599

00:22:48,390 --> 00:22:46,159

wrapped up into these conversations as

600

00:22:51,110 --> 00:22:48,400

well um and knows some of these key

601
00:22:53,750 --> 00:22:51,120
figures um gary noland was talking the

602
00:22:55,909 --> 00:22:53,760
other day on twitter about how there's a

603
00:22:57,029 --> 00:22:55,919
lot of talk behind the scenes about

604
00:22:59,510 --> 00:22:57,039
granting

605
00:23:01,909 --> 00:22:59,520
immunity or amnesty however like

606
00:23:04,549 --> 00:23:01,919
whatever phrasing needs to be used

607
00:23:06,870 --> 00:23:04,559
for people that have been aware of

608
00:23:10,310 --> 00:23:06,880
these black projects or anything else

609
00:23:12,710 --> 00:23:10,320
involved with uap secrecy

610
00:23:14,230 --> 00:23:12,720
and what that might entail now that gets

611
00:23:15,990 --> 00:23:14,240
into a huge

612
00:23:18,950 --> 00:23:16,000
you know can of worms in many different

613
00:23:23,270 --> 00:23:21,270

in the abstract of course it's hard to

614

00:23:25,750 --> 00:23:23,280

have a public conversation about

615

00:23:27,909 --> 00:23:25,760

immunity or amnesty when you don't

616

00:23:30,549 --> 00:23:27,919

actually know what

617

00:23:33,669 --> 00:23:30,559

that would be necessarily absolving in

618

00:23:37,590 --> 00:23:33,679

terms of of of secrecy or criminal

619

00:23:38,390 --> 00:23:37,600

behavior or anything like that right

620

00:23:44,070 --> 00:23:38,400

and

621

00:23:47,029 --> 00:23:44,080

if you were to make a case where okay

622

00:23:49,029 --> 00:23:47,039

well can we give wilson immunity in this

623

00:23:51,669 --> 00:23:49,039

case

624

00:23:53,830 --> 00:23:51,679

um to testify

625

00:23:55,269 --> 00:23:53,840

because within the wilson davis talks

626
00:23:56,149 --> 00:23:55,279
themselves

627
00:24:01,830 --> 00:23:56,159
he

628
00:24:03,990 --> 00:24:01,840
threatened with early retirement

629
00:24:07,350 --> 00:24:04,000
and that he may even get one or two

630
00:24:13,909 --> 00:24:09,750
um you know from his jacket or whatever

631
00:24:16,549 --> 00:24:13,919
um if he were to even just pursue the

632
00:24:19,590 --> 00:24:16,559
case any further of trying to to knock

633
00:24:23,029 --> 00:24:19,600
on doors uh to find out more about the

634
00:24:26,549 --> 00:24:23,039
crash retrieval program the arv program

635
00:24:27,350 --> 00:24:26,559
or anything else along those lines yeah

636
00:24:35,430 --> 00:24:27,360
so

637
00:24:37,669 --> 00:24:35,440
the only way to really get the truth on

638
00:24:39,350 --> 00:24:37,679

the matter is if

639

00:24:41,750 --> 00:24:39,360

you know maybe some

640

00:24:43,750 --> 00:24:41,760

and gary nolan says immunity use the

641

00:24:44,870 --> 00:24:43,760

word immunity because

642

00:24:46,950 --> 00:24:44,880

um

643

00:24:49,510 --> 00:24:46,960

you know amnesty kind of implies that

644

00:24:51,190 --> 00:24:49,520

you're convicted or guilty or whatever

645

00:24:51,990 --> 00:24:51,200

already so

646

00:24:54,630 --> 00:24:52,000

um

647

00:24:57,510 --> 00:24:54,640

immunity is is the word that that people

648

00:24:59,510 --> 00:24:57,520

should use i guess but um

649

00:25:01,909 --> 00:24:59,520

you know you almost have to have davis

650

00:25:04,630 --> 00:25:01,919

testify as well you got to have davis

651
00:25:07,110 --> 00:25:04,640
and wilson testify at the same time

652
00:25:10,149 --> 00:25:07,120
well not literally but you know

653
00:25:12,149 --> 00:25:10,159
at the same hearing um

654
00:25:14,149 --> 00:25:12,159
because then both of them got to say

655
00:25:16,390 --> 00:25:14,159
what's up you know what

656
00:25:17,750 --> 00:25:16,400
what the truth and the reality is of the

657
00:25:20,070 --> 00:25:17,760
situation

658
00:25:22,549 --> 00:25:20,080
but then how far does it go so you get

659
00:25:24,549 --> 00:25:22,559
these two people to say yeah this is it

660
00:25:26,950 --> 00:25:24,559
this is it that still doesn't mean what

661
00:25:28,789 --> 00:25:26,960
was told the wilson is correct you know

662
00:25:31,190 --> 00:25:28,799
so you still have to

663
00:25:32,549 --> 00:25:31,200

go farther into that and start talking

664

00:25:34,470 --> 00:25:32,559

to okie

665

00:25:36,470 --> 00:25:34,480

you know who's mentioned in these notes

666

00:25:38,070 --> 00:25:36,480

um this miller guy

667

00:25:41,350 --> 00:25:38,080

and other people

668

00:25:42,950 --> 00:25:41,360

so it's it's almost just like opening

669

00:25:44,390 --> 00:25:42,960

uh the can

670

00:25:45,669 --> 00:25:44,400

you know and then the worms can start

671

00:25:47,190 --> 00:25:45,679

coming out but

672

00:25:49,190 --> 00:25:47,200

that's kind of how i would expect

673

00:25:51,830 --> 00:25:49,200

disclosure would go

674

00:25:54,149 --> 00:25:51,840

yeah i mean and it's a it's a pickle on

675

00:25:56,870 --> 00:25:54,159

the other side as well because because

676
00:25:58,230 --> 00:25:56,880
davis himself um

677
00:26:00,230 --> 00:25:58,240
you know he

678
00:26:01,510 --> 00:26:00,240
he

679
00:26:03,590 --> 00:26:01,520
talked to

680
00:26:06,310 --> 00:26:03,600
leslie kane and ralph blumenthal and

681
00:26:08,789 --> 00:26:06,320
this was published in the new york times

682
00:26:13,430 --> 00:26:08,799
a paper of record as they say

683
00:26:16,870 --> 00:26:13,440
and he and he said straightforwardly

684
00:26:19,669 --> 00:26:16,880
um that he had briefed

685
00:26:22,310 --> 00:26:19,679
uh members of congress and staffers

686
00:26:26,149 --> 00:26:22,320
at least twice at that point and i think

687
00:26:27,830 --> 00:26:26,159
this was in 2020 um about

688
00:26:29,590 --> 00:26:27,840

that the meetings happened the

689

00:26:32,710 --> 00:26:29,600

congressional private briefings happened

690

00:26:35,190 --> 00:26:32,720

in 2019 and this was published in 2020

691

00:26:40,310 --> 00:26:35,200

that he had

692

00:26:41,110 --> 00:26:40,320

recovered craft program

693

00:26:41,909 --> 00:26:41,120

right

694

00:26:45,990 --> 00:26:41,919

and

695

00:26:48,630 --> 00:26:46,000

he actually used verbiage that's

696

00:26:49,830 --> 00:26:48,640

straight from the wilson davis docks or

697

00:26:51,510 --> 00:26:49,840

verbiage was

698

00:26:53,669 --> 00:26:51,520

you know not of

699

00:26:55,990 --> 00:26:53,679

craft not of this earth here i'll have

700

00:26:57,669 --> 00:26:56,000

to find it i can find it on yeah

701
00:26:59,669 --> 00:26:57,679
off world

702
00:27:01,269 --> 00:26:59,679
vehicle i believe it was pretty much

703
00:27:02,149 --> 00:27:01,279
right

704
00:27:03,830 --> 00:27:02,159
yeah

705
00:27:05,510 --> 00:27:03,840
so let's see

706
00:27:08,310 --> 00:27:05,520
could go over this a little bit too if

707
00:27:09,669 --> 00:27:08,320
you want if we oh absolutely oh here we

708
00:27:11,190 --> 00:27:09,679
go okay here

709
00:27:13,590 --> 00:27:11,200
here let me grab this really quick and

710
00:27:16,789 --> 00:27:13,600
then so this is a direct quote from from

711
00:27:18,950 --> 00:27:16,799
this new york times article so um eric w

712
00:27:21,190 --> 00:27:18,960
davis an astrophysicist who worked as a

713
00:27:25,190 --> 00:27:21,200

subcontractor and then a consultant for

714

00:27:27,909 --> 00:27:25,200

the pentagon ufo program since 2007 said

715

00:27:29,750 --> 00:27:27,919

examination of the materials had so far

716

00:27:31,750 --> 00:27:29,760

failed to determine their source and led

717

00:27:34,310 --> 00:27:31,760

him to conclude we couldn't make it

718

00:27:37,269 --> 00:27:34,320

ourselves the constraints on discussing

719

00:27:40,310 --> 00:27:37,279

classified programs and the ambiguity of

720

00:27:42,549 --> 00:27:40,320

information cited in unclassified slides

721

00:27:44,870 --> 00:27:42,559

from the briefings have put officials

722

00:27:47,269 --> 00:27:44,880

who have studied ufos in the position of

723

00:27:48,950 --> 00:27:47,279

stating their views without presenting

724

00:27:51,830 --> 00:27:48,960

any hard evidence

725

00:27:53,669 --> 00:27:51,840

mr davis who now works for aerospace

726

00:27:56,389 --> 00:27:53,679

corporation which is key and we'll talk

727

00:27:58,549 --> 00:27:56,399

about later a defense contractor said he

728

00:28:00,870 --> 00:27:58,559

gave a classified briefing to a defense

729

00:28:03,110 --> 00:28:00,880

department agency as recently as march

730

00:28:04,310 --> 00:28:03,120

about retrievals made

731

00:28:06,870 --> 00:28:04,320

from

732

00:28:09,350 --> 00:28:06,880

off-world vehicles not made on this

733

00:28:11,110 --> 00:28:09,360

earth mr davis said he also gave

734

00:28:13,510 --> 00:28:11,120

classified briefings on retrieve

735

00:28:15,990 --> 00:28:13,520

retrievals of unexplained objects to

736

00:28:20,070 --> 00:28:16,000

staff members of the senate armed

737

00:28:21,990 --> 00:28:20,080

services committee on october 21st 2019

738

00:28:25,669 --> 00:28:22,000

and to staff members of the senate

739

00:28:27,990 --> 00:28:25,679

intelligence community two days later

740

00:28:28,789 --> 00:28:28,000

so there is also

741

00:28:30,950 --> 00:28:28,799

so

742

00:28:33,110 --> 00:28:30,960

even that is a bombshell that that

743

00:28:35,430 --> 00:28:33,120

hasn't been really appreciated by people

744

00:28:37,190 --> 00:28:35,440

the fact that that just kind of right

745

00:28:39,909 --> 00:28:37,200

that that just kind of slip slipped

746

00:28:42,830 --> 00:28:39,919

through you know and and it deserves to

747

00:28:45,669 --> 00:28:42,840

be highlighted and re-highlighted and

748

00:28:48,070 --> 00:28:45,679

re-highlighted uh in the light of this

749

00:28:49,750 --> 00:28:48,080

recent sub public subcommittee hearing

750

00:28:51,350 --> 00:28:49,760

that there have been private briefings

751
00:28:53,269 --> 00:28:51,360
like this

752
00:28:56,549 --> 00:28:53,279
yeah ralph blumenthal even went on

753
00:28:57,830 --> 00:28:56,559
record like this clip that that i play

754
00:28:59,990 --> 00:28:57,840
that i've played a couple times now

755
00:29:01,909 --> 00:29:00,000
ralph blumenthal on one of the news

756
00:29:02,950 --> 00:29:01,919
channels he's talking about it

757
00:29:04,950 --> 00:29:02,960
and

758
00:29:07,269 --> 00:29:04,960
the the lady asks him about materials

759
00:29:10,230 --> 00:29:07,279
and he's on

760
00:29:11,909 --> 00:29:10,240
the news national news saying yes and

761
00:29:12,630 --> 00:29:11,919
they've recovered some of this material

762
00:29:18,789 --> 00:29:12,640
and

763
00:29:20,870 --> 00:29:18,799

don't know what it is you know so how do

764

00:29:23,269 --> 00:29:20,880

you got to think about that like we have

765

00:29:24,950 --> 00:29:23,279

all the technology in the world you know

766

00:29:27,669 --> 00:29:24,960

this secret

767

00:29:29,990 --> 00:29:27,679

technology you know any kind of metals

768

00:29:32,070 --> 00:29:30,000

metamaterials everything and they don't

769

00:29:34,549 --> 00:29:32,080

know what it is how is that even

770

00:29:37,029 --> 00:29:34,559

freaking possible the only way it's

771

00:29:38,389 --> 00:29:37,039

possible is if it's not

772

00:29:40,149 --> 00:29:38,399

human

773

00:29:43,990 --> 00:29:40,159

you know

774

00:29:45,750 --> 00:29:44,000

yeah and so and we also know um because

775

00:29:47,350 --> 00:29:45,760

michael hall

776

00:29:52,830 --> 00:29:47,360

um

777

00:29:55,269 --> 00:29:52,840

very very ticked off about and he live

778

00:29:57,510 --> 00:29:55,279

streamed um

779

00:29:58,870 --> 00:29:57,520

a conversation michael hall the lawyer

780

00:30:02,630 --> 00:29:58,880

who eventually

781

00:30:05,350 --> 00:30:02,640

leaked was one of the sources of the

782

00:30:06,710 --> 00:30:05,360

wilson davis dock he

783

00:30:09,430 --> 00:30:06,720

he

784

00:30:12,310 --> 00:30:09,440

live streamed i believe on facebook

785

00:30:15,029 --> 00:30:12,320

uh a conversation that he was having

786

00:30:17,110 --> 00:30:15,039

with ralph blumenthal in real time where

787

00:30:18,470 --> 00:30:17,120

ralph was asking him about the wilson

788

00:30:20,710 --> 00:30:18,480

davis talks

789

00:30:22,549 --> 00:30:20,720

and this preceded

790

00:30:23,430 --> 00:30:22,559

this article that i was just quoting

791

00:30:24,470 --> 00:30:23,440

from

792

00:30:26,789 --> 00:30:24,480

well so

793

00:30:29,269 --> 00:30:26,799

leslie and ralph were you know leslie's

794

00:30:31,590 --> 00:30:29,279

mentioned in the wilson davis docks for

795

00:30:33,590 --> 00:30:31,600

pete's sake yeah for watching paul's

796

00:30:35,430 --> 00:30:33,600

story right yeah all right boston globe

797

00:30:37,830 --> 00:30:35,440

totally yeah awesome and so

798

00:30:40,789 --> 00:30:37,840

yeah and so um and i believe that's the

799

00:30:42,870 --> 00:30:40,799

original kameta report news article that

800

00:30:44,789 --> 00:30:42,880

she wrote for for the boston globe which

801
00:30:45,830 --> 00:30:44,799
really opened up a lot of conversations

802
00:30:46,630 --> 00:30:45,840
at the time

803
00:30:50,149 --> 00:30:46,640
so

804
00:30:52,950 --> 00:30:50,159
here's you know ralph and leslie were

805
00:30:54,630 --> 00:30:52,960
working on this and then they get quotes

806
00:30:57,110 --> 00:30:54,640
from eric davis about how he'd been

807
00:30:59,029 --> 00:30:57,120
briefing people and so you can see that

808
00:31:01,430 --> 00:30:59,039
there was there was a very cunning

809
00:31:03,830 --> 00:31:01,440
negotiation process that probably

810
00:31:06,549 --> 00:31:03,840
happened strategically in the mind of

811
00:31:08,389 --> 00:31:06,559
leslie ralph and maybe even eric davis

812
00:31:10,470 --> 00:31:08,399
where it's like okay well if wilson's

813
00:31:12,549 --> 00:31:10,480

not going to go on record about this if

814

00:31:15,110 --> 00:31:12,559

davis isn't allowed to talk about it

815

00:31:17,029 --> 00:31:15,120

well what can davis give us

816

00:31:19,830 --> 00:31:17,039

you know what can davis

817

00:31:22,870 --> 00:31:19,840

what will davis allow and the fact that

818

00:31:25,430 --> 00:31:22,880

davis said that he was talking about

819

00:31:28,310 --> 00:31:25,440

you know crash retrievals in in closed

820

00:31:29,909 --> 00:31:28,320

door in intelligence committee you know

821

00:31:33,029 --> 00:31:29,919

senate briefings

822

00:31:35,990 --> 00:31:33,039

that's quite a gift in a lot of ways and

823

00:31:38,389 --> 00:31:36,000

maybe you know it's as significant

824

00:31:40,389 --> 00:31:38,399

uh and depending on the circles you run

825

00:31:41,509 --> 00:31:40,399

in as significant as these notes

826

00:31:44,310 --> 00:31:41,519

themselves

827

00:31:46,710 --> 00:31:44,320

um so was that you know was that a trade

828

00:31:48,710 --> 00:31:46,720

so that davis wouldn't have to speak to

829

00:31:50,310 --> 00:31:48,720

these notes but could talk about

830

00:31:51,430 --> 00:31:50,320

something that he was at liberty to

831

00:31:52,470 --> 00:31:51,440

discuss

832

00:31:53,669 --> 00:31:52,480

you know

833

00:31:56,549 --> 00:31:53,679

it could be

834

00:32:03,269 --> 00:31:59,909

the thing i keep uh they don't uh

835

00:32:05,029 --> 00:32:03,279

leave my brain so to speak is just

836

00:32:07,110 --> 00:32:05,039

you know if all this is true everything

837

00:32:08,710 --> 00:32:07,120

in the notes the the crash retrievals

838

00:32:10,789 --> 00:32:08,720

and which i mean

839

00:32:12,789 --> 00:32:10,799

at this point it's it's really hard to

840

00:32:14,389 --> 00:32:12,799

say but i would have to imagine

841

00:32:17,509 --> 00:32:14,399

there's some truth to it

842

00:32:21,110 --> 00:32:19,350

you know how

843

00:32:23,190 --> 00:32:21,120

everything's kind of playing out how it

844

00:32:24,549 --> 00:32:23,200

would how the world would react to it

845

00:32:27,110 --> 00:32:24,559

there's going to be people that just

846

00:32:29,350 --> 00:32:27,120

fight it against everything people who

847

00:32:31,909 --> 00:32:29,360

claim they believe in ufos or even seen

848

00:32:33,990 --> 00:32:31,919

ufos or even say they think they've

849

00:32:36,549 --> 00:32:34,000

visited earth are still going to fight

850

00:32:40,470 --> 00:32:36,559

this story as crap and bullcrap and

851
00:32:42,230 --> 00:32:40,480
that's kind of uh the the amusing not

852
00:32:45,110 --> 00:32:42,240
amusing but interesting part to me i

853
00:32:48,149 --> 00:32:45,120
guess is every time there's some sort of

854
00:32:50,470 --> 00:32:48,159
evidence that there is a ufo

855
00:32:53,190 --> 00:32:50,480
that crashed and people have seen it or

856
00:32:55,590 --> 00:32:53,200
like whether it's bob lazarus or roswell

857
00:32:58,310 --> 00:32:55,600
or the wilson davis thing whatever it is

858
00:33:01,190 --> 00:32:58,320
you have people that legitimately say

859
00:33:04,230 --> 00:33:01,200
they believe in ufos and that there's

860
00:33:05,110 --> 00:33:04,240
uh aliens or ets visiting here will

861
00:33:08,149 --> 00:33:05,120
fight

862
00:33:09,590 --> 00:33:08,159
every piece of evidence that supposedly

863
00:33:11,029 --> 00:33:09,600

comes across

864

00:33:12,710 --> 00:33:11,039

tooth and nail

865

00:33:19,669 --> 00:33:12,720

and

866

00:33:21,509 --> 00:33:19,679

it's it's it's almost like inside

867

00:33:23,990 --> 00:33:21,519

they're still having an internal

868

00:33:26,230 --> 00:33:24,000

struggle if they believe any of any of

869

00:33:27,990 --> 00:33:26,240

it to begin with at all

870

00:33:29,830 --> 00:33:28,000

you know if they want to let go and even

871

00:33:31,110 --> 00:33:29,840

believe in aliens

872

00:33:32,549 --> 00:33:31,120

to begin with

873

00:33:35,830 --> 00:33:32,559

you know

874

00:33:36,950 --> 00:33:35,840

i i i very much agree with you i think

875

00:33:39,990 --> 00:33:36,960

that there's

876

00:33:41,830 --> 00:33:40,000

you know did did this meeting happen i'm

877

00:33:44,430 --> 00:33:41,840

almost completely certain it did you

878

00:33:46,310 --> 00:33:44,440

know what i mean i'll i'll put it at

879

00:33:48,710 --> 00:33:46,320

99.99

880

00:33:51,110 --> 00:33:48,720

sure because of the amount because of

881

00:33:53,029 --> 00:33:51,120

the veracity of the people

882

00:33:54,630 --> 00:33:53,039

the intelligence of the people the the

883

00:33:57,269 --> 00:33:54,640

people that have talked about it with me

884

00:34:00,230 --> 00:33:57,279

you know and and i i don't have any

885

00:34:02,389 --> 00:34:00,240

reason to doubt it at this point

886

00:34:05,509 --> 00:34:02,399

these things mentioned dude

887

00:34:07,830 --> 00:34:05,519

right yeah are incredibly hard to know

888

00:34:09,589 --> 00:34:07,840

yeah they're incredibly hard to know and

889

00:34:11,270 --> 00:34:09,599

at the same time

890

00:34:17,190 --> 00:34:11,280

it

891

00:34:18,629 --> 00:34:17,200

so much

892

00:34:23,430 --> 00:34:18,639

of

893

00:34:26,149 --> 00:34:23,440

lore at this point about

894

00:34:29,990 --> 00:34:26,159

about what has happened in the last 75

895

00:34:32,310 --> 00:34:30,000

years of secrecy with regard to

896

00:34:34,470 --> 00:34:32,320

with regard to ufology with regard to

897

00:34:36,869 --> 00:34:34,480

ufo tech

898

00:34:38,790 --> 00:34:36,879

the possibility of of recovered

899

00:34:41,270 --> 00:34:38,800

materials and things like this

900

00:34:42,629 --> 00:34:41,280

you know i mean this these some of these

901
00:34:45,109 --> 00:34:42,639
some of these stories have been around

902
00:34:46,470 --> 00:34:45,119
for a very long time you know what what

903
00:34:48,710 --> 00:34:46,480
got wilson

904
00:34:51,109 --> 00:34:48,720
originally interested in the story was

905
00:34:53,270 --> 00:34:51,119
apparently the day after roswell right

906
00:34:55,589 --> 00:34:53,280
right which is

907
00:34:57,190 --> 00:34:55,599
a problematic text but it also

908
00:35:00,550 --> 00:34:57,200
you know it also

909
00:35:02,710 --> 00:35:00,560
is a key early account of of the the

910
00:35:04,470 --> 00:35:02,720
roswell crash and retrieval in that

911
00:35:05,670 --> 00:35:04,480
operation right and i'll i'll tell you

912
00:35:07,910 --> 00:35:05,680
right now i wanted to figure out what

913
00:35:10,390 --> 00:35:07,920

the truth after looking at that go ahead

914

00:35:13,510 --> 00:35:10,400

i've proved on this show already like

915

00:35:15,670 --> 00:35:13,520

legitimately that uh colonel corso

916

00:35:17,750 --> 00:35:15,680

there there was an aspect of truth to

917

00:35:21,270 --> 00:35:17,760

that there there was a

918

00:35:22,710 --> 00:35:21,280

uh there was a program called project

919

00:35:25,990 --> 00:35:22,720

gold eagle

920

00:35:27,190 --> 00:35:26,000

and um where they actually

921

00:35:28,870 --> 00:35:27,200

took

922

00:35:32,630 --> 00:35:28,880

technology

923

00:35:35,030 --> 00:35:32,640

inserted it into the public sector

924

00:35:37,990 --> 00:35:35,040

that's exactly what corso said

925

00:35:39,589 --> 00:35:38,000

and he you know he said that he didn't

926
00:35:41,109 --> 00:35:39,599
say what the project was called but he

927
00:35:43,430 --> 00:35:41,119
said that and i proved it i found the

928
00:35:47,670 --> 00:35:43,440
documents i found a clip from another

929
00:35:49,750 --> 00:35:47,680
guy that worked uh you know an attic ftd

930
00:35:52,069 --> 00:35:49,760
put it all together it happened it's a

931
00:35:54,790 --> 00:35:52,079
real thing so it's just

932
00:35:56,550 --> 00:35:54,800
it's it's the part of where the the

933
00:35:57,589 --> 00:35:56,560
stuff came from that nobody believes but

934
00:36:00,069 --> 00:35:57,599
it's like

935
00:36:01,510 --> 00:36:00,079
uh it's so interesting to me like but

936
00:36:03,190 --> 00:36:01,520
going back to what i was saying earlier

937
00:36:04,150 --> 00:36:03,200
about the stuff that's just hard to know

938
00:36:06,390 --> 00:36:04,160

like

939

00:36:08,550 --> 00:36:06,400

uh page seven at the bottom you know

940

00:36:10,390 --> 00:36:08,560

judy daley he didn't want to answer my

941

00:36:13,030 --> 00:36:10,400

question on that said i could find out

942

00:36:15,270 --> 00:36:13,040

something from judy daley judith daly

943

00:36:17,390 --> 00:36:15,280

assistant deputy under secretary of

944

00:36:19,589 --> 00:36:17,400

defense for advanced development

945

00:36:22,150 --> 00:36:19,599

o-u-s-d-a-t like

946

00:36:24,470 --> 00:36:22,160

i'm i'm sorry like a lot of ufologists

947

00:36:27,030 --> 00:36:24,480

are smart and i love it and they're

948

00:36:29,109 --> 00:36:27,040

great but they just don't know that

949

00:36:31,670 --> 00:36:29,119

they don't know that and i've done

950

00:36:33,910 --> 00:36:31,680

research when like months ago when i

951
00:36:35,270 --> 00:36:33,920
looked in on this stuff trying to find

952
00:36:37,190 --> 00:36:35,280
that person because that's what you do

953
00:36:39,430 --> 00:36:37,200
you look up to the people you look up to

954
00:36:41,829 --> 00:36:39,440
people where were they at this time was

955
00:36:45,190 --> 00:36:41,839
that a real position they had and turns

956
00:36:47,030 --> 00:36:45,200
out it was and it wasn't just like you

957
00:36:48,870 --> 00:36:47,040
googled the name and it pops up and you

958
00:36:50,069 --> 00:36:48,880
can click on it so like anybody could

959
00:36:52,630 --> 00:36:50,079
just you know

960
00:36:54,230 --> 00:36:52,640
grab it and throw it in a fake note

961
00:36:56,390 --> 00:36:54,240
thing if they wanted to like it was

962
00:36:58,390 --> 00:36:56,400
incredibly it was hard to find

963
00:37:00,710 --> 00:36:58,400

a actual government

964

00:37:02,630 --> 00:37:00,720

website where it listed her on there in

965

00:37:05,829 --> 00:37:02,640

that role like it was hard it was

966

00:37:08,150 --> 00:37:05,839

difficult and it was on some like off

967

00:37:09,270 --> 00:37:08,160

obscure chart that i had to

968

00:37:11,829 --> 00:37:09,280

look at

969

00:37:13,829 --> 00:37:11,839

on a military or a government website

970

00:37:15,829 --> 00:37:13,839

and zoom in and everything and see the

971

00:37:16,950 --> 00:37:15,839

name in the role and and that's a real

972

00:37:19,430 --> 00:37:16,960

deal thing

973

00:37:20,950 --> 00:37:19,440

the other thing you know is there's a

974

00:37:23,109 --> 00:37:20,960

lot of other things in here like that

975

00:37:25,589 --> 00:37:23,119

but watch committee is one of them watch

976

00:37:27,030 --> 00:37:25,599

committee or gatekeepers as mentioned as

977

00:37:28,710 --> 00:37:27,040

far as the group that that's right you

978

00:37:30,630 --> 00:37:28,720

know is holding the secrets watch

979

00:37:33,430 --> 00:37:30,640

committee

980

00:37:35,349 --> 00:37:33,440

i'm sorry but no one

981

00:37:37,190 --> 00:37:35,359

not even richard dolan i don't think

982

00:37:38,950 --> 00:37:37,200

knew about the watch committee and that

983

00:37:40,950 --> 00:37:38,960

they really did exist

984

00:37:44,310 --> 00:37:40,960

and that they were a real government

985

00:37:47,670 --> 00:37:44,320

program and that in the 50s

986

00:37:49,589 --> 00:37:47,680

they actually did ufo investigations

987

00:37:51,510 --> 00:37:49,599

you know and they were came from the

988

00:37:53,910 --> 00:37:51,520

national indication center

989

00:37:54,870 --> 00:37:53,920

you know and it was their task to get

990

00:37:56,310 --> 00:37:54,880

all

991

00:37:57,910 --> 00:37:56,320

intelligence

992

00:38:01,349 --> 00:37:57,920

from the community

993

00:38:03,030 --> 00:38:01,359

as fast as possible from everybody

994

00:38:04,550 --> 00:38:03,040

and that means everything they got all

995

00:38:05,990 --> 00:38:04,560

the intelligence because it was their

996

00:38:07,270 --> 00:38:06,000

job to know if there was an imminent

997

00:38:09,750 --> 00:38:07,280

strike coming from somewhere in the

998

00:38:12,950 --> 00:38:09,760

world now who else would be looking at

999

00:38:14,710 --> 00:38:12,960

ufos in a group like that

1000

00:38:17,510 --> 00:38:14,720

they did

1001
00:38:18,630 --> 00:38:17,520
that's right and and and for for those

1002
00:38:20,710 --> 00:38:18,640
um

1003
00:38:23,589 --> 00:38:20,720
for those uh listening now or in the

1004
00:38:26,390 --> 00:38:23,599
future the watch committee um is

1005
00:38:28,790 --> 00:38:26,400
essentially the kind of go-between

1006
00:38:31,589 --> 00:38:28,800
um or it's it's it's talked about in the

1007
00:38:33,910 --> 00:38:31,599
wilson davis docks and and in other

1008
00:38:35,430 --> 00:38:33,920
places as being the go between the

1009
00:38:38,150 --> 00:38:35,440
go-between committee between the

1010
00:38:39,589 --> 00:38:38,160
pentagon and and or just the branches of

1011
00:38:43,030 --> 00:38:39,599
military and

1012
00:38:45,589 --> 00:38:43,040
and contractor programs um with with

1013
00:38:48,069 --> 00:38:45,599

aerospace companies and and defense

1014

00:38:52,310 --> 00:38:48,079

contractors things like this and so it's

1015

00:38:53,829 --> 00:38:52,320

at that point uh in 2002 um it was

1016

00:38:56,630 --> 00:38:53,839

reported that there were somewhere

1017

00:38:59,670 --> 00:38:56,640

between 300 and 400 names on what was

1018

00:39:02,870 --> 00:38:59,680

called a bigot list and this was the the

1019

00:39:07,510 --> 00:39:02,880

list of people that were allowed to know

1020

00:39:10,069 --> 00:39:07,520

about um these secret programs and and

1021

00:39:12,150 --> 00:39:10,079

wilson was not on this list and he was

1022

00:39:14,470 --> 00:39:12,160

briefly shown this list

1023

00:39:16,710 --> 00:39:14,480

and he said that he only recognized a

1024

00:39:18,870 --> 00:39:16,720

handful of the names on there as being

1025

00:39:21,510 --> 00:39:18,880

pentagon related and then pretty much

1026
00:39:24,150 --> 00:39:21,520
everybody else were affiliated with the

1027
00:39:27,349 --> 00:39:24,160
actual defense contractors themselves

1028
00:39:30,870 --> 00:39:27,359
and so basically you know that has been

1029
00:39:33,349 --> 00:39:30,880
a long-held piece of lore that that

1030
00:39:35,750 --> 00:39:33,359
the the way that some of these programs

1031
00:39:37,990 --> 00:39:35,760
have been able to keep their secrecy and

1032
00:39:39,829 --> 00:39:38,000
to keep away from government or

1033
00:39:41,589 --> 00:39:39,839
congressional oversight

1034
00:39:42,710 --> 00:39:41,599
is is by

1035
00:39:43,349 --> 00:39:42,720
being

1036
00:39:49,510 --> 00:39:43,359
in

1037
00:39:53,030 --> 00:39:49,520
one way or another

1038
00:39:55,349 --> 00:39:53,040

and and and by keeping it hidden in that

1039

00:39:57,670 --> 00:39:55,359

way you know if you

1040

00:39:59,349 --> 00:39:57,680

for example in the hearings last week

1041

00:40:01,510 --> 00:39:59,359

moultrie and bray were asked about

1042

00:40:04,150 --> 00:40:01,520

recovered material they're asked about

1043

00:40:06,069 --> 00:40:04,160

physical material and they were told and

1044

00:40:08,870 --> 00:40:06,079

they in the congressional subcommittee

1045

00:40:10,390 --> 00:40:08,880

was was told well the uap task force

1046

00:40:12,790 --> 00:40:10,400

didn't have it

1047

00:40:15,510 --> 00:40:12,800

and that was their way of of pushing it

1048

00:40:17,910 --> 00:40:15,520

off right yeah and anybody who's has

1049

00:40:19,589 --> 00:40:17,920

half a brain and was listening clearly

1050

00:40:21,349 --> 00:40:19,599

could see that they were using weasel

1051

00:40:23,270 --> 00:40:21,359

words to to

1052

00:40:25,589 --> 00:40:23,280

to get out of actually answering the

1053

00:40:26,790 --> 00:40:25,599

question because everybody knows the uap

1054

00:40:29,750 --> 00:40:26,800

task force

1055

00:40:31,829 --> 00:40:29,760

was literally two people at that point i

1056

00:40:33,270 --> 00:40:31,839

think and so yeah what they were just

1057

00:40:35,990 --> 00:40:33,280

hauling around

1058

00:40:37,990 --> 00:40:36,000

like a wounded ufo through the halls of

1059

00:40:39,109 --> 00:40:38,000

the of the pentagon themselves those two

1060

00:40:41,670 --> 00:40:39,119

people

1061

00:40:44,309 --> 00:40:41,680

uh yeah no that's not the way

1062

00:40:46,630 --> 00:40:44,319

that any of this probably works

1063

00:40:50,230 --> 00:40:46,640

no i don't think so

1064

00:40:53,190 --> 00:40:50,240

uh it just quickly you know the

1065

00:40:54,470 --> 00:40:53,200

watch committee just uh like march 6

1066

00:40:57,430 --> 00:40:54,480

1950

1067

00:40:59,589 --> 00:40:57,440

uh cia department of state army navy air

1068

00:41:01,190 --> 00:40:59,599

force and i'm not saying this is still

1069

00:41:03,750 --> 00:41:01,200

the group that

1070

00:41:05,430 --> 00:41:03,760

holds on to this stuff and throughout

1071

00:41:06,470 --> 00:41:05,440

the decades watch committee really

1072

00:41:08,550 --> 00:41:06,480

changed

1073

00:41:11,270 --> 00:41:08,560

and went from one thing to another

1074

00:41:13,030 --> 00:41:11,280

dissolved came back became other things

1075

00:41:13,750 --> 00:41:13,040

so you know but i'm just showing you

1076

00:41:17,190 --> 00:41:13,760

that

1077

00:41:20,069 --> 00:41:17,200

you know it it was a real thing so

1078

00:41:22,309 --> 00:41:20,079

um yeah and there's there's one uh

1079

00:41:23,510 --> 00:41:22,319

document in particular that

1080

00:41:24,630 --> 00:41:23,520

um

1081

00:41:28,150 --> 00:41:24,640

was

1082

00:41:30,230 --> 00:41:28,160

um really um probably the best as far as

1083

00:41:32,710 --> 00:41:30,240

the watch committee goes

1084

00:41:34,870 --> 00:41:32,720

and it actually mentioned

1085

00:41:37,829 --> 00:41:34,880

crash like uh

1086

00:41:38,710 --> 00:41:37,839

something to do with crashes but

1087

00:41:40,870 --> 00:41:38,720

you know

1088

00:41:43,670 --> 00:41:40,880

it's

1089

00:41:45,349 --> 00:41:43,680

here's one as late as 1973

1090

00:41:47,589 --> 00:41:45,359

rationalization of watch committee in

1091

00:41:49,030 --> 00:41:47,599

the nic national education center you

1092

00:41:51,829 --> 00:41:49,040

know so it's

1093

00:41:53,990 --> 00:41:51,839

been around for a long time

1094

00:41:55,670 --> 00:41:54,000

uh most definitely so

1095

00:42:13,030 --> 00:41:55,680

it

1096

00:42:15,829 --> 00:42:13,040

so the g2 if if you're not familiar for

1097

00:42:17,750 --> 00:42:15,839

some people is the arm of the the army

1098

00:42:20,790 --> 00:42:17,760

which is all over blue book

1099

00:42:22,150 --> 00:42:20,800

uh ufo reports

1100

00:42:23,349 --> 00:42:22,160

um so

1101
00:42:25,430 --> 00:42:23,359
you know there there's a lot of stuff

1102
00:42:28,150 --> 00:42:25,440
you can get lost and i got very lost as

1103
00:42:31,030 --> 00:42:28,160
you can see in the watch committee stuff

1104
00:42:32,150 --> 00:42:31,040
no but there's plenty there and

1105
00:42:33,910 --> 00:42:32,160
yeah

1106
00:42:35,589 --> 00:42:33,920
and that's and that's amazing i'm so

1107
00:42:37,589 --> 00:42:35,599
glad that you brought that up

1108
00:42:39,829 --> 00:42:37,599
you know and so this is an important

1109
00:42:42,069 --> 00:42:39,839
point because for those that say like

1110
00:42:42,950 --> 00:42:42,079
you know there are a few people online

1111
00:42:48,630 --> 00:42:42,960
that

1112
00:42:51,030 --> 00:42:48,640
ufo community

1113
00:42:53,510 --> 00:42:51,040

um and

1114

00:42:55,589 --> 00:42:53,520

you know they they often want to present

1115

00:42:57,670 --> 00:42:55,599

themselves as the arbiter of reality for

1116

00:43:01,270 --> 00:42:57,680

some reason as if they're a goalkeeper

1117

00:43:02,790 --> 00:43:01,280

for physical reality and

1118

00:43:04,790 --> 00:43:02,800

yeah there you go

1119

00:43:06,870 --> 00:43:04,800

and identified objects flag saucers

1120

00:43:08,550 --> 00:43:06,880

scroll down just a little bit the iac

1121

00:43:11,030 --> 00:43:08,560

requests the watch committee to give

1122

00:43:12,950 --> 00:43:11,040

close attention to indications which may

1123

00:43:17,349 --> 00:43:12,960

reflect russian actions that are being

1124

00:43:19,109 --> 00:43:17,359

taken with respect uh to flying saucers

1125

00:43:20,550 --> 00:43:19,119

yeah so so yeah

1126

00:43:22,870 --> 00:43:20,560

all right so

1127

00:43:26,550 --> 00:43:22,880

oh no but but this is this points out

1128

00:43:29,190 --> 00:43:26,560

that like it points out just how much if

1129

00:43:31,589 --> 00:43:29,200

these documents were fake

1130

00:43:32,470 --> 00:43:31,599

right that you would have had to have

1131

00:43:36,870 --> 00:43:32,480

had

1132

00:43:39,270 --> 00:43:36,880

somebody that knew thomas wilson so well

1133

00:43:42,470 --> 00:43:39,280

and eric davis so well

1134

00:43:44,069 --> 00:43:42,480

and to know so many key players in both

1135

00:43:45,750 --> 00:43:44,079

of their orbits

1136

00:43:47,910 --> 00:43:45,760

you know like the people that you've

1137

00:43:50,790 --> 00:43:47,920

mentioned like oak shannon like these

1138

00:43:52,790 --> 00:43:50,800

other names that are not household names

1139

00:43:55,270 --> 00:43:52,800

they weren't even they weren't ufology

1140

00:43:57,510 --> 00:43:55,280

names at the time they were they were

1141

00:43:58,630 --> 00:43:57,520

very very particular to very particular

1142

00:44:01,349 --> 00:43:58,640

circles

1143

00:44:05,109 --> 00:44:01,359

in the military industrial complex

1144

00:44:06,630 --> 00:44:05,119

you know and so like who had the

1145

00:44:09,190 --> 00:44:06,640

finances

1146

00:44:10,150 --> 00:44:09,200

to support you know some kind of like

1147

00:44:12,390 --> 00:44:10,160

crazy

1148

00:44:13,589 --> 00:44:12,400

private detective situation where they

1149

00:44:16,309 --> 00:44:13,599

followed

1150

00:44:18,950 --> 00:44:16,319

wilson and davis for years beforehand

1151

00:44:20,870 --> 00:44:18,960

just to to put together some like shabby

1152

00:44:23,109 --> 00:44:20,880

15-page document

1153

00:44:26,550 --> 00:44:23,119

uh of a one-hour conversation it's

1154

00:44:27,430 --> 00:44:26,560

really kind of a silly idea in a lot of

1155

00:44:30,150 --> 00:44:27,440

ways

1156

00:44:32,710 --> 00:44:30,160

you know oh it's very silly

1157

00:44:34,309 --> 00:44:32,720

but you know people are pretty silly so

1158

00:44:36,230 --> 00:44:34,319

i mean

1159

00:44:39,270 --> 00:44:36,240

it's just it's incredibly it's

1160

00:44:41,750 --> 00:44:39,280

incredibly hard thing uh for for for

1161

00:44:43,030 --> 00:44:41,760

somebody to fake and to take the time to

1162

00:44:45,430 --> 00:44:43,040

do that you have to be incredibly

1163

00:44:47,270 --> 00:44:45,440

knowledged knowledgeable to be able to

1164

00:44:48,950 --> 00:44:47,280

fake all the things that would have been

1165

00:44:53,190 --> 00:44:48,960

fake in these notes

1166

00:44:54,950 --> 00:44:53,200

and uh just being a ufologist who would

1167

00:44:57,109 --> 00:44:54,960

you know people would think would be the

1168

00:44:57,990 --> 00:44:57,119

ones that would want to fake it so to

1169

00:45:00,069 --> 00:44:58,000

speak

1170

00:45:01,990 --> 00:45:00,079

um to get attention or whatever they

1171

00:45:03,750 --> 00:45:02,000

would think you know it doesn't cut it

1172

00:45:05,190 --> 00:45:03,760

because there's too much in here that

1173

00:45:07,670 --> 00:45:05,200

just goes

1174

00:45:09,990 --> 00:45:07,680

uh above our heads

1175

00:45:12,150 --> 00:45:10,000

as far as that goes and you would have

1176

00:45:13,670 --> 00:45:12,160

to have some sort of insider access i

1177

00:45:15,030 --> 00:45:13,680

posted a drive link in the chat if

1178

00:45:16,950 --> 00:45:15,040

people want to look at those sorry for

1179

00:45:18,150 --> 00:45:16,960

scrolling through them so fast but i

1180

00:45:20,790 --> 00:45:18,160

just uh

1181

00:45:22,630 --> 00:45:20,800

i put a lot up you know because of those

1182

00:45:24,710 --> 00:45:22,640

because of these notes

1183

00:45:26,630 --> 00:45:24,720

is what made me look into the watch

1184

00:45:28,470 --> 00:45:26,640

committee and because i looked into the

1185

00:45:30,710 --> 00:45:28,480

watch committee i found all those

1186

00:45:32,470 --> 00:45:30,720

documents that i went through so that's

1187

00:45:35,589 --> 00:45:32,480

like you know if anything good came from

1188

00:45:37,589 --> 00:45:35,599

it i i figured that out that's beautiful

1189

00:45:39,670 --> 00:45:37,599

that's beautiful and then and katie

1190

00:45:42,069 --> 00:45:39,680

holland also points out in the chat that

1191

00:45:44,390 --> 00:45:42,079

you know and whoever would have put up

1192

00:45:47,829 --> 00:45:44,400

put this whole thing together you know

1193

00:45:50,630 --> 00:45:47,839

fake like following wilson following

1194

00:45:51,430 --> 00:45:50,640

davis enough to somehow you know be able

1195

00:45:55,030 --> 00:45:51,440

to

1196

00:45:57,670 --> 00:45:55,040

confabulate a

1197

00:45:59,589 --> 00:45:57,680

a fake pretend meeting between these two

1198

00:46:01,430 --> 00:45:59,599

highly improbable people to have gotten

1199

00:46:02,390 --> 00:46:01,440

together

1200

00:46:04,150 --> 00:46:02,400

you know

1201
00:46:06,390 --> 00:46:04,160
and then anybody that would have been

1202
00:46:09,270 --> 00:46:06,400
around then you know and then they what

1203
00:46:12,550 --> 00:46:09,280
they bury the document for 20 years

1204
00:46:14,870 --> 00:46:12,560
just for fun you know just for fun

1205
00:46:17,190 --> 00:46:14,880
knowing that they could confound people

1206
00:46:19,190 --> 00:46:17,200
that maybe hadn't even been born yet

1207
00:46:21,190 --> 00:46:19,200
like what's the point

1208
00:46:23,829 --> 00:46:21,200
and this whole game changes for for an

1209
00:46:25,910 --> 00:46:23,839
individual right if if you're just

1210
00:46:28,630 --> 00:46:25,920
finally ready to admit that there's

1211
00:46:31,030 --> 00:46:28,640
another non-human intelligence

1212
00:46:33,750 --> 00:46:31,040
that's visited earth and that very well

1213
00:46:35,349 --> 00:46:33,760

possibly is probably here on earth

1214

00:46:38,470 --> 00:46:35,359

and once you realize that once you

1215

00:46:40,230 --> 00:46:38,480

finally admit that like

1216

00:46:41,990 --> 00:46:40,240

you know

1217

00:46:43,910 --> 00:46:42,000

i think some people are afraid that once

1218

00:46:46,230 --> 00:46:43,920

you admit that that means that you're

1219

00:46:49,030 --> 00:46:46,240

just gullible and you believe everything

1220

00:46:49,910 --> 00:46:49,040

you know and that you're not

1221

00:46:52,069 --> 00:46:49,920

um

1222

00:46:54,390 --> 00:46:52,079

you know careful with what you believe

1223

00:46:56,470 --> 00:46:54,400

or or you know who you

1224

00:46:58,470 --> 00:46:56,480

talk to or whatever story it is and

1225

00:46:59,510 --> 00:46:58,480

that's just not the case you know you

1226
00:47:01,349 --> 00:46:59,520
have to know

1227
00:47:03,589 --> 00:47:01,359
if you're listening out there like you

1228
00:47:05,510 --> 00:47:03,599
can't believe that there's

1229
00:47:07,270 --> 00:47:05,520
non-human entities

1230
00:47:09,670 --> 00:47:07,280
you know on this earth visiting this

1231
00:47:11,990 --> 00:47:09,680
earth visiting people

1232
00:47:13,589 --> 00:47:12,000
and still think constructively and

1233
00:47:15,990 --> 00:47:13,599
critically

1234
00:47:18,230 --> 00:47:16,000
for yourself and that does not believe

1235
00:47:19,349 --> 00:47:18,240
that you just believe everything you

1236
00:47:22,150 --> 00:47:19,359
know

1237
00:47:25,270 --> 00:47:22,160
in fact the evidence is strongly uh in

1238
00:47:27,670 --> 00:47:25,280

the corner of non-human entities

1239

00:47:28,870 --> 00:47:27,680

i mean come on it's 75 years of this

1240

00:47:30,549 --> 00:47:28,880

stuff

1241

00:47:32,710 --> 00:47:30,559

longer really but

1242

00:47:35,589 --> 00:47:32,720

much longer yeah i mean

1243

00:47:38,790 --> 00:47:35,599

like since we've been able to document

1244

00:47:41,190 --> 00:47:38,800

it more accurately given given

1245

00:47:44,150 --> 00:47:41,200

technology in the growth of technology

1246

00:47:46,470 --> 00:47:44,160

yeah 75 80 years there but you know you

1247

00:47:47,910 --> 00:47:46,480

can look at books like wonders in the

1248

00:47:49,990 --> 00:47:47,920

sky by

1249

00:47:50,950 --> 00:47:50,000

jacques valle and chris allback to to

1250

00:47:52,710 --> 00:47:50,960

see

1251

00:47:54,309 --> 00:47:52,720

hundreds of cases that go back

1252

00:47:55,430 --> 00:47:54,319

throughout history you know right

1253

00:47:58,549 --> 00:47:55,440

there's

1254

00:48:01,109 --> 00:47:58,559

uap phenomena paranormal

1255

00:48:04,390 --> 00:48:01,119

paranormal phenomena the accounts of

1256

00:48:06,150 --> 00:48:04,400

experiencers in one way or another go it

1257

00:48:09,030 --> 00:48:06,160

goes back hundreds and hundreds of years

1258

00:48:10,710 --> 00:48:09,040

in in in cultures all over the world

1259

00:48:12,470 --> 00:48:10,720

um you know we're preaching to the choir

1260

00:48:13,910 --> 00:48:12,480

here in the audience but of course

1261

00:48:16,230 --> 00:48:13,920

sometimes it's uh sometimes it's

1262

00:48:17,750 --> 00:48:16,240

important to to to get back to the

1263

00:48:20,549 --> 00:48:17,760

baseline of what we're really talking

1264

00:48:23,030 --> 00:48:20,559

about and how ludicrous it would be to

1265

00:48:23,990 --> 00:48:23,040

say that this that this doesn't exist

1266

00:48:26,150 --> 00:48:24,000

you know

1267

00:48:27,750 --> 00:48:26,160

basically the gig is up especially

1268

00:48:29,589 --> 00:48:27,760

because we're talking to you know the

1269

00:48:33,030 --> 00:48:29,599

two of us are also experiencers of

1270

00:48:33,829 --> 00:48:33,040

ourselves of uh phenomenon so you know

1271

00:48:35,910 --> 00:48:33,839

it's

1272

00:48:38,230 --> 00:48:35,920

we get used to these situations where we

1273

00:48:40,069 --> 00:48:38,240

have to kind of like translate it and

1274

00:48:42,470 --> 00:48:40,079

kind of and kind of

1275

00:48:44,710 --> 00:48:42,480

not necessarily dumb it down but kind of

1276
00:48:46,309 --> 00:48:44,720
but kind of reduce it down to the lowest

1277
00:48:48,150 --> 00:48:46,319
common denominator so we can get it

1278
00:48:49,829 --> 00:48:48,160
across to people and sometimes we do

1279
00:48:52,069 --> 00:48:49,839
that through documents sometimes we do

1280
00:48:55,349 --> 00:48:52,079
that through these kinds of and oh my

1281
00:48:57,910 --> 00:48:55,359
god i got sirens so i'll wait

1282
00:48:59,270 --> 00:48:57,920
oh i think they're done okay great

1283
00:49:01,670 --> 00:48:59,280
i'm pretty sure they're not coming for

1284
00:49:03,990 --> 00:49:01,680
me this time but uh you know sounds like

1285
00:49:04,710 --> 00:49:04,000
a loud environment maybe hard to sleep

1286
00:49:05,560 --> 00:49:04,720
in

1287
00:49:07,510 --> 00:49:05,570
yeah yeah

1288
00:49:09,430 --> 00:49:07,520

[Laughter]

1289

00:49:11,190 --> 00:49:09,440

that's all right yeah do you want to

1290

00:49:13,349 --> 00:49:11,200

look at this website at all

1291

00:49:15,109 --> 00:49:13,359

sure yeah we can look at ufo joe's we

1292

00:49:17,190 --> 00:49:15,119

can look at his old drops we can look at

1293

00:49:18,710 --> 00:49:17,200

um we could look at the actual documents

1294

00:49:20,710 --> 00:49:18,720

themselves and we can do that reading

1295

00:49:23,030 --> 00:49:20,720

that that um katie holland already paid

1296

00:49:24,390 --> 00:49:23,040

us for sure we can do it yeah i can go a

1297

00:49:26,549 --> 00:49:24,400

little over if you'd like you know

1298

00:49:28,069 --> 00:49:26,559

that's absolutely fine you want to do a

1299

00:49:30,710 --> 00:49:28,079

little reading let's start at a certain

1300

00:49:32,390 --> 00:49:30,720

page how about that well let's start

1301

00:49:34,230 --> 00:49:32,400

well i mean we can start at the

1302

00:49:35,990 --> 00:49:34,240

beginning and then zip forward so that

1303

00:49:37,270 --> 00:49:36,000

people have like kind of like a scene

1304

00:49:38,069 --> 00:49:37,280

setting

1305

00:49:40,309 --> 00:49:38,079

um

1306

00:49:41,750 --> 00:49:40,319

well now my papers are all

1307

00:49:43,829 --> 00:49:41,760

are all messed up because i've been

1308

00:49:47,190 --> 00:49:43,839

flipping through them this whole time

1309

00:49:48,549 --> 00:49:47,200

but uh and i don't have it memorized yet

1310

00:49:50,790 --> 00:49:48,559

believe it or not

1311

00:49:52,470 --> 00:49:50,800

i just don't you know

1312

00:49:56,549 --> 00:49:52,480

but um

1313

00:50:00,470 --> 00:49:59,030

yeah okay so we'll start with page one

1314

00:50:02,710 --> 00:50:00,480

who do you want to be

1315

00:50:04,710 --> 00:50:02,720

um okay so

1316

00:50:06,309 --> 00:50:04,720

let's see why not

1317

00:50:07,750 --> 00:50:06,319

why don't you be thomas wilson because

1318

00:50:10,829 --> 00:50:07,760

then you get all the juicy lines and

1319

00:50:13,109 --> 00:50:10,839

then i'll be eric davis

1320

00:50:14,870 --> 00:50:13,119

um how about that

1321

00:50:16,470 --> 00:50:14,880

i should have well if i get to if i get

1322

00:50:18,069 --> 00:50:16,480

the juicy lines i'm gonna need a bigger

1323

00:50:19,990 --> 00:50:18,079

cut of that five bucks

1324

00:50:22,630 --> 00:50:20,000

okay that's fine okay

1325

00:50:25,349 --> 00:50:22,640

you get three i get two how's that okay

1326

00:50:28,150 --> 00:50:25,359

is all right okay all right let's do it

1327

00:50:29,910 --> 00:50:28,160

okay all right cool all right so um i

1328

00:50:32,309 --> 00:50:29,920

wish i c i wish i would have worn like a

1329

00:50:33,109 --> 00:50:32,319

really fun tie and like a really busy

1330

00:50:42,790 --> 00:50:33,119

right

1331

00:50:45,109 --> 00:50:42,800

download it inside of a car picture and

1332

00:50:47,270 --> 00:50:45,119

put it as our background yeah probably

1333

00:50:49,670 --> 00:50:47,280

that would probably be good

1334

00:50:51,109 --> 00:50:49,680

so this kind of set this stage go ahead

1335

00:50:52,309 --> 00:50:51,119

so we're setting the stage no while you

1336

00:50:55,910 --> 00:50:52,319

do that i'm just going to buy you some

1337

00:50:59,430 --> 00:50:55,920

time so okay uh so eric davis wrote

1338

00:51:00,309 --> 00:50:59,440

these notes i mean you know according to

1339

00:51:03,190 --> 00:51:00,319

many

1340

00:51:05,510 --> 00:51:03,200

people eric davis wrote these notes

1341

00:51:06,950 --> 00:51:05,520

probably the same day

1342

00:51:08,870 --> 00:51:06,960

as the meeting

1343

00:51:12,230 --> 00:51:08,880

and probably

1344

00:51:14,309 --> 00:51:12,240

right afterwards or soon thereafter

1345

00:51:17,589 --> 00:51:14,319

that's the understanding of what's

1346

00:51:19,910 --> 00:51:17,599

happening here and so again

1347

00:51:20,870 --> 00:51:19,920

eric davis

1348

00:51:23,990 --> 00:51:20,880

was

1349

00:51:25,829 --> 00:51:24,000

introduced through back channels um to

1350

00:51:28,470 --> 00:51:25,839

the i um

1351
00:51:29,589 --> 00:51:28,480
he wanted to meet with uh with thomas

1352
00:51:30,470 --> 00:51:29,599
wilson

1353
00:51:31,670 --> 00:51:30,480
who

1354
00:51:33,589 --> 00:51:31,680
uh

1355
00:51:35,349 --> 00:51:33,599
is a

1356
00:51:41,990 --> 00:51:35,359
what

1357
00:51:45,829 --> 00:51:43,670
yeah okay

1358
00:51:48,870 --> 00:51:45,839
so

1359
00:51:50,870 --> 00:51:48,880
man

1360
00:51:53,829 --> 00:51:50,880
no no no it's good just keep going keep

1361
00:51:55,510 --> 00:51:53,839
going with it it's fine it's fine

1362
00:51:56,710 --> 00:51:55,520
so okay

1363
00:52:02,950 --> 00:51:56,720

so

1364

00:52:04,950 --> 00:52:02,960

13th director of the defense

1365

00:52:05,950 --> 00:52:04,960

intelligence agency so this is like a

1366

00:52:11,829 --> 00:52:05,960

super

1367

00:52:13,990 --> 00:52:11,839

the defense intelligence agency

1368

00:52:16,470 --> 00:52:14,000

okay other flag rank assignments

1369

00:52:18,150 --> 00:52:16,480

included director of intelligence j2 he

1370

00:52:20,069 --> 00:52:18,160

was actually j-2 when this meeting

1371

00:52:21,750 --> 00:52:20,079

happened as i recalled so he was the

1372

00:52:23,430 --> 00:52:21,760

director of intelligence j2 for the

1373

00:52:25,750 --> 00:52:23,440

joint chiefs of staff

1374

00:52:27,589 --> 00:52:25,760

he's also associate director of central

1375

00:52:29,190 --> 00:52:27,599

intelligence for military support for

1376

00:52:30,790 --> 00:52:29,200

the cia

1377

00:52:32,390 --> 00:52:30,800

vice director of intelligence for the

1378

00:52:33,910 --> 00:52:32,400

joint chiefs of staff and director of

1379

00:52:36,549 --> 00:52:33,920

intelligence

1380

00:52:38,069 --> 00:52:36,559

at united states atlantic command

1381

00:52:40,230 --> 00:52:38,079

following retirement from the navy in

1382

00:52:41,510 --> 00:52:40,240

2002 he served in several senior

1383

00:52:43,349 --> 00:52:41,520

executive

1384

00:52:44,710 --> 00:52:43,359

roles for alliant tech systems

1385

00:52:47,829 --> 00:52:44,720

incorporated

1386

00:52:49,430 --> 00:52:47,839

and many other roles oh that's martha

1387

00:52:51,349 --> 00:52:49,440

griman by the way

1388

00:52:54,470 --> 00:52:51,359

that's a good point to bring up

1389

00:52:57,109 --> 00:52:54,480

thank you yeah and he's still alive uh

1390

00:52:58,950 --> 00:52:57,119

uh he's 76 years old and he still

1391

00:53:01,430 --> 00:52:58,960

adamantly denies that this meeting took

1392

00:53:02,630 --> 00:53:01,440

place all right so that's that's

1393

00:53:04,390 --> 00:53:02,640

that's a key

1394

00:53:05,349 --> 00:53:04,400

element what we're about to recreate

1395

00:53:08,150 --> 00:53:05,359

about

1396

00:53:10,069 --> 00:53:08,160

and and dr eric davis as we said at the

1397

00:53:11,829 --> 00:53:10,079

top of the show um

1398

00:53:13,829 --> 00:53:11,839

has has worked for the national

1399

00:53:16,069 --> 00:53:13,839

institute for discovery science for many

1400

00:53:20,870 --> 00:53:16,079

years he worked for earth tech under how

1401
00:53:21,910 --> 00:53:20,880
put off um he's he um was on the asap

1402
00:53:24,710 --> 00:53:21,920
project

1403
00:53:26,549 --> 00:53:24,720
so he's been a subcontractor for the d

1404
00:53:28,150 --> 00:53:26,559
for the defense intelligence agency

1405
00:53:30,470 --> 00:53:28,160
himself

1406
00:53:32,950 --> 00:53:30,480
and now he works for aerospace

1407
00:53:35,990 --> 00:53:32,960
corporation which is a conveniently

1408
00:53:36,870 --> 00:53:36,000
generically titled aerospace corporation

1409
00:53:38,390 --> 00:53:36,880
that

1410
00:53:40,870 --> 00:53:38,400
where he is based out of huntsville

1411
00:53:42,309 --> 00:53:40,880
alabama and we can at some point in the

1412
00:53:44,470 --> 00:53:42,319
future maybe we can talk a little bit

1413
00:53:47,109 --> 00:53:44,480

more about huntsville

1414

00:53:49,109 --> 00:53:47,119

so much to talk about yeah i know

1415

00:53:51,109 --> 00:53:49,119

this is such like a rich

1416

00:53:53,349 --> 00:53:51,119

cornucopia that just comes across from

1417

00:53:55,109 --> 00:53:53,359

this 15 pages of notes but

1418

00:53:56,790 --> 00:53:55,119

boy do i love that like this is

1419

00:53:57,670 --> 00:53:56,800

screenshot worthy right here this is

1420

00:53:58,790 --> 00:53:57,680

great

1421

00:54:00,790 --> 00:53:58,800

okay

1422

00:54:02,790 --> 00:54:00,800

it's my steering wheel by the way

1423

00:54:07,030 --> 00:54:02,800

that's good i like it the ring helps you

1424

00:54:08,390 --> 00:54:07,040

got it okay put the arm up next wait

1425

00:54:12,230 --> 00:54:08,400

yeah do you have your arm around me i

1426

00:54:12,240 --> 00:54:15,910

no

1427

00:54:20,150 --> 00:54:18,390

let me tell you something i heard some

1428

00:54:22,630 --> 00:54:20,160

stuff

1429

00:54:23,349 --> 00:54:22,640

like i'm like leaning away from you

1430

00:54:26,470 --> 00:54:23,359

all right

1431

00:54:29,829 --> 00:54:26,480

only manage a little bit of this before

1432

00:54:36,950 --> 00:54:33,589

okay so here we go uh eric so

1433

00:54:39,109 --> 00:54:36,960

october 16 2002

1434

00:54:42,150 --> 00:54:39,119

here we are

1435

00:54:43,270 --> 00:54:42,160

um so i'll i'll do the setup because i'm

1436

00:54:46,150 --> 00:54:43,280

eric davis

1437

00:54:48,950 --> 00:54:46,160

rich says to go to the eg g special

1438

00:54:52,309 --> 00:54:48,960

projects building at greer in paradise

1439

00:54:54,390 --> 00:54:52,319

quote meet at 10 am don't be late then

1440

00:54:56,470 --> 00:54:54,400

he says it's 10 10

1441

00:54:59,190 --> 00:54:56,480

and the admiral is late

1442

00:55:01,829 --> 00:54:59,200

uh he arrives with two navy officers in

1443

00:55:04,470 --> 00:55:01,839

uniform he's in a suit

1444

00:55:06,230 --> 00:55:04,480

a civilian suit

1445

00:55:07,829 --> 00:55:06,240

and then he says a petty officer is

1446

00:55:11,589 --> 00:55:07,839

driving the car

1447

00:55:12,950 --> 00:55:11,599

greetings with admiral wilson so they

1448

00:55:15,430 --> 00:55:12,960

have a little handshake back and forth

1449

00:55:18,549 --> 00:55:15,440

whatever that happened okay we sit in

1450

00:55:23,670 --> 00:55:18,559

his car in back of eg building

1451
00:55:25,670 --> 00:55:23,680
talk until 11 20. so this meeting was uh

1452
00:55:27,829 --> 00:55:25,680
an hour and 10 minutes long others

1453
00:55:30,069 --> 00:55:27,839
departed for building to attend meeting

1454
00:55:32,549 --> 00:55:30,079
inside at 10 10.

1455
00:55:35,750 --> 00:55:32,559
so they were apparently alone in the

1456
00:55:37,750 --> 00:55:35,760
back of admiral wilson's car in the eg

1457
00:55:40,230 --> 00:55:37,760
special projects building parking lot at

1458
00:55:42,870 --> 00:55:40,240
greer in paradise okay

1459
00:55:45,670 --> 00:55:42,880
hello uh the minute i saw your resume

1460
00:55:48,230 --> 00:55:45,680
u.s uniform services id copy air force

1461
00:55:49,990 --> 00:55:48,240
orders and physics papers rich cave i

1462
00:55:51,990 --> 00:55:50,000
knew who you were

1463
00:55:53,349 --> 00:55:52,000

put two and two together

1464

00:55:55,750 --> 00:55:53,359

figured you out

1465

00:55:57,270 --> 00:55:55,760

figured who you were

1466

00:55:59,270 --> 00:55:57,280

you don't want to talk about any career

1467

00:56:01,670 --> 00:55:59,280

dia history

1468

00:56:03,349 --> 00:56:01,680

no actually not

1469

00:56:05,990 --> 00:56:03,359

yeah i recalled phone call with oaky

1470

00:56:07,990 --> 00:56:06,000

shannon at phone about august 99 big

1471

00:56:09,910 --> 00:56:08,000

okay shannon fan if it was a band i'd

1472

00:56:12,870 --> 00:56:09,920

buy all their albums go back 10 years in

1473

00:56:14,870 --> 00:56:12,880

the navy before okie left for it

1474

00:56:16,549 --> 00:56:14,880

l.a

1475

00:56:19,030 --> 00:56:16,559

la no

1476

00:56:20,870 --> 00:56:19,040

sorry okay so so the band the band line

1477

00:56:23,750 --> 00:56:20,880

that wasn't actually in there but it was

1478

00:56:25,910 --> 00:56:23,760

an embellishment all right

1479

00:56:27,910 --> 00:56:25,920

okay keep going you got the next one too

1480

00:56:30,710 --> 00:56:27,920

oh red um

1481

00:56:33,270 --> 00:56:30,720

uh okay talk to two hours wanted to

1482

00:56:34,710 --> 00:56:33,280

convince to talk to me uh about what he

1483

00:56:37,750 --> 00:56:34,720

told will miller

1484

00:56:40,470 --> 00:56:37,760

uh june 97 april 97

1485

00:56:41,270 --> 00:56:40,480

regarding uh boston globe story leslie

1486

00:56:44,870 --> 00:56:41,280

keane

1487

00:56:48,710 --> 00:56:44,880

yep ufo topic crash retrieve ufo craft

1488

00:56:51,349 --> 00:56:48,720

bodies etc mj 12 like ufo organization

1489

00:56:54,069 --> 00:56:51,359

or cabal

1490

00:56:54,870 --> 00:56:54,079

so a brief pause here at

1491

00:56:56,630 --> 00:56:54,880

this

1492

00:56:59,030 --> 00:56:56,640

it's important to note that these notes

1493

00:57:01,430 --> 00:56:59,040

are apparently eric davis trying to do

1494

00:57:04,150 --> 00:57:01,440

kind of an immediate recollection of the

1495

00:57:06,069 --> 00:57:04,160

conversation pretty much start to finish

1496

00:57:08,870 --> 00:57:06,079

for the purposes of being able to

1497

00:57:12,230 --> 00:57:08,880

recount it to other people

1498

00:57:14,309 --> 00:57:12,240

uh in his closed circle that uh would

1499

00:57:16,390 --> 00:57:14,319

have an interest in this meeting or you

1500

00:57:19,510 --> 00:57:16,400

know uh were in his work circle

1501
00:57:20,390 --> 00:57:19,520
essentially right um and

1502
00:57:26,390 --> 00:57:20,400
so

1503
00:57:27,670 --> 00:57:26,400
they are kind of paraphrase quotes that

1504
00:57:29,670 --> 00:57:27,680
may have actually happened in the

1505
00:57:31,109 --> 00:57:29,680
conversation so that's pretty important

1506
00:57:32,390 --> 00:57:31,119
and it's also important to note that

1507
00:57:34,470 --> 00:57:32,400
pretty much everybody that works with

1508
00:57:36,630 --> 00:57:34,480
eric davis says he has a mind like a

1509
00:57:38,470 --> 00:57:36,640
steel trap he's like an exceedingly

1510
00:57:41,109 --> 00:57:38,480
sober person that is

1511
00:57:43,349 --> 00:57:41,119
borderline on the spectrum in terms of

1512
00:57:46,309 --> 00:57:43,359
like how he's able to recount

1513
00:57:48,950 --> 00:57:46,319

information conversation and that's seen

1514

00:57:50,789 --> 00:57:48,960

i've seen that to be true in in recorded

1515

00:57:52,710 --> 00:57:50,799

interviews with him

1516

00:57:54,309 --> 00:57:52,720

which is interesting to it like i've

1517

00:57:56,230 --> 00:57:54,319

we've all heard the movie script thing

1518

00:57:58,069 --> 00:57:56,240

if if this was a movie script you're not

1519

00:58:01,670 --> 00:57:58,079

going to put your personal notes after

1520

00:58:03,670 --> 00:58:01,680

every line you know like

1521

00:58:04,870 --> 00:58:03,680

that's right like you know like what he

1522

00:58:06,390 --> 00:58:04,880

writes in here

1523

00:58:09,030 --> 00:58:06,400

you know which is you know just

1524

00:58:10,950 --> 00:58:09,040

interesting so can uh as sean before we

1525

00:58:12,950 --> 00:58:10,960

continue can can you uh highlight

1526

00:58:14,230 --> 00:58:12,960

katie's this is the best five dollars i

1527

00:58:16,390 --> 00:58:14,240

ever spent and just leave it on the

1528

00:58:17,589 --> 00:58:16,400

frame for a little bit just because

1529

00:58:19,510 --> 00:58:17,599

you know

1530

00:58:22,150 --> 00:58:19,520

feel a little cheap but yeah there we go

1531

00:58:22,950 --> 00:58:22,160

no that's great yeah okay all right

1532

00:58:24,549 --> 00:58:22,960

thanks

1533

00:58:26,230 --> 00:58:24,559

just so we have someone to blame it on

1534

00:58:27,510 --> 00:58:26,240

if people are tuning in i get it that's

1535

00:58:30,069 --> 00:58:27,520

right that's right

1536

00:58:32,789 --> 00:58:31,910

so anyway i'll get back into my eric

1537

00:58:34,710 --> 00:58:32,799

davis

1538

00:58:37,349 --> 00:58:34,720

you got a big line coming up

1539

00:58:40,549 --> 00:58:37,359

what was said

1540

00:58:42,789 --> 00:58:40,559

uh confirmed greer miller mitchell gave

1541

00:58:45,190 --> 00:58:42,799

a talk in pentagon conference room

1542

00:58:48,950 --> 00:58:45,200

uh administration admin uh mike crawford

1543

00:58:53,349 --> 00:58:48,960

general pat hughes uses boss for present

1544

00:58:54,789 --> 00:58:53,359

uh date april 1997.

1545

00:58:56,549 --> 00:58:54,799

you should do like the thought bubbles

1546

00:58:58,789 --> 00:58:56,559

ed mitchell said four or nine edgar

1547

00:59:01,589 --> 00:58:58,799

mitchell said that this meeting happened

1548

00:59:04,309 --> 00:59:01,599

april 9th in 1997 and this was a long

1549

00:59:07,829 --> 00:59:04,319

rumored meeting um and so thomas wilson

1550

00:59:09,829 --> 00:59:07,839

confirming it at that time was big news

1551
00:59:12,789 --> 00:59:09,839
uh after group broke up miller wilson

1552
00:59:15,750 --> 00:59:12,799
talked privately two hours on ufos mj 12

1553
00:59:18,069 --> 00:59:15,760
roswell crashed ufos alien bodies

1554
00:59:21,109 --> 00:59:18,079
uh tw intrigue knew about intelligence

1555
00:59:23,030 --> 00:59:21,119
on u.s mill intel ufo close encounters

1556
00:59:25,109 --> 00:59:23,040
and foreign government encounters seen

1557
00:59:27,589 --> 00:59:25,119
records told miller

1558
00:59:29,990 --> 00:59:27,599
yes miller asked the question on mj12

1559
00:59:33,510 --> 00:59:30,000
ufo cabal crashed ufo

1560
00:59:35,829 --> 00:59:33,520
confirmed he called miller late june 97

1561
00:59:40,230 --> 00:59:35,839
and told that he miller was right there

1562
00:59:40,240 --> 00:59:43,270
what did you tell

1563
00:59:47,670 --> 00:59:44,789

i found it

1564

00:59:51,109 --> 00:59:47,680

where i looked who i talked to but did

1565

00:59:52,549 --> 00:59:51,119

not name everyone that's it

1566

00:59:55,030 --> 00:59:52,559

then i showed

1567

00:59:58,870 --> 00:59:55,040

i showed miller the letter

1568

01:00:02,470 --> 00:59:58,880

to me eric w davis dated april 25th

1569

01:00:03,990 --> 01:00:02,480

2002. and i asked

1570

01:00:05,990 --> 01:00:04,000

thomas wilson

1571

01:00:10,150 --> 01:00:06,000

to please evaluate

1572

01:00:14,150 --> 01:00:12,309

didn't tell miller everything

1573

01:00:16,390 --> 01:00:14,160

miller knows what i did in the pentagon

1574

01:00:18,309 --> 01:00:16,400

records group search but no more

1575

01:00:20,390 --> 01:00:18,319

miller can make good educated guess on

1576

01:00:21,750 --> 01:00:20,400

who contractors you know has alien

1577

01:00:24,150 --> 01:00:21,760

hardware

1578

01:00:26,309 --> 01:00:24,160

do not pay miller sounds hired up to pay

1579

01:00:29,030 --> 01:00:26,319

for a nice florida home and private

1580

01:00:30,789 --> 01:00:29,040

beach privilege

1581

01:00:32,789 --> 01:00:30,799

millar could give good advice on which

1582

01:00:34,390 --> 01:00:32,799

defense companies to look at that's all

1583

01:00:36,069 --> 01:00:34,400

he knows

1584

01:00:38,710 --> 01:00:36,079

about changes and then he then he

1585

01:00:40,470 --> 01:00:38,720

changes the subject

1586

01:00:43,990 --> 01:00:40,480

okay that's good

1587

01:00:47,829 --> 01:00:45,670

we did that for kitty

1588

01:00:49,829 --> 01:00:47,839

we did that for katie we could i mean we

1589

01:00:53,510 --> 01:00:49,839

could continue all all day with this but

1590

01:00:54,870 --> 01:00:53,520

uh all right go ahead i mean okay okay

1591

01:00:59,270 --> 01:00:54,880

so

1592

01:01:00,950 --> 01:00:59,280

there's actually an insert in the notes

1593

01:01:03,190 --> 01:01:00,960

and that's partially why this is

1594

01:01:06,230 --> 01:01:03,200

sometimes called the docs rather than a

1595

01:01:08,870 --> 01:01:06,240

doc is that there's an insert within

1596

01:01:12,789 --> 01:01:08,880

these shorthand notes where

1597

01:01:14,630 --> 01:01:12,799

where um davis had collated in

1598

01:01:18,470 --> 01:01:14,640

a a letter

1599

01:01:19,430 --> 01:01:18,480

to eric davis from will miller

1600

01:01:21,270 --> 01:01:19,440

all right

1601
01:01:24,710 --> 01:01:21,280
um and so

1602
01:01:27,589 --> 01:01:24,720
again this is a situation where if these

1603
01:01:28,630 --> 01:01:27,599
were fake notes and they weren't

1604
01:01:31,349 --> 01:01:28,640
you know

1605
01:01:33,990 --> 01:01:31,359
they weren't from eric davis himself

1606
01:01:36,870 --> 01:01:34,000
you know why would there be this letter

1607
01:01:37,670 --> 01:01:36,880
to eric davis with his address and on

1608
01:01:40,870 --> 01:01:37,680
this

1609
01:01:43,109 --> 01:01:40,880
official letterhead from will miller

1610
01:01:47,349 --> 01:01:43,119
from this conversation it's a little

1611
01:01:48,549 --> 01:01:47,359
silly so anyway this yeah right

1612
01:01:50,789 --> 01:01:48,559
um

1613
01:01:53,349 --> 01:01:50,799

and so

1614

01:01:54,470 --> 01:01:53,359

so then it goes back after will will

1615

01:01:56,630 --> 01:01:54,480

millers

1616

01:01:59,750 --> 01:01:56,640

uh

1617

01:02:03,270 --> 01:01:59,760

notes where he's saying like

1618

01:02:10,069 --> 01:02:06,390

talking about special teams craft senior

1619

01:02:11,190 --> 01:02:10,079

officials arvs area 51 and he's kind of

1620

01:02:20,309 --> 01:02:11,200

re

1621

01:02:22,069 --> 01:02:20,319

you know a lot of this conversation

1622

01:02:25,190 --> 01:02:22,079

rolls rolls around

1623

01:02:28,150 --> 01:02:25,200

not just what eric davis wants to know

1624

01:02:30,789 --> 01:02:28,160

but it's what hal put off wants to know

1625

01:02:32,230 --> 01:02:30,799

and that's like a key connecting point

1626
01:02:33,589 --> 01:02:32,240
um that

1627
01:02:35,990 --> 01:02:33,599
people

1628
01:02:38,390 --> 01:02:36,000
haven't really connected the dots on

1629
01:02:41,109 --> 01:02:38,400
and i i can't really like i don't want

1630
01:02:42,870 --> 01:02:41,119
to go too much further down that road

1631
01:02:44,950 --> 01:02:42,880
but you know

1632
01:02:47,109 --> 01:02:44,960
eric the idea that eric davis would have

1633
01:02:48,470 --> 01:02:47,119
done this on his own time for special

1634
01:02:50,390 --> 01:02:48,480
credit

1635
01:02:53,029 --> 01:02:50,400
right that he couldn't that he could

1636
01:02:54,630 --> 01:02:53,039
have pulled off this meeting on his own

1637
01:02:56,470 --> 01:02:54,640
right um is

1638
01:02:59,029 --> 01:02:56,480

is highly unlikely

1639

01:03:00,309 --> 01:02:59,039

and when he's going to do a meeting like

1640

01:03:02,390 --> 01:03:00,319

this

1641

01:03:04,549 --> 01:03:02,400

out there in nevada

1642

01:03:06,470 --> 01:03:04,559

you have to think you have to remember

1643

01:03:08,069 --> 01:03:06,480

who was in nevada and who was he working

1644

01:03:10,950 --> 01:03:08,079

for at the time and who was he working

1645

01:03:13,750 --> 01:03:10,960

for around that time

1646

01:03:16,470 --> 01:03:13,760

you know bob bigelow right casino bosses

1647

01:03:19,029 --> 01:03:16,480

or bob bigelow yeah right and who is his

1648

01:03:21,430 --> 01:03:19,039

direct supervisor during these years and

1649

01:03:23,750 --> 01:03:21,440

years following uh hell buddha yeah

1650

01:03:25,910 --> 01:03:23,760

that's right that's right so

1651

01:03:28,069 --> 01:03:25,920

anyway um it's

1652

01:03:29,829 --> 01:03:28,079

when when people when people look at

1653

01:03:31,829 --> 01:03:29,839

these documents it's important to just

1654

01:03:34,630 --> 01:03:31,839

kind of like go the extra go the extra

1655

01:03:36,390 --> 01:03:34,640

two steps and you know that sure there's

1656

01:03:39,029 --> 01:03:36,400

a little bit of conjecture there but it

1657

01:03:40,870 --> 01:03:39,039

helps fill out the picture in in in

1658

01:03:42,630 --> 01:03:40,880

quite a serious way

1659

01:03:45,109 --> 01:03:42,640

yeah um

1660

01:03:46,630 --> 01:03:45,119

that was great that was great especially

1661

01:03:48,789 --> 01:03:46,640

the acting part

1662

01:03:50,390 --> 01:03:48,799

i love doing that with you i love how i

1663

01:03:52,950 --> 01:03:50,400

can just be silly and then you reign it

1664

01:03:55,750 --> 01:03:52,960

in with intelligence and seriousness so

1665

01:03:56,549 --> 01:03:55,760

oh i appreciate that well don't oversell

1666

01:03:59,109 --> 01:03:56,559

me

1667

01:04:00,710 --> 01:03:59,119

um but

1668

01:04:02,069 --> 01:04:00,720

but basically over the course of the

1669

01:04:03,910 --> 01:04:02,079

rest of the docs and people should

1670

01:04:05,349 --> 01:04:03,920

really look at them these themselves and

1671

01:04:07,029 --> 01:04:05,359

it would be helpful since we're already

1672

01:04:08,309 --> 01:04:07,039

in overtime i mean we could go into a

1673

01:04:11,349 --> 01:04:08,319

whole nother show about the rest of

1674

01:04:13,910 --> 01:04:11,359

these talks and we can you know but it's

1675

01:04:16,150 --> 01:04:13,920

important to recognize that that okay a

1676

01:04:19,990 --> 01:04:16,160

look at the docs themselves b there have

1677

01:04:21,910 --> 01:04:20,000

been several really really great um

1678

01:04:24,549 --> 01:04:21,920

kind of

1679

01:04:26,789 --> 01:04:24,559

histories of these notes and the chain

1680

01:04:28,710 --> 01:04:26,799

of custody and things like that from the

1681

01:04:30,870 --> 01:04:28,720

time when they were leaked

1682

01:04:32,950 --> 01:04:30,880

and some of that goes into kind of the

1683

01:04:35,190 --> 01:04:32,960

history from before

1684

01:04:36,950 --> 01:04:35,200

the public week when people had been

1685

01:04:37,829 --> 01:04:36,960

already talking about this for a little

1686

01:04:40,950 --> 01:04:37,839

bit

1687

01:04:41,750 --> 01:04:40,960

and so um people should definitely check

1688

01:04:44,230 --> 01:04:41,760

out

1689

01:04:47,510 --> 01:04:44,240

um i think giuliano's

1690

01:04:50,390 --> 01:04:47,520

um juliana marinkovich um his his

1691

01:04:51,750 --> 01:04:50,400

history over on omnitalk radio um is a

1692

01:04:57,190 --> 01:04:51,760

good one to do

1693

01:04:59,589 --> 01:04:57,200

joe has a four part

1694

01:05:03,109 --> 01:04:59,599

very exhaustive kind of history of it

1695

01:05:07,349 --> 01:05:04,630

i mean exactly

1696

01:05:09,190 --> 01:05:07,359

not exhausted exhaustive like he's like

1697

01:05:11,829 --> 01:05:09,200

he goes into an extraordinary amount of

1698

01:05:14,470 --> 01:05:11,839

detail admirable admirable detail

1699

01:05:16,069 --> 01:05:14,480

definitely um absolutely and so people

1700

01:05:18,630 --> 01:05:16,079

should we should put those in the show

1701

01:05:20,549 --> 01:05:18,640

notes maybe or or or uh you know

1702

01:05:23,349 --> 01:05:20,559

recirculate them on on twitter after the

1703

01:05:25,829 --> 01:05:23,359

show because yeah there's a lot of great

1704

01:05:27,990 --> 01:05:25,839

history here and unfortunately it can't

1705

01:05:29,750 --> 01:05:28,000

all be fit into a one-hour program but

1706

01:05:31,829 --> 01:05:29,760

um is there anything else that you'd

1707

01:05:33,670 --> 01:05:31,839

like to go into or i can go into a

1708

01:05:35,349 --> 01:05:33,680

little bit more overtime if you'd like

1709

01:05:37,430 --> 01:05:35,359

yeah i mean i'm not doing anything i'm

1710

01:05:38,549 --> 01:05:37,440

not busy i could i could use a break but

1711

01:05:40,549 --> 01:05:38,559

other than that

1712

01:05:41,670 --> 01:05:40,559

um i'm having a good time

1713

01:05:44,549 --> 01:05:41,680

so okay

1714

01:05:46,549 --> 01:05:44,559

um let's see let's check out um

1715

01:05:47,990 --> 01:05:46,559

would be an interesting show on harold

1716

01:05:49,589 --> 01:05:48,000

it says james world let's just look

1717

01:05:52,230 --> 01:05:49,599

through the chat a little bit here

1718

01:05:54,230 --> 01:05:52,240

someone make a uap playing card deck for

1719

01:05:56,630 --> 01:05:54,240

reference of key figures it says katie

1720

01:05:58,630 --> 01:05:56,640

allen that's a great idea

1721

01:06:00,470 --> 01:05:58,640

it's i i wish i would have thought of it

1722

01:06:01,270 --> 01:06:00,480

because someone's gonna do it now and

1723

01:06:07,109 --> 01:06:01,280

probably

1724

01:06:10,789 --> 01:06:08,950

that's really

1725

01:06:13,270 --> 01:06:10,799

i love how you went directly from that

1726

01:06:14,630 --> 01:06:13,280
to getting screwed in the future

1727

01:06:21,270 --> 01:06:14,640
by somebody

1728

01:06:26,069 --> 01:06:23,990
would be a great idea like uh

1729

01:06:28,150 --> 01:06:26,079
yeah or like a scene it

1730

01:06:30,069 --> 01:06:28,160
yep yeah yeah those kind of games seen

1731

01:06:32,950 --> 01:06:30,079
it sure yeah yeah that would be pretty

1732

01:06:35,510 --> 01:06:32,960
good so i shared uh omnitalk's uh

1733

01:06:39,750 --> 01:06:35,520
website in the in the chat there and i

1734

01:06:41,910 --> 01:06:39,760
did uh ufo joes previously some people

1735

01:06:43,270 --> 01:06:41,920
got it somebody screenshotted our

1736

01:06:44,230 --> 01:06:43,280
picture already

1737

01:06:46,630 --> 01:06:44,240
yeah

1738

01:06:51,029 --> 01:06:46,640

jan john simulating meeting in car love

1739

01:06:55,190 --> 01:06:53,270

oh that's great and uh

1740

01:06:58,309 --> 01:06:55,200

and one other um

1741

01:07:02,069 --> 01:06:58,319

and and one other key well actually two

1742

01:07:03,990 --> 01:07:02,079

um two other key places to go to kind of

1743

01:07:06,069 --> 01:07:04,000

do a little bit of follow-up research

1744

01:07:08,470 --> 01:07:06,079

and we could go into these in in like a

1745

01:07:10,069 --> 01:07:08,480

future show if you'd like to um

1746

01:07:12,950 --> 01:07:10,079

that uh

1747

01:07:14,710 --> 01:07:12,960

would be richard dolan did a really

1748

01:07:17,109 --> 01:07:14,720

great breakdown

1749

01:07:18,950 --> 01:07:17,119

of of the notes themselves and he went

1750

01:07:20,069 --> 01:07:18,960

page by page he didn't do all the voices

1751

01:07:22,950 --> 01:07:20,079

like we do

1752

01:07:25,430 --> 01:07:22,960

and um you know he i don't even think he

1753

01:07:29,829 --> 01:07:25,440

has a beard in that one no i think he

1754

01:07:32,150 --> 01:07:29,839

does but um but um so uh rich

1755

01:07:34,230 --> 01:07:32,160

has a pretty great breakdown going

1756

01:07:36,069 --> 01:07:34,240

through page by page and really kind of

1757

01:07:38,390 --> 01:07:36,079

breaking down the key players

1758

01:07:40,549 --> 01:07:38,400

what their job what their roles were

1759

01:07:43,910 --> 01:07:40,559

what their history was how they knew

1760

01:07:45,510 --> 01:07:43,920

davis and wilson it's

1761

01:07:47,190 --> 01:07:45,520

it's a pretty key

1762

01:07:48,789 --> 01:07:47,200

um video and it came out right when the

1763

01:07:51,670 --> 01:07:48,799

drop happened right when the leak

1764

01:07:53,589 --> 01:07:51,680

happened so that's that's a pretty key

1765

01:07:57,029 --> 01:07:53,599

um place to go

1766

01:07:57,829 --> 01:07:57,039

and one other place to go would be

1767

01:07:59,510 --> 01:07:57,839

um

1768

01:08:01,349 --> 01:07:59,520

that there was

1769

01:08:03,109 --> 01:08:01,359

uh

1770

01:08:04,309 --> 01:08:03,119

project unity

1771

01:08:07,910 --> 01:08:04,319

um

1772

01:08:11,589 --> 01:08:07,920

jay from project unity had a guy on

1773

01:08:14,230 --> 01:08:11,599

named mr x and around when this leak

1774

01:08:16,390 --> 01:08:14,240

happened and you know we can we can

1775

01:08:17,910 --> 01:08:16,400

scoff at mr x but i know who i know who

1776

01:08:18,789 --> 01:08:17,920

mr x is

1777

01:08:19,910 --> 01:08:18,799

um

1778

01:08:21,669 --> 01:08:19,920

he was somebody that was kind of

1779

01:08:22,870 --> 01:08:21,679

floating around the richard dolan orbit

1780

01:08:24,390 --> 01:08:22,880

at the time

1781

01:08:26,309 --> 01:08:24,400

and um

1782

01:08:29,110 --> 01:08:26,319

and mr x

1783

01:08:31,749 --> 01:08:29,120

and j project unity did a really

1784

01:08:35,030 --> 01:08:31,759

exhaustive breakdown as well so if

1785

01:08:38,149 --> 01:08:35,040

you're if after us after ufo joe after

1786

01:08:40,070 --> 01:08:38,159

all of this if you still want to go into

1787

01:08:43,590 --> 01:08:40,080

really granular detail

1788

01:08:45,510 --> 01:08:43,600

uh jproject unity and mr x did a six

1789

01:08:47,749 --> 01:08:45,520

hour deep dive

1790

01:08:50,229 --> 01:08:47,759

into the history

1791

01:08:52,470 --> 01:08:50,239

uh the the chain of custody what the

1792

01:08:53,430 --> 01:08:52,480

notes meant where like where you can

1793

01:08:55,430 --> 01:08:53,440

kind of

1794

01:08:57,510 --> 01:08:55,440

take all of the threads in these

1795

01:09:00,390 --> 01:08:57,520

documents and they did a really

1796

01:09:02,309 --> 01:09:00,400

admirable job you know

1797

01:09:03,590 --> 01:09:02,319

and people people can think whatever

1798

01:09:05,349 --> 01:09:03,600

they want of certain people's

1799

01:09:07,269 --> 01:09:05,359

personalities or whatever but that was

1800

01:09:08,229 --> 01:09:07,279

that was a really good deep dive there

1801
01:09:09,749 --> 01:09:08,239
sure

1802
01:09:11,829 --> 01:09:09,759
um do you

1803
01:09:14,149 --> 01:09:11,839
do you feel like you want to keep going

1804
01:09:15,829 --> 01:09:14,159
you got something to do

1805
01:09:17,829 --> 01:09:15,839
well um were you just going to leave me

1806
01:09:19,349 --> 01:09:17,839
while you go smoke a cigarette and then

1807
01:09:21,990 --> 01:09:19,359
well we could take a break i was gonna

1808
01:09:23,349 --> 01:09:22,000
put up a like a one of my songs just as

1809
01:09:24,950 --> 01:09:23,359
like a break thing

1810
01:09:26,870 --> 01:09:24,960
oh sure okay yeah we could do it we

1811
01:09:28,309 --> 01:09:26,880
could do a few we could do a few more

1812
01:09:31,269 --> 01:09:28,319
minutes after you yeah you can do a

1813
01:09:32,390 --> 01:09:31,279

little bit of that okay

1814

01:09:34,789 --> 01:09:32,400

we'll be

1815

01:09:37,030 --> 01:09:34,799

right back how about that

1816

01:09:39,910 --> 01:09:37,040

and we'll just go until someone says i

1817

01:09:42,420 --> 01:09:39,920

got something else to do sorry

1818

01:09:56,220 --> 01:09:42,430

is that fair

1819

01:09:56,230 --> 01:10:07,830

[Music]

1820

01:10:13,430 --> 01:10:09,230

supposedly

1821

01:10:13,440 --> 01:10:18,740

it's phenomenal

1822

01:10:21,880 --> 01:10:20,149

[Music]

1823

01:10:25,910 --> 01:10:21,890

recklessly

1824

01:10:29,670 --> 01:10:27,189

like love

1825

01:10:37,830 --> 01:10:29,680

for my girl

1826
01:10:40,910 --> 01:10:37,840
[Music]

1827
01:10:44,070 --> 01:10:40,920
you could say a fire is still

1828
01:10:48,040 --> 01:10:44,080
[Music]

1829
01:10:49,990 --> 01:10:48,050
i'm banging on a drum of the fortune

1830
01:10:52,870 --> 01:10:50,000
[Music]

1831
01:10:55,750 --> 01:10:52,880
blood pumping for

1832
01:10:57,940 --> 01:10:55,760
unrealistic

1833
01:10:59,669 --> 01:10:57,950
don't let the world

1834
01:11:01,270 --> 01:10:59,679
[Music]

1835
01:11:05,590 --> 01:11:01,280
kill your spirit

1836
01:11:17,510 --> 01:11:08,410
i could

1837
01:11:19,510 --> 01:11:17,520
[Music]

1838
01:11:22,870 --> 01:11:19,520

don't let the world

1839

01:11:24,229 --> 01:11:22,880

[Music]

1840

01:11:27,890 --> 01:11:24,239

kill

1841

01:11:33,670 --> 01:11:29,590

[Music]

1842

01:11:44,229 --> 01:11:33,680

like a silver girl

1843

01:11:49,910 --> 01:11:45,530

hopelessly

1844

01:11:51,980 --> 01:11:49,920

[Music]

1845

01:11:55,910 --> 01:11:51,990

all good

1846

01:11:58,800 --> 01:11:55,920

[Music]

1847

01:11:58,800 --> 01:11:58,810

loosely

1848

01:12:08,310 --> 01:12:01,990

[Music]

1849

01:12:08,320 --> 01:12:13,910

peacefully

1850

01:12:19,669 --> 01:12:16,770

till i know it's enough

1851
01:12:26,310 --> 01:12:19,679
[Music]

1852
01:12:31,910 --> 01:12:28,970
see a fire is still lit

1853
01:12:37,910 --> 01:12:31,920
[Music]

1854
01:12:43,990 --> 01:12:41,110
blood pumping

1855
01:12:47,750 --> 01:12:44,000
or unrealistic

1856
01:12:53,669 --> 01:12:50,460
kill your spirit

1857
01:13:05,750 --> 01:12:55,990
like a silver girl

1858
01:13:07,770 --> 01:13:05,760
[Music]

1859
01:13:11,430 --> 01:13:07,780
don't let the world

1860
01:13:21,760 --> 01:13:14,040
kill your spirit

1861
01:13:21,770 --> 01:13:29,750
[Music]

1862
01:13:29,760 --> 01:13:35,030
don't let the world

1863
01:13:40,550 --> 01:13:37,770

kill your spirits what's up everybody

1864

01:13:43,110 --> 01:13:40,560

[Music]

1865

01:13:47,350 --> 01:13:43,120

thanks for listening

1866

01:13:47,360 --> 01:13:50,630

i do appreciate it

1867

01:13:55,910 --> 01:13:53,990

hope you dig it it's not too bad for you

1868

01:13:57,270 --> 01:13:55,920

mr j

1869

01:13:58,630 --> 01:13:57,280

what's up buddy

1870

01:14:00,390 --> 01:13:58,640

ed

1871

01:14:01,510 --> 01:14:00,400

i like that song

1872

01:14:03,990 --> 01:14:01,520

thank you

1873

01:14:06,870 --> 01:14:04,000

it's it's an emotional one uh i wrote

1874

01:14:10,950 --> 01:14:06,880

that after our interview

1875

01:14:15,430 --> 01:14:13,590

uh we did an interview with this irish

1876

01:14:18,870 --> 01:14:15,440

guy

1877

01:14:20,550 --> 01:14:18,880

oh james tunney yeah james tunney and uh

1878

01:14:23,750 --> 01:14:20,560

you were talking about spirit and all

1879

01:14:26,390 --> 01:14:23,760

that kind of stuff and you know for sure

1880

01:14:29,430 --> 01:14:26,400

kind of getting away from from ourselves

1881

01:14:31,590 --> 01:14:29,440

and our spirit and um

1882

01:14:33,270 --> 01:14:31,600

like even just like nuts and bolts and

1883

01:14:35,830 --> 01:14:33,280

you know talking about just ships and

1884

01:14:38,550 --> 01:14:35,840

hardware all the time and and we forget

1885

01:14:39,510 --> 01:14:38,560

about our own consciousness and

1886

01:14:40,870 --> 01:14:39,520

in

1887

01:14:42,630 --> 01:14:40,880

you know the role that that probably

1888

01:14:44,470 --> 01:14:42,640

plays in this and i just said on twitter

1889

01:14:46,709 --> 01:14:44,480

the other day like i think the one thing

1890

01:14:49,030 --> 01:14:46,719

that gets left out about a lot of this

1891

01:14:50,229 --> 01:14:49,040

stuff is the human emotion i mean what

1892

01:14:53,830 --> 01:14:50,239

what

1893

01:14:55,750 --> 01:14:53,840

you know and a lot of that came from um

1894

01:14:58,149 --> 01:14:55,760

from him and that inspiration from him

1895

01:14:59,669 --> 01:14:58,159

in in the talk about uh mo you know what

1896

01:15:01,750 --> 01:14:59,679

an experience is

1897

01:15:03,110 --> 01:15:01,760

just an experience but it's about the

1898

01:15:07,030 --> 01:15:03,120

effect

1899

01:15:07,910 --> 01:15:07,040

that the experience had on you

1900

01:15:11,750 --> 01:15:07,920

and

1901

01:15:13,750 --> 01:15:11,760

kind of the most important part of

1902

01:15:15,510 --> 01:15:13,760

almost all of this really you know even

1903

01:15:16,630 --> 01:15:15,520

if you're not an experimenter what's the

1904

01:15:19,189 --> 01:15:16,640

effect that

1905

01:15:21,110 --> 01:15:19,199

watching these videos you know or or

1906

01:15:23,590 --> 01:15:21,120

thinking about this has on you a

1907

01:15:26,550 --> 01:15:23,600

different kind of life a bigger universe

1908

01:15:28,950 --> 01:15:26,560

that has an effect on you um and

1909

01:15:30,630 --> 01:15:28,960

you know that's that's a big deal

1910

01:15:32,709 --> 01:15:30,640

absolutely and it's a really great

1911

01:15:33,669 --> 01:15:32,719

balance point to these

1912

01:15:36,390 --> 01:15:33,679

to

1913

01:15:38,790 --> 01:15:36,400

hearings and things like that you're

1914

01:15:40,229 --> 01:15:38,800

absolutely right you know we often need

1915

01:15:42,310 --> 01:15:40,239

new frameworks

1916

01:15:44,390 --> 01:15:42,320

for how we understand

1917

01:15:46,709 --> 01:15:44,400

the world around us when we consider

1918

01:15:48,390 --> 01:15:46,719

these topics and how we can even

1919

01:15:49,510 --> 01:15:48,400

understand ourselves

1920

01:15:52,149 --> 01:15:49,520

you know

1921

01:15:53,350 --> 01:15:52,159

and and it's important to remember that

1922

01:15:55,910 --> 01:15:53,360

because

1923

01:15:56,709 --> 01:15:55,920

when it comes down to it as many of us

1924

01:15:59,189 --> 01:15:56,719

know

1925

01:16:01,030 --> 01:15:59,199

that if if you've been in this field for

1926

01:16:04,070 --> 01:16:01,040

any length of time at all you recognize

1927

01:16:06,630 --> 01:16:04,080

that the physical the documents

1928

01:16:08,310 --> 01:16:06,640

you know the the trace evidence and

1929

01:16:10,390 --> 01:16:08,320

things like that that's

1930

01:16:12,229 --> 01:16:10,400

you know maybe that's five percent maybe

1931

01:16:13,510 --> 01:16:12,239

that's two percent of

1932

01:16:20,229 --> 01:16:13,520

of

1933

01:16:22,390 --> 01:16:20,239

about the cases about the accounts what

1934

01:16:25,910 --> 01:16:22,400

may have happened to yourself

1935

01:16:28,390 --> 01:16:25,920

you know and and what it really what it

1936

01:16:31,030 --> 01:16:28,400

really implies about a richer

1937

01:16:33,669 --> 01:16:31,040

ecosystem a richer world a richer inner

1938

01:16:35,990 --> 01:16:33,679

life and a richer outer life it's it's a

1939

01:16:38,470 --> 01:16:36,000

lot to take in you know and it's

1940

01:16:40,390 --> 01:16:38,480

important to remember that the aspect of

1941

01:16:41,910 --> 01:16:40,400

consciousness your emotional life all

1942

01:16:44,550 --> 01:16:41,920

these things and

1943

01:16:47,270 --> 01:16:44,560

to try to be able to integrate it into

1944

01:16:48,630 --> 01:16:47,280

the life that we have ahead of us

1945

01:16:50,390 --> 01:16:48,640

i i mean i think he said that

1946

01:16:52,550 --> 01:16:50,400

beautifully um

1947

01:16:54,630 --> 01:16:52,560

as many documents as i've read in the

1948

01:16:56,950 --> 01:16:54,640

past year and a half two years

1949

01:17:00,630 --> 01:16:56,960

which is a lot

1950

01:17:02,149 --> 01:17:00,640

you know it's like i don't have time to

1951

01:17:04,229 --> 01:17:02,159

even read books for the most part

1952

01:17:06,470 --> 01:17:04,239

because because of like my books have

1953

01:17:08,070 --> 01:17:06,480

become blue book documents or or other

1954

01:17:10,550 --> 01:17:08,080

research documents

1955

01:17:11,990 --> 01:17:10,560

you know and i've learned so much uh

1956

01:17:14,070 --> 01:17:12,000

throughout that

1957

01:17:16,870 --> 01:17:14,080

and a couple of the things

1958

01:17:19,110 --> 01:17:16,880

that that stick with me the most is is

1959

01:17:23,990 --> 01:17:19,120

what uh experiencers

1960

01:17:25,110 --> 01:17:24,000

um have to live with every day which is

1961

01:17:27,750 --> 01:17:25,120

um

1962

01:17:29,669 --> 01:17:27,760

no one really believes me do i even

1963

01:17:31,669 --> 01:17:29,679

believe myself

1964

01:17:33,590 --> 01:17:31,679

well why do i even talk about this why

1965

01:17:34,310 --> 01:17:33,600

do i report that you know back then i

1966

01:17:36,790 --> 01:17:34,320

was

1967

01:17:38,470 --> 01:17:36,800

reporting this to people so many reports

1968

01:17:39,910 --> 01:17:38,480

civilian reports

1969

01:17:41,510 --> 01:17:39,920

everyone talks about the air force

1970

01:17:44,310 --> 01:17:41,520

reports and everything

1971

01:17:46,550 --> 01:17:44,320

or military reports but there's so many

1972

01:17:49,910 --> 01:17:46,560

civilian reports of

1973

01:17:52,950 --> 01:17:49,920

where they were listed as um you know

1974

01:17:54,870 --> 01:17:52,960

respectable people not excitable didn't

1975

01:17:57,030 --> 01:17:54,880

want publicity

1976

01:17:58,709 --> 01:17:57,040

you know and still were more or less

1977

01:18:00,470 --> 01:17:58,719

told to buzz off

1978

01:18:03,189 --> 01:18:00,480

like the one i showed today on twitter

1979

01:18:04,870 --> 01:18:03,199

about uh like there was a landing or

1980

01:18:07,430 --> 01:18:04,880

whatever like a supposed landing and

1981

01:18:09,189 --> 01:18:07,440

they were measuring it or whatever

1982

01:18:12,630 --> 01:18:09,199

and they showed the depressions and

1983

01:18:14,550 --> 01:18:12,640

stuff of it this guy it's in in in the

1984

01:18:17,350 --> 01:18:14,560

like synopsis they go oh these are kind

1985

01:18:19,270 --> 01:18:17,360

of like uh markings animals around here

1986

01:18:21,110 --> 01:18:19,280

i have been known to

1987

01:18:24,070 --> 01:18:21,120

make and whatever it's like the guy saw

1988

01:18:25,510 --> 01:18:24,080

it the guy saw the thing

1989

01:18:27,350 --> 01:18:25,520

in the sky

1990

01:18:29,110 --> 01:18:27,360

go to the spot

1991

01:18:30,870 --> 01:18:29,120

yeah you know and you're you're saying

1992

01:18:33,910 --> 01:18:30,880

that the guy doesn't

1993

01:18:37,030 --> 01:18:33,920

want publicity he would deny it if he

1994

01:18:37,990 --> 01:18:37,040

gave it you know if somebody

1995

01:18:40,470 --> 01:18:38,000

you know

1996

01:18:42,709 --> 01:18:40,480

told somebody else about his story

1997

01:18:45,350 --> 01:18:42,719

and you're sitting here saying he didn't

1998

01:18:48,470 --> 01:18:45,360

see it because an animal made it you

1999

01:18:52,630 --> 01:18:48,480

know or whatever and it's like

2000

01:18:55,669 --> 01:18:52,640

yeah it's so um it's just like so the

2001

01:18:58,310 --> 01:18:55,679

disrespect and the humiliation that that

2002

01:18:59,270 --> 01:18:58,320

experiencers have to live with

2003

01:19:01,510 --> 01:18:59,280

um

2004

01:19:05,110 --> 01:19:01,520

you know is just like

2005

01:19:07,669 --> 01:19:05,120

the real story to me and the reason like

2006

01:19:08,790 --> 01:19:07,679

the real driving reason that i do this i

2007

01:19:11,350 --> 01:19:08,800

don't do

2008

01:19:13,990 --> 01:19:11,360

uh stuff as hard as i do this or other

2009

01:19:16,950 --> 01:19:14,000

things if it's not

2010

01:19:18,550 --> 01:19:16,960

um if if the engine isn't caring

2011

01:19:20,950 --> 01:19:18,560

uh for somebody who's been wronged

2012

01:19:23,430 --> 01:19:20,960

that's what drives me you know

2013

01:19:26,149 --> 01:19:23,440

like um and and that's what's behind all

2014

01:19:28,870 --> 01:19:26,159

this all all the time and why i do all

2015

01:19:30,709 --> 01:19:28,880

this is people like in the chat robert

2016

01:19:33,110 --> 01:19:30,719

who's had an experience and

2017

01:19:34,870 --> 01:19:33,120

and other people who've had experiences

2018

01:19:37,270 --> 01:19:34,880

and have studied this for their whole

2019

01:19:38,709 --> 01:19:37,280

life and and don't get answers

2020

01:19:41,830 --> 01:19:38,719

because the government is so

2021

01:19:43,510 --> 01:19:41,840

tight-lipped on it you know and

2022

01:19:45,189 --> 01:19:43,520

something that needs to change like

2023

01:19:47,669 --> 01:19:45,199

there needs to be a different

2024

01:19:49,669 --> 01:19:47,679

world out there for people to

2025

01:19:52,070 --> 01:19:49,679

you know

2026

01:19:53,510 --> 01:19:52,080

be okay with themselves

2027

01:19:55,110 --> 01:19:53,520

because at the end of the day the

2028

01:19:56,709 --> 01:19:55,120

experience is you

2029

01:20:00,470 --> 01:19:56,719

know absolutely

2030

01:20:02,149 --> 01:20:00,480

and you know it's important to remember

2031

01:20:04,550 --> 01:20:02,159

that these

2032

01:20:07,189 --> 01:20:04,560

when we get documents like this when we

2033

01:20:09,510 --> 01:20:07,199

get leaks like this that that

2034

01:20:13,110 --> 01:20:09,520

this isn't the ultimate arbiter of

2035

01:20:14,070 --> 01:20:13,120

reality you know that like it i don't

2036

01:20:16,629 --> 01:20:14,080

you know

2037

01:20:18,470 --> 01:20:16,639

the true nature of reality the true

2038

01:20:21,030 --> 01:20:18,480

nature of our existence

2039

01:20:23,590 --> 01:20:21,040

the answers to these big questions they

2040

01:20:24,550 --> 01:20:23,600

probably can't fit through a fax machine

2041

01:20:26,310 --> 01:20:24,560

you know

2042

01:20:29,189 --> 01:20:26,320

and it's important to remember it's

2043

01:20:31,030 --> 01:20:29,199

important to remember that often because

2044

01:20:35,350 --> 01:20:31,040

you know even towards the end of the

2045

01:20:37,510 --> 01:20:35,360

documents wilson is re recounting um a

2046

01:20:39,110 --> 01:20:37,520

meeting that he had with this guy jack

2047

01:20:41,830 --> 01:20:39,120

gansler okay

2048

01:20:42,790 --> 01:20:41,840

and i remember when i first saw these

2049

01:20:44,950 --> 01:20:42,800

notes

2050

01:20:46,550 --> 01:20:44,960

you know and and i was

2051
01:20:49,510 --> 01:20:46,560
furiously reading through them and i was

2052
01:20:52,470 --> 01:20:49,520
like looking for any you know any

2053
01:20:54,310 --> 01:20:52,480
inroads into what was really going on

2054
01:20:57,110 --> 01:20:54,320
and gansler

2055
01:20:59,910 --> 01:20:57,120
said that somebody else told him

2056
01:21:02,229 --> 01:20:59,920
that ufos are real so-called alien

2057
01:21:04,629 --> 01:21:02,239
abductions are not real

2058
01:21:07,830 --> 01:21:04,639
all right and you know this is like

2059
01:21:09,669 --> 01:21:07,840
third-hand information and at this point

2060
01:21:11,750 --> 01:21:09,679
you know wilson is just recounting

2061
01:21:13,669 --> 01:21:11,760
whatever he'd been kind of told as

2062
01:21:16,149 --> 01:21:13,679
scuttlebutt or kind of second-hand

2063
01:21:19,110 --> 01:21:16,159

information from other people that are

2064

01:21:21,750 --> 01:21:19,120

on a similarly high up level as he was

2065

01:21:23,110 --> 01:21:21,760

and i remember how

2066

01:21:25,750 --> 01:21:23,120

furious

2067

01:21:26,629 --> 01:21:25,760

i was in reading that how

2068

01:21:30,149 --> 01:21:26,639

how

2069

01:21:32,229 --> 01:21:30,159

bewildered and angry i was

2070

01:21:34,790 --> 01:21:32,239

just to read you know alien abductions

2071

01:21:38,229 --> 01:21:34,800

aren't real in this document it really

2072

01:21:39,990 --> 01:21:38,239

hurt me it really it it hurt me because

2073

01:21:41,430 --> 01:21:40,000

things like that had happened to myself

2074

01:21:45,270 --> 01:21:41,440

that it happened to other people that i

2075

01:21:48,709 --> 01:21:45,280

knew and you know i've only and in the

2076

01:21:50,390 --> 01:21:48,719

years since then i like i know many many

2077

01:21:52,149 --> 01:21:50,400

more people that have had similar

2078

01:21:55,030 --> 01:21:52,159

situations

2079

01:21:56,870 --> 01:21:55,040

and contact experiences very close

2080

01:21:58,629 --> 01:21:56,880

contact experiences

2081

01:22:02,470 --> 01:21:58,639

and it's

2082

01:22:05,189 --> 01:22:02,480

it can be really flummoxing and

2083

01:22:06,950 --> 01:22:05,199

and challenging and triggering

2084

01:22:09,270 --> 01:22:06,960

um when you

2085

01:22:10,950 --> 01:22:09,280

try to look

2086

01:22:14,310 --> 01:22:10,960

at

2087

01:22:17,590 --> 01:22:14,320

these documents or any documents like

2088

01:22:20,149 --> 01:22:17,600

this as as giving you validation

2089

01:22:22,550 --> 01:22:20,159

yourself as an experimenter that's not

2090

01:22:24,470 --> 01:22:22,560

necessarily the way to do this you know

2091

01:22:27,030 --> 01:22:24,480

we kind of partially rejoice in

2092

01:22:29,830 --> 01:22:27,040

documents like this because it can be a

2093

01:22:32,149 --> 01:22:29,840

halfway point where the rubber can meet

2094

01:22:35,110 --> 01:22:32,159

the road between the ineffable the

2095

01:22:37,910 --> 01:22:35,120

liminal these hard these barely tangible

2096

01:22:40,390 --> 01:22:37,920

brief experiences where people like

2097

01:22:42,790 --> 01:22:40,400

stewart can have an experience with a

2098

01:22:44,629 --> 01:22:42,800

non-human nudity for like one minute and

2099

01:22:45,990 --> 01:22:44,639

it can like completely change the course

2100

01:22:48,550 --> 01:22:46,000

of his life and there are a lot of

2101
01:22:52,629 --> 01:22:48,560
people like that right yeah yeah yeah i

2102
01:22:57,350 --> 01:22:54,870
you know whatever you say life is short

2103
01:22:58,470 --> 01:22:57,360
or long depends on how exciting it is i

2104
01:23:00,390 --> 01:22:58,480
guess but

2105
01:23:01,430 --> 01:23:00,400
you know it

2106
01:23:03,430 --> 01:23:01,440
i'm

2107
01:23:07,189 --> 01:23:03,440
38 years old

2108
01:23:09,590 --> 01:23:07,199
and my life has become what

2109
01:23:10,870 --> 01:23:09,600
took a few seconds

2110
01:23:13,669 --> 01:23:10,880
you know

2111
01:23:16,470 --> 01:23:13,679
what what what barely took

2112
01:23:17,830 --> 01:23:16,480
much time at all you know and

2113
01:23:19,990 --> 01:23:17,840

you go through all these emotional

2114

01:23:21,430 --> 01:23:20,000

battles uh you know relationships

2115

01:23:24,390 --> 01:23:21,440

ex-girlfriends

2116

01:23:25,830 --> 01:23:24,400

lost jobs you know um

2117

01:23:26,870 --> 01:23:25,840

whatever it is

2118

01:23:30,229 --> 01:23:26,880

and

2119

01:23:31,990 --> 01:23:30,239

this thing that you see that uh affects

2120

01:23:33,669 --> 01:23:32,000

you so profoundly

2121

01:23:35,990 --> 01:23:33,679

um 13

2122

01:23:39,270 --> 01:23:36,000

feet and in front of my face 40 feet

2123

01:23:42,229 --> 01:23:39,280

above my head a dream premonition that

2124

01:23:43,910 --> 01:23:42,239

comes true all within like a week or so

2125

01:23:46,870 --> 01:23:43,920

time and

2126

01:23:49,110 --> 01:23:46,880

that's what my life is about now

2127

01:23:51,189 --> 01:23:49,120

you know it's

2128

01:23:53,430 --> 01:23:51,199

it's crazy you know

2129

01:23:55,270 --> 01:23:53,440

i mean i don't mean it that way but it's

2130

01:23:57,270 --> 01:23:55,280

just to think about that

2131

01:23:59,110 --> 01:23:57,280

is insane

2132

01:24:01,030 --> 01:23:59,120

about how that works

2133

01:24:03,110 --> 01:24:01,040

like i spent so much in my life making

2134

01:24:05,830 --> 01:24:03,120

music you know

2135

01:24:08,550 --> 01:24:05,840

trying to do a company or make a career

2136

01:24:10,550 --> 01:24:08,560

or make money or whatever and constantly

2137

01:24:12,709 --> 01:24:10,560

trying to re-motivate yourself to do

2138

01:24:14,709 --> 01:24:12,719

this and that and it's the most

2139

01:24:16,790 --> 01:24:14,719

interesting part of this is i don't have

2140

01:24:19,270 --> 01:24:16,800

to re-motivate myself maybe i need a

2141

01:24:20,870 --> 01:24:19,280

time off here there but like it

2142

01:24:21,990 --> 01:24:20,880

motivates itself

2143

01:24:25,030 --> 01:24:22,000

you know

2144

01:24:26,950 --> 01:24:25,040

because it's genuinely a mystery

2145

01:24:29,430 --> 01:24:26,960

absolutely

2146

01:24:31,430 --> 01:24:29,440

you know and i don't understand it and i

2147

01:24:32,229 --> 01:24:31,440

want to understand it along with you

2148

01:24:33,910 --> 01:24:32,239

know

2149

01:24:36,070 --> 01:24:33,920

helping other people to understand it

2150

01:24:38,550 --> 01:24:36,080

know that it's okay to not understand

2151
01:24:39,990 --> 01:24:38,560
everything and to still look you know

2152
01:24:41,510 --> 01:24:40,000
admit to yourself that you've

2153
01:24:43,669 --> 01:24:41,520
experienced something

2154
01:24:45,189 --> 01:24:43,679
that's a mystery you know

2155
01:24:52,149 --> 01:24:45,199
absolutely

2156
01:24:54,229 --> 01:24:52,159
i was in a situation the other day

2157
01:24:56,790 --> 01:24:54,239
you know where

2158
01:24:58,470 --> 01:24:56,800
i you know i won't name the person and

2159
01:25:00,310 --> 01:24:58,480
or anything like this but i i got this

2160
01:25:01,830 --> 01:25:00,320
question and it was from a guy in his

2161
01:25:04,550 --> 01:25:01,840
70s all right

2162
01:25:05,430 --> 01:25:04,560
and he was and he was asking me

2163
01:25:07,590 --> 01:25:05,440

like

2164

01:25:12,310 --> 01:25:07,600

when do you think we're

2165

01:25:14,070 --> 01:25:12,320

know all the answers

2166

01:25:17,030 --> 01:25:14,080

and i was just like

2167

01:25:20,229 --> 01:25:17,040

you know this this guy is

2168

01:25:21,990 --> 01:25:20,239

you know at that age and and

2169

01:25:24,550 --> 01:25:22,000

he's still holding out hope that he's

2170

01:25:27,430 --> 01:25:24,560

gonna get the those answers or like all

2171

01:25:28,629 --> 01:25:27,440

the answers you know i feel like for

2172

01:25:30,629 --> 01:25:28,639

myself

2173

01:25:31,430 --> 01:25:30,639

you know if we get some of these answers

2174

01:25:35,350 --> 01:25:31,440

you know

2175

01:25:41,669 --> 01:25:35,360

barring

2176

01:25:43,510 --> 01:25:41,679

that something beyond the kind of

2177

01:25:44,480 --> 01:25:43,520

door knocking grassroots

2178

01:25:45,910 --> 01:25:44,490

person-to-person

2179

01:25:48,149 --> 01:25:45,920

[Laughter]

2180

01:25:49,910 --> 01:25:48,159

uh public relations campaign that some

2181

01:25:53,030 --> 01:25:49,920

of these non-human identities seem to be

2182

01:25:54,870 --> 01:25:53,040

doing yeah isn't that written yeah

2183

01:25:57,510 --> 01:25:54,880

absolutely and so

2184

01:26:00,149 --> 01:25:57,520

beyond barring you know that

2185

01:26:02,229 --> 01:26:00,159

a more a more public situation

2186

01:26:04,390 --> 01:26:02,239

you know a lot of the the answers to

2187

01:26:06,950 --> 01:26:04,400

these questions i just answered the guy

2188

01:26:08,470 --> 01:26:06,960

said you know the day we die

2189

01:26:09,590 --> 01:26:08,480

i think we'll know the answer is the day

2190

01:26:11,669 --> 01:26:09,600

we die

2191

01:26:14,470 --> 01:26:11,679

you know maybe

2192

01:26:16,070 --> 01:26:14,480

right and maybe you know i mean

2193

01:26:18,229 --> 01:26:16,080

and that's from talking to near-death

2194

01:26:20,629 --> 01:26:18,239

experiencers that felt like they just

2195

01:26:22,950 --> 01:26:20,639

like the whole thing opened up right but

2196

01:26:25,910 --> 01:26:22,960

like i don't but you know

2197

01:26:28,070 --> 01:26:25,920

we we still might not know but we try

2198

01:26:30,070 --> 01:26:28,080

you know and we try to do it together

2199

01:26:31,910 --> 01:26:30,080

and like i feel like that's the most

2200

01:26:35,669 --> 01:26:31,920

like

2201
01:26:38,149 --> 01:26:35,679
vulnerable yet honest and best work that

2202
01:26:41,270 --> 01:26:38,159
we can do in a lot of ways

2203
01:26:42,550 --> 01:26:41,280
as a community and as a way of talking

2204
01:26:45,669 --> 01:26:42,560
with each other

2205
01:26:49,189 --> 01:26:45,679
is looking around us and being like

2206
01:26:51,510 --> 01:26:49,199
they told us that a framework that's not

2207
01:26:53,750 --> 01:26:51,520
quite true like we need to figure out

2208
01:26:55,510 --> 01:26:53,760
what the rest of this framework is

2209
01:26:58,390 --> 01:26:55,520
you know you know it's interesting that

2210
01:27:01,030 --> 01:26:58,400
you you said that framework because

2211
01:27:03,350 --> 01:27:01,040
you know my whole life i felt like uh i

2212
01:27:05,669 --> 01:27:03,360
didn't fit in the framework

2213
01:27:08,310 --> 01:27:05,679

you know and i've constantly tried to

2214

01:27:09,189 --> 01:27:08,320

make myself fit in the framework whether

2215

01:27:11,590 --> 01:27:09,199

it be

2216

01:27:13,830 --> 01:27:11,600

keeping a job you know and

2217

01:27:16,149 --> 01:27:13,840

pretending to be someone i'm not in

2218

01:27:17,910 --> 01:27:16,159

order to keep that job

2219

01:27:19,430 --> 01:27:17,920

eventually it goes a couple years three

2220

01:27:21,110 --> 01:27:19,440

four or five years and then i start

2221

01:27:23,669 --> 01:27:21,120

becoming myself a little more i screw up

2222

01:27:24,470 --> 01:27:23,679

and i lose the job

2223

01:27:26,870 --> 01:27:24,480

you know

2224

01:27:28,390 --> 01:27:26,880

and it's usually because i don't fit

2225

01:27:30,470 --> 01:27:28,400

within the guidelines i don't kiss

2226

01:27:32,550 --> 01:27:30,480

enough ass or i fight for the little guy

2227

01:27:34,950 --> 01:27:32,560

too much and i wind up getting

2228

01:27:36,550 --> 01:27:34,960

tossed out you know because

2229

01:27:38,790 --> 01:27:36,560

you know authority doesn't like to be

2230

01:27:41,669 --> 01:27:38,800

questioned or and stuff like that and

2231

01:27:44,390 --> 01:27:41,679

it's it's just like it never freaking

2232

01:27:46,550 --> 01:27:44,400

works you know and it's

2233

01:27:48,390 --> 01:27:46,560

you know in society makes people feel

2234

01:27:51,189 --> 01:27:48,400

bad for that

2235

01:27:53,830 --> 01:27:51,199

like there's something wrong with you

2236

01:27:56,470 --> 01:27:53,840

but there isn't there's something wrong

2237

01:27:59,430 --> 01:27:56,480

with this system because people aren't

2238

01:28:01,910 --> 01:27:59,440

robots and you can't create a box for

2239

01:28:04,070 --> 01:28:01,920

these people to live in and work in and

2240

01:28:05,510 --> 01:28:04,080

live their lives in

2241

01:28:07,350 --> 01:28:05,520

you know and think that that's going to

2242

01:28:09,590 --> 01:28:07,360

work for everybody because it's not

2243

01:28:11,590 --> 01:28:09,600

because we're all different

2244

01:28:13,990 --> 01:28:11,600

absolutely you know

2245

01:28:16,310 --> 01:28:14,000

and and sometimes i think some sometimes

2246

01:28:18,470 --> 01:28:16,320

these experiences or whatever are just

2247

01:28:21,189 --> 01:28:18,480

proof of that

2248

01:28:22,950 --> 01:28:21,199

absolutely absolutely you know there's

2249

01:28:24,950 --> 01:28:22,960

there's there's real truth to that

2250

01:28:26,070 --> 01:28:24,960

phrase of like being too real you know

2251

01:28:27,830 --> 01:28:26,080

what i mean

2252

01:28:30,229 --> 01:28:27,840

like you know why'd you lose your job

2253

01:28:30,950 --> 01:28:30,239

you're probably being a little too

2254

01:28:33,110 --> 01:28:30,960

yeah

2255

01:28:33,830 --> 01:28:33,120

a little too authentic to yourself you

2256

01:28:36,390 --> 01:28:33,840

know

2257

01:28:38,310 --> 01:28:36,400

and and what does that really mean right

2258

01:28:41,189 --> 01:28:38,320

that's that's a really difficult thing

2259

01:28:44,149 --> 01:28:41,199

about as you as you grow up as an adult

2260

01:28:46,629 --> 01:28:44,159

this is is

2261

01:28:47,830 --> 01:28:46,639

is being in that kind of situation and

2262

01:28:49,750 --> 01:28:47,840

then

2263

01:28:52,390 --> 01:28:49,760

spending the less the maybe the rest of

2264

01:28:54,149 --> 01:28:52,400

your life trying to navigate ways

2265

01:28:56,310 --> 01:28:54,159

to be able to be a more authentic

2266

01:28:57,990 --> 01:28:56,320

version of yourself because it's so much

2267

01:29:00,470 --> 01:28:58,000

more relaxing

2268

01:29:02,629 --> 01:29:00,480

it's so much more it's it's

2269

01:29:05,350 --> 01:29:02,639

you know like the the amount that just

2270

01:29:07,669 --> 01:29:05,360

your muscles can relax from just being

2271

01:29:10,149 --> 01:29:07,679

authentically present to another person

2272

01:29:12,390 --> 01:29:10,159

and being authentic to yourself and

2273

01:29:14,390 --> 01:29:12,400

being honest with yourself you know it's

2274

01:29:15,830 --> 01:29:14,400

it's so critically important

2275

01:29:21,110 --> 01:29:15,840

it's easier

2276

01:29:23,189 --> 01:29:21,120

way but people typically

2277

01:29:25,030 --> 01:29:23,199

you know they're like well life is hard

2278

01:29:26,629 --> 01:29:25,040

if you don't have the money and if you

2279

01:29:28,229 --> 01:29:26,639

know i'm myself then i'm not going to

2280

01:29:30,390 --> 01:29:28,239

have the money and

2281

01:29:32,470 --> 01:29:30,400

you know you know all that kind of stuff

2282

01:29:34,229 --> 01:29:32,480

but you know little do you know like the

2283

01:29:36,310 --> 01:29:34,239

more you're yourself

2284

01:29:37,669 --> 01:29:36,320

you know things seem to just work out

2285

01:29:39,510 --> 01:29:37,679

still

2286

01:29:41,830 --> 01:29:39,520

yeah i mean not everybody's different i

2287

01:29:44,870 --> 01:29:41,840

get that like but for me personally

2288

01:29:46,709 --> 01:29:44,880

like things the the universe

2289

01:29:47,510 --> 01:29:46,719

or whatever you want to call it seems to

2290

01:29:49,750 --> 01:29:47,520

still

2291

01:29:52,229 --> 01:29:49,760

uh take care of me

2292

01:29:54,629 --> 01:29:52,239

the even being myself you know i found

2293

01:29:56,470 --> 01:29:54,639

love i i got a house it's not the

2294

01:29:58,550 --> 01:29:56,480

greatest house in the world but it's

2295

01:30:00,550 --> 01:29:58,560

decent enough i can put food in my

2296

01:30:02,070 --> 01:30:00,560

stomach i have two great dogs i got an

2297

01:30:04,149 --> 01:30:02,080

umbrella over

2298

01:30:06,709 --> 01:30:04,159

baby rabbits in the backyard i'm trying

2299

01:30:08,629 --> 01:30:06,719

to protect from my wife like the whole

2300

01:30:11,430 --> 01:30:08,639

thing seems to

2301

01:30:13,990 --> 01:30:11,440

just i had to throw that in there but uh

2302

01:30:15,030 --> 01:30:14,000

everything just

2303

01:30:17,350 --> 01:30:15,040

like

2304

01:30:18,830 --> 01:30:17,360

be you be yourself embrace your

2305

01:30:22,310 --> 01:30:18,840

experiences don't

2306

01:30:23,669 --> 01:30:22,320

apologize um you know because that's the

2307

01:30:26,149 --> 01:30:23,679

way life is supposed to be and you can't

2308

01:30:28,149 --> 01:30:26,159

spend your whole life denying uh who you

2309

01:30:30,629 --> 01:30:28,159

are trying to be something else and and

2310

01:30:33,270 --> 01:30:30,639

that fight is just too exhausting

2311

01:30:34,629 --> 01:30:33,280

it's incredible and you're right you can

2312

01:30:35,590 --> 01:30:34,639

sleep at night

2313

01:30:36,790 --> 01:30:35,600

you know

2314

01:30:38,790 --> 01:30:36,800

yeah it's a

2315

01:30:41,669 --> 01:30:38,800

it's a nice massage

2316

01:30:43,750 --> 01:30:41,679

basically yeah and my life i agree with

2317

01:30:45,990 --> 01:30:43,760

you my and my life has only gotten

2318

01:30:46,790 --> 01:30:46,000

better since being since

2319

01:30:49,430 --> 01:30:46,800

going

2320

01:30:52,550 --> 01:30:49,440

public with ralph's article like i've

2321

01:30:53,590 --> 01:30:52,560

i've got way cooler friends like you for

2322

01:30:56,470 --> 01:30:53,600

example

2323

01:30:58,470 --> 01:30:56,480

you know i've got i've still have like

2324

01:31:04,870 --> 01:30:58,480

like

2325

01:31:07,270 --> 01:31:04,880

that knew me before they just know

2326
01:31:08,950 --> 01:31:07,280
they have a better picture for why i was

2327
01:31:11,030 --> 01:31:08,960
the way that i was

2328
01:31:13,750 --> 01:31:11,040
earlier yeah but i think i'm not i think

2329
01:31:17,030 --> 01:31:13,760
i'm a happier more

2330
01:31:19,510 --> 01:31:17,040
well-rounded and person not having to

2331
01:31:23,189 --> 01:31:19,520
kind of clinch all the time with with

2332
01:31:25,910 --> 01:31:23,199
the secrecy of of just having really

2333
01:31:27,590 --> 01:31:25,920
extraordinary experiences you know it's

2334
01:31:29,750 --> 01:31:27,600
it's doesn't necessarily have to be

2335
01:31:32,070 --> 01:31:29,760
something you have to be ashamed of but

2336
01:31:34,470 --> 01:31:32,080
you know like since doing this here we

2337
01:31:36,229 --> 01:31:34,480
are and the experienter group

2338
01:31:38,390 --> 01:31:36,239

you know hundreds and hundreds of people

2339

01:31:39,669 --> 01:31:38,400

that can that can get together and talk

2340

01:31:42,550 --> 01:31:39,679

about these things

2341

01:31:44,550 --> 01:31:42,560

and so hopefully you know that as as

2342

01:31:46,310 --> 01:31:44,560

time goes on there'll be more and more

2343

01:31:48,790 --> 01:31:46,320

and more

2344

01:31:51,350 --> 01:31:48,800

you know groups like that situations

2345

01:31:53,990 --> 01:31:51,360

like that where people where people can

2346

01:31:55,910 --> 01:31:54,000

compare these notes and hopefully you

2347

01:31:57,910 --> 01:31:55,920

know

2348

01:32:00,390 --> 01:31:57,920

it won't be as necessary to have those

2349

01:32:03,510 --> 01:32:00,400

places in in the future

2350

01:32:06,629 --> 01:32:03,520

um when we can be a little just a lot

2351

01:32:08,870 --> 01:32:06,639

more open to the people around us

2352

01:32:10,310 --> 01:32:08,880

this is this is a great gum in here i

2353

01:32:15,189 --> 01:32:10,320

think

2354

01:32:18,709 --> 01:32:15,199

is something you know

2355

01:32:20,629 --> 01:32:18,719

that's very true right because it's one

2356

01:32:22,229 --> 01:32:20,639

you know it's when you stop listening to

2357

01:32:25,030 --> 01:32:22,239

your gut

2358

01:32:27,030 --> 01:32:25,040

it starts becoming inorganic not natural

2359

01:32:29,750 --> 01:32:27,040

and you start not being yourself you

2360

01:32:30,870 --> 01:32:29,760

know it's the gut that drives you to to

2361

01:32:32,310 --> 01:32:30,880

who you are

2362

01:32:39,189 --> 01:32:32,320

you know

2363

01:32:41,669 --> 01:32:39,199

it's when you don't listen to that is

2364

01:32:43,350 --> 01:32:41,679

when you start fighting these and

2365

01:32:45,590 --> 01:32:43,360

start doing these mental gymnastics

2366

01:32:48,310 --> 01:32:45,600

emotional putting yourself in emotional

2367

01:32:49,990 --> 01:32:48,320

prisons all the time um

2368

01:32:51,510 --> 01:32:50,000

but it's uh

2369

01:32:54,229 --> 01:32:51,520

i don't know adhering is the right word

2370

01:32:57,030 --> 01:32:54,239

but adhering to your gut feeling uh is

2371

01:32:59,830 --> 01:32:57,040

crucial in being able to live

2372

01:33:01,350 --> 01:32:59,840

peacefully you know and a lot of that is

2373

01:33:03,110 --> 01:33:01,360

living the right way because what else

2374

01:33:04,070 --> 01:33:03,120

comes with that is truth telling the

2375

01:33:05,990 --> 01:33:04,080

truth

2376
01:33:08,870 --> 01:33:06,000
being honest with not only yourself but

2377
01:33:09,910 --> 01:33:08,880
with other people totally

2378
01:33:11,110 --> 01:33:09,920
you know

2379
01:33:13,510 --> 01:33:11,120
absolutely

2380
01:33:15,270 --> 01:33:13,520
and and you know as robert coford said

2381
01:33:16,790 --> 01:33:15,280
in the chat intuition with intent

2382
01:33:18,790 --> 01:33:16,800
absolutely and you know a lot of people

2383
01:33:20,470 --> 01:33:18,800
think that your intuition what you hear

2384
01:33:21,510 --> 01:33:20,480
when with your intuition is you're

2385
01:33:23,430 --> 01:33:21,520
you're really listening to your

2386
01:33:25,990 --> 01:33:23,440
subconscious and so you're listening to

2387
01:33:27,910 --> 01:33:26,000
just kind of another layer of your mind

2388
01:33:29,350 --> 01:33:27,920

that's been really working on things

2389

01:33:30,149 --> 01:33:29,360

behind the scenes for a little while

2390

01:33:32,390 --> 01:33:30,159

right

2391

01:33:34,390 --> 01:33:32,400

and so there's there's a lot to be said

2392

01:33:37,430 --> 01:33:34,400

for for what kind of

2393

01:33:39,030 --> 01:33:37,440

deeper longer truths might be kind of

2394

01:33:42,070 --> 01:33:39,040

sitting in that quiet

2395

01:33:44,149 --> 01:33:42,080

in the quiet part of intuition right

2396

01:33:48,070 --> 01:33:44,159

so you know we like

2397

01:33:50,709 --> 01:33:48,080

i i i believe that that

2398

01:33:52,950 --> 01:33:50,719

it's certainly true for me as as a as it

2399

01:33:54,470 --> 01:33:52,960

is for you that that i've been best

2400

01:33:57,110 --> 01:33:54,480

served by myself

2401
01:33:59,669 --> 01:33:57,120
when when i've gone with my intuition

2402
01:34:01,910 --> 01:33:59,679
and i've been the most screwed over that

2403
01:34:03,030 --> 01:34:01,920
i've ever been in my entire life when i

2404
01:34:03,750 --> 01:34:03,040
chose to

2405
01:34:05,430 --> 01:34:03,760
to

2406
01:34:08,950 --> 01:34:05,440
sick you know

2407
01:34:10,070 --> 01:34:08,960
ignore my intuition for like days and

2408
01:34:12,470 --> 01:34:10,080
months

2409
01:34:13,750 --> 01:34:12,480
you know in a row years

2410
01:34:15,910 --> 01:34:13,760
yeah

2411
01:34:17,510 --> 01:34:15,920
that's when it really that's when you

2412
01:34:18,950 --> 01:34:17,520
that's when i've really really gotten

2413
01:34:21,510 --> 01:34:18,960

into a bad way

2414

01:34:22,950 --> 01:34:21,520

so it's good to be it's good to

2415

01:34:24,550 --> 01:34:22,960

i'm not going to pat my i don't know

2416

01:34:25,990 --> 01:34:24,560

that you know

2417

01:34:27,910 --> 01:34:26,000

we're not we're not completely out of

2418

01:34:30,550 --> 01:34:27,920

the tunnel yet but we can see it we can

2419

01:34:32,470 --> 01:34:30,560

see some light you know what i mean

2420

01:34:34,950 --> 01:34:32,480

i feel like having these conversations

2421

01:34:37,110 --> 01:34:34,960

and building the communities that we are

2422

01:34:39,990 --> 01:34:37,120

and and having the wonderful people

2423

01:34:42,629 --> 01:34:40,000

around us is really helping

2424

01:34:46,870 --> 01:34:42,639

build something at a grassroots level

2425

01:34:49,109 --> 01:34:46,880

where where we can we can put forward um

2426

01:34:50,390 --> 01:34:49,119

better frameworks we can we can compare

2427

01:34:53,430 --> 01:34:50,400

notes better

2428

01:34:55,990 --> 01:34:53,440

we can learn from each other more and

2429

01:34:56,950 --> 01:34:56,000

you know as as we do that

2430

01:35:01,750 --> 01:34:56,960

we can

2431

01:35:04,070 --> 01:35:01,760

more than we learned from

2432

01:35:06,709 --> 01:35:04,080

uh things like the wilson davis notes

2433

01:35:08,229 --> 01:35:06,719

you know yeah right because in the end

2434

01:35:10,070 --> 01:35:08,239

aren't we just trying to figure out how

2435

01:35:12,470 --> 01:35:10,080

to be the best humans we could be you

2436

01:35:14,629 --> 01:35:12,480

know in love and more

2437

01:35:16,950 --> 01:35:14,639

yeah and have a better

2438

01:35:17,830 --> 01:35:16,960

yeah and have a more informed picture

2439

01:35:21,270 --> 01:35:17,840

for

2440

01:35:22,950 --> 01:35:21,280

what that

2441

01:35:25,590 --> 01:35:22,960

how we can engage with the world around

2442

01:35:29,030 --> 01:35:25,600

us right and with with

2443

01:35:29,830 --> 01:35:29,040

and and be able to embrace the

2444

01:35:35,990 --> 01:35:29,840

the

2445

01:35:40,149 --> 01:35:36,000

interesting place when we don't ignore

2446

01:35:42,790 --> 01:35:40,159

um the paranormal the uap and oh like

2447

01:35:44,709 --> 01:35:42,800

those idiosyncrasies those those strange

2448

01:35:45,990 --> 01:35:44,719

little aberrations you know they're to a

2449

01:35:48,470 --> 01:35:46,000

lot of people they seem like grounding

2450

01:35:49,189 --> 01:35:48,480

errors but you know people like you and

2451

01:35:51,189 --> 01:35:49,199

i

2452

01:35:53,189 --> 01:35:51,199

that's and those that's part of what

2453

01:35:56,629 --> 01:35:53,199

makes life so interesting and there's a

2454

01:35:58,870 --> 01:35:56,639

glimp they're glimpses like a beautiful

2455

01:36:00,709 --> 01:35:58,880

painting like you know you have i

2456

01:36:02,629 --> 01:36:00,719

imagine sometimes like just this

2457

01:36:04,629 --> 01:36:02,639

beautiful room with the most beautiful

2458

01:36:07,109 --> 01:36:04,639

paintings colors you've never seen

2459

01:36:09,189 --> 01:36:07,119

before you know and and all that and

2460

01:36:10,390 --> 01:36:09,199

it's in this room and when you have an

2461

01:36:11,669 --> 01:36:10,400

experience like

2462

01:36:13,669 --> 01:36:11,679

you're it's like you're in front of the

2463

01:36:15,350 --> 01:36:13,679

door and somebody just opens at a creek

2464

01:36:17,109 --> 01:36:15,360

some light shines in and you catch a

2465

01:36:19,270 --> 01:36:17,119

glimpse of it and then it closes you

2466

01:36:20,170 --> 01:36:19,280

know and you're like oh absolutely but

2467

01:36:22,870 --> 01:36:20,180

but wait

2468

01:36:25,189 --> 01:36:22,880

[Laughter]

2469

01:36:27,590 --> 01:36:25,199

yeah you know and then you trace back

2470

01:36:28,470 --> 01:36:27,600

and you have to watch it again and then

2471

01:36:33,590 --> 01:36:28,480

yeah

2472

01:36:35,590 --> 01:36:33,600

that's what uh that dream i had a you

2473

01:36:38,550 --> 01:36:35,600

know when i was younger i had where i

2474

01:36:40,790 --> 01:36:38,560

had these like white entities zipping

2475

01:36:43,270 --> 01:36:40,800

around me or whatever and this music was

2476
01:36:44,950 --> 01:36:43,280
playing and you know it was the most

2477
01:36:47,109 --> 01:36:44,960
beautiful music in

2478
01:36:48,950 --> 01:36:47,119
that i've ever heard in my life but you

2479
01:36:49,750 --> 01:36:48,960
know i couldn't repeat it

2480
01:36:51,830 --> 01:36:49,760
or

2481
01:36:53,669 --> 01:36:51,840
even really describe it i just know

2482
01:36:56,629 --> 01:36:53,679
that's what i thought

2483
01:36:59,189 --> 01:36:56,639
at the time and i woke up in tears and

2484
01:37:01,270 --> 01:36:59,199
it that's how it is it's just a glimpse

2485
01:37:03,750 --> 01:37:01,280
of that beauty and then you know you

2486
01:37:05,590 --> 01:37:03,760
snap back to reality but

2487
01:37:07,750 --> 01:37:05,600
you know we've we've gone for a while

2488
01:37:10,070 --> 01:37:07,760

here we're at hour 37 i've had a great

2489

01:37:10,870 --> 01:37:10,080

conversation with you absolutely as

2490

01:37:12,709 --> 01:37:10,880

always

2491

01:37:14,310 --> 01:37:12,719

i love everybody yeah i love you too

2492

01:37:15,510 --> 01:37:14,320

we'll end on this though i'm not leaving

2493

01:37:19,510 --> 01:37:15,520

you

2494

01:37:21,350 --> 01:37:19,520

traveler experience uh

2495

01:37:23,350 --> 01:37:21,360

hypothesis oh

2496

01:37:25,270 --> 01:37:23,360

i think it's a really interesting one

2497

01:37:26,950 --> 01:37:25,280

you know i um i think i mentioned the

2498

01:37:30,149 --> 01:37:26,960

other day that i had

2499

01:37:32,390 --> 01:37:30,159

that i had a great conversation with um

2500

01:37:34,310 --> 01:37:32,400

dr michael masters down in houston while

2501

01:37:37,270 --> 01:37:34,320

i was down there a few months ago and of

2502

01:37:39,270 --> 01:37:37,280

course he's he's one of

2503

01:37:43,430 --> 01:37:39,280

the

2504

01:37:45,350 --> 01:37:43,440

written about it pretty extensively and

2505

01:37:48,149 --> 01:37:45,360

i think he has a new book coming out

2506

01:37:50,070 --> 01:37:48,159

maybe within a few weeks even we should

2507

01:37:51,030 --> 01:37:50,080

probably talk to him if you'd like yeah

2508

01:37:52,709 --> 01:37:51,040

we should

2509

01:37:55,830 --> 01:37:52,719

yeah i think it's a really interesting

2510

01:37:56,950 --> 01:37:55,840

hypothesis and i think that it probably

2511

01:38:00,070 --> 01:37:56,960

i think that

2512

01:38:04,149 --> 01:38:00,080

there's something to it you know when

2513

01:38:06,070 --> 01:38:04,159

given all of the data points given

2514

01:38:08,510 --> 01:38:06,080

if nothing else just

2515

01:38:10,950 --> 01:38:08,520

how many

2516

01:38:13,669 --> 01:38:10,960

non-our culture

2517

01:38:15,669 --> 01:38:13,679

humans people encounter in these

2518

01:38:17,669 --> 01:38:15,679

situations and they'll say oh they're

2519

01:38:19,750 --> 01:38:17,679

nordics oh they're hybrids or they're

2520

01:38:21,510 --> 01:38:19,760

this or that or the other thing the fact

2521

01:38:23,430 --> 01:38:21,520

that there are so many

2522

01:38:25,109 --> 01:38:23,440

humans that are obviously not of our

2523

01:38:27,510 --> 01:38:25,119

culture that people encounter in

2524

01:38:29,990 --> 01:38:27,520

situations like this are near humans

2525

01:38:32,229 --> 01:38:30,000

you know it does it does give me pause

2526

01:38:34,310 --> 01:38:32,239

and and make me think you know

2527

01:38:36,629 --> 01:38:34,320

there's there's probably

2528

01:38:39,189 --> 01:38:36,639

more than one reason for for why that's

2529

01:38:42,390 --> 01:38:39,199

the case and it it deserves to be

2530

01:38:44,229 --> 01:38:42,400

thought about you know it's it's a very

2531

01:38:47,910 --> 01:38:44,239

very

2532

01:38:49,189 --> 01:38:47,920

overwhelming amount of cases involve

2533

01:38:55,910 --> 01:38:49,199

like

2534

01:38:58,470 --> 01:38:55,920

thing because we know that we'll be able

2535

01:39:00,870 --> 01:38:58,480

to time travel eventually anyways people

2536

01:39:03,430 --> 01:39:00,880

have worked on it there's a you know

2537

01:39:05,669 --> 01:39:03,440

kind of a theory that

2538

01:39:07,910 --> 01:39:05,679

would make it happen would work you know

2539

01:39:09,030 --> 01:39:07,920

we know it's possible already

2540

01:39:11,430 --> 01:39:09,040

um

2541

01:39:12,709 --> 01:39:11,440

so is that an easy out of just latching

2542

01:39:14,950 --> 01:39:12,719

onto something

2543

01:39:17,669 --> 01:39:14,960

that we know is possible

2544

01:39:19,030 --> 01:39:17,679

you know well or yeah it is it is it is

2545

01:39:21,830 --> 01:39:19,040

interesting i was just listening the

2546

01:39:24,310 --> 01:39:21,840

other day to donald hoffman who who has

2547

01:39:27,750 --> 01:39:24,320

you know an extraordinarily

2548

01:39:30,070 --> 01:39:27,760

bright scientist um and who's very very

2549

01:39:31,510 --> 01:39:30,080

well regarded and you know he wrote that

2550

01:39:33,750 --> 01:39:31,520

book the case against reality and he

2551

01:39:35,910 --> 01:39:33,760

points out that we know

2552

01:39:37,990 --> 01:39:35,920

and we at this point know the exact

2553

01:39:40,870 --> 01:39:38,000

resolution

2554

01:39:43,590 --> 01:39:40,880

where by whereby you get smaller than a

2555

01:39:45,590 --> 01:39:43,600

certain level and space time just

2556

01:39:48,709 --> 01:39:45,600

stops operating by the same rules

2557

01:39:51,350 --> 01:39:48,719

altogether like space time doesn't exist

2558

01:39:52,629 --> 01:39:51,360

you know at a certain kind of like

2559

01:39:54,950 --> 01:39:52,639

if you kind of reduce down to the

2560

01:39:56,070 --> 01:39:54,960

smallest level and he says like it would

2561

01:39:58,470 --> 01:39:56,080

it would be

2562

01:40:01,109 --> 01:39:58,480

something to ignore if it what but the

2563

01:40:03,030 --> 01:40:01,119

fact of the matter is it's not so small

2564

01:40:05,430 --> 01:40:03,040

it's not so small at all

2565

01:40:06,629 --> 01:40:05,440

so it it really it really

2566

01:40:08,629 --> 01:40:06,639

you know it's something that we can

2567

01:40:11,030 --> 01:40:08,639

actually explore the breakdown of space

2568

01:40:12,950 --> 01:40:11,040

time so yeah you're absolutely right you

2569

01:40:15,270 --> 01:40:12,960

know this this probably within our

2570

01:40:18,149 --> 01:40:15,280

lifetime more work will be made in that

2571

01:40:19,350 --> 01:40:18,159

in that way so yeah maybe it is an easy

2572

01:40:22,149 --> 01:40:19,360

out but

2573

01:40:24,149 --> 01:40:22,159

you have to imagine that

2574

01:40:27,030 --> 01:40:24,159

you know when people

2575

01:40:29,030 --> 01:40:27,040

talk when people recount

2576

01:40:31,669 --> 01:40:29,040

situations with non-human entities

2577

01:40:34,950 --> 01:40:31,679

whatever it is are you talking to

2578

01:40:38,390 --> 01:40:34,960

something that you know some hubrid

2579

01:40:39,830 --> 01:40:38,400

some nordic you know a gray a minted

2580

01:40:40,790 --> 01:40:39,840

whatever kind of being you're talking

2581

01:40:43,270 --> 01:40:40,800

about

2582

01:40:45,430 --> 01:40:43,280

people often recount you know they'll

2583

01:40:46,950 --> 01:40:45,440

say like oh you know like the rua

2584

01:40:47,990 --> 01:40:46,960

zimbabwe case

2585

01:40:49,109 --> 01:40:48,000

like

2586

01:40:51,590 --> 01:40:49,119

yeah

2587

01:40:53,430 --> 01:40:51,600

um beware technology like beware

2588

01:40:54,790 --> 01:40:53,440

environmental collapse things like this

2589

01:40:57,030 --> 01:40:54,800

and so there's there's often the

2590

01:40:59,590 --> 01:40:57,040

situation where there you were giving

2591

01:41:01,590 --> 01:40:59,600

being given hints about our future right

2592

01:41:04,310 --> 01:41:01,600

and it's gotten embedded in the culture

2593

01:41:06,229 --> 01:41:04,320

so much that now when you hear accounts

2594

01:41:08,870 --> 01:41:06,239

people just kind of know to blurt out

2595

01:41:11,189 --> 01:41:08,880

questions about their their futures or

2596

01:41:13,430 --> 01:41:11,199

you know they kind of ask as if you know

2597

01:41:15,669 --> 01:41:13,440

and it's so bizarre right you encounter

2598

01:41:17,830 --> 01:41:15,679

an e.t or an alien or however you want

2599

01:41:19,669 --> 01:41:17,840

to think of this a non-humanity and then

2600

01:41:21,990 --> 01:41:19,679

you're and your first thing is not like

2601

01:41:23,830 --> 01:41:22,000

where are you from or or like what's

2602

01:41:26,550 --> 01:41:23,840

your culture like but it's like you know

2603

01:41:28,149 --> 01:41:26,560

when am i gonna die right or something

2604

01:41:29,750 --> 01:41:28,159

like that

2605

01:41:31,350 --> 01:41:29,760

it's always it's always all it's always

2606

01:41:34,629 --> 01:41:31,360

gonna be about you doesn't

2607

01:41:37,350 --> 01:41:34,639

[Laughter]

2608

01:41:38,790 --> 01:41:37,360

is my wife gonna love me forever right

2609

01:41:40,470 --> 01:41:38,800

yeah

2610

01:41:43,109 --> 01:41:40,480

but you know that i think about that

2611

01:41:44,790 --> 01:41:43,119

sometimes too like in the future if if

2612

01:41:47,350 --> 01:41:44,800

time like something like time travel

2613

01:41:49,750 --> 01:41:47,360

becomes more like uh publicly accessible

2614

01:41:51,510 --> 01:41:49,760

let's say 200 years from now like like a

2615

01:41:53,590 --> 01:41:51,520

guy like me could go to the store and

2616

01:41:56,310 --> 01:41:53,600

maybe purchase a device that allows me

2617

01:41:58,629 --> 01:41:56,320

to time travel three times a year to a

2618

01:42:00,950 --> 01:41:58,639

certain place or whatever and

2619

01:42:02,629 --> 01:42:00,960

what would you do with that well

2620

01:42:05,590 --> 01:42:02,639

maybe you would

2621

01:42:07,830 --> 01:42:05,600

go back and travel and visit your family

2622

01:42:09,990 --> 01:42:07,840

you know and see what your blood was up

2623

01:42:12,870 --> 01:42:10,000

to at a certain time

2624

01:42:14,390 --> 01:42:12,880

you know and maybe the things i saw were

2625

01:42:16,790 --> 01:42:14,400

you know my great great great great

2626

01:42:19,669 --> 01:42:16,800

great great great great great grandkid

2627

01:42:21,750 --> 01:42:19,679

or something he was like i wonder

2628

01:42:24,149 --> 01:42:21,760

you know what was my family up to at

2629

01:42:25,830 --> 01:42:24,159

that time or whatever one disclosure was

2630

01:42:28,229 --> 01:42:25,840

that it's precipice or something you

2631

01:42:29,990 --> 01:42:28,239

know like and shoots by and you know

2632

01:42:32,229 --> 01:42:30,000

checks me out or whatever in slow motion

2633

01:42:34,070 --> 01:42:32,239

but i think it goes fast you know it's

2634

01:42:35,109 --> 01:42:34,080

just interesting to think about i guess

2635

01:42:38,149 --> 01:42:35,119

but

2636

01:42:39,830 --> 01:42:38,159

absolutely absolutely i love that theory

2637

01:42:42,149 --> 01:42:39,840

yeah we should we should have dr masters

2638

01:42:47,830 --> 01:42:42,159

on it'd be fun yeah

2639

01:42:53,669 --> 01:42:48,950

so

2640

01:42:55,350 --> 01:42:53,679

it's uh this has been a great

2641

01:42:57,990 --> 01:42:55,360

conversation thanks to everybody in the

2642

01:43:00,149 --> 01:42:58,000

chat um yeah for having had such a

2643

01:43:01,830 --> 01:43:00,159

wonderful side conversation you all are

2644

01:43:04,550 --> 01:43:01,840

so great and

2645

01:43:06,149 --> 01:43:04,560

deeply appreciated and um

2646

01:43:09,109 --> 01:43:06,159

yeah i look forward to seeing you in the

2647

01:43:12,870 --> 01:43:09,119

near future sean yeah i have a feeling i

2648

01:43:14,629 --> 01:43:12,880

will absolutely all right

2649

01:43:21,850 --> 01:43:14,639

have a good night

2650

01:43:21,860 --> 01:44:13,830

[Music]

2651

01:44:25,990 --> 01:44:15,260

do
