

1
00:00:03,420 --> 00:00:02,680

[Music]

2
00:00:04,789 --> 00:00:03,430

[Applause]

3
00:00:22,550 --> 00:00:04,799

[Music]

4
00:00:29,349 --> 00:00:22,560

from out of nowhere

5
00:00:33,750 --> 00:00:31,750

what is the flying saucer what do people

6
00:00:35,590 --> 00:00:33,760

see and sometimes photograph

7
00:00:37,990 --> 00:00:35,600

what's behind the daily reports of

8
00:00:40,310 --> 00:00:38,000

aerial phenomena in the nation's press

9
00:00:42,310 --> 00:00:40,320

after more than five years of study

10
00:00:45,029 --> 00:00:42,320

there is still no agreement even among

11
00:00:47,990 --> 00:00:45,039

the experts

12
00:00:50,069 --> 00:00:48,000

we can say that the recent sightings are

13
00:00:52,630 --> 00:00:50,079

in no way connected

14

00:00:55,510 --> 00:00:52,640

with any secret development by any

15

00:00:57,430 --> 00:00:55,520

agency of the united states

16

00:00:58,950 --> 00:00:57,440

with all due respect to the air force i

17

00:01:02,069 --> 00:00:58,960

believe that some of them will prove to

18

00:01:03,990 --> 00:01:02,079

be of interplanetary origin

19

00:01:05,910 --> 00:01:04,000

in my position in the research and

20

00:01:07,910 --> 00:01:05,920

development organization of the bureau

21

00:01:09,109 --> 00:01:07,920

of aeronautics and of the navy

22

00:01:11,190 --> 00:01:09,119

department

23

00:01:12,950 --> 00:01:11,200

i am fairly familiar with both our

24

00:01:14,230 --> 00:01:12,960

aircraft and our guided missiles

25

00:01:16,789 --> 00:01:14,240

programs

26

00:01:18,870 --> 00:01:16,799

and can state without reservation

27

00:01:21,350 --> 00:01:18,880

that the navy has no saucer-shaped

28

00:01:23,350 --> 00:01:21,360

aircraft or missile in any of these

29

00:01:25,429 --> 00:01:23,360

programs

30

00:01:27,590 --> 00:01:25,439

i glanced up and there were three flying

31

00:01:29,910 --> 00:01:27,600

saucers in a v

32

00:01:33,510 --> 00:01:29,920

approximately a half a mile away from me

33

00:01:35,670 --> 00:01:33,520

at an altitude of 350 feet

34

00:01:37,350 --> 00:01:35,680

they appear to be hovering in midair

35

00:01:39,109 --> 00:01:37,360

with what i believe to be a spinning

36

00:01:41,109 --> 00:01:39,119

action

37

00:01:43,830 --> 00:01:41,119

what are these shadowy voyagers of the

38

00:01:47,910 --> 00:01:45,510

while our forefathers were still

39

00:01:49,670 --> 00:01:47,920

dreaming of flight decades ago they

40

00:01:50,710 --> 00:01:49,680

sketched these aerial vehicles of the

41

00:01:53,030 --> 00:01:50,720

future

42

00:01:59,109 --> 00:01:53,040

strangely some of them resembled the

43

00:02:03,109 --> 00:02:00,870

when we went to work to make reality out

44

00:02:05,590 --> 00:02:03,119

of these dreams we fashioned crewed

45

00:02:08,070 --> 00:02:05,600

rocket-propelled devices such as these

46

00:02:10,070 --> 00:02:08,080

while unsuccessful in themselves they

47

00:02:11,910 --> 00:02:10,080

proved to be our first fumbling efforts

48

00:02:14,470 --> 00:02:11,920

to master the techniques of jet and

49

00:02:15,750 --> 00:02:14,480

rocket propulsion if the flying sources

50

00:02:17,990 --> 00:02:15,760

are of this earth

51
00:02:19,910 --> 00:02:18,000
this may be how they were born but their

52
00:02:21,370 --> 00:02:19,920
later growth and maturity cloaked in

53
00:02:24,949 --> 00:02:21,380
official secrecy

54
00:02:28,229 --> 00:02:26,710
when the smoke of the war blew away in

55
00:02:30,229 --> 00:02:28,239
1945

56
00:02:32,470 --> 00:02:30,239
we found ourselves suddenly arrived in

57
00:02:35,190 --> 00:02:32,480
the age of rocket propulsion

58
00:02:36,710 --> 00:02:35,200
however since then the lid has been on

59
00:02:38,150 --> 00:02:36,720
other than announcements of ever

60
00:02:40,630 --> 00:02:38,160
increasing altitudes reached by the

61
00:02:44,790 --> 00:02:40,640
rockets we've had no reports though we

62
00:02:48,830 --> 00:02:47,030
to our knowledge the engines in the b-47

63
00:02:50,790 --> 00:02:48,840

are the most powerful in use

64

00:02:53,750 --> 00:02:50,800

today the announced speed of this

65

00:02:55,350 --> 00:02:53,760

airplane is only 600 miles per hour a

66

00:02:56,470 --> 00:02:55,360

mere fraction of the velocity of the

67

00:02:58,550 --> 00:02:56,480

discs

68

00:03:01,110 --> 00:02:58,560

only if radically new aerial dynamics

69

00:03:03,220 --> 00:03:01,120

are in use could the discs be powered by

70

00:03:05,830 --> 00:03:03,230

jet engines of today

71

00:03:08,149 --> 00:03:05,840

[Music]

72

00:03:09,990 --> 00:03:08,159

this is a thunderjet executing a loop

73

00:03:11,750 --> 00:03:10,000

hazardous in a jet plane because of the

74

00:03:13,750 --> 00:03:11,760

centrifugal force the pilot must

75

00:03:17,030 --> 00:03:13,760

withstand during the pull-out

76

00:03:19,589 --> 00:03:17,040

yet characteristic of the saucers

77

00:03:21,750 --> 00:03:19,599

is there fantastic maneuverability

78

00:03:24,229 --> 00:03:21,760

discs moving at many times the speed of

79

00:03:26,229 --> 00:03:24,239

sound suddenly reverse direction flight

80

00:03:29,020 --> 00:03:26,239

surgeons say any human pilot attempting

81

00:03:41,430 --> 00:03:29,030

this would perish instantly

82

00:03:48,710 --> 00:03:43,509

likewise saucer reporters agree that the

83

00:03:53,350 --> 00:03:51,190

if not conventional aircraft then

84

00:03:57,030 --> 00:03:53,360

what did they see

85

00:03:57,910 --> 00:03:57,040

they appeared to be 50 feet in diameter

86

00:04:00,789 --> 00:03:57,920

with

87

00:04:02,869 --> 00:04:00,799

what appeared to be a dome on the top

88

00:04:05,589 --> 00:04:02,879

with i can't be sure but i believe i saw

89

00:04:07,110 --> 00:04:05,599

the sun glinting off of uh well windows

90

00:04:09,110 --> 00:04:07,120

or observation

91

00:04:11,670 --> 00:04:09,120

portholes of sort

92

00:04:13,589 --> 00:04:11,680

is this what weisberger saw this disc

93

00:04:15,589 --> 00:04:13,599

was photographed by an oregon farmer as

94

00:04:17,990 --> 00:04:15,599

it hovered low over his field

95

00:04:19,590 --> 00:04:18,000

experts say these are actual photographs

96

00:04:21,909 --> 00:04:19,600

of a flying saucer

97

00:04:24,070 --> 00:04:21,919

farmer cited the same spinning action

98

00:04:26,240 --> 00:04:24,080

and estimated the diameter of the disc

99

00:04:28,310 --> 00:04:26,250

at 20 to 30 feet

100

00:04:30,150 --> 00:04:28,320

[Music]

101

00:04:31,909 --> 00:04:30,160

in kentucky a motion picture

102

00:04:34,310 --> 00:04:31,919

photographer attracted by a strange

103

00:04:35,430 --> 00:04:34,320

noise overhead trained his camera on

104

00:04:37,350 --> 00:04:35,440

this disc

105

00:04:41,510 --> 00:04:37,360

here the wobbling motion mentioned in so

106

00:04:45,189 --> 00:04:43,430

a coast guard photographer snapped this

107

00:04:47,590 --> 00:04:45,199

phenomena when it appeared briefly over

108

00:04:49,909 --> 00:04:47,600

salem massachusetts the incandescent

109

00:04:54,870 --> 00:04:49,919

seen here was bright enough to stand out

110

00:04:58,070 --> 00:04:56,550

what may have been the same phenomena

111

00:04:59,990 --> 00:04:58,080

was photographed at night by august

112

00:05:01,830 --> 00:05:00,000

roberts who has this to say about it

113

00:05:03,909 --> 00:05:01,840

what do you think it was

114

00:05:07,430 --> 00:05:03,919

i think it was from outer space

115

00:05:11,430 --> 00:05:08,950

like many of the saucer reports the

116

00:05:13,510 --> 00:05:11,440

latest and most credible received comes

117

00:05:14,870 --> 00:05:13,520

not from america but from behind the

118

00:05:17,029 --> 00:05:14,880

iron curtain

119

00:05:19,670 --> 00:05:17,039

seen on the ground by the refugee mayor

120

00:05:21,510 --> 00:05:19,680

of a small east german town its crew was

121

00:05:23,909 --> 00:05:21,520

startled by the screams of the mayor's

122

00:05:26,629 --> 00:05:23,919

daughter the first eyewitness report of

123

00:05:28,460 --> 00:05:26,639

a supposed soviet guided missile tells

124

00:05:32,150 --> 00:05:28,470

of a saucer-shaped object

125

00:05:35,510 --> 00:05:32,160

[Music]

126
00:05:36,870 --> 00:05:35,520
the moment the crew disappeared in the

127
00:05:40,550 --> 00:05:36,880
cylinder

128
00:05:43,029 --> 00:05:40,560
the disc grows with a humming noise

129
00:05:47,270 --> 00:05:43,039
until the thing was standing on the

130
00:05:51,510 --> 00:05:47,280
cylinder like a big mushroom

131
00:05:55,990 --> 00:05:51,520
then he said the disc began rotating

132
00:05:58,790 --> 00:05:56,000
red blue and green flames spurted out

133
00:06:02,309 --> 00:05:58,800
from the holes in it

134
00:06:03,830 --> 00:06:02,319
he thinks they were for yet propulsion

135
00:06:06,950 --> 00:06:03,840
these holes

136
00:06:08,629 --> 00:06:06,960
he saw the same rise straight up from

137
00:06:15,510 --> 00:06:08,639
the ground

138
00:06:18,550 --> 00:06:15,520

once it had gained height

139

00:06:20,550 --> 00:06:18,560

it moved faster he said than any fighter

140

00:06:24,629 --> 00:06:20,560

plane he has seen

141

00:06:26,629 --> 00:06:24,639

and it made a terrible roaring noise

142

00:06:29,670 --> 00:06:26,639

from such reports as these arise many

143

00:06:31,350 --> 00:06:29,680

theories to explain the discs

144

00:06:33,749 --> 00:06:31,360

undismayed by the attacks of true

145

00:06:35,670 --> 00:06:33,759

magazine frank scully author of a book

146

00:06:36,030 --> 00:06:35,680

behind the flying saucers offers his

147

00:06:37,749 --> 00:06:36,040

views

148

00:06:40,629 --> 00:06:37,759

[Music]

149

00:06:43,430 --> 00:06:40,639

of course to assume that there's no

150

00:06:45,749 --> 00:06:43,440

intelligence equal to ours anywhere else

151
00:06:48,469 --> 00:06:45,759
anywhere else in the universe

152
00:06:50,309 --> 00:06:48,479
is uh to belittle the universe because

153
00:06:51,670 --> 00:06:50,319
we don't show much intelligence

154
00:06:52,629 --> 00:06:51,680
obviously

155
00:06:55,670 --> 00:06:52,639
but

156
00:06:57,909 --> 00:06:55,680
the likelihood of other planets

157
00:07:00,950 --> 00:06:57,919
elsewhere in other

158
00:07:04,309 --> 00:07:00,960
uh planetary systems and other universes

159
00:07:06,469 --> 00:07:04,319
of having not only what we got but lots

160
00:07:08,710 --> 00:07:06,479
more since the planets might be older

161
00:07:11,510 --> 00:07:08,720
their intelligences could be

162
00:07:13,670 --> 00:07:11,520
much more mature more advanced they

163
00:07:17,029 --> 00:07:13,680

could have even passed through an atomic

164

00:07:19,189 --> 00:07:17,039

age long ago or they could have been

165

00:07:22,230 --> 00:07:19,199

souls that never were followed up like

166

00:07:25,110 --> 00:07:22,240

our adam and eve and never went through

167

00:07:26,309 --> 00:07:25,120

all this and if they are perfect souls

168

00:07:29,110 --> 00:07:26,319

elsewhere

169

00:07:31,909 --> 00:07:29,120

the thing is they are not killable

170

00:07:34,070 --> 00:07:31,919

they're immortal already so the idea of

171

00:07:34,950 --> 00:07:34,080

the air force telling them to shoot them

172

00:07:36,870 --> 00:07:34,960

down

173

00:07:38,790 --> 00:07:36,880

is idiotic

174

00:07:42,830 --> 00:07:38,800

next a more conventional theory is

175

00:07:48,070 --> 00:07:46,390

scott the expression flying saucers is a

176

00:07:51,430 --> 00:07:48,080

catch-all term

177

00:07:53,909 --> 00:07:51,440

for unusual lights of terrain in the sky

178

00:07:56,469 --> 00:07:53,919

it is possible that some of these lights

179

00:07:59,110 --> 00:07:56,479

are caused by masses of electrically

180

00:08:01,749 --> 00:07:59,120

charged particles of air

181

00:08:03,189 --> 00:08:01,759

electrified air can assume many

182

00:08:04,790 --> 00:08:03,199

different colors

183

00:08:05,670 --> 00:08:04,800

such as yellow

184

00:08:06,790 --> 00:08:05,680

red

185

00:08:08,230 --> 00:08:06,800

pink

186

00:08:09,189 --> 00:08:08,240

orange

187

00:08:10,950 --> 00:08:09,199

green

188

00:08:13,270 --> 00:08:10,960

and blue

189

00:08:15,830 --> 00:08:13,280

this experiment demonstrates that

190

00:08:19,110 --> 00:08:15,840

charged masses of air can be made to

191

00:08:21,749 --> 00:08:19,120

move in formation change force

192

00:08:24,629 --> 00:08:21,759

change brightness appear

193

00:08:27,029 --> 00:08:24,639

disappear and reappear

194

00:08:30,469 --> 00:08:27,039

these electrified masses of air produce

195

00:08:32,630 --> 00:08:30,479

no sound but can be detected by radar

196

00:08:35,190 --> 00:08:32,640

the atmospheric conditions necessary for

197

00:08:37,589 --> 00:08:35,200

producing this phenomena are certainly

198

00:08:38,829 --> 00:08:37,599

not prevailing conditions that exist in

199

00:08:42,070 --> 00:08:38,839

the upper

200

00:08:44,230 --> 00:08:42,080

atmosphere however it is not altogether

201
00:08:46,310 --> 00:08:44,240
improbable that there may be occasional

202
00:08:49,190 --> 00:08:46,320
local conditions responsible for this

203
00:08:51,750 --> 00:08:49,200
glow which might be interpreted as

204
00:08:53,509 --> 00:08:51,760
flying saucers

205
00:08:56,150 --> 00:08:53,519
in the engineer research and development

206
00:08:58,230 --> 00:08:56,160
laboratories fort belvoir virginia dr

207
00:09:00,550 --> 00:08:58,240
scott shows how to make your own flying

208
00:09:02,310 --> 00:09:00,560
saucers some say the apparitions are the

209
00:09:04,710 --> 00:09:02,320
result of light refracting from what is

210
00:09:06,790 --> 00:09:04,720
called an inversion layer such as an

211
00:09:09,190 --> 00:09:06,800
oasis will appear in the desert in a

212
00:09:10,949 --> 00:09:09,200
glass bell dr scott reproduces weather

213
00:09:14,790 --> 00:09:10,959

conditions which prevail during many of

214

00:09:18,550 --> 00:09:16,949

if dr scott's theories are correct what

215

00:09:20,870 --> 00:09:18,560

you are looking at now

216

00:09:22,230 --> 00:09:20,880

is an actual flying saucer

217

00:09:24,550 --> 00:09:22,240

it's possible that even the headlights

218

00:09:26,230 --> 00:09:24,560

of your car can create them with the air

219

00:09:28,630 --> 00:09:26,240

force hard pressed for an accounting of

220

00:09:31,030 --> 00:09:28,640

the mysterious invaders this explanation

221

00:09:33,030 --> 00:09:31,040

is popular but general james sanford

222

00:09:37,910 --> 00:09:33,040

points out even this theory does not

223

00:09:43,190 --> 00:09:39,750

however there have been a certain

224

00:09:45,269 --> 00:09:43,200

percentage of this volume of reports

225

00:09:46,790 --> 00:09:45,279

that have been made by credible

226

00:09:50,630 --> 00:09:46,800

observers

227

00:09:53,269 --> 00:09:50,640

of relatively incredible things

228

00:09:58,310 --> 00:09:53,279

it is this group of observations that we

229

00:10:02,710 --> 00:10:01,110

we have as a date come to only one firm

230

00:10:04,470 --> 00:10:02,720

conclusion

231

00:10:05,829 --> 00:10:04,480

with respect to this remaining

232

00:10:07,430 --> 00:10:05,839

percentage

233

00:10:09,269 --> 00:10:07,440

and that is that

234

00:10:11,670 --> 00:10:09,279

it does not contain

235

00:10:13,590 --> 00:10:11,680

any pattern of purpose

236

00:10:15,590 --> 00:10:13,600

or of consistency

237

00:10:18,550 --> 00:10:15,600

that we can relate with any to any

238

00:10:20,470 --> 00:10:18,560

conceivable threat to the united states

239

00:10:22,150 --> 00:10:20,480

according to the general these weather

240

00:10:23,430 --> 00:10:22,160

balloons are the flying saucers that

241

00:10:25,430 --> 00:10:23,440

many people see

242

00:10:28,230 --> 00:10:25,440

still he cautions that a few reports

243

00:10:29,990 --> 00:10:28,240

cannot be so easily explained

244

00:10:31,670 --> 00:10:30,000

it is these reports that interest donald

245

00:10:33,590 --> 00:10:31,680

kehoe sponsor of a theory that is

246

00:10:35,030 --> 00:10:33,600

growing in popularity

247

00:10:37,350 --> 00:10:35,040

[Music]

248

00:10:39,990 --> 00:10:37,360

after one year's investigation i believe

249

00:10:42,230 --> 00:10:40,000

that the flying saucers seen by veteran

250

00:10:44,790 --> 00:10:42,240

airline and air force pilots are objects

251
00:10:46,550 --> 00:10:44,800
from another planet the air force itself

252
00:10:48,069 --> 00:10:46,560
has officially admitted that flying

253
00:10:50,230 --> 00:10:48,079
saucers exist

254
00:10:52,470 --> 00:10:50,240
this statement appears in project saucer

255
00:10:54,230 --> 00:10:52,480
case number 75.

256
00:10:55,990 --> 00:10:54,240
not only that the air force has

257
00:10:58,310 --> 00:10:56,000
officially analyzed the motives of

258
00:10:59,910 --> 00:10:58,320
possible visitors in space here is a

259
00:11:01,110 --> 00:10:59,920
direct quotation from the official

260
00:11:03,110 --> 00:11:01,120
report

261
00:11:05,350 --> 00:11:03,120
such a civilization might observe that

262
00:11:07,670 --> 00:11:05,360
on earth we now have atomic bombs in our

263
00:11:09,350 --> 00:11:07,680

fast developing rockets in the past

264

00:11:10,870 --> 00:11:09,360

history of mankind they should be

265

00:11:12,710 --> 00:11:10,880

alarmed

266

00:11:16,150 --> 00:11:12,720

we should therefore expect at this time

267

00:11:17,990 --> 00:11:16,160

above all to behold such visitations

268

00:11:19,990 --> 00:11:18,000

is there another civilization somewhere

269

00:11:21,990 --> 00:11:20,000

in space apprehensively watching our

270

00:11:23,430 --> 00:11:22,000

rapid progress with the atom

271

00:11:25,110 --> 00:11:23,440

are we under surveillance by an

272

00:11:27,030 --> 00:11:25,120

intelligence that has revealed itself to

273

00:11:29,829 --> 00:11:27,040

us only in the form of ghostly

274

00:11:31,509 --> 00:11:29,839

apparitions does this power foresee our

275

00:11:34,150 --> 00:11:31,519

ability to travel through space in

276

00:11:36,150 --> 00:11:34,160

rockets propelled by the atomic power we

277

00:11:38,389 --> 00:11:36,160

are learning to control

278

00:11:39,910 --> 00:11:38,399

an incredible theory and it is doubted

279

00:11:42,470 --> 00:11:39,920

by many but it is not likely to be

280

00:11:44,630 --> 00:11:42,480

disproved in the public mind while our

281

00:11:46,389 --> 00:11:44,640

scientists are predicting interplanetary

282

00:11:51,110 --> 00:11:46,399

travel within the lifetime of those

283

00:11:55,910 --> 00:11:53,750

as the debate continues so do reports of

284

00:11:57,990 --> 00:11:55,920

new sources some following in the

285

00:12:00,550 --> 00:11:58,000

pattern already established others

286

00:12:03,269 --> 00:12:00,560

entirely new creating more speculation

287

00:12:05,750 --> 00:12:03,279

and endless discussion

288

00:12:07,990 --> 00:12:05,760

project saucer the official air force

289

00:12:09,030 --> 00:12:08,000

investigation of the phenomena has been

290

00:12:11,110 --> 00:12:09,040

reopened

291

00:12:13,670 --> 00:12:11,120

now installations are alerted to attempt

292

00:12:15,269 --> 00:12:13,680

to intercept any of the strange visitors

293

00:12:17,590 --> 00:12:15,279

that may be sighted

294

00:12:20,629 --> 00:12:17,600

while millions listen and watch the

295

00:12:21,970 --> 00:12:20,639

great flying saucer mystery remains

296

00:12:27,910 --> 00:12:21,980

unsolved
