3
00:00:33,250 --> 00:00:29,490
thank you

4
00:00:39,530 --> 00:00:36,709
today that the recent sightings are in

5
00:00:42,049 --> 00:00:39,540
no way connected with any liquid

6
00:00:46,150 --> 00:00:42,059
development by any agency of the United

[Music]

8
00:01:03,470 --> 00:01:01,250
I think as we talked about when we

9
00:01:07,570 --> 00:01:03,480
rolled out the screw

10
00:01:11,430 --> 00:01:07,580
Institute they will be focusing on

11
00:01:19,990 --> 00:01:11,440
proactively identifying objects

00:01:22,550 --> 00:01:20,000
[Music]

13
00:01:25,609 --> 00:01:22,560

reported in the paper some material from

14

00:01:27,469 --> 00:01:25,619

these objects that is being studied

15

00:01:30,350 --> 00:01:27,479

what's up everybody

16

00:01:34,609 --> 00:01:30,360

happy Sunday thanks for joining me today

17

00:01:40,130 --> 00:01:34,619

we're going to get after a couple things

18

00:01:42,710 --> 00:01:40,140

um if you pay attention to stuff like on

19

00:01:45,530 --> 00:01:42,720

Twitter and stuff like that uh people

20

00:01:47,990 --> 00:01:45,540

are uh posting a lot of UFO videos

21

00:01:52,910 --> 00:01:48,000

lately so I thought it would be a good

22

00:01:55,969 --> 00:01:52,920

day a good time to maybe do a special uh

23

00:01:57,530 --> 00:01:55,979

version of our favorite segment on this

24

00:01:58,910 --> 00:01:57,540

show

25

00:02:02,030 --> 00:01:58,920

um

26

00:02:04,130 --> 00:02:02,040

and you know I'm sure you know what I'm

27

00:02:04,860 --> 00:02:04,140

talking about it's called uh what the

28

00:02:07,310 --> 00:02:04,870

heck is it

29

00:02:10,369 --> 00:02:07,320

[Music]

30

00:02:14,690 --> 00:02:10,379

you're very familiar with that I'm sure

31

00:02:17,510 --> 00:02:14,700

so we have a a couple uh things what's

32

00:02:22,490 --> 00:02:17,520

up signal uh we get some some people in

33

00:02:26,750 --> 00:02:25,070

shows uh I'm glad you're here I know

34

00:02:29,390 --> 00:02:26,760

I've been kind of doing the later shows

35

00:02:31,070 --> 00:02:29,400

lately uh it's kind of late for you I

36

00:02:35,210 --> 00:02:31,080

apologize

37

00:02:37,970 --> 00:02:35,220

uh Mr Robert coford hello sir

38

00:02:40,369 --> 00:02:37,980

a good friend of show we have a great

39

00:02:42,650 --> 00:02:40,379
group here today uh hopefully some more

40

00:02:44,809 --> 00:02:42,660
uh trickle in and we can all have a good

41

00:02:47,089 --> 00:02:44,819
time together we got Mikey abstract

42

00:02:50,270 --> 00:02:47,099
what's up

43

00:02:51,229 --> 00:02:50,280
awesome Bill Burnham what's happening

44

00:02:53,390 --> 00:02:51,239
bill

45

00:02:56,690 --> 00:02:53,400
how you doing

46

00:02:58,490 --> 00:02:56,700
um who else we got we got always up what

47

00:03:00,229 --> 00:02:58,500
the heck is that you got that right I

48

00:03:01,490 --> 00:03:00,239
don't know but we're gonna give a stab

49

00:03:04,610 --> 00:03:01,500
at it

50

00:03:06,729 --> 00:03:04,620
um dracon what's up so yeah thanks

51
00:03:10,729 --> 00:03:06,739
everybody for hanging out okay black

52
00:03:12,070 --> 00:03:10,739
mantos millisecond Falcon everybody is

53
00:03:14,809 --> 00:03:12,080
just

54
00:03:17,210 --> 00:03:14,819
uh chairman in in the chat and I love

55
00:03:18,350 --> 00:03:17,220
that I love that I love when you

56
00:03:21,290 --> 00:03:18,360
participate

57
00:03:22,790 --> 00:03:21,300
JT Parker what's up

58
00:03:26,089 --> 00:03:22,800
awesome

59
00:03:28,309 --> 00:03:26,099
uh so let's get at it our first one that

60
00:03:31,009 --> 00:03:28,319
I wanted to

61
00:03:33,770 --> 00:03:31,019
oh we got to stop I gotta stop and say

62
00:03:36,170 --> 00:03:33,780
hello to David Altman what's up what the

63
00:03:37,729 --> 00:03:36,180

hell is that that's a different that's a

64

00:03:39,770 --> 00:03:37,739

different take on what the heck is that

65

00:03:41,750 --> 00:03:39,780

we have what the heck is that now we

66

00:03:43,430 --> 00:03:41,760

have what the hell is that

67

00:03:46,670 --> 00:03:43,440

you know those are different videos

68

00:03:48,110 --> 00:03:46,680

those are those are just as good but

69

00:03:50,690 --> 00:03:48,120

they're just a little different you know

70

00:03:53,929 --> 00:03:50,700

that's all so maybe we'll get to what

71

00:03:55,910 --> 00:03:53,939

the hell is that today probably not all

72

00:03:58,550 --> 00:03:55,920

right so the first one

73

00:04:00,890 --> 00:03:58,560

um what up what's up blooded one how's

74

00:04:03,050 --> 00:04:00,900

it going all right so I'm done I'm done

75

00:04:06,050 --> 00:04:03,060

with the hello all right we got one more

76

00:04:08,449 --> 00:04:06,060

all right how you doing and appreciate

77

00:04:10,610 --> 00:04:08,459

you oh my gosh this just keeps going Jay

78

00:04:13,250 --> 00:04:10,620

Christopher King what's happening

79

00:04:15,050 --> 00:04:13,260

I'll spend half the show saying what's

80

00:04:15,949 --> 00:04:15,060

up to everybody if I have to if that

81

00:04:17,870 --> 00:04:15,959

means

82

00:04:19,849 --> 00:04:17,880

that more people keep coming and that's

83

00:04:22,850 --> 00:04:19,859

what I do remember folks it's not a

84

00:04:26,270 --> 00:04:22,860

seagull as long as you believe deep in

85

00:04:29,510 --> 00:04:26,280

your heart that it is a UFO

86

00:04:32,210 --> 00:04:29,520

I you know I've seen it done I've seen

87

00:04:35,330 --> 00:04:32,220

it done that's for sure

88

00:04:36,350 --> 00:04:35,340

so all right so let's get at her this

89

00:04:38,450 --> 00:04:36,360

first one

90

00:04:41,330 --> 00:04:38,460

um come is uh

91

00:04:43,670 --> 00:04:41,340

it comes with the story first and this

92

00:04:46,370 --> 00:04:43,680

is on silverrecord.com we're going to

93

00:04:48,290 --> 00:04:46,380

have Mr Danny Sila on the show uh next

94

00:04:50,270 --> 00:04:48,300

week on Saturday and we'll talk a little

95

00:04:54,650 --> 00:04:50,280

bit more about this

96

00:04:56,990 --> 00:04:54,660

I did uh by the way I did a terrible job

97

00:04:59,810 --> 00:04:57,000

um putting like links to stuff in the

98

00:05:02,570 --> 00:04:59,820

description as per usual uh but I will

99

00:05:04,610 --> 00:05:02,580

put it in the chat here so you can read

100

00:05:07,670 --> 00:05:04,620

it for yourself if you'd like to

101
00:05:08,570 --> 00:05:07,680
uh we get bass isap Niagara Falls UFO

102
00:05:11,330 --> 00:05:08,580
case

103
00:05:13,790 --> 00:05:11,340
so um if you're not familiar with Danny

104
00:05:16,370 --> 00:05:13,800
Silva I I recommend that you go to his

105
00:05:17,330 --> 00:05:16,380
website uh he has a lot of stories he

106
00:05:20,390 --> 00:05:17,340
hasn't

107
00:05:22,129 --> 00:05:20,400
um put one out in a while so it's pretty

108
00:05:24,830 --> 00:05:22,139
cool that he's doing this first of all

109
00:05:27,950 --> 00:05:24,840
and look at that here's a little shout

110
00:05:29,870 --> 00:05:27,960
out to Mr Dave Altman who's in the chat

111
00:05:32,390 --> 00:05:29,880
so

112
00:05:34,070 --> 00:05:32,400
good timing

113
00:05:35,510 --> 00:05:34,080

um so we got big little Aerospace and

114

00:05:37,909 --> 00:05:35,520

the advanced Aerospace weapon system

115

00:05:41,029 --> 00:05:37,919

application system thing

116

00:05:43,550 --> 00:05:41,039

organization UFO thing

117

00:05:46,150 --> 00:05:43,560

as long acronyms remain Hot Topics

118

00:05:49,010 --> 00:05:46,160

through the surgeon UFO coverage 2017.

119

00:05:53,150 --> 00:05:49,020

so this story here is a Niagara Falls

120

00:05:56,990 --> 00:05:53,160

UFO which just to uh rewind a little bit

121

00:05:58,370 --> 00:05:57,000

I watched a movie last night and I

122

00:06:00,469 --> 00:05:58,380

freaking forgot what it's called but

123

00:06:03,409 --> 00:06:00,479

it's based in Niagara Falls

124

00:06:05,870 --> 00:06:03,419

which is uh yeah synchronicity maybe

125

00:06:08,150 --> 00:06:05,880

maybe not but there's a UFO restaurant

126

00:06:11,450 --> 00:06:08,160

called the flank saucer in the Niagara

127

00:06:15,290 --> 00:06:11,460

Falls and now I have to go just because

128

00:06:17,090 --> 00:06:15,300

of that so

129

00:06:19,129 --> 00:06:17,100

and we've got Andres popping in the chat

130

00:06:21,290 --> 00:06:19,139

what's up David Altman says he's teasing

131

00:06:23,270 --> 00:06:21,300

he's in here teasing I love it might

132

00:06:25,550 --> 00:06:23,280

have more info on it soon I love that

133

00:06:27,650 --> 00:06:25,560

that means people are going to come look

134

00:06:29,510 --> 00:06:27,660

here for that information I probably

135

00:06:31,189 --> 00:06:29,520

won't have it but at least they're still

136

00:06:32,270 --> 00:06:31,199

coming looking for it that's the

137

00:06:35,330 --> 00:06:32,280

important part

138

00:06:37,909 --> 00:06:35,340

so what we know multiple witness uh

139

00:06:39,770 --> 00:06:37,919

unknown object in the sky the object was

140

00:06:41,450 --> 00:06:39,780

recorded for multiple angles best

141

00:06:44,390 --> 00:06:41,460

investigators were dispatched to the

142

00:06:46,909 --> 00:06:44,400

area several videos were collected by

143

00:06:48,890 --> 00:06:46,919

bass again basses

144

00:06:50,809 --> 00:06:48,900

um the ones who pretty much ran

145

00:06:52,909 --> 00:06:50,819

um

146

00:06:55,309 --> 00:06:52,919

uh ASAP

147

00:06:57,830 --> 00:06:55,319

if you don't know what ausap is I don't

148

00:06:59,870 --> 00:06:57,840

have enough time to go backwards and

149

00:07:02,450 --> 00:06:59,880

show you all that stuff but you can

150

00:07:05,809 --> 00:07:02,460

check it out OS app was an effort

151

00:07:08,689 --> 00:07:05,819

basically we have Bigelow put off

152

00:07:11,870 --> 00:07:08,699

you know Eric Davis others uh for the

153

00:07:14,990 --> 00:07:11,880

DIA the defense intelligence agency

154

00:07:16,790 --> 00:07:15,000

um and now was this us asap thing

155

00:07:19,370 --> 00:07:16,800

it looks like the case was forwarded to

156

00:07:20,930 --> 00:07:19,380

osep and the DIA it was added to the

157

00:07:23,409 --> 00:07:20,940

offset files which is interesting

158

00:07:27,529 --> 00:07:23,419

because apparently osept in study UFOs

159

00:07:29,749 --> 00:07:27,539

but this is a UFO case so that's

160

00:07:32,930 --> 00:07:29,759

probably incorrect huh government lies

161

00:07:37,370 --> 00:07:34,670

I don't know what that was sorry for

162

00:07:38,990 --> 00:07:37,380

doing that uh since this was a public

163

00:07:40,490 --> 00:07:39,000

case a quick internet search turned up

164

00:07:41,570 --> 00:07:40,500

these videos that might match some of

165

00:07:42,890 --> 00:07:41,580

the videos that could have been

166

00:07:44,869 --> 00:07:42,900

collected whether these are actual

167

00:07:46,610 --> 00:07:44,879

videos from the case or the videos that

168

00:07:49,850 --> 00:07:46,620

bass collected is not known and

169

00:07:51,050 --> 00:07:49,860

unconfirmed so we have these videos here

170

00:07:53,330 --> 00:07:51,060

with the release of this blog

171

00:07:55,790 --> 00:07:53,340

investigators and debunkers alike I love

172

00:07:58,189 --> 00:07:55,800

this part because it's so spotted uh

173

00:08:00,050 --> 00:07:58,199

debunkers alike will pour over the

174

00:08:02,629 --> 00:08:00,060

information the videos included are

175

00:08:04,430 --> 00:08:02,639

blurry in silverrecord.com makes no

176

00:08:08,270 --> 00:08:04,440

assertions that they are not human

177

00:08:10,070 --> 00:08:08,280

adoptions religion UFOs since this was a

178

00:08:11,510 --> 00:08:10,080

known case just not necessarily bass

179

00:08:13,010 --> 00:08:11,520

involvement was known

180

00:08:15,350 --> 00:08:13,020

more information should be available

181

00:08:17,990 --> 00:08:15,360

publicly as UFO Community shares

182

00:08:20,510 --> 00:08:18,000

information the blog will be updated

183

00:08:21,710 --> 00:08:20,520

David Altman jumps in with 126 Witnesses

184

00:08:24,050 --> 00:08:21,720

that's awesome

185

00:08:30,409 --> 00:08:24,060

so

186

00:08:32,209 --> 00:08:30,419

TV show unidentified

187

00:08:35,930 --> 00:08:32,219

um I think it was like season two

188

00:08:41,269 --> 00:08:35,940

episode one perhaps and uh they used

189

00:08:44,029 --> 00:08:41,279

some analysis system software and set up

190

00:08:50,150 --> 00:08:44,039

basically had like a 20 chance

191

00:08:52,490 --> 00:08:50,160

of being a legitimate uh UFO but since

192

00:08:55,550 --> 00:08:52,500

then I think

193

00:08:57,230 --> 00:08:55,560

well you know I respect the signal and I

194

00:08:59,150 --> 00:08:57,240

looked at his page and he said something

195

00:09:01,910 --> 00:08:59,160

about uh

196

00:09:03,769 --> 00:09:01,920

the assessment on it was was uh kind of

197

00:09:07,310 --> 00:09:03,779

faulty or something so who knows I don't

198

00:09:15,769 --> 00:09:10,310

is look at the videos for ourself

199

00:09:17,630 --> 00:09:15,779

because that's the best part of our uh

200

00:09:19,850 --> 00:09:17,640

our segment here

201
00:09:22,910 --> 00:09:19,860

[Music]

202
00:09:34,310 --> 00:09:22,920
so without further Ado I'll bring it up

203
00:09:38,570 --> 00:09:35,750
hopefully you can hear it if you can

204
00:09:39,889 --> 00:09:38,580
hear it just let me know

205
00:09:42,170 --> 00:09:39,899
what the what the is that

206
00:09:43,430 --> 00:09:42,180
where look straight up dude watch the

207
00:09:45,769 --> 00:09:43,440
spotlights I'll tell you when to look

208
00:09:49,850 --> 00:09:45,779
it's shut it shines back at you really

209
00:09:59,150 --> 00:09:49,860
ha what the is that homie no

210
00:09:59,160 --> 00:10:08,170
straight over it

211
00:10:08,180 --> 00:10:23,329
since I've been out here

212
00:10:23,339 --> 00:10:28,670
come here for a sec

213
00:10:32,389 --> 00:10:29,810

huh

214

00:10:44,030 --> 00:10:32,399

what like look where the screen is from

215

00:10:44,040 --> 00:10:56,030

that's

216

00:11:00,110 --> 00:10:58,069

it doesn't look like there's any sound

217

00:11:02,750 --> 00:11:00,120

on this one

218

00:11:05,090 --> 00:11:02,760

but um they have a lot of different

219

00:11:05,810 --> 00:11:05,100

sources of this video right here which

220

00:11:07,730 --> 00:11:05,820

is

221

00:11:09,710 --> 00:11:07,740

always a good thing

222

00:11:11,030 --> 00:11:09,720

of course that place looks awesome by

223

00:11:14,150 --> 00:11:11,040

the way nightmares I don't know what

224

00:11:16,910 --> 00:11:14,160

it's called but that looks cool

225

00:11:19,850 --> 00:11:16,920

as always

226

00:11:26,750 --> 00:11:21,949

what are you gonna do you can't really

227

00:11:29,389 --> 00:11:26,760

tell I mean it definitely looks uh crazy

228

00:11:32,449 --> 00:11:29,399

doesn't look normal

229

00:11:35,630 --> 00:11:32,459

it's pretty much sitting there

230

00:11:38,269 --> 00:11:35,640

looks pretty messed up

231

00:11:40,790 --> 00:11:38,279

you know but you can't uh you know like

232

00:11:43,250 --> 00:11:40,800

avilo says he wants to you know take the

233

00:11:47,210 --> 00:11:43,260

the made in China he wants to film the

234

00:11:49,490 --> 00:11:47,220

maiden China tag on the things that

235

00:11:52,129 --> 00:11:49,500

or Russia you know that he uh that he

236

00:11:54,230 --> 00:11:52,139

filmed some I mean

237

00:11:58,250 --> 00:11:54,240

is that even possible I don't know but

238

00:12:00,590 --> 00:11:58,260

you know we can't see that aspect of it

239

00:12:02,810 --> 00:12:00,600

we can see lights we can see somewhat of

240

00:12:05,810 --> 00:12:02,820

a shape in there it looks like those

241

00:12:09,230 --> 00:12:05,820

lights are possibly illuminating what

242

00:12:12,470 --> 00:12:09,240

that shape is is that a triangle

243

00:12:14,150 --> 00:12:12,480

maybe a boomerang shape perhaps

244

00:12:16,970 --> 00:12:14,160

I don't know it's very interesting and

245

00:12:18,889 --> 00:12:16,980

we have these floodlights going across

246

00:12:21,949 --> 00:12:18,899

it

247

00:12:25,069 --> 00:12:21,959

see

248

00:12:26,810 --> 00:12:25,079

in the corner here when that one hits

249

00:12:28,430 --> 00:12:26,820

it's hitting something you know it's

250

00:12:29,990 --> 00:12:28,440

it's hitting an object

251

00:12:32,870 --> 00:12:30,000

you can tell

252

00:12:35,269 --> 00:12:32,880

uh which is very interesting it also

253

00:12:36,710 --> 00:12:35,279

reminds me of that battle of La uh

254

00:12:38,870 --> 00:12:36,720

picture you know with all the flood

255

00:12:39,769 --> 00:12:38,880

lights coming coming at the at the

256

00:12:42,110 --> 00:12:39,779

object

257

00:12:44,810 --> 00:12:42,120

so it's definitely it's interesting

258

00:12:47,329 --> 00:12:44,820

can't wait to hear more

259

00:12:49,550 --> 00:12:47,339

um hopefully we get to hear more

260

00:12:52,150 --> 00:12:49,560

it's not a bird

261

00:12:56,810 --> 00:12:52,160

it's not a drone

262

00:12:56,820 --> 00:13:00,590

so

263

00:13:05,030 --> 00:13:03,110

um this is a great question

264

00:13:07,430 --> 00:13:05,040

anyone see it Fly Away I mean that's

265

00:13:09,889 --> 00:13:07,440

what you always want right

266

00:13:11,870 --> 00:13:09,899

I want to get it on a video flying away

267

00:13:13,069 --> 00:13:11,880

so so you can you know see what that

268

00:13:16,310 --> 00:13:13,079

looks like

269

00:13:18,290 --> 00:13:16,320

unfortunately Beggars can't be choosers

270

00:13:19,910 --> 00:13:18,300

you know it's hard to even you know what

271

00:13:23,629 --> 00:13:19,920

I don't even know what the chances are

272

00:13:26,030 --> 00:13:23,639

of getting a UFO on video

273

00:13:27,230 --> 00:13:26,040

like a legitimate one but I would

274

00:13:30,590 --> 00:13:27,240

imagine

275

00:13:37,730 --> 00:13:34,910

so it all these videos you can watch

276

00:13:39,290 --> 00:13:37,740

um via the link I sent to you in the

277

00:13:40,850 --> 00:13:39,300

live chat so you can go there and check

278

00:13:44,810 --> 00:13:40,860

these out for yourself

279

00:13:49,970 --> 00:13:47,210

and see that this one right now looks

280

00:13:52,189 --> 00:13:49,980

pretty crazy on the left

281

00:13:54,470 --> 00:13:52,199

it would not lights come by it's

282

00:13:56,449 --> 00:13:54,480

interesting

283

00:13:59,269 --> 00:13:56,459

because you can tell it's it's hitting

284

00:14:01,310 --> 00:13:59,279

an object I think Mick West said

285

00:14:04,189 --> 00:14:01,320

something on this he mentioned like uh

286

00:14:05,810 --> 00:14:04,199

some Tower that's in the area uh but the

287

00:14:08,509 --> 00:14:05,820

tower he was talking about is not

288

00:14:09,889 --> 00:14:08,519

actually in this location

289

00:14:12,290 --> 00:14:09,899

you know what's interesting here I'm

290

00:14:15,530 --> 00:14:12,300

gonna back up sorry about that

291

00:14:18,230 --> 00:14:15,540

back up a little bit see if I can

292

00:14:23,210 --> 00:14:18,240

pull a Moultrie pause on this and

293

00:14:23,220 --> 00:14:27,530

so let's see here

294

00:14:30,949 --> 00:14:29,210

says

295

00:14:36,710 --> 00:14:30,959

it kind of looks like a face right there

296

00:14:46,790 --> 00:14:41,030

so there it is I just missed it

297

00:14:53,210 --> 00:14:49,910

is well I mean some some um conversation

298

00:14:56,150 --> 00:14:53,220

has come up on this video is if uh this

299

00:15:01,490 --> 00:14:59,329

a triangle that maybe Lou Elizondo was

300

00:15:02,629 --> 00:15:01,500

talking about that was out in the public

301
00:15:06,470 --> 00:15:02,639
Realm

302
00:15:07,970 --> 00:15:06,480
that was real and a good video now I

303
00:15:11,269 --> 00:15:07,980
remember him saying that you could see

304
00:15:14,810 --> 00:15:12,949
and

305
00:15:18,170 --> 00:15:14,820
I was thinking that we couldn't see it

306
00:15:21,889 --> 00:15:20,269
segment here where I thought maybe we

307
00:15:25,310 --> 00:15:21,899
could

308
00:15:33,410 --> 00:15:28,850
I don't know this uh deserves

309
00:15:39,110 --> 00:15:35,870
so

310
00:15:43,730 --> 00:15:39,120
because you can see maybe is it skin or

311
00:15:43,740 --> 00:15:50,030
but it's yeah it's very intriguing video

312
00:15:54,650 --> 00:15:52,610
it's just hovering there

313
00:15:58,280 --> 00:15:54,660

man yeah that's crazy so let's skip to

314

00:16:19,730 --> 00:16:01,249

[Applause]

315

00:16:23,090 --> 00:16:21,110

I don't know what that is but it's not

316

00:16:28,730 --> 00:16:23,100

moving and it's reflecting off of it

317

00:16:36,470 --> 00:16:30,170

thank you very much thank you Mr Jim

318

00:16:41,509 --> 00:16:40,129

um yeah so that is

319

00:16:43,189 --> 00:16:41,519

fat

320

00:16:44,870 --> 00:16:43,199

it's very interesting

321

00:16:47,030 --> 00:16:44,880

um I know we got some witnesses I saw on

322

00:16:48,470 --> 00:16:47,040

Twitter some somebody shared uh one of

323

00:16:50,810 --> 00:16:48,480

the witnesses so I can't wait to talk to

324

00:16:52,550 --> 00:16:50,820

them you can tell too by just like uh

325

00:16:55,249 --> 00:16:52,560

the the chatter especially in that last

326

00:16:57,590 --> 00:16:55,259

video where where the the girl is saying

327

00:17:00,889 --> 00:16:57,600

um shoot like she's freaked out right

328

00:17:04,549 --> 00:17:02,329

people are going to be freaked out

329

00:17:07,069 --> 00:17:04,559

unless there's really probably something

330

00:17:08,510 --> 00:17:07,079

to be freaked out about you know they're

331

00:17:10,189 --> 00:17:08,520

gonna be familiar with the area they're

332

00:17:12,169 --> 00:17:10,199

actually there if it was let's say

333

00:17:14,449 --> 00:17:12,179

perhaps a tower they would be able to

334

00:17:15,829 --> 00:17:14,459

see the whole Tower from the ground up

335

00:17:17,449 --> 00:17:15,839

they're not going to be freaked out by

336

00:17:20,390 --> 00:17:17,459

it and they'll probably think it's a

337

00:17:22,549 --> 00:17:20,400

sour and who's gonna film a tower and a

338

00:17:24,770 --> 00:17:22,559

lot of people apparently did this and

339

00:17:28,189 --> 00:17:24,780

filmed it so I think it's uh probably

340

00:17:31,490 --> 00:17:28,199

legitimately uh pretty dang interesting

341

00:17:32,570 --> 00:17:31,500

and I can't wait to possibly hear more

342

00:17:34,130 --> 00:17:32,580

about it

343

00:17:36,890 --> 00:17:34,140

for sure

344

00:17:40,610 --> 00:17:36,900

oh Jay says he loves my adorable

345

00:17:41,870 --> 00:17:40,620

Apollo 11 hat I appreciate it the term

346

00:17:43,850 --> 00:17:41,880

adorable

347

00:17:45,470 --> 00:17:43,860

I could take it or leave it makes me

348

00:17:47,830 --> 00:17:45,480

kind of sound like it was

349

00:17:50,390 --> 00:17:47,840

but but

350

00:17:53,990 --> 00:17:50,400

I appreciate it I'll take compliments

351

00:17:58,490 --> 00:17:55,130

um

352

00:18:00,950 --> 00:17:58,500

so or what the heck is that is not uh

353

00:18:03,710 --> 00:18:00,960

finished by the way we have

354

00:18:05,750 --> 00:18:03,720

uh more and we're going to look at that

355

00:18:07,730 --> 00:18:05,760

Jubilee video and I did a little bit of

356

00:18:09,049 --> 00:18:07,740

boots on the groundwork to see if I

357

00:18:09,590 --> 00:18:09,059

could

358

00:18:12,350 --> 00:18:09,600

um

359

00:18:14,750 --> 00:18:12,360

you know put my little uh piece on on

360

00:18:17,450 --> 00:18:14,760

what I think that is because it is

361

00:18:18,710 --> 00:18:17,460

it's interesting uh but that at the end

362

00:18:19,669 --> 00:18:18,720

of the day I think I figured out what it

363

00:18:21,230 --> 00:18:19,679

is but

364

00:18:22,730 --> 00:18:21,240

you know

365

00:18:24,470 --> 00:18:22,740

we'll see that's for you to decide

366

00:18:25,909 --> 00:18:24,480

really I guess

367

00:18:27,529 --> 00:18:25,919

but

368

00:18:30,830 --> 00:18:27,539

I'm gonna play this one kind of like

369

00:18:33,230 --> 00:18:30,840

medley of uh a couple different videos

370

00:18:35,690 --> 00:18:33,240

and then we'll get into like my analysis

371

00:18:38,630 --> 00:18:35,700

section of the Jubilee video

372

00:18:43,130 --> 00:18:40,610

[Music]

373

00:18:47,630 --> 00:18:43,140

sorry that stuff is so loud sorry about

374

00:18:52,789 --> 00:18:49,610

so here it is you can see upper right

375

00:18:54,289 --> 00:18:52,799

hand corner comes uh comes in now

376

00:18:56,270 --> 00:18:54,299

there's a lot of back and forth on what

377

00:18:58,730 --> 00:18:56,280

it is some people say that it's

378

00:19:00,289 --> 00:18:58,740

definitely a bird

379

00:19:01,850 --> 00:19:00,299

um

380

00:19:04,610 --> 00:19:01,860

and I guess the only other thing people

381

00:19:06,710 --> 00:19:04,620

are saying is it's a UAP

382

00:19:08,570 --> 00:19:06,720

moves pretty fast I have a couple

383

00:19:10,370 --> 00:19:08,580

different uh

384

00:19:13,190 --> 00:19:10,380

angles you can see here it's kind of

385

00:19:16,070 --> 00:19:13,200

slow and then it like picks up and goes

386

00:19:17,510 --> 00:19:16,080

over the exhaust here

387

00:19:19,370 --> 00:19:17,520

so

388

00:19:21,710 --> 00:19:19,380

Xavier here says it was already

389

00:19:23,029 --> 00:19:21,720

discredited it has not been discredited

390

00:19:25,010 --> 00:19:23,039

by

391

00:19:29,750 --> 00:19:25,020

you know everybody some people still

392

00:19:36,520 --> 00:19:29,760

think it's a UAP or whatever oh my God

393

00:19:36,530 --> 00:19:48,110

[Music]

394

00:19:48,120 --> 00:19:53,150

this one is really interesting

395

00:19:58,130 --> 00:19:55,789

yeah unfortunately there's no noise with

396

00:20:03,230 --> 00:20:00,350

um and I put the

397

00:20:05,330 --> 00:20:03,240

this I got off of Reddit see and it kind

398

00:20:06,409 --> 00:20:05,340

of you think it's like

399

00:20:10,250 --> 00:20:06,419

um

400

00:20:12,590 --> 00:20:10,260

a drone perhaps but the way it like kind

401
00:20:15,590 --> 00:20:12,600
of disappears in the light does what it

402
00:20:25,190 --> 00:20:19,730
it makes it hard to to land on that you

403
00:20:29,149 --> 00:20:27,590
and you know I don't know the drones

404
00:20:31,560 --> 00:20:29,159
look like big flashlights when you look

405
00:20:34,430 --> 00:20:31,570
at them from underneath I don't know

406
00:20:36,890 --> 00:20:34,440
[Laughter]

407
00:20:39,470 --> 00:20:36,900
but uh you know it hovers it kind of

408
00:20:41,029 --> 00:20:39,480
moves like you would think a drone could

409
00:20:43,010 --> 00:20:41,039
probably move it's just a light that

410
00:20:48,590 --> 00:20:43,020
really

411
00:20:52,909 --> 00:20:50,870
not at this point but

412
00:20:54,350 --> 00:20:52,919
you know when the the light just kind of

413
00:20:56,630 --> 00:20:54,360

like disappears and seems to go

414

00:21:02,810 --> 00:20:56,640

absolutely and do another dimension or

415

00:21:02,820 --> 00:21:11,570

it's pretty interesting

416

00:21:17,690 --> 00:21:13,430

David Sullivan and Catalina if you're

417

00:21:20,690 --> 00:21:17,700

not familiar is that is in that movie uh

418

00:21:24,110 --> 00:21:20,700

a tear in the sky

419

00:21:28,190 --> 00:21:26,930

by the way you should check it out

420

00:21:30,049 --> 00:21:28,200

um

421

00:21:33,169 --> 00:21:30,059

yeah so it's kind of just like more of

422

00:21:34,130 --> 00:21:33,179

this and then it finally like keeps

423

00:21:35,690 --> 00:21:34,140

going

424

00:21:37,610 --> 00:21:35,700

it's hard to say

425

00:21:39,169 --> 00:21:37,620

it's definitely interesting and the

426

00:21:41,390 --> 00:21:39,179

light the way it kind of when it

427

00:21:42,950 --> 00:21:41,400

disappears too it's not like typical

428

00:21:45,230 --> 00:21:42,960

light that you're turning off it seems

429

00:21:48,169 --> 00:21:45,240

like it sucks into itself almost it's

430

00:21:52,430 --> 00:21:50,330

sudden this just keeps going and they

431

00:21:54,890 --> 00:21:52,440

actually didn't film it landscape

432

00:21:56,630 --> 00:21:54,900

so I made it landscape so we could

433

00:21:59,750 --> 00:21:56,640

actually fill the screen with this so

434

00:22:06,350 --> 00:21:59,760

it's actually filmed up and down just so

435

00:22:16,310 --> 00:22:09,770

so yeah and I got a little more on the

436

00:22:24,830 --> 00:22:18,710

and I'm gonna share that with you as I

437

00:22:30,409 --> 00:22:27,310

some people

438

00:22:33,409 --> 00:22:30,419

especially Jay might uh might hate my

439

00:22:35,510 --> 00:22:33,419

analysis here but

440

00:22:37,610 --> 00:22:35,520

now this is really you know I'm no

441

00:22:39,710 --> 00:22:37,620

scientist I'm no genius I can only do

442

00:22:44,149 --> 00:22:39,720

what I can do so people are saying this

443

00:22:49,490 --> 00:22:47,210

so the only thing I knew really to do is

444

00:22:51,830 --> 00:22:49,500

to go to a place around me where I know

445

00:22:54,710 --> 00:22:51,840

there's a bunch of birds and I could use

446

00:22:57,049 --> 00:22:54,720

my cell phone and capture some birds and

447

00:22:59,510 --> 00:22:57,059

see if it's possible to even come up

448

00:23:04,549 --> 00:22:59,520

with something identical uh to What was

449

00:23:06,649 --> 00:23:04,559

seen in the Jubilee UFO video

450

00:23:09,470 --> 00:23:06,659

so

451
00:23:10,669 --> 00:23:09,480
[Music]

452
00:23:12,230 --> 00:23:10,679
um

453
00:23:13,970 --> 00:23:12,240
all right well I'll just play it you

454
00:23:17,450 --> 00:23:13,980
check it out

455
00:23:20,450 --> 00:23:17,460
the plan today is to go to the lakefront

456
00:23:23,149 --> 00:23:20,460
where there are plenty of birds with

457
00:23:27,470 --> 00:23:23,159
this Jubilee uh

458
00:23:29,870 --> 00:23:27,480
UFO video I figured I would uh go to

459
00:23:31,730 --> 00:23:29,880
Lakefront because there's just a

460
00:23:35,690 --> 00:23:31,740
plethora

461
00:23:38,630 --> 00:23:35,700
a flying furry friends and

462
00:23:40,870 --> 00:23:38,640
figured I would get a good example of

463
00:23:45,190 --> 00:23:40,880

what a bird looks like far away

464

00:24:01,490 --> 00:23:45,200

and compare it with the Jubilee video so

465

00:24:01,500 --> 00:24:07,250

yeah so there it is

466

00:24:11,269 --> 00:24:09,169

now this isn't slow motion just so you

467

00:24:13,789 --> 00:24:11,279

can like really see it

468

00:24:15,409 --> 00:24:13,799

so I think it looks pretty

469

00:24:18,049 --> 00:24:15,419

identical

470

00:24:21,350 --> 00:24:18,059

yeah it's me well I got a good example

471

00:24:24,769 --> 00:24:21,360

of a bird from far away

472

00:24:33,350 --> 00:24:28,810

well the conclusion is the Jubilee UFO

473

00:24:35,350 --> 00:24:33,360

is not a UFO it's a bird

474

00:24:38,870 --> 00:24:35,360

sorry

475

00:24:40,669 --> 00:24:38,880

now don't be mad at me that's just uh I

476

00:24:44,450 --> 00:24:40,679

just think it looks the same

477

00:24:47,450 --> 00:24:44,460

is the bird uh that I videoed so

478

00:24:51,529 --> 00:24:47,460

let's look at that again so you can see

479

00:24:58,370 --> 00:24:54,769

so here comes the bird

480

00:25:01,610 --> 00:25:00,230

now that's a bird I was there I saw it

481

00:25:03,890 --> 00:25:01,620

with my own eyes

482

00:25:05,450 --> 00:25:03,900

and you can see kind of its motion too

483

00:25:07,669 --> 00:25:05,460

where it almost looks like it's tumbling

484

00:25:09,529 --> 00:25:07,679

over itself

485

00:25:13,310 --> 00:25:09,539

and it's the same motion that this thing

486

00:25:18,649 --> 00:25:16,909

well I got a good example of a bird from

487

00:25:20,450 --> 00:25:18,659

far away

488

00:25:23,510 --> 00:25:20,460

so I don't need to listen to that again

489

00:25:26,090 --> 00:25:23,520

but uh I'll post that uh just like the

490

00:25:27,529 --> 00:25:26,100

the video uh clip too on Twitter or if

491

00:25:29,510 --> 00:25:27,539

you guys are interested in seeing it

492

00:25:31,730 --> 00:25:29,520

again I can make it more accessible to

493

00:25:35,390 --> 00:25:31,740

you so you can see it but

494

00:25:37,190 --> 00:25:35,400

um just from that little example to me

495

00:25:39,289 --> 00:25:37,200

uh visually

496

00:25:41,930 --> 00:25:39,299

it looks like a bird

497

00:25:43,909 --> 00:25:41,940

looks like a bird and in that area uh

498

00:25:45,830 --> 00:25:43,919

apparently I was informed

499

00:25:47,149 --> 00:25:45,840

uh I was informed by a very secret

500

00:25:50,870 --> 00:25:47,159

source

501
00:25:53,930 --> 00:25:50,880
you know that in that area

502
00:25:56,090 --> 00:25:53,940
um it's it's birdsville they have so

503
00:25:58,970 --> 00:25:56,100
many freaking Birds

504
00:26:01,430 --> 00:25:58,980
and the seagulls around

505
00:26:03,289 --> 00:26:01,440
uh that area where the Jubilee thing was

506
00:26:05,870 --> 00:26:03,299
uh

507
00:26:07,789 --> 00:26:05,880
was filmed so

508
00:26:09,890 --> 00:26:07,799
where they actually you know are pretty

509
00:26:11,510 --> 00:26:09,900
strict about telling you not to feed the

510
00:26:12,649 --> 00:26:11,520
birds because they come around like

511
00:26:14,570 --> 00:26:12,659
crazy

512
00:26:16,490 --> 00:26:14,580
now you could say some things that are

513
00:26:18,830 --> 00:26:16,500

weird like it's going through the the

514

00:26:21,710 --> 00:26:18,840

the you know the

515

00:26:25,549 --> 00:26:21,720

the exhaust or whatever of the Jets I

516

00:26:31,310 --> 00:26:28,430

but if you have that many birds around

517

00:26:33,409 --> 00:26:31,320

and you really it's so hard to tell when

518

00:26:35,029 --> 00:26:33,419

something's that small and what the

519

00:26:38,810 --> 00:26:35,039

angle is of where it's recorded as

520

00:26:42,409 --> 00:26:38,820

though where it really is I don't know

521

00:26:45,890 --> 00:26:42,419

so I think it's a bird but you know

522

00:26:47,210 --> 00:26:45,900

that's uh that's just my uh synopsis

523

00:26:49,250 --> 00:26:47,220

so

524

00:26:52,430 --> 00:26:49,260

um I'm always leaving room to be

525

00:26:54,830 --> 00:26:52,440

incorrect but if you ask me to bet a

526
00:26:57,710 --> 00:26:54,840
hundred dollars on if it is or isn't I

527
00:27:00,529 --> 00:26:57,720
would say it is not

528
00:27:04,130 --> 00:27:00,539
a UAP it is a bird

529
00:27:07,669 --> 00:27:05,870
Nigel you know that's something that

530
00:27:09,769 --> 00:27:07,679
people say too it's split into I don't

531
00:27:12,409 --> 00:27:09,779
think it's splitting two as much as uh

532
00:27:13,549 --> 00:27:12,419
the quality is incredibly poor and you

533
00:27:16,070 --> 00:27:13,559
can see like the buildings and

534
00:27:18,769 --> 00:27:16,080
everything else get like Blurry

535
00:27:21,230 --> 00:27:18,779
or are blurry right so I think it's

536
00:27:23,210 --> 00:27:21,240
maybe just a effect of the camera that

537
00:27:26,450 --> 00:27:23,220
it seems like it's splitting in two but

538
00:27:28,490 --> 00:27:26,460

that's really not the case you know

539

00:27:30,590 --> 00:27:28,500

um again I could be wrong but that's

540

00:27:34,370 --> 00:27:30,600

just my guess the other thing I would

541

00:27:36,710 --> 00:27:34,380

have to say is like all the UFO reports

542

00:27:38,870 --> 00:27:36,720

that I've read

543

00:27:41,810 --> 00:27:38,880

which is a lot

544

00:27:44,889 --> 00:27:41,820

at this point obviously uh like blue

545

00:27:47,450 --> 00:27:44,899

book and and all that I've read probably

546

00:27:50,990 --> 00:27:47,460

guessed I'd probably be up to a few

547

00:27:53,330 --> 00:27:51,000

hundred reports at least maybe more I

548

00:27:54,590 --> 00:27:53,340

don't keep track but I've read a lot of

549

00:27:56,269 --> 00:27:54,600

them

550

00:27:58,730 --> 00:27:56,279

and

551
00:28:01,190 --> 00:27:58,740
you don't really come across especially

552
00:28:01,870 --> 00:28:01,200
from from Pilots right

553
00:28:04,549 --> 00:28:01,880
um

554
00:28:08,149 --> 00:28:04,559
explanations of UFOs and the size of

555
00:28:09,889 --> 00:28:08,159
them to be the size of a bird which at

556
00:28:12,590 --> 00:28:09,899
the very least

557
00:28:15,529 --> 00:28:12,600
that object in that video is the size of

558
00:28:18,409 --> 00:28:15,539
a bird that's for sure

559
00:28:21,289 --> 00:28:18,419
and you just don't get um

560
00:28:23,630 --> 00:28:21,299
you don't get reports like that you know

561
00:28:25,010 --> 00:28:23,640
it's about the size of a you know maybe

562
00:28:27,769 --> 00:28:25,020
I'll get like a softball but they're

563
00:28:30,289 --> 00:28:27,779

talking about it arm's length from from

564

00:28:32,269 --> 00:28:30,299

like the uh you know the ground and it's

565

00:28:36,950 --> 00:28:32,279

really a lot bigger than that you know

566

00:28:39,710 --> 00:28:36,960

so just my take on it is it

567

00:28:40,789 --> 00:28:39,720

you know it it doesn't uh line up with

568

00:28:51,110 --> 00:28:40,799

uh

569

00:28:55,370 --> 00:28:52,909

there we go I like this though we can

570

00:28:58,610 --> 00:28:55,380

always compromise it's a UAP disguised

571

00:29:00,950 --> 00:28:58,620

as a bird I'll take that that's fine I'm

572

00:29:02,330 --> 00:29:00,960

okay with that

573

00:29:05,149 --> 00:29:02,340

so

574

00:29:08,269 --> 00:29:05,159

that being said uh that are is our

575

00:29:08,830 --> 00:29:08,279

extended version of uh what the heck is

576

00:29:14,590 --> 00:29:08,840

that

577

00:29:22,190 --> 00:29:16,460

you sure

578

00:29:27,110 --> 00:29:24,950

the other thing I'll say is like people

579

00:29:30,230 --> 00:29:27,120

um and understandably so people really

580

00:29:33,289 --> 00:29:30,240

desperately want uh to get the evidence

581

00:29:36,950 --> 00:29:33,299

for themselves and be the hero and show

582

00:29:40,610 --> 00:29:36,960

the video that actually is a UAP or get

583

00:29:43,430 --> 00:29:40,620

the document that proves it all or

584

00:29:45,950 --> 00:29:43,440

you know have the story that actually

585

00:29:48,470 --> 00:29:45,960

breaks the case you know so much so that

586

00:29:51,409 --> 00:29:48,480

some people are are willing to you know

587

00:29:55,909 --> 00:29:51,419

take an unnecessary leap from

588

00:29:58,789 --> 00:29:55,919

um you know something like prosaic to a

589

00:30:00,889 --> 00:29:58,799

UFO I mean the simple fact is is that

590

00:30:03,110 --> 00:30:00,899

there's a lot of videos that I could

591

00:30:04,970 --> 00:30:03,120

take or that you could take where it

592

00:30:07,610 --> 00:30:04,980

seems like

593

00:30:10,070 --> 00:30:07,620

you just don't know what it is the

594

00:30:12,169 --> 00:30:10,080

quality is poor

595

00:30:14,210 --> 00:30:12,179

um it's pixelated his cell phone or

596

00:30:16,970 --> 00:30:14,220

whatever and you can't you're not going

597

00:30:18,889 --> 00:30:16,980

to convince anyone it's a UFO but you

598

00:30:22,130 --> 00:30:18,899

also don't have enough detail to say

599

00:30:23,990 --> 00:30:22,140

it's a bird you know or or a satellite

600

00:30:25,430 --> 00:30:24,000

or whatever you know so where does that

601
00:30:28,130 --> 00:30:25,440
leave us that leaves us in this Middle

602
00:30:29,990 --> 00:30:28,140
Ground where people who want to have

603
00:30:32,630 --> 00:30:30,000
that evidence and

604
00:30:33,889 --> 00:30:32,640
you know kind of be the hero will say

605
00:30:36,350 --> 00:30:33,899
it's a UAP

606
00:30:38,870 --> 00:30:36,360
you know and people who

607
00:30:40,669 --> 00:30:38,880
think uavs are all junk we'll say it's a

608
00:30:42,889 --> 00:30:40,679
bird and then there's all different

609
00:30:44,029 --> 00:30:42,899
sorts of people some people are just

610
00:30:47,210 --> 00:30:44,039
don't want to participate in the

611
00:30:49,730 --> 00:30:47,220
argument but uh at

612
00:30:51,950 --> 00:30:49,740
I would say that

613
00:30:52,909 --> 00:30:51,960

you know in this kind of situation it

614

00:30:55,370 --> 00:30:52,919

doesn't

615

00:30:57,049 --> 00:30:55,380

serve any purpose you know because you

616

00:31:00,049 --> 00:30:57,059

can't convince anybody

617

00:31:03,529 --> 00:31:00,059

you can't convince them ncufo so what's

618

00:31:06,289 --> 00:31:03,539

the point you know it's blurry

619

00:31:07,970 --> 00:31:06,299

and that's just what it is no matter how

620

00:31:10,490 --> 00:31:07,980

many times somebody says birds Don't

621

00:31:13,370 --> 00:31:10,500

travel like that or insects don't go

622

00:31:14,930 --> 00:31:13,380

that fast you know you that's not an

623

00:31:15,950 --> 00:31:14,940

argument that's not a scientific

624

00:31:18,649 --> 00:31:15,960

argument

625

00:31:20,750 --> 00:31:18,659

you know and it's not going to take

626

00:31:23,090 --> 00:31:20,760

this topic any further just because

627

00:31:25,789 --> 00:31:23,100

someone who's not a scientist shares a

628

00:31:27,590 --> 00:31:25,799

video on Twitter and says that's no bird

629

00:31:29,269 --> 00:31:27,600

that doesn't count

630

00:31:31,610 --> 00:31:29,279

you know

631

00:31:34,250 --> 00:31:31,620

you need something more than that

632

00:31:36,649 --> 00:31:34,260

at least with Danny Silvis uh you know

633

00:31:38,450 --> 00:31:36,659

video he's got many different aspects of

634

00:31:41,330 --> 00:31:38,460

it hopefully he'll talk to a witness

635

00:31:43,730 --> 00:31:41,340

there were a lot of witnesses

636

00:31:45,710 --> 00:31:43,740

and even that

637

00:31:49,549 --> 00:31:45,720

you know you're not going to be able to

638

00:31:51,409 --> 00:31:49,559

say this for sure is a UFO you know

639

00:31:53,630 --> 00:31:51,419

you're going to be able to get a lot of

640

00:31:55,669 --> 00:31:53,640

evidence and put it more in the more

641

00:31:59,029 --> 00:31:55,679

likely section

642

00:32:01,610 --> 00:31:59,039

but still you know

643

00:32:03,169 --> 00:32:01,620

but definitely there have been a lot of

644

00:32:05,090 --> 00:32:03,179

videos

645

00:32:08,750 --> 00:32:05,100

lightly

646

00:32:11,210 --> 00:32:08,760

of like birds or insects or things that

647

00:32:13,070 --> 00:32:11,220

could probably be that

648

00:32:15,529 --> 00:32:13,080

and people pushing them like they're

649

00:32:17,750 --> 00:32:15,539

UFOs

650

00:32:21,649 --> 00:32:17,760

you know

651
00:32:24,710 --> 00:32:21,659
and it's not convincing and if anything

652
00:32:25,269 --> 00:32:24,720
you know the blurry videos like the

653
00:32:27,830 --> 00:32:25,279
the

654
00:32:29,930 --> 00:32:27,840
Apache one that was at that UFO

655
00:32:32,990 --> 00:32:29,940
disclosure Symposium whatever the heck

656
00:32:35,570 --> 00:32:33,000
that's a crappy video

657
00:32:38,389 --> 00:32:35,580
you can't tell what it is by looking at

658
00:32:39,710 --> 00:32:38,399
it so what are we doing here

659
00:32:45,889 --> 00:32:39,720
you know

660
00:32:49,610 --> 00:32:47,930
they're they're really there really is

661
00:32:52,789 --> 00:32:49,620
none

662
00:32:56,930 --> 00:32:55,009
and and Robert brings up a good point

663
00:33:00,710 --> 00:32:56,940

like the need to get away from

664

00:33:06,649 --> 00:33:00,720

eyewitness testimony like people

665

00:33:09,169 --> 00:33:06,659

want to believe so much in a video that

666

00:33:11,990 --> 00:33:09,179

quite frankly isn't distinguishable from

667

00:33:15,649 --> 00:33:12,000

Birds rather than

668

00:33:17,870 --> 00:33:15,659

listening to a witness tell their story

669

00:33:20,149 --> 00:33:17,880

that is

670

00:33:20,159 --> 00:33:23,870

you know Paradigm shifting

671

00:33:27,950 --> 00:33:25,970

you know I actually took some time and

672

00:33:29,269 --> 00:33:27,960

watched this movie

673

00:33:31,370 --> 00:33:29,279

um

674

00:33:33,889 --> 00:33:31,380

yeah Andres I couldn't agree with you

675

00:33:35,990 --> 00:33:33,899

more if you want to take videos that you

676

00:33:39,049 --> 00:33:36,000

can't really tell what the heck is going

677

00:33:40,970 --> 00:33:39,059

on what the heck that is your own data

678

00:33:43,430 --> 00:33:40,980

you're going to need data and even then

679

00:33:45,049 --> 00:33:43,440

even if you have data that says this

680

00:33:46,850 --> 00:33:45,059

thing's going this fast and made this

681

00:33:48,049 --> 00:33:46,860

turn like this you're still going to

682

00:33:49,669 --> 00:33:48,059

have people that are not going to

683

00:33:51,710 --> 00:33:49,679

believe it and they're going to shut it

684

00:33:53,870 --> 00:33:51,720

down because then you have to trust the

685

00:33:55,490 --> 00:33:53,880

people that are telling you this data

686

00:33:56,990 --> 00:33:55,500

how do I know they're telling me the

687

00:33:58,789 --> 00:33:57,000

truth well it says it on the video

688

00:34:00,230 --> 00:33:58,799

screen well how do I know they didn't

689

00:34:02,930 --> 00:34:00,240

doctor the screen

690

00:34:05,930 --> 00:34:02,940

it's never ending

691

00:34:08,030 --> 00:34:05,940

and I don't think we realize that a lot

692

00:34:11,450 --> 00:34:08,040

that even with that I will still need

693

00:34:12,889 --> 00:34:11,460

people to translate that data to us and

694

00:34:15,409 --> 00:34:12,899

then we're still going to have to trust

695

00:34:17,210 --> 00:34:15,419

that person who's doing that

696

00:34:19,069 --> 00:34:17,220

and you'll still have to trust that

697

00:34:23,750 --> 00:34:19,079

people are just giving you fake data for

698

00:34:28,069 --> 00:34:25,609

you know

699

00:34:29,869 --> 00:34:28,079

but what you can't

700

00:34:31,550 --> 00:34:29,879

I mean you can do whatever you want but

701
00:34:39,589 --> 00:34:31,560
what I can't

702
00:34:41,990 --> 00:34:39,599
uh one a witness

703
00:34:43,970 --> 00:34:42,000
has truly been affected by something

704
00:34:47,329 --> 00:34:43,980
they've seen or encountered and that is

705
00:34:49,310 --> 00:34:47,339
just something that uh

706
00:34:50,869 --> 00:34:49,320
hits you in the core

707
00:34:53,329 --> 00:34:50,879
you know

708
00:34:55,909 --> 00:34:53,339
and you can tell if somebody's BS and or

709
00:35:00,290 --> 00:34:55,919
a lion or making stuff up and you can

710
00:35:00,300 --> 00:35:04,130
um affected

711
00:35:10,849 --> 00:35:06,589
you know but see the thing with that is

712
00:35:12,770 --> 00:35:10,859
it takes some uh gut instinct and I you

713
00:35:16,609 --> 00:35:12,780

know the ability for you to trust

714

00:35:17,870 --> 00:35:16,619

yourself in your judgment

715

00:35:19,670 --> 00:35:17,880

you know

716

00:35:20,750 --> 00:35:19,680

and I'm not saying it's easy and I'm not

717

00:35:21,829 --> 00:35:20,760

saying you're gonna be right all the

718

00:35:25,550 --> 00:35:21,839

time but

719

00:35:28,310 --> 00:35:25,560

uh I think we you know

720

00:35:30,109 --> 00:35:28,320

it would behoove us not to lean on that

721

00:35:32,270 --> 00:35:30,119

a little bit more these days

722

00:35:33,950 --> 00:35:32,280

it doesn't mean you have to hear a story

723

00:35:37,550 --> 00:35:33,960

and go shout out to everybody of those

724

00:35:41,750 --> 00:35:39,470

there's always going to be naysayers and

725

00:35:45,170 --> 00:35:41,760

people who don't believe it you know but

726

00:35:48,470 --> 00:35:45,180

sometimes this stuff is is more of a

727

00:35:59,030 --> 00:35:52,250

you know you have to decide for yourself

728

00:36:03,470 --> 00:36:00,829

yeah I mean

729

00:36:05,569 --> 00:36:03,480

Logan black great Point even scientists

730

00:36:08,510 --> 00:36:05,579

come down on covet vaccines on or

731

00:36:12,290 --> 00:36:08,520

against it even though it's all science

732

00:36:15,050 --> 00:36:13,550

you know

733

00:36:20,030 --> 00:36:15,060

there's always going to be arguments too

734

00:36:25,670 --> 00:36:23,030

so that's just my take on it but what I

735

00:36:28,130 --> 00:36:25,680

was going to say is I actually tried to

736

00:36:31,430 --> 00:36:28,140

take a leap and watch this movie on on

737

00:36:36,109 --> 00:36:33,470

called uh

738

00:36:39,170 --> 00:36:36,119

the seating and the reason I watched it

739

00:36:42,530 --> 00:36:39,180

is because it's not something

740

00:36:46,190 --> 00:36:42,540

that's really my wheelhouse it's

741

00:36:49,069 --> 00:36:46,200

a abduction accounts about the whole

742

00:36:52,730 --> 00:36:49,079

hybrid thing

743

00:36:55,190 --> 00:36:52,740

hybrid program and you know uh hybrid

744

00:36:56,630 --> 00:36:55,200

babies abducting women you know

745

00:36:58,190 --> 00:36:56,640

you know messing with their uterus all

746

00:37:02,630 --> 00:36:58,200

that kind of stuff

747

00:37:05,450 --> 00:37:02,640

it's insane to think about

748

00:37:06,530 --> 00:37:05,460

if you tell this to anyone they're gonna

749

00:37:08,750 --> 00:37:06,540

just

750

00:37:10,849 --> 00:37:08,760

think you're nuts

751
00:37:12,650 --> 00:37:10,859
and if you're pretty strong proponent

752
00:37:13,750 --> 00:37:12,660
about it they'll probably want to put

753
00:37:20,030 --> 00:37:13,760
you away

754
00:37:25,069 --> 00:37:22,910
that abductions happen I believe so many

755
00:37:26,569 --> 00:37:25,079
witnesses that have talked about them so

756
00:37:29,030 --> 00:37:26,579
I wanted to take the leap and actually

757
00:37:30,589 --> 00:37:29,040
watch this for myself

758
00:37:34,069 --> 00:37:30,599
you know because a part of me was

759
00:37:38,750 --> 00:37:36,290
so I watched this video

760
00:37:41,510 --> 00:37:38,760
this movie

761
00:37:46,930 --> 00:37:41,520
and I gotta say like

762
00:37:52,130 --> 00:37:49,490
I mean

763
00:37:54,050 --> 00:37:52,140

I wish I had some way to prove it but I

764

00:37:56,569 --> 00:37:54,060

just believe them I just flat out

765

00:38:00,050 --> 00:37:56,579

believe him at least in this

766

00:38:02,210 --> 00:38:00,060

uh DVD this this movie

767

00:38:05,030 --> 00:38:02,220

every one of them

768

00:38:08,329 --> 00:38:05,040

they seem reliable honest

769

00:38:12,010 --> 00:38:10,069

and the implications of what they're

770

00:38:13,670 --> 00:38:12,020

talking about are so

771

00:38:20,450 --> 00:38:13,680

vast

772

00:38:25,370 --> 00:38:23,450

but you have to be able to get over your

773

00:38:28,190 --> 00:38:25,380

idea of what you think is normal and

774

00:38:32,030 --> 00:38:29,870

you know because if you don't of course

775

00:38:34,190 --> 00:38:32,040

you're going to think the whole idea is

776

00:38:36,050 --> 00:38:34,200

is outrageous but why is it because you

777

00:38:38,690 --> 00:38:36,060

think it is because you know what the

778

00:38:43,190 --> 00:38:40,849

if we're talking UFOs things from out of

779

00:38:45,770 --> 00:38:43,200

this world let me tell you nothing is

780

00:38:50,089 --> 00:38:45,780

off the off the table

781

00:38:53,690 --> 00:38:52,250

flips the world upside down and if

782

00:38:58,190 --> 00:38:53,700

that's the case

783

00:39:05,990 --> 00:39:00,349

and so what I have to do is listen to

784

00:39:09,950 --> 00:39:08,690

for what a person is for what they're

785

00:39:13,370 --> 00:39:09,960

saying and if they're honest or if

786

00:39:14,270 --> 00:39:13,380

they're not and these people in the

787

00:39:22,130 --> 00:39:14,280

seating

788

00:39:27,650 --> 00:39:24,530

with conviction

789

00:39:32,030 --> 00:39:27,660

take that for what you want

790

00:39:38,630 --> 00:39:35,089

that just because something seems

791

00:39:38,640 --> 00:39:45,290

doesn't mean it's not real

792

00:39:49,450 --> 00:39:47,089

so

793

00:39:52,370 --> 00:39:49,460

foreign

794

00:39:55,370 --> 00:39:52,380

I can't prove it is I don't know crap

795

00:39:56,990 --> 00:39:55,380

about the hybrid stuff I really don't I

796

00:40:00,890 --> 00:39:57,000

just watched a movie

797

00:40:03,170 --> 00:40:00,900

and I just focused on the people

798

00:40:05,329 --> 00:40:03,180

you know and that's what I did and I

799

00:40:07,490 --> 00:40:05,339

left with I believe them

800

00:40:09,470 --> 00:40:07,500

I challenge yourself to to try doing

801
00:40:11,930 --> 00:40:09,480
that and not think about what they're

802
00:40:13,609 --> 00:40:11,940
saying in the implications so much and

803
00:40:14,630 --> 00:40:13,619
how out of this world impossible you

804
00:40:18,290 --> 00:40:14,640
think it is

805
00:40:18,300 --> 00:40:25,790
as people as human beings

806
00:40:30,710 --> 00:40:27,650
but only if you're prepared for it

807
00:40:32,750 --> 00:40:30,720
because it's pretty heavy so

808
00:40:35,210 --> 00:40:32,760
that being said

809
00:40:37,790 --> 00:40:35,220
I did say that if there was enough time

810
00:40:37,800 --> 00:40:40,670
um we would

811
00:40:48,170 --> 00:40:44,750
cover some old documents

812
00:40:55,430 --> 00:40:48,180
and I think we can manage to do that

813
00:40:55,440 --> 00:40:59,569

um this one I wanted to show

814

00:41:05,510 --> 00:41:02,750

is I posted on my Twitter so you might

815

00:41:07,190 --> 00:41:05,520

be familiar with it already but

816

00:41:09,109 --> 00:41:07,200

if you follow me there

817

00:41:11,329 --> 00:41:09,119

so if that's the case

818

00:41:14,990 --> 00:41:11,339

just log the hell out get out of here

819

00:41:22,870 --> 00:41:17,329

beautiful our consensus framework of

820

00:41:22,880 --> 00:41:27,589

really is

821

00:41:32,770 --> 00:41:29,270

you know but that's what Dino beavers

822

00:41:36,109 --> 00:41:32,780

are for come out with a story that's so

823

00:41:37,000 --> 00:41:36,119

insane to think about that UFOs seem

824

00:41:40,970 --> 00:41:37,010

normal

825

00:41:42,410 --> 00:41:40,980

[Laughter]

826

00:41:45,290 --> 00:41:42,420

and all of a sudden everybody thinks

827

00:41:46,670 --> 00:41:45,300

UFOs are normal so

828

00:41:49,430 --> 00:41:46,680

this

829

00:41:52,970 --> 00:41:52,130

uh I found it in Blue Book Project Blue

830

00:42:00,170 --> 00:41:52,980

Book

831

00:42:00,180 --> 00:42:07,190

July 7 1967 to a general Garland

832

00:42:11,870 --> 00:42:09,589

right

833

00:42:15,050 --> 00:42:11,880

so we have a briefing to a general

834

00:42:17,150 --> 00:42:15,060

Garland imagine this happening now

835

00:42:18,470 --> 00:42:17,160

you know somebody comes out and foia's

836

00:42:21,050 --> 00:42:18,480

and gets released

837

00:42:23,030 --> 00:42:21,060

a UFO briefing given to an Air Force

838

00:42:25,010 --> 00:42:23,040

General

839

00:42:27,050 --> 00:42:25,020

how excited would you be you'd be like

840

00:42:29,450 --> 00:42:27,060

holy crap

841

00:42:32,569 --> 00:42:29,460

what the heck is in it

842

00:42:36,950 --> 00:42:35,210

take yourself back to 1967. that's where

843

00:42:41,870 --> 00:42:36,960

we are with this the stock commitment

844

00:42:47,030 --> 00:42:45,170

as always kind of uh unfortunately with

845

00:42:52,609 --> 00:42:47,040

these is

846

00:42:52,619 --> 00:42:56,630

excuse me for that

847

00:43:00,950 --> 00:42:59,089

but so I'm going to attempt to find the

848

00:43:02,809 --> 00:43:00,960

beginning here all right so we'll just

849

00:43:05,990 --> 00:43:02,819

start from here

850

00:43:08,510 --> 00:43:06,000

U.S scientific opinions

851
00:43:09,770 --> 00:43:08,520
many leading astronomers astronomers

852
00:43:11,930 --> 00:43:09,780
have expressed their ideas on the

853
00:43:14,089 --> 00:43:11,940
possibilities of extraterrestrial life

854
00:43:15,910 --> 00:43:14,099
there's evidence that the bulk of the

855
00:43:18,349 --> 00:43:15,920
stars in the sky have planetary systems

856
00:43:20,210 --> 00:43:18,359
Recent research concerning the origin of

857
00:43:22,430 --> 00:43:20,220
life on Earth suggests that physical and

858
00:43:24,410 --> 00:43:22,440
chemical processes leading to the origin

859
00:43:26,750 --> 00:43:24,420
of Life occur rapidly in the early

860
00:43:28,010 --> 00:43:26,760
history of the majority of planets The

861
00:43:30,410 --> 00:43:28,020
Selective value of intelligence

862
00:43:32,150 --> 00:43:30,420
technical civilization is obvious and it

863
00:43:35,630 --> 00:43:32,160

seems likely

864

00:43:38,450 --> 00:43:35,640

that a large number of planets within

865

00:43:41,390 --> 00:43:38,460

our Milky Way galaxy perhaps as many as

866

00:43:44,210 --> 00:43:41,400

a million are inhabited

867

00:43:45,470 --> 00:43:44,220

by technical civilizations in advance of

868

00:43:47,809 --> 00:43:45,480

Our Own

869

00:43:50,030 --> 00:43:47,819

Interstellar space flight is far beyond

870

00:43:51,710 --> 00:43:50,040

our present technical capabilities but

871

00:43:53,630 --> 00:43:51,720

there seems to be no fundamental

872

00:43:55,730 --> 00:43:53,640

physical objections to it

873

00:43:57,710 --> 00:43:55,740

and it would be very rash indeed for

874

00:43:59,930 --> 00:43:57,720

anyone to preclude from our present

875

00:44:03,829 --> 00:43:59,940

vantage point the possibility of its

876
00:44:08,510 --> 00:44:06,470
Dr Carl Sagan of Harvard University for

877
00:44:10,430 --> 00:44:08,520
one has often expressed his views that

878
00:44:11,569 --> 00:44:10,440
the Earth is not the only inhabited

879
00:44:14,089 --> 00:44:11,579
planet

880
00:44:15,349 --> 00:44:14,099
his work has produced the logic that if

881
00:44:18,130 --> 00:44:15,359
a million Advanced technical

882
00:44:20,750 --> 00:44:18,140
civilizations in our galaxy launched an

883
00:44:22,609 --> 00:44:20,760
Interstellar spacecraft per year and

884
00:44:25,010 --> 00:44:22,619
even if all stars in the galaxy can be

885
00:44:27,530 --> 00:44:25,020
explored with equal facility then our

886
00:44:29,690 --> 00:44:27,540
solar system should on average be

887
00:44:32,510 --> 00:44:29,700
visited only once every 100

888
00:44:37,609 --> 00:44:35,450

but it does say once

889

00:44:39,410 --> 00:44:37,619

even if a small fraction of the UFOs are

890

00:44:41,030 --> 00:44:39,420

Interstellar spacecraft this would imply

891

00:44:43,069 --> 00:44:41,040

an overriding significant Source small

892

00:44:44,569 --> 00:44:43,079

planet if our views on the frequency of

893

00:44:47,270 --> 00:44:44,579

intelligence in the Galaxy are correct

894

00:44:49,970 --> 00:44:47,280

there is no reason for the earth to be

895

00:44:51,890 --> 00:44:49,980

singled out for Interstellar visits so

896

00:44:54,410 --> 00:44:51,900

they're pretty much admitting so far

897

00:44:56,630 --> 00:44:54,420

that uh yeah there's other things out

898

00:44:57,890 --> 00:44:56,640

there and probably a lot of them and

899

00:45:03,890 --> 00:44:57,900

then it goes back to why would they

900

00:45:07,190 --> 00:45:05,870

which is just insane to think about

901
00:45:07,910 --> 00:45:07,200
because

902
00:45:09,650 --> 00:45:07,920
um

903
00:45:15,530 --> 00:45:09,660
you know you're dealing with different

904
00:45:20,150 --> 00:45:18,230
on how they think or how they process

905
00:45:21,650 --> 00:45:20,160
thoughts or what their intentions would

906
00:45:23,930 --> 00:45:21,660
be and you're going to go out there and

907
00:45:26,089 --> 00:45:23,940
say why would they visit us right well

908
00:45:28,970 --> 00:45:26,099
maybe things don't kind of work the way

909
00:45:30,829 --> 00:45:28,980
you think you know Dr Charles Smiley

910
00:45:32,390 --> 00:45:30,839
Brown University has recently undertaken

911
00:45:34,670 --> 00:45:32,400
an interesting attempt to answer the

912
00:45:36,470 --> 00:45:34,680
question as to the possibility of UFOs

913
00:45:37,849 --> 00:45:36,480

being from merge or Venus logical

914

00:45:40,550 --> 00:45:37,859

approach to this problem would be to

915

00:45:41,870 --> 00:45:40,560

consider a favorable launch Windows it

916

00:45:43,550 --> 00:45:41,880

is well known the importance of

917

00:45:45,109 --> 00:45:43,560

selecting a favorable launch time so

918

00:45:46,910 --> 00:45:45,119

that a vehicle will travel along a

919

00:45:49,130 --> 00:45:46,920

minimum energy orbit arriving at the

920

00:45:52,849 --> 00:45:49,140

path of mars or Venus just as that

921

00:45:52,859 --> 00:45:55,930

um so

922

00:46:00,950 --> 00:45:59,270

oh Dr Smiley found no evidence to

923

00:46:03,230 --> 00:46:00,960

indicate that merchants and venusians

924

00:46:06,290 --> 00:46:03,240

have been arriving in large numbers

925

00:46:08,930 --> 00:46:06,300

oh yeah well what about something that's

926
00:46:11,630 --> 00:46:08,940
not from ours or Venus perhaps

927
00:46:13,490 --> 00:46:11,640
and then they quote Dr Menzel here Dr

928
00:46:19,550 --> 00:46:13,500
Menzel if you're not for not not

929
00:46:25,130 --> 00:46:21,309
foreign

930
00:46:28,130 --> 00:46:25,140
what's interesting here

931
00:46:30,530 --> 00:46:28,140
that we go down to this part since 1957

932
00:46:32,210 --> 00:46:30,540
hundreds of members of moon watch

933
00:46:33,290 --> 00:46:32,220
teams throughout the world I've watched

934
00:46:35,210 --> 00:46:33,300
the skies

935
00:46:36,950 --> 00:46:35,220
but no moon watch team has yet reported

936
00:46:38,870 --> 00:46:36,960
the presence of spaceship so I will tell

937
00:46:41,870 --> 00:46:38,880
you this thing

938
00:46:44,390 --> 00:46:41,880

about moonwatch the moon watch

939

00:46:46,790 --> 00:46:44,400

was put together by high Nick

940

00:46:49,550 --> 00:46:46,800

right I think Menzel might have did that

941

00:46:54,950 --> 00:46:51,470

um but there are reports of moon watch

942

00:46:56,990 --> 00:46:54,960

seeing UFOs they're astronomers but

943

00:47:00,530 --> 00:46:57,000

really all over the world to look for

944

00:47:02,690 --> 00:47:00,540

Sputnik but they actually did see UFOs

945

00:47:05,870 --> 00:47:02,700

sometimes they didn't say they were

946

00:47:12,589 --> 00:47:08,150

but they weren't satellites or meteors

947

00:47:16,609 --> 00:47:14,390

an important point is that the space

948

00:47:18,349 --> 00:47:16,619

detection and tracking system would

949

00:47:20,329 --> 00:47:18,359

certainly detect an interloper from the

950

00:47:24,530 --> 00:47:20,339

honorary planet

951
00:47:29,210 --> 00:47:27,890
interesting huh to date it's just that

952
00:47:30,470 --> 00:47:29,220
you don't know what it is you don't know

953
00:47:33,230 --> 00:47:30,480
what it looks like so how are you

954
00:47:34,849 --> 00:47:33,240
supposed to say in

955
00:47:36,470 --> 00:47:34,859
in early U.S attempt to establish

956
00:47:38,990 --> 00:47:36,480
contact with extraterrestrial life was

957
00:47:41,210 --> 00:47:39,000
unsuccessful project ozma I think that

958
00:47:52,309 --> 00:47:41,220
was a seti thing right perhaps no

959
00:47:52,319 --> 00:47:54,890
um

960
00:48:02,450 --> 00:47:58,130
so the other part that I want to read

961
00:48:09,410 --> 00:48:04,910
so they're pretty much uh trying to kill

962
00:48:13,910 --> 00:48:11,930
determination of ET Life The only

963
00:48:15,349 --> 00:48:13,920

positive proof that ET life exists is

964

00:48:17,390 --> 00:48:15,359

the establishment of contact with

965

00:48:20,750 --> 00:48:17,400

another civilization the earliest

966

00:48:22,609 --> 00:48:20,760

attempt to blah blah we already read

967

00:48:27,170 --> 00:48:22,619

about that

968

00:48:27,180 --> 00:48:33,410

so

969

00:48:39,170 --> 00:48:37,790

and we kind of know that well

970

00:48:41,569 --> 00:48:39,180

you never know if they're hiding stuff

971

00:48:50,450 --> 00:48:41,579

but I don't think that city has really

972

00:48:54,109 --> 00:48:52,730

connection with the problem of ET life a

973

00:48:56,390 --> 00:48:54,119

large number of meteorologists

974

00:48:57,890 --> 00:48:56,400

physicists biologists Etc everywhere

975

00:48:59,450 --> 00:48:57,900

studying meteorites the proof of

976
00:49:01,670 --> 00:48:59,460
existence of organic substance and

977
00:49:03,530 --> 00:49:01,680
meteorites not of Earth origin would

978
00:49:05,690 --> 00:49:03,540
support the existence of life outside

979
00:49:10,250 --> 00:49:05,700
the Earth

980
00:49:15,290 --> 00:49:12,589
U.S and USSR efforts to establish

981
00:49:16,910 --> 00:49:15,300
contact with DT life have been about

982
00:49:19,670 --> 00:49:16,920
equal in terms of theoretical

983
00:49:25,370 --> 00:49:22,730
uh I can say that's not true Soviets uh

984
00:49:30,170 --> 00:49:25,380
we're ahead of us on that

985
00:49:37,849 --> 00:49:34,549
um and then this is interesting

986
00:49:41,450 --> 00:49:40,010
uh the Air Force UFO program has

987
00:49:43,490 --> 00:49:41,460
represented a modest but continuous

988
00:49:45,109 --> 00:49:43,500

effort since 47 the program has been

989

00:49:47,150 --> 00:49:45,119

well organized although the resources

990

00:49:49,490 --> 00:49:47,160

assigned to it have been quite Limited

991

00:49:50,990 --> 00:49:49,500

uh sounds a lot like now the program has

992

00:49:52,910 --> 00:49:51,000

undergone personal attitude and

993

00:49:54,410 --> 00:49:52,920

procedural changes because of the

994

00:49:55,910 --> 00:49:54,420

problems and pressures has been

995

00:49:58,069 --> 00:49:55,920

periodically reviewed by external

996

00:50:00,349 --> 00:49:58,079

Consultants scientists more recently a

997

00:50:03,349 --> 00:50:00,359

congressional committee wow

998

00:50:08,329 --> 00:50:03,359

back in a time machine

999

00:50:12,170 --> 00:50:09,890

at present The Firm conclusions

1000

00:50:14,030 --> 00:50:12,180

president Blue Book are no UFO reported

1001
00:50:16,069 --> 00:50:14,040
investigative evaluated but Air Force

1002
00:50:17,630 --> 00:50:16,079
has ever give any indication a threat to

1003
00:50:19,490 --> 00:50:17,640
our national security

1004
00:50:20,930 --> 00:50:19,500
there's been no evidence submitted or

1005
00:50:23,390 --> 00:50:20,940
discovered by the Air Force sightings

1006
00:50:24,829 --> 00:50:23,400
characterized as UFOs represent uh Tech

1007
00:50:25,910 --> 00:50:24,839
developments or principles beyond the

1008
00:50:26,990 --> 00:50:25,920
range of present-day scientific

1009
00:50:28,549 --> 00:50:27,000
knowledge

1010
00:50:30,349 --> 00:50:28,559
there's been no evidence indicating the

1011
00:50:32,870 --> 00:50:30,359
sightings categorized as UFOs are

1012
00:50:35,930 --> 00:50:32,880
extraterrestrial vehicles

1013
00:50:43,490 --> 00:50:40,430

you know when I read that I think um

1014

00:50:46,549 --> 00:50:43,500

so what are we still doing here

1015

00:50:49,190 --> 00:50:46,559

why are we still looking for UFOs why

1016

00:50:52,670 --> 00:50:49,200

are there still UFO reports

1017

00:50:55,010 --> 00:50:52,680

this is 1967.

1018

00:50:58,190 --> 00:50:55,020

and trust me 20 years before that

1019

00:51:00,829 --> 00:50:58,200

they're basically saying the same stuff

1020

00:51:02,510 --> 00:51:00,839

and now here we are in 20.

1021

00:51:07,490 --> 00:51:02,520

22.

1022

00:51:07,500 --> 00:51:15,109

how can that be possible

1023

00:51:18,770 --> 00:51:16,910

initial classification of the UFO

1024

00:51:19,849 --> 00:51:18,780

project and continuous association with

1025

00:51:22,010 --> 00:51:19,859

the intelligence Community has

1026

00:51:25,069 --> 00:51:22,020

contributed to constant public criticism

1027

00:51:26,690 --> 00:51:25,079

the major criticism that of withholding

1028

00:51:27,890 --> 00:51:26,700

information could be expected because of

1029

00:51:30,049 --> 00:51:27,900

Blue Book's long intelligence

1030

00:51:31,910 --> 00:51:30,059

association with continued government

1031

00:51:33,290 --> 00:51:31,920

involvement the Air Force must announce

1032

00:51:35,150 --> 00:51:33,300

a maintain a standard policy of

1033

00:51:36,950 --> 00:51:35,160

releasing information to the public the

1034

00:51:39,829 --> 00:51:36,960

public must be continually informed of

1035

00:51:42,770 --> 00:51:39,839

all matters regarding the UFO phenomenon

1036

00:51:44,450 --> 00:51:42,780

recent Nationwide Gallup survey of the

1037

00:51:47,390 --> 00:51:44,460

American people on the UFO subject

1038

00:51:50,329 --> 00:51:47,400

revealed that more than 5 million

1039

00:51:52,849 --> 00:51:50,339

Americans claim it to have seen

1040

00:51:55,910 --> 00:51:52,859

something they believed to be a flying

1041

00:51:58,010 --> 00:51:55,920

saucer nearly half of the U.S adult

1042

00:51:59,809 --> 00:51:58,020

populace believed that these frequently

1043

00:52:03,770 --> 00:51:59,819

reported flying objects will not

1044

00:52:05,390 --> 00:52:03,780

necessarily saucers are real 29 of the

1045

00:52:09,589 --> 00:52:05,400

populists believe them to be a product

1046

00:52:13,790 --> 00:52:12,290

this represents quite a change in public

1047

00:52:15,410 --> 00:52:13,800

attitude towards the credibility of

1048

00:52:18,290 --> 00:52:15,420

flying saucers since Gallup survey

1049

00:52:20,690 --> 00:52:18,300

conducted almost 20 years ago revealed

1050

00:52:22,490 --> 00:52:20,700

that 40 percent of the populists called

1051
00:52:25,370 --> 00:52:22,500
the saucers either a hoax or the product

1052
00:52:27,430 --> 00:52:25,380
of imagination that was in 1947. so in

1053
00:52:30,650 --> 00:52:27,440
1947

1054
00:52:32,030 --> 00:52:30,660
uh 40 of the populace called the saucers

1055
00:52:35,750 --> 00:52:32,040
either a hoax or the product of

1056
00:52:39,589 --> 00:52:35,760
imagination 20 years go by 50 percent

1057
00:52:46,790 --> 00:52:41,329
why because they're reasonable people

1058
00:52:51,530 --> 00:52:48,290
they don't stop

1059
00:52:54,410 --> 00:52:51,540
no matter what the Air Force does

1060
00:52:58,430 --> 00:52:54,420
there's still unexplainable

1061
00:53:01,069 --> 00:52:58,440
UFO encounters and sightings

1062
00:53:05,210 --> 00:53:01,079
you just can't explain

1063
00:53:08,569 --> 00:53:06,650

you know along with it the more

1064

00:53:11,569 --> 00:53:08,579

secretive the government is

1065

00:53:13,790 --> 00:53:11,579

why are people not

1066

00:53:16,549 --> 00:53:13,800

going to believe that there's something

1067

00:53:19,910 --> 00:53:16,559

real about the phenomenon of flying

1068

00:53:23,690 --> 00:53:19,920

saucers I mean you just have to uh you

1069

00:53:27,410 --> 00:53:25,490

to know that the government's hiding

1070

00:53:29,569 --> 00:53:27,420

some hiding information they're not

1071

00:53:32,510 --> 00:53:29,579

telling you everything and salsa reports

1072

00:53:35,329 --> 00:53:32,520

or UFO reports keep on happening

1073

00:53:37,670 --> 00:53:35,339

since 1947 it does not take a rocket

1074

00:53:40,370 --> 00:53:37,680

scientist to know

1075

00:53:43,790 --> 00:53:40,380

that flying saucers are real UFOs are

1076

00:53:49,309 --> 00:53:46,970

and it's not all prosaic

1077

00:53:55,030 --> 00:53:49,319

that's just kind of a an easy thing to

1078

00:53:55,040 --> 00:53:59,150

then they try to tackle

1079

00:54:02,210 --> 00:53:59,990

um

1080

00:54:04,370 --> 00:54:02,220

this in a very interesting way there is

1081

00:54:05,690 --> 00:54:04,380

of course the individuals uh will and

1082

00:54:07,309 --> 00:54:05,700

want to believe that this planet is

1083

00:54:09,410 --> 00:54:07,319

being watched religious beliefs that

1084

00:54:12,049 --> 00:54:09,420

others ET exist are apparent due to the

1085

00:54:13,970 --> 00:54:12,059

existence of numerous religious cults

1086

00:54:16,309 --> 00:54:13,980

throughout the country

1087

00:54:18,470 --> 00:54:16,319

present U.S space efforts enable many to

1088

00:54:22,069 --> 00:54:18,480

believe people are definitely uneducated

1089

00:54:26,329 --> 00:54:23,630

well so is the Air Force apparently

1090

00:54:30,069 --> 00:54:26,339

because I can't explain

1091

00:54:32,569 --> 00:54:30,079

uh over really they couldn't explain

1092

00:54:35,089 --> 00:54:32,579

probably close to 50 percent of

1093

00:54:37,490 --> 00:54:35,099

sightings they would say 20 publicly

1094

00:54:40,670 --> 00:54:37,500

they would say five percent

1095

00:54:44,030 --> 00:54:40,680

and the rest are possible

1096

00:54:46,789 --> 00:54:44,040

meteors possible at aircraft probable

1097

00:54:48,349 --> 00:54:46,799

this possibly that that's really how

1098

00:54:50,210 --> 00:54:48,359

they would document a lot of this stuff

1099

00:54:51,589 --> 00:54:50,220

and then when they put the final reports

1100

00:54:53,750 --> 00:54:51,599

together

1101
00:54:55,789 --> 00:54:53,760
you know they don't put the possibles or

1102
00:54:58,430 --> 00:54:55,799
whatever in an unknown or insufficient

1103
00:55:01,250 --> 00:54:58,440
data they put the possible airplane in

1104
00:55:03,589 --> 00:55:01,260
the this is an airplane category for

1105
00:55:05,990 --> 00:55:03,599
their final reports

1106
00:55:07,849 --> 00:55:06,000
and they take those final reports give

1107
00:55:11,870 --> 00:55:07,859
them to the public or other people that

1108
00:55:14,930 --> 00:55:13,430
what about all the possibles and

1109
00:55:18,349 --> 00:55:14,940
probables that they

1110
00:55:24,530 --> 00:55:20,569
those aren't included in the unknown or

1111
00:55:28,549 --> 00:55:24,540
even insufficient information category

1112
00:55:28,559 --> 00:55:35,690
wouldn't be so good for them

1113
00:55:39,230 --> 00:55:37,309

so

1114

00:55:41,210 --> 00:55:39,240

they say the unfortunate combination of

1115

00:55:43,430 --> 00:55:41,220

social of the social climate at the time

1116

00:55:44,990 --> 00:55:43,440

of the Inception of the UFO era and

1117

00:55:46,370 --> 00:55:45,000

official government recognition were

1118

00:55:48,349 --> 00:55:46,380

leading factors that contribute to

1119

00:55:50,630 --> 00:55:48,359

public concern these factors coupled

1120

00:55:52,010 --> 00:55:50,640

with national ignorance

1121

00:55:53,750 --> 00:55:52,020

of the appearance and behavior of

1122

00:55:57,230 --> 00:55:53,760

astronomical and Atmospheric phenomena

1123

00:55:59,450 --> 00:55:57,240

provided the populace the opportunity

1124

00:56:02,210 --> 00:55:59,460

for the release of latent feelings

1125

00:56:03,410 --> 00:56:02,220

concerning UFOs it's just

1126

00:56:05,930 --> 00:56:03,420

um

1127

00:56:09,349 --> 00:56:05,940

it's just such a shame that they blame

1128

00:56:13,549 --> 00:56:11,390

you know

1129

00:56:17,630 --> 00:56:13,559

but here they fled out said our American

1130

00:56:19,849 --> 00:56:17,640

public believes in the existence of UFOs

1131

00:56:22,250 --> 00:56:19,859

this is where it gets interesting

1132

00:56:25,430 --> 00:56:22,260

it is incumbent upon the Air Force to

1133

00:56:27,289 --> 00:56:25,440

respond in-kind to this anchored public

1134

00:56:30,049 --> 00:56:27,299

attitude

1135

00:56:32,210 --> 00:56:30,059

we feel we can be responsive

1136

00:56:35,390 --> 00:56:32,220

to the adoption of the following

1137

00:56:40,609 --> 00:56:37,730

one the Air Force should capitalize on

1138

00:56:43,130 --> 00:56:40,619

the belief of 50 million Americans in

1139

00:56:45,470 --> 00:56:43,140

the existence of UFOs

1140

00:56:48,289 --> 00:56:45,480

they should capitalize on it take

1141

00:56:51,770 --> 00:56:48,299

advantage of the fact that 50 million

1142

00:56:54,530 --> 00:56:51,780

people in the country believe in UFOs

1143

00:56:56,930 --> 00:56:54,540

how to announce and maintain a

1144

00:57:00,950 --> 00:56:56,940

scientific investigation policy

1145

00:57:03,950 --> 00:57:02,750

three initiate positive programs

1146

00:57:07,150 --> 00:57:03,960

oriented

1147

00:57:10,849 --> 00:57:07,160

at establishing contact with

1148

00:57:13,789 --> 00:57:10,859

extraterrestrial life

1149

00:57:18,230 --> 00:57:13,799

I would have to ask you

1150

00:57:20,510 --> 00:57:18,240

of extraterrestrial life didn't exist

1151
00:57:23,329 --> 00:57:20,520
why the hell would they initiate

1152
00:57:26,390 --> 00:57:23,339
positive programs oriented at

1153
00:57:30,230 --> 00:57:26,400
establishing contact with it

1154
00:57:33,829 --> 00:57:32,150
we must establish a new image for

1155
00:57:36,109 --> 00:57:33,839
Project Blue Book and we believe this

1156
00:57:37,730 --> 00:57:36,119
can be done by acceptance of these

1157
00:57:40,730 --> 00:57:37,740
recommendations

1158
00:57:42,349 --> 00:57:40,740
again this was in 1967. what happened

1159
00:57:44,930 --> 00:57:42,359
after this

1160
00:57:46,730 --> 00:57:44,940
their new image for Blue Book

1161
00:57:50,990 --> 00:57:46,740
was a continent report

1162
00:57:56,329 --> 00:57:53,030
what right before this

1163
00:57:56,339 --> 00:58:00,829

so you think that's really what happened

1164

00:58:04,910 --> 00:58:03,349

is they read this and goes ah you know

1165

00:58:06,589 --> 00:58:04,920

forget it we're just not going to do

1166

00:58:12,170 --> 00:58:06,599

anything with it anymore

1167

00:58:18,049 --> 00:58:16,190

and we come to uh this

1168

00:58:20,270 --> 00:58:18,059

this is written to Brigadier General

1169

00:58:21,589 --> 00:58:20,280

William at C Garland deputy director of

1170

00:58:24,530 --> 00:58:21,599

information

1171

00:58:27,710 --> 00:58:24,540

uh from Raymond as sleeper colonel in

1172

00:58:29,870 --> 00:58:27,720

the United States Air Force

1173

00:58:31,430 --> 00:58:29,880

dear Garland on the 7th of July 67

1174

00:58:33,349 --> 00:58:31,440

briefing to you and members of your

1175

00:58:34,970 --> 00:58:33,359

staff on the subject to UFO stressed the

1176

00:58:36,170 --> 00:58:34,980

fact that 50 million Americans now

1177

00:58:38,150 --> 00:58:36,180

believe in the existence of the

1178

00:58:39,710 --> 00:58:38,160

phenomena it was concluded that the Air

1179

00:58:41,510 --> 00:58:39,720

Force respond to this anchored public

1180

00:58:43,130 --> 00:58:41,520

attitude by announcing and maintaining a

1181

00:58:46,069 --> 00:58:43,140

scientific investigation program for

1182

00:58:48,170 --> 00:58:46,079

UFOs keeping the public well-informed at

1183

00:58:50,829 --> 00:58:48,180

all times in initiating positive

1184

00:58:53,990 --> 00:58:50,839

programs in such scientific areas as

1185

00:58:56,390 --> 00:58:54,000

extraterrestrial Communications

1186

00:59:00,109 --> 00:58:56,400

the discussion initiated by The Briefing

1187

00:59:02,930 --> 00:59:00,119

was responsive in your offer to support

1188

00:59:06,410 --> 00:59:02,940

action required to energize our D

1189

00:59:09,230 --> 00:59:06,420

Community interest was much appreciated

1190

00:59:12,530 --> 00:59:09,240

the discussion initiated by The Briefing

1191

00:59:18,049 --> 00:59:15,609

so seems like some people wanted to

1192

00:59:19,849 --> 00:59:18,059

investigate and communicate with

1193

00:59:22,789 --> 00:59:19,859

extraterrestrials

1194

00:59:24,710 --> 00:59:22,799

that apparently don't exist

1195

00:59:29,450 --> 00:59:24,720

or do exist but there's no reason they'd

1196

00:59:29,460 --> 00:59:33,849

foreign

1197

00:59:38,650 --> 00:59:36,770

makes this point here if you're not

1198

00:59:42,230 --> 00:59:38,660

familiar I believe the

1199

00:59:45,770 --> 00:59:42,240

ws1171 is some sort of uh it's a weapon

1200

00:59:45,780 --> 00:59:53,510

so that's interesting

1201

01:00:04,030 --> 00:59:56,390

so and then yeah enclosed

1202

01:00:08,870 --> 01:00:06,890

recommendations which you and your staff

1203

01:00:10,730 --> 01:00:08,880

have for redirecting the focus of the

1204

01:00:12,349 --> 01:00:10,740

UFO problem towards greater involvement

1205

01:00:15,109 --> 01:00:12,359

by the scientific Community would be

1206

01:00:20,510 --> 01:00:17,390

so he writes this

1207

01:00:23,329 --> 01:00:20,520

and he gets a response

1208

01:00:27,410 --> 01:00:25,789

dear Ray I appreciate the copy of

1209

01:00:29,690 --> 01:00:27,420

Lieutenant Marley's briefing and we

1210

01:00:31,010 --> 01:00:29,700

sincerely appreciate your interest in

1211

01:00:33,710 --> 01:00:31,020

response to our public affairs problem

1212

01:00:36,289 --> 01:00:33,720

with UFO I think we are a long way from

1213

01:00:38,270 --> 01:00:36,299

getting a handle on this problem no

1214

01:00:39,829 --> 01:00:38,280

doubt

1215

01:00:41,750 --> 01:00:39,839

I have thought about the problem many

1216

01:00:44,030 --> 01:00:41,760

times since you're briefing here I am

1217

01:00:46,730 --> 01:00:44,040

more convinced than ever that a positive

1218

01:00:49,970 --> 01:00:46,740

program an ET life or communication

1219

01:00:57,289 --> 01:00:49,980

studies should not be tied to the UFO

1220

01:00:57,299 --> 01:01:00,049

so

1221

01:01:00,059 --> 01:01:04,430

2022 here we are

1222

01:01:08,990 --> 01:01:06,829

I know you don't agree with this

1223

01:01:09,950 --> 01:01:09,000

and I'm not sure Bill Doolittle does

1224

01:01:12,289 --> 01:01:09,960

either

1225

01:01:14,569 --> 01:01:12,299

however I am convinced that we would

1226

01:01:16,430 --> 01:01:14,579

really open the floodgates on UFO

1227

01:01:18,289 --> 01:01:16,440

problems if the public thought that the

1228

01:01:20,089 --> 01:01:18,299

kind of group was about to involve an

1229

01:01:24,309 --> 01:01:20,099

extensive research on extraterrestrial

1230

01:01:32,450 --> 01:01:26,690

I mean it's pretty much admitting that

1231

01:01:35,870 --> 01:01:34,910

I realized that Condon must address this

1232

01:01:37,549 --> 01:01:35,880

subject

1233

01:01:39,470 --> 01:01:37,559

but this is different from conducting

1234

01:01:40,849 --> 01:01:39,480

active research I think research in this

1235

01:01:45,109 --> 01:01:40,859

area should be accomplished by an

1236

01:01:49,970 --> 01:01:47,870

please pass on any ideas you have and

1237

01:01:51,410 --> 01:01:49,980

keep us alerted in any way that we might

1238

01:01:57,289 --> 01:01:51,420

help

1239

01:01:57,299 --> 01:02:00,289

you know it

1240

01:02:04,490 --> 01:02:02,089

Brigadier General Garland here didn't

1241

01:02:07,490 --> 01:02:04,500

agree on how

1242

01:02:10,210 --> 01:02:07,500

to do it but he did agree

1243

01:02:13,549 --> 01:02:10,220

on

1244

01:02:15,529 --> 01:02:13,559

the fact that

1245

01:02:17,510 --> 01:02:15,539

research on extraterrestrial activities

1246

01:02:19,789 --> 01:02:17,520

and communication with extraterrestrials

1247

01:02:22,309 --> 01:02:19,799

should in fact happen

1248

01:02:34,549 --> 01:02:22,319

he just thought it shouldn't be done

1249

01:02:38,930 --> 01:02:37,309

a little bit more on Colonel Raymond uh

1250

01:02:42,049 --> 01:02:38,940

sleeper Commander

1251
01:02:44,510 --> 01:02:42,059
foreign technology division FTD Colonel

1252
01:02:55,190 --> 01:02:44,520
Corso

1253
01:02:59,029 --> 01:02:57,589
so

1254
01:03:01,130 --> 01:02:59,039
yeah

1255
01:03:05,210 --> 01:03:01,140
that's uh probably the the most

1256
01:03:08,390 --> 01:03:07,309
now this is interesting

1257
01:03:12,770 --> 01:03:08,400
um

1258
01:03:15,829 --> 01:03:12,780
they go into the history here so this is

1259
01:03:19,250 --> 01:03:15,839
in a UFO briefing

1260
01:03:23,210 --> 01:03:20,809
and they're writing up the history of

1261
01:03:26,089 --> 01:03:23,220
UFOs in this briefing this Air Force

1262
01:03:28,549 --> 01:03:27,410
Robert

1263
01:03:30,890 --> 01:03:28,559

um

1264

01:03:32,450 --> 01:03:30,900

quickly Robert says and who's to say

1265

01:03:34,609 --> 01:03:32,460

that this all didn't happen secretly

1266

01:03:36,829 --> 01:03:34,619

well I think it definitely did they both

1267

01:03:40,069 --> 01:03:36,839

agreed that it should happen they just

1268

01:03:47,089 --> 01:03:43,250

and General Garland here said if we made

1269

01:03:49,670 --> 01:03:47,099

this uh extraterrestrial uh life form

1270

01:03:50,990 --> 01:03:49,680

research done with blue book made it

1271

01:03:51,950 --> 01:03:51,000

public then they would just open the

1272

01:03:53,450 --> 01:03:51,960

doors

1273

01:03:56,210 --> 01:03:53,460

and they couldn't deal with the public

1274

01:04:00,109 --> 01:03:56,220

aspect of it it would be too much for

1275

01:04:02,390 --> 01:04:00,119

them to handle so to me it did happen

1276

01:04:07,789 --> 01:04:02,400

and they kept it secret so they wouldn't

1277

01:04:13,430 --> 01:04:10,490

that's what I think

1278

01:04:15,770 --> 01:04:13,440

the history uh UFOs do not constitute a

1279

01:04:20,150 --> 01:04:15,780

new phenomenon UFOs have been reported

1280

01:04:21,890 --> 01:04:20,160

by historians since 593 BC

1281

01:04:24,170 --> 01:04:21,900

at this time Ezekiel recorded a

1282

01:04:27,349 --> 01:04:24,180

whirlwind to the north which appeared as

1283

01:04:34,549 --> 01:04:31,250

in 1254 at Saint Evans Abbey the moon

1284

01:04:37,910 --> 01:04:34,559

was eight days old that there appeared

1285

01:04:41,569 --> 01:04:37,920

in the sky a ship elegantly shaped well

1286

01:04:43,910 --> 01:04:41,579

equipped and of marvelous color

1287

01:04:45,650 --> 01:04:43,920

in 1520 there appeared in France a

1288

01:04:48,170 --> 01:04:45,660

round-shaped object with rotating lights

1289

01:04:50,630 --> 01:04:48,180

and two fiery Suns

1290

01:04:52,370 --> 01:04:50,640

in 1874 Over Texas farmer reported

1291

01:04:54,950 --> 01:04:52,380

seeing a dark flying object in the shape

1292

01:04:56,510 --> 01:04:54,960

of a disc cruising in the sky at a

1293

01:04:58,250 --> 01:04:56,520

wonderful speed

1294

01:04:59,809 --> 01:04:58,260

many many more observations have been

1295

01:05:01,549 --> 01:04:59,819

recorded by historians throughout the

1296

01:05:04,490 --> 01:05:01,559

ancient and modern history

1297

01:05:07,150 --> 01:05:04,500

the modern era of UFOs had its beginning

1298

01:05:10,309 --> 01:05:07,160

on the 24th of June

1299

01:05:13,130 --> 01:05:10,319

1947. I say the modern era because

1300

01:05:16,190 --> 01:05:13,140

national news coverage on UFOs up to

1301

01:05:18,289 --> 01:05:16,200

this period was virtually non-existent

1302

01:05:19,970 --> 01:05:18,299

Mr Kenneth Arnold's observation and

1303

01:05:21,589 --> 01:05:19,980

subsequent news reporting of his UFO

1304

01:05:23,089 --> 01:05:21,599

sighting swayed the public into

1305

01:05:24,890 --> 01:05:23,099

believing that our planet had been

1306

01:05:27,410 --> 01:05:24,900

visited by unknown vehicles from outer

1307

01:05:30,109 --> 01:05:27,420

space the Arnold sighting and subsequent

1308

01:05:33,170 --> 01:05:30,119

publicity on flank's officers started an

1309

01:05:35,270 --> 01:05:33,180

avalanche of reports

1310

01:05:43,490 --> 01:05:35,280

the Air Force began receiving reports

1311

01:05:49,370 --> 01:05:46,430

I thought the

1312

01:05:52,370 --> 01:05:49,380

and they mentioned

1313

01:05:55,309 --> 01:05:52,380

um go down here a letter

1314

01:05:58,190 --> 01:05:55,319

right here a letter 23rd September 1947

1315

01:05:59,809 --> 01:05:58,200

from Lieutenant General 20 of uh air

1316

01:06:02,150 --> 01:05:59,819

material command to the Commanding

1317

01:06:03,710 --> 01:06:02,160

General of the Army Air Forces expressed

1318

01:06:06,230 --> 01:06:03,720

the opinion that there was sufficient

1319

01:06:08,270 --> 01:06:06,240

substance in the reports to Warrant a

1320

01:06:13,970 --> 01:06:08,280

detailed study

1321

01:06:13,980 --> 01:06:18,470

that it was real object

1322

01:06:23,569 --> 01:06:21,470

the 20 memo look it up on the 30th of

1323

01:06:25,789 --> 01:06:23,579

December 1947 a letter from the chief of

1324

01:06:28,010 --> 01:06:25,799

staff directed air material command to

1325

01:06:30,529 --> 01:06:28,020

establish a project whose purpose was to

1326

01:06:32,390 --> 01:06:30,539

collect uh go evaluate and disseminate

1327

01:06:34,789 --> 01:06:32,400

all information concerning UFO sightings

1328

01:06:37,609 --> 01:06:34,799

and phenomena in the atmosphere to those

1329

01:06:40,309 --> 01:06:37,619

interested agencies who were those

1330

01:06:42,049 --> 01:06:40,319

interested agencies project was assigned

1331

01:06:43,910 --> 01:06:42,059

the code name sign the responsibility

1332

01:06:46,490 --> 01:06:43,920

for project sign was delegated to the

1333

01:06:49,730 --> 01:06:46,500

air technical Intelligence Center

1334

01:06:53,450 --> 01:06:49,740

a tick which was then part of the air

1335

01:06:59,870 --> 01:06:56,630

so you know I hope that uh what was it

1336

01:07:01,670 --> 01:06:59,880

uh Moultrie or uh Bray who said that

1337

01:07:03,529 --> 01:07:01,680

they're not familiar with things before

1338

01:07:05,690 --> 01:07:03,539

Blue Book is listening to this because

1339

01:07:08,150 --> 01:07:05,700

we're literally going through it in

1340

01:07:10,670 --> 01:07:08,160

February 1949 project sign completed its

1341

01:07:12,049 --> 01:07:10,680

evaluations of the 243 UFO reports which

1342

01:07:14,450 --> 01:07:12,059

have been submitted to the project the

1343

01:07:15,829 --> 01:07:14,460

report concluded that no definite and

1344

01:07:17,870 --> 01:07:15,839

conclusive evidence is yet available

1345

01:07:19,849 --> 01:07:17,880

that would prove or disprove the

1346

01:07:21,349 --> 01:07:19,859

existence of the UFOs as a real aircraft

1347

01:07:22,549 --> 01:07:21,359

or unknown in unconventional

1348

01:07:24,770 --> 01:07:22,559

configuration

1349

01:07:26,750 --> 01:07:24,780

this is important no definite and

1350

01:07:29,270 --> 01:07:26,760

conclusive evidence is yet available

1351

01:07:31,549 --> 01:07:29,280

that would prove

1352

01:07:36,349 --> 01:07:31,559

or disprove

1353

01:07:41,150 --> 01:07:38,150

and that's kind of why we're still here

1354

01:07:43,430 --> 01:07:41,160

right because it

1355

01:07:46,309 --> 01:07:43,440

at least from our point of view

1356

01:07:53,690 --> 01:07:47,870

with some of these videos that are being

1357

01:07:53,700 --> 01:07:59,470

project sign change the project Grudge

1358

01:08:03,950 --> 01:08:02,870

to do

1359

01:08:06,170 --> 01:08:03,960

um

1360

01:08:10,849 --> 01:08:06,180

no threat they're saying evaluations of

1361

01:08:14,750 --> 01:08:13,010

they also concluded that reports of UFOs

1362

01:08:16,490 --> 01:08:14,760

for the result of misinterpretations of

1363

01:08:18,769 --> 01:08:16,500

conventional objects of mild formal Mass

1364

01:08:20,510 --> 01:08:18,779

hysteria of War nerves

1365

01:08:22,789 --> 01:08:20,520

and individuals who fabricate such

1366

01:08:25,550 --> 01:08:22,799

reports to perpetuate a hoax or to seek

1367

01:08:31,010 --> 01:08:27,470

that's interesting

1368

01:08:36,169 --> 01:08:33,829

I could take you to a no this is all

1369

01:08:38,090 --> 01:08:36,179

just you know kind of boring stuff I

1370

01:08:40,669 --> 01:08:38,100

guess from here

1371

01:08:42,410 --> 01:08:40,679

but I could take you to a article uh

1372

01:08:45,590 --> 01:08:42,420

written by

1373

01:08:52,070 --> 01:08:45,600

and I wonder if I can find it here

1374

01:08:52,080 --> 01:08:55,430

and

1375

01:09:00,229 --> 01:08:57,050

it's

1376

01:09:00,239 --> 01:09:05,450

uh probably not gonna find it but

1377

01:09:11,030 --> 01:09:07,970

he had just retired and he had just uh

1378

01:09:14,809 --> 01:09:11,040

investigated like 9 000

1379

01:09:16,970 --> 01:09:14,819

9000 uh UFO reports said in the article

1380

01:09:18,829 --> 01:09:16,980

and the guy just retired I forgot his

1381

01:09:22,729 --> 01:09:18,839

name

1382

01:09:25,550 --> 01:09:22,739

but in the article he says

1383

01:09:27,110 --> 01:09:25,560

that 90 percent

1384

01:09:29,149 --> 01:09:27,120

90 percent

1385

01:09:32,090 --> 01:09:29,159

of people that reported UFOs to Blue

1386

01:09:34,970 --> 01:09:32,100

Book were honest and some sincere people

1387

01:09:38,450 --> 01:09:34,980

who honestly thought they saw something

1388

01:09:43,309 --> 01:09:38,460

strange in Disguise 90 percent

1389

01:09:49,189 --> 01:09:46,610

but yet in this little briefing here

1390

01:09:50,870 --> 01:09:49,199

they actually think it's of relevance to

1391

01:09:53,390 --> 01:09:50,880

say that some of

1392

01:09:58,729 --> 01:09:53,400

the issue with UFO sayings are for

1393

01:10:04,070 --> 01:10:00,169

it's the kind of problem that we've had

1394

01:10:12,530 --> 01:10:06,350

it's a shame because they always seem to

1395

01:10:12,540 --> 01:10:15,709

but

1396

01:10:19,130 --> 01:10:17,510

you know hopefully that stuff is

1397

01:10:20,930 --> 01:10:19,140

changing I hope we have more

1398

01:10:23,090 --> 01:10:20,940

Congressional hearings that actually

1399

01:10:25,729 --> 01:10:23,100

means something

1400

01:10:27,530 --> 01:10:25,739

and they're not just interviewing two

1401
01:10:29,270 --> 01:10:27,540
people who have been in this task force

1402
01:10:30,950 --> 01:10:29,280
for a year and a half

1403
01:10:35,090 --> 01:10:30,960
that clearly don't know what they're

1404
01:10:40,070 --> 01:10:36,890
which is interesting if you picked up on

1405
01:10:44,290 --> 01:10:42,830
uh Moultrie has been investigating UAP

1406
01:10:47,930 --> 01:10:44,300
for three years

1407
01:10:50,090 --> 01:10:47,940
that was said in the hearings

1408
01:10:53,689 --> 01:10:50,100
as task force was only together for a

1409
01:10:57,950 --> 01:10:55,669
you know and they kept saying not within

1410
01:11:00,410 --> 01:10:57,960
the UAP task force they couldn't talk

1411
01:11:02,090 --> 01:11:00,420
about things outside of the UAP task

1412
01:11:03,950 --> 01:11:02,100
force which was been like a year and a

1413
01:11:05,510 --> 01:11:03,960

half although the one guy has been

1414

01:11:07,610 --> 01:11:05,520

looking at you piece for twice that

1415

01:11:09,110 --> 01:11:07,620

amount of time so a year and a half of

1416

01:11:12,649 --> 01:11:09,120

his studies couldn't be talked about

1417

01:11:19,370 --> 01:11:12,659

because it was outside of the UAP task

1418

01:11:24,350 --> 01:11:22,070

bull crap so let's see if there's going

1419

01:11:27,709 --> 01:11:24,360

to be more hearings I hope there is

1420

01:11:29,930 --> 01:11:27,719

I think there probably will be

1421

01:11:32,930 --> 01:11:29,940

hopefully sooner and later I hope the

1422

01:11:34,610 --> 01:11:32,940

media keeps talking about this

1423

01:11:36,169 --> 01:11:34,620

because it seems like they seem to just

1424

01:11:38,090 --> 01:11:36,179

like stop

1425

01:11:40,070 --> 01:11:38,100

they do it once and they stop but people

1426

01:11:42,410 --> 01:11:40,080

don't realize talking about another

1427

01:11:44,709 --> 01:11:42,420

intelligent life form other than humans

1428

01:11:46,610 --> 01:11:44,719

and animals

1429

01:11:49,189 --> 01:11:46,620

extraterrestrials interdimensionals

1430

01:11:51,709 --> 01:11:49,199

whatever it is

1431

01:11:55,310 --> 01:11:51,719

that's huge

1432

01:11:58,729 --> 01:11:57,050

you know

1433

01:12:00,890 --> 01:11:58,739

and the news just can't stop talking

1434

01:12:04,070 --> 01:12:00,900

about Johnny freaking Depp who cares

1435

01:12:06,470 --> 01:12:04,080

about Johnny freaking death

1436

01:12:08,990 --> 01:12:06,480

there's another intelligent life form

1437

01:12:11,450 --> 01:12:09,000

out there

1438

01:12:15,169 --> 01:12:11,460

visiting with us

1439

01:12:19,130 --> 01:12:16,790

and the News won't talk about it for

1440

01:12:21,830 --> 01:12:19,140

more than the day of the latest thing

1441

01:12:25,970 --> 01:12:23,570

so the government is guilty of hiding

1442

01:12:28,669 --> 01:12:25,980

information but let me tell you the news

1443

01:12:33,950 --> 01:12:28,679

the media

1444

01:12:39,649 --> 01:12:36,590

because they don't use

1445

01:12:41,930 --> 01:12:39,659

their talents and what they do

1446

01:12:44,030 --> 01:12:41,940

to help with this all they do is report

1447

01:12:49,790 --> 01:12:44,040

on what people tell them and they do

1448

01:12:53,330 --> 01:12:51,530

you know

1449

01:12:55,189 --> 01:12:53,340

one of the things that John Greenwald

1450

01:12:57,649 --> 01:12:55,199

said about that eight tipster that came

1451

01:12:59,149 --> 01:12:57,659

out in 2017 and I think like Green

1452

01:13:01,850 --> 01:12:59,159

Street is one

1453

01:13:03,770 --> 01:13:01,860

media report called it aerial

1454

01:13:05,510 --> 01:13:03,780

Advanced area the other called it

1455

01:13:08,810 --> 01:13:05,520

Advanced Aerospace the other colored

1456

01:13:10,610 --> 01:13:08,820

events this you know it wasn't um

1457

01:13:13,130 --> 01:13:10,620

it wasn't somebody up to something

1458

01:13:17,330 --> 01:13:13,140

sneaky it's just that the media is

1459

01:13:17,340 --> 01:13:21,470

unfortunately

1460

01:13:26,810 --> 01:13:24,830

and sometimes they cover it

1461

01:13:29,149 --> 01:13:26,820

and not all of them there are a couple

1462

01:13:31,729 --> 01:13:29,159

people that in intelligent to cover it

1463

01:13:34,430 --> 01:13:31,739

you know uh

1464

01:13:37,010 --> 01:13:34,440

honestly with integrity

1465

01:13:40,910 --> 01:13:37,020

and they do a good job of it

1466

01:13:40,920 --> 01:13:44,510

not many at all

1467

01:13:48,169 --> 01:13:46,310

it's too bad because with their

1468

01:13:49,550 --> 01:13:48,179

resources we could really find out a lot

1469

01:13:53,030 --> 01:13:49,560

more

1470

01:13:55,010 --> 01:13:53,040

this Wilson Davis thing

1471

01:13:58,070 --> 01:13:55,020

if the media like sunk their teeth into

1472

01:14:01,970 --> 01:13:58,080

that come on man

1473

01:14:07,010 --> 01:14:04,189

you know

1474

01:14:09,770 --> 01:14:07,020

hopefully that happens

1475

01:14:12,890 --> 01:14:09,780

but until then you're stuck with me

1476

01:14:14,689 --> 01:14:12,900

and I'm sorry to say

1477

01:14:16,310 --> 01:14:14,699

not going anywhere

1478

01:14:19,750 --> 01:14:16,320

so

1479

01:14:22,370 --> 01:14:19,760

tough cookies

1480

01:14:23,990 --> 01:14:22,380

no I had a great time with you today uh

1481

01:14:26,930 --> 01:14:24,000

thanks for hanging out being a great

1482

01:14:32,689 --> 01:14:28,970

um

1483

01:14:35,209 --> 01:14:32,699

and yeah so uh like the video subscribe

1484

01:14:37,850 --> 01:14:35,219

if you're watching please subscribe

1485

01:14:41,450 --> 01:14:37,860

that would be great

1486

01:14:43,010 --> 01:14:41,460

um like the video share it if you can

1487

01:14:45,350 --> 01:14:43,020

1488

you follow me on Instagram

1489

01:14:57,350 --> 01:14:53,630

um thanks tubacabra appreciate you

1490

01:14:57,360 --> 01:15:02,390

um Wyatt Jose everybody appreciate you

1491

01:15:08,330 --> 01:15:04,790

um yeah like the video that'd be great

1492

01:15:12,110 --> 01:15:08,340

um and I will see you next

1493

01:15:15,050 --> 01:15:12,120

most likely I won't see you until

1494

01:15:18,110 --> 01:15:15,060

Wednesday when we have Steve Basset on

1495

01:15:19,310 --> 01:15:18,120

then on Thursday we have a very

1496

01:15:21,890 --> 01:15:19,320

interesting fellow who runs something

1497

01:15:23,990 --> 01:15:21,900

called space Wolf research which is

1498

01:15:26,750 --> 01:15:24,000

right outside of skinwalk ranch it's not

1499

01:15:28,010 --> 01:15:26,760

affiliated seems like a super guy uh

1500

01:15:30,229 --> 01:15:28,020

he's been doing

1501
01:15:31,490 --> 01:15:30,239
um investigations there for a while from

1502
01:15:34,070 --> 01:15:31,500
when he tells me they're a little bit

1503
01:15:36,649 --> 01:15:34,080
more old school Bigelow type I'm trying

1504
01:15:38,510 --> 01:15:36,659
to mess with the trickster aspect of it

1505
01:15:41,689 --> 01:15:38,520
so that should be very interesting then

1506
01:15:43,370 --> 01:15:41,699
we have Danny Silva on Saturday

1507
01:15:45,410 --> 01:15:43,380
um I know Mr J Christopher King is

1508
01:15:47,330 --> 01:15:45,420
joining me for Steve Bassett we'll see

1509
01:15:49,130 --> 01:15:47,340
what which other ones he's available for

1510
01:15:51,890 --> 01:15:49,140
I'd love him if he's available but

1511
01:15:54,649 --> 01:15:51,900
that's up to him in his schedule

1512
01:15:56,870 --> 01:15:54,659
um but other than that unless I'm uh you

1513
01:15:58,310 --> 01:15:56,880

know news comes around or there's some

1514

01:16:00,470 --> 01:15:58,320

uh document that I want to talk about

1515

01:16:02,689 --> 01:16:00,480

those will probably be the other the

1516

01:16:05,209 --> 01:16:02,699

only shows

1517

01:16:07,370 --> 01:16:05,219

uh for next week and then

1518

01:16:08,990 --> 01:16:07,380

um next week I'll start uh trying to get

1519

01:16:11,209 --> 01:16:09,000

some things together for the week after

1520

01:16:13,850 --> 01:16:11,219

Robert colford I want to bring back so

1521

01:16:18,470 --> 01:16:13,860

maybe uh we'll do that then that would

1522

01:16:22,610 --> 01:16:21,169

peace out have a great day I appreciate

1523

01:16:26,390 --> 01:16:22,620

your support

1524

01:16:30,770 --> 01:16:26,400

and yeah stay in love peace

1525

[Music]

1526

01:17:36,560 --> 01:17:32,659

they they will be focusing on

1527

01:17:45,189 --> 01:17:36,570

proactively identifying objects

1528

01:17:47,689 --> 01:17:45,199
