

HOW THE CIA STOLE UFOS

1
00:00:05,510 --> 00:00:03,270
in this video i'm going to try to tackle

2
00:00:07,430 --> 00:00:05,520
the beginning of the secrets and the

3
00:00:09,830 --> 00:00:07,440
stigma

4
00:00:13,190 --> 00:00:09,840
on ufos

5
00:00:15,749 --> 00:00:13,200
in 1952 july

6
00:00:17,590 --> 00:00:15,759
we all know of the infamous washington

7
00:00:19,750 --> 00:00:17,600
dc sightings

8
00:00:21,910 --> 00:00:19,760
these objects were picked up on multiple

9
00:00:25,910 --> 00:00:21,920
radar systems there were visual

10
00:00:29,269 --> 00:00:27,910
and it was a pretty big deal ufos have

11
00:00:31,750 --> 00:00:29,279
been on people's minds and in the

12
00:00:34,549 --> 00:00:31,760
newspaper and in the media since kenneth

13
00:00:37,270 --> 00:00:34,559

arnold in 1947

14

00:00:38,229 --> 00:00:37,280

when he saw nine discs

15

00:00:39,510 --> 00:00:38,239

around

16

00:00:42,470 --> 00:00:39,520

mount rainier

17

00:00:44,869 --> 00:00:42,480

since then many reports came and went

18

00:00:47,430 --> 00:00:44,879

including

19

00:00:49,029 --> 00:00:47,440

ufo reports around nuclear facilities

20

00:00:51,910 --> 00:00:49,039

like oak ridge in tennessee and many

21

00:00:53,350 --> 00:00:51,920

others it all came to a head in 1952 in

22

00:00:56,069 --> 00:00:53,360

july

23

00:00:58,150 --> 00:00:56,079

when washington dc was visited by

24

00:01:00,869 --> 00:00:58,160

multiple ufos that were picked up on

25

00:01:03,590 --> 00:01:00,879

multiple sets of radars and seen by

26
00:01:05,910 --> 00:01:03,600
multiple witnesses jets were even

27
00:01:08,789 --> 00:01:05,920
vectored to

28
00:01:10,789 --> 00:01:08,799
intercept these objects

29
00:01:12,550 --> 00:01:10,799
it was picked up in the media

30
00:01:14,149 --> 00:01:12,560
and it was a huge story

31
00:01:15,670 --> 00:01:14,159
seemingly

32
00:01:19,270 --> 00:01:15,680
what wasn't taken

33
00:01:24,070 --> 00:01:22,230
as it needed to be previously was now

34
00:01:27,990 --> 00:01:24,080
about to get serious

35
00:01:32,310 --> 00:01:28,000
the cia decided to step in and take this

36
00:01:34,149 --> 00:01:32,320
ufo problem flying saucer problem on

37
00:01:36,630 --> 00:01:34,159
we have documentation from the cia's

38
00:01:39,910 --> 00:01:36,640

foia uh reading room that i'm about to

39

00:01:41,510 --> 00:01:39,920

share that takes us through a

40

00:01:42,710 --> 00:01:41,520

chronological

41

00:01:44,710 --> 00:01:42,720

process

42

00:01:47,910 --> 00:01:44,720

from

43

00:01:50,310 --> 00:01:47,920

after the dc sightings

44

00:01:53,510 --> 00:01:50,320

to the infamous robertson panel

45

00:01:56,550 --> 00:01:53,520

in 1953 january

46

00:01:58,870 --> 00:01:56,560

where they instilled a education and

47

00:01:59,990 --> 00:01:58,880

training program that i believe still

48

00:02:02,709 --> 00:02:00,000

happens

49

00:02:04,550 --> 00:02:02,719

to this day

50

00:02:08,850 --> 00:02:04,560

let's get after it

51
00:02:08,860 --> 00:02:31,110
[Music]

52
00:02:37,190 --> 00:02:33,670
our first document is

53
00:02:39,670 --> 00:02:37,200
a memorandum to the executive secretary

54
00:02:42,070 --> 00:02:39,680
for the national security council

55
00:02:43,670 --> 00:02:42,080
subject unidentified flying objects the

56
00:02:45,110 --> 00:02:43,680
date is july

57
00:02:48,150 --> 00:02:45,120
1952

58
00:02:50,790 --> 00:02:48,160
a couple weeks after the dc sightings

59
00:02:52,309 --> 00:02:50,800
it says the central intelligence agency

60
00:02:54,550 --> 00:02:52,319
has reviewed the current situation

61
00:02:56,790 --> 00:02:54,560
concerning ufos which have caused

62
00:02:58,630 --> 00:02:56,800
extensive speculation to the press and

63
00:03:01,030 --> 00:02:58,640

have been the subject of concern to

64

00:03:03,190 --> 00:03:01,040

government organizations the air force

65

00:03:05,190 --> 00:03:03,200

within the limitations of manpower which

66

00:03:07,190 --> 00:03:05,200

could be devoted to the subject has thus

67

00:03:09,509 --> 00:03:07,200

far carried the full responsibility for

68

00:03:11,350 --> 00:03:09,519

investigating and analyzing individual

69

00:03:13,830 --> 00:03:11,360

reports

70

00:03:15,670 --> 00:03:13,840

since 47 approximately 2 000 official

71

00:03:19,110 --> 00:03:15,680

reports of sightings have been received

72

00:03:21,910 --> 00:03:19,120

and of these 20 are as yet

73

00:03:25,750 --> 00:03:23,670

it is my view that the situation has

74

00:03:28,149 --> 00:03:25,760

possible implications for our national

75

00:03:30,470 --> 00:03:28,159

security which transcend the interest of

76
00:03:32,149 --> 00:03:30,480
a single service a broader coordinated

77
00:03:34,070 --> 00:03:32,159
effort should be initiated to develop a

78
00:03:37,350 --> 00:03:34,080
firm scientific understanding

79
00:03:38,789 --> 00:03:37,360
of the several phenomenon

80
00:03:41,030 --> 00:03:38,799
which apparently are involved in these

81
00:03:43,030 --> 00:03:41,040
reports and to assure ourselves that the

82
00:03:45,430 --> 00:03:43,040
incidents will not hamper our present

83
00:03:47,990 --> 00:03:45,440
efforts in the cold war or confuse our

84
00:03:49,910 --> 00:03:48,000
early warning systems in case of attack

85
00:03:51,830 --> 00:03:49,920
i therefore recommend that this agency

86
00:03:53,509 --> 00:03:51,840
and the agencies of the department of

87
00:03:55,589 --> 00:03:53,519
defense

88
00:03:57,509 --> 00:03:55,599

be directed to formulate and carry out a

89

00:03:59,670 --> 00:03:57,519

program of intelligence and research

90

00:04:02,149 --> 00:03:59,680

activities required to solve the problem

91

00:04:07,830 --> 00:04:02,159

of incident positive identification of

92

00:04:12,789 --> 00:04:10,550

pretty much within days

93

00:04:14,470 --> 00:04:12,799

this memorandum for the deputy director

94

00:04:16,390 --> 00:04:14,480

of intelligence

95

00:04:18,629 --> 00:04:16,400

is written the subject recent sightings

96

00:04:20,469 --> 00:04:18,639

of unexplained objects in the past

97

00:04:22,710 --> 00:04:20,479

several weeks a number of radar and

98

00:04:23,430 --> 00:04:22,720

visual sightings

99

00:04:25,909 --> 00:04:23,440

of

100

00:04:28,070 --> 00:04:25,919

unidentified objects have been reported

101
00:04:30,150 --> 00:04:28,080
although this office has maintained a

102
00:04:31,909 --> 00:04:30,160
continuing review of such reported

103
00:04:33,909 --> 00:04:31,919
sightings during the past three years a

104
00:04:38,469 --> 00:04:33,919
special study group has been formed to

105
00:04:43,749 --> 00:04:40,550
and oci will participate in this study

106
00:04:46,070 --> 00:04:43,759
with osi of cia

107
00:04:48,469 --> 00:04:46,080
and reports should be ready on august

108
00:04:51,430 --> 00:04:48,479
15th here we have the osi study of

109
00:04:53,749 --> 00:04:51,440
august 14 1952

110
00:04:56,870 --> 00:04:53,759
that was directed to be made

111
00:04:59,830 --> 00:04:56,880
these are some of the highlights first

112
00:05:02,629 --> 00:04:59,840
going into this document they

113
00:05:05,590 --> 00:05:02,639

go through all the different reasons for

114

00:05:07,590 --> 00:05:05,600

sightings prosaic reasons

115

00:05:09,110 --> 00:05:07,600

including temperature inversions and

116

00:05:11,510 --> 00:05:09,120

others

117

00:05:13,029 --> 00:05:11,520

this list could be extended at length

118

00:05:14,950 --> 00:05:13,039

suffice to say our ignorance of the

119

00:05:16,710 --> 00:05:14,960

nature and controlling factors of all

120

00:05:18,790 --> 00:05:16,720

the above is immense

121

00:05:20,870 --> 00:05:18,800

effects of interaction between these

122

00:05:22,870 --> 00:05:20,880

natural phenomena and radioactive

123

00:05:25,029 --> 00:05:22,880

material in the air can only be

124

00:05:27,189 --> 00:05:25,039

conjectured the appearance of unusual

125

00:05:30,070 --> 00:05:27,199

optical or radar sightings caused by

126

00:05:34,710 --> 00:05:30,080

these phenomenon is possible their

127

00:05:38,550 --> 00:05:36,629

there is some strength to the hypothesis

128

00:05:41,590 --> 00:05:38,560

that many of these unexplained sightings

129

00:05:44,070 --> 00:05:41,600

of ufos may be electromagnetic or

130

00:05:47,270 --> 00:05:44,080

electrostatic in character

131

00:05:49,029 --> 00:05:47,280

factors supporting the hypothesis are

132

00:05:51,749 --> 00:05:49,039

absence of sound although apparently

133

00:05:54,629 --> 00:05:51,759

moving rapidly in the atmosphere

134

00:05:58,309 --> 00:05:54,639

phenomenon are apparently affected by

135

00:06:00,550 --> 00:05:58,319

shock waves or electromagnetic radiation

136

00:06:02,469 --> 00:06:00,560

of aircraft moving along this is a

137

00:06:04,790 --> 00:06:02,479

another highlight

138

00:06:06,469 --> 00:06:04,800

sightings of ufos at los alamos and oak

139

00:06:08,950 --> 00:06:06,479

ridge at a time when the background

140

00:06:12,309 --> 00:06:08,960

radiation count has risen here we run

141

00:06:14,790 --> 00:06:12,319

out of blue yonder explanations that

142

00:06:17,990 --> 00:06:14,800

might be tenable and we are still left

143

00:06:30,309 --> 00:06:18,000

with numbers of incredible reports from

144

00:06:35,510 --> 00:06:33,110

considering the remaining cases might

145

00:06:37,990 --> 00:06:35,520

have been caused by little understood

146

00:06:40,629 --> 00:06:38,000

natural phenomena the osi panel

147

00:06:42,550 --> 00:06:40,639

conferred at length with three of our

148

00:06:44,150 --> 00:06:42,560

consultants in boston

149

00:06:47,590 --> 00:06:44,160

these men are outstanding in the fields

150

00:06:50,950 --> 00:06:47,600

of geophysics electronics and chemistry

151
00:06:53,110 --> 00:06:50,960
they emphasize uh to us that there are

152
00:06:55,990 --> 00:06:53,120
many scientific frontiers

153
00:06:58,309 --> 00:06:56,000
which have yet little been explored or

154
00:07:00,469 --> 00:06:58,319
charted and these areas occur phenomenon

155
00:07:04,230 --> 00:07:00,479
which may account for optical or

156
00:07:07,990 --> 00:07:04,240
electronic aberrations as well as

157
00:07:14,710 --> 00:07:11,510
they listed three categories atmospheric

158
00:07:16,950 --> 00:07:14,720
ionization and extraterrestrial

159
00:07:19,270 --> 00:07:16,960
phenomena

160
00:07:20,790 --> 00:07:19,280
they suggested also that products of

161
00:07:22,710 --> 00:07:20,800
nuclear fission

162
00:07:24,790 --> 00:07:22,720
might have some effect taken from an

163
00:07:26,309 --> 00:07:24,800

official diary of the director of

164

00:07:28,950 --> 00:07:26,319

central intelligence

165

00:07:31,510 --> 00:07:28,960

we have this dated october 20th 1952

166

00:07:33,749 --> 00:07:31,520

where we have whitman the chairman of

167

00:07:36,950 --> 00:07:33,759

research and development general maxwell

168

00:07:39,909 --> 00:07:36,960

of his that same office general sanford

169

00:07:41,510 --> 00:07:39,919

of the air force and messers and rieber

170

00:07:42,950 --> 00:07:41,520

of cia

171

00:07:44,790 --> 00:07:42,960

and they met on the question of flying

172

00:07:46,309 --> 00:07:44,800

saucers general sanford dictated the

173

00:07:48,070 --> 00:07:46,319

following terms of reference which are

174

00:07:50,230 --> 00:07:48,080

going to be considered by research and

175

00:07:53,909 --> 00:07:50,240

development possibly for a task to be

176

00:07:56,830 --> 00:07:53,919

taken over by a project blank

177

00:07:59,670 --> 00:07:56,840

probably conclude that there is a wide

178

00:08:01,749 --> 00:07:59,680

variety of natural phenomenon that may

179

00:08:04,710 --> 00:08:01,759

have significant effect upon our

180

00:08:07,029 --> 00:08:04,720

capability to detect enemy weapons this

181

00:08:09,749 --> 00:08:07,039

area of phenomenon needs to be examined

182

00:08:11,749 --> 00:08:09,759

for its various sources so that they can

183

00:08:15,270 --> 00:08:11,759

be properly identified and their bad

184

00:08:15,280 --> 00:08:19,749

on the same day

185

00:08:23,909 --> 00:08:22,390

from a diary

186

00:08:25,749 --> 00:08:23,919

very informally raised the question of

187

00:08:28,550 --> 00:08:25,759

flying saucers recent indications of

188

00:08:32,070 --> 00:08:28,560

highly specific observations that could

189

00:08:33,829 --> 00:08:32,080

not be satisfactorily explained

190

00:08:35,589 --> 00:08:33,839

suggested that we were considering

191

00:08:38,870 --> 00:08:35,599

enlisting top scientific brains and

192

00:08:41,509 --> 00:08:38,880

getting a directive so as to enable dci

193

00:08:42,389 --> 00:08:41,519

to coordinate resources on a scope wider

194

00:08:43,670 --> 00:08:42,399

than the

195

00:08:47,110 --> 00:08:43,680

intelligence

196

00:08:51,430 --> 00:08:48,630

so

197

00:08:53,269 --> 00:08:51,440

was lukewarm to the substance of this

198

00:08:55,990 --> 00:08:53,279

idea he was very agreeable to the

199

00:08:57,430 --> 00:08:56,000

procedure general porter g2

200

00:08:59,590 --> 00:08:57,440

and uh

201
00:09:01,590 --> 00:08:59,600
office of naval intelligence expressed

202
00:09:04,230 --> 00:09:01,600
approval and the others took a

203
00:09:06,470 --> 00:09:04,240
benevolently neutral position

204
00:09:08,310 --> 00:09:06,480
it was agreed that

205
00:09:10,070 --> 00:09:08,320
blank would proceed to organize a

206
00:09:12,949 --> 00:09:10,080
scientific review group

207
00:09:14,949 --> 00:09:12,959
and at the same time would circulate for

208
00:09:17,110 --> 00:09:14,959
comment a proposed

209
00:09:19,590 --> 00:09:17,120
uh national security council covering

210
00:09:20,949 --> 00:09:19,600
development of means to assure prompted

211
00:09:24,310 --> 00:09:20,959
positive identification of these

212
00:09:31,030 --> 00:09:27,509
here we have december 4th 1952 this is a

213
00:09:35,430 --> 00:09:34,230

a document ufo's action the director of

214

00:09:37,590 --> 00:09:35,440

cia

215

00:09:39,269 --> 00:09:37,600

will enlist the services of selected

216

00:09:40,630 --> 00:09:39,279

scientists to review and appraise the

217

00:09:43,509 --> 00:09:40,640

available evidence in the light of

218

00:09:45,829 --> 00:09:43,519

pertinent scientific theories so here we

219

00:09:47,910 --> 00:09:45,839

have it in writing

220

00:09:50,070 --> 00:09:47,920

that the cia put together the robertson

221

00:09:53,030 --> 00:09:50,080

panel

222

00:09:55,030 --> 00:09:53,040

then we have december 10th 1952

223

00:09:57,430 --> 00:09:55,040

memorandum for the director of central

224

00:09:59,030 --> 00:09:57,440

intelligence through the deputy director

225

00:10:05,269 --> 00:09:59,040

of intelligence

226

00:10:08,550 --> 00:10:06,550

the following is a summary of the

227

00:10:11,509 --> 00:10:08,560

current situation with respect to the

228

00:10:14,949 --> 00:10:11,519

investigation of ufos

229

00:10:17,030 --> 00:10:14,959

movies of 10 ufos

230

00:10:20,470 --> 00:10:17,040

unexplained on the basis of natural

231

00:10:21,350 --> 00:10:20,480

phenomenon or known type of aircraft

232

00:10:24,310 --> 00:10:21,360

near

233

00:10:26,790 --> 00:10:24,320

trenton utah july 2nd 1952

234

00:10:29,190 --> 00:10:26,800

a very brilliant unidentified light over

235

00:10:31,750 --> 00:10:29,200

the coast of maine for about four hours

236

00:10:34,790 --> 00:10:31,760

on the night of 10th through 11th of

237

00:10:36,870 --> 00:10:34,800

october at a height computed to be two

238

00:10:41,269 --> 00:10:36,880

or three times that which can be

239

00:10:43,990 --> 00:10:41,279
sustained by any known device

240

00:10:47,190 --> 00:10:44,000
alleged contact with a device

241

00:10:49,430 --> 00:10:47,200
on the ground in florida

242

00:10:53,829 --> 00:10:49,440
late this summer which left some

243

00:10:55,910 --> 00:10:53,839
presently unexplained after effects

244

00:10:58,310 --> 00:10:55,920
numerous other sightings of lights or

245

00:11:00,870 --> 00:10:58,320
objects which either in configuration or

246

00:11:03,590 --> 00:11:00,880
performance do not resemble any known

247

00:11:07,030 --> 00:11:03,600
aerial vehicle or explainable natural

248

00:11:12,230 --> 00:11:09,829
the next month here we have

249

00:11:14,710 --> 00:11:12,240
the robertson panel has begun the cia

250

00:11:16,949 --> 00:11:14,720
has put together all these experts

251
00:11:18,230 --> 00:11:16,959
and

252
00:11:21,910 --> 00:11:18,240
we have

253
00:11:25,269 --> 00:11:21,920
this clip taken from a report of meeting

254
00:11:27,190 --> 00:11:25,279
of scientific advisory panel on ufos

255
00:11:30,069 --> 00:11:27,200
uh convened by office of scientific

256
00:11:32,069 --> 00:11:30,079
intelligence cia

257
00:11:32,949 --> 00:11:32,079
this is also known as the

258
00:11:35,910 --> 00:11:32,959
uh

259
00:11:39,910 --> 00:11:38,150
these are all the different topics that

260
00:11:41,670 --> 00:11:39,920
uh they attempted to cover we're going

261
00:11:43,990 --> 00:11:41,680
to cover our artifacts of

262
00:11:45,110 --> 00:11:44,000
extraterrestrial origin

263
00:11:48,389 --> 00:11:45,120

and

264

00:11:50,470 --> 00:11:48,399

the educational program here below

265

00:11:52,310 --> 00:11:50,480

we have the members here

266

00:11:54,150 --> 00:11:52,320

people from california institute of

267

00:11:55,750 --> 00:11:54,160

technology university california

268

00:11:57,509 --> 00:11:55,760

associate

269

00:12:00,150 --> 00:11:57,519

universities brookhaven national

270

00:12:01,750 --> 00:12:00,160

laboratories office of research john

271

00:12:04,629 --> 00:12:01,760

hopkins university

272

00:12:06,710 --> 00:12:04,639

uh heineck ohio state university people

273

00:12:08,949 --> 00:12:06,720

with expertise in guided missiles

274

00:12:14,710 --> 00:12:08,959

astronomy geophysics

275

00:12:18,790 --> 00:12:16,550

this is taken

276

00:12:21,750 --> 00:12:18,800

from that report this is in regards to

277

00:12:23,269 --> 00:12:21,760

educational program

278

00:12:28,629 --> 00:12:23,279

they

279

00:12:31,190 --> 00:12:28,639

were talking about making uh videos

280

00:12:33,110 --> 00:12:31,200

um that would be used to

281

00:12:35,269 --> 00:12:33,120

basically debunk and educate people on

282

00:12:36,829 --> 00:12:35,279

ufos through

283

00:12:43,590 --> 00:12:36,839

as you can see here walt disney

284

00:12:47,350 --> 00:12:46,550

dr heineck has a suggestion

285

00:12:49,030 --> 00:12:47,360

of

286

00:12:50,870 --> 00:12:49,040

what could help with this training and

287

00:12:52,870 --> 00:12:50,880

debunking program

288

00:12:54,790 --> 00:12:52,880

and it's that amateur astronomers in the

289

00:13:00,629 --> 00:12:54,800

us might be a potential source of

290

00:13:06,790 --> 00:13:03,269

a little underneath you can see here

291

00:13:09,910 --> 00:13:06,800

the use of true cases showing first the

292

00:13:11,670 --> 00:13:09,920

mystery and then the explanation would

293

00:13:13,190 --> 00:13:11,680

be forceful

294

00:13:15,110 --> 00:13:13,200

in this video

295

00:13:17,350 --> 00:13:15,120

u.s navy personnel recorded what appears

296

00:13:19,269 --> 00:13:17,360

to be triangles some flashing recorded

297

00:13:20,790 --> 00:13:19,279

several years ago off the coast of the

298

00:13:22,310 --> 00:13:20,800

united states

299

00:13:25,030 --> 00:13:22,320

this was recorded while the u.s navy

300

00:13:27,509 --> 00:13:25,040

ship observed a number of small unmanned

301

00:13:29,910 --> 00:13:27,519

aerial systems uh in the area

302

00:13:31,350 --> 00:13:29,920

and importantly the video was taken

303

00:13:36,310 --> 00:13:31,360

through night vision goggles with a

304

00:13:42,069 --> 00:13:39,670

synopsis on uh what they did with the

305

00:13:44,150 --> 00:13:42,079

education program panel's concept of a

306

00:13:45,110 --> 00:13:44,160

broad educational program integrating

307

00:13:47,269 --> 00:13:45,120

efforts

308

00:13:49,750 --> 00:13:47,279

of all concerned agencies was that it

309

00:13:51,350 --> 00:13:49,760

should have two major aims training and

310

00:13:53,590 --> 00:13:51,360

debunking

311

00:13:56,389 --> 00:13:53,600

and then we have this artifacts of

312

00:13:58,230 --> 00:13:56,399

extraterrestrial origin

313

00:14:01,110 --> 00:13:58,240

so one of the people that came and

314

00:14:05,430 --> 00:14:01,120

pretty much testified or presented to

315

00:14:10,069 --> 00:14:05,440

this group was dewey fournette who

316

00:14:13,110 --> 00:14:11,509

this is

317

00:14:15,189 --> 00:14:13,120

his name is

318

00:14:16,870 --> 00:14:15,199

the blacked out name in here it was

319

00:14:18,389 --> 00:14:16,880

interesting to note that none of the

320

00:14:20,310 --> 00:14:18,399

members of the panel were loaded to

321

00:14:22,629 --> 00:14:20,320

accept that this earth might be visited

322

00:14:24,629 --> 00:14:22,639

by extraterrestrial intelligent beings

323

00:14:26,389 --> 00:14:24,639

of some sort someday

324

00:14:29,110 --> 00:14:26,399

what they did not find was any evidence

325

00:14:32,230 --> 00:14:29,120

that related the objects cited to space

326

00:14:35,030 --> 00:14:32,240

travelers so dewey fournette in his

327

00:14:37,350 --> 00:14:35,040

presentation showed how he

328

00:14:39,629 --> 00:14:37,360

uh had eliminated each of the known and

329

00:14:41,509 --> 00:14:39,639

probable causes of sightings leaving him

330

00:14:44,790 --> 00:14:41,519

extraterrestrial

331

00:14:46,470 --> 00:14:44,800

as the only one remaining in many cases

332

00:14:49,350 --> 00:14:46,480

so what we can see here is the

333

00:14:51,990 --> 00:14:49,360

intelligence advisory committee

334

00:14:55,829 --> 00:14:52,000

decided to take on ufo seriously after

335

00:14:57,350 --> 00:14:55,839

the washington dc sightings of 1952

336

00:15:00,230 --> 00:14:57,360

it should be noted that there were

337

00:15:02,470 --> 00:15:00,240

sightings around those sightings

338

00:15:05,350 --> 00:15:02,480

all over the country at the same time

339

00:15:06,710 --> 00:15:05,360

even around washington dc

340

00:15:08,629 --> 00:15:06,720

including

341

00:15:12,230 --> 00:15:08,639

some pretty big

342

00:15:14,629 --> 00:15:12,240

sightings at langley air force base

343

00:15:17,030 --> 00:15:14,639

they decided to take this on

344

00:15:18,949 --> 00:15:17,040

osi

345

00:15:21,350 --> 00:15:18,959

of the cia

346

00:15:23,829 --> 00:15:21,360

office of scientific intelligence cia

347

00:15:25,350 --> 00:15:23,839

wound up putting together a report

348

00:15:27,990 --> 00:15:25,360

that clearly stated they could not

349

00:15:30,310 --> 00:15:28,000

explain a lot of cases

350

00:15:35,189 --> 00:15:30,320

and some of the explanations used

351
00:15:35,199 --> 00:15:39,189
they put together a panel of scientists

352
00:15:44,150 --> 00:15:42,230
and they decide to

353
00:15:47,590 --> 00:15:44,160
install their training and debunking

354
00:15:53,110 --> 00:15:49,509
which in turn

355
00:15:54,790 --> 00:15:53,120
created the stigma that we see today

356
00:15:56,150 --> 00:15:54,800
now you would think after the robertson

357
00:15:59,509 --> 00:15:56,160
panel

358
00:16:01,189 --> 00:15:59,519
and uh the cia um

359
00:16:03,189 --> 00:16:01,199
putting forth a

360
00:16:05,829 --> 00:16:03,199
debunking training

361
00:16:09,110 --> 00:16:05,839
uh educational program that would be the

362
00:16:13,430 --> 00:16:09,120
end of ufos for the most part at least

363
00:16:17,829 --> 00:16:15,829

but that was not the case after the

364

00:16:21,189 --> 00:16:17,839

robertson panel

365

00:16:22,470 --> 00:16:21,199

in may of 1953

366

00:16:23,509 --> 00:16:22,480

you can see

367

00:16:25,910 --> 00:16:23,519

here

368

00:16:28,949 --> 00:16:25,920

by this memorandum to chief

369

00:16:31,030 --> 00:16:28,959

physics and electronic division of osi

370

00:16:32,629 --> 00:16:31,040

cia

371

00:16:35,350 --> 00:16:32,639

the very people who put forth the

372

00:16:37,910 --> 00:16:35,360

robertson panel

373

00:16:39,749 --> 00:16:37,920

subject unidentified flying objects

374

00:16:41,910 --> 00:16:39,759

responsibility for maintaining current

375

00:16:46,710 --> 00:16:41,920

knowledge of reports of sightings of

376

00:16:49,030 --> 00:16:46,720

ufos is hereby assigned to your division

377

00:16:51,430 --> 00:16:49,040

by carbon copy of this memorandum chief

378

00:16:54,150 --> 00:16:51,440

of applied science division is requested

379

00:16:57,430 --> 00:16:54,160

to provide support from a weapons and

380

00:16:59,749 --> 00:16:57,440

hardware standpoint

381

00:17:02,550 --> 00:16:59,759

major files on ufos are located in air

382

00:17:04,230 --> 00:17:02,560

branch applied science division

383

00:17:06,789 --> 00:17:04,240

a file of key documents and

384

00:17:09,270 --> 00:17:06,799

administrative papers are on file in the

385

00:17:11,669 --> 00:17:09,280

operations staff office

386

00:17:13,829 --> 00:17:11,679

blank of ips is presently the custodian

387

00:17:17,590 --> 00:17:13,839

of certain files on this subject which

388

00:17:20,150 --> 00:17:17,600

were transferred to ips from oci it is

389

00:17:22,230 --> 00:17:20,160

suggested that physics and electronics

390

00:17:24,470 --> 00:17:22,240

division take over custody

391

00:17:26,789 --> 00:17:24,480

of such

392

00:17:30,630 --> 00:17:26,799

of these files as are necessary for it

393

00:17:33,110 --> 00:17:30,640

to fulfill the above responsibility

394

00:17:35,909 --> 00:17:33,120

the division should also arrange through

395

00:17:38,710 --> 00:17:35,919

blank so that material on this subject

396

00:17:39,750 --> 00:17:38,720

being forwarded from oci will be routed

397

00:17:44,390 --> 00:17:39,760

directly

398

00:17:46,549 --> 00:17:44,400

to physics and electronics division

399

00:17:49,430 --> 00:17:46,559

i rest my case

400

00:17:50,800 --> 00:17:49,440

witness

401
00:18:12,510 --> 00:17:50,810
citizens

402
00:18:14,570 --> 00:18:12,520
[Music]

403
00:18:18,710 --> 00:18:14,580
[Applause]

404
00:18:23,190 --> 00:18:21,669
say that the recent sightings are in no

405
00:18:25,750 --> 00:18:23,200
way connected

406
00:18:31,230 --> 00:18:25,760
with any secret development by any

407
00:18:56,520 --> 00:18:46,490
[Music]

408
00:19:02,630 --> 00:18:56,530
identifying objects

409
00:19:06,310 --> 00:19:04,390
the pentagon

410
00:19:08,390 --> 00:19:06,320
they have as we reported in the paper
