all right new intro hope you guys liked

33
00:02:14,630 --> 00:02:10,080
it

34
00:02:15,830 --> 00:02:14,640
bring in uh the man the myth the legend

35
00:02:17,830 --> 00:02:15,840
mr

36
00:02:20,070 --> 00:02:17,840
danny silva how are you today sir what's

37
00:02:20,869 --> 00:02:20,080
up man doing good how are you

38
00:02:24,229 --> 00:02:20,879

good

39

00:02:28,309 --> 00:02:27,350

yeah i got the nash you gotta represent

40

00:02:31,030 --> 00:02:28,319

you know

41

00:02:32,309 --> 00:02:31,040

it might be it might be a huge flop who

42

00:02:36,949 --> 00:02:32,319

knows but

43

00:02:41,509 --> 00:02:39,190

so yeah i mean that's a maybe that's a

44

00:02:44,790 --> 00:02:41,519

that's a good way to start so you had

45

00:02:47,270 --> 00:02:44,800

the nasa news uh yesterday coming out

46

00:02:49,430 --> 00:02:47,280

um kind of slipped it

47

00:02:50,470 --> 00:02:49,440

just everything's been happened so fast

48

00:02:51,589 --> 00:02:50,480

with like

49

00:02:52,949 --> 00:02:51,599

all of a sudden you hear there's going

50

00:02:55,190 --> 00:02:52,959

to be a congressional hearing and then

51
00:02:56,630 --> 00:02:55,200
the next day you know they're doing the

52
00:02:58,070 --> 00:02:56,640
congressional hearing

53
00:03:00,470 --> 00:02:58,080
then all of a sudden there's a nasa

54
00:03:01,430 --> 00:03:00,480
press release and like literally minutes

55
00:03:04,869 --> 00:03:01,440
later

56
00:03:06,229 --> 00:03:04,879
they're doing like a media press release

57
00:03:08,309 --> 00:03:06,239
which i thought was better than the

58
00:03:11,110 --> 00:03:08,319
actual uh written one

59
00:03:13,190 --> 00:03:11,120
but um did you have time to look into it

60
00:03:15,509 --> 00:03:13,200
at all to listen to the media

61
00:03:17,350 --> 00:03:15,519
uh press release what do you think

62
00:03:19,830 --> 00:03:17,360
i didn't hear the

63
00:03:21,750 --> 00:03:19,840

the audio thing no i saw the article and

64

00:03:23,670 --> 00:03:21,760

i saw everyone commenting on it it's

65

00:03:25,350 --> 00:03:23,680

kind of like uh all this stuff other

66

00:03:27,350 --> 00:03:25,360

stuff that's going on where

67

00:03:28,149 --> 00:03:27,360

it's good movement at the same time it's

68

00:03:34,550 --> 00:03:28,159

like

69

00:03:35,670 --> 00:03:34,560

started looking into this give me a

70

00:03:37,030 --> 00:03:35,680

break

71

00:03:38,630 --> 00:03:37,040

um

72

00:03:40,550 --> 00:03:38,640

and you know we're complaining about the

73

00:03:41,910 --> 00:03:40,560

hundred thousand but i guess it's just

74

00:03:43,509 --> 00:03:41,920

the beginning thing

75

00:03:44,869 --> 00:03:43,519

but at the same time it's awesome

76

00:03:46,869 --> 00:03:44,879

because we can bring it you know it's a

77

00:03:49,110 --> 00:03:46,879

tool for us as advocates

78

00:03:51,670 --> 00:03:49,120

and activists and and to bring it to the

79

00:03:53,990 --> 00:03:51,680

public and say hey look uh you know nasa

80

00:03:55,350 --> 00:03:54,000

is looking at this on the books now

81

00:03:56,550 --> 00:03:55,360

um where they're you know not lying

82

00:03:58,149 --> 00:03:56,560

about it even though they've been doing

83

00:03:59,350 --> 00:03:58,159

it for decades and decades and all kinds

84

00:04:01,030 --> 00:03:59,360

of other things

85

00:04:02,149 --> 00:04:01,040

um so it's mixed feelings like all this

86

00:04:03,270 --> 00:04:02,159

other stuff that's going on with the

87

00:04:04,949 --> 00:04:03,280

government

88

00:04:07,030 --> 00:04:04,959

you know at the end of the day it's

89

00:04:08,550 --> 00:04:07,040

positive movement because they're

90

00:04:10,550 --> 00:04:08,560

they're being more transparent at least

91

00:04:15,030 --> 00:04:10,560

a little bit more transparent now

92

00:04:17,990 --> 00:04:15,040

yeah it reminds me of just you know like

93

00:04:19,430 --> 00:04:18,000

like a kid in a room just like opening

94

00:04:21,909 --> 00:04:19,440

the door a little bit and just like

95

00:04:22,710 --> 00:04:21,919

starting to peek out just a little you

96

00:04:24,230 --> 00:04:22,720

know

97

00:04:25,909 --> 00:04:24,240

and it's like you just need somebody to

98

00:04:29,670 --> 00:04:25,919

grab that freaking door and just open it

99

00:04:31,110 --> 00:04:29,680

wide up yeah just come on let's do this

100

00:04:32,390 --> 00:04:31,120

already yeah it's funny that you

101

00:04:34,390 --> 00:04:32,400

mentioned the

102

00:04:36,150 --> 00:04:34,400

you know everybody knows that that

103

00:04:36,870 --> 00:04:36,160

they're you know kind of lying already

104

00:04:39,830 --> 00:04:36,880

and

105

00:04:42,150 --> 00:04:39,840

you know the sometimes what i think of

106

00:04:43,990 --> 00:04:42,160

is maybe the people that do know about

107

00:04:46,310 --> 00:04:44,000

this stuff are putting these people in

108

00:04:48,150 --> 00:04:46,320

these positions that may not know what's

109

00:04:50,550 --> 00:04:48,160

actually going on and they're like hey

110

00:04:51,830 --> 00:04:50,560

yeah check it out check it out you know

111

00:04:53,510 --> 00:04:51,840

see what's there because they know

112

00:04:55,110 --> 00:04:53,520

they're going to find something

113

00:04:57,110 --> 00:04:55,120

but they won't be able to say that they

114

00:05:00,350 --> 00:04:57,120

know something's there already

115

00:05:05,830 --> 00:05:04,230

compartmentalized and you know big huge

116

00:05:08,150 --> 00:05:05,840

organizations

117

00:05:09,670 --> 00:05:08,160

so when i say they're lying

118

00:05:11,830 --> 00:05:09,680

you know i don't know exactly who's

119

00:05:13,110 --> 00:05:11,840

lying somebody is but it may not be the

120

00:05:15,270 --> 00:05:13,120

spokespeople

121

00:05:16,790 --> 00:05:15,280

um you know they may have like you know

122

00:05:17,510 --> 00:05:16,800

they may be able to play innocent or

123

00:05:19,749 --> 00:05:17,520

that

124

00:05:20,870 --> 00:05:19,759

i don't know it was kind of like

125

00:05:22,830 --> 00:05:20,880

where i felt those students were

126

00:05:25,270 --> 00:05:22,840

probably definitely lying

127

00:05:27,270 --> 00:05:25,280

um but i don't know you know i don't

128

00:05:28,629 --> 00:05:27,280

know for sure i'm not there but we know

129

00:05:31,510 --> 00:05:28,639

there's all these layers to all these

130

00:05:33,270 --> 00:05:31,520

government agencies and uh we know lots

131

00:05:35,590 --> 00:05:33,280

more is has been going on for a long

132

00:05:36,390 --> 00:05:35,600

long time than they're saying

133

00:05:39,590 --> 00:05:36,400

yeah

134

00:05:41,830 --> 00:05:39,600

doing

135

00:05:43,350 --> 00:05:41,840

your website how long have you been

136

00:05:45,749 --> 00:05:43,360

working on that now i mean you took a

137

00:05:47,110 --> 00:05:45,759

little break but when did you start it

138

00:05:49,270 --> 00:05:47,120

oh sorry

139

00:05:51,430 --> 00:05:49,280

it was 2018. i'm not sure now i can't

140

00:05:52,629 --> 00:05:51,440

remember anymore i've kind of backed off

141

00:05:54,230 --> 00:05:52,639

on uh

142

00:05:57,909 --> 00:05:54,240

on writing a blog about every little

143

00:06:01,029 --> 00:05:59,430

a lot of other people are writing now

144

00:06:03,029 --> 00:06:01,039

there's a lot more people involved back

145

00:06:04,550 --> 00:06:03,039

then it was only me and like

146

00:06:06,550 --> 00:06:04,560

um

147

00:06:07,590 --> 00:06:06,560

adam goldstack and like just a few other

148

00:06:09,430 --> 00:06:07,600

people

149

00:06:11,909 --> 00:06:09,440

and

150

00:06:12,790 --> 00:06:11,919

um also you know lou wasn't talking back

151
00:06:15,909 --> 00:06:12,800
then

152
00:06:17,189 --> 00:06:15,919
so it was like a big part of what i was

153
00:06:19,110 --> 00:06:17,199
doing was just

154
00:06:20,629 --> 00:06:19,120
being a jerk and digging in all his of

155
00:06:22,629 --> 00:06:20,639
his stuff and then airing it out to the

156
00:06:24,550 --> 00:06:22,639
public that he probably someone that he

157
00:06:26,469 --> 00:06:24,560
didn't even want the public to know

158
00:06:27,270 --> 00:06:26,479
um and i was just following him around

159
00:06:29,749 --> 00:06:27,280
you know

160
00:06:32,469 --> 00:06:29,759
kind of being like a

161
00:06:33,990 --> 00:06:32,479
stalker detective and uh but he's been

162
00:06:36,230 --> 00:06:34,000
doing all these interviews himself now

163
00:06:38,950 --> 00:06:36,240

speaking and it was kind of kind of like

164

00:06:41,270 --> 00:06:38,960

took that away from me um

165

00:06:42,550 --> 00:06:41,280

son of a [h__h] and also i just get

166

00:06:44,790 --> 00:06:42,560

something a little bit differently now

167

00:06:46,309 --> 00:06:44,800

because before every little story was

168

00:06:47,510 --> 00:06:46,319

like a huge deal to me

169

00:06:49,110 --> 00:06:47,520

and now

170

00:06:51,749 --> 00:06:49,120

some of these stories aren't as big of a

171

00:06:53,670 --> 00:06:51,759

deal to me for example i always say this

172

00:06:55,990 --> 00:06:53,680

you know it used to be a massive deal if

173

00:06:57,430 --> 00:06:56,000

a politician even mentioned ufos

174

00:07:00,550 --> 00:06:57,440

and now we have like politicians

175

00:07:02,070 --> 00:07:00,560

mentioning ufos left and right non-stop

176
00:07:03,510 --> 00:07:02,080
so let's just kind of changed the game a

177
00:07:05,110 --> 00:07:03,520
little bit where i'm not writing a blog

178
00:07:07,749 --> 00:07:05,120
every time a politician comments because

179
00:07:08,550 --> 00:07:07,759
it's kind of it's more commonplace now

180
00:07:09,909 --> 00:07:08,560
um

181
00:07:12,309 --> 00:07:09,919
to show the

182
00:07:14,550 --> 00:07:12,319
how we've progressed over the years and

183
00:07:16,790 --> 00:07:14,560
things like that so like for example

184
00:07:19,189 --> 00:07:16,800
with the niagara falls thing

185
00:07:21,990 --> 00:07:19,199
i felt like that was new information

186
00:07:23,189 --> 00:07:22,000
um i'd be breaking it myself in a way

187
00:07:24,710 --> 00:07:23,199
um

188
00:07:26,629 --> 00:07:24,720

so i felt like that was more compelling

189

00:07:29,029 --> 00:07:26,639

and interesting for me where it wasn't

190

00:07:31,029 --> 00:07:29,039

just kind of like regurgitating whatever

191

00:07:33,189 --> 00:07:31,039

is already going on i'm not really into

192

00:07:35,029 --> 00:07:33,199

opinion pieces as much either

193

00:07:36,710 --> 00:07:35,039

um so i don't really do a lot of those

194

00:07:39,189 --> 00:07:36,720

so i've i've just been commenting more

195

00:07:42,150 --> 00:07:39,199

been on social media more blogging less

196

00:07:43,589 --> 00:07:42,160

but we'll see what happens it's kind of

197

00:07:46,070 --> 00:07:43,599

how i do things

198

00:07:47,990 --> 00:07:46,080

yeah you kind of got to do what you want

199

00:07:49,990 --> 00:07:48,000

to do when you have the time i suppose

200

00:07:52,309 --> 00:07:50,000

like a lot of people forget at least

201
00:07:53,909 --> 00:07:52,319
that uh you know don't write stuff or do

202
00:07:56,070 --> 00:07:53,919
podcasts or whatever you know people

203
00:07:57,670 --> 00:07:56,080
forget that you know we don't get really

204
00:07:59,350 --> 00:07:57,680
we don't get paid for this stuff and we

205
00:08:02,950 --> 00:07:59,360
have day jobs and we have to take care

206
00:08:05,110 --> 00:08:02,960
of ourselves and not go on 36-hour fasts

207
00:08:07,110 --> 00:08:05,120
like you you know and stuff stuff like

208
00:08:09,830 --> 00:08:07,120
that so you know we got to be able to

209
00:08:12,230 --> 00:08:09,840
fit this stuff in uh when we can

210
00:08:14,230 --> 00:08:12,240
uh for sure but uh you were definitely

211
00:08:15,909 --> 00:08:14,240
breaking ground you know at the time

212
00:08:18,629 --> 00:08:15,919
when you when you were first doing that

213
00:08:20,230 --> 00:08:18,639

stuff um because as you said

214

00:08:22,070 --> 00:08:20,240

not really many people are so how does

215

00:08:24,629 --> 00:08:22,080

it make you feel now that

216

00:08:27,189 --> 00:08:24,639

you know to think about that time and to

217

00:08:29,270 --> 00:08:27,199

look at the present where

218

00:08:31,430 --> 00:08:29,280

there's an abundancy of people writing

219

00:08:33,350 --> 00:08:31,440

about it talking about it politicians

220

00:08:35,029 --> 00:08:33,360

podcasts blogs

221

00:08:37,350 --> 00:08:35,039

uh websites like how does that make you

222

00:08:38,870 --> 00:08:37,360

feel are you satisfied with you know how

223

00:08:40,870 --> 00:08:38,880

things are turning out did you see

224

00:08:42,790 --> 00:08:40,880

things turning out differently or did

225

00:08:44,949 --> 00:08:42,800

you have no expectations

226

00:08:47,030 --> 00:08:44,959

um you know we always had the highest

227

00:08:48,470 --> 00:08:47,040

highest of expectations there's been

228

00:08:50,630 --> 00:08:48,480

bumps in the road and then there's also

229

00:08:51,829 --> 00:08:50,640

been amazing incredible progress you

230

00:08:53,670 --> 00:08:51,839

know

231

00:08:55,110 --> 00:08:53,680

like we really thought that

232

00:08:56,470 --> 00:08:55,120

to the stars academy was going to like

233

00:08:57,670 --> 00:08:56,480

build a ship because they said they were

234

00:09:00,230 --> 00:08:57,680

going to build a ship

235

00:09:02,470 --> 00:09:00,240

so that was all down of course um

236

00:09:04,310 --> 00:09:02,480

on the other hand we have hearings now

237

00:09:07,350 --> 00:09:04,320

everything lou and chris mellon and the

238

00:09:09,509 --> 00:09:07,360

stars really has tried to do as worked

239

00:09:11,590 --> 00:09:09,519

um as far as

240

00:09:13,110 --> 00:09:11,600

you know the public and the government

241

00:09:15,350 --> 00:09:13,120

and things like that

242

00:09:17,190 --> 00:09:15,360

um you know that i could go down the

243

00:09:19,430 --> 00:09:17,200

list of things you know we wanted more

244

00:09:21,030 --> 00:09:19,440

videos by now um

245

00:09:22,310 --> 00:09:21,040

and we've gotten some more videos they

246

00:09:24,150 --> 00:09:22,320

just weren't from you know like the

247

00:09:25,990 --> 00:09:24,160

government quote unquote really they're

248

00:09:27,269 --> 00:09:26,000

from like jeremy corbell george knapp

249

00:09:28,630 --> 00:09:27,279

and people like that

250

00:09:30,870 --> 00:09:28,640

um

251

00:09:31,990 --> 00:09:30,880

but really i mean you i i really can't

252

00:09:34,230 --> 00:09:32,000

say that

253

00:09:36,870 --> 00:09:34,240

basically everything that lube has done

254

00:09:38,870 --> 00:09:36,880

louis ando and chris and george and

255

00:09:40,470 --> 00:09:38,880

jeremy and all these other people

256

00:09:42,389 --> 00:09:40,480

unnamed behind the scenes that we don't

257

00:09:44,949 --> 00:09:42,399

really talk about j stratton's one of

258

00:09:46,949 --> 00:09:44,959

them um everything is basically work if

259

00:09:48,710 --> 00:09:46,959

you can just look at the trajectory of

260

00:09:51,350 --> 00:09:48,720

where we were from where we are

261

00:09:53,990 --> 00:09:51,360

now so everything was worked um and i

262

00:09:55,430 --> 00:09:54,000

know another big part of it was uh they

263

00:09:57,670 --> 00:09:55,440

wanted to make sure the public wasn't

264

00:09:59,509 --> 00:09:57,680

scared and not only is the public not

265

00:10:01,430 --> 00:09:59,519

scared but a lot of the public probably

266

00:10:06,389 --> 00:10:01,440

just doesn't even care anymore still

267

00:10:10,630 --> 00:10:08,310

yeah basically everything has worked man

268

00:10:14,230 --> 00:10:10,640

and um there has been bumps in the road

269

00:10:15,910 --> 00:10:14,240

and changes to the plan i think um

270

00:10:17,990 --> 00:10:15,920

people have adapted

271

00:10:18,949 --> 00:10:18,000

but really we can't look back and say

272

00:10:21,509 --> 00:10:18,959

that

273

00:10:23,910 --> 00:10:21,519

anything has really gone anything but

274

00:10:26,870 --> 00:10:23,920

right and uh even some of the biggest

275

00:10:29,350 --> 00:10:26,880

detractors of elizondo and these guys

276

00:10:30,790 --> 00:10:29,360
are now like his biggest friends

277

00:10:33,190 --> 00:10:30,800
and fans

278

00:10:34,310 --> 00:10:33,200
um which is pretty telling that he's

279

00:10:36,230 --> 00:10:34,320
able to like

280

00:10:39,190 --> 00:10:36,240
just directly go into the lion's den and

281

00:10:41,110 --> 00:10:39,200
flip these dudes into liking it uh one

282

00:10:41,870 --> 00:10:41,120
of them would be jimmy church

283

00:10:43,829 --> 00:10:41,880
hey

284

00:10:46,949 --> 00:10:43,839
[Laughter]

285

00:10:49,509 --> 00:10:46,959
yeah that's that's interesting but

286

00:10:51,990 --> 00:10:49,519
i guess in the end at least uh at least

287

00:10:53,190 --> 00:10:52,000
he's supporting the cause you know

288

00:10:54,389 --> 00:10:53,200

exactly

289

00:10:55,670 --> 00:10:54,399

and i did

290

00:10:57,030 --> 00:10:55,680

i did a show with dave scott the other

291

00:10:59,030 --> 00:10:57,040

day jimmy was on there i was on with

292

00:11:00,790 --> 00:10:59,040

jimmy you know i'm i don't have anything

293

00:11:02,710 --> 00:11:00,800

against him he's uh

294

00:11:04,630 --> 00:11:02,720

he's big up in lou now and he's saying

295

00:11:05,990 --> 00:11:04,640

how great they are and uh

296

00:11:07,030 --> 00:11:06,000

so that's fine

297

00:11:09,910 --> 00:11:07,040

i don't have to

298

00:11:12,150 --> 00:11:09,920

continue these battles for years and

299

00:11:13,750 --> 00:11:12,160

it's funny um a lot of those guys you

300

00:11:14,870 --> 00:11:13,760

know they blocked me there they hated me

301
00:11:16,790 --> 00:11:14,880
at the time

302
00:11:21,590 --> 00:11:16,800
for sticking up for lou and then lou

303
00:11:24,550 --> 00:11:23,350
yeah how does that work i don't

304
00:11:27,030 --> 00:11:24,560
understand

305
00:11:28,630 --> 00:11:27,040
the the ufo politics are pretty bizarre

306
00:11:30,470 --> 00:11:28,640
sometimes it doesn't really make a whole

307
00:11:32,389 --> 00:11:30,480
lot of sense but

308
00:11:34,550 --> 00:11:32,399
you just got to do the best you can do

309
00:11:36,790 --> 00:11:34,560
do the right thing lead with integrity

310
00:11:39,350 --> 00:11:36,800
and hope things work out i suppose

311
00:11:41,750 --> 00:11:39,360
um to backtrack a little bit the the

312
00:11:42,630 --> 00:11:41,760
niagara falls case

313
00:11:45,750 --> 00:11:42,640

um

314

00:11:47,110 --> 00:11:45,760

tell me a little bit about how you ran

315

00:11:49,110 --> 00:11:47,120

into that story i think the new

316

00:11:51,670 --> 00:11:49,120

information there is

317

00:11:53,190 --> 00:11:51,680

uh that it was awesome or bass case

318

00:11:55,670 --> 00:11:53,200

correct

319

00:11:58,069 --> 00:11:55,680

and there was um

320

00:11:59,829 --> 00:11:58,079

people documenting that over the years

321

00:12:02,230 --> 00:11:59,839

in smaller ways or even bigger ways and

322

00:12:04,550 --> 00:12:02,240

i i didn't really notice too much

323

00:12:05,910 --> 00:12:04,560

um i guess i wasn't on top of it as much

324

00:12:08,949 --> 00:12:05,920

as i should have been

325

00:12:11,509 --> 00:12:08,959

um and then uh

326

00:12:14,069 --> 00:12:11,519

dave um

327

00:12:15,910 --> 00:12:14,079

tipped me off on it recently and i

328

00:12:17,430 --> 00:12:15,920

started to get into it i asked around

329

00:12:18,230 --> 00:12:17,440

about it like i do

330

00:12:21,190 --> 00:12:18,240

you know

331

00:12:22,790 --> 00:12:21,200

unnamed sources people hate them but uh

332

00:12:26,310 --> 00:12:22,800

and i was able to confirm that bass was

333

00:12:27,990 --> 00:12:26,320

there so um ufo incidents and stories

334

00:12:28,790 --> 00:12:28,000

and things like that are interesting to

335

00:12:33,910 --> 00:12:28,800

me

336

00:12:35,750 --> 00:12:33,920

know bass and asap and etip did because

337

00:12:37,430 --> 00:12:35,760

if they were interested in it it

338

00:12:39,110 --> 00:12:37,440

gives me another level of interest it

339

00:12:42,310 --> 00:12:39,120

brings it to a whole nother

340

00:12:44,710 --> 00:12:42,320

kind of thing for me and um since they

341

00:12:46,470 --> 00:12:44,720

took it so seriously bass did it's what

342

00:12:48,949 --> 00:12:46,480

made it interesting for me

343

00:12:50,470 --> 00:12:48,959

and i found out that they had uh i was

344

00:12:53,829 --> 00:12:50,480

able to confirm

345

00:12:55,430 --> 00:12:53,839

um that they dispatched you know uh

346

00:12:56,710 --> 00:12:55,440

agents or whatever you want to call them

347

00:13:00,470 --> 00:12:56,720

employees

348

00:13:03,030 --> 00:13:00,480

of bass um to niagara falls after that

349

00:13:04,389 --> 00:13:03,040

they were interacting with witnesses i

350

00:13:05,350 --> 00:13:04,399

spoke to some of the witnesses that were

351
00:13:07,430 --> 00:13:05,360
there

352
00:13:09,430 --> 00:13:07,440
um interestingly enough it's kind of

353
00:13:11,350 --> 00:13:09,440
funny some of the uh

354
00:13:13,110 --> 00:13:11,360
witnesses weren't trusting these fast

355
00:13:14,629 --> 00:13:13,120
guys like they were looking at them like

356
00:13:16,310 --> 00:13:14,639
they were kind of like men in black in a

357
00:13:17,990 --> 00:13:16,320
way they were it depends on your

358
00:13:19,110 --> 00:13:18,000
definition of what men in black are but

359
00:13:21,269 --> 00:13:19,120
if it's a

360
00:13:22,470 --> 00:13:21,279
government contractor that's studying

361
00:13:23,750 --> 00:13:22,480
ufos

362
00:13:25,509 --> 00:13:23,760
if that's your definition of men in

363
00:13:27,910 --> 00:13:25,519

black then yeah they were men in black

364

00:13:29,670 --> 00:13:27,920

and they kind of descended on the town

365

00:13:32,389 --> 00:13:29,680

they were getting videos getting

366

00:13:33,350 --> 00:13:32,399

testimony there was a ton of witnesses

367

00:13:35,190 --> 00:13:33,360

um

368

00:13:35,990 --> 00:13:35,200

you know do i know for sure it was a ufo

369

00:13:37,829 --> 00:13:36,000

no

370

00:13:39,030 --> 00:13:37,839

of course uh twitter and the ufo

371

00:13:41,750 --> 00:13:39,040

community is

372

00:13:42,870 --> 00:13:41,760

immediately debunking uh the videos

373

00:13:44,629 --> 00:13:42,880

um

374

00:13:46,150 --> 00:13:44,639

one guy that i actually uh respect his

375

00:13:47,509 --> 00:13:46,160

work and like him he told me one of the

376
00:13:49,910 --> 00:13:47,519
videos was

377
00:13:52,470 --> 00:13:49,920
a pillar of light reflection and the

378
00:13:53,670 --> 00:13:52,480
other video was a uh

379
00:13:55,110 --> 00:13:53,680
lens flare

380
00:13:57,590 --> 00:13:55,120
i'm like don't you don't you gotta pick

381
00:14:00,069 --> 00:13:57,600
one or the other like yeah it's the same

382
00:14:04,710 --> 00:14:00,079
thing that's a video and a panda fake

383
00:14:06,949 --> 00:14:05,829
i just thought that was interesting that

384
00:14:08,629 --> 00:14:06,959
it was like

385
00:14:10,470 --> 00:14:08,639
two different debunker theories on two

386
00:14:11,829 --> 00:14:10,480
different videos of the same incident

387
00:14:13,750 --> 00:14:11,839
because you know oftentimes we don't

388
00:14:15,030 --> 00:14:13,760

have multiple angles of

389

00:14:16,710 --> 00:14:15,040

these incidents and this one there's

390

00:14:17,990 --> 00:14:16,720

like tons of multiple angles which makes

391

00:14:19,509 --> 00:14:18,000

it more compelling

392

00:14:24,550 --> 00:14:19,519

yeah

393

00:14:27,269 --> 00:14:24,560

that people could watch there one was

394

00:14:28,470 --> 00:14:27,279

um definitely

395

00:14:32,629 --> 00:14:28,480

had

396

00:14:37,509 --> 00:14:32,639

at

397

00:14:38,389 --> 00:14:37,519

um

398

00:14:40,069 --> 00:14:38,399

and i

399

00:14:41,590 --> 00:14:40,079

you know it's interesting

400

00:14:43,430 --> 00:14:41,600

the the way you talk about it of course

401
00:14:45,350 --> 00:14:43,440
that the bunkers are gonna come out and

402
00:14:47,189 --> 00:14:45,360
and say their thing about it

403
00:14:48,949 --> 00:14:47,199
and because of that you you put in the

404
00:14:51,189 --> 00:14:48,959
article like hey listen

405
00:14:52,389 --> 00:14:51,199
i'm not saying it's alien or anything

406
00:14:55,030 --> 00:14:52,399
like that

407
00:14:56,870 --> 00:14:55,040
it's just yeah just look at the video

408
00:14:58,550 --> 00:14:56,880
what she really shouldn't have to say

409
00:14:59,990 --> 00:14:58,560
you know it's not

410
00:15:02,230 --> 00:15:00,000
you're not coming out there and going

411
00:15:04,470 --> 00:15:02,240
and the alien spacecraft was caught in

412
00:15:06,550 --> 00:15:04,480
niagara falls you know you're just going

413
00:15:08,710 --> 00:15:06,560

it's a ufo it's an unidentified flying

414

00:15:11,269 --> 00:15:08,720

object you know people got video of it

415

00:15:13,590 --> 00:15:11,279

is what it is bass investigated it uh

416

00:15:16,790 --> 00:15:13,600

asap they obviously had a

417

00:15:19,030 --> 00:15:16,800

a deal with uh dia the contract

418

00:15:22,310 --> 00:15:19,040

of looking into this stuff so it there

419

00:15:23,670 --> 00:15:22,320

must be something to it at least so and

420

00:15:25,350 --> 00:15:23,680

i thought it was a good piece and i

421

00:15:27,189 --> 00:15:25,360

think it was definitely worth writing so

422

00:15:29,590 --> 00:15:27,199

you know thanks for doing that

423

00:15:31,509 --> 00:15:29,600

um yeah i think i mean and it went up to

424

00:15:32,629 --> 00:15:31,519

change the defense intelligence like you

425

00:15:34,470 --> 00:15:32,639

said so

426

00:15:35,590 --> 00:15:34,480

it's it's interesting and it's

427

00:15:38,069 --> 00:15:35,600

compelling and they really thought

428

00:15:40,949 --> 00:15:38,079

something was to it um and once again i

429

00:15:43,350 --> 00:15:40,959

think the debunker stuff or even just

430

00:15:45,670 --> 00:15:43,360

the skeptic stuff which is fine and okay

431

00:15:48,230 --> 00:15:45,680

uh they don't have access to all the

432

00:15:49,430 --> 00:15:48,240

files right right

433

00:15:51,670 --> 00:15:49,440

and

434

00:15:55,749 --> 00:15:51,680

you know they're making uh

435

00:15:58,949 --> 00:15:57,670

but at the same time

436

00:16:00,150 --> 00:15:58,959

they don't have access to it so i

437

00:16:02,150 --> 00:16:00,160

understand why they're doing it because

438

00:16:03,509 --> 00:16:02,160

it's not public it'd be really cool if

439

00:16:05,670 --> 00:16:03,519

we could get uh

440

00:16:09,110 --> 00:16:05,680

a dump of all those bass files you know

441

00:16:10,790 --> 00:16:09,120

there's been rumors over the weeks of uh

442

00:16:12,710 --> 00:16:10,800

all that other bad stuff some of it did

443

00:16:15,430 --> 00:16:12,720

come out about that indiana case that

444

00:16:17,749 --> 00:16:15,440

was real crazy and spooky yeah that was

445

00:16:19,910 --> 00:16:17,759

like a haunted house case yeah it was

446

00:16:21,350 --> 00:16:19,920

insane man it was scary but i was just

447

00:16:23,030 --> 00:16:21,360

like all the bad stuff to come out one

448

00:16:24,069 --> 00:16:23,040

day would be amazing and all the awesome

449

00:16:25,350 --> 00:16:24,079

stuff and

450

00:16:26,550 --> 00:16:25,360

i don't know if it will but we know that

451
00:16:27,990 --> 00:16:26,560
they have their database i've written

452
00:16:29,829 --> 00:16:28,000
about their database

453
00:16:31,110 --> 00:16:29,839
and if we had that maybe you know the

454
00:16:33,269 --> 00:16:31,120
skeptics would have more to go on and

455
00:16:35,189 --> 00:16:33,279
they'd see the investigations that these

456
00:16:37,829 --> 00:16:35,199
guys were doing it feels like you some

457
00:16:39,990 --> 00:16:37,839
of the skeptics on ufo twitter or ufo

458
00:16:41,670 --> 00:16:40,000
community they'll be like acting like

459
00:16:43,030 --> 00:16:41,680
assaf was like a joke and a bunch of

460
00:16:44,150 --> 00:16:43,040
like clowns or something when they're

461
00:16:45,910 --> 00:16:44,160
doing like

462
00:16:48,150 --> 00:16:45,920
massive things i mean they're rolling in

463
00:16:50,150 --> 00:16:48,160

hard like men in black and like black

464

00:16:52,470 --> 00:16:50,160

suvs and they have all this ghostbuster

465

00:16:54,310 --> 00:16:52,480

equipment and stuff and uh yeah taking

466

00:16:56,069 --> 00:16:54,320

themselves really seriously

467

00:16:57,269 --> 00:16:56,079

and these uh skeptics are just over here

468

00:16:58,790 --> 00:16:57,279

on the internet

469

00:17:00,790 --> 00:16:58,800

not actually with boots on the ground

470

00:17:03,430 --> 00:17:00,800

and they're they're uh they're so sure

471

00:17:06,870 --> 00:17:03,440

it reminds me of the freaking robertson

472

00:17:09,270 --> 00:17:06,880

panels 1953 man i mean they specifically

473

00:17:11,669 --> 00:17:09,280

uh set out to train and debunk videos

474

00:17:14,390 --> 00:17:11,679

take what was a mystery and then uh

475

00:17:16,829 --> 00:17:14,400

debunk it you know to the public make it

476

00:17:20,789 --> 00:17:16,839

take take the special aura away from

477

00:17:23,350 --> 00:17:20,799

ufos you know and we see the same exact

478

00:17:24,949 --> 00:17:23,360

thing right now today with different

479

00:17:26,789 --> 00:17:24,959

people doing that even on the

480

00:17:29,270 --> 00:17:26,799

congressional hearings

481

00:17:31,909 --> 00:17:29,280

they took what was a mystery the the

482

00:17:34,310 --> 00:17:31,919

pyramid video and tried to debunk it in

483

00:17:36,789 --> 00:17:34,320

front of the entire american public you

484

00:17:39,029 --> 00:17:36,799

couldn't be more robertson panel than

485

00:17:42,310 --> 00:17:39,039

than that right there that's exactly

486

00:17:43,990 --> 00:17:42,320

what they wrote about in 1953 and the

487

00:17:45,990 --> 00:17:44,000

frustrating part is they act like we're

488

00:17:47,510 --> 00:17:46,000

idiots like we don't like we don't know

489

00:17:49,350 --> 00:17:47,520

any better like we don't know that

490

00:17:50,789 --> 00:17:49,360

they've done that you know and that they

491

00:17:53,430 --> 00:17:50,799

still do that

492

00:17:55,430 --> 00:17:53,440

and you know but you can tell and you

493

00:17:57,990 --> 00:17:55,440

probably feel this way too that that

494

00:18:00,150 --> 00:17:58,000

it's splitting you know like that

495

00:18:01,510 --> 00:18:00,160

they're starting to fail their tactics

496

00:18:04,710 --> 00:18:01,520

aren't working

497

00:18:05,430 --> 00:18:04,720

you know like they used to because um

498

00:18:08,870 --> 00:18:05,440

the

499

00:18:10,150 --> 00:18:08,880

uh

500

00:18:10,870 --> 00:18:10,160

you know

501
00:18:15,750 --> 00:18:10,880
not

502
00:18:17,270 --> 00:18:15,760
you know there's enough proof

503
00:18:19,990 --> 00:18:17,280
now to where if you want to try to

504
00:18:22,150 --> 00:18:20,000
debunk ufos the burden of proof is on

505
00:18:24,390 --> 00:18:22,160
you at this point because there is

506
00:18:27,029 --> 00:18:24,400
enough proof that ufos are real what

507
00:18:28,470 --> 00:18:27,039
they are maybe not but

508
00:18:30,390 --> 00:18:28,480
you know it depends who you talk to i

509
00:18:33,750 --> 00:18:30,400
guess but ufos

510
00:18:34,950 --> 00:18:33,760
uh are real and if you want to be a

511
00:18:37,510 --> 00:18:34,960
debunker

512
00:18:39,110 --> 00:18:37,520
your job is a whole lot more difficult

513
00:18:40,070 --> 00:18:39,120

right now

514

00:18:41,669 --> 00:18:40,080

so

515

00:18:43,430 --> 00:18:41,679

uh what do you

516

00:18:45,350 --> 00:18:43,440

what do you see happening

517

00:18:47,510 --> 00:18:45,360

well actually what i wanted to do if you

518

00:18:50,070 --> 00:18:47,520

don't mind i wanted to bring up uh the

519

00:18:51,029 --> 00:18:50,080

niagara falls video if that's okay

520

00:18:53,430 --> 00:18:51,039

sure

521

00:18:59,590 --> 00:18:53,440

check it out

522

00:18:59,600 --> 00:19:10,870

thank you very much

523

00:19:10,880 --> 00:19:20,230

i don't know what spicy olive is but

524

00:19:23,510 --> 00:19:21,430

i don't know what that is but it's not

525

00:19:29,350 --> 00:19:23,520

moving and it's reflecting off of it

526

00:19:33,029 --> 00:19:30,950

thank you very much thank you mr joe

527

00:19:34,230 --> 00:19:33,039

thank you on behalf of germany let's

528

00:19:36,789 --> 00:19:34,240

leave this up this is actually pretty

529

00:19:38,230 --> 00:19:36,799

good thank you uh senator reid remember

530

00:19:42,070 --> 00:19:38,240

this one thank you all for being here

531

00:19:45,669 --> 00:19:43,750

you know i've been in and out as i've

532

00:19:47,750 --> 00:19:45,679

attended other committee hearings and i

533

00:19:49,990 --> 00:19:47,760

sort of feel like

534

00:19:53,270 --> 00:19:50,000

um

535

00:19:54,950 --> 00:19:53,280

the most important facts

536

00:19:56,710 --> 00:19:54,960

yeah

537

00:19:59,190 --> 00:19:56,720

for us and the american people

538

00:20:00,470 --> 00:19:59,200

understand are the facts that

539

00:20:02,310 --> 00:20:00,480
haven't been

540

00:20:04,549 --> 00:20:02,320
said today

541

00:20:07,510 --> 00:20:04,559
and the reason why they haven't been is

542

00:20:09,430 --> 00:20:07,520
that they are largely classified

543

00:20:13,430 --> 00:20:09,440
and the reason that's important is that

544

00:20:15,909 --> 00:20:13,440
the american people have no idea

545

00:20:19,190 --> 00:20:15,919
really no idea

546

00:20:23,430 --> 00:20:19,200
about the immensity of the threat

547

00:20:28,390 --> 00:20:25,430
and i've made this comment it's kind of

548

00:20:31,190 --> 00:20:28,400
scary a classified setting

549

00:20:32,830 --> 00:20:31,200
that i wish the american people could be

550

00:20:34,470 --> 00:20:32,840
present in this

551
00:20:39,909 --> 00:20:34,480
room

552
00:20:43,990 --> 00:20:39,919
because

553
00:20:46,950 --> 00:20:44,000
our adversaries know what they are doing

554
00:20:49,190 --> 00:20:46,960
we know what they are doing

555
00:20:51,029 --> 00:20:49,200
they know we know

556
00:20:53,590 --> 00:20:51,039
what they are doing

557
00:20:54,870 --> 00:20:53,600
but the american people have no idea

558
00:20:56,549 --> 00:20:54,880
and so

559
00:20:58,870 --> 00:20:56,559
this yeah

560
00:20:59,909 --> 00:20:58,880
i wonder

561
00:21:02,470 --> 00:20:59,919
you know

562
00:21:03,990 --> 00:21:02,480
he's i wish i was in there too

563
00:21:05,909 --> 00:21:04,000

yeah

564

00:21:06,789 --> 00:21:05,919

it makes us excited writing some skiff

565

00:21:09,909 --> 00:21:06,799

and

566

00:21:11,750 --> 00:21:09,919

mean a lot of people thought he was

567

00:21:13,590 --> 00:21:11,760

talking about you know ufos aliens or

568

00:21:15,270 --> 00:21:13,600

whatever it is um

569

00:21:16,549 --> 00:21:15,280

i'm not 100 sure he could have been

570

00:21:18,630 --> 00:21:16,559

talking about just

571

00:21:20,149 --> 00:21:18,640

like the space or stuff you know the

572

00:21:22,470 --> 00:21:20,159

satellites and

573

00:21:23,510 --> 00:21:22,480

energy weapons and things but it kind of

574

00:21:25,830 --> 00:21:23,520

seemed like he was talking about the

575

00:21:27,350 --> 00:21:25,840

phenomenon right

576

00:21:28,390 --> 00:21:27,360

sure but um

577

00:21:29,190 --> 00:21:28,400

it seemed like

578

00:21:31,190 --> 00:21:29,200

but

579

00:21:32,310 --> 00:21:31,200

if i was a skeptic too though you know

580

00:21:34,390 --> 00:21:32,320

he could have just been talking about

581

00:21:35,750 --> 00:21:34,400

energy weapons in space blasting out

582

00:21:38,390 --> 00:21:35,760

satellites

583

00:21:41,270 --> 00:21:38,400

we're gonna be in a lot of trouble in

584

00:21:43,990 --> 00:21:41,280

our day-to-day life yeah that's for sure

585

00:21:44,789 --> 00:21:44,000

that's for sure so um going back to

586

00:21:46,630 --> 00:21:44,799

sorry

587

00:21:48,070 --> 00:21:46,640

that video always pops up for me when

588

00:21:49,430 --> 00:21:48,080

i'm done with another video so i was

589

00:21:53,270 --> 00:21:49,440

like i'm just gonna freaking watch this

590

00:21:56,470 --> 00:21:54,070

yeah

591

00:21:57,990 --> 00:21:56,480

um with the niagara falls video were you

592

00:22:00,070 --> 00:21:58,000

have you been able to talk to any of the

593

00:22:01,669 --> 00:22:00,080

witnesses or anything yeah i spoke to

594

00:22:04,070 --> 00:22:01,679

some of the witnesses they contacted me

595

00:22:05,990 --> 00:22:04,080

and i contacted i contacted them

596

00:22:06,870 --> 00:22:06,000

um there's a few others i want to talk

597

00:22:16,630 --> 00:22:06,880

to

598

00:22:18,310 --> 00:22:16,640

we're talking like triple digits and uh

599

00:22:20,549 --> 00:22:18,320

yeah um

600

00:22:22,149 --> 00:22:20,559

uh so i don't know you know there's

601
00:22:23,510 --> 00:22:22,159
other weird stories of things that were

602
00:22:25,430 --> 00:22:23,520
happening

603
00:22:27,830 --> 00:22:25,440
after that

604
00:22:30,630 --> 00:22:27,840
that i don't know if it's just ufo

605
00:22:32,630 --> 00:22:30,640
community weirdness but uh

606
00:22:34,630 --> 00:22:32,640
i don't know and you know the skeptic

607
00:22:36,070 --> 00:22:34,640
argument was that those pillars of light

608
00:22:37,430 --> 00:22:36,080
are basically like ice crystals or

609
00:22:39,350 --> 00:22:37,440
something like that so they would be

610
00:22:41,190 --> 00:22:39,360
reflecting the lights off of them you

611
00:22:42,310 --> 00:22:41,200
know i thought that was more compelling

612
00:22:43,909 --> 00:22:42,320
when they were saying that it was

613
00:22:45,270 --> 00:22:43,919

reflecting off because

614

00:22:47,750 --> 00:22:45,280

you know how to how would a light

615

00:22:49,190 --> 00:22:47,760

reflect other light off of it

616

00:22:51,830 --> 00:22:49,200

unless there was something actually up

617

00:22:53,590 --> 00:22:51,840

there and i'm not you know a scientist

618

00:22:55,190 --> 00:22:53,600

or i don't have a you know i'm not a

619

00:22:57,029 --> 00:22:55,200

weather expert but apparently like you

620

00:22:58,950 --> 00:22:57,039

can have ice crystals in the sky i don't

621

00:23:01,270 --> 00:22:58,960

know it seems far-fetched to me but who

622

00:23:02,870 --> 00:23:01,280

really knows and maybe it is um

623

00:23:04,310 --> 00:23:02,880

but yeah a lot of people saw this thing

624

00:23:05,270 --> 00:23:04,320

a lot of people from a lot of different

625

00:23:06,710 --> 00:23:05,280

angles

626
00:23:08,870 --> 00:23:06,720
and uh

627
00:23:10,630 --> 00:23:08,880
it's incredible took us seriously enough

628
00:23:13,190 --> 00:23:10,640
to dispatch out there

629
00:23:14,149 --> 00:23:13,200
and start interviewing them all so

630
00:23:16,390 --> 00:23:14,159
i

631
00:23:17,990 --> 00:23:16,400
you know when

632
00:23:19,430 --> 00:23:18,000
you let people talk about like mass

633
00:23:22,230 --> 00:23:19,440
sightings we don't have mass sightings

634
00:23:24,149 --> 00:23:22,240
anymore here it seems like we have one

635
00:23:26,549 --> 00:23:24,159
and it kind of

636
00:23:28,789 --> 00:23:26,559
i like i didn't even know about it until

637
00:23:31,350 --> 00:23:28,799
you you posted that sure it was in

638
00:23:32,310 --> 00:23:31,360

unidentified like one of the episodes in

639

00:23:34,549 --> 00:23:32,320

the show

640

00:23:36,789 --> 00:23:34,559

but that came out a while ago i don't

641

00:23:38,870 --> 00:23:36,799

remember that you know yeah and then

642

00:23:40,390 --> 00:23:38,880

they had uh some bad information on you

643

00:23:42,070 --> 00:23:40,400

know in all fairness unidentified had

644

00:23:45,110 --> 00:23:42,080

bad information about it

645

00:23:47,990 --> 00:23:45,120

you know had that guy from phenomenon ai

646

00:23:49,669 --> 00:23:48,000

saying that it could have been a uh

647

00:23:50,789 --> 00:23:49,679

cgi or something but they didn't mention

648

00:23:52,070 --> 00:23:50,799

that there was like a bunch of different

649

00:23:54,470 --> 00:23:52,080

angles

650

00:23:56,070 --> 00:23:54,480

and um i i'm actually confused about

651
00:23:57,350 --> 00:23:56,080
that because uh

652
00:23:59,830 --> 00:23:57,360
you would think lou would have known

653
00:24:02,070 --> 00:23:59,840
about the asap uh

654
00:24:03,029 --> 00:24:02,080
uh study into this

655
00:24:05,110 --> 00:24:03,039
right i guess it would have been

656
00:24:06,390 --> 00:24:05,120
classified so he couldn't talk about it

657
00:24:07,669 --> 00:24:06,400
um but i think at the end of the day

658
00:24:11,510 --> 00:24:07,679
probably it would it was up to the

659
00:24:15,110 --> 00:24:13,350
but um i think that they would have like

660
00:24:17,269 --> 00:24:15,120
focused on it a little bit more but

661
00:24:18,870 --> 00:24:17,279
maybe that maybe they did and i just hit

662
00:24:19,990 --> 00:24:18,880
the cutting room floor or something like

663
00:24:22,149 --> 00:24:20,000

that

664

00:24:24,310 --> 00:24:22,159

well we should get as many witnesses as

665

00:24:26,070 --> 00:24:24,320

possible we'll line up a stream and

666

00:24:28,070 --> 00:24:26,080

we'll just bring them in one after the

667

00:24:30,710 --> 00:24:28,080

other and i can see some of them your

668

00:24:31,990 --> 00:24:30,720

way um here's a few of them and uh

669

00:24:34,549 --> 00:24:32,000

there was actually like a lot of

670

00:24:36,230 --> 00:24:34,559

discussion on it um on social media at

671

00:24:38,070 --> 00:24:36,240

the time you know it's been

672

00:24:39,510 --> 00:24:38,080

over a decade now but there's like a lot

673

00:24:41,190 --> 00:24:39,520

of people there's other youtubers that

674

00:24:43,029 --> 00:24:41,200

were focusing on it

675

00:24:44,070 --> 00:24:43,039

a lot of uh

676

00:24:45,590 --> 00:24:44,080

uh

677

00:24:47,510 --> 00:24:45,600

things like that a lot of arguing a lot

678

00:24:48,710 --> 00:24:47,520

of people going back and forth

679

00:24:50,390 --> 00:24:48,720

all the same stuff working now but it

680

00:24:52,230 --> 00:24:50,400

was a lot bigger at the time

681

00:24:53,990 --> 00:24:52,240

um so a lot of people you could probably

682

00:24:56,230 --> 00:24:54,000

still track down and do a show on that

683

00:24:58,310 --> 00:24:56,240

and just get yeah it might be cool

684

00:24:59,269 --> 00:24:58,320

yeah i think it'd be worth it especially

685

00:25:01,990 --> 00:24:59,279

like

686

00:25:03,669 --> 00:25:02,000

you know let's say we get a hundred it

687

00:25:06,390 --> 00:25:03,679

would just prove a point even if the

688

00:25:08,470 --> 00:25:06,400

show went on for five hours to have 100

689

00:25:10,710 --> 00:25:08,480

witnesses say something about the

690

00:25:12,310 --> 00:25:10,720

freaking thing that they saw like come

691

00:25:14,549 --> 00:25:12,320

on man

692

00:25:16,789 --> 00:25:14,559

you know you don't have a hundred people

693

00:25:19,590 --> 00:25:16,799

uh talking about you know something

694

00:25:22,230 --> 00:25:19,600

prosaic uh like that and and

695

00:25:24,230 --> 00:25:22,240

being confused you know it's just uh

696

00:25:27,350 --> 00:25:24,240

that those times are over

697

00:25:29,510 --> 00:25:27,360

you know can i see maybe the ice crystal

698

00:25:31,110 --> 00:25:29,520

thing the lens flare thing makes a lot

699

00:25:33,510 --> 00:25:31,120

less sense to me because the lens flare

700

00:25:35,350 --> 00:25:33,520

means you're just recording a blank part

701
00:25:36,230 --> 00:25:35,360
of the sky

702
00:25:37,990 --> 00:25:36,240
uh

703
00:25:39,830 --> 00:25:38,000
and then later on it shows up in your

704
00:25:42,230 --> 00:25:39,840
phone so why was that dude even

705
00:25:44,230 --> 00:25:42,240
recording the sky

706
00:25:46,310 --> 00:25:44,240
exactly looking there and then it was

707
00:25:47,590 --> 00:25:46,320
suddenly a lens flare after the fact it

708
00:25:48,710 --> 00:25:47,600
doesn't make sense to me maybe it was

709
00:25:50,470 --> 00:25:48,720
ice crystals i don't know though that

710
00:25:52,070 --> 00:25:50,480
makes more sense but

711
00:25:53,990 --> 00:25:52,080
still i don't know

712
00:25:56,070 --> 00:25:54,000
yeah i don't know it seems when the when

713
00:25:59,909 --> 00:25:56,080

the spotlights hit the thing it's

714

00:26:01,269 --> 00:25:59,919

hitting an object maybe possibly a

715

00:26:04,230 --> 00:26:01,279

type of uh

716

00:26:05,909 --> 00:26:04,240

you know like a a metal object because

717

00:26:07,830 --> 00:26:05,919

when it gets it there's a big bright

718

00:26:08,789 --> 00:26:07,840

light as well so

719

00:26:10,549 --> 00:26:08,799

yeah

720

00:26:13,669 --> 00:26:10,559

pretty nuts well thanks for doing that

721

00:26:14,950 --> 00:26:13,679

you you plan on um doing more stories or

722

00:26:16,950 --> 00:26:14,960

just like doing your thing and if

723

00:26:18,390 --> 00:26:16,960

something comes it comes otherwise

724

00:26:20,470 --> 00:26:18,400

yeah that's nice

725

00:26:22,789 --> 00:26:20,480

now if something comes it comes um i do

726

00:26:24,630 --> 00:26:22,799

have one more uh i have a few um i have

727

00:26:26,470 --> 00:26:24,640

ideas about that i'd like to write about

728

00:26:28,310 --> 00:26:26,480

you know back then i was trying to pump

729

00:26:30,470 --> 00:26:28,320

one out like once a week and i had like

730

00:26:32,230 --> 00:26:30,480

that pressure on me every week and i i'm

731

00:26:34,310 --> 00:26:32,240

working so hard on my day job and i just

732

00:26:36,390 --> 00:26:34,320

get beat down with it you know so much

733

00:26:38,710 --> 00:26:36,400

with life and stuff and

734

00:26:40,789 --> 00:26:38,720

i just i took that pressure off myself

735

00:26:42,149 --> 00:26:40,799

also because like i said um

736

00:26:43,909 --> 00:26:42,159

some of the things i used to write about

737

00:26:45,590 --> 00:26:43,919

aren't as interesting to me anymore just

738

00:26:47,430 --> 00:26:45,600

because we're in a different space i'm

739

00:26:49,350 --> 00:26:47,440

in a different mental space and i think

740

00:26:50,390 --> 00:26:49,360

the community is in a different space

741

00:26:51,669 --> 00:26:50,400

also

742

00:26:53,029 --> 00:26:51,679

um

743

00:26:55,029 --> 00:26:53,039

but yeah i have a few things i'd like to

744

00:26:57,350 --> 00:26:55,039

write about um and kind of shine a light

745

00:26:58,870 --> 00:26:57,360

on um that one the niagara fall stuff

746

00:26:59,909 --> 00:26:58,880

just kind of fell to my lap and it was

747

00:27:01,430 --> 00:26:59,919

interesting

748

00:27:03,350 --> 00:27:01,440

but uh yeah i'm

749

00:27:05,990 --> 00:27:03,360

i always have feelers out and i'm trying

750

00:27:07,750 --> 00:27:06,000

to talk to people um

751
00:27:09,269 --> 00:27:07,760
and you can get an idea of what's going

752
00:27:11,430 --> 00:27:09,279
on and if sometimes if i think it's

753
00:27:12,870 --> 00:27:11,440
interesting enough or worth it to share

754
00:27:14,549 --> 00:27:12,880
with the community i'll do it and other

755
00:27:16,630 --> 00:27:14,559
times i'm just tweeting

756
00:27:18,870 --> 00:27:16,640
crap and making jokes and just trying to

757
00:27:19,990 --> 00:27:18,880
live my life and have fun but uh

758
00:27:22,549 --> 00:27:20,000
yeah that's something right now that i'm

759
00:27:24,070 --> 00:27:22,559
working on and we'll see if uh

760
00:27:25,830 --> 00:27:24,080
if i could get some solid info about it

761
00:27:28,710 --> 00:27:25,840
and share with the community as well

762
00:27:31,190 --> 00:27:28,720
cool that'd be awesome um now we had

763
00:27:33,190 --> 00:27:31,200

those uh congressional hearings

764

00:27:35,510 --> 00:27:33,200

and one of the things that was mentioned

765

00:27:37,990 --> 00:27:35,520

was the wilson davis notes we did an

766

00:27:40,470 --> 00:27:38,000

episode on here not long ago with jay uh

767

00:27:41,510 --> 00:27:40,480

where we uh went over those notes and

768

00:27:44,549 --> 00:27:41,520

everything

769

00:27:46,389 --> 00:27:44,559

um now you were on the ground floor when

770

00:27:47,750 --> 00:27:46,399

those first came out correct said tell

771

00:27:49,750 --> 00:27:47,760

me about uh

772

00:27:51,350 --> 00:27:49,760

you know how the community took to

773

00:27:53,029 --> 00:27:51,360

because i wasn't around then i just came

774

00:27:55,669 --> 00:27:53,039

here after my

775

00:27:57,830 --> 00:27:55,679

uh experience um

776

00:27:59,830 --> 00:27:57,840

so i wasn't there then what was that

777

00:28:01,430 --> 00:27:59,840

like in the community when that hit and

778

00:28:02,710 --> 00:28:01,440

what did you know about it at the time

779

00:28:04,549 --> 00:28:02,720

let me give you some history about it

780

00:28:06,389 --> 00:28:04,559

and first off i can't take credit for

781

00:28:08,710 --> 00:28:06,399

any of that stuff i didn't even know

782

00:28:11,510 --> 00:28:08,720

what those were until

783

00:28:12,710 --> 00:28:11,520

uh giuliano marikovich sent them to our

784

00:28:14,230 --> 00:28:12,720

friend group

785

00:28:16,470 --> 00:28:14,240

and joe

786

00:28:17,990 --> 00:28:16,480

knew about it ufo joe knew about it

787

00:28:20,630 --> 00:28:18,000

i think chris welford knew about it

788

00:28:23,110 --> 00:28:20,640

already giuliano knew about it i didn't

789

00:28:24,549 --> 00:28:23,120

know about it until he until giuliano

790

00:28:26,310 --> 00:28:24,559

had found the leak

791

00:28:28,389 --> 00:28:26,320

and uh shared it with us and then it was

792

00:28:30,789 --> 00:28:28,399

a huge learning curve for me

793

00:28:31,990 --> 00:28:30,799

to get brought up on it and you know so

794

00:28:34,310 --> 00:28:32,000

i can't take credit for anything that

795

00:28:35,990 --> 00:28:34,320

was going on other than just being like

796

00:28:38,710 --> 00:28:36,000

having inside knowledge at that time

797

00:28:41,190 --> 00:28:38,720

thanks to giuliano um so basically the

798

00:28:42,470 --> 00:28:41,200

story goes you know this thing happened

799

00:28:44,870 --> 00:28:42,480

uh

800

00:28:47,590 --> 00:28:44,880

dolan got shown some pages

801
00:28:49,350 --> 00:28:47,600
um way back in the early 2000s he's

802
00:28:51,350 --> 00:28:49,360
hinted at who showed him the pages i

803
00:28:53,750 --> 00:28:51,360
think it was hail put off

804
00:28:55,990 --> 00:28:53,760
which a lot of people uh

805
00:28:57,669 --> 00:28:56,000
may be surprised to hear but

806
00:28:59,029 --> 00:28:57,679
i think it was helpful i could say that

807
00:29:01,269 --> 00:28:59,039
i've never been told it was so i don't

808
00:29:02,789 --> 00:29:01,279
need to keep quiet about it but it it

809
00:29:05,190 --> 00:29:02,799
seems like it was hal

810
00:29:08,470 --> 00:29:05,200
and um he was showing like four pages of

811
00:29:09,990 --> 00:29:08,480
it and he was just like blown away by it

812
00:29:13,990 --> 00:29:10,000
it's really really obvious that the

813
00:29:17,350 --> 00:29:14,000

meeting happened like 100 it happened

814

00:29:19,430 --> 00:29:17,360

davis took those notes he met wilson

815

00:29:21,269 --> 00:29:19,440

i've always said that

816

00:29:24,149 --> 00:29:21,279

we don't know what wilson was told by

817

00:29:25,750 --> 00:29:24,159

the sap managers was accurate

818

00:29:28,070 --> 00:29:25,760

so

819

00:29:29,590 --> 00:29:28,080

that's a problem uh it's interesting

820

00:29:31,750 --> 00:29:29,600

what they told him

821

00:29:32,710 --> 00:29:31,760

um you know there's some things in there

822

00:29:33,510 --> 00:29:32,720

that

823

00:29:34,950 --> 00:29:33,520

uh

824

00:29:36,710 --> 00:29:34,960

are problematic like they said there's

825

00:29:38,310 --> 00:29:36,720

no abductions so how does that work like

826

00:29:39,430 --> 00:29:38,320

how how would they even know there's no

827

00:29:41,269 --> 00:29:39,440

abductions

828

00:29:42,389 --> 00:29:41,279

right when you say like throughout the

829

00:29:44,470 --> 00:29:42,399

whole world there's never been an

830

00:29:46,070 --> 00:29:44,480

abduction how could you say that right

831

00:29:47,750 --> 00:29:46,080

makes no sense to me

832

00:29:49,669 --> 00:29:47,760

unless unless you know that you're doing

833

00:29:51,190 --> 00:29:49,679

them yourself but even if you're doing

834

00:29:52,789 --> 00:29:51,200

them yourself

835

00:29:54,710 --> 00:29:52,799

how could you like be so sure that

836

00:29:56,149 --> 00:29:54,720

there's none but yeah right but maybe

837

00:29:58,230 --> 00:29:56,159

they're just saying that they've

838

00:29:59,669 --> 00:29:58,240

committed a bunch of them which i get

839

00:30:01,510 --> 00:29:59,679

but this just seems like such a blanket

840

00:30:03,029 --> 00:30:01,520

statement it wouldn't make sense but

841

00:30:05,350 --> 00:30:03,039

also you know there could be some things

842

00:30:07,830 --> 00:30:05,360

lost in translation from the sap guy to

843

00:30:09,430 --> 00:30:07,840

wilson to davis they're all humans even

844

00:30:11,269 --> 00:30:09,440

though the notes happened and the

845

00:30:12,710 --> 00:30:11,279

meeting happened they're kind of playing

846

00:30:13,430 --> 00:30:12,720

the telephone game you know what i mean

847

00:30:14,789 --> 00:30:13,440

so

848

00:30:16,789 --> 00:30:14,799

maybe they said

849

00:30:18,470 --> 00:30:16,799

a lot of adoptions don't happen but then

850

00:30:19,269 --> 00:30:18,480

davis wrote it down as no abductions

851
00:30:22,310 --> 00:30:19,279
happen

852
00:30:24,389 --> 00:30:22,320
uh but i digress but um yeah i didn't

853
00:30:25,590 --> 00:30:24,399
think that it was going to necessarily

854
00:30:27,430 --> 00:30:25,600
uh

855
00:30:29,830 --> 00:30:27,440
bring about disclosure when i saw them

856
00:30:31,830 --> 00:30:29,840
because grant cameron had been teasing

857
00:30:33,110 --> 00:30:31,840
these notes on the radio talking about

858
00:30:35,029 --> 00:30:33,120
them without them being released for

859
00:30:37,510 --> 00:30:35,039
like a year prior and people were

860
00:30:38,950 --> 00:30:37,520
filming at the time

861
00:30:40,549 --> 00:30:38,960
typical grant

862
00:30:42,070 --> 00:30:40,559
grant was saying it was like game over

863
00:30:44,870 --> 00:30:42,080

once they get leaked

864

00:30:46,230 --> 00:30:44,880

um and it may still turn out to be game

865

00:30:47,990 --> 00:30:46,240

over especially with what happened in

866

00:30:49,909 --> 00:30:48,000

the hearing so i could be wrong and

867

00:30:51,510 --> 00:30:49,919

maybe it's gonna be game over eventually

868

00:30:53,269 --> 00:30:51,520

to me the most important thing about

869

00:30:55,269 --> 00:30:53,279

them is

870

00:30:57,430 --> 00:30:55,279

the bottom line and the bottom line is

871

00:30:59,509 --> 00:30:57,440

that there's uh

872

00:31:01,590 --> 00:30:59,519

secret programs in

873

00:31:02,470 --> 00:31:01,600

a private industry

874

00:31:04,389 --> 00:31:02,480

um

875

00:31:06,710 --> 00:31:04,399

we don't have to only have the notes to

876

00:31:09,029 --> 00:31:06,720

know that we know that from basically

877

00:31:10,870 --> 00:31:09,039

everyone who's talking on the subject

878

00:31:12,870 --> 00:31:10,880

you know that's smart about this or has

879

00:31:14,789 --> 00:31:12,880

inside knowledge whether it's lou

880

00:31:18,070 --> 00:31:14,799

or people that are unlike like steven

881

00:31:20,310 --> 00:31:18,080

greer or everyone across the board diana

882

00:31:21,909 --> 00:31:20,320

pasoka i don't want to speak for her but

883

00:31:24,070 --> 00:31:21,919

i'm pretty sure that you know that

884

00:31:26,389 --> 00:31:24,080

message is in her book everyone across

885

00:31:27,909 --> 00:31:26,399

the board says their secret programs

886

00:31:29,750 --> 00:31:27,919

and not only are they in the government

887

00:31:31,350 --> 00:31:29,760

but they're quasi funded by the

888

00:31:33,990 --> 00:31:31,360

government in private industry like

889

00:31:36,149 --> 00:31:34,000

lockheed you could go back to uh close

890

00:31:38,149 --> 00:31:36,159

encounters of the third kind it's crazy

891

00:31:40,789 --> 00:31:38,159

they show the lockheed crates

892

00:31:43,509 --> 00:31:40,799

i mean yeah in the public

893

00:31:45,110 --> 00:31:43,519

mythology in the public mind state

894

00:31:46,310 --> 00:31:45,120

for decades and decades and decades and

895

00:31:47,830 --> 00:31:46,320

it turns out to be true that one so

896

00:31:49,590 --> 00:31:47,840

that's what really trips me out so

897

00:31:52,310 --> 00:31:49,600

that's the bottom line of this thing

898

00:31:54,149 --> 00:31:52,320

that there's secret programs

899

00:31:56,070 --> 00:31:54,159

even government officials

900

00:31:58,389 --> 00:31:56,080

high up government officials like wilson

901
00:32:00,549 --> 00:31:58,399
or other people or maybe even presidents

902
00:32:01,990 --> 00:32:00,559
don't have access to them

903
00:32:03,430 --> 00:32:02,000
so that's a huge problem and to me

904
00:32:04,310 --> 00:32:03,440
that's the bottom line of this whole

905
00:32:06,070 --> 00:32:04,320
thing

906
00:32:08,630 --> 00:32:06,080
and really the almost one of the biggest

907
00:32:09,669 --> 00:32:08,640
bottom lines of disclosure right

908
00:32:11,430 --> 00:32:09,679
yeah

909
00:32:13,509 --> 00:32:11,440
but going back to what happened with uh

910
00:32:15,430 --> 00:32:13,519
the muslim documents so one day we're

911
00:32:17,669 --> 00:32:15,440
just in our chat group thing and and

912
00:32:18,549 --> 00:32:17,679
juliana says i found it and it leaked to

913
00:32:19,990 --> 00:32:18,559

reddit

914

00:32:21,750 --> 00:32:20,000

and it's on there and no one even

915

00:32:23,350 --> 00:32:21,760

noticed you know there's a couple people

916

00:32:24,870 --> 00:32:23,360

on there saying that it's fake they

917

00:32:25,509 --> 00:32:24,880

don't know what it is

918

00:32:27,190 --> 00:32:25,519

and

919

00:32:29,590 --> 00:32:27,200

it just uploaded to reddit by someone

920

00:32:30,870 --> 00:32:29,600

anonymously so then when we had it they

921

00:32:32,230 --> 00:32:30,880

were really freaking out about it and i

922

00:32:34,389 --> 00:32:32,240

was like i've never seen these guys

923

00:32:36,389 --> 00:32:34,399

freak out like this before and get so

924

00:32:39,590 --> 00:32:36,399

excited and go nuts over this so it was

925

00:32:41,590 --> 00:32:39,600

like a big behind the scenes right away

926
00:32:42,710 --> 00:32:41,600
i was hitting up my sources my friends

927
00:32:43,750 --> 00:32:42,720
and i was like i don't know what to do

928
00:32:45,190 --> 00:32:43,760
with this

929
00:32:47,909 --> 00:32:45,200
should i leak this so i put it out on my

930
00:32:49,110 --> 00:32:47,919
blog because if i do

931
00:32:50,870 --> 00:32:49,120
um

932
00:32:52,789 --> 00:32:50,880
i'll probably be like super famous but

933
00:32:54,950 --> 00:32:52,799
at the same time i'm gonna be throwing

934
00:32:56,070 --> 00:32:54,960
dr davis under the bus right because we

935
00:32:58,149 --> 00:32:56,080
thought it was going to get him in a lot

936
00:32:59,269 --> 00:32:58,159
of trouble and actually it probably did

937
00:33:00,870 --> 00:32:59,279
even though

938
00:33:02,389 --> 00:33:00,880

some people say nothing happened to him

939

00:33:03,990 --> 00:33:02,399

i saw

940

00:33:06,149 --> 00:33:04,000

john greenwald recently saying that on

941

00:33:07,590 --> 00:33:06,159

twitter you know that well why is he

942

00:33:10,149 --> 00:33:07,600

still walking around why isn't he in

943

00:33:11,830 --> 00:33:10,159

jail if he's talking about ufo stuff and

944

00:33:12,950 --> 00:33:11,840

i made the point to him on twitter that

945

00:33:14,470 --> 00:33:12,960

we don't know that we don't know what's

946

00:33:16,149 --> 00:33:14,480

happened behind the scenes

947

00:33:17,590 --> 00:33:16,159

me personally i think probably some

948

00:33:18,950 --> 00:33:17,600

things have happened to him and there's

949

00:33:19,830 --> 00:33:18,960

been some blow back

950

00:33:21,190 --> 00:33:19,840

you know

951
00:33:23,110 --> 00:33:21,200
but um

952
00:33:24,870 --> 00:33:23,120
so we decided

953
00:33:26,710 --> 00:33:24,880
uh

954
00:33:28,789 --> 00:33:26,720
not leak it ourselves which was like a

955
00:33:30,870 --> 00:33:28,799
huge decision it was like

956
00:33:32,870 --> 00:33:30,880
having this huge giant thing now the

957
00:33:35,269 --> 00:33:32,880
reason we also decided it is because it

958
00:33:36,470 --> 00:33:35,279
was on reddit so we figured someone else

959
00:33:38,389 --> 00:33:36,480
was going to

960
00:33:40,470 --> 00:33:38,399
if it was only up to us to leak it or no

961
00:33:41,750 --> 00:33:40,480
one else was ever going to see it

962
00:33:43,269 --> 00:33:41,760
we i feel like we would i would have

963
00:33:45,590 --> 00:33:43,279

leaked it myself

964

00:33:46,789 --> 00:33:45,600

but the fact was it was on reddit so i

965

00:33:49,110 --> 00:33:46,799

felt like it was just a matter of time

966

00:33:50,950 --> 00:33:49,120

so i was gonna let someone else do it

967

00:33:52,389 --> 00:33:50,960

at that point if i had just had it i

968

00:33:54,389 --> 00:33:52,399

would have put it on myself if it wasn't

969

00:33:55,509 --> 00:33:54,399

on reddit but i was just like okay it's

970

00:33:57,350 --> 00:33:55,519

on there someone else is going to be the

971

00:33:58,870 --> 00:33:57,360

bad guy they can do it i don't need to

972

00:34:00,149 --> 00:33:58,880

be famous over this

973

00:34:01,590 --> 00:34:00,159

they don't need to be famous joe

974

00:34:02,950 --> 00:34:01,600

giuliano chris they decided we all

975

00:34:05,269 --> 00:34:02,960

decided together we don't need to do

976

00:34:08,069 --> 00:34:05,279

this we don't want to burn davis

977

00:34:09,510 --> 00:34:08,079

um we don't want these guys to hate us

978

00:34:11,750 --> 00:34:09,520

um even though if we put it up in

979

00:34:13,510 --> 00:34:11,760

retrospect they probably wouldn't have

980

00:34:14,550 --> 00:34:13,520

because it was already on reddit i was

981

00:34:16,869 --> 00:34:14,560

talking to some people and they were

982

00:34:18,310 --> 00:34:16,879

like dude it's on reddit just put it out

983

00:34:19,510 --> 00:34:18,320

and i kind of was just like no i don't

984

00:34:20,550 --> 00:34:19,520

want to

985

00:34:22,389 --> 00:34:20,560

um

986

00:34:24,149 --> 00:34:22,399

and then it took way longer than we

987

00:34:25,589 --> 00:34:24,159

thought it did we felt like someone

988

00:34:27,430 --> 00:34:25,599

every day we would wake up and be like

989

00:34:29,109 --> 00:34:27,440

okay this is the day

990

00:34:30,790 --> 00:34:29,119

somebody's gonna notice it on reddit and

991

00:34:33,829 --> 00:34:30,800

they're gonna share it

992

00:34:35,829 --> 00:34:33,839

and uh i had sent it to a couple people

993

00:34:37,030 --> 00:34:35,839

i sent it to uh and i'm saying a bunch

994

00:34:38,310 --> 00:34:37,040

of stuff that was like at the time of

995

00:34:39,909 --> 00:34:38,320

secret i don't think it matters anymore

996

00:34:41,030 --> 00:34:39,919

so i'm just gonna say it now and this is

997

00:34:43,030 --> 00:34:41,040

probably the first time i'm saying some

998

00:34:44,389 --> 00:34:43,040

of this stuff but i had sent it to james

999

00:34:46,629 --> 00:34:44,399

ian doley

1000

00:34:49,750 --> 00:34:46,639

and uh he was like on the phone with

1001
00:34:51,990 --> 00:34:49,760
grant and he was like danny has it danny

1002
00:34:53,990 --> 00:34:52,000
has the listing documents and graham was

1003
00:34:54,950 --> 00:34:54,000
like how many pages is it and james was

1004
00:34:56,310 --> 00:34:54,960
like

1005
00:34:58,230 --> 00:34:56,320
whatever the number of pages and grant

1006
00:34:59,589 --> 00:34:58,240
was like yeah that sounds like it's it

1007
00:35:01,510 --> 00:34:59,599
grant probably already knew was leaked

1008
00:35:02,950 --> 00:35:01,520
on reddit.com i don't know

1009
00:35:05,030 --> 00:35:02,960
and then i was like

1010
00:35:07,109 --> 00:35:05,040
james sent it to richard dolan so dolan

1011
00:35:09,349 --> 00:35:07,119
had never seen the whole thing and dolan

1012
00:35:10,950 --> 00:35:09,359
was waiting like decades to see it james

1013
00:35:13,670 --> 00:35:10,960

sent it to dolan

1014

00:35:15,349 --> 00:35:13,680

so then dolan was freaking out

1015

00:35:16,950 --> 00:35:15,359

dolan decided he wasn't going to put it

1016

00:35:18,550 --> 00:35:16,960

out either until someone else was

1017

00:35:19,750 --> 00:35:18,560

talking about it first

1018

00:35:21,430 --> 00:35:19,760

so everyone was kind of like writing

1019

00:35:22,150 --> 00:35:21,440

their articles behind the scenes waiting

1020

00:35:23,510 --> 00:35:22,160

for

1021

00:35:25,109 --> 00:35:23,520

public knowledge

1022

00:35:27,030 --> 00:35:25,119

before they because they didn't want to

1023

00:35:28,790 --> 00:35:27,040

be the first bad guy person

1024

00:35:30,470 --> 00:35:28,800

so like i think richard dolan was like

1025

00:35:32,390 --> 00:35:30,480

you know doing all this content about it

1026

00:35:35,190 --> 00:35:32,400

just waiting to drop it

1027

00:35:38,230 --> 00:35:36,950

then what happened was it took a lot of

1028

00:35:39,829 --> 00:35:38,240

time like i said we were waking up every

1029

00:35:42,310 --> 00:35:39,839

day waiting for it to be like no one was

1030

00:35:44,790 --> 00:35:42,320

noticing it it took a lot of time

1031

00:35:47,510 --> 00:35:44,800

grant kept on doing interviews about it

1032

00:35:49,270 --> 00:35:47,520

people were like on my twitter um

1033

00:35:51,430 --> 00:35:49,280

because grant was naming the young guns

1034

00:35:53,190 --> 00:35:51,440

quote unquote as having the document

1035

00:35:55,670 --> 00:35:53,200

so people were like

1036

00:35:56,950 --> 00:35:55,680

pressing us about it um i would tweet

1037

00:35:58,470 --> 00:35:56,960

like a song

1038

00:36:00,870 --> 00:35:58,480

you know like i was just being stupid

1039

00:36:02,790 --> 00:36:00,880

tweeting like music and they'd be like

1040

00:36:04,390 --> 00:36:02,800

there's a secret message in this music

1041

00:36:06,550 --> 00:36:04,400

it's about the document and we need to

1042

00:36:08,470 --> 00:36:06,560

like listen to the song for the message

1043

00:36:10,310 --> 00:36:08,480

what the hell are you guys talking about

1044

00:36:11,910 --> 00:36:10,320

and um

1045

00:36:14,069 --> 00:36:11,920

then there was the other doc another

1046

00:36:15,109 --> 00:36:14,079

document from the um the same mitchell

1047

00:36:17,910 --> 00:36:15,119

estate

1048

00:36:20,230 --> 00:36:17,920

that got leaked onto reddit um

1049

00:36:23,109 --> 00:36:20,240

and that one blew up immediately people

1050

00:36:24,710 --> 00:36:23,119

noticed it it was on your twitter and

1051
00:36:26,390 --> 00:36:24,720
all you had to do was click on the name

1052
00:36:27,430 --> 00:36:26,400
of who shared it on reddit

1053
00:36:28,710 --> 00:36:27,440
and then it would take you to their

1054
00:36:31,030 --> 00:36:28,720
previous post and then show you the

1055
00:36:32,790 --> 00:36:31,040
wilson documents and still no one had

1056
00:36:36,470 --> 00:36:32,800
clicked on the name of the share of the

1057
00:36:39,589 --> 00:36:36,480
person wow the reddit user and um so it

1058
00:36:41,990 --> 00:36:39,599
still hadn't leaked and we were

1059
00:36:44,150 --> 00:36:42,000
we were like busy behind the scenes

1060
00:36:46,710 --> 00:36:44,160
then finally i think someone ended up

1061
00:36:48,069 --> 00:36:46,720
clicking on the reddit user's name like

1062
00:36:49,190 --> 00:36:48,079
weeks later

1063
00:36:52,069 --> 00:36:49,200

um

1064

00:36:53,190 --> 00:36:52,079

and uh then they shared it on

1065

00:36:55,190 --> 00:36:53,200

twitter

1066

00:36:56,950 --> 00:36:55,200

people started talking about it

1067

00:36:59,030 --> 00:36:56,960

then dolan shared his content and then

1068

00:37:00,310 --> 00:36:59,040

boom it was out and it was done

1069

00:37:02,150 --> 00:37:00,320

so that's kind of the story of what

1070

00:37:03,589 --> 00:37:02,160

happened behind the scenes wow like i

1071

00:37:04,790 --> 00:37:03,599

said i can't take credit for anything

1072

00:37:06,630 --> 00:37:04,800

other than just

1073

00:37:08,550 --> 00:37:06,640

knowing about it and kind of sharing it

1074

00:37:10,310 --> 00:37:08,560

around and being part of the

1075

00:37:12,150 --> 00:37:10,320

think tank all because of giuliana

1076
00:37:15,430 --> 00:37:12,160
noticing it and us deciding not to share

1077
00:37:18,470 --> 00:37:15,440
it um but it also gave people like joe

1078
00:37:19,750 --> 00:37:18,480
giuliano chris even myself who i'm not

1079
00:37:21,270 --> 00:37:19,760
you know i wasn't like some big

1080
00:37:23,990 --> 00:37:21,280
researcher on it

1081
00:37:25,670 --> 00:37:24,000
it gave us a lot of extra time before

1082
00:37:27,430 --> 00:37:25,680
the public did to kind of look into this

1083
00:37:29,670 --> 00:37:27,440
stuff and research it and and kind of

1084
00:37:32,390 --> 00:37:29,680
have our learning curve like

1085
00:37:34,230 --> 00:37:32,400
better than anyone else um

1086
00:37:35,190 --> 00:37:34,240
but you know giuliano and joe those guys

1087
00:37:36,950 --> 00:37:35,200
are like

1088
00:37:38,630 --> 00:37:36,960

experts on like every little detail in

1089

00:37:40,310 --> 00:37:38,640

it and even to this day they'll be

1090

00:37:42,870 --> 00:37:40,320

talking about blah blah this happened

1091

00:37:44,950 --> 00:37:42,880

here and we can prove this here

1092

00:37:46,950 --> 00:37:44,960

and i'm like yeah like

1093

00:37:48,790 --> 00:37:46,960

it's impressive knowledge about this

1094

00:37:51,670 --> 00:37:48,800

document well i shouldn't call it a

1095

00:37:53,670 --> 00:37:51,680

document's notes um a level of knowledge

1096

00:37:54,710 --> 00:37:53,680

about the notes like these little things

1097

00:37:55,829 --> 00:37:54,720

where they're trying to prove this

1098

00:37:57,670 --> 00:37:55,839

little thing

1099

00:37:59,190 --> 00:37:57,680

here and there and um

1100

00:38:01,190 --> 00:37:59,200

their level of knowledge on it is just

1101

00:38:02,069 --> 00:38:01,200

like even way more than mine

1102

00:38:05,270 --> 00:38:02,079

um

1103

00:38:07,589 --> 00:38:05,280

mine is more of kind of just like a

1104

00:38:09,430 --> 00:38:07,599

surface level understanding how

1105

00:38:10,710 --> 00:38:09,440

important it is but also at the same

1106

00:38:12,069 --> 00:38:10,720

time when i saw it you know grant was

1107

00:38:13,750 --> 00:38:12,079

saying like i said graham was saying it

1108

00:38:16,069 --> 00:38:13,760

was going to cause disclosure i didn't

1109

00:38:19,349 --> 00:38:16,079

think it necessarily would and it hasn't

1110

00:38:21,510 --> 00:38:19,359

um but it still might and now

1111

00:38:23,190 --> 00:38:21,520

something i printed out like

1112

00:38:25,829 --> 00:38:23,200

probably like in my underwear like i

1113

00:38:27,349 --> 00:38:25,839

printed out like a

1114

00:38:28,470 --> 00:38:27,359

paper thing just so i could like staple

1115

00:38:29,910 --> 00:38:28,480

it and have it

1116

00:38:32,470 --> 00:38:29,920

and now that it's in the congressional

1117

00:38:35,430 --> 00:38:32,480

record like it's insane it just it's

1118

00:38:37,990 --> 00:38:35,440

just really crazy that was a huge moment

1119

00:38:39,510 --> 00:38:38,000

just for to see gallagher say put it on

1120

00:38:42,150 --> 00:38:39,520

the record like that like that was just

1121

00:38:44,150 --> 00:38:42,160

insane to me man that was so surreal and

1122

00:38:47,030 --> 00:38:44,160

amazing and uh

1123

00:38:49,910 --> 00:38:47,040

it was like my top three ufo moments i

1124

00:38:52,630 --> 00:38:49,920

think of the last five six years and

1125

00:38:54,550 --> 00:38:52,640

it was so thrilled but maybe it is going

1126
00:38:56,310 --> 00:38:54,560
to lead to or at least

1127
00:38:57,430 --> 00:38:56,320
promote and

1128
00:38:58,950 --> 00:38:57,440
uh

1129
00:39:00,790 --> 00:38:58,960
get these people interested more

1130
00:39:03,349 --> 00:39:00,800
interested in the government about these

1131
00:39:05,510 --> 00:39:03,359
secret programs which is what it is

1132
00:39:06,470 --> 00:39:05,520
and it's probably all based on money and

1133
00:39:09,270 --> 00:39:06,480
power

1134
00:39:11,430 --> 00:39:09,280
you know um lew's intimated this along

1135
00:39:13,670 --> 00:39:11,440
with basically everyone else

1136
00:39:15,990 --> 00:39:13,680
that a lot of this tech and all this

1137
00:39:17,829 --> 00:39:16,000
other stuff it wasn't given out evenly

1138
00:39:19,750 --> 00:39:17,839

to these five companies

1139

00:39:21,430 --> 00:39:19,760

so they don't want

1140

00:39:22,630 --> 00:39:21,440

a light show on that everyone's gonna

1141

00:39:24,230 --> 00:39:22,640

sue each other

1142

00:39:26,470 --> 00:39:24,240

you know tom delong has said this

1143

00:39:28,470 --> 00:39:26,480

everyone said this you know it poses a

1144

00:39:29,910 --> 00:39:28,480

lot of legal problems because these

1145

00:39:32,069 --> 00:39:29,920

companies it wasn't a level playing

1146

00:39:33,510 --> 00:39:32,079

field for them right so

1147

00:39:34,630 --> 00:39:33,520

and they want the power they want the

1148

00:39:37,030 --> 00:39:34,640

money

1149

00:39:39,430 --> 00:39:37,040

you know i think a ton of companies

1150

00:39:41,349 --> 00:39:39,440

it seems really conspiratorial

1151
00:39:42,550 --> 00:39:41,359
and i've been talking a lot about core

1152
00:39:44,310 --> 00:39:42,560
story

1153
00:39:45,750 --> 00:39:44,320
core myth

1154
00:39:48,069 --> 00:39:45,760
core secret

1155
00:39:49,670 --> 00:39:48,079
a lot of it is like correct that the

1156
00:39:52,630 --> 00:39:49,680
public has

1157
00:39:54,630 --> 00:39:52,640
known or like even hollywood and um

1158
00:39:56,390 --> 00:39:54,640
the whole like secret programs in

1159
00:39:59,670 --> 00:39:56,400
private industry and secret programs in

1160
00:40:01,829 --> 00:39:59,680
the government and leaks of technology

1161
00:40:03,349 --> 00:40:01,839
and all this thing like it's accurate

1162
00:40:05,030 --> 00:40:03,359
it's crazy to me

1163
00:40:06,630 --> 00:40:05,040

how hollywood

1164

00:40:08,309 --> 00:40:06,640

and the public had like a pretty

1165

00:40:10,309 --> 00:40:08,319

accurate idea

1166

00:40:12,710 --> 00:40:10,319

of the pop culture idea of what's going

1167

00:40:14,710 --> 00:40:12,720

on with ufos some of it is very very off

1168

00:40:16,230 --> 00:40:14,720

but some of it is like really accurate

1169

00:40:17,430 --> 00:40:16,240

and that's one of the things that's like

1170

00:40:19,349 --> 00:40:17,440

really accurate and it's funny some of

1171

00:40:21,430 --> 00:40:19,359

the skeptics will be like

1172

00:40:23,589 --> 00:40:21,440

well the secret's too big to never have

1173

00:40:24,710 --> 00:40:23,599

gotten out how did it never get out well

1174

00:40:26,950 --> 00:40:24,720

it kind of did when you look at like

1175

00:40:29,910 --> 00:40:26,960

this myth all these

1176

00:40:31,349 --> 00:40:29,920

it's that you didn't believe it

1177

00:40:33,349 --> 00:40:31,359

man like it's actually been accurate

1178

00:40:34,710 --> 00:40:33,359

like even some of this roswell stuff and

1179

00:40:37,349 --> 00:40:34,720

all this other stuff like

1180

00:40:38,950 --> 00:40:37,359

it seems kind of accurate now um

1181

00:40:41,190 --> 00:40:38,960

with lou co-signing some of this stuff

1182

00:40:42,950 --> 00:40:41,200

like luke cosigning roswell and these

1183

00:40:45,349 --> 00:40:42,960

are like serious guys that i don't think

1184

00:40:47,030 --> 00:40:45,359

they'll just throw that out there

1185

00:40:49,349 --> 00:40:47,040

that kind of blew me away to be honest

1186

00:40:50,309 --> 00:40:49,359

when he was asked about roswell and he's

1187

00:40:51,430 --> 00:40:50,319

you know

1188

00:40:53,589 --> 00:40:51,440

didn't

1189

00:40:55,430 --> 00:40:53,599

you know call it garbage and and pretty

1190

00:40:57,349 --> 00:40:55,440

much just said keep looking at it you

1191

00:40:59,349 --> 00:40:57,359

know that was that was pretty

1192

00:41:01,030 --> 00:40:59,359

because to be honest when i started

1193

00:41:03,910 --> 00:41:01,040

getting into the field and looking at

1194

00:41:06,390 --> 00:41:03,920

documents and stuff and looking at all

1195

00:41:09,510 --> 00:41:06,400

finding all these documents looking at

1196

00:41:12,950 --> 00:41:09,520

every freaking new mexico case that they

1197

00:41:14,870 --> 00:41:12,960

had which was like 750 pages you know

1198

00:41:16,630 --> 00:41:14,880

during those years reading every single

1199

00:41:18,950 --> 00:41:16,640

one not seeing a damn thing about

1200

00:41:20,950 --> 00:41:18,960

roswell but i'm like but they document

1201

00:41:22,230 --> 00:41:20,960

all these cases so there would have to

1202

00:41:24,870 --> 00:41:22,240

be

1203

00:41:27,589 --> 00:41:24,880

uh something or a mention of it or

1204

00:41:29,829 --> 00:41:27,599

something about roswell in all these

1205

00:41:33,990 --> 00:41:29,839

hundreds of cases over the course of two

1206

00:41:37,750 --> 00:41:34,000

years you know 47 to 49 or 50. nothing

1207

00:41:39,589 --> 00:41:37,760

zilch and i was like man that's not real

1208

00:41:41,750 --> 00:41:39,599

i don't think that's even real how could

1209

00:41:42,470 --> 00:41:41,760

it be how could they not mention it at

1210

00:41:45,430 --> 00:41:42,480

all

1211

00:41:47,750 --> 00:41:45,440

and but the the more like you're

1212

00:41:48,870 --> 00:41:47,760

uh into this topic the more research you

1213

00:41:50,950 --> 00:41:48,880

do

1214

00:41:54,390 --> 00:41:50,960

it's it's quite

1215

00:41:57,109 --> 00:41:54,400

uh more than possible that

1216

00:42:00,150 --> 00:41:57,119

you know as soon as that happened uh it

1217

00:42:03,109 --> 00:42:00,160

went straight to hell underground you

1218

00:42:05,190 --> 00:42:03,119

know and putting a freaking vault

1219

00:42:06,790 --> 00:42:05,200

and people told that freaking shut up

1220

00:42:08,309 --> 00:42:06,800

and nobody really probably knew about it

1221

00:42:10,550 --> 00:42:08,319

that were even working on the blue book

1222

00:42:12,069 --> 00:42:10,560

files or whatever they were probably a

1223

00:42:13,910 --> 00:42:12,079

lot of them were probably in the dark i

1224

00:42:16,390 --> 00:42:13,920

would have to imagine for a secret to

1225

00:42:17,829 --> 00:42:16,400

stay that secret for so long you know

1226

00:42:20,069 --> 00:42:17,839

until

1227

00:42:22,950 --> 00:42:20,079

uh what was it colonel corso came out

1228

00:42:24,710 --> 00:42:22,960

started talking about it so

1229

00:42:26,950 --> 00:42:24,720

yeah it's intense and then luke comes

1230

00:42:30,790 --> 00:42:26,960

out and says that and the implications

1231

00:42:32,950 --> 00:42:30,800

of it are so intense i mean um

1232

00:42:34,870 --> 00:42:32,960

you know it's just such a paradigm shift

1233

00:42:36,390 --> 00:42:34,880

to think about

1234

00:42:39,670 --> 00:42:36,400

you know because that would

1235

00:42:43,030 --> 00:42:39,680

that almost basically means that

1236

00:42:44,790 --> 00:42:43,040

you know little green men are real

1237

00:42:46,470 --> 00:42:44,800

you know and and we hear a lot like it's

1238

00:42:49,589 --> 00:42:46,480

not about little green men or flying

1239

00:42:51,109 --> 00:42:49,599

saucers or ufos sometimes and i wonder

1240

00:42:53,589 --> 00:42:51,119

if you ever think this is that just

1241

00:42:55,829 --> 00:42:53,599

really a way to soften people up to open

1242

00:42:58,710 --> 00:42:55,839

up to the idea of ufos and maybe there

1243

00:43:01,190 --> 00:42:58,720

really are little green men

1244

00:43:03,430 --> 00:43:01,200

you know because i've sure read a lot of

1245

00:43:06,630 --> 00:43:03,440

stories like uh siracco

1246

00:43:09,030 --> 00:43:06,640

or socorro uh with lonnie

1247

00:43:11,270 --> 00:43:09,040

zamora and a lot of others

1248

00:43:14,870 --> 00:43:11,280

that sound very convincing

1249

00:43:17,349 --> 00:43:14,880

and there are little green

1250

00:43:19,670 --> 00:43:17,359

gray men you know

1251
00:43:21,109 --> 00:43:19,680
yeah let me uh touch on a couple things

1252
00:43:23,030 --> 00:43:21,119
here so

1253
00:43:25,510 --> 00:43:23,040
one um

1254
00:43:27,910 --> 00:43:25,520
back to the wilson documents real quick

1255
00:43:29,430 --> 00:43:27,920
i i know a lot of people i might pat on

1256
00:43:31,349 --> 00:43:29,440
myself on the back a lot of us do that

1257
00:43:33,190 --> 00:43:31,359
i've been around here a long time

1258
00:43:35,349 --> 00:43:33,200
or and i haven't been around a super

1259
00:43:36,710 --> 00:43:35,359
long time i've been here since 2017 but

1260
00:43:37,670 --> 00:43:36,720
i've gotten to know some people that i

1261
00:43:40,390 --> 00:43:37,680
trust

1262
00:43:42,390 --> 00:43:40,400
um i can count on one hand

1263
00:43:43,910 --> 00:43:42,400

the people that don't think the

1264

00:43:45,510 --> 00:43:43,920

wilson notes actually happened and i'm

1265

00:43:47,670 --> 00:43:45,520

not saying all the information isn't in

1266

00:43:49,030 --> 00:43:47,680

them is correct but i'm saying that the

1267

00:43:50,950 --> 00:43:49,040

the meeting didn't happen and it's all

1268

00:43:54,630 --> 00:43:50,960

crap so that's one hand

1269

00:43:56,470 --> 00:43:54,640

the other side is like i don't know like

1270

00:43:57,430 --> 00:43:56,480

50 people 100 people that's telling me

1271

00:43:59,670 --> 00:43:57,440

it's real

1272

00:44:01,349 --> 00:43:59,680

you can and not only

1273

00:44:03,829 --> 00:44:01,359

was lou kind of like

1274

00:44:05,270 --> 00:44:03,839

wink wink cosigning roswell you can see

1275

00:44:07,670 --> 00:44:05,280

his recent interviews about the wilson

1276

00:44:09,349 --> 00:44:07,680

davis document notes he's uh he's

1277

00:44:10,950 --> 00:44:09,359

excited about him

1278

00:44:12,309 --> 00:44:10,960

so what does that tell you about lou's

1279

00:44:14,630 --> 00:44:12,319

opinion on it

1280

00:44:16,710 --> 00:44:14,640

um and all these other guys opinions and

1281

00:44:20,390 --> 00:44:16,720

me myself joe

1282

00:44:21,990 --> 00:44:20,400

you know uh uh george knapp um dolan

1283

00:44:23,589 --> 00:44:22,000

we're not just like pulling the stuff

1284

00:44:25,030 --> 00:44:23,599

out of the air when we say we believe

1285

00:44:27,750 --> 00:44:25,040

the notes happened

1286

00:44:30,550 --> 00:44:27,760

like it's like a mountain

1287

00:44:32,550 --> 00:44:30,560

maybe not of evidence but of opinions

1288

00:44:34,230 --> 00:44:32,560

and i get that people want the evidence

1289

00:44:35,349 --> 00:44:34,240

but it's like really really obvious that

1290

00:44:36,390 --> 00:44:35,359

they happened

1291

00:44:38,790 --> 00:44:36,400

and like

1292

00:44:41,190 --> 00:44:38,800

nids and those guys were aware of it

1293

00:44:43,430 --> 00:44:41,200

they all had copies of it at the time

1294

00:44:45,190 --> 00:44:43,440

you know uh

1295

00:44:46,710 --> 00:44:45,200

it's just a mountain of evidence same

1296

00:44:51,670 --> 00:44:46,720

thing going back to roswell now so in

1297

00:44:53,349 --> 00:44:51,680

2017 we had the tic tac right 2017 2018

1298

00:44:54,790 --> 00:44:53,359

and

1299

00:44:57,750 --> 00:44:54,800

you know we were thinking of activists

1300

00:44:58,630 --> 00:44:57,760

like my guy adam you know adam and me

1301
00:44:59,910 --> 00:44:58,640
have been

1302
00:45:01,510 --> 00:44:59,920
you know

1303
00:45:03,030 --> 00:45:01,520
trying to think about this a long time

1304
00:45:05,430 --> 00:45:03,040
and what's the best way to go about it

1305
00:45:07,670 --> 00:45:05,440
and we've changed our minds on things uh

1306
00:45:09,030 --> 00:45:07,680
we've we've uh even argued with each

1307
00:45:10,069 --> 00:45:09,040
other even though he's a sweetheart and

1308
00:45:12,309 --> 00:45:10,079
i love him

1309
00:45:14,069 --> 00:45:12,319
and uh but we really like just tried to

1310
00:45:16,470 --> 00:45:14,079
think of the best way

1311
00:45:17,510 --> 00:45:16,480
to help the subject right

1312
00:45:19,670 --> 00:45:17,520
so in

1313
00:45:21,349 --> 00:45:19,680

2018 our way of thinking was like

1314

00:45:22,790 --> 00:45:21,359

screw was roswell we're not going to

1315

00:45:25,430 --> 00:45:22,800

talk about roswell we have the tic tac

1316

00:45:27,030 --> 00:45:25,440

now we don't know if roswell happened

1317

00:45:28,390 --> 00:45:27,040

you know we're sick of

1318

00:45:29,910 --> 00:45:28,400

the public

1319

00:45:31,589 --> 00:45:29,920

thinking about roswell as the number one

1320

00:45:33,670 --> 00:45:31,599

case we want them to go

1321

00:45:36,230 --> 00:45:33,680

ace as a tic-tac and they should even to

1322

00:45:37,750 --> 00:45:36,240

this day they should um and so we kind

1323

00:45:39,510 --> 00:45:37,760

of put roswell on the back burner we

1324

00:45:41,349 --> 00:45:39,520

were debating whether it was real the

1325

00:45:42,870 --> 00:45:41,359

annie jacobson book came out and that

1326

00:45:45,190 --> 00:45:42,880

kind of muddied the waters about a lot

1327

00:45:46,790 --> 00:45:45,200

of stuff

1328

00:45:48,870 --> 00:45:46,800

and then uh

1329

00:45:50,870 --> 00:45:48,880

so i was kind of like off roswell like

1330

00:45:53,589 --> 00:45:50,880

it wasn't a big deal to me anymore what

1331

00:45:55,030 --> 00:45:53,599

got me back on the roswell mythology is

1332

00:45:56,470 --> 00:45:55,040

basically lou

1333

00:45:58,309 --> 00:45:56,480

um

1334

00:46:00,150 --> 00:45:58,319

but i just wanted to say that uh yeah so

1335

00:46:02,150 --> 00:46:00,160

we were focusing on the tic-tac and this

1336

00:46:03,349 --> 00:46:02,160

other stuff and we were off roswell but

1337

00:46:05,750 --> 00:46:03,359

now i think a lot of people have come

1338

00:46:08,790 --> 00:46:05,760

back on it thanks to lou

1339

00:46:11,109 --> 00:46:08,800

yeah um the the little bit of research i

1340

00:46:14,230 --> 00:46:11,119

did on what corso was talking about as

1341

00:46:16,309 --> 00:46:14,240

far as the foreign technology division

1342

00:46:18,630 --> 00:46:16,319

taking some of that tech

1343

00:46:19,829 --> 00:46:18,640

putting it in the public sector

1344

00:46:21,270 --> 00:46:19,839

um

1345

00:46:23,910 --> 00:46:21,280

you know

1346

00:46:26,710 --> 00:46:23,920

yeah i mean i found

1347

00:46:28,630 --> 00:46:26,720

the projects that that did that work i

1348

00:46:30,069 --> 00:46:28,640

mean i know what they're called that

1349

00:46:31,910 --> 00:46:30,079

actually happened

1350

00:46:34,630 --> 00:46:31,920

the documents are there what they don't

1351
00:46:36,630 --> 00:46:34,640
say is we took alien tech and gave it to

1352
00:46:38,230 --> 00:46:36,640
you know lockheed martin no but they're

1353
00:46:40,230 --> 00:46:38,240
talking about

1354
00:46:42,470 --> 00:46:40,240
technology that they're putting into the

1355
00:46:43,910 --> 00:46:42,480
commercial sector you know it's project

1356
00:46:45,109 --> 00:46:43,920
project gold eagle and project

1357
00:46:46,870 --> 00:46:45,119
whitestock and those where are they

1358
00:46:48,790 --> 00:46:46,880
saying you got it from like crashed

1359
00:46:51,109 --> 00:46:48,800
satellites or what that's what they

1360
00:46:53,349 --> 00:46:51,119
don't say but what it you know but for a

1361
00:46:55,589 --> 00:46:53,359
technology division went you know uh

1362
00:46:58,230 --> 00:46:55,599
what they did they had moon dust right

1363
00:47:00,950 --> 00:46:58,240

moondust was out of fort belfour

1364

00:47:03,829 --> 00:47:00,960

who would uh you know collect

1365

00:47:06,069 --> 00:47:03,839

crash soviet satellites or or other

1366

00:47:07,670 --> 00:47:06,079

crashed things foreign technology

1367

00:47:10,630 --> 00:47:07,680

division would take a look at it and do

1368

00:47:12,470 --> 00:47:10,640

their thing and so i'm assuming you know

1369

00:47:13,910 --> 00:47:12,480

whatever they got from that sort of

1370

00:47:15,670 --> 00:47:13,920

thing is what they would put out the

1371

00:47:17,190 --> 00:47:15,680

public sector

1372

00:47:18,230 --> 00:47:17,200

so and

1373

00:47:21,990 --> 00:47:18,240

you know

1374

00:47:25,190 --> 00:47:22,000

enough of it i'm sure they

1375

00:47:27,109 --> 00:47:25,200

um don't actually well they obviously

1376

00:47:29,190 --> 00:47:27,119

don't put the documents because

1377

00:47:30,870 --> 00:47:29,200

you know i don't know but but i've read

1378

00:47:31,670 --> 00:47:30,880

them and there's not too many of them

1379

00:47:33,829 --> 00:47:31,680

but

1380

00:47:36,630 --> 00:47:33,839

you know you put enough research in in

1381

00:47:38,390 --> 00:47:36,640

time into this stuff and if you can

1382

00:47:40,230 --> 00:47:38,400

manage to see through the crap you can

1383

00:47:41,750 --> 00:47:40,240

see that there's a whole lot of truth to

1384

00:47:46,790 --> 00:47:41,760

this stuff

1385

00:47:49,990 --> 00:47:48,549

green men thing it's like

1386

00:47:52,069 --> 00:47:50,000

yeah it does seem like those bodies

1387

00:47:53,829 --> 00:47:52,079

right um it's funny i've kind of stayed

1388

00:47:56,069 --> 00:47:53,839

away from the body talk

1389

00:47:57,670 --> 00:47:56,079

me too but i've heard about it though

1390

00:47:59,109 --> 00:47:57,680

from people um

1391

00:48:00,790 --> 00:47:59,119

that definitely seem to think there's

1392

00:48:02,230 --> 00:48:00,800

bodies you know does that mean they're

1393

00:48:04,710 --> 00:48:02,240

extraterrestrial or they're

1394

00:48:06,549 --> 00:48:04,720

ultra-terrestrial or they're future

1395

00:48:08,630 --> 00:48:06,559

humans or their robots or whatever it is

1396

00:48:10,950 --> 00:48:08,640

i guess we don't know still but yeah

1397

00:48:13,109 --> 00:48:10,960

lou's co-signing roswell you would think

1398

00:48:14,630 --> 00:48:13,119

he's also close on the body part

1399

00:48:17,990 --> 00:48:14,640

i don't know a whole lot about the the

1400

00:48:19,589 --> 00:48:18,000

body stuff when i talk to uh

1401

00:48:21,430 --> 00:48:19,599

sources and things like that i don't

1402

00:48:23,109 --> 00:48:21,440

always bring it up for some reason you

1403

00:48:25,349 --> 00:48:23,119

know to be honest i've forgotten a lot

1404

00:48:27,510 --> 00:48:25,359

of stuff over the years like i'll talk

1405

00:48:29,190 --> 00:48:27,520

to sources and like really important

1406

00:48:30,870 --> 00:48:29,200

people that i like or i think that are

1407

00:48:32,549 --> 00:48:30,880

important and they'll be like yeah you

1408

00:48:33,589 --> 00:48:32,559

can record this conversation if you want

1409

00:48:35,510 --> 00:48:33,599

i'll be like i don't know how to record

1410

00:48:37,349 --> 00:48:35,520

on an iphone

1411

00:48:39,109 --> 00:48:37,359

like years later i like forgot half the

1412

00:48:41,109 --> 00:48:39,119

stuff they told me

1413

00:48:42,390 --> 00:48:41,119

i wish i had recorded it but

1414

00:48:44,390 --> 00:48:42,400

you know something still stayed there

1415

00:48:47,510 --> 00:48:44,400

with me but um yeah so i don't know too

1416

00:48:49,430 --> 00:48:47,520

much about the the body stuff but it

1417

00:48:51,270 --> 00:48:49,440

neither really but you would think it

1418

00:48:54,230 --> 00:48:51,280

you would think it is now

1419

00:48:55,510 --> 00:48:54,240

are there crashes i would say yes 100

1420

00:48:57,109 --> 00:48:55,520

you know there's crashes and it seems

1421

00:48:57,829 --> 00:48:57,119

like bodies go along with it but i don't

1422

00:48:58,710 --> 00:48:57,839

know

1423

00:49:00,549 --> 00:48:58,720

yeah

1424

00:49:02,069 --> 00:49:00,559

no earlier you mentioned uh that the

1425

00:49:04,790 --> 00:49:02,079

wilson davis think being put into the

1426
00:49:07,510 --> 00:49:04,800
congressional record was at one of your

1427
00:49:08,390 --> 00:49:07,520
your top three uap moments here

1428
00:49:10,549 --> 00:49:08,400
um

1429
00:49:11,990 --> 00:49:10,559
what were a couple of your others

1430
00:49:13,589 --> 00:49:12,000
and these are just the most like

1431
00:49:15,190 --> 00:49:13,599
exciting ones for me i'm not saying that

1432
00:49:16,309 --> 00:49:15,200
they're necessarily like

1433
00:49:19,030 --> 00:49:16,319
most important i'm just talking about

1434
00:49:20,950 --> 00:49:19,040
kind of yeah mic drops

1435
00:49:21,990 --> 00:49:20,960
so number one i don't know what number

1436
00:49:24,710 --> 00:49:22,000
one and number two they're kind of

1437
00:49:26,470 --> 00:49:24,720
interchangeable so one and two are

1438
00:49:28,790 --> 00:49:26,480

uh obviously lou

1439

00:49:31,030 --> 00:49:28,800

on tucker carlson when he asked him if

1440

00:49:32,309 --> 00:49:31,040

there was debris i mean he was on

1441

00:49:34,630 --> 00:49:32,319

national tv

1442

00:49:35,670 --> 00:49:34,640

and lou said simply put yes that was

1443

00:49:37,430 --> 00:49:35,680

insane

1444

00:49:38,549 --> 00:49:37,440

and uh

1445

00:49:40,069 --> 00:49:38,559

at the time

1446

00:49:41,190 --> 00:49:40,079

i was like of course i didn't think it

1447

00:49:43,589 --> 00:49:41,200

was a big deal and i was thinking about

1448

00:49:44,710 --> 00:49:43,599

i was like this dude was on national tv

1449

00:49:46,390 --> 00:49:44,720

saying that

1450

00:49:48,470 --> 00:49:46,400

and he said simply put yes does the

1451
00:49:50,790 --> 00:49:48,480
government have ufo debris or however

1452
00:49:53,349 --> 00:49:50,800
tucker stated it and i actually had met

1453
00:49:54,950 --> 00:49:53,359
lou for the first time in person

1454
00:49:56,950 --> 00:49:54,960
right after that

1455
00:49:58,630 --> 00:49:56,960
um and i had asked him about it and i

1456
00:50:00,309 --> 00:49:58,640
was like man that was insane he said

1457
00:50:02,470 --> 00:50:00,319
that on tv and he was like yeah i'm

1458
00:50:04,950 --> 00:50:02,480
probably gonna get in trouble for that

1459
00:50:07,109 --> 00:50:04,960
and so that that was one of them

1460
00:50:09,750 --> 00:50:07,119
um that's really huge to me

1461
00:50:13,829 --> 00:50:09,760
the other biggest mic drop i would say

1462
00:50:14,870 --> 00:50:13,839
was uh bigelow on 60 minutes before 2017

1463
00:50:16,790 --> 00:50:14,880

occurred

1464

00:50:17,990 --> 00:50:16,800

i think it was in 2017 before before the

1465

00:50:18,870 --> 00:50:18,000

new york times

1466

00:50:21,510 --> 00:50:18,880

um

1467

00:50:23,910 --> 00:50:21,520

and they were like uh the the

1468

00:50:25,030 --> 00:50:23,920

reporter was said something like what do

1469

00:50:26,150 --> 00:50:25,040

you think that people are going to think

1470

00:50:28,630 --> 00:50:26,160

of you when you're doing all this alien

1471

00:50:31,349 --> 00:50:28,640

stuff and he's like i don't give a damn

1472

00:50:33,829 --> 00:50:31,359

it was just like the biggest mic drop

1473

00:50:36,309 --> 00:50:33,839

it now we have uh you know put it on the

1474

00:50:38,309 --> 00:50:36,319

record that was just like oh that was

1475

00:50:40,390 --> 00:50:38,319

crazy and yes because it was on the

1476

00:50:41,990 --> 00:50:40,400

record it doesn't mean it's true

1477

00:50:43,910 --> 00:50:42,000

i know a lot of skeptics are saying that

1478

00:50:45,109 --> 00:50:43,920

anything can be put on the record that's

1479

00:50:46,870 --> 00:50:45,119

fine

1480

00:50:49,190 --> 00:50:46,880

that's great but it was still in a

1481

00:50:51,190 --> 00:50:49,200

congressional hearing right and bloggers

1482

00:50:53,589 --> 00:50:51,200

had put the wilson notes on the record

1483

00:50:55,910 --> 00:50:53,599

that was insane he even brought it up

1484

00:50:58,390 --> 00:50:55,920

and that was a huge win for us that was

1485

00:51:00,549 --> 00:50:58,400

amazing it was shocking

1486

00:51:01,510 --> 00:51:00,559

and i still it's surreal that it

1487

00:51:03,190 --> 00:51:01,520

happened

1488

00:51:04,790 --> 00:51:03,200

and uh i mean he turned over to the

1489

00:51:05,910 --> 00:51:04,800

speaker guy and was just said put on the

1490

00:51:08,309 --> 00:51:05,920

record so

1491

00:51:10,790 --> 00:51:08,319

my top three is like ultimate mic drops

1492

00:51:13,750 --> 00:51:10,800

yeah the thing is too like uh with a lot

1493

00:51:16,549 --> 00:51:13,760

of this stuff in skeptics or

1494

00:51:19,190 --> 00:51:16,559

debunkers or whatever um

1495

00:51:20,950 --> 00:51:19,200

um you know you would think that

1496

00:51:24,230 --> 00:51:20,960

you would want this to be put in the

1497

00:51:25,270 --> 00:51:24,240

record and be officially looked into

1498

00:51:26,710 --> 00:51:25,280

so

1499

00:51:28,710 --> 00:51:26,720

you know on your side of things the

1500

00:51:30,630 --> 00:51:28,720

debunker side of things they could say

1501
00:51:32,470 --> 00:51:30,640
yeah we looked into it none of this is

1502
00:51:33,349 --> 00:51:32,480
true you know don't you want that to

1503
00:51:35,430 --> 00:51:33,359
happen

1504
00:51:38,470 --> 00:51:35,440
so it can be put to rest so you know the

1505
00:51:40,230 --> 00:51:38,480
community would move on so to speak in

1506
00:51:42,390 --> 00:51:40,240
in your world but they don't even want

1507
00:51:43,589 --> 00:51:42,400
that i think it's waste of time no don't

1508
00:51:46,470 --> 00:51:43,599
even do that i can't believe they're

1509
00:51:48,069 --> 00:51:46,480
spending one one ounce of energy on it

1510
00:51:51,190 --> 00:51:48,079
like they can only do one thing at a

1511
00:51:53,910 --> 00:51:51,200
time you know which is just ridiculous

1512
00:51:56,150 --> 00:51:53,920
to think about but uh that to me says a

1513
00:51:59,030 --> 00:51:56,160

lot that to me almost says they're kind

1514

00:52:00,630 --> 00:51:59,040

of afraid what what is going to be found

1515

00:52:02,950 --> 00:52:00,640

so to speak

1516

00:52:04,870 --> 00:52:02,960

you know right if this is looked into

1517

00:52:07,750 --> 00:52:04,880

and i do have like really big

1518

00:52:09,589 --> 00:52:07,760

reservations about these hearings um

1519

00:52:11,030 --> 00:52:09,599

you know before these hearings happened

1520

00:52:12,470 --> 00:52:11,040

i was like well you can't be in a

1521

00:52:13,829 --> 00:52:12,480

hearing and lie

1522

00:52:16,630 --> 00:52:13,839

and after seeing the hearing i'm like

1523

00:52:19,990 --> 00:52:16,640

wow these dudes are like lying you can't

1524

00:52:21,510 --> 00:52:20,000

yeah wilson quadrupled down recently i

1525

00:52:23,270 --> 00:52:21,520

think to billy cox

1526
00:52:25,589 --> 00:52:23,280
and was saying that the meeting still

1527
00:52:26,790 --> 00:52:25,599
didn't happen and he would be happy to i

1528
00:52:28,870 --> 00:52:26,800
don't remember if he said this i thought

1529
00:52:30,309 --> 00:52:28,880
i think he said he'd be happy to say so

1530
00:52:32,950 --> 00:52:30,319
to me that was basically him saying he

1531
00:52:34,710 --> 00:52:32,960
was gonna lie so i don't know maybe you

1532
00:52:38,230 --> 00:52:34,720
can just go to hearings and lie

1533
00:52:39,589 --> 00:52:38,240
maybe uh nothing happens uh maybe

1534
00:52:41,750 --> 00:52:39,599
the story is different in closed

1535
00:52:44,150 --> 00:52:41,760
hearings so i'm not saying like these

1536
00:52:45,829 --> 00:52:44,160
hearings are like the ultimate

1537
00:52:47,670 --> 00:52:45,839
lou was pretty excited about it and

1538
00:52:50,470 --> 00:52:47,680

obviously he knows way way more than me

1539

00:52:51,750 --> 00:52:50,480

or anyone most other people um

1540

00:52:53,670 --> 00:52:51,760

saying these guys kind of backed

1541

00:52:56,710 --> 00:52:53,680

themselves into a corner now

1542

00:52:58,710 --> 00:52:56,720

um saying some of this stuff wasn't true

1543

00:53:01,109 --> 00:52:58,720

and and lou was so excited about the

1544

00:53:02,470 --> 00:53:01,119

wilson notes you know being there and

1545

00:53:04,790 --> 00:53:02,480

talked about

1546

00:53:06,630 --> 00:53:04,800

so if he's that excited i'm excited too

1547

00:53:09,349 --> 00:53:06,640

but i am a little bit scared about just

1548

00:53:11,109 --> 00:53:09,359

how easy it is to lie i'm also scared

1549

00:53:12,790 --> 00:53:11,119

about

1550

00:53:15,109 --> 00:53:12,800

the military industrial compacts

1551
00:53:17,670 --> 00:53:15,119
lockheed martin i mean this is

1552
00:53:19,349 --> 00:53:17,680
almost 100 years now of like

1553
00:53:21,510 --> 00:53:19,359
um

1554
00:53:23,190 --> 00:53:21,520
the biggest money on earth

1555
00:53:25,030 --> 00:53:23,200
trying to keep this a secret and i asked

1556
00:53:26,950 --> 00:53:25,040
around about that some people you know

1557
00:53:28,309 --> 00:53:26,960
think that probably even in these secret

1558
00:53:29,589 --> 00:53:28,319
programs some of these people want this

1559
00:53:31,829 --> 00:53:29,599
info out

1560
00:53:33,510 --> 00:53:31,839
but we're still battling like

1561
00:53:35,829 --> 00:53:33,520
i'm not saying there's like illuminati

1562
00:53:38,870 --> 00:53:35,839
or like world government or whatever you

1563
00:53:41,589 --> 00:53:38,880

know bad guys like that necessarily but

1564

00:53:43,190 --> 00:53:41,599

there is like this huge money structure

1565

00:53:45,270 --> 00:53:43,200

of the military

1566

00:53:47,430 --> 00:53:45,280

that's obvious that's not a conspiracy

1567

00:53:49,349 --> 00:53:47,440

it's just how the world works and that's

1568

00:53:51,349 --> 00:53:49,359

what we're kind of going up against but

1569

00:53:53,270 --> 00:53:51,359

that's a whole other discussion you know

1570

00:53:54,829 --> 00:53:53,280

how was blue green lighted was it a

1571

00:53:57,109 --> 00:53:54,839

green light was it

1572

00:53:59,109 --> 00:53:57,119

a kind of a bunch of people working

1573

00:54:01,270 --> 00:53:59,119

really hard and it was a perfect storm

1574

00:54:02,630 --> 00:54:01,280

what's going on what are the factions

1575

00:54:04,150 --> 00:54:02,640

that want the information out what are

1576

00:54:05,589 --> 00:54:04,160

the factions that don't

1577

00:54:06,950 --> 00:54:05,599

you know why is everything occurring

1578

00:54:08,549 --> 00:54:06,960

that's a whole other conversation and i

1579

00:54:10,870 --> 00:54:08,559

don't know the answers to it

1580

00:54:12,309 --> 00:54:10,880

but uh we're battling this huge thing

1581

00:54:13,349 --> 00:54:12,319

and i know what's going on behind the

1582

00:54:15,670 --> 00:54:13,359

scenes

1583

00:54:18,069 --> 00:54:15,680

um it's a war skeptics don't like that

1584

00:54:19,430 --> 00:54:18,079

wording they they they get all cairned

1585

00:54:21,349 --> 00:54:19,440

out and they say oh you're saying war

1586

00:54:22,710 --> 00:54:21,359

you're saying jeremy corbell is saying

1587

00:54:25,510 --> 00:54:22,720

kicking the door oh my gosh they're

1588

00:54:27,190 --> 00:54:25,520

clutching their pearls yeah we're still

1589

00:54:29,109 --> 00:54:27,200

a card game

1590

00:54:30,390 --> 00:54:29,119

yeah we're not saying we want january 6

1591

00:54:31,829 --> 00:54:30,400

to happen of course that was horrible

1592

00:54:33,109 --> 00:54:31,839

we're not saying literally oh yeah of

1593

00:54:36,309 --> 00:54:33,119

course

1594

00:54:38,549 --> 00:54:36,319

in an information way non-violently

1595

00:54:40,230 --> 00:54:38,559

respectfully we need to kick in the door

1596

00:54:41,270 --> 00:54:40,240

and we need there's literally a war

1597

00:54:43,190 --> 00:54:41,280

going on

1598

00:54:46,230 --> 00:54:43,200

not with violence but with people behind

1599

00:54:49,109 --> 00:54:46,240

the scenes fighting each other um uh you

1600

00:54:51,430 --> 00:54:49,119

know uh with words and with laws and

1601
00:54:52,309 --> 00:54:51,440
with money and there's a lot of people

1602
00:54:53,750 --> 00:54:52,319
that don't want it out and there's

1603
00:54:55,430 --> 00:54:53,760
people that do

1604
00:54:57,109 --> 00:54:55,440
yeah

1605
00:54:59,510 --> 00:54:57,119
fictional or you know non-fiction will

1606
00:55:01,030 --> 00:54:59,520
be made just on the behind-the-scenes

1607
00:55:02,710 --> 00:55:01,040
political stuff

1608
00:55:05,190 --> 00:55:02,720
of these guys that are battling these

1609
00:55:06,390 --> 00:55:05,200
secrets and uh we just saw blue with all

1610
00:55:07,510 --> 00:55:06,400
talking about it i mean he could be in

1611
00:55:09,670 --> 00:55:07,520
the movie of what the heck he was

1612
00:55:11,430 --> 00:55:09,680
talking about um i think that's in

1613
00:55:13,589 --> 00:55:11,440

itself that's a whole story in itself

1614

00:55:15,510 --> 00:55:13,599

that could be 30 books

1615

00:55:18,150 --> 00:55:15,520

yeah time to long we'll probably put it

1616

00:55:22,470 --> 00:55:20,710

but no i mean uh they're

1617

00:55:24,069 --> 00:55:22,480

you know it's interesting and what i've

1618

00:55:24,789 --> 00:55:24,079

kept what i'm thinking about doing is

1619

00:55:29,030 --> 00:55:24,799

like

1620

00:55:29,750 --> 00:55:29,040

things said that you forgot about you

1621

00:55:30,950 --> 00:55:29,760

know

1622

00:55:33,030 --> 00:55:30,960

like uh

1623

00:55:35,109 --> 00:55:33,040

um

1624

00:55:37,349 --> 00:55:35,119

oh man i forgot what his name is uh this

1625

00:55:38,950 --> 00:55:37,359

yeah james brennan right i said his name

1626
00:55:42,430 --> 00:55:38,960
i think where he was like yeah

1627
00:55:44,630 --> 00:55:42,440
constitutes another form of life the

1628
00:55:47,030 --> 00:55:44,640
cxcia director

1629
00:55:49,510 --> 00:55:47,040
saying what's in this guy

1630
00:55:53,430 --> 00:55:49,520
it's like it constitutes another form of

1631
00:55:54,789 --> 00:55:53,440
life like hello people you know and

1632
00:55:56,630 --> 00:55:54,799
you know we've had a lot of great sound

1633
00:55:58,069 --> 00:55:56,640
bites and if nothing else

1634
00:56:00,230 --> 00:55:58,079
what's coming out of this stuff is just

1635
00:56:02,390 --> 00:56:00,240
great sound bites that advocates can use

1636
00:56:04,390 --> 00:56:02,400
i mean we had obama um saying that

1637
00:56:05,589 --> 00:56:04,400
there's stuff with the what was it like

1638
00:56:06,950 --> 00:56:05,599

i don't remember where to use the

1639

00:56:08,309 --> 00:56:06,960

trajectories or whatever it was i mean

1640

00:56:10,069 --> 00:56:08,319

that was amazing

1641

00:56:11,990 --> 00:56:10,079

i mean there's a lot of a lot of great

1642

00:56:13,510 --> 00:56:12,000

sound bites now that we can bring to the

1643

00:56:14,390 --> 00:56:13,520

public and we need to do that more so i

1644

00:56:16,309 --> 00:56:14,400

think

1645

00:56:18,549 --> 00:56:16,319

yeah well you know you don't give

1646

00:56:20,710 --> 00:56:18,559

yourself enough credit but a lot of us

1647

00:56:23,190 --> 00:56:20,720

are standing on the shoulders of folks

1648

00:56:25,349 --> 00:56:23,200

like yourself and andres for getting

1649

00:56:27,349 --> 00:56:25,359

this going such a long time ago like

1650

00:56:30,710 --> 00:56:27,359

after i had my sighting if there wasn't

1651
00:56:32,789 --> 00:56:30,720
a space like this for me to go to um i'd

1652
00:56:34,950 --> 00:56:32,799
be alone in it probably just reading

1653
00:56:37,750 --> 00:56:34,960
books not being able to talk to anybody

1654
00:56:40,470 --> 00:56:37,760
about it you know being pretty uh

1655
00:56:42,950 --> 00:56:40,480
reclusive and not going out to the world

1656
00:56:44,950 --> 00:56:42,960
i have no because this kind of serves as

1657
00:56:47,030 --> 00:56:44,960
a little bit of therapy for someone

1658
00:56:50,150 --> 00:56:47,040
who's had an experience as well you know

1659
00:56:52,390 --> 00:56:50,160
like being able to research this and

1660
00:56:53,990 --> 00:56:52,400
feel okay about what you what you've

1661
00:56:55,109 --> 00:56:54,000
been through and talking to other people

1662
00:56:58,309 --> 00:56:55,119
about it and

1663
00:56:59,829 --> 00:56:58,319

and it's okay so a lot of that maybe

1664

00:57:00,710 --> 00:56:59,839

maybe it'd be there but not in the way

1665

00:57:02,470 --> 00:57:00,720

it is

1666

00:57:04,390 --> 00:57:02,480

you know now which i which i really

1667

00:57:06,069 --> 00:57:04,400

appreciate so i really appreciate your

1668

00:57:08,470 --> 00:57:06,079

guys's work for that

1669

00:57:09,750 --> 00:57:08,480

anything else uh you

1670

00:57:11,430 --> 00:57:09,760

want to

1671

00:57:12,950 --> 00:57:11,440

leave us with or talk about before we

1672

00:57:14,150 --> 00:57:12,960

get out of here

1673

00:57:18,789 --> 00:57:14,160

um

1674

00:57:19,829 --> 00:57:18,799

you know like i said me and adam and and

1675

00:57:21,910 --> 00:57:19,839

uh

1676

00:57:23,910 --> 00:57:21,920

keith jason christian these other guys

1677

00:57:25,349 --> 00:57:23,920

we were doing this website uav info back

1678

00:57:28,309 --> 00:57:25,359

then we were doing it because no one

1679

00:57:30,230 --> 00:57:28,319

else was and i mean ufo twitter was like

1680

00:57:31,829 --> 00:57:30,240

10 people and it wasn't called ufo

1681

00:57:33,750 --> 00:57:31,839

twitter and this is all really because

1682

00:57:35,589 --> 00:57:33,760

of tom delonge luella lozano george

1683

00:57:38,390 --> 00:57:35,599

knapp jeremy corbell

1684

00:57:40,069 --> 00:57:38,400

chris mellon and to the stars academy

1685

00:57:41,910 --> 00:57:40,079

and we just wanted to know every little

1686

00:57:43,349 --> 00:57:41,920

thing and now there's you know hundreds

1687

00:57:45,589 --> 00:57:43,359

and thousands of people

1688

00:57:48,069 --> 00:57:45,599

uh that want to know every little thing

1689

00:57:49,430 --> 00:57:48,079

so it's just that's a cool feeling um

1690

00:57:50,710 --> 00:57:49,440

but i don't know what's next man i'm

1691

00:57:52,950 --> 00:57:50,720

just waiting to see what's happening

1692

00:57:55,270 --> 00:57:52,960

with the the gila brand stuff i'm in

1693

00:57:58,069 --> 00:57:55,280

wait and see mode on a lot of this now i

1694

00:57:59,349 --> 00:57:58,079

think we're battling a lot of um

1695

00:58:00,470 --> 00:57:59,359

things where the government is like

1696

00:58:01,670 --> 00:58:00,480

saying they're doing one thing and then

1697

00:58:03,430 --> 00:58:01,680

they're shooting these programs in the

1698

00:58:06,309 --> 00:58:03,440

foot like they don't actually want them

1699

00:58:08,549 --> 00:58:06,319

to succeed i think lou and chris and

1700

00:58:10,470 --> 00:58:08,559

george and everyone behind the scenes

1701

00:58:11,910 --> 00:58:10,480

are really fighting that

1702

00:58:13,190 --> 00:58:11,920

you know there's this story about how

1703

00:58:15,030 --> 00:58:13,200

the uh

1704

00:58:16,390 --> 00:58:15,040

jay stratton was taken out as a task

1705

00:58:17,750 --> 00:58:16,400

force director

1706

00:58:19,349 --> 00:58:17,760

and they put in that other guy that

1707

00:58:23,349 --> 00:58:19,359

wasn't didn't have as many clearances

1708

00:58:27,750 --> 00:58:25,589

we got the task force chumps

1709

00:58:29,190 --> 00:58:27,760

uh at the at the hearing a couple weeks

1710

00:58:31,349 --> 00:58:29,200

ago basically

1711

00:58:32,230 --> 00:58:31,359

um that sucked

1712

00:58:33,430 --> 00:58:32,240

so

1713

00:58:35,270 --> 00:58:33,440

it's like

1714

00:58:37,670 --> 00:58:35,280

we're getting excited but then i'm also

1715

00:58:39,030 --> 00:58:37,680

being very reserved on my excitement

1716

00:58:39,990 --> 00:58:39,040

because i don't know how this stuff is

1717

00:58:41,589 --> 00:58:40,000

turned out

1718

00:58:43,030 --> 00:58:41,599

i still haven't thought what the budget

1719

00:58:44,549 --> 00:58:43,040

is for the gilbert stuff like someone

1720

00:58:46,150 --> 00:58:44,559

was saying it was going to be like a

1721

00:58:48,630 --> 00:58:46,160

billion dollars or something we were

1722

00:58:49,750 --> 00:58:48,640

hearing remember yeah like i don't know

1723

00:58:50,870 --> 00:58:49,760

i don't even know what they're doing

1724

00:58:53,270 --> 00:58:50,880

like now they're putting out that

1725

00:58:55,349 --> 00:58:53,280

they're hiring people and

1726

00:58:57,750 --> 00:58:55,359

so it's kind of like

1727

00:58:59,109 --> 00:58:57,760

it's it's it's it's fun yeah and we have

1728

00:59:00,950 --> 00:58:59,119

to be careful so i don't know i'm just

1729

00:59:02,069 --> 00:59:00,960

gonna wait and see mode man and um you

1730

00:59:03,349 --> 00:59:02,079

know there's they're saying there's

1731

00:59:04,950 --> 00:59:03,359

gonna be more hearings they're saying

1732

00:59:06,390 --> 00:59:04,960

there's going to be private closed door

1733

00:59:07,430 --> 00:59:06,400

hearings those could be going on without

1734

00:59:08,390 --> 00:59:07,440

our knowledge

1735

00:59:09,910 --> 00:59:08,400

um

1736

00:59:11,349 --> 00:59:09,920

i'm just waiting to see but i know that

1737

00:59:12,950 --> 00:59:11,359

lou is like

1738

00:59:14,390 --> 00:59:12,960

really doing a great job chris is really

1739

00:59:16,150 --> 00:59:14,400

doing a great job george has done a

1740

00:59:17,750 --> 00:59:16,160

great job we lost reid who you

1741

00:59:19,510 --> 00:59:17,760

interviewed man congratulations again on

1742

00:59:21,190 --> 00:59:19,520

that that's a historic interview

1743

00:59:23,270 --> 00:59:21,200

um thanks man there's other guys that

1744

00:59:25,430 --> 00:59:23,280

are doing it and uh and they're winning

1745

00:59:27,190 --> 00:59:25,440

and we're just kind of over here

1746

00:59:29,510 --> 00:59:27,200

on social media and stuff doing what we

1747

00:59:31,430 --> 00:59:29,520

can but they're doing like this amazing

1748

00:59:33,270 --> 00:59:31,440

work and they're they seem to really

1749

00:59:35,270 --> 00:59:33,280

really be succeeding so i'm just wait

1750

00:59:37,510 --> 00:59:35,280

and wait in c-mode it's exciting i'm

1751
00:59:39,829 --> 00:59:37,520
happy that i get to talk to everyone on

1752
00:59:43,109 --> 00:59:39,839
on twitter and stuff like that it's fun

1753
00:59:45,109 --> 00:59:43,119
um debating is even fun sometimes uh

1754
00:59:46,789 --> 00:59:45,119
sometimes it's not and it's horrible

1755
00:59:49,349 --> 00:59:46,799
but uh it's kind of cool we all get to

1756
00:59:51,190 --> 00:59:49,359
be friends and we get to kind of uh

1757
00:59:53,750 --> 00:59:51,200
have this interest and take us out of

1758
00:59:55,030 --> 00:59:53,760
our regular lives yeah there's something

1759
00:59:56,549 --> 00:59:55,040
more important than us that we're

1760
00:59:57,510 --> 00:59:56,559
contributing to

1761
00:59:58,950 --> 00:59:57,520
um

1762
01:00:01,109 --> 00:59:58,960
so i don't know i'm just waiting to see

1763
01:00:03,670 --> 01:00:01,119

and and uh it's a lot of good things

1764

01:00:04,630 --> 01:00:03,680

happening and um but i'm just it's it's

1765

01:00:06,309 --> 01:00:04,640

a fun

1766

01:00:08,470 --> 01:00:06,319

community to be part of george knapp has

1767

01:00:10,069 --> 01:00:08,480

said this for decades and years that

1768

01:00:11,349 --> 01:00:10,079

this stuff is supposed to be fun even

1769

01:00:13,190 --> 01:00:11,359

when it's not

1770

01:00:15,349 --> 01:00:13,200

and we have to kind of keep that in mind

1771

01:00:16,230 --> 01:00:15,359

and it's one of my favorite things he

1772

01:00:18,630 --> 01:00:16,240

said

1773

01:00:20,789 --> 01:00:18,640

yeah it takes me out of uh you know my

1774

01:00:22,630 --> 01:00:20,799

day-to-day job that i don't like and i'm

1775

01:00:24,710 --> 01:00:22,640

stressing about life so it's cool man

1776

01:00:26,150 --> 01:00:24,720

i'm happy to be here and uh thank you

1777

01:00:28,710 --> 01:00:26,160

for doing your show and stuff and it's

1778

01:00:31,430 --> 01:00:28,720

just more more and onward and let's go

1779

01:00:33,270 --> 01:00:31,440

man yeah it's my pleasure and uh last

1780

01:00:35,670 --> 01:00:33,280

question from the chat

1781

01:00:38,630 --> 01:00:35,680

what is on danny's current playlist my

1782

01:00:40,230 --> 01:00:38,640

current playlist man i got oldies so

1783

01:00:42,710 --> 01:00:40,240

i've been also listening to a lot of

1784

01:00:43,990 --> 01:00:42,720

doji cat i hate to say it i didn't go

1785

01:00:46,710 --> 01:00:44,000

out and say i'm going to be a fan of

1786

01:00:48,150 --> 01:00:46,720

doja cat but she has all these jams that

1787

01:00:50,390 --> 01:00:48,160

are like really good songs not every

1788

01:00:52,950 --> 01:00:50,400

single song but a lot of her songs are

1789

01:00:55,430 --> 01:00:52,960

really really good i hate to say it it's

1790

01:00:57,670 --> 01:00:55,440

a pop singer and she's like out wrapping

1791

01:00:59,510 --> 01:00:57,680

a lot of like rappers and stuff now

1792

01:01:01,589 --> 01:00:59,520

she's just really good i listened to

1793

01:01:03,109 --> 01:01:01,599

oldies i was listening to the deal from

1794

01:01:04,789 --> 01:01:03,119

the 80s last night at like four in the

1795

01:01:06,150 --> 01:01:04,799

morning

1796

01:01:07,829 --> 01:01:06,160

feeling good and i was putting on like

1797

01:01:09,829 --> 01:01:07,839

old school r b i was listening to the

1798

01:01:11,349 --> 01:01:09,839

deal day and night i've been listening

1799

01:01:13,270 --> 01:01:11,359

to uh

1800

01:01:16,390 --> 01:01:13,280

i'll be sure

1801

01:01:18,230 --> 01:01:16,400

80s like new jack swing um

1802

01:01:20,069 --> 01:01:18,240

i've been just listening to like r b and

1803

01:01:21,910 --> 01:01:20,079

dozia cat and other stuff that pops up

1804

01:01:23,430 --> 01:01:21,920

on youtube and of course i always listen

1805

01:01:25,510 --> 01:01:23,440

to hip hop and funk

1806

01:01:27,349 --> 01:01:25,520

and stuff like that i don't know why but

1807

01:01:29,109 --> 01:01:27,359

like there's so many doji cat songs that

1808

01:01:30,789 --> 01:01:29,119

i really really like right now and i'm

1809

01:01:33,270 --> 01:01:30,799

just shocked at myself for liking them

1810

01:01:35,190 --> 01:01:33,280

so that was my favorite

1811

01:01:36,789 --> 01:01:35,200

don't question it just go with it if it

1812

01:01:38,390 --> 01:01:36,799

makes you feel good that's what music is

1813

01:01:41,270 --> 01:01:38,400

about man

1814

01:01:42,230 --> 01:01:41,280

so i appreciate your time man you are a

1815

01:01:43,990 --> 01:01:42,240

champion

1816

01:01:46,309 --> 01:01:44,000

i'm so thankful to know you and that you

1817

01:01:48,150 --> 01:01:46,319

take the time and do this show and you

1818

01:01:49,829 --> 01:01:48,160

know i know that we'll have the

1819

01:01:51,589 --> 01:01:49,839

opportunity in the future to do it again

1820

01:01:53,270 --> 01:01:51,599

and i can't wait for that so

1821

01:01:54,710 --> 01:01:53,280

yeah buddy i'll talk to you soon all

1822

01:01:57,990 --> 01:01:54,720

right man

1823

01:02:01,990 --> 01:02:00,069

all right i hope you guys enjoyed it i

1824

01:02:05,750 --> 01:02:02,000

enjoyed the conversation with mr danny

1825

01:02:07,430 --> 01:02:05,760

silva as always you can visit him and uh

1826

01:02:09,190 --> 01:02:07,440

you know the stuff he does on twitter

1827

01:02:11,829 --> 01:02:09,200

silver record on his website

1828

01:02:13,190 --> 01:02:11,839

silverrecord.com um i think he has an

1829

01:02:16,549 --> 01:02:13,200

instagram too

1830

01:02:18,950 --> 01:02:16,559

so um great dude love chatting with him

1831

01:02:20,870 --> 01:02:18,960

um he's he's definitely a positive force

1832

01:02:23,510 --> 01:02:20,880

on twitter and i can't thank them enough

1833
