

NASA & UFOs

THE HISTORY

1
00:00:20,720 --> 00:00:56,470
so

2
00:01:01,750 --> 00:00:59,510
what is up everybody happy

3
00:01:03,750 --> 00:01:01,760
happy monday

4
00:01:05,910 --> 00:01:03,760
at two o'clock p.m central standard time

5
00:01:07,990 --> 00:01:05,920
i completely spaced that vinnie

6
00:01:11,590 --> 00:01:08,000
disclosure team has a great interview

7
00:01:16,230 --> 00:01:13,350
uh with the person who made uh aerial

8
00:01:18,230 --> 00:01:16,240
phenomenon that awesome movie

9
00:01:20,310 --> 00:01:18,240
uh so you could

10
00:01:21,910 --> 00:01:20,320
definitely

11
00:01:23,990 --> 00:01:21,920
go check that out if you want to stream

12
00:01:26,870 --> 00:01:24,000
this later um this is gonna be

13
00:01:28,469 --> 00:01:26,880

information packed with uh

14

00:01:30,390 --> 00:01:28,479

just the history on nasa i mean with

15

00:01:33,990 --> 00:01:30,400

nasa

16

00:01:35,510 --> 00:01:34,000

kind of getting into the ufo world um

17

00:01:41,190 --> 00:01:35,520

you know i think it's important to look

18

00:01:43,109 --> 00:01:41,200

at possibly their history in the subject

19

00:01:44,870 --> 00:01:43,119

and

20

00:01:46,950 --> 00:01:44,880

check it out see we can find i mean

21

00:01:48,069 --> 00:01:46,960

there's a lot of things that we already

22

00:01:49,990 --> 00:01:48,079

know of like

23

00:01:52,310 --> 00:01:50,000

uh mr bill cooper

24

00:01:54,630 --> 00:01:52,320

astronaut who's had some sightings and

25

00:01:56,469 --> 00:01:54,640

we're going to touch on that um there's

26

00:01:57,749 --> 00:01:56,479

a little bit i'll touch on with the

27

00:02:00,550 --> 00:01:57,759

textbook stuff

28

00:02:04,149 --> 00:02:00,560

i'll even show you a reporting system

29

00:02:06,069 --> 00:02:04,159

nice to put together for ufos uh 1967

30

00:02:07,429 --> 00:02:06,079

and we're going to look at

31

00:02:08,550 --> 00:02:07,439

some other astronauts who've had

32

00:02:11,110 --> 00:02:08,560

sightings

33

00:02:13,510 --> 00:02:11,120

and um

34

00:02:14,630 --> 00:02:13,520

look at some videos of what the heck is

35

00:02:18,550 --> 00:02:14,640

that

36

00:02:26,150 --> 00:02:21,110

so i figured

37

00:02:30,309 --> 00:02:27,350

so

38

00:02:31,270 --> 00:02:30,319

cooper had gordon cooper had

39

00:02:33,750 --> 00:02:31,280

um

40

00:02:37,830 --> 00:02:33,760

kind of a famous sighting in 1957 at

41

00:02:38,710 --> 00:02:37,840

edwards air force base where he said he

42

00:02:42,470 --> 00:02:38,720

saw

43

00:02:44,790 --> 00:02:42,480

basically a classic saucer over a dry

44

00:02:47,030 --> 00:02:44,800

lake bed so

45

00:02:49,350 --> 00:02:47,040

believe it or not i found

46

00:02:51,190 --> 00:02:49,360

the and i think i've even went over this

47

00:02:53,509 --> 00:02:51,200

before in a past episode although i

48

00:02:55,830 --> 00:02:53,519

can't remember which episode it was

49

00:02:58,470 --> 00:02:55,840

i found the file for

50

00:03:00,390 --> 00:02:58,480

a sighting at edwards air force base on

51
00:03:02,070 --> 00:03:00,400
the same date

52
00:03:03,509 --> 00:03:02,080
and pictures so we're going to look at

53
00:03:10,550 --> 00:03:03,519
that

54
00:03:16,710 --> 00:03:14,949
and it's a very very interesting story

55
00:03:19,670 --> 00:03:16,720
so gordon cooper

56
00:03:22,630 --> 00:03:19,680
is not mentioned in this paperwork

57
00:03:25,110 --> 00:03:22,640
but gordon cooper

58
00:03:28,070 --> 00:03:25,120
explains how he had a sighting

59
00:03:30,630 --> 00:03:28,080
at edwards air force base on may

60
00:03:34,869 --> 00:03:32,470
and as i bring this up you can see this

61
00:03:37,990 --> 00:03:34,879
says may 2nd

62
00:03:39,830 --> 00:03:38,000
1957 but may 3rd is also used kind of

63
00:03:41,830 --> 00:03:39,840

interchangeably

64

00:03:43,589 --> 00:03:41,840

so

65

00:03:45,670 --> 00:03:43,599

now all the blue book

66

00:03:49,270 --> 00:03:45,680

uh sightings all the blue book cases

67

00:03:51,190 --> 00:03:49,280

typically have this uh information

68

00:03:53,509 --> 00:03:51,200

you know sheet right here where they

69

00:03:55,830 --> 00:03:53,519

kind of give you the synopsis of what

70

00:03:57,910 --> 00:03:55,840

the conclusion they came to us

71

00:04:00,070 --> 00:03:57,920

so we have here edwards air force base

72

00:04:02,309 --> 00:04:00,080

length of observation 25 minutes brief

73

00:04:04,390 --> 00:04:02,319

summary of sighting one aluminum or

74

00:04:06,309 --> 00:04:04,400

metallic disc shape object the size of a

75

00:04:09,509 --> 00:04:06,319

basketball at arm's length object had

76
00:04:12,789 --> 00:04:09,519
translucent glow object traveled in an

77
00:04:14,550 --> 00:04:12,799
easternly direction for 25 minutes

78
00:04:16,789 --> 00:04:14,560
and you can see in the upper right hand

79
00:04:17,830 --> 00:04:16,799
corner their conclusion was

80
00:04:18,629 --> 00:04:17,840
balloon

81
00:04:20,469 --> 00:04:18,639
and

82
00:04:22,390 --> 00:04:20,479
this

83
00:04:25,030 --> 00:04:22,400
information packet there's like a

84
00:04:27,110 --> 00:04:25,040
hundred documents

85
00:04:29,430 --> 00:04:27,120
right

86
00:04:31,830 --> 00:04:29,440
and the the problem with the sighting to

87
00:04:34,550 --> 00:04:31,840
the air force was that there were

88
00:04:36,390 --> 00:04:34,560

pictures taken which we'll look at

89

00:04:37,990 --> 00:04:36,400

and it was pretty much

90

00:04:40,629 --> 00:04:38,000

they took it and went to the press

91

00:04:42,790 --> 00:04:40,639

before any authority

92

00:04:44,870 --> 00:04:42,800

so this hit the press and it was all

93

00:04:47,189 --> 00:04:44,880

over the press it was nationwide

94

00:04:50,629 --> 00:04:47,199

sighting and it caused a real problem

95

00:04:56,230 --> 00:04:53,189

and all throughout this paperwork

96

00:04:57,670 --> 00:04:56,240

the hundred some documents

97

00:04:59,430 --> 00:04:57,680

they say balloon

98

00:05:02,070 --> 00:04:59,440

there's even a quote

99

00:05:03,990 --> 00:05:02,080

uh from this one guy that where they

100

00:05:06,870 --> 00:05:04,000

release balloons he said of course it's

101
00:05:09,270 --> 00:05:06,880
a balloon of course but the real kicker

102
00:05:12,710 --> 00:05:09,280
is when they

103
00:05:16,230 --> 00:05:14,950
air force test

104
00:05:18,870 --> 00:05:16,240
here it is sorry

105
00:05:20,550 --> 00:05:18,880
the air force flight test center

106
00:05:24,230 --> 00:05:20,560
they got them to actually look at this

107
00:05:25,990 --> 00:05:24,240
case out of colorado colorado springs

108
00:05:27,270 --> 00:05:26,000
where space force was

109
00:05:30,390 --> 00:05:27,280
and i think it's moving to huntsville

110
00:05:33,510 --> 00:05:32,310
and they do a little synopsis themselves

111
00:05:35,189 --> 00:05:33,520
on it

112
00:05:38,230 --> 00:05:35,199
and this is all standard typical stuff

113
00:05:38,240 --> 00:05:43,110

nothing too crazy there

114

00:05:47,189 --> 00:05:45,350

it continues

115

00:05:48,390 --> 00:05:47,199

object traveled easternly direction at

116

00:05:50,070 --> 00:05:48,400

all times

117

00:05:52,390 --> 00:05:50,080

at times object appeared to stand still

118

00:05:54,310 --> 00:05:52,400

and change shape or pulsate

119

00:05:56,710 --> 00:05:54,320

object was at an estimated altitude

120

00:05:59,670 --> 00:05:56,720

altitude of 1500 feet

121

00:06:02,150 --> 00:05:59,680

velocity was unknown

122

00:06:04,150 --> 00:06:02,160

object was tracked by a 15 power scope

123

00:06:07,350 --> 00:06:04,160

which in portion of

124

00:06:08,790 --> 00:06:07,360

is a portion of the photo uh

125

00:06:11,830 --> 00:06:08,800

i never know how to say that word

126

00:06:15,830 --> 00:06:11,840

theodolite equipment

127

00:06:21,350 --> 00:06:18,629

you know which gordon cooper isn't

128

00:06:23,510 --> 00:06:21,360

on this but he says that he had the

129

00:06:27,350 --> 00:06:23,520

sighting at the same place basically at

130

00:06:32,150 --> 00:06:29,749

so this last page is really the kicker

131

00:06:33,350 --> 00:06:32,160

so remember they say it was a balloon

132

00:06:35,830 --> 00:06:33,360

all throughout the paperwork they're

133

00:06:40,150 --> 00:06:35,840

saying this balloon

134

00:06:41,830 --> 00:06:40,160

here we have hours of balloon release

135

00:06:45,110 --> 00:06:41,840

weather stations at palmdale airport

136

00:06:47,029 --> 00:06:45,120

george uh george air force base mojave

137

00:06:48,469 --> 00:06:47,039

china lake naval air station were

138

00:06:50,309 --> 00:06:48,479

queried as to whether any weather

139

00:06:52,469 --> 00:06:50,319

balloons have been released at or above

140

00:06:55,589 --> 00:06:52,479

the time of sighting replying each case

141

00:06:58,870 --> 00:06:57,270

a roman balloon was released by the

142

00:07:02,070 --> 00:06:58,880

weather station at edwards air force

143

00:07:04,629 --> 00:07:02,080

base at approximately 740 hour specific

144

00:07:06,070 --> 00:07:04,639

daylight time on the 2nd of may 1957 the

145

00:07:08,550 --> 00:07:06,080

following information on the release of

146

00:07:12,309 --> 00:07:08,560

the subject balloon

147

00:07:16,710 --> 00:07:14,469

based on the above track made in the

148

00:07:19,029 --> 00:07:16,720

location of the observers at the time of

149

00:07:20,629 --> 00:07:19,039

sighting the weather balloon released

150

00:07:24,070 --> 00:07:20,639

that edwards could not have been at the

151
00:07:26,070 --> 00:07:24,080
end of the unidentified object reported

152
00:07:31,510 --> 00:07:26,080
probable cause of sighting

153
00:07:37,029 --> 00:07:33,990
what did they tell us

154
00:07:38,710 --> 00:07:37,039
confirm the balloon

155
00:07:41,110 --> 00:07:38,720
so here

156
00:07:42,629 --> 00:07:41,120
it kind of reminds me of this story out

157
00:07:45,830 --> 00:07:42,639
in the drive now where they're swearing

158
00:07:48,550 --> 00:07:45,840
up and down that the things uh seen in

159
00:07:49,749 --> 00:07:48,560
2019 around our uh battleships and

160
00:07:49,940 --> 00:07:49,759
everything are

161
00:07:51,110 --> 00:07:49,950
are

162
00:07:54,070 --> 00:07:51,120
[Music]

163
00:07:56,309 --> 00:07:54,080

unmanned aerial vehicles

164

00:08:00,710 --> 00:07:56,319

jeremy corbell's like that's not the

165

00:08:04,230 --> 00:08:02,469

right

166

00:08:06,950 --> 00:08:04,240

look at this this comes out in the press

167

00:08:10,230 --> 00:08:06,960

how do they handle it much the same

168

00:08:15,670 --> 00:08:12,790

but really when you dig deep

169

00:08:18,950 --> 00:08:15,680

when you look at the files

170

00:08:22,230 --> 00:08:20,629

observers at the time citing the weather

171

00:08:24,230 --> 00:08:22,240

balloon released at edwards could not

172

00:08:31,670 --> 00:08:24,240

have been the identified object reported

173

00:08:35,829 --> 00:08:33,430

why they do that because it hit the

174

00:08:40,709 --> 00:08:38,389

and they had to say something

175

00:08:42,949 --> 00:08:40,719

so what they say is balloon

176

00:08:44,470 --> 00:08:42,959

they lie

177

00:08:47,030 --> 00:08:44,480

just like they're most likely lying

178

00:08:47,829 --> 00:08:47,040

right now about the 2019

179

00:08:50,389 --> 00:08:47,839

uh

180

00:08:52,470 --> 00:08:50,399

sightings around our naval ships now

181

00:08:54,389 --> 00:08:52,480

maybe they're not but they have made

182

00:08:57,750 --> 00:08:54,399

their bed and they are now sleeping in

183

00:08:57,760 --> 00:09:02,230

so i found that interesting

184

00:09:06,150 --> 00:09:03,990

you can see they kind of map out the

185

00:09:07,990 --> 00:09:06,160

issues this case received nationwide

186

00:09:10,710 --> 00:09:08,000

publicity because the ufo was observed

187

00:09:13,030 --> 00:09:10,720

over the so-called united states secret

188

00:09:14,949 --> 00:09:13,040

testing grounds

189

00:09:16,790 --> 00:09:14,959

and had been photographed officially by

190

00:09:18,790 --> 00:09:16,800

high-speed cameras especially designed

191

00:09:22,150 --> 00:09:18,800

to track aircraft and missiles by air

192

00:09:25,590 --> 00:09:23,910

the object was observed by the camera

193

00:09:27,590 --> 00:09:25,600

crews who took a series of photographs

194

00:09:29,910 --> 00:09:27,600

after it had moved some distance away

195

00:09:31,990 --> 00:09:29,920

they later described it as this shape to

196

00:09:33,590 --> 00:09:32,000

interrogators after they brought the

197

00:09:36,389 --> 00:09:33,600

matter to the attention

198

00:09:38,630 --> 00:09:36,399

of i can't see what that says

199

00:09:41,269 --> 00:09:38,640

a study 32 photographs taken a highly

200

00:09:43,509 --> 00:09:41,279

magnified uh disclosed the object to the

201
00:09:45,430 --> 00:09:43,519
size of a matchhead but changing shape

202
00:09:47,670 --> 00:09:45,440
from round to elliptical

203
00:09:50,070 --> 00:09:47,680
as the early sun's rays played upon its

204
00:09:52,230 --> 00:09:50,080
surface

205
00:09:54,630 --> 00:09:52,240
and here they go into their balloon

206
00:09:56,790 --> 00:09:54,640
theory that was knocked down earlier by

207
00:10:02,389 --> 00:09:56,800
the air force flight test center

208
00:10:08,710 --> 00:10:05,430
the pictures

209
00:10:12,069 --> 00:10:08,720
when you see these pictures you might

210
00:10:15,990 --> 00:10:12,079
remember that we did go over this case

211
00:10:18,790 --> 00:10:16,000
however i had no idea

212
00:10:22,710 --> 00:10:18,800
um you know the the possible relation

213
00:10:26,389 --> 00:10:23,829

which

214

00:10:28,870 --> 00:10:26,399

it still may not be because this is may

215

00:10:31,190 --> 00:10:28,880

2nd 1957 i believe the cooper one was

216

00:10:34,949 --> 00:10:31,200

may 3rd

217

00:10:39,829 --> 00:10:37,269

here are the pictures

218

00:10:42,150 --> 00:10:39,839

which it said there were 29 or 30 i

219

00:10:45,030 --> 00:10:42,160

think in that report and we have 22 here

220

00:10:49,750 --> 00:10:47,030

but here hopefully you can see in the

221

00:10:56,470 --> 00:10:49,760

middle is what looks like a tic tac to

222

00:11:01,990 --> 00:10:59,990

kind of looks the same

223

00:11:06,790 --> 00:11:02,000

this one

224

00:11:17,110 --> 00:11:09,030

here we are

225

00:11:23,829 --> 00:11:20,230

same place

226

00:11:25,350 --> 00:11:23,839

nothing too groundbreaking

227

00:11:27,269 --> 00:11:25,360

here you can definitely see something a

228

00:11:34,630 --> 00:11:27,279

little more

229

00:11:39,190 --> 00:11:36,150

here's where they kind of say it changes

230

00:11:44,870 --> 00:11:39,200

shapes you can see here it's more round

231

00:11:44,880 --> 00:11:50,710

round right here

232

00:11:50,720 --> 00:11:58,470

and more round

233

00:12:04,790 --> 00:12:00,470

this looks like it's

234

00:12:09,590 --> 00:12:06,710

yep so i'm just scrolling through these

235

00:12:12,470 --> 00:12:09,600

fast because they're all pretty much

236

00:12:16,870 --> 00:12:12,480

looking the same this one's

237

00:12:16,880 --> 00:12:25,670

tic tac shape i would say

238

00:12:29,990 --> 00:12:28,150

so i think that these are pretty

239

00:12:31,590 --> 00:12:30,000

interesting the most interesting part to

240

00:12:33,430 --> 00:12:31,600

me is

241

00:12:35,030 --> 00:12:33,440

how they had to come up with the story

242

00:12:36,790 --> 00:12:35,040

to tell the public and the story they

243

00:12:38,949 --> 00:12:36,800

came up with to tell the public was of

244

00:12:41,350 --> 00:12:38,959

course a balloon and when they looked at

245

00:12:43,509 --> 00:12:41,360

it closely and queried everyone they

246

00:12:45,750 --> 00:12:43,519

were supposed to query

247

00:12:47,110 --> 00:12:45,760

it was not a balloon

248

00:12:48,790 --> 00:12:47,120

but yet they don't tell that to the

249

00:12:50,829 --> 00:12:48,800

public

250

00:12:53,430 --> 00:12:50,839

they keep the balloon story to the

251
00:12:56,310 --> 00:12:53,440
public little did they know that these

252
00:12:58,230 --> 00:12:56,320
files would be out eventually

253
00:13:00,150 --> 00:12:58,240
in the freaking national archives and we

254
00:13:01,509 --> 00:13:00,160
could look at it for ourselves

255
00:13:03,509 --> 00:13:01,519
and read

256
00:13:05,750 --> 00:13:03,519
through the hundred some pages that in

257
00:13:08,310 --> 00:13:05,760
fact it was not

258
00:13:09,590 --> 00:13:08,320
a balloon

259
00:13:14,949 --> 00:13:09,600
so

260
00:13:16,710 --> 00:13:14,959
we're going to move on from the that

261
00:13:19,350 --> 00:13:16,720
particular

262
00:13:23,190 --> 00:13:19,360
bill cooper

263
00:13:27,350 --> 00:13:25,430

and

264

00:13:30,150 --> 00:13:27,360

we're going to look at something else so

265

00:13:31,670 --> 00:13:30,160

1967

266

00:13:33,990 --> 00:13:31,680

nasa but we're going to stay in nasa

267

00:13:36,629 --> 00:13:34,000

this whole time of course

268

00:13:38,310 --> 00:13:36,639

because that's what this episode is

269

00:13:40,389 --> 00:13:38,320

about and in the middle i'll probably

270

00:13:42,790 --> 00:13:40,399

take a break and play that

271

00:13:46,150 --> 00:13:42,800

uh what the heck is that

272

00:13:51,350 --> 00:13:46,160

uh nasa version of their videos

273

00:13:54,389 --> 00:13:51,360

so here we go 1967 june 28th

274

00:13:59,990 --> 00:13:57,590

kmi 86 10.4 processing reports of

275

00:14:03,590 --> 00:14:00,000

sightings of space vehicle fragments

276

00:14:05,430 --> 00:14:03,600

this is a new instruction

277

00:14:07,509 --> 00:14:05,440

space vehicle fragments you could be

278

00:14:09,670 --> 00:14:07,519

saying well maybe it's a

279

00:14:10,870 --> 00:14:09,680

satellite or something like that and you

280

00:14:12,550 --> 00:14:10,880

know maybe

281

00:14:15,590 --> 00:14:12,560

maybe

282

00:14:16,710 --> 00:14:15,600

but not but it's it's specific to ufos

283

00:14:19,030 --> 00:14:16,720

in a second

284

00:14:20,790 --> 00:14:19,040

processing reports of sightings of space

285

00:14:22,790 --> 00:14:20,800

vehicle fragments the purpose of the

286

00:14:24,470 --> 00:14:22,800

instruction is to establish procedures

287

00:14:26,629 --> 00:14:24,480

for handling reports of sightings of the

288

00:14:27,509 --> 00:14:26,639

objects such as fragments or component

289

00:14:29,990 --> 00:14:27,519

parts

290

00:14:31,990 --> 00:14:30,000

of space vehicles known or alleged by an

291

00:14:35,030 --> 00:14:32,000

observer to have impacted upon earth's

292

00:14:37,030 --> 00:14:35,040

surface as a result of safety destruct

293

00:14:39,269 --> 00:14:37,040

action failure in flight or re-entry

294

00:14:41,030 --> 00:14:39,279

into the earth's atmosphere included are

295

00:14:43,670 --> 00:14:41,040

reports of sightings of objects not

296

00:14:45,990 --> 00:14:43,680

related to space vehicles

297

00:14:48,949 --> 00:14:46,000

so this is the john f kennedy space

298

00:14:53,430 --> 00:14:50,790

space vehicle fragment a fragment or

299

00:14:54,870 --> 00:14:53,440

component part of a space vehicle that

300

00:14:56,629 --> 00:14:54,880

is impacted upon the surface of the

301
00:14:59,910 --> 00:14:56,639
earth washed up on a beach conceivably

302
00:15:01,189 --> 00:14:59,920
as a result of safety destruct actions

303
00:15:02,470 --> 00:15:01,199
failing and flight re-entry into the

304
00:15:04,069 --> 00:15:02,480
earth's atmosphere

305
00:15:07,030 --> 00:15:04,079
then here we have b

306
00:15:09,750 --> 00:15:07,040
unidentified flying object

307
00:15:11,750 --> 00:15:09,760
an unidentified object observed in the

308
00:15:14,629 --> 00:15:11,760
atmosphere

309
00:15:14,639 --> 00:15:19,430
puts together a ufo

310
00:15:24,829 --> 00:15:23,910
directive here and june 28 1967 so i

311
00:15:27,910 --> 00:15:24,839
would

312
00:15:31,189 --> 00:15:27,920
love for this new initiative

313
00:15:33,189 --> 00:15:31,199

to take a look at um the j

314

00:15:35,110 --> 00:15:33,199

john f kennedy

315

00:15:37,030 --> 00:15:35,120

space center nasa

316

00:15:38,389 --> 00:15:37,040

management instruction

317

00:15:44,230 --> 00:15:38,399

and see what they got

318

00:15:51,990 --> 00:15:47,749

so i thought that was uh definitely

319

00:15:57,030 --> 00:15:54,870

now i do have some more

320

00:15:58,150 --> 00:15:57,040

nasa stuff which is very interesting

321

00:16:02,150 --> 00:15:58,160

nasa

322

00:16:02,160 --> 00:16:08,069

no maybe they weren't like the go-to

323

00:16:13,269 --> 00:16:11,110

you know investigators or whatever

324

00:16:15,590 --> 00:16:13,279

but they definitely

325

00:16:15,600 --> 00:16:18,870

look at some

326

00:16:23,670 --> 00:16:21,670

ufo reports

327

00:16:25,990 --> 00:16:23,680

and we're going to trick out some of

328

00:16:29,990 --> 00:16:26,000

those so one of which was actually in

329

00:16:35,189 --> 00:16:33,110

in australia believe it or not

330

00:16:38,230 --> 00:16:35,199

and again this is one that i've actually

331

00:16:38,240 --> 00:16:41,990

but we're gonna check it out

332

00:16:46,150 --> 00:16:43,829

because i didn't go over too much more

333

00:16:49,990 --> 00:16:46,160

than just showing like a kind of like a

334

00:16:51,269 --> 00:16:50,000

one-liner news report

335

00:16:53,829 --> 00:16:51,279

so

336

00:16:55,590 --> 00:16:53,839

these can be kind of out of order

337

00:16:57,269 --> 00:16:55,600

but bear with me as i put them in order

338

00:17:00,629 --> 00:16:57,279

so this comes by way of an air granite

339

00:17:06,390 --> 00:17:02,870

from the embassy

340

00:17:09,110 --> 00:17:06,400

can't canberra report of ufo june 14th

341

00:17:11,270 --> 00:17:09,120

1962 reference sighting of a

342

00:17:13,110 --> 00:17:11,280

unidentified luminous luminous objects

343

00:17:15,350 --> 00:17:13,120

has been reported to the embassy an

344

00:17:17,270 --> 00:17:15,360

abstract of the details is given below

345

00:17:21,510 --> 00:17:17,280

followed by a narrative account date and

346

00:17:23,429 --> 00:17:21,520

time may 3rd 1964 place black mountain

347

00:17:25,429 --> 00:17:23,439

first object move in a wobbly manor from

348

00:17:27,189 --> 00:17:25,439

west southwest to east to northeast

349

00:17:29,350 --> 00:17:27,199

turned northwest to collision with

350

00:17:30,549 --> 00:17:29,360

second object bounced and moved out of

351
00:17:33,590 --> 00:17:30,559
sight

352
00:17:35,510 --> 00:17:33,600
north northeast second object stationary

353
00:17:36,950 --> 00:17:35,520
color first object soft white light

354
00:17:39,029 --> 00:17:36,960
larger and brighter then the second

355
00:17:40,870 --> 00:17:39,039
which had a pinkish orange glow there

356
00:17:43,270 --> 00:17:40,880
was no breakup of the objects the small

357
00:17:44,870 --> 00:17:43,280
one appeared to sputter then disappeared

358
00:17:46,789 --> 00:17:44,880
no noise was associated with the

359
00:17:49,270 --> 00:17:46,799
phenomenon

360
00:17:51,510 --> 00:17:49,280
and then we have mr john doe resident of

361
00:17:53,029 --> 00:17:51,520
tourist camp semi-permanent trailer camp

362
00:17:55,029 --> 00:17:53,039
on the side of black mountain canberra

363
00:17:56,789 --> 00:17:55,039

a.c.t reported an unusual event in the

364

00:17:58,390 --> 00:17:56,799

sky witnessed in part at least by his

365

00:18:01,190 --> 00:17:58,400

wife and a friend

366

00:18:03,350 --> 00:18:01,200

mr do describe the event occurring about

367

00:18:05,190 --> 00:18:03,360

zero six zero five local time sunday may

368

00:18:06,710 --> 00:18:05,200

3rd 1964

369

00:18:08,950 --> 00:18:06,720

which is just interesting because we

370

00:18:15,510 --> 00:18:08,960

were just talking about a may 3rd

371

00:18:15,520 --> 00:18:19,669

so continuing on

372

00:18:22,710 --> 00:18:20,950

i made

373

00:18:26,070 --> 00:18:22,720

personal contact

374

00:18:30,870 --> 00:18:28,950

stromlo observatory mr was quizzed

375

00:18:33,430 --> 00:18:30,880

during the next hour and a half by the

376

00:18:35,190 --> 00:18:33,440

scientific attache dr paul sippl who

377

00:18:36,470 --> 00:18:35,200

coined the term

378

00:18:38,630 --> 00:18:36,480

windchill

379

00:18:41,190 --> 00:18:38,640

which i always say when i mention him

380

00:18:42,630 --> 00:18:41,200

and two local nasa

381

00:18:45,270 --> 00:18:42,640

representatives

382

00:18:47,830 --> 00:18:45,280

mr meredith glenn and mr hugh fletcher

383

00:18:50,870 --> 00:18:47,840

the following is a paraphrase of mr

384

00:18:55,190 --> 00:18:53,270

so we just heard his account but

385

00:18:57,270 --> 00:18:55,200

why i'm bringing this up

386

00:18:59,029 --> 00:18:57,280

is because we have two local nasa

387

00:19:01,990 --> 00:18:59,039

representatives

388

00:19:06,310 --> 00:19:04,789

looking at what was a

389

00:19:10,950 --> 00:19:06,320

ufo

390

00:19:18,710 --> 00:19:12,950

along with the scientific art scientific

391

00:19:18,720 --> 00:19:23,590

um

392

00:19:23,600 --> 00:19:28,150

so

393

00:19:31,669 --> 00:19:29,830

nasa might want to look at their files

394

00:19:37,029 --> 00:19:31,679

at that one

395

00:19:41,590 --> 00:19:39,669

and they just yeah so they just uh quiz

396

00:19:45,510 --> 00:19:41,600

the guy a little more than nasa folks

397

00:19:52,630 --> 00:19:47,430

the airport there reported no aircraft

398

00:19:52,640 --> 00:19:57,029

no release of balloons

399

00:20:00,950 --> 00:19:58,789

witness referred to his vision with

400

00:20:02,789 --> 00:20:00,960

pride at 60 60.

401
00:20:05,590 --> 00:20:02,799
his descriptions were most colorful and

402
00:20:07,270 --> 00:20:05,600
it was the collision as he described it

403
00:20:09,270 --> 00:20:07,280
like a fish

404
00:20:13,990 --> 00:20:09,280
striking bait

405
00:20:18,830 --> 00:20:16,630
so that is really

406
00:20:20,470 --> 00:20:18,840
the only reason i wanted to show you

407
00:20:21,990 --> 00:20:20,480
that

408
00:20:26,390 --> 00:20:22,000
because here we have

409
00:20:31,270 --> 00:20:28,149
informal contacts with the ministry of

410
00:20:33,909 --> 00:20:31,280
supply by nasa representatives revealed

411
00:20:36,710 --> 00:20:33,919
no information of any flying objects

412
00:20:38,789 --> 00:20:36,720
over or visible from canberra at or near

413
00:20:43,110 --> 00:20:38,799

the indicated date an hour why the hell

414

00:20:43,120 --> 00:20:47,029

why is nice even looking into this

415

00:20:50,070 --> 00:20:48,870

why would they look into something not

416

00:20:57,029 --> 00:20:50,080

important

417

00:21:02,230 --> 00:20:59,430

i don't know pretty interesting if you

418

00:21:04,470 --> 00:21:02,240

ask me

419

00:21:06,630 --> 00:21:04,480

here's a rundown that made the press

420

00:21:08,070 --> 00:21:06,640

another unusual incident subject of an

421

00:21:11,590 --> 00:21:08,080

official state department report

422

00:21:13,029 --> 00:21:11,600

occurred on may 1964. canberra australia

423

00:21:15,029 --> 00:21:13,039

just before dawn several ground

424

00:21:16,789 --> 00:21:15,039

observers near canberra saw a large

425

00:21:19,350 --> 00:21:16,799

white glowing object traveling northeast

426
00:21:21,750 --> 00:21:19,360
across the dark sky it moved with an odd

427
00:21:23,909 --> 00:21:21,760
wobble as though losing power or partly

428
00:21:27,990 --> 00:21:23,919
out of control then the observer saw

429
00:21:29,909 --> 00:21:28,000
smaller object visible with a faint red

430
00:21:31,750 --> 00:21:29,919
hovering ahead the large white device

431
00:21:34,149 --> 00:21:31,760
flew straight towards the small ufo it

432
00:21:36,950 --> 00:21:34,159
appeared to strike it bouncing back then

433
00:21:38,630 --> 00:21:36,960
the large ufo turned no longer wobbling

434
00:21:40,549 --> 00:21:38,640
and raced out of sight the small red

435
00:21:42,230 --> 00:21:40,559
light sputtered and then disappeared it

436
00:21:44,950 --> 00:21:42,240
has been suggested that this could have

437
00:21:46,630 --> 00:21:44,960
been some unknown type of refueling or

438
00:21:48,390 --> 00:21:46,640

recharging process well we know it

439

00:21:51,430 --> 00:21:48,400

wasn't because the airport said nothing

440

00:21:53,510 --> 00:21:51,440

was in the area remember that

441

00:21:54,870 --> 00:21:53,520

the observer's report was investigated

442

00:21:56,549 --> 00:21:54,880

by the scientific attache of the

443

00:21:57,990 --> 00:21:56,559

american embassy

444

00:22:01,350 --> 00:21:58,000

dr paul sippl

445

00:22:03,270 --> 00:22:01,360

and by two nasa engineers

446

00:22:05,669 --> 00:22:03,280

they concluded that the objects were not

447

00:22:09,350 --> 00:22:05,679

any known earth made craft that they had

448

00:22:14,870 --> 00:22:13,110

the report was set via eargram 8894 to

449

00:22:16,950 --> 00:22:14,880

the state department

450

00:22:20,390 --> 00:22:16,960

which forwarded copies to the

451
00:22:23,909 --> 00:22:22,390
and the nsa

452
00:22:25,430 --> 00:22:23,919
nasa

453
00:22:30,310 --> 00:22:25,440
the army

454
00:22:33,590 --> 00:22:31,990
who's who's left out

455
00:22:35,110 --> 00:22:33,600
the air force

456
00:22:36,149 --> 00:22:35,120
why wouldn't they send it to the air

457
00:22:37,830 --> 00:22:36,159
force

458
00:22:41,669 --> 00:22:37,840
they're running project freaking blue

459
00:22:44,630 --> 00:22:41,679
book at this time why because the air

460
00:22:48,549 --> 00:22:44,640
force was in charge of the community

461
00:22:52,710 --> 00:22:48,559
aspect of the ufo investigation

462
00:22:52,720 --> 00:22:57,110
my guess

463
00:23:02,789 --> 00:23:00,630

what's uh most interesting to me

464

00:23:03,990 --> 00:23:02,799

about this

465

00:23:12,390 --> 00:23:04,000

is

466

00:23:14,149 --> 00:23:12,400

if we look at

467

00:23:16,070 --> 00:23:14,159

nasa at

468

00:23:17,669 --> 00:23:16,080

nasa said

469

00:23:20,230 --> 00:23:17,679

specifically

470

00:23:22,390 --> 00:23:20,240

a couple times

471

00:23:24,149 --> 00:23:22,400

in blue book files you can see them that

472

00:23:26,149 --> 00:23:24,159

they have nothing to do with ufos they

473

00:23:28,710 --> 00:23:26,159

don't touch ufos they don't investigate

474

00:23:30,230 --> 00:23:28,720

ufos ufo no

475

00:23:33,190 --> 00:23:30,240

nasa

476
00:23:37,909 --> 00:23:35,510
it is before and after this sighting so

477
00:23:45,990 --> 00:23:37,919
obviously

478
00:23:54,870 --> 00:23:47,669
and i hate to say it

479
00:23:54,880 --> 00:23:58,230
so

480
00:24:05,990 --> 00:23:59,830
hopefully

481
00:24:10,470 --> 00:24:07,750
and i have one more thing here that i'll

482
00:24:13,120 --> 00:24:12,070
this is

483
00:24:14,310 --> 00:24:13,130
came out in

484
00:24:17,430 --> 00:24:14,320
[Music]

485
00:24:20,870 --> 00:24:17,440
i think it was i want to say it

486
00:24:27,110 --> 00:24:24,149
i'm not positive but this is a nasa

487
00:24:29,909 --> 00:24:28,549
unidentified flying objects the

488
00:24:31,510 --> 00:24:29,919

information contained here has been

489

00:24:34,230 --> 00:24:31,520
compiled to respond to queries on

490

00:24:35,590 --> 00:24:34,240
unidentified flying objects directed to

491

00:24:38,630 --> 00:24:35,600
the white house

492

00:24:40,710 --> 00:24:38,640
as well as nasa

493

00:24:41,990 --> 00:24:40,720
nasa is the vocal point for answering

494

00:24:43,909 --> 00:24:42,000
public inquiries to the white house

495

00:24:45,830 --> 00:24:43,919
relating to ufos

496

00:24:48,549 --> 00:24:45,840
but nasa has not engaged in a research

497

00:24:56,710 --> 00:24:48,559
program involving these phenomena nor is

498

00:24:59,990 --> 00:24:58,230
and they give a little bit of a history

499

00:25:02,149 --> 00:25:00,000
here

500

00:25:03,990 --> 00:25:02,159
july 77 dr frank press director of

501
00:25:05,830 --> 00:25:04,000
science and technology policy executive

502
00:25:08,070 --> 00:25:05,840
office of the president wrote to dr

503
00:25:09,750 --> 00:25:08,080
robert frosh the nasa administrator

504
00:25:12,230 --> 00:25:09,760
suggesting nashua

505
00:25:14,070 --> 00:25:12,240
should answer all ufo related mail and

506
00:25:15,990 --> 00:25:14,080
also to consider whether nasa should

507
00:25:17,110 --> 00:25:16,000
conduct an active research program on

508
00:25:19,909 --> 00:25:17,120
ufos

509
00:25:21,750 --> 00:25:19,919
in a letter dated december 21st 1977 dr

510
00:25:23,990 --> 00:25:21,760
frosh agreed that nasa will continue to

511
00:25:27,430 --> 00:25:24,000
respond to ufo-related mail

512
00:25:29,590 --> 00:25:27,440
as it has in the past and if a new

513
00:25:31,750 --> 00:25:29,600

element of hard evidence that ufos exist

514

00:25:33,750 --> 00:25:31,760

is brought to nasa's attention from a

515

00:25:36,149 --> 00:25:33,760

credible source nasa will analyze the

516

00:25:41,269 --> 00:25:36,159

unexplained or organic or inorganic

517

00:25:45,350 --> 00:25:43,830

uh we have given considerable thought to

518

00:25:47,029 --> 00:25:45,360

the question of what else the united

519

00:25:48,549 --> 00:25:47,039

states might and should do in the area

520

00:25:50,070 --> 00:25:48,559

of ufo research

521

00:25:51,830 --> 00:25:50,080

there is an absence of tangible or

522

00:25:53,909 --> 00:25:51,840

physical evidence available for thorough

523

00:25:55,909 --> 00:25:53,919

laboratory analysis and because of the

524

00:25:57,669 --> 00:25:55,919

absence of such evidence we have not

525

00:25:59,430 --> 00:25:57,679

been able to devise a sound scientific

526

00:26:01,750 --> 00:25:59,440

procedure for investigating these

527

00:26:03,590 --> 00:26:01,760

phenomena to proceed on a research test

528

00:26:06,310 --> 00:26:03,600

without a sound disciplinary framework

529

00:26:07,750 --> 00:26:06,320

in an exploratory technique in mind

530

00:26:09,510 --> 00:26:07,760

would be a wasteful

531

00:26:12,310 --> 00:26:09,520

and probably would be wasteful and

532

00:26:13,830 --> 00:26:12,320

probably unproductive

533

00:26:15,350 --> 00:26:13,840

i do not feel that we could mount a

534

00:26:16,630 --> 00:26:15,360

research effort without a better

535

00:26:19,110 --> 00:26:16,640

starting point

536

00:26:20,950 --> 00:26:19,120

than we have been able to identify this

537

00:26:22,950 --> 00:26:20,960

far i would therefore propose that nasa

538

00:26:25,750 --> 00:26:22,960

take no steps to establish research in

539

00:26:28,549 --> 00:26:25,760

this area or to convene a symposium on

540

00:26:31,510 --> 00:26:28,559

this subject well guess what things have

541

00:26:31,520 --> 00:26:34,789

or have they

542

00:26:37,669 --> 00:26:35,830

we'll see

543

00:26:41,430 --> 00:26:37,679

because here they're clearly stating

544

00:26:45,750 --> 00:26:43,909

which to me

545

00:26:46,549 --> 00:26:45,760

means they didn't look

546

00:26:50,070 --> 00:26:46,559

at

547

00:26:57,269 --> 00:26:52,870

blue book files cia files

548

00:27:01,590 --> 00:26:59,750

or did they

549

00:27:03,590 --> 00:27:01,600

i'm pretty sure that they did

550

00:27:03,590 --> 00:27:04,870

and this is just a load of freaking

551
00:27:10,070 --> 00:27:07,590
that's what i think

552
00:27:11,750 --> 00:27:10,080
everybody like the video if you can

553
00:27:14,230 --> 00:27:11,760
that would be great share with your

554
00:27:15,350 --> 00:27:14,240
friends subscribe

555
00:27:17,590 --> 00:27:15,360
wrap it up

556
00:27:20,470 --> 00:27:17,600
put a bow tie on it

557
00:27:22,070 --> 00:27:20,480
email it to people on their birthday say

558
00:27:25,510 --> 00:27:22,080
happy birthday here's some ufo

559
00:27:28,470 --> 00:27:25,520
information whatever you want to do

560
00:27:28,480 --> 00:27:31,669
and if you don't

561
00:27:35,350 --> 00:27:33,350
i have no idea

562
00:27:37,070 --> 00:27:35,360
but one day i'll find out

563
00:27:40,630 --> 00:27:37,080

and i'll probably cry

564

00:27:41,590 --> 00:27:40,640

[Laughter]

565

00:27:43,830 --> 00:27:41,600

so

566

00:27:46,070 --> 00:27:43,840

what we're gonna do now where we got a

567

00:27:48,470 --> 00:27:46,080

little bit more

568

00:27:50,070 --> 00:27:48,480

um

569

00:27:51,510 --> 00:27:50,080

got a couple of interesting news stories

570

00:27:55,990 --> 00:27:51,520

that i found

571

00:28:00,470 --> 00:27:58,549

but for now

572

00:28:02,470 --> 00:28:00,480

and i should i'll take a second to say

573

00:28:05,510 --> 00:28:02,480

hey what's up to everybody by the way

574

00:28:07,909 --> 00:28:05,520

channel warhorse what's up

575

00:28:10,230 --> 00:28:07,919

lionel fisher what's up jose putting it

576

00:28:11,350 --> 00:28:10,240

on his twitter that's hot

577

00:28:15,190 --> 00:28:11,360

awesome

578

00:28:16,870 --> 00:28:15,200

lc says lol

579

00:28:19,269 --> 00:28:16,880

robert

580

00:28:22,389 --> 00:28:19,279

yes please hit like

581

00:28:24,789 --> 00:28:22,399

please hit like yes

582

00:28:27,830 --> 00:28:24,799

josh what's up

583

00:28:30,120 --> 00:28:27,840

you're welcome buddy andre says yeah

584

00:28:34,870 --> 00:28:30,130

to robert's a bunch of lame excuses

585

00:28:34,880 --> 00:28:38,549

terry hall what's up

586

00:28:41,990 --> 00:28:40,300

daniel christensen what's up

587

00:28:44,630 --> 00:28:42,000

[Music]

588

00:28:46,149 --> 00:28:44,640

uh who else we got here anybody else i

589

00:28:47,430 --> 00:28:46,159

haven't said what's up too thanks

590

00:28:51,190 --> 00:28:47,440

everybody for coming to being so

591

00:28:57,190 --> 00:28:53,350

feel free to ask a question if you have

592

00:29:03,029 --> 00:29:00,470

uh Leahkim39 what's up thanks for coming

593

00:29:07,190 --> 00:29:03,039

appreciate it i think your new face

594

00:29:11,750 --> 00:29:09,269

i think i got everybody here oh we got

595

00:29:13,830 --> 00:29:11,760

jonathan up here says may 2nd is a cool

596

00:29:15,510 --> 00:29:13,840

day just saying i'm guessing it's his

597

00:29:17,550 --> 00:29:15,520

freaking birthday

598

00:29:19,909 --> 00:29:17,560

that would be my guess

599

00:29:22,389 --> 00:29:19,919

[Laughter]

600

00:29:23,990 --> 00:29:22,399

so yeah i appreciate everybody uh

601
00:29:26,470 --> 00:29:24,000
hanging out

602
00:29:27,110 --> 00:29:26,480
a prophet you demand thanks i appreciate

603
00:29:27,909 --> 00:29:27,120
it

604
00:29:30,870 --> 00:29:27,919
so

605
00:29:33,909 --> 00:29:30,880
we're going to take a quick

606
00:29:35,830 --> 00:29:33,919
i'm going to take a quick document break

607
00:29:40,610 --> 00:29:35,840
and we're going to do a little

608
00:29:48,240 --> 00:29:40,620
uh what the heck is that nasa special

609
00:29:48,250 --> 00:29:53,350
[Music]

610
00:29:57,350 --> 00:29:54,870
yeah elephant on a shirt i want to do

611
00:29:59,350 --> 00:29:57,360
that i don't really sell shirts i mean i

612
00:30:01,029 --> 00:29:59,360
have shirts for sale but nobody buys

613
00:30:03,029 --> 00:30:01,039

them so

614

00:30:05,110 --> 00:30:03,039

you know i'm kind of i don't really put

615

00:30:07,110 --> 00:30:05,120

too much into it but

616

00:30:08,710 --> 00:30:07,120

i will do that i'll put an elephant on a

617

00:30:10,389 --> 00:30:08,720

shirt

618

00:30:11,990 --> 00:30:10,399

um so here we go

619

00:30:14,710 --> 00:30:12,000

what the heck is that and we're gonna

620

00:30:16,710 --> 00:30:14,720

start with a little talking uh from mr

621

00:30:18,950 --> 00:30:16,720

cooper himself well yeah they weren't

622

00:30:21,110 --> 00:30:18,960

just random they were flying uh they

623

00:30:23,269 --> 00:30:21,120

were flying fighter formations very

624

00:30:26,310 --> 00:30:23,279

definitely under positive control

625

00:30:30,230 --> 00:30:26,320

they're just typical uh saucer shape

626
00:30:33,990 --> 00:30:30,240
double lenticular shape metallic looking

627
00:30:39,510 --> 00:30:36,789
by the way i should say that uh cooper

628
00:30:41,590 --> 00:30:39,520
has had a few sightings so the the first

629
00:30:44,389 --> 00:30:41,600
ones cooper had was it was i think it

630
00:30:45,669 --> 00:30:44,399
was over germany in like 1951 and i

631
00:30:46,549 --> 00:30:45,679
think that's what he's talking about

632
00:30:49,750 --> 00:30:46,559
here

633
00:30:50,710 --> 00:30:49,760
then he's had the edwards air force base

634
00:30:53,110 --> 00:30:50,720
sighting

635
00:30:54,789 --> 00:30:53,120
and then he had one um when he was in

636
00:30:55,590 --> 00:30:54,799
orbit but he

637
00:30:58,149 --> 00:30:55,600
uh

638
00:30:59,830 --> 00:30:58,159

said that wasn't true that that's

639

00:31:01,269 --> 00:30:59,840

that wasn't a real story somebody must

640

00:31:03,269 --> 00:31:01,279

have made that up

641

00:31:05,190 --> 00:31:03,279

so just letting you know give me some

642

00:31:09,110 --> 00:31:05,200

context on what he's talking to talking

643

00:31:14,470 --> 00:31:12,389

they piloted vehicles

644

00:31:16,389 --> 00:31:14,480

each one with the pilot in it

645

00:31:18,950 --> 00:31:16,399

and very definitely in communication

646

00:31:21,350 --> 00:31:18,960

with one another because they would have

647

00:31:23,029 --> 00:31:21,360

flights of more than

648

00:31:25,830 --> 00:31:23,039

than four they'd have flights of maybe

649

00:31:27,669 --> 00:31:25,840

12 or 16 all cro when they make a turn

650

00:31:30,389 --> 00:31:27,679

they'd cross the flights and under and

651
00:31:32,070 --> 00:31:30,399
they had to be in communication to

652
00:31:34,070 --> 00:31:32,080
be coordinated i think there were

653
00:31:37,790 --> 00:31:34,080
extraterrestrial pilots flying no doubt

654
00:32:56,950 --> 00:32:51,430
[Music]

655
00:32:56,960 --> 00:33:06,389
81 nautical miles now from columbia

656
00:33:11,110 --> 00:33:10,070
well the long line is a tether

657
00:33:13,509 --> 00:33:11,120
and

658
00:33:16,470 --> 00:33:13,519
there's a little bit of debris that

659
00:33:19,430 --> 00:33:16,480
kind of flies with us and

660
00:33:21,029 --> 00:33:19,440
it's illuminated by the sun at such low

661
00:33:22,070 --> 00:33:21,039
angles so this was just a lot of stray

662
00:33:24,149 --> 00:33:22,080
light

663
00:33:27,110 --> 00:33:24,159

and it's getting washed out uh quickly

664

00:33:30,230 --> 00:33:27,120

but quad is trying to do a quick good

665

00:33:40,710 --> 00:33:30,240

job here adjusting the cameras

666

00:33:42,210 --> 00:33:40,720

[Music]

667

00:33:49,540 --> 00:33:42,220

uh

668

00:33:50,870 --> 00:33:49,550

[Music]

669

00:34:03,630 --> 00:33:50,880

[Applause]

670

00:34:21,450 --> 00:34:19,510

[Music]

671

00:34:40,550 --> 00:34:21,460

foreign

672

00:34:40,560 --> 00:34:44,169

so

673

00:34:53,860 --> 00:34:52,710

[Music]

674

00:35:02,700 --> 00:34:53,870

do

675

00:37:50,150 --> 00:35:10,150

[Music]

676

00:37:55,829 --> 00:37:51,109

so

677

00:37:58,230 --> 00:37:55,839

there's more and there's more uh

678

00:38:01,030 --> 00:37:58,240

interesting nasa videos too that i've

679

00:38:02,790 --> 00:38:01,040

showed in previous episodes um but those

680

00:38:06,390 --> 00:38:02,800

are pretty good ones

681

00:38:08,069 --> 00:38:06,400

uh most definitely uh we have

682

00:38:09,510 --> 00:38:08,079

uh i'll profit these space videos are

683

00:38:11,589 --> 00:38:09,520

cool but i found them somewhat hard to

684

00:38:14,390 --> 00:38:11,599

know what i'm looking at you're looking

685

00:38:16,310 --> 00:38:14,400

at for the most part earth

686

00:38:18,230 --> 00:38:16,320

um

687

00:38:20,790 --> 00:38:18,240

from space so the last one there was

688

00:38:21,829 --> 00:38:20,800

some thunderstorms going on

689

00:38:25,510 --> 00:38:21,839

um

690

00:38:28,150 --> 00:38:25,520

but the the ufos were were pointed out

691

00:38:29,589 --> 00:38:28,160

you know um in that video of which

692

00:38:32,069 --> 00:38:29,599

which ones were

693

00:38:34,150 --> 00:38:32,079

uh ufos at least so you can see them

694

00:38:36,550 --> 00:38:34,160

moving all that kind of stuff so

695

00:38:37,670 --> 00:38:36,560

definitely go back look at it again

696

00:38:39,589 --> 00:38:37,680

so

697

00:38:41,109 --> 00:38:39,599

um

698

00:38:42,550 --> 00:38:41,119

because they're pretty interesting most

699

00:38:44,710 --> 00:38:42,560

definitely

700

00:38:46,150 --> 00:38:44,720

what's up paranormal blip podcast what

701
00:38:48,069 --> 00:38:46,160
do you think of gary mcminute's claims

702
00:38:50,069 --> 00:38:48,079
that he saw in this photo of a ufo

703
00:38:51,750 --> 00:38:50,079
having followed the directions of a nasa

704
00:38:53,030 --> 00:38:51,760
whistleblower when he hacked the us

705
00:38:55,510 --> 00:38:53,040
government thanks

706
00:38:57,750 --> 00:38:55,520
it's interesting

707
00:39:00,390 --> 00:38:57,760
you know but what what can you really

708
00:39:03,030 --> 00:39:00,400
think of it

709
00:39:06,790 --> 00:39:03,040
it'd be cool if that was true

710
00:39:07,829 --> 00:39:06,800
we have absolutely no way of knowing

711
00:39:09,270 --> 00:39:07,839
you know

712
00:39:11,750 --> 00:39:09,280
unfortunately

713
00:39:12,950 --> 00:39:11,760

but um

714

00:39:14,790 --> 00:39:12,960

you know it's

715

00:39:17,430 --> 00:39:14,800

it's quite a claim

716

00:39:19,349 --> 00:39:17,440

most definitely it'd be cool if if it

717

00:39:22,230 --> 00:39:19,359

was uh the real deal

718

00:39:26,790 --> 00:39:24,470

but you know again there's there's just

719

00:39:28,390 --> 00:39:26,800

no way to really know and that's what's

720

00:39:30,470 --> 00:39:28,400

kind of the hard part in this field is

721

00:39:33,109 --> 00:39:30,480

because people can make claims

722

00:39:34,870 --> 00:39:33,119

and not have like any proof or backup

723

00:39:36,470 --> 00:39:34,880

and

724

00:39:39,270 --> 00:39:36,480

what he's supposed to do

725

00:39:41,349 --> 00:39:39,280

you know and that happens all the time

726

00:39:43,349 --> 00:39:41,359

what are you supposed to do i mean

727

00:39:45,430 --> 00:39:43,359

they they can sound convicted and all

728

00:39:49,190 --> 00:39:45,440

that and sound like they're telling the

729

00:39:51,510 --> 00:39:50,230

you know

730

00:39:52,630 --> 00:39:51,520

maybe they're not

731

00:39:54,790 --> 00:39:52,640

i don't know

732

00:39:56,470 --> 00:39:54,800

uh what's in it for him to to make it up

733

00:39:58,550 --> 00:39:56,480

did he sell a book on it i haven't

734

00:40:01,910 --> 00:39:58,560

looked into him too much as far as that

735

00:40:03,829 --> 00:40:01,920

goes did he make a book or you know

736

00:40:05,430 --> 00:40:03,839

profit in any way off of it i don't

737

00:40:08,630 --> 00:40:05,440

think he did

738

00:40:10,710 --> 00:40:08,640

as far as i know so i mean

739

00:40:12,390 --> 00:40:10,720

to me that kind of would make me think

740

00:40:13,670 --> 00:40:12,400

maybe he's telling the truth otherwise

741

00:40:16,150 --> 00:40:13,680

what's the point of saying something

742

00:40:17,270 --> 00:40:16,160

like that you know

743

00:40:24,390 --> 00:40:17,280

but

744

00:40:27,430 --> 00:40:26,309

uh robert he's on tomorrow by the way

745

00:40:29,829 --> 00:40:27,440

check him out

746

00:40:31,430 --> 00:40:29,839

uh we're gonna be talking shop

747

00:40:34,309 --> 00:40:31,440

it's his humble opinion that the group

748

00:40:36,470 --> 00:40:34,319

i've mentioned before the nssso is the

749

00:40:37,430 --> 00:40:36,480

link between nasa and the nro this might

750

00:40:39,910 --> 00:40:37,440

take

751

00:40:42,870 --> 00:40:39,920

that's where the pics and stuff are i

752

00:40:44,630 --> 00:40:42,880

would have uh no way of knowing that nro

753

00:40:46,790 --> 00:40:44,640

it definitely has

754

00:40:48,870 --> 00:40:46,800

uh footage i mean they have all the spy

755

00:40:50,550 --> 00:40:48,880

satellites like hundreds of them i

756

00:40:54,550 --> 00:40:50,560

believe

757

00:40:56,550 --> 00:40:54,560

um and they're also mentioned in

758

00:40:58,309 --> 00:40:56,560

you know uh some

759

00:41:00,550 --> 00:40:58,319

kind of more recent foia document

760

00:41:01,750 --> 00:41:00,560

releases in regards to the

761

00:41:05,109 --> 00:41:01,760

2021

762

00:41:07,030 --> 00:41:05,119

preliminary uap report you know nro is

763

00:41:08,470 --> 00:41:07,040

going to have this stuff

764

00:41:10,150 --> 00:41:08,480

you know and we can all kind of just

765

00:41:11,990 --> 00:41:10,160

mess around and dick around as much we

766

00:41:13,589 --> 00:41:12,000

want to talk about this or that but if

767

00:41:15,990 --> 00:41:13,599

we want the evidence center rose it's

768

00:41:18,630 --> 00:41:16,000

definitely going to have it

769

00:41:21,510 --> 00:41:18,640

definitely

770

00:41:22,950 --> 00:41:21,520

with their satellites or

771

00:41:25,990 --> 00:41:22,960

i think it's uh

772

00:41:30,069 --> 00:41:26,000

national and geospatial

773

00:41:33,510 --> 00:41:31,109

and

774

00:41:35,750 --> 00:41:33,520

you know i have a pretty large foia out

775

00:41:37,750 --> 00:41:35,760

to them but i think that's going to take

776

00:41:40,230 --> 00:41:37,760

quite a bit of time at least that's what

777

00:41:41,510 --> 00:41:40,240

they tell me so but if that ever comes

778

00:41:43,910 --> 00:41:41,520

back

779

00:41:46,230 --> 00:41:43,920

that should be pay dirt

780

00:41:48,710 --> 00:41:46,240

it's a foia actually on

781

00:41:49,990 --> 00:41:48,720

john ramirez was on the show a long time

782

00:41:55,589 --> 00:41:50,000

ago

783

00:41:57,990 --> 00:41:55,599

uh where he talks about

784

00:41:58,950 --> 00:41:58,000

how we had a satellite basically over

785

00:42:00,950 --> 00:41:58,960

russia

786

00:42:03,109 --> 00:42:00,960

that picked up these orbs that were

787

00:42:04,950 --> 00:42:03,119

moving intelligently

788

00:42:06,710 --> 00:42:04,960

and there was a huge working group that

789

00:42:09,030 --> 00:42:06,720

was started

790

00:42:10,790 --> 00:42:09,040

right after that to study these things

791

00:42:14,230 --> 00:42:10,800

and this was pre

792

00:42:17,430 --> 00:42:14,240

uh asap and all that so

793

00:42:18,790 --> 00:42:17,440

i have a foia out on that hopefully

794

00:42:21,190 --> 00:42:18,800

i'll get something back on that that

795

00:42:22,710 --> 00:42:21,200

would be great i mean i know i will they

796

00:42:24,390 --> 00:42:22,720

didn't turn it down they said they're

797

00:42:25,910 --> 00:42:24,400

putting it together but it's gonna take

798

00:42:28,790 --> 00:42:25,920

uh some time

799

00:42:30,390 --> 00:42:28,800

because uh they have to get information

800

00:42:32,390 --> 00:42:30,400

from

801
00:42:34,069 --> 00:42:32,400
a lot of other different agencies but i

802
00:42:35,750 --> 00:42:34,079
asked for any paperwork that would come

803
00:42:37,990 --> 00:42:35,760
from that working group i asked for any

804
00:42:40,390 --> 00:42:38,000
pictures or videos that came from that

805
00:42:43,030 --> 00:42:40,400
incident and all that stuff so

806
00:42:44,630 --> 00:42:43,040
hopefully that comes at some point and

807
00:42:45,990 --> 00:42:44,640
i can surprise everybody with some

808
00:42:47,829 --> 00:42:46,000
pretty cool stuff

809
00:42:49,270 --> 00:42:47,839
wow that would be cool

810
00:42:51,430 --> 00:42:49,280
but

811
00:42:54,069 --> 00:42:51,440
for now

812
00:42:55,109 --> 00:42:54,079
i got jack

813
00:42:57,829 --> 00:42:55,119

just

814

00:42:59,670 --> 00:42:57,839

what's in the the the public realm so

815

00:43:03,990 --> 00:42:59,680

the last couple things i wanted to

816

00:43:09,109 --> 00:43:07,030

were a couple of interesting articles

817

00:43:10,710 --> 00:43:09,119

this one it says houston

818

00:43:13,030 --> 00:43:10,720

they always have such

819

00:43:15,190 --> 00:43:13,040

awesome titles right houston we have an

820

00:43:16,790 --> 00:43:15,200

admission meet the nasa's astronauts who

821

00:43:18,790 --> 00:43:16,800

believe aliens are visiting earth and

822

00:43:21,109 --> 00:43:18,800

communicating with humanity

823

00:43:22,630 --> 00:43:21,119

find out about the ufo sightings and et

824

00:43:25,190 --> 00:43:22,640

experiences of the world's most famous

825

00:43:28,069 --> 00:43:25,200

space explorers okay

826

00:43:31,990 --> 00:43:30,069

uh turns out a lot of nasa astronauts

827

00:43:33,430 --> 00:43:32,000

also think et is real and that they have

828

00:43:34,870 --> 00:43:33,440

been in touch with humanity for a long

829

00:43:36,550 --> 00:43:34,880

time i think that's maybe over

830

00:43:37,349 --> 00:43:36,560

exaggerating what some of these people

831

00:43:39,349 --> 00:43:37,359

said

832

00:43:41,190 --> 00:43:39,359

uh not edgar mitchell though so the

833

00:43:43,349 --> 00:43:41,200

first one is

834

00:43:45,670 --> 00:43:43,359

they go through uh four celebrated

835

00:43:47,349 --> 00:43:45,680

astronauts everybody if you're in the

836

00:43:49,510 --> 00:43:47,359

ufo realm you should and you're not

837

00:43:51,030 --> 00:43:49,520

familiar with edgar mitchell you should

838

00:43:54,230 --> 00:43:51,040

stop everything you're doing now and

839

00:43:56,950 --> 00:43:54,240

familiarize yourself with him um because

840

00:43:58,710 --> 00:43:56,960

he is a very important man as far as all

841

00:44:00,150 --> 00:43:58,720

this disclosure goes he's no longer with

842

00:44:02,390 --> 00:44:00,160

us unfortunately

843

00:44:03,750 --> 00:44:02,400

um but apparently if if you're paying

844

00:44:05,349 --> 00:44:03,760

attention to what's going on now like

845

00:44:06,950 --> 00:44:05,359

the wilson davis documents that were

846

00:44:08,470 --> 00:44:06,960

entered in the record at the last

847

00:44:09,430 --> 00:44:08,480

congressional hearings which is pretty

848

00:44:12,950 --> 00:44:09,440

much

849

00:44:16,069 --> 00:44:12,960

uh if that ever gets corroborated or

850

00:44:17,990 --> 00:44:16,079

um eric davis testifies on it um that's

851

00:44:20,710 --> 00:44:18,000

that's your smoking gun

852

00:44:22,870 --> 00:44:20,720

it's all over disclosure is upon us for

853

00:44:24,710 --> 00:44:22,880

real if that ever happens but they

854

00:44:27,270 --> 00:44:24,720

apparently came out at mitchell's estate

855

00:44:29,589 --> 00:44:27,280

so and i have melinda leslie on the show

856

00:44:32,710 --> 00:44:29,599

on thursday and i think we might talk a

857

00:44:35,109 --> 00:44:32,720

little bit about it too so

858

00:44:37,109 --> 00:44:35,119

uh 1971 mitchell became the sixth person

859

00:44:38,550 --> 00:44:37,119

to walk the moon but he spent the rest

860

00:44:41,109 --> 00:44:38,560

of his life convinced that aliens have

861

00:44:42,950 --> 00:44:41,119

been observing observing us and have

862

00:44:44,550 --> 00:44:42,960

been here for some time he once claimed

863

00:44:46,150 --> 00:44:44,560

that peace-loving aliens had visited

864

00:44:48,470 --> 00:44:46,160

earth on a mission to save humanity from

865

00:44:50,790 --> 00:44:48,480

nuclear war and suggest the vatican

866

00:44:53,349 --> 00:44:50,800

knows the truth about the existence of

867

00:44:54,950 --> 00:44:53,359

et's interesting vatican

868

00:44:56,710 --> 00:44:54,960

mittell also alleged that ufos have

869

00:44:59,030 --> 00:44:56,720

been seen above nuke bases and often

870

00:45:02,150 --> 00:44:59,040

disable the missiles held within cold

871

00:45:03,829 --> 00:45:02,160

war air weapon silos uh allow robert

872

00:45:06,870 --> 00:45:03,839

salas to have an interview with him

873

00:45:12,950 --> 00:45:11,510

um the spaceman firmly believed uh the

874

00:45:15,430 --> 00:45:12,960

it's interesting that they called the

875

00:45:17,430 --> 00:45:15,440

spaceman because uh i believe ross

876

00:45:20,710 --> 00:45:17,440

coldheart

877

00:45:22,069 --> 00:45:20,720

uh has like a

878

00:45:23,670 --> 00:45:22,079

source right now that he calls his

879

00:45:25,829 --> 00:45:23,680

spaceman

880

00:45:30,309 --> 00:45:25,839

obviously it's not edgar mitchell but

881

00:45:33,750 --> 00:45:32,150

um he firmly believed the american

882

00:45:35,750 --> 00:45:33,760

government covered up the famous roswell

883

00:45:38,870 --> 00:45:35,760

incident 47 when the flag disallegedly

884

00:45:41,430 --> 00:45:38,880

crashed near small town in new mexico

885

00:45:43,270 --> 00:45:41,440

the reason for denial is they don't

886

00:45:45,349 --> 00:45:43,280

they didn't know

887

00:45:48,470 --> 00:45:45,359

if they the aliens were hostile and they

888

00:45:50,790 --> 00:45:48,480

didn't want the soviets to know

889

00:45:54,150 --> 00:45:50,800

so they devised to lie about it and

890

00:45:57,829 --> 00:45:55,589

it's interesting if you hear a little

891

00:45:59,430 --> 00:45:57,839

bit more about uh edgar mitchell and the

892

00:46:01,270 --> 00:45:59,440

roswell story he's probably one of the

893

00:46:03,990 --> 00:46:01,280

most convincing people i've heard about

894

00:46:07,270 --> 00:46:04,000

the roswell story

895

00:46:09,030 --> 00:46:07,280

so you could definitely check that out

896

00:46:10,630 --> 00:46:09,040

probably google it or something gordon

897

00:46:13,270 --> 00:46:10,640

cooper we went over this guy a little

898

00:46:17,990 --> 00:46:16,150

smashing photos

899

00:46:20,390 --> 00:46:18,000

pretty cool photos

900

00:46:22,069 --> 00:46:20,400

i wish i was from like the 60s and some

901
00:46:23,589 --> 00:46:22,079
or something just so i could get a photo

902
00:46:27,030 --> 00:46:23,599
then

903
00:46:29,030 --> 00:46:27,040
because the cameras were so cool

904
00:46:30,950 --> 00:46:29,040
he's one of seven astronauts who took

905
00:46:34,470 --> 00:46:30,960
part in project mercury interesting

906
00:46:36,790 --> 00:46:34,480
thing about project mercury is

907
00:46:39,510 --> 00:46:36,800
there's a huge

908
00:46:41,670 --> 00:46:39,520
like 100 page paper

909
00:46:44,390 --> 00:46:41,680
on project mercury

910
00:46:47,510 --> 00:46:44,400
in the vows of project blue book which

911
00:46:48,630 --> 00:46:47,520
still doesn't make sense to me

912
00:46:50,950 --> 00:46:48,640
and i've looked through it and it

913
00:46:54,710 --> 00:46:50,960

doesn't say anything about ufos

914

00:46:57,750 --> 00:46:54,720

but why is it in a project blue book

915

00:47:00,630 --> 00:46:57,760

i have no idea

916

00:47:05,910 --> 00:47:03,510

talks a little bit about uh his stuff so

917

00:47:07,670 --> 00:47:05,920

you can see below we went over this but

918

00:47:09,430 --> 00:47:07,680

even before he underwent

919

00:47:11,030 --> 00:47:09,440

the life-changing experience of becoming

920

00:47:12,790 --> 00:47:11,040

the first man to sleep in space he

921

00:47:16,630 --> 00:47:12,800

claimed to have seen ufos flying over

922

00:47:19,270 --> 00:47:16,640

germany in 1951.

923

00:47:21,030 --> 00:47:19,280

spaceman also said he saw flying saucers

924

00:47:22,790 --> 00:47:21,040

spying on a secret airbase where

925

00:47:24,870 --> 00:47:22,800

experimental american aircraft were

926
00:47:27,030 --> 00:47:24,880
being tested that was edwards air force

927
00:47:28,549 --> 00:47:27,040
base in case we went over

928
00:47:30,069 --> 00:47:28,559
i believe that these extraterrestrial

929
00:47:35,990 --> 00:47:30,079
vehicles and their crews are visiting

930
00:47:40,150 --> 00:47:37,829
we may first have to show them that we

931
00:47:42,150 --> 00:47:40,160
have learned how to resolve our problems

932
00:47:45,670 --> 00:47:42,160
by peaceful means

933
00:47:52,150 --> 00:47:48,710
that is a common theme

934
00:47:54,950 --> 00:47:52,160
uh one more thing

935
00:47:56,549 --> 00:47:54,960
actually about cooper

936
00:47:58,870 --> 00:47:56,559
before we move on to the other

937
00:48:01,190 --> 00:47:58,880
astronauts which we will

938
00:48:02,950 --> 00:48:01,200

just hang tight

939

00:48:07,670 --> 00:48:02,960

but before we move on from cooper i have

940

00:48:07,680 --> 00:48:10,870

and this is

941

00:48:10,880 --> 00:48:15,910

uh an interview

942

00:48:20,470 --> 00:48:18,950

that that he did and he uh signed off on

943

00:48:26,630 --> 00:48:20,480

it give signature and everything like

944

00:48:30,470 --> 00:48:28,790

uh so the and i found it pretty

945

00:48:32,069 --> 00:48:30,480

interesting omni what about the repeated

946

00:48:34,470 --> 00:48:32,079

allegations that astronauts saw many

947

00:48:36,230 --> 00:48:34,480

ufos

948

00:48:38,549 --> 00:48:36,240

so here he's talking about how it got so

949

00:48:39,589 --> 00:48:38,559

bad that there is a lot of allegations

950

00:48:41,030 --> 00:48:39,599

it got so bad that there were

951

00:48:42,630 --> 00:48:41,040

deliberately falsified tapes of

952

00:48:45,270 --> 00:48:42,640

communications with the astronauts where

953

00:48:47,349 --> 00:48:45,280

ufo material was simply edited in

954

00:48:49,430 --> 00:48:47,359

to my knowledge the only astronaut

955

00:48:51,349 --> 00:48:49,440

on any of the mercury germany or apollo

956

00:48:53,670 --> 00:48:51,359

missions who ever saw anything that

957

00:48:55,190 --> 00:48:53,680

might have been ufo was jim mcdivot uh

958

00:48:57,270 --> 00:48:55,200

but he didn't get enough pictures to

959

00:48:58,710 --> 00:48:57,280

prove anything substantial that's

960

00:49:01,990 --> 00:48:58,720

the only case in spite of all the

961

00:49:03,910 --> 00:49:02,000

stories you hear

962

00:49:06,790 --> 00:49:03,920

didn't you go after some ufos as an air

963

00:49:08,549 --> 00:49:06,800

force pilot in germany in the 1950s

964

00:49:10,309 --> 00:49:08,559

it says yes several days in a row we

965

00:49:12,069 --> 00:49:10,319

cite groups of metallic saucer-shaped

966

00:49:14,150 --> 00:49:12,079

vehicles at great altitudes over the

967

00:49:15,910 --> 00:49:14,160

base we tried to get close to them but

968

00:49:17,910 --> 00:49:15,920

they were able to change direction

969

00:49:19,589 --> 00:49:17,920

faster than our fighters i do believe

970

00:49:22,150 --> 00:49:19,599

ufos exist and that the truly

971

00:49:24,390 --> 00:49:22,160

unexplained ones are from some other

972

00:49:26,230 --> 00:49:24,400

technologically advanced civilization

973

00:49:28,309 --> 00:49:26,240

for my association with aircraft and

974

00:49:30,630 --> 00:49:28,319

spacecraft i think i have a pretty good

975

00:49:32,790 --> 00:49:30,640

idea of what everyone on this planet has

976
00:49:34,870 --> 00:49:32,800
and their performance capabilities and

977
00:49:38,150 --> 00:49:34,880
i'm sure some of the ufos at least are

978
00:49:39,670 --> 00:49:38,160
not from anywhere on earth

979
00:49:42,230 --> 00:49:39,680
aren't you concerned about the reaction

980
00:49:43,670 --> 00:49:42,240
of people who may read this

981
00:49:45,270 --> 00:49:43,680
i've always been honest about my views

982
00:49:47,190 --> 00:49:45,280
on this subject because the astronauts

983
00:49:49,270 --> 00:49:47,200
have been so badly misquoted by

984
00:49:51,349 --> 00:49:49,280
irresponsible journalists it's up to

985
00:49:53,430 --> 00:49:51,359
each of us to say what he believes in

986
00:49:55,349 --> 00:49:53,440
i'm engaged in a lawsuit against people

987
00:49:57,030 --> 00:49:55,359
he used my name for a commercial venture

988
00:49:58,549 --> 00:49:57,040

quoting me to the effect that i'm

989

00:50:00,470 --> 00:49:58,559

dedicated to forcing the government to

990

00:50:02,950 --> 00:50:00,480

tell the truth about ufos

991

00:50:05,190 --> 00:50:02,960

i've never said that at all and any ufo

992

00:50:09,829 --> 00:50:05,200

information is being suppressed

993

00:50:13,670 --> 00:50:11,589

because i was at a high enough level to

994

00:50:15,430 --> 00:50:13,680

know about it

995

00:50:16,870 --> 00:50:15,440

in defense of the military attitude i

996

00:50:18,710 --> 00:50:16,880

can't really blame them for being

997

00:50:20,470 --> 00:50:18,720

negative when i consider ridiculous

998

00:50:21,910 --> 00:50:20,480

things that have been said and written

999

00:50:23,829 --> 00:50:21,920

and the fact that the military is

1000

00:50:24,549 --> 00:50:23,839

responsible for national security it's a

1001
00:50:27,670 --> 00:50:24,559
little

1002
00:50:29,190 --> 00:50:27,680
now this is this last sentence

1003
00:50:34,470 --> 00:50:29,200
is

1004
00:50:40,069 --> 00:50:34,480
exactly spot on correct for why

1005
00:50:42,630 --> 00:50:41,349
it's a little embarrassing to

1006
00:50:45,910 --> 00:50:42,640
acknowledge

1007
00:50:50,630 --> 00:50:45,920
that they can't explain some things

1008
00:50:52,829 --> 00:50:51,990
you know

1009
00:50:55,270 --> 00:50:52,839
but i

1010
00:50:57,270 --> 00:50:55,280
think that's why i also think that we're

1011
00:50:59,030 --> 00:50:57,280
kind of crossing

1012
00:51:00,630 --> 00:50:59,040
a threshold here with the current

1013
00:51:02,870 --> 00:51:00,640

disclosure movements because they're

1014

00:51:09,430 --> 00:51:02,880

beginning to admit that

1015

00:51:09,440 --> 00:51:14,150

you know

1016

00:51:18,470 --> 00:51:16,470

that's being admitted

1017

00:51:21,190 --> 00:51:18,480

is it enough hell no

1018

00:51:22,710 --> 00:51:21,200

but it's a start

1019

00:51:23,829 --> 00:51:22,720

people want to know what's going on in

1020

00:51:25,270 --> 00:51:23,839

the world around them and i think

1021

00:51:27,109 --> 00:51:25,280

they're prepared for the truth whatever

1022

00:51:28,790 --> 00:51:27,119

it is a lot of people don't believe

1023

00:51:29,829 --> 00:51:28,800

anything about ufos because of the

1024

00:51:31,190 --> 00:51:29,839

observed

1025

00:51:33,510 --> 00:51:31,200

uh

1026
00:51:35,910 --> 00:51:33,520
treatises that have come

1027
00:51:38,230 --> 00:51:35,920
out on the subject and a lot of people

1028
00:51:39,510 --> 00:51:38,240
are afraid of the unknown but the more

1029
00:51:41,030 --> 00:51:39,520
we know

1030
00:51:43,829 --> 00:51:41,040
the greater the likelihood of treating

1031
00:51:48,069 --> 00:51:43,839
ufos in a friendly fashion

1032
00:51:53,030 --> 00:51:49,750
so many people throughout the years you

1033
00:51:56,630 --> 00:51:54,630
saying yes the american people are ready

1034
00:51:59,670 --> 00:51:56,640
for the truth give them the truth

1035
00:51:59,680 --> 00:52:04,710
jesus

1036
00:52:08,870 --> 00:52:05,990
jeepers

1037
00:52:11,430 --> 00:52:09,589
so

1038
00:52:12,950 --> 00:52:11,440

we'll go back to this because

1039

00:52:15,270 --> 00:52:12,960

i know you want to know the other

1040

00:52:17,589 --> 00:52:15,280

astronauts that were mentioned

1041

00:52:19,910 --> 00:52:17,599

and i'm not too familiar with these

1042

00:52:21,829 --> 00:52:19,920

uh dick slayton

1043

00:52:23,109 --> 00:52:21,839

there he is

1044

00:52:28,870 --> 00:52:23,119

cool haircut

1045

00:52:33,510 --> 00:52:30,950

look at this also a part of project

1046

00:52:35,030 --> 00:52:33,520

mercury before enjoying an illustrious

1047

00:52:37,510 --> 00:52:35,040

career which saw him serve as nasa's

1048

00:52:41,270 --> 00:52:37,520

director flight crew operations but he

1049

00:52:43,670 --> 00:52:41,280

also reportedly saw ufo in 1951.

1050

00:52:45,510 --> 00:52:43,680

it looked like a saucer sitting at a 45

1051
00:52:47,190 --> 00:52:45,520
degree angle he said according to the

1052
00:52:49,430 --> 00:52:47,200
daily star

1053
00:52:51,510 --> 00:52:49,440
who is still breaking stories on ufos to

1054
00:52:55,510 --> 00:52:51,520
this day by the way they broke the story

1055
00:52:58,790 --> 00:52:56,710
shout out

1056
00:53:00,950 --> 00:52:58,800
to christopher sharp

1057
00:53:02,870 --> 00:53:00,960
i didn't have any cameras otherwise i

1058
00:53:04,710 --> 00:53:02,880
would have shot some pictures at that

1059
00:53:05,990 --> 00:53:04,720
time for whatever reason it just took

1060
00:53:09,190 --> 00:53:06,000
off climbing

1061
00:53:11,270 --> 00:53:09,200
just accelerated and disappeared

1062
00:53:14,150 --> 00:53:11,280
then we have brian o'leary

1063
00:53:19,190 --> 00:53:14,160

strapping young gentleman

1064

00:53:23,829 --> 00:53:21,349

he never made it into space but he was

1065

00:53:27,670 --> 00:53:23,839

one of 11 astronauts named for a

1066

00:53:29,589 --> 00:53:27,680

possible nasa mars mission in the 1960s

1067

00:53:31,829 --> 00:53:29,599

later in his life o'leary had a

1068

00:53:34,230 --> 00:53:31,839

near-death experience which changed his

1069

00:53:36,549 --> 00:53:34,240

perspective on life and reality

1070

00:53:38,069 --> 00:53:36,559

wow a near-death experience that is

1071

00:53:40,950 --> 00:53:38,079

intense

1072

00:53:42,390 --> 00:53:40,960

dr o'leary who became respect who became

1073

00:53:44,390 --> 00:53:42,400

a respected physics professor at

1074

00:53:47,510 --> 00:53:44,400

princeton university after leaving nasa

1075

00:53:51,829 --> 00:53:47,520

said there is abundant evidence that we

1076

00:53:57,030 --> 00:53:54,230

civilizations have been monitoring us

1077

00:53:58,950 --> 00:53:57,040

for a very long time and that their

1078

00:54:01,349 --> 00:53:58,960

appearance is bizarre from any type of

1079

00:54:03,349 --> 00:54:01,359

traditional materialistic western point

1080

00:54:05,190 --> 00:54:03,359

of view

1081

00:54:09,190 --> 00:54:05,200

let's read that one again

1082

00:54:12,950 --> 00:54:11,270

he never made it into space but he was

1083

00:54:16,630 --> 00:54:12,960

one of 11 astronauts named for a

1084

00:54:18,069 --> 00:54:16,640

possible nasa mars mission in the 1960s

1085

00:54:19,990 --> 00:54:18,079

later in his life o'leary had a

1086

00:54:22,230 --> 00:54:20,000

near-death experience which changed his

1087

00:54:24,470 --> 00:54:22,240

perspective on life and reality

1088

00:54:26,309 --> 00:54:24,480

dr o'leary who became respected physics

1089

00:54:27,990 --> 00:54:26,319

professor at princeton university after

1090

00:54:31,349 --> 00:54:28,000

leaving nasa said

1091

00:54:34,630 --> 00:54:31,359

there is abundant evidence that we are

1092

00:54:39,270 --> 00:54:36,630

civilizations have been monitoring us

1093

00:54:41,270 --> 00:54:39,280

for a very long time

1094

00:54:43,430 --> 00:54:41,280

and that their appearance is bizarre

1095

00:54:47,990 --> 00:54:43,440

from any type of traditional

1096

00:54:52,710 --> 00:54:49,430

physics professor at princeton

1097

00:54:52,720 --> 00:54:55,670

wow

1098

00:54:55,680 --> 00:55:00,630

that is awesome

1099

00:55:09,750 --> 00:55:03,030

very cool

1100

00:55:15,109 --> 00:55:12,630

and then we're still stuck with some

1101
00:55:17,109 --> 00:55:15,119
pretty smart people that are just closed

1102
00:55:18,829 --> 00:55:17,119
off on this topic

1103
00:55:21,109 --> 00:55:18,839
like neil degrasse

1104
00:55:22,470 --> 00:55:21,119
tyson you know he's actually a brilliant

1105
00:55:24,150 --> 00:55:22,480
man

1106
00:55:25,750 --> 00:55:24,160
he's actually given some very moving

1107
00:55:27,270 --> 00:55:25,760
speeches one i just listened to not too

1108
00:55:31,829 --> 00:55:27,280
long ago

1109
00:55:38,710 --> 00:55:34,470
he's just not having it and that's

1110
00:55:43,430 --> 00:55:40,309
to make headway in this we have people

1111
00:55:46,309 --> 00:55:43,440
like dr avi loeb

1112
00:55:48,390 --> 00:55:46,319
nasa is doing this

1113
00:55:49,670 --> 00:55:48,400

study right that's all over the news

1114

00:55:52,549 --> 00:55:49,680

right now and what they're doing right

1115

00:55:54,470 --> 00:55:52,559

now is looking at information

1116

00:55:56,950 --> 00:55:54,480

that's already out

1117

00:56:00,789 --> 00:55:56,960

seeing what's there

1118

00:56:04,470 --> 00:56:02,470

and seeing what they need to do to get

1119

00:56:05,670 --> 00:56:04,480

better information if it's not being

1120

00:56:08,630 --> 00:56:05,680

done already

1121

00:56:11,190 --> 00:56:08,640

using the same tools

1122

00:56:15,750 --> 00:56:11,200

that they already have

1123

00:56:19,589 --> 00:56:17,670

andre says

1124

00:56:21,829 --> 00:56:19,599

not so sure about the brilliant part

1125

00:56:26,470 --> 00:56:21,839

about neil degrasse tyson

1126

00:56:30,630 --> 00:56:27,670

you know

1127

00:56:32,789 --> 00:56:30,640

he's gone to

1128

00:56:35,589 --> 00:56:32,799

he's a smart guy and it sucks that he

1129

00:56:38,630 --> 00:56:35,599

that he doesn't see uh the reality of

1130

00:56:40,069 --> 00:56:38,640

the situation here you know

1131

00:56:42,470 --> 00:56:40,079

and i wish he did and hopefully that

1132

00:56:44,150 --> 00:56:42,480

changes but i refuse to say that he's

1133

00:56:46,789 --> 00:56:44,160

not a smart person because of that you

1134

00:56:50,950 --> 00:56:48,950

just sucks there's a there's a lot of

1135

00:56:52,950 --> 00:56:50,960

smart people that

1136

00:56:55,349 --> 00:56:52,960

don't see the truth of it and but that's

1137

00:56:59,270 --> 00:56:55,359

because i think this topic just like

1138

00:57:01,109 --> 00:56:59,280

other paranormal stuff is a different

1139

00:57:03,510 --> 00:57:01,119

it's just a different thing

1140

00:57:06,069 --> 00:57:03,520

you know some people are just so in the

1141

00:57:12,309 --> 00:57:07,510

and they can be super brilliant and

1142

00:57:15,190 --> 00:57:12,319

smart but not get out of their box

1143

00:57:16,950 --> 00:57:15,200

and that's just uh

1144

00:57:19,190 --> 00:57:16,960

it's a hard thing to pull people out of

1145

00:57:22,390 --> 00:57:21,190

and i empathize and i understand why

1146

00:57:23,910 --> 00:57:22,400

people can't

1147

00:57:26,789 --> 00:57:23,920

believe in this stuff because it's

1148

00:57:28,950 --> 00:57:26,799

unbelievable

1149

00:57:31,109 --> 00:57:28,960

it really is but that doesn't mean that

1150

00:57:34,390 --> 00:57:31,119

it's not true

1151

00:57:41,510 --> 00:57:38,870

ufos have visited this earth

1152

00:57:42,870 --> 00:57:41,520

you know i've had encounters with them

1153

00:57:44,549 --> 00:57:42,880

other people have had encounters with

1154

00:57:46,230 --> 00:57:44,559

them

1155

00:57:47,430 --> 00:57:46,240

but a lot of us

1156

00:57:50,470 --> 00:57:47,440

wouldn't be here without those

1157

00:57:55,030 --> 00:57:52,230

it's a hard thing to wrap your head

1158

00:57:56,549 --> 00:57:55,040

around

1159

00:58:00,309 --> 00:57:56,559

and unfortunately some people have to

1160

00:58:00,319 --> 00:58:05,510

until they're ready

1161

00:58:09,510 --> 00:58:07,990

and josh is right josh is exactly right

1162

00:58:11,510 --> 00:58:09,520

how many people have you

1163

00:58:12,950 --> 00:58:11,520

known in your life that you know they're

1164

00:58:15,109 --> 00:58:12,960

smart people but

1165

00:58:16,630 --> 00:58:15,119

when you say something to them that

1166

00:58:18,710 --> 00:58:16,640

maybe

1167

00:58:20,150 --> 00:58:18,720

even if it's proven that they're wrong

1168

00:58:21,430 --> 00:58:20,160

about it

1169

00:58:23,109 --> 00:58:21,440

they just don't buy it they don't

1170

00:58:26,789 --> 00:58:23,119

believe it

1171

00:58:31,109 --> 00:58:26,799

in fact they'll talk down you about it

1172

00:58:34,789 --> 00:58:32,630

and they can't imagine that they could

1173

00:58:39,109 --> 00:58:34,799

be wrong about something and somebody

1174

00:58:44,230 --> 00:58:40,870

and that's one of the reasons i love avi

1175

00:58:46,549 --> 00:58:44,240

loeb is because he is all about

1176

00:58:48,230 --> 00:58:46,559

smashing your ego to pieces

1177

00:58:50,390 --> 00:58:48,240

because if we're going to learn anything

1178

00:58:52,630 --> 00:58:50,400

about another intelligent life

1179

00:58:54,150 --> 00:58:52,640

we're gonna have to check our ego at the

1180

00:58:56,470 --> 00:58:54,160

door

1181

00:58:58,950 --> 00:58:56,480

because

1182

00:59:01,109 --> 00:58:58,960

of what that means for for mankind and

1183

00:59:02,549 --> 00:59:01,119

the reality of our world

1184

00:59:10,789 --> 00:59:02,559

which is

1185

00:59:10,799 --> 00:59:14,710

when your reality is flipped on its head

1186

00:59:14,720 --> 00:59:19,270

it's called ontological shock

1187

00:59:22,470 --> 00:59:20,710

you know

1188

00:59:23,510 --> 00:59:22,480

and it's coming for all of us at some

1189

00:59:26,549 --> 00:59:23,520

point

1190

00:59:33,670 --> 00:59:28,069

i don't know if it'll be in the next 10

1191

00:59:37,510 --> 00:59:35,270

that truth is going to be known as the

1192

00:59:39,589 --> 00:59:37,520

entire world

1193

00:59:43,270 --> 00:59:39,599

and for the good of mankind i hope it's

1194

00:59:53,510 --> 00:59:45,109

you know but a couple things need to be

1195

00:59:58,150 --> 00:59:55,190

you know trusting some of the people

1196

01:00:09,589 --> 01:00:01,670

to get disclosure to the finish line

1197

01:00:09,599 --> 01:00:14,309

feeding off of one another

1198

01:00:14,319 --> 01:00:17,670

building each other up

1199

01:00:17,680 --> 01:00:21,270

not putting each other down

1200

01:00:25,510 --> 01:00:23,430

disregarding putting people in the

1201

01:00:27,510 --> 01:00:25,520

corner when they're not contributing

1202

01:00:29,750 --> 01:00:27,520

to this community other than bringing

1203

01:00:32,230 --> 01:00:29,760

more drama to it

1204

01:00:35,750 --> 01:00:32,240

we're trying to profit off of it via ufo

1205

01:00:39,910 --> 01:00:37,990

somebody's ufotainment

1206

01:00:41,589 --> 01:00:39,920

don't give them any air

1207

01:00:43,430 --> 01:00:41,599

this community's been plagued by that

1208

01:00:46,630 --> 01:00:43,440

poison for way too long and it stopped

1209

01:00:54,870 --> 01:00:46,640

us from having any progress

1210

01:00:59,109 --> 01:00:56,309

we need humble people that want to work

1211

01:01:01,910 --> 01:01:00,390

and if you can't do that yourself

1212

01:01:03,109 --> 01:01:01,920

support people who are doing that

1213

01:01:05,109 --> 01:01:03,119

because

1214

01:01:06,710 --> 01:01:05,119

you know maybe even if it's not me but

1215

01:01:10,710 --> 01:01:06,720

um there's other people like me i don't

1216

01:01:10,720 --> 01:01:15,510

in fact it takes up a lot of my time

1217

01:01:21,910 --> 01:01:17,430

unfortunately i don't have any other

1218

01:01:24,549 --> 01:01:21,920

options because i'm freaking obsessed

1219

01:01:26,069 --> 01:01:24,559

because i had my own encounter and i

1220

01:01:28,150 --> 01:01:26,079

don't know what else to do about it than

1221

01:01:33,670 --> 01:01:28,160

doing stuff like this

1222

01:01:37,589 --> 01:01:35,109

but there's other people like me that

1223

01:01:39,910 --> 01:01:37,599

need support too

1224

01:01:42,470 --> 01:01:39,920

and even if it means just subscribing to

1225

01:01:44,630 --> 01:01:42,480

a channel or sharing a video

1226

01:01:47,829 --> 01:01:44,640

or giving a couple bucks sometimes that

1227

01:01:51,030 --> 01:01:49,990

so and you guys are just so fantastic in

1228

01:01:55,109 --> 01:01:51,040

the chat

1229

01:01:59,109 --> 01:01:57,910

being kind respectful

1230

01:02:00,710 --> 01:01:59,119

supportive

1231

01:02:03,829 --> 01:02:00,720

if we keep doing that

1232

01:02:08,789 --> 01:02:03,839

if you guys keep doing that

1233

01:02:08,799 --> 01:02:11,510

you know

1234

01:02:15,750 --> 01:02:13,349

and i'm not the type to continue to sit

1235

01:02:17,349 --> 01:02:15,760

on old information and just sit there

1236

01:02:18,549 --> 01:02:17,359

you know i have to keep learning new

1237

01:02:19,910 --> 01:02:18,559

things

1238

01:02:21,510 --> 01:02:19,920

so i'm not always going to be in these

1239

01:02:24,710 --> 01:02:21,520

old documents at some point i'm going to

1240

01:02:26,549 --> 01:02:24,720

move beyond that you know

1241

01:02:30,150 --> 01:02:26,559

and that's you know

1242

01:02:32,710 --> 01:02:31,670

i look forward to that because that'll

1243

01:02:34,870 --> 01:02:32,720

be quite

1244

01:02:36,630 --> 01:02:34,880

a revelation

1245

01:02:40,069 --> 01:02:36,640

hopefully for not just myself but for

1246

01:02:43,349 --> 01:02:42,069

with that being said y'all i'm gonna get

1247

01:02:46,870 --> 01:02:43,359

out of here

1248

01:02:48,710 --> 01:02:46,880

i will see you tomorrow hopefully

1249

01:02:51,190 --> 01:02:48,720

same time

1250

01:02:53,990 --> 01:02:51,200

in the gold room we've got robert cofort

1251

01:02:57,670 --> 01:02:54,000

coming up at 2 p.m central standard time

1252

01:03:02,470 --> 01:02:59,670

it's going to be fantastic we haven't

1253

01:03:05,829 --> 01:03:02,480

had him on in a long time uh he's been a

1254

01:03:07,990 --> 01:03:05,839

ufo researcher for a while so

1255

01:03:10,630 --> 01:03:08,000

uh i look forward to you know because

1256

01:03:13,990 --> 01:03:10,640

picking his brain about some stuff

1257

01:03:15,270 --> 01:03:14,000

you know um talking trap about ufos

1258

01:03:17,109 --> 01:03:15,280

maybe about the current course of

1259

01:03:19,109 --> 01:03:17,119

disclosure

1260

01:03:22,870 --> 01:03:19,119

uh what went wrong

1261

01:03:24,069 --> 01:03:22,880

in the old days about ufos

1262

01:03:25,090 --> 01:03:24,079

you know

1263

01:03:27,430 --> 01:03:25,100

everything i guess but

1264

01:03:30,069 --> 01:03:27,440

[Laughter]

1265

01:03:31,829 --> 01:03:30,079

we'll talk about some specific things so

1266

01:03:33,910 --> 01:03:31,839

uh with that being said like the video

1267

01:03:36,069 --> 01:03:33,920

if you haven't subscribe if you're not

1268

01:03:39,670 --> 01:03:36,079

subscribed share it

1269

01:03:41,670 --> 01:03:39,680

um and stay positive and

1270

01:03:43,750 --> 01:03:41,680

yeah stay up
