

Sean

Jay Christopher King

Vinnie

1
00:00:05,510 --> 00:00:02,629

i believe

2
00:00:07,430 --> 00:00:05,520

july 12th for so many of us not just for

3
00:00:10,150 --> 00:00:07,440

the researchers but for all of us will

4
00:00:12,789 --> 00:00:10,160

be that sense i remember how close to

5
00:00:15,589 --> 00:00:12,799

tears i was that moment because it's a

6
00:00:16,870 --> 00:00:15,599

an emotional moment when you see nature

7
00:00:19,349 --> 00:00:16,880

suddenly

8
00:00:21,670 --> 00:00:19,359

releasing some of its secrets and i

9
00:00:24,310 --> 00:00:21,680

would like you to i just imagine and

10
00:00:25,509 --> 00:00:24,320

kind of look forward to that no it's not

11
00:00:27,269 --> 00:00:25,519

an image

12
00:00:29,990 --> 00:00:27,279

it's a new world view that you're going

13
00:00:31,750 --> 00:00:30,000

to see a nature gifting up secrets that

14

00:00:33,510 --> 00:00:31,760

have been there

15

00:00:35,830 --> 00:00:33,520

for uh many

16

00:00:39,350 --> 00:00:35,840

many

17

00:00:41,910 --> 00:00:39,360

decades centuries millennia forever

18

00:00:42,790 --> 00:00:41,920

with what what i have seen

19

00:00:44,389 --> 00:00:42,800

just

20

00:00:46,549 --> 00:00:44,399

moved me

21

00:00:48,630 --> 00:00:46,559

as a scientist

22

00:00:50,310 --> 00:00:48,640

as an engineer

23

00:00:51,510 --> 00:00:50,320

and as a human being the teams are

24

00:00:53,350 --> 00:00:51,520

really working hard i just want to

25

00:00:55,270 --> 00:00:53,360

acknowledge the hard work they're doing

26
00:00:57,590 --> 00:00:55,280
but for me looking at one of these

27
00:00:59,590 --> 00:00:57,600
images frankly uh i had the same feeling

28
00:01:02,150 --> 00:00:59,600
like that night which i told you the

29
00:01:04,390 --> 00:01:02,160
story because you really feel like the

30
00:01:07,750 --> 00:01:04,400
sky is opening up and you're in a in a

31
00:01:09,429 --> 00:01:07,760
moment on time and kind of a space

32
00:01:11,190 --> 00:01:09,439
that you'll forever remember because you

33
00:01:13,109 --> 00:01:11,200
saw the universe like nobody has seen it

34
00:01:14,230 --> 00:01:13,119
yet and

35
00:01:17,510 --> 00:01:14,240
billions

36
00:01:19,270 --> 00:01:17,520
will see it on the 12th so i was kind of

37
00:01:23,240 --> 00:01:19,280
a sense of awe

38
00:01:32,310 --> 00:01:23,250

and frankly got emotional

39

00:02:13,589 --> 00:01:32,320

[Music]

40

00:02:13,599 --> 00:02:18,480

do

41

00:02:45,670 --> 00:02:27,510

[Music]

42

00:02:50,390 --> 00:02:48,949

what's up everybody how are you

43

00:02:51,509 --> 00:02:50,400

i have one more person that i have to

44

00:02:53,509 --> 00:02:51,519

bring in

45

00:02:55,750 --> 00:02:53,519

and i'm sure you know who that is it's

46

00:02:57,190 --> 00:02:55,760

mr j christopher king how are you

47

00:02:58,229 --> 00:02:57,200

i'm doing really well sean how are you

48

00:02:59,430 --> 00:02:58,239

doing

49

00:03:02,390 --> 00:02:59,440

pretty good

50

00:03:05,830 --> 00:03:02,400

uh i wasn't gonna do a new intro but uh

51
00:03:08,149 --> 00:03:05,840
since there's been so much talk about it

52
00:03:09,830 --> 00:03:08,159
you know and it's kind of the big

53
00:03:11,190 --> 00:03:09,840
you know to do

54
00:03:12,470 --> 00:03:11,200
i thought i would do it

55
00:03:13,509 --> 00:03:12,480
i think

56
00:03:15,430 --> 00:03:13,519
yeah

57
00:03:18,070 --> 00:03:15,440
sean's saying like oh i wasn't gonna do

58
00:03:19,030 --> 00:03:18,080
an intro bull hockey bull hockey my

59
00:03:19,750 --> 00:03:19,040
friends

60
00:03:23,190 --> 00:03:19,760
what

61
00:03:25,190 --> 00:03:23,200
the heck is bull hockey i mean i'm just

62
00:03:26,309 --> 00:03:25,200
trying to use some

63
00:03:27,670 --> 00:03:26,319

grandpa

64

00:03:30,710 --> 00:03:27,680

uh

65

00:03:32,630 --> 00:03:30,720

malarkey a malarkey that is malarkey

66

00:03:34,710 --> 00:03:32,640

that's definitely more that was one of

67

00:03:35,509 --> 00:03:34,720

the best intros i've seen i mean out of

68

00:03:40,550 --> 00:03:35,519

the

69

00:03:42,710 --> 00:03:40,560

seven months of wednesday friending with

70

00:03:44,949 --> 00:03:42,720

you i think or something like that six

71

00:03:46,390 --> 00:03:44,959

and a half seven months or so

72

00:03:48,949 --> 00:03:46,400

that's one of my that's one of my

73

00:03:50,869 --> 00:03:48,959

favorites so far i think

74

00:03:52,550 --> 00:03:50,879

if you were to if you were to if you

75

00:03:54,229 --> 00:03:52,560

were to chill out and get lazy one week

76

00:03:56,470 --> 00:03:54,239

i think repeating that one wouldn't be

77

00:03:57,750 --> 00:03:56,480

so bad i also liked the tune

78

00:03:58,710 --> 00:03:57,760

it kind of

79

00:04:03,830 --> 00:03:58,720

it was

80

00:04:05,750 --> 00:04:03,840

slash stranger things kind of vibes and

81

00:04:08,070 --> 00:04:05,760

really stranger things yeah

82

00:04:10,149 --> 00:04:08,080

yeah well i'm working on that uh like

83

00:04:11,589 --> 00:04:10,159

kind of like movie type of thing and

84

00:04:15,670 --> 00:04:11,599

that's like the

85

00:04:18,629 --> 00:04:15,680

the main like song for it basically so

86

00:04:20,629 --> 00:04:18,639

i love it so i have a different uh yeah

87

00:04:22,150 --> 00:04:20,639

but i see her pretty cool and couldn't

88

00:04:24,150 --> 00:04:22,160

wait to play it so

89

00:04:26,230 --> 00:04:24,160

i see over in the chat that everybody

90

00:04:28,469 --> 00:04:26,240

else seemed to have really dug it as

91

00:04:30,550 --> 00:04:28,479

well and and if they didn't dig it

92

00:04:32,550 --> 00:04:30,560

they're not talking on on the chat right

93

00:04:34,870 --> 00:04:32,560

now so yeah which is totally fine too

94

00:04:36,629 --> 00:04:34,880

which is for by by the way since i

95

00:04:38,950 --> 00:04:36,639

started out with something some people

96

00:04:41,430 --> 00:04:38,960

liked hit that like button

97

00:04:44,790 --> 00:04:41,440

you know otherwise if you don't then

98

00:04:46,070 --> 00:04:44,800

youtube just takes me off the their

99

00:04:48,230 --> 00:04:46,080

platform

100

00:04:51,590 --> 00:04:48,240

and they take my house away

101
00:04:53,189 --> 00:04:51,600
and my wife and they make me sleep

102
00:04:55,830 --> 00:04:53,199
in a ditch somewhere

103
00:04:57,830 --> 00:04:55,840
so he told my

104
00:04:59,749 --> 00:04:57,840
please hit the like button

105
00:05:02,710 --> 00:04:59,759
but how about how about those

106
00:05:04,870 --> 00:05:02,720
those uh those comments from nasa hey

107
00:05:05,990 --> 00:05:04,880
that's amazing that was just today right

108
00:05:08,469 --> 00:05:06,000
earlier yes

109
00:05:10,870 --> 00:05:08,479
so they had they had a briefing or like

110
00:05:12,710 --> 00:05:10,880
a teleconference they call it much like

111
00:05:14,550 --> 00:05:12,720
the one they had on uap with the same

112
00:05:17,189 --> 00:05:14,560
guy too which i thought was pretty

113
00:05:19,990 --> 00:05:17,199

interesting but um

114

00:05:22,310 --> 00:05:20,000

and it was on you know kind of pretty

115

00:05:24,870 --> 00:05:22,320

much preparing

116

00:05:26,550 --> 00:05:24,880

uh to release the first photos from the

117

00:05:28,629 --> 00:05:26,560

james webb telescope

118

00:05:30,310 --> 00:05:28,639

on july 12th

119

00:05:33,270 --> 00:05:30,320

and

120

00:05:35,110 --> 00:05:33,280

these

121

00:05:37,670 --> 00:05:35,120

freaking

122

00:05:38,950 --> 00:05:37,680

comments and things they said were were

123

00:05:40,469 --> 00:05:38,960

um

124

00:05:42,550 --> 00:05:40,479

i don't know pretty pretty big deal

125

00:05:44,469 --> 00:05:42,560

they're obviously you know the couple

126

00:05:46,710 --> 00:05:44,479

people there they saw

127

00:05:48,390 --> 00:05:46,720

you know the photos they talked about

128

00:05:50,550 --> 00:05:48,400

how the decision to pick

129

00:05:52,629 --> 00:05:50,560

which photos were it was coming from the

130

00:05:53,830 --> 00:05:52,639

bottom up or whatever which i thought

131

00:05:57,110 --> 00:05:53,840

was pretty cool

132

00:05:57,909 --> 00:05:57,120

um but how kind of astonished they were

133

00:05:59,990 --> 00:05:57,919

uh

134

00:06:01,990 --> 00:06:00,000

at the photos so

135

00:06:03,990 --> 00:06:02,000

um you know that doesn't necessarily

136

00:06:05,990 --> 00:06:04,000

mean that they saw you know

137

00:06:08,550 --> 00:06:06,000

you know what shows about other you know

138

00:06:10,390 --> 00:06:08,560

aliens or other life forms or anything

139

00:06:12,790 --> 00:06:10,400

um but it's still pretty cool the way

140

00:06:13,749 --> 00:06:12,800

they were talking about it and i think

141

00:06:16,550 --> 00:06:13,759

there's

142

00:06:18,870 --> 00:06:16,560

uh a higher percentage for them learning

143

00:06:20,629 --> 00:06:18,880

more about other life forms the way they

144

00:06:22,469 --> 00:06:20,639

were talking about it you'll have to go

145

00:06:25,110 --> 00:06:22,479

go back in and listen to the whole thing

146

00:06:27,189 --> 00:06:25,120

but they stressed the fact about you

147

00:06:29,830 --> 00:06:27,199

know um

148

00:06:33,270 --> 00:06:29,840

you know looking at uh doing i forgot

149

00:06:36,790 --> 00:06:35,350

uh looking at a exoplanet in a certain

150

00:06:38,790 --> 00:06:36,800

way so you can see like the the

151
00:06:41,189 --> 00:06:38,800
signatures uh that are coming off the

152
00:06:42,469 --> 00:06:41,199
planet and all that and you know having

153
00:06:45,510 --> 00:06:42,479
different colors to show the different

154
00:06:47,029 --> 00:06:45,520
molecules the biosignatures or whatever

155
00:06:53,189 --> 00:06:47,039
um

156
00:06:56,150 --> 00:06:53,199
exoplanet or something they're doing so

157
00:06:59,270 --> 00:06:56,160
you know and the the way they didn't you

158
00:07:01,830 --> 00:06:59,280
know shy away either of um talking about

159
00:07:03,990 --> 00:07:01,840
um you know how

160
00:07:07,029 --> 00:07:04,000
they'll be able to basically

161
00:07:09,830 --> 00:07:08,150
kind of a

162
00:07:12,150 --> 00:07:09,840
as close as you can get to a firm

163
00:07:14,469 --> 00:07:12,160

conclusion of another life on the planet

164

00:07:17,029 --> 00:07:14,479

without actually like seeing it

165

00:07:18,070 --> 00:07:17,039

like the creature you know

166

00:07:20,629 --> 00:07:18,080

so

167

00:07:23,189 --> 00:07:20,639

i think that's pretty cool and uh they

168

00:07:26,230 --> 00:07:23,199

seem kind of positive about it so

169

00:07:29,909 --> 00:07:27,589

yeah i'm really

170

00:07:31,510 --> 00:07:29,919

i yeah you got your name i'm really

171

00:07:33,110 --> 00:07:31,520

excited about it too i think it's gonna

172

00:07:35,510 --> 00:07:33,120

be awesome i mean i'm looking forward to

173

00:07:38,070 --> 00:07:35,520

the photos it's cool that we only have

174

00:07:40,070 --> 00:07:38,080

uh about two weeks before

175

00:07:41,830 --> 00:07:40,080

those are starting to come in which is

176

00:07:43,670 --> 00:07:41,840

pretty which is pretty amazing

177

00:07:45,189 --> 00:07:43,680

considering it just felt like yesterday

178

00:07:47,029 --> 00:07:45,199

that they actually put that thing up

179

00:07:48,869 --> 00:07:47,039

there and we were all crossing our

180

00:07:49,909 --> 00:07:48,879

fingers about whether it was actually

181

00:07:52,150 --> 00:07:49,919

going to

182

00:07:55,510 --> 00:07:52,160

unfold like the beautiful piece of

183

00:07:56,950 --> 00:07:55,520

origami that they designed you know

184

00:08:00,150 --> 00:07:56,960

it's so strange

185

00:08:02,070 --> 00:08:00,160

that

186

00:08:04,390 --> 00:08:02,080

you know when we talk about all these

187

00:08:05,990 --> 00:08:04,400

craft and things like that

188

00:08:08,390 --> 00:08:06,000

and we talk about

189

00:08:10,869 --> 00:08:08,400

you know the potentialities of

190

00:08:12,629 --> 00:08:10,879

um a secret space

191

00:08:14,869 --> 00:08:12,639

a confidential space operation and

192

00:08:17,430 --> 00:08:14,879

things like that when we think about and

193

00:08:20,230 --> 00:08:17,440

when we saw all the cgi demonstrations

194

00:08:21,270 --> 00:08:20,240

of what the james webb telescope had to

195

00:08:22,230 --> 00:08:21,280

do

196

00:08:26,309 --> 00:08:22,240

to

197

00:08:28,469 --> 00:08:26,319

yeah i i mean i think we're all a little

198

00:08:31,670 --> 00:08:28,479

bit freaked out about the possibility of

199

00:08:33,750 --> 00:08:31,680

it not quite working right

200

00:08:35,509 --> 00:08:33,760

i'm like i'm getting bombarded by this

201

00:08:37,909 --> 00:08:35,519

weird youtube account sorry

202

00:08:40,230 --> 00:08:37,919

that's right i i think i blocked it uh

203

00:08:42,630 --> 00:08:40,240

naked hd we have more cheap sex and

204

00:08:45,750 --> 00:08:42,640

tinder it's a great great account name

205

00:08:49,269 --> 00:08:45,760

you know yeah i mean sure yeah

206

00:08:50,870 --> 00:08:49,279

so anyway yeah there's like 234

207

00:08:52,550 --> 00:08:50,880

like different things that had to go

208

00:08:53,509 --> 00:08:52,560

completely perfect for the whole thing

209

00:08:55,030 --> 00:08:53,519

to work

210

00:08:58,150 --> 00:08:55,040

and that was a part of the discussion

211

00:09:01,110 --> 00:08:58,160

they had too or where each uh

212

00:09:03,829 --> 00:09:01,120

uh thing went off perfectly apparently

213

00:09:06,310 --> 00:09:03,839

and and they discussed like

214

00:09:09,430 --> 00:09:06,320

how many years of you know

215

00:09:11,910 --> 00:09:09,440

above excellent you know performance had

216

00:09:13,990 --> 00:09:11,920

to happen for for that uh to work out

217

00:09:16,470 --> 00:09:14,000

like that so it yeah it was pretty

218

00:09:18,630 --> 00:09:16,480

interesting but you know we'll see how

219

00:09:20,870 --> 00:09:18,640

far it gets us in the you know the

220

00:09:22,870 --> 00:09:20,880

disclosure bracket it's interesting

221

00:09:25,509 --> 00:09:22,880

how you know

222

00:09:26,870 --> 00:09:25,519

they just started the uap thing you know

223

00:09:28,870 --> 00:09:26,880

and you can put these connections in

224

00:09:30,870 --> 00:09:28,880

your head all day like did they just do

225

00:09:33,190 --> 00:09:30,880

that uap thing because maybe they saw

226

00:09:35,269 --> 00:09:33,200

the photos and there was little space

227

00:09:36,270 --> 00:09:35,279

animals floating around or is that just

228

00:09:38,310 --> 00:09:36,280

a coincidence

229

00:09:39,030 --> 00:09:38,320

[Laughter]

230

00:09:41,670 --> 00:09:39,040

yeah

231

00:09:43,990 --> 00:09:41,680

you know it's interesting but

232

00:09:46,630 --> 00:09:44,000

um i guess enough about that unless you

233

00:09:48,630 --> 00:09:46,640

have anything else to throw down

234

00:09:50,790 --> 00:09:48,640

i mean well one thing is i remember

235

00:09:52,710 --> 00:09:50,800

between the unfurling and now

236

00:09:54,630 --> 00:09:52,720

one piece of news was

237

00:09:56,550 --> 00:09:54,640

that one of the tiny little mirrors had

238

00:09:57,670 --> 00:09:56,560

gotten hit right

239

00:09:59,350 --> 00:09:57,680

by like

240

00:10:02,550 --> 00:09:59,360

maybe

241

00:10:05,750 --> 00:10:02,560

sand or something like that and it

242

00:10:08,069 --> 00:10:05,760

caused an abrasion already and and

243

00:10:09,509 --> 00:10:08,079

just the delicacy i'm just struck by the

244

00:10:10,710 --> 00:10:09,519

delicacy of the whole thing because

245

00:10:13,030 --> 00:10:10,720

basically

246

00:10:15,750 --> 00:10:13,040

you know we're we're going to be looking

247

00:10:17,910 --> 00:10:15,760

at these amazing images and in a way

248

00:10:20,790 --> 00:10:17,920

you know it's like this giant delicate

249

00:10:22,790 --> 00:10:20,800

paper plane covered with dental mirrors

250

00:10:24,150 --> 00:10:22,800

just like hurtling through space and

251

00:10:25,509 --> 00:10:24,160

we're just crossing our fingers that

252

00:10:27,430 --> 00:10:25,519

it's going to keep working the way that

253

00:10:29,590 --> 00:10:27,440

it's supposed to right and we remember

254

00:10:31,990 --> 00:10:29,600

what happened with hubble how it kind of

255

00:10:34,550 --> 00:10:32,000

how how hubble screwed up after a little

256

00:10:37,030 --> 00:10:34,560

while and we were still able to use it

257

00:10:38,470 --> 00:10:37,040

as best we could as best we were able so

258

00:10:41,269 --> 00:10:38,480

i'm just hoping that they're just

259

00:10:45,030 --> 00:10:41,279

grabbing as much data as they can as as

260

00:10:49,670 --> 00:10:46,949

here's here's how their

261

00:10:52,949 --> 00:10:49,680

morning meeting goes all right act like

262

00:10:55,430 --> 00:10:52,959

this won't be here tomorrow go

263

00:10:57,509 --> 00:10:55,440

exactly right like come on you guys

264

00:10:59,670 --> 00:10:57,519

let's do let's we gotta do we have a

265

00:11:01,910 --> 00:10:59,680

third shift operation happening tell me

266

00:11:02,710 --> 00:11:01,920

we've got a third shift happening third

267

00:11:08,069 --> 00:11:02,720

shift

268

00:11:09,269 --> 00:11:08,079

yeah and it can't be like those third

269

00:11:11,110 --> 00:11:09,279

shift guys that we used to have at

270

00:11:13,190 --> 00:11:11,120

kinko's or fedex or anything like that

271

00:11:15,030 --> 00:11:13,200

it's gotta be got it yeah some top shelf

272

00:11:16,550 --> 00:11:15,040

third shifters yeah like someone who's

273

00:11:18,550 --> 00:11:16,560

been doing it their whole life they're

274

00:11:20,710 --> 00:11:18,560

used to it it's like breathing they work

275

00:11:22,150 --> 00:11:20,720

third shift you know that's right

276

00:11:23,829 --> 00:11:22,160

if they work first shift it's like

277

00:11:24,630 --> 00:11:23,839

they're in bizarre land kind of thing

278

00:11:25,829 --> 00:11:24,640

like

279

00:11:27,670 --> 00:11:25,839

i don't care if you have to take them

280

00:11:29,750 --> 00:11:27,680

from the local trucking company just

281

00:11:31,509 --> 00:11:29,760

because they're so used to third shift i

282

00:11:33,990 --> 00:11:31,519

want that kind of person

283

00:11:36,310 --> 00:11:34,000

i mean that i mean somebody that's in it

284

00:11:37,829 --> 00:11:36,320

for the long haul is the type of that we

285

00:11:39,030 --> 00:11:37,839

want right

286

00:11:41,269 --> 00:11:39,040

absolutely

287

00:11:43,269 --> 00:11:41,279

it was a good comment like timber chet

288

00:11:44,790 --> 00:11:43,279

uh predicted that some program will

289

00:11:47,269 --> 00:11:44,800

accidentally find the information in the

290

00:11:49,110 --> 00:11:47,279

future well that's kind of like uh

291

00:11:51,030 --> 00:11:49,120

you know what uh could be the case with

292

00:11:53,030 --> 00:11:51,040

nasa and the uap thing oh we're just

293

00:11:56,069 --> 00:11:53,040

gonna look at old data that we have and

294

00:11:56,870 --> 00:11:56,079

holy cow this was here the whole time

295

00:12:03,350 --> 00:11:56,880

you know

296

00:12:06,949 --> 00:12:03,360

yeah the brazilian uh uap uh

297

00:12:09,430 --> 00:12:06,959

i i i missed it did they call it uh uap

298

00:12:10,629 --> 00:12:09,440

or ufo i don't know but um they're in

299

00:12:12,150 --> 00:12:10,639

their hearings

300

00:12:12,870 --> 00:12:12,160

they were long

301
00:12:15,269 --> 00:12:12,880

yeah

302
00:12:18,069 --> 00:12:15,279

i i think from what i saw it was often

303
00:12:20,870 --> 00:12:18,079

more ufo hearings than uap hearings but

304
00:12:23,430 --> 00:12:20,880

oh but i skipped it we were gonna do the

305
00:12:25,110 --> 00:12:23,440

the uh chris sharp article first

306
00:12:27,670 --> 00:12:25,120

yeah why don't we do do you want to you

307
00:12:29,430 --> 00:12:27,680

know let's let's let's go with uh the

308
00:12:31,110 --> 00:12:29,440

chris sharp article and and that stuff

309
00:12:32,870 --> 00:12:31,120

first and then we can lay into the

310
00:12:35,350 --> 00:12:32,880

hearings for a while maybe we should arm

311
00:12:37,190 --> 00:12:35,360

wrestle over over which one goes first

312
00:12:38,710 --> 00:12:37,200

you just want to show off your cool ring

313
00:12:40,310 --> 00:12:38,720

which i appreciate

314

00:12:42,389 --> 00:12:40,320

we can do that i don't have a cool ring

315

00:12:44,470 --> 00:12:42,399

on today

316

00:12:45,750 --> 00:12:44,480

okay yeah that's usually

317

00:12:47,910 --> 00:12:45,760

busted

318

00:12:50,550 --> 00:12:47,920

nope usually usually i wear my great

319

00:12:52,310 --> 00:12:50,560

great grandpa's old ring right i saw

320

00:12:55,509 --> 00:12:52,320

that in like the 1880s or something like

321

00:12:57,829 --> 00:12:55,519

that but not today i i missed it in my

322

00:12:58,949 --> 00:12:57,839

in my frenzy to to get into the hot seat

323

00:13:00,550 --> 00:12:58,959

today

324

00:13:04,629 --> 00:13:00,560

oh no my ring

325

00:13:06,310 --> 00:13:04,639

swear

326

00:13:08,150 --> 00:13:06,320

we can timeout

327

00:13:10,150 --> 00:13:08,160

like by the bell i'll hit the timeout

328

00:13:11,350 --> 00:13:10,160

and we'll just pause

329

00:13:13,030 --> 00:13:11,360

well i mean

330

00:13:14,710 --> 00:13:13,040

if we were to do the timeout i would

331

00:13:16,870 --> 00:13:14,720

want it to be like actual saved by the

332

00:13:18,949 --> 00:13:16,880

belt timeout where it magically makes

333

00:13:21,350 --> 00:13:18,959

everything freeze i think that that was

334

00:13:22,389 --> 00:13:21,360

like not to do a total aside here but i

335

00:13:25,030 --> 00:13:22,399

think that that was one of the most

336

00:13:27,030 --> 00:13:25,040

underutilized aspects of save by the

337

00:13:29,269 --> 00:13:27,040

bell was that zack morris was actually

338

00:13:31,030 --> 00:13:29,279

some kind of like time space magician

339

00:13:32,550 --> 00:13:31,040

and that just like completely went

340

00:13:33,910 --> 00:13:32,560

unacknowledged that the guy nobody

341

00:13:36,230 --> 00:13:33,920

talked about

342

00:13:38,949 --> 00:13:36,240

yeah i know right i mean why wasn't he

343

00:13:40,710 --> 00:13:38,959

just like saving you know kittens from

344

00:13:43,430 --> 00:13:40,720

trees and

345

00:13:45,670 --> 00:13:43,440

and you know like and weekend and

346

00:13:46,829 --> 00:13:45,680

disclosure

347

00:13:50,150 --> 00:13:46,839

come

348

00:13:51,509 --> 00:13:50,160

on moore has prepped us for that

349

00:13:53,189 --> 00:13:51,519

that's right

350

00:13:55,430 --> 00:13:53,199

so yeah so

351

00:13:59,189 --> 00:13:55,440

interesting so that we i mean going to

352

00:14:01,110 --> 00:13:59,199

the 2019 um you know these uh objects

353

00:14:04,069 --> 00:14:01,120

swarming our navy ships or whatever

354

00:14:06,389 --> 00:14:04,079

right yeah corbell comes out he puts the

355

00:14:08,069 --> 00:14:06,399

the videos with the greek pyramids out

356

00:14:10,389 --> 00:14:08,079

he's all over the news

357

00:14:12,710 --> 00:14:10,399

saying you know these are unknowns and

358

00:14:14,069 --> 00:14:12,720

they were reported as pyramids we don't

359

00:14:15,509 --> 00:14:14,079

know what they are

360

00:14:18,389 --> 00:14:15,519

uh we were swarmed all that kind of

361

00:14:19,990 --> 00:14:18,399

stuff he released a whole bunch of data

362

00:14:21,269 --> 00:14:20,000

videos and all that stuff it was like a

363

00:14:24,310 --> 00:14:21,279

plethora

364

00:14:25,910 --> 00:14:24,320

of um knockout punches he was delivering

365

00:14:27,509 --> 00:14:25,920

on that event

366

00:14:29,670 --> 00:14:27,519

um

367

00:14:31,110 --> 00:14:29,680

but it really and you know mick west

368

00:14:32,470 --> 00:14:31,120

kind of came out and said hey this

369

00:14:36,230 --> 00:14:32,480

thing's boca

370

00:14:37,829 --> 00:14:36,240

del boca vista and

371

00:14:40,870 --> 00:14:37,839

seinfeld quote

372

00:14:42,949 --> 00:14:40,880

and uh thanks but the run-up really was

373

00:14:45,670 --> 00:14:42,959

to the hearings where they pretty much

374

00:14:47,590 --> 00:14:45,680

tried to wiggle out of bran moultrie at

375

00:14:49,829 --> 00:14:47,600

the ufo hearings they tried to

376
00:14:50,629 --> 00:14:49,839
wiggle out of it being anything and and

377
00:14:52,389 --> 00:14:50,639
said

378
00:14:55,030 --> 00:14:52,399
they thought

379
00:14:58,870 --> 00:14:55,040
that it was a

380
00:15:00,710 --> 00:14:58,880
uh droner unmanned aerial vehicle

381
00:15:03,670 --> 00:15:00,720
so

382
00:15:05,590 --> 00:15:03,680
jeremy corbell got pissed and

383
00:15:06,870 --> 00:15:05,600
you know

384
00:15:08,389 --> 00:15:06,880
and he's always excited that he has a

385
00:15:11,430 --> 00:15:08,399
lot more data and that he's actually

386
00:15:12,949 --> 00:15:11,440
talked to people and so on and so forth

387
00:15:16,550 --> 00:15:12,959
so he

388
00:15:19,189 --> 00:15:16,560

did this piece with um the daily mail

389

00:15:21,110 --> 00:15:19,199

chris sharp and i always forget

390

00:15:24,069 --> 00:15:21,120

what the other guy's name is but he's

391

00:15:27,910 --> 00:15:24,079

he's a great writer and josh boswell yes

392

00:15:33,590 --> 00:15:30,870

um and they did this huge long piece and

393

00:15:35,590 --> 00:15:33,600

he's talking about a hundred objects

394

00:15:37,910 --> 00:15:35,600

some are going straight up

395

00:15:39,509 --> 00:15:37,920

in outer space or you know straight up

396

00:15:41,990 --> 00:15:39,519

into the air

397

00:15:44,069 --> 00:15:42,000

upper atmosphere yep and they're getting

398

00:15:46,870 --> 00:15:44,079

swarmed by these things there's a bunch

399

00:15:49,110 --> 00:15:46,880

of ships i mean that there's so almost

400

00:15:50,790 --> 00:15:49,120

so much information that you that it's

401
00:15:56,550 --> 00:15:50,800
like

402
00:15:58,550 --> 00:15:56,560
weeks at a time you know to really get

403
00:16:00,870 --> 00:15:58,560
every detail right because

404
00:16:03,749 --> 00:16:00,880
the navy's accidentally releasing a

405
00:16:04,629 --> 00:16:03,759
bunch of documents the other day on it

406
00:16:07,269 --> 00:16:04,639
uh

407
00:16:09,910 --> 00:16:07,279
corbell does this thing um he's talked

408
00:16:10,870 --> 00:16:09,920
to navy men one of which you know says

409
00:16:12,310 --> 00:16:10,880
that

410
00:16:14,949 --> 00:16:12,320
you know he couldn't tell if it was

411
00:16:17,030 --> 00:16:14,959
man-made or not but that the properties

412
00:16:18,389 --> 00:16:17,040
of it and performance of it were seemed

413
00:16:19,990 --> 00:16:18,399

out of this world you know and i'm

414

00:16:21,269 --> 00:16:20,000

totally paraphrasing here so bear with

415

00:16:23,350 --> 00:16:21,279

me but

416

00:16:24,150 --> 00:16:23,360

um

417

00:16:27,110 --> 00:16:24,160

and

418

00:16:29,990 --> 00:16:27,120

it's it's just like it's it's incredible

419

00:16:31,350 --> 00:16:30,000

the vast difference between the two

420

00:16:33,749 --> 00:16:31,360

stories right

421

00:16:35,509 --> 00:16:33,759

if you ask jeremy corbell

422

00:16:37,590 --> 00:16:35,519

you know he'll say

423

00:16:39,829 --> 00:16:37,600

that we had a hundred objects

424

00:16:41,030 --> 00:16:39,839

with other otherworldly attributes

425

00:16:42,389 --> 00:16:41,040

basically

426
00:16:46,389 --> 00:16:42,399
swarming

427
00:16:48,949 --> 00:16:46,399
our warships multiple warships in 2019.

428
00:16:50,949 --> 00:16:48,959
if you ask brian moultrie

429
00:16:53,670 --> 00:16:50,959
well we looked at it for a little while

430
00:16:55,430 --> 00:16:53,680
and um looks like it was the uav because

431
00:16:56,790 --> 00:16:55,440
we caught one that looked similar in a

432
00:16:59,590 --> 00:16:56,800
different place

433
00:17:01,670 --> 00:16:59,600
before and so yeah we wrapped it up that

434
00:17:04,390 --> 00:17:01,680
was it

435
00:17:06,230 --> 00:17:04,400
like how different are

436
00:17:07,829 --> 00:17:06,240
those stories and the truth to me is

437
00:17:09,829 --> 00:17:07,839
always kind of somewhere in the middle

438
00:17:11,590 --> 00:17:09,839

and i don't know if you had an

439

00:17:12,870 --> 00:17:11,600

opportunity to look at those

440

00:17:15,110 --> 00:17:12,880

accidentally

441

00:17:20,230 --> 00:17:15,120

uh released navy documents yesterday

442

00:17:23,189 --> 00:17:21,909

i didn't yeah i i haven't gotten a

443

00:17:24,549 --> 00:17:23,199

chance to look at those yet i was

444

00:17:26,710 --> 00:17:24,559

working on a bunch of experiences group

445

00:17:28,710 --> 00:17:26,720

stuff i saw that they happened

446

00:17:30,310 --> 00:17:28,720

and keith bastard i got i got a couple

447

00:17:31,669 --> 00:17:30,320

messages from keith basterfield they

448

00:17:32,390 --> 00:17:31,679

were like hey look at this and i was

449

00:17:34,630 --> 00:17:32,400

like

450

00:17:36,870 --> 00:17:34,640

but he's in australia i'm over here the

451
00:17:38,150 --> 00:17:36,880
timing didn't work out you're not even

452
00:17:41,430 --> 00:17:38,160
um yeah

453
00:17:44,310 --> 00:17:41,440
anyway but you did yeah right and yeah

454
00:17:46,070 --> 00:17:44,320
yeah i briefly looked at them and it

455
00:17:47,590 --> 00:17:46,080
seems like a couple things aren't true

456
00:17:49,430 --> 00:17:47,600
one is

457
00:17:51,510 --> 00:17:49,440
um

458
00:17:54,230 --> 00:17:51,520
it doesn't seem like they came from that

459
00:17:56,150 --> 00:17:54,240
uh the one ship from hong kong

460
00:17:57,510 --> 00:17:56,160
uh that they said it was from which it's

461
00:17:58,870 --> 00:17:57,520
called like the belt something or

462
00:18:00,870 --> 00:17:58,880
whatever

463
00:18:03,190 --> 00:18:00,880

that was docked at long island at the

464

00:18:04,630 --> 00:18:03,200

time so

465

00:18:05,909 --> 00:18:04,640

it didn't seem like that they tried to

466

00:18:07,990 --> 00:18:05,919

contact the ship they didn't get a

467

00:18:09,190 --> 00:18:08,000

response back

468

00:18:11,350 --> 00:18:09,200

right

469

00:18:14,549 --> 00:18:11,360

it was something like over 100 kilometer

470

00:18:16,710 --> 00:18:14,559

kilometers away i think yeah right

471

00:18:19,190 --> 00:18:16,720

so like let me get this straight back

472

00:18:22,230 --> 00:18:19,200

straight yeah thanks disclosure team

473

00:18:25,029 --> 00:18:22,240

vinnie um so let me get into this best

474

00:18:26,549 --> 00:18:25,039

straight doctor at long beach is sending

475

00:18:28,310 --> 00:18:26,559

out a hundred drones around our navy

476

00:18:30,630 --> 00:18:28,320

ships and they're like they don't care

477

00:18:33,190 --> 00:18:30,640

ah we're not a big deal they're not

478

00:18:33,909 --> 00:18:33,200

gonna go no it's us yeah we're like come

479

00:18:37,990 --> 00:18:33,919

on

480

00:18:40,230 --> 00:18:38,000

ridiculously stupid right

481

00:18:41,750 --> 00:18:40,240

and this is your vehicle i don't even

482

00:18:43,590 --> 00:18:41,760

know what a pleasure vehicle is but

483

00:18:45,110 --> 00:18:43,600

there's some unknown pleasure vehicle

484

00:18:46,549 --> 00:18:45,120

that's in the area that isn't

485

00:18:48,470 --> 00:18:46,559

communicating back

486

00:18:50,310 --> 00:18:48,480

the whole thing's a freaking mess and

487

00:18:52,070 --> 00:18:50,320

good luck making any sense out of it to

488

00:18:55,190 --> 00:18:52,080

be quite honest with you

489

00:18:56,710 --> 00:18:55,200

yeah i liked i liked corbell's quote he

490

00:18:59,990 --> 00:18:56,720

said i don't care if

491

00:19:02,070 --> 00:19:00,000

these were drones or true ufos pyramids

492

00:19:04,150 --> 00:19:02,080

triangles or even seagulls with lights

493

00:19:06,390 --> 00:19:04,160

strapped under their wings i want the

494

00:19:07,350 --> 00:19:06,400

fundamental question to be answered do

495

00:19:10,310 --> 00:19:07,360

we know

496

00:19:11,909 --> 00:19:10,320

the controllers of these units you know

497

00:19:14,150 --> 00:19:11,919

say what you will about jeremy corbell

498

00:19:15,750 --> 00:19:14,160

but he's he's he's got a he's got a good

499

00:19:18,070 --> 00:19:15,760

handle on equip every once in a while

500

00:19:19,350 --> 00:19:18,080

for sure you know what i mean

501

00:19:21,990 --> 00:19:19,360

and that's kind of one of the

502

00:19:25,430 --> 00:19:22,000

interesting parts to me is like i feel

503

00:19:28,950 --> 00:19:27,510

it you know and i could just be making

504

00:19:31,029 --> 00:19:28,960

this up my head i don't know but it

505

00:19:33,909 --> 00:19:31,039

seems like a little bit that he moves

506

00:19:36,470 --> 00:19:33,919

the goalposts just a little bit

507

00:19:38,630 --> 00:19:36,480

and like when it first came out he's

508

00:19:40,549 --> 00:19:38,640

really adamant that these were reported

509

00:19:42,310 --> 00:19:40,559

as pyramids

510

00:19:45,029 --> 00:19:42,320

you know and then

511

00:19:47,110 --> 00:19:45,039

the congressional hearings and some

512

00:19:48,710 --> 00:19:47,120

documents come out and then he kind of

513

00:19:51,830 --> 00:19:48,720

tilts more towards i don't care what

514

00:19:53,750 --> 00:19:51,840

they are it's an issue

515

00:19:56,310 --> 00:19:53,760

so i noticed that a little bit and i i'm

516

00:19:58,230 --> 00:19:56,320

not really sure you know why that is or

517

00:19:59,830 --> 00:19:58,240

what the nail is but

518

00:20:02,149 --> 00:19:59,840

you know

519

00:20:04,870 --> 00:20:02,159

and then the hundred objects like were

520

00:20:07,110 --> 00:20:04,880

these 100 separate objects or were these

521

00:20:10,630 --> 00:20:07,120

10 traveling to one place or one place

522

00:20:15,590 --> 00:20:12,630

yeah that's that's that's tough to say

523

00:20:18,070 --> 00:20:15,600

either way i mean in the end he's right

524

00:20:19,270 --> 00:20:18,080

with who cares what they are it's an

525

00:20:21,430 --> 00:20:19,280

issue

526

00:20:23,669 --> 00:20:21,440

right it says you know

527

00:20:25,510 --> 00:20:23,679

in the in chris sharp and boswell's

528

00:20:27,990 --> 00:20:25,520

daily mail article it says according to

529

00:20:29,830 --> 00:20:28,000

corbell sources and navy's own documents

530

00:20:31,669 --> 00:20:29,840

released under the foia which you are

531

00:20:33,590 --> 00:20:31,679

just referring to these crafts

532

00:20:36,950 --> 00:20:33,600

capabilities included hovering at

533

00:20:39,190 --> 00:20:36,960

altitudes up to 21 000 feet flying for

534

00:20:41,990 --> 00:20:39,200

more than four hours traveling long

535

00:20:44,870 --> 00:20:42,000

distances in one flight and apparently

536

00:20:47,590 --> 00:20:44,880

being impervious to anti-drone navy

537

00:20:49,830 --> 00:20:47,600

technology so what if that isn't a

538

00:20:51,350 --> 00:20:49,840

concern right when especially

539

00:20:52,789 --> 00:20:51,360

considering that further down in the

540

00:20:54,950 --> 00:20:52,799

article uh

541

00:20:56,870 --> 00:20:54,960

there's an unnamed contractor that that

542

00:20:59,110 --> 00:20:56,880

sharp quotes saying

543

00:21:00,710 --> 00:20:59,120

uh you know for the most part

544

00:21:03,110 --> 00:21:00,720

[Music]

545

00:21:05,190 --> 00:21:03,120

ones that we know of can travel for up

546

00:21:06,950 --> 00:21:05,200

to about an hour right now of course

547

00:21:09,190 --> 00:21:06,960

there's this possibility of confidential

548

00:21:11,110 --> 00:21:09,200

technology that that we're not privy to

549

00:21:12,470 --> 00:21:11,120

even on our own side that

550

00:21:15,110 --> 00:21:12,480

sources and methods people aren't going

551
00:21:17,029 --> 00:21:15,120
to talk about necessarily but still you

552
00:21:19,990 --> 00:21:17,039
know if it's impervious to our

553
00:21:22,310 --> 00:21:20,000
anti-drone technology if it can fly for

554
00:21:23,510 --> 00:21:22,320
over four hours if they can do huge

555
00:21:25,430 --> 00:21:23,520
swarms like that and we don't know what

556
00:21:26,230 --> 00:21:25,440
they are and then we're not supposed to

557
00:21:28,390 --> 00:21:26,240
be

558
00:21:30,230 --> 00:21:28,400
concerned about it whatsoever or

559
00:21:32,230 --> 00:21:30,240
something like that and then to be so

560
00:21:34,630 --> 00:21:32,240
deceitful about it like we're the

561
00:21:36,870 --> 00:21:34,640
american people we pay our taxes if

562
00:21:39,830 --> 00:21:36,880
we're in trouble or if you know we have

563
00:21:41,110 --> 00:21:39,840

an issue like that we should know

564

00:21:43,590 --> 00:21:41,120

flat-out

565

00:21:46,310 --> 00:21:43,600

we need to know that you know

566

00:21:48,390 --> 00:21:46,320

and it we there is like there is a bit

567

00:21:49,350 --> 00:21:48,400

of a hall of mirror situation here

568

00:21:51,029 --> 00:21:49,360

because

569

00:21:52,549 --> 00:21:51,039

we're hearing

570

00:21:55,590 --> 00:21:52,559

things out of two different sides of the

571

00:21:57,350 --> 00:21:55,600

mouth in a way right because because we

572

00:21:59,190 --> 00:21:57,360

get what we get from the foia documents

573

00:22:02,070 --> 00:21:59,200

we get what we get

574

00:22:03,990 --> 00:22:02,080

from corbell's unnamed sources who were

575

00:22:07,110 --> 00:22:04,000

talking about what seemed to be quote

576

00:22:09,510 --> 00:22:07,120

unquote otherworldly capabilities

577

00:22:10,310 --> 00:22:09,520

with regard to these with regard to

578

00:22:13,110 --> 00:22:10,320

these

579

00:22:15,430 --> 00:22:13,120

uh ufos for lack of a better term

580

00:22:16,950 --> 00:22:15,440

uh i'm not gonna call them drones um

581

00:22:18,950 --> 00:22:16,960

because i don't know what they were

582

00:22:20,710 --> 00:22:18,960

right right oh right and you don't want

583

00:22:21,430 --> 00:22:20,720

to fall into that trip

584

00:22:32,390 --> 00:22:21,440

no

585

00:22:35,110 --> 00:22:32,400

right and then at the same time

586

00:22:36,710 --> 00:22:35,120

we have so many elements of the kind of

587

00:22:39,669 --> 00:22:36,720

disclosure narrative that comes out from

588

00:22:41,110 --> 00:22:39,679

the pentagon and elsewhere that says

589

00:22:42,549 --> 00:22:41,120

you know

590

00:22:44,789 --> 00:22:42,559

we're not supposed to be worried about

591

00:22:46,710 --> 00:22:44,799

these and yet they can also constitute a

592

00:22:48,710 --> 00:22:46,720

national security threat right

593

00:22:50,789 --> 00:22:48,720

and that that this has just been it's

594

00:22:52,950 --> 00:22:50,799

been going on for years now it's been

595

00:22:54,390 --> 00:22:52,960

going on for arguably decades

596

00:22:55,830 --> 00:22:54,400

where you know

597

00:22:57,590 --> 00:22:55,840

the the thing that we're supposed to pay

598

00:22:59,270 --> 00:22:57,600

attention to is that it's a national

599

00:23:02,149 --> 00:22:59,280

security threat however if there's a

600

00:23:04,470 --> 00:23:02,159

hundred of them near a warship uh don't

601
00:23:06,149 --> 00:23:04,480
worry about it it's fine right right

602
00:23:08,230 --> 00:23:06,159
yeah and let's be yeah i mean you're

603
00:23:11,350 --> 00:23:08,240
exactly all right right like let's be

604
00:23:13,669 --> 00:23:11,360
real this has been going on for a long

605
00:23:15,190 --> 00:23:13,679
time and just different you know with

606
00:23:16,870 --> 00:23:15,200
different faces

607
00:23:19,270 --> 00:23:16,880
you know the interest little tiny

608
00:23:21,590 --> 00:23:19,280
writings on on my website on witnesses

609
00:23:23,750 --> 00:23:21,600
and dot com which y'all should visit uh

610
00:23:26,710 --> 00:23:23,760
and the last one

611
00:23:29,190 --> 00:23:26,720
um i found a little piece of this uh

612
00:23:32,070 --> 00:23:29,200
this uh staff study that they did in

613
00:23:34,070 --> 00:23:32,080

1952 and this

614

00:23:37,350 --> 00:23:34,080

this sentence

615

00:23:40,149 --> 00:23:37,360

is just like should really blow people

616

00:23:42,950 --> 00:23:40,159

away which is we were only able to

617

00:23:45,029 --> 00:23:42,960

positively identify

618

00:23:50,230 --> 00:23:45,039

seven percent

619

00:23:51,990 --> 00:23:50,240

1952. we're talking about hundreds and

620

00:23:54,070 --> 00:23:52,000

hundreds and hundreds of sightings they

621

00:23:56,470 --> 00:23:54,080

could only positively identify seven

622

00:23:58,070 --> 00:23:56,480

percent i've said this before they you

623

00:23:59,990 --> 00:23:58,080

know they'll say probably balloon or

624

00:24:01,350 --> 00:24:00,000

possibly balloon probably stars possibly

625

00:24:03,190 --> 00:24:01,360

stars probably aircraft possibly

626
00:24:04,950 --> 00:24:03,200
aircraft because they don't know they're

627
00:24:06,390 --> 00:24:04,960
just saying well there's aircraft in the

628
00:24:08,470 --> 00:24:06,400
area we don't know for sure that's what

629
00:24:10,230 --> 00:24:08,480
it was but we're going to say possibly

630
00:24:12,230 --> 00:24:10,240
aircraft right

631
00:24:14,310 --> 00:24:12,240
that's right but you don't know that's

632
00:24:15,909 --> 00:24:14,320
what it was but yet they're telling the

633
00:24:18,390 --> 00:24:15,919
american public

634
00:24:19,990 --> 00:24:18,400
that you know 15 or 20 percent are what

635
00:24:20,710 --> 00:24:20,000
would go unidentified we couldn't do

636
00:24:25,190 --> 00:24:20,720
that

637
00:24:27,430 --> 00:24:25,200
deceitful

638
00:24:29,029 --> 00:24:27,440

yeah and yeah i think the same thing's

639

00:24:30,789 --> 00:24:29,039

going on now

640

00:24:32,149 --> 00:24:30,799

yeah and and it's not sound like a

641

00:24:34,470 --> 00:24:32,159

broken record but you're absolutely

642

00:24:35,750 --> 00:24:34,480

right i mean the the early 50s were a

643

00:24:38,230 --> 00:24:35,760

huge

644

00:24:39,990 --> 00:24:38,240

heyday for our field and tr especially

645

00:24:42,950 --> 00:24:40,000

in terms of military transparency

646

00:24:45,269 --> 00:24:42,960

because you had uh people like donald

647

00:24:47,350 --> 00:24:45,279

kehoe uh working and getting great

648

00:24:49,590 --> 00:24:47,360

quotes out of representatives from the

649

00:24:51,430 --> 00:24:49,600

actual press office of the united states

650

00:24:53,990 --> 00:24:51,440

air force among other among many many

651
00:24:56,310 --> 00:24:54,000
many other people talking on the record

652
00:24:58,870 --> 00:24:56,320
writing him letters uh tran you know

653
00:25:01,990 --> 00:24:58,880
talking to him on the phone about

654
00:25:03,669 --> 00:25:02,000
about all of these unknowns and and he

655
00:25:06,470 --> 00:25:03,679
wasn't the only outlet as you're talking

656
00:25:08,149 --> 00:25:06,480
about right there and later on um when

657
00:25:10,310 --> 00:25:08,159
we get to the brazilian senate hearings

658
00:25:12,630 --> 00:25:10,320
you know he javard and others were

659
00:25:15,590 --> 00:25:12,640
talking about how you know the brazilian

660
00:25:19,029 --> 00:25:15,600
military was also pretty candid as early

661
00:25:21,190 --> 00:25:19,039
as as early as the early 50s and so you

662
00:25:22,789 --> 00:25:21,200
know there were a lot of there are a lot

663
00:25:24,549 --> 00:25:22,799

of great efforts and it's and it's

664

00:25:25,830 --> 00:25:24,559

frustrating for many people including

665

00:25:27,990 --> 00:25:25,840

the both of us

666

00:25:31,190 --> 00:25:28,000

uh as many people in the chat will know

667

00:25:32,870 --> 00:25:31,200

that that in many ways the most

668

00:25:35,909 --> 00:25:32,880

transparent and the most straight

669

00:25:38,310 --> 00:25:35,919

answers that it seems like we ever got

670

00:25:41,269 --> 00:25:38,320

in terms of the military situation was

671

00:25:44,310 --> 00:25:41,279

probably in that heyday in the early 50s

672

00:25:46,310 --> 00:25:44,320

and then um donald kehoe himself started

673

00:25:49,190 --> 00:25:46,320

to document the cover-up operation and

674

00:25:51,430 --> 00:25:49,200

how people stopped talking to him and

675

00:25:54,230 --> 00:25:51,440

how you know whole new

676
00:25:56,230 --> 00:25:54,240
whole new operations were set up um like

677
00:25:58,230 --> 00:25:56,240
blue book to to to cover up the whole

678
00:25:59,909 --> 00:25:58,240
thing right you know you know what i was

679
00:26:01,510 --> 00:25:59,919
thinking as as you were saying that the

680
00:26:03,269 --> 00:26:01,520
most you know like kind of accurate

681
00:26:05,190 --> 00:26:03,279
information or whatever we got was back

682
00:26:08,070 --> 00:26:05,200
then i would say the most accurate

683
00:26:09,750 --> 00:26:08,080
information we ever get on this stuff is

684
00:26:11,510 --> 00:26:09,760
from the witnesses

685
00:26:13,669 --> 00:26:11,520
that's right and that's why they don't

686
00:26:14,789 --> 00:26:13,679
want to invite them to the congressional

687
00:26:15,990 --> 00:26:14,799
hearings

688
00:26:19,110 --> 00:26:16,000

you know

689

00:26:21,190 --> 00:26:19,120

i yeah i i i think i think that there's

690

00:26:22,870 --> 00:26:21,200

a lot of accuracy to that you know i

691

00:26:24,549 --> 00:26:22,880

think when i was

692

00:26:26,149 --> 00:26:24,559

you know not to put the cart before the

693

00:26:27,350 --> 00:26:26,159

horse in terms of our schedule for how

694

00:26:28,789 --> 00:26:27,360

we're going to be talking about things

695

00:26:30,870 --> 00:26:28,799

but you know

696

00:26:32,710 --> 00:26:30,880

leading into the the brazilian senate

697

00:26:35,029 --> 00:26:32,720

hearings you know

698

00:26:37,190 --> 00:26:35,039

this is a five and a half hour hearing

699

00:26:38,630 --> 00:26:37,200

for so so right off the bat we're

700

00:26:41,590 --> 00:26:38,640

talking about something that was over

701
00:26:43,909 --> 00:26:41,600
three times as long as the the house

702
00:26:45,750 --> 00:26:43,919
subcommittee hearing right that that we

703
00:26:47,750 --> 00:26:45,760
got last month

704
00:26:49,190 --> 00:26:47,760
now on the one hand i'm not gonna look

705
00:26:52,310 --> 00:26:49,200
at gift horse on the mount this is

706
00:26:54,950 --> 00:26:52,320
amazing that we got a a house

707
00:26:56,230 --> 00:26:54,960
subcommittee hearing in may and then in

708
00:26:58,230 --> 00:26:56,240
june we get

709
00:27:00,789 --> 00:26:58,240
we get this big five and a half hour

710
00:27:01,750 --> 00:27:00,799
extravaganza in front of the brazilian

711
00:27:04,630 --> 00:27:01,760
senate

712
00:27:07,190 --> 00:27:04,640
um you know this is a you know brazil

713
00:27:09,269 --> 00:27:07,200

we're talking about a country of 220

714

00:27:11,669 --> 00:27:09,279

million people right this is not some

715

00:27:14,470 --> 00:27:11,679

kind of small operation the you know

716

00:27:16,789 --> 00:27:14,480

that's roughly the population of spain

717

00:27:17,830 --> 00:27:16,799

france germany portugal and greece put

718

00:27:22,149 --> 00:27:17,840

together

719

00:27:24,149 --> 00:27:22,159

right and uh yeah so it you know it's

720

00:27:27,909 --> 00:27:24,159

this is a pretty significant situation

721

00:27:30,149 --> 00:27:27,919

here and um and in that case we did get

722

00:27:31,510 --> 00:27:30,159

some some interesting

723

00:27:32,630 --> 00:27:31,520

um

724

00:27:35,430 --> 00:27:32,640

uh

725

00:27:37,110 --> 00:27:35,440

testimony at least about witnesses right

726

00:27:38,710 --> 00:27:37,120

there's a lot of testimony about

727

00:27:40,870 --> 00:27:38,720

witnesses if not the witnesses

728

00:27:42,950 --> 00:27:40,880

themselves but there was a striking

729

00:27:46,310 --> 00:27:42,960

difference between the kinds of

730

00:27:47,430 --> 00:27:46,320

testimony and the kinds of of talk we

731

00:27:49,669 --> 00:27:47,440

were getting

732

00:27:51,750 --> 00:27:49,679

uh on the senate brazilian senate floor

733

00:27:52,630 --> 00:27:51,760

and how different that was

734

00:27:57,110 --> 00:27:52,640

than

735

00:27:58,149 --> 00:27:57,120

subcommittee hearing last month

736

00:28:00,549 --> 00:27:58,159

right

737

00:28:02,230 --> 00:28:00,559

and vinnie makes a great point

738

00:28:04,950 --> 00:28:02,240

glad we didn't do a live watch along

739

00:28:07,669 --> 00:28:04,960

with the brazil hearings as we did as we

740

00:28:09,510 --> 00:28:07,679

did with the uh us subcommittee hearings

741

00:28:10,710 --> 00:28:09,520

because um that would have been too many

742

00:28:12,070 --> 00:28:10,720

potty breaks

743

00:28:13,590 --> 00:28:12,080

but

744

00:28:15,350 --> 00:28:13,600

you know the one thing

745

00:28:18,950 --> 00:28:15,360

my biggest overall takeaway from the

746

00:28:21,590 --> 00:28:18,960

brazil hearings is just how

747

00:28:26,870 --> 00:28:23,990

you know everything basically everything

748

00:28:28,950 --> 00:28:26,880

they discussed is to everything here you

749

00:28:30,470 --> 00:28:28,960

know from military sightings to

750

00:28:31,669 --> 00:28:30,480

abductions

751
00:28:33,830 --> 00:28:31,679
um

752
00:28:35,029 --> 00:28:33,840
you know to to kind of a somewhat of

753
00:28:37,190 --> 00:28:35,039
cover-ups

754
00:28:40,630 --> 00:28:37,200
pilots being honest with amazing you

755
00:28:44,230 --> 00:28:42,149
you know to think that it's just our

756
00:28:45,430 --> 00:28:44,240
country or their country would be in

757
00:28:47,350 --> 00:28:45,440
their country would be you know

758
00:28:48,310 --> 00:28:47,360
obviously ridiculous so you have to

759
00:28:50,310 --> 00:28:48,320
assume

760
00:28:52,789 --> 00:28:50,320
this is the same basically for any

761
00:28:54,870 --> 00:28:52,799
larger country and so then it you know

762
00:28:56,870 --> 00:28:54,880
it just begs the question like what the

763
00:28:59,510 --> 00:28:56,880

hell are we doing here

764

00:29:01,909 --> 00:28:59,520

let's stop me you know can we please

765

00:29:03,510 --> 00:29:01,919

stop beating around this overly sized

766

00:29:05,909 --> 00:29:03,520

bush

767

00:29:08,310 --> 00:29:05,919

that's right yeah i mean it was an

768

00:29:10,789 --> 00:29:08,320

amazing it was a an amazing event in

769

00:29:12,470 --> 00:29:10,799

many ways and and

770

00:29:14,789 --> 00:29:12,480

people some of the people that were

771

00:29:17,510 --> 00:29:14,799

presenting were willing to go out onto a

772

00:29:19,669 --> 00:29:17,520

branch that some people within

773

00:29:21,669 --> 00:29:19,679

english-speaking ufology

774

00:29:23,430 --> 00:29:21,679

uh might kind of shy away from you know

775

00:29:25,669 --> 00:29:23,440

the nuts and bolts crowd some of this

776

00:29:27,430 --> 00:29:25,679

some of this the testimony that we heard

777

00:29:29,590 --> 00:29:27,440

from the brazilian senate hearing would

778

00:29:30,789 --> 00:29:29,600

be like quote unquote too far for for

779

00:29:33,590 --> 00:29:30,799

some people

780

00:29:35,909 --> 00:29:33,600

uh in in our community and according to

781

00:29:38,149 --> 00:29:35,919

me that's absolutely just fine you know

782

00:29:39,510 --> 00:29:38,159

what it's okay if something wasn't made

783

00:29:41,190 --> 00:29:39,520

for you and that's something that

784

00:29:43,590 --> 00:29:41,200

americans need to start understanding as

785

00:29:45,750 --> 00:29:43,600

soon as humanly possible but sometimes

786

00:29:47,350 --> 00:29:45,760

you know sometimes something you hear is

787

00:29:49,510 --> 00:29:47,360

not you you know you're not going to be

788

00:29:51,590 --> 00:29:49,520

the target demographic and that's okay

789

00:29:53,190 --> 00:29:51,600

right yeah right you don't you don't

790

00:29:55,269 --> 00:29:53,200

have if you don't relate to something

791

00:29:56,789 --> 00:29:55,279

doesn't mean that it's not

792

00:29:59,269 --> 00:29:56,799

important

793

00:30:00,710 --> 00:29:59,279

right yeah absolutely if you're related

794

00:30:02,470 --> 00:30:00,720

to everything

795

00:30:04,149 --> 00:30:02,480

um well first of all life would be very

796

00:30:05,750 --> 00:30:04,159

boring right but it would also just be

797

00:30:08,630 --> 00:30:05,760

very unrealistic

798

00:30:11,590 --> 00:30:08,640

you know like just just like any

799

00:30:13,990 --> 00:30:11,600

scenario in life like you know every

800

00:30:16,630 --> 00:30:14,000

situation you're in every event you have

801
00:30:17,669 --> 00:30:16,640
is unique to yourself you know no one

802
00:30:19,750 --> 00:30:17,679
else has

803
00:30:21,510 --> 00:30:19,760
been through that event whatever it is

804
00:30:23,990 --> 00:30:21,520
even the way you drink your coffee this

805
00:30:25,669 --> 00:30:24,000
morning no one else has done it exactly

806
00:30:28,470 --> 00:30:25,679
like that

807
00:30:30,789 --> 00:30:28,480
in the whole history of this world you

808
00:30:32,870 --> 00:30:30,799
know so

809
00:30:35,110 --> 00:30:32,880
you know an abduction event or or

810
00:30:37,430 --> 00:30:35,120
something of that sort

811
00:30:39,590 --> 00:30:37,440
any kind of audit you know high stranger

812
00:30:41,830 --> 00:30:39,600
sniper type experience

813
00:30:45,029 --> 00:30:41,840

it i think it's good for people to keep

814

00:30:47,110 --> 00:30:45,039

that in mind you know just because you

815

00:30:48,870 --> 00:30:47,120

haven't been through it

816

00:30:51,430 --> 00:30:48,880

doesn't make it

817

00:30:53,029 --> 00:30:51,440

less real or important

818

00:30:54,710 --> 00:30:53,039

you know because everybody's life is

819

00:30:57,029 --> 00:30:54,720

unique to their own

820

00:30:59,190 --> 00:30:57,039

that's right and vinnie points out in

821

00:31:00,630 --> 00:30:59,200

the chat that the brazilian hearings

822

00:31:02,230 --> 00:31:00,640

featured incidents that might not sit

823

00:31:03,430 --> 00:31:02,240

well in america but to their culture

824

00:31:05,430 --> 00:31:03,440

it's the norm

825

00:31:09,590 --> 00:31:05,440

and that's absolutely the case

826

00:31:12,789 --> 00:31:09,600

and you know i as as we

827

00:31:15,110 --> 00:31:12,799

get into more of a multicultural

828

00:31:19,350 --> 00:31:15,120

conversation within ufology in the

829

00:31:21,909 --> 00:31:19,360

paranormal which you know i hope i

830

00:31:24,070 --> 00:31:21,919

i really really hope happens and it

831

00:31:25,509 --> 00:31:24,080

really has to happen i feel like and we

832

00:31:27,909 --> 00:31:25,519

need to encourage that as much as

833

00:31:29,990 --> 00:31:27,919

possible i think we do recognize that

834

00:31:32,470 --> 00:31:30,000

there that there are often

835

00:31:34,870 --> 00:31:32,480

um demographic and geographic

836

00:31:37,110 --> 00:31:34,880

differences in the kinds of cases that

837

00:31:39,669 --> 00:31:37,120

people get and that's fascinating right

838

00:31:42,070 --> 00:31:39,679

yeah the fact that the fact that

839

00:31:44,230 --> 00:31:42,080

some situations in some kinds of cases

840

00:31:45,830 --> 00:31:44,240

and ufology and the paranormal might

841

00:31:48,310 --> 00:31:45,840

shift depending on whether you're at

842

00:31:51,190 --> 00:31:48,320

skinwalker ranch or chris bledsoe's

843

00:31:52,549 --> 00:31:51,200

property or in the pyrenees mountains or

844

00:31:55,509 --> 00:31:52,559

you know any place that you could

845

00:32:00,149 --> 00:31:55,519

possibly cite that's fascinating right

846

00:32:01,909 --> 00:32:00,159

and and it's and it helps us

847

00:32:04,070 --> 00:32:01,919

start to figure out the really the grand

848

00:32:06,149 --> 00:32:04,080

ecology of what could be going on here

849

00:32:07,830 --> 00:32:06,159

and how we could start actually mapping

850

00:32:09,750 --> 00:32:07,840

out you know

851
00:32:11,750 --> 00:32:09,760
what is all of this and

852
00:32:14,470 --> 00:32:11,760
and when can we stop talking about it as

853
00:32:16,310 --> 00:32:14,480
one thing rather than minute yes

854
00:32:19,110 --> 00:32:16,320
beautiful yeah

855
00:32:21,190 --> 00:32:19,120
that's um

856
00:32:23,590 --> 00:32:21,200
that's kind of going into

857
00:32:26,230 --> 00:32:23,600
you know something that

858
00:32:27,590 --> 00:32:26,240
that i wanted to discuss today which was

859
00:32:29,669 --> 00:32:27,600
you know i don't know if it's too soon

860
00:32:31,430 --> 00:32:29,679
if you have more to say on the hearings

861
00:32:33,430 --> 00:32:31,440
but just

862
00:32:34,870 --> 00:32:33,440
just the frustration of being an

863
00:32:36,549 --> 00:32:34,880

experiencer

864

00:32:38,389 --> 00:32:36,559

and how

865

00:32:41,190 --> 00:32:38,399

if you've had an experience and you've

866

00:32:43,669 --> 00:32:41,200

seen something like

867

00:32:45,830 --> 00:32:43,679

it doesn't mean that a that you believe

868

00:32:47,830 --> 00:32:45,840

in aliens

869

00:32:49,909 --> 00:32:47,840

you know or that

870

00:32:52,549 --> 00:32:49,919

you're trying to say that you had an

871

00:32:53,509 --> 00:32:52,559

experience with uh an extraterrestrial

872

00:32:55,430 --> 00:32:53,519

being

873

00:32:57,990 --> 00:32:55,440

or that you're abducted

874

00:32:59,190 --> 00:32:58,000

or any of that stuff

875

00:33:02,230 --> 00:32:59,200

you know

876

00:33:04,070 --> 00:33:02,240

and because of that kind of reason like

877

00:33:06,470 --> 00:33:04,080

you have to

878

00:33:08,950 --> 00:33:06,480

you can't talk to it about

879

00:33:10,549 --> 00:33:08,960

talk about it with many people because

880

00:33:12,149 --> 00:33:10,559

that's just kind of what they think

881

00:33:13,909 --> 00:33:12,159

immediately you know not that there's

882

00:33:15,430 --> 00:33:13,919

anything wrong with that but

883

00:33:17,669 --> 00:33:15,440

you know it's just hard to talk about

884

00:33:18,630 --> 00:33:17,679

your experience without being

885

00:33:20,950 --> 00:33:18,640

um

886

00:33:23,190 --> 00:33:20,960

kind of judged as a lunatic

887

00:33:24,630 --> 00:33:23,200

unfortunately you know what whatever

888

00:33:26,549 --> 00:33:24,640

your experience is

889

00:33:28,710 --> 00:33:26,559

you should never be judged that way but

890

00:33:31,110 --> 00:33:28,720

um you know people who have been

891

00:33:33,750 --> 00:33:31,120

abducted people who haven't

892

00:33:35,430 --> 00:33:33,760

they've all had experiences most i find

893

00:33:36,870 --> 00:33:35,440

are confused about it and don't know

894

00:33:38,710 --> 00:33:36,880

what happened and don't know what the

895

00:33:41,430 --> 00:33:38,720

deal is you know

896

00:33:43,029 --> 00:33:41,440

and we're always treated like

897

00:33:45,190 --> 00:33:43,039

you know

898

00:33:47,269 --> 00:33:45,200

we're in some cult movement or something

899

00:33:49,909 --> 00:33:47,279

and it's just unfortunate

900

00:33:50,789 --> 00:33:49,919

it is unfortunate i think you know there

901
00:33:52,950 --> 00:33:50,799
are

902
00:33:55,029 --> 00:33:52,960
a lot of people that have given

903
00:33:58,549 --> 00:33:55,039
very accurate

904
00:34:00,230 --> 00:33:58,559
um assertions i i think in terms of

905
00:34:01,509 --> 00:34:00,240
when you find somebody that knows

906
00:34:03,190 --> 00:34:01,519
exactly what's

907
00:34:04,630 --> 00:34:03,200
going on you should run in the other

908
00:34:07,029 --> 00:34:04,640
direction and i think that there's

909
00:34:09,430 --> 00:34:07,039
something to that right because

910
00:34:10,550 --> 00:34:09,440
you know i'm i don't know a single soul

911
00:34:13,190 --> 00:34:10,560
that knows

912
00:34:17,430 --> 00:34:13,200
exactly the the true

913
00:34:19,909 --> 00:34:17,440

ecology and and the the wider

914

00:34:22,069 --> 00:34:19,919

of the of the kind of wider ocean that

915

00:34:24,629 --> 00:34:22,079

we find ourselves in you know and as

916

00:34:26,629 --> 00:34:24,639

i've said before when you've asked you

917

00:34:28,550 --> 00:34:26,639

know how many other types of beings

918

00:34:30,950 --> 00:34:28,560

could there possibly be and i said well

919

00:34:32,950 --> 00:34:30,960

you know maybe as much as the manhattan

920

00:34:34,069 --> 00:34:32,960

manhattan phone book as many listings as

921

00:34:36,790 --> 00:34:34,079

there are in the manhattan phone book

922

00:34:38,470 --> 00:34:36,800

maybe more right and i you know i don't

923

00:34:39,349 --> 00:34:38,480

know that to be the case but i don't

924

00:34:41,190 --> 00:34:39,359

think that

925

00:34:42,869 --> 00:34:41,200

that it's beyond comprehension that

926
00:34:45,589 --> 00:34:42,879
that's possible when you look at the

927
00:34:48,869 --> 00:34:45,599
entirety of the universe or even

928
00:34:51,430 --> 00:34:48,879
multiverse or even just the fact that we

929
00:34:53,669 --> 00:34:51,440
we discover new species

930
00:34:54,869 --> 00:34:53,679
sitting around here all the time right

931
00:34:56,950 --> 00:34:54,879
right so

932
00:34:59,589 --> 00:34:56,960
anyway you know i think that i think

933
00:35:02,470 --> 00:34:59,599
that it's difficult because you know

934
00:35:04,870 --> 00:35:02,480
there's been situations recently and i'm

935
00:35:06,870 --> 00:35:04,880
so thankful to have

936
00:35:09,349 --> 00:35:06,880
this situation where every week we get

937
00:35:12,630 --> 00:35:09,359
together with people in the chat and and

938
00:35:15,109 --> 00:35:12,640

we get to talk about the current news

939

00:35:18,870 --> 00:35:15,119

as far as uh you know anomalous culture

940

00:35:20,710 --> 00:35:18,880

uap ufo news happens and you know we can

941

00:35:23,030 --> 00:35:20,720

kind of ground the conversation and

942

00:35:25,349 --> 00:35:23,040

what's happening these days right and we

943

00:35:26,870 --> 00:35:25,359

also look at historical cases we look at

944

00:35:28,310 --> 00:35:26,880

contact cases

945

00:35:30,230 --> 00:35:28,320

and there's

946

00:35:32,790 --> 00:35:30,240

there's a groundingness that happens

947

00:35:35,430 --> 00:35:32,800

there that is a way for experiencers

948

00:35:37,109 --> 00:35:35,440

like yourself and myself to be able to

949

00:35:39,349 --> 00:35:37,119

tether the conversation in a way that

950

00:35:40,390 --> 00:35:39,359

it's relatable to other people right

951
00:35:44,950 --> 00:35:40,400
and

952
00:35:47,190 --> 00:35:44,960
much

953
00:35:48,790 --> 00:35:47,200
study and research and reading and think

954
00:35:51,349 --> 00:35:48,800
about all the docs that you look at

955
00:35:53,030 --> 00:35:51,359
right and all the time

956
00:35:54,870 --> 00:35:53,040
and all those and all those books that

957
00:35:57,910 --> 00:35:54,880
you remember seeing in my hallway right

958
00:36:00,310 --> 00:35:57,920
in terms of in terms of what we do to

959
00:36:01,750 --> 00:36:00,320
kind of prepare ourselves to be able to

960
00:36:03,670 --> 00:36:01,760
tether these

961
00:36:06,230 --> 00:36:03,680
these really sensitive conversations

962
00:36:09,510 --> 00:36:06,240
with other people right yeah

963
00:36:11,109 --> 00:36:09,520

because in in a way like

964

00:36:13,829 --> 00:36:11,119

one of the things that i

965

00:36:15,430 --> 00:36:13,839

when i do say when i appear on other

966

00:36:18,150 --> 00:36:15,440

people's podcasts one of the things that

967

00:36:19,510 --> 00:36:18,160

i'm kind of scared about like still to

968

00:36:21,910 --> 00:36:19,520

this day

969

00:36:24,550 --> 00:36:21,920

um is as you're talking about when

970

00:36:27,270 --> 00:36:24,560

people if people kind of ground it in a

971

00:36:28,710 --> 00:36:27,280

really reductive situation where they

972

00:36:31,349 --> 00:36:28,720

just want you to talk about the scariest

973

00:36:35,670 --> 00:36:31,359

thing that ever happened to you right

974

00:36:39,510 --> 00:36:37,589

it's it's difficult

975

00:36:42,310 --> 00:36:39,520

to express

976

00:36:44,550 --> 00:36:42,320

as an as an experiencer as somebody that

977

00:36:45,910 --> 00:36:44,560

has these situations it's difficult to

978

00:36:48,790 --> 00:36:45,920

express

979

00:36:51,270 --> 00:36:48,800

to others that that your trauma is not

980

00:36:54,470 --> 00:36:51,280

necessarily other people's entertainment

981

00:36:56,870 --> 00:36:54,480

and and they and and often there are

982

00:36:59,349 --> 00:36:56,880

broad swaths of the community that

983

00:37:02,550 --> 00:36:59,359

completely operate under that assumption

984

00:37:05,190 --> 00:37:02,560

you know what i mean that that

985

00:37:07,670 --> 00:37:05,200

not only that experiencers are are

986

00:37:09,670 --> 00:37:07,680

expected to repeat what their trauma is

987

00:37:11,270 --> 00:37:09,680

to other people over and over and over

988

00:37:13,829 --> 00:37:11,280

again over and over and over again but

989

00:37:16,150 --> 00:37:13,839

they're also but other people even put

990

00:37:17,910 --> 00:37:16,160

themselves in situations where they're

991

00:37:19,829 --> 00:37:17,920

gonna go have something traumatic happen

992

00:37:22,230 --> 00:37:19,839

and they're gonna report back like for

993

00:37:24,950 --> 00:37:22,240

example pretty much the entire like

994

00:37:27,750 --> 00:37:24,960

haunted paranormal investigations wing

995

00:37:30,470 --> 00:37:27,760

of of paranormal investigations you know

996

00:37:32,630 --> 00:37:30,480

like everybody that where that puts on a

997

00:37:34,550 --> 00:37:32,640

big black outfit goes on goes on to

998

00:37:37,349 --> 00:37:34,560

their discovery channel show

999

00:37:38,870 --> 00:37:37,359

and you know it gets their flash exactly

1000

00:37:42,310 --> 00:37:38,880

and there's there's

1001

00:37:45,109 --> 00:37:42,320

some ufo experiencers that totally

1002

00:37:47,430 --> 00:37:45,119

um you know monetize their experience

1003

00:37:49,670 --> 00:37:47,440

completely you know sure

1004

00:37:51,270 --> 00:37:49,680

unfortunately and that is a part of what

1005

00:37:53,670 --> 00:37:51,280

makes it so difficult for other people i

1006

00:37:55,829 --> 00:37:53,680

was just looking at uh tom reed and

1007

00:38:00,069 --> 00:37:55,839

trying to find his contact information

1008

00:38:05,349 --> 00:38:02,710

yeah and it's kind of like oh

1009

00:38:07,510 --> 00:38:05,359

i didn't want to know that

1010

00:38:09,430 --> 00:38:07,520

you know but that doesn't mean his

1011

00:38:11,829 --> 00:38:09,440

experience isn't real either because

1012

00:38:13,670 --> 00:38:11,839

people handle things in different ways

1013

00:38:15,990 --> 00:38:13,680

right which is interesting we have a

1014

00:38:17,910 --> 00:38:16,000

special guest by the way

1015

00:38:20,470 --> 00:38:17,920

what's that we have a special guest by

1016

00:38:22,069 --> 00:38:20,480

the way we do

1017

00:38:25,430 --> 00:38:22,079

no way

1018

00:38:26,710 --> 00:38:25,440

vinnie oh my gosh what's up dude how's

1019

00:38:28,630 --> 00:38:26,720

it going guys

1020

00:38:30,470 --> 00:38:28,640

oh it's great to see you it's good to

1021

00:38:32,150 --> 00:38:30,480

see you too man

1022

00:38:34,950 --> 00:38:32,160

it's good yeah like i was just in the

1023

00:38:36,870 --> 00:38:34,960

live chat obviously and loving the show

1024

00:38:37,750 --> 00:38:36,880

and i just got the link from sean and he

1025

00:38:40,310 --> 00:38:37,760

was like

1026

00:38:42,630 --> 00:38:40,320

let's do it so oh man

1027

00:38:44,630 --> 00:38:42,640

that was a wonderful oh wow it's like

1028

00:38:46,390 --> 00:38:44,640

it's like uh it's it's like christmas

1029

00:38:48,470 --> 00:38:46,400

for me this is great this is a wonderful

1030

00:38:50,150 --> 00:38:48,480

surprise to find under the tree hey you

1031

00:38:51,910 --> 00:38:50,160

were in you were in blackpool at the

1032

00:38:54,470 --> 00:38:51,920

awakening conference this last weekend

1033

00:38:56,069 --> 00:38:54,480

right i was indeed oh it was amazing man

1034

00:38:58,230 --> 00:38:56,079

it's my first experience of a like a

1035

00:38:59,990 --> 00:38:58,240

full-blown conference um

1036

00:39:02,470 --> 00:39:00,000

so yeah we were lucky to be there as a

1037

00:39:04,790 --> 00:39:02,480

part of uap media uk so we had a stand

1038

00:39:07,829 --> 00:39:04,800

uh and so we just got to meet so many

1039

00:39:09,829 --> 00:39:07,839

cool people it was just incredible

1040

00:39:12,870 --> 00:39:09,839

yeah and you

1041

00:39:16,069 --> 00:39:12,880

are like besties with uh rick daddy now

1042

00:39:18,230 --> 00:39:16,079

right oh i wouldn't say besties man like

1043

00:39:20,069 --> 00:39:18,240

i'm just kidding if you if you look at

1044

00:39:22,310 --> 00:39:20,079

all the photos i took with the speakers

1045

00:39:24,310 --> 00:39:22,320

and you look at me and rick doughty like

1046

00:39:28,470 --> 00:39:24,320

there's barely like any kind of smile

1047

00:39:32,790 --> 00:39:30,710

your caption with with your uh instagram

1048

00:39:35,109 --> 00:39:32,800

photos you're like i had a great time

1049

00:39:38,069 --> 00:39:35,119

with these great people that you know

1050

00:39:39,990 --> 00:39:38,079

i'm totally paraphrasing doesn't mean

1051

00:39:42,550 --> 00:39:40,000

that i'm backing

1052

00:39:43,990 --> 00:39:42,560

all of their stories 100 all right so

1053

00:39:47,270 --> 00:39:44,000

right away you're just like i'm just

1054

00:39:48,870 --> 00:39:47,280

hanging with people now lay off

1055

00:39:49,990 --> 00:39:48,880

you know it was one of them things you

1056

00:39:51,910 --> 00:39:50,000

know i was lucky enough people were

1057

00:39:54,630 --> 00:39:51,920

introducing me to the to the speakers

1058

00:39:56,390 --> 00:39:54,640

and i was like nice to meet you yeah

1059

00:39:57,750 --> 00:39:56,400

nice me nice to meet you

1060

00:40:02,230 --> 00:39:57,760

yeah

1061

00:40:04,950 --> 00:40:02,240

to actually meet these people though and

1062

00:40:06,069 --> 00:40:04,960

be you know like on ufo twitter at least

1063

00:40:08,870 --> 00:40:06,079

i feel like

1064

00:40:11,510 --> 00:40:08,880

if the some of these conversations were

1065

00:40:13,430 --> 00:40:11,520

were to actually be had in person

1066

00:40:14,309 --> 00:40:13,440

like a scenario like that

1067

00:40:16,390 --> 00:40:14,319

you know

1068

00:40:18,069 --> 00:40:16,400

half of the

1069

00:40:21,190 --> 00:40:18,079

low blow stuff that people are willing

1070

00:40:23,190 --> 00:40:21,200

to say just would not be said absolutely

1071

00:40:25,030 --> 00:40:23,200

and much more civil the funny thing that

1072

00:40:27,109 --> 00:40:25,040

got me more than meeting the speakers is

1073

00:40:29,430 --> 00:40:27,119

meeting some of the people that are like

1074

00:40:31,109 --> 00:40:29,440

followers on social media and they're

1075

00:40:33,349 --> 00:40:31,119

like oh i'm so and so and then i

1076
00:40:34,950 --> 00:40:33,359
recognize the name from social media but

1077
00:40:35,990 --> 00:40:34,960
when they when you see them in person

1078
00:40:37,190 --> 00:40:36,000
you're like you would have thought they

1079
00:40:39,270 --> 00:40:37,200
were

1080
00:40:41,109 --> 00:40:39,280
half the age or completely different

1081
00:40:43,430 --> 00:40:41,119
kind of person so you know from what

1082
00:40:45,349 --> 00:40:43,440
i've judged of people's comments and

1083
00:40:48,069 --> 00:40:45,359
usernames it's not what they're like in

1084
00:40:49,349 --> 00:40:48,079
person whatsoever so that blew me away

1085
00:40:51,349 --> 00:40:49,359
to be honest

1086
00:40:53,349 --> 00:40:51,359
yeah that's critical

1087
00:40:54,710 --> 00:40:53,359
cool that's really great to hear let's

1088
00:40:55,990 --> 00:40:54,720

get back to your show because i don't

1089

00:40:58,069 --> 00:40:56,000

want to intrude

1090

00:40:59,910 --> 00:40:58,079

no no i like it

1091

00:41:01,349 --> 00:40:59,920

it's great we always need stuff to talk

1092

00:41:03,349 --> 00:41:01,359

about you know

1093

00:41:04,950 --> 00:41:03,359

i mean what no but you bring up

1094

00:41:07,190 --> 00:41:04,960

something that's that's really important

1095

00:41:10,230 --> 00:41:07,200

i think you know like last week

1096

00:41:12,550 --> 00:41:10,240

you know james indoley and nre have

1097

00:41:14,230 --> 00:41:12,560

started this new york city ufo supper

1098

00:41:16,309 --> 00:41:14,240

club right so and that's

1099

00:41:18,230 --> 00:41:16,319

and that started as a joke between me

1100

00:41:20,710 --> 00:41:18,240

and james and now it's like a real thing

1101

00:41:23,510 --> 00:41:20,720

and you know sean was at the second one

1102

00:41:26,069 --> 00:41:23,520

and uh so was priscilla and and some

1103

00:41:28,309 --> 00:41:26,079

other wonderful people and uh and just

1104

00:41:31,030 --> 00:41:28,319

this last weekend we did another one at

1105

00:41:33,190 --> 00:41:31,040

this really old school manhattan italian

1106

00:41:35,030 --> 00:41:33,200

restaurant that had like opera singers

1107

00:41:37,030 --> 00:41:35,040

and whatnot and

1108

00:41:39,270 --> 00:41:37,040

and uh bob mcguire who's been on the

1109

00:41:42,550 --> 00:41:39,280

show was on and kristen blackburn who's

1110

00:41:44,710 --> 00:41:42,560

been on the show was on and i was there

1111

00:41:47,030 --> 00:41:44,720

and james and i and

1112

00:41:49,510 --> 00:41:47,040

bob's wife my partner it was a great

1113

00:41:51,750 --> 00:41:49,520

time and it's important you know in

1114

00:41:54,790 --> 00:41:51,760

situations like that you know we had a

1115

00:41:56,069 --> 00:41:54,800

great like four hour-ish dinner right we

1116

00:41:58,150 --> 00:41:56,079

shut the place down we were one of the

1117

00:41:59,510 --> 00:41:58,160

last tables there they were totally

1118

00:42:03,670 --> 00:41:59,520

cleaning up people are starting to

1119

00:42:07,910 --> 00:42:05,589

and uh and uh

1120

00:42:10,069 --> 00:42:07,920

and we had a great time and did we agree

1121

00:42:11,510 --> 00:42:10,079

about every single situation that came

1122

00:42:13,349 --> 00:42:11,520

up of course we were talking about

1123

00:42:15,910 --> 00:42:13,359

everything under the sun with regard to

1124

00:42:18,470 --> 00:42:15,920

ufology right did we agree about every

1125

00:42:19,349 --> 00:42:18,480

single thing absolutely not right

1126

00:42:23,829 --> 00:42:19,359

you know

1127

00:42:25,990 --> 00:42:23,839

for a spirited conversation definitely

1128

00:42:27,589 --> 00:42:26,000

right oh yeah and and i think it's

1129

00:42:29,910 --> 00:42:27,599

important for people to recognize that

1130

00:42:32,470 --> 00:42:29,920

it's you know in a field like this or

1131

00:42:33,750 --> 00:42:32,480

just in life in general you know like we

1132

00:42:35,670 --> 00:42:33,760

can't

1133

00:42:38,710 --> 00:42:35,680

it's important to remember how

1134

00:42:40,710 --> 00:42:38,720

bipartisan you know ufology is in

1135

00:42:42,630 --> 00:42:40,720

general and how

1136

00:42:44,710 --> 00:42:42,640

decent of a job we generally do and

1137

00:42:46,230 --> 00:42:44,720

being able to keep up the dialogue

1138

00:42:47,829 --> 00:42:46,240

you know despite the personal

1139

00:42:49,910 --> 00:42:47,839

differences that we might have with each

1140

00:42:52,390 --> 00:42:49,920

other and how important it is to keep up

1141

00:42:54,950 --> 00:42:52,400

that kind of a dialogue with it with a

1142

00:42:57,109 --> 00:42:54,960

with a spirit of positive energy right

1143

00:42:59,430 --> 00:42:57,119

absolutely i've never been to one to get

1144

00:43:00,710 --> 00:42:59,440

you know deep dive into the trauma or

1145

00:43:02,950 --> 00:43:00,720

react

1146

00:43:05,030 --> 00:43:02,960

to certain things on social media i've

1147

00:43:07,349 --> 00:43:05,040

always stayed away from that but

1148

00:43:08,950 --> 00:43:07,359

i can see to a degree why people do it

1149

00:43:11,430 --> 00:43:08,960

because it's easy

1150

00:43:13,829 --> 00:43:11,440

to sit behind the keyboard and respond

1151

00:43:15,670 --> 00:43:13,839

you know like blase but

1152

00:43:17,910 --> 00:43:15,680

yeah you know this weekend did give me

1153

00:43:20,150 --> 00:43:17,920

serious food for thought and

1154

00:43:22,069 --> 00:43:20,160

yeah i just hope that more people get to

1155

00:43:23,990 --> 00:43:22,079

experience those face-to-face

1156

00:43:26,069 --> 00:43:24,000

interactions you know because

1157

00:43:28,309 --> 00:43:26,079

conversations would go a lot differently

1158

00:43:31,589 --> 00:43:28,319

if it was face to face

1159

00:43:33,990 --> 00:43:31,599

yeah yeah yeah i'm i'm always impressed

1160

00:43:35,990 --> 00:43:34,000

with with how you can stay out of the

1161

00:43:38,470 --> 00:43:36,000

whatever the the latest drama is

1162

00:43:40,550 --> 00:43:38,480

sometimes i'm like this guy is not even

1163

00:43:42,470 --> 00:43:40,560

looking he's not looking or he would say

1164

00:43:43,510 --> 00:43:42,480

something he's not even looking no but

1165

00:43:46,950 --> 00:43:43,520

he's just

1166

00:43:49,510 --> 00:43:46,960

i'm just i'm working too hard man i have

1167

00:43:50,870 --> 00:43:49,520

so much going on i don't have time if if

1168

00:43:52,630 --> 00:43:50,880

you send one message you know the

1169

00:43:55,910 --> 00:43:52,640

thread's gonna be 20 deep i ain't got

1170

00:43:57,910 --> 00:43:55,920

time for that yeah just back and forth

1171

00:44:00,870 --> 00:43:57,920

[Music]

1172

00:44:02,230 --> 00:44:00,880

it was an alien no it wasn't

1173

00:44:04,390 --> 00:44:02,240

it's amazing though

1174

00:44:06,790 --> 00:44:04,400

yeah vinnie does such an you do such an

1175

00:44:09,270 --> 00:44:06,800

admirable job that way and you know i

1176

00:44:11,510 --> 00:44:09,280

was noticing in blackpool like i was

1177

00:44:13,510 --> 00:44:11,520

seeing some great shots of you and dan

1178

00:44:15,270 --> 00:44:13,520

and company and doing some like action

1179

00:44:17,990 --> 00:44:15,280

poses kind of charlie's angel style and

1180

00:44:19,829 --> 00:44:18,000

stuff like that and i was like

1181

00:44:21,829 --> 00:44:19,839

at one point i noticed

1182

00:44:23,349 --> 00:44:21,839

your shoes and like i was like damn

1183

00:44:25,430 --> 00:44:23,359

finney's got some nice new adidas

1184

00:44:27,109 --> 00:44:25,440

trainers on you know and i was like and

1185

00:44:29,030 --> 00:44:27,119

i actually thought i was like those are

1186

00:44:31,589 --> 00:44:29,040

that's such good symbolism you know

1187

00:44:34,550 --> 00:44:31,599

vinnie does keep it does keep he keeps

1188

00:44:36,550 --> 00:44:34,560

his hands and his feet clean in terms of

1189

00:44:38,790 --> 00:44:36,560

that kind of stuff you know and oh yeah

1190

00:44:40,550 --> 00:44:38,800

that's significant i have standards one

1191

00:44:42,470 --> 00:44:40,560

thing i will say is that the what you

1192

00:44:45,430 --> 00:44:42,480

should be reaching out for is the

1193

00:44:46,470 --> 00:44:45,440

elusive karaoke footage

1194

00:44:48,230 --> 00:44:46,480

oh

1195

00:44:49,910 --> 00:44:48,240

snap all right

1196

00:44:52,230 --> 00:44:49,920

i'm looking forward to that that's going

1197

00:44:53,910 --> 00:44:52,240

to be if i get it i'm writing an article

1198

00:44:58,150 --> 00:44:53,920

for the sun

1199

00:45:04,710 --> 00:45:01,750

ufo uh podcasters and authors get freaky

1200

00:45:07,430 --> 00:45:04,720

at the karaoke stage we should make some

1201

00:45:08,630 --> 00:45:07,440

we should make like you know how people

1202

00:45:11,589 --> 00:45:08,640

set up

1203

00:45:14,309 --> 00:45:11,599

um kind of uh what do they call it not

1204

00:45:16,150 --> 00:45:14,319

dead drop this turnkey situation those

1205

00:45:18,790 --> 00:45:16,160

situations where say

1206

00:45:21,109 --> 00:45:18,800

if i die then you know go to my security

1207

00:45:22,710 --> 00:45:21,119

deposit box and and get the stuff out

1208

00:45:24,870 --> 00:45:22,720

well maybe we could make something

1209

00:45:27,430 --> 00:45:24,880

similar here where we can make some just

1210

00:45:29,990 --> 00:45:27,440

gentlemen's agreements that say if the

1211

00:45:32,630 --> 00:45:30,000

22-minute video the confidential

1212

00:45:34,230 --> 00:45:32,640

22-minute uap video that has been talked

1213

00:45:35,990 --> 00:45:34,240

about for years if that ever makes it

1214

00:45:37,829 --> 00:45:36,000

out then maybe the karaoke stuff comes

1215

00:45:39,670 --> 00:45:37,839

out like maybe a week later

1216

00:45:41,109 --> 00:45:39,680

something along those lines

1217

00:45:43,190 --> 00:45:41,119

yeah

1218

00:45:46,470 --> 00:45:43,200

let me ask you benny let me ask you

1219

00:45:47,670 --> 00:45:46,480

video what did you think of the uh

1220

00:45:49,270 --> 00:45:47,680

brazilian

1221

00:45:51,750 --> 00:45:49,280

ufo hearings

1222

00:45:54,069 --> 00:45:51,760

um and you know

1223

00:45:56,309 --> 00:45:54,079

do you think

1224

00:45:58,309 --> 00:45:56,319

it was too wide of a spectrum do you

1225

00:45:59,670 --> 00:45:58,319

think it was you know whatever is clever

1226

00:46:01,750 --> 00:45:59,680

what's your take

1227

00:46:03,430 --> 00:46:01,760

i don't think it was too wide i think it

1228

00:46:04,950 --> 00:46:03,440

was like i mentioned in my comment i

1229

00:46:07,510 --> 00:46:04,960

posted earlier i think what a lot of

1230

00:46:09,109 --> 00:46:07,520

people expected was just a repeat of the

1231

00:46:11,349 --> 00:46:09,119

us hearings but maybe with a bit more

1232

00:46:13,670 --> 00:46:11,359

information but it it it really delved

1233

00:46:15,990 --> 00:46:13,680

into or showed what the culture is like

1234

00:46:17,829 --> 00:46:16,000

in south america a lot more this is

1235

00:46:19,349 --> 00:46:17,839

something i experienced in colombia that

1236

00:46:21,349 --> 00:46:19,359

the conversation about e.t

1237

00:46:23,190 --> 00:46:21,359

extraterrestrials and all that is the

1238

00:46:25,349 --> 00:46:23,200

norm out there so they're not afraid to

1239

00:46:27,589 --> 00:46:25,359

go into every single aspect of the

1240

00:46:29,589 --> 00:46:27,599

phenomena it doesn't just have to be

1241

00:46:32,230 --> 00:46:29,599

military cases and things like that it

1242

00:46:34,470 --> 00:46:32,240

goes into abductions it goes into into

1243

00:46:36,950 --> 00:46:34,480

the more woo side of things let's say so

1244

00:46:38,630 --> 00:46:36,960

i wasn't surprised at all but i think

1245

00:46:40,870 --> 00:46:38,640

that's also a good scope for other

1246

00:46:42,710 --> 00:46:40,880

countries that may be looking at it and

1247

00:46:44,630 --> 00:46:42,720

and possibly even considering doing

1248

00:46:46,550 --> 00:46:44,640

something in the in the future that they

1249

00:46:47,990 --> 00:46:46,560

can come at it from any angle as well so

1250

00:46:50,150 --> 00:46:48,000

it's not a bad thing i just think we

1251

00:46:53,510 --> 00:46:50,160

need to not look at it from

1252

00:46:56,790 --> 00:46:53,520

such american and maybe even uk eyes you

1253

00:46:58,870 --> 00:46:56,800

know that there's more possibilities

1254

00:47:01,430 --> 00:46:58,880

right no i think that's great that's a

1255

00:47:05,589 --> 00:47:01,440

great perspective i would say i'm

1256

00:47:06,950 --> 00:47:05,599

and i wonder if it has to do with um

1257

00:47:12,309 --> 00:47:06,960

there's probably a whole lot of things

1258

00:47:16,710 --> 00:47:13,910

i just feel like some cultures are kind

1259

00:47:18,550 --> 00:47:16,720

of more um

1260

00:47:20,710 --> 00:47:18,560

you know ingrained in

1261

00:47:23,109 --> 00:47:20,720

you know supernatural kind of things

1262

00:47:24,870 --> 00:47:23,119

yeah you know or even religions or

1263

00:47:27,030 --> 00:47:24,880

brought up religious

1264

00:47:29,829 --> 00:47:27,040

or just things of that nature and i feel

1265

00:47:31,349 --> 00:47:29,839

a lot of it has to do with um just the

1266

00:47:33,670 --> 00:47:31,359

the desire to

1267

00:47:36,790 --> 00:47:33,680

to learn more about the universe and

1268

00:47:40,069 --> 00:47:36,800

what the truth of of reality is

1269

00:47:42,549 --> 00:47:40,079

as um maybe here or other european

1270

00:47:44,390 --> 00:47:42,559

countries are just kind of more fixed on

1271

00:47:46,150 --> 00:47:44,400

uh you know now

1272

00:47:47,510 --> 00:47:46,160

in money

1273

00:47:50,150 --> 00:47:47,520

i think it will help it'll help when

1274

00:47:52,470 --> 00:47:50,160

james fox's documentary drops

1275

00:47:53,990 --> 00:47:52,480

you know focusing on the brazilian case

1276

00:47:57,430 --> 00:47:54,000

i can tell you it's

1277

00:47:59,510 --> 00:47:57,440

an eye-opener it's amazing and it's a

1278

00:48:01,270 --> 00:47:59,520

shame that that wasn't out before so

1279

00:48:03,109 --> 00:48:01,280

that more people will really like eyes

1280

00:48:05,190 --> 00:48:03,119

on these brazilian hearings based on

1281

00:48:07,510 --> 00:48:05,200

what the documentary shows a lot of

1282

00:48:09,430 --> 00:48:07,520

great testimony but it's just the way

1283

00:48:11,190 --> 00:48:09,440

the cookie crumbled that it's it's not

1284

00:48:13,510 --> 00:48:11,200

that way around but i think you know i

1285

00:48:15,829 --> 00:48:13,520

think a lot of focus needs to be on

1286

00:48:16,710 --> 00:48:15,839

south america in in the coming months

1287

00:48:17,910 --> 00:48:16,720

you know

1288

00:48:19,829 --> 00:48:17,920

yeah

1289

00:48:24,150 --> 00:48:19,839

for for a lot of reasons

1290

00:48:27,510 --> 00:48:25,510

what's what's the name of your document

1291

00:48:29,150 --> 00:48:27,520

your upcoming documentary again vinnie

1292

00:48:31,910 --> 00:48:29,160

so it's a series and it's called

1293

00:48:33,670 --> 00:48:31,920

phenomenology uh episode one premieres

1294

00:48:36,549 --> 00:48:33,680

this friday

1295

00:48:38,069 --> 00:48:36,559

it's amazing very close yeah nice i'm

1296

00:48:39,910 --> 00:48:38,079

looking forward to that thank you

1297

00:48:41,829 --> 00:48:39,920

absolutely i've been been following the

1298

00:48:43,190 --> 00:48:41,839

progress of that since before you guys

1299

00:48:44,870 --> 00:48:43,200

even went out there

1300

00:48:47,270 --> 00:48:44,880

or you know i mean we were in

1301

00:48:49,030 --> 00:48:47,280

communication at the you know before you

1302

00:48:52,230 --> 00:48:49,040

guys went out it was so cool to see your

1303

00:48:54,870 --> 00:48:52,240

updates from the field there in columbia

1304

00:48:56,870 --> 00:48:54,880

so cool and um of course you know no

1305

00:48:58,549 --> 00:48:56,880

spoilers you told us a little bit about

1306

00:49:00,150 --> 00:48:58,559

what happened there and of course we're

1307

00:49:00,870 --> 00:49:00,160

not going to spoil some of those details

1308

00:49:02,470 --> 00:49:00,880

but

1309

00:49:03,750 --> 00:49:02,480

really really looking forward to seeing

1310

00:49:05,670 --> 00:49:03,760

the footage

1311

00:49:08,150 --> 00:49:05,680

i just i just have to ask you did you

1312

00:49:09,589 --> 00:49:08,160

have an experience

1313

00:49:12,790 --> 00:49:09,599

yeah

1314

00:49:14,069 --> 00:49:12,800

i'll say that much i can't wait to be

1315

00:49:15,190 --> 00:49:14,079

able to talk about it to be honest

1316

00:49:16,790 --> 00:49:15,200

obviously this is something that

1317

00:49:18,790 --> 00:49:16,800

happened in february and we're now in

1318

00:49:20,630 --> 00:49:18,800

june end of june

1319

00:49:22,549 --> 00:49:20,640

and i want to

1320

00:49:24,950 --> 00:49:22,559

be able to talk more freely and ask

1321

00:49:28,150 --> 00:49:24,960

questions and you know

1322

00:49:31,349 --> 00:49:28,160

well i remember back in the day

1323

00:49:33,190 --> 00:49:31,359

when it was uh max herself and i

1324

00:49:35,270 --> 00:49:33,200

and you know max

1325

00:49:36,950 --> 00:49:35,280

thought he saw something or whatever and

1326

00:49:38,870 --> 00:49:36,960

we would tease you about it like you're

1327

00:49:41,829 --> 00:49:38,880

gonna see something or what man you're

1328

00:49:43,670 --> 00:49:41,839

like oh god i want to so bad but i

1329

00:49:47,270 --> 00:49:43,680

didn't i haven't

1330

00:49:48,710 --> 00:49:47,280

so that i i feel you know well

1331

00:49:51,349 --> 00:49:48,720

you know i was saying earlier about

1332

00:49:52,710 --> 00:49:51,359

people who have had experiences like uh

1333

00:49:54,950 --> 00:49:52,720

you know the one

1334

00:49:58,630 --> 00:49:54,960

frustration that i have sometimes is

1335

00:50:00,790 --> 00:49:58,640

that people um kind of pray paint

1336

00:50:02,710 --> 00:50:00,800

experiences with a broad brush like you

1337

00:50:05,349 --> 00:50:02,720

hear somebody had an experience now that

1338

00:50:06,630 --> 00:50:05,359

means that he thinks he's taken away in

1339

00:50:07,510 --> 00:50:06,640

a spaceship

1340

00:50:08,710 --> 00:50:07,520

or

1341

00:50:09,750 --> 00:50:08,720

you know that

1342

00:50:12,069 --> 00:50:09,760

he thinks

1343

00:50:13,910 --> 00:50:12,079

all aliens are peaceful and they're here

1344

00:50:16,630 --> 00:50:13,920

to raise our consciousness and take us

1345

00:50:18,950 --> 00:50:16,640

away to paradise or you know all these

1346

00:50:20,150 --> 00:50:18,960

different things but you know

1347

00:50:21,349 --> 00:50:20,160

from

1348

00:50:24,309 --> 00:50:21,359

looking into

1349

00:50:26,069 --> 00:50:24,319

the different experiences that happen

1350

00:50:27,990 --> 00:50:26,079

i was saying earlier that they're all

1351

00:50:30,390 --> 00:50:28,000

just unique just like everything else

1352

00:50:31,829 --> 00:50:30,400

that happens in a person's life you know

1353

00:50:33,030 --> 00:50:31,839

it could be

1354

00:50:35,670 --> 00:50:33,040

something that's right in front of your

1355

00:50:36,870 --> 00:50:35,680

face and just this crazy you know thing

1356

00:50:39,910 --> 00:50:36,880

that you see

1357

00:50:42,390 --> 00:50:39,920

or could have some sort of uh you know a

1358

00:50:43,910 --> 00:50:42,400

precognitive dream it could be a simple

1359

00:50:44,870 --> 00:50:43,920

experience you could be a complicated

1360

00:50:46,870 --> 00:50:44,880

one

1361

00:50:48,549 --> 00:50:46,880

and there's so many different facets to

1362

00:50:50,710 --> 00:50:48,559

it you know so

1363

00:50:52,790 --> 00:50:50,720

you know hopefully you know i want to

1364

00:50:55,349 --> 00:50:52,800

say i'm glad you had one you know but

1365

00:50:57,910 --> 00:50:55,359

ultimately that'll be you know uh up to

1366

00:51:00,230 --> 00:50:57,920

you if it was a good or bad experience i

1367

00:51:02,069 --> 00:51:00,240

guess so i mean it has taken me months

1368

00:51:04,309 --> 00:51:02,079

to even begin to start processing it i

1369

00:51:05,510 --> 00:51:04,319

guess the main question i have is

1370

00:51:08,150 --> 00:51:05,520

what was it

1371

00:51:10,069 --> 00:51:08,160

and that has spurred me on i think we're

1372

00:51:12,870 --> 00:51:10,079

going to go back out again next year

1373

00:51:14,710 --> 00:51:12,880

with sensor systems and stuff just to

1374

00:51:16,309 --> 00:51:14,720

even start beginning to answer that

1375

00:51:17,589 --> 00:51:16,319

question you know

1376

00:51:18,790 --> 00:51:17,599

i know it's going to be a lengthy

1377

00:51:21,190 --> 00:51:18,800

process

1378

00:51:23,270 --> 00:51:21,200

but yeah it's taken me months to to just

1379

00:51:24,950 --> 00:51:23,280

realize wait a minute i did actually see

1380

00:51:26,470 --> 00:51:24,960

something it's

1381

00:51:28,230 --> 00:51:26,480

captured in

1382

00:51:29,750 --> 00:51:28,240

high definition

1383

00:51:31,750 --> 00:51:29,760

and it's unknown

1384

00:51:32,870 --> 00:51:31,760

right it's hard it's hard it's going to

1385

00:51:34,790 --> 00:51:32,880

be hard because people are going to be

1386

00:51:37,109 --> 00:51:34,800

like i know people are going to brush it

1387

00:51:38,790 --> 00:51:37,119

off like they do with all people's

1388

00:51:41,670 --> 00:51:38,800

sightings

1389

00:51:43,750 --> 00:51:41,680

i'm almost glad i don't have video of my

1390

00:51:45,589 --> 00:51:43,760

main one because you know if i did i

1391

00:51:47,430 --> 00:51:45,599

could run into things like that or i

1392

00:51:49,030 --> 00:51:47,440

could talk myself

1393

00:51:51,270 --> 00:51:49,040

you know into

1394

00:51:52,549 --> 00:51:51,280

well probably if i had video of that

1395

00:51:54,150 --> 00:51:52,559

there would be no

1396

00:51:56,150 --> 00:51:54,160

you know but it would have been

1397

00:51:56,870 --> 00:51:56,160

impossible to get video of it

1398

00:51:59,910 --> 00:51:56,880

but

1399

00:52:03,589 --> 00:51:59,920

how is that um you know train

1400

00:52:06,069 --> 00:52:03,599

changed your motivation to to dig for

1401
00:52:08,870 --> 00:52:06,079
truth and jay same question for you your

1402
00:52:10,790 --> 00:52:08,880
experience has that motivated you to

1403
00:52:12,870 --> 00:52:10,800
find some truth

1404
00:52:14,630 --> 00:52:12,880
for me personally i'll quickly say it's

1405
00:52:16,870 --> 00:52:14,640
not changed anything my motivation has

1406
00:52:18,470 --> 00:52:16,880
always been there because even before i

1407
00:52:20,710 --> 00:52:18,480
saw anything i always wanted to do

1408
00:52:22,950 --> 00:52:20,720
what's right by the community by the

1409
00:52:25,190 --> 00:52:22,960
people i have spoken to who some are

1410
00:52:26,710 --> 00:52:25,200
experiences and witnesses all i ever

1411
00:52:28,549 --> 00:52:26,720
wanted is the truth and if it means

1412
00:52:32,230 --> 00:52:28,559
other people get answers before me then

1413
00:52:37,349 --> 00:52:34,069

and and for me you know i think that

1414

00:52:41,670 --> 00:52:40,630

i i dug for years privately before kind

1415

00:52:43,589 --> 00:52:41,680

of

1416

00:52:44,950 --> 00:52:43,599

becoming a

1417

00:52:47,510 --> 00:52:44,960

a very

1418

00:52:49,990 --> 00:52:47,520

niche public figure within this realm

1419

00:52:52,309 --> 00:52:50,000

right and and

1420

00:52:53,670 --> 00:52:52,319

i the amount of study that i did and

1421

00:52:57,030 --> 00:52:53,680

just trying to figure out what the hell

1422

00:52:59,829 --> 00:52:57,040

was going on with my own life and

1423

00:53:02,309 --> 00:52:59,839

it opened so many doors and it opened so

1424

00:53:03,670 --> 00:53:02,319

many discussions you know um

1425

00:53:06,150 --> 00:53:03,680

you know people like sean esperon

1426
00:53:07,190 --> 00:53:06,160
hargens and and some of the the folks

1427
00:53:09,030 --> 00:53:07,200
that were

1428
00:53:11,109 --> 00:53:09,040
they were presenting at the brazilian

1429
00:53:14,309 --> 00:53:11,119
hearings were talking about how you know

1430
00:53:17,270 --> 00:53:14,319
exodus you know the the field of ufology

1431
00:53:20,870 --> 00:53:17,280
and anomalous culture it's it it's it's

1432
00:53:23,030 --> 00:53:20,880
a very multi-disciplinary situation and

1433
00:53:24,710 --> 00:53:23,040
so not only are we dealing with problems

1434
00:53:27,109 --> 00:53:24,720
of terminology and things like that

1435
00:53:28,630 --> 00:53:27,119
we're also looking at it from so many

1436
00:53:29,910 --> 00:53:28,640
different angles and so many different

1437
00:53:32,870 --> 00:53:29,920
disciplines

1438
00:53:35,030 --> 00:53:32,880

that that it can be paralyzing

1439

00:53:37,190 --> 00:53:35,040

in in many ways for for people to try to

1440

00:53:40,870 --> 00:53:37,200

move forward with some of this stuff but

1441

00:53:43,510 --> 00:53:40,880

i you know i think i think that as as

1442

00:53:44,870 --> 00:53:43,520

as we progress it's important to realize

1443

00:53:47,190 --> 00:53:44,880

that there are people like the three of

1444

00:53:49,030 --> 00:53:47,200

us that are experiencers that can help

1445

00:53:51,190 --> 00:53:49,040

normalize these conversations even just

1446

00:53:53,030 --> 00:53:51,200

what we're having right now where vinnie

1447

00:53:54,390 --> 00:53:53,040

can say like yeah i saw something it was

1448

00:53:56,390 --> 00:53:54,400

amazing it was in february i've been

1449

00:53:57,190 --> 00:53:56,400

keeping it myself and sure enough you

1450

00:53:59,910 --> 00:53:57,200

know

1451
00:54:02,630 --> 00:53:59,920
and being able to to share that and

1452
00:54:04,870 --> 00:54:02,640
being able to just push

1453
00:54:06,630 --> 00:54:04,880
the ball forward in terms of having that

1454
00:54:08,470 --> 00:54:06,640
as a normal conversation without having

1455
00:54:10,309 --> 00:54:08,480
to you know sweating on her brows and

1456
00:54:12,470 --> 00:54:10,319
feeling like like we're gonna we're

1457
00:54:13,589 --> 00:54:12,480
going to get negativity from the rest of

1458
00:54:15,190 --> 00:54:13,599
the community or something like that

1459
00:54:16,870 --> 00:54:15,200
it's super important there's something i

1460
00:54:18,950 --> 00:54:16,880
did want to get into and

1461
00:54:20,950 --> 00:54:18,960
vinnie it's up to you if you want to get

1462
00:54:22,150 --> 00:54:20,960
into it with us or not but i wanted to

1463
00:54:23,109 --> 00:54:22,160

get into

1464

00:54:27,589 --> 00:54:23,119

um

1465

00:54:28,470 --> 00:54:27,599

you know

1466

00:54:29,349 --> 00:54:28,480

and

1467

00:54:30,950 --> 00:54:29,359

um

1468

00:54:33,829 --> 00:54:30,960

you know attempting to

1469

00:54:36,309 --> 00:54:33,839

to contact non-human entities you you

1470

00:54:37,190 --> 00:54:36,319

worded it correctly like terminology

1471

00:54:39,190 --> 00:54:37,200

is

1472

00:54:41,270 --> 00:54:39,200

really important and i myself could do a

1473

00:54:43,750 --> 00:54:41,280

better job with it but human initiated

1474

00:54:45,349 --> 00:54:43,760

contact right which i think is a great

1475

00:54:47,510 --> 00:54:45,359

way of putting it

1476

00:54:49,190 --> 00:54:47,520

um

1477

00:54:50,309 --> 00:54:49,200

i'll just start it off with with some of

1478

00:54:53,430 --> 00:54:50,319

the things

1479

00:54:56,150 --> 00:54:53,440

i've hear lately is not such a good idea

1480

00:54:56,520 --> 00:54:56,160

because you're opening yourself up to

1481

00:54:57,829 --> 00:54:56,530

um

1482

00:55:00,390 --> 00:54:57,839

[Music]

1483

00:55:02,710 --> 00:55:00,400

anything that wants to pretty much

1484

00:55:04,230 --> 00:55:02,720

either screw with you

1485

00:55:05,510 --> 00:55:04,240

or

1486

00:55:09,270 --> 00:55:05,520

you know

1487

00:55:11,510 --> 00:55:09,280

know what's going to come so should you

1488

00:55:13,190 --> 00:55:11,520

even do it so my question to you maybe

1489

00:55:15,030 --> 00:55:13,200

jay maybe you have a good answer for

1490

00:55:17,829 --> 00:55:15,040

this is there a way to do

1491

00:55:19,670 --> 00:55:17,839

something like that or practice that and

1492

00:55:21,510 --> 00:55:19,680

where you can only or you only really

1493

00:55:23,990 --> 00:55:21,520

bring on positive

1494

00:55:25,750 --> 00:55:24,000

type things

1495

00:55:28,150 --> 00:55:25,760

i don't know that there's a foolproof

1496

00:55:30,230 --> 00:55:28,160

situation you know i was i was i talked

1497

00:55:32,309 --> 00:55:30,240

to james from engaging the phenomenon

1498

00:55:34,230 --> 00:55:32,319

most days and as we all know he likes to

1499

00:55:35,190 --> 00:55:34,240

engage the phenomenon right it's kind of

1500

00:55:36,870 --> 00:55:35,200

his thing

1501

00:55:39,270 --> 00:55:36,880

um and uh

1502

00:55:40,950 --> 00:55:39,280

and he's i think that he's really

1503

00:55:43,190 --> 00:55:40,960

developed his protocols given his

1504

00:55:43,990 --> 00:55:43,200

meditation practice and things like that

1505

00:55:46,069 --> 00:55:44,000

and

1506

00:55:47,829 --> 00:55:46,079

you know from from what i've heard from

1507

00:55:51,270 --> 00:55:47,839

him it sounds it sounds like he's had

1508

00:55:53,829 --> 00:55:51,280

many successful situations uh and

1509

00:55:55,829 --> 00:55:53,839

you know i first of all i mean just to

1510

00:55:58,470 --> 00:55:55,839

establish this i think we're kind of

1511

00:56:00,630 --> 00:55:58,480

taking it as a given that or i am and

1512

00:56:03,270 --> 00:56:00,640

maybe you are sean anyway that that this

1513

00:56:04,150 --> 00:56:03,280

is something that can occur right that

1514

00:56:05,990 --> 00:56:04,160

people

1515

00:56:08,470 --> 00:56:06,000

tend to if they

1516

00:56:10,470 --> 00:56:08,480

whether because of a certain piece of

1517

00:56:13,109 --> 00:56:10,480

property or and

1518

00:56:15,109 --> 00:56:13,119

that or because of the kind of energy

1519

00:56:16,870 --> 00:56:15,119

that they're bringing to the situation

1520

00:56:19,430 --> 00:56:16,880

that there does seem to be something to

1521

00:56:21,349 --> 00:56:19,440

this that that when certain

1522

00:56:23,910 --> 00:56:21,359

when people kind of follow

1523

00:56:26,390 --> 00:56:23,920

a certain kind of meditational practice

1524

00:56:28,470 --> 00:56:26,400

or some kind of process of concentration

1525

00:56:30,390 --> 00:56:28,480

that it can somehow clarify their mind

1526

00:56:32,549 --> 00:56:30,400

enough that they can somehow

1527

00:56:33,349 --> 00:56:32,559

get com some kind of call and response

1528

00:56:36,230 --> 00:56:33,359

back

1529

00:56:39,270 --> 00:56:36,240

um from an anomalous some anomalous

1530

00:56:41,270 --> 00:56:39,280

phenomena out there and there does

1531

00:56:42,710 --> 00:56:41,280

you know everything that i've seen there

1532

00:56:44,309 --> 00:56:42,720

seems to be something to it i don't

1533

00:56:46,630 --> 00:56:44,319

think that it works a hundred percent of

1534

00:56:49,190 --> 00:56:46,640

the time but it certainly works some of

1535

00:56:51,349 --> 00:56:49,200

the time for some people um

1536

00:56:53,109 --> 00:56:51,359

enough that there's something there what

1537

00:56:54,789 --> 00:56:53,119

do you think vinny

1538

00:56:57,910 --> 00:56:54,799

i think for the amount of people that

1539

00:56:59,430 --> 00:56:57,920

i've spoken to that you know there is

1540

00:57:01,750 --> 00:56:59,440

something there for them at least and

1541

00:57:04,230 --> 00:57:01,760

who am i to say that there's not because

1542

00:57:05,670 --> 00:57:04,240

i've not sat down and experienced it but

1543

00:57:07,109 --> 00:57:05,680

at the same time

1544

00:57:08,789 --> 00:57:07,119

i've heard a lot of people suggest that

1545

00:57:10,789 --> 00:57:08,799

it's a bit like opening up a massive

1546

00:57:11,829 --> 00:57:10,799

phone book and just randomly hitting one

1547

00:57:13,670 --> 00:57:11,839

number

1548

00:57:16,069 --> 00:57:13,680

nine times out of ten the person on the

1549

00:57:19,510 --> 00:57:16,079

other end will probably be cool you know

1550

00:57:21,190 --> 00:57:19,520

but that one person might not be so cool

1551
00:57:23,589 --> 00:57:21,200
you know you kind of ask for it you're

1552
00:57:25,670 --> 00:57:23,599
random calling out there so you know

1553
00:57:28,390 --> 00:57:25,680
that's one way of looking at it but

1554
00:57:30,390 --> 00:57:28,400
it's it's not my my ball game let's say

1555
00:57:32,309 --> 00:57:30,400
but but like i said anybody that does

1556
00:57:33,910 --> 00:57:32,319
feel like it's something for them in in

1557
00:57:35,670 --> 00:57:33,920
in a way that works

1558
00:57:38,069 --> 00:57:35,680
in their life

1559
00:57:39,910 --> 00:57:38,079
then i'm all behind that i'm all for it

1560
00:57:42,069 --> 00:57:39,920
and like you said james is is a good

1561
00:57:44,069 --> 00:57:42,079
proponent for this and i've had an awful

1562
00:57:45,510 --> 00:57:44,079
lot of conversations with james as well

1563
00:57:48,470 --> 00:57:45,520

and you know he says he's had some great

1564

00:57:50,470 --> 00:57:48,480

experiences and he was kind of my my in

1565

00:57:52,390 --> 00:57:50,480

on that kind of other side of the other

1566

00:57:54,390 --> 00:57:52,400

aspect of it you know i came from such a

1567

00:57:56,870 --> 00:57:54,400

nuts and bolts background that

1568

00:57:59,670 --> 00:57:56,880

james was my my way in he opened the

1569

00:58:03,270 --> 00:57:59,680

door for me to open up to other areas um

1570

00:58:05,349 --> 00:58:03,280

and it's an interesting realm to explore

1571

00:58:07,750 --> 00:58:05,359

right so i'm still i'm still in the

1572

00:58:10,390 --> 00:58:07,760

exploration zone where i i feel like

1573

00:58:12,630 --> 00:58:10,400

talking to people comes first before i

1574

00:58:15,910 --> 00:58:12,640

even attempt to do anything for myself

1575

00:58:17,510 --> 00:58:15,920

but i'm open i'm seriously open to it

1576

00:58:19,589 --> 00:58:17,520

that makes a lot of sense

1577

00:58:23,270 --> 00:58:19,599

yeah um i

1578

00:58:25,430 --> 00:58:23,280

i'm cautious about you know trying it

1579

00:58:27,349 --> 00:58:25,440

too much i've tried it but it's like

1580

00:58:29,030 --> 00:58:27,359

like i only have the balls to try it for

1581

00:58:30,309 --> 00:58:29,040

so long like

1582

00:58:32,470 --> 00:58:30,319

you know

1583

00:58:33,990 --> 00:58:32,480

like i do it for a little bit of time

1584

00:58:40,069 --> 00:58:34,000

and

1585

00:58:41,670 --> 00:58:40,079

you know but it's not overly strange

1586

00:58:43,589 --> 00:58:41,680

it's not a plane

1587

00:58:45,829 --> 00:58:43,599

it could be a satellite

1588

00:58:47,910 --> 00:58:45,839

definitely not for sure like

1589

00:58:49,670 --> 00:58:47,920

something strange

1590

00:58:51,109 --> 00:58:49,680

but i don't know sometimes sometimes it

1591

00:58:53,910 --> 00:58:51,119

just seems like there's too much

1592

00:58:56,390 --> 00:58:53,920

synchronicity in it man like right when

1593

00:58:58,230 --> 00:58:56,400

i'm done there it is like what the hell

1594

00:59:00,230 --> 00:58:58,240

is that

1595

00:59:02,069 --> 00:59:00,240

you know it's pretty weird

1596

00:59:04,230 --> 00:59:02,079

um but um

1597

00:59:05,829 --> 00:59:04,240

you know and i'll let i'll just resort

1598

00:59:06,950 --> 00:59:05,839

back to what i was saying before like

1599

00:59:09,510 --> 00:59:06,960

every experience is going to be

1600

00:59:11,270 --> 00:59:09,520

different for everybody else right like

1601
00:59:12,789 --> 00:59:11,280
you know somebody may have a really bad

1602
00:59:14,470 --> 00:59:12,799
experience doing that where they get

1603
00:59:15,990 --> 00:59:14,480
some sort of hitchhiker thing they won't

1604
00:59:17,670 --> 00:59:16,000
leave them the f alone like you said

1605
00:59:19,910 --> 00:59:17,680
vinnie get that one in the phone book

1606
00:59:22,069 --> 00:59:19,920
that just doesn't take too kindly of it

1607
00:59:24,069 --> 00:59:22,079
somebody else might just continually

1608
00:59:25,829 --> 00:59:24,079
invite in something that's you know

1609
00:59:27,109 --> 00:59:25,839
maybe kind of beautiful and nice and it

1610
00:59:29,510 --> 00:59:27,119
works for them

1611
00:59:30,789 --> 00:59:29,520
and and that's uh cool so i think if if

1612
00:59:32,870 --> 00:59:30,799
you're going to do it

1613
00:59:35,349 --> 00:59:32,880

you have to be aware that that's the

1614

00:59:37,270 --> 00:59:35,359

case right and are you willing to take

1615

00:59:39,349 --> 00:59:37,280

that chance you know

1616

00:59:41,109 --> 00:59:39,359

i would i would tend to agree with you i

1617

00:59:43,589 --> 00:59:41,119

think that it's probably

1618

00:59:46,390 --> 00:59:43,599

in general less problematic than like

1619

00:59:49,190 --> 00:59:46,400

using a ouija board maybe right i mean

1620

00:59:51,270 --> 00:59:49,200

right people compare the two you know my

1621

00:59:52,710 --> 00:59:51,280

friend stuart davis and you know

1622

00:59:54,870 --> 00:59:52,720

co-founder of the experienter group

1623

00:59:57,910 --> 00:59:54,880

stewart davis he likes to refer to ouija

1624

01:00:00,230 --> 00:59:57,920

boards as the spiritual equivalent of a

1625

01:00:02,230 --> 01:00:00,240

greyhound bus station which i don't know

1626

01:00:04,630 --> 01:00:02,240

if that really translates to uk culture

1627

01:00:05,829 --> 01:00:04,640

event it does it does yeah yeah you

1628

01:00:07,750 --> 01:00:05,839

never know what you're going to get when

1629

01:00:08,630 --> 01:00:07,760

you go to the bus station right yeah and

1630

01:00:10,630 --> 01:00:08,640

uh

1631

01:00:11,910 --> 01:00:10,640

and um and that can certainly be the

1632

01:00:13,990 --> 01:00:11,920

case with

1633

01:00:15,750 --> 01:00:14,000

you know a lot of people will say oh i

1634

01:00:17,670 --> 01:00:15,760

don't believe in ouija boards and then

1635

01:00:19,109 --> 01:00:17,680

if you were to present somebody with one

1636

01:00:21,109 --> 01:00:19,119

and say well okay let's let's sit and

1637

01:00:23,670 --> 01:00:21,119

try and they'll be like no no no no

1638

01:00:25,670 --> 01:00:23,680

you know what i mean there's and i i i'm

1639

01:00:27,910 --> 01:00:25,680

really interested in the barrier between

1640

01:00:30,470 --> 01:00:27,920

like i you know like those things

1641

01:00:32,150 --> 01:00:30,480

there's nothing to that and and yet like

1642

01:00:34,870 --> 01:00:32,160

i'm not gonna sit down and try one out

1643

01:00:36,630 --> 01:00:34,880

right and um and i think that there's

1644

01:00:38,309 --> 01:00:36,640

from what i've heard from various people

1645

01:00:41,430 --> 01:00:38,319

it seems like

1646

01:00:43,190 --> 01:00:41,440

you know the direct the directness of

1647

01:00:45,990 --> 01:00:43,200

ouija boards or things like that where

1648

01:00:47,990 --> 01:00:46,000

you're inviting something to interact

1649

01:00:50,069 --> 01:00:48,000

with you on a

1650

01:00:51,349 --> 01:00:50,079

on a

1651
01:00:54,069 --> 01:00:51,359
uh

1652
01:00:56,630 --> 01:00:54,079
on an almost verbal frequency in terms

1653
01:00:58,230 --> 01:00:56,640
of in terms of communication it seems

1654
01:01:00,870 --> 01:00:58,240
like that can invite

1655
01:01:02,710 --> 01:01:00,880
a closeness that can be really scary for

1656
01:01:04,630 --> 01:01:02,720
a lot of people and one thing that i

1657
01:01:06,630 --> 01:01:04,640
deeply appreciate about

1658
01:01:09,190 --> 01:01:06,640
human initiated contact and whatever the

1659
01:01:12,390 --> 01:01:09,200
framework that is is that it it seems in

1660
01:01:14,390 --> 01:01:12,400
general to elicit behavior

1661
01:01:16,150 --> 01:01:14,400
that is a little bit more gentle for

1662
01:01:17,829 --> 01:01:16,160
people to process in terms of you're

1663
01:01:19,030 --> 01:01:17,839

sitting there you see something way up

1664

01:01:20,549 --> 01:01:19,040

in the sky

1665

01:01:22,390 --> 01:01:20,559

and then you don't this it doesn't

1666

01:01:24,230 --> 01:01:22,400

necessarily come home with you you don't

1667

01:01:25,910 --> 01:01:24,240

have to necessarily worry about whether

1668

01:01:27,510 --> 01:01:25,920

your car keys are going to be in the

1669

01:01:28,870 --> 01:01:27,520

same place as where you left them the

1670

01:01:30,390 --> 01:01:28,880

night before you know the kind of

1671

01:01:33,829 --> 01:01:30,400

poltergeist kind of stuff that you can

1672

01:01:35,270 --> 01:01:33,839

get with other forms of contact

1673

01:01:37,270 --> 01:01:35,280

according to the people that are doing

1674

01:01:39,349 --> 01:01:37,280

them right it's like it's like you're

1675

01:01:40,789 --> 01:01:39,359

praying but you don't know to who right

1676
01:01:41,750 --> 01:01:40,799
you're like offering up this prayer

1677
01:01:43,910 --> 01:01:41,760
you're like

1678
01:01:46,390 --> 01:01:43,920
please help me whoever's listening i

1679
01:01:49,349 --> 01:01:46,400
could use your guidance and you got like

1680
01:01:52,230 --> 01:01:49,359
you know god there and he got like satan

1681
01:01:54,069 --> 01:01:52,240
there but god's like busy like getting

1682
01:01:55,310 --> 01:01:54,079
ready for the day and satan's like i'll

1683
01:01:58,470 --> 01:01:55,320
take that one

1684
01:02:00,309 --> 01:01:58,480
[Laughter]

1685
01:02:03,270 --> 01:02:00,319
and then you just got the the ghost of

1686
01:02:05,910 --> 01:02:03,280
jim bob whoever that guy is right

1687
01:02:07,349 --> 01:02:05,920
who knows

1688
01:02:09,029 --> 01:02:07,359

you got to be aware god i don't know

1689

01:02:10,950 --> 01:02:09,039

what to tell you man i'm taking this one

1690

01:02:15,829 --> 01:02:10,960

yeah

1691

01:02:17,510 --> 01:02:15,839

you know absolutely and but along those

1692

01:02:19,829 --> 01:02:17,520

lines you know the mission rama group

1693

01:02:21,910 --> 01:02:19,839

and other groups that are that have that

1694

01:02:24,309 --> 01:02:21,920

have worked in in latin america and

1695

01:02:26,870 --> 01:02:24,319

south america you know have been doing

1696

01:02:27,829 --> 01:02:26,880

that kind of work for many decades

1697

01:02:30,390 --> 01:02:27,839

before

1698

01:02:32,789 --> 01:02:30,400

uh people like stephen greer were became

1699

01:02:34,150 --> 01:02:32,799

known for for that kind of work and so

1700

01:02:35,990 --> 01:02:34,160

you know it's important for people to

1701

01:02:39,190 --> 01:02:36,000

recognize that there's a history of this

1702

01:02:41,910 --> 01:02:39,200

stuff that exists far past any one

1703

01:02:44,470 --> 01:02:41,920

particular person you know

1704

01:02:46,230 --> 01:02:44,480

so that's that's another thing is

1705

01:02:48,230 --> 01:02:46,240

um you know painting things with a broad

1706

01:02:51,349 --> 01:02:48,240

brush right people think human initiated

1707

01:02:53,990 --> 01:02:51,359

contact c5 they think of uh called

1708

01:02:57,109 --> 01:02:54,000

contact groups you know like uh

1709

01:02:58,549 --> 01:02:57,119

like a grier or

1710

01:03:00,549 --> 01:02:58,559

you know where all those people took

1711

01:03:01,670 --> 01:03:00,559

their own lives right

1712

01:03:03,589 --> 01:03:01,680

um

1713

01:03:06,150 --> 01:03:03,599

they they i forget what that was called

1714

01:03:08,470 --> 01:03:06,160

but in heaven's gate heaven's gate

1715

01:03:11,589 --> 01:03:08,480

thanks you're saving my ass today

1716

01:03:13,750 --> 01:03:11,599

heaven's gate bass straight got it

1717

01:03:15,910 --> 01:03:13,760

i see a theme yeah yeah

1718

01:03:18,309 --> 01:03:15,920

so and and people just think that you

1719

01:03:20,710 --> 01:03:18,319

know and and we have to if we do

1720

01:03:22,309 --> 01:03:20,720

anything you know in this community and

1721

01:03:26,150 --> 01:03:22,319

just as a

1722

01:03:28,630 --> 01:03:26,160

as a world we have to be able to treat

1723

01:03:31,990 --> 01:03:28,640

things on an individual basis

1724

01:03:33,910 --> 01:03:32,000

uh more than we do now and and unique to

1725

01:03:36,069 --> 01:03:33,920

the person instead of

1726

01:03:37,109 --> 01:03:36,079

associating

1727

01:03:39,990 --> 01:03:37,119

you know

1728

01:03:42,150 --> 01:03:40,000

an experimenter with what you think or

1729

01:03:45,029 --> 01:03:42,160

what you heard last of experiences or

1730

01:03:47,670 --> 01:03:45,039

what the media tells you it is and

1731

01:03:49,109 --> 01:03:47,680

you know uh you know people who practice

1732

01:03:51,910 --> 01:03:49,119

contact you know

1733

01:03:54,150 --> 01:03:51,920

so yeah absolutely absolutely

1734

01:03:56,069 --> 01:03:54,160

well i'm so glad vinnie that that you

1735

01:03:58,710 --> 01:03:56,079

were able to make that that trip and

1736

01:04:01,430 --> 01:03:58,720

that we're to start to see the fruits of

1737

01:04:02,789 --> 01:04:01,440

that coming up soon um and is there

1738

01:04:04,710 --> 01:04:02,799

anything that we should

1739

01:04:06,309 --> 01:04:04,720

expect from this first from this first

1740

01:04:07,349 --> 01:04:06,319

episode that's going to be dropping on

1741

01:04:09,349 --> 01:04:07,359

friday

1742

01:04:12,230 --> 01:04:09,359

i think the first episode really is

1743

01:04:15,829 --> 01:04:12,240

going to highlight the culture of the

1744

01:04:17,829 --> 01:04:15,839

area we speak to one of the oldest uh i

1745

01:04:19,270 --> 01:04:17,839

suppose ufologists we call him a

1746

01:04:21,270 --> 01:04:19,280

phenomenologist

1747

01:04:23,270 --> 01:04:21,280

who we met and interviewed and he talks

1748

01:04:24,789 --> 01:04:23,280

about the the strange occurrences in

1749

01:04:27,270 --> 01:04:24,799

that in the valley

1750

01:04:29,910 --> 01:04:27,280

for hundreds of years so it does come

1751

01:04:32,789 --> 01:04:29,920

across quite woo but again it's cultural

1752

01:04:33,510 --> 01:04:32,799

to them it's normal to them so you know

1753

01:04:39,589 --> 01:04:33,520

we

1754

01:04:40,950 --> 01:04:39,599

start off as us not some kind of nuts

1755

01:04:42,950 --> 01:04:40,960

and bolts

1756

01:04:44,950 --> 01:04:42,960

you know english

1757

01:04:45,750 --> 01:04:44,960

ufologists whatever you want to call us

1758

01:04:47,990 --> 01:04:45,760

and

1759

01:04:49,670 --> 01:04:48,000

the journey we take is kind of like

1760

01:04:51,990 --> 01:04:49,680

what's highlighted i think throughout

1761

01:04:55,029 --> 01:04:52,000

the series how our journey because you

1762

01:04:56,309 --> 01:04:55,039

know we meet a lot of spiritual people a

1763

01:04:58,470 --> 01:04:56,319

lot of

1764

01:05:01,829 --> 01:04:58,480

you know locals that are just ingrained

1765

01:05:03,029 --> 01:05:01,839

in ancient cultures of you know colombia

1766

01:05:04,549 --> 01:05:03,039

and

1767

01:05:07,190 --> 01:05:04,559

i think as much as anything it's a

1768

01:05:09,349 --> 01:05:07,200

beautiful looking series

1769

01:05:11,109 --> 01:05:09,359

so even if you get bored of watching me

1770

01:05:12,950 --> 01:05:11,119

then you know well that's why it's

1771

01:05:14,789 --> 01:05:12,960

beautiful looking right

1772

01:05:19,990 --> 01:05:14,799

that's what it's beautiful looking

1773

01:05:23,990 --> 01:05:21,990

and i can't also do that i'm so happy

1774

01:05:26,470 --> 01:05:24,000

for you man like i feel like we've been

1775

01:05:28,950 --> 01:05:26,480

here together doing this for for a while

1776

01:05:31,670 --> 01:05:28,960

now oh yeah you know we've managed to

1777

01:05:34,390 --> 01:05:31,680

not break up we're getting fights

1778

01:05:36,710 --> 01:05:34,400

i think two stupid to each other

1779

01:05:38,630 --> 01:05:36,720

you know we've always been supportive of

1780

01:05:40,309 --> 01:05:38,640

each other and i i love watching you

1781

01:05:42,069 --> 01:05:40,319

grow and

1782

01:05:43,029 --> 01:05:42,079

you know all the things that you're

1783

01:05:44,549 --> 01:05:43,039

doing

1784

01:05:45,750 --> 01:05:44,559

you're so busy and you're always

1785

01:05:48,390 --> 01:05:45,760

expanding

1786

01:05:49,910 --> 01:05:48,400

um you know your your actions and your

1787

01:05:52,150 --> 01:05:49,920

work and

1788

01:05:53,270 --> 01:05:52,160

you know it's just always so impressive

1789

01:05:54,950 --> 01:05:53,280

and and

1790

01:05:56,549 --> 01:05:54,960

you know um i'm

1791

01:05:57,990 --> 01:05:56,559

just super proud that that you're out

1792

01:06:00,069 --> 01:05:58,000

there doing this for this community

1793

01:06:01,990 --> 01:06:00,079

because i know you're

1794

01:06:03,109 --> 01:06:02,000

i do know your heart and it's a good

1795

01:06:05,270 --> 01:06:03,119

heart

1796

01:06:07,670 --> 01:06:05,280

and um thank you i think people are

1797

01:06:08,470 --> 01:06:07,680

lucky that that you're doing that

1798

01:06:10,069 --> 01:06:08,480

so

1799

01:06:11,829 --> 01:06:10,079

that means a lot yeah that really does

1800

01:06:14,950 --> 01:06:11,839

mean a lot man we've been through it

1801
01:06:17,109 --> 01:06:14,960
together for for a long time now and uh

1802
01:06:18,470 --> 01:06:17,119
you inspire me you both inspire me you

1803
01:06:20,309 --> 01:06:18,480
know um

1804
01:06:22,950 --> 01:06:20,319
and it's great that we can be friends

1805
01:06:24,069 --> 01:06:22,960
and take this journey together you know

1806
01:06:25,510 --> 01:06:24,079
i mean

1807
01:06:27,750 --> 01:06:25,520
100

1808
01:06:31,430 --> 01:06:27,760
yeah very inspiring

1809
01:06:33,670 --> 01:06:31,440
well oh gosh yeah that being said

1810
01:06:36,069 --> 01:06:33,680
yeah maybe we should i mean yeah there's

1811
01:06:37,109 --> 01:06:36,079
so much more to say about about some of

1812
01:06:38,309 --> 01:06:37,119
the

1813
01:06:40,069 --> 01:06:38,319

some of what we were going to talk about

1814

01:06:41,589 --> 01:06:40,079

today but i'm so happy that we took this

1815

01:06:44,069 --> 01:06:41,599

wonderful left turn

1816

01:06:46,470 --> 01:06:44,079

uh with i'm sorry

1817

01:06:48,230 --> 01:06:46,480

no it's great are you kidding me this is

1818

01:06:51,750 --> 01:06:48,240

absolutely wonderful it's so good to see

1819

01:06:54,549 --> 01:06:51,760

you um we can we can we we can talk more

1820

01:06:56,870 --> 01:06:54,559

about the brazilian senate case online

1821

01:06:58,549 --> 01:06:56,880

on twitter and elsewhere and it can come

1822

01:07:00,710 --> 01:06:58,559

up in in the weeks to come hopefully

1823

01:07:03,430 --> 01:07:00,720

maybe we can get some of the folks from

1824

01:07:05,510 --> 01:07:03,440

icer that helped organize this uh to

1825

01:07:07,670 --> 01:07:05,520

come join us on the show and we can kind

1826

01:07:09,109 --> 01:07:07,680

of talk debrief the processing and

1827

01:07:10,470 --> 01:07:09,119

things like that and get into a little

1828

01:07:13,109 --> 01:07:10,480

bit more of the details because i'd love

1829

01:07:14,789 --> 01:07:13,119

to do that but uh

1830

01:07:16,710 --> 01:07:14,799

but for today i know that it's getting

1831

01:07:20,390 --> 01:07:16,720

past midnight for vinnie

1832

01:07:24,870 --> 01:07:23,029

thank you so much and uh and i know that

1833

01:07:28,630 --> 01:07:24,880

for sean it's getting towards uh dinner

1834

01:07:33,589 --> 01:07:30,309

and i'm getting so

1835

01:07:37,190 --> 01:07:35,430

that's you it's your secret power if

1836

01:07:39,190 --> 01:07:37,200

people have learned anything about this

1837

01:07:42,150 --> 01:07:39,200

show it said i'm not afraid of left

1838

01:07:43,990 --> 01:07:42,160

turns and i'd like to just live on the

1839

01:07:45,910 --> 01:07:44,000

seat of my pants i like to be spray at

1840

01:07:48,470 --> 01:07:45,920

the moment i don't like to pre-plan

1841

01:07:50,150 --> 01:07:48,480

everything or scripting out sometimes

1842

01:07:52,309 --> 01:07:50,160

i'm just picking topics just because i

1843

01:07:54,309 --> 01:07:52,319

have to you know i can't pick

1844

01:07:56,150 --> 01:07:54,319

you know we're just talking shop people

1845

01:07:57,510 --> 01:07:56,160

that you know people want a topic so we

1846

01:07:59,829 --> 01:07:57,520

start with the topic but wherever it

1847

01:08:02,230 --> 01:07:59,839

goes it goes because you know

1848

01:08:04,150 --> 01:08:02,240

i just love reading the roller coaster

1849

01:08:06,230 --> 01:08:04,160

i love riding the roller coaster with

1850

01:08:07,750 --> 01:08:06,240

you and with both of you

1851

01:08:09,670 --> 01:08:07,760

amen to that

1852

01:08:12,870 --> 01:08:09,680

all right well we'll see i look forward

1853

01:08:15,270 --> 01:08:12,880

to seeing uh phenomenology on friday

1854

01:08:18,070 --> 01:08:15,280

yeah right and uh i look forward to

1855

01:08:21,030 --> 01:08:18,080

seeing um you next week sean and looking

1856

01:08:21,829 --> 01:08:21,040

forward to uap book club i'm sure

1857

01:08:25,030 --> 01:08:21,839

yeah

1858

01:08:26,709 --> 01:08:25,040

keep an eye on uap media uk by the way

1859

01:08:28,870 --> 01:08:26,719

you need to do that because they're up

1860

01:08:31,510 --> 01:08:28,880

to some really cool stuff and just take

1861

01:08:32,870 --> 01:08:31,520

my word for it like watch the website

1862

01:08:35,030 --> 01:08:32,880

read the articles

1863

01:08:36,309 --> 01:08:35,040

just came out with a great one

1864

01:08:38,390 --> 01:08:36,319

on

1865

01:08:41,030 --> 01:08:38,400

the what case was it

1866

01:08:42,789 --> 01:08:41,040

uh part one of calvin dr david clark

1867

01:08:44,470 --> 01:08:42,799

driving to calvin part two drops

1868

01:08:45,669 --> 01:08:44,480

tomorrow so yeah keep your eye on that

1869

01:08:47,669 --> 01:08:45,679

lots happening

1870

01:08:50,829 --> 01:08:47,679

yeah so keep your eye on that a lot of

1871

01:08:53,030 --> 01:08:50,839

good stuff going over there on the uk

1872

01:08:55,189 --> 01:08:53,040

absolutely what that being said

1873

01:08:56,550 --> 01:08:55,199

all right well over and out sir take

1874

01:08:58,950 --> 01:08:56,560

care thanks to everybody in the chat

1875

01:09:01,349 --> 01:08:58,960

thank you vinnie thank you guys

1876

01:09:06,149 --> 01:09:04,070

hey i'll see you later man hey i love

1877

01:09:07,590 --> 01:09:06,159

you buddy i'll see you soon hey i

1878

01:09:08,550 --> 01:09:07,600

stopped recording

1879

01:09:10,229 --> 01:09:08,560

do you

1880

01:09:11,590 --> 01:09:10,239

i'm just no you didn't i see that it's

1881

01:09:13,030 --> 01:09:11,600

live up there

1882

01:09:15,349 --> 01:09:13,040

thanks to everybody in the chat by the

1883

01:09:17,269 --> 01:09:15,359

way you're all absolutely fantastic i've

1884

01:09:20,070 --> 01:09:17,279

been reading some of your comments and

1885

01:09:21,430 --> 01:09:20,080

and it's always wonderful to see how

1886

01:09:23,269 --> 01:09:21,440

well you treat each other and how great

1887

01:09:25,349 --> 01:09:23,279

the conversation goes over there thanks

1888

01:09:27,910 --> 01:09:25,359

so much for joining us awesome other

1889

01:09:29,110 --> 01:09:27,920

than that one trickster at the beginning

1890

01:09:31,269 --> 01:09:29,120

that's right

1891

01:09:32,229 --> 01:09:31,279

yeah i went ahead and take care of that

1892

01:09:34,470 --> 01:09:32,239

that was

1893

01:09:37,269 --> 01:09:34,480

he was just he was just trying to get

1894

01:09:38,630 --> 01:09:37,279

everybody some some expensive sex or

1895

01:09:42,309 --> 01:09:38,640

something i didn't quite understand what

1896

01:09:45,189 --> 01:09:43,269

anyway

1897

01:09:46,470 --> 01:09:45,199

well uh

1898

01:09:47,829 --> 01:09:46,480

now you're freezing and you're trying to

1899

01:09:49,910 --> 01:09:47,839

act like you're frozen and you're not

1900

01:09:51,110 --> 01:09:49,920

frozen i know you're still there

1901

01:09:52,390 --> 01:09:51,120

you're trying to fake me out you keep

1902

01:09:54,460 --> 01:09:52,400

trying to fake me out it's not going to

1903

01:09:58,870 --> 01:09:54,470

work what that beard said

1904

01:09:59,990 --> 01:09:58,880

[Laughter]

1905

01:10:03,030 --> 01:10:00,000

all right all right

1906

01:10:05,920 --> 01:10:03,040

love you buddy love you man see you soon

1907

01:10:36,470 --> 01:10:05,930

peace
