[Music]

2
00:00:26,310 --> 00:00:17,000

there is very likely to be life

3
00:00:29,509 --> 00:00:28,070

all due respect to the air force i

4
00:00:32,069 --> 00:00:29,519

believe that some of them will prove to

5
00:00:34,310 --> 00:00:32,079

be of interplanetary origin during a

6
00:00:36,310 --> 00:00:34,320

three-year investigation i found that

7
00:00:37,350 --> 00:00:36,320

many police have described objects of

8
00:00:39,350 --> 00:00:37,360

substance

9
00:00:41,270 --> 00:00:39,360

and high speed in one case polish

10
00:00:44,950 --> 00:00:41,280

reported their plane was buffeted by an

11
00:00:55,670 --> 00:00:44,960

object would pass them at 500 miles

12

[Music]

13
00:01:02,470 --> 00:00:57,760

analyzing that

14

00:01:07,590 --> 00:01:04,549

and that we also are doing what we need

15

00:01:09,030 --> 00:01:07,600

to do to mitigate any safety issues

16

00:01:10,469 --> 00:01:09,040

as

17

00:01:12,510 --> 00:01:10,479

many of these

18

00:01:17,270 --> 00:01:12,520

phenomena

19

00:01:21,830 --> 00:01:18,710

we're very much concerned about safety

20

00:01:24,469 --> 00:01:21,840

of flight there's footage and records of

21

00:01:30,710 --> 00:01:24,479

objects in the skies that we

22

00:01:34,550 --> 00:01:32,390

what's up everybody

23

00:01:36,789 --> 00:01:34,560

happy freaking monday it's been a while

24

00:01:40,230 --> 00:01:36,799

i hope everybody's doing pretty well uh

25

00:01:45,190 --> 00:01:40,240

what's up to everyone in the chat uh

26

00:01:49,830 --> 00:01:45,200

delta benji robert andre steve

27

00:01:52,069 --> 00:01:49,840

um who else we got here lc victorbot

28

00:01:55,590 --> 00:01:52,079

james

29

00:01:57,109 --> 00:01:55,600

um awesome everybody here mark

30

00:01:58,789 --> 00:01:57,119

how you doing

31

00:02:00,069 --> 00:01:58,799

uh witness citizen always good to have

32

00:02:01,990 --> 00:02:00,079

you

33

00:02:03,830 --> 00:02:02,000

super glad to be back

34

00:02:05,990 --> 00:02:03,840

and we're in a blue room

35

00:02:08,309 --> 00:02:06,000

now if you haven't noticed instead of

36

00:02:10,150 --> 00:02:08,319

the cold room

37

00:02:12,070 --> 00:02:10,160

i didn't paint the walls

38

00:02:13,589 --> 00:02:12,080

but i moved locations

39

00:02:15,110 --> 00:02:13,599

you know i'm like a spy i gotta hop

40

00:02:17,270 --> 00:02:15,120

around so you can't find me you can't

41

00:02:20,390 --> 00:02:17,280

track me down if you need to

42

00:02:24,390 --> 00:02:20,400

so that's what i gotta do

43

00:02:30,869 --> 00:02:27,589

good looking yep an apollo 11.

44

00:02:31,990 --> 00:02:30,879

i'm not a houston astros fan by the way

45

00:02:34,830 --> 00:02:32,000

not at all

46

00:02:36,470 --> 00:02:34,840

i'm a milwaukee brewers fan

47

00:02:38,150 --> 00:02:36,480

but

48

00:02:39,509 --> 00:02:38,160

the milky brewers

49

00:02:42,229 --> 00:02:39,519

don't have

50

00:02:43,830 --> 00:02:42,239

uh an apollo 11 head i got some

51
00:02:45,110 --> 00:02:43,840
hair from my dunk sweeping in there

52
00:02:47,030 --> 00:02:45,120
sorry about that

53
00:02:48,710 --> 00:02:47,040
so you know what are you gonna do

54
00:02:50,150 --> 00:02:48,720
i can't wear a brewer hat then so

55
00:02:52,150 --> 00:02:50,160
somebody should tell the brewers that

56
00:02:55,030 --> 00:02:52,160
they need to get their act together and

57
00:02:56,790 --> 00:02:55,040
maybe i'll be sporting their gear too

58
00:02:59,110 --> 00:02:56,800
you know but as long as they just got a

59
00:03:02,309 --> 00:02:59,120
ball glove on their head

60
00:03:03,750 --> 00:03:02,319
i might not uh might not do it might not

61
00:03:04,710 --> 00:03:03,760
do it i don't know

62
00:03:06,710 --> 00:03:04,720
so

63
00:03:08,790 --> 00:03:06,720

but i'm appreciative that everybody's

64

00:03:10,309 --> 00:03:08,800

here and we're going to get going here

65

00:03:11,589 --> 00:03:10,319

we're going to do some fun things i'm

66

00:03:13,030 --> 00:03:11,599

going to show you a couple new things i

67

00:03:16,149 --> 00:03:13,040

put on the website that i think are

68

00:03:17,270 --> 00:03:16,159

pretty awesome took a whole lot of work

69

00:03:20,229 --> 00:03:17,280

um

70

00:03:22,149 --> 00:03:20,239

uh it was popular on twitter so you know

71

00:03:23,910 --> 00:03:22,159

if it's popular on twitter that means

72

00:03:24,949 --> 00:03:23,920

that it's probably pretty cool i'm

73

00:03:25,990 --> 00:03:24,959

guessing

74

00:03:28,390 --> 00:03:26,000

right

75

00:03:31,190 --> 00:03:28,400

and

76

00:03:36,789 --> 00:03:33,430

we're also going to do

77

00:03:38,550 --> 00:03:36,799

a what the heck is that

78

00:03:39,910 --> 00:03:38,560

we're going to bring that back because

79

00:03:41,990 --> 00:03:39,920

it's been a while because it's just been

80

00:03:44,229 --> 00:03:42,000

jaina and wednesday's and i don't do the

81

00:03:46,470 --> 00:03:44,239

what the heck is that with jay you know

82

00:03:47,990 --> 00:03:46,480

so we're going to do that it's going to

83

00:03:51,030 --> 00:03:48,000

be cool

84

00:03:52,229 --> 00:03:51,040

i got some videos picked up for that

85

00:03:53,670 --> 00:03:52,239

and

86

00:03:56,390 --> 00:03:53,680

yeah

87

00:03:58,550 --> 00:03:56,400

also streaming in about a half an hour

88

00:04:01,270 --> 00:03:58,560

half an hour is

89

00:04:02,869 --> 00:04:01,280

president biden

90

00:04:06,229 --> 00:04:02,879

and vice president

91

00:04:09,030 --> 00:04:06,239

harris received a briefing on james webb

92

00:04:11,910 --> 00:04:09,040

space telescope images which

93

00:04:13,509 --> 00:04:11,920

i guess they're going to receive the

94

00:04:14,550 --> 00:04:13,519

first image from the james webb

95

00:04:15,589 --> 00:04:14,560

telescope

96

00:04:17,909 --> 00:04:15,599

so

97

00:04:19,749 --> 00:04:17,919

as that happens rather than you know

98

00:04:22,469 --> 00:04:19,759

pipng it in and it potentially being

99

00:04:24,790 --> 00:04:22,479

very long drawn out boring

100

00:04:26,550 --> 00:04:24,800

i'm going to wait till i see the image

101

00:04:28,390 --> 00:04:26,560

and once i do that

102

00:04:30,629 --> 00:04:28,400

i'll pipe it in live so we can all check

103

00:04:33,430 --> 00:04:30,639

it out so that way you don't have to go

104

00:04:34,790 --> 00:04:33,440

anywhere you can stay here the whole

105

00:04:36,629 --> 00:04:34,800

freaking

106

00:04:37,430 --> 00:04:36,639

time

107

00:04:39,270 --> 00:04:37,440

and

108

00:04:43,350 --> 00:04:39,280

it's gonna be awesome

109

00:04:45,350 --> 00:04:43,360

not that i'm trying to oversell it

110

00:04:47,990 --> 00:04:45,360

so the first thing i wanted jay's in the

111

00:04:49,189 --> 00:04:48,000

chat what's up jay good to see you hello

112

00:04:51,270 --> 00:04:49,199

sir

113

00:04:53,510 --> 00:04:51,280

uh by the way there's a lot of uap news

114

00:04:54,790 --> 00:04:53,520

to cover but i'm saving that for

115

00:04:58,629 --> 00:04:54,800

wednesday

116

00:05:01,110 --> 00:04:58,639

also going to have katie allen and

117

00:05:03,590 --> 00:05:01,120

christopher sharp on wednesday we're

118

00:05:04,870 --> 00:05:03,600

going to hit all the uap news

119

00:05:07,830 --> 00:05:04,880

so

120

00:05:10,469 --> 00:05:07,840

if you're itching for the latest

121

00:05:14,469 --> 00:05:10,479

ufo extravaganza

122

00:05:17,749 --> 00:05:16,230

so first off

123

00:05:18,629 --> 00:05:17,759

let's do

124

00:05:21,029 --> 00:05:18,639

this

125

00:05:25,029 --> 00:05:21,039

we have

126

00:05:28,230 --> 00:05:25,039

the new additions to the website so

127

00:05:29,110 --> 00:05:28,240

uh in my time off you know i've been

128

00:05:33,510 --> 00:05:29,120

you know

129

00:05:35,510 --> 00:05:33,520

on a movie which i have i have been

130

00:05:38,390 --> 00:05:35,520

working on that but it turns out

131

00:05:40,150 --> 00:05:38,400

movies are really long

132

00:05:41,029 --> 00:05:40,160

you know so it's going to take a lot of

133

00:05:44,150 --> 00:05:41,039

time

134

00:05:45,990 --> 00:05:44,160

i have about 10 minutes made for it so

135

00:05:47,909 --> 00:05:46,000

i've got a lot of ideas to fill out the

136

00:05:49,590 --> 00:05:47,919

rest of the time

137

00:05:51,350 --> 00:05:49,600

but it's going to take a while

138

00:05:55,350 --> 00:05:51,360

and i made a couple new songs one i'll

139

00:05:57,350 --> 00:05:55,360

premiere at the end of this episode

140

00:05:58,870 --> 00:05:57,360

benji what the five bucks

141

00:06:00,790 --> 00:05:58,880

why couldn't you just go five dollars

142

00:06:01,990 --> 00:06:00,800

you got to do 4.99

143

00:06:03,990 --> 00:06:02,000

what the hell

144

00:06:06,629 --> 00:06:04,000

what am i on sale or something

145

00:06:07,430 --> 00:06:06,639

i'm just kidding i'm just kidding thanks

146

00:06:13,990 --> 00:06:07,440

i

147

00:06:15,350 --> 00:06:14,000

more

148

00:06:18,150 --> 00:06:15,360

apt i am

149

00:06:20,469 --> 00:06:18,160

to say screw it to everything else in

150

00:06:22,550 --> 00:06:20,479

life and just do this

151
00:06:24,870 --> 00:06:22,560
eight hours a day

152
00:06:27,189 --> 00:06:24,880
streaming live

153
00:06:29,110 --> 00:06:27,199
40 hours a week

154
00:06:34,629 --> 00:06:29,120
that would be incredibly boring i'm sure

155
00:06:39,590 --> 00:06:37,270
yeah so uh but what i have been doing is

156
00:06:41,430 --> 00:06:39,600
going through all the blue book records

157
00:06:45,909 --> 00:06:41,440
in the archives which if you go to my

158
00:06:49,189 --> 00:06:45,919
site witness citizen dot com

159
00:06:51,350 --> 00:06:49,199
um you can go to uh research tools on

160
00:06:53,430 --> 00:06:51,360
that website

161
00:06:54,629 --> 00:06:53,440
and

162
00:06:55,749 --> 00:06:54,639
there it is

163
00:06:57,830 --> 00:06:55,759

that's me

164

00:07:00,309 --> 00:06:57,840

in the old place

165

00:07:01,990 --> 00:07:00,319

memories such good memories

166

00:07:02,790 --> 00:07:02,000

i'll be back in the gold room at some

167

00:07:03,990 --> 00:07:02,800

point

168

00:07:04,710 --> 00:07:04,000

i'm sure

169

00:07:06,390 --> 00:07:04,720

but

170

00:07:08,070 --> 00:07:06,400

if you go to that website

171

00:07:09,990 --> 00:07:08,080

i have something called research tools

172

00:07:11,909 --> 00:07:10,000

one of the links on there is a link to

173

00:07:14,550 --> 00:07:11,919

all the blue book grudge and sign

174

00:07:16,309 --> 00:07:14,560

reports uh in the national archives

175

00:07:18,870 --> 00:07:16,319

you can go in there and you can search

176

00:07:21,110 --> 00:07:18,880

for different terms and and so on and so

177

00:07:24,309 --> 00:07:21,120

forth but what i did was

178

00:07:25,029 --> 00:07:24,319

i found all the

179

00:07:28,710 --> 00:07:25,039

uh

180

00:07:30,309 --> 00:07:28,720

unidentified sightings that i could

181

00:07:33,589 --> 00:07:30,319

you know that remained unidentified the

182

00:07:36,550 --> 00:07:33,599

conclusion was unidentified

183

00:07:40,230 --> 00:07:39,510

and for the military ones i clipped off

184

00:07:49,670 --> 00:07:40,240

the

185

00:07:52,150 --> 00:07:49,680

that that happened

186

00:07:53,670 --> 00:07:52,160

uh but they just i just couldn't find

187

00:07:56,469 --> 00:07:53,680

them either they were just completely

188

00:07:58,550 --> 00:07:56,479

missing or they could have been misfiled

189

00:08:00,309 --> 00:07:58,560

and the search uh wasn't turning up

190

00:08:01,589 --> 00:08:00,319

anything for them

191

00:08:04,469 --> 00:08:01,599

could have been many different reasons

192

00:08:05,510 --> 00:08:04,479

but i found uh 89 of them which is still

193

00:08:06,309 --> 00:08:05,520

a lot

194

00:08:07,909 --> 00:08:06,319

so

195

00:08:08,710 --> 00:08:07,919

you can go to the website and check them

196

00:08:10,230 --> 00:08:08,720

out

197

00:08:11,270 --> 00:08:10,240

and you can simply just scroll through

198

00:08:12,629 --> 00:08:11,280

them

199

00:08:14,790 --> 00:08:12,639

you know some of the texts ain't that

200

00:08:16,790 --> 00:08:14,800

great some of the text is pretty good

201
00:08:17,589 --> 00:08:16,800
this one's pretty crazy object blinking

202
00:08:22,390 --> 00:08:17,599
in

203
00:08:24,830 --> 00:08:22,400
seconds at speed of over 10

204
00:08:27,909 --> 00:08:24,840
000 miles per hour at low

205
00:08:29,990 --> 00:08:27,919
altitude uh does not conform with any

206
00:08:31,589 --> 00:08:30,000
known object or phenomena

207
00:08:32,550 --> 00:08:31,599
case regarded

208
00:08:35,269 --> 00:08:32,560
and

209
00:08:36,870 --> 00:08:35,279
as an unidentified so there's a lot of

210
00:08:38,709 --> 00:08:36,880
interesting ones here that are split up

211
00:08:40,630 --> 00:08:38,719
in groups of three

212
00:08:42,469 --> 00:08:40,640
so you can check those out

213
00:08:44,310 --> 00:08:42,479

and these are just the summaries these

214

00:08:45,990 --> 00:08:44,320
are the front pages this one was

215

00:08:47,910 --> 00:08:46,000
actually in the pacific

216

00:08:50,710 --> 00:08:47,920
pretty it nuts that's off the coast of

217

00:08:53,350 --> 00:08:50,720
california bro actually this one's like

218

00:08:56,150 --> 00:08:53,360
straight dab in the middle of japan

219

00:08:58,230 --> 00:08:56,160
and california a lot of sightings there

220

00:08:59,670 --> 00:08:58,240
for sure

221

00:09:02,470 --> 00:08:59,680
so you can do that

222

00:09:04,150 --> 00:09:02,480
and today

223

00:09:05,590 --> 00:09:04,160
because some of you want to go a little

224

00:09:09,110 --> 00:09:05,600
bit deeper

225

00:09:11,030 --> 00:09:09,120
right than just the summary sheets

226

00:09:12,310 --> 00:09:11,040

you know some of you maybe

227

00:09:14,310 --> 00:09:12,320

you're you're

228

00:09:17,509 --> 00:09:14,320

you know

229

00:09:19,269 --> 00:09:17,519

you're satisfied with just the summary

230

00:09:21,670 --> 00:09:19,279

right but some of you

231

00:09:24,870 --> 00:09:21,680

want to go a little bit deeper so i made

232

00:09:30,870 --> 00:09:27,030

so the new thing i uploaded here is full

233

00:09:33,269 --> 00:09:30,880

files this 372 ufo encounters

234

00:09:36,630 --> 00:09:33,279

uh concluded as unidentified by the

235

00:09:37,910 --> 00:09:36,640

united states air force 47-69

236

00:09:39,750 --> 00:09:37,920

so these

237

00:09:41,990 --> 00:09:39,760

and i wrote a nice little thing here so

238

00:09:44,310 --> 00:09:42,000

if you have time read it i thought it

239

00:09:46,070 --> 00:09:44,320
was decent you know i'm not a

240

00:09:47,430 --> 00:09:46,080
professional writer

241

00:09:48,630 --> 00:09:47,440
or anything but

242

00:09:51,110 --> 00:09:48,640
you know i put some good thoughts in

243

00:09:52,790 --> 00:09:51,120
there so

244

00:09:55,750 --> 00:09:52,800
but you can click simply click on this

245

00:09:58,870 --> 00:09:55,760
link and it gets you 372

246

00:10:01,110 --> 00:09:58,880
ufo encounters concluded as unidentified

247

00:10:04,470 --> 00:10:01,120
by the united states air force this

248

00:10:06,550 --> 00:10:04,480
includes not only military but civilian

249

00:10:07,509 --> 00:10:06,560
and all you have to do is click on that

250

00:10:11,829 --> 00:10:07,519
link

251
00:10:16,870 --> 00:10:14,069
there's a whole lot of them and they're

252
00:10:25,910 --> 00:10:20,470
unidentified

253
00:10:32,069 --> 00:10:28,710
right there you can see it on identified

254
00:10:33,670 --> 00:10:32,079
play i made that word up pretty good huh

255
00:10:37,750 --> 00:10:33,680
so

256
00:10:39,190 --> 00:10:37,760
research if you want take a look at the

257
00:10:41,110 --> 00:10:39,200
different cases

258
00:10:43,910 --> 00:10:41,120
um there's a whole lot of different

259
00:10:45,990 --> 00:10:43,920
things going on in those cases

260
00:10:47,670 --> 00:10:46,000
and it's pretty incredible to be quite

261
00:10:50,310 --> 00:10:47,680
honest with you

262
00:10:52,310 --> 00:10:50,320
and it starts yeah they're at 47 oregon

263
00:10:54,630 --> 00:10:52,320

september 47

264

00:10:56,040 --> 00:10:54,640

and it goes

265

00:10:57,670 --> 00:10:56,050

all the way to

266

00:10:58,630 --> 00:10:57,680

[Music]

267

00:11:03,269 --> 00:10:58,640

like

268

00:11:05,509 --> 00:11:03,279

i think 69 there was actually some

269

00:11:08,230 --> 00:11:05,519

uh unidentified cases too

270

00:11:12,230 --> 00:11:09,590

get into it

271

00:11:13,509 --> 00:11:12,240

and have some fun

272

00:11:16,389 --> 00:11:13,519

you know

273

00:11:19,190 --> 00:11:16,399

so it's pretty interesting

274

00:11:22,069 --> 00:11:19,200

i hope you enjoy that it took me

275

00:11:24,150 --> 00:11:22,079

a couple weeks to do that find those the

276

00:11:26,790 --> 00:11:24,160
search on the national archives

277

00:11:27,750 --> 00:11:26,800
uh is good to a point

278

00:11:29,829 --> 00:11:27,760
but

279

00:11:31,430 --> 00:11:29,839
i had to do a lot of stuff like they

280

00:11:33,590 --> 00:11:31,440
would spell

281

00:11:35,110 --> 00:11:33,600
the the city wrong so i would have to go

282

00:11:36,870 --> 00:11:35,120
find the right spelling search it like

283

00:11:37,829 --> 00:11:36,880
that i had to have to

284

00:11:39,269 --> 00:11:37,839
search

285

00:11:41,509 --> 00:11:39,279
different things to find the right

286

00:11:43,829 --> 00:11:41,519
unidentified so

287

00:11:45,670 --> 00:11:43,839
um it was not

288

00:11:49,269 --> 00:11:45,680

some cases were really difficult to find

289

00:11:50,870 --> 00:11:49,279

actually but i made it happen

290

00:11:53,990 --> 00:11:50,880

just so you

291

00:11:58,710 --> 00:11:56,470

and have them for yourself otherwise

292

00:12:01,350 --> 00:11:58,720

a lot of work goes into that so i

293

00:12:03,509 --> 00:12:01,360

figured i would do everybody a favor

294

00:12:05,509 --> 00:12:03,519

and download all of them put them in one

295

00:12:08,069 --> 00:12:05,519

place for free

296

00:12:12,470 --> 00:12:10,629

so you can check them out whatever you'd

297

00:12:14,790 --> 00:12:12,480

like

298

00:12:16,069 --> 00:12:14,800

but today i picked a couple of those

299

00:12:17,670 --> 00:12:16,079

cases

300

00:12:19,670 --> 00:12:17,680

and if you don't mind

301
00:12:21,269 --> 00:12:19,680
it's all the same to you

302
00:12:23,030 --> 00:12:21,279
i figured

303
00:12:26,710 --> 00:12:23,040
we could

304
00:12:28,230 --> 00:12:26,720
uh take a look at some of those

305
00:12:30,310 --> 00:12:28,240
at least one or two

306
00:12:31,269 --> 00:12:30,320
maybe three depending on how much time

307
00:12:33,750 --> 00:12:31,279
we have

308
00:12:39,509 --> 00:12:33,760
depending on how much i want to talk

309
00:12:39,519 --> 00:12:43,670
is that cool i can't hear you guys

310
00:12:47,509 --> 00:12:45,350
okay

311
00:12:51,030 --> 00:12:47,519
i'm hoping it's cool so this first one

312
00:12:54,790 --> 00:12:51,040
um that we'll look at is

313
00:12:58,629 --> 00:12:54,800

in uh provincetown

314

00:12:58,639 --> 00:13:02,550

1950 is the time

315

00:13:06,790 --> 00:13:04,389

right here

316

00:13:08,470 --> 00:13:06,800

and this is a

317

00:13:11,670 --> 00:13:08,480

i forget if they classified this

318

00:13:14,629 --> 00:13:11,680

actually as a military sighting or not

319

00:13:18,069 --> 00:13:16,389

civilian they actually said it was

320

00:13:20,230 --> 00:13:18,079

that's okay

321

00:13:21,990 --> 00:13:20,240

civilians are very important too what's

322

00:13:24,230 --> 00:13:22,000

interesting about this

323

00:13:26,550 --> 00:13:24,240

sorry i'm just scrolling faster what's

324

00:13:27,990 --> 00:13:26,560

interesting about this report is

325

00:13:31,110 --> 00:13:28,000

i'll just read it

326

00:13:35,750 --> 00:13:34,069

we have to the district commander first

327

00:13:38,550 --> 00:13:35,760

district office of special

328

00:13:39,829 --> 00:13:38,560

investigations air force at westover air

329

00:13:42,069 --> 00:13:39,839

force base

330

00:13:45,509 --> 00:13:42,079

from detachment commander so basically

331

00:13:48,470 --> 00:13:45,519

what happens is the air force asked mit

332

00:13:51,430 --> 00:13:48,480

the college to help out tracking these

333

00:13:55,430 --> 00:13:51,440

uh i think they're f-85s

334

00:13:58,629 --> 00:13:55,440

as they fly past on radar

335

00:14:00,389 --> 00:13:58,639

and what happens then is very very

336

00:14:02,629 --> 00:14:00,399

interesting

337

00:14:05,110 --> 00:14:02,639

so we have here research associate

338

00:14:07,350 --> 00:14:05,120

massachusetts institute of technology

339

00:14:09,829 --> 00:14:07,360

cambridge massachusetts was interviewed

340

00:14:12,069 --> 00:14:09,839

the 2nd of october 1950 concerning his

341

00:14:14,069 --> 00:14:12,079

reported sighting of a unidentified

342

00:14:18,069 --> 00:14:14,079

airborne object on the 21st of september

343

00:14:20,389 --> 00:14:18,079

1950. he has been with mit as a research

344

00:14:22,949 --> 00:14:20,399

associate since 46 also holds the

345

00:14:26,230 --> 00:14:22,959

position of staff weather officer with

346

00:14:28,310 --> 00:14:26,240

the 67th fighter wing

347

00:14:31,590 --> 00:14:28,320

national guard and has worked with radar

348

00:14:33,829 --> 00:14:31,600

since 1943 his rank with the national

349

00:14:35,430 --> 00:14:33,839

aero guard is that of a major and a

350

00:14:36,949 --> 00:14:35,440

serial number is

351

00:14:39,110 --> 00:14:36,959

well that's not a number that's just a

352

00:14:41,030 --> 00:14:39,120

black mark what the heck

353

00:14:43,990 --> 00:14:41,040

so the following is an extract of a

354

00:14:46,629 --> 00:14:44,000

letter written by that person on 27th of

355

00:14:49,990 --> 00:14:46,639

september 1952 major tuttle staff

356

00:14:54,069 --> 00:14:50,000

weather officer 33 33rd uh fighter wing

357

00:14:57,990 --> 00:14:55,030

quote

358

00:14:59,750 --> 00:14:58,000

an exceedingly puzzling event occurred

359

00:15:03,509 --> 00:14:59,760

during

360

00:15:05,189 --> 00:15:03,519

planes were heading northwest at 30

361

00:15:07,829 --> 00:15:05,199

thousand feet

362

00:15:10,550 --> 00:15:07,839

see attached sketch we'll look at that

363

00:15:13,030 --> 00:15:10,560

we picked up another plane in the radar

364

00:15:16,550 --> 00:15:13,040

beam traveling about due north on a

365

00:15:18,550 --> 00:15:16,560

converging course toward the f-86s

366

00:15:20,629 --> 00:15:18,560

it was moving very rapidly and i told

367

00:15:22,310 --> 00:15:20,639

the pilots about it its range and

368

00:15:24,550 --> 00:15:22,320

direction

369

00:15:25,670 --> 00:15:24,560

i told the pilots about it its range and

370

00:15:28,069 --> 00:15:25,680

direction

371

00:15:31,350 --> 00:15:28,079

from them the echo caught up with passed

372

00:15:33,189 --> 00:15:31,360

and then crossed the course of the 86s

373

00:15:36,150 --> 00:15:33,199

suddenly went to a very tight for the

374

00:15:37,670 --> 00:15:36,160

speed turn to the right

375

00:15:40,389 --> 00:15:37,680

headed back towards boston and passed

376

00:15:42,629 --> 00:15:40,399

directly over our flight perhaps one

377

00:15:44,069 --> 00:15:42,639

under the sketch represents as closely

378

00:15:46,389 --> 00:15:44,079

as we can remember the relative

379

00:15:48,310 --> 00:15:46,399

positions of the two planes two other

380

00:15:50,150 --> 00:15:48,320

observers were with me at the time and

381

00:15:51,910 --> 00:15:50,160

we have checked over the facts rather

382

00:15:53,590 --> 00:15:51,920

closely the pilots will undoubtedly

383

00:15:55,189 --> 00:15:53,600

recall the incident they said they

384

00:15:56,949 --> 00:15:55,199

didn't see anything which is not too

385

00:15:58,790 --> 00:15:56,959

surprising considering the speed of the

386

00:16:00,949 --> 00:15:58,800

object and the fact that it may have

387

00:16:03,189 --> 00:16:00,959

passed several thousand feet above or

388

00:16:05,430 --> 00:16:03,199

below them and still looked like a

389

00:16:07,030 --> 00:16:05,440
coincidence to the radar

390

00:16:09,749 --> 00:16:07,040
figuring conservatively the speed of the

391

00:16:11,350 --> 00:16:09,759
object was approximately 1200 miles per

392

00:16:14,710 --> 00:16:11,360
hour

393

00:16:17,269 --> 00:16:14,720
this is in 1950 by the way

394

00:16:19,749 --> 00:16:17,279
um and the centrifugal force

395

00:16:23,189 --> 00:16:19,759
exerted on the ship during the turn

396

00:16:25,350 --> 00:16:23,199
amounted to something more than 5 g's

397

00:16:28,389 --> 00:16:25,360
earlier in this paperwork they

398

00:16:30,629 --> 00:16:28,399
estimated to be about 12 to 13 g's it

399

00:16:33,430 --> 00:16:30,639
gave an excellent radar echo which could

400

00:16:35,189 --> 00:16:33,440
not be mistaken for anything else

401
00:16:37,430 --> 00:16:35,199
and in all respects except for the

402
00:16:39,990 --> 00:16:37,440
velocity seemed

403
00:16:41,990 --> 00:16:40,000
a normal radar target it passed out of

404
00:16:44,310 --> 00:16:42,000
the beam while we continued to track our

405
00:16:46,230 --> 00:16:44,320
flight but we focused on it again for a

406
00:16:49,030 --> 00:16:46,240
few seconds shortly after and it was

407
00:16:51,189 --> 00:16:49,040
rapidly rapidly approaching boston we

408
00:16:53,509 --> 00:16:51,199
went back to the 86's since we had

409
00:16:55,430 --> 00:16:53,519
hesitated to leave them for too long but

410
00:16:57,350 --> 00:16:55,440
now i wish we had taken some accurate

411
00:16:58,790 --> 00:16:57,360
velocity measurements when we had the

412
00:17:03,590 --> 00:16:58,800
chance i'm guessing it says something

413
00:17:05,909 --> 00:17:04,390

so

414

00:17:07,510 --> 00:17:05,919

now i'm going to go to this top a little

415

00:17:12,150 --> 00:17:07,520

bit because there's some good stuff up

416

00:17:12,160 --> 00:17:15,750

talking about the arrangement

417

00:17:20,549 --> 00:17:18,470

i'm going to go to the

418

00:17:22,390 --> 00:17:20,559

we had arranged informally informally

419

00:17:24,230 --> 00:17:22,400

with the air weather service group at

420

00:17:27,750 --> 00:17:24,240

otis field on cape cod to track a pair

421

00:17:29,510 --> 00:17:27,760

of jet aircraft f-84s i believe at 35

422

00:17:30,950 --> 00:17:29,520

000 feet in order to provide them with

423

00:17:34,070 --> 00:17:30,960

an estimate of the wind drift and

424

00:17:35,909 --> 00:17:34,080

consequently winds loft at that altitude

425

00:17:38,470 --> 00:17:35,919

i have never understood why the group at

426

00:17:40,549 --> 00:17:38,480

odis field wanted us to do this and i

427

00:17:42,549 --> 00:17:40,559

don't in general approve of using our

428

00:17:44,789 --> 00:17:42,559

radar systems for operations completely

429

00:17:45,750 --> 00:17:44,799

disconnected with our regular line of

430

00:17:48,230 --> 00:17:45,760

work

431

00:17:50,150 --> 00:17:48,240

this instance is i believe the only time

432

00:17:52,390 --> 00:17:50,160

we have had such arrangements with a

433

00:17:54,230 --> 00:17:52,400

group at otis field

434

00:17:56,710 --> 00:17:54,240

we had established radio communications

435

00:17:58,549 --> 00:17:56,720

with the jet aircraft on our vhf the

436

00:18:01,190 --> 00:17:58,559

first

437

00:18:04,630 --> 00:18:01,200

radar contact was made with the

438

00:18:08,549 --> 00:18:04,640

scr 615 that's a writer thing at 45 mile

439

00:18:10,630 --> 00:18:08,559

range and 285 asthna degree azimuth

440

00:18:12,470 --> 00:18:10,640

as the accompanying plot shows the f-84s

441

00:18:14,789 --> 00:18:12,480

were flying a straight and level course

442

00:18:18,070 --> 00:18:14,799

at 250 miles per hour indicated airspeed

443

00:18:20,549 --> 00:18:18,080

towards the northwest 333 degrees about

444

00:18:23,190 --> 00:18:20,559

three minutes after radar contact we

445

00:18:25,830 --> 00:18:23,200

noticed another aircraft signal which

446

00:18:26,830 --> 00:18:25,840

appeared to be flying a closing course

447

00:18:29,909 --> 00:18:26,840

with the

448

00:18:32,070 --> 00:18:29,919

f-84s we notified the f-84 pilots by

449

00:18:34,950 --> 00:18:32,080

radio to watch out for the other

450

00:18:36,390 --> 00:18:34,960

aircraft which was closing on them from

451
00:18:38,310 --> 00:18:36,400
their left

452
00:18:40,070 --> 00:18:38,320
at four minutes all times being figured

453
00:18:42,390 --> 00:18:40,080
from the first radar contact the two

454
00:18:44,470 --> 00:18:42,400
signals nearly merged the saucer

455
00:18:46,549 --> 00:18:44,480
crossing the track of the f-84 is about

456
00:18:48,470 --> 00:18:46,559
three miles ahead of them but the pilots

457
00:18:50,950 --> 00:18:48,480
of the f-84s reported that they were

458
00:18:53,110 --> 00:18:50,960
unable to see any aircraft they further

459
00:18:56,870 --> 00:18:53,120
explained that there was a haze level

460
00:18:58,950 --> 00:18:56,880
below and above them

461
00:19:00,789 --> 00:18:58,960
the other aircraft did a very sharp turn

462
00:19:03,110 --> 00:19:00,799
of nearly 270 degrees and again

463
00:19:05,669 --> 00:19:03,120

approached the f-84s on an intercepting

464

00:19:07,669 --> 00:19:05,679

course and closed with them as far as we

465

00:19:10,390 --> 00:19:07,679

could tell by radar at five minutes

466

00:19:12,390 --> 00:19:10,400

again the f-84 pilots were unable to see

467

00:19:13,909 --> 00:19:12,400

any other aircraft the flying saucers

468

00:19:16,310 --> 00:19:13,919

then carried on straight towards

469

00:19:18,150 --> 00:19:16,320

cambridge but our radar operators and

470

00:19:20,470 --> 00:19:18,160

attempting to track both the f-84s and

471

00:19:22,630 --> 00:19:20,480

the saucer lost track of the saucer

472

00:19:27,669 --> 00:19:22,640

continuing to plot the f-84 is up to

473

00:19:33,190 --> 00:19:29,270

our best estimate of the speed of the

474

00:19:35,270 --> 00:19:33,200

saucer was 22 miles per minute

475

00:19:37,990 --> 00:19:35,280

for approximately half

476
00:19:40,710 --> 00:19:38,000
of this one minute during which we were

477
00:19:41,990 --> 00:19:40,720
tracking it it was engaged in its sharp

478
00:19:47,669 --> 00:19:42,000
turn

479
00:19:54,070 --> 00:19:47,679
to be 11 or 12 g's as well as we could

480
00:19:58,150 --> 00:19:56,150
later on that same day 21st september

481
00:19:59,750 --> 00:19:58,160
1950 we received a telephone call from

482
00:20:02,230 --> 00:19:59,760
the weather office at otis field major

483
00:20:04,230 --> 00:20:02,240
tuttle during about our observation

484
00:20:06,070 --> 00:20:04,240
inquiring about our observations after a

485
00:20:07,990 --> 00:20:06,080
brief conversation this is very

486
00:20:10,870 --> 00:20:08,000
interesting

487
00:20:13,110 --> 00:20:10,880
he asked us to treat the matter as

488
00:20:15,029 --> 00:20:13,120

confidential

489

00:20:16,070 --> 00:20:15,039

as far as any general publicity was

490

00:20:17,669 --> 00:20:16,080

concerned

491

00:20:19,430 --> 00:20:17,679

the following day we had a visit from

492

00:20:21,270 --> 00:20:19,440

two men

493

00:20:23,270 --> 00:20:21,280

can anyone say men in black

494

00:20:25,590 --> 00:20:23,280

from the boston office of special

495

00:20:27,270 --> 00:20:25,600

investigations i believe

496

00:20:29,110 --> 00:20:27,280

and we describe to them that we have

497

00:20:31,590 --> 00:20:29,120

observed essentially

498

00:20:34,149 --> 00:20:31,600

as it is described above we have not

499

00:20:36,870 --> 00:20:34,159

reported this observation

500

00:20:41,750 --> 00:20:36,880

to any other group

501
00:20:41,760 --> 00:20:46,710
very interesting

502
00:20:54,549 --> 00:20:48,870
so the air force basically asked mit to

503
00:21:00,310 --> 00:20:56,710
and as they're doing that they pick up a

504
00:21:05,430 --> 00:21:02,470
and the air force tells them hey shut up

505
00:21:08,950 --> 00:21:05,440
about it don't say anything

506
00:21:08,960 --> 00:21:14,310
you can find that the people at mit

507
00:21:18,070 --> 00:21:16,310
said that everyone at the school was

508
00:21:19,350 --> 00:21:18,080
talking about it like crazy and it was

509
00:21:23,750 --> 00:21:19,360
probably only going to be a matter of

510
00:21:23,760 --> 00:21:28,230
now i didn't uh

511
00:21:32,630 --> 00:21:30,630
i didn't uh you know

512
00:21:36,789 --> 00:21:32,640
look into that if there's any uh

513
00:21:36,799 --> 00:21:42,549

but that would be uh pretty interesting

514

00:21:46,630 --> 00:21:45,110

so i have a couple more

515

00:21:48,070 --> 00:21:46,640

that we can go over

516

00:21:50,870 --> 00:21:48,080

that are pretty

517

00:21:55,990 --> 00:21:53,430

this one here is uh and i posted this on

518

00:21:58,230 --> 00:21:56,000

twitter it's near uh ocala florida i

519

00:22:00,549 --> 00:21:58,240

don't know if i'm saying that right but

520

00:22:02,310 --> 00:22:00,559

ocala florida

521

00:22:04,070 --> 00:22:02,320

we have these two commercial

522

00:22:06,470 --> 00:22:04,080

pilots

523

00:22:07,909 --> 00:22:06,480

that see something and it's basically

524

00:22:09,909 --> 00:22:07,919

staying ahead of them and it's

525

00:22:11,990 --> 00:22:09,919

zigzagging back and forth basically

526
00:22:14,230 --> 00:22:12,000
mocking them straight ahead of them on

527
00:22:16,149 --> 00:22:14,240
the same line

528
00:22:18,230 --> 00:22:16,159
you know and in this they say well

529
00:22:19,590 --> 00:22:18,240
basically if it was you know

530
00:22:20,950 --> 00:22:19,600
going like this you should have caught

531
00:22:21,909 --> 00:22:20,960
up to it and they're like yeah we should

532
00:22:25,350 --> 00:22:21,919
have but

533
00:22:30,950 --> 00:22:27,350
they didn't because it was just a little

534
00:22:32,870 --> 00:22:30,960
bit too fast

535
00:22:34,870 --> 00:22:32,880
yeah we do have the briefing for

536
00:22:38,950 --> 00:22:34,880
president biden kamala harris starting

537
00:22:40,789 --> 00:22:38,960
soon i'll keep my eyes on that for us

538
00:22:42,870 --> 00:22:40,799

but that wasn't the only object they saw

539

00:22:46,149 --> 00:22:42,880

they saw another object too and that's

540

00:22:47,990 --> 00:22:46,159

where it kind of gets pretty interesting

541

00:22:49,669 --> 00:22:48,000

so they see this object and it's

542

00:22:51,190 --> 00:22:49,679

zigzagging in front of them and it takes

543

00:22:52,870 --> 00:22:51,200

10 degree turn to their right and

544

00:22:54,630 --> 00:22:52,880

basically disappears and they can't see

545

00:22:56,950 --> 00:22:54,640

it anymore

546

00:22:59,590 --> 00:22:56,960

and where i'm picking it up now is dr

547

00:23:01,830 --> 00:22:59,600

heineck uh

548

00:23:04,149 --> 00:23:01,840

blue book investigator has a

549

00:23:07,110 --> 00:23:04,159

interview with the investigating

550

00:23:08,630 --> 00:23:07,120

uh agent of air force agent of this

551
00:23:10,390 --> 00:23:08,640
episode

552
00:23:12,310 --> 00:23:10,400
and they're talking heinek says well

553
00:23:14,310 --> 00:23:12,320
about 50 miles and that would have meant

554
00:23:16,149 --> 00:23:14,320
that they would have been just going up

555
00:23:19,350 --> 00:23:16,159
and down or stationary would have

556
00:23:21,350 --> 00:23:19,360
overtaken them yes this is true

557
00:23:23,350 --> 00:23:21,360
and they go over some

558
00:23:26,230 --> 00:23:23,360
details here

559
00:23:33,029 --> 00:23:28,310
stars is very interesting interview

560
00:23:37,669 --> 00:23:35,270
and he's the captain here says then

561
00:23:40,630 --> 00:23:37,679
about that time just as he disappeared

562
00:23:43,029 --> 00:23:40,640
and when he says he he means ufo

563
00:23:44,549 --> 00:23:43,039

i was well into conversation with uh

564

00:23:45,990 --> 00:23:44,559

center at the time and they were very

565

00:23:47,590 --> 00:23:46,000

interested

566

00:23:49,110 --> 00:23:47,600

so this person was talking to

567

00:23:55,110 --> 00:23:49,120

jacksonville center in florida about it

568

00:23:55,120 --> 00:23:59,909

so

569

00:24:02,950 --> 00:24:01,269

now he's talking about seeing the lights

570

00:24:04,549 --> 00:24:02,960

of akala from that position and i can

571

00:24:06,789 --> 00:24:04,559

see a bright white light and this is a

572

00:24:08,549 --> 00:24:06,799

second object looked exactly like an

573

00:24:10,470 --> 00:24:08,559

aircraft landing light at the distance

574

00:24:11,909 --> 00:24:10,480

where we were and i could tell it was

575

00:24:14,149 --> 00:24:11,919

right over right in front of the lights

576

00:24:16,070 --> 00:24:14,159

of akala and altitude of what i could

577

00:24:18,149 --> 00:24:16,080

guess to be about five thousand feet

578

00:24:20,630 --> 00:24:18,159

well below us and sitting there he

579

00:24:22,549 --> 00:24:20,640

wasn't moving at all it's hovering

580

00:24:24,630 --> 00:24:22,559

so when i took my eyes off from where we

581

00:24:25,909 --> 00:24:24,640

saw the other object disappear i asked

582

00:24:27,990 --> 00:24:25,919

jacksonville center if they had an

583

00:24:31,350 --> 00:24:28,000

object directly over a column they

584

00:24:34,549 --> 00:24:33,110

uh just at that very minute we were

585

00:24:37,190 --> 00:24:34,559

still talking about the first one i came

586

00:24:39,029 --> 00:24:37,200

back and i said well that about right

587

00:24:40,390 --> 00:24:39,039

well what about that right over khaled

588

00:24:42,070 --> 00:24:40,400

do you have a target there and he said

589

00:24:43,510 --> 00:24:42,080

negative and i said well we have a

590

00:24:45,350 --> 00:24:43,520

bright light there and in the same

591

00:24:46,870 --> 00:24:45,360

transmission i said and he's moving

592

00:24:48,470 --> 00:24:46,880

toward us

593

00:24:51,029 --> 00:24:48,480

and i just hollered at the microphone

594

00:24:52,789 --> 00:24:51,039

we're on a collision course

595

00:24:54,710 --> 00:24:52,799

and there i put the microphone down to

596

00:24:56,870 --> 00:24:54,720

try to take evasive action this one

597

00:24:59,029 --> 00:24:56,880

moved directly at us

598

00:25:01,190 --> 00:24:59,039

and i was quite certain that we had

599

00:25:03,350 --> 00:25:01,200

victimized by been victimized by a

600

00:25:05,190 --> 00:25:03,360

sidewinder because in both of us it

601
00:25:07,269 --> 00:25:05,200
scared us to death we were ready to

602
00:25:09,110 --> 00:25:07,279
leave the airplane if we could have

603
00:25:10,950 --> 00:25:09,120
but the thing came straight at us and

604
00:25:12,950 --> 00:25:10,960
i'd say at a distance of i don't know

605
00:25:14,630 --> 00:25:12,960
maybe two miles can't tell those

606
00:25:18,230 --> 00:25:14,640
distances at night

607
00:25:19,430 --> 00:25:18,240
but he made an instantaneous 90 degree

608
00:25:24,789 --> 00:25:19,440
left turn

609
00:25:37,510 --> 00:25:26,470
well i wouldn't say

610
00:25:40,789 --> 00:25:39,029
and that reminds me of the freaking tic

611
00:25:43,510 --> 00:25:40,799
tac thing they're chasing this thing it

612
00:25:45,909 --> 00:25:43,520
goes away they decide to go to their cat

613
00:25:48,710 --> 00:25:45,919

point and the thing is there

614

00:25:50,390 --> 00:25:48,720

right so these guys

615

00:25:52,310 --> 00:25:50,400

this thing is right in front of them

616

00:25:55,029 --> 00:25:52,320

basically they're following it but not

617

00:25:56,950 --> 00:25:55,039

by you know their wishes they just are

618

00:25:58,870 --> 00:25:56,960

and it disappears

619

00:26:00,549 --> 00:25:58,880

they look over at the city there's a big

620

00:26:02,630 --> 00:26:00,559

bright white light and then it comes

621

00:26:04,070 --> 00:26:02,640

directly at them

622

00:26:05,750 --> 00:26:04,080

and they have to take evasive action

623

00:26:07,750 --> 00:26:05,760

they're scared to death later in the

624

00:26:09,110 --> 00:26:07,760

report they said they would have hopped

625

00:26:14,310 --> 00:26:09,120

out of the plane if they could have at

626
00:26:22,070 --> 00:26:15,830
my point with this stuff is this has

627
00:26:27,269 --> 00:26:25,350
and it's about time

628
00:26:30,070 --> 00:26:27,279
something's done about it i mean you

629
00:26:33,430 --> 00:26:31,669
talking about how all these pilots

630
00:26:35,110 --> 00:26:33,440
aren't getting any answers

631
00:26:36,549 --> 00:26:35,120
they feel pretty crappy about it they're

632
00:26:43,750 --> 00:26:36,559
making reports they don't get any

633
00:26:47,029 --> 00:26:45,269
it's been happening

634
00:26:48,950 --> 00:26:47,039
for a long

635
00:26:51,510 --> 00:26:48,960
freaking time

636
00:26:53,590 --> 00:26:51,520
and that sucks

637
00:26:56,470 --> 00:26:53,600
because these people deserve better we

638
00:27:00,390 --> 00:26:56,480

all deserve better

639

00:27:04,830 --> 00:27:00,400

so hopefully that will change

640

00:27:10,230 --> 00:27:07,669

change because we have proof proof that

641

00:27:15,110 --> 00:27:10,240

this has been happening for decades and

642

00:27:15,120 --> 00:27:18,310

but what we're going to do now

643

00:27:23,909 --> 00:27:20,389

switch it up a little bit

644

00:27:25,590 --> 00:27:23,919

we're going to switch it up

645

00:27:27,800 --> 00:27:25,600

by that i mean

646

00:27:35,440 --> 00:27:27,810

we're going to do a little

647

00:27:35,450 --> 00:27:39,909

[Music]

648

00:27:44,070 --> 00:27:42,230

that's right everybody we're doing what

649

00:27:45,750 --> 00:27:44,080

the heck is that it's back and don't

650

00:27:47,990 --> 00:27:45,760

worry i'm keeping my eyes on the biden

651
00:27:49,590 --> 00:27:48,000
thing in the first uh picture of the

652
00:27:51,830 --> 00:27:49,600
james webb telescope

653
00:27:54,149 --> 00:27:51,840
i got it on my other monitor

654
00:27:56,870 --> 00:27:54,159
so i am watching that

655
00:27:59,110 --> 00:27:56,880
keeping my eye on it

656
00:28:00,870 --> 00:27:59,120
we will not miss out on it

657
00:28:02,789 --> 00:28:00,880
but for now

658
00:28:05,350 --> 00:28:02,799
what we can do

659
00:28:07,269 --> 00:28:05,360
is watch some crazy ufo videos again

660
00:28:09,510 --> 00:28:07,279
before i play these i'm not saying

661
00:28:11,750 --> 00:28:09,520
they're alien spaceships or spirits from

662
00:28:12,470 --> 00:28:11,760
hell or heaven i've

663
00:28:17,350 --> 00:28:12,480

or

664

00:28:19,350 --> 00:28:17,360

strange things i have no idea

665

00:28:20,549 --> 00:28:19,360

but i try to find interesting ones that

666

00:28:23,990 --> 00:28:20,559

aren't

667

00:28:25,990 --> 00:28:24,000

obviously hoaxes sometimes maybe they're

668

00:28:27,909 --> 00:28:26,000

they could be a hoax and i'm stretching

669

00:28:29,430 --> 00:28:27,919

it a little far but maybe they're not i

670

00:28:31,190 --> 00:28:29,440

don't know

671

00:28:56,710 --> 00:28:31,200

so

672

00:28:56,720 --> 00:29:08,630

oh there it goes

673

00:29:26,149 --> 00:29:10,830

the

674

00:29:26,159 --> 00:29:44,870

now

675

00:29:44,880 --> 00:30:04,389

thank you

676

00:30:09,669 --> 00:30:07,750

i think we're about to be abducted

677

00:30:10,950 --> 00:30:09,679

i've never seen anything like it zoom it

678

00:30:25,510 --> 00:30:10,960

in

679

00:30:25,520 --> 00:30:29,350

there's that

680

00:30:29,360 --> 00:30:35,510

okay there's your

681

00:30:35,520 --> 00:30:59,350

i don't perspective what i'm seeing

682

00:31:03,990 --> 00:31:01,029

is it a blood

683

00:31:07,750 --> 00:31:04,000

could it be a bling

684

00:31:14,870 --> 00:31:10,630

it's silent whatever it is it's not like

685

00:31:20,549 --> 00:31:15,909

i don't know

686

00:31:24,070 --> 00:31:22,710

wow it just kind of faded out it

687

00:31:25,669 --> 00:31:24,080

disappeared

688

00:31:33,350 --> 00:31:25,679

how weird is that

689

00:31:38,310 --> 00:31:36,070

these images snapped by alan epling has

690

00:31:39,990 --> 00:31:38,320

the man stumped that's saying something

691

00:31:41,990 --> 00:31:40,000

coming from a longtime amateur

692

00:31:43,269 --> 00:31:42,000

astronomer i know a satellite when i see

693

00:31:45,669 --> 00:31:43,279

it that's right said that's with my home

694

00:31:47,430 --> 00:31:45,679

radio and the telescope but this object

695

00:31:49,590 --> 00:31:47,440

is like nothing he's ever seen we were

696

00:31:52,070 --> 00:31:49,600

just sitting around talking and she said

697

00:31:54,149 --> 00:31:52,080

there's a strange airplane in the sky so

698

00:31:56,549 --> 00:31:54,159

epley went to take a closer look like

699

00:31:58,630 --> 00:31:56,559

you had a giant mirror in the sky

700

00:32:01,190 --> 00:31:58,640

reflecting sunlight and he saw something

701
00:32:03,669 --> 00:32:01,200
very different and so i thought well

702
00:32:05,110 --> 00:32:03,679
there's a shiny helicopter or plane

703
00:32:07,990 --> 00:32:05,120
hovering up there i'm going to look at

704
00:32:09,990 --> 00:32:08,000
it i got my binoculars out

705
00:32:11,350 --> 00:32:10,000
and when i looked through binoculars i

706
00:32:13,350 --> 00:32:11,360
was stunned

707
00:32:14,470 --> 00:32:13,360
this was no helicopter and this was no

708
00:32:15,830 --> 00:32:14,480
plane

709
00:32:17,830 --> 00:32:15,840
and uh

710
00:32:21,350 --> 00:32:17,840
in fact this is what i saw for two and a

711
00:32:22,950 --> 00:32:21,360
half hours he watched and photographed

712
00:32:26,149 --> 00:32:22,960
where the gal

713
00:32:36,549 --> 00:32:26,159

dude holy

714

00:32:36,559 --> 00:32:44,310

it wasn't there before guys

715

00:32:44,320 --> 00:32:56,870

it was over here

716

00:32:56,880 --> 00:33:05,269

it's disappearing again

717

00:33:07,990 --> 00:33:06,630

yeah we were sitting there it was over

718

00:33:09,669 --> 00:33:08,000

there first

719

00:33:11,909 --> 00:33:09,679

and it just disappeared as soon as you

720

00:33:13,190 --> 00:33:11,919

guys came out and now it's

721

00:33:28,710 --> 00:33:13,200

whoa

722

00:33:28,720 --> 00:33:50,000

what are the lights turning on and off

723

00:34:47,030 --> 00:34:16,149

[Music]

724

00:34:51,190 --> 00:34:48,149

come here come here come here come here

725

00:34:52,950 --> 00:34:51,200

come here come here hurry hurry hurry

726
00:34:54,869 --> 00:34:52,960
i know it sounds a little crazy tell me

727
00:34:57,030 --> 00:34:54,879
that's a drone what the hell is

728
00:34:59,270 --> 00:34:57,040
that

729
00:35:00,470 --> 00:34:59,280
one two three four

730
00:35:01,990 --> 00:35:00,480
look at the way they're flying in

731
00:35:04,710 --> 00:35:02,000
formation i got the whole thing all

732
00:35:09,270 --> 00:35:06,790
i gotta send this in even if it's a

733
00:35:11,030 --> 00:35:09,280
drone maybe i'll get it on

734
00:35:12,470 --> 00:35:11,040
there were seven of them all at once and

735
00:35:13,829 --> 00:35:12,480
they've all they were making a diamond

736
00:35:15,589 --> 00:35:13,839
at first

737
00:35:20,550 --> 00:35:15,599
it's gotta be drums can you see these on

738
00:35:20,560 --> 00:35:24,390

look how to see it right there

739

00:35:43,910 --> 00:35:26,550

now do you see it yeah i cannot see him

740

00:35:46,710 --> 00:35:45,510

because you turned the corner and i saw

741

00:35:49,430 --> 00:35:46,720

them not like they were in like a

742

00:35:51,829 --> 00:35:49,440

triangle formation yeah

743

00:35:55,670 --> 00:35:51,839

and now they're gone

744

00:35:55,680 --> 00:36:03,000

what

745

00:36:03,010 --> 00:36:10,950

[Music]

746

00:36:15,990 --> 00:36:13,430

see i looked earlier and i thought i saw

747

00:36:18,150 --> 00:36:16,000

like an airplane yeah i thought it was

748

00:36:19,990 --> 00:36:18,160

an airplane and they're just yet yeah

749

00:36:22,470 --> 00:36:20,000

there's another one

750

00:36:40,150 --> 00:36:22,480

i mean i think i don't know what that is

751
00:36:42,950 --> 00:36:41,750
because you turned the corner and i saw

752
00:36:45,670 --> 00:36:42,960
them not like they were in like a

753
00:36:48,069 --> 00:36:45,680
triangle formation yeah

754
00:36:51,910 --> 00:36:48,079
and now they're gone

755
00:36:51,920 --> 00:36:58,470
what the

756
00:36:58,480 --> 00:37:01,589
but yeah they were there

757
00:37:07,190 --> 00:37:03,270
and i got like

758
00:37:12,230 --> 00:37:09,670
see i looked earlier and i thought i saw

759
00:37:14,390 --> 00:37:12,240
like an airplane yeah i thought it was

760
00:37:16,230 --> 00:37:14,400
an airplane and there's a yeah

761
00:37:18,790 --> 00:37:16,240
there's another one

762
00:37:22,069 --> 00:37:18,800
i mean i think i don't know what that is

763
00:37:23,910 --> 00:37:22,079

yes i thought that was an airplane

764

00:37:27,990 --> 00:37:23,920

yeah i think it drops no what did he

765

00:37:28,000 --> 00:37:33,109

that went out and then came back

766

00:37:37,829 --> 00:37:36,230

no look they're going weird angles

767

00:37:40,470 --> 00:37:37,839

they're going back and forth what are

768

00:37:40,480 --> 00:37:44,470

guys there's my smell in here

769

00:37:50,390 --> 00:37:47,589

what is going on

770

00:37:53,750 --> 00:37:50,400

guys what is that look at it there's red

771

00:37:53,760 --> 00:37:56,390

look

772

00:38:19,740 --> 00:37:59,349

no there wasn't four there was only two

773

00:38:19,750 --> 00:38:25,030

[Music]

774

00:38:29,349 --> 00:38:27,349

it's not a jet pack look how much fire

775

00:38:31,030 --> 00:38:29,359

is coming out of that

776

00:38:34,530 --> 00:38:31,040

are you do you seriously think it's in

777

00:39:26,710 --> 00:38:39,980

[Music]

778

00:39:26,720 --> 00:40:01,349

cheers

779

00:41:41,430 --> 00:41:37,990

so

780

00:41:44,470 --> 00:41:41,440

that

781

00:41:47,750 --> 00:41:44,480

it's going to resume shortly for

782

00:41:49,270 --> 00:41:47,760

a good amount of time

783

00:41:50,309 --> 00:41:49,280

to

784

00:41:52,309 --> 00:41:50,319

you know

785

00:41:54,390 --> 00:41:52,319

i don't know what there shortly means

786

00:41:56,470 --> 00:41:54,400

must be different than mine shortly

787

00:41:58,470 --> 00:41:56,480

apparently

788

00:41:59,829 --> 00:41:58,480

because

789

00:42:02,870 --> 00:41:59,839

you know it's definitely been longer

790

00:42:05,190 --> 00:42:02,880

than shortly that's for sure so i think

791

00:42:09,030 --> 00:42:05,200

they're full of

792

00:42:12,150 --> 00:42:09,040

to be quite honest with you

793

00:42:13,430 --> 00:42:12,160

but i hope you liked that version of

794

00:42:15,990 --> 00:42:13,440

what the heck is that i thought it was

795

00:42:17,510 --> 00:42:16,000

pretty fun

796

00:42:19,109 --> 00:42:17,520

a couple in there where we're stretching

797

00:42:20,950 --> 00:42:19,119

the limits but i thought there was some

798

00:42:22,870 --> 00:42:20,960

genuinely

799

00:42:25,290 --> 00:42:22,880

good puzzling ones in there so thanks

800

00:42:32,930 --> 00:42:25,300

for joining me on that version

801
00:42:32,940 --> 00:42:38,710

[Music]

802
00:42:43,030 --> 00:42:39,829

so

803
00:42:44,790 --> 00:42:43,040
yeah i thought uh i thought that was a

804
00:42:47,910 --> 00:42:44,800
good version you know the frustrating

805
00:42:49,990 --> 00:42:47,920
part is uh there's

806
00:42:54,950 --> 00:42:50,000
other good videos

807
00:43:00,069 --> 00:42:58,630
unfortunately um

808
00:43:01,910 --> 00:43:00,079
you know they have a bunch of music on

809
00:43:04,870 --> 00:43:01,920
it and stuff so

810
00:43:05,670 --> 00:43:04,880
can't really do much with it

811
00:43:07,829 --> 00:43:05,680
so

812
00:43:11,190 --> 00:43:07,839
that's too bad

813
00:43:12,710 --> 00:43:11,200

but with that being said i think

814

00:43:14,710 --> 00:43:12,720

i might as well

815

00:43:16,069 --> 00:43:14,720

i think i'm gonna cut it short now

816

00:43:18,309 --> 00:43:16,079

because

817

00:43:20,309 --> 00:43:18,319

i have a fire alarm going off which it's

818

00:43:22,309 --> 00:43:20,319

not a fire that thing always just goes

819

00:43:23,430 --> 00:43:22,319

off here at the office it's it's super

820

00:43:26,150 --> 00:43:23,440

awesome

821

00:43:29,910 --> 00:43:26,160

um but uh so i should probably get out

822

00:43:35,510 --> 00:43:33,270

and uh then you can go watch the the

823

00:43:37,349 --> 00:43:35,520

biden thing

824

00:43:39,190 --> 00:43:37,359

sound like a deal

825

00:43:40,470 --> 00:43:39,200

we went over two cases we did it what

826
00:43:43,190 --> 00:43:40,480
the heck is that

827
00:43:44,950 --> 00:43:43,200
i thought that was pretty good

828
00:43:47,670 --> 00:43:44,960
that was pretty decent

829
00:43:49,589 --> 00:43:47,680
but i'll leave you

830
00:43:59,910 --> 00:43:49,599
with

831
00:44:05,670 --> 00:44:03,510
and i hope you like it it's a new tune

832
00:44:06,390 --> 00:44:05,680
hopefully the picture

833
00:44:08,230 --> 00:44:06,400
to

834
00:44:10,550 --> 00:44:08,240
the james webb telescope from mr biden

835
00:44:12,230 --> 00:44:10,560
is pretty good so that being said i

836
00:44:13,670 --> 00:44:12,240
appreciate your time thanks for hanging

837
00:44:19,270 --> 00:44:13,680
out

838
00:44:22,870 --> 00:44:19,280

fire alarm that goes off

839

00:44:24,230 --> 00:44:22,880

uh all the time it's super annoying and

840

00:44:25,510 --> 00:44:24,240

it's uh

841

00:44:27,829 --> 00:44:25,520

killing the vibe

842

00:44:29,910 --> 00:44:27,839

so i'm gonna take care of that

843

00:44:37,810 --> 00:44:29,920

that being said i'll see you all on

844

00:44:45,670 --> 00:44:41,349

[Music]

845

00:44:49,670 --> 00:44:45,680

even if you're easing within

846

00:44:53,990 --> 00:44:51,270

what does it mean

847

00:44:57,270 --> 00:44:55,589

given all

848

00:45:00,950 --> 00:44:57,280

you do

849

00:45:06,069 --> 00:45:00,960

and it's the last time

850

00:45:13,550 --> 00:45:09,270

but i catch myself

851
00:45:19,829 --> 00:45:13,560
saying that all the time

852
00:45:24,230 --> 00:45:21,589
if i forget

853
00:45:28,790 --> 00:45:26,069
i'm losing my

854
00:45:35,030 --> 00:45:32,950
take shape and lose the weight

855
00:45:40,150 --> 00:45:35,040
of what it was to

856
00:45:40,160 --> 00:45:44,150
uniquely

857
00:45:44,160 --> 00:45:50,550
love fits into something

858
00:45:57,660 --> 00:45:53,190
it's the last time

859
00:46:03,030 --> 00:45:59,510
[Music]

860
00:46:03,890 --> 00:46:03,040
but i catch myself saying that all

861
00:46:07,829 --> 00:46:03,900
the time

862
00:46:10,550 --> 00:46:07,839
[Music]

863
00:46:11,990 --> 00:46:10,560

and it's the last time

864

00:46:14,490 --> 00:46:12,000

i love

865

00:46:15,829 --> 00:46:14,500

something

866

00:46:19,190 --> 00:46:15,839

[Music]

867

00:46:21,730 --> 00:46:19,200

but i catch myself

868

00:46:24,230 --> 00:46:21,740

saying that all the time

869

00:46:26,410 --> 00:46:24,240

[Music]

870

00:46:28,550 --> 00:46:26,420

all the time

871

00:46:33,829 --> 00:46:28,560

[Music]

872

00:46:42,550 --> 00:46:38,150

i just need all the mines

873

00:46:46,790 --> 00:46:42,560

to propel me past the last

874

00:46:49,829 --> 00:46:46,800

honest effort in due time

875

00:46:53,829 --> 00:46:49,839

please be a friend of mine

876
00:46:53,839 --> 00:46:58,950
i look for something

877
00:47:04,020 --> 00:47:01,990
but i catch myself

878
00:47:07,109 --> 00:47:04,030
saying that all the time

879
00:47:10,870 --> 00:47:07,119
[Music]

880
00:47:13,130 --> 00:47:10,880
and it's the last time

881
00:47:15,829 --> 00:47:13,140
i look for something

882
00:47:19,030 --> 00:47:15,839
[Music]

883
00:47:24,230 --> 00:47:19,040
but i catch myself

884
00:47:28,549 --> 00:47:25,330
all the time
