

**WITNESS**  
C I T I Z E N

1  
00:00:16,390 --> 00:00:14,470

[Music]

2  
00:00:19,269 --> 00:00:16,400  
in the recent ufo congressional hearings

3  
00:00:21,189 --> 00:00:19,279  
representative gallagher asked moultrie

4  
00:00:24,150 --> 00:00:21,199  
and bray if they've ever heard of the

5  
00:00:26,230 --> 00:00:24,160  
wilson davis documents

6  
00:00:28,230 --> 00:00:26,240  
as you can see they

7  
00:00:29,750 --> 00:00:28,240  
said they have not heard of them and

8  
00:00:31,750 --> 00:00:29,760  
then finally are you aware of a document

9  
00:00:33,510 --> 00:00:31,760  
that appeared around uh 2019 uh

10  
00:00:37,510 --> 00:00:33,520  
sometimes called the admiral wilson memo

11  
00:00:41,270 --> 00:00:38,790  
i am i'm not

12  
00:00:43,270 --> 00:00:41,280  
um so you're not aware of that i'm not

13  
00:00:44,549 --> 00:00:43,280

aware of congressman uh in my 10 seconds

14

00:00:46,229 --> 00:00:44,559

remaining then i i guess i just would

15

00:00:50,389 --> 00:00:46,239

ask mr chairman unanimous consent to

16

00:00:53,270 --> 00:00:52,389

without objection and you can now find

17

00:00:54,189 --> 00:00:53,280

them

18

00:01:00,549 --> 00:00:54,199

on

19

00:01:03,110 --> 00:01:00,559

here tw okie talk two hours wanted to

20

00:01:04,789 --> 00:01:03,120

convince to talk to ewd about what he

21

00:01:08,550 --> 00:01:04,799

told will miller

22

00:01:11,990 --> 00:01:08,560

yep ufo topic crashed retrieved ufo

23

00:01:14,070 --> 00:01:12,000

craft bodies etc mj 12 like ufo

24

00:01:17,590 --> 00:01:14,080

organization or cabal

25

00:01:19,510 --> 00:01:17,600

davis asks what was said tw confirmed

26

00:01:21,990 --> 00:01:19,520

greer miller mitchell gave talk in

27

00:01:24,390 --> 00:01:22,000

pentagon conference room

28

00:01:27,190 --> 00:01:24,400

admiral mike crawford general pat hughes

29

00:01:30,870 --> 00:01:27,200

were present as were others date april

30

00:01:33,030 --> 00:01:30,880

97 ed mitchell said for 997.

31

00:01:36,149 --> 00:01:33,040

after group broke up miller watson

32

00:01:41,350 --> 00:01:36,159

talked privately two hours on ufos mj-12

33

00:01:43,990 --> 00:01:41,360

roswell crashed ufos alien bodies etc

34

00:01:47,590 --> 00:01:44,000

tw is intrigued knew about intelligence

35

00:01:50,230 --> 00:01:47,600

on u.s male intel ufo close encounters

36

00:01:54,069 --> 00:01:50,240

and foreign government encounters scene

37

00:01:55,910 --> 00:01:54,079

records told miller

38

00:01:57,830 --> 00:01:55,920

i figured we could take this a little

39

00:01:59,910 --> 00:01:57,840

bit farther

40

00:02:03,910 --> 00:01:59,920

and look at all the evidence in

41

00:02:05,990 --> 00:02:03,920

government records or otherwise on craft

42

00:02:07,670 --> 00:02:06,000

that have crashed

43

00:02:09,990 --> 00:02:07,680

or alien bodies

44

00:02:13,910 --> 00:02:10,000

let's get into it the document is dated

45

00:02:17,110 --> 00:02:13,920

the 27th of april 1953.

46

00:02:19,510 --> 00:02:17,120

its subject is rumors pertaining to

47

00:02:21,750 --> 00:02:19,520

flying saucers which are allegedly

48

00:02:24,470 --> 00:02:21,760

located on the premise of

49

00:02:28,470 --> 00:02:24,480

wright-patterson air force base

50

00:02:29,589 --> 00:02:28,480

on april 25th 1953 ralph e brown master

51  
00:02:31,589 --> 00:02:29,599  
sergeant

52  
00:02:33,350 --> 00:02:31,599  
ohio military district fort hayes

53  
00:02:34,869 --> 00:02:33,360  
columbus ohio was interviewed in

54  
00:02:37,589 --> 00:02:34,879  
response to a telephone call from

55  
00:02:39,270 --> 00:02:37,599  
captain plandowski s2 fort hayes

56  
00:02:41,750 --> 00:02:39,280  
columbus ohio

57  
00:02:44,790 --> 00:02:41,760  
brown related that at approximately 2

58  
00:02:47,750 --> 00:02:44,800  
200 hours on the 24th of april 1953 he

59  
00:02:48,869 --> 00:02:47,760  
met and engaged in a conversation with a

60  
00:02:51,030 --> 00:02:48,879  
blink

61  
00:02:52,790 --> 00:02:51,040  
the conversation with blank took place

62  
00:02:54,949 --> 00:02:52,800  
while brown was waiting for a check to

63  
00:02:56,550 --> 00:02:54,959

be cashed by the bartender dick

64

00:02:58,630 --> 00:02:56,560

walker

65

00:02:59,589 --> 00:02:58,640

of the ionian room

66

00:03:04,070 --> 00:02:59,599

in the

67

00:03:05,910 --> 00:03:04,080

delcher wallock hotel columbus ohio

68

00:03:09,030 --> 00:03:05,920

blank began the conversation by asking

69

00:03:10,790 --> 00:03:09,040

brown casual questions such as where

70

00:03:13,110 --> 00:03:10,800

sources stationed

71

00:03:15,190 --> 00:03:13,120

brown stated that blank then related the

72

00:03:17,430 --> 00:03:15,200

story to him that wright-patterson air

73

00:03:20,149 --> 00:03:17,440

force base dayton ohio has in its

74

00:03:22,949 --> 00:03:20,159

possession three flying saucers two of

75

00:03:26,229 --> 00:03:22,959

which are in serviceable condition and

76

00:03:28,869 --> 00:03:26,239

one in damage condition

77

00:03:31,350 --> 00:03:28,879

wright-patterson air force base

78

00:03:33,509 --> 00:03:31,360

also has the bodies of men who were

79

00:03:35,589 --> 00:03:33,519

aboard these saucers

80

00:03:37,990 --> 00:03:35,599

blank stated that he knew this to be

81

00:03:40,470 --> 00:03:38,000

true since he has seen them

82

00:03:42,390 --> 00:03:40,480

brown believed blank said ray patterson

83

00:03:44,550 --> 00:03:42,400

air force base was building a spaceship

84

00:03:47,750 --> 00:03:44,560

but he did not know if this spaceship

85

00:03:49,030 --> 00:03:47,760

was a new one or a flying saucer being

86

00:03:50,789 --> 00:03:49,040

repaired

87

00:03:52,309 --> 00:03:50,799

blank stated that he is connected with

88

00:03:54,630 --> 00:03:52,319

wright-patterson air force base and

89

00:03:57,030 --> 00:03:54,640

therefore

90

00:03:58,869 --> 00:03:57,040

there is not any question as to the

91

00:04:00,470 --> 00:03:58,879

validity of the statements concerning

92

00:04:02,710 --> 00:04:00,480

the saucers

93

00:04:05,110 --> 00:04:02,720

blank stated that the air force

94

00:04:07,270 --> 00:04:05,120

authorities are too perturbed about the

95

00:04:09,990 --> 00:04:07,280

topic and not sure how to release the

96

00:04:12,229 --> 00:04:10,000

information to the public

97

00:04:14,309 --> 00:04:12,239

the authorities are afraid of creating a

98

00:04:16,550 --> 00:04:14,319

general panic if the news is released to

99

00:04:18,390 --> 00:04:16,560

the newspapers the authorities decided

100

00:04:20,789 --> 00:04:18,400

to release the information to the public

101  
00:04:22,550 --> 00:04:20,799  
by means of individuals going about and

102  
00:04:24,790 --> 00:04:22,560  
picking out persons whom they believed

103  
00:04:27,430 --> 00:04:24,800  
are intelligent enough to accept the

104  
00:04:29,189 --> 00:04:27,440  
story as true

105  
00:04:31,189 --> 00:04:29,199  
blank related that there is a group of

106  
00:04:32,870 --> 00:04:31,199  
people in columbus ohio who are planning

107  
00:04:34,710 --> 00:04:32,880  
what is to be done with the news of the

108  
00:04:39,510 --> 00:04:34,720  
saucers

109  
00:04:43,670 --> 00:04:41,749  
brown's impression was the group is

110  
00:04:46,070 --> 00:04:43,680  
small in number perhaps four to eight

111  
00:04:48,469 --> 00:04:46,080  
members blank also stated that there is

112  
00:04:50,950 --> 00:04:48,479  
a doctor in the group and he gave the

113  
00:04:54,710 --> 00:04:50,960

impression that the group is composed of

114

00:04:57,430 --> 00:04:54,720

prominent people in columbus ohio

115

00:05:00,070 --> 00:04:57,440

blank animated that the world situation

116

00:05:02,390 --> 00:05:00,080

is so big that by approximately june

117

00:05:04,870 --> 00:05:02,400

1953 there would be a complete change in

118

00:05:06,950 --> 00:05:04,880

world affairs

119

00:05:10,070 --> 00:05:06,960

the korean war would be ended and there

120

00:05:11,110 --> 00:05:10,080

would be no longer any threat of a world

121

00:05:13,430 --> 00:05:11,120

war

122

00:05:15,909 --> 00:05:13,440

blank did not elaborate on this

123

00:05:19,110 --> 00:05:15,919

aforementioned world situation

124

00:05:21,590 --> 00:05:19,120

brown gathered the impression from blank

125

00:05:23,189 --> 00:05:21,600

that because of the superior

126

00:05:25,749 --> 00:05:23,199

intelligence of these men from outer

127

00:05:27,590 --> 00:05:25,759

space that the world would unite itself

128

00:05:29,909 --> 00:05:27,600

against them i couldn't help but say to

129

00:05:31,909 --> 00:05:29,919

him just think how easy

130

00:05:33,670 --> 00:05:31,919

his task and mine might be in these

131

00:05:35,749 --> 00:05:33,680

meetings that we held

132

00:05:36,790 --> 00:05:35,759

if suddenly there was a threat to this

133

00:05:39,189 --> 00:05:36,800

world

134

00:05:41,670 --> 00:05:39,199

from some other species

135

00:05:43,830 --> 00:05:41,680

from another planet

136

00:05:45,909 --> 00:05:43,840

outside in the universe

137

00:05:47,189 --> 00:05:45,919

we'd forget all the local differences

138

00:05:49,510 --> 00:05:47,199

that we have

139

00:05:52,710 --> 00:05:49,520

between our countries and we would find

140

00:05:53,510 --> 00:05:52,720

out once and for all that we really are

141

00:05:56,629 --> 00:05:53,520

all

142

00:05:58,870 --> 00:05:56,639

human beings here on this earth together

143

00:06:00,469 --> 00:05:58,880

brown requested that blank introduce him

144

00:06:02,309 --> 00:06:00,479

to this group but blank stated that

145

00:06:03,670 --> 00:06:02,319

brown would be contacted by the group

146

00:06:07,350 --> 00:06:03,680

soon since

147

00:06:09,029 --> 00:06:07,360

they knew how to get in touch with him

148

00:06:12,469 --> 00:06:09,039

brown gathered the impression that the

149

00:06:13,990 --> 00:06:12,479

group is to contact him shortly

150

00:06:16,390 --> 00:06:14,000

blank left the impression that the group

151

00:06:18,629 --> 00:06:16,400

would positively call on him

152

00:06:20,550 --> 00:06:18,639

brown related that he asked blank

153

00:06:22,710 --> 00:06:20,560

whether the men from the saucers were

154

00:06:24,870 --> 00:06:22,720

interplanetary or stellar space

155

00:06:26,790 --> 00:06:24,880

travelers

156

00:06:29,270 --> 00:06:26,800

blank answered that day

157

00:06:31,110 --> 00:06:29,280

it is not known whether they refers to

158

00:06:35,110 --> 00:06:31,120

the group in columbus ohio or the air

159

00:06:40,790 --> 00:06:37,990

authorities are not sure where the

160

00:06:42,629 --> 00:06:40,800

saucer men originated their travel

161

00:06:45,430 --> 00:06:42,639

when asked if the saucer men came from

162

00:06:47,590 --> 00:06:45,440

beyond pluto blank began to discuss the

163

00:06:49,589 --> 00:06:47,600

facts concerning pluto

164

00:06:51,830 --> 00:06:49,599

he related that pluto is the farthest

165

00:06:54,309 --> 00:06:51,840

planet from the earth and was the last

166

00:06:56,390 --> 00:06:54,319

planet to be discovered

167

00:06:58,710 --> 00:06:56,400

brown related that blank talked as

168

00:07:00,469 --> 00:06:58,720

though he were well versed on the topic

169

00:07:02,390 --> 00:07:00,479

of flying saucers

170

00:07:05,350 --> 00:07:02,400

blink quoted speeds at which saucers

171

00:07:06,950 --> 00:07:05,360

have flown altitudes they have attained

172

00:07:08,950 --> 00:07:06,960

and about the abrupt changes in

173

00:07:10,629 --> 00:07:08,960

direction which saucers are capable of

174

00:07:11,909 --> 00:07:10,639

making

175

00:07:14,469 --> 00:07:11,919

brown believed that most of the

176  
00:07:16,629 --> 00:07:14,479  
information blank gave concerning speeds

177  
00:07:18,950 --> 00:07:16,639  
altitudes and changes in direction

178  
00:07:21,110 --> 00:07:18,960  
blank may have gathered from newspaper

179  
00:07:22,710 --> 00:07:21,120  
accounts of flying saucers or he may

180  
00:07:26,309 --> 00:07:22,720  
have gathered the information through

181  
00:07:29,430 --> 00:07:26,319  
official research with the air force

182  
00:07:31,670 --> 00:07:29,440  
blank acted as though it was his job to

183  
00:07:34,230 --> 00:07:31,680  
be well-versed on a topic

184  
00:07:35,830 --> 00:07:34,240  
brown stated that blank was evasive when

185  
00:07:37,110 --> 00:07:35,840  
questioned for details concerning the

186  
00:07:38,710 --> 00:07:37,120  
saucers

187  
00:07:40,390 --> 00:07:38,720  
blank stated that brown would be told

188  
00:07:42,550 --> 00:07:40,400

more information when the proper time

189

00:07:45,110 --> 00:07:42,560

came

190

00:07:46,869 --> 00:07:45,120

he was very convincing in his manner of

191

00:07:48,950 --> 00:07:46,879

conversation

192

00:07:50,629 --> 00:07:48,960

brown stated that blank had no objection

193

00:07:53,510 --> 00:07:50,639

to his writing

194

00:07:55,589 --> 00:07:53,520

blank name on a piece of paper

195

00:07:58,710 --> 00:07:55,599

brown gave the following description of

196

00:08:06,469 --> 00:08:03,070

age 30 to 35 weight 170 to 175 height

197

00:08:09,189 --> 00:08:06,479

511-61 general description

198

00:08:11,589 --> 00:08:09,199

blank is a slender well-built individual

199

00:08:14,469 --> 00:08:11,599

with a long oval face blank has straight

200

00:08:16,070 --> 00:08:14,479

brown hair which he parts on the side

201  
00:08:18,150 --> 00:08:16,080  
when blank smiles his teeth are very

202  
00:08:19,110 --> 00:08:18,160  
prominent and his upper teeth are very

203  
00:08:21,189 --> 00:08:19,120  
even

204  
00:08:24,950 --> 00:08:21,199  
blank has a fair complexion blank was

205  
00:08:31,350 --> 00:08:24,960  
dressed very neatly in a tan garbane

206  
00:08:36,149 --> 00:08:33,509  
brown stated that blank left the ionian

207  
00:08:38,149 --> 00:08:36,159  
room abruptly and was not under the

208  
00:08:39,430 --> 00:08:38,159  
influence of alcohol blank also refused

209  
00:08:40,870 --> 00:08:39,440  
to drink when brown attempted to

210  
00:08:42,630 --> 00:08:40,880  
purchase

211  
00:08:44,470 --> 00:08:42,640  
one for him

212  
00:08:48,949 --> 00:08:44,480  
after blake departed brown asked the

213  
00:08:53,750 --> 00:08:51,030

bartender related that he knew blanken

214

00:08:56,070 --> 00:08:53,760

considers him a

215

00:08:58,470 --> 00:08:56,080

brown believed that blank must come into

216

00:09:00,230 --> 00:08:58,480

the ionian room often since mike knew

217

00:09:02,630 --> 00:09:00,240

him

218

00:09:04,630 --> 00:09:02,640

brown stated that he waited for what he

219

00:09:06,790 --> 00:09:04,640

considered a reasonable amount of time

220

00:09:09,110 --> 00:09:06,800

and then attempted to follow blank

221

00:09:11,990 --> 00:09:09,120

brown again met blank in the washroom of

222

00:09:14,230 --> 00:09:12,000

the delcher wallach hotel but lost him

223

00:09:16,389 --> 00:09:14,240

after blank departed from the wash

224

00:09:19,269 --> 00:09:16,399

probably the most famous uh government

225

00:09:22,710 --> 00:09:19,279

document that pertains to

226  
00:09:24,310 --> 00:09:22,720  
actually having flying saucers and

227  
00:09:26,470 --> 00:09:24,320  
bodies

228  
00:09:31,590 --> 00:09:26,480  
comes from the fbi

229  
00:09:34,150 --> 00:09:31,600  
and it's dated march 22nd 1950

230  
00:09:35,190 --> 00:09:34,160  
written from a guy hotel

231  
00:09:38,550 --> 00:09:35,200  
to

232  
00:09:43,829 --> 00:09:38,560  
saucers

233  
00:09:48,070 --> 00:09:45,910  
an investigator for the air force stated

234  
00:09:50,150 --> 00:09:48,080  
that three so-called flank saucers have

235  
00:09:52,150 --> 00:09:50,160  
been recovered in new mexico they were

236  
00:09:54,949 --> 00:09:52,160  
described as being circular in shape

237  
00:09:56,550 --> 00:09:54,959  
with raised centers approximately 50

238  
00:09:59,030 --> 00:09:56,560

feet in diameter

239

00:10:01,269 --> 00:09:59,040

each one was occupied by three bodies of

240

00:10:03,910 --> 00:10:01,279

human shape but only three feet tall

241

00:10:07,590 --> 00:10:03,920

dressed in metallic cloth of a very fine

242

00:10:11,030 --> 00:10:07,600

texture each body was bandaged in a

243

00:10:13,190 --> 00:10:11,040

manner similar to the blackout suit used

244

00:10:15,509 --> 00:10:13,200

by speed flyers

245

00:10:17,190 --> 00:10:15,519

and test pilots

246

00:10:19,670 --> 00:10:17,200

according to mr blank informant the

247

00:10:22,790 --> 00:10:19,680

saucers were found in new mexico

248

00:10:25,990 --> 00:10:22,800

due to the fact that the government

249

00:10:27,910 --> 00:10:26,000

has a very high powered radar set up

250

00:10:30,710 --> 00:10:27,920

in that area and it is believed that the

251

00:10:33,750 --> 00:10:30,720

radar interferes with the controlling

252

00:10:35,829 --> 00:10:33,760

mechanism of the saucers no further

253

00:10:36,710 --> 00:10:35,839

evaluation was attempted by special

254

00:10:40,150 --> 00:10:36,720

agent

255

00:10:42,230 --> 00:10:40,160

blank concerning the above

256

00:10:45,590 --> 00:10:42,240

this next clip i'm going to play for you

257

00:10:47,590 --> 00:10:45,600

comes from a colonel corso who was

258

00:10:49,509 --> 00:10:47,600

a part of the foreign technology

259

00:10:51,509 --> 00:10:49,519

division in the air force

260

00:10:55,190 --> 00:10:51,519

who had a

261

00:10:57,829 --> 00:10:55,200

huge hand in the study of ufos

262

00:11:00,870 --> 00:10:57,839

under project blue book colonel corso

263

00:11:03,110 --> 00:11:00,880

here states how he first came across

264

00:11:06,069 --> 00:11:03,120

alien bodies and i went to the

265

00:11:08,470 --> 00:11:06,079

veterinarian section and one of

266

00:11:10,630 --> 00:11:08,480

a sergeant i knew very well was sergeant

267

00:11:12,870 --> 00:11:10,640

of the guard that night

268

00:11:14,790 --> 00:11:12,880

i told sarge how's everything around

269

00:11:15,590 --> 00:11:14,800

here and he said fine sir i told me

270

00:11:17,590 --> 00:11:15,600

those

271

00:11:18,790 --> 00:11:17,600

they told me to be careful to watch this

272

00:11:20,710 --> 00:11:18,800

area because you have a sense of

273

00:11:22,630 --> 00:11:20,720

something sensitive here

274

00:11:24,630 --> 00:11:22,640

he said you want to see it sir

275

00:11:25,910 --> 00:11:24,640

tell me let's go look

276

00:11:28,069 --> 00:11:25,920

and i knew the sergeant right he's a

277

00:11:30,949 --> 00:11:28,079

master sergeant i went back and there

278

00:11:33,110 --> 00:11:30,959

was five crates there like

279

00:11:34,870 --> 00:11:33,120

five or six i think it was five

280

00:11:38,310 --> 00:11:34,880

i lifted one up and here's this body

281

00:11:41,670 --> 00:11:39,590

and

282

00:11:44,150 --> 00:11:41,680

i looked at it about

283

00:11:46,150 --> 00:11:44,160

10-15 seconds not much more than that

284

00:11:48,069 --> 00:11:46,160

so i put it back down and said sarge

285

00:11:51,509 --> 00:11:48,079

come on get out of here now i want to

286

00:11:55,430 --> 00:11:51,519

get you in this next document uh dated

287

00:11:58,150 --> 00:11:55,440

the 12th of august 1952

288

00:12:00,150 --> 00:11:58,160

written to the commanding officer of air

289

00:12:02,470 --> 00:12:00,160

technical intelligence center right

290

00:12:04,550 --> 00:12:02,480

patterson air force base

291

00:12:06,629 --> 00:12:04,560

where the subject is flying saucers at

292

00:12:08,710 --> 00:12:06,639

wright-patterson air force base

293

00:12:11,590 --> 00:12:08,720

ohio

294

00:12:14,870 --> 00:12:11,600

documents were gathered from a friend

295

00:12:16,949 --> 00:12:14,880

ufo researcher robert cofort

296

00:12:19,350 --> 00:12:16,959

the following information was obtained

297

00:12:21,190 --> 00:12:19,360

by a special agent of the district

298

00:12:25,190 --> 00:12:21,200

office and is submitted for your

299

00:12:31,910 --> 00:12:30,069

a1c clyde wheeler 6501

300

00:12:34,069 --> 00:12:31,920

support squadron wright patterson air

301  
00:12:37,829 --> 00:12:34,079  
force base ohio was interviewed on the

302  
00:12:39,110 --> 00:12:37,839  
31st of july 1952 and advised that

303  
00:12:40,910 --> 00:12:39,120  
sergeant

304  
00:12:44,310 --> 00:12:40,920  
loyal buns

305  
00:12:46,790 --> 00:12:44,320  
575th field maintenance squadron box 19

306  
00:12:48,629 --> 00:12:46,800  
selfridge air force base mount clemons

307  
00:12:50,629 --> 00:12:48,639  
michigan

308  
00:12:53,670 --> 00:12:50,639  
told him approximately the 10th of june

309  
00:12:55,750 --> 00:12:53,680  
1952 that he buns knew about the flying

310  
00:12:58,150 --> 00:12:55,760  
saucers at wright-patterson air force

311  
00:13:01,110 --> 00:12:58,160  
base at this time approximately the 10th

312  
00:13:02,230 --> 00:13:01,120  
of june 1952 bunts explained in detail

313  
00:13:04,629 --> 00:13:02,240

that he knew the people at

314

00:13:07,030 --> 00:13:04,639

wright-patterson air force base and had

315

00:13:09,190 --> 00:13:07,040

found some flying saucers and also some

316

00:13:10,949 --> 00:13:09,200

bodies inside the saucers

317

00:13:12,949 --> 00:13:10,959

the saucers and bodies were taken to

318

00:13:14,550 --> 00:13:12,959

wright-patterson air force base ohio

319

00:13:16,310 --> 00:13:14,560

date unknown

320

00:13:18,870 --> 00:13:16,320

at wright-patterson air force base bunts

321

00:13:20,629 --> 00:13:18,880

explained officials at the radiation

322

00:13:22,949 --> 00:13:20,639

laboratory disassembled the flying

323

00:13:24,550 --> 00:13:22,959

saucers which supposedly came from venus

324

00:13:26,550 --> 00:13:24,560

and the bodies inside the saucers were

325

00:13:28,629 --> 00:13:26,560

taken to the aerial medical laboratory

326

00:13:30,870 --> 00:13:28,639

at wright-patterson air force base for

327

00:13:33,430 --> 00:13:30,880

further study

328

00:13:35,430 --> 00:13:33,440

the discussion of saucers came about as

329

00:13:39,509 --> 00:13:35,440

a result of bunsen's interest in a

330

00:13:41,350 --> 00:13:39,519

project that a1c wheeler was working on

331

00:13:43,670 --> 00:13:41,360

and also as a result of bunsen's

332

00:13:46,230 --> 00:13:43,680

knowledge of wheeler having been at

333

00:13:49,430 --> 00:13:46,240

right ear development center

334

00:13:52,230 --> 00:13:49,440

sometime in january 1952

335

00:13:54,230 --> 00:13:52,240

a mutual friend of buns identifies as mr

336

00:13:56,550 --> 00:13:54,240

blank sugar bush road north baltimore

337

00:13:59,030 --> 00:13:56,560

michigan verified this story to wheeler

338

00:14:01,750 --> 00:13:59,040

as related above by buns concerning the

339

00:14:03,590 --> 00:14:01,760

flying saucers

340

00:14:05,509 --> 00:14:03,600

advised wheeler that a friend of his who

341

00:14:07,990 --> 00:14:05,519

works at wright patterson air force base

342

00:14:08,949 --> 00:14:08,000

ohio at present time is blank west

343

00:14:11,189 --> 00:14:08,959

spring

344

00:14:13,030 --> 00:14:11,199

uh field ohio and his friend had related

345

00:14:14,710 --> 00:14:13,040

the information to him

346

00:14:16,710 --> 00:14:14,720

playing concerning the flag saucers and

347

00:14:18,550 --> 00:14:16,720

bodies now at wright-patterson air force

348

00:14:21,750 --> 00:14:18,560

base

349

00:14:24,629 --> 00:14:21,760

prior to wheeler's transfer to reichpat

350

00:14:27,430 --> 00:14:24,639

ohio 11th of july 52 buns approached him

351  
00:14:29,509 --> 00:14:27,440  
and wrote out 11 questions for him

352  
00:14:31,829 --> 00:14:29,519  
wheeler to find the answers a photo

353  
00:14:33,110 --> 00:14:31,839  
stack a photostatic copy of the

354  
00:14:35,590 --> 00:14:33,120  
questions is attached to this

355  
00:14:37,750 --> 00:14:35,600  
correspondence as enclosure one

356  
00:14:39,509 --> 00:14:37,760  
also bunts suggested two-wheeler that

357  
00:14:42,069 --> 00:14:39,519  
they corresponding code concerning this

358  
00:14:44,470 --> 00:14:42,079  
matter and wheeler admits helping buns

359  
00:14:47,189 --> 00:14:44,480  
write a code system of which a

360  
00:14:49,269 --> 00:14:47,199  
photostatic copy was made and is

361  
00:14:51,670 --> 00:14:49,279  
attached to this letter as a closure

362  
00:14:53,829 --> 00:14:51,680  
number two

363  
00:14:55,670 --> 00:14:53,839

according to wheeler a civilian employee

364

00:14:58,069 --> 00:14:55,680

right air development center at

365

00:15:00,629 --> 00:14:58,079

radiation laboratory identified only as

366

00:15:01,829 --> 00:15:00,639

blank is a good friend of blank and is

367

00:15:03,910 --> 00:15:01,839

supposed to have supplied the

368

00:15:06,150 --> 00:15:03,920

information to blank concerning the flag

369

00:15:08,710 --> 00:15:06,160

saucers being disassembled at the

370

00:15:10,389 --> 00:15:08,720

radiation laboratory and the information

371

00:15:13,350 --> 00:15:10,399

concerning the bodies that were taken to

372

00:15:16,310 --> 00:15:13,360

the aero med laboratory

373

00:15:19,110 --> 00:15:16,320

on the 13th of july 1952 wheeler typed a

374

00:15:20,710 --> 00:15:19,120

statement a photostatic copy of which is

375

00:15:23,110 --> 00:15:20,720

attached to this letter as a closure

376

00:15:26,150 --> 00:15:23,120

number three

377

00:15:28,389 --> 00:15:26,160

approximately the 20th of june 1952

378

00:15:30,710 --> 00:15:28,399

wheeler claims he wrote a complete

379

00:15:32,710 --> 00:15:30,720

report concerning the above caption

380

00:15:35,749 --> 00:15:32,720

matter and gave his report to second

381

00:15:37,670 --> 00:15:35,759

lieutenant george jenna zanewski who is

382

00:15:39,670 --> 00:15:37,680

intelligence officer at headquarters

383

00:15:42,389 --> 00:15:39,680

squadron 10th air force selfridge air

384

00:15:44,310 --> 00:15:42,399

force base michigan

385

00:15:45,749 --> 00:15:44,320

at the time wheeler gave the report to

386

00:15:47,590 --> 00:15:45,759

the intelligence officer and was

387

00:15:49,509 --> 00:15:47,600

instructed by the intelligence officer

388

00:15:51,189 --> 00:15:49,519

to listen to bunts

389

00:15:53,189 --> 00:15:51,199

or anyone else

390

00:15:54,870 --> 00:15:53,199

who had knowledge of flying saucers and

391

00:15:56,550 --> 00:15:54,880

report back to him

392

00:15:59,990 --> 00:15:56,560

any information he might obtain

393

00:16:04,069 --> 00:16:01,990

during the month of june wheeler claims

394

00:16:06,790 --> 00:16:04,079

he went to the base library selfridge

395

00:16:08,790 --> 00:16:06,800

air force base and drew a book entitled

396

00:16:11,189 --> 00:16:08,800

behind the flying saucers by frank

397

00:16:13,110 --> 00:16:11,199

scully

398

00:16:15,749 --> 00:16:13,120

this was first suggested by sergeant

399

00:16:17,430 --> 00:16:15,759

bunce wheeler claims and after reading

400

00:16:19,269 --> 00:16:17,440

the book he found it contained the same

401  
00:16:20,790 --> 00:16:19,279  
information as related to him by

402  
00:16:23,910 --> 00:16:20,800  
sergeant bunce concerning the flying

403  
00:16:25,670 --> 00:16:23,920  
saucers with this exception

404  
00:16:27,590 --> 00:16:25,680  
in the book there is no mention made of

405  
00:16:29,189 --> 00:16:27,600  
flying saucers being disassembled that

406  
00:16:31,590 --> 00:16:29,199  
bright pad

407  
00:16:33,430 --> 00:16:31,600  
at the radiation laboratory no mention

408  
00:16:35,509 --> 00:16:33,440  
made about the bodies inside the saucers

409  
00:16:38,550 --> 00:16:35,519  
being taken to aeromed laboratory ray

410  
00:16:41,749 --> 00:16:38,560  
patterson for further study

411  
00:16:43,430 --> 00:16:41,759  
a review of file number 24-21 at

412  
00:16:45,990 --> 00:16:43,440  
headquarters fifth osi district

413  
00:16:48,389 --> 00:16:46,000

reflected a photostack photostatic copy

414

00:16:50,790 --> 00:16:48,399

of the statement to the intelligence

415

00:16:53,590 --> 00:16:50,800

office selfridge air force base

416

00:16:55,269 --> 00:16:53,600

mentioned above and also reflected a

417

00:16:57,590 --> 00:16:55,279

letter of transmittal from the air

418

00:17:00,629 --> 00:16:57,600

provost marshal selfridge air force base

419

00:17:02,870 --> 00:17:00,639

michigan wherein the marshal stated it

420

00:17:04,549 --> 00:17:02,880

is his belief a1c wheeler may be

421

00:17:07,829 --> 00:17:04,559

attempting to draw attention to himself

422

00:17:10,470 --> 00:17:07,839

to further his invention

423

00:17:13,429 --> 00:17:10,480

or a possible security league may exist

424

00:17:16,069 --> 00:17:13,439

in the flank saucer program

425

00:17:18,309 --> 00:17:16,079

our next bit of information isn't a

426  
00:17:19,909 --> 00:17:18,319  
government document i must say but it

427  
00:17:20,789 --> 00:17:19,919  
does come from

428  
00:17:22,949 --> 00:17:20,799  
um

429  
00:17:25,750 --> 00:17:22,959  
decades-long ufo researcher and

430  
00:17:30,310 --> 00:17:25,760  
investigative journalist george knapp

431  
00:17:33,750 --> 00:17:30,320  
the picture comes to us by a danny silva

432  
00:17:35,110 --> 00:17:33,760  
of the silver record

433  
00:17:37,669 --> 00:17:35,120  
george knapp

434  
00:17:39,750 --> 00:17:37,679  
in a recent interview on coast to coast

435  
00:17:42,230 --> 00:17:39,760  
with christopher sharp of liberation

436  
00:17:43,669 --> 00:17:42,240  
times stated this

437  
00:17:45,270 --> 00:17:43,679  
it's clear that somebody has been

438  
00:17:48,070 --> 00:17:45,280

sharing information with congress

439

00:17:50,870 --> 00:17:48,080

members i can tell for sure that there

440

00:17:53,430 --> 00:17:50,880

are people who have met them and have

441

00:17:55,750 --> 00:17:53,440

told them not only that there are these

442

00:17:57,830 --> 00:17:55,760

legacy programs that have materials and

443

00:18:00,870 --> 00:17:57,840

by materials i don't mean just scraps of

444

00:18:03,750 --> 00:18:00,880

metal from the ground but intact craft

445

00:18:06,230 --> 00:18:03,760

remains physical remains of beings

446

00:18:08,230 --> 00:18:06,240

those stories have been floating around

447

00:18:10,230 --> 00:18:08,240

for a long time i know that there are a

448

00:18:11,990 --> 00:18:10,240

couple of people in particular who know

449

00:18:14,230 --> 00:18:12,000

about this stuff down to the point of

450

00:18:15,510 --> 00:18:14,240

where the buildings and where this stuff

451  
00:18:17,510 --> 00:18:15,520  
is stashed

452  
00:18:19,590 --> 00:18:17,520  
who are willing to come forward if they

453  
00:18:21,750 --> 00:18:19,600  
are protected now this legislation

454  
00:18:23,750 --> 00:18:21,760  
indicates that they will be protected as

455  
00:18:26,230 --> 00:18:23,760  
whistleblowers that their security

456  
00:18:28,230 --> 00:18:26,240  
clearances will not be revoked and it's

457  
00:18:31,029 --> 00:18:28,240  
pretty exciting so who are the beings

458  
00:18:33,190 --> 00:18:31,039  
piloting these ufos are we talking

459  
00:18:35,430 --> 00:18:33,200  
extraterrestrial ultra-terrestrial time

460  
00:18:37,830 --> 00:18:35,440  
travelers or are they simply part of an

461  
00:18:39,909 --> 00:18:37,840  
ancient civilization hiding from the bad

462  
00:18:41,669 --> 00:18:39,919  
habits of mankind

463  
00:18:44,230 --> 00:18:41,679

well there is evidence for all in some

464

00:18:46,070 --> 00:18:44,240

way shape or form and ufos come in all

465

00:18:50,950 --> 00:18:46,080

sorts of different descriptions such as

466

00:18:57,270 --> 00:18:55,270

giant fuselages without wings or tail

467

00:18:59,270 --> 00:18:57,280

now with all these different forms of

468

00:19:01,350 --> 00:18:59,280

appearances it placed directly into the

469

00:19:04,230 --> 00:19:01,360

idea that there are various forms of

470

00:19:06,549 --> 00:19:04,240

beings visiting this earth and possibly

471

00:19:10,470 --> 00:19:06,559

living on this earth right underneath

472

00:19:12,870 --> 00:19:10,480

our noses so to speak

473

00:19:14,789 --> 00:19:12,880

so how can we determine what beings want

474

00:19:16,710 --> 00:19:14,799

with us this earth or anything else for

475

00:19:17,990 --> 00:19:16,720

that matter well we have to listen to

476  
00:19:20,710 --> 00:19:18,000  
the witnesses

477  
00:19:22,950 --> 00:19:20,720  
who have encountered these beings

478  
00:19:27,110 --> 00:19:22,960  
what if they said what happened

479  
00:19:28,710 --> 00:19:27,120  
and what can we determine if anything

480  
00:19:31,909 --> 00:19:28,720  
well i'm about to play a clip for you

481  
00:19:33,830 --> 00:19:31,919  
that dates back to 1989 in climax

482  
00:19:35,830 --> 00:19:33,840  
springs in missouri

483  
00:19:38,470 --> 00:19:35,840  
where a man has a

484  
00:19:40,710 --> 00:19:38,480  
intense encounter with three

485  
00:19:42,630 --> 00:19:40,720  
cigar-shaped craft

486  
00:19:47,190 --> 00:19:42,640  
and he lays out some very significant

487  
00:19:49,350 --> 00:19:47,200  
insight into what may be going on here

488  
00:19:53,029 --> 00:19:49,360

in fact instances like this could be why

489

00:19:55,270 --> 00:19:53,039

some call the beings the observers

490

00:19:57,270 --> 00:19:55,280

in this bit of testimony we can say not

491

00:19:59,430 --> 00:19:57,280

only did the beings want to conduct

492

00:20:01,510 --> 00:19:59,440

observation but they were forceful in

493

00:20:03,430 --> 00:20:01,520

doing so

494

00:20:07,510 --> 00:20:03,440

almost as if they came a long distance

495

00:20:09,350 --> 00:20:07,520

to tour the sioux we call earth

496

00:20:11,510 --> 00:20:09,360

and wanted to make sure those who paid

497

00:20:14,789 --> 00:20:11,520

their attendance could look at the face

498

00:20:16,789 --> 00:20:14,799

of the humans who occupy it

499

00:20:19,190 --> 00:20:16,799

they offered 300 feet from me and stared

500

00:20:21,430 --> 00:20:19,200

at me like i was a

501  
00:20:23,190 --> 00:20:21,440  
a zebra in the zoo

502  
00:20:26,149 --> 00:20:23,200  
like there was a lion in a cage you know

503  
00:20:28,950 --> 00:20:26,159  
a uh an insect in a char

504  
00:20:31,190 --> 00:20:28,960  
three craft directly overhead directly

505  
00:20:33,110 --> 00:20:31,200  
overhead i saw their faces looking out

506  
00:20:34,710 --> 00:20:33,120  
the windows at me man pointing at me

507  
00:20:36,470 --> 00:20:34,720  
with their fingers we're not talking

508  
00:20:39,029 --> 00:20:36,480  
about one

509  
00:20:40,549 --> 00:20:39,039  
talking about three crafts

510  
00:20:41,669 --> 00:20:40,559  
i know there's nothing like this ever

511  
00:20:44,870 --> 00:20:41,679  
happened to me in my life you know what

512  
00:20:47,510 --> 00:20:44,880  
i'm saying my body wasn't able to move

513  
00:20:49,510 --> 00:20:47,520

i was not able to move

514

00:20:51,590 --> 00:20:49,520

be it however you want to praise them

515

00:20:54,070 --> 00:20:51,600

people creatures whatever

516

00:20:55,669 --> 00:20:54,080

could all see me very plainly so they

517

00:20:57,029 --> 00:20:55,679

looked at me and totally cocked their

518

00:20:59,270 --> 00:20:57,039

hands and pointed like i was an

519

00:21:00,710 --> 00:20:59,280

exhibition in a zoo

520

00:21:02,070 --> 00:21:00,720

i mean i'm telling you right now buddy

521

00:21:04,230 --> 00:21:02,080

i'm i'm sitting here not knowing what

522

00:21:07,669 --> 00:21:04,240

the hell to think

523

00:21:09,110 --> 00:21:07,679

heads were human shaped

524

00:21:11,029 --> 00:21:09,120

you could tell that there was eyes in

525

00:21:13,510 --> 00:21:11,039

the head you could tell us the eyes were

526  
00:21:17,110 --> 00:21:13,520  
large there was no visual appearances of

527  
00:21:19,430 --> 00:21:17,120  
hair or ears from what i could see

528  
00:21:21,350 --> 00:21:19,440  
but the light was so bright emanating

529  
00:21:23,590 --> 00:21:21,360  
from inside this craft

530  
00:21:25,350 --> 00:21:23,600  
that uh they looked like they were bald

531  
00:21:27,510 --> 00:21:25,360  
with no ears but but there was no way to

532  
00:21:29,190 --> 00:21:27,520  
really tell but they were definitely had

533  
00:21:30,789 --> 00:21:29,200  
a human head shape they definitely had a

534  
00:21:32,710 --> 00:21:30,799  
human-shaped body they definitely stood

535  
00:21:34,789 --> 00:21:32,720  
behind these windows and pointed at me

536  
00:21:36,470 --> 00:21:34,799  
and these crafts had

537  
00:21:38,630 --> 00:21:36,480  
they looked like a jet airliner with no

538  
00:21:40,630 --> 00:21:38,640

wings and tail okay when they hovered in

539

00:21:43,110 --> 00:21:40,640

the air to stare at me

540

00:21:45,270 --> 00:21:43,120

it was like i was on visual show

541

00:21:46,710 --> 00:21:45,280

at a zoo you know what i'm saying right

542

00:21:48,070 --> 00:21:46,720

and you can see these rows of windows

543

00:21:50,549 --> 00:21:48,080

going down the side and they were

544

00:21:51,669 --> 00:21:50,559

identical just virtually identical to

545

00:21:53,990 --> 00:21:51,679

the rows of windows that you would see

546

00:21:55,029 --> 00:21:54,000

on an airliner

547

00:21:57,909 --> 00:21:55,039

and there was

548

00:22:00,549 --> 00:21:57,919

beings behind each one of these windows

549

00:22:02,310 --> 00:22:00,559

they were looking at me and pointing

550

00:22:04,789 --> 00:22:02,320

and i could have seen their faces and

551  
00:22:06,710 --> 00:22:04,799  
their features very clearly it wouldn't

552  
00:22:09,750 --> 00:22:06,720  
been to the fact that the light was so

553  
00:22:13,190 --> 00:22:11,190  
my body

554  
00:22:14,870 --> 00:22:13,200  
could not move i wanted to scream for my

555  
00:22:16,789 --> 00:22:14,880  
girlfriend my sister-in-law my mother

556  
00:22:18,789 --> 00:22:16,799  
and my brother and the seven children

557  
00:22:20,390 --> 00:22:18,799  
that were in the house come look too i

558  
00:22:21,590 --> 00:22:20,400  
was not able

559  
00:22:23,750 --> 00:22:21,600  
to move

560  
00:22:26,870 --> 00:22:23,760  
i tried to scream

561  
00:22:27,750 --> 00:22:26,880  
the minute they ceased with looking at

562  
00:22:29,350 --> 00:22:27,760  
me

563  
00:22:31,510 --> 00:22:29,360

and so to speak

564

00:22:32,950 --> 00:22:31,520

and started to move off without making a

565

00:22:34,549 --> 00:22:32,960

sound

566

00:22:35,990 --> 00:22:34,559

and there was no change in these lights

567

00:22:38,070 --> 00:22:36,000

that was shining out from behind it were

568

00:22:40,149 --> 00:22:38,080

just like headlights and fog okay

569

00:22:41,669 --> 00:22:40,159

because they're shrouded

570

00:22:44,549 --> 00:22:41,679

started moving out across the lake at

571

00:22:46,310 --> 00:22:44,559

the 51 mon marker here in mid missouri

572

00:22:47,669 --> 00:22:46,320

brother and i jumped in my car then and

573

00:22:49,510 --> 00:22:47,679

drove to the top of the hill as these

574

00:22:51,430 --> 00:22:49,520

things were going over the lake and on

575

00:22:53,270 --> 00:22:51,440

their way out of sight

576

00:22:55,990 --> 00:22:53,280

the sky is totally clear here there's

577

00:22:58,470 --> 00:22:56,000

not a cloud in the sky speak out none

578

00:23:00,789 --> 00:22:58,480

okay these things were clouded in a

579

00:23:03,190 --> 00:23:00,799

shroud of mist three of them

580

00:23:04,470 --> 00:23:03,200

cigar shaped pods on the end of them

581

00:23:05,909 --> 00:23:04,480

green doors on the top shining

582

00:23:07,990 --> 00:23:05,919

headlights out the back of these pots

583

00:23:10,230 --> 00:23:08,000

just like headlights in the fog of a car

584

00:23:12,149 --> 00:23:10,240

i don't know man i lost up track of time

585

00:23:13,370 --> 00:23:12,159

i lost on track of anything like that i

586

00:23:14,789 --> 00:23:13,380

mean i was so

587

00:23:16,630 --> 00:23:14,799

[Applause]

588

00:23:18,149 --> 00:23:16,640

i was so immersed in what was happening

589

00:23:20,310 --> 00:23:18,159

here last thing i was going to worry

590

00:23:23,029 --> 00:23:20,320

about was looking at a goddamn clock

591

00:23:23,750 --> 00:23:23,039

but two people that stopped to talk to

592

00:23:26,789 --> 00:23:23,760

me

593

00:23:28,070 --> 00:23:26,799

that i do and live on the lake here with

594

00:23:31,190 --> 00:23:28,080

me

595

00:23:32,710 --> 00:23:31,200

top of the hill in the dark stand on top

596

00:23:33,990 --> 00:23:32,720

of my car with binoculars they stopped

597

00:23:35,029 --> 00:23:34,000

you know you saw it too didn't you they

598

00:23:36,390 --> 00:23:35,039

rolled down the

599

00:23:38,070 --> 00:23:36,400

to window you saw it too i said yeah i

600

00:23:40,149 --> 00:23:38,080

saw it what did you see

601  
00:23:42,549 --> 00:23:40,159  
i said three cigars shaped aircraft

602  
00:23:44,549 --> 00:23:42,559  
hovering in a mist of fog

603  
00:23:46,070 --> 00:23:44,559  
no noise they said that's exactly what

604  
00:23:48,310 --> 00:23:46,080  
we saw we saw it crossed over highway

605  
00:23:50,390 --> 00:23:48,320  
seven we pulled off our car our truck

606  
00:23:51,750 --> 00:23:50,400  
off the side of the road shut off a

607  
00:23:53,029 --> 00:23:51,760  
motor shut up our headlights got out

608  
00:23:54,230 --> 00:23:53,039  
with our cameras

609  
00:23:55,990 --> 00:23:54,240  
and you know what really bugged me about

610  
00:23:57,350 --> 00:23:56,000  
it they told me they were unable to

611  
00:24:01,029 --> 00:23:57,360  
remove

612  
00:24:04,070 --> 00:24:02,310  
that was the only thing you know those

613  
00:24:05,590 --> 00:24:04,080

people yeah i do know them personally

614

00:24:07,510 --> 00:24:05,600

they're my neighbors they stopped and

615

00:24:08,789 --> 00:24:07,520

got out tried to photograph it

616

00:24:10,870 --> 00:24:08,799

and the only thing that really bugged me

617

00:24:12,789 --> 00:24:10,880

or what they said was for they go but we

618

00:24:14,870 --> 00:24:12,799

couldn't get the lenses off a camera why

619

00:24:17,190 --> 00:24:14,880

couldn't they now this really bugged me

620

00:24:19,510 --> 00:24:17,200

because i'm going to tell you what buddy

621

00:24:21,029 --> 00:24:19,520

whatever these three things were

622

00:24:23,510 --> 00:24:21,039

and i'm not necessarily a believer in

623

00:24:24,950 --> 00:24:23,520

jesus and i ain't necessarily from ufos

624

00:24:27,510 --> 00:24:24,960

but i'll tell you what i saw three

625

00:24:29,510 --> 00:24:27,520

things as big as jet airliners however

626  
00:24:32,070 --> 00:24:29,520  
300 feet above my head atop the trees

627  
00:24:33,590 --> 00:24:32,080  
here in the woods around my house

628  
00:24:36,230 --> 00:24:33,600  
and they over there without a sound in a

629  
00:24:37,750 --> 00:24:36,240  
cloud of mist and as they stopped dead

630  
00:24:39,190 --> 00:24:37,760  
they missed thinned out enough that i

631  
00:24:40,789 --> 00:24:39,200  
could see that there was

632  
00:24:41,669 --> 00:24:40,799  
windows going down the side of these

633  
00:24:43,269 --> 00:24:41,679  
things

634  
00:24:44,710 --> 00:24:43,279  
you know what it gave me the idea like a

635  
00:24:46,470 --> 00:24:44,720  
carnival cruise or something you know

636  
00:24:47,750 --> 00:24:46,480  
weird it was like something told me turn

637  
00:24:49,350 --> 00:24:47,760  
around

638  
00:24:52,070 --> 00:24:49,360

and my body all of a sudden reverts

639

00:24:53,830 --> 00:24:52,080

around as it does i look up in the sky

640

00:24:55,190 --> 00:24:53,840

and just like out of the movie like a

641

00:24:56,710 --> 00:24:55,200

polar kind or something man i mean this

642

00:24:57,750 --> 00:24:56,720

isn't even this isn't even real i don't

643

00:25:00,390 --> 00:24:57,760

know how i can even talk to you about

644

00:25:03,669 --> 00:25:00,400

this but i got to talk to somebody

645

00:25:05,669 --> 00:25:03,679

and whatever was on board was peeking

646

00:25:07,190 --> 00:25:05,679

out the windows like people looking out

647

00:25:09,029 --> 00:25:07,200

the windows of a bus you know what i'm

648

00:25:11,269 --> 00:25:09,039

saying did you have a chance to count

649

00:25:13,510 --> 00:25:11,279

the number of those lighted openings

650

00:25:14,789 --> 00:25:13,520

well there again

651  
00:25:22,710 --> 00:25:14,799  
i

652  
00:25:24,230 --> 00:25:22,720  
wasn't

653  
00:25:26,630 --> 00:25:24,240  
for some reason

654  
00:25:28,789 --> 00:25:26,640  
and this is what scares me the most and

655  
00:25:31,430 --> 00:25:28,799  
what's got me upset the most is i wasn't

656  
00:25:33,590 --> 00:25:31,440  
able to scream to anybody in the house

657  
00:25:36,149 --> 00:25:33,600  
my body froze dead still i wasn't able

658  
00:25:37,990 --> 00:25:36,159  
to move as these things hovered there

659  
00:25:39,350 --> 00:25:38,000  
that's still in the air

660  
00:25:41,669 --> 00:25:39,360  
i couldn't move until they started to

661  
00:25:44,390 --> 00:25:41,679  
move away when they started to move away

662  
00:25:45,990 --> 00:25:44,400  
then all of a sudden i could move again

663  
00:25:49,750 --> 00:25:46,000

there was at least

664

00:25:55,269 --> 00:25:52,070

1520s minimum but to be honest with you

665

00:25:56,789 --> 00:25:55,279

i'm so upset from the situation

666

00:25:58,310 --> 00:25:56,799

i can't tell you if they were square

667

00:25:59,909 --> 00:25:58,320

around okay

668

00:26:01,430 --> 00:25:59,919

and the light was coming out of them so

669

00:26:03,750 --> 00:26:01,440

brightly that it would be hard to tell

670

00:26:05,590 --> 00:26:03,760

if they were square around

671

00:26:07,669 --> 00:26:05,600

there was an incredible light coming out

672

00:26:10,149 --> 00:26:07,679

of the inside of the thing

673

00:26:12,070 --> 00:26:10,159

but the light undoubtedly showed the

674

00:26:14,070 --> 00:26:12,080

fact that there was beings creatures

675

00:26:16,149 --> 00:26:14,080

whatever you want to turn it behind each

676

00:26:18,230 --> 00:26:16,159

and every window

677

00:26:19,510 --> 00:26:18,240

looking out and playing so i mean there

678

00:26:20,789 --> 00:26:19,520

were several of them that were pointing

679

00:26:21,590 --> 00:26:20,799

at me

680

00:26:24,390 --> 00:26:21,600

right

681

00:26:25,750 --> 00:26:24,400

like i was an exhibit at the zoo an

682

00:26:27,830 --> 00:26:25,760

aquarium

683

00:26:29,190 --> 00:26:27,840

and they stopped their dead end and what

684

00:26:31,430 --> 00:26:29,200

really got me was the way they hovered

685

00:26:32,789 --> 00:26:31,440

into a stair-step position the closest

686

00:26:34,630 --> 00:26:32,799

one moved up

687

00:26:36,310 --> 00:26:34,640

the middle one moved down a little and

688

00:26:38,070 --> 00:26:36,320

the one on the farthest probably moved

689

00:26:39,750 --> 00:26:38,080

down even yet to where damn near touched

690

00:26:41,909 --> 00:26:39,760

the treetops here now i'm talking we're

691

00:26:44,070 --> 00:26:41,919

talking this craft was six feet over the

692

00:26:45,590 --> 00:26:44,080

trees and this mist was covering

693

00:26:48,549 --> 00:26:45,600

engulfing the trees on top of the hill

694

00:26:50,070 --> 00:26:48,559

about 200 feet 300 feet above me okay

695

00:26:52,950 --> 00:26:50,080

and they moved down in stair steps so

696

00:26:54,230 --> 00:26:52,960

that all three craft i i looked at all

697

00:26:56,310 --> 00:26:54,240

three rows of windows done all three

698

00:26:57,750 --> 00:26:56,320

crafts and all and i could see

699

00:26:59,750 --> 00:26:57,760

these occupants whatever you want to

700

00:27:01,669 --> 00:26:59,760

turn them turning them in all three

701  
00:27:02,789 --> 00:27:01,679  
windows and all three sets of windows

702  
00:27:04,710 --> 00:27:02,799  
going down these crafts and they were

703  
00:27:06,549 --> 00:27:04,720  
looking at me they were staring at me

704  
00:27:08,950 --> 00:27:06,559  
they were definitely i don't know you

705  
00:27:11,269 --> 00:27:08,960  
know you read about these things in in

706  
00:27:14,630 --> 00:27:11,279  
in the papers and and said they were

707  
00:27:16,950 --> 00:27:14,640  
definitely humanoid looking okay as far

708  
00:27:18,549 --> 00:27:16,960  
as i could see they

709  
00:27:19,510 --> 00:27:18,559  
they had arms that they could point at

710  
00:27:20,950 --> 00:27:19,520  
me

711  
00:27:23,669 --> 00:27:20,960  
like like you and i would point at

712  
00:27:25,510 --> 00:27:23,679  
something look at that ant on the ground

713  
00:27:26,950 --> 00:27:25,520

uh they had heads that were shaped like

714

00:27:29,430 --> 00:27:26,960

ours as far as whether or not they had

715

00:27:30,870 --> 00:27:29,440

ears they had hair i have no idea the

716

00:27:33,190 --> 00:27:30,880

light was too bright but they endowed

717

00:27:35,430 --> 00:27:33,200

they had two eyes

718

00:27:36,549 --> 00:27:35,440

you can see these areas that appeared

719

00:27:38,950 --> 00:27:36,559

dark

720

00:27:41,909 --> 00:27:38,960

were

721

00:27:43,510 --> 00:27:41,919

it was it was darker that it was

722

00:27:44,789 --> 00:27:43,520

like even though the light was so

723

00:27:46,549 --> 00:27:44,799

intensely bright you could see that

724

00:27:47,909 --> 00:27:46,559

there was undoubtedly two eyes i don't

725

00:27:49,350 --> 00:27:47,919

know how to explain it to you the way it

726

00:27:51,350 --> 00:27:49,360

looked but you could see that you know

727

00:27:53,909 --> 00:27:51,360

there was undoubtedly two eyes on here

728

00:27:56,070 --> 00:27:53,919

on every head and they were undoubtedly

729

00:27:57,269 --> 00:27:56,080

carrying on the conversation

730

00:27:58,710 --> 00:27:57,279

because the way their heads were

731

00:27:59,909 --> 00:27:58,720

pointing and looking at each other while

732

00:28:01,909 --> 00:27:59,919

they pointed you know you could tell

733

00:28:03,190 --> 00:28:01,919

these things were talking about the fact

734

00:28:04,389 --> 00:28:03,200

that i was saying down there on the

735

00:28:06,389 --> 00:28:04,399

ground

736

00:28:09,909 --> 00:28:06,399

if you peel the wings and tail off the

737

00:28:11,990 --> 00:28:09,919

747 you got it

738

00:28:14,549 --> 00:28:12,000

thank you for joining me on today's

739

00:28:16,310 --> 00:28:14,559

episode of witness citizen

740

00:28:19,669 --> 00:28:16,320

where we looked at what i like to call

741

00:28:22,870 --> 00:28:19,679

the original wilson davis notes of 1952

742

00:28:25,350 --> 00:28:22,880

and then again in 1953 what does this

743

00:28:28,789 --> 00:28:25,360

all mean well i would say that if there

744

00:28:30,389 --> 00:28:28,799

is smoke there is fire

745

00:28:33,190 --> 00:28:30,399

and we also

746

00:28:34,230 --> 00:28:33,200

went back to 1989 and listened to what i

747

00:28:37,110 --> 00:28:34,240

consider

748

00:28:40,070 --> 00:28:37,120

one of the most convincing recorded

749

00:28:42,630 --> 00:28:40,080

testimonies on record

750

00:28:47,510 --> 00:28:42,640

i hope you will join me next time

751  
00:28:51,770 --> 00:28:48,950  
witness

752  
00:29:13,470 --> 00:28:51,780  
citizens

753  
00:29:15,560 --> 00:29:13,480  
[Music]

754  
00:29:24,150 --> 00:29:15,570  
[Applause]

755  
00:29:45,990 --> 00:29:24,160  
[Music]
