00:00:08,650 --> 00:00:05,390
hey this is Sean and this is Jay and

2
00:00:38,330 --> 00:00:08,660
you're watching witness citizen

3
00:00:43,430 --> 00:00:40,500
foreign

4
00:00:45,290 --> 00:00:43,440
[Music]

5
00:00:48,350 --> 00:00:45,300
what's up man

6
00:00:49,610 --> 00:00:48,360
hey buddy how are you doing I was it's

7
00:00:51,729 --> 00:00:49,620
been a while well well well well well

8
00:00:54,950 --> 00:00:51,739
well well well well well well

9
00:00:57,170 --> 00:00:54,960
look at what we have here and we're in

10
00:00:59,090 --> 00:00:57,180
the same spots it's like not neither of

11
00:01:01,369 --> 00:00:59,100
us have moved in the past few months

12
00:01:03,049 --> 00:01:01,379
we're just still here what people don't

13
00:01:05,210 --> 00:01:03,059

know is that we've actually been here

14

00:01:06,590 --> 00:01:05,220

the whole time we were talking but we

15

00:01:09,469 --> 00:01:06,600

didn't realize that we weren't

16

00:01:11,690 --> 00:01:09,479

broadcasting uh for the last for the

17

00:01:14,090 --> 00:01:11,700

last two months yeah yeah you see some

18

00:01:15,710 --> 00:01:14,100

of those uh Twitter uh spaces right

19

00:01:17,810 --> 00:01:15,720

where everybody gets to talk and

20

00:01:21,230 --> 00:01:17,820

everything and I've seen some that go on

21

00:01:22,190 --> 00:01:21,240

for like 12 or 13 hours oh yeah and I'm

22

00:01:25,490 --> 00:01:22,200

like

23

00:01:27,289 --> 00:01:25,500

how much Ritalin are people taking to

24

00:01:29,810 --> 00:01:27,299

stay up that late or you know coffee

25

00:01:31,550 --> 00:01:29,820

probably but yeah holy cow and that's

26
00:01:34,730 --> 00:01:31,560
what we were doing except for two months

27
00:01:37,910 --> 00:01:34,740
and it turns out you know 12 hours is

28
00:01:40,190 --> 00:01:37,920
nothing yeah 12 hours nothing yeah yeah

29
00:01:43,370 --> 00:01:40,200
they should try what we try which is

30
00:01:45,289 --> 00:01:43,380
just a broadcast to ourselves we had so

31
00:01:48,050 --> 00:01:45,299
many good takes

32
00:01:51,350 --> 00:01:48,060
um we didn't record any of it uh

33
00:01:53,690 --> 00:01:51,360
remember remember the alpaca it's so

34
00:01:55,550 --> 00:01:53,700
cute and yeah yeah that was really on

35
00:01:57,950 --> 00:01:55,560
adorable it took it took my spot for

36
00:01:59,030 --> 00:01:57,960
three hours that's right yeah yeah and

37
00:02:01,789 --> 00:01:59,040
it's like it did a pretty good

38
00:02:04,429 --> 00:02:01,799

impression of you as I recall you know

39

00:02:06,289 --> 00:02:04,439

and oh and remember that Crystal Clear

40

00:02:08,930 --> 00:02:06,299

triangle video that we showed about a

41

00:02:10,370 --> 00:02:08,940

month ago yeah that was wild and then

42

00:02:11,869 --> 00:02:10,380

there's the being in there that's just

43

00:02:13,550 --> 00:02:11,879

kind of waving at us and stuff I

44

00:02:15,589 --> 00:02:13,560

remember thinking like we have reached

45

00:02:20,449 --> 00:02:15,599

disclosure here and nobody's in the chat

46

00:02:23,350 --> 00:02:20,459

I know like nobody Andres nobody water

47

00:02:26,990 --> 00:02:23,360

where's water lily nobody where are they

48

00:02:29,030 --> 00:02:27,000

Lara no one let's take it let's take a

49

00:02:30,470 --> 00:02:29,040

sec to uh say what's up for everybody I

50

00:02:32,570 --> 00:02:30,480

know it's been a while two months so

51
00:02:35,030 --> 00:02:32,580
thank you everybody for for coming here

52
00:02:38,089 --> 00:02:35,040
and hanging out and being in the chat uh

53
00:02:40,369 --> 00:02:38,099
I really do appreciate it Jason LC uh

54
00:02:43,309 --> 00:02:40,379
Lara then he disclosure team Andreas

55
00:02:47,570 --> 00:02:43,319
Jason uh Christian

56
00:02:49,670 --> 00:02:47,580
uh water lily uh Lord bass everybody uh

57
00:02:52,670 --> 00:02:49,680
Robert colford if I missed anybody I'm

58
00:02:54,350 --> 00:02:52,680
sorry I really appreciate you guys for

59
00:02:59,750 --> 00:02:54,360
hanging in there and coming back please

60
00:03:05,270 --> 00:03:02,750
all right I was always bad at that so

61
00:03:07,690 --> 00:03:05,280
this time I thought I'd make a banner

62
00:03:11,809 --> 00:03:07,700
oh that's nice I like it

63
00:03:13,670 --> 00:03:11,819

yeah why I mean absolutely yeah I don't

64

00:03:15,710 --> 00:03:13,680

think that there's I don't think you

65

00:03:18,290 --> 00:03:15,720

lose any cool points um for getting

66

00:03:20,630 --> 00:03:18,300

liked and subscribed there's no dings on

67

00:03:24,350 --> 00:03:20,640

on that you know what I mean these days

68

00:03:27,589 --> 00:03:24,360

yeah yeah I have a lot of cool points so

69

00:03:29,809 --> 00:03:27,599

I'm not even worried about it

70

00:03:33,110 --> 00:03:29,819

so tell me about yourself I mean last

71

00:03:36,110 --> 00:03:33,120

time we talked was with uh uh James and

72

00:03:36,830 --> 00:03:36,120

you guys had a pretty big event in New

73

00:03:39,949 --> 00:03:36,840

York

74

00:03:43,670 --> 00:03:39,959

well I was born in Cincinnati Ohio in

75

00:03:45,410 --> 00:03:43,680

1970 um yeah we yeah we um yeah so the

76

00:03:48,589 --> 00:03:45,420

last time we talked James was on and we

77

00:03:50,030 --> 00:03:48,599

were just and we were just announcing

78

00:03:52,850 --> 00:03:50,040

um that conference that happened on

79

00:03:55,009 --> 00:03:52,860

October 8th and of course

80

00:03:59,030 --> 00:03:55,019

um Gary Nolan was there and Mitch

81

00:04:01,729 --> 00:03:59,040

Horowitz was there and uh gosh all sorts

82

00:04:04,250 --> 00:04:01,739

of folks um tupacabra was there in the

83

00:04:10,030 --> 00:04:04,260

audience and exo-academian was there and

84

00:04:14,990 --> 00:04:12,770

man I think he was going to say one of

85

00:04:18,590 --> 00:04:15,000

the best guess was there but we know

86

00:04:20,629 --> 00:04:18,600

from oh oh did I come back yeah I think

87

00:04:21,289 --> 00:04:20,639

he skipped over President Biden was

88

00:04:23,530 --> 00:04:21,299

there

89

00:04:28,010 --> 00:04:23,540

oh no yeah

90

00:04:29,810 --> 00:04:28,020

no but you know after F you know I'm

91

00:04:31,909 --> 00:04:29,820

sure that after we get you know

92

00:04:33,530 --> 00:04:31,919

disclosure like a Christmas present with

93

00:04:35,090 --> 00:04:33,540

the capital D

94

00:04:37,610 --> 00:04:35,100

um then you know he'll be front in line

95

00:04:39,530 --> 00:04:37,620

I'm sure about that but

96

00:04:41,629 --> 00:04:39,540

um you know but uh yeah it was a really

97

00:04:43,310 --> 00:04:41,639

good I mean it was amazing you know it

98

00:04:45,530 --> 00:04:43,320

was a really I think it was a really

99

00:04:47,749 --> 00:04:45,540

positive experience folks that are you

100

00:04:49,670 --> 00:04:47,759

know on Twitter and stuff like that or

101
00:04:51,950 --> 00:04:49,680
uh you know members of the experiencer

102
00:04:53,629 --> 00:04:51,960
group or any other you know you probably

103
00:04:56,930 --> 00:04:53,639
have seen some pictures of us all

104
00:04:59,210 --> 00:04:56,940
spazzing out backstage or afterwards and

105
00:05:00,710 --> 00:04:59,220
things like that it was really or I've

106
00:05:02,930 --> 00:05:00,720
seen some of the footage on the new

107
00:05:05,810 --> 00:05:02,940
YouTube channel and like it was really

108
00:05:07,670 --> 00:05:05,820
fun it was really amazing it felt like a

109
00:05:08,810 --> 00:05:07,680
new chapter in a lot of ways I wish you

110
00:05:11,689 --> 00:05:08,820
were there

111
00:05:14,090 --> 00:05:11,699
um you already had plans and so but you

112
00:05:16,430 --> 00:05:14,100
know it's not the end of the story and

113
00:05:18,110 --> 00:05:16,440

um you know it was also like an insane

114

00:05:20,570 --> 00:05:18,120

challenge putting something like that

115

00:05:23,629 --> 00:05:20,580

together is no joke it's like sure it's

116

00:05:26,510 --> 00:05:23,639

like putting together like five weddings

117

00:05:28,730 --> 00:05:26,520

at the same time with just like lots of

118

00:05:30,710 --> 00:05:28,740

different ideas and opinions and Cooks

119

00:05:33,529 --> 00:05:30,720

in the kitchen and trying to make

120

00:05:35,930 --> 00:05:33,539

everything work and um and amazing when

121

00:05:38,330 --> 00:05:35,940

you're done with it and you take the the

122

00:05:39,770 --> 00:05:38,340

you know the pie so to speak out of the

123

00:05:42,290 --> 00:05:39,780

oven and it's cooked perfectly and

124

00:05:43,790 --> 00:05:42,300

everybody enjoys it yes what's worth

125

00:05:46,070 --> 00:05:43,800

that's what makes it worth it right

126

00:05:48,249 --> 00:05:46,080

there that's right That's Amore That's

127

00:05:50,570 --> 00:05:48,259

Amore right there

128

00:05:52,850 --> 00:05:50,580

uh which is uh Hometown favorite

129

00:05:55,670 --> 00:05:52,860

restaurant I might say of the family

130

00:05:57,230 --> 00:05:55,680

here That's Amore oh very nice it's in

131

00:06:01,570 --> 00:05:57,240

Hales Corner so if you ever come out

132

00:06:07,010 --> 00:06:03,830

that sounds great we should have our

133

00:06:08,810 --> 00:06:07,020

anniversary there yeah that would be so

134

00:06:10,730 --> 00:06:08,820

cute the first time that we were on a

135

00:06:13,790 --> 00:06:10,740

show together was September 24th of last

136

00:06:15,650 --> 00:06:13,800

year so you know maybe on our maybe on

137

00:06:16,969 --> 00:06:15,660

our two year anniversary we can go to

138

00:06:18,189 --> 00:06:16,979

That's Amore

139

00:06:21,350 --> 00:06:18,199

um

140

00:06:23,749 --> 00:06:21,360

are you trying to kind of low-key remind

141

00:06:27,590 --> 00:06:23,759

me I missed our anniversary no no no no

142

00:06:30,170 --> 00:06:27,600

no no no no no no no no two years it's

143

00:06:32,330 --> 00:06:30,180

great two years is good and podcasting

144

00:06:34,189 --> 00:06:32,340

that's one year oh podcasting that's

145

00:06:36,110 --> 00:06:34,199

it's like dog years but different so

146

00:06:37,730 --> 00:06:36,120

like you know we can get the tiramisu we

147

00:06:39,710 --> 00:06:37,740

can put the candles in it'll be

148

00:06:41,330 --> 00:06:39,720

beautiful right and then you have

149

00:06:44,029 --> 00:06:41,340

another one coming up I put the ticket

150

00:06:46,490 --> 00:06:44,039

Link in uh the comments I don't know if

151
00:06:48,710 --> 00:06:46,500
that's gonna work or not but oh yeah you

152
00:06:50,150 --> 00:06:48,720
you could do that or you know you can do

153
00:06:52,610 --> 00:06:50,160
it with all the god without all the

154
00:06:55,790 --> 00:06:52,620
Gobbledy guck and just keep it at.com

155
00:06:57,830 --> 00:06:55,800
but um oh okay yeah yeah that's the ins

156
00:06:59,510 --> 00:06:57,840
that's the in person and then I'll

157
00:07:01,730 --> 00:06:59,520
capacity is limited yeah I think that's

158
00:07:04,370 --> 00:07:01,740
the in person then I'll I'll put the

159
00:07:05,390 --> 00:07:04,380
link over in there for for the live

160
00:07:07,790 --> 00:07:05,400
stream

161
00:07:10,249 --> 00:07:07,800
um which Okay so we've got Christopher

162
00:07:13,370 --> 00:07:10,259

166

00:07:24,890 --> 00:07:21,120

iandoli

167

00:07:25,969 --> 00:07:24,900

um okay right got me

168

00:07:28,129 --> 00:07:25,979

169

00:07:29,510 --> 00:07:28,139

170

00:07:31,129 --> 00:07:29,520

171

00:07:32,990 --> 00:07:31,139

177

00:07:50,930 --> 00:07:47,900

00:08:06,850 --> 00:08:04,979

um it's Saturday December 3rd

185

00:08:10,070 --> 00:08:06,860

um anybody that buys live stream tickets

186

00:08:13,129 --> 00:08:10,080

uh has infinite replays of the event

187

00:08:14,629 --> 00:08:13,139

you'll get a private link the day after

188

00:08:16,189 --> 00:08:14,639

um so you can just watch the footage

189

00:08:17,570 --> 00:08:16,199

whenever the hell you want I know that

190

00:08:19,070 --> 00:08:17,580

there are people that are going to be

191

00:08:20,869 --> 00:08:19,080

joining us from the UK there are people

192

00:08:22,670 --> 00:08:20,879

that are joining us from Australia and

193

00:08:25,430 --> 00:08:22,680

they're like holy at the time and

194

00:08:26,749 --> 00:08:25,440

stuff like that so um yeah uh you'll be

195

00:08:30,350 --> 00:08:26,759

able to watch the footage whenever you

196

00:08:32,089 --> 00:08:30,360

want and um also anybody you know I like

197

00:08:35,510 --> 00:08:32,099

I'll get off the stump in a second year

198

00:08:37,310 --> 00:08:35,520

but anybody that orders through

199

00:08:40,730 --> 00:08:37,320

um the Sunday after Thanksgiving so

200

00:08:42,469 --> 00:08:40,740

that's November 27th is entered into

201
00:08:43,730 --> 00:08:42,479
this is really cute it was some of the

202
00:08:44,990 --> 00:08:43,740
some of the speakers actually came up

203
00:08:48,889 --> 00:08:45,000
with us

204
00:08:50,990 --> 00:08:48,899
um uh we have audit we have books that

205
00:08:53,750 --> 00:08:51,000
they're gonna sign for folks

206
00:08:55,190 --> 00:08:53,760
um so if you if you do live stream or in

207
00:08:56,930 --> 00:08:55,200
person if you bought anything up till

208
00:08:58,790 --> 00:08:56,940
now or you do it up through the Sunday

209
00:09:00,410 --> 00:08:58,800
after Thanksgiving you'll be entered

210
00:09:02,810 --> 00:09:00,420
into that drawing so you could get a

211
00:09:04,910 --> 00:09:02,820
personalized signed a copy of communion

212
00:09:07,250 --> 00:09:04,920
from Whitley strieber or you can get uh

213
00:09:09,170 --> 00:09:07,260

surviving Death From Leslie Leslie Kane

214

00:09:11,990 --> 00:09:09,180

you can get the believer from from Ralph

215

00:09:14,509 --> 00:09:12,000

Blumenthal uh you can get uh one of Jeff

216

00:09:16,970 --> 00:09:14,519

kreypel's recent books um and Sharon

217

00:09:19,190 --> 00:09:16,980

Sharon Hewitt rollettes so um that's

218

00:09:21,410 --> 00:09:19,200

really fun we have I think maybe like

219

00:09:23,449 --> 00:09:21,420

three copies from each of them and so

220

00:09:25,730 --> 00:09:23,459

there's kind of a lot to to throw out

221

00:09:28,190 --> 00:09:25,740

there it's not just um you know it's

222

00:09:31,970 --> 00:09:28,200

better than Lottery odds we'll say that

223

00:09:33,949 --> 00:09:31,980

but uh yeah it's gonna be fun yeah and

224

00:09:36,470 --> 00:09:33,959

we have more a question and answer

225

00:09:38,210 --> 00:09:36,480

segments for this one so people in the

226
00:09:40,070 --> 00:09:38,220
live stream and in person we're going to

227
00:09:42,350 --> 00:09:40,080
go back and forth for the Q a segments

228
00:09:43,670 --> 00:09:42,360
so if you join us live uh there's a good

229
00:09:45,230 --> 00:09:43,680
chance that you're going to get one of

230
00:09:48,050 --> 00:09:45,240
your questions asked at some point so

231
00:09:49,970 --> 00:09:48,060
that's fun too yeah right well I'm glad

232
00:09:51,889 --> 00:09:49,980
you're doing that to put on an event I

233
00:09:54,829 --> 00:09:51,899
was just telling you before uh we went

234
00:09:57,470 --> 00:09:54,839
on live I was booking shows first a

235
00:09:59,570 --> 00:09:57,480
music venue here in Milwaukee for for a

236
00:10:01,009 --> 00:09:59,580
few years and and booking shows and

237
00:10:03,769 --> 00:10:01,019
putting that together making sure

238
00:10:05,630 --> 00:10:03,779

everything goes smoothly is is no easy

239

00:10:07,490 --> 00:10:05,640

task especially when you're bringing

240

00:10:10,610 --> 00:10:07,500

guests In from from all over the country

241

00:10:13,009 --> 00:10:10,620

like that oh yeah so I I definitely

242

00:10:15,230 --> 00:10:13,019

appreciate you doing that and a lot of

243

00:10:17,269 --> 00:10:15,240

hard work goes into that

244

00:10:19,670 --> 00:10:17,279

um you never really

245

00:10:21,410 --> 00:10:19,680

um you never make any money on it it's a

246

00:10:24,050 --> 00:10:21,420

it's a labor of love it's a passion

247

00:10:25,850 --> 00:10:24,060

project so uh I appreciate that

248

00:10:27,710 --> 00:10:25,860

somebody's doing that because you know

249

00:10:31,250 --> 00:10:27,720

it's not an easy thing to take on but

250

00:10:34,970 --> 00:10:31,260

what with that being said

251

00:10:38,269 --> 00:10:34,980

I thought today we could get we could

252

00:10:40,070 --> 00:10:38,279

maybe touch on a couple topics sure one

253

00:10:42,949 --> 00:10:40,080

of them is

254

00:10:44,630 --> 00:10:42,959

you know it well it started

255

00:10:46,430 --> 00:10:44,640

it's kind of around the Wilson Davis

256

00:10:49,310 --> 00:10:46,440

notes

257

00:10:51,230 --> 00:10:49,320

um you know which is controversial some

258

00:10:53,150 --> 00:10:51,240

people think it's nothing some people

259

00:10:55,130 --> 00:10:53,160

think it's everything

260

00:10:59,210 --> 00:10:55,140

um but

261

00:11:02,449 --> 00:10:59,220

um this this guy on Twitter who goes by

262

00:11:06,350 --> 00:11:02,459

uh Omega Point put together

263

00:11:09,470 --> 00:11:06,360

this wonderful 200 page paper

264

00:11:12,769 --> 00:11:09,480

yeah basically trying to connect all the

265

00:11:13,790 --> 00:11:12,779

dots with the Wilson Davis notes and

266

00:11:16,730 --> 00:11:13,800

more

267

00:11:19,790 --> 00:11:16,740

um Greg Cameron researcher came out with

268

00:11:23,389 --> 00:11:19,800

uh I think it was notes called the

269

00:11:27,650 --> 00:11:23,399

advanced theoretical physics group the

270

00:11:29,329 --> 00:11:27,660

ATP group yeah that uh that met and you

271

00:11:31,250 --> 00:11:29,339

can you can look it up and look at his

272

00:11:33,290 --> 00:11:31,260

notes but he's kind of put trying to put

273

00:11:36,650 --> 00:11:33,300

all these things together to see what

274

00:11:40,190 --> 00:11:36,660

makes sense and it's extremely detailed

275

00:11:41,509 --> 00:11:40,200

he did a great job with it

276

00:11:42,889 --> 00:11:41,519

um so I want to commend them first of

277

00:11:44,690 --> 00:11:42,899

all that maybe one day we'll have them

278

00:11:46,790 --> 00:11:44,700

on the show to talk to him about it the

279

00:11:50,030 --> 00:11:46,800

graphic design here is wonderful by the

280

00:11:52,970 --> 00:11:50,040

way oh absolutely it's definitely worth

281

00:11:57,110 --> 00:11:52,980

the read I mean what what to me my big

282

00:12:01,009 --> 00:11:57,120

Takeaway on it is you know all the

283

00:12:03,710 --> 00:12:01,019

all the lore of you know crash craft or

284

00:12:05,449 --> 00:12:03,720

bodies and the secrets behind it and the

285

00:12:08,150 --> 00:12:05,459

people trying to get their hands on it

286

00:12:10,970 --> 00:12:08,160

and either study it or or get it up to

287

00:12:12,829 --> 00:12:10,980

the public all the people

288

00:12:15,530 --> 00:12:12,839

um that are associated with that whether

289

00:12:18,829 --> 00:12:15,540

it's uh Jacques valet or Eric Davis or

290

00:12:21,110 --> 00:12:18,839

Admiral Tom Wilson or Oak Shannon who

291

00:12:23,690 --> 00:12:21,120

Project Unity actually interviewed which

292

00:12:26,329 --> 00:12:23,700

was incredible to get him on record all

293

00:12:29,630 --> 00:12:26,339

those people are in here and he he put

294

00:12:31,490 --> 00:12:29,640

He Paints the picture of of what it

295

00:12:33,230 --> 00:12:31,500

um looks like and and what it could be

296

00:12:36,290 --> 00:12:33,240

as far as that crash recovery program

297

00:12:39,829 --> 00:12:36,300

and all the ins and outs of it

298

00:12:42,490 --> 00:12:39,839

to me my biggest takeaway from it was

299

00:12:44,329 --> 00:12:42,500

man do I know who I want to testify

300

00:12:47,629 --> 00:12:44,339

[Laughter]

301
00:12:52,730 --> 00:12:50,509
three and you know I I completely agree

302
00:12:55,069 --> 00:12:52,740
with you I think you know Omega point

303
00:12:56,870 --> 00:12:55,079
and I I think Omega point was kind of

304
00:12:58,190 --> 00:12:56,880
the lead and then also hermetic

305
00:13:00,350 --> 00:12:58,200
penetrator

306
00:13:02,569 --> 00:13:00,360
um right both of them use pseudonyms um

307
00:13:04,009 --> 00:13:02,579
for obvious reasons you know generally

308
00:13:06,050 --> 00:13:04,019
speaking there are a lot of people out

309
00:13:07,430 --> 00:13:06,060
there that when they cover material like

310
00:13:08,930 --> 00:13:07,440
this

311
00:13:10,790 --> 00:13:08,940
um you know maybe they have a family

312
00:13:12,410 --> 00:13:10,800
maybe they have a job that's a little

313
00:13:15,470 --> 00:13:12,420

bit sensitive you know you should get

314

00:13:19,009 --> 00:13:15,480

people and um it makes sense why folks

315

00:13:21,290 --> 00:13:19,019

would do that right and um and so

316

00:13:23,750 --> 00:13:21,300

um I l've known

317

00:13:26,750 --> 00:13:23,760

Omega point for I met him in person at

318

00:13:29,329 --> 00:13:26,760

The Archives conference in Houston

319

00:13:31,190 --> 00:13:29,339

um and l've l've been chatting with

320

00:13:32,629 --> 00:13:31,200

hermetic penetrator for I don't know

321

00:13:35,449 --> 00:13:32,639

close to a year or something like that

322

00:13:37,910 --> 00:13:35,459

when he started he had I think three or

323

00:13:41,030 --> 00:13:37,920

four articles before

324

00:13:42,470 --> 00:13:41,040

um contributing to this one and

325

00:13:45,889 --> 00:13:42,480

um one of them was on kind of like

326

00:13:47,569 --> 00:13:45,899

nuclear baiting of UFOs by the Navy like

327

00:13:49,730 --> 00:13:47,579

and there are some other ones there and

328

00:13:52,310 --> 00:13:49,740

and those were incredibly well written

329

00:13:53,870 --> 00:13:52,320

as well so we should probably put some

330

00:13:56,329 --> 00:13:53,880

links in the chat or in the comments

331

00:13:58,790 --> 00:13:56,339

later for some of hermetic penetrators

332

00:14:01,009 --> 00:13:58,800

like solo articles but they're both

333

00:14:04,009 --> 00:14:01,019

doing incredible work and you know Omega

334

00:14:07,370 --> 00:14:04,019

point is has this

335

00:14:10,550 --> 00:14:07,380

um really encyclopedic kind of recall

336

00:14:12,110 --> 00:14:10,560

and is is uniquely gifted in the ability

337

00:14:14,810 --> 00:14:12,120

to kind of put threads like this

338

00:14:18,290 --> 00:14:14,820

together and so you know if you're a fan

339

00:14:22,129 --> 00:14:18,300

of kind of classic

340

00:14:22,850 --> 00:14:22,139

um gumshoe uh ufology you know what I

341

00:14:24,710 --> 00:14:22,860

mean

342

00:14:26,449 --> 00:14:24,720

um this is this is going to be right up

343

00:14:28,910 --> 00:14:26,459

your alley to anybody in the audience

344

00:14:30,949 --> 00:14:28,920

you know it's going to give you it's and

345

00:14:34,610 --> 00:14:30,959

it's not you know 200 pages I think it's

346

00:14:36,530 --> 00:14:34,620

like 240 some pages and so you know with

347

00:14:39,350 --> 00:14:36,540

only a dock like this could you like

348

00:14:41,210 --> 00:14:39,360

Miss Miss 40 pages and still be close

349

00:14:43,250 --> 00:14:41,220

you know what I mean like it's it's

350

00:14:45,050 --> 00:14:43,260

insane it's insane the amount of work

351

00:14:46,850 --> 00:14:45,060

that they put into this and I'm really

352

00:14:49,069 --> 00:14:46,860

happy that they did because a lot of

353

00:14:50,750 --> 00:14:49,079

people you know know we've struggled in

354

00:14:52,370 --> 00:14:50,760

the past and done our best to try to

355

00:14:55,129 --> 00:14:52,380

like throw some of this stuff together

356

00:14:56,810 --> 00:14:55,139

Ross coulter and bright Sable tried to

357

00:15:00,710 --> 00:14:56,820

do the same thing on need to know both

358

00:15:03,050 --> 00:15:00,720

of us did creative you know reenactments

359

00:15:05,150 --> 00:15:03,060

of the Wilson Davis notes I think ours

360

00:15:07,129 --> 00:15:05,160

was better that's partially because we

361

00:15:10,069 --> 00:15:07,139

were first and I like being an innovator

362

00:15:12,650 --> 00:15:10,079

partially because we had you know the

363

00:15:14,090 --> 00:15:12,660

car you know we were we had we'd set the

364

00:15:16,009 --> 00:15:14,100

scene and things like that that was

365

00:15:17,930 --> 00:15:16,019

really nice too but you know I think

366

00:15:19,580 --> 00:15:17,940

Bryce and Ross did a really good job

367

00:15:21,650 --> 00:15:19,590

imitating us

368

00:15:23,930 --> 00:15:21,660

[Laughter]

369

00:15:26,829 --> 00:15:23,940

they're imitating us yeah right yeah

370

00:15:30,290 --> 00:15:26,839

yeah no well but yeah

371

00:15:35,050 --> 00:15:30,300

imitation is is one of the the the best

372

00:15:39,410 --> 00:15:38,150

but it's the most sense I I don't know

373

00:15:41,150 --> 00:15:39,420

if it's the best but it's the most

374

00:15:43,430 --> 00:15:41,160

sincere anyway sincere right right

375

00:15:46,490 --> 00:15:43,440

sincere that's what they say yeah it was

376

00:15:48,470 --> 00:15:46,500

a fun episode so I mean I I I recommend

377

00:15:52,490 --> 00:15:48,480

checking that out and and for a couple

378

00:15:55,730 --> 00:15:52,500

reasons one is you know

379

00:15:58,129 --> 00:15:55,740

um Gallagher in in the last UAP hearings

380

00:16:01,370 --> 00:15:58,139

the you know the first one they had in

381

00:16:03,290 --> 00:16:01,380

you know decades or whatever uh asked

382

00:16:06,410 --> 00:16:03,300

Arrow at the representatives of zero the

383

00:16:08,030 --> 00:16:06,420

dod UFO or UAP program if they've ever

384

00:16:09,829 --> 00:16:08,040

heard of the Wilson Davis Nelson they

385

00:16:11,509 --> 00:16:09,839

said they have it so Gallagher asked

386

00:16:15,350 --> 00:16:11,519

them to put it into the record

387

00:16:17,629 --> 00:16:15,360

and this loose threads is really looking

388

00:16:20,750 --> 00:16:17,639

into almost every detail in those notes

389

00:16:23,269 --> 00:16:20,760

and kind of expanding on it uh to to

390

00:16:25,790 --> 00:16:23,279

really try and make have it make sense

391

00:16:28,610 --> 00:16:25,800

the best it can you know is it proof

392

00:16:30,230 --> 00:16:28,620

positive that a UFO crash program exists

393

00:16:32,810 --> 00:16:30,240

and that there are alien bodies in

394

00:16:34,910 --> 00:16:32,820

possession of our government I mean some

395

00:16:39,350 --> 00:16:34,920

would some would say yeah I mean I would

396

00:16:43,490 --> 00:16:39,360

say probably not but it's very

397

00:16:45,110 --> 00:16:43,500

um you know it it uh smells like a duck

398

00:16:46,910 --> 00:16:45,120

walks like a duck kind of thing to me

399

00:16:49,430 --> 00:16:46,920

you know everything points to that and

400

00:16:52,009 --> 00:16:49,440

it's the strongest case for that that

401

00:16:54,230 --> 00:16:52,019

I've seen so

402

00:16:56,150 --> 00:16:54,240

you know if if you're one that wants to

403

00:16:58,850 --> 00:16:56,160

know if if that's a real deal thing

404

00:17:01,129 --> 00:16:58,860

crash recovery programs

405

00:17:04,010 --> 00:17:01,139

um you definitely should rate it because

406

00:17:06,530 --> 00:17:04,020

it makes a great case so yeah and I

407

00:17:08,689 --> 00:17:06,540

think you know I mean it's one of the I

408

00:17:10,490 --> 00:17:08,699

think it's such a hot button issue I

409

00:17:13,730 --> 00:17:10,500

mean for a lot of reasons right because

410

00:17:15,770 --> 00:17:13,740

there's so much lore going back you know

411

00:17:18,110 --> 00:17:15,780

especially in the 90s

412

00:17:20,870 --> 00:17:18,120

um and then even before that in terms of

413

00:17:22,789 --> 00:17:20,880

like Roswell and everything that got

414

00:17:25,370 --> 00:17:22,799

built around that you know the whole

415

00:17:28,189 --> 00:17:25,380

entertainment industry around stuff like

416

00:17:30,350 --> 00:17:28,199

the X-Files right right and um based

417

00:17:34,610 --> 00:17:30,360

around the idea of of this and of course

418

00:17:36,470 --> 00:17:34,620

we know and like largely you know a huge

419

00:17:39,529 --> 00:17:36,480

chunk of our community and a lot of the

420

00:17:42,909 --> 00:17:39,539

heft behind uh when the citizen is

421

00:17:46,190 --> 00:17:42,919

showing that there has been you know a

422

00:17:48,890 --> 00:17:46,200

absolute cover-up that goes back over 70

423

00:17:52,549 --> 00:17:48,900

years where people don't want to talk

424

00:17:54,650 --> 00:17:52,559

about anomalous and not you know uaps

425

00:17:56,270 --> 00:17:54,660

and UFOs that that's that's been

426

00:17:58,850 --> 00:17:56,280

something that since the time of Donald

427

00:18:01,310 --> 00:17:58,860

Kehoe anyway has been something that has

428

00:18:03,049 --> 00:18:01,320

been like an Inconvenient Truth in terms

429

00:18:06,470 --> 00:18:03,059

of you know government in the military

430

00:18:08,450 --> 00:18:06,480

and things like that right so yeah you

431

00:18:11,750 --> 00:18:08,460

know and I always you know honestly I

432

00:18:14,930 --> 00:18:11,760

always go back and forth on on why they

433

00:18:17,570 --> 00:18:14,940

cover up you know I think it was

434

00:18:20,270 --> 00:18:17,580

um you know it's either

435

00:18:22,669 --> 00:18:20,280

you know the complete lack of being able

436

00:18:25,549 --> 00:18:22,679

to

437

00:18:27,529 --> 00:18:25,559

you know I I think it's it's either a

438

00:18:29,350 --> 00:18:27,539

couple things either the you know the

439

00:18:31,789 --> 00:18:29,360

Air Force just genuinely couldn't

440

00:18:33,470 --> 00:18:31,799

explain a lot of the sighting so

441

00:18:35,210 --> 00:18:33,480

therefore they wanted to cover up that

442

00:18:37,130 --> 00:18:35,220

that was a thing that they couldn't

443

00:18:38,510 --> 00:18:37,140

explain it because they well frankly

444

00:18:39,890 --> 00:18:38,520

they look stupid and it's a

445

00:18:43,310 --> 00:18:39,900

vulnerability

446

00:18:45,289 --> 00:18:43,320

and the other you know thing which which

447

00:18:46,490 --> 00:18:45,299

a lot of people latch on to as well is

448

00:18:48,470 --> 00:18:46,500

just

449

00:18:51,529 --> 00:18:48,480

covering up that other beings have

450

00:18:53,750 --> 00:18:51,539

visited this Earth You Know alien beings

451
00:18:55,490 --> 00:18:53,760
and and how

452
00:18:57,409 --> 00:18:55,500
um impactful that would be in society

453
00:18:58,909 --> 00:18:57,419
they lose control the government the

454
00:19:00,770 --> 00:18:58,919
powers that be lose control because

455
00:19:02,570 --> 00:19:00,780
there's this bigger thing that

456
00:19:05,570 --> 00:19:02,580
everyone's now attached to

457
00:19:07,190 --> 00:19:05,580
so and you know it's just always the

458
00:19:09,590 --> 00:19:07,200
back and forth sometimes I think that's

459
00:19:12,830 --> 00:19:09,600
right other days I'm like no it's not

460
00:19:16,010 --> 00:19:12,840
you know it you just go back and forth

461
00:19:18,169 --> 00:19:16,020
um and I always wonder you know

462
00:19:22,190 --> 00:19:18,179
I just want to know what the cover-up is

463
00:19:25,010 --> 00:19:22,200

you know why yeah and why not do that

464

00:19:26,750 --> 00:19:25,020

yeah and I I mean I think there's a

465

00:19:29,570 --> 00:19:26,760

decent chance that it could be both of

466

00:19:32,690 --> 00:19:29,580

those because you know as as we know

467

00:19:36,590 --> 00:19:32,700

from you know so many aspects of our

468

00:19:39,710 --> 00:19:36,600

completely you know Antiquated you might

469

00:19:41,810 --> 00:19:39,720

say dysfunctional you might say

470

00:19:43,430 --> 00:19:41,820

um ass backwards you might say like

471

00:19:45,110 --> 00:19:43,440

government and Military situation

472

00:19:47,870 --> 00:19:45,120

especially the way that our

473

00:19:49,909 --> 00:19:47,880

bureaucracies are you the for either

474

00:19:51,529 --> 00:19:49,919

intentionally or unintentionally there's

475

00:19:52,909 --> 00:19:51,539

so many situations where the left hand

476
00:19:55,850 --> 00:19:52,919
doesn't know what the right hand's doing

477
00:19:57,110 --> 00:19:55,860
right and even if the left hand did know

478
00:19:59,510 --> 00:19:57,120
what the right hand was doing they

479
00:20:01,610 --> 00:19:59,520
wouldn't know what to do about it sorry

480
00:20:03,529 --> 00:20:01,620
that's they're you know they're coming

481
00:20:05,450 --> 00:20:03,539
to get me again it's Jersey City what

482
00:20:06,770 --> 00:20:05,460
are you gonna do but like um thankfully

483
00:20:08,630 --> 00:20:06,780
it's going in the other direction so

484
00:20:10,789 --> 00:20:08,640
that's nice but you know and so I think

485
00:20:13,370 --> 00:20:10,799
it's very possible that there that at

486
00:20:16,250 --> 00:20:13,380
the core and at the outset that there's

487
00:20:18,230 --> 00:20:16,260
that layer of uh we don't know what the

488
00:20:20,029 --> 00:20:18,240

hell is is up there we don't we just

489

00:20:22,010 --> 00:20:20,039

don't know and then there's like some

490

00:20:24,110 --> 00:20:22,020

people that are like oh well we know

491

00:20:26,630 --> 00:20:24,120

what some of that is and it might be

492

00:20:28,730 --> 00:20:26,640

this and you know it could be you know

493

00:20:31,070 --> 00:20:28,740

the Grays of this or that whatever you

494

00:20:32,990 --> 00:20:31,080

want to pick from the lore and then you

495

00:20:35,090 --> 00:20:33,000

know then there could be even a deeper

496

00:20:36,289 --> 00:20:35,100

level where it's just like yeah but

497

00:20:40,850 --> 00:20:36,299

that's not

498

00:20:42,710 --> 00:20:40,860

right you know at the same time there's

499

00:20:46,010 --> 00:20:42,720

you know just because you may have

500

00:20:47,330 --> 00:20:46,020

figured out where you know that the

501
00:20:48,890 --> 00:20:47,340
grades are like this and their ships

502
00:20:50,630 --> 00:20:48,900
look like that or whatever if you go

503
00:20:52,490 --> 00:20:50,640
down that route if you go down that line

504
00:20:55,010 --> 00:20:52,500
of thinking that doesn't necessarily

505
00:20:56,990 --> 00:20:55,020
tell you what like those weird sentient

506
00:20:59,150 --> 00:20:57,000
orbs are or like the strange looking

507
00:21:02,029 --> 00:20:59,160
jellyfish that like John Keel and many

508
00:21:04,130 --> 00:21:02,039
other people report or you know like all

509
00:21:06,169 --> 00:21:04,140
sorts of other kind of plasmas they you

510
00:21:10,070 --> 00:21:06,179
know there's so many different forms of

511
00:21:12,289 --> 00:21:10,080
anomalous phenomena and so like or even

512
00:21:13,789 --> 00:21:12,299
what those Grays would be and even if

513
00:21:16,190 --> 00:21:13,799

you know you could take that at face

514

00:21:18,890 --> 00:21:16,200

value or not or if it's you know kind of

515

00:21:20,570 --> 00:21:18,900

like a valet Keel situation where you

516

00:21:22,970 --> 00:21:20,580

know they want you to think a certain

517

00:21:24,289 --> 00:21:22,980

thing or whatever it's absolutely I

518

00:21:26,210 --> 00:21:24,299

think you kind of hit it on the head

519

00:21:29,090 --> 00:21:26,220

where there's you know I think we have

520

00:21:31,669 --> 00:21:29,100

at least I have a tendency to focus and

521

00:21:33,529 --> 00:21:31,679

look for one truth you know is it this

522

00:21:36,350 --> 00:21:33,539

is it that or whatever when there could

523

00:21:37,970 --> 00:21:36,360

be multiple truths you know if there was

524

00:21:40,490 --> 00:21:37,980

a crash recovery let's say oh it's

525

00:21:42,230 --> 00:21:40,500

Roswell or the Aztec crash or whatever

526

00:21:45,049 --> 00:21:42,240

that could have been that could have

527

00:21:47,570 --> 00:21:45,059

been found and hidden by a a small group

528

00:21:49,970 --> 00:21:47,580

of people and stashed away before the

529

00:21:52,370 --> 00:21:49,980

regular Air Force people even got there

530

00:21:55,250 --> 00:21:52,380

to look at the scene and find a balloon

531

00:21:56,450 --> 00:21:55,260

you know and then they go on saying it's

532

00:21:58,190 --> 00:21:56,460

a balloon I swear to God they're

533

00:22:01,070 --> 00:21:58,200

convicted with it too because they don't

534

00:22:04,010 --> 00:22:01,080

even know yeah absolutely that could be

535

00:22:06,350 --> 00:22:04,020

something too it did absolutely and and

536

00:22:07,310 --> 00:22:06,360

and the closer that you get I think the

537

00:22:10,190 --> 00:22:07,320

closer

538

00:22:12,649 --> 00:22:10,200

what we've seen

539

00:22:14,930 --> 00:22:12,659

uh you know or what what seems to be the

540

00:22:17,990 --> 00:22:14,940

case both in this loose threads document

541

00:22:21,289 --> 00:22:18,000

and many other situations that from docs

542

00:22:23,930 --> 00:22:21,299

that you've you've painstakingly found

543

00:22:26,029 --> 00:22:23,940

um you know over the last few years that

544

00:22:28,490 --> 00:22:26,039

that the closer that you get to

545

00:22:31,850 --> 00:22:28,500

experimental propulsion the closer that

546

00:22:33,950 --> 00:22:31,860

you get to to things that could be used

547

00:22:35,810 --> 00:22:33,960

advantageously by the military like

548

00:22:38,090 --> 00:22:35,820

reverse engineering or anything along

549

00:22:41,270 --> 00:22:38,100

those lines anything near experimental

550

00:22:44,690 --> 00:22:41,280

craft and whatnot you uh you know that

551
00:22:48,049 --> 00:22:44,700
is where they you get you know the the

552
00:22:49,610 --> 00:22:48,059
record scratches and you know nope no

553
00:22:52,490 --> 00:22:49,620
further than that that's where you stop

554
00:22:55,190 --> 00:22:52,500
right because you know they'll let you

555
00:22:57,890 --> 00:22:55,200
know they whoever they are you know in

556
00:23:00,830 --> 00:22:57,900
many cases people are free to speculate

557
00:23:02,270 --> 00:23:00,840
you know into in in the Realms of

558
00:23:03,950 --> 00:23:02,280
philosophy and Realms of the social

559
00:23:05,870 --> 00:23:03,960
sciences you can approach this from an

560
00:23:07,669 --> 00:23:05,880
anthropological perspective you can do

561
00:23:09,890 --> 00:23:07,679
it the way that you know Jacque Valley

562
00:23:12,409 --> 00:23:09,900
or Sean espier and hargens or others

563
00:23:15,110 --> 00:23:12,419

have you know combing through folklore

564

00:23:16,250 --> 00:23:15,120

and and you know early history cases

565

00:23:18,590 --> 00:23:16,260

things like that

566

00:23:20,570 --> 00:23:18,600

but the second then you start you know

567

00:23:22,070 --> 00:23:20,580

being like well you know what was Werner

568

00:23:23,930 --> 00:23:22,080

Von Braun doing you know what I mean and

569

00:23:24,890 --> 00:23:23,940

like you know what else was going on and

570

00:23:26,570 --> 00:23:24,900

this and that and the other thing and

571

00:23:29,570 --> 00:23:26,580

what's going on in Huntsville all that

572

00:23:31,970 --> 00:23:29,580

kind of stuff and then you know like

573

00:23:34,789 --> 00:23:31,980

what space force up to these days you

574

00:23:37,850 --> 00:23:34,799

know what what was that you know uh the

575

00:23:40,970 --> 00:23:37,860

Air Force classified space program that

576

00:23:43,010 --> 00:23:40,980

you know officially started in 1985 and

577

00:23:44,450 --> 00:23:43,020

probably went back further than that why

578

00:23:45,950 --> 00:23:44,460

haven't we been back to the moon the

579

00:23:49,730 --> 00:23:45,960

second then you go down that route

580

00:23:51,110 --> 00:23:49,740

that's when that's when you know you

581

00:23:52,909 --> 00:23:51,120

start wondering whether you're going to

582

00:23:54,110 --> 00:23:52,919

wake up with like an extra sunburn or

583

00:23:55,909 --> 00:23:54,120

whatever you know what I mean like

584

00:23:57,950 --> 00:23:55,919

that's when that's when the scary stuff

585

00:23:59,810 --> 00:23:57,960

starts happening and you have to start

586

00:24:02,510 --> 00:23:59,820

using like weird pseudonyms when you

587

00:24:04,010 --> 00:24:02,520

start writing up papers seemingly yeah

588

00:24:06,169 --> 00:24:04,020

um yeah you know and the government

589

00:24:08,750 --> 00:24:06,179

doesn't do a good job of fighting

590

00:24:10,549 --> 00:24:08,760

against a lot of the different ideas

591

00:24:13,430 --> 00:24:10,559

that they wouldn't get behind for

592

00:24:16,610 --> 00:24:13,440

instance you know like when

593

00:24:19,010 --> 00:24:16,620

you know the Lord is for instance like

594

00:24:21,289 --> 00:24:19,020

Area 51 right might have

595

00:24:23,570 --> 00:24:21,299

you know uh craft or whatever there Bob

596

00:24:26,390 --> 00:24:23,580

Lazar comes out talks about that and

597

00:24:29,090 --> 00:24:26,400

then they raid the FBI and the Air Force

598

00:24:32,330 --> 00:24:29,100

raids the house of a guy who owns the

599

00:24:34,370 --> 00:24:32,340

area 51 website you know

600

00:24:35,990 --> 00:24:34,380

what do you want us it's it's almost

601
00:24:40,850 --> 00:24:36,000
like sometimes like what are we supposed

602
00:24:42,950 --> 00:24:40,860
to think yeah you know yep which is a

603
00:24:45,289 --> 00:24:42,960
crazy story but I mean that's kind of

604
00:24:48,169 --> 00:24:45,299
going off of your like secret Tech kind

605
00:24:50,450 --> 00:24:48,179
of yeah thing like once you start

606
00:24:53,630 --> 00:24:50,460
getting into that area too it gets

607
00:24:56,090 --> 00:24:53,640
really dicey it gets super dicey and you

608
00:24:58,970 --> 00:24:56,100
start you know that that's and that's

609
00:25:00,649 --> 00:24:58,980
when that's the part where you know I

610
00:25:02,690 --> 00:25:00,659
remember and I think I've said to this

611
00:25:04,070 --> 00:25:02,700
to you before for those that don't know

612
00:25:06,049 --> 00:25:04,080
in the chat or are watching this later

613
00:25:07,490 --> 00:25:06,059

you know before the experencer group

614

00:25:08,930 --> 00:25:07,500

and before I started doing these

615

00:25:10,490 --> 00:25:08,940

conferences and before I started doing

616

00:25:13,669 --> 00:25:10,500

stuff with you

617

00:25:15,590 --> 00:25:13,679

um you know back in the day I would I I

618

00:25:18,890 --> 00:25:15,600

helped out with Richard Dolan's work

619

00:25:20,990 --> 00:25:18,900

right and I I worked on his member site

620

00:25:23,270 --> 00:25:21,000

and helped out with some research firm

621

00:25:25,789 --> 00:25:23,280

and things like that and you know part

622

00:25:27,950 --> 00:25:25,799

of my gig over there was like filtering

623

00:25:30,289 --> 00:25:27,960

emails for him right and things like

624

00:25:33,049 --> 00:25:30,299

that and like going through stuff and he

625

00:25:34,789 --> 00:25:33,059

and you know when there would be emails

626

00:25:36,529 --> 00:25:34,799

that would be about

627

00:25:38,990 --> 00:25:36,539

you know experimental Tech or something

628

00:25:41,210 --> 00:25:39,000

like that I was just like you know like

629

00:25:43,070 --> 00:25:41,220

See No Evil Hear No like I was like all

630

00:25:45,950 --> 00:25:43,080

three monkeys at the same time just like

631

00:25:47,870 --> 00:25:45,960

backing away slowly like that was not my

632

00:25:49,490 --> 00:25:47,880

bag like I mean I know that you've

633

00:25:52,730 --> 00:25:49,500

you've historically gotten into that

634

00:25:54,289 --> 00:25:52,740

kind of stuff but I like

635

00:25:56,930 --> 00:25:54,299

I don't know there's there's something

636

00:25:58,909 --> 00:25:56,940

about this area where you know and maybe

637

00:26:02,090 --> 00:25:58,919

that's part of the reason why our

638

00:26:04,909 --> 00:26:02,100

partnership works so well is that like I

639

00:26:06,590 --> 00:26:04,919

like approaching things you know I love

640

00:26:08,149 --> 00:26:06,600

reading stuff like loose threads and

641

00:26:10,190 --> 00:26:08,159

it's kind of like where I came from

642

00:26:12,830 --> 00:26:10,200

within like how I started approaching

643

00:26:15,169 --> 00:26:12,840

these issues and I still love doing it

644

00:26:19,850 --> 00:26:15,179

and at the same time there's a larger

645

00:26:21,190 --> 00:26:19,860

part of me that can't continue to get

646

00:26:24,710 --> 00:26:21,200

frustrated

647

00:26:27,529 --> 00:26:24,720

by how we go two steps forward and three

648

00:26:29,630 --> 00:26:27,539

steps back sure like like year after

649

00:26:31,909 --> 00:26:29,640

year you know what I mean and we'll have

650

00:26:33,769 --> 00:26:31,919

like a big amount of progress like

651

00:26:36,169 --> 00:26:33,779

Leslie and Ralph's like original three

652

00:26:38,269 --> 00:26:36,179

articles in the New York Times and then

653

00:26:41,149 --> 00:26:38,279

you know Ralph won't be allowed to do

654

00:26:44,149 --> 00:26:41,159

one last year and then you know and then

655

00:26:46,490 --> 00:26:44,159

maybe we're getting a you a an error

656

00:26:48,289 --> 00:26:46,500

report a uip task force report at the

657

00:26:49,730 --> 00:26:48,299

end of October oh no we're not maybe

658

00:26:52,490 --> 00:26:49,740

we're getting it at the end of November

659

00:26:55,669 --> 00:26:52,500

and um and you know we see people rage

660

00:26:58,330 --> 00:26:55,679

quit the field we see people get

661

00:27:01,549 --> 00:26:58,340

frustrated and start

662

00:27:05,149 --> 00:27:01,559

and like and have these like existential

663

00:27:06,470 --> 00:27:05,159

crises you know what I mean

664

00:27:08,330 --> 00:27:06,480

yeah

665

00:27:11,510 --> 00:27:08,340

and start kind of blaming everyone

666

00:27:13,549 --> 00:27:11,520

around them like like it's you know

667

00:27:16,430 --> 00:27:13,559

they're the ones that did it

668

00:27:17,990 --> 00:27:16,440

exactly blaming other people around them

669

00:27:20,750 --> 00:27:18,000

as if they're the ones that didn't and

670

00:27:22,789 --> 00:27:20,760

for some reason being surprised that

671

00:27:25,070 --> 00:27:22,799

like government bureaucracy can't get

672

00:27:27,110 --> 00:27:25,080

something done in time like they can't

673

00:27:28,850 --> 00:27:27,120

even lower the price of insulin like how

674

00:27:31,130 --> 00:27:28,860

like how these heck are you supposed to

675

00:27:32,690 --> 00:27:31,140

expect them to like I don't know you

676
00:27:33,769 --> 00:27:32,700
know what I mean like I I think that one

677
00:27:36,169 --> 00:27:33,779
of the things that we've talked about

678
00:27:39,110 --> 00:27:36,179
for many months is that like I have

679
00:27:41,330 --> 00:27:39,120
never been one I don't I don't trust

680
00:27:42,890 --> 00:27:41,340
I don't think that the ultimate truth of

681
00:27:44,870 --> 00:27:42,900
reality is gonna come out of the

682
00:27:46,970 --> 00:27:44,880
Pentagon and I don't think it's going to

683
00:27:48,289 --> 00:27:46,980
come out of Congress and like I don't

684
00:27:50,750 --> 00:27:48,299
think that that means that we have to

685
00:27:53,990 --> 00:27:50,760
stop I think that I think that it's one

686
00:27:56,330 --> 00:27:54,000
Avenue of many Private Industry Academia

687
00:27:59,169 --> 00:27:56,340
so many other situations your own

688
00:28:02,750 --> 00:27:59,179

introspection your own personal journey

689

00:28:04,430 --> 00:28:02,760

and like and you know it doesn't mean

690

00:28:07,010 --> 00:28:04,440

that we stop pushing

691

00:28:09,590 --> 00:28:07,020

because right you know they can only add

692

00:28:11,330 --> 00:28:09,600

to the picture add to that exactly you

693

00:28:13,190 --> 00:28:11,340

know but I wouldn't even would you even

694

00:28:16,730 --> 00:28:13,200

trust the government if they came out

695

00:28:18,049 --> 00:28:16,740

and said okay so there are beings and

696

00:28:21,289 --> 00:28:18,059

this is what they are and where they're

697

00:28:24,950 --> 00:28:21,299

from would you no I still I'd be like

698

00:28:27,230 --> 00:28:24,960

okay are they really from there or is

699

00:28:30,230 --> 00:28:27,240

that really the point here and how do

700

00:28:31,970 --> 00:28:30,240

you know and you know it's it's a Yeah

701
00:28:33,649 --> 00:28:31,980
It's tricky because you could make a

702
00:28:35,390 --> 00:28:33,659
case that it's like okay these are the

703
00:28:37,789 --> 00:28:35,400
same people that told us that Iraq had

704
00:28:40,310 --> 00:28:37,799
weapons of mass destruction exactly and

705
00:28:43,690 --> 00:28:40,320
they didn't you know things like that

706
00:28:46,850 --> 00:28:43,700
and and and you know there are a whole

707
00:28:48,529 --> 00:28:46,860
you know one of the reason why one of

708
00:28:50,870 --> 00:28:48,539
the reasons why Richard and other people

709
00:28:53,390 --> 00:28:50,880
are are kind of hot button is because

710
00:28:55,490 --> 00:28:53,400
they've gone through and like done you

711
00:28:58,909 --> 00:28:55,500
know series of whole episodes about

712
00:29:01,370 --> 00:28:58,919
about how many different instances there

713
00:29:04,370 --> 00:29:01,380

have been over the Decades of of

714

00:29:06,529 --> 00:29:04,380

misdirection misinformation

715

00:29:08,570 --> 00:29:06,539

bags all this kind of stuff and of

716

00:29:11,750 --> 00:29:08,580

course like you know some of those terms

717

00:29:13,850 --> 00:29:11,760

have been have been derided as if you

718

00:29:16,430 --> 00:29:13,860

know they're as if you know they are

719

00:29:18,649 --> 00:29:16,440

toxic terms that you shouldn't use like

720

00:29:20,690 --> 00:29:18,659

oh a conspiracy oh this uh the other

721

00:29:22,610 --> 00:29:20,700

thing but everybody agrees that there's

722

00:29:24,889 --> 00:29:22,620

been a cover-up and everybody knows

723

00:29:25,730 --> 00:29:24,899

everybody that's been in this field for

724

00:29:29,029 --> 00:29:25,740

a while

725

00:29:31,789 --> 00:29:29,039

or just watches the news or reads the

726

00:29:34,669 --> 00:29:31,799

newspaper with half a half a you know

727

00:29:36,649 --> 00:29:34,679

half a brain cell will know like how

728

00:29:40,070 --> 00:29:36,659

much propaganda we deal with like every

729

00:29:42,049 --> 00:29:40,080

damn day right completely it's all the

730

00:29:45,049 --> 00:29:42,059

news basically these days is just

731

00:29:47,450 --> 00:29:45,059

information Warfare whether it's uh one

732

00:29:49,250 --> 00:29:47,460

political party against the other or

733

00:29:52,389 --> 00:29:49,260

countries against other foreign

734

00:29:56,149 --> 00:29:52,399

countries it's really all it is you know

735

00:29:56,930 --> 00:29:56,159

so I mean you're completely right

736

00:30:00,470 --> 00:29:56,940

um

737

00:30:03,470 --> 00:30:00,480

and it yeah it's

738

00:30:05,450 --> 00:30:03,480

it's not easy it's not easy that's

739

00:30:07,490 --> 00:30:05,460

that's for sure and then everybody puts

740

00:30:09,409 --> 00:30:07,500

all their kind of

741

00:30:11,630 --> 00:30:09,419

you know eggs in one basket and the

742

00:30:13,370 --> 00:30:11,640

disclosure basket and arrow and them

743

00:30:15,529 --> 00:30:13,380

coming out and and telling you

744

00:30:17,750 --> 00:30:15,539

everything but then there's you gotta

745

00:30:19,789 --> 00:30:17,760

also remember like what is disclosure

746

00:30:21,409 --> 00:30:19,799

there's no Definition of disclosure if

747

00:30:23,870 --> 00:30:21,419

you asked Lou Elizondo he said it before

748

00:30:26,330 --> 00:30:23,880

he goes you you have disclosure because

749

00:30:27,649 --> 00:30:26,340

the government's admitted there's uaps I

750

00:30:30,590 --> 00:30:27,659

would push back a little bit because

751
00:30:32,750 --> 00:30:30,600
they've admitted that there are UFOs uh

752
00:30:34,430 --> 00:30:32,760
uh you know for a long time if we're

753
00:30:36,529 --> 00:30:34,440
going based on just admitting that

754
00:30:37,730 --> 00:30:36,539
things are unidentified you know yeah

755
00:30:40,130 --> 00:30:37,740
but

756
00:30:42,110 --> 00:30:40,140
um and then some people wouldn't you

757
00:30:45,230 --> 00:30:42,120
know want disclosure to be like tell me

758
00:30:48,950 --> 00:30:45,240
that there's gray aliens or or it's a

759
00:30:51,710 --> 00:30:48,960
bust you know so what is disclosure and

760
00:30:53,990 --> 00:30:51,720
right what is it to you what are your

761
00:30:56,510 --> 00:30:54,000
expectations because I can tell you one

762
00:30:58,730 --> 00:30:56,520
thing that uh

763
00:31:01,490 --> 00:30:58,740

pretty much you know from experiencers

764

00:31:03,950 --> 00:31:01,500

to people that are just interested to

765

00:31:06,590 --> 00:31:03,960

Skeptics everybody has a different idea

766

00:31:09,710 --> 00:31:06,600

of what disclosure actually is and if

767

00:31:12,350 --> 00:31:09,720

you want to successful uh disclosure you

768

00:31:14,930 --> 00:31:12,360

have to be all on the same page of what

769

00:31:17,570 --> 00:31:14,940

you're asking for you know

770

00:31:19,190 --> 00:31:17,580

um and I don't think anybody is to be

771

00:31:21,409 --> 00:31:19,200

quite honest with you we're all sitting

772

00:31:23,450 --> 00:31:21,419

here begging to that the report comes

773

00:31:25,730 --> 00:31:23,460

out and just admits that there's 150

774

00:31:28,250 --> 00:31:25,740

things they couldn't identify you know

775

00:31:31,490 --> 00:31:28,260

yeah and you know we're pretending to be

776

00:31:34,370 --> 00:31:31,500

happy with that yeah right

777

00:31:37,010 --> 00:31:34,380

yeah which is which is kind of silly to

778

00:31:39,470 --> 00:31:37,020

me because we I mean we already know

779

00:31:40,909 --> 00:31:39,480

that you know we already know that

780

00:31:42,889 --> 00:31:40,919

there's things flying around that are

781

00:31:44,990 --> 00:31:42,899

unidentified and we've known that since

782

00:31:46,850 --> 00:31:45,000

Blue Book

783

00:31:49,010 --> 00:31:46,860

um reports have been released you know

784

00:31:50,630 --> 00:31:49,020

and you can look at those and see how

785

00:31:53,990 --> 00:31:50,640

they lied about those telling people

786

00:31:56,210 --> 00:31:54,000

that 20 were remained unidentified but

787

00:31:59,090 --> 00:31:56,220

when you look at the documents it says

788

00:32:02,269 --> 00:31:59,100

they could only positively identify

789

00:32:03,889 --> 00:32:02,279

seven percent meaning if something's

790

00:32:06,049 --> 00:32:03,899

kind of in the track of where a balloon

791

00:32:07,909 --> 00:32:06,059

is sometimes but they didn't see it and

792

00:32:09,289 --> 00:32:07,919

they don't really know and they called

793

00:32:10,909 --> 00:32:09,299

the bloom company and they said they

794

00:32:13,669 --> 00:32:10,919

don't know well we're going to say it's

795

00:32:16,430 --> 00:32:13,679

probably a balloon you know and maybe

796

00:32:18,230 --> 00:32:16,440

some of them are but maybe some are not

797

00:32:19,610 --> 00:32:18,240

you know but they go out and tell the

798

00:32:23,990 --> 00:32:19,620

public 20 percent

799

00:32:26,269 --> 00:32:24,000

you know yeah yeah yeah and and I I

800

00:32:29,029 --> 00:32:26,279

you know that's that's been the case for

801
00:32:31,310 --> 00:32:29,039
so long and it's so well documented

802
00:32:34,130 --> 00:32:31,320
um you know partially thanks now to

803
00:32:36,409 --> 00:32:34,140
people like you and it's it's important

804
00:32:40,190 --> 00:32:36,419
to remember that history and to remind

805
00:32:43,310 --> 00:32:40,200
people of that history and and reflect

806
00:32:45,470 --> 00:32:43,320
on that regularly and often because you

807
00:32:48,649 --> 00:32:45,480
know like like we were just saying

808
00:32:50,570 --> 00:32:48,659
earlier it takes it takes a lot more

809
00:32:53,930 --> 00:32:50,580
routes it takes a lot more strategies

810
00:32:56,149 --> 00:32:53,940
and what is disclosure you know is it is

811
00:32:58,250 --> 00:32:56,159
it something that you're if you're

812
00:33:00,889 --> 00:32:58,260
expecting to hear you know the ultimate

813
00:33:03,110 --> 00:33:00,899

nature of reality from any person living

814

00:33:05,690 --> 00:33:03,120

on Earth I don't even I don't know that

815

00:33:08,090 --> 00:33:05,700

that's ever going to be a reasonable

816

00:33:10,250 --> 00:33:08,100

expectation you know let alone the

817

00:33:13,130 --> 00:33:10,260

American government or that that's a

818

00:33:14,750 --> 00:33:13,140

regiment yeah yeah because you know

819

00:33:17,630 --> 00:33:14,760

what like

820

00:33:20,269 --> 00:33:17,640

um the the idea of strategy and the idea

821

00:33:22,130 --> 00:33:20,279

of security and secrecy depends on on on

822

00:33:24,590 --> 00:33:22,140

keeping closely held things and we know

823

00:33:27,110 --> 00:33:24,600

this and so you know what is the

824

00:33:28,789 --> 00:33:27,120

ultimate nature of reality you know and

825

00:33:31,370 --> 00:33:28,799

then some people all they want to know

826

00:33:33,590 --> 00:33:31,380

is like what flew over their backyard

827

00:33:35,690 --> 00:33:33,600

like they don't necessarily you know

828

00:33:38,389 --> 00:33:35,700

what I mean and like that's a very valid

829

00:33:42,529 --> 00:33:38,399

question too you know what I mean but I

830

00:33:44,269 --> 00:33:42,539

think for in some ways there are there

831

00:33:46,850 --> 00:33:44,279

are a lot of situations here where we're

832

00:33:49,789 --> 00:33:46,860

not even recognizing that different

833

00:33:52,669 --> 00:33:49,799

people have different questions that

834

00:33:57,409 --> 00:33:52,679

lead to you know wanting that disclosure

835

00:33:59,810 --> 00:33:57,419

and so you know it's and what some of

836

00:34:03,830 --> 00:33:59,820

this comes down to is that

837

00:34:06,769 --> 00:34:03,840

it turns into it can turn into a

838

00:34:10,070 --> 00:34:06,779

frustration or an angst not just from

839

00:34:11,450 --> 00:34:10,080

the frustration of living under a

840

00:34:14,109 --> 00:34:11,460

government that doesn't tell you the

841

00:34:17,329 --> 00:34:14,119

truth a whole lot of the time but also

842

00:34:20,570 --> 00:34:17,339

that you know existential angst is real

843

00:34:23,450 --> 00:34:20,580

and that people are are you're coming up

844

00:34:26,089 --> 00:34:23,460

with a situation where where people can

845

00:34:28,849 --> 00:34:26,099

easily conflate their problems with the

846

00:34:31,070 --> 00:34:28,859

government taxes like having you know

847

00:34:33,290 --> 00:34:31,080

capitalism coming up with money you know

848

00:34:36,349 --> 00:34:33,300

all the different reasons why you know

849

00:34:39,169 --> 00:34:36,359

living in 2022 is really really

850

00:34:41,810 --> 00:34:39,179

difficult and then you have the added

851
00:34:44,210 --> 00:34:41,820
you know existential crisis of like why

852
00:34:46,070 --> 00:34:44,220
was I born why did my parents bring me

853
00:34:46,970 --> 00:34:46,080
here like I didn't want to be you know

854
00:34:49,369 --> 00:34:46,980
what I mean like all the different

855
00:34:51,409 --> 00:34:49,379
questions that people have and worries

856
00:34:53,210 --> 00:34:51,419
that people have and say like you know

857
00:34:54,889 --> 00:34:53,220
what is this place you know we're

858
00:34:57,109 --> 00:34:54,899
hurtling through space and it doesn't

859
00:34:59,210 --> 00:34:57,119
feel like we're flying at thousands of

860
00:35:03,670 --> 00:34:59,220
miles an hour like where are we going

861
00:35:09,890 --> 00:35:07,190
and putting it on the government in the

862
00:35:11,870 --> 00:35:09,900
Aero office that's right yeah you know

863
00:35:14,690 --> 00:35:11,880

and then just and then pointing all of

864

00:35:15,950 --> 00:35:14,700

it at somebody because you know as it as

865

00:35:19,130 --> 00:35:15,960

it happens

866

00:35:21,530 --> 00:35:19,140

people are too cowardly to be mad at God

867

00:35:23,810 --> 00:35:21,540

they're too cowardly to be mad at their

868

00:35:26,630 --> 00:35:23,820

own parents you know what I mean or that

869

00:35:28,970 --> 00:35:26,640

sometimes and or they just can't root

870

00:35:31,849 --> 00:35:28,980

themselves that way or they can't or

871

00:35:34,430 --> 00:35:31,859

they can't understand the or often is

872

00:35:36,589 --> 00:35:34,440

the case there they they haven't gotten

873

00:35:39,349 --> 00:35:36,599

into a position where they can start to

874

00:35:42,109 --> 00:35:39,359

pull apart those threads and start to

875

00:35:46,430 --> 00:35:42,119

address them in a in a in a relatively

876
00:35:48,410 --> 00:35:46,440
clean way because it's very very easy to

877
00:35:51,170 --> 00:35:48,420
get to get

878
00:35:52,910 --> 00:35:51,180
um illogically upset

879
00:35:56,030 --> 00:35:52,920
um when dealing with any one of these

880
00:35:59,210 --> 00:35:56,040
issues right yeah yeah well said and

881
00:36:02,150 --> 00:35:59,220
it's such and that's one of the reasons

882
00:36:04,970 --> 00:36:02,160
that UFOs UAP is such a complicated

883
00:36:07,190 --> 00:36:04,980
topic right because if you if you're

884
00:36:09,530 --> 00:36:07,200
talking about something another sentient

885
00:36:12,349 --> 00:36:09,540
being that is here on Earth that no one

886
00:36:15,530 --> 00:36:12,359
knows you know as

887
00:36:19,190 --> 00:36:15,540
that is not human or whatever

888
00:36:21,650 --> 00:36:19,200

that opens the door up to just about

889

00:36:23,870 --> 00:36:21,660

everything nothing is what a what you

890

00:36:27,109 --> 00:36:23,880

thought you know life is so different

891

00:36:30,170 --> 00:36:27,119

now all of a sudden because there's this

892

00:36:31,310 --> 00:36:30,180

intelligent thing that exists that no

893

00:36:33,890 --> 00:36:31,320

one knew about

894

00:36:35,930 --> 00:36:33,900

yeah and deep down I think everybody is

895

00:36:38,870 --> 00:36:35,940

looking for

896

00:36:40,970 --> 00:36:38,880

um everybody always searches for the why

897

00:36:43,130 --> 00:36:40,980

as he said you know

898

00:36:45,470 --> 00:36:43,140

um everybody's looking for a bigger

899

00:36:47,150 --> 00:36:45,480

picture you know absolutely for a couple

900

00:36:49,670 --> 00:36:47,160

reasons one of them I think is it brings

901
00:36:51,109 --> 00:36:49,680
hope it brings hope to your life that

902
00:36:53,450 --> 00:36:51,119
there's something more to this that

903
00:36:56,390 --> 00:36:53,460
there's a purpose that there's a reason

904
00:36:58,569 --> 00:36:56,400
and I can tell you with or without a

905
00:37:02,030 --> 00:36:58,579
disclosure from the government there is

906
00:37:03,710 --> 00:37:02,040
you know and you may not find out what

907
00:37:06,290 --> 00:37:03,720
it is you know and that's really

908
00:37:09,829 --> 00:37:06,300
frustrating yeah um but you can have

909
00:37:12,849 --> 00:37:09,839
that hope you know without leaning on

910
00:37:15,710 --> 00:37:12,859
the government to to reaffirm you know

911
00:37:18,349 --> 00:37:15,720
your suspicions are what you want from

912
00:37:20,290 --> 00:37:18,359
Life basically you know absolutely and

913
00:37:24,170 --> 00:37:20,300

we have each other you know like there's

914

00:37:26,990 --> 00:37:24,180

like we it's very possible

915

00:37:29,930 --> 00:37:27,000

that you know

916

00:37:31,670 --> 00:37:29,940

just as a thought experiment you're

917

00:37:33,890 --> 00:37:31,680

faced with

918

00:37:35,750 --> 00:37:33,900

you know whatever

919

00:37:39,170 --> 00:37:35,760

um you know lore being you want to bring

920

00:37:40,550 --> 00:37:39,180

up whether it's a gray you know Nordic a

921

00:37:43,250 --> 00:37:40,560

man said

922

00:37:45,650 --> 00:37:43,260

um you know some demigod you know an

923

00:37:48,290 --> 00:37:45,660

angel whatever you want to think you

924

00:37:51,410 --> 00:37:48,300

know what I mean a fawn a centaur

925

00:37:53,650 --> 00:37:51,420

whatever and then and and you're like

926

00:37:56,750 --> 00:37:53,660

hey you're from a different civilization

927

00:37:58,970 --> 00:37:56,760

uh so like is consciousness fundamental

928

00:38:01,069 --> 00:37:58,980

and they're like you know

929

00:38:03,470 --> 00:38:01,079

uh we've been at this for like 10 000

930

00:38:05,690 --> 00:38:03,480

years longer than you guys and we still

931

00:38:08,030 --> 00:38:05,700

don't know still have no idea you know

932

00:38:09,710 --> 00:38:08,040

what I mean it's like oh or like yeah we

933

00:38:11,270 --> 00:38:09,720

got down to the Consciousness level but

934

00:38:13,190 --> 00:38:11,280

it turns out there's something down

935

00:38:15,349 --> 00:38:13,200

there behind that even you know what I

936

00:38:16,849 --> 00:38:15,359

mean like yeah you know what I mean or

937

00:38:19,609 --> 00:38:16,859

they could be like oh yeah we're

938

00:38:21,170 --> 00:38:19,619

definitely in a simulation uh we are a

939

00:38:22,730 --> 00:38:21,180

million years ahead of you we're

940

00:38:24,290 --> 00:38:22,740

definitely in a simulation and you'll be

941

00:38:27,170 --> 00:38:24,300

like so who is it

942

00:38:29,210 --> 00:38:27,180

I don't know man I don't know you know

943

00:38:31,370 --> 00:38:29,220

what I mean and then I saw a great tweet

944

00:38:33,890 --> 00:38:31,380

the other day that was like people who

945

00:38:37,609 --> 00:38:33,900

believe that we're in a simulation

946

00:38:43,370 --> 00:38:37,619

um you know they like basically you you

947

00:38:49,670 --> 00:38:46,849

nope you're breaking up on me

948

00:38:51,349 --> 00:38:49,680

been got computed am I back hopefully

949

00:38:53,329 --> 00:38:51,359

yeah you're back I missed what you just

950

00:38:55,370 --> 00:38:53,339

said though oh okay like I saw a tweet

951
00:38:56,810 --> 00:38:55,380
and I can't like I'm I'm gonna jumble it

952
00:38:58,210 --> 00:38:56,820
up but it's basically like people who

953
00:39:00,770 --> 00:38:58,220
say that we're living in a simulation

954
00:39:02,510 --> 00:39:00,780
basically they're they're afraid to

955
00:39:04,069 --> 00:39:02,520
admit that they believe in God and so

956
00:39:07,569 --> 00:39:04,079
they just want to say that God's a nerd

957
00:39:10,670 --> 00:39:07,579
and put us in a computer right

958
00:39:12,770 --> 00:39:10,680
and I could see that as as being a valid

959
00:39:14,390 --> 00:39:12,780
you know argument as well you know sure

960
00:39:16,849 --> 00:39:14,400
at that point you're just are kind of

961
00:39:19,450 --> 00:39:16,859
arguing or deciding on the the semantics

962
00:39:23,690 --> 00:39:19,460
of whatever controls everything

963
00:39:26,329 --> 00:39:23,700

Dark Energy uh whether it's uh you know

964

00:39:29,089 --> 00:39:26,339

a god that actually is some sort of uh

965

00:39:32,690 --> 00:39:29,099

matter you know that that exists that

966

00:39:35,030 --> 00:39:32,700

controls everything or yeah you know a

967

00:39:38,870 --> 00:39:35,040

similar I would say this is a simulation

968

00:39:42,349 --> 00:39:38,880

but it it's not like a computer game

969

00:39:45,710 --> 00:39:42,359

it's not like Sims it's a you know it's

970

00:39:48,829 --> 00:39:45,720

nature it's organic molecules that runs

971

00:39:50,569 --> 00:39:48,839

the simulation you know know yeah but

972

00:39:52,430 --> 00:39:50,579

it's a it's a really fascinating

973

00:39:54,589 --> 00:39:52,440

situation that we find ourselves in and

974

00:39:57,109 --> 00:39:54,599

you know there's as soon as you car

975

00:39:59,089 --> 00:39:57,119

start going down these threads it's like

976

00:40:00,650 --> 00:39:59,099

what happens with people like you or

977

00:40:02,329 --> 00:40:00,660

with people like me it's like you see

978

00:40:04,130 --> 00:40:02,339

something wild in the sky in your

979

00:40:06,890 --> 00:40:04,140

backyard you're just back there smoking

980

00:40:08,450 --> 00:40:06,900

minding your own freaking business and

981

00:40:10,190 --> 00:40:08,460

then you see something up there that

982

00:40:12,230 --> 00:40:10,200

doesn't make any sense

983

00:40:14,569 --> 00:40:12,240

and and then you're like what the heck

984

00:40:18,910 --> 00:40:14,579

was that and then eventually you're at a

985

00:40:21,770 --> 00:40:18,920

position where you realize that you know

986

00:40:24,230 --> 00:40:21,780

precognition is actually relatively

987

00:40:26,630 --> 00:40:24,240

common you know what I mean or that

988

00:40:28,730 --> 00:40:26,640

retro causality is a thing or situations

989

00:40:32,089 --> 00:40:28,740

like this to kind of like bend the the

990

00:40:35,810 --> 00:40:32,099

situation like the basic constructs of

991

00:40:38,329 --> 00:40:35,820

time and then all of a sudden yeah then

992

00:40:40,490 --> 00:40:38,339

it's what do you do what do you do with

993

00:40:42,109 --> 00:40:40,500

it and so it's understandable you know

994

00:40:44,210 --> 00:40:42,119

when when I was just saying you know

995

00:40:45,950 --> 00:40:44,220

like oh people they get frustrated

996

00:40:47,569 --> 00:40:45,960

because they're gonna you know they want

997

00:40:49,609 --> 00:40:47,579

to conflate all these things I don't

998

00:40:51,290 --> 00:40:49,619

think everybody wants to conflate all

999

00:40:52,370 --> 00:40:51,300

these things I think that it's just a

1000

00:40:55,370 --> 00:40:52,380

natural

1001
00:40:57,950 --> 00:40:55,380
situation if you're if you're taking on

1002
00:41:01,790 --> 00:40:57,960
all of reality you know it's it's good

1003
00:41:03,829 --> 00:41:01,800
to have empathy for anybody that is is

1004
00:41:07,130 --> 00:41:03,839
struggling with the nature of like

1005
00:41:09,890 --> 00:41:07,140
everything that's around us because you

1006
00:41:12,710 --> 00:41:09,900
know admittedly it's a lot right it's a

1007
00:41:15,530 --> 00:41:12,720
lot to it's a lot to take on any aspect

1008
00:41:17,030 --> 00:41:15,540
of this is a lot to take on yeah and

1009
00:41:20,270 --> 00:41:17,040
especially if you're you're somebody

1010
00:41:22,550 --> 00:41:20,280
like um that likes to put in the work to

1011
00:41:24,770 --> 00:41:22,560
to do your own work to try to figure

1012
00:41:27,349 --> 00:41:24,780
stuff out you know there's there's so

1013
00:41:28,790 --> 00:41:27,359

many uh people like that I know I'm like

1014

00:41:30,950 --> 00:41:28,800

that I know that you're like that other

1015

00:41:33,770 --> 00:41:30,960

people are like that where you have this

1016

00:41:36,290 --> 00:41:33,780

Enigma or this mystery and you want

1017

00:41:38,270 --> 00:41:36,300

you're gonna go find it out and you know

1018

00:41:40,010 --> 00:41:38,280

that if you put in the time the work and

1019

00:41:42,130 --> 00:41:40,020

the effort you're gonna figure it out

1020

00:41:45,290 --> 00:41:42,140

it's gonna work because

1021

00:41:47,030 --> 00:41:45,300

you've learned to survive that way you

1022

00:41:49,190 --> 00:41:47,040

know I have a company that only works

1023

00:41:52,250 --> 00:41:49,200

because I put in the work to make it

1024

00:41:55,190 --> 00:41:52,260

survive you know or a marriage or a

1025

00:41:57,349 --> 00:41:55,200

house or whatever like all of that is up

1026
00:42:00,950 --> 00:41:57,359
to me as an individual to put in the

1027
00:42:03,109 --> 00:42:00,960
effort to make it work you know so here

1028
00:42:05,990 --> 00:42:03,119
comes this thing I see these things in

1029
00:42:08,630 --> 00:42:06,000
the backyard one's 13 freaking feet

1030
00:42:12,050 --> 00:42:08,640
seemingly right in front of my face you

1031
00:42:15,790 --> 00:42:12,060
know and during all that precog dream

1032
00:42:18,890 --> 00:42:15,800
thing happens and I'm like

1033
00:42:20,810 --> 00:42:18,900
yeah what do I do and then you go to the

1034
00:42:22,370 --> 00:42:20,820
UFO field and there's a lot of hucksters

1035
00:42:24,589 --> 00:42:22,380
and grifters that try to sell you

1036
00:42:26,329 --> 00:42:24,599
anything you know sure and so what do

1037
00:42:28,550 --> 00:42:26,339
you do I went to the books I went to

1038
00:42:32,089 --> 00:42:28,560

Blue Book what can I find and you know

1039

00:42:34,310 --> 00:42:32,099

no matter how many files I've read

1040

00:42:36,770 --> 00:42:34,320

it it doesn't

1041

00:42:37,970 --> 00:42:36,780

it doesn't prove or explain any of it

1042

00:42:39,530 --> 00:42:37,980

you know and that's kind of the

1043

00:42:42,290 --> 00:42:39,540

frustrating part and I've heard Richard

1044

00:42:44,270 --> 00:42:42,300

Dolan actually say this before

1045

00:42:46,490 --> 00:42:44,280

um he goes you know there's not one

1046

00:42:49,370 --> 00:42:46,500

government document that actually proves

1047

00:42:50,810 --> 00:42:49,380

the existence of aliens you know or

1048

00:42:53,750 --> 00:42:50,820

another being

1049

00:42:55,849 --> 00:42:53,760

yeah and you know after spending hours

1050

00:42:59,510 --> 00:42:55,859

and hours

1051
00:43:01,730 --> 00:42:59,520
you know weeks days months years looking

1052
00:43:05,569 --> 00:43:01,740
into that stuff it's frustrating at the

1053
00:43:10,430 --> 00:43:08,210
you know you know what do you what do

1054
00:43:12,109 --> 00:43:10,440
you do with that it's it's frustrating

1055
00:43:13,849 --> 00:43:12,119
and that at the end of the day after

1056
00:43:15,829 --> 00:43:13,859
doing all that all I can say is that

1057
00:43:17,390 --> 00:43:15,839
things something exists

1058
00:43:20,510 --> 00:43:17,400
you know

1059
00:43:24,349 --> 00:43:20,520
something exists that we don't generally

1060
00:43:26,030 --> 00:43:24,359
public wise know what it is right you

1061
00:43:28,250 --> 00:43:26,040
know and what I've seen is different

1062
00:43:30,109 --> 00:43:28,260
from what other people have seen yep so

1063
00:43:32,210 --> 00:43:30,119

now you have multiple things that exist

1064

00:43:34,910 --> 00:43:32,220

that nobody knows what it is that's

1065

00:43:39,290 --> 00:43:37,370

what do you do and you know

1066

00:43:41,030 --> 00:43:39,300

I think you have to be okay with knowing

1067

00:43:43,970 --> 00:43:41,040

that you might not figure it out

1068

00:43:46,490 --> 00:43:43,980

absolutely and you know I I think that

1069

00:43:50,569 --> 00:43:46,500

there's a point where

1070

00:43:54,170 --> 00:43:50,579

you know that you can take solace and

1071

00:43:57,290 --> 00:43:54,180

and finding that other people have have

1072

00:43:59,809 --> 00:43:57,300

asked similar questions that people have

1073

00:44:02,210 --> 00:43:59,819

asked differently better formulated

1074

00:44:05,390 --> 00:44:02,220

versions of similar or even radically

1075

00:44:06,950 --> 00:44:05,400

different questions and use that as kind

1076

00:44:10,970 --> 00:44:06,960

of like a springboard

1077

00:44:13,970 --> 00:44:10,980

to get as excited about the questions

1078

00:44:15,950 --> 00:44:13,980

that we're asking as we could be about

1079

00:44:20,630 --> 00:44:15,960

what the actual answers actually are

1080

00:44:23,390 --> 00:44:20,640

right so like like getting diggered once

1081

00:44:24,370 --> 00:44:23,400

you kind of get into the the part where

1082

00:44:27,290 --> 00:44:24,380

you can

1083

00:44:28,550 --> 00:44:27,300

excitedly dig deeper into the mystery

1084

00:44:31,250 --> 00:44:28,560

and then

1085

00:44:34,250 --> 00:44:31,260

be able to recognize when you need to

1086

00:44:35,750 --> 00:44:34,260

hang out in a certain space with it you

1087

00:44:38,510 --> 00:44:35,760

know what I mean because it can be so

1088

00:44:40,970 --> 00:44:38,520

much to juggle and be like okay I can

1089

00:44:42,530 --> 00:44:40,980

handle four like I got four balls in the

1090

00:44:44,210 --> 00:44:42,540

air that's what I got I that's that's

1091

00:44:46,730 --> 00:44:44,220

how much I can handle right now right

1092

00:44:48,589 --> 00:44:46,740

and you want to commit all the time to

1093

00:44:51,230 --> 00:44:48,599

the things that oh this feels right like

1094

00:44:53,150 --> 00:44:51,240

you want to land on something where

1095

00:44:56,270 --> 00:44:53,160

you're committing to it like this is the

1096

00:44:58,730 --> 00:44:56,280

truth this is it I've found it you know

1097

00:45:02,569 --> 00:44:58,740

but it's there's always like uh but

1098

00:45:05,089 --> 00:45:02,579

maybe not yeah yeah and and at the same

1099

00:45:07,609 --> 00:45:05,099

time you know I mean I think one of the

1100

00:45:10,670 --> 00:45:07,619

best things that we find in this also is

1101

00:45:12,890 --> 00:45:10,680

is that we can find Community you know

1102

00:45:15,410 --> 00:45:12,900

what I mean and and for hundreds of

1103

00:45:18,230 --> 00:45:15,420

years thousands of years maybe millions

1104

00:45:19,730 --> 00:45:18,240

of years you know P there were mystery

1105

00:45:21,589 --> 00:45:19,740

schools there were things like this but

1106

00:45:22,970 --> 00:45:21,599

a lot of people would have these

1107

00:45:25,309 --> 00:45:22,980

experiences and there would be

1108

00:45:27,349 --> 00:45:25,319

absolutely nobody to talk to talk about

1109

00:45:29,510 --> 00:45:27,359

you know there would be nobody to talk

1110

00:45:31,730 --> 00:45:29,520

to nobody you couldn't talk to somebody

1111

00:45:32,569 --> 00:45:31,740

halfway across America much less the

1112

00:45:33,829 --> 00:45:32,579

world

1113

00:45:35,569 --> 00:45:33,839

you know

1114

00:45:38,329 --> 00:45:35,579

um to deal with this stuff and here we

1115

00:45:40,309 --> 00:45:38,339

are you're in MO you're in Wisconsin I'm

1116

00:45:43,069 --> 00:45:40,319

in New Jersey we have a bunch of people

1117

00:45:44,750 --> 00:45:43,079

in the chat from all over and we can

1118

00:45:46,970 --> 00:45:44,760

both commit we can choose to just

1119

00:45:49,609 --> 00:45:46,980

commiserate on this stuff and we will

1120

00:45:52,309 --> 00:45:49,619

and then we can also you know use it as

1121

00:45:56,089 --> 00:45:52,319

a as a point to compare notes and grow

1122

00:45:57,890 --> 00:45:56,099

from it and like find each other and and

1123

00:46:01,309 --> 00:45:57,900

you know look at the big questions

1124

00:46:04,190 --> 00:46:01,319

together and remember that you know that

1125

00:46:06,950 --> 00:46:04,200

that we have each other to to consider

1126
00:46:08,210 --> 00:46:06,960
these things right yeah the camaraderie

1127
00:46:12,050 --> 00:46:08,220
and the Mystery

1128
00:46:13,370 --> 00:46:12,060
yeah absolutely yeah and I think you

1129
00:46:16,370 --> 00:46:13,380
know it's also

1130
00:46:18,410 --> 00:46:16,380
there's there's a slight

1131
00:46:21,530 --> 00:46:18,420
you know kind of shift once you realize

1132
00:46:23,809 --> 00:46:21,540
that there is something more

1133
00:46:25,670 --> 00:46:23,819
to to life after going through an

1134
00:46:26,930 --> 00:46:25,680
experience like that you know that I've

1135
00:46:28,849 --> 00:46:26,940
been through or the what you've been

1136
00:46:31,250 --> 00:46:28,859
through it's like okay all of a sudden

1137
00:46:34,790 --> 00:46:31,260
you know that there's something more

1138
00:46:37,609 --> 00:46:34,800

there's something that's irregular from

1139

00:46:40,210 --> 00:46:37,619

what you've known and have been taught

1140

00:46:44,270 --> 00:46:40,220

you know and

1141

00:46:45,410 --> 00:46:44,280

that in itself is uh exciting you know

1142

00:46:47,630 --> 00:46:45,420

and that didn't come from the government

1143

00:46:49,750 --> 00:46:47,640

that came from just me living my life

1144

00:46:52,730 --> 00:46:49,760

yeah you know

1145

00:46:54,650 --> 00:46:52,740

absolutely you know because that stuff

1146

00:46:57,170 --> 00:46:54,660

that like that experience that you had

1147

00:46:59,630 --> 00:46:57,180

in your backyard you know in many ways

1148

00:47:02,510 --> 00:46:59,640

that was probably you know if it's

1149

00:47:04,550 --> 00:47:02,520

anything like my my experiences it feels

1150

00:47:07,370 --> 00:47:04,560

like some of the most deeply intimate

1151
00:47:09,950 --> 00:47:07,380
things that you've ever experienced in a

1152
00:47:12,170 --> 00:47:09,960
lot of ways you know yeah and at the

1153
00:47:14,270 --> 00:47:12,180
same time it reflects something weirdly

1154
00:47:16,849 --> 00:47:14,280
that feels weirdly Universal

1155
00:47:19,130 --> 00:47:16,859
and then look at what happened and then

1156
00:47:20,569 --> 00:47:19,140
you eventually got to the point as did I

1157
00:47:22,510 --> 00:47:20,579
whereas like

1158
00:47:26,329 --> 00:47:22,520
hey guys

1159
00:47:27,250 --> 00:47:26,339
you know and and you had to bring it to

1160
00:47:29,990 --> 00:47:27,260
the community

1161
00:47:32,150 --> 00:47:30,000
and and look at how many people you know

1162
00:47:33,349 --> 00:47:32,160
I it was so great to see you know you

1163
00:47:35,750 --> 00:47:33,359

you announced that we were going to do

1164

00:47:37,670 --> 00:47:35,760

this today and it was just like and

1165

00:47:40,250 --> 00:47:37,680

seeing the positive comments from people

1166

00:47:42,050 --> 00:47:40,260

even you know just at the drop of a hat

1167

00:47:44,030 --> 00:47:42,060

and look at the people in the chat right

1168

00:47:46,490 --> 00:47:44,040

now it's really beautiful to see you

1169

00:47:48,349 --> 00:47:46,500

know what I mean that it's great that

1170

00:47:51,109 --> 00:47:48,359

we're we're you know we are

1171

00:47:53,270 --> 00:47:51,119

participating in a time where we don't

1172

00:47:55,490 --> 00:47:53,280

have to just trust those other people we

1173

00:47:57,170 --> 00:47:55,500

have personal disclosure we have our own

1174

00:48:00,589 --> 00:47:57,180

versions of disclosure where we can talk

1175

00:48:03,230 --> 00:48:00,599

about this stuff and and we can we can

1176

00:48:05,930 --> 00:48:03,240

we can deal with it as a community and

1177

00:48:07,849 --> 00:48:05,940

we can bring it forward in a way that

1178

00:48:09,410 --> 00:48:07,859

you know our even our parents generation

1179

00:48:11,630 --> 00:48:09,420

couldn't because there was too much

1180

00:48:13,910 --> 00:48:11,640

stigma and that's you know what I mean

1181

00:48:16,309 --> 00:48:13,920

when you look at yeah you know anybody

1182

00:48:19,010 --> 00:48:16,319

from my parents generation or earlier it

1183

00:48:21,290 --> 00:48:19,020

was or even you know an older siblings

1184

00:48:23,750 --> 00:48:21,300

you know Generation

1185

00:48:25,609 --> 00:48:23,760

Um and so we just gotta you're right

1186

00:48:27,349 --> 00:48:25,619

you're you're right there and I can say

1187

00:48:29,030 --> 00:48:27,359

like I don't want to make it seem like

1188

00:48:31,670 --> 00:48:29,040

going through all those documents was

1189

00:48:33,589 --> 00:48:31,680

was pointless because one it did it did

1190

00:48:37,490 --> 00:48:33,599

affirm to me that you know other people

1191

00:48:41,750 --> 00:48:37,500

have experienced uh anomalous things and

1192

00:48:43,370 --> 00:48:41,760

you can get the most credential uh pilot

1193

00:48:45,349 --> 00:48:43,380

or whatever with the most credentials

1194

00:48:47,690 --> 00:48:45,359

and whatever they've all had that

1195

00:48:50,930 --> 00:48:47,700

experience in in a different you know

1196

00:48:52,190 --> 00:48:50,940

way and maybe but everybody all sorts of

1197

00:48:53,750 --> 00:48:52,200

people have had that experience so I've

1198

00:48:56,210 --> 00:48:53,760

learned that and that and that's what

1199

00:48:57,530 --> 00:48:56,220

you know made me feel okay with what

1200

00:48:59,630 --> 00:48:57,540

I've been through without feeling crazy

1201
00:49:02,690 --> 00:48:59,640
the other thing is you know you can

1202
00:49:05,030 --> 00:49:02,700
you're right Jay and that things are

1203
00:49:07,490 --> 00:49:05,040
different than you know one our parents

1204
00:49:08,870 --> 00:49:07,500
or our age or whatever because and I've

1205
00:49:10,130 --> 00:49:08,880
learned that from looking at those

1206
00:49:13,730 --> 00:49:10,140
documents because there were so many

1207
00:49:15,829 --> 00:49:13,740
witnesses in those documents that said

1208
00:49:18,589 --> 00:49:15,839
um they were afraid they reported it

1209
00:49:20,569 --> 00:49:18,599
late because they were afraid at first

1210
00:49:22,490 --> 00:49:20,579
that they'd be made fun of or they

1211
00:49:25,849 --> 00:49:22,500
didn't want anyone at their job to find

1212
00:49:28,010 --> 00:49:25,859
out or they don't want any publicity but

1213
00:49:30,770 --> 00:49:28,020

they thought they were doing their due

1214

00:49:33,589 --> 00:49:30,780

diligence to tell somebody or to tell

1215

00:49:36,650 --> 00:49:33,599

the Air Force you know and if we can

1216

00:49:39,230 --> 00:49:36,660

break that down which I I think that's

1217

00:49:41,870 --> 00:49:39,240

come a long way I mean that that's those

1218

00:49:43,670 --> 00:49:41,880

are huge steps those are huge steps you

1219

00:49:46,849 --> 00:49:43,680

know for Ryan Graves to be on 60 Minutes

1220

00:49:49,370 --> 00:49:46,859

for instance or whatever absolutely yeah

1221

00:49:50,870 --> 00:49:49,380

yeah and and for us to be in the

1222

00:49:52,250 --> 00:49:50,880

position that we are and being able to

1223

00:49:54,950 --> 00:49:52,260

have the community from the position

1224

00:49:57,410 --> 00:49:54,960

that we are in terms of

1225

00:49:59,930 --> 00:49:57,420

and working on these things ourselves

1226
00:50:04,849 --> 00:49:59,940
you know being able to like take agency

1227
00:50:08,329 --> 00:50:06,530
oh man

1228
00:50:10,309 --> 00:50:08,339
got to fix that internet connection of

1229
00:50:12,410 --> 00:50:10,319
you our Visions together

1230
00:50:14,690 --> 00:50:12,420
yeah I guess so like I'll work on that

1231
00:50:16,609 --> 00:50:14,700
for I'll work out on that for uh the

1232
00:50:18,650 --> 00:50:16,619
next time we get together no that's uh

1233
00:50:21,109 --> 00:50:18,660
that's it's always the juiciest part too

1234
00:50:23,210 --> 00:50:21,119
that I feel like is coming up it's just

1235
00:50:25,190 --> 00:50:23,220
because I'm getting excited oh you know

1236
00:50:27,470 --> 00:50:25,200
there's I think

1237
00:50:29,510 --> 00:50:27,480
you know every once in a while when

1238
00:50:32,150 --> 00:50:29,520

stuff like that happens it's hard not to

1239

00:50:34,250 --> 00:50:32,160

wonder like you know is it like when my

1240

00:50:36,950 --> 00:50:34,260

grandma you know would get riled up and

1241

00:50:40,069 --> 00:50:36,960

her watch would stop is it like that you

1242

00:50:42,349 --> 00:50:40,079

know what I mean I don't know yeah maybe

1243

00:50:43,970 --> 00:50:42,359

yeah maybe

1244

00:50:45,470 --> 00:50:43,980

what's been great talking with you I

1245

00:50:47,450 --> 00:50:45,480

don't know how much more time you have

1246

00:50:50,030 --> 00:50:47,460

here I know you have other things on

1247

00:50:52,309 --> 00:50:50,040

your schedule yeah I gotta run to

1248

00:50:56,270 --> 00:50:52,319

Manhattan in a few minutes but dude it

1249

00:50:57,589 --> 00:50:56,280

is so amazing to see you yeah you too

1250

00:50:59,630 --> 00:50:57,599

and I know we wanted to cover other

1251
00:51:01,670 --> 00:50:59,640
things but it's been a while so you know

1252
00:51:04,329 --> 00:51:01,680
we just got into deep conversation which

1253
00:51:07,130 --> 00:51:04,339
I always appreciate the most with you so

1254
00:51:09,170 --> 00:51:07,140
absolutely well you know what that means

1255
00:51:10,970 --> 00:51:09,180
it just means that we have more to talk

1256
00:51:13,490 --> 00:51:10,980
about next time we get together

1257
00:51:16,370 --> 00:51:13,500
and I cannot wait

1258
00:51:18,170 --> 00:51:16,380
that sounds absolutely amazing I'd love

1259
00:51:20,690 --> 00:51:18,180
to I'd love to talk about those new

1260
00:51:22,430 --> 00:51:20,700
articles that uh Chris sharp is has put

1261
00:51:24,410 --> 00:51:22,440
up with Liberation times I talked to him

1262
00:51:25,549 --> 00:51:24,420
recently I'd love to talk with you about

1263
00:51:27,589 --> 00:51:25,559

that

1264

00:51:30,530 --> 00:51:27,599

um you know the The Whistleblower

1265

00:51:33,290 --> 00:51:30,540

language and upcoming funding bill you

1266

00:51:35,630 --> 00:51:33,300

know I'd love to go into more detail

1267

00:51:37,309 --> 00:51:35,640

um about the loose threads uh it'd be

1268

00:51:39,170 --> 00:51:37,319

great to see if maybe we can get Omega

1269

00:51:41,210 --> 00:51:39,180

point on the show you know there's all

1270

00:51:43,730 --> 00:51:41,220

sorts of fun things to do that'd be fun

1271

00:51:46,069 --> 00:51:43,740

can't wait to do that I'm going to stick

1272

00:51:48,349 --> 00:51:46,079

around for a little bit longer with with

1273

00:51:51,230 --> 00:51:48,359

the crew all right

1274

00:51:53,450 --> 00:51:51,240

um and you know just keep getting some

1275

00:51:55,970 --> 00:51:53,460

rest off so oh that sounds like a great

1276

00:51:58,250 --> 00:51:55,980

idea okay well I'll say hi to smelly

1277

00:51:59,750 --> 00:51:58,260

Manhattan for you and it's great to see

1278

00:52:02,089 --> 00:51:59,760

everybody in the chat it's especially

1279

00:52:02,950 --> 00:52:02,099

amazing to see you Sean I love you too

1280

00:52:06,890 --> 00:52:02,960

brother

1281

00:52:09,890 --> 00:52:06,900

all right see you everybody

1282

00:52:13,970 --> 00:52:11,809

all right so that was great that was

1283

00:52:19,190 --> 00:52:13,980

great having Jay back

1284

00:52:23,329 --> 00:52:20,990

there are a couple other things that we

1285

00:52:25,490 --> 00:52:23,339

wanted to get into one Andres actually

1286

00:52:28,730 --> 00:52:25,500

hit on the head here supposedly at the

1287

00:52:31,069 --> 00:52:28,740

UAP report coming out at the end of this

1288

00:52:33,349 --> 00:52:31,079

month that was a tweet from Christopher

1289

00:52:36,349 --> 00:52:33,359

sharp from Liberation times who said he

1290

00:52:38,569 --> 00:52:36,359

has uh some sources saying

1291

00:52:40,790 --> 00:52:38,579

uh that that's going to be the case so

1292

00:52:42,410 --> 00:52:40,800

and what you know I was going to talk

1293

00:52:44,089 --> 00:52:42,420

about a little bit with Jay is where is

1294

00:52:46,130 --> 00:52:44,099

the UAP report everyone thought it was

1295

00:52:48,829 --> 00:52:46,140

coming out on Halloween I remember even

1296

00:52:52,010 --> 00:52:48,839

Bryce Sable thought it would be a uh an

1297

00:52:54,349 --> 00:52:52,020

October surprise for the election

1298

00:52:56,390 --> 00:52:54,359

um and it just hadn't come up but what

1299

00:52:59,270 --> 00:52:56,400

did come out was a New York Times piece

1300

00:53:03,290 --> 00:52:59,280

by Julian Barnes who pretty much uh

1301
00:53:05,930 --> 00:53:03,300
pooh-pooed the whole thing by saying

1302
00:53:08,270 --> 00:53:05,940
um it turns out that most of these

1303
00:53:11,569 --> 00:53:08,280
incidents are Chinese drones there's no

1304
00:53:14,170 --> 00:53:11,579
space aliens folks forget it move on and

1305
00:53:16,670 --> 00:53:14,180
we saw the propaganda Sheen proper

1306
00:53:18,770 --> 00:53:16,680
propaganda machine in motion because

1307
00:53:19,790 --> 00:53:18,780
after that New York Times article came

1308
00:53:21,530 --> 00:53:19,800
out

1309
00:53:24,470 --> 00:53:21,540
I can't even count how many other

1310
00:53:27,109 --> 00:53:24,480
outlets news outlets picked up that same

1311
00:53:29,809 --> 00:53:27,119
thread and started reporting uh the same

1312
00:53:31,490 --> 00:53:29,819
thing but when you look at it in finer

1313
00:53:33,170 --> 00:53:31,500

detail

1314

00:53:35,930 --> 00:53:33,180

look at the numbers of that New York

1315

00:53:37,730 --> 00:53:35,940

Times thing says most of them were

1316

00:53:40,190 --> 00:53:37,740

Chinese drones air clutter or whatever

1317

00:53:41,390 --> 00:53:40,200

trash but they're and my numbers are

1318

00:53:43,790 --> 00:53:41,400

probably wrong here but there was

1319

00:53:46,549 --> 00:53:43,800

roughly uh you know like 150 or whatever

1320

00:53:49,910 --> 00:53:46,559

that we're still unidentified so let's

1321

00:53:53,930 --> 00:53:49,920

say we had 300 reports right

1322

00:53:55,790 --> 00:53:53,940

and 149 are unidentified and 151 are

1323

00:53:59,809 --> 00:53:55,800

Chinese drones trash space clutter

1324

00:54:02,809 --> 00:53:59,819

whatever you can honestly say most are

1325

00:54:05,990 --> 00:54:02,819

prosaic and get away with it it's just

1326
00:54:07,970 --> 00:54:06,000
not honest because I'm sure Julian burns

1327
00:54:09,950 --> 00:54:07,980
like everybody else knows we don't care

1328
00:54:14,270 --> 00:54:09,960
about those

1329
00:54:16,790 --> 00:54:14,280
we care about the 49 that is

1330
00:54:19,430 --> 00:54:16,800
unidentified which mind you

1331
00:54:22,430 --> 00:54:19,440
is so much worse

1332
00:54:25,790 --> 00:54:22,440
so many more unidentifieds than even a

1333
00:54:29,210 --> 00:54:25,800
19 freaking 48 or 49.

1334
00:54:30,950 --> 00:54:29,220
you know when 20 were unidentified

1335
00:54:33,430 --> 00:54:30,960
so how is it with all this extra

1336
00:54:37,490 --> 00:54:33,440
technology that we have sensors

1337
00:54:44,390 --> 00:54:42,710
we got about 49 now I'd unidentified

1338
00:54:48,470 --> 00:54:44,400

pretty weird

1339

00:54:50,329 --> 00:54:48,480

so we'll see if uh

1340

00:54:52,490 --> 00:54:50,339

this report comes out and what's it what

1341

00:54:54,049 --> 00:54:52,500

is it going to say the one thing I mean

1342

00:54:57,410 --> 00:54:54,059

first of all

1343

00:55:00,410 --> 00:54:57,420

um you know I'm not a lawyer

1344

00:55:03,470 --> 00:55:00,420

but I believe that they broke the law by

1345

00:55:05,510 --> 00:55:03,480

not coming out with a report

1346

00:55:07,010 --> 00:55:05,520

um on the mandated date that was passed

1347

00:55:08,450 --> 00:55:07,020

through legislation

1348

00:55:11,210 --> 00:55:08,460

so hopefully it will at least get an

1349

00:55:12,650 --> 00:55:11,220

apology right

1350

00:55:14,210 --> 00:55:12,660

because I don't think anyone's getting

1351
00:55:16,849 --> 00:55:14,220
arrested

1352
00:55:19,010 --> 00:55:16,859
but yeah so we'll see where that goes

1353
00:55:20,450 --> 00:55:19,020
but like Jay and I were talking about uh

1354
00:55:23,750 --> 00:55:20,460
you know putting all your eggs in that

1355
00:55:25,130 --> 00:55:23,760
basket too maybe not such a great idea

1356
00:55:27,829 --> 00:55:25,140
right

1357
00:55:29,870 --> 00:55:27,839
I mean I I literally at Lowe's that

1358
00:55:32,210 --> 00:55:29,880
people uh still say this it's so

1359
00:55:34,069 --> 00:55:32,220
annoying at this point but to repeat the

1360
00:55:36,290 --> 00:55:34,079
same process and expect different

1361
00:55:38,329 --> 00:55:36,300
results is you know the definition of

1362
00:55:39,710 --> 00:55:38,339
insanity and we hear it all the time to

1363
00:55:41,510 --> 00:55:39,720

the point where I'm like if I hear that

1364

00:55:44,770 --> 00:55:41,520

one more time I'm gonna freak out but

1365

00:55:51,349 --> 00:55:47,690

and you know in this case if we expect

1366

00:55:54,109 --> 00:55:52,849

I don't know I'm not going to say we're

1367

00:55:56,089 --> 00:55:54,119

insane but you know what I'm talking

1368

00:56:00,530 --> 00:55:56,099

about

1369

00:56:03,470 --> 00:56:00,540

times people throughout the decades have

1370

00:56:05,990 --> 00:56:03,480

hoped that there would be some honesty

1371

00:56:07,870 --> 00:56:06,000

whether it's the 1952 Washington DC

1372

00:56:10,790 --> 00:56:07,880

sightings whether it's the Michigan

1373

00:56:14,390 --> 00:56:10,800

swampcast swampcast case whether it's

1374

00:56:16,010 --> 00:56:14,400

Socorro New Mexico whatever it is

1375

00:56:19,190 --> 00:56:16,020

you know at the end of the day

1376

00:56:20,870 --> 00:56:19,200

the government always poo-poops it

1377

00:56:22,190 --> 00:56:20,880

I tend to think it's because they don't

1378

00:56:25,430 --> 00:56:22,200

know what the heck it is they know it

1379

00:56:27,530 --> 00:56:25,440

exists but how are you going to admit

1380

00:56:28,730 --> 00:56:27,540

that you don't know what it is you're

1381

00:56:31,910 --> 00:56:28,740

supposed to be the most powerful

1382

00:56:33,470 --> 00:56:31,920

military uh government in the world

1383

00:56:34,730 --> 00:56:33,480

and you have things flying around on

1384

00:56:36,109 --> 00:56:34,740

your sky and you don't know what it is

1385

00:56:40,250 --> 00:56:36,119

how are you supposed to admit that to

1386

00:56:40,260 --> 00:56:43,910

you know

1387

00:56:46,670 --> 00:56:45,589

I think you just

1388

00:56:49,849 --> 00:56:46,680

um

1389

00:56:50,870 --> 00:56:49,859

I'd be very beneficial if you did and to

1390

00:56:52,309 --> 00:56:50,880

think of that you're only country

1391

00:56:54,290 --> 00:56:52,319

dealing with that

1392

00:56:56,630 --> 00:56:54,300

asinine

1393

00:56:58,670 --> 00:56:56,640

anyone who's looked at this topic Longs

1394

00:57:00,349 --> 00:56:58,680

enough long enough knows that Europe has

1395

00:57:05,329 --> 00:57:00,359

been through China

1396

00:57:07,010 --> 00:57:05,339

spit through it Russia Africa Australia

1397

00:57:09,589 --> 00:57:07,020

we're not the only country that has

1398

00:57:11,089 --> 00:57:09,599

unidentified things that fly around in

1399

00:57:14,809 --> 00:57:11,099

our airspace

1400

00:57:18,230 --> 00:57:16,190

you know

1401
00:57:20,089 --> 00:57:18,240
and I'd say it makes somebody more

1402
00:57:21,410 --> 00:57:20,099
mature to admit

1403
00:57:24,650 --> 00:57:21,420
that they don't know what something is

1404
00:57:25,970 --> 00:57:24,660
rather than to lie about it

1405
00:57:29,089 --> 00:57:25,980
right

1406
00:57:34,130 --> 00:57:31,309
but I could be wrong

1407
00:57:40,490 --> 00:57:34,140
could be wrong

1408
00:57:42,410 --> 00:57:40,500
I think uh it's unfortunate that the

1409
00:57:44,990 --> 00:57:42,420
government has been so dishonest about

1410
00:57:46,970 --> 00:57:45,000
this and other topics throughout the

1411
00:57:50,990 --> 00:57:46,980
decades that even if they told the truth

1412
00:57:56,210 --> 00:57:54,290
Dave Mills says whistleblower needed I

1413
00:58:00,890 --> 00:57:56,220

would agree

1414

00:58:02,930 --> 00:58:00,900

Louella zondo God bless him he came out

1415

00:58:04,010 --> 00:58:02,940

did what he could told people what he

1416

00:58:06,650 --> 00:58:04,020

could

1417

00:58:09,530 --> 00:58:06,660

without crossing the line

1418

00:58:11,990 --> 00:58:09,540

that would get him into trouble

1419

00:58:14,089 --> 00:58:12,000

I always said if you came out with uh

1420

00:58:15,170 --> 00:58:14,099

proof you know whether it's him or

1421

00:58:17,450 --> 00:58:15,180

somebody else

1422

00:58:20,809 --> 00:58:17,460

proof

1423

00:58:23,569 --> 00:58:20,819

of you know another intelligence having

1424

00:58:26,270 --> 00:58:23,579

something to do with uh UFOs not all of

1425

00:58:28,010 --> 00:58:26,280

them maybe even if it's just one

1426
00:58:30,710 --> 00:58:28,020
instance

1427
00:58:32,750 --> 00:58:30,720
and you came out with that

1428
00:58:33,530 --> 00:58:32,760
is a whistleblower and they put you in

1429
00:58:36,230 --> 00:58:33,540
jail

1430
00:58:37,490 --> 00:58:36,240
and it was like that's proof whatever it

1431
00:58:38,690 --> 00:58:37,500
is I don't know what that proof would

1432
00:58:41,510 --> 00:58:38,700
look like but what you know what I'm

1433
00:58:45,470 --> 00:58:43,309
man who

1434
00:58:46,789 --> 00:58:45,480
I know all of us would be protesting

1435
00:59:01,010 --> 00:58:46,799
that

1436
00:59:04,670 --> 00:59:03,109
but

1437
00:59:07,970 --> 00:59:04,680
you know there's different opinions on

1438
00:59:09,530 --> 00:59:07,980

it does the government really know that

1439

00:59:12,170 --> 00:59:09,540

there's another intelligent life that

1440

00:59:15,109 --> 00:59:12,180

exists that have phys that has visited

1441

00:59:20,030 --> 00:59:17,150

some people say yeah of course they do

1442

00:59:25,010 --> 00:59:23,390

some people say no it's all a joke

1443

00:59:26,870 --> 00:59:25,020

I tend to be more in the middle that

1444

00:59:30,049 --> 00:59:26,880

they do know something else exists but

1445

00:59:31,370 --> 00:59:30,059

they don't know what the heck it is

1446

00:59:33,349 --> 00:59:31,380

therefore they don't want to say

1447

00:59:37,069 --> 00:59:33,359

anything about it

1448

00:59:41,030 --> 00:59:39,650

but you know everybody has different

1449

00:59:43,190 --> 00:59:41,040

opinions

1450

00:59:49,250 --> 00:59:43,200

that's for sure

1451

00:59:52,549 --> 00:59:49,260

um one thing that I thought

1452

00:59:55,549 --> 00:59:52,559

would be fun to do

1453

01:00:03,309 --> 00:59:55,559

because I haven't done it

1454

01:00:09,589 --> 01:00:06,470

that I think would be fun it's called I

1455

01:00:12,829 --> 01:00:09,599

think some of you are probably

1456

01:00:17,210 --> 01:00:12,839

familiar with this already

1457

01:00:24,530 --> 01:00:21,049

we do this thing unwitness citizen

1458

01:00:26,270 --> 01:00:24,540

foreign once in a while

1459

01:00:29,150 --> 01:00:26,280

it's a fun thing

1460

01:00:30,430 --> 01:00:29,160

it's not a big deal but it's called what

1461

01:00:38,060 --> 01:00:30,440

that is that

1462

01:00:38,070 --> 01:00:43,430

[Music]

1463

01:00:47,089 --> 01:00:44,990

that's right everybody's called what the

1464

01:00:49,789 --> 01:00:47,099

heck is that where we look at UFO videos

1465

01:00:52,010 --> 01:00:49,799

on the internet and we ask what the heck

1466

01:00:54,710 --> 01:00:52,020

is that

1467

01:00:57,950 --> 01:00:54,720

disclaimer I don't know what any of them

1468

01:01:03,410 --> 01:00:57,960

are they could be prosaic probably are

1469

01:01:10,069 --> 01:01:06,950

so let's check it out by the way don't

1470

01:01:11,630 --> 01:01:10,079

forget it to

1471

01:01:15,770 --> 01:01:11,640

like the video

1472

01:01:18,950 --> 01:01:15,780

And subscribe if you haven't

1473

01:01:22,849 --> 01:01:21,410

all right let's check it out this one

1474

01:01:26,210 --> 01:01:22,859

right away it looks like a Tic Tac

1475

01:01:32,270 --> 01:01:28,430

this is crazy man there you go

1476

01:01:47,210 --> 01:01:35,230

or is it a blimp I'll do

1477

01:01:47,220 --> 01:01:54,890

been sitting for like 20 minutes now

1478

01:02:04,190 --> 01:01:59,990

I'm just gonna I got a playlist let's

1479

01:02:20,390 --> 01:02:06,170

thank you

1480

01:02:32,210 --> 01:02:22,670

probably balloons right

1481

01:02:36,109 --> 01:02:34,490

I don't know if it's like a spaceship I

1482

01:02:41,990 --> 01:02:36,119

would even know how am I how am I

1483

01:02:46,250 --> 01:02:44,150

probably balloons

1484

01:02:48,770 --> 01:02:46,260

balloon Zager says

1485

01:02:52,970 --> 01:02:48,780

flying grapes yeah I think it's flying

1486

01:02:56,750 --> 01:02:55,190

one for sure probably is not a UFO I

1487

01:02:59,329 --> 01:02:56,760

think it's probably

1488

01:03:02,930 --> 01:02:59,339

a rocket or something or meteor but it's

1489

01:03:08,150 --> 01:03:04,910

but again if there's a spaceship in

1490

01:03:17,569 --> 01:03:10,250

foreign

1491

01:03:22,370 --> 01:03:20,329

yeah probably a rocket maybe yeah rocket

1492

01:03:27,890 --> 01:03:22,380

it was pretty cool though videos pretty

1493

01:03:31,520 --> 01:03:30,049

kind of looks like that first one Tic

1494

01:03:33,890 --> 01:03:31,530

Tac shape blimp

1495

01:03:35,450 --> 01:03:33,900

[Music]

1496

01:03:43,089 --> 01:03:35,460

but if there's flying grips it could be

1497

01:03:43,099 --> 01:03:50,530

Jay said that was a bug

1498

01:04:02,990 --> 01:03:53,980

it's slow moving

1499

01:04:09,430 --> 01:04:05,390

I don't know

1500

01:04:13,730 --> 01:04:10,849

[Music]

1501
01:04:23,690 --> 01:04:15,589
because it's a Tic Tac how the hell am I

1502
01:04:23,700 --> 01:04:28,660
I lost it oh there it is

1503
01:04:28,670 --> 01:04:37,430
[Music]

1504
01:04:37,440 --> 01:04:42,530
this guy's got a work phone call

1505
01:04:46,500 --> 01:04:44,450
Robert's getting nervous

1506
01:04:52,190 --> 01:04:46,510
keep seeing the truck get the brakes

1507
01:04:52,200 --> 01:04:56,750
I think we lost

1508
01:04:56,760 --> 01:04:58,870
it

1509
01:04:58,880 --> 01:05:06,049
all right we got Hogwarts

1510
01:05:06,059 --> 01:05:12,230
no

1511
01:05:19,010 --> 01:05:15,109
uh was Hogwarts Harry Potter

1512
01:05:20,569 --> 01:05:19,020
oh thank you what the hell is that or is

1513
01:05:28,730 --> 01:05:20,579

that Lord of the Rings

1514

01:05:34,609 --> 01:05:32,569

maybe they're aliens that really like

1515

01:05:38,270 --> 01:05:34,619

Harry Potter they're like let's check

1516

01:05:57,950 --> 01:05:39,950

we don't even have to pay for admission

1517

01:06:02,750 --> 01:06:00,890

the movement I think drones is probably

1518

01:06:10,490 --> 01:06:02,760

the

1519

01:06:10,500 --> 01:06:14,890

I don't know

1520

01:06:14,900 --> 01:06:20,190

creepy though

1521

01:06:20,200 --> 01:06:24,190

[Music]

1522

01:06:24,200 --> 01:06:28,370

nothing here to really excited

1523

01:06:28,380 --> 01:06:35,950

foreign

1524

01:06:35,960 --> 01:06:41,090

that's excited me

1525

01:06:41,100 --> 01:06:45,360

[Music]

1526

01:06:45,370 --> 01:06:49,970

[Laughter]

1527

01:06:55,370 --> 01:06:52,490

you can Christian I've seen videos where

1528

01:06:57,710 --> 01:06:55,380

the like in China I think was one where

1529

01:07:02,289 --> 01:06:57,720

they made an entire Dragon with drones

1530

01:07:07,190 --> 01:07:05,190

hope your battery's gonna die

1531

01:07:09,170 --> 01:07:07,200

[Music]

1532

01:07:11,270 --> 01:07:09,180

this reminds me of uh you know you hear

1533

01:07:31,130 --> 01:07:11,280

about those jellyfish UFO kind of things

1534

01:07:38,390 --> 01:07:35,270

Ariel flowers oh yeah it's it's moving

1535

01:07:38,400 --> 01:07:49,190

oh I see it right above the tree

1536

01:07:53,750 --> 01:07:51,650

what the heck is that somebody said it

1537

01:08:06,529 --> 01:07:53,760

beautiful oh yeah

1538

01:08:10,510 --> 01:08:09,349

I'm gonna go

1539

01:08:15,109 --> 01:08:10,520

yeah

1540

01:08:17,450 --> 01:08:15,119

no it seems to be alive you guys it

1541

01:08:20,870 --> 01:08:17,460

seems to be alive it's going behind the

1542

01:08:33,229 --> 01:08:23,749

tell me when it seems to be alive

1543

01:08:37,669 --> 01:08:35,450

what spotting the camera Maybe

1544

01:08:41,749 --> 01:08:37,679

but you got to think of all the other

1545

01:08:51,950 --> 01:08:43,669

probably looking at it not looking at

1546

01:08:58,669 --> 01:08:54,050

it's a guy in a chair let's tie the

1547

01:09:12,050 --> 01:09:00,289

could be

1548

01:09:16,490 --> 01:09:14,689

yeah it's weird

1549

01:09:18,169 --> 01:09:16,500

um John's saying there's a second one

1550

01:09:19,729 --> 01:09:18,179

it's around it oh there is one above

1551

01:09:21,709 --> 01:09:19,739

there's a second one around above it so

1552

01:09:30,669 --> 01:09:21,719

come out a little bit Rob

1553

01:09:30,679 --> 01:09:37,610

how far is the other one above it

1554

01:09:44,209 --> 01:09:40,370

I want to ask Kelly but I say it's some

1555

01:09:44,219 --> 01:09:49,550

well it's over we're on to the next one

1556

01:09:49,560 --> 01:09:56,650

foreign

1557

01:10:02,209 --> 01:10:00,229

this one is kind of boring I think

1558

01:10:05,330 --> 01:10:02,219

probably a drone but the light comes up

1559

01:10:16,370 --> 01:10:07,970

and then I think it goes downwards maybe

1560

01:10:16,380 --> 01:10:24,470

but it's interesting

1561

01:10:31,310 --> 01:10:26,810

and it's just a beautiful view look at

1562

01:10:40,450 --> 01:10:34,920

who wouldn't want to be there

1563

01:10:46,130 --> 01:10:43,850

[Music]

1564

01:10:51,169 --> 01:10:46,140

I'd skip it quick I don't know what this

1565

01:10:51,179 --> 01:10:55,490

I'm not familiar with this one

1566

01:11:01,790 --> 01:10:58,130

but it's 21 minutes long so I think

1567

01:11:05,990 --> 01:11:04,669

so that was our version today of what

1568

01:11:13,620 --> 01:11:06,000

the heck is that

1569

01:11:13,630 --> 01:11:18,790

[Music]

1570

01:11:26,930 --> 01:11:22,490

so I don't know I'm kind of uh

1571

01:11:28,130 --> 01:11:26,940

uh I guess odder things to talk about

1572

01:11:29,990 --> 01:11:28,140

um

1573

01:11:32,149 --> 01:11:30,000

I think that's about it I mean we could

1574

01:11:34,430 --> 01:11:32,159

look at a document or something but

1575

01:11:36,590 --> 01:11:34,440

maybe we'll save that for a different

1576

01:11:39,950 --> 01:11:36,600

day right I feel like I'm kind of

1577

01:11:43,430 --> 01:11:39,960

overstaying my welcome here

1578

01:11:52,610 --> 01:11:46,550

less

1579

01:11:55,070 --> 01:11:52,620

all right you guys tell me

1580

01:11:59,750 --> 01:11:55,080

you want to keep going or should we cut

1581

01:12:03,110 --> 01:12:01,970

I haven't looked at uh documents with

1582

01:12:05,990 --> 01:12:03,120

you yet well I haven't done anything

1583

01:12:10,209 --> 01:12:06,000

with you guys in a long time but

1584

01:12:14,689 --> 01:12:12,470

but I guess

1585

01:12:17,689 --> 01:12:14,699

I mean the the one document I've been

1586

01:12:19,970 --> 01:12:17,699

looking at lately is

1587

01:12:23,570 --> 01:12:19,980

this one

1588

01:12:26,870 --> 01:12:23,580

entitled Moon dust report and it comes

1589

01:12:28,430 --> 01:12:26,880
out of actually the Air Force OSI

1590

01:12:31,729 --> 01:12:28,440
District

1591

01:12:34,850 --> 01:12:31,739
in Oklahoma although this happens to be

1592

01:12:37,370 --> 01:12:34,860
in Wichita Falls Texas uh what why it's

1593

01:12:39,709 --> 01:12:37,380
interesting to me Moon dust reports so

1594

01:12:44,810 --> 01:12:39,719
Moon dust if for those of you who don't

1595

01:12:49,250 --> 01:12:47,090
was

1596

01:12:50,570 --> 01:12:49,260
um kind of like uh the Air Force's like

1597

01:12:53,030 --> 01:12:50,580
collection

1598

01:12:54,890 --> 01:12:53,040
uh thing like recovery thing so it's

1599

01:12:56,810 --> 01:12:54,900
like a satellite which would fall out of

1600

01:12:58,850 --> 01:12:56,820
the sky they would track it down they

1601

01:13:01,070 --> 01:12:58,860

would recover it

1602

01:13:03,890 --> 01:13:01,080

um and you know some people in the UFO

1603

01:13:06,229 --> 01:13:03,900

World also think that Mundus would go

1604

01:13:09,470 --> 01:13:06,239

after and recover you know like a

1605

01:13:12,950 --> 01:13:09,480

spaceship or something like that or or

1606

01:13:15,110 --> 01:13:12,960

whatever so these reports are pretty

1607

01:13:17,570 --> 01:13:15,120

interesting because they're a part of

1608

01:13:20,450 --> 01:13:17,580

the UFO documents so if something was

1609

01:13:23,030 --> 01:13:20,460

unidentified it crashed it landed and

1610

01:13:25,370 --> 01:13:23,040

moon dust was tasked to go pick it up

1611

01:13:30,590 --> 01:13:25,380

so this happens to be on the 28th of

1612

01:13:34,910 --> 01:13:32,390

a couple interesting things you learn

1613

01:13:36,830 --> 01:13:34,920

here about Moon dust from this document

1614

01:13:39,830 --> 01:13:36,840
is that they're based out of Fort

1615

01:13:41,530 --> 01:13:39,840
Balfour in Virginia

1616

01:13:45,890 --> 01:13:41,540
and a part of the uh

1617

01:13:47,930 --> 01:13:45,900
1127th USAF field activities group

1618

01:13:49,850 --> 01:13:47,940
it's pretty interesting so if you wanted

1619

01:13:52,729 --> 01:13:49,860
to maybe foia something like that that

1620

01:13:57,830 --> 01:13:55,130
we have here that the reported incident

1621

01:14:01,250 --> 01:13:57,840
was observed by several civilian police

1622

01:14:05,090 --> 01:14:03,530
so we got these police officers who saw

1623

01:14:08,270 --> 01:14:05,100
this thing

1624

01:14:12,890 --> 01:14:08,280
fall to the ground and moon dust was to

1625

01:14:17,689 --> 01:14:16,010
so you can see here

1626

01:14:21,950 --> 01:14:17,699

um

1627

01:14:25,130 --> 01:14:21,960

that the crashed involved Moon dust so

1628

01:14:27,290 --> 01:14:25,140

we have a UFO crash as UFO means

1629

01:14:29,270 --> 01:14:27,300

spaceship Noah but it is an unidentified

1630

01:14:31,970 --> 01:14:29,280

flying object that crashed

1631

01:14:34,490 --> 01:14:31,980

and then went to go check it out

1632

01:14:39,890 --> 01:14:34,500

so

1633

01:14:45,110 --> 01:14:42,830

about this is

1634

01:14:46,910 --> 01:14:45,120

that they say

1635

01:14:50,630 --> 01:14:46,920

so it was in the paper too that was

1636

01:14:54,470 --> 01:14:52,669

so they say that they found the object

1637

01:14:57,050 --> 01:14:54,480

and what they found was some charred

1638

01:15:00,410 --> 01:14:57,060

debris and what looked like pieces of a

1639

01:15:05,450 --> 01:15:02,930

so they go they find charred debris in

1640

01:15:08,810 --> 01:15:05,460

pieces of what looked like a parachute

1641

01:15:11,990 --> 01:15:08,820

right so

1642

01:15:14,890 --> 01:15:12,000

if you're the Air Force

1643

01:15:18,050 --> 01:15:14,900

and

1644

01:15:19,669 --> 01:15:18,060

you are

1645

01:15:22,010 --> 01:15:19,679

you know you found this piece of

1646

01:15:27,290 --> 01:15:22,020

parachute chart debris what do you think

1647

01:15:31,189 --> 01:15:29,810

like it would be unidentified

1648

01:15:34,550 --> 01:15:31,199

a parachute

1649

01:15:39,530 --> 01:15:37,130

could be any of those things I'll tell

1650

01:15:42,890 --> 01:15:39,540

you one thing

1651
01:15:46,070 --> 01:15:42,900
that I would not categorize categorize

1652
01:15:52,070 --> 01:15:46,080
it as and that would be

1653
01:15:56,270 --> 01:15:54,470
uh why do I say that

1654
01:16:00,470 --> 01:15:56,280
because

1655
01:16:05,570 --> 01:16:03,590
so what kind of meteorite

1656
01:16:09,410 --> 01:16:05,580
we've tried to breed and pieces of a

1657
01:16:09,420 --> 01:16:13,310
I don't know

1658
01:16:16,610 --> 01:16:14,390
foreign

1659
01:16:18,770 --> 01:16:16,620
not that exciting but it's pretty

1660
01:16:19,669 --> 01:16:18,780
interesting to me I guess because you

1661
01:16:21,830 --> 01:16:19,679
can see

1662
01:16:25,030 --> 01:16:21,840
and that's where some of the distrust

1663
01:16:29,090 --> 01:16:27,470

so you can look at their this is the Air

1664

01:16:32,390 --> 01:16:29,100

Force's sighting list and you can look

1665

01:16:35,689 --> 01:16:32,400

at the the 28th here and that's the

1666

01:16:39,890 --> 01:16:35,699

Wichita Falls Texas multi uh Witnesses

1667

01:16:42,770 --> 01:16:39,900

astral meteor well guess what it was not

1668

01:16:44,750 --> 01:16:42,780

because they found Char debris my pieces

1669

01:16:47,330 --> 01:16:44,760

of parachute but then they go and tell

1670

01:16:49,550 --> 01:16:47,340

everybody it's a meteor

1671

01:16:51,350 --> 01:16:49,560

so why are you lying

1672

01:16:52,910 --> 01:16:51,360

maybe it was Sputnik and they didn't

1673

01:16:58,310 --> 01:16:52,920

want anyone to know that they recovered

1674

01:17:03,709 --> 01:16:59,689

let's go and lie to everyone and tell

1675

01:17:09,530 --> 01:17:07,430

that comes up time and time again

1676

01:17:12,350 --> 01:17:09,540

um Dave Mills is this still going on

1677

01:17:15,470 --> 01:17:12,360

moon dust I don't think so

1678

01:17:17,090 --> 01:17:15,480

I don't know when it stopped but they I

1679

01:17:18,770 --> 01:17:17,100

would

1680

01:17:21,350 --> 01:17:18,780

have to believe that they have other

1681

01:17:23,270 --> 01:17:21,360

crash recovery teams

1682

01:17:25,189 --> 01:17:23,280

you know collecting other satellites or

1683

01:17:31,370 --> 01:17:25,199

whatever that crashes or space objects

1684

01:17:35,030 --> 01:17:33,050

you know the thing about Moon dust is

1685

01:17:37,189 --> 01:17:35,040

people always go did the government have

1686

01:17:40,550 --> 01:17:37,199

crash recovery teams we know they had

1687

01:17:44,630 --> 01:17:43,310

you know so if something crashed and it

1688

01:17:47,930 --> 01:17:44,640

was

1689

01:17:50,209 --> 01:17:47,940

space because think of it when they had

1690

01:17:53,870 --> 01:17:50,219

this it was 1960 whatever 59 there was

1691

01:17:56,570 --> 01:17:53,880

only like Sputnik that would crash

1692

01:18:02,330 --> 01:17:56,580

so if something fell

1693

01:18:06,169 --> 01:18:04,130

but you know like I said earlier with

1694

01:18:09,530 --> 01:18:06,179

Jay there's unfortunately not one

1695

01:18:18,890 --> 01:18:09,540

government document that proves that

1696

01:18:23,209 --> 01:18:21,709

good point Dave what avilo will be

1697

01:18:25,790 --> 01:18:23,219

looking for might already have been

1698

01:18:31,189 --> 01:18:25,800

looked for I think

1699

01:18:35,030 --> 01:18:32,750

and I would have to I would have to

1700

01:18:38,330 --> 01:18:35,040

believe so because moondust when they

1701

01:18:40,310 --> 01:18:38,340

were uh recovering crash pieces or

1702

01:18:43,430 --> 01:18:40,320

whatever crashed you know they would go

1703

01:18:46,729 --> 01:18:43,440

all over the world in fact most public

1704

01:18:48,830 --> 01:18:46,739

moondust reports I even want to say all

1705

01:18:52,310 --> 01:18:48,840

of them are across country they're not

1706

01:18:54,169 --> 01:18:52,320

the United States they're in Nepal or or

1707

01:18:58,970 --> 01:18:54,179

other places around the country moondust

1708

01:19:04,729 --> 01:19:01,250

and the Avi lobe thing I think is around

1709

01:19:06,470 --> 01:19:04,739

Papua New Guinea so I'm sure they they

1710

01:19:08,030 --> 01:19:06,480

would have to have the same type of

1711

01:19:10,330 --> 01:19:08,040

group going out there looking for stuff

1712

01:19:13,850 --> 01:19:10,340

and yeah I would think it's probably

1713

01:19:15,410 --> 01:19:13,860

pretty on point that they've the U.S

1714

01:19:18,530 --> 01:19:15,420

government has already probably went and

1715

01:19:23,990 --> 01:19:20,810

and it's interesting too because I don't

1716

01:19:26,270 --> 01:19:24,000

think they even admitted to the public

1717

01:19:28,850 --> 01:19:26,280

that it was a

1718

01:19:32,330 --> 01:19:28,860

um Interstellar object until like years

1719

01:19:34,729 --> 01:19:32,340

later why is that

1720

01:19:36,169 --> 01:19:34,739

maybe because somebody like Dr Avi lope

1721

01:19:39,110 --> 01:19:36,179

would come along

1722

01:19:41,390 --> 01:19:39,120

and try to recover it

1723

01:19:43,910 --> 01:19:41,400

wanted to do that first

1724

01:19:46,310 --> 01:19:43,920

maybe they did recover it

1725

01:19:51,950 --> 01:19:46,320

and so now there's another like uh yeah

1726

01:19:56,510 --> 01:19:54,350

you know

1727

01:19:58,189 --> 01:19:56,520

do I know that for sure of course not

1728

01:20:02,510 --> 01:19:58,199

but it would

1729

01:20:05,990 --> 01:20:03,830

if you're the government and you're

1730

01:20:09,050 --> 01:20:06,000

trying to recover an Interstellar

1731

01:20:13,250 --> 01:20:09,060

spacecraft not let anyone know

1732

01:20:19,669 --> 01:20:16,250

I want to give you an idea

1733

01:20:24,169 --> 01:20:21,830

because what's talked about sometimes is

1734

01:20:25,910 --> 01:20:24,179

with crash recoveries and they get this

1735

01:20:30,169 --> 01:20:25,920

stuff maybe they put it in the public

1736

01:20:35,270 --> 01:20:33,169

what this is an example of how that

1737

01:20:40,189 --> 01:20:35,280

works

1738

01:20:44,510 --> 01:20:42,649

but it's very detailed

1739

01:20:48,229 --> 01:20:44,520

and this is about what they found over

1740

01:20:52,070 --> 01:20:50,209

an operational report on the on-site

1741

01:20:53,930 --> 01:20:52,080

Nepal moon dust operation has been

1742

01:20:58,669 --> 01:20:53,940

prepared in conjunction

1743

01:21:04,010 --> 01:21:01,070

so now this seemingly is about something

1744

01:21:05,870 --> 01:21:04,020

prosaic maybe I think uh Soviet

1745

01:21:11,209 --> 01:21:05,880

but they go to Nepal they check it out

1746

01:21:16,070 --> 01:21:14,090

and the interesting thing is here they

1747

01:21:21,350 --> 01:21:16,080

say things like fabrication techniques

1748

01:21:25,070 --> 01:21:23,330

and look at this number three potential

1749

01:21:28,729 --> 01:21:25,080

gains

1750

01:21:32,390 --> 01:21:30,590

extremely low-cost manufacturing

1751
01:21:35,510 --> 01:21:32,400
techniques could be fully demonstrated

1752
01:21:46,669 --> 01:21:35,520
to U.S industry immediate exploitation

1753
01:21:52,370 --> 01:21:49,669
Advanced fabrication technique

1754
01:21:56,810 --> 01:21:52,380
so here

1755
01:22:04,010 --> 01:22:01,070
recovering a Soviet rocket or whatever

1756
01:22:06,530 --> 01:22:04,020
saying it's state of the art and this is

1757
01:22:09,350 --> 01:22:06,540
how we're going to exploit it

1758
01:22:12,649 --> 01:22:09,360
and tell us industry

1759
01:22:14,930 --> 01:22:12,659
which is what Colonel corso and other

1760
01:22:16,910 --> 01:22:14,940
people have said that we've done with

1761
01:22:20,290 --> 01:22:16,920
UFOs

1762
01:22:25,910 --> 01:22:20,300
so that whole process exists

1763
01:22:32,450 --> 01:22:27,770

the only question is

1764

01:22:36,649 --> 01:22:34,970

okay y'all I'm gonna get out of here I

1765

01:22:39,160 --> 01:22:36,659

feel like I can be kind of boring when

1766

01:22:41,510 --> 01:22:39,170

I'm by myself

1767

01:22:43,310 --> 01:22:41,520

[Laughter]

1768

01:22:45,110 --> 01:22:43,320

but I had a great time with you thanks

1769

01:22:47,570 --> 01:22:45,120

everybody for coming

1770

01:22:50,689 --> 01:22:47,580

back checking out the show hope you had

1771

01:22:55,130 --> 01:22:50,699

a good time I had a good time talking

1772

01:22:57,410 --> 01:22:55,140

um hopefully we'll do this again soon

1773

01:23:03,770 --> 01:22:57,420

and maybe I don't know maybe get some

1774

01:23:03,780 --> 01:23:06,830

we'll see

1775

01:23:10,970 --> 01:23:09,169

and yeah have a great weekend

1776

01:23:13,430 --> 01:23:10,980

I do appreciate you

1777

01:23:15,760 --> 01:23:13,440

like the video subscribe if you haven't

1778

01:23:41,890 --> 01:23:15,770

peace
