

WITNESS

C I T I Z E N

1
00:00:06,420 --> 00:00:03,350
what's up this is Sean rush and you're

2
00:00:36,110 --> 00:00:06,430
watching witness citizen

3
00:00:40,990 --> 00:00:38,240
foreign

4
00:00:43,610 --> 00:00:41,000
[Music]

5
00:00:47,030 --> 00:00:43,620
what's up guys thanks for joining me

6
00:00:50,270 --> 00:00:47,040
this is witness citizen uh Sean

7
00:00:52,790 --> 00:00:50,280
is also something I go by

8
00:00:55,250 --> 00:00:52,800
if you didn't know uh what's up to

9
00:00:58,310 --> 00:00:55,260
everybody in the chat Andres Joe

10
00:01:02,689 --> 00:00:58,320
Florence what's up man it's a weird name

11
00:01:07,190 --> 00:01:05,750
I know Joe Florey it's a set okay Greg T

12
00:01:10,730 --> 00:01:07,200
music

13
00:01:14,030 --> 00:01:10,740

sud saver Parker Osmond wash hands

14

00:01:15,649 --> 00:01:14,040

what's going on glad everybody's here so

15

00:01:17,450 --> 00:01:15,659

today

16

00:01:19,850 --> 00:01:17,460

oh thanks for saying that nice little

17

00:01:22,490 --> 00:01:19,860

tune I appreciate it it was fun to make

18

00:01:26,330 --> 00:01:22,500

got the little guitar got the little

19

00:01:28,910 --> 00:01:26,340

guitar solo e kind of thing a little uh

20

00:01:31,249 --> 00:01:28,920

UFO singing

21

00:01:34,609 --> 00:01:31,259

I like it I like it

22

00:01:36,289 --> 00:01:34,619

oh inch man just so many compliments

23

00:01:38,630 --> 00:01:36,299

today I don't even know

24

00:01:41,170 --> 00:01:38,640

what to do with all that that is super

25

00:01:45,469 --> 00:01:41,180

nice thank you

26

00:01:49,130 --> 00:01:47,270

um Led Zeppelin

27

00:01:50,990 --> 00:01:49,140

and myself have a very intimate

28

00:01:53,690 --> 00:01:51,000

relationship

29

00:01:56,450 --> 00:01:53,700

uh when I was a kid

30

00:01:58,609 --> 00:01:56,460

in high school and

31

00:02:01,249 --> 00:01:58,619

you know I realized I wasn't going to be

32

00:02:04,789 --> 00:02:01,259

a famous NBA basketball player

33

00:02:06,289 --> 00:02:04,799

I decided to uh start playing start

34

00:02:09,770 --> 00:02:06,299

playing music

35

00:02:11,150 --> 00:02:09,780

and Led Zeppelin and headphones in my

36

00:02:13,850 --> 00:02:11,160

bedroom

37

00:02:16,430 --> 00:02:13,860

and some other things that I won't

38

00:02:19,729 --> 00:02:16,440

mention were

39

00:02:21,170 --> 00:02:19,739

uh my jam that was uh that was very cool

40

00:02:23,510 --> 00:02:21,180

for me

41

00:02:25,010 --> 00:02:23,520

you know it just takes a different place

42

00:02:26,690 --> 00:02:25,020

especially with the headphones on it

43

00:02:27,830 --> 00:02:26,700

takes you to a different place it's just

44

00:02:29,630 --> 00:02:27,840

like

45

00:02:32,390 --> 00:02:29,640

you know I might have to do that again

46

00:02:35,510 --> 00:02:34,070

you know these days because it's been a

47

00:02:37,910 --> 00:02:35,520

while and I haven't really even been

48

00:02:40,010 --> 00:02:37,920

listening to much music these days but

49

00:02:43,250 --> 00:02:40,020

some Led Zeppelin and headphones maybe

50

00:02:46,430 --> 00:02:43,260

maybe time to get back to that a little

51
00:02:48,670 --> 00:02:46,440
bit Tay maybe I don't know but if you

52
00:02:53,390 --> 00:02:48,680
haven't heard

53
00:02:55,729 --> 00:02:53,400
there's been some news on the old UFO

54
00:02:56,990 --> 00:02:55,739
legislation I know everybody calls it

55
00:02:58,729 --> 00:02:57,000
UAP

56
00:03:01,729 --> 00:02:58,739
but for those

57
00:03:03,530 --> 00:03:01,739
um who who don't really follow that

58
00:03:06,949 --> 00:03:03,540
um I just you know called it UFO to make

59
00:03:08,869 --> 00:03:06,959
it simple so people know uh what I'm

60
00:03:11,930 --> 00:03:08,879
talking about

61
00:03:15,110 --> 00:03:11,940
and you know the UFO legislation has

62
00:03:17,449 --> 00:03:15,120
been kind of an ongoing uh struggle I

63
00:03:19,670 --> 00:03:17,459

would say

64
00:03:23,990 --> 00:03:19,680
um there has been some success as far as

65
00:03:27,530 --> 00:03:24,000
you know the formation of Arrow

66
00:03:30,170 --> 00:03:27,540
um in within the dod they delivered uh

67
00:03:32,690 --> 00:03:30,180
one report under a previous name called

68
00:03:35,270 --> 00:03:32,700
UAP task force and the report was I

69
00:03:37,250 --> 00:03:35,280
don't know it was fine I guess

70
00:03:39,470 --> 00:03:37,260
um

71
00:03:41,390 --> 00:03:39,480
and the Aero folks testified for

72
00:03:43,130 --> 00:03:41,400
Congressional UFO hearings which was

73
00:03:45,410 --> 00:03:43,140
something which was again which was like

74
00:03:48,830 --> 00:03:45,420
yeah okay

75
00:03:50,809 --> 00:03:48,840
um the hearings itself kind of stunk but

76

00:03:53,630 --> 00:03:50,819

you know stuff's actually happening

77

00:03:56,630 --> 00:03:53,640

which is something you can't say

78

00:03:59,990 --> 00:03:56,640

about UFOs and government uh for many

79

00:04:03,229 --> 00:04:00,000

many many many many many years so that

80

00:04:07,309 --> 00:04:04,789

um

81

00:04:09,050 --> 00:04:07,319

so the recent kind of UFO stuff is first

82

00:04:11,990 --> 00:04:09,060

of all we're waiting for another report

83

00:04:14,210 --> 00:04:12,000

from them which is uh over a month late

84

00:04:16,250 --> 00:04:14,220

so I'm not holding my breath that will

85

00:04:18,890 --> 00:04:16,260

actually you know when we'll actually

86

00:04:20,569 --> 00:04:18,900

see that I think we will

87

00:04:23,510 --> 00:04:20,579

um

88

00:04:25,850 --> 00:04:23,520

you know but who am I to say I'm not you

89

00:04:27,590 --> 00:04:25,860

know I'm not some legislation person

90

00:04:29,510 --> 00:04:27,600

Congress person knowing that what's

91

00:04:32,270 --> 00:04:29,520

actually going on I'm just taking a wild

92

00:04:34,610 --> 00:04:32,280

guess that we will actually get it at

93

00:04:36,290 --> 00:04:34,620

some point when I have no idea what

94

00:04:38,270 --> 00:04:36,300

it'll say

95

00:04:40,909 --> 00:04:38,280

no clue

96

00:04:42,950 --> 00:04:40,919

but it'll probably come at some point

97

00:04:46,129 --> 00:04:42,960

eventually Maybe

98

00:04:54,409 --> 00:04:49,070

but the the new kind of uh legislation

99

00:04:57,530 --> 00:04:54,419

is uh this ndaa uh language so it's the

100

00:04:58,730 --> 00:04:57,540

uh basically the defense bill that

101
00:05:01,370 --> 00:04:58,740
they're trying to pass and you probably

102
00:05:03,290 --> 00:05:01,380
hear a lot of that on the news as far as

103
00:05:05,210 --> 00:05:03,300
they're trying to pass but you know the

104
00:05:08,090 --> 00:05:05,220
one side won't budge unless they drop

105
00:05:10,129 --> 00:05:08,100
the covid Mandate and all this kind of

106
00:05:11,870 --> 00:05:10,139
stuff you know holding it hostage for

107
00:05:14,450 --> 00:05:11,880
that but you know I think it's getting

108
00:05:17,450 --> 00:05:14,460
passed

109
00:05:19,430 --> 00:05:17,460
and the one thing that you know is just

110
00:05:22,969 --> 00:05:19,440
so surprising to me that you don't hear

111
00:05:26,689 --> 00:05:22,979
about in this ndaa bill is it's the

112
00:05:30,170 --> 00:05:26,699
freaking UFO stuff like nobody is

113
00:05:32,689 --> 00:05:30,180

covering it no one is covering it how is

114

00:05:34,670 --> 00:05:32,699

that not on CNN

115

00:05:36,409 --> 00:05:34,680

or fox or whatever well I know why

116

00:05:39,290 --> 00:05:36,419

because they're bunk media organizations

117

00:05:41,629 --> 00:05:39,300

and you know they don't really do their

118

00:05:45,050 --> 00:05:41,639

job very well but

119

00:05:47,749 --> 00:05:45,060

um there's UFO legislation about to be

120

00:05:50,330 --> 00:05:47,759

passed in the defense bill for the

121

00:05:53,210 --> 00:05:50,340

United States of America

122

00:05:56,689 --> 00:05:53,220

you know and it's not

123

00:05:58,850 --> 00:05:56,699

you know it's it's not like a

124

00:06:00,710 --> 00:05:58,860

there's no ifs ands or buts about it

125

00:06:04,189 --> 00:06:00,720

it's UFO talk

126

00:06:07,670 --> 00:06:04,199

you know that's exactly what it is

127

00:06:09,650 --> 00:06:07,680

and even going further than just UFO

128

00:06:10,850 --> 00:06:09,660

talk and the legislation they're

129

00:06:12,670 --> 00:06:10,860

actually

130

00:06:20,090 --> 00:06:12,680

looking into

131

00:06:24,890 --> 00:06:22,550

and you don't see a wink of it on the

132

00:06:29,749 --> 00:06:27,350

you know the stuff like Bob Lazar was

133

00:06:32,270 --> 00:06:29,759

talking about you know

134

00:06:35,450 --> 00:06:32,280

um and other things but like captured

135

00:06:43,270 --> 00:06:38,450

and a reverse engineering program they

136

00:06:45,950 --> 00:06:43,280

are looking into that and it is in

137

00:06:47,930 --> 00:06:45,960

legislation that's about to be passed

138

00:06:49,850 --> 00:06:47,940

pretty crazy

139

00:06:52,610 --> 00:06:49,860

I know a lot of people that didn't think

140

00:06:54,469 --> 00:06:52,620

this day would ever come but it is going

141

00:06:58,430 --> 00:06:54,479

to come now

142

00:06:59,870 --> 00:06:58,440

the language changed from the original

143

00:07:01,790 --> 00:06:59,880

um

144

00:07:04,909 --> 00:07:01,800

from the original Bill language that

145

00:07:07,850 --> 00:07:04,919

they put together a little bit

146

00:07:09,110 --> 00:07:07,860

and this and I provided this link in the

147

00:07:10,370 --> 00:07:09,120

description so you can go check it out

148

00:07:12,650 --> 00:07:10,380

and read it for yourself but this guy

149

00:07:14,629 --> 00:07:12,660

Douglas Dean Johnson it's got a very

150

00:07:16,790 --> 00:07:14,639

peculiar face I doubt it really looks

151
00:07:18,770 --> 00:07:16,800
like that but you know that's the

152
00:07:19,790 --> 00:07:18,780
picture he posts for his face so you

153
00:07:24,469 --> 00:07:19,800
know whatever

154
00:07:26,270 --> 00:07:24,479
but anyways he posted

155
00:07:28,610 --> 00:07:26,280
he's really good with this legislation

156
00:07:31,430 --> 00:07:28,620
in looking at the words and what it

157
00:07:33,409 --> 00:07:31,440
means because they write this stuff in a

158
00:07:36,469 --> 00:07:33,419
very Congressional manner so it can be

159
00:07:39,050 --> 00:07:36,479
hard to decipher certain things

160
00:07:41,150 --> 00:07:39,060
in it because the language is so snooze

161
00:07:44,270 --> 00:07:41,160
worthy and boring

162
00:07:45,950 --> 00:07:44,280
but a couple of the changes here

163
00:07:46,850 --> 00:07:45,960

and this is about to be passed in a

164

00:07:50,390 --> 00:07:46,860

couple days

165

00:07:53,689 --> 00:07:50,400

the first one is a secure method for

166

00:07:56,570 --> 00:07:53,699

authorized reporting Safe Harbor or UAB

167

00:07:57,770 --> 00:07:56,580

whistleblower Provisions so the the main

168

00:08:00,529 --> 00:07:57,780

difference

169

00:08:03,529 --> 00:08:00,539

in this is

170

00:08:07,670 --> 00:08:03,539

people will be able to like let's say

171

00:08:09,409 --> 00:08:07,680

somebody knows about a UFO in the

172

00:08:11,330 --> 00:08:09,419

possession of government and their

173

00:08:15,230 --> 00:08:11,340

reverse engineering and they know about

174

00:08:17,210 --> 00:08:15,240

the program they have to or can

175

00:08:21,409 --> 00:08:17,220

and they don't have to but they can

176

00:08:24,650 --> 00:08:21,419

report it to this office Arrow

177

00:08:27,170 --> 00:08:24,660

all domain anomalies resolution office

178

00:08:30,290 --> 00:08:27,180

through like a secure Channel

179

00:08:32,990 --> 00:08:30,300

and if it's a part of a program that

180

00:08:36,529 --> 00:08:33,000

Congress is not aware of

181

00:08:39,070 --> 00:08:36,539

than the Secretary of Defense

182

00:08:43,670 --> 00:08:39,080

has to report it to Congress

183

00:08:49,190 --> 00:08:45,650

so

184

00:08:52,070 --> 00:08:49,200

many people like George knepper or

185

00:08:53,810 --> 00:08:52,080

Corbell and other people Gary Nolan I

186

00:08:55,250 --> 00:08:53,820

think even maybe Russ coldheart that

187

00:08:57,590 --> 00:08:55,260

mentioned

188

00:08:59,690 --> 00:08:57,600

that they have sources or they know

189

00:09:00,829 --> 00:08:59,700

people that are are willing to do this

190

00:09:03,710 --> 00:09:00,839

and

191

00:09:06,110 --> 00:09:03,720

you know uh

192

00:09:09,170 --> 00:09:06,120

say that they know about this program

193

00:09:11,449 --> 00:09:09,180

so one of the things is retribution if

194

00:09:13,670 --> 00:09:11,459

they report this can somebody take

195

00:09:15,889 --> 00:09:13,680

action against them and you know punish

196

00:09:18,590 --> 00:09:15,899

them basically for doing it like

197

00:09:20,810 --> 00:09:18,600

you know can they get uh a find or

198

00:09:24,110 --> 00:09:20,820

thrown at jail

199

00:09:25,610 --> 00:09:24,120

well no not anymore I guess but it has

200

00:09:29,210 --> 00:09:25,620

to be through this secure reporting

201
00:09:29,220 --> 00:09:33,410
in the old language

202
00:09:39,050 --> 00:09:35,870
when they reported this

203
00:09:42,290 --> 00:09:39,060
if there's retribution it stated I

204
00:09:44,750 --> 00:09:42,300
believe that they could basically Sue

205
00:09:47,449 --> 00:09:44,760
for the retribution you know for damages

206
00:09:50,509 --> 00:09:47,459
for that that part of it has been

207
00:09:53,750 --> 00:09:50,519
dropped that is no longer part of this

208
00:09:56,030 --> 00:09:53,760
now it is up to the Secretary of Defense

209
00:09:58,490 --> 00:09:56,040
to determine what that protection looks

210
00:10:01,070 --> 00:09:58,500
like for them

211
00:10:05,329 --> 00:10:01,080
to me

212
00:10:10,490 --> 00:10:07,070
you know

213
00:10:11,329 --> 00:10:10,500

um oh and also the director of the dni I

214

00:10:12,710 --> 00:10:11,339

believe

215

00:10:15,889 --> 00:10:12,720

I don't know how I feel about that

216

00:10:18,530 --> 00:10:15,899

because if they're

217

00:10:21,110 --> 00:10:18,540

couldn't they like what does that look

218

00:10:22,490 --> 00:10:21,120

like it's too vague like and if you want

219

00:10:23,870 --> 00:10:22,500

people to step forward and talk about

220

00:10:26,030 --> 00:10:23,880

this stuff you have to promise

221

00:10:27,949 --> 00:10:26,040

protections and if the protections are

222

00:10:29,870 --> 00:10:27,959

well it's up to the Secretary of Defense

223

00:10:33,650 --> 00:10:29,880

and director of DNA

224

00:10:38,870 --> 00:10:36,350

what does that mean

225

00:10:42,829 --> 00:10:38,880

you know I think it has to be a little

226

00:10:47,030 --> 00:10:45,050

you know and trustworthy for these

227

00:10:49,069 --> 00:10:47,040

people who are going to come out and

228

00:10:51,410 --> 00:10:49,079

tell secrets that have been hidden from

229

00:10:53,509 --> 00:10:51,420

the American people for decades and

230

00:10:55,310 --> 00:10:53,519

decades and decades potentially

231

00:10:59,269 --> 00:10:55,320

right

232

00:11:01,370 --> 00:10:59,279

so with at least before they could try

233

00:11:03,829 --> 00:11:01,380

to go for some sort of you know

234

00:11:07,430 --> 00:11:05,810

thing you know they could try to get

235

00:11:10,190 --> 00:11:07,440

some money from it so maybe there was

236

00:11:12,650 --> 00:11:10,200

some incentive there but with with this

237

00:11:16,009 --> 00:11:12,660

and if I was somebody who was gonna talk

238

00:11:17,569 --> 00:11:16,019

about it and I saw this new language

239

00:11:19,610 --> 00:11:17,579

not saying that I would say anything

240

00:11:22,550 --> 00:11:19,620

with the old language but but this

241

00:11:25,430 --> 00:11:22,560

language I I don't know I don't know

242

00:11:32,810 --> 00:11:25,440

I don't know

243

00:11:37,250 --> 00:11:35,509

you know they say they'll be protected

244

00:11:38,990 --> 00:11:37,260

you just don't really know what that

245

00:11:42,050 --> 00:11:39,000

looks like unfortunately

246

00:11:43,490 --> 00:11:42,060

so hopefully if somebody would want to

247

00:11:45,650 --> 00:11:43,500

say something they would get a little

248

00:11:47,650 --> 00:11:45,660

clear picture on what that does look

249

00:11:51,949 --> 00:11:47,660

like

250

00:11:57,530 --> 00:11:56,090

is the historical record report

251

00:11:59,810 --> 00:11:57,540

so

252

00:12:03,590 --> 00:11:59,820

at first the general Accounting Office

253

00:12:06,769 --> 00:12:03,600

which was an arm of Congress was to put

254

00:12:09,410 --> 00:12:06,779

together a report on all UFO programs

255

00:12:15,290 --> 00:12:09,420

from intelligence agencies dating back

256

00:12:21,110 --> 00:12:18,829

that's changed and now it's up to Arrow

257

00:12:24,230 --> 00:12:21,120

to do this

258

00:12:25,970 --> 00:12:24,240

and it goes back to 1945 now why did

259

00:12:28,490 --> 00:12:25,980

they make that change some people hinted

260

00:12:31,910 --> 00:12:28,500

that the change to an earlier date of

261

00:12:33,590 --> 00:12:31,920

1945 is because of the Trinity case in

262

00:12:36,769 --> 00:12:33,600

the book Jacques valet put together

263

00:12:38,690 --> 00:12:36,779

about this thing that crashed that two

264

00:12:41,509 --> 00:12:38,700

kids saw

265

00:12:44,449 --> 00:12:41,519

and it was uh you know taken away by the

266

00:12:47,389 --> 00:12:44,459

Army basically so

267

00:12:49,009 --> 00:12:47,399

which is kind of interesting so it like

268

00:12:51,110 --> 00:12:49,019

are they making their Congressional

269

00:12:54,650 --> 00:12:51,120

language based off a book jacquet

270

00:12:57,530 --> 00:12:54,660

Jacques valet wrote I'm not sure

271

00:12:59,990 --> 00:12:57,540

we know Gary Nolan briefed Gallagher on

272

00:13:01,250 --> 00:13:00,000

the Wilson Davis notes and that's pretty

273

00:13:03,290 --> 00:13:01,260

much why it was mentioned in the

274

00:13:05,509 --> 00:13:03,300

Congressional hearings hearing Nolan is

275

00:13:07,850 --> 00:13:05,519

good friends with Jacques valet who

276

00:13:10,550 --> 00:13:07,860

wrote the book about Trinity in 1945 in

277

00:13:12,949 --> 00:13:10,560

the UFO crash so I think it could be

278

00:13:14,870 --> 00:13:12,959

safe to say that maybe that is why they

279

00:13:17,930 --> 00:13:14,880

moved the data

280

00:13:19,790 --> 00:13:17,940

um and it is pretty interesting how uh

281

00:13:24,410 --> 00:13:19,800

Gary Nolan has that influence over this

282

00:13:29,150 --> 00:13:26,990

I must say it that that is very

283

00:13:31,009 --> 00:13:29,160

interesting

284

00:13:33,290 --> 00:13:31,019

I think he's a billionaire so I don't

285

00:13:35,629 --> 00:13:33,300

know if that has anything to do with it

286

00:13:37,730 --> 00:13:35,639

or not but

287

00:13:40,370 --> 00:13:37,740

um you know so

288

00:13:43,250 --> 00:13:40,380

either way that's good you know there's

289

00:13:46,190 --> 00:13:43,260

also other things going on the you know

290

00:13:48,290 --> 00:13:46,200

Foo Fighters and stuff but

291

00:13:49,730 --> 00:13:48,300

um so that's interesting so but they

292

00:13:53,030 --> 00:13:49,740

have like a year and a half to do this

293

00:13:55,370 --> 00:13:53,040

so you know if if you're curious as to

294

00:13:58,550 --> 00:13:55,380

how long all this will take that should

295

00:14:00,530 --> 00:13:58,560

really let you know that it's going to

296

00:14:04,610 --> 00:14:00,540

be

297

00:14:06,710 --> 00:14:04,620

kind of a slow moving uh thing here a

298

00:14:08,329 --> 00:14:06,720

year and a half to report on all this

299

00:14:10,790 --> 00:14:08,339

stuff by the way

300

00:14:13,550 --> 00:14:10,800

so

301
00:14:15,470 --> 00:14:13,560
you know we're we're gonna find out and

302
00:14:18,590 --> 00:14:15,480
I've said this before but like all this

303
00:14:21,530 --> 00:14:18,600
you know everything moves kind of like a

304
00:14:24,350 --> 00:14:21,540
snail's pace here so I don't think

305
00:14:26,329 --> 00:14:24,360
like any of this is really it doesn't

306
00:14:29,090 --> 00:14:26,339
seem at least like any

307
00:14:30,910 --> 00:14:29,100
you know type of emergency

308
00:14:34,910 --> 00:14:30,920
per se

309
00:14:36,290 --> 00:14:34,920
or threat if it was a threat I think

310
00:14:38,090 --> 00:14:36,300
they would be taking more immediate

311
00:14:41,090 --> 00:14:38,100
action

312
00:14:43,790 --> 00:14:41,100
this is kind of taking a form to me of a

313
00:14:46,250 --> 00:14:43,800

scientific type inquiry

314

00:14:47,990 --> 00:14:46,260

but what they're doing is uh yeah

315

00:14:50,569 --> 00:14:48,000

they're looking back on any programs

316

00:14:52,670 --> 00:14:50,579

that the government has ran as far as

317

00:14:54,050 --> 00:14:52,680

UFOs like you have blue book and all

318

00:14:55,970 --> 00:14:54,060

that kind of stuff but they're also

319

00:14:58,189 --> 00:14:55,980

looking at classified information as

320

00:15:00,290 --> 00:14:58,199

well so it's very interesting because

321

00:15:03,050 --> 00:15:00,300

all we can see the people the documents

322

00:15:05,810 --> 00:15:03,060

I post the books that are written about

323

00:15:08,090 --> 00:15:05,820

UFOs and everything they all rely on

324

00:15:10,069 --> 00:15:08,100

unclassified material that's out in the

325

00:15:12,470 --> 00:15:10,079

public so being able to look at the

326

00:15:13,970 --> 00:15:12,480

classified stuff I think is the most

327

00:15:16,790 --> 00:15:13,980

important part and they will be looking

328

00:15:19,129 --> 00:15:16,800

at that which is great and another thing

329

00:15:21,650 --> 00:15:19,139

that they're looking at is any

330

00:15:24,040 --> 00:15:21,660

misinformation

331

00:15:24,530 --> 00:15:24,050

that

332

00:15:26,030 --> 00:15:24,540

[Music]

333

00:15:28,069 --> 00:15:26,040

um

334

00:15:30,410 --> 00:15:28,079

that has been you know any

335

00:15:32,269 --> 00:15:30,420

misinformation that the intelligence

336

00:15:35,389 --> 00:15:32,279

agencies has

337

00:15:38,269 --> 00:15:35,399

you know put into the public to to cover

338

00:15:40,730 --> 00:15:38,279

up any of this kind of stuff so

339

00:15:43,009 --> 00:15:40,740

you know that's one of the big deals

340

00:15:45,110 --> 00:15:43,019

with the UFO Topic in uh you know a part

341

00:15:47,629 --> 00:15:45,120

of the conspiracy aspect of the UFO

342

00:15:49,610 --> 00:15:47,639

world is government agencies lying about

343

00:15:53,090 --> 00:15:49,620

this stuff to the American people

344

00:15:56,210 --> 00:15:53,100

you know uh when possibly full well

345

00:15:58,490 --> 00:15:56,220

knowing that this stuff does exist you

346

00:15:59,870 --> 00:15:58,500

know UFOs and all that kind of stuff so

347

00:16:02,090 --> 00:15:59,880

they're going to look into that as well

348

00:16:04,610 --> 00:16:02,100

and get a report on that and it's going

349

00:16:06,949 --> 00:16:04,620

to take a year and a half so I'll see

350

00:16:09,470 --> 00:16:06,959

you then

351

00:16:12,530 --> 00:16:09,480

so it might take a while but it but it's

352

00:16:14,629 --> 00:16:12,540

uh it's happening Nigel has a good point

353

00:16:17,210 --> 00:16:14,639

here it makes no sense to have the dod

354

00:16:18,530 --> 00:16:17,220

involved in the decision on protections

355

00:16:26,269 --> 00:16:18,540

yeah

356

00:16:28,009 --> 00:16:26,279

every aspect of this and it's been said

357

00:16:31,250 --> 00:16:28,019

before that's not the right place to

358

00:16:33,470 --> 00:16:31,260

have this and I would uh concur

359

00:16:34,810 --> 00:16:33,480

I would say it's a probably a terrible

360

00:16:38,030 --> 00:16:34,820

place to have it

361

00:16:40,790 --> 00:16:38,040

since they're really the ones that would

362

00:16:43,189 --> 00:16:40,800

be ultimately responsible for covering

363

00:16:45,710 --> 00:16:43,199

up any of this if there really truly was

364

00:16:48,350 --> 00:16:45,720

a cover-up it would be the Department of

365

00:16:53,509 --> 00:16:50,269

and now they're the leaders of all this

366

00:16:55,850 --> 00:16:53,519

you know UFO stuff so

367

00:16:58,850 --> 00:16:55,860

I think that's kind of weird and I mean

368

00:17:01,430 --> 00:16:58,860

that's where Lou Elizondo resigned from

369

00:17:03,949 --> 00:17:01,440

you know the Whistleblower

370

00:17:05,990 --> 00:17:03,959

so

371

00:17:08,150 --> 00:17:06,000

I don't know

372

00:17:09,829 --> 00:17:08,160

we'll see but it's going to be a long

373

00:17:11,630 --> 00:17:09,839

haul anyone hoping for disclosure

374

00:17:13,850 --> 00:17:11,640

tomorrow doesn't seem like anything like

375

00:17:16,010 --> 00:17:13,860

that's going to happen

376

00:17:18,049 --> 00:17:16,020

and you know we were told by different

377

00:17:19,850 --> 00:17:18,059

people let it but that it would be kind

378

00:17:24,169 --> 00:17:19,860

of a long process

379

00:17:27,230 --> 00:17:24,179

so no surprise there really

380

00:17:30,409 --> 00:17:27,240

but yeah I don't know

381

00:17:32,090 --> 00:17:30,419

we'll see what happens with that stuff

382

00:17:35,930 --> 00:17:32,100

you know at some point you kind of have

383

00:17:38,090 --> 00:17:35,940

to make the decision to like

384

00:17:40,909 --> 00:17:38,100

because a lot of people in the UFO

385

00:17:44,210 --> 00:17:40,919

Community just uh think that

386

00:17:48,789 --> 00:17:44,220

the government lies about it all

387

00:17:52,549 --> 00:17:51,169

so if the government's looking into this

388

00:17:54,470 --> 00:17:52,559

and they're going to give a report on

389

00:17:56,270 --> 00:17:54,480

all this stuff are you going to trust it

390

00:17:57,650 --> 00:17:56,280

what if they come back and they say

391

00:18:00,770 --> 00:17:57,660

there's nothing

392

00:18:03,169 --> 00:18:00,780

we didn't find any uh reverse

393

00:18:04,630 --> 00:18:03,179

engineering projects nobody came to tell

394

00:18:08,270 --> 00:18:04,640

us about anything

395

00:18:11,570 --> 00:18:08,280

there was no misinformation spread and

396

00:18:14,090 --> 00:18:11,580

these are the projects a Blue Book

397

00:18:16,370 --> 00:18:14,100

you know sign and Grudge and that's it

398

00:18:18,110 --> 00:18:16,380

what if they come back and say that

399

00:18:20,570 --> 00:18:18,120

you know

400

00:18:21,770 --> 00:18:20,580

I know what would happen everybody would

401
00:18:23,270 --> 00:18:21,780
say

402
00:18:25,130 --> 00:18:23,280
you're lying

403
00:18:26,930 --> 00:18:25,140
that's BS

404
00:18:29,930 --> 00:18:26,940
right because we've been through this

405
00:18:33,470 --> 00:18:31,549
so what if they come back and say yeah

406
00:18:35,690 --> 00:18:33,480
we did find stuff

407
00:18:37,990 --> 00:18:35,700
you're going to believe that right

408
00:18:40,310 --> 00:18:38,000
why when you didn't believe him before

409
00:18:41,810 --> 00:18:40,320
so that's something I think you have to

410
00:18:43,310 --> 00:18:41,820
ask yourself

411
00:18:47,990 --> 00:18:43,320
is how much are you going to actually

412
00:18:52,850 --> 00:18:49,850
and what's that confirmation look like

413
00:18:52,860 --> 00:18:56,750

you know

414

00:19:02,390 --> 00:18:59,690

yeah like Craig says it's just a dream

415

00:19:04,970 --> 00:19:02,400

it's just a dream

416

00:19:08,210 --> 00:19:06,470

a lot of questions you have to think

417

00:19:11,570 --> 00:19:08,220

about

418

00:19:14,710 --> 00:19:11,580

you know is is what to believe in in how

419

00:19:21,590 --> 00:19:19,010

the one thing I'll say about uh

420

00:19:23,990 --> 00:19:21,600

this whole uh Congress thing you know

421

00:19:26,630 --> 00:19:24,000

recently well not recently but it's been

422

00:19:28,789 --> 00:19:26,640

a bit now that Lou Elizondo has kind of

423

00:19:31,970 --> 00:19:28,799

gone quiet right I mean he's done so

424

00:19:34,850 --> 00:19:31,980

many podcasts so many appearances

425

00:19:37,850 --> 00:19:34,860

and and then he just uh disappeared

426
00:19:42,049 --> 00:19:40,190
and the people you know come up with

427
00:19:44,270 --> 00:19:42,059
reasons for that well this was obviously

428
00:19:47,330 --> 00:19:44,280
a Psy outcome campaign or whatever but

429
00:19:49,190 --> 00:19:47,340
if you actually listen to him

430
00:19:50,870 --> 00:19:49,200
you would have noticed that his entire

431
00:19:53,750 --> 00:19:50,880
goal

432
00:19:56,090 --> 00:19:53,760
was not to disclose everything he knows

433
00:19:57,710 --> 00:19:56,100
himself it was to get this in the hands

434
00:19:59,930 --> 00:19:57,720
of Congress

435
00:20:03,950 --> 00:19:59,940
where it should rightfully be where laws

436
00:20:08,510 --> 00:20:06,110
it wasn't too disclosed to the American

437
00:20:11,090 --> 00:20:08,520
public everything about UFOs and and

438
00:20:14,930 --> 00:20:11,100

tell us about dead aliens or spaceships

439

00:20:17,210 --> 00:20:14,940

it was to get recognition for the topic

440

00:20:19,730 --> 00:20:17,220

eliminate the stigma so Congress would

441

00:20:24,110 --> 00:20:19,740

take it seriously and actually look into

442

00:20:28,310 --> 00:20:24,120

it and do what they're supposed to do

443

00:20:30,289 --> 00:20:28,320

which should serve the American people

444

00:20:35,270 --> 00:20:30,299

so if you look at Lou Alexander right

445

00:20:35,280 --> 00:20:40,130

so now it's up to

446

00:20:43,430 --> 00:20:41,810

you know Congress to actually follow

447

00:20:47,510 --> 00:20:43,440

through with that and make sure that

448

00:20:51,350 --> 00:20:47,520

things are done uh according to you know

449

00:20:53,870 --> 00:20:51,360

what the American people want right

450

00:20:56,330 --> 00:20:53,880

and we already have a late report and we

451
00:21:00,289 --> 00:20:56,340
have nothing from Congress on that not a

452
00:21:02,330 --> 00:21:00,299
peep as we have are

453
00:21:05,270 --> 00:21:02,340
different narratives different articles

454
00:21:07,370 --> 00:21:05,280
from do two different news outlets that

455
00:21:10,730 --> 00:21:07,380
pretty much contradict each other

456
00:21:18,529 --> 00:21:14,690
such as life in the UFO world I suppose

457
00:21:19,850 --> 00:21:18,539
but that's what we have

458
00:21:22,370 --> 00:21:19,860
so

459
00:21:23,750 --> 00:21:22,380
the next thing I wanted to cover talking

460
00:21:28,250 --> 00:21:23,760
about

461
00:21:32,330 --> 00:21:30,110
there's this whole faction of people

462
00:21:35,450 --> 00:21:32,340
that think

463
00:21:38,750 --> 00:21:35,460

you know Lou ran a sign up on the

464

00:21:42,409 --> 00:21:38,760

American people that tsa all this stuff

465

00:21:44,270 --> 00:21:42,419

is a psychological operation

466

00:21:46,130 --> 00:21:44,280

on American people

467

00:21:48,169 --> 00:21:46,140

the one thing they never tell you is why

468

00:21:50,990 --> 00:21:48,179

and what is the purpose of it right

469

00:21:53,029 --> 00:21:51,000

because it really is no good purpose you

470

00:21:56,930 --> 00:21:53,039

want to protect technology then why even

471

00:21:58,549 --> 00:21:56,940

talk about it that's a terrible idea

472

00:22:00,409 --> 00:21:58,559

if you're coming out and showing videos

473

00:22:03,470 --> 00:22:00,419

of Technology you want to protect what

474

00:22:05,990 --> 00:22:03,480

like that's an oxymoron

475

00:22:08,210 --> 00:22:06,000

you know who's like I don't want to tell

476
00:22:09,830 --> 00:22:08,220
you about my earpods but I'm you know

477
00:22:12,950 --> 00:22:09,840
show you a picture of them that doesn't

478
00:22:16,010 --> 00:22:12,960
make sense but anyways what is a psya

479
00:22:19,549 --> 00:22:16,020
so I posted a link

480
00:22:24,409 --> 00:22:19,559
to a really great

481
00:22:26,029 --> 00:22:24,419
um ex psychological warfare officer

482
00:22:29,870 --> 00:22:26,039
um that you can check out in the

483
00:22:32,810 --> 00:22:29,880
description it's an hour or so long talk

484
00:22:35,450 --> 00:22:32,820
but he you can learn a lot about what an

485
00:22:37,549 --> 00:22:35,460
actual psychological operation is in in

486
00:22:41,330 --> 00:22:37,559
Warfare operation is

487
00:22:42,890 --> 00:22:41,340
what it what the laws are about it and

488
00:22:44,390 --> 00:22:42,900

where they're performed first of all

489

00:22:47,330 --> 00:22:44,400

they're performed by the Army there's

490

00:22:49,610 --> 00:22:47,340

about four groups of them that do it

491

00:22:52,250 --> 00:22:49,620

and

492

00:22:55,070 --> 00:22:52,260

you can't do it

493

00:22:57,590 --> 00:22:55,080

on American soil

494

00:23:00,710 --> 00:22:57,600

you can't perform a psychological

495

00:23:03,610 --> 00:23:00,720

operation against your own country it's

496

00:23:03,620 --> 00:23:08,930

that's that's not how it works

497

00:23:13,549 --> 00:23:11,750

they do these in different countries

498

00:23:16,010 --> 00:23:13,559

like um

499

00:23:18,529 --> 00:23:16,020

you know in Afghanistan or when when

500

00:23:21,470 --> 00:23:18,539

that was going on or in Iraq when that

501
00:23:23,630 --> 00:23:21,480
was going on they'll fly planes over the

502
00:23:25,549 --> 00:23:23,640
country and drop pamphlets

503
00:23:28,730 --> 00:23:25,559
right

504
00:23:30,470 --> 00:23:28,740
autonom to surrender their weapons

505
00:23:32,270 --> 00:23:30,480
and they do some creepy stuff where they

506
00:23:34,669 --> 00:23:32,280
take over their Communication channel

507
00:23:36,590 --> 00:23:34,679
for their Command Center and they tell

508
00:23:40,430 --> 00:23:36,600
them to

509
00:23:42,470 --> 00:23:40,440
um you know put away their guns you know

510
00:23:45,649 --> 00:23:42,480
or whatever

511
00:23:48,350 --> 00:23:45,659
or put up a radio station

512
00:23:55,190 --> 00:23:48,360
you know in a foreign country it's

513
00:24:01,370 --> 00:23:57,529

you know so

514

00:24:04,610 --> 00:24:01,380

a psychological warfare operation on the

515

00:24:05,750 --> 00:24:04,620

American people by Lou Elizondo from the

516

00:24:08,810 --> 00:24:05,760

government

517

00:24:11,750 --> 00:24:08,820

is not a thing

518

00:24:14,930 --> 00:24:11,760

that's not a thing

519

00:24:17,510 --> 00:24:14,940

but the flip side is I also see people

520

00:24:21,169 --> 00:24:17,520

like um talking about Julian Barnes a

521

00:24:23,930 --> 00:24:21,179

New York Times article guy or sugao

522

00:24:27,409 --> 00:24:23,940

doing psyops on us

523

00:24:31,190 --> 00:24:27,419

you know about Lou or the UFO thing it's

524

00:24:33,890 --> 00:24:31,200

the same thing that's not how it works

525

00:24:36,049 --> 00:24:33,900

first of all it's illegal

526

00:24:38,149 --> 00:24:36,059

and they can't perform such

527

00:24:41,690 --> 00:24:38,159

psychological operations on the American

528

00:24:44,330 --> 00:24:43,430

now if you want to go down the road of

529

00:24:46,130 --> 00:24:44,340

well

530

00:24:47,510 --> 00:24:46,140

who cares if it's the law they can break

531

00:24:49,549 --> 00:24:47,520

the law they can do whatever they want

532

00:24:52,370 --> 00:24:49,559

then what do we even talking about then

533

00:24:54,770 --> 00:24:52,380

everything goes out the window

534

00:24:56,690 --> 00:24:54,780

right

535

00:24:58,430 --> 00:24:56,700

but you have to start with a base and

536

00:25:01,310 --> 00:24:58,440

how things work and if you put in the

537

00:25:04,370 --> 00:25:01,320

research and check it out that's not how

538

00:25:08,570 --> 00:25:04,380

things work psychological operations do

539

00:25:13,430 --> 00:25:10,730

so

540

00:25:15,350 --> 00:25:13,440

watch the video I posted in the

541

00:25:17,810 --> 00:25:15,360

description to learn a little bit more

542

00:25:21,310 --> 00:25:17,820

about psychological operations for

543

00:25:23,990 --> 00:25:21,320

yourself they also call it miso

544

00:25:26,870 --> 00:25:24,000

m-i-s-o and I think that's actually the

545

00:25:29,810 --> 00:25:26,880

official term for it now it's miso and

546

00:25:30,950 --> 00:25:29,820

they conducted overseas they can't do it

547

00:25:34,730 --> 00:25:30,960

here

548

00:25:37,669 --> 00:25:34,740

so whether it's John Ramirez Jim semivan

549

00:25:39,230 --> 00:25:37,679

Lou Elizondo whoever else you want to

550

00:25:41,750 --> 00:25:39,240

mention

551
00:25:47,090 --> 00:25:41,760
it's not a psychological warfare

552
00:25:52,549 --> 00:25:48,710
so

553
00:25:54,950 --> 00:25:52,559
um because it's a it's a legal

554
00:25:59,149 --> 00:25:54,960
it it is so

555
00:26:01,010 --> 00:25:59,159
um for those of you who don't know that

556
00:26:03,590 --> 00:26:01,020
I thought I would tell you

557
00:26:05,590 --> 00:26:03,600
so I I looked into it you can watch the

558
00:26:07,730 --> 00:26:05,600
video you can even find documents on it

559
00:26:20,330 --> 00:26:07,740
it's all

560
00:26:24,409 --> 00:26:22,490
Edward Snowden who already warned about

561
00:26:26,149 --> 00:26:24,419
illegal government actions

562
00:26:28,490 --> 00:26:26,159
that's the thing if you want to get into

563
00:26:30,890 --> 00:26:28,500

people you know just doing illegal stuff

564

00:26:33,230 --> 00:26:30,900

and not listening to the rules

565

00:26:36,409 --> 00:26:33,240

that's fine but that can that conspiracy

566

00:26:39,110 --> 00:26:36,419

hole will lead you

567

00:26:41,029 --> 00:26:39,120

to Nowhere especially if you can't prove

568

00:26:43,190 --> 00:26:41,039

it you know

569

00:26:45,350 --> 00:26:43,200

um so

570

00:26:46,909 --> 00:26:45,360

I don't know do what you want but I

571

00:26:48,950 --> 00:26:46,919

think I just think it's interesting that

572

00:26:50,570 --> 00:26:48,960

people throw the word Psy up around so

573

00:26:54,950 --> 00:26:50,580

much when

574

00:27:00,830 --> 00:26:57,769

you know like if we wanted a particular

575

00:27:03,110 --> 00:27:00,840

candidate in you know like Malaysia to

576
00:27:04,669 --> 00:27:03,120
be elected

577
00:27:06,070 --> 00:27:04,679
we could run different kind of

578
00:27:10,070 --> 00:27:06,080
psychological

579
00:27:13,610 --> 00:27:10,080
uh campaigns or information campaigns to

580
00:27:16,430 --> 00:27:13,620
you know make that person look good

581
00:27:20,269 --> 00:27:16,440
you know I read something about you know

582
00:27:22,490 --> 00:27:20,279
if we're in like um any country really

583
00:27:24,230 --> 00:27:22,500
but a South American country you know

584
00:27:27,289 --> 00:27:24,240
like Peru

585
00:27:29,810 --> 00:27:27,299
we would run psychological campaigns uh

586
00:27:31,850 --> 00:27:29,820
that were like pro-government if we

587
00:27:34,789 --> 00:27:31,860
wanted the government to stay you know

588
00:27:37,850 --> 00:27:34,799

the government we would run campaigns

589

00:27:39,110 --> 00:27:37,860

pro-government in it against

590

00:27:43,070 --> 00:27:39,120

you know

591

00:27:46,190 --> 00:27:44,810

I can't think of the word but we would

592

00:27:49,130 --> 00:27:46,200

run them against

593

00:27:51,649 --> 00:27:49,140

um like Insurrection folks or people who

594

00:27:53,810 --> 00:27:51,659

wanted to overthrow the government

595

00:27:56,330 --> 00:27:53,820

in Afghanistan for instance we were in

596

00:28:00,710 --> 00:27:56,340

psychological warfare campaigns to prop

597

00:28:14,210 --> 00:28:03,470

you know

598

00:28:18,529 --> 00:28:16,250

so it's it's good to know that and you

599

00:28:21,230 --> 00:28:18,539

should definitely watch uh the video I

600

00:28:23,630 --> 00:28:21,240

posted in there for really

601
00:28:24,830 --> 00:28:23,640
you know to get it first person from a

602
00:28:27,769 --> 00:28:24,840
guy who

603
00:28:33,110 --> 00:28:27,779
uh served and that was his main his main

604
00:28:36,890 --> 00:28:35,269
somebody mentioned social media Russian

605
00:28:39,409 --> 00:28:36,900
influence on social media has got

606
00:28:42,350 --> 00:28:39,419
Americans not trusting in each other

607
00:28:45,649 --> 00:28:42,360
that's actually a good point

608
00:28:48,710 --> 00:28:45,659
Russian influence on social media

609
00:28:51,110 --> 00:28:48,720
now I was watching this uh interview

610
00:28:54,289 --> 00:28:51,120
with

611
00:28:57,049 --> 00:28:54,299
uh his name is Andrew he's he's like a

612
00:28:58,490 --> 00:28:57,059
ex-cia guy or whatever and he was

613
00:29:02,090 --> 00:28:58,500

talking about these social media

614

00:29:05,029 --> 00:29:02,100

campaigns and basically how the Russians

615

00:29:07,190 --> 00:29:05,039

don't actually or Chinese even their

616

00:29:09,890 --> 00:29:07,200

goal isn't to pick a side like their

617

00:29:14,029 --> 00:29:09,900

goal isn't actually to pick a trump or a

618

00:29:16,490 --> 00:29:14,039

Clinton or whatever their goal is to fan

619

00:29:18,649 --> 00:29:16,500

the flames

620

00:29:22,130 --> 00:29:18,659

you know of the fire both sides are

621

00:29:24,889 --> 00:29:22,140

already starting to get both sides

622

00:29:27,470 --> 00:29:24,899

to hate each other even more

623

00:29:41,210 --> 00:29:27,480

and in the end

624

00:29:50,630 --> 00:29:44,510

um so the Smith month act I'm not

625

00:29:56,450 --> 00:29:53,330

so as as far as the psychological

626
00:29:59,690 --> 00:29:56,460
warfare uh campaigns so to do that on

627
00:30:03,950 --> 00:29:59,700
American soil was made uh illegal I

628
00:30:10,190 --> 00:30:05,330
so you can look that up to the church

629
00:30:13,310 --> 00:30:10,200
committee and they actually after 9 11

630
00:30:15,649 --> 00:30:13,320
made a clause where you could do it on

631
00:30:18,409 --> 00:30:15,659
American soil and emergency disaster

632
00:30:20,389 --> 00:30:18,419
situations so for like if there was a

633
00:30:22,130 --> 00:30:20,399
hurricane or something like that you

634
00:30:23,870 --> 00:30:22,140
could set up a radio station telling

635
00:30:24,889 --> 00:30:23,880
people where to get supplies so on and

636
00:30:27,230 --> 00:30:24,899
so forth

637
00:30:30,950 --> 00:30:27,240
so not like anything malicious like you

638
00:30:34,970 --> 00:30:32,930

so but yeah going back to Social Media

639

00:30:37,010 --> 00:30:34,980

stuff so and it's funny because you can

640

00:30:39,169 --> 00:30:37,020

kind of see that on social media even in

641

00:30:41,690 --> 00:30:39,179

the UFO Community where you just have

642

00:30:45,169 --> 00:30:41,700

people on both sides agitating everybody

643

00:30:50,090 --> 00:30:47,330

and remember their whole goal is to have

644

00:30:53,570 --> 00:30:50,100

us doubt you know our own country and

645

00:30:59,870 --> 00:30:56,330

so it's not really to pick a side either

646

00:31:04,730 --> 00:31:02,090

this laser orbs this is going to be a

647

00:31:06,049 --> 00:31:04,740

short show by the way uh the laser orbs

648

00:31:08,570 --> 00:31:06,059

part of this

649

00:31:11,330 --> 00:31:08,580

was very interesting

650

00:31:13,130 --> 00:31:11,340

um for a couple reasons

651
00:31:14,750 --> 00:31:13,140
so the link I posted there is another

652
00:31:16,250 --> 00:31:14,760
concrete

653
00:31:19,850 --> 00:31:16,260
um

654
00:31:21,110 --> 00:31:19,860
podcast concrete is a podcast by the way

655
00:31:23,149 --> 00:31:21,120
and you should check it out he's got

656
00:31:27,049 --> 00:31:23,159
some great guests on there

657
00:31:31,430 --> 00:31:27,059
and this one guy was X DARPA CIA

658
00:31:31,440 --> 00:31:36,049
and he talks about

659
00:31:36,059 --> 00:31:40,090
UFOs a little bit

660
00:31:45,350 --> 00:31:43,490
and basically what he says

661
00:31:48,230 --> 00:31:45,360
is

662
00:31:51,409 --> 00:31:48,240
he knows

663
00:31:53,269 --> 00:31:51,419

of uh these lasers that the Air Force

664

00:31:54,830 --> 00:31:53,279

has where they shine them in the sky it

665

00:31:57,110 --> 00:31:54,840

heats up a part of the air it makes

666

00:31:59,690 --> 00:31:57,120

these orbs they can do crazy things in

667

00:32:02,269 --> 00:31:59,700

the sky and they test them on their own

668

00:32:06,289 --> 00:32:02,279

people to see how they'll react when

669

00:32:06,299 --> 00:32:11,049

foreign

670

00:32:16,490 --> 00:32:14,330

things about uh well we wouldn't test uh

671

00:32:17,690 --> 00:32:16,500

test you know stuff on our our own

672

00:32:19,370 --> 00:32:17,700

people while they're training well

673

00:32:21,470 --> 00:32:19,380

according to this guy

674

00:32:25,310 --> 00:32:21,480

um that is not the case and they do test

675

00:32:27,710 --> 00:32:25,320

these orbs also known as UFOs on these

676

00:32:30,230 --> 00:32:27,720

Pilots I'm not saying that explains all

677

00:32:32,090 --> 00:32:30,240

these uh pilot sightings or whatever but

678

00:32:34,370 --> 00:32:32,100

it could explain some of them and it

679

00:32:36,769 --> 00:32:34,380

might even have to a little bit to do

680

00:32:38,389 --> 00:32:36,779

with why the Air Force is so mum on this

681

00:32:41,210 --> 00:32:38,399

stuff because they don't participate at

682

00:32:43,610 --> 00:32:41,220

all in this UAP conversation

683

00:32:46,010 --> 00:32:43,620

and if it's you know the Air Force is

684

00:32:48,350 --> 00:32:46,020

putting orbs in the sky and on these

685

00:32:50,510 --> 00:32:48,360

Pilots Radars to see how they react to

686

00:32:52,610 --> 00:32:50,520

it

687

00:32:55,010 --> 00:32:52,620

um you know that that could have

688

00:32:58,370 --> 00:32:55,020

something to do with it but again that

689

00:33:00,230 --> 00:32:58,380

uh video I put in the description so you

690

00:33:03,710 --> 00:33:00,240

should check that out

691

00:33:05,029 --> 00:33:03,720

and he also talks about a lot of uh very

692

00:33:08,269 --> 00:33:05,039

interesting things so he's really

693

00:33:10,100 --> 00:33:08,279

looking into the Havana syndrome

694

00:33:11,930 --> 00:33:10,110

um and this guy

695

00:33:18,529 --> 00:33:11,940

[Music]

696

00:33:22,850 --> 00:33:20,389

um is studying the vanish Central but

697

00:33:24,649 --> 00:33:22,860

he's um knows all the technology that's

698

00:33:26,389 --> 00:33:24,659

possible so something he talks about is

699

00:33:28,669 --> 00:33:26,399

blue beam

700

00:33:30,470 --> 00:33:28,679

Project Blue being where they were going

701
00:33:32,810 --> 00:33:30,480
to

702
00:33:34,490 --> 00:33:32,820
um show a hologram through a submarine

703
00:33:36,529 --> 00:33:34,500
off the coast of Cuba during the Cuban

704
00:33:38,810 --> 00:33:36,539
Missile Crisis and

705
00:33:42,470 --> 00:33:38,820
um you know have everyone believing that

706
00:33:43,970 --> 00:33:42,480
the second coming of Christ was here and

707
00:33:45,470 --> 00:33:43,980
all these people would call the

708
00:33:47,810 --> 00:33:45,480
government talking about it their

709
00:33:49,549 --> 00:33:47,820
Communications channels would get jammed

710
00:33:52,190 --> 00:33:49,559
and we could attack or invade or

711
00:33:54,730 --> 00:33:52,200
whatever so but he goes through all the

712
00:33:58,430 --> 00:33:54,740
different technology that actually

713
00:34:01,310 --> 00:33:58,440

does exist one of which is this voice to

714

00:34:04,370 --> 00:34:01,320

skull technology which is crazy where

715

00:34:08,450 --> 00:34:04,380

they can actually implant voices into

716

00:34:11,089 --> 00:34:08,460

your head it is a real thing

717

00:34:13,129 --> 00:34:11,099

so people say I got voices in my head or

718

00:34:15,710 --> 00:34:13,139

whatever it's actually for some people

719

00:34:17,930 --> 00:34:15,720

it's a real thing no this is just some

720

00:34:21,169 --> 00:34:17,940

graphic that I found but you can look it

721

00:34:22,849 --> 00:34:21,179

up voice to skull technology and part of

722

00:34:25,129 --> 00:34:22,859

the video with the DARPA scientist is a

723

00:34:28,669 --> 00:34:25,139

guy Len who actually had this happen to

724

00:34:31,730 --> 00:34:28,679

him and is dealing with it now

725

00:34:33,649 --> 00:34:31,740

and it's actually sounds like voices of

726

00:34:39,710 --> 00:34:33,659

his family and they constantly say

727

00:34:42,109 --> 00:34:39,720

derogatory things to him it is so creepy

728

00:34:44,629 --> 00:34:42,119

and he actually thinks that the

729

00:34:48,490 --> 00:34:44,639

government is performing experiments of

730

00:34:52,310 --> 00:34:48,500

this sort on our own people so

731

00:34:55,369 --> 00:34:52,320

that is really really interesting but

732

00:34:57,410 --> 00:34:55,379

you need to check that out

733

00:34:59,270 --> 00:34:57,420

so you can put voices in their head and

734

00:35:01,910 --> 00:34:59,280

he actually says that they used it

735

00:35:05,270 --> 00:35:01,920

during the the

736

00:35:06,770 --> 00:35:05,280

Gulf uh the Gulf War and actually got a

737

00:35:08,870 --> 00:35:06,780

bunch of people to surrender their

738

00:35:09,890 --> 00:35:08,880

weapons by putting the voice in their

739

00:35:11,390 --> 00:35:09,900

brain

740

00:35:13,790 --> 00:35:11,400

because you're going to think it's

741

00:35:17,870 --> 00:35:13,800

spiritual or aliens

742

00:35:21,589 --> 00:35:17,880

so they listen to it it is nuts

743

00:35:25,010 --> 00:35:21,599

so then he talks about this uh hologram

744

00:35:26,569 --> 00:35:25,020

laser-induced hologram orbs

745

00:35:29,150 --> 00:35:26,579

plasma orbs

746

00:35:31,550 --> 00:35:29,160

it talks about how all the blue beam

747

00:35:33,349 --> 00:35:31,560

stuff that was actually hypothesizing

748

00:35:37,849 --> 00:35:33,359

really is a rumor

749

00:35:43,810 --> 00:35:41,150

so you should definitely watch that

750

00:35:45,710 --> 00:35:43,820

video because it is super interesting

751
00:35:47,450 --> 00:35:45,720
and very

752
00:35:52,310 --> 00:35:47,460
creepy

753
00:35:55,130 --> 00:35:52,320
this different things like if there's

754
00:35:56,810 --> 00:35:55,140
artificial telepathy when people think

755
00:35:58,670 --> 00:35:56,820
that they're getting messages from UFOs

756
00:36:02,690 --> 00:35:58,680
or whatever how much of it is real and

757
00:36:04,130 --> 00:36:02,700
how much of it is an experience it uh is

758
00:36:15,410 --> 00:36:04,140
kind of

759
00:36:18,710 --> 00:36:15,420
for sure

760
00:36:23,390 --> 00:36:18,720
and makes you

761
00:36:26,870 --> 00:36:25,250
we're talking about psyops and it's

762
00:36:28,430 --> 00:36:26,880
illegal if they're doing this stuff I

763
00:36:31,370 --> 00:36:28,440

don't think they care about the psy up

764

00:36:33,290 --> 00:36:31,380

part I guess right but you know whatever

765

00:36:34,550 --> 00:36:33,300

I'm just talking here

766

00:36:41,390 --> 00:36:34,560

so

767

00:36:45,109 --> 00:36:43,130

and look into it

768

00:36:48,770 --> 00:36:45,119

because it's very interesting

769

00:36:53,089 --> 00:36:51,109

uh we got Sun saver I saw an orb and

770

00:36:54,829 --> 00:36:53,099

High Fidelity 40 years ago multi-color

771

00:36:59,270 --> 00:36:54,839

spinning exploding collection ball of

772

00:37:06,290 --> 00:37:03,829

crazy I mean see what why the the plasma

773

00:37:08,690 --> 00:37:06,300

stuff in the laser plasma and all that

774

00:37:11,150 --> 00:37:08,700

kind of stuff is so interesting to me is

775

00:37:14,750 --> 00:37:11,160

because I feel like that could explain

776

00:37:18,410 --> 00:37:16,849

you know

777

00:37:21,290 --> 00:37:18,420

I don't know why they'd be doing that

778

00:37:23,990 --> 00:37:21,300

around my house doesn't make sense

779

00:37:25,550 --> 00:37:24,000

but so you know in looking at that stuff

780

00:37:29,089 --> 00:37:25,560

you got to realize that I'm looking for

781

00:37:31,190 --> 00:37:29,099

my truth you know what I saw what did I

782

00:37:36,130 --> 00:37:31,200

see what was that because I didn't see a

783

00:37:41,329 --> 00:37:38,630

I saw these

784

00:37:44,750 --> 00:37:41,339

big thing of what looked like a cloudish

785

00:37:49,670 --> 00:37:44,760

gas thing with an electric border around

786

00:37:53,510 --> 00:37:49,680

it it was in and it was gone like 13 14

787

00:37:58,310 --> 00:37:56,450

twice a couple days apart

788

00:38:00,650 --> 00:37:58,320

and I never seen it again

789

00:38:02,390 --> 00:38:00,660

but it was super bizarre and since then

790

00:38:05,210 --> 00:38:02,400

I've seen like everything in the sky

791

00:38:07,730 --> 00:38:05,220

that you could think of

792

00:38:12,650 --> 00:38:07,740

you know planes

793

00:38:14,589 --> 00:38:12,660

of course helicopters you know drones uh

794

00:38:19,609 --> 00:38:14,599

Chinese lanterns

795

00:38:22,010 --> 00:38:19,619

mylar balloons Birds obviously

796

00:38:25,190 --> 00:38:22,020

everything and I've never seen that

797

00:38:27,109 --> 00:38:25,200

again crazy

798

00:38:28,790 --> 00:38:27,119

just crazy

799

00:38:30,589 --> 00:38:28,800

so

800

00:38:33,650 --> 00:38:30,599

you know I'm looking for my truth and

801
00:38:35,750 --> 00:38:33,660
this plasma laser-induced plasma ball is

802
00:38:37,490 --> 00:38:35,760
an option you know I'm not going to go

803
00:38:39,410 --> 00:38:37,500
straight to aliens that were paranormal

804
00:38:41,630 --> 00:38:39,420
or any of that kind of stuff I

805
00:38:43,069 --> 00:38:41,640
definitely think that's possible and you

806
00:38:45,530 --> 00:38:43,079
know other parts of

807
00:38:47,270 --> 00:38:45,540
that weren't directly involved in those

808
00:38:49,550 --> 00:38:47,280
sightings but happened around those

809
00:38:52,310 --> 00:38:49,560
sightings personal experiences made me

810
00:38:55,430 --> 00:38:52,320
think that something more

811
00:38:57,650 --> 00:38:55,440
paranormal was happening but

812
00:38:59,530 --> 00:38:57,660
you know

813
00:39:02,329 --> 00:38:59,540

it could just be

814

00:39:04,010 --> 00:39:02,339

me connecting the sighting to the weird

815

00:39:09,050 --> 00:39:04,020

thing that happened in my life could say

816

00:39:13,609 --> 00:39:11,690

we'll you know will I ever find out the

817

00:39:15,109 --> 00:39:13,619

truth I'd love to see a video of these

818

00:39:17,390 --> 00:39:15,119

plasma balls

819

00:39:20,270 --> 00:39:17,400

you can find videos of plasma and stuff

820

00:39:22,609 --> 00:39:20,280

and it doesn't look like what I saw

821

00:39:24,950 --> 00:39:22,619

but I'd love to see this actually in the

822

00:39:28,730 --> 00:39:24,960

sky happening so I could say you know if

823

00:39:32,329 --> 00:39:30,230

because you can tell me all day long

824

00:39:34,730 --> 00:39:32,339

that it exists but if I can't see it

825

00:39:37,370 --> 00:39:34,740

replicated on video

826

00:39:41,089 --> 00:39:37,380

or you know in person or the like okay

827

00:39:44,870 --> 00:39:41,099

here it is is this what you saw I won't

828

00:39:49,130 --> 00:39:47,030

by no means does that explain other

829

00:39:52,069 --> 00:39:49,140

people's things or anything I can only

830

00:39:55,690 --> 00:39:52,079

speak for my own you know about my own

831

00:40:02,510 --> 00:39:59,030

so one thing that we could do to finish

832

00:40:05,410 --> 00:40:02,520

up this show

833

00:40:09,710 --> 00:40:05,420

is

834

00:40:12,650 --> 00:40:09,720

something I know some of you guys like

835

00:40:15,410 --> 00:40:12,660

some of you guys love this part of the

836

00:40:20,630 --> 00:40:18,050

and it's where we watch

837

00:40:23,810 --> 00:40:20,640

videos

838

00:40:25,970 --> 00:40:23,820

of purported UFOs

839

00:40:27,829 --> 00:40:25,980

and we ask ourselves

840

00:40:30,290 --> 00:40:27,839

what the heck is that and I don't know

841

00:40:32,210 --> 00:40:30,300

if you've noticed but I always pick like

842

00:40:35,390 --> 00:40:32,220

a different state

843

00:40:37,910 --> 00:40:35,400

so this next state

844

00:40:42,290 --> 00:40:37,920

so the last time I did this I think was

845

00:40:44,150 --> 00:40:42,300

like two weeks ago they were in Florida

846

00:40:46,970 --> 00:40:44,160

or California

847

00:40:50,329 --> 00:40:46,980

this week we're going to be in Florida

848

00:40:52,130 --> 00:40:50,339

looking at what the heck is that in

849

00:40:54,950 --> 00:40:52,140

Florida

850

00:40:57,890 --> 00:40:54,960

so hang with me

851
00:40:58,790 --> 00:40:57,900
because we're gonna ask ourselves what

852
00:41:06,410 --> 00:40:58,800
the heck is that

853
00:41:06,420 --> 00:41:12,230
[Music]

854
00:41:18,470 --> 00:41:16,010
all right here we go so I picked these

855
00:41:23,510 --> 00:41:18,480
kind of uh

856
00:41:23,520 --> 00:41:26,450
so we're okay

857
00:41:30,170 --> 00:41:28,490
I don't think any of them are obviously

858
00:41:43,670 --> 00:41:30,180
aliens

859
00:41:43,680 --> 00:41:53,150
what the hell is that

860
00:41:53,160 --> 00:41:57,349
right here

861
00:42:01,910 --> 00:41:59,510
and there's not one of them there's like

862
00:42:23,230 --> 00:42:01,920
two of them right here

863
00:42:29,569 --> 00:42:26,050

what the heck

864

00:42:45,250 --> 00:42:31,310

I think we got to change this to what

865

00:42:45,260 --> 00:42:53,210

what the hell is that man

866

00:42:53,220 --> 00:43:01,860

this one's pretty interesting

867

00:43:01,870 --> 00:43:17,890

[Music]

868

00:43:17,900 --> 00:43:29,690

thank you

869

00:43:29,700 --> 00:43:35,850

oh there's a Gulf Breeze

870

00:44:24,170 --> 00:43:41,150

[Music]

871

00:44:27,650 --> 00:44:26,510

it's kind of blurry but when they zoom

872

00:44:44,270 --> 00:44:27,660

out

873

00:44:44,280 --> 00:44:52,670

it's what the heck is that

874

00:44:56,030 --> 00:44:54,349

I thought maybe it could be something

875

00:44:57,829 --> 00:44:56,040

like on a window

876

00:45:02,210 --> 00:44:57,839

like in a prison's house or something

877

00:45:11,630 --> 00:45:05,569

it gets smaller as well

878

00:45:11,640 --> 00:45:16,130

I don't know

879

00:45:16,140 --> 00:45:25,309

what the heck is that

880

00:45:25,319 --> 00:45:38,569

this one's got to be fake

881

00:45:42,890 --> 00:45:40,790

because of how it zipped off it's got to

882

00:45:45,109 --> 00:45:42,900

be fake

883

00:45:46,430 --> 00:45:45,119

but maybe not I don't know

884

00:45:50,630 --> 00:45:46,440

okay

885

00:45:54,550 --> 00:45:52,130

there's got to be other people that are

886

00:46:02,089 --> 00:45:54,560

seeing this what is that

887

00:46:07,670 --> 00:46:04,849

are they balloons

888

00:46:10,609 --> 00:46:07,680

why it looks like one two three four it

889

00:46:11,809 --> 00:46:10,619

looks like six lights right it looks

890

00:46:13,970 --> 00:46:11,819

like she's asking her friend are they

891

00:46:15,710 --> 00:46:13,980

balloons like she knows oh yeah those

892

00:46:19,250 --> 00:46:15,720

are balloons I went behind the clouds

893

00:46:19,260 --> 00:46:25,910

I feel like it's coming closer too

894

00:46:31,490 --> 00:46:28,609

are they balloons

895

00:46:43,150 --> 00:46:31,500

why it looks like one two three four it

896

00:46:59,030 --> 00:46:46,550

no I don't think flash is gonna help

897

00:46:59,040 --> 00:47:04,590

what the heck is that

898

00:47:12,050 --> 00:47:10,490

[Music]

899

00:47:17,750 --> 00:47:12,060

is that it

900

00:47:21,829 --> 00:47:19,730

mysterious lights were spotted Thursday

901
00:47:24,710 --> 00:47:21,839
night over Brushy Creek and Cat Hollow

902
00:47:27,290 --> 00:47:24,720
definitely isn't a plane this video was

903
00:47:29,809 --> 00:47:27,300
sent to fox7 by Gus mcgibbon he was out

904
00:47:32,210 --> 00:47:29,819
walking with his friend Kyle Gomez near

905
00:47:34,370 --> 00:47:32,220
cat Hollow in real life when you see it

906
00:47:37,250 --> 00:47:34,380
it's like a lot brighter than it

907
00:47:39,230 --> 00:47:37,260
actually is something right now it's

908
00:47:41,210 --> 00:47:39,240
mesmerizing honestly it was so silent

909
00:47:43,130 --> 00:47:41,220
that's weird because if it was one light

910
00:47:45,170 --> 00:47:43,140
then I would have maybe thought oh a

911
00:47:47,030 --> 00:47:45,180
helicopter a plane something like that

912
00:47:49,250 --> 00:47:47,040
but like there was so many of them

913
00:47:50,690 --> 00:47:49,260

together right I gotta turn that up I'm

914

00:47:51,890 --> 00:47:50,700

gonna get busted for showing that

915

00:47:53,870 --> 00:47:51,900

probably

916

00:47:55,670 --> 00:47:53,880

but

917

00:47:58,550 --> 00:47:55,680

pretty strange ones I think I think

918

00:48:00,410 --> 00:47:58,560

Florida had some pretty strange ones

919

00:48:02,569 --> 00:48:00,420

give it up for Florida

920

00:48:04,670 --> 00:48:02,579

guy needs to clean his thumbnail that's

921

00:48:06,470 --> 00:48:04,680

a you know that's something I I'm always

922

00:48:08,510 --> 00:48:06,480

paying attention to

923

00:48:10,970 --> 00:48:08,520

you know when people are filming stuff

924

00:48:13,250 --> 00:48:10,980

they got their phones I'm looking at

925

00:48:15,230 --> 00:48:13,260

their fingernails and their thumbnail

926
00:48:17,150 --> 00:48:15,240
and if they need to clean it

927
00:48:18,829 --> 00:48:17,160
because

928
00:48:20,809 --> 00:48:18,839
man

929
00:48:21,430 --> 00:48:20,819
I just can't believe a guy with dirty

930
00:48:25,089 --> 00:48:21,440
fingernails

931
00:48:27,410 --> 00:48:25,099
[Laughter]

932
00:48:30,170 --> 00:48:27,420
Beverly lives in Florida and have some

933
00:48:30,310 --> 00:48:30,180
strange ones myself yeah

934
00:48:32,150 --> 00:48:30,320
yeah

935
00:48:34,550 --> 00:48:32,160
[Music]

936
00:48:36,950 --> 00:48:34,560
so yeah that's all I got for today

937
00:48:38,630 --> 00:48:36,960
unless anyone has any questions or wants

938
00:48:41,150 --> 00:48:38,640

to talk about anything that's about all

939

00:48:41,160 --> 00:48:44,569

um

940

00:48:50,630 --> 00:48:48,530

and to be honest I don't know

941

00:48:55,010 --> 00:48:50,640

to be honest with you guys I don't know

942

00:48:58,130 --> 00:48:55,020

how much more of this I'm going to do

943

00:49:00,470 --> 00:48:58,140

just to be honest with you

944

00:49:07,069 --> 00:49:04,790

I don't kind of have the same passion in

945

00:49:08,750 --> 00:49:07,079

doing this that I used to have

946

00:49:10,550 --> 00:49:08,760

I don't

947

00:49:11,990 --> 00:49:10,560

have the passion to like book all the

948

00:49:13,430 --> 00:49:12,000

guests and everything that I used to

949

00:49:14,569 --> 00:49:13,440

have

950

00:49:16,790 --> 00:49:14,579

um

951
00:49:18,410 --> 00:49:16,800
and I'm kind of read out of all the

952
00:49:20,809 --> 00:49:18,420
different documents like I used to do

953
00:49:22,190 --> 00:49:20,819
the documents and stuff

954
00:49:24,230 --> 00:49:22,200
um

955
00:49:26,390 --> 00:49:24,240
I'm kind of just tapped out on all that

956
00:49:28,910 --> 00:49:26,400
stuff you know

957
00:49:32,270 --> 00:49:28,920
so

958
00:49:34,670 --> 00:49:32,280
you know I'm I don't know I'm not

959
00:49:37,250 --> 00:49:34,680
am I like views and everything has just

960
00:49:39,829 --> 00:49:37,260
been kind of going downwards and

961
00:49:41,690 --> 00:49:39,839
I don't know if I'm gonna be doing this

962
00:49:44,930 --> 00:49:41,700
for much longer so just to let you know

963
00:49:47,030 --> 00:49:44,940

I think I'm probably on my way out of

964

00:49:51,050 --> 00:49:47,040

doing this show

965

00:49:51,060 --> 00:49:55,730

I love that

966

00:50:00,109 --> 00:49:57,470

um you know I've been able to do this

967

00:50:02,109 --> 00:50:00,119

and have conversations with you and chat

968

00:50:03,950 --> 00:50:02,119

with you guys

969

00:50:05,870 --> 00:50:03,960

and J

970

00:50:07,309 --> 00:50:05,880

uh love that I could develop that

971

00:50:12,410 --> 00:50:07,319

relationship

972

00:50:15,109 --> 00:50:12,420

as far as that goes but

973

00:50:17,030 --> 00:50:15,119

um I just don't have too much

974

00:50:18,770 --> 00:50:17,040

too much more to say I guess on the

975

00:50:20,690 --> 00:50:18,780

topic right now so

976

00:50:24,109 --> 00:50:20,700

I'm not really sure

977

00:50:26,030 --> 00:50:24,119

um what I'm gonna do there so

978

00:50:27,890 --> 00:50:26,040

but I do enjoy

979

00:50:31,790 --> 00:50:27,900

um you know doing this when I did it's

980

00:50:36,349 --> 00:50:31,800

just like when I don't have

981

00:50:42,230 --> 00:50:39,589

you know the same

982

00:50:44,990 --> 00:50:42,240

Gusto that I used to have I guess for it

983

00:50:48,049 --> 00:50:45,000

you know when I had my sighting

984

00:50:50,270 --> 00:50:48,059

when I had my sighting um

985

00:50:53,030 --> 00:50:50,280

almost two years ago now

986

00:50:55,970 --> 00:50:53,040

about two years ago

987

00:50:59,150 --> 00:50:55,980

it was crazy it it rocked me you know

988

00:51:01,790 --> 00:50:59,160

and at the same time all this UFO stuff

989

00:51:04,490 --> 00:51:01,800

was going on and um I remember at that

990

00:51:07,190 --> 00:51:04,500

time unidentified celebrity review was

991

00:51:08,210 --> 00:51:07,200

really just getting going and that was

992

00:51:09,829 --> 00:51:08,220

exciting

993

00:51:11,809 --> 00:51:09,839

and they did that big phone home event

994

00:51:13,970 --> 00:51:11,819

and that was really fun

995

00:51:16,490 --> 00:51:13,980

um and exciting

996

00:51:19,190 --> 00:51:16,500

and it kind of lasted a while

997

00:51:21,770 --> 00:51:19,200

you know that excitement and pairing

998

00:51:23,630 --> 00:51:21,780

that with my sighting that happened

999

00:51:25,849 --> 00:51:23,640

around the same time

1000

00:51:29,270 --> 00:51:25,859

you know I felt like

1001
00:51:31,130 --> 00:51:29,280
a man on a mission you know like I need

1002
00:51:32,569 --> 00:51:31,140
to do this I'm making a difference this

1003
00:51:34,010 --> 00:51:32,579
is what I need to do

1004
00:51:36,829 --> 00:51:34,020
you know

1005
00:51:41,630 --> 00:51:36,839
um and that lasted a while

1006
00:51:44,990 --> 00:51:43,370
you know and not that things are coming

1007
00:51:46,609 --> 00:51:45,000
to a standstill I think a lot of things

1008
00:51:52,609 --> 00:51:46,619
as far as Congress and everything has

1009
00:51:57,170 --> 00:51:54,589
I don't know it just there's so many

1010
00:51:59,809 --> 00:51:57,180
shows I don't know where I fit into it I

1011
00:52:04,130 --> 00:51:59,819
don't feel very unique about it now I

1012
00:52:11,150 --> 00:52:07,790
you know the UCR show talks talks so

1013
00:52:14,329 --> 00:52:11,160

much crap about me and my friends

1014

00:52:19,190 --> 00:52:17,089

just like you know this is this really

1015

00:52:22,309 --> 00:52:19,200

what I want to be involved with is is

1016

00:52:29,450 --> 00:52:26,390

these stupid like Twitter arguments

1017

00:52:32,450 --> 00:52:29,460

about a topic that's really rooted in

1018

00:52:36,109 --> 00:52:32,460

speculation at this point

1019

00:52:36,119 --> 00:52:42,609

and it's kind of you know

1020

00:52:49,910 --> 00:52:45,170

I don't know just left me with a sour

1021

00:52:56,150 --> 00:52:53,270

you know like Jake uh friend Jay co-host

1022

00:52:58,309 --> 00:52:56,160

here puts together a a wonderful event

1023

00:53:00,230 --> 00:52:58,319

in New York with with great speakers

1024

00:53:00,890 --> 00:53:00,240

like Chris Mill and Leslie Kane and all

1025

00:53:04,609 --> 00:53:00,900

that

1026

00:53:06,829 --> 00:53:04,619

rough Blumenthal and

1027

00:53:11,329 --> 00:53:09,770

and he has to write this post about just

1028

00:53:14,210 --> 00:53:11,339

so you know you know I put this many

1029

00:53:15,589 --> 00:53:14,220

hours into it and I make like minimum

1030

00:53:18,290 --> 00:53:15,599

wage and all this stuff because people

1031

00:53:20,390 --> 00:53:18,300

are complaining that he put together an

1032

00:53:22,849 --> 00:53:20,400

event where they charge thirty dollars

1033

00:53:25,250 --> 00:53:22,859

yeah

1034

00:53:27,530 --> 00:53:25,260

30 freaking dollars

1035

00:53:29,650 --> 00:53:27,540

that's nothing

1036

00:53:33,349 --> 00:53:29,660

you have to pay thirty dollars to buy

1037

00:53:37,370 --> 00:53:33,359

lunch for one person

1038

00:53:37,380 --> 00:53:40,130

you know

1039

00:53:44,870 --> 00:53:42,950

and I would have a problem with with uh

1040

00:53:46,430 --> 00:53:44,880

and I have in the past I've had problems

1041

00:53:49,490 --> 00:53:46,440

with events where

1042

00:53:53,030 --> 00:53:49,500

you know they label it as uh disclosure

1043

00:53:53,930 --> 00:53:53,040

you know this is a disclosure event you

1044

00:53:56,210 --> 00:53:53,940

know

1045

00:53:58,910 --> 00:53:56,220

and I remember this this one event where

1046

00:54:01,370 --> 00:53:58,920

people were even emailing me behind the

1047

00:54:03,470 --> 00:54:01,380

scenes and and trying to say like

1048

00:54:05,690 --> 00:54:03,480

important people are a part of this and

1049

00:54:07,609 --> 00:54:05,700

some really important information is

1050

00:54:10,190 --> 00:54:07,619

going to come out during this disclosure

1051
00:54:12,170 --> 00:54:10,200
event so it's going to be really good

1052
00:54:15,230 --> 00:54:12,180
you know and I remember just thinking at

1053
00:54:17,930 --> 00:54:15,240
the time like what poor

1054
00:54:20,510 --> 00:54:17,940
you're charging people to pay for this

1055
00:54:22,849 --> 00:54:20,520
event in Billing it as a disclosure

1056
00:54:24,410 --> 00:54:22,859
event and telling people that these

1057
00:54:27,710 --> 00:54:24,420
secret important things are going to

1058
00:54:30,230 --> 00:54:27,720
happen like that is wrong

1059
00:54:32,510 --> 00:54:30,240
I'm sorry that is wrong you're taking

1060
00:54:34,549 --> 00:54:32,520
advantage of people

1061
00:54:35,809 --> 00:54:34,559
but the way Jay does his event is

1062
00:54:39,410 --> 00:54:35,819
perfect

1063
00:54:41,450 --> 00:54:39,420

you're inquiring into anomalous things

1064

00:54:43,130 --> 00:54:41,460

a group of like-minded people getting

1065

00:54:45,950 --> 00:54:43,140

together to talk about things that

1066

00:54:49,970 --> 00:54:48,109

you know and people are flying from all

1067

00:54:52,670 --> 00:54:49,980

over the country to be there to talk

1068

00:54:55,370 --> 00:54:52,680

that people want to hear talk about

1069

00:54:56,990 --> 00:54:55,380

topics that interest them all

1070

00:55:03,049 --> 00:54:57,000

you know

1071

00:55:07,250 --> 00:55:05,150

and only charged thirty dollars for it

1072

00:55:08,870 --> 00:55:07,260

is incredible

1073

00:55:10,970 --> 00:55:08,880

you know

1074

00:55:12,470 --> 00:55:10,980

so

1075

00:55:14,290 --> 00:55:12,480

yeah

1076

00:55:16,370 --> 00:55:14,300

topics filled with

1077

00:55:20,569 --> 00:55:16,380

narcissists and scammers always has been

1078

00:55:22,069 --> 00:55:20,579

I know and it's such crap it's too bad

1079

00:55:23,870 --> 00:55:22,079

it's too bad there's so much crap

1080

00:55:26,630 --> 00:55:23,880

because that's the stuff that gets the

1081

00:55:29,630 --> 00:55:26,640

most attention to

1082

00:55:32,569 --> 00:55:29,640

you know if I did a show all about

1083

00:55:35,270 --> 00:55:32,579

you know a flying saucer crashes and

1084

00:55:38,030 --> 00:55:35,280

alien bodies and used sources that were

1085

00:55:39,410 --> 00:55:38,040

all that's you know that were all just

1086

00:55:42,849 --> 00:55:39,420

pure

1087

00:55:46,910 --> 00:55:42,859

rumor and speculation or whatever like

1088

00:55:48,890 --> 00:55:46,920

I'd get so many more views and attention

1089

00:55:51,410 --> 00:55:48,900

and I've done that like on Twitter like

1090

00:55:54,170 --> 00:55:51,420

post a document just to see

1091

00:55:57,109 --> 00:55:54,180

you know if it involves like uh saucers

1092

00:56:00,530 --> 00:55:57,119

and and bodies at Ray Patterson

1093

00:56:02,510 --> 00:56:00,540

man I'm getting 300 likes on that

1094

00:56:06,290 --> 00:56:02,520

you know

1095

00:56:10,309 --> 00:56:06,300

if I post something about this DARPA CIA

1096

00:56:13,730 --> 00:56:10,319

scientist talking about laser plasma

1097

00:56:15,290 --> 00:56:13,740

that you can see with your eye and shows

1098

00:56:18,049 --> 00:56:15,300

up on radars

1099

00:56:21,170 --> 00:56:18,059

and that they use to play it with Pilots

1100

00:56:22,370 --> 00:56:21,180

to see how they react with it

1101
00:56:24,770 --> 00:56:22,380
now

1102
00:56:27,829 --> 00:56:24,780
not interested

1103
00:56:31,309 --> 00:56:27,839
you know so when

1104
00:56:33,109 --> 00:56:31,319
the struggle for truth

1105
00:56:35,390 --> 00:56:33,119
because I'm going with that's what I'm

1106
00:56:37,849 --> 00:56:35,400
going for

1107
00:56:41,990 --> 00:56:37,859
you know but in order to be successful I

1108
00:56:43,060 --> 00:56:42,000
have to Sidetrack from that and go into

1109
00:56:45,049 --> 00:56:43,070
speculation

1110
00:56:48,950 --> 00:56:45,059
[Music]

1111
00:56:51,349 --> 00:56:48,960
you know 100 is so when it becomes not

1112
00:56:55,250 --> 00:56:51,359
as intriguing because there's no payoff

1113
00:56:55,260 --> 00:57:00,770

so

1114

00:57:04,069 --> 00:57:02,030

but

1115

00:57:08,990 --> 00:57:04,079

you know maybe if I saw a UFO again

1116

00:57:12,950 --> 00:57:11,329

so

1117

00:57:13,849 --> 00:57:12,960

you know

1118

00:57:17,150 --> 00:57:13,859

um

1119

00:57:19,490 --> 00:57:17,160

yeah and like I said I'll see like you

1120

00:57:20,750 --> 00:57:19,500

know I've learned in the past from you

1121

00:57:23,870 --> 00:57:20,760

know being in bands and playing music

1122

00:57:29,870 --> 00:57:26,329

you know quitting or saying I'm gonna

1123

00:57:32,210 --> 00:57:29,880

quit and and whatever and

1124

00:57:33,470 --> 00:57:32,220

what I've realized is that I can never

1125

00:57:35,390 --> 00:57:33,480

say it's

1126

00:57:37,250 --> 00:57:35,400

the end for sure because I don't know

1127

00:57:41,690 --> 00:57:37,260

who I'm gonna be in the next six months

1128

00:57:46,190 --> 00:57:43,790

I don't know what my life's gonna be

1129

00:57:48,890 --> 00:57:46,200

like and and I don't know

1130

00:57:51,490 --> 00:57:48,900

who I'm gonna be and maybe

1131

00:57:56,210 --> 00:57:51,500

that person is going to be this person

1132

00:58:01,549 --> 00:57:56,220

or a Sean who wants to do this stuff

1133

00:58:06,890 --> 00:58:04,010

I'm not sure

1134

00:58:08,990 --> 00:58:06,900

always evolving but right now

1135

00:58:13,609 --> 00:58:09,000

foreign

1136

00:58:18,950 --> 00:58:16,609

what I don't want to do is just keep you

1137

00:58:20,809 --> 00:58:18,960

know be another podcast that just

1138

00:58:23,450 --> 00:58:20,819

interviews the same people

1139

00:58:26,750 --> 00:58:23,460

you know here's another Gary Nolan

1140

00:58:30,130 --> 00:58:26,760

interview or here's the 10th gym semivan

1141

00:58:33,290 --> 00:58:30,140

interview or here's the 12th

1142

00:58:38,210 --> 00:58:36,109

interview with uh

1143

00:58:41,930 --> 00:58:38,220

you know whoever Ross goldtalked or

1144

00:58:47,870 --> 00:58:44,650

you know it just doesn't

1145

00:58:50,150 --> 00:58:47,880

uh doesn't do it for me

1146

00:58:50,990 --> 00:58:50,160

I mean they can only say so much and you

1147

00:58:52,789 --> 00:58:51,000

can't

1148

00:58:55,250 --> 00:58:52,799

just listen to 10 hours

1149

00:58:58,789 --> 00:58:55,260

of someone speculating on stuff they

1150

00:59:00,530 --> 00:58:58,799

can't tell you you know except what do

1151
00:59:05,710 --> 00:59:00,540
you think

1152
00:59:08,329 --> 00:59:05,720
I I don't know it's something

1153
00:59:09,890 --> 00:59:08,339
intelligent you know but they don't know

1154
00:59:13,250 --> 00:59:09,900
either they're just speculating

1155
00:59:16,910 --> 00:59:13,260
everybody is speculating nobody actually

1156
00:59:20,150 --> 00:59:16,920
knows what the things are and people

1157
00:59:22,430 --> 00:59:20,160
that are adamant about this is alien I'm

1158
00:59:24,049 --> 00:59:22,440
sorry but they have they do not know

1159
00:59:27,410 --> 00:59:24,059
that

1160
00:59:27,420 --> 00:59:31,309
they just don't

1161
00:59:40,630 --> 00:59:34,789
I'm sorry like and if they do they can't

1162
00:59:45,230 --> 00:59:43,430
and if they saw an alien and they were

1163
00:59:47,030 --> 00:59:45,240

abducted that doesn't mean that didn't

1164

00:59:48,829 --> 00:59:47,040

happen

1165

00:59:51,230 --> 00:59:48,839

but that also doesn't mean that they're

1166

00:59:53,510 --> 00:59:51,240

extraterrestrial

1167

00:59:57,530 --> 00:59:53,520

you know

1168

01:00:02,150 --> 01:00:00,289

or what if the government induced an

1169

01:00:05,089 --> 01:00:02,160

abduction scenario

1170

01:00:07,069 --> 01:00:05,099

like Jacques valet has said himself has

1171

01:00:10,130 --> 01:00:07,079

happened

1172

01:00:23,410 --> 01:00:12,470

so

1173

01:00:27,770 --> 01:00:25,910

yeah Beverly that would be great why

1174

01:00:32,410 --> 01:00:27,780

don't you get in touch with me that

1175

01:00:38,150 --> 01:00:35,049

fantastic like the video

1176

01:00:40,130 --> 01:00:38,160

subscribe you know I would be more

1177

01:00:42,890 --> 01:00:40,140

interested in continuing to do this show

1178

01:00:45,410 --> 01:00:42,900

if it gained momentum or gained steam

1179

01:00:48,410 --> 01:00:45,420

you know but it just seems like it just

1180

01:00:50,329 --> 01:00:48,420

stagnates and almost goes backwards you

1181

01:00:53,450 --> 01:00:50,339

know and to me when I see that I'm like

1182

01:00:58,069 --> 01:00:53,460

oh well maybe what I'm doing isn't that

1183

01:01:01,309 --> 01:00:58,079

great but you know I'm a very self uh

1184

01:01:03,950 --> 01:01:01,319

not a very confident person so let's put

1185

01:01:03,960 --> 01:01:12,770

foreign

1186

01:01:19,250 --> 01:01:15,829

you know that guy hates my guts

1187

01:01:21,230 --> 01:01:19,260

and um you know the feeling's not mutual

1188

01:01:24,109 --> 01:01:21,240

I don't hate the guy

1189

01:01:25,670 --> 01:01:24,119

I feel bad for whatever he's going

1190

01:01:26,930 --> 01:01:25,680

through I feel bad for anything that

1191

01:01:28,069 --> 01:01:26,940

I've done

1192

01:01:34,849 --> 01:01:28,079

that

1193

01:01:37,010 --> 01:01:34,859

unfortunately

1194

01:01:38,150 --> 01:01:37,020

um but I don't wish the guy oh well at

1195

01:01:41,329 --> 01:01:38,160

all

1196

01:01:42,890 --> 01:01:41,339

and I hope whatever happens

1197

01:01:44,750 --> 01:01:42,900

to him

1198

01:01:47,210 --> 01:01:44,760

you know with the shows or whatever he

1199

01:01:50,390 --> 01:01:47,220

does goes well for him I just wish like

1200

01:01:53,390 --> 01:01:50,400

a poison would stop like just like no

1201

01:01:57,530 --> 01:01:53,400

everybody needs to just

1202

01:02:00,710 --> 01:01:57,540

stop talking crap you know like

1203

01:02:04,490 --> 01:02:00,720

um and I have before like to like I've

1204

01:02:08,150 --> 01:02:06,589

you know to me which is rather quickly

1205

01:02:10,970 --> 01:02:08,160

after a few months or whatever that is

1206

01:02:14,289 --> 01:02:10,980

not the route I want to go that's not

1207

01:02:16,910 --> 01:02:14,299

the person I want to be that is not

1208

01:02:19,730 --> 01:02:16,920

representative of how I want to conduct

1209

01:02:23,870 --> 01:02:19,740

myself I'm not about any of that at all

1210

01:02:26,150 --> 01:02:23,880

it is a waste of energy

1211

01:02:29,630 --> 01:02:26,160

and in the end makes the UFO Community

1212

01:02:32,990 --> 01:02:29,640

look bad looks stupid

1213

01:02:37,910 --> 01:02:33,000

you know like um

1214

01:02:42,349 --> 01:02:40,190

there's this video that came out of a of

1215

01:02:44,030 --> 01:02:42,359

like a physical confrontation or

1216

01:02:48,170 --> 01:02:44,040

whatever

1217

01:02:51,109 --> 01:02:48,180

but when I look at it I go man this UFO

1218

01:02:53,030 --> 01:02:51,119

Community is immature and about to get

1219

01:02:55,849 --> 01:02:53,040

in a freaking fist fight and that is

1220

01:02:59,089 --> 01:02:55,859

just stupid I don't care whose fault it

1221

01:03:01,609 --> 01:02:59,099

is and who said what or whatever like

1222

01:03:03,589 --> 01:03:01,619

you know we're not gonna get the UFO

1223

01:03:06,710 --> 01:03:03,599

Community is not going to get anywhere

1224

01:03:07,849 --> 01:03:06,720

unless they can raise themselves up a

1225

01:03:13,970 --> 01:03:07,859

little more

1226

01:03:17,150 --> 01:03:15,410

because if the people in the community

1227

01:03:20,930 --> 01:03:17,160

can't even take the stuff seriously how

1228

01:03:20,940 --> 01:03:23,450

you know

1229

01:03:23,460 --> 01:03:26,809

so

1230

01:03:26,819 --> 01:03:30,710

I think it needs to be

1231

01:03:34,549 --> 01:03:33,230

you know

1232

01:03:36,589 --> 01:03:34,559

I don't know

1233

01:03:39,170 --> 01:03:36,599

say about it like disclosure who's going

1234

01:03:41,450 --> 01:03:39,180

to disclose anything to you know a group

1235

01:03:43,870 --> 01:03:41,460

of people that just throw low blows at

1236

01:03:52,370 --> 01:03:46,970

screw you you know the best person I I

1237

01:03:56,030 --> 01:03:53,329

um

1238

01:03:58,190 --> 01:03:56,040

the best person

1239

01:04:00,230 --> 01:03:58,200

that I've heard uh talk about this stuff

1240

01:04:04,490 --> 01:04:00,240

recently is in like the disclosure

1241

01:04:08,569 --> 01:04:06,829

actually which is

1242

01:04:11,690 --> 01:04:08,579

um I guess maybe strange for some people

1243

01:04:13,789 --> 01:04:11,700

but he tells it like it is like uh the

1244

01:04:15,530 --> 01:04:13,799

actual classification on UAP stuff is

1245

01:04:17,710 --> 01:04:15,540

getting Tighter and Tighter we have

1246

01:04:20,030 --> 01:04:17,720

learned nothing new

1247

01:04:22,309 --> 01:04:20,040

like and this is not to dig at Louis

1248

01:04:24,829 --> 01:04:22,319

Lozano Lou Alexander did what he had to

1249

01:04:27,049 --> 01:04:24,839

do to get this in Congress and get it

1250

01:04:29,210 --> 01:04:27,059

done the right way that was important to

1251

01:04:30,829 --> 01:04:29,220

him and he did that

1252

01:04:33,770 --> 01:04:30,839

you know

1253

01:04:37,549 --> 01:04:33,780

but now if we want to disclosure we have

1254

01:04:42,349 --> 01:04:40,789

you know and so far how it looks is we

1255

01:04:44,990 --> 01:04:42,359

haven't gotten anything and that's not

1256

01:04:47,450 --> 01:04:45,000

Lou's fault that's congress's fault and

1257

01:04:50,450 --> 01:04:47,460

the government's fault

1258

01:04:52,010 --> 01:04:50,460

for not giving us any data

1259

01:04:54,650 --> 01:04:52,020

you know

1260

01:04:57,170 --> 01:04:54,660

and we haven't learned anything

1261

01:05:00,829 --> 01:04:57,180

and things are getting tighter

1262

01:05:06,470 --> 01:05:03,349

you know in the UAP reports aren't even

1263

01:05:10,370 --> 01:05:07,549

so

1264

01:05:12,230 --> 01:05:10,380

uh I did Grant Cameron's take on this

1265

01:05:17,089 --> 01:05:12,240

because he he's uh yeah he's a straight

1266

01:05:20,809 --> 01:05:18,470

totally

1267

01:05:22,789 --> 01:05:20,819

love love you guys are so nice in the

1268

01:05:24,950 --> 01:05:22,799

chat

1269

01:05:27,470 --> 01:05:24,960

Grand camera is pretty great about this

1270

01:05:32,210 --> 01:05:27,480

stuff you know

1271

01:05:32,220 --> 01:05:36,770

yeah but

1272

01:05:41,329 --> 01:05:38,930

yeah disclosure might not happen anytime

1273

01:05:42,950 --> 01:05:41,339

soon but you can always start gaze

1274

01:05:45,170 --> 01:05:42,960

yeah

1275

01:05:47,270 --> 01:05:45,180

you know I do

1276

01:05:48,710 --> 01:05:47,280

like every night when I'm outside or

1277

01:05:50,510 --> 01:05:48,720

whatever and going back into my house

1278

01:05:53,750 --> 01:05:50,520

looking in those same spots where I saw

1279

01:05:55,609 --> 01:05:53,760

those things two years ago and I'm like

1280

01:05:58,010 --> 01:05:55,619

is it gonna happen again is it gonna

1281

01:05:59,569 --> 01:05:58,020

come back you know and I can see it like

1282

01:06:00,829 --> 01:05:59,579

in my mind's eye or whatever you want to

1283

01:06:02,990 --> 01:06:00,839

call it like

1284

01:06:04,549 --> 01:06:03,000

still two years later I can see it

1285

01:06:06,289 --> 01:06:04,559

really clear still

1286

01:06:08,990 --> 01:06:06,299

you know

1287

01:06:11,210 --> 01:06:09,000

but just doesn't happen

1288

01:06:14,630 --> 01:06:11,220

doesn't happen

1289

01:06:14,640 --> 01:06:18,170

so

1290

01:06:18,180 --> 01:06:23,809

you know but I would say

1291

01:06:28,210 --> 01:06:26,150

I have this one video where they're like

1292

01:06:30,890 --> 01:06:28,220

red orbs

1293

01:06:33,230 --> 01:06:30,900

but I you know I don't know if that's

1294

01:06:34,849 --> 01:06:33,240

what it actually was or not I think they

1295

01:06:37,130 --> 01:06:34,859

were orbs I don't think they were

1296

01:06:39,710 --> 01:06:37,140

lanterns I was there they were pretty

1297

01:06:42,349 --> 01:06:39,720

close but you know I'm open to being

1298

01:06:44,029 --> 01:06:42,359

wrong about it

1299

01:06:46,789 --> 01:06:44,039

I had

1300

01:06:48,710 --> 01:06:46,799

saw two things

1301

01:06:51,950 --> 01:06:48,720

in the course of like a week or a few

1302

01:06:53,270 --> 01:06:51,960

days that just were the craziest things

1303

01:06:55,730 --> 01:06:53,280

I've ever seen

1304

01:06:58,670 --> 01:06:55,740

and that I know of for sure

1305

01:07:01,130 --> 01:06:58,680

and then surrounding those sightings I

1306

01:07:03,589 --> 01:07:01,140

saw some other weird things

1307

01:07:05,390 --> 01:07:03,599

but weren't answered

1308

01:07:07,309 --> 01:07:05,400

so

1309

01:07:09,410 --> 01:07:07,319

yeah and how am I going to find out what

1310

01:07:12,410 --> 01:07:09,420

the stuff is you know I have to search

1311

01:07:15,170 --> 01:07:12,420

for uh you know human technology things

1312

01:07:18,890 --> 01:07:15,180

what could it be you know and I haven't

1313

01:07:21,049 --> 01:07:18,900

seen anything that it could be

1314

01:07:23,809 --> 01:07:21,059

you know

1315

01:07:26,990 --> 01:07:23,819

like no videos I haven't seen one video

1316

01:07:27,000 --> 01:07:32,630

online or anywhere that looks like it

1317

01:07:32,640 --> 01:07:36,109

sucks

1318

01:07:42,890 --> 01:07:39,849

oh you know the other day I asked uh

1319

01:07:45,349 --> 01:07:42,900

on Twitter uh I asked if you guys

1320

01:07:50,690 --> 01:07:45,359

believe the uh

1321

01:07:55,370 --> 01:07:53,390

and I asked that because it's

1322

01:07:58,670 --> 01:07:55,380

I wanted you know I was interested to

1323

01:08:01,069 --> 01:07:58,680

see how many people just uh you know

1324

01:08:03,230 --> 01:08:01,079

went for it and believed all the way or

1325

01:08:05,690 --> 01:08:03,240

you know people didn't at all or if they

1326

01:08:10,010 --> 01:08:05,700

believed some of it because

1327

01:08:15,289 --> 01:08:12,890

like kind of repetitive thing that

1328

01:08:18,110 --> 01:08:15,299

happens in the apology this Billy Meyer

1329

01:08:20,329 --> 01:08:18,120

thing right like I watched these old

1330

01:08:23,150 --> 01:08:20,339

daytime news

1331

01:08:24,709 --> 01:08:23,160

talk shows where this guy came on and

1332

01:08:27,289 --> 01:08:24,719

talked about Billy Meyer and showed the

1333

01:08:29,150 --> 01:08:27,299

photographs and really presented it that

1334

01:08:33,169 --> 01:08:29,160

it could really be true and left you

1335

01:08:34,910 --> 01:08:33,179

with like wow this guy really took these

1336

01:08:38,450 --> 01:08:34,920

crystal clear pictures of this Flying

1337

01:08:41,809 --> 01:08:38,460

Saucer in the video and it talks to them

1338

01:08:43,309 --> 01:08:41,819

like wow I can't believe this could be

1339

01:08:45,050 --> 01:08:43,319

possible

1340

01:08:47,269 --> 01:08:45,060

and then you the more you look into it

1341

01:08:49,849 --> 01:08:47,279

the years go by it it's like that was

1342

01:08:52,010 --> 01:08:49,859

all freaking horseshit and no wonder

1343

01:08:54,829 --> 01:08:52,020

nobody pays attention to this freaking

1344

01:08:57,590 --> 01:08:54,839

topic foreign

1345

01:09:00,410 --> 01:08:57,600

you know wow

1346

01:09:04,970 --> 01:09:00,420

yes he was debunked by his wife his

1347

01:09:09,410 --> 01:09:08,090

oh man but yeah I don't know why I

1348

01:09:11,630 --> 01:09:09,420

brought that up but I just thought of

1349

01:09:13,070 --> 01:09:11,640

that so

1350

01:09:14,329 --> 01:09:13,080

so yeah

1351

01:09:18,490 --> 01:09:14,339

but

1352

01:09:24,590 --> 01:09:22,130

stay good I'm sure I'll maybe I'll be

1353

01:09:25,550 --> 01:09:24,600

back at at some point hopefully you know

1354

01:09:27,829 --> 01:09:25,560

if there's something to talk about

1355

01:09:30,169 --> 01:09:27,839

definitely

1356

01:09:32,469 --> 01:09:30,179

or if I stop being lazy and actually get

1357

01:09:32,870 --> 01:09:32,479

other people to talk to on this show

1358

01:09:34,490 --> 01:09:32,880

[Music]

1359

01:09:35,870 --> 01:09:34,500

um

1360

01:09:37,789 --> 01:09:35,880

you know that would be good I wouldn't

1361

01:09:39,470 --> 01:09:37,799

mind just a set of good solid friends

1362

01:09:41,689 --> 01:09:39,480

every week to talk about stuff with

1363

01:09:43,550 --> 01:09:41,699

versus you know having to book a guest

1364

01:09:45,289 --> 01:09:43,560

every week

1365

01:09:46,249 --> 01:09:45,299

maybe that would be a little better I

1366

01:09:50,870 --> 01:09:46,259

don't know

1367

01:09:56,150 --> 01:09:53,510

keep stargazing

1368

01:09:59,330 --> 01:09:56,160

be good

1369

01:10:00,950 --> 01:09:59,340

yeah it's like the Lazar question

1370

01:10:02,870 --> 01:10:00,960

totally

1371

01:10:05,930 --> 01:10:02,880

which there have been a couple things

1372

01:10:09,950 --> 01:10:05,940

that have debunked with Lazar to me

1373

01:10:16,310 --> 01:10:12,770

uh and I think the main one was that W-2

1374

01:10:18,290 --> 01:10:16,320

his W-2 said

1375

01:10:22,250 --> 01:10:18,300

I forgot what it was though Department

1376

01:10:22,260 --> 01:10:25,729

I think it was

1377

01:10:30,709 --> 01:10:29,030

um and that doesn't exist

1378

01:10:33,229 --> 01:10:30,719

there's this one guy on Twitter like

1379

01:10:35,689 --> 01:10:33,239

that that swears that's a lie and and

1380

01:10:37,430 --> 01:10:35,699

shows like four or five instances where

1381

01:10:40,790 --> 01:10:37,440

it was actually called Department of

1382

01:10:44,149 --> 01:10:40,800

Naval intelligence but it's never

1383

01:10:45,590 --> 01:10:44,159

you know an actual government thing

1384

01:10:46,910 --> 01:10:45,600

or whatever it's always like in a

1385

01:10:49,850 --> 01:10:46,920

newspaper whatever so it could be

1386

01:10:52,490 --> 01:10:49,860

attributed to just they screwed up and

1387

01:10:54,890 --> 01:10:52,500

then it was asked

1388

01:10:56,870 --> 01:10:54,900

um this actually this Douglas guy the

1389

01:10:59,689 --> 01:10:56,880

website that I put up when he talked

1390

01:11:00,410 --> 01:10:59,699

about the UFO legislation actually talks

1391

01:11:01,130 --> 01:11:00,420

about

1392

01:11:03,770 --> 01:11:01,140

um

1393

01:11:05,630 --> 01:11:03,780

you know how he he wrote

1394

01:11:08,450 --> 01:11:05,640

I think it was the National Archives or

1395

01:11:10,370 --> 01:11:08,460

something about it and they said nope

1396

01:11:12,229 --> 01:11:10,380

never existed Navy said nope it never

1397

01:11:14,149 --> 01:11:12,239

existed but then you're again you're in

1398

01:11:15,470 --> 01:11:14,159

this thing where do you trust the

1399

01:11:18,830 --> 01:11:15,480

government or not

1400

01:11:22,550 --> 01:11:21,229

so it's like if you're like you can't

1401

01:11:24,410 --> 01:11:22,560

believe anything the government says

1402

01:11:25,910 --> 01:11:24,420

then it all goes out the window and yes

1403

01:11:29,209 --> 01:11:25,920

it could have existed anything could

1404

01:11:30,530 --> 01:11:29,219

have existed leprechauns could exist

1405

01:11:32,689 --> 01:11:30,540

um which some people actually think that

1406

01:11:35,570 --> 01:11:32,699

could be the case you know

1407

01:11:37,070 --> 01:11:35,580

um flying socks could exist you know if

1408

01:11:38,870 --> 01:11:37,080

you ask the government to flank socks

1409

01:11:44,530 --> 01:11:38,880

exist and they go nope never heard of it

1410

01:11:49,729 --> 01:11:46,910

you know so

1411

01:11:52,010 --> 01:11:49,739

where does it end at that point

1412

01:11:55,310 --> 01:11:52,020

so

1413

01:11:59,870 --> 01:11:57,470

doesn't end

1414

01:12:02,990 --> 01:11:59,880

does not end

1415

01:12:08,030 --> 01:12:06,110

that's the conundrum

1416

01:12:11,270 --> 01:12:08,040

but you know but you got to have a

1417

01:12:14,930 --> 01:12:13,310

just because there's a and this this is

1418

01:12:15,950 --> 01:12:14,940

something I learned from that CIA guy

1419

01:12:17,990 --> 01:12:15,960

too

1420

01:12:18,830 --> 01:12:18,000

um on that interview

1421

01:12:21,709 --> 01:12:18,840

um

1422

01:12:24,590 --> 01:12:21,719

information knowledge and intelligence

1423

01:12:26,810 --> 01:12:24,600

right so

1424

01:12:29,209 --> 01:12:26,820

there's a lot of information

1425

01:12:31,970 --> 01:12:29,219

about UFOs right

1426

01:12:34,550 --> 01:12:31,980

on each side on the skeptic side

1427

01:12:37,970 --> 01:12:34,560

on the debunker side and on the believer

1428

01:12:41,510 --> 01:12:37,980

side there's a lot of information

1429

01:12:46,010 --> 01:12:41,520

but none of it leads to actual knowledge

1430

01:12:48,410 --> 01:12:46,020

actual hard proof knowledge right and

1431

01:12:49,610 --> 01:12:48,420

that's what you need in order to get the

1432

01:12:51,350 --> 01:12:49,620

intelligence

1433

01:12:53,209 --> 01:12:51,360

so

1434

01:12:54,709 --> 01:12:53,219

keep looking through the information try

1435

01:12:56,630 --> 01:12:54,719

to convert it into knowledge which I

1436

01:12:58,250 --> 01:12:56,640

think is next to impossible to do in

1437

01:13:00,649 --> 01:12:58,260

this field which is quite frustrating

1438

01:13:03,770 --> 01:13:00,659

but if you can't do it you can turn it

1439

01:13:04,970 --> 01:13:03,780

into some sort of intelligence all right

1440

01:13:07,970 --> 01:13:04,980

I got to get out of here I'm starting to

1441

01:13:10,189 --> 01:13:07,980

babble so uh appreciate y'all uh like

1442

01:13:13,310 --> 01:13:10,199

the video subscribe share it get other

1443

01:13:17,570 --> 01:13:13,320

people to watch it Blow Me Away

1444

01:13:19,190 --> 01:13:17,580

and stay good to each other peace out

1445

01:13:34,930 --> 01:13:19,200

foreign
