

1  
00:00:20,769 --> 00:00:04,970  
hey this is Sean and this is Jay and

2  
00:00:36,069 --> 00:00:24,010  
we're going to talk about flying saucers

3  
00:00:40,550 --> 00:00:38,930  
flying suckers

4  
00:00:50,770 --> 00:00:40,560  
foreign

5  
00:00:56,029 --> 00:00:54,170  
my brother what's up what's up that I

6  
00:00:58,490 --> 00:00:56,039  
love the I love the intro that's great

7  
00:00:59,930 --> 00:00:58,500  
thank you very much I haven't changed it

8  
00:01:01,910 --> 00:00:59,940  
in a while so I thought it was a bit

9  
00:01:03,590 --> 00:01:01,920  
overdue

10  
00:01:04,789 --> 00:01:03,600  
um yeah and I wanted to do something a

11  
00:01:07,250 --> 00:01:04,799  
little more pretty

12  
00:01:08,870 --> 00:01:07,260  
you know it's pretty sounding it's very

13  
00:01:10,429 --> 00:01:08,880

pretty and it sounds very pretty too did

14

00:01:11,990 --> 00:01:10,439

you just uh did you just do the music

15

00:01:14,690 --> 00:01:12,000

recently or is that an old track of

16

00:01:17,450 --> 00:01:14,700

yours no no yeah I put that together a

17

00:01:20,149 --> 00:01:17,460

couple hours ago maybe sick that's

18

00:01:21,649 --> 00:01:20,159

awesome yeah oh man that's how I do it

19

00:01:23,990 --> 00:01:21,659

last minute

20

00:01:26,870 --> 00:01:24,000

I love it flying by the seat of the

21

00:01:29,149 --> 00:01:26,880

pants yeah but I haven't been really

22

00:01:32,570 --> 00:01:29,159

inspired to do the music thing in a bit

23

00:01:33,590 --> 00:01:32,580

and this morning I was by the lake in

24

00:01:35,870 --> 00:01:33,600

the car

25

00:01:37,429 --> 00:01:35,880

and I don't know it just hit me like I

26  
00:01:40,429 --> 00:01:37,439  
wanted to do something with strings and

27  
00:01:43,190 --> 00:01:40,439  
some piano so just do that together it's

28  
00:01:44,390 --> 00:01:43,200  
beautiful nice work yeah um happy

29  
00:01:50,450 --> 00:01:44,400  
holidays

30  
00:01:53,450 --> 00:01:50,460  
too and to everybody in the chat thanks

31  
00:01:54,530 --> 00:01:53,460  
for hanging out by the way absolutely

32  
00:01:56,450 --> 00:01:54,540  
100 percent

33  
00:01:58,310 --> 00:01:56,460  
I see a lot of great people over in that

34  
00:02:01,550 --> 00:01:58,320  
chat it's wonderful to see you all and

35  
00:02:04,850 --> 00:02:01,560  
we have a couple two wonderful guests

36  
00:02:07,910 --> 00:02:04,860  
helping us celebrate the holidays and uh

37  
00:02:13,250 --> 00:02:07,920  
and have a good conversation today

38  
00:02:16,010 --> 00:02:13,260

um let's see first we have uh a amazing

39

00:02:20,150 --> 00:02:16,020

film director he's also a licensed pilot

40

00:02:22,550 --> 00:02:20,160

a Pianist uh he's worked as an actor and

41

00:02:26,150 --> 00:02:22,560

the stagehand uh he's basically done

42

00:02:29,270 --> 00:02:26,160

every job that any young boy wants to

43

00:02:30,650 --> 00:02:29,280

grow up and do I think maybe except for

44

00:02:32,809 --> 00:02:30,660

like playing baseball or something but

45

00:02:36,050 --> 00:02:32,819

we'll ask maybe he's done that too we

46

00:02:38,390 --> 00:02:36,060

have Randall Nickerson great to have you

47

00:02:43,930 --> 00:02:38,400

on the show today Randall wow thank you

48

00:02:46,850 --> 00:02:43,940

yeah thank you I did play football

49

00:02:48,470 --> 00:02:46,860

how am I not surprised that's amazing

50

00:02:51,530 --> 00:02:48,480

all right

51  
00:02:55,190 --> 00:02:51,540  
yeah and I tried out for my high school

52  
00:02:57,589 --> 00:02:55,200  
football team uh but it was like 90

53  
00:03:01,089 --> 00:02:57,599  
degrees and I was in pads and stuff and

54  
00:03:05,330 --> 00:03:01,099  
I was like I'm I'm not doing it

55  
00:03:13,009 --> 00:03:09,470  
and we also have today uh the host of

56  
00:03:14,930 --> 00:03:13,019  
disclosure team UK also one of our

57  
00:03:18,229 --> 00:03:14,940  
favorite boots on the ground researchers

58  
00:03:21,470 --> 00:03:18,239  
that always manages to have the coolest

59  
00:03:22,910 --> 00:03:21,480  
kicks in the field Vinnie Adams it's

60  
00:03:25,729 --> 00:03:22,920  
great to have you here today hey guys

61  
00:03:28,130 --> 00:03:25,739  
happy holidays good to see you Rhonda

62  
00:03:31,369 --> 00:03:28,140  
always a pleasure happy holidays yeah

63  
00:03:33,350 --> 00:03:31,379

good to see you you got the coolest

64

00:03:36,309 --> 00:03:33,360

kicks oh wait something funny like

65

00:03:39,710 --> 00:03:36,319

because I can never see below

66

00:03:43,850 --> 00:03:39,720

your chest really so that's interesting

67

00:03:46,130 --> 00:03:43,860

to me I mean I yeah I mean I've I'm I'm

68

00:03:48,710 --> 00:03:46,140

a Vinnie Adams Super Fan and I've scoped

69

00:03:50,509 --> 00:03:48,720

some some you know there's been plenty

70

00:03:52,670 --> 00:03:50,519

of shots of Vinnie at the conferences

71

00:03:55,250 --> 00:03:52,680

and things like that over in the UK and

72

00:03:57,110 --> 00:03:55,260

I've admired and with phenomenology

73

00:03:59,630 --> 00:03:57,120

season one there's some really cool

74

00:04:01,130 --> 00:03:59,640

kicks on there I uh I didn't mean to

75

00:04:03,710 --> 00:04:01,140

blow up your spot I'm sorry I don't mean

76

00:04:05,990 --> 00:04:03,720

to over hype the kick strain but yeah

77

00:04:08,170 --> 00:04:06,000

it's all good man I pride myself on my

78

00:04:10,610 --> 00:04:08,180

Footwear

79

00:04:11,990 --> 00:04:10,620

I'm so glad you guys are doing what

80

00:04:15,229 --> 00:04:12,000

you're doing I think it's really

81

00:04:18,110 --> 00:04:15,239

important for the the spread of

82

00:04:20,210 --> 00:04:18,120

uh just the knowledge to everybody

83

00:04:22,850 --> 00:04:20,220

um on this world that there's something

84

00:04:24,830 --> 00:04:22,860

actually really going on I just wanted

85

00:04:26,450 --> 00:04:24,840

to say that I really appreciate what you

86

00:04:29,749 --> 00:04:26,460

guys all of you are doing

87

00:04:32,810 --> 00:04:29,759

thanks man thank you and feeling's

88

00:04:35,749 --> 00:04:32,820

completely Mutual I mean it it takes a

89

00:04:36,650 --> 00:04:35,759

dedicated and strong person to Trek all

90

00:04:37,850 --> 00:04:36,660

the way

91

00:04:38,930 --> 00:04:37,860

to

92

00:04:41,689 --> 00:04:38,940

um

93

00:04:43,010 --> 00:04:41,699

you know a small place in Africa and do

94

00:04:45,110 --> 00:04:43,020

what you were doing and make that entire

95

00:04:47,450 --> 00:04:45,120

film which is you know incredibly

96

00:04:49,969 --> 00:04:47,460

beautiful and I can't wait to hear about

97

00:04:51,469 --> 00:04:49,979

how everything is gone for you after its

98

00:04:53,749 --> 00:04:51,479

release

99

00:04:55,969 --> 00:04:53,759

um but yeah all I do is turn on the

100

00:04:58,430 --> 00:04:55,979

camera and talk live and jibber jabber

101  
00:05:01,430 --> 00:04:58,440  
but you actually made a plan that took a

102  
00:05:03,710 --> 00:05:01,440  
long time and executed it flawlessly

103  
00:05:06,290 --> 00:05:03,720  
it's thank you for what you're doing

104  
00:05:07,550 --> 00:05:06,300  
yeah we make our contributions like you

105  
00:05:09,830 --> 00:05:07,560  
know different people make their

106  
00:05:12,290 --> 00:05:09,840  
contributions to uh move this forward

107  
00:05:14,210 --> 00:05:12,300  
and uh

108  
00:05:16,670 --> 00:05:14,220  
um yeah but I I just do really

109  
00:05:20,990 --> 00:05:16,680  
appreciate that there's

110  
00:05:22,010 --> 00:05:21,000  
good people out in this space now

111  
00:05:24,170 --> 00:05:22,020  
um

112  
00:05:27,050 --> 00:05:24,180  
just it just seems to be elevated

113  
00:05:29,689 --> 00:05:27,060

because of the Pentagon and you know

114

00:05:31,310 --> 00:05:29,699

just slight disclosure whatever you want

115

00:05:33,890 --> 00:05:31,320

to call it

116

00:05:36,529 --> 00:05:33,900

um where they're saying that these these

117

00:05:38,930 --> 00:05:36,539

things are actually there so

118

00:05:41,110 --> 00:05:38,940

yeah and Vinnie's has also done an

119

00:05:43,249 --> 00:05:41,120

amazing job too with boots on the ground

120

00:05:44,570 --> 00:05:43,259

investigations you'll have to check that

121

00:05:45,950 --> 00:05:44,580

out right when you have a chance it's

122

00:05:48,170 --> 00:05:45,960

beautifully made the music's beautiful

123

00:05:50,290 --> 00:05:48,180

the shots are beautiful

124

00:05:52,850 --> 00:05:50,300

um yeah it's good people out in Columbia

125

00:05:55,070 --> 00:05:52,860

investigating the lights out there they

126

00:05:56,450 --> 00:05:55,080

did one season already it's great

127

00:05:58,550 --> 00:05:56,460

they're doing another one I can't wait

128

00:06:00,590 --> 00:05:58,560

to see how that goes

129

00:06:02,570 --> 00:06:00,600

um but yeah that's that's another thing

130

00:06:04,310 --> 00:06:02,580

that I couldn't do is is walk up those

131

00:06:06,290 --> 00:06:04,320

freaking mountains man I'm so out of

132

00:06:09,730 --> 00:06:06,300

shape I'd be like I can't do it man

133

00:06:14,450 --> 00:06:12,409

it was definitely uh challenging but

134

00:06:17,210 --> 00:06:14,460

when you've got such a great team around

135

00:06:19,430 --> 00:06:17,220

you and you will push each other and you

136

00:06:21,469 --> 00:06:19,440

know it gets you to the top and you know

137

00:06:24,409 --> 00:06:21,479

we needed to do it we did it as a team

138

00:06:25,969 --> 00:06:24,419

and yeah it was so worthwhile and you

139

00:06:28,309 --> 00:06:25,979

know the results we got as part of the

140

00:06:29,870 --> 00:06:28,319

investigation just really benefited us

141

00:06:30,890 --> 00:06:29,880

they benefited the documentary series

142

00:06:32,450 --> 00:06:30,900

and

143

00:06:34,249 --> 00:06:32,460

yeah I think next time we're going to be

144

00:06:38,629 --> 00:06:34,259

doing it in the dark which is going to

145

00:06:42,409 --> 00:06:38,639

be fun oh beautiful beautiful

146

00:06:44,270 --> 00:06:42,419

um now as both of you are have been uh

147

00:06:46,850 --> 00:06:44,280

boots on the ground researchers out in

148

00:06:49,670 --> 00:06:46,860

the field doing investigations Randall

149

00:06:51,529 --> 00:06:49,680

you know the the aerial phenomenon movie

150

00:06:53,930 --> 00:06:51,539

going out to Africa to shoot that Etc

151

00:06:55,490 --> 00:06:53,940

that wasn't your first this wasn't by

152

00:06:58,070 --> 00:06:55,500

any means your first investigation

153

00:07:00,050 --> 00:06:58,080

you've been doing research into this

154

00:07:02,629 --> 00:07:00,060

field for many years

155

00:07:05,330 --> 00:07:02,639

um you know can could you walk us

156

00:07:07,430 --> 00:07:05,340

through like going back going back in

157

00:07:10,550 --> 00:07:07,440

time I mean you've been doing this for

158

00:07:12,710 --> 00:07:10,560

gosh over 25 years now you know can you

159

00:07:15,230 --> 00:07:12,720

walk us back to one of your earliest

160

00:07:17,809 --> 00:07:15,240

investigations or something that really

161

00:07:20,930 --> 00:07:17,819

was pivotal to you in terms of

162

00:07:22,850 --> 00:07:20,940

getting out there and and doing the

163

00:07:25,309 --> 00:07:22,860

research yourself

164

00:07:28,249 --> 00:07:25,319

yeah I mean my kind of

165

00:07:30,350 --> 00:07:28,259

um since I grew up as a mechanic son

166

00:07:32,689 --> 00:07:30,360

working in a Service Garage growing up

167

00:07:34,430 --> 00:07:32,699

and you know I was a very nuts and bolts

168

00:07:36,890 --> 00:07:34,440

kind of guy you know

169

00:07:38,510 --> 00:07:36,900

um building Electronics fixing cars

170

00:07:41,809 --> 00:07:38,520

fixing motorcycles all that stuff

171

00:07:44,330 --> 00:07:41,819

snowmobiles so I kind of you know in my

172

00:07:46,189 --> 00:07:44,340

mind like when I go or hear about

173

00:07:49,370 --> 00:07:46,199

something it's like I need to go there

174

00:07:50,930 --> 00:07:49,380

and actually see the place and actually

175

00:07:53,150 --> 00:07:50,940

talk to the people

176

00:07:55,070 --> 00:07:53,160

and then I know and then I can make an

177

00:07:57,170 --> 00:07:55,080

assessment you know what I mean so the

178

00:07:59,029 --> 00:07:57,180

first one was Roswell and that was back

179

00:07:59,689 --> 00:07:59,039

in in the 90s

180

00:08:01,550 --> 00:07:59,699

um

181

00:08:04,309 --> 00:08:01,560

and I talked to a lot of the local

182

00:08:06,469 --> 00:08:04,319

ranchers around and I try to you know I

183

00:08:08,689 --> 00:08:06,479

didn't go to the museum or anything or I

184

00:08:10,490 --> 00:08:08,699

just went I wanted to know the people

185

00:08:11,390 --> 00:08:10,500

that lived around that area what they

186

00:08:14,390 --> 00:08:11,400

thought

187

00:08:16,550 --> 00:08:14,400

um I did I wasn't doing camera work for

188

00:08:18,529 --> 00:08:16,560

this at that point I was taking written

189

00:08:21,230 --> 00:08:18,539

interviews and then I uh wrote a paper

190

00:08:24,050 --> 00:08:21,240

and then the second one was the Phoenix

191

00:08:25,490 --> 00:08:24,060

Lights and that same thing went out to

192

00:08:26,990 --> 00:08:25,500

Phoenix talked to the police department

193

00:08:30,529 --> 00:08:27,000

and they're like yeah I know what really

194

00:08:32,870 --> 00:08:30,539

happened the police that was great

195

00:08:35,990 --> 00:08:32,880

um and then uh

196

00:08:38,870 --> 00:08:36,000

I started I wanted to do a documentary

197

00:08:40,490 --> 00:08:38,880

on John Mack while he was alive and we

198

00:08:43,670 --> 00:08:40,500

had a conversation about it about three

199

00:08:45,470 --> 00:08:43,680

months before he passed away and then I

200

00:08:49,250 --> 00:08:45,480

uh started a documentary on about

201  
00:08:51,829 --> 00:08:49,260  
Hopkins which is uh we're going to be

202  
00:08:54,170 --> 00:08:51,839  
putting up on the website a a trailer

203  
00:08:56,690 --> 00:08:54,180  
that because it's it's about 16 minutes

204  
00:08:57,769 --> 00:08:56,700  
long at this point but to make a full-on

205  
00:09:00,889 --> 00:08:57,779  
dock

206  
00:09:03,650 --> 00:09:00,899  
it's it's I mean Bud Hopkins was a very

207  
00:09:06,350 --> 00:09:03,660  
fascinating man and um

208  
00:09:08,990 --> 00:09:06,360  
like John I mean he he led John Mack

209  
00:09:12,170 --> 00:09:09,000  
into this phenomena and uh

210  
00:09:15,889 --> 00:09:12,180  
and Bud really broke some ground

211  
00:09:18,610 --> 00:09:15,899  
with uh you know that this was more than

212  
00:09:22,009 --> 00:09:18,620  
just seeing these objects in the sky

213  
00:09:24,530 --> 00:09:22,019

that things happened in between you know

214

00:09:26,690 --> 00:09:24,540

he was really pivotal and so was David

215

00:09:27,290 --> 00:09:26,700

Jacobs so

216

00:09:30,829 --> 00:09:27,300

um

217

00:09:32,930 --> 00:09:30,839

yeah that's the project I am uh moving

218

00:09:35,090 --> 00:09:32,940

forward on now and I have two others

219

00:09:37,430 --> 00:09:35,100

that I'm currently doing one another one

220

00:09:39,110 --> 00:09:37,440

in Africa of course I'm sort of on Old

221

00:09:42,769 --> 00:09:39,120

because

222

00:09:46,070 --> 00:09:42,779

you know Ariel's been doing okay but uh

223

00:09:49,670 --> 00:09:46,080

you know we haven't hit the

224

00:09:52,310 --> 00:09:49,680

uh well just be frank we it cost you

225

00:09:53,690 --> 00:09:52,320

know a little over a million dollars to

226

00:09:55,009 --> 00:09:53,700

make that film

227

00:09:56,269 --> 00:09:55,019

um

228

00:09:58,850 --> 00:09:56,279

because when you do International

229

00:09:59,570 --> 00:09:58,860

documentary

230

00:10:02,810 --> 00:09:59,580

um

231

00:10:04,790 --> 00:10:02,820

it's it requires an awful lot more

232

00:10:06,470 --> 00:10:04,800

um and I had been three trips there you

233

00:10:07,910 --> 00:10:06,480

lived there for a year and three months

234

00:10:09,949 --> 00:10:07,920

and

235

00:10:12,470 --> 00:10:09,959

um kind of fully immerse myself in the

236

00:10:16,550 --> 00:10:12,480

culture too

237

00:10:19,790 --> 00:10:16,560

um but uh so yeah I've got a lot of

238

00:10:22,190 --> 00:10:19,800

money to pay back to people which I'm

239

00:10:24,230 --> 00:10:22,200

always good at I I do it it's just uh

240

00:10:26,570 --> 00:10:24,240

you know we haven't hit the Joe Rogan's

241

00:10:29,090 --> 00:10:26,580

we haven't hit uh Lex Friedman

242

00:10:31,490 --> 00:10:29,100

um the larger audiences but now we're

243

00:10:33,250 --> 00:10:31,500

that we're releasing on a platform that

244

00:10:36,769 --> 00:10:33,260

we're on Amazon now

245

00:10:39,110 --> 00:10:36,779

platforms hopefully that should help

246

00:10:42,650 --> 00:10:39,120

um but I need to get out of debt and to

247

00:10:45,710 --> 00:10:42,660

uh to to carry on these other projects

248

00:10:48,110 --> 00:10:45,720

but I have not sat still and I won't I

249

00:10:50,690 --> 00:10:48,120

mean the other project is

250

00:10:52,490 --> 00:10:50,700

um while I was doing Ariel I was doing

251

00:10:55,730 --> 00:10:52,500

other interviews when I'd hear about

252

00:10:57,290 --> 00:10:55,740

somebody who had a sighting or had a had

253

00:11:00,110 --> 00:10:57,300

an encounter

254

00:11:03,050 --> 00:11:00,120

uh I jumped on it right away you know

255

00:11:06,710 --> 00:11:03,060

and went to those people's homes and I

256

00:11:09,530 --> 00:11:06,720

was on the radio thanks to Nikki Carter

257

00:11:11,329 --> 00:11:09,540

um she got me on the radio a lot so I do

258

00:11:14,210 --> 00:11:11,339

an interview on the radio over in Africa

259

00:11:16,490 --> 00:11:14,220

and people would email me or call me

260

00:11:18,710 --> 00:11:16,500

and I just go to their place and say

261

00:11:21,949 --> 00:11:18,720

tell me your story

262

00:11:24,949 --> 00:11:21,959

um so that's the other project and um

263

00:11:27,110 --> 00:11:24,959

really interested in doing something for

264

00:11:28,370 --> 00:11:27,120

the community or whatever you for people

265

00:11:31,550 --> 00:11:28,380

everybody

266

00:11:33,470 --> 00:11:31,560

on the different the different phenomena

267

00:11:36,130 --> 00:11:33,480

you see in the sky

268

00:11:39,470 --> 00:11:36,140

I've been documenting you know Chinese

269

00:11:42,170 --> 00:11:39,480

lanterns military aircraft you know how

270

00:11:43,870 --> 00:11:42,180

it looks from the ground Stars bull

271

00:11:46,550 --> 00:11:43,880

lights you know

272

00:11:49,190 --> 00:11:46,560

meteorites delete you know just the

273

00:11:51,410 --> 00:11:49,200

different things you see in the sky so

274

00:11:54,410 --> 00:11:51,420

when they look up at the sky they can

275

00:11:55,670 --> 00:11:54,420

already have a reference of it's kind of

276

00:11:58,069 --> 00:11:55,680

a tutorial

277

00:12:01,130 --> 00:11:58,079

I love that that is so bizarre because

278

00:12:04,490 --> 00:12:01,140

I've thought of doing the same thing man

279

00:12:07,389 --> 00:12:04,500

like exactly and I have

280

00:12:10,790 --> 00:12:07,399

uh like videos of the cell phones

281

00:12:13,610 --> 00:12:10,800

footage of lanterns I I got fooled by

282

00:12:17,750 --> 00:12:13,620

mylar balloon recently

283

00:12:21,530 --> 00:12:17,760

um so I have that and um yeah and I have

284

00:12:24,050 --> 00:12:21,540

something that's pretty I think

285

00:12:27,170 --> 00:12:24,060

I can't I don't know what it is

286

00:12:28,370 --> 00:12:27,180

and it's pretty bizarre so and yeah I

287

00:12:30,290 --> 00:12:28,380

mean I've seen everything in the sky

288

00:12:32,150 --> 00:12:30,300

since my initial like experience or

289

00:12:33,350 --> 00:12:32,160

whatever I can't stop looking at this

290

00:12:36,110 --> 00:12:33,360

guy when I'm out there and I've seen

291

00:12:36,889 --> 00:12:36,120

just about everything at this point

292

00:12:38,690 --> 00:12:36,899

um

293

00:12:42,590 --> 00:12:38,700

yeah it takes a while yeah I don't know

294

00:12:45,650 --> 00:12:42,600

to learn this guy you know my mind and

295

00:12:49,250 --> 00:12:45,660

uh a lot of people don't look at the sky

296

00:12:51,769 --> 00:12:49,260

very often so no they don't they're not

297

00:12:54,650 --> 00:12:51,779

familiar with just how many satellites

298

00:12:56,750 --> 00:12:54,660

there are up there or how do they behave

299

00:12:59,990 --> 00:12:56,760

um you know

300

00:13:02,329 --> 00:13:00,000

there's it's just I just that's a kind

301

00:13:04,090 --> 00:13:02,339

of I want to help and yeah that's

302

00:13:07,550 --> 00:13:04,100

interesting that you've had that thought

303

00:13:09,470 --> 00:13:07,560

uh to help uh educate the public so they

304

00:13:11,690 --> 00:13:09,480

can identify and not

305

00:13:14,150 --> 00:13:11,700

basically not be reporting things that

306

00:13:16,910 --> 00:13:14,160

are uh

307

00:13:18,170 --> 00:13:16,920

you know Venus or you know

308

00:13:19,370 --> 00:13:18,180

sure

309

00:13:21,829 --> 00:13:19,380

because you're right when you're for

310

00:13:25,550 --> 00:13:21,839

when you first start looking at at the

311

00:13:28,730 --> 00:13:25,560

sky you can get full pretty pretty

312

00:13:30,530 --> 00:13:28,740

easily you know actually

313

00:13:32,990 --> 00:13:30,540

um like whether it's an oncoming plane

314

00:13:35,629 --> 00:13:33,000

you know approach light the approach

315

00:13:38,269 --> 00:13:35,639

light looks very creepy as especially

316

00:13:39,470 --> 00:13:38,279

the lower it is you know but then you

317

00:13:41,690 --> 00:13:39,480

start seeing the blinking lights and

318

00:13:43,190 --> 00:13:41,700

everything so yeah I just think that'd

319

00:13:45,410 --> 00:13:43,200

be a great idea because you see a lot of

320

00:13:46,850 --> 00:13:45,420

rerun type of videos too online where

321

00:13:49,550 --> 00:13:46,860

it's like

322

00:13:52,129 --> 00:13:49,560

I can't fight every battle but that's a

323

00:13:53,569 --> 00:13:52,139

mylar balloon or you know whatever but I

324

00:13:56,930 --> 00:13:53,579

only know that because I've been through

325

00:13:58,310 --> 00:13:56,940

it you know so yeah somebody sent me one

326

00:14:01,910 --> 00:13:58,320

last year and

327

00:14:04,970 --> 00:14:01,920

he was convinced that this was uh you

328

00:14:06,710 --> 00:14:04,980

know a UFO and I'm like no that's a

329

00:14:07,490 --> 00:14:06,720

mylar balloon blowing around in the

330

00:14:10,250 --> 00:14:07,500

street

331

00:14:13,730 --> 00:14:10,260

I mean because I've seen it before and

332

00:14:17,269 --> 00:14:13,740

uh videotaped it before and

333

00:14:20,030 --> 00:14:17,279

uh anyway but that stuff happens and you

334

00:14:21,889 --> 00:14:20,040

know uh I I guess the hard part for a

335

00:14:23,150 --> 00:14:21,899

lot of people initially is like jumping

336

00:14:27,889 --> 00:14:23,160

to conclusions

337

00:14:31,550 --> 00:14:27,899

sure like even when I uh see something

338

00:14:33,949 --> 00:14:31,560

I I get my initial you know oh that was

339

00:14:36,350 --> 00:14:33,959

you know that was interesting that was

340

00:14:38,509 --> 00:14:36,360

weird and then I I kind of wait a little

341

00:14:41,030 --> 00:14:38,519

while and re-watch it and like all right

342

00:14:44,290 --> 00:14:41,040

let's tear this thing apart and look at

343

00:14:47,870 --> 00:14:44,300

all the satellite tracks or air traffic

344

00:14:48,530 --> 00:14:47,880

activity listen to the radios

345

00:14:51,110 --> 00:14:48,540

um

346

00:14:53,329 --> 00:14:51,120

and and then sort of takes about three

347

00:14:54,170 --> 00:14:53,339

months to make a decision on a clip for

348

00:14:55,250 --> 00:14:54,180

me

349

00:14:57,350 --> 00:14:55,260

um

350

00:15:01,069 --> 00:14:57,360

and there yeah there's more and more

351

00:15:05,810 --> 00:15:03,470

Absolutely I'll have to send you one or

352

00:15:07,730 --> 00:15:05,820

two I'd love to be great I love that

353

00:15:09,590 --> 00:15:07,740

yeah for sure

354

00:15:11,990 --> 00:15:09,600

um now Randall you were just mentioning

355

00:15:14,750 --> 00:15:12,000

you're just mentioning uh an early

356

00:15:17,689 --> 00:15:14,760

investigation in Roswell and I believe

357

00:15:20,090 --> 00:15:17,699

Vinnie you're going to be traveling to

358

00:15:22,069 --> 00:15:20,100

Roswell is it your is it going to be

359

00:15:23,329 --> 00:15:22,079

your first time in Roswell New Mexico

360

00:15:25,790 --> 00:15:23,339

next year

361

00:15:27,650 --> 00:15:25,800

yeah absolutely I mean I'll I'll just

362

00:15:30,290 --> 00:15:27,660

caveat this with saying we're sort of 99

363

00:15:32,629 --> 00:15:30,300

sure that it's happening I'm basically

364

00:15:35,269 --> 00:15:32,639

doing a talk at the conference and we're

365

00:15:36,530 --> 00:15:35,279

in the final stages of actually booking

366

00:15:40,129 --> 00:15:36,540

the flights to get me out there in

367

00:15:41,990 --> 00:15:40,139

person to you know to visit them the UFO

368

00:15:43,670 --> 00:15:42,000

Mecca where it started for a lot of

369

00:15:46,310 --> 00:15:43,680

people and yeah

370

00:15:48,710 --> 00:15:46,320

I just uh it's a dream come true I'm

371

00:15:49,430 --> 00:15:48,720

going I just decided if you're going I'm

372

00:15:51,769 --> 00:15:49,440

going

373

00:15:53,449 --> 00:15:51,779

all right traveling across the country

374

00:15:55,610 --> 00:15:53,459

I'm going to that

375

00:15:59,090 --> 00:15:55,620

oh that sounds fantastic

376

00:16:00,730 --> 00:15:59,100

oh my gosh oh man now now I feel the

377

00:16:02,810 --> 00:16:00,740

peer pressure I feel like I have to go

378

00:16:05,329 --> 00:16:02,820

all right

379

00:16:07,250 --> 00:16:05,339

that'd be so fun yeah because you know

380

00:16:08,810 --> 00:16:07,260

there'll be people there the people that

381

00:16:11,629 --> 00:16:08,820

live there in Roswell so I'll be able to

382

00:16:13,189 --> 00:16:11,639

just avoid the the tourist trap and just

383

00:16:16,250 --> 00:16:13,199

get shown the kind of important

384

00:16:18,650 --> 00:16:16,260

locations and and you know

385

00:16:20,750 --> 00:16:18,660

sort of shown what to look at what to

386

00:16:24,129 --> 00:16:20,760

visit and what to avoid kind of things I

387

00:16:26,870 --> 00:16:24,139

just I'm just so so excited yeah

388

00:16:29,990 --> 00:16:26,880

like the farmers and different people on

389

00:16:32,750 --> 00:16:30,000

ranches like they were just so honest

390

00:16:34,430 --> 00:16:32,760

you know and everybody around there I

391

00:16:35,810 --> 00:16:34,440

mean that I talked to and I talk to a

392

00:16:37,670 --> 00:16:35,820

lot of people they were like you know

393

00:16:40,370 --> 00:16:37,680

this really happened

394

00:16:43,069 --> 00:16:40,380

and I was you know I was open-minded at

395

00:16:44,030 --> 00:16:43,079

the time about whether it did or not and

396

00:16:46,370 --> 00:16:44,040

uh

397

00:16:48,350 --> 00:16:46,380

was convinced when I came back

398

00:16:49,670 --> 00:16:48,360

by the People by the people who live

399

00:16:52,610 --> 00:16:49,680

across the street

400

00:16:55,610 --> 00:16:52,620

yeah I I can't help but think about like

401  
00:16:58,850 --> 00:16:55,620  
uh in today's age with uh disclosure

402  
00:17:01,310 --> 00:16:58,860  
whatever you want to call it or you know

403  
00:17:03,230 --> 00:17:01,320  
the recent news the ndaa was passed

404  
00:17:05,090 --> 00:17:03,240  
today which is awesome so that UFO

405  
00:17:07,789 --> 00:17:05,100  
language got passed in the legislation

406  
00:17:09,110 --> 00:17:07,799  
today so we can celebrate that a little

407  
00:17:11,689 --> 00:17:09,120  
bit

408  
00:17:15,289 --> 00:17:11,699  
um but I always can't help but but think

409  
00:17:19,610 --> 00:17:15,299  
back to Roswell and

410  
00:17:21,650 --> 00:17:19,620  
how seemingly close actually how

411  
00:17:23,630 --> 00:17:21,660  
disclosure like legitimately happened

412  
00:17:25,789 --> 00:17:23,640  
for that one day where all the

413  
00:17:28,130 --> 00:17:25,799

newspapers were running the story you

414

00:17:31,669 --> 00:17:28,140

know I just today founded her to the

415

00:17:33,230 --> 00:17:31,679

original radio news broadcast of it and

416

00:17:36,049 --> 00:17:33,240

um you know I close my eyes and I'm

417

00:17:38,150 --> 00:17:36,059

thinking of that time and I'm like wow

418

00:17:41,690 --> 00:17:38,160

these people must have been going out of

419

00:17:43,490 --> 00:17:41,700

their minds like hearing this stuff on

420

00:17:45,110 --> 00:17:43,500

the news and you look at the newspapers

421

00:17:47,510 --> 00:17:45,120

like leading up to the Roswell event

422

00:17:50,029 --> 00:17:47,520

like a day before two days before some

423

00:17:52,610 --> 00:17:50,039

papers had full page spreads of many

424

00:17:54,590 --> 00:17:52,620

different UFO sightings coming in you

425

00:17:56,270 --> 00:17:54,600

know to to their offices that they're

426

00:17:58,549 --> 00:17:56,280

writing in the paper so there's this

427

00:17:59,750 --> 00:17:58,559

huge buildup of all this stuff and

428

00:18:01,370 --> 00:17:59,760

people don't know what's going on

429

00:18:04,669 --> 00:18:01,380

everybody's seeing and reporting

430

00:18:07,610 --> 00:18:04,679

something and then the paper says it's

431

00:18:10,789 --> 00:18:07,620

real we recovered it radio broadcast

432

00:18:13,010 --> 00:18:10,799

says it's going to Wright-Patterson and

433

00:18:16,370 --> 00:18:13,020

they're expecting it soon and all this

434

00:18:18,350 --> 00:18:16,380

stuff like wow I can't imagine that

435

00:18:21,289 --> 00:18:18,360

happening now you know like we get one

436

00:18:23,330 --> 00:18:21,299

blurb from Eric Davis about him briefing

437

00:18:26,750 --> 00:18:23,340

somebody on you know something off world

438

00:18:29,210 --> 00:18:26,760

and you know we have to argue about if

439

00:18:32,150 --> 00:18:29,220

he's telling the truth or not you know

440

00:18:33,890 --> 00:18:32,160

but it but it's just so crazy that uh

441

00:18:36,169 --> 00:18:33,900

we're right there and then they just

442

00:18:37,850 --> 00:18:36,179

scaled it all back and said nope it's a

443

00:18:40,010 --> 00:18:37,860

weather balloon you know

444

00:18:41,690 --> 00:18:40,020

it's just crazy but I can't help but

445

00:18:44,270 --> 00:18:41,700

think of that in the the times we're in

446

00:18:46,669 --> 00:18:44,280

now you know the the different

447

00:18:49,130 --> 00:18:46,679

you know parts of History where it

448

00:18:50,810 --> 00:18:49,140

seemed like we we're going to get some

449

00:18:53,450 --> 00:18:50,820

sort of disclosure even if you want to

450

00:18:55,610 --> 00:18:53,460

go to the Condon committee or or

451

00:18:57,110 --> 00:18:55,620

whatever you know I'm sure a lot of

452

00:18:58,669 --> 00:18:57,120

people were very hopeful at that time

453

00:19:00,770 --> 00:18:58,679

that some truth was going to come out

454

00:19:02,450 --> 00:19:00,780

about the situation you know the way

455

00:19:04,490 --> 00:19:02,460

they were broadcasting it as top

456

00:19:06,590 --> 00:19:04,500

scientists in the in the country are

457

00:19:07,970 --> 00:19:06,600

looking at this and they took it took a

458

00:19:11,450 --> 00:19:07,980

while to come up with something just for

459

00:19:14,270 --> 00:19:11,460

it to be a dud but you know I I hope

460

00:19:16,490 --> 00:19:14,280

I really hope that this time is

461

00:19:18,370 --> 00:19:16,500

different you know I hope it turns out

462

00:19:22,430 --> 00:19:18,380

different I hope there's more respect

463

00:19:25,090 --> 00:19:22,440

involved at the very least you know

464

00:19:27,830 --> 00:19:25,100

um because we we

465

00:19:29,870 --> 00:19:27,840

I don't think anyone really deserves

466

00:19:31,310 --> 00:19:29,880

anything but but if we did deserve

467

00:19:33,049 --> 00:19:31,320

something it would be the truth on this

468

00:19:35,090 --> 00:19:33,059

so yeah

469

00:19:37,909 --> 00:19:35,100

yeah I think the holding back of the

470

00:19:40,850 --> 00:19:37,919

truth has uh

471

00:19:42,169 --> 00:19:40,860

heard our path and our our human

472

00:19:44,810 --> 00:19:42,179

evolution

473

00:19:47,090 --> 00:19:44,820

I really do because when you step when

474

00:19:49,010 --> 00:19:47,100

you pull truth away from

475

00:19:50,930 --> 00:19:49,020

uh

476

00:19:54,350 --> 00:19:50,940

the truth always is going to come back

477

00:19:56,090 --> 00:19:54,360

maybe 50 years 100 years later but boy

478

00:19:57,950 --> 00:19:56,100

when you when you don't share it with

479

00:20:01,430 --> 00:19:57,960

the rest of the people

480

00:20:03,169 --> 00:20:01,440

um it I think it creates well if you

481

00:20:04,010 --> 00:20:03,179

don't know the truth you can't live in

482

00:20:07,430 --> 00:20:04,020

it

483

00:20:10,190 --> 00:20:07,440

and so I think a lot of

484

00:20:13,909 --> 00:20:10,200

exactly a lot of actual kind of harm

485

00:20:16,970 --> 00:20:13,919

happened because of that truth that

486

00:20:18,770 --> 00:20:16,980

a few people knew and I cannot kind of

487

00:20:20,110 --> 00:20:18,780

understand the decisions they made at

488

00:20:22,970 --> 00:20:20,120

the time

489

00:20:24,650 --> 00:20:22,980

I wrote a 15-page paper of like okay

490

00:20:27,169 --> 00:20:24,660

what would I have done

491

00:20:29,690 --> 00:20:27,179

you know if that happened to me and I

492

00:20:32,810 --> 00:20:29,700

was in charge of that unit you know in

493

00:20:33,529 --> 00:20:32,820

charge of that whole

494

00:20:36,830 --> 00:20:33,539

um

495

00:20:39,289 --> 00:20:36,840

recovery process and and scientific you

496

00:20:41,450 --> 00:20:39,299

know bringing it to scientists uh

497

00:20:43,310 --> 00:20:41,460

I'd be thinking about what you know I

498

00:20:44,330 --> 00:20:43,320

wouldn't immediately jump to let's tell

499

00:20:46,549 --> 00:20:44,340

everybody

500

00:20:48,950 --> 00:20:46,559

especially at that time period

501  
00:20:50,150 --> 00:20:48,960  
uh yeah right after World War II an

502  
00:20:52,070 --> 00:20:50,160  
interesting process because I didn't

503  
00:20:53,990 --> 00:20:52,080  
know how I would put myself in the

504  
00:20:56,390 --> 00:20:54,000  
situation and started writing and it

505  
00:20:58,430 --> 00:20:56,400  
ended up being 15 pages

506  
00:21:01,730 --> 00:20:58,440  
kind of wouldn't made it have made the

507  
00:21:04,250 --> 00:21:01,740  
same decisions but then 53 what was the

508  
00:21:05,990 --> 00:21:04,260  
um Robertson panel that's the one that

509  
00:21:09,529 --> 00:21:06,000  
really kind of

510  
00:21:11,810 --> 00:21:09,539  
I don't like that one no that that's

511  
00:21:14,090 --> 00:21:11,820  
terrible and you look at the old like

512  
00:21:15,590 --> 00:21:14,100  
CIA has plenty available on the lead up

513  
00:21:18,730 --> 00:21:15,600

to the Robertson panel and you can

514

00:21:23,029 --> 00:21:21,650

oh I got all those documents sure you

515

00:21:26,630 --> 00:21:23,039

can really piece it together because it

516

00:21:28,310 --> 00:21:26,640

started in the actual IAC and they're

517

00:21:30,529 --> 00:21:28,320

the ones who actually came up with the

518

00:21:33,529 --> 00:21:30,539

idea to put it together a panel than the

519

00:21:35,390 --> 00:21:33,539

CIA actually implemented it but you know

520

00:21:37,549 --> 00:21:35,400

they're they're talking throughout the

521

00:21:40,130 --> 00:21:37,559

documents like we don't want anyone to

522

00:21:41,510 --> 00:21:40,140

know that we're behind this yeah you

523

00:21:43,789 --> 00:21:41,520

know

524

00:21:46,730 --> 00:21:43,799

um and so it's yeah very very very

525

00:21:48,470 --> 00:21:46,740

secretive and you know you look at the

526

00:21:50,990 --> 00:21:48,480

actual report and there's

527

00:21:52,390 --> 00:21:51,000

there there were moments of Truth you

528

00:21:56,149 --> 00:21:52,400

know like the only guy who actually

529

00:21:59,029 --> 00:21:56,159

studied the UFOs for you know Blue Book

530

00:22:01,070 --> 00:21:59,039

and in the Air Force Dewey fournette was

531

00:22:03,590 --> 00:22:01,080

the one who said that I Ruled everything

532

00:22:05,210 --> 00:22:03,600

out but the Extraterrestrial origin like

533

00:22:08,390 --> 00:22:05,220

that's the only thing left I don't know

534

00:22:09,590 --> 00:22:08,400

what else to say and they just it nah

535

00:22:13,549 --> 00:22:09,600

you know

536

00:22:16,669 --> 00:22:13,559

not doing it sorry sorry boss yeah you

537

00:22:19,610 --> 00:22:16,679

know so yeah it's uh

538

00:22:23,810 --> 00:22:19,620

yeah uh I spent a lot of time on that

539

00:22:25,070 --> 00:22:23,820

specific area of of UFO history so you

540

00:22:27,409 --> 00:22:25,080

know I don't want to bore you guys but

541

00:22:28,669 --> 00:22:27,419

but there's uh there's a lot to it and I

542

00:22:29,930 --> 00:22:28,679

would love to talk to somebody about it

543

00:22:31,370 --> 00:22:29,940

sometimes so

544

00:22:36,289 --> 00:22:31,380

yeah

545

00:22:38,330 --> 00:22:36,299

I'm sorry go ahead

546

00:22:39,470 --> 00:22:38,340

no no you go it is an interesting

547

00:22:40,130 --> 00:22:39,480

history

548

00:22:43,669 --> 00:22:40,140

um

549

00:22:46,549 --> 00:22:43,679

when you look at the where you know

550

00:22:49,669 --> 00:22:46,559

it started way before that but you know

551  
00:22:55,010 --> 00:22:49,679  
that it's just interesting how

552  
00:22:58,010 --> 00:22:55,020  
we uh as a species kind of evolved to

553  
00:23:00,770 --> 00:22:58,020  
you know to deal with it I think it

554  
00:23:02,409 --> 00:23:00,780  
probably came in at an appropriate time

555  
00:23:05,149 --> 00:23:02,419  
um

556  
00:23:07,130 --> 00:23:05,159  
uh but yeah it's it's

557  
00:23:09,289 --> 00:23:07,140  
we'll be reading about it 100 years from

558  
00:23:12,470 --> 00:23:09,299  
now how this all went down

559  
00:23:15,049 --> 00:23:12,480  
um 100 makes sense

560  
00:23:18,070 --> 00:23:15,059  
no speaking of that kind of History you

561  
00:23:22,610 --> 00:23:18,080  
know Randy you've been really deeply

562  
00:23:25,190 --> 00:23:22,620  
embedded in many ways and kind of the uh

563  
00:23:27,830 --> 00:23:25,200

anomalous studies researcher Community

564

00:23:29,810 --> 00:23:27,840

if you will like especially you know on

565

00:23:32,750 --> 00:23:29,820

the east coast and otherwise

566

00:23:35,390 --> 00:23:32,760

um with pivotal figures like John Mack

567

00:23:38,870 --> 00:23:35,400

but Hopkins Leslie Kane many other folks

568

00:23:41,090 --> 00:23:38,880

like that and you have been you know you

569

00:23:42,590 --> 00:23:41,100

used to live you know you live close to

570

00:23:45,230 --> 00:23:42,600

here right now but you used to live in

571

00:23:48,230 --> 00:23:45,240

the city around some of these folks and

572

00:23:50,690 --> 00:23:48,240

so you know here we are in December of

573

00:23:53,330 --> 00:23:50,700

2022 it's it's five it's kind of like

574

00:23:56,510 --> 00:23:53,340

the five-year anniversary of Leslie and

575

00:23:58,010 --> 00:23:56,520

Ralph's uh big front page article that

576  
00:23:59,570 --> 00:23:58,020  
kind of blew the doors open and brought

577  
00:24:02,870 --> 00:23:59,580  
us into the chapter that we're in right

578  
00:24:04,970 --> 00:24:02,880  
now and it's also been an incredible

579  
00:24:09,230 --> 00:24:04,980  
year for you with this movie coming out

580  
00:24:11,210 --> 00:24:09,240  
you know what how did you think you know

581  
00:24:13,430 --> 00:24:11,220  
25 years ago

582  
00:24:15,529 --> 00:24:13,440  
um as as like a young researcher around

583  
00:24:17,450 --> 00:24:15,539  
here and knowing these folks did you

584  
00:24:21,370 --> 00:24:17,460  
ever think that you we would get to this

585  
00:24:25,490 --> 00:24:21,380  
point we are at now and it's kind of no

586  
00:24:27,350 --> 00:24:25,500  
no I I had figured that I'd be long dead

587  
00:24:29,690 --> 00:24:27,360  
and gone by the time

588  
00:24:31,310 --> 00:24:29,700

this actually came out I felt they

589

00:24:34,370 --> 00:24:31,320

were gonna keep it

590

00:24:36,289 --> 00:24:34,380

you know quiet for as long as possible

591

00:24:38,930 --> 00:24:36,299

and I felt the only time they would drop

592

00:24:40,210 --> 00:24:38,940

the car I'm talking about essentially

593

00:24:45,049 --> 00:24:40,220

the military

594

00:24:47,210 --> 00:24:45,059

uh would be when with there there was no

595

00:24:49,010 --> 00:24:47,220

other option like there were so many

596

00:24:51,470 --> 00:24:49,020

things going bad they had to drop this

597

00:24:54,850 --> 00:24:51,480

card I honestly think that's what we're

598

00:24:57,289 --> 00:24:54,860

seeing you know because we have so many

599

00:25:00,909 --> 00:24:57,299

difficulties in this world right now and

600

00:25:04,310 --> 00:25:00,919

challenges climate change War you know

601  
00:25:06,350 --> 00:25:04,320  
uh that if there was any time that to

602  
00:25:08,510 --> 00:25:06,360  
use it it makes sense to me that that

603  
00:25:10,970 --> 00:25:08,520  
this would be the time

604  
00:25:12,830 --> 00:25:10,980  
you know and slowly they're not going to

605  
00:25:14,330 --> 00:25:12,840  
just tell you tell everybody everything

606  
00:25:15,950 --> 00:25:14,340  
because it's just way too over

607  
00:25:20,630 --> 00:25:15,960  
overwhelming

608  
00:25:22,610 --> 00:25:20,640  
so it's dished out slowly

609  
00:25:25,190 --> 00:25:22,620  
yeah yeah what do you think Vinnie do

610  
00:25:28,669 --> 00:25:25,200  
you think you'd ever you'd ever see that

611  
00:25:31,909 --> 00:25:28,679  
in legislation passed for you know the

612  
00:25:34,970 --> 00:25:31,919  
U.S Congress to investigate UFOs

613  
00:25:37,250 --> 00:25:34,980

no I didn't and I'm quite I'm always

614

00:25:38,570 --> 00:25:37,260

positive about these sort of things I

615

00:25:41,930 --> 00:25:38,580

think you know that makes me think of

616

00:25:43,490 --> 00:25:41,940

sort of 2013 with the citizens hearing

617

00:25:45,350 --> 00:25:43,500

on disclosure what's you know with

618

00:25:47,149 --> 00:25:45,360

Stephen Bassett and a whole host of

619

00:25:49,789 --> 00:25:47,159

people in that that setting for I think

620

00:25:51,110 --> 00:25:49,799

it was five days I might be wrong and

621

00:25:52,730 --> 00:25:51,120

that was really exciting you know these

622

00:25:54,529 --> 00:25:52,740

mock hearings about what it would be

623

00:25:57,409 --> 00:25:54,539

like and I was like this is incredible

624

00:25:59,510 --> 00:25:57,419

imagine this in reality you know in

625

00:26:01,130 --> 00:25:59,520

front of Congress and then it kind of it

626  
00:26:02,810 --> 00:26:01,140  
was a great event don't get me wrong but

627  
00:26:04,490 --> 00:26:02,820  
then you know it sort of patted out over

628  
00:26:06,649 --> 00:26:04,500  
a couple of years and that was it and

629  
00:26:09,710 --> 00:26:06,659  
there was no more talk of

630  
00:26:11,390 --> 00:26:09,720  
anything like that gonna happen in in

631  
00:26:13,070 --> 00:26:11,400  
the government so of course it was just

632  
00:26:15,049 --> 00:26:13,080  
like okay we're back to the normal kind

633  
00:26:17,090 --> 00:26:15,059  
of the way things have been going for a

634  
00:26:18,710 --> 00:26:17,100  
while which is fine people are still

635  
00:26:20,870 --> 00:26:18,720  
plugging away doing their thing and that

636  
00:26:22,490 --> 00:26:20,880  
was you know I was fascinated with it

637  
00:26:24,169 --> 00:26:22,500  
just as much but it felt like we just

638  
00:26:26,570 --> 00:26:24,179

had that little you know

639

00:26:28,430 --> 00:26:26,580

push and it disappeared so of course

640

00:26:30,049 --> 00:26:28,440

now that it's happening

641

00:26:31,789 --> 00:26:30,059

yeah it's mind-blowing and it's

642

00:26:33,529 --> 00:26:31,799

incredible and it's even you know it's

643

00:26:35,630 --> 00:26:33,539

this is the third year in a row I

644

00:26:38,450 --> 00:26:35,640

believe now where the ndaa has contained

645

00:26:40,070 --> 00:26:38,460

UAP language and each year it's getting

646

00:26:42,470 --> 00:26:40,080

bigger and better and more

647

00:26:44,510 --> 00:26:42,480

they're pinpointing more things so that

648

00:26:47,630 --> 00:26:44,520

you know these military branches and

649

00:26:49,669 --> 00:26:47,640

agencies can't avoid it that much longer

650

00:26:52,610 --> 00:26:49,679

because they're really honing in

651  
00:26:54,830 --> 00:26:52,620  
on the truth I think anyway and so I'm

652  
00:26:56,149 --> 00:26:54,840  
yeah of course I'm excited and today was

653  
00:27:00,230 --> 00:26:56,159  
just a good day to hear that everything

654  
00:27:02,810 --> 00:27:00,240  
finally got signed by Biden so yeah it's

655  
00:27:05,810 --> 00:27:02,820  
it's a weird world it's definitely a

656  
00:27:09,350 --> 00:27:05,820  
weird world uh for me personally as I'd

657  
00:27:13,430 --> 00:27:09,360  
never paid any attention uh to UFO stuff

658  
00:27:15,649 --> 00:27:13,440  
uh until you know I had my sighting you

659  
00:27:17,330 --> 00:27:15,659  
know seriously pay attention to it like

660  
00:27:19,010 --> 00:27:17,340  
um the first thing I ever saw was Fire

661  
00:27:21,470 --> 00:27:19,020  
in the Sky when I was a kid and my dad

662  
00:27:23,690 --> 00:27:21,480  
rented it and that scared the crap out

663  
00:27:26,510 --> 00:27:23,700

of me I like the movie but that like

664

00:27:29,269 --> 00:27:26,520

that shook me and I didn't pay any

665

00:27:31,010 --> 00:27:29,279

attention to to that stuff

666

00:27:33,230 --> 00:27:31,020

um and then I I started to watch

667

00:27:35,210 --> 00:27:33,240

unidentified a little bit with uh Lou

668

00:27:36,830 --> 00:27:35,220

Elizondo I thought that was intriguing

669

00:27:39,710 --> 00:27:36,840

because it highlighted the New York

670

00:27:41,090 --> 00:27:39,720

Times story in those videos and picked

671

00:27:43,430 --> 00:27:41,100

my interest a little bit and then I

672

00:27:45,409 --> 00:27:43,440

happened to have my own uh set of

673

00:27:46,310 --> 00:27:45,419

encounters within a few days of each

674

00:27:47,630 --> 00:27:46,320

other

675

00:27:50,149 --> 00:27:47,640

um that just

676  
00:27:52,789 --> 00:27:50,159  
you know and then that dream came true

677  
00:27:54,350 --> 00:27:52,799  
that I had like a a dream come true in

678  
00:27:58,250 --> 00:27:54,360  
the middle of it and that just kind of

679  
00:28:00,130 --> 00:27:58,260  
like shook me and put me on this odd

680  
00:28:02,870 --> 00:28:00,140  
path of doing

681  
00:28:05,390 --> 00:28:02,880  
streams and talking about UFOs and

682  
00:28:08,510 --> 00:28:05,400  
learning everything there is to learn

683  
00:28:11,330 --> 00:28:08,520  
about it constantly and

684  
00:28:13,909 --> 00:28:11,340  
it just doesn't make any sense to me but

685  
00:28:17,029 --> 00:28:13,919  
uh I'm here and I'm you know I don't I

686  
00:28:19,310 --> 00:28:17,039  
don't fight it you know I'm just just

687  
00:28:21,409 --> 00:28:19,320  
going with it this is the the course

688  
00:28:24,110 --> 00:28:21,419

that that life put me on for whatever

689

00:28:26,870 --> 00:28:24,120

reason you know I don't know why but um

690

00:28:28,370 --> 00:28:26,880

yeah it hasn't been easy but so I'm a

691

00:28:30,049 --> 00:28:28,380

little lucky I guess is what I'm saying

692

00:28:32,870 --> 00:28:30,059

is I haven't had to pay attention to

693

00:28:34,549 --> 00:28:32,880

this topic for decades and and just you

694

00:28:36,310 --> 00:28:34,559

know

695

00:28:39,950 --> 00:28:36,320

kind of

696

00:28:43,430 --> 00:28:39,960

deal in the shadows almost you know

697

00:28:45,769 --> 00:28:43,440

where you don't have an authority to

698

00:28:48,110 --> 00:28:45,779

that's kind of legitimizing you to a

699

00:28:49,850 --> 00:28:48,120

certain extent you know

700

00:28:52,669 --> 00:28:49,860

um and so you're kind of mocked the

701  
00:28:54,710 --> 00:28:52,679  
whole time basically

702  
00:28:55,909 --> 00:28:54,720  
um so I was kind of Lucky to come in at

703  
00:28:58,730 --> 00:28:55,919  
the right time when things were

704  
00:29:01,130 --> 00:28:58,740  
happening you know I can't even imagine

705  
00:29:03,110 --> 00:29:01,140  
what it's like but but you know I often

706  
00:29:04,850 --> 00:29:03,120  
think about the people who studied UFOs

707  
00:29:06,830 --> 00:29:04,860  
their whole life whether it's you know

708  
00:29:10,070 --> 00:29:06,840  
James McDonald or

709  
00:29:11,870 --> 00:29:10,080  
you know uh Frank Edwards or whoever it

710  
00:29:14,149 --> 00:29:11,880  
is you know and passing away with

711  
00:29:17,090 --> 00:29:14,159  
without any transparency or answers and

712  
00:29:20,330 --> 00:29:17,100  
I you know my my heart really uh breaks

713  
00:29:21,769 --> 00:29:20,340

for them at times so and I'm not you

714

00:29:23,990 --> 00:29:21,779

know saying necessarily we're gonna get

715

00:29:27,289 --> 00:29:24,000

the answers or anything but we're as

716

00:29:29,570 --> 00:29:27,299

close as as we've ever been as far as I

717

00:29:33,110 --> 00:29:29,580

can see so

718

00:29:35,029 --> 00:29:33,120

100 and along those lines in terms of in

719

00:29:37,130 --> 00:29:35,039

terms of like the researchers that have

720

00:29:39,830 --> 00:29:37,140

passed and didn't get you know weren't

721

00:29:42,110 --> 00:29:39,840

able to see uh at this point it reminds

722

00:29:43,789 --> 00:29:42,120

me and thinking and I kind of keep

723

00:29:46,250 --> 00:29:43,799

coming back to this but I can't help it

724

00:29:47,570 --> 00:29:46,260

because we're you know Vinnie and Sean

725

00:29:50,090 --> 00:29:47,580

and I are kind of of a younger

726  
00:29:52,430 --> 00:29:50,100  
generation and you know we missed a lot

727  
00:29:55,730 --> 00:29:52,440  
of these these key people that that you

728  
00:29:58,130 --> 00:29:55,740  
had such a a key and close relationship

729  
00:29:59,630 --> 00:29:58,140  
with Randall and so I'm I'm wondering

730  
00:30:01,669 --> 00:29:59,640  
you know I've got some other questions

731  
00:30:03,350 --> 00:30:01,679  
about field research especially at

732  
00:30:04,669 --> 00:30:03,360  
international field research and we can

733  
00:30:08,810 --> 00:30:04,679  
come back to that but I'm just wondering

734  
00:30:11,269 --> 00:30:08,820  
like what do you think do what do you

735  
00:30:13,190 --> 00:30:11,279  
miss what do you think that we have now

736  
00:30:16,250 --> 00:30:13,200  
in terms of like the research community

737  
00:30:19,010 --> 00:30:16,260  
in terms of like ufology research in

738  
00:30:21,470 --> 00:30:19,020

terms of our research Community overall

739

00:30:23,570 --> 00:30:21,480

what do we have now that you didn't have

740

00:30:25,970 --> 00:30:23,580

back in the 90s and what do you miss

741

00:30:28,430 --> 00:30:25,980

most about kind of

742

00:30:32,090 --> 00:30:28,440

um their early years is there you know

743

00:30:34,250 --> 00:30:32,100

how about that yeah yeah that's a good

744

00:30:36,950 --> 00:30:34,260

question uh well the what I appreciate

745

00:30:38,269 --> 00:30:36,960

now about what I see in the research

746

00:30:41,090 --> 00:30:38,279

Community because I've been out of it

747

00:30:42,289 --> 00:30:41,100

I've been making movies and just most of

748

00:30:44,149 --> 00:30:42,299

the grindstone

749

00:30:45,950 --> 00:30:44,159

and not really paying attention to what

750

00:30:47,930 --> 00:30:45,960

everybody's been doing and when I came

751

00:30:50,090 --> 00:30:47,940

back on the scene this year

752

00:30:53,389 --> 00:30:50,100

I'm like oh my God I can't believe how

753

00:30:55,490 --> 00:30:53,399

far it's come and the level of people

754

00:30:59,269 --> 00:30:55,500

military people

755

00:31:02,810 --> 00:30:59,279

agency people fvip I mean you name it

756

00:31:05,330 --> 00:31:02,820

and or people with multiple talents or

757

00:31:07,549 --> 00:31:05,340

multiple doctorates I mean that was not

758

00:31:09,409 --> 00:31:07,559

present in the early 90s I mean John

759

00:31:12,830 --> 00:31:09,419

Mack was an anomaly

760

00:31:15,830 --> 00:31:12,840

you know he was he was the first like

761

00:31:19,010 --> 00:31:15,840

ivy league guy to step out and say

762

00:31:21,350 --> 00:31:19,020

this is not this is not this is

763

00:31:24,049 --> 00:31:21,360

something real basically it's not it's

764

00:31:25,909 --> 00:31:24,059

this is not anything psychological and

765

00:31:27,529 --> 00:31:25,919

going into the deep end too not just

766

00:31:29,450 --> 00:31:27,539

talking about nuts and bolts or there's

767

00:31:31,970 --> 00:31:29,460

things in our airspace we don't know

768

00:31:34,549 --> 00:31:31,980

what it is we gotta check it out he went

769

00:31:35,750 --> 00:31:34,559

into the deep end and it was like these

770

00:31:38,330 --> 00:31:35,760

Something's Happened in these people

771

00:31:40,549 --> 00:31:38,340

going straight for the abduction stories

772

00:31:45,610 --> 00:31:40,559

not giving a crap what anybody else

773

00:31:48,350 --> 00:31:45,620

thinks like talk about uh balls

774

00:31:50,690 --> 00:31:48,360

you know they put everything on the line

775

00:31:52,430 --> 00:31:50,700

you know there's people in the UFO

776

00:31:53,690 --> 00:31:52,440

Community now that wouldn't even want to

777

00:31:54,549 --> 00:31:53,700

do that

778

00:31:57,470 --> 00:31:54,559

um

779

00:31:59,389 --> 00:31:57,480

right a step at a time

780

00:32:02,570 --> 00:31:59,399

but you know I guess it's thanks to Bud

781

00:32:04,610 --> 00:32:02,580

too so that's very much so but I mean I

782

00:32:05,570 --> 00:32:04,620

missed both of them a lot

783

00:32:08,149 --> 00:32:05,580

um

784

00:32:10,310 --> 00:32:08,159

because of the wisdom and the people

785

00:32:11,510 --> 00:32:10,320

they were studying back then most of

786

00:32:13,010 --> 00:32:11,520

these people are dead

787

00:32:15,230 --> 00:32:13,020

I mean that's

788

00:32:17,570 --> 00:32:15,240

I mean I wish they were here to see the

789

00:32:19,789 --> 00:32:17,580

the moments that are happening

790

00:32:20,630 --> 00:32:19,799

like you were saying uh in the last five

791

00:32:22,190 --> 00:32:20,640

years

792

00:32:29,450 --> 00:32:22,200

um

793

00:32:30,470 --> 00:32:29,460

Stanton Friedman chocolate like

794

00:32:37,070 --> 00:32:30,480

um

795

00:32:39,169 --> 00:32:37,080

anyway it's uh

796

00:32:41,570 --> 00:32:39,179

I mean it was a very different crowd

797

00:32:44,029 --> 00:32:41,580

back then it wasn't a crowd I really

798

00:32:46,130 --> 00:32:44,039

wanted to be hanging out with uh I did

799

00:32:47,210 --> 00:32:46,140

like to spend time with the with Bud

800

00:32:50,269 --> 00:32:47,220

John

801  
00:32:50,990 --> 00:32:50,279  
certain investigators and and a certain

802  
00:32:53,690 --> 00:32:51,000  
um

803  
00:32:54,409 --> 00:32:53,700  
crowd of the experiences

804  
00:32:57,889 --> 00:32:54,419  
um

805  
00:33:00,769 --> 00:32:57,899  
but today it's uh I'm just I can't even

806  
00:33:02,450 --> 00:33:00,779  
believe it's real like I can't believe

807  
00:33:06,289 --> 00:33:02,460  
like the people that are

808  
00:33:08,210 --> 00:33:06,299  
on the scene now it's just like wow I

809  
00:33:11,210 --> 00:33:08,220  
never thought this would happen

810  
00:33:14,350 --> 00:33:11,220  
uh that's exciting and also part of me

811  
00:33:17,570 --> 00:33:14,360  
is like I'm not sure if it's real

812  
00:33:20,990 --> 00:33:17,580  
I don't know if I believe this because I

813  
00:33:23,389 --> 00:33:21,000

just never thought it would become uh

814

00:33:26,330 --> 00:33:23,399

uh uh you know it's just like any

815

00:33:27,769 --> 00:33:26,340

movement of you know civil rights or

816

00:33:29,389 --> 00:33:27,779

you know

817

00:33:31,970 --> 00:33:29,399

anything

818

00:33:34,190 --> 00:33:31,980

um it's it's it's taken so long and

819

00:33:37,669 --> 00:33:34,200

we're at a stage that is a really good

820

00:33:39,889 --> 00:33:37,679

stage where after so many generations

821

00:33:41,870 --> 00:33:39,899

really of people that have been working

822

00:33:44,990 --> 00:33:41,880

on this uh

823

00:33:47,090 --> 00:33:45,000

we might be very very close for to it

824

00:33:49,250 --> 00:33:47,100

being accepted reality which changes

825

00:33:51,889 --> 00:33:49,260

everything and I think it changes it for

826

00:33:54,590 --> 00:33:51,899

the best for the better of us

827

00:33:56,450 --> 00:33:54,600

and then and at that moment we're going

828

00:33:59,330 --> 00:33:56,460

to be living in the truth

829

00:34:03,289 --> 00:33:59,340

and then we gotta go well what does that

830

00:34:04,970 --> 00:34:03,299

mean and how do we uh

831

00:34:06,169 --> 00:34:04,980

what are the what are they up to you

832

00:34:08,210 --> 00:34:06,179

know then we go for the big questions

833

00:34:09,770 --> 00:34:08,220

that you know

834

00:34:11,990 --> 00:34:09,780

that are tough

835

00:34:14,930 --> 00:34:12,000

what is it where is it from what does it

836

00:34:16,970 --> 00:34:14,940

want yeah it's in my my uh my big one is

837

00:34:19,129 --> 00:34:16,980

you know what

838

00:34:21,889 --> 00:34:19,139

what are their intentions here what are

839

00:34:23,270 --> 00:34:21,899

they what's Our Fate you know in their

840

00:34:27,409 --> 00:34:23,280

eyes you know

841

00:34:31,310 --> 00:34:29,329

a little nervous about

842

00:34:34,970 --> 00:34:31,320

um but yeah there's no question these

843

00:34:36,649 --> 00:34:34,980

things are real zero it's just the I

844

00:34:38,470 --> 00:34:36,659

mean they're very bizarre they're very

845

00:34:41,629 --> 00:34:38,480

strange they're very weird

846

00:34:43,369 --> 00:34:41,639

uh in the way they do everything uh

847

00:34:45,290 --> 00:34:43,379

their technology is crazy

848

00:34:46,849 --> 00:34:45,300

don't understand it

849

00:34:50,930 --> 00:34:46,859

um

850

00:34:52,970 --> 00:34:50,940

and I can imagine if they were around

851  
00:34:56,030 --> 00:34:52,980  
for thousands and thousands of years

852  
00:34:58,130 --> 00:34:56,040  
which uh you know that I heard of that a

853  
00:35:00,410 --> 00:34:58,140  
lot in Africa from the Chiefs

854  
00:35:02,870 --> 00:35:00,420  
of different Villages

855  
00:35:04,670 --> 00:35:02,880  
um and uh the wise men or the witch

856  
00:35:07,490 --> 00:35:04,680  
doctors they said the same thing they've

857  
00:35:09,230 --> 00:35:07,500  
been around for thousands of years

858  
00:35:11,690 --> 00:35:09,240  
um I can't you know

859  
00:35:14,030 --> 00:35:11,700  
we're we're in a generation or we're in

860  
00:35:16,010 --> 00:35:14,040  
a time period of the 100 the Industrial

861  
00:35:19,730 --> 00:35:16,020  
Revolution essentially

862  
00:35:21,530 --> 00:35:19,740  
where for the first time we we can we're

863  
00:35:24,589 --> 00:35:21,540

looking at it understanding our own

864

00:35:27,890 --> 00:35:24,599

technology which has evolved quite a bit

865

00:35:30,950 --> 00:35:27,900

enough to say yeah that's a vehicle you

866

00:35:34,130 --> 00:35:30,960

know it's not just a a circle in the sky

867

00:35:36,050 --> 00:35:34,140

that's you know spiritual you know what

868

00:35:38,210 --> 00:35:36,060

I mean it's like no this is Hardcore

869

00:35:39,710 --> 00:35:38,220

that's Tech

870

00:35:43,370 --> 00:35:39,720

real high-tech that I don't even

871

00:35:46,130 --> 00:35:43,380

understand but but yeah I think um

872

00:35:49,730 --> 00:35:46,140

I and it was said to me

873

00:35:52,550 --> 00:35:49,740

um by several of the Chiefs that I met

874

00:35:55,190 --> 00:35:52,560

with in Africa that uh

875

00:35:56,810 --> 00:35:55,200

we used to you know particularly Credo

876

00:35:58,910 --> 00:35:56,820

mutoa who passed away last year

877

00:35:59,630 --> 00:35:58,920

unfortunately

878

00:36:03,050 --> 00:35:59,640

um

879

00:36:03,710 --> 00:36:03,060

in 90 yeah he was 91 but he had said you

880

00:36:12,710 --> 00:36:03,720

know

881

00:36:14,210 --> 00:36:12,720

and uh and he he explained the process

882

00:36:18,530 --> 00:36:14,220

of

883

00:36:19,970 --> 00:36:18,540

thinking their gods and

884

00:36:25,370 --> 00:36:19,980

belief

885

00:36:28,190 --> 00:36:25,380

then finally realizing that they were

886

00:36:31,430 --> 00:36:28,200

just another Creature From Another

887

00:36:33,109 --> 00:36:31,440

part of town I mean you know just like

888

00:36:34,550 --> 00:36:33,119

another animal in the woods but they

889

00:36:37,370 --> 00:36:34,560

come from that way

890

00:36:39,109 --> 00:36:37,380

so that was just fascinating I mean

891

00:36:42,589 --> 00:36:39,119

those are some of the interviews I want

892

00:36:45,950 --> 00:36:42,599

to also use and uh this next stock too

893

00:36:46,790 --> 00:36:45,960

is uh not the bud Hopkins stock but

894

00:36:50,569 --> 00:36:46,800

um

895

00:36:52,849 --> 00:36:50,579

the the the the indigenous people the

896

00:36:55,250 --> 00:36:52,859

indigenous population in Africa and what

897

00:36:57,410 --> 00:36:55,260

how they see it how long they've known

898

00:37:00,170 --> 00:36:57,420

about it

899

00:37:01,609 --> 00:37:00,180

a lot a lot longer than we have

900

00:37:03,410 --> 00:37:01,619

that really resonates with the work

901  
00:37:05,470 --> 00:37:03,420  
we're doing in Colombia you know the the

902  
00:37:08,870 --> 00:37:05,480  
light phenomena that we investigated was

903  
00:37:10,910 --> 00:37:08,880  
400 years recorded and then before that

904  
00:37:12,710 --> 00:37:10,920  
God knows how long and this is you know

905  
00:37:14,990 --> 00:37:12,720  
stories of the indigenous tribes and the

906  
00:37:16,730 --> 00:37:15,000  
indigenous people of the area and of

907  
00:37:19,849 --> 00:37:16,740  
course you know we've spoken to them and

908  
00:37:21,890 --> 00:37:19,859  
they talk about God's spirits and UFOs

909  
00:37:24,470 --> 00:37:21,900  
depending who you talk to and which

910  
00:37:26,329 --> 00:37:24,480  
generation and I I never really found a

911  
00:37:28,670 --> 00:37:26,339  
connection between modern sort of UFO

912  
00:37:31,190 --> 00:37:28,680  
studies and the kind of ancient stuff

913  
00:37:33,470 --> 00:37:31,200

but I feel like I'm finding that now for

914

00:37:36,230 --> 00:37:33,480

the first time in Colombia of all places

915

00:37:38,630 --> 00:37:36,240

and well Colombia in in in the country

916

00:37:42,230 --> 00:37:38,640

of Colombia and South America yeah yeah

917

00:37:45,790 --> 00:37:42,240

oh good for you man that's where is that

918

00:37:52,010 --> 00:37:48,890

or is it couscous

919

00:37:54,290 --> 00:37:52,020

so I think Cusco maybe we're we're in a

920

00:37:56,450 --> 00:37:54,300

very rural area right on the edge of the

921

00:37:58,970 --> 00:37:56,460

Andean Plateau where there's basically a

922

00:38:00,349 --> 00:37:58,980

mountain where for 400 plus years these

923

00:38:01,910 --> 00:38:00,359

strange light phenomena have been

924

00:38:04,790 --> 00:38:01,920

witnessed

925

00:38:06,650 --> 00:38:04,800

um and you know nobody really knows what

926  
00:38:07,550 --> 00:38:06,660  
they are so we went out there last year

927  
00:38:13,250 --> 00:38:07,560  
to

928  
00:38:14,630 --> 00:38:13,260  
these strange lights on the mountain and

929  
00:38:16,550 --> 00:38:14,640  
then we're gonna go back out next year

930  
00:38:18,829 --> 00:38:16,560  
we've got a lot more high-tech

931  
00:38:21,230 --> 00:38:18,839  
scientific equipment lined up to take

932  
00:38:24,589 --> 00:38:21,240  
with us this time thermal infrared all

933  
00:38:26,990 --> 00:38:24,599  
sorts but we're also extra early

934  
00:38:28,130 --> 00:38:27,000  
no we're going my friend Ashley lives in

935  
00:38:31,010 --> 00:38:28,140  
Colombia we're kind of doing it all

936  
00:38:33,109 --> 00:38:31,020  
independently wow great so I've heard

937  
00:38:34,370 --> 00:38:33,119  
there are other people doing work out

938  
00:38:41,630 --> 00:38:34,380

there

939

00:38:43,790 --> 00:38:41,640

a specific Lake we're going to be

940

00:38:47,510 --> 00:38:43,800

visiting next year

941

00:38:48,890 --> 00:38:47,520

um where the actual the origin story of

942

00:38:50,510 --> 00:38:48,900

um

943

00:38:53,390 --> 00:38:50,520

what's it called I had it in my head

944

00:38:55,490 --> 00:38:53,400

then just gone blank the lost city of

945

00:38:59,390 --> 00:38:55,500

gold what's it called um

946

00:39:01,550 --> 00:38:59,400

excuse me ah what's going on my head but

947

00:39:03,890 --> 00:39:01,560

yeah so these Usos were seen leaving the

948

00:39:05,030 --> 00:39:03,900

water of this Lake for many years as

949

00:39:08,030 --> 00:39:05,040

well so we're expanding our

950

00:39:09,410 --> 00:39:08,040

investigation out to that as well so uh

951  
00:39:12,050 --> 00:39:09,420  
yeah it's just incredible being out

952  
00:39:15,109 --> 00:39:12,060  
there with indigenous people and

953  
00:39:19,130 --> 00:39:15,119  
doing the work El Dorado thank you guys

954  
00:39:21,230 --> 00:39:19,140  
yeah thank you Benji in alfredo Etc yeah

955  
00:39:24,170 --> 00:39:21,240  
for sure along those lines it's so great

956  
00:39:26,089 --> 00:39:24,180  
to hear you both talking about about uh

957  
00:39:28,130 --> 00:39:26,099  
field research especially international

958  
00:39:29,810 --> 00:39:28,140  
field research and it feels like that's

959  
00:39:32,210 --> 00:39:29,820  
you know that's

960  
00:39:35,089 --> 00:39:32,220  
though that's been happening among

961  
00:39:37,609 --> 00:39:35,099  
people you know from South at South

962  
00:39:40,430 --> 00:39:37,619  
America in South America and in various

963  
00:39:42,410 --> 00:39:40,440

cultures you know it it does feel like

964

00:39:45,109 --> 00:39:42,420

we're in a different moment here in

965

00:39:48,950 --> 00:39:45,119

terms of of people like the both of you

966

00:39:51,550 --> 00:39:48,960

you know going outside of your native

967

00:39:54,589 --> 00:39:51,560

culture and really trying to understand

968

00:39:56,270 --> 00:39:54,599

uh it from another perspective going

969

00:39:58,490 --> 00:39:56,280

somewhere else and you know seeing what

970

00:40:00,890 --> 00:39:58,500

resonates you know seeing how similar

971

00:40:03,230 --> 00:40:00,900

you know what's what's similar what's

972

00:40:07,550 --> 00:40:03,240

different if anything how it's perceived

973

00:40:09,230 --> 00:40:07,560

you know and along those lines uh it'd

974

00:40:11,510 --> 00:40:09,240

be great to hear a little bit from both

975

00:40:14,810 --> 00:40:11,520

of you but you know say let's start with

976  
00:40:17,210 --> 00:40:14,820  
venue what do you think is the most

977  
00:40:20,329 --> 00:40:17,220  
some of the most important or rewarding

978  
00:40:23,750 --> 00:40:20,339  
things for you that you've picked up in

979  
00:40:27,290 --> 00:40:23,760  
terms of what it means to go to another

980  
00:40:29,810 --> 00:40:27,300  
country and speak to people from a

981  
00:40:33,829 --> 00:40:29,820  
different culture about about and you

982  
00:40:35,510 --> 00:40:33,839  
know anomalous experiences UAP Etc

983  
00:40:37,550 --> 00:40:35,520  
that's a great question because the

984  
00:40:40,010 --> 00:40:37,560  
whole point behind the the series

985  
00:40:41,329 --> 00:40:40,020  
phenomenology is that it not only shows

986  
00:40:44,210 --> 00:40:41,339  
the work we're doing out there but it's

987  
00:40:46,069 --> 00:40:44,220  
how it follows our stories as

988  
00:40:48,410 --> 00:40:46,079

individuals going out to a completely

989

00:40:50,210 --> 00:40:48,420

strange place in a strange culture and

990

00:40:52,550 --> 00:40:50,220

you know from the start to the end of

991

00:40:54,650 --> 00:40:52,560

the series how we sort of develop over

992

00:40:57,470 --> 00:40:54,660

the you know over the episodes and that

993

00:41:01,370 --> 00:40:57,480

so the story of of our personal Journeys

994

00:41:03,849 --> 00:41:01,380

became quite a focus as well and you

995

00:41:06,589 --> 00:41:03,859

know being able to speak to the the the

996

00:41:10,010 --> 00:41:06,599

moisture tribes and the indigenous folk

997

00:41:12,290 --> 00:41:10,020

in Colombia I mean it's eye-opening

998

00:41:13,910 --> 00:41:12,300

just it's just a

999

00:41:15,710 --> 00:41:13,920

it's just something I never thought I'd

1000

00:41:17,870 --> 00:41:15,720

be able to do it's you know I say it's a

1001  
00:41:19,550 --> 00:41:17,880  
once in a lifetime opportunity but here

1002  
00:41:22,490 --> 00:41:19,560  
we are ready to go for the second time

1003  
00:41:24,410 --> 00:41:22,500  
and it's it's unbelievable and it's also

1004  
00:41:25,910 --> 00:41:24,420  
the fact that in those areas it's every

1005  
00:41:27,589 --> 00:41:25,920  
day

1006  
00:41:30,050 --> 00:41:27,599  
speak out there they talk about it

1007  
00:41:32,329 --> 00:41:30,060  
without any fear of stigma or ridicule

1008  
00:41:34,730 --> 00:41:32,339  
it's just casual conversation people

1009  
00:41:36,530 --> 00:41:34,740  
were coming up to us wanting to tell

1010  
00:41:37,970 --> 00:41:36,540  
their stories and you know I don't walk

1011  
00:41:40,130 --> 00:41:37,980  
down the street here in the UK with

1012  
00:41:41,930 --> 00:41:40,140  
people wanting to tell me their UFO

1013  
00:41:43,790 --> 00:41:41,940

stories and things like that so it was

1014

00:41:45,470 --> 00:41:43,800

completely different to anything I've

1015

00:41:48,410 --> 00:41:45,480

ever been a part of or used to

1016

00:41:50,150 --> 00:41:48,420

conversation wise and in person so yeah

1017

00:41:53,089 --> 00:41:50,160

it was just amazing that maybe we can

1018

00:41:55,069 --> 00:41:53,099

get to that point in in sort of the US

1019

00:41:57,410 --> 00:41:55,079

and in Europe without that conversation

1020

00:41:59,270 --> 00:41:57,420

does become acceptable

1021

00:42:01,010 --> 00:41:59,280

um and less stigmatized and I feel like

1022

00:42:04,569 --> 00:42:01,020

we're getting there so that was kind of

1023

00:42:06,410 --> 00:42:04,579

what really stood out for me I think

1024

00:42:12,470 --> 00:42:06,420

Randy

1025

00:42:20,810 --> 00:42:14,210

um

1026

00:42:22,790 --> 00:42:20,820

uh uh uh there was very little if any

1027

00:42:25,730 --> 00:42:22,800

stigma

1028

00:42:31,310 --> 00:42:27,470

uh

1029

00:42:33,890 --> 00:42:31,320

be

1030

00:42:36,770 --> 00:42:33,900

in a world where it's not the Super

1031

00:42:39,349 --> 00:42:36,780

technology world and you know a lot of

1032

00:42:41,210 --> 00:42:39,359

people in Africa spend their nights

1033

00:42:43,310 --> 00:42:41,220

outside they're not sitting in front of

1034

00:42:46,550 --> 00:42:43,320

a TV they're out on in front of the

1035

00:42:48,010 --> 00:42:46,560

rundavo watching the Stars

1036

00:42:52,910 --> 00:42:48,020

um

1037

00:42:57,530 --> 00:42:52,920

yeah I uh I found it uh refreshing to be

1038

00:43:00,230 --> 00:42:57,540

honest because I was talking to a cheat

1039

00:43:01,730 --> 00:43:00,240

I was with a chief or her son and uh I

1040

00:43:03,950 --> 00:43:01,740

forget that we were standing outside

1041

00:43:06,770 --> 00:43:03,960

looking in the stars and

1042

00:43:09,050 --> 00:43:06,780

and I asked him I said well so what do

1043

00:43:12,349 --> 00:43:09,060

you do you think they're out there and

1044

00:43:15,770 --> 00:43:12,359

he's like you know it's just of course

1045

00:43:18,970 --> 00:43:15,780

like his he you know he was like why

1046

00:43:25,010 --> 00:43:23,270

and oh man there's so many times um with

1047

00:43:28,790 --> 00:43:25,020

so many different

1048

00:43:33,710 --> 00:43:30,349

that uh

1049

00:43:35,930 --> 00:43:33,720

it gave me a different perspective and

1050

00:43:37,750 --> 00:43:35,940

it was really interesting to hear how

1051

00:43:40,490 --> 00:43:37,760

much they knew about them

1052

00:43:42,950 --> 00:43:40,500

how much how they knew how they moved

1053

00:43:44,510 --> 00:43:42,960

they knew they'd come in groups they

1054

00:43:46,910 --> 00:43:44,520

don't you'll never you're very very

1055

00:43:49,970 --> 00:43:46,920

rarely see one or that that's what they

1056

00:43:51,770 --> 00:43:49,980

say they they have partners

1057

00:43:53,089 --> 00:43:51,780

and they don't leave those Partners they

1058

00:43:55,130 --> 00:43:53,099

stay in a group

1059

00:43:57,470 --> 00:43:55,140

and um

1060

00:44:01,849 --> 00:43:57,480

some of the observations because I've

1061

00:44:05,630 --> 00:44:01,859

I'm aware of how these things go down

1062

00:44:08,870 --> 00:44:05,640

uh they were so right on and they had

1063

00:44:11,210 --> 00:44:08,880

observed it and uh you know speaking of

1064

00:44:14,089 --> 00:44:11,220

Usos there were quite a few when I was

1065

00:44:18,230 --> 00:44:14,099

there in um Africa it's happening over

1066

00:44:21,050 --> 00:44:18,240

there on the south coast Durban

1067

00:44:23,569 --> 00:44:21,060

um things coming in and out of the water

1068

00:44:26,990 --> 00:44:23,579

yeah that kind of interested me that

1069

00:44:30,050 --> 00:44:27,000

wasn't my goal at all but that's what I

1070

00:44:31,550 --> 00:44:30,060

was Finding quite a bit when um because

1071

00:44:35,809 --> 00:44:31,560

that part of

1072

00:44:37,910 --> 00:44:35,819

South Africa is is uh

1073

00:44:40,190 --> 00:44:37,920

there's a lot of Coastline there

1074

00:44:41,450 --> 00:44:40,200

and there's like a deep trance right off

1075

00:44:44,690 --> 00:44:41,460

the coast

1076

00:44:46,309 --> 00:44:44,700

and and it kind of comes up more to the

1077

00:44:47,930 --> 00:44:46,319

surface but uh

1078

00:44:50,329 --> 00:44:47,940

yeah I really would love to spend more

1079

00:44:51,290 --> 00:44:50,339

time with the Aborigines

1080

00:44:54,109 --> 00:44:51,300

um

1081

00:44:56,030 --> 00:44:54,119

and uh I did spend some time with the

1082

00:44:59,770 --> 00:44:56,040

Hopi and the

1083

00:45:03,890 --> 00:44:59,780

the Navajo uh

1084

00:45:05,930 --> 00:45:03,900

and um and there's also uh indigenous

1085

00:45:09,290 --> 00:45:05,940

people in in

1086

00:45:12,589 --> 00:45:09,300

Quebec or north of Quebec and also up in

1087

00:45:13,569 --> 00:45:12,599

Alaska I'd love to speak with them too

1088

00:45:17,329 --> 00:45:13,579

um

1089

00:45:20,510 --> 00:45:17,339

but yeah it's an adventure to to to come

1090

00:45:23,329 --> 00:45:20,520

from a little town you know in the

1091

00:45:26,750 --> 00:45:23,339

country to go over to

1092

00:45:28,430 --> 00:45:26,760

Africa of all places uh wow what a

1093

00:45:32,450 --> 00:45:28,440

different world it's just such a

1094

00:45:34,010 --> 00:45:32,460

different world but I really loved I

1095

00:45:37,809 --> 00:45:34,020

really love the people the ones that

1096

00:45:41,390 --> 00:45:37,819

weren't trying to kill you yeah

1097

00:45:43,510 --> 00:45:41,400

unfortunately it was true uh but but the

1098

00:45:47,690 --> 00:45:43,520

people were really beautiful

1099

00:45:50,210 --> 00:45:47,700

and uh the beauty of having what we

1100

00:45:52,069 --> 00:45:50,220

would consider so little yet that

1101

00:45:55,130 --> 00:45:52,079

they're so happy

1102

00:45:57,530 --> 00:45:55,140

I was just gonna say like I bet even

1103

00:45:59,450 --> 00:45:57,540

though you know they sleep outside or

1104

00:46:01,430 --> 00:45:59,460

look at the stars or you know they don't

1105

00:46:03,589 --> 00:46:01,440

have as much technology

1106

00:46:06,230 --> 00:46:03,599

and that they're not just consumed by it

1107

00:46:09,710 --> 00:46:06,240

all the time I bet you find that they're

1108

00:46:10,930 --> 00:46:09,720

generally a more content you know with

1109

00:46:14,210 --> 00:46:10,940

life

1110

00:46:17,390 --> 00:46:14,220

yeah yeah totally

1111

00:46:19,370 --> 00:46:17,400

it's refreshing yeah it used to be like

1112

00:46:21,829 --> 00:46:19,380

that you know I remember back when I was

1113

00:46:25,309 --> 00:46:21,839

a younger child well

1114

00:46:29,809 --> 00:46:25,319

younger child okay A Child

1115

00:46:34,190 --> 00:46:31,309

I don't know what that was it's either

1116

00:46:35,930 --> 00:46:34,200

tree fell on my garage or whatever

1117

00:46:38,870 --> 00:46:35,940

whoa the door

1118

00:46:41,150 --> 00:46:38,880

yeah I love two trees right down

1119

00:46:43,730 --> 00:46:41,160

about 100 yards from here with that wind

1120

00:46:46,910 --> 00:46:43,740

but anyway I don't know if I answered

1121

00:46:48,309 --> 00:46:46,920

your question but I I uh I tried

1122

00:46:50,450 --> 00:46:48,319

yeah

1123

00:46:52,010 --> 00:46:50,460

you did good

1124

00:46:55,609 --> 00:46:52,020

eat it good

1125

00:46:58,849 --> 00:46:57,410

what do you think

1126  
00:47:00,470 --> 00:46:58,859  
you know I guess this is a good question

1127  
00:47:02,690 --> 00:47:00,480  
for both of you

1128  
00:47:05,030 --> 00:47:02,700  
because you have that similarity of of

1129  
00:47:06,470 --> 00:47:05,040  
going to more indigenous tiberias to

1130  
00:47:08,109 --> 00:47:06,480  
investigate this stuff and talk to

1131  
00:47:10,849 --> 00:47:08,119  
people

1132  
00:47:14,390 --> 00:47:10,859  
what's a bit of insight that that you

1133  
00:47:17,890 --> 00:47:14,400  
can impart on us that you've taken

1134  
00:47:20,390 --> 00:47:17,900  
from those areas you know whether it be

1135  
00:47:22,130 --> 00:47:20,400  
you know like you said but you know

1136  
00:47:24,410 --> 00:47:22,140  
learn to be grateful for what you have

1137  
00:47:26,270 --> 00:47:24,420  
you know don't think you need too much

1138  
00:47:28,430 --> 00:47:26,280

you know you could be happy with less

1139

00:47:30,290 --> 00:47:28,440

whatever it may be

1140

00:47:33,230 --> 00:47:30,300

I suppose all I would say to that is

1141

00:47:35,690 --> 00:47:33,240

just be uh less judgmental of people you

1142

00:47:37,550 --> 00:47:35,700

know if it's so widely accepted and

1143

00:47:39,410 --> 00:47:37,560

talked about in everyday life in these

1144

00:47:41,450 --> 00:47:39,420

places that Randall and I mentioned and

1145

00:47:44,150 --> 00:47:41,460

why can't it be talked about like that

1146

00:47:46,970 --> 00:47:44,160

you know in the places we live

1147

00:47:48,710 --> 00:47:46,980

if if it goes beyond someone's belief

1148

00:47:50,390 --> 00:47:48,720

system just respect that someone else

1149

00:47:52,309 --> 00:47:50,400

has a different belief system and don't

1150

00:47:54,109 --> 00:47:52,319

shoot them down for having that belief

1151  
00:47:56,450 --> 00:47:54,119  
system that's something unfortunately I

1152  
00:47:59,270 --> 00:47:56,460  
have come across a few too many times

1153  
00:48:01,670 --> 00:47:59,280  
and I think it's time that that just

1154  
00:48:03,770 --> 00:48:01,680  
eased up a bit I mean have a little bit

1155  
00:48:06,349 --> 00:48:03,780  
of a bit of compassion I think that's

1156  
00:48:08,329 --> 00:48:06,359  
one thing I definitely learned you know

1157  
00:48:10,430 --> 00:48:08,339  
I see a lot of a lot like Randall was

1158  
00:48:13,550 --> 00:48:10,440  
saying the happiness of people in these

1159  
00:48:17,089 --> 00:48:13,560  
places is like incredible they don't

1160  
00:48:19,250 --> 00:48:17,099  
they're so unmaterialistic they're very

1161  
00:48:21,230 --> 00:48:19,260  
very friendly and family orientated

1162  
00:48:23,390 --> 00:48:21,240  
which of course we all are as well but

1163  
00:48:26,750 --> 00:48:23,400

it seems to just be like

1164

00:48:28,010 --> 00:48:26,760

that that is the the pure kind of where

1165

00:48:30,050 --> 00:48:28,020

they get there

1166

00:48:32,450 --> 00:48:30,060

their everyday kicks from let's say

1167

00:48:34,430 --> 00:48:32,460

whereas we you know we indulge in in the

1168

00:48:35,750 --> 00:48:34,440

countries that we come from and I'm not

1169

00:48:37,430 --> 00:48:35,760

trying to preach or anything I'm just

1170

00:48:39,829 --> 00:48:37,440

saying more compassion and just a little

1171

00:48:42,589 --> 00:48:39,839

bit more mutual respect would go a long

1172

00:48:45,170 --> 00:48:42,599

way at the moment hmm

1173

00:48:47,329 --> 00:48:45,180

I know this may be a little off-key but

1174

00:48:50,690 --> 00:48:47,339

well maybe not it wasn't for me it was

1175

00:48:53,569 --> 00:48:50,700

one of the most profound times I was in

1176

00:48:56,870 --> 00:48:53,579

I mean it happened a couple times but

1177

00:49:00,530 --> 00:48:56,880

this particular time so

1178

00:49:03,290 --> 00:49:00,540

some of these Villages a lot of them

1179

00:49:05,750 --> 00:49:03,300

bury their dead on the path to the

1180

00:49:07,970 --> 00:49:05,760

Village right on the side of the path

1181

00:49:10,790 --> 00:49:07,980

and they're above ground and they're

1182

00:49:12,950 --> 00:49:10,800

covered with dirt and stones and when

1183

00:49:15,250 --> 00:49:12,960

you walk into that Village

1184

00:49:18,890 --> 00:49:15,260

you smell it

1185

00:49:20,809 --> 00:49:18,900

and it I mean and it it's purposely done

1186

00:49:22,430 --> 00:49:20,819

there not only to honor the people that

1187

00:49:25,970 --> 00:49:22,440

have died in the village

1188

00:49:28,670 --> 00:49:25,980

but I think honestly that to smell the

1189

00:49:33,410 --> 00:49:28,680

smell that's a natural smell

1190

00:49:35,390 --> 00:49:33,420

you know of death and that was profound

1191

00:49:37,190 --> 00:49:35,400

that they did that because they could

1192

00:49:39,490 --> 00:49:37,200

have buried them anywhere and they chose

1193

00:49:42,609 --> 00:49:39,500

to bury them on the path to the village

1194

00:49:45,230 --> 00:49:42,619

and I saw that in multiple

1195

00:49:47,089 --> 00:49:45,240

uh different Villages that I went into

1196

00:49:50,030 --> 00:49:47,099

actually like did the whole dirt floor

1197

00:49:52,430 --> 00:49:50,040

thing lived in a shack you know lived in

1198

00:49:53,450 --> 00:49:52,440

a random

1199

00:50:00,890 --> 00:49:53,460

um

1200

00:50:03,650 --> 00:50:00,900

yeah the belief uh

1201  
00:50:04,910 --> 00:50:03,660  
I don't know if I told you but a lot of

1202  
00:50:08,569 --> 00:50:04,920  
the people

1203  
00:50:09,650 --> 00:50:08,579  
would put uh cinder blocks under their

1204  
00:50:16,790 --> 00:50:09,660  
bed

1205  
00:50:19,010 --> 00:50:16,800  
um so that these small creatures that

1206  
00:50:21,109 --> 00:50:19,020  
they call the takalash

1207  
00:50:24,230 --> 00:50:21,119  
couldn't get them at night

1208  
00:50:26,030 --> 00:50:24,240  
hmm yeah it was part of the movie but it

1209  
00:50:28,849 --> 00:50:26,040  
was a half hour section we had to take

1210  
00:50:31,550 --> 00:50:28,859  
out because it was just so long and it

1211  
00:50:33,349 --> 00:50:31,560  
was more of the indigenous culture but

1212  
00:50:35,089 --> 00:50:33,359  
it was absolutely fascinating what

1213  
00:50:39,410 --> 00:50:35,099

people would do in order to protect

1214

00:50:41,569 --> 00:50:39,420

themselves from these creatures and um

1215

00:50:43,550 --> 00:50:41,579

that can walk through walls take you at

1216

00:50:46,069 --> 00:50:43,560

night I mean it's the same

1217

00:50:48,770 --> 00:50:46,079

lore as uh

1218

00:50:51,410 --> 00:50:48,780

alien and they they're the size of them

1219

00:50:52,790 --> 00:50:51,420

they look you know it's to me it was

1220

00:50:54,109 --> 00:50:52,800

like they're that's what they're talking

1221

00:50:56,569 --> 00:50:54,119

about

1222

00:50:59,390 --> 00:50:56,579

please let these other creatures from

1223

00:51:01,910 --> 00:50:59,400

another world somewhere yeah I believe

1224

00:51:04,190 --> 00:51:01,920

and I've been meaning to read this but

1225

00:51:06,410 --> 00:51:04,200

you know I'll get to it I've only had so

1226

00:51:11,150 --> 00:51:06,420

much time in the two years after reading

1227

00:51:14,089 --> 00:51:11,160

160 000 Blue Book documents but but uh

1228

00:51:15,650 --> 00:51:14,099

passport to megonia makes a good uh case

1229

00:51:17,809 --> 00:51:15,660

for

1230

00:51:19,970 --> 00:51:17,819

you know the these different mythologies

1231

00:51:22,910 --> 00:51:19,980

and different uh creatures possibly

1232

00:51:24,589 --> 00:51:22,920

being the same thing yeah wouldn't

1233

00:51:27,109 --> 00:51:24,599

surprise me

1234

00:51:29,450 --> 00:51:27,119

yeah yeah definitely using a very

1235

00:51:31,970 --> 00:51:29,460

similar technology you know

1236

00:51:34,790 --> 00:51:31,980

uh

1237

00:51:38,210 --> 00:51:34,800

yep yes yeah it's fascinating and and

1238

00:51:39,530 --> 00:51:38,220

just that you know it's it seems like I

1239

00:51:41,329 --> 00:51:39,540

was having a conversation with somebody

1240

00:51:44,150 --> 00:51:41,339

about this the other day which is just

1241

00:51:47,870 --> 00:51:44,160

and Sean is Bjorn hargens talked about

1242

00:51:50,690 --> 00:51:47,880

it back in October like at the first New

1243

00:51:53,690 --> 00:51:50,700

York City conference and just in terms

1244

00:51:55,609 --> 00:51:53,700

of like the necessity

1245

00:51:57,650 --> 00:51:55,619

you know that we have this kind of

1246

00:51:58,970 --> 00:51:57,660

physical based culture now we're in this

1247

00:52:02,270 --> 00:51:58,980

tech-based culture and we're Tech

1248

00:52:03,829 --> 00:52:02,280

obsessed within our Western culture a

1249

00:52:05,750 --> 00:52:03,839

lot and we're talking and here we're

1250

00:52:07,010 --> 00:52:05,760

talking about how an Africa or in

1251  
00:52:10,190 --> 00:52:07,020  
Colombia

1252  
00:52:13,309 --> 00:52:10,200  
um people can get by with or have to get

1253  
00:52:15,170 --> 00:52:13,319  
by with much less and you know maybe are

1254  
00:52:16,549 --> 00:52:15,180  
differently observant than we are you

1255  
00:52:18,470 --> 00:52:16,559  
know with all of our screen time and

1256  
00:52:20,630 --> 00:52:18,480  
things like this and I'm just thinking

1257  
00:52:22,730 --> 00:52:20,640  
like you know another situation here is

1258  
00:52:25,130 --> 00:52:22,740  
that we've been so obsessed with like

1259  
00:52:28,069 --> 00:52:25,140  
morphology when we're talking both about

1260  
00:52:30,589 --> 00:52:28,079  
craft and we're talking about beings and

1261  
00:52:32,390 --> 00:52:30,599  
stuff like this and then when we talk

1262  
00:52:35,089 --> 00:52:32,400  
about

1263  
00:52:37,190 --> 00:52:35,099

um other indigenous lore like you're

1264

00:52:39,710 --> 00:52:37,200

talking about Randall like sometimes

1265

00:52:41,630 --> 00:52:39,720

they behave the same way but they look

1266

00:52:44,450 --> 00:52:41,640

different kind of like the passport to

1267

00:52:46,010 --> 00:52:44,460

Magonia problem right and so then we're

1268

00:52:49,910 --> 00:52:46,020

getting into a situation where it's like

1269

00:52:52,069 --> 00:52:49,920

are we dealing like like Gary oh wow

1270

00:52:52,930 --> 00:52:52,079

can I check on my door yeah go ahead

1271

00:52:57,290 --> 00:52:52,940

yeah

1272

00:52:59,809 --> 00:52:57,300

oh my gosh

1273

00:53:03,530 --> 00:52:59,819

I I really don't want this to be like a

1274

00:53:04,450 --> 00:53:03,540

2023 kind of kind of horror uh First Act

1275

00:53:07,309 --> 00:53:04,460

here

1276

00:53:09,109 --> 00:53:07,319

I think it's gonna be all right man what

1277

00:53:10,609 --> 00:53:09,119

a cool garage he's got going on back

1278

00:53:13,670 --> 00:53:10,619

there that looks good doesn't it I just

1279

00:53:16,609 --> 00:53:13,680

know it's all out then yeah yeah oh man

1280

00:53:18,410 --> 00:53:16,619

but that looks like quite the man cave

1281

00:53:20,270 --> 00:53:18,420

over there I'm loving it

1282

00:53:23,809 --> 00:53:20,280

um I'll wait until I'll wait until Randy

1283

00:53:26,089 --> 00:53:23,819

gets back here in a second but then yeah

1284

00:53:27,290 --> 00:53:26,099

Vinnie go ahead sorry what was your

1285

00:53:30,290 --> 00:53:27,300

favorite

1286

00:53:31,870 --> 00:53:30,300

piece of uh UAP news that happened this

1287

00:53:42,730 --> 00:53:31,880

past year

1288

00:53:47,049 --> 00:53:44,990

I should have expected this question

1289

00:53:49,370 --> 00:53:47,059

really I feel like we should touch on

1290

00:53:50,930 --> 00:53:49,380

what happened this past year a little

1291

00:53:53,030 --> 00:53:50,940

bit since it's the end of the year you

1292

00:53:56,270 --> 00:53:53,040

know whether it would be absolutely you

1293

00:53:59,089 --> 00:53:56,280

know the hearings or you know the ndaa

1294

00:54:02,569 --> 00:53:59,099

that passed or yeah I mean all of those

1295

00:54:04,370 --> 00:54:02,579

obviously coming after or whatever I

1296

00:54:06,349 --> 00:54:04,380

think everything has its you know own

1297

00:54:08,210 --> 00:54:06,359

place as a really interesting point so

1298

00:54:10,010 --> 00:54:08,220

maybe I would just struggle to pick one

1299

00:54:11,930 --> 00:54:10,020

because I'm sure I would say oh this one

1300

00:54:13,430 --> 00:54:11,940

five minutes later I'd be like oh I

1301  
00:54:14,930 --> 00:54:13,440  
should have said that one and you know

1302  
00:54:17,329 --> 00:54:14,940  
what I mean it's like so there are so

1303  
00:54:19,069 --> 00:54:17,339  
many but I think what it all represents

1304  
00:54:20,450 --> 00:54:19,079  
is the fact that we're still we still

1305  
00:54:22,430 --> 00:54:20,460  
have the ball rolling in the right

1306  
00:54:24,410 --> 00:54:22,440  
direction that's one thing I felt has

1307  
00:54:26,450 --> 00:54:24,420  
been stable throughout the year you know

1308  
00:54:28,910 --> 00:54:26,460  
the hearings were sort of May and then

1309  
00:54:30,589 --> 00:54:28,920  
we had things before and after so you

1310  
00:54:31,430 --> 00:54:30,599  
know I just hope that we just get that

1311  
00:54:34,730 --> 00:54:31,440  
kind of

1312  
00:54:37,970 --> 00:54:34,740  
uh progression going forward into 2023

1313  
00:54:40,670 --> 00:54:37,980

and I I feel positive that we will

1314

00:54:42,410 --> 00:54:40,680

so he played you played the fifth as we

1315

00:54:48,770 --> 00:54:42,420

would say that was kind of the long way

1316

00:54:56,329 --> 00:54:52,609

all right are you good okay uh yeah

1317

00:54:59,930 --> 00:54:56,339

since December I've had uh numerous uh

1318

00:55:01,250 --> 00:54:59,940

private meetings with people

1319

00:55:04,790 --> 00:55:01,260

um

1320

00:55:05,930 --> 00:55:04,800

and I mean I can't believe the level of

1321

00:55:09,349 --> 00:55:05,940

people

1322

00:55:12,170 --> 00:55:09,359

that are on the scene and uh I am

1323

00:55:14,030 --> 00:55:12,180

actually pretty confident that those

1324

00:55:16,190 --> 00:55:14,040

people are going to bring it home you

1325

00:55:17,870 --> 00:55:16,200

know what I mean and really bring this

1326

00:55:19,670 --> 00:55:17,880

they're not going to stop

1327

00:55:24,410 --> 00:55:19,680

they're too they have too much

1328

00:55:28,309 --> 00:55:24,420

credibility status I mean crazy jobs

1329

00:55:31,250 --> 00:55:28,319

um so that to me I've never seen

1330

00:55:33,230 --> 00:55:31,260

I've never seen that and and can you be

1331

00:55:42,290 --> 00:55:33,240

a little more specific about who the

1332

00:55:51,890 --> 00:55:43,690

maybe guys

1333

00:55:57,470 --> 00:55:54,650

intelligence guys I

1334

00:55:58,609 --> 00:55:57,480

what were they doing there but they're

1335

00:56:00,589 --> 00:55:58,619

you know

1336

00:56:03,470 --> 00:56:00,599

I don't know it's just it was kind of

1337

00:56:07,370 --> 00:56:03,480

fascinating that uh

1338

00:56:08,510 --> 00:56:07,380

you know it wasn't they were

1339

00:56:11,870 --> 00:56:08,520

um

1340

00:56:15,170 --> 00:56:13,069

yeah

1341

00:56:19,549 --> 00:56:15,180

that's a big shift

1342

00:56:21,650 --> 00:56:19,559

do you think our government has actual

1343

00:56:24,109 --> 00:56:21,660

um you know I know that's a very generic

1344

00:56:25,490 --> 00:56:24,119

term government but do you think um

1345

00:56:28,609 --> 00:56:25,500

there's people within the government

1346

00:56:30,530 --> 00:56:28,619

that have actual you know

1347

00:56:33,049 --> 00:56:30,540

a lot more knowledge than the public

1348

00:56:34,910 --> 00:56:33,059

does as far as things like abductions or

1349

00:56:38,030 --> 00:56:34,920

these entities and beings absolutely

1350

00:56:39,230 --> 00:56:38,040

yeah absolutely

1351

00:56:41,329 --> 00:56:39,240

um

1352

00:56:42,589 --> 00:56:41,339

they've been at it for a while I mean I

1353

00:56:44,750 --> 00:56:42,599

don't I don't even use the word

1354

00:56:48,890 --> 00:56:44,760

government it's Contra it's a it's uh

1355

00:56:50,809 --> 00:56:48,900

sure it's the military really and to me

1356

00:56:53,210 --> 00:56:50,819

and everything I've learned and they're

1357

00:56:53,990 --> 00:56:53,220

contractors

1358

00:56:57,890 --> 00:56:54,000

um

1359

00:57:00,349 --> 00:56:57,900

they're under extreme like you know

1360

00:57:03,290 --> 00:57:00,359

I don't think it's a standard NDA that

1361

00:57:05,870 --> 00:57:03,300

you sign when you work on these projects

1362

00:57:08,390 --> 00:57:05,880

it's like hey if you do you know

1363

00:57:09,950 --> 00:57:08,400

the rules are pretty strict

1364

00:57:12,349 --> 00:57:09,960

um

1365

00:57:13,849 --> 00:57:12,359

and you don't talk to people about what

1366

00:57:17,930 --> 00:57:13,859

you're working on at all

1367

00:57:23,089 --> 00:57:21,049

anyway I've had the opportunity to meet

1368

00:57:24,109 --> 00:57:23,099

quite a few people

1369

00:57:26,150 --> 00:57:24,119

um

1370

00:57:28,370 --> 00:57:26,160

in the last year that I just never

1371

00:57:29,809 --> 00:57:28,380

thought I would uh

1372

00:57:32,329 --> 00:57:29,819

I just never thought that would happen

1373

00:57:35,390 --> 00:57:32,339

you know I'm glad it has that's

1374

00:57:37,549 --> 00:57:35,400

fantastic and it seems like every time I

1375

00:57:38,690 --> 00:57:37,559

go or go to something

1376

00:57:42,109 --> 00:57:38,700

um

1377

00:57:45,410 --> 00:57:42,119

I'm even more like what like when did

1378

00:57:47,150 --> 00:57:45,420

this all of a sudden change

1379

00:57:49,190 --> 00:57:47,160

um and I think it's great I don't think

1380

00:57:51,230 --> 00:57:49,200

it's I don't see a negative to it I

1381

00:57:51,950 --> 00:57:51,240

really don't

1382

00:57:55,309 --> 00:57:51,960

um

1383

00:57:58,609 --> 00:57:55,319

well bud Hopkins always used to say like

1384

00:58:01,250 --> 00:57:58,619

you know when this comes out people are

1385

00:58:03,770 --> 00:58:01,260

going to go to the two churches one's

1386

00:58:05,450 --> 00:58:03,780

the actual church to pray

1387

00:58:09,609 --> 00:58:05,460

and be with community and the other

1388

00:58:13,370 --> 00:58:12,170

that sounds about right it kind of

1389

00:58:15,710 --> 00:58:13,380

sounds about right

1390

00:58:19,430 --> 00:58:15,720

um I hope not I mean the new generation

1391

00:58:22,430 --> 00:58:19,440

of people kids you know human beings

1392

00:58:24,829 --> 00:58:22,440

um are pretty on board with they've been

1393

00:58:26,329 --> 00:58:24,839

sort of sort of like blasted with all

1394

00:58:30,950 --> 00:58:26,339

this

1395

00:58:33,109 --> 00:58:30,960

that their attitudes are much more

1396

00:58:34,970 --> 00:58:33,119

open-minded and

1397

00:58:38,329 --> 00:58:34,980

you know that generation I'm not worried

1398

00:58:41,690 --> 00:58:38,339

about it's it's the other ones the older

1399

00:58:44,270 --> 00:58:41,700

ones and are my generation and you think

1400

00:58:45,970 --> 00:58:44,280

it's maybe because there's a sense of uh

1401  
00:58:49,010 --> 00:58:45,980  
younger Generations

1402  
00:58:51,049 --> 00:58:49,020  
kind of living in fiction and what I

1403  
00:58:54,890 --> 00:58:51,059  
mean by that is

1404  
00:58:56,450 --> 00:58:54,900  
living through bones or television even

1405  
00:58:58,370 --> 00:58:56,460  
though you're talking to like a real

1406  
00:59:02,210 --> 00:58:58,380  
person or looking at a real person like

1407  
00:59:04,910 --> 00:59:02,220  
it's all really kind of not real still

1408  
00:59:08,690 --> 00:59:04,920  
you know I feel like we're we weren't

1409  
00:59:10,190 --> 00:59:08,700  
meant to to be living that way in case a

1410  
00:59:11,750 --> 00:59:10,200  
point is kind of like the more

1411  
00:59:13,609 --> 00:59:11,760  
indigenous type people that you that

1412  
00:59:15,710 --> 00:59:13,619  
you've spoken with seem to be happier

1413  
00:59:18,349 --> 00:59:15,720

without it you know isn't that an

1414

00:59:21,109 --> 00:59:18,359

example of maybe we shouldn't be doing

1415

00:59:23,990 --> 00:59:21,119

all this stuff I mean it's a quote from

1416

00:59:25,910 --> 00:59:24,000

your from the movie It produced is one

1417

00:59:27,770 --> 00:59:25,920

of the messages the girl's left with was

1418

00:59:29,030 --> 00:59:27,780

you know be careful of technology or

1419

00:59:31,910 --> 00:59:29,040

you're getting to

1420

00:59:34,789 --> 00:59:31,920

uh you're developing too much technology

1421

00:59:37,930 --> 00:59:34,799

you know I'm paraphrasing but

1422

00:59:40,970 --> 00:59:37,940

um some of them that's a message yeah

1423

00:59:43,010 --> 00:59:40,980

how is this going to go over you know if

1424

00:59:45,829 --> 00:59:43,020

we get a bunch of information or or the

1425

00:59:48,829 --> 00:59:45,839

truth you know from whoever it may be

1426

00:59:50,630 --> 00:59:48,839

you know in some sort of official or a

1427

00:59:53,150 --> 00:59:50,640

real tangible way

1428

00:59:55,250 --> 00:59:53,160

if if people

1429

00:59:57,109 --> 00:59:55,260

you know are are living the way they're

1430

01:00:00,530 --> 00:59:57,119

not supposed to because I feel like in

1431

01:00:04,490 --> 01:00:00,540

the end this is really about us it's

1432

01:00:05,930 --> 01:00:04,500

about people right in in our reality and

1433

01:00:08,450 --> 01:00:05,940

our relationships with each other and

1434

01:00:09,890 --> 01:00:08,460

how we just deal with things so I don't

1435

01:00:13,670 --> 01:00:09,900

know like

1436

01:00:16,250 --> 01:00:13,680

can can we adjust you know or or should

1437

01:00:18,470 --> 01:00:16,260

we adjust to to less technology in order

1438

01:00:21,230 --> 01:00:18,480

to be able to accept something a little

1439

01:00:24,410 --> 01:00:21,240

bit more unfamiliar

1440

01:00:26,930 --> 01:00:24,420

can I say something yeah yeah I don't

1441

01:00:29,569 --> 01:00:26,940

mean to jump on anybody

1442

01:00:32,690 --> 01:00:29,579

um when I was in Africa several of

1443

01:00:35,510 --> 01:00:32,700

uh I just kept hearing it from the

1444

01:00:37,730 --> 01:00:35,520

people I would visit and uh

1445

01:00:40,549 --> 01:00:37,740

that they thought Americans and Western

1446

01:00:43,370 --> 01:00:40,559

Society was crazy that they'd lost their

1447

01:00:46,069 --> 01:00:43,380

sorry and

1448

01:00:48,190 --> 01:00:46,079

um because of we've gone on this

1449

01:00:51,710 --> 01:00:48,200

technological drug

1450

01:00:53,450 --> 01:00:51,720

and they felt like I heard it so many

1451

01:00:55,370 --> 01:00:53,460

times I'm like yeah that's real they

1452

01:00:57,589 --> 01:00:55,380

really do feel that way they feel like

1453

01:01:00,289 --> 01:00:57,599

we've lost it because we're just going

1454

01:01:01,370 --> 01:01:00,299

down this whole technological thing and

1455

01:01:03,349 --> 01:01:01,380

um

1456

01:01:05,750 --> 01:01:03,359

you know it's like

1457

01:01:09,109 --> 01:01:05,760

nature is

1458

01:01:11,809 --> 01:01:09,119

Nate Nature's been with us for billions

1459

01:01:13,670 --> 01:01:11,819

of years again you know

1460

01:01:16,450 --> 01:01:13,680

um and we're kind of walking away from

1461

01:01:19,309 --> 01:01:16,460

it uh have been

1462

01:01:21,170 --> 01:01:19,319

and nature doesn't like that it's going

1463

01:01:24,530 --> 01:01:21,180

to return you to that place eventually

1464

01:01:25,730 --> 01:01:24,540

and one of the things I think about uh

1465

01:01:28,809 --> 01:01:25,740

these

1466

01:01:32,809 --> 01:01:28,819

creatures from wherever they are from

1467

01:01:36,109 --> 01:01:32,819

is they have figured out a way to

1468

01:01:38,470 --> 01:01:36,119

reintegrate technology like almost back

1469

01:01:41,030 --> 01:01:38,480

to Nature itself

1470

01:01:42,650 --> 01:01:41,040

and I think they've learned that I mean

1471

01:01:45,710 --> 01:01:42,660

honestly I know this may sound a little

1472

01:01:46,309 --> 01:01:45,720

bit far out there but

1473

01:01:49,370 --> 01:01:46,319

um

1474

01:01:51,829 --> 01:01:49,380

I don't think it is I think they uh

1475

01:01:54,650 --> 01:01:51,839

understood like you can't leave you

1476

01:01:56,750 --> 01:01:54,660

can't leave what you're in you can't

1477

01:02:00,049 --> 01:01:56,760

it's going to bring you back to it all

1478

01:02:01,910 --> 01:02:00,059

the time so the technology

1479

01:02:05,210 --> 01:02:01,920

um

1480

01:02:07,809 --> 01:02:05,220

yeah it's uh

1481

01:02:12,289 --> 01:02:07,819

it's an addiction for sure

1482

01:02:16,309 --> 01:02:12,299

uh and I I you know it's it's evolving

1483

01:02:19,010 --> 01:02:16,319

us technologically and in many ways

1484

01:02:20,870 --> 01:02:19,020

um but we we don't consider the the

1485

01:02:23,510 --> 01:02:20,880

downside of that and how it's

1486

01:02:25,309 --> 01:02:23,520

disconnecting us from what's out there

1487

01:02:27,589 --> 01:02:25,319

which is

1488

01:02:29,569 --> 01:02:27,599

been around for an awfully long time and

1489

01:02:32,030 --> 01:02:29,579

it works

1490

01:02:34,430 --> 01:02:32,040

um I know we once I think once we

1491

01:02:36,530 --> 01:02:34,440

understand it all we're gonna go start

1492

01:02:37,849 --> 01:02:36,540

to go back toward that integrate our

1493

01:02:40,970 --> 01:02:37,859

technology

1494

01:02:45,589 --> 01:02:40,980

kind of more toward natural

1495

01:02:49,370 --> 01:02:45,599

you know sources natural uh

1496

01:02:52,069 --> 01:02:49,380

more nature connected Tech uh sure

1497

01:02:55,069 --> 01:02:52,079

because and you know nature is a

1498

01:02:57,109 --> 01:02:55,079

technology in itself and it's uh uh I

1499

01:02:59,089 --> 01:02:57,119

think once we get to the level of being

1500

01:03:03,130 --> 01:02:59,099

able to uh

1501

01:03:05,870 --> 01:03:03,140

work with that uh in a way

1502

01:03:10,370 --> 01:03:05,880

we'll be on the path again I think the

1503

01:03:12,530 --> 01:03:10,380

right path but it's going to take time

1504

01:03:14,690 --> 01:03:12,540

ugly turning point to get us there but

1505

01:03:16,069 --> 01:03:14,700

it's going to be an ugly turning point

1506

01:03:19,250 --> 01:03:16,079

to get us there

1507

01:03:21,170 --> 01:03:19,260

yeah it very well could be yeah for sure

1508

01:03:22,970 --> 01:03:21,180

yeah we gotta hit the wall before we're

1509

01:03:26,030 --> 01:03:22,980

gonna actually change you know

1510

01:03:28,250 --> 01:03:26,040

unfortunately that's the way it goes

1511

01:03:30,829 --> 01:03:28,260

our uh are either of you doing anything

1512

01:03:32,750 --> 01:03:30,839

uh looking forward to anything for the

1513

01:03:35,870 --> 01:03:32,760

holidays this year

1514

01:03:38,809 --> 01:03:35,880

just family yeah I've been in it all

1515

01:03:40,549 --> 01:03:38,819

week to be honest like today as well I

1516

01:03:43,430 --> 01:03:40,559

went to the theater to see the pantomime

1517

01:03:45,710 --> 01:03:43,440

and it's just been Christmas filled

1518

01:03:47,390 --> 01:03:45,720

things my daughter's five years old so

1519

01:03:49,069 --> 01:03:47,400

of course everything revolves around her

1520

01:03:50,809 --> 01:03:49,079

so it's just

1521

01:03:52,430 --> 01:03:50,819

just everything's just singing and

1522

01:03:54,470 --> 01:03:52,440

dancing literally at the moment which

1523

01:03:57,230 --> 01:03:54,480

I've you know it's just beautiful so I'm

1524

01:03:59,630 --> 01:03:57,240

just so happy right now and you know

1525

01:04:02,329 --> 01:03:59,640

Life's good

1526

01:04:04,849 --> 01:04:02,339

uh yeah

1527

01:04:06,289 --> 01:04:04,859

well seeing friends you know seeing

1528

01:04:08,510 --> 01:04:06,299

family

1529

01:04:13,789 --> 01:04:11,690

you know I I haven't really had a lot of

1530

01:04:16,670 --> 01:04:13,799

time off so

1531

01:04:18,049 --> 01:04:16,680

I I want I've flown for two months I I

1532

01:04:22,069 --> 01:04:18,059

used

1533

01:04:23,030 --> 01:04:22,079

I spent I would fly 150 for 160 hours a

1534

01:04:26,870 --> 01:04:23,040

year

1535

01:04:30,470 --> 01:04:26,880

and uh yeah so I really want to get up

1536

01:04:35,630 --> 01:04:34,190

play piano and write some more music and

1537

01:04:38,030 --> 01:04:35,640

um

1538

01:04:40,730 --> 01:04:38,040

I'd love to hear some of your music

1539

01:04:43,490 --> 01:04:40,740

I'll send you a piece I said I sent um

1540

01:04:47,210 --> 01:04:43,500

Jay a piece last last night when I was

1541

01:04:48,710 --> 01:04:47,220

chatting with him and uh yeah yeah and I

1542

01:04:50,329 --> 01:04:48,720

listened to it the first thing in the

1543

01:04:53,690 --> 01:04:50,339

morning I'm doing my first cup of coffee

1544

01:04:55,730 --> 01:04:53,700

today and and boy that was a trip wild

1545

01:04:57,890 --> 01:04:55,740

wild stuff is great thank you so much

1546

01:04:59,210 --> 01:04:57,900

Randy for that that was yeah we had a

1547

01:05:03,410 --> 01:04:59,220

nice conversation about that earlier

1548

01:05:06,410 --> 01:05:03,420

today and uh yeah such good stuff yeah

1549

01:05:09,230 --> 01:05:06,420

that's my thing because music yeah like

1550

01:05:11,750 --> 01:05:09,240

um uh dedicated my yeah to my life the

1551

01:05:13,910 --> 01:05:11,760

music basically it towards the when I

1552

01:05:15,589 --> 01:05:13,920

when I decided you know circling back to

1553

01:05:18,530 --> 01:05:15,599

the football thing when I decided that

1554

01:05:22,370 --> 01:05:18,540

wasn't for me I found I met a nice girl

1555

01:05:25,309 --> 01:05:22,380

named Mary Jane and uh found a cool guy

1556

01:05:28,849 --> 01:05:25,319

named Led Zeppelin and that uh put me

1557

01:05:30,730 --> 01:05:28,859

off into a different world and I've been

1558

01:05:33,470 --> 01:05:30,740

playing music and writing my own music

1559

01:05:36,250 --> 01:05:33,480

you know what's your Instagram 20 years

1560

01:05:38,870 --> 01:05:36,260

so uh my main one was just kid

1561

01:05:41,630 --> 01:05:38,880

singer-songwriter so more of a like a

1562

01:05:43,789 --> 01:05:41,640

more a songwriter than a like an

1563

01:05:45,950 --> 01:05:43,799

instrument guy but yeah I could I could

1564

01:05:47,450 --> 01:05:45,960

do piano

1565

01:05:50,030 --> 01:05:47,460

um you know but guitar I guess really

1566

01:05:52,370 --> 01:05:50,040

but songwriting is was my passion yeah

1567

01:05:54,890 --> 01:05:52,380

so right and I there's some at least

1568

01:05:57,410 --> 01:05:54,900

yeah I'll send you a vinyl it would go

1569

01:06:01,789 --> 01:05:57,420

really well with that cabin it's very

1570

01:06:04,370 --> 01:06:01,799

uh slow pokey uh emotional kind of stuff

1571

01:06:07,309 --> 01:06:04,380

so if you got a record player in there

1572

01:06:10,069 --> 01:06:07,319

it would I actually have it in mothballs

1573

01:06:12,890 --> 01:06:10,079

but I I do have one techniques you know

1574

01:06:17,809 --> 01:06:12,900

one of the good old techniques yeah yeah

1575

01:06:22,130 --> 01:06:17,819

I could do it yeah I'll have to show you

1576

01:06:26,210 --> 01:06:22,140

um well we we didn't get uh Randall's

1577

01:06:31,190 --> 01:06:26,220

favorite piece of UAP news for 2022. oh

1578

01:06:37,970 --> 01:06:33,829

well I mean I think other than your

1579

01:06:40,250 --> 01:06:37,980

movie coming out you know well yeah I

1580

01:06:43,549 --> 01:06:40,260

yeah it was kind of more on the private

1581

01:06:45,230 --> 01:06:43,559

level right right sure sure I mean when

1582

01:06:47,930 --> 01:06:45,240

actually the Senate intelligence

1583

01:06:48,710 --> 01:06:47,940

committee's first uh meeting was a big

1584

01:06:52,069 --> 01:06:48,720

deal

1585

01:06:55,069 --> 01:06:52,079

I had to watch it probably 10 times to

1586

01:06:56,870 --> 01:06:55,079

like really get every single nuance and

1587

01:06:59,410 --> 01:06:56,880

the video guy on that thing was like

1588

01:07:07,390 --> 01:06:59,420

should be fired

1589

01:07:11,809 --> 01:07:10,190

that thing that thing right there we

1590

01:07:14,510 --> 01:07:11,819

don't know what it is we could have got

1591

01:07:17,329 --> 01:07:14,520

anybody on uh Twitter or Facebook to do

1592

01:07:19,789 --> 01:07:17,339

way better than that you know 100

1593

01:07:22,309 --> 01:07:19,799

that was a good idea we should do that

1594

01:07:30,970 --> 01:07:22,319

get these people to testify we'll set up

1595

01:07:37,010 --> 01:07:34,670

I was just like oh my god dude just push

1596

01:07:39,170 --> 01:07:37,020

the right Keys it's not that hard go

1597

01:07:41,390 --> 01:07:39,180

step by step by step and stop

1598

01:07:43,250 --> 01:07:41,400

but I don't know you know what kind of

1599

01:07:44,870 --> 01:07:43,260

keyboard he was on or whether what

1600

01:07:46,309 --> 01:07:44,880

program that was it probably wasn't a

1601  
01:07:48,109 --> 01:07:46,319  
big thing it probably wasn't an editing

1602  
01:07:50,329 --> 01:07:48,119  
program either because it looked like he

1603  
01:07:52,789 --> 01:07:50,339  
was just trying to anyway but I I really

1604  
01:07:54,770 --> 01:07:52,799  
appreciated that they were trying the

1605  
01:07:57,770 --> 01:07:54,780  
thing I took away from it was they were

1606  
01:07:59,809 --> 01:07:57,780  
trying to destigmatize

1607  
01:08:02,150 --> 01:07:59,819  
the people that have seen these things

1608  
01:08:05,270 --> 01:08:02,160  
and that to me because it was said like

1609  
01:08:09,349 --> 01:08:05,280  
five times during the whole thing

1610  
01:08:11,270 --> 01:08:09,359  
I I was like I I just felt like they're

1611  
01:08:14,029 --> 01:08:11,280  
taking the right steps here

1612  
01:08:16,550 --> 01:08:14,039  
you know that's a big deal because so

1613  
01:08:18,950 --> 01:08:16,560

much so many people feel alone

1614

01:08:21,349 --> 01:08:18,960

they've seen these things they they

1615

01:08:23,450 --> 01:08:21,359

don't talk to anybody about it they're

1616

01:08:26,090 --> 01:08:23,460

afraid to they don't want to get made

1617

01:08:27,530 --> 01:08:26,100

fun of God forbid if they went public

1618

01:08:30,470 --> 01:08:27,540

you know

1619

01:08:32,809 --> 01:08:30,480

well if you think about it too like if

1620

01:08:34,669 --> 01:08:32,819

if our government or military is going

1621

01:08:36,829 --> 01:08:34,679

to learn as much as they can about this

1622

01:08:38,930 --> 01:08:36,839

stuff like that they're the ones that

1623

01:08:40,550 --> 01:08:38,940

have all the sensors video equipment and

1624

01:08:42,169 --> 01:08:40,560

all that and they're not going to be

1625

01:08:44,329 --> 01:08:42,179

able to get the fastest beat on it

1626

01:08:47,030 --> 01:08:44,339

unless their people are telling them

1627

01:08:49,130 --> 01:08:47,040

about it so what is the first step yeah

1628

01:08:51,349 --> 01:08:49,140

destigmatize all your Pilots your your

1629

01:08:53,749 --> 01:08:51,359

whoever Navy aviators actually report

1630

01:08:57,430 --> 01:08:53,759

this stuff so you can actually get the

1631

01:08:59,630 --> 01:08:57,440

best uh data possible so yeah first step

1632

01:09:01,370 --> 01:08:59,640

destigmatize with your with your crew

1633

01:09:02,450 --> 01:09:01,380

yeah that makes sense especially with

1634

01:09:05,809 --> 01:09:02,460

the pilots

1635

01:09:09,410 --> 01:09:05,819

um you know I I have a ton of pilot

1636

01:09:12,890 --> 01:09:09,420

friends some that fly f-15s and f-22s

1637

01:09:16,689 --> 01:09:12,900

whatever or just small planes or uh

1638

01:09:21,709 --> 01:09:16,699

exact jets are seven you know whatever

1639

01:09:23,809 --> 01:09:21,719

a320s or whatever but they are concerned

1640

01:09:26,809 --> 01:09:23,819

about you know they have been concerned

1641

01:09:29,030 --> 01:09:26,819

about it um when I and it's funny to

1642

01:09:31,070 --> 01:09:29,040

have watched the shift at at my own

1643

01:09:33,229 --> 01:09:31,080

Airport

1644

01:09:34,490 --> 01:09:33,239

um you know I have a hanger there it's

1645

01:09:36,349 --> 01:09:34,500

you know it's not a very expensive

1646

01:09:38,450 --> 01:09:36,359

hanger it's not a very expensive plane

1647

01:09:40,849 --> 01:09:38,460

at all uh it actually cost me ten

1648

01:09:43,490 --> 01:09:40,859

thousand dollars for the plane but so I

1649

01:09:46,249 --> 01:09:43,500

get you know that I would when I first

1650

01:09:49,430 --> 01:09:46,259

started at the airport was a 2010 or so

1651  
01:09:51,470 --> 01:09:49,440  
and uh you know nobody everybody's like

1652  
01:09:53,269 --> 01:09:51,480  
you know I asked people like hey you

1653  
01:09:54,830 --> 01:09:53,279  
ever see anything weird up there you

1654  
01:09:57,290 --> 01:09:54,840  
know they respected me as a pilot I

1655  
01:10:01,010 --> 01:09:57,300  
respected them as a pilot we both risked

1656  
01:10:04,330 --> 01:10:01,020  
Our Lives you know in a sense and um and

1657  
01:10:07,970 --> 01:10:04,340  
they'd say you know they'd look around

1658  
01:10:10,430 --> 01:10:07,980  
you know yeah sometimes I actually did

1659  
01:10:12,890 --> 01:10:10,440  
see something and they and said but you

1660  
01:10:14,330 --> 01:10:12,900  
don't we need we don't tell anybody I

1661  
01:10:16,729 --> 01:10:14,340  
told you that

1662  
01:10:19,729 --> 01:10:16,739  
and and now

1663  
01:10:21,950 --> 01:10:19,739

I've seen a shift because some of those

1664

01:10:22,970 --> 01:10:21,960

same people are like uh have been coming

1665

01:10:24,830 --> 01:10:22,980

to me

1666

01:10:25,970 --> 01:10:24,840

and say I want to hear more about this

1667

01:10:27,590 --> 01:10:25,980

like

1668

01:10:29,510 --> 01:10:27,600

you know

1669

01:10:33,169 --> 01:10:29,520

um because they knew I was doing this

1670

01:10:35,030 --> 01:10:33,179

movie and uh when and it was because of

1671

01:10:36,830 --> 01:10:35,040

the Senate intelligence committee I

1672

01:10:39,310 --> 01:10:36,840

think that really shifted them Pilots

1673

01:10:42,830 --> 01:10:39,320

are very generally you know

1674

01:10:45,649 --> 01:10:42,840

uh how do you say it uh

1675

01:10:49,250 --> 01:10:45,659

they're incredibly smart people uh

1676  
01:10:49,970 --> 01:10:49,260  
because you have to be and you're sure

1677  
01:10:52,550 --> 01:10:49,980  
um

1678  
01:10:54,770 --> 01:10:52,560  
and especially if you've got you know

1679  
01:10:57,110 --> 01:10:54,780  
hours there's people at my airport that

1680  
01:11:01,370 --> 01:10:57,120  
have 35 000 hours in the air you know

1681  
01:11:02,390 --> 01:11:01,380  
about 1500 and 1500 are significant but

1682  
01:11:04,130 --> 01:11:02,400  
35

1683  
01:11:05,990 --> 01:11:04,140  
000. yeah

1684  
01:11:08,330 --> 01:11:06,000  
um you've seen a lot up there

1685  
01:11:11,030 --> 01:11:08,340  
um I was doing an interview I don't know

1686  
01:11:14,570 --> 01:11:11,040  
a month ago or so and

1687  
01:11:17,810 --> 01:11:14,580  
I was there was a professor

1688  
01:11:20,030 --> 01:11:17,820

um kind of trying to do not debunk but

1689

01:11:23,390 --> 01:11:20,040

just criticize

1690

01:11:24,770 --> 01:11:23,400

and I mentioned Pilots that witnessed

1691

01:11:27,169 --> 01:11:24,780

this and then well Pilots are not

1692

01:11:28,970 --> 01:11:27,179

scientists and I was like well Pilots

1693

01:11:31,130 --> 01:11:28,980

are pretty damn smart

1694

01:11:32,689 --> 01:11:31,140

unless you're flying up there you don't

1695

01:11:34,070 --> 01:11:32,699

know what's up there they know

1696

01:11:35,410 --> 01:11:34,080

everything that goes up they see

1697

01:11:38,390 --> 01:11:35,420

everything up there

1698

01:11:41,689 --> 01:11:38,400

satellites I mean you you name it

1699

01:11:45,290 --> 01:11:41,699

meteorite entries uh well lie whatever

1700

01:11:48,530 --> 01:11:45,300

the whole nine yards and uh

1701

01:11:50,450 --> 01:11:48,540

so I I just kind of like people need to

1702

01:11:52,070 --> 01:11:50,460

give Pilots a lot more credit because

1703

01:11:54,290 --> 01:11:52,080

what they do is really difficult

1704

01:11:56,870 --> 01:11:54,300

particularly military Pilots the speeds

1705

01:11:58,669 --> 01:11:56,880

they're traveling the the amount of

1706

01:12:01,570 --> 01:11:58,679

decisions they need to make and their

1707

01:12:04,790 --> 01:12:01,580

understanding of the Earth's atmosphere

1708

01:12:07,610 --> 01:12:04,800

layers of the atmosphere uh and the

1709

01:12:10,010 --> 01:12:07,620

experience of of you know knowing what's

1710

01:12:11,689 --> 01:12:10,020

normal up there and when they report

1711

01:12:14,990 --> 01:12:11,699

things because they're used you know

1712

01:12:18,050 --> 01:12:15,000

they're all trained to to identify you

1713

01:12:20,930 --> 01:12:18,060

know Russian migs and all the the other

1714

01:12:22,310 --> 01:12:20,940

uh types of foreign aircraft uh when

1715

01:12:25,310 --> 01:12:22,320

they when they see something that

1716

01:12:30,290 --> 01:12:25,320

doesn't fit they know it yeah and I I

1717

01:12:32,930 --> 01:12:30,300

haven't met a a a an uneducated pilot in

1718

01:12:36,050 --> 01:12:32,940

my my career they're all they're good

1719

01:12:41,810 --> 01:12:38,990

yeah and I mean at this point like you

1720

01:12:45,169 --> 01:12:41,820

know studying UFOs you know it's a clear

1721

01:12:47,110 --> 01:12:45,179

documented since 1947 documented you

1722

01:12:49,850 --> 01:12:47,120

know by our government

1723

01:12:52,070 --> 01:12:49,860

hundreds it's happened to hundreds of

1724

01:12:55,370 --> 01:12:52,080

Pilots but I just went over a case of my

1725

01:12:58,669 --> 01:12:55,380

channel the guy won the FAA award 50

1726

01:13:00,649 --> 01:12:58,679

years Master flight guy for 50 years of

1727

01:13:02,990 --> 01:13:00,659

safe flying you know he had a UFO

1728

01:13:05,030 --> 01:13:03,000

sighting in Blue Book but you know blue

1729

01:13:06,709 --> 01:13:05,040

book came out and it tried to debunk

1730

01:13:09,110 --> 01:13:06,719

into the newspaper you know these people

1731

01:13:11,689 --> 01:13:09,120

have been flying and seeing stuff in

1732

01:13:15,169 --> 01:13:11,699

this guy for that long and if there was

1733

01:13:17,689 --> 01:13:15,179

nothing to it all these Pilots would be

1734

01:13:20,570 --> 01:13:17,699

taking part in a training program by now

1735

01:13:22,010 --> 01:13:20,580

that told them which each thing is so

1736

01:13:24,470 --> 01:13:22,020

that when they see it they know what it

1737

01:13:27,830 --> 01:13:24,480

is you know but but they can't do that

1738

01:13:31,850 --> 01:13:27,840

because that's not the case it's not all

1739

01:13:33,770 --> 01:13:31,860

explainable you know otherwise we

1740

01:13:35,630 --> 01:13:33,780

wouldn't have Pilots saying I don't know

1741

01:13:37,010 --> 01:13:35,640

what that is I saw it in this guy you

1742

01:13:38,870 --> 01:13:37,020

know they'd be a part of the training

1743

01:13:42,169 --> 01:13:38,880

packet at this point over the last 70

1744

01:13:44,110 --> 01:13:42,179

goddamn years so stop lying we'll pick

1745

01:13:47,209 --> 01:13:44,120

them more come forward

1746

01:13:48,890 --> 01:13:47,219

there's plenty that that I think you

1747

01:13:50,390 --> 01:13:48,900

know to be honest with you like I think

1748

01:13:53,209 --> 01:13:50,400

a lot of the

1749

01:13:55,850 --> 01:13:53,219

the witnesses to a lot of things we

1750

01:13:58,090 --> 01:13:55,860

haven't even seen the half of it because

1751

01:14:01,850 --> 01:13:58,100

they still don't feel comfortable

1752

01:14:04,189 --> 01:14:01,860

and I I think we're going to see uh you

1753

01:14:07,910 --> 01:14:04,199

know I think we're we're like you know

1754

01:14:09,169 --> 01:14:07,920

10 of the the actual population this is

1755

01:14:11,209 --> 01:14:09,179

my guess

1756

01:14:13,910 --> 01:14:11,219

who are actually willing to talk about

1757

01:14:17,030 --> 01:14:13,920

it and come forward about these things

1758

01:14:18,770 --> 01:14:17,040

or you know investigate these things but

1759

01:14:21,530 --> 01:14:18,780

I'm I'm telling you nine out of 10

1760

01:14:23,870 --> 01:14:21,540

people are will say well tell me the

1761

01:14:25,970 --> 01:14:23,880

story privately but they said I'm not

1762

01:14:28,189 --> 01:14:25,980

talking about this publicly

1763

01:14:29,209 --> 01:14:28,199

um but that that may change I've seen it

1764

01:14:31,850 --> 01:14:29,219

a little bit

1765

01:14:35,090 --> 01:14:31,860

uh where they're like well it it seems

1766

01:14:36,590 --> 01:14:35,100

like it's okay to talk and uh

1767

01:14:38,689 --> 01:14:36,600

but they're you know they're gonna wait

1768

01:14:39,890 --> 01:14:38,699

until they're sure it's okay to talk

1769

01:14:42,350 --> 01:14:39,900

that they're not going to lose their

1770

01:14:44,630 --> 01:14:42,360

jobs or you know what I mean

1771

01:14:46,790 --> 01:14:44,640

um all the old fears which a lot of

1772

01:14:49,189 --> 01:14:46,800

people have had forever you know was

1773

01:14:52,070 --> 01:14:49,199

just ingrained in us through you know

1774

01:14:54,169 --> 01:14:52,080

Robertson panel and different uh and

1775

01:14:56,770 --> 01:14:54,179

societal once once they got the society

1776

01:14:59,410 --> 01:14:56,780

to sort of

1777

01:15:02,149 --> 01:14:59,420

anyway I'll stop talking

1778

01:15:03,590 --> 01:15:02,159

that's great I think oh yeah I think I

1779

01:15:05,450 --> 01:15:03,600

mean we're getting towards the end of

1780

01:15:07,490 --> 01:15:05,460

our show here I think but I I think I've

1781

01:15:08,930 --> 01:15:07,500

I've got maybe two more questions I

1782

01:15:11,689 --> 01:15:08,940

don't know about Sean but my first

1783

01:15:14,510 --> 01:15:11,699

question is what what do you guys think

1784

01:15:16,669 --> 01:15:14,520

about you know there's we have this

1785

01:15:18,590 --> 01:15:16,679

legislation passing today there's been a

1786

01:15:21,470 --> 01:15:18,600

lot of kind of word on the street and as

1787

01:15:23,709 --> 01:15:21,480

you're saying uh Randall about people

1788

01:15:25,729 --> 01:15:23,719

coming forward are we going to see

1789

01:15:28,850 --> 01:15:25,739

whistleblowers are we going to see more

1790

01:15:31,010 --> 01:15:28,860

people coming out in 2023 and are we

1791

01:15:34,250 --> 01:15:31,020

going to see some people were asking in

1792

01:15:37,030 --> 01:15:34,260

the chat and I I saw that Ryan UFO Jesus

1793

01:15:40,510 --> 01:15:37,040

was asking on Twitter are we gonna see

1794

01:15:42,110 --> 01:15:40,520

unambiguous video footage next year

1795

01:15:44,510 --> 01:15:42,120

uh

1796

01:15:45,830 --> 01:15:44,520

um either or both of you I know you know

1797

01:15:47,209 --> 01:15:45,840

this we're going to play the fortune

1798

01:15:49,669 --> 01:15:47,219

teller game here at the end of the year

1799

01:15:52,130 --> 01:15:49,679

looking forward to 2023.

1800

01:15:54,770 --> 01:15:52,140

I mean I'll quickly say in based on the

1801

01:15:57,950 --> 01:15:54,780

nda language The Whistleblower language

1802

01:16:00,350 --> 01:15:57,960

specifically really does point to sort

1803

01:16:02,450 --> 01:16:00,360

of closed door conversations that may

1804

01:16:03,950 --> 01:16:02,460

happen in the next year or so and that's

1805

01:16:05,750 --> 01:16:03,960

okay because that then may progress

1806

01:16:07,610 --> 01:16:05,760

beyond that

1807

01:16:09,530 --> 01:16:07,620

that's that's okay there's still the

1808

01:16:12,649 --> 01:16:09,540

ball moving in the right direction but

1809

01:16:14,270 --> 01:16:12,659

then shifting across to you know I've

1810

01:16:16,550 --> 01:16:14,280

spoken to Pilots Randall's obviously

1811

01:16:19,370 --> 01:16:16,560

spoken to Pilots this is where the

1812

01:16:21,410 --> 01:16:19,380

momentum May build for us to see more

1813

01:16:22,970 --> 01:16:21,420

pilots coming forward you know I've been

1814

01:16:25,850 --> 01:16:22,980

lucky enough to speak to

1815

01:16:28,970 --> 01:16:25,860

one or two publicly but also quite a few

1816

01:16:30,410 --> 01:16:28,980

privately and all it takes is for one or

1817

01:16:32,630 --> 01:16:30,420

two of them to come forward with

1818

01:16:34,550 --> 01:16:32,640

something and boom we're in a whole

1819

01:16:36,649 --> 01:16:34,560

another world you know especially the

1820

01:16:37,910 --> 01:16:36,659

military Pilots I've spoken to some who

1821

01:16:39,950 --> 01:16:37,920

are based here

1822

01:16:44,630 --> 01:16:39,960

um off the east coast in Naval Base

1823

01:16:46,729 --> 01:16:44,640

Oceania currently serving and yes

1824

01:16:48,110 --> 01:16:46,739

yeah it could happen we you know I I

1825

01:16:49,250 --> 01:16:48,120

like to stay optimistic but I'm not

1826

01:16:50,510 --> 01:16:49,260

going to be like yes it's definitely

1827

01:16:52,550 --> 01:16:50,520

going to happen because that's going to

1828

01:16:55,729 --> 01:16:52,560

jump in the gun but

1829

01:16:58,990 --> 01:16:55,739

I think it's gonna be a good year

1830

01:17:01,910 --> 01:16:59,000

Randall the question again

1831

01:17:04,130 --> 01:17:01,920

what do you think um thanks Vinnie what

1832

01:17:05,630 --> 01:17:04,140

what do you think in terms of 2023

1833

01:17:07,910 --> 01:17:05,640

looking ahead playing the fortune

1834

01:17:09,110 --> 01:17:07,920

telling game are we going to see as you

1835

01:17:11,510 --> 01:17:09,120

were talking about before are we going

1836

01:17:14,450 --> 01:17:11,520

to see more people coming forward and

1837

01:17:18,950 --> 01:17:14,460

are we going to possibly see you know

1838

01:17:20,930 --> 01:17:18,960

unambiguous uh uh documentation footage

1839

01:17:23,450 --> 01:17:20,940

anything along those lines coming out in

1840

01:17:25,610 --> 01:17:23,460

the next year what do you think I do

1841

01:17:28,630 --> 01:17:25,620

know that foot there are there is some

1842

01:17:31,430 --> 01:17:28,640

pretty uh uh

1843

01:17:34,669 --> 01:17:31,440

most amazing footage I've seen and it

1844

01:17:35,510 --> 01:17:34,679

was down in uh one of these meetings and

1845

01:17:39,229 --> 01:17:35,520

uh

1846

01:17:40,970 --> 01:17:39,239

I I think that is going to be released

1847

01:17:43,070 --> 01:17:40,980

I think I brought it up in some other

1848

01:17:45,310 --> 01:17:43,080

thing I made a mistake of mentioning it

1849

01:17:49,370 --> 01:17:45,320

but because I was told not to mention it

1850

01:17:52,430 --> 01:17:49,380

but but I know it there's there's uh

1851  
01:17:54,649 --> 01:17:52,440  
footage out there that it's just

1852  
01:17:55,669 --> 01:17:54,659  
you can't get that you can't get closer

1853  
01:17:58,930 --> 01:17:55,679  
than that

1854  
01:18:04,970 --> 01:17:58,940  
unless you're you know walking toward it

1855  
01:18:07,550 --> 01:18:04,980  
uh so I think you see a being yeah no

1856  
01:18:11,030 --> 01:18:07,560  
but what what uh the

1857  
01:18:13,250 --> 01:18:11,040  
the craft does itself uh is absolutely

1858  
01:18:14,990 --> 01:18:13,260  
stunning

1859  
01:18:17,450 --> 01:18:15,000  
um anyway

1860  
01:18:18,649 --> 01:18:17,460  
um so I think that's yeah that's a

1861  
01:18:21,590 --> 01:18:18,659  
possibility

1862  
01:18:24,950 --> 01:18:21,600  
I do think the The Whistleblower that's

1863  
01:18:26,990 --> 01:18:24,960

a tough one boy I mean especially people

1864

01:18:30,229 --> 01:18:27,000

in special projects with top secret

1865

01:18:32,330 --> 01:18:30,239

clearances and you know they're looking

1866

01:18:33,890 --> 01:18:32,340

at a lot of stuff that they don't want

1867

01:18:36,350 --> 01:18:33,900

anybody so now particularly our

1868

01:18:37,130 --> 01:18:36,360

adversaries

1869

01:18:40,850 --> 01:18:37,140

um

1870

01:18:41,830 --> 01:18:40,860

so there's a lot of National Security

1871

01:18:43,910 --> 01:18:41,840

um

1872

01:18:45,770 --> 01:18:43,920

holdbacks there

1873

01:18:49,130 --> 01:18:45,780

I mean I'm sure they can release it to

1874

01:18:51,290 --> 01:18:49,140

The Minority Report or you know the

1875

01:18:54,050 --> 01:18:51,300

and Senate intelligence committee on the

1876

01:18:55,850 --> 01:18:54,060

p on the QT

1877

01:18:57,350 --> 01:18:55,860

um

1878

01:18:59,090 --> 01:18:57,360

I already feel like the Senate

1879

01:19:01,430 --> 01:18:59,100

intelligence committee has a real good

1880

01:19:02,930 --> 01:19:01,440

grasp on what's actually going on

1881

01:19:08,270 --> 01:19:02,940

yeah

1882

01:19:11,270 --> 01:19:08,280

like how do we tell the people

1883

01:19:14,149 --> 01:19:11,280

that's I think that's the game right now

1884

01:19:18,169 --> 01:19:14,159

it's like how do we get this out to uh

1885

01:19:21,470 --> 01:19:18,179

to the world in a gentle way not dumping

1886

01:19:23,390 --> 01:19:21,480

in on them really quickly but um anyway

1887

01:19:25,250 --> 01:19:23,400

that's I'm EX

1888

01:19:27,050 --> 01:19:25,260

if it keeps going the way it's going I

1889

01:19:30,370 --> 01:19:27,060

just don't with all the people involved

1890

01:19:33,770 --> 01:19:30,380

right now I just do not doubt that

1891

01:19:36,290 --> 01:19:33,780

uh in the past I've seen these you

1892

01:19:39,410 --> 01:19:36,300

mentioned it yourself

1893

01:19:41,870 --> 01:19:39,420

um about how you know

1894

01:19:44,990 --> 01:19:41,880

the Press Club or you know these events

1895

01:19:46,310 --> 01:19:45,000

have happened 2013 and all that stuff

1896

01:19:49,490 --> 01:19:46,320

um

1897

01:19:52,010 --> 01:19:49,500

and nothing really comes of it and I for

1898

01:19:53,209 --> 01:19:52,020

the first time ever in 30 something

1899

01:19:55,610 --> 01:19:53,219

years

1900

01:19:57,110 --> 01:19:55,620

I feel like I don't think they're gonna

1901

01:19:59,990 --> 01:19:57,120

stop this one

1902

01:20:03,590 --> 01:20:00,000

and that's a good feeling and I really

1903

01:20:04,910 --> 01:20:03,600

want to do whatever I can to

1904

01:20:06,890 --> 01:20:04,920

um

1905

01:20:10,689 --> 01:20:06,900

you know put my nose to the grindstone

1906

01:20:12,830 --> 01:20:10,699

to add content to that and and help to

1907

01:20:16,330 --> 01:20:12,840

further that because I think it's only

1908

01:20:21,470 --> 01:20:19,430

my biggest question and you know there's

1909

01:20:24,590 --> 01:20:21,480

a perfect question for you is is why is

1910

01:20:30,830 --> 01:20:28,189

you mean us as uh like the human race to

1911

01:20:32,689 --> 01:20:30,840

divulge this information why is it why

1912

01:20:34,910 --> 01:20:32,699

is it up to us

1913

01:20:38,390 --> 01:20:34,920

I mean why they don't they just

1914

01:20:41,270 --> 01:20:38,400

intervene yeah whether it's you know

1915

01:20:43,910 --> 01:20:41,280

like um here we are or maybe it seems

1916

01:20:46,790 --> 01:20:43,920

like to me they may not want to be known

1917

01:20:47,950 --> 01:20:46,800

so what would they do to stop it you

1918

01:20:51,470 --> 01:20:47,960

know

1919

01:20:53,270 --> 01:20:51,480

I'm just speculating obviously but why

1920

01:20:55,130 --> 01:20:53,280

are the it seems like the cut we put the

1921

01:20:56,530 --> 01:20:55,140

cards in our own hands

1922

01:20:59,750 --> 01:20:56,540

Right Now

1923

01:21:00,590 --> 01:20:59,760

cards are really in their hands I really

1924

01:21:05,570 --> 01:21:00,600

do

1925

01:21:07,370 --> 01:21:05,580

unwise

1926

01:21:10,550 --> 01:21:07,380

in the way they've been approaching us

1927

01:21:14,750 --> 01:21:10,560

very slowly you know

1928

01:21:16,850 --> 01:21:14,760

a random scattered events you know they

1929

01:21:18,470 --> 01:21:16,860

know they have to know being an advanced

1930

01:21:20,330 --> 01:21:18,480

species like if they rush in here

1931

01:21:22,970 --> 01:21:20,340

they're gonna freak us all out

1932

01:21:25,610 --> 01:21:22,980

our civilization won't collapse we I

1933

01:21:27,350 --> 01:21:25,620

mean there I kind of look at it as a

1934

01:21:29,510 --> 01:21:27,360

domestication program

1935

01:21:34,070 --> 01:21:29,520

that they're very good at

1936

01:21:36,530 --> 01:21:34,080

uh uh they have picked uh you know maybe

1937

01:21:38,930 --> 01:21:36,540

100 000 people around the globe or maybe

1938

01:21:41,510 --> 01:21:38,940

even more I mean the Roper pole was like

1939

01:21:44,689 --> 01:21:41,520

2 million in this country

1940

01:21:45,830 --> 01:21:44,699

um but you you know the way they're

1941

01:21:49,070 --> 01:21:45,840

giving

1942

01:21:52,070 --> 01:21:49,080

it's just sort of a uh sliding back the

1943

01:21:55,070 --> 01:21:52,080

curtain very slowly

1944

01:21:57,169 --> 01:21:55,080

um because I I think uh encountering

1945

01:21:59,570 --> 01:21:57,179

another species from another world is

1946

01:22:02,330 --> 01:21:59,580

not is a really big deal

1947

01:22:05,689 --> 01:22:02,340

I mean really big deal when when you're

1948

01:22:07,970 --> 01:22:05,699

face to face with it definitely

1949

01:22:09,590 --> 01:22:07,980

um and you don't want to jump in slowly

1950

01:22:11,630 --> 01:22:09,600

so I think they

1951

01:22:14,149 --> 01:22:11,640

this is my personal opinion I don't know

1952

01:22:17,209 --> 01:22:14,159

if it's the facts but I do

1953

01:22:19,729 --> 01:22:17,219

the facts I draw are from interviews

1954

01:22:23,410 --> 01:22:19,739

with people and talking with people for

1955

01:22:26,350 --> 01:22:23,420

a long time and um so I I

1956

01:22:29,290 --> 01:22:26,360

so they're in control of the real

1957

01:22:34,250 --> 01:22:29,300

disclosure yet

1958

01:22:37,189 --> 01:22:34,260

the our our military or whatever you

1959

01:22:39,890 --> 01:22:37,199

want to call it the complex of uh

1960

01:22:43,850 --> 01:22:39,900

many contractors uh

1961

01:22:46,970 --> 01:22:43,860

has also interfered with that disclosure

1962

01:22:52,550 --> 01:22:49,030

um

1963

01:22:55,610 --> 01:22:52,560

understanding why I get it but they

1964

01:22:58,250 --> 01:22:55,620

don't I then it brings up question after

1965

01:23:00,709 --> 01:22:58,260

question after question of well

1966

01:23:03,830 --> 01:23:00,719

how's that working out you know what's

1967

01:23:05,810 --> 01:23:03,840

the relationship between those guys

1968

01:23:07,990 --> 01:23:05,820

that brings up just questions like I

1969

01:23:10,490 --> 01:23:08,000

have no answers about it but

1970

01:23:13,070 --> 01:23:10,500

there's so many questions in this field

1971

01:23:14,390 --> 01:23:13,080

that are not answered

1972

01:23:16,550 --> 01:23:14,400

uh

1973

01:23:18,410 --> 01:23:16,560

I mean that kind of you know if I get

1974

01:23:19,110 --> 01:23:18,420

one question answered oh boy I'm real

1975

01:23:21,669 --> 01:23:19,120

happy

1976

01:23:25,550 --> 01:23:21,679

[Laughter]

1977

01:23:27,169 --> 01:23:25,560

confirmations and drawings of that a

1978

01:23:30,169 --> 01:23:27,179

certain thing it's like yeah that's it

1979

01:23:32,750 --> 01:23:30,179

you know not corroborating you know just

1980

01:23:35,810 --> 01:23:32,760

like somebody I don't even know

1981

01:23:41,149 --> 01:23:35,820

and he draws something on on his you

1982

01:23:46,310 --> 01:23:43,750

yeah that's crazy

1983

01:23:48,410 --> 01:23:46,320

the things that happened and and the

1984

01:23:49,850 --> 01:23:48,420

matching and like oh yeah these are the

1985

01:23:50,990 --> 01:23:49,860

same guys man

1986

01:23:54,229 --> 01:23:51,000

well

1987

01:24:00,169 --> 01:23:57,530

so so I'll call you later you tell me

1988

01:24:02,750 --> 01:24:00,179

everything yeah yeah there we go there

1989

01:24:04,970 --> 01:24:02,760

we go absolutely well I have I have one

1990

01:24:07,430 --> 01:24:04,980

thank you so much guys for for joining

1991

01:24:10,790 --> 01:24:07,440

us for this for this special holiday

1992

01:24:11,709 --> 01:24:10,800

week this is so awesome candles but you

1993

01:24:14,630 --> 01:24:11,719

know

1994

01:24:18,530 --> 01:24:14,640

I've got my one string of lights over

1995

01:24:20,450 --> 01:24:18,540

here oh you got it yeah exactly I was

1996

01:24:25,750 --> 01:24:20,460

trying to find the Hat the Santa hat I

1997

01:24:30,470 --> 01:24:28,310

next year next year we'll do it next

1998

01:24:32,689 --> 01:24:30,480

year all right so I've got one more

1999

01:24:35,090 --> 01:24:32,699

question for the both of you Vinnie

2000

01:24:37,310 --> 01:24:35,100

where can we find phenomenology season

2001

01:24:39,770 --> 01:24:37,320

one and Randall where we can we find

2002

01:24:41,270 --> 01:24:39,780

aerial phenomenon

2003

01:24:44,570 --> 01:24:41,280

um I think the best place to go would be

2004

01:24:46,669 --> 01:24:44,580

to be my all my links link which I think

2005

01:24:47,870 --> 01:24:46,679

Sean has graciously put in the

2006

01:24:49,910 --> 01:24:47,880

description of the video because that

2007

01:24:51,470 --> 01:24:49,920

links to all of my social medias all the

2008

01:24:53,810 --> 01:24:51,480

things that I've been working on and

2009

01:24:55,669 --> 01:24:53,820

yeah I'm happy that that's an

2010

01:24:57,830 --> 01:24:55,679

ever-growing list so I guess that's the

2011

01:24:59,630 --> 01:24:57,840

best place to go and check me out um but

2012

01:25:00,950 --> 01:24:59,640

yeah I just want to say before before we

2013

01:25:03,649 --> 01:25:00,960

finish I just want to say thank you to

2014

01:25:06,350 --> 01:25:03,659

everyone that's been supportive of me

2015

01:25:09,050 --> 01:25:06,360

with disclosure team with UAP media UK

2016

01:25:10,689 --> 01:25:09,060

with phenomenology as well I couldn't do

2017

01:25:13,310 --> 01:25:10,699

it without everybody's support and

2018

01:25:15,350 --> 01:25:13,320

friendships more importantly you guys

2019

01:25:17,149 --> 01:25:15,360

here but a lot of the people even here

2020

01:25:18,830 --> 01:25:17,159

in the chat as well are super good

2021

01:25:21,410 --> 01:25:18,840

friends and colleagues of mine that I

2022

01:25:23,750 --> 01:25:21,420

love the bits and they are hugely hugely

2023

01:25:26,990 --> 01:25:23,760

motivating they raise me up

2024

01:25:28,729 --> 01:25:27,000

day in day out week in week out to keep

2025

01:25:30,410 --> 01:25:28,739

pushing to do what I do and I couldn't

2026

01:25:32,510 --> 01:25:30,420

do it without them so I wanted to give a

2027

01:25:34,910 --> 01:25:32,520

good holiday shout out to those guys as

2028

01:25:34,920 --> 01:25:37,729

nice

2029

01:25:40,850 --> 01:25:39,169

um Ariel

2030

01:25:43,070 --> 01:25:40,860

um

2031

01:25:45,830 --> 01:25:43,080

aerial phenomenon you can we just

2032

01:25:48,169 --> 01:25:45,840

released on Amazon it's available on

2033

01:25:49,570 --> 01:25:48,179

multiple platforms Google

2034

01:25:53,689 --> 01:25:49,580

um

2035

01:25:55,790 --> 01:25:53,699

iTunes Apple TV we we kind of made the

2036

01:25:59,450 --> 01:25:55,800

big launch and the big step of going

2037

01:26:01,970 --> 01:25:59,460

worldwide and have our fingers crossed

2038

01:26:02,590 --> 01:26:01,980

uh

2039

01:26:05,510 --> 01:26:02,600

um

2040

01:26:07,970 --> 01:26:05,520

and you know trying to raise money for

2041

01:26:11,450 --> 01:26:07,980

for these other projects which I cannot

2042

01:26:12,770 --> 01:26:11,460

wait to I just like to do the work I

2043

01:26:13,910 --> 01:26:12,780

really don't like to talk about it too

2044

01:26:16,010 --> 01:26:13,920

much

2045

01:26:17,570 --> 01:26:16,020

even though I am right now but I I

2046

01:26:19,490 --> 01:26:17,580

rather just

2047

01:26:22,250 --> 01:26:19,500

get behind the camera get behind and

2048

01:26:23,689 --> 01:26:22,260

just get it done and and done in in a

2049

01:26:25,970 --> 01:26:23,699

way that can help

2050

01:26:29,209 --> 01:26:25,980

um people mainly people that have

2051

01:26:33,350 --> 01:26:29,219

experienced it but also the larger

2052

01:26:35,990 --> 01:26:33,360

culture to learn you know it's really

2053

01:26:38,810 --> 01:26:36,000

that another you know total copernican

2054

01:26:41,209 --> 01:26:38,820

moment that we're approaching

2055

01:26:44,030 --> 01:26:41,219

where our complete understanding is just

2056

01:26:47,390 --> 01:26:44,040

going to be blown out of the water

2057

01:26:51,110 --> 01:26:47,400

um but I would like to thank um

2058

01:26:54,649 --> 01:26:51,120

thanks for thanking people because uh

2059

01:26:57,110 --> 01:26:54,659

it made me think of my uh I hadn't to

2060

01:26:59,810 --> 01:26:57,120

get an entertainment attorney

2061

01:27:02,330 --> 01:26:59,820

for this film and he did the

2062

01:27:05,270 --> 01:27:02,340

he was the Purdue he was a producer as a

2063

01:27:07,669 --> 01:27:05,280

lawyer for the the uh Teenage Mutant

2064

01:27:12,110 --> 01:27:07,679

Ninja Turtles and uh his name is Fred

2065

01:27:13,189 --> 01:27:12,120

first and you know he let me run up a

2066

01:27:15,470 --> 01:27:13,199

bill

2067

01:27:16,490 --> 01:27:15,480

and I owe him like ninety thousand

2068

01:27:19,310 --> 01:27:16,500

dollars

2069

01:27:21,169 --> 01:27:19,320

and I just want to put out a shout out

2070

01:27:23,930 --> 01:27:21,179

to him

2071

01:27:25,250 --> 01:27:23,940

um he had he had a an accident in the

2072

01:27:27,530 --> 01:27:25,260

last uh

2073

01:27:29,330 --> 01:27:27,540

year and um

2074

01:27:32,750 --> 01:27:29,340

you know he didn't have to do he didn't

2075

01:27:34,850 --> 01:27:32,760

have to help me and he did and uh I

2076

01:27:38,689 --> 01:27:34,860

can't wait to um

2077

01:27:41,149 --> 01:27:38,699

you know pay him the money that he

2078

01:27:43,370 --> 01:27:41,159

graciously you know he believed in me

2079

01:27:44,870 --> 01:27:43,380

and he you know he had no reason to do

2080

01:27:45,530 --> 01:27:44,880

so

2081

01:27:48,890 --> 01:27:45,540

um

2082

01:27:50,290 --> 01:27:48,900

so I try to you know and my crew and all

2083

01:27:54,050 --> 01:27:50,300

the people

2084

01:27:58,729 --> 01:27:54,060

that uh were the witnesses and my edit

2085

01:28:01,510 --> 01:27:58,739

Chris Seward Rick degrees and uh and uh

2086

01:28:05,870 --> 01:28:01,520

yeah and um

2087

01:28:08,290 --> 01:28:05,880

kryznowski and Rebecca right out my God

2088

01:28:13,490 --> 01:28:08,300

um but there's so many people to thank

2089

01:28:15,229 --> 01:28:13,500

uh that uh it's hard to get them all in

2090

01:28:18,890 --> 01:28:15,239

there so every interview I do I'm like

2091

01:28:22,310 --> 01:28:18,900

trying oh wait who do I have to

2092

01:28:26,030 --> 01:28:22,320

neat you know really honestly need to

2093

01:28:28,729 --> 01:28:26,040

because they they really gave time money

2094

01:28:31,129 --> 01:28:28,739

and all that stuff so

2095

01:28:35,510 --> 01:28:31,139

um but yeah I'm really hopeful that

2096

01:28:37,910 --> 01:28:35,520

Ariel will take off so uh I can uh get

2097

01:28:40,430 --> 01:28:37,920

on the next project pay off

2098

01:28:43,070 --> 01:28:40,440

you know pay back all that from aerial

2099

01:28:45,110 --> 01:28:43,080

and get on to the next

2100

01:28:47,570 --> 01:28:45,120

well before we get out of here let me uh

2101  
01:28:49,570 --> 01:28:47,580  
oh and my family I gotta thank my family

2102  
01:28:52,189 --> 01:28:49,580  
yeah it's just family

2103  
01:28:54,410 --> 01:28:52,199  
they they know their thing yeah no

2104  
01:28:56,510 --> 01:28:54,420  
they're great

2105  
01:28:59,030 --> 01:28:56,520  
um I think a part of

2106  
01:29:01,910 --> 01:28:59,040  
a disclosure or at least a part of

2107  
01:29:03,770 --> 01:29:01,920  
reducing the stigma

2108  
01:29:07,129 --> 01:29:03,780  
has allowed me

2109  
01:29:09,610 --> 01:29:07,139  
to meet people like yourself whom each

2110  
01:29:12,410 --> 01:29:09,620  
one of you I respect

2111  
01:29:14,270 --> 01:29:12,420  
immensely and if it wasn't for people

2112  
01:29:18,709 --> 01:29:14,280  
like you I wouldn't feel comfortable

2113  
01:29:21,410 --> 01:29:18,719

being here in my skin you know it takes

2114

01:29:26,209 --> 01:29:21,420

somebody with the humble attitude of

2115

01:29:28,129 --> 01:29:26,219

Vinnie in the generosity of Randall and

2116

01:29:31,189 --> 01:29:28,139

Jay you know and

2117

01:29:34,189 --> 01:29:31,199

the beauty in all three of you gives me

2118

01:29:37,310 --> 01:29:34,199

something to Aspire for it makes me feel

2119

01:29:40,790 --> 01:29:37,320

okay and good about even being here

2120

01:29:43,669 --> 01:29:40,800

you know or or I wouldn't be here so

2121

01:29:45,950 --> 01:29:43,679

like thank you to for you guys for being

2122

01:29:50,450 --> 01:29:45,960

who you are and being such good people

2123

01:29:53,270 --> 01:29:50,460

and um and because of that I feel a good

2124

01:29:55,790 --> 01:29:53,280

and welcome uh here which which isn't

2125

01:29:57,290 --> 01:29:55,800

easy to come by in life so so I'm very

2126

01:30:00,410 --> 01:29:57,300

grateful for that and of course

2127

01:30:02,450 --> 01:30:00,420

everybody in the chat and who's you know

2128

01:30:05,209 --> 01:30:02,460

supported me since my journey after my

2129

01:30:07,250 --> 01:30:05,219

experience one of the first things I did

2130

01:30:08,870 --> 01:30:07,260

was like I have to talk about this I

2131

01:30:12,530 --> 01:30:08,880

don't know how to so I'm just gonna

2132

01:30:14,030 --> 01:30:12,540

start my own uh podcast live stream and

2133

01:30:15,950 --> 01:30:14,040

I'll never forget the first episode

2134

01:30:18,890 --> 01:30:15,960

which I made private because it's kind

2135

01:30:20,990 --> 01:30:18,900

of embarrassing at this point but uh you

2136

01:30:23,689 --> 01:30:21,000

know there's two three people in the

2137

01:30:28,010 --> 01:30:23,699

chat and I'm spilling my guts out about

2138

01:30:30,709 --> 01:30:28,020

my experience you know and good for you

2139

01:30:32,209 --> 01:30:30,719

and it just come here to just come here

2140

01:30:34,910 --> 01:30:32,219

and be talking to you guys and we have

2141

01:30:37,790 --> 01:30:34,920

86 people watching I know it's not you

2142

01:30:39,229 --> 01:30:37,800

know um you know it's not whatever other

2143

01:30:41,030 --> 01:30:39,239

people's channels are but I'm very

2144

01:30:43,669 --> 01:30:41,040

grateful for the people who are here and

2145

01:30:47,090 --> 01:30:43,679

they're all very good people and kind in

2146

01:30:49,430 --> 01:30:47,100

the chat and are very supportive so

2147

01:30:51,410 --> 01:30:49,440

um just uh just a word of gratefulness

2148

01:30:54,229 --> 01:30:51,420

and and

2149

01:30:56,649 --> 01:30:54,239

um thanks for everybody uh helping me do

2150

01:31:00,610 --> 01:30:56,659

this so yeah

2151  
01:31:06,770 --> 01:31:04,030  
yeah I mean it's exciting that you guys

2152  
01:31:09,470 --> 01:31:06,780  
we're all doing our own thing and it's

2153  
01:31:13,310 --> 01:31:10,790  
it's great

2154  
01:31:16,930 --> 01:31:13,320  
it's beautiful yeah that's when you're

2155  
01:31:19,669 --> 01:31:16,940  
doing it alone yeah yeah yeah

2156  
01:31:23,330 --> 01:31:19,679  
good people are doing good things here

2157  
01:31:26,689 --> 01:31:23,340  
thank God yeah I feel like this has been

2158  
01:31:28,310 --> 01:31:26,699  
like my my favorite year yet in a lot of

2159  
01:31:32,030 --> 01:31:28,320  
ways and I've and it has a lot to do

2160  
01:31:35,270 --> 01:31:32,040  
with all of you and you know I like our

2161  
01:31:38,450 --> 01:31:35,280  
wider community and the support that

2162  
01:31:41,149 --> 01:31:38,460  
that we've all given each other and it

2163  
01:31:42,530 --> 01:31:41,159

is it's allowed me I feel like like Sean

2164

01:31:45,830 --> 01:31:42,540

was saying like you all were saying in

2165

01:31:48,530 --> 01:31:45,840

terms of of just living more

2166

01:31:52,189 --> 01:31:48,540

authentically in a lot of ways and kind

2167

01:31:55,370 --> 01:31:52,199

of like moving towards a more

2168

01:32:00,709 --> 01:31:55,380

you know self-realized and authentic

2169

01:32:04,790 --> 01:32:00,719

um and forward-facing uh uh uh work

2170

01:32:06,590 --> 01:32:04,800

career life all of that and and yeah so

2171

01:32:08,510 --> 01:32:06,600

thank all of you thanks thanks everyone

2172

01:32:11,870 --> 01:32:08,520

in the chat

2173

01:32:14,270 --> 01:32:11,880

um thanks to the family as well and uh I

2174

01:32:17,330 --> 01:32:14,280

hope I hope you all have wonderful happy

2175

01:32:20,750 --> 01:32:17,340

holidays uh with your loved ones I hope

2176

01:32:23,330 --> 01:32:20,760

that uh for those of you that are going

2177

01:32:25,790 --> 01:32:23,340

to be uh uh

2178

01:32:28,189 --> 01:32:25,800

uh alone for the holidays because of the

2179

01:32:30,050 --> 01:32:28,199

weather or for whatever reason

2180

01:32:31,550 --> 01:32:30,060

um I I hope that you find wonderful

2181

01:32:34,610 --> 01:32:31,560

things to do over the course of the next

2182

01:32:37,250 --> 01:32:34,620

couple weeks and I hope to see all of

2183

01:32:42,649 --> 01:32:37,260

you uh in the year ahead

2184

01:32:45,169 --> 01:32:42,659

so here next year absolutely 100 years

2185

01:32:47,570 --> 01:32:45,179

to 2023. we'll see you guys next time

2186

01:32:58,790 --> 01:32:47,580

all right absolutely peace have a good

2187

01:33:05,820 --> 01:32:59,810

foreign
