

# 'THIS IS ABOUT THE WAY THEY LOOKED'

1  
00:00:07,730 --> 00:00:04,010  
what's up happy Saturday everybody

2  
00:00:11,209 --> 00:00:07,740  
thanks for joining me I do appreciate it

3  
00:00:14,270 --> 00:00:11,219  
um today we are going to do

4  
00:00:15,950 --> 00:00:14,280  
um a show where we go back in time and

5  
00:00:18,349 --> 00:00:15,960  
look at the different press reports that

6  
00:00:21,470 --> 00:00:18,359  
came out and just kind of see how

7  
00:00:23,990 --> 00:00:21,480  
everything got started how did

8  
00:00:28,429 --> 00:00:24,000  
um you know like aliens come into the

9  
00:00:30,470 --> 00:00:28,439  
news flag saucers uh the confusion uh

10  
00:00:34,970 --> 00:00:30,480  
between what the military was telling

11  
00:00:37,069 --> 00:00:34,980  
people and uh what was being reported

12  
00:00:38,889 --> 00:00:37,079  
um so I have a lot of things lined up

13  
00:00:42,110 --> 00:00:38,899

for you audio clippings news clippings

14

00:00:43,670 --> 00:00:42,120

uh things of that sort so we're gonna

15

00:00:46,910 --> 00:00:43,680

get into it

16

00:00:50,200 --> 00:00:46,920

and I hope you enjoy the ride and here

17

00:00:56,450 --> 00:00:54,889

[Music]

18

00:00:57,650 --> 00:00:56,460

well due respect to their

19

00:01:07,850 --> 00:00:57,660

yeah I believe that some of them will

20

00:01:07,860 --> 00:01:24,440

laughs

21

00:01:24,450 --> 00:01:33,010

[Music]

22

00:01:40,969 --> 00:01:36,170

so you may have heard this before but

23

00:01:43,010 --> 00:01:40,979

flying saucers UFOs UAP phenomenon is

24

00:01:46,270 --> 00:01:43,020

not new it's been around for a very long

25

00:01:49,010 --> 00:01:46,280

time but how did this get into

26  
00:01:51,530 --> 00:01:49,020  
the minds of the of the human population

27  
00:01:55,069 --> 00:01:51,540  
not only here in the U.S but around the

28  
00:01:56,929 --> 00:01:55,079  
country as now we have things like the

29  
00:01:58,130 --> 00:01:56,939  
recent legislation passed in Congress

30  
00:02:01,310 --> 00:01:58,140  
where

31  
00:02:03,170 --> 00:02:01,320  
um it could be one of the more uh

32  
00:02:06,410 --> 00:02:03,180  
well-rounded hola government approaches

33  
00:02:10,490 --> 00:02:06,420  
to the UAP phenomenon and the study of

34  
00:02:13,130 --> 00:02:10,500  
it here we are in 2023 and it's taking

35  
00:02:14,690 --> 00:02:13,140  
place as we speak

36  
00:02:17,390 --> 00:02:14,700  
um but the phenomenon has been around

37  
00:02:19,729 --> 00:02:17,400  
for a long time government Studies have

38  
00:02:20,710 --> 00:02:19,739

been done on the phenomenon for a long

39

00:02:23,930 --> 00:02:20,720

time

40

00:02:26,809 --> 00:02:23,940

but we're going to start

41

00:02:30,470 --> 00:02:26,819

back in the day

42

00:02:34,250 --> 00:02:30,480

we're going to start back in

43

00:02:34,260 --> 00:02:38,330

during the airship

44

00:02:41,750 --> 00:02:39,949

basically

45

00:02:43,910 --> 00:02:41,760

I don't know you could call it a flap I

46

00:02:46,130 --> 00:02:43,920

guess but it started in 1897 with these

47

00:02:47,270 --> 00:02:46,140

airships that people were seeing

48

00:02:49,550 --> 00:02:47,280

um there might have been other episodes

49

00:02:52,430 --> 00:02:49,560

around those years but basically this is

50

00:02:54,530 --> 00:02:52,440

kind of the more famous One

51  
00:02:56,390 --> 00:02:54,540  
um and this actually news clipping shout

52  
00:02:58,790 --> 00:02:56,400  
out to Robert goford in the chat he sent

53  
00:03:02,270 --> 00:02:58,800  
that to me a while ago

54  
00:03:05,150 --> 00:03:02,280  
um but it it pretty much just gets the

55  
00:03:08,449 --> 00:03:05,160  
gist of of what the airships were and

56  
00:03:10,130 --> 00:03:08,459  
words that we still see use to explain

57  
00:03:12,890 --> 00:03:10,140  
UFOs

58  
00:03:16,309 --> 00:03:12,900  
for instance a cigar of gigantic outline

59  
00:03:19,610 --> 00:03:16,319  
appears the Airship the Airship seen by

60  
00:03:22,970 --> 00:03:19,620  
hundreds scores of businessmen are ready

61  
00:03:26,390 --> 00:03:22,980  
to swear to the reality of the Mysteries

62  
00:03:29,030 --> 00:03:26,400  
the mysterious aerial traveler uh farmer

63  
00:03:33,110 --> 00:03:29,040

finds the festival resting in the woods

64

00:03:35,990 --> 00:03:33,120

latest Voyage Through the northwest

65

00:03:39,050 --> 00:03:36,000

so just briefly touching on that this is

66

00:03:40,850 --> 00:03:39,060

a newspaper we have unidentified vehicle

67

00:03:44,390 --> 00:03:40,860

in the air that people are seeing that

68

00:03:47,630 --> 00:03:44,400

they're baffled by it and so they uh you

69

00:03:49,789 --> 00:03:47,640

know report it that makes the news

70

00:03:51,410 --> 00:03:49,799

and maybe after the show I'll make all

71

00:03:53,570 --> 00:03:51,420

these news clippings available to you so

72

00:03:55,550 --> 00:03:53,580

you can go through and read them uh one

73

00:03:57,170 --> 00:03:55,560

by one if you want because that is not

74

00:04:00,589 --> 00:03:57,180

going to be the gist of the show the

75

00:04:02,449 --> 00:04:00,599

gist of the show is to give a brief

76

00:04:04,789 --> 00:04:02,459

overviews of the different things that

77

00:04:08,570 --> 00:04:04,799

popped up in the news over time to get

78

00:04:11,089 --> 00:04:08,580

kind of a better idea of what it looked

79

00:04:13,309 --> 00:04:11,099

like back then so moving on from the

80

00:04:15,890 --> 00:04:13,319

airships airships is a big there's a big

81

00:04:18,409 --> 00:04:15,900

plethora of information on it

82

00:04:20,390 --> 00:04:18,419

so you can go and you know do your own

83

00:04:22,730 --> 00:04:20,400

research and find that this next

84

00:04:24,950 --> 00:04:22,740

clipping I found

85

00:04:27,050 --> 00:04:24,960

um not too long ago and it's really

86

00:04:29,629 --> 00:04:27,060

interesting right

87

00:04:34,310 --> 00:04:29,639

um this clipping I believe I found it in

88

00:04:36,350 --> 00:04:34,320

1940 it was published in 1945 but this

89

00:04:39,770 --> 00:04:36,360

guy talks about seeing something even 50

90

00:04:42,590 --> 00:04:39,780

years before that so late 1800s weird

91

00:04:44,510 --> 00:04:42,600

Eerie balls of light float over dab

92

00:04:47,870 --> 00:04:44,520

Ozark swamps now this is really

93

00:04:52,550 --> 00:04:50,330

uh this guy talks about

94

00:04:54,350 --> 00:04:52,560

seeing these balls of Light by the swamp

95

00:04:56,570 --> 00:04:54,360

and they actually follow him while he's

96

00:04:59,330 --> 00:04:56,580

on his course and actually go underneath

97

00:05:02,150 --> 00:04:59,340

this horse and follow him and he was

98

00:05:04,310 --> 00:05:02,160

really freaked out about it

99

00:05:07,670 --> 00:05:04,320

of course he was pretty scary thing

100

00:05:12,290 --> 00:05:10,370

so very interesting report

101

00:05:13,730 --> 00:05:12,300

um this is a I guess the timeline's a

102

00:05:16,090 --> 00:05:13,740

little out of order here but we also

103

00:05:19,490 --> 00:05:16,100

can't forget

104

00:05:21,469 --> 00:05:19,500

1942 at the Battle of La this was a

105

00:05:23,810 --> 00:05:21,479

pretty big deal

106

00:05:26,090 --> 00:05:23,820

this is kind of like a you know I just

107

00:05:28,189 --> 00:05:26,100

saved this picture from online but more

108

00:05:30,710 --> 00:05:28,199

or less this is what it looked like they

109

00:05:34,010 --> 00:05:30,720

shot thousands of rounds the Army shot

110

00:05:36,770 --> 00:05:34,020

thousands of rounds at this UFO Optical

111

00:05:38,870 --> 00:05:36,780

I think it was California

112

00:05:42,110 --> 00:05:40,670

it was pretty crazy World War II was

113

00:05:45,350 --> 00:05:42,120

going on people were freaking out about

114

00:05:47,150 --> 00:05:45,360

that so

115

00:05:49,790 --> 00:05:47,160

these are a bunch of searchlights

116

00:05:51,890 --> 00:05:49,800

apparently on the UFO uh but they shot

117

00:05:54,230 --> 00:05:51,900

at it there were news reports on the

118

00:05:58,790 --> 00:05:54,240

radio and as you can see in the

119

00:06:04,310 --> 00:06:02,090

now we have the Foo Fighters Foo

120

00:06:06,409 --> 00:06:04,320

Fighters if you want to learn more about

121

00:06:10,129 --> 00:06:06,419

the Foo Fighters I would recommend that

122

00:06:12,529 --> 00:06:10,139

you read Graham randell's book

123

00:06:16,129 --> 00:06:12,539

um UFOs before Roswell because he gets

124

00:06:18,170 --> 00:06:16,139

into very intricate detailed uh

125

00:06:20,029 --> 00:06:18,180

information on the Foo Fighters he

126  
00:06:21,770 --> 00:06:20,039  
actually got a lot of reports that

127  
00:06:23,870 --> 00:06:21,780  
people haven't seen before

128  
00:06:26,570 --> 00:06:23,880  
about the Foo Fighters as far as like

129  
00:06:30,290 --> 00:06:26,580  
actual military reports so it's pretty

130  
00:06:34,610 --> 00:06:33,170  
as you can see here they thought they

131  
00:06:38,450 --> 00:06:34,620  
were a German

132  
00:06:40,129 --> 00:06:38,460  
right and it reminds me of now where

133  
00:06:42,529 --> 00:06:40,139  
we're looking for excuses for what the

134  
00:06:45,650 --> 00:06:42,539  
different phenomenons are phenomenon is

135  
00:06:48,590 --> 00:06:45,660  
whether it's Chinese Russian balloons

136  
00:06:51,830 --> 00:06:48,600  
whatever they always blame it on

137  
00:06:53,749 --> 00:06:51,840  
something prosaic

138  
00:06:56,090 --> 00:06:53,759

and yet

139

00:06:58,010 --> 00:06:56,100

keep in mind because this is important I

140

00:06:59,689 --> 00:06:58,020

think

141

00:07:02,029 --> 00:06:59,699

that

142

00:07:05,270 --> 00:07:02,039

UFOs flag saucers

143

00:07:07,129 --> 00:07:05,280

that terminology has isn't used yet

144

00:07:11,029 --> 00:07:07,139

aliens these things being

145

00:07:15,110 --> 00:07:11,039

extraterrestrial not used yet

146

00:07:17,749 --> 00:07:15,120

so what I'd like to do now is

147

00:07:19,550 --> 00:07:17,759

uh we actually have some testimony from

148

00:07:21,230 --> 00:07:19,560

a pilot who encountered a foo fighter

149

00:07:31,270 --> 00:07:21,240

and that's what we're going to listen to

150

00:07:35,950 --> 00:07:33,610

in

151  
00:07:38,170 --> 00:07:35,960  
1942 and

152  
00:07:41,330 --> 00:07:38,180  
June

153  
00:07:44,749 --> 00:07:41,340  
we went on the bombing Mission I was

154  
00:07:46,490 --> 00:07:44,759  
flying bombers wellingtons over

155  
00:07:49,610 --> 00:07:46,500  
a roar

156  
00:07:53,629 --> 00:07:49,620  
or otherwise they're called Happy Valley

157  
00:07:55,210 --> 00:07:53,639  
and the trip was we perform everything

158  
00:07:58,010 --> 00:07:55,220  
what was necessary

159  
00:08:00,409 --> 00:07:58,020  
dropped the bombs on the Target and on

160  
00:08:02,290 --> 00:08:00,419  
the way back while we were flying over

161  
00:08:10,610 --> 00:08:02,300  
the

162  
00:08:14,629 --> 00:08:10,620  
my rear Gunner

163  
00:08:18,790 --> 00:08:14,639

uh reported an aircraft approaching from

164

00:08:21,350 --> 00:08:18,800

the rear I told him that if this

165

00:08:26,330 --> 00:08:21,360

object come too close then we will have

166

00:08:29,749 --> 00:08:26,340

to open the fire on him and my

167

00:08:31,309 --> 00:08:29,759

idea was that perhaps it was a

168

00:08:34,730 --> 00:08:31,319

a German

169

00:08:36,409 --> 00:08:34,740

fighter aircraft equipped with the such

170

00:08:39,469 --> 00:08:36,419

light in the nose

171

00:08:41,690 --> 00:08:39,479

so when this thing came close I wouldn't

172

00:08:44,389 --> 00:08:41,700

take any chance on it and

173

00:08:46,370 --> 00:08:44,399

with all my rear Gunner to

174

00:08:50,410 --> 00:08:46,380

give him a blast

175

00:08:52,670 --> 00:08:50,420

so then he opened the fire on him maybe

176  
00:08:55,490 --> 00:08:52,680  
200 yards

177  
00:09:00,710 --> 00:08:55,500  
and at that distance

178  
00:09:03,170 --> 00:09:00,720  
this object was almost the size of the

179  
00:09:07,550 --> 00:09:03,180  
Moon which was also visible at the same

180  
00:09:10,370 --> 00:09:07,560  
time maybe possibly a bit bigger we used

181  
00:09:12,230 --> 00:09:10,380  
a tracers in the machine guns the four

182  
00:09:15,170 --> 00:09:12,240  
machine guns in the rear turret

183  
00:09:17,810 --> 00:09:15,180  
and while this rear Gunner was shooting

184  
00:09:21,230 --> 00:09:17,820  
we could follow exactly the trajectory

185  
00:09:24,769 --> 00:09:21,240  
of the shells which were entering the

186  
00:09:27,230 --> 00:09:24,779  
that particular Target now the peculiar

187  
00:09:29,269 --> 00:09:27,240  
thing about it was that um those were

188  
00:09:31,750 --> 00:09:29,279

just going in and that was the end of

189

00:09:35,810 --> 00:09:31,760

they wouldn't fall down

190

00:09:39,230 --> 00:09:35,820

and the so-called tracers those tracers

191

00:09:43,550 --> 00:09:39,240

would just enter and that was it

192

00:09:46,250 --> 00:09:43,560

now for that lasted for possibly I don't

193

00:09:49,070 --> 00:09:46,260

know maybe two minutes and after that

194

00:09:53,090 --> 00:09:49,080

time the

195

00:09:54,050 --> 00:09:53,100

but this shining object suddenly changed

196

00:10:01,930 --> 00:09:54,060

the

197

00:10:04,790 --> 00:10:01,940

over to our port side

198

00:10:08,090 --> 00:10:04,800

almost at the same distance

199

00:10:11,990 --> 00:10:08,100

about 200 yards from the wing and then

200

00:10:14,210 --> 00:10:12,000

it stayed there of course then both rear

201  
00:10:17,650 --> 00:10:14,220  
Gunner and the front Gunner opened the

202  
00:10:21,170 --> 00:10:17,660  
fire on my order and I could see the

203  
00:10:23,990 --> 00:10:21,180  
tracers entering the target again from

204  
00:10:26,090 --> 00:10:24,000  
under two angles to which I was sure

205  
00:10:29,470 --> 00:10:26,100  
that this was pretty close to 200 yards

206  
00:10:33,710 --> 00:10:29,480  
then because you could see the angle of

207  
00:10:38,030 --> 00:10:33,720  
crossing the Tracer after a while it

208  
00:10:40,009 --> 00:10:38,040  
moved up it took off at a fantastic

209  
00:10:43,009 --> 00:10:40,019  
speed at the

210  
00:10:52,850 --> 00:10:43,019  
at least 45 degrees angle and they just

211  
00:10:58,009 --> 00:10:55,910  
that is a pretty good account can you

212  
00:11:00,110 --> 00:10:58,019  
imagine World War II

213  
00:11:04,310 --> 00:11:00,120

you see this crazy UFO you start

214

00:11:05,350 --> 00:11:04,320  
shooting at it and it doesn't work

215

00:11:08,569 --> 00:11:05,360  
right

216

00:11:10,490 --> 00:11:08,579  
and we hear about crazy turns fantastic

217

00:11:14,449 --> 00:11:10,500  
speed

218

00:11:17,030 --> 00:11:14,459  
um and it just disappeared pretty

219

00:11:18,530 --> 00:11:17,040  
pretty crazy so we get to the Foo

220

00:11:20,449 --> 00:11:18,540  
Fighters and when the Foo Fighters

221

00:11:22,550 --> 00:11:20,459  
popped up you know as far as I can tell

222

00:11:24,470 --> 00:11:22,560  
as far as the media

223

00:11:26,470 --> 00:11:24,480  
um there were you know a couple articles

224

00:11:29,150 --> 00:11:26,480  
that I could find but it wasn't

225

00:11:32,509 --> 00:11:29,160  
completely ramped up to you know

226

00:11:36,290 --> 00:11:32,519

different time periods that we know of

227

00:11:39,490 --> 00:11:36,300

so after 1945

228

00:11:41,290 --> 00:11:39,500

then comes the year

229

00:11:44,350 --> 00:11:41,300

1947.

230

00:11:47,150 --> 00:11:44,360

1947 was

231

00:11:51,350 --> 00:11:47,160

easily one of the most

232

00:11:53,150 --> 00:11:51,360

complicated and busy years for the UFO

233

00:11:55,370 --> 00:11:53,160

subject

234

00:11:58,310 --> 00:11:55,380

of course everybody knows

235

00:11:59,870 --> 00:11:58,320

who pays attention to this subject uh

236

00:12:02,930 --> 00:11:59,880

the Kenneth Arnold story that's where

237

00:12:04,550 --> 00:12:02,940

the term flag saucers came about he

238

00:12:07,310 --> 00:12:04,560

uh

239

00:12:08,870 --> 00:12:07,320

use businessman flyer who first cited

240

00:12:10,490 --> 00:12:08,880

the mysterious flank disc while flying

241

00:12:13,370 --> 00:12:10,500

over the Cascade Mountains in Central

242

00:12:15,769 --> 00:12:13,380

Washington on June 26th

243

00:12:18,350 --> 00:12:15,779

in the photo he's watching for further

244

00:12:20,090 --> 00:12:18,360

displays Arnold said the flag discs were

245

00:12:23,690 --> 00:12:20,100

in a group headed in a Northern

246

00:12:26,210 --> 00:12:23,700

direction from the Mount Adams area so

247

00:12:29,090 --> 00:12:26,220

and this is where flag saucers the term

248

00:12:30,949 --> 00:12:29,100

blank saucers came up uh he said they

249

00:12:33,889 --> 00:12:30,959

looked like saucers skipping across the

250

00:12:35,630 --> 00:12:33,899

water and that took off

251  
00:12:38,990 --> 00:12:35,640  
in the newspapers all of a sudden

252  
00:12:40,910 --> 00:12:39,000  
everyone started calling UFOs flying

253  
00:12:42,889 --> 00:12:40,920  
saucers so if they didn't

254  
00:12:44,449 --> 00:12:42,899  
you know if you saw something and you

255  
00:12:47,690 --> 00:12:44,459  
didn't know what it was that was the

256  
00:12:50,150 --> 00:12:47,700  
term Flying Saucer and it kind of stinks

257  
00:12:52,730 --> 00:12:50,160  
because a lot of the times it didn't

258  
00:12:53,569 --> 00:12:52,740  
even resemble what people were seeing it

259  
00:12:57,430 --> 00:12:53,579  
just

260  
00:13:02,389 --> 00:12:57,440  
was what people started to

261  
00:13:03,949 --> 00:13:02,399  
what people started to call the UFOs

262  
00:13:05,750 --> 00:13:03,959  
so

263  
00:13:08,030 --> 00:13:05,760

this story has kind of played out to me

264

00:13:10,970 --> 00:13:08,040

every UFO book that you'll ever read

265

00:13:15,050 --> 00:13:10,980

pretty much starts with this story it

266

00:13:17,690 --> 00:13:15,060

was June 26 1947 Kenneth Arnold

267

00:13:19,250 --> 00:13:17,700

um the air force wind up wound up

268

00:13:22,009 --> 00:13:19,260

calling it a mirage

269

00:13:25,670 --> 00:13:22,019

Atlanta but Kenneth Arnold is not done

270

00:13:29,569 --> 00:13:25,680

in 1947 he comes up again later so we'll

271

00:13:32,569 --> 00:13:29,579

see that this next story is what I'm

272

00:13:36,710 --> 00:13:32,579

using is really just to

273

00:13:39,590 --> 00:13:36,720

I show you how the reports were all of a

274

00:13:42,949 --> 00:13:39,600

sudden really ramping up all across the

275

00:13:48,170 --> 00:13:42,959

country in 1947 after Kenneth Arnold see

276  
00:13:55,910 --> 00:13:50,930  
five room house let me make this bigger

277  
00:14:01,190 --> 00:13:58,490  
eight disk like objects sink to land

278  
00:14:03,790 --> 00:14:01,200  
near town in Idaho Oregon Coast Guard

279  
00:14:07,250 --> 00:14:03,800  
P-51 plane search skies for saucers

280  
00:14:10,329 --> 00:14:07,260  
hundreds of persons in at least 33

281  
00:14:13,610 --> 00:14:10,339  
states have seen them

282  
00:14:16,730 --> 00:14:13,620  
so the flag saucer phenomenon the UFO

283  
00:14:20,030 --> 00:14:16,740  
phenomenon and this we can see is July

284  
00:14:23,090 --> 00:14:20,040  
6th that's important so we have that

285  
00:14:25,430 --> 00:14:23,100  
jump from Kenneth Arnold from the 26th

286  
00:14:27,590 --> 00:14:25,440  
of June now we have July 6 and we have a

287  
00:14:29,329 --> 00:14:27,600  
lot of flag sauce reports coming in from

288  
00:14:34,730 --> 00:14:29,339

all over the country all over the

289

00:14:39,889 --> 00:14:37,190

it's pretty crazy and you can see this

290

00:14:46,250 --> 00:14:39,899

term saucers being used and that's all

291

00:14:51,230 --> 00:14:49,610

other things happened also I'm just

292

00:14:53,210 --> 00:14:51,240

touching on like kind of the main things

293

00:14:55,389 --> 00:14:53,220

in the Press other things that happened

294

00:14:59,329 --> 00:14:55,399

where there was this guy William Rhodes

295

00:15:03,710 --> 00:14:59,339

uh I think it was July 7th 1947 who took

296

00:15:05,870 --> 00:15:03,720

a photo of a flag saucer

297

00:15:07,910 --> 00:15:05,880

uh and there was a huge investigation

298

00:15:10,250 --> 00:15:07,920

the Air Force put into that

299

00:15:11,750 --> 00:15:10,260

to find out about the photos they took

300

00:15:13,850 --> 00:15:11,760

the photos they actually didn't return

301  
00:15:16,550 --> 00:15:13,860  
the photos for like five years kind of a

302  
00:15:19,370 --> 00:15:16,560  
crazy story uh there was another like

303  
00:15:22,490 --> 00:15:19,380  
Idaho sighting I believe around this

304  
00:15:25,310 --> 00:15:22,500  
time that uh made some headlines

305  
00:15:26,389 --> 00:15:25,320  
as well so there's a lot of ramping up

306  
00:15:29,990 --> 00:15:26,399  
here

307  
00:15:31,850 --> 00:15:30,000  
a lot of ramping up you could even say I

308  
00:15:33,769 --> 00:15:31,860  
wasn't there so I don't know but it

309  
00:15:37,790 --> 00:15:33,779  
seems like a bit of

310  
00:15:37,800 --> 00:15:40,910  
we have this

311  
00:15:44,389 --> 00:15:43,129  
is a little out of order here but it's

312  
00:15:46,910 --> 00:15:44,399  
okay

313  
00:15:49,910 --> 00:15:46,920

um it says August 8th here San Rafael

314

00:15:52,610 --> 00:15:49,920

California flag saucer secret is out Air

315

00:15:54,530 --> 00:15:52,620

Force learns the fourth Air Forces long

316

00:15:55,430 --> 00:15:54,540

heralded report on flank saucers came

317

00:15:58,610 --> 00:15:55,440

out today

318

00:16:01,250 --> 00:15:58,620

it decided that there were no such

319

00:16:03,170 --> 00:16:01,260

things set a report from Donald Springer

320

00:16:05,269 --> 00:16:03,180

intelligence officer and assistant chief

321

00:16:07,550 --> 00:16:05,279

of staff command there's not sufficient

322

00:16:08,810 --> 00:16:07,560

evidence nor testimony available to

323

00:16:10,850 --> 00:16:08,820

conclude whether the reports of

324

00:16:14,210 --> 00:16:10,860

so-called plank discs and that Tacoma

325

00:16:16,550 --> 00:16:14,220

Washington area or any other area have

326

00:16:18,410 --> 00:16:16,560

any basis of fact in view of this fourth

327

00:16:21,290 --> 00:16:18,420

Air Force will pursue this particular

328

00:16:22,750 --> 00:16:21,300

investigation no further now this is

329

00:16:26,509 --> 00:16:22,760

really interesting

330

00:16:28,670 --> 00:16:26,519

and sorry about that Springer brought

331

00:16:31,129 --> 00:16:28,680

back from his investigation of the

332

00:16:35,389 --> 00:16:31,139

Tacoma area some fragments resembling

333

00:16:37,910 --> 00:16:35,399

metal found on Mori Island Beach

334

00:16:40,610 --> 00:16:37,920

why is this interesting this is

335

00:16:43,370 --> 00:16:40,620

interesting because another kind of

336

00:16:46,069 --> 00:16:43,380

famous case thing that happened

337

00:16:49,490 --> 00:16:46,079

um before Roswell

338

00:16:53,210 --> 00:16:49,500

pre- July 47 was this Murray island

339

00:16:55,249 --> 00:16:53,220

incident where a fisherman says that

340

00:16:58,069 --> 00:16:55,259

um this these UFOs were around they

341

00:17:01,490 --> 00:16:58,079

started spraying down like these molten

342

00:17:04,010 --> 00:17:01,500

objects killed his dog apparently

343

00:17:08,030 --> 00:17:04,020

um and Kenneth Arnold who we just talked

344

00:17:10,610 --> 00:17:08,040

about actually it went out there

345

00:17:11,990 --> 00:17:10,620

to you know get testimony and all this

346

00:17:14,929 --> 00:17:12,000

kind of stuff and there's this huge

347

00:17:16,610 --> 00:17:14,939

story in the news in these newspapers

348

00:17:19,189 --> 00:17:16,620

that

349

00:17:22,549 --> 00:17:19,199

these Air Force guys were given some of

350

00:17:24,590 --> 00:17:22,559

these UFO fragments by these Witnesses

351

00:17:27,409 --> 00:17:24,600

they took it on a plane to fly it

352

00:17:30,650 --> 00:17:27,419

somewhere else and that plane

353

00:17:32,390 --> 00:17:30,660

crashed and people in the plane died

354

00:17:34,250 --> 00:17:32,400

and that's a true story the plane

355

00:17:36,350 --> 00:17:34,260

crashed and people died

356

00:17:38,810 --> 00:17:36,360

but the Air Force actually said that

357

00:17:42,350 --> 00:17:38,820

there were no fragments given to these

358

00:17:44,990 --> 00:17:42,360

people that were actually on that plane

359

00:17:47,390 --> 00:17:45,000

and so this story is important and

360

00:17:49,250 --> 00:17:47,400

interesting because this Springer guy

361

00:17:52,130 --> 00:17:49,260

it's reported here in this newspaper

362

00:17:54,590 --> 00:17:52,140

that he actually brought back some of

363

00:17:57,950 --> 00:17:54,600

these pieces that he found in Maury

364

00:17:59,570 --> 00:17:57,960

Island they just weren't on the plane

365

00:18:02,330 --> 00:17:59,580

so that's pretty interesting because in

366

00:18:04,850 --> 00:18:02,340

the Air Force files you don't hear you

367

00:18:08,390 --> 00:18:04,860

don't see or read anything about them

368

00:18:10,610 --> 00:18:08,400

having any of these fragments

369

00:18:14,390 --> 00:18:10,620

so

370

00:18:17,810 --> 00:18:14,400

there's definite confusion and mixing of

371

00:18:21,110 --> 00:18:17,820

the facts going on for sure so skipping

372

00:18:28,850 --> 00:18:24,549

this report July 7

373

00:18:30,650 --> 00:18:28,860

1947. this is an amazing report Robert

374

00:18:33,350 --> 00:18:30,660

colford and the Jet actually asked if we

375

00:18:37,730 --> 00:18:33,360

were going to talk about this uh July 7

376

00:18:40,610 --> 00:18:37,740

1947 saucer seen by rocket rocket expert

377

00:18:42,830 --> 00:18:40,620

flight over desert described DC Navy

378

00:18:46,250 --> 00:18:42,840

research worker says flag disc was

379

00:18:49,789 --> 00:18:46,260

unlike any guided missile he has seen

380

00:18:51,830 --> 00:18:49,799

so we have a naval research lab rocket

381

00:18:53,990 --> 00:18:51,840

expert

382

00:18:54,770 --> 00:18:54,000

traveling for a Navy Mission to New

383

00:18:57,650 --> 00:18:54,780

Mexico

384

00:19:00,350 --> 00:18:57,660

and he sees

385

00:19:02,870 --> 00:19:00,360

this flat flag saucer

386

00:19:04,789 --> 00:19:02,880

he was traveling away at uniform rate of

387

00:19:06,770 --> 00:19:04,799

speed he reported it was clearly visible

388

00:19:08,090 --> 00:19:06,780

and then suddenly it wasn't there it

389

00:19:12,470 --> 00:19:08,100

didn't go behind a mountain range it

390

00:19:16,970 --> 00:19:14,690

so you can imagine like

391

00:19:20,630 --> 00:19:16,980

there's all this ramping up of flag

392

00:19:22,549 --> 00:19:20,640

saucers of UFOs

393

00:19:24,650 --> 00:19:22,559

and then you have credible people coming

394

00:19:27,049 --> 00:19:24,660

forward

395

00:19:30,289 --> 00:19:27,059

in the paper

396

00:19:32,270 --> 00:19:30,299

like this Navy research worker

397

00:19:34,250 --> 00:19:32,280

rocket expert

398

00:19:35,570 --> 00:19:34,260

vouching for it and saying yeah I've

399

00:19:37,789 --> 00:19:35,580

seen it

400

00:19:40,669 --> 00:19:37,799

I was in the air flying in New Mexico

401  
00:19:43,669 --> 00:19:40,679  
and I saw it it's real it's it's it's

402  
00:19:45,950 --> 00:19:43,679  
true and what that's we have the same

403  
00:19:47,630 --> 00:19:45,960  
stuff happen now right like

404  
00:19:49,549 --> 00:19:47,640  
right beautiful people coming forward

405  
00:19:52,190 --> 00:19:49,559  
saying they've had sightings whether it

406  
00:19:54,350 --> 00:19:52,200  
be Ryan Graves or even Dr Gary Nolan I

407  
00:19:56,029 --> 00:19:54,360  
saw him mention in the chat and other

408  
00:20:01,490 --> 00:19:56,039  
people

409  
00:20:02,630 --> 00:20:01,500  
that come forward and say no you're not

410  
00:20:05,930 --> 00:20:02,640  
crazy

411  
00:20:14,870 --> 00:20:12,350  
so that is July 7th 1947. and there's

412  
00:20:17,570 --> 00:20:14,880  
a couple articles

413  
00:20:20,570 --> 00:20:17,580

on that this is pretty much talking

414

00:20:24,650 --> 00:20:22,909

it's interesting here because on the

415

00:20:27,669 --> 00:20:24,660

right hand side it says doubt alien

416

00:20:30,169 --> 00:20:27,679

missile but it's not talking about

417

00:20:32,150 --> 00:20:30,179

extraterrestrials interestingly enough

418

00:20:34,610 --> 00:20:32,160

it's talking about foreign government

419

00:20:36,950 --> 00:20:34,620

like a Russian missile or anything like

420

00:20:41,930 --> 00:20:38,750

very interesting

421

00:20:43,010 --> 00:20:41,940

indeed this was actually reported the

422

00:20:46,789 --> 00:20:43,020

next day

423

00:20:48,110 --> 00:20:46,799

July 8th what's interesting is what was

424

00:20:50,210 --> 00:20:48,120

also

425

00:20:56,990 --> 00:20:50,220

posted

426  
00:21:00,529 --> 00:20:58,250  
but

427  
00:21:03,230 --> 00:21:00,539  
we're not there yet so

428  
00:21:05,570 --> 00:21:03,240  
also this is July 7th so kind of moving

429  
00:21:08,390 --> 00:21:05,580  
on planes to chase flying saucers

430  
00:21:10,490 --> 00:21:08,400  
something to this Army Air Force feels

431  
00:21:11,990 --> 00:21:10,500  
so at this point it seems like the Army

432  
00:21:13,909 --> 00:21:12,000  
and the Air Force were still one thing

433  
00:21:16,010 --> 00:21:13,919  
it was before they separated

434  
00:21:17,870 --> 00:21:16,020  
for we have Captain Tom Brown of the

435  
00:21:19,610 --> 00:21:17,880  
Army Air Force public relations said the

436  
00:21:21,770 --> 00:21:19,620  
tales of flat round objects sipping

437  
00:21:24,169 --> 00:21:21,780  
through the sky are too widespread to be

438  
00:21:26,270 --> 00:21:24,179

groundless he pointed out that a number

439

00:21:28,310 --> 00:21:26,280

of competent airmen have reported seeing

440

00:21:31,490 --> 00:21:28,320

the phenomenon that have been the Talk

441

00:21:33,049 --> 00:21:31,500

of the Nation since June 25th Kenneth

442

00:21:35,750 --> 00:21:33,059

Arnold

443

00:21:38,750 --> 00:21:35,760

so the Air Force is now coming out and

444

00:21:42,350 --> 00:21:38,760

saying there's something to this

445

00:21:43,970 --> 00:21:42,360

completely mystified as to just what it

446

00:21:47,630 --> 00:21:43,980

is

447

00:21:49,549 --> 00:21:47,640

a Navy official comes out rocket expert

448

00:21:52,250 --> 00:21:49,559

so these aren't just civilians or

449

00:21:54,649 --> 00:21:52,260

whatever these are legitimate

450

00:21:56,930 --> 00:21:54,659

reputable people all coming out and

451  
00:22:01,789 --> 00:21:56,940  
saying it's real there's something to

452  
00:22:07,430 --> 00:22:04,850  
these were reputable Pilots of the time

453  
00:22:09,110 --> 00:22:07,440  
that had their own sightings

454  
00:22:10,789 --> 00:22:09,120  
three of the many persons in the United

455  
00:22:12,950 --> 00:22:10,799  
States who claim to have seen mysterious

456  
00:22:15,470 --> 00:22:12,960  
flank discs whisking about the skies at

457  
00:22:18,830 --> 00:22:15,480  
various speeds and localities compare

458  
00:22:21,649 --> 00:22:18,840  
notes on their findings Kenneth Arnold

459  
00:22:24,169 --> 00:22:21,659  
Captain EJ Smith first officer Ralph

460  
00:22:25,970 --> 00:22:24,179  
Stevens United Airlines who reported

461  
00:22:31,130 --> 00:22:25,980  
seeing the strange objects while on a

462  
00:22:34,730 --> 00:22:32,630  
even more

463  
00:22:37,010 --> 00:22:34,740

credible people they just keep coming

464

00:22:39,529 --> 00:22:37,020

forward

465

00:22:41,450 --> 00:22:39,539

here's another picture of him I like

466

00:22:42,649 --> 00:22:41,460

this picture actually seems like pretty

467

00:22:44,270 --> 00:22:42,659

good quality

468

00:22:46,370 --> 00:22:44,280

and look he's pointing to a flag disc

469

00:22:48,590 --> 00:22:46,380

flag saucer

470

00:22:53,029 --> 00:22:48,600

it's real

471

00:22:55,250 --> 00:22:53,039

this is July 7th 1947.

472

00:23:00,890 --> 00:22:55,260

and this is important because

473

00:23:05,570 --> 00:23:03,890

here could you imagine

474

00:23:08,029 --> 00:23:05,580

like being hit with all this kind of

475

00:23:09,770 --> 00:23:08,039

stuff now like we have Pilots coming out

476

00:23:12,350 --> 00:23:09,780

and all that kind of stuff

477

00:23:13,610 --> 00:23:12,360

but also the Army Air Force and people

478

00:23:16,070 --> 00:23:13,620

coming out and saying there's something

479

00:23:19,070 --> 00:23:16,080

to this could you imagine that

480

00:23:20,690 --> 00:23:19,080

more or less that's kind of what's

481

00:23:22,310 --> 00:23:20,700

Happening a little bit like they're

482

00:23:26,230 --> 00:23:22,320

doing a study with arrow and everything

483

00:23:30,710 --> 00:23:28,430

but they're pretty much saying still

484

00:23:32,330 --> 00:23:30,720

like in the report like you know they're

485

00:23:33,649 --> 00:23:32,340

given the idea that there's nothing to

486

00:23:35,029 --> 00:23:33,659

this basically and they're going to

487

00:23:37,010 --> 00:23:35,039

figure it out as long as they get more

488

00:23:39,770 --> 00:23:37,020

information they'll be able to prove

489

00:23:42,890 --> 00:23:39,780

it's something silly

490

00:23:42,900 --> 00:23:48,529

but yeah so this is intense and then

491

00:23:55,669 --> 00:23:51,830

we have so we got all this build up July

492

00:23:55,679 --> 00:23:59,590

July 8th

493

00:24:06,289 --> 00:24:04,130

Headline Edition July 8 1947 the Army

494

00:24:07,669 --> 00:24:06,299

Air Forces has announced that a flag and

495

00:24:10,250 --> 00:24:07,679

just real quick this is the original

496

00:24:11,870 --> 00:24:10,260

Roswell radio report

497

00:24:13,789 --> 00:24:11,880

of

498

00:24:17,810 --> 00:24:13,799

when they found the object in Roswell

499

00:24:19,789 --> 00:24:17,820

yes July 8th has been found and is now

500

00:24:21,649 --> 00:24:19,799

in the possession of the army army

501  
00:24:24,049 --> 00:24:21,659  
officers say the missile found sometime

502  
00:24:26,450 --> 00:24:24,059  
last week has been infected at Roswell

503  
00:24:28,789 --> 00:24:26,460  
New Mexico and sent to right field Ohio

504  
00:24:30,409 --> 00:24:28,799  
for further inspection late this

505  
00:24:32,330 --> 00:24:30,419  
afternoon a bulletin from New Mexico

506  
00:24:34,370 --> 00:24:32,340  
suggested that the widely publicized

507  
00:24:36,470 --> 00:24:34,380  
mystery of the flying saucers May soon

508  
00:24:38,210 --> 00:24:36,480  
be solved Army Air Force officers

509  
00:24:40,070 --> 00:24:38,220  
reported that one of the strange discs

510  
00:24:42,169 --> 00:24:40,080  
had been found and inspected sometime

511  
00:24:44,270 --> 00:24:42,179  
last week our correspondence in Los

512  
00:24:45,890 --> 00:24:44,280  
Angeles and Chicago have been in contact

513  
00:24:47,990 --> 00:24:45,900

with army officials and everything to

514

00:24:51,470 --> 00:24:48,000

obtain all possible late information Joe

515

00:24:53,870 --> 00:24:51,480

Wilson reports to us now from Chicago

516

00:24:55,970 --> 00:24:53,880

the Army may be getting to the bottom of

517

00:24:58,789 --> 00:24:55,980

all this talk about the so-called Flying

518

00:25:00,470 --> 00:24:58,799

Saucer as a matter of fact the 509th

519

00:25:02,990 --> 00:25:00,480

atomic bomb group headquarters at

520

00:25:05,090 --> 00:25:03,000

Roswell New Mexico reports that it has

521

00:25:08,029 --> 00:25:05,100

received one of the discs which landed

522

00:25:10,730 --> 00:25:08,039

on a ranch outside Rothwell this landed

523

00:25:12,770 --> 00:25:10,740

at a ranch at Corona New Mexico and the

524

00:25:15,409 --> 00:25:12,780

Rancher turned it over to the airport

525

00:25:17,270 --> 00:25:15,419

Lantern W.W Brazil was the man who

526

00:25:18,950 --> 00:25:17,280

discovered this offer Colonel William

527

00:25:21,169 --> 00:25:18,960

Blanchard of the Roswell Air Base

528

00:25:23,450 --> 00:25:21,179

refuses to give details of what the

529

00:25:25,490 --> 00:25:23,460

flying disc looks like in Fort Worth

530

00:25:28,070 --> 00:25:25,500

Texas where the object was first sent

531

00:25:30,169 --> 00:25:28,080

Brigadier General Roger Ramey says that

532

00:25:33,230 --> 00:25:30,179

it is being shipped by air to the aaf

533

00:25:34,970 --> 00:25:33,240

research center at Rice Field Ohio a few

534

00:25:36,950 --> 00:25:34,980

moments ago I talked to officials at

535

00:25:39,230 --> 00:25:36,960

right field and they declared that they

536

00:25:41,029 --> 00:25:39,240

expect the so-called flying suffers to

537

00:25:43,010 --> 00:25:41,039

be delivered there but that it hasn't

538

00:25:45,350 --> 00:25:43,020

arrived as yet in the meantime General

539

00:25:47,570 --> 00:25:45,360

Ramey describes the object as being of

540

00:25:50,029 --> 00:25:47,580

flimsy construction almost like a bus

541

00:25:52,010 --> 00:25:50,039

type he says that it was so better that

542

00:25:54,350 --> 00:25:52,020

he was unable to determine whether it

543

00:25:57,230 --> 00:25:54,360

had a disc form and he does not indicate

544

00:25:59,750 --> 00:25:57,240

its size Remy says that so far as can be

545

00:26:02,210 --> 00:25:59,760

determined no one saw the object in the

546

00:26:04,610 --> 00:26:02,220

air and he described it as being made of

547

00:26:05,990 --> 00:26:04,620

some sort of tin foil other Army

548

00:26:08,570 --> 00:26:06,000

officials say that further information

549

00:26:11,330 --> 00:26:08,580

indicates that the object had a diameter

550

00:26:12,710 --> 00:26:11,340

of about 20 to 25 feet and that nothing

551  
00:26:15,169 --> 00:26:12,720  
in the apparent Construction in

552  
00:26:16,610 --> 00:26:15,179  
indicated any capacity for Speed and

553  
00:26:19,430 --> 00:26:16,620  
that there was no evidence of a power

554  
00:26:22,430 --> 00:26:19,440  
plant but this also appeared too flimsy

555  
00:26:26,230 --> 00:26:22,440  
to carry a man now back to Taylor Grant

556  
00:26:32,750 --> 00:26:29,570  
so it's it's pretty interesting

557  
00:26:35,450 --> 00:26:32,760  
um because you'll see some UFO shows or

558  
00:26:37,190 --> 00:26:35,460  
documentaries or whatever that will play

559  
00:26:39,529 --> 00:26:37,200  
only the beginning of that clip and

560  
00:26:41,210 --> 00:26:39,539  
they'll leave out the clip that kind of

561  
00:26:43,010 --> 00:26:41,220  
pushes

562  
00:26:45,169 --> 00:26:43,020  
or would make you think that maybe it

563  
00:26:47,810 --> 00:26:45,179

wasn't a UFO as far as like the Box kite

564

00:26:50,090 --> 00:26:47,820

tinfoil couldn't hold a person that kind

565

00:26:51,909 --> 00:26:50,100

of thing so it's very interesting that a

566

00:26:54,470 --> 00:26:51,919

lot of UFO

567

00:26:56,630 --> 00:26:54,480

uh broadcast or whatever leave that part

568

00:26:59,090 --> 00:26:56,640

out because you know it's very

569

00:27:01,669 --> 00:26:59,100

interesting but

570

00:27:11,630 --> 00:27:01,679

so

571

00:27:13,970 --> 00:27:11,640

have we just went over all this Hub of

572

00:27:15,830 --> 00:27:13,980

all these District boards all these

573

00:27:17,690 --> 00:27:15,840

reputable people coming out and saying

574

00:27:19,970 --> 00:27:17,700

it's real the Army Air forcing there's

575

00:27:23,810 --> 00:27:19,980

something to it and then this comes out

576

00:27:25,909 --> 00:27:23,820

flying disc found says Army

577

00:27:30,409 --> 00:27:25,919

wow

578

00:27:32,630 --> 00:27:30,419

so now we have like Eric Davis

579

00:27:34,490 --> 00:27:32,640

right in New York Times with the quote

580

00:27:37,909 --> 00:27:34,500

saying that there's some materials made

581

00:27:39,529 --> 00:27:37,919

not on this Earth not by human hands

582

00:27:43,130 --> 00:27:39,539

but we don't have

583

00:27:46,789 --> 00:27:43,140

the army or the military or the Pentagon

584

00:27:49,549 --> 00:27:46,799

saying that right but here back in 1947

585

00:27:49,559 --> 00:27:52,370

another

586

00:27:56,330 --> 00:27:54,890

the thing about it is that they didn't

587

00:27:59,750 --> 00:27:56,340

say

588

00:28:03,110 --> 00:27:59,760

you know uh whose it was

589

00:28:04,610 --> 00:28:03,120

right like as far as if it was alien if

590

00:28:06,950 --> 00:28:04,620

it was foreign or anything like that

591

00:28:08,870 --> 00:28:06,960

they just said they found a flank disc

592

00:28:10,850 --> 00:28:08,880

the interest another interesting part

593

00:28:12,710 --> 00:28:10,860

about this is in a lot of these reports

594

00:28:16,250 --> 00:28:12,720

that came out

595

00:28:17,570 --> 00:28:16,260

um Brazil the Rancher who uh turned it

596

00:28:24,649 --> 00:28:17,580

in

597

00:28:27,289 --> 00:28:24,659

article says he found it a week before

598

00:28:29,149 --> 00:28:27,299

so the actual event

599

00:28:31,669 --> 00:28:29,159

happened a week before this other

600

00:28:34,970 --> 00:28:31,679

newspapers actually say three weeks

601  
00:28:36,950 --> 00:28:34,980  
before so July 8th or 7th or whatever

602  
00:28:40,430 --> 00:28:36,960  
wasn't the actual date it doesn't seem

603  
00:28:46,010 --> 00:28:42,590  
so but here it is object lands on remote

604  
00:28:52,430 --> 00:28:48,710  
and

605  
00:28:54,769 --> 00:28:52,440  
yeah so the the big statement here is

606  
00:28:56,390 --> 00:28:54,779  
the many rumors regarding the flanktus

607  
00:28:58,909 --> 00:28:56,400  
became reality yesterday when the

608  
00:29:02,029 --> 00:28:58,919  
intelligence off intelligence office of

609  
00:29:04,850 --> 00:29:02,039  
the 509th atomic uh bomb group of the

610  
00:29:06,649 --> 00:29:04,860  
Eighth Air Force Roswell Army Field was

611  
00:29:08,690 --> 00:29:06,659  
fortunate enough to gain possession of a

612  
00:29:10,730 --> 00:29:08,700  
disc to the cooperation of one of the

613  
00:29:12,110 --> 00:29:10,740

local ranchers and the Sheriff's Office

614

00:29:14,210 --> 00:29:12,120  
of Chavez

615

00:29:17,450 --> 00:29:14,220  
foreign

616

00:29:19,130 --> 00:29:17,460  
pretty interesting so here we see the

617

00:29:20,930 --> 00:29:19,140  
flying object landed unarranged near

618

00:29:22,850 --> 00:29:20,940  
rods well sometime last week not having

619

00:29:24,769 --> 00:29:22,860  
phone facilities to ranchers stored the

620

00:29:26,510 --> 00:29:24,779  
disk until such time as he was able to

621

00:29:30,250 --> 00:29:26,520  
contact the Sheriff's Office who in turn

622

00:29:33,110 --> 00:29:30,260  
notified of Marcel

623

00:29:34,549 --> 00:29:33,120  
pretty interesting

624

00:29:36,590 --> 00:29:34,559  
so

625

00:29:39,289 --> 00:29:36,600  
we have that

626  
00:29:40,789 --> 00:29:39,299  
so we have all this build up they find a

627  
00:29:42,950 --> 00:29:40,799  
disk

628  
00:29:46,010 --> 00:29:42,960  
and then

629  
00:29:47,990 --> 00:29:46,020  
and remember in uh what we just heard

630  
00:29:49,850 --> 00:29:48,000  
they said it was about 20 to 25 feet

631  
00:29:53,029 --> 00:29:49,860  
right

632  
00:30:01,370 --> 00:29:53,039  
in diameter so remember that

633  
00:30:06,769 --> 00:30:04,010  
them saying the next day they come out

634  
00:30:08,450 --> 00:30:06,779  
and it's they say no that's completely

635  
00:30:10,070 --> 00:30:08,460  
wrong

636  
00:30:11,750 --> 00:30:10,080  
we're an officer with the Eighth Air

637  
00:30:14,090 --> 00:30:11,760  
Force Weather Station at Fort Worth army

638  
00:30:17,510 --> 00:30:14,100

airfield Texas identifies the mysterious

639

00:30:19,850 --> 00:30:17,520

object picked up by Brazil of Corona New

640

00:30:21,710 --> 00:30:19,860

Mexico as a ray wind Target thus

641

00:30:24,350 --> 00:30:21,720

deflating the rampant rumors of grounded

642

00:30:26,630 --> 00:30:24,360

flying discs

643

00:30:28,130 --> 00:30:26,640

tin foil covered hexagonal object

644

00:30:34,730 --> 00:30:28,140

weather balloon

645

00:30:34,740 --> 00:30:40,070

20 to 25 feet

646

00:30:45,769 --> 00:30:42,169

doesn't look like it

647

00:30:45,779 --> 00:30:49,070

so it's interesting

648

00:30:55,250 --> 00:30:50,750

and I never know what to make a Roswell

649

00:30:57,350 --> 00:30:55,260

was that just like was it uh

650

00:31:00,470 --> 00:30:57,360

a setup that they do that on purpose

651  
00:31:01,970 --> 00:31:00,480  
because of all the saucer sightings

652  
00:31:03,289 --> 00:31:01,980  
being seen did they do something like

653  
00:31:04,789 --> 00:31:03,299  
that so they could capture it and come

654  
00:31:07,250 --> 00:31:04,799  
out with it and say hey it's no big deal

655  
00:31:08,930 --> 00:31:07,260  
it's just the kite

656  
00:31:10,490 --> 00:31:08,940  
I'm not sure because that doesn't

657  
00:31:13,010 --> 00:31:10,500  
explain all the different testimonies

658  
00:31:16,549 --> 00:31:13,020  
that we've heard saying otherwise

659  
00:31:21,470 --> 00:31:18,889  
is from

660  
00:31:23,510 --> 00:31:21,480  
uh the guy who we we just read his quote

661  
00:31:27,889 --> 00:31:23,520  
where he said it's a reality we found a

662  
00:31:31,970 --> 00:31:29,810  
he gave some testimony a lot of other

663  
00:31:33,889 --> 00:31:31,980

people gave testimony too saying no it

664

00:31:36,110 --> 00:31:33,899

was a alien ship and there were bodies

665

00:31:37,669 --> 00:31:36,120

and everything but also I don't want to

666

00:31:40,810 --> 00:31:37,679

mix it up too much because I want you to

667

00:31:44,210 --> 00:31:40,820

keep in mind that still bodies aliens

668

00:31:46,490 --> 00:31:44,220

extraterrestrials none of that is said

669

00:31:48,110 --> 00:31:46,500

right so even in the Roswell paper they

670

00:31:51,289 --> 00:31:48,120

don't say anything like that they just

671

00:31:52,789 --> 00:31:51,299

say they found a flying disc

672

00:31:55,970 --> 00:31:52,799

and at the time

673

00:31:57,470 --> 00:31:55,980

another thing I should say about 1947 is

674

00:31:59,630 --> 00:31:57,480

that there were a lot of hoaxes going on

675

00:32:01,130 --> 00:31:59,640

as well there was actually a competition

676

00:32:03,110 --> 00:32:01,140

going on through the news where somebody

677

00:32:04,610 --> 00:32:03,120

was paying out a thousand dollars if

678

00:32:07,190 --> 00:32:04,620

somebody could give them a flight disc

679

00:32:09,710 --> 00:32:07,200

there was a lot of smaller flying discs

680

00:32:13,130 --> 00:32:09,720

found as hoaxes people were making them

681

00:32:14,930 --> 00:32:13,140

it's kind of a crazy time

682

00:32:18,169 --> 00:32:14,940

but now what I'm going to play to you

683

00:32:23,690 --> 00:32:19,070

um

684

00:32:25,730 --> 00:32:23,700

a testimony from the William hot guy the

685

00:32:28,370 --> 00:32:25,740

public relations guy who told the

686

00:32:31,130 --> 00:32:28,380

newspapers that they found a flank desk

687

00:32:34,190 --> 00:32:31,140

Blanchard who is a commanding officer of

688

00:32:36,590 --> 00:32:34,200

the base at that time called me into his

689

00:32:38,330 --> 00:32:36,600

office and he said I've got some

690

00:32:41,269 --> 00:32:38,340

information I want to give you and I

691

00:32:45,169 --> 00:32:41,279

want you to put out a press release on

692

00:32:47,810 --> 00:32:45,179

this material the only thing that I felt

693

00:32:49,669 --> 00:32:47,820

at ease with was the fact that we had in

694

00:32:52,490 --> 00:32:49,679

our possession of flying saucer and

695

00:32:55,730 --> 00:32:52,500

we've shipped it on basically to the

696

00:32:58,850 --> 00:32:55,740

next higher command I think that a

697

00:33:02,750 --> 00:32:58,860

cover-up was designed so that they could

698

00:33:04,070 --> 00:33:02,760

say it was a mogul balloon or some kind

699

00:33:07,789 --> 00:33:04,080

of balloon

700

00:33:13,070 --> 00:33:07,799

within my own feeling I think that it

701

00:33:17,029 --> 00:33:15,830

wow pretty pretty intense so the guy

702

00:33:19,669 --> 00:33:17,039

thought it was something from outer

703

00:33:21,230 --> 00:33:19,679

space and that testimony isn't from that

704

00:33:23,330 --> 00:33:21,240

time that was later on but it's

705

00:33:25,310 --> 00:33:23,340

interesting he was a part of it Jesse

706

00:33:28,130 --> 00:33:25,320

Marcel is a part of it uh who actually

707

00:33:30,289 --> 00:33:28,140

had you know said he saw it and handled

708

00:33:32,330 --> 00:33:30,299

it and it was something he's never seen

709

00:33:35,090 --> 00:33:32,340

before they were like hieroglyphics and

710

00:33:41,529 --> 00:33:35,100

different things on the meadow his son

711

00:33:48,110 --> 00:33:46,370

Roswell is is definitely interesting

712

00:33:49,669 --> 00:33:48,120

you know because he can't fight all the

713

00:33:52,250 --> 00:33:49,679

different testimonies there's so many

714

00:33:53,930 --> 00:33:52,260

testimonies out there about about the

715

00:33:55,310 --> 00:33:53,940

thing

716

00:33:57,470 --> 00:33:55,320

um

717

00:33:59,810 --> 00:33:57,480

and it but it's really just interesting

718

00:34:05,230 --> 00:33:59,820

to me how there's just this huge build

719

00:34:11,149 --> 00:34:07,549

and then for them to just turn around

720

00:34:11,159 --> 00:34:16,310

never freaking mind

721

00:34:20,629 --> 00:34:17,510

so

722

00:34:22,430 --> 00:34:20,639

you know my goal of this is is not to uh

723

00:34:23,930 --> 00:34:22,440

prove if that was real or not just to

724

00:34:25,490 --> 00:34:23,940

kind of report what was in the news at

725

00:34:28,250 --> 00:34:25,500

the time

726

00:34:30,829 --> 00:34:28,260

here July 12th

727

00:34:34,430 --> 00:34:30,839

remember we looked at that Idaho report

728

00:34:36,050 --> 00:34:34,440

earlier now we're do we see this it was

729

00:34:39,409 --> 00:34:36,060

hoaxed

730

00:34:42,169 --> 00:34:39,419

apparently that's what they say

731

00:34:43,609 --> 00:34:42,179

so this was in the news too so now all

732

00:34:45,829 --> 00:34:43,619

of a sudden we're getting some pushback

733

00:34:48,169 --> 00:34:45,839

and it's not just these things are real

734

00:34:53,290 --> 00:34:48,179

this and that and incredible Witnesses

735

00:34:57,650 --> 00:34:55,669

here's what I was referencing earlier

736

00:34:59,450 --> 00:34:57,660

the reward the world inventors Congress

737

00:35:01,670 --> 00:34:59,460

posted a thousand dollars for delivery

738

00:35:07,609 --> 00:35:01,680

of a flank disc to the exposition which

739

00:35:07,619 --> 00:35:12,290

pretty interesting

740

00:35:16,310 --> 00:35:13,550

I actually mentioned something about

741

00:35:18,890 --> 00:35:16,320

Wisconsin in Milwaukee one of the hoax

742

00:35:23,630 --> 00:35:18,900

this was actually found it was like a

743

00:35:29,750 --> 00:35:26,030

and there were a couple other uh stories

744

00:35:33,530 --> 00:35:31,430

on the right hand side we get some

745

00:35:35,750 --> 00:35:33,540

interesting testimony not an army

746

00:35:38,030 --> 00:35:35,760

experiment

747

00:35:40,790 --> 00:35:38,040

Portland Oregonian and Major General

748

00:35:42,770 --> 00:35:40,800

Nathan Twining who we know from his memo

749

00:35:45,170 --> 00:35:42,780

which is is pretty famous at this point

750

00:35:47,569 --> 00:35:45,180

uh chief of the Army Air Force material

751

00:35:49,730 --> 00:35:47,579

command told it flatly that the flying

752

00:35:52,010 --> 00:35:49,740

saucers are not the result of

753

00:35:54,470 --> 00:35:52,020

experiments by the armed services

754

00:35:56,329 --> 00:35:54,480

either the Army Air Force nor any other

755

00:35:58,370 --> 00:35:56,339

component of the Armed Forces has any

756

00:36:00,829 --> 00:35:58,380

plane guided missile or other aerial

757

00:36:02,990 --> 00:36:00,839

device under development which could

758

00:36:05,630 --> 00:36:03,000

possibly be mistaken for a saucer or

759

00:36:08,810 --> 00:36:05,640

formation of flank discs the newspaper

760

00:36:11,210 --> 00:36:08,820

newspaper quoted winning as telling it

761

00:36:12,109 --> 00:36:11,220

by a telephone from Kirtland Army Air

762

00:36:15,290 --> 00:36:12,119

Base

763

00:36:17,870 --> 00:36:15,300

Albuquerque New Mexico some of these

764

00:36:20,810 --> 00:36:17,880

Witnesses evidently saw something but we

765

00:36:22,910 --> 00:36:20,820

don't know what we are investigating

766

00:36:26,110 --> 00:36:22,920

very interesting

767

00:36:26,120 --> 00:36:29,770

[Music]

768

00:36:35,810 --> 00:36:33,530

you know the quotes from you know

769

00:36:38,530 --> 00:36:35,820

military folks saying this is legit it's

770

00:36:41,030 --> 00:36:38,540

definitely not ours

771

00:36:46,849 --> 00:36:41,040

kind of like today

772

00:36:53,690 --> 00:36:49,490

so this is pretty interesting so flag

773

00:36:55,370 --> 00:36:53,700

disc this is uh August 5th 1947. flag

774

00:36:57,589 --> 00:36:55,380

disc huge hoax

775

00:36:58,970 --> 00:36:57,599

and it's not funny says the army so now

776

00:37:02,750 --> 00:36:58,980

they're officially coming back and

777

00:37:04,370 --> 00:37:02,760

saying this is this is bull crap

778

00:37:06,470 --> 00:37:04,380

this is kind of referencing the Maury

779

00:37:08,870 --> 00:37:06,480

Island thing

780

00:37:12,890 --> 00:37:08,880

and it talks about that

781

00:37:17,089 --> 00:37:12,900

and the FBI starts to get involved in

782

00:37:19,730 --> 00:37:17,099

this story and the FBI's official job or

783

00:37:22,730 --> 00:37:19,740

duty at this point uh the Air Force

784

00:37:25,069 --> 00:37:22,740

asked them to help out to recover any

785

00:37:28,609 --> 00:37:25,079

materials found

786

00:37:30,290 --> 00:37:28,619

and the FBI agreed to it

787

00:37:32,150 --> 00:37:30,300

but then they got pissed off because

788

00:37:34,849 --> 00:37:32,160

everything that they were finding was

789

00:37:37,310 --> 00:37:34,859

like uh hoaxed bullcrap so they wanted

790

00:37:39,050 --> 00:37:37,320

out of it and even at one point they got

791

00:37:40,250 --> 00:37:39,060

upset with the Army because they

792

00:37:42,290 --> 00:37:40,260

wouldn't share

793

00:37:44,630 --> 00:37:42,300

or let the FBI look at something that

794

00:37:46,370 --> 00:37:44,640

they found so they wanted out

795

00:37:48,650 --> 00:37:46,380

and I actually looked up that case and

796

00:37:51,770 --> 00:37:48,660

that was a hoax too so there was nothing

797

00:37:53,930 --> 00:37:51,780

funny going on there apparently you know

798

00:37:55,430 --> 00:37:53,940

but they say not funny the Army and the

799

00:37:57,349 --> 00:37:55,440

FBI are going

800

00:37:59,750 --> 00:37:57,359

getting to the bottom of this it's the

801  
00:38:02,510 --> 00:37:59,760  
biggest hoax ever perpetrated and it's

802  
00:38:04,609 --> 00:38:02,520  
not funny two army officers lost their

803  
00:38:07,430 --> 00:38:04,619  
lives as an indirect result of this

804  
00:38:09,950 --> 00:38:07,440  
fraud and they're talking about the

805  
00:38:15,829 --> 00:38:09,960  
pilots on the plane that crashed during

806  
00:38:22,609 --> 00:38:19,010  
so that's 1947.

807  
00:38:30,050 --> 00:38:25,910  
pretty crazy time I can't imagine living

808  
00:38:34,670 --> 00:38:31,550  
so

809  
00:38:37,010 --> 00:38:34,680  
what happens then 47 kind of cools off

810  
00:38:39,290 --> 00:38:37,020  
around then

811  
00:38:42,170 --> 00:38:39,300  
um people still keep seeing things but

812  
00:38:43,910 --> 00:38:42,180  
not as much as was being publicized in

813  
00:38:47,870 --> 00:38:43,920

the ramp up right

814

00:38:52,790 --> 00:38:50,030

but then we get to

815

00:38:54,890 --> 00:38:52,800

I'm going to get to you know and

816

00:38:56,810 --> 00:38:54,900

maybe I missed some things or whatever

817

00:38:59,089 --> 00:38:56,820

I'm just doing my best here by the way

818

00:39:00,349 --> 00:38:59,099

if anyone's watching and saying how come

819

00:39:02,210 --> 00:39:00,359

you didn't talk about this case or

820

00:39:05,210 --> 00:39:02,220

whatever I'm just talking about what I

821

00:39:09,470 --> 00:39:05,220

find found in newspapers using my key

822

00:39:15,950 --> 00:39:12,349

so I hope you guys

823

00:39:21,710 --> 00:39:18,349

but then we get to 1948

824

00:39:24,470 --> 00:39:21,720

so we have all this stuff happening the

825

00:39:26,150 --> 00:39:24,480

Roswell right

826

00:39:28,010 --> 00:39:26,160

and then

827

00:39:29,930 --> 00:39:28,020

you can kind of think that maybe things

828

00:39:31,910 --> 00:39:29,940

are going to fade out maybe they're

829

00:39:35,690 --> 00:39:31,920

going to go away they're not going to be

830

00:39:37,310 --> 00:39:35,700

such a big deal anymore he was a fad and

831

00:39:41,450 --> 00:39:37,320

then you have

832

00:39:41,460 --> 00:39:44,990

Mr Madel incident

833

00:39:51,589 --> 00:39:49,310

lives on in UFO history

834

00:39:54,109 --> 00:39:51,599

killed in a crash

835

00:39:56,450 --> 00:39:54,119

of its plain National Guard headquarters

836

00:39:58,250 --> 00:39:56,460

at Louisville said that he was pursuing

837

00:40:00,770 --> 00:39:58,260

what was reported to have been a flying

838

00:40:07,250 --> 00:40:04,069

it's black sauce are seen

839

00:40:13,810 --> 00:40:09,410

and his captain mantel and other people

840

00:40:20,450 --> 00:40:17,270

these two guys actually when they were

841

00:40:22,970 --> 00:40:20,460

chasing it they broke off early

842

00:40:24,470 --> 00:40:22,980

at like uh 22

843

00:40:26,150 --> 00:40:24,480

000 feet they're saying because they

844

00:40:28,810 --> 00:40:26,160

were running out of oxygen and starting

845

00:40:31,609 --> 00:40:28,820

to feel it so they went back to base

846

00:40:36,109 --> 00:40:31,619

mantel said he's gonna keep chasing it

847

00:40:41,329 --> 00:40:38,089

and if he doesn't get closer he's going

848

00:40:41,339 --> 00:40:45,650

what winds up happening is he crashes

849

00:40:50,750 --> 00:40:48,109

the running Theory from the air forces

850

00:40:53,150 --> 00:40:50,760

that he ran out of oxygen

851  
00:40:54,710 --> 00:40:53,160  
these are all World War II Pilots by the

852  
00:40:56,510 --> 00:40:54,720  
way as well so there are any theories

853  
00:40:58,790 --> 00:40:56,520  
that he ran out of oxygen

854  
00:41:01,370 --> 00:40:58,800  
and lost control of the thing and crash

855  
00:41:02,870 --> 00:41:01,380  
or whatever but you know this case is a

856  
00:41:05,510 --> 00:41:02,880  
really big case and there's a lot of

857  
00:41:07,430 --> 00:41:05,520  
details to it and again what I'm I'm not

858  
00:41:09,650 --> 00:41:07,440  
trying to go through that entire case

859  
00:41:13,130 --> 00:41:09,660  
I'm just hitting on the points that were

860  
00:41:19,790 --> 00:41:14,990  
actually put the wreckage of his plane

861  
00:41:24,170 --> 00:41:21,290  
pretty crazy

862  
00:41:26,390 --> 00:41:24,180  
could you imagine seeing that

863  
00:41:28,130 --> 00:41:26,400

and I think this is a lot of like what

864

00:41:30,230 --> 00:41:28,140

we're trying to avoid right now we're

865

00:41:33,950 --> 00:41:30,240

always hearing about pilot safety UFOs

866

00:41:36,109 --> 00:41:33,960

pilot safety Ryan Graves hits that point

867

00:41:40,730 --> 00:41:36,119

it's because they don't want something

868

00:41:40,740 --> 00:41:43,310

scary

869

00:41:43,320 --> 00:41:46,089

it's too bad

870

00:41:51,530 --> 00:41:48,950

one thing that people don't

871

00:41:56,990 --> 00:41:54,470

talk about too much as far as the mantel

872

00:42:01,490 --> 00:41:59,690

is that it wasn't just these Pilots that

873

00:42:03,770 --> 00:42:01,500

saw something that day

874

00:42:05,450 --> 00:42:03,780

there are actually other people at a

875

00:42:08,450 --> 00:42:05,460

different base

876

00:42:12,050 --> 00:42:08,460

that saw something as well

877

00:42:14,569 --> 00:42:12,060

and not too far away it was actually

878

00:42:18,650 --> 00:42:14,579

in Ohio

879

00:42:26,390 --> 00:42:23,030

the night this object that I cited

880

00:42:29,150 --> 00:42:26,400

was the night of the day that this

881

00:42:31,430 --> 00:42:29,160

Captain mantrell was killed

882

00:42:35,150 --> 00:42:31,440

denied it I was on the video I was in

883

00:42:38,210 --> 00:42:35,160

the direction finding chat which is

884

00:42:41,870 --> 00:42:38,220

about a mile from the other buildings

885

00:42:44,450 --> 00:42:41,880

operations and Airways and the towers

886

00:42:47,510 --> 00:42:44,460

which is about two-thirds to three

887

00:42:51,050 --> 00:42:47,520

quarters of the way down the uh North

888

00:42:54,050 --> 00:42:51,060

South Runway at Lockeford

889

00:42:56,390 --> 00:42:54,060

before we go on duty we always stopped

890

00:43:00,410 --> 00:42:56,400

by the operations and get a copy of the

891

00:43:04,130 --> 00:43:00,420

weather and all the aircraft flying

892

00:43:06,050 --> 00:43:04,140

military aircraft flying in the vicinity

893

00:43:07,490 --> 00:43:06,060

of Columbus would call and give a

894

00:43:11,569 --> 00:43:07,500

physician report

895

00:43:13,970 --> 00:43:11,579

now Airways was the one that officially

896

00:43:16,730 --> 00:43:13,980

took the position report

897

00:43:21,410 --> 00:43:16,740

the overcast was 1200 feet

898

00:43:24,410 --> 00:43:21,420

it was dark and inside the shack I never

899

00:43:27,349 --> 00:43:24,420

turned the lights on because of the

900

00:43:29,270 --> 00:43:27,359

illumination of the all the dials and

901  
00:43:31,670 --> 00:43:29,280  
the meters and everything was sufficient

902  
00:43:34,010 --> 00:43:31,680  
for just sitting in there listening to

903  
00:43:35,809 --> 00:43:34,020  
the radio or whatever

904  
00:43:38,690 --> 00:43:35,819  
the only time I'd turn the light on

905  
00:43:39,650 --> 00:43:38,700  
would be when an aircraft would be in

906  
00:43:40,910 --> 00:43:39,660  
trouble

907  
00:43:46,970 --> 00:43:40,920  
and

908  
00:43:50,089 --> 00:43:46,980  
getting the right heading

909  
00:43:52,910 --> 00:43:50,099  
so I was laying there on my back uh just

910  
00:43:59,390 --> 00:43:55,790  
practically right over my head for about

911  
00:44:01,670 --> 00:43:59,400  
a 30 degree angle from the vertical

912  
00:44:05,510 --> 00:44:01,680  
down through the overcast comes a

913  
00:44:07,609 --> 00:44:05,520

straight the round red

914

00:44:09,290 --> 00:44:07,619

I thought it was an aircraft song

915

00:44:12,710 --> 00:44:09,300

inflamed

916

00:44:15,970 --> 00:44:12,720

I jumped off of the box and start to

917

00:44:19,609 --> 00:44:15,980

reach to the mic or the telephone

918

00:44:22,190 --> 00:44:19,619

and I see that it isn't an aircraft I

919

00:44:24,650 --> 00:44:22,200

know the power

920

00:44:26,750 --> 00:44:24,660

called me before I even got a chance to

921

00:44:30,050 --> 00:44:26,760

call him and he said what the hell is

922

00:44:32,750 --> 00:44:30,060

that out there over your station and I

923

00:44:35,930 --> 00:44:32,760

told him I don't know I said it was just

924

00:44:38,750 --> 00:44:35,940

a great big round red ball

925

00:44:40,069 --> 00:44:38,760

so I tell him to call Airways

926  
00:44:43,670 --> 00:44:40,079  
he's

927  
00:44:47,750 --> 00:44:43,680  
caused the Airways operator and him and

928  
00:44:49,670 --> 00:44:47,760  
the captain that the meteorologist had

929  
00:44:52,550 --> 00:44:49,680  
his dad may look at it

930  
00:44:54,050 --> 00:44:52,560  
it stops just as it comes through the

931  
00:44:56,630 --> 00:44:54,060  
overcast

932  
00:44:57,530 --> 00:44:56,640  
and hovers there in the air there's no

933  
00:45:00,530 --> 00:44:57,540  
sound

934  
00:45:03,770 --> 00:45:00,540  
and it don't stand perfectly stationary

935  
00:45:07,250 --> 00:45:03,780  
now it Maneuvers around makes uh goes

936  
00:45:10,250 --> 00:45:07,260  
100 feet or kind of circles and it just

937  
00:45:11,270 --> 00:45:10,260  
is maneuvering around in the air without

938  
00:45:14,030 --> 00:45:11,280

any

939

00:45:16,250 --> 00:45:14,040

great distance after it's been there for

940

00:45:18,710 --> 00:45:16,260

about five minutes and all the time I'm

941

00:45:21,230 --> 00:45:18,720

trying to contact another aircraft on

942

00:45:23,150 --> 00:45:21,240

the radio and so is the tower we've got

943

00:45:25,910 --> 00:45:23,160

different frequencies so we're trying to

944

00:45:27,950 --> 00:45:25,920

call an aircraft to take a pass through

945

00:45:31,490 --> 00:45:27,960

there and tell us what it is

946

00:45:33,829 --> 00:45:31,500

before it starts from an absolute

947

00:45:36,950 --> 00:45:33,839

perfectly stationary

948

00:45:40,130 --> 00:45:36,960

position and makes a circle of the

949

00:45:42,710 --> 00:45:40,140

entire base in the north south Runway is

950

00:45:45,349 --> 00:45:42,720

one mile long and there's

951  
00:45:48,770 --> 00:45:45,359  
at least three quarters or so of a mile

952  
00:45:50,809 --> 00:45:48,780  
from the end of the runway to the limits

953  
00:45:53,089 --> 00:45:50,819  
for the base of the north there's about

954  
00:45:53,990 --> 00:45:53,099  
a quarter of a mile or so maybe to the

955  
00:45:56,650 --> 00:45:54,000  
South

956  
00:45:59,450 --> 00:45:56,660  
this makes this object make a circle

957  
00:46:01,849 --> 00:45:59,460  
better than six miles

958  
00:46:04,190 --> 00:46:01,859  
it accelerated to

959  
00:46:07,370 --> 00:46:04,200  
the speed of the chest of a thousand

960  
00:46:10,670 --> 00:46:07,380  
miles an hour comes back and stops

961  
00:46:12,650 --> 00:46:10,680  
instantly it doesn't slow down so on any

962  
00:46:13,849 --> 00:46:12,660  
breaks and Coastal

963  
00:46:15,410 --> 00:46:13,859

## Coastal disaster

964

00:46:17,510 --> 00:46:15,420

into a wall

965

00:46:21,050 --> 00:46:17,520

and when it comes back it's still right

966

00:46:23,329 --> 00:46:21,060

over my head but it has drifted

967

00:46:26,150 --> 00:46:23,339

to the Southwest

968

00:46:29,510 --> 00:46:26,160

this object has drifted

969

00:46:31,970 --> 00:46:29,520

when it came back and stopped and to its

970

00:46:33,530 --> 00:46:31,980

Maneuvers I call it drifting which

971

00:46:37,069 --> 00:46:33,540

actually it wasn't

972

00:46:38,809 --> 00:46:37,079

really drift and it just had moved to

973

00:46:40,010 --> 00:46:38,819

the Southwest now that's Against the

974

00:46:42,650 --> 00:46:40,020

Wind

975

00:46:45,470 --> 00:46:42,660

and when it got down nearly to the edge

976

00:46:48,230 --> 00:46:45,480

of the base just a little past the end

977

00:46:52,069 --> 00:46:48,240

of the runway it descended to the ground

978

00:46:54,650 --> 00:46:52,079

vertically just came clear of the ground

979

00:46:58,970 --> 00:46:54,660

and stayed at the ground

980

00:47:02,990 --> 00:46:58,980

10 maybe 15 seconds Rose vertically back

981

00:47:05,030 --> 00:47:03,000

up to just under the overcast we had

982

00:47:06,890 --> 00:47:05,040

gotten in contact with an airplane to

983

00:47:09,589 --> 00:47:06,900

that time it was coming from right to

984

00:47:11,510 --> 00:47:09,599

you he says he couldn't see anything he

985

00:47:14,030 --> 00:47:11,520

was too far out yet

986

00:47:15,410 --> 00:47:14,040

but I think the object itself detected

987

00:47:16,730 --> 00:47:15,420

this airplane

988

00:47:18,349 --> 00:47:16,740

approaching

989

00:47:21,109 --> 00:47:18,359

Lawson

990

00:47:23,569 --> 00:47:21,119

was just before the airplane

991

00:47:28,670 --> 00:47:23,579

arrived at lost and it went back up into

992

00:47:34,069 --> 00:47:31,550

well so he thinks that the actual UFO

993

00:47:37,510 --> 00:47:34,079

was kind of chased away because it's on

994

00:47:41,030 --> 00:47:37,520

another airplane coming that is intense

995

00:47:42,290 --> 00:47:41,040

it's a great testimony and people you

996

00:47:44,930 --> 00:47:42,300

know when people write stories on The

997

00:47:47,930 --> 00:47:44,940

Mantel thing not everybody but a lot of

998

00:47:49,730 --> 00:47:47,940

times even I think uh Enigma Labs who

999

00:47:52,670 --> 00:47:49,740

recently wrote something about it they

1000

00:47:54,530 --> 00:47:52,680

never mentioned that part of this you

1001  
00:47:56,569 --> 00:47:54,540  
know which is corroborative

1002  
00:47:58,750 --> 00:47:56,579  
statements and evidence that something

1003  
00:48:01,550 --> 00:47:58,760  
was going on that day

1004  
00:48:03,890 --> 00:48:01,560  
so it's pretty intense

1005  
00:48:07,130 --> 00:48:03,900  
and that was a that was a big story and

1006  
00:48:11,569 --> 00:48:07,140  
that was the beginning of 1948 started

1007  
00:48:11,579 --> 00:48:14,390  
so

1008  
00:48:19,370 --> 00:48:16,609  
you know 1948 there were other sightings

1009  
00:48:22,309 --> 00:48:19,380  
that kept happening throughout 1948 and

1010  
00:48:25,370 --> 00:48:22,319  
I I should say that this never made the

1011  
00:48:25,970 --> 00:48:25,380  
news that I could find at least

1012  
00:48:27,890 --> 00:48:25,980  
um

1013  
00:48:29,329 --> 00:48:27,900

but it was around this time so this is

1014

00:48:30,950 --> 00:48:29,339

going to be in the background what I'm

1015

00:48:33,470 --> 00:48:30,960

talking what I'm going to about to say

1016

00:48:35,329 --> 00:48:33,480

now so this isn't in the Press but just

1017

00:48:37,550 --> 00:48:35,339

to give you some context of what the

1018

00:48:39,770 --> 00:48:37,560

military that with the Air Force was up

1019

00:48:42,589 --> 00:48:39,780

to also during this time in the

1020

00:48:46,550 --> 00:48:42,599

background in the background there were

1021

00:48:48,650 --> 00:48:46,560

places like Los Alamos labs Sandy

1022

00:48:52,190 --> 00:48:48,660

Laboratories

1023

00:48:54,230 --> 00:48:52,200

um and other places in that area

1024

00:48:56,270 --> 00:48:54,240

of uh

1025

00:48:59,089 --> 00:48:56,280

Southwestern

1026

00:49:00,589 --> 00:48:59,099

um America United States that were

1027

00:49:03,050 --> 00:49:00,599

getting bombarded

1028

00:49:05,030 --> 00:49:03,060

over and over again with UFO reports

1029

00:49:06,470 --> 00:49:05,040

called a lot of them were called Green

1030

00:49:08,809 --> 00:49:06,480

fireballs

1031

00:49:11,750 --> 00:49:08,819

and there was a huge study that was

1032

00:49:14,809 --> 00:49:11,760

underway with Dr Lincoln Lopez and some

1033

00:49:17,329 --> 00:49:14,819

some other people even Edward Teller got

1034

00:49:19,670 --> 00:49:17,339

in on that game and attended one of

1035

00:49:22,190 --> 00:49:19,680

their like conferences about all these

1036

00:49:25,069 --> 00:49:22,200

reports that these sensitive uh military

1037

00:49:25,079 --> 00:49:29,089

they had many meetings

1038

00:49:33,650 --> 00:49:30,829

um and they never really figured out

1039

00:49:39,050 --> 00:49:37,490

and so that's a whole show on its own so

1040

00:49:42,050 --> 00:49:39,060

I can't really get into that right now

1041

00:49:44,089 --> 00:49:42,060

if you do have questions about that part

1042

00:49:45,890 --> 00:49:44,099

of it it's called project twinkle let me

1043

00:49:48,589 --> 00:49:45,900

know and I can answer it just email me

1044

00:49:50,990 --> 00:49:48,599

here Twitter message me or whatever

1045

00:49:53,690 --> 00:49:51,000

um or maybe I'll do a show on it again

1046

00:49:55,849 --> 00:49:53,700

I'm pretty sure I have before but I

1047

00:49:58,730 --> 00:49:55,859

could always do it again

1048

00:50:01,130 --> 00:49:58,740

um but that was

1049

00:50:04,190 --> 00:50:01,140

an intense time

1050

00:50:06,290 --> 00:50:04,200

that the country had no idea about

1051  
00:50:09,890 --> 00:50:06,300  
no idea

1052  
00:50:12,349 --> 00:50:09,900  
that these places were Manhattan Project

1053  
00:50:14,089 --> 00:50:12,359  
happens all that kind of stuff the

1054  
00:50:16,430 --> 00:50:14,099  
atomic energy commission was really

1055  
00:50:18,589 --> 00:50:16,440  
involved with this stuff

1056  
00:50:20,750 --> 00:50:18,599  
these green Fireball reports UFO reports

1057  
00:50:25,250 --> 00:50:20,760  
over Los Alamos

1058  
00:50:27,829 --> 00:50:25,260  
it was intense so that is all going on

1059  
00:50:29,690 --> 00:50:27,839  
um and it started around this time

1060  
00:50:32,510 --> 00:50:29,700  
as far as I could tell I think it was

1061  
00:50:35,030 --> 00:50:32,520  
1948 it started and they ended project

1062  
00:50:37,730 --> 00:50:35,040  
twinkle or whatever

1063  
00:50:40,670 --> 00:50:37,740

um I think 49 or 50.

1064

00:50:44,930 --> 00:50:40,680

um it was this Joseph Kaplan probably

1065

00:50:46,130 --> 00:50:44,940

had the best idea to him what was going

1066

00:50:48,710 --> 00:50:46,140

on and he thought it was a natural

1067

00:50:51,530 --> 00:50:48,720

phenomenon because of some experiments

1068

00:50:52,730 --> 00:50:51,540

he did previously in his lab

1069

00:50:54,950 --> 00:50:52,740

um

1070

00:50:57,049 --> 00:50:54,960

and he was from

1071

00:50:58,250 --> 00:50:57,059

Caltech I want to say or something like

1072

00:51:00,370 --> 00:50:58,260

that

1073

00:51:02,510 --> 00:51:00,380

some

1074

00:51:04,849 --> 00:51:02,520

College of California that's pretty

1075

00:51:06,470 --> 00:51:04,859

popular I think that's what it was

1076

00:51:09,710 --> 00:51:06,480

but anyways

1077

00:51:11,569 --> 00:51:09,720

so that was really going on during 1948

1078

00:51:12,710 --> 00:51:11,579

but the newspaper is really all you were

1079

00:51:15,049 --> 00:51:12,720

seeing were

1080

00:51:17,569 --> 00:51:15,059

you know kind of just general sightings

1081

00:51:19,849 --> 00:51:17,579

here and there

1082

00:51:22,549 --> 00:51:19,859

um but nothing like we saw you know in

1083

00:51:23,750 --> 00:51:22,559

1947 the run-up to Roswell and all that

1084

00:51:26,210 --> 00:51:23,760

kind of stuff

1085

00:51:27,890 --> 00:51:26,220

so

1086

00:51:30,410 --> 00:51:27,900

yeah

1087

00:51:31,549 --> 00:51:30,420

Air Force said mantel going backwards a

1088

00:51:32,990 --> 00:51:31,559

little bit

1089

00:51:36,049 --> 00:51:33,000

um

1090

00:51:38,630 --> 00:51:36,059

it just pisses you off mental they said

1091

00:51:41,210 --> 00:51:38,640

he crashed it was a balloon to end up

1092

00:51:44,870 --> 00:51:41,220

being a balloon and the visuals that

1093

00:51:50,870 --> 00:51:47,870

always see that throughout the course of

1094

00:51:53,210 --> 00:51:50,880

Project Blue Book

1095

00:51:55,910 --> 00:51:53,220

like all they all they say they say that

1096

00:51:58,069 --> 00:51:55,920

even now in the arrow report or we need

1097

00:52:00,589 --> 00:51:58,079

better data

1098

00:52:03,589 --> 00:52:00,599

right and then they get data where

1099

00:52:05,930 --> 00:52:03,599

there's a radar pickups

1100

00:52:08,329 --> 00:52:05,940

sometimes like Washington DC multiple

1101  
00:52:13,130 --> 00:52:08,339  
radar pickups I think three Radars and

1102  
00:52:16,670 --> 00:52:13,140  
52. and they have visual testimony

1103  
00:52:18,829 --> 00:52:16,680  
right every time they get that

1104  
00:52:20,809 --> 00:52:18,839  
they divide the two things the

1105  
00:52:23,930 --> 00:52:20,819  
electronic pickup and the visual pickup

1106  
00:52:26,210 --> 00:52:23,940  
and blame it on prosaic things and then

1107  
00:52:27,470 --> 00:52:26,220  
say well we need better information we

1108  
00:52:29,630 --> 00:52:27,480  
don't we don't know what this stuff is

1109  
00:52:33,710 --> 00:52:29,640  
what do you want

1110  
00:52:35,510 --> 00:52:33,720  
you have Visual and radar sightings

1111  
00:52:37,790 --> 00:52:35,520  
what else do you want by qualified

1112  
00:52:40,010 --> 00:52:37,800  
Observers

1113  
00:52:44,450 --> 00:52:40,020

sometimes people have worked on the

1114

00:52:46,910 --> 00:52:44,460

radar sets for five to ten years

1115

00:52:49,490 --> 00:52:46,920

while Pilots have visual observations

1116

00:52:52,069 --> 00:52:49,500

who have thousands of hours flying time

1117

00:52:55,430 --> 00:52:52,079

a lot of these people who flew in World

1118

00:52:58,250 --> 00:52:55,440

War II and fought for the country

1119

00:53:00,230 --> 00:52:58,260

say no you saw a star

1120

00:53:02,450 --> 00:53:00,240

and the radar that was anomalous

1121

00:53:04,609 --> 00:53:02,460

propagation so they used that all the

1122

00:53:08,150 --> 00:53:04,619

time when radar picked something up

1123

00:53:09,970 --> 00:53:08,160

anomalous propagation meaning that the

1124

00:53:12,770 --> 00:53:09,980

the radar set that picks something up

1125

00:53:14,690 --> 00:53:12,780

was showing a blip because it was

1126  
00:53:17,630 --> 00:53:14,700  
interfered with or something by another

1127  
00:53:19,130 --> 00:53:17,640  
radar set you know and even in the

1128  
00:53:21,530 --> 00:53:19,140  
report of the arrow report we see now

1129  
00:53:23,450 --> 00:53:21,540  
they say the same thing like these

1130  
00:53:25,130 --> 00:53:23,460  
Radars it could be a malfunction or

1131  
00:53:28,730 --> 00:53:25,140  
aberration like

1132  
00:53:31,130 --> 00:53:28,740  
if we it's 2023 and we were dealing with

1133  
00:53:33,890 --> 00:53:31,140  
that in 48

1134  
00:53:35,870 --> 00:53:33,900  
49 50 right like

1135  
00:53:37,609 --> 00:53:35,880  
we've come all this way with technology

1136  
00:53:40,910 --> 00:53:37,619  
and you're telling me that you haven't

1137  
00:53:44,630 --> 00:53:42,710  
like

1138  
00:53:47,569 --> 00:53:44,640

what would you do in a war how could you

1139

00:53:49,970 --> 00:53:47,579

even trust what you're seeing on radar

1140

00:53:51,410 --> 00:53:49,980

although you know it could be anomalous

1141

00:53:55,549 --> 00:53:51,420

propagation I'm not going to go after

1142

00:54:02,089 --> 00:53:58,490

it's it's it's and all this

1143

00:54:04,130 --> 00:54:02,099

time like you don't train Pilots that

1144

00:54:06,410 --> 00:54:04,140

that's a possibility because if he did

1145

00:54:07,730 --> 00:54:06,420

they probably wouldn't report it

1146

00:54:09,650 --> 00:54:07,740

right

1147

00:54:11,210 --> 00:54:09,660

oh I was trained about this this is an

1148

00:54:12,109 --> 00:54:11,220

almost propagation this is what it looks

1149

00:54:14,210 --> 00:54:12,119

like

1150

00:54:16,549 --> 00:54:14,220

I don't need to report that as a UFO

1151  
00:54:20,210 --> 00:54:16,559  
because I know what it is because I was

1152  
00:54:25,730 --> 00:54:22,910  
the fact is there is no education for it

1153  
00:54:27,770 --> 00:54:25,740  
because it's not

1154  
00:54:29,270 --> 00:54:27,780  
it's

1155  
00:54:31,430 --> 00:54:29,280  
probably because of the Air Force

1156  
00:54:32,510 --> 00:54:31,440  
actually wants those reports those UFO

1157  
00:54:36,049 --> 00:54:32,520  
reports probably because there's

1158  
00:54:40,549 --> 00:54:38,569  
sorry that just irritates me especially

1159  
00:54:42,530 --> 00:54:40,559  
when we go back like this far and we see

1160  
00:54:44,150 --> 00:54:42,540  
the same things

1161  
00:54:46,730 --> 00:54:44,160  
it's like

1162  
00:54:48,710 --> 00:54:46,740  
get a hold of yourself people

1163  
00:54:50,870 --> 00:54:48,720

Jesus

1164

00:54:54,589 --> 00:54:50,880

so

1165

00:54:58,910 --> 00:54:56,809

move on here

1166

00:55:02,030 --> 00:54:58,920

and I'm only going to the end of 49 so

1167

00:55:04,609 --> 00:55:02,040

this is like the last batch of of stuff

1168

00:55:07,370 --> 00:55:04,619

that we're going to be looking at

1169

00:55:10,849 --> 00:55:07,380

um in 1949 again was It was kind of

1170

00:55:14,450 --> 00:55:10,859

another I would say

1171

00:55:16,190 --> 00:55:14,460

one of the most Paradigm changing

1172

00:55:19,490 --> 00:55:16,200

years

1173

00:55:21,710 --> 00:55:19,500

for ufology at UFOs

1174

00:55:23,630 --> 00:55:21,720

in the mainstream in the Press like

1175

00:55:25,730 --> 00:55:23,640

remember we saw all we would just went

1176

00:55:28,549 --> 00:55:25,740

through all these reports

1177

00:55:31,250 --> 00:55:28,559

right Roswell all this stuff there's

1178

00:55:34,309 --> 00:55:31,260

nothing about bodies extraterrestrials

1179

00:55:36,349 --> 00:55:34,319

anything like that the closest we got

1180

00:55:38,750 --> 00:55:36,359

was the Airship thing that we looked at

1181

00:55:41,390 --> 00:55:38,760

they call mysterious Travelers and all

1182

00:55:43,790 --> 00:55:41,400

that but but they didn't go so as far as

1183

00:55:45,589 --> 00:55:43,800

far as to say you know I mean maybe they

1184

00:55:47,230 --> 00:55:45,599

did in a different article or maybe I

1185

00:55:50,690 --> 00:55:47,240

missed it or something but

1186

00:55:54,770 --> 00:55:50,700

extraterrestrials but but 1949 is when

1187

00:55:57,890 --> 00:55:54,780

that really took off and it's because of

1188

00:55:59,390 --> 00:55:57,900

this publication that came up uh by true

1189

00:56:02,750 --> 00:55:59,400

magazine

1190

00:56:04,910 --> 00:56:02,760

and Donald Kehoe who's a major for the

1191

00:56:08,150 --> 00:56:04,920

Marine Corps actually participated big

1192

00:56:10,370 --> 00:56:08,160

time in in that magazine and he did his

1193

00:56:11,930 --> 00:56:10,380

own eight-month study of this stuff with

1194

00:56:15,109 --> 00:56:11,940

the cooperation the Air Force we're

1195

00:56:18,890 --> 00:56:15,119

sharing uh files and information

1196

00:56:20,329 --> 00:56:18,900

so that true magazine piece comes out

1197

00:56:21,950 --> 00:56:20,339

and this is what you get in the

1198

00:56:23,329 --> 00:56:21,960

newspapers

1199

00:56:25,609 --> 00:56:23,339

so you know not everyone's going to

1200

00:56:28,490 --> 00:56:25,619

reach from magazine right flag saucers

1201  
00:56:30,470 --> 00:56:28,500  
called ships of visitors from space

1202  
00:56:33,349 --> 00:56:30,480  
right underneath it but Air Force

1203  
00:56:34,970 --> 00:56:33,359  
officials deny story of voyages to Earth

1204  
00:56:36,950 --> 00:56:34,980  
from another planet

1205  
00:56:38,690 --> 00:56:36,960  
true magazine said today that flank

1206  
00:56:40,370 --> 00:56:38,700  
saucers are interplanetary Vehicles

1207  
00:56:43,790 --> 00:56:40,380  
manned by Spacemen From A Distant

1208  
00:56:46,549 --> 00:56:43,800  
civilization more advanced than on Earth

1209  
00:56:49,250 --> 00:56:46,559  
but we hear that now right

1210  
00:56:52,790 --> 00:56:49,260  
whether it's louisano or or other people

1211  
00:56:56,030 --> 00:56:52,800  
the technology that we have is 50 100

1212  
00:56:59,990 --> 00:56:58,010  
concluding without reservation that

1213  
00:57:01,790 --> 00:57:00,000

flank saucers are real true said it

1214

00:57:03,730 --> 00:57:01,800

learned that a rocket Authority

1215

00:57:06,589 --> 00:57:03,740

stationed at right field

1216

00:57:09,170 --> 00:57:06,599

has told Air Force personnel flatly that

1217

00:57:13,069 --> 00:57:09,180

the saucers are interplanetary and that

1218

00:57:17,870 --> 00:57:16,309

there is a rocket Authority that said

1219

00:57:19,549 --> 00:57:17,880

that

1220

00:57:21,230 --> 00:57:19,559

but I don't think he was stationed at

1221

00:57:26,690 --> 00:57:21,240

right field but it could be a different

1222

00:57:26,700 --> 00:57:32,270

Air Force denies it

1223

00:57:37,670 --> 00:57:34,910

look at this point two here

1224

00:57:40,010 --> 00:57:37,680

at the bottom the planet earth has been

1225

00:57:42,950 --> 00:57:40,020

under systematic close range examination

1226  
00:57:45,730 --> 00:57:42,960  
by living intelligent observers from

1227  
00:57:48,049 --> 00:57:45,740  
another planet during the last 175 Years

1228  
00:57:50,870 --> 00:57:48,059  
first of all I'd like to know where did

1229  
00:57:52,730 --> 00:57:50,880  
they get that number from 175 years how

1230  
00:57:56,930 --> 00:57:52,740  
do they know that

1231  
00:57:59,089 --> 00:57:56,940  
uh that visits to the Earth

1232  
00:58:00,950 --> 00:57:59,099  
Atmosphere by these interplanetary

1233  
00:58:03,530 --> 00:58:00,960  
visitors have increased markedly during

1234  
00:58:07,270 --> 00:58:03,540  
the past two years we hear that now too

1235  
00:58:10,490 --> 00:58:07,280  
right actually it was in some

1236  
00:58:11,329 --> 00:58:10,500  
Congressional uh like press release or

1237  
00:58:13,250 --> 00:58:11,339  
something

1238  
00:58:16,549 --> 00:58:13,260

or I think it was a congressional like

1239

00:58:18,530 --> 00:58:16,559

explanation of the why they did the UFO

1240

00:58:23,750 --> 00:58:18,540

ndaa stuff and they said transmutum

1241

00:58:28,910 --> 00:58:26,569

that vehicles used for the observation

1242

00:58:30,829 --> 00:58:28,920

have been identified and categorized as

1243

00:58:32,450 --> 00:58:30,839

three distinct types but true pointed

1244

00:58:35,210 --> 00:58:32,460

out that observation of flying disc

1245

00:58:37,789 --> 00:58:35,220

indicates that the discernible pattern

1246

00:58:41,270 --> 00:58:37,799

of observation and exploration

1247

00:58:43,730 --> 00:58:41,280

shown varies in no important particular

1248

00:58:46,609 --> 00:58:43,740

from a well-developed American

1249

00:58:48,650 --> 00:58:46,619

plans for the exploration of space

1250

00:58:49,970 --> 00:58:48,660

expected to come to fruition within the

1251  
00:58:52,309 --> 00:58:49,980  
next 50 years

1252  
00:58:55,130 --> 00:58:52,319  
so

1253  
00:58:58,849 --> 00:58:55,140  
blast off this is the end of 1949 I

1254  
00:59:05,510 --> 00:59:02,049  
it's official like aliens

1255  
00:59:07,670 --> 00:59:05,520  
extraterrestrials and these UFOs are

1256  
00:59:09,770 --> 00:59:07,680  
locked together

1257  
00:59:12,950 --> 00:59:09,780  
until this day

1258  
00:59:15,470 --> 00:59:12,960  
as far as I can tell it all started

1259  
00:59:18,349 --> 00:59:15,480  
right here

1260  
00:59:20,870 --> 00:59:18,359  
but it wasn't just Donald Kehoe the

1261  
00:59:23,930 --> 00:59:20,880  
Marine major from the Marine Corps

1262  
00:59:26,450 --> 00:59:23,940  
he said this or this true magazine

1263  
00:59:28,670 --> 00:59:26,460

you actually had

1264

00:59:31,609 --> 00:59:28,680

reputable

1265

00:59:39,770 --> 00:59:34,970

come out and say the same thing one of

1266

00:59:44,569 --> 00:59:41,870

is Commander Robert

1267

00:59:46,549 --> 00:59:44,579

McLaughlin

1268

00:59:48,770 --> 00:59:46,559

who writes in the March issue of true

1269

00:59:51,650 --> 00:59:48,780

magazine that flag saucers were seen at

1270

00:59:55,250 --> 00:59:51,660

White Sands Missile Range

1271

00:59:56,930 --> 00:59:55,260

in April May and June of 1949.

1272

00:59:59,630 --> 00:59:56,940

on one occasion he said two small

1273

01:00:01,609 --> 00:59:59,640

saucers chased a Navy rocket the air

1274

01:00:03,470 --> 01:00:01,619

forces called the discs hoaxes or

1275

01:00:06,770 --> 01:00:03,480

misunderstandings of natural phenomenon

1276

01:00:09,349 --> 01:00:06,780

however Commander McLaughlin identified

1277

01:00:11,390 --> 01:00:09,359

by the magazine as a naval ordinance and

1278

01:00:13,069 --> 01:00:11,400

guided missile expert wrote in his

1279

01:00:17,030 --> 01:00:13,079

article I'm convinced that they are

1280

01:00:19,970 --> 01:00:17,040

spaceships from another planet operated

1281

01:00:22,130 --> 01:00:19,980

uh animate intelligent beings in its

1282

01:00:24,349 --> 01:00:22,140

January issue true magazine published an

1283

01:00:26,270 --> 01:00:24,359

article by Donald Kehoe who also

1284

01:00:28,670 --> 01:00:26,280

believed the saucers were spaceships

1285

01:00:32,089 --> 01:00:28,680

from another planet

1286

01:00:34,730 --> 01:00:32,099

and the air force of course

1287

01:00:37,970 --> 01:00:34,740

said the study lends no support to the

1288

01:00:39,829 --> 01:00:37,980

view that they come from another planet

1289

01:00:41,630 --> 01:00:39,839

this is interesting

1290

01:00:43,849 --> 01:00:41,640

so here

1291

01:00:45,650 --> 01:00:43,859

the next day the Air Force ended a

1292

01:00:48,109 --> 01:00:45,660

two-year investigation into flank disc

1293

01:00:50,870 --> 01:00:48,119

by labeling them misinterpretations

1294

01:00:54,289 --> 01:00:50,880

of various conventional objects a mild

1295

01:00:57,950 --> 01:00:54,299

form of mass hysteria or hoaxes

1296

01:01:04,309 --> 01:01:00,770

this is where

1297

01:01:06,589 --> 01:01:04,319

everything began this is why we're here

1298

01:01:08,569 --> 01:01:06,599

now

1299

01:01:10,150 --> 01:01:08,579

right

1300

01:01:12,049 --> 01:01:10,160

we have the connection to

1301

01:01:14,930 --> 01:01:12,059

extraterrestrials or a different type of

1302

01:01:16,670 --> 01:01:14,940

intelligence true magazine McLaughlin

1303

01:01:18,829 --> 01:01:16,680

here

1304

01:01:21,410 --> 01:01:18,839

a rocket expert

1305

01:01:23,510 --> 01:01:21,420

who's seen these at missile uh at White

1306

01:01:25,549 --> 01:01:23,520

Sands which by the way that was a big

1307

01:01:28,190 --> 01:01:25,559

deal to the Air Force the Air Force

1308

01:01:32,510 --> 01:01:28,200

office of special investigations put in

1309

01:01:36,770 --> 01:01:32,520

a lot of work investigating how this

1310

01:01:39,530 --> 01:01:36,780

White Sands McLaughlin story came out

1311

01:01:40,510 --> 01:01:39,540

they interviewed a lot of people to find

1312

01:01:45,410 --> 01:01:40,520

out

1313

01:01:50,210 --> 01:01:48,470

because there was an event and what had

1314

01:01:51,789 --> 01:01:50,220

happened was there was an event at White

1315

01:01:54,530 --> 01:01:51,799

Sands Missile Range

1316

01:01:56,930 --> 01:01:54,540

uh where they invited a lot of press

1317

01:01:59,210 --> 01:01:56,940

people maybe like 10 12 press people and

1318

01:02:03,049 --> 01:01:59,220

they were testing not only the V2 rocket

1319

01:02:05,569 --> 01:02:03,059

uh German design but also Viking rocket

1320

01:02:07,309 --> 01:02:05,579

and while this was happening there were

1321

01:02:10,069 --> 01:02:07,319

opportunities for these press people to

1322

01:02:11,809 --> 01:02:10,079

really talk to the the different uh

1323

01:02:14,930 --> 01:02:11,819

people there the Navy guys or whoever

1324

01:02:17,030 --> 01:02:14,940

else was there and during some of these

1325

01:02:19,730 --> 01:02:17,040

conversations

1326

01:02:21,289 --> 01:02:19,740

that story of the discs we're told to

1327

01:02:22,910 --> 01:02:21,299

these journalists and they they went

1328

01:02:24,470 --> 01:02:22,920

with it and ran with it so I think even

1329

01:02:26,049 --> 01:02:24,480

before this came out or the true

1330

01:02:29,450 --> 01:02:26,059

magazine there was actually

1331

01:02:32,030 --> 01:02:29,460

uh reports in the newspapers of that

1332

01:02:34,849 --> 01:02:32,040

White Sands incident

1333

01:02:37,849 --> 01:02:34,859

later on down the road in 1952 this the

1334

01:02:40,250 --> 01:02:37,859

cia's office of scientific intelligence

1335

01:02:42,710 --> 01:02:40,260

actually put together their own kind of

1336

01:02:45,049 --> 01:02:42,720

UFO study or report and they mentioned

1337

01:02:47,329 --> 01:02:45,059

the White Sands report which uh they had

1338

01:02:54,289 --> 01:02:47,339

a flag saucer clock that 18

1339

01:02:58,789 --> 01:02:56,329

flying disc said Commander McLaughlin

1340

01:03:00,289 --> 01:02:58,799

who since 1939 has been engaged in

1341

01:03:02,089 --> 01:03:00,299

rocket research have nothing to do with

1342

01:03:04,190 --> 01:03:02,099

any experiments carried on by American

1343

01:03:06,049 --> 01:03:04,200

scientists or for that matter by anyone

1344

01:03:07,730 --> 01:03:06,059

on Earth if these things are real they

1345

01:03:11,210 --> 01:03:07,740

come from another planet where creatures

1346

01:03:13,609 --> 01:03:11,220

are far ahead of us in science

1347

01:03:15,589 --> 01:03:13,619

I heard it said that they are spaceships

1348

01:03:19,670 --> 01:03:15,599

from Mars which have been attracted to

1349

01:03:21,650 --> 01:03:19,680

the Earth by atomic bomb explosions

1350

01:03:24,410 --> 01:03:21,660

and fascinated by what they saw have

1351  
01:03:27,890 --> 01:03:24,420  
continued to keep an eye on us we still

1352  
01:03:29,990 --> 01:03:27,900  
hear that theory today

1353  
01:03:33,049 --> 01:03:30,000  
attracted to Earth by our atomic bomb

1354  
01:03:37,190 --> 01:03:34,789  
75

1355  
01:03:40,430 --> 01:03:37,200  
or whatever years later

1356  
01:03:42,049 --> 01:03:40,440  
we're still using that theory

1357  
01:03:44,329 --> 01:03:42,059  
I'm not saying that's a good thing or a

1358  
01:03:46,670 --> 01:03:44,339  
bad thing I'm just pointing out

1359  
01:03:52,670 --> 01:03:46,680  
how long that's been going on

1360  
01:03:57,829 --> 01:03:56,390  
then this is what we're gonna finish on

1361  
01:03:59,270 --> 01:03:57,839  
and this is

1362  
01:04:02,450 --> 01:03:59,280  
well actually

1363  
01:04:03,349 --> 01:04:02,460

we're not going to finish there

1364

01:04:05,870 --> 01:04:03,359

sorry

1365

01:04:08,690 --> 01:04:05,880

we got one more

1366

01:04:11,270 --> 01:04:08,700

interesting tidbit

1367

01:04:14,870 --> 01:04:11,280

that we are going to do before we get to

1368

01:04:17,210 --> 01:04:14,880

that last piece of news

1369

01:04:19,309 --> 01:04:17,220

and then we'll wrap it up

1370

01:04:21,410 --> 01:04:19,319

oh maybe actually a couple couple things

1371

01:04:24,410 --> 01:04:21,420

so these this is all going to be a video

1372

01:04:26,569 --> 01:04:24,420

or audio testimony so this testimony I'm

1373

01:04:28,190 --> 01:04:26,579

about to play for you

1374

01:04:30,710 --> 01:04:28,200

um

1375

01:04:32,630 --> 01:04:30,720

comes from someone else who witnesses

1376

01:04:35,390 --> 01:04:32,640

stuff with McLaughlin

1377

01:04:38,990 --> 01:04:35,400

this person actually was a aeronautical

1378

01:04:40,370 --> 01:04:39,000

research engineer for General Mills

1379

01:04:42,470 --> 01:04:40,380

pretty big deal

1380

01:04:46,190 --> 01:04:42,480

and he gives us his testimony on what he

1381

01:04:49,190 --> 01:04:46,200

saw over White Sands Missile Range

1382

01:04:51,530 --> 01:04:49,200

in 1949 I was working with a navy

1383

01:04:54,049 --> 01:04:51,540

balloon project and made a number of

1384

01:04:56,750 --> 01:04:54,059

pilot balloon wind measurements

1385

01:04:58,670 --> 01:04:56,760

we launched a balloon one Sunday morning

1386

01:05:00,710 --> 01:04:58,680

here in New Mexico

1387

01:05:01,549 --> 01:05:00,720

in the company of some really enlisted

1388

01:05:05,210 --> 01:05:01,559

men

1389

01:05:07,309 --> 01:05:05,220

another seen this before and was using

1390

01:05:08,930 --> 01:05:07,319

the theater light to follow the balloon

1391

01:05:10,970 --> 01:05:08,940

and after a little while I looked up to

1392

01:05:12,170 --> 01:05:10,980

see how he was doing and I saw an object

1393

01:05:14,510 --> 01:05:12,180

that I thought was a balloon that was

1394

01:05:16,069 --> 01:05:14,520

moving into the East quite rapidly and I

1395

01:05:18,170 --> 01:05:16,079

urge that he'd get back on the balloon

1396

01:05:19,970 --> 01:05:18,180

and he assured me he had the balloon

1397

01:05:21,589 --> 01:05:19,980

finally we took the theater lights

1398

01:05:23,690 --> 01:05:21,599

looked through it and he did have the

1399

01:05:25,370 --> 01:05:23,700

balloon I was very interested in what

1400

01:05:27,530 --> 01:05:25,380

this other object was so I abandoned the

1401

01:05:29,569 --> 01:05:27,540

balloon and began tracking it it was

1402

01:05:32,450 --> 01:05:29,579

moving very rapidly about five degrees

1403

01:05:34,730 --> 01:05:32,460

or so per second across the sky went all

1404

01:05:36,770 --> 01:05:34,740

the way from the southwest down into the

1405

01:05:38,770 --> 01:05:36,780

Northeast and then it increased an

1406

01:05:43,490 --> 01:05:38,780

elevation angle and got small in a hurry

1407

01:05:46,430 --> 01:05:43,500

it did all this about 65 seconds

1408

01:05:48,530 --> 01:05:46,440

we were quite private about this or we

1409

01:05:50,150 --> 01:05:48,540

made another uh Foundation I released

1410

01:05:53,630 --> 01:05:50,160

another balloon and followed it this

1411

01:05:55,849 --> 01:05:53,640

time to 90 000 feet in this balloon

1412

01:05:57,770 --> 01:05:55,859

went into the South it had Northwind at

1413

01:05:59,569 --> 01:05:57,780

all altitudes from the surface up to 90

1414

01:06:01,490 --> 01:05:59,579

000 feet yet this object that I had

1415

01:06:03,470 --> 01:06:01,500

thought initially was a balloon moved

1416

01:06:05,210 --> 01:06:03,480

Against the Wind so I knew this wasn't a

1417

01:06:06,230 --> 01:06:05,220

balloon it wasn't a bird and it wasn't

1418

01:06:08,510 --> 01:06:06,240

Venus

1419

01:06:11,329 --> 01:06:08,520

I went over and called The White Sands

1420

01:06:13,250 --> 01:06:11,339

Missile Range Block House to find out uh

1421

01:06:15,589 --> 01:06:13,260

if they would launched something and I

1422

01:06:20,569 --> 01:06:15,599

got somebody back to the fact that are

1423

01:06:25,130 --> 01:06:22,580

are you guys nuts this is Sunday

1424

01:06:26,630 --> 01:06:25,140

[Laughter]

1425

01:06:28,549 --> 01:06:26,640

that's pretty funny

1426

01:06:33,049 --> 01:06:28,559

amazing

1427

01:06:35,329 --> 01:06:33,059

you know uh General Mills was big into

1428

01:06:36,890 --> 01:06:35,339

the balloon game at that point so they

1429

01:06:39,109 --> 01:06:36,900

knew exactly

1430

01:06:43,010 --> 01:06:39,119

what balloons were and all that kind of

1431

01:06:45,049 --> 01:06:43,020

stuff and it was not that and Andres yes

1432

01:06:48,710 --> 01:06:45,059

they're moving Against the Wind here we

1433

01:06:50,049 --> 01:06:48,720

hear that again moving Against the Wind

1434

01:06:52,549 --> 01:06:50,059

you know

1435

01:06:54,829 --> 01:06:52,559

it's not a balloon if it's moving

1436

01:06:57,230 --> 01:06:54,839

against the wind like people need to

1437

01:06:59,870 --> 01:06:57,240

realize that and that's something used

1438

01:07:04,670 --> 01:06:59,880

or said in the

1439

01:07:09,349 --> 01:07:04,680

uh famous Navy uh gimbal video

1440

01:07:15,410 --> 01:07:11,750

or the wind is at 180 knots and it was

1441

01:07:23,150 --> 01:07:18,549

pretty crazy so here again 1949 we have

1442

01:07:26,210 --> 01:07:23,160

more than reputable Witnesses coming out

1443

01:07:28,609 --> 01:07:26,220

and and you know bolstering this this

1444

01:07:30,109 --> 01:07:28,619

mystery of flank saucers which is

1445

01:07:32,710 --> 01:07:30,119

extremely interesting because at this

1446

01:07:34,789 --> 01:07:32,720

time it's also being tied to

1447

01:07:38,990 --> 01:07:34,799

extraterrestrials by Donald Kehoe and

1448

01:07:42,289 --> 01:07:39,529

um

1449

01:07:45,410 --> 01:07:42,299

another interesting testimony from a

1450

01:07:47,510 --> 01:07:45,420

sighting in 1949 comes from and Robert

1451

01:07:49,430 --> 01:07:47,520

kind of blew it

1452

01:07:54,349 --> 01:07:49,440

clay Tombo

1453

01:07:58,490 --> 01:07:54,359

he is uh he was that times Avi lobe

1454

01:08:03,770 --> 01:08:00,829

who had his own sighting

1455

01:08:12,910 --> 01:08:03,780

he discovered Pluto I should say back in

1456

01:08:20,870 --> 01:08:18,470

1 was uh one I saw in 1949 in August in

1457

01:08:23,090 --> 01:08:20,880

Las Cruces from my backyard

1458

01:08:25,729 --> 01:08:23,100

on that particular evening my wife and

1459

01:08:26,570 --> 01:08:25,739

her mother and I were enjoying the cool

1460

01:08:30,470 --> 01:08:26,580

area

1461

01:08:33,590 --> 01:08:30,480

and I was nine the beautiful transparent

1462

01:08:36,249 --> 01:08:33,600

Sky With the Stars and I happened to be

1463

01:08:38,930 --> 01:08:36,259

looking overhead and suddenly I spied a

1464

01:08:42,490 --> 01:08:38,940

strange uh

1465

01:08:46,789 --> 01:08:42,500

group of Lights moving and I said look

1466

01:08:48,289 --> 01:08:46,799

and they saw it amazingly and uh then I

1467

01:08:50,110 --> 01:08:48,299

would say they were visible for about

1468

01:08:53,209 --> 01:08:50,120

three seconds of time

1469

01:08:55,070 --> 01:08:53,219

and they disappeared at a height of

1470

01:08:59,349 --> 01:08:55,080

about 35 degrees above the south

1471

01:09:02,209 --> 01:08:59,359

southeastern Horizon uh no sound and

1472

01:09:04,450 --> 01:09:02,219

they seemed to kind of peel out the

1473

01:09:08,390 --> 01:09:04,460

rectangles of fever life seem to

1474

01:09:10,729 --> 01:09:08,400

foreshorten into slits and I've never

1475

01:09:12,530 --> 01:09:10,739

seen them like it before since and I'm

1476  
01:09:14,390 --> 01:09:12,540  
very much positive as to what this thing

1477  
01:09:15,110 --> 01:09:14,400  
was

1478  
01:09:17,630 --> 01:09:15,120  
thank you

1479  
01:09:19,490 --> 01:09:17,640  
interesting

1480  
01:09:23,870 --> 01:09:19,500  
I don't think we can argue that this

1481  
01:09:25,610 --> 01:09:23,880  
person is an intelligent person right

1482  
01:09:28,329 --> 01:09:25,620  
um not crazy

1483  
01:09:30,890 --> 01:09:28,339  
interesting thing is he

1484  
01:09:32,809 --> 01:09:30,900  
described him as like rectangles I think

1485  
01:09:35,689 --> 01:09:32,819  
which is interesting so we're getting

1486  
01:09:39,050 --> 01:09:35,699  
all these different shapes even back

1487  
01:09:43,130 --> 01:09:39,060  
then right reputable people

1488  
01:09:45,349 --> 01:09:43,140

just amazing and of course

1489

01:09:46,849 --> 01:09:45,359

we do get something from the president

1490

01:09:50,990 --> 01:09:46,859

at that time

1491

01:09:55,130 --> 01:09:53,269

but from the United States submarine

1492

01:09:56,870 --> 01:09:55,140

base at Key West Florida

1493

01:09:59,990 --> 01:09:56,880

A dispatch that quoted President

1494

01:10:02,270 --> 01:10:00,000

Truman's press secretary Charles Ross as

1495

01:10:04,430 --> 01:10:02,280

saying that President Truman has no

1496

01:10:06,650 --> 01:10:04,440

knowledge of any secret project by this

1497

01:10:08,930 --> 01:10:06,660

government that would give substance to

1498

01:10:11,630 --> 01:10:08,940

the existence of such object

1499

01:10:13,910 --> 01:10:11,640

Ross also said that both the Air Force

1500

01:10:18,370 --> 01:10:13,920

and the Navy deny that such objects

1501  
01:10:22,550 --> 01:10:20,870  
funny you know who didn't say that so I

1502  
01:10:24,530 --> 01:10:22,560  
said the Air Force and the Navy both say

1503  
01:10:26,390 --> 01:10:24,540  
that the objects don't exist who didn't

1504  
01:10:27,950 --> 01:10:26,400  
say that well the army

1505  
01:10:31,430 --> 01:10:27,960  
saying that

1506  
01:10:32,570 --> 01:10:31,440  
right pretty interesting

1507  
01:10:36,649 --> 01:10:32,580  
um

1508  
01:10:37,910 --> 01:10:36,659  
has to say that there must have been a

1509  
01:10:41,169 --> 01:10:37,920  
lot of pressure for him to have to come

1510  
01:10:45,050 --> 01:10:43,790  
uh you know I just thought that was

1511  
01:10:46,550 --> 01:10:45,060  
interesting

1512  
01:10:48,410 --> 01:10:46,560  
we don't get anything from the president

1513  
01:10:51,290 --> 01:10:48,420

now we actually have Congressional

1514

01:10:53,390 --> 01:10:51,300

language passed and uh when he was asked

1515

01:10:55,729 --> 01:10:53,400

about it he told a reporter to go back

1516

01:10:57,709 --> 01:10:55,739

and talk to Obama

1517

01:11:00,530 --> 01:10:57,719

because Obama said there are things in

1518

01:11:07,669 --> 01:11:00,540

this guy's present by it Biden hasn't

1519

01:11:12,229 --> 01:11:09,830

so I don't know maybe the information

1520

01:11:17,390 --> 01:11:12,239

there in the classified documents at one

1521

01:11:21,530 --> 01:11:19,610

so this last thing that uh I'm going to

1522

01:11:24,950 --> 01:11:21,540

talk about here

1523

01:11:26,750 --> 01:11:24,960

is really when

1524

01:11:30,290 --> 01:11:26,760

you know having bodies in the government

1525

01:11:34,189 --> 01:11:30,300

having bodies really came to

1526

01:11:37,490 --> 01:11:34,199

uh fruition so this is around the Aztec

1527

01:11:39,950 --> 01:11:37,500

Story the Aztec story is a story about a

1528

01:11:43,790 --> 01:11:39,960

crash disk and bodies were found in

1529

01:11:48,050 --> 01:11:43,800

multiple discs and again that is a very

1530

01:11:49,970 --> 01:11:48,060

um dense and complicated story

1531

01:11:53,870 --> 01:11:49,980

that I've actually done a show on you

1532

01:11:55,430 --> 01:11:53,880

can go back and and look at it but you

1533

01:11:58,250 --> 01:11:55,440

know I'm basically just saying that

1534

01:12:02,870 --> 01:11:58,260

here's where we have uh material

1535

01:12:06,010 --> 01:12:02,880

analysis beings man-like creatures

1536

01:12:10,669 --> 01:12:06,020

and this is I believe uh either end of

1537

01:12:10,679 --> 01:12:15,110

but there's another interesting

1538

01:12:18,410 --> 01:12:16,729

um thing that comes out of this so I'm

1539

01:12:20,510 --> 01:12:18,420

just going to read it till I get there a

1540

01:12:22,610 --> 01:12:20,520

story of flank saucers piloted from

1541

01:12:25,189 --> 01:12:22,620

another planet by tiny man-like

1542

01:12:27,530 --> 01:12:25,199

creatures is told by Wes Izzard editor

1543

01:12:29,630 --> 01:12:27,540

of Amarillo Daily News and his column

1544

01:12:31,310 --> 01:12:29,640

for tomorrow morning's paper is it says

1545

01:12:33,830 --> 01:12:31,320

that he got a tip from a Kansas City man

1546

01:12:36,290 --> 01:12:33,840

the two Denver businessmen could give

1547

01:12:39,890 --> 01:12:36,300

him the story he telephone them and they

1548

01:12:41,689 --> 01:12:39,900

did he says in his column from Ada Izzard

1549

01:12:44,330 --> 01:12:41,699

he's a Foreman's told him that they had

1550

01:12:46,310 --> 01:12:44,340

pieced the story together over a period

1551  
01:12:48,410 --> 01:12:46,320  
of eight months from observation and

1552  
01:12:50,510 --> 01:12:48,420  
from talks with a group of scientists

1553  
01:12:53,209 --> 01:12:50,520  
who visit Denver frequently is there to

1554  
01:12:54,830 --> 01:12:53,219  
admitting the yarn is second hand says

1555  
01:12:57,709 --> 01:12:54,840  
it could

1556  
01:12:59,930 --> 01:12:57,719  
uh be a hoax but he says both Denver men

1557  
01:13:02,630 --> 01:12:59,940  
have reputations as sober

1558  
01:13:04,630 --> 01:13:02,640  
uh sound responsible citizens both he

1559  
01:13:07,130 --> 01:13:04,640  
says seem sincere in baffled he had

1560  
01:13:08,930 --> 01:13:07,140  
identifies them as X and Y there's other

1561  
01:13:11,209 --> 01:13:08,940  
articles that came out that identify him

1562  
01:13:13,729 --> 01:13:11,219  
and we know what their names are now but

1563  
01:13:15,470 --> 01:13:13,739

this is just the report here we're in

1564

01:13:17,930 --> 01:13:15,480

the business here and we don't go around

1565

01:13:20,750 --> 01:13:17,940

talking about this thing because people

1566

01:13:22,189 --> 01:13:20,760

would think we're crazy lizzard says this

1567

01:13:24,110 --> 01:13:22,199

is their story

1568

01:13:26,030 --> 01:13:24,120

plank saucers are made of a metal that

1569

01:13:27,709 --> 01:13:26,040

defies analysis government investigators

1570

01:13:29,270 --> 01:13:27,719

have several saucers and have been

1571

01:13:32,390 --> 01:13:29,280

studying them for nearly three years

1572

01:13:33,950 --> 01:13:32,400

they plan to let the information and

1573

01:13:36,169 --> 01:13:33,960

this weren't going to stop here they

1574

01:13:41,630 --> 01:13:36,179

plan to let the information leak out

1575

01:13:41,640 --> 01:13:45,189

right

1576

01:13:52,310 --> 01:13:48,169

they plan to let the information leak

1577

01:13:55,610 --> 01:13:52,320

out gradually to prevent Hysteria

1578

01:13:57,350 --> 01:13:55,620

we've been hearing that same thing for

1579

01:13:59,330 --> 01:13:57,360

so long

1580

01:14:04,790 --> 01:13:59,340

if disclosures coming they got to do it

1581

01:14:09,649 --> 01:14:06,649

so we've been hearing that

1582

01:14:11,570 --> 01:14:09,659

since the late 40s we've been hearing

1583

01:14:14,390 --> 01:14:11,580

their these et's are attractive because

1584

01:14:18,370 --> 01:14:14,400

the atomic tests since the late 40s

1585

01:14:22,430 --> 01:14:18,380

we've had you know reputable

1586

01:14:25,550 --> 01:14:22,440

military and academic Witnesses since

1587

01:14:29,270 --> 01:14:25,560

the late 40s we've had familiar Yarns

1588

01:14:29,280 --> 01:14:34,370

all that stuff since the late 40s

1589

01:14:39,169 --> 01:14:36,770

um Roberts asked me to bring the article

1590

01:14:41,270 --> 01:14:39,179

back up sure

1591

01:14:42,530 --> 01:14:41,280

um well actually I can't but I can send

1592

01:14:44,689 --> 01:14:42,540

it to you

1593

01:14:47,090 --> 01:14:44,699

if you want Robert

1594

01:14:49,010 --> 01:14:47,100

uh just send me an email remind me and

1595

01:14:51,590 --> 01:14:49,020

I'll send it to you

1596

01:14:56,169 --> 01:14:51,600

so

1597

01:15:04,070 --> 01:14:59,950

the well I guess that's the

1598

01:15:06,110 --> 01:15:04,080

end of the gig although Robert wants to

1599

01:15:07,550 --> 01:15:06,120

see this thing again now I brought back

1600

01:15:12,709 --> 01:15:07,560

up

1601  
01:15:16,910 --> 01:15:15,290  
so

1602  
01:15:19,750 --> 01:15:16,920  
he wants to read a little bit more about

1603  
01:15:21,950 --> 01:15:19,760  
that Robert likes this case

1604  
01:15:23,930 --> 01:15:21,960  
they have slept there and eaten there

1605  
01:15:25,370 --> 01:15:23,940  
have talked to me and each other about

1606  
01:15:27,649 --> 01:15:25,380  
this thing I'm a hard-boiled business

1607  
01:15:29,149 --> 01:15:27,659  
executive and I think I can tell when a

1608  
01:15:31,130 --> 01:15:29,159  
man is lying

1609  
01:15:32,570 --> 01:15:31,140  
it's hard to believe the boys are lying

1610  
01:15:35,630 --> 01:15:32,580  
when they talk about this project

1611  
01:15:40,669 --> 01:15:38,450  
yeah and this is a pretty thick and long

1612  
01:15:42,410 --> 01:15:40,679  
thread and I can tell you right now like

1613  
01:15:46,550 --> 01:15:42,420

I've read the Air Force documents on

1614

01:15:49,729 --> 01:15:46,560

this Aztec case and everything and

1615

01:15:53,209 --> 01:15:49,739

um although I can't you know find the

1616

01:15:56,689 --> 01:15:53,219

actual case I find that they

1617

01:15:58,850 --> 01:15:56,699

investigated the out of this they

1618

01:16:02,510 --> 01:15:58,860

went all over the country doing

1619

01:16:03,229 --> 01:16:02,520

interviews with people about this story

1620

01:16:06,530 --> 01:16:03,239

um

1621

01:16:08,689 --> 01:16:06,540

so it's it's definitely interesting

1622

01:16:12,590 --> 01:16:08,699

because like why would you do all this

1623

01:16:12,600 --> 01:16:16,450

um

1624

01:16:21,290 --> 01:16:19,610

oh yeah here we go so Mr y believes

1625

01:16:24,290 --> 01:16:21,300

another division of the Department of

1626  
01:16:26,630 --> 01:16:24,300  
Defense has been secretly investigating

1627  
01:16:29,330 --> 01:16:26,640  
the saucers

1628  
01:16:36,130 --> 01:16:31,850  
it's another yarn that we heard today

1629  
01:16:39,229 --> 01:16:36,140  
other UFO investigations going on

1630  
01:16:41,930 --> 01:16:39,239  
metal cannot be melted into fight

1631  
01:16:54,350 --> 01:16:43,550  
so

1632  
01:16:55,550 --> 01:16:54,360  
I hope that you in enjoyed the gig today

1633  
01:16:57,290 --> 01:16:55,560  
um put a good amount of effort into

1634  
01:16:58,970 --> 01:16:57,300  
getting those clippings and I wasn't

1635  
01:17:01,010 --> 01:16:58,980  
sure what I wanted to do with them as I

1636  
01:17:04,430 --> 01:17:01,020  
found them so I thought hey let's just

1637  
01:17:07,130 --> 01:17:04,440  
put a show together and

1638  
01:17:11,390 --> 01:17:07,140

you know go through all those pieces

1639

01:17:15,709 --> 01:17:11,400  
because it's important right like

1640

01:17:21,709 --> 01:17:19,910  
and it's it's just uh it's too long

1641

01:17:24,530 --> 01:17:21,719  
and I I hope we can get some

1642

01:17:26,810 --> 01:17:24,540  
transparency on this I hope that somehow

1643

01:17:29,149 --> 01:17:26,820  
like a congressperson or somebody

1644

01:17:31,010 --> 01:17:29,159  
involved with this effort watches this

1645

01:17:33,050 --> 01:17:31,020  
video

1646

01:17:34,850 --> 01:17:33,060  
and and learns a little piece of History

1647

01:17:35,810 --> 01:17:34,860  
here

1648

01:17:38,990 --> 01:17:35,820  
um

1649

01:17:40,790 --> 01:17:39,000  
I appreciate everybody here if uh this

1650

01:17:43,790 --> 01:17:40,800  
video gets any kind of sort of

1651  
01:17:46,550 --> 01:17:43,800  
viewership we could keep going you know

1652  
01:17:48,350 --> 01:17:46,560  
50 52 there's a lot more stuff that

1653  
01:17:49,729 --> 01:17:48,360  
happened you know but I just stopped it

1654  
01:17:50,750 --> 01:17:49,739  
here because this is kind of the

1655  
01:17:53,270 --> 01:17:50,760  
beginning

1656  
01:17:56,149 --> 01:17:53,280  
so

1657  
01:17:59,510 --> 01:17:56,159  
that being said like the video subscribe

1658  
01:18:01,610 --> 01:17:59,520  
if you haven't uh share it on you know

1659  
01:18:04,310 --> 01:18:01,620  
the social medias and stuff all that fun

1660  
01:18:05,870 --> 01:18:04,320  
stuff so uh I do thank you for hanging

1661  
01:18:07,490 --> 01:18:05,880  
out

1662  
01:18:10,430 --> 01:18:07,500  
being great

1663  
01:18:12,669 --> 01:18:10,440

um people in the chat always kind I

1664

01:18:18,169 --> 01:18:12,679

appreciate that very much

1665

01:18:21,229 --> 01:18:18,179

and I'm gonna get on with my Saturday so

1666

01:18:26,400 --> 01:18:21,239

peace y'all have a good one we'll see

1667

01:18:31,490 --> 01:18:28,930

[Music]

1668

01:18:32,930 --> 01:18:31,500

with all due respect to the Air Force I
