

1
00:00:11,170 --> 00:00:04,370
hey this is Sean and this is Jay and

2
00:00:16,189 --> 00:00:13,570
[Music]

3
00:00:17,570 --> 00:00:16,199
with all due respect to the Air Force I

4
00:00:43,910 --> 00:00:17,580
believe that some of them will prove to

5
00:00:43,920 --> 00:00:52,810
[Music]

6
00:00:58,790 --> 00:00:56,869
what is up dude how have you been I've

7
00:01:00,049 --> 00:00:58,800
been good I've been I've had a wonderful

8
00:01:01,490 --> 00:01:00,059
busy week

9
00:01:04,070 --> 00:01:01,500
um it's been great

10
00:01:05,750 --> 00:01:04,080
um yesterday was the two-year

11
00:01:08,570 --> 00:01:05,760
anniversary of the experienter group

12
00:01:12,350 --> 00:01:08,580
which um I saw that that's pretty cool

13
00:01:16,190 --> 00:01:12,360

oh thanks man so um so yeah I'm going

14

00:01:19,730 --> 00:01:16,200

into the third year of that so cool you

15

00:01:21,590 --> 00:01:19,740

know I I'm it's kind of on the one hand

16

00:01:23,990 --> 00:01:21,600

it feels like it's

17

00:01:26,270 --> 00:01:24,000

like three or four years already and at

18

00:01:28,130 --> 00:01:26,280

the same time it feels like the blink of

19

00:01:30,830 --> 00:01:28,140

an eye and you know it's just

20

00:01:33,109 --> 00:01:30,840

interesting like thinking about where I

21

00:01:35,390 --> 00:01:33,119

was two years ago versus now and like

22

00:01:36,950 --> 00:01:35,400

you and I hadn't met yet and yeah all

23

00:01:38,510 --> 00:01:36,960

the people that

24

00:01:41,330 --> 00:01:38,520

all the things that have happened and

25

00:01:43,429 --> 00:01:41,340

all the wonderful things in between then

26
00:01:46,130 --> 00:01:43,439
and now that have happened because of

27
00:01:48,109 --> 00:01:46,140
that in a lot of ways and just like

28
00:01:49,850 --> 00:01:48,119
choosing to be

29
00:01:52,069 --> 00:01:49,860
choosing to talk about this stuff in

30
00:01:54,050 --> 00:01:52,079
public it's it's changed my life in a

31
00:01:57,289 --> 00:01:54,060
really amazing way and I know that it's

32
00:01:58,609 --> 00:01:57,299
changed yours as well and so you know

33
00:02:00,289 --> 00:01:58,619
I'm kind of struck with that I think

34
00:02:04,190 --> 00:02:00,299
it's I think it's I think it's beautiful

35
00:02:07,310 --> 00:02:04,200
and I'm happy to be here it is uh I'm

36
00:02:10,510 --> 00:02:07,320
glad you're here too I remember

37
00:02:12,949 --> 00:02:10,520
well I guess like with the my experience

38
00:02:15,350 --> 00:02:12,959

really like

39

00:02:17,210 --> 00:02:15,360

I didn't experience too much of life

40

00:02:19,070 --> 00:02:17,220

without talking about it because I went

41

00:02:21,410 --> 00:02:19,080

straight to like I'm gonna do a show and

42

00:02:23,270 --> 00:02:21,420

all that kind of stuff so I don't I

43

00:02:23,990 --> 00:02:23,280

don't really know what that's like but I

44

00:02:24,890 --> 00:02:24,000

can't

45

00:02:28,190 --> 00:02:24,900

um

46

00:02:30,830 --> 00:02:28,200

can't imagine it you know it must been

47

00:02:33,290 --> 00:02:30,840

tough living life without really talking

48

00:02:34,729 --> 00:02:33,300

about it or being public with it but

49

00:02:36,650 --> 00:02:34,739

but you know you're doing good things

50

00:02:38,930 --> 00:02:36,660

with it with the experienter group and

51
00:02:41,570 --> 00:02:38,940
all that kind of stuff so so that's good

52
00:02:44,330 --> 00:02:41,580
and you know it's got to be refreshing

53
00:02:48,290 --> 00:02:44,340
and a bit uh freeing

54
00:02:51,229 --> 00:02:48,300
um to to have that out so well yeah

55
00:02:52,850 --> 00:02:51,239
well not only that I mean some some of

56
00:02:55,070 --> 00:02:52,860
the real heads here in the chat might

57
00:02:58,430 --> 00:02:55,080
and later on down the line might

58
00:03:00,830 --> 00:02:58,440
remember that the day that that I

59
00:03:02,809 --> 00:03:00,840
finally talked about my experience is

60
00:03:04,670 --> 00:03:02,819
more fully

61
00:03:07,670 --> 00:03:04,680
um in Ralph's article

62
00:03:09,589 --> 00:03:07,680
um that the same day that that came out

63
00:03:12,290 --> 00:03:09,599

um was the first time that you and I met

64

00:03:14,270 --> 00:03:12,300

it was later that day and I just jumped

65

00:03:18,229 --> 00:03:14,280

jumped right onto the show

66

00:03:21,170 --> 00:03:18,239

um because uh uh while Joe mergia was

67

00:03:23,509 --> 00:03:21,180

was already booked and he was and uh he

68

00:03:26,750 --> 00:03:23,519

and you conferred and then there I was

69

00:03:29,449 --> 00:03:26,760

and uh yeah and we've been together ever

70

00:03:31,369 --> 00:03:29,459

since yeah and I'll I'll always have a

71

00:03:33,710 --> 00:03:31,379

soft spot for Joe because of that I know

72

00:03:36,350 --> 00:03:33,720

uh you can be a bit abrasive to some

73

00:03:39,649 --> 00:03:36,360

people or whatever

74

00:03:41,750 --> 00:03:39,659

um but uh you know he's a winner in my

75

00:03:43,910 --> 00:03:41,760

book because he he put you in my life

76

00:03:48,830 --> 00:03:43,920

and I'll always be grateful for that so

77

00:03:51,229 --> 00:03:48,840

yeah for sure yeah yeah I love I love

78

00:03:53,930 --> 00:03:51,239

one of the I think the first time that I

79

00:03:55,789 --> 00:03:53,940

made James iandoli crack up ever was a

80

00:03:58,490 --> 00:03:55,799

joke about Joe mergia and I'll tell it

81

00:04:00,949 --> 00:03:58,500

really quickly okay so I was like I was

82

00:04:02,990 --> 00:04:00,959

like you know what I think is like

83

00:04:05,570 --> 00:04:03,000

the worst thing about Joe Merchant and

84

00:04:07,369 --> 00:04:05,580

he was like what and I said he takes he

85

00:04:09,350 --> 00:04:07,379

he often he takes two people on Twitter

86

00:04:11,570 --> 00:04:09,360

and he bangs them together like action

87

00:04:13,550 --> 00:04:11,580

figures and he was like he's like yeah

88

00:04:15,289 --> 00:04:13,560

and I was like you know what the best

89

00:04:17,449 --> 00:04:15,299

thing about Joe merger is and he was

90

00:04:19,250 --> 00:04:17,459

like what he goes I go he takes two

91

00:04:22,490 --> 00:04:19,260

figures on Twitter and then he bangs

92

00:04:28,550 --> 00:04:22,500

them together like action figures

93

00:04:30,350 --> 00:04:28,560

yeah no yeah he's he's yeah he's uh he's

94

00:04:32,930 --> 00:04:30,360

definitely he knows his stuff too he's

95

00:04:34,909 --> 00:04:32,940

been around everything for so long he's

96

00:04:36,950 --> 00:04:34,919

got everything so well documented on his

97

00:04:39,650 --> 00:04:36,960

website all the different quotes and the

98

00:04:41,870 --> 00:04:39,660

interviews and uh transcribing

99

00:04:44,689 --> 00:04:41,880

interviews and he does a great job with

100

00:04:47,390 --> 00:04:44,699

all that stuff so for sure yeah

101
00:04:49,790 --> 00:04:47,400
um we do have some we do have a little

102
00:04:52,070 --> 00:04:49,800
bit of news I guess we can get it out of

103
00:04:57,770 --> 00:04:52,080
the way and talk about the big Chinese

104
00:05:00,830 --> 00:04:57,780
balloon that's over us of a right now

105
00:05:03,110 --> 00:05:00,840
um yeah you know a couple of things come

106
00:05:05,330 --> 00:05:03,120
to mind as far as in like relation to

107
00:05:07,730 --> 00:05:05,340
UAP UFOs what we're going through now

108
00:05:09,230 --> 00:05:07,740
with arrow and all that the first thing

109
00:05:13,610 --> 00:05:09,240
is

110
00:05:15,290 --> 00:05:13,620
um it's incredible how we got a very

111
00:05:18,950 --> 00:05:15,300
clear picture of it

112
00:05:21,950 --> 00:05:18,960
right really right it obviously it looks

113
00:05:24,189 --> 00:05:21,960

like a balloon in that picture right and

114

00:05:27,230 --> 00:05:24,199

we got confirmation from the government

115

00:05:28,670 --> 00:05:27,240

right away and they called it a balloon

116

00:05:31,210 --> 00:05:28,680

right away

117

00:05:37,249 --> 00:05:31,220

uh which is all

118

00:05:39,469 --> 00:05:37,259

completely 100 different than it you

119

00:05:41,749 --> 00:05:39,479

know if you relate it to like the

120

00:05:44,629 --> 00:05:41,759

different UFO sightings and stuff

121

00:05:46,430 --> 00:05:44,639

whether it be the 2019 West Coast

122

00:05:49,790 --> 00:05:46,440

things that we were probably going to

123

00:05:53,390 --> 00:05:49,800

touch on later or the Tic Tac event or

124

00:05:57,409 --> 00:05:53,400

or other UFO sightings you know

125

00:06:01,310 --> 00:05:57,419

um so there's a clear line there

126
00:06:04,550 --> 00:06:01,320
between what is uh obviously prosaic and

127
00:06:07,070 --> 00:06:04,560
what isn't and so I find that extremely

128
00:06:09,850 --> 00:06:07,080
interesting and also the reaction to the

129
00:06:12,830 --> 00:06:09,860
balloon from the government in 100

130
00:06:17,270 --> 00:06:12,840
secretary blanken

131
00:06:19,670 --> 00:06:17,280
um trip over it you know we saw if like

132
00:06:22,070 --> 00:06:19,680
the West Coast events like our our Navy

133
00:06:24,409 --> 00:06:22,080
ships swarmed if they were like Chinese

134
00:06:27,170 --> 00:06:24,419
drones or whatever

135
00:06:30,529 --> 00:06:27,180
um you you would have expected to see a

136
00:06:33,110 --> 00:06:30,539
lot more uh steps like that

137
00:06:34,550 --> 00:06:33,120
you know back then so I find that

138
00:06:37,610 --> 00:06:34,560

interesting too and I like to compare

139

00:06:40,249 --> 00:06:37,620

those two yeah yeah absolutely I mean

140

00:06:43,010 --> 00:06:40,259

the from the last that I read I don't

141

00:06:44,570 --> 00:06:43,020

know if where it is where the winds have

142

00:06:48,469 --> 00:06:44,580

taken it and whether it's been taken

143

00:06:50,330 --> 00:06:48,479

down uh this morning I read

144

00:06:52,730 --> 00:06:50,340

um last night about it being over

145

00:06:55,129 --> 00:06:52,740

Montana I think it was at that point and

146

00:06:57,230 --> 00:06:55,139

and that they attracted it seemed like

147

00:06:59,570 --> 00:06:57,240

it had come in through Alaska and gone

148

00:07:01,790 --> 00:06:59,580

down or something like that and that it

149

00:07:04,430 --> 00:07:01,800

seems to be largely beholden to the the

150

00:07:06,290 --> 00:07:04,440

wind patterns it's not it doesn't it

151
00:07:07,850 --> 00:07:06,300
doesn't seem to have much propellant to

152
00:07:10,790 --> 00:07:07,860
it you know what I mean

153
00:07:11,629 --> 00:07:10,800
um which is interesting and like I I

154
00:07:14,450 --> 00:07:11,639
think

155
00:07:15,890 --> 00:07:14,460
for those of you that don't know okay or

156
00:07:17,450 --> 00:07:15,900
those of you that are watching from the

157
00:07:19,129 --> 00:07:17,460
future and have no frame of reference

158
00:07:20,930 --> 00:07:19,139
for this we just there have been a bunch

159
00:07:26,089 --> 00:07:20,940
of reports over the last 24 hours about

160
00:07:28,490 --> 00:07:26,099
a big uh Chinese uh balloon uh like spy

161
00:07:31,909 --> 00:07:28,500
balloon that looks like it has a bunch

162
00:07:34,550 --> 00:07:31,919
of solar panels uh on the bottom of it

163
00:07:36,409 --> 00:07:34,560

um flying over the us right now and it

164

00:07:38,570 --> 00:07:36,419

was spotted up in the high atmosphere

165

00:07:40,730 --> 00:07:38,580

from the ground by many many witnesses

166

00:07:43,309 --> 00:07:40,740

people wondered what it was it looked

167

00:07:45,469 --> 00:07:43,319

like a small Moon it was a description

168

00:07:48,110 --> 00:07:45,479

that was those common among Witnesses

169

00:07:50,990 --> 00:07:48,120

and then it was immediately looked at

170

00:07:53,089 --> 00:07:51,000

and found to be they kind of traced it

171

00:07:56,270 --> 00:07:53,099

back and said oh this is a Chinese drone

172

00:07:59,270 --> 00:07:56,280

this is a Chinese balloon uh spy balloon

173

00:08:01,670 --> 00:07:59,280

right and with the pictures of it you

174

00:08:03,710 --> 00:08:01,680

know it looks kind of wonky it doesn't

175

00:08:05,870 --> 00:08:03,720

look like it's fully inflated anymore

176

00:08:07,730 --> 00:08:05,880

maybe it's it's kind of bumpy on the

177

00:08:10,010 --> 00:08:07,740

edges it's hard to tell whether that's

178

00:08:12,409 --> 00:08:10,020

just the the camera angle or what and

179

00:08:14,570 --> 00:08:12,419

then you can see like a bank of what

180

00:08:16,490 --> 00:08:14,580

looked to be like solar panels that

181

00:08:18,230 --> 00:08:16,500

might be powering like camera system or

182

00:08:19,969 --> 00:08:18,240

something like that yeah there we go and

183

00:08:21,529 --> 00:08:19,979

so it looks you know if you were

184

00:08:23,089 --> 00:08:21,539

squinting it would almost look like the

185

00:08:25,430 --> 00:08:23,099

International Space Station flying

186

00:08:27,290 --> 00:08:25,440

across the moon but in fact you know

187

00:08:29,089 --> 00:08:27,300

this is a different this is a different

188

00:08:31,189 --> 00:08:29,099

thing entirely

189

00:08:33,709 --> 00:08:31,199

um and it's pretty high up apparently

190

00:08:36,709 --> 00:08:33,719

above like where commercial

191

00:08:38,329 --> 00:08:36,719

uh planes fly and everything so

192

00:08:41,209 --> 00:08:38,339

you know that even makes it more

193

00:08:43,730 --> 00:08:41,219

interesting that we can see that far up

194

00:08:45,829 --> 00:08:43,740

with the camera and have a clear picture

195

00:08:47,269 --> 00:08:45,839

like this obviously showing us what it

196

00:08:49,730 --> 00:08:47,279

is

197

00:08:52,190 --> 00:08:49,740

yeah and so it's it's interesting

198

00:08:53,570 --> 00:08:52,200

because you know a you know one

199

00:08:56,329 --> 00:08:53,580

interesting point as you were saying

200

00:08:57,650 --> 00:08:56,339

before and that is the response and we

201
00:08:59,389 --> 00:08:57,660
can and I want to get back to that but

202
00:09:02,030 --> 00:08:59,399
one thing is just like look at this

203
00:09:04,790 --> 00:09:02,040
thing just not this does not look

204
00:09:07,269 --> 00:09:04,800
like a Tic Tac this looks like our

205
00:09:09,410 --> 00:09:07,279
technology I mean it looks like our

206
00:09:12,170 --> 00:09:09,420
conventional technology it's pretty

207
00:09:14,210 --> 00:09:12,180
basic you got a balloon it doesn't you

208
00:09:15,769 --> 00:09:14,220
know you can if you look at the bottom

209
00:09:18,470 --> 00:09:15,779
right corner it does it looks like it's

210
00:09:21,050 --> 00:09:18,480
kind of got wonky edges to it

211
00:09:22,970 --> 00:09:21,060
um it doesn't look super pristine

212
00:09:24,710 --> 00:09:22,980
um kind of looks like a big trash bag in

213
00:09:26,690 --> 00:09:24,720

the air and it's got and it's got these

214

00:09:28,970 --> 00:09:26,700

solar panels or whatever they are I

215

00:09:30,889 --> 00:09:28,980

assume them to be solar panels now that

216

00:09:33,530 --> 00:09:30,899

doesn't look like what people describe

217

00:09:35,630 --> 00:09:33,540

the Tic Tac to be right right that

218

00:09:39,710 --> 00:09:35,640

doesn't and it doesn't behave like the

219

00:09:42,470 --> 00:09:39,720

Tic Tac is and also as you were

220

00:09:43,670 --> 00:09:42,480

mentioning you know the response that

221

00:09:45,710 --> 00:09:43,680

we've gotten

222

00:09:47,269 --> 00:09:45,720

uh from the government

223

00:09:48,949 --> 00:09:47,279

um has been to like put it out there

224

00:09:52,190 --> 00:09:48,959

immediately throw it onto every paper

225

00:09:53,930 --> 00:09:52,200

get the picture out and cancel and it

226

00:09:55,610 --> 00:09:53,940

caused a huge international incident

227

00:09:57,769 --> 00:09:55,620

because now

228

00:09:59,389 --> 00:09:57,779

um Secretary of State Lincoln is not

229

00:10:01,250 --> 00:09:59,399

going to China for a scheduled trip

230

00:10:04,730 --> 00:10:01,260

because they're you know they have to

231

00:10:07,009 --> 00:10:04,740

have a Face-Off about this uh the this

232

00:10:10,250 --> 00:10:07,019

this incident because unlike other

233

00:10:11,750 --> 00:10:10,260

countries uh the United States does not

234

00:10:16,730 --> 00:10:11,760

allow

235

00:10:18,949 --> 00:10:16,740

um uh other countries to fly right part

236

00:10:20,329 --> 00:10:18,959

of the open Skies treaty yeah we're not

237

00:10:21,410 --> 00:10:20,339

part of the open Skies treaty that's

238

00:10:23,329 --> 00:10:21,420

right

239

00:10:25,009 --> 00:10:23,339

um so so this is a vastly different

240

00:10:27,710 --> 00:10:25,019

response and so when people talk about

241

00:10:30,050 --> 00:10:27,720

like maybe maybe these UAP some of these

242

00:10:33,170 --> 00:10:30,060

uip are Chinese maybe some of them are

243

00:10:34,730 --> 00:10:33,180

Russian well you know as we've as we've

244

00:10:37,190 --> 00:10:34,740

talked about with Tom Rogan and other

245

00:10:39,050 --> 00:10:37,200

guests recently it's it's pretty obvious

246

00:10:43,070 --> 00:10:39,060

over the course of the last year that if

247

00:10:44,210 --> 00:10:43,080

Russia had some had some sick ass Tic

248

00:10:45,769 --> 00:10:44,220

Tacs

249

00:10:46,610 --> 00:10:45,779

um that they'd probably be using them by

250

00:10:48,769 --> 00:10:46,620

now

251
00:10:51,710 --> 00:10:48,779
um over there yeah something along those

252
00:10:55,190 --> 00:10:51,720
lines saucers or you know Delta Manta

253
00:10:57,350 --> 00:10:55,200
shaped triangles whatever and uh you

254
00:10:59,930 --> 00:10:57,360
would think and here we have a situation

255
00:11:02,930 --> 00:10:59,940
where where obviously the response is

256
00:11:06,069 --> 00:11:02,940
such that if all of these other it just

257
00:11:08,750 --> 00:11:06,079
makes you think you know it opens up

258
00:11:11,269 --> 00:11:08,760
make I guess it's like the size of three

259
00:11:13,430 --> 00:11:11,279
school buses which is pretty big

260
00:11:17,389 --> 00:11:13,440
um and you know what it makes me think

261
00:11:20,810 --> 00:11:17,399
of are instances like the The Mantel

262
00:11:25,069 --> 00:11:20,820
case back from 1948 where you know they

263
00:11:28,670 --> 00:11:25,079

the the Air Force said he was chasing a

264

00:11:30,530 --> 00:11:28,680

balloon you know and it just makes me

265

00:11:33,170 --> 00:11:30,540

think of stuff like that or other

266

00:11:34,670 --> 00:11:33,180

sightings where where you know the Air

267

00:11:36,829 --> 00:11:34,680

Force or whatever were like it was

268

00:11:39,050 --> 00:11:36,839

probably a balloon like just because it

269

00:11:40,370 --> 00:11:39,060

just seemed so obvious from a

270

00:11:42,290 --> 00:11:40,380

non-aviator

271

00:11:45,650 --> 00:11:42,300

you know

272

00:11:47,990 --> 00:11:45,660

that it's a balloon from this fuzzy

273

00:11:50,690 --> 00:11:48,000

picture so if you're in the sky like at

274

00:11:52,430 --> 00:11:50,700

the same level as the thing I'm pretty

275

00:11:55,430 --> 00:11:52,440

sure you'd be able to tell it was a

276

00:11:57,889 --> 00:11:55,440

balloon you know so that kind of kind of

277

00:11:59,690 --> 00:11:57,899

throws a lot of those not that they were

278

00:12:01,850 --> 00:11:59,700

in the window before but it throws them

279

00:12:04,610 --> 00:12:01,860

out the window for sure to me I mean

280

00:12:06,230 --> 00:12:04,620

because it's just so clear but

281

00:12:08,990 --> 00:12:06,240

um that there's nothing

282

00:12:13,550 --> 00:12:09,000

really weird about it it's round and

283

00:12:15,290 --> 00:12:13,560

white you know yeah but then and in some

284

00:12:17,569 --> 00:12:15,300

ways it's almost disappointing when you

285

00:12:20,030 --> 00:12:17,579

think about like oh you hear all of this

286

00:12:21,769 --> 00:12:20,040

rhetoric and and some might even some

287

00:12:24,470 --> 00:12:21,779

might even say propaganda about like oh

288

00:12:26,750 --> 00:12:24,480

the Chinese they're leapfrogging us uh

289

00:12:28,970 --> 00:12:26,760

you know technologically and you know

290

00:12:31,250 --> 00:12:28,980

there might be some truth to that within

291

00:12:33,949 --> 00:12:31,260

with some technology and there's you

292

00:12:37,190 --> 00:12:33,959

know there's a lot of stories recently

293

00:12:40,069 --> 00:12:37,200

about how whether it's a like Chinese uh

294

00:12:41,870 --> 00:12:40,079

appliances or you know Chinese apps like

295

00:12:43,370 --> 00:12:41,880

Tick Tock and stuff like that that

296

00:12:45,350 --> 00:12:43,380

people say like oh they're trying to

297

00:12:47,509 --> 00:12:45,360

smuggle surveillance software into

298

00:12:49,190 --> 00:12:47,519

technology these days you know there are

299

00:12:51,410 --> 00:12:49,200

a lot of there are a lot of intriguing

300

00:12:53,629 --> 00:12:51,420

stories about China and Tech these days

301
00:12:55,910 --> 00:12:53,639
but when you look at that thing I mean

302
00:12:57,290 --> 00:12:55,920
it looks it looks kind of like you know

303
00:12:59,150 --> 00:12:57,300
some University students could have put

304
00:13:01,009 --> 00:12:59,160
it together to be honest with you I mean

305
00:13:03,230 --> 00:13:01,019
it doesn't seem completely outside the

306
00:13:04,610 --> 00:13:03,240
range of possibility that you know that

307
00:13:06,710 --> 00:13:04,620
that could be from some engineering

308
00:13:08,569 --> 00:13:06,720
school I mean not saying it is I'm just

309
00:13:10,190 --> 00:13:08,579
saying it's like if that's what we're

310
00:13:11,750 --> 00:13:10,200
supposed to be scared of I'm not I'm not

311
00:13:13,730 --> 00:13:11,760
particularly frightened right now you

312
00:13:15,590 --> 00:13:13,740
know what I mean but yeah the only thing

313
00:13:20,930 --> 00:13:15,600

I can think of is as far as this

314

00:13:25,310 --> 00:13:20,940

situation is uh to me it must be

315

00:13:27,410 --> 00:13:25,320

it most likely was done on purpose for

316

00:13:29,990 --> 00:13:27,420

for a reason

317

00:13:31,550 --> 00:13:30,000

um because first of all it's so obvious

318

00:13:34,190 --> 00:13:31,560

right everybody knew right away and

319

00:13:35,810 --> 00:13:34,200

China is not going to be that stupid to

320

00:13:38,050 --> 00:13:35,820

think that you know they can get away

321

00:13:41,930 --> 00:13:38,060

with flying something over one of the

322

00:13:44,090 --> 00:13:41,940

most closely watched skies in the world

323

00:13:46,910 --> 00:13:44,100

you know with the best technology that

324

00:13:50,030 --> 00:13:46,920

exists so very good point it's kind of

325

00:13:52,490 --> 00:13:50,040

to me they had to know

326

00:13:54,230 --> 00:13:52,500

that you know uh we were going to find

327

00:13:55,670 --> 00:13:54,240

out we were going to know and maybe they

328

00:13:59,269 --> 00:13:55,680

just want to see the reaction or

329

00:14:01,069 --> 00:13:59,279

something like that I I don't know or

330

00:14:03,410 --> 00:14:01,079

um it's some sort of Power Play Move as

331

00:14:05,810 --> 00:14:03,420

as blinking was supposed to go visit

332

00:14:07,910 --> 00:14:05,820

um in China or something like that I

333

00:14:10,250 --> 00:14:07,920

don't know but it it it's really the the

334

00:14:12,230 --> 00:14:10,260

world affairs right now is is a complete

335

00:14:15,050 --> 00:14:12,240

mess and it seems like it's just getting

336

00:14:16,910 --> 00:14:15,060

worse all the time which which is kind

337

00:14:19,370 --> 00:14:16,920

of frightening so

338

00:14:21,829 --> 00:14:19,380

yeah I mean there's you know there's

339

00:14:24,710 --> 00:14:21,839

there are people

340

00:14:26,030 --> 00:14:24,720

similar kinds of people you know we'll

341

00:14:29,030 --> 00:14:26,040

bring it down so that we can bring it

342

00:14:31,970 --> 00:14:29,040

back up right yeah but like yeah you

343

00:14:34,490 --> 00:14:31,980

know I mean there there has been kind of

344

00:14:36,889 --> 00:14:34,500

an escalation lately in in the war in

345

00:14:38,449 --> 00:14:36,899

Ukraine and here we are and we're we're

346

00:14:40,189 --> 00:14:38,459

almost at

347

00:14:41,870 --> 00:14:40,199

the one year mark of the physical

348

00:14:44,150 --> 00:14:41,880

Invasion

349

00:14:46,490 --> 00:14:44,160

um about a year ago we had Lou alzado

350

00:14:47,629 --> 00:14:46,500

on the show and it was the very day that

351

00:14:50,090 --> 00:14:47,639

it happened

352

00:14:53,810 --> 00:14:50,100

um the very day of the physical

353

00:14:56,030 --> 00:14:53,820

um uh uh Invasion and he was pointing

354

00:14:58,310 --> 00:14:56,040

out that you know that that the war had

355

00:14:59,810 --> 00:14:58,320

already begun because of you know it had

356

00:15:02,449 --> 00:14:59,820

been clear that they'd been massing

357

00:15:04,189 --> 00:15:02,459

troops for months you know that was in

358

00:15:06,590 --> 00:15:04,199

the papers there's a lot of intrigue

359

00:15:07,670 --> 00:15:06,600

about that but he was like you know the

360

00:15:14,389 --> 00:15:07,680

the

361

00:15:16,790 --> 00:15:14,399

ground and that was a very good point

362

00:15:18,230 --> 00:15:16,800

and at that point like we had no you

363

00:15:20,509 --> 00:15:18,240

know we were speculating on that

364

00:15:21,829 --> 00:15:20,519

broadcast I think it was February 25th

365

00:15:24,290 --> 00:15:21,839

or something like that and we were

366

00:15:26,930 --> 00:15:24,300

speculating like you know how long is

367

00:15:28,970 --> 00:15:26,940

this going to last and and you know

368

00:15:31,250 --> 00:15:28,980

there's already like the idea that this

369

00:15:33,350 --> 00:15:31,260

could be something that could be in you

370

00:15:35,090 --> 00:15:33,360

know the story like us one of the

371

00:15:37,189 --> 00:15:35,100

biggest stories of the year and one of

372

00:15:39,050 --> 00:15:37,199

the things that's that we would be

373

00:15:40,370 --> 00:15:39,060

dealing with for a long time and here we

374

00:15:44,329 --> 00:15:40,380

are almost a year later and there's no

375

00:15:48,829 --> 00:15:44,339

end in sight right right yep

376

00:15:51,110 --> 00:15:48,839

um so moving on there were uh yeah there

377

00:15:56,930 --> 00:15:51,120

are a couple things that uh you know

378

00:16:00,590 --> 00:15:56,940

recently hit the UFO world and one of

379

00:16:04,610 --> 00:16:00,600

them that I'm particularly

380

00:16:09,110 --> 00:16:04,620

um pumped about is uh Forbidden Science

381

00:16:12,110 --> 00:16:09,120

volume number five uh that's right I got

382

00:16:15,050 --> 00:16:12,120

mine did you get oh you did it yeah oh

383

00:16:17,269 --> 00:16:15,060

my mine's mine's coming on Tuesday I've

384

00:16:19,250 --> 00:16:17,279

got my um right here I've got you got

385

00:16:21,710 --> 00:16:19,260

your five oh man you got your five yeah

386

00:16:23,569 --> 00:16:21,720

yeah right here I got my two and I've

387

00:16:25,310 --> 00:16:23,579

got I've been reading two

388

00:16:26,870 --> 00:16:25,320

um this last month so I didn't even know

389

00:16:28,850 --> 00:16:26,880

that it was gonna be coming out and I

390

00:16:30,530 --> 00:16:28,860

just got wonders in the sky too which is

391

00:16:33,230 --> 00:16:30,540

absolutely wonderful

392

00:16:34,370 --> 00:16:33,240

um I'm really I'm really excited about

393

00:16:37,189 --> 00:16:34,380

five

394

00:16:38,870 --> 00:16:37,199

um partially because okay so for those

395

00:16:41,449 --> 00:16:38,880

of you that that

396

00:16:42,769 --> 00:16:41,459

um that uh just got to the field or

397

00:16:45,110 --> 00:16:42,779

something like this you know Jacques

398

00:16:47,210 --> 00:16:45,120

Village is one of the biggest living

399

00:16:49,730 --> 00:16:47,220

legends in the field he's probably the

400

00:16:54,290 --> 00:16:49,740

biggest living legend in the field

401
00:16:57,949 --> 00:16:54,300
um uh he had uh a sighting when he was a

402
00:16:59,810 --> 00:16:57,959
child and then he had a he became an

403
00:17:02,810 --> 00:16:59,820
astronomer he was working at the Paris

404
00:17:05,270 --> 00:17:02,820
Observatory and in the 50s he witnessed

405
00:17:06,890 --> 00:17:05,280
a situation where at the Paris

406
00:17:10,429 --> 00:17:06,900
Observatory through the telescope people

407
00:17:13,909 --> 00:17:10,439
detected on UAP stuff up in the sky AI

408
00:17:17,210 --> 00:17:13,919
there was recordings of it a senior

409
00:17:19,549 --> 00:17:17,220
official of some sort came in and

410
00:17:23,569 --> 00:17:19,559
destroyed the footage the documentation

411
00:17:26,990 --> 00:17:23,579
of that and that had the effect of

412
00:17:28,150 --> 00:17:27,000
bringing one of the world's

413
00:17:31,130 --> 00:17:28,160

um

414

00:17:34,490 --> 00:17:31,140

arguably greatest Geniuses to be put

415

00:17:37,190 --> 00:17:34,500

onto the case of of uaps for the rest of

416

00:17:39,710 --> 00:17:37,200

his life and so since then he after that

417

00:17:41,390 --> 00:17:39,720

he worked for NASA and was part of the

418

00:17:43,669 --> 00:17:41,400

team that mapped Mars for the first time

419

00:17:46,610 --> 00:17:43,679

then he moved on to DARPA and helped

420

00:17:49,909 --> 00:17:46,620

create the dang internet he was on the

421

00:17:52,310 --> 00:17:49,919

early dang internet I know right and and

422

00:17:55,010 --> 00:17:52,320

that is actually that brings you me to

423

00:17:57,590 --> 00:17:55,020

to his journals he's been publishing he

424

00:18:01,070 --> 00:17:57,600

since the 50s he's been keeping a really

425

00:18:04,130 --> 00:18:01,080

active diary and he

426

00:18:08,029 --> 00:18:04,140

um publishes them he publishes them uh

427

00:18:11,090 --> 00:18:08,039

about he tends to publish them now

428

00:18:13,190 --> 00:18:11,100

um safely outside of the time that it

429

00:18:17,330 --> 00:18:13,200

actually happens and so the most recent

430

00:18:21,770 --> 00:18:17,340

one volume Five is from is um cataloging

431

00:18:23,450 --> 00:18:21,780

the years uh 2000 to 2009 and so here we

432

00:18:26,950 --> 00:18:23,460

are we're already like 14 years away

433

00:18:30,650 --> 00:18:26,960

from what he's talking about at least

434

00:18:34,610 --> 00:18:30,660

but people have been using the Forbidden

435

00:18:38,150 --> 00:18:34,620

Science journals as kind of like a like

436

00:18:41,990 --> 00:18:38,160

a in and Jacques himself has been using

437

00:18:43,730 --> 00:18:42,000

these journals as a way to kind of like

438

00:18:46,850 --> 00:18:43,740

drip out

439

00:18:50,810 --> 00:18:46,860

um corroborating information uh years

440

00:18:54,409 --> 00:18:50,820

later that um that will confirm deny or

441

00:18:57,110 --> 00:18:54,419

give context to all sorts of situations

442

00:18:59,210 --> 00:18:57,120

um that that people in the community and

443

00:19:01,490 --> 00:18:59,220

people that follow ufology and related

444

00:19:06,710 --> 00:19:01,500

topics have been speculating for a long

445

00:19:11,930 --> 00:19:09,950

dead center or even closer to to the

446

00:19:14,450 --> 00:19:11,940

issue in many respects

447

00:19:15,650 --> 00:19:14,460

um since you know the late 50s

448

00:19:17,990 --> 00:19:15,660

yeah

449

00:19:20,029 --> 00:19:18,000

um and you know I've just read a little

450

00:19:21,409 --> 00:19:20,039

bit of it so far

451

00:19:24,110 --> 00:19:21,419

um I'm gonna have a lot of reading time

452

00:19:25,970 --> 00:19:24,120

coming up so uh plan on taking care of

453

00:19:28,250 --> 00:19:25,980

it then but I I got into it a little bit

454

00:19:31,130 --> 00:19:28,260

today and you know it's very interesting

455

00:19:34,549 --> 00:19:31,140

especially coming from uh a perspective

456

00:19:37,789 --> 00:19:34,559

where I where I have not read any of his

457

00:19:40,250 --> 00:19:37,799

uh Forbidden Science volumes I've read a

458

00:19:43,070 --> 00:19:40,260

lot of his other books but but none of

459

00:19:45,289 --> 00:19:43,080

those so this is kind of my first

460

00:19:46,909 --> 00:19:45,299

um Taste of of these journals and it's

461

00:19:50,029 --> 00:19:46,919

very interesting I really appreciate a

462

00:19:52,370 --> 00:19:50,039

couple things about them one of which is

463

00:19:55,010 --> 00:19:52,380

um how sincere some of it is regarding

464

00:19:58,010 --> 00:19:55,020

like his personal life and and it gets

465

00:19:59,990 --> 00:19:58,020

into this particular book it's into his

466

00:20:01,310 --> 00:20:00,000

mother passing away and and what that

467

00:20:03,950 --> 00:20:01,320

was like for him

468

00:20:07,250 --> 00:20:03,960

um that which is heartbreaking it also

469

00:20:10,070 --> 00:20:07,260

gets into you know I also love like the

470

00:20:13,130 --> 00:20:10,080

kind of getting set getting a glimpse of

471

00:20:15,169 --> 00:20:13,140

his mind you know and how at times he

472

00:20:18,110 --> 00:20:15,179

was really just sick and tired of the

473

00:20:20,150 --> 00:20:18,120

Paranormal and researching it and and

474

00:20:22,190 --> 00:20:20,160

wondering why he's doing it and all that

475

00:20:24,710 --> 00:20:22,200

kind of stuff and you know that's how I

476

00:20:27,230 --> 00:20:24,720

often feel when I'm doing you know

477

00:20:28,669 --> 00:20:27,240

research or whatever and

478

00:20:30,950 --> 00:20:28,679

um you know you're not always sure of

479

00:20:33,770 --> 00:20:30,960

yourself and who you are and and you

480

00:20:35,090 --> 00:20:33,780

know he felt the same way and you get

481

00:20:38,150 --> 00:20:35,100

eclipse at that which is really

482

00:20:41,150 --> 00:20:38,160

interesting uh one thing in this uh book

483

00:20:43,010 --> 00:20:41,160

so far that stood out to me is uh in the

484

00:20:45,529 --> 00:20:43,020

year 2000

485

00:20:48,470 --> 00:20:45,539

um was his uh interactions with Bob

486

00:20:51,370 --> 00:20:48,480

Bigelow and how Bob Bigelow who's trying

487

00:20:54,289 --> 00:20:51,380

it to he really wanted uh public

488

00:20:58,010 --> 00:20:54,299

Congressional UFO hearings

489

00:21:01,070 --> 00:20:58,020

and was trying to accomplish that

490

00:21:02,510 --> 00:21:01,080

um and I found that just very

491

00:21:04,130 --> 00:21:02,520

interesting because they're having

492

00:21:06,049 --> 00:21:04,140

conversations about that and trying to

493

00:21:08,330 --> 00:21:06,059

get that accomplished and here we see

494

00:21:11,630 --> 00:21:08,340

that happening for the you know actually

495

00:21:13,250 --> 00:21:11,640

in 2022 this past year and we see a lot

496

00:21:15,890 --> 00:21:13,260

of the same characters involved back

497

00:21:17,630 --> 00:21:15,900

then that we see today that are involved

498

00:21:20,930 --> 00:21:17,640

like back then how Bud off was very

499

00:21:22,909 --> 00:21:20,940

involved uh with Bigelow valet and nids

500

00:21:26,029 --> 00:21:22,919

and everything and Eric Davis and and

501
00:21:29,090 --> 00:21:26,039
here we are 2023 and and you know helped

502
00:21:32,029 --> 00:21:29,100
putoff had a lot to do with the tsa and

503
00:21:34,430 --> 00:21:32,039
and the jump start of you know since

504
00:21:37,010 --> 00:21:34,440
2017 in the New York Times article and

505
00:21:39,049 --> 00:21:37,020
everything and how he's basically been

506
00:21:40,789 --> 00:21:39,059
involved in everything the whole way you

507
00:21:43,610 --> 00:21:40,799
know elizondo's connected to help code

508
00:21:46,250 --> 00:21:43,620
off like this thing this effort

509
00:21:49,070 --> 00:21:46,260
you know whatever it is to me it seems

510
00:21:52,909 --> 00:21:49,080
clear that it's been uh going on for a

511
00:21:56,390 --> 00:21:52,919
very long time you know absolutely

512
00:21:58,549 --> 00:21:56,400
absolutely I think I I appreciate that

513
00:22:01,430 --> 00:21:58,559

about him so much he's he's

514

00:22:03,409 --> 00:22:01,440

been ahead of the curve so much for so

515

00:22:05,270 --> 00:22:03,419

much of his life and you know a lot of

516

00:22:07,250 --> 00:22:05,280

people there's all there's often been a

517

00:22:10,490 --> 00:22:07,260

lot of intrigue around Jacques Valley

518

00:22:12,049 --> 00:22:10,500

because for example he assisted Jalen

519

00:22:15,230 --> 00:22:12,059

heineck during the Project Blue Book

520

00:22:18,890 --> 00:22:15,240

years and so you know there's there's

521

00:22:21,350 --> 00:22:18,900

and Jacques tends to

522

00:22:24,830 --> 00:22:21,360

um evolve his perspectives he's evolved

523

00:22:27,350 --> 00:22:24,840

his perspective on on the phenomenon and

524

00:22:29,750 --> 00:22:27,360

everything in relation to it

525

00:22:31,730 --> 00:22:29,760

um many many times over the years and so

526

00:22:33,350 --> 00:22:31,740

some people that have been in the

527

00:22:35,210 --> 00:22:33,360

community for a long time used to

528

00:22:37,130 --> 00:22:35,220

complain like oh he's a flip-flopper

529

00:22:39,169 --> 00:22:37,140

this that and the other thing

530

00:22:41,570 --> 00:22:39,179

um and in many ways what you can see

531

00:22:43,490 --> 00:22:41,580

from Reading you see the evolution of

532

00:22:46,669 --> 00:22:43,500

his thought through his Diaries and he

533

00:22:49,190 --> 00:22:46,679

becomes a much more interesting person

534

00:22:51,110 --> 00:22:49,200

from reading his Diaries in many ways

535

00:22:53,270 --> 00:22:51,120

because of the transparency that you're

536

00:22:54,710 --> 00:22:53,280

talking about you know as transparent as

537

00:22:56,450 --> 00:22:54,720

it can be I'm sure that there's days

538

00:22:57,830 --> 00:22:56,460

that he's editing out because he can't

539

00:22:59,450 --> 00:22:57,840

talk about something I'm sure that

540

00:23:01,610 --> 00:22:59,460

there's plenty of stuff that's happening

541

00:23:04,370 --> 00:23:01,620

that way but the amount that he lets

542

00:23:06,110 --> 00:23:04,380

people in it's a very brave thing that

543

00:23:07,610 --> 00:23:06,120

he does by publishing these Diaries and

544

00:23:10,789 --> 00:23:07,620

each of them you know each of these

545

00:23:13,669 --> 00:23:10,799

Diaries is around 500 pages long if not

546

00:23:15,470 --> 00:23:13,679

longer you know covering a decade and

547

00:23:18,070 --> 00:23:15,480

it'll be awesome I don't know if I will

548

00:23:21,110 --> 00:23:18,080

ever read the other ones because

549

00:23:24,049 --> 00:23:21,120

yeah can I just read a quick passage to

550

00:23:25,789 --> 00:23:24,059

give you an example okay so this is a

551

00:23:27,470 --> 00:23:25,799

good example of the kind of stuff that

552

00:23:29,930 --> 00:23:27,480

you get in here so

553

00:23:32,930 --> 00:23:29,940

um all these they're all broken down

554

00:23:34,789 --> 00:23:32,940

into almost like many chapters well

555

00:23:36,590 --> 00:23:34,799

they're broken down by day basically you

556

00:23:39,230 --> 00:23:36,600

know because it's a diary or whatever so

557

00:23:43,610 --> 00:23:39,240

and this day uh the 20th of February

558

00:23:47,690 --> 00:23:45,590

um he I'll just skip to this party goes

559

00:23:49,450 --> 00:23:47,700

over at nid's discussion has been raging

560

00:23:52,669 --> 00:23:49,460

about the

561

00:23:54,649 --> 00:23:52,679

m-e-d-e-a committee a group of experts

562

00:23:56,810 --> 00:23:54,659

including my friend Peter banks with

563

00:23:58,430 --> 00:23:56,820

access to surveillance satellite data

564

00:24:00,470 --> 00:23:58,440

physicist Eric Davis would like to join

565

00:24:02,990 --> 00:24:00,480

going on behalf of nids an idea that

566

00:24:04,610 --> 00:24:03,000

John Alexander finds unrealistic given

567

00:24:06,529 --> 00:24:04,620

the level of secrecy

568

00:24:09,409 --> 00:24:06,539

recalling the structure of special

569

00:24:12,110 --> 00:24:09,419

access programs like our remote viewing

570

00:24:15,409 --> 00:24:12,120

work at SRI helputoff reminded us that

571

00:24:17,289 --> 00:24:15,419

saps were not really Above Top Secret

572

00:24:19,789 --> 00:24:17,299

they're just

573

00:24:21,830 --> 00:24:19,799

compartmentalized in a special way in

574

00:24:24,230 --> 00:24:21,840

that vein John Alexander spoke

575

00:24:27,529 --> 00:24:24,240

mysteriously about a form of secret

576

00:24:31,730 --> 00:24:27,539

access called blue border which he

577

00:24:34,310 --> 00:24:31,740

claimed can get people killed so uh

578

00:24:36,470 --> 00:24:34,320

that's pretty

579

00:24:37,850 --> 00:24:36,480

it's pretty Insider baseball right there

580

00:24:40,190 --> 00:24:37,860

I don't know where you're gonna get

581

00:24:43,669 --> 00:24:40,200

information like that anywhere else you

582

00:24:46,070 --> 00:24:43,679

know absolutely absolutely absolutely

583

00:24:47,710 --> 00:24:46,080

you know I mean it's

584

00:24:51,529 --> 00:24:47,720

it's

585

00:24:53,270 --> 00:24:51,539

fascinating to see what what he talks

586

00:24:55,250 --> 00:24:53,280

about I mean I like I'm flipping through

587

00:24:57,590 --> 00:24:55,260

too and here's a random day and he's

588

00:24:59,450 --> 00:24:57,600

talking about in 1970 about meeting

589

00:25:03,529 --> 00:24:59,460

David Halperin

590

00:25:05,810 --> 00:25:03,539

um who who over the years became a very

591

00:25:08,630 --> 00:25:05,820

vital uh voice and kind of like the

592

00:25:09,950 --> 00:25:08,640

invisible college and and in talking

593

00:25:14,930 --> 00:25:09,960

about

594

00:25:16,970 --> 00:25:14,940

um the the uh unexplained uh situations

595

00:25:19,370 --> 00:25:16,980

throughout history through Antiquity to

596

00:25:21,710 --> 00:25:19,380

modern times the Jacques filet and Chris

597

00:25:24,110 --> 00:25:21,720

aubek started talking about more and

598

00:25:26,210 --> 00:25:24,120

wonders in the sky and and

599

00:25:28,010 --> 00:25:26,220

um and valet talked about a little bit

600

00:25:30,049 --> 00:25:28,020

in passports of begonia towards the back

601
00:25:31,789 --> 00:25:30,059
but um you know reading about these

602
00:25:33,350 --> 00:25:31,799
situations where he's meeting these

603
00:25:35,029 --> 00:25:33,360
figures that turned out to be historical

604
00:25:36,950 --> 00:25:35,039
figures and he's like oh you know I

605
00:25:38,510 --> 00:25:36,960
thought I got a good sense from him and

606
00:25:39,649 --> 00:25:38,520
I liked his eyes he had a nice eyes you

607
00:25:42,409 --> 00:25:39,659
know what I mean stuff like that it's

608
00:25:43,669 --> 00:25:42,419
like oh that's really cute and um and

609
00:25:45,289 --> 00:25:43,679
along the lines of what you're talking

610
00:25:47,450 --> 00:25:45,299
about with regard to like Congressional

611
00:25:48,549 --> 00:25:47,460
hearings that's I I was reading just the

612
00:25:53,269 --> 00:25:48,559
other day

613
00:25:55,850 --> 00:25:53,279

and I think goes in maybe a 70s yeah 72

614

00:25:58,130 --> 00:25:55,860

73 he had just joined the the DARPA

615

00:25:59,990 --> 00:25:58,140

project and he was you know he was

616

00:26:01,370 --> 00:26:00,000

working on the internet and he's like

617

00:26:03,289 --> 00:26:01,380

God I don't know how long this is going

618

00:26:05,090 --> 00:26:03,299

to take to get off the ground and even

619

00:26:06,970 --> 00:26:05,100

before he got to that project he had

620

00:26:09,529 --> 00:26:06,980

done early experiments at Stanford

621

00:26:11,330 --> 00:26:09,539

connecting different computer systems

622

00:26:14,510 --> 00:26:11,340

through the phone lines and so that he

623

00:26:16,669 --> 00:26:14,520

could send early email messages to the

624

00:26:18,830 --> 00:26:16,679

to the a woman that he was working with

625

00:26:20,750 --> 00:26:18,840

at the time on his design team on the

626
00:26:22,490 --> 00:26:20,760
supercomputer and he was like yeah you

627
00:26:25,250 --> 00:26:22,500
know we're working on putting about 30

628
00:26:27,169 --> 00:26:25,260
of these together 30 nodes together in

629
00:26:29,510 --> 00:26:27,179
this network and then he starts working

630
00:26:31,549 --> 00:26:29,520
at DARPA and they start getting really

631
00:26:33,769 --> 00:26:31,559
big picture about stuff right and he's

632
00:26:35,510 --> 00:26:33,779
like he's like they're you know they've

633
00:26:36,890 --> 00:26:35,520
got a lot of Big Ideas over here and

634
00:26:39,470 --> 00:26:36,900
he's like it's definitely going to

635
00:26:41,450 --> 00:26:39,480
happen it's inevitable and he's talking

636
00:26:43,010 --> 00:26:41,460
about you know in the early 1970s and

637
00:26:44,930 --> 00:26:43,020
he's like I think it's going to take

638
00:26:47,450 --> 00:26:44,940

about 30 years before this is in

639

00:26:49,250 --> 00:26:47,460

everybody's and this you know if people

640

00:26:51,350 --> 00:26:49,260

are if people are able to convince

641

00:26:53,090 --> 00:26:51,360

people that computers are worthwhile and

642

00:26:56,510 --> 00:26:53,100

useful I think it's going to take about

643

00:26:58,730 --> 00:26:56,520

30 years and just a thinking about him

644

00:27:01,190 --> 00:26:58,740

joining a project that he knows isn't

645

00:27:03,470 --> 00:27:01,200

isn't going to like totally pan out for

646

00:27:05,630 --> 00:27:03,480

maybe 30 years and then also that him

647

00:27:07,669 --> 00:27:05,640

being pretty dead on you know down to

648

00:27:10,730 --> 00:27:07,679

the air in terms of like when everybody

649

00:27:12,890 --> 00:27:10,740

did adopt uh you know adapt to the

650

00:27:14,750 --> 00:27:12,900

internet yeah stuff like that is

651
00:27:17,330 --> 00:27:14,760
absolutely amazing to see I'm sure not

652
00:27:19,070 --> 00:27:17,340
even he could really realize that the

653
00:27:21,950 --> 00:27:19,080
scope of what it turned into you know

654
00:27:23,390 --> 00:27:21,960
like yeah crazy but to be a part of that

655
00:27:26,630 --> 00:27:23,400
pretty cool

656
00:27:29,630 --> 00:27:26,640
um yeah another and you know we also

657
00:27:31,669 --> 00:27:29,640
hear uh some things that

658
00:27:34,490 --> 00:27:31,679
um that kind of tie some strings

659
00:27:35,870 --> 00:27:34,500
together about the Wilson Davis notes in

660
00:27:37,909 --> 00:27:35,880
here because it's during that time

661
00:27:40,850 --> 00:27:37,919
period the meeting I believe happened in

662
00:27:43,549 --> 00:27:40,860
99 or something like that 99 or

663
00:27:44,810 --> 00:27:43,559

something around there so this is in

664

00:27:47,690 --> 00:27:44,820

that time frame

665

00:27:49,730 --> 00:27:47,700

um and you get little Snippets and

666

00:27:51,950 --> 00:27:49,740

there's the last one I'll read but it's

667

00:27:53,570 --> 00:27:51,960

uh about zodiac you know so in the

668

00:27:55,909 --> 00:27:53,580

Wilson Davis notes is mentioned that

669

00:27:57,830 --> 00:27:55,919

there are some Gatekeepers uh that go by

670

00:28:00,590 --> 00:27:57,840

the name zodiac or whatever we're known

671

00:28:02,990 --> 00:28:00,600

as that uh the so he writes the first

672

00:28:07,250 --> 00:28:03,000

topic concerned the revelations of a

673

00:28:09,890 --> 00:28:07,260

former TRW employee uh

674

00:28:12,230 --> 00:28:09,900

an attorney friend of hers has gathered

675

00:28:14,269 --> 00:28:12,240

her testimony she was part of a secret

676

00:28:15,649 --> 00:28:14,279

reverse engineering project called

677

00:28:19,130 --> 00:28:15,659

zodiac

678

00:28:21,769 --> 00:28:19,140

uh Eric is in Eric Davis has compiled

679

00:28:24,649 --> 00:28:21,779

his own file but it doesn't lead to the

680

00:28:27,830 --> 00:28:24,659

verifiable hard facts we need

681

00:28:29,630 --> 00:28:27,840

so it it's extremely interesting then it

682

00:28:31,970 --> 00:28:29,640

goes on to say more interesting is the

683

00:28:33,890 --> 00:28:31,980

story of Kit green being briefed at a

684

00:28:35,690 --> 00:28:33,900

very high level about the UFO situation

685

00:28:37,490 --> 00:28:35,700

he was told that there had been three

686

00:28:41,570 --> 00:28:37,500

verified cases of alien Landings

687

00:28:44,750 --> 00:28:41,580

respectively 47 53 84 which would

688

00:28:46,490 --> 00:28:44,760

exclude Holloman he pointed out kit is

689

00:28:48,890 --> 00:28:46,500

puzzled about the briefing he trusts the

690

00:28:51,490 --> 00:28:48,900

people who gave it but is only half

691

00:28:54,110 --> 00:28:51,500

convinced the information is true so

692

00:28:55,549 --> 00:28:54,120

I'll just stop there but it's it it's

693

00:28:57,470 --> 00:28:55,559

pretty interesting you know they've been

694

00:29:00,049 --> 00:28:57,480

looking after going after the goodies

695

00:29:02,029 --> 00:29:00,059

for a very long time

696

00:29:03,710 --> 00:29:02,039

um you know it also kind of goes to show

697

00:29:05,810 --> 00:29:03,720

that they don't just uh you know believe

698

00:29:07,789 --> 00:29:05,820

anything that comes across their desks

699

00:29:09,950 --> 00:29:07,799

as far as like crashes and Technology

700

00:29:12,590 --> 00:29:09,960

like they still are

701

00:29:14,990 --> 00:29:12,600

um pretty can be skeptical about it for

702

00:29:17,450 --> 00:29:15,000

instance is kick green got briefed by

703

00:29:19,190 --> 00:29:17,460

some higher ups and he was puzzled about

704

00:29:21,950 --> 00:29:19,200

it and kind of only half believed it

705

00:29:23,810 --> 00:29:21,960

like so I know a lot of people like

706

00:29:26,269 --> 00:29:23,820

whether it be debunkers or people who

707

00:29:27,950 --> 00:29:26,279

don't like you know valet green and all

708

00:29:29,210 --> 00:29:27,960

those characters kind of think that

709

00:29:31,970 --> 00:29:29,220

they're just a bunch of goofballs and

710

00:29:34,190 --> 00:29:31,980

they believe anything Lynette's just you

711

00:29:36,230 --> 00:29:34,200

know not the case and you find that out

712

00:29:37,850 --> 00:29:36,240

by reading journals like this but which

713

00:29:40,909 --> 00:29:37,860

is work that those people don't really

714

00:29:43,370 --> 00:29:40,919

typically do but and it's and it's

715

00:29:45,889 --> 00:29:43,380

fascinating because you recognize

716

00:29:47,330 --> 00:29:45,899

you know you think about a person a lot

717

00:29:49,370 --> 00:29:47,340

of people in our community if they know

718

00:29:51,769 --> 00:29:49,380

who kid green is now that we're talking

719

00:29:53,630 --> 00:29:51,779

about Dr Christopher Greene who has

720

00:29:54,950 --> 00:29:53,640

worked in intelligence for many many

721

00:29:57,470 --> 00:29:54,960

decades

722

00:29:59,330 --> 00:29:57,480

um he he helped oversee the remote

723

00:30:01,490 --> 00:29:59,340

viewing project at Stanford Research

724

00:30:03,470 --> 00:30:01,500

Institute that uh he was the the

725

00:30:07,250 --> 00:30:03,480

go-between between Stanford Research

726

00:30:10,010 --> 00:30:07,260

Institute so Hal put off Russell Tark uh

727

00:30:11,630 --> 00:30:10,020

Ingo Swann all that that that group uh

728

00:30:13,570 --> 00:30:11,640

here's the go-between between them and

729

00:30:16,669 --> 00:30:13,580

the CIA when people said oh the CIA

730

00:30:19,130 --> 00:30:16,679

psychic program uh kid green was kind of

731

00:30:20,990 --> 00:30:19,140

like you know the the kneecap or the

732

00:30:23,029 --> 00:30:21,000

grease that was like helping put that

733

00:30:26,029 --> 00:30:23,039

together and he's been around ever since

734

00:30:27,889 --> 00:30:26,039

and it's fascinating to recognize as you

735

00:30:30,590 --> 00:30:27,899

can find in these journals and elsewhere

736

00:30:32,570 --> 00:30:30,600

that once you have this kind of inside a

737

00:30:34,850 --> 00:30:32,580

more inside perspective of these things

738

00:30:36,769 --> 00:30:34,860

people think that Cape green some people

739

00:30:38,690 --> 00:30:36,779

think that kid green is like you know

740

00:30:40,789 --> 00:30:38,700

right in the middle of everything and

741

00:30:43,010 --> 00:30:40,799

knows every yeah and knows quite a lot

742

00:30:44,930 --> 00:30:43,020

and he probably knows more than he says

743

00:30:46,370 --> 00:30:44,940

because he has a tendency to speak out

744

00:30:49,250 --> 00:30:46,380

of both sides of his mouth when he does

745

00:30:50,750 --> 00:30:49,260

speak publicly however there's been many

746

00:30:53,810 --> 00:30:50,760

notable cases like what you're talking

747

00:30:56,590 --> 00:30:53,820

about and kit green was famously one of

748

00:31:00,649 --> 00:30:56,600

the first people that received the the

749

00:31:03,169 --> 00:31:00,659

santilly alien autopsy footage back in

750

00:31:05,990 --> 00:31:03,179

the 90s that like took over the airwaves

751

00:31:08,149 --> 00:31:06,000

and there were like lots of early you

752

00:31:10,070 --> 00:31:08,159

know alien documentaries done about the

753

00:31:12,289 --> 00:31:10,080

alien autopsy video of people trying to

754

00:31:14,210 --> 00:31:12,299

pick it apart and things like that not

755

00:31:16,630 --> 00:31:14,220

to interrupt you but that thing is so

756

00:31:20,990 --> 00:31:19,130

like there's one part in that video

757

00:31:25,070 --> 00:31:21,000

where

758

00:31:27,169 --> 00:31:25,080

um the the surgeon or whatever is like

759

00:31:29,510 --> 00:31:27,179

writing something down and he's still in

760

00:31:31,310 --> 00:31:29,520

his medical gloves and he had just like

761

00:31:34,730 --> 00:31:31,320

scooped out the guts of this alien

762

00:31:36,769 --> 00:31:34,740

grabbed this pen right with his dirty

763

00:31:39,230 --> 00:31:36,779

gloves and put it on this piece of paper

764

00:31:40,549 --> 00:31:39,240

his dirty gloves and started writing and

765

00:31:41,930 --> 00:31:40,559

I'm like who would do that you would

766

00:31:44,330 --> 00:31:41,940

take that off you're not going to want

767

00:31:46,310 --> 00:31:44,340

to haul around this alien gut piece of

768

00:31:49,909 --> 00:31:46,320

paper everywhere you know like

769

00:31:52,130 --> 00:31:49,919

yeah you know that's that's one part of

770

00:31:54,769 --> 00:31:52,140

it but well I can tell you if I I mean

771

00:31:57,409 --> 00:31:54,779

in Devil's advocacy like I agree I I

772

00:31:59,389 --> 00:31:57,419

think to film this bunk however like if

773

00:32:01,549 --> 00:31:59,399

I if somebody was like Hey Jake can you

774

00:32:03,529 --> 00:32:01,559

uh autopsy this alien I'd probably be

775

00:32:06,529 --> 00:32:03,539

screwing up like left and right I'd be

776

00:32:08,510 --> 00:32:06,539

like yeah

777

00:32:11,029 --> 00:32:08,520

um yeah just freaking out I could be

778

00:32:12,350 --> 00:32:11,039

nervous and just be yeah just yeah but

779

00:32:13,850 --> 00:32:12,360

at the same time but at the same time

780

00:32:17,269 --> 00:32:13,860

you know there have been a lot of

781

00:32:21,049 --> 00:32:17,279

analyzes of of that footage and you know

782

00:32:22,549 --> 00:32:21,059

there does seem to be a tether you know

783

00:32:24,710 --> 00:32:22,559

the close like

784

00:32:26,750 --> 00:32:24,720

you know I don't want to put out lore

785

00:32:28,789 --> 00:32:26,760

that's that's like not completely

786

00:32:30,470 --> 00:32:28,799

verified or whatever but that's what we

787

00:32:31,669 --> 00:32:30,480

have to do all the time here

788

00:32:33,950 --> 00:32:31,679

um just because of the nature of the

789

00:32:36,169 --> 00:32:33,960

beast but you know part of the lore

790

00:32:40,669 --> 00:32:36,179

ended up being that like this this film

791

00:32:43,850 --> 00:32:40,679

was created to obscure a real story or a

792

00:32:47,990 --> 00:32:43,860

real sense of film and that a fake film

793

00:32:50,870 --> 00:32:48,000

was created by doing a kind of dramatic

794

00:32:53,330 --> 00:32:50,880

Reconstruction from two or three real

795

00:32:55,430 --> 00:32:53,340

frames of the actual footage of

796

00:32:57,830 --> 00:32:55,440

something that happened like this and so

797

00:33:00,950 --> 00:32:57,840

that was kind of like the kernel of the

798

00:33:04,190 --> 00:33:00,960

story that is kind of the accepted like

799

00:33:07,010 --> 00:33:04,200

a more accepted Truth Now by some

800

00:33:10,070 --> 00:33:07,020

parties is that there was a real autopsy

801

00:33:13,250 --> 00:33:10,080

video and that the room and like the

802

00:33:15,130 --> 00:33:13,260

whole the whole situation was meant to

803

00:33:18,230 --> 00:33:15,140

throw people off the trail of something

804

00:33:20,029 --> 00:33:18,240

that even if somebody had seen the real

805

00:33:21,889 --> 00:33:20,039

film and then saw the fake one if they

806

00:33:23,450 --> 00:33:21,899

just glanced at it they might have

807

00:33:26,330 --> 00:33:23,460

thought that that was is actually the

808

00:33:28,970 --> 00:33:26,340

real one right and so this is another

809

00:33:31,789 --> 00:33:28,980

situation where kit green got sent

810

00:33:34,549 --> 00:33:31,799

he like weirdly got sent disinformation

811

00:33:35,570 --> 00:33:34,559

or misinformation and you have to wonder

812

00:33:38,029 --> 00:33:35,580

like

813

00:33:40,070 --> 00:33:38,039

if he is at the level that he's been at

814

00:33:42,230 --> 00:33:40,080

in the CIA and stuff like that you know

815

00:33:44,509 --> 00:33:42,240

who is testing him

816

00:33:46,430 --> 00:33:44,519

why are they testing him you know what I

817

00:33:48,889 --> 00:33:46,440

mean who like adjacent to that zodiac

818

00:33:50,570 --> 00:33:48,899

group or who else who is testing a

819

00:33:52,789 --> 00:33:50,580

person like that

820

00:33:55,730 --> 00:33:52,799

um and he felt like he was being tested

821

00:33:57,950 --> 00:33:55,740

in situations like that you know and and

822

00:34:00,590 --> 00:33:57,960

it's it's fascinating

823

00:34:03,590 --> 00:34:00,600

um it all gets so dicey doesn't it like

824

00:34:06,049 --> 00:34:03,600

it does what are these people up to

825

00:34:08,750 --> 00:34:06,059

these Gatekeepers and and with this

826

00:34:12,290 --> 00:34:08,760

stuff like there's a huge story behind

827

00:34:14,930 --> 00:34:12,300

the scenes that I I hope one day uh we

828

00:34:17,750 --> 00:34:14,940

can figure it out you know whether

829

00:34:21,290 --> 00:34:17,760

whether it be you know covering up so

830

00:34:22,389 --> 00:34:21,300

maybe like whatever is going on let's

831

00:34:27,290 --> 00:34:22,399

say

832

00:34:30,409 --> 00:34:27,300

some interdimensional thing that maybe

833

00:34:34,310 --> 00:34:30,419

is kind of nasty or maybe it isn't maybe

834

00:34:36,169 --> 00:34:34,320

it's very nice and and they wanna you

835

00:34:37,669 --> 00:34:36,179

know come up with the narrative so so

836

00:34:39,770 --> 00:34:37,679

people don't know like something like

837

00:34:41,869 --> 00:34:39,780

that exists so they come up with aliens

838

00:34:44,389 --> 00:34:41,879

so you know make everyone think aliens

839

00:34:48,109 --> 00:34:44,399

so you know and in researching how

840

00:34:50,750 --> 00:34:48,119

aliens in in extraterrestrials

841

00:34:53,750 --> 00:34:50,760

first got into like the Press with with

842

00:34:55,730 --> 00:34:53,760

UFOs in it in 1949 and and all that kind

843

00:34:59,150 --> 00:34:55,740

of stuff and and how it's stuck around

844

00:35:01,849 --> 00:34:59,160

all that time is is just so

845

00:35:04,550 --> 00:35:01,859

so interesting to see the correlations

846

00:35:07,490 --> 00:35:04,560

the evolutions but also the things that

847

00:35:09,290 --> 00:35:07,500

remain the same as far as crash bodies

848

00:35:11,390 --> 00:35:09,300

saucer and all that kind of stuff and

849

00:35:13,849 --> 00:35:11,400

and then you read things like the CIA

850

00:35:16,970 --> 00:35:13,859

documents about psychological warfare

851
00:35:19,550 --> 00:35:16,980
and using UFOs for that and the wheels

852
00:35:21,109 --> 00:35:19,560
start spinning like what you know and

853
00:35:22,849 --> 00:35:21,119
you can put this picture together in

854
00:35:25,069 --> 00:35:22,859
your head but you know at the same time

855
00:35:27,470 --> 00:35:25,079
as at least for myself I have to step

856
00:35:29,630 --> 00:35:27,480
outside of that and realize like if I

857
00:35:31,490 --> 00:35:29,640
really wanted to and wanted to stretch

858
00:35:34,630 --> 00:35:31,500
my imagination I could make a lot of

859
00:35:39,290 --> 00:35:37,010
it doesn't mean one thing's true over

860
00:35:41,390 --> 00:35:39,300
the other but um yeah it's very very

861
00:35:43,069 --> 00:35:41,400
very very very interesting like Eric

862
00:35:46,730 --> 00:35:43,079
Davis actually in this Forbidden Science

863
00:35:49,069 --> 00:35:46,740

is is quoted as talking about these UFOs

864

00:35:51,050 --> 00:35:49,079

um and this is kind of off you know the

865

00:35:53,270 --> 00:35:51,060

topic but I'm just you know continuing

866

00:35:54,290 --> 00:35:53,280

the speculation Trend but these UFOs

867

00:35:56,270 --> 00:35:54,300

being

868

00:35:58,370 --> 00:35:56,280

um and this resonated with me that's why

869

00:36:01,370 --> 00:35:58,380

I wanted to make sure I mentioned it

870

00:36:04,790 --> 00:36:01,380

um that the UFOs are uh some sort of

871

00:36:07,010 --> 00:36:04,800

portal themselves you know because of

872

00:36:08,930 --> 00:36:07,020

what I saw especially this second thing

873

00:36:13,790 --> 00:36:08,940

I saw that came over my shoulder and it

874

00:36:16,970 --> 00:36:13,800

was like the circle thing it looked like

875

00:36:19,970 --> 00:36:16,980

like you know I would kind of Imagine a

876

00:36:21,530 --> 00:36:19,980

mini portal looking like like some could

877

00:36:23,270 --> 00:36:21,540

step through it or I could step through

878

00:36:24,650 --> 00:36:23,280

it or whatever

879

00:36:26,210 --> 00:36:24,660

um so it's very interesting and this

880

00:36:28,370 --> 00:36:26,220

portal thing keeps coming up in my life

881

00:36:30,290 --> 00:36:28,380

like my wife had a dream a couple weeks

882

00:36:32,690 --> 00:36:30,300

ago about a portal that was pretty

883

00:36:35,210 --> 00:36:32,700

interesting so that that keeps popping

884

00:36:37,130 --> 00:36:35,220

up and uh you know so there's all these

885

00:36:38,990 --> 00:36:37,140

different theories of what stuff is and

886

00:36:41,569 --> 00:36:39,000

what stuff isn't but but you can imagine

887

00:36:45,109 --> 00:36:41,579

if that's what UFOs really were were

888

00:36:47,329 --> 00:36:45,119

portals and the government somehow knew

889

00:36:48,950 --> 00:36:47,339

that and they didn't want anyone knowing

890

00:36:51,230 --> 00:36:48,960

that because well if you step through

891

00:36:52,190 --> 00:36:51,240

that changes everything

892

00:36:54,050 --> 00:36:52,200

um

893

00:36:57,109 --> 00:36:54,060

maybe they come up with something like

894

00:36:59,569 --> 00:36:57,119

aliens you know I don't know yeah I mean

895

00:37:01,670 --> 00:36:59,579

a couple of things that brought that

896

00:37:05,569 --> 00:37:01,680

that just brought up for me one is that

897

00:37:07,849 --> 00:37:05,579

you know in talking about portals

898

00:37:09,290 --> 00:37:07,859

um you know it's it's interesting

899

00:37:11,810 --> 00:37:09,300

because people talk a lot about

900

00:37:14,930 --> 00:37:11,820

portaling technology these days and like

901
00:37:18,410 --> 00:37:14,940
Eric Davis wrote a really really

902
00:37:20,510 --> 00:37:18,420
interesting paper for those dirts that

903
00:37:22,730 --> 00:37:20,520
came out the George Knapp played a heavy

904
00:37:24,349 --> 00:37:22,740
hand and and being able to get out that

905
00:37:27,349 --> 00:37:24,359
Hal put off

906
00:37:29,329 --> 00:37:27,359
um helped commission along with uh com

907
00:37:31,550 --> 00:37:29,339
Kelleher and other and other folks

908
00:37:34,849 --> 00:37:31,560
through the ASAP program the preceded

909
00:37:37,130 --> 00:37:34,859
atip and so they're those there we have

910
00:37:39,349 --> 00:37:37,140
I think all but two of the thirds have

911
00:37:41,810 --> 00:37:39,359
been have been released now and one of

912
00:37:43,970 --> 00:37:41,820
them was a was like a really

913
00:37:45,470 --> 00:37:43,980

wonderful and interesting paper that we

914

00:37:47,230 --> 00:37:45,480

actually talked about a little bit on

915

00:37:50,510 --> 00:37:47,240

the show at one point about a year ago

916

00:37:52,550 --> 00:37:50,520

on traversable wormholes uh that Eric

917

00:37:54,230 --> 00:37:52,560

gave yeah and so

918

00:37:55,609 --> 00:37:54,240

um you know this has obviously been

919

00:37:57,170 --> 00:37:55,619

something that people at pretty high

920

00:37:59,270 --> 00:37:57,180

levels in the field have been thinking

921

00:38:01,790 --> 00:37:59,280

about for a while and now especially

922

00:38:04,490 --> 00:38:01,800

considering like we have these hot spots

923

00:38:07,910 --> 00:38:04,500

by Catalina Islands uh you know just

924

00:38:10,310 --> 00:38:07,920

east of Miami East of my Virginia Beach

925

00:38:13,370 --> 00:38:10,320

um way off the coast of Australia people

926

00:38:15,890 --> 00:38:13,380

talk about other ones that um that

927

00:38:18,550 --> 00:38:15,900

people wonder you know is this a base

928

00:38:21,770 --> 00:38:18,560

underwater is this a base under under

929

00:38:23,870 --> 00:38:21,780

the water like right you know in you

930

00:38:26,690 --> 00:38:23,880

know closer to the core of the earth is

931

00:38:29,870 --> 00:38:26,700

it just a portal is this like a kind of

932

00:38:32,810 --> 00:38:29,880

permanently based portal and then at the

933

00:38:35,770 --> 00:38:32,820

on another level you know there's also

934

00:38:39,770 --> 00:38:35,780

many many accounts when people

935

00:38:43,010 --> 00:38:39,780

uh give testimony of being taken into a

936

00:38:45,470 --> 00:38:43,020

craft or seeing even just seeing into a

937

00:38:47,990 --> 00:38:45,480

craft that the craft that the space

938

00:38:49,490 --> 00:38:48,000

inside this much bigger yeah is much

939

00:38:52,550 --> 00:38:49,500

bigger than it appears on the outside

940

00:38:54,530 --> 00:38:52,560

which brings up the idea that these that

941

00:38:56,930 --> 00:38:54,540

some of these could essentially be like

942

00:39:00,290 --> 00:38:56,940

flying doorways that they could be like

943

00:39:01,970 --> 00:39:00,300

drones that have like like a Stargate

944

00:39:03,349 --> 00:39:01,980

kind of like built into them and that's

945

00:39:05,210 --> 00:39:03,359

essentially what they are you know

946

00:39:07,609 --> 00:39:05,220

there's and that and if you think about

947

00:39:09,890 --> 00:39:07,619

it that would actually be a really

948

00:39:11,870 --> 00:39:09,900

interesting protective scheme so that if

949

00:39:13,430 --> 00:39:11,880

it crashed people wouldn't necessarily

950

00:39:16,130 --> 00:39:13,440

know what to do with it there wouldn't

951
00:39:17,750 --> 00:39:16,140
be any bodies nobody would die but you

952
00:39:19,970 --> 00:39:17,760
know people could come in and out and do

953
00:39:22,250 --> 00:39:19,980
what they need to do without having to

954
00:39:23,870 --> 00:39:22,260
necessarily even leave whatever their

955
00:39:25,250 --> 00:39:23,880
native realm is whether that's somewhere

956
00:39:26,390 --> 00:39:25,260
else here on Earth or somewhere else

957
00:39:30,050 --> 00:39:26,400
right

958
00:39:32,089 --> 00:39:30,060
um and there are cool stories about like

959
00:39:34,310 --> 00:39:32,099
strange doorways that seem

960
00:39:38,390 --> 00:39:34,320
technologically reinforced for some

961
00:39:40,250 --> 00:39:38,400
reason and um in accounts like in um uh

962
00:39:41,750 --> 00:39:40,260
Earth and alien Enterprise by Timothy

963
00:39:44,930 --> 00:39:41,760

good there's some really great accounts

964

00:39:47,210 --> 00:39:44,940

of like these strange early accounts of

965

00:39:49,609 --> 00:39:47,220

of people walking into craft and having

966

00:39:52,430 --> 00:39:49,619

to pass through some strange kind of

967

00:39:55,370 --> 00:39:52,440

like pressurized seeming doorway

968

00:39:57,170 --> 00:39:55,380

um that sounds like and the space inside

969

00:39:59,990 --> 00:39:57,180

being bigger than it is on the outside

970

00:40:02,690 --> 00:40:00,000

which is pretty fascinating yeah so

971

00:40:05,150 --> 00:40:02,700

really cool fascinating yeah it's really

972

00:40:06,710 --> 00:40:05,160

fun to think about but you know when we

973

00:40:07,970 --> 00:40:06,720

go through this stuff I always you know

974

00:40:13,130 --> 00:40:07,980

think of

975

00:40:15,530 --> 00:40:13,140

the heck you know and that that just

976
00:40:17,329 --> 00:40:15,540
really resonated with me was was that

977
00:40:19,310 --> 00:40:17,339
could be a possibility well I ever know

978
00:40:21,050 --> 00:40:19,320
it is I don't know but I know Eric Davis

979
00:40:22,670 --> 00:40:21,060
is a hell of a lot smarter than me so

980
00:40:25,670 --> 00:40:22,680
whatever I'm thinking I should probably

981
00:40:26,569 --> 00:40:25,680
listen to him and see what he thinks you

982
00:40:30,890 --> 00:40:26,579
know

983
00:40:33,290 --> 00:40:30,900
yeah and he's got some great interviews

984
00:40:36,230 --> 00:40:33,300
out there before he had to kind of be

985
00:40:37,609 --> 00:40:36,240
quiet for his for his current job

986
00:40:39,650 --> 00:40:37,619
um he did a good interview with

987
00:40:41,870 --> 00:40:39,660
Alejandro Rojas that people point to

988
00:40:44,690 --> 00:40:41,880

often he did another interesting one

989

00:40:46,970 --> 00:40:44,700

with Erica Luke's and he did that he did

990

00:40:48,710 --> 00:40:46,980

that Infamous like 20-minute one with

991

00:40:50,870 --> 00:40:48,720

Stephen Green Street before Green Street

992

00:40:52,730 --> 00:40:50,880

kind of flipped over into being a

993

00:40:54,770 --> 00:40:52,740

full-on skeptic

994

00:40:57,710 --> 00:40:54,780

um right and those are interesting but

995

00:40:59,990 --> 00:40:57,720

if you really want a lot a really good

996

00:41:01,550 --> 00:41:00,000

um inroad into Eric Davis's thinking he

997

00:41:02,990 --> 00:41:01,560

does have public papers that are out

998

00:41:05,329 --> 00:41:03,000

there on the internet and they do have

999

00:41:07,370 --> 00:41:05,339

some great breadcrumbs and it would be

1000

00:41:09,589 --> 00:41:07,380

interesting to like you know bring a

1001
00:41:11,089 --> 00:41:09,599
couple people in and talk about some of

1002
00:41:12,890 --> 00:41:11,099
those papers again because they're just

1003
00:41:14,930 --> 00:41:12,900
sitting there you know what I mean and

1004
00:41:17,089 --> 00:41:14,940
like this diary you know there's there's

1005
00:41:18,410 --> 00:41:17,099
a lot to kind of take in

1006
00:41:21,530 --> 00:41:18,420
um here

1007
00:41:23,569 --> 00:41:21,540
um and you can get great kernels of

1008
00:41:25,250 --> 00:41:23,579
information from this stuff

1009
00:41:28,010 --> 00:41:25,260
um and it's just sitting here waiting to

1010
00:41:30,770 --> 00:41:28,020
be uh kind of kind of integrated into

1011
00:41:32,930 --> 00:41:30,780
into our understanding right well yeah

1012
00:41:34,609 --> 00:41:32,940
that could be a good topic for for a

1013
00:41:38,170 --> 00:41:34,619

show

1014

00:41:42,770 --> 00:41:38,180

um the work of Mr Eric Davis

1015

00:41:45,589 --> 00:41:42,780

yeah so the the other new uh thing that

1016

00:41:49,250 --> 00:41:45,599

is going down I see we're at 40 minutes

1017

00:41:51,250 --> 00:41:49,260

so I'll hurry this up here

1018

00:41:55,790 --> 00:41:51,260

um

1019

00:41:57,890 --> 00:41:55,800

is this new series on netgeo

1020

00:41:59,390 --> 00:41:57,900

Yeah by someone who's been on this very

1021

00:42:01,970 --> 00:41:59,400

show before

1022

00:42:04,849 --> 00:42:01,980

that's right uh Leslie Kane

1023

00:42:07,130 --> 00:42:04,859

that's right yeah Leslie's got this

1024

00:42:09,170 --> 00:42:07,140

great new show coming up I

1025

00:42:10,069 --> 00:42:09,180

um I actually

1026

00:42:11,030 --> 00:42:10,079

I

1027

00:42:14,990 --> 00:42:11,040

um

1028

00:42:18,470 --> 00:42:15,000

recently I'm gonna I'm trying to resist

1029

00:42:20,329 --> 00:42:18,480

humble bragging about it but um she is

1030

00:42:22,010 --> 00:42:20,339

um she's really psyched about the show

1031

00:42:24,470 --> 00:42:22,020

so for those of you that don't know it's

1032

00:42:28,730 --> 00:42:24,480

called UFOs investigating the unknown it

1033

00:42:30,710 --> 00:42:28,740

was originally slated to premiere on CNN

1034

00:42:32,930 --> 00:42:30,720

um there was a a controversy people

1035

00:42:35,329 --> 00:42:32,940

wondered whether CNN didn't want to

1036

00:42:37,130 --> 00:42:35,339

handle the show it was actually on our

1037

00:42:38,750 --> 00:42:37,140

show she said it was looking like it

1038

00:42:41,329 --> 00:42:38,760

would be out in like July or something

1039

00:42:42,829 --> 00:42:41,339

so then that's right that's kind of

1040

00:42:45,170 --> 00:42:42,839

where things were and then what you're

1041

00:42:47,150 --> 00:42:45,180

talking about happened yeah exactly and

1042

00:42:50,270 --> 00:42:47,160

so what happened was

1043

00:42:52,790 --> 00:42:50,280

um is that CNN got bought it got bought

1044

00:42:55,490 --> 00:42:52,800

by this guy David zasloff who has owned

1045

00:42:57,290 --> 00:42:55,500

discussion for a long time so he's

1046

00:42:59,510 --> 00:42:57,300

actually he used to be my boss I I used

1047

00:43:01,130 --> 00:42:59,520

to work for Discovery like producing TV

1048

00:43:03,829 --> 00:43:01,140

and I've actually met Davidson oh right

1049

00:43:07,910 --> 00:43:03,839

he's a very is a very imposing figure so

1050

00:43:10,670 --> 00:43:07,920

David zasloff he bought HBO Max he

1051
00:43:12,530 --> 00:43:10,680
bought CNN he's just he bought DC Comics

1052
00:43:14,990 --> 00:43:12,540
he's but he bought Warner Brothers he

1053
00:43:16,490 --> 00:43:15,000
bought all sorts of stuff and um just

1054
00:43:18,829 --> 00:43:16,500
over the last couple years like a huge

1055
00:43:20,809 --> 00:43:18,839
power play and so in doing that he's

1056
00:43:23,510 --> 00:43:20,819
been consolidating some of the

1057
00:43:25,670 --> 00:43:23,520
properties that he's had and so so that

1058
00:43:29,329 --> 00:43:25,680
he has now and so he shut down CNN

1059
00:43:31,550 --> 00:43:29,339
documentary films to like which seems

1060
00:43:34,790 --> 00:43:31,560
like a horrible mistake but he also has

1061
00:43:37,130 --> 00:43:34,800
a bunch of documentary like bureaus

1062
00:43:39,349 --> 00:43:37,140
within other aspects of this whole

1063
00:43:41,150 --> 00:43:39,359

portfolio right and so but the thing was

1064

00:43:44,809 --> 00:43:41,160

is that a bunch of projects like this

1065

00:43:47,030 --> 00:43:44,819

got shut down at CNN because all of a

1066

00:43:49,550 --> 00:43:47,040

sudden like CNN plus their online

1067

00:43:52,430 --> 00:43:49,560

documentary hosting went down everything

1068

00:43:54,530 --> 00:43:52,440

like that with the funding went down but

1069

00:43:56,930 --> 00:43:54,540

breakthrough films who produced this

1070

00:44:00,710 --> 00:43:56,940

with Leslie and a director named Ricky

1071

00:44:04,069 --> 00:44:00,720

Stern they bought back the project from

1072

00:44:06,470 --> 00:44:04,079

what I understand and are now they

1073

00:44:08,329 --> 00:44:06,480

chopped it around and now it's going now

1074

00:44:10,490 --> 00:44:08,339

it's actually going to be seen by way

1075

00:44:13,010 --> 00:44:10,500

more people because CNN is actually not

1076

00:44:14,569 --> 00:44:13,020

watched by that many folks it's you know

1077

00:44:16,250 --> 00:44:14,579

it's obviously interesting because it's

1078

00:44:18,829 --> 00:44:16,260

a news channel but now it's going to be

1079

00:44:20,329 --> 00:44:18,839

shown on netgeo National Geographic then

1080

00:44:22,609 --> 00:44:20,339

the next day it's going to show up on

1081

00:44:25,430 --> 00:44:22,619

Hulu and then it's going to premiere on

1082

00:44:28,990 --> 00:44:25,440

Vice and Disney plus so it's going to be

1083

00:44:33,290 --> 00:44:29,000

on four different networks and streamers

1084

00:44:34,609 --> 00:44:33,300

all you know from the end of February or

1085

00:44:37,730 --> 00:44:34,619

early March

1086

00:44:40,790 --> 00:44:37,740

um you know forever and on after that

1087

00:44:42,170 --> 00:44:40,800

um so I I look forward to it I like the

1088

00:44:44,870 --> 00:44:42,180

different themes for the for the

1089

00:44:47,450 --> 00:44:44,880

episodes uh episode one Secret Pentagon

1090

00:44:49,430 --> 00:44:47,460

UFO program so they're taking a deep

1091

00:44:51,710 --> 00:44:49,440

dive behind you know the story that

1092

00:44:55,309 --> 00:44:51,720

she's responsible for along with uh

1093

00:44:56,990 --> 00:44:55,319

Ralph Blumenthal and homemade Cooper so

1094

00:44:58,730 --> 00:44:57,000

it looks like they might be bouncing off

1095

00:45:02,329 --> 00:44:58,740

that a little bit which is great episode

1096

00:45:06,130 --> 00:45:02,339

two we got a giant UFO in Texas

1097

00:45:10,370 --> 00:45:08,569

episode three Close Encounters at

1098

00:45:12,050 --> 00:45:10,380

nuclear bases I'm very familiar with

1099

00:45:15,050 --> 00:45:12,060

those

1100

00:45:17,510 --> 00:45:15,060

um and the Hudson Valley wave which is a

1101
00:45:20,809 --> 00:45:17,520
very under talked about situation there

1102
00:45:23,089 --> 00:45:20,819
so that's cool uh absolutely four

1103
00:45:25,609 --> 00:45:23,099
citizens take charge I'm not sure what

1104
00:45:28,130 --> 00:45:25,619
to expect here but I'm sure it'll be

1105
00:45:30,290 --> 00:45:28,140
pretty good it looks just like um some

1106
00:45:32,569 --> 00:45:30,300
pissed off people trying to get some

1107
00:45:35,510 --> 00:45:32,579
disclosure possibly citizens Witnesses

1108
00:45:38,809 --> 00:45:35,520
witness citizens I'm not in it I should

1109
00:45:41,390 --> 00:45:38,819
be used but I'm not in that episode five

1110
00:45:43,550 --> 00:45:41,400
government breaks silence examines 2015

1111
00:45:46,490 --> 00:45:43,560
Navy pilot reports estrangent counters

1112
00:45:49,550 --> 00:45:46,500
said 2022 Congressional hearing

1113
00:45:52,190 --> 00:45:49,560

um so yeah uh looks good uh oh I'm sure

1114

00:45:54,410 --> 00:45:52,200

it'll be done well uh Leslie does a

1115

00:45:55,670 --> 00:45:54,420

great job with things that she's a part

1116

00:45:57,829 --> 00:45:55,680

of

1117

00:45:59,390 --> 00:45:57,839

um it'll be great quality it'll be good

1118

00:46:01,250 --> 00:45:59,400

details

1119

00:46:02,630 --> 00:46:01,260

um so yeah I'm looking looking very much

1120

00:46:06,050 --> 00:46:02,640

forward to that I don't I don't think

1121

00:46:08,510 --> 00:46:06,060

we'll be like learning in again we're in

1122

00:46:10,250 --> 00:46:08,520

this situation where you know it hasn't

1123

00:46:13,309 --> 00:46:10,260

aired yet but again we're in this

1124

00:46:16,550 --> 00:46:13,319

situation where you know something neat

1125

00:46:19,910 --> 00:46:16,560

is coming out but it's not

1126

00:46:22,010 --> 00:46:19,920

you know it's it's not for

1127

00:46:24,230 --> 00:46:22,020

it's not for like

1128

00:46:26,150 --> 00:46:24,240

um to teach

1129

00:46:28,250 --> 00:46:26,160

anything new to people who have been

1130

00:46:31,609 --> 00:46:28,260

lazing around this topic for a long time

1131

00:46:34,250 --> 00:46:31,619

I guess it's it's more so

1132

00:46:38,329 --> 00:46:34,260

putting together

1133

00:46:40,609 --> 00:46:38,339

um you know a good uh reliable uh story

1134

00:46:42,650 --> 00:46:40,619

as far as what has been happening and

1135

00:46:45,290 --> 00:46:42,660

presenting that to the public you know

1136

00:46:48,170 --> 00:46:45,300

who may not be so aware of it absolutely

1137

00:46:52,609 --> 00:46:48,180

it's I mean it's it's clear that that

1138

00:46:54,349 --> 00:46:52,619

they're making an attempt to to get

1139

00:46:56,270 --> 00:46:54,359

um more people in the public up to speed

1140

00:46:58,609 --> 00:46:56,280

to to where we are in the conversation

1141

00:47:00,410 --> 00:46:58,619

which is great because there have been

1142

00:47:01,790 --> 00:47:00,420

so many times I mean how many times just

1143

00:47:03,230 --> 00:47:01,800

in the the time that you've been

1144

00:47:05,089 --> 00:47:03,240

involved in the field Sean have you had

1145

00:47:07,370 --> 00:47:05,099

to like go like oh wait you have to go

1146

00:47:09,770 --> 00:47:07,380

back and contextualize whatever you just

1147

00:47:11,329 --> 00:47:09,780

said so that like whoever so that no

1148

00:47:12,589 --> 00:47:11,339

child is Left Behind you know what I

1149

00:47:14,569 --> 00:47:12,599

mean in the audience and stuff like that

1150

00:47:16,490 --> 00:47:14,579

and it can be hard to like think to do

1151

00:47:19,190 --> 00:47:16,500

it and like it's hard to know where to

1152

00:47:21,589 --> 00:47:19,200

go that way so it's wonderful to have to

1153

00:47:23,329 --> 00:47:21,599

have places like this and to have series

1154

00:47:25,609 --> 00:47:23,339

like this that are coming out that are

1155

00:47:27,950 --> 00:47:25,619

from respectable sources that are

1156

00:47:31,250 --> 00:47:27,960

covering like pretty unimpeachable cases

1157

00:47:34,609 --> 00:47:31,260

you know with regard to the field and

1158

00:47:38,809 --> 00:47:34,619

that and doing a better concise kind of

1159

00:47:40,069 --> 00:47:38,819

101 201 like you know kind of like this

1160

00:47:42,290 --> 00:47:40,079

should be the history books of the

1161

00:47:44,089 --> 00:47:42,300

phenomenon in some ways right I think

1162

00:47:45,890 --> 00:47:44,099

you and I and a lot of other people feel

1163

00:47:48,050 --> 00:47:45,900

the same way that there's compelling

1164

00:47:50,630 --> 00:47:48,060

evidence that exists compelling cases

1165

00:47:53,930 --> 00:47:50,640

compelling testimony

1166

00:47:56,750 --> 00:47:53,940

um it but it's it's just about

1167

00:47:58,790 --> 00:47:56,760

um revealing that to

1168

00:47:59,870 --> 00:47:58,800

people that would feel the same if they

1169

00:48:01,670 --> 00:47:59,880

saw it

1170

00:48:04,609 --> 00:48:01,680

you know who have their minds open to

1171

00:48:06,650 --> 00:48:04,619

that stuff like my mind was was never

1172

00:48:08,450 --> 00:48:06,660

open to this kind of thing being a

1173

00:48:10,069 --> 00:48:08,460

reality until I actually did the work

1174

00:48:11,750 --> 00:48:10,079

and started reading the documents and

1175

00:48:13,370 --> 00:48:11,760

the files and and all that kind of stuff

1176

00:48:15,470 --> 00:48:13,380

it's like this is

1177

00:48:17,150 --> 00:48:15,480

way more compelling than I thought it

1178

00:48:19,430 --> 00:48:17,160

was going to be

1179

00:48:21,170 --> 00:48:19,440

you know there's there's yeah there's a

1180

00:48:22,790 --> 00:48:21,180

lot of junk at least in like the blue

1181

00:48:24,829 --> 00:48:22,800

book files there's a lot of junk in

1182

00:48:26,569 --> 00:48:24,839

there but uh you know you keep going

1183

00:48:28,970 --> 00:48:26,579

through it and painting the picture and

1184

00:48:31,550 --> 00:48:28,980

you're like wow they're I mean they're

1185

00:48:33,290 --> 00:48:31,560

so many more there's so many cases that

1186

00:48:37,130 --> 00:48:33,300

are just like I can't believe this you

1187

00:48:38,750 --> 00:48:37,140

know yeah so and you know put it

1188

00:48:40,730 --> 00:48:38,760

packaging that but it's really difficult

1189

00:48:44,150 --> 00:48:40,740

to be able to package that in an

1190

00:48:45,950 --> 00:48:44,160

educational revealing way

1191

00:48:47,809 --> 00:48:45,960

um where it would hit home with somebody

1192

00:48:50,150 --> 00:48:47,819

who doesn't necessarily know about any

1193

00:48:51,890 --> 00:48:50,160

of this you know because anytime at

1194

00:48:55,309 --> 00:48:51,900

least for me when I first saw Lou

1195

00:48:57,710 --> 00:48:55,319

Elizondo and about that show like I was

1196

00:48:59,150 --> 00:48:57,720

very suspect of it and him and the first

1197

00:49:01,790 --> 00:48:59,160

thing I'm thinking is like what the hell

1198

00:49:04,250 --> 00:49:01,800

is our government up to now like yeah

1199

00:49:06,530 --> 00:49:04,260

with you know pretending to do this

1200

00:49:08,390 --> 00:49:06,540

stuff or whatever and then other people

1201

00:49:10,250 --> 00:49:08,400

will go towards like the grifting

1202

00:49:12,950 --> 00:49:10,260

scenario like this person just wants

1203

00:49:15,530 --> 00:49:12,960

money or whatever like sure like it

1204

00:49:17,930 --> 00:49:15,540

being a reality is always like the last

1205

00:49:19,970 --> 00:49:17,940

thing for someone to pick after they

1206

00:49:21,770 --> 00:49:19,980

work through the other scenarios you

1207

00:49:23,750 --> 00:49:21,780

know and you can see that with like Blue

1208

00:49:25,250 --> 00:49:23,760

Book files too like when you read

1209

00:49:26,870 --> 00:49:25,260

through them

1210

00:49:28,490 --> 00:49:26,880

um actually like uh you know

1211

00:49:32,030 --> 00:49:28,500

otherworldly or whatever was never an

1212

00:49:33,650 --> 00:49:32,040

option it was it was always just like it

1213

00:49:37,309 --> 00:49:33,660

can't be so therefore it isn't basically

1214

00:49:39,710 --> 00:49:37,319

is is the you know the saying that works

1215

00:49:41,569 --> 00:49:39,720

well for that so it's not a balloon so

1216

00:49:43,130 --> 00:49:41,579

it must be planes if it's not playing it

1217

00:49:44,990 --> 00:49:43,140

must be a meteor if it's not meteor it

1218

00:49:47,329 --> 00:49:45,000

must be Venus if it's not Venus it's

1219

00:49:49,010 --> 00:49:47,339

probably a bowline if it's not that we

1220

00:49:50,870 --> 00:49:49,020

just don't have enough information yes

1221

00:49:53,510 --> 00:49:50,880

sir but you have radar and the person

1222

00:49:55,910 --> 00:49:53,520

saw it and they made the same track you

1223

00:49:57,470 --> 00:49:55,920

know but yeah well you know

1224

00:50:00,530 --> 00:49:57,480

um you know I wasn't there but it was

1225

00:50:03,470 --> 00:50:00,540

probably Venus in a balloon so you know

1226

00:50:06,410 --> 00:50:03,480

because it can't be so therefore It

1227

00:50:09,349 --> 00:50:06,420

Isn't So yeah so

1228

00:50:13,010 --> 00:50:09,359

I don't know it's a difficult task to to

1229

00:50:15,589 --> 00:50:13,020

try to you know reveal things

1230

00:50:17,630 --> 00:50:15,599

um like unlike the way Leslie does yeah

1231

00:50:20,150 --> 00:50:17,640

yeah because you're essentially that's

1232

00:50:22,609 --> 00:50:20,160

it's like you have to people have to

1233

00:50:24,230 --> 00:50:22,619

unlearn all these biases that they've

1234

00:50:25,910 --> 00:50:24,240

that they've built up over their lives

1235

00:50:27,530 --> 00:50:25,920

you know like oh that's impossible

1236

00:50:29,030 --> 00:50:27,540

that's impossible because they were

1237

00:50:32,270 --> 00:50:29,040

trained to think that it's impossible

1238

00:50:35,210 --> 00:50:32,280

and in fact that's not true but you know

1239

00:50:37,069 --> 00:50:35,220

and also you know one cool thing for

1240

00:50:38,510 --> 00:50:37,079

folks like us I mean it's important to

1241

00:50:40,849 --> 00:50:38,520

recognize that this Project's been in

1242

00:50:43,490 --> 00:50:40,859

limbo for about a year and so you know

1243

00:50:45,650 --> 00:50:43,500

people like us that are like in it every

1244

00:50:47,390 --> 00:50:45,660

day are gonna be like oh some of this it

1245

00:50:48,770 --> 00:50:47,400

feels like old news or it's you know

1246

00:50:51,349 --> 00:50:48,780

this is a one-on-one thing or whatever

1247

00:50:53,450 --> 00:50:51,359

but you know at the same time you know

1248

00:50:55,190 --> 00:50:53,460

in in episode two it's gonna it's gonna

1249

00:50:57,530 --> 00:50:55,200

be talking about it's going to use

1250

00:50:59,270 --> 00:50:57,540

Stevensville as as a jumping off point

1251
00:51:02,630 --> 00:50:59,280
to talk about

1252
00:51:04,250 --> 00:51:02,640
um uh debunking you know it says uh it

1253
00:51:06,349 --> 00:51:04,260
examines why the one serious government

1254
00:51:08,089 --> 00:51:06,359
effort transitioned to a PR campaign to

1255
00:51:10,010 --> 00:51:08,099
amongst a phenomenon it's nonsense

1256
00:51:11,870 --> 00:51:10,020
despite evidence to the contrary these

1257
00:51:13,970 --> 00:51:11,880
are great things for people to hear and

1258
00:51:16,490 --> 00:51:13,980
one cool thing for people like us you

1259
00:51:18,829 --> 00:51:16,500
know real researchers of the field fans

1260
00:51:21,049 --> 00:51:18,839
of the field really enthusiasts of of

1261
00:51:24,890 --> 00:51:21,059
the lore in the history is that Leslie

1262
00:51:26,930 --> 00:51:24,900
and and the film crew got an amazing

1263
00:51:28,549 --> 00:51:26,940

assortment of of some of the biggest

1264

00:51:30,290 --> 00:51:28,559

luminaries in the field to show up in

1265

00:51:32,630 --> 00:51:30,300

the show so Jacques valet is a talking

1266

00:51:34,790 --> 00:51:32,640

ahead on the show and uh Ralph

1267

00:51:37,490 --> 00:51:34,800

Blumenthal as a talking head Leslie of

1268

00:51:40,670 --> 00:51:37,500

course is you've got Ryan Graves you've

1269

00:51:43,790 --> 00:51:40,680

got James Fox you've got like some kind

1270

00:51:46,430 --> 00:51:43,800

of like uh some folks that aren't as

1271

00:51:48,170 --> 00:51:46,440

well known but are absolute heads with

1272

00:51:49,370 --> 00:51:48,180

certain certain stuff like Linda

1273

00:51:52,069 --> 00:51:49,380

Zimmerman who is one of the biggest

1274

00:51:53,329 --> 00:51:52,079

experts on the Hudson Valley wave shows

1275

00:51:57,470 --> 00:51:53,339

up in the show

1276

00:51:59,210 --> 00:51:57,480

um Helene Cooper who um who who co-wrote

1277

00:52:03,890 --> 00:51:59,220

the original front page article with

1278

00:52:06,950 --> 00:52:03,900

Ralph and Leslie and is like a big DC uh

1279

00:52:09,349 --> 00:52:06,960

attache for the for the New York Times

1280

00:52:11,270 --> 00:52:09,359

um like so there's going to be some some

1281

00:52:13,069 --> 00:52:11,280

great people showing up that you can't

1282

00:52:15,290 --> 00:52:13,079

that you know you're not going to find

1283

00:52:17,569 --> 00:52:15,300

on a program like Ancient Aliens or

1284

00:52:18,950 --> 00:52:17,579

something like that and and I'm I'm

1285

00:52:21,650 --> 00:52:18,960

really psyched about that I think it's

1286

00:52:24,109 --> 00:52:21,660

gonna be awesome Ancient Aliens is is

1287

00:52:25,309 --> 00:52:24,119

you know that's that's an interesting

1288

00:52:26,870 --> 00:52:25,319

one

1289

00:52:28,790 --> 00:52:26,880

um

1290

00:52:32,390 --> 00:52:28,800

no I'll say

1291

00:52:34,490 --> 00:52:32,400

like I think that show it serves a

1292

00:52:37,609 --> 00:52:34,500

little bit of a purpose as far as like

1293

00:52:40,549 --> 00:52:37,619

if it's the right person it can expand

1294

00:52:44,270 --> 00:52:40,559

their thought process and absolutely you

1295

00:52:46,670 --> 00:52:44,280

know even though the dots really don't

1296

00:52:48,410 --> 00:52:46,680

you know it's a super stretch to think

1297

00:52:49,970 --> 00:52:48,420

that they connect at all in some of the

1298

00:52:53,450 --> 00:52:49,980

scenarios that they play out on that

1299

00:52:56,089 --> 00:52:53,460

show actually most of them

1300

00:52:57,049 --> 00:52:56,099

um it still forces you to have that

1301
00:52:59,329 --> 00:52:57,059
thought

1302
00:53:02,630 --> 00:52:59,339
you know of

1303
00:53:04,430 --> 00:53:02,640
you know Ancient Aliens or you know how

1304
00:53:06,290 --> 00:53:04,440
what our history look like and what's

1305
00:53:08,510 --> 00:53:06,300
possible and at the end of the day you

1306
00:53:10,910 --> 00:53:08,520
might go oh that's stupid but at least

1307
00:53:11,710 --> 00:53:10,920
you know you're going through that kind

1308
00:53:17,270 --> 00:53:11,720
of

1309
00:53:19,370 --> 00:53:17,280
yourself there to look at it and make a

1310
00:53:21,650 --> 00:53:19,380
decision on what you think about it and

1311
00:53:24,290 --> 00:53:21,660
it's interesting so kind of when you

1312
00:53:26,210 --> 00:53:24,300
hear things that are maybe a little more

1313
00:53:28,370 --> 00:53:26,220

plausible which is very easy after

1314

00:53:31,250 --> 00:53:28,380

watching that show it makes a little

1315

00:53:33,349 --> 00:53:31,260

more sense to you you know yeah no

1316

00:53:36,430 --> 00:53:33,359

that's outlandish but this

1317

00:53:39,530 --> 00:53:36,440

yeah this is actually that makes it

1318

00:53:42,410 --> 00:53:39,540

makes kind of sense you know like if if

1319

00:53:44,030 --> 00:53:42,420

somebody's swearing constantly right and

1320

00:53:45,770 --> 00:53:44,040

dropping up bombs and all that kind of

1321

00:53:47,329 --> 00:53:45,780

stuff and you just get done talking to

1322

00:53:49,609 --> 00:53:47,339

the person you're like wow that guy's

1323

00:53:52,430 --> 00:53:49,619

vulgar you know and then you go talk to

1324

00:53:55,250 --> 00:53:52,440

somebody else who maybe says once

1325

00:53:59,089 --> 00:53:55,260

in an hour-long conversation

1326

00:54:03,109 --> 00:54:01,069

and I mean and there's you know there's

1327

00:54:05,089 --> 00:54:03,119

some like less grounded people that show

1328

00:54:06,829 --> 00:54:05,099

up on Ancient Aliens there's some more

1329

00:54:08,329 --> 00:54:06,839

grounded people that show up my friend

1330

00:54:11,089 --> 00:54:08,339

Mitch Horowitz shows up on Ancient

1331

00:54:13,069 --> 00:54:11,099

Aliens sometimes he's awesome I like him

1332

00:54:14,990 --> 00:54:13,079

you know what I mean like uh I used to

1333

00:54:16,910 --> 00:54:15,000

do some work for Richard Dolan he's on

1334

00:54:18,349 --> 00:54:16,920

that show all the time and he's he's got

1335

00:54:20,089 --> 00:54:18,359

a lot of grounded stuff and then there's

1336

00:54:21,470 --> 00:54:20,099

other folks but yeah as you're saying

1337

00:54:24,470 --> 00:54:21,480

like there's there's

1338

00:54:25,790 --> 00:54:24,480

it's if it hits you at the right time it

1339

00:54:27,589 --> 00:54:25,800

can be like a step in the right

1340

00:54:29,990 --> 00:54:27,599

direction because you know maybe for

1341

00:54:31,910 --> 00:54:30,000

some people you know they see these guys

1342

00:54:34,490 --> 00:54:31,920

with the big hair and stuff like this

1343

00:54:35,930 --> 00:54:34,500

and then and then they sit there and

1344

00:54:37,849 --> 00:54:35,940

they think you know whether it's a kid

1345

00:54:40,309 --> 00:54:37,859

whether it's whether an adult and they

1346

00:54:42,829 --> 00:54:40,319

go well yeah like why were the Pyramids

1347

00:54:44,450 --> 00:54:42,839

built they are weird you know like I

1348

00:54:46,250 --> 00:54:44,460

thought people were buried there but

1349

00:54:48,349 --> 00:54:46,260

they weren't and like it's got all these

1350

00:54:50,270 --> 00:54:48,359

weird like cosmetic angles and stuff

1351
00:54:52,910 --> 00:54:50,280
what's that about and it is you know

1352
00:54:55,430 --> 00:54:52,920
those can be like tethers those can be

1353
00:54:57,049 --> 00:54:55,440
anchors to get people to to to think

1354
00:54:59,150 --> 00:54:57,059
outside the box and that can be great

1355
00:55:01,190 --> 00:54:59,160
and like I used you know I used to watch

1356
00:55:02,930 --> 00:55:01,200
it you know because like partially

1357
00:55:04,309 --> 00:55:02,940
because it was one of the only reliable

1358
00:55:07,069 --> 00:55:04,319
things on television that would be

1359
00:55:09,109 --> 00:55:07,079
covering this topic and even when I

1360
00:55:11,270 --> 00:55:09,119
disagreed with it and even when it gave

1361
00:55:14,450 --> 00:55:11,280
me a big headache like it did make me

1362
00:55:15,530 --> 00:55:14,460
feel like um it can be validating for

1363
00:55:17,089 --> 00:55:15,540

people that have had an almost

1364

00:55:19,190 --> 00:55:17,099

experiences to watch something that's

1365

00:55:21,170 --> 00:55:19,200

adjacent even sometimes when it's wrong

1366

00:55:23,210 --> 00:55:21,180

you know what I mean is the thing or

1367

00:55:24,770 --> 00:55:23,220

when it's fake kind of like how we

1368

00:55:27,589 --> 00:55:24,780

watched you know science fiction movies

1369

00:55:29,569 --> 00:55:27,599

and stuff like that like super eight you

1370

00:55:31,010 --> 00:55:29,579

know that JJ Abrams alien movie that

1371

00:55:32,510 --> 00:55:31,020

doesn't look like any alien that

1372

00:55:34,010 --> 00:55:32,520

anybody's reported that I've heard of

1373

00:55:36,710 --> 00:55:34,020

but it was a really entertaining movie

1374

00:55:40,069 --> 00:55:36,720

and it was fun to watch right with

1375

00:55:41,750 --> 00:55:40,079

regards to what it could you know and if

1376

00:55:43,849 --> 00:55:41,760

you want to figure out like what

1377

00:55:47,030 --> 00:55:43,859

something so complicated mysterious is

1378

00:55:50,150 --> 00:55:47,040

like you you really have to like try and

1379

00:55:52,670 --> 00:55:50,160

think of almost everything right yeah

1380

00:55:55,370 --> 00:55:52,680

you have to so and that's a part of the

1381

00:55:57,530 --> 00:55:55,380

yeah the brainstorming process right so

1382

00:55:59,510 --> 00:55:57,540

yeah you can't fault it for that am I

1383

00:56:02,990 --> 00:55:59,520

gonna watch all the episodes definitely

1384

00:56:04,970 --> 00:56:03,000

not you know yeah yeah but but there's

1385

00:56:07,130 --> 00:56:04,980

it's on purpose for different people I

1386

00:56:10,130 --> 00:56:07,140

think you know So Different Different

1387

00:56:11,870 --> 00:56:10,140

Strokes for different folks for sure

1388

00:56:13,549 --> 00:56:11,880

um well here we are at the top of the

1389

00:56:15,410 --> 00:56:13,559

hour we didn't get to quite all the

1390

00:56:17,089 --> 00:56:15,420

stuff that we wanted to this week but

1391

00:56:18,710 --> 00:56:17,099

you know what we're gonna we're gonna

1392

00:56:22,430 --> 00:56:18,720

come back soon we're gonna come back

1393

00:56:24,530 --> 00:56:22,440

soon yeah so next week I don't think

1394

00:56:27,349 --> 00:56:24,540

we're gonna have a show by the way but

1395

00:56:30,410 --> 00:56:27,359

the week after we'll be back so taking a

1396

00:56:34,549 --> 00:56:30,420

little time and I'll we'll come back and

1397

00:56:37,250 --> 00:56:34,559

and yeah we didn't well I'll cover

1398

00:56:38,750 --> 00:56:37,260

yeah we didn't get to the the weaponized

1399

00:56:40,790 --> 00:56:38,760

the last episode of weaponized or

1400

00:56:43,490 --> 00:56:40,800

anything like that I'll cover that

1401
00:56:45,170 --> 00:56:43,500
yeah after you bow out there's gonna be

1402
00:56:46,609 --> 00:56:45,180
I'll keep going a little bit okay

1403
00:56:47,990 --> 00:56:46,619
there's gonna be a yeah there's gonna be

1404
00:56:49,130 --> 00:56:48,000
some cool stuff okay you're gonna keep

1405
00:56:51,109 --> 00:56:49,140
going that sounds great you know one

1406
00:56:53,510 --> 00:56:51,119
thing that I was thinking about

1407
00:56:55,670 --> 00:56:53,520
um Chris aubek you know who co-wrote

1408
00:56:58,370 --> 00:56:55,680
wonders in the sky about these you know

1409
00:57:01,309 --> 00:56:58,380
these historical cases uh you know

1410
00:57:03,170 --> 00:57:01,319
before flight before we had flight

1411
00:57:05,750 --> 00:57:03,180
um with filet he just put out a new book

1412
00:57:07,130 --> 00:57:05,760
and um he's living on he's living over

1413
00:57:09,530 --> 00:57:07,140

in Spain and I had a little back and

1414

00:57:11,870 --> 00:57:09,540

forth with him he would be really fun to

1415

00:57:12,589 --> 00:57:11,880

have on the show at some point yeah I'm

1416

00:57:14,210 --> 00:57:12,599

down

1417

00:57:17,569 --> 00:57:14,220

cool all right well I'll get in touch

1418

00:57:19,730 --> 00:57:17,579

with them down that'd be super fun all

1419

00:57:20,930 --> 00:57:19,740

right well I'll leave you and the rest

1420

00:57:22,849 --> 00:57:20,940

of the audience I gotta go to an

1421

00:57:25,670 --> 00:57:22,859

appointment in Manhattan but I love you

1422

00:57:27,589 --> 00:57:25,680

brother yeah love you too man I'm so

1423

00:57:30,049 --> 00:57:27,599

happy to see you today this has been a

1424

00:57:31,430 --> 00:57:30,059

great conversation see everybody have a

1425

00:57:33,290 --> 00:57:31,440

great rest of the day

1426
00:57:35,870 --> 00:57:33,300
thanks man see you soon all right see

1427
00:57:38,630 --> 00:57:35,880
you everybody bye-bye

1428
00:57:40,130 --> 00:57:38,640
all right so we don't do this very often

1429
00:57:41,569 --> 00:57:40,140
I'm gonna keep going here because

1430
00:57:44,349 --> 00:57:41,579
there's a couple other things we didn't

1431
00:57:47,630 --> 00:57:44,359
talk about the first one is

1432
00:57:50,150 --> 00:57:47,640
uh weaponized Jeremy Corbell and

1433
00:57:52,970 --> 00:57:50,160
George's naps uh podcast they did their

1434
00:57:54,710 --> 00:57:52,980
second episode uh this past Tuesday and

1435
00:57:56,809 --> 00:57:54,720
in that episode

1436
00:57:58,190 --> 00:57:56,819
um Jimmy Corbell played a couple clips

1437
00:58:01,130 --> 00:57:58,200
from

1438
00:58:05,450 --> 00:58:01,140

um some Navy people that were uh at the

1439

00:58:07,670 --> 00:58:05,460

2019 West Coast uh UFO uh drone swarm uh

1440

00:58:09,170 --> 00:58:07,680

events

1441

00:58:10,609 --> 00:58:09,180

um and he played like their testimony

1442

00:58:12,109 --> 00:58:10,619

and you'll have to go back and watch the

1443

00:58:13,730 --> 00:58:12,119

episode I put that in the description of

1444

00:58:15,170 --> 00:58:13,740

the video

1445

00:58:19,510 --> 00:58:15,180

um

1446

00:58:21,890 --> 00:58:19,520

and yeah you know so there's

1447

00:58:23,690 --> 00:58:21,900

you know is the case closed I don't

1448

00:58:25,609 --> 00:58:23,700

think it's closed um the the one thing

1449

00:58:27,230 --> 00:58:25,619

that I would like to see which just

1450

00:58:29,450 --> 00:58:27,240

doesn't seem possible apparently right

1451

00:58:31,609 --> 00:58:29,460

now is I would like for these people not

1452

00:58:33,170 --> 00:58:31,619

to be anonymous I would like them to put

1453

00:58:34,549 --> 00:58:33,180

their name on it

1454

00:58:36,170 --> 00:58:34,559

um you know I understand people don't

1455

00:58:38,270 --> 00:58:36,180

want to show their face or anything I

1456

00:58:42,410 --> 00:58:38,280

get it and but I would like that to be

1457

00:58:45,109 --> 00:58:42,420

the case because the argument over it uh

1458

00:58:46,730 --> 00:58:45,119

not being just drones

1459

00:58:49,910 --> 00:58:46,740

um even though to a lot of people you

1460

00:58:51,710 --> 00:58:49,920

know it's going to be clear-cut but to

1461

00:58:53,690 --> 00:58:51,720

like the mass public or anything like

1462

00:58:55,370 --> 00:58:53,700

that but like you you got to put a name

1463

00:58:56,630 --> 00:58:55,380

on there you got to put a real person to

1464

00:58:58,730 --> 00:58:56,640

it

1465

00:58:59,569 --> 00:58:58,740

um so so hopefully that can happen at

1466

00:59:01,250 --> 00:58:59,579

some point

1467

00:59:03,049 --> 00:59:01,260

um because until it does I don't I don't

1468

00:59:04,370 --> 00:59:03,059

know how far we can go with that they

1469

00:59:06,890 --> 00:59:04,380

did bring

1470

00:59:08,809 --> 00:59:06,900

um a great uh guest on the show a friend

1471

00:59:10,430 --> 00:59:08,819

of Jeremy corbell's

1472

00:59:12,109 --> 00:59:10,440

um John Gutierrez hopefully I didn't

1473

00:59:13,730 --> 00:59:12,119

screw that name up super guy he's

1474

00:59:16,190 --> 00:59:13,740

actually still serving which is quite

1475

00:59:17,750 --> 00:59:16,200

odd you don't see that very often he's

1476

00:59:20,210 --> 00:59:17,760

still serving in the military and he

1477

00:59:23,030 --> 00:59:20,220

gave a lot of great context to things he

1478

00:59:24,829 --> 00:59:23,040

actually said I believe he said that he

1479

00:59:26,690 --> 00:59:24,839

spoke to somebody that was actually a

1480

00:59:29,150 --> 00:59:26,700

part of those events and they described

1481

00:59:31,549 --> 00:59:29,160

it as you know not just simply a drone

1482

00:59:33,289 --> 00:59:31,559

and everything so

1483

00:59:34,370 --> 00:59:33,299

um watch it make it make up your own

1484

00:59:35,089 --> 00:59:34,380

mind

1485

00:59:37,190 --> 00:59:35,099

um

1486

00:59:40,069 --> 00:59:37,200

and and I should also say like an in

1487

00:59:41,329 --> 00:59:40,079

journalism and things like that

1488

00:59:42,530 --> 00:59:41,339

um

1489

00:59:46,069 --> 00:59:42,540

you know

1490

00:59:48,349 --> 00:59:46,079

um someone being anonymous like in in

1491

00:59:51,530 --> 00:59:48,359

being a part of a major news story is is

1492

00:59:53,930 --> 00:59:51,540

not uh it's a thing that happens like

1493

00:59:56,930 --> 00:59:53,940

that does happen outside of the UFO

1494

00:59:58,970 --> 00:59:56,940

world and it the those stories can be

1495

01:00:00,530 --> 00:59:58,980

very legitimate like this one probably

1496

01:00:05,750 --> 01:00:00,540

is

1497

01:00:07,490 --> 01:00:05,760

um The Havana syndrome

1498

01:00:10,370 --> 01:00:07,500

uh The Havana syndrome I think it was

1499

01:00:12,170 --> 01:00:10,380

CNN or maybe one of the other channels

1500

01:00:13,609 --> 01:00:12,180

did it did a piece on it and one of the

1501

01:00:15,470 --> 01:00:13,619

witnesses who was affected by the

1502

01:00:17,450 --> 01:00:15,480

venison wanted to come forward and talk

1503

01:00:18,770 --> 01:00:17,460

about it but I think they were still a

1504

01:00:21,049 --> 01:00:18,780

part of the Department of State or

1505

01:00:22,370 --> 01:00:21,059

something of the sort and their body was

1506

01:00:24,109 --> 01:00:22,380

blacked out and you could only hear

1507

01:00:26,510 --> 01:00:24,119

their voice talking about it and they

1508

01:00:27,109 --> 01:00:26,520

gave the person a fake name

1509

01:00:30,770 --> 01:00:27,119

um

1510

01:00:33,109 --> 01:00:30,780

so so that is a thing that happens you

1511

01:00:34,609 --> 01:00:33,119

know so just because Jeremy Corbell is

1512

01:00:36,950 --> 01:00:34,619

doing it and it's in the UFO world

1513

01:00:38,750 --> 01:00:36,960

doesn't mean it's bunk and not real

1514

01:00:41,030 --> 01:00:38,760

that's not the case at all like that

1515

01:00:42,710 --> 01:00:41,040

does happen in journalism so especially

1516

01:00:45,950 --> 01:00:42,720

when you're still serving which which

1517

01:00:47,750 --> 01:00:45,960

these Witnesses uh purportedly are

1518

01:00:50,270 --> 01:00:47,760

um I can understand that

1519

01:00:52,490 --> 01:00:50,280

um but still uh if we want to take it a

1520

01:00:53,210 --> 01:00:52,500

step forward and actually you know

1521

01:00:55,549 --> 01:00:53,220

um

1522

01:00:57,650 --> 01:00:55,559

you know just if we want to go further

1523

01:00:59,569 --> 01:00:57,660

with it I think we have to get names and

1524

01:01:01,549 --> 01:00:59,579

people on the record so

1525

01:01:04,430 --> 01:01:01,559

hopefully that happens

1526

01:01:06,530 --> 01:01:04,440

the other thing that

1527

01:01:08,690 --> 01:01:06,540

um I I can touch on briefly here is

1528

01:01:11,809 --> 01:01:08,700

somebody mentioned in the chat I believe

1529

01:01:12,910 --> 01:01:11,819

it was Lord Lord bass

1530

01:01:16,910 --> 01:01:12,920

um

1531

01:01:19,670 --> 01:01:16,920

was there's Ryan Graves as a new podcast

1532

01:01:21,289 --> 01:01:19,680

um Ryan Graves is kind of came out as a

1533

01:01:23,390 --> 01:01:21,299

Navy pilot

1534

01:01:26,030 --> 01:01:23,400

um a couple years ago regarding a bunch

1535

01:01:29,569 --> 01:01:26,040

of uh UFO incidences on the East Coast

1536

01:01:32,569 --> 01:01:29,579

where he said the pilots were seeing

1537

01:01:33,670 --> 01:01:32,579

these every day for at least a year more

1538

01:01:35,870 --> 01:01:33,680

than that even

1539

01:01:37,309 --> 01:01:35,880

and it seemed like mostly they were

1540

01:01:38,710 --> 01:01:37,319

seeing them on their radar although a

1541

01:01:41,990 --> 01:01:38,720

couple people actually saw him in person

1542

01:01:43,670 --> 01:01:42,000

but anyways he started his own podcast

1543

01:01:45,950 --> 01:01:43,680

in the world of podcast for the most

1544

01:01:49,010 --> 01:01:45,960

part seems to be to bring pilots on

1545

01:01:52,069 --> 01:01:49,020

there to actually give their testimony

1546

01:01:54,230 --> 01:01:52,079

um of different UFO events or you know

1547

01:01:56,870 --> 01:01:54,240

sightings that they've had for me

1548

01:02:00,410 --> 01:01:56,880

personally I'll tell you what I think

1549

01:02:02,630 --> 01:02:00,420

um you know I've read a lot of pilot

1550

01:02:05,750 --> 01:02:02,640

testimony all back in the day from the

1551

01:02:08,690 --> 01:02:05,760

late 40s to the 60s even like newspaper

1552

01:02:12,049 --> 01:02:08,700

testimony or World audio testimony of

1553

01:02:13,849 --> 01:02:12,059

six you know 60s 70s 80s 90s whatever so

1554

01:02:16,430 --> 01:02:13,859

I know that these pilot sightings have

1555

01:02:19,730 --> 01:02:16,440

been going on for you know

1556

01:02:21,650 --> 01:02:19,740

since planes existed basically

1557

01:02:23,569 --> 01:02:21,660

um so

1558

01:02:25,849 --> 01:02:23,579

you know that's

1559

01:02:28,190 --> 01:02:25,859

it's not amazing to me that part of it

1560

01:02:29,690 --> 01:02:28,200

but what is amazing is that somebody is

1561

01:02:32,150 --> 01:02:29,700

actually picking up the slack to

1562

01:02:35,870 --> 01:02:32,160

continue this testimony and document

1563

01:02:37,670 --> 01:02:35,880

that testimony you know because it does

1564

01:02:39,349 --> 01:02:37,680

continue to happen and I'm glad those

1565

01:02:41,230 --> 01:02:39,359

people are speaking out and that Ryan's

1566

01:02:44,270 --> 01:02:41,240

giving them a place to do that

1567

01:02:46,670 --> 01:02:44,280

because those Pilots need a place to

1568

01:02:48,470 --> 01:02:46,680

talk about it you know if you watch that

1569

01:02:50,210 --> 01:02:48,480

last podcast it's clear that people

1570

01:02:51,950 --> 01:02:50,220

don't talk about it Pilots don't talk

1571

01:02:53,990 --> 01:02:51,960

about it but that doesn't mean it

1572

01:02:58,069 --> 01:02:54,000

doesn't happen it does happen

1573

01:02:59,210 --> 01:02:58,079

so and Ryan's you know a very

1574

01:03:02,569 --> 01:02:59,220

um

1575

01:03:06,289 --> 01:03:04,609

very good you know very good pilot

1576

01:03:08,329 --> 01:03:06,299

well-respected pilot

1577

01:03:10,730 --> 01:03:08,339

um and did a great job in the Navy and I

1578

01:03:12,650 --> 01:03:10,740

thank him for his service so so you know

1579

01:03:15,170 --> 01:03:12,660

giving

1580

01:03:16,730 --> 01:03:15,180

um these Pilots a platform to tell their

1581

01:03:18,170 --> 01:03:16,740

story and feel comfortable telling it

1582

01:03:20,390 --> 01:03:18,180

without being ridiculed and all that

1583

01:03:22,430 --> 01:03:20,400

kind of stuff is fantastic so I'm glad

1584

01:03:24,890 --> 01:03:22,440

that's happening watch his podcast it's

1585

01:03:26,990 --> 01:03:24,900

called merged podcast his first episode

1586

01:03:28,849 --> 01:03:27,000

was with Dr Gary Nolan which was pretty

1587

01:03:31,390 --> 01:03:28,859

good and the second one was with the

1588

01:03:34,430 --> 01:03:31,400

pilot that was a part of like the first

1589

01:03:37,190 --> 01:03:34,440

commercial pilot uh drone sighting

1590

01:03:41,270 --> 01:03:37,200

that's come up or UFOs that's come up

1591

01:03:42,170 --> 01:03:41,280

recently through uh Ben Hansen and

1592

01:03:44,150 --> 01:03:42,180

um

1593

01:03:46,549 --> 01:03:44,160

so it's very interesting to hear his

1594

01:03:49,490 --> 01:03:46,559

story he talks about some lights that he

1595

01:03:51,650 --> 01:03:49,500

sees uh above his altitude about 10 000

1596

01:03:53,450 --> 01:03:51,660

feet above his altitude Which is higher

1597

01:03:56,870 --> 01:03:53,460

than his plane could even fly and and

1598

01:03:58,910 --> 01:03:56,880

and Commercial planes in general can fly

1599

01:04:01,609 --> 01:03:58,920

um and he does a very interesting story

1600

01:04:04,430 --> 01:04:01,619

about one this others like a couple of

1601
01:04:06,589 --> 01:04:04,440
these lights and then what looked like a

1602
01:04:08,690 --> 01:04:06,599
shooting stars zipped in and then

1603
01:04:10,609 --> 01:04:08,700
stopped on a dime to join these lights

1604
01:04:13,130 --> 01:04:10,619
and they circled and all that kind of

1605
01:04:16,370 --> 01:04:13,140
stuff so pretty crazy wild stuff makes

1606
01:04:19,970 --> 01:04:16,380
you wonder what is happening over there

1607
01:04:24,049 --> 01:04:19,980
and the lines continue to get blurred as

1608
01:04:27,289 --> 01:04:24,059
human technology progresses as well so

1609
01:04:29,829 --> 01:04:27,299
um you know um it becomes difficult to

1610
01:04:34,370 --> 01:04:29,839
kind of decipher what things are

1611
01:04:37,130 --> 01:04:34,380
unless you're up close or or whatever so

1612
01:04:38,870 --> 01:04:37,140
that kind of gets frustrating but I hope

1613
01:04:40,730 --> 01:04:38,880

Pilots continue

1614

01:04:43,069 --> 01:04:40,740

um to talk about this stuff and go on

1615

01:04:44,809 --> 01:04:43,079

Ryan's show because that's great uh I

1616

01:04:47,569 --> 01:04:44,819

hope at some point

1617

01:04:49,789 --> 01:04:47,579

you know we can um

1618

01:04:52,670 --> 01:04:49,799

hear more I what I'd really like to hear

1619

01:04:54,650 --> 01:04:52,680

more about is and if I had the the

1620

01:04:55,910 --> 01:04:54,660

ability to get more experiences on here

1621

01:04:58,130 --> 01:04:55,920

I definitely would because I'm really

1622

01:05:00,230 --> 01:04:58,140

interested in in hearing the human

1623

01:05:03,589 --> 01:05:00,240

aspect of this and how these sightings

1624

01:05:05,809 --> 01:05:03,599

or whatever affect people you know

1625

01:05:07,430 --> 01:05:05,819

um some people not so much but some

1626

01:05:08,809 --> 01:05:07,440

people they really are affected by it

1627

01:05:10,490 --> 01:05:08,819

and it's something that stays with them

1628

01:05:12,069 --> 01:05:10,500

the rest of their life and I'd really

1629

01:05:14,210 --> 01:05:12,079

love to hear more about that because

1630

01:05:17,089 --> 01:05:14,220

that to me

1631

01:05:19,490 --> 01:05:17,099

um is the reality of this thing right

1632

01:05:20,990 --> 01:05:19,500

how it affects the person how it affects

1633

01:05:23,809 --> 01:05:21,000

their life how it affects what they

1634

01:05:25,670 --> 01:05:23,819

think about the decisions they make and

1635

01:05:27,289 --> 01:05:25,680

what they spend their time on

1636

01:05:29,329 --> 01:05:27,299

um that that's where the real story is

1637

01:05:30,650 --> 01:05:29,339

to me so hopefully

1638

01:05:33,789 --> 01:05:30,660

um you know something like that can

1639

01:05:36,650 --> 01:05:33,799

happen at some point so

1640

01:05:38,329 --> 01:05:36,660

The Last Story

1641

01:05:40,430 --> 01:05:38,339

that I think we're going to talk about

1642

01:05:47,210 --> 01:05:40,440

is

1643

01:05:48,109 --> 01:05:47,220

even read the article yet so I'm not

1644

01:05:51,289 --> 01:05:48,119

gonna

1645

01:05:52,670 --> 01:05:51,299

really get into it you you can click on

1646

01:05:53,870 --> 01:05:52,680

it it's in the description of the video

1647

01:05:56,450 --> 01:05:53,880

basically

1648

01:06:00,650 --> 01:05:56,460

um somebody's doing some some AI stuff

1649

01:06:02,630 --> 01:06:00,660

along uh with these uh radio telescopes

1650

01:06:04,130 --> 01:06:02,640

trying to pick up extraterrestrial

1651
01:06:05,569 --> 01:06:04,140
techno signatures there's eight

1652
01:06:08,270 --> 01:06:05,579
possibilities

1653
01:06:09,710 --> 01:06:08,280
so far which is very interesting

1654
01:06:11,630 --> 01:06:09,720
um although these never really seem to

1655
01:06:13,670 --> 01:06:11,640
turn out for whatever reason

1656
01:06:16,430 --> 01:06:13,680
the one thing I was thinking about uh

1657
01:06:19,190 --> 01:06:16,440
already uh with that is well I wasn't

1658
01:06:21,589 --> 01:06:19,200
seti doing that already you know said

1659
01:06:23,750 --> 01:06:21,599
he's supposed to be doing this kind of

1660
01:06:25,370 --> 01:06:23,760
stuff and it seems like someone from the

1661
01:06:27,589 --> 01:06:25,380
outside comes in it's like I'll use

1662
01:06:29,150 --> 01:06:27,599
artificial intelligence to decide to try

1663
01:06:31,609 --> 01:06:29,160

to sift through all these signals to

1664

01:06:33,470 --> 01:06:31,619

actually find an extraterrestrial one

1665

01:06:35,450 --> 01:06:33,480

and I'm just thinking like why is it

1666

01:06:38,329 --> 01:06:35,460

seti already doing that

1667

01:06:39,890 --> 01:06:38,339

just kind of uh I don't know City to me

1668

01:06:40,730 --> 01:06:39,900

kind of seems like a joke most of the

1669

01:06:42,170 --> 01:06:40,740

time

1670

01:06:44,630 --> 01:06:42,180

so

1671

01:06:46,910 --> 01:06:44,640

there's that story but

1672

01:06:49,130 --> 01:06:46,920

uh with that being said

1673

01:06:51,289 --> 01:06:49,140

uh I wrote a couple new articles you can

1674

01:06:55,130 --> 01:06:51,299

go to my website witnesscitizen.com to

1675

01:06:56,270 --> 01:06:55,140

read them one is UA UAP and nukes the

1676

01:06:58,849 --> 01:06:56,280

early years

1677

01:07:01,670 --> 01:06:58,859

so if you're not familiar already you

1678

01:07:04,089 --> 01:07:01,680

can learn about some which are actually

1679

01:07:06,950 --> 01:07:04,099

a lot of accounts at uh nuclear

1680

01:07:12,529 --> 01:07:06,960

establishments back in the late 40s Los

1681

01:07:15,109 --> 01:07:12,539

Alamos Kirtland Air Force Base Camp Hood

1682

01:07:17,870 --> 01:07:15,119

um so I wrote a little bit about that

1683

01:07:21,829 --> 01:07:17,880

and then I wrote a piece about a couple

1684

01:07:24,049 --> 01:07:21,839

stories where a Townson Brown

1685

01:07:25,970 --> 01:07:24,059

um popped up in Blue Book files and I

1686

01:07:28,069 --> 01:07:25,980

know you may not know who that is but if

1687

01:07:29,990 --> 01:07:28,079

you read the article I have links to

1688

01:07:31,910 --> 01:07:30,000

kind of educate you as as you read the

1689

01:07:34,670 --> 01:07:31,920

thing so it's very interesting it

1690

01:07:37,370 --> 01:07:34,680

includes some gravitationally anomalous

1691

01:07:41,450 --> 01:07:37,380

material that was recovered that the Air

1692

01:07:43,190 --> 01:07:41,460

Force knew about and so very interesting

1693

01:07:44,809 --> 01:07:43,200

you should

1694

01:07:47,930 --> 01:07:44,819

check it out let me know what you think

1695

01:07:50,569 --> 01:07:47,940

but that being said oh here's menu My

1696

01:07:53,150 --> 01:07:50,579

Shirt By the way

1697

01:07:55,730 --> 01:07:53,160

I wanted to show you that hey a bit more

1698

01:07:56,690 --> 01:07:55,740

in a while so that being said

1699

01:07:58,430 --> 01:07:56,700

um

1700

01:07:59,270 --> 01:07:58,440

hope you guys are good I hope you're

1701

01:08:01,490 --> 01:07:59,280

well

1702

01:08:04,270 --> 01:08:01,500

give the video a like share it all that

1703

01:08:07,970 --> 01:08:04,280

kind of stuff subscribe if you haven't

1704

01:08:10,430 --> 01:08:07,980

and we will

1705

01:08:14,110 --> 01:08:10,440

check you next time peace out

1706

01:08:20,570 --> 01:08:18,010

[Music]

1707

01:08:22,010 --> 01:08:20,580

a little due respect to the Air Force I
