

1  
00:00:10,490 --> 00:00:04,730  
hey this is Sean and this is Jay and

2  
00:00:16,790 --> 00:00:14,410  
[Music]

3  
00:00:17,990 --> 00:00:16,800  
with all due respect to the Air Force

4  
00:00:44,760 --> 00:00:18,000  
and I believe that some of them will

5  
00:00:44,770 --> 00:00:53,529  
[Music]

6  
00:00:58,910 --> 00:00:56,689  
what's up Jay how are you I here we have

7  
00:01:01,490 --> 00:00:58,920  
a wonderful beautiful fantastic

8  
00:01:04,789 --> 00:01:01,500  
excellent best thing you could ever

9  
00:01:08,330 --> 00:01:04,799  
imagine showing guest today oh my gosh

10  
00:01:09,890 --> 00:01:08,340  
we sure do we sure do and um yeah I'm

11  
00:01:12,890 --> 00:01:09,900  
I'm doing great how are you doing today

12  
00:01:15,469 --> 00:01:12,900  
doing good good yeah we're we're just

13  
00:01:17,390 --> 00:01:15,479

starting to get hit with the

14

00:01:19,730 --> 00:01:17,400

sorry I'm turning my keyboard off here

15

00:01:23,030 --> 00:01:19,740

just got uh started to get hit with a

16

00:01:25,429 --> 00:01:23,040

winter storm so oh really it's coming in

17

00:01:27,890 --> 00:01:25,439

we're getting the ice section of it so

18

00:01:30,109 --> 00:01:27,900

it's getting all icy in the driveway and

19

00:01:32,030 --> 00:01:30,119

then you have to worry about you know is

20

00:01:34,370 --> 00:01:32,040

the old person across the street gonna

21

00:01:37,010 --> 00:01:34,380

break their ankle or something to some

22

00:01:38,469 --> 00:01:37,020

you know I gotta be prepared for that I

23

00:01:42,170 --> 00:01:38,479

have the salt ready

24

00:01:44,929 --> 00:01:42,180

so you know I'm just all at night is

25

00:01:47,749 --> 00:01:44,939

going to be me and that storm one-on-one

26  
00:01:49,130 --> 00:01:47,759  
so yep you know throwing out the window

27  
00:01:50,830 --> 00:01:49,140  
across the street making sure the

28  
00:01:54,649 --> 00:01:50,840  
neighbor doesn't leave their house

29  
00:01:56,450 --> 00:01:54,659  
gently mentally prepared for that

30  
00:01:59,090 --> 00:01:56,460  
um which really be you know this is just

31  
00:02:00,710 --> 00:01:59,100  
a case my wife watches you know I mean

32  
00:02:03,289 --> 00:02:00,720  
between you and me what I'm really doing

33  
00:02:05,810 --> 00:02:03,299  
is just gonna lay down on the couch and

34  
00:02:08,449 --> 00:02:05,820  
probably watch Leslie Kane's uh you know

35  
00:02:11,630 --> 00:02:08,459  
nice documentary episodes from us

36  
00:02:13,369 --> 00:02:11,640  
absolutely yeah they're great maybe you

37  
00:02:14,869 --> 00:02:13,379  
read a little bit yeah I've been I've

38  
00:02:17,630 --> 00:02:14,879

been really really enjoying them it's

39

00:02:21,650 --> 00:02:17,640

it's awesome to see folks like Jacques

40

00:02:23,330 --> 00:02:21,660

filet and you know uh Ryan Graves and of

41

00:02:25,190 --> 00:02:23,340

course Leslie you know she does most of

42

00:02:27,050 --> 00:02:25,200

the time she does a fair amount of the

43

00:02:29,390 --> 00:02:27,060

talking head footage but then also

44

00:02:31,670 --> 00:02:29,400

people like um it's great to see kind of

45

00:02:34,550 --> 00:02:31,680

underknown figures like Mark rodiger

46

00:02:37,670 --> 00:02:34,560

who's run cute fost since um since

47

00:02:40,430 --> 00:02:37,680

heinek left us and people like Linda

48

00:02:42,650 --> 00:02:40,440

Zimmerman who's been an expert in the

49

00:02:45,170 --> 00:02:42,660

the Hudson Valley cases for many years

50

00:02:47,690 --> 00:02:45,180

folks like that making it onto air too

51  
00:02:50,150 --> 00:02:47,700  
that don't normally get TV time that's

52  
00:02:52,490 --> 00:02:50,160  
really dope right so yeah yeah and I saw

53  
00:02:54,710 --> 00:02:52,500  
that um in the fifth episode it is dope

54  
00:02:56,809 --> 00:02:54,720  
and I saw that on the fifth episode Gary

55  
00:03:00,410 --> 00:02:56,819  
Nolan's going to show up uh and that

56  
00:03:02,330 --> 00:03:00,420  
aired on TV next week but you know what

57  
00:03:04,250 --> 00:03:02,340  
um Sean did an amazing thing and booked

58  
00:03:06,229 --> 00:03:04,260  
Gary Nolan for our show so we're gonna

59  
00:03:09,170 --> 00:03:06,239  
we're gonna kind of scoop Leslie by

60  
00:03:12,350 --> 00:03:09,180  
accident on Friday this week

61  
00:03:14,270 --> 00:03:12,360  
um and uh and and we'll just have Gary

62  
00:03:15,729 --> 00:03:14,280  
read through his script for the show

63  
00:03:18,589 --> 00:03:15,739

yeah yeah yeah

64

00:03:21,350 --> 00:03:18,599

we're just gonna I would never spoil

65

00:03:23,990 --> 00:03:21,360

Leslie's show I would never spoil hey um

66

00:03:26,270 --> 00:03:24,000

one thing I gotta show you I just got

67

00:03:27,790 --> 00:03:26,280

these in the mail the other day Apollo

68

00:03:30,350 --> 00:03:27,800

14 glasses

69

00:03:31,610 --> 00:03:30,360

yeah and so now I get to like toast to

70

00:03:33,190 --> 00:03:31,620

Edgar Mitchell

71

00:03:35,630 --> 00:03:33,200

um oh wow

72

00:03:38,210 --> 00:03:35,640

sober and so pretty exciting review

73

00:03:40,190 --> 00:03:38,220

while you use the cup yeah exactly yeah

74

00:03:42,170 --> 00:03:40,200

yeah so it's going to be my my new

75

00:03:44,690 --> 00:03:42,180

podcast

76

00:03:46,610 --> 00:03:44,700

tell us a little bit uh well you know

77

00:03:49,330 --> 00:03:46,620

how are you I'm guessing you're you're

78

00:03:52,610 --> 00:03:49,340

you're doing well fantastic

79

00:03:53,930 --> 00:03:52,620

but no no no no no it's always good

80

00:03:55,670 --> 00:03:53,940

to check in with my emotional state

81

00:03:57,770 --> 00:03:55,680

before we go into an interview because

82

00:04:01,449 --> 00:03:57,780

we can time out for a second if you need

83

00:04:06,710 --> 00:04:01,459

a breath yeah okay all right

84

00:04:08,990 --> 00:04:06,720

yeah no I'm good yeah again okay yeah no

85

00:04:11,210 --> 00:04:09,000

I've got a I've got a bio for our guest

86

00:04:13,490 --> 00:04:11,220

today and I'm really excited I've been

87

00:04:16,069 --> 00:04:13,500

I've been uh doing some research this

88

00:04:17,689 --> 00:04:16,079

morning and I'm I'm really pumped I've

89

00:04:19,849 --> 00:04:17,699

been looking at his books here for a

90

00:04:22,069 --> 00:04:19,859

little while all right so Chris aubek

91

00:04:23,990 --> 00:04:22,079

was born in London he moved to Spain at

92

00:04:26,090 --> 00:04:24,000

age 19 and has lived there ever since

93

00:04:28,129 --> 00:04:26,100

his interest in the historical and

94

00:04:31,129 --> 00:04:28,139

sociological aspects of unexplained

95

00:04:32,870 --> 00:04:31,139

aerial phenomena began at an early age a

96

00:04:35,590 --> 00:04:32,880

student of language and folklore he's

97

00:04:39,650 --> 00:04:35,600

helped compile the largest collection of

98

00:04:41,570 --> 00:04:39,660

pre-1947 UFO cases in the world he's

99

00:04:44,810 --> 00:04:41,580

spoken on his research in many articles

100

00:04:46,670 --> 00:04:44,820

and on public radio in 2008 he was

101  
00:04:48,430 --> 00:04:46,680  
awarded a prize for his contributions in

102  
00:04:52,129 --> 00:04:48,440  
the field by the Spanish organization

103  
00:04:55,310 --> 00:04:52,139  
fundacion and namalia he's a co-author

104  
00:04:58,370 --> 00:04:55,320  
of return to Magonia and wonders in the

105  
00:05:00,530 --> 00:04:58,380  
sky with uh wonders in the sky with

106  
00:05:03,830 --> 00:05:00,540  
chocolate as well as His Brilliant new

107  
00:05:06,350 --> 00:05:03,840  
book alien artifacts the Forgotten story

108  
00:05:09,830 --> 00:05:06,360  
of how we began to believe in visitors

109  
00:05:13,490 --> 00:05:09,840  
from the Stars Chris it's great to have

110  
00:05:18,590 --> 00:05:16,670  
oh yeah how's it going there good yeah

111  
00:05:19,969 --> 00:05:18,600  
thanks so much for for doing this I

112  
00:05:22,969 --> 00:05:19,979  
really appreciate it I know you don't do

113  
00:05:24,529 --> 00:05:22,979

a lot of uh of interviews but

114

00:05:26,270 --> 00:05:24,539

um you're kind enough to to grant us

115

00:05:28,610 --> 00:05:26,280

some time so I really do appreciate I

116

00:05:31,189 --> 00:05:28,620

look forward to picking your brain

117

00:05:33,050 --> 00:05:31,199

yeah I never do and I don't know why I

118

00:05:35,570 --> 00:05:33,060

just don't it's like something that I

119

00:05:37,730 --> 00:05:35,580

never do so I do them very badly too so

120

00:05:39,710 --> 00:05:37,740

uh I'm just I spend like half an hour

121

00:05:42,350 --> 00:05:39,720

trying to work out here I'm a camera

122

00:05:43,670 --> 00:05:42,360

angles lights and everything it's

123

00:05:45,730 --> 00:05:43,680

something I'll have to get used to I

124

00:05:48,890 --> 00:05:45,740

think

125

00:05:52,370 --> 00:05:48,900

yeah well you do you whatever whatever

126

00:05:53,870 --> 00:05:52,380

you want to do you know sometimes some

127

00:05:56,330 --> 00:05:53,880

people aren't interview people don't

128

00:05:58,310 --> 00:05:56,340

like doing it that's cool if you do I'm

129

00:05:59,870 --> 00:05:58,320

sure you get a part a lot of wisdom as

130

00:06:01,189 --> 00:05:59,880

well

131

00:06:02,930 --> 00:06:01,199

um

132

00:06:04,969 --> 00:06:02,940

one thing

133

00:06:06,110 --> 00:06:04,979

that so I mean I took some time to

134

00:06:07,370 --> 00:06:06,120

listen to your some of your past

135

00:06:09,170 --> 00:06:07,380

interviews

136

00:06:10,790 --> 00:06:09,180

um which I'm glad I did because I really

137

00:06:13,550 --> 00:06:10,800

got some insight for you and I found

138

00:06:17,629 --> 00:06:13,560

some some common ground actually between

139

00:06:20,330 --> 00:06:17,639

us and what I mean by that is is going

140

00:06:23,150 --> 00:06:20,340

um the the need or want or desire to go

141

00:06:25,610 --> 00:06:23,160

to the start of things to to see how

142

00:06:29,210 --> 00:06:25,620

things kind of got to to where they are

143

00:06:31,010 --> 00:06:29,220

which is very you know complicated and

144

00:06:32,689 --> 00:06:31,020

long picture

145

00:06:36,110 --> 00:06:32,699

um I've only been in this for about two

146

00:06:38,510 --> 00:06:36,120

years so you know I'm up to maybe just

147

00:06:41,749 --> 00:06:38,520

starting to peek into the Airship

148

00:06:42,710 --> 00:06:41,759

um situation in the late 1800s but

149

00:06:44,450 --> 00:06:42,720

um

150

00:06:47,330 --> 00:06:44,460

you know after getting done with all the

151  
00:06:49,670 --> 00:06:47,340  
Blue Book stuff and so my first question

152  
00:06:52,249 --> 00:06:49,680  
is

153  
00:06:54,710 --> 00:06:52,259  
the first UFO sighting was Kenneth

154  
00:06:58,189 --> 00:06:54,720  
Arnold I thought

155  
00:07:00,350 --> 00:06:58,199  
wasn't it no no I'm just so so when did

156  
00:07:02,689 --> 00:07:00,360  
it when did it uh really start back in

157  
00:07:04,909 --> 00:07:02,699  
the day and and what made you want to

158  
00:07:08,029 --> 00:07:04,919  
chase that rabbit

159  
00:07:10,790 --> 00:07:08,039  
oh uh yeah a lot of people do think that

160  
00:07:15,230 --> 00:07:10,800  
the first sighting was Kenneth Arnold on

161  
00:07:19,309 --> 00:07:15,240  
the 24th of June 1947 uh when he saw

162  
00:07:22,370 --> 00:07:19,319  
these nine uh objects in the sky I mean

163  
00:07:25,249 --> 00:07:22,380

at that time uh he said

164

00:07:27,650 --> 00:07:25,259

um they flew like a source of wood if

165

00:07:29,629 --> 00:07:27,660

you skimmed it over water basically he

166

00:07:31,490 --> 00:07:29,639

never said that they were sources shaped

167

00:07:35,089 --> 00:07:31,500

and if you look at the pictures you can

168

00:07:37,309 --> 00:07:35,099

see like boomerangs and flying saucers so

169

00:07:39,290 --> 00:07:37,319

you know it the whole the whole field

170

00:07:41,629 --> 00:07:39,300

started really badly in that sense with

171

00:07:45,490 --> 00:07:41,639

a misinterpretation it might cause 50

172

00:07:48,409 --> 00:07:45,500

years of of people making stuff up about

173

00:07:50,270 --> 00:07:48,419

source-shaped craft or not who knows but

174

00:07:53,029 --> 00:07:50,280

the fact is that before

175

00:07:55,670 --> 00:07:53,039

Kenneth Arnold there had been a lot of

176

00:07:58,010 --> 00:07:55,680

sightings through history and

177

00:08:02,570 --> 00:07:58,020

practically none of them had anything to

178

00:08:04,309 --> 00:08:02,580

do with uh the sorcer shapes which to be

179

00:08:06,650 --> 00:08:04,319

honest with you these days it's exactly

180

00:08:09,710 --> 00:08:06,660

the same situation if you if you look on

181

00:08:11,749 --> 00:08:09,720

YouTube uh or any of the of the photos

182

00:08:13,969 --> 00:08:11,759

have come to light or all these videos

183

00:08:16,430 --> 00:08:13,979

the official videos that have been

184

00:08:19,249 --> 00:08:16,440

released by The Pentagon these aren't

185

00:08:21,170 --> 00:08:19,259

full specific objects either so it it

186

00:08:24,170 --> 00:08:21,180

does make you wonder what what

187

00:08:26,930 --> 00:08:24,180

percentage of the cases that have been

188

00:08:28,490 --> 00:08:26,940

compiled over the years

189

00:08:31,249 --> 00:08:28,500

um have been influenced but were

190

00:08:33,949 --> 00:08:31,259

influenced by this mistake that a

191

00:08:37,310 --> 00:08:33,959

journalist made at the time well the

192

00:08:39,709 --> 00:08:37,320

year before uh Kenneth Arnold's sighting

193

00:08:42,110 --> 00:08:39,719

in fact not even not even 12 months

194

00:08:45,350 --> 00:08:42,120

earlier just a few months earlier there

195

00:08:48,290 --> 00:08:45,360

was another report in San Diego and it

196

00:08:50,210 --> 00:08:48,300

was in a lot of newspapers uh National

197

00:08:52,790 --> 00:08:50,220

newspapers in the states probably

198

00:08:55,550 --> 00:08:52,800

internationally too but an object has

199

00:08:58,850 --> 00:08:55,560

been seen flying over that city

200

00:09:00,769 --> 00:08:58,860

um it wasn't saucer shaped but

201  
00:09:03,430 --> 00:09:00,779  
um people very quickly reached the

202  
00:09:06,949 --> 00:09:03,440  
conclusion that was aliens

203  
00:09:10,009 --> 00:09:06,959  
floating over the city and hoping to

204  
00:09:14,630 --> 00:09:10,019  
study us or sort of keeping an eye on on

205  
00:09:17,630 --> 00:09:14,640  
us in some and so you can say that it I

206  
00:09:21,050 --> 00:09:17,640  
mean obviously Arnold sighting was the

207  
00:09:23,650 --> 00:09:21,060  
one that kicked it off uh kind of um

208  
00:09:26,389 --> 00:09:23,660  
media circus

209  
00:09:27,590 --> 00:09:26,399  
well I guess what I mean really is the

210  
00:09:31,250 --> 00:09:27,600  
fact that

211  
00:09:33,470 --> 00:09:31,260  
it I mean the the saucer really is is

212  
00:09:35,269 --> 00:09:33,480  
just like uh you know something that

213  
00:09:36,590 --> 00:09:35,279

people let John do to kind of describe

214

00:09:38,509 --> 00:09:36,600

maybe the same thing that's been

215

00:09:40,009 --> 00:09:38,519

happening for hundreds of years right

216

00:09:41,690 --> 00:09:40,019

and I agree with you that the things

217

00:09:43,610 --> 00:09:41,700

I've seen or whatever there definitely

218

00:09:46,190 --> 00:09:43,620

weren't playing saucers the videos they

219

00:09:48,170 --> 00:09:46,200

don't look like you know cigars or flag

220

00:09:52,250 --> 00:09:48,180

saucers but

221

00:09:54,050 --> 00:09:52,260

you know like when did people as far as

222

00:09:55,730 --> 00:09:54,060

you know like on the record start

223

00:09:57,470 --> 00:09:55,740

documenting that they were seeing things

224

00:09:58,610 --> 00:09:57,480

in the sky and you know kind of tying

225

00:10:01,370 --> 00:09:58,620

them to

226

00:10:03,410 --> 00:10:01,380

you know something otherworldly

227

00:10:05,690 --> 00:10:03,420

well you know if you go back you can go

228

00:10:08,389 --> 00:10:05,700

back as as far as the earliest human

229

00:10:12,769 --> 00:10:08,399

record to go back to Mesopotamia for

230

00:10:15,530 --> 00:10:12,779

example and they didn't record sightings

231

00:10:18,889 --> 00:10:15,540

uh they didn't read the signs in uh in a

232

00:10:21,710 --> 00:10:18,899

book as as we might today but there are

233

00:10:24,910 --> 00:10:21,720

some tablets in in cuneiform to talk

234

00:10:28,250 --> 00:10:24,920

about Bowman's seen in the sky

235

00:10:29,990 --> 00:10:28,260

and many of them were pretty strange

236

00:10:33,829 --> 00:10:30,000

um at least when you read them they

237

00:10:37,190 --> 00:10:33,839

don't seem like normal meteors or stars

238

00:10:39,590 --> 00:10:37,200

in the soil clouds they weren't um black

239

00:10:42,350 --> 00:10:39,600

objects for example that remained uh

240

00:10:44,329 --> 00:10:42,360

stationary in the heavens difficult to

241

00:10:46,850 --> 00:10:44,339

explain as an astronomical or

242

00:10:49,910 --> 00:10:46,860

meteorological phenomenon

243

00:10:52,550 --> 00:10:49,920

um they also mentioned these tablets

244

00:10:54,769 --> 00:10:52,560

um obviously in shape even became

245

00:10:58,970 --> 00:10:54,779

familiar shapes like birds and

246

00:11:02,150 --> 00:10:58,980

butterflies and things like that so as

247

00:11:05,509 --> 00:11:02,160

far as you can go that is for say uh for

248

00:11:08,930 --> 00:11:05,519

that 5 000 years there are

249

00:11:11,810 --> 00:11:08,940

um there are records of unusual objects

250

00:11:12,790 --> 00:11:11,820

and sky and people's interpretations of

251  
00:11:16,730 --> 00:11:12,800  
them

252  
00:11:19,850 --> 00:11:16,740  
after that period after Mesopotamia you

253  
00:11:23,150 --> 00:11:19,860  
get to Egypt there's very little

254  
00:11:25,850 --> 00:11:23,160  
um in the way of UFOs recorded in

255  
00:11:29,750 --> 00:11:25,860  
ancient Egypt the the reputation that

256  
00:11:33,290 --> 00:11:29,760  
Egypt has as a place that may have been

257  
00:11:35,690 --> 00:11:33,300  
visited by aliens at some point

258  
00:11:38,269 --> 00:11:35,700  
um it's not very well established

259  
00:11:40,790 --> 00:11:38,279  
because you because there are very very

260  
00:11:42,530 --> 00:11:40,800  
few records from that from that period I

261  
00:11:45,410 --> 00:11:42,540  
mean if you pick up the the Book of the

262  
00:11:47,990 --> 00:11:45,420  
Dead I've seen lots of images The Book

263  
00:11:51,110 --> 00:11:48,000

of the Dead and say well here this is

264

00:11:52,730 --> 00:11:51,120

proof this is proof of if you read it

265

00:11:56,509 --> 00:11:52,740

there's nothing like that in it there

266

00:11:59,930 --> 00:11:56,519

are a few still I which mention

267

00:12:02,030 --> 00:11:59,940

um some sightings uh some unusual uh

268

00:12:04,430 --> 00:12:02,040

missile type things that come from the

269

00:12:08,389 --> 00:12:04,440

sky and throughout armies and they seem

270

00:12:12,350 --> 00:12:08,399

to be expressed as Supernatural uh

271

00:12:14,329 --> 00:12:12,360

phenomena uh so there is a potential

272

00:12:16,009 --> 00:12:14,339

there for UFO

273

00:12:17,509 --> 00:12:16,019

um records

274

00:12:19,970 --> 00:12:17,519

um then after that we get to ancient

275

00:12:22,850 --> 00:12:19,980

Greece where we find

276

00:12:26,630 --> 00:12:22,860

um a few interesting sightings too uh

277

00:12:28,210 --> 00:12:26,640

nothing too extraordinary yeah then

278

00:12:32,389 --> 00:12:28,220

um after that China

279

00:12:35,810 --> 00:12:32,399

uh Israel is Korean and we get to

280

00:12:38,030 --> 00:12:35,820

Medieval Times I mean really it doesn't

281

00:12:42,470 --> 00:12:38,040

matter how far back you look you will

282

00:12:45,650 --> 00:12:42,480

find evidence of unusual things seen in

283

00:12:47,690 --> 00:12:45,660

the sky and if we take them at face

284

00:12:52,310 --> 00:12:47,700

value at least

285

00:12:55,850 --> 00:12:52,320

um many of them are inexplicable so you

286

00:12:58,790 --> 00:12:55,860

know it seems that UFOs do go back a

287

00:13:03,530 --> 00:13:00,530

so much thank you

288

00:13:04,610 --> 00:13:03,540

now many people will know you best at

289

00:13:08,710 --> 00:13:04,620

this point

290

00:13:10,970 --> 00:13:08,720

co-authored the book Wonders in the sky

291

00:13:13,190 --> 00:13:10,980

unexplained aerial objects from

292

00:13:15,470 --> 00:13:13,200

Antiquity to modern times with Dr

293

00:13:17,389 --> 00:13:15,480

Jacques delay file of course is known

294

00:13:19,370 --> 00:13:17,399

for collaborating with many groups over

295

00:13:21,410 --> 00:13:19,380

the years but as an author he'd

296

00:13:24,230 --> 00:13:21,420

primarily written a loan before that

297

00:13:27,110 --> 00:13:24,240

point so how did you come to meet and

298

00:13:28,910 --> 00:13:27,120

get acquainted with Dr valet and how did

299

00:13:30,410 --> 00:13:28,920

that progress to working on a book

300

00:13:32,810 --> 00:13:30,420

together

301

00:13:35,990 --> 00:13:32,820

well he was the first person I ever sent

302

00:13:38,930 --> 00:13:36,000

an email to in my life uh and that was

303

00:13:41,810 --> 00:13:38,940

in the Year 1997 when someone showed me

304

00:13:44,210 --> 00:13:41,820

a computer and I found his email that's

305

00:13:46,550 --> 00:13:44,220

on the internet and amazingly it was it

306

00:13:49,069 --> 00:13:46,560

was his and it was his real address I

307

00:13:51,410 --> 00:13:49,079

sent him um I I think I made a very

308

00:13:53,629 --> 00:13:51,420

quick Yahoo account or something I sent

309

00:13:56,269 --> 00:13:53,639

him an email I didn't see a computer

310

00:13:58,310 --> 00:13:56,279

again for about 10 months

311

00:14:01,430 --> 00:13:58,320

um when I did find one

312

00:14:09,190 --> 00:14:01,440

um he'd replied to me wow

313

00:14:12,949 --> 00:14:11,569

together at some point and I said

314

00:14:16,670 --> 00:14:12,959

I said do that there's not too many

315

00:14:20,629 --> 00:14:16,680

people it's spend all of their UFO Time

316

00:14:23,449 --> 00:14:20,639

by looking at historical sightings then

317

00:14:27,650 --> 00:14:23,459

um I started a group called Magonia

318

00:14:29,750 --> 00:14:27,660

Exchange in the year 2003 where it is

319

00:14:31,790 --> 00:14:29,760

still going strong so this year is the

320

00:14:36,290 --> 00:14:31,800

20th anniversary of that group in fact

321

00:14:38,930 --> 00:14:36,300

it was April 2003 and

322

00:14:41,930 --> 00:14:38,940

um it's got members it will it has had

323

00:14:45,889 --> 00:14:41,940

members because it fluctuates a lot uh

324

00:14:48,350 --> 00:14:45,899

in 80 countries I don't know there's so

325

00:14:50,689 --> 00:14:48,360

many different places in the world and

326

00:14:53,389 --> 00:14:50,699

people contribute information that they

327

00:14:55,730 --> 00:14:53,399

find in old magazines Diaries books

328

00:14:58,189 --> 00:14:55,740

letters and we found some incredible

329

00:15:01,129 --> 00:14:58,199

things and we've had some amazing

330

00:15:04,069 --> 00:15:01,139

members and we still have

331

00:15:07,069 --> 00:15:04,079

um he joined and then he said why don't

332

00:15:09,550 --> 00:15:07,079

you come to to visit me in Portugal he

333

00:15:13,670 --> 00:15:09,560

was going to be an Oporto

334

00:15:17,930 --> 00:15:13,680

and in October I said yeah let's do it

335

00:15:20,389 --> 00:15:17,940

and I I was very nervous I was

336

00:15:22,189 --> 00:15:20,399

I was too I think at that time I went

337

00:15:24,170 --> 00:15:22,199

there and um

338

00:15:27,829 --> 00:15:24,180

I met him

339

00:15:30,889 --> 00:15:27,839

uh his his wife Janine uh who who's had

340

00:15:33,170 --> 00:15:30,899

always died since then and uh spent some

341

00:15:36,350 --> 00:15:33,180

time together talking about

342

00:15:38,329 --> 00:15:36,360

um what UFOs in history in general and

343

00:15:40,069 --> 00:15:38,339

then I said to him I have an idea a

344

00:15:42,530 --> 00:15:40,079

chance why don't we write a book

345

00:15:44,509 --> 00:15:42,540

together let's do this we can I think

346

00:15:47,569 --> 00:15:44,519

together we have enough information for

347

00:15:50,410 --> 00:15:47,579

a book and of course he said to me no no

348

00:15:53,449 --> 00:15:50,420

it's not I'm not interested but his wife

349

00:15:55,310 --> 00:15:53,459

tried to convince him he said I think

350

00:15:57,470 --> 00:15:55,320

this is a really great idea and this

351  
00:16:00,110 --> 00:15:57,480  
young man knows what he's talking about

352  
00:16:02,030 --> 00:16:00,120  
and and that's how it it basically

353  
00:16:04,189 --> 00:16:02,040  
happened I returned to Spain you know

354  
00:16:05,689 --> 00:16:04,199  
still thinking we'd never do it and then

355  
00:16:08,030 --> 00:16:05,699  
he called me one day while I was walking

356  
00:16:09,710 --> 00:16:08,040  
down the supermarket buying cheese and

357  
00:16:11,689 --> 00:16:09,720  
then I was like all right great that's

358  
00:16:13,730 --> 00:16:11,699  
great and people were saying to me um

359  
00:16:15,310 --> 00:16:13,740  
it's your turn and your house on the

360  
00:16:17,509 --> 00:16:15,320  
tube in the line

361  
00:16:20,329 --> 00:16:17,519  
anyway it doesn't matter that's exactly

362  
00:16:20,990 --> 00:16:20,339  
how I started then we spent

363  
00:16:23,090 --> 00:16:21,000

um

364

00:16:24,590 --> 00:16:23,100

two or three years just working very

365

00:16:28,490 --> 00:16:24,600

intensely on

366

00:16:30,650 --> 00:16:28,500

um on the on collecting all of the cases

367

00:16:35,090 --> 00:16:30,660

that we could find which were literally

368

00:16:39,110 --> 00:16:35,100

thousands there there have been so many

369

00:16:41,689 --> 00:16:39,120

um catalogs and databases and all of

370

00:16:43,370 --> 00:16:41,699

them contain historical information but

371

00:16:46,910 --> 00:16:43,380

we used to

372

00:16:51,410 --> 00:16:46,920

uh Whittle it down from probably around

373

00:16:53,810 --> 00:16:51,420

4 000 cases to 500 which

374

00:16:54,410 --> 00:16:53,820

in that book there

375

00:16:56,269 --> 00:16:54,420

um

376

00:17:03,530 --> 00:16:56,279

kind of

377

00:17:05,090 --> 00:17:03,540

I guess a little more uh detailed on

378

00:17:07,150 --> 00:17:05,100

some of your thoughts

379

00:17:10,189 --> 00:17:07,160

um and I was listening to

380

00:17:13,210 --> 00:17:10,199

one of your interviews and and you made

381

00:17:16,189 --> 00:17:13,220

the connection between

382

00:17:18,770 --> 00:17:16,199

abductions and demonology which I

383

00:17:20,569 --> 00:17:18,780

thought was was fascinating

384

00:17:22,130 --> 00:17:20,579

um and one of the things he said is a

385

00:17:23,750 --> 00:17:22,140

lot of the abductions you have to keep

386

00:17:24,949 --> 00:17:23,760

in mind are come from hypnotic

387

00:17:26,390 --> 00:17:24,959

regressions

388

00:17:28,490 --> 00:17:26,400

so

389

00:17:30,230 --> 00:17:28,500

I guess my question for you is what are

390

00:17:32,030 --> 00:17:30,240

the similarities

391

00:17:33,710 --> 00:17:32,040

and why do you think some of those

392

00:17:35,810 --> 00:17:33,720

memories

393

00:17:37,909 --> 00:17:35,820

maybe didn't need a hypnotic regression

394

00:17:39,169 --> 00:17:37,919

when it was you know more demonology

395

00:17:41,150 --> 00:17:39,179

based

396

00:17:44,210 --> 00:17:41,160

that's a very good question

397

00:17:48,110 --> 00:17:44,220

um how did we get details about these

398

00:17:51,650 --> 00:17:48,120

things if nobody said hypnotize them

399

00:17:55,310 --> 00:17:51,660

um the fact is if you pick up a copy of

400

00:17:59,029 --> 00:17:55,320

the Malaysia column which is the

401

00:18:01,370 --> 00:17:59,039

um the witch Hunters uh my book uh

402

00:18:04,909 --> 00:18:01,380

manual published in the late 15th

403

00:18:07,669 --> 00:18:04,919

century it explains exactly what demons

404

00:18:10,970 --> 00:18:07,679

would do to witches they would come into

405

00:18:14,630 --> 00:18:10,980

their their rooms at night they would

406

00:18:17,270 --> 00:18:14,640

say there's a lot of talk about about

407

00:18:19,490 --> 00:18:17,280

bodily fluids and there's a lot of talk

408

00:18:22,250 --> 00:18:19,500

about sexuality

409

00:18:24,830 --> 00:18:22,260

um about moving them from one place from

410

00:18:26,570 --> 00:18:24,840

I mean the equips themselves taking them

411

00:18:29,870 --> 00:18:26,580

to another

412

00:18:32,630 --> 00:18:29,880

um there's so much of that that supports

413

00:18:34,850 --> 00:18:32,640

me to to wonder whether there could be

414

00:18:36,770 --> 00:18:34,860

deeper parallels and yeah there are

415

00:18:38,150 --> 00:18:36,780

there's lots and lots of stories about

416

00:18:40,490 --> 00:18:38,160

about

417

00:18:42,770 --> 00:18:40,500

um which is being taken at night to

418

00:18:45,529 --> 00:18:42,780

particular locations where they find

419

00:18:48,110 --> 00:18:45,539

other witches the thing is because of

420

00:18:50,570 --> 00:18:48,120

the technology used at the time

421

00:18:53,029 --> 00:18:50,580

um I say the word which most of the time

422

00:18:56,870 --> 00:18:53,039

I'm just referring to a woman a horror

423

00:18:59,029 --> 00:18:56,880

man a reality young lady who was later

424

00:19:00,289 --> 00:18:59,039

called which of course the idea of a

425

00:19:01,909 --> 00:19:00,299

little bit of a long nose and the point

426

00:19:04,730 --> 00:19:01,919

of hat has got nothing to do with that

427

00:19:06,770 --> 00:19:04,740

just people who are accused

428

00:19:10,610 --> 00:19:06,780

um yeah and they had meetings with with

429

00:19:11,810 --> 00:19:10,620

with demons and um there's a lot of uh

430

00:19:14,930 --> 00:19:11,820

talk about

431

00:19:17,029 --> 00:19:14,940

um about babies and reproduction and

432

00:19:19,490 --> 00:19:17,039

there's just so much of this and lots of

433

00:19:22,730 --> 00:19:19,500

sort of traveling through the air and so

434

00:19:25,430 --> 00:19:22,740

on and so forth even there's even

435

00:19:28,669 --> 00:19:25,440

um stories about sort of implant type

436

00:19:30,590 --> 00:19:28,679

things under the skin uh that kind of

437

00:19:31,250 --> 00:19:30,600

thing uh happening in

438

00:19:34,549 --> 00:19:31,260

um

439

00:19:37,730 --> 00:19:34,559

demon abductions of that period

440

00:19:40,730 --> 00:19:37,740

um still it's I find that that's that's

441

00:19:43,070 --> 00:19:40,740

all very interesting article for move on

442

00:19:45,770 --> 00:19:43,080

about that and I also

443

00:19:50,090 --> 00:19:45,780

um did um a documentary for the History

444

00:19:51,710 --> 00:19:50,100

Channel years ago I talk about the thing

445

00:19:54,289 --> 00:19:51,720

um then there's a there are other

446

00:19:56,390 --> 00:19:54,299

stories about fairies and things where

447

00:19:58,490 --> 00:19:56,400

you have exactly the same ideas there's

448

00:20:01,789 --> 00:19:58,500

also um an oppression there for

449

00:20:04,669 --> 00:20:01,799

reproduction and babies and sexuality

450

00:20:06,529 --> 00:20:04,679

and this and that is very very similar

451  
00:20:08,630 --> 00:20:06,539  
to abduction stories and of course you

452  
00:20:12,470 --> 00:20:08,640  
can also find Tales of lights in the sky

453  
00:20:14,750 --> 00:20:12,480  
and unusual encounters along

454  
00:20:16,570 --> 00:20:14,760  
um country lanes at night very very

455  
00:20:20,630 --> 00:20:16,580  
similar to what once being told today

456  
00:20:24,409 --> 00:20:20,640  
then another another dimension to this

457  
00:20:26,990 --> 00:20:24,419  
comes from a certain is this for example

458  
00:20:29,390 --> 00:20:27,000  
of the 17th century 18th century there's

459  
00:20:43,270 --> 00:20:29,400  
one called Jane the lead who I'd like to

460  
00:20:49,250 --> 00:20:47,270  
and many of the of the Diary entries

461  
00:20:52,610 --> 00:20:49,260  
would say the day I saw another strange

462  
00:20:55,310 --> 00:20:52,620  
lie that came down almost hit the ground

463  
00:20:57,590 --> 00:20:55,320

went up into the sky again it

464

00:21:00,350 --> 00:20:57,600

disappeared the next day a

465

00:21:02,990 --> 00:21:00,360

transportation I was looking through my

466

00:21:06,049 --> 00:21:03,000

window at a star in the sky and suddenly

467

00:21:09,289 --> 00:21:06,059

I found myself in a in a room uh

468

00:21:11,870 --> 00:21:09,299

surrounded by people and then I had some

469

00:21:14,150 --> 00:21:11,880

babies and I did this I did that

470

00:21:17,870 --> 00:21:14,160

there's so many overlaps between

471

00:21:20,210 --> 00:21:17,880

abduction stories and and these that

472

00:21:21,970 --> 00:21:20,220

would be it would be terrible not to

473

00:21:25,510 --> 00:21:21,980

publish something about it because

474

00:21:28,310 --> 00:21:25,520

whatever conclusion reached whether

475

00:21:30,950 --> 00:21:28,320

these people are being abducted in the

476

00:21:33,529 --> 00:21:30,960

same way as as modern That season

477

00:21:36,409 --> 00:21:33,539

whether it was psychological or whatever

478

00:21:38,330 --> 00:21:36,419

it would be terrible if if people have

479

00:21:42,049 --> 00:21:38,340

access to this so that's one of my next

480

00:21:43,549 --> 00:21:42,059

projects why exactly today this

481

00:21:46,789 --> 00:21:43,559

information comes from hypnotic

482

00:21:49,549 --> 00:21:46,799

regression well it may in if if all of

483

00:21:52,789 --> 00:21:49,559

this is true then these days maybe

484

00:21:55,010 --> 00:21:52,799

they're much more careful about about

485

00:21:57,110 --> 00:21:55,020

um deleting people's memories making

486

00:21:58,909 --> 00:21:57,120

them forget about all the best in order

487

00:22:01,669 --> 00:21:58,919

not to cause a panic

488

00:22:04,490 --> 00:22:01,679

um if it's if it's not true well perhaps

489

00:22:07,430 --> 00:22:04,500

this comes from somewhere deeper in the

490

00:22:10,070 --> 00:22:07,440

human brain but in the case of the

491

00:22:12,830 --> 00:22:10,080

Inquisition torture that have reached

492

00:22:15,010 --> 00:22:12,840

there are so many possibilities out

493

00:22:17,930 --> 00:22:15,020

there I'd like to speak to

494

00:22:21,169 --> 00:22:17,940

psychiatrists and neurosurgeons whoever

495

00:22:22,909 --> 00:22:21,179

someone could who could assist with this

496

00:22:25,190 --> 00:22:22,919

project because I'm not qualified to

497

00:22:27,649 --> 00:22:25,200

reach out from the conclusion well we

498

00:22:30,350 --> 00:22:27,659

could still find patterns and all that

499

00:22:33,649 --> 00:22:30,360

and I think you do a good job with that

500

00:22:35,210 --> 00:22:33,659

um and I guess you know just a real

501  
00:22:39,110 --> 00:22:35,220  
quick follow-up before I hand it over to

502  
00:22:42,649 --> 00:22:39,120  
Jay is you know do you suppose maybe the

503  
00:22:44,990 --> 00:22:42,659  
the same ideas just won't

504  
00:22:46,730 --> 00:22:45,000  
maybe leave our subconscious even though

505  
00:22:51,529 --> 00:22:46,740  
we can't

506  
00:22:54,230 --> 00:22:51,539  
more physically tangible for more people

507  
00:22:55,970 --> 00:22:54,240  
to see at the same time type of thing do

508  
00:22:58,010 --> 00:22:55,980  
you know so do you think like maybe when

509  
00:23:00,710 --> 00:22:58,020  
people are abducted that

510  
00:23:04,669 --> 00:23:00,720  
you know there's a subconscious memory

511  
00:23:06,770 --> 00:23:04,679  
of of past uh stories or tellings of

512  
00:23:09,830 --> 00:23:06,780  
something familiar and it's kind of

513  
00:23:11,750 --> 00:23:09,840

manifesting and and maybe you know more

514

00:23:13,970 --> 00:23:11,760

familiar ways such as like technology

515

00:23:16,190 --> 00:23:13,980

and and great aliens

516

00:23:20,169 --> 00:23:16,200

I think that there's a basis in reality

517

00:23:24,529 --> 00:23:20,179

to to to all any or just a bunch of this

518

00:23:28,130 --> 00:23:24,539

uh there must be trauma involved and

519

00:23:29,990 --> 00:23:28,140

Trauma very famously surfaces one way or

520

00:23:33,289 --> 00:23:30,000

another in the end

521

00:23:34,490 --> 00:23:33,299

um I can say

522

00:23:38,810 --> 00:23:34,500

thank you

523

00:23:42,110 --> 00:23:38,820

yeah fascinating uh along those lines

524

00:23:46,310 --> 00:23:42,120

and in terms of like tying uh historical

525

00:23:48,950 --> 00:23:46,320

cases that were interpreted uh along the

526

00:23:51,470 --> 00:23:48,960

lines of the culture at the time you've

527

00:23:53,570 --> 00:23:51,480

been an avid student of fairy lore for

528

00:23:57,529 --> 00:23:53,580

quite a while and of course having

529

00:24:02,930 --> 00:23:57,539

written with Jacques and taking the name

530

00:24:05,090 --> 00:24:02,940

Magonia uh in the megonia exchange for

531

00:24:05,930 --> 00:24:05,100

the collaborative database

532

00:24:07,909 --> 00:24:05,940

Etc

533

00:24:10,610 --> 00:24:07,919

um it would make sense to a lot of

534

00:24:13,430 --> 00:24:10,620

people why this would be the case but do

535

00:24:15,470 --> 00:24:13,440

you think more followers of ufology and

536

00:24:18,409 --> 00:24:15,480

contemporary anomalous studies should

537

00:24:21,770 --> 00:24:18,419

seriously look at and study fairy lore

538

00:24:27,470 --> 00:24:21,780

and if so why should they

539

00:24:30,370 --> 00:24:27,480

okay so when you look back at the 1940s

540

00:24:34,490 --> 00:24:30,380

um when flying sources became so popular

541

00:24:38,630 --> 00:24:34,500

uh you see there's a very strong overlap

542

00:24:41,390 --> 00:24:38,640

between a fairy folklore fairy beliefs

543

00:24:44,090 --> 00:24:41,400

and and extraterrestrials in fact

544

00:24:46,669 --> 00:24:44,100

throughout the first half of the 20th

545

00:24:49,430 --> 00:24:46,679

century people were telling very very

546

00:24:53,270 --> 00:24:49,440

similar stories about other kinds of

547

00:24:57,370 --> 00:24:53,280

creatures so you can find for example

548

00:25:01,149 --> 00:24:57,380

cross Circle type phenomena uh not not

549

00:25:04,250 --> 00:25:01,159

exactly the same as what happened in the

550

00:25:06,950 --> 00:25:04,260

1990s and early 2000s a lot of that was

551  
00:25:08,570 --> 00:25:06,960  
man-made and it's pretty obvious you do

552  
00:25:13,310 --> 00:25:08,580  
find lots of

553  
00:25:16,490 --> 00:25:13,320  
um of cases of unusual formations and in

554  
00:25:19,250 --> 00:25:16,500  
fields in the ground door is related to

555  
00:25:23,330 --> 00:25:19,260  
that I have a whole collection of those

556  
00:25:25,970 --> 00:25:23,340  
um and that's because people believed in

557  
00:25:28,010 --> 00:25:25,980  
practically the same phenomena but

558  
00:25:31,970 --> 00:25:28,020  
related it to different kinds of

559  
00:25:35,330 --> 00:25:31,980  
entities so really we can't we we can't

560  
00:25:38,409 --> 00:25:35,340  
talk about 947 as the genus basis of

561  
00:25:41,990 --> 00:25:38,419  
anything except it was when

562  
00:25:45,110 --> 00:25:42,000  
these things reached a point in in

563  
00:25:48,289 --> 00:25:45,120

culture and in modern day communications

564

00:25:49,730 --> 00:25:48,299

that everyone's been talking about more

565

00:25:52,310 --> 00:25:49,740

so

566

00:25:55,310 --> 00:25:52,320

um we can look at the kind of Continuum

567

00:25:58,010 --> 00:25:55,320

that started long long before that and

568

00:26:00,130 --> 00:25:58,020

has reached our days if once you see

569

00:26:02,330 --> 00:26:00,140

things in in that way in an almost

570

00:26:04,909 --> 00:26:02,340

evolutionary way because if you were

571

00:26:06,890 --> 00:26:04,919

looking at the evolution of the dog or

572

00:26:10,190 --> 00:26:06,900

the horse or something like that and you

573

00:26:14,029 --> 00:26:10,200

see the fossil record all the way up to

574

00:26:17,390 --> 00:26:14,039

the modern the modern world then you

575

00:26:19,909 --> 00:26:17,400

begin to wonder how everything fits in

576

00:26:24,610 --> 00:26:19,919

together it would be impossible to say

577

00:26:28,630 --> 00:26:24,620

that from that day in 1947

578

00:26:30,769 --> 00:26:28,640

everything has been real and up to that

579

00:26:33,409 --> 00:26:30,779

or something like that it wouldn't make

580

00:26:35,570 --> 00:26:33,419

any sense and and we know that's not the

581

00:26:40,730 --> 00:26:35,580

case because so many of the stories from

582

00:26:43,549 --> 00:26:40,740

before Arnold how stories from us so you

583

00:26:45,529 --> 00:26:43,559

need to be aware of this evolution in

584

00:26:46,730 --> 00:26:45,539

the field you need to where things come

585

00:26:48,830 --> 00:26:46,740

from

586

00:26:50,450 --> 00:26:48,840

um you you would have to know know where

587

00:26:52,970 --> 00:26:50,460

things come from no matter what you're

588

00:26:55,909 --> 00:26:52,980

studying if you're studying plate

589

00:26:57,710 --> 00:26:55,919

tectonics or the geography of India you

590

00:26:59,810 --> 00:26:57,720

have to know that things existed before

591

00:27:02,390 --> 00:26:59,820

and how they got to that point and make

592

00:27:03,909 --> 00:27:02,400

predictions of our future it's it would

593

00:27:07,010 --> 00:27:03,919

be ridiculous

594

00:27:09,350 --> 00:27:07,020

at that day but that's what's happened

595

00:27:11,930 --> 00:27:09,360

people younger people just seem to think

596

00:27:14,390 --> 00:27:11,940

that all of this was invented around the

597

00:27:17,269 --> 00:27:14,400

same type of awards for Star Wars Star

598

00:27:20,330 --> 00:27:17,279

Trek and whatever it's got a very very

599

00:27:24,169 --> 00:27:20,340

very long history and once you once you

600

00:27:26,870 --> 00:27:24,179

factor in very long history then you can

601  
00:27:29,750 --> 00:27:26,880  
reach better conclusions about what all

602  
00:27:31,850 --> 00:27:29,760  
of this means and make predictions for

603  
00:27:34,490 --> 00:27:31,860  
the future too

604  
00:27:36,769 --> 00:27:34,500  
yeah I mean it's it's a

605  
00:27:38,630 --> 00:27:36,779  
to a certain extent it's it seems like a

606  
00:27:41,210 --> 00:27:38,640  
lot of this is almost a part of human

607  
00:27:42,950 --> 00:27:41,220  
nature in some way shape or form when I

608  
00:27:48,049 --> 00:27:42,960  
think of

609  
00:27:50,510 --> 00:27:48,059  
the flag saucer or or beings in the the

610  
00:27:51,529 --> 00:27:50,520  
characteristics we give those it's

611  
00:27:53,990 --> 00:27:51,539  
always

612  
00:27:56,810 --> 00:27:54,000  
you know something that's better than us

613  
00:28:01,250 --> 00:27:56,820

or or almost sometimes perfect you know

614

00:28:03,409 --> 00:28:01,260

so so it almost gives us this uh

615

00:28:05,210 --> 00:28:03,419

almost piece of something to strive for

616

00:28:07,430 --> 00:28:05,220

right we always want all the answers and

617

00:28:09,830 --> 00:28:07,440

I I feel like sometimes we we put all

618

00:28:12,529 --> 00:28:09,840

the questions on one thing whether it be

619

00:28:14,149 --> 00:28:12,539

you know an alien in a spaceship a fairy

620

00:28:17,029 --> 00:28:14,159

or something else that if we could just

621

00:28:19,070 --> 00:28:17,039

figure out that riddle we would have the

622

00:28:20,930 --> 00:28:19,080

answers to almost everything whether it

623

00:28:23,330 --> 00:28:20,940

be the afterlife other beings in the

624

00:28:26,149 --> 00:28:23,340

universe whether it be you know free

625

00:28:28,130 --> 00:28:26,159

energy all that kind of stuff so so I

626

00:28:30,409 --> 00:28:28,140

find it almost like

627

00:28:32,810 --> 00:28:30,419

the part of human nature to want to find

628

00:28:35,450 --> 00:28:32,820

perfection somehow and and maybe that's

629

00:28:37,190 --> 00:28:35,460

a way of of you know I think it's giving

630

00:28:39,169 --> 00:28:37,200

is something tangible

631

00:28:40,610 --> 00:28:39,179

I think that's also pertinent of the

632

00:28:42,350 --> 00:28:40,620

fact that

633

00:28:43,789 --> 00:28:42,360

um until I published this book in

634

00:28:45,850 --> 00:28:43,799

November

635

00:28:49,850 --> 00:28:45,860

uh

636

00:28:52,549 --> 00:28:49,860

nobody knew maybe realized that the

637

00:28:55,909 --> 00:28:52,559

Ancient Aliens theory has been with us

638

00:28:59,810 --> 00:28:55,919

for 300 years in fact this is the 300th

639

00:29:02,810 --> 00:28:59,820

anniversary of sorry 200 if I don't know

640

00:29:03,830 --> 00:29:02,820

the the 200th anniversary of of its

641

00:29:05,990 --> 00:29:03,840

existence

642

00:29:09,130 --> 00:29:06,000

um 1823.

643

00:29:13,970 --> 00:29:09,140

when Francois Champion published a book

644

00:29:17,090 --> 00:29:13,980

about his theory that our ancestors had

645

00:29:19,490 --> 00:29:17,100

come from a planet that had since been

646

00:29:22,850 --> 00:29:19,500

destroyed and that and that gave rise to

647

00:29:25,669 --> 00:29:22,860

the asteroid belt and that they were so

648

00:29:28,730 --> 00:29:25,679

perfect that they came to the Earth uh

649

00:29:30,230 --> 00:29:28,740

people regarded them as Gods he sort of

650

00:29:32,510 --> 00:29:30,240

leads a little bit ambiguous about

651  
00:29:34,669 --> 00:29:32,520  
whether they were our ancestors whether

652  
00:29:37,430 --> 00:29:34,679  
we're just treated as Gods a separate

653  
00:29:38,630 --> 00:29:37,440  
group he talks about Giants do and this

654  
00:29:40,909 --> 00:29:38,640  
kind of thing

655  
00:29:43,070 --> 00:29:40,919  
I mean what I what that means is that

656  
00:29:45,529 --> 00:29:43,080  
for at least 200 years people have been

657  
00:29:49,610 --> 00:29:45,539  
coming up with quite complex theories

658  
00:29:50,330 --> 00:29:49,620  
involving aliens a lot of the time

659  
00:29:54,289 --> 00:29:50,340  
um

660  
00:29:56,870 --> 00:29:54,299  
to explain our Origins and that also

661  
00:29:58,789 --> 00:29:56,880  
they they spend a lot of time talking

662  
00:30:02,450 --> 00:29:58,799  
about the Perfection of that culture

663  
00:30:05,289 --> 00:30:02,460

that culture reached us and gave us our

664

00:30:08,870 --> 00:30:05,299

culture we we have descended from them

665

00:30:10,850 --> 00:30:08,880

way more advanced than our ancestors uh

666

00:30:14,389 --> 00:30:10,860

something that I touched on

667

00:30:17,330 --> 00:30:14,399

um in this book uh partly too because a

668

00:30:19,269 --> 00:30:17,340

lot of the ancient astronaut Society uh

669

00:30:22,510 --> 00:30:19,279

sort of internal Theory which was

670

00:30:25,909 --> 00:30:22,520

promoted by the astronaut Society in the

671

00:30:30,470 --> 00:30:25,919

1970s 80s 90s

672

00:30:33,950 --> 00:30:30,480

um come from racism to be honest which

673

00:30:36,250 --> 00:30:33,960

is why I spend 50 pages in this book

674

00:30:41,029 --> 00:30:36,260

talking about the danger

675

00:30:43,250 --> 00:30:41,039

aliens Theory and how for example in

676  
00:30:47,389 --> 00:30:43,260  
1870

677  
00:30:49,430 --> 00:30:47,399  
um a French geographer made a

678  
00:30:52,490 --> 00:30:49,440  
presentation saying that the whole

679  
00:30:55,490 --> 00:30:52,500  
continent Australia had fallen from the

680  
00:30:58,730 --> 00:30:55,500  
sky ended up in the Pacific Ocean and

681  
00:31:01,669 --> 00:30:58,740  
that explains why all of the creatures

682  
00:31:04,070 --> 00:31:01,679  
living in Australia its flora and fauna

683  
00:31:06,049 --> 00:31:04,080  
and human inhabitants don't look

684  
00:31:08,990 --> 00:31:06,059  
anything like anything else found on

685  
00:31:11,090 --> 00:31:09,000  
this planet and how therefore we we must

686  
00:31:13,669 --> 00:31:11,100  
be able to take all of that ourselves

687  
00:31:17,269 --> 00:31:13,679  
take that land take the whole continent

688  
00:31:19,490 --> 00:31:17,279

of the Aborigines and and dominate them

689

00:31:21,289 --> 00:31:19,500

and turn them into slaves and that kind

690

00:31:23,210 --> 00:31:21,299

of thing this is the origins of the

691

00:31:26,029 --> 00:31:23,220

Ancient Aliens

692

00:31:28,430 --> 00:31:26,039

um theory that these people came from I

693

00:31:30,049 --> 00:31:28,440

mean it's it's so complex so because on

694

00:31:33,169 --> 00:31:30,059

the one hand you have the idea of the

695

00:31:34,789 --> 00:31:33,179

superior ancestors the other in the 19th

696

00:31:36,950 --> 00:31:34,799

century we have theories like this one

697

00:31:38,930 --> 00:31:36,960

about how the extraterrestrials were

698

00:31:40,789 --> 00:31:38,940

actually the Aborigines of Australia and

699

00:31:42,669 --> 00:31:40,799

they're far inferior to us there's

700

00:31:46,490 --> 00:31:42,679

someone obsession with inferiority

701

00:31:49,669 --> 00:31:46,500

superiority race and it's throughout

702

00:31:53,630 --> 00:31:49,679

that period and in a sense what we what

703

00:31:55,730 --> 00:31:53,640

we experiencing or experiencing today is

704

00:31:59,870 --> 00:31:55,740

just the Echoes of all of that that

705

00:32:03,470 --> 00:31:59,880

survived over time and reached us

706

00:32:06,049 --> 00:32:03,480

it's a fascinating fascinating point and

707

00:32:06,830 --> 00:32:06,059

and and Incredibly relevant you know I

708

00:32:08,630 --> 00:32:06,840

mean

709

00:32:10,250 --> 00:32:08,640

people talk about how if you don't know

710

00:32:13,789 --> 00:32:10,260

your history you're doomed to repeat it

711

00:32:16,970 --> 00:32:13,799

and situations like this we we could it

712

00:32:19,610 --> 00:32:16,980

you know it would be easy to say like oh

713

00:32:22,669 --> 00:32:19,620

well these days we we would never think

714

00:32:25,789 --> 00:32:22,679

that Australia fell from the sky we

715

00:32:27,769 --> 00:32:25,799

wouldn't fall prey to similar uh similar

716

00:32:30,049 --> 00:32:27,779

assertions like that and at the same

717

00:32:33,470 --> 00:32:30,059

time you know there's just people that

718

00:32:36,830 --> 00:32:33,480

say the Earth is flat yeah sure yeah and

719

00:32:38,330 --> 00:32:36,840

also in the 1970s sorry in the 1970s

720

00:32:40,549 --> 00:32:38,340

there were so many books on ancient

721

00:32:43,370 --> 00:32:40,559

astronauts published one of them said

722

00:32:46,389 --> 00:32:43,380

that the Israelites probably have alien

723

00:32:51,169 --> 00:32:48,830

on ancient astronauts on the from the

724

00:32:53,750 --> 00:32:51,179

same period W Raymond Drake a British

725

00:32:56,029 --> 00:32:53,760

author who wrote God's in Spaceman here

726  
00:32:58,010 --> 00:32:56,039  
and there uh he says that um that maybe

727  
00:32:59,630 --> 00:32:58,020  
we have Martian blood in our in our

728  
00:33:01,570 --> 00:32:59,640  
veins

729  
00:33:03,769 --> 00:33:01,580  
um there's so much

730  
00:33:06,350 --> 00:33:03,779  
he talks about

731  
00:33:08,389 --> 00:33:06,360  
um in the Indian tribe that's so unusual

732  
00:33:10,490 --> 00:33:08,399  
that it seems that they've also come

733  
00:33:14,090 --> 00:33:10,500  
from another planet is not something

734  
00:33:16,190 --> 00:33:14,100  
that they don't have that

735  
00:33:18,649 --> 00:33:16,200  
it's a it's an interesting idea also

736  
00:33:21,769 --> 00:33:18,659  
because you know there are people like

737  
00:33:24,649 --> 00:33:21,779  
Dr Gary Nolan and others that are that

738  
00:33:27,590 --> 00:33:24,659

are starting to wonder about whether

739

00:33:29,630 --> 00:33:27,600

there are any kind of anything that can

740

00:33:30,889 --> 00:33:29,640

be found in our genetic record that

741

00:33:33,409 --> 00:33:30,899

might

742

00:33:36,470 --> 00:33:33,419

give any Credence to the idea of

743

00:33:39,590 --> 00:33:36,480

manipulation over the years whether and

744

00:33:41,750 --> 00:33:39,600

trying to read our DNA our RNA however

745

00:33:43,730 --> 00:33:41,760

that could be done kind of like tree

746

00:33:46,190 --> 00:33:43,740

rings a little bit more as has been done

747

00:33:48,529 --> 00:33:46,200

by mainstream science for many years and

748

00:33:49,970 --> 00:33:48,539

wondering if there's any clues that that

749

00:33:54,169 --> 00:33:49,980

of

750

00:33:57,350 --> 00:33:54,179

and it's it's frustrating to think that

751  
00:34:01,009 --> 00:33:57,360  
that in the future because of situations

752  
00:34:02,269 --> 00:34:01,019  
like that where blatant racism and and

753  
00:34:05,149 --> 00:34:02,279  
just kind of

754  
00:34:08,570 --> 00:34:05,159  
um and these these Odd Ideas took root

755  
00:34:11,750 --> 00:34:08,580  
that it might make it might muddy the

756  
00:34:14,210 --> 00:34:11,760  
waters with actual situations that can

757  
00:34:16,970 --> 00:34:14,220  
be backed up by science in the future

758  
00:34:18,770 --> 00:34:16,980  
yeah what what I've done in this book is

759  
00:34:20,869 --> 00:34:18,780  
basically maybe not to fight so I'm

760  
00:34:23,450 --> 00:34:20,879  
trying to do is to show people the

761  
00:34:27,109 --> 00:34:23,460  
socio-cultural

762  
00:34:30,169 --> 00:34:27,119  
um impact the belief in Aliens has had

763  
00:34:33,470 --> 00:34:30,179

and how a lot of our ideas might have

764

00:34:35,810 --> 00:34:33,480

evolved from from fictions invented in

765

00:34:38,089 --> 00:34:35,820

that period it doesn't it doesn't mean

766

00:34:40,129 --> 00:34:38,099

that UFOs don't exist it doesn't mean

767

00:34:43,550 --> 00:34:40,139

we've never been visited by aliens I

768

00:34:46,629 --> 00:34:43,560

have no idea greatly have but it does

769

00:34:50,290 --> 00:34:46,639

mean that a lot of our our current

770

00:34:52,669 --> 00:34:50,300

preconceptions stories myth myths

771

00:34:54,950 --> 00:34:52,679

knowledge about what aliens look like

772

00:34:57,290 --> 00:34:54,960

and behave and so on that might well

773

00:34:59,210 --> 00:34:57,300

have been born in in fictions from the

774

00:35:02,089 --> 00:34:59,220

19th century we just have to be very

775

00:35:04,250 --> 00:35:02,099

careful and with this book I just want

776

00:35:06,290 --> 00:35:04,260

to make I want to make people aware of

777

00:35:09,349 --> 00:35:06,300

what there was before

778

00:35:12,530 --> 00:35:09,359

to be able to judge better and what we

779

00:35:14,450 --> 00:35:12,540

have today otherwise there's just no way

780

00:35:16,790 --> 00:35:14,460

it's no different than anything else

781

00:35:18,770 --> 00:35:16,800

right I mean if you want to learn chess

782

00:35:21,950 --> 00:35:18,780

or if you want to learn a sport or or

783

00:35:23,870 --> 00:35:21,960

whatever you have to start somewhere and

784

00:35:25,310 --> 00:35:23,880

where do you start you start with you

785

00:35:29,210 --> 00:35:25,320

know

786

00:35:31,670 --> 00:35:29,220

have already done it before so you can

787

00:35:33,890 --> 00:35:31,680

take that knowledge along with you and

788

00:35:35,930 --> 00:35:33,900

you know begin to perfect whatever it is

789

00:35:37,790 --> 00:35:35,940

that you want to perfect so to not do

790

00:35:40,310 --> 00:35:37,800

that with the apology to just throw out

791

00:35:42,770 --> 00:35:40,320

the history is

792

00:35:45,530 --> 00:35:42,780

um really ridiculous especially coming

793

00:35:48,109 --> 00:35:45,540

from the point of where I've looked at a

794

00:35:50,990 --> 00:35:48,119

lot of the history and I see reoccurring

795

00:35:53,990 --> 00:35:51,000

themes and you know the same kind of

796

00:35:56,150 --> 00:35:54,000

things happening over and over again

797

00:35:57,890 --> 00:35:56,160

and it's quite frustrating because a lot

798

00:35:59,690 --> 00:35:57,900

of other people don't

799

00:36:02,030 --> 00:35:59,700

I don't know if they realize it or they

800

00:36:03,890 --> 00:36:02,040

just tune it out and don't care or or

801  
00:36:06,589 --> 00:36:03,900  
whatever and there are also differences

802  
00:36:08,030 --> 00:36:06,599  
now but between the past two you know so

803  
00:36:10,970 --> 00:36:08,040  
so I don't want to say it's all the same

804  
00:36:13,190 --> 00:36:10,980  
but the but the major you know points

805  
00:36:14,569 --> 00:36:13,200  
are are kind of the same

806  
00:36:17,750 --> 00:36:14,579  
um so

807  
00:36:18,589 --> 00:36:17,760  
yeah it's very it's very interesting

808  
00:36:21,370 --> 00:36:18,599  
um

809  
00:36:23,990 --> 00:36:21,380  
one thing I was

810  
00:36:25,069 --> 00:36:24,000  
one thing I wanted to get into if you

811  
00:36:26,569 --> 00:36:25,079  
don't mind

812  
00:36:31,030 --> 00:36:26,579  
um

813  
00:36:34,069 --> 00:36:31,040

you talked about a sighting that you had

814

00:36:35,990 --> 00:36:34,079

and I heard on this last interview that

815

00:36:38,450 --> 00:36:36,000

you did

816

00:36:40,609 --> 00:36:38,460

and I was wondering if you care to tell

817

00:36:41,930 --> 00:36:40,619

that story and then also if you've ever

818

00:36:44,329 --> 00:36:41,940

heard of any

819

00:36:46,069 --> 00:36:44,339

um other sightings with rectangles in it

820

00:36:50,630 --> 00:36:46,079

because I can think of one but I'm not

821

00:36:55,790 --> 00:36:50,640

sure if you know of any I'm sure you do

822

00:36:57,010 --> 00:36:55,800

um yeah so on the 6th of April 1996 I

823

00:37:00,250 --> 00:36:57,020

was in

824

00:37:08,329 --> 00:37:04,630

now it's a region of Spain pretty rural

825

00:37:09,829 --> 00:37:08,339

disconnected from the world and

826

00:37:11,630 --> 00:37:09,839

um it's

827

00:37:14,810 --> 00:37:11,640

um I was with about six or seven people

828

00:37:17,930 --> 00:37:14,820

we suddenly saw what literally looked

829

00:37:21,109 --> 00:37:17,940

like a sort of orange rectangle of a

830

00:37:24,109 --> 00:37:21,119

luminous orange rectangle and

831

00:37:25,970 --> 00:37:24,119

um I said to them hey what thing that

832

00:37:28,730 --> 00:37:25,980

might be and they said oh well that

833

00:37:30,290 --> 00:37:28,740

could be anything which I've found quite

834

00:37:32,710 --> 00:37:30,300

amusing and then another person said oh

835

00:37:35,089 --> 00:37:32,720

that must be a satellite

836

00:37:37,550 --> 00:37:35,099

satellite it wasn't moving it was just a

837

00:37:38,870 --> 00:37:37,560

rectangle another person said that must

838

00:37:49,490 --> 00:37:38,880

be

839

00:37:52,550 --> 00:37:49,500

Village and so on and then suddenly the

840

00:37:55,310 --> 00:37:52,560

light when out like a light bulb I saw

841

00:37:57,290 --> 00:37:55,320

it go out and then it appeared a few

842

00:37:59,450 --> 00:37:57,300

minutes later in a completely different

843

00:38:01,730 --> 00:37:59,460

part of the sky and it was exactly the

844

00:38:04,430 --> 00:38:01,740

same thing it was an orange rectangle

845

00:38:06,710 --> 00:38:04,440

and I said well they moved that Tower

846

00:38:08,870 --> 00:38:06,720

very quickly didn't they and um

847

00:38:11,150 --> 00:38:08,880

obviously it wasn't that there's no

848

00:38:12,470 --> 00:38:11,160

information and I've spent many many

849

00:38:14,150 --> 00:38:12,480

years

850

00:38:17,630 --> 00:38:14,160

um looking for an explanation for it

851  
00:38:21,530 --> 00:38:17,640  
I've consulted a lot of ufologists some

852  
00:38:24,890 --> 00:38:21,540  
of the tools that I that I use myself to

853  
00:38:27,230 --> 00:38:24,900  
calculate star positions and it's not a

854  
00:38:30,589 --> 00:38:27,240  
star so I have nothing to do on really

855  
00:38:34,430 --> 00:38:30,599  
and we're talking about 1996 which is a

856  
00:38:35,690 --> 00:38:34,440  
time before drones and batteries which

857  
00:38:37,730 --> 00:38:35,700  
you're powerful enough to keep them up

858  
00:38:39,890 --> 00:38:37,740  
there anyway for that amount of time

859  
00:38:42,589 --> 00:38:39,900  
God knows what it was it I mean really

860  
00:38:45,349 --> 00:38:42,599  
it's um it was a bit of a mystery but

861  
00:38:48,950 --> 00:38:45,359  
um what it means to me is that it puts

862  
00:38:51,530 --> 00:38:48,960  
me in the category of UFO witness which

863  
00:38:53,270 --> 00:38:51,540

um does change my my view on things at

864

00:38:55,790 --> 00:38:53,280

that point I was pretty skeptical I

865

00:38:57,470 --> 00:38:55,800

didn't know what I want to believe uh I

866

00:39:00,589 --> 00:38:57,480

I think this was either just before or

867

00:39:02,450 --> 00:39:00,599

just after uh Jacobs published his uh

868

00:39:04,849 --> 00:39:02,460

secret life and this kind of thing and I

869

00:39:07,010 --> 00:39:04,859

I was beginning to make connections

870

00:39:09,470 --> 00:39:07,020

between fairies and this and that but I

871

00:39:10,970 --> 00:39:09,480

wasn't really sure when I saw that I

872

00:39:12,950 --> 00:39:10,980

thought oh my God maybe it is all true

873

00:39:16,190 --> 00:39:12,960

you know

874

00:39:19,069 --> 00:39:16,200

um then a couple of months later one of

875

00:39:21,470 --> 00:39:19,079

the local UF magazines uh published an

876

00:39:24,530 --> 00:39:21,480

article that said a sort of rectangle

877

00:39:26,930 --> 00:39:24,540

orange UFO had been seen But in a very

878

00:39:28,490 --> 00:39:26,940

different part of Spain another thing

879

00:39:31,849 --> 00:39:28,500

that I haven't mentioned in in other

880

00:39:35,810 --> 00:39:31,859

interviews was that many years later uh

881

00:39:38,150 --> 00:39:35,820

a TV company wanted me to go back to the

882

00:39:41,089 --> 00:39:38,160

town where I started my life in Spain

883

00:39:43,010 --> 00:39:41,099

called Catherines and to just sort of

884

00:39:46,010 --> 00:39:43,020

walk around the street telling them how

885

00:39:47,569 --> 00:39:46,020

I ended up then and they said well while

886

00:39:49,430 --> 00:39:47,579

we're here we're going to visit a family

887

00:39:52,069 --> 00:39:49,440

that lives in a nearby Village called

888

00:39:54,710 --> 00:39:52,079

Trujillo uh because they're also saw a

889

00:39:56,870 --> 00:39:54,720

UFO uh in the end these two brothers

890

00:39:59,390 --> 00:39:56,880

didn't want to appear on TV I'd never

891

00:40:02,030 --> 00:39:59,400

heard of this case but later on I looked

892

00:40:03,490 --> 00:40:02,040

it up and they also saw what they saw on

893

00:40:06,109 --> 00:40:03,500

the 6th of April

894

00:40:07,790 --> 00:40:06,119

1996. it would have been an amazing new

895

00:40:09,349 --> 00:40:07,800

incident that it kind of appeared in

896

00:40:12,349 --> 00:40:09,359

their house to interview them about this

897

00:40:15,410 --> 00:40:12,359

but it was a period of time when these

898

00:40:19,010 --> 00:40:15,420

things were happening quite a lot uh for

899

00:40:21,650 --> 00:40:19,020

some reason in 1996 then cases of

900

00:40:24,890 --> 00:40:21,660

rectangular refers I think the first

901  
00:40:27,650 --> 00:40:24,900  
case we ever published uh we were posted

902  
00:40:29,569 --> 00:40:27,660  
through Magonia exchange involved a

903  
00:40:31,550 --> 00:40:29,579  
rectangular light scene in the sky

904  
00:40:33,950 --> 00:40:31,560  
that's just a coincidence it was it was

905  
00:40:37,310 --> 00:40:33,960  
white and it happened in a little town

906  
00:40:39,050 --> 00:40:37,320  
in Ohio and a few years ago I went there

907  
00:40:42,170 --> 00:40:39,060  
just to take photo of the Town there's

908  
00:40:44,270 --> 00:40:42,180  
nothing to see but um yeah rectangles in

909  
00:40:47,450 --> 00:40:44,280  
the sky I don't know what that means

910  
00:40:51,349 --> 00:40:47,460  
yeah I don't think anybody does really

911  
00:40:53,810 --> 00:40:51,359  
but uh Clyde Tomball the guy who

912  
00:40:55,490 --> 00:40:53,820  
uh first discovered Pluto he saw

913  
00:40:58,970 --> 00:40:55,500

rectangle UFOs

914

00:41:03,650 --> 00:40:58,980

so that's my that's my rectangle UFO

915

00:41:09,490 --> 00:41:06,290

did you have a question one one thing

916

00:41:12,530 --> 00:41:09,500

very quickly just to mention oh sure

917

00:41:14,390 --> 00:41:12,540

flying coffins throughout the 19th

918

00:41:17,329 --> 00:41:14,400

century beginning of the 20th century

919

00:41:20,870 --> 00:41:17,339

the massive number of stories that I've

920

00:41:22,030 --> 00:41:20,880

got about people seeing coffins often

921

00:41:25,250 --> 00:41:22,040

illuminated

922

00:41:27,230 --> 00:41:25,260

of flying in the sky but we're talking

923

00:41:29,810 --> 00:41:27,240

about hundreds of stories of coffins

924

00:41:31,490 --> 00:41:29,820

coffins were basically rectangular at

925

00:41:35,450 --> 00:41:31,500

that point so

926  
00:41:40,849 --> 00:41:38,210  
that's fascinating yeah and it always I

927  
00:41:43,430 --> 00:41:40,859  
mean it so often comes down to the

928  
00:41:45,710 --> 00:41:43,440  
issues of terminology right because as

929  
00:41:48,230 --> 00:41:45,720  
people have have often pointed out like

930  
00:41:50,810 --> 00:41:48,240  
you know people say oh the Tic Tac was

931  
00:41:52,670 --> 00:41:50,820  
only reported after you know David

932  
00:41:54,890 --> 00:41:52,680  
fraver or something like that but then

933  
00:41:56,990 --> 00:41:54,900  
other people point out well they used to

934  
00:41:58,730 --> 00:41:57,000  
call them flying butane tanks or you

935  
00:42:01,250 --> 00:41:58,740  
know things like this right or flying

936  
00:42:03,710 --> 00:42:01,260  
cigars that that there's that they're

937  
00:42:05,930 --> 00:42:03,720  
that they're often these people were

938  
00:42:07,250 --> 00:42:05,940

just referencing common household items

939

00:42:09,710 --> 00:42:07,260

that they'd find right around them so

940

00:42:11,630 --> 00:42:09,720

yeah actually yeah and then and

941

00:42:18,370 --> 00:42:11,640

similarly a flying coffin that makes so

942

00:42:23,390 --> 00:42:20,810

they're called in Brazil I think they're

943

00:42:26,150 --> 00:42:23,400

also rectangular fridge looking things

944

00:42:28,730 --> 00:42:26,160

right that's right there is that there

945

00:42:29,630 --> 00:42:28,740

is that big case in Brazil that involves

946

00:42:31,490 --> 00:42:29,640

those

947

00:42:33,950 --> 00:42:31,500

um not the one that James Fox just

948

00:42:35,990 --> 00:42:33,960

talked about but a different one Claris

949

00:42:39,410 --> 00:42:36,000

maybe or something I forget what it was

950

00:42:44,390 --> 00:42:40,970

yeah

951  
00:42:47,930 --> 00:42:44,400  
let's see now alien artifacts volume 1

952  
00:42:50,930 --> 00:42:47,940  
covers the period of time from about uh

953  
00:42:52,849 --> 00:42:50,940  
from Antiquity to 1880. now Antiquity is

954  
00:42:55,730 --> 00:42:52,859  
a broad span of time that many take to

955  
00:42:58,670 --> 00:42:55,740  
mean the period from about 3000 BC to

956  
00:43:01,370 --> 00:42:58,680  
the early mid old ages so in that broad

957  
00:43:03,290 --> 00:43:01,380  
span of time in human development what

958  
00:43:05,510 --> 00:43:03,300  
are a couple of cases that are some of

959  
00:43:08,150 --> 00:43:05,520  
your personal favorites

960  
00:43:11,230 --> 00:43:08,160  
okay well

961  
00:43:14,630 --> 00:43:11,240  
um we have to remember that the these

962  
00:43:16,430 --> 00:43:14,640  
associate cultural uh background to all

963  
00:43:18,050 --> 00:43:16,440

of this when people began to believe in

964

00:43:20,870 --> 00:43:18,060

aliens whereas wonders in the society

965

00:43:22,670 --> 00:43:20,880

have the actual sightings so to look for

966

00:43:25,849 --> 00:43:22,680

a sign thing I would probably go to

967

00:43:27,470 --> 00:43:25,859

either wonders in the sky or to the the

968

00:43:28,970 --> 00:43:27,480

next books I'm going to publish on this

969

00:43:34,370 --> 00:43:28,980

series

970

00:43:37,730 --> 00:43:34,380

very interested in at the moment uh

971

00:43:41,030 --> 00:43:37,740

involves these star these sort of round

972

00:43:43,790 --> 00:43:41,040

lines which surrounded by little dots of

973

00:43:46,190 --> 00:43:43,800

lights and the reason I'm interested in

974

00:43:48,230 --> 00:43:46,200

these uh on the one hand is because

975

00:43:50,750 --> 00:43:48,240

they've been repeated constantly through

976

00:43:53,710 --> 00:43:50,760

history the idea of a white of a sort of

977

00:43:58,010 --> 00:43:53,720

round thing and surrounded by satellite

978

00:44:00,470 --> 00:43:58,020

objects and uh I have 17 cases let's say

979

00:44:03,190 --> 00:44:00,480

and secondly because there is absolutely

980

00:44:05,270 --> 00:44:03,200

no astronomical or meteorological

981

00:44:07,309 --> 00:44:05,280

explanation for them they have to be

982

00:44:10,250 --> 00:44:07,319

something us but I don't care what they

983

00:44:12,349 --> 00:44:10,260

were but how to do something else so

984

00:44:15,109 --> 00:44:12,359

um let's see I have um

985

00:44:16,970 --> 00:44:15,119

some you know I'll I'll read Apple to

986

00:44:19,490 --> 00:44:16,980

you if you want and uh you can tell me

987

00:44:24,710 --> 00:44:19,500

what you think so

988

00:44:29,030 --> 00:44:26,750

um oh this one's from Spain so it says

989

00:44:30,950 --> 00:44:29,040

on the on the 19th of October at a

990

00:44:33,349 --> 00:44:30,960

quarter past seven in the evening an

991

00:44:35,750 --> 00:44:33,359

extraordinary phenomenon was was here a

992

00:44:37,730 --> 00:44:35,760

sun and the Seven Stars appeared in the

993

00:44:40,370 --> 00:44:37,740

atmosphere and their light illuminated

994

00:44:42,710 --> 00:44:40,380

the whole city the Stars Then United

995

00:44:47,089 --> 00:44:42,720

themselves the sun and the whole

996

00:44:48,069 --> 00:44:47,099

disappeared so that was from 1816 for

997

00:44:50,510 --> 00:44:48,079

example

998

00:44:53,750 --> 00:44:50,520

uh then

999

00:44:54,890 --> 00:44:53,760

um another one here where it says

1000

00:44:58,490 --> 00:44:54,900

um

1001  
00:45:02,630 --> 00:44:58,500  
they saw Stars this is from 1880 again

1002  
00:45:05,710 --> 00:45:02,640  
uh see a crown or a circle of fireballs

1003  
00:45:09,230 --> 00:45:05,720  
in Rapid rotation comes into view

1004  
00:45:12,069 --> 00:45:09,240  
and then it increases in brilliancy and

1005  
00:45:15,589 --> 00:45:12,079  
becomes better defined as it advances

1006  
00:45:17,569 --> 00:45:15,599  
and then it it disappears and the person

1007  
00:45:19,970 --> 00:45:17,579  
who saw it right into this paper saying

1008  
00:45:23,030 --> 00:45:19,980  
what was that and that was like um 71

1009  
00:45:25,490 --> 00:45:23,040  
years later from the first one then I

1010  
00:45:27,170 --> 00:45:25,500  
had one from 1801 which is there just

1011  
00:45:31,130 --> 00:45:27,180  
even older

1012  
00:45:36,250 --> 00:45:31,140  
um it says that um an object on June the

1013  
00:45:39,370 --> 00:45:36,260

19th in Hull in England and it's a

1014

00:45:43,309 --> 00:45:39,380

it was a light was since

1015

00:45:44,990 --> 00:45:43,319

focusing moons or Globes of fire which

1016

00:45:47,809 --> 00:45:45,000

disappeared for the space of a few

1017

00:45:50,270 --> 00:45:47,819

seconds and then it reappeared very

1018

00:45:53,089 --> 00:45:50,280

brilliantly as a kind of Flash and then

1019

00:45:54,770 --> 00:45:53,099

there were five circular balls and then

1020

00:45:56,870 --> 00:45:54,780

all kinds of things so what we're

1021

00:45:59,870 --> 00:45:56,880

looking at here is very very similar

1022

00:46:01,130 --> 00:45:59,880

phenomenon again and again and again uh

1023

00:46:05,150 --> 00:46:01,140

here's another one

1024

00:46:08,150 --> 00:46:05,160

um from 1840. because

1025

00:46:09,829 --> 00:46:08,160

um some reliable natives reported to me

1026  
00:46:11,450 --> 00:46:09,839  
they had seen that morning in the north

1027  
00:46:12,849 --> 00:46:11,460  
a little before Sunrise a strange

1028  
00:46:15,349 --> 00:46:12,859  
phenomenon

1029  
00:46:17,690 --> 00:46:15,359  
extraordinary appearance of being

1030  
00:46:20,750 --> 00:46:17,700  
closely encircled by a number of other

1031  
00:46:23,390 --> 00:46:20,760  
stars of the ordinary appearance and

1032  
00:46:25,309 --> 00:46:23,400  
then it talks about surprises I had

1033  
00:46:27,650 --> 00:46:25,319  
about 17 like this and what we're

1034  
00:46:29,870 --> 00:46:27,660  
talking about then is something which is

1035  
00:46:32,630 --> 00:46:29,880  
basically inexplicable and

1036  
00:46:34,910 --> 00:46:32,640  
scientifically very interesting and I do

1037  
00:46:36,230 --> 00:46:34,920  
have some Modern sightings of a very

1038  
00:46:36,890 --> 00:46:36,240

similar thing

1039

00:46:38,150 --> 00:46:36,900

[Music]

1040

00:46:39,650 --> 00:46:38,160

um

1041

00:46:42,109 --> 00:46:39,660

I don't know I don't know what to make

1042

00:46:45,190 --> 00:46:42,119

I'm I'm fascinated sounds like a

1043

00:46:51,230 --> 00:46:48,370

I'm just kidding

1044

00:46:53,329 --> 00:46:51,240

well yeah could be I guess right uh

1045

00:46:55,730 --> 00:46:53,339

Elite satellites uh but no it's

1046

00:46:57,950 --> 00:46:55,740

interesting hearing you tell those cases

1047

00:46:59,950 --> 00:46:57,960

yeah I mean

1048

00:47:02,390 --> 00:46:59,960

it sounds so familiar

1049

00:47:04,250 --> 00:47:02,400

throughout history that's the thing you

1050

00:47:05,990 --> 00:47:04,260

know this is what interests me they just

1051  
00:47:09,230 --> 00:47:06,000  
come back it's very difficult to find

1052  
00:47:10,849 --> 00:47:09,240  
UFO group throughout history because I

1053  
00:47:14,950 --> 00:47:10,859  
mean it's very difficult to find two

1054  
00:47:18,410 --> 00:47:14,960  
YouTube videos of the same UFO so to

1055  
00:47:21,050 --> 00:47:18,420  
find the same idea repeated with you

1056  
00:47:23,569 --> 00:47:21,060  
know 80 year intervals 50-year intervals

1057  
00:47:25,490 --> 00:47:23,579  
that sounds pretty weird there's a

1058  
00:47:26,990 --> 00:47:25,500  
there's a story that I mentioned the

1059  
00:47:28,190 --> 00:47:27,000  
other day

1060  
00:47:30,770 --> 00:47:28,200  
um about

1061  
00:47:32,809 --> 00:47:30,780  
um around battle Chara that was dragged

1062  
00:47:34,790 --> 00:47:32,819  
through main Square in Prague I could

1063  
00:47:36,589 --> 00:47:34,800

read that too if

1064

00:47:38,349 --> 00:47:36,599

and then you can interpret it for me

1065

00:47:40,190 --> 00:47:38,359

yeah sure

1066

00:47:44,930 --> 00:47:40,200

thank you

1067

00:47:46,970 --> 00:47:44,940

this is from uh 1571 and

1068

00:47:48,829 --> 00:47:46,980

um it says at about midnight there was a

1069

00:47:50,569 --> 00:47:48,839

great wind over Prague that made such a

1070

00:47:54,589 --> 00:47:50,579

rumbling noise and it sounded like an

1071

00:47:56,450 --> 00:47:54,599

earthquake the people woke up uh with a

1072

00:47:59,150 --> 00:47:56,460

start and turned and hurry to their

1073

00:48:01,550 --> 00:47:59,160

windows and they looked out on the

1074

00:48:03,770 --> 00:48:01,560

Square and they saw an army come along

1075

00:48:06,770 --> 00:48:03,780

the street and the soldiers were

1076

00:48:07,790 --> 00:48:06,780

carrying weapons and

1077

00:48:11,210 --> 00:48:07,800

um

1078

00:48:14,150 --> 00:48:11,220

they they were dragging with them a

1079

00:48:16,609 --> 00:48:14,160

large round Chariot drawn by an Oxford

1080

00:48:20,150 --> 00:48:16,619

in fact and he was making a terribly

1081

00:48:22,010 --> 00:48:20,160

loud noise it was made of metal wheels

1082

00:48:25,550 --> 00:48:22,020

so you can imagine a big round object

1083

00:48:28,150 --> 00:48:25,560

being scraping along along the road

1084

00:48:30,650 --> 00:48:28,160

um eight large human figures

1085

00:48:32,569 --> 00:48:30,660

and they looked frightful because they

1086

00:48:34,730 --> 00:48:32,579

had no faces

1087

00:48:37,390 --> 00:48:34,740

um but they wore enormous Spurs on their

1088

00:48:41,089 --> 00:48:37,400

feet which added to the noise

1089

00:48:43,670 --> 00:48:41,099

once they crossed the square a great

1090

00:48:47,450 --> 00:48:43,680

fire appeared on the ground then

1091

00:48:49,970 --> 00:48:47,460

suddenly the whole thing disappeared and

1092

00:48:52,130 --> 00:48:49,980

then it says right at the end

1093

00:48:54,349 --> 00:48:52,140

um however a luminous object could be

1094

00:48:58,309 --> 00:48:54,359

made out in the air the circle of fire

1095

00:49:01,730 --> 00:48:58,319

that persisted until dawn so you get the

1096

00:49:04,490 --> 00:49:01,740

idea of somehow soldiers become a big

1097

00:49:06,250 --> 00:49:04,500

round object which is yeah waking

1098

00:49:08,870 --> 00:49:06,260

everybody up and then

1099

00:49:12,829 --> 00:49:08,880

the Air Force got involved and it

1100

00:49:14,569 --> 00:49:12,839

disappeared yeah exactly yeah so you

1101

00:49:17,089 --> 00:49:14,579

know I mean there are lots and lots of

1102

00:49:19,970 --> 00:49:17,099

stories of that kind that's incredible

1103

00:49:21,050 --> 00:49:19,980

that is That's a classic crashed saucer

1104

00:49:23,690 --> 00:49:21,060

case

1105

00:49:25,370 --> 00:49:23,700

it sounds so much like you know and you

1106

00:49:26,690 --> 00:49:25,380

see the Army come up they rope

1107

00:49:29,870 --> 00:49:26,700

everything off and they take it with

1108

00:49:31,609 --> 00:49:29,880

them yeah it's it's uh the same thing

1109

00:49:34,069 --> 00:49:31,619

the only difference I guess is that it

1110

00:49:36,050 --> 00:49:34,079

turned into a ball of fire and kind of

1111

00:49:38,630 --> 00:49:36,060

seemed to take off upwards towards this

1112

00:49:39,890 --> 00:49:38,640

guy which is pretty interesting

1113

00:49:41,809 --> 00:49:39,900

absolutely

1114

00:49:50,390 --> 00:49:41,819

um I was looking something that was

1115

00:49:54,410 --> 00:49:52,069

before I forget I think that's

1116

00:49:56,710 --> 00:49:54,420

interesting I hope we can touch on this

1117

00:50:00,530 --> 00:49:56,720

um because I remember you discussing how

1118

00:50:03,050 --> 00:50:00,540

uh a lot of sightings I forget

1119

00:50:04,550 --> 00:50:03,060

maybe early 1800s or something but they

1120

00:50:06,770 --> 00:50:04,560

started popping off after the first

1121

00:50:08,030 --> 00:50:06,780

balloon basically so it could be

1122

00:50:10,790 --> 00:50:08,040

interesting

1123

00:50:13,790 --> 00:50:10,800

well actually yeah I mean um mystery

1124

00:50:15,770 --> 00:50:13,800

balloons there's about 200 years of of

1125

00:50:17,870 --> 00:50:15,780

mystery balloon sighting starting from

1126

00:50:21,349 --> 00:50:17,880

the late

1127

00:50:22,490 --> 00:50:21,359

were invented I mean just a few months

1128

00:50:23,210 --> 00:50:22,500

after

1129

00:50:25,490 --> 00:50:23,220

um

1130

00:50:28,670 --> 00:50:25,500

the first balloons were invented in

1131

00:50:33,250 --> 00:50:28,680

France suddenly uh um

1132

00:50:37,370 --> 00:50:33,260

somebody wrote for a newspaper out a

1133

00:50:41,329 --> 00:50:37,380

mysterious balloon a golden balloon that

1134

00:50:43,250 --> 00:50:41,339

was that actually landed in Tenerife and

1135

00:50:47,690 --> 00:50:43,260

when it lands and this is this is truly

1136

00:50:50,150 --> 00:50:47,700

from 1784 and when it lands these uh

1137

00:50:52,370 --> 00:50:50,160

creatures come out from the planet or

1138

00:50:54,290 --> 00:50:52,380

from the Moon and they interact with the

1139

00:50:57,170 --> 00:50:54,300

people so we're talking about

1140

00:50:59,450 --> 00:50:57,180

um a close encounter from the from the

1141

00:51:02,089 --> 00:50:59,460

from the late 18th Street just after

1142

00:51:04,730 --> 00:51:02,099

balloons were invented and from that

1143

00:51:07,010 --> 00:51:04,740

point on the whole topic of mystery

1144

00:51:10,250 --> 00:51:07,020

balloons it's never ever ended you have

1145

00:51:12,410 --> 00:51:10,260

that right here in the 1870s then it was

1146

00:51:15,770 --> 00:51:12,420

mystery the mystery balloons of the

1147

00:51:18,410 --> 00:51:15,780

1880s became the mystery airships from

1148

00:51:19,549 --> 00:51:18,420

seven years later 16 years later you

1149

00:51:22,549 --> 00:51:19,559

said that you were looking at the

1150

00:51:26,809 --> 00:51:22,559

Airship wave for example well the first

1151  
00:51:30,290 --> 00:51:26,819  
ever scoring about in this year in 1896

1152  
00:51:32,450 --> 00:51:30,300  
was just a copy of

1153  
00:51:34,970 --> 00:51:32,460  
um one that was published in 1880 all

1154  
00:51:37,190 --> 00:51:34,980  
they did was they just updated details

1155  
00:51:39,349 --> 00:51:37,200  
slightly to make it more technological

1156  
00:51:41,270 --> 00:51:39,359  
for the time but it was just a copy of

1157  
00:51:44,030 --> 00:51:41,280  
the same story and it took out a few

1158  
00:51:46,490 --> 00:51:44,040  
details he had some others but it's it's

1159  
00:51:48,349 --> 00:51:46,500  
still meant that um that people became

1160  
00:51:50,390 --> 00:51:48,359  
more aware even if that was a hoax

1161  
00:51:52,609 --> 00:51:50,400  
people became more aware of the

1162  
00:51:55,510 --> 00:51:52,619  
possibility that they would see and

1163  
00:51:59,630 --> 00:51:55,520

airships flying around in the in the

1164

00:52:02,630 --> 00:51:59,640

1890s in America and

1165

00:52:04,549 --> 00:52:02,640

um the idea of CF was in the sky was

1166

00:52:06,589 --> 00:52:04,559

normalized people went out and had

1167

00:52:09,849 --> 00:52:06,599

Airship parties which today would be

1168

00:52:12,109 --> 00:52:09,859

called UFO alert parties or UFO spotters

1169

00:52:14,270 --> 00:52:12,119

couldn't make notes and they'd take

1170

00:52:16,069 --> 00:52:14,280

photographs and they'd talk about it and

1171

00:52:18,650 --> 00:52:16,079

published results the next day in the

1172

00:52:21,829 --> 00:52:18,660

newspaper there's just so much of that

1173

00:52:24,589 --> 00:52:21,839

in vulnerable it's just you know insane

1174

00:52:26,990 --> 00:52:24,599

then I was looking for one um a little

1175

00:52:29,809 --> 00:52:27,000

bit about uh similar to um to what's

1176

00:52:31,430 --> 00:52:29,819

been seen recently and um other than the

1177

00:52:34,250 --> 00:52:31,440

one I published on Twitter the other day

1178

00:52:37,849 --> 00:52:34,260

there's one that was published in Dutch

1179

00:52:39,770 --> 00:52:37,859

from 1932. I can read it if you want to

1180

00:52:40,730 --> 00:52:39,780

it's very short

1181

00:52:42,589 --> 00:52:40,740

yeah

1182

00:52:44,690 --> 00:52:42,599

it says

1183

00:52:47,690 --> 00:52:44,700

um a few nights ago a strange natural

1184

00:52:50,150 --> 00:52:47,700

phenomenon occurred in Delhi

1185

00:52:51,710 --> 00:52:50,160

um at the height of a coconut tree there

1186

00:52:56,349 --> 00:52:51,720

appeared in the evening at nine o'clock

1187

00:52:59,690 --> 00:52:56,359

around white sphere which Lucia

1188

00:53:01,849 --> 00:52:59,700

continued to hang emitting fiery rays in

1189

00:53:03,710 --> 00:53:01,859

this case and it was there for half an

1190

00:53:06,410 --> 00:53:03,720

hour it was a big group of people and

1191

00:53:08,390 --> 00:53:06,420

multitude looking in amazement and

1192

00:53:10,430 --> 00:53:08,400

confusion and then it suddenly

1193

00:53:11,589 --> 00:53:10,440

disappeared nobody knows what the

1194

00:53:14,049 --> 00:53:11,599

meaning of

1195

00:53:16,609 --> 00:53:14,059

uh obviously

1196

00:53:19,430 --> 00:53:16,619

and then it goes on to speculative it

1197

00:53:22,790 --> 00:53:19,440

might be Chinese it says

1198

00:53:25,970 --> 00:53:22,800

um the other activity might be Oriental

1199

00:53:28,970 --> 00:53:25,980

the time but the Chinese says that they

1200

00:53:31,490 --> 00:53:28,980

have that their explanation was that it

1201  
00:53:33,650 --> 00:53:31,500  
was a it was an omen about the Japanese

1202  
00:53:36,290 --> 00:53:33,660  
and how the Japanese would soon be

1203  
00:53:39,170 --> 00:53:36,300  
defeated in battle but the point is that

1204  
00:53:41,930 --> 00:53:39,180  
it's a balloon and there's a connection

1205  
00:53:44,870 --> 00:53:41,940  
there with China's big white sphere and

1206  
00:53:47,390 --> 00:53:44,880  
so on this is just so common it's well I

1207  
00:53:49,970 --> 00:53:47,400  
mean recent news is just

1208  
00:53:51,290 --> 00:53:49,980  
um very very similar to what we're

1209  
00:53:55,190 --> 00:53:51,300  
reporting for

1210  
00:54:00,890 --> 00:53:58,370  
well let me ask you this real quick

1211  
00:54:04,010 --> 00:54:00,900  
are there any other parallels that

1212  
00:54:06,710 --> 00:54:04,020  
you've noticed from now to you know back

1213  
00:54:09,410 --> 00:54:06,720

several hundred years other than you

1214

00:54:12,170 --> 00:54:09,420

know physical characteristics of the the

1215

00:54:16,089 --> 00:54:12,180

objects whether it be people's emotional

1216

00:54:18,589 --> 00:54:16,099

responses or you know have any like

1217

00:54:22,190 --> 00:54:18,599

governments or or people in control

1218

00:54:24,109 --> 00:54:22,200

maybe using the mythology of it to have

1219

00:54:26,150 --> 00:54:24,119

control over the people anything like

1220

00:54:28,549 --> 00:54:26,160

that

1221

00:54:30,829 --> 00:54:28,559

um well the earliest case of

1222

00:54:34,370 --> 00:54:30,839

um theoretical government intervention

1223

00:54:38,210 --> 00:54:34,380

that is to say a cover-up comes from the

1224

00:54:41,569 --> 00:54:38,220

1870s oddly enough and um this is all

1225

00:54:43,910 --> 00:54:41,579

about an engineer called Fred Birmingham

1226  
00:54:47,510 --> 00:54:43,920  
who I believe was from Wales originally

1227  
00:54:50,210 --> 00:54:47,520  
and he was living in Parramatta in

1228  
00:54:53,210 --> 00:54:50,220  
Australia and he had a dream one night

1229  
00:54:54,950 --> 00:54:53,220  
all of this he he wrote down in a book

1230  
00:54:57,470 --> 00:54:54,960  
which is totally authentic even though

1231  
00:54:59,809 --> 00:54:57,480  
we've lost we've lost it today

1232  
00:55:02,530 --> 00:54:59,819  
um called the memorandum book and his

1233  
00:55:04,670 --> 00:55:02,540  
dream he saw this strange

1234  
00:55:06,230 --> 00:55:04,680  
spaceship do you have to call it

1235  
00:55:08,990 --> 00:55:06,240  
something

1236  
00:55:12,410 --> 00:55:09,000  
um that landed uh just outside his house

1237  
00:55:15,710 --> 00:55:12,420  
it would be in the 1860s and

1238  
00:55:19,569 --> 00:55:15,720

um an entity invited him aboard showed

1239

00:55:22,430 --> 00:55:19,579

him how the how the Airship works

1240

00:55:25,010 --> 00:55:22,440

and things he was All Amazed and he

1241

00:55:28,010 --> 00:55:25,020

wrote it all down and then what he did

1242

00:55:31,250 --> 00:55:28,020

he spent rest of his life trying to

1243

00:55:32,089 --> 00:55:31,260

reconstruct the the ship that he had

1244

00:55:35,990 --> 00:55:32,099

seen

1245

00:55:38,030 --> 00:55:36,000

so he spent decades trying to to rebuild

1246

00:55:40,309 --> 00:55:38,040

this and he was an engineer so he'd

1247

00:55:42,890 --> 00:55:40,319

sense that they would choose him I mean

1248

00:55:45,230 --> 00:55:42,900

whether it was a dream or not is

1249

00:55:48,470 --> 00:55:45,240

difficult to determine because at that

1250

00:55:50,329 --> 00:55:48,480

time during the Socialist movement there

1251

00:55:53,150 --> 00:55:50,339

was a lot of confusion about whether

1252

00:55:55,670 --> 00:55:53,160

dreams were actually reality where the

1253

00:55:57,349 --> 00:55:55,680

reality was real all this kind of anyway

1254

00:55:58,910 --> 00:55:57,359

so

1255

00:56:01,190 --> 00:55:58,920

um he spent many years trying to do this

1256

00:56:05,030 --> 00:56:01,200

and convince people that he had a secret

1257

00:56:07,089 --> 00:56:05,040

flight long before the the

1258

00:56:10,010 --> 00:56:07,099

ground then

1259

00:56:11,990 --> 00:56:10,020

he he couldn't get anyone to pay

1260

00:56:14,390 --> 00:56:12,000

attention to him so he went to the

1261

00:56:16,250 --> 00:56:14,400

states and he spent several years

1262

00:56:19,010 --> 00:56:16,260

wandering around the United States

1263

00:56:21,290 --> 00:56:19,020

trying to show people that he had the

1264

00:56:23,569 --> 00:56:21,300

secret to man and he got this from a

1265

00:56:25,910 --> 00:56:23,579

Dream from this entity blah blah blah he

1266

00:56:28,309 --> 00:56:25,920

ended up in some kind of

1267

00:56:31,790 --> 00:56:28,319

um dos house some horrible place where

1268

00:56:33,650 --> 00:56:31,800

he was almost dead and in total poverty

1269

00:56:37,430 --> 00:56:33,660

and he rescued by his friends back in

1270

00:56:40,609 --> 00:56:37,440

Australia but um so he died without ever

1271

00:56:43,490 --> 00:56:40,619

realizing his his dream but one thing he

1272

00:56:47,450 --> 00:56:43,500

did say was that he believed that the

1273

00:56:51,530 --> 00:56:47,460

British government hadn't allowed him to

1274

00:56:55,069 --> 00:56:51,540

to publish findings or convince anybody

1275

00:56:58,549 --> 00:56:55,079

because he because Queen Victoria would

1276

00:57:03,650 --> 00:56:58,559

have not liked this uh this technology

1277

00:57:06,829 --> 00:57:04,910

so if

1278

00:57:08,349 --> 00:57:06,839

it's very interesting

1279

00:57:10,490 --> 00:57:08,359

with finally one of the earliest

1280

00:57:15,710 --> 00:57:10,500

conspiracies that you'll never find in

1281

00:57:19,910 --> 00:57:19,010

that is incredible that's amazing I love

1282

00:57:25,450 --> 00:57:19,920

that

1283

00:57:27,589 --> 00:57:25,460

other one other kind of persnickety

1284

00:57:30,349 --> 00:57:27,599

detail-oriented case before maybe we

1285

00:57:32,210 --> 00:57:30,359

zoom out and ask a couple a big picture

1286

00:57:33,170 --> 00:57:32,220

questions before as we finish up here

1287

00:57:34,730 --> 00:57:33,180

today

1288

00:57:37,730 --> 00:57:34,740

um I did notice

1289

00:57:39,829 --> 00:57:37,740

um that today actually we are talking

1290

00:57:42,410 --> 00:57:39,839

about the 200th anniversary of kind of

1291

00:57:44,450 --> 00:57:42,420

the Ancient Aliens hypothesis the

1292

00:57:47,150 --> 00:57:44,460

Ancient Aliens Theory uh that you were

1293

00:57:51,530 --> 00:57:47,160

mentioning earlier and today February

1294

00:57:53,569 --> 00:57:51,540

22nd 2023 is actually the 220th

1295

00:57:55,490 --> 00:57:53,579

anniversary of a fascinating and

1296

00:57:57,950 --> 00:57:55,500

slippery case that you covered in

1297

00:57:59,930 --> 00:57:57,960

wonders in the sky interestingly it has

1298

00:58:02,450 --> 00:57:59,940

a little bit of a rhyme here in history

1299

00:58:06,230 --> 00:58:02,460

and that earlier this week uh Tim

1300

00:58:09,109 --> 00:58:06,240

McMillan posted a video of this kind of

1301

00:58:11,450 --> 00:58:09,119

strange Acorn shaped

1302

00:58:12,770 --> 00:58:11,460

um uh it looks kind of like a like a

1303

00:58:15,230 --> 00:58:12,780

buoy or something like that they're

1304

00:58:17,450 --> 00:58:15,240

washed ashore in Japan uh it's probably

1305

00:58:19,010 --> 00:58:17,460

very prosaic but it got a lot of media

1306

00:58:20,750 --> 00:58:19,020

attention maybe partially because of

1307

00:58:22,910 --> 00:58:20,760

these balloon shoots that have happened

1308

00:58:24,349 --> 00:58:22,920

and now the people are on high alert and

1309

00:58:26,270 --> 00:58:24,359

there's this very much this kind of like

1310

00:58:27,730 --> 00:58:26,280

oh the sauce or fever gets kicked off

1311

00:58:30,530 --> 00:58:27,740

man

1312

00:58:34,210 --> 00:58:30,540

if you see something say something but

1313

00:58:37,250 --> 00:58:34,220

interestingly so so today 220 years ago

1314

00:58:40,250 --> 00:58:37,260

there was a case involving a

1315

00:58:42,829 --> 00:58:40,260

saucer-shaped ship that landed ashore in

1316

00:58:45,710 --> 00:58:42,839

Japan and you know there are there are

1317

00:58:48,770 --> 00:58:45,720

several drawings of it and everything I

1318

00:58:51,349 --> 00:58:48,780

know right and and again it had an

1319

00:58:53,329 --> 00:58:51,359

occupant in it so I was wondering and

1320

00:58:56,390 --> 00:58:53,339

interestingly there's kind of a slippery

1321

00:58:58,309 --> 00:58:56,400

element where you found a connection to

1322

00:59:00,829 --> 00:58:58,319

Japanese folklore in the history of

1323

00:59:02,750 --> 00:59:00,839

Japanese folklore uh with regard to this

1324

00:59:04,549 --> 00:59:02,760

specific case can you talk to us a

1325

00:59:05,450 --> 00:59:04,559

little bit about about that case in

1326  
00:59:09,250 --> 00:59:05,460  
Japan

1327  
00:59:11,990 --> 00:59:09,260  
yeah it's um it was called

1328  
00:59:15,589 --> 00:59:12,000  
which is also known as the as the hollow

1329  
00:59:18,470 --> 00:59:15,599  
ship and it was an object which one to

1330  
00:59:21,650 --> 00:59:18,480  
show uh in Itachi in the country

1331  
00:59:24,970 --> 00:59:21,660  
Province on the eastern coast of Japan

1332  
00:59:29,150 --> 00:59:24,980  
in in 1803 so yeah it's an anniversary

1333  
00:59:31,849 --> 00:59:29,160  
and the vision discovered inside an

1334  
00:59:35,750 --> 00:59:31,859  
attractive young woman who had

1335  
00:59:37,849 --> 00:59:35,760  
um supposedly European uh features and

1336  
00:59:40,549 --> 00:59:37,859  
um she couldn't communicate in in

1337  
00:59:45,109 --> 00:59:40,559  
Japanese at all then the fisherman

1338  
00:59:48,230 --> 00:59:45,119

returned her to to her her vessel and it

1339

00:59:51,589 --> 00:59:48,240

just drifted away in the sea and this

1340

00:59:53,049 --> 00:59:51,599

has been talked about uh for a very very

1341

00:59:57,370 --> 00:59:53,059

very long time

1342

00:59:58,970 --> 00:59:57,380

by folklorists and ufologists

1343

01:00:00,289 --> 00:59:58,980

and

1344

01:00:03,049 --> 01:00:00,299

um there's been a lot of speculation

1345

01:00:06,109 --> 01:00:03,059

maybe it's someone of a Russian origin

1346

01:00:09,589 --> 01:00:06,119

uh maybe it was uh based on on

1347

01:00:12,530 --> 01:00:09,599

immigration of some kind uh so yeah it's

1348

01:00:14,690 --> 01:00:12,540

a very it's a very nice little story

1349

01:00:16,430 --> 01:00:14,700

um we have to be very careful with this

1350

01:00:18,289 --> 01:00:16,440

kind of tale

1351

01:00:21,470 --> 01:00:18,299

um firstly

1352

01:00:24,289 --> 01:00:21,480

um it wasn't written down enough decades

1353

01:00:27,530 --> 01:00:24,299

so so whatever details we have is about

1354

01:00:30,530 --> 01:00:27,540

as a reliable as a a four-year-old

1355

01:00:32,270 --> 01:00:30,540

Roswell witness I suppose

1356

01:00:34,910 --> 01:00:32,280

um then

1357

01:00:36,710 --> 01:00:34,920

um it's probably something that's been

1358

01:00:38,569 --> 01:00:36,720

embellished a lot over time because

1359

01:00:40,789 --> 01:00:38,579

there are lots of different versions of

1360

01:00:43,190 --> 01:00:40,799

it the first version actually didn't

1361

01:00:46,130 --> 01:00:43,200

didn't have a dome but but the nicest

1362

01:00:49,190 --> 01:00:46,140

pictures do look very much like a flying

1363

01:00:50,990 --> 01:00:49,200

saucer that is totally

1364

01:00:53,150 --> 01:00:51,000

um there were no official records of it

1365

01:00:56,809 --> 01:00:53,160

ever happening

1366

01:01:00,289 --> 01:00:56,819

um and there are other tales in Japan of

1367

01:01:04,010 --> 01:01:00,299

women uh beautiful women appearing and

1368

01:01:06,710 --> 01:01:04,020

very strange circumstances so I mean

1369

01:01:09,950 --> 01:01:06,720

it's a very very nice little tale

1370

01:01:13,609 --> 01:01:09,960

um I I wouldn't say it's

1371

01:01:15,890 --> 01:01:13,619

um a real UFO story but the picture has

1372

01:01:18,410 --> 01:01:15,900

I mean it is on Facebook all the time

1373

01:01:21,289 --> 01:01:18,420

because it just looks so much like a

1374

01:01:25,370 --> 01:01:21,299

flying saucer so yeah it's um it's

1375

01:01:27,829 --> 01:01:25,380

really nice and yeah February 22nd is is

1376

01:01:30,349 --> 01:01:27,839

a date that's been been associated with

1377

01:01:32,990 --> 01:01:30,359

it a lot uh but I have to say too that

1378

01:01:37,010 --> 01:01:33,000

uh February the 22nd is also the

1379

01:01:42,430 --> 01:01:37,020

anniversary of another story uh from

1380

01:01:45,829 --> 01:01:42,440

from 1922 so yeah we're getting up down

1381

01:01:46,970 --> 01:01:45,839

this is this is about uh William lamb I

1382

01:01:48,410 --> 01:01:46,980

don't know if you've ever heard of

1383

01:01:50,390 --> 01:01:48,420

William lamb

1384

01:01:53,089 --> 01:01:50,400

I don't think so

1385

01:01:54,289 --> 01:01:53,099

he's one of those forgotten very very

1386

01:01:57,410 --> 01:01:54,299

old

1387

01:02:01,809 --> 01:01:57,420

um UFO Witnesses he's in he's in valleys

1388

01:02:05,329 --> 01:02:01,819

but and the idea is that um uh sea land

1389

01:02:09,230 --> 01:02:05,339

uh was following these uh strange tracks

1390

01:02:11,690 --> 01:02:09,240

in the countryside uh in Nebraska yeah a

1391

01:02:14,930 --> 01:02:11,700

high-pitched sound and then he saw this

1392

01:02:17,750 --> 01:02:14,940

uh a bright light that landed in our in

1393

01:02:18,650 --> 01:02:17,760

a hollow and then there was a creature

1394

01:02:19,809 --> 01:02:18,660

like

1395

01:02:23,990 --> 01:02:19,819

um

1396

01:02:26,049 --> 01:02:24,000

giant creature and it was flying and uh

1397

01:02:29,990 --> 01:02:26,059

basically it was a UFO

1398

01:02:33,770 --> 01:02:30,000

and then he published this in in 1954 in

1399

01:02:35,329 --> 01:02:33,780

the in sorcerian magazine and uh I was I

1400

01:02:37,549 --> 01:02:35,339

was researching this case for very long

1401  
01:02:40,549 --> 01:02:37,559  
time because he claimed that this was

1402  
01:02:43,130 --> 01:02:40,559  
actually a story that was published in

1403  
01:02:44,930 --> 01:02:43,140  
1922 in the newspapers I could never

1404  
01:02:46,430 --> 01:02:44,940  
ever find it

1405  
01:02:49,370 --> 01:02:46,440  
um but

1406  
01:02:50,930 --> 01:02:49,380  
um yeah in the end I actually managed to

1407  
01:02:54,170 --> 01:02:50,940  
get all of his car a lot of his

1408  
01:02:56,329 --> 01:02:54,180  
correspondence from the Roswell Zoo that

1409  
01:02:58,309 --> 01:02:56,339  
actually had had it all they sent me

1410  
01:03:00,109 --> 01:02:58,319  
photo copies of it and I still have it

1411  
01:03:01,430 --> 01:03:00,119  
and it's very very interesting at least

1412  
01:03:04,789 --> 01:03:01,440  
we know

1413  
01:03:06,410 --> 01:03:04,799

um of the first alleged witness of the

1414

01:03:08,030 --> 01:03:06,420

20th century he really was on there

1415

01:03:10,130 --> 01:03:08,040

where there were other ones but he's one

1416

01:03:11,710 --> 01:03:10,140

of these people and that happened on

1417

01:03:16,370 --> 01:03:11,720

President's Day

1418

01:03:17,569 --> 01:03:16,380

2019 1922 and then there are lots of

1419

01:03:19,670 --> 01:03:17,579

other other weird things about him

1420

01:03:21,010 --> 01:03:19,680

because he also um before all of this

1421

01:03:24,589 --> 01:03:21,020

happened

1422

01:03:26,270 --> 01:03:24,599

he used to take photographs of space and

1423

01:03:28,789 --> 01:03:26,280

the stars to see if he could work out

1424

01:03:29,890 --> 01:03:28,799

where it got her own was almost in sort

1425

01:03:33,650 --> 01:03:29,900

of more money

1426

01:03:35,569 --> 01:03:33,660

with uh kolob and and so on and he would

1427

01:03:38,030 --> 01:03:35,579

actually go to trade fairs trying to

1428

01:03:41,450 --> 01:03:38,040

sell this special telescope that he'd

1429

01:03:43,970 --> 01:03:41,460

invented and allow you to see God and

1430

01:03:46,730 --> 01:03:43,980

Beyond and and whatever he actually

1431

01:03:49,250 --> 01:03:46,740

coincided with the woman who invented

1432

01:03:51,289 --> 01:03:49,260

the the path with those little bit

1433

01:03:54,069 --> 01:03:51,299

suckers underneath that you put in a in

1434

01:03:56,450 --> 01:03:54,079

a bathtub stop to stop you slipping over

1435

01:03:58,730 --> 01:03:56,460

he's got all these little anecdotes with

1436

01:04:00,609 --> 01:03:58,740

a story I published it several years ago

1437

01:04:03,950 --> 01:04:00,619

and

1438

01:04:07,309 --> 01:04:03,960

so yeah today February the 22nd we got

1439

01:04:15,370 --> 01:04:07,319

the the Japanese girl and we have

1440

01:04:18,770 --> 01:04:17,930

thank you so much I really appreciate

1441

01:04:20,150 --> 01:04:18,780

that

1442

01:04:23,390 --> 01:04:20,160

Sean do you have another question for

1443

01:04:27,349 --> 01:04:25,069

you know this is kind of silly I guess

1444

01:04:29,930 --> 01:04:27,359

but I I was just thinking about you know

1445

01:04:31,789 --> 01:04:29,940

before we had basic knowledge of uh you

1446

01:04:34,789 --> 01:04:31,799

know the universe or astrology or

1447

01:04:38,270 --> 01:04:34,799

anything like what I wonder what people

1448

01:04:39,770 --> 01:04:38,280

thought stars were in the moon you know

1449

01:04:42,170 --> 01:04:39,780

like what

1450

01:04:45,049 --> 01:04:42,180

can can you imagine like looking at all

1451

01:04:48,230 --> 01:04:45,059

that and just completely not having any

1452

01:04:51,130 --> 01:04:48,240

idea of what they are you know or where

1453

01:04:54,829 --> 01:04:51,140

you are basically like

1454

01:04:57,849 --> 01:04:54,839

racism things or what things

1455

01:05:00,589 --> 01:04:57,859

like stars or the moon you know

1456

01:05:02,809 --> 01:05:00,599

yeah yeah but like

1457

01:05:05,329 --> 01:05:02,819

just before anybody knew what stars were

1458

01:05:07,069 --> 01:05:05,339

or the moon was or our place in the

1459

01:05:08,950 --> 01:05:07,079

universe looking up at this stuff's like

1460

01:05:12,049 --> 01:05:08,960

what are these things

1461

01:05:14,510 --> 01:05:12,059

I mean they're they're a much clearer a

1462

01:05:16,190 --> 01:05:14,520

long long time ago than than just a long

1463

01:05:17,930 --> 01:05:16,200

time ago so if you go back to ancient

1464

01:05:19,970 --> 01:05:17,940

Greece I had a pretty good idea about

1465

01:05:22,789 --> 01:05:19,980

the universe worked and that's where

1466

01:05:27,410 --> 01:05:22,799

they come up with they came up with the

1467

01:05:32,510 --> 01:05:30,289

yeah because they actually believed uh

1468

01:05:35,569 --> 01:05:32,520

for a period of time that um all

1469

01:05:37,250 --> 01:05:35,579

material consisted of atoms tiny

1470

01:05:38,990 --> 01:05:37,260

particles they didn't have a microscope

1471

01:05:41,809 --> 01:05:39,000

to prove it so it wasn't a very

1472

01:05:44,390 --> 01:05:41,819

long-lived Theory but

1473

01:05:47,809 --> 01:05:44,400

um at the time they they thought that if

1474

01:05:49,430 --> 01:05:47,819

Antics were together to create arson to

1475

01:05:52,370 --> 01:05:49,440

create the things that we see and have

1476

01:05:54,109 --> 01:05:52,380

then this probably has happened all over

1477

01:05:56,210 --> 01:05:54,119

the universe and has been implicated

1478

01:05:58,970 --> 01:05:56,220

everywhere which means that aliens must

1479

01:06:00,710 --> 01:05:58,980

exist either similar to us or copies of

1480

01:06:02,569 --> 01:06:00,720

us or whatever Elsewhere on other

1481

01:06:05,270 --> 01:06:02,579

planets now that was their original

1482

01:06:08,390 --> 01:06:05,280

belief that's that's an alien artifacts

1483

01:06:10,910 --> 01:06:08,400

too that right at the beginning then

1484

01:06:13,970 --> 01:06:10,920

um this the idea of the moon for example

1485

01:06:16,069 --> 01:06:13,980

people are very clear about the moon and

1486

01:06:18,410 --> 01:06:16,079

at least the moon for a very long period

1487

01:06:20,329 --> 01:06:18,420

And so there were lots of stories of

1488

01:06:23,870 --> 01:06:20,339

people coming down from them there were

1489

01:06:25,849 --> 01:06:23,880

lots of drinking too about about the man

1490

01:06:27,529 --> 01:06:25,859

who came down from the Moon and has this

1491

01:06:30,069 --> 01:06:27,539

and has had new drinks that apparently

1492

01:06:33,970 --> 01:06:30,079

he was addicted to drinking wine

1493

01:06:36,470 --> 01:06:33,980

they put the lashes on the moon

1494

01:06:38,089 --> 01:06:36,480

there were lots of pubs in Shakespeare's

1495

01:06:41,870 --> 01:06:38,099

time called the man on the moon and the

1496

01:06:44,510 --> 01:06:41,880

man at the Moon whatever and

1497

01:06:46,970 --> 01:06:44,520

um it was fascinating then um a series

1498

01:06:49,789 --> 01:06:46,980

of cases that I'm going to publish uh

1499

01:06:51,970 --> 01:06:49,799

hooked in this new book that I'm on

1500

01:06:55,849 --> 01:06:51,980

doing now

1501  
01:07:00,109 --> 01:06:55,859  
talk about a moon that actually divides

1502  
01:07:02,329 --> 01:07:00,119  
and falls on these creatures Angels

1503  
01:07:03,650 --> 01:07:02,339  
people come out it doesn't seem like the

1504  
01:07:06,170 --> 01:07:03,660  
moon to me but we have a whole

1505  
01:07:07,490 --> 01:07:06,180  
collection of those too and when we're

1506  
01:07:12,470 --> 01:07:07,500  
going back through time so the moons are

1507  
01:07:17,270 --> 01:07:14,750  
it's it's also interesting because there

1508  
01:07:20,390 --> 01:07:17,280  
are there are those a correlation there

1509  
01:07:23,829 --> 01:07:20,400  
between like a disc shaped you know

1510  
01:07:26,329 --> 01:07:23,839  
light and that it it kind of by like

1511  
01:07:28,250 --> 01:07:26,339  
subdividing and then beings come out it

1512  
01:07:32,750 --> 01:07:28,260  
reminds me of those old crash stories

1513  
01:07:34,970 --> 01:07:32,760

where some where the the ship

1514

01:07:36,970 --> 01:07:34,980

um seemingly could could come apart in

1515

01:07:41,150 --> 01:07:36,980

segments I remember there's some classic

1516

01:07:44,270 --> 01:07:41,160

1940s 50s uh stories of of crashes where

1517

01:07:46,730 --> 01:07:44,280

where once you know the the um the

1518

01:07:48,710 --> 01:07:46,740

scuttlebutt or like the received you

1519

01:07:50,870 --> 01:07:48,720

know lore that we get is is that they

1520

01:07:53,390 --> 01:07:50,880

eventually figured out that that the

1521

01:07:55,270 --> 01:07:53,400

ship would come together like pieces or

1522

01:07:57,470 --> 01:07:55,280

something like that or

1523

01:07:59,450 --> 01:07:57,480

it's the whole idea of perfection

1524

01:08:01,789 --> 01:07:59,460

because that would be a perfect a

1525

01:08:04,010 --> 01:08:01,799

perfect visual crashing rather than

1526

01:08:05,930 --> 01:08:04,020

being totally obliterated that would be

1527

01:08:08,630 --> 01:08:05,940

Perfection which is why we have the same

1528

01:08:10,809 --> 01:08:08,640

ideas if you go back to

1529

01:08:16,910 --> 01:08:14,210

swedenborg Swedish a contact day his

1530

01:08:19,010 --> 01:08:16,920

encounters with people from Mercury they

1531

01:08:21,050 --> 01:08:19,020

wore suits we didn't have any teams in

1532

01:08:23,090 --> 01:08:21,060

them because they were so perfect and

1533

01:08:26,890 --> 01:08:23,100

that's why you have so many aliens even

1534

01:08:28,749 --> 01:08:26,900

today or at least in the 1950s 60s 70s

1535

01:08:30,890 --> 01:08:28,759

alien

1536

01:08:33,410 --> 01:08:30,900

encounters of the third third coming

1537

01:08:34,970 --> 01:08:33,420

were more popular then then a lot of the

1538

01:08:37,010 --> 01:08:34,980

time they wore soups that didn't have

1539

01:08:39,530 --> 01:08:37,020

any kind of imperfection back on so

1540

01:08:46,209 --> 01:08:39,540

Pockets no seams how did they get into

1541

01:08:53,390 --> 01:08:50,030

1848 where you find the first uh close

1542

01:08:56,050 --> 01:08:53,400

encounter story and literature

1543

01:08:58,970 --> 01:08:56,060

um where you find uh

1544

01:09:01,249 --> 01:08:58,980

in a book called the Triumph the Triumph

1545

01:09:03,229 --> 01:09:01,259

of woman Christmas Story and with that

1546

01:09:06,709 --> 01:09:03,239

title that's why no one's remembered it

1547

01:09:09,650 --> 01:09:06,719

for something years uh and you have

1548

01:09:12,229 --> 01:09:09,660

their own a UFO that comes down uh it

1549

01:09:15,229 --> 01:09:12,239

almost hits a guy's house but it holds

1550

01:09:17,570 --> 01:09:15,239

his garden and this being comes out and

1551

01:09:19,729 --> 01:09:17,580

he's wearing a one-piece suit with no

1552

01:09:21,829 --> 01:09:19,739

with no seams in it and this is this is

1553

01:09:24,950 --> 01:09:21,839

the basic idea it's the idea of

1554

01:09:27,950 --> 01:09:24,960

perfection that a circle is perfection a

1555

01:09:31,070 --> 01:09:27,960

sphere is perfection

1556

01:09:33,410 --> 01:09:31,080

being on holding in segments

1557

01:09:36,050 --> 01:09:33,420

this makes sense in that

1558

01:09:40,309 --> 01:09:36,060

well it's a fascinating idea because

1559

01:09:42,709 --> 01:09:40,319

partially that that you know is it is

1560

01:09:46,249 --> 01:09:42,719

that why that

1561

01:09:48,349 --> 01:09:46,259

you know it somebody from a skeptical

1562

01:09:50,749 --> 01:09:48,359

side of things could could say like

1563

01:09:53,749 --> 01:09:50,759

these are why these are these kind of

1564

01:09:56,450 --> 01:09:53,759

tantalizing ideas and and why they get

1565

01:09:59,150 --> 01:09:56,460

they get pushed out there and that's the

1566

01:10:01,130 --> 01:09:59,160

that's the basis and you know you could

1567

01:10:04,130 --> 01:10:01,140

also come at things from the point of

1568

01:10:06,050 --> 01:10:04,140

view as that is why the steward this

1569

01:10:08,450 --> 01:10:06,060

story has endured over the years that's

1570

01:10:10,790 --> 01:10:08,460

why this specific case you know

1571

01:10:12,709 --> 01:10:10,800

translates through time is that idea of

1572

01:10:15,890 --> 01:10:12,719

perfection that it has that that that

1573

01:10:19,310 --> 01:10:15,900

has more to that's more the hook that

1574

01:10:21,169 --> 01:10:19,320

that lands it in a book 200 year 500 or

1575

01:10:23,149 --> 01:10:21,179

a thousand years later

1576

01:10:24,830 --> 01:10:23,159

um rather than some say like complete

1577

01:10:26,750 --> 01:10:24,840

High strangeness case from a thousand

1578

01:10:28,790 --> 01:10:26,760

years ago where people were just like I

1579

01:10:31,930 --> 01:10:28,800

don't know and then you know like walked

1580

01:10:34,030 --> 01:10:31,940

on or something like that you know

1581

01:10:37,790 --> 01:10:34,040

over the place

1582

01:10:39,709 --> 01:10:37,800

400 years old now Bishop Godwin spoke

1583

01:10:41,870 --> 01:10:39,719

about the people on the moon and this is

1584

01:10:44,930 --> 01:10:41,880

the first time that we find the ancient

1585

01:10:47,570 --> 01:10:44,940

asphalt Theory very almost almost sort

1586

01:10:49,790 --> 01:10:47,580

of referred to because he says that on

1587

01:10:52,970 --> 01:10:49,800

the moon Perfection is very important

1588

01:10:55,130 --> 01:10:52,980

that any babies that too much or born

1589

01:10:58,130 --> 01:10:55,140

with defects of poses can offend they're

1590

01:11:01,550 --> 01:10:58,140

thrown down to Earth where they became

1591

01:11:05,270 --> 01:11:01,560

our North American Indians and that's

1592

01:11:08,209 --> 01:11:06,590

but

1593

01:11:10,729 --> 01:11:08,219

um that's what they did they were so

1594

01:11:13,550 --> 01:11:10,739

perfectionist they got certain persons

1595

01:11:16,310 --> 01:11:13,560

and sent them to Earth there's just so

1596

01:11:18,470 --> 01:11:16,320

much about that in in these old stories

1597

01:11:20,750 --> 01:11:18,480

of course these days the whole idea of

1598

01:11:23,750 --> 01:11:20,760

this sphere and whatever and so

1599

01:11:26,990 --> 01:11:23,760

perfectly silvery all of this is to do

1600

01:11:30,950 --> 01:11:27,000

with perfection and in the book I also

1601  
01:11:33,229 --> 01:11:30,960  
make a origin of the Nordic alien and in

1602  
01:11:35,209 --> 01:11:33,239  
early literature because that predates a

1603  
01:11:39,070 --> 01:11:35,219  
damn Square predates everybody and

1604  
01:11:43,189 --> 01:11:39,080  
that's a tradition that carried on for

1605  
01:11:47,149 --> 01:11:43,199  
150 180 years non-stop that our

1606  
01:11:48,169 --> 01:11:47,159  
ancestors were so quick that and we have

1607  
01:11:49,850 --> 01:11:48,179  
to remember that these were the

1608  
01:11:51,890 --> 01:11:49,860  
anthropologists of the time speaking

1609  
01:11:53,870 --> 01:11:51,900  
where they had perfect white skin and

1610  
01:11:56,149 --> 01:11:53,880  
blue eyes and blonde hair and so on

1611  
01:11:58,310 --> 01:11:56,159  
that's what they thought that protection

1612  
01:12:00,890 --> 01:11:58,320  
looked like which is why Adam and Eve

1613  
01:12:03,110 --> 01:12:00,900

would also have perfect white skin blue

1614

01:12:05,990 --> 01:12:03,120

eyes and blonde hair but then of course

1615

01:12:08,209 --> 01:12:06,000

you find that um throughout the 19th

1616

01:12:10,610 --> 01:12:08,219

century people started saying maybe Adam

1617

01:12:12,709 --> 01:12:10,620

and Eve came from other planets and they

1618

01:12:14,470 --> 01:12:12,719

must have also had a white skin blue

1619

01:12:17,149 --> 01:12:14,480

eyes and so on they looked like

1620

01:12:19,490 --> 01:12:17,159

Scandinavians and

1621

01:12:22,370 --> 01:12:19,500

um they and then the word Nordic came

1622

01:12:25,250 --> 01:12:22,380

into play and Nordic alien that's what

1623

01:12:27,530 --> 01:12:25,260

we're still running with today I go into

1624

01:12:30,410 --> 01:12:27,540

into that in the

1625

01:12:33,110 --> 01:12:30,420

end that's something uh all this has to

1626

01:12:35,510 --> 01:12:33,120

do with uh you know religion or at least

1627

01:12:39,890 --> 01:12:35,520

the Bible in in Jesus right he was

1628

01:12:41,330 --> 01:12:39,900

perfect so it's interesting so

1629

01:12:43,370 --> 01:12:41,340

um

1630

01:12:46,310 --> 01:12:43,380

yeah no you go ahead Jeff you got a

1631

01:12:48,310 --> 01:12:46,320

question sure yeah I've got I've got

1632

01:12:50,510 --> 01:12:48,320

kind of you want to write a measurements

1633

01:12:52,430 --> 01:12:50,520

yeah I don't want to take up too much of

1634

01:12:55,070 --> 01:12:52,440

your time Chris thank you so much for

1635

01:12:58,790 --> 01:12:55,080

joining us from from Spain oh I actually

1636

01:13:01,010 --> 01:12:58,800

have two questions one I recognized that

1637

01:13:04,669 --> 01:13:01,020

you're coming to us from Spain but I've

1638

01:13:07,729 --> 01:13:04,679

never heard how you landed in Spain you

1639

01:13:09,530 --> 01:13:07,739

you grew you were born in London you you

1640

01:13:12,410 --> 01:13:09,540

landed in Spain uh when you were 19

1641

01:13:14,030 --> 01:13:12,420

years old and seems like uh and you've

1642

01:13:15,290 --> 01:13:14,040

been there ever since I mean you know

1643

01:13:16,310 --> 01:13:15,300

apart from traveling and things like

1644

01:13:19,010 --> 01:13:16,320

that

1645

01:13:21,770 --> 01:13:19,020

um so how did you get to Spain

1646

01:13:24,350 --> 01:13:21,780

yeah it's a the typical story of a guy

1647

01:13:27,470 --> 01:13:24,360

who was a 15 16 year old who used to

1648

01:13:30,590 --> 01:13:27,480

correspond with the astronaut writers uh

1649

01:13:33,770 --> 01:13:30,600

and early teens and then when I was 18 I

1650

01:13:36,590 --> 01:13:33,780

went to uh Minnesota and

1651

01:13:38,570 --> 01:13:36,600

um to to meet one of them

1652

01:13:40,790 --> 01:13:38,580

and then I went to California to meet

1653

01:13:44,510 --> 01:13:40,800

another one from M green he wrote a book

1654

01:13:46,669 --> 01:13:44,520

about the the ancient dogs threats but a

1655

01:13:49,790 --> 01:13:46,679

couple of weeks sleeping on his sofa and

1656

01:13:51,470 --> 01:13:49,800

uh that was that was a lot of fun and

1657

01:13:54,790 --> 01:13:51,480

then none of these people believed I was

1658

01:13:56,810 --> 01:13:54,800

a team uh at the time

1659

01:13:59,390 --> 01:13:56,820

and then

1660

01:14:02,149 --> 01:13:59,400

um I went back to England where I

1661

01:14:04,189 --> 01:14:02,159

started working in Burger King because I

1662

01:14:05,870 --> 01:14:04,199

just wanted to to work on books and

1663

01:14:09,350 --> 01:14:05,880

research and so on I just wanted a very

1664

01:14:11,810 --> 01:14:09,360

simple job for him being and uh then I

1665

01:14:14,390 --> 01:14:11,820

was extremely anti-fast food at the time

1666

01:14:16,990 --> 01:14:14,400

so I wanted to destroy Burger King from

1667

01:14:21,770 --> 01:14:19,729

I think they had an inspection to happen

1668

01:14:24,590 --> 01:14:21,780

and they end up closing around and

1669

01:14:27,229 --> 01:14:24,600

firing a general manager and all kinds

1670

01:14:30,169 --> 01:14:27,239

of terms happened and then while I was

1671

01:14:31,610 --> 01:14:30,179

there I met two two employees of that

1672

01:14:35,410 --> 01:14:31,620

branch of Burger King in Southampton

1673

01:14:37,810 --> 01:14:35,420

England and they were from Spain

1674

01:14:40,550 --> 01:14:37,820

they thought well I'm just going to

1675

01:14:43,090 --> 01:14:40,560

start booking and hitchhiking from

1676

01:14:47,209 --> 01:14:43,100

France just

1677

01:14:49,070 --> 01:14:47,219

all over the world and I reached Spain I

1678

01:14:50,510 --> 01:14:49,080

saw them then I went down to Malaga

1679

01:14:53,630 --> 01:14:50,520

which is on the coast just next to

1680

01:14:55,550 --> 01:14:53,640

Africa and I was blocked I was attacked

1681

01:14:57,590 --> 01:14:55,560

and robbed and left half blind because

1682

01:15:01,729 --> 01:14:57,600

they threw a detergent in my face had a

1683

01:15:03,110 --> 01:15:01,739

bandage and I spent a week sleeping in

1684

01:15:05,229 --> 01:15:03,120

the street

1685

01:15:08,030 --> 01:15:05,239

um wandering around with probably

1686

01:15:09,890 --> 01:15:08,040

anatomy of a phenomenon in one pocket of

1687

01:15:12,890 --> 01:15:09,900

my massive Overcoat which I shouldn't

1688

01:15:15,110 --> 01:15:12,900

have been pot and then I had a copy of

1689

01:15:17,570 --> 01:15:15,120

the Quran I don't remember why I was

1690

01:15:20,870 --> 01:15:17,580

studying old religious texts at the time

1691

01:15:23,630 --> 01:15:20,880

and sort of continues around sleeping in

1692

01:15:25,550 --> 01:15:23,640

bus stations until finally someone said

1693

01:15:28,189 --> 01:15:25,560

hey why don't you get classes to my to

1694

01:15:30,410 --> 01:15:28,199

my son and that's how it will start it

1695

01:15:31,910 --> 01:15:30,420

became well English private English

1696

01:15:34,550 --> 01:15:31,920

teacher for that town where I was living

1697

01:15:37,130 --> 01:15:34,560

and that's how it all began oh that's

1698

01:15:39,950 --> 01:15:37,140

amazing that's amazing oh it's it's

1699

01:15:41,990 --> 01:15:39,960

great to hear that finally and uh my

1700

01:15:43,970 --> 01:15:42,000

last question I guess there are so many

1701

01:15:46,310 --> 01:15:43,980

fundamental questions that lay the

1702

01:15:48,649 --> 01:15:46,320

essential groundwork for researchers and

1703

01:15:50,450 --> 01:15:48,659

enthusiasts of anomalous inquiry who are

1704

01:15:52,729 --> 01:15:50,460

these beings where they come from where

1705

01:15:55,010 --> 01:15:52,739

they live how do they live people often

1706

01:15:56,870 --> 01:15:55,020

start with those there's also what does

1707

01:15:58,550 --> 01:15:56,880

this tell us about physics does it tell

1708

01:16:01,070 --> 01:15:58,560

us anything about where we go after we

1709

01:16:04,130 --> 01:16:01,080

die religion philosophy the nature of

1710

01:16:06,770 --> 01:16:04,140

reality Consciousness all that so for

1711

01:16:08,990 --> 01:16:06,780

you what is an essential underlying

1712

01:16:11,810 --> 01:16:09,000

question for you that you keep finding

1713

01:16:16,250 --> 01:16:11,820

yourself Tethered to coming back to over

1714

01:16:22,070 --> 01:16:18,950

uh an essential question about the field

1715

01:16:25,610 --> 01:16:22,080

itself or my relationship to it or I

1716

01:16:27,950 --> 01:16:25,620

guess I guess like meaning that like for

1717

01:16:29,570 --> 01:16:27,960

a lot of people there's a tether within

1718

01:16:32,630 --> 01:16:29,580

within their fascination of the

1719

01:16:34,850 --> 01:16:32,640

phenomenon that leads them to like what

1720

01:16:36,770 --> 01:16:34,860

is the science what is like what it

1721

01:16:38,510 --> 01:16:36,780

means about Consciousness what it means

1722

01:16:41,450 --> 01:16:38,520

about our souls or something like that

1723

01:16:43,070 --> 01:16:41,460

and so like I guess what is what is a

1724

01:16:45,709 --> 01:16:43,080

big picture question for you that

1725

01:16:47,870 --> 01:16:45,719

underlies that underlines

1726

01:16:52,070 --> 01:16:47,880

um your research over the years does

1727

01:16:57,890 --> 01:16:55,130

probably human reaction to it I would I

1728

01:17:00,530 --> 01:16:57,900

would assume well on the one hand it's

1729

01:17:02,570 --> 01:17:00,540

human human reaction to this as a

1730

01:17:06,950 --> 01:17:02,580

stimulus

1731

01:17:09,950 --> 01:17:06,960

um because uh I mean whether whether all

1732

01:17:11,810 --> 01:17:09,960

of this is real or not and I saw

1733

01:17:13,490 --> 01:17:11,820

something so at least I know what I saw

1734

01:17:15,169 --> 01:17:13,500

was real I can't speak about the other

1735

01:17:17,810 --> 01:17:15,179

99.99

1736

01:17:22,010 --> 01:17:17,820

99 people but

1737

01:17:24,950 --> 01:17:22,020

um how this affects people's perception

1738

01:17:27,169 --> 01:17:24,960

of the world around them and how this

1739

01:17:29,630 --> 01:17:27,179

helping people in base based decisions

1740

01:17:31,850 --> 01:17:29,640

on on what they've seen and perceived in

1741

01:17:34,070 --> 01:17:31,860

the sky in the universe um throughout

1742

01:17:36,590 --> 01:17:34,080

history people have taken decisions uh

1743

01:17:39,229 --> 01:17:36,600

based on who this stuff we've seen uh in

1744

01:17:42,050 --> 01:17:39,239

the end in Antiquity it was omen's

1745

01:17:44,149 --> 01:17:42,060

important these days if you've seen a

1746

01:17:47,149 --> 01:17:44,159

UFO or have an encounter or you've been

1747

01:17:49,550 --> 01:17:47,159

adapted then that totally changed your

1748

01:17:53,030 --> 01:17:49,560

perspective on on life the universe and

1749

01:17:56,090 --> 01:17:53,040

everything it's like this Adams it it's

1750

01:17:58,910 --> 01:17:56,100

um it's just an amazing deep connection

1751

01:18:01,669 --> 01:17:58,920

that you have then as as far as I'm

1752

01:18:04,729 --> 01:18:01,679

interested as far as I'm concerned

1753

01:18:06,410 --> 01:18:04,739

feel always remains valid to me no

1754

01:18:08,450 --> 01:18:06,420

matter whether I'm in a skeptical mood

1755

01:18:10,610 --> 01:18:08,460

or a believing mood because it's

1756

01:18:13,790 --> 01:18:10,620

something that touches on LinkedIn

1757

01:18:15,250 --> 01:18:13,800

apology and sociology and Archeology and

1758

01:18:17,390 --> 01:18:15,260

all theologies that you could imagine

1759

01:18:20,090 --> 01:18:17,400

and it's something that brings

1760

01:18:22,250 --> 01:18:20,100

everything together which is which I

1761

01:18:24,110 --> 01:18:22,260

think it's something that religion used

1762

01:18:26,390 --> 01:18:24,120

to do

1763

01:18:27,590 --> 01:18:26,400

in all times and now and now this kind

1764

01:18:31,430 --> 01:18:27,600

of thing

1765

01:18:33,229 --> 01:18:31,440

it's also constantly validated for me no

1766

01:18:35,169 --> 01:18:33,239

matter whether I look at it as a scholar

1767

01:18:38,570 --> 01:18:35,179

as a Believer as a philosopher

1768

01:18:40,370 --> 01:18:38,580

mystically then by the same time it is

1769

01:18:42,590 --> 01:18:40,380

absolutely true and I never thought

1770

01:18:46,790 --> 01:18:42,600

about this that I do sometimes wonder

1771

01:18:50,450 --> 01:18:46,800

whether I've experienced more than I and

1772

01:18:54,229 --> 01:18:50,460

I know because I've had

1773

01:18:56,570 --> 01:18:54,239

hit experiences in my life that sort of

1774

01:18:58,430 --> 01:18:56,580

I just feel that I'm doing what I should

1775

01:19:00,950 --> 01:18:58,440

be doing that's all I I can't really

1776

01:19:03,169 --> 01:19:00,960

explain that and it probably has totally

1777

01:19:05,149 --> 01:19:03,179

psychological groups but I feel

1778

01:19:08,930 --> 01:19:05,159

sometimes that there's a question to me

1779

01:19:11,510 --> 01:19:08,940

in this field uh whether that's uh

1780

01:19:13,550 --> 01:19:11,520

because of my curiosity about it or

1781

01:19:15,290 --> 01:19:13,560

whether it because it's something that I

1782

01:19:17,510 --> 01:19:15,300

might feel it might explain something

1783

01:19:19,250 --> 01:19:17,520

that's happened to me I don't know I'll

1784

01:19:21,410 --> 01:19:19,260

have to psychoanalyze myself I'll get

1785

01:19:23,570 --> 01:19:21,420

someone to do it one day oh that makes

1786

01:19:25,490 --> 01:19:23,580

perfect sense to me that makes absolute

1787

01:19:27,590 --> 01:19:25,500

perfect sense to me I I love that and

1788

01:19:29,870 --> 01:19:27,600

thank you for revealing that I've got

1789

01:19:31,850 --> 01:19:29,880

one more question do you mind Sean I've

1790

01:19:34,850 --> 01:19:31,860

got it go ahead okay cool one more

1791

01:19:37,130 --> 01:19:34,860

question then we then Chris can go to to

1792

01:19:43,790 --> 01:19:37,140

uh it's just about reaching dinner time

1793

01:19:48,709 --> 01:19:46,729

um uh and my question is that uh you we

1794

01:19:51,350 --> 01:19:48,719

were talking earlier today and you told

1795

01:19:54,110 --> 01:19:51,360

me that you have been having some con

1796

01:19:57,110 --> 01:19:54,120

you had a conversation recently with Dr

1797

01:19:59,390 --> 01:19:57,120

valet and I was wondering if you could

1798

01:20:01,850 --> 01:19:59,400

tell us anything about what that

1799

01:20:03,709 --> 01:20:01,860

conversation was about specifically

1800

01:20:05,570 --> 01:20:03,719

about work in the future

1801  
01:20:07,750 --> 01:20:05,580  
okay so

1802  
01:20:12,110 --> 01:20:07,760  
um yeah so it's been

1803  
01:20:13,669 --> 01:20:12,120  
uh 13 years since we published wonders

1804  
01:20:16,250 --> 01:20:13,679  
in the sky

1805  
01:20:18,709 --> 01:20:16,260  
um when we did that it was at a time

1806  
01:20:21,410 --> 01:20:18,719  
when we'd have access to all the sources

1807  
01:20:22,970 --> 01:20:21,420  
and resources that we have today uh so

1808  
01:20:24,649 --> 01:20:22,980  
much has changed and on the internet

1809  
01:20:28,189 --> 01:20:24,659  
there's been an explosion of digital

1810  
01:20:30,110 --> 01:20:28,199  
libraries and networking and so on so we

1811  
01:20:32,930 --> 01:20:30,120  
wouldn't have made the same mistakes

1812  
01:20:34,729 --> 01:20:32,940  
that we made in some of the cases and

1813  
01:20:39,110 --> 01:20:34,739

stories that we published at that time

1814

01:20:42,169 --> 01:20:39,120

so since then uh We've made one new

1815

01:20:45,050 --> 01:20:42,179

edition of that book uh we have a copy

1816

01:20:47,570 --> 01:20:45,060

here somewhere I can possibly miss it

1817

01:20:49,610 --> 01:20:47,580

but it's this massive thing here

1818

01:20:52,850 --> 01:20:49,620

um it falls on your toe it just happened

1819

01:20:55,130 --> 01:20:52,860

to me once yeah even for a shot and it's

1820

01:20:56,870 --> 01:20:55,140

great because it's um full of colored

1821

01:20:59,570 --> 01:20:56,880

pictures and whatever but it's probably

1822

01:21:02,229 --> 01:20:59,580

one of the most expensive UFO books ever

1823

01:21:04,550 --> 01:21:02,239

made too but it was necessary

1824

01:21:06,890 --> 01:21:04,560

to be that that way it was a copyright

1825

01:21:09,290 --> 01:21:06,900

problem with with chair they didn't want

1826  
01:21:10,550 --> 01:21:09,300  
to make a new English so we had to do

1827  
01:21:13,510 --> 01:21:10,560  
that and it was the only way we can get

1828  
01:21:17,090 --> 01:21:13,520  
around there anyway so um

1829  
01:21:19,729 --> 01:21:17,100  
what I want to do now

1830  
01:21:22,910 --> 01:21:19,739  
actually I'll publish a refresh is what

1831  
01:21:25,070 --> 01:21:22,920  
I'm looking at wonders in the sky uh

1832  
01:21:26,990 --> 01:21:25,080  
very soon that in in the coming months

1833  
01:21:28,610 --> 01:21:27,000  
uh to get rid of

1834  
01:21:30,830 --> 01:21:28,620  
um a lot of cases bringing new ones

1835  
01:21:33,130 --> 01:21:30,840  
correct mistakes from the past better

1836  
01:21:36,169 --> 01:21:33,140  
translations and so on then

1837  
01:21:38,750 --> 01:21:36,179  
coincidentally uh the other day

1838  
01:21:40,910 --> 01:21:38,760

um uh Jax uh asked me whether I'm

1839

01:21:44,290 --> 01:21:40,920

interested in doing another part of

1840

01:21:46,090 --> 01:21:44,300

Wonders in the sky that is to say from

1841

01:21:48,890 --> 01:21:46,100

900 to

1842

01:21:50,390 --> 01:21:48,900

1940 and I believe that we can do it

1843

01:21:52,010 --> 01:21:50,400

really really well together because we

1844

01:21:53,990 --> 01:21:52,020

work very well together we have

1845

01:21:57,530 --> 01:21:54,000

different opinions about all of this but

1846

01:22:01,430 --> 01:21:57,540

we complement each other so

1847

01:22:03,890 --> 01:22:01,440

um with his experience uh with with the

1848

01:22:06,050 --> 01:22:03,900

massive amount of archive material that

1849

01:22:08,149 --> 01:22:06,060

I have and he must have two we're going

1850

01:22:10,070 --> 01:22:08,159

to start work on this I believe very

1851  
01:22:13,010 --> 01:22:10,080  
very soon we haven't ironed out the

1852  
01:22:16,070 --> 01:22:13,020  
details yet but there it is all right

1853  
01:22:17,810 --> 01:22:16,080  
that's it there's a scoop for the day uh

1854  
01:22:19,189 --> 01:22:17,820  
that's wonderful to hear yeah it's

1855  
01:22:21,110 --> 01:22:19,199  
fantastic that you guys are going to be

1856  
01:22:22,870 --> 01:22:21,120  
working together again so so happy to

1857  
01:22:25,669 --> 01:22:22,880  
hear about that

1858  
01:22:27,950 --> 01:22:25,679  
as I said firstly I want to get this out

1859  
01:22:29,630 --> 01:22:27,960  
this is this is only a draft cover but

1860  
01:22:33,470 --> 01:22:29,640  
this will be like the the one that I

1861  
01:22:36,110 --> 01:22:33,480  
want to do oh wow beautiful with a bit

1862  
01:22:38,570 --> 01:22:36,120  
of luck I can get that soon

1863  
01:22:40,729 --> 01:22:38,580

um out and I'm just gonna get to the

1864

01:22:43,130 --> 01:22:40,739

right sources make sure that I can

1865

01:22:45,350 --> 01:22:43,140

absolutely break translation and

1866

01:22:47,450 --> 01:22:45,360

everything typically correct it's also

1867

01:22:48,430 --> 01:22:47,460

working in tandem with the with the

1868

01:22:51,530 --> 01:22:48,440

United

1869

01:22:53,870 --> 01:22:51,540

fishing because people need to know that

1870

01:22:56,689 --> 01:22:53,880

there are two two sides to this and the

1871

01:22:58,370 --> 01:22:56,699

one who have writings which is fine but

1872

01:22:59,570 --> 01:22:58,380

on the other hand you need to get the

1873

01:23:01,790 --> 01:22:59,580

contact you need to get the social

1874

01:23:04,189 --> 01:23:01,800

cultural content for you to know what

1875

01:23:07,729 --> 01:23:04,199

people what was on people's minds at the

1876

01:23:10,729 --> 01:23:07,739

time so it's all right Mr Smith's or

1877

01:23:12,709 --> 01:23:10,739

weird lightens die in 1824 but you need

1878

01:23:15,169 --> 01:23:12,719

to know whether at that time there was

1879

01:23:16,729 --> 01:23:15,179

any possibility of interpreting that as

1880

01:23:17,510 --> 01:23:16,739

aliens and what I've shown in Alien

1881

01:23:19,430 --> 01:23:17,520

artifact

1882

01:23:21,189 --> 01:23:19,440

is that

1883

01:23:24,110 --> 01:23:21,199

um that is the case really people

1884

01:23:26,930 --> 01:23:24,120

started interpreting things

1885

01:23:29,630 --> 01:23:26,940

um in an alien way pretty pretty early

1886

01:23:32,870 --> 01:23:29,640

on you have the Ancient Ancient Alien

1887

01:23:36,229 --> 01:23:32,880

series starting in 1823 but then the

1888

01:23:41,930 --> 01:23:36,239

first deep description of alien activity

1889

01:23:45,649 --> 01:23:41,940

on Earth as a theory was 1857. uh so

1890

01:23:47,570 --> 01:23:45,659

people have to know about this so yeah

1891

01:23:49,189 --> 01:23:47,580

it's so interesting because it's right

1892

01:23:51,770 --> 01:23:49,199

around that time when people started

1893

01:23:53,330 --> 01:23:51,780

coming up with the idea of airships and

1894

01:23:56,330 --> 01:23:53,340

and how to get something in the air was

1895

01:23:58,090 --> 01:23:56,340

like around the 1850s or 60s I think

1896

01:24:01,010 --> 01:23:58,100

so interesting

1897

01:24:02,689 --> 01:24:01,020

well this has been absolutely fantastic

1898

01:24:05,750 --> 01:24:02,699

yeah

1899

01:24:08,149 --> 01:24:05,760

I really appreciate it so I mean you've

1900

01:24:11,149 --> 01:24:08,159

put a lot more on my plate unbeknownst

1901

01:24:13,250 --> 01:24:11,159

to you now I have to go back and get

1902

01:24:16,610 --> 01:24:13,260

serious about the ancient sightings so

1903

01:24:19,090 --> 01:24:16,620

thanks for that there goes another two

1904

01:24:22,910 --> 01:24:19,100

years of my life

1905

01:24:24,830 --> 01:24:22,920

absolutely and it's wonderful

1906

01:24:26,810 --> 01:24:24,840

yeah and it's wonderful to hear that you

1907

01:24:29,270 --> 01:24:26,820

have so much I mean a that you've got

1908

01:24:31,250 --> 01:24:29,280

this wonderful book out just now just

1909

01:24:35,330 --> 01:24:31,260

recently everybody uh if you're

1910

01:24:37,130 --> 01:24:35,340

interested alien artifacts uh you can I

1911

01:24:38,930 --> 01:24:37,140

I picked up my copy just a few weeks ago

1912

01:24:41,510 --> 01:24:38,940

it's an absolutely wonderful book and

1913

01:24:43,310 --> 01:24:41,520

and uh you have so much more coming down

1914

01:24:45,830 --> 01:24:43,320

the pike and it would be wonderful to

1915

01:24:48,950 --> 01:24:45,840

have you back in the future uh to to

1916

01:24:51,590 --> 01:24:48,960

talk more about uh wonders and

1917

01:24:53,870 --> 01:24:51,600

everything else that's going on so thank

1918

01:24:56,570 --> 01:24:53,880

you so much Chris thank you so much for

1919

01:24:57,770 --> 01:24:56,580

joining us and I really appreciate it

1920

01:24:59,750 --> 01:24:57,780

yeah

1921

01:25:01,610 --> 01:24:59,760

thank you I really appreciate you taking

1922

01:25:03,410 --> 01:25:01,620

the time I had a great talk with you and

1923

01:25:04,310 --> 01:25:03,420

like Jay said hopefully we get to do it

1924

01:25:07,669 --> 01:25:04,320

again

1925

01:25:10,189 --> 01:25:07,679

yeah okay yeah go wonderful all right

1926

01:25:13,729 --> 01:25:10,199

have a wonderful evening Chris thank you

1927

01:25:15,770 --> 01:25:13,739

all right thanks bye

1928

01:25:19,430 --> 01:25:15,780

awesome fantastic

1929

01:25:22,130 --> 01:25:19,440

Ally great yeah or do it the snow

1930

01:25:25,010 --> 01:25:22,140

Storm's really picking up by me oh yeah

1931

01:25:27,950 --> 01:25:25,020

all right yeah yeah it's it's pretty

1932

01:25:29,930 --> 01:25:27,960

rainy over here in uh in in beautiful

1933

01:25:31,550 --> 01:25:29,940

Jersey City as well a lot of

1934

01:25:33,110 --> 01:25:31,560

precipitation happening here today uh

1935

01:25:35,090 --> 01:25:33,120

that was an absolutely wonderful show

1936

01:25:37,070 --> 01:25:35,100

and I'm so psyched that we get to have

1937

01:25:38,930 --> 01:25:37,080

another uh wonderful episode this week

1938

01:25:41,330 --> 01:25:38,940

on Friday

1939

01:25:43,189 --> 01:25:41,340

with Gary Nolan that's a really fun

1940

01:25:44,870 --> 01:25:43,199

combo you know there'll be really nice

1941

01:25:47,090 --> 01:25:44,880

bookends for the week

1942

01:25:50,030 --> 01:25:47,100

um going from going from the historical

1943

01:25:51,610 --> 01:25:50,040

to kind of like you're always very big

1944

01:25:54,350 --> 01:25:51,620

long pictures

1945

01:25:55,850 --> 01:25:54,360

it always happens like that when you

1946

01:25:58,790 --> 01:25:55,860

know you

1947

01:26:00,830 --> 01:25:58,800

you we go a while without uh guests you

1948

01:26:02,950 --> 01:26:00,840

know and then then we get two and then

1949

01:26:06,169 --> 01:26:02,960

they both do it in the same week

1950

01:26:09,229 --> 01:26:06,179

that's right yep it snowballs it has a

1951

01:26:11,149 --> 01:26:09,239

tendency to snowball well well I am I'm

1952

01:26:13,430 --> 01:26:11,159

super psyched about this I hope uh your

1953

01:26:16,189 --> 01:26:13,440

snowstorm goes well I hope the driveway

1954

01:26:18,290 --> 01:26:16,199

is nice and clean by Friday and uh you

1955

01:26:22,490 --> 01:26:18,300

can join us uh I hope the neighbor

1956

01:26:24,830 --> 01:26:22,500

doesn't slip and fall and uh you know

1957

01:26:27,709 --> 01:26:24,840

I'll be keeping my eye out all right

1958

01:26:30,169 --> 01:26:27,719

well thank you thanks thanks so much to

1959

01:26:32,810 --> 01:26:30,179

Chris for joining us today uh from Spain

1960

01:26:35,629 --> 01:26:32,820

and thanks as always to everybody in the

1961

01:26:37,129 --> 01:26:35,639

chat uh you I it was wonderful to see

1962

01:26:39,229 --> 01:26:37,139

the conversation happening over there

1963

01:26:41,750 --> 01:26:39,239

you guys are always so positive and

1964

01:26:44,810 --> 01:26:41,760

invested and interested and it's it's

1965

01:26:46,970 --> 01:26:44,820

it's it's really inspiring to see uh all

1966

01:26:49,430 --> 01:26:46,980

of you in the chat today so thanks yes I

1967

01:26:53,330 --> 01:26:49,440

mean we take pride in our chat we have

1968

01:26:55,070 --> 01:26:53,340

the best chat in the universe you know

1969

01:26:56,990 --> 01:26:55,080

there definitely is YouTube live

1970

01:26:59,050 --> 01:26:57,000

streaming over and Venus and other

1971

01:27:01,669 --> 01:26:59,060

galaxies

1972

01:27:03,830 --> 01:27:01,679

and out of all of that this is the best

1973

01:27:05,390 --> 01:27:03,840

chat room you guys are always so kind

1974

01:27:09,290 --> 01:27:05,400

inquisitive

1975

01:27:11,330 --> 01:27:09,300

um and yeah and just consider it and um

1976

01:27:14,629 --> 01:27:11,340

attentive so I appreciate that so

1977

01:27:16,669 --> 01:27:14,639

absolutely that being said I guess we'll

1978

01:27:19,370 --> 01:27:16,679

see you on

1979

01:27:22,189 --> 01:27:19,380

Friday Friday absolutely love you buddy

1980

01:27:27,510 --> 01:27:22,199

love you too man peace all right see you

1981

01:27:32,570 --> 01:27:30,010

[Music]

1982

01:27:34,010 --> 01:27:32,580

with all due respect to the Air Force I
