

WITNESS

CITIZEN

1
00:00:00,299 --> 00:00:07,610
UFOs are real

2
00:00:10,620 --> 00:00:09,589
[Music]

3
00:00:13,490 --> 00:00:10,630
I'm just kidding

4
00:00:15,530 --> 00:00:13,500
[Laughter]

5
00:00:17,050 --> 00:00:15,540
and this is Jay and you're watching

6
00:00:23,130 --> 00:00:17,060
Witness

7
00:00:29,150 --> 00:00:26,950
[Music]

8
00:00:30,410 --> 00:00:29,160
there's only due respect to the Air

9
00:00:32,210 --> 00:00:30,420
Force and I believe that some of them

10
00:00:57,530 --> 00:00:32,220
will prove to be of interplanetary

11
00:00:57,540 --> 00:01:07,130
[Music]

12
00:01:11,149 --> 00:01:08,510
hello

13
00:01:14,090 --> 00:01:11,159

hey man how's it going it's good pretty

14

00:01:17,030 --> 00:01:14,100

pretty good pretty good how are you

15

00:01:19,370 --> 00:01:17,040

I'm good I'm good I uh we were just

16

00:01:21,890 --> 00:01:19,380

talking before the show and um

17

00:01:24,590 --> 00:01:21,900

you know I we were talking about

18

00:01:27,350 --> 00:01:24,600

um what what we were gonna do today

19

00:01:28,850 --> 00:01:27,360

uh we had some articles that we we can

20

00:01:30,830 --> 00:01:28,860

go through and we probably will go

21

00:01:32,690 --> 00:01:30,840

through and we're just talking about a

22

00:01:35,270 --> 00:01:32,700

couple couple shows we've been watching

23

00:01:38,210 --> 00:01:35,280

recently it was great our shows our own

24

00:01:41,450 --> 00:01:38,220

shows last week extraordinary yeah

25

00:01:43,609 --> 00:01:41,460

they're fantastic Chris aubek was great

26

00:01:46,069 --> 00:01:43,619

Gary Nolan was great

27

00:01:48,249 --> 00:01:46,079

um yeah people like it's meowing at the

28

00:01:51,050 --> 00:01:48,259

door and it sounds like a baby

29

00:01:53,149 --> 00:01:51,060

if it's too loud or annoying just let

30

00:01:54,410 --> 00:01:53,159

me know you want to go get the cat okay

31

00:01:56,990 --> 00:01:54,420

I don't think you've ever shown the cat

32

00:01:57,000 --> 00:02:00,889

cat cat cat cat

33

00:02:06,530 --> 00:02:03,170

get ready upstairs

34

00:02:11,050 --> 00:02:06,540

I ran upstairs yeah that's that's BS all

35

00:02:17,390 --> 00:02:14,050

good one good one thank you

36

00:02:18,410 --> 00:02:17,400

okay so yeah I mean there's uh

37

00:02:20,030 --> 00:02:18,420

uh

38

00:02:23,089 --> 00:02:20,040

yeah what we were what we were talking

39

00:02:23,809 --> 00:02:23,099

about I think is uh is important

40

00:02:26,270 --> 00:02:23,819

um

41

00:02:28,550 --> 00:02:26,280

the one thing

42

00:02:31,070 --> 00:02:28,560

that you were saying is that you know we

43

00:02:33,830 --> 00:02:31,080

were listening to uh a couple podcasts

44

00:02:36,130 --> 00:02:33,840

that that I listened to as well and

45

00:02:40,309 --> 00:02:36,140

there's there's quite of uh kind of uh

46

00:02:41,990 --> 00:02:40,319

depressing tone coming from people that

47

00:02:44,449 --> 00:02:42,000

kind of uh

48

00:02:47,150 --> 00:02:44,459

you know where it almost seems like uh

49

00:02:49,430 --> 00:02:47,160

people are starting to give up like uh I

50

00:02:51,650 --> 00:02:49,440

don't know this is all just stupid this

51
00:02:53,210 --> 00:02:51,660
is bull crap the government wins screw

52
00:02:57,830 --> 00:02:53,220
it

53
00:02:59,869 --> 00:02:57,840
yeah I um I mean and specifically I

54
00:03:02,449 --> 00:02:59,879
think I mean so just so that we can be

55
00:03:05,570 --> 00:03:02,459
as specific as possible I think I one

56
00:03:08,210 --> 00:03:05,580
like core example of this is um Ross

57
00:03:11,750 --> 00:03:08,220
coldheart's interview with Jay Anderson

58
00:03:15,410 --> 00:03:11,760
on Project Unity last night and I really

59
00:03:18,410 --> 00:03:15,420
enjoy Ross's work uh I was you emailing

60
00:03:21,350 --> 00:03:18,420
with them earlier today I I like them I

61
00:03:23,330 --> 00:03:21,360
like him as a guy I like him as as like

62
00:03:25,550 --> 00:03:23,340
a call like I I like the idea of

63
00:03:27,949 --> 00:03:25,560

thinking as a colleague oh my gosh can

64

00:03:29,449 --> 00:03:27,959

you imagine a guy like that

65

00:03:30,530 --> 00:03:29,459

um I mean it's great that he's in the

66

00:03:33,229 --> 00:03:30,540

field

67

00:03:34,670 --> 00:03:33,239

um and he you know he has his ear to the

68

00:03:36,910 --> 00:03:34,680

ground with a lot of folks and he was

69

00:03:40,070 --> 00:03:36,920

saying like oh he's he's a little

70

00:03:42,410 --> 00:03:40,080

despondent because he gets as excited

71

00:03:44,570 --> 00:03:42,420

about this topic as we do and as a

72

00:03:46,009 --> 00:03:44,580

million people in the chat do and he was

73

00:03:49,490 --> 00:03:46,019

saying that like

74

00:03:51,430 --> 00:03:49,500

he's worried that that some of the kind

75

00:03:54,890 --> 00:03:51,440

of slow roll out

76

00:03:56,509 --> 00:03:54,900

disclosure plans that people always

77

00:03:58,729 --> 00:03:56,519

allude to

78

00:04:01,670 --> 00:03:58,739

um are are going to get put on the back

79

00:04:03,589 --> 00:04:01,680

burner uh right because essentially

80

00:04:06,050 --> 00:04:03,599

because people are are getting

81

00:04:08,649 --> 00:04:06,060

themselves into a war footing because

82

00:04:11,690 --> 00:04:08,659

not just Ukraine but um this new

83

00:04:14,149 --> 00:04:11,700

situation that's happening well not new

84

00:04:15,890 --> 00:04:14,159

but reignited between China and Taiwan

85

00:04:17,449 --> 00:04:15,900

where it seems that China is taking

86

00:04:20,330 --> 00:04:17,459

advantage of the facts of global

87

00:04:21,830 --> 00:04:20,340

instability to to prepare taking back

88

00:04:23,990 --> 00:04:21,840

Taiwan

89

00:04:26,749 --> 00:04:24,000

um and so you know there's this idea

90

00:04:28,730 --> 00:04:26,759

that well if China's at War and Russia

91

00:04:32,390 --> 00:04:28,740

is at War and we're in a proxy war via

92

00:04:35,210 --> 00:04:32,400

Ukraine then you know then how is that

93

00:04:37,850 --> 00:04:35,220

not a World War essentially right well

94

00:04:41,330 --> 00:04:37,860

it is um I mean you know just because

95

00:04:43,310 --> 00:04:41,340

we're not using uh missiles or or we are

96

00:04:45,590 --> 00:04:43,320

actually you just our missiles in

97

00:04:48,590 --> 00:04:45,600

Ukraine but because we're not like

98

00:04:51,530 --> 00:04:48,600

directly really firing them at you know

99

00:04:54,710 --> 00:04:51,540

different countries ourselves doesn't

100

00:04:56,990 --> 00:04:54,720

mean that we're not at uh you know a

101
00:04:59,090 --> 00:04:57,000
certain type of war and it's been that

102
00:05:00,890 --> 00:04:59,100
way for a while right Russia invaded

103
00:05:03,050 --> 00:05:00,900
Crimea a long time ago I think it was

104
00:05:05,810 --> 00:05:03,060
nine years ago now that when when that

105
00:05:07,129 --> 00:05:05,820
whole kind of thing started again

106
00:05:09,230 --> 00:05:07,139
um in history

107
00:05:11,870 --> 00:05:09,240
um and China has been spying on us and

108
00:05:13,850 --> 00:05:11,880
doing all this this stuff for for a

109
00:05:17,290 --> 00:05:13,860
while and it's been getting you know

110
00:05:20,450 --> 00:05:17,300
pretty uh Brazen and and worse seemingly

111
00:05:21,409 --> 00:05:20,460
uh over the over the years so so that's

112
00:05:25,249 --> 00:05:21,419
uh

113
00:05:27,050 --> 00:05:25,259

that's a real deal thing and yeah things

114

00:05:30,409 --> 00:05:27,060

are kind of coming to a head in Ukraine

115

00:05:32,570 --> 00:05:30,419

but I would say you know the the

116

00:05:34,969 --> 00:05:32,580

you know looking into this topic what

117

00:05:37,550 --> 00:05:34,979

what I can say from my own point of view

118

00:05:39,110 --> 00:05:37,560

and this isn't braiding anyone else's

119

00:05:41,450 --> 00:05:39,120

point of view or what they say or

120

00:05:43,969 --> 00:05:41,460

anything like that from my own point of

121

00:05:46,430 --> 00:05:43,979

view and from my own experience and from

122

00:05:49,010 --> 00:05:46,440

the document research that I've done I

123

00:05:53,510 --> 00:05:49,020

can tell tell you a couple things the

124

00:05:55,610 --> 00:05:53,520

first one is the whole Slow Roll uh drip

125

00:05:58,249 --> 00:05:55,620

drip disclosure thing

126

00:05:59,689 --> 00:05:58,259

I've found to be discussed since the

127

00:06:04,189 --> 00:05:59,699

early 50s

128

00:06:07,310 --> 00:06:04,199

so personally I don't believe that

129

00:06:10,070 --> 00:06:07,320

that's like a thing like there there's a

130

00:06:12,770 --> 00:06:10,080

Planned slow drip disclosure happening

131

00:06:16,370 --> 00:06:12,780

and it's rolling out to tell us all

132

00:06:18,890 --> 00:06:16,380

about uh different non-human entity on

133

00:06:22,070 --> 00:06:18,900

Earth or whatever I don't really think

134

00:06:24,350 --> 00:06:22,080

that's a real real thing I think that's

135

00:06:26,809 --> 00:06:24,360

kind of a way for people to cope with

136

00:06:28,370 --> 00:06:26,819

not getting uh the information they want

137

00:06:30,590 --> 00:06:28,380

when they want it

138

00:06:32,150 --> 00:06:30,600

you know well that's just a slow trick

139

00:06:33,650 --> 00:06:32,160

why did they do why did the president

140

00:06:34,249 --> 00:06:33,660

have a

141

00:06:38,629 --> 00:06:34,259

um

142

00:06:40,430 --> 00:06:38,639

everybody's you know getting all excited

143

00:06:42,170 --> 00:06:40,440

about this and all all this and it was

144

00:06:44,749 --> 00:06:42,180

depressing to watch everybody's reaction

145

00:06:47,330 --> 00:06:44,759

afterwards like what did you expect

146

00:06:49,189 --> 00:06:47,340

like your expectations are unreasonable

147

00:06:52,790 --> 00:06:49,199

because this is not a slow trip

148

00:06:55,370 --> 00:06:52,800

disclosure at least I don't think so I'm

149

00:06:58,969 --> 00:06:55,380

not on the inside I'm not talking to the

150

00:07:02,510 --> 00:06:58,979

inside people so you know I don't have

151
00:07:04,850 --> 00:07:02,520
anything to to add in that context and

152
00:07:07,249 --> 00:07:04,860
and I can't know more than people on the

153
00:07:09,170 --> 00:07:07,259
inside would know all I can tell you is

154
00:07:11,029 --> 00:07:09,180
what history tells us and what history

155
00:07:14,029 --> 00:07:11,039
tells us is people have been saying this

156
00:07:18,969 --> 00:07:14,039
for decades yeah you know and it never

157
00:07:22,070 --> 00:07:18,979
happens and it's personally I think

158
00:07:23,689 --> 00:07:22,080
that the majority of people in the

159
00:07:25,610 --> 00:07:23,699
government probably don't know what the

160
00:07:27,890 --> 00:07:25,620
heck the stuff is either and they've

161
00:07:30,529 --> 00:07:27,900
been covering it up because they don't

162
00:07:32,330 --> 00:07:30,539
know what it is you know

163
00:07:35,330 --> 00:07:32,340

um and they can't explain it and how do

164

00:07:37,670 --> 00:07:35,340

you tell people that

165

00:07:40,309 --> 00:07:37,680

yeah but there's things that meet that

166

00:07:42,230 --> 00:07:40,319

idea as well like you know

167

00:07:44,089 --> 00:07:42,240

Havana syndrome they're basically coming

168

00:07:45,290 --> 00:07:44,099

out and saying they have no answers kova

169

00:07:47,150 --> 00:07:45,300

they're coming out and saying they have

170

00:07:49,850 --> 00:07:47,160

no answers so why couldn't they do that

171

00:07:52,490 --> 00:07:49,860

with UAP you know I don't know so well

172

00:07:55,850 --> 00:07:52,500

yeah and even I mean

173

00:07:57,350 --> 00:07:55,860

and I mean one piece of news that's

174

00:07:59,089 --> 00:07:57,360

that's recent was I think it was

175

00:07:59,710 --> 00:07:59,099

Christopher Ray

176

00:08:03,170 --> 00:07:59,720

um

177

00:08:06,529 --> 00:08:03,180

uh former I believe uh director of the

178

00:08:07,930 --> 00:08:06,539

CIA is our as our limit right Chris

179

00:08:12,170 --> 00:08:07,940

Christmas

180

00:08:13,909 --> 00:08:12,180

FBI guy yeah yeah FBI yeah and

181

00:08:15,950 --> 00:08:13,919

and he

182

00:08:18,770 --> 00:08:15,960

um yeah he became the AIDS director of

183

00:08:20,510 --> 00:08:18,780

the FBI in 2017.

184

00:08:22,249 --> 00:08:20,520

um oh he's yeah and he still is right

185

00:08:25,189 --> 00:08:22,259

okay so

186

00:08:27,409 --> 00:08:25,199

um he did an interview very recently uh

187

00:08:29,990 --> 00:08:27,419

I think it was yesterday and said oh

188

00:08:33,709 --> 00:08:30,000

yeah you know covid it probably was a

189

00:08:36,949 --> 00:08:33,719

lab leak you know from the Wuhan lab and

190

00:08:38,990 --> 00:08:36,959

um and there was another report

191

00:08:41,389 --> 00:08:39,000

um that came out that was a private

192

00:08:43,670 --> 00:08:41,399

report that was leaked

193

00:08:45,350 --> 00:08:43,680

um where from our own government that

194

00:08:47,810 --> 00:08:45,360

was saying like yeah lab leak most

195

00:08:49,310 --> 00:08:47,820

likely and then Christopher Ray seems

196

00:08:51,410 --> 00:08:49,320

like he kind of got out ahead of the

197

00:08:53,150 --> 00:08:51,420

issue by by talking about that publicly

198

00:08:55,430 --> 00:08:53,160

and um

199

00:08:57,470 --> 00:08:55,440

you know it does there is a there is a

200

00:09:00,170 --> 00:08:57,480

part of that where it

201
00:09:03,110 --> 00:09:00,180
you know it's it's challenging because

202
00:09:04,430 --> 00:09:03,120
we have to when we're dealing with a lot

203
00:09:07,009 --> 00:09:04,440
of these subjects there's such hot

204
00:09:09,290 --> 00:09:07,019
button issues partially because you know

205
00:09:10,730 --> 00:09:09,300
like we all had to deal with pandemic a

206
00:09:13,670 --> 00:09:10,740
lot of people lost their jobs people

207
00:09:16,130 --> 00:09:13,680
lost their loved ones people came out

208
00:09:18,050 --> 00:09:16,140
with you know long-term health issues

209
00:09:19,730 --> 00:09:18,060
all sorts of other stuff

210
00:09:22,009 --> 00:09:19,740
um you know there's like economic

211
00:09:24,250 --> 00:09:22,019
Devastation all over the place and it's

212
00:09:27,769 --> 00:09:24,260
and it's challenging because you know

213
00:09:31,070 --> 00:09:27,779

the way that propaganda works if you

214

00:09:32,750 --> 00:09:31,080

just say the words lab leak and like you

215

00:09:34,930 --> 00:09:32,760

know other you know certain people will

216

00:09:37,910 --> 00:09:34,940

listen to you and put you in a category

217

00:09:39,350 --> 00:09:37,920

and that happened for years yeah yeah

218

00:09:41,389 --> 00:09:39,360

and um

219

00:09:44,990 --> 00:09:41,399

and you know like

220

00:09:46,970 --> 00:09:45,000

I said like maybe four times already so

221

00:09:49,070 --> 00:09:46,980

I I basically should be in like a rubber

222

00:09:50,870 --> 00:09:49,080

room or something like that even though

223

00:09:52,610 --> 00:09:50,880

the director of the FBI just you know

224

00:09:54,710 --> 00:09:52,620

was like you know

225

00:09:56,750 --> 00:09:54,720

and the thing is that like I you know I

226

00:09:58,670 --> 00:09:56,760

live we joke about the sirens here all

227

00:10:01,250 --> 00:09:58,680

the time right I live in like I live in

228

00:10:02,630 --> 00:10:01,260

like downtown Jersey City you know the

229

00:10:05,210 --> 00:10:02,640

New York City skyline is right outside

230

00:10:08,329 --> 00:10:05,220

my window and like and during those

231

00:10:10,970 --> 00:10:08,339

during that first pandemic wave

232

00:10:12,949 --> 00:10:10,980

um for those first few months it was

233

00:10:15,290 --> 00:10:12,959

just like it was like a war zone there

234

00:10:17,269 --> 00:10:15,300

were there were ambulances outside all

235

00:10:18,710 --> 00:10:17,279

the time it was just constant there was

236

00:10:21,829 --> 00:10:18,720

just yeah you know people were being

237

00:10:24,769 --> 00:10:21,839

taken to the hospital like all day every

238

00:10:26,389 --> 00:10:24,779

day all night you know like like alarms

239

00:10:28,850 --> 00:10:26,399

and sirens at like three in the morning

240

00:10:31,550 --> 00:10:28,860

like four in the morning and and so

241

00:10:33,350 --> 00:10:31,560

there was no question around here that

242

00:10:35,509 --> 00:10:33,360

like yeah this is real

243

00:10:37,430 --> 00:10:35,519

you know what I mean right because like

244

00:10:39,470 --> 00:10:37,440

I had there's like for me like I'm in a

245

00:10:41,030 --> 00:10:39,480

suburb or whatever else I have to gauge

246

00:10:43,430 --> 00:10:41,040

it by is what are they telling me in the

247

00:10:45,410 --> 00:10:43,440

news or what are my friends saying or

248

00:10:47,090 --> 00:10:45,420

whatever I haven't gotten yeah what's

249

00:10:50,389 --> 00:10:47,100

the real deal but you're seeing it

250

00:10:53,690 --> 00:10:50,399

firsthand up close in a big congested

251

00:10:56,449 --> 00:10:53,700

City what it looks like yeah yeah and

252

00:10:58,790 --> 00:10:56,459

and so like you know there's it reminds

253

00:11:00,889 --> 00:10:58,800

me you know it reminds me of being in I

254

00:11:03,290 --> 00:11:00,899

was in downtown Manhattan on 9 11. you

255

00:11:06,110 --> 00:11:03,300

know these situations where and it's

256

00:11:09,470 --> 00:11:06,120

also it reminds me and in general with

257

00:11:12,650 --> 00:11:09,480

like the disclosure issues the balloon

258

00:11:14,750 --> 00:11:12,660

UAP issues recently just in the this

259

00:11:17,269 --> 00:11:14,760

topic in general that you know a lot of

260

00:11:19,430 --> 00:11:17,279

the audience you and I ourselves have

261

00:11:21,710 --> 00:11:19,440

had our own anomalous experiences and

262

00:11:23,750 --> 00:11:21,720

when you have had

263

00:11:24,949 --> 00:11:23,760

when you've lived through situations

264

00:11:29,150 --> 00:11:24,959

like that when you've lived through

265

00:11:31,069 --> 00:11:29,160

traumatic experiences it it when they

266

00:11:33,230 --> 00:11:31,079

come back up in situations like this it

267

00:11:34,790 --> 00:11:33,240

can be really triggering right and like

268

00:11:38,389 --> 00:11:34,800

it's just the reality of the situation

269

00:11:40,430 --> 00:11:38,399

you know yeah and um and there are a lot

270

00:11:41,810 --> 00:11:40,440

of people that

271

00:11:44,030 --> 00:11:41,820

that

272

00:11:46,730 --> 00:11:44,040

um you know really need you know it

273

00:11:49,370 --> 00:11:46,740

takes a lot of time as you get older to

274

00:11:51,470 --> 00:11:49,380

work on your triggers to work on the

275

00:11:53,930 --> 00:11:51,480

impulses that you have when something

276

00:11:55,790 --> 00:11:53,940

comes up that that you don't want to

277

00:11:58,790 --> 00:11:55,800

think about you don't want to face you

278

00:12:01,610 --> 00:11:58,800

don't want to deal with right and um

279

00:12:05,030 --> 00:12:01,620

and along the lines of what Ross was

280

00:12:08,030 --> 00:12:05,040

talking about you know the frustration

281

00:12:09,530 --> 00:12:08,040

um I've seen people

282

00:12:11,210 --> 00:12:09,540

um privately you know in private

283

00:12:13,069 --> 00:12:11,220

conversations people that are in the

284

00:12:16,310 --> 00:12:13,079

field that

285

00:12:19,069 --> 00:12:16,320

um that desperately want to or have

286

00:12:21,949 --> 00:12:19,079

decided to like take a break for a while

287

00:12:25,250 --> 00:12:21,959

um because they got so deflated no pun

288

00:12:27,290 --> 00:12:25,260

intended from that whole news story a

289

00:12:29,690 --> 00:12:27,300

few weeks ago what's these with these

290

00:12:33,530 --> 00:12:29,700

UAP issues and stuff like that and and

291

00:12:35,210 --> 00:12:33,540

and I I can totally understand it sure

292

00:12:38,630 --> 00:12:35,220

from from like a whole bunch of

293

00:12:40,370 --> 00:12:38,640

different angles one angle that like you

294

00:12:42,290 --> 00:12:40,380

know if you had you have a situation

295

00:12:44,030 --> 00:12:42,300

where the president is going up and he's

296

00:12:46,970 --> 00:12:44,040

talking about something unidentified in

297

00:12:50,990 --> 00:12:46,980

the sky you know it's it plays on a lot

298

00:12:52,850 --> 00:12:51,000

of people's triggers right and then you

299

00:12:56,870 --> 00:12:52,860

all you and then you have like a bunch

300

00:12:58,670 --> 00:12:56,880

of like super obvious like if not lies

301
00:13:01,490 --> 00:12:58,680
you know you've got propaganda and you

302
00:13:02,990 --> 00:13:01,500
got kind of double speak you know like

303
00:13:05,629 --> 00:13:03,000
oh it's about the size of car actually

304
00:13:07,069 --> 00:13:05,639
we don't know what it was oh it was a

305
00:13:09,170 --> 00:13:07,079
science balloon but you can't see

306
00:13:11,269 --> 00:13:09,180
anything for it oh we're going out to

307
00:13:13,190 --> 00:13:11,279
find the evidence you know we have

308
00:13:15,470 --> 00:13:13,200
search teams out there and then you know

309
00:13:16,850 --> 00:13:15,480
Ross was saying last night like I you

310
00:13:20,210 --> 00:13:16,860
know I was talking to people that were

311
00:13:22,129 --> 00:13:20,220
in Alaska like right where it came it

312
00:13:23,870 --> 00:13:22,139
supposedly came down and they said that

313
00:13:27,050 --> 00:13:23,880

there's no trace of anybody out there no

314

00:13:29,509 --> 00:13:27,060

helicopters right no search teams nobody

315

00:13:31,730 --> 00:13:29,519

even checked into you know the hotels

316

00:13:34,129 --> 00:13:31,740

around there you know they chat you know

317

00:13:36,650 --> 00:13:34,139

people checking and like there's no

318

00:13:41,090 --> 00:13:36,660

trace of anybody in these remote areas

319

00:13:43,250 --> 00:13:41,100

and you know and I so I understand you

320

00:13:44,990 --> 00:13:43,260

know there's and he was saying like you

321

00:13:46,910 --> 00:13:45,000

know what where's he and Jay were saying

322

00:13:49,790 --> 00:13:46,920

like well where's the answers here like

323

00:13:51,889 --> 00:13:49,800

who's pressing for the answers here and

324

00:13:55,730 --> 00:13:51,899

you know a lot of the implication being

325

00:13:57,050 --> 00:13:55,740

that that um that the the you know the

326

00:13:58,850 --> 00:13:57,060

media is super complacent which

327

00:14:02,690 --> 00:13:58,860

everybody knows they are every everybody

328

00:14:04,430 --> 00:14:02,700

knows that right and so and then and we

329

00:14:05,990 --> 00:14:04,440

can talk about why that is people often

330

00:14:08,449 --> 00:14:06,000

say oh it's project Mockingbird they're

331

00:14:11,410 --> 00:14:08,459

all controlled by the CIA or whatever

332

00:14:15,110 --> 00:14:11,420

this is all that's all like incredibly

333

00:14:16,970 --> 00:14:15,120

like over simplistic and superficial

334

00:14:19,430 --> 00:14:16,980

another thing to think about and with

335

00:14:21,170 --> 00:14:19,440

regard to the media is like most of the

336

00:14:23,990 --> 00:14:21,180

media are posted up in towns like this

337

00:14:26,210 --> 00:14:24,000

right where rent costs roughly three

338

00:14:28,490 --> 00:14:26,220

thousand dollars a month people get paid

339

00:14:30,769 --> 00:14:28,500

like three thousand two hundred dollars

340

00:14:32,329 --> 00:14:30,779

a month and then you know what they're

341

00:14:33,769 --> 00:14:32,339

gonna do they're gonna do whatever they

342

00:14:35,329 --> 00:14:33,779

need to do to keep their job you know

343

00:14:36,769 --> 00:14:35,339

like in most situations they're going to

344

00:14:39,110 --> 00:14:36,779

do what Their senior producer tells them

345

00:14:41,750 --> 00:14:39,120

it's not as if everybody that works in

346

00:14:43,610 --> 00:14:41,760

media is some card carrying agent like

347

00:14:44,990 --> 00:14:43,620

most of them are just desk jockeys that

348

00:14:46,250 --> 00:14:45,000

are like trying to pay their rent in

349

00:14:48,829 --> 00:14:46,260

Brooklyn or whatever you know what I

350

00:14:50,210 --> 00:14:48,839

mean very true and you have to kind of

351
00:14:51,590 --> 00:14:50,220
like if you want to gauge how they're

352
00:14:52,910 --> 00:14:51,600
going to treat this subject you just

353
00:14:56,090 --> 00:14:52,920
have to look at how they treat other

354
00:14:57,590 --> 00:14:56,100
subjects right uh yeah most of which and

355
00:14:59,990 --> 00:14:57,600
it's different for the different

356
00:15:01,610 --> 00:15:00,000
channels which first of all is a huge

357
00:15:03,949 --> 00:15:01,620
red flag that neither of them are

358
00:15:05,750 --> 00:15:03,959
actually covering the news they're both

359
00:15:08,269 --> 00:15:05,760
just shoveling propaganda on the

360
00:15:10,730 --> 00:15:08,279
American people to better their side's

361
00:15:12,110 --> 00:15:10,740
chances at winning of an election uh

362
00:15:14,090 --> 00:15:12,120
winning an election or making the other

363
00:15:16,189 --> 00:15:14,100

side look bad like that that's their

364

00:15:18,470 --> 00:15:16,199

whole real goal to be quite honest with

365

00:15:20,329 --> 00:15:18,480

you uh and then you look at other things

366

00:15:22,250 --> 00:15:20,339

like Havana syndrome like something came

367

00:15:24,170 --> 00:15:22,260

out about that today where they said we

368

00:15:26,569 --> 00:15:24,180

have no evidence of a foreign adversary

369

00:15:28,610 --> 00:15:26,579

with this stuff right and these people

370

00:15:31,430 --> 00:15:28,620

talking about it on the news don't even

371

00:15:34,129 --> 00:15:31,440

question anything you know they don't

372

00:15:36,350 --> 00:15:34,139

say well how do these people have brain

373

00:15:38,329 --> 00:15:36,360

scans that show damage

374

00:15:40,550 --> 00:15:38,339

right and they don't have an answer for

375

00:15:42,110 --> 00:15:40,560

it and they can't say it's a weapon or

376

00:15:43,269 --> 00:15:42,120

anything like that and then they

377

00:15:46,550 --> 00:15:43,279

actually

378

00:15:48,889 --> 00:15:46,560

facilitate the excuses given which is it

379

00:15:53,269 --> 00:15:48,899

was a variety of reasons from the

380

00:15:55,730 --> 00:15:53,279

weather to this condition here that all

381

00:15:58,550 --> 00:15:55,740

culminated to make this happen there's

382

00:16:01,129 --> 00:15:58,560

actual brain damage there's scans with

383

00:16:05,150 --> 00:16:01,139

brain damage and nobody talks about it

384

00:16:09,170 --> 00:16:05,160

Gary Nolan himself said the CIA gave him

385

00:16:12,470 --> 00:16:09,180

a hundred cases 90 of which all fell

386

00:16:15,530 --> 00:16:12,480

into the Havana syndrome file well how

387

00:16:19,370 --> 00:16:15,540

can he know that just based on brain

388

00:16:22,370 --> 00:16:19,380

scans because they show damage

389

00:16:25,610 --> 00:16:22,380

you know all similar damage so I mean

390

00:16:28,009 --> 00:16:25,620

it's like the the the media has to just

391

00:16:30,470 --> 00:16:28,019

be you know how Gary Nolan's saying like

392

00:16:32,210 --> 00:16:30,480

Mick West doesn't get the you know a

393

00:16:33,889 --> 00:16:32,220

part in the conversation anymore the

394

00:16:36,829 --> 00:16:33,899

media doesn't either as far as their

395

00:16:40,310 --> 00:16:36,839

opinion you know and and we need we need

396

00:16:42,710 --> 00:16:40,320

them uh to to help with this stuff but

397

00:16:44,269 --> 00:16:42,720

on the other hand would it even be taken

398

00:16:45,590 --> 00:16:44,279

seriously if the media covered it

399

00:16:47,470 --> 00:16:45,600

because I don't think anything they

400

00:16:51,949 --> 00:16:47,480

covered should really be taken seriously

401
00:16:54,350 --> 00:16:51,959
you know so but but I get it it's like

402
00:16:56,329 --> 00:16:54,360
but we're also in this uh area where

403
00:16:59,810 --> 00:16:56,339
people are looking more to like Twitter

404
00:17:01,670 --> 00:16:59,820
and YouTube and podcasts for actual news

405
00:17:04,250 --> 00:17:01,680
right yeah I think a lot of the reason

406
00:17:06,829 --> 00:17:04,260
people are on social media so much is to

407
00:17:09,470 --> 00:17:06,839
stay updated because the news can't do

408
00:17:12,169 --> 00:17:09,480
that you know but

409
00:17:15,230 --> 00:17:12,179
um you know there are some positives

410
00:17:17,150 --> 00:17:15,240
um with with the UFO stuff but I mean if

411
00:17:20,689 --> 00:17:17,160
we did we've discussed this before like

412
00:17:23,449 --> 00:17:20,699
you can't link your

413
00:17:28,370 --> 00:17:25,909

I just think it's unhealthy to to link

414

00:17:30,289 --> 00:17:28,380

yourself to any hopes of a disclosure

415

00:17:33,230 --> 00:17:30,299

from our government with UAP I think

416

00:17:35,570 --> 00:17:33,240

it's unhealthy and unrealistic I agree

417

00:17:37,909 --> 00:17:35,580

with you I 100 agree with you yeah

418

00:17:40,130 --> 00:17:37,919

Define your own route you know your own

419

00:17:42,650 --> 00:17:40,140

personal journey and through meditation

420

00:17:45,350 --> 00:17:42,660

or whatever it is and you have to be

421

00:17:47,990 --> 00:17:45,360

okay knowing that you may never have the

422

00:17:50,390 --> 00:17:48,000

answer you want I agree with you as well

423

00:17:52,490 --> 00:17:50,400

about that I mean it's like

424

00:17:54,529 --> 00:17:52,500

you know it's it's it's like a lot of

425

00:17:56,450 --> 00:17:54,539

things it's so like

426
00:17:59,210 --> 00:17:56,460
you know there there's an aspect to it

427
00:18:00,770 --> 00:17:59,220
that reminds me of

428
00:18:03,529 --> 00:18:00,780
you know when we're young we're we're

429
00:18:05,450 --> 00:18:03,539
taught that you know if you try hard

430
00:18:06,950 --> 00:18:05,460
enough you can do anything you can

431
00:18:08,810 --> 00:18:06,960
achieve anything and what and there's

432
00:18:10,669 --> 00:18:08,820
there's you know there's oh there's a

433
00:18:14,029 --> 00:18:10,679
lot of Truth to that and then there are

434
00:18:16,310 --> 00:18:14,039
also situations where you know people

435
00:18:18,169 --> 00:18:16,320
get settled with debt people end up

436
00:18:19,970 --> 00:18:18,179
having kids people get sidelined in

437
00:18:22,549 --> 00:18:19,980
their careers for you know Petty

438
00:18:25,250 --> 00:18:22,559

interpersonal politics at the office all

439

00:18:28,010 --> 00:18:25,260

sorts of situations like that and and

440

00:18:30,470 --> 00:18:28,020

you know it reminds me of like you know

441

00:18:32,210 --> 00:18:30,480

all the like I went to art school and

442

00:18:33,770 --> 00:18:32,220

then I I went to film school and then I

443

00:18:37,610 --> 00:18:33,780

started working as a TV producer right

444

00:18:40,250 --> 00:18:37,620

and like I I and I still paint you know

445

00:18:41,930 --> 00:18:40,260

what I mean I don't paint to because

446

00:18:43,909 --> 00:18:41,940

like I want to be a famous painter I

447

00:18:46,490 --> 00:18:43,919

paint because I like painting you know

448

00:18:48,470 --> 00:18:46,500

what I mean and I think yeah and I think

449

00:18:50,750 --> 00:18:48,480

that that's that's like

450

00:18:53,330 --> 00:18:50,760

in a lot of ways that's that's the kind

451

00:18:55,789 --> 00:18:53,340

of Route that's that's e that's

452

00:18:57,350 --> 00:18:55,799

the most helpful totally in terms of

453

00:19:00,470 --> 00:18:57,360

like just connect yourself from any

454

00:19:02,150 --> 00:19:00,480

expectations and enjoy the journey yeah

455

00:19:06,169 --> 00:19:02,160

right yeah right

456

00:19:07,490 --> 00:19:06,179

and um and I I so you know in that way I

457

00:19:11,090 --> 00:19:07,500

think that there's a lot there and I you

458

00:19:12,529 --> 00:19:11,100

know I there's so much that we can do in

459

00:19:15,529 --> 00:19:12,539

terms of like re-routing our

460

00:19:17,270 --> 00:19:15,539

expectations and also learning a lot you

461

00:19:19,909 --> 00:19:17,280

know there is a lot that we can learn

462

00:19:22,430 --> 00:19:19,919

about these Mysteries by going back to

463

00:19:24,770 --> 00:19:22,440

the literature by go by going back to

464

00:19:27,289 --> 00:19:24,780

the source and looking at it from a

465

00:19:29,570 --> 00:19:27,299

bunch of our own different angles and

466

00:19:31,430 --> 00:19:29,580

not and not worrying about like what

467

00:19:33,409 --> 00:19:31,440

Marco Rubio had for breakfast or

468

00:19:35,210 --> 00:19:33,419

whatever right and what whether that's

469

00:19:36,850 --> 00:19:35,220

going to impact is is you and any

470

00:19:39,350 --> 00:19:36,860

decision making or something like that

471

00:19:42,289 --> 00:19:39,360

you know the kind of like the the the

472

00:19:44,090 --> 00:19:42,299

the weird aspect of this too is this all

473

00:19:47,930 --> 00:19:44,100

could kind of be set up for a big

474

00:19:49,970 --> 00:19:47,940

deflation right like put everything onto

475

00:19:52,850 --> 00:19:49,980

this government thing have these people

476
00:19:54,710 --> 00:19:52,860
say these crazy things have them you

477
00:19:57,830 --> 00:19:54,720
know study it for a long time to come

478
00:20:00,650 --> 00:19:57,840
out and say there's nothing here folks

479
00:20:03,289 --> 00:20:00,660
you know yeah

480
00:20:05,330 --> 00:20:03,299
is is what everybody fears too you know

481
00:20:08,510 --> 00:20:05,340
but it's it's important for people to

482
00:20:11,510 --> 00:20:08,520
know that UAP UFOs whatever the [h__h] you

483
00:20:13,549 --> 00:20:11,520
want to call them are real they exist

484
00:20:15,890 --> 00:20:13,559
they're unidentified they're in the air

485
00:20:19,090 --> 00:20:15,900
we don't know what they are I've seen

486
00:20:22,070 --> 00:20:19,100
them with my own two eyes a couple times

487
00:20:24,529 --> 00:20:22,080
and I have not seen a replication of

488
00:20:28,070 --> 00:20:24,539

that anywhere online in any literature

489

00:20:31,070 --> 00:20:28,080

in any navy video any explanation from

490

00:20:33,169 --> 00:20:31,080

anyone on what it is it's real and

491

00:20:35,990 --> 00:20:33,179

that's something I have to live with

492

00:20:38,570 --> 00:20:36,000

for the rest of my life and I probably

493

00:20:40,730 --> 00:20:38,580

won't know what it is and it puts me in

494

00:20:43,190 --> 00:20:40,740

this awkward spot of I don't know how to

495

00:20:44,990 --> 00:20:43,200

live I don't know who to talk to I don't

496

00:20:47,270 --> 00:20:45,000

know if I should care about something

497

00:20:50,270 --> 00:20:47,280

that's bigger than myself or if I

498

00:20:52,130 --> 00:20:50,280

shouldn't it feels silly not to but it

499

00:20:55,190 --> 00:20:52,140

also feels silly searching for something

500

00:20:58,789 --> 00:20:55,200

I may never get answers on you know this

501
00:21:01,070 --> 00:20:58,799
is very hard situation but it's real and

502
00:21:03,049 --> 00:21:01,080
no matter what daddy is Gary Nolan's

503
00:21:05,810 --> 00:21:03,059
calls them the government tells you

504
00:21:09,350 --> 00:21:05,820
about balloons or what's Chinese or

505
00:21:11,930 --> 00:21:09,360
what's this it doesn't matter it's there

506
00:21:13,490 --> 00:21:11,940
is something out there that is real and

507
00:21:16,909 --> 00:21:13,500
you have to know that for yourself and

508
00:21:20,210 --> 00:21:16,919
have confidence in that and not rely on

509
00:21:21,470 --> 00:21:20,220
other people to make you feel okay with

510
00:21:25,010 --> 00:21:21,480
your thoughts

511
00:21:28,210 --> 00:21:25,020
yeah I agree and when I I think one

512
00:21:31,610 --> 00:21:28,220
thing is that when I when I think about

513
00:21:34,850 --> 00:21:31,620

what Ross was talking about I.E like

514

00:21:37,130 --> 00:21:34,860

people trying to pump the brakes on on

515

00:21:39,710 --> 00:21:37,140

disclosure rollout efforts

516

00:21:41,450 --> 00:21:39,720

um you know to make way for World War

517

00:21:43,669 --> 00:21:41,460

III or whatever

518

00:21:47,049 --> 00:21:43,679

um the potentiality of World War III I

519

00:21:53,330 --> 00:21:50,029

yeah I mean a it's a cop-out to me and B

520

00:21:57,049 --> 00:21:53,340

like if I'm reminded of what Ronald

521

00:22:00,110 --> 00:21:57,059

Reagan said in front of us right right

522

00:22:02,890 --> 00:22:00,120

where you said like like imagine if we

523

00:22:05,630 --> 00:22:02,900

knew about some other you know other

524

00:22:07,669 --> 00:22:05,640

civilization we like maybe we could all

525

00:22:09,409 --> 00:22:07,679

pull pull ourselves together and you

526

00:22:11,149 --> 00:22:09,419

know that's often interpreted as like a

527

00:22:14,270 --> 00:22:11,159

new world order situation or something

528

00:22:16,669 --> 00:22:14,280

like that uh globalism yada yada but

529

00:22:19,490 --> 00:22:16,679

like on the other hand I think you know

530

00:22:22,070 --> 00:22:19,500

I there's a lot of points of of Ronald

531

00:22:24,409 --> 00:22:22,080

Reagan's uh presidency that I completely

532

00:22:26,990 --> 00:22:24,419

think were a massive failure like

533

00:22:28,610 --> 00:22:27,000

trickle-down economics for example uh

534

00:22:31,549 --> 00:22:28,620

the Star Wars program all sorts of

535

00:22:33,890 --> 00:22:31,559

situations uh his his like completely

536

00:22:35,990 --> 00:22:33,900

ludicrous handling of the AIDS crisis

537

00:22:37,430 --> 00:22:36,000

and his homophobia there are so many

538

00:22:39,950 --> 00:22:37,440

things that are super problematic about

539

00:22:41,330 --> 00:22:39,960

Ronald Reagan he was great as an actor

540

00:22:43,850 --> 00:22:41,340

especially when he was paired with a

541

00:22:45,850 --> 00:22:43,860

monkey but as a president not so not so

542

00:22:47,690 --> 00:22:45,860

amazing well like

543

00:22:50,270 --> 00:22:47,700

but um

544

00:22:51,950 --> 00:22:50,280

but uh you know like I think that he did

545

00:22:54,289 --> 00:22:51,960

have a decent point though in terms of

546

00:22:57,230 --> 00:22:54,299

like in terms of uniting people and like

547

00:22:59,870 --> 00:22:57,240

maybe it's maybe it's also like a

548

00:23:03,470 --> 00:22:59,880

fantasy but you know I think a lot of

549

00:23:05,270 --> 00:23:03,480

people see a lot of situations coming to

550

00:23:06,770 --> 00:23:05,280

a head you know people talk about it all

551

00:23:10,090 --> 00:23:06,780

the time gosh it seems like there's a

552

00:23:12,590 --> 00:23:10,100

lot of stuff coming through a head yeah

553

00:23:15,770 --> 00:23:12,600

and then and then you think to yourself

554

00:23:18,649 --> 00:23:15,780

like is this the kind of like complete

555

00:23:22,070 --> 00:23:18,659

non-sequitur left field like

556

00:23:24,049 --> 00:23:22,080

a thing that could like completely knock

557

00:23:26,149 --> 00:23:24,059

people in the head and go like oh [h__\h]

558

00:23:29,450 --> 00:23:26,159

like I'm completely focused on the wrong

559

00:23:31,130 --> 00:23:29,460

wrong stuff right now like in terms of

560

00:23:33,830 --> 00:23:31,140

like Global instability or something

561

00:23:36,169 --> 00:23:33,840

like that you know like maybe it maybe

562

00:23:37,909 --> 00:23:36,179

it could do to do something towards

563

00:23:40,130 --> 00:23:37,919

getting people to pump the brakes on

564

00:23:42,649 --> 00:23:40,140

killing each other so easily

565

00:23:45,230 --> 00:23:42,659

um I think we need something to do that

566

00:23:48,529 --> 00:23:45,240

right I mean

567

00:23:50,090 --> 00:23:48,539

one nuclear bomb by one of these

568

00:23:52,310 --> 00:23:50,100

countries

569

00:23:54,710 --> 00:23:52,320

is like that's it man

570

00:23:56,990 --> 00:23:54,720

that's it you know like and why did we

571

00:24:00,529 --> 00:23:57,000

even freaking create these stupid things

572

00:24:03,950 --> 00:24:00,539

like who the hell did why would you do

573

00:24:05,930 --> 00:24:03,960

that you know any secret Access program

574

00:24:08,270 --> 00:24:05,940

that you have should have been geared

575

00:24:10,850 --> 00:24:08,280

towards making sure that what this

576

00:24:13,070 --> 00:24:10,860

person knows is possible doesn't get out

577

00:24:16,490 --> 00:24:13,080

to anyone else ever

578

00:24:18,710 --> 00:24:16,500

you know right like and he doesn't make

579

00:24:22,250 --> 00:24:18,720

it nobody else makes it like

580

00:24:24,350 --> 00:24:22,260

it's just disgusting and in so many ways

581

00:24:27,649 --> 00:24:24,360

like uh we deserve what we get because

582

00:24:30,590 --> 00:24:27,659

it make it stupid decisions uh off of uh

583

00:24:32,510 --> 00:24:30,600

like greed power decisions and and all

584

00:24:35,870 --> 00:24:32,520

that kind of stuff you know

585

00:24:38,090 --> 00:24:35,880

um it's uh yeah it's a shame but I mean

586

00:24:40,810 --> 00:24:38,100

I think uh like the the war thing or the

587

00:24:42,409 --> 00:24:40,820

war footing is a complete

588

00:24:44,810 --> 00:24:42,419

complete

589

00:24:46,610 --> 00:24:44,820

cop-out if these people are saying this

590

00:24:49,430 --> 00:24:46,620

like on the inside that Ross is talking

591

00:24:51,950 --> 00:24:49,440

to or or has or whatever if that's what

592

00:24:53,990 --> 00:24:51,960

they there's always freaking something

593

00:24:56,510 --> 00:24:54,000

dude there's always something there's

594

00:24:58,370 --> 00:24:56,520

always gonna be something just spit it

595

00:25:00,409 --> 00:24:58,380

out and why don't they spit it out I

596

00:25:03,350 --> 00:25:00,419

believe because they don't know

597

00:25:06,110 --> 00:25:03,360

that's what I think you know well yeah

598

00:25:08,090 --> 00:25:06,120

but and I mean but I also don't know

599

00:25:10,669 --> 00:25:08,100

that to be true but that but that's what

600

00:25:12,590 --> 00:25:10,679

I think so yeah and it's all there you

601
00:25:13,430 --> 00:25:12,600
know there are other challenges too I

602
00:25:16,789 --> 00:25:13,440
mean

603
00:25:18,890 --> 00:25:16,799
you know I like I want to make sure that

604
00:25:21,230 --> 00:25:18,900
I I don't wake up tomorrow feeling like

605
00:25:22,909 --> 00:25:21,240
I I got put in the microwave like a

606
00:25:25,310 --> 00:25:22,919
baked potato or something like that I'm

607
00:25:28,130 --> 00:25:25,320
half kidding but like I'm three quarters

608
00:25:31,549 --> 00:25:28,140
kidding I'm like 90 getting but like I

609
00:25:33,289 --> 00:25:31,559
you know one of the things with that you

610
00:25:35,810 --> 00:25:33,299
know to kind of put that issue to bed

611
00:25:38,390 --> 00:25:35,820
for a little bit uh at the outset is

612
00:25:40,549 --> 00:25:38,400
that people get so excited about you

613
00:25:44,049 --> 00:25:40,559

know you know Daddy government telling

614

00:25:47,210 --> 00:25:44,059

us that you know the reality of of

615

00:25:49,010 --> 00:25:47,220

extraterrestrials or or or recovered

616

00:25:51,230 --> 00:25:49,020

craft and all these other things and

617

00:25:53,330 --> 00:25:51,240

there's been like a lot of you know

618

00:25:55,669 --> 00:25:53,340

heavy duty behind the scenes promising

619

00:25:57,049 --> 00:25:55,679

about about some of that information

620

00:25:59,090 --> 00:25:57,059

coming to light in terms of

621

00:26:01,190 --> 00:25:59,100

whistleblowers totally sorts of stuff

622

00:26:03,049 --> 00:26:01,200

like that and and you know maybe that'll

623

00:26:05,750 --> 00:26:03,059

happen maybe that won't happen you know

624

00:26:08,990 --> 00:26:05,760

what I mean and um and one of the things

625

00:26:10,970 --> 00:26:09,000

that's really difficult about it is and

626

00:26:14,570 --> 00:26:10,980

again before kind of putting it to bed

627

00:26:18,470 --> 00:26:14,580

is that that people that that have like

628

00:26:21,350 --> 00:26:18,480

really challenging associations in terms

629

00:26:24,110 --> 00:26:21,360

of like where they work or who their

630

00:26:26,029 --> 00:26:24,120

associations are associated with

631

00:26:27,830 --> 00:26:26,039

um even they're frustrated for example

632

00:26:29,750 --> 00:26:27,840

like Eric Weinstein I was watching him

633

00:26:32,750 --> 00:26:29,760

on Joe Rogan the other day right and

634

00:26:36,049 --> 00:26:32,760

this guy you know super you know

635

00:26:38,570 --> 00:26:36,059

you know this you know he's he's like I

636

00:26:40,130 --> 00:26:38,580

somebody that I know um who I shouldn't

637

00:26:41,750 --> 00:26:40,140

name called him like the smartest stupid

638

00:26:43,549 --> 00:26:41,760

guy he's ever seen

639

00:26:47,149 --> 00:26:43,559

um he's like a really really brilliant

640

00:26:49,070 --> 00:26:47,159

no definitely namu said that that would

641

00:26:53,269 --> 00:26:49,080

be a really good idea yeah I know right

642

00:26:55,669 --> 00:26:53,279

but um but like um but you know he he

643

00:26:58,010 --> 00:26:55,679

essentially works for for a guy named

644

00:27:01,370 --> 00:26:58,020

Peter Thiel that who

645

00:27:03,710 --> 00:27:01,380

um is whose specialty is basically

646

00:27:05,690 --> 00:27:03,720

um you know data scraping you know he's

647

00:27:07,730 --> 00:27:05,700

he kind of runs he runs a bunch of these

648

00:27:10,549 --> 00:27:07,740

companies uh who I shouldn't name

649

00:27:13,610 --> 00:27:10,559

because it'll get tagged in in like uh

650

00:27:15,409 --> 00:27:13,620

in in the YouTube uh transcript of what

651
00:27:17,870 --> 00:27:15,419
we're talking about right now but you

652
00:27:19,970 --> 00:27:17,880
know it's it it's it's essentially the

653
00:27:21,529 --> 00:27:19,980
thing where whereby like everybody from

654
00:27:23,570 --> 00:27:21,539
the government to Target knows what

655
00:27:25,010 --> 00:27:23,580
you're talking about and like why they

656
00:27:27,649 --> 00:27:25,020
should be like advertising Teenage

657
00:27:30,230 --> 00:27:27,659
Mutant Ninja Turtles or like kid like

658
00:27:32,750 --> 00:27:30,240
kids backyard tents or moisturizer to

659
00:27:35,930 --> 00:27:32,760
you um you know five minutes after f

660
00:27:36,890 --> 00:27:35,940
after you said it right and um

661
00:27:43,850 --> 00:27:36,900
and

662
00:27:46,850 --> 00:27:43,860
complaining about how he's kind of been

663
00:27:48,230 --> 00:27:46,860

brought into the situation along with a

664

00:27:51,230 --> 00:27:48,240

few other kind of prominent

665

00:27:54,590 --> 00:27:51,240

intellectuals where it's like okay you

666

00:27:56,870 --> 00:27:54,600

know we need your help in rolling out

667

00:27:59,390 --> 00:27:56,880

this this topic to the general public

668

00:28:01,149 --> 00:27:59,400

right right we need your help and if

669

00:28:05,090 --> 00:28:01,159

you'd help if you do this with us

670

00:28:06,890 --> 00:28:05,100

eventually we're going to take you and

671

00:28:08,149 --> 00:28:06,900

Eric Weinstein said we'll take you to

672

00:28:10,070 --> 00:28:08,159

Colorado Springs you named Colorado

673

00:28:11,630 --> 00:28:10,080

Springs and he was like We'll have to

674

00:28:13,010 --> 00:28:11,640

like blindfold you we'll take you

675

00:28:15,409 --> 00:28:13,020

somewhere and we'll show you something

676

00:28:17,210 --> 00:28:15,419

that you will hardly even believe and

677

00:28:18,769 --> 00:28:17,220

you know there's like very strong but

678

00:28:19,730 --> 00:28:18,779

clear implications about what that would

679

00:28:21,590 --> 00:28:19,740

be right

680

00:28:23,930 --> 00:28:21,600

I mean you know there's a small list

681

00:28:26,450 --> 00:28:23,940

anyway I can fit them they don't they

682

00:28:27,049 --> 00:28:26,460

don't do anything to

683

00:28:30,649 --> 00:28:27,059

um

684

00:28:33,769 --> 00:28:30,659

they don't do anything to flower uh to

685

00:28:36,950 --> 00:28:33,779

water that flower right it's they don't

686

00:28:39,590 --> 00:28:36,960

dangle they don't give them anything to

687

00:28:41,690 --> 00:28:39,600

to keep him invested you know they're

688

00:28:44,210 --> 00:28:41,700

not like okay we get your impatience so

689

00:28:46,010 --> 00:28:44,220

you know here's this or check this out

690

00:28:49,190 --> 00:28:46,020

they don't do anything like that they

691

00:28:50,750 --> 00:28:49,200

just keep saying that to him so so what

692

00:28:52,250 --> 00:28:50,760

would be the reason for that you know

693

00:28:54,230 --> 00:28:52,260

just to get them to talk about it in

694

00:28:57,289 --> 00:28:54,240

public I guess I mean I don't I don't

695

00:29:01,029 --> 00:28:57,299

know I mean well well one thing is that

696

00:29:05,870 --> 00:29:03,590

there it seems that there are some

697

00:29:08,090 --> 00:29:05,880

serious psychological operations going

698

00:29:11,330 --> 00:29:08,100

on and I think that that's that's like

699

00:29:12,950 --> 00:29:11,340

almost completely you know that's that's

700

00:29:15,289 --> 00:29:12,960

kind of like the one of the many

701
00:29:17,750 --> 00:29:15,299
elephants in the room one elephant is

702
00:29:21,470 --> 00:29:17,760
that that prominent people are getting

703
00:29:25,130 --> 00:29:21,480
used in situations like this in kind of

704
00:29:26,870 --> 00:29:25,140
obvious weird ways right and this guy

705
00:29:28,250 --> 00:29:26,880
this was the other one Sam Harris was

706
00:29:31,510 --> 00:29:28,260
the other one and both of these people

707
00:29:34,310 --> 00:29:31,520
are known to be extraordinarily bright

708
00:29:37,370 --> 00:29:34,320
extraordinarily egotistical people

709
00:29:40,130 --> 00:29:37,380
right with like blazingly obvious

710
00:29:43,310 --> 00:29:40,140
personality flaws okay

711
00:29:44,830 --> 00:29:43,320
and then you promise them something and

712
00:29:46,610 --> 00:29:44,840
then you don't do it

713
00:29:48,769 --> 00:29:46,620

what do you think is going to happen

714

00:29:52,870 --> 00:29:48,779

what do you think's gonna happen they're

715

00:29:57,649 --> 00:29:55,070

yeah they're gonna go bitching about it

716

00:29:58,970 --> 00:29:57,659

so you know like uh like from the top of

717

00:30:00,950 --> 00:29:58,980

every Hilltop that they can find

718

00:30:04,610 --> 00:30:00,960

absolutely and that's that's what

719

00:30:06,289 --> 00:30:04,620

Weinstein does like uh just to to kind

720

00:30:08,149 --> 00:30:06,299

of uh talk a little bit about your

721

00:30:09,769 --> 00:30:08,159

psychological operations I mean because

722

00:30:13,190 --> 00:30:09,779

this is something that I've that I've

723

00:30:15,889 --> 00:30:13,200

hit uh pretty hard for for a while and I

724

00:30:18,409 --> 00:30:15,899

know it's vague but uh one of the things

725

00:30:21,470 --> 00:30:18,419

that the CIA was most interested in when

726
00:30:24,049 --> 00:30:21,480
they first talked about UFOs in 1952 was

727
00:30:26,389 --> 00:30:24,059
the ability to use it for psychological

728
00:30:28,010 --> 00:30:26,399
warfare offensively or defensively and

729
00:30:29,870 --> 00:30:28,020
how it could be used against them and

730
00:30:31,850 --> 00:30:29,880
how it could be created predicted or

731
00:30:33,110 --> 00:30:31,860
controlled to be used for that and these

732
00:30:34,850 --> 00:30:33,120
are all words straight from their

733
00:30:38,149 --> 00:30:34,860
documents so I'm not paraphrasing or

734
00:30:40,070 --> 00:30:38,159
making it up you know so you know I

735
00:30:42,889 --> 00:30:40,080
always have that in the back of my mind

736
00:30:45,350 --> 00:30:42,899
because that's such a that's such a

737
00:30:47,149 --> 00:30:45,360
selfish

738
00:30:49,310 --> 00:30:47,159

um thing to think about when you're

739

00:30:52,310 --> 00:30:49,320

confronted was a mystery like this is

740

00:30:54,769 --> 00:30:52,320

how can we use it to control other

741

00:30:57,230 --> 00:30:54,779

people and make them do what we want you

742

00:30:59,690 --> 00:30:57,240

know and I think that's what we're we're

743

00:31:01,070 --> 00:30:59,700

seeing some of that now I believe and I

744

00:31:03,230 --> 00:31:01,080

don't think

745

00:31:05,269 --> 00:31:03,240

um that one person is doing it versus

746

00:31:08,029 --> 00:31:05,279

another person or whatever I think

747

00:31:12,049 --> 00:31:08,039

they're a one flaw that humans have in

748

00:31:14,090 --> 00:31:12,059

general and and in the ufology is the

749

00:31:17,470 --> 00:31:14,100

inability to realize that multiple

750

00:31:22,190 --> 00:31:17,480

things can be true at one time you know

751
00:31:24,110 --> 00:31:22,200
that UAP can be real that Chinese is the

752
00:31:27,049 --> 00:31:24,120
China could have advanced Tech that

753
00:31:29,690 --> 00:31:27,059
lawyers in our sensitive area space you

754
00:31:31,970 --> 00:31:29,700
know that Lou Elizondo could be actually

755
00:31:33,590 --> 00:31:31,980
pushing for a real disclosure and have

756
00:31:35,630 --> 00:31:33,600
some of his own

757
00:31:37,730 --> 00:31:35,640
um you know

758
00:31:40,310 --> 00:31:37,740
um his own benefits of why he's doing

759
00:31:42,590 --> 00:31:40,320
that that aren't public you know that

760
00:31:45,169 --> 00:31:42,600
there's there can be multiple things

761
00:31:47,269 --> 00:31:45,179
that are true at the same time you know

762
00:31:50,029 --> 00:31:47,279
and we'll be able to fail to realize

763
00:31:52,549 --> 00:31:50,039

that wanna one of

764

00:31:54,409 --> 00:31:52,559

and to kind of hit that point home and

765

00:31:59,090 --> 00:31:54,419

use some

766

00:32:03,409 --> 00:31:59,100

um some actual UAP news right to hit

767

00:32:08,330 --> 00:32:05,810

and the the point that I'm talking about

768

00:32:11,570 --> 00:32:08,340

really is just to

769

00:32:15,470 --> 00:32:11,580

to show how

770

00:32:20,690 --> 00:32:15,480

there are different narratives pressing

771

00:32:22,010 --> 00:32:20,700

so hard right now on this topic and were

772

00:32:25,610 --> 00:32:22,020

you talking about the uh Washington

773

00:32:29,389 --> 00:32:25,620

examiner article yeah sure that one like

774

00:32:30,049 --> 00:32:29,399

so so we have the the first thing that I

775

00:32:31,730 --> 00:32:30,059

would

776

00:32:35,930 --> 00:32:31,740

kind of want to talk about is an

777

00:32:38,450 --> 00:32:35,940

anonymous sources okay all right so we

778

00:32:41,389 --> 00:32:38,460

have uh Jimmy Corbell George Knapp

779

00:32:44,450 --> 00:32:41,399

coming out with stuff and you know their

780

00:32:47,810 --> 00:32:44,460

their last episode of their it was like

781

00:32:50,090 --> 00:32:47,820

they threw everything at the wall like

782

00:32:52,669 --> 00:32:50,100

this secret program was run by this guy

783

00:32:54,950 --> 00:32:52,679

at EG and G at this time and I was told

784

00:32:58,370 --> 00:32:54,960

this and I was told that in all of it

785

00:33:01,010 --> 00:32:58,380

but none of it can be corroborated right

786

00:33:02,330 --> 00:33:01,020

and I'm not saying it's not true but

787

00:33:04,190 --> 00:33:02,340

we're not hearing it from the person

788

00:33:05,870 --> 00:33:04,200

we're hearing I heard this from this

789

00:33:09,649 --> 00:33:05,880

person I heard this from that person

790

00:33:11,990 --> 00:33:09,659

just like uh Jacques valet's Forbidden

791

00:33:14,149 --> 00:33:12,000

Science volume Five it's full of stuff

792

00:33:15,889 --> 00:33:14,159

like that right

793

00:33:18,110 --> 00:33:15,899

and I'm not saying it's not true I'm

794

00:33:20,090 --> 00:33:18,120

saying just that's what's being said you

795

00:33:22,789 --> 00:33:20,100

know so and then we have Ross coldheart

796

00:33:24,950 --> 00:33:22,799

coming out and saying that uh the Navy

797

00:33:29,029 --> 00:33:24,960

ratted out the Air Force for covering up

798

00:33:30,409 --> 00:33:29,039

UFOs right you know

799

00:33:32,450 --> 00:33:30,419

like people are just saying whatever

800

00:33:34,009 --> 00:33:32,460

they want and I'm not saying it's not

801
00:33:35,830 --> 00:33:34,019
true

802
00:33:38,090 --> 00:33:35,840
but I'm just telling you what's being

803
00:33:41,029 --> 00:33:38,100
thrown out there which is some of the

804
00:33:43,310 --> 00:33:41,039
more major stuff that we've heard since

805
00:33:45,230 --> 00:33:43,320
this has started a few years ago right

806
00:33:46,490 --> 00:33:45,240
so then we have all that and then we

807
00:33:49,789 --> 00:33:46,500
have

808
00:33:52,549 --> 00:33:49,799
okay slow down everybody it's Chinese

809
00:33:54,409 --> 00:33:52,559
right Washington examiner you know he's

810
00:33:57,830 --> 00:33:54,419
not exactly saying that but what he's

811
00:33:59,570 --> 00:33:57,840
saying in this article and

812
00:34:02,269 --> 00:33:59,580
um this is not one that I included in

813
00:34:04,009 --> 00:34:02,279

the details but of the the video or

814

00:34:06,590 --> 00:34:04,019

description but I will because it came

815

00:34:08,810 --> 00:34:06,600

up so last minute before the show but

816

00:34:11,329 --> 00:34:08,820

in this article

817

00:34:13,070 --> 00:34:11,339

and I'll post it in the chat so you can

818

00:34:13,790 --> 00:34:13,080

have it right now

819

00:34:16,010 --> 00:34:13,800

um

820

00:34:17,690 --> 00:34:16,020

I respect Tom Rogan I think he's a good

821

00:34:20,409 --> 00:34:17,700

journalist

822

00:34:25,930 --> 00:34:23,570

and here he goes saying that he's told

823

00:34:29,930 --> 00:34:25,940

by guess what

824

00:34:33,050 --> 00:34:29,940

Anonymous sources right that the UAP

825

00:34:34,490 --> 00:34:33,060

task force and Jay Stratton were

826

00:34:37,190 --> 00:34:34,500

covering up

827

00:34:40,310 --> 00:34:37,200

uh chat that some of these things were

828

00:34:45,770 --> 00:34:40,320

Chinese surveillance stuff in order to

829

00:34:47,089 --> 00:34:45,780

push extraordinary UFO uh encounters due

830

00:34:47,869 --> 00:34:47,099

to their

831

00:34:52,070 --> 00:34:47,879

um

832

00:34:54,050 --> 00:34:52,080

their bias right right yeah which none

833

00:34:56,270 --> 00:34:54,060

of that makes any sense

834

00:34:57,829 --> 00:34:56,280

to me and then Jay scratton actually

835

00:35:00,410 --> 00:34:57,839

comes out and says

836

00:35:02,930 --> 00:35:00,420

he commented in this article and said no

837

00:35:06,470 --> 00:35:02,940

that's not the case at all right

838

00:35:09,349 --> 00:35:06,480

so let's go backwards if we're to only

839

00:35:11,270 --> 00:35:09,359

use people that speak on the record

840

00:35:13,069 --> 00:35:11,280

we have Jay Stratton

841

00:35:14,630 --> 00:35:13,079

saying no right it's not the case and

842

00:35:17,329 --> 00:35:14,640

whoever is telling you that is trying to

843

00:35:19,190 --> 00:35:17,339

misinforming the American public

844

00:35:20,930 --> 00:35:19,200

yeah but how is anyone supposed to make

845

00:35:23,390 --> 00:35:20,940

sense of any of this when no one gives

846

00:35:26,210 --> 00:35:23,400

sources and like I could literally come

847

00:35:27,710 --> 00:35:26,220

out and say tomorrow like I got a phone

848

00:35:30,109 --> 00:35:27,720

call

849

00:35:33,170 --> 00:35:30,119

and I can't tell you who it was from

850

00:35:38,030 --> 00:35:33,180

right but

851
00:35:40,609 --> 00:35:38,040
aliens are coming to invade planet Earth

852
00:35:42,890 --> 00:35:40,619
yeah three months

853
00:35:46,849 --> 00:35:42,900
you know believe me fine but it's

854
00:35:49,970 --> 00:35:48,589
and why should that be treated any

855
00:35:51,050 --> 00:35:49,980
different than what anyone else is

856
00:35:54,349 --> 00:35:51,060
saying

857
00:35:56,089 --> 00:35:54,359
well um can I can I read the just so

858
00:35:58,609 --> 00:35:56,099
that we can contact you so that we can

859
00:35:59,329 --> 00:35:58,619
ground what we're talking about a little

860
00:36:01,430 --> 00:35:59,339
bit

861
00:36:02,810 --> 00:36:01,440
um do you mind if I read like two of the

862
00:36:04,190 --> 00:36:02,820
setup or

863
00:36:07,490 --> 00:36:04,200

um paragraphs from this Washington

864

00:36:09,170 --> 00:36:07,500

examiner yeah go ahead okay so the so

865

00:36:11,450 --> 00:36:09,180

the headline for those that are watching

866

00:36:13,490 --> 00:36:11,460

from home Congress told of likely

867

00:36:16,490 --> 00:36:13,500

Chinese spyballoon threat as early as

868

00:36:18,170 --> 00:36:16,500

2019 by Tom Rogan all right and this was

869

00:36:20,930 --> 00:36:18,180

published just earlier today just a

870

00:36:23,510 --> 00:36:20,940

couple hours ago uh as and it starts as

871

00:36:24,890 --> 00:36:23,520

far back as 2019 Navy officials briefed

872

00:36:26,329 --> 00:36:24,900

certain members of the Congressional

873

00:36:28,310 --> 00:36:26,339

armed services and intelligence

874

00:36:30,290 --> 00:36:28,320

committees that some strange UFOs had

875

00:36:32,329 --> 00:36:30,300

strong potential to be conventional

876

00:36:35,270 --> 00:36:32,339

Counter Intelligence related security

877

00:36:37,490 --> 00:36:35,280

sets the Washington examiner has learned

878

00:36:38,750 --> 00:36:37,500

Congress was also told repeatedly that

879

00:36:41,329 --> 00:36:38,760

the primary purpose of Navy

880

00:36:43,970 --> 00:36:41,339

investigations was not to look for UFOs

881

00:36:46,849 --> 00:36:43,980

but to address flight safety concerns

882

00:36:48,829 --> 00:36:46,859

a number of personnel speaking to the

883

00:36:51,589 --> 00:36:48,839

Washington examiner on the condition of

884

00:36:54,349 --> 00:36:51,599

anonymity say that they believe that the

885

00:36:56,750 --> 00:36:54,359

leadership of the now defunct UAP task

886

00:36:59,510 --> 00:36:56,760

force co-opted reports of what were

887

00:37:01,550 --> 00:36:59,520

likely foreign Espionage tools involving

888

00:37:03,650 --> 00:37:01,560

small balloons or drones in order to

889

00:37:06,290 --> 00:37:03,660

characterize them as extraordinary for

890

00:37:08,089 --> 00:37:06,300

purposes of personal bias they believe

891

00:37:09,950 --> 00:37:08,099

that military flight Crews were

892

00:37:12,050 --> 00:37:09,960

sometimes ill-served by the manner in

893

00:37:14,450 --> 00:37:12,060

which their witness reporting was later

894

00:37:16,790 --> 00:37:14,460

presented by the UAP task force as

895

00:37:18,349 --> 00:37:16,800

evidence of truly extraordinary rather

896

00:37:20,810 --> 00:37:18,359

than more conventionally explainable

897

00:37:23,870 --> 00:37:20,820

UFOs belonging to a foreign government

898

00:37:26,089 --> 00:37:23,880

now yeah I agree with you like you know

899

00:37:28,010 --> 00:37:26,099

this you know that nothing about this

900

00:37:30,730 --> 00:37:28,020

article makes

901
00:37:33,829 --> 00:37:30,740
um conventional sense in a lot of ways

902
00:37:35,690 --> 00:37:33,839
especially you know okay it's Tom Rogan

903
00:37:38,329 --> 00:37:35,700
he likes kind of dipping his toe into

904
00:37:40,609 --> 00:37:38,339
the oap space and then he and then he

905
00:37:42,950 --> 00:37:40,619
puts out something like this you know

906
00:37:44,870 --> 00:37:42,960
saying like sources tell me that you

907
00:37:47,810 --> 00:37:44,880
know that that this was personal bias or

908
00:37:51,050 --> 00:37:47,820
something like that and okay

909
00:37:53,750 --> 00:37:51,060
you know I think one thing to to to

910
00:37:56,210 --> 00:37:53,760
mention here before like before we go

911
00:37:59,510 --> 00:37:56,220
further into this conversation is that

912
00:38:02,089 --> 00:37:59,520
you're dealing with a bunch of people

913
00:38:04,150 --> 00:38:02,099

including Tom Rogan including Jay

914

00:38:09,290 --> 00:38:04,160

Stratton even

915

00:38:12,349 --> 00:38:09,300

that have worked or currently work

916

00:38:14,630 --> 00:38:12,359

as PR agents or essentially like

917

00:38:16,970 --> 00:38:14,640

public-facing members

918

00:38:19,190 --> 00:38:16,980

uh representing defense contractors

919

00:38:21,890 --> 00:38:19,200

right

920

00:38:24,770 --> 00:38:21,900

I mean you know like Tom Rogan didn't he

921

00:38:27,950 --> 00:38:24,780

work for Jane's defense Weekly right and

922

00:38:30,310 --> 00:38:27,960

like and so this is like this is he was

923

00:38:33,109 --> 00:38:30,320

like a journalist for you know

924

00:38:36,950 --> 00:38:33,119

essentially like like not just defense

925

00:38:38,870 --> 00:38:36,960

contractors but but but PR firms that

926

00:38:40,790 --> 00:38:38,880

work with defense contractors this is

927

00:38:43,790 --> 00:38:40,800

the this is their big this is their big

928

00:38:46,310 --> 00:38:43,800

publication and then you know he's he's

929

00:38:48,950 --> 00:38:46,320

you know starting a kind of a pissing

930

00:38:50,690 --> 00:38:48,960

match and with Jay Stratton who works

931

00:38:53,210 --> 00:38:50,700

for radiance Technologies which is

932

00:38:56,030 --> 00:38:53,220

another defense contractor the and and

933

00:38:59,030 --> 00:38:56,040

both of these people you know are are

934

00:39:00,849 --> 00:38:59,040

completely surrounded in in their

935

00:39:04,310 --> 00:39:00,859

professional and their personal lives

936

00:39:06,710 --> 00:39:04,320

assuming with people that make their

937

00:39:08,630 --> 00:39:06,720

money by getting contracts from the

938

00:39:12,829 --> 00:39:08,640

federal government for secret projects

939

00:39:15,109 --> 00:39:12,839

right yeah and and so like where like

940

00:39:16,849 --> 00:39:15,119

you have to completely watch like who

941

00:39:18,230 --> 00:39:16,859

Butters their bread who brought it

942

00:39:21,050 --> 00:39:18,240

Butters any of these people's bread

943

00:39:23,270 --> 00:39:21,060

right and like if you're gonna if you're

944

00:39:25,609 --> 00:39:23,280

just gonna sit and and like this is why

945

00:39:28,609 --> 00:39:25,619

people get frustrated this is why Ross

946

00:39:32,710 --> 00:39:28,619

is sad you know we have to work on

947

00:39:40,910 --> 00:39:36,109

and part of that is don't is don't like

948

00:39:43,370 --> 00:39:40,920

is to not to not get like snowed out to

949

00:39:47,270 --> 00:39:43,380

not to not lose yourself by just

950

00:39:49,130 --> 00:39:47,280

listening to these Spin Doctors you know

951
00:39:51,589 --> 00:39:49,140
what I mean even even if they're Spin

952
00:39:53,990 --> 00:39:51,599
Doctors that you like you know what I

953
00:39:55,670 --> 00:39:54,000
mean because that's that's what these

954
00:39:58,010 --> 00:39:55,680
people that's like what this whole

955
00:40:01,490 --> 00:39:58,020
operation is about this is like this is

956
00:40:03,770 --> 00:40:01,500
like how cable news happen is that is

957
00:40:06,410 --> 00:40:03,780
that you know people figured out that if

958
00:40:07,910 --> 00:40:06,420
you have two teams of Spin Doctors that

959
00:40:10,370 --> 00:40:07,920
are yelling at each other all the time

960
00:40:11,930 --> 00:40:10,380
and they represent opposite sides but

961
00:40:14,950 --> 00:40:11,940
they're yeah they're both kind of like

962
00:40:17,630 --> 00:40:14,960
paid for by similar by similar people

963
00:40:19,490 --> 00:40:17,640

then you know people get lost in a fog

964

00:40:22,609 --> 00:40:19,500

of War right totally

965

00:40:24,170 --> 00:40:22,619

and um and so that I think is exactly

966

00:40:26,390 --> 00:40:24,180

what's happening in a situation like

967

00:40:28,430 --> 00:40:26,400

that article where it's like in some

968

00:40:30,170 --> 00:40:28,440

ways it's like listening to Richard Doty

969

00:40:31,609 --> 00:40:30,180

or something like that you're better off

970

00:40:34,670 --> 00:40:31,619

not even looking at it in the first

971

00:40:35,569 --> 00:40:34,680

place totally very very tamed down but

972

00:40:39,770 --> 00:40:35,579

yeah

973

00:40:42,609 --> 00:40:39,780

but essentially

974

00:40:45,650 --> 00:40:42,619

the same the same thing right totally

975

00:40:47,329 --> 00:40:45,660

and yeah and no one has a source that'll

976

00:40:50,329 --> 00:40:47,339

go on record and say any of this [h__\h]

977

00:40:52,010 --> 00:40:50,339

you know which which is to me when that

978

00:40:54,170 --> 00:40:52,020

happens

979

00:40:56,329 --> 00:40:54,180

um I treat it like a sports fan right

980

00:40:58,730 --> 00:40:56,339

like I'm watching the game

981

00:41:01,490 --> 00:40:58,740

right but none of the teams playing are

982

00:41:03,770 --> 00:41:01,500

my home team so I'm not really invested

983

00:41:07,490 --> 00:41:03,780

in it but I'm still watching because I

984

00:41:09,530 --> 00:41:07,500

like football yeah yeah yeah so that's

985

00:41:12,890 --> 00:41:09,540

how this works for me like I'm watching

986

00:41:15,109 --> 00:41:12,900

this happen but I'm not gonna go invest

987

00:41:17,930 --> 00:41:15,119

my emotions or anything in a story

988

00:41:19,670 --> 00:41:17,940

somebody says that has no proof or uses

989

00:41:23,089 --> 00:41:19,680

an anonymous source I'm not going to do

990

00:41:25,730 --> 00:41:23,099

it and trust me I want to because

991

00:41:27,230 --> 00:41:25,740

I've seen stuff that is really weird to

992

00:41:29,210 --> 00:41:27,240

me and I would like to have an

993

00:41:31,310 --> 00:41:29,220

explanation for it and it would be very

994

00:41:33,170 --> 00:41:31,320

easy for me

995

00:41:35,870 --> 00:41:33,180

um well actually very difficult for me

996

00:41:39,050 --> 00:41:35,880

personally but other people

997

00:41:41,630 --> 00:41:39,060

um it would be very easy for them to

998

00:41:43,849 --> 00:41:41,640

latch on to some of this stuff to make

999

00:41:47,690 --> 00:41:43,859

them feel better about it you know yeah

1000

00:41:49,609 --> 00:41:47,700

like okay here's the anonymous source

1001
00:41:51,290 --> 00:41:49,619
that says that um you know

1002
00:41:53,630 --> 00:41:51,300
interdimensionals are flying around our

1003
00:41:56,750 --> 00:41:53,640
airspace I believe it

1004
00:41:58,730 --> 00:41:56,760
I'm going with it I'm investing it you

1005
00:42:01,430 --> 00:41:58,740
know because it makes you feel better or

1006
00:42:02,150 --> 00:42:01,440
whatever but but you just can't

1007
00:42:04,670 --> 00:42:02,160
um

1008
00:42:07,250 --> 00:42:04,680
oh you know and I kind of draw on my my

1009
00:42:09,050 --> 00:42:07,260
history my like work history too with

1010
00:42:10,849 --> 00:42:09,060
this stuff like I've been a manager in

1011
00:42:13,550 --> 00:42:10,859
the workforce since I work started

1012
00:42:14,990 --> 00:42:13,560
working you know like um worked for a

1013
00:42:16,490 --> 00:42:15,000

couple of years was promoted to a

1014

00:42:18,530 --> 00:42:16,500

manager ever since I've always been a

1015

00:42:20,150 --> 00:42:18,540

manager so we're talking you know 25

1016

00:42:22,310 --> 00:42:20,160

years of management experience or

1017

00:42:25,130 --> 00:42:22,320

whatever

1018

00:42:27,530 --> 00:42:25,140

um maybe a little less but if so if an

1019

00:42:29,270 --> 00:42:27,540

employee came up to me and said that uh

1020

00:42:32,270 --> 00:42:29,280

you know such and such

1021

00:42:36,170 --> 00:42:32,280

did this to this person

1022

00:42:38,630 --> 00:42:36,180

right do I just go up to such and such

1023

00:42:41,210 --> 00:42:38,640

and say you're fired or write them up no

1024

00:42:43,190 --> 00:42:41,220

I don't do that you know because I don't

1025

00:42:44,810 --> 00:42:43,200

have proof of that say okay I'm gonna

1026
00:42:46,250 --> 00:42:44,820
take your story I'll talk to this other

1027
00:42:48,950 --> 00:42:46,260
person

1028
00:42:51,050 --> 00:42:48,960
but if no evidence comes out

1029
00:42:53,030 --> 00:42:51,060
I can't do anything on it you know if

1030
00:42:55,069 --> 00:42:53,040
you want to prove something to me you

1031
00:42:57,530 --> 00:42:55,079
have to show me an example you know and

1032
00:42:59,870 --> 00:42:57,540
if you can't do that I can't act on it

1033
00:43:02,569 --> 00:42:59,880
and it's no different here you know with

1034
00:43:05,870 --> 00:43:02,579
like if you can't show me proof or if

1035
00:43:07,970 --> 00:43:05,880
you can't if the guy in charge doesn't

1036
00:43:09,829 --> 00:43:07,980
come out on record and say it from the

1037
00:43:12,170 --> 00:43:09,839
government like I can't I can't believe

1038
00:43:14,089 --> 00:43:12,180

it and even then I you know I can only

1039

00:43:16,250 --> 00:43:14,099

have believe it because they work for

1040

00:43:18,950 --> 00:43:16,260

the government and

1041

00:43:21,710 --> 00:43:18,960

their job is to lie pretty much yeah so

1042

00:43:23,390 --> 00:43:21,720

yeah and obfuscate truth so

1043

00:43:25,069 --> 00:43:23,400

yeah it's very difficult and I can see

1044

00:43:27,829 --> 00:43:25,079

why people are so

1045

00:43:29,569 --> 00:43:27,839

um disappointed or whatever and but you

1046

00:43:32,089 --> 00:43:29,579

know you gotta just take a step back you

1047

00:43:34,670 --> 00:43:32,099

gotta emotionally detach from this stuff

1048

00:43:37,730 --> 00:43:34,680

it's just not healthy you know it's true

1049

00:43:42,829 --> 00:43:37,740

or and or you know find find another

1050

00:43:46,490 --> 00:43:42,839

tether right I mean like yeah great

1051
00:43:48,530 --> 00:43:46,500
like I mean this weekend I did like you

1052
00:43:50,329 --> 00:43:48,540
know I take I I I'm in a lot of book

1053
00:43:52,430 --> 00:43:50,339
clubs right I run a book club on the

1054
00:43:54,170 --> 00:43:52,440
experiencer group we do UAP book club

1055
00:43:56,150 --> 00:43:54,180
with Priscilla on her channel on our

1056
00:43:58,490 --> 00:43:56,160
Quantum with Channel about once a month

1057
00:44:01,849 --> 00:43:58,500
you know and um

1058
00:44:04,870 --> 00:44:01,859
and like this this last weekend we

1059
00:44:07,670 --> 00:44:04,880
covered uh the supernatural by Whitney

1060
00:44:11,089 --> 00:44:07,680
right it's a really really great book

1061
00:44:13,430 --> 00:44:11,099
and it outlines a lot it's actually it's

1062
00:44:16,309 --> 00:44:13,440
fantastic it was also edited by Mitch

1063
00:44:17,930 --> 00:44:16,319

Horowitz which makes it even that oh

1064

00:44:20,930 --> 00:44:17,940

like a level cooler than it already was

1065

00:44:22,790 --> 00:44:20,940

in some ways but uh it's you know in

1066

00:44:25,609 --> 00:44:22,800

large form it's it's about like how do

1067

00:44:27,589 --> 00:44:25,619

you think how do you look at your

1068

00:44:30,890 --> 00:44:27,599

anomalous experiences or how do you look

1069

00:44:32,990 --> 00:44:30,900

at you know the the the the anomalous

1070

00:44:34,730 --> 00:44:33,000

studies the Paranormal UAP issues in

1071

00:44:36,530 --> 00:44:34,740

general like what are different like

1072

00:44:40,309 --> 00:44:36,540

strategies for how to think about it

1073

00:44:43,550 --> 00:44:40,319

without going crazy and and and like and

1074

00:44:45,109 --> 00:44:43,560

and without kind of like getting hung up

1075

00:44:46,609 --> 00:44:45,119

on like the government military

1076

00:44:48,950 --> 00:44:46,619

disclosure angle and stuff like that

1077

00:44:51,109 --> 00:44:48,960

this whole book is basically about that

1078

00:44:54,130 --> 00:44:51,119

issue about like how do you go about it

1079

00:44:57,770 --> 00:44:54,140

without without losing your mind and um

1080

00:44:59,809 --> 00:44:57,780

yeah it's great you know and and they're

1081

00:45:02,630 --> 00:44:59,819

they're are all sorts of wonderful

1082

00:45:04,309 --> 00:45:02,640

strategies in here you know from from

1083

00:45:06,530 --> 00:45:04,319

some Brilliant Minds about how to do

1084

00:45:08,390 --> 00:45:06,540

that and then like you know another book

1085

00:45:10,069 --> 00:45:08,400

that I've been reading lately is called

1086

00:45:12,890 --> 00:45:10,079

Deep weird this came out just last month

1087

00:45:14,569 --> 00:45:12,900

it's edited by Jackson who I'd love to

1088

00:45:17,870 --> 00:45:14,579

get on the show by the way he's an

1089

00:45:20,630 --> 00:45:17,880

anthropologist and um and uh Jeff

1090

00:45:21,950 --> 00:45:20,640

kreypels in this Sharon Hewitt rowlettes

1091

00:45:23,990 --> 00:45:21,960

in this

1092

00:45:26,750 --> 00:45:24,000

um Joshua kutchen who's a really great

1093

00:45:29,030 --> 00:45:26,760

uh writer Anthony Peake all sorts of

1094

00:45:31,130 --> 00:45:29,040

folks and so it's it's called Deep weird

1095

00:45:33,950 --> 00:45:31,140

the varieties of high strangeness

1096

00:45:36,730 --> 00:45:33,960

experience and and each each author in

1097

00:45:39,349 --> 00:45:36,740

here is like writing about a different

1098

00:45:42,730 --> 00:45:39,359

aspect so you're talking about

1099

00:45:46,430 --> 00:45:42,740

near-death experiences out of body

1100

00:45:49,970 --> 00:45:46,440

poltergeists like um uh like high

1101
00:45:50,930 --> 00:45:49,980
strangers Founders in general so you're

1102
00:45:52,010 --> 00:45:50,940
so

1103
00:45:54,109 --> 00:45:52,020
um

1104
00:45:56,750 --> 00:45:54,119
years that's

1105
00:46:00,650 --> 00:45:56,760
that's so true like uh find another

1106
00:46:02,450 --> 00:46:00,660
tattoo like get out of here and and go

1107
00:46:05,089 --> 00:46:02,460
read a book about something that's

1108
00:46:07,130 --> 00:46:05,099
interesting to you with this or you know

1109
00:46:09,349 --> 00:46:07,140
find out about some other aspect that

1110
00:46:11,990 --> 00:46:09,359
that you can connect to or you know that

1111
00:46:13,190 --> 00:46:12,000
you want to look for or whatever like

1112
00:46:16,250 --> 00:46:13,200
find

1113
00:46:18,950 --> 00:46:16,260

you need to create a space for you to

1114

00:46:21,829 --> 00:46:18,960

find pleasure in the topic and not have

1115

00:46:24,349 --> 00:46:21,839

it suck the life out of you right yeah

1116

00:46:26,630 --> 00:46:24,359

because just attaching expectations to

1117

00:46:29,150 --> 00:46:26,640

the US government is just not a good

1118

00:46:32,870 --> 00:46:29,160

idea that's terrible that's a terrible

1119

00:46:36,290 --> 00:46:32,880

idea yeah or the media or major media

1120

00:46:37,910 --> 00:46:36,300

yeah right and like um and one of the

1121

00:46:40,130 --> 00:46:37,920

things that I mean I really really

1122

00:46:42,230 --> 00:46:40,140

enjoyed for example like talking to

1123

00:46:44,150 --> 00:46:42,240

Chris allback last last week yeah

1124

00:46:46,370 --> 00:46:44,160

absolutely fantastic partially because

1125

00:46:48,230 --> 00:46:46,380

the guy doesn't do that many interviews

1126
00:46:51,109 --> 00:46:48,240
partially because he's such a bright guy

1127
00:46:53,569 --> 00:46:51,119
but you know like a huge part of it is

1128
00:46:55,790 --> 00:46:53,579
just about how much it he's based on

1129
00:46:57,950 --> 00:46:55,800
historical cases and he basically

1130
00:47:00,890 --> 00:46:57,960
doesn't pay attention to any case that

1131
00:47:02,809 --> 00:47:00,900
happened after 1947. he just doesn't and

1132
00:47:05,450 --> 00:47:02,819
that's that's his whole thing right

1133
00:47:07,250 --> 00:47:05,460
that's awesome and it's awesome it's so

1134
00:47:10,309 --> 00:47:07,260
awesome you know what I mean he and like

1135
00:47:13,010 --> 00:47:10,319
he prefers ones before cases from before

1136
00:47:14,630 --> 00:47:13,020
we even had flight figured out right he

1137
00:47:15,470 --> 00:47:14,640
prefers cases that are pre-write

1138
00:47:17,990 --> 00:47:15,480

brothers

1139

00:47:19,309 --> 00:47:18,000

and I think that's that's amazing you

1140

00:47:22,490 --> 00:47:19,319

know what I mean and it's a wonderful

1141

00:47:24,290 --> 00:47:22,500

way to like situate your brain into a

1142

00:47:26,750 --> 00:47:24,300

space that can where you can kind of

1143

00:47:28,910 --> 00:47:26,760

like re-engage with the Wonder and the

1144

00:47:30,950 --> 00:47:28,920

Mystery of the situation rather than

1145

00:47:32,630 --> 00:47:30,960

getting hung up on on like what happened

1146

00:47:34,550 --> 00:47:32,640

just last week or what you're

1147

00:47:36,410 --> 00:47:34,560

anticipating next week and in the scene

1148

00:47:38,870 --> 00:47:36,420

or something like that which is what so

1149

00:47:41,270 --> 00:47:38,880

many people in our field you know like

1150

00:47:44,089 --> 00:47:41,280

there's a consistent living in the

1151
00:47:47,030 --> 00:47:44,099
present that can be that can burn people

1152
00:47:49,190 --> 00:47:47,040
out pretty pretty easily totally because

1153
00:47:51,650 --> 00:47:49,200
it doesn't give you what you need right

1154
00:47:53,450 --> 00:47:51,660
like you need the positive thing to

1155
00:47:55,550 --> 00:47:53,460
happen or whatever so much so that

1156
00:47:57,770 --> 00:47:55,560
you'll take a wild story from somebody

1157
00:47:58,930 --> 00:47:57,780
who won't put their name on it and

1158
00:48:01,130 --> 00:47:58,940
believe it is real

1159
00:48:04,370 --> 00:48:01,140
[Laughter]

1160
00:48:07,430 --> 00:48:04,380
right because you need that so bad but

1161
00:48:13,370 --> 00:48:09,950
none of it's easy

1162
00:48:15,470 --> 00:48:13,380
um you just watch it watch it but uh

1163
00:48:17,210 --> 00:48:15,480

when it becomes unhealthy like you gotta

1164

00:48:19,490 --> 00:48:17,220

step away because none of it's going

1165

00:48:21,890 --> 00:48:19,500

anywhere right like if we never do a

1166

00:48:24,770 --> 00:48:21,900

show again like whatever's happening

1167

00:48:31,510 --> 00:48:24,780

right now that'll that'll continue to go

1168

00:48:39,650 --> 00:48:37,089

I'm just saying but uh yeah so

1169

00:48:41,210 --> 00:48:39,660

here's a here's a good question are

1170

00:48:43,910 --> 00:48:41,220

there any are there things that you're

1171

00:48:45,650 --> 00:48:43,920

excited about this year with three like

1172

00:48:49,490 --> 00:48:45,660

that that are coming up this year that

1173

00:48:50,569 --> 00:48:49,500

are vaguely related or not to uh to the

1174

00:48:52,970 --> 00:48:50,579

field

1175

00:48:55,790 --> 00:48:52,980

um that that you're anticipating that

1176

00:48:58,609 --> 00:48:55,800

actually you feel positive about rather

1177

00:49:00,470 --> 00:48:58,619

than rather than that like torture of

1178

00:49:03,530 --> 00:49:00,480

existential dread that Ross cultart was

1179

00:49:07,190 --> 00:49:03,540

talking about yesterday yeah well uh I

1180

00:49:09,290 --> 00:49:07,200

look forward to just learning uh more

1181

00:49:10,849 --> 00:49:09,300

about you know different kinds of

1182

00:49:13,250 --> 00:49:10,859

phenomenons

1183

00:49:17,390 --> 00:49:13,260

um and just learning more about the the

1184

00:49:20,030 --> 00:49:17,400

people in the space I I prefer to

1185

00:49:23,150 --> 00:49:20,040

you know take my time with stuff all

1186

00:49:25,730 --> 00:49:23,160

that kind of stuff uh find patterns read

1187

00:49:28,250 --> 00:49:25,740

new books like this this latest book

1188

00:49:28,910 --> 00:49:28,260

that I that I read

1189

00:49:32,030 --> 00:49:28,920

um

1190

00:49:34,510 --> 00:49:32,040

was about a fake Alien Invasion you know

1191

00:49:36,890 --> 00:49:34,520

and it was written in the 60s

1192

00:49:39,890 --> 00:49:36,900

by a guy who had a lot to do with

1193

00:49:41,870 --> 00:49:39,900

anti-gravity and all that so that's a

1194

00:49:43,609 --> 00:49:41,880

good book I want to finish uh Jacques

1195

00:49:46,910 --> 00:49:43,619

Valley's book so all the stuff I get

1196

00:49:48,530 --> 00:49:46,920

excited about is just a self education

1197

00:49:51,349 --> 00:49:48,540

you know

1198

00:49:52,730 --> 00:49:51,359

um and wherever my interest goes I'm

1199

00:49:55,849 --> 00:49:52,740

looking forward to starting a softball

1200

00:49:58,370 --> 00:49:55,859

team called the flying saucers so uh

1201

00:50:00,109 --> 00:49:58,380

that sounds amazing

1202

00:50:02,150 --> 00:50:00,119

that's wait is that something that

1203

00:50:04,130 --> 00:50:02,160

you're actually doing or I would like to

1204

00:50:06,829 --> 00:50:04,140

yeah I've played softball every year but

1205

00:50:08,329 --> 00:50:06,839

when kova did I stopped so

1206

00:50:10,609 --> 00:50:08,339

um but I want to start up again because

1207

00:50:11,930 --> 00:50:10,619

it made me really happy so

1208

00:50:14,390 --> 00:50:11,940

you know

1209

00:50:16,790 --> 00:50:14,400

um none of my happiness is going to be

1210

00:50:19,130 --> 00:50:16,800

attached to a government disclosure I'll

1211

00:50:21,410 --> 00:50:19,140

tell you that much yeah I'll tell you

1212

00:50:23,210 --> 00:50:21,420

that much right now

1213

00:50:25,790 --> 00:50:23,220

um and

1214

00:50:26,930 --> 00:50:25,800

um so you know and continuing I get most

1215

00:50:30,050 --> 00:50:26,940

excited

1216

00:50:33,650 --> 00:50:30,060

about doing shows like this whether it

1217

00:50:38,210 --> 00:50:33,660

be with you or a guest or doing like a

1218

00:50:41,089 --> 00:50:38,220

uh you know a document show or whatever

1219

00:50:41,930 --> 00:50:41,099

um that's what I get excited about doing

1220

00:50:43,730 --> 00:50:41,940

um

1221

00:50:45,230 --> 00:50:43,740

because that's for my happiness is my

1222

00:50:48,410 --> 00:50:45,240

happiness isn't

1223

00:50:52,549 --> 00:50:48,420

you know if we get another comment from

1224

00:50:54,950 --> 00:50:52,559

Marco Rubio or or whatever about how UAP

1225

00:50:55,790 --> 00:50:54,960

some are pretty wacky weird stuff you

1226

00:51:00,230 --> 00:50:55,800

know

1227

00:51:03,290 --> 00:51:00,240

second of all it's really hard for me to

1228

00:51:05,150 --> 00:51:03,300

take anything at face value when when um

1229

00:51:07,309 --> 00:51:05,160

there's so much [h__h] going on in the

1230

00:51:08,809 --> 00:51:07,319

world you know and and who knows what

1231

00:51:09,950 --> 00:51:08,819

people's intentions are and why things

1232

00:51:12,410 --> 00:51:09,960

are happening

1233

00:51:13,730 --> 00:51:12,420

so

1234

00:51:15,710 --> 00:51:13,740

um that's what I get excited about what

1235

00:51:17,390 --> 00:51:15,720

about you oh I I mean you have contact

1236

00:51:19,309 --> 00:51:17,400

in the desert but you're going to be

1237

00:51:22,430 --> 00:51:19,319

speaking and doing that it sounds pretty

1238

00:51:24,770 --> 00:51:22,440

cool oh yeah I'm really I am I am really

1239

00:51:26,450 --> 00:51:24,780

excited about contact there's a few yeah

1240

00:51:28,069 --> 00:51:26,460

there are a few opportunities to hang

1241

00:51:30,410 --> 00:51:28,079

out I mean there's there's one that

1242

00:51:31,970 --> 00:51:30,420

hasn't been announced yet that I'm that

1243

00:51:34,010 --> 00:51:31,980

I'm really looking forward to that has

1244

00:51:35,030 --> 00:51:34,020

actually been like

1245

00:51:37,490 --> 00:51:35,040

um

1246

00:51:38,809 --> 00:51:37,500

it's been really exciting for a lot of

1247

00:51:40,790 --> 00:51:38,819

different reasons and it's also been

1248

00:51:43,370 --> 00:51:40,800

like really headache inducing for myself

1249

00:51:45,530 --> 00:51:43,380

like a lot of headaches involved with it

1250

00:51:49,010 --> 00:51:45,540

um and you know some nights where I

1251
00:51:51,950 --> 00:51:49,020
didn't really sleep but uh on top of

1252
00:51:56,089 --> 00:51:51,960
that you know in May we've got this like

1253
00:51:59,210 --> 00:51:56,099
UFO Heritage Festival that um that Kelly

1254
00:52:01,569 --> 00:51:59,220
Chase really spearheaded Kelly Chase

1255
00:52:04,430 --> 00:52:01,579
from UFO rabbit hole

1256
00:52:06,410 --> 00:52:04,440
right at Wright-Patterson yeah and it's

1257
00:52:09,170 --> 00:52:06,420
actually yeah and so it's at the Hope

1258
00:52:10,970 --> 00:52:09,180
Hotel which is inside the first Gates of

1259
00:52:12,710 --> 00:52:10,980
of Wright-Patterson Air Force Base which

1260
00:52:16,930 --> 00:52:12,720
is crazy

1261
00:52:20,390 --> 00:52:16,940
um but um uh and so you know

1262
00:52:22,849 --> 00:52:20,400
uh that one is going to be it's a

1263
00:52:25,549 --> 00:52:22,859

two-day Fest and it's it's a two-day

1264

00:52:27,829 --> 00:52:25,559

conference and it's um near the

1265

00:52:30,650 --> 00:52:27,839

beginning of May well maybe I'll put a

1266

00:52:33,829 --> 00:52:30,660

link in in the chat but that one is uh

1267

00:52:35,870 --> 00:52:33,839

uh Diana pasoka is going to be there and

1268

00:52:38,990 --> 00:52:35,880

and Micah Hanks is going to be there

1269

00:52:40,670 --> 00:52:39,000

from the debrief and James Fox I really

1270

00:52:42,170 --> 00:52:40,680

like James Fox I got to hang out with

1271

00:52:44,150 --> 00:52:42,180

him for the first time in November and

1272

00:52:47,270 --> 00:52:44,160

he was great seemed like a really nice

1273

00:52:51,349 --> 00:52:47,280

person he really really is

1274

00:52:54,049 --> 00:52:51,359

um and uh uh EXO academian Darren King

1275

00:52:56,750 --> 00:52:54,059

Darren's gonna be there and uh Kelly

1276

00:52:58,370 --> 00:52:56,760

myself uh I feel like I'm missing

1277

00:53:00,650 --> 00:52:58,380

somebody who am I missing

1278

00:53:04,069 --> 00:53:00,660

um oh Bryce Sable Bryce Sable is going

1279

00:53:05,630 --> 00:53:04,079

to be there too cool um nice and uh and

1280

00:53:07,370 --> 00:53:05,640

so I'm really looking forward to hanging

1281

00:53:09,470 --> 00:53:07,380

out with folks then I think it'll be

1282

00:53:11,569 --> 00:53:09,480

dope I I really enjoyed hanging out with

1283

00:53:12,890 --> 00:53:11,579

Darren when he did our conference in

1284

00:53:15,049 --> 00:53:12,900

October

1285

00:53:17,390 --> 00:53:15,059

the conference of New York that James

1286

00:53:19,430 --> 00:53:17,400

and I organized he's a he's a big

1287

00:53:22,790 --> 00:53:19,440

disclosures coming watch it unravel

1288

00:53:23,750 --> 00:53:22,800

person I've noticed Darren yeah yeah I

1289

00:53:25,549 --> 00:53:23,760

don't want to get into talking about

1290

00:53:30,970 --> 00:53:25,559

other people but like I just see that

1291

00:53:35,990 --> 00:53:34,430

and give me the Intel please

1292

00:53:37,370 --> 00:53:36,000

I thought about Darren I appreciate that

1293

00:53:40,010 --> 00:53:37,380

Darren both talks about kind of like

1294

00:53:42,049 --> 00:53:40,020

Consciousness related issues and like

1295

00:53:44,329 --> 00:53:42,059

perception and things like that and then

1296

00:53:47,329 --> 00:53:44,339

he'll go over and like go way out on the

1297

00:53:49,250 --> 00:53:47,339

limb about about what's coming up you

1298

00:53:52,250 --> 00:53:49,260

know I think that you know it it takes

1299

00:53:53,930 --> 00:53:52,260

all kinds in the field and I'm glad that

1300

00:53:56,630 --> 00:53:53,940

some people kind of throw themselves

1301

00:53:58,490 --> 00:53:56,640

onto the fire like that way you know

1302

00:54:00,650 --> 00:53:58,500

what I mean sure you know Darren's kind

1303

00:54:03,410 --> 00:54:00,660

of like a a more

1304

00:54:05,329 --> 00:54:03,420

a more kind of button-down

1305

00:54:06,950 --> 00:54:05,339

some in some ways he's a much more

1306

00:54:09,170 --> 00:54:06,960

buttoned down version of like Jeremy

1307

00:54:11,809 --> 00:54:09,180

Corbell he'd hate that I said that but

1308

00:54:13,309 --> 00:54:11,819

like but like and then both of them get

1309

00:54:15,049 --> 00:54:13,319

really really excited about stuff that's

1310

00:54:17,030 --> 00:54:15,059

right around the corner and they can't

1311

00:54:21,049 --> 00:54:17,040

help but like talk to you about it all

1312

00:54:22,910 --> 00:54:21,059

the time and um and you know sometimes

1313

00:54:25,250 --> 00:54:22,920

sometimes you want to hear that from

1314

00:54:27,290 --> 00:54:25,260

like a guy who's in his 50s that lives

1315

00:54:29,089 --> 00:54:27,300

in the woods in North Carolina and

1316

00:54:30,589 --> 00:54:29,099

sometimes you know sometimes some people

1317

00:54:32,450 --> 00:54:30,599

want to hear about it from George Knapp

1318

00:54:34,309 --> 00:54:32,460

or Jeremy or something like that and

1319

00:54:36,829 --> 00:54:34,319

like I didn't understand that or Kelly

1320

00:54:39,470 --> 00:54:36,839

you know what I mean but um but you know

1321

00:54:41,390 --> 00:54:39,480

Kelly Kelly usually is a little bit more

1322

00:54:43,549 --> 00:54:41,400

grounded and safe about what she talks

1323

00:54:45,349 --> 00:54:43,559

about you prefer to be I generally

1324

00:54:46,790 --> 00:54:45,359

prefer to be as well it's just you know

1325

00:54:48,829 --> 00:54:46,800

Different Strokes for different folks in

1326

00:54:52,430 --> 00:54:48,839

a lot of ways right yeah

1327

00:54:54,530 --> 00:54:52,440

um so yeah I'll just go about what like

1328

00:54:56,870 --> 00:54:54,540

what I can say with confidence and and

1329

00:55:00,890 --> 00:54:56,880

no you know so

1330

00:55:02,450 --> 00:55:00,900

it's you know it's it's

1331

00:55:04,970 --> 00:55:02,460

you know there's always this push and

1332

00:55:07,309 --> 00:55:04,980

pull where I feel like people want you

1333

00:55:09,349 --> 00:55:07,319

to almost like take a side like or you

1334

00:55:10,609 --> 00:55:09,359

have to take a side you're either a

1335

00:55:13,970 --> 00:55:10,619

bunker

1336

00:55:18,410 --> 00:55:13,980

or you're a disclosure Advocate which

1337

00:55:20,809 --> 00:55:18,420

one is it like right yeah and that's it

1338

00:55:23,510 --> 00:55:20,819

you know yeah I'm looking for a

1339

00:55:26,089 --> 00:55:23,520

disclosure are you a Believer or are you

1340

00:55:27,890 --> 00:55:26,099

yeah right yeah I think a lot of things

1341

00:55:30,410 --> 00:55:27,900

are [h__h] but I think there's a

1342

00:55:32,390 --> 00:55:30,420

reality to it I'm all for a disclosure

1343

00:55:35,630 --> 00:55:32,400

but I'm not gonna devote my life to it

1344

00:55:38,390 --> 00:55:35,640

you know yeah I mean and I think that I

1345

00:55:42,230 --> 00:55:38,400

I think that like a lot of things in

1346

00:55:44,450 --> 00:55:42,240

life there there's more than one X Y

1347

00:55:46,730 --> 00:55:44,460

axis for for how you can look at the

1348

00:55:48,710 --> 00:55:46,740

field right

1349

00:55:52,130 --> 00:55:48,720

um in terms of like

1350

00:55:55,490 --> 00:55:52,140

whether you're an experiencer like

1351

00:55:57,049 --> 00:55:55,500

and the severity or like the or like how

1352

00:55:58,250 --> 00:55:57,059

much that's impacted your life or

1353

00:55:59,990 --> 00:55:58,260

something like that you know what I mean

1354

00:56:02,450 --> 00:56:00,000

somebody could be like oh I saw One

1355

00:56:04,490 --> 00:56:02,460

Thing Once In The Sky it zipped away you

1356

00:56:06,470 --> 00:56:04,500

know a stable and then zipped away and

1357

00:56:08,569 --> 00:56:06,480

that changed my life and then there'll

1358

00:56:11,870 --> 00:56:08,579

be somebody else that's like oh I'm like

1359

00:56:13,609 --> 00:56:11,880

plagued by precognitive visions and you

1360

00:56:15,710 --> 00:56:13,619

know what I mean and so you know you can

1361

00:56:18,170 --> 00:56:15,720

make an X Y axis about that you can make

1362

00:56:19,809 --> 00:56:18,180

an you know there you could make an X Y

1363

00:56:23,210 --> 00:56:19,819

axis about like

1364

00:56:27,230 --> 00:56:23,220

you know how do you ingest information

1365

00:56:29,030 --> 00:56:27,240

about this stuff is it all intuition is

1366

00:56:30,290 --> 00:56:29,040

it all grounded in academic research

1367

00:56:32,690 --> 00:56:30,300

there's so many different ways that you

1368

00:56:34,670 --> 00:56:32,700

can do that but yeah I feel that you

1369

00:56:36,410 --> 00:56:34,680

know there are there are different ways

1370

00:56:39,530 --> 00:56:36,420

to like play into the hands of people

1371

00:56:42,170 --> 00:56:39,540

that are not that don't necessarily have

1372

00:56:45,410 --> 00:56:42,180

our best interests at heart and I think

1373

00:56:49,609 --> 00:56:45,420

one of the ways to not play into those

1374

00:56:51,470 --> 00:56:49,619

hands is to not is is to disregard

1375

00:56:54,049 --> 00:56:51,480

arguments about Believers versus

1376
00:56:56,510 --> 00:56:54,059
Skeptics yeah because because like

1377
00:56:58,930 --> 00:56:56,520
you're setting up two

1378
00:57:02,089 --> 00:56:58,940
you're setting up like a cartoon

1379
00:57:04,309 --> 00:57:02,099
caricature of like any one particular

1380
00:57:07,130 --> 00:57:04,319
person even

1381
00:57:09,710 --> 00:57:07,140
the Skeptics because like you're making

1382
00:57:12,290 --> 00:57:09,720
Skeptics out to beat of one variety

1383
00:57:16,190 --> 00:57:12,300
which is not entirely true and you're

1384
00:57:21,290 --> 00:57:16,200
also making Believers into a thing right

1385
00:57:23,450 --> 00:57:21,300
yeah and and that like not anyone that's

1386
00:57:32,530 --> 00:57:23,460
it's like believe believe in what

1387
00:57:37,069 --> 00:57:35,270
yeah you believe that your belt buckle

1388
00:57:38,829 --> 00:57:37,079

is real don't you so are you a Believer

1389

00:57:41,150 --> 00:57:38,839

yeah

1390

00:57:42,589 --> 00:57:41,160

and and I mean and there's so many

1391

00:57:45,109 --> 00:57:42,599

different layers to these questions

1392

00:57:46,549 --> 00:57:45,119

right because you could you know do you

1393

00:57:51,349 --> 00:57:46,559

believe

1394

00:57:53,270 --> 00:57:51,359

all that there's a Consciousness field

1395

00:57:54,890 --> 00:57:53,280

you could go that you know there's so

1396

00:57:57,290 --> 00:57:54,900

many different ways that you can like

1397

00:57:59,390 --> 00:57:57,300

are we living in a simulation like or

1398

00:58:01,870 --> 00:57:59,400

you know like um

1399

00:58:04,910 --> 00:58:01,880

you know

1400

00:58:06,710 --> 00:58:04,920

what oh yeah it's endless like like

1401
00:58:09,410 --> 00:58:06,720
where are the boundaries of space like

1402
00:58:12,470 --> 00:58:09,420
like are do you believe that we're we're

1403
00:58:14,630 --> 00:58:12,480
in a simulation or are we like hurtling

1404
00:58:17,750 --> 00:58:14,640
on a ball through the vastness of space

1405
00:58:20,150 --> 00:58:17,760
or both right I mean there's so many

1406
00:58:22,910 --> 00:58:20,160
different ways you can go oh no now I'm

1407
00:58:26,349 --> 00:58:22,920
pissed off we have a we have a belt

1408
00:58:32,270 --> 00:58:29,450
oh man I know Victor Victor's a great

1409
00:58:35,690 --> 00:58:32,280
guy I like the girl it's great to see

1410
00:58:37,430 --> 00:58:35,700
you Victor uh Victor's a magnificent uh

1411
00:58:39,710 --> 00:58:37,440
yeah and he's got a and he's got a great

1412
00:58:41,690 --> 00:58:39,720
sense of humor yeah I'm an adult

1413
00:58:44,210 --> 00:58:41,700

believer because I have to be like I

1414

00:58:46,309 --> 00:58:44,220

don't right like I don't have the waste

1415

00:58:49,490 --> 00:58:46,319

to not be a I don't have the convenience

1416

00:58:52,609 --> 00:58:49,500

of being able to be at Belton miles

1417

00:58:54,589 --> 00:58:52,619

one that one thing that uh uh well many

1418

00:58:56,390 --> 00:58:54,599

things but the one thing that uh George

1419

00:58:58,970 --> 00:58:56,400

and epic said to me or not said to me

1420

00:59:02,089 --> 00:58:58,980

but has said once before that has stayed

1421

00:59:04,990 --> 00:59:02,099

with me throughout my my journey here is

1422

00:59:07,670 --> 00:59:05,000

this is supposed to be fun right yeah

1423

00:59:09,950 --> 00:59:07,680

this is supposed to be fun and and when

1424

00:59:13,549 --> 00:59:09,960

it gets too off track of that and it

1425

00:59:15,589 --> 00:59:13,559

gets too serious like it's dangerous so

1426

00:59:17,510 --> 00:59:15,599

I think we all

1427

00:59:20,049 --> 00:59:17,520

um I hate seeing like we or whatever but

1428

00:59:23,870 --> 00:59:20,059

if if you find yourself in this category

1429

00:59:27,049 --> 00:59:23,880

uh be mindful of of of that and don't

1430

00:59:28,670 --> 00:59:27,059

take this all too seriously because it's

1431

00:59:30,770 --> 00:59:28,680

going to be detrimental to your mental

1432

00:59:33,589 --> 00:59:30,780

health I see some people say some pretty

1433

00:59:36,349 --> 00:59:33,599

scary stuff on Twitter sometimes like we

1434

00:59:39,109 --> 00:59:36,359

we gotta get rid of this guy or or you

1435

00:59:41,630 --> 00:59:39,119

know just like really

1436

00:59:43,730 --> 00:59:41,640

stuff that could go bad quick like

1437

00:59:46,130 --> 00:59:43,740

people could take this way too serious

1438

00:59:49,010 --> 00:59:46,140

you know and it could it could end up in

1439

00:59:51,349 --> 00:59:49,020

in a weird place and you know so people

1440

00:59:54,770 --> 00:59:51,359

just need to breathe give each other

1441

00:59:57,530 --> 00:59:54,780

room to think through their thoughts

1442

01:00:00,049 --> 00:59:57,540

allow people the ability to change their

1443

01:00:02,870 --> 01:00:00,059

mind you know

1444

01:00:04,549 --> 01:00:02,880

um all that kind of stuff so

1445

01:00:07,010 --> 01:00:04,559

but yeah

1446

01:00:10,250 --> 01:00:07,020

yeah that's all I got man

1447

01:00:11,569 --> 01:00:10,260

I 100 agree with you but yeah I'm uh

1448

01:00:14,870 --> 01:00:11,579

back to what are we looking forward to

1449

01:00:16,549 --> 01:00:14,880

I'm looking forward to you I'm looking

1450

01:00:18,230 --> 01:00:16,559

forward to your softball team I'm

1451

01:00:20,089 --> 01:00:18,240

looking forward to like I don't know

1452

01:00:21,710 --> 01:00:20,099

like it'd be great to see you sometime

1453

01:00:24,289 --> 01:00:21,720

this year I got to see you once last

1454

01:00:26,089 --> 01:00:24,299

time Sean came out to New York City

1455

01:00:29,030 --> 01:00:26,099

um

1456

01:00:30,190 --> 01:00:29,040

I think I'm down uh either

1457

01:00:33,349 --> 01:00:30,200

um

1458

01:00:36,109 --> 01:00:33,359

uh I'd like to go to either the thing in

1459

01:00:37,670 --> 01:00:36,119

marazo or contact in the desert I think

1460

01:00:40,789 --> 01:00:37,680

I'm down to one of those two I gotta

1461

01:00:43,190 --> 01:00:40,799

pick one so oh that'd be so fun contact

1462

01:00:48,890 --> 01:00:43,200

in the desert's gonna be so dope first

1463

01:00:51,950 --> 01:00:48,900

of all hey give me your pitch okay like

1464

01:00:53,569 --> 01:00:51,960

a okay a there's so many speakers

1465

01:00:56,150 --> 01:00:53,579

there's like I think there's like 50

1466

01:00:58,250 --> 01:00:56,160

they're up to like 58 or 59 or something

1467

01:00:59,930 --> 01:00:58,260

like that which is crazy okay it's it's

1468

01:01:01,309 --> 01:00:59,940

over three days it's basically three and

1469

01:01:04,849 --> 01:01:01,319

a half days actually

1470

01:01:07,130 --> 01:01:04,859

I'm doing a talk at least once a day the

1471

01:01:08,870 --> 01:01:07,140

one thing is that like most speakers are

1472

01:01:11,569 --> 01:01:08,880

going to be doing like more than one

1473

01:01:14,150 --> 01:01:11,579

thing and there's there's at least three

1474

01:01:16,789 --> 01:01:14,160

talks happening simultaneously at all

1475

01:01:18,710 --> 01:01:16,799

times and so like the other thing is

1476

01:01:20,150 --> 01:01:18,720

it's happening in Indian Wells which is

1477

01:01:22,430 --> 01:01:20,160

kind of like right next to Palm Springs

1478

01:01:24,650 --> 01:01:22,440

and so it's like a really it's a

1479

01:01:26,690 --> 01:01:24,660

beautiful area of the country it's it

1480

01:01:28,190 --> 01:01:26,700

there's essentially like two kind of

1481

01:01:30,170 --> 01:01:28,200

resort hotels right next to each other

1482

01:01:33,109 --> 01:01:30,180

and so if you get sick of listening to

1483

01:01:35,150 --> 01:01:33,119

like listening to like me or like

1484

01:01:37,130 --> 01:01:35,160

Russell targ who's going to be there or

1485

01:01:39,230 --> 01:01:37,140

Graham Hancock who's going to be there

1486

01:01:40,970 --> 01:01:39,240

or like any of the other wonderful

1487

01:01:42,589 --> 01:01:40,980

people that are going to be there

1488

01:01:44,690 --> 01:01:42,599

um then you know you could always go

1489

01:01:46,609 --> 01:01:44,700

take a dip in the pool or like there's

1490

01:01:48,650 --> 01:01:46,619

gonna be like a ton of situations for

1491

01:01:51,530 --> 01:01:48,660

like hanging out with cool you know

1492

01:01:53,270 --> 01:01:51,540

folks like us and uh I'm really psyched

1493

01:01:57,230 --> 01:01:53,280

oh speaking of like cool people that are

1494

01:02:00,109 --> 01:01:57,240

hanging out um uh guess who I helped I I

1495

01:02:02,329 --> 01:02:00,119

um I was kind of like a middleman for a

1496

01:02:05,690 --> 01:02:02,339

little bit like I I won't too many names

1497

01:02:07,250 --> 01:02:05,700

but one of the one of the organizers was

1498

01:02:10,670 --> 01:02:07,260

trying to get in touch with Sean Cahill

1499

01:02:12,650 --> 01:02:10,680

right and so I you know I I went back

1500

01:02:14,809 --> 01:02:12,660

and I talked to Sean and then I went

1501

01:02:16,130 --> 01:02:14,819

back and I talked to them and like I

1502

01:02:20,930 --> 01:02:16,140

won't even talk to me he's talking to

1503

01:02:24,950 --> 01:02:20,940

you now yeah sure oh no no Sean I'll

1504

01:02:26,329 --> 01:02:24,960

talk to you like um but like he um and

1505

01:02:29,390 --> 01:02:26,339

uh now he's going to be going to contact

1506

01:02:32,210 --> 01:02:29,400

in the desert and so like yeah but it

1507

01:02:33,650 --> 01:02:32,220

rules because like you know it was just

1508

01:02:35,329 --> 01:02:33,660

like I was like caught in the middle of

1509

01:02:37,789 --> 01:02:35,339

this situation but it turned into a

1510

01:02:39,650 --> 01:02:37,799

situation where like somebody that I

1511

01:02:41,630 --> 01:02:39,660

like I've been talking to recently and

1512

01:02:43,670 --> 01:02:41,640

is you know you know it's always cool

1513

01:02:45,530 --> 01:02:43,680

when you when you like have find a new

1514

01:02:46,970 --> 01:02:45,540

friend and then you realize like oh oh

1515

01:02:48,289 --> 01:02:46,980

shoot like the new friend's gonna be

1516

01:02:49,849 --> 01:02:48,299

hanging out with me

1517

01:02:52,609 --> 01:02:49,859

you know what I mean it's like us last

1518

01:02:55,010 --> 01:02:52,619

year in New York City like and like I

1519

01:02:56,690 --> 01:02:55,020

want to do that again dude if you made

1520

01:02:58,130 --> 01:02:56,700

enough contact in the desert and we got

1521

01:03:01,930 --> 01:02:58,140

to do a bunch of cannonballs in the pool

1522

01:03:04,309 --> 01:03:01,940

together oh my God that would be so fun

1523

01:03:08,630 --> 01:03:04,319

I think that's the one I would do

1524

01:03:11,030 --> 01:03:08,640

because in New Mexico that's in July in

1525

01:03:14,750 --> 01:03:11,040

like that's not a 20 degree temperature

1526

01:03:16,549 --> 01:03:14,760

no thanks man I hate that yeah so it

1527

01:03:18,829 --> 01:03:16,559

sounds like it'd be quite beautiful in

1528

01:03:22,130 --> 01:03:18,839

Palm Springs in early June so

1529

01:03:23,990 --> 01:03:22,140

yeah it'll be so fun man it'll be so fun

1530

01:03:25,490 --> 01:03:24,000

you got to do it man I mean you don't

1531

01:03:28,250 --> 01:03:25,500

have to do anything but it'll be fun

1532

01:03:30,289 --> 01:03:28,260

yeah well I want to do one of them so

1533

01:03:33,109 --> 01:03:30,299

and I've never been to one of these

1534

01:03:35,270 --> 01:03:33,119

conference things so oh holy crap it'll

1535

01:03:37,069 --> 01:03:35,280

be so crazy man I mean you could always

1536

01:03:39,710 --> 01:03:37,079

just drive down to Ohio and do that one

1537

01:03:43,750 --> 01:03:39,720

but why not go like totally like yeah

1538

01:03:49,490 --> 01:03:46,250

I live in Wisconsin I don't need to go

1539

01:03:52,490 --> 01:03:49,500

to uh yeah I mean you like yeah and

1540

01:03:53,930 --> 01:03:52,500

there's and um I I just think it's good

1541

01:03:56,510 --> 01:03:53,940

it's going to be a really fun time I'm

1542

01:03:59,329 --> 01:03:56,520

really looking forward to it I like it

1543

01:04:02,089 --> 01:03:59,339

there there are kind of um there are a

1544

01:04:04,370 --> 01:04:02,099

couple new people that are are working

1545

01:04:06,890 --> 01:04:04,380

on contacting the desert it used to be

1546

01:04:08,450 --> 01:04:06,900

you know like always somewhat grounded

1547

01:04:10,190 --> 01:04:08,460

like valet would go there and things

1548

01:04:13,010 --> 01:04:10,200

like that but then you'd have some real

1549

01:04:16,430 --> 01:04:13,020

kind of like way out left field like um

1550

01:04:17,870 --> 01:04:16,440

folks like who you know were channeling

1551

01:04:20,030 --> 01:04:17,880

the Pleiadians or something like that

1552

01:04:22,250 --> 01:04:20,040

and they're trying to and the new

1553

01:04:23,990 --> 01:04:22,260

organizers are trying to pull it are

1554

01:04:25,789 --> 01:04:24,000

pulling it into like a more grounded

1555

01:04:28,130 --> 01:04:25,799

place you know or like that's what

1556

01:04:30,230 --> 01:04:28,140

they're trying to do and so you know you

1557

01:04:32,329 --> 01:04:30,240

can already see that with the lineup Now

1558

01:04:34,250 --> 01:04:32,339

versus the lineup that happened last

1559

01:04:36,349 --> 01:04:34,260

time they that it physically happened

1560

01:04:37,849 --> 01:04:36,359

before covid and I think that that's

1561

01:04:40,309 --> 01:04:37,859

going to happen more in the future and

1562

01:04:41,569 --> 01:04:40,319

just like and it's the biggest one man

1563

01:04:44,329 --> 01:04:41,579

it's the biggest one out there it's

1564

01:04:47,990 --> 01:04:44,339

going to be a blast yeah yeah well that

1565

01:04:50,990 --> 01:04:48,000

was where do I signed a contract written

1566

01:04:53,270 --> 01:04:51,000

up or should he email it to me yeah yeah

1567

01:04:55,970 --> 01:04:53,280

so so we got through what we could here

1568

01:04:57,670 --> 01:04:55,980

as you know sorry if we were a bit ranty

1569

01:05:00,530 --> 01:04:57,680

or whatever and

1570

01:05:03,230 --> 01:05:00,540

I think it's good to just be honest and

1571

01:05:06,289 --> 01:05:03,240

have real life conversations and I agree

1572

01:05:08,630 --> 01:05:06,299

not sugarcoat things or whatever pretend

1573

01:05:10,430 --> 01:05:08,640

things don't exist or do exist I think

1574

01:05:16,690 --> 01:05:10,440

it's just be honest with where we're at

1575

01:05:22,010 --> 01:05:19,789

we have to be honest with this stuff

1576

01:05:24,470 --> 01:05:22,020

um you want to kick it or anything else

1577

01:05:26,450 --> 01:05:24,480

you want to talk about well let's just

1578

01:05:28,549 --> 01:05:26,460

say Let's uh Hey like next week let's

1579

01:05:31,490 --> 01:05:28,559

let's do like a let's tell you let's do

1580

01:05:34,130 --> 01:05:31,500

a super fun show that's just true yeah

1581

01:05:36,890 --> 01:05:34,140

like um maybe maybe we have a guest or

1582

01:05:38,870 --> 01:05:36,900

maybe we can maybe you remember how a

1583

01:05:40,730 --> 01:05:38,880

while back we could do you know what I

1584

01:05:44,150 --> 01:05:40,740

haven't done in a while which which we

1585

01:05:46,690 --> 01:05:44,160

could we could always do

1586

01:05:52,030 --> 01:05:46,700

um and do this together which would be

1587

01:05:57,530 --> 01:05:54,710

yeah we could do what the heck is that

1588

01:05:59,809 --> 01:05:57,540

um we had we've done some we've had some

1589

01:06:01,670 --> 01:05:59,819

great ones where you know we both come

1590

01:06:03,289 --> 01:06:01,680

with some old classic cases and we do

1591

01:06:07,309 --> 01:06:03,299

some classic races that could be super

1592

01:06:09,170 --> 01:06:07,319

fun too yeah yeah yeah cool and let's

1593

01:06:10,670 --> 01:06:09,180

get let's do that again that sounds

1594

01:06:12,589 --> 01:06:10,680

great

1595

01:06:14,930 --> 01:06:12,599

um but if for those watching out there

1596

01:06:17,329 --> 01:06:14,940

don't rely on me for the positive vibes

1597

01:06:19,190 --> 01:06:17,339

okay that is gonna be just as bad a

1598

01:06:21,430 --> 01:06:19,200

mistake as relying on the government for

1599

01:06:24,289 --> 01:06:21,440

disclosure all right

1600

01:06:26,569 --> 01:06:24,299

I'm not the type

1601
01:06:30,430 --> 01:06:26,579
tomorrow I mean next week it's gonna

1602
01:06:36,589 --> 01:06:33,230
it's gonna be incredible next we can put

1603
01:06:38,750 --> 01:06:36,599
on a face for an hour yeah yeah

1604
01:06:40,670 --> 01:06:38,760
oh man I'm like I'm gonna be preparing

1605
01:06:42,049 --> 01:06:40,680
the whole day I'm gonna you know it'll

1606
01:06:43,970 --> 01:06:42,059
be great I'm looking forward to it

1607
01:06:47,990 --> 01:06:43,980
thanks to everybody in the chat Chris

1608
01:06:49,970 --> 01:06:48,000
Kaufman water lily Victor sunsaver sorry

1609
01:06:52,490 --> 01:06:49,980
for the things we didn't talk about I

1610
01:06:56,029 --> 01:06:52,500
put the links in the description like uh

1611
01:06:58,309 --> 01:06:56,039
a new nightcap 2.0 is come

1612
01:07:00,670 --> 01:06:58,319
uh through Ryan Graves and a new

1613
01:07:04,430 --> 01:07:00,680

advocacy

1614

01:07:06,710 --> 01:07:04,440

um check out those are great articles

1615

01:07:07,970 --> 01:07:06,720

check them out so so read them you know

1616

01:07:10,150 --> 01:07:07,980

and you don't have to listen to me

1617

01:07:13,130 --> 01:07:10,160

banter anymore so

1618

01:07:18,190 --> 01:07:13,140

right on wonderful thank you all so much

1619

01:07:23,809 --> 01:07:20,390

oh that's nice

1620

01:07:26,690 --> 01:07:23,819

good one Shaq cool yeah

1621

01:07:28,490 --> 01:07:26,700

I'm imagining uh first of all it's not

1622

01:07:32,150 --> 01:07:28,500

I'm imagining Shaq like Shaquille O'Neal

1623

01:07:34,130 --> 01:07:32,160

right Shaq yeah sure which reminds me of

1624

01:07:35,750 --> 01:07:34,140

one situation can I tell you it

1625

01:07:38,630 --> 01:07:35,760

um before we get out of here

1626

01:07:40,430 --> 01:07:38,640

um I uh this was this happened I think

1627

01:07:42,650 --> 01:07:40,440

it was with my friend Zab okay I've got

1628

01:07:44,809 --> 01:07:42,660

this friends of uh huge directs music

1629

01:07:47,270 --> 01:07:44,819

videos for a living he's a great guy and

1630

01:07:49,190 --> 01:07:47,280

uh he was talking about um how he saw

1631

01:07:52,190 --> 01:07:49,200

Shaq at the mall once when he was a kid

1632

01:07:54,710 --> 01:07:52,200

okay oh well right and and you know

1633

01:07:56,510 --> 01:07:54,720

basically you know there was an ERA

1634

01:07:59,270 --> 01:07:56,520

maybe it still exists for some people

1635

01:08:02,029 --> 01:07:59,280

where this guy is basically like you

1636

01:08:04,069 --> 01:08:02,039

know like Santa Claus and the Easter

1637

01:08:07,370 --> 01:08:04,079

Bunny rolled into one dude he was like

1638

01:08:08,930 --> 01:08:07,380

just at the top of his game back in the

1639

01:08:10,730 --> 01:08:08,940

era where this guy was talking about him

1640

01:08:13,190 --> 01:08:10,740

and you know he's just like this

1641

01:08:14,809 --> 01:08:13,200

ginormous dude right he's like one of

1642

01:08:18,110 --> 01:08:14,819

the biggest basketball players ever like

1643

01:08:20,150 --> 01:08:18,120

physically and um and I was like I was

1644

01:08:23,150 --> 01:08:20,160

like well what was what was he doing man

1645

01:08:24,950 --> 01:08:23,160

do you remember Orange Julius is do you

1646

01:08:26,390 --> 01:08:24,960

remember Orange oh yeah there's this

1647

01:08:27,950 --> 01:08:26,400

there's a small brand I don't know if

1648

01:08:29,209 --> 01:08:27,960

they still exist they're like shakes but

1649

01:08:31,430 --> 01:08:29,219

it was like for like it was like

1650

01:08:33,289 --> 01:08:31,440

smoothies but they're all like okay

1651
01:08:34,970 --> 01:08:33,299
Orange Julius and and they're orange and

1652
01:08:37,010 --> 01:08:34,980
it's basically like an orange smoothie

1653
01:08:40,550 --> 01:08:37,020
right and they come in these like giant

1654
01:08:42,050 --> 01:08:40,560
or like orange cups and uh and he was

1655
01:08:43,789 --> 01:08:42,060
like I don't know man he was just being

1656
01:08:45,530 --> 01:08:43,799
Shaq and I was like no but he had to be

1657
01:08:46,729 --> 01:08:45,540
doing something he's like oh now that I

1658
01:08:49,189 --> 01:08:46,739
think about it

1659
01:08:52,789 --> 01:08:49,199
he had a giant Orange Julius in each

1660
01:08:52,799 --> 01:09:03,950
where

1661
01:09:08,329 --> 01:09:06,709
um it was in high school and we were me

1662
01:09:11,390 --> 01:09:08,339
and two friends were in the back of this

1663
01:09:14,030 --> 01:09:11,400

guy's uh rust ass Firebird yeah in the

1664

01:09:15,950 --> 01:09:14,040

parking lot and we had worked at Pick n

1665

01:09:19,849 --> 01:09:15,960

Save at the time a grocery store so I

1666

01:09:23,150 --> 01:09:19,859

was yeah maybe 15 or 16. and we took a

1667

01:09:25,370 --> 01:09:23,160

brick of orange Tic Tacs from

1668

01:09:26,809 --> 01:09:25,380

the grocery store and we were pounding

1669

01:09:28,910 --> 01:09:26,819

them in the back of this firebird and

1670

01:09:32,030 --> 01:09:28,920

we're

1671

01:09:33,950 --> 01:09:32,040

did that quite a bit Yeah and uh and we

1672

01:09:35,870 --> 01:09:33,960

walked through the mall and our mouths

1673

01:09:38,030 --> 01:09:35,880

and we didn't know it but our Mouse and

1674

01:09:40,010 --> 01:09:38,040

faces were all like freaking orange and

1675

01:09:42,289 --> 01:09:40,020

[h__\h] we're all walking through the mall

1676

01:09:43,910 --> 01:09:42,299

and I remember asking these guys like

1677

01:09:46,729 --> 01:09:43,920

where the party's at and all this kind

1678

01:09:50,209 --> 01:09:48,169

this stuff's very made me think about my

1679

01:09:52,910 --> 01:09:50,219

weird Mall story yeah oh that's

1680

01:09:54,650 --> 01:09:52,920

beautiful I love it it was awesome all

1681

01:09:59,650 --> 01:09:54,660

right maybe next week we can do more

1682

01:10:05,410 --> 01:10:01,669

embarrassing my wife would have a lot

1683

01:10:08,870 --> 01:10:05,420

yeah oh yeah yeah yeah yeah

1684

01:10:10,990 --> 01:10:08,880

all right cool man well uh wonderful to

1685

01:10:14,830 --> 01:10:11,000

see you today

1686

01:10:18,229 --> 01:10:14,840

and uh we'll see you next week all right

1687

01:10:23,520 --> 01:10:18,239

love you too buddy talk to you soon

1688

01:10:23,530 --> 01:10:28,250

[Music]
