

Sean

Shepherd

WORLD  
INTERNATIONAL  
OPPORTUNITIES

Sean Russell made a record through the... with... 2010

1  
00:00:03,949 --> 00:00:02,690  
thank you Mr chairman director Haynes

2  
00:00:05,870 --> 00:00:03,959  
and last year's intelligence

3  
00:00:09,589 --> 00:00:05,880  
authorization act Senators Rubio Warner

4  
00:00:12,169 --> 00:00:09,599  
Heinrich Burr plot and I created uh the

5  
00:00:15,049 --> 00:00:12,179  
arrow that all domain anomaly resolution

6  
00:00:16,849 --> 00:00:15,059  
office uh to break down the stove pipes

7  
00:00:18,349 --> 00:00:16,859  
between the intelligence community and

8  
00:00:20,870 --> 00:00:18,359  
the military regarding unidentified

9  
00:00:22,609 --> 00:00:20,880  
aerial marine and other phenomenon which

10  
00:00:24,109 --> 00:00:22,619  
could pose a risk to the safety of our

11  
00:00:26,689 --> 00:00:24,119  
service members as well as collection

12  
00:00:28,790 --> 00:00:26,699  
risks against sensitive facilities and

13  
00:00:31,070 --> 00:00:28,800

overseas military bases

14  
00:00:32,389 --> 00:00:31,080  
as recent events have shown we need more

15  
00:00:33,670 --> 00:00:32,399  
and better sharing between the

16  
00:00:36,709 --> 00:00:33,680  
intelligence community and our military

17  
00:00:38,270 --> 00:00:36,719  
and the stigmatization of the service

18  
00:00:40,729 --> 00:00:38,280  
members and Personnel who come forward

19  
00:00:42,770 --> 00:00:40,739  
with this data is unacceptable

20  
00:00:44,150 --> 00:00:42,780  
do I have a commitment from you and each

21  
00:00:45,830 --> 00:00:44,160  
of our witnesses that you will work to

22  
00:00:48,049 --> 00:00:45,840  
reduce stigma share intelligence between

23  
00:00:49,190 --> 00:00:48,059  
agencies and as you're able with the

24  
00:00:52,510 --> 00:00:49,200  
public to ensure that we understand

25  
00:00:55,069 --> 00:00:52,520  
what's happening in our skies and seas

26

00:00:56,389 --> 00:00:55,079

yes Senator absolutely and I agree with

27

00:00:58,010 --> 00:00:56,399

you that this is an issue and it's

28

00:01:00,049 --> 00:00:58,020

something that we've been trying to work

29

00:01:01,549 --> 00:01:00,059

through both by sending the message from

30

00:01:04,070 --> 00:01:01,559

leadership that this is important but

31

00:01:06,109 --> 00:01:04,080

also creating mechanisms that allow for

32

00:01:08,929 --> 00:01:06,119

people to do this more easily and with

33

00:01:10,969 --> 00:01:08,939

less sort of stigma associated with it

34

00:01:13,670 --> 00:01:10,979

and is the arrow office fully funded in

35

00:01:15,170 --> 00:01:13,680

your budget yes I believe it is uh you

36

00:01:17,570 --> 00:01:15,180

make sure because it was left off last

37

00:01:20,270 --> 00:01:17,580

year so from both the dod and Intel's

38

00:01:22,190 --> 00:01:20,280

budgets so right so it's in DOD but I

39

00:01:23,630 --> 00:01:22,200

think our support is funded in the

40

00:01:25,370 --> 00:01:23,640

National Intelligence program and I'll

41

00:01:26,990 --> 00:01:25,380

we'll check to make sure everybody else

42

00:01:30,830 --> 00:01:27,000

can answer the question

43

00:01:33,950 --> 00:01:30,840

I I believe it is funded thank you yes

44

00:01:37,249 --> 00:01:33,960

I support center thank you yes

45

00:01:43,370 --> 00:01:40,370

a related somewhat question is the issue

46

00:01:45,230 --> 00:01:43,380

of ic's agency's assessment with varying

47

00:01:46,969 --> 00:01:45,240

levels of confidence that most reported

48

00:01:48,710 --> 00:01:46,979

incidents can be explained by medical

49

00:01:50,630 --> 00:01:48,720

conditions environmental or technical

50

00:01:52,069 --> 00:01:50,640

factors and that it's unlikely that a

51  
00:01:53,630 --> 00:01:52,079  
foreign actor including Russia is

52  
00:01:55,310 --> 00:01:53,640  
conducting a sustained worldwide

53  
00:01:56,929 --> 00:01:55,320  
campaign involving hundreds of incidents

54  
00:01:59,510 --> 00:01:56,939  
without detection with regard to the

55  
00:02:02,510 --> 00:01:59,520  
anomalous Health incidents and that

56  
00:02:04,730 --> 00:02:02,520  
report was received in a very negative

57  
00:02:07,310 --> 00:02:04,740  
way by Personnel who have been affected

58  
00:02:10,910 --> 00:02:07,320  
by their families because it essentially

59  
00:02:13,790 --> 00:02:10,920  
says is there's no external cause which

60  
00:02:15,410 --> 00:02:13,800  
I think is really problematic I'm very

61  
00:02:18,770 --> 00:02:15,420  
grateful that the intelligence Community

62  
00:02:21,110 --> 00:02:18,780  
has been determined to make sure that

63  
00:02:23,690 --> 00:02:21,120

Health Care is being met in the health

64

00:02:25,369 --> 00:02:23,700

care needs and that each of these

65

00:02:27,229 --> 00:02:25,379

service members and Personnel are

66

00:02:30,430 --> 00:02:27,239

treated appropriately and humanely from

67

00:02:33,110 --> 00:02:30,440

that perspective but I find it

68

00:02:37,010 --> 00:02:33,120

unacceptable that we are not continuing

69

00:02:39,050 --> 00:02:37,020

diligent analysis of possible causes I

70

00:02:41,330 --> 00:02:39,060

do do appreciate that the Department of

71

00:02:44,150 --> 00:02:41,340

Defense continues to do research in that

72

00:02:46,250 --> 00:02:44,160

regard and I'd like General barrier to

73

00:02:48,770 --> 00:02:46,260

give us an update on how you're looking

74

00:02:52,190 --> 00:02:48,780

at this issue and how you are continuing

75

00:02:54,890 --> 00:02:52,200

to assess possible causes as well as uh

76  
00:02:57,410 --> 00:02:54,900  
proper possible delivery mechanisms and

77  
00:02:59,330 --> 00:02:57,420  
I'd like to include delivery mechanisms

78  
00:03:02,390 --> 00:02:59,340  
from above so whether it can be

79  
00:03:04,009 --> 00:03:02,400  
delivered by a drone or a spy balloon

80  
00:03:06,710 --> 00:03:04,019  
through a collection device or a

81  
00:03:09,229 --> 00:03:06,720  
collection technology I'd like an update

82  
00:03:11,089 --> 00:03:09,239  
please thank you Senator Jill brand di

83  
00:03:12,170 --> 00:03:11,099  
participated in the intelligence

84  
00:03:14,030 --> 00:03:12,180  
Community assessment we had a

85  
00:03:15,110 --> 00:03:14,040  
multi-discipline team of very senior

86  
00:03:17,149 --> 00:03:15,120  
analysts counterintelligence

87  
00:03:20,449 --> 00:03:17,159  
professionals and Technical people look

88  
00:03:22,070 --> 00:03:20,459

at the at the issue I do concur with the

89

00:03:24,770 --> 00:03:22,080

assessment but I also think our work is

90

00:03:27,290 --> 00:03:24,780

not done there Dia continues to focus on

91

00:03:29,449 --> 00:03:27,300

number one the care of our officers who

92

00:03:30,830 --> 00:03:29,459

have been affected we are doing some

93

00:03:33,110 --> 00:03:30,840

work on the analytical side and we're

94

00:03:35,210 --> 00:03:33,120

doing work on the S T side to determine

95

00:03:36,290 --> 00:03:35,220

causation and we'll continue that work

96

00:03:37,729 --> 00:03:36,300

and I made that commitment to my

97

00:03:39,470 --> 00:03:37,739

Workforce and then I'd like a

98

00:03:41,040 --> 00:03:39,480

supplemental answer in closed session as

99

00:03:46,449 --> 00:03:41,050

well yes ma'am thank you

100

00:03:49,070 --> 00:03:46,459

[Music]

101  
00:03:50,449 --> 00:03:49,080  
a little due respect to the Air Force I

102  
00:04:04,030 --> 00:03:50,459  
believe that some of them will prove to

103  
00:04:04,040 --> 00:04:16,630  
thank you

104  
00:04:16,640 --> 00:04:24,950  
[Music]

105  
00:04:31,430 --> 00:04:28,370  
what is up everybody

106  
00:04:33,650 --> 00:04:31,440  
happy Wednesday I hope you like that

107  
00:04:36,290 --> 00:04:33,660  
little clip I played for you

108  
00:04:41,749 --> 00:04:36,300  
um I think it's clear that Senator uh

109  
00:04:45,050 --> 00:04:41,759  
gillibrand is our hero she is the best

110  
00:04:47,450 --> 00:04:45,060  
um no bones about it she's strict

111  
00:04:50,090 --> 00:04:47,460  
she's to the point she's Direct

112  
00:04:53,210 --> 00:04:50,100  
and she wants answers I love how she

113  
00:04:55,610 --> 00:04:53,220

pointed out how last year Arrow was not

114

00:04:57,530 --> 00:04:55,620

fully funded in the budget and first of

115

00:04:59,570 --> 00:04:57,540

all why is it not funded why are we

116

00:05:01,730 --> 00:04:59,580

making programs that don't get funded

117

00:05:05,030 --> 00:05:01,740

and how do people get away with not

118

00:05:07,090 --> 00:05:05,040

funding it that is ridiculous to me

119

00:05:09,890 --> 00:05:07,100

um but thankfully we have someone

120

00:05:10,969 --> 00:05:09,900

holding these intelligence folks to

121

00:05:14,510 --> 00:05:10,979

account

122

00:05:17,090 --> 00:05:14,520

and trying to get things funded the way

123

00:05:19,310 --> 00:05:17,100

they should be funded

124

00:05:22,129 --> 00:05:19,320

um and she doesn't put up with the crap

125

00:05:24,950 --> 00:05:22,139

and I love it see that's a great comment

126

00:05:26,930 --> 00:05:24,960

I love how she puts up with absolutely

127

00:05:28,249 --> 00:05:26,940

nothing

128

00:05:35,330 --> 00:05:28,259

completely

129

00:05:36,290 --> 00:05:35,340

uh lady and happy International women's

130

00:05:38,930 --> 00:05:36,300

day

131

00:05:41,990 --> 00:05:38,940

and we'll give a shout out to her for

132

00:05:42,770 --> 00:05:42,000

that on this day so

133

00:05:45,290 --> 00:05:42,780

um

134

00:05:46,790 --> 00:05:45,300

she's been the toughest go-getter on

135

00:05:48,409 --> 00:05:46,800

this stuff and where it counts right

136

00:05:51,409 --> 00:05:48,419

she's not just up in front of the

137

00:05:54,290 --> 00:05:51,419

cameras uh for like on different news

138

00:05:56,990 --> 00:05:54,300

sites or on Twitter or anything like

139

00:05:58,850 --> 00:05:57,000

that she is in these hearings

140

00:06:04,670 --> 00:05:58,860

trying to get answers

141

00:06:08,029 --> 00:06:06,170

um I let that clip play out when they

142

00:06:10,610 --> 00:06:08,039

were covering the Havana syndrome or

143

00:06:11,930 --> 00:06:10,620

anomalous Health incidents

144

00:06:14,150 --> 00:06:11,940

um

145

00:06:16,490 --> 00:06:14,160

is for a couple reasons one of which is

146

00:06:21,129 --> 00:06:16,500

she said that she once it looked into

147

00:06:26,809 --> 00:06:23,629

and what could that mean well that could

148

00:06:29,150 --> 00:06:26,819

mean a satellite or I don't know maybe a

149

00:06:32,150 --> 00:06:29,160

UAP of some sort we have these two

150

00:06:35,029 --> 00:06:32,160

things that both

151  
00:06:37,189 --> 00:06:35,039  
have no answers apparently and we're

152  
00:06:39,950 --> 00:06:37,199  
definitely not getting any answers from

153  
00:06:42,170 --> 00:06:39,960  
our government on both of them does that

154  
00:06:43,490 --> 00:06:42,180  
mean that they're both the same no but

155  
00:06:46,430 --> 00:06:43,500  
we could find things that are very

156  
00:06:49,070 --> 00:06:46,440  
relatable to both which is first of all

157  
00:06:52,010 --> 00:06:49,080  
them getting the instances

158  
00:06:54,529 --> 00:06:52,020  
um the experience is getting brushed off

159  
00:06:56,930 --> 00:06:54,539  
right by intelligence community so these

160  
00:06:58,430 --> 00:06:56,940  
Witnesses are just like basically left

161  
00:07:00,890 --> 00:06:58,440  
out to dry

162  
00:07:01,909 --> 00:07:00,900  
you know and and these two things share

163  
00:07:02,689 --> 00:07:01,919

that

164

00:07:05,749 --> 00:07:02,699

um

165

00:07:08,330 --> 00:07:05,759

uh sentiment unfortunately

166

00:07:10,010 --> 00:07:08,340

so I left those two

167

00:07:11,930 --> 00:07:10,020

um things back to back because I think

168

00:07:15,529 --> 00:07:11,940

it's important to see

169

00:07:17,870 --> 00:07:15,539

that not only is UAP kind of going

170

00:07:19,070 --> 00:07:17,880

for the most part unanswered we we still

171

00:07:22,370 --> 00:07:19,080

have no answers from the government

172

00:07:25,909 --> 00:07:22,380

right and the this Havana syndrome thing

173

00:07:27,469 --> 00:07:25,919

is is the same it's being treated the

174

00:07:28,790 --> 00:07:27,479

same

175

00:07:31,370 --> 00:07:28,800

um and

176

00:07:36,290 --> 00:07:31,380

no one's

177

00:07:37,969 --> 00:07:36,300

you know

178

00:07:39,589 --> 00:07:37,979

right we have this stuff going on but

179

00:07:42,529 --> 00:07:39,599

nobody's thinking of the person that

180

00:07:44,870 --> 00:07:42,539

goes through exp the experience which

181

00:07:46,730 --> 00:07:44,880

is very difficult

182

00:07:49,129 --> 00:07:46,740

and traumatizing

183

00:07:50,450 --> 00:07:49,139

for people and there's a lot of emotions

184

00:07:52,670 --> 00:07:50,460

that go with it

185

00:07:55,189 --> 00:07:52,680

not having answers wondering if you're

186

00:07:56,870 --> 00:07:55,199

crazy which

187

00:07:59,450 --> 00:07:56,880

these people that go through these

188

00:08:01,210 --> 00:07:59,460

anomalous Health incidents

189

00:08:06,230 --> 00:08:01,220

must

190

00:08:08,150 --> 00:08:06,240

themselves and feeling a bit out of

191

00:08:11,450 --> 00:08:08,160

which because we have the intelligence

192

00:08:13,850 --> 00:08:11,460

agency saying okay it's they can't tie

193

00:08:15,170 --> 00:08:13,860

it to some foreign adversary fine but

194

00:08:16,969 --> 00:08:15,180

they're saying it's things like the

195

00:08:19,129 --> 00:08:16,979

environment and I've even heard

196

00:08:20,450 --> 00:08:19,139

something like a HVAC system had

197

00:08:22,490 --> 00:08:20,460

something to do with it and all this

198

00:08:25,670 --> 00:08:22,500

stuff like and they're not addressing

199

00:08:27,469 --> 00:08:25,680

the freaking brain scans where it shows

200

00:08:29,089 --> 00:08:27,479

damage on these people

201  
00:08:30,409 --> 00:08:29,099  
you know we have word from Gary Nolan

202  
00:08:32,209 --> 00:08:30,419  
that they were studying these brain

203  
00:08:34,430 --> 00:08:32,219  
scans

204  
00:08:35,510 --> 00:08:34,440  
you know and they completely just ignore

205  
00:08:37,610 --> 00:08:35,520  
that

206  
00:08:39,709 --> 00:08:37,620  
and it's not right

207  
00:08:42,350 --> 00:08:39,719  
but they get away with it they

208  
00:08:44,570 --> 00:08:42,360  
completely get away with it

209  
00:08:47,750 --> 00:08:44,580  
they get away with not addressing Ryan

210  
00:08:49,370 --> 00:08:47,760  
Graves experiences and the rest of his

211  
00:08:52,250 --> 00:08:49,380  
crew out on the East Coast where they

212  
00:08:55,310 --> 00:08:52,260  
were running into these uaps every day

213  
00:08:57,110 --> 00:08:55,320

some of them saw the objects as fear

214

00:09:01,550 --> 00:08:57,120

with in a cube I believe it was or maybe

215

00:09:03,949 --> 00:09:01,560

it was vice versa cute within his fear

216

00:09:07,430 --> 00:09:03,959

every day to the point of where they

217

00:09:09,470 --> 00:09:07,440

would cancel their training exercises

218

00:09:11,389 --> 00:09:09,480

okay

219

00:09:13,430 --> 00:09:11,399

and

220

00:09:16,009 --> 00:09:13,440

they don't have to answer for that it

221

00:09:18,290 --> 00:09:16,019

wasn't mentioned at the even the the UFO

222

00:09:20,870 --> 00:09:18,300

hearing last year

223

00:09:23,509 --> 00:09:20,880

and nobody has to answer for that

224

00:09:25,550 --> 00:09:23,519

why why don't they have to answer for

225

00:09:28,190 --> 00:09:25,560

that

226

00:09:32,710 --> 00:09:28,200

you know messing with their military

227

00:09:32,720 --> 00:09:39,170

it's it's not good

228

00:09:44,870 --> 00:09:41,690

this guy has a cue comment about Alex

229

00:09:46,250 --> 00:09:44,880

Jones I think Alex Jones is lunatic and

230

00:09:50,990 --> 00:09:46,260

a loser

231

00:09:54,889 --> 00:09:53,150

so for those of you can't see it or

232

00:09:57,889 --> 00:09:54,899

watching live chat we got a goofy

233

00:10:00,889 --> 00:09:57,899

comment in there so it's just not right

234

00:10:03,230 --> 00:10:00,899

to me you know it's not right to just

235

00:10:05,210 --> 00:10:03,240

say yeah it happened

236

00:10:06,829 --> 00:10:05,220

but we you know I can't give you any

237

00:10:10,070 --> 00:10:06,839

information on it

238

00:10:11,690 --> 00:10:10,080

that's just not cool

239

00:10:14,269 --> 00:10:11,700

um

240

00:10:16,790 --> 00:10:14,279

so I'm grateful for people like senator

241

00:10:19,490 --> 00:10:16,800

gillibrand who who actually go to bat

242

00:10:22,430 --> 00:10:19,500

for these people and try to get answers

243

00:10:24,650 --> 00:10:22,440

I'm I'm super appreciative of that

244

00:10:26,810 --> 00:10:24,660

and what happens

245

00:10:28,190 --> 00:10:26,820

when the government can't give people

246

00:10:32,150 --> 00:10:28,200

answers on things that they're

247

00:10:35,630 --> 00:10:33,829

you know

248

00:10:37,970 --> 00:10:35,640

genuine things that people are

249

00:10:39,949 --> 00:10:37,980

interested in

250

00:10:41,509 --> 00:10:39,959

what happens

251

00:10:43,310 --> 00:10:41,519

I wonder if anyone can answer that

252

00:10:45,769 --> 00:10:43,320

question

253

00:10:48,769 --> 00:10:45,779

well what happens is

254

00:10:51,949 --> 00:10:48,779

you get leaks people start leaking the

255

00:10:58,370 --> 00:10:54,530

you know and it starts coming out to the

256

00:11:02,030 --> 00:10:58,380

public in ways it's not supposed to come

257

00:11:06,470 --> 00:11:03,650

because the government can't be

258

00:11:09,710 --> 00:11:06,480

transparent themselves

259

00:11:12,230 --> 00:11:09,720

you know on Monday I did a show and I

260

00:11:14,810 --> 00:11:12,240

mentioned uh the weaponized podcast with

261

00:11:16,250 --> 00:11:14,820

Jeremy Corbell and and George Knapp and

262

00:11:19,730 --> 00:11:16,260

that they'd be releasing photos of the

263

00:11:23,210 --> 00:11:19,740

rumor edit Ruma has an and sure enough

264

00:11:27,590 --> 00:11:25,730

it was a leak from the Air Force

265

00:11:32,990 --> 00:11:27,600

apparently

266

00:11:36,530 --> 00:11:33,000

gave these photos to corbel he claims he

267

00:11:39,889 --> 00:11:38,150

and it's because they're frustrated

268

00:11:43,069 --> 00:11:39,899

because they couldn't

269

00:11:45,470 --> 00:11:43,079

report this to Arrow sorry if I don't

270

00:11:47,569 --> 00:11:45,480

have all the details right but

271

00:11:50,030 --> 00:11:47,579

uh the article that this is posted on

272

00:11:52,310 --> 00:11:50,040

was on Daily Mail and I'm sorry I just

273

00:11:55,190 --> 00:11:52,320

can't read anything on that website

274

00:11:58,430 --> 00:11:55,200

because it's just so packed with ads

275

00:12:00,949 --> 00:11:58,440

it's unbelievable and I feel like I'm

276

00:12:02,750 --> 00:12:00,959

just getting viruses just sitting on

277

00:12:05,930 --> 00:12:02,760

that website so

278

00:12:07,430 --> 00:12:05,940

but these are the pictures

279

00:12:09,710 --> 00:12:07,440

and I'll go through them quick here

280

00:12:11,690 --> 00:12:09,720

they're not in order apparently went

281

00:12:14,990 --> 00:12:11,700

from left to right the video apparently

282

00:12:20,290 --> 00:12:15,000

is seven seconds long in these pictures

283

00:12:23,690 --> 00:12:21,949

and

284

00:12:25,310 --> 00:12:23,700

I'm gonna go through them all before I

285

00:12:27,949 --> 00:12:25,320

give you my opinion

286

00:12:30,949 --> 00:12:27,959

the first thing you may notice is

287

00:12:33,230 --> 00:12:30,959

what looks like some sort of contrail or

288

00:12:38,449 --> 00:12:33,240

propulsion or something like that

289

00:12:43,730 --> 00:12:41,690

uh one is apparently a

290

00:12:45,410 --> 00:12:43,740

like an aerospace engineer for some

291

00:12:47,030 --> 00:12:45,420

company

292

00:12:49,550 --> 00:12:47,040

um doesn't tell people who he is he just

293

00:12:52,850 --> 00:12:49,560

goes by the name condorman and another

294

00:12:55,370 --> 00:12:52,860

is this Chris guy who is

295

00:12:57,050 --> 00:12:55,380

you kind of he's uh he believes that

296

00:13:01,730 --> 00:12:57,060

from what I gather he believes that

297

00:13:04,790 --> 00:13:01,740

there is real anomalous uh UFOs but is

298

00:13:06,949 --> 00:13:04,800

takes like videos and releases like this

299

00:13:10,550 --> 00:13:06,959

pretty seriously and has no problem

300

00:13:14,990 --> 00:13:10,560

debunking it if he you know sees fit

301  
00:13:17,269 --> 00:13:15,000  
that it's not legit so but they say in

302  
00:13:18,769 --> 00:13:17,279  
John Greenwald mention this too

303  
00:13:21,410 --> 00:13:18,779  
that

304  
00:13:22,730 --> 00:13:21,420  
this is more likely where my cursor is

305  
00:13:25,790 --> 00:13:22,740  
if you can see it

306  
00:13:27,710 --> 00:13:25,800  
an artifact like a ghost artifact from

307  
00:13:29,030 --> 00:13:27,720  
the actual object here and not a

308  
00:13:31,790 --> 00:13:29,040  
contrail

309  
00:13:33,710 --> 00:13:31,800  
you know what's the truth I have no

310  
00:13:37,430 --> 00:13:33,720  
freaking idea

311  
00:13:41,990 --> 00:13:37,440  
but so these are the pictures

312  
00:13:45,769 --> 00:13:42,000  
and it is in Baghdad an act of war zone

313  
00:13:47,449 --> 00:13:45,779

so I think that obvious kind of clear

314

00:13:49,310 --> 00:13:47,459

you know the first thing that comes to

315

00:13:50,569 --> 00:13:49,320

mind I'm not going to say that's what it

316

00:13:52,670 --> 00:13:50,579

is but the first thing that comes to

317

00:13:53,870 --> 00:13:52,680

mind of course is a missile

318

00:13:57,350 --> 00:13:53,880

right

319

00:14:00,769 --> 00:13:57,360

do I know it's a missile I do not

320

00:14:02,690 --> 00:14:00,779

do I know it's anything no I don't do we

321

00:14:05,629 --> 00:14:02,700

have any other information like a video

322

00:14:09,050 --> 00:14:05,639

or a witness or anything like that no we

323

00:14:15,110 --> 00:14:09,060

do not so in this situation

324

00:14:15,120 --> 00:14:20,870

um you just take corbel's word for it

325

00:14:30,170 --> 00:14:25,970

and the other is this is some sort of uh

326

00:14:35,210 --> 00:14:31,910

I don't want to say hoax but you know

327

00:14:37,310 --> 00:14:35,220

like uh just some some form of BS

328

00:14:41,269 --> 00:14:37,320

I don't know I can't answer that

329

00:14:43,250 --> 00:14:41,279

question I do think it's strange that

330

00:14:46,009 --> 00:14:43,260

these people from the Navy and now the

331

00:14:49,610 --> 00:14:46,019

Air Force and everybody give

332

00:14:51,590 --> 00:14:49,620

Jeremy Corbell all this stuff

333

00:14:53,629 --> 00:14:51,600

um

334

00:14:54,949 --> 00:14:53,639

you know but regardless like it

335

00:14:59,030 --> 00:14:54,959

shouldn't be coming out this way it

336

00:15:05,750 --> 00:15:01,610

it should be coming out from Arrow it

337

00:15:11,930 --> 00:15:08,769

it shouldn't be emailed

338

00:15:13,730 --> 00:15:11,940

suspiciously to someone so that they can

339

00:15:18,650 --> 00:15:13,740

then release it

340

00:15:24,230 --> 00:15:21,350

so yeah we got some

341

00:15:27,410 --> 00:15:24,240

comments about the like white hot the

342

00:15:29,210 --> 00:15:27,420

the flear and all that kind of stuff so

343

00:15:30,949 --> 00:15:29,220

um what this is showing is the ground

344

00:15:34,370 --> 00:15:30,959

here is

345

00:15:36,290 --> 00:15:34,380

uh warmer than this object so if it was

346

00:15:40,730 --> 00:15:36,300

a missile of some sort

347

00:15:44,150 --> 00:15:40,740

you would expect the missile to be

348

00:15:46,189 --> 00:15:44,160

you know white white shown white hat and

349

00:15:48,710 --> 00:15:46,199

it it doesn't it shows black so what

350

00:15:50,269 --> 00:15:48,720

does that mean I don't know if it one

351

00:15:53,329 --> 00:15:50,279

thing I think of is if it took seven

352

00:15:55,310 --> 00:15:53,339

seconds to cross This Plane maybe it's a

353

00:15:56,810 --> 00:15:55,320

balloon or something I don't know maybe

354

00:15:59,210 --> 00:15:56,820

someone just drew it on there with a

355

00:16:04,250 --> 00:16:00,889

or maybe it's some sort of weird

356

00:16:08,629 --> 00:16:04,260

cigar-shaped UAP I don't know

357

00:16:10,670 --> 00:16:08,639

and no one knows but yet we're all here

358

00:16:12,949 --> 00:16:10,680

talking about it

359

00:16:16,970 --> 00:16:12,959

and all that and I gotta be honest like

360

00:16:19,550 --> 00:16:16,980

the actual object itself to me is not

361

00:16:21,949 --> 00:16:19,560

important at all

362

00:16:24,170 --> 00:16:21,959

not important

363

00:16:27,290 --> 00:16:24,180

um this guy on Twitter I like his stuff

364

00:16:29,150 --> 00:16:27,300

his name is Klaus I believe

365

00:16:31,970 --> 00:16:29,160

um yeah some good things to comment once

366

00:16:34,189 --> 00:16:31,980

in a while he made the point of where

367

00:16:37,970 --> 00:16:34,199

you know the real story here is how

368

00:16:41,870 --> 00:16:37,980

stuff is leaking from military branches

369

00:16:47,689 --> 00:16:44,329

you know to then come and and and

370

00:16:52,430 --> 00:16:50,749

and that's just not the way it should be

371

00:16:54,590 --> 00:16:52,440

you know we should get some actual

372

00:16:57,350 --> 00:16:54,600

transparency from the people we pay

373

00:17:00,110 --> 00:16:57,360

taxes to I know some people are watching

374

00:17:02,150 --> 00:17:00,120

this uh uh you know live out of the

375

00:17:03,410 --> 00:17:02,160

country or whatever but those of us who

376

00:17:05,150 --> 00:17:03,420

live here

377

00:17:08,329 --> 00:17:05,160

we pay taxes

378

00:17:10,189 --> 00:17:08,339

to these people a lot of taxes a lot of

379

00:17:14,329 --> 00:17:10,199

freaking taxes not just a small amount

380

00:17:19,909 --> 00:17:17,150

you know and and we have to rely on on

381

00:17:21,409 --> 00:17:19,919

leaks of little black lines

382

00:17:22,909 --> 00:17:21,419

you know

383

00:17:26,329 --> 00:17:22,919

that we don't know what the heck they

384

00:17:33,289 --> 00:17:29,810

so on the one hand I'm you know grateful

385

00:17:35,029 --> 00:17:33,299

that somebody's releasing stuff can

386

00:17:37,549 --> 00:17:35,039

somebody and I forget who made this

387

00:17:38,990 --> 00:17:37,559

comment but somebody said um it's not

388

00:17:41,090 --> 00:17:39,000

something that's gonna Force the

389

00:17:43,549 --> 00:17:41,100

president to address the American people

390

00:17:45,409 --> 00:17:43,559

uh about a non-human Intelligence on

391

00:17:47,210 --> 00:17:45,419

this Earth and that is the truth it's

392

00:17:49,690 --> 00:17:47,220

not going to do that it's just going to

393

00:17:52,909 --> 00:17:49,700

create more drama more questions

394

00:17:54,770 --> 00:17:52,919

and in the end

395

00:17:55,970 --> 00:17:54,780

is it going to create more pressure on

396

00:17:58,549 --> 00:17:55,980

the government to release stuff

397

00:18:00,470 --> 00:17:58,559

themselves probably not actually because

398

00:18:01,370 --> 00:18:00,480

it's not like convincing evidence of

399

00:18:03,350 --> 00:18:01,380

anything

400

00:18:04,970 --> 00:18:03,360

you know

401

00:18:07,970 --> 00:18:04,980

so why would they

402

00:18:09,049 --> 00:18:07,980

I guess John Greenwald emailed

403

00:18:12,409 --> 00:18:09,059

um

404

00:18:15,289 --> 00:18:12,419

our favorite person Susan Gulf cuff uh

405

00:18:18,230 --> 00:18:15,299

about it and and she wouldn't comment on

406

00:18:19,730 --> 00:18:18,240

it or say anything about it so you know

407

00:18:21,770 --> 00:18:19,740

which

408

00:18:23,029 --> 00:18:21,780

um you know the last few releases from

409

00:18:25,130 --> 00:18:23,039

Jeremy Corbell they wouldn't say

410

00:18:26,930 --> 00:18:25,140

anything on it and

411

00:18:28,490 --> 00:18:26,940

even if they knew something about it

412

00:18:30,289 --> 00:18:28,500

they're not saying anything on it

413

00:18:32,750 --> 00:18:30,299

probably because the last time they did

414

00:18:34,190 --> 00:18:32,760

he was all over the news

415

00:18:38,870 --> 00:18:34,200

um talking about it whether it be the

416

00:18:42,470 --> 00:18:38,880

pyramid Boca videos or or whatever

417

00:18:44,810 --> 00:18:42,480

you know he was all over the news

418

00:18:47,210 --> 00:18:44,820

and then when that's brought up in the

419

00:18:49,490 --> 00:18:47,220

hearing they say it's pretty much you

420

00:18:52,310 --> 00:18:49,500

know some sort of unmanned uh

421

00:18:54,169 --> 00:18:52,320

surveillance vehicle

422

00:18:56,570 --> 00:18:54,179

in the UFO hearing last year that's what

423

00:18:58,310 --> 00:18:56,580

they said do I believe that I don't

424

00:19:00,049 --> 00:18:58,320

really believe anything the government

425

00:19:02,029 --> 00:19:00,059

says when it comes to this topic to be

426  
00:19:03,529 --> 00:19:02,039  
honest with you and we can see a lot of

427  
00:19:06,770 --> 00:19:03,539  
that playing out right now whether it be

428  
00:19:08,810 --> 00:19:06,780  
Havana syndrome I think uh covet is

429  
00:19:10,370 --> 00:19:08,820  
really weird right now like the truth

430  
00:19:11,870 --> 00:19:10,380  
about that I don't know what the truth

431  
00:19:14,690 --> 00:19:11,880  
is but

432  
00:19:19,730 --> 00:19:14,700  
um I think that's probably being hidden

433  
00:19:25,730 --> 00:19:23,390  
trust in the government is eroding

434  
00:19:28,490 --> 00:19:25,740  
Big Time whether it be health

435  
00:19:31,430 --> 00:19:28,500  
or other things

436  
00:19:33,710 --> 00:19:31,440  
and that is just unfortunate because I

437  
00:19:35,450 --> 00:19:33,720  
think they're such good people within

438  
00:19:38,390 --> 00:19:35,460

government trying to do the right thing

439

00:19:39,770 --> 00:19:38,400

and it just gets drowned out by by the

440

00:19:43,610 --> 00:19:39,780

bad decision making and over

441

00:19:47,270 --> 00:19:43,620

classification of documents and data

442

00:19:49,010 --> 00:19:47,280

so hopefully something changes there

443

00:19:50,930 --> 00:19:49,020

you know hopefully it doesn't get to a

444

00:19:53,450 --> 00:19:50,940

point where they just completely

445

00:19:55,970 --> 00:19:53,460

lose the trust of everybody and we have

446

00:19:58,850 --> 00:19:55,980

to do these these huge

447

00:20:01,909 --> 00:19:58,860

um protests and everything for

448

00:20:04,010 --> 00:20:01,919

you know government transparency

449

00:20:05,390 --> 00:20:04,020

you know but none of this stuff is

450

00:20:09,650 --> 00:20:05,400

really going to make a difference unless

451  
00:20:11,090 --> 00:20:09,660  
it's some sort of emergency situation

452  
00:20:14,270 --> 00:20:11,100  
you know people these days only care

453  
00:20:17,029 --> 00:20:14,280  
about something if it's an emergency

454  
00:20:21,770 --> 00:20:19,789  
whether it's

455  
00:20:23,630 --> 00:20:21,780  
like a Vanna syndrome for instance like

456  
00:20:26,330 --> 00:20:23,640  
no one is going to care enough to

457  
00:20:28,610 --> 00:20:26,340  
protest for answers unless

458  
00:20:30,070 --> 00:20:28,620  
we all physically get hit with some sort

459  
00:20:32,810 --> 00:20:30,080  
of weird

460  
00:20:34,789 --> 00:20:32,820  
anomalous assault incident

461  
00:20:36,650 --> 00:20:34,799  
which is unfortunate

462  
00:20:38,150 --> 00:20:36,660  
that we have to act backwards like

463  
00:20:41,350 --> 00:20:38,160

something happens then we have to go

464

00:20:43,250 --> 00:20:41,360

find answers we can't be preventative

465

00:20:46,730 --> 00:20:43,260

there are people trying to be

466

00:20:49,130 --> 00:20:46,740

preventative like Ryan graves in his

467

00:20:52,010 --> 00:20:49,140

um like safe Aerospace group that he

468

00:20:54,110 --> 00:20:52,020

that he started

469

00:20:56,750 --> 00:20:54,120

you know as far as I know

470

00:20:59,750 --> 00:20:56,760

other than like The Mantel incident back

471

00:21:03,230 --> 00:20:59,760

in the day and

472

00:21:05,029 --> 00:21:03,240

think maybe the Frederick Valentine of I

473

00:21:06,289 --> 00:21:05,039

think that was in Australia that was a

474

00:21:08,750 --> 00:21:06,299

UFO incident where he actually

475

00:21:10,010 --> 00:21:08,760

disappeared other than those two in a

476  
00:21:13,250 --> 00:21:10,020  
lot of like

477  
00:21:14,770 --> 00:21:13,260  
close almost collisions there have been

478  
00:21:22,070 --> 00:21:14,780  
no

479  
00:21:23,690 --> 00:21:22,080  
it's air safety why aren't you more

480  
00:21:25,549 --> 00:21:23,700  
concerned with things like birds because

481  
00:21:27,710 --> 00:21:25,559  
more birds take down planes than UFOs

482  
00:21:28,970 --> 00:21:27,720  
have

483  
00:21:30,470 --> 00:21:28,980  
right

484  
00:21:33,049 --> 00:21:30,480  
but in this case I think they're trying

485  
00:21:35,630 --> 00:21:33,059  
to be preventative let's do something

486  
00:21:39,409 --> 00:21:35,640  
before it's too late

487  
00:21:41,750 --> 00:21:39,419  
yeah I think that's the right way to go

488  
00:21:43,310 --> 00:21:41,760

but again it's just hard to get people's

489

00:21:47,330 --> 00:21:43,320

attention unless there's some sort of an

490

00:21:47,340 --> 00:21:51,289

yes

491

00:21:55,850 --> 00:21:53,570

I was saying that Americans pay taxes to

492

00:21:58,310 --> 00:21:55,860

the government only to be lied to by the

493

00:21:59,810 --> 00:21:58,320

government lied to or just office you

494

00:22:01,730 --> 00:21:59,820

know stuff

495

00:22:04,789 --> 00:22:01,740

just hidden

496

00:22:07,730 --> 00:22:04,799

you know and it's just unfortunate

497

00:22:10,430 --> 00:22:07,740

so that's the story about uh the Corbell

498

00:22:12,409 --> 00:22:10,440

thing there's some drama going on right

499

00:22:15,110 --> 00:22:12,419

now with uh

500

00:22:17,570 --> 00:22:15,120

with all that and Jay Stratton and I'd

501  
00:22:19,549 --> 00:22:17,580  
just rather not get into it so

502  
00:22:19,850 --> 00:22:19,559  
I'll leave that for other people to hash

503  
00:22:21,669 --> 00:22:19,860  
out

504  
00:22:24,590 --> 00:22:21,679  
[Laughter]

505  
00:22:26,029 --> 00:22:24,600  
but it's interesting that the drummer

506  
00:22:28,190 --> 00:22:26,039  
revolves around two people who have

507  
00:22:31,730 --> 00:22:28,200  
stories with Anonymous sources it's just

508  
00:22:34,549 --> 00:22:31,740  
the epitome of uh hypocrisy in my

509  
00:22:36,710 --> 00:22:34,559  
opinion you know a part of the argument

510  
00:22:38,330 --> 00:22:36,720  
is one guy can you know it's okay for

511  
00:22:40,549 --> 00:22:38,340  
one person to have anonymous source but

512  
00:22:41,990 --> 00:22:40,559  
not the other because this this or that

513  
00:22:43,549 --> 00:22:42,000

it's not okay for anyone to have

514

00:22:46,370 --> 00:22:43,559

Anonymous sources

515

00:22:48,649 --> 00:22:46,380

I mean you can have them fine do what

516

00:22:51,649 --> 00:22:48,659

you want but for your story to be taken

517

00:22:57,350 --> 00:22:53,930

you need an actual witness or somebody

518

00:23:00,169 --> 00:22:57,360

on the record that's why Ryan Graves is

519

00:23:01,549 --> 00:23:00,179

on 60 Minutes or David fravor

520

00:23:03,830 --> 00:23:01,559

you know

521

00:23:05,990 --> 00:23:03,840

because they're willing to put their

522

00:23:08,810 --> 00:23:06,000

reputation on the line

523

00:23:10,610 --> 00:23:08,820

for their experience because it means

524

00:23:12,950 --> 00:23:10,620

that much to them

525

00:23:14,750 --> 00:23:12,960

you know and if you can't get someone on

526

00:23:16,549 --> 00:23:14,760

the record the story is only going to go

527

00:23:17,750 --> 00:23:16,559

so far

528

00:23:22,070 --> 00:23:17,760

for better

529

00:23:30,770 --> 00:23:24,190

so

530

00:23:35,390 --> 00:23:32,810

we get a comment here seems pay to

531

00:23:38,630 --> 00:23:35,400

actors it sucks gives me a sciabs fives

532

00:23:40,730 --> 00:23:38,640

for sure I don't know I don't know you

533

00:23:41,630 --> 00:23:40,740

know you could get stuck in those rabbit

534

00:23:43,970 --> 00:23:41,640

holes

535

00:23:46,970 --> 00:23:43,980

about is this personal lie to me is it

536

00:23:49,190 --> 00:23:46,980

not lying to me you know do I like them

537

00:23:51,110 --> 00:23:49,200

do I not I don't know doesn't really

538

00:23:53,930 --> 00:23:51,120

matter what matters is the information

539

00:23:55,610 --> 00:23:53,940

that has been given to us isn't enough

540

00:23:57,649 --> 00:23:55,620

to move the ball anywhere and there's

541

00:23:59,570 --> 00:23:57,659

not enough information that comes with

542

00:24:01,549 --> 00:23:59,580

it to do that

543

00:24:03,529 --> 00:24:01,559

you know and that's I'm not going to say

544

00:24:04,789 --> 00:24:03,539

it's anybody's fault like you got this

545

00:24:05,750 --> 00:24:04,799

stuff You released did he put it out

546

00:24:07,850 --> 00:24:05,760

whatever

547

00:24:10,130 --> 00:24:07,860

you know but it's it's not going to

548

00:24:12,529 --> 00:24:10,140

force our government to do anything

549

00:24:14,810 --> 00:24:12,539

because it can't be verified by

550

00:24:17,750 --> 00:24:14,820

absolutely anyone other than the person

551  
00:24:23,870 --> 00:24:21,110  
and that's just the truth unfortunately

552  
00:24:26,570 --> 00:24:23,880  
so but you can find uh corbelline

553  
00:24:28,370 --> 00:24:26,580  
talking about those photos in their

554  
00:24:32,270 --> 00:24:28,380  
podcast the first it's a two-hour

555  
00:24:35,930 --> 00:24:32,280  
podcast in the the first hour in 55

556  
00:24:38,810 --> 00:24:35,940  
minutes of that podcast is rehashing the

557  
00:24:42,169 --> 00:24:38,820  
Bob Lazar story

558  
00:24:46,310 --> 00:24:42,179  
in the last five minutes of that podcast

559  
00:24:50,270 --> 00:24:49,010  
and the title of the video

560  
00:24:53,510 --> 00:24:50,280  
is

561  
00:24:57,230 --> 00:24:53,520  
Baghdad Phantom

562  
00:24:59,870 --> 00:24:57,240  
so check that out if you want

563  
00:25:02,690 --> 00:24:59,880

and yeah give me your thoughts if if you

564

00:25:05,630 --> 00:25:02,700

watch this uh later comment in the in

565

00:25:07,789 --> 00:25:05,640

the comments tell me what you think

566

00:25:12,890 --> 00:25:07,799

so

567

00:25:15,950 --> 00:25:12,900

of news that we could uh discuss one of

568

00:25:18,590 --> 00:25:15,960

which was released by

569

00:25:20,750 --> 00:25:18,600

um debrief good website they have some

570

00:25:22,250 --> 00:25:20,760

good stories coming out

571

00:25:23,570 --> 00:25:22,260

they've been around for a while now

572

00:25:25,130 --> 00:25:23,580

they've been doing a good job Tim

573

00:25:26,810 --> 00:25:25,140

McMillan always

574

00:25:28,430 --> 00:25:26,820

um read some really good pieces I

575

00:25:30,710 --> 00:25:28,440

appreciate dude

576

00:25:33,350 --> 00:25:30,720

it says Global allies turned a blind eye

577

00:25:36,230 --> 00:25:33,360

to adversarial adversarial uh Airborne

578

00:25:37,430 --> 00:25:36,240

surveillance and UAP despite U.S

579

00:25:39,590 --> 00:25:37,440

warnings

580

00:25:40,970 --> 00:25:39,600

following the shutdowns of a suspected

581

00:25:43,250 --> 00:25:40,980

Chinese surveillance balloon at three

582

00:25:45,169 --> 00:25:43,260

UFOs over North America last month

583

00:25:47,510 --> 00:25:45,179

American officials have suggested that

584

00:25:50,090 --> 00:25:47,520

Ariel Espionage and surveillance through

585

00:25:52,610 --> 00:25:50,100

unconventional means such as high

586

00:25:55,789 --> 00:25:52,620

altitude balloons or drones is a global

587

00:25:58,370 --> 00:25:55,799

issue not limited to the US in a

588

00:26:00,529 --> 00:25:58,380

February 8th day after my birthday

589

00:26:02,990 --> 00:26:00,539

press conference Pentagon press

590

00:26:04,909 --> 00:26:03,000

secretary Air Force Brigadier General

591

00:26:06,769 --> 00:26:04,919

Pat Ryder underscore at this point when

592

00:26:08,570 --> 00:26:06,779

he revealed that the dod had tracked

593

00:26:10,789 --> 00:26:08,580

high altitude Chinese surveillance

594

00:26:14,390 --> 00:26:10,799

platforms operating over at least 70

595

00:26:16,010 --> 00:26:14,400

percent of the world wow

596

00:26:18,890 --> 00:26:16,020

we know that these balloons have been

597

00:26:20,450 --> 00:26:18,900

spotted and what we now can subsequently

598

00:26:22,430 --> 00:26:20,460

assess to be Chinese balloons operating

599

00:26:24,230 --> 00:26:22,440

over at least five continents in regions

600

00:26:27,230 --> 00:26:24,240

like Latin America South America

601  
00:26:29,630 --> 00:26:27,240  
southeast Asia East Asia and Europe said

602  
00:26:31,610 --> 00:26:29,640  
generator

603  
00:26:33,529 --> 00:26:31,620  
officials have likewise suggested that

604  
00:26:35,630 --> 00:26:33,539  
incidents involving unidentified aerial

605  
00:26:37,669 --> 00:26:35,640  
phenomena which in some cases may

606  
00:26:39,890 --> 00:26:37,679  
represent foreign surveillance systems

607  
00:26:42,049 --> 00:26:39,900  
also impact American Allies and

608  
00:26:44,810 --> 00:26:42,059  
international partners

609  
00:26:46,610 --> 00:26:44,820  
the claims of a Chinese Global spy

610  
00:26:48,590 --> 00:26:46,620  
program were more broadly incidents

611  
00:26:50,750 --> 00:26:48,600  
involving unidentified are unusual

612  
00:26:52,850 --> 00:26:50,760  
Airborne objects may indeed be an

613  
00:26:57,110 --> 00:26:52,860

international issue however America's

614

00:27:00,110 --> 00:26:57,120

allies appear unwilling to talk about it

615

00:27:02,149 --> 00:27:00,120

out of NATO's 30 member states and two

616

00:27:04,130 --> 00:27:02,159

prospective members Sweden and Finland

617

00:27:05,750 --> 00:27:04,140

only Germany's federal Ministry of

618

00:27:07,789 --> 00:27:05,760

Defense

619

00:27:09,769 --> 00:27:07,799

was willing to discuss the concerns of

620

00:27:11,210 --> 00:27:09,779

high altitude surveillance or UAP with

621

00:27:13,610 --> 00:27:11,220

the debrief

622

00:27:15,529 --> 00:27:13,620

close Pacific and Oceania allies like

623

00:27:18,169 --> 00:27:15,539

Australia Japan South Korea additionally

624

00:27:20,090 --> 00:27:18,179

declined to speak on the topic

625

00:27:23,690 --> 00:27:20,100

which is interesting because I think it

626

00:27:25,130 --> 00:27:23,700

was Japan who actually started some UAP

627

00:27:27,350 --> 00:27:25,140

thing

628

00:27:29,870 --> 00:27:27,360

couple years ago now and they were going

629

00:27:32,930 --> 00:27:29,880

to share information with the US

630

00:27:34,970 --> 00:27:32,940

that was kind of big news

631

00:27:37,310 --> 00:27:34,980

which outfit do you guys like by the way

632

00:27:38,210 --> 00:27:37,320

see these outfits which one would you go

633

00:27:42,890 --> 00:27:38,220

with

634

00:27:43,580 --> 00:27:42,900

uh they're all kind of ugly

635

00:27:46,669 --> 00:27:43,590

sorry

636

00:27:49,250 --> 00:27:46,679

[Laughter]

637

00:27:50,870 --> 00:27:49,260

Moving On Foreign allies may be unmoved

638

00:27:52,430 --> 00:27:50,880

by the potential of unconventional

639

00:27:55,430 --> 00:27:52,440

Airborne platforms invading their

640

00:27:57,110 --> 00:27:55,440

airspace however there is good reason to

641

00:27:58,789 --> 00:27:57,120

believe someone has been using

642

00:28:00,289 --> 00:27:58,799

unconventional Airborne systems to

643

00:28:03,230 --> 00:28:00,299

gather intelligence on critical

644

00:28:05,390 --> 00:28:03,240

facilities such as military bases and

645

00:28:08,330 --> 00:28:05,400

nuclear power plants throughout the late

646

00:28:11,149 --> 00:28:08,340

to 2014 and early 2015 swarms of

647

00:28:13,310 --> 00:28:11,159

mysterious unmanned aerial Vehicles were

648

00:28:15,409 --> 00:28:13,320

repeatedly observed flying over nuclear

649

00:28:18,110 --> 00:28:15,419

power facilities across France and

650

00:28:20,210 --> 00:28:18,120

Belgium yes I remember that

651  
00:28:22,130 --> 00:28:20,220  
um the incidents taking place mostly at

652  
00:28:23,930 --> 00:28:22,140  
night involve drones of different sizes

653  
00:28:26,690 --> 00:28:23,940  
and capabilities including some large

654  
00:28:30,110 --> 00:28:26,700  
military grade at uavs appearing to be

655  
00:28:31,850 --> 00:28:30,120  
nearly 7.5 feet in length the mystery

656  
00:28:34,930 --> 00:28:31,860  
drones flew over nuclear facilities

657  
00:28:39,710 --> 00:28:34,940  
hundreds of miles apart simultaneously

658  
00:28:44,330 --> 00:28:39,720  
on several occasions now that is creepy

659  
00:28:48,110 --> 00:28:44,340  
uh from 2019 to 2021 the UK experienced

660  
00:28:50,149 --> 00:28:48,120  
18 separate wow 18 separate drone

661  
00:28:53,149 --> 00:28:50,159  
sightings over military sites and power

662  
00:28:56,810 --> 00:28:53,159  
stations one of the sites his Majesty's

663  
00:28:58,789 --> 00:28:56,820

Naval Base Clyde is home to the Royal

664

00:29:00,529 --> 00:28:58,799

Navy's Trident submarines and nuclear

665

00:29:04,850 --> 00:29:00,539

weapons wow

666

00:29:08,570 --> 00:29:06,950

more recently the debrief reported a

667

00:29:11,090 --> 00:29:08,580

rash of mysterious drone sightings over

668

00:29:13,549 --> 00:29:11,100

several nuclear facilities across Sweden

669

00:29:14,990 --> 00:29:13,559

2022

670

00:29:16,789 --> 00:29:15,000

wow

671

00:29:18,409 --> 00:29:16,799

debrief was first to report that

672

00:29:20,389 --> 00:29:18,419

suspicious drones have been spotted

673

00:29:23,090 --> 00:29:20,399

flying near German military sites being

674

00:29:25,850 --> 00:29:23,100

used to train Ukrainian soldiers

675

00:29:27,830 --> 00:29:25,860

in the use of NATO weapons and equipment

676  
00:29:28,730 --> 00:29:27,840  
I mean what a good report this is just

677  
00:29:31,430 --> 00:29:28,740  
like

678  
00:29:33,769 --> 00:29:31,440  
spelling it out for you

679  
00:29:36,649 --> 00:29:33,779  
in each of these cases only in the

680  
00:29:37,870 --> 00:29:36,659  
incidence over you the UK as a suspect

681  
00:29:40,430 --> 00:29:37,880  
for the

682  
00:29:42,529 --> 00:29:40,440  
inclusions been named to demean

683  
00:29:44,149 --> 00:29:42,539  
incursions first reported by the daily

684  
00:29:46,610 --> 00:29:44,159  
mayor British intelligence officials

685  
00:29:49,010 --> 00:29:46,620  
claimed similar happenings in the UK

686  
00:29:51,649 --> 00:29:49,020  
where the work of a very mature and

687  
00:29:54,470 --> 00:29:51,659  
sophisticated Espionage program being

688  
00:29:56,389 --> 00:29:54,480

run by the Chinese

689

00:29:59,529 --> 00:29:56,399

Maybe

690

00:30:03,529 --> 00:29:59,539

so this goes on and on I will

691

00:30:07,190 --> 00:30:03,539

share this article with you

692

00:30:09,529 --> 00:30:07,200

so you can read it if you want

693

00:30:14,090 --> 00:30:09,539

and you know what I'd take a lot of

694

00:30:16,070 --> 00:30:14,100

pride in here is the chat group always

695

00:30:18,470 --> 00:30:16,080

seems to solve

696

00:30:19,970 --> 00:30:18,480

the big questions right

697

00:30:21,889 --> 00:30:19,980

today

698

00:30:23,450 --> 00:30:21,899

the big question is this your own

699

00:30:25,070 --> 00:30:23,460

surveillance program who's flying them

700

00:30:29,210 --> 00:30:25,080

well we got our answer from Robert

701  
00:30:32,450 --> 00:30:31,010

good job

702  
00:30:35,870 --> 00:30:32,460

I don't know if the government's going

703  
00:30:41,330 --> 00:30:35,880

to take you serious on that one big Bob

704  
00:30:47,570 --> 00:30:45,649

so let me just scroll through this here

705  
00:30:49,549 --> 00:30:47,580

and and you know we also have like

706  
00:30:52,370 --> 00:30:49,559

obviously the incidents over our own

707  
00:30:53,930 --> 00:30:52,380

nuclear stations um Tom Rogan who we had

708  
00:30:55,610 --> 00:30:53,940

on the show a while ago wrote about that

709  
00:30:58,010 --> 00:30:55,620

Lawrence

710  
00:30:59,810 --> 00:30:58,020

Livermore laboratory some of which were

711  
00:31:02,810 --> 00:30:59,820

described as drones

712  
00:31:05,210 --> 00:31:02,820

I think one was uh they couldn't

713  
00:31:06,409 --> 00:31:05,220

describe it they you know to me by

714

00:31:07,970 --> 00:31:06,419

reading it seemed like it was too far

715

00:31:09,350 --> 00:31:07,980

away

716

00:31:11,330 --> 00:31:09,360

and here we have another beautiful

717

00:31:13,789 --> 00:31:11,340

blurry photograph where you can't really

718

00:31:16,789 --> 00:31:13,799

tell a damn thing about it so you know

719

00:31:23,510 --> 00:31:19,669

much so you can read that for yourself

720

00:31:25,610 --> 00:31:23,520

but that reminds me I commented on

721

00:31:28,130 --> 00:31:25,620

Twitter about this the other day you

722

00:31:30,710 --> 00:31:28,140

ever notice how these pictures of UFOs

723

00:31:32,810 --> 00:31:30,720

or videos of UFOs

724

00:31:34,130 --> 00:31:32,820

um they're always they're always like

725

00:31:35,090 --> 00:31:34,140

Blurry right you can't really tell what

726

00:31:36,830 --> 00:31:35,100

they are

727

00:31:39,769 --> 00:31:36,840

and

728

00:31:42,130 --> 00:31:39,779

how that's just like an ink blot you

729

00:31:45,230 --> 00:31:42,140

know what an ink blot is right like the

730

00:31:46,850 --> 00:31:45,240

just the card with some ink on it and

731

00:31:48,590 --> 00:31:46,860

you're supposed to say the first words

732

00:31:50,389 --> 00:31:48,600

that come to your mind or whatever you

733

00:31:52,190 --> 00:31:50,399

think it looks like but it you know it's

734

00:31:53,690 --> 00:31:52,200

made abstract so it could look like a

735

00:31:55,970 --> 00:31:53,700

couple different things that's what

736

00:31:58,250 --> 00:31:55,980

these UFO photos are it's like you look

737

00:32:01,130 --> 00:31:58,260

at it and

738

00:32:02,990 --> 00:32:01,140

you know the the person who looks at it

739

00:32:04,970 --> 00:32:03,000

can kind of

740

00:32:07,789 --> 00:32:04,980

see what it looks like to them and it is

741

00:32:09,649 --> 00:32:07,799

different for everybody if you have a uh

742

00:32:12,289 --> 00:32:09,659

like a debunker like let's say like

743

00:32:14,810 --> 00:32:12,299

Midwest he's gonna look at this and

744

00:32:16,370 --> 00:32:14,820

obviously say

745

00:32:18,110 --> 00:32:16,380

you know it's a balloon looks like a

746

00:32:20,210 --> 00:32:18,120

balloon and you can't say he's wrong

747

00:32:22,669 --> 00:32:20,220

because you don't freaking know but

748

00:32:25,730 --> 00:32:22,679

somebody who is a big believer in UFOs

749

00:32:28,430 --> 00:32:25,740

and and you know thinks that this is

750

00:32:30,710 --> 00:32:28,440

some uh extraterrestrial spacecraft is

751

00:32:32,029 --> 00:32:30,720

going to go it's just

752

00:32:34,310 --> 00:32:32,039

ET spaceship

753

00:32:37,430 --> 00:32:34,320

you know but the thing is you can't

754

00:32:40,310 --> 00:32:38,750

you know

755

00:32:42,409 --> 00:32:40,320

you can't

756

00:32:45,230 --> 00:32:42,419

is it more unlikely yeah sure of course

757

00:32:47,389 --> 00:32:45,240

but you can't prove it wrong

758

00:32:49,370 --> 00:32:47,399

and that's the thing with UFOs is you'll

759

00:32:52,010 --> 00:32:49,380

never be able to prove

760

00:32:53,990 --> 00:32:52,020

that an extraterrestrial spaceship has

761

00:32:56,990 --> 00:32:54,000

not visited Earth you'll never be able

762

00:33:03,950 --> 00:33:00,889

it's impossible so the question of it

763

00:33:06,590 --> 00:33:03,960

you know being a thing that's happened

764

00:33:09,970 --> 00:33:06,600

will always remain

765

00:33:14,870 --> 00:33:12,409

disprove that

766

00:33:17,269 --> 00:33:14,880

so

767

00:33:19,549 --> 00:33:17,279

but yeah this is a good story by Mr Tim

768

00:33:21,409 --> 00:33:19,559

McMillan I would love to get this guy on

769

00:33:23,810 --> 00:33:21,419

the show I think we would have a great

770

00:33:26,389 --> 00:33:23,820

conversation

771

00:33:28,730 --> 00:33:26,399

he's a very laid-back person I think he

772

00:33:31,330 --> 00:33:28,740

does the work he works hard

773

00:33:33,590 --> 00:33:31,340

I'd love to get him on here to

774

00:33:37,190 --> 00:33:33,600

discuss things I know he doesn't do

775

00:33:44,990 --> 00:33:40,610

um I tried to reach out to him before

776

00:33:50,090 --> 00:33:48,590

but you know maybe I didn't word my

777

00:33:52,009 --> 00:33:50,100

email correctly

778

00:33:54,590 --> 00:33:52,019

maybe he's the type of guy instead of

779

00:33:57,110 --> 00:33:54,600

getting a hate him he would respond

780

00:34:00,529 --> 00:33:57,120

better to a high temp

781

00:34:06,230 --> 00:34:02,570

things get weird when I'm by myself and

782

00:34:09,589 --> 00:34:06,240

I'm gonna blame Jay Christopher King

783

00:34:12,409 --> 00:34:09,599

for not being here and allowing me

784

00:34:14,690 --> 00:34:12,419

to get so goofy

785

00:34:16,730 --> 00:34:14,700

so

786

00:34:19,070 --> 00:34:16,740

uh kind of backtracking a bit I thought

787

00:34:21,889 --> 00:34:19,080

this would be interesting

788

00:34:22,970 --> 00:34:21,899

because of the picture Corbell

789

00:34:26,210 --> 00:34:22,980

um

790

00:34:28,070 --> 00:34:26,220

he always says obtained and released

791

00:34:30,470 --> 00:34:28,080

like it's a legal thing like he has to

792

00:34:34,490 --> 00:34:30,480

say it that way I've obtained and

793

00:34:39,050 --> 00:34:34,500

released these photos oh he says it

794

00:34:46,190 --> 00:34:42,649

so by who I don't know but

795

00:34:50,030 --> 00:34:46,200

they reminded me of and I'm not going to

796

00:34:58,010 --> 00:34:55,010

this U.S Air Force Air Base in Japan

797

00:35:02,810 --> 00:34:58,020

back in 1957.

798

00:35:02,820 --> 00:35:07,250

looks kind of just like it

799

00:35:11,510 --> 00:35:08,810

and what is it

800

00:35:16,430 --> 00:35:11,520

it's a skinny

801  
00:35:16,440 --> 00:35:21,410  
so here's a little closer one

802  
00:35:29,030 --> 00:35:24,410  
you know here's our inkblot

803  
00:35:33,490 --> 00:35:30,530  
you know I can't prove you're wrong and

804  
00:35:35,930 --> 00:35:33,500  
you can't prove I'm wrong so there it is

805  
00:35:37,550 --> 00:35:35,940  
this one's upside down thanks a lot

806  
00:35:39,050 --> 00:35:37,560  
Japan

807  
00:35:41,569 --> 00:35:39,060  
okay

808  
00:35:43,310 --> 00:35:41,579  
wow see that looks pretty big see now

809  
00:35:46,790 --> 00:35:43,320  
you could say that maybe is just some

810  
00:35:51,950 --> 00:35:49,069  
or maybe it's

811  
00:35:54,530 --> 00:35:51,960  
an extraterrestrial freaking spacecraft

812  
00:35:57,589 --> 00:35:54,540  
I'm not sure but that's a cool picture

813  
00:36:00,050 --> 00:35:57,599

either way you got the plagues up there

814

00:36:01,609 --> 00:36:00,060

Japan America 11 on each other how about

815

00:36:04,310 --> 00:36:01,619

that

816

00:36:05,630 --> 00:36:04,320

still to this day

817

00:36:08,329 --> 00:36:05,640

freaking

818

00:36:10,849 --> 00:36:08,339

send it planes into Pearl Harbor but

819

00:36:13,130 --> 00:36:10,859

we were able to bury the hatchet I guess

820

00:36:15,650 --> 00:36:13,140

so

821

00:36:18,470 --> 00:36:15,660

weird how that stuff works

822

00:36:21,109 --> 00:36:20,150

that's pretty much all I got for that

823

00:36:23,210 --> 00:36:21,119

one

824

00:36:25,130 --> 00:36:23,220

um where are we at we got 36 minutes now

825

00:36:28,490 --> 00:36:25,140

would be a good time to

826

00:36:35,569 --> 00:36:31,030

into

827

00:36:38,450 --> 00:36:35,579

yeah go I mean go for maybe right

828

00:36:40,490 --> 00:36:38,460

prove it you can't prove it so I'm going

829

00:36:42,950 --> 00:36:40,500

to go with alien spacecraft and you try

830

00:36:44,930 --> 00:36:42,960

to prove me wrong we'll see who wins by

831

00:36:46,849 --> 00:36:44,940

the way I got this New Jersey

832

00:36:50,930 --> 00:36:46,859

Milwaukee Bucks

833

00:36:55,730 --> 00:36:52,670

I'm just saying I'm pretty excited about

834

00:36:58,849 --> 00:36:55,740

it I don't buy stuff like that very

835

00:37:01,370 --> 00:36:58,859

often so any nice comments about it like

836

00:37:04,609 --> 00:37:01,380

it looks good on you

837

00:37:06,349 --> 00:37:04,619

you know matches your your skin tone

838

00:37:08,450 --> 00:37:06,359

um goes well with the hat I like the

839

00:37:09,950 --> 00:37:08,460

hoodie underneath anything like that you

840

00:37:12,230 --> 00:37:09,960

want to say

841

00:37:14,630 --> 00:37:12,240

I would totally accept it

842

00:37:17,030 --> 00:37:14,640

so but that's uh

843

00:37:19,670 --> 00:37:17,040

I'm not gonna force you

844

00:37:21,650 --> 00:37:19,680

that can force you to do that but if you

845

00:37:25,069 --> 00:37:21,660

if you could that'd be great if you

846

00:37:27,470 --> 00:37:25,079

could say something nice that'd be great

847

00:37:30,230 --> 00:37:27,480

you know no we have Andre is trying to

848

00:37:31,910 --> 00:37:30,240

distract from the Jersey

849

00:37:33,829 --> 00:37:31,920

asked him about Aaron leaving Green Bay

850

00:37:35,569 --> 00:37:33,839

Aaron Rodgers leaving the Green Bay

851

00:37:38,030 --> 00:37:35,579

Packers it looks like he's going to the

852

00:37:40,730 --> 00:37:38,040

New York Jets

853

00:37:42,349 --> 00:37:40,740

oh well yeah see there we go you look

854

00:37:44,270 --> 00:37:42,359

okay in blue that's not a great

855

00:37:45,230 --> 00:37:44,280

compliment but it's not a bad one I'll

856

00:37:47,030 --> 00:37:45,240

take it

857

00:37:48,770 --> 00:37:47,040

thank you

858

00:37:50,810 --> 00:37:48,780

there we go sweet that's what I'm

859

00:37:52,790 --> 00:37:50,820

talking about sweet Jersey I was about

860

00:37:54,290 --> 00:37:52,800

to ask but I came in late you're

861

00:37:57,609 --> 00:37:54,300

forgiven

862

00:38:03,770 --> 00:38:00,170

I'm losing my mind today

863

00:38:06,170 --> 00:38:03,780

okay so we're gonna transition into uh

864

00:38:10,069 --> 00:38:06,180

I'm gonna bow out for a little bit

865

00:38:11,930 --> 00:38:11,150

and

866

00:38:14,030 --> 00:38:11,940

um

867

00:38:15,710 --> 00:38:14,040

you know no that's a good point not that

868

00:38:22,069 --> 00:38:15,720

crazy ever had a plate with a guy that

869

00:38:22,079 --> 00:38:26,810

I don't know that's a good question

870

00:38:30,470 --> 00:38:28,849

I had in high school like the first

871

00:38:33,050 --> 00:38:30,480

couple years of high school this this

872

00:38:34,190 --> 00:38:33,060

kid hated me so I always wore Superman

873

00:38:36,650 --> 00:38:34,200

shirts

874

00:38:38,750 --> 00:38:36,660

and we wind up being best friends Junior

875

00:38:40,250 --> 00:38:38,760

and Senior year so that's kind of

876

00:38:42,290 --> 00:38:40,260

you know eating

877

00:38:43,490 --> 00:38:42,300

kill my friends or anything but you know

878

00:38:45,230 --> 00:38:43,500

okay

879

00:38:46,910 --> 00:38:45,240

so

880

00:38:49,010 --> 00:38:46,920

I'm gonna bow out for a second while we

881

00:38:52,790 --> 00:38:49,020

watch a little bit of this video because

882

00:38:56,569 --> 00:38:52,800

I think it's pretty good it's one of the

883

00:38:59,690 --> 00:38:56,579

first kind of publicized type of uh

884

00:39:03,890 --> 00:38:59,700

contact close to counter events happen

885

00:39:03,900 --> 00:39:16,430

Father William B Gill

886

00:39:23,690 --> 00:39:20,030

I'm going to redo this just to make sure

887

00:39:26,690 --> 00:39:23,700

that I'm getting sound in because we've

888

00:39:30,050 --> 00:39:28,970

you guys aren't getting sound

889

00:39:31,490 --> 00:39:30,060

so

890

00:39:34,370 --> 00:39:31,500

I'm just gonna make sure that it's

891

00:39:38,530 --> 00:39:34,380

working correctly

892

00:39:43,609 --> 00:39:42,230

can you imagine what it's like to look

893

00:39:48,050 --> 00:39:43,619

up in the sky

894

00:39:52,849 --> 00:39:48,060

and see a totally foreign looking object

895

00:39:54,530 --> 00:39:52,859

their status just hovering uh not very

896

00:39:58,130 --> 00:39:54,540

far high up maybe two or three hundred

897

00:40:00,109 --> 00:39:58,140

feet up in the air and

898

00:40:02,710 --> 00:40:00,119

glowing

899

00:40:06,170 --> 00:40:02,720

and two

900

00:40:09,829 --> 00:40:06,180

uh bipods jutting out from behind it

901  
00:40:10,910 --> 00:40:09,839  
from underneath it and sparkling all

902  
00:40:12,349 --> 00:40:10,920  
around

903  
00:40:14,930 --> 00:40:12,359  
and

904  
00:40:17,510 --> 00:40:14,940  
some figures up there

905  
00:40:19,010 --> 00:40:17,520  
this solid looking object

906  
00:40:22,790 --> 00:40:19,020  
and

907  
00:40:26,270 --> 00:40:22,800  
figures walking about on top

908  
00:40:28,310 --> 00:40:26,280  
and not the slightest noise whatsoever

909  
00:40:30,290 --> 00:40:28,320  
and so

910  
00:40:32,990 --> 00:40:30,300  
we waved

911  
00:40:35,690 --> 00:40:33,000  
wouldn't it be wonderful if we could get

912  
00:40:37,609 --> 00:40:35,700  
this object down onto the playing field

913  
00:40:39,290 --> 00:40:37,619

and as we waved

914

00:40:41,150 --> 00:40:39,300

wondering whether we'd get some

915

00:40:43,910 --> 00:40:41,160

recognition on whether perhaps they

916

00:40:45,349 --> 00:40:43,920

would understand what we wanted they

917

00:40:47,930 --> 00:40:45,359

waved back

918

00:40:50,510 --> 00:40:47,940

so I asked a boy to go quickly down

919

00:40:53,930 --> 00:40:50,520

bring the torch bring the pencil bring

920

00:40:56,150 --> 00:40:53,940

your paper and return as quickly as you

921

00:40:57,950 --> 00:40:56,160

can so that I can get if or any other

922

00:41:01,490 --> 00:40:57,960

events that occur minute by minute

923

00:41:03,950 --> 00:41:01,500

movements so that at least we'd be able

924

00:41:05,990 --> 00:41:03,960

to um to talk about it the next day

925

00:41:08,329 --> 00:41:06,000

and this he did very very quickly he

926  
00:41:12,230 --> 00:41:08,339  
brought it back we brought the torch and

927  
00:41:13,190 --> 00:41:12,240  
put the torch on and Shawn it to the The

928  
00:41:15,890 --> 00:41:13,200  
Craft

929  
00:41:20,569 --> 00:41:15,900  
and as he did so

930  
00:41:21,589 --> 00:41:20,579  
he waved the or uh moved the torch uh

931  
00:41:23,510 --> 00:41:21,599  
this way

932  
00:41:26,630 --> 00:41:23,520  
and

933  
00:41:29,210 --> 00:41:26,640  
we were dumbfounded when we looked at

934  
00:41:31,609 --> 00:41:29,220  
the craft and the craft was as though it

935  
00:41:35,510 --> 00:41:31,619  
was responding to the torch uh it began

936  
00:41:38,990 --> 00:41:35,520  
to do this too you know like a uh a disc

937  
00:41:41,690 --> 00:41:39,000  
shaped object just uh moving the same

938  
00:41:45,349 --> 00:41:41,700

way responding to the to the movement of

939

00:41:48,230 --> 00:41:45,359

the torch next day uh just prior to the

940

00:41:50,510 --> 00:41:48,240

evening service about seven o'clock the

941

00:41:55,250 --> 00:41:50,520

thing was there again it had arrived

942

00:41:58,550 --> 00:41:55,260

about an hour earlier and we all decided

943

00:42:02,089 --> 00:41:58,560

to have the normal even song that we do

944

00:42:04,190 --> 00:42:02,099

have on on those nights

945

00:42:06,589 --> 00:42:04,200

um because uh well the thing was out

946

00:42:08,089 --> 00:42:06,599

there outside the church anyway and we

947

00:42:10,609 --> 00:42:08,099

thought it wouldn't go away doing the

948

00:42:13,550 --> 00:42:10,619

service uh and it didn't and when we

949

00:42:16,730 --> 00:42:13,560

came out there it was still up in the

950

00:42:18,230 --> 00:42:16,740

sky and so for another hour or two we

951  
00:42:23,270 --> 00:42:18,240  
watched

952  
00:42:27,890 --> 00:42:23,280  
um and then suddenly it did go and there

953  
00:42:31,990 --> 00:42:27,900  
was a is amazingly incredible speed that

954  
00:42:35,210 --> 00:42:32,000  
the whole craft disappeared to nothing

955  
00:42:36,829 --> 00:42:35,220  
across the bay in that of a second or so

956  
00:42:38,930 --> 00:42:36,839  
well now

957  
00:42:42,730 --> 00:42:38,940  
what are we to think of this kind of

958  
00:42:47,270 --> 00:42:42,740  
phenomenon people claiming to see

959  
00:42:49,730 --> 00:42:47,280  
things such as I did the 38 of us and we

960  
00:42:52,430 --> 00:42:49,740  
all believe that we saw it but of course

961  
00:42:58,370 --> 00:42:52,440  
we don't expect other people to believe

962  
00:42:58,380 --> 00:43:02,089  
there are

963  
00:43:06,410 --> 00:43:03,770

food yeah right

964

00:43:09,109 --> 00:43:06,420

so

965

00:43:10,670 --> 00:43:09,119

pretty interest very interesting case we

966

00:43:12,470 --> 00:43:10,680

have a reverend Gill and you can tell

967

00:43:15,470 --> 00:43:12,480

when he's

968

00:43:17,030 --> 00:43:15,480

um you know talking about it is his eyes

969

00:43:18,650 --> 00:43:17,040

go up to the sky and he's like

970

00:43:21,290 --> 00:43:18,660

describing you can see he's like

971

00:43:22,730 --> 00:43:21,300

reliving it in that moment

972

00:43:24,050 --> 00:43:22,740

um pretty crazy and then he's looking at

973

00:43:26,089 --> 00:43:24,060

these people

974

00:43:28,490 --> 00:43:26,099

and they wave back

975

00:43:30,230 --> 00:43:28,500

can you imagine that I can't imagine

976  
00:43:34,370 --> 00:43:30,240  
that

977  
00:43:35,990 --> 00:43:34,380  
and it zips off I'm definitely just such

978  
00:43:39,050 --> 00:43:36,000  
an intense

979  
00:43:42,470 --> 00:43:39,060  
intense case and you know what's funny

980  
00:43:44,510 --> 00:43:42,480  
about it is I actually found

981  
00:43:46,730 --> 00:43:44,520  
um the files for that one

982  
00:43:48,829 --> 00:43:46,740  
in the Project Blue Book which I just

983  
00:43:52,130 --> 00:43:48,839  
shared for you

984  
00:43:55,069 --> 00:43:52,140  
in the chat so it's it's interesting

985  
00:43:58,250 --> 00:43:55,079  
that Project Blue Book is

986  
00:44:02,589 --> 00:43:58,260  
was interested in a case like this you

987  
00:44:07,490 --> 00:44:05,270  
that was in Papua New Guinea

988  
00:44:11,150 --> 00:44:07,500

so

989

00:44:14,690 --> 00:44:11,160

and they're I'm gonna bring it up here

990

00:44:18,470 --> 00:44:14,700

so you guys can take a look at it

991

00:44:27,370 --> 00:44:21,710

the Air Force said that it was uh well

992

00:44:27,380 --> 00:44:35,030

so here we go okay so the Air Force said

993

00:44:40,990 --> 00:44:38,210

the they said misinterpretation of Astro

994

00:44:45,770 --> 00:44:43,670

I'm sorry it's not funny but it's kind

995

00:44:47,569 --> 00:44:45,780

of sad like we just heard the guy's

996

00:44:50,390 --> 00:44:47,579

story

997

00:44:53,569 --> 00:44:50,400

imagine this guy telling you this and

998

00:44:56,870 --> 00:44:53,579

your answer is well those were obviously

999

00:45:02,750 --> 00:45:00,109

like he said people were waving at him

1000

00:45:04,970 --> 00:45:02,760

he gave a drawing

1001

00:45:07,069 --> 00:45:04,980

and that's all they say the preparing

1002

00:45:08,870 --> 00:45:07,079

officer indicates the possibility of the

1003

00:45:10,790 --> 00:45:08,880

planet's Jupiter and Saturn and Mars

1004

00:45:12,950 --> 00:45:10,800

being responsible for some of these

1005

00:45:14,569 --> 00:45:12,960

sightings U.S and USSR satellites were

1006

00:45:17,450 --> 00:45:14,579

also indicated as possibly being

1007

00:45:19,970 --> 00:45:17,460

responsible these people then and

1008

00:45:22,670 --> 00:45:19,980

probably now just can't even

1009

00:45:25,550 --> 00:45:22,680

comprehend

1010

00:45:28,790 --> 00:45:25,560

that something like this is possible so

1011

00:45:31,010 --> 00:45:28,800

much so that they just throw anything at

1012

00:45:34,190 --> 00:45:31,020

the wall that is not

1013

00:45:37,130 --> 00:45:34,200

what the witness said and move on it's

1014

00:45:39,470 --> 00:45:37,140

really too bad I mean on the other hand

1015

00:45:41,210 --> 00:45:39,480

if you know if I if somebody

1016

00:45:42,650 --> 00:45:41,220

said that story to me and was like go

1017

00:45:44,329 --> 00:45:42,660

study it like I don't know what the hell

1018

00:45:47,270 --> 00:45:44,339

I'm gonna do how am I going to study

1019

00:45:50,270 --> 00:45:47,280

that so maybe they felt that way so we

1020

00:45:54,470 --> 00:45:50,280

have from the air attached uh attache in

1021

00:45:59,870 --> 00:45:56,710

you know which which is so interesting

1022

00:46:04,069 --> 00:45:59,880

appearances of men at 7 pm one and two

1023

00:46:10,430 --> 00:46:06,410

why do they cross out the appearances of

1024

00:46:16,130 --> 00:46:13,370

that is so weird to me

1025

00:46:18,290 --> 00:46:16,140

so here's kind of a drawing

1026

00:46:21,710 --> 00:46:18,300

Mount Pootie

1027

00:46:24,410 --> 00:46:21,720

you know I heard this is totally uh

1028

00:46:26,450 --> 00:46:24,420

um a rumor has it right but and some of

1029

00:46:28,670 --> 00:46:26,460

you may have heard this before about

1030

00:46:31,010 --> 00:46:28,680

um like they're being like four bases or

1031

00:46:34,730 --> 00:46:31,020

something around the world where these

1032

00:46:37,069 --> 00:46:34,740

these uh craft reside which you know is

1033

00:46:40,010 --> 00:46:37,079

just a big old rumor to me but I wonder

1034

00:46:41,450 --> 00:46:40,020

when I see this uh these mountains if

1035

00:46:43,250 --> 00:46:41,460

they're one of them

1036

00:46:47,690 --> 00:46:43,260

somebody knows you could you could

1037

00:46:51,589 --> 00:46:49,609

so yeah I'm just going through these

1038

00:46:56,270 --> 00:46:51,599

here

1039

00:47:00,170 --> 00:46:56,280

the drawing yeah so I mean doesn't this

1040

00:47:04,550 --> 00:47:02,510

I mean my my two guesses would be it's

1041

00:47:05,690 --> 00:47:04,560

either UFO with some weird beings in it

1042

00:47:10,309 --> 00:47:05,700

or

1043

00:47:14,630 --> 00:47:12,829

and people wonder people wonder why like

1044

00:47:19,849 --> 00:47:14,640

we don't trust the government with this

1045

00:47:24,290 --> 00:47:22,250

like come on people and the media

1046

00:47:26,630 --> 00:47:24,300

doesn't care the media can't comprehend

1047

00:47:28,970 --> 00:47:26,640

any of this stuff all they all the major

1048

00:47:30,950 --> 00:47:28,980

media cares about is

1049

00:47:33,470 --> 00:47:30,960

what did Trump say that we can crap on

1050

00:47:35,569 --> 00:47:33,480

what did Biden say that we can crap on

1051

00:47:37,790 --> 00:47:35,579

you know that that's really all they

1052

00:47:39,470 --> 00:47:37,800

care about and it's so unfortunate

1053

00:47:41,750 --> 00:47:39,480

because there's so much happening in the

1054

00:47:43,069 --> 00:47:41,760

world today like even forget the UFO

1055

00:47:45,050 --> 00:47:43,079

stuff we have

1056

00:47:48,530 --> 00:47:45,060

I get it part for the course but North

1057

00:47:49,970 --> 00:47:48,540

Korea is uh really pissed off they kind

1058

00:47:52,190 --> 00:47:49,980

of always are but they seem a little

1059

00:47:54,109 --> 00:47:52,200

more pissed off

1060

00:47:55,970 --> 00:47:54,119

um we have Iran about to get the nuclear

1061

00:47:57,470 --> 00:47:55,980

bomb Israel's pissed off they're

1062

00:48:00,290 --> 00:47:57,480

probably going to fight

1063

00:48:02,030 --> 00:48:00,300

um and we have China saying to the us

1064

00:48:04,430 --> 00:48:02,040

like we gotta back off or we're going to

1065

00:48:06,349 --> 00:48:04,440

get in Conflict that's not good Russian

1066

00:48:08,030 --> 00:48:06,359

Ukraine's going off I'm sure I'm even

1067

00:48:10,430 --> 00:48:08,040

missing others

1068

00:48:11,569 --> 00:48:10,440

crazy stuff is happening and you like

1069

00:48:13,010 --> 00:48:11,579

you hear about this stuff and you're

1070

00:48:15,050 --> 00:48:13,020

like I'm gonna go to the news I'm going

1071

00:48:17,390 --> 00:48:15,060

to check it out what's going on

1072

00:48:21,470 --> 00:48:17,400

and they're talking about

1073

00:48:23,809 --> 00:48:21,480

how Tucker Carlson released like 10

1074

00:48:27,470 --> 00:48:23,819

seconds of video with this guy who's

1075

00:48:29,569 --> 00:48:27,480

dressed up in a costume you know

1076

00:48:31,730 --> 00:48:29,579

what's January 6th was an awful event

1077

00:48:34,849 --> 00:48:31,740

right but at some point we have to move

1078

00:48:36,470 --> 00:48:34,859

on it's like let law enforcement do

1079

00:48:38,690 --> 00:48:36,480

their job

1080

00:48:41,210 --> 00:48:38,700

in the media do your job cover things

1081

00:48:43,190 --> 00:48:41,220

that are happening now in the world

1082

00:48:45,530 --> 00:48:43,200

because we're all missing out on on

1083

00:48:47,809 --> 00:48:45,540

stuff you know

1084

00:48:49,490 --> 00:48:47,819

and that's why people go to Twitter like

1085

00:48:51,650 --> 00:48:49,500

if I want to know what's going on I'm

1086

00:48:53,750 --> 00:48:51,660

going to Twitter and there's accounts on

1087

00:48:56,150 --> 00:48:53,760

Twitter that like post every little

1088

00:48:59,390 --> 00:48:56,160

update on these world affairs and that's

1089

00:49:05,270 --> 00:49:02,210

major media sucks

1090

00:49:09,109 --> 00:49:05,280

sorry to say it but yeah sorry kind of

1091

00:49:13,910 --> 00:49:10,609

but I thought I would just go through

1092

00:49:18,410 --> 00:49:15,829

we have

1093

00:49:21,170 --> 00:49:18,420

multiple UFOs here four of the five UFO

1094

00:49:26,690 --> 00:49:21,180

seen in the sky at the one time

1095

00:49:32,990 --> 00:49:30,829

large UFO first cited by

1096

00:49:36,109 --> 00:49:33,000

whoever the hell 6 p.m and apparently

1097

00:49:37,790 --> 00:49:36,119

same position as last night only seemed

1098

00:49:42,010 --> 00:49:37,800

a little smaller

1099

00:49:44,630 --> 00:49:42,020

when they saw it at 602 PM I called

1100

00:49:46,250 --> 00:49:44,640

and several others and we stood in the

1101

00:49:48,050 --> 00:49:46,260

open to watch it although the sun had

1102

00:49:50,990 --> 00:49:48,060

set it was quite light for the following

1103

00:49:53,210 --> 00:49:51,000

15 minutes we watch figures appear on

1104

00:49:55,790 --> 00:49:53,220

top four of them no doubt that they are

1105

00:49:58,730 --> 00:49:55,800

human that's interesting no doubt that

1106

00:50:04,309 --> 00:50:01,490

possibly the same object that I took to

1107

00:50:05,809 --> 00:50:04,319

be the mothership last night two smaller

1108

00:50:07,609 --> 00:50:05,819

UFOs were seen at the same time

1109

00:50:10,730 --> 00:50:07,619

stationary one above the Hills West

1110

00:50:12,470 --> 00:50:10,740

another overhead on the large one two of

1111

00:50:14,450 --> 00:50:12,480

the figures seemed to be doing something

1112

00:50:16,490 --> 00:50:14,460

near the center of the deck were

1113

00:50:18,230 --> 00:50:16,500

occasionally bending over and raising

1114

00:50:20,809 --> 00:50:18,240

their arms as though adjusting or

1115

00:50:23,030 --> 00:50:20,819

setting up something not visible one

1116

00:50:26,089 --> 00:50:23,040

figure seemed to be standing looking

1117

00:50:28,370 --> 00:50:26,099

down at us a group of about a dozen I

1118

00:50:31,010 --> 00:50:28,380

stretched my arm above my head and waved

1119

00:50:34,190 --> 00:50:31,020

to our surprise the figure did the same

1120

00:50:36,650 --> 00:50:34,200

way both arms over his head then the two

1121

00:50:38,809 --> 00:50:36,660

outside figures did the same and self

1122

00:50:40,609 --> 00:50:38,819

began waving arms and all four it now

1123

00:50:42,470 --> 00:50:40,619

seemed to wave back there seemed to be

1124

00:50:43,730 --> 00:50:42,480

no doubt that our movements were

1125

00:50:47,390 --> 00:50:43,740

answered

1126  
00:50:49,250 --> 00:50:47,400  
All Mission boys made Audible gasps

1127  
00:50:52,430 --> 00:50:49,260  
of either Joy

1128  
00:50:54,290 --> 00:50:52,440  
or surprise perhaps both and perhaps

1129  
00:50:58,970 --> 00:50:54,300  
just pure shock

1130  
00:51:02,930 --> 00:51:01,250  
dark was beginning to close in I sent

1131  
00:51:05,450 --> 00:51:02,940  
Mike for a torch and directed a series

1132  
00:51:07,250 --> 00:51:05,460  
of long dashes toward the UFO after a

1133  
00:51:08,510 --> 00:51:07,260  
minute or two of this the UFO apparently

1134  
00:51:11,270 --> 00:51:08,520  
acknowledged

1135  
00:51:14,930 --> 00:51:11,280  
by making several wavering motions back

1136  
00:51:17,510 --> 00:51:14,940  
and forth waving by us was repeated and

1137  
00:51:19,609 --> 00:51:17,520  
this followed by more flashes of torch

1138  
00:51:21,349 --> 00:51:19,619

then the UFO began slowly to become

1139

00:51:23,270 --> 00:51:21,359

bigger apparently coming in our

1140

00:51:25,849 --> 00:51:23,280

Direction it seized afterwards perhaps

1141

00:51:28,010 --> 00:51:25,859

half a minute and came on no further

1142

00:51:29,690 --> 00:51:28,020

after a further two or three minutes the

1143

00:51:32,150 --> 00:51:29,700

figures apparently lost interest in us

1144

00:51:34,790 --> 00:51:32,160

for they disappeared below the deck at 6

1145

00:51:36,589 --> 00:51:34,800

25 PM two figures reappeared to carry on

1146

00:51:38,809 --> 00:51:36,599

with whatever they were doing before the

1147

00:51:40,809 --> 00:51:38,819

interruption the blue but the blue

1148

00:51:44,210 --> 00:51:40,819

Spotlight came on for a few seconds

1149

00:51:48,410 --> 00:51:44,220

twice in succession

1150

00:51:52,130 --> 00:51:50,690

so and this is a little bit of a flap

1151  
00:51:53,569 --> 00:51:52,140  
which I don't know if other people think

1152  
00:51:55,849 --> 00:51:53,579  
about

1153  
00:51:57,710 --> 00:51:55,859  
um but this was over the course of a

1154  
00:52:00,589 --> 00:51:57,720  
couple days here at different mountains

1155  
00:52:03,589 --> 00:52:02,150  
so

1156  
00:52:05,270 --> 00:52:03,599  
um you can definitely I give you the

1157  
00:52:07,130 --> 00:52:05,280  
file in the chat you guys can check it

1158  
00:52:08,990 --> 00:52:07,140  
out read through it if you'd like

1159  
00:52:10,490 --> 00:52:09,000  
I'm not going to go through all of this

1160  
00:52:13,670 --> 00:52:10,500  
because

1161  
00:52:15,650 --> 00:52:13,680  
it's just a lot of reading and

1162  
00:52:17,750 --> 00:52:15,660  
I'm okay with reading

1163  
00:52:19,670 --> 00:52:17,760

but look at these people too who signed

1164

00:52:21,770 --> 00:52:19,680

this teacher teacher teacher medical

1165

00:52:25,309 --> 00:52:21,780

assistant medical assistant

1166

00:52:28,309 --> 00:52:25,319

and then all these people blacked out

1167

00:52:30,589 --> 00:52:28,319

all these people all these freaking

1168

00:52:33,290 --> 00:52:30,599

people

1169

00:52:36,650 --> 00:52:33,300

saw this

1170

00:52:41,030 --> 00:52:36,660

in the Air Force called it Jupiter

1171

00:52:45,230 --> 00:52:43,849

what

1172

00:52:46,849 --> 00:52:45,240

and they don't have to answer for that

1173

00:52:50,390 --> 00:52:46,859

they don't have to answer

1174

00:52:53,450 --> 00:52:50,400

for this crap that they feed us

1175

00:52:55,549 --> 00:52:53,460

which is just terrible

1176

00:52:57,349 --> 00:52:55,559

you know why don't you just say like you

1177

00:52:59,150 --> 00:52:57,359

don't know what they saw how hard is

1178

00:53:01,849 --> 00:52:59,160

that why do you have to say it's

1179

00:53:05,089 --> 00:53:01,859

something stupid like uh you know some

1180

00:53:08,390 --> 00:53:05,099

planets it's just so dumb

1181

00:53:11,030 --> 00:53:08,400

you know so it goes on and on

1182

00:53:13,190 --> 00:53:11,040

previous experience on UFOs this is a

1183

00:53:16,309 --> 00:53:13,200

good file actually

1184

00:53:18,950 --> 00:53:16,319

um and it's in depth and you can tell

1185

00:53:20,630 --> 00:53:18,960

that the Air Force didn't make it and

1186

00:53:22,910 --> 00:53:20,640

they didn't they just

1187

00:53:24,290 --> 00:53:22,920

you know did the cover sheet that we

1188

00:53:26,270 --> 00:53:24,300

started with where they said these were

1189

00:53:28,609 --> 00:53:26,280

planets or whatever they didn't make

1190

00:53:31,190 --> 00:53:28,619

this actual report and you can tell

1191

00:53:34,430 --> 00:53:31,200

because you look at their reports Air

1192

00:53:37,730 --> 00:53:34,440

Force reports and they're pathetic

1193

00:53:39,829 --> 00:53:37,740

all they do is take down what whoever

1194

00:53:41,870 --> 00:53:39,839

told them

1195

00:53:44,390 --> 00:53:41,880

that's it there's no further

1196

00:53:45,890 --> 00:53:44,400

investigation actually most of the

1197

00:53:50,750 --> 00:53:45,900

reports actually say in there

1198

00:53:55,730 --> 00:53:52,849

you know but

1199

00:53:58,309 --> 00:53:55,740

if the report hit the Press

1200

00:54:02,750 --> 00:53:58,319

if the witness went to the Press

1201  
00:54:06,410 --> 00:54:02,760  
then they actually put forth a very

1202  
00:54:10,549 --> 00:54:08,450  
um although biased because they always

1203  
00:54:14,089 --> 00:54:10,559  
ended up with some stupid answer like

1204  
00:54:17,930 --> 00:54:15,650  
so

1205  
00:54:21,410 --> 00:54:17,940  
check it out

1206  
00:54:24,230 --> 00:54:21,420  
I think that is it

1207  
00:54:26,569 --> 00:54:24,240  
yeah so

1208  
00:54:28,430 --> 00:54:26,579  
here we see who actually made the report

1209  
00:54:30,589 --> 00:54:28,440  
part two of this report contains a

1210  
00:54:33,349 --> 00:54:30,599  
report prepared by the Victorian Flying

1211  
00:54:35,750 --> 00:54:33,359  
Saucer research Society Melbourne

1212  
00:54:37,430 --> 00:54:35,760  
Victoria Australia the report is based

1213  
00:54:39,470 --> 00:54:37,440

on correspondence received from Reverend

1214

00:54:41,750 --> 00:54:39,480

Gill

1215

00:54:44,530 --> 00:54:41,760

so

1216

00:54:48,650 --> 00:54:44,540

there you go

1217

00:54:53,510 --> 00:54:48,660

and reliability as a witness

1218

00:54:56,930 --> 00:54:55,549

oh here's the performance this is crazy

1219

00:54:59,569 --> 00:54:56,940

because we hear a lot of this stuff

1220

00:55:02,150 --> 00:54:59,579

often hovering we always hear that

1221

00:55:05,990 --> 00:55:02,160

pendulum swinging we hear that a lot too

1222

00:55:10,430 --> 00:55:06,000

tremendous uh spurts of speed we hear

1223

00:55:13,670 --> 00:55:10,440

that a lot the manned UFO observed on

1224

00:55:15,470 --> 00:55:13,680

June 27th was seen to cross the bay

1225

00:55:19,790 --> 00:55:15,480

in less than a second

1226

00:55:23,390 --> 00:55:21,520

um

1227

00:55:25,370 --> 00:55:23,400

[Music]

1228

00:55:27,650 --> 00:55:25,380

okay so here they kind of give like

1229

00:55:30,170 --> 00:55:27,660

their conclusions

1230

00:55:33,170 --> 00:55:30,180

the principal witness is voracious and

1231

00:55:35,089 --> 00:55:33,180

psychologically stable this is

1232

00:55:37,250 --> 00:55:35,099

admittedly a subjective impression game

1233

00:55:38,990 --> 00:55:37,260

by investigators but is supported by the

1234

00:55:40,190 --> 00:55:39,000

balance of probabilities arising from a

1235

00:55:41,990 --> 00:55:40,200

consideration of the witnesses

1236

00:55:43,430 --> 00:55:42,000

professional standing and training the

1237

00:55:45,470 --> 00:55:43,440

Legion of corroborative witnesses

1238

00:55:47,630 --> 00:55:45,480

supplies supporting testimony of an

1239

00:55:49,730 --> 00:55:47,640

objective nature

1240

00:55:51,710 --> 00:55:49,740

the UFOs are not a psychological

1241

00:55:53,870 --> 00:55:51,720

phenomena the undoubted psychological

1242

00:55:55,790 --> 00:55:53,880

element present in some UFO sightings

1243

00:55:56,870 --> 00:55:55,800

has been demonstrated by Jiang in his

1244

00:55:58,309 --> 00:55:56,880

recent

1245

00:56:02,270 --> 00:55:58,319

um

1246

00:56:04,490 --> 00:56:02,280

treaties however the limits of operation

1247

00:56:06,770 --> 00:56:04,500

of this Factor are still unidentified

1248

00:56:09,950 --> 00:56:06,780

and it would appear arbitrary to

1249

00:56:12,470 --> 00:56:09,960

regulate the sightings to the category

1250

00:56:16,390 --> 00:56:12,480

of mass hallucination the reader is

1251

00:56:21,589 --> 00:56:16,400

specially referred to Father Gill

1252

00:56:26,809 --> 00:56:25,130

preferred man they got some uh simple

1253

00:56:29,710 --> 00:56:26,819

kind of words that I've never really

1254

00:56:34,250 --> 00:56:32,150

demonstrated not electrical phenomena

1255

00:56:36,230 --> 00:56:34,260

meteor Birds conventional aircraft and

1256

00:56:38,750 --> 00:56:36,240

cannot reasonably be attributed to any

1257

00:56:42,710 --> 00:56:38,760

of the gamut of a custom physical

1258

00:56:48,049 --> 00:56:45,290

here it is the UFOs are Advanced craft

1259

00:56:50,270 --> 00:56:48,059

manned by humanoid beings capable of

1260

00:56:53,210 --> 00:56:50,280

fantastic range of aerodynamic

1261

00:57:00,470 --> 00:56:54,770

I found

1262

00:57:00,480 --> 00:57:04,010

so

1263

00:57:10,430 --> 00:57:05,990

yeah

1264

00:57:12,829 --> 00:57:10,440

the report may be figment of imagination

1265

00:57:14,750 --> 00:57:12,839

or hallucination hallucination may have

1266

00:57:18,170 --> 00:57:14,760

been experienced simultaneously by the

1267

00:57:21,829 --> 00:57:18,180

27 eyewitnesses whose names appear on

1268

00:57:27,730 --> 00:57:22,730

foreign

1269

00:57:36,290 --> 00:57:32,150

27 Witnesses all signed off on that

1270

00:57:39,890 --> 00:57:38,690

um the aerial school which you guys

1271

00:57:42,230 --> 00:57:39,900

should watch that movie if you haven't

1272

00:57:44,450 --> 00:57:42,240

Ariel phenomenon by Randall Nickerson

1273

00:57:47,030 --> 00:57:44,460

who just did a fantastic interview on

1274

00:57:50,390 --> 00:57:47,040

the podcast podcast called concrete with

1275

00:57:52,730 --> 00:57:50,400

a k k o n

1276

00:57:56,270 --> 00:57:52,740

but you should check it out I love me

1277

00:58:00,829 --> 00:57:56,280

some Randall Nickerson he is great we've

1278

00:58:00,839 --> 00:58:03,710

yeah

1279

00:58:11,210 --> 00:58:08,930

um this is a new article I wrote

1280

00:58:13,970 --> 00:58:11,220

I'm not really trained in writing or

1281

00:58:16,010 --> 00:58:13,980

anything like that so I apologize if

1282

00:58:18,170 --> 00:58:16,020

you know I'm not going to say I'm some

1283

00:58:19,730 --> 00:58:18,180

great writer but I try to put my

1284

00:58:21,109 --> 00:58:19,740

thoughts together about some blue book

1285

00:58:23,210 --> 00:58:21,119

reports

1286

00:58:24,829 --> 00:58:23,220

and I called it emotionally observed

1287

00:58:27,890 --> 00:58:24,839

because I try to hit the emotional

1288

00:58:30,230 --> 00:58:27,900

aspect and how I list a couple sightings

1289

00:58:33,530 --> 00:58:30,240

and relate to myself the emotional

1290

00:58:35,569 --> 00:58:33,540

aspect of some of these UFO sightings

1291

00:58:37,549 --> 00:58:35,579

and what kind of effect that has on

1292

00:58:41,270 --> 00:58:37,559

people

1293

00:58:44,750 --> 00:58:43,069

um it's my opinion that that's very

1294

00:58:46,130 --> 00:58:44,760

important you know somebody sees

1295

00:58:47,750 --> 00:58:46,140

something they have a sighting but what

1296

00:58:50,809 --> 00:58:47,760

happens afterwards like they're

1297

00:58:53,630 --> 00:58:50,819

emotionally impacted and they do

1298

00:58:56,750 --> 00:58:53,640

different things because of that and it

1299

00:58:59,270 --> 00:58:56,760

can last a whole lifetime

1300

00:59:02,450 --> 00:58:59,280

like this story here uh I'll just read

1301

00:59:04,670 --> 00:59:02,460

this real quick so

1302

00:59:07,309 --> 00:59:04,680

what I can actually do is just read the

1303

00:59:12,589 --> 00:59:07,319

thing uh Reverend baller I think his

1304

00:59:17,289 --> 00:59:15,710

and this happened in Greenfield

1305

00:59:20,630 --> 00:59:17,299

Massachusetts

1306

00:59:22,490 --> 00:59:20,640

he reported in February 1952 observing

1307

00:59:24,650 --> 00:59:22,500

three bright silver discs or sphere is

1308

00:59:27,589 --> 00:59:24,660

an exact v formation which moves slowly

1309

00:59:29,329 --> 00:59:27,599

to the Zenith hovered for a moment

1310

00:59:31,130 --> 00:59:29,339

change formations and then dashed away

1311

00:59:32,990 --> 00:59:31,140

at breathtaking speed the objects were

1312

00:59:34,789 --> 00:59:33,000

large about half the diameter of the Sun

1313

00:59:36,770 --> 00:59:34,799

and we're seeing at 3 P.M in the

1314

00:59:38,990 --> 00:59:36,780

afternoon against Deep Blue Sky the

1315

00:59:43,069 --> 00:59:39,000

object's appearance and behavior left

1316

00:59:45,829 --> 00:59:43,079

him in an emotion of shock at that time

1317

00:59:48,829 --> 00:59:45,839

so what happened

1318

00:59:51,410 --> 00:59:48,839

he was emotional

1319

00:59:53,270 --> 00:59:51,420

right

1320

00:59:54,770 --> 00:59:53,280

so what happened from that did it just

1321

00:59:56,210 --> 00:59:54,780

fade away did he get over it no he

1322

00:59:58,970 --> 00:59:56,220

didn't get over it

1323

01:00:02,569 --> 00:59:58,980

how do I know that because he wound up

1324

01:00:05,210 --> 01:00:02,579

becoming a member of nightcap

1325

01:00:07,549 --> 01:00:05,220

nightcap was a civilian UFO

1326

01:00:11,990 --> 01:00:07,559

investigation group that got pretty big

1327

01:00:15,410 --> 01:00:12,000

actually that started in not for like

1328

01:00:20,750 --> 01:00:18,589

yeah in 1956. so River baller would go

1329

01:00:22,490 --> 01:00:20,760

on to join nightcap a civilian-led UFO

1330

01:00:25,370 --> 01:00:22,500

investigation team founded four years

1331

01:00:28,130 --> 01:00:25,380

later in 1956 so he was so emotionally

1332

01:00:29,930 --> 01:00:28,140

shook from that experience of Reverend

1333

01:00:31,609 --> 01:00:29,940

which is interesting because we just

1334

01:00:33,349 --> 01:00:31,619

watched Reverend Guile's and his Papua

1335

01:00:36,349 --> 01:00:33,359

New Guinea sighting

1336

01:00:38,569 --> 01:00:36,359

he went on to investigate it officially

1337

01:00:42,049 --> 01:00:38,579

for this nightcap group

1338

01:00:47,030 --> 01:00:43,789

and that's

1339

01:00:49,970 --> 01:00:47,040

what we so easily gloss over with these

1340

01:00:52,069 --> 01:00:49,980

UFO experiences

1341

01:00:54,470 --> 01:00:52,079

you know the effect that it has on the

1342

01:00:56,510 --> 01:00:54,480

person what happens to them what do they

1343

01:00:58,069 --> 01:00:56,520

do how do they change their life how do

1344

01:01:01,010 --> 01:00:58,079

they change what they think about in

1345

01:01:06,530 --> 01:01:03,410

you know not too long ago I was thinking

1346

01:01:10,069 --> 01:01:06,540

back on uh what my life was like before

1347

01:01:15,289 --> 01:01:13,309

what my life was like was

1348

01:01:17,390 --> 01:01:15,299

um music and I still play music and

1349

01:01:20,270 --> 01:01:17,400

write music but not like I used to but

1350

01:01:23,270 --> 01:01:20,280

everything was geared around music and

1351

01:01:25,670 --> 01:01:23,280

having a band and making new songs and

1352

01:01:28,789 --> 01:01:25,680

making a new album

1353

01:01:30,829 --> 01:01:28,799

and playing shows at the local clubs and

1354

01:01:33,470 --> 01:01:30,839

establishments and venues

1355

01:01:36,710 --> 01:01:33,480

everything was about that

1356

01:01:41,630 --> 01:01:36,720

where am I recording my next album

1357

01:01:45,589 --> 01:01:43,430

that's what took up everything in my

1358

01:01:50,630 --> 01:01:48,349

and I have this sighting

1359

01:01:52,849 --> 01:01:50,640

I even hate saying sighting because it

1360

01:01:55,670 --> 01:01:52,859

just downplays it so much because it was

1361

01:01:59,450 --> 01:01:55,680

it was really an experience

1362

01:02:05,030 --> 01:02:02,990

and it changed everything

1363

01:02:09,349 --> 01:02:05,040

now everything that takes up my brain

1364

01:02:12,349 --> 01:02:09,359

spaces somehow related to this

1365

01:02:15,049 --> 01:02:12,359

you know whether it be other Witnesses

1366

01:02:16,430 --> 01:02:15,059

and how this stuff affects them or you

1367

01:02:18,710 --> 01:02:16,440

know the latest news that comes out

1368

01:02:20,390 --> 01:02:18,720

about this stuff or Arrow or you know

1369

01:02:22,970 --> 01:02:20,400

what Senator gillibrand is saying or

1370

01:02:25,730 --> 01:02:22,980

what Corbell is releasing and you know

1371

01:02:27,589 --> 01:02:25,740

and For Better or For Worse that's what

1372

01:02:29,690 --> 01:02:27,599

I think about and that's

1373

01:02:31,970 --> 01:02:29,700

when I spend my energy on this is

1374

01:02:34,910 --> 01:02:31,980

reading or researching and putting

1375

01:02:36,710 --> 01:02:34,920

together these shows for myself and for

1376

01:02:39,770 --> 01:02:36,720

you guys

1377

01:02:41,569 --> 01:02:39,780

I say myself because it's therapeutic

1378

01:02:44,809 --> 01:02:41,579

and I say you guys because hopefully you

1379

01:02:49,849 --> 01:02:47,569

and my life has changed it had that kind

1380

01:02:53,750 --> 01:02:49,859

of effect on me

1381

01:02:55,849 --> 01:02:53,760

for better for worse it is what it is

1382

01:02:58,849 --> 01:02:55,859

you know you guys know I took that like

1383

01:03:00,950 --> 01:02:58,859

almost three months

1384

01:03:05,030 --> 01:03:00,960

um break

1385

01:03:10,130 --> 01:03:06,890

and I you know part of that was because

1386

01:03:12,530 --> 01:03:10,140

I was a little just confused you know

1387

01:03:15,890 --> 01:03:12,540

and I wanted to get away from this and

1388

01:03:18,170 --> 01:03:15,900

see if it would call me back or you know

1389

01:03:18,789 --> 01:03:18,180

or I could tell if it was just like

1390

01:03:24,650 --> 01:03:18,799

um

1391

01:03:26,630 --> 01:03:24,660

like okay I'm over this now and all I

1392

01:03:30,349 --> 01:03:26,640

need to lose time away to know that you

1393

01:03:35,089 --> 01:03:32,930

but eventually it comes back

1394

01:03:36,710 --> 01:03:35,099

you know just like music did because I

1395

01:03:38,150 --> 01:03:36,720

used to quit that for a little while and

1396

01:03:40,130 --> 01:03:38,160

then I would just start doing it again

1397

01:03:42,410 --> 01:03:40,140

because I can't run from it

1398

01:03:44,809 --> 01:03:42,420

you know

1399

01:03:46,130 --> 01:03:44,819

sometimes I wonder if it's me choosing

1400

01:03:49,730 --> 01:03:46,140

that

1401  
01:03:49,740 --> 01:03:53,990  
I don't know

1402  
01:03:59,569 --> 01:03:56,569  
you know I played I'll always play music

1403  
01:04:00,950 --> 01:03:59,579  
and read songs because I have since I

1404  
01:04:02,630 --> 01:04:00,960  
was a little kid

1405  
01:04:05,569 --> 01:04:02,640  
not a little kid but you know like a

1406  
01:04:05,579 --> 01:04:09,950  
but just not as much as I used to

1407  
01:04:11,750 --> 01:04:11,089  
you know

1408  
01:04:13,970 --> 01:04:11,760  
um

1409  
01:04:15,829 --> 01:04:13,980  
now when I feel inspired or I feel

1410  
01:04:18,170 --> 01:04:15,839  
motivated to do something creative it's

1411  
01:04:21,049 --> 01:04:18,180  
it's kind of always

1412  
01:04:23,990 --> 01:04:21,059  
around this stuff whether it's making a

1413  
01:04:25,789 --> 01:04:24,000

kind of a creative video or an intro or

1414

01:04:28,010 --> 01:04:25,799

talking to somebody like Dr Gary and

1415

01:04:29,630 --> 01:04:28,020

Owen

1416

01:04:33,770 --> 01:04:29,640

you know

1417

01:04:36,530 --> 01:04:33,780

other people think this too I'm sure

1418

01:04:37,910 --> 01:04:36,540

like after you have an experience or

1419

01:04:39,950 --> 01:04:37,920

you're spending a lot of time thinking

1420

01:04:41,750 --> 01:04:39,960

about this stuff

1421

01:04:44,030 --> 01:04:41,760

um you have those thoughts like should I

1422

01:04:46,430 --> 01:04:44,040

be doing this is good for me is this not

1423

01:04:50,510 --> 01:04:46,440

good for me is it healthy unhealthy when

1424

01:04:50,520 --> 01:04:54,370

I've gotten the interview

1425

01:05:01,309 --> 01:04:55,910

amazing

1426

01:05:04,789 --> 01:05:01,319

good people and I'm not just talking

1427

01:05:08,270 --> 01:05:04,799

about a professor of pathology Dr Gary

1428

01:05:12,470 --> 01:05:10,010

which I don't know if I've ever talked

1429

01:05:17,510 --> 01:05:12,480

to somebody that's smart before other

1430

01:05:19,970 --> 01:05:17,520

than like Dr Loeb right so well educated

1431

01:05:22,430 --> 01:05:19,980

you know but I also get to talk to like

1432

01:05:24,770 --> 01:05:22,440

really good people and and meet really

1433

01:05:26,569 --> 01:05:24,780

great smart uh people that I wouldn't

1434

01:05:28,910 --> 01:05:26,579

have met before

1435

01:05:31,730 --> 01:05:28,920

you know then I'm so thankful that I got

1436

01:05:32,930 --> 01:05:31,740

to meet whether it be a Jay you know

1437

01:05:36,530 --> 01:05:32,940

co-host

1438

01:05:40,609 --> 01:05:38,329

you know I would have never met him if

1439

01:05:44,270 --> 01:05:40,619

it wasn't for this

1440

01:05:46,370 --> 01:05:44,280

um Vinnie Adams disclosure team Grimm uh

1441

01:05:47,510 --> 01:05:46,380

rental uh all sorts of people I don't

1442

01:05:49,069 --> 01:05:47,520

even want to get to the list because

1443

01:05:52,069 --> 01:05:49,079

there's so many and I'm totally gonna

1444

01:05:56,030 --> 01:05:54,289

but I met some great people and I'm

1445

01:05:57,650 --> 01:05:56,040

super thankful for that

1446

01:05:59,270 --> 01:05:57,660

so

1447

01:06:01,730 --> 01:05:59,280

you know when I go back and think about

1448

01:06:05,569 --> 01:06:01,740

the effect this has had on me and the

1449

01:06:05,579 --> 01:06:08,750

it's not that bad

1450

01:06:08,760 --> 01:06:12,829

it can be confusing at times but

1451

01:06:19,069 --> 01:06:16,250

definitely can be confusing at times but

1452

01:06:22,010 --> 01:06:19,079

overall I'm thankful and I'm grateful

1453

01:06:24,109 --> 01:06:22,020

and to be honest I needed it I needed

1454

01:06:26,329 --> 01:06:24,119

the change

1455

01:06:29,750 --> 01:06:26,339

I was in a place where coronavirus hit

1456

01:06:31,730 --> 01:06:29,760

and I couldn't go out and you know this

1457

01:06:36,650 --> 01:06:31,740

big album release that I had planned and

1458

01:06:41,089 --> 01:06:38,930

and I needed something because I'm a I

1459

01:06:43,490 --> 01:06:41,099

need to be around people I need to talk

1460

01:06:45,589 --> 01:06:43,500

but I didn't have an opportunity

1461

01:06:47,510 --> 01:06:45,599

anywhere

1462

01:06:50,089 --> 01:06:47,520

you know and I didn't consciously I was

1463

01:06:52,609 --> 01:06:50,099

unconsciously thinking that it's more of

1464

01:06:55,010 --> 01:06:52,619

a realization I I came to and going

1465

01:06:56,990 --> 01:06:55,020

through all this stuff

1466

01:06:59,089 --> 01:06:57,000

and I would perform and I needed that I

1467

01:07:01,190 --> 01:06:59,099

performed music on a stage in front of

1468

01:07:03,049 --> 01:07:01,200

people you know and and I needed that

1469

01:07:05,510 --> 01:07:03,059

and it was gone

1470

01:07:08,930 --> 01:07:05,520

and I had a sighting and I find myself

1471

01:07:11,029 --> 01:07:08,940

kind of doing the same thing except com

1472

01:07:12,829 --> 01:07:11,039

you know completely different material

1473

01:07:14,329 --> 01:07:12,839

you know I'm not writing I'm still

1474

01:07:17,029 --> 01:07:14,339

writing music and I play it on here for

1475

01:07:19,910 --> 01:07:17,039

you guys but I'm talking

1476

01:07:21,490 --> 01:07:19,920

and getting to talk to people

1477

01:07:23,450 --> 01:07:21,500

you know so I'm

1478

01:07:25,010 --> 01:07:23,460

fulfilled that way

1479

01:07:28,510 --> 01:07:25,020

and it's interesting how that happened

1480

01:07:33,230 --> 01:07:28,520

it all happened you know because of a

1481

01:07:37,430 --> 01:07:35,029

and that's positive

1482

01:07:38,650 --> 01:07:37,440

that really is positive and I'm not

1483

01:07:41,089 --> 01:07:38,660

going to say it's

1484

01:07:43,250 --> 01:07:41,099

I haven't ruled it out but I'm not going

1485

01:07:45,230 --> 01:07:43,260

to say it's God or or aliens or anything

1486

01:07:48,170 --> 01:07:45,240

like that or angels

1487

01:07:53,029 --> 01:07:48,180

but something I feel like was possibly

1488

01:07:53,039 --> 01:07:57,650

possibly is looking after me

1489

01:08:02,329 --> 01:08:00,109

um and that's a good feeling

1490

01:08:05,390 --> 01:08:02,339

because it can feel really lonely

1491

01:08:10,010 --> 01:08:07,010

so I don't know I don't want to get too

1492

01:08:14,150 --> 01:08:10,020

far into that red hole but

1493

01:08:17,630 --> 01:08:14,160

if you guys are up for it we can change

1494

01:08:19,130 --> 01:08:17,640

own here and do something fun that we

1495

01:08:21,050 --> 01:08:19,140

haven't done

1496

01:08:23,809 --> 01:08:21,060

in a very

1497

01:08:29,030 --> 01:08:26,209

long time

1498

01:08:32,450 --> 01:08:29,040

so if you guys

1499

01:08:34,669 --> 01:08:32,460

are up for a little

1500

01:08:37,610 --> 01:08:34,679

what the heck is that

1501

01:08:40,910 --> 01:08:37,620

we can do it what do you think

1502

01:08:46,970 --> 01:08:44,390

let's freaking do it

1503

01:08:49,309 --> 01:08:46,980

we're gonna do it yep

1504

01:08:52,849 --> 01:08:49,319

what the heck is that is a segment where

1505

01:08:57,410 --> 01:08:52,859

I find some Goofy

1506

01:08:59,990 --> 01:08:57,420

UFO videos on YouTube

1507

01:09:01,610 --> 01:09:00,000

I try to pick ones that are totally

1508

01:09:03,070 --> 01:09:01,620

inkblot like

1509

01:09:05,930 --> 01:09:03,080

so

1510

01:09:09,440 --> 01:09:05,940

it's not obvious it's anything

1511

01:09:17,059 --> 01:09:09,450

but they're fun to watch so let's do it

1512

01:09:17,069 --> 01:09:22,130

[Music]

1513

01:09:38,289 --> 01:09:24,530

all right without further Ado we're

1514

01:09:42,349 --> 01:09:41,150

yeah they can

1515

01:10:02,270 --> 01:09:42,359

this

1516

01:10:31,430 --> 01:10:04,669

Mental Health

1517

01:10:31,440 --> 01:10:51,530

George

1518

01:10:51,540 --> 01:10:57,709

that other party not involved

1519

01:10:57,719 --> 01:11:00,890

another night

1520

01:12:07,550 --> 01:11:03,169

Christopher is clear he's at the border

1521

01:12:07,560 --> 01:12:10,910

honey

1522

01:12:38,050 --> 01:12:12,260

should not be here

1523

01:12:38,060 --> 01:12:46,810

[Music]

1524

01:12:55,030 --> 01:12:50,630

I'm thinking nothing that's a meteorite

1525

01:12:55,040 --> 01:13:04,810

[Music]

1526

01:13:14,830 --> 01:13:07,689

what is that

1527

01:13:19,669 --> 01:13:17,270

if that ain't that's rocket

1528

01:13:31,729 --> 01:13:19,679

propulsion now it's gone gone

1529

01:13:31,739 --> 01:13:49,490

what the

1530

01:14:10,130 --> 01:13:58,370

oh my God

1531

01:14:14,090 --> 01:14:12,350

hey folks I'm at the building blueberry

1532

01:14:16,430 --> 01:14:14,100

farm right now I noticed this I thought

1533

01:14:18,410 --> 01:14:16,440

it was a hot air balloon but then it

1534

01:14:21,830 --> 01:14:18,420

started rotating and shifting and it's

1535

01:14:21,840 --> 01:14:26,570

oh my God

1536

01:14:32,510 --> 01:14:28,550

holy

1537

01:14:32,520 --> 01:14:37,310

thank you

1538

01:14:37,320 --> 01:14:51,169

Franco

1539

01:15:04,390 --> 01:14:53,450

oh

1540

01:15:04,400 --> 01:15:23,510

holy people

1541

01:15:23,520 --> 01:16:11,510

my heart is racing right now

1542

01:16:11,520 --> 01:16:56,890

thank you

1543

01:17:02,330 --> 01:16:59,330

there's no sound to this one

1544

01:17:07,790 --> 01:17:05,750

but this kind of reminds me of

1545

01:17:11,030 --> 01:17:07,800

um that thing that was shot down

1546

01:17:17,570 --> 01:17:11,040

recently they said it was like the

1547

01:17:23,450 --> 01:17:19,910

I think it was over uh Lake Huron or

1548

01:17:25,430 --> 01:17:23,460

something pretty interesting

1549

01:17:27,530 --> 01:17:25,440

kind of resembles that I put this list

1550

01:17:29,689 --> 01:17:27,540

together a while ago so I don't 100

1551

01:17:34,550 --> 01:17:29,699

recall what's in here but

1552

01:17:39,110 --> 01:17:37,130

you guys gotta zoom in or something what

1553

01:17:48,050 --> 01:17:39,120

the heck

1554

01:17:51,169 --> 01:17:49,610

so

1555

01:17:53,689 --> 01:17:51,179

I'm gonna go back to the beginning when

1556

01:17:55,910 --> 01:17:53,699

we can really see it good look at that

1557

01:18:00,890 --> 01:17:55,920

what is that

1558

01:18:11,810 --> 01:18:03,110

weird

1559

01:18:16,370 --> 01:18:14,510

this is called Chilean Air Force shoots

1560

01:18:37,189 --> 01:18:16,380

down at Tic Tac UFO

1561

01:18:37,199 --> 01:18:46,370

okay

1562

01:18:46,380 --> 01:19:04,790

interesting

1563

01:19:09,709 --> 01:19:08,270

okay this is boring all right this next

1564

01:19:11,510 --> 01:19:09,719

one is the last one I'm going to play

1565

01:19:44,510 --> 01:19:11,520

it's got to be fake but it's super

1566

01:23:34,570 --> 01:21:13,729

foreign

1567

01:23:39,350 --> 01:23:37,430

all right all right all right that goes

1568

01:23:41,810 --> 01:23:39,360

on way too long but what I'll do here if

1569

01:23:45,370 --> 01:23:41,820

you want to

1570

01:23:48,350 --> 01:23:45,380

watch it is

1571

01:23:50,090 --> 01:23:48,360

I'll share it with you

1572

01:23:53,330 --> 01:23:50,100

how's about that

1573

01:23:55,430 --> 01:23:53,340

I think it's probably

1574

01:23:57,649 --> 01:23:55,440

fake but

1575

01:24:01,610 --> 01:23:57,659

you know

1576

01:24:03,830 --> 01:24:01,620

point before like if we do see really

1577

01:24:05,030 --> 01:24:03,840

UFOs how the hell are we gonna know how

1578

01:24:08,209 --> 01:24:05,040

are we going to know if it's real or

1579

01:24:10,310 --> 01:24:08,219

fake like that could very well be real I

1580

01:24:11,160 --> 01:24:10,320

would have no idea so I kind of have to

1581

01:24:13,610 --> 01:24:11,170

assume it's fake

1582

01:24:15,229 --> 01:24:13,620

[Laughter]

1583

01:24:17,090 --> 01:24:15,239

because

1584

01:24:18,890 --> 01:24:17,100

if it's real

1585

01:24:22,130 --> 01:24:18,900

well you can't prove it either way right

1586

01:24:24,050 --> 01:24:22,140

so I don't know uh but either way I

1587

01:24:25,850 --> 01:24:24,060

thought it was pretty interesting so but

1588

01:24:27,229 --> 01:24:25,860

you guys can watch it for yourself if

1589

01:24:28,370 --> 01:24:27,239

you watch this video afterwards comment

1590

01:24:31,430 --> 01:24:28,380

below tell me what you think don't

1591

01:24:33,290 --> 01:24:31,440

forget to like this video by the way and

1592

01:24:35,090 --> 01:24:33,300

subscribe if you haven't share it on

1593

01:24:37,130 --> 01:24:35,100

socials

1594

01:24:39,890 --> 01:24:37,140

um thanks to everybody for hanging out

1595

01:24:44,870 --> 01:24:39,900

in the chat Joe Stark protocol or best

1596

01:24:46,370 --> 01:24:44,880

Robert Feb 22 Alexander Heidi Channel

1597

01:24:50,630 --> 01:24:46,380

um

1598

01:24:57,110 --> 01:24:54,229

uh Lord bass Shack ballet

1599

01:24:59,990 --> 01:24:57,120

Mikey abstract

1600

01:25:02,390 --> 01:25:00,000

without missing anyone sorry about that

1601

01:25:03,709 --> 01:25:02,400

thanks so much for hanging out I

1602

01:25:06,350 --> 01:25:03,719

appreciate you guys are always so cool

1603

01:25:08,630 --> 01:25:06,360

in the chat I really do appreciate it

1604

01:25:10,669 --> 01:25:08,640

so supportive you guys are always kind

1605

01:25:12,470 --> 01:25:10,679

of each other kind to each other I

1606

01:25:13,430 --> 01:25:12,480

really appreciate

1607

01:25:14,870 --> 01:25:13,440

um

1608

01:25:15,770 --> 01:25:14,880

hi you guys

1609

01:25:20,149 --> 01:25:15,780

um

1610

01:25:21,770 --> 01:25:20,159

conduct your so appreciate you

1611

01:25:24,530 --> 01:25:21,780

um I guess I'll see you back next week

1612

01:25:27,290 --> 01:25:24,540

or or whatever so

1613

01:25:32,450 --> 01:25:29,709

be nice to people

1614

01:25:38,180 --> 01:25:32,460

and yeah we'll talk soon

1615

01:25:43,189 --> 01:25:40,630

[Music]

1616

01:25:44,630 --> 01:25:43,199

a little due respect to the Air Force I
