1
00:00:07,190 --> 00:00:03,110
what's up everybody happy Thursday

2
00:00:10,129 --> 00:00:07,200
thanks for joining me today we are

3
00:00:12,830 --> 00:00:10,139
having a very special episode called

4
00:00:15,110 --> 00:00:12,840
the skinwalker boa is first Department

5
00:00:16,910 --> 00:00:15,120
of Defense

6
00:00:19,370 --> 00:00:16,920
thanks for tuning in like the video

7
00:00:22,960 --> 00:00:19,380
subscribe if you haven't

8
00:00:29,269 --> 00:00:26,830
[Music]

9
00:00:30,470 --> 00:00:29,279
a little due respect to the Air Force

10
00:00:57,210 --> 00:00:30,480
and I believe that some of them will

11
00:00:57,220 --> 00:01:06,469
[Music]

12
00:01:11,870 --> 00:01:08,750
what's up how's everybody doing thanks

13
00:01:14,690 --> 00:01:11,880

for joining me we have

14

00:01:15,710 --> 00:01:14,700

some pretty cool people in the chat that

15

00:01:23,570 --> 00:01:15,720

I'm pretty

16

00:01:24,710 --> 00:01:23,580

we have Mr Andres he says he wants to

17

00:01:28,450 --> 00:01:24,720

believe

18

00:01:32,390 --> 00:01:28,460

Lazar don't we all that's fantastic

19

00:01:33,649 --> 00:01:32,400

LC here we go what's up thanks for

20

00:01:37,550 --> 00:01:33,659

coming

21

00:01:39,710 --> 00:01:37,560

uh rashu what's happening how you doing

22

00:01:43,249 --> 00:01:39,720

thanks for being here

23

00:01:45,350 --> 00:01:43,259

Christian what's up brother

24

00:01:47,870 --> 00:01:45,360

um but thanks for being here

25

00:01:49,550 --> 00:01:47,880

Sun saver thanks for being here you are

26

00:01:53,510 --> 00:01:49,560

giving your permission

27

00:01:55,550 --> 00:01:53,520

uh for Andres to believe in Bob Lazar

28

00:01:57,910 --> 00:01:55,560

that's awesome

29

00:02:01,190 --> 00:01:57,920

Robert thanks for being here he says

30

00:02:04,490 --> 00:02:01,200

sport model seems a little chunkier

31

00:02:09,589 --> 00:02:07,910

good nice looking I appreciate it

32

00:02:12,949 --> 00:02:09,599

um how's everybody doing

33

00:02:15,410 --> 00:02:12,959

let me know how are you

34

00:02:18,890 --> 00:02:15,420

um we have L here what's up awesome

35

00:02:21,290 --> 00:02:18,900

thanks for being here Keith what's up

36

00:02:22,309 --> 00:02:21,300

um we got a great crowd here today Steve

37

00:02:23,990 --> 00:02:22,319

what's up

38

00:02:25,130 --> 00:02:24,000

uh everybody if you're watching on

39

00:02:27,830 --> 00:02:25,140

Twitter why don't you head over to

40

00:02:29,390 --> 00:02:27,840

YouTube subscribe and like the video man

41

00:02:32,210 --> 00:02:29,400

I mean

42

00:02:35,330 --> 00:02:32,220

jeez disclosure team Vinnie what's up

43

00:02:36,830 --> 00:02:35,340

how are you it's raining over by me so

44

00:02:40,250 --> 00:02:36,840

it's kind of one of those days where

45

00:02:41,930 --> 00:02:40,260

you're just chilling out it's raining

46

00:02:44,509 --> 00:02:41,940

um I'm working

47

00:02:46,790 --> 00:02:44,519

today I gotta go back a little later

48

00:02:48,530 --> 00:02:46,800

probably

49

00:02:50,750 --> 00:02:48,540

um or sometimes I work from home I don't

50

00:02:53,630 --> 00:02:50,760

know you know it really depends

51
00:02:55,430 --> 00:02:53,640
uh but I want to thanks you know thank

52
00:02:57,830 --> 00:02:55,440
everybody for being here and sticking

53
00:03:00,770 --> 00:02:57,840
with me and being so kind and you know

54
00:03:02,690 --> 00:03:00,780
uh liking the videos and supporting the

55
00:03:05,270 --> 00:03:02,700
work and you know even the music things

56
00:03:07,070 --> 00:03:05,280
that I do and the documents and and all

57
00:03:10,550 --> 00:03:07,080
that kind of stuff uh I really do

58
00:03:12,770 --> 00:03:10,560
appreciate it it means a lot for sure I

59
00:03:15,170 --> 00:03:12,780
know this isn't the most uh

60
00:03:17,449 --> 00:03:15,180
you know we're not the most popular

61
00:03:18,830 --> 00:03:17,459
podcast in the world but we're not the

62
00:03:22,250 --> 00:03:18,840
most

63
00:03:23,869 --> 00:03:22,260

um not popular podcast in the world so

64

00:03:25,729 --> 00:03:23,879

you know we're kind of in the medium and

65

00:03:29,570 --> 00:03:25,739

I'll take that

66

00:03:31,790 --> 00:03:29,580

I do have a couple things planned

67

00:03:34,850 --> 00:03:31,800

um first you're probably wondering about

68

00:03:37,670 --> 00:03:34,860

the title the title is the skinwalker

69

00:03:39,710 --> 00:03:37,680

boys uh versus the Department of Defense

70

00:03:43,729 --> 00:03:39,720

and we'll get into that

71

00:03:46,850 --> 00:03:43,739

we will I promise but first I want to

72

00:03:49,250 --> 00:03:46,860

actually show and go through

73

00:03:51,589 --> 00:03:49,260

oh man look at that you are the realest

74

00:03:54,350 --> 00:03:51,599

of you are one of the realest Brothers

75

00:03:56,270 --> 00:03:54,360

thank you I appreciate that

76

00:03:59,630 --> 00:03:56,280

uh Vinnie you are too you know it's

77

00:04:03,050 --> 00:03:59,640

important to me to be

78

00:04:05,509 --> 00:04:03,060

real it's important to me to

79

00:04:10,190 --> 00:04:05,519

not

80

00:04:12,770 --> 00:04:10,200

world there's a couple sides there's

81

00:04:14,630 --> 00:04:12,780

there's the one side that kind of uh

82

00:04:18,770 --> 00:04:14,640

everything

83

00:04:22,969 --> 00:04:18,780

know Bob Lazar all that kind of stuff

84

00:04:26,570 --> 00:04:22,979

whatever everything is is real and legit

85

00:04:29,030 --> 00:04:26,580

and and you know and I'm not saying it

86

00:04:31,610 --> 00:04:29,040

isn't but that's the one side and they

87

00:04:35,090 --> 00:04:31,620

they fight about it with such uh

88

00:04:36,710 --> 00:04:35,100

ferocious tenacity tenacity

89

00:04:37,969 --> 00:04:36,720

um and then you also have a debunker

90

00:04:40,249 --> 00:04:37,979

side and then you have some people in

91

00:04:41,810 --> 00:04:40,259

the middle which I try to be in the

92

00:04:43,550 --> 00:04:41,820

middle as much as I can you know I've

93

00:04:45,830 --> 00:04:43,560

had my own sighting I've had my thing

94

00:04:48,230 --> 00:04:45,840

and so you know there's always that side

95

00:04:50,210 --> 00:04:48,240

of me that believes in something I just

96

00:04:52,850 --> 00:04:50,220

don't know what it is but in this show I

97

00:04:55,670 --> 00:04:52,860

do plan to get into you know kind of a

98

00:04:59,950 --> 00:04:55,680

breakdown of some of the latest news but

99

00:05:06,530 --> 00:05:03,350

we check out

100

00:05:09,530 --> 00:05:06,540

a couple interesting pieces

101
00:05:09,540 --> 00:05:12,590
history

102
00:05:20,629 --> 00:05:14,810
with UFOs

103
00:05:22,610 --> 00:05:20,639
goes back a long long long long time

104
00:05:24,469 --> 00:05:22,620
even like

105
00:05:26,270 --> 00:05:24,479
you know Congressional hearings go back

106
00:05:29,150 --> 00:05:26,280
a long time

107
00:05:30,950 --> 00:05:29,160
um behind the scenes meetings go back a

108
00:05:32,810 --> 00:05:30,960
long time so what we're going to do

109
00:05:34,189 --> 00:05:32,820
first and and the reason I'm doing this

110
00:05:35,749 --> 00:05:34,199
is because we've had Congressional

111
00:05:37,370 --> 00:05:35,759
hearings and we're kind of having talk

112
00:05:39,290 --> 00:05:37,380
of Congressional hearings no if we

113
00:05:41,270 --> 00:05:39,300

follow Christopher sharp on Liberation

114

00:05:44,270 --> 00:05:41,280

times great guy

115

00:05:45,770 --> 00:05:44,280

um he is talking about that uh you know

116

00:05:48,890 --> 00:05:45,780

things are ramping up for Congressional

117

00:05:52,129 --> 00:05:48,900

hearings we recently had uh Timber chet

118

00:05:54,770 --> 00:05:52,139

on uh newspap Newsmax everybody's

119

00:05:55,730 --> 00:05:54,780

favorite favorite News Channel talking

120

00:05:58,010 --> 00:05:55,740

about

121

00:06:00,890 --> 00:05:58,020

um trying to have hearings and all that

122

00:06:02,570 --> 00:06:00,900

kind of stuff so you know and I've never

123

00:06:04,370 --> 00:06:02,580

went through these documents on the show

124

00:06:05,570 --> 00:06:04,380

but I thought it would be interesting to

125

00:06:07,430 --> 00:06:05,580

go through

126

00:06:09,710 --> 00:06:07,440

uh previous

127

00:06:11,150 --> 00:06:09,720

you know a previous kind of effort of

128

00:06:12,409 --> 00:06:11,160

Congressional hearings and I'm not going

129

00:06:14,270 --> 00:06:12,419

to take a whole lot of time going

130

00:06:16,310 --> 00:06:14,280

through this I just want to highlight a

131

00:06:17,749 --> 00:06:16,320

couple points and and really the points

132

00:06:21,350 --> 00:06:17,759

are

133

00:06:23,270 --> 00:06:21,360

um how the Air Force treated this stuff

134

00:06:25,430 --> 00:06:23,280

um behind the scenes you know when they

135

00:06:27,950 --> 00:06:25,440

weren't talking to a newspaper when they

136

00:06:29,870 --> 00:06:27,960

weren't on TV at a news conference

137

00:06:31,670 --> 00:06:29,880

um what were they saying were they

138

00:06:34,969 --> 00:06:31,680

saying about the different uh UFO

139

00:06:38,870 --> 00:06:34,979

organizations like nightcap nightcap was

140

00:06:41,330 --> 00:06:38,880

a big one that was a big UFO uh civilian

141

00:06:44,390 --> 00:06:41,340

investigation team and without getting

142

00:06:47,450 --> 00:06:44,400

the history of food nightcap is you can

143

00:06:49,909 --> 00:06:47,460

look that up and I see AP

144

00:06:51,650 --> 00:06:49,919

um they do come up in a little bit in

145

00:06:55,370 --> 00:06:51,660

this so

146

00:06:59,029 --> 00:06:55,380

this first one here is

147

00:07:00,950 --> 00:06:59,039

you can see at the top in the upper left

148

00:07:05,689 --> 00:07:00,960

hand corner

149

00:07:09,170 --> 00:07:05,699

it says June 20th 1958 briefing for

150

00:07:11,809 --> 00:07:09,180

representative Henderson so I picked

151

00:07:14,570 --> 00:07:11,819

this one because uh recently we also

152

00:07:17,870 --> 00:07:14,580

have met Gates and and burchett who

153

00:07:20,809 --> 00:07:17,880

apparently were briefed in Florida as

154

00:07:25,670 --> 00:07:23,210

um and and they said they you know saw

155

00:07:28,249 --> 00:07:25,680

some weird UFO videos with some things

156

00:07:29,469 --> 00:07:28,259

flying around that definitely aren't uh

157

00:07:31,790 --> 00:07:29,479

man-made

158

00:07:34,189 --> 00:07:31,800

and they're doing some pretty ridiculous

159

00:07:35,150 --> 00:07:34,199

things which you know which I no doubt

160

00:07:37,490 --> 00:07:35,160

but

161

00:07:40,309 --> 00:07:37,500

um so I wanted to get into this and you

162

00:07:41,210 --> 00:07:40,319

know it's a 19 page thing and it's not

163

00:07:42,950 --> 00:07:41,220

all

164

00:07:44,570 --> 00:07:42,960

you know I'm not going to go through it

165

00:07:46,129 --> 00:07:44,580

all I just highlighted a couple parts

166

00:07:49,730 --> 00:07:46,139

but

167

00:07:54,290 --> 00:07:52,309

here we kind of get like uh the cover

168

00:07:55,370 --> 00:07:54,300

page right

169

00:07:59,089 --> 00:07:55,380

um

170

00:08:01,070 --> 00:07:59,099

not too much uh in there and I'm hoping

171

00:08:04,969 --> 00:08:01,080

it saved my highlights yes it did okay

172

00:08:07,790 --> 00:08:04,979

so so in these

173

00:08:10,129 --> 00:08:07,800

things here we go so Lawrence Tacker who

174

00:08:12,589 --> 00:08:10,139

is like the this is who wrote this

175

00:08:14,570 --> 00:08:12,599

letter he was like the person who was

176

00:08:17,150 --> 00:08:14,580

the public face of Project Blue Book the

177

00:08:21,469 --> 00:08:17,160

group that investigated UFOs and he's

178

00:08:24,230 --> 00:08:21,479

writing to uh Mr RC Archer who was the

179

00:08:26,150 --> 00:08:24,240

uh basically the head scientist

180

00:08:28,010 --> 00:08:26,160

um for

181

00:08:30,050 --> 00:08:28,020

um the part of the Air Force that looked

182

00:08:32,690 --> 00:08:30,060

into UFOs and he also did you know other

183

00:08:34,430 --> 00:08:32,700

things but he was just a heads actor so

184

00:08:36,050 --> 00:08:34,440

he writes here's a letter from

185

00:08:37,850 --> 00:08:36,060

Congressman Henderson of the 15th

186

00:08:39,469 --> 00:08:37,860

District of Ohio he asked many questions

187

00:08:41,630 --> 00:08:39,479

and we desire to have complete answers

188

00:08:43,969 --> 00:08:41,640

each one in response to this letter he

189

00:08:46,310 --> 00:08:43,979

wanted the 10 best sightings

190

00:08:49,550 --> 00:08:46,320

um major Boland and I intend to hand

191

00:08:51,410 --> 00:08:49,560

carry the reply to Mr Henderson and

192

00:08:55,490 --> 00:08:51,420

brief him on the entire project as

193

00:09:00,050 --> 00:08:58,009

um you know big deal

194

00:09:01,790 --> 00:09:00,060

not a big deal there so I'm going to

195

00:09:04,130 --> 00:09:01,800

skip to a couple things so the The

196

00:09:05,389 --> 00:09:04,140

Briefing is that that I've read like

197

00:09:08,150 --> 00:09:05,399

this where they're briefing different

198

00:09:10,550 --> 00:09:08,160

congressmen and such back in the day

199

00:09:13,190 --> 00:09:10,560

um you don't get anything really

200

00:09:15,290 --> 00:09:13,200

different than

201
00:09:17,030 --> 00:09:15,300
um you know what eventually came out to

202
00:09:20,990 --> 00:09:17,040
the public whether it be Project Blue

203
00:09:23,030 --> 00:09:21,000
books report number 14 or you know other

204
00:09:25,310 --> 00:09:23,040
things but you do get a couple

205
00:09:27,910 --> 00:09:25,320
interesting Snippets uh one of the

206
00:09:30,590 --> 00:09:27,920
things that I thought was interesting is

207
00:09:34,190 --> 00:09:30,600
they do give some information on The

208
00:09:36,949 --> 00:09:34,200
Mantel case and what they do

209
00:09:38,870 --> 00:09:36,959
is they're talking about like a geiger

210
00:09:40,910 --> 00:09:38,880
counter so they bring they said in this

211
00:09:42,290 --> 00:09:40,920
briefing they bring a geiger counter to

212
00:09:44,930 --> 00:09:42,300
all the different sightings and they

213
00:09:48,350 --> 00:09:44,940

have yet to read have one reading where

214

00:09:50,329 --> 00:09:48,360

the background radiation uh was any

215

00:09:52,910 --> 00:09:50,339

different than than what they were

216

00:09:56,030 --> 00:09:52,920

measuring with the geiger counter

217

00:09:58,430 --> 00:09:56,040

but what happens is

218

00:10:00,829 --> 00:09:58,440

which is interesting because this is not

219

00:10:03,170 --> 00:10:00,839

in the project uh blue book case File

220

00:10:05,570 --> 00:10:03,180

they say for example geiger counter

221

00:10:08,150 --> 00:10:05,580

sweeps of some aircraft involved with

222

00:10:09,829 --> 00:10:08,160

alleged UFOs at high altitude shows a

223

00:10:12,590 --> 00:10:09,839

slightly higher radioactivity than

224

00:10:14,570 --> 00:10:12,600

normal reason aircraft receive greater

225

00:10:16,910 --> 00:10:14,580

dosage of cosmic rays at high altitude

226

00:10:20,170 --> 00:10:16,920

example mantel case which apparently

227

00:10:23,509 --> 00:10:20,180

prompted this query so The Mantel case

228

00:10:26,090 --> 00:10:23,519

this person chased an object in the sky

229

00:10:27,889 --> 00:10:26,100

he wound up crashing and dying

230

00:10:30,769 --> 00:10:27,899

and they actually brought a geiger

231

00:10:33,470 --> 00:10:30,779

counter to the craft and it had a very

232

00:10:34,970 --> 00:10:33,480

high radioactivity which is super

233

00:10:37,130 --> 00:10:34,980

interesting because they didn't tell the

234

00:10:39,230 --> 00:10:37,140

public that now whether it actually is

235

00:10:42,590 --> 00:10:39,240

the case that these things have uh

236

00:10:44,329 --> 00:10:42,600

higher uh dosage of cosmic radiation that's

237

00:10:47,509 --> 00:10:44,339

uh you know why it has a higher

238

00:10:49,730 --> 00:10:47,519

radiation or not in in this instance is

239

00:10:51,470 --> 00:10:49,740

irrelevant the fact is that they didn't

240

00:10:53,329 --> 00:10:51,480

tell anybody they didn't tell the public

241

00:10:57,170 --> 00:10:53,339

that or anything

242

00:11:00,350 --> 00:10:57,180

you know and this is one example of many

243

00:11:02,030 --> 00:11:00,360

of how the air force uh hid things from

244

00:11:04,310 --> 00:11:02,040

the public back in the day and they were

245

00:11:05,810 --> 00:11:04,320

not as transparent as they could be and

246

00:11:08,150 --> 00:11:05,820

it is one of the reasons that there were

247

00:11:09,769 --> 00:11:08,160

civilian UFO groups because they felt

248

00:11:12,230 --> 00:11:09,779

like they weren't being told the truth

249

00:11:14,630 --> 00:11:12,240

and whether that truth is what they said

250

00:11:16,970 --> 00:11:14,640

it was or not is irrelevant they were

251

00:11:20,870 --> 00:11:16,980

not being told the truth and that

252

00:11:22,490 --> 00:11:20,880

secrecy is the reason for why there are

253

00:11:28,190 --> 00:11:22,500

so many people that were attacking the

254

00:11:32,810 --> 00:11:30,949

so I thought that was interesting and

255

00:11:35,090 --> 00:11:32,820

this document isn't going to take too

256

00:11:41,210 --> 00:11:36,530

this

257

00:11:43,009 --> 00:11:41,220

actually written to I think it was the

258

00:11:48,350 --> 00:11:43,019

uh

259

00:11:49,970 --> 00:11:48,360

did this briefing and they had to report

260

00:11:51,769 --> 00:11:49,980

back to the Secretary of the Air Force

261

00:11:53,210 --> 00:11:51,779

Tom Powell went so this is the

262

00:11:54,829 --> 00:11:53,220

memorandum for the record this one I'm

263

00:11:57,230 --> 00:11:54,839

going to read because this really gives

264

00:12:00,170 --> 00:11:57,240

you an idea of what happened this

265

00:12:01,490 --> 00:12:00,180

meeting I think was in secret and it was

266

00:12:03,650 --> 00:12:01,500

not public

267

00:12:05,870 --> 00:12:03,660

and the Air Force meets these

268

00:12:08,449 --> 00:12:05,880

congressmen they met a lot of them as

269

00:12:11,329 --> 00:12:08,459

you can see here we have representative

270

00:12:14,030 --> 00:12:11,339

Henderson rep Kramer Magnuson

271

00:12:16,670 --> 00:12:14,040

and then what's also interesting is you

272

00:12:19,370 --> 00:12:16,680

have these four on the bottom say

273

00:12:21,710 --> 00:12:19,380

Administration Aid

274

00:12:24,710 --> 00:12:21,720

you know so their AIDS being briefed on

275

00:12:26,269 --> 00:12:24,720

this which is what we hear of happening

276

00:12:29,030 --> 00:12:26,279

today

277

00:12:31,490 --> 00:12:29,040

are a lot of AIDS are briefed on this so

278

00:12:33,769 --> 00:12:31,500

I thought that was you know I don't know

279

00:12:36,590 --> 00:12:33,779

makes sense to talk about it

280

00:12:39,230 --> 00:12:36,600

so they brief these people and this is a

281

00:12:41,150 --> 00:12:39,240

report back about what happened

282

00:12:43,129 --> 00:12:41,160

the subject briefing scheduled for one

283

00:12:44,449 --> 00:12:43,139

hour last the full morning which tests

284

00:12:46,129 --> 00:12:44,459

to the Congressional interest and the

285

00:12:48,110 --> 00:12:46,139

subject of following is believed to have

286

00:12:50,210 --> 00:12:48,120

accrued from The Briefing with members

287

00:12:52,250 --> 00:12:50,220

expressing so this guy is saying that

288

00:12:53,889 --> 00:12:52,260

these members these A's and the

289

00:12:58,190 --> 00:12:53,899

congressmen are

290

00:12:59,930 --> 00:12:58,200

expressing this after the briefing that

291

00:13:02,990 --> 00:12:59,940

they have confidence in the Air Force

292

00:13:04,970 --> 00:13:03,000

UFO program an understanding of the

293

00:13:07,250 --> 00:13:04,980

problems the Air Force faces in

294

00:13:08,870 --> 00:13:07,260

administering the program acceptance of

295

00:13:11,509 --> 00:13:08,880

responsibility to personally advise

296

00:13:14,150 --> 00:13:11,519

their constituents on the UFO matter

297

00:13:17,449 --> 00:13:14,160

so the Air Force pretty much convinced

298

00:13:18,170 --> 00:13:17,459

them like hey uh We're Not Gonna you

299

00:13:19,910 --> 00:13:18,180

know

300

00:13:22,310 --> 00:13:19,920

we don't want to be the public face of

301

00:13:25,009 --> 00:13:22,320

this this is your responsibility which I

302

00:13:26,210 --> 00:13:25,019

think is just complete rep but

303

00:13:28,850 --> 00:13:26,220

um

304

00:13:31,250 --> 00:13:28,860

you know so and then we have agreement

305

00:13:34,670 --> 00:13:31,260

that it would be unwise to give the

306

00:13:37,430 --> 00:13:34,680

subject undue publicity particularly in

307

00:13:40,490 --> 00:13:37,440

an open or closed formal Congressional

308

00:13:41,810 --> 00:13:40,500

hearing so they convinced uh these

309

00:13:43,550 --> 00:13:41,820

Representatives

310

00:13:45,769 --> 00:13:43,560

that

311

00:13:48,889 --> 00:13:45,779

it would be unwise

312

00:13:50,930 --> 00:13:48,899

to have the public eyes on this

313

00:13:56,269 --> 00:13:50,940

and either a closed

314

00:13:59,870 --> 00:13:58,310

that's complete

315

00:13:59,870 --> 00:14:03,050

and utter

316

00:14:08,870 --> 00:14:05,629

distrust in private organizations and

317

00:14:10,730 --> 00:14:08,880

authors is giving undue impetus to the

318

00:14:16,550 --> 00:14:10,740

existence of flying saucers and

319

00:14:21,889 --> 00:14:18,310

so

320

00:14:23,870 --> 00:14:21,899

they're saying that they have distrust

321

00:14:26,150 --> 00:14:23,880

in organizations and authors so that

322

00:14:27,889 --> 00:14:26,160

whoever wrote like you know UFO books or

323

00:14:31,310 --> 00:14:27,899

that nightcap group I I mentioned

324

00:14:36,069 --> 00:14:33,829

as giving undue impetus to the existence

325

00:14:38,990 --> 00:14:36,079

of flying saucers

326

00:14:40,189 --> 00:14:39,000

also known as UFOs now if you watch this

327

00:14:42,650 --> 00:14:40,199

show long enough

328

00:14:45,110 --> 00:14:42,660

you know actually

329

00:14:46,250 --> 00:14:45,120

I think it would be worth just sitting

330

00:14:50,689 --> 00:14:46,260

there for

331

00:14:50,699 --> 00:14:53,930

so we have

332

00:14:58,730 --> 00:14:56,329

undue impetus to the existence of flying

333

00:15:03,829 --> 00:14:58,740

saucers and what I want to do here and

334

00:15:12,290 --> 00:15:06,530

is

335

00:15:20,329 --> 00:15:13,910

of

336

00:15:26,350 --> 00:15:23,389

and I think we can all agree

337

00:15:28,850 --> 00:15:26,360

that it should be

338

00:15:30,710 --> 00:15:28,860

taken seriously and it is there is a

339

00:15:33,710 --> 00:15:30,720

really good reason

340

00:15:37,490 --> 00:15:33,720

to take it seriously

341

00:15:39,889 --> 00:15:37,500

and I'm going to my website here

342

00:15:42,050 --> 00:15:39,899

and I just released this story and this

343

00:15:44,389 --> 00:15:42,060

is a perfect example

344

00:15:47,090 --> 00:15:44,399

so we have this Airman second class

345

00:15:48,530 --> 00:15:47,100

Padilla witness object northeast corner

346

00:15:50,990 --> 00:15:48,540

of Raymond Air Force Base apparently

347

00:15:52,610 --> 00:15:51,000

while at the beach April 16th he said

348

00:15:53,990 --> 00:15:52,620

the object appeared to be floating or

349

00:15:55,550 --> 00:15:54,000

hovering just above the water and

350

00:15:58,310 --> 00:15:55,560

traveled a short distance from the left

351
00:16:00,230 --> 00:15:58,320
to the right and back it then began to

352
00:16:02,449 --> 00:16:00,240
rise from the water traveling from right

353
00:16:04,310 --> 00:16:02,459
to left it was then he snapped the photo

354
00:16:07,730 --> 00:16:04,320
afterwards the object reversed its

355
00:16:09,650 --> 00:16:07,740
course and disappeared from its view

356
00:16:10,850 --> 00:16:09,660
the person who looked at this Captain

357
00:16:13,970 --> 00:16:10,860
Williamson

358
00:16:16,129 --> 00:16:13,980
stated that Airman Padilla and Henry who

359
00:16:22,610 --> 00:16:16,139
I think it was maybe his friend are

360
00:16:27,590 --> 00:16:24,590
he went on to say that they are not the

361
00:16:29,810 --> 00:16:27,600
publicity seeking type and Padilla was

362
00:16:32,030 --> 00:16:29,820
particularly concerned that other people

363
00:16:34,610 --> 00:16:32,040

would think of him as a nut

364

00:16:36,530 --> 00:16:34,620

if his sightings became public

365

00:16:38,569 --> 00:16:36,540

Captain Williamson said that after

366

00:16:41,030 --> 00:16:38,579

discussing the siding with other members

367

00:16:42,470 --> 00:16:41,040

of the Intelligence Division and letting

368

00:16:44,930 --> 00:16:42,480

the prediction and interpretation

369

00:16:47,030 --> 00:16:44,940

section examine the 35 millimeter slide

370

00:16:51,189 --> 00:16:47,040

it seemed to be a credible sighting

371

00:16:56,269 --> 00:16:54,590

so they look at this

372

00:16:57,350 --> 00:16:56,279

the guy who looks at it says yeah it's

373

00:16:59,329 --> 00:16:57,360

credible

374

00:17:01,970 --> 00:16:59,339

this guy doesn't want publicity because

375

00:17:04,730 --> 00:17:01,980

he doesn't want to be labeled a nut

376

00:17:09,710 --> 00:17:07,610

and snaps this picture

377

00:17:11,510 --> 00:17:09,720

and guess what nobody was told about

378

00:17:13,309 --> 00:17:11,520

this picture nobody was told about this

379

00:17:14,929 --> 00:17:13,319

story

380

00:17:17,030 --> 00:17:14,939

there's a colored version of this

381

00:17:19,189 --> 00:17:17,040

picture somewhere hopefully in the

382

00:17:22,490 --> 00:17:19,199

archives that maybe one day I'll get to

383

00:17:27,829 --> 00:17:25,010

and that to me looks like something

384

00:17:32,090 --> 00:17:30,049

you know

385

00:17:34,669 --> 00:17:32,100

and

386

00:17:36,770 --> 00:17:34,679

going further is this was this case

387

00:17:39,529 --> 00:17:36,780

wasn't even included in any of their

388

00:17:43,010 --> 00:17:39,539

Blue Book Air Force reports

389

00:17:50,090 --> 00:17:44,390

so

390

00:17:54,049 --> 00:17:52,430

you know they didn't

391

00:17:56,090 --> 00:17:54,059

this didn't even go to the content

392

00:17:58,549 --> 00:17:56,100

committee

393

00:18:00,830 --> 00:17:58,559

who wound up like studying a bunch of

394

00:18:02,810 --> 00:18:00,840

you know UFO stuff in the late 60s and

395

00:18:04,490 --> 00:18:02,820

said there's nothing to see here

396

00:18:06,710 --> 00:18:04,500

there's nothing to see here because they

397

00:18:08,270 --> 00:18:06,720

didn't get the good cases you know the

398

00:18:11,870 --> 00:18:08,280

unexplainable ones

399

00:18:11,880 --> 00:18:14,810

so

400

00:18:19,490 --> 00:18:17,029

just wanted to throw that out there and

401
00:18:21,770 --> 00:18:19,500
say there is good reason

402
00:18:27,350 --> 00:18:21,780
to believe in the existence of flying

403
00:18:30,890 --> 00:18:29,330
and the Air Force knew that

404
00:18:33,110 --> 00:18:30,900
but they didn't want to tell Congress

405
00:18:34,250 --> 00:18:33,120
because if they did they would tell the

406
00:18:37,669 --> 00:18:34,260
public

407
00:18:40,190 --> 00:18:37,679
and they would have a lot to answer for

408
00:18:42,289 --> 00:18:40,200
some of which they just have no

409
00:18:44,510 --> 00:18:42,299
you know they have no idea of what to

410
00:18:46,010 --> 00:18:44,520
say about it so they they just convince

411
00:18:47,750 --> 00:18:46,020
people

412
00:18:50,390 --> 00:18:47,760
to have an agreement that it would be

413
00:18:52,789 --> 00:18:50,400

unwise to give the subject unto undue

414

00:18:54,350 --> 00:18:52,799

publicity

415

00:18:57,049 --> 00:18:54,360

and have distrust in private

416

00:19:02,870 --> 00:18:57,059

organizations is giving undue impetus to

417

00:19:02,880 --> 00:19:06,770

so and this is just

418

00:19:12,230 --> 00:19:08,930

one example here

419

00:19:15,610 --> 00:19:12,240

so that's about it for that one

420

00:19:18,470 --> 00:19:15,620

but I do have another one in this one

421

00:19:20,450 --> 00:19:18,480

is really interesting because a lot of

422

00:19:22,730 --> 00:19:20,460

the times

423

00:19:24,230 --> 00:19:22,740

well here let me just bring it up so I

424

00:19:28,370 --> 00:19:24,240

can kind of

425

00:19:28,380 --> 00:19:31,610

so this one here

426

00:19:36,950 --> 00:19:33,470

number left hand corner you can see it

427

00:19:41,870 --> 00:19:36,960

the UFO program to American Society of

428

00:19:46,549 --> 00:19:41,880

newspapers Edition so what this was

429

00:19:50,390 --> 00:19:46,559

was this guy Newbold noise as it says

430

00:19:52,970 --> 00:19:50,400

was putting together a huge conference

431

00:19:55,010 --> 00:19:52,980

in where there would be over 700 people

432

00:19:57,350 --> 00:19:55,020

from the Press

433

00:20:00,169 --> 00:19:57,360

at this thing and people were going to

434

00:20:03,169 --> 00:20:00,179

talk about uh UFOs

435

00:20:06,890 --> 00:20:03,179

you know I think uh James McDonald if

436

00:20:10,490 --> 00:20:09,350

um there was uh also people from the Air

437

00:20:11,990 --> 00:20:10,500

Force and we're going to get into that

438

00:20:16,310 --> 00:20:12,000

so

439

00:20:19,210 --> 00:20:16,320

who is putting this together for the

440

00:20:21,529 --> 00:20:19,220

American Society of newspaper editors

441

00:20:23,510 --> 00:20:21,539

wrote this

442

00:20:25,669 --> 00:20:23,520

and I'm reading this just so I can get

443

00:20:27,049 --> 00:20:25,679

an idea of it as program chairman for

444

00:20:30,350 --> 00:20:27,059

this year's meeting of the American

445

00:20:32,930 --> 00:20:30,360

Society of newspaper editors which takes

446

00:20:35,090 --> 00:20:32,940

place here at the Sherman

447

00:20:36,590 --> 00:20:35,100

I'm trying to organize a serious seminar

448

00:20:38,270 --> 00:20:36,600

on the subject of UFOs I've been

449

00:20:40,549 --> 00:20:38,280

discussing the problem with Dr Condon

450

00:20:42,590 --> 00:20:40,559

heinek Menzel and the like I'm trying to

451
00:20:44,570 --> 00:20:42,600
keep major Keo and his gang at arm's

452
00:20:46,549 --> 00:20:44,580
length so this newspaper guy is saying

453
00:20:49,070 --> 00:20:46,559
I'm talking to these Skeptics and I'm

454
00:20:49,970 --> 00:20:49,080
trying to keep Kehoe who is

455
00:20:53,330 --> 00:20:49,980
um

456
00:20:55,669 --> 00:20:53,340
a big guy who said that the Air Force

457
00:20:58,130 --> 00:20:55,679
was you know hiding stuff so they're

458
00:21:00,650 --> 00:20:58,140
trying to keep him at arm's length what

459
00:21:04,549 --> 00:21:00,660
I hope to come up with is a non-kooky

460
00:21:06,110 --> 00:21:04,559
balanced panel with both Total and not

461
00:21:10,909 --> 00:21:06,120
so Skeptics

462
00:21:12,830 --> 00:21:10,919
here to the last paragraph As you

463
00:21:16,850 --> 00:21:12,840

probably know

464

00:21:18,409 --> 00:21:16,860

um the asne is composed of 700 newspaper

465

00:21:20,090 --> 00:21:18,419

editors from all over the country about

466

00:21:22,370 --> 00:21:20,100

500 of whom

467

00:21:23,510 --> 00:21:22,380

will be at this meeting so 500 were

468

00:21:25,250 --> 00:21:23,520

there

469

00:21:27,230 --> 00:21:25,260

right

470

00:21:29,029 --> 00:21:27,240

so somebody asked what the date of this

471

00:21:36,350 --> 00:21:29,039

was

472

00:21:41,529 --> 00:21:38,149

so okay so that just gives you a quick

473

00:21:46,549 --> 00:21:44,930

so in the background General uh

474

00:21:48,169 --> 00:21:46,559

liability

475

00:21:51,230 --> 00:21:48,179

I don't know how to say his last name

476

00:21:53,750 --> 00:21:51,240

correctly and others were discussing if

477

00:21:55,730 --> 00:21:53,760

this was a good idea to get uh quintilla

478

00:21:59,029 --> 00:21:55,740

involved in this

479

00:22:02,149 --> 00:21:59,039

if they should you know allow him to do

480

00:22:03,529 --> 00:22:02,159

this uh conference

481

00:22:05,390 --> 00:22:03,539

so

482

00:22:09,409 --> 00:22:05,400

one of the people that they consulted

483

00:22:13,250 --> 00:22:11,870

he was a big dog actually

484

00:22:17,450 --> 00:22:13,260

so

485

00:22:19,310 --> 00:22:17,460

you have this handwritten note in here

486

00:22:22,310 --> 00:22:19,320

which I found extremely interesting

487

00:22:24,890 --> 00:22:22,320

General Giller says I'm very much

488

00:22:27,590 --> 00:22:24,900

disturbed by the request for major

489

00:22:28,549 --> 00:22:27,600

quintilla to appear

490

00:22:31,850 --> 00:22:28,559

um

491

00:22:33,409 --> 00:22:31,860

on the panel so he's Disturbed at the

492

00:22:35,210 --> 00:22:33,419

request for quintilla to appear on the

493

00:22:38,330 --> 00:22:35,220

panel

494

00:22:41,990 --> 00:22:38,340

he says guys like Dr McDonald will

495

00:22:46,970 --> 00:22:44,450

so Dr McDonald if he didn't he was a big

496

00:22:49,130 --> 00:22:46,980

guy that said the Air Force and CIA were

497

00:22:51,169 --> 00:22:49,140

holding secrets on UFOs you can look

498

00:22:54,230 --> 00:22:51,179

them up and this General Giller said

499

00:22:56,149 --> 00:22:54,240

that he's Disturbed at the request

500

00:22:58,490 --> 00:22:56,159

for the Air Force representative Blue

501
00:23:02,390 --> 00:22:58,500
Book to attend this thing and says that

502
00:23:06,049 --> 00:23:02,400
people like McDonald will crucify him

503
00:23:11,690 --> 00:23:08,930
are these documents real Andre says of

504
00:23:19,970 --> 00:23:14,990
are they real he says come on man of

505
00:23:23,029 --> 00:23:21,169
so

506
00:23:25,669 --> 00:23:23,039
this is really interesting if contract

507
00:23:28,310 --> 00:23:25,679
say I think this word says contract but

508
00:23:32,330 --> 00:23:28,320
I'm not sure contract Personnel cannot

509
00:23:34,490 --> 00:23:32,340
appear it really shouldn't be done

510
00:23:37,250 --> 00:23:34,500
then it says Condon

511
00:23:40,490 --> 00:23:37,260
don't believe they are deep enough into

512
00:23:43,669 --> 00:23:40,500
the problem yet so I don't know

513
00:23:44,930 --> 00:23:43,679

so that's not as interesting but

514

00:23:48,289 --> 00:23:44,940

yes

515

00:23:50,750 --> 00:23:48,299

so now this is

516

00:23:52,610 --> 00:23:50,760

the most interesting thing because now

517

00:23:55,549 --> 00:23:52,620

we're going to see

518

00:23:57,230 --> 00:23:55,559

quintilla is going to do this

519

00:23:59,210 --> 00:23:57,240

and

520

00:24:00,830 --> 00:23:59,220

we have this prep work that the Air

521

00:24:03,710 --> 00:24:00,840

Force is putting in with quintilla

522

00:24:05,810 --> 00:24:03,720

before this panel

523

00:24:07,930 --> 00:24:05,820

and just listen to this this is a resume

524

00:24:10,190 --> 00:24:07,940

of a telephone conversation between

525

00:24:18,770 --> 00:24:10,200

Colonel Stanley

526
00:24:20,870 --> 00:24:18,780
to General Giller whose concern simply

527
00:24:24,169 --> 00:24:20,880
was that quintilla would get caught in

528
00:24:25,909 --> 00:24:24,179
crossfire Giller had told him that both

529
00:24:29,810 --> 00:24:25,919
he and Jax had discussed the problem

530
00:24:32,870 --> 00:24:29,820
with home Stanley stated that noise from

531
00:24:34,730 --> 00:24:32,880
the paper people is president of the

532
00:24:36,289 --> 00:24:34,740
Washington story he's going to have this

533
00:24:38,390 --> 00:24:36,299
panel whether or not the Air Force

534
00:24:40,850 --> 00:24:38,400
participates participation on the panel

535
00:24:43,669 --> 00:24:40,860
of this sort is a departure from the Air

536
00:24:46,070 --> 00:24:43,679
Force public relations they are aware of

537
00:24:47,870 --> 00:24:46,080
the pitfalls but the staff has taken

538
00:24:50,330 --> 00:24:47,880

action to reduce dangers of getting

539

00:24:52,370 --> 00:24:50,340

involved Stanley and Quintilla will be

540

00:24:54,289 --> 00:24:52,380

given the same treatment as many others

541

00:24:57,289 --> 00:24:54,299

who have gone on a press conference such

542

00:25:00,649 --> 00:24:57,299

as Dr Brown for instance the decision to

543

00:25:03,830 --> 00:25:00,659

have him participate was not on accident

544

00:25:05,990 --> 00:25:03,840

two kernels with 30 years experience in

545

00:25:07,250 --> 00:25:06,000

the information business will be holding

546

00:25:09,710 --> 00:25:07,260

his hands

547

00:25:11,450 --> 00:25:09,720

so here

548

00:25:15,350 --> 00:25:11,460

they say two Colonels in the Air Force

549

00:25:17,210 --> 00:25:15,360

for 30 years of information experience

550

00:25:19,430 --> 00:25:17,220

will be holding the hands of Quintillo

551
00:25:21,289 --> 00:25:19,440
while he does this

552
00:25:23,870 --> 00:25:21,299
walking them through how to do it what

553
00:25:28,549 --> 00:25:23,880
to say so being honest just answering

554
00:25:34,549 --> 00:25:31,370
you know they have to go over what to

555
00:25:38,510 --> 00:25:36,710
they will work them over and ask them

556
00:25:43,549 --> 00:25:38,520
every leading dirty question he might

557
00:25:48,710 --> 00:25:46,130
pretty interesting

558
00:25:51,830 --> 00:25:48,720
Hector quintilla the guy who's gonna

559
00:25:54,710 --> 00:25:51,840
partake in this panel has two things

560
00:25:57,950 --> 00:25:56,330
one

561
00:26:00,830 --> 00:25:57,960
as stated

562
00:26:03,470 --> 00:26:00,840
he will be brainwashed thoroughly

563
00:26:05,390 --> 00:26:03,480

before he goes on

564

00:26:07,430 --> 00:26:05,400

we're not going to throw quintilla out

565

00:26:10,789 --> 00:26:07,440

in the cold pool by himself

566

00:26:14,210 --> 00:26:10,799

he is going to be brainwashed

567

00:26:15,769 --> 00:26:14,220

so these Air Force guys

568

00:26:19,850 --> 00:26:15,779

are saying they're gonna brainwash

569

00:26:24,230 --> 00:26:22,430

before he

570

00:26:27,230 --> 00:26:24,240

goes out

571

00:26:31,610 --> 00:26:27,240

in this panel

572

00:26:34,850 --> 00:26:31,620

and talks about the Blue Book UFO work

573

00:26:40,730 --> 00:26:37,909

two the other thing he has going for him

574

00:26:43,490 --> 00:26:40,740

man named Phil class

575

00:26:46,130 --> 00:26:43,500

will be on the panel he is utterly

576
00:26:49,010 --> 00:26:46,140
convinced that UFOs are electromagnetic

577
00:26:52,430 --> 00:26:50,750
he has a book in random house and is

578
00:26:54,710 --> 00:26:52,440
anxious to be on the panel to promote

579
00:26:56,049 --> 00:26:54,720
his book and will be eager to debate

580
00:26:58,970 --> 00:26:56,059
with McDonald

581
00:27:01,850 --> 00:26:58,980
Air Force public relations figures major

582
00:27:06,830 --> 00:27:01,860
quintilla will probably be able to just

583
00:27:10,370 --> 00:27:08,930
so what's what are they excited about

584
00:27:12,830 --> 00:27:10,380
they're saying

585
00:27:14,690 --> 00:27:12,840
what he has to go what quintilla has

586
00:27:16,430 --> 00:27:14,700
gone for him is that there's two people

587
00:27:18,529 --> 00:27:16,440
on this panel that'll pretty much just

588
00:27:20,930 --> 00:27:18,539

Rd back and forth and he won't have to

589

00:27:24,049 --> 00:27:20,940

say anything now what does that remind

590

00:27:29,690 --> 00:27:27,350

it reminds me of the situation today

591

00:27:32,149 --> 00:27:29,700

where stories are let out in the public

592

00:27:34,669 --> 00:27:32,159

and people just argue about it now it

593

00:27:37,070 --> 00:27:34,679

happens on Twitter meanwhile the Air

594

00:27:38,390 --> 00:27:37,080

Force just gets to sit back and watch it

595

00:27:50,570 --> 00:27:38,400

happen

596

00:27:55,130 --> 00:27:52,850

so yeah

597

00:27:58,789 --> 00:27:55,140

that is

598

00:27:58,799 --> 00:28:04,130

so I thought that was interesting

599

00:28:09,529 --> 00:28:06,049

to get an inside look at how the Air

600

00:28:13,610 --> 00:28:11,630

they wanted to get people

601
00:28:16,190 --> 00:28:13,620
they're getting people up in front of

602
00:28:18,289 --> 00:28:16,200
these newspaper people

603
00:28:22,310 --> 00:28:18,299
but not before they Brainwashed the

604
00:28:26,210 --> 00:28:24,289
in another positive another reason they

605
00:28:28,810 --> 00:28:26,220
let this go on is because there were

606
00:28:33,230 --> 00:28:28,820
people at this conference that were

607
00:28:36,169 --> 00:28:33,240
probably just gonna argue back and forth

608
00:28:41,149 --> 00:28:36,179
meaning the Air Force rep wouldn't have

609
00:28:41,159 --> 00:28:46,549
pretty crummy

610
00:28:46,559 --> 00:28:51,289
and that's exactly what happens now

611
00:28:56,810 --> 00:28:53,830
right now we have

612
00:28:58,970 --> 00:28:56,820
something that is

613
00:29:03,909 --> 00:28:58,980

come up recently

614

00:29:09,350 --> 00:29:03,919

uh in it you know the the UFO world

615

00:29:13,789 --> 00:29:11,330

you know Jay Stratton if you're not

616

00:29:15,529 --> 00:29:13,799

familiar Jay Stratton ran the UFO

617

00:29:17,870 --> 00:29:15,539

program

618

00:29:19,490 --> 00:29:17,880

um for the for the government I think in

619

00:29:21,289 --> 00:29:19,500

the Pentagon for

620

00:29:22,909 --> 00:29:21,299

the DMD I don't know I don't want to

621

00:29:24,830 --> 00:29:22,919

screw that up but I'm not exactly sure

622

00:29:27,590 --> 00:29:24,840

but for a long time

623

00:29:30,409 --> 00:29:27,600

he was a party skin walker Ranch

624

00:29:33,230 --> 00:29:30,419

did a lot of work there

625

00:29:36,289 --> 00:29:33,240

he ran uh UAP task force along with

626

00:29:40,210 --> 00:29:38,210

he was the head scientist for the UAP

627

00:29:44,389 --> 00:29:40,220

task force

628

00:29:47,510 --> 00:29:44,399

and they analyzed and looked at the 2019

629

00:29:49,730 --> 00:29:47,520

Southern California UFO events that were

630

00:29:52,310 --> 00:29:49,740

off the coast of California that Jeremy

631

00:29:54,590 --> 00:29:52,320

Corbell uh Unleashed on the world via

632

00:29:59,649 --> 00:29:54,600

videos and photographs and and all that

633

00:30:05,950 --> 00:30:02,810

the hearings last year

634

00:30:08,870 --> 00:30:05,960

um the representatives that were there

635

00:30:09,529 --> 00:30:08,880

basically said that they were

636

00:30:12,950 --> 00:30:09,539

um

637

00:30:15,409 --> 00:30:12,960

uavs or drones

638

00:30:17,810 --> 00:30:15,419

you know and I want you to keep in mind

639

00:30:20,269 --> 00:30:17,820

what we just went over

640

00:30:21,649 --> 00:30:20,279

how people are prepped to say the right

641

00:30:23,570 --> 00:30:21,659

things

642

00:30:25,909 --> 00:30:23,580

right

643

00:30:28,669 --> 00:30:25,919

so here we are at the hearings they say

644

00:30:30,590 --> 00:30:28,679

these things are drones and such and

645

00:30:32,750 --> 00:30:30,600

whatever do I really know what they are

646

00:30:34,789 --> 00:30:32,760

no I don't but the fact is that our Navy

647

00:30:36,710 --> 00:30:34,799

ships were swarmed by all these

648

00:30:39,649 --> 00:30:36,720

different objects

649

00:30:42,649 --> 00:30:39,659

unidentified objects

650

00:30:44,930 --> 00:30:42,659

and we don't really know uh what the

651
00:30:49,010 --> 00:30:44,940
truth is and the waters are quite muddy

652
00:30:53,630 --> 00:30:51,230
what happens so why am I bringing this

653
00:30:56,210 --> 00:30:53,640
up I'm bringing this up because Jay

654
00:30:58,070 --> 00:30:56,220
Stratton recently came out in the public

655
00:30:59,889 --> 00:30:58,080
came out and did an interview with uh

656
00:31:02,090 --> 00:30:59,899
George knepp first of all mystery aware

657
00:31:05,149 --> 00:31:02,100
and then

658
00:31:08,570 --> 00:31:05,159
um he signed up to do what's called

659
00:31:11,389 --> 00:31:08,580
alien con a conference that went uh

660
00:31:13,430 --> 00:31:11,399
happened a UFO or alien conference with

661
00:31:16,070 --> 00:31:13,440
uh if you listen to Jeremy corbell's

662
00:31:17,570 --> 00:31:16,080
last uh podcast he said that is either

663
00:31:19,850 --> 00:31:17,580

like the History Channel or something

664

00:31:23,389 --> 00:31:19,860

like that puts puts this together so a

665

00:31:28,130 --> 00:31:25,730

Jay Stratton is there

666

00:31:31,190 --> 00:31:28,140

in this Travis Taylor

667

00:31:34,190 --> 00:31:31,200

who is uh featured and goes on tour with

668

00:31:35,510 --> 00:31:34,200

the show Ancient Aliens

669

00:31:37,730 --> 00:31:35,520

right

670

00:31:40,730 --> 00:31:37,740

and

671

00:31:44,149 --> 00:31:40,740

it got around to them being asked uh

672

00:31:47,330 --> 00:31:44,159

what's the deal with the 2019 uh UFO

673

00:31:50,510 --> 00:31:47,340

events I mean what what's happened you

674

00:31:52,669 --> 00:31:50,520

know before this was they were debunked

675

00:31:54,769 --> 00:31:52,679

by people like Mick West and others

676
00:31:56,630 --> 00:31:54,779
saying that they were just stars and the

677
00:31:59,210 --> 00:31:56,640
triangles that you see were just a bokeh

678
00:32:01,070 --> 00:31:59,220
effect which is which made them

679
00:32:02,810 --> 00:32:01,080
triangles

680
00:32:05,450 --> 00:32:02,820
and all this

681
00:32:07,190 --> 00:32:05,460
so Stratton and Taylor are asked about

682
00:32:09,590 --> 00:32:07,200
this at aling company and they say

683
00:32:11,630 --> 00:32:09,600
that's bull crap

684
00:32:13,789 --> 00:32:11,640
you know um

685
00:32:16,070 --> 00:32:13,799
that's not the case you know we did our

686
00:32:18,110 --> 00:32:16,080
due diligence we investigated this and

687
00:32:22,190 --> 00:32:18,120
and we wouldn't have had our ducks in a

688
00:32:25,190 --> 00:32:22,200

row uh to brief people like um about the

689

00:32:26,269 --> 00:32:25,200

case and such if if we didn't if we

690

00:32:29,149 --> 00:32:26,279

weren't prepared to answer every

691

00:32:33,590 --> 00:32:29,159

question uh it's not Boca

692

00:32:38,810 --> 00:32:36,889

you know to me first of all that even if

693

00:32:40,430 --> 00:32:38,820

they were stars or whatever that only

694

00:32:42,769 --> 00:32:40,440

covers like a couple of the objects

695

00:32:44,510 --> 00:32:42,779

right and and there was a lot more if

696

00:32:46,190 --> 00:32:44,520

you

697

00:32:47,990 --> 00:32:46,200

um follow this case at all there's a

698

00:32:50,330 --> 00:32:48,000

website called the drive that wrote a

699

00:32:52,010 --> 00:32:50,340

really good breakdown of this case

700

00:32:53,930 --> 00:32:52,020

um if you want someone like

701
00:32:56,590 --> 00:32:53,940
you know outside of who released

702
00:33:00,590 --> 00:32:56,600
information and not government you know

703
00:33:03,230 --> 00:33:00,600
that's a good website to check it out

704
00:33:05,090 --> 00:33:03,240
but there's been uh

705
00:33:06,889 --> 00:33:05,100
so then basically that comes out and

706
00:33:10,310 --> 00:33:06,899
then Christopher sharp Liberation times

707
00:33:12,169 --> 00:33:10,320
I think it was them or him uh emailed

708
00:33:17,509 --> 00:33:12,179
Susan Goff

709
00:33:19,789 --> 00:33:17,519
about it and she said that they stand by

710
00:33:21,830 --> 00:33:19,799
the testimony at the Congressional

711
00:33:22,909 --> 00:33:21,840
hearings which I just told you they said

712
00:33:25,070 --> 00:33:22,919
they were

713
00:33:27,889 --> 00:33:25,080

um drones and such

714

00:33:29,450 --> 00:33:27,899

so if Jeremy Corbell who has put

715

00:33:31,970 --> 00:33:29,460

um who has been the face of this case

716

00:33:33,850 --> 00:33:31,980

basically he was all over the news

717

00:33:36,049 --> 00:33:33,860

with this with the green

718

00:33:40,430 --> 00:33:36,059

triangles you know what I'm talking

719

00:33:45,590 --> 00:33:42,950

so whatever so why am I talking about

720

00:33:52,669 --> 00:33:48,470

the thing why I'm why I'm talking about

721

00:33:57,830 --> 00:33:55,850

because there's there's recently been

722

00:34:01,070 --> 00:33:57,840

um

723

00:34:03,590 --> 00:34:01,080

kind of uh debate about Jay Stretton

724

00:34:05,330 --> 00:34:03,600

coming out and and saying so he said

725

00:34:07,250 --> 00:34:05,340

that

726

00:34:10,070 --> 00:34:07,260

the government's lying to you they're

727

00:34:12,169 --> 00:34:10,080

misrepresenting the information they're

728

00:34:13,550 --> 00:34:12,179

not being truthful to you so at the

729

00:34:15,409 --> 00:34:13,560

hearings he's saying they were not being

730

00:34:17,389 --> 00:34:15,419

truthful they were lying it's Chase

731

00:34:19,909 --> 00:34:17,399

threatened right

732

00:34:21,770 --> 00:34:19,919

so it's been said like is that the best

733

00:34:28,730 --> 00:34:21,780

place for Jay Stratton to come out and

734

00:34:32,990 --> 00:34:31,190

you know and and

735

00:34:34,970 --> 00:34:33,000

you know this this whole kind of

736

00:34:37,129 --> 00:34:34,980

scenario came up before when Travis

737

00:34:39,710 --> 00:34:37,139

Taylor revealed himself as the head

738

00:34:41,089 --> 00:34:39,720

scientist of the UAP task force for the

739

00:34:44,810 --> 00:34:41,099

government people were like he's on

740

00:34:47,750 --> 00:34:44,820

Ancient Aliens this doesn't look good

741

00:34:50,810 --> 00:34:47,760

doesn't look good for the community

742

00:34:53,210 --> 00:34:50,820

this guy's on Ancient Aliens like he's

743

00:34:54,649 --> 00:34:53,220

he's whatever he's doing he's

744

00:34:56,510 --> 00:34:54,659

um you know

745

00:34:58,849 --> 00:34:56,520

um

746

00:35:00,470 --> 00:34:58,859

you know it it seems like it'd be clear

747

00:35:02,270 --> 00:35:00,480

that he'd want them to be aliens because

748

00:35:04,490 --> 00:35:02,280

it further his career in the ancient

749

00:35:05,930 --> 00:35:04,500

alien world basically

750

00:35:08,690 --> 00:35:05,940

right

751
00:35:11,329 --> 00:35:08,700
I worked for the UAP task force I looked

752
00:35:14,810 --> 00:35:11,339
at these UFOs they were legitimate UFOs

753
00:35:17,510 --> 00:35:14,820
whatever you know so on and so forth

754
00:35:19,310 --> 00:35:17,520
and at the time when that happened I I

755
00:35:22,250 --> 00:35:19,320
didn't really care you know the guy has

756
00:35:24,890 --> 00:35:22,260
a rich education

757
00:35:26,870 --> 00:35:24,900
you know you really wouldn't want you

758
00:35:28,490 --> 00:35:26,880
know education wise you really couldn't

759
00:35:31,010 --> 00:35:28,500
ask for a better person to be looking at

760
00:35:34,730 --> 00:35:32,930
so I was like whatever who cares you

761
00:35:40,069 --> 00:35:34,740
know it's not fair to

762
00:35:44,870 --> 00:35:42,170
so whatever so then this Jay Stratton

763
00:35:49,849 --> 00:35:47,510

and he did do an interview with the

764

00:35:52,490 --> 00:35:49,859

corbel and Knapp and in the first time

765

00:35:55,690 --> 00:35:52,500

he comes out to talk to the public

766

00:36:00,710 --> 00:35:55,700

it's at aliencon which is put together

767

00:36:00,720 --> 00:36:03,710

you know

768

00:36:09,290 --> 00:36:06,349

and

769

00:36:11,270 --> 00:36:09,300

there's a little bit of irony in all

770

00:36:15,589 --> 00:36:11,280

this

771

00:36:19,069 --> 00:36:15,599

If You Remember When the UFO report came

772

00:36:21,530 --> 00:36:19,079

out earlier uh this year

773

00:36:24,829 --> 00:36:21,540

there were people

774

00:36:26,390 --> 00:36:24,839

there were you know newsmen and and you

775

00:36:29,810 --> 00:36:26,400

know websites like the New York Times or

776

00:36:32,829 --> 00:36:29,820

whatever uh came out and I forget Julian

777

00:36:36,650 --> 00:36:32,839

Barnes this guy's name he authored uh

778

00:36:38,210 --> 00:36:36,660

something and it was you could tell it

779

00:36:40,970 --> 00:36:38,220

was really important to him in his

780

00:36:42,650 --> 00:36:40,980

article that he wrote about this

781

00:36:46,069 --> 00:36:42,660

upcoming report which was not out yet

782

00:36:48,170 --> 00:36:46,079

that space aliens and those are his

783

00:36:50,990 --> 00:36:48,180

words space aliens

784

00:36:52,670 --> 00:36:51,000

are not a thing

785

00:36:56,329 --> 00:36:52,680

that's not a part of any of these

786

00:36:59,870 --> 00:36:56,339

objects space aliens

787

00:37:01,970 --> 00:36:59,880

so not truly unidentified or you know

788

00:37:06,410 --> 00:37:01,980

weird objects or whatever I don't know

789

00:37:08,690 --> 00:37:06,420

what they are no he said space aliens

790

00:37:11,690 --> 00:37:08,700

and Mick West

791

00:37:15,349 --> 00:37:11,700

always uses that too aliens people want

792

00:37:19,849 --> 00:37:17,510

other news outlets would say that too

793

00:37:22,030 --> 00:37:19,859

there's no aliens ruled out

794

00:37:25,910 --> 00:37:22,040

extraterrestrial with these balloons

795

00:37:28,730 --> 00:37:25,920

extraterrestrial ruled out the you know

796

00:37:31,130 --> 00:37:28,740

the head of the the Pentagon press

797

00:37:33,170 --> 00:37:31,140

office or whatever comes out when the

798

00:37:37,190 --> 00:37:33,180

balloon thing happened it says they're

799

00:37:41,630 --> 00:37:37,200

not extraterrestrial you know

800

00:37:43,670 --> 00:37:41,640

no aliens and there were people

801
00:37:45,650 --> 00:37:43,680
you know and I would say in the in the

802
00:37:47,810 --> 00:37:45,660
Twitter crowd or whatever that would and

803
00:37:50,030 --> 00:37:47,820
I was included

804
00:37:53,690 --> 00:37:50,040
like no one cares about it well I don't

805
00:37:56,690 --> 00:37:55,430
you know they're unknowns we don't know

806
00:38:00,109 --> 00:37:56,700
what they are they're inner airspace

807
00:38:07,670 --> 00:38:04,370
you're using aliens to to basically uh

808
00:38:10,370 --> 00:38:07,680
tarnish the the subject in the work and

809
00:38:14,390 --> 00:38:10,380
to make people look stupid

810
00:38:17,510 --> 00:38:14,400
these people they believe in aliens

811
00:38:20,329 --> 00:38:17,520
you know they believe in space aliens

812
00:38:21,829 --> 00:38:20,339
they're Goofy

813
00:38:24,050 --> 00:38:21,839

you know and I take that personally

814

00:38:26,030 --> 00:38:24,060

because that's not how I feel and that's

815

00:38:27,950 --> 00:38:26,040

not how a lot of people feel they're

816

00:38:29,690 --> 00:38:27,960

just worried

817

00:38:31,490 --> 00:38:29,700

well I don't know if they're worried as

818

00:38:33,530 --> 00:38:31,500

much as interested that there's these

819

00:38:36,410 --> 00:38:33,540

unidentified objects which we know go

820

00:38:40,130 --> 00:38:36,420

back decades

821

00:38:46,790 --> 00:38:42,710

and and ridicule it and stigmatize it

822

00:38:51,890 --> 00:38:49,970

those words you know when that's not

823

00:38:55,130 --> 00:38:51,900

truly representative why a lot of people

824

00:38:55,140 --> 00:38:58,430

so that happens

825

00:39:05,089 --> 00:39:00,589

and then these people come out like Jay

826
00:39:09,770 --> 00:39:08,150
and they're a part of ones on Ancient

827
00:39:12,530 --> 00:39:09,780
Aliens and goes on tour around the

828
00:39:15,890 --> 00:39:12,540
country with a show called Ancient

829
00:39:23,690 --> 00:39:20,510
which I think is just a ridiculous show

830
00:39:28,910 --> 00:39:23,700
it's interesting I guess sometimes but

831
00:39:34,010 --> 00:39:31,490
and the other guy comes out

832
00:39:39,170 --> 00:39:34,020
in this first public appearance is on

833
00:39:39,180 --> 00:39:42,410
so

834
00:39:48,950 --> 00:39:44,450
these people

835
00:39:53,750 --> 00:39:50,450
you know whether they like it or not

836
00:39:56,690 --> 00:39:53,760
it's adding to the stigma

837
00:40:00,170 --> 00:39:56,700
you know now we have no pot to pee in as

838
00:40:00,829 --> 00:40:00,180

far as space aliens is concerned you

839

00:40:02,690 --> 00:40:00,839

know

840

00:40:05,270 --> 00:40:02,700

because you have people from the UAP

841

00:40:08,630 --> 00:40:05,280

task force who studied this stuff that

842

00:40:11,030 --> 00:40:08,640

love the alien aspect

843

00:40:13,010 --> 00:40:11,040

that are going on alien con that are on

844

00:40:16,970 --> 00:40:13,020

shows called Ancient Aliens and tour the

845

00:40:22,609 --> 00:40:19,310

you know

846

00:40:25,849 --> 00:40:22,619

so any in the middle

847

00:40:31,370 --> 00:40:28,609

are just like forget it it makes it

848

00:40:34,370 --> 00:40:31,380

harder for me or somebody else to be

849

00:40:36,710 --> 00:40:34,380

into this topic publicly

850

00:40:40,490 --> 00:40:36,720

because what is public

851
00:40:44,750 --> 00:40:40,500
is space aliens alien con Ancient Aliens

852
00:40:51,410 --> 00:40:46,609
you know

853
00:40:56,750 --> 00:40:53,210
now if aliens are real and they have

854
00:40:59,390 --> 00:40:56,760
evidence of that cool man show us

855
00:41:01,849 --> 00:40:59,400
but I for one

856
00:41:04,069 --> 00:41:01,859
don't think there is proof that there's

857
00:41:08,030 --> 00:41:04,079
aliens or extraterrestrials

858
00:41:08,040 --> 00:41:12,170
I don't think there is

859
00:41:17,210 --> 00:41:14,750
so I initially called this episode

860
00:41:19,190 --> 00:41:17,220
castles made of sand and I changed it

861
00:41:21,050 --> 00:41:19,200
and I called it that for a reason I

862
00:41:23,630 --> 00:41:21,060
called it that because

863
00:41:25,970 --> 00:41:23,640

this disclosure Castle this more

864

00:41:29,150 --> 00:41:25,980

information this house that we're trying

865

00:41:31,670 --> 00:41:29,160

to build is made of sand

866

00:41:34,010 --> 00:41:31,680

because we people keep coming out there

867

00:41:37,550 --> 00:41:34,020

and doing alien stuff

868

00:41:39,650 --> 00:41:37,560

and publicity stuff

869

00:41:47,690 --> 00:41:39,660

and it's a castle made of sand that can

870

00:41:52,250 --> 00:41:50,089

and we have people coming out and saying

871

00:41:55,069 --> 00:41:52,260

things like

872

00:41:56,990 --> 00:41:55,079

whether it's protector or Gates or or

873

00:41:59,210 --> 00:41:57,000

Jeremy Corbell they come out and there's

874

00:42:01,190 --> 00:41:59,220

back engineering to this stuff and and I

875

00:42:04,210 --> 00:42:01,200

have information and Lockheed and all

876
00:42:09,770 --> 00:42:07,310
and just show me man it's time to prove

877
00:42:14,329 --> 00:42:11,690
I'm not saying it's not true but you got

878
00:42:16,910 --> 00:42:14,339
to prove it now

879
00:42:20,690 --> 00:42:16,920
because this Castle is made of sand at

880
00:42:20,700 --> 00:42:26,930
and it can just be pushed over

881
00:42:32,390 --> 00:42:30,589
and you know so

882
00:42:35,210 --> 00:42:32,400
I wanted to talk about that because of

883
00:42:37,849 --> 00:42:35,220
the irony in it and how space aliens was

884
00:42:40,490 --> 00:42:37,859
just such a big thing when this Barnes

885
00:42:43,069 --> 00:42:40,500
came out to like make fun of

886
00:42:44,870 --> 00:42:43,079
the subject and people are paying

887
00:42:48,170 --> 00:42:44,880
attention to it

888
00:42:49,849 --> 00:42:48,180

and we kind of like I at least was one

889

00:42:52,730 --> 00:42:49,859

of the people that kind of tried to come

890

00:42:54,410 --> 00:42:52,740

back that and say no like I'm not here

891

00:42:56,690 --> 00:42:54,420

because of space aliens I'm here because

892

00:42:58,910 --> 00:42:56,700

I've a witness to something strange and

893

00:43:03,170 --> 00:42:58,920

I have no idea what it is

894

00:43:07,130 --> 00:43:05,750

and I get labeled as a you know space

895

00:43:09,829 --> 00:43:07,140

alien guy

896

00:43:11,809 --> 00:43:09,839

because of people like Julian Barnes

897

00:43:13,609 --> 00:43:11,819

and I can't fight back against that

898

00:43:14,990 --> 00:43:13,619

because the people who studied this

899

00:43:17,930 --> 00:43:15,000

stuff

900

00:43:22,849 --> 00:43:17,940

the UAP task force

901
00:43:27,410 --> 00:43:24,170
you know

902
00:43:29,809 --> 00:43:27,420
that just makes it complicated

903
00:43:32,030 --> 00:43:29,819
and then Jay Stratton is also going to

904
00:43:35,109 --> 00:43:32,040
be I've heard at least is also going to

905
00:43:39,109 --> 00:43:35,119
be joining Travis Taylor on the TV show

906
00:43:44,990 --> 00:43:42,290
let me tell you something if I was

907
00:43:48,530 --> 00:43:45,000
leaving the UAP task force

908
00:43:50,510 --> 00:43:48,540
and there were Congressional hearings

909
00:43:53,270 --> 00:43:50,520
you know where they're saying this case

910
00:43:55,010 --> 00:43:53,280
that you studied is Chinese drones there

911
00:43:57,410 --> 00:43:55,020
was a news report that Tom Rogan put out

912
00:43:59,569 --> 00:43:57,420
with Anonymous sources which I hate so

913
00:44:01,730 --> 00:43:59,579

who knows but that said that he was

914

00:44:04,190 --> 00:44:01,740

biased Jay Stratton wasn't Taylor and

915

00:44:09,829 --> 00:44:04,200

said that they tried to make you know

916

00:44:14,870 --> 00:44:12,890

because of their bias

917

00:44:17,569 --> 00:44:14,880

and then they come out and do alien gun

918

00:44:21,290 --> 00:44:17,579

and and you know

919

00:44:23,630 --> 00:44:21,300

TV stuff so if I was chased red and

920

00:44:25,130 --> 00:44:23,640

which obviously I'm not and I don't know

921

00:44:27,470 --> 00:44:25,140

the guy personally

922

00:44:29,329 --> 00:44:27,480

and he can make his own decisions you

923

00:44:32,630 --> 00:44:29,339

know don't get me wrong on that you know

924

00:44:34,730 --> 00:44:32,640

this is just my opinion it might take

925

00:44:36,410 --> 00:44:34,740

and I understand if people disagree with

926

00:44:37,370 --> 00:44:36,420

it because you can have your own

927

00:44:39,770 --> 00:44:37,380

opinions

928

00:44:43,190 --> 00:44:39,780

obviously

929

00:44:46,670 --> 00:44:43,200

but if you're here and you're watching

930

00:44:50,150 --> 00:44:46,680

that makes me think you're interested

931

00:44:52,490 --> 00:44:50,160

so if I was Jay Stratton what I would do

932

00:44:58,250 --> 00:44:52,500

if they're completely wrong

933

00:45:03,109 --> 00:45:01,010

you know and I know people disagree with

934

00:45:04,670 --> 00:45:03,119

me and I know some very loud people that

935

00:45:06,589 --> 00:45:04,680

will disagree with me

936

00:45:08,150 --> 00:45:06,599

and I could really be asking for it here

937

00:45:10,609 --> 00:45:08,160

but you know what I don't care because

938

00:45:13,430 --> 00:45:10,619

I'm authentic and I try to give my true

939

00:45:15,589 --> 00:45:13,440

opinion no matter what and if I get run

940

00:45:18,170 --> 00:45:15,599

out of this space because of that then

941

00:45:21,710 --> 00:45:18,180

whatever fine

942

00:45:24,829 --> 00:45:21,720

but I'm not going to betray my integrity

943

00:45:29,809 --> 00:45:24,839

what I would do

944

00:45:35,930 --> 00:45:33,109

I would go to a news source

945

00:45:37,609 --> 00:45:35,940

and break this story and you wonder why

946

00:45:39,770 --> 00:45:37,619

the news media doesn't take this

947

00:45:41,530 --> 00:45:39,780

seriously because when stuff comes up

948

00:45:45,589 --> 00:45:41,540

like that they don't get the story

949

00:45:48,770 --> 00:45:47,270

and now they're supposed to you know

950

00:45:51,770 --> 00:45:48,780

what they're supposed to bring this guy

951
00:45:53,630 --> 00:45:51,780
on to the news here you said it this is

952
00:45:55,849 --> 00:45:53,640
CNN we're here with Jay Stratton you

953
00:45:58,849 --> 00:45:55,859
said it aliencon

954
00:46:02,510 --> 00:45:58,859
that the Pentagon was was being uh

955
00:46:07,069 --> 00:46:02,520
deceptible and not being truthful

956
00:46:16,309 --> 00:46:10,490
it's a castle made of sand

957
00:46:19,609 --> 00:46:17,750
you know

958
00:46:21,530 --> 00:46:19,619
if we want this to be taken seriously

959
00:46:22,849 --> 00:46:21,540
and I do

960
00:46:24,589 --> 00:46:22,859
obviously

961
00:46:26,510 --> 00:46:24,599
but if people like that want this to be

962
00:46:28,069 --> 00:46:26,520
taken seriously you have to take a

963
00:46:31,670 --> 00:46:28,079

serious approach

964

00:46:35,870 --> 00:46:33,410

you know when the Savannah syndrome

965

00:46:37,670 --> 00:46:35,880

thing happened and I don't know if it's

966

00:46:40,010 --> 00:46:37,680

still happening or people are still

967

00:46:42,710 --> 00:46:40,020

getting screwed up by that but but it's

968

00:46:46,130 --> 00:46:42,720

a perfect parallel to to kind of compare

969

00:46:51,290 --> 00:46:49,370

you know when when people uh wanted to

970

00:46:52,730 --> 00:46:51,300

go public with their with their stories

971

00:46:55,490 --> 00:46:52,740

that were part of the state department

972

00:46:57,290 --> 00:46:55,500

or even a CIA doctor

973

00:47:01,849 --> 00:46:57,300

who initially went to investigate it in

974

00:47:05,390 --> 00:47:01,859

Havana who got Havana syndrome himself

975

00:47:10,849 --> 00:47:08,690

they didn't go to a targeted individual

976
00:47:13,370 --> 00:47:10,859
conference which that's a thing targeted

977
00:47:14,809 --> 00:47:13,380
individuals who say you know that the

978
00:47:16,130 --> 00:47:14,819
government's targeting them and putting

979
00:47:17,809 --> 00:47:16,140
voices in their head and all that stuff

980
00:47:20,450 --> 00:47:17,819
and I'm not saying it's not real I'm

981
00:47:22,970 --> 00:47:20,460
just using it as an example they didn't

982
00:47:24,170 --> 00:47:22,980
go to a targeted individual podcast or

983
00:47:27,109 --> 00:47:24,180
conference

984
00:47:28,970 --> 00:47:27,119
to say this stuff

985
00:47:31,250 --> 00:47:28,980
or start their own targeted individual

986
00:47:33,470 --> 00:47:31,260
podcast

987
00:47:35,809 --> 00:47:33,480
they went to news sources

988
00:47:38,150 --> 00:47:35,819

they went to CNN

989

00:47:42,349 --> 00:47:38,160

they

990

00:47:42,359 --> 00:47:45,770

you know

991

00:47:51,710 --> 00:47:48,290

that's what they did

992

00:47:53,630 --> 00:47:51,720

and that's what we have to do in in this

993

00:47:55,190 --> 00:47:53,640

world

994

00:47:57,710 --> 00:47:55,200

vfos

995

00:47:59,270 --> 00:47:57,720

if we want it to be taken seriously now

996

00:48:01,550 --> 00:47:59,280

did that help

997

00:48:03,109 --> 00:48:01,560

I know they have Vanna syndrome thing I

998

00:48:04,970 --> 00:48:03,119

don't know if it helped I don't it

999

00:48:06,829 --> 00:48:04,980

doesn't seem like it did

1000

00:48:09,109 --> 00:48:06,839

to be honest so

1001

00:48:12,230 --> 00:48:09,119

you know I don't know

1002

00:48:15,470 --> 00:48:12,240

but I'm just saying like if if we people

1003

00:48:18,349 --> 00:48:15,480

changed Stratton even said that they

1004

00:48:20,930 --> 00:48:18,359

changed it from UFO to UAP because of

1005

00:48:22,250 --> 00:48:20,940

this stigma to get more people reporting

1006

00:48:23,930 --> 00:48:22,260

these things

1007

00:48:26,510 --> 00:48:23,940

because people didn't want to be labeled

1008

00:48:28,430 --> 00:48:26,520

as nuts reporting UFOs and then you go

1009

00:48:30,170 --> 00:48:28,440

out and

1010

00:48:33,530 --> 00:48:30,180

the first public appearance is on

1011

00:48:41,390 --> 00:48:36,770

you know

1012

00:48:43,550 --> 00:48:41,400

I know people are going to hate that

1013

00:48:46,730 --> 00:48:43,560

opinion and I'm sorry

1014

00:48:48,650 --> 00:48:46,740

like I'm not judging somebody based on

1015

00:48:50,690 --> 00:48:48,660

that decision it's not like I'm saying

1016

00:48:53,750 --> 00:48:50,700

Jay Stratton isn't a brilliant person

1017

00:48:58,430 --> 00:48:53,760

and he didn't really study UFOs and he's

1018

00:49:04,130 --> 00:49:01,910

he seems like a really smart person who

1019

00:49:07,010 --> 00:49:04,140

has a lot more information on this than

1020

00:49:10,490 --> 00:49:07,020

you know than I do

1021

00:49:12,170 --> 00:49:10,500

you know and is a lot more educated

1022

00:49:13,790 --> 00:49:12,180

for sure

1023

00:49:15,349 --> 00:49:13,800

you know

1024

00:49:17,150 --> 00:49:15,359

I'm just saying

1025

00:49:19,609 --> 00:49:17,160

that I don't think

1026
00:49:21,589 --> 00:49:19,619
first public appearance you do should be

1027
00:49:22,849 --> 00:49:21,599
an alien con and now that he's out why

1028
00:49:24,950 --> 00:49:22,859
is he not you know something I thought

1029
00:49:29,329 --> 00:49:24,960
about is Lou Elizondo is out there

1030
00:49:33,349 --> 00:49:30,589
you know

1031
00:49:35,870 --> 00:49:33,359
in the public

1032
00:49:38,210 --> 00:49:35,880
for years

1033
00:49:39,950 --> 00:49:38,220
he was on CNN all the news channels he

1034
00:49:41,630 --> 00:49:39,960
went out of his way to do each and every

1035
00:49:43,490 --> 00:49:41,640
podcast that he could no matter how many

1036
00:49:45,050 --> 00:49:43,500
followers they have and I haven't heard

1037
00:49:46,730 --> 00:49:45,060
of peep from Jay Stratton about Lou

1038
00:49:49,190 --> 00:49:46,740

Elizondo

1039

00:49:50,870 --> 00:49:49,200

nothing about yeah he really did atip or

1040

00:49:53,210 --> 00:49:50,880

yeah he is who he says he is or yeah

1041

00:49:55,250 --> 00:49:53,220

he's a good guy or yeah he did really

1042

00:49:59,210 --> 00:49:55,260

good work nothing

1043

00:49:59,220 --> 00:50:03,170

why is that

1044

00:50:03,180 --> 00:50:06,290

it's just weird

1045

00:50:10,790 --> 00:50:08,569

so the whole thing is really weird to me

1046

00:50:13,250 --> 00:50:10,800

because if you look at it from the

1047

00:50:14,990 --> 00:50:13,260

outside it seems like the person is more

1048

00:50:18,589 --> 00:50:15,000

interested

1049

00:50:23,630 --> 00:50:21,470

being on TV shows and doing alien con

1050

00:50:26,750 --> 00:50:23,640

which is so funny alien con right the

1051
00:50:31,430 --> 00:50:28,130
then

1052
00:50:34,309 --> 00:50:32,809
trying to get people that take it

1053
00:50:36,170 --> 00:50:34,319
seriously and do I have all the answers

1054
00:50:38,510 --> 00:50:36,180
no and is there more stuff going on in

1055
00:50:39,530 --> 00:50:38,520
the background than I know hell yeah of

1056
00:50:41,870 --> 00:50:39,540
course

1057
00:50:44,569 --> 00:50:41,880
but I'm not an Insider

1058
00:50:47,390 --> 00:50:44,579
you know all I have to do and judge

1059
00:50:50,630 --> 00:50:47,400
things by is what I perceive them to be

1060
00:50:56,390 --> 00:50:52,549
you know and I consider myself a pretty

1061
00:50:56,400 --> 00:50:59,630
you know

1062
00:51:05,809 --> 00:51:01,670
speaking of castles made of sand it the

1063
00:51:10,849 --> 00:51:07,849

you know to go backwards a little bit

1064

00:51:13,970 --> 00:51:10,859

like the Susan Goff thing like she came

1065

00:51:16,549 --> 00:51:13,980

out a while ago and said something about

1066

00:51:20,510 --> 00:51:16,559

um she was asked about Lou Elizondo in

1067

00:51:22,069 --> 00:51:20,520

his uh you know working at atip

1068

00:51:23,750 --> 00:51:22,079

you know the advanced Aerospace threat

1069

00:51:25,609 --> 00:51:23,760

identification program and she said that

1070

00:51:27,410 --> 00:51:25,619

he had no

1071

00:51:29,630 --> 00:51:27,420

um I know there's like words are really

1072

00:51:31,130 --> 00:51:29,640

important here so I hope I I'm probably

1073

00:51:33,530 --> 00:51:31,140

going to screw it up but basically she

1074

00:51:36,290 --> 00:51:33,540

said he had no assigned responsibilities

1075

00:51:40,549 --> 00:51:36,300

for atip right and that was like a huge

1076
00:51:43,190 --> 00:51:40,559
thing that um you know debunkers would

1077
00:51:45,170 --> 00:51:43,200
use against him was she said he never

1078
00:51:47,450 --> 00:51:45,180
worked there he's lying he's full of

1079
00:51:48,710 --> 00:51:47,460
crap you know and then Harry Reid

1080
00:51:50,450 --> 00:51:48,720
actually

1081
00:51:52,609 --> 00:51:50,460
you know wrote a letter backing him up

1082
00:51:55,130 --> 00:51:52,619
and everything which you know I think

1083
00:51:57,470 --> 00:51:55,140
means a lot but those debunkers wasn't

1084
00:52:00,589 --> 00:51:57,480
good enough for them whatever

1085
00:52:02,450 --> 00:52:00,599
and people you know accuse her of of uh

1086
00:52:05,750 --> 00:52:02,460
you know being misinformation or

1087
00:52:07,670 --> 00:52:05,760
whatever and and she's lying and you

1088
00:52:09,530 --> 00:52:07,680

know Lou Elizondo actually did a huge

1089

00:52:13,790 --> 00:52:09,540

complaint with the IG talking about a

1090

00:52:20,290 --> 00:52:15,290

it still works there

1091

00:52:24,770 --> 00:52:22,430

the dod

1092

00:52:26,390 --> 00:52:24,780

after all this and I think it's probably

1093

00:52:32,750 --> 00:52:26,400

been more than a couple years this

1094

00:52:38,150 --> 00:52:34,609

so

1095

00:52:40,190 --> 00:52:38,160

you know whoever

1096

00:52:42,349 --> 00:52:40,200

you know really doesn't want any more of

1097

00:52:46,130 --> 00:52:42,359

this information coming up is definitely

1098

00:52:46,140 --> 00:52:51,410

and how you're going to get past that

1099

00:52:57,349 --> 00:52:53,690

I just think that's uh important to keep

1100

00:53:01,730 --> 00:52:59,210

so I'm doing this show

1101
00:53:03,410 --> 00:53:01,740
um ALS also because like I I want to

1102
00:53:05,750 --> 00:53:03,420
event a little bit about some of the

1103
00:53:07,010 --> 00:53:05,760
things that frustrate me

1104
00:53:09,170 --> 00:53:07,020
um which

1105
00:53:11,390 --> 00:53:09,180
you know might be used against me on

1106
00:53:14,030 --> 00:53:11,400
Twitter at some point or whatever I

1107
00:53:17,390 --> 00:53:14,040
don't care I'm just trying to be

1108
00:53:18,710 --> 00:53:17,400
responsible and you know as for some

1109
00:53:21,109 --> 00:53:18,720
truth you know

1110
00:53:24,470 --> 00:53:21,119
another thing that kind of uh

1111
00:53:26,329 --> 00:53:24,480
is is irritating and this is

1112
00:53:28,309 --> 00:53:26,339
you know as far as like getting videos

1113
00:53:31,790 --> 00:53:28,319

and stuff

1114

00:53:33,290 --> 00:53:31,800

of UFOs or unidentifieds like this whole

1115

00:53:35,510 --> 00:53:33,300

thing started with three Navy videos

1116

00:53:38,750 --> 00:53:35,520

that came out

1117

00:53:42,109 --> 00:53:38,760

and that was like five years ago man

1118

00:53:44,870 --> 00:53:43,309

um

1119

00:53:46,549 --> 00:53:44,880

and we don't get any

1120

00:53:47,809 --> 00:53:46,559

those balloons that were recently shot

1121

00:53:50,089 --> 00:53:47,819

down

1122

00:53:52,670 --> 00:53:50,099

Vinnie disclosure team just did a great

1123

00:53:54,950 --> 00:53:52,680

podcast with uh Tim McMillan where where

1124

00:53:57,890 --> 00:53:54,960

he said McMillan said that he knew for a

1125

00:54:00,770 --> 00:53:57,900

fact that none

1126
00:54:03,170 --> 00:54:00,780
of the Congress people or whatever have

1127
00:54:06,950 --> 00:54:03,180
seen any video or footage he knew that

1128
00:54:06,960 --> 00:54:10,130
right

1129
00:54:14,630 --> 00:54:12,530
and here we are the Chinese balloon

1130
00:54:17,390 --> 00:54:14,640
thing first of all

1131
00:54:21,349 --> 00:54:17,400
Crystal Clear video comes out or I don't

1132
00:54:27,849 --> 00:54:23,750
just recently a Reaper drone I'm sure

1133
00:54:35,690 --> 00:54:30,650
gets clipped by a Russian jet

1134
00:54:47,150 --> 00:54:38,390
and we get a fantastic video of it

1135
00:54:53,809 --> 00:54:50,329
and we can't see any

1136
00:54:55,970 --> 00:54:53,819
unidentified videos the one we got was

1137
00:54:57,530 --> 00:54:55,980
in the hearings which was a blip of a

1138
00:55:01,069 --> 00:54:57,540

tiny little thing

1139

00:55:05,990 --> 00:55:03,950

so you need to know you have a Twitter

1140

00:55:08,089 --> 00:55:06,000

or people who pay attention to this and

1141

00:55:10,609 --> 00:55:08,099

want more transparency

1142

00:55:13,190 --> 00:55:10,619

you need to know what the Air Force what

1143

00:55:17,990 --> 00:55:13,200

the Department of Defense thinks of

1144

00:55:21,650 --> 00:55:18,000

those requests they do not give a

1145

00:55:23,750 --> 00:55:21,660

they can release video when they want to

1146

00:55:27,290 --> 00:55:23,760

and they just did

1147

00:55:30,710 --> 00:55:27,300

and they are spitting in our coffee

1148

00:55:30,720 --> 00:55:34,670

they don't care

1149

00:55:39,290 --> 00:55:37,490

video classified sensors whatever you

1150

00:55:42,349 --> 00:55:39,300

know we're in a weird territory whatever

1151
00:55:45,470 --> 00:55:42,359
well actually when it matters to us

1152
00:55:47,870 --> 00:55:45,480
yeah we'll release it

1153
00:55:49,910 --> 00:55:47,880
when it doesn't matter we're not going

1154
00:55:51,890 --> 00:55:49,920
to

1155
00:55:54,890 --> 00:55:51,900
and it doesn't matter

1156
00:55:56,390 --> 00:55:54,900
the UFO videos or photos it doesn't

1157
00:55:58,430 --> 00:55:56,400
matter to them they're not going to

1158
00:56:00,230 --> 00:55:58,440
release it

1159
00:56:03,829 --> 00:56:00,240
and that

1160
00:56:09,650 --> 00:56:05,750
not that I think a video would change

1161
00:56:15,970 --> 00:56:12,109
you know video I think people are just

1162
00:56:21,530 --> 00:56:18,290
you know what difference is it going to

1163
00:56:25,069 --> 00:56:21,540

make but so

1164

00:56:27,109 --> 00:56:25,079

you know we have all this stuff going on

1165

00:56:29,630 --> 00:56:27,119

all this crap

1166

00:56:31,370 --> 00:56:29,640

yeah and on Twitter like uh somebody

1167

00:56:34,190 --> 00:56:31,380

said you know the thing about Jay

1168

00:56:36,109 --> 00:56:34,200

Stratton going on aliencon and no I

1169

00:56:37,849 --> 00:56:36,119

don't think that's a great idea but um

1170

00:56:39,710 --> 00:56:37,859

to finish that thought

1171

00:56:44,089 --> 00:56:39,720

um I I retweeted and said I don't care

1172

00:56:49,549 --> 00:56:46,970

I want hearings

1173

00:56:52,370 --> 00:56:49,559

meaning like I don't care what these

1174

00:56:54,530 --> 00:56:52,380

guys do I don't care if Travis Taylor is

1175

00:56:56,809 --> 00:56:54,540

the face of Ancient Aliens forever and

1176

00:56:59,390 --> 00:56:56,819

there's alien cons all over the place

1177

00:57:01,790 --> 00:56:59,400

and Jay Stratton dresses up in a gray

1178

00:57:05,510 --> 00:57:01,800

alien suit and

1179

00:57:08,030 --> 00:57:05,520

um you know Travis Taylor his bedroom is

1180

00:57:09,890 --> 00:57:08,040

all just alien E.T stuff spaceships all

1181

00:57:12,710 --> 00:57:09,900

over the place Jeremy Corbell talks

1182

00:57:14,569 --> 00:57:12,720

about Bob Lazar and loves Bob Lazar and

1183

00:57:16,790 --> 00:57:14,579

he's the true blue and everybody else is

1184

00:57:18,770 --> 00:57:16,800

lying whatever I don't care what I want

1185

00:57:20,750 --> 00:57:18,780

is hearings I want hearings

1186

00:57:23,329 --> 00:57:20,760

Congressional hearings on the record

1187

00:57:26,390 --> 00:57:23,339

under oath

1188

00:57:28,790 --> 00:57:26,400

that's what I need that's what we need

1189

00:57:31,670 --> 00:57:28,800

otherwise it's just going to be a huge

1190

00:57:34,130 --> 00:57:31,680

information Gap that just gets filled

1191

00:57:36,109 --> 00:57:34,140

out with nonsense

1192

00:57:38,030 --> 00:57:36,119

or at least gets filled out with things

1193

00:57:40,069 --> 00:57:38,040

that we're not going to be able to

1194

00:57:41,450 --> 00:57:40,079

decipher on our own without more

1195

00:57:44,210 --> 00:57:41,460

information

1196

00:57:46,730 --> 00:57:44,220

we're the victim here

1197

00:57:51,770 --> 00:57:46,740

information gets put out that we cannot

1198

00:57:56,270 --> 00:57:53,750

you know and then we're expected to

1199

00:58:01,069 --> 00:57:56,280

decide how to react to it or what side

1200

00:58:06,890 --> 00:58:03,589

you know and if you don't make the right

1201
00:58:09,470 --> 00:58:06,900
decision you get chastised on Twitter

1202
00:58:11,390 --> 00:58:09,480
you know oh you're a loser all of a

1203
00:58:13,250 --> 00:58:11,400
sudden you get turned into like a racist

1204
00:58:15,950 --> 00:58:13,260
or something like that or or whatever

1205
00:58:17,510 --> 00:58:15,960
you know and one side just says this

1206
00:58:20,510 --> 00:58:17,520
guy's full of crap

1207
00:58:24,530 --> 00:58:22,130
you know

1208
00:58:30,230 --> 00:58:24,540
no there's not enough information to

1209
00:58:34,430 --> 00:58:32,450
that's why we need hearings

1210
00:58:36,470 --> 00:58:34,440
under oath

1211
00:58:38,990 --> 00:58:36,480
in I do not

1212
00:58:42,650 --> 00:58:39,000
I do not

1213
00:58:46,970 --> 00:58:45,470

uh Moultrie and Bray or whoever the hell

1214

00:58:48,410 --> 00:58:46,980

is from the government that were there

1215

00:58:52,490 --> 00:58:48,420

last time I don't want to see them what

1216

00:58:55,609 --> 00:58:52,500

I want to see are witnesses I want Bob

1217

00:58:58,130 --> 00:58:55,619

Solace under oath

1218

00:59:01,430 --> 00:58:58,140

at Congressional hearings telling his

1219

00:59:03,470 --> 00:59:01,440

story about the Maelstrom incident I

1220

00:59:06,710 --> 00:59:03,480

want David fravor there

1221

00:59:10,069 --> 00:59:06,720

telling his story about the Tic Tac and

1222

00:59:12,049 --> 00:59:10,079

Alex Diedrich I want her there telling

1223

00:59:15,410 --> 00:59:12,059

her story

1224

00:59:17,329 --> 00:59:15,420

I want Ryan Graves talking about his

1225

00:59:21,289 --> 00:59:17,339

story

1226

00:59:22,970 --> 00:59:21,299

under oath a national television

1227

00:59:25,010 --> 00:59:22,980

Congressional hearings I want Lou

1228

00:59:29,089 --> 00:59:25,020

Elizondo there

1229

00:59:31,970 --> 00:59:29,099

telling everything he knows Chris Mellon

1230

00:59:33,049 --> 00:59:31,980

and I do want Jay Stratton and Travis

1231

00:59:35,450 --> 00:59:33,059

Taylor

1232

00:59:40,130 --> 00:59:35,460

and Bob Lazar

1233

00:59:42,650 --> 00:59:40,140

under oath at Congressional hearings

1234

00:59:44,329 --> 00:59:42,660

George Knapp Congressional hearings

1235

00:59:47,390 --> 00:59:44,339

under oath

1236

00:59:50,150 --> 00:59:47,400

that's what I want

1237

00:59:53,630 --> 00:59:50,160

because we need to know

1238

00:59:56,510 --> 00:59:53,640

who's lying and who isn't

1239

01:00:00,170 --> 00:59:56,520

with repercussions being

1240

01:00:02,270 --> 01:00:00,180

legal legal repercussions

1241

01:00:03,770 --> 01:00:02,280

and then we'll say then we'll see you

1242

01:00:05,630 --> 01:00:03,780

who says what

1243

01:00:10,190 --> 01:00:05,640

and what their stories are

1244

01:00:16,010 --> 01:00:12,950

it's ridiculous

1245

01:00:19,309 --> 01:00:16,020

and this is what happens

1246

01:00:26,210 --> 01:00:23,990

is not transparent with people

1247

01:00:30,770 --> 01:00:26,220

the Air Force shut down their UFO

1248

01:00:35,930 --> 01:00:30,780

investigation in 1969.

1249

01:00:41,210 --> 01:00:38,390

you know

1250

01:00:43,910 --> 01:00:41,220

Mario Woods Andre says yes he was on the

1251

01:00:45,710 --> 01:00:43,920

show I want that guy to testify under

1252

01:00:47,630 --> 01:00:45,720

oath in front of Congress in front of

1253

01:00:48,470 --> 01:00:47,640

the American people that's what we need

1254

01:00:51,789 --> 01:00:48,480

to do

1255

01:00:55,069 --> 01:00:51,799

we don't and Greer is doing this stupid

1256

01:00:57,589 --> 01:00:55,079

you know press conference thing I don't

1257

01:00:59,750 --> 01:00:57,599

need any more Greer's press

1258

01:01:01,910 --> 01:00:59,760

conference things with some people who

1259

01:01:03,829 --> 01:01:01,920

are aligned some people who know this or

1260

01:01:07,309 --> 01:01:03,839

that we don't need any of that

1261

01:01:09,049 --> 01:01:07,319

what we need is Congressional hearings

1262

01:01:11,630 --> 01:01:09,059

under oath

1263

01:01:13,309 --> 01:01:11,640

with legal ramifications for the ones

1264

01:01:17,030 --> 01:01:13,319

who lie

1265

01:01:23,210 --> 01:01:18,530

so

1266

01:01:27,670 --> 01:01:25,910

because ever since Blue Book closed it's

1267

01:01:31,150 --> 01:01:27,680

been nothing but

1268

01:01:33,910 --> 01:01:31,160

truth mixed with misinformation

1269

01:01:36,109 --> 01:01:33,920

mixed with

1270

01:01:39,470 --> 01:01:36,119

counterintelligence people

1271

01:01:43,250 --> 01:01:39,480

mixed with contractor bullcrap

1272

01:01:45,470 --> 01:01:43,260

story after story after Story and no one

1273

01:01:48,530 --> 01:01:45,480

can make anything of it because it's not

1274

01:01:52,190 --> 01:01:50,390

and some people want official

1275

01:01:54,349 --> 01:01:52,200

information and they'll just cling on to

1276

01:01:58,910 --> 01:01:54,359

whatever is said

1277

01:02:03,650 --> 01:02:01,730

that's not right you know you have these

1278

01:02:05,630 --> 01:02:03,660

people filling in this information void

1279

01:02:07,609 --> 01:02:05,640

with what they want to fill it with you

1280

01:02:11,089 --> 01:02:07,619

know and a lot of that I hate to say it

1281

01:02:16,130 --> 01:02:13,670

um you know like Jacques valet

1282

01:02:18,829 --> 01:02:16,140

and I don't I'm not saying that they're

1283

01:02:22,549 --> 01:02:19,930

foreign

1284

01:02:24,289 --> 01:02:22,559

what I'm saying is people like uh

1285

01:02:26,569 --> 01:02:24,299

they're the ones filling in the

1286

01:02:28,250 --> 01:02:26,579

information Gap Jacque Valley helped

1287

01:02:30,950 --> 01:02:28,260

boot of

1288

01:02:35,030 --> 01:02:30,960

um you know all his books

1289

01:02:36,410 --> 01:02:35,040

um MJ 12 you know alien autopsy films

1290

01:02:38,930 --> 01:02:36,420

they're all filling in this information

1291

01:02:43,010 --> 01:02:38,940

Gap

1292

01:02:44,450 --> 01:02:43,020

Eric Davis the Wilson Davis notes

1293

01:02:46,789 --> 01:02:44,460

and I'm not saying those things aren't

1294

01:02:49,309 --> 01:02:46,799

true but I'm saying I have no idea and

1295

01:02:51,170 --> 01:02:49,319

none of us have any idea and if you are

1296

01:02:53,470 --> 01:02:51,180

saying you do that you're not being

1297

01:02:57,349 --> 01:02:53,480

truthful because it's based on

1298

01:03:01,069 --> 01:02:57,359

everyone's story is that guy said

1299

01:03:07,430 --> 01:03:05,210

everything in Jacque Valley's uh latest

1300

01:03:09,710 --> 01:03:07,440

book

1301

01:03:12,049 --> 01:03:09,720

um his diary that came out

1302

01:03:14,450 --> 01:03:12,059

every story about this stuff whether it

1303

01:03:16,730 --> 01:03:14,460

you know be about crash retrievals or

1304

01:03:19,730 --> 01:03:16,740

authentication Wilson Davis notes it's

1305

01:03:22,190 --> 01:03:19,740

all about him saying that this person

1306

01:03:24,829 --> 01:03:22,200

said to him

1307

01:03:27,109 --> 01:03:24,839

that someone told him something

1308

01:03:28,490 --> 01:03:27,119

Eric Davis told me that this person told

1309

01:03:31,069 --> 01:03:28,500

him something

1310

01:03:33,950 --> 01:03:31,079

this person told me that he told him

1311

01:03:40,730 --> 01:03:35,210

you know

1312

01:03:45,710 --> 01:03:43,910

can't build a case off of it

1313

01:03:48,109 --> 01:03:45,720

you know

1314

01:03:50,329 --> 01:03:48,119

if there's smoke there's fire sure you

1315

01:03:55,630 --> 01:03:50,339

should go looking but you can't count on

1316

01:03:55,640 --> 01:04:01,549

and that's just how I feel about it

1317

01:04:09,109 --> 01:04:05,809

just how I feel about it

1318

01:04:12,530 --> 01:04:09,119

I don't want to offend you Anonymous CT

1319

01:04:17,150 --> 01:04:12,540

um I have researched well I've looked

1320

01:04:20,630 --> 01:04:18,530

um I can't say

1321

01:04:22,609 --> 01:04:20,640

they know everything about them and when

1322

01:04:25,069 --> 01:04:22,619

I say Greer is I just meant

1323

01:04:26,990 --> 01:04:25,079

like we don't need any more civilian-led

1324

01:04:28,430 --> 01:04:27,000

press conferences we need this stuff in

1325

01:04:31,069 --> 01:04:28,440

Congress

1326

01:04:33,230 --> 01:04:31,079

under oath because there are all sorts

1327

01:04:39,349 --> 01:04:33,240

of people who are saying all sorts of

1328

01:04:45,710 --> 01:04:41,210

you know

1329

01:04:50,150 --> 01:04:48,589

it's important to use those claims Katie

1330

01:04:52,130 --> 01:04:50,160

says hello by the way as a starting

1331

01:04:55,130 --> 01:04:52,140

point for research

1332

01:04:57,230 --> 01:04:55,140

um like Jacques Valley's claims for sure

1333

01:04:59,270 --> 01:04:57,240

totally it's a starting point for

1334

01:05:01,010 --> 01:04:59,280

research

1335

01:05:04,250 --> 01:05:01,020

you know and Ross coldheart just said

1336

01:05:06,770 --> 01:05:04,260

this on his latest episode like

1337

01:05:08,450 --> 01:05:06,780

you know what he's not seeing

1338

01:05:10,609 --> 01:05:08,460

which is what should happen is people

1339

01:05:12,710 --> 01:05:10,619

need to start making phone calls

1340

01:05:14,270 --> 01:05:12,720

you can't just go out there and say this

1341

01:05:16,490 --> 01:05:14,280

is true what you have to do if Eric

1342

01:05:18,289 --> 01:05:16,500

Davis got this from George Bush or

1343

01:05:21,710 --> 01:05:18,299

whoever the hell you gotta go call that

1344

01:05:26,630 --> 01:05:21,720

person and try to get it verified

1345

01:05:26,640 --> 01:05:29,870

and he's right

1346

01:05:33,530 --> 01:05:31,010

you know

1347

01:05:35,030 --> 01:05:33,540

not like other people who will just take

1348

01:05:37,670 --> 01:05:35,040

that book

1349

01:05:39,829 --> 01:05:37,680

put on this episode this live stream

1350

01:05:43,010 --> 01:05:39,839

episode and make these neat little flash

1351

01:05:44,750 --> 01:05:43,020

cards and whatever and everybody Praises

1352

01:05:46,730 --> 01:05:44,760

it and says oh my gosh can you believe

1353

01:05:49,250 --> 01:05:46,740

this you read a book and made flash

1354

01:05:53,270 --> 01:05:49,260

cards wow that's amazing

1355

01:05:59,329 --> 01:05:53,280

no call somebody verify the truth

1356

01:05:59,339 --> 01:06:02,270

that's

1357

01:06:05,990 --> 01:06:04,250

and

1358

01:06:07,849 --> 01:06:06,000

you know that's that's just what I'm

1359

01:06:09,470 --> 01:06:07,859

saying you need to do if if you want

1360

01:06:10,609 --> 01:06:09,480

people to take it seriously you know and

1361

01:06:12,049 --> 01:06:10,619

if you don't want people to take it

1362

01:06:14,630 --> 01:06:12,059

seriously then fine

1363

01:06:17,390 --> 01:06:14,640

then you can all just use his diary as

1364

01:06:19,430 --> 01:06:17,400

the Bible and and do what you want but

1365

01:06:22,190 --> 01:06:19,440

you're not going to get people like

1366

01:06:23,390 --> 01:06:22,200

Congress to take that stuff seriously if

1367

01:06:26,270 --> 01:06:23,400

you don't make the phone calls yourself

1368

01:06:28,309 --> 01:06:26,280

and get corroboration

1369

01:06:30,289 --> 01:06:28,319

and that's just how it is and if you

1370

01:06:33,109 --> 01:06:30,299

want to live in reality that's where

1371

01:06:34,490 --> 01:06:33,119

reality lies if you don't want to then

1372

01:06:36,650 --> 01:06:34,500

forget it

1373

01:06:39,170 --> 01:06:36,660

forget everything I'm saying

1374

01:06:39,180 --> 01:06:41,690

so

1375

01:06:48,470 --> 01:06:43,130

you know

1376

01:06:51,650 --> 01:06:48,480

offend anybody or whatever like I'm just

1377

01:06:53,750 --> 01:06:51,660

trying to be as real as I can here

1378

01:06:56,329 --> 01:06:53,760

and people might not agree with me and

1379

01:06:59,329 --> 01:06:56,339

and that's fine

1380

01:07:01,490 --> 01:06:59,339

and

1381

01:07:05,390 --> 01:07:01,500

you know it's I'm in a hard position

1382

01:07:06,770 --> 01:07:05,400

because the the one the one side uh you

1383

01:07:08,809 --> 01:07:06,780

know I want great guests because let's

1384

01:07:11,270 --> 01:07:08,819

be honest like Gary Nolan comes on here

1385

01:07:13,549 --> 01:07:11,280

I get 15 000 views I'm doing this by

1386

01:07:15,650 --> 01:07:13,559

myself I'm lucky to get a thousand

1387

01:07:18,109 --> 01:07:15,660

you know so I have people like that on

1388

01:07:19,730 --> 01:07:18,119

it makes the channel you know bigger and

1389

01:07:22,430 --> 01:07:19,740

there's more people and all that kind of

1390

01:07:25,010 --> 01:07:22,440

stuff and and that's great but sometimes

1391

01:07:27,230 --> 01:07:25,020

it gets to this point where like

1392

01:07:32,510 --> 01:07:27,240

I have to

1393

01:07:35,210 --> 01:07:32,520

honest

1394

01:07:37,250 --> 01:07:35,220

with how I'm really feeling out of fear

1395

01:07:40,490 --> 01:07:37,260

that like maybe I won't be able to get

1396

01:07:44,270 --> 01:07:40,500

that guest or whatever you know and I'll

1397

01:07:46,430 --> 01:07:44,280

just stay here at where I am now

1398

01:07:49,670 --> 01:07:46,440

but in the end

1399

01:07:52,370 --> 01:07:49,680

my Integrity wins out like

1400

01:07:54,470 --> 01:07:52,380

I have to be honest with with how I feel

1401

01:07:56,750 --> 01:07:54,480

and if that means that people don't want

1402

01:07:59,089 --> 01:07:56,760

to be on this show anymore fine you know

1403

01:08:01,010 --> 01:07:59,099

then that's how it is

1404

01:08:06,470 --> 01:08:01,020

and unfortunately I think there maybe is

1405

01:08:14,450 --> 01:08:08,329

you know

1406

01:08:17,809 --> 01:08:14,460

um

1407

01:08:20,269 --> 01:08:17,819

I'm on this the side of disclosure

1408

01:08:21,769 --> 01:08:20,279

people who I know will hate a lot of

1409

01:08:23,870 --> 01:08:21,779

these takes

1410

01:08:27,410 --> 01:08:23,880

I like those people

1411

01:08:32,689 --> 01:08:29,749

and I just disagree

1412

01:08:35,630 --> 01:08:32,699

with how it should be done

1413

01:08:41,390 --> 01:08:35,640

and how information should be ingested

1414

01:08:41,400 --> 01:08:46,010

we have to have an argument

1415

01:08:50,749 --> 01:08:48,050

that you can take to anybody up against

1416

01:08:52,669 --> 01:08:50,759

Midwest and it blows them away

1417

01:08:55,789 --> 01:08:52,679

if you want this topic to be taken

1418

01:08:55,799 --> 01:08:58,910

you know

1419

01:09:04,130 --> 01:09:02,269

if Midwest can convince anybody

1420

01:09:08,329 --> 01:09:04,140

that

1421

01:09:15,590 --> 01:09:13,430

the gimbal is a is a jet or whatever

1422

01:09:21,229 --> 01:09:15,600

the lay person

1423

01:09:25,610 --> 01:09:21,239

that it is a jet and it's not

1424

01:09:31,189 --> 01:09:28,910

you're not we're not getting anywhere

1425

01:09:33,470 --> 01:09:31,199

We're not gonna get anywhere

1426

01:09:36,470 --> 01:09:33,480

like you have we have to be able to blow

1427

01:09:41,990 --> 01:09:38,329

you know and some people think we have

1428

01:09:44,930 --> 01:09:42,000

or whatever and maybe we have but you

1429

01:09:46,789 --> 01:09:44,940

can't ask somebody to read five pages of

1430

01:09:48,410 --> 01:09:46,799

descriptions of why he's wrong to

1431

01:09:50,450 --> 01:09:48,420

convince them

1432

01:09:54,350 --> 01:09:50,460

unless you want Disclosure by the year

1433

01:10:00,530 --> 01:09:56,930

you know people's lives are busy in

1434

01:10:04,850 --> 01:10:00,540

their attention spans are very short

1435

01:10:10,729 --> 01:10:06,950

like there is phenomenal arguments

1436

01:10:13,550 --> 01:10:10,739

against a lot of Midwest stuff

1437

01:10:17,030 --> 01:10:13,560

to the point of where I think

1438

01:10:18,590 --> 01:10:17,040

that Mick is wrong a lot

1439

01:10:21,350 --> 01:10:18,600

or at least it's not proven that he's

1440

01:10:23,510 --> 01:10:21,360

right either you know

1441

01:10:25,370 --> 01:10:23,520

but I have to take a lot of time to

1442

01:10:28,910 --> 01:10:25,380

digest all the information to get to

1443

01:10:32,450 --> 01:10:28,920

that point and no one absolutely no one

1444

01:10:36,110 --> 01:10:32,460

outside of this world is this UFO world

1445

01:10:37,910 --> 01:10:36,120

is going to do that

1446

01:10:40,370 --> 01:10:37,920

they're just going to look at the easier

1447

01:10:42,770 --> 01:10:40,380

thing to digest which is yeah it's a

1448

01:10:44,990 --> 01:10:42,780

bird I can move on with my life

1449

01:10:48,110 --> 01:10:45,000

and it only took me 15 minutes to watch

1450

01:10:53,090 --> 01:10:49,850

you know

1451

01:10:55,370 --> 01:10:53,100

and that's just how the world is

1452

01:10:56,990 --> 01:10:55,380

what would do that

1453

01:11:01,550 --> 01:10:57,000

and what kind of evidence would do that

1454

01:11:09,649 --> 01:11:04,790

you know

1455

01:11:13,310 --> 01:11:09,659

been told about for years whether it be

1456

01:11:15,229 --> 01:11:13,320

a 23 minute video or a video about 50

1457

01:11:18,169 --> 01:11:15,239

feet away from the craft we need to see

1458

01:11:24,290 --> 01:11:20,330

you know and I think our focus should be

1459

01:11:27,550 --> 01:11:26,149

you know people can have whatever Focus

1460

01:11:29,870 --> 01:11:27,560

they want if they want to go out over

1461

01:11:32,630 --> 01:11:29,880

after a crash or streamable stuff fine

1462

01:11:35,930 --> 01:11:32,640

do whatever you want but

1463

01:11:38,330 --> 01:11:35,940

you know I think it needs to be

1464

01:11:41,030 --> 01:11:38,340

um Congressional hearings I guess under

1465

01:11:46,310 --> 01:11:41,040

all so we can you know really

1466

01:11:50,630 --> 01:11:49,430

Eric Davis Congressional hearings Bob

1467

01:11:53,149 --> 01:11:50,640

Bigelow

1468

01:11:55,610 --> 01:11:53,159

Congressional hearings under oath all

1469

01:11:59,090 --> 01:11:55,620

these people need to do that

1470

01:12:00,890 --> 01:11:59,100

and all this hearsay and this guy says

1471

01:12:04,310 --> 01:12:00,900

this and that guy says this needs to be

1472

01:12:08,510 --> 01:12:06,110

because like it affects people's lives

1473

01:12:10,430 --> 01:12:08,520

people live completely different lives

1474

01:12:15,110 --> 01:12:10,440

you know based on some of the things

1475

01:12:23,330 --> 01:12:18,590

and that you know a lot of times there's

1476

01:12:26,330 --> 01:12:24,770

and people go on with their life

1477

01:12:27,770 --> 01:12:26,340

thinking something is a fact when

1478

01:12:30,530 --> 01:12:27,780

they're there's no

1479

01:12:32,390 --> 01:12:30,540

basis for it sometimes you know and

1480

01:12:34,610 --> 01:12:32,400

that's not fair

1481

01:12:37,189 --> 01:12:34,620

and if this stuff does exist you know

1482

01:12:39,709 --> 01:12:37,199

crash retrievals and and all that kind

1483

01:12:41,870 --> 01:12:39,719

of stuff like the same thing like we

1484

01:12:44,990 --> 01:12:41,880

need to know about that it's not fair

1485

01:12:48,830 --> 01:12:47,630

yes I'm sorry it's my curiosity well

1486

01:12:50,930 --> 01:12:48,840

it's my life

1487

01:12:53,149 --> 01:12:50,940

you know and there's a whole lot more

1488

01:12:53,990 --> 01:12:53,159

people in this world that aren't in

1489

01:12:55,550 --> 01:12:54,000

government

1490

01:12:56,810 --> 01:12:55,560

than our

1491

01:13:00,830 --> 01:12:56,820

and

1492

01:13:04,430 --> 01:13:02,990

you know if there were Crash retrievals

1493

01:13:06,050 --> 01:13:04,440

from outer space would you want to know

1494

01:13:07,490 --> 01:13:06,060

yes or no

1495

01:13:10,850 --> 01:13:07,500

um

1496

01:13:13,250 --> 01:13:10,860

I would imagine you know 90 of people

1497

01:13:15,410 --> 01:13:13,260

would say yes

1498

01:13:17,510 --> 01:13:15,420

maybe the 10 or you know just people

1499

01:13:21,410 --> 01:13:17,520

that can't handle stuff like that

1500

01:13:21,420 --> 01:13:26,090

so

1501

01:13:32,030 --> 01:13:27,890

I don't make any money doing this

1502

01:13:34,130 --> 01:13:32,040

podcast maybe 100 100 bucks every half a

1503

01:13:35,270 --> 01:13:34,140

year or whatever

1504

01:13:37,130 --> 01:13:35,280

um

1505

01:13:38,930 --> 01:13:37,140

so I'm not in this for the money I'm not

1506

01:13:40,669 --> 01:13:38,940

in this for anything

1507

01:13:43,130 --> 01:13:40,679

I'm in this because I had my own

1508

01:13:45,830 --> 01:13:43,140

experience that blew my mind and I can't

1509

01:13:47,510 --> 01:13:45,840

stop thinking about it ever since and

1510

01:13:49,490 --> 01:13:47,520

I'm trying to find Truth by going

1511

01:13:52,630 --> 01:13:49,500

through documents but every time I

1512

01:13:58,010 --> 01:13:55,550

you know like who's who are out there

1513

01:13:59,390 --> 01:13:58,020

like on the news or whatever like it's

1514

01:14:02,209 --> 01:13:59,400

not helping me

1515

01:14:04,310 --> 01:14:02,219

and I need help

1516

01:14:06,350 --> 01:14:04,320

I want to know

1517

01:14:08,810 --> 01:14:06,360

I want some answers even if there isn't

1518

01:14:11,330 --> 01:14:08,820

answers that's fine but just prove to me

1519

01:14:14,450 --> 01:14:11,340

that there are no answers

1520

01:14:16,790 --> 01:14:14,460

people are affected by these Encounters

1521

01:14:21,830 --> 01:14:16,800

in these sightings

1522

01:14:26,750 --> 01:14:23,810

you know

1523

01:14:28,189 --> 01:14:26,760

for people's claims about this retrieval

1524

01:14:30,830 --> 01:14:28,199

thing or that retrieval thing or

1525

01:14:32,990 --> 01:14:30,840

whatever the

1526
01:14:34,550 --> 01:14:33,000
you know meanwhile I'm still here living

1527
01:14:36,229 --> 01:14:34,560
with it

1528
01:14:37,970 --> 01:14:36,239
other people are still living with

1529
01:14:43,370 --> 01:14:37,980
theirs

1530
01:14:47,709 --> 01:14:44,930
you know nobody's out there saying like

1531
01:14:50,149 --> 01:14:47,719
we have to get these people have been

1532
01:14:53,090 --> 01:14:50,159
seriously affected by these sightings

1533
01:14:55,250 --> 01:14:53,100
some answers

1534
01:14:58,010 --> 01:14:55,260
because they deserve them

1535
01:14:59,270 --> 01:14:58,020
no they're out there showing themselves

1536
01:15:02,689 --> 01:14:59,280
off

1537
01:15:08,570 --> 01:15:02,699
putting their ego on television

1538
01:15:08,580 --> 01:15:14,689

and it's

1539

01:15:14,699 --> 01:15:20,209

so

1540

01:15:23,990 --> 01:15:21,440

that's all I got

1541

01:15:26,209 --> 01:15:24,000

[Laughter]

1542

01:15:29,270 --> 01:15:26,219

uh yeah if you guys have questions I can

1543

01:15:31,490 --> 01:15:29,280

answer you know talk I love you too

1544

01:15:34,250 --> 01:15:31,500

Kitty and you know without getting into

1545

01:15:37,790 --> 01:15:36,050

because we don't need any drama but what

1546

01:15:41,090 --> 01:15:37,800

Katie's been going through on Twitter is

1547

01:15:45,050 --> 01:15:41,100

absolute horseshit

1548

01:15:45,060 --> 01:15:49,729

for who she is

1549

01:15:49,739 --> 01:15:54,590

and her views

1550

01:16:01,130 --> 01:15:57,410

they make somebody made an actual

1551
01:16:02,930 --> 01:16:01,140
YouTube show to talk about her and

1552
01:16:07,490 --> 01:16:02,940
she's one of the nicest people I've met

1553
01:16:12,770 --> 01:16:10,490
that's how pathetic

1554
01:16:16,850 --> 01:16:12,780
some of this stuff is and that is just

1555
01:16:22,669 --> 01:16:16,860
completely noise that is so

1556
01:16:27,110 --> 01:16:24,410
you know

1557
01:16:28,970 --> 01:16:27,120
Katie is a a great person she's got a

1558
01:16:30,950 --> 01:16:28,980
huge heart she's always been super kind

1559
01:16:34,850 --> 01:16:30,960
to me has reached out when she thought

1560
01:16:40,430 --> 01:16:37,550
leave her alone dude

1561
01:16:44,270 --> 01:16:40,440
leave her alone letter B find something

1562
01:16:49,430 --> 01:16:44,280
in your life that matters that doesn't

1563
01:16:54,350 --> 01:16:52,370

because it's not cool we don't need that

1564

01:16:57,110 --> 01:16:54,360

if you don't like someone don't talk to

1565

01:16:59,270 --> 01:16:57,120

them block them unfollow them why does

1566

01:17:02,090 --> 01:16:59,280

everyone feel this need to like fight

1567

01:17:05,750 --> 01:17:04,070

it's Twitter you don't have to know them

1568

01:17:07,910 --> 01:17:05,760

you don't have to talk to them you're

1569

01:17:10,189 --> 01:17:07,920

not missing out there's no

1570

01:17:12,530 --> 01:17:10,199

fear of missing out like you're not

1571

01:17:15,709 --> 01:17:12,540

missing anything block them and live

1572

01:17:19,189 --> 01:17:15,719

your life and do what you want to do

1573

01:17:20,930 --> 01:17:19,199

be a skeptic be a debunker

1574

01:17:22,610 --> 01:17:20,940

you know but don't crap on other people

1575

01:17:24,110 --> 01:17:22,620

for having a different point of view and

1576

01:17:25,669 --> 01:17:24,120

mocking them

1577

01:17:29,689 --> 01:17:25,679

for it

1578

01:17:32,570 --> 01:17:29,699

or being personable personal about who

1579

01:17:35,750 --> 01:17:34,310

you know they can do what they want

1580

01:17:38,330 --> 01:17:35,760

they're their own person if you don't

1581

01:17:41,030 --> 01:17:38,340

like it Go and gravitate towards people

1582

01:17:43,729 --> 01:17:41,040

you do like have your little skeptic

1583

01:17:46,310 --> 01:17:43,739

debunker gang we all just hang out and

1584

01:17:49,010 --> 01:17:46,320

you know whatever make fun of people but

1585

01:17:50,870 --> 01:17:49,020

just keep it with yourself

1586

01:17:52,850 --> 01:17:50,880

you don't need to spread that stuff

1587

01:17:55,010 --> 01:17:52,860

around you know and it's the same on the

1588

01:17:57,950 --> 01:17:55,020

other side like people don't need to be

1589

01:17:59,510 --> 01:17:57,960

making fun of debunkers and Skeptics and

1590

01:18:01,490 --> 01:17:59,520

getting personal with them just don't

1591

01:18:03,470 --> 01:18:01,500

talk about them make sure that your

1592

01:18:05,570 --> 01:18:03,480

argument is stronger that's what you

1593

01:18:08,630 --> 01:18:05,580

need to do if you want to show up

1594

01:18:11,870 --> 01:18:08,640

somebody make sure that your argument is

1595

01:18:14,330 --> 01:18:11,880

stronger with more facts it is more

1596

01:18:16,430 --> 01:18:14,340

fundamentally sound that's how you win

1597

01:18:23,330 --> 01:18:16,440

an argument not by calling somebody

1598

01:18:27,290 --> 01:18:25,370

you know that's what you that's what you

1599

01:18:31,729 --> 01:18:27,300

do

1600

01:18:36,590 --> 01:18:31,739

frustrated with this person block them

1601

01:18:39,770 --> 01:18:38,149

because there's enough evil in this

1602

01:18:41,510 --> 01:18:39,780

world already man we're about to hit

1603

01:18:43,250 --> 01:18:41,520

World War III

1604

01:18:47,090 --> 01:18:43,260

seriously

1605

01:18:50,990 --> 01:18:48,709

and we're here with like you know

1606

01:18:54,050 --> 01:18:51,000

thousands of followers on Twitter like

1607

01:18:55,729 --> 01:18:54,060

which is meaning meaningless I love the

1608

01:18:57,590 --> 01:18:55,739

people who follow me and engage with me

1609

01:19:00,110 --> 01:18:57,600

are super nice but in the scheme of

1610

01:19:03,590 --> 01:19:00,120

everything it's it's nothing like we're

1611

01:19:05,570 --> 01:19:03,600

nothing's making a difference there

1612

01:19:07,790 --> 01:19:05,580

nobody cares

1613

01:19:10,850 --> 01:19:07,800

nobody gives a about our Twitter

1614

01:19:12,890 --> 01:19:10,860

argument we're not changing the world

1615

01:19:18,110 --> 01:19:12,900

doing that

1616

01:19:22,729 --> 01:19:20,330

but it does to the individual person you

1617

01:19:25,070 --> 01:19:22,739

know it it hurts that person as far as

1618

01:19:28,750 --> 01:19:25,080

we know I've said this before we only

1619

01:19:31,550 --> 01:19:28,760

have this one life and why spend it

1620

01:19:35,570 --> 01:19:31,560

bringing other people down or spending

1621

01:19:37,130 --> 01:19:35,580

it in in negative hateful ways

1622

01:19:38,930 --> 01:19:37,140

you know

1623

01:19:41,510 --> 01:19:38,940

try to do something for yourself that

1624

01:19:44,630 --> 01:19:41,520

keeps you happy it makes you happy even

1625

01:19:44,640 --> 01:19:48,110

you know

1626
01:19:51,530 --> 01:19:50,090
there are some people out there where I

1627
01:19:53,570 --> 01:19:51,540
don't believe a word they say but I'm

1628
01:19:56,990 --> 01:19:53,580
never going to be mean to them about it

1629
01:20:02,510 --> 01:20:00,470
I'm gonna try my best to lead by example

1630
01:20:03,590 --> 01:20:02,520
you know I'm gonna live my life do my

1631
01:20:05,630 --> 01:20:03,600
thing

1632
01:20:08,510 --> 01:20:05,640
try to have integrity

1633
01:20:11,570 --> 01:20:08,520
and hopefully

1634
01:20:12,890 --> 01:20:11,580
you know people admire that or like that

1635
01:20:16,250 --> 01:20:12,900
and and

1636
01:20:19,130 --> 01:20:16,260
follow me for it and

1637
01:20:22,130 --> 01:20:21,290
and that's what every one should be

1638
01:20:24,229 --> 01:20:22,140

doing

1639

01:20:26,209 --> 01:20:24,239

is setting an example with the way they

1640

01:20:29,030 --> 01:20:26,219

conduct themselves and one of the best

1641

01:20:31,370 --> 01:20:29,040

people at that I must say

1642

01:20:33,530 --> 01:20:31,380

is disclosure teams back in the chat is

1643

01:20:36,770 --> 01:20:33,540

if any at disclosure team

1644

01:20:39,410 --> 01:20:36,780

you won't get an argument or negative

1645

01:20:40,669 --> 01:20:39,420

comment out of that guy if he paid him a

1646

01:20:43,490 --> 01:20:40,679

million bucks

1647

01:20:46,550 --> 01:20:43,500

like I just won't do it

1648

01:20:51,290 --> 01:20:49,610

because you know first he's obviously

1649

01:20:54,410 --> 01:20:51,300

very mature

1650

01:21:00,110 --> 01:20:56,510

he's an honest and kind person and he

1651
01:21:02,090 --> 01:21:00,120
realizes that that doesn't help anything

1652
01:21:04,310 --> 01:21:02,100
you know like I went through that

1653
01:21:07,189 --> 01:21:04,320
document earlier for a reason

1654
01:21:08,990 --> 01:21:07,199
where it was the newspaper one right

1655
01:21:11,330 --> 01:21:09,000
where the guy was prepping the Air Force

1656
01:21:14,630 --> 01:21:12,950
and he said one thing that he had going

1657
01:21:16,669 --> 01:21:14,640
for him into this conference with the

1658
01:21:18,050 --> 01:21:16,679
newspaper people is that other guests

1659
01:21:20,810 --> 01:21:18,060
were just gonna

1660
01:21:22,790 --> 01:21:20,820
argue with each other and he wouldn't

1661
01:21:24,709 --> 01:21:22,800
have to say anything

1662
01:21:26,090 --> 01:21:24,719
that's what's happening on Twitter is

1663
01:21:28,430 --> 01:21:26,100

people just

1664

01:21:29,990 --> 01:21:28,440

argue with each other meanwhile the Air

1665

01:21:32,689 --> 01:21:30,000

Force

1666

01:21:34,370 --> 01:21:32,699

is in the background not doing

1667

01:21:37,790 --> 01:21:34,380

not caring

1668

01:21:40,729 --> 01:21:37,800

giving videos crystal clear videos

1669

01:21:42,590 --> 01:21:40,739

over the Black Sea

1670

01:21:43,910 --> 01:21:42,600

not caring about anything we're doing

1671

01:21:46,490 --> 01:21:43,920

because we can't even get our

1672

01:21:48,169 --> 01:21:46,500

together because all we do is bicker and

1673

01:21:50,330 --> 01:21:48,179

argue

1674

01:21:52,070 --> 01:21:50,340

about stuff that makes no freaking

1675

01:21:58,070 --> 01:21:52,080

difference

1676

01:22:04,850 --> 01:22:00,709

and just nothing gets done that way

1677

01:22:04,860 --> 01:22:10,130

and it's probably set up that way

1678

01:22:16,970 --> 01:22:11,990

I would bet anything that there's people

1679

01:22:20,270 --> 01:22:16,980

in this community that are are tasked

1680

01:22:22,729 --> 01:22:20,280

to create drama that are tasked to keep

1681

01:22:24,229 --> 01:22:22,739

people arguing

1682

01:22:26,390 --> 01:22:24,239

and not thinking about what really

1683

01:22:28,729 --> 01:22:26,400

matters

1684

01:22:31,130 --> 01:22:28,739

which is transparency honestly in

1685

01:22:32,930 --> 01:22:31,140

Congressional hearings under oath

1686

01:22:34,070 --> 01:22:32,940

and whatever else you think matters

1687

01:22:36,470 --> 01:22:34,080

whether it's

1688

01:22:41,450 --> 01:22:36,480

you know digging into your your

1689

01:22:41,460 --> 01:22:44,270

you know

1690

01:22:47,689 --> 01:22:46,370

but the the division the arguments and

1691

01:22:49,370 --> 01:22:47,699

all that kind of stuff you know you're

1692

01:22:51,229 --> 01:22:49,380

not going to stop everybody from arguing

1693

01:22:53,570 --> 01:22:51,239

I totally get it but

1694

01:22:55,130 --> 01:22:53,580

you know just stay focused and

1695

01:22:58,850 --> 01:22:55,140

everybody's guilty of it I've done it

1696

01:23:03,229 --> 01:23:00,890

I've really tried my hardest to stay out

1697

01:23:06,290 --> 01:23:03,239

of it

1698

01:23:08,530 --> 01:23:06,300

you know but I'm not uh I'm far from I'm

1699

01:23:10,189 --> 01:23:08,540

no Vinnie let's say that

1700

01:23:12,890 --> 01:23:10,199

[Laughter]

1701

01:23:14,510 --> 01:23:12,900

I'm no Vinnie I'm still subject uh to

1702

01:23:16,250 --> 01:23:14,520

human nature which a lot of that is

1703

01:23:22,970 --> 01:23:16,260

human nature but we have to fight that

1704

01:23:26,090 --> 01:23:24,649

what do you guys think what do you guys

1705

01:23:27,470 --> 01:23:26,100

think division is the easiest way to

1706

01:23:29,390 --> 01:23:27,480

control large group

1707

01:23:33,890 --> 01:23:29,400

completely

1708

01:23:36,590 --> 01:23:33,900

and that's what we that's what we're

1709

01:23:41,030 --> 01:23:39,050

that is what we're doing uh any

1710

01:23:46,010 --> 01:23:41,040

questions or

1711

01:23:51,470 --> 01:23:49,790

so anything like that uh uh yeah you

1712

01:23:54,350 --> 01:23:51,480

know I'm not gonna run from this point

1713

01:23:56,810 --> 01:23:54,360

this was a few months ago

1714

01:23:59,270 --> 01:23:56,820

um I'm not sure if anything's really

1715

01:24:01,490 --> 01:23:59,280

said anything that was hurtful

1716

01:24:02,870 --> 01:24:01,500

but I had well whatever it was like he

1717

01:24:06,250 --> 01:24:02,880

didn't like it and I definitely

1718

01:24:09,709 --> 01:24:06,260

apologized about that uh many times

1719

01:24:12,050 --> 01:24:09,719

uh privately in private messages and

1720

01:24:15,110 --> 01:24:12,060

once publicly and he just told me to go

1721

01:24:18,229 --> 01:24:15,120

myself basically so

1722

01:24:20,990 --> 01:24:18,239

but you know that's how it is

1723

01:24:26,149 --> 01:24:23,270

I really don't know much uh Katie about

1724

01:24:28,729 --> 01:24:26,159

the Georgia tassel thing

1725

01:24:31,729 --> 01:24:28,739

like I just know like that that photo

1726

01:24:33,110 --> 01:24:31,739

that I shared on your page

1727

01:24:36,649 --> 01:24:33,120

um

1728

01:24:40,430 --> 01:24:36,659

the Blue Book photo because

1729

01:24:43,070 --> 01:24:40,440

yeah you shared that photo and I knew

1730

01:24:45,709 --> 01:24:43,080

I knew I had a Project Blue Book had a a

1731

01:24:48,169 --> 01:24:45,719

photograph of that thing so I wanted to

1732

01:24:50,570 --> 01:24:48,179

grab it and share it to you

1733

01:24:51,770 --> 01:24:50,580

um so I'm not really too knowledgeable

1734

01:24:56,870 --> 01:24:51,780

on

1735

01:24:58,790 --> 01:24:56,880

so in the photo of the UFO in the photo

1736

01:25:01,070 --> 01:24:58,800

that I shared with you

1737

01:25:02,510 --> 01:25:01,080

um I'm pretty sure is there's a few of

1738

01:25:06,229 --> 01:25:02,520

those that are like that in Blue Book

1739

01:25:08,090 --> 01:25:06,239

even the famous like Jimmy Carter uh UFO

1740

01:25:11,510 --> 01:25:08,100

photo where he's on like a helicopter

1741

01:25:14,330 --> 01:25:11,520

like that's the same kind of uh uh thing

1742

01:25:16,790 --> 01:25:14,340

that's on that photo and people say it's

1743

01:25:19,550 --> 01:25:16,800

you know a blemish that happens

1744

01:25:21,470 --> 01:25:19,560

in development so you know it's probably

1745

01:25:23,510 --> 01:25:21,480

not a really beautiful but

1746

01:25:28,030 --> 01:25:23,520

it was in Blue Book

1747

01:25:35,750 --> 01:25:31,550

so yeah

1748

01:25:37,970 --> 01:25:35,760

anything else anything uh

1749

01:25:40,970 --> 01:25:37,980

I can tell you about a crazy dream I had

1750

01:25:42,709 --> 01:25:40,980

a long time ago that was

1751

01:25:46,669 --> 01:25:42,719

um probably one of the first weird

1752

01:25:52,910 --> 01:25:49,790

so it's about 20 years ago maybe 19 or

1753

01:25:53,750 --> 01:25:52,920

20 I don't remember exactly but

1754

01:25:59,629 --> 01:25:53,760

um

1755

01:26:06,050 --> 01:26:03,590

so it starts out that I'm in this uh

1756

01:26:08,510 --> 01:26:06,060

like kind of like concrete uh basketball

1757

01:26:10,430 --> 01:26:08,520

court playground of a school

1758

01:26:11,930 --> 01:26:10,440

and I'm out there

1759

01:26:14,930 --> 01:26:11,940

and

1760

01:26:17,390 --> 01:26:14,940

there's these

1761

01:26:20,209 --> 01:26:17,400

two tornadoes that I see out in the

1762

01:26:24,050 --> 01:26:20,219

distance they're big two tornadoes and

1763

01:26:28,729 --> 01:26:25,669

and I'm like okay well what am I gonna

1764

01:26:31,189 --> 01:26:28,739

do and I remember having this uh

1765

01:26:33,169 --> 01:26:31,199

uh feeling when they were coming at me

1766

01:26:36,229 --> 01:26:33,179

like um

1767

01:26:38,330 --> 01:26:36,239

you know I can either run and hide or I

1768

01:26:40,910 --> 01:26:38,340

can deal with this right so it's very

1769

01:26:42,709 --> 01:26:40,920

metaphorical which is like kind of how I

1770

01:26:44,570 --> 01:26:42,719

dress and look at a lot of things in my

1771

01:26:47,270 --> 01:26:44,580

life for better for worse so these

1772

01:26:49,669 --> 01:26:47,280

tornadoes are coming at me and I decided

1773

01:26:51,290 --> 01:26:49,679

I was going to stay there and fight them

1774

01:26:52,729 --> 01:26:51,300

so they were going to come at me and I

1775

01:26:55,129 --> 01:26:52,739

was going to deal with it so the two

1776

01:26:56,810 --> 01:26:55,139

tornadoes came at me and I remember I

1777

01:26:59,330 --> 01:26:56,820

grabbed each one

1778

01:27:01,310 --> 01:26:59,340

with each hand

1779

01:27:04,129 --> 01:27:01,320

wait

1780

01:27:06,770 --> 01:27:04,139

is that how it started no I'm skipping

1781

01:27:12,890 --> 01:27:09,530

okay so I'm skipping apart

1782

01:27:15,770 --> 01:27:12,900

okay backwards so I'm on this thing

1783

01:27:18,350 --> 01:27:15,780

on this playground so I go to walk into

1784

01:27:20,030 --> 01:27:18,360

these doors of the school that's how it

1785

01:27:21,649 --> 01:27:20,040

started so I go to walk in these doors

1786

01:27:24,530 --> 01:27:21,659

of this school there's these two double

1787

01:27:26,590 --> 01:27:24,540

doors and I walk in and it's a library

1788

01:27:29,510 --> 01:27:26,600

and there's like this librarian desk

1789

01:27:30,410 --> 01:27:29,520

there and there's a guy behind it that I

1790

01:27:31,550 --> 01:27:30,420

think is

1791

01:27:33,830 --> 01:27:31,560

um from

1792

01:27:36,470 --> 01:27:33,840

um the Middle East

1793

01:27:38,629 --> 01:27:36,480

I'm not sure where from and he hands me

1794

01:27:40,550 --> 01:27:38,639

this scroll like I just you know how

1795

01:27:44,629 --> 01:27:40,560

you'd imagine like a biblical biblical

1796

01:27:47,810 --> 01:27:44,639

scroll he hands it to me so I grab it

1797

01:27:50,570 --> 01:27:47,820

I walk outside of the doors and I start

1798

01:27:52,970 --> 01:27:50,580

opening it as I'm walking out and the

1799

01:27:55,910 --> 01:27:52,980

only thing I remember about uh

1800

01:27:57,950 --> 01:27:55,920

being out at our seven something like

1801

01:28:00,530 --> 01:27:57,960

seven this seven that and seven

1802

01:28:02,930 --> 01:28:00,540

something that's all I remember so I'm

1803

01:28:04,790 --> 01:28:02,940

walking outside on the playground and

1804

01:28:07,010 --> 01:28:04,800

this wind picks up

1805

01:28:09,470 --> 01:28:07,020

and it knocks it out of my hand scroll

1806

01:28:12,229 --> 01:28:09,480

and it goes blowing off so as that

1807

01:28:14,990 --> 01:28:12,239

happens I look and I see these two

1808

01:28:17,870 --> 01:28:15,000

tornadoes coming at me

1809

01:28:20,570 --> 01:28:17,880

they start coming at me I grab each one

1810

01:28:21,649 --> 01:28:20,580

and I crisscross them

1811

01:28:23,390 --> 01:28:21,659

right

1812

01:28:25,250 --> 01:28:23,400

and then all of a sudden there's this

1813

01:28:27,470 --> 01:28:25,260

dust and a lot of wind and I'm in the

1814

01:28:29,209 --> 01:28:27,480

middle of it and you know just like

1815

01:28:31,189 --> 01:28:29,219

blowing around like ever see that movie

1816

01:28:33,649 --> 01:28:31,199

uh twister you know you're in the middle

1817

01:28:36,590 --> 01:28:33,659

of a tornado that's what a I would

1818

01:28:40,010 --> 01:28:36,600

imagine it would feel like other than me

1819

01:28:43,729 --> 01:28:40,020

still being alive so as this happens

1820

01:28:46,669 --> 01:28:43,739

um I start raising off the ground

1821

01:28:48,470 --> 01:28:46,679

and I remember thinking like this is

1822

01:28:50,390 --> 01:28:48,480

different because I used to fly in my

1823

01:28:53,090 --> 01:28:50,400

dreams all the time and I used to know

1824

01:28:55,189 --> 01:28:53,100

how to activate how to fly in my dreams

1825

01:28:56,990 --> 01:28:55,199

like there's something in my feet and I

1826
01:28:59,629 --> 01:28:57,000
knew how to actually do it but this time

1827
01:29:01,129 --> 01:28:59,639
I wasn't doing that I was just raising

1828
01:29:06,590 --> 01:29:01,139
up

1829
01:29:09,050 --> 01:29:06,600
and as this is happening there's these

1830
01:29:10,070 --> 01:29:09,060
like white little

1831
01:29:12,169 --> 01:29:10,080
um

1832
01:29:15,290 --> 01:29:12,179
I don't know how else to describe it but

1833
01:29:18,110 --> 01:29:15,300
like they seem like Spirits or or

1834
01:29:21,110 --> 01:29:18,120
something and they're whispering back and

1835
01:29:22,370 --> 01:29:21,120
forth all around me

1836
01:29:23,270 --> 01:29:22,380
and

1837
01:29:25,129 --> 01:29:23,280
um

1838
01:29:27,830 --> 01:29:25,139

I start hearing like this beautiful

1839

01:29:31,129 --> 01:29:27,840

sound

1840

01:29:34,010 --> 01:29:31,139

um it's like if I could imagine like um

1841

01:29:36,649 --> 01:29:34,020

a bunch of horns or or violins hitting

1842

01:29:39,110 --> 01:29:36,659

the same beautiful note at the same time

1843

01:29:42,229 --> 01:29:39,120

you know and it just was like hitting me

1844

01:29:44,629 --> 01:29:42,239

as these things are whispered by me

1845

01:29:48,590 --> 01:29:44,639

and as that happens

1846

01:29:49,910 --> 01:29:48,600

I I'm looking out and I see this is

1847

01:29:52,610 --> 01:29:49,920

where it gets kind of goofy so I'm

1848

01:29:56,090 --> 01:29:52,620

looking up and I see this stained glass

1849

01:29:59,450 --> 01:29:56,100

picture of what looks like Jesus Christ

1850

01:30:00,590 --> 01:29:59,460

what we know to look like Jesus

1851

01:30:03,169 --> 01:30:00,600

so

1852

01:30:04,790 --> 01:30:03,179

I see that and I start getting closer to

1853

01:30:09,770 --> 01:30:04,800

it

1854

01:30:12,890 --> 01:30:09,780

from a stained glass window

1855

01:30:16,010 --> 01:30:12,900

into a real face

1856

01:30:20,990 --> 01:30:16,020

and the person tells me

1857

01:30:24,370 --> 01:30:21,000

Sean just relax and go back to school

1858

01:30:29,090 --> 01:30:26,450

and I woke up

1859

01:30:30,410 --> 01:30:29,100

and I remember thinking like what

1860

01:30:31,669 --> 01:30:30,420

there has to be a meaning of that

1861

01:30:34,370 --> 01:30:31,679

because I woke up and I was like in

1862

01:30:36,290 --> 01:30:34,380

tears it was like that powerful like if

1863

01:30:38,629 --> 01:30:36,300

you actually talk to like God or

1864

01:30:42,169 --> 01:30:38,639

something I would imagine you would feel

1865

01:30:43,850 --> 01:30:42,179

like that when you just like I'm so

1866

01:30:46,370 --> 01:30:43,860

emotional

1867

01:30:48,590 --> 01:30:46,380

crying all that stuff like it and I was

1868

01:30:49,310 --> 01:30:48,600

you know 20 year old person 21 or

1869

01:30:51,709 --> 01:30:49,320

whatever

1870

01:30:54,890 --> 01:30:51,719

like it affected me and I still remember

1871

01:30:59,689 --> 01:30:56,510

um and I think about that sometimes like

1872

01:31:01,490 --> 01:30:59,699

just relax and go back to school and

1873

01:31:03,350 --> 01:31:01,500

you know

1874

01:31:06,410 --> 01:31:03,360

and I think there is a message in there

1875

01:31:10,729 --> 01:31:06,420

and what it is is

1876

01:31:11,870 --> 01:31:10,739

to just relax and and live live your

1877

01:31:14,870 --> 01:31:11,880

life

1878

01:31:17,810 --> 01:31:14,880

be the best you can be

1879

01:31:21,169 --> 01:31:17,820

and stop worrying so much

1880

01:31:25,790 --> 01:31:23,990

so I don't know if there's anyone out

1881

01:31:28,129 --> 01:31:25,800

there that needed to hear that just

1882

01:31:29,330 --> 01:31:28,139

relax and go back to school because life

1883

01:31:32,390 --> 01:31:29,340

is cool

1884

01:31:34,370 --> 01:31:32,400

and live and you learn

1885

01:31:36,830 --> 01:31:34,380

you know

1886

01:31:52,850 --> 01:31:36,840

so

1887

01:31:57,110 --> 01:31:52,860

out of here I hope you guys enjoyed the

1888

01:32:00,470 --> 01:31:58,550

so

1889

01:32:02,450 --> 01:32:00,480

um

1890

01:32:03,890 --> 01:32:02,460

we addressed some interesting things I

1891

01:32:05,510 --> 01:32:03,900

got to vent a little bit I showed you

1892

01:32:08,030 --> 01:32:05,520

some interesting documents I hope you

1893

01:32:09,830 --> 01:32:08,040

enjoyed those

1894

01:32:11,810 --> 01:32:09,840

um but I think that probably wraps it up

1895

01:32:13,490 --> 01:32:11,820

for me I think

1896

01:32:17,629 --> 01:32:13,500

I think I'm a little overdue to get out

1897

01:32:24,350 --> 01:32:21,110

yes let's party

1898

01:32:27,410 --> 01:32:24,360

so I appreciate everybody thanks Robert

1899

01:32:32,149 --> 01:32:28,870

um yep

1900

01:32:35,750 --> 01:32:33,890

um yeah with that being said

1901

01:32:38,090 --> 01:32:35,760

um like the video share it subscribe if

1902

01:32:40,910 --> 01:32:38,100

if you do like it follow me on Twitter

1903

01:32:44,750 --> 01:32:40,920

any of that kind of stuff say what's up

1904

01:32:46,430 --> 01:32:44,760

Surfside good to see you back in the

1905

01:32:51,770 --> 01:32:46,440

live chat appreciate it

1906

01:32:59,510 --> 01:32:55,790

um yeah so that being said

1907

01:33:06,970 --> 01:33:01,669

keep your eyes on the prize see you next

1908

01:33:11,990 --> 01:33:09,370

[Music]

1909

01:33:13,370 --> 01:33:12,000

a little due respect to the Air Force I
