

20 JUNE 1958 BRIEFING
REPRESENTATIVE HENDERSON

1
00:00:04,789 --> 00:00:02,330
Olson what do you think about the

2
00:00:05,990 --> 00:00:04,799
unidentified aerial phenomena UAP and

3
00:00:08,030 --> 00:00:06,000
UFOs

4
00:00:09,530 --> 00:00:08,040
well this is a very hot topic and I

5
00:00:11,570 --> 00:00:09,540
appreciate the question I know

6
00:00:13,970 --> 00:00:11,580
admittedly unidentified aerial

7
00:00:17,090 --> 00:00:13,980
phenomenon task force is quite a

8
00:00:18,410 --> 00:00:17,100
mouthful in an acronym you know I've

9
00:00:21,349 --> 00:00:18,420
gotten that question a couple other

10
00:00:25,009 --> 00:00:21,359
times you know what do you think about

11
00:00:27,650 --> 00:00:25,019
UFOs or or aliens and and quite frankly

12
00:00:29,929 --> 00:00:27,660
is uh having flown

13
00:00:32,810 --> 00:00:29,939

um 83 different airplanes and and had

14

00:00:36,110 --> 00:00:32,820

lots of hours we've all seen lots of

15

00:00:39,229 --> 00:00:36,120

unexplainable uh elements and you know

16

00:00:42,889 --> 00:00:39,239

the cosmos the the the the the space

17

00:00:45,770 --> 00:00:42,899

realm is so large uh if we look at the

18

00:00:49,450 --> 00:00:45,780

the Earth it is this you know tiny blue

19

00:00:52,430 --> 00:00:49,460

dot in a in an unlimited uh almost

20

00:00:55,010 --> 00:00:52,440

incomprehensibly large Cosmos I

21

00:00:56,990 --> 00:00:55,020

personally believe that they're

22

00:00:59,990 --> 00:00:57,000

absolutely from a probability

23

00:01:04,130 --> 00:01:00,000

perspective is is is is life out there

24

00:01:07,370 --> 00:01:04,140

however this task force is is a very

25

00:01:09,469 --> 00:01:07,380

serious U.S government to Pro to

26

00:01:11,390 --> 00:01:09,479

systematically investigating and

27

00:01:14,090 --> 00:01:11,400

understanding these because of course

28

00:01:15,890 --> 00:01:14,100

unidentified elements uh present a

29

00:01:18,649 --> 00:01:15,900

national security concern present a

30

00:01:21,350 --> 00:01:18,659

safety of flight present a risk that we

31

00:01:24,050 --> 00:01:21,360

must take and diligently pursue

32

00:01:26,929 --> 00:01:24,060

but I think the the question is is

33

00:01:29,149 --> 00:01:26,939

actually more broadly put and that is is

34

00:01:30,530 --> 00:01:29,159

we will continue this effort and in fact

35

00:01:31,850 --> 00:01:30,540

I believe it will be getting more

36

00:01:34,490 --> 00:01:31,860

funding

37

00:01:36,590 --> 00:01:34,500

um and and more of a a structural

38

00:01:39,410 --> 00:01:36,600

support level uh within the department

39

00:01:41,569 --> 00:01:39,420

but I also believe that this is part of

40

00:01:45,170 --> 00:01:41,579

our never-ending quest to learn and

41

00:01:47,990 --> 00:01:45,180

understand and explore and as we have on

42

00:01:51,050 --> 00:01:48,000

our probes that have exited the solar

43

00:01:52,730 --> 00:01:51,060

system to uh our probes to the Moon we

44

00:01:56,270 --> 00:01:52,740

have gone in peace to explore and

45

00:01:59,929 --> 00:01:56,280

discover and we continue that yearning

46

00:02:02,090 --> 00:01:59,939

to see and discover is there a life out

47

00:02:04,910 --> 00:02:02,100

there and

48

00:02:07,010 --> 00:02:04,920

what does that mean for Humanity and uh

49

00:02:09,050 --> 00:02:07,020

secondly off of uaps is there any

50

00:02:11,330 --> 00:02:09,060

cooperation with allies or Partners on

51
00:02:12,530 --> 00:02:11,340
the UAP question and probe uh thank you

52
00:02:14,330 --> 00:02:12,540
very much

53
00:02:17,809 --> 00:02:14,340
I think the second part of your question

54
00:02:21,650 --> 00:02:17,819
uh was related to UAP or unidentified

55
00:02:23,030 --> 00:02:21,660
aerial uh phenomenon and that UAP task

56
00:02:25,790 --> 00:02:23,040
force

57
00:02:29,150 --> 00:02:25,800
um and and as far as I'm concerned or

58
00:02:31,190 --> 00:02:29,160
I'm knowledgeable above about that I do

59
00:02:33,350 --> 00:02:31,200
believe it does involve collaborative

60
00:02:36,410 --> 00:02:33,360
inputs and

61
00:02:38,690 --> 00:02:36,420
um information exchange with all kinds

62
00:02:42,050 --> 00:02:38,700
of countries around the globe because I

63
00:02:44,110 --> 00:02:42,060

think these are not just uh solely

64

00:02:48,170 --> 00:02:44,120

um

65

00:02:50,150 --> 00:02:48,180

actions or or or uh events that occurred

66

00:02:52,130 --> 00:02:50,160

within the con confines in the United

67

00:02:53,570 --> 00:02:52,140

States they've they've occurred globally

68

00:02:55,550 --> 00:02:53,580

and I think we're collecting that

69

00:02:58,190 --> 00:02:55,560

information uh we're sharing information

70

00:03:00,890 --> 00:02:58,200

we view that as an open and transparent

71

00:03:02,570 --> 00:03:00,900

effort and activity through uh through

72

00:03:05,750 --> 00:03:02,580

the United States Congress and and

73

00:03:09,949 --> 00:03:05,760

executed by our UAP task force office

74

00:03:11,570 --> 00:03:09,959

and so I I I would encourage greater uh

75

00:03:14,630 --> 00:03:11,580

collaboration and cooperation in that

76

00:03:16,850 --> 00:03:14,640

and particularly I think as we see uh

77

00:03:20,030 --> 00:03:16,860

various technologies that will help uh

78

00:03:22,130 --> 00:03:20,040

demystify or debunk or clarify

79

00:03:24,350 --> 00:03:22,140

um but but I think it's also important

80

00:03:26,990 --> 00:03:24,360

one of the one of the reasons that we

81

00:03:29,630 --> 00:03:27,000

are doing uh this effort is because

82

00:03:32,089 --> 00:03:29,640

National Security concerns are of

83

00:03:33,710 --> 00:03:32,099

Paramount importance and so is safety of

84

00:03:36,890 --> 00:03:33,720

flight and deconfliction and collision

85

00:03:39,890 --> 00:03:36,900

avoidance and and issues to preserve and

86

00:03:41,509 --> 00:03:39,900

protect human life so when we can uh we

87

00:03:43,670 --> 00:03:41,519

when we can better share and exchange

88

00:03:46,130 --> 00:03:43,680

information I think that's better much

89

00:03:48,170 --> 00:03:46,140

like we do in the international civil

90

00:03:51,289 --> 00:03:48,180

aviation organization or otherwise known

91

00:03:53,869 --> 00:03:51,299

as lko uh or in any other International

92

00:03:56,149 --> 00:03:53,879

bodies as well I think there's a fertile

93

00:03:58,869 --> 00:03:56,159

an important opportunity to be pursued

94

00:04:05,809 --> 00:04:01,089

what's up everybody

95

00:04:09,050 --> 00:04:05,819

I hope you're enjoying it this wonderful

96

00:04:11,449 --> 00:04:09,060

Tuesday afternoon uh I have a few things

97

00:04:13,490 --> 00:04:11,459

planned maybe a couple articles

98

00:04:16,430 --> 00:04:13,500

um take you through the entire history

99

00:04:18,949 --> 00:04:16,440

of congressional interest

100

00:04:21,229 --> 00:04:18,959

in UAP I think you'll find some of it

101
00:04:23,050 --> 00:04:21,239
quite fascinating so I can't wait to get

102
00:04:24,860 --> 00:04:23,060
into it with you

103
00:04:59,710 --> 00:04:24,870
and yeah let's roll

104
00:05:04,249 --> 00:05:02,629
what's up yeah I love that song too

105
00:05:07,070 --> 00:05:04,259
thanks Christian I appreciate it maybe

106
00:05:08,810 --> 00:05:07,080
I'll make it a full song maybe do some

107
00:05:10,790 --> 00:05:08,820
lyrics that kind of thing I don't know

108
00:05:11,990 --> 00:05:10,800
we'll see I do like that song it's

109
00:05:15,469 --> 00:05:12,000
pretty grooving

110
00:05:17,689 --> 00:05:15,479
I like the horns especially so uh thanks

111
00:05:19,490 --> 00:05:17,699
everybody for joining us here we have

112
00:05:23,749 --> 00:05:19,500
Channel War Horse

113
00:05:30,529 --> 00:05:23,759

um Christian Morales Andres Jose LC uh

114

00:05:41,390 --> 00:05:37,450

86 race 66 uh Escape v f x

115

00:05:43,070 --> 00:05:41,400

I c Sheck fillets in the house I

116

00:05:45,650 --> 00:05:43,080

appreciate everybody coming hanging out

117

00:05:47,810 --> 00:05:45,660

we're gonna go over a couple different

118

00:05:50,090 --> 00:05:47,820

things you know we have the hearings

119

00:05:53,450 --> 00:05:50,100

coming tomorrow uh we're going to be

120

00:05:55,249 --> 00:05:53,460

streaming it live apparently a good

121

00:05:59,029 --> 00:05:55,259

amount of other people are also

122

00:06:00,529 --> 00:05:59,039

streaming live so that's interesting

123

00:06:02,629 --> 00:06:00,539

um

124

00:06:05,570 --> 00:06:02,639

but I'm curious because

125

00:06:09,590 --> 00:06:05,580

um you know we we stream the

126

00:06:14,210 --> 00:06:09,600

we streamed it live last time

127

00:06:15,710 --> 00:06:14,220

so I'm curious as to

128

00:06:17,990 --> 00:06:15,720

you know if we're in like the Guinness

129

00:06:20,390 --> 00:06:18,000

Book of World Records for that are we

130

00:06:23,990 --> 00:06:20,400

the first people to ever stream a

131

00:06:25,010 --> 00:06:24,000

congressional hearing Live on YouTube I

132

00:06:28,189 --> 00:06:25,020

don't know

133

00:06:29,809 --> 00:06:28,199

could possibly be

134

00:06:31,550 --> 00:06:29,819

um but that's what I'm curious and so

135

00:06:33,650 --> 00:06:31,560

we're going to do that tomorrow we have

136

00:06:36,230 --> 00:06:33,660

uh Stephen Bassett coming that's going

137

00:06:39,830 --> 00:06:38,330

um and I'm very much looking forward to

138

00:06:42,110 --> 00:06:39,840

that

139

00:06:44,930 --> 00:06:42,120

if you guys

140

00:06:47,450 --> 00:06:44,940

are interested

141

00:06:49,730 --> 00:06:47,460

um that's going to start at 9 30. sorry

142

00:06:50,809 --> 00:06:49,740

I'm sorry kind of uh aloof here I'm I'm

143

00:06:52,490 --> 00:06:50,819

looking for something that I want to

144

00:06:55,430 --> 00:06:52,500

show you on my phone so

145

00:06:57,770 --> 00:06:55,440

I can bring that up so hopefully you'll

146

00:07:01,189 --> 00:06:57,780

be with us then uh it'll be a good time

147

00:07:03,529 --> 00:07:01,199

tomorrow morning bright and early so you

148

00:07:04,610 --> 00:07:03,539

cannot sleep in you have to be up for

149

00:07:07,909 --> 00:07:04,620

this

150

00:07:10,550 --> 00:07:07,919

by the way if you're wondering

151
00:07:13,070 --> 00:07:10,560
so it's going to be awesome also on the

152
00:07:16,670 --> 00:07:13,080
last show I'll let you guys know that I

153
00:07:17,749 --> 00:07:16,680
put some feelers out to Twitter as far

154
00:07:19,670 --> 00:07:17,759
as

155
00:07:21,050 --> 00:07:19,680
what questions they would like to see

156
00:07:23,409 --> 00:07:21,060
asked

157
00:07:26,210 --> 00:07:23,419
um Shankar Patrick and arrow

158
00:07:28,189 --> 00:07:26,220
so I asked some questions via my website

159
00:07:30,350 --> 00:07:28,199
some people filled it out and I put

160
00:07:33,050 --> 00:07:30,360
together this wonderful chart so we can

161
00:07:35,570 --> 00:07:33,060
look at the breakdown of what happened

162
00:07:38,270 --> 00:07:35,580
there so the people who participated the

163
00:07:40,249 --> 00:07:38,280

people who wanted to know

164

00:07:43,309 --> 00:07:40,259

um uh more from Arrow they wanted to

165

00:07:47,390 --> 00:07:43,319

know more about the top one was what

166

00:07:48,770 --> 00:07:47,400

data has been collected that 26.67 so

167

00:07:50,450 --> 00:07:48,780

they want to know what data I think

168

00:07:52,129 --> 00:07:50,460

that's pretty good you know we got

169

00:07:54,110 --> 00:07:52,139

Radars out there all that kind of stuff

170

00:07:56,749 --> 00:07:54,120

what are we picking up video images

171

00:07:57,650 --> 00:07:56,759

pretty good number two

172

00:08:02,510 --> 00:07:57,660

um

173

00:08:04,129 --> 00:08:02,520

crash retrievals of Unknown Origin I'm

174

00:08:05,570 --> 00:08:04,139

surprised that wasn't number one to be

175

00:08:06,830 --> 00:08:05,580

quite honest with you I would think that

176

00:08:09,290 --> 00:08:06,840

would be number one

177

00:08:11,749 --> 00:08:09,300

historical or Legacy and currently

178

00:08:14,629 --> 00:08:11,759

unknown UAP programs private contractor

179

00:08:16,790 --> 00:08:14,639

UAP programs injuries from UAP

180

00:08:20,450 --> 00:08:16,800

encounters contact communication

181

00:08:22,909 --> 00:08:20,460

attempts budget issues stifling Arrow so

182

00:08:26,390 --> 00:08:22,919

the number one issue it seems like uh

183

00:08:28,490 --> 00:08:26,400

with uh Senator Taylor brand is the the

184

00:08:30,350 --> 00:08:28,500

the bottom issue here the budget Aero

185

00:08:34,070 --> 00:08:30,360

efforts well that's going to make for a

186

00:08:36,290 --> 00:08:34,080

great recipe for hearing success so

187

00:08:38,630 --> 00:08:36,300

uh top three questions where we got some

188

00:08:41,029 --> 00:08:38,640

pretty good questions in so uh that's

189

00:08:43,790 --> 00:08:41,039

pretty cool does zero have any sensor

190

00:08:46,310 --> 00:08:43,800

data of UAP underwater or in space if so

191

00:08:48,350 --> 00:08:46,320

when can the public see that data

192

00:08:49,850 --> 00:08:48,360

we also have why can't the American

193

00:08:52,009 --> 00:08:49,860

people in the world be showing you AP

194

00:08:53,449 --> 00:08:52,019

videos and pictures without compromising

195

00:08:55,550 --> 00:08:53,459

National Security

196

00:08:57,050 --> 00:08:55,560

how can unelected officials who have

197

00:08:59,150 --> 00:08:57,060

actively worked against the public

198

00:09:01,310 --> 00:08:59,160

interest remain employed

199

00:09:03,769 --> 00:09:01,320

and how can these individuals be removed

200

00:09:05,870 --> 00:09:03,779

from their positions I love those uh

201
00:09:08,810 --> 00:09:05,880
questions those are fantastic

202
00:09:12,110 --> 00:09:08,820
and there were a lot of other questions

203
00:09:15,050 --> 00:09:12,120
so top three actually what I did was I

204
00:09:17,449 --> 00:09:15,060
submitted all the questions to chat gpt4

205
00:09:19,130 --> 00:09:17,459
and told them to spit me out of the

206
00:09:22,250 --> 00:09:19,140
three best questions and that's how he

207
00:09:24,949 --> 00:09:22,260
came up with those so pretty interesting

208
00:09:27,050 --> 00:09:24,959
to see uh what turned out there so I

209
00:09:29,030 --> 00:09:27,060
actually called Senator gillibrand uh

210
00:09:30,889 --> 00:09:29,040
got on the horn with one of her uh

211
00:09:33,530 --> 00:09:30,899
assistants and she hooked me up with a

212
00:09:35,269 --> 00:09:33,540
good way to get those questions in front

213
00:09:36,710 --> 00:09:35,279

of her so that's pretty good news I

214

00:09:39,530 --> 00:09:36,720

don't know that she's going to ask any

215

00:09:41,930 --> 00:09:39,540

but the fact that she was uh willing to

216

00:09:45,290 --> 00:09:41,940

have them be submitted and to look at

217

00:09:47,870 --> 00:09:45,300

them is is pretty cool so

218

00:09:52,130 --> 00:09:47,880

um that is

219

00:09:56,150 --> 00:09:54,769

so you know if anything you can say that

220

00:09:57,110 --> 00:09:56,160

yes

221

00:10:00,470 --> 00:09:57,120

you know

222

00:10:01,750 --> 00:10:00,480

um our thoughts have been heard

223

00:10:04,790 --> 00:10:01,760

so

224

00:10:07,370 --> 00:10:04,800

hopefully that makes you happy

225

00:10:09,290 --> 00:10:07,380

because it makes me happy that's for

226

00:10:10,610 --> 00:10:09,300

sure so

227

00:10:15,310 --> 00:10:10,620

um the first article I thought we could

228

00:10:17,210 --> 00:10:15,320

get into here is from Mr Chris

229

00:10:20,509 --> 00:10:17,220

melon

230

00:10:22,610 --> 00:10:20,519

um

231

00:10:24,470 --> 00:10:22,620

see if this looks a little better wrote

232

00:10:25,850 --> 00:10:24,480

a little article uh with the hearings

233

00:10:27,350 --> 00:10:25,860

coming up and he wanted to have his

234

00:10:28,970 --> 00:10:27,360

thoughts known what questions would be

235

00:10:31,009 --> 00:10:28,980

good to ask I think this would be a

236

00:10:33,230 --> 00:10:31,019

great person

237

00:10:35,449 --> 00:10:33,240

um to you know listen to to read his

238

00:10:37,670 --> 00:10:35,459

work to kind of get a feel on the right

239

00:10:39,710 --> 00:10:37,680

directions to look for stuff as this is

240

00:10:41,150 --> 00:10:39,720

clearly someone who would know

241

00:10:42,949 --> 00:10:41,160

so he says thoughts about the security

242

00:10:44,930 --> 00:10:42,959

of U.S airspace in advance of the

243

00:10:47,150 --> 00:10:44,940

pending hearing hearing with arrow

244

00:10:49,190 --> 00:10:47,160

director

245

00:10:51,530 --> 00:10:49,200

Chinese spy balloons generated

246

00:10:53,150 --> 00:10:51,540

Sensational press attention earlier this

247

00:10:54,410 --> 00:10:53,160

year but they are no longer a

248

00:10:57,829 --> 00:10:54,420

significant problem now that we have

249

00:11:00,050 --> 00:10:57,839

adjusted our air defense radar systems

250

00:11:02,030 --> 00:11:00,060

large balloons can easily be detected

251
00:11:04,250 --> 00:11:02,040
and if necessary destroyed long before

252
00:11:06,470 --> 00:11:04,260
they reached the U.S however before

253
00:11:08,329 --> 00:11:06,480
concluding that U.S airspace is secure

254
00:11:10,190 --> 00:11:08,339
consider these disturbing incidents

255
00:11:12,170 --> 00:11:10,200
documented by investigative journalists

256
00:11:14,090 --> 00:11:12,180
at the war zone

257
00:11:17,150 --> 00:11:14,100
we don't have time to get into those but

258
00:11:19,670 --> 00:11:17,160
they're pretty good articles and I'll

259
00:11:22,790 --> 00:11:19,680
share Mr Christopher melon's article

260
00:11:27,530 --> 00:11:22,800
with you in case you want to go there

261
00:11:32,210 --> 00:11:30,410
um so it says to the best of his

262
00:11:34,370 --> 00:11:32,220
knowledge none of these incidents have

263
00:11:36,530 --> 00:11:34,380

has been resolved even more worrisome

264

00:11:38,269 --> 00:11:36,540

these events are certainly no more than

265

00:11:40,250 --> 00:11:38,279

a small fraction a total number of

266

00:11:42,350 --> 00:11:40,260

unresolved intrusions unfortunately the

267

00:11:45,110 --> 00:11:42,360

taxpayers has no way of knowing the true

268

00:11:47,710 --> 00:11:45,120

scale of the problem or the adequacy of

269

00:11:50,329 --> 00:11:47,720

U.S air defense capabilities since one

270

00:11:53,750 --> 00:11:50,339

NORAD itself was probably not notified

271

00:11:58,430 --> 00:11:56,090

uh events in the Pacific that are not in

272

00:12:00,949 --> 00:11:58,440

its jurisdiction indeed I have it on

273

00:12:03,470 --> 00:12:00,959

good authority that Norad was not even

274

00:12:06,650 --> 00:12:03,480

aware of the innumerable uip intrusions

275

00:12:10,970 --> 00:12:06,660

of DOD test ranges off the east coast of

276

00:12:16,370 --> 00:12:10,980

the U.S from 2015 to 2017. that's pretty

277

00:12:21,650 --> 00:12:19,009

noretta in the USAF share little

278

00:12:23,269 --> 00:12:21,660

information regarding violations of U.S

279

00:12:25,069 --> 00:12:23,279

airspace with Congress or others for

280

00:12:27,710 --> 00:12:25,079

example the new Aero office was not

281

00:12:29,810 --> 00:12:27,720

notified NORAD of the incident above

282

00:12:31,670 --> 00:12:29,820

involving mysterious aircraft that flew

283

00:12:34,190 --> 00:12:31,680

across the Pacific Northwest causing

284

00:12:36,769 --> 00:12:34,200

NORAD to launch fighter aircraft on

285

00:12:39,170 --> 00:12:36,779

strip Alert in Oregon 2017.

286

00:12:41,030 --> 00:12:39,180

many thought Arrow was created precisely

287

00:12:43,310 --> 00:12:41,040

for the purpose of investigating such

288

00:12:45,410 --> 00:12:43,320

UAP intrusions yet that information was

289

00:12:48,110 --> 00:12:45,420

not provided to Arrow indeed I do not

290

00:12:50,030 --> 00:12:48,120

believe any member of Congress knows

291

00:12:52,250 --> 00:12:50,040

whether NORAD has scrambled Jets 10

292

00:12:54,470 --> 00:12:52,260

times or a thousand times to chase

293

00:12:57,470 --> 00:12:54,480

unidentified aircraft over the last

294

00:13:01,670 --> 00:12:59,870

I do not believe any of the oversight

295

00:13:03,889 --> 00:13:01,680

committees has a clear sense of how

296

00:13:05,870 --> 00:13:03,899

often norad's multi-billion dollar radar

297

00:13:08,090 --> 00:13:05,880

and space surveillance systems detect

298

00:13:10,009 --> 00:13:08,100

intrusions of U.S airspace by some

299

00:13:12,230 --> 00:13:10,019

accounts NORAD detects over a thousand

300

00:13:14,750 --> 00:13:12,240

uncorrelated targets operating over

301
00:13:16,009 --> 00:13:14,760
North America annually

302
00:13:18,470 --> 00:13:16,019
wow

303
00:13:20,750 --> 00:13:18,480
that's amazing a thousand uncorrelated

304
00:13:24,350 --> 00:13:20,760
targets

305
00:13:26,690 --> 00:13:24,360
I know a little bit about those

306
00:13:28,970 --> 00:13:26,700
did some research on uncorrelated

307
00:13:30,829 --> 00:13:28,980
targets pretty interesting stuff I don't

308
00:13:33,290 --> 00:13:30,839
have time to get into it right now but

309
00:13:34,910 --> 00:13:33,300
at some point maybe I will

310
00:13:36,470 --> 00:13:34,920
one reason for the current dysfunctional

311
00:13:37,970 --> 00:13:36,480
State of Affairs is the often

312
00:13:39,710 --> 00:13:37,980
excessively high levels of

313
00:13:41,629 --> 00:13:39,720

classification employed by the Air Force

314

00:13:43,250 --> 00:13:41,639

and now the space force when I served as

315

00:13:45,470 --> 00:13:43,260

the deputy assistant secretary of

316

00:13:47,569 --> 00:13:45,480

defense for intelligence there were

317

00:13:49,550 --> 00:13:47,579

numerous programs I was privy to that

318

00:13:51,110 --> 00:13:49,560

not even the chairman or ranking members

319

00:13:53,629 --> 00:13:51,120

of intelligence committees could be

320

00:13:56,030 --> 00:13:53,639

briefed on pursuant to section 119 of

321

00:13:59,690 --> 00:13:56,040

title 10 which establishes

322

00:14:01,190 --> 00:13:59,700

wave special access programs

323

00:14:04,009 --> 00:14:01,200

those who think the government can't

324

00:14:05,509 --> 00:14:04,019

keep secrets are wildly Off the Mark the

325

00:14:07,610 --> 00:14:05,519

defense department for the most part

326

00:14:08,990 --> 00:14:07,620

does a splendid job with these programs

327

00:14:11,930 --> 00:14:09,000

unlike the frequent leaks of

328

00:14:14,569 --> 00:14:11,940

intelligence data we see all too often

329

00:14:16,430 --> 00:14:14,579

the only compromise of any of these sap

330

00:14:18,530 --> 00:14:16,440

programs that I can recall during my

331

00:14:20,629 --> 00:14:18,540

time at DOD was simply the result of

332

00:14:22,730 --> 00:14:20,639

using that system in combat

333

00:14:24,829 --> 00:14:22,740

unfortunately the reality is that the

334

00:14:26,870 --> 00:14:24,839

handful of members who are cleared for

335

00:14:29,329 --> 00:14:26,880

these closely held programs rarely find

336

00:14:31,730 --> 00:14:29,339

time to receive briefings on them

337

00:14:33,949 --> 00:14:31,740

on the rare occasions when they did they

338

00:14:36,710 --> 00:14:33,959

only had time for the most cursory high

339

00:14:38,990 --> 00:14:36,720

level review I believe a somewhat larger

340

00:14:41,930 --> 00:14:39,000

group in Congress needs far more

341

00:14:44,810 --> 00:14:41,940

detailed and specificity to determine

342

00:14:48,350 --> 00:14:44,820

the extent of the threat to U.S airspace

343

00:14:50,870 --> 00:14:48,360

and the adequacy of U.S air defenses

344

00:14:52,449 --> 00:14:50,880

this will require some staff access to

345

00:14:54,949 --> 00:14:52,459

highly car

346

00:14:58,610 --> 00:14:54,959

compartmented space defense data in

347

00:15:00,230 --> 00:14:58,620

programs to facilitate a proper inquiry

348

00:15:01,670 --> 00:15:00,240

in the meantime I hope Congress will

349

00:15:03,470 --> 00:15:01,680

hold a hearing with the commander of

350

00:15:05,629 --> 00:15:03,480

NORAD the Director of National

351
00:15:07,069 --> 00:15:05,639
Intelligence in the U.S Air Force Chief

352
00:15:08,990 --> 00:15:07,079
of Staff to drill down on the numbers

353
00:15:10,009 --> 00:15:09,000
and kinds of aircraft violating U.S

354
00:15:12,470 --> 00:15:10,019
airspace

355
00:15:14,030 --> 00:15:12,480
I think that would be fantastic

356
00:15:16,189 --> 00:15:14,040
high on the agenda should be the

357
00:15:18,470 --> 00:15:16,199
effectiveness of massive solid

358
00:15:20,689 --> 00:15:18,480
state-phased array Radars that monitor

359
00:15:22,250 --> 00:15:20,699
the approaches to North America this is

360
00:15:24,410 --> 00:15:22,260
essential if we are to determine the

361
00:15:27,170 --> 00:15:24,420
effective effectiveness of America's

362
00:15:31,550 --> 00:15:27,180
massive multi-billion dollar air defense

363
00:15:36,290 --> 00:15:33,710

in light of the Chinese balloon incident

364

00:15:38,210 --> 00:15:36,300

and many other unsolved intrusions over

365

00:15:39,710 --> 00:15:38,220

vital installations and accounting is

366

00:15:41,389 --> 00:15:39,720

urgently needed especially as tensions

367

00:15:43,129 --> 00:15:41,399

grow with Beijing which is likely

368

00:15:44,930 --> 00:15:43,139

responsible for a number of these

369

00:15:46,910 --> 00:15:44,940

incidents

370

00:15:49,009 --> 00:15:46,920

very interesting eh

371

00:15:51,290 --> 00:15:49,019

so Mr Chris Millen is saying that

372

00:15:54,650 --> 00:15:51,300

Beijing might be responsible for some of

373

00:15:54,660 --> 00:15:57,769

pretty interesting

374

00:16:02,030 --> 00:15:59,689

um not surprising though in the meantime

375

00:16:03,949 --> 00:16:02,040

here are some questions members of

376

00:16:05,810 --> 00:16:03,959

Senate armed services committee might

377

00:16:09,050 --> 00:16:05,820

consider asking Dr Kirkpatrick on

378

00:16:10,550 --> 00:16:09,060

Wednesday Dr Kirkpatrick doesn't know

379

00:16:12,290 --> 00:16:10,560

the answers to the following questions

380

00:16:13,670 --> 00:16:12,300

he should seek the answers and provide

381

00:16:16,490 --> 00:16:13,680

them to the Congressional oversight

382

00:16:18,170 --> 00:16:16,500

committees for the record how many UAP

383

00:16:20,210 --> 00:16:18,180

have been reported to aerobase

384

00:16:23,990 --> 00:16:20,220

principally or solely on their detection

385

00:16:25,790 --> 00:16:24,000

by the sspar radar Network

386

00:16:29,210 --> 00:16:25,800

that's pretty detailed

387

00:16:30,949 --> 00:16:29,220

and and how many cases did these

388

00:16:34,730 --> 00:16:30,959

detections lead to the launch of the U.S

389

00:16:39,889 --> 00:16:37,610

now here well I guess he's talking about

390

00:16:42,170 --> 00:16:39,899

a specific radar Network so I would say

391

00:16:44,329 --> 00:16:42,180

because

392

00:16:46,069 --> 00:16:44,339

Blue Book days we know that happened uh

393

00:16:48,530 --> 00:16:46,079

often so

394

00:16:50,990 --> 00:16:48,540

but yeah I don't know how it goes now

395

00:16:53,449 --> 00:16:51,000

is Aero privy to reporting from Canadian

396

00:16:55,610 --> 00:16:53,459

NORAD military components if so how many

397

00:16:58,310 --> 00:16:55,620

such reporters have been received if not

398

00:16:59,749 --> 00:16:58,320

uh why not there seems to be some

399

00:17:01,670 --> 00:16:59,759

confusion about the outstanding number

400

00:17:04,010 --> 00:17:01,680

of currently unresolved UAP reports what

401
00:17:06,829 --> 00:17:04,020
is the current total number

402
00:17:08,630 --> 00:17:06,839
the radar at Beale Air Force Base detect

403
00:17:11,090 --> 00:17:08,640
any of the UAP observed by U.S Navy

404
00:17:13,490 --> 00:17:11,100
radar operators aboard the USS Princeton

405
00:17:15,289 --> 00:17:13,500
from the 12th to the 14th of November

406
00:17:18,289 --> 00:17:15,299
2004.

407
00:17:19,970 --> 00:17:18,299
Tic Tac those UAP reportedly descended

408
00:17:22,309 --> 00:17:19,980
from extremely high altitude since

409
00:17:24,470 --> 00:17:22,319
they're visible to the USS princess by

410
00:17:26,150 --> 00:17:24,480
one radar they should also have been

411
00:17:28,130 --> 00:17:26,160
visible the U.S Air Force personnel

412
00:17:31,010 --> 00:17:28,140
operating the far more powerful radar

413
00:17:32,810 --> 00:17:31,020

appeal if they weren't does this not

414

00:17:34,850 --> 00:17:32,820

suggest a major shortcoming that needs

415

00:17:36,169 --> 00:17:34,860

to be addressed he's I mean obviously

416

00:17:38,110 --> 00:17:36,179

this guy knows what he's talking about

417

00:17:40,970 --> 00:17:38,120

so I think that

418

00:17:43,850 --> 00:17:40,980

uh Mr Christopher Mellon should probably

419

00:17:46,250 --> 00:17:43,860

just go to these hearings dress up as

420

00:17:49,610 --> 00:17:46,260

one of the representatives and ask the

421

00:17:51,529 --> 00:17:49,620

questions himself you

422

00:17:53,750 --> 00:17:51,539

if we want the right questions answered

423

00:17:55,850 --> 00:17:53,760

I don't see uh how we could get a better

424

00:17:57,350 --> 00:17:55,860

person uh to ask them than Mr

425

00:18:00,470 --> 00:17:57,360

Christopher melon

426

00:18:01,850 --> 00:18:00,480

as we can see here

427

00:18:13,669 --> 00:18:01,860

so

428

00:18:16,190 --> 00:18:13,679

probably listen to Mr Christopher Mellon

429

00:18:17,810 --> 00:18:16,200

um it's also got as noted since 2019

430

00:18:19,850 --> 00:18:17,820

there have been a series of incidents

431

00:18:22,070 --> 00:18:19,860

involving close range surveillance of

432

00:18:24,789 --> 00:18:22,080

U.S Navy warships operating off the

433

00:18:26,750 --> 00:18:24,799

southern coast of Southern California

434

00:18:28,549 --> 00:18:26,760

these incidents have occurred almost

435

00:18:31,010 --> 00:18:28,559

directly in front of the powerful radar

436

00:18:32,450 --> 00:18:31,020

at Beale again did Bill radar detect any

437

00:18:34,010 --> 00:18:32,460

I'm

438

00:18:36,110 --> 00:18:34,020

yeah

439

00:18:37,730 --> 00:18:36,120

um that would be fantastic to get that

440

00:18:40,549 --> 00:18:37,740

answer

441

00:18:42,950 --> 00:18:40,559

U.S Navy aviators began seeing bizarre

442

00:18:44,570 --> 00:18:42,960

UAP violating restricted DOD airspace

443

00:18:48,110 --> 00:18:44,580

off the east coast of the U.S beginning

444

00:18:50,930 --> 00:18:48,120

in 2015. some Pilots such as former F-18

445

00:18:52,430 --> 00:18:50,940

Aviator Lieutenant Graves reported uh

446

00:18:54,289 --> 00:18:52,440

encountering these objects almost every

447

00:18:55,430 --> 00:18:54,299

time they conducted training exercises

448

00:18:57,830 --> 00:18:55,440

in the area

449

00:19:00,409 --> 00:18:57,840

the radar Cape Cod detect any of these

450

00:19:03,350 --> 00:19:01,669

um if not what needs to be done to

451
00:19:07,130 --> 00:19:03,360
enhance the effectiveness of these

452
00:19:10,669 --> 00:19:08,930
radar Network operates without

453
00:19:12,710 --> 00:19:10,679
interruption and covers immense regions

454
00:19:14,690 --> 00:19:12,720
including some regions off near Earth

455
00:19:16,549 --> 00:19:14,700
space inevitably these systems detect

456
00:19:19,130 --> 00:19:16,559
Anonymous objects

457
00:19:20,930 --> 00:19:19,140
records obtained through foia and

458
00:19:22,909 --> 00:19:20,940
testimony of retired military personnel

459
00:19:25,669 --> 00:19:22,919
indicate that on occasion objects

460
00:19:28,070 --> 00:19:25,679
demonstrating extreme even unprecedented

461
00:19:30,470 --> 00:19:28,080
capabilities have been detected what

462
00:19:33,409 --> 00:19:30,480
access is Dr Kirkpatrick had to NORAD

463
00:19:35,990 --> 00:19:33,419

data about anomalous objects detected by

464

00:19:37,490 --> 00:19:36,000

U.S air and space defense as he

465

00:19:40,730 --> 00:19:37,500

satisfied that he has been granted

466

00:19:43,070 --> 00:19:40,740

access to all pertinent information

467

00:19:46,190 --> 00:19:43,080

and since the first famous American

468

00:19:48,409 --> 00:19:46,200

sighting of UAP by Kenneth Arnold in the

469

00:19:50,210 --> 00:19:48,419

40s tens of thousands of witnesses have

470

00:19:51,890 --> 00:19:50,220

reported UAP appearing to move silently

471

00:19:54,409 --> 00:19:51,900

at supersonic speeds

472

00:19:56,690 --> 00:19:54,419

such reporting is commonplace

473

00:19:58,610 --> 00:19:56,700

these vehicles also generally do not

474

00:19:59,750 --> 00:19:58,620

appear to issue exhaust or have air

475

00:20:01,730 --> 00:19:59,760

intakes

476
00:20:03,590 --> 00:20:01,740
further there is typically no evidence

477
00:20:06,470 --> 00:20:03,600
of plasma from the intense temperatures

478
00:20:08,510 --> 00:20:06,480
generated by the friction which would we

479
00:20:09,890 --> 00:20:08,520
would normally expect to observe at such

480
00:20:11,990 --> 00:20:09,900
extreme heat

481
00:20:14,029 --> 00:20:12,000
in other words many UAP do not appear to

482
00:20:16,070 --> 00:20:14,039
be powered by combustion engines and the

483
00:20:18,289 --> 00:20:16,080
technology they are using seems to

484
00:20:20,330 --> 00:20:18,299
negate Sonic booms and friction

485
00:20:22,789 --> 00:20:20,340
but unique signatures might allow us to

486
00:20:26,390 --> 00:20:22,799
detect and track craft employing such

487
00:20:31,930 --> 00:20:29,750
good job Chris good job Chris

488
00:20:34,970 --> 00:20:31,940

uh we're going to move into the hill by

489

00:20:37,490 --> 00:20:34,980

Merrick 10 key questions for this week's

490

00:20:39,529 --> 00:20:37,500

historic UFO hearing bipartisan group of

491

00:20:41,390 --> 00:20:39,539

lawmakers is doubling down on solving

492

00:20:43,310 --> 00:20:41,400

the decades-old UFO mystery on Wednesday

493

00:20:44,810 --> 00:20:43,320

the Senate armed services subcommittee

494

00:20:46,669 --> 00:20:44,820

on emerging threats and capabilities

495

00:20:48,549 --> 00:20:46,679

we'll hold a second hearing on the

496

00:20:50,870 --> 00:20:48,559

phenomenon in over 50 years

497

00:20:53,270 --> 00:20:50,880

Congressional interest in UFOs also

498

00:20:55,370 --> 00:20:53,280

known as unidentified anomalous

499

00:20:57,289 --> 00:20:55,380

phenomena search following the 2017

500

00:20:59,750 --> 00:20:57,299

publication of eyebrow raising videos

501
00:21:01,430 --> 00:20:59,760
recorded by Navy fighter jets

502
00:21:02,930 --> 00:21:01,440
briefings by Naval aviators who

503
00:21:04,549 --> 00:21:02,940
witnessed the mysterious objects

504
00:21:06,049 --> 00:21:04,559
maneuvering extraordinary ways

505
00:21:10,310 --> 00:21:06,059
subsequently paved the way for ground

506
00:21:12,529 --> 00:21:10,320
breaking at UAP related legislation

507
00:21:14,450 --> 00:21:12,539
as a result the Department of Defense

508
00:21:16,310 --> 00:21:14,460
established the all domain anomaly

509
00:21:18,230 --> 00:21:16,320
resolution office importantly Congress

510
00:21:21,710 --> 00:21:18,240
granted the office sweeping authority to

511
00:21:23,930 --> 00:21:21,720
scientifically analyze UFOs that exceed

512
00:21:26,330 --> 00:21:23,940
the known state-of-the-art in science or

513
00:21:28,610 --> 00:21:26,340

Tech to cut through the several layers

514

00:21:30,830 --> 00:21:28,620

of bureaucracy lawmakers mandated that

515

00:21:33,470 --> 00:21:30,840

arrows director report to top Pentagon

516

00:21:36,289 --> 00:21:33,480

and intelligence Community leadership

517

00:21:38,630 --> 00:21:36,299

dop offices director will be the sole

518

00:21:40,070 --> 00:21:38,640

witness at Wednesday's hearing as such

519

00:21:42,110 --> 00:21:40,080

lawmakers will likely ask about

520

00:21:44,390 --> 00:21:42,120

administrative matters

521

00:21:46,610 --> 00:21:44,400

to include ensuring that Arrow has the

522

00:21:49,490 --> 00:21:46,620

necessary funding to executed scientific

523

00:21:51,710 --> 00:21:49,500

Mission well yes that is important

524

00:21:53,210 --> 00:21:51,720

for their part Republican Senators they

525

00:21:55,130 --> 00:21:53,220

are likely to sharply criticize the

526

00:21:56,690 --> 00:21:55,140

Biden administration's response to the

527

00:21:59,750 --> 00:21:56,700

Chinese surveillance balloon shutdown

528

00:22:02,149 --> 00:21:59,760

off the U.S east coast in February

529

00:22:04,310 --> 00:22:02,159

see I think that would be silly to

530

00:22:07,549 --> 00:22:04,320

address the Chinese by balloon because

531

00:22:10,010 --> 00:22:07,559

it's not a UAP they could detect it all

532

00:22:11,870 --> 00:22:10,020

the way from the coast of China

533

00:22:13,669 --> 00:22:11,880

so I think that should be left out of

534

00:22:15,649 --> 00:22:13,679

the conversation but

535

00:22:18,590 --> 00:22:15,659

you know that should be but Federal Law

536

00:22:21,289 --> 00:22:18,600

requires Arrow to analyze UAP since U.S

537

00:22:22,669 --> 00:22:21,299

intelligence analysts tracked the mass

538

00:22:23,690 --> 00:22:22,679

of Chinese surveillance balloon from

539

00:22:26,510 --> 00:22:23,700

lunch

540

00:22:28,669 --> 00:22:26,520

uh it was neither anomalous oh there we

541

00:22:31,250 --> 00:22:28,679

go nor identified the balloon incident

542

00:22:32,870 --> 00:22:31,260

therefore is not a relevant topic to

543

00:22:34,850 --> 00:22:32,880

discussion for a hearing focus on your

544

00:22:37,370 --> 00:22:34,860

own I read my mind

545

00:22:39,230 --> 00:22:37,380

moreover Pentagon analysts monitored a

546

00:22:41,510 --> 00:22:39,240

small number of trump-era incursions by

547

00:22:43,070 --> 00:22:41,520

suspected spy balloons in real time but

548

00:22:44,690 --> 00:22:43,080

since the objects were officially

549

00:22:46,490 --> 00:22:44,700

unidentified the reports were not

550

00:22:48,770 --> 00:22:46,500

disseminated Beyond a tight circle of

551
00:22:51,049 --> 00:22:48,780
intelligence officials interesting

552
00:22:53,270 --> 00:22:51,059
leaving senior policy makers in the dark

553
00:22:56,330 --> 00:22:53,280
Congress established arrows specifically

554
00:22:58,190 --> 00:22:56,340
to address such information sharing gaps

555
00:22:59,930 --> 00:22:58,200
Senators participating in this week's

556
00:23:01,909 --> 00:22:59,940
hearing should focus instead on Military

557
00:23:03,470 --> 00:23:01,919
reports of unknown craft exhibiting

558
00:23:05,510 --> 00:23:03,480
extraordinary flight characteristics

559
00:23:07,970 --> 00:23:05,520
they may consider asking questions such

560
00:23:12,289 --> 00:23:10,490
um of the 500 plus UAP reports by

561
00:23:13,610 --> 00:23:12,299
service members in recent years how many

562
00:23:15,590 --> 00:23:13,620
describe remarkable flight

563
00:23:17,810 --> 00:23:15,600

characteristics does Arrow have high

564

00:23:19,789 --> 00:23:17,820

confidence that any UAP exhibited highly

565

00:23:22,310 --> 00:23:19,799

advanced technology great question

566

00:23:25,570 --> 00:23:22,320

straight to the point

567

00:23:28,310 --> 00:23:25,580

and we know they do have cases that show

568

00:23:31,789 --> 00:23:28,320

crazy flight characteristics

569

00:23:33,409 --> 00:23:31,799

the issue will be tying those uh radar

570

00:23:35,690 --> 00:23:33,419

hits and other things to visual

571

00:23:37,909 --> 00:23:35,700

sightings

572

00:23:40,250 --> 00:23:37,919

being able to for sure say that it's a

573

00:23:42,529 --> 00:23:40,260

physical object

574

00:23:44,510 --> 00:23:42,539

similarly in 2021 report states that

575

00:23:46,990 --> 00:23:44,520

some uip appeared to remain stationary

576
00:23:49,610 --> 00:23:47,000
and wins Aloft

577
00:23:51,350 --> 00:23:49,620
he addresses the Navy videos or the

578
00:23:53,510 --> 00:23:51,360
objects in the now famous gimbal go fast

579
00:23:55,909 --> 00:23:53,520
Fleer one UAP video still unidentified

580
00:23:57,230 --> 00:23:55,919
if so what are arrows working theories

581
00:24:00,130 --> 00:23:57,240
for them

582
00:24:04,730 --> 00:24:02,810
rigorous verifiable public analysis of

583
00:24:06,529 --> 00:24:04,740
the Navy videos confirmed fighter pilots

584
00:24:08,330 --> 00:24:06,539
accounts that the objects exhibited

585
00:24:11,270 --> 00:24:08,340
highly Advanced Technologies are aware

586
00:24:13,510 --> 00:24:11,280
of these open source assessments

587
00:24:16,610 --> 00:24:13,520
uh I think he's talking about his

588
00:24:18,590 --> 00:24:16,620

probably his own he's put a lot of work

589

00:24:20,450 --> 00:24:18,600

in into that and so have a couple other

590

00:24:21,770 --> 00:24:20,460

people on Twitter uh into the Navy

591

00:24:25,029 --> 00:24:21,780

videos

592

00:24:27,830 --> 00:24:25,039

to fight against the debunking

593

00:24:30,289 --> 00:24:27,840

and overall I don't know that it works

594

00:24:32,450 --> 00:24:30,299

because they their voices aren't as loud

595

00:24:36,049 --> 00:24:32,460

as like a Midwest for instance but I

596

00:24:40,909 --> 00:24:38,510

in full disclosure my co-author of a

597

00:24:43,669 --> 00:24:40,919

scientific paper on the gimbal video man

598

00:24:47,990 --> 00:24:45,590

we should be friends or something just

599

00:24:49,909 --> 00:24:48,000

reading my mind as Arrow characterized

600

00:24:52,250 --> 00:24:49,919

the UAP observed often via multiple

601
00:24:53,930 --> 00:24:52,260
sensors by dozens of Naval aviators off

602
00:24:55,909 --> 00:24:53,940
the U.S east coast and Resorts if not

603
00:24:57,710 --> 00:24:55,919
what is error working Arrow's working

604
00:25:00,770 --> 00:24:57,720
hypothesis for these highly Anonymous

605
00:25:02,450 --> 00:25:00,780
numberless encounters

606
00:25:05,690 --> 00:25:02,460
um talks about Kirkpatrick's paper with

607
00:25:09,409 --> 00:25:07,190
um

608
00:25:10,730 --> 00:25:09,419
to what extent did recent UAP encounters

609
00:25:12,289 --> 00:25:10,740
the most compelling of which occurred

610
00:25:18,169 --> 00:25:12,299
over water and formed the groundbreaking

611
00:25:21,770 --> 00:25:19,669
um do you agree with John Radcliffe's

612
00:25:23,570 --> 00:25:21,780
statement that uaps technologies that

613
00:25:25,970 --> 00:25:23,580

the United States does not have

614

00:25:30,350 --> 00:25:25,980

and frankly that we are not capable of

615

00:25:34,669 --> 00:25:32,450

pretty good how many arrows 500 plus

616

00:25:36,950 --> 00:25:34,679

cases how many UAP related videos and

617

00:25:40,490 --> 00:25:36,960

images are in Arrow's possession

618

00:25:44,269 --> 00:25:42,470

oh this is a great one the US government

619

00:25:46,310 --> 00:25:44,279

has a long history of triumphantly

620

00:25:48,230 --> 00:25:46,320

highlighting resolved UAP reports while

621

00:25:50,750 --> 00:25:48,240

ignoring downplaying or force-fitting

622

00:25:53,029 --> 00:25:50,760

scientifically absurd explanations onto

623

00:25:54,649 --> 00:25:53,039

compelling UAP cases resuppressed

624

00:25:56,390 --> 00:25:54,659

reports suggest that this may be

625

00:25:59,210 --> 00:25:56,400

occurring again what steps will arrow

626
00:26:02,870 --> 00:25:59,220
take to prevent this that's great I like

627
00:26:07,190 --> 00:26:05,149
that's true I mean and that's part of

628
00:26:10,970 --> 00:26:07,200
the Robertson panel at the Air Force and

629
00:26:13,190 --> 00:26:10,980
CIA set up in 53 right so uh there's

630
00:26:15,169 --> 00:26:13,200
much less interest involved if the

631
00:26:19,490 --> 00:26:15,179
mystery is revealed right so you take a

632
00:26:21,049 --> 00:26:19,500
UFO case and you build up the mystery

633
00:26:23,210 --> 00:26:21,059
and then you debunk it with something

634
00:26:24,830 --> 00:26:23,220
simple and that gets rid of the mystery

635
00:26:28,490 --> 00:26:24,840
and all that kind of stuff and that's

636
00:26:32,750 --> 00:26:28,500
what they are worsted quite a bit

637
00:26:37,970 --> 00:26:32,760
so but uh you know that's uh that's old

638
00:26:39,649 --> 00:26:37,980

news my friend that is old freaking news

639

00:26:41,810 --> 00:26:39,659

so

640

00:26:45,049 --> 00:26:41,820

um next what we're going to do here

641

00:26:47,450 --> 00:26:45,059

is I'm going to take a little bit of a

642

00:26:50,930 --> 00:26:47,460

talking break and we're going to play

643

00:26:55,610 --> 00:26:50,940

a news clip with James McDonald Dr James

644

00:26:59,090 --> 00:26:57,230

and

645

00:27:03,529 --> 00:26:59,100

you know it's interesting because the

646

00:27:05,570 --> 00:27:03,539

topic is Cia Air Force debunking policy

647

00:27:08,510 --> 00:27:05,580

like we just talked about so this is

648

00:27:08,520 --> 00:27:12,590

I hope you like it

649

00:27:12,600 --> 00:27:20,289

it's about five minutes

650

00:27:25,230 --> 00:27:23,269

actually what I'm gonna do is make sure

651
00:27:26,570 --> 00:27:25,240
that I'm sharing the audio

652
00:27:29,510 --> 00:27:26,580
[Music]

653
00:27:30,730 --> 00:27:29,520
better to just make sure that things are

654
00:27:36,289 --> 00:27:30,740
right

655
00:27:41,990 --> 00:27:39,649
I've investigated about 50 or 60 cases

656
00:27:44,450 --> 00:27:42,000
since I came down to New Zealand and

657
00:27:47,029 --> 00:27:44,460
Australia extremely interesting UFO

658
00:27:48,950 --> 00:27:47,039
sightings a lot of help from a local

659
00:27:53,269 --> 00:27:48,960
investigatory groups in Sydney and

660
00:27:55,850 --> 00:27:53,279
Melbourne and have found as I go through

661
00:27:57,289 --> 00:27:55,860
these that the type of sightings are

662
00:27:58,430 --> 00:27:57,299
essentially similar to those in the

663
00:28:01,669 --> 00:27:58,440

United States

664

00:28:04,250 --> 00:28:01,679

what are the main similarities

665

00:28:05,990 --> 00:28:04,260

persons of really quite High credibility

666

00:28:07,970 --> 00:28:06,000

reporting

667

00:28:10,250 --> 00:28:07,980

unconventional objects

668

00:28:12,110 --> 00:28:10,260

discs cigar-shaped objects frequently at

669

00:28:14,390 --> 00:28:12,120

very low elevation

670

00:28:17,570 --> 00:28:14,400

hovering over sometimes urban areas

671

00:28:21,049 --> 00:28:17,580

sometimes over cars following cars

672

00:28:22,970 --> 00:28:21,059

same kind of public reaction quite a

673

00:28:25,310 --> 00:28:22,980

quite a strong similarity to the

674

00:28:27,289 --> 00:28:25,320

American reluctance to report them to

675

00:28:30,049 --> 00:28:27,299

official channels because of fear of

676

00:28:32,570 --> 00:28:30,059

ridicule but behind it all a very large

677

00:28:35,769 --> 00:28:32,580

number a a very surprisingly large

678

00:28:38,630 --> 00:28:35,779

number of these sightings of quite

679

00:28:39,950 --> 00:28:38,640

unconventional objects maneuvering in

680

00:28:42,169 --> 00:28:39,960

our airspace

681

00:28:44,990 --> 00:28:42,179

you have been highly critical of your

682

00:28:47,630 --> 00:28:45,000

own government's attitude towards the

683

00:28:49,310 --> 00:28:47,640

UFOs indeed indeed I have yes the uh

684

00:28:51,289 --> 00:28:49,320

I've taken a very good look at the

685

00:28:53,390 --> 00:28:51,299

American official investigation program

686

00:28:56,149 --> 00:28:53,400

Project Blue Book run by the Air Force

687

00:28:57,830 --> 00:28:56,159

and I have uh quite unequivocally

688

00:28:59,750 --> 00:28:57,840

described it to Scientific colleagues

689

00:29:01,850 --> 00:28:59,760

back in the States as superficial and

690

00:29:03,529 --> 00:29:01,860

incompetent why has the government taken

691

00:29:06,529 --> 00:29:03,539

this attitude in your opinion

692

00:29:10,850 --> 00:29:06,539

it's not not a brief story but it goes

693

00:29:14,149 --> 00:29:10,860

back to 1953 when a CIA involved

694

00:29:15,950 --> 00:29:14,159

investigation was held as a result of

695

00:29:19,669 --> 00:29:15,960

the extremely heavy wave of sightings in

696

00:29:23,230 --> 00:29:19,679

1952 the CIA and Air Force became so

697

00:29:25,669 --> 00:29:23,240

concerned over the sheer number of uh

698

00:29:27,289 --> 00:29:25,679

reports that were tying up air American

699

00:29:29,930 --> 00:29:27,299

intelligence channels that they wanted

700

00:29:31,610 --> 00:29:29,940

to get this signal out of the system ask

701

00:29:34,070 --> 00:29:31,620

the Air Force the CIA asked the Air

702

00:29:35,870 --> 00:29:34,080

Force for a debunking policy the literal

703

00:29:38,149 --> 00:29:35,880

hoarding was to debunk the flying

704

00:29:41,090 --> 00:29:38,159

saucers to decrease public interest in

705

00:29:42,970 --> 00:29:41,100

the UFOs regulations were promulgated

706

00:29:45,049 --> 00:29:42,980

very shortly that made it a crime

707

00:29:47,630 --> 00:29:45,059

punishable with I think it's ten

708

00:29:49,430 --> 00:29:47,640

thousand dollars fine and or ten years

709

00:29:51,710 --> 00:29:49,440

in prison to release any information at

710

00:29:53,930 --> 00:29:51,720

air base level on UFOs and as a result

711

00:29:57,350 --> 00:29:53,940

of that in the sequence of of steady

712

00:29:59,269 --> 00:29:57,360

downgrading the whole problem has been

713

00:30:01,130 --> 00:29:59,279

essentially lost from scientific site in

714

00:30:03,110 --> 00:30:01,140

the US and nothing resembling any

715

00:30:05,870 --> 00:30:03,120

scientific investigation has been going

716

00:30:07,010 --> 00:30:05,880

on past 15 years has this been typical

717

00:30:10,610 --> 00:30:07,020

of the attitude of most World

718

00:30:13,190 --> 00:30:10,620

governments as nearly as I can tell yes

719

00:30:15,590 --> 00:30:13,200

there seems to be quite surprising

720

00:30:18,730 --> 00:30:15,600

similarity between the official Russian

721

00:30:22,730 --> 00:30:18,740

British Australian Canadian American

722

00:30:24,289 --> 00:30:22,740

French Italian pronouncements they all

723

00:30:26,750 --> 00:30:24,299

seem to take the view that there's

724

00:30:30,830 --> 00:30:26,760

nothing to it there's a lot of nonsense

725

00:30:32,810 --> 00:30:30,840

that people see things and that it is

726

00:30:35,210 --> 00:30:32,820

not a real scientific problem at all and

727

00:30:38,330 --> 00:30:35,220

I most hardly disagree with that you

728

00:30:41,330 --> 00:30:38,340

have been as far as the United Nations

729

00:30:42,830 --> 00:30:41,340

with this problem yes about two three

730

00:30:46,370 --> 00:30:42,840

weeks ago on the seventh of this month

731

00:30:48,409 --> 00:30:46,380

of June nearly a month ago now I spoke

732

00:30:49,430 --> 00:30:48,419

to the outer space Affairs group in the

733

00:30:53,210 --> 00:30:49,440

United Nations

734

00:30:55,789 --> 00:30:53,220

urging uh immediate U.N action on this

735

00:30:57,950 --> 00:30:55,799

problem it seems to me that the UN is

736

00:31:00,830 --> 00:30:57,960

one of the best places to tackle the

737

00:31:03,289 --> 00:31:00,840

international the global aspects of the

738

00:31:05,930 --> 00:31:03,299

UFO problem and all evidence now points

739

00:31:09,110 --> 00:31:05,940

to it's being a truly Global phenomenon

740

00:31:10,490 --> 00:31:09,120

uh utan made a statement at the time I

741

00:31:12,649 --> 00:31:10,500

didn't get to see you Todd that was a

742

00:31:13,970 --> 00:31:12,659

busy day June 7th uh in fact I had a

743

00:31:15,529 --> 00:31:13,980

date to see him at four o'clock and if

744

00:31:17,210 --> 00:31:15,539

it was any one hour that was the peak of

745

00:31:18,769 --> 00:31:17,220

the Mideast crisis four o'clock was it

746

00:31:21,289 --> 00:31:18,779

so I unfortunately didn't get to see you

747

00:31:23,269 --> 00:31:21,299

a ton uh but uh quite recently a few

748

00:31:25,310 --> 00:31:23,279

days ago I I got a wire from a phone

749

00:31:28,669 --> 00:31:25,320

call from San Francisco uh pointing out

750

00:31:31,669 --> 00:31:28,679

that he had made a statement uh to Drew

751
00:31:34,010 --> 00:31:31,679
Pearson an American colonist that aside

752
00:31:35,810 --> 00:31:34,020
from the Vietnamese War the UFO problem

753
00:31:38,750 --> 00:31:35,820
is the greatest International problem

754
00:31:40,430 --> 00:31:38,760
and I sent him a wire uh strongly

755
00:31:42,110 --> 00:31:40,440
endorsing his position but disagreeing

756
00:31:43,669 --> 00:31:42,120
with him to the extent of saying that I

757
00:31:47,450 --> 00:31:43,679
believe it's the most important

758
00:31:56,090 --> 00:31:52,850
we we have in in the UFO problem a

759
00:31:57,230 --> 00:31:56,100
very strange situation here for 20 years

760
00:31:59,930 --> 00:31:57,240
plus

761
00:32:02,210 --> 00:31:59,940
uh essentially similar phenomena have

762
00:32:03,710 --> 00:32:02,220
been reported all over the world large

763
00:32:05,990 --> 00:32:03,720

numbers in the U.S

764

00:32:08,210 --> 00:32:06,000

official then ignoring them Air Force is

765

00:32:10,190 --> 00:32:08,220

ignoring them and yet apparently a

766

00:32:12,110 --> 00:32:10,200

steady increase in the numbers of

767

00:32:14,870 --> 00:32:12,120

Reliable Reports from people in all

768

00:32:16,190 --> 00:32:14,880

walks of life seeing these objects that

769

00:32:18,049 --> 00:32:16,200

are not products of our technology

770

00:32:19,070 --> 00:32:18,059

they're not meteorological astronomical

771

00:32:21,230 --> 00:32:19,080

phenomena

772

00:32:23,210 --> 00:32:21,240

hovering at low altitude increasing

773

00:32:25,130 --> 00:32:23,220

numbers in urban areas and collectively

774

00:32:28,010 --> 00:32:25,140

we don't know what's going on that's an

775

00:32:30,049 --> 00:32:28,020

extremely unwise situation no matter how

776

00:32:32,870 --> 00:32:30,059

you view it we do not know what is

777

00:32:34,610 --> 00:32:32,880

involved in this problem there are no

778

00:32:37,250 --> 00:32:34,620

strong indications of anything

779

00:32:40,190 --> 00:32:37,260

resembling hostility I see some faint

780

00:32:41,450 --> 00:32:40,200

indications of Hazard and danger but in

781

00:32:43,630 --> 00:32:41,460

general to

782

00:32:46,010 --> 00:32:43,640

to have this possibility that the world

783

00:32:47,930 --> 00:32:46,020

is under something resembling

784

00:32:50,570 --> 00:32:47,940

reconnaissance possibly from some

785

00:32:52,789 --> 00:32:50,580

extraterrestrial source and to go on

786

00:32:54,470 --> 00:32:52,799

about our petty ways collectively

787

00:32:56,029 --> 00:32:54,480

doesn't seem to be to be a wise

788

00:32:58,149 --> 00:32:56,039

situation so I'm trying to get

789

00:33:01,789 --> 00:32:58,159

scientists and

790

00:33:09,610 --> 00:33:01,799

governmental uh agencies to take a look

791

00:33:09,620 --> 00:33:14,630

James McDonald is

792

00:33:20,990 --> 00:33:18,529

pretty pretty pretty boss he did a great

793

00:33:23,930 --> 00:33:21,000

job back in the day somebody mentioned

794

00:33:25,909 --> 00:33:23,940

you would like to see it

795

00:33:28,370 --> 00:33:25,919

um James McDonald these days and his

796

00:33:29,870 --> 00:33:28,380

reaction uh on how opinions have changed

797

00:33:31,850 --> 00:33:29,880

you know people are talking about it and

798

00:33:33,590 --> 00:33:31,860

all this kind of stuff I I often think

799

00:33:35,690 --> 00:33:33,600

about that people who passed away have

800

00:33:38,450 --> 00:33:35,700

fought so hard for a disclosure on this

801
00:33:40,009 --> 00:33:38,460
topic I always think

802
00:33:41,269 --> 00:33:40,019
you know man I wish they were around

803
00:33:44,389 --> 00:33:41,279
today

804
00:33:46,909 --> 00:33:44,399
um especially him he was no nonsense

805
00:33:48,710 --> 00:33:46,919
strict data strict details he was a

806
00:33:50,930 --> 00:33:48,720
great guy tragic end to his life for

807
00:33:53,509 --> 00:33:50,940
sure he tried to take his uh his own

808
00:33:57,710 --> 00:33:53,519
life uh with a gun it didn't work

809
00:34:00,110 --> 00:33:57,720
and then he did it again and it did work

810
00:34:03,169 --> 00:34:00,120
um yeah a lot of people talk about

811
00:34:05,210 --> 00:34:03,179
his death being suspicious

812
00:34:09,770 --> 00:34:05,220
I don't know

813
00:34:11,329 --> 00:34:09,780

I can't really answer that but um

814

00:34:13,070 --> 00:34:11,339

you know

815

00:34:15,710 --> 00:34:13,080

people think that a lot in this

816

00:34:17,810 --> 00:34:15,720

community about stuff

817

00:34:19,730 --> 00:34:17,820

even John Mack when he died he got hit

818

00:34:22,310 --> 00:34:19,740

by a bus

819

00:34:26,510 --> 00:34:22,320

um people thought that

820

00:34:29,409 --> 00:34:26,520

but it's not always a conspiracy

821

00:34:34,790 --> 00:34:29,419

um but yeah I really don't know so

822

00:34:37,669 --> 00:34:34,800

the next part of this gig is going to be

823

00:34:42,050 --> 00:34:37,679

I am previous Congressional efforts

824

00:34:44,149 --> 00:34:42,060

towards UAP UFO transparency

825

00:34:48,010 --> 00:34:44,159

so there were some efforts back in the

826

00:34:51,530 --> 00:34:48,020

day that date uh from 58 to

827

00:34:53,270 --> 00:34:51,540

66 and the documents the behind the

828

00:34:55,250 --> 00:34:53,280

scenes documents are available via the

829

00:34:57,890 --> 00:34:55,260

Air Force

830

00:35:00,650 --> 00:34:57,900

um in in Project Blue Book and I wanted

831

00:35:03,410 --> 00:35:00,660

to do this because I I watched the need

832

00:35:05,570 --> 00:35:03,420

to know podcast with Ross coldheart

833

00:35:07,070 --> 00:35:05,580

um and Bryce zable yesterday and it was

834

00:35:08,870 --> 00:35:07,080

a great podcast and they brought up the

835

00:35:10,849 --> 00:35:08,880

history a little bit of these um

836

00:35:12,170 --> 00:35:10,859

Congressional hearings

837

00:35:14,510 --> 00:35:12,180

um I thought it would be interesting to

838

00:35:17,270 --> 00:35:14,520

go into these a little in a little bit

839

00:35:19,849 --> 00:35:17,280

of a more detailed fashion as there's

840

00:35:22,250 --> 00:35:19,859

some surprising things that we can find

841

00:35:24,130 --> 00:35:22,260

and it's good to know your history so

842

00:35:25,790 --> 00:35:24,140

you don't repeat it

843

00:35:27,470 --> 00:35:25,800

so

844

00:35:29,690 --> 00:35:27,480

um we're just gonna go through these bit

845

00:35:32,750 --> 00:35:29,700

by bit and

846

00:35:34,730 --> 00:35:32,760

yeah hopefully it goes

847

00:35:37,130 --> 00:35:34,740

hopefully it goes all right so the first

848

00:35:39,349 --> 00:35:37,140

one is 1958. I'm a Cleveland

849

00:35:41,450 --> 00:35:39,359

subcommittee State Senate committee on

850

00:35:43,370 --> 00:35:41,460

investigating government operations so

851

00:35:44,030 --> 00:35:43,380

that's the committee who

852

00:35:47,270 --> 00:35:44,040

um

853

00:35:50,450 --> 00:35:47,280

we're looking at now who got briefed so

854

00:35:53,810 --> 00:35:50,460

the person is Senator at John McLean

855

00:35:59,089 --> 00:35:57,650

we have the air force uh basically so in

856

00:36:01,849 --> 00:35:59,099

here we see the Air Force thought that

857

00:36:06,349 --> 00:36:01,859

they convinced the committee that they

858

00:36:09,770 --> 00:36:08,390

so investigators for the McClellan

859

00:36:11,089 --> 00:36:09,780

subcommittee the senate committee on

860

00:36:13,490 --> 00:36:11,099

investigating government operations

861

00:36:16,310 --> 00:36:13,500

recently had held informal discussions

862

00:36:18,050 --> 00:36:16,320

with us the Air Force

863

00:36:19,609 --> 00:36:18,060

um concerning the advisability of

864

00:36:22,970 --> 00:36:19,619

conducting public hearings on the Air

865

00:36:24,890 --> 00:36:22,980

Force's position regarding UFOs the

866

00:36:26,210 --> 00:36:24,900

thing they were concerned with most was

867

00:36:28,069 --> 00:36:26,220

the charge that the Air Force was

868

00:36:31,910 --> 00:36:28,079

withholding information on this subject

869

00:36:34,250 --> 00:36:31,920

I am sure we convinced them

870

00:36:36,050 --> 00:36:34,260

that that is not the case

871

00:36:37,730 --> 00:36:36,060

and as they have since indicated there

872

00:36:39,530 --> 00:36:37,740

is no need for hearings on this subject

873

00:36:40,849 --> 00:36:39,540

in view of these findings based upon

874

00:36:42,890 --> 00:36:40,859

their preliminary and formal

875

00:36:44,690 --> 00:36:42,900

investigation this office would like to

876
00:36:46,970 --> 00:36:44,700
see the McClellan subcommittee issue a

877
00:36:48,770 --> 00:36:46,980
statement certifying that a prelim

878
00:36:50,150 --> 00:36:48,780
investigation by the committee proved

879
00:36:52,910 --> 00:36:50,160
that the Air Force is properly

880
00:36:54,470 --> 00:36:52,920
conducting its investigation of UFOs and

881
00:36:56,349 --> 00:36:54,480
is not withholding information on the

882
00:36:58,730 --> 00:36:56,359
subject from the public

883
00:37:00,470 --> 00:36:58,740
if possible the statement should include

884
00:37:02,569 --> 00:37:00,480
the Air Force has a definite public

885
00:37:03,770 --> 00:37:02,579
information plan in effect concerning

886
00:37:05,810 --> 00:37:03,780
UFOs

887
00:37:08,630 --> 00:37:05,820
request sat film review the possibility

888
00:37:10,010 --> 00:37:08,640

and or feasibility or of obtaining such

889

00:37:12,109 --> 00:37:10,020

a statement from the McClellan

890

00:37:14,390 --> 00:37:12,119

subcommittee so what the Air Force

891

00:37:16,550 --> 00:37:14,400

wanted was an actual statement from the

892

00:37:19,130 --> 00:37:16,560

McClellan subcommittee stating that we

893

00:37:22,609 --> 00:37:19,140

trust the Air Force

894

00:37:25,490 --> 00:37:22,619

crazy huh they didn't wind up writing

895

00:37:27,170 --> 00:37:25,500

that because in their words they weren't

896

00:37:30,650 --> 00:37:27,180

if the situation changed they didn't

897

00:37:35,030 --> 00:37:33,530

the subject so we have the committee

898

00:37:37,310 --> 00:37:35,040

head FBI

899

00:37:40,069 --> 00:37:37,320

committee investigators who directly

900

00:37:42,470 --> 00:37:40,079

communicated with the Air Force so this

901
00:37:44,930 --> 00:37:42,480
committee uh went on to investigate the

902
00:37:47,930 --> 00:37:44,940
Air Force Project Blue Book and they had

903
00:37:51,530 --> 00:37:47,940
two FBI investigators Donald O'Donald

904
00:37:53,329 --> 00:37:51,540
and Jack Healey working on their behalf

905
00:37:56,329 --> 00:37:53,339
so but I'll just read this one major

906
00:37:57,589 --> 00:37:56,339
Donald kilo of the national nightcap has

907
00:37:59,329 --> 00:37:57,599
been badgering the members of the

908
00:38:00,589 --> 00:37:59,339
McClellan subcommittee the senate

909
00:38:02,690 --> 00:38:00,599
committee on investigating government

910
00:38:05,150 --> 00:38:02,700
operations to hold open hearings on the

911
00:38:06,950 --> 00:38:05,160
question of the existence of UFOs

912
00:38:08,930 --> 00:38:06,960
in this regard investigators for the

913
00:38:10,670 --> 00:38:08,940

subcommittee contacted zafil and a

914

00:38:13,609 --> 00:38:10,680

meeting was held on the 31st of January

915

00:38:15,470 --> 00:38:13,619

58 at Thousand hours Mr Horner's office

916

00:38:17,510 --> 00:38:15,480

on the Air Force's position regarding

917

00:38:19,490 --> 00:38:17,520

possible hearings members of the

918

00:38:20,569 --> 00:38:19,500

committee attending this meeting were as

919

00:38:23,329 --> 00:38:20,579

follows

920

00:38:25,849 --> 00:38:23,339

so we got uh William Whitson Deputy for

921

00:38:27,589 --> 00:38:25,859

research and development operations

922

00:38:32,150 --> 00:38:27,599

um Lieutenant Williams

923

00:38:34,970 --> 00:38:32,160

major Boland major Brian major Tacker

924

00:38:37,370 --> 00:38:34,980

and then we have the FBI investigators

925

00:38:39,170 --> 00:38:37,380

then it says the committee's

926

00:38:41,210 --> 00:38:39,180

investigators simply asked if the Air

927

00:38:43,190 --> 00:38:41,220

Force desired such hearings

928

00:38:45,589 --> 00:38:43,200

why would you ask

929

00:38:47,390 --> 00:38:45,599

if the Air Force wants hearings of

930

00:38:49,670 --> 00:38:47,400

course they don't want hearings Mr

931

00:38:51,230 --> 00:38:49,680

Whitson stated that he did not see the

932

00:38:52,609 --> 00:38:51,240

need for it but would cooperate in every

933

00:38:54,290 --> 00:38:52,619

way possible if the committee thought

934

00:38:56,690 --> 00:38:54,300

the hearing is necessary

935

00:38:58,550 --> 00:38:56,700

Mr Jack Healey the FBI guy has stated

936

00:39:00,829 --> 00:38:58,560

that they wanted a definite Air Force

937

00:39:02,810 --> 00:39:00,839

position Mr Whitson said that he would

938

00:39:04,550 --> 00:39:02,820

have to wait until Mr Hunter returned

939

00:39:05,990 --> 00:39:04,560

but thought Horner would agree with the

940

00:39:08,329 --> 00:39:06,000

statement that we would cooperate in

941

00:39:09,530 --> 00:39:08,339

every way

942

00:39:12,230 --> 00:39:09,540

oh

943

00:39:14,329 --> 00:39:12,240

the two investigators were invited to

944

00:39:16,370 --> 00:39:14,339

visit attic at Ray Patterson Air Force

945

00:39:17,810 --> 00:39:16,380

Base for background information they

946

00:39:19,130 --> 00:39:17,820

said they would do so if hearings

947

00:39:21,950 --> 00:39:19,140

developed

948

00:39:25,670 --> 00:39:21,960

interesting

949

00:39:27,050 --> 00:39:25,680

so yeah so they're going to send FBI

950

00:39:30,470 --> 00:39:27,060

investigators

951
00:39:32,930 --> 00:39:30,480
um to Ray Patterson Air Force Base

952
00:39:35,810 --> 00:39:32,940
uh we already read this

953
00:39:38,030 --> 00:39:35,820
on the right hand side is the end of it

954
00:39:40,370 --> 00:39:38,040
there will be a meeting of this group

955
00:39:42,589 --> 00:39:40,380
again this week when Mr Horner returns

956
00:39:44,390 --> 00:39:42,599
and gives us views Tacker pointed out

957
00:39:46,130 --> 00:39:44,400
during the discussions that ois was

958
00:39:47,870 --> 00:39:46,140
providing the publicity at the present

959
00:39:51,530 --> 00:39:47,880
time on this subject and the request of

960
00:39:54,050 --> 00:39:51,540
afci and he stated we would continue to

961
00:39:56,270 --> 00:39:54,060
do so and would cooperate every way with

962
00:39:57,950 --> 00:39:56,280
the staff and agencies concerned or with

963
00:40:02,089 --> 00:39:57,960

the Congressional Committee of hearings

964

00:40:06,589 --> 00:40:04,130

foreign

965

00:40:08,690 --> 00:40:06,599

that's all we got for that one uh the

966

00:40:11,930 --> 00:40:08,700

next one 1958 Air Force briefed

967

00:40:13,370 --> 00:40:11,940

representative Henderson

968

00:40:20,329 --> 00:40:13,380

member of the U.S House of

969

00:40:25,430 --> 00:40:22,910

what we have here

970

00:40:29,170 --> 00:40:25,440

um so

971

00:40:32,390 --> 00:40:29,180

this was written to the Secretary of

972

00:40:34,609 --> 00:40:32,400

Defense by this Mr Henderson

973

00:40:37,010 --> 00:40:34,619

he said I've read with considerable

974

00:40:38,630 --> 00:40:37,020

interest the this is kind of tough to

975

00:40:41,089 --> 00:40:38,640

read right here but I'm going to do my

976

00:40:44,210 --> 00:40:41,099

best interest in the book the report of

977

00:40:46,190 --> 00:40:44,220

UFOs by rupelt telling of the work of

978

00:40:47,990 --> 00:40:46,200

Project Blue Book in order to be brought

979

00:40:49,849 --> 00:40:48,000

up to date with the report to

980

00:40:51,950 --> 00:40:49,859

information developed since Rupa left

981

00:40:53,990 --> 00:40:51,960

the project I should appreciate having

982

00:40:56,390 --> 00:40:54,000

the answer to several questions briefly

983

00:40:59,150 --> 00:40:56,400

the questions are outlined below Project

984

00:41:00,829 --> 00:40:59,160

Blue Book or some similar project still

985

00:41:04,069 --> 00:41:00,839

in operation to receive investigate and

986

00:41:06,050 --> 00:41:04,079

evaluate UFO reports and UFO reports

987

00:41:08,150 --> 00:41:06,060

still continued to come in if so how

988

00:41:10,250 --> 00:41:08,160

many since 53

989

00:41:12,589 --> 00:41:10,260

how many are unknowns

990

00:41:15,349 --> 00:41:12,599

I think those are a couple questions

991

00:41:16,849 --> 00:41:15,359

that we were trying to ask uh

992

00:41:19,010 --> 00:41:16,859

Kirkpatrick tomorrow

993

00:41:21,470 --> 00:41:19,020

have any ever it's been made to get more

994

00:41:23,930 --> 00:41:21,480

scientific data on UFOs then is provided

995

00:41:25,609 --> 00:41:23,940

by visual sightings uh by ground air

996

00:41:28,010 --> 00:41:25,619

observers visual observance radar

997

00:41:30,109 --> 00:41:28,020

equipment for example I have any films

998

00:41:32,510 --> 00:41:30,119

been made of radar screens when if UFO

999

00:41:34,310 --> 00:41:32,520

has picked up yes have any efforts been

1000

00:41:36,650 --> 00:41:34,320

made accurately to track and triangle

1001
00:41:38,690 --> 00:41:36,660
UFOs yes so

1002
00:41:40,550 --> 00:41:38,700
so as tests conducted to ascertain

1003
00:41:42,290 --> 00:41:40,560
whether they're

1004
00:41:44,270 --> 00:41:42,300
is a connection between background

1005
00:41:45,890 --> 00:41:44,280
radiation and the presence of UFOs

1006
00:41:47,990 --> 00:41:45,900
interesting

1007
00:41:50,030 --> 00:41:48,000
if we watch Skinwalker Ranch that's a

1008
00:41:51,490 --> 00:41:50,040
Hot Topic background radiation and UFOs

1009
00:41:53,630 --> 00:41:51,500
if you go to my website

1010
00:41:57,170 --> 00:41:53,640
whittoncitizen.com I have a story about

1011
00:42:00,069 --> 00:41:57,180
that as well regarding the Mount Palomar

1012
00:42:03,589 --> 00:42:00,079
Observatory

1013
00:42:04,849 --> 00:42:03,599

so that's interesting he was he knew

1014

00:42:07,250 --> 00:42:04,859

about that stuff

1015

00:42:10,430 --> 00:42:07,260

so

1016

00:42:11,930 --> 00:42:10,440

could you furnish me reports on say 10

1017

00:42:13,490 --> 00:42:11,940

of the best sightings in the last five

1018

00:42:15,530 --> 00:42:13,500

years which have been classified as

1019

00:42:17,030 --> 00:42:15,540

unknowns as any regular procedure has

1020

00:42:20,450 --> 00:42:17,040

been established to exchange UFO

1021

00:42:22,550 --> 00:42:20,460

information with their allies wow we

1022

00:42:25,609 --> 00:42:22,560

just watched a clip with the guy from

1023

00:42:27,589 --> 00:42:25,619

space force answering this question

1024

00:42:29,390 --> 00:42:27,599

have any of our allies issued official

1025

00:42:31,310 --> 00:42:29,400

reports on UFOs

1026

00:42:35,390 --> 00:42:31,320

interesting how that works say so

1027

00:42:38,750 --> 00:42:36,050

um

1028

00:42:42,050 --> 00:42:38,760

so then here we have the Air Force

1029

00:42:45,170 --> 00:42:42,060

blamed interest uh from Congress on

1030

00:42:48,290 --> 00:42:45,180

rupelt and then they debunked root belt

1031

00:42:51,710 --> 00:42:48,300

to Henderson and this happens a lot

1032

00:42:56,050 --> 00:42:51,720

where the Air Force blames Rue belt or

1033

00:42:58,550 --> 00:42:56,060

or Kehoe Donald Kehoe on this stuff

1034

00:43:00,950 --> 00:42:58,560

uh Secretary of Defense from Congressman

1035

00:43:02,410 --> 00:43:00,960

Henderson and your urgent request just

1036

00:43:05,450 --> 00:43:02,420

received by addict for instance

1037

00:43:07,609 --> 00:43:05,460

extensive info stats UFO cases and

1038

00:43:09,710 --> 00:43:07,619

answers to questions or requested by Mr

1039

00:43:12,290 --> 00:43:09,720

Anderson and required for personal

1040

00:43:14,809 --> 00:43:12,300

briefing to be given to him confirming

1041

00:43:19,430 --> 00:43:14,819

our telephone conversation impossible to

1042

00:43:22,609 --> 00:43:20,930

um before answering questions or

1043

00:43:26,030 --> 00:43:22,619

providing info in order which they

1044

00:43:27,770 --> 00:43:26,040

appear Mr McElroy a few facts concerning

1045

00:43:30,109 --> 00:43:27,780

RuPaul this book should first be given

1046

00:43:32,630 --> 00:43:30,119

in as much as it appears to be the basis

1047

00:43:35,089 --> 00:43:32,640

for Congressional request to the

1048

00:43:38,470 --> 00:43:35,099

Department of Defense

1049

00:43:41,690 --> 00:43:38,480

so this is what they say about Mr Rupert

1050

00:43:44,030 --> 00:43:41,700

nice guy too nice hell of a guy and this

1051
00:43:46,430 --> 00:43:44,040
is what they say as with any freelance

1052
00:43:48,530 --> 00:43:46,440
author Mr rubel's theories opinions and

1053
00:43:50,450 --> 00:43:48,540
conclusions are his own and not

1054
00:43:53,510 --> 00:43:50,460
necessarily those of the Air Force his

1055
00:43:55,910 --> 00:43:53,520
book was reviewed and passed on by USAF

1056
00:43:58,309 --> 00:43:55,920
headquarters from a security Viewpoint

1057
00:44:00,470 --> 00:43:58,319
only While most of the statements in his

1058
00:44:02,210 --> 00:44:00,480
book are factual the inferences and

1059
00:44:04,430 --> 00:44:02,220
implications that he attempts to leave

1060
00:44:07,490 --> 00:44:04,440
are definitely questionable

1061
00:44:09,050 --> 00:44:07,500
as project officer of UFO program rupelt

1062
00:44:10,910 --> 00:44:09,060
has good knowledge and appreciation of

1063
00:44:12,950 --> 00:44:10,920

various Technical and scientific Fields

1064

00:44:14,930 --> 00:44:12,960

competent monitoring investigation

1065

00:44:17,210 --> 00:44:14,940

studies collecting and correlating data

1066

00:44:19,370 --> 00:44:17,220

for analysis and conclusion however he

1067

00:44:21,670 --> 00:44:19,380

was not an expert in highly specialized

1068

00:44:24,589 --> 00:44:21,680

Fields such as astrophysics

1069

00:44:26,630 --> 00:44:24,599

meteorological Optics psychological

1070

00:44:27,950 --> 00:44:26,640

influences etc for which the Air Forces

1071

00:44:29,030 --> 00:44:27,960

relied on many scientists and

1072

00:44:30,710 --> 00:44:29,040

specialists

1073

00:44:33,530 --> 00:44:30,720

whose conclusions are considered more

1074

00:44:41,089 --> 00:44:33,540

valid answers and info in order

1075

00:44:45,530 --> 00:44:43,730

so

1076

00:44:48,109 --> 00:44:45,540

they're trying to say root build is off

1077

00:44:52,870 --> 00:44:48,119

his rocker

1078

00:44:56,750 --> 00:44:55,069

we have more from this for a

1079

00:44:58,670 --> 00:44:56,760

distribution by year and months that's

1080

00:45:00,770 --> 00:44:58,680

unknowns by year and month

1081

00:45:02,930 --> 00:45:00,780

numerous times often involve very

1082

00:45:04,910 --> 00:45:02,940

experienced radar operators this is a

1083

00:45:06,470 --> 00:45:04,920

staining requirement for radar operators

1084

00:45:08,030 --> 00:45:06,480

when the object considered you have own

1085

00:45:10,849 --> 00:45:08,040

photo equipment available to talk about

1086

00:45:12,069 --> 00:45:10,859

this question about the film of the

1087

00:45:14,510 --> 00:45:12,079

radar stuff

1088

00:45:16,069 --> 00:45:14,520

examples some time ago Navy rush to

1089

00:45:18,170 --> 00:45:16,079

attic approximately three thousand feet

1090

00:45:20,750 --> 00:45:18,180

of radar film of UFO observed and Far

1091

00:45:22,190 --> 00:45:20,760

East also B-36 radar operator with 11

1092

00:45:24,230 --> 00:45:22,200

years experience photographed

1093

00:45:25,670 --> 00:45:24,240

exceptional sharp UFO showing on its

1094

00:45:28,190 --> 00:45:25,680

screen while flying over the South

1095

00:45:31,609 --> 00:45:28,200

Atlantic analysis confirmed the identity

1096

00:45:34,069 --> 00:45:31,619

identity of the UFOs

1097

00:45:37,190 --> 00:45:34,079

um I can't see what that says

1098

00:45:40,190 --> 00:45:37,200

um but they're basically saying that um

1099

00:45:42,710 --> 00:45:40,200

yeah we pick up stuff on radar and it

1100

00:45:44,930 --> 00:45:42,720

turns out to be nothing so that's what

1101

00:45:47,270 --> 00:45:44,940

they're saying here

1102

00:45:49,130 --> 00:45:47,280

then they continue to blame it on other

1103

00:45:50,750 --> 00:45:49,140

things like

1104

00:45:53,329 --> 00:45:50,760

um you know

1105

00:45:55,550 --> 00:45:53,339

um psychological reasons uh temperature

1106

00:45:58,550 --> 00:45:55,560

inversion said worse weather light

1107

00:46:01,069 --> 00:45:58,560

exposure mistaken identity optical

1108

00:46:06,349 --> 00:46:01,079

illusions

1109

00:46:10,490 --> 00:46:08,569

so it's interesting that you could see

1110

00:46:12,050 --> 00:46:10,500

that when these Representatives go to

1111

00:46:15,170 --> 00:46:12,060

the Air Force for this stuff they get

1112

00:46:17,569 --> 00:46:15,180

told the same crap that they tell the

1113

00:46:22,550 --> 00:46:19,970

there's a briefing the The Briefing Mr

1114

00:46:29,109 --> 00:46:25,010

so they actually did the briefing on the

1115

00:46:31,490 --> 00:46:29,119

20th of June 1958 major Boland attacker

1116

00:46:33,470 --> 00:46:31,500

and the scientific guy for the Air Force

1117

00:46:35,089 --> 00:46:33,480

Archer and major Brian briefs of

1118

00:46:38,270 --> 00:46:35,099

following house members in the capital

1119

00:46:39,950 --> 00:46:38,280

chamber of Representatives

1120

00:46:42,650 --> 00:46:39,960

so you can see all the people that were

1121

00:46:45,050 --> 00:46:42,660

there interesting that you see aids to

1122

00:46:47,210 --> 00:46:45,060

certain Congress people we hear a lot

1123

00:46:49,670 --> 00:46:47,220

about AIDS now the brief English

1124

00:46:51,170 --> 00:46:49,680

response was prepared in response to a

1125

00:46:53,510 --> 00:46:51,180

personal request by representative

1126
00:46:56,510 --> 00:46:53,520
Henderson previously submitted a series

1127
00:46:57,410 --> 00:46:56,520
of questions on UFOs

1128
00:46:59,569 --> 00:46:57,420
um

1129
00:47:02,089 --> 00:46:59,579
members of Congress are constantly

1130
00:47:04,250 --> 00:47:02,099
besieged by constituents regarding UFOs

1131
00:47:06,470 --> 00:47:04,260
by letter telephone and personal visits

1132
00:47:08,809 --> 00:47:06,480
with rare exceptions such requests are

1133
00:47:10,670 --> 00:47:08,819
forwarded to cepha for answer the lack

1134
00:47:12,290 --> 00:47:10,680
of information on UFOs professed by the

1135
00:47:14,870 --> 00:47:12,300
congressman causes a certain amount of

1136
00:47:16,309 --> 00:47:14,880
professional embarrassment as a result a

1137
00:47:18,349 --> 00:47:16,319
great number of congressmen in their

1138
00:47:19,910 --> 00:47:18,359

administrative aides have indicated an

1139

00:47:24,410 --> 00:47:19,920

interest of first-hand information on

1140

00:47:27,410 --> 00:47:24,420

UFOs saffell on the urging of cephis and

1141

00:47:29,390 --> 00:47:27,420

afcin sees this opportunity to prepare a

1142

00:47:30,950 --> 00:47:29,400

number of briefing graphs individual

1143

00:47:32,210 --> 00:47:30,960

case histories and other related

1144

00:47:33,170 --> 00:47:32,220

material

1145

00:47:35,030 --> 00:47:33,180

uh

1146

00:47:36,530 --> 00:47:35,040

that would give the reader a rather

1147

00:47:38,870 --> 00:47:36,540

comprehensive knowledge of the subject

1148

00:47:40,849 --> 00:47:38,880

these kids were submitted at the time of

1149

00:47:42,950 --> 00:47:40,859

the object briefing it is expected that

1150

00:47:45,530 --> 00:47:42,960

an additional request will be made for

1151
00:47:48,230 --> 00:47:45,540
kids as word travels regarding their

1152
00:47:50,329 --> 00:47:48,240
availability the Congressional audience

1153
00:47:52,550 --> 00:47:50,339
was favorably impressed by the

1154
00:47:54,829 --> 00:47:52,560
presentation one apparent dedicated

1155
00:47:56,930 --> 00:47:54,839
skeptic at the conclusion of the

1156
00:47:58,670 --> 00:47:56,940
briefing professed his complete faith

1157
00:48:01,309 --> 00:47:58,680
and confidence in the Air Force's

1158
00:48:03,410 --> 00:48:01,319
handling of UFOs several members

1159
00:48:05,390 --> 00:48:03,420
indicated that they were now prepared to

1160
00:48:08,510 --> 00:48:05,400
deal directly with their constituents

1161
00:48:11,930 --> 00:48:08,520
without calling on sapphill so the Air

1162
00:48:13,849 --> 00:48:11,940
Force got some interest here and somehow

1163
00:48:16,370 --> 00:48:13,859

turned it around so that the Congress

1164

00:48:18,230 --> 00:48:16,380

people would want to deal directly with

1165

00:48:20,390 --> 00:48:18,240

the UFO questions from their

1166

00:48:21,470 --> 00:48:20,400

constituents and they gave them fact

1167

00:48:22,910 --> 00:48:21,480

sheets

1168

00:48:24,650 --> 00:48:22,920

and they took advantage of that

1169

00:48:26,270 --> 00:48:24,660

opportunity as you can see they're like

1170

00:48:28,370 --> 00:48:26,280

yeah here you deal with it here's the

1171

00:48:30,349 --> 00:48:28,380

fact sheets the subject briefing

1172

00:48:32,089 --> 00:48:30,359

scheduled for one hour lasted the full

1173

00:48:35,089 --> 00:48:32,099

morning which attested the Congressional

1174

00:48:36,470 --> 00:48:35,099

interest in the subject the following is

1175

00:48:37,970 --> 00:48:36,480

believed to have occurred from The

1176

00:48:39,950 --> 00:48:37,980

Briefing with members expressing

1177

00:48:42,890 --> 00:48:39,960

confidence

1178

00:48:45,050 --> 00:48:42,900

in the Air Force UFO program

1179

00:48:46,910 --> 00:48:45,060

an understanding of the problems of the

1180

00:48:50,210 --> 00:48:46,920

Air Force faces and administering the

1181

00:48:52,430 --> 00:48:50,220

program empathy they got empathy oh wow

1182

00:48:54,710 --> 00:48:52,440

acceptance of responsibility to

1183

00:48:57,290 --> 00:48:54,720

personally advise their constituents on

1184

00:48:59,569 --> 00:48:57,300

UFO matters they got them to accept the

1185

00:49:01,490 --> 00:48:59,579

responsibility oh you want to learn more

1186

00:49:04,130 --> 00:49:01,500

about UFOs oh why don't you take

1187

00:49:06,710 --> 00:49:04,140

responsibility for dealing with your

1188

00:49:08,870 --> 00:49:06,720

constituents on UFO as well agreement

1189

00:49:11,690 --> 00:49:08,880

that it would be unwise to give the

1190

00:49:13,250 --> 00:49:11,700

subject undue publicity particularly in

1191

00:49:14,750 --> 00:49:13,260

open or close formal Congressional

1192

00:49:17,270 --> 00:49:14,760

hearing wow

1193

00:49:19,609 --> 00:49:17,280

so they just uh

1194

00:49:25,010 --> 00:49:19,619

totally

1195

00:49:27,589 --> 00:49:25,020

distrust in private organizations and

1196

00:49:29,089 --> 00:49:27,599

authors as giving undue impetus to the

1197

00:49:31,870 --> 00:49:29,099

existence of flying saucers and

1198

00:49:35,210 --> 00:49:31,880

stimulating unfavorable public hysteria

1199

00:49:37,849 --> 00:49:35,220

Donald Kehoe writing books Mr Archer

1200

00:49:41,030 --> 00:49:37,859

addressed the the group as a technical

1201
00:49:43,069 --> 00:49:41,040
consultant blah blah blah blah blah

1202
00:49:45,950 --> 00:49:43,079
the excellent briefing material prepared

1203
00:49:48,109 --> 00:49:45,960
by afci N4 and the personal attendance

1204
00:49:50,630 --> 00:49:48,119
of Mr arshare who impressed the group

1205
00:49:53,510 --> 00:49:50,640
with his profound Council

1206
00:49:56,390 --> 00:49:53,520
deserve special note as reason for the

1207
00:49:58,490 --> 00:49:56,400
success of this briefing

1208
00:50:01,190 --> 00:49:58,500
it was successful because it didn't turn

1209
00:50:04,309 --> 00:50:01,200
into a hearing so that's what successful

1210
00:50:09,589 --> 00:50:06,710
so the Air Force is really doing a good

1211
00:50:12,950 --> 00:50:09,599
job getting out of this stuff and then

1212
00:50:15,349 --> 00:50:12,960
we have the 1958 McCormick subcommitted

1213
00:50:17,329 --> 00:50:15,359

briefing

1214

00:50:19,309 --> 00:50:17,339

good looking guy 45th speaker of the

1215

00:50:23,329 --> 00:50:19,319

United States

1216

00:50:24,890 --> 00:50:23,339

this I took uh is a news report actually

1217

00:50:26,690 --> 00:50:24,900

out of the CIA for your reading room

1218

00:50:29,210 --> 00:50:26,700

house leader John McCormick has

1219

00:50:32,030 --> 00:50:29,220

suggested the holding of house hearings

1220

00:50:33,770 --> 00:50:32,040

on UFOs McCormick made it clear that he

1221

00:50:35,390 --> 00:50:33,780

believed some of these strange objects

1222

00:50:37,370 --> 00:50:35,400

are real and that he has never been

1223

00:50:40,309 --> 00:50:37,380

satisfied that they are the product of

1224

00:50:43,849 --> 00:50:40,319

imagination that they are all familiar

1225

00:50:46,910 --> 00:50:43,859

objects mistakenly identity

1226

00:50:49,069 --> 00:50:46,920

but I don't okay

1227

00:50:50,569 --> 00:50:49,079

um Air Force has publicly maintained

1228

00:50:52,809 --> 00:50:50,579

that all sightings are explainable as

1229

00:50:57,109 --> 00:50:52,819

familiar objects such as stars meteors

1230

00:51:01,849 --> 00:50:57,119

blah blah blah

1231

00:51:06,589 --> 00:51:04,130

um and here we go

1232

00:51:10,670 --> 00:51:06,599

at the request the Air Force presented a

1233

00:51:14,569 --> 00:51:12,950

um and the subcommittee was advised of

1234

00:51:16,609 --> 00:51:14,579

the extensive efforts of the Air Force

1235

00:51:18,950 --> 00:51:16,619

to apply all possible scientific methods

1236

00:51:20,569 --> 00:51:18,960

of analysis and how this approached used

1237

00:51:22,130 --> 00:51:20,579

in a timely fashion has reduced the

1238

00:51:23,990 --> 00:51:22,140

number of sightings characterized as

1239

00:51:26,569 --> 00:51:24,000

unknown to approximately three percent

1240

00:51:29,089 --> 00:51:26,579

the total observations it was also

1241

00:51:31,190 --> 00:51:29,099

stressed that the Air Force contrary to

1242

00:51:33,710 --> 00:51:31,200

claims of many professional UFO our

1243

00:51:35,150 --> 00:51:33,720

organizations as not and will not

1244

00:51:37,069 --> 00:51:35,160

suppress any evidence which will

1245

00:51:39,109 --> 00:51:37,079

indicate that UFOs constitute a threat

1246

00:51:41,270 --> 00:51:39,119

to the security of the U.S in addition

1247

00:51:43,309 --> 00:51:41,280

the subcommittee was advised of the

1248

00:51:45,650 --> 00:51:43,319

number of Civilian organizations engaged

1249

00:51:47,990 --> 00:51:45,660

in UFO activities has risen to a total

1250

00:51:50,390 --> 00:51:48,000

of 60. that the activities of these

1251
00:51:52,130 --> 00:51:50,400
organizations and spectacular news

1252
00:51:55,010 --> 00:51:52,140
reporting has caused the greatest

1253
00:51:56,630 --> 00:51:55,020
problems in this field the subcommittee

1254
00:51:58,370 --> 00:51:56,640
was asked several questions regarding

1255
00:52:00,049 --> 00:51:58,380
Air Force methods of categorizing

1256
00:52:03,049 --> 00:52:00,059
various sightings as either aircraft

1257
00:52:05,210 --> 00:52:03,059
balloons insufficient data unknown Etc

1258
00:52:06,829 --> 00:52:05,220
they were advised of certain specific

1259
00:52:09,410 --> 00:52:06,839
cases which fell in these various

1260
00:52:12,290 --> 00:52:09,420
categories again blaming it on the UFO

1261
00:52:14,030 --> 00:52:12,300
organization stations Mr Arthur Captain

1262
00:52:15,530 --> 00:52:14,040
Gregory presented a very well prepared

1263
00:52:17,690 --> 00:52:15,540

briefing to the subcommittee and we're

1264

00:52:19,490 --> 00:52:17,700

highly commended for their efforts at

1265

00:52:20,930 --> 00:52:19,500

the close of the briefing the

1266

00:52:22,549 --> 00:52:20,940

subcommittee members seem to be

1267

00:52:24,109 --> 00:52:22,559

definitely pleased with the Air Force

1268

00:52:26,690 --> 00:52:24,119

approach to this problem and were

1269

00:52:29,089 --> 00:52:26,700

apparently satisfied with our results to

1270

00:52:30,650 --> 00:52:29,099

date during the course of the briefing

1271

00:52:32,329 --> 00:52:30,660

chairman McCormick House select

1272

00:52:34,430 --> 00:52:32,339

committee on astronautics and space

1273

00:52:36,349 --> 00:52:34,440

exploration stress the point that the

1274

00:52:38,809 --> 00:52:36,359

subcommittee was not holding formal

1275

00:52:38,819 --> 00:52:44,930

on UFOs

1276

00:52:44,940 --> 00:52:48,290

so

1277

00:52:51,230 --> 00:52:50,030

Air Force talking people out of doing

1278

00:52:53,390 --> 00:52:51,240

hearings

1279

00:52:56,510 --> 00:52:53,400

interesting hey

1280

00:52:58,130 --> 00:52:56,520

very interesting so I'll get to kind of

1281

00:53:00,530 --> 00:52:58,140

what I'm thinking by the end of this

1282

00:53:02,150 --> 00:53:00,540

which we're not that far away

1283

00:53:05,150 --> 00:53:02,160

uh

1284

00:53:06,650 --> 00:53:05,160

interesting so in 58

1285

00:53:09,109 --> 00:53:06,660

they were talking about these hearings

1286

00:53:12,349 --> 00:53:09,119

McCormick and McCormick request that no

1287

00:53:13,910 --> 00:53:12,359

publicity was given to the hearings very

1288

00:53:16,910 --> 00:53:13,920

interesting

1289

00:53:18,770 --> 00:53:16,920

so I think it's uh some book or

1290

00:53:22,250 --> 00:53:18,780

something people think that this

1291

00:53:24,470 --> 00:53:22,260

McCormick had an interest in in the UFO

1292

00:53:25,790 --> 00:53:24,480

thing and having a hearing and then it

1293

00:53:28,130 --> 00:53:25,800

just disappeared and it didn't happen

1294

00:53:30,710 --> 00:53:28,140

and there's no reason given well that is

1295

00:53:32,150 --> 00:53:30,720

not the case actually

1296

00:53:35,510 --> 00:53:32,160

um what actually happened

1297

00:53:37,849 --> 00:53:35,520

is they did a hearing slash briefing in

1298

00:53:40,370 --> 00:53:37,859

private and it didn't get any publicity

1299

00:53:43,309 --> 00:53:40,380

they didn't tell anyone

1300

00:53:45,650 --> 00:53:43,319

as we can see here August 8 1958

1301
00:53:48,170 --> 00:53:45,660
briefing on the Air Force UFO program to

1302
00:53:49,549 --> 00:53:48,180
the subcommittee

1303
00:53:52,549 --> 00:53:49,559
so you have all these people

1304
00:53:58,430 --> 00:53:54,470
opening remarks by representative

1305
00:54:02,210 --> 00:54:00,349
trying to get rid of this play button uh

1306
00:54:03,950 --> 00:54:02,220
that the Air Force UFO program was not

1307
00:54:05,630 --> 00:54:03,960
under investigation rather the committee

1308
00:54:07,910 --> 00:54:05,640
was seeking additional information on

1309
00:54:10,430 --> 00:54:07,920
upper space that would be helpful to the

1310
00:54:14,569 --> 00:54:10,440
appropriate executive agency the hearing

1311
00:54:17,030 --> 00:54:14,579
was in a closed secret session

1312
00:54:19,370 --> 00:54:17,040
unrecorded names of witnesses to be held

1313
00:54:20,750 --> 00:54:19,380

in confidence this cannot be guaranteed

1314

00:54:22,670 --> 00:54:20,760

since congressmen are apt to

1315

00:54:25,010 --> 00:54:22,680

inadvertently publicly reference witness

1316

00:54:27,950 --> 00:54:25,020

statements

1317

00:54:31,069 --> 00:54:27,960

so it's important to know that that they

1318

00:54:33,710 --> 00:54:31,079

didn't just not do the hearings all of a

1319

00:54:35,750 --> 00:54:33,720

sudden they did the earrings except it

1320

00:54:39,410 --> 00:54:35,760

was in private

1321

00:54:43,970 --> 00:54:41,450

and

1322

00:54:45,770 --> 00:54:43,980

we don't know the witnesses their health

1323

00:54:48,470 --> 00:54:45,780

and confidence

1324

00:54:51,109 --> 00:54:48,480

uh Mr Usher as Chief spokesman reviewed

1325

00:54:53,890 --> 00:54:51,119

the 10-year history blah blah blah and

1326
00:54:56,510 --> 00:54:53,900
then they pretty much talk here about

1327
00:54:58,250 --> 00:54:56,520
additional the hearings which began

1328
00:55:01,010 --> 00:54:58,260
August 7th will continue through the

1329
00:55:04,309 --> 00:55:01,020
week the 11th to 15th and we know

1330
00:55:06,109 --> 00:55:04,319
nothing about what these people said and

1331
00:55:07,970 --> 00:55:06,119
who the other Witnesses were

1332
00:55:12,589 --> 00:55:07,980
that is not in here which is very

1333
00:55:16,730 --> 00:55:15,230
it's anticipated that afcin will benefit

1334
00:55:18,230 --> 00:55:16,740
from the subject hearings due to

1335
00:55:19,849 --> 00:55:18,240
approaching house elections the

1336
00:55:22,010 --> 00:55:19,859
committee members May produce a public

1337
00:55:23,930 --> 00:55:22,020
statement of note of confidence in the

1338
00:55:25,670 --> 00:55:23,940

Air Force ensuring the public that the

1339

00:55:28,549 --> 00:55:25,680

Air Force is not hiding any information

1340

00:55:29,990 --> 00:55:28,559

on UFOs that's all they cared about

1341

00:55:31,490 --> 00:55:30,000

tell the public we're not adding

1342

00:55:34,130 --> 00:55:31,500

anything

1343

00:55:35,809 --> 00:55:34,140

this is the actual briefing

1344

00:55:39,770 --> 00:55:35,819

so you know it's interesting because

1345

00:55:41,870 --> 00:55:39,780

very rarely do we get to peek in at a

1346

00:55:43,370 --> 00:55:41,880

secret closed off hearing what did they

1347

00:55:45,890 --> 00:55:43,380

say to Congress

1348

00:55:48,470 --> 00:55:45,900

they said a brief history of UFO program

1349

00:55:50,210 --> 00:55:48,480

would I think help you understand some

1350

00:55:53,630 --> 00:55:50,220

of its problems and determine its status

1351

00:55:55,790 --> 00:55:53,640

the problem started in 47 June 27 of

1352

00:55:57,710 --> 00:55:55,800

that year private civilian flyer Kenneth

1353

00:55:59,510 --> 00:55:57,720

Arnold

1354

00:56:02,150 --> 00:55:59,520

um we know that he described them as

1355

00:56:04,970 --> 00:56:02,160

flying saucers blah blah blah from this

1356

00:56:06,829 --> 00:56:04,980

date June 47 to February 49 when the

1357

00:56:10,069 --> 00:56:06,839

name of the program is trained project

1358

00:56:13,069 --> 00:56:10,079

Grudge approximately 375 UFO reports

1359

00:56:14,750 --> 00:56:13,079

were collected and analyzed August 49 a

1360

00:56:16,849 --> 00:56:14,760

report on the results was submitted to

1361

00:56:18,290 --> 00:56:16,859

authorities the average proportion of

1362

00:56:19,329 --> 00:56:18,300

sightings which could not be explained

1363

00:56:21,109 --> 00:56:19,339

in other words

1364

00:56:23,510 --> 00:56:21,119

unknowns for this period was

1365

00:56:28,370 --> 00:56:23,520

approximately 20 percent which is

1366

00:56:32,210 --> 00:56:28,970

um

1367

00:56:33,710 --> 00:56:32,220

they could only positively identify at

1368

00:56:35,930 --> 00:56:33,720

this time that they're discussing the

1369

00:56:38,290 --> 00:56:35,940

Air Force they're giving misleading

1370

00:56:42,410 --> 00:56:38,300

information to converse they could only

1371

00:56:46,190 --> 00:56:42,420

positively identify seven percent

1372

00:56:49,490 --> 00:56:46,200

of the UFO reports positively

1373

00:56:51,049 --> 00:56:49,500

the others they were they're probable or

1374

00:56:53,750 --> 00:56:51,059

possible

1375

00:56:55,609 --> 00:56:53,760

in their own words but here to Congress

1376

00:56:58,130 --> 00:56:55,619

to Tamp down the issue

1377

00:57:00,170 --> 00:56:58,140

they just go with the 20 percent

1378

00:57:03,470 --> 00:57:00,180

they don't want to tell them that they

1379

00:57:04,910 --> 00:57:03,480

can't positively identify it the objects

1380

00:57:06,290 --> 00:57:04,920

because that makes their problem a whole

1381

00:57:08,329 --> 00:57:06,300

lot worse

1382

00:57:09,890 --> 00:57:08,339

first misinterpretation of conventional

1383

00:57:11,990 --> 00:57:09,900

objects such as aircraft balloons

1384

00:57:13,849 --> 00:57:12,000

astronomical bodies atmospheric

1385

00:57:15,589 --> 00:57:13,859

phenomena radar misfunctions and

1386

00:57:18,290 --> 00:57:15,599

anomalies

1387

00:57:20,150 --> 00:57:18,300

lack of proper categorization yeah

1388

00:57:22,790 --> 00:57:20,160

because they don't have a category for

1389

00:57:25,130 --> 00:57:22,800

interdimensional a second residual

1390

00:57:28,069 --> 00:57:25,140

Warners they cross this out so you can

1391

00:57:30,470 --> 00:57:28,079

tell this is a draft here and whoever is

1392

00:57:32,390 --> 00:57:30,480

editing this or revising it is crossing

1393

00:57:35,329 --> 00:57:32,400

that out don't say that

1394

00:57:37,970 --> 00:57:35,339

since better methods have been developed

1395

00:57:39,829 --> 00:57:37,980

okay so why would they cross out third

1396

00:57:41,990 --> 00:57:39,839

hoaxes and publicity seeking that's

1397

00:57:44,690 --> 00:57:42,000

interesting fourth the actions of

1398

00:57:46,790 --> 00:57:44,700

Psychopathic persons wow

1399

00:57:49,190 --> 00:57:46,800

now those are serial killers my friend

1400

00:57:51,829 --> 00:57:49,200

in December 49 these findings were

1401

00:57:53,990 --> 00:57:51,839

released to the public by DOD we're

1402

00:57:57,190 --> 00:57:54,000

given wide publicity by the Press I'm

1403

00:58:02,750 --> 00:58:00,349

so here again in the bottom right hand

1404

00:58:04,790 --> 00:58:02,760

corner you can see that they blame the

1405

00:58:07,130 --> 00:58:04,800

press and authors

1406

00:58:09,410 --> 00:58:07,140

they say the increase in activity was

1407

00:58:12,829 --> 00:58:09,420

due to the emphasis placed on UFOs by

1408

00:58:16,849 --> 00:58:12,839

the press and publicity and possibly due

1409

00:58:21,170 --> 00:58:19,730

oh right because it's so maybe they got

1410

00:58:22,549 --> 00:58:21,180

more UFOs because they have more people

1411

00:58:26,270 --> 00:58:22,559

looking

1412

00:58:28,670 --> 00:58:27,170

um

1413

00:58:31,730 --> 00:58:28,680

foreign

1414

00:58:33,230 --> 00:58:31,740

they are they're always blaming the UFO

1415

00:58:34,670 --> 00:58:33,240

guys

1416

00:58:36,770 --> 00:58:34,680

always

1417

00:58:39,470 --> 00:58:36,780

that's just so unfortunate

1418

00:58:40,089 --> 00:58:39,480

but we can see that they're kind of like

1419

00:58:44,690 --> 00:58:40,099

um

1420

00:58:48,470 --> 00:58:46,549

the peak year

1421

00:58:50,569 --> 00:58:48,480

um yeah so here we go Air Force blames

1422

00:58:53,210 --> 00:58:50,579

hysteria and shows effort by citing

1423

00:58:57,670 --> 00:58:53,220

Robertson panel so in this briefing

1424

00:59:01,309 --> 00:58:57,680

they blame uh hysteria writers the Press

1425

00:59:03,950 --> 00:59:01,319

rupelt Kehoe and it then they try to

1426

00:59:06,230 --> 00:59:03,960

basically tell Henderson or McCormick

1427

00:59:08,569 --> 00:59:06,240

the subcommittee uh they've put in Forth

1428

00:59:11,690 --> 00:59:08,579

such an effort with people smarter than

1429

00:59:13,130 --> 00:59:11,700

them that said that there's nothing to

1430

00:59:15,109 --> 00:59:13,140

this

1431

00:59:17,089 --> 00:59:15,119

because when you do that when you take

1432

00:59:18,609 --> 00:59:17,099

the decision off yourself and you put it

1433

00:59:21,650 --> 00:59:18,619

on somebody else

1434

00:59:23,809 --> 00:59:21,660

people can't be mad at you

1435

00:59:27,770 --> 00:59:23,819

right so they put together the Robinson

1436

00:59:31,730 --> 00:59:30,109

now they're applauded for doing the

1437

00:59:34,250 --> 00:59:31,740

right thing

1438

00:59:37,510 --> 00:59:34,260

and if there's any blame to be had they

1439

00:59:42,230 --> 00:59:40,430

the panel was formed it consists of 16

1440

00:59:43,490 --> 00:59:42,240

of the most distinguished scientists and

1441

00:59:45,770 --> 00:59:43,500

authorities in the field of physics

1442

00:59:47,630 --> 00:59:45,780

radar geophysics atomic energy astronomy

1443

00:59:50,089 --> 00:59:47,640

Rockets got a missile signed blah blah

1444

00:59:52,430 --> 00:59:50,099

blah blah their conclusion were that

1445

00:59:54,049 --> 00:59:52,440

UFOs held no direct physical threat were

1446

00:59:56,329 --> 00:59:54,059

not foreign developments of capable of

1447

00:59:58,730 --> 00:59:56,339

hostile acts on the United States and

1448

01:00:00,170 --> 00:59:58,740

we're not unknown phenomena requiring

1449

01:00:02,809 --> 01:00:00,180

the revision of current scientific

1450

01:00:05,650 --> 01:00:02,819

Concepts interesting thing here is they

1451

01:00:09,289 --> 01:00:05,660

also don't tell them what the Robertson

1452

01:00:12,170 --> 01:00:09,299

panel is really afraid of at least based

1453

01:00:13,910 --> 01:00:12,180

on the CIA CIA documents which was a lot

1454

01:00:16,609 --> 01:00:13,920

of UFO calls saturating their

1455

01:00:19,130 --> 01:00:16,619

communication channels jamming them up

1456

01:00:20,450 --> 01:00:19,140

which would be a disaster in case of a

1457

01:00:22,370 --> 01:00:20,460

real Attack

1458

01:00:25,609 --> 01:00:22,380

why don't they tell them that it's

1459

01:00:29,870 --> 01:00:28,130

they're the use of so this is really

1460

01:00:32,630 --> 01:00:29,880

interesting because I don't know that a

1461

01:00:35,630 --> 01:00:32,640

lot whole lot of people knew this and I

1462

01:00:37,970 --> 01:00:35,640

didn't know it really either

1463

01:00:43,130 --> 01:00:40,069

I'm gonna move my head here so you guys

1464

01:00:47,030 --> 01:00:43,140

can check this out

1465

01:00:48,289 --> 01:00:47,040

okay third the use of us so they're

1466

01:00:50,990 --> 01:00:48,299

going through the different things Blue

1467

01:00:53,089 --> 01:00:51,000

Book does or whatever and one of the

1468

01:00:55,069 --> 01:00:53,099

things is this Air Force's camera plan

1469

01:00:57,289 --> 01:00:55,079

and Battelle third the use of a special

1470

01:00:59,329 --> 01:00:57,299

camera known as a video on camera this

1471

01:01:01,849 --> 01:00:59,339

breaks down the light and the light

1472

01:01:03,410 --> 01:01:01,859

received from any object into its

1473

01:01:06,049 --> 01:01:03,420

components thus permitting the

1474

01:01:08,690 --> 01:01:06,059

determination of the elements of which

1475

01:01:10,670 --> 01:01:08,700

the object is composed 75 of these

1476
01:01:14,569 --> 01:01:10,680
cameras were placed in radar stations

1477
01:01:17,329 --> 01:01:14,579
and control Towers throughout the U.S

1478
01:01:20,569 --> 01:01:17,339
they put those up they tried to film

1479
01:01:25,190 --> 01:01:23,030
they didn't tell anybody that

1480
01:01:28,130 --> 01:01:25,200
they told these people

1481
01:01:30,170 --> 01:01:28,140
it's congressman

1482
01:01:32,270 --> 01:01:30,180
they didn't tell the public

1483
01:01:34,250 --> 01:01:32,280
fourth the submission of all UFO data

1484
01:01:35,510 --> 01:01:34,260
collected since 47 the scientists in and

1485
01:01:36,829 --> 01:01:35,520
out of the Air Force to determine

1486
01:01:38,450 --> 01:01:36,839
whether or not a trend or pattern

1487
01:01:40,849 --> 01:01:38,460
existed to indicate the nature of

1488
01:01:42,470 --> 01:01:40,859

existence of the so-called flank saucers

1489

01:01:45,170 --> 01:01:42,480

this program is handled by the Battelle

1490

01:01:47,210 --> 01:01:45,180

Memorial Institute Patel Memorial

1491

01:01:49,670 --> 01:01:47,220

Institute comes up time and time again

1492

01:01:53,870 --> 01:01:49,680

they deserve their own episode though

1493

01:01:59,150 --> 01:01:53,880

so I can't get into it too far here

1494

01:02:04,190 --> 01:02:01,250

Air Force denies everything I put at the

1495

01:02:06,049 --> 01:02:04,200

top okay so yeah the main talking points

1496

01:02:08,329 --> 01:02:06,059

are what they told Henderson in the

1497

01:02:11,510 --> 01:02:08,339

briefing first there's a total lack of

1498

01:02:14,450 --> 01:02:11,520

evidence that these unknowns were uh in

1499

01:02:16,609 --> 01:02:14,460

a magical or hostile or a threat to the

1500

01:02:17,930 --> 01:02:16,619

security of the country second there's a

1501

01:02:20,150 --> 01:02:17,940

total lack of evidence that these

1502

01:02:22,190 --> 01:02:20,160

unknowns were interplanetary spaceships

1503

01:02:24,069 --> 01:02:22,200

there there's a total lack of evidence

1504

01:02:26,390 --> 01:02:24,079

that these unknowns represented

1505

01:02:27,950 --> 01:02:26,400

technological developments or principles

1506

01:02:30,530 --> 01:02:27,960

outside the range of our present-day

1507

01:02:32,329 --> 01:02:30,540

scientific knowledge

1508

01:02:37,309 --> 01:02:32,339

see

1509

01:02:42,230 --> 01:02:39,470

you know these are the main talking

1510

01:02:43,730 --> 01:02:42,240

points from the Air Force let's see how

1511

01:02:46,010 --> 01:02:43,740

these things change

1512

01:02:47,750 --> 01:02:46,020

are these talking points the same or are

1513

01:02:49,849 --> 01:02:47,760

they not the same

1514

01:02:52,190 --> 01:02:49,859

are they going to continue with there's

1515

01:02:54,069 --> 01:02:52,200

no threat I think that's a little

1516

01:02:56,750 --> 01:02:54,079

different right now for whatever reason

1517

01:02:58,430 --> 01:02:56,760

second there's a total lack of evidence

1518

01:03:00,289 --> 01:02:58,440

that the unknowns were interplanetary

1519

01:03:05,329 --> 01:03:00,299

spaceships are we gonna hear something

1520

01:03:09,170 --> 01:03:07,549

and third there's a total lack of

1521

01:03:11,089 --> 01:03:09,180

evidence that the unknowns represented

1522

01:03:12,589 --> 01:03:11,099

technological developments or principles

1523

01:03:14,569 --> 01:03:12,599

outside the range of our present-day

1524

01:03:16,130 --> 01:03:14,579

scientific knowledge if you want to know

1525

01:03:19,430 --> 01:03:16,140

if things are changing

1526

01:03:21,530 --> 01:03:19,440

we got to see what Kirkpatrick says in

1527

01:03:22,870 --> 01:03:21,540

relation to these points that the Air

1528

01:03:26,270 --> 01:03:22,880

Force always

1529

01:03:30,950 --> 01:03:26,280

stuck by stood by and died on

1530

01:03:34,010 --> 01:03:32,569

but see this is another reason the Air

1531

01:03:35,450 --> 01:03:34,020

Force doesn't want to get involved with

1532

01:03:37,490 --> 01:03:35,460

any of this stuff and they just want to

1533

01:03:39,829 --> 01:03:37,500

shut up because they've said this over

1534

01:03:41,630 --> 01:03:39,839

and over and over again and you can't

1535

01:03:43,970 --> 01:03:41,640

just change your mind and say oh we

1536

01:03:45,230 --> 01:03:43,980

wasted all that money all that time we

1537

01:03:48,349 --> 01:03:45,240

were wrong

1538

01:03:50,750 --> 01:03:48,359

there is a threat or there is evidence

1539

01:03:53,510 --> 01:03:50,760

that they're interplanetary

1540

01:03:55,549 --> 01:03:53,520

how do you do that

1541

01:03:57,410 --> 01:03:55,559

Air Force continues to blame you if all

1542

01:04:00,730 --> 01:03:57,420

organizations Verizon sightings in the

1543

01:04:05,089 --> 01:04:02,990

during the last few years an increase in

1544

01:04:06,650 --> 01:04:05,099

UFO reports has been noted paralleling

1545

01:04:08,870 --> 01:04:06,660

this increase there has been a great

1546

01:04:11,750 --> 01:04:08,880

increase in the number of private UFO

1547

01:04:14,630 --> 01:04:11,760

organizations books Motion Pictures and

1548

01:04:16,490 --> 01:04:14,640

TV presentations on the subject

1549

01:04:19,730 --> 01:04:16,500

the Adventist Sputnik undoubtedly

1550

01:04:21,950 --> 01:04:19,740

contributed I agree with that one

1551
01:04:23,750 --> 01:04:21,960
this Sputnik did contribute and you can

1552
01:04:27,410 --> 01:04:23,760
tell by looking at the UFO stats and

1553
01:04:30,470 --> 01:04:27,420
reports dramatic increase after Sputnik

1554
01:04:32,089 --> 01:04:30,480
uh two years or so ago there was only a

1555
01:04:34,190 --> 01:04:32,099
handful of these self-appointed research

1556
01:04:37,010 --> 01:04:34,200
organizations dedicated to investigating

1557
01:04:38,390 --> 01:04:37,020
an analysis of UFOs at the as of this

1558
01:04:42,710 --> 01:04:38,400
state there are more than 50 such

1559
01:04:45,049 --> 01:04:42,720
organizations of which we have knowledge

1560
01:04:47,750 --> 01:04:45,059
yeah so

1561
01:04:52,069 --> 01:04:47,760
keeping track of them huh

1562
01:04:58,910 --> 01:04:55,130
uh some films and some some stuff going

1563
01:05:06,829 --> 01:05:02,569

and continue

1564

01:05:08,750 --> 01:05:06,839

to hit on the UFO organizations

1565

01:05:10,190 --> 01:05:08,760

a number of these private organizations

1566

01:05:12,170 --> 01:05:10,200

have written directly to President

1567

01:05:13,910 --> 01:05:12,180

Eisenhower General White's Secretary of

1568

01:05:15,170 --> 01:05:13,920

Defense into important members of the

1569

01:05:16,789 --> 01:05:15,180

legislative branch of Congress

1570

01:05:19,190 --> 01:05:16,799

requesting or demanding hearings

1571

01:05:21,470 --> 01:05:19,200

briefings or discussions with UFO

1572

01:05:24,589 --> 01:05:21,480

project officials

1573

01:05:26,990 --> 01:05:24,599

we have written detailed letters to

1574

01:05:28,609 --> 01:05:27,000

whatever officials regarding aspects of

1575

01:05:30,349 --> 01:05:28,619

the UFO program which have been brought

1576

01:05:34,870 --> 01:05:30,359

to their attention by so-called UFO

1577

01:05:37,970 --> 01:05:34,880

Specialists so they're saying

1578

01:05:39,950 --> 01:05:37,980

what uh Green Street or Mick West say

1579

01:05:42,049 --> 01:05:39,960

right now what they're saying is that

1580

01:05:45,230 --> 01:05:42,059

these representatives are getting the

1581

01:05:50,510 --> 01:05:45,240

wool pulling over their eyes

1582

01:05:55,069 --> 01:05:53,150

that's what they say about the Congress

1583

01:05:57,829 --> 01:05:55,079

people now

1584

01:06:01,010 --> 01:05:57,839

getting the world pulled over their eyes

1585

01:06:02,450 --> 01:06:01,020

by Lou Elizondo although these UFO

1586

01:06:04,010 --> 01:06:02,460

organizations include sincere

1587

01:06:06,710 --> 01:06:04,020

well-meaning members are experienced in

1588

01:06:08,630 --> 01:06:06,720

discussions with sponsors as of such

1589

01:06:10,849 --> 01:06:08,640

organizations has shown that any Air

1590

01:06:13,069 --> 01:06:10,859

Force explanations or statements are

1591

01:06:16,069 --> 01:06:13,079

either totally unacceptable or are met

1592

01:06:18,109 --> 01:06:16,079

at least with calculated skepticism our

1593

01:06:20,510 --> 01:06:18,119

explanations and statements are either

1594

01:06:22,730 --> 01:06:20,520

misinterpreted misquoted exaggerated or

1595

01:06:26,450 --> 01:06:22,740

used out of context all to the detriment

1596

01:06:30,589 --> 01:06:28,609

and then they said I think we'd be more

1597

01:06:33,589 --> 01:06:30,599

impressed by all this if it were not so

1598

01:06:38,210 --> 01:06:35,990

how profitable could it really be

1599

01:06:40,430 --> 01:06:38,220

I'm sure some people have made some some

1600

01:06:42,770 --> 01:06:40,440

money but um

1601
01:06:47,450 --> 01:06:42,780
so they're blaming UFO organizations and

1602
01:06:54,410 --> 01:06:49,609
um

1603
01:06:58,490 --> 01:06:54,420
I don't really need to get into any more

1604
01:07:01,010 --> 01:06:58,500
of them bashing UFO organizations

1605
01:07:03,470 --> 01:07:01,020
because pretty much

1606
01:07:05,750 --> 01:07:03,480
that's all we've been talking about

1607
01:07:09,410 --> 01:07:05,760
so then we have the 1960 Congressional

1608
01:07:12,109 --> 01:07:09,420
briefings Mr R smart

1609
01:07:16,190 --> 01:07:12,119
um during the week of the 11th 15th this

1610
01:07:17,750 --> 01:07:16,200
is 1960 July 1960 briefings on UAP we're

1611
01:07:20,809 --> 01:07:17,760
giving to members of the senate

1612
01:07:23,210 --> 01:07:20,819
committee on preparedness house Armed

1613
01:07:27,650 --> 01:07:23,220

Forces Committee house science and

1614

01:07:30,170 --> 01:07:27,660

astronautics committee and the CIA

1615

01:07:31,910 --> 01:07:30,180

they always show up don't they these

1616

01:07:35,210 --> 01:07:31,920

briefings were prompted in part by the

1617

01:07:37,069 --> 01:07:35,220

claims of private UFL organizations

1618

01:07:39,650 --> 01:07:37,079

that Air Force investigation of

1619

01:07:41,510 --> 01:07:39,660

sightings left something to be desired a

1620

01:07:42,829 --> 01:07:41,520

result of these briefings is that edic

1621

01:07:44,210 --> 01:07:42,839

we'll investigate sightings which give

1622

01:07:46,309 --> 01:07:44,220

an indication of having special

1623

01:07:50,210 --> 01:07:46,319

significance

1624

01:07:52,309 --> 01:07:50,220

so this briefing

1625

01:07:54,589 --> 01:07:52,319

the Air Force always had a way of doing

1626

01:07:56,029 --> 01:07:54,599

this if they were put in a spot they

1627

01:07:58,670 --> 01:07:56,039

didn't want to be in with us like these

1628

01:07:59,990 --> 01:07:58,680

briefings they found a way to turn it

1629

01:08:02,510 --> 01:08:00,000

around

1630

01:08:04,549 --> 01:08:02,520

um to their benefit so for instance this

1631

01:08:06,650 --> 01:08:04,559

happens and they get a raise they get

1632

01:08:08,930 --> 01:08:06,660

more money they get more money to

1633

01:08:11,829 --> 01:08:08,940

investigate deeper

1634

01:08:16,849 --> 01:08:14,569

they look into it the Air Force

1635

01:08:18,050 --> 01:08:16,859

complains basically that they don't have

1636

01:08:20,030 --> 01:08:18,060

enough money and they just get more

1637

01:08:22,130 --> 01:08:20,040

budget so you guys are screwing up well

1638

01:08:23,630 --> 01:08:22,140

here's more budget they gave more money

1639

01:08:25,370 --> 01:08:23,640

to heinek

1640

01:08:28,669 --> 01:08:25,380

they had more money so that they could

1641

01:08:30,590 --> 01:08:28,679

investigate uh sightings quicker it's

1642

01:08:32,990 --> 01:08:30,600

like people from attic at wright-person

1643

01:08:36,709 --> 01:08:33,000

Air Force Base could actually go to the

1644

01:08:39,169 --> 01:08:36,719

site of special sightings

1645

01:08:41,150 --> 01:08:39,179

versus the UFO officer that was located

1646

01:08:44,390 --> 01:08:41,160

at the Air Force Base

1647

01:08:49,010 --> 01:08:47,329

um CIA took UFO phone call and didn't

1648

01:08:52,430 --> 01:08:49,020

tell Air Force and this is just a little

1649

01:08:54,410 --> 01:08:52,440

tidbit uh major friend June 7th advised

1650

01:08:55,849 --> 01:08:54,420

him that there's very strong possibility

1651

01:08:57,530 --> 01:08:55,859

that a congressional hearing will be

1652

01:08:59,329 --> 01:08:57,540

called on UFO the particular area of

1653

01:09:01,729 --> 01:08:59,339

concern is with the lack of adequate

1654

01:09:03,410 --> 01:09:01,739

investigation major Tacker indicated

1655

01:09:05,209 --> 01:09:03,420

that during major Friends next trip to

1656

01:09:07,669 --> 01:09:05,219

Washington it might be profitable to sit

1657

01:09:10,729 --> 01:09:07,679

down with L L I don't know who that is

1658

01:09:13,490 --> 01:09:10,739

by the way Inl and discuss the situation

1659

01:09:15,590 --> 01:09:13,500

the specific incident which was probably

1660

01:09:17,329 --> 01:09:15,600

the cause for this concern was a case

1661

01:09:19,970 --> 01:09:17,339

which was brought to the attention of a

1662

01:09:21,890 --> 01:09:19,980

Virginia congressman and had not been

1663

01:09:24,050 --> 01:09:21,900

reported to Attic by Langley Air Force

1664

01:09:26,269 --> 01:09:24,060

Base Langley Air Force Base was

1665

01:09:28,309 --> 01:09:26,279

contacted by phone and they gave their

1666

01:09:31,550 --> 01:09:28,319

reason for not reporting the incident as

1667

01:09:33,700 --> 01:09:31,560

fact so it's Air Force Base it's not CIA

1668

01:09:34,189 --> 01:09:33,710

sorry about that

1669

01:09:35,329 --> 01:09:34,199

[Music]

1670

01:09:37,729 --> 01:09:35,339

um

1671

01:09:39,829 --> 01:09:37,739

screwed that up screwed that one up so

1672

01:09:41,870 --> 01:09:39,839

Langley Air Force Base

1673

01:09:44,990 --> 01:09:41,880

um and what happened is

1674

01:09:47,090 --> 01:09:45,000

so basically this private

1675

01:09:48,050 --> 01:09:47,100

um who reads like the UFO magazine or

1676

01:09:49,849 --> 01:09:48,060

whatever

1677

01:09:52,370 --> 01:09:49,859

wound up

1678

01:09:53,930 --> 01:09:52,380

uh reading one of uh keyhoe's ads in

1679

01:09:55,870 --> 01:09:53,940

there for like Congressional hearings

1680

01:10:00,650 --> 01:09:55,880

and reach out and all that kind of stuff

1681

01:10:02,870 --> 01:10:00,660

and so he reported this UFO to Langley

1682

01:10:04,790 --> 01:10:02,880

Air Force Base and they didn't share it

1683

01:10:07,610 --> 01:10:04,800

with Wright-Patt because the guy was

1684

01:10:09,830 --> 01:10:07,620

apparently a Serial reporter

1685

01:10:13,430 --> 01:10:09,840

UFO reporter and they didn't take it

1686

01:10:16,010 --> 01:10:13,440

seriously but they blamed that report in

1687

01:10:19,729 --> 01:10:16,020

the guy reporting it on the ad that

1688

01:10:23,330 --> 01:10:21,290

so

1689

01:10:25,910 --> 01:10:23,340

interesting proposed hearing 61

1690

01:10:28,370 --> 01:10:25,920

including Mr Heinz visit

1691

01:10:29,630 --> 01:10:28,380

Mr Hines was the technical assistant on

1692

01:10:32,570 --> 01:10:29,640

House Committee of Science and

1693

01:10:34,970 --> 01:10:32,580

astronautics

1694

01:10:37,490 --> 01:10:34,980

so he actually visited Wright-Patterson

1695

01:10:39,290 --> 01:10:37,500

Air Force Base

1696

01:10:42,830 --> 01:10:39,300

yeah

1697

01:10:48,250 --> 01:10:42,840

so an article appeared this is 61 that

1698

01:10:53,630 --> 01:10:51,470

and unofficial sources have at the

1699

01:10:55,669 --> 01:10:53,640

congressman Joseph karth Minnesota the

1700

01:10:57,530 --> 01:10:55,679

house science and astronometrics committee

1701

01:10:59,930 --> 01:10:57,540

Congressman over to Brooke

1702

01:11:03,470 --> 01:10:59,940

blah blah blah so what happened with

1703

01:11:07,490 --> 01:11:03,480

this one is it pretty interesting so

1704

01:11:10,370 --> 01:11:07,500

this karth guy is interested in

1705

01:11:12,709 --> 01:11:10,380

um having hearings so what he does is he

1706

01:11:15,350 --> 01:11:12,719

sends down this Pines

1707

01:11:18,110 --> 01:11:15,360

this assistant to Wright-Patterson Air

1708

01:11:20,270 --> 01:11:18,120

Force Base to kind of get briefed by FTD

1709

01:11:22,390 --> 01:11:20,280

or I think it was a foreign technology

1710

01:11:25,550 --> 01:11:22,400

division at this time possibly

1711

01:11:29,810 --> 01:11:25,560

so to get briefed by them and basically

1712

01:11:34,430 --> 01:11:31,370

and

1713

01:11:36,050 --> 01:11:34,440

all of a sudden karth is just completely

1714

01:11:37,669 --> 01:11:36,060

not interested anymore in having the

1715

01:11:40,070 --> 01:11:37,679

hearings so the Air Force people

1716

01:11:41,810 --> 01:11:40,080

whatever they said to Heinz the

1717

01:11:45,649 --> 01:11:41,820

assistant at Ray Patterson

1718

01:11:47,870 --> 01:11:45,659

uh which I think if we go through this a

1719

01:11:48,890 --> 01:11:47,880

little bit he blamed they blamed Keough

1720

01:11:51,050 --> 01:11:48,900

on it

1721

01:11:54,530 --> 01:11:51,060

and then karth wound up writing a letter

1722

01:11:57,050 --> 01:11:54,540

to Kehoe which basically was uh pretty

1723

01:11:58,550 --> 01:11:57,060

vicious like ripping him to shreds

1724

01:12:00,410 --> 01:11:58,560

saying that he's just trying to take

1725

01:12:04,790 --> 01:12:00,420

down the Air Force

1726

01:12:09,169 --> 01:12:07,490

so it's interesting because and here it

1727

01:12:10,610 --> 01:12:09,179

is I've read with interest a copy of

1728

01:12:12,169 --> 01:12:10,620

your letter to Chairman over Brooks

1729

01:12:14,209 --> 01:12:12,179

including suggested hearing plans

1730

01:12:16,310 --> 01:12:14,219

perhaps I've been misled in this whole

1731

01:12:18,350 --> 01:12:16,320

business of UFO however it was my belief

1732

01:12:21,530 --> 01:12:18,360

that you your organization others like

1733

01:12:24,830 --> 01:12:21,540

it actually had proof that UFOs did in

1734

01:12:26,090 --> 01:12:24,840

fact exist that you would be prepared to

1735

01:12:28,250 --> 01:12:26,100

prove this during the course of the

1736

01:12:30,890 --> 01:12:28,260

hearings and further that UFOs were not

1737

01:12:32,630 --> 01:12:30,900

merely the result of spacer atmospheric

1738

01:12:36,050 --> 01:12:32,640

phenomena but actually we're craftive

1739

01:12:37,850 --> 01:12:36,060

sorts from other planets I was sadly

1740

01:12:39,830 --> 01:12:37,860

disappointed as I read your proposed

1741

01:12:42,950 --> 01:12:39,840

plan suggestions and viewpoints I can't

1742

01:12:45,830 --> 01:12:42,960

help but feel after so reading that your

1743

01:12:48,830 --> 01:12:45,840

primary if not sole objective is to be

1744

01:12:51,470 --> 01:12:48,840

Little D Fame ridicule with the least

1745

01:12:53,570 --> 01:12:51,480

possible publicity you say and thereby

1746

01:12:56,930 --> 01:12:53,580

caused the U.S Air Force embarrassment

1747

01:13:01,910 --> 01:12:56,940

unless they bear to you and others all

1748

01:13:06,229 --> 01:13:04,010

and then he goes on to say that I will

1749

01:13:07,450 --> 01:13:06,239

do anything in my power to stop these

1750

01:13:10,490 --> 01:13:07,460

hearings

1751

01:13:12,410 --> 01:13:10,500

yeah if I have anything to say about it

1752

01:13:15,410 --> 01:13:12,420

your terms conditions and suggestions

1753

01:13:16,610 --> 01:13:15,420

will not be accepted

1754

01:13:20,930 --> 01:13:16,620

foreign

1755

01:13:22,189 --> 01:13:20,940

so the Air Force really uh brainwashed

1756

01:13:24,830 --> 01:13:22,199

I guess

1757

01:13:27,890 --> 01:13:24,840

uh Heinz who then brainwashed this guy

1758

01:13:31,189 --> 01:13:27,900

so there's 1960 and they didn't do the

1759

01:13:34,669 --> 01:13:31,199

hearings by the way so 1963 Congressman

1760

01:13:38,229 --> 01:13:36,709

so he looks into it a little bit for

1761

01:13:41,270 --> 01:13:38,239

hearings

1762

01:13:43,970 --> 01:13:41,280

again we have apparently major keyholes

1763

01:13:45,830 --> 01:13:43,980

appealed to members of nicap through the

1764

01:13:47,810 --> 01:13:45,840

organization bulletin UFO investigator

1765

01:13:51,530 --> 01:13:47,820

director Congressman requesting hearings

1766

01:13:54,110 --> 01:13:51,540

has had at least one response

1767

01:13:56,030 --> 01:13:54,120

uh we believe that sapphill staff should

1768

01:13:58,250 --> 01:13:56,040

be appraised of this in previous

1769

01:13:59,930 --> 01:13:58,260

attempts by manager Kehoe to discredit

1770

01:14:01,790 --> 01:13:59,940

the Air Force

1771

01:14:04,430 --> 01:14:01,800

and bring about Congressional hearings

1772

01:14:06,350 --> 01:14:04,440

on the UFO program

1773

01:14:08,590 --> 01:14:06,360

two why did this happen well it was

1774

01:14:10,790 --> 01:14:08,600

partly due to the efforts of private UFO

1775

01:14:12,530 --> 01:14:10,800

organizations there have been two

1776

01:14:14,750 --> 01:14:12,540
briefings on UFO programs for

1777

01:14:17,030 --> 01:14:14,760
Congressional subcommittees

1778

01:14:20,570 --> 01:14:17,040
man

1779

01:14:24,130 --> 01:14:20,580
I think we're almost done with this here

1780

01:14:26,510 --> 01:14:24,140
this one's kind of uh hard to read but

1781

01:14:29,030 --> 01:14:26,520
strenuous efforts

1782

01:14:31,189 --> 01:14:29,040
by Major Kehoe a self-styled UFO

1783

01:14:33,050 --> 01:14:31,199
investigator and others like him to

1784

01:14:36,290 --> 01:14:33,060
discredit the Air Force's handling of

1785

01:14:37,729 --> 01:14:36,300
the UFO program if resulted in two

1786

01:14:39,590 --> 01:14:37,739
Congressional briefings and numerous

1787

01:14:40,850 --> 01:14:39,600
queries for information from the members

1788

01:14:45,470 --> 01:14:40,860

of Congress

1789

01:14:50,330 --> 01:14:48,229

a later effort of major keos to

1790

01:14:51,950 --> 01:14:50,340

instigate a hearing on UFOs by the house

1791

01:14:54,590 --> 01:14:51,960

space and astronautics committee during

1792

01:14:57,290 --> 01:14:54,600

the summer of 61 was unsuccessful

1793

01:14:59,570 --> 01:14:57,300

incorrect they actually had the hearings

1794

01:15:02,330 --> 01:14:59,580

but in private with no publicity as we

1795

01:15:08,450 --> 01:15:04,669

um Congressman karth of this committee

1796

01:15:10,070 --> 01:15:08,460

sent Mr Heinz a staff consultant oh wait

1797

01:15:11,689 --> 01:15:10,080

no I'm getting my stuff messed up sorry

1798

01:15:13,250 --> 01:15:11,699

there's too many briefings here I'm

1799

01:15:15,470 --> 01:15:13,260

screwing up

1800

01:15:17,330 --> 01:15:15,480

disregard what I said

1801

01:15:19,610 --> 01:15:17,340

Joseph kartha this committee sent Mr

1802

01:15:21,110 --> 01:15:19,620

Hines a staff consultant FDD to collect

1803

01:15:24,830 --> 01:15:21,120

background information regarding the Air

1804

01:15:29,750 --> 01:15:27,649

Mr karth determined that the Air Force's

1805

01:15:33,050 --> 01:15:29,760

approach to the program was proper and

1806

01:15:35,630 --> 01:15:33,060

the major key host charges

1807

01:15:36,770 --> 01:15:35,640

were without of mishandling were without

1808

01:15:40,070 --> 01:15:36,780

grounds

1809

01:15:44,209 --> 01:15:42,370

in a little more mean way than that

1810

01:15:46,010 --> 01:15:44,219

there have been two Congressional

1811

01:15:48,110 --> 01:15:46,020

briefings on the program blah blah

1812

01:15:49,610 --> 01:15:48,120

during the summer 61 we're successful

1813

01:15:54,229 --> 01:15:49,620

Okay so

1814

01:16:01,250 --> 01:15:57,410

during the summer of 1961 we were

1815

01:16:04,430 --> 01:16:01,260

successful in preventing a hearing

1816

01:16:05,810 --> 01:16:04,440

by briefing Mr Richard Hines a staff

1817

01:16:08,630 --> 01:16:05,820

member of the House space and

1818

01:16:10,729 --> 01:16:08,640

Aeronautics committee

1819

01:16:13,250 --> 01:16:10,739

they talked a bunch of crap about Keo

1820

01:16:14,810 --> 01:16:13,260

the Air Force did to this Heinz when he

1821

01:16:17,570 --> 01:16:14,820

visited them at Wright-Patterson Air

1822

01:16:21,709 --> 01:16:20,330

karth sends a nasty letter to Keo says

1823

01:16:25,070 --> 01:16:21,719

forget the hearings forget your letter

1824

01:16:28,189 --> 01:16:25,080

your ideas I'm not interested

1825

01:16:31,010 --> 01:16:28,199

the Air Force says we were successful in

1826

01:16:32,330 --> 01:16:31,020

preventing a hearing by briefing Mr

1827

01:16:39,950 --> 01:16:32,340

Richard

1828

01:16:46,729 --> 01:16:42,590

so it goes a few years and then we have

1829

01:16:52,130 --> 01:16:49,970

interesting thing about Ford is this was

1830

01:16:53,450 --> 01:16:52,140

a this was during swamp gas all that

1831

01:16:55,910 --> 01:16:53,460

kind of stuff right

1832

01:16:57,770 --> 01:16:55,920

swamp gas case in Michigan

1833

01:16:59,750 --> 01:16:57,780

he said in the light of these new

1834

01:17:01,370 --> 01:16:59,760

sightings and incidents Ford said it

1835

01:17:03,110 --> 01:17:01,380

would be a very wholesome thing for a

1836

01:17:04,790 --> 01:17:03,120

committee of Congress to conduct a

1837

01:17:07,070 --> 01:17:04,800

number of hearings to call responsible

1838

01:17:08,990 --> 01:17:07,080

Witnesses from the executive branch of

1839

01:17:10,570 --> 01:17:09,000

the government and Witnesses

1840

01:17:14,030 --> 01:17:10,580

who

1841

01:17:15,470 --> 01:17:14,040

said they have cited these objects

1842

01:17:18,410 --> 01:17:15,480

so he calls

1843

01:17:20,870 --> 01:17:18,420

for an investigation

1844

01:17:23,450 --> 01:17:20,880

hearings

1845

01:17:26,090 --> 01:17:23,460

he didn't like

1846

01:17:28,550 --> 01:17:26,100

the swamp gas he said that was bullcrap

1847

01:17:30,770 --> 01:17:28,560

by heineck he wrote another press

1848

01:17:32,390 --> 01:17:30,780

release he said as expected some people

1849

01:17:34,910 --> 01:17:32,400

have ridiculed my call for a

1850

01:17:36,830 --> 01:17:34,920

congressional investigation of UFOs

1851
01:17:38,750 --> 01:17:36,840
these people are a fraction of those who

1852
01:17:41,030 --> 01:17:38,760
have given me their reaction to my

1853
01:17:43,010 --> 01:17:41,040
proposal the overwhelming majority of

1854
01:17:44,990 --> 01:17:43,020
those expressing a view in letters to me

1855
01:17:47,750 --> 01:17:45,000
believe a congressional investigation

1856
01:17:49,850 --> 01:17:47,760
would be useful and is needed

1857
01:17:51,709 --> 01:17:49,860
those who scoff at the idea of

1858
01:17:53,330 --> 01:17:51,719
congressional investigation of UFO's

1859
01:17:55,370 --> 01:17:53,340
apparently are unaware that the house

1860
01:17:56,570 --> 01:17:55,380
armed services committee has scheduled a

1861
01:17:59,090 --> 01:17:56,580
closed door hearing on the matter

1862
01:18:01,729 --> 01:17:59,100
Tuesday with the Air Force and that rep

1863
01:18:03,410 --> 01:18:01,739

carth Minnesota headed a three-man

1864

01:18:05,689 --> 01:18:03,420

subcommittee which held two days of

1865

01:18:07,490 --> 01:18:05,699

hush-hush hearings five years ago

1866

01:18:09,410 --> 01:18:07,500

on behalf of the house science and

1867

01:18:10,850 --> 01:18:09,420

astronautics committee Karthik confirmed

1868

01:18:12,530 --> 01:18:10,860

in conversation with the member of my

1869

01:18:15,350 --> 01:18:12,540

staff that he conducted these secret

1870

01:18:17,689 --> 01:18:15,360

hearings now what there's some sort of

1871

01:18:19,729 --> 01:18:17,699

lie going on here because we just looked

1872

01:18:22,189 --> 01:18:19,739

at the carth thing

1873

01:18:24,470 --> 01:18:22,199

right and he said Kehoe no not

1874

01:18:27,590 --> 01:18:24,480

interested Heinz went to Ray Patterson

1875

01:18:30,770 --> 01:18:27,600

for a day but here

1876

01:18:32,930 --> 01:18:30,780

Cheryl Ford says that karth confirmed to

1877

01:18:35,510 --> 01:18:32,940

him in conversation that they had secret

1878

01:18:37,490 --> 01:18:35,520

hearings five years ago three men

1879

01:18:40,850 --> 01:18:37,500

committee over the course of two days

1880

01:18:43,189 --> 01:18:40,860

Hush Hush hearings as we learned karth

1881

01:18:44,149 --> 01:18:43,199

didn't want publicity he wanted to be a

1882

01:18:46,850 --> 01:18:44,159

hush

1883

01:18:49,010 --> 01:18:46,860

so I think maybe Heinz was Ray Patterson

1884

01:18:50,630 --> 01:18:49,020

for a couple days and that was it I

1885

01:18:52,310 --> 01:18:50,640

don't know

1886

01:18:55,810 --> 01:18:52,320

a little conflicting though so I'm

1887

01:18:59,229 --> 01:18:55,820

interested if I could see karth saying

1888

01:19:03,169 --> 01:18:59,239

to Ford at that time as this comes up

1889

01:19:05,390 --> 01:19:03,179
saying that he did do a hearing

1890

01:19:08,090 --> 01:19:05,400
otherwise it might look like he kind of

1891

01:19:10,790 --> 01:19:08,100
dropped the ball as obviously the Flying

1892

01:19:13,250 --> 01:19:10,800
Saucer problem continued and nothing was

1893

01:19:19,330 --> 01:19:15,709
and the Air Force kept up with the same

1894

01:19:25,310 --> 01:19:21,590
so then

1895

01:19:30,830 --> 01:19:26,390
um

1896

01:19:34,250 --> 01:19:30,840
they do hearings and basically the

1897

01:19:36,290 --> 01:19:34,260
the end goal of it was

1898

01:19:38,030 --> 01:19:36,300
Air Force denied it all basically we

1899

01:19:39,830 --> 01:19:38,040
have no outer space guests Air Force

1900

01:19:42,110 --> 01:19:39,840
secretary tells Congressman Air Force

1901

01:19:43,729 --> 01:19:42,120

basically denied everything

1902

01:19:46,370 --> 01:19:43,739

you know

1903

01:19:49,910 --> 01:19:46,380

and they wound up doing the Condon

1904

01:19:57,770 --> 01:19:52,790

and the condom committee so

1905

01:20:01,310 --> 01:19:57,780

that was born out of the 66 hearings uh

1906

01:20:02,810 --> 01:20:01,320

what I wanted to actually yeah so

1907

01:20:04,970 --> 01:20:02,820

I'm going to read this statement by

1908

01:20:07,669 --> 01:20:04,980

Gerald Ford the Air Force has informed

1909

01:20:09,649 --> 01:20:07,679

me it is arranging for a study by High

1910

01:20:11,209 --> 01:20:09,659

Caliber scientists of some of the UFO

1911

01:20:13,130 --> 01:20:11,219

sightings which have never been

1912

01:20:15,770 --> 01:20:13,140

explained this study will be placed

1913

01:20:17,330 --> 01:20:15,780

under contract soon after July 1st start

1914

01:20:19,010 --> 01:20:17,340

of the new fiscal year will be carried

1915

01:20:20,570 --> 01:20:19,020

out by University which has no close

1916

01:20:22,250 --> 01:20:20,580

ties with the Air Force so that the

1917

01:20:27,169 --> 01:20:22,260

findings will be completely objective

1918

01:20:30,350 --> 01:20:28,910

those people engaged in the study will

1919

01:20:32,810 --> 01:20:30,360

be High Caliber scientists who have

1920

01:20:35,330 --> 01:20:32,820

never taken a position on UFO so this is

1921

01:20:38,810 --> 01:20:35,340

really just a Robertson panel all over

1922

01:20:41,510 --> 01:20:38,820

again let's give it to somebody else

1923

01:20:43,310 --> 01:20:41,520

so whatever they say we can just put the

1924

01:20:47,570 --> 01:20:43,320

result on them and we don't have to deal

1925

01:20:50,209 --> 01:20:48,350

um

1926

01:20:53,570 --> 01:20:50,219

and then what happens is the counter

1927

01:20:56,510 --> 01:20:53,580

report happens and they shut down the

1928

01:20:58,210 --> 01:20:56,520

UFO investigation as far as the public

1929

01:21:01,610 --> 01:20:58,220

is concerned

1930

01:21:06,110 --> 01:21:03,709

so

1931

01:21:09,050 --> 01:21:06,120

that I can't believe I got through it

1932

01:21:11,149 --> 01:21:09,060

all because that's a lot of information

1933

01:21:12,950 --> 01:21:11,159

but we got through it

1934

01:21:20,810 --> 01:21:12,960

um

1935

01:21:25,310 --> 01:21:23,209

and Congressional interest in them as

1936

01:21:26,750 --> 01:21:25,320

far as hearings and all that such and

1937

01:21:28,850 --> 01:21:26,760

all that goes so I hope you got

1938

01:21:32,090 --> 01:21:28,860

something out of it I think what we can

1939

01:21:35,689 --> 01:21:32,100

take away from this is the Air Force

1940

01:21:36,709 --> 01:21:35,699

blamed UFO organizations for all their

1941

01:21:38,390 --> 01:21:36,719

problems

1942

01:21:41,330 --> 01:21:38,400

with Congress

1943

01:21:43,610 --> 01:21:41,340

this is all the UFO organizations fault

1944

01:21:46,370 --> 01:21:43,620

Kehoe

1945

01:21:48,950 --> 01:21:46,380

um even once rubell

1946

01:21:51,470 --> 01:21:48,960

they deny everything

1947

01:21:54,169 --> 01:21:51,480

even in the secret briefings

1948

01:21:57,709 --> 01:21:54,179

the deny to the congressman

1949

01:22:00,770 --> 01:21:57,719

they had 75 cameras set up

1950

01:22:01,370 --> 01:22:00,780

that could track UFOs

1951

01:22:03,290 --> 01:22:01,380

um

1952

01:22:05,209 --> 01:22:03,300

so

1953

01:22:07,610 --> 01:22:05,219

pretty interesting but you can see that

1954

01:22:08,990 --> 01:22:07,620

the Air Force just always stood up

1955

01:22:10,130 --> 01:22:09,000

Congress

1956

01:22:12,169 --> 01:22:10,140

um

1957

01:22:13,970 --> 01:22:12,179

you know they never went into the

1958

01:22:16,010 --> 01:22:13,980

interesting cases

1959

01:22:18,890 --> 01:22:16,020

of like what that they called like

1960

01:22:20,570 --> 01:22:18,900

anomalous propagation even like where

1961

01:22:22,610 --> 01:22:20,580

there actually sometimes was a visual

1962

01:22:24,649 --> 01:22:22,620

sighting too they never went over those

1963

01:22:26,570 --> 01:22:24,659

really interesting cases with these

1964

01:22:29,330 --> 01:22:26,580

people that's what we're all interested

1965

01:22:30,709 --> 01:22:29,340

in is the unknowns

1966

01:22:32,570 --> 01:22:30,719

you know

1967

01:22:35,030 --> 01:22:32,580

like

1968

01:22:36,530 --> 01:22:35,040

when we're asking questions at these

1969

01:22:39,110 --> 01:22:36,540

hearings for instance what we need to

1970

01:22:41,209 --> 01:22:39,120

ask is about what they don't know or

1971

01:22:43,490 --> 01:22:41,219

what they can't do

1972

01:22:46,430 --> 01:22:43,500

you know

1973

01:22:48,350 --> 01:22:46,440

so we have things that show a crazy

1974

01:22:49,790 --> 01:22:48,360

flight characteristics that we track on

1975

01:22:52,250 --> 01:22:49,800

radar okay

1976

01:22:55,010 --> 01:22:52,260

that's what we need to talk about

1977

01:22:56,930 --> 01:22:55,020

it's in the reports talk about it

1978

01:22:59,990 --> 01:22:56,940

chillebrand ask them

1979

01:23:01,250 --> 01:23:00,000

another thing that like I don't know how

1980

01:23:03,410 --> 01:23:01,260

you can not

1981

01:23:04,850 --> 01:23:03,420

it's a congressperson on this committee

1982

01:23:07,070 --> 01:23:04,860

emerging threats

1983

01:23:09,590 --> 01:23:07,080

how can you not ask about crash

1984

01:23:12,169 --> 01:23:09,600

retrievals or whistleblowers who have

1985

01:23:14,630 --> 01:23:12,179

come to Kirkpatrick and told him that

1986

01:23:17,390 --> 01:23:14,640

because we have gotten

1987

01:23:19,250 --> 01:23:17,400

I lost track but I think we got like six

1988

01:23:21,410 --> 01:23:19,260

or seven people

1989

01:23:24,229 --> 01:23:21,420

like cold Hearts Gary null and other

1990

01:23:26,630 --> 01:23:24,239

people all saying that Kirkpatrick was

1991

01:23:29,630 --> 01:23:26,640

briefed or whistleblowers went to

1992

01:23:31,490 --> 01:23:29,640

Kirkpatrick about crashcraft and reverse

1993

01:23:34,610 --> 01:23:31,500

engineering programs

1994

01:23:37,970 --> 01:23:34,620

you have to ask about it you have to ask

1995

01:23:40,070 --> 01:23:37,980

about it you know it's everybody's

1996

01:23:43,970 --> 01:23:40,080

saying it that they know this person

1997

01:23:46,490 --> 01:23:43,980

told them ask her Patrick you have to

1998

01:23:48,770 --> 01:23:46,500

you know

1999

01:23:51,890 --> 01:23:48,780

um I think it'd be silly not to because

2000

01:23:54,050 --> 01:23:51,900

at this point if you are gillibrand or

2001
01:23:57,169 --> 01:23:54,060
somebody else you could say you know

2002
01:23:58,669 --> 01:23:57,179
it's been said

2003
01:24:01,370 --> 01:23:58,679
that you've been briefed by

2004
01:24:04,970 --> 01:24:01,380
whistleblowers who have knowledge or

2005
01:24:09,729 --> 01:24:04,980
participated in a UFO crash program in

2006
01:24:09,739 --> 01:24:14,810
you gotta ask that so

2007
01:24:19,070 --> 01:24:17,450
with that being said

2008
01:24:21,169 --> 01:24:19,080
um

2009
01:24:23,990 --> 01:24:21,179
I think I'm gonna get out of here

2010
01:24:26,689 --> 01:24:24,000
because I'm back tomorrow with you in

2011
01:24:28,550 --> 01:24:26,699
the morning don't you get sick of me

2012
01:24:30,110 --> 01:24:28,560
a lot of reading a lot of information we

2013
01:24:33,350 --> 01:24:30,120

went through today

2014

01:24:34,910 --> 01:24:33,360

but the hearing history has been on my

2015

01:24:37,250 --> 01:24:34,920

mind like I wanted to do a show or an

2016

01:24:38,090 --> 01:24:37,260

article or something on that

2017

01:24:39,110 --> 01:24:38,100

um

2018

01:24:41,090 --> 01:24:39,120

because there's a lot of information

2019

01:24:42,709 --> 01:24:41,100

there so

2020

01:24:45,169 --> 01:24:42,719

I wanted to do that this is a good

2021

01:24:47,950 --> 01:24:45,179

excuse to go through those uh documents

2022

01:24:51,110 --> 01:24:47,960

and be done with it once and for all

2023

01:24:52,790 --> 01:24:51,120

so yeah thanks for being here so I can

2024

01:24:53,450 --> 01:24:52,800

do that

2025

01:24:56,090 --> 01:24:53,460

um

2026

01:24:57,890 --> 01:24:56,100

tomorrow I believe I'm gonna start

2027

01:25:00,470 --> 01:24:57,900

streaming at

2028

01:25:03,169 --> 01:25:00,480

nine o'clock Central

2029

01:25:05,930 --> 01:25:03,179

so at least on their website for the

2030

01:25:08,570 --> 01:25:05,940

hearing it says 11 30 a.m and I'm

2031

01:25:11,030 --> 01:25:08,580

guessing that's East Coast time

2032

01:25:12,050 --> 01:25:11,040

which would be 10 30 or no it says 10 30

2033

01:25:15,110 --> 01:25:12,060

A.M

2034

01:25:17,090 --> 01:25:15,120

so I'm guessing that's East Coast time 9

2035

01:25:18,470 --> 01:25:17,100

30 Central we'll start at nine and a

2036

01:25:21,590 --> 01:25:18,480

half hour beforehand we'll see how it

2037

01:25:24,610 --> 01:25:23,209

either way

2038

01:25:26,870 --> 01:25:24,620

we're gonna have a good time

2039

01:25:28,370 --> 01:25:26,880

expectations for tomorrow I think it's

2040

01:25:30,290 --> 01:25:28,380

going to be up to you know a lot of

2041

01:25:32,390 --> 01:25:30,300

people are putting the onus on Sean

2042

01:25:34,490 --> 01:25:32,400

kirpatrick but that's and that's fine

2043

01:25:36,229 --> 01:25:34,500

but that's assuming that Congress is is

2044

01:25:39,050 --> 01:25:36,239

going to ask or the Senate's going to

2045

01:25:41,330 --> 01:25:39,060

ask the the right questions

2046

01:25:43,010 --> 01:25:41,340

you know so he can be up there all day

2047

01:25:44,090 --> 01:25:43,020

long but if no one's asking the right

2048

01:25:45,890 --> 01:25:44,100

questions

2049

01:25:47,870 --> 01:25:45,900

it's not going to make a difference so

2050

01:25:50,030 --> 01:25:47,880

hopefully they ask the right questions

2051
01:25:52,209 --> 01:25:50,040
and that they're answered truthfully

2052
01:25:55,189 --> 01:25:52,219
aware of certain

2053
01:25:57,530 --> 01:25:55,199
contractors or Duty programs

2054
01:26:00,410 --> 01:25:57,540
um that he tried to get Fuller access to

2055
01:26:02,689 --> 01:26:00,420
and was denied access to

2056
01:26:04,430 --> 01:26:02,699
um so you're not aware of that I'm a

2057
01:26:05,990 --> 01:26:04,440
malware Congressman uh in my 10 seconds

2058
01:26:07,669 --> 01:26:06,000
remaining then I guess I just would ask

2059
01:26:10,930 --> 01:26:07,679
Mr chairman unanimous consent to enter

2060
01:26:16,689 --> 01:26:13,430
without objection thank you Mr chairman

2061
01:26:22,570 --> 01:26:20,209
blunt Graham and Heinrich have just put

2062
01:26:26,209 --> 01:26:22,580
their political future

2063
01:26:29,830 --> 01:26:26,219

connected to it the unfolding of the

2064

01:26:35,110 --> 01:26:29,840

choose embargo itself this is not

2065

01:26:38,510 --> 01:26:35,120

1969. this is another place all together

2066

01:26:43,580 --> 01:26:38,520

more than 50 years ago the U.S
