00:00:19,609 --> 00:00:16,750
[Music]

3
00:00:21,310 --> 00:00:19,619
subsequently handmade and that's all

4
00:00:24,410 --> 00:00:21,320
there is to say

5
00:00:26,570 --> 00:00:24,420
now let's understand something when

6
00:00:29,929 --> 00:00:26,580
you're honest everything becomes

7
00:00:33,170 --> 00:00:29,939
slightly less neurotic because everyone

8
00:00:35,870 --> 00:00:33,180
wants something whether or not it's

9
00:00:38,170 --> 00:00:35,880
either nothing you talk a good game but

10
00:00:42,709 --> 00:00:38,180
it lacks someone to blame

11
00:00:45,590 --> 00:00:42,719
I'm gonna take a lot more loving

12
00:00:47,650 --> 00:00:45,600
freedom is something to die for when

13
00:00:50,150 --> 00:00:47,660

it's not a matter of life to the core

14

00:00:52,710 --> 00:00:50,160

reasons are endless and that's how it

15

00:00:55,689 --> 00:00:52,720

ends up like before

16

00:01:07,630 --> 00:00:55,699

[Music]

17

00:01:14,289 --> 00:01:09,790

last rain

18

00:01:16,450 --> 00:01:14,299

[Music]

19

00:01:20,149 --> 00:01:16,460

malaria

20

00:01:21,880 --> 00:01:20,159

and start the game

21

00:01:30,900 --> 00:01:21,890

foreign

22

00:01:56,590 --> 00:01:48,360

[Music]

23

00:01:56,600 --> 00:02:01,630

Let It Go

24

00:02:01,640 --> 00:02:07,010

From Below

25

00:02:07,020 --> 00:02:12,229

let us know

26
00:02:20,229 --> 00:02:15,070
from me low

27
00:02:20,239 --> 00:02:25,449
walk until I lose a boom

28
00:02:25,459 --> 00:02:31,190
about now it all unfolds

29
00:02:36,670 --> 00:02:33,710
is it the end

30
00:02:38,530 --> 00:02:36,680
I let it blow

31
00:02:40,710 --> 00:02:38,540
Syria

32
00:02:53,060 --> 00:02:40,720
and start the game

33
00:03:21,770 --> 00:03:03,240
[Music]

34
00:03:34,980 --> 00:03:23,270
thank you

35
00:03:34,990 --> 00:03:45,350
[Music]
