5
00:00:23,990 --> 00:00:21,359
at the time of this story he was a 24

6
00:00:27,050 --> 00:00:24,000
year old college graduate when he went

7
00:00:28,089 --> 00:00:27,060
to college his interests were in TV and

8
00:00:30,950 --> 00:00:28,099
radio

9
00:00:32,510 --> 00:00:30,960
for whatever reason that must have not

10
00:00:34,729 --> 00:00:32,520
worked out because he joined the Air

11
00:00:38,030 --> 00:00:34,739
Force and he wound up being a part of

12
00:00:41,869 --> 00:00:38,040
the 321st fighter Interceptor Squadron

13
00:00:43,729 --> 00:00:41,879

part of the Air Defense command

14

00:00:47,270 --> 00:00:43,739

what's interesting is the Air Defense

15

00:00:50,450 --> 00:00:47,280

command actually was the group that

16

00:00:52,970 --> 00:00:50,460

would be sent after UFOs they would be

17

00:00:55,250 --> 00:00:52,980

vectored towards unidentifieds and they

18

00:00:55,600 --> 00:00:55,260

were also tasked with the defense of the

19

00:00:57,470 --> 00:00:55,610

country

20

00:00:59,930 --> 00:00:57,480

[Music]

21

00:01:02,930 --> 00:00:59,940

he was actually stationed at Payne air

22

00:01:04,690 --> 00:01:02,940

force base in Everett Washington plenty

23

00:01:07,490 --> 00:01:04,700

of qualifications

24

00:01:12,710 --> 00:01:07,500

including flag training he was qualified

25

00:01:15,050 --> 00:01:12,720

in a couple planes the f-94 and the t-33

26

00:01:18,109 --> 00:01:15,060

um and he also completed all-weather

27

00:01:21,469 --> 00:01:18,119

instrument school so he had plenty of

28

00:01:23,990 --> 00:01:21,479

experience and he was doing really well

29

00:01:26,810 --> 00:01:24,000

then he decided to take part in an

30

00:01:29,270 --> 00:01:26,820

advanced survival school with Steed Air

31

00:01:31,070 --> 00:01:29,280

Force Base in Nevada we took part in

32

00:01:32,810 --> 00:01:31,080

this survival school and finished at

33

00:01:34,789 --> 00:01:32,820

night

34

00:01:38,330 --> 00:01:34,799

and he had a plane scheduled to take him

35

00:01:41,450 --> 00:01:38,340

from Las Vegas to Delaware and Las Vegas

36

00:01:42,590 --> 00:01:41,460

was south of there I believe it was

37

00:01:46,850 --> 00:01:42,600

about

38

00:01:49,609 --> 00:01:46,860

six hours south of Steeda Air Force Base

39

00:01:53,330 --> 00:01:49,619

so he left immediately after the

40

00:02:00,950 --> 00:01:54,710

and

41

00:02:03,230 --> 00:02:00,960

know to be fair I'm sure the advanced

42

00:02:05,630 --> 00:02:03,240

survival School wasn't easy

43

00:02:07,789 --> 00:02:05,640

so he's probably tired he is probably a

44

00:02:10,010 --> 00:02:07,799

little exhausted he starts driving and

45

00:02:12,110 --> 00:02:10,020

he drives about three hours and he takes

46

00:02:17,030 --> 00:02:12,120

a nap and he's sleeping for two hours he

47

00:02:23,030 --> 00:02:19,160

good morning

48

00:02:25,090 --> 00:02:23,040

49

foreign

50

00:02:52,009 --> 00:02:48,130

right when he reaches the area of

51
00:02:55,910 --> 00:02:52,019
Tonopah Nevada which is if you're

52
00:02:57,710 --> 00:02:55,920
familiar it's the tenopa test range

53
00:03:00,229 --> 00:02:57,720
where they have secret aircraft

54
00:03:02,270 --> 00:03:00,239
classified projects all that kind of

55
00:03:05,690 --> 00:03:02,280
stuff going it's actually

56
00:03:08,449 --> 00:03:05,700
um some people call it Area 52 as

57
00:03:11,210 --> 00:03:08,459
opposed to area 51.

58
00:03:14,690 --> 00:03:11,220
um so he's driving it he gets literally

59
00:03:15,710 --> 00:03:14,700
30 miles west of that area the tenopa

60
00:03:18,170 --> 00:03:15,720
test range

61
00:03:21,710 --> 00:03:18,180
on the highway and so it's just desert

62
00:03:25,190 --> 00:03:21,720
it's just him in his car just desert at

63
00:03:27,170 --> 00:03:25,200

this time it's about 6 30 A.M

64

00:03:28,790 --> 00:03:27,180

so the sun hasn't come up yet but it's

65

00:03:31,490 --> 00:03:28,800

about two

66

00:03:33,410 --> 00:03:31,500

and uh it was it was kind of a cold

67

00:03:35,930 --> 00:03:33,420

morning actually

68

00:03:37,610 --> 00:03:35,940

he's driving down the road in the desert

69

00:03:40,009 --> 00:03:37,620

and

70

00:03:43,309 --> 00:03:40,019

his car engine

71

00:03:45,410 --> 00:03:43,319

like turns off just completely turns off

72

00:03:47,509 --> 00:03:45,420

so he's driving in his

73

00:03:49,009 --> 00:03:47,519

by himself

74

00:03:50,930 --> 00:03:49,019

in the middle of nowhere basically

75

00:03:54,649 --> 00:03:50,940

that's where this is is the middle of

76

00:03:59,930 --> 00:03:57,949

um it actually used to be

77

00:04:02,830 --> 00:03:59,940

it actually used to be a very bustling

78

00:04:07,070 --> 00:04:02,840

mining town in the 1800s

79

00:04:09,649 --> 00:04:07,080

and I think it was called Silver Peak uh

80

00:04:12,110 --> 00:04:09,659

mining area

81

00:04:15,610 --> 00:04:12,120

apparently they experienced 30 years of

82

00:04:19,430 --> 00:04:15,620

lawlessness in the 1860 in the

83

00:04:20,930 --> 00:04:19,440

1860s in 1948 apparently like the whole

84

00:04:25,129 --> 00:04:20,940

town burned down

85

00:04:28,490 --> 00:04:25,139

so his engine stops as he's driving

86

00:04:31,430 --> 00:04:28,500

so he pulls over to you know try and

87

00:04:35,230 --> 00:04:31,440

find out what's going on with the engine

88

00:04:38,810 --> 00:04:35,240

he pulls over he gets out of the car

89

00:04:43,430 --> 00:04:38,820

and he starts hearing

90

00:04:48,830 --> 00:04:46,129

so he starts hearing this noise and he

91

00:04:50,950 --> 00:04:48,840

looks to the direction of where it's

92

00:04:53,810 --> 00:04:50,960

coming from

93

00:04:55,550 --> 00:04:53,820

and it's off the road it's not in the

94

00:04:56,980 --> 00:04:55,560

road it's a little bit off the road so

95

00:05:00,710 --> 00:04:56,990

over the desert land

96

00:05:07,610 --> 00:05:05,210

and he sees these four discs

97

00:05:09,110 --> 00:05:07,620

that were just shiny

98

00:05:12,470 --> 00:05:09,120

discs

99

00:05:15,830 --> 00:05:12,480

with like some landing pads underneath

100

00:05:22,850 --> 00:05:19,490

and he decided to stick it closer which

101

00:05:24,950 --> 00:05:22,860

to me is just

102

00:05:26,570 --> 00:05:24,960

closer you have no idea what you're

103

00:05:28,129 --> 00:05:26,580

looking at you want to get closer so he

104

00:05:29,510 --> 00:05:28,139

decides to get closer and he starts

105

00:05:34,969 --> 00:05:29,520

walking closer

106

00:05:38,090 --> 00:05:34,979

the high-pitched hum is getting

107

00:05:41,930 --> 00:05:38,100

to the point of where it's just about

108

00:05:44,210 --> 00:05:41,940

hurting his ears if not hurting his ears

109

00:05:46,610 --> 00:05:44,220

and

110

00:05:48,830 --> 00:05:46,620

so as it gets pretty close

111

00:05:52,310 --> 00:05:48,840

in the files there's some estimates of

112

00:05:54,050 --> 00:05:52,320

25 feet and others 50 feet but either

113

00:05:55,909 --> 00:05:54,060

way I think that's

114

00:05:59,090 --> 00:05:55,919

you know close enough to see whatever

115

00:06:00,890 --> 00:05:59,100

you're looking at pretty clearly

116

00:06:03,650 --> 00:06:00,900

so he sees it

117

00:06:06,230 --> 00:06:03,660

gets close high pitch I'm hurting his

118

00:06:07,730 --> 00:06:06,240

ears and they start lifting off the

119

00:06:09,529 --> 00:06:07,740

ground

120

00:06:12,830 --> 00:06:09,539

all of them

121

00:06:15,710 --> 00:06:12,840

and start drifting away slowly at about

122

00:06:18,890 --> 00:06:15,720

10 miles per hour apparently

123

00:06:21,409 --> 00:06:18,900

and he lost sight of them after they

124

00:06:24,050 --> 00:06:21,419

went over these small hills after that

125

00:06:28,969 --> 00:06:24,060

happens he goes direct to Indian Springs

126

00:06:31,129 --> 00:06:28,979

Air Force Base to report the sighting

127

00:06:34,790 --> 00:06:31,139

which I'll keep in mind like

128

00:06:37,249 --> 00:06:34,800

he was in a hurry like he he left the

129

00:06:39,110 --> 00:06:37,259

survival school to go straight to the

130

00:06:41,510 --> 00:06:39,120

airport

131

00:06:44,450 --> 00:06:41,520

to go to Delaware so obviously he had a

132

00:06:46,129 --> 00:06:44,460

flight that he had to get to

133

00:06:49,249 --> 00:06:46,139

you know I don't think something that he

134

00:06:53,210 --> 00:06:49,259

would uh want to be doing is reporting a

135

00:06:57,710 --> 00:06:55,850

you know in uh being late for his plane

136

00:07:00,590 --> 00:06:57,720

dealing his trips growing up his plans

137

00:07:06,050 --> 00:07:03,710

we've already established that uh this

138

00:07:08,570 --> 00:07:06,060

guy's done pretty well in the Air Force

139

00:07:10,990 --> 00:07:08,580

so he reports this to Indian Springs Air

140

00:07:13,490 --> 00:07:11,000

Force Base and the

141

00:07:15,409 --> 00:07:13,500

officer there

142

00:07:22,189 --> 00:07:15,419

actually did the preliminary

143

00:07:30,050 --> 00:07:25,270

the preparing officer

144

00:07:32,330 --> 00:07:30,060

didn't have anything to discredit him

145

00:07:33,650 --> 00:07:32,340

he said there were no signs of a hoax or

146

00:07:36,110 --> 00:07:33,660

lying

147

00:07:37,969 --> 00:07:36,120

but the one thing he mentioned which is

148

00:07:40,670 --> 00:07:37,979

what I said earlier about his interest

149

00:07:43,189 --> 00:07:40,680

in college which was TV and radio

150

00:07:46,010 --> 00:07:43,199

so they used that interest and he found

151

00:07:48,230 --> 00:07:46,020

out that he was interested in some

152

00:07:51,409 --> 00:07:48,240

science fiction writers

153

00:07:54,290 --> 00:07:51,419

so he used those two things to you know

154

00:07:57,770 --> 00:07:54,300

kind of say if

155

00:08:00,890 --> 00:07:57,780

he was gonna perform a hoax it's because

156

00:08:02,270 --> 00:08:00,900

he would want the publicity because you

157

00:08:06,110 --> 00:08:02,280

know he's learned about these episodes

158

00:08:08,270 --> 00:08:06,120

and in books and uh he would have wanted

159

00:08:10,850 --> 00:08:08,280

to get into TV and radio and that was

160

00:08:13,010 --> 00:08:10,860

his idea to to make it big was have a

161

00:08:15,050 --> 00:08:13,020

crazy UFO setting so at the end of the

162

00:08:16,850 --> 00:08:15,060

day the him and the approving officer

163

00:08:19,249 --> 00:08:16,860

actually checked with Lieutenant lungs

164

00:08:20,629 --> 00:08:19,259

like Superior his commander and they

165

00:08:22,129 --> 00:08:20,639

even vouched for a lieutenant long

166

00:08:24,589 --> 00:08:22,139

saying that he was a man a good

167

00:08:27,290 --> 00:08:24,599

character and he was good at his job

168

00:08:28,309 --> 00:08:27,300

so after that

169

00:08:30,710 --> 00:08:28,319

um

170

00:08:31,550 --> 00:08:30,720

they really had no other choice but to

171

00:08:33,889 --> 00:08:31,560

say

172

00:08:36,350 --> 00:08:33,899

that that it was unknown

173

00:08:38,630 --> 00:08:36,360

and one officer

174

00:08:40,250 --> 00:08:38,640

seemingly said unless I'm reading the

175

00:08:42,949 --> 00:08:40,260

document wrong it

176

00:08:44,089 --> 00:08:42,959

he said he has no other idea of what it

177

00:08:46,610 --> 00:08:44,099

could be

178

00:08:48,290 --> 00:08:46,620

than a spaceship but of course these

179

00:08:51,470 --> 00:08:48,300

weren't the Blue Book authorities there

180

00:08:53,329 --> 00:08:51,480

were the the base investigators make a

181

00:08:57,530 --> 00:08:53,339

right angle turn in midair and move off

182

00:09:01,070 --> 00:09:00,410

so after their investigation

183

00:09:02,930 --> 00:09:01,080

um

184

00:09:05,449 --> 00:09:02,940

they handed over the paperwork and what

185

00:09:08,269 --> 00:09:05,459

they were up to to Project Blue Book at

186

00:09:10,009 --> 00:09:08,279

Wright-Patterson Air Force Base

187

00:09:12,850 --> 00:09:10,019

it got kind of nuts

188

00:09:16,370 --> 00:09:12,860

garnered some high-level Washington

189

00:09:19,250 --> 00:09:16,380

interest the head of Project Blue Book

190

00:09:21,590 --> 00:09:19,260

at the time or one of the higher up guys

191

00:09:24,230 --> 00:09:21,600

was George Gregory

192

00:09:26,329 --> 00:09:24,240

checked for aircraft checked the

193

00:09:28,610 --> 00:09:26,339

different bases for aircraft and and

194

00:09:30,949 --> 00:09:28,620

what the air traffic would be didn't get

195

00:09:32,990 --> 00:09:30,959

any you know positive replies on that

196

00:09:34,790 --> 00:09:33,000

check with the like the highway patrol

197

00:09:36,350 --> 00:09:34,800

the sheriff's office to see what like

198

00:09:38,690 --> 00:09:36,360

the traffic would be

199

00:09:41,090 --> 00:09:38,700

on that road

200

00:09:42,530 --> 00:09:41,100

to be fair the sheriff said 20 to 30

201
00:09:44,930 --> 00:09:42,540
cars an hour

202
00:09:45,889 --> 00:09:44,940
exciting lasted about like 20 minutes or

203
00:09:47,650 --> 00:09:45,899
30

204
00:09:50,570 --> 00:09:47,660
minutes

205
00:09:52,610 --> 00:09:50,580
what I think of as time of day was 6 30

206
00:09:54,650 --> 00:09:52,620
A.M

207
00:09:56,570 --> 00:09:54,660
and looking at this location on the map

208
00:09:58,009 --> 00:09:56,580
you can tell it's like it's in the

209
00:10:00,650 --> 00:09:58,019
middle of nowhere there's nothing there

210
00:10:04,009 --> 00:10:00,660
so so but anyways so he didn't have

211
00:10:06,050 --> 00:10:04,019
anything to blame on the sightings so he

212
00:10:07,490 --> 00:10:06,060
also

213
00:10:09,350 --> 00:10:07,500

um thought maybe the guy was up to a

214

00:10:10,670 --> 00:10:09,360

hoax because of his interest in TV and

215

00:10:13,310 --> 00:10:10,680

radio in college

216

00:10:17,449 --> 00:10:13,320

so what he decided to do was try to get

217

00:10:18,949 --> 00:10:17,459

a hold of this Dr Fitz who actually I

218

00:10:21,050 --> 00:10:18,959

think he was from Ohio State University

219

00:10:24,170 --> 00:10:21,060

at the time but he previously

220

00:10:27,590 --> 00:10:24,180

investigated hundreds of cases uh for a

221

00:10:29,150 --> 00:10:27,600

blue book a few years earlier from a

222

00:10:31,070 --> 00:10:29,160

psychological standpoint

223

00:10:32,750 --> 00:10:31,080

so and he was already cleared he already

224

00:10:38,329 --> 00:10:32,760

had a clearance for this so they really

225

00:10:43,250 --> 00:10:41,269

um so they tried to get a hold of him

226
00:10:44,750 --> 00:10:43,260
weeks went by they couldn't get a hold

227
00:10:46,009 --> 00:10:44,760
of him

228
00:10:47,990 --> 00:10:46,019
um

229
00:10:51,769 --> 00:10:48,000
so they TR at that point they tried to

230
00:10:54,829 --> 00:10:51,779
get a Battelle Memorial Institute to get

231
00:10:56,750 --> 00:10:54,839
a hold of Dr Fitz to kind of nudge him

232
00:10:58,370 --> 00:10:56,760
in the right direction to actually look

233
00:11:00,410 --> 00:10:58,380
at this case for them

234
00:11:04,490 --> 00:11:00,420
they moved to an influence campaign to

235
00:11:06,230 --> 00:11:04,500
Dr Fitz eventually Dr Fitz looked at the

236
00:11:08,509 --> 00:11:06,240
case and

237
00:11:10,790 --> 00:11:08,519
he didn't have any idea either because

238
00:11:14,509 --> 00:11:10,800

what are you going to say so what he

239

00:11:16,430 --> 00:11:14,519

came up with is uh maybe Road hypnosis

240

00:11:18,889 --> 00:11:16,440

he said that there are plenty of cases

241

00:11:21,170 --> 00:11:18,899

of truck drivers driving for a long time

242

00:11:22,490 --> 00:11:21,180

and seeing like houses and cars or

243

00:11:25,430 --> 00:11:22,500

different things in the middle of the

244

00:11:28,250 --> 00:11:25,440

road that you know didn't exist I just

245

00:11:29,210 --> 00:11:28,260

have a hard time thinking that's what

246

00:11:31,009 --> 00:11:29,220

happened

247

00:11:32,990 --> 00:11:31,019

probably tired but he did actually take

248

00:11:35,030 --> 00:11:33,000

a little nap the drive isn't that long

249

00:11:38,269 --> 00:11:35,040

it's six hours that's nothing especially

250

00:11:40,910 --> 00:11:38,279

for 24 year old in good shape which it

251
00:11:43,370 --> 00:11:40,920
was you know they don't know how to

252
00:11:44,990 --> 00:11:43,380
quite handle this situation multiple

253
00:11:46,210 --> 00:11:45,000
times throughout this case in the

254
00:11:49,449 --> 00:11:46,220
documents

255
00:11:52,090 --> 00:11:49,459
various Air Force officers actually

256
00:11:54,530 --> 00:11:52,100
admitted to

257
00:11:56,269 --> 00:11:54,540
directly that this case was

258
00:12:02,150 --> 00:11:56,279
unprecedented

259
00:12:07,250 --> 00:12:05,329
of contact like this in the past this is

260
00:12:09,410 --> 00:12:07,260
the first

261
00:12:10,790 --> 00:12:09,420
where it's a well-established Air Force

262
00:12:13,069 --> 00:12:10,800
officer

263
00:12:16,329 --> 00:12:13,079

who is qualified to observe different

264

00:12:19,430 --> 00:12:16,339

dirigibles balloons planes in the air

265

00:12:21,710 --> 00:12:19,440

has reported this close contact with

266

00:12:24,410 --> 00:12:21,720

flying saucers

267

00:12:26,509 --> 00:12:24,420

so this was unprecedented

268

00:12:28,069 --> 00:12:26,519

and it did not go to the press that I

269

00:12:30,290 --> 00:12:28,079

could find

270

00:12:31,670 --> 00:12:30,300

and I really tried digging up Joseph

271

00:12:33,889 --> 00:12:31,680

long

272

00:12:36,590 --> 00:12:33,899

psychological investigation that Dr Fitz

273

00:12:38,449 --> 00:12:36,600

did he just recommended because he

274

00:12:41,509 --> 00:12:38,459

couldn't really come up with anything

275

00:12:44,930 --> 00:12:41,519

that they investigate him further

276

00:12:48,290 --> 00:12:44,940

Lieutenant long discreetly by the way

277

00:12:51,129 --> 00:12:48,300

to find out anything that could Point

278

00:12:56,509 --> 00:12:51,139

them in the direction of hoax basically

279

00:13:03,470 --> 00:12:59,269

but it didn't wind up happening General

280

00:13:05,629 --> 00:13:03,480

Gilbert I think stepped in and said um

281

00:13:07,009 --> 00:13:05,639

no we don't need to do this

282

00:13:09,829 --> 00:13:07,019

didn't want to do it because he didn't

283

00:13:11,269 --> 00:13:09,839

see any benefit to the Air Force

284

00:13:13,129 --> 00:13:11,279

and they were really afraid that

285

00:13:15,650 --> 00:13:13,139

Lieutenant long would leave the Air

286

00:13:18,110 --> 00:13:15,660

Force and join folks like Donald Kehoe

287

00:13:25,370 --> 00:13:18,120

from nightcap and they actually said and

288

00:13:32,629 --> 00:13:27,889

how much that would hurt the Air Force

289

00:13:37,670 --> 00:13:35,750

interesting to see them admit how afraid

290

00:13:40,490 --> 00:13:37,680

they were

291

00:13:42,970 --> 00:13:40,500

of this established Air Force pilot of

292

00:13:45,769 --> 00:13:42,980

going over to be friends with Donald

293

00:13:47,750 --> 00:13:45,779

Kehoe and nightcap

294

00:13:51,050 --> 00:13:47,760

pretty much protesting the Air Force

295

00:13:53,690 --> 00:13:51,060

like they did you know for a shoddy UFO

296

00:13:54,829 --> 00:13:53,700

investigations and basically they just

297

00:13:58,550 --> 00:13:54,839

go with

298

00:14:00,230 --> 00:13:58,560

Dr Fitz's explanation which was the road

299

00:14:03,290 --> 00:14:00,240

hypnosis but if you look at the final

300

00:14:06,110 --> 00:14:03,300

conclusion you see Road hypnosis or

301
00:14:08,569 --> 00:14:06,120
Reflections or this or that or this

302
00:14:11,150 --> 00:14:08,579
which to me means they don't freaking

303
00:14:13,310 --> 00:14:11,160
know so it's unidentified

304
00:14:16,310 --> 00:14:13,320
so I did my best to look further into

305
00:14:18,170 --> 00:14:16,320
Lieutenant long to see you know

306
00:14:20,569 --> 00:14:18,180
um

307
00:14:22,970 --> 00:14:20,579
just to find out what what he wound up

308
00:14:26,690 --> 00:14:22,980
doing did he go into TV and radio did he

309
00:14:29,629 --> 00:14:26,700
wind up being a UFO guy right did he go

310
00:14:30,650 --> 00:14:29,639
up with Donald Kehoe

311
00:14:34,310 --> 00:14:30,660
um

312
00:14:36,949 --> 00:14:34,320
what did he do he wound up being

313
00:14:39,769 --> 00:14:36,959

very successful in aviation he had a

314

00:14:40,850 --> 00:14:39,779

career in aviation he was a pilot he was

315

00:14:42,410 --> 00:14:40,860

a captain for Pan Am

316

00:14:47,269 --> 00:14:42,420

[Music]

317

00:14:48,410 --> 00:14:47,279

in a Saudi Arabia uh Airlines so he had

318

00:14:56,130 --> 00:14:48,420

a

319

00:14:57,650 --> 00:14:56,140

um

320

00:15:00,050 --> 00:14:57,660

[Music]

321

00:15:01,250 --> 00:15:00,060

I'm not sure what to make of this but I

322

00:15:02,689 --> 00:15:01,260

guess I can't make too much of it

323

00:15:04,610 --> 00:15:02,699

because the case is so old I can't

324

00:15:07,189 --> 00:15:04,620

really investigate this much further but

325

00:15:09,350 --> 00:15:07,199

he'll end up dying at an early age of 55

326

00:15:11,210 --> 00:15:09,360

from cancer and I'm not sure what kind

327

00:15:14,389 --> 00:15:11,220

of cancer but

328

00:15:17,030 --> 00:15:14,399

um so that's kind of sad he had a wife

329

00:15:19,069 --> 00:15:17,040

and a couple kids

330

00:15:21,710 --> 00:15:19,079

I think this is a very interesting story

331

00:15:25,009 --> 00:15:21,720

it's not one I ever heard I just found

332

00:15:27,769 --> 00:15:25,019

in the files for myself if somebody else

333

00:15:29,689 --> 00:15:27,779

has heard of this I would love to know

334

00:15:31,850 --> 00:15:29,699

because as far as I know no one's talked

335

00:15:33,590 --> 00:15:31,860

about this case ever and it's a

336

00:15:35,389 --> 00:15:33,600

phenomenal case I understand it's just

337

00:15:36,710 --> 00:15:35,399

one witness but we have a phenomenal

338

00:15:39,110 --> 00:15:36,720

Witness

339

00:15:41,030 --> 00:15:39,120

who had no reason at all to make

340

00:15:43,930 --> 00:15:41,040

something like this up and he wound up

341

00:15:47,810 --> 00:15:43,940

thinking that these were interplanetary

342

00:15:51,290 --> 00:15:47,820

worked off of uh electromagnetic

343

00:15:52,670 --> 00:15:51,300

uh gravitational forces

344

00:15:54,949 --> 00:15:52,680

um

345

00:15:57,650 --> 00:15:54,959

so yeah

346

00:15:58,970 --> 00:15:57,660

pretty pretty great story

347

00:16:00,710 --> 00:15:58,980

um

348

00:16:02,689 --> 00:16:00,720

and it's just been staying with me for a

349

00:16:05,629 --> 00:16:02,699

while so I really wanted to just get it

350

00:16:09,110 --> 00:16:05,639

down on video get it out and hopefully

351
00:16:12,769 --> 00:16:09,120
you enjoyed hearing it as much as I

352
00:16:16,069 --> 00:16:12,779
enjoyed telling it the documents

353
00:16:17,930 --> 00:16:16,079
are in the description so you can just

354
00:16:19,069 --> 00:16:17,940
go there and click on it check it out

355
00:16:21,330 --> 00:16:19,079
for yourself

356
00:16:30,790 --> 00:16:21,340
I highly advise you
