Case Not  
Closed: DoD To  
Review 2019  
West Coast  
UFOs Which  
Harassed US  
Warships

1  
00:00:32,089 --> 00:00:01,520  
foreign

2  
00:00:33,630 --> 00:00:32,099  
[Music]

3  
00:00:50,770 --> 00:00:33,640  
foreign

4  
00:00:58,490 --> 00:00:54,410  
has come to mean some physical object

5  
00:01:00,290 --> 00:00:58,500  
that we can measure touch take

6  
00:01:02,389 --> 00:01:00,300  
photographs of and be certain of its

7  
00:01:04,870 --> 00:01:02,399  
pedigree where it came from but I

8  
00:01:08,149 --> 00:01:04,880  
suspect in something which is as

9  
00:01:10,490 --> 00:01:08,159  
unacceptable as a reality as this

10  
00:01:12,590 --> 00:01:10,500  
phenomenon no piece of physical evidence

11  
00:01:15,170 --> 00:01:12,600  
would satisfy anybody we'd be arguing

12  
00:01:18,109 --> 00:01:15,180  
that whoever found it was hoaxing it or

13  
00:01:20,270 --> 00:01:18,119

making it up but evidence can also come

14

00:01:22,550 --> 00:01:20,280

from other ways evidence can in my

15

00:01:25,429 --> 00:01:22,560

discipline Psychiatry and I

16

00:01:27,350 --> 00:01:25,439

played my strong suit in doing this is

17

00:01:28,850 --> 00:01:27,360

evidence that comes from Clinical

18

00:01:31,609 --> 00:01:28,860

discrimination

19

00:01:33,350 --> 00:01:31,619

and what I found was discriminating look

20

00:01:36,230 --> 00:01:33,360

at clinical evidence exactly in other

21

00:01:37,850 --> 00:01:36,240

words you you look and you listen to

22

00:01:41,390 --> 00:01:37,860

what a person has to say about their

23

00:01:42,590 --> 00:01:41,400

experience and you say what could this

24

00:01:45,649 --> 00:01:42,600

be

25

00:01:47,870 --> 00:01:45,659

and nothing in my 40 years of working

26

00:01:50,210 --> 00:01:47,880

with people prepared me for this and

27

00:01:52,010 --> 00:01:50,220

these are people of sound mind healthy

28

00:01:53,870 --> 00:01:52,020

people by and large they've been

29

00:01:56,090 --> 00:01:53,880

traumatized many of them by these

30

00:01:58,670 --> 00:01:56,100

experiences but they're reporting in

31

00:02:00,649 --> 00:01:58,680

great detail narratives that are highly

32

00:02:03,109 --> 00:02:00,659

similar which they have not gotten from

33

00:02:05,389 --> 00:02:03,119

the media most of these details are not

34

00:02:07,670 --> 00:02:05,399

in the media they come forth reluctantly

35

00:02:09,410 --> 00:02:07,680

they know who to talk to and who not to

36

00:02:12,050 --> 00:02:09,420

talk to which is not true of people who

37

00:02:13,670 --> 00:02:12,060

have delusions you know or have come up

38

00:02:16,070 --> 00:02:13,680

with something which is a reflection of

39

00:02:18,770 --> 00:02:16,080

a mental illness and the only thing that

40

00:02:21,470 --> 00:02:18,780

I know that behaves like that is real

41

00:02:29,510 --> 00:02:25,070

welcome welcome to witness citizen

42

00:02:31,790 --> 00:02:29,520

everybody I'm your host Sean Raj

43

00:02:34,369 --> 00:02:31,800

today we're doing something a little bit

44

00:02:36,530 --> 00:02:34,379

different this episode has actually been

45

00:02:40,309 --> 00:02:36,540

pre-recorded

46

00:02:41,990 --> 00:02:40,319

I wanted to try something out and

47

00:02:45,710 --> 00:02:42,000

um you know something that would allow

48

00:02:49,550 --> 00:02:45,720

me to exercise my creative Tendencies a

49

00:02:52,309 --> 00:02:49,560

bit and do some editing and make some

50

00:02:53,990 --> 00:02:52,319

music and so on and so forth so I hope

51  
00:02:56,809 --> 00:02:54,000  
you enjoyed this Edition make sure you

52  
00:02:58,790 --> 00:02:56,819  
like this video subscribe if you haven't

53  
00:03:00,170 --> 00:02:58,800  
already

54  
00:03:02,449 --> 00:03:00,180  
um we're gonna cover a lot of stuff

55  
00:03:06,589 --> 00:03:02,459  
today we have some new AP news we're

56  
00:03:10,610 --> 00:03:06,599  
gonna go back in time and we're going to

57  
00:03:12,170 --> 00:03:10,620  
um do the segment what the heck is that

58  
00:03:15,110 --> 00:03:12,180  
so

59  
00:03:18,050 --> 00:03:15,120  
um really looking forward to doing that

60  
00:03:22,070 --> 00:03:18,060  
with you guys of course I'm in the chat

61  
00:03:23,390 --> 00:03:22,080  
so you can talk to me that way if you'd

62  
00:03:26,030 --> 00:03:23,400  
like things are getting pretty wild

63  
00:03:29,089 --> 00:03:26,040

these days with everybody talking about

64

00:03:30,830 --> 00:03:29,099

the different people that are um talking

65

00:03:34,190 --> 00:03:30,840

to Sean Kirkpatrick and coming forward

66

00:03:35,990 --> 00:03:34,200

whether they be whistleblowers or uh

67

00:03:39,410 --> 00:03:36,000

Witnesses we have people like Ross

68

00:03:40,789 --> 00:03:39,420

coldheart uh Gary Nolan all talking

69

00:03:43,729 --> 00:03:40,799

about

70

00:03:46,789 --> 00:03:43,739

um this amazing information uh Sean

71

00:03:49,970 --> 00:03:46,799

Kirkpatrick is now aware of

72

00:03:53,089 --> 00:03:49,980

um and that is intense

73

00:03:55,970 --> 00:03:53,099

and I hope we learn about that soon and

74

00:03:57,649 --> 00:03:55,980

it seems like we will it seems like if

75

00:03:59,210 --> 00:03:57,659

it's not going to be from Air where the

76  
00:04:01,070 --> 00:03:59,220  
government these people may come forward

77  
00:04:03,170 --> 00:04:01,080  
themselves

78  
00:04:05,210 --> 00:04:03,180  
um James Fox has talked about this as

79  
00:04:07,309 --> 00:04:05,220  
well and apparently he's got on tape a

80  
00:04:10,429 --> 00:04:07,319  
couple of these people he actually read

81  
00:04:13,190 --> 00:04:10,439  
a letter uh on a podcast that he was on

82  
00:04:15,289 --> 00:04:13,200  
from an Air Force person who was

83  
00:04:18,289 --> 00:04:15,299  
involved in one of these reverse

84  
00:04:20,930 --> 00:04:18,299  
engineering projects at area 51.

85  
00:04:23,390 --> 00:04:20,940  
who says the people need to know that

86  
00:04:25,490 --> 00:04:23,400  
we're not alone and he read this on air

87  
00:04:28,670 --> 00:04:25,500  
and he knows who the person is and he

88  
00:04:31,350 --> 00:04:28,680

recorded him on tape

89

00:04:39,249 --> 00:04:31,360

God I hope it's not Richard Dottie

90

00:04:46,610 --> 00:04:42,650

I doubt it is but

91

00:04:49,070 --> 00:04:46,620

things are getting pretty crazy so

92

00:04:52,070 --> 00:04:49,080

um and and Danny Silva mentioned this on

93

00:04:53,930 --> 00:04:52,080

Twitter actually in it's insightful and

94

00:04:56,150 --> 00:04:53,940

it's true

95

00:04:57,430 --> 00:04:56,160

you know if nothing happens if nothing

96

00:04:59,390 --> 00:04:57,440

major

97

00:05:01,370 --> 00:04:59,400

comes from

98

00:05:03,290 --> 00:05:01,380

all the different things that are said

99

00:05:05,749 --> 00:05:03,300

as far as the people that are coming

100

00:05:08,030 --> 00:05:05,759

forward and the knowledge that some

101  
00:05:10,010 --> 00:05:08,040  
people have of what's been going on

102  
00:05:11,270 --> 00:05:10,020  
behind the scenes if nothing comes from

103  
00:05:14,510 --> 00:05:11,280  
that publicly

104  
00:05:17,090 --> 00:05:14,520  
that's going to be bad for ufology you

105  
00:05:18,710 --> 00:05:17,100  
know it's going to be bad for the last

106  
00:05:20,749 --> 00:05:18,720  
five years and everything that's built

107  
00:05:22,070 --> 00:05:20,759  
up and and arrow and all that kind of

108  
00:05:24,950 --> 00:05:22,080  
stuff

109  
00:05:26,749 --> 00:05:24,960  
um so it'll be very interesting to see

110  
00:05:29,810 --> 00:05:26,759  
how this plays out

111  
00:05:33,650 --> 00:05:29,820  
what do I think I think that

112  
00:05:34,850 --> 00:05:33,660  
it's amazing to watch this ride that's

113  
00:05:37,610 --> 00:05:34,860

for sure

114

00:05:40,909 --> 00:05:37,620

I had Russ called Tartan not too long

115

00:05:42,950 --> 00:05:40,919

ago and and he was looking at me and

116

00:05:47,450 --> 00:05:42,960

saying Sean I'm serious it's coming

117

00:05:54,290 --> 00:05:49,670

you know and he says this to me and I'm

118

00:05:59,870 --> 00:05:56,930

and thinking back about it

119

00:06:01,670 --> 00:05:59,880

that just goes to show how hard it is to

120

00:06:11,450 --> 00:06:01,680

believe

121

00:06:11,460 --> 00:06:16,370

so extraordinary

122

00:06:24,110 --> 00:06:19,550

you know a non-human Intelligence on

123

00:06:29,930 --> 00:06:25,670

and then the fact that the government

124

00:06:33,170 --> 00:06:29,940

knows about it and has for decades

125

00:06:34,730 --> 00:06:33,180

that is the biggest story

126  
00:06:37,790 --> 00:06:34,740  
um in history

127  
00:06:40,430 --> 00:06:37,800  
and will always be

128  
00:06:47,689 --> 00:06:40,440  
if it comes out

129  
00:06:52,129 --> 00:06:49,430  
how could that look

130  
00:06:58,370 --> 00:06:52,139  
I assume it would be someone that seems

131  
00:06:58,380 --> 00:07:03,230  
are they going to be able to prove it

132  
00:07:09,290 --> 00:07:04,610  
you know

133  
00:07:12,050 --> 00:07:09,300  
official documents or or anything like

134  
00:07:15,890 --> 00:07:12,060  
that or will it be a very intriguing

135  
00:07:22,510 --> 00:07:19,610  
and I think if it comes

136  
00:07:26,990 --> 00:07:22,520  
to a public type of disclosure that way

137  
00:07:31,550 --> 00:07:28,730  
because as far as a lot of people

138  
00:07:32,990 --> 00:07:31,560

looking from the outside in at this I

139

00:07:34,909 --> 00:07:33,000

think they think it's just par for the

140

00:07:37,490 --> 00:07:34,919

course that people make big claims and

141

00:07:40,309 --> 00:07:37,500

nothing ever happens and so on and so

142

00:07:43,270 --> 00:07:40,319

forth so if that's the situation or if

143

00:07:45,770 --> 00:07:43,280

that will be the situation in the future

144

00:07:48,350 --> 00:07:45,780

people on the outside looking in won't

145

00:07:50,510 --> 00:07:48,360

care they'll go oh yeah that's that's

146

00:07:52,490 --> 00:07:50,520

how it always goes you know if they hear

147

00:07:55,430 --> 00:07:52,500

about it

148

00:07:56,870 --> 00:07:55,440

so I don't expect ufology to take much

149

00:07:59,210 --> 00:07:56,880

of a hit that way it'll just be

150

00:08:00,950 --> 00:07:59,220

unfortunate that it wouldn't turn out to

151  
00:08:03,050 --> 00:08:00,960  
be what a lot of people were hoping for

152  
00:08:07,370 --> 00:08:03,060  
or thought you know

153  
00:08:11,749 --> 00:08:09,110  
I think

154  
00:08:15,350 --> 00:08:11,759  
for me personally I've rode this train

155  
00:08:18,529 --> 00:08:15,360  
so long and I like the people involved

156  
00:08:21,469 --> 00:08:18,539  
in this process you know they seem like

157  
00:08:23,210 --> 00:08:21,479  
good and honest people

158  
00:08:25,730 --> 00:08:23,220  
I'm gonna support them all the way

159  
00:08:28,369 --> 00:08:25,740  
through you know

160  
00:08:30,710 --> 00:08:28,379  
people should go testify we should get

161  
00:08:32,269 --> 00:08:30,720  
this out in the open

162  
00:08:36,469 --> 00:08:32,279  
you know and let people decide for

163  
00:08:36,479 --> 00:08:40,190

people will still believe in God

164

00:08:54,650 --> 00:08:44,089

you know

165

00:08:56,690 --> 00:08:54,660

since the beginning of man basically

166

00:08:59,090 --> 00:08:56,700

people are not going to lose their faith

167

00:09:06,350 --> 00:09:03,290

you know will people come together

168

00:09:09,170 --> 00:09:06,360

it depends how big

169

00:09:11,810 --> 00:09:09,180

this story is right if

170

00:09:13,490 --> 00:09:11,820

if it's like a big D type of disclosure

171

00:09:18,350 --> 00:09:13,500

role people come together

172

00:09:23,449 --> 00:09:21,590

that's a big question I don't know

173

00:09:25,190 --> 00:09:23,459

will people stop caring about the things

174

00:09:26,990 --> 00:09:25,200

they care about now well Russia still

175

00:09:30,650 --> 00:09:27,000

want to take over Ukraine well China

176  
00:09:33,470 --> 00:09:30,660  
still want to take over Taiwan well you

177  
00:09:34,850 --> 00:09:33,480  
know the United States still

178  
00:09:38,389 --> 00:09:34,860  
you know

179  
00:09:42,829 --> 00:09:38,399  
have an industrial or a defense

180  
00:09:48,829 --> 00:09:46,009  
probably and will we be separate would

181  
00:09:51,230 --> 00:09:48,839  
we be able to get along if we had to

182  
00:09:53,090 --> 00:09:51,240  
let's say fight something like that yeah

183  
00:09:55,250 --> 00:09:53,100  
I think we would

184  
00:09:58,610 --> 00:09:55,260  
but there would still be bitter awful

185  
00:10:01,910 --> 00:09:58,620  
arguments you know

186  
00:10:03,590 --> 00:10:01,920  
because people are just built that way

187  
00:10:06,769 --> 00:10:03,600  
we're human beings that's a part of our

188  
00:10:08,930 --> 00:10:06,779

nature especially when we socialize with

189

00:10:11,150 --> 00:10:08,940

others

190

00:10:12,590 --> 00:10:11,160

there's always conflict that's a part of

191

00:10:14,269 --> 00:10:12,600

it

192

00:10:16,310 --> 00:10:14,279

foreign

193

00:10:19,670 --> 00:10:16,320

but I also don't see that happening I

194

00:10:22,790 --> 00:10:19,680

don't see a uh Alien Invasion per se if

195

00:10:25,550 --> 00:10:22,800

there was some sort of UFO Invasion I

196

00:10:27,170 --> 00:10:25,560

would have to think that it is fake and

197

00:10:30,410 --> 00:10:27,180

Dr Greer was right the whole time

198

00:10:33,050 --> 00:10:30,420

because he's just been saying it so much

199

00:10:34,910 --> 00:10:33,060

for so long that if it actually ever

200

00:10:37,070 --> 00:10:34,920

happened some sort of Alien Invasion

201  
00:10:38,810 --> 00:10:37,080  
it's gonna be like this is fake there's

202  
00:10:41,570 --> 00:10:38,820  
no way this is real

203  
00:10:42,450 --> 00:10:41,580  
and the crummy part is it probably would

204  
00:10:46,009 --> 00:10:42,460  
be real

205  
00:10:49,430 --> 00:10:46,019  
[Laughter]

206  
00:10:51,829 --> 00:10:49,440  
so you know hopefully that uh hopefully

207  
00:10:54,650 --> 00:10:51,839  
doesn't check out that way but no yeah a

208  
00:10:57,230 --> 00:10:54,660  
lot of big things are being said so

209  
00:10:59,150 --> 00:10:57,240  
um it's extremely interesting

210  
00:11:01,850 --> 00:10:59,160  
um I'm watching you know like I bought

211  
00:11:04,910 --> 00:11:01,860  
my ticket I'm in the stadium

212  
00:11:07,490 --> 00:11:04,920  
um I spent extra I got front row seats

213  
00:11:09,769 --> 00:11:07,500

uh and I'm there

214

00:11:12,829 --> 00:11:09,779

um rooting for the home team

215

00:11:15,829 --> 00:11:12,839

uh which is you know cited disclosure of

216

00:11:17,150 --> 00:11:15,839

course so we'll see what happens I'm

217

00:11:19,009 --> 00:11:17,160

going to stay positive let's see what

218

00:11:20,690 --> 00:11:19,019

developments come forth

219

00:11:22,790 --> 00:11:20,700

um still haven't heard anything about

220

00:11:25,009 --> 00:11:22,800

any hearings in June

221

00:11:27,530 --> 00:11:25,019

um and that's coming up you know like

222

00:11:30,350 --> 00:11:27,540

next month so uh hopefully something

223

00:11:32,569 --> 00:11:30,360

about that comes out

224

00:11:34,430 --> 00:11:32,579

you know and the world stage as far as

225

00:11:36,230 --> 00:11:34,440

we're concerned you know

226

00:11:38,389 --> 00:11:36,240

it's been

227

00:11:41,329 --> 00:11:38,399

you know stable is the wrong word to use

228

00:11:46,130 --> 00:11:41,339

you know like a notch under chaotic

229

00:11:47,990 --> 00:11:46,140

chaos mass chaos so you know let's do

230

00:11:53,630 --> 00:11:48,000

the disclosure so they can't ever use

231

00:11:59,690 --> 00:11:56,990

yeah but uh it's interesting I put a

232

00:12:05,870 --> 00:11:59,700

poll on Twitter

233

00:12:08,569 --> 00:12:05,880

I asked people uh if they truly thought

234

00:12:11,329 --> 00:12:08,579

that the US government would ever

235

00:12:13,250 --> 00:12:11,339

disclose the existence of a non-human

236

00:12:14,810 --> 00:12:13,260

intelligence

237

00:12:17,569 --> 00:12:14,820

um that has been responsible for

238

00:12:20,150 --> 00:12:17,579

sightings now and the ones in you know

239

00:12:24,829 --> 00:12:20,160

decades past or centuries even

240

00:12:29,150 --> 00:12:24,839

and you know simple answers yep nope I

241

00:12:33,710 --> 00:12:31,910

it's interesting because you know kind

242

00:12:35,329 --> 00:12:33,720

of bouncing off of what we were just

243

00:12:37,730 --> 00:12:35,339

talking about and all the things that

244

00:12:38,750 --> 00:12:37,740

are being said lately out there

245

00:12:41,050 --> 00:12:38,760

um

246

00:12:42,829 --> 00:12:41,060

most people still say no

247

00:12:48,230 --> 00:12:42,839

foreign

248

00:12:55,370 --> 00:12:51,170

29 of people say yep

249

00:12:57,350 --> 00:12:55,380

and 18 of people say no idea which you

250

00:13:01,550 --> 00:12:57,360

know I gotta give those people props

251  
00:13:04,850 --> 00:13:01,560  
because how do you know I gave people an

252  
00:13:07,430 --> 00:13:04,860  
out I have no idea

253  
00:13:09,410 --> 00:13:07,440  
um I think that's the correct answer but

254  
00:13:10,670 --> 00:13:09,420  
you know to each their own you know if

255  
00:13:13,009 --> 00:13:10,680  
you really think the government would

256  
00:13:14,389 --> 00:13:13,019  
great if you don't whatever that's fine

257  
00:13:17,090 --> 00:13:14,399  
too

258  
00:13:18,769 --> 00:13:17,100  
um but I thought it was interesting now

259  
00:13:20,750 --> 00:13:18,779  
of course we have a small sample size

260  
00:13:23,389 --> 00:13:20,760  
and there's about 500 some people who

261  
00:13:23,399 --> 00:13:27,949  
and I don't know who any of them are

262  
00:13:32,150 --> 00:13:30,290  
so who knows about the validity of the

263  
00:13:33,230 --> 00:13:32,160

poll but it was uh still fun to kind of

264

00:13:35,030 --> 00:13:33,240

throw it out there and see what happens

265

00:13:36,949 --> 00:13:35,040

we got some good comments on the polls

266

00:13:38,870 --> 00:13:36,959

too so

267

00:13:41,230 --> 00:13:38,880

um check it out a couple people were

268

00:13:43,970 --> 00:13:41,240

confused like that assumes that NH

269

00:13:45,410 --> 00:13:43,980

non-human intelligence is a real thing

270

00:13:46,730 --> 00:13:45,420

and that the government even knows about

271

00:13:50,150 --> 00:13:46,740

it

272

00:13:53,150 --> 00:13:50,160

um you know well the answer of no they

273

00:13:55,310 --> 00:13:53,160

would never disclose would be probably

274

00:13:56,810 --> 00:13:55,320

would probably mean that you know

275

00:13:58,250 --> 00:13:56,820

because think of a thousand years down

276

00:14:01,730 --> 00:13:58,260

the road two thousand years down the

277

00:14:03,470 --> 00:14:01,740

road like if it's real and it exists

278

00:14:05,509 --> 00:14:03,480

you know uh

279

00:14:08,269 --> 00:14:05,519

obviously it's going to come out by then

280

00:14:11,210 --> 00:14:08,279

you know so

281

00:14:13,310 --> 00:14:11,220

when you think of it that way get a

282

00:14:14,449 --> 00:14:13,320

little creative about it

283

00:14:16,670 --> 00:14:14,459

um

284

00:14:20,210 --> 00:14:16,680

the answer is yes and no kind of have a

285

00:14:22,129 --> 00:14:20,220

little more meaning I think but

286

00:14:24,350 --> 00:14:22,139

maybe I'm thinking too deep about it I'm

287

00:14:26,449 --> 00:14:24,360

not sure so

288

00:14:30,590 --> 00:14:26,459

with that being said let's get this show

289

00:14:32,750 --> 00:14:30,600

rolling thanks again for hanging out uh

290

00:14:35,389 --> 00:14:32,760

with witness citizen this is going to be

291

00:14:41,210 --> 00:14:37,550

let's do it

292

00:14:43,490 --> 00:14:41,220

let's start with the news

293

00:14:45,050 --> 00:14:43,500

so we have three pieces of news today

294

00:14:47,569 --> 00:14:45,060

that we're going to go through the first

295

00:14:49,430 --> 00:14:47,579

one is Liberation times Christopher

296

00:14:51,530 --> 00:14:49,440

sharp the second one is from Daily Star

297

00:14:53,389 --> 00:14:51,540

regarding a Texas case that Leslie Kane

298

00:14:54,829 --> 00:14:53,399

premiered International Geographic

299

00:14:57,290 --> 00:14:54,839

series

300

00:15:00,050 --> 00:14:57,300

the third is regarding a Navy Commander

301  
00:15:02,150 --> 00:15:00,060  
said he witnessed an orb in it when he

302  
00:15:03,710 --> 00:15:02,160  
was in Afghanistan that looked very

303  
00:15:08,389 --> 00:15:03,720  
similar to the one chunker Patrick

304  
00:15:11,389 --> 00:15:08,399  
showed at the Senate hearings on UAP

305  
00:15:12,949 --> 00:15:11,399  
so let's get started

306  
00:15:15,650 --> 00:15:12,959  
what sort of Life do you see out there

307  
00:15:17,810 --> 00:15:15,660  
uh a vegetable I think there is life in

308  
00:15:19,850 --> 00:15:17,820  
other planets I've seen a flying shorter

309  
00:15:20,810 --> 00:15:19,860  
you've seen one yes definitely do you

310  
00:15:22,670 --> 00:15:20,820  
think this will stand from another

311  
00:15:28,009 --> 00:15:22,680  
planet I really do well where else would

312  
00:15:34,189 --> 00:15:30,850  
this coming in from the

313  
00:15:36,889 --> 00:15:34,199

dailystar.co.uk UFO Chase with two

314

00:15:38,269 --> 00:15:36,899

fighter jets spotted by 300 stunned

315

00:15:40,790 --> 00:15:38,279

Witnesses

316

00:15:42,949 --> 00:15:40,800

of the Hot Pursuit

317

00:15:45,410 --> 00:15:42,959

radar footage of the Two fighter jets

318

00:15:48,650 --> 00:15:45,420

chasing around a dozen UFOs traveling in

319

00:15:50,870 --> 00:15:48,660

unison at 1900 miles per hour is being

320

00:15:54,170 --> 00:15:50,880

studied by defense Chiefs at the United

321

00:15:56,150 --> 00:15:54,180

States Air Force 300 locals reported

322

00:15:58,850 --> 00:15:56,160

witnessing the astonishing Hot Pursuit

323

00:16:01,009 --> 00:15:58,860

Of up to 12 mystery craft flying in

324

00:16:04,610 --> 00:16:01,019

unison in the Skies over the U.S state

325

00:16:06,829 --> 00:16:04,620

of Texas 15 years ago

326

00:16:08,569 --> 00:16:06,839

but military top brass failed to

327

00:16:11,569 --> 00:16:08,579

acknowledge the incident took place or

328

00:16:14,150 --> 00:16:11,579

offer any explanation of what the f-16s

329

00:16:16,129 --> 00:16:14,160

were chasing at first the U.S Air Force

330

00:16:18,410 --> 00:16:16,139

denied any of its Jets were in the area

331

00:16:20,689 --> 00:16:18,420

at the time

332

00:16:23,030 --> 00:16:20,699

then it conceded that there had been an

333

00:16:25,069 --> 00:16:23,040

internal Communications mistake an

334

00:16:26,629 --> 00:16:25,079

aircraft had been near the remote town

335

00:16:28,790 --> 00:16:26,639

of Stephenville

336

00:16:32,090 --> 00:16:28,800

when hundreds of locals reported the

337

00:16:33,410 --> 00:16:32,100

pursuit military Chiefs refused to

338

00:16:36,530 --> 00:16:33,420

acknowledge the giant line of

339

00:16:38,210 --> 00:16:36,540

fluorescent orbs shooting away from the

340

00:16:40,610 --> 00:16:38,220

Jets making movements Beyond any

341

00:16:43,490 --> 00:16:40,620

man-made craft

342

00:16:46,490 --> 00:16:43,500

UFO investigators use Freedom of

343

00:16:49,189 --> 00:16:46,500

Information laws to obtain radar footage

344

00:16:52,189 --> 00:16:49,199

from the night of the sighting January 8

345

00:16:54,949 --> 00:16:52,199

2008.

346

00:16:58,430 --> 00:16:54,959

they found the UFOs appeared on radar

347

00:17:00,829 --> 00:16:58,440

pursued by Jets

348

00:17:03,290 --> 00:17:00,839

the footage is among 510 Close

349

00:17:05,750 --> 00:17:03,300

Encounters between military personnel

350

00:17:07,789 --> 00:17:05,760

and unidentified craft currently being

351

00:17:10,250 --> 00:17:07,799

probed by the all domain anomaly

352

00:17:12,350 --> 00:17:10,260

resolution office on behalf of the U.S

353

00:17:14,390 --> 00:17:12,360

defense department its existence was

354

00:17:17,210 --> 00:17:14,400

revealed in National Geographic's

355

00:17:20,090 --> 00:17:17,220

bombshell new series UFOs investigating

356

00:17:21,590 --> 00:17:20,100

the unknown which screed on Monday April

357

00:17:24,110 --> 00:17:21,600

8th

358

00:17:26,030 --> 00:17:24,120

former U.S Deputy assistant secretary of

359

00:17:27,650 --> 00:17:26,040

defense for intelligence Christopher

360

00:17:30,650 --> 00:17:27,660

Mellon told the show the sighting was

361

00:17:32,630 --> 00:17:30,660

very intriguing eyewitness Lee Roy

362

00:17:34,730 --> 00:17:32,640

getting a police officer said he looked

363

00:17:37,610 --> 00:17:34,740

out of his car and saw 10-12 fluorescent

364

00:17:39,770 --> 00:17:37,620

orbs they were moving really quickly

365

00:17:42,370 --> 00:17:39,780

and then they stopped and then all of

366

00:17:47,830 --> 00:17:42,380

the sudden they shot off

367

00:17:51,049 --> 00:17:47,840

seconds later he saw the f-16s race past

368

00:17:52,970 --> 00:17:51,059

private airline pilot Steve Allen was

369

00:17:54,830 --> 00:17:52,980

camping out with his Pals nearby said he

370

00:17:59,090 --> 00:17:54,840

noticed some lights coming at us at a

371

00:18:01,970 --> 00:18:01,010

we saw Kraft coming from the East going

372

00:18:04,490 --> 00:18:01,980

west

373

00:18:06,710 --> 00:18:04,500

that extremely large lights like a

374

00:18:09,350 --> 00:18:06,720

magnesium flare it almost burnt your

375

00:18:12,770 --> 00:18:09,360

eyes to look at it he said

376

00:18:14,690 --> 00:18:12,780

it was moving extremely fast faster than

377

00:18:17,029 --> 00:18:14,700

any normal aircraft

378

00:18:19,850 --> 00:18:17,039

as we watched it we saw there were two

379

00:18:23,330 --> 00:18:19,860

F-16 jets in Hot Pursuit after it

380

00:18:26,870 --> 00:18:23,340

chasing it it was unbelievable it left a

381

00:18:30,350 --> 00:18:26,880

solid shock it was out of this world

382

00:18:32,750 --> 00:18:30,360

this one coming in from Fox News UFO

383

00:18:35,150 --> 00:18:32,760

search retired Navy's Senior Chief not

384

00:18:36,529 --> 00:18:35,160

going to jail to report what he saw in

385

00:18:38,510 --> 00:18:36,539

Afghanistan

386

00:18:40,730 --> 00:18:38,520

lawmakers pushed Department of Defense

387

00:18:42,830 --> 00:18:40,740

to establish a secure way for witnesses

388

00:18:46,010 --> 00:18:42,840

to report potential UFO sightings

389

00:18:48,710 --> 00:18:46,020

retired Navy senior Petty chief officer

390

00:18:50,750 --> 00:18:48,720

said he saw metallic orb in Afghanistan

391

00:18:52,909 --> 00:18:50,760

that's similar to the one shown in a

392

00:18:54,830 --> 00:18:52,919

video during last month's Senate hearing

393

00:18:56,690 --> 00:18:54,840

but there's no secure way for him to

394

00:18:59,330 --> 00:18:56,700

come forward

395

00:19:00,710 --> 00:18:59,340

I'm gonna be honest with you he says I'd

396

00:19:02,630 --> 00:19:00,720

love to tell you everything in detail

397

00:19:05,870 --> 00:19:02,640

but I'm not willing to go to jail to do

398

00:19:08,630 --> 00:19:05,880

it instead of retired Navy Senior Chief

399

00:19:10,190 --> 00:19:08,640

whose name is being withheld for fear of

400

00:19:11,870 --> 00:19:10,200

repercussions

401  
00:19:13,549 --> 00:19:11,880  
I'm constrained because of security

402  
00:19:15,650 --> 00:19:13,559  
agreements

403  
00:19:17,090 --> 00:19:15,660  
so they need a way for submissions to be

404  
00:19:19,669 --> 00:19:17,100  
made

405  
00:19:21,350 --> 00:19:19,679  
he told Fox News digital

406  
00:19:23,870 --> 00:19:21,360  
not having a secure way to report

407  
00:19:25,789 --> 00:19:23,880  
potential UFOs was a glaring oversight

408  
00:19:28,070 --> 00:19:25,799  
in the eyes of two lawmakers on both

409  
00:19:32,210 --> 00:19:28,080  
sides of the aisle after all domain

410  
00:19:34,250 --> 00:19:32,220  
anomaly resolution office April 19th UFO

411  
00:19:36,230 --> 00:19:34,260  
Hearing in front of the Senate armed

412  
00:19:41,390 --> 00:19:36,240  
services subcommittee on emerging

413  
00:19:46,430 --> 00:19:43,250

arrow is in office

414

00:19:49,490 --> 00:19:46,440

within the U.S Office of the Secretary

415

00:19:52,310 --> 00:19:49,500

of Defense that investigates UAP

416

00:19:54,890 --> 00:19:52,320

unidentified anomalous phenomena which

417

00:19:57,529 --> 00:19:54,900

is the government-created word for UFOs

418

00:19:59,390 --> 00:19:57,539

head of the agency Dr Sean Kirkpatrick

419

00:20:01,730 --> 00:19:59,400

showed the videos to lawmakers and said

420

00:20:03,650 --> 00:20:01,740

this is essentially all the data we have

421

00:20:06,230 --> 00:20:03,660

of this event

422

00:20:09,049 --> 00:20:06,240

it's going to be virtually impossible

423

00:20:10,789 --> 00:20:09,059

to fully identify that just based off of

424

00:20:14,029 --> 00:20:10,799

that video

425

00:20:16,310 --> 00:20:14,039

he said so it's considered an unresolved

426  
00:20:19,370 --> 00:20:16,320  
case

427  
00:20:21,169 --> 00:20:19,380  
the retired Navy senior enlisted said

428  
00:20:24,230 --> 00:20:21,179  
that he and other military service

429  
00:20:27,049 --> 00:20:24,240  
members saw a similar metallic orb from

430  
00:20:28,610 --> 00:20:27,059  
an Airborne platform in Afghanistan in

431  
00:20:30,350 --> 00:20:28,620  
the early 2000s

432  
00:20:32,150 --> 00:20:30,360  
there's quite a bit of gray here because

433  
00:20:34,669 --> 00:20:32,160  
the customer we were working for at the

434  
00:20:37,130 --> 00:20:34,679  
time retained all collected materials

435  
00:20:38,510 --> 00:20:37,140  
the Navy senior enlisted told Fox News

436  
00:20:40,250 --> 00:20:38,520  
digital

437  
00:20:43,190 --> 00:20:40,260  
but I know where the bodies are buried

438  
00:20:44,330 --> 00:20:43,200

not necessarily where the Digital Data

439

00:20:45,770 --> 00:20:44,340

is though

440

00:20:48,049 --> 00:20:45,780

I can point them in the right direction

441

00:20:49,850 --> 00:20:48,059

they're the April 19th Senate hearing

442

00:20:51,890 --> 00:20:49,860

Senators Mark Warner Democrat from

443

00:20:54,049 --> 00:20:51,900

Virginia Mark Rubio republican from

444

00:20:56,150 --> 00:20:54,059

Florida wrote a five bullet point letter

445

00:20:58,370 --> 00:20:56,160

to the dod which was shared with Fox

446

00:21:00,470 --> 00:20:58,380

News digital one of the arguments was

447

00:21:03,830 --> 00:21:00,480

the lack of a secure way for potential

448

00:21:07,549 --> 00:21:03,840

UFO witnesses to safely come forward and

449

00:21:11,990 --> 00:21:09,890

today we have seen no efforts to

450

00:21:14,630 --> 00:21:12,000

communicate the existence of the secure

451  
00:21:16,850 --> 00:21:14,640  
process to the public

452  
00:21:19,010 --> 00:21:16,860  
the senator said in their letter we

453  
00:21:21,350 --> 00:21:19,020  
request that you provide us an update on

454  
00:21:23,750 --> 00:21:21,360  
the plan to publicize the secure process

455  
00:21:26,090 --> 00:21:23,760  
for the witnesses to come forward Rubio

456  
00:21:28,310 --> 00:21:26,100  
told Fox News digital in an emailed

457  
00:21:30,289 --> 00:21:28,320  
statement through the spokesperson that

458  
00:21:31,789 --> 00:21:30,299  
Americans are truly understandably

459  
00:21:33,350 --> 00:21:31,799  
concerned

460  
00:21:37,250 --> 00:21:33,360  
about the objects in the country's

461  
00:21:41,149 --> 00:21:39,169  
what's worse our government spent too

462  
00:21:43,070 --> 00:21:41,159  
many years ignoring your downplaying the

463  
00:21:45,230 --> 00:21:43,080

threat Rubio said

464

00:21:47,510 --> 00:21:45,240

thankfully that is beginning to change

465

00:21:49,909 --> 00:21:47,520

but as we saw earlier this year the

466

00:21:51,529 --> 00:21:49,919

defense and intelligence communities are

467

00:21:53,390 --> 00:21:51,539

still struggling

468

00:21:56,029 --> 00:21:53,400

the Florida Senator referring to the

469

00:21:57,890 --> 00:21:56,039

Chinese spy balloon and three other uaps

470

00:22:00,470 --> 00:21:57,900

that the Biden Administration shot down

471

00:22:02,330 --> 00:22:00,480

in February

472

00:22:03,950 --> 00:22:02,340

senior Pentagon leaders said publicly

473

00:22:06,770 --> 00:22:03,960

that two of the UAP were almost

474

00:22:08,510 --> 00:22:06,780

certainly not balloons but Congress has

475

00:22:10,549 --> 00:22:08,520

not been provided the rationale or

476

00:22:12,710 --> 00:22:10,559

sensor data to support this

477

00:22:14,690 --> 00:22:12,720

unprecedented action he sent

478

00:22:15,830 --> 00:22:14,700

in this instance we shot down multiple

479

00:22:18,529 --> 00:22:15,840

UAP

480

00:22:21,350 --> 00:22:18,539

and it's not clear to this day we know

481

00:22:23,450 --> 00:22:21,360

with confidence what they were

482

00:22:25,669 --> 00:22:23,460

he said that not only is the American

483

00:22:27,590 --> 00:22:25,679

public lacking information

484

00:22:29,930 --> 00:22:27,600

but lawmakers tasked with congressional

485

00:22:33,289 --> 00:22:29,940

oversight are being denied critical

486

00:22:38,450 --> 00:22:35,990

we stood up the Aero office

487

00:22:40,909 --> 00:22:38,460

to address such an instance to rapidly

488

00:22:43,130 --> 00:22:40,919

Aggregate and analyze the data and apply

489

00:22:45,470 --> 00:22:43,140

the scientific process

490

00:22:47,630 --> 00:22:45,480

we need the Biden Administration to

491

00:22:50,690 --> 00:22:47,640

fully empower the Aero office and comply

492

00:22:52,789 --> 00:22:50,700

with the guidance set out in the FY 23

493

00:22:56,750 --> 00:22:52,799

and daa

494

00:22:59,330 --> 00:22:56,760

FY 23 ndaa stands for fiscal year 2023

495

00:23:00,950 --> 00:22:59,340

National Defense authorization Act

496

00:23:02,930 --> 00:23:00,960

which includes Clauses about

497

00:23:04,850 --> 00:23:02,940

establishing secure Pathways for

498

00:23:06,710 --> 00:23:04,860

Witnesses and whistleblowers to come

499

00:23:08,750 --> 00:23:06,720

forward with their stories

500

00:23:11,870 --> 00:23:08,760

the retired Navy's Senior Chief said

501  
00:23:15,350 --> 00:23:11,880  
that what the Senators are asking for is

502  
00:23:18,890 --> 00:23:15,360  
likely what I would need to submit

503  
00:23:20,810 --> 00:23:18,900  
May 8th by Liberation times case not

504  
00:23:25,789 --> 00:23:20,820  
closed

505  
00:23:29,210 --> 00:23:25,799  
DOD to review 2019 West Coast UFOs which

506  
00:23:31,850 --> 00:23:29,220  
harassed U.S warships

507  
00:23:34,070 --> 00:23:31,860  
according to the U.S Department of

508  
00:23:36,409 --> 00:23:34,080  
Defense data related to unidentified

509  
00:23:39,649 --> 00:23:36,419  
anomalous phenomena that swarmed U.S

510  
00:23:42,649 --> 00:23:39,659  
warships off the West Coast in 2019

511  
00:23:46,669 --> 00:23:42,659  
is set to be reviewed by its all at

512  
00:23:48,710 --> 00:23:46,679  
domain anomaly resolution office also

513  
00:23:52,070 --> 00:23:48,720

known as Arrow

514

00:23:54,230 --> 00:23:52,080

and its origin has not definitely been

515

00:23:56,990 --> 00:23:54,240

determined

516

00:23:59,570 --> 00:23:57,000

speaking specifically about triangular

517

00:24:01,669 --> 00:23:59,580

looking craft film from the USS Russell

518

00:24:05,029 --> 00:24:01,679

in July 2019

519

00:24:08,270 --> 00:24:05,039

Pentagon spokesperson Susan gowd told

520

00:24:12,409 --> 00:24:10,610

as noted by Scott Bray deputy director

521

00:24:16,029 --> 00:24:12,419

for Naval intelligence during a

522

00:24:19,130 --> 00:24:16,039

congressional Hearing in May 2022

523

00:24:22,070 --> 00:24:19,140

the UAP task force was reasonably

524

00:24:25,190 --> 00:24:22,080

confident that the triangles correlated

525

00:24:26,750 --> 00:24:25,200

to uas in the area given that the

526  
00:24:28,850 --> 00:24:26,760  
triangles appeared in videos from

527  
00:24:31,610 --> 00:24:28,860  
different occasions where U.S Navy

528  
00:24:34,970 --> 00:24:31,620  
assets observed a number of small uas

529  
00:24:37,310 --> 00:24:34,980  
nearby as with all UAP cases it

530  
00:24:40,130 --> 00:24:37,320  
inherited arrow is reviewing the

531  
00:24:43,310 --> 00:24:40,140  
associated data of past cases within its

532  
00:24:46,010 --> 00:24:43,320  
newly developed analytic framework

533  
00:24:48,169 --> 00:24:46,020  
although reasonably confident that the

534  
00:24:50,390 --> 00:24:48,179  
Triangular looking objects correlated

535  
00:24:53,510 --> 00:24:50,400  
with unmanned aerial systems in the area

536  
00:24:55,789 --> 00:24:53,520  
guy was unable to confirm the origin or

537  
00:24:59,270 --> 00:24:55,799  
controllers of The Craft noting that the

538  
00:25:01,610 --> 00:24:59,280

sources or origin cannot be definitively

539

00:25:04,250 --> 00:25:01,620

determined

540

00:25:07,310 --> 00:25:04,260

these triangles may be a combination of

541

00:25:09,409 --> 00:25:07,320

known sources including uas and arrow is

542

00:25:11,450 --> 00:25:09,419

using its newly implemented analytic

543

00:25:13,549 --> 00:25:11,460

framework to definitely determine the

544

00:25:19,930 --> 00:25:13,559

sources and peer review the results

545

00:25:24,470 --> 00:25:22,490

dod's comments follow testimony from an

546

00:25:27,830 --> 00:25:24,480

eyewitness who served on board the USS

547

00:25:29,450 --> 00:25:27,840

Paul Hamilton during the UAP events and

548

00:25:31,250 --> 00:25:29,460

who told journalists and filmmaker

549

00:25:33,430 --> 00:25:31,260

Jeremy Corbell that the objects did not

550

00:25:36,529 --> 00:25:33,440

appear to originate from the Hong Kong

551  
00:25:39,590 --> 00:25:36,539  
registered cargo vessel the best Strait

552  
00:25:42,950 --> 00:25:39,600  
which the New York Post asserted

553  
00:25:44,810 --> 00:25:42,960  
they the best Straight crew did deny

554  
00:25:47,450 --> 00:25:44,820  
they were the source and that they also

555  
00:25:50,090 --> 00:25:47,460  
never landed or launched them

556  
00:25:52,310 --> 00:25:50,100  
the eyewitnesses added we never saw them

557  
00:25:54,169 --> 00:25:52,320  
land or take off

558  
00:25:56,930 --> 00:25:54,179  
from the Bass Strait

559  
00:25:58,850 --> 00:25:56,940  
the dod's new office dedicated to

560  
00:26:01,250 --> 00:25:58,860  
investigating UAP

561  
00:26:03,470 --> 00:26:01,260  
the arrow will be reviewing the

562  
00:26:05,870 --> 00:26:03,480  
incidents using its analytical framework

563  
00:26:08,149 --> 00:26:05,880

however it remains uncertain whether

564

00:26:10,490 --> 00:26:08,159

this and similar cases can be resolved

565

00:26:12,529 --> 00:26:10,500

the director of Arrow Sean kirpatrick

566

00:26:15,409 --> 00:26:12,539

has acknowledged that he lacks title 50

567

00:26:16,789 --> 00:26:15,419

authorities which limits his access to

568

00:26:18,529 --> 00:26:16,799

the nation's full intelligence

569

00:26:20,570 --> 00:26:18,539

collection potential

570

00:26:22,130 --> 00:26:20,580

during a recent public hearing led by

571

00:26:24,590 --> 00:26:22,140

the Senate subcommittee on emerging

572

00:26:26,990 --> 00:26:24,600

threats and capabilities Dr Kirkpatrick

573

00:26:30,529 --> 00:26:27,000

confirmed that he is currently operating

574

00:26:33,110 --> 00:26:30,539

under title 10 authorities

575

00:26:35,330 --> 00:26:33,120

he said there are some authorities that

576  
00:26:37,250 --> 00:26:35,340  
we need we currently are operating under

577  
00:26:39,470 --> 00:26:37,260  
title 10 authorities but we have good

578  
00:26:41,149 --> 00:26:39,480  
relationships across the other agencies

579  
00:26:43,190 --> 00:26:41,159  
this means that he can access

580  
00:26:45,590 --> 00:26:43,200  
information from DOD and military

581  
00:26:48,289 --> 00:26:45,600  
operations but not from intelligence

582  
00:26:50,870 --> 00:26:48,299  
agencies intelligence activities in

583  
00:26:53,630 --> 00:26:50,880  
covert action without access to such

584  
00:26:55,549 --> 00:26:53,640  
information Dr Kirkpatrick's capacity to

585  
00:26:58,250 --> 00:26:55,559  
positively identify the origin and

586  
00:27:01,430 --> 00:26:58,260  
controllers of UAP may be limited

587  
00:27:03,049 --> 00:27:01,440  
for instance he does not have access to

588  
00:27:05,330 --> 00:27:03,059

National reconnaissance or National

589

00:27:07,490 --> 00:27:05,340  
geospatial Intelligence Agency

590

00:27:09,049 --> 00:27:07,500  
collection systems which could

591

00:27:11,990 --> 00:27:09,059  
potentially support identification

592

00:27:14,029 --> 00:27:12,000  
efforts through use of satellites

593

00:27:16,250 --> 00:27:14,039  
during the hearing Dr Kirkpatrick stated

594

00:27:18,890 --> 00:27:16,260  
that he is unable to reach defensible

595

00:27:20,269 --> 00:27:18,900  
conclusions in closed cases

596

00:27:22,430 --> 00:27:20,279  
he said

597

00:27:24,710 --> 00:27:22,440  
while a large number of cases in our

598

00:27:26,750 --> 00:27:24,720  
Holdings remain technically unresolved

599

00:27:29,390 --> 00:27:26,760  
this is primarily due to the lack of

600

00:27:31,850 --> 00:27:29,400  
data associated with those cases

601  
00:27:33,649 --> 00:27:31,860  
without sufficient data we are unable to

602  
00:27:35,690 --> 00:27:33,659  
reach defensible conclusions that meet

603  
00:27:38,210 --> 00:27:35,700  
the high scientific standards we set for

604  
00:27:42,649 --> 00:27:38,220  
resolution and I will not close a case

605  
00:27:45,649 --> 00:27:42,659  
that I cannot defend the conclusions of

606  
00:27:48,230 --> 00:27:45,659  
this is why 189 cases can be initially

607  
00:27:51,110 --> 00:27:48,240  
characterized as balloon-like or uas

608  
00:27:55,010 --> 00:27:51,120  
like entities but cannot be positively

609  
00:27:59,510 --> 00:27:57,470  
unlike normal drones observed by a Navy

610  
00:28:02,090 --> 00:27:59,520  
personality eyewitnesses who spoke with

611  
00:28:03,529 --> 00:28:02,100  
Corbell explained they would depart on

612  
00:28:05,990 --> 00:28:03,539  
different bearings

613  
00:28:08,029 --> 00:28:06,000

they would come in from

614

00:28:09,830 --> 00:28:08,039

Susan GAO confirmed The Liberation times

615

00:28:12,230 --> 00:28:09,840

that the objects filmed from the USS

616

00:28:14,090 --> 00:28:12,240

Russell appear triangular both due to

617

00:28:17,210 --> 00:28:14,100

the angle of observation and Optical

618

00:28:19,789 --> 00:28:17,220

system used

619

00:28:22,070 --> 00:28:19,799

she said as Mr Bray also noted during

620

00:28:23,870 --> 00:28:22,080

his testimony we can confirm that the

621

00:28:26,029 --> 00:28:23,880

objects observed in this case appeared

622

00:28:28,190 --> 00:28:26,039

to the viewer as triangular shapes due

623

00:28:31,070 --> 00:28:28,200

to the angle of observation and Optical

624

00:28:33,590 --> 00:28:31,080

system used

625

00:28:35,870 --> 00:28:33,600

cow's statement confirms that there may

626

00:28:38,690 --> 00:28:35,880

not be a single explanation as to why

627

00:28:42,169 --> 00:28:38,700

the objects appear triangular and cannot

628

00:28:44,690 --> 00:28:42,179

be solely explained by the bokeh effect

629

00:28:47,450 --> 00:28:44,700

which some commentators

630

00:28:49,610 --> 00:28:47,460

have suggested however the analysis from

631

00:28:52,370 --> 00:28:49,620

debunkers of the video

632

00:28:54,350 --> 00:28:52,380

will still be considered

633

00:28:56,450 --> 00:28:54,360

go also confirmed

634

00:28:58,669 --> 00:28:56,460

that the alignment of stars and planets

635

00:29:00,830 --> 00:28:58,679

will be reviewed she said

636

00:29:02,330 --> 00:29:00,840

as a part of the analytic framework the

637

00:29:03,710 --> 00:29:02,340

source of delights are currently being

638

00:29:06,830 --> 00:29:03,720

reviewed against the star planet

639

00:29:09,529 --> 00:29:06,840

alignment at the time air traffic and

640

00:29:11,810 --> 00:29:09,539

other likely uas systems

641

00:29:15,049 --> 00:29:11,820

is we have stated previously there is

642

00:29:17,269 --> 00:29:15,059

not one solution for all UAP

643

00:29:19,370 --> 00:29:17,279

it may be a matter of discretion whether

644

00:29:21,049 --> 00:29:19,380

the UAP including those of a triangular

645

00:29:22,789 --> 00:29:21,059

shape exhibited unusual flight

646

00:29:24,230 --> 00:29:22,799

characteristics or performance

647

00:29:26,510 --> 00:29:24,240

capabilities

648

00:29:28,490 --> 00:29:26,520

the inability to determine the source of

649

00:29:30,049 --> 00:29:28,500

the objects that are harassing U.S

650

00:29:32,330 --> 00:29:30,059

warships whether they are Chinese

651  
00:29:33,769 --> 00:29:32,340  
Russian commercial or less conventional

652  
00:29:36,649 --> 00:29:33,779  
in nature

653  
00:29:39,529 --> 00:29:36,659  
is indicative of an alarming Gap in

654  
00:29:44,510 --> 00:29:42,289  
the objects are currently labeled as uas

655  
00:29:46,730 --> 00:29:44,520  
by the dod which were their original

656  
00:29:48,649 --> 00:29:46,740  
classification by those serving on board

657  
00:29:50,810 --> 00:29:48,659  
the ships which witnessed the events in

658  
00:29:53,750 --> 00:29:50,820  
2019.

659  
00:29:56,149 --> 00:29:53,760  
one witness serving on board USS Omaha

660  
00:29:58,370 --> 00:29:56,159  
whose responsibility was to designate

661  
00:30:01,490 --> 00:29:58,380  
the objects now questions the

662  
00:30:04,010 --> 00:30:01,500  
classification commenting

663  
00:30:05,630 --> 00:30:04,020

the classification of uas is now

664

00:30:08,149 --> 00:30:05,640

inappropriate because it was never

665

00:30:10,370 --> 00:30:08,159

confirmed

666

00:30:12,590 --> 00:30:10,380

Liberation times has learned that some

667

00:30:14,450 --> 00:30:12,600

politicians within the U.S Congress are

668

00:30:16,730 --> 00:30:14,460

increasingly frustrated as many

669

00:30:20,090 --> 00:30:16,740

questions remain unanswered about this

670

00:30:21,590 --> 00:30:20,100

and other UAP events and it may only be

671

00:30:23,750 --> 00:30:21,600

a matter of time until Congress

672

00:30:26,029 --> 00:30:23,760

escalates its efforts through another

673

00:30:27,529 --> 00:30:26,039

public Hearing in new drafts of the

674

00:30:29,870 --> 00:30:27,539

intelligence and National Defense

675

00:30:32,990 --> 00:30:29,880

authorization Acts

676  
00:30:35,630 --> 00:30:33,000  
such efforts May Target alleged legal

677  
00:30:38,930 --> 00:30:35,640  
UAP related special access programs

678  
00:30:41,450 --> 00:30:38,940  
which may provide less and prosaic

679  
00:30:43,789 --> 00:30:41,460  
answers love our content and wish to

680  
00:30:47,830 --> 00:30:43,799  
support the website you can now become a

681  
00:30:47,840 --> 00:30:52,130  
UAP news

682  
00:30:59,990 --> 00:30:56,810  
the United States Air Force has been

683  
00:31:02,990 --> 00:31:00,000  
uploading a few things to the National

684  
00:31:06,649 --> 00:31:03,000  
Archives website and they actually

685  
00:31:07,970 --> 00:31:06,659  
released some things back in April they

686  
00:31:13,190 --> 00:31:07,980  
released

687  
00:31:14,690 --> 00:31:13,200  
Project Blue Book files but they

688  
00:31:16,669 --> 00:31:14,700

released a lot of them and they already

689

00:31:20,470 --> 00:31:16,679

have the Blue Book files on the archives

690

00:31:23,810 --> 00:31:20,480

website let me be clear but they

691

00:31:26,049 --> 00:31:23,820

have uploaded you know the same things

692

00:31:29,090 --> 00:31:26,059

basically in a different way

693

00:31:32,350 --> 00:31:29,100

a less useful way actually

694

00:31:36,590 --> 00:31:32,360

but they also uploaded

695

00:31:40,789 --> 00:31:38,690

um of

696

00:31:44,570 --> 00:31:40,799

I guess an artifact that was a part of a

697

00:31:46,970 --> 00:31:44,580

UFO case you could say in 1964 and the

698

00:31:49,970 --> 00:31:46,980

photo is like

699

00:31:52,190 --> 00:31:49,980

beautiful it is super clear it's in

700

00:31:53,529 --> 00:31:52,200

color you can see the wood you can see

701  
00:31:56,330 --> 00:31:53,539  
the metal

702  
00:31:57,409 --> 00:31:56,340  
it's amazing

703  
00:31:59,450 --> 00:31:57,419  
um

704  
00:32:02,210 --> 00:31:59,460  
and I guess I'm more kind of blown away

705  
00:32:05,510 --> 00:32:02,220  
because uh I've looked at Blue Book

706  
00:32:08,269 --> 00:32:05,520  
files in uh the photos for a while now

707  
00:32:11,389 --> 00:32:08,279  
and they're all black and white and

708  
00:32:15,049 --> 00:32:11,399  
um for the most part pretty you know

709  
00:32:16,970 --> 00:32:15,059  
they leave a lot to be desired let's say

710  
00:32:18,950 --> 00:32:16,980  
um so this is kind of intriguing and it

711  
00:32:21,010 --> 00:32:18,960  
makes me think that they have other

712  
00:32:24,590 --> 00:32:21,020  
color photographs that look probably

713  
00:32:26,810 --> 00:32:24,600

just as good and I am really curious

714

00:32:30,350 --> 00:32:26,820

about that because I've seen some of

715

00:32:32,690 --> 00:32:30,360

those photos and I really really would

716

00:32:35,930 --> 00:32:32,700

like to see a better quality color

717

00:32:37,669 --> 00:32:35,940

version of those so

718

00:32:39,590 --> 00:32:37,679

um maybe that will happen

719

00:32:42,409 --> 00:32:39,600

because this is really strange that the

720

00:32:43,669 --> 00:32:42,419

United States Air Force uploaded this

721

00:32:45,230 --> 00:32:43,679

um

722

00:32:46,789 --> 00:32:45,240

because it's really strange that the

723

00:32:50,870 --> 00:32:46,799

United States Air Force uploaded this

724

00:32:54,169 --> 00:32:50,880

but let me show you what it is

725

00:32:56,870 --> 00:32:54,179

yes it's an arrowhead

726

00:33:01,970 --> 00:32:56,880

a broken Arrowhead

727

00:33:06,710 --> 00:33:03,889

as you can see

728

00:33:08,870 --> 00:33:06,720

almost like it was shot at something

729

00:33:16,549 --> 00:33:08,880

and bent

730

00:33:22,009 --> 00:33:19,250

so of all things that the Air Force

731

00:33:27,590 --> 00:33:22,019

uploads

732

00:33:31,730 --> 00:33:29,090

they didn't release any other photos

733

00:33:34,730 --> 00:33:31,740

maybe they will or maybe they have while

734

00:33:40,250 --> 00:33:34,740

I'm talking now but um as far as I could

735

00:33:40,260 --> 00:33:43,730

so

736

00:33:48,049 --> 00:33:46,490

what is it why do they have a broken

737

00:33:50,630 --> 00:33:48,059

Arrowhead

738

00:33:53,570 --> 00:33:50,640

in their files what UFO case could this

739

00:33:55,970 --> 00:33:53,580

be well you're in luck

740

00:33:58,070 --> 00:33:55,980

I performed a reading

741

00:34:00,590 --> 00:33:58,080

of the blue book case

742

00:34:02,269 --> 00:34:00,600

so we can get a little bit more familiar

743

00:34:05,690 --> 00:34:02,279

with it

744

00:34:07,370 --> 00:34:05,700

um it's actually a close contact case so

745

00:34:16,780 --> 00:34:07,380

um

746

00:34:16,790 --> 00:34:25,909

[Music]

747

00:34:29,389 --> 00:34:27,649

but there have been trained observers

748

00:34:30,710 --> 00:34:29,399

who have made UFO sightings haven't they

749

00:34:32,869 --> 00:34:30,720

been majored it's been known to happen

750

00:34:34,310 --> 00:34:32,879

this man said that if he didn't tell

751  
00:34:37,609 --> 00:34:34,320  
someone he was going to go out of his

752  
00:34:39,770 --> 00:34:37,619  
mind he had the most incredible story he

753  
00:34:55,490 --> 00:34:39,780  
was virtually attacked by some kind of

754  
00:35:01,670 --> 00:34:58,130  
Roan flat

755  
00:35:04,849 --> 00:35:01,680  
with extended glowing light three in

756  
00:35:07,370 --> 00:35:04,859  
formation projected light with the

757  
00:35:10,910 --> 00:35:07,380  
whirring sound light appeared above the

758  
00:35:13,849 --> 00:35:10,920  
Ridgeline circled individual in Forest

759  
00:35:18,890 --> 00:35:13,859

Northern California stable mature not

763  
00:35:30,589 --> 00:35:28,079

inclined to speculate major sighting

summary on Friday for September 1964.

775

00:36:03,230 --> 00:36:00,900

three individuals from the Sacramento

776

00:36:06,349 --> 00:36:03,240

area were out of Bowen Arrow hunting

777

779

00:36:12,950 --> 00:36:10,980

the vicinity of Cisco Grove

780

00:36:14,569 --> 00:36:12,960

approximately eight miles north of

782

00:36:19,609 --> 00:36:17,160

the Party of Three became separated

783

00:36:25,010 --> 00:36:19,619

the following UFO sighting is a

784

00:36:29,930 --> 00:36:27,050

of Mr Smith of Orangeville California

785

00:36:34,550 --> 00:36:29,940

regarding his personal experience during

786

00:36:38,990 --> 00:36:36,710

Mr Smith witnessed three unidentified

787

00:36:40,910 --> 00:36:39,000

flying objects each equipped with the

788

00:36:43,910 --> 00:36:40,920

protruding and rotating light that

789

00:36:46,550 --> 00:36:43,920

emitted cooing noises in the loch glaven

790

00:36:48,050 --> 00:36:46,560

Lake area from early dusk to late in the

791

00:36:50,870 --> 00:36:48,060

evening

792

00:36:52,910 --> 00:36:50,880

upon first noticing the lights

793

00:36:56,030 --> 00:36:52,920

believing them to be a helicopter

794

00:36:57,890 --> 00:36:56,040

looking for him Mr Smith lighted three

795

00:36:59,630 --> 00:36:57,900

signifiers on the ridge overlooking

796

00:37:01,490 --> 00:36:59,640

Granite Creek Valley

797

00:37:03,470 --> 00:37:01,500

the light appeared to be three silvery

798

00:37:06,650 --> 00:37:03,480

objects that were attracted to locality

799

00:37:08,510 --> 00:37:06,660

of Mr Smith dropping two unknown objects

800

00:37:10,910 --> 00:37:08,520

in their descent encircling his position

801  
00:37:13,370 --> 00:37:10,920  
within a few minutes he heard loud

802  
00:37:14,390 --> 00:37:13,380  
crashing in the underbrush below his

803  
00:37:16,190 --> 00:37:14,400  
position

804  
00:37:18,829 --> 00:37:16,200  
and since it was traveling in his

805  
00:37:20,930 --> 00:37:18,839  
Direction he took sanctuary in the lower

806  
00:37:22,670 --> 00:37:20,940  
branches of a Tall Pine Tree he

807  
00:37:25,310 --> 00:37:22,680  
thereupon witnessed two human-like

808  
00:37:27,829 --> 00:37:25,320  
individuals approaching his position and

809  
00:37:30,890 --> 00:37:27,839  
that of the signifiers they were garbed

810  
00:37:33,290 --> 00:37:30,900  
in silverlag suit but visually had the

811  
00:37:35,930 --> 00:37:33,300  
complete absence of a neck these strange

812  
00:37:37,550 --> 00:37:35,940  
individuals had unusual facial features

813  
00:37:40,310 --> 00:37:37,560

especially in the region of the eyes

814

00:37:42,530 --> 00:37:40,320

that protruded extensively Mr Smith

815

00:37:45,170 --> 00:37:42,540

believes that he was noticed by these

816

00:37:48,050 --> 00:37:45,180

three individuals and that they tried to

817

00:37:51,710 --> 00:37:48,060

dislodge him from his tree position

818

00:37:53,630 --> 00:37:51,720

another third alien individual differing

819

00:37:56,030 --> 00:37:53,640

from the two previous types appeared on

820

00:37:59,089 --> 00:37:56,040

the scene this individual is referred to

821

00:38:00,589 --> 00:37:59,099

by Mr Smith as a robot for lack of a

822

00:38:02,630 --> 00:38:00,599

better description

823

00:38:04,790 --> 00:38:02,640

and that he fired some arrows at the

824

00:38:07,970 --> 00:38:04,800

robot but failed to distract or divert

825

00:38:09,710 --> 00:38:07,980

any of the unidentified individuals he

826

00:38:11,089 --> 00:38:09,720

tried Fire by lighting parts of his

827

00:38:12,890 --> 00:38:11,099

clothing and throwing it at the

828

00:38:16,010 --> 00:38:12,900

individuals to which they had violent

829

00:38:19,010 --> 00:38:16,020

reactions it was at this time that the

830

00:38:20,630 --> 00:38:19,020

alien UFOs reacted also to the fire by

831

00:38:22,970 --> 00:38:20,640

ascending upwards

832

00:38:25,310 --> 00:38:22,980

Mr Smith experienced physical reaction

833

00:38:28,010 --> 00:38:25,320

to a vapor emitted from the robots and

834

00:38:29,990 --> 00:38:28,020

blacked out his bow wedged into a crack

835

00:38:31,730 --> 00:38:30,000

of the limb of the tree which prevented

836

00:38:34,190 --> 00:38:31,740

his falling and later the continual

837

00:38:36,410 --> 00:38:34,200

harassment caused him to climb higher

838

00:38:38,630 --> 00:38:36,420

into the tree

839

00:38:40,609 --> 00:38:38,640

and using his belt he strapped himself

840

00:38:42,650 --> 00:38:40,619

to the tree

841

00:38:45,650 --> 00:38:42,660

the alien individuals communicated

842

00:38:47,870 --> 00:38:45,660

together via an unintelligible cooing

843

00:38:50,030 --> 00:38:47,880

noise

844

00:38:51,770 --> 00:38:50,040

as well as that communication vectored

845

00:38:53,990 --> 00:38:51,780

from the movable light on the UFO

846

00:38:56,150 --> 00:38:54,000

vehicle

847

00:38:59,150 --> 00:38:56,160

regaining Consciousness at the early

848

00:39:02,270 --> 00:38:59,160

Dawn Mr Smith discovered the UFO when

849

00:39:04,670 --> 00:39:02,280

occupants had disappeared

850

00:39:06,589 --> 00:39:04,680

he rejoined his hunting Companions and

851  
00:39:07,970 --> 00:39:06,599  
telling them his story receive remarks

852  
00:39:09,890 --> 00:39:07,980  
that it

853  
00:39:11,210 --> 00:39:09,900  
probably had something to do with the

854  
00:39:14,930 --> 00:39:11,220  
meteorite

855  
00:39:19,310 --> 00:39:17,089  
he told this story to his father-in-law

856  
00:39:22,370 --> 00:39:19,320  
who prompted him to get in touch with

857  
00:39:26,990 --> 00:39:25,190  
Mr Smith contacted a local astronomer

858  
00:39:32,030 --> 00:39:27,000  
instructor who subsequently notified

859  
00:39:36,410 --> 00:39:34,310  
Intelligence Officers at Mather Air

860  
00:39:39,050 --> 00:39:36,420  
Force Base notified McClellan Air Force

861  
00:39:43,609 --> 00:39:39,060  
Base and the intelligence members

862  
00:39:47,030 --> 00:39:43,619  
of the 552 aew and cwg

863  
00:39:50,630 --> 00:39:47,040

accomplished the interview above

864

00:39:56,089 --> 00:39:53,630

Mr Smith is a local resident and is

865

00:39:58,430 --> 00:39:56,099

approximately 27 years of age married

866

00:40:02,150 --> 00:39:58,440

and presently employed at a local

867

00:40:04,490 --> 00:40:02,160

missile production plant

868

00:40:05,930 --> 00:40:04,500

appears stable and consistent in telling

869

00:40:08,810 --> 00:40:05,940

his story and believes that the above

870

00:40:11,270 --> 00:40:08,820

occurred as described

871

00:40:13,310 --> 00:40:11,280

as actual tape recording narration of

872

00:40:14,150 --> 00:40:13,320

his encounter is held in this office as

873

00:40:16,550 --> 00:40:14,160

well

874

00:40:19,910 --> 00:40:16,560

is the only arrow fired during this

875

00:40:23,089 --> 00:40:19,920

encounter and a copy of a letter this

876

00:40:24,710 --> 00:40:23,099

UFO be narrated to a local civilian

877

00:40:26,930 --> 00:40:24,720

educator

878

00:40:28,250 --> 00:40:26,940

and passed on to Mather Air Force Base

879

00:40:47,510 --> 00:40:28,260

officials

880

00:40:53,930 --> 00:40:49,849

now it's time for everybody's favorite

881

00:40:55,609 --> 00:40:53,940

portion of the episodes here at witness

882

00:40:58,010 --> 00:40:55,619

citizen I'm not really sure it's

883

00:41:00,710 --> 00:40:58,020

everybody's favorite but I know y'all

884

00:41:04,490 --> 00:41:00,720

like it so let's get into it it's called

885

00:41:07,250 --> 00:41:04,500

what the heck is that where we watch UFO

886

00:41:11,530 --> 00:41:07,260

videos uploaded on the internet and ask

887

00:41:11,540 --> 00:41:19,000

what the heck

888

00:41:43,730 --> 00:41:35,320

[Music]

889

00:42:32,990 --> 00:41:44,920

foreign

890

00:42:33,000 --> 00:42:37,970

Focus

891

00:42:48,109 --> 00:42:40,010

so that's it I'm just being all the way

892

00:42:52,370 --> 00:42:50,150

everything else it's kind of fun to see

893

00:43:00,410 --> 00:42:52,380

like a little Shadow over there on the

894

00:43:00,420 --> 00:43:06,589

I really can't tell I'm zoomed in

895

00:43:17,170 --> 00:43:10,089

I can't get any closer

896

00:43:22,670 --> 00:43:19,510

wait a minute

897

00:43:26,089 --> 00:43:22,680

holy look at that look at the shape

898

00:43:27,410 --> 00:43:26,099

oh my god wow that is that's

899

00:43:29,450 --> 00:43:27,420

cool

900

00:43:41,569 --> 00:43:29,460

you see that yeah

901  
00:43:41,579 --> 00:43:56,230  
wow

902  
00:44:07,609 --> 00:43:59,270  
holy moly

903  
00:44:17,270 --> 00:44:09,530  
cool

904  
00:44:17,280 --> 00:44:31,730  
there it is again

905  
00:44:37,030 --> 00:44:33,890  
that is so creepy

906  
00:44:40,370 --> 00:44:37,040  
blue around it

907  
00:44:42,829 --> 00:44:40,380  
yeah you can't see the colors from here

908  
00:44:48,470 --> 00:44:45,010  
um well that's full high definition

909  
00:44:53,390 --> 00:44:48,480  
it's definitely a regular Flying Saucer

910  
00:44:58,550 --> 00:44:56,030  
can you do that's as far as I can soon

911  
00:45:02,569 --> 00:44:58,560  
and I've even got I've even got the
