the following UFO sighting is a

39

00:02:04,490 --> 00:02:01,609

Mr Smith of Orangeville California

40

00:02:09,109 --> 00:02:04,500

regarding his personal experience during

41

00:02:13,550 --> 00:02:11,270

Mr Smith witnessed three unidentified

42

00:02:15,410 --> 00:02:13,560

flying objects each equipped with the

43

00:02:18,410 --> 00:02:15,420

protruding and rotating light that

44

00:02:21,050 --> 00:02:18,420

emitted cooing noises in the loch glaven

45

00:02:22,670 --> 00:02:21,060

Lake area from early dusk to late in the

46

00:02:25,430 --> 00:02:22,680

evening

47

00:02:27,470 --> 00:02:25,440

upon first noticing the lights

48

00:02:30,650 --> 00:02:27,480

believing them to be a helicopter

49

00:02:32,570 --> 00:02:30,660

looking for him Mr Smith lighted three

50

00:02:34,250 --> 00:02:32,580

signifiers on the ridge overlooking

51  
00:02:36,110 --> 00:02:34,260  
Granite Creek Valley

52  
00:02:38,210 --> 00:02:36,120  
the light appeared to be three silvery

53  
00:02:41,210 --> 00:02:38,220  
objects that were attracted to locality

54  
00:02:43,070 --> 00:02:41,220  
of Mr Smith dropping two unknown objects

55  
00:02:45,530 --> 00:02:43,080  
in their descent encircling his position

56  
00:02:47,990 --> 00:02:45,540  
within a few minutes he heard loud

57  
00:02:48,949 --> 00:02:48,000  
crashing and the underbrush below his

58  
00:02:50,690 --> 00:02:48,959  
position

59  
00:02:53,270 --> 00:02:50,700  
and since it was traveling in his

60  
00:02:55,610 --> 00:02:53,280  
Direction he took sanctuary in the lower

61  
00:02:57,170 --> 00:02:55,620  
branches of a Tall Pine Tree he there

62  
00:02:59,809 --> 00:02:57,180  
upon witnessed two human-like

63  
00:03:02,390 --> 00:02:59,819

individuals approaching his position and

64

00:03:05,449 --> 00:03:02,400

that of the signifiers they were garbed

65

00:03:07,910 --> 00:03:05,459

in silver leg suit but visually had the

66

00:03:10,490 --> 00:03:07,920

complete absence of a neck these strange

67

00:03:12,110 --> 00:03:10,500

individuals had unusual facial features

68

00:03:14,869 --> 00:03:12,120

especially in the region of the eyes

69

00:03:17,089 --> 00:03:14,879

that protruded extensively Mr Smith

70

00:03:19,729 --> 00:03:17,099

believes that he was noticed by these

71

00:03:22,670 --> 00:03:19,739

three individuals and that they tried to

72

00:03:25,250 --> 00:03:22,680

dislodge him from his tree position

73

00:03:27,589 --> 00:03:25,260

and at a third alien individual

74

00:03:30,110 --> 00:03:27,599

differing from the two previous types

75

00:03:33,170 --> 00:03:30,120

appeared on the scene this individual is

76

00:03:35,210 --> 00:03:33,180

referred to by Mr Smith as a robot for

77

00:03:37,130 --> 00:03:35,220

lack of a better description

78

00:03:39,229 --> 00:03:37,140

and that he fired some arrows at the

79

00:03:42,589 --> 00:03:39,239

robot but failed to distract or divert

80

00:03:44,330 --> 00:03:42,599

any of the unidentified individuals he

81

00:03:45,710 --> 00:03:44,340

tried Fire by lighting parts of his

82

00:03:47,509 --> 00:03:45,720

clothing and throwing it at the

83

00:03:50,750 --> 00:03:47,519

individuals to which they had violent

84

00:03:53,630 --> 00:03:50,760

reactions it was at this time that the

85

00:03:56,509 --> 00:03:53,640

alien UFOs reacted also to the fire by

86

00:03:58,789 --> 00:03:56,519

ascending upwards Mr Smith experienced

87

00:04:01,250 --> 00:03:58,799

physical reaction to a vapor emitted

88

00:04:03,470 --> 00:04:01,260

from the robots and blacked out his bow

89

00:04:05,330 --> 00:04:03,480

wedged into a crack of the limb of the

90

00:04:07,550 --> 00:04:05,340

tree which prevented his falling and

91

00:04:10,850 --> 00:04:07,560

later the continual harassment caused

92

00:04:13,190 --> 00:04:10,860

him to climb higher into the tree

93

00:04:15,229 --> 00:04:13,200

and using his belt he strapped himself

94

00:04:17,150 --> 00:04:15,239

to the tree

95

00:04:20,210 --> 00:04:17,160

the alien individuals communicated

96

00:04:22,490 --> 00:04:20,220

together via an unintelligible cooing

97

00:04:26,330 --> 00:04:24,590

as well as that communication vectored

98

00:04:28,610 --> 00:04:26,340

from the movable light on the UFO

99

00:04:30,710 --> 00:04:28,620

vehicle

100

00:04:33,770 --> 00:04:30,720

regaining Consciousness at the early

101  
00:04:36,830 --> 00:04:33,780  
Dawn Mr Smith discovered the UFO in

102  
00:04:39,230 --> 00:04:36,840  
occupants had disappeared

103  
00:04:41,090 --> 00:04:39,240  
he rejoined his hunting Companions and

104  
00:04:42,590 --> 00:04:41,100  
telling them his story received remarks

105  
00:04:44,450 --> 00:04:42,600  
that it

106  
00:04:45,590 --> 00:04:44,460  
probably had something to do with the

107  
00:04:49,550 --> 00:04:45,600  
meteorite

108  
00:04:53,870 --> 00:04:51,590  
he told this story to his father-in-law

109  
00:04:56,930 --> 00:04:53,880  
who prompted him to get in touch with

110  
00:05:01,670 --> 00:04:59,810  
Mr Smith contacted a local astronomer

111  
00:05:06,710 --> 00:05:01,680  
instructor who subsequently notified

112  
00:05:11,030 --> 00:05:08,990  
Intelligence Officers at Mather Air

113  
00:05:13,670 --> 00:05:11,040

Force Base notified McClellan Air Force

114

00:05:18,110 --> 00:05:13,680

of the 552 aew and cwg

116

00:05:25,249 --> 00:05:21,600

accomplished the interview above

117

00:05:30,710 --> 00:05:28,189

Mr Smith is a local resident and is

118

00:05:33,050 --> 00:05:30,720

approximately 27 years of age married

119

00:05:36,529 --> 00:05:33,060

and presently employed at a local

120

00:05:38,810 --> 00:05:36,539

missile production plant

121

00:05:40,370 --> 00:05:38,820

he appears stable and consistent and

122

00:05:43,370 --> 00:05:40,380

telling his story and believes that the

123

00:05:45,890 --> 00:05:43,380

above occurred as described

124

00:05:47,870 --> 00:05:45,900

as actual tape recording narration of

125

00:05:48,650 --> 00:05:47,880

well

127

00:05:53,930 --> 00:05:51,060

is the only arrow fired during this

128

00:05:57,650 --> 00:05:53,940

encounter and a copy of a letter

129

00:05:59,390 --> 00:05:57,660

this ufo-b narrated to a local civilian

130

00:06:01,430 --> 00:05:59,400

educator

131

00:06:02,810 --> 00:06:01,440
