

1
00:00:07,430 --> 00:00:05,510
the Air Force has a long-standing

2
00:00:09,530 --> 00:00:07,440
relationship and interest in

3
00:00:13,669 --> 00:00:09,540
unidentified flying objects going back

4
00:00:15,829 --> 00:00:13,679
to 1947 and possibly even earlier

5
00:00:18,950 --> 00:00:15,839
we're all familiar with Roswell which

6
00:00:20,630 --> 00:00:18,960
took place in and around July 1947 and

7
00:00:22,429 --> 00:00:20,640
that's probably one of the more popular

8
00:00:25,730 --> 00:00:22,439
cases

9
00:00:27,830 --> 00:00:25,740
but it was as early as September 1947

10
00:00:30,650 --> 00:00:27,840
where we find a memo written by

11
00:00:32,749 --> 00:00:30,660
Lieutenant General Twining Lieutenant

12
00:00:35,450 --> 00:00:32,759
General Twining wrote

13
00:00:38,270 --> 00:00:35,460

it is the opinion that the phenomenon

14

00:00:41,150 --> 00:00:38,280

reported is something real

15

00:00:43,069 --> 00:00:41,160

and not Visionary or fictitious so as we

16

00:00:45,650 --> 00:00:43,079

can see early on in the Air Force's

17

00:00:48,350 --> 00:00:45,660

investigation of UFOs there is an

18

00:00:50,330 --> 00:00:48,360

admittance of a reality to the UFOs and

19

00:00:52,430 --> 00:00:50,340

that they are real and not Visionary or

20

00:00:54,830 --> 00:00:52,440

fictitious objects were reported to make

21

00:00:57,529 --> 00:00:54,840

Maneuvers that

22

00:01:00,049 --> 00:00:57,539

are just not possible to be done by

23

00:01:02,630 --> 00:01:00,059

humans so after that memo the Air Force

24

00:01:06,850 --> 00:01:02,640

continued to investigate

25

00:01:09,289 --> 00:01:06,860

publicly investigate UFOs until

26

00:01:10,550 --> 00:01:09,299

1969 and all throughout all those

27

00:01:12,370 --> 00:01:10,560

decades they would get many

28

00:01:15,590 --> 00:01:12,380

opportunities

29

00:01:18,109 --> 00:01:15,600

to not only think about but elaborate on

30

00:01:20,030 --> 00:01:18,119

the phenomenon and be transparent with

31

00:01:22,370 --> 00:01:20,040

the public

32

00:01:24,590 --> 00:01:22,380

in the files

33

00:01:27,010 --> 00:01:24,600

you can find all sorts of cases from

34

00:01:30,350 --> 00:01:27,020

Pilots lawyers doctors

35

00:01:32,390 --> 00:01:30,360

and all types of different civilians who

36

00:01:33,020 --> 00:01:32,400

witness things that are undisputably

37

00:01:34,550 --> 00:01:33,030

bizarre

38

00:01:36,890 --> 00:01:34,560

[Music]

39

00:01:38,569 --> 00:01:36,900
some of which are clocked on radar up to

40

00:01:40,730 --> 00:01:38,579
Mach 25.

41

00:01:43,789 --> 00:01:40,740
cited visually

42

00:01:45,770 --> 00:01:43,799
coordinated with radar tracks all the

43

00:01:47,630 --> 00:01:45,780
while the Air Force denying that there's

44

00:01:50,569 --> 00:01:47,640
anything beyond the realm of our

45

00:01:52,969 --> 00:01:50,579
scientific capabilities that exists and

46

00:01:55,130 --> 00:01:52,979
that is flying in the sky let alone to

47

00:01:57,230 --> 00:01:55,140
see your space

48

00:02:00,830 --> 00:01:57,240
the conclusions contained in Special

49

00:02:03,170 --> 00:02:00,840
Report number 14 conclude that it is

50

00:02:05,690 --> 00:02:03,180
considered to be highly improbable that

51
00:02:08,210 --> 00:02:05,700
reports of unidentified aerial objects

52
00:02:10,130 --> 00:02:08,220
examined in this study represent

53
00:02:13,010 --> 00:02:10,140
observations of technological

54
00:02:16,369 --> 00:02:13,020
developments outside of the range of

55
00:02:18,470 --> 00:02:16,379
present-day scientific knowledge

56
00:02:21,470 --> 00:02:18,480
it is emphasized that there has been a

57
00:02:23,630 --> 00:02:21,480
complete lack of any valid evidence of

58
00:02:27,410 --> 00:02:23,640
physical matter in any case ever

59
00:02:29,949 --> 00:02:27,420
reported unidentified aerial object and

60
00:02:32,449 --> 00:02:29,959
they would do this time and time again

61
00:02:35,030 --> 00:02:32,459
and they would also say this in their

62
00:02:37,130 --> 00:02:35,040
public reports

63
00:02:40,309 --> 00:02:37,140

they felt a responsibility to address

64

00:02:42,020 --> 00:02:40,319

the Extraterrestrial hypothesis because

65

00:02:43,729 --> 00:02:42,030

of public pressure

66

00:02:45,410 --> 00:02:43,739

[Music]

67

00:02:49,009 --> 00:02:45,420

and when they did it was always a clear

68

00:02:51,170 --> 00:02:49,019

answer of no we have no evidence

69

00:02:52,850 --> 00:02:51,180

or materials

70

00:02:55,309 --> 00:02:52,860

the Air Force often recovered

71

00:02:58,670 --> 00:02:55,319

unidentified objects later to be tested

72

00:03:00,790 --> 00:02:58,680

and found to be of Earth material the

73

00:03:02,690 --> 00:03:00,800

world would go on living the status quo

74

00:03:05,809 --> 00:03:02,700

individuals wrapped in the minute

75

00:03:07,130 --> 00:03:05,819

circumstances of each day is my boss mad

76

00:03:11,690 --> 00:03:07,140

at me

77

00:03:18,710 --> 00:03:14,449

I need a new place to live

78

00:03:25,369 --> 00:03:22,130

my best friend lied to me

79

00:03:31,430 --> 00:03:29,149

how would some lives have changed if it

80

00:03:33,589 --> 00:03:31,440

turned out all the wild people knew as a

81

00:03:36,270 --> 00:03:33,599

fact

82

00:03:38,110 --> 00:03:36,280

that there is another intelligent life

83

00:03:40,570 --> 00:03:38,120

[Music]

84

00:03:43,850 --> 00:03:40,580

habitating Miss hurts with us

85

00:03:45,530 --> 00:03:43,860

masquerading as subtle respected and

86

00:03:47,390 --> 00:03:45,540

rational humans would continue to have

87

00:03:48,550 --> 00:03:47,400

encounters and experiences with these

88

00:03:51,830 --> 00:03:48,560

objects

89

00:03:55,130 --> 00:03:51,840

undetermined they'd go on to live in

90

00:03:58,009 --> 00:03:57,229

did they really experience what they

91

00:04:00,530 --> 00:03:58,019

thought

92

00:04:03,350 --> 00:04:00,540

did their human software so to speak

93

00:04:04,729 --> 00:04:03,360

just have a bug in the system the object

94

00:04:07,430 --> 00:04:04,739

certainly could have been real as the

95

00:04:10,250 --> 00:04:07,440

highest Authority in the land denies its

96

00:04:14,509 --> 00:04:12,229

and they tell myself and people like me

97

00:04:18,710 --> 00:04:14,519

that

98

00:04:25,490 --> 00:04:21,770

maybe we really saw a plane maybe our

99

00:04:29,450 --> 00:04:25,500

life changed forever

100

00:04:32,450 --> 00:04:29,460

because we misidentified a bird

101
00:04:36,050 --> 00:04:32,460
with an object

102
00:04:40,550 --> 00:04:38,810
the Air Force has said that Radars are

103
00:04:44,210 --> 00:04:40,560
weather sensitive

104
00:04:47,689 --> 00:04:44,220
so much so that they mimic objects

105
00:04:50,450 --> 00:04:47,699
that maneuver in ways not possible

106
00:04:52,850 --> 00:04:50,460
by humans whether it be rapid gains or

107
00:04:55,550 --> 00:04:52,860
Falls in altitude

108
00:04:59,409 --> 00:04:55,560
instant 90 degree turns after traveling

109
00:05:04,129 --> 00:05:02,030
instantaneously reversing course while

110
00:05:05,469 --> 00:05:04,139
zipping through the air at thousands of

111
00:05:09,550 --> 00:05:05,479
miles per hour

112
00:05:13,969 --> 00:05:12,530
object shut down Communications of a

113
00:05:17,090 --> 00:05:13,979

plane

114

00:05:20,689 --> 00:05:17,100

or rendered intercontinental ballistic

115

00:05:24,170 --> 00:05:20,699

missiles useless

116

00:05:25,909 --> 00:05:24,180

it's all just a misunderstanding

117

00:05:28,189 --> 00:05:25,919

something in fact the Air Force would

118

00:05:30,409 --> 00:05:28,199

say about Witnesses is they were just

119

00:05:32,640 --> 00:05:30,419

tired

120

00:05:35,930 --> 00:05:32,650

and imagining things

121

00:05:40,790 --> 00:05:35,940

[Music]

122

00:05:47,210 --> 00:05:44,150

when nowhere else in their life have

123

00:05:51,050 --> 00:05:47,220

they shown any symptoms

124

00:05:52,490 --> 00:05:51,060

similar to the 70s 80s and 90s early

125

00:05:54,830 --> 00:05:52,500

2000s

126
00:05:57,290 --> 00:05:54,840
were all brought with different types of

127
00:06:00,469 --> 00:05:57,300
UFO sightings

128
00:06:07,670 --> 00:06:00,479
well there it's the Phoenix Lights

129
00:06:12,529 --> 00:06:10,249
the Chicago O'Hare incident they would

130
00:06:14,150 --> 00:06:12,539
continue on although the Air Force says

131
00:06:16,070 --> 00:06:14,160
that they don't have evidence of any

132
00:06:19,070 --> 00:06:16,080
materials that have extraterrestrial

133
00:06:21,230 --> 00:06:19,080
origin we do know for a fact that the

134
00:06:24,770 --> 00:06:21,240
Air Force was very interested in the

135
00:06:27,950 --> 00:06:24,780
recovery of objects or debris that is

136
00:06:31,249 --> 00:06:27,960
associated or was associated with a

137
00:06:33,830 --> 00:06:31,259
report of an unidentified flying object

138
00:06:35,930 --> 00:06:33,840

just as an example as there are many

139

00:06:38,809 --> 00:06:35,940

more of these

140

00:06:40,670 --> 00:06:38,819

is this investigation that took place

141

00:06:43,969 --> 00:06:40,680

into material

142

00:06:46,850 --> 00:06:43,979

that fell from the sky in Los Angeles

143

00:06:46,860 --> 00:06:53,090

October 12th or around October in 1967.

144

00:06:57,710 --> 00:06:54,710

here you can see

145

00:06:59,510 --> 00:06:57,720

that the purpose for the Air Force

146

00:07:01,969 --> 00:06:59,520

materials laboratory located in

147

00:07:04,309 --> 00:07:01,979

Wright-Patterson Air Force Base Ohio was

148

00:07:05,990 --> 00:07:04,319

to analyze and identify if possible The

149

00:07:08,330 --> 00:07:06,000

Rock like material

150

00:07:09,529 --> 00:07:08,340

factual data was that a sample was

151
00:07:11,650 --> 00:07:09,539
assigned

152
00:07:13,270 --> 00:07:11,660
analytical branch number

153
00:07:15,290 --> 00:07:13,280
7-1976

154
00:07:19,490 --> 00:07:15,300
spectrographic analysis gave the

155
00:07:24,710 --> 00:07:23,029
conclusions complete identification was

156
00:07:26,990 --> 00:07:24,720
not possible

157
00:07:29,749 --> 00:07:27,000
but it would appear that the material is

158
00:07:31,430 --> 00:07:29,759
either slag or unnaturally occurring

159
00:07:33,350 --> 00:07:31,440
material so we can see that the Air

160
00:07:34,969 --> 00:07:33,360
Force checked out materials quite often

161
00:07:37,909 --> 00:07:34,979
whether it was something that they

162
00:07:39,890 --> 00:07:37,919
called slag or a balloon or a piece of

163
00:07:41,689 --> 00:07:39,900

metal you know the Myriad of other

164

00:07:43,550 --> 00:07:41,699

things that they've collected throughout

165

00:07:46,309 --> 00:07:43,560

the decades and tested and analyzed

166

00:07:48,650 --> 00:07:46,319

including satellites and human

167

00:07:50,629 --> 00:07:48,660

spacecraft that is re-entered at the

168

00:07:51,290 --> 00:07:50,639

Earth's atmosphere

169

00:07:53,629 --> 00:07:51,300

um

170

00:07:55,249 --> 00:07:53,639

but we don't have any evidence that any

171

00:07:58,189 --> 00:07:55,259

of the material that they have recovered

172

00:08:00,589 --> 00:07:58,199

is of extraterrestrial origin and some

173

00:08:02,210 --> 00:08:00,599

of that just may be because we don't

174

00:08:04,490 --> 00:08:02,220

know what that evidence would even look

175

00:08:05,390 --> 00:08:04,500

like the rumors are coming in hot that

176

00:08:08,390 --> 00:08:05,400

we

177

00:08:09,770 --> 00:08:08,400

that the Air Force does have materials

178

00:08:14,390 --> 00:08:09,780

recovered

179

00:08:21,950 --> 00:08:14,400

from something made not by human hands

180

00:08:21,960 --> 00:08:27,450

oh

193

00:09:32,930 --> 00:09:30,660

impossible to find which was how the

194

00:09:35,269 --> 00:09:32,940

Pentagon wanted it for years the program

195

00:09:38,090 --> 00:09:35,279

investigated reports of unidentified

196

00:09:40,610 --> 00:09:38,100

flying objects according to defense

197

00:09:42,829 --> 00:09:40,620

Department officials interviews with

198

00:09:45,050 --> 00:09:42,839

program participants

199

00:09:47,350 --> 00:09:45,060

and Records obtained by the New York

200

00:09:50,870 --> 00:09:47,360

Times it was run by military

201
00:09:53,150 --> 00:09:50,880
intelligence official Luis Elizondo on

202
00:09:56,810 --> 00:09:53,160
the fifth floor of the pentagon's sea

203
00:09:59,509 --> 00:09:56,820
ring deep within the building's maze

204
00:10:01,550 --> 00:09:59,519
the defense department has never before

205
00:10:05,090 --> 00:10:01,560
acknowledged the existence of the

206
00:10:07,370 --> 00:10:05,100
program which it says it shut down in

207
00:10:09,290 --> 00:10:07,380
2012 but its backers say that while the

208
00:10:11,810 --> 00:10:09,300
Pentagon ended funding for the effort at

209
00:10:14,329 --> 00:10:11,820
the time the program remains in

210
00:10:16,490 --> 00:10:14,339
existence for the past five years they

211
00:10:18,230 --> 00:10:16,500
say officials with the program have

212
00:10:21,530 --> 00:10:18,240
continued to investigate episodes

213
00:10:23,690 --> 00:10:21,540

brought to them by service members

214

00:10:27,590 --> 00:10:23,700

while also carrying out their other

215

00:10:29,509 --> 00:10:27,600

defense department duties the shadowy

216

00:10:32,930 --> 00:10:29,519

program parts of it remain classified

217

00:10:34,730 --> 00:10:32,940

began in 2007 and initially it was

218

00:10:37,310 --> 00:10:34,740

largely funded at the request of Harry

219

00:10:39,829 --> 00:10:37,320

Reid the Nevada Democrat who is the

220

00:10:41,630 --> 00:10:39,839

Senate Majority Leader at the time knew

221

00:10:44,630 --> 00:10:41,640

his long had an interest in space

222

00:10:46,490 --> 00:10:44,640

phenomena most of the money went to an

223

00:10:49,190 --> 00:10:46,500

aerospace research company run by

224

00:10:51,949 --> 00:10:49,200

billionaire entrepreneur and longtime

225

00:10:53,870 --> 00:10:51,959

friend of Mr Reed Robert Bigelow who is

226
00:10:56,569 --> 00:10:53,880
currently working with NASA to produce

227
00:10:59,449 --> 00:10:56,579
expandable craft for humans to use in

228
00:11:01,250 --> 00:10:59,459
space and cbs's 60 Minutes in May Mr

229
00:11:03,949 --> 00:11:01,260
Bigelow said that he was absolutely

230
00:11:06,889 --> 00:11:03,959
convinced that aliens exist and UFOs

231
00:11:09,470 --> 00:11:06,899
have visited Earth working with Mr

232
00:11:12,110 --> 00:11:09,480
Bigelow's Las Vegas based company the

233
00:11:14,210 --> 00:11:12,120
program produced documents that describe

234
00:11:16,550 --> 00:11:14,220
sightings of aircraft that seemed to

235
00:11:18,829 --> 00:11:16,560
move at very high velocities with no

236
00:11:24,370 --> 00:11:18,839
visible signs of propulsion or that

237
00:11:29,090 --> 00:11:27,110
officials with the program have also

238
00:11:31,190 --> 00:11:29,100

studied videos of encounters between

239

00:11:33,470 --> 00:11:31,200

unknown objects and American military

240

00:11:36,470 --> 00:11:33,480

aircraft including One released in

241

00:11:38,750 --> 00:11:36,480

August of a whitish oval object about

242

00:11:41,990 --> 00:11:38,760

the size of a commercial plane chased by

243

00:11:44,449 --> 00:11:42,000

two Navy fa-18f fighter jets from the

244

00:11:48,290 --> 00:11:44,459

aircraft carrier Nimitz off the coast of

245

00:11:50,150 --> 00:11:48,300

San Diego in 2004. Mr Reed who retired

246

00:11:52,670 --> 00:11:50,160

from Congress this year said he was

247

00:11:55,069 --> 00:11:52,680

proud of the program

248

00:11:57,530 --> 00:11:55,079

I'm not embarrassed or ashamed or sorry

249

00:11:59,870 --> 00:11:57,540

I got this thing going

250

00:12:01,069 --> 00:11:59,880

Mr Reed said in a recent interview in

251
00:12:03,050 --> 00:12:01,079
Nevada

252
00:12:05,030 --> 00:12:03,060
I think it's one of the good things I

253
00:12:06,829 --> 00:12:05,040
did in my congressional service I've

254
00:12:09,410 --> 00:12:06,839
done something that no one has done

255
00:12:11,870 --> 00:12:09,420
before two other former senators and top

256
00:12:15,350 --> 00:12:11,880
military members of a defense spending

257
00:12:17,630 --> 00:12:15,360
subcommittee from Alaska and Hawaii also

258
00:12:19,910 --> 00:12:17,640
supported the program Mr Stevens died in

259
00:12:23,090 --> 00:12:19,920
2010

260
00:12:24,110 --> 00:12:23,100
and the other in 2012. unfortunately Mr

261
00:12:27,230 --> 00:12:24,120
Reed

262
00:12:31,730 --> 00:12:29,090
while not addressing the merits of the

263
00:12:34,610 --> 00:12:31,740

program Sarah Seeger and astrophysicist

264

00:12:36,889 --> 00:12:34,620

at MIT cautioned that not knowing the

265

00:12:39,829 --> 00:12:36,899

origin of an object does not mean that

266

00:12:42,170 --> 00:12:39,839

it is from another planet or Galaxy

267

00:12:44,629 --> 00:12:42,180

when people claim to observe truly

268

00:12:49,910 --> 00:12:44,639

unusual phenomena sometimes it's worth

269

00:12:54,050 --> 00:12:52,009

but she added what people sometimes

270

00:12:56,509 --> 00:12:54,060

don't get about science is that we often

271

00:12:59,090 --> 00:12:56,519

have phenomena that remain unexplained

272

00:13:01,190 --> 00:12:59,100

James E oberg A former NASA space

273

00:13:03,530 --> 00:13:01,200

shuttle engineer and the author of 10

274

00:13:06,350 --> 00:13:03,540

books on space flight who often debunks

275

00:13:08,269 --> 00:13:06,360

UFO sightings was also doubtful there

276

00:13:10,610 --> 00:13:08,279

are plenty of prosaic events in human

277

00:13:13,370 --> 00:13:10,620

perceptual traits that can account for

278

00:13:15,650 --> 00:13:13,380

these stories Mr oberg said

279

00:13:17,930 --> 00:13:15,660

lots of people are active in the air and

280

00:13:20,569 --> 00:13:17,940

don't want others to know about it

281

00:13:22,850 --> 00:13:20,579

they're happy to alert unrecognized in

282

00:13:26,090 --> 00:13:22,860

the noise or even to stirred up as

283

00:13:31,730 --> 00:13:29,870

still Mr oberg said he welcomed research

284

00:13:33,710 --> 00:13:31,740

there could well be a pearl there he

285

00:13:35,810 --> 00:13:33,720

said

286

00:13:37,670 --> 00:13:35,820

in response to questions from the times

287

00:13:39,590 --> 00:13:37,680

Pentagon officials this month

288

00:13:42,410 --> 00:13:39,600

acknowledge the existence of the program

289

00:13:44,870 --> 00:13:42,420

which began as part of the defense

290

00:13:47,090 --> 00:13:44,880

intelligence agency officials insisted

291

00:13:49,009 --> 00:13:47,100

that the effort had ended after five

292

00:13:50,930 --> 00:13:49,019

years in 2012.

293

00:13:53,329 --> 00:13:50,940

it was determined that there were other

294

00:13:54,829 --> 00:13:53,339

higher priority issues that merited

295

00:13:57,949 --> 00:13:54,839

funding and it was in the best interest

296

00:14:00,290 --> 00:13:57,959

of the dod to make a change a pentagon

297

00:14:01,850 --> 00:14:00,300

spokesperson Thomas Cresson said in an

298

00:14:03,710 --> 00:14:01,860

email referring to the Department of

299

00:14:06,530 --> 00:14:03,720

Defense

300

00:14:08,930 --> 00:14:06,540

but Mr Elizondo said the only thing that

301
00:14:10,310 --> 00:14:08,940
had ended was the efforts Government

302
00:14:14,629 --> 00:14:10,320
funding

303
00:14:16,910 --> 00:14:14,639
which dried up in 2012.

304
00:14:19,129 --> 00:14:16,920
from then on Mr Elizondo said in an

305
00:14:22,310 --> 00:14:19,139
interview he worked with officials from

306
00:14:24,350 --> 00:14:22,320
the Navy and the CIA

307
00:14:27,170 --> 00:14:24,360
he continued to work out of his Pentagon

308
00:14:29,449 --> 00:14:27,180
office until this past October

309
00:14:33,350 --> 00:14:29,459
when he resigned to protest what he

310
00:14:37,410 --> 00:14:33,360
characterized as excessive secrecy

311
00:14:57,050 --> 00:14:45,840
[Music]

312
00:15:01,189 --> 00:14:59,150
why aren't we spending more time and

313
00:15:03,710 --> 00:15:01,199

effort on this issue

314

00:15:06,590 --> 00:15:03,720

Mr Elizondo wrote in a resignation

315

00:15:08,810 --> 00:15:06,600

letter to defense secretary Jim Mattis

316

00:15:11,629 --> 00:15:08,820

Mr Elizondo said that the effort

317

00:15:13,730 --> 00:15:11,639

continued that he had a successor whom

318

00:15:15,889 --> 00:15:13,740

he declined to name

319

00:15:18,410 --> 00:15:15,899

Chase threaten

320

00:15:20,269 --> 00:15:18,420

UFOs have been repeatedly investigated

321

00:15:23,030 --> 00:15:20,279

over the decades in the United States

322

00:15:26,030 --> 00:15:23,040

including by the American Military

323

00:15:28,910 --> 00:15:26,040

in 1947 the Air Force began a series of

324

00:15:31,790 --> 00:15:28,920

studies that investigated more than 12

325

00:15:34,970 --> 00:15:31,800

000 claimed UFO sightings before it was

326

00:15:37,910 --> 00:15:34,980

officially ended in 1969.

327

00:15:40,370 --> 00:15:37,920

the project which included a study

328

00:15:42,949 --> 00:15:40,380

codenamed Project Blue Book

329

00:15:44,990 --> 00:15:42,959

started in 1952

330

00:15:47,750 --> 00:15:45,000

concluded that most sightings involve

331

00:15:50,269 --> 00:15:47,760

Stars clouds conventional aircraft or

332

00:15:53,870 --> 00:15:50,279

spy planes although 701 remained

333

00:15:56,509 --> 00:15:53,880

unexplained Robert C Siemens Jr the

334

00:15:58,850 --> 00:15:56,519

secretary of the Air Force at the time

335

00:16:01,129 --> 00:15:58,860

said in a memorandum announcing the end

336

00:16:03,590 --> 00:16:01,139

of Project Blue Book and that it no

337

00:16:06,710 --> 00:16:03,600

longer can be justified either on the

338

00:16:09,650 --> 00:16:06,720

ground of National Security

339

00:16:12,590 --> 00:16:09,660

or in the interest of science

340

00:16:14,210 --> 00:16:12,600

Mr Reed said his interest in UFOs came

341

00:16:18,050 --> 00:16:14,220

from Mr Bigelow

342

00:16:20,569 --> 00:16:18,060

in 2007 Mr Reed said in an interview Mr

343

00:16:22,430 --> 00:16:20,579

Bigelow told him that an official with

344

00:16:24,170 --> 00:16:22,440

the defense intelligence agency had

345

00:16:26,689 --> 00:16:24,180

approached him wanting to visit Mr

346

00:16:29,810 --> 00:16:26,699

Bigelow's Ranch in Utah where he

347

00:16:34,430 --> 00:16:32,210

Mr Reed said he met with the agency

348

00:16:36,410 --> 00:16:34,440

officials shortly after his meeting with

349

00:16:40,009 --> 00:16:36,420

Mr Bigelow and learned that they wanted

350

00:16:43,670 --> 00:16:40,019

to start a research program on UFOs Mr

351

00:16:53,810 --> 00:16:43,680

Reed then summoned Mr Stevens Mr inue to

352

00:16:58,430 --> 00:16:55,970

I talked to John Glenn a number of years

353

00:17:00,370 --> 00:16:58,440

before Mr Reed said referring to the

354

00:17:03,710 --> 00:17:00,380

astronaut and former senator from Ohio

355

00:17:06,829 --> 00:17:03,720

who died in 2016.

356

00:17:08,449 --> 00:17:06,839

Mr Glenn Mr Reed said it told him he

357

00:17:11,210 --> 00:17:08,459

thought the federal government should be

358

00:17:12,949 --> 00:17:11,220

looking seriously in UFOs and should be

359

00:17:15,049 --> 00:17:12,959

talking to military service members

360

00:17:16,909 --> 00:17:15,059

particularly pilots who had reported

361

00:17:19,309 --> 00:17:16,919

seeing aircraft that they could not

362

00:17:21,530 --> 00:17:19,319

identify or explain

363

00:17:23,809 --> 00:17:21,540

the sightings were not often reported up

364

00:17:25,850 --> 00:17:23,819

the military's chain of command Mr Reed

365

00:17:30,049 --> 00:17:25,860

said because service members were afraid

366

00:17:31,970 --> 00:17:30,059

they would be laughed at or stigmatized

367

00:17:34,610 --> 00:17:31,980

the meeting with Mr Stevens and Mr

368

00:17:38,390 --> 00:17:34,620

anyway Mr Reed said was one of the

369

00:17:40,730 --> 00:17:38,400

easiest meetings I ever had

370

00:17:43,070 --> 00:17:40,740

he added Mr Stevens said I've been

371

00:17:46,070 --> 00:17:43,080

waiting to do this since I was in the

372

00:17:48,169 --> 00:17:46,080

Air Force the Alaska Senator had been a

373

00:17:49,970 --> 00:17:48,179

pilot in the Army Air Force slang

374

00:17:51,789 --> 00:17:49,980

transport missions over China during

375

00:17:54,230 --> 00:17:51,799

World War II

376

00:17:56,930 --> 00:17:54,240

during the meeting Mr Reed said Mr

377

00:17:59,029 --> 00:17:56,940

Stevens recounted being tailed by

378

00:18:01,669 --> 00:17:59,039

strange aircraft with no known origin

379

00:18:03,110 --> 00:18:01,679

which he said had followed his plane for

380

00:18:07,730 --> 00:18:03,120

miles

381

00:18:09,950 --> 00:18:07,740

also known as a foo fighter

382

00:18:11,810 --> 00:18:09,960

none of the three Senators wanted a

383

00:18:14,870 --> 00:18:11,820

public debate on the senate floor about

384

00:18:18,430 --> 00:18:14,880

the funding for the program Mr Reed said

385

00:18:20,930 --> 00:18:18,440

this was so-called black money he said

386

00:18:23,570 --> 00:18:20,940

Stevens knows about it anyway knows

387

00:18:25,850 --> 00:18:23,580

about it but that was it and that's how

388

00:18:27,470 --> 00:18:25,860

we wanted it Mr Reed was referring to

389

00:18:29,870 --> 00:18:27,480

the Pentagon budget for classified

390

00:18:32,330 --> 00:18:29,880

programs contracts obtained by the Times

391

00:18:35,930 --> 00:18:32,340

show Congressional appropriation of just

392

00:18:37,970 --> 00:18:35,940

under 22 million beginning in late 2008

393

00:18:40,610 --> 00:18:37,980

through 2011.

394

00:18:42,650 --> 00:18:40,620

the money was used for management of the

395

00:18:45,110 --> 00:18:42,660

program research and assessments of the

396

00:18:47,090 --> 00:18:45,120

threat posed by the objects

397

00:18:49,669 --> 00:18:47,100

the funding went to Mr Bigelow's company

398

00:18:52,430 --> 00:18:49,679

Bigelow Aerospace which hired

399

00:18:56,510 --> 00:18:52,440

subcontractors and solicited research

400

00:19:01,190 --> 00:18:59,270

what under Mr Bigelow's Direction the

401
00:19:04,730 --> 00:19:01,200
company modified buildings in Las Vegas

402
00:19:07,310 --> 00:19:04,740
for the storage of metal alloys and

403
00:19:09,529 --> 00:19:07,320
other materials that Mr Elizondo and

404
00:19:11,750 --> 00:19:09,539
program contractors said had been

405
00:19:14,630 --> 00:19:11,760
recovered from unidentified aerial

406
00:19:16,190 --> 00:19:14,640
phenomena researchers also studied

407
00:19:18,470 --> 00:19:16,200
people who said they had experienced

408
00:19:21,010 --> 00:19:18,480
physical effects from encounters with

409
00:19:31,610 --> 00:19:21,020
the objects and examine them for any

410
00:19:35,990 --> 00:19:33,950
in addition researchers spoke to

411
00:19:37,850 --> 00:19:36,000
military service members who had

412
00:19:39,890 --> 00:19:37,860
reported sightings of strange aircraft

413
00:19:41,870 --> 00:19:39,900

were sort of in the position of what

414

00:19:44,570 --> 00:19:41,880

would happen if he gave Leonardo da

415

00:19:47,810 --> 00:19:44,580

Vinci a garage door opener

416

00:19:50,570 --> 00:19:47,820

said Harold e put off an engineer who

417

00:19:53,150 --> 00:19:50,580

has conducted research on extrasensory

418

00:19:55,490 --> 00:19:53,160

perception for the CIA and later worked

419

00:19:58,130 --> 00:19:55,500

as a contractor for the program

420

00:20:00,470 --> 00:19:58,140

first of all he tried to figure out

421

00:20:02,510 --> 00:20:00,480

what is this plastic stuff he wouldn't

422

00:20:04,970 --> 00:20:02,520

know anything about the electromagnetic

423

00:20:06,590 --> 00:20:04,980

signals involved or its function the

424

00:20:09,350 --> 00:20:06,600

program collected video and audio

425

00:20:12,470 --> 00:20:09,360

recordings of reported UFO incidents

426
00:20:14,210 --> 00:20:12,480
including footage from a Navy fa-18

427
00:20:16,610 --> 00:20:14,220
Super Hornet

428
00:20:18,650 --> 00:20:16,620
showing an aircraft surrounded by some

429
00:20:22,010 --> 00:20:18,660
kind of glowing Aura traveling at high

430
00:20:24,289 --> 00:20:22,020
speed and rotating as it moves

431
00:20:26,270 --> 00:20:24,299
the Navy Pilots can be heard trying to

432
00:20:28,310 --> 00:20:26,280
understand what they're seeing there's a

433
00:20:30,529 --> 00:20:28,320
whole Fleet of them when exclaims

434
00:20:33,110 --> 00:20:30,539
defense officials declined to release

435
00:20:35,090 --> 00:20:33,120
the location and date of the incident

436
00:20:37,490 --> 00:20:35,100
internationally we are the most backward

437
00:20:39,890 --> 00:20:37,500
country in the world on this issue Mr

438
00:20:41,930 --> 00:20:39,900

Bigelow said in an interview

439

00:20:43,789 --> 00:20:41,940

our scientists are scared of being

440

00:20:45,289 --> 00:20:43,799

ostracized and our media is scared of

441

00:20:47,690 --> 00:20:45,299

the stigma

442

00:20:49,549 --> 00:20:47,700

China and Russia are much more open and

443

00:20:52,130 --> 00:20:49,559

work on this with huge organizations

444

00:20:54,049 --> 00:20:52,140

within their countries

445

00:20:55,549 --> 00:20:54,059

smaller countries like Belgium France

446

00:20:58,730 --> 00:20:55,559

England and South American countries

447

00:21:01,610 --> 00:20:58,740

like Chile are more open to

448

00:21:04,730 --> 00:21:01,620

air proactive and willing to discuss the

449

00:21:06,529 --> 00:21:04,740

topic rather than be held back by a

450

00:21:09,529 --> 00:21:06,539

juvenile taboo

451
00:21:12,110 --> 00:21:09,539
in 2009 Mr Reed decided that the program

452
00:21:14,210 --> 00:21:12,120
had made such extraordinary discoveries

453
00:21:16,310 --> 00:21:14,220
that he argued for heightened security

454
00:21:18,350 --> 00:21:16,320
to protect it

455
00:21:20,450 --> 00:21:18,360
much progress has been made with the

456
00:21:22,970 --> 00:21:20,460
identification of several highly

457
00:21:25,130 --> 00:21:22,980
sensitive unconventional Aerospace

458
00:21:27,650 --> 00:21:25,140
related findings Mr Reed said in a

459
00:21:30,470 --> 00:21:27,660
letter to William Lynn III a deputy

460
00:21:32,750 --> 00:21:30,480
defense secretary at the time requesting

461
00:21:34,669 --> 00:21:32,760
that it be designated a restricted

462
00:21:39,830 --> 00:21:34,679
special Access program

463
00:21:42,350 --> 00:21:39,840

limited to a few listed individuals

464

00:21:44,810 --> 00:21:42,360

a 2009 Pentagon briefing summary of the

465

00:21:46,909 --> 00:21:44,820

program prepared by its director at the

466

00:21:51,370 --> 00:21:46,919

time asserted that what was considered

467

00:21:54,230 --> 00:21:51,380

science fiction is now science fact

468

00:21:57,049 --> 00:21:54,240

and that the United States was incapable

469

00:21:59,029 --> 00:21:57,059

of Defending itself against some of the

470

00:22:01,310 --> 00:21:59,039

Technologies discovered

471

00:22:04,210 --> 00:22:01,320

Mr Reed's request for the special

472

00:22:07,430 --> 00:22:04,220

designation was denied

473

00:22:10,010 --> 00:22:07,440

Mr Elizondo said in his resignation

474

00:22:12,230 --> 00:22:10,020

letter October 4th

475

00:22:14,810 --> 00:22:12,240

he said that there was a need for more

476
00:22:18,409 --> 00:22:14,820
serious attention to the many accounts

477
00:22:21,230 --> 00:22:18,419
from the Navy and other services of

478
00:22:23,510 --> 00:22:21,240
unusual aerial systems interfering with

479
00:22:28,370 --> 00:22:23,520
military weapon platforms and displaying

480
00:22:32,690 --> 00:22:31,250
he expressed his frustration with the

481
00:22:35,270 --> 00:22:32,700
limitations placed on the program

482
00:22:37,430 --> 00:22:35,280
telling Mr Mattis that there remains a

483
00:22:39,110 --> 00:22:37,440
vital need to ascertain capability and

484
00:22:41,090 --> 00:22:39,120
intent of these phenomena for the

485
00:22:44,149 --> 00:22:41,100
benefit of the Armed Forces and the

486
00:22:48,350 --> 00:22:47,029
Mr Elizondo has now joined Mr putoff in

487
00:22:51,110 --> 00:22:48,360
another former Defense Department

488
00:22:53,870 --> 00:22:51,120

official Christopher K Mellon who was a

489

00:22:55,909 --> 00:22:53,880

deputy assistant secretary of defense

490

00:22:58,549 --> 00:22:55,919

for intelligence in a new commercial

491

00:23:00,710 --> 00:22:58,559

Venture called to the Stars Academy of

492

00:23:02,630 --> 00:23:00,720

Arts and Science

493

00:23:04,490 --> 00:23:02,640

they're speaking publicly about their

494

00:23:08,630 --> 00:23:04,500

efforts as their Venture aims to raise

495

00:23:13,130 --> 00:23:11,330

in the interview Mr Elizondo said

496

00:23:15,230 --> 00:23:13,140

he and his government colleagues had

497

00:23:17,029 --> 00:23:15,240

determined that the phenomena that they

498

00:23:19,490 --> 00:23:17,039

had studied did not seem to originate

499

00:23:21,529 --> 00:23:19,500

from any country that fact is not

500

00:23:23,990 --> 00:23:21,539

something any government or institution

501
00:23:26,930 --> 00:23:24,000
should classify in order to keep secret

502
00:23:29,090 --> 00:23:26,940
from the people he said for his part Mr

503
00:23:31,430 --> 00:23:29,100
Reed said he did not know where the

504
00:23:33,529 --> 00:23:31,440
objects had come from if anyone says

505
00:23:36,110 --> 00:23:33,539
that they have the answers now they're

506
00:23:38,450 --> 00:23:36,120
feeling themselves he said

507
00:23:40,370 --> 00:23:38,460
we do not know

508
00:23:52,100 --> 00:23:40,380
but he said

509
00:24:15,730 --> 00:24:14,210
[Music]

510
00:24:18,490 --> 00:24:15,740
okay

511
00:24:22,600 --> 00:24:18,500
[Music]

512
00:24:27,730 --> 00:24:22,610
as I take the stand

513
00:24:46,090 --> 00:24:31,440

as honestly as I can

514

00:24:48,410 --> 00:24:46,100

[Music]

515

00:24:54,409 --> 00:24:48,420

thank you

516

00:24:54,419 --> 00:25:01,050

as I take the stand

517

00:25:05,149 --> 00:25:03,110

[Music]

518

00:25:05,159 --> 00:25:08,420

is

519

00:25:26,510 --> 00:25:13,620

[Music]

520

00:25:34,370 --> 00:25:29,450

thank you

521

00:25:39,289 --> 00:25:36,710

if you don't mind I just actually just

522

00:25:41,390 --> 00:25:39,299

got a message from Luella zondo a

523

00:25:43,370 --> 00:25:41,400

statement to read out on the stream if

524

00:25:46,669 --> 00:25:43,380

you don't mind yeah

525

00:25:47,390 --> 00:25:46,679

because he can't be here so Sean is that

526
00:25:51,370 --> 00:25:47,400
okay

527
00:25:54,230 --> 00:25:51,380
no yeah yeah go ahead

528
00:25:56,870 --> 00:25:54,240
excuse me I gotta read this in my best

529
00:25:58,730 --> 00:25:56,880
voice now so this is from Lou he says

530
00:26:01,070 --> 00:25:58,740
better be good

531
00:26:02,390 --> 00:26:01,080
okay

532
00:26:04,970 --> 00:26:02,400
friends

533
00:26:06,890 --> 00:26:04,980
through Vinnie please allow me to offer

534
00:26:10,190 --> 00:26:06,900
my sincerest appreciation for all that

535
00:26:12,049 --> 00:26:10,200
you do you bet on the right horses

536
00:26:15,169 --> 00:26:12,059
and know that we are not finished

537
00:26:16,909 --> 00:26:15,179
winning races for you we have only begun

538
00:26:18,110 --> 00:26:16,919

the next year will be even better and

539

00:26:20,390 --> 00:26:18,120

greater

540

00:26:21,769 --> 00:26:20,400

thank you for being you and thank you

541

00:26:24,890 --> 00:26:21,779

for your support

542

00:26:28,130 --> 00:26:24,900

onwards until dawn Take No Quarter and

543

00:26:30,470 --> 00:26:28,140

Savor the moment our Armada has set sail

544

00:26:32,930 --> 00:26:30,480

and together we are like a hurricane

545

00:26:36,350 --> 00:26:32,940

Unstoppable

546

00:26:39,649 --> 00:26:36,360

the study of UFOs is an important and

547

00:26:42,289 --> 00:26:39,659

fascinating field of research

548

00:26:44,750 --> 00:26:42,299

first and foremost UFO sightings can

549

00:26:46,549 --> 00:26:44,760

provide valuable information

550

00:26:48,950 --> 00:26:46,559

about our own technology and

551
00:26:51,590 --> 00:26:48,960
capabilities when people report seeing

552
00:26:53,990 --> 00:26:51,600
strange objects in the sky it prompts

553
00:26:55,549 --> 00:26:54,000
investigations by government agencies

554
00:26:58,130 --> 00:26:55,559
and scientists

555
00:27:00,890 --> 00:26:58,140
and by examining the evidence such as

556
00:27:02,930 --> 00:27:00,900
photographs or radar data researchers

557
00:27:05,029 --> 00:27:02,940
can learn more about the physics of

558
00:27:07,490 --> 00:27:05,039
flight and how to identify natural

559
00:27:10,010 --> 00:27:07,500
phenomena like weather balloons or

560
00:27:12,110 --> 00:27:10,020
drones this can lead to improvements in

561
00:27:16,430 --> 00:27:12,120
aviation safety and a better

562
00:27:18,710 --> 00:27:16,440
understanding of our planet's atmosphere

563
00:27:20,350 --> 00:27:18,720

but there's more to UFO sightings than

564

00:27:23,570 --> 00:27:20,360

just technology

565

00:27:25,549 --> 00:27:23,580

they can also be a window into human

566

00:27:28,789 --> 00:27:25,559

psychology and our beliefs about the

567

00:27:31,970 --> 00:27:28,799

unknown a fascinating example is the

568

00:27:34,330 --> 00:27:31,980

Phoenix Lights incident of 1997.

569

00:27:37,010 --> 00:27:34,340

thousands of people in Phoenix Arizona

570

00:27:39,590 --> 00:27:37,020

reported seeing a triangular formation

571

00:27:41,510 --> 00:27:39,600

of Lights moving across the sky the

572

00:27:43,669 --> 00:27:41,520

event was captured on video and became

573

00:27:46,549 --> 00:27:43,679

one of the most well-documented UFO

574

00:27:49,430 --> 00:27:46,559

sightings in history

575

00:27:51,769 --> 00:27:49,440

while some Skeptics suggest it was

576

00:27:54,529 --> 00:27:51,779

simply flares for military exercises

577

00:27:56,690 --> 00:27:54,539

others believe it was a visitation from

578

00:27:59,029 --> 00:27:56,700

a non-human intelligence

579

00:28:00,710 --> 00:27:59,039

overall UFO sightings are important

580

00:28:03,289 --> 00:28:00,720

because they can provide scientific

581

00:28:06,289 --> 00:28:03,299

insights into our technology and

582

00:28:09,529 --> 00:28:06,299

atmosphere as well as reveal fascinating

583

00:28:11,930 --> 00:28:09,539

details about human psychology and our

584

00:28:14,029 --> 00:28:11,940

beliefs about the unknown

585

00:28:16,610 --> 00:28:14,039

so the next time you look up at the sky

586

00:28:18,409 --> 00:28:16,620

remember there may be more out there

587

00:28:20,510 --> 00:28:18,419

than meets the eye

588

00:28:22,630 --> 00:28:20,520

and that UFO sightings are a reminder of

589

00:28:26,269 --> 00:28:22,640

our never-ending Quest

590

00:28:27,409 --> 00:28:26,279

for knowledge about the universe around

591

00:28:29,330 --> 00:28:27,419

us

592

00:28:31,490 --> 00:28:29,340

so what's the truth where are we headed

593

00:28:33,470 --> 00:28:31,500

now that we're here

594

00:28:34,909 --> 00:28:33,480

will we get some sort of admission from

595

00:28:38,450 --> 00:28:34,919

the U.S government that there's a

596

00:28:42,350 --> 00:28:38,460

non-human intelligence that exists

597

00:28:44,510 --> 00:28:42,360

is Among Us on this planet as we speak

598

00:28:46,970 --> 00:28:44,520

how will they explain the Decades of

599

00:28:50,149 --> 00:28:46,980

denials

600

00:28:52,669 --> 00:28:50,159

how will they unearth information and

601
00:28:54,890 --> 00:28:52,679
data from investigation of years past

602
00:28:57,110 --> 00:28:54,900
that were previously unknown to the

603
00:29:02,210 --> 00:29:00,169
how will the Department of Defense

604
00:29:04,909 --> 00:29:02,220
continued to hold trust in the American

605
00:29:04,919 --> 00:29:08,450
after such deceit

606
00:29:18,350 --> 00:29:11,570
should we care

607
00:29:23,870 --> 00:29:20,630
should we accept the information and

608
00:29:26,269 --> 00:29:23,880
move on grateful to have it

609
00:29:29,090 --> 00:29:26,279
or should we go backwards

610
00:29:33,130 --> 00:29:29,100
punishing those who kept the truth from

611
00:29:37,490 --> 00:29:36,049
well that's not a decision for me but

612
00:29:39,110 --> 00:29:37,500
the truth

613
00:29:40,970 --> 00:29:39,120

is the goal

614

00:29:42,830 --> 00:29:40,980

no I still don't know what the object is

615

00:29:45,649 --> 00:29:42,840

that I saw

616

00:29:47,510 --> 00:29:45,659

almost three years ago now

617

00:29:49,549 --> 00:29:47,520

that moved me so much to put me in this

618

00:29:50,690 --> 00:29:49,559

place where I'm making these shows and

619

00:29:52,310 --> 00:29:50,700

clips

620

00:29:55,070 --> 00:29:52,320

and I still don't know what those things

621

00:29:58,610 --> 00:29:56,930

I did not see a ship or an object

622

00:30:00,830 --> 00:29:58,620

although what I saw

623

00:30:03,289 --> 00:30:00,840

I could see

624

00:30:08,450 --> 00:30:03,299

being things that people described as

625

00:30:15,409 --> 00:30:12,889

so what was it and will I ever know

626
00:30:17,570 --> 00:30:15,419
are there multiple phenomenons maybe

627
00:30:21,830 --> 00:30:17,580
some the government does know about and

628
00:30:25,190 --> 00:30:21,840
others they do not know about

629
00:30:26,930 --> 00:30:25,200
in which did I see if any

630
00:30:28,990 --> 00:30:26,940
some people would say maybe it was some

631
00:30:33,970 --> 00:30:29,000
sort of initiation

632
00:30:41,750 --> 00:30:37,490
maybe since I noticed the phenomenon the

633
00:30:46,370 --> 00:30:43,310
whatever it is I'm still trying to

634
00:30:47,990 --> 00:30:46,380
figure it out along with you guys thanks

635
00:30:54,600 --> 00:30:48,000
for watching
