1
00:00:14,810 --> 00:00:12,169

[Music]

2
00:00:18,050 --> 00:00:14,820

I wanted to say uh first of all thanks

3
00:00:20,210 --> 00:00:18,060

for doing this and also uh I respect

4
00:00:23,570 --> 00:00:20,220

your

5
00:00:26,210 --> 00:00:23,580

um tenacity and persistence because you

6
00:00:27,830 --> 00:00:26,220

have been doing this for a long time I

7
00:00:29,929 --> 00:00:27,840

looked on your YouTube channel I think

8
00:00:31,730 --> 00:00:29,939

your first video I could be wrong here

9
00:00:36,770 --> 00:00:31,740

but it looks like your first video was

10
00:00:38,630 --> 00:00:36,780

like six years ago so I wanted to ask

11
00:00:43,610 --> 00:00:38,640

um since then

12
00:00:47,090 --> 00:00:43,620

do you think disclosure is

13
00:00:50,029 --> 00:00:47,100

um in a better spot a worse spot than

14

00:00:52,369 --> 00:00:50,039

then or the same oh I think it's in a

15

00:00:54,529 --> 00:00:52,379

much better spot and one thing I notice

16

00:00:56,990 --> 00:00:54,539

on Twitter which I find really humorous

17

00:00:58,490 --> 00:00:57,000

is and in my YouTube comments people are

18

00:00:59,750 --> 00:00:58,500

like you've been saying you've been

19

00:01:01,209 --> 00:00:59,760

saying we're going to get disclosure

20

00:01:03,830 --> 00:01:01,219

forever

21

00:01:05,270 --> 00:01:03,840

criticize me and I find it humorous for

22

00:01:06,530 --> 00:01:05,280

multiple reasons but one reason I find

23

00:01:09,170 --> 00:01:06,540

it humorous is let's just do a

24

00:01:11,210 --> 00:01:09,180

hypothetical if we were to get

25

00:01:14,450 --> 00:01:11,220

disclosure

26
00:01:17,810 --> 00:01:14,460
10 years after the after the December 16

27
00:01:21,289 --> 00:01:17,820
2017 New York Times article that would

28
00:01:23,510 --> 00:01:21,299
still be literally utterly profound and

29
00:01:26,570 --> 00:01:23,520
incredible and I would feel fully

30
00:01:29,149 --> 00:01:26,580
Justified that I

31
00:01:33,289 --> 00:01:29,159
that I treated this topic the way I did

32
00:01:34,789 --> 00:01:33,299
because to go from December 16 2017 New

33
00:01:37,490 --> 00:01:34,799
York Times article and then 10 years

34
00:01:39,710 --> 00:01:37,500
later to get what many many May argue to

35
00:01:42,350 --> 00:01:39,720
be the the greatest historical event in

36
00:01:44,210 --> 00:01:42,360
human history 10 years is nothing so I

37
00:01:46,730 --> 00:01:44,220
think a lot of people are so preoccupied

38
00:01:49,550 --> 00:01:46,740

with dunking on you or putting you in a

39

00:01:51,109 --> 00:01:49,560

bad light or characterizing you as some

40

00:01:52,730 --> 00:01:51,119

kind of gullible person that they they

41

00:01:53,870 --> 00:01:52,740

kind of lose sight of the bigger picture

42

00:01:56,210 --> 00:01:53,880

that look

43

00:01:59,270 --> 00:01:56,220

even if even if it did take 10 years

44

00:02:02,330 --> 00:01:59,280

post December 16th that would still mean

45

00:02:03,830 --> 00:02:02,340

that the December 16 2017 New York Times

46

00:02:07,910 --> 00:02:03,840

article

47

00:02:11,330 --> 00:02:07,920

started something truly profound and it

48

00:02:13,850 --> 00:02:11,340

wasn't a nothing Burger as some cynics

49

00:02:15,110 --> 00:02:13,860

tried to characterize it and all the

50

00:02:17,809 --> 00:02:15,120

things that have

51
00:02:19,309 --> 00:02:17,819
happened since then also are not in

52
00:02:21,050 --> 00:02:19,319
nothing Burger because if we do get

53
00:02:24,470 --> 00:02:21,060
disclosure even if it's five years from

54
00:02:26,030 --> 00:02:24,480
today that's mind-blowing but yes to

55
00:02:28,190 --> 00:02:26,040
answer your question I do think that we

56
00:02:30,470 --> 00:02:28,200
are in a better place I think that

57
00:02:33,410 --> 00:02:30,480
the recent legislation that was signed

58
00:02:36,170 --> 00:02:33,420
on December 23rd I think 2022 with the

59
00:02:39,229 --> 00:02:36,180
ndaa was signed in by Joe Biden all of

60
00:02:42,350 --> 00:02:39,239
that lays out a a pathway to ultimately

61
00:02:45,890 --> 00:02:42,360
get disclosure in my opinion and and

62
00:02:48,350 --> 00:02:45,900
I've said it before uh you know this

63
00:02:51,050 --> 00:02:48,360

whole Topic in my opinion is falsifiable

64

00:02:53,210 --> 00:02:51,060

to some level because if we if if many

65

00:02:56,089 --> 00:02:53,220

years after the legislation

66

00:02:58,070 --> 00:02:56,099

nothing happens then if that's not proof

67

00:03:00,470 --> 00:02:58,080

there's no there there but the Skeptics

68

00:03:02,449 --> 00:03:00,480

will have a really excellent article uh

69

00:03:05,089 --> 00:03:02,459

argument to make and I'll be making that

70

00:03:07,610 --> 00:03:05,099

argument right along with them too

71

00:03:10,009 --> 00:03:07,620

yeah now it's interesting that you say

72

00:03:13,070 --> 00:03:10,019

that but I I happen to believe that um

73

00:03:14,869 --> 00:03:13,080

you know ufology may take a hit

74

00:03:16,550 --> 00:03:14,879

initially if something like that were to

75

00:03:18,530 --> 00:03:16,560

occur but I think you'd probably agree

76

00:03:20,509 --> 00:03:18,540

with me it would never go anywhere I

77

00:03:22,550 --> 00:03:20,519

mean just for the simple fact that you

78

00:03:25,430 --> 00:03:22,560

can never identify absolutely everything

79

00:03:26,750 --> 00:03:25,440

all the time that's in your air space so

80

00:03:29,690 --> 00:03:26,760

there's always going to be something but

81

00:03:32,210 --> 00:03:29,700

and you know but a part of my question

82

00:03:34,190 --> 00:03:32,220

was you know that I I appreciate how

83

00:03:36,470 --> 00:03:34,200

consistent you've been over the years

84

00:03:38,930 --> 00:03:36,480

it'd be so easy with with all the

85

00:03:41,089 --> 00:03:38,940

obstacles negativity debunkers the to

86

00:03:42,530 --> 00:03:41,099

just like flip-flop throughout all those

87

00:03:43,910 --> 00:03:42,540

years you know and say oh I don't

88

00:03:45,589 --> 00:03:43,920

believe this anymore or whatever as

89

00:03:48,410 --> 00:03:45,599

people often do we've seen that all the

90

00:03:51,410 --> 00:03:48,420

time but you've never done that you've

91

00:03:54,170 --> 00:03:51,420

you've remained positive and steady uh

92

00:03:56,509 --> 00:03:54,180

and I agree with you that uh you know

93

00:03:58,729 --> 00:03:56,519

2016 to now is just such a small

94

00:04:01,309 --> 00:03:58,739

snapshot in time when I go back and

95

00:04:04,509 --> 00:04:01,319

study you know cases from back in the

96

00:04:07,970 --> 00:04:04,519

day I think about like what 1952 to what

97

00:04:10,190 --> 00:04:07,980

1959 was like back then you know which

98

00:04:13,550 --> 00:04:10,200

was really such a small amount of time

99

00:04:18,830 --> 00:04:13,560

so it's so I completely agree with you

100

00:04:23,270 --> 00:04:18,840

um what do you foresee uh happening from

101
00:04:26,210 --> 00:04:23,280
here as far as any sort of uh disclosure

102
00:04:27,830 --> 00:04:26,220
and also what is disclosure to you

103
00:04:30,830 --> 00:04:27,840
well I'll answer the second question

104
00:04:34,850 --> 00:04:30,840
first uh I Define disclosure

105
00:04:37,490 --> 00:04:34,860
as evidence emerging that is so

106
00:04:40,670 --> 00:04:37,500
compelling of this phenomenon

107
00:04:42,469 --> 00:04:40,680
and and not just evidence that like says

108
00:04:43,730 --> 00:04:42,479
it's a weather phenomena if this ends up

109
00:04:46,310 --> 00:04:43,740
being some kind of bizarre weather

110
00:04:49,129 --> 00:04:46,320
phenomena then disclosure is lame right

111
00:04:51,530 --> 00:04:49,139
I Define the closer being evidence

112
00:04:55,129 --> 00:04:51,540
emerging that is so compelling that

113
00:04:57,409 --> 00:04:55,139

there are that there are Technologies

114

00:04:59,270 --> 00:04:57,419

in our airspace and potentially in our

115

00:05:02,930 --> 00:04:59,280

oceans potentially in space But at the

116

00:05:04,969 --> 00:05:02,940

very minimum in our airspace that are

117

00:05:07,430 --> 00:05:04,979

that exceed

118

00:05:09,710 --> 00:05:07,440

our current understanding of how

119

00:05:12,590 --> 00:05:09,720

technology works and exceeds anything

120

00:05:14,810 --> 00:05:12,600

that any military inventory in the world

121

00:05:17,270 --> 00:05:14,820

has if that ever becomes so compelling

122

00:05:19,550 --> 00:05:17,280

that the consensus becomes that's true

123

00:05:21,110 --> 00:05:19,560

then that's disclosure whether it's from

124

00:05:23,810 --> 00:05:21,120

a mass citing whether it's from another

125

00:05:26,629 --> 00:05:23,820

government whether it's from a uh the

126

00:05:28,189 --> 00:05:26,639

Galileo project with Avi lobe it doesn't

127

00:05:29,990 --> 00:05:28,199

really matter the source but the moment

128

00:05:31,969 --> 00:05:30,000

that happens that's when we get

129

00:05:33,409 --> 00:05:31,979

disclosure

130

00:05:34,850 --> 00:05:33,419

um and as far as what I foresee

131

00:05:36,409 --> 00:05:34,860

happening

132

00:05:39,890 --> 00:05:36,419

um

133

00:05:43,730 --> 00:05:39,900

I I think that the reason the cover-up

134

00:05:46,310 --> 00:05:43,740

was able to be maintained as

135

00:05:48,110 --> 00:05:46,320

multifaceted one reason is is the stigma

136

00:05:49,070 --> 00:05:48,120

that surrounded this topic the giggle

137

00:05:52,249 --> 00:05:49,080

Factor

138

00:05:55,430 --> 00:05:52,259

and so you could have people coming

139

00:05:56,870 --> 00:05:55,440

forward as people have and it's not

140

00:05:59,210 --> 00:05:56,880

really going to make that many waves

141

00:06:01,850 --> 00:05:59,220

because there's the giggle Factor people

142

00:06:04,129 --> 00:06:01,860

are self-conscious about it people don't

143

00:06:05,749 --> 00:06:04,139

want to be labeled the UFO guy and uh

144

00:06:08,230 --> 00:06:05,759

people don't you know there's people get

145

00:06:11,810 --> 00:06:08,240

embarrassed by giving this topic weight

146

00:06:14,210 --> 00:06:11,820

and that's diminished significantly and

147

00:06:16,550 --> 00:06:14,220

then on top of it now you have the the

148

00:06:20,029 --> 00:06:16,560

United States Congress requesting

149

00:06:23,450 --> 00:06:20,039

information going back to 1945 getting

150

00:06:26,150 --> 00:06:23,460

all of the historical record uh and and

151
00:06:28,249 --> 00:06:26,160
going to classifying information to put

152
00:06:30,529 --> 00:06:28,259
that together for the Congress any

153
00:06:32,270 --> 00:06:30,539
efforts of disinformation any efforts of

154
00:06:36,170 --> 00:06:32,280
misinformation

155
00:06:38,510 --> 00:06:36,180
um even even was there any capacity to

156
00:06:40,850 --> 00:06:38,520
to track UAP that's in the legislation

157
00:06:42,710 --> 00:06:40,860
as well they want to know about that

158
00:06:45,710 --> 00:06:42,720
uh they want to know if there were any

159
00:06:47,629 --> 00:06:45,720
UFO programs beyond what we already know

160
00:06:49,490 --> 00:06:47,639
hold on like while you're talking like

161
00:06:52,790 --> 00:06:49,500
it's it's just like and it's hit me

162
00:06:55,850 --> 00:06:52,800
before but it continues to hit me like

163
00:06:57,730 --> 00:06:55,860

how crazy that language is

164

00:06:59,930 --> 00:06:57,740

yeah and there's people

165

00:07:03,110 --> 00:06:59,940

saying that saying that it has nothing

166

00:07:04,730 --> 00:07:03,120

to do with UFOs I'm sorry it's

167

00:07:07,070 --> 00:07:04,740

it's it'll clear that's UFOs that's

168

00:07:09,110 --> 00:07:07,080

they're they're they're alluding to

169

00:07:12,770 --> 00:07:09,120

Technologies of Unknown Origin they're

170

00:07:15,170 --> 00:07:12,780

not alluding to drones created by Russia

171

00:07:17,270 --> 00:07:15,180

or China that's pretty obvious

172

00:07:21,110 --> 00:07:17,280

I mean I I don't some people just blow

173

00:07:25,010 --> 00:07:21,120

my mind but um we need you to tell us

174

00:07:26,990 --> 00:07:25,020

about that downed Russian aircraft from

175

00:07:29,150 --> 00:07:27,000

1945 yeah

176

00:07:31,909 --> 00:07:29,160

that you're reverse engineered right

177

00:07:34,490 --> 00:07:31,919

like there's already programs within the

178

00:07:36,770 --> 00:07:34,500

US government that are that are pursuing

179

00:07:40,189 --> 00:07:36,780

and back engineering

180

00:07:42,529 --> 00:07:40,199

um Russian craft and and acts and

181

00:07:44,870 --> 00:07:42,539

getting in possession with Russian craft

182

00:07:46,610 --> 00:07:44,880

or Chinese craft through clandestine

183

00:07:48,950 --> 00:07:46,620

means and all that that's that's already

184

00:07:50,450 --> 00:07:48,960

well established obviously the Congress

185

00:07:52,150 --> 00:07:50,460

is looking for something very different

186

00:07:55,670 --> 00:07:52,160

than that obviously

187

00:07:57,110 --> 00:07:55,680

yeah even like uh the language down the

188

00:07:59,210 --> 00:07:57,120

road I think at some point they they

189

00:08:00,710 --> 00:07:59,220

changed language or something so so it

190

00:08:02,270 --> 00:08:00,720

was crystal clear that they were only

191

00:08:05,689 --> 00:08:02,280

interested in things that were not

192

00:08:08,450 --> 00:08:05,699

man-made like okay let me just spell it

193

00:08:13,430 --> 00:08:08,460

out for you people if it's not man-made

194

00:08:15,110 --> 00:08:13,440

we're interested yeah no that's uh but I

195

00:08:17,510 --> 00:08:15,120

do I think well but I do think we will

196

00:08:19,490 --> 00:08:17,520

get disclosure because I do think that

197

00:08:20,990 --> 00:08:19,500

every secrecy has a shelf life and you

198

00:08:23,809 --> 00:08:21,000

can Secrets cannot be maintained

199

00:08:25,010 --> 00:08:23,819

indefinitely uh Ariel Elizabeth made a

200

00:08:27,050 --> 00:08:25,020

really good point recently on Twitter

201
00:08:29,510 --> 00:08:27,060
she said like why do people say we're

202
00:08:30,950 --> 00:08:29,520
never going to get disclosure it's it's

203
00:08:32,570 --> 00:08:30,960
akin to saying like we're never gonna

204
00:08:34,190 --> 00:08:32,580
get gay marriage or we're never going to

205
00:08:36,110 --> 00:08:34,200
get the legalization of marijuana it's

206
00:08:38,149 --> 00:08:36,120
like no we will get disclosure maybe it

207
00:08:40,670 --> 00:08:38,159
will be maybe we further down the line

208
00:08:43,010 --> 00:08:40,680
than we expect but if it is true and

209
00:08:44,209 --> 00:08:43,020
this is obviously debatable but if it is

210
00:08:47,150 --> 00:08:44,219
true that the United States government

211
00:08:49,009 --> 00:08:47,160
has five High Fidelity data of these

212
00:08:50,329 --> 00:08:49,019
Technologies and I I think it's it's

213
00:08:51,769 --> 00:08:50,339

very clear to me that's true you just

214

00:08:54,170 --> 00:08:51,779

look at the Nimitz event you look at all

215

00:08:57,230 --> 00:08:54,180

of these sensor the sensor collecting

216

00:08:58,670 --> 00:08:57,240

mechanisms and they're even even uh John

217

00:09:00,110 --> 00:08:58,680

Ratcliffe went on the record and said

218

00:09:01,970 --> 00:09:00,120

that they have satellite imagery and

219

00:09:03,290 --> 00:09:01,980

this is huge I this I just this is worth

220

00:09:05,269 --> 00:09:03,300

repeating a million times over I don't

221

00:09:07,730 --> 00:09:05,279

think it necessarily got enough press

222

00:09:10,610 --> 00:09:07,740

but according to James Fox when he went

223

00:09:12,829 --> 00:09:10,620

on The Joe Rogan show he said that um

224

00:09:14,570 --> 00:09:12,839

he spoke to Chris melon and and Chris

225

00:09:15,590 --> 00:09:14,580

Mellon told James Fox um the only reason

226

00:09:17,329 --> 00:09:15,600

I'm going to tell you this is because

227

00:09:19,190 --> 00:09:17,339

John Radcliffe said it but yes there is

228

00:09:21,410 --> 00:09:19,200

satellite imagery I've seen that

229

00:09:23,030 --> 00:09:21,420

satellite imagery and you wanna and

230

00:09:25,430 --> 00:09:23,040

James fox is like oh come on tell me how

231

00:09:27,230 --> 00:09:25,440

good is that imagery of UAP in Chris

232

00:09:29,269 --> 00:09:27,240

melon according to James Fox and I don't

233

00:09:31,190 --> 00:09:29,279

I can't imagine he would make this up uh

234

00:09:33,230 --> 00:09:31,200

but according to James Fox who said that

235

00:09:36,470 --> 00:09:33,240

Chris Mellon said as good as you can

236

00:09:39,470 --> 00:09:36,480

imagine 4K so so my point is if that

237

00:09:41,269 --> 00:09:39,480

data actually exists there's no way that

238

00:09:43,550 --> 00:09:41,279

that can be covered up indefinitely

239

00:09:44,810 --> 00:09:43,560

eventually you know the rubber is going

240

00:09:46,970 --> 00:09:44,820

to hit the road and I think we're in

241

00:09:49,670 --> 00:09:46,980

that environment right now that if that

242

00:09:51,650 --> 00:09:49,680

data exists eventually the secret the

243

00:09:53,269 --> 00:09:51,660

secret the policy of secrecy cannot

244

00:09:55,670 --> 00:09:53,279

cannot continue much longer that's just

245

00:09:57,650 --> 00:09:55,680

my opinion no and that's a great Point

246

00:09:59,810 --> 00:09:57,660

bringing up uh what James Fox said about

247

00:10:01,730 --> 00:09:59,820

Chris Miller because he you

248

00:10:04,070 --> 00:10:01,740

you know I always think like what are

249

00:10:06,710 --> 00:10:04,080

what are people's uh whys what's the

250

00:10:08,810 --> 00:10:06,720

reason they do what they do right and

251

00:10:11,269 --> 00:10:08,820

which you know by the way I'd like to

252

00:10:14,090 --> 00:10:11,279

ask you that but it you know as far as

253

00:10:16,070 --> 00:10:14,100

like Chris melon or Lou Elizondo If

254

00:10:19,610 --> 00:10:16,080

people really think that they will go

255

00:10:21,530 --> 00:10:19,620

this far out on a limb without that

256

00:10:24,290 --> 00:10:21,540

being true what James Fox Said without

257

00:10:25,970 --> 00:10:24,300

Chris Mellon seeing great footage or

258

00:10:29,329 --> 00:10:25,980

even Lou or whatever where it's like

259

00:10:32,170 --> 00:10:29,339

okay this is obvious you know would they

260

00:10:35,570 --> 00:10:32,180

really go out on a limb like this off a

261

00:10:37,490 --> 00:10:35,580

interpretations I don't think so you

262

00:10:39,410 --> 00:10:37,500

know that that's a great point so maybe

263

00:10:41,389 --> 00:10:39,420

that's you know I'm just spitballing but

264

00:10:42,829 --> 00:10:41,399

maybe that's some of their motivation is

265

00:10:45,650 --> 00:10:42,839

because they've seen something like that

266

00:10:48,710 --> 00:10:45,660

what do you think yeah yeah I guess but

267

00:10:50,449 --> 00:10:48,720

I I think the reason people are so

268

00:10:52,190 --> 00:10:50,459

skeptical that there's higher Fidelity

269

00:10:53,690 --> 00:10:52,200

data and it's and I understand it it's

270

00:10:57,050 --> 00:10:53,700

not illogical the reason they're so

271

00:10:58,970 --> 00:10:57,060

skeptical is because it is very clear

272

00:11:01,610 --> 00:10:58,980

that this phenomenon does not want to be

273

00:11:03,470 --> 00:11:01,620

documented now when you say when you say

274

00:11:06,050 --> 00:11:03,480

that people are like oh that's that's

275

00:11:07,850 --> 00:11:06,060

just that's just that's just mental

276

00:11:10,310 --> 00:11:07,860

gymnastics that UFO Believers are doing

277

00:11:12,949 --> 00:11:10,320

to explain away why there's not a ton of

278

00:11:15,470 --> 00:11:12,959

great footage or photography over all

279

00:11:17,269 --> 00:11:15,480

these years but it's like wait wait a

280

00:11:20,630 --> 00:11:17,279

minute hold up

281

00:11:22,910 --> 00:11:20,640

do you know what these the capability of

282

00:11:25,250 --> 00:11:22,920

this phenomena is I mean I I this is an

283

00:11:27,910 --> 00:11:25,260

example I've used before but if we ever

284

00:11:31,490 --> 00:11:27,920

get the capacity for Interstellar travel

285

00:11:34,130 --> 00:11:31,500

us human beings in 10 000 years from now

286

00:11:37,130 --> 00:11:34,140

we're visiting other planets we may

287

00:11:39,050 --> 00:11:37,140

decide that we don't want to be

288

00:11:41,870 --> 00:11:39,060

um documented for whatever reason maybe

289

00:11:43,090 --> 00:11:41,880

because we did we we want to study this

290

00:11:45,710 --> 00:11:43,100

the the

291

00:11:47,090 --> 00:11:45,720

otherworldly species in a natural kind

292

00:11:49,970 --> 00:11:47,100

of way and we don't want to interfere

293

00:11:50,870 --> 00:11:49,980

and we want for our own scientific um

294

00:11:53,389 --> 00:11:50,880

interest

295

00:11:56,750 --> 00:11:53,399

would we be able to have ai that could

296

00:11:58,850 --> 00:11:56,760

scan large swaths of area or you know

297

00:12:00,769 --> 00:11:58,860

disable cameras or maybe even the

298

00:12:02,690 --> 00:12:00,779

propulsion system of our craft would

299

00:12:05,449 --> 00:12:02,700

make it unlikely that anyone would get

300

00:12:07,790 --> 00:12:05,459

good documentation I think that's highly

301
00:12:09,590 --> 00:12:07,800
plausible and it annoys me when Skeptics

302
00:12:12,710 --> 00:12:09,600
act as if that's not plausible that is

303
00:12:14,990 --> 00:12:12,720
so absurdly and irritatingly biased it's

304
00:12:16,910 --> 00:12:15,000
just ridiculous but to get to your other

305
00:12:18,530 --> 00:12:16,920
question why did I get interested in

306
00:12:20,690 --> 00:12:18,540
this topic like why do I do what I do

307
00:12:22,430 --> 00:12:20,700
and I I've said this before and I think

308
00:12:24,590 --> 00:12:22,440
it probably surprises some people but I

309
00:12:26,269 --> 00:12:24,600
think what drives me the most honestly

310
00:12:28,910 --> 00:12:26,279
is I just wanted to be a part of the

311
00:12:31,250 --> 00:12:28,920
conversation I wanted to be a part of

312
00:12:33,710 --> 00:12:31,260
the conversation in a significant way

313
00:12:36,170 --> 00:12:33,720

because I perceive that this this this

314

00:12:37,610 --> 00:12:36,180

is one of the biggest maybe maybe

315

00:12:42,050 --> 00:12:37,620

arguably

316

00:12:44,569 --> 00:12:42,060

world today is non-human intelligence

317

00:12:45,590 --> 00:12:44,579

engaging our species and so who would

318

00:12:48,590 --> 00:12:45,600

not want to be a part of that

319

00:12:49,910 --> 00:12:48,600

conversation if they recognized that

320

00:12:51,769 --> 00:12:49,920

that's what's here and that's what's

321

00:12:53,449 --> 00:12:51,779

happening so that's what drives me I

322

00:12:55,790 --> 00:12:53,459

just wanna I wanna be able to influence

323

00:12:57,350 --> 00:12:55,800

the conversation and and not just be a

324

00:12:59,629 --> 00:12:57,360

spectator so that's what drives me every

325

00:13:01,550 --> 00:12:59,639

day in many respects

326

00:13:03,050 --> 00:13:01,560

no I appreciate that and I kind of feel

327

00:13:04,730 --> 00:13:03,060

the same way

328

00:13:06,829 --> 00:13:04,740

um because it's that important to me I

329

00:13:09,470 --> 00:13:06,839

guess and in my experience was dramatic

330

00:13:11,690 --> 00:13:09,480

enough to to put me in a can-do kind of

331

00:13:13,910 --> 00:13:11,700

attitude with this topic

332

00:13:16,250 --> 00:13:13,920

um I also look back at uh one of your

333

00:13:19,310 --> 00:13:16,260

videos I wasn't able to watch at all

334

00:13:22,009 --> 00:13:19,320

but you describe four paranormal

335

00:13:25,069 --> 00:13:22,019

experiences oh geez yeah

336

00:13:29,210 --> 00:13:25,079

are you able to get into any of those

337

00:13:31,310 --> 00:13:29,220

yeah I I can uh I can approach any of

338

00:13:32,870 --> 00:13:31,320

that if you want me to go into that yeah

339

00:13:35,090 --> 00:13:32,880

I would love to hear about the the

340

00:13:36,650 --> 00:13:35,100

blinking orbs or or whatever was most

341

00:13:39,110 --> 00:13:36,660

impactful

342

00:13:41,090 --> 00:13:39,120

um while the blinking orbs and look I

343

00:13:43,730 --> 00:13:41,100

I'm gonna be the first one to say I've I

344

00:13:45,889 --> 00:13:43,740

have had four paranormal experiences

345

00:13:48,769 --> 00:13:45,899

that I that I consider significant

346

00:13:50,750 --> 00:13:48,779

but I would only say one of them in my

347

00:13:53,750 --> 00:13:50,760

more or less convinced was actually

348

00:13:55,550 --> 00:13:53,760

paranormal so I'm I'm very I'm a very

349

00:13:57,889 --> 00:13:55,560

skeptical person in many regards or that

350

00:14:00,230 --> 00:13:57,899

would probably surprise a lot of people

351

00:14:02,150 --> 00:14:00,240

um you know I'm not a black and white

352

00:14:03,290 --> 00:14:02,160

thinker some people think some people

353

00:14:04,730 --> 00:14:03,300

are just such black and white thinkers

354

00:14:06,290 --> 00:14:04,740

they they can't parse it you're either

355

00:14:08,030 --> 00:14:06,300

you're either you either you either

356

00:14:09,470 --> 00:14:08,040

you're either skeptical you're not if

357

00:14:11,329 --> 00:14:09,480

you're skeptical you believe the whole

358

00:14:13,009 --> 00:14:11,339

ufosu is all Bs and if you're not

359

00:14:15,590 --> 00:14:13,019

skeptical and you're gullible you

360

00:14:18,829 --> 00:14:15,600

believe no no I believe that uh probably

361

00:14:22,190 --> 00:14:18,839

90 to 95 or more of sightings are Venus

362

00:14:24,110 --> 00:14:22,200

or a shooting star or

363

00:14:27,170 --> 00:14:24,120

um this or that and that very few

364

00:14:29,150 --> 00:14:27,180

sightings are actually uh of something

365

00:14:31,670 --> 00:14:29,160

anomalous so no you can you can you can

366

00:14:34,370 --> 00:14:31,680

be a quote unquote UFO believer and also

367

00:14:36,530 --> 00:14:34,380

be in highly cynical skeptical person

368

00:14:38,990 --> 00:14:36,540

those two things can coexist at the same

369

00:14:40,389 --> 00:14:39,000

time I'm sorry but they just can

370

00:14:44,389 --> 00:14:40,399

um but

371

00:14:46,370 --> 00:14:44,399

regarding the orb situation uh I'll just

372

00:14:49,189 --> 00:14:46,380

say like I was going through an

373

00:14:52,250 --> 00:14:49,199

emotional time or not necessarily time

374

00:14:53,930 --> 00:14:52,260

but maybe a portion of time and I went

375

00:14:56,990 --> 00:14:53,940

to the roof of my apartment at the time

376

00:14:59,090 --> 00:14:57,000

and I was I was uh I was doing some

377

00:15:01,790 --> 00:14:59,100

Shadow Boxing let's say because I wanted

378

00:15:04,250 --> 00:15:01,800

to get rid of some stress and then I sat

379

00:15:06,590 --> 00:15:04,260

down to meditate for like 10 minutes

380

00:15:08,210 --> 00:15:06,600

and I just was visualizing that I was

381

00:15:10,550 --> 00:15:08,220

like in a forest or whatever which is

382

00:15:12,470 --> 00:15:10,560

not a meditation technique that I

383

00:15:14,329 --> 00:15:12,480

ever use but for whatever reason I use

384

00:15:17,750 --> 00:15:14,339

that meditation technique

385

00:15:20,090 --> 00:15:17,760

and um I I from what I recall

386

00:15:23,990 --> 00:15:20,100

when I opened my eyes

387

00:15:26,870 --> 00:15:24,000

I saw like like tiny little orbs like

388

00:15:29,990 --> 00:15:26,880

flickering out of the side of my eye

389

00:15:31,490 --> 00:15:30,000

like fireflies and then and then I

390

00:15:33,230 --> 00:15:31,500

looked and it was gone and then I

391

00:15:35,150 --> 00:15:33,240

brought my face back to the center and

392

00:15:37,129 --> 00:15:35,160

then I saw from the other side of my

393

00:15:39,530 --> 00:15:37,139

eyes like fireflies and I looked and I

394

00:15:41,930 --> 00:15:39,540

was then they were gone so because of

395

00:15:44,750 --> 00:15:41,940

that right it wasn't directly in my face

396

00:15:47,150 --> 00:15:44,760

in front of my face it was peripherally

397

00:15:48,470 --> 00:15:47,160

so could it have been like some kind of

398

00:15:50,870 --> 00:15:48,480

because I because I actually I remember

399

00:15:53,870 --> 00:15:50,880

someone commenting under that video and

400

00:15:55,550 --> 00:15:53,880

and saying that um they said that uh

401
00:15:57,170 --> 00:15:55,560
maybe it was some kind of eye issue

402
00:15:58,850 --> 00:15:57,180
where that kind of thing can happen well

403
00:16:02,150 --> 00:15:58,860
it only happened that one time my entire

404
00:16:03,949 --> 00:16:02,160
life I don't know how How likely that is

405
00:16:05,689 --> 00:16:03,959
but yeah it could be

406
00:16:06,650 --> 00:16:05,699
um could it could I have been a could

407
00:16:08,810 --> 00:16:06,660
have been something other than

408
00:16:11,030 --> 00:16:08,820
paranormal absolutely but but I will

409
00:16:12,350 --> 00:16:11,040
just I will that's I I could see that

410
00:16:14,030 --> 00:16:12,360
but on the other hand it's never

411
00:16:17,329 --> 00:16:14,040
happened before it's never happened

412
00:16:19,189 --> 00:16:17,339
since and and I I do I do concede I saw

413
00:16:21,470 --> 00:16:19,199

them peripherally but it was not

414

00:16:24,230 --> 00:16:21,480

ambiguous peripherally they were like

415

00:16:26,810 --> 00:16:24,240

really bright and what that was I have

416

00:16:28,970 --> 00:16:26,820

not the foggiest idea but uh but I found

417

00:16:31,550 --> 00:16:28,980

it interesting at the time I guess

418

00:16:34,490 --> 00:16:31,560

yeah you got to love those one time uh

419

00:16:36,410 --> 00:16:34,500

Health anomalies you know we're we're

420

00:16:38,210 --> 00:16:36,420

just

421

00:16:41,090 --> 00:16:38,220

that's what I think of sometimes about

422

00:16:43,370 --> 00:16:41,100

like uh you know the thing that I saw or

423

00:16:46,189 --> 00:16:43,380

whatever it's like

424

00:16:48,230 --> 00:16:46,199

it's only happened well twice within a

425

00:16:50,449 --> 00:16:48,240

couple days but like throughout my whole

426

00:16:53,329 --> 00:16:50,459

life it's like winning the lottery you

427

00:16:54,530 --> 00:16:53,339

know like seeing one of these like holy

428

00:16:58,069 --> 00:16:54,540

cow I won

429

00:16:59,030 --> 00:16:58,079

so yeah that's uh that's it you know and

430

00:17:01,490 --> 00:16:59,040

there's all sorts of different

431

00:17:04,669 --> 00:17:01,500

paranormal experiences you know uh

432

00:17:06,829 --> 00:17:04,679

whether it be a UFO or or oh yeah oh

433

00:17:08,929 --> 00:17:06,839

yeah I'd also interested in ndes sorry

434

00:17:11,150 --> 00:17:08,939

go ahead yeah I was just gonna say that

435

00:17:13,730 --> 00:17:11,160

so many people have had these paranormal

436

00:17:15,650 --> 00:17:13,740

experiences that the idea that that

437

00:17:18,530 --> 00:17:15,660

every single person

438

00:17:19,909 --> 00:17:18,540

is just experiencing something other

439

00:17:21,949 --> 00:17:19,919

than that they than what they say

440

00:17:23,510 --> 00:17:21,959

they're experiencing sure I don't find

441

00:17:25,730 --> 00:17:23,520

that a very compelling line of argument

442

00:17:26,870 --> 00:17:25,740

I'm not maybe it's true I I don't know

443

00:17:29,390 --> 00:17:26,880

for certainty but I just don't

444

00:17:31,370 --> 00:17:29,400

especially because I've had paranormal

445

00:17:33,770 --> 00:17:31,380

experiences and you you when you have

446

00:17:35,690 --> 00:17:33,780

them you s it you know I've had one at

447

00:17:37,850 --> 00:17:35,700

least that was totally unambiguous but

448

00:17:40,010 --> 00:17:37,860

if you have a completely unambiguous UFO

449

00:17:41,810 --> 00:17:40,020

experience then I'm or paranormal

450

00:17:43,490 --> 00:17:41,820

experience don't ask that person to

451

00:17:45,890 --> 00:17:43,500

think they were crazy like I'm talking

452

00:17:48,049 --> 00:17:45,900

to you right now if if a week from now

453

00:17:49,610 --> 00:17:48,059

someone says as you talk with Sean of

454

00:17:51,650 --> 00:17:49,620

witness citizen a week ago I'll be like

455

00:17:53,150 --> 00:17:51,660

yes well maybe you were hallucinating no

456

00:17:54,710 --> 00:17:53,160

I wasn't hallucinating I remember it

457

00:17:57,350 --> 00:17:54,720

clearly it was unambiguous but go ahead

458

00:18:01,549 --> 00:17:57,360

what would you what were you asking

459

00:18:03,350 --> 00:18:01,559

um I oh yeah um first of all I want to

460

00:18:05,630 --> 00:18:03,360

hear about your unambiguous uh

461

00:18:07,549 --> 00:18:05,640

experience and then after that um tell

462

00:18:09,529 --> 00:18:07,559

me what your interest is in uh

463

00:18:10,789 --> 00:18:09,539

near-death experiences

464

00:18:13,130 --> 00:18:10,799

so I'll go into the unambiguous

465

00:18:14,810 --> 00:18:13,140

experience first um I feel really weird

466

00:18:16,310 --> 00:18:14,820

talking about it not because I'm I don't

467

00:18:18,049 --> 00:18:16,320

you don't have to but no I will no I

468

00:18:19,490 --> 00:18:18,059

will I've I've I've talked about it so

469

00:18:21,049 --> 00:18:19,500

much I've even even wrote an article

470

00:18:23,270 --> 00:18:21,059

about it but I'm just saying I feel

471

00:18:25,130 --> 00:18:23,280

weird about it in the sense that I don't

472

00:18:27,049 --> 00:18:25,140

really glean a lot of like it doesn't

473

00:18:29,090 --> 00:18:27,059

make me satisfied or fulfilled to talk

474

00:18:31,669 --> 00:18:29,100

about it every time I talked about it I

475

00:18:34,669 --> 00:18:31,679

probably feel a little self-conscious uh

476

00:18:36,409 --> 00:18:34,679

because it is so bizarre

477

00:18:38,510 --> 00:18:36,419

um and I and another thing is like if

478

00:18:39,950 --> 00:18:38,520

people think that uh that it didn't

479

00:18:41,510 --> 00:18:39,960

happen that it's a false memory or

480

00:18:43,730 --> 00:18:41,520

anything I'm totally good with that like

481

00:18:47,750 --> 00:18:43,740

I I have no

482

00:18:49,730 --> 00:18:47,760

um incentive or or or I don't feel a

483

00:18:50,930 --> 00:18:49,740

strong need for people to believe me I

484

00:18:53,390 --> 00:18:50,940

really don't care if they believe me or

485

00:18:55,730 --> 00:18:53,400

not I'm just reporting if you will what

486

00:18:56,690 --> 00:18:55,740

I remember happening so I was 14 years

487

00:18:59,870 --> 00:18:56,700

old

488

00:19:02,029 --> 00:18:59,880

and uh I was in a it was on it was a

489

00:19:03,169 --> 00:19:02,039

vacation with my dad and my brother in

490

00:19:05,210 --> 00:19:03,179

Vermont

491

00:19:06,409 --> 00:19:05,220

and I was in the back seat of a car

492

00:19:07,970 --> 00:19:06,419

while we were driving and I was looking

493

00:19:11,330 --> 00:19:07,980

out the window

494

00:19:12,950 --> 00:19:11,340

and out of nowhere I started receiving a

495

00:19:14,990 --> 00:19:12,960

telepathic message

496

00:19:17,690 --> 00:19:15,000

and

497

00:19:19,310 --> 00:19:17,700

it it was just telepathic how do I know

498

00:19:21,230 --> 00:19:19,320

it's I I don't know I just it wasn't my

499

00:19:23,990 --> 00:19:21,240

thought it was it was very unambiguously

500

00:19:25,630 --> 00:19:24,000

not my thought and simultaneously while

501
00:19:30,650 --> 00:19:25,640
I was receiving this telepathic message

502
00:19:32,570 --> 00:19:30,660
I felt an overwhelming surge of bliss so

503
00:19:35,750 --> 00:19:32,580
so you have a convergence of two

504
00:19:38,270 --> 00:19:35,760
anomalies if you will one anomaly was

505
00:19:39,710 --> 00:19:38,280
I'm receiving a thought in my mind that

506
00:19:42,590 --> 00:19:39,720
is clearly not my thought and the other

507
00:19:46,430 --> 00:19:42,600
anomaly is simultaneously I'm feeling a

508
00:19:48,169 --> 00:19:46,440
an overwhelming surge of euphoria

509
00:19:50,210 --> 00:19:48,179
um and in the Euphoria was so strong

510
00:19:53,990 --> 00:19:50,220
that I distinctly and keenly remember

511
00:19:55,549 --> 00:19:54,000
that a tear went down my cheek like my

512
00:19:56,990 --> 00:19:55,559
tear duct was activated if you will

513
00:19:59,690 --> 00:19:57,000

because the Euphoria was just so

514

00:20:01,190 --> 00:19:59,700

overwhelming but it was a it was a

515

00:20:02,810 --> 00:20:01,200

two-part message

516

00:20:06,230 --> 00:20:02,820

um I'm not going to say what the message

517

00:20:08,390 --> 00:20:06,240

is as a rule I don't it was it was about

518

00:20:09,770 --> 00:20:08,400

my life it wasn't about like world

519

00:20:11,690 --> 00:20:09,780

events or anything it was specifically

520

00:20:13,010 --> 00:20:11,700

about my life and it said a is gonna

521

00:20:14,390 --> 00:20:13,020

happen

522

00:20:16,970 --> 00:20:14,400

uh

523

00:20:18,650 --> 00:20:16,980

a is going to happen and B is going to

524

00:20:20,390 --> 00:20:18,660

happen

525

00:20:23,090 --> 00:20:20,400

and um

526

00:20:24,350 --> 00:20:23,100

so to to cut this to keep this and it's

527

00:20:26,570 --> 00:20:24,360

actually a very simple story so you

528

00:20:28,430 --> 00:20:26,580

can't really you can't really make it

529

00:20:31,789 --> 00:20:28,440

much smaller than it is but

530

00:20:33,529 --> 00:20:31,799

basically a did happen a happened uh I

531

00:20:35,450 --> 00:20:33,539

don't know how long after maybe like

532

00:20:37,310 --> 00:20:35,460

maybe a week or two after I got back I

533

00:20:39,289 --> 00:20:37,320

realized it happened

534

00:20:41,150 --> 00:20:39,299

and B never happened

535

00:20:45,529 --> 00:20:41,160

um

536

00:20:47,750 --> 00:20:45,539

and and I'll be honest I I

537

00:20:49,490 --> 00:20:47,760

I I feel like this experience may have

538

00:20:50,630 --> 00:20:49,500

screwed me up in Summer's guards which I

539

00:20:51,710 --> 00:20:50,640

find pretty interesting a lot of people

540

00:20:53,390 --> 00:20:51,720

think if you have a paranormal

541

00:20:55,010 --> 00:20:53,400

experience like it's gonna it's gonna

542

00:20:56,150 --> 00:20:55,020

Enlighten you it's gonna broaden your

543

00:20:58,669 --> 00:20:56,160

horizons you're gonna become a better

544

00:21:01,730 --> 00:20:58,679

person no I think I think this

545

00:21:03,610 --> 00:21:01,740

experience may have made me paranoid I

546

00:21:06,529 --> 00:21:03,620

think it may have made me superstitious

547

00:21:08,750 --> 00:21:06,539

I think that it may have led to me

548

00:21:10,549 --> 00:21:08,760

getting having a relationship with

549

00:21:12,529 --> 00:21:10,559

religion in a way that was not healthy

550

00:21:15,590 --> 00:21:12,539

because at the time I believed it was

551
00:21:18,529 --> 00:21:15,600
God giving me that message so if we are

552
00:21:20,570 --> 00:21:18,539
to ascertain the ripple effect from that

553
00:21:22,250 --> 00:21:20,580
experience when I was 14 years old

554
00:21:23,390 --> 00:21:22,260
I mean I can't know for certainty

555
00:21:24,890 --> 00:21:23,400
because I'd have to see what would have

556
00:21:26,330 --> 00:21:24,900
happened with my life if I did not

557
00:21:27,470 --> 00:21:26,340
experience that so they can't know for

558
00:21:29,450 --> 00:21:27,480
certainty whether I would have turned

559
00:21:31,010 --> 00:21:29,460
out better or turned out worse but what

560
00:21:34,970 --> 00:21:31,020
I can say is that

561
00:21:37,930 --> 00:21:34,980
I do think it impacted my my mind in a

562
00:21:40,850 --> 00:21:37,940
way that that potentially was very very

563
00:21:45,169 --> 00:21:40,860

detrimental to me on the other hand

564

00:21:48,110 --> 00:21:45,179

on the other because of of the way it it

565

00:21:50,990 --> 00:21:48,120

contributed to me seeing the world and

566

00:21:52,430 --> 00:21:51,000

and belief systems if you will on the

567

00:21:57,070 --> 00:21:52,440

other hand there's always that

568

00:22:02,210 --> 00:22:00,169

objectively negative but ultimately it

569

00:22:03,409 --> 00:22:02,220

was good for me

570

00:22:10,490 --> 00:22:03,419

um

571

00:22:13,789 --> 00:22:10,500

when uh Neo goes to the oracle

572

00:22:16,430 --> 00:22:13,799

and gets his message but Morpheus is

573

00:22:18,110 --> 00:22:16,440

like uh no Neo's at some point Neo said

574

00:22:19,730 --> 00:22:18,120

are you does does the Oracle know

575

00:22:21,289 --> 00:22:19,740

everything is she going to give me

576

00:22:23,270 --> 00:22:21,299

accurate information and Morpheus has

577

00:22:26,090 --> 00:22:23,280

something effective don't look at it so

578

00:22:28,789 --> 00:22:26,100

much as right or wrong but what you need

579

00:22:30,529 --> 00:22:28,799

to hear so could that experience have

580

00:22:32,270 --> 00:22:30,539

had a detrimental impact upon my life

581

00:22:34,310 --> 00:22:32,280

yes but could that detrimental impact

582

00:22:37,070 --> 00:22:34,320

have led to

583

00:22:40,070 --> 00:22:37,080

um insights and perspectives of reality

584

00:22:42,110 --> 00:22:40,080

that were that I needed to glean that

585

00:22:44,630 --> 00:22:42,120

might may be beneficial to me yes both

586

00:22:46,549 --> 00:22:44,640

can be true at the same time and and if

587

00:22:48,950 --> 00:22:46,559

if people are interested I wrote a whole

588

00:22:51,110 --> 00:22:48,960

medium article

589

00:22:52,669 --> 00:22:51,120

um on that experience of what I

590

00:22:55,430 --> 00:22:52,679

perceived I learned from it I think the

591

00:22:56,750 --> 00:22:55,440

title of it is um the night God spoke to

592

00:23:00,950 --> 00:22:56,760

me or something you can put in the show

593

00:23:04,130 --> 00:23:00,960

notes sure yeah definitely will and that

594

00:23:06,890 --> 00:23:04,140

doesn't sound uh strange to me I've had

595

00:23:09,409 --> 00:23:06,900

an experience

596

00:23:10,669 --> 00:23:09,419

you know it's weird that you that you

597

00:23:12,409 --> 00:23:10,679

you know because I'm finding

598

00:23:15,230 --> 00:23:12,419

similarities in this experience I had

599

00:23:18,230 --> 00:23:15,240

when I was younger maybe 18 or 19. but

600

00:23:20,270 --> 00:23:18,240

it was a dream but I also felt Euphoria

601
00:23:23,149 --> 00:23:20,280
I woke up from the dream with the tear

602
00:23:25,250 --> 00:23:23,159
in my eye and I was given a message

603
00:23:26,810 --> 00:23:25,260
which is very interesting now my message

604
00:23:29,810 --> 00:23:26,820
I'll tell you what it is it was just

605
00:23:31,130 --> 00:23:29,820
Sean go back to school relax and go back

606
00:23:37,850 --> 00:23:31,140
to school

607
00:23:40,970 --> 00:23:37,860
know but uh follow it yeah but uh but it

608
00:23:42,770 --> 00:23:40,980
was a very intense dream that was

609
00:23:44,750 --> 00:23:42,780
obviously different

610
00:23:46,310 --> 00:23:44,760
um than than anything else and and I

611
00:23:48,230 --> 00:23:46,320
thought it was God too so that's a

612
00:23:48,830 --> 00:23:48,240
pretty interesting

613
00:23:50,630 --> 00:23:48,840

um

614

00:23:52,789 --> 00:23:50,640

but yeah I know what you mean and the

615

00:23:56,930 --> 00:23:52,799

toughest part sometimes having these

616

00:23:59,450 --> 00:23:56,940

experiences is thinking of all the

617

00:24:02,510 --> 00:23:59,460

different ways it may have or may not

618

00:24:04,430 --> 00:24:02,520

have affected you you know like is this

619

00:24:06,409 --> 00:24:04,440

a positive thing that I'm here doing

620

00:24:08,570 --> 00:24:06,419

this show looking at Flying Saucer files

621

00:24:11,510 --> 00:24:08,580

all the time or is that a negative thing

622

00:24:14,870 --> 00:24:11,520

you know like would my time be better

623

00:24:17,570 --> 00:24:14,880

spent doing something that you know puts

624

00:24:20,270 --> 00:24:17,580

a lot of money in my pocket for instance

625

00:24:21,649 --> 00:24:20,280

or whatever you know so I I always get

626
00:24:23,149 --> 00:24:21,659
stuck in those thoughts and I know what

627
00:24:25,130 --> 00:24:23,159
you mean too but at some point you just

628
00:24:27,470 --> 00:24:25,140
have to let go and and it is what it is

629
00:24:30,289 --> 00:24:27,480
and embrace where you're at now right

630
00:24:32,510 --> 00:24:30,299
yeah and I think if anyone reads the

631
00:24:33,649 --> 00:24:32,520
article the biggest takeaway I got from

632
00:24:35,630 --> 00:24:33,659
that dream

633
00:24:37,130 --> 00:24:35,640
and it's it's not a takeaway that

634
00:24:40,130 --> 00:24:37,140
happened immediately afterward it's an

635
00:24:42,350 --> 00:24:40,140
it's a takeaway that I that I have as a

636
00:24:44,450 --> 00:24:42,360
result of seeing how how maybe it

637
00:24:45,950 --> 00:24:44,460
affected my my belief systems and

638
00:24:49,130 --> 00:24:45,960

perspectives is the biggest takeaway is

639

00:24:51,230 --> 00:24:49,140

is that free will is not is not as black

640

00:24:53,810 --> 00:24:51,240

and white as people make it out to be

641

00:24:55,490 --> 00:24:53,820

Free Will is is I do believe Free Will

642

00:24:56,630 --> 00:24:55,500

exist but I also believe Free Will is

643

00:24:58,970 --> 00:24:56,640

very limited

644

00:25:00,850 --> 00:24:58,980

and I think as a civilization we we are

645

00:25:03,409 --> 00:25:00,860

just way too judgmental

646

00:25:05,510 --> 00:25:03,419

uh just to give you an example

647

00:25:07,070 --> 00:25:05,520

if someone disagrees with you it doesn't

648

00:25:09,049 --> 00:25:07,080

necessarily mean that they have bad

649

00:25:11,930 --> 00:25:09,059

intentions or that they have good

650

00:25:14,450 --> 00:25:11,940

intentions what what we as as as a

651
00:25:16,549 --> 00:25:14,460
species as a as human beings do way too

652
00:25:17,810 --> 00:25:16,559
often and I don't think this is a

653
00:25:19,610 --> 00:25:17,820
conscious mistake I think it's a

654
00:25:22,190 --> 00:25:19,620
subconscious mistake is we don't sit

655
00:25:23,990 --> 00:25:22,200
back in in and reflect on well why does

656
00:25:25,549 --> 00:25:24,000
a person see it this way does it have

657
00:25:27,409 --> 00:25:25,559
anything to do with where they grew up

658
00:25:30,110 --> 00:25:27,419
does it have anything to do with what

659
00:25:31,789 --> 00:25:30,120
the beliefs or philosophy of their of

660
00:25:33,169 --> 00:25:31,799
their parents were does it have anything

661
00:25:34,669 --> 00:25:33,179
to do with what college they went to

662
00:25:36,890 --> 00:25:34,679
does it have anything to do with their

663
00:25:39,169 --> 00:25:36,900

neural connections

664

00:25:40,730 --> 00:25:39,179

um I'll give you an example

665

00:25:43,370 --> 00:25:40,740

um I'd think about this all the time

666

00:25:46,970 --> 00:25:43,380

I'll give you an example I'm fascinated

667

00:25:49,370 --> 00:25:46,980

with psychology I'm fascinated with

668

00:25:52,610 --> 00:25:49,380

um the differences between people

669

00:25:54,289 --> 00:25:52,620

um one one one common uh feature of

670

00:25:56,269 --> 00:25:54,299

people that are autistic

671

00:25:58,610 --> 00:25:56,279

is they have a very strong sense of

672

00:26:00,169 --> 00:25:58,620

justice which which can be a good thing

673

00:26:01,909 --> 00:26:00,179

but it also potentially can be a bad

674

00:26:05,810 --> 00:26:01,919

thing but it's it's something that that

675

00:26:08,330 --> 00:26:05,820

is is common with people with autism

676

00:26:10,970 --> 00:26:08,340

now if they weren't autistic would they

677

00:26:14,330 --> 00:26:10,980

still have that that fiery sense of

678

00:26:17,630 --> 00:26:14,340

justice maybe not so this is just a just

679

00:26:19,850 --> 00:26:17,640

so if they take pride in in like I I'm

680

00:26:21,890 --> 00:26:19,860

all about Justice and I can't stand when

681

00:26:23,810 --> 00:26:21,900

when wrongdoings are done here and there

682

00:26:27,110 --> 00:26:23,820

and there that may be a virtue and I

683

00:26:29,029 --> 00:26:27,120

I'll tip my hat to them but let's not

684

00:26:31,610 --> 00:26:29,039

lose sight of the fact that how much of

685

00:26:34,789 --> 00:26:31,620

that is the result of meant of your

686

00:26:36,529 --> 00:26:34,799

brain wiring if you were born with a

687

00:26:38,269 --> 00:26:36,539

different brain wiring maybe you would

688

00:26:41,810 --> 00:26:38,279

be very lackadaisic about certain

689

00:26:46,070 --> 00:26:41,820

injustices maybe maybe you wouldn't be

690

00:26:47,390 --> 00:26:46,080

um as as emphatic or pursuing fairness

691

00:26:50,330 --> 00:26:47,400

if you will

692

00:26:53,330 --> 00:26:50,340

um and and so when I when I reflect on

693

00:26:55,190 --> 00:26:53,340

my virtues if I have any virtues I try

694

00:26:57,529 --> 00:26:55,200

to remind myself you know let's not lose

695

00:26:59,810 --> 00:26:57,539

sight of the fact that the the parts of

696

00:27:03,950 --> 00:26:59,820

you that that is a good human being the

697

00:27:05,690 --> 00:27:03,960

parts of you that pursues fairness and

698

00:27:07,549 --> 00:27:05,700

Justice part of that might be because

699

00:27:10,190 --> 00:27:07,559

that's just the brain wiring you were

700

00:27:11,810 --> 00:27:10,200

born with are you or look at like uh

701
00:27:15,470 --> 00:27:11,820
look look at like look at people that

702
00:27:17,570 --> 00:27:15,480
are so uh sociopathic which is a I think

703
00:27:20,149 --> 00:27:17,580
it's it's considered a personality

704
00:27:22,149 --> 00:27:20,159
disorder and I I've done a little bit of

705
00:27:25,970 --> 00:27:22,159
research on uh

706
00:27:27,950 --> 00:27:25,980
so sociopathic sociopathy I I can't even

707
00:27:29,510 --> 00:27:27,960
remember don't ask me I can't even

708
00:27:32,149 --> 00:27:29,520
remember the clinical term for it but

709
00:27:34,130 --> 00:27:32,159
I've done a little uh research on it and

710
00:27:36,230 --> 00:27:34,140
guess what according to the science

711
00:27:39,289 --> 00:27:36,240
unless I'm mistaken and I don't think I

712
00:27:42,649 --> 00:27:39,299
am according to the science there is no

713
00:27:45,289 --> 00:27:42,659

cure for sociopathy there is no cure for

714

00:27:47,330 --> 00:27:45,299

narcissism people who are diagnosed with

715

00:27:49,310 --> 00:27:47,340

narcissism which is a personality

716

00:27:52,850 --> 00:27:49,320

disorder there's no cure for it maybe

717

00:27:55,730 --> 00:27:52,860

someday there will be and and so why why

718

00:27:57,950 --> 00:27:55,740

why is this significant it's significant

719

00:27:59,269 --> 00:27:57,960

because it would be easy for a guy like

720

00:28:01,549 --> 00:27:59,279

me to look at someone that that

721

00:28:03,769 --> 00:28:01,559

literally has that brain wiring that

722

00:28:06,350 --> 00:28:03,779

makes the narcissists can be like I'm

723

00:28:08,870 --> 00:28:06,360

the I'm the greatest man alive I am such

724

00:28:11,990 --> 00:28:08,880

a just person I am such a kind person I

725

00:28:13,789 --> 00:28:12,000

am such a wonderful person but no if I

726

00:28:16,010 --> 00:28:13,799

was born with narcissism which is

727

00:28:19,070 --> 00:28:16,020

genetic it I think it's

728

00:28:21,230 --> 00:28:19,080

it's partially nurture but I think it

729

00:28:24,409 --> 00:28:21,240

for it to be activated there has to be a

730

00:28:26,870 --> 00:28:24,419

genetic predisposition I would be a very

731

00:28:29,210 --> 00:28:26,880

different person so free will what is

732

00:28:30,950 --> 00:28:29,220

Free Will Free Will is not something we

733

00:28:33,529 --> 00:28:30,960

totally understand you can take two

734

00:28:35,630 --> 00:28:33,539

people and one person

735

00:28:37,549 --> 00:28:35,640

has all these wonderful virtues and the

736

00:28:38,870 --> 00:28:37,559

other person doesn't but the person with

737

00:28:40,730 --> 00:28:38,880

all the wonderful virtues is not

738

00:28:42,110 --> 00:28:40,740

necessarily not necessarily a better

739

00:28:43,909 --> 00:28:42,120

person part of that might be the way

740

00:28:45,649 --> 00:28:43,919

their brain are wired so I so my point

741

00:28:47,630 --> 00:28:45,659

my point is we should all humble

742

00:28:49,789 --> 00:28:47,640

ourselves and take a step back stop

743

00:28:52,130 --> 00:28:49,799

being so damn judgmental stop stop

744

00:28:53,990 --> 00:28:52,140

seeing other people's enemies constantly

745

00:28:56,210 --> 00:28:54,000

seeing them as enemies because when we

746

00:28:58,610 --> 00:28:56,220

do that when we do that we get so

747

00:29:00,289 --> 00:28:58,620

preoccupied with othering people and

748

00:29:02,090 --> 00:29:00,299

making them our enemy we lose sight of

749

00:29:04,010 --> 00:29:02,100

the fact that wait a minute that they

750

00:29:06,470 --> 00:29:04,020

don't necessarily have a bad intention

751

00:29:08,390 --> 00:29:06,480

even if they're wrong even if they're

752

00:29:10,250 --> 00:29:08,400

misguided that doesn't necessarily mean

753

00:29:12,890 --> 00:29:10,260

that their intentions are bad now look

754

00:29:15,710 --> 00:29:12,900

to be to be to be

755

00:29:17,930 --> 00:29:15,720

um balanced here sometimes it is bad

756

00:29:19,070 --> 00:29:17,940

intentions sometimes people are Pricks

757

00:29:20,870 --> 00:29:19,080

and they know they're Pricks and they

758

00:29:23,289 --> 00:29:20,880

want to be Pricks I'm just saying it's

759

00:29:26,090 --> 00:29:23,299

not black and white so let's let's let's

760

00:29:27,649 --> 00:29:26,100

factor that into the equation when we

761

00:29:29,269 --> 00:29:27,659

look at other people that disagree with

762

00:29:31,730 --> 00:29:29,279

us that's all I'm saying

763

00:29:34,610 --> 00:29:31,740

no I think that's perfect we often don't

764

00:29:36,830 --> 00:29:34,620

think about why people are the way they

765

00:29:39,110 --> 00:29:36,840

are and I told you that I think about

766

00:29:40,970 --> 00:29:39,120

this all the time based on who their

767

00:29:42,350 --> 00:29:40,980

parents are how they were raised where

768

00:29:44,630 --> 00:29:42,360

they were raised where they went to

769

00:29:46,149 --> 00:29:44,640

school even down to the kids that were

770

00:29:49,010 --> 00:29:46,159

in their schools

771

00:29:50,149 --> 00:29:49,020

all these different things if I said

772

00:29:52,990 --> 00:29:50,159

anything in this interview that's going

773

00:29:58,250 --> 00:29:56,029

just please forgive me because I'm a

774

00:29:59,990 --> 00:29:58,260

flawed human being man I am a flawed

775

00:30:01,610 --> 00:30:00,000

human being and if I said something that

776

00:30:03,110 --> 00:30:01,620

offends someone let's have a talk about

777

00:30:05,330 --> 00:30:03,120

it maybe you'll change my mind and I'll

778

00:30:06,710 --> 00:30:05,340

apologize to you like we live in a

779

00:30:09,470 --> 00:30:06,720

society now where people are just

780

00:30:11,690 --> 00:30:09,480

constantly walking on eggshells we can't

781

00:30:13,730 --> 00:30:11,700

have a conversation and discuss our

782

00:30:16,130 --> 00:30:13,740

differences before we can even have that

783

00:30:18,169 --> 00:30:16,140

conversation one person is the devil and

784

00:30:19,549 --> 00:30:18,179

one person thinks they're the saint and

785

00:30:21,169 --> 00:30:19,559

how can you have a conversation with

786

00:30:22,370 --> 00:30:21,179

other people when you've already decided

787

00:30:24,590 --> 00:30:22,380

you're so much better than the other

788

00:30:27,169 --> 00:30:24,600

person and you're not factoring in the

789

00:30:28,610 --> 00:30:27,179

Myriad of possibilities of why they

790

00:30:31,730 --> 00:30:28,620

think the way they do why they say the

791

00:30:34,010 --> 00:30:31,740

things they do and so forth I just this

792

00:30:37,730 --> 00:30:34,020

is just you know what this is just an

793

00:30:40,549 --> 00:30:37,740

area of of of of reflection that just

794

00:30:42,889 --> 00:30:40,559

I I find troubling as a human being but

795

00:30:45,049 --> 00:30:42,899

look I'm always open to this is one

796

00:30:47,690 --> 00:30:45,059

thing about me I'm always open to

797

00:30:48,950 --> 00:30:47,700

counter arguments if there's anyone on

798

00:30:50,870 --> 00:30:48,960

this planet that's willing to change

799

00:30:52,610 --> 00:30:50,880

their mind about any almost anything

800

00:30:54,769 --> 00:30:52,620

almost anything obviously some things

801
00:30:55,850 --> 00:30:54,779
like don't murder other people yeah I'm

802
00:30:58,250 --> 00:30:55,860
not going to change my mind on that but

803
00:31:00,950 --> 00:30:58,260
almost anything I will change my mind

804
00:31:02,330 --> 00:31:00,960
I'm not I'm not an ideologue I I'm

805
00:31:04,190 --> 00:31:02,340
really just trying to be a good person

806
00:31:06,889 --> 00:31:04,200
like like I think most people that's all

807
00:31:09,110 --> 00:31:06,899
I got to say about that yeah no I could

808
00:31:11,510 --> 00:31:09,120
I could tell uh on your Twitter post too

809
00:31:13,070 --> 00:31:11,520
like um don't get it confused uh Ryan's

810
00:31:15,110 --> 00:31:13,080
not a person to come out and say uh

811
00:31:16,909 --> 00:31:15,120
aliens exist they're here right now

812
00:31:18,590 --> 00:31:16,919
disclosure is coming tomorrow Joe

813
00:31:20,350 --> 00:31:18,600

Biden's half alien all that kind of

814

00:31:23,269 --> 00:31:20,360

stuff like don't get it confused you are

815

00:31:25,070 --> 00:31:23,279

very open to to other options and what

816

00:31:28,490 --> 00:31:25,080

things could or could not be and I think

817

00:31:30,830 --> 00:31:28,500

that's very clear if if you look at your

818

00:31:32,269 --> 00:31:30,840

Twitter account and um You didn't say

819

00:31:34,549 --> 00:31:32,279

anything that would get you canceled I

820

00:31:36,529 --> 00:31:34,559

think what you said was uh was beautiful

821

00:31:37,730 --> 00:31:36,539

and I think uh people should really

822

00:31:40,250 --> 00:31:37,740

listen to that because we should

823

00:31:41,930 --> 00:31:40,260

shouldn't have to walk on eggshells and

824

00:31:43,970 --> 00:31:41,940

we shouldn't think someone is an enemy

825

00:31:47,450 --> 00:31:43,980

because we have a different opinion

826

00:31:48,950 --> 00:31:47,460

it's it's wonderful and I agree and I

827

00:31:50,750 --> 00:31:48,960

think that's a good message one thing I

828

00:31:52,970 --> 00:31:50,760

like to say is you know when I was

829

00:31:54,889 --> 00:31:52,980

younger my politics were different my

830

00:31:56,990 --> 00:31:54,899

perceptions were different and now uh

831

00:31:58,370 --> 00:31:57,000

they they're like now just not that I'm

832

00:31:59,810 --> 00:31:58,380

judging people that have politics or

833

00:32:01,490 --> 00:31:59,820

perceptions different than me I'm not

834

00:32:03,230 --> 00:32:01,500

but I used to be a little bit more

835

00:32:05,750 --> 00:32:03,240

conservative and now I lean a little bit

836

00:32:08,090 --> 00:32:05,760

more left so anyone that perceives

837

00:32:09,590 --> 00:32:08,100

conservatism as oh you're a bad person

838

00:32:11,450 --> 00:32:09,600

so my question is was I a bad person

839

00:32:13,430 --> 00:32:11,460

when I leaned more conservative and now

840

00:32:14,870 --> 00:32:13,440

now suddenly I'm a good person right

841

00:32:17,149 --> 00:32:14,880

because I align with your politics it's

842

00:32:19,490 --> 00:32:17,159

like like again this comes down to to

843

00:32:21,230 --> 00:32:19,500

intentions was my or my if you perceive

844

00:32:22,970 --> 00:32:21,240

if whatever my politics used to be and

845

00:32:25,669 --> 00:32:22,980

they weren't extreme but whatever they

846

00:32:27,529 --> 00:32:25,679

were if you perceive that as as

847

00:32:29,570 --> 00:32:27,539

constituting a bad person my question to

848

00:32:32,810 --> 00:32:29,580

you would be were my intentions bad then

849

00:32:35,630 --> 00:32:32,820

we have to be able to we have to be able

850

00:32:37,850 --> 00:32:35,640

to understand that people can be even be

851
00:32:39,730 --> 00:32:37,860
even be wrong about things but that

852
00:32:43,730 --> 00:32:39,740
doesn't mean their intentions are bad

853
00:32:46,669 --> 00:32:43,740
we're human beings on a floating Rock in

854
00:32:49,070 --> 00:32:46,679
the Milky Way galaxy with a hundred

855
00:32:51,710 --> 00:32:49,080
billion stars and 100 billion planets

856
00:32:54,590 --> 00:32:51,720
amongst two to four trillion galaxies we

857
00:32:57,769 --> 00:32:54,600
don't know nothing we've only had uh

858
00:33:01,250 --> 00:32:57,779
like I think we've had like uh

859
00:33:04,730 --> 00:33:01,260
modern computers for like 120 years and

860
00:33:06,289 --> 00:33:04,740
like the first car was like maybe 180

861
00:33:09,950 --> 00:33:06,299
years ago was created we're we're

862
00:33:12,409 --> 00:33:09,960
walking monkeys we are it's hard life is

863
00:33:15,289 --> 00:33:12,419

hard and I'm not I'm not I'm not I'm not

864

00:33:17,930 --> 00:33:15,299

suggesting or encouraging that we don't

865

00:33:19,490 --> 00:33:17,940

counter people I'm not saying that if

866

00:33:21,649 --> 00:33:19,500

you disagree with someone just let it go

867

00:33:23,750 --> 00:33:21,659

no counter then try to persuade them of

868

00:33:25,730 --> 00:33:23,760

what you perceive but my point is let's

869

00:33:27,169 --> 00:33:25,740

cut people a little slack because sure

870

00:33:29,870 --> 00:33:27,179

it

871

00:33:31,970 --> 00:33:29,880

a lot of how we perceive the world as

872

00:33:34,730 --> 00:33:31,980

not predicated on bad intentions or good

873

00:33:36,230 --> 00:33:34,740

intentions or or it could be or it could

874

00:33:37,490 --> 00:33:36,240

be predicated on good intentions but

875

00:33:38,810 --> 00:33:37,500

even if you have good intentions that

876

00:33:41,289 --> 00:33:38,820

doesn't always mean that you're going to

877

00:33:43,730 --> 00:33:41,299

come to the right the right conclusion

878

00:33:45,049 --> 00:33:43,740

correct I guess if I were to boil this

879

00:33:46,190 --> 00:33:45,059

all down I'd just say let's stop being

880

00:33:49,330 --> 00:33:46,200

so black and white about everything

881

00:33:50,950 --> 00:33:49,340

that's it yeah amen I think that's

882

00:33:53,269 --> 00:33:50,960

fantastic

883

00:33:54,649 --> 00:33:53,279

and uh yeah I love it because you're

884

00:33:57,190 --> 00:33:54,659

challenging people to open up their

885

00:33:59,450 --> 00:33:57,200

minds it's just uh

886

00:34:02,029 --> 00:33:59,460

regarding my perception of UFOs I will

887

00:34:03,649 --> 00:34:02,039

say this when I started my channel I was

888

00:34:07,909 --> 00:34:03,659

less skeptical

889

00:34:09,710 --> 00:34:07,919

that I was more convinced that we were

890

00:34:11,629 --> 00:34:09,720

dealing with non-human intelligence now

891

00:34:13,909 --> 00:34:11,639

brains are funny things you know Brains

892

00:34:16,010 --> 00:34:13,919

Brains are very interesting

893

00:34:18,849 --> 00:34:16,020

um the the wiring of your brain changes

894

00:34:22,730 --> 00:34:18,859

over time synapses and all that right

895

00:34:24,649 --> 00:34:22,740

a plasticity of the mind I'm way more

896

00:34:26,990 --> 00:34:24,659

skeptical than I was when I started but

897

00:34:29,089 --> 00:34:27,000

only in terms of levels of certainty so

898

00:34:31,129 --> 00:34:29,099

we're I think when I first started off

899

00:34:34,070 --> 00:34:31,139

it's probably true I was near certain

900

00:34:36,409 --> 00:34:34,080

that there's a mystery and now I like to

901
00:34:38,629 --> 00:34:36,419
say I'm over 50

902
00:34:41,389 --> 00:34:38,639
um simply because I've become more

903
00:34:43,190 --> 00:34:41,399
skeptical of my own thinking process

904
00:34:45,950 --> 00:34:43,200
I've just been more come more skeptical

905
00:34:47,149 --> 00:34:45,960
in general but I still do believe and I

906
00:34:48,589 --> 00:34:47,159
still would consider myself a believer

907
00:34:51,109 --> 00:34:48,599
that we're dealing with a mystery I'm

908
00:34:53,210 --> 00:34:51,119
just I'm open to I'm more open to being

909
00:34:54,169 --> 00:34:53,220
wrong Than I Used to Be let's just put

910
00:34:58,430 --> 00:34:54,179
it that way

911
00:35:00,050 --> 00:34:58,440
yeah what do you attribute that to

912
00:35:02,510 --> 00:35:00,060
um that's a good question

913
00:35:05,030 --> 00:35:02,520

I I don't know maybe part of what I

914

00:35:07,070 --> 00:35:05,040

attributed to is just seeing all of you

915

00:35:10,010 --> 00:35:07,080

know if you if you if you spend enough

916

00:35:12,170 --> 00:35:10,020

time within ufology you do see a lot of

917

00:35:16,130 --> 00:35:12,180

PS you know what I mean yeah you do I

918

00:35:17,270 --> 00:35:16,140

agree uh misinformation and and uh I

919

00:35:18,589 --> 00:35:17,280

hate to use this term because I don't

920

00:35:20,930 --> 00:35:18,599

think it applies to that many people and

921

00:35:22,430 --> 00:35:20,940

I think it's awfully misused but you do

922

00:35:24,349 --> 00:35:22,440

see grifting

923

00:35:27,530 --> 00:35:24,359

um you you do see

924

00:35:29,510 --> 00:35:27,540

um how how bad people's analysis can be

925

00:35:31,550 --> 00:35:29,520

at times and so you could you could

926
00:35:32,990 --> 00:35:31,560
extrapolate from that and say Well since

927
00:35:36,230 --> 00:35:33,000
that exists it must exist for everyone

928
00:35:38,030 --> 00:35:36,240
but I think that is a huge mistake I

929
00:35:39,710 --> 00:35:38,040
think we have to be able to separate the

930
00:35:43,130 --> 00:35:39,720
wheat from the chat chaff if you will

931
00:35:46,069 --> 00:35:43,140
yeah there's a lot of wheat out there uh

932
00:35:48,589 --> 00:35:46,079
one of the best UFO cases is the USS

933
00:35:52,490 --> 00:35:48,599
Nimitz case from 2004.

934
00:35:55,250 --> 00:35:52,500
and so but the skeptic side also has

935
00:35:57,650 --> 00:35:55,260
awful thinking sometimes it's not just

936
00:35:59,270 --> 00:35:57,660
the UFO believer side in my opinion

937
00:36:01,609 --> 00:35:59,280
um no it goes both ways because like

938
00:36:04,190 --> 00:36:01,619

I'll give you an example Mick West one

939

00:36:06,650 --> 00:36:04,200

of his mantras is that the the UAP that

940

00:36:08,810 --> 00:36:06,660

was encountered in 2004 is most likely a

941

00:36:10,490 --> 00:36:08,820

plane in the distance like anyone that

942

00:36:12,050 --> 00:36:10,500

knows anything about how these sensor

943

00:36:14,210 --> 00:36:12,060

systems work how they corroborate with

944

00:36:18,770 --> 00:36:14,220

one another how they how they create

945

00:36:22,250 --> 00:36:18,780

this this battle space environment and

946

00:36:25,790 --> 00:36:22,260

and it's all monitored and

947

00:36:28,190 --> 00:36:25,800

like all the like the Spy one radar and

948

00:36:30,109 --> 00:36:28,200

the E2 Hawkeye and you're telling me

949

00:36:31,250 --> 00:36:30,119

like some Cessna was just far off in the

950

00:36:34,670 --> 00:36:31,260

distance and they didn't figure that out

951
00:36:36,410 --> 00:36:34,680
and then on top of it it was just a

952
00:36:37,550 --> 00:36:36,420
coincidence that when Chad Underwood

953
00:36:41,569 --> 00:36:37,560
took off

954
00:36:43,970 --> 00:36:41,579
uh he was able to film an object that to

955
00:36:46,310 --> 00:36:43,980
this day the video has not been debunked

956
00:36:48,589 --> 00:36:46,320
I don't know man that's the the odds of

957
00:36:50,510 --> 00:36:48,599
that are pretty low no yeah that's it

958
00:36:52,010 --> 00:36:50,520
that's some pretty bored debunking when

959
00:36:54,230 --> 00:36:52,020
you have to just completely throw out

960
00:36:57,530 --> 00:36:54,240
witness testimony and unfortunately like

961
00:37:00,770 --> 00:36:57,540
having read so many Blue Book uh files

962
00:37:02,569 --> 00:37:00,780
you know his art of debunking is exactly

963
00:37:04,730 --> 00:37:02,579

the same as those blue book

964

00:37:06,829 --> 00:37:04,740

investigators when there was a radar and

965

00:37:08,930 --> 00:37:06,839

a visual sighting they would break those

966

00:37:10,970 --> 00:37:08,940

up and they would say okay so what was

967

00:37:13,010 --> 00:37:10,980

the radar sighting it was a weather

968

00:37:15,470 --> 00:37:13,020

phenomenon okay well then what was the

969

00:37:18,050 --> 00:37:15,480

visual he was looking at Venus you know

970

00:37:20,210 --> 00:37:18,060

so they always have to throw out the

971

00:37:22,670 --> 00:37:20,220

witness testimony no matter if they said

972

00:37:24,829 --> 00:37:22,680

they saw the thing zigzagging doing 90

973

00:37:26,390 --> 00:37:24,839

degree turns it was a freaking planet

974

00:37:28,550 --> 00:37:26,400

and that's what he's doing he's doing

975

00:37:29,690 --> 00:37:28,560

the same thing because he doesn't have

976

00:37:31,730 --> 00:37:29,700

he doesn't have to he doesn't have to

977

00:37:33,410 --> 00:37:31,740

use evidence to prove his point and

978

00:37:35,150 --> 00:37:33,420

there's no explanation if you use the

979

00:37:37,730 --> 00:37:35,160

witness testimony and he can't deal with

980

00:37:39,530 --> 00:37:37,740

that you know I mean he does look like

981

00:37:41,329 --> 00:37:39,540

West does a lot of good work I'm not I'm

982

00:37:44,510 --> 00:37:41,339

not saying he doesn't but do I think

983

00:37:46,490 --> 00:37:44,520

he's heavily biased yeah do I think he's

984

00:37:48,829 --> 00:37:46,500

he's one of the more objective Skeptics

985

00:37:50,750 --> 00:37:48,839

out there no and just because he's hot

986

00:37:53,089 --> 00:37:50,760

he's incredibly intelligent he's highly

987

00:37:54,890 --> 00:37:53,099

skilled at debunking videos and so forth

988

00:37:56,569 --> 00:37:54,900

we should not conflate that with him

989

00:37:58,370 --> 00:37:56,579

being objective I don't consider him

990

00:37:59,990 --> 00:37:58,380

amongst the most subjective Skeptics out

991

00:38:02,930 --> 00:38:00,000

there two things can be true at the same

992

00:38:06,109 --> 00:38:02,940

time yeah and there's this same version

993

00:38:07,910 --> 00:38:06,119

on the you know UFO Believers side too

994

00:38:10,190 --> 00:38:07,920

where you have your believer no matter

995

00:38:12,890 --> 00:38:10,200

what people say about anything they

996

00:38:15,230 --> 00:38:12,900

believe it die hard that's like you know

997

00:38:17,150 --> 00:38:15,240

there's we have the same versions of

998

00:38:19,490 --> 00:38:17,160

each on on a believer's side and

999

00:38:22,310 --> 00:38:19,500

debunker side as far as the types of

1000

00:38:24,530 --> 00:38:22,320

people that uh you know are around in

1001
00:38:26,630 --> 00:38:24,540
each community so so it's kind of

1002
00:38:28,730 --> 00:38:26,640
there's there's always so much

1003
00:38:30,470 --> 00:38:28,740
um it's always so ironic when people

1004
00:38:32,990 --> 00:38:30,480
complain about the same problems that

1005
00:38:34,670 --> 00:38:33,000
the other side does too you know but

1006
00:38:36,230 --> 00:38:34,680
they don't see it because it makes it it

1007
00:38:37,550 --> 00:38:36,240
makes me have you heard of it have you

1008
00:38:40,550 --> 00:38:37,560
heard of have you heard of horseshoe

1009
00:38:41,990 --> 00:38:40,560
Theory no so horseshoe theory is a

1010
00:38:43,849 --> 00:38:42,000
theory that

1011
00:38:46,010 --> 00:38:43,859
um if you look at the extreme far left

1012
00:38:48,410 --> 00:38:46,020
and you look at the extreme far right in

1013
00:38:50,930 --> 00:38:48,420

politics they actually have more in

1014

00:38:53,690 --> 00:38:50,940

common than they they don't it's like a

1015

00:38:56,530 --> 00:38:53,700

horseshoe so I feel like you could argue

1016

00:38:59,210 --> 00:38:56,540

there's some truth to that with

1017

00:39:02,210 --> 00:38:59,220

extreme Believers and extreme Skeptics

1018

00:39:04,970 --> 00:39:02,220

like they're using the same logical

1019

00:39:08,329 --> 00:39:04,980

fallacies they're just applying them to

1020

00:39:10,490 --> 00:39:08,339

their belief system right exactly and

1021

00:39:12,770 --> 00:39:10,500

it's it's quite uh

1022

00:39:15,530 --> 00:39:12,780

you know and and that's the sort of

1023

00:39:17,750 --> 00:39:15,540

thing I think the longer you're in this

1024

00:39:20,030 --> 00:39:17,760

community you know the more you may

1025

00:39:21,950 --> 00:39:20,040

become skeptical because you see the see

1026
00:39:24,970 --> 00:39:21,960
these two parties doing this and they're

1027
00:39:27,950 --> 00:39:24,980
both oblivious to this and you're like

1028
00:39:31,849 --> 00:39:27,960
I'm not I'm not immune to the fact that

1029
00:39:36,050 --> 00:39:31,859
that every time we get something

1030
00:39:38,030 --> 00:39:36,060
it's either ambiguous or it sure or it's

1031
00:39:40,849 --> 00:39:38,040
literally debunked when it comes to like

1032
00:39:43,069 --> 00:39:40,859
new footage coming out so like that that

1033
00:39:45,650 --> 00:39:43,079
wears on you as a quote-unquote Believer

1034
00:39:48,829 --> 00:39:45,660
but again let's not be black and white

1035
00:39:52,010 --> 00:39:48,839
it can be true that those are have

1036
00:39:53,990 --> 00:39:52,020
nothing's come forward yet that has

1037
00:39:56,510 --> 00:39:54,000
proven this phenomena

1038
00:39:58,790 --> 00:39:56,520

but the phenomena is still here and we

1039

00:40:01,130 --> 00:39:58,800

can we can reasonably come to that

1040

00:40:03,530 --> 00:40:01,140

assessment based upon the patterns that

1041

00:40:05,270 --> 00:40:03,540

have emerged over many many decades that

1042

00:40:08,930 --> 00:40:05,280

tens of thousands of witnesses all

1043

00:40:10,810 --> 00:40:08,940

seeing the same thing disparate sources

1044

00:40:14,210 --> 00:40:10,820

um if you

1045

00:40:15,890 --> 00:40:14,220

can see yeah there's no smoking gun but

1046

00:40:17,990 --> 00:40:15,900

there is and that's another thing a lot

1047

00:40:20,089 --> 00:40:18,000

of like Skeptics I see on on Twitter

1048

00:40:22,250 --> 00:40:20,099

like this and I think I saw Michael

1049

00:40:24,470 --> 00:40:22,260

Shermer say this recently there's no

1050

00:40:28,010 --> 00:40:24,480

evidence no there is evidence there's

1051

00:40:30,290 --> 00:40:28,020

foia documents there's people coming who

1052

00:40:32,750 --> 00:40:30,300

have had corroborated sightings and all

1053

00:40:35,690 --> 00:40:32,760

describing the same thing and that's

1054

00:40:37,430 --> 00:40:35,700

evidence that's not hearsay hearsay is

1055

00:40:38,990 --> 00:40:37,440

secondhand testimony that's firsthand

1056

00:40:41,150 --> 00:40:39,000

testimony that could be admitted in a

1057

00:40:43,670 --> 00:40:41,160

court of law that is evidence there's no

1058

00:40:45,170 --> 00:40:43,680

proof let's let's be able to parse the

1059

00:40:47,630 --> 00:40:45,180

difference between evidence and proof

1060

00:40:49,849 --> 00:40:47,640

right right right yeah because uh

1061

00:40:51,410 --> 00:40:49,859

evidence is something that that's a

1062

00:40:53,270 --> 00:40:51,420

courtroom term and if you want to use

1063

00:40:55,430 --> 00:40:53,280

courtroom turns that's fine so if we're

1064

00:40:57,349 --> 00:40:55,440

doing that evidence

1065

00:40:59,329 --> 00:40:57,359

um would include witness testimony so if

1066

00:41:01,010 --> 00:40:59,339

we're doing that we could line up all

1067

00:41:02,750 --> 00:41:01,020

the witnesses and if we're doing that

1068

00:41:06,470 --> 00:41:02,760

let's see what the jury says by the end

1069

00:41:08,750 --> 00:41:06,480

of it I think it wouldn't go so well for

1070

00:41:10,670 --> 00:41:08,760

Shermer because you know uh any

1071

00:41:12,710 --> 00:41:10,680

arguments that debunkers make they

1072

00:41:15,050 --> 00:41:12,720

cannot use witness testimony they can't

1073

00:41:17,030 --> 00:41:15,060

use it and

1074

00:41:20,089 --> 00:41:17,040

um unfortunately that's just not the way

1075

00:41:21,470 --> 00:41:20,099

life works so but and I just know that

1076
00:41:23,210 --> 00:41:21,480
doesn't mean I know what the things are

1077
00:41:24,410 --> 00:41:23,220
either I don't know what they are you

1078
00:41:26,630 --> 00:41:24,420
know I don't know what these things are

1079
00:41:28,370 --> 00:41:26,640
I don't know what it is that I saw but I

1080
00:41:30,609 --> 00:41:28,380
know something exists and the

1081
00:41:33,170 --> 00:41:30,619
overwhelming amount of witness testimony

1082
00:41:35,750 --> 00:41:33,180
in Air Force's own words where they

1083
00:41:38,450 --> 00:41:35,760
can't explain things there is an

1084
00:41:40,609 --> 00:41:38,460
overwhelming uh amount of cases that

1085
00:41:43,069 --> 00:41:40,619
does prove that there's something

1086
00:41:44,870 --> 00:41:43,079
unexplainable that exists or has existed

1087
00:41:46,849 --> 00:41:44,880
100 right exactly I don't know what it

1088
00:41:48,290 --> 00:41:46,859

is it's it's provable that that we're

1089

00:41:49,970 --> 00:41:48,300

dealing with a scientific mystery

1090

00:41:52,670 --> 00:41:49,980

whether whether

1091

00:41:54,410 --> 00:41:52,680

my watch just talked to me it's provable

1092

00:41:56,390 --> 00:41:54,420

it's provable we're dealing with a

1093

00:41:58,490 --> 00:41:56,400

scientific mystery

1094

00:42:00,950 --> 00:41:58,500

um whether whether it's something

1095

00:42:03,130 --> 00:42:00,960

anomalous or not or at least anomalous

1096

00:42:05,750 --> 00:42:03,140

in terms of being like alien technology

1097

00:42:07,849 --> 00:42:05,760

I know what you mean yeah I agree with

1098

00:42:10,370 --> 00:42:07,859

you

1099

00:42:14,990 --> 00:42:10,380

brother

1100

00:42:17,450 --> 00:42:15,000

uh uh I just want to say yes I just well

1101
00:42:19,849 --> 00:42:17,460
last thing I'll say is because I I don't

1102
00:42:22,010 --> 00:42:19,859
want to to offend anybody I I was

1103
00:42:23,750 --> 00:42:22,020
diagnosed with ADHD attention uh

1104
00:42:25,849 --> 00:42:23,760
hyperactive attention deficit disorder

1105
00:42:27,829 --> 00:42:25,859
and I think I have somewhat of a strong

1106
00:42:31,430 --> 00:42:27,839
sense of justice myself and I think that

1107
00:42:34,250 --> 00:42:31,440
it's it's partly because of my my me

1108
00:42:36,710 --> 00:42:34,260
being neuro neurodiversion so

1109
00:42:38,270 --> 00:42:36,720
um so I think a lot about how how I

1110
00:42:41,270 --> 00:42:38,280
perceive the world through the lens of

1111
00:42:43,490 --> 00:42:41,280
of my own mental wiring and and it makes

1112
00:42:47,089 --> 00:42:43,500
me think like well who would I be you

1113
00:42:49,250 --> 00:42:47,099

know what would I care about if if if I

1114

00:42:50,390 --> 00:42:49,260

didn't have that or you know or here's

1115

00:42:51,770 --> 00:42:50,400

another example let's say you have a

1116

00:42:53,510 --> 00:42:51,780

best friend

1117

00:42:55,190 --> 00:42:53,520

um this is a this is something people

1118

00:42:56,870 --> 00:42:55,200

don't think about too like why people

1119

00:42:58,309 --> 00:42:56,880

are sensitive to certain injustices

1120

00:43:01,309 --> 00:42:58,319

let's say you have a best friend that's

1121

00:43:02,630 --> 00:43:01,319

that's gay right and he's he's been your

1122

00:43:03,770 --> 00:43:02,640

friend for 10 years well if that's the

1123

00:43:05,690 --> 00:43:03,780

case you're probably going to be a lot

1124

00:43:07,609 --> 00:43:05,700

more sensitive to injustices toward gay

1125

00:43:10,069 --> 00:43:07,619

people compared to someone that was like

1126

00:43:12,890 --> 00:43:10,079

born in a Muslim country just as an

1127

00:43:16,190 --> 00:43:12,900

example and the the Quran or or their

1128

00:43:17,750 --> 00:43:16,200

religious or or not even a a Catholic

1129

00:43:19,849 --> 00:43:17,760

country it doesn't have to be it could

1130

00:43:21,109 --> 00:43:19,859

be any religion where it says that

1131

00:43:22,490 --> 00:43:21,119

that's a sin they're going to be a lot

1132

00:43:25,370 --> 00:43:22,500

less sensitive

1133

00:43:28,849 --> 00:43:25,380

to to injustices toward gay people now

1134

00:43:31,370 --> 00:43:28,859

is is what how is that intention maybe

1135

00:43:33,589 --> 00:43:31,380

but a lot of it is is experience you

1136

00:43:35,870 --> 00:43:33,599

know the experiences we have contribute

1137

00:43:37,490 --> 00:43:35,880

to the our sensitivities so we should be

1138

00:43:40,190 --> 00:43:37,500

careful not to we should be careful not

1139

00:43:41,630 --> 00:43:40,200

to hyper hyper judge other people for

1140

00:43:44,690 --> 00:43:41,640

not being adequately sensitive about

1141

00:43:47,030 --> 00:43:44,700

something when it's it's often very

1142

00:43:48,770 --> 00:43:47,040

circumstantial what we get sensitive to

1143

00:43:50,930 --> 00:43:48,780

and what we don't it's not you can't

1144

00:43:52,790 --> 00:43:50,940

just boil it down to Free Will and I

1145

00:43:54,530 --> 00:43:52,800

think we as a civilization we do that a

1146

00:43:55,849 --> 00:43:54,540

lot we judge people for not caring

1147

00:43:57,770 --> 00:43:55,859

enough about this or not caring enough

1148

00:43:59,930 --> 00:43:57,780

about that or focusing on this like no

1149

00:44:01,790 --> 00:43:59,940

no no no it's so much more complicated

1150

00:44:03,410 --> 00:44:01,800

than that you have to you have to

1151

00:44:05,569 --> 00:44:03,420

factor in things that you don't even

1152

00:44:07,730 --> 00:44:05,579

think of and perceive stop being so damn

1153

00:44:09,050 --> 00:44:07,740

judgmental that's all I have to say

1154

00:44:10,609 --> 00:44:09,060

about that yeah no you're right because

1155

00:44:16,870 --> 00:44:10,619

what you're saying is like I didn't

1156

00:44:20,870 --> 00:44:19,190

I still believe there's free will I just

1157

00:44:23,030 --> 00:44:20,880

think it's so much more complicated than

1158

00:44:24,770 --> 00:44:23,040

people make it out to be right it's just

1159

00:44:26,990 --> 00:44:24,780

so much more complex is there free will

1160

00:44:30,170 --> 00:44:27,000

if you're born to be somebody you didn't

1161

00:44:31,550 --> 00:44:30,180

choose to be you know yes but there

1162

00:44:33,470 --> 00:44:31,560

there if

1163

00:44:35,329 --> 00:44:33,480

you say you were it's interesting let's

1164

00:44:37,069 --> 00:44:35,339

say you were born with a proclivity to

1165

00:44:39,890 --> 00:44:37,079

be very angry

1166

00:44:42,230 --> 00:44:39,900

did you oh do you choose to have that

1167

00:44:45,770 --> 00:44:42,240

susceptibility no that's your genetics

1168

00:44:47,990 --> 00:44:45,780

right but but it could be argued on some

1169

00:44:50,329 --> 00:44:48,000

level you can choose how to deal with

1170

00:44:52,309 --> 00:44:50,339

that right but on the other hand if I

1171

00:44:54,410 --> 00:44:52,319

was born with with zero proclivity be

1172

00:44:56,630 --> 00:44:54,420

angry I probably shouldn't be prideful

1173

00:44:58,790 --> 00:44:56,640

that I'm not getting angry because that

1174

00:45:00,890 --> 00:44:58,800

because I didn't put any work into not

1175

00:45:03,410 --> 00:45:00,900

being an angry person whereas someone

1176
00:45:05,150 --> 00:45:03,420
standing next to me maybe more of an

1177
00:45:07,910 --> 00:45:05,160
angry person than I am

1178
00:45:10,609 --> 00:45:07,920
but they've put in way more work

1179
00:45:12,589 --> 00:45:10,619
right and I put in my deficiencies and

1180
00:45:14,690 --> 00:45:12,599
yet I'm going to judge them negatively

1181
00:45:18,170 --> 00:45:14,700
but they're still a better person than I

1182
00:45:19,609 --> 00:45:18,180
am because they exerted effort to get to

1183
00:45:21,650 --> 00:45:19,619
where they are that I did not have to

1184
00:45:23,450 --> 00:45:21,660
exert these are just these are these are

1185
00:45:25,250 --> 00:45:23,460
itch of disease and subtleties that we

1186
00:45:27,470 --> 00:45:25,260
just don't look at because we're so damn

1187
00:45:29,030 --> 00:45:27,480
judgmental and we don't we see

1188
00:45:32,030 --> 00:45:29,040

everything is black and white and we

1189

00:45:33,710 --> 00:45:32,040

don't take the time to to reflect on how

1190

00:45:36,950 --> 00:45:33,720

complicated it all is but that's just my

1191

00:45:39,349 --> 00:45:36,960

perspective so free will is learning how

1192

00:45:42,290 --> 00:45:39,359

to live with your shitty qualities

1193

00:45:43,970 --> 00:45:42,300

yeah on some level but then again but

1194

00:45:45,670 --> 00:45:43,980

then again yeah on some level but then

1195

00:45:48,170 --> 00:45:45,680

like you know you look at like um

1196

00:45:49,730 --> 00:45:48,180

sociopaths which is a which is a

1197

00:45:51,829 --> 00:45:49,740

personality disorder they don't feel

1198

00:45:53,569 --> 00:45:51,839

empathy how do you live with that and

1199

00:45:55,309 --> 00:45:53,579

it's genetic and it doesn't happen and

1200

00:45:57,710 --> 00:45:55,319

how do you change that right you can't

1201
00:45:59,210 --> 00:45:57,720
change it you can't change it the only

1202
00:46:00,890 --> 00:45:59,220
thing you could do from my understanding

1203
00:46:02,270 --> 00:46:00,900
and then someone can correct me I'm

1204
00:46:05,569 --> 00:46:02,280
wrong is that you would have to learn

1205
00:46:08,750 --> 00:46:05,579
how to still be a upstanding citizen

1206
00:46:10,550 --> 00:46:08,760
even if you're not feeling empathy or

1207
00:46:12,050 --> 00:46:10,560
for other people but that of course if

1208
00:46:13,670 --> 00:46:12,060
that's your situation it's going to be a

1209
00:46:15,230 --> 00:46:13,680
lot harder to be an outstanding citizen

1210
00:46:18,230 --> 00:46:15,240
because you're at because you don't give

1211
00:46:19,910 --> 00:46:18,240
a [h__h] about everybody you inherently

1212
00:46:21,349 --> 00:46:19,920
have a disadvantage but these are the

1213
00:46:22,970 --> 00:46:21,359

things we never talk about we never

1214

00:46:25,730 --> 00:46:22,980

think about because we love people yeah

1215

00:46:28,490 --> 00:46:25,740

us human beings we love being judgmental

1216

00:46:29,930 --> 00:46:28,500

we love looking down upon people but you

1217

00:46:31,010 --> 00:46:29,940

know what this is what let's end this

1218

00:46:33,470 --> 00:46:31,020

with this because I know you want to go

1219

00:46:36,109 --> 00:46:33,480

and we've we've kind of we've covered a

1220

00:46:39,050 --> 00:46:36,119

lot of ground but this one Only God can

1221

00:46:41,089 --> 00:46:39,060

judge the heart of man only God knows

1222

00:46:44,450 --> 00:46:41,099

the ethical

1223

00:46:45,650 --> 00:46:44,460

um uh standing of a human being if if

1224

00:46:46,970 --> 00:46:45,660

there is a God which I don't even know

1225

00:46:49,190 --> 00:46:46,980

if there's a God but if there is a God

1226

00:46:51,829 --> 00:46:49,200

only that entity would have all the

1227

00:46:54,050 --> 00:46:51,839

contacts all the understanding but yet

1228

00:46:56,450 --> 00:46:54,060

we play God a lot in my opinion where we

1229

00:46:58,309 --> 00:46:56,460

judge people so harshly without

1230

00:46:59,750 --> 00:46:58,319

considering all the other factors that

1231

00:47:01,910 --> 00:46:59,760

may be involved and why they did this

1232

00:47:03,530 --> 00:47:01,920

and why they said that but again I'm not

1233

00:47:04,609 --> 00:47:03,540

saying that I'm not saying that we

1234

00:47:06,170 --> 00:47:04,619

shouldn't judge people and I'm not

1235

00:47:07,790 --> 00:47:06,180

saying that Free Will doesn't exist all

1236

00:47:10,190 --> 00:47:07,800

I'm saying is

1237

00:47:11,630 --> 00:47:10,200

as imperfectly as we're all inevitably

1238

00:47:14,510 --> 00:47:11,640

going to do it because we're human let's

1239

00:47:17,930 --> 00:47:14,520

at least try to factor in some of the

1240

00:47:19,849 --> 00:47:17,940

complexities of reality when we do judge

1241

00:47:21,109 --> 00:47:19,859

people so that maybe our hearts will be

1242

00:47:22,370 --> 00:47:21,119

softened a little bit and will be a

1243

00:47:24,530 --> 00:47:22,380

little bit less harsh maybe that's just

1244

00:47:26,450 --> 00:47:24,540

kind of where I'm coming from yeah I

1245

00:47:30,349 --> 00:47:26,460

like it I believe in God I'm not sure

1246

00:47:31,910 --> 00:47:30,359

what God is but when I do it yeah that's

1247

00:47:34,130 --> 00:47:31,920

I I know I guess I went very
