

1
00:00:01,560 --> 00:00:10,220
foreign

2
00:00:10,230 --> 00:00:14,450
[Music]

3
00:00:19,189 --> 00:00:16,490
thanks for doing this I appreciate it

4
00:00:21,769 --> 00:00:19,199
you were you were actually my f I think

5
00:00:24,050 --> 00:00:21,779
you were my very first guest

6
00:00:25,970 --> 00:00:24,060
as well on this show

7
00:00:29,089 --> 00:00:25,980
which is going back almost three years

8
00:00:31,790 --> 00:00:29,099
now so it's pretty interesting that that

9
00:00:34,010 --> 00:00:31,800
we've uh you know so you've been paying

10
00:00:36,229 --> 00:00:34,020
attention to UFO news and stuff a lot

11
00:00:37,970 --> 00:00:36,239
longer than I have but you know we've

12
00:00:40,430 --> 00:00:37,980
been watching the same stuff kind of

13
00:00:42,290 --> 00:00:40,440

unfold over the last three years just

14

00:00:44,990 --> 00:00:42,300

together

15

00:00:48,410 --> 00:00:45,000

um I'm interested on your perspective

16

00:00:50,389 --> 00:00:48,420

here do you think that and you can

17

00:00:52,910 --> 00:00:50,399

include you know stuff beyond the three

18

00:00:56,510 --> 00:00:52,920

years but do you think we're closer to

19

00:00:58,430 --> 00:00:56,520

any sort of real disclosure right now

20

00:01:00,229 --> 00:00:58,440

we're learning more about the phenomenon

21

00:01:03,650 --> 00:01:00,239

or any secrets the government may have

22

00:01:05,350 --> 00:01:03,660

or farther than that than we use no I I

23

00:01:08,810 --> 00:01:05,360

think we're definitely closer since

24

00:01:10,609 --> 00:01:08,820

before December of 2017. I mean this

25

00:01:13,310 --> 00:01:10,619

December will be

26

00:01:16,789 --> 00:01:13,320

six years since the New York Times

27

00:01:19,250 --> 00:01:16,799

article right 17 so yeah

28

00:01:20,870 --> 00:01:19,260

um how much closer we are to us the

29

00:01:23,030 --> 00:01:20,880

general public finding out information

30

00:01:24,830 --> 00:01:23,040

that basically cements the fact that

31

00:01:27,710 --> 00:01:24,840

there's a non-human intelligence here

32

00:01:28,490 --> 00:01:27,720

like we all believe

33

00:01:31,550 --> 00:01:28,500

um

34

00:01:33,530 --> 00:01:31,560

I don't know I mean you hear there are

35

00:01:34,910 --> 00:01:33,540

people there's a list of people who have

36

00:01:36,370 --> 00:01:34,920

been predicting

37

00:01:39,230 --> 00:01:36,380

stuff for

38

00:01:40,249 --> 00:01:39,240

2023 before the end of the year you have

39

00:01:43,069 --> 00:01:40,259

right

40

00:01:45,230 --> 00:01:43,079

John Ramirez former CIA saying around

41

00:01:47,030 --> 00:01:45,240

Labor Day it's gonna happen you have Bob

42

00:01:49,370 --> 00:01:47,040

McGuire who was the he was the chief

43

00:01:51,050 --> 00:01:49,380

scientist at the Hume Center

44

00:01:52,490 --> 00:01:51,060

um he says by Thanksgiving they're going

45

00:01:55,850 --> 00:01:52,500

to make an announcement uh government

46

00:01:57,590 --> 00:01:55,860

Representatives uh Stephen Bassett by

47

00:01:59,090 --> 00:01:57,600

the end of the year Stephen Bassett has

48

00:02:00,710 --> 00:01:59,100

been talking about disclosure for a long

49

00:02:04,130 --> 00:02:00,720

time since I've gotten into this in the

50

00:02:06,530 --> 00:02:04,140

mid 90s Richard butt who is a defense

51
00:02:08,809 --> 00:02:06,540
he's an Intel person that's a fake name

52
00:02:10,669 --> 00:02:08,819
he says there's going to be an

53
00:02:12,229 --> 00:02:10,679
announcement through some sort of

54
00:02:13,970 --> 00:02:12,239
Representatives that were dealing with

55
00:02:16,610 --> 00:02:13,980
the non-human intelligence before the

56
00:02:18,110 --> 00:02:16,620
end of the year Gary Nolan said right by

57
00:02:19,850 --> 00:02:18,120
the summer there's going to be people

58
00:02:22,610 --> 00:02:19,860
that come forward that's basically going

59
00:02:23,750 --> 00:02:22,620
to change a lot of opinions so we'll see

60
00:02:26,270 --> 00:02:23,760
I mean

61
00:02:28,369 --> 00:02:26,280
dates always scary and usually dates

62
00:02:30,530 --> 00:02:28,379
come with predictions by you know

63
00:02:32,630 --> 00:02:30,540

psychic predictions by the end of 2024

64

00:02:35,869 --> 00:02:32,640

there's going to be an earthquake and

65

00:02:37,550 --> 00:02:35,879

none of that stuff ever happens uh Lu El

66

00:02:38,690 --> 00:02:37,560

zondo said 2023 is going to be an

67

00:02:40,550 --> 00:02:38,700

interesting year

68

00:02:42,890 --> 00:02:40,560

so so yeah I think stuff's gonna happen

69

00:02:45,290 --> 00:02:42,900

I don't know how far it's gonna go and I

70

00:02:47,390 --> 00:02:45,300

want to keep my expectations low I used

71

00:02:49,369 --> 00:02:47,400

to be the opposite Sean I used to be

72

00:02:51,770 --> 00:02:49,379

so excited and then when if something

73

00:02:53,570 --> 00:02:51,780

didn't happen I would get depressed it

74

00:02:56,030 --> 00:02:53,580

didn't happen and then I'd I'd bounce

75

00:02:58,070 --> 00:02:56,040

back in a day or two now I'm like let's

76
00:02:59,930 --> 00:02:58,080
see what happens you know right let's be

77
00:03:02,150 --> 00:02:59,940
pleasantly surprised

78
00:03:04,910 --> 00:03:02,160
um and what is disclosure what what will

79
00:03:07,130 --> 00:03:04,920
be enough I think for the general public

80
00:03:09,350 --> 00:03:07,140
I don't know if will it take a craft

81
00:03:12,290 --> 00:03:09,360
being shown will it take a body being

82
00:03:14,570 --> 00:03:12,300
shown I don't know a clear-cut a

83
00:03:17,210 --> 00:03:14,580
clear-cut video of something that just

84
00:03:19,550 --> 00:03:17,220
is so amazing that we obviously couldn't

85
00:03:20,690 --> 00:03:19,560
replicate it or could we have that'll

86
00:03:23,210 --> 00:03:20,700
always be in the background oh maybe

87
00:03:25,009 --> 00:03:23,220
that's hours so I don't know it depends

88
00:03:25,970 --> 00:03:25,019

on what you think disclosure is but I

89

00:03:28,070 --> 00:03:25,980

think we're heading in the right

90

00:03:29,390 --> 00:03:28,080

direction I mean right look at all the

91

00:03:31,790 --> 00:03:29,400

coverage we're getting you know not the

92

00:03:34,190 --> 00:03:31,800

coverage we really expected when the

93

00:03:35,449 --> 00:03:34,200

whole ndaa stuff came out you I thought

94

00:03:37,430 --> 00:03:35,459

there would be a lot of coverage but

95

00:03:39,410 --> 00:03:37,440

there really wasn't yeah especially with

96

00:03:41,449 --> 00:03:39,420

the language that was in it the language

97

00:03:44,270 --> 00:03:41,459

was really amazing I didn't expect that

98

00:03:45,589 --> 00:03:44,280

to happen if you would ask me in 2017 I

99

00:03:47,270 --> 00:03:45,599

mean no I don't think we're coming we're

100

00:03:49,369 --> 00:03:47,280

coming along that fast but we are we

101
00:03:52,130 --> 00:03:49,379
here

102
00:03:54,589 --> 00:03:52,140
you had senator gillibrand in her

103
00:03:56,390 --> 00:03:54,599
hearing with Kirkpatrick she said we

104
00:03:58,070 --> 00:03:56,400
don't know on some of these UAP we don't

105
00:04:00,110 --> 00:03:58,080
know who's operating we don't know their

106
00:04:02,390 --> 00:04:00,120
origin so yeah that was that was a big

107
00:04:04,550 --> 00:04:02,400
deal yeah even though the whole hearing

108
00:04:07,789 --> 00:04:04,560
overall wasn't you know wasn't anything

109
00:04:11,270 --> 00:04:07,799
fantastic for us right it was still a

110
00:04:13,850 --> 00:04:11,280
hearing and you know in the span of uh

111
00:04:16,849 --> 00:04:13,860
U.S government history uh you know

112
00:04:18,949 --> 00:04:16,859
hearings on UFOs are are quite rare so

113
00:04:21,469 --> 00:04:18,959

you know whether it be you know

114

00:04:23,749 --> 00:04:21,479

revealing or not uh going backwards just

115

00:04:26,030 --> 00:04:23,759

a little bit you know you mentioned

116

00:04:28,730 --> 00:04:26,040

um Everybody kind of saying on stuff is

117

00:04:31,370 --> 00:04:28,740

happening this year and and you know not

118

00:04:33,950 --> 00:04:31,380

liking dates and and me myself having

119

00:04:36,050 --> 00:04:33,960

spent so much time in the last couple

120

00:04:38,749 --> 00:04:36,060

years like looking at you know past

121

00:04:41,210 --> 00:04:38,759

documents and newspaper accounts and you

122

00:04:44,270 --> 00:04:41,220

know what other things have come up

123

00:04:46,550 --> 00:04:44,280

um in the past I've seen things where

124

00:04:49,189 --> 00:04:46,560

you know a Navy rocket scientist says

125

00:04:52,189 --> 00:04:49,199

you know aliens are are coming you know

126

00:04:55,550 --> 00:04:52,199

by by a certain month invading Earth or

127

00:04:57,290 --> 00:04:55,560

whatever and yeah it doesn't happen so

128

00:05:00,230 --> 00:04:57,300

how do you

129

00:05:02,570 --> 00:05:00,240

manage those and you mentioned you know

130

00:05:04,310 --> 00:05:02,580

I used to get more

131

00:05:06,530 --> 00:05:04,320

kind of depressed about when things

132

00:05:08,330 --> 00:05:06,540

didn't happen so how do you manage

133

00:05:10,909 --> 00:05:08,340

expectations like that when people are

134

00:05:12,770 --> 00:05:10,919

kind of putting things out there to lift

135

00:05:13,909 --> 00:05:12,780

up your expectations

136

00:05:16,070 --> 00:05:13,919

you know

137

00:05:18,710 --> 00:05:16,080

if we learn from history

138

00:05:20,689 --> 00:05:18,720

those will be deflated you know so how

139

00:05:23,270 --> 00:05:20,699

can people avoid

140

00:05:25,310 --> 00:05:23,280

you know living that emotional roller

141

00:05:26,629 --> 00:05:25,320

coaster yeah I mean I don't know how

142

00:05:29,930 --> 00:05:26,639

other people can do it I can tell you

143

00:05:31,610 --> 00:05:29,940

how I do it for me yeah I mean there's

144

00:05:33,890 --> 00:05:31,620

so much stuff you know I do transcripts

145

00:05:36,650 --> 00:05:33,900

I do a lot of transcripts and and I have

146

00:05:38,270 --> 00:05:36,660

so many that are sitting there 90 on 80

147

00:05:40,129 --> 00:05:38,280

percent done

148

00:05:42,110 --> 00:05:40,139

um some I want to start and I'm always

149

00:05:44,390 --> 00:05:42,120

busy doing that and I'll never catch up

150

00:05:46,189 --> 00:05:44,400

so I always have that when things slow

151

00:05:47,870 --> 00:05:46,199

down or things don't happen the way

152

00:05:49,850 --> 00:05:47,880

people predict I'm like all right I have

153

00:05:52,070 --> 00:05:49,860

time I'll have a couple of weeks here to

154

00:05:53,810 --> 00:05:52,080

try to get caught up which I never do so

155

00:05:56,210 --> 00:05:53,820

I think of it like that and plus there's

156

00:05:57,469 --> 00:05:56,220

so much stuff I don't know there's so

157

00:05:58,909 --> 00:05:57,479

much stuff I don't know there's more

158

00:06:01,310 --> 00:05:58,919

about this phenomenon that I don't know

159

00:06:02,689 --> 00:06:01,320

that I do know so it gives me more time

160

00:06:04,610 --> 00:06:02,699

to learn new things and there's always

161

00:06:06,529 --> 00:06:04,620

new things to learn even when I think

162

00:06:08,210 --> 00:06:06,539

you know oh I ran out of stuff there's

163

00:06:09,529 --> 00:06:08,220

really nothing new to learn then

164

00:06:11,810 --> 00:06:09,539

something pops up well that's

165

00:06:14,870 --> 00:06:11,820

interesting a lot of and a lot of stuff

166

00:06:18,170 --> 00:06:14,880

I like is is speculative

167

00:06:19,490 --> 00:06:18,180

um sure but I enjoy it it's you know

168

00:06:22,249 --> 00:06:19,500

people are like you believe that I'm

169

00:06:24,110 --> 00:06:22,259

like no I it's interesting I think maybe

170

00:06:27,170 --> 00:06:24,120

it resonates with me it doesn't mean

171

00:06:28,850 --> 00:06:27,180

it's true though so sure and I I keep my

172

00:06:30,650 --> 00:06:28,860

expectations low I hear something like

173

00:06:33,050 --> 00:06:30,660

that's interesting I get a little

174

00:06:35,330 --> 00:06:33,060

excited every now and then but

175

00:06:37,850 --> 00:06:35,340

um and then you know outside of the UFOs

176

00:06:40,129 --> 00:06:37,860

for me it's I focus I have fun with

177

00:06:42,350 --> 00:06:40,139

sports so it's like at night that's my

178

00:06:44,629 --> 00:06:42,360

getaway that's my getaway from

179

00:06:45,350 --> 00:06:44,639

from UFOs I have to do that because the

180

00:06:47,270 --> 00:06:45,360

more

181

00:06:48,230 --> 00:06:47,280

lately I have been getting burned out

182

00:06:49,850 --> 00:06:48,240

more

183

00:06:51,950 --> 00:06:49,860

than usual I mean I've gone through

184

00:06:53,629 --> 00:06:51,960

periods of burnout but now it's like it

185

00:06:55,189 --> 00:06:53,639

seems like every other day I'm like I

186

00:06:57,050 --> 00:06:55,199

need a break so I'm trying to back off

187

00:06:58,490 --> 00:06:57,060

just a little bit and it's hard because

188

00:07:01,010 --> 00:06:58,500

I'm like I have information I want to

189

00:07:03,110 --> 00:07:01,020

get out that I think it's important but

190

00:07:04,850 --> 00:07:03,120

you know I don't want to get burned out

191

00:07:07,249 --> 00:07:04,860

to the point where I'm like have I

192

00:07:10,610 --> 00:07:07,259

thought about just totally giving up

193

00:07:13,070 --> 00:07:10,620

totally 100 UFOs and just going about a

194

00:07:15,830 --> 00:07:13,080

normal life where you work and then you

195

00:07:17,090 --> 00:07:15,840

have time off it's not possible no I

196

00:07:19,070 --> 00:07:17,100

mean I thought about it but I couldn't

197

00:07:22,670 --> 00:07:19,080

do it yeah I don't think I could do it

198

00:07:25,670 --> 00:07:22,680

so yeah no I I understand what you mean

199

00:07:28,430 --> 00:07:25,680

and you know I think it was George knepp

200

00:07:29,629 --> 00:07:28,440

who said this before like UFOs are

201

00:07:31,610 --> 00:07:29,639

supposed to be fun

202

00:07:33,290 --> 00:07:31,620

you know I know I know that's kind of a

203

00:07:35,809 --> 00:07:33,300

general statement you just can't nail it

204

00:07:38,629 --> 00:07:35,819

down to just fun or whatever but the the

205

00:07:42,589 --> 00:07:38,639

idea of that is very true like if you

206

00:07:44,390 --> 00:07:42,599

can't manage to enjoy yourself

207

00:07:46,070 --> 00:07:44,400

um you know when when being in this

208

00:07:48,469 --> 00:07:46,080

community and and following this news

209

00:07:51,050 --> 00:07:48,479

and looking at cases or whatever it

210

00:07:53,990 --> 00:07:51,060

might not be a good idea so if you get

211

00:07:55,790 --> 00:07:54,000

burned out maybe taking a break I took a

212

00:07:56,510 --> 00:07:55,800

break for like three months once you

213

00:07:58,969 --> 00:07:56,520

know

214

00:08:00,969 --> 00:07:58,979

um and guess what like it was still a

215

00:08:05,390 --> 00:08:00,979

mystery so

216

00:08:07,370 --> 00:08:05,400

yeah I didn't miss anything so yeah I

217

00:08:10,309 --> 00:08:07,380

wouldn't be you know I think we're we

218

00:08:11,870 --> 00:08:10,319

would miss something but I I do think in

219

00:08:14,330 --> 00:08:11,880

my head I'm like what if I did come back

220

00:08:17,510 --> 00:08:14,340

you know a year from now with the same

221

00:08:20,330 --> 00:08:17,520

arguments be you know on UFO Twitter be

222

00:08:22,249 --> 00:08:20,340

made and probably and and I do have fun

223

00:08:23,930 --> 00:08:22,259

doing this obviously and even even when

224

00:08:25,909 --> 00:08:23,940

I'm doing transcripts even when they get

225

00:08:29,029 --> 00:08:25,919

some of them are really long but I still

226

00:08:30,710 --> 00:08:29,039

like it and I try not my my thing is to

227

00:08:31,909 --> 00:08:30,720

do a transcript I try not to listen

228

00:08:33,649 --> 00:08:31,919

beforehand

229

00:08:36,589 --> 00:08:33,659

it's kind of hard I need to know if it's

230

00:08:39,170 --> 00:08:36,599

worth it or not but like a three-hour

231

00:08:40,670 --> 00:08:39,180

luau Elizondo interview it's fun

232

00:08:41,870 --> 00:08:40,680

listening as I'm transcribing because

233

00:08:44,089 --> 00:08:41,880

I'm hearing it for the first time

234

00:08:46,970 --> 00:08:44,099

sometimes not always

235

00:08:48,530 --> 00:08:46,980

you know um can you probably pick up you

236

00:08:50,690 --> 00:08:48,540

probably hear a lot you probably pick

237

00:08:52,850 --> 00:08:50,700

out and hear it in spot a lot more than

238

00:08:54,949 --> 00:08:52,860

the average listener as well if if

239

00:08:56,990 --> 00:08:54,959

you're actually you know typing out what

240

00:08:59,269 --> 00:08:57,000

they say like it kind of forces you to

241

00:09:00,290 --> 00:08:59,279

pay attention to everything exactly and

242

00:09:02,030 --> 00:09:00,300

then there are times when I hear

243

00:09:03,710 --> 00:09:02,040

something I'm pretty good at hearing an

244

00:09:06,170 --> 00:09:03,720

interview I'm like right away I'm like

245

00:09:07,730 --> 00:09:06,180

that's new that's different that's a

246

00:09:10,070 --> 00:09:07,740

shift from what that person said before

247

00:09:12,170 --> 00:09:10,080

especially with Lou Lou it's more

248

00:09:13,690 --> 00:09:12,180

usually something new

249

00:09:16,009 --> 00:09:13,700

um and if somebody makes a mistake

250

00:09:17,990 --> 00:09:16,019

they'll say something about ASAP or

251

00:09:19,370 --> 00:09:18,000

dates on a tip that'll stand out to me

252

00:09:22,610 --> 00:09:19,380

too like Danny Sheehan the other day

253

00:09:24,350 --> 00:09:22,620

said something about why Lou left

254

00:09:26,030 --> 00:09:24,360

his job at the Pentagon and it was

255

00:09:27,590 --> 00:09:26,040

something I had never heard before I I

256

00:09:29,509 --> 00:09:27,600

think he misspoke and I don't remember

257

00:09:31,910 --> 00:09:29,519

exactly what it was you know the story

258

00:09:34,190 --> 00:09:31,920

we've always heard is Lou got frustrated

259

00:09:35,690 --> 00:09:34,200

because the information wasn't being you

260

00:09:37,370 --> 00:09:35,700

know sent up the chain of command then

261

00:09:39,530 --> 00:09:37,380

he finally said that's it but she and

262

00:09:41,030 --> 00:09:39,540

story was different so I'm like all

263

00:09:42,650 --> 00:09:41,040

right that stands out I'm gonna have to

264

00:09:44,329 --> 00:09:42,660

transcribe that and say what what's up

265

00:09:46,850 --> 00:09:44,339

Danny because that doesn't sound right

266

00:09:49,009 --> 00:09:46,860

yeah what did he say

267

00:09:50,750 --> 00:09:49,019

do you if you remember I don't remember

268

00:09:52,790 --> 00:09:50,760

I need to go back and look it was a

269

00:09:55,370 --> 00:09:52,800

recent interview that's why we need the

270

00:09:57,250 --> 00:09:55,380

transcripts I know I know like if I hit

271

00:10:00,350 --> 00:09:57,260

the lottery I told people I will hire

272

00:10:01,910 --> 00:10:00,360

multiple transcribers I mean I use AI

273

00:10:04,009 --> 00:10:01,920

but it's still not the same it's not

274

00:10:05,210 --> 00:10:04,019

perfect it's not close to perfect it's

275

00:10:07,610 --> 00:10:05,220

good

276

00:10:10,670 --> 00:10:07,620

and when somebody speaks slow and they

277

00:10:13,130 --> 00:10:10,680

enunciate it's really good

278

00:10:14,930 --> 00:10:13,140

um but it's still Mrs grammar it misses

279

00:10:17,870 --> 00:10:14,940

words it doesn't understand Arrow yet

280

00:10:20,410 --> 00:10:17,880

because it spells it Arrow it's in a bow

281

00:10:23,990 --> 00:10:20,420

and arrow stuff like that yeah

282

00:10:27,350 --> 00:10:24,000

no you idiot no you can't teach it stuff

283

00:10:29,750 --> 00:10:27,360

I just haven't been good at teaching no

284

00:10:31,250 --> 00:10:29,760

that's okay so

285

00:10:33,410 --> 00:10:31,260

you know

286

00:10:36,410 --> 00:10:33,420

Jeremy Corbell let's talk about this for

287

00:10:39,110 --> 00:10:36,420

a second so yeah so he's he's come up

288

00:10:41,810 --> 00:10:39,120

with some information uh the lights are

289

00:10:43,430 --> 00:10:41,820

over Camp Wilson or whatever out in

290

00:10:46,190 --> 00:10:43,440

California

291

00:10:47,930 --> 00:10:46,200

a couple Marines you got audio

292

00:10:50,150 --> 00:10:47,940

recordings of them giving a little

293

00:10:52,670 --> 00:10:50,160

testimony and gave some video and some

294

00:10:54,290 --> 00:10:52,680

photos and actually for once I would say

295

00:10:56,090 --> 00:10:54,300

maybe he didn't

296

00:10:58,250 --> 00:10:56,100

you know and I'm only mentioning this

297

00:10:59,750 --> 00:10:58,260

because I know some people complain

298

00:11:01,730 --> 00:10:59,760

about it but he didn't really he didn't

299

00:11:03,650 --> 00:11:01,740

hype it like at all

300

00:11:05,210 --> 00:11:03,660

um maybe he had one tweet about a high

301

00:11:07,250 --> 00:11:05,220

noon thing you could put that piece

302

00:11:09,410 --> 00:11:07,260

together but other than that there was

303

00:11:11,990 --> 00:11:09,420

nothing you know he comes out with this

304

00:11:14,690 --> 00:11:12,000

and people get excited at first and then

305

00:11:17,509 --> 00:11:14,700

seems like Mick West may have you know

306

00:11:20,150 --> 00:11:17,519

put the best case forward as far as

307

00:11:22,430 --> 00:11:20,160

matching the flare pattern up

308

00:11:24,230 --> 00:11:22,440

um I'm no genius though so I I don't

309

00:11:27,110 --> 00:11:24,240

know if that's an accurate way to assess

310

00:11:29,389 --> 00:11:27,120

it or not but but like how do you assess

311

00:11:31,790 --> 00:11:29,399

this situation because you know Jeremy's

312

00:11:33,650 --> 00:11:31,800

contributed and George obviously more

313

00:11:35,690 --> 00:11:33,660

than most people

314

00:11:38,870 --> 00:11:35,700

um to the field and he's getting beat up

315

00:11:41,329 --> 00:11:38,880

right now yeah well I mean

316

00:11:43,850 --> 00:11:41,339

it's difficult people make mistakes but

317

00:11:46,130 --> 00:11:43,860

did he make a mistake he didn't I don't

318

00:11:48,410 --> 00:11:46,140

think he thinks he did so like

319

00:11:50,690 --> 00:11:48,420

how do you treat this situation as a as

320

00:11:53,930 --> 00:11:50,700

a viewer you know as someone who's

321

00:11:55,610 --> 00:11:53,940

interested yeah I mean I listened I

322

00:11:57,590 --> 00:11:55,620

listened to the interviews and you know

323

00:11:59,329 --> 00:11:57,600

the witness or the witnesses or who work

324

00:12:01,670 --> 00:11:59,339

in artillery and are familiar with

325

00:12:03,949 --> 00:12:01,680

flares or saying these weren't flares

326

00:12:05,810 --> 00:12:03,959

they stayed up for 10 minutes you know

327

00:12:07,310 --> 00:12:05,820

players don't stay up that long and I

328

00:12:10,190 --> 00:12:07,320

don't know I don't know how long players

329

00:12:12,769 --> 00:12:10,200

stay up but and then I saw him I make

330

00:12:15,050 --> 00:12:12,779

make West's video and it's like

331

00:12:16,670 --> 00:12:15,060

there was a training exercise going on

332

00:12:19,310 --> 00:12:16,680

and he showed these flares and it

333

00:12:21,590 --> 00:12:19,320

matches up almost exactly with what this

334

00:12:24,290 --> 00:12:21,600

object alleged object was so it's like

335

00:12:25,730 --> 00:12:24,300

right I mean there are people that and

336

00:12:29,210 --> 00:12:25,740

I'm like this seems like a done deal

337

00:12:31,610 --> 00:12:29,220

this was a this this seems like flares

338

00:12:32,990 --> 00:12:31,620

um and there are people saying well the

339

00:12:34,670 --> 00:12:33,000

government may have shot up flares

340

00:12:37,009 --> 00:12:34,680

afterwards like in the Phoenix Lights

341

00:12:39,530 --> 00:12:37,019

case because Phoenix lights in 97 There

342

00:12:41,030 --> 00:12:39,540

Was You know the I the object and then

343

00:12:42,590 --> 00:12:41,040

later on there were flares that were

344

00:12:43,970 --> 00:12:42,600

shot up but it's like they're going to

345

00:12:46,069 --> 00:12:43,980

shoot up flares and they're going to

346

00:12:48,110 --> 00:12:46,079

match the pattern of the UAP exactly

347

00:12:50,629 --> 00:12:48,120

come on that's ridiculous and then

348

00:12:52,190 --> 00:12:50,639

people are like it's a psyop and no it

349

00:12:54,170 --> 00:12:52,200

just might be

350

00:12:55,910 --> 00:12:54,180

Jeremy I mean people like why didn't you

351
00:12:59,150 --> 00:12:55,920
know there were exercises going on well

352
00:13:04,069 --> 00:12:59,160
that that area that that whole thousand

353
00:13:06,110 --> 00:13:04,079
square mile of 29 Palms Marine combat

354
00:13:08,210 --> 00:13:06,120
Center they do exercises all the time

355
00:13:10,190 --> 00:13:08,220
that's not the issue the issue is

356
00:13:12,889 --> 00:13:10,200
there's that little video at the very

357
00:13:14,509 --> 00:13:12,899
end of of it was documented online and

358
00:13:16,610 --> 00:13:14,519
at the very end there's those lights

359
00:13:19,009 --> 00:13:16,620
that are flares it's right at the very

360
00:13:21,829 --> 00:13:19,019
end for four seconds and then Mick West

361
00:13:24,050 --> 00:13:21,839
Saw and compared it and Jeremy obviously

362
00:13:25,190 --> 00:13:24,060
didn't see it as far as I know and he

363
00:13:27,050 --> 00:13:25,200

missed it

364

00:13:28,490 --> 00:13:27,060

um I don't think he's convinced I know

365

00:13:31,490 --> 00:13:28,500

he says there are other Witnesses out

366

00:13:32,990 --> 00:13:31,500

there who say no these are those are not

367

00:13:34,910 --> 00:13:33,000

flares and you hear the guys talking

368

00:13:37,310 --> 00:13:34,920

saying I've seen I know people who

369

00:13:40,009 --> 00:13:37,320

working all this with this military

370

00:13:42,050 --> 00:13:40,019

technology and those are not flares and

371

00:13:45,170 --> 00:13:42,060

but they look like I mean they look like

372

00:13:47,389 --> 00:13:45,180

what do you do he's asking this guy

373

00:13:50,269 --> 00:13:47,399

Jeremy corbell's asking this guy why are

374

00:13:52,610 --> 00:13:50,279

these not flares you know and I know and

375

00:13:55,610 --> 00:13:52,620

the witnesses is like 100 so it's like

376

00:13:57,470 --> 00:13:55,620

people should I mean right away they're

377

00:13:58,850 --> 00:13:57,480

they're taking shots at Jeremy like he

378

00:14:00,769 --> 00:13:58,860

said because there are people who hate

379

00:14:03,530 --> 00:14:00,779

Jeremy and they're just waiting for a

380

00:14:05,210 --> 00:14:03,540

mistake before he knows it

381

00:14:07,430 --> 00:14:05,220

um and then this might be a mistake so

382

00:14:09,949 --> 00:14:07,440

it's like you know the witnesses bear a

383

00:14:12,170 --> 00:14:09,959

little responsibility here too and

384

00:14:14,210 --> 00:14:12,180

um so it's like for us it's like for me

385

00:14:15,650 --> 00:14:14,220

I I put out a transcript of what the

386

00:14:17,449 --> 00:14:15,660

military Witnesses said to him and I'm

387

00:14:19,190 --> 00:14:17,459

moving on Because unless something new

388

00:14:20,810 --> 00:14:19,200

comes out there's really not much else

389

00:14:23,329 --> 00:14:20,820

to say it's a mistake it's one case

390

00:14:24,650 --> 00:14:23,339

there's other stuff not related to this

391

00:14:26,569 --> 00:14:24,660

that's going on behind the scenes

392

00:14:28,910 --> 00:14:26,579

hopefully that's gonna take over the

393

00:14:29,990 --> 00:14:28,920

entire UFO World soon and we don't gotta

394

00:14:31,430 --> 00:14:30,000

talk about it I mean I don't like

395

00:14:33,290 --> 00:14:31,440

talking about mistakes people are like

396

00:14:34,610 --> 00:14:33,300

oh you're not going to point it out I'll

397

00:14:36,949 --> 00:14:34,620

point it out but I'm not going to be

398

00:14:38,389 --> 00:14:36,959

Richie vitriolic about it I'm not going

399

00:14:41,290 --> 00:14:38,399

to be like there's no point somebody

400

00:14:42,769 --> 00:14:41,300

yeah yeah somebody was taking

401
00:14:44,509 --> 00:14:42,779
you're going to call yourself

402
00:14:46,670 --> 00:14:44,519
investigative reporters you need to do

403
00:14:48,769 --> 00:14:46,680
investigative reporting

404
00:14:50,810 --> 00:14:48,779
it's like I know those guys do a lot of

405
00:14:53,090 --> 00:14:50,820
stuff George has his day job you know

406
00:14:54,530 --> 00:14:53,100
this is more Germany you know Jeremy's

407
00:14:56,030 --> 00:14:54,540
trying to get the podcast together I'm

408
00:14:58,550 --> 00:14:56,040
not going to defend him he's a big boy

409
00:14:59,750 --> 00:14:58,560
he can defend himself so let it play out

410
00:15:02,050 --> 00:14:59,760
and see what all the witnesses come

411
00:15:04,310 --> 00:15:02,060
forward as far as I know as far as

412
00:15:06,170 --> 00:15:04,320
that's kind of where I'm at is what the

413
00:15:08,449 --> 00:15:06,180

witnesses if we have that many witnesses

414

00:15:11,810 --> 00:15:08,459

like let's you know hopefully at some

415

00:15:13,910 --> 00:15:11,820

point we get to hear what they say and

416

00:15:16,490 --> 00:15:13,920

um and why they say it you know and if

417

00:15:18,350 --> 00:15:16,500

you have 50 people kind of I'm not

418

00:15:20,389 --> 00:15:18,360

saying that what this is gonna happen or

419

00:15:22,129 --> 00:15:20,399

isn't but if you have 50 people that you

420

00:15:24,170 --> 00:15:22,139

know kind of repeat what

421

00:15:26,150 --> 00:15:24,180

testimony he's gotten already like what

422

00:15:29,949 --> 00:15:26,160

do you do in that situation you got 50

423

00:15:32,150 --> 00:15:29,959

people saying I saw like a crap yeah

424

00:15:33,590 --> 00:15:32,160

there was like 50 people there and he

425

00:15:36,009 --> 00:15:33,600

said but basically all of us were

426

00:15:38,870 --> 00:15:36,019

baffled so it's like yeah

427

00:15:41,030 --> 00:15:38,880

you didn't hear you know I know it's a

428

00:15:43,610 --> 00:15:41,040

large area I guess but but you didn't

429

00:15:45,350 --> 00:15:43,620

hear any military drills going on you

430

00:15:47,990 --> 00:15:45,360

know it was pretty pretty silent so

431

00:15:49,490 --> 00:15:48,000

that's nice and in my tweet today I said

432

00:15:52,610 --> 00:15:49,500

um you know they talked about how it was

433

00:15:55,069 --> 00:15:52,620

a 60 plus truck Caravan that went out

434

00:15:58,009 --> 00:15:55,079

right after the object disappeared I

435

00:15:58,850 --> 00:15:58,019

don't think they sent out 60 trucks to

436

00:16:01,310 --> 00:15:58,860

go

437

00:16:02,990 --> 00:16:01,320

right for a UFO that blinked out in the

438

00:16:04,370 --> 00:16:03,000

air maybe they would send helicopters

439

00:16:05,870 --> 00:16:04,380

but I don't think why would you send

440

00:16:08,329 --> 00:16:05,880

it's probably that sounds like the

441

00:16:10,550 --> 00:16:08,339

exercise right right right yeah what

442

00:16:12,910 --> 00:16:10,560

would you do with 60 trucks yeah what

443

00:16:15,350 --> 00:16:12,920

are they gonna do I mean

444

00:16:16,910 --> 00:16:15,360

yeah right right right

445

00:16:19,269 --> 00:16:16,920

well

446

00:16:22,970 --> 00:16:19,279

um what what are you looking forward to

447

00:16:24,650 --> 00:16:22,980

in the upcoming year I mean well

448

00:16:27,650 --> 00:16:24,660

actually I wanted to talk about this and

449

00:16:29,269 --> 00:16:27,660

I don't know you know I can you know the

450

00:16:31,910 --> 00:16:29,279

good part about pre-recording is I can

451
00:16:35,090 --> 00:16:31,920
edit out anything we decide that I

452
00:16:37,810 --> 00:16:35,100
wanted don't want or whatever but

453
00:16:40,009 --> 00:16:37,820
um I feel like

454
00:16:43,249 --> 00:16:40,019
and I don't want to go down the Debbie

455
00:16:47,269 --> 00:16:43,259
down the road but I feel like ufology is

456
00:16:50,210 --> 00:16:47,279
getting really beat up right now

457
00:16:51,769 --> 00:16:50,220
um because of like maybe this not just

458
00:16:55,069 --> 00:16:51,779
the Corbell thing that was just happened

459
00:16:58,870 --> 00:16:55,079
but like and that Dean Douglas is going

460
00:17:01,490 --> 00:16:58,880
after Jacques valet and Trinity

461
00:17:02,930 --> 00:17:01,500
and well she did really good work I mean

462
00:17:04,189 --> 00:17:02,940
I spoke to somebody last night and

463
00:17:05,569 --> 00:17:04,199

they're like it's excellent I'm like

464

00:17:07,850 --> 00:17:05,579

yeah he did a really good job it doesn't

465

00:17:09,770 --> 00:17:07,860

detract from everything Bell I did it's

466

00:17:11,750 --> 00:17:09,780

one case yeah pretty big case it's a

467

00:17:13,850 --> 00:17:11,760

crash retrieval case but right and then

468

00:17:16,429 --> 00:17:13,860

you have and then you have um Holloman

469

00:17:19,630 --> 00:17:16,439

are you gonna bring that up yes Holloman

470

00:17:24,590 --> 00:17:23,090

yeah I was very skeptical as I was

471

00:17:26,510 --> 00:17:24,600

watching for people who don't know in

472

00:17:29,390 --> 00:17:26,520

the in the movie the documentary UFO's

473

00:17:31,610 --> 00:17:29,400

past present and future I think they

474

00:17:33,289 --> 00:17:31,620

should show it in the video I'll edit it

475

00:17:35,690 --> 00:17:33,299

in or something yeah it's a good

476

00:17:37,370 --> 00:17:35,700

documentary you see a young ballet in

477

00:17:39,830 --> 00:17:37,380

there and they also do a segment on

478

00:17:40,909 --> 00:17:39,840

Holloman and yeah they show like eight

479

00:17:42,950 --> 00:17:40,919

seconds

480

00:17:45,110 --> 00:17:42,960

looks like this it looks maybe like a

481

00:17:48,590 --> 00:17:45,120

glowing UFO coming down at home it looks

482

00:17:51,110 --> 00:17:48,600

like every UFO video ever yeah you know

483

00:17:52,430 --> 00:17:51,120

the glowing white ball and this guy did

484

00:17:55,850 --> 00:17:52,440

a really good job showing that it was an

485

00:17:57,950 --> 00:17:55,860

F4 uh plane coming down a few it was

486

00:18:00,350 --> 00:17:57,960

years after the event and it was done

487

00:18:02,570 --> 00:18:00,360

during the time they shot a reenactment

488

00:18:04,430 --> 00:18:02,580

for the documentary it's clear clear as

489

00:18:05,750 --> 00:18:04,440

day when you watch it but the guy who

490

00:18:07,370 --> 00:18:05,760

did it he goes I'm not convinced that

491

00:18:09,110 --> 00:18:07,380

the event didn't happen you know

492

00:18:11,390 --> 00:18:09,120

supposedly extraterrestrials or

493

00:18:13,669 --> 00:18:11,400

non-humans or whatever they were came

494

00:18:16,010 --> 00:18:13,679

down and met with high

495

00:18:17,630 --> 00:18:16,020

ranking members of the military like I'm

496

00:18:19,430 --> 00:18:17,640

not convinced that didn't happen and I

497

00:18:20,870 --> 00:18:19,440

will address that in another video and

498

00:18:22,850 --> 00:18:20,880

you know Eric Davis talked about it

499

00:18:24,650 --> 00:18:22,860

according to Jacques Bella in his latest

500

00:18:25,730 --> 00:18:24,660

book Forbidden Science falling fob

501
00:18:28,970 --> 00:18:25,740
saying

502
00:18:31,730 --> 00:18:28,980
I think he said that George Bush Senior

503
00:18:34,190 --> 00:18:31,740
told him it happened

504
00:18:37,370 --> 00:18:34,200
um that is so hard for me to to take in

505
00:18:40,850 --> 00:18:37,380
and just go oh okay that happened isn't

506
00:18:42,830 --> 00:18:40,860
that like I know um that is that's a

507
00:18:45,890 --> 00:18:42,840
hard one for me I had heard it before

508
00:18:47,510 --> 00:18:45,900
ballet's book um supposedly George Bush

509
00:18:50,270 --> 00:18:47,520
heard it when he was the director of the

510
00:18:51,710 --> 00:18:50,280
CIA but doesn't make it true it doesn't

511
00:18:53,450 --> 00:18:51,720
make it true

512
00:18:54,289 --> 00:18:53,460
um I asked Lou about it uh when he was

513
00:18:56,330 --> 00:18:54,299

on

514

00:18:57,950 --> 00:18:56,340

a show with Sean Cahill and Lou's like

515

00:18:59,570 --> 00:18:57,960

yeah he goes there's a lot of stories

516

00:19:01,370 --> 00:18:59,580

about it he goes who knows if all of

517

00:19:03,770 --> 00:19:01,380

it's true or some of it is true but yeah

518

00:19:04,610 --> 00:19:03,780

that story is out there and that would

519

00:19:06,529 --> 00:19:04,620

be

520

00:19:08,150 --> 00:19:06,539

I mean that's talk about contact if

521

00:19:10,190 --> 00:19:08,160

that's true and I don't I don't know

522

00:19:12,650 --> 00:19:10,200

it's true but yeah it's like what the

523

00:19:14,650 --> 00:19:12,660

heck about that video yeah who has that

524

00:19:17,510 --> 00:19:14,660

yeah exactly oh my God I mean

525

00:19:19,610 --> 00:19:17,520

pay-per-view put it on pay-per-view yeah

526
00:19:22,370 --> 00:19:19,620
yeah

527
00:19:23,810 --> 00:19:22,380
oh man there are people who think people

528
00:19:25,310 --> 00:19:23,820
involved I forget the names thought

529
00:19:28,250 --> 00:19:25,320
maybe it was a Hollywood production

530
00:19:29,810 --> 00:19:28,260
showing people how uh contact would take

531
00:19:31,850 --> 00:19:29,820
place and then other people who watched

532
00:19:34,730 --> 00:19:31,860
it allegedly said no way this was a

533
00:19:36,890 --> 00:19:34,740
non-human intelligence interacting

534
00:19:38,270 --> 00:19:36,900
yeah but only a couple people have seen

535
00:19:41,870 --> 00:19:38,280
it as far as we know

536
00:19:44,270 --> 00:19:41,880
um how do you think like contact like a

537
00:19:46,430 --> 00:19:44,280
mass contact how would that take place

538
00:19:48,289 --> 00:19:46,440

do you think I expect it obviously we're

539

00:19:50,810 --> 00:19:48,299

speculating but let's have fun with it

540

00:19:53,810 --> 00:19:50,820

do you see like a bunch of ships popping

541

00:20:01,010 --> 00:19:53,820

up or everyone gets telepathy

542

00:20:04,250 --> 00:20:02,570

um

543

00:20:06,590 --> 00:20:04,260

I don't know if they would just make

544

00:20:09,230 --> 00:20:06,600

contact but let's assume that as a

545

00:20:11,090 --> 00:20:09,240

society we it's it's it's a given we

546

00:20:13,130 --> 00:20:11,100

finally accepted that

547

00:20:14,630 --> 00:20:13,140

you know they're here whoever they are

548

00:20:17,029 --> 00:20:14,640

and then

549

00:20:19,970 --> 00:20:17,039

maybe some sort of

550

00:20:21,650 --> 00:20:19,980

clear-cut daylight multiple craft in the

551
00:20:22,730 --> 00:20:21,660
sky and then come down maybe in the

552
00:20:25,010 --> 00:20:22,740
middle of a

553
00:20:27,110 --> 00:20:25,020
you know uh

554
00:20:28,490 --> 00:20:27,120
a valley somewhere not not on the White

555
00:20:31,610 --> 00:20:28,500
House lawn because you know we'd bomb

556
00:20:34,610 --> 00:20:31,620
them we try to

557
00:20:36,110 --> 00:20:34,620
um and fail most likely telepathy I mean

558
00:20:37,909 --> 00:20:36,120
that could be a effective way we're all

559
00:20:38,870 --> 00:20:37,919
getting a clear-cut message in our head

560
00:20:40,130 --> 00:20:38,880
okay

561
00:20:42,169 --> 00:20:40,140
and they're saying you have those

562
00:20:43,549 --> 00:20:42,179
abilities too but yeah

563
00:20:45,830 --> 00:20:43,559

um I don't know how people would react

564

00:20:49,310 --> 00:20:45,840

to any of that because people like the

565

00:20:51,409 --> 00:20:49,320

blue beam thing or something yeah

566

00:20:53,270 --> 00:20:51,419

um but people are still I know people if

567

00:20:54,830 --> 00:20:53,280

you if you look at the polls people are

568

00:20:56,630 --> 00:20:54,840

like I don't know what the percentage is

569

00:20:59,510 --> 00:20:56,640

but people in America and the world they

570

00:21:01,070 --> 00:20:59,520

think that we're not alone in UFOs you

571

00:21:02,710 --> 00:21:01,080

know a non-human intelligence may be

572

00:21:05,810 --> 00:21:02,720

here but that's a little different than

573

00:21:07,730 --> 00:21:05,820

seeing it you know seeing it and then

574

00:21:10,610 --> 00:21:07,740

seeing a non-human what if the non-human

575

00:21:13,190 --> 00:21:10,620

looks like a reptilian it's like how are

576
00:21:16,850 --> 00:21:13,200
people going to react to that not well

577
00:21:20,510 --> 00:21:16,860
oh no not not well at all yeah I don't

578
00:21:22,070 --> 00:21:20,520
know and yeah I wonder if it would

579
00:21:25,430 --> 00:21:22,080
now I always wonder if there's like

580
00:21:27,350 --> 00:21:25,440
multiple species or just one

581
00:21:29,390 --> 00:21:27,360
you know is it just one doing all this

582
00:21:31,730 --> 00:21:29,400
different stuff or is it

583
00:21:35,690 --> 00:21:31,740
multiple species and there's good cases

584
00:21:37,180 --> 00:21:35,700
for both yeah yeah you ask me I mean

585
00:21:39,590 --> 00:21:37,190
yeah right

586
00:21:43,010 --> 00:21:39,600
[Laughter]

587
00:21:46,250 --> 00:21:43,020
yeah humanoids Grays like nordics you

588
00:21:48,529 --> 00:21:46,260

know Giants Bigfoot like

589

00:21:50,149 --> 00:21:48,539

or is this yeah like a Jacques valet

590

00:21:52,370 --> 00:21:50,159

deception thing

591

00:21:54,169 --> 00:21:52,380

I know it's like I don't know and it's

592

00:21:55,490 --> 00:21:54,179

like there are people out there I could

593

00:21:57,950 --> 00:21:55,500

see like 10 years from now we're going

594

00:22:00,289 --> 00:21:57,960

to be saying can you believe so and so

595

00:22:02,149 --> 00:22:00,299

was right I cannot believe so and so was

596

00:22:04,130 --> 00:22:02,159

right it's like yeah the guy we thought

597

00:22:05,230 --> 00:22:04,140

was crazy turned out to be right all

598

00:22:07,250 --> 00:22:05,240

this time

599

00:22:10,430 --> 00:22:07,260

you know there's so many names you could

600

00:22:14,750 --> 00:22:10,440

put out there but you know it's not name

601
00:22:15,890 --> 00:22:14,760
any he's not crazy yeah no John Keel I

602
00:22:18,649 --> 00:22:15,900
would I would think would probably be

603
00:22:20,510 --> 00:22:18,659
the most you know at least like the way

604
00:22:22,789 --> 00:22:20,520
he approaches it in in Jack Valley

605
00:22:25,190 --> 00:22:22,799
they're similar in some sense but I mean

606
00:22:28,430 --> 00:22:25,200
I appreciate how they come up with

607
00:22:31,250 --> 00:22:28,440
formulas that can kind of account for it

608
00:22:34,310 --> 00:22:31,260
all you know like

609
00:22:36,110 --> 00:22:34,320
in looking at Blue Book files you find a

610
00:22:37,130 --> 00:22:36,120
lot of like recovered specimens and

611
00:22:41,690 --> 00:22:37,140
stuff

612
00:22:43,130 --> 00:22:41,700
like just weird pieces of metal that are

613
00:22:45,770 --> 00:22:43,140

just normal

614

00:22:47,870 --> 00:22:45,780

you know compounds and makeup or you

615

00:22:52,010 --> 00:22:47,880

know pieces of rope and then you listen

616

00:22:53,750 --> 00:22:52,020

to like uh you know Keel in in his book

617

00:22:56,090 --> 00:22:53,760

and he's talking about the same thing

618

00:22:58,370 --> 00:22:56,100

and about how the this phenomenon like

619

00:23:00,409 --> 00:22:58,380

drops this stuff just to screw with us

620

00:23:03,529 --> 00:23:00,419

yeah and it makes so much sense because

621

00:23:06,110 --> 00:23:03,539

otherwise like people are reporting like

622

00:23:08,029 --> 00:23:06,120

these weird things falling out of the

623

00:23:10,990 --> 00:23:08,039

sky and picking it up like

624

00:23:14,270 --> 00:23:11,000

that made absolutely no sense

625

00:23:16,850 --> 00:23:14,280

you know like why what what is that for

626

00:23:18,950 --> 00:23:16,860

I know it makes you wonder as he said

627

00:23:21,169 --> 00:23:18,960

you know something's messing with us

628

00:23:23,210 --> 00:23:21,179

just for the devil just for the devil of

629

00:23:25,789 --> 00:23:23,220

it and you know right Jim semi event

630

00:23:27,770 --> 00:23:25,799

says something's effing with us

631

00:23:30,049 --> 00:23:27,780

um some people get healed some people

632

00:23:32,029 --> 00:23:30,059

get injured you have old reports with

633

00:23:35,270 --> 00:23:32,039

Charles Fort Fish coming from this guy

634

00:23:39,730 --> 00:23:35,280

blood Raining Blood all this weird stuff

635

00:23:45,049 --> 00:23:42,110

stuff coming from UFOs is that really

636

00:23:47,630 --> 00:23:45,059

coming from the UFO or is it them

637

00:23:49,310 --> 00:23:47,640

you know just messing with us it's not

638

00:23:51,169 --> 00:23:49,320

really anything like here you go good

639

00:23:52,310 --> 00:23:51,179

good luck studying it because you're not

640

00:23:53,690 --> 00:23:52,320

going to understand anything because

641

00:23:55,730 --> 00:23:53,700

there's really nothing too we're just

642

00:23:57,770 --> 00:23:55,740

we're just screwing with you because we

643

00:23:59,149 --> 00:23:57,780

have nothing better to do you're a lower

644

00:24:01,010 --> 00:23:59,159

life form we don't really don't care

645

00:24:02,690 --> 00:24:01,020

about you that's that would be my best

646

00:24:03,470 --> 00:24:02,700

bet if people said what's your best bet

647

00:24:05,270 --> 00:24:03,480

is

648

00:24:08,690 --> 00:24:05,280

something higher higher intelligence

649

00:24:10,430 --> 00:24:08,700

that looks at looks at us as we look at

650

00:24:12,649 --> 00:24:10,440

I wouldn't say cats or dogs but just

651
00:24:13,970 --> 00:24:12,659
wildlife in general you know not cows

652
00:24:15,830 --> 00:24:13,980
because they probably I wouldn't think

653
00:24:17,810 --> 00:24:15,840
they eat us although it can't rule out

654
00:24:20,450 --> 00:24:17,820
maybe that happens on maybe a little bit

655
00:24:23,149 --> 00:24:20,460
there's been reports yeah there's many

656
00:24:24,890 --> 00:24:23,159
reports of human mutilations but I would

657
00:24:26,510 --> 00:24:24,900
think that overall they just do their

658
00:24:29,090 --> 00:24:26,520
thing and we're just in the way

659
00:24:30,830 --> 00:24:29,100
sometimes and they don't really care

660
00:24:33,590 --> 00:24:30,840
what happens to us maybe a couple of

661
00:24:36,049 --> 00:24:33,600
them will show some interest but I don't

662
00:24:39,289 --> 00:24:36,059
know you know maybe

663
00:24:41,390 --> 00:24:39,299

you know that just crossed my mind

664

00:24:43,010 --> 00:24:41,400

you know if they they would be you know

665

00:24:44,930 --> 00:24:43,020

this is all hypothetical I'm going to

666

00:24:48,950 --> 00:24:44,940

put a big banner on this video that says

667

00:24:51,649 --> 00:24:49,610

um

668

00:24:56,210 --> 00:24:51,659

what if there were two

669

00:24:59,210 --> 00:24:56,220

maybe drop this odd prosaic material

670

00:25:02,330 --> 00:24:59,220

just to see what we would do with it how

671

00:25:04,390 --> 00:25:02,340

do we react to a strange material you

672

00:25:08,810 --> 00:25:04,400

know kind of like

673

00:25:11,210 --> 00:25:08,820

mice or a mouse trap like setting them

674

00:25:14,210 --> 00:25:11,220

up in certain situations to you know

675

00:25:16,250 --> 00:25:14,220

record their behavior

676

00:25:19,370 --> 00:25:16,260

no yeah that could be what's going on

677

00:25:21,169 --> 00:25:19,380

and Nolan has mentioned at least in one

678

00:25:23,990 --> 00:25:21,179

interview we might be

679

00:25:26,029 --> 00:25:24,000

part of some sort of farm you know oh

680

00:25:28,370 --> 00:25:26,039

God forbid I mean yeah

681

00:25:30,230 --> 00:25:28,380

for me for me it's like whatever the

682

00:25:31,909 --> 00:25:30,240

case is I don't care I mean I'm not

683

00:25:33,710 --> 00:25:31,919

gonna I'm not gonna flip out whatever

684

00:25:35,510 --> 00:25:33,720

the story is I don't think we're gonna

685

00:25:37,010 --> 00:25:35,520

learn like say we are some sort of some

686

00:25:39,649 --> 00:25:37,020

farm for

687

00:25:41,750 --> 00:25:39,659

the using us for various groups are

688

00:25:44,510 --> 00:25:41,760

using us for various things whether it's

689

00:25:46,430 --> 00:25:44,520

you know DNA or biological material

690

00:25:49,010 --> 00:25:46,440

whatever the case there's really nothing

691

00:25:50,930 --> 00:25:49,020

nothing we can do about it

692

00:25:53,870 --> 00:25:50,940

um I'm not gonna get depressed over that

693

00:25:55,549 --> 00:25:53,880

I mean especially if we're more than a

694

00:25:57,649 --> 00:25:55,559

physical body if we're more you know if

695

00:26:00,769 --> 00:25:57,659

we're Spiritual Beings that survive

696

00:26:02,690 --> 00:26:00,779

death and you know I really am not going

697

00:26:04,370 --> 00:26:02,700

to worry about what what's going on in

698

00:26:06,890 --> 00:26:04,380

the physical not that I want to just let

699

00:26:08,890 --> 00:26:06,900

it happen I mean like cat like if cows

700

00:26:10,970 --> 00:26:08,900

could stop us from

701
00:26:13,730 --> 00:26:10,980
slaughtering them and eating them they

702
00:26:15,649 --> 00:26:13,740
would they can't now whatever's

703
00:26:18,430 --> 00:26:15,659
happening to us say it's negative can we

704
00:26:20,810 --> 00:26:18,440
stop it yeah if we can't we'll you know

705
00:26:22,490 --> 00:26:20,820
obviously we can't worry about it right

706
00:26:23,990 --> 00:26:22,500
like you said if you know there's like

707
00:26:26,690 --> 00:26:24,000
some sort of afterlife where your spirit

708
00:26:28,730 --> 00:26:26,700
moves on it's kind of like you know your

709
00:26:30,409 --> 00:26:28,740
last day of work like you're still at

710
00:26:32,830 --> 00:26:30,419
work but you know you're you're done

711
00:26:35,570 --> 00:26:32,840
with it so whatever

712
00:26:38,990 --> 00:26:35,580
yeah you really want to cut your finger

713
00:26:40,430 --> 00:26:39,000

as a sous chef but I don't want people

714

00:26:43,070 --> 00:26:40,440

to think that I'm just I would just say

715

00:26:45,710 --> 00:26:43,080

oh whatever no I would still try to fix

716

00:26:49,430 --> 00:26:45,720

things and try to make things good on

717

00:26:52,190 --> 00:26:49,440

this planet you know but in the big

718

00:26:54,409 --> 00:26:52,200

scheme of things I'm just imagining you

719

00:26:55,970 --> 00:26:54,419

doing that yeah like flipping people off

720

00:26:57,250 --> 00:26:55,980

whatever bro I'm leaving

721

00:27:00,649 --> 00:26:57,260

[Laughter]

722

00:27:03,649 --> 00:27:00,659

I don't belong here yeah that's one of

723

00:27:06,529 --> 00:27:03,659

the things reasons why I like reading up

724

00:27:09,190 --> 00:27:06,539

on afterlife stuff and you know I've

725

00:27:11,870 --> 00:27:09,200

tweeted about and and spoken about

726

00:27:15,470 --> 00:27:11,880

people talking about The Reincarnation

727

00:27:19,010 --> 00:27:15,480

trap and soul trap and simulation I like

728

00:27:20,690 --> 00:27:19,020

all of that stuff reincarnation trip so

729

00:27:22,909 --> 00:27:20,700

if you look at the evidence for

730

00:27:25,250 --> 00:27:22,919

reincarnation it's really really good

731

00:27:26,750 --> 00:27:25,260

you know Ian Stevenson and then after he

732

00:27:28,669 --> 00:27:26,760

died it was the University of Virginia

733

00:27:30,649 --> 00:27:28,679

where he did most of his work

734

00:27:33,169 --> 00:27:30,659

um he found like three to four thousand

735

00:27:35,210 --> 00:27:33,179

cases of children where they remember a

736

00:27:37,010 --> 00:27:35,220

past life really detailed and they'll

737

00:27:39,049 --> 00:27:37,020

say to their parents at a very young age

738

00:27:40,490 --> 00:27:39,059

you're not my parents you need to take

739

00:27:41,630 --> 00:27:40,500

me to see my real parents they live in

740

00:27:43,250 --> 00:27:41,640

this town

741

00:27:44,390 --> 00:27:43,260

so the parents will finally give in and

742

00:27:47,510 --> 00:27:44,400

they'll they'll go there and they'll

743

00:27:48,769 --> 00:27:47,520

name the entire family they know them by

744

00:27:49,370 --> 00:27:48,779

name

745

00:27:52,190 --> 00:27:49,380

um

746

00:27:54,230 --> 00:27:52,200

and then in some cases uh they're

747

00:27:57,470 --> 00:27:54,240

they're they have body they have

748

00:28:00,590 --> 00:27:57,480

birthmarks or wounds not not no scars

749

00:28:02,630 --> 00:28:00,600

and birthmarks okay and they and they'll

750

00:28:05,269 --> 00:28:02,640

investigate the previous personality

751

00:28:07,250 --> 00:28:05,279

that this child claimed to be and the

752

00:28:09,470 --> 00:28:07,260

death wounds from that body match up

753

00:28:11,149 --> 00:28:09,480

with the birthmarks on this body the

754

00:28:13,190 --> 00:28:11,159

body so it's like what are the chances

755

00:28:14,870 --> 00:28:13,200

within millimeters so there's there's

756

00:28:17,390 --> 00:28:14,880

some really good evidence that

757

00:28:19,010 --> 00:28:17,400

reincarnation is legitimate not proof

758

00:28:21,230 --> 00:28:19,020

and then

759

00:28:22,669 --> 00:28:21,240

the thing is so why don't we remember so

760

00:28:24,529 --> 00:28:22,679

people like why aren't we remembering

761

00:28:27,049 --> 00:28:24,539

these lives some somehow every time we

762

00:28:28,549 --> 00:28:27,059

get born our memories are wiped so how

763

00:28:30,409 --> 00:28:28,559

are we if we're here to learn lessons

764

00:28:31,970 --> 00:28:30,419

how are we going to learn a lesson if

765

00:28:33,350 --> 00:28:31,980

our memory is a wipe we have nothing to

766

00:28:35,390 --> 00:28:33,360

base it on

767

00:28:37,430 --> 00:28:35,400

um so that I don't know who first

768

00:28:39,289 --> 00:28:37,440

brought up the reincarnation trap idea

769

00:28:41,810 --> 00:28:39,299

but it seems like we're just in a cycle

770

00:28:44,570 --> 00:28:41,820

over and over again and we're getting

771

00:28:46,250 --> 00:28:44,580

tricked by some deception to keep coming

772

00:28:47,810 --> 00:28:46,260

back here and it's really interesting to

773

00:28:49,669 --> 00:28:47,820

hear some of the near-death experiences

774

00:28:52,310 --> 00:28:49,679

looked at from a different perspective

775

00:28:53,330 --> 00:28:52,320

right because you always hear the same

776

00:28:55,130 --> 00:28:53,340

yeah

777

00:28:56,570 --> 00:28:55,140

you listen to the stories and like

778

00:28:57,769 --> 00:28:56,580

they're they're looking at it really

779

00:28:59,690 --> 00:28:57,779

positive they're like oh and I've

780

00:29:01,370 --> 00:28:59,700

encountered this being it was an amazing

781

00:29:03,110 --> 00:29:01,380

feeling of love and they said you can't

782

00:29:04,549 --> 00:29:03,120

come anymore you have to go back it's

783

00:29:05,990 --> 00:29:04,559

not your time and then you look at it

784

00:29:08,090 --> 00:29:06,000

from the other perspective I'm like

785

00:29:09,409 --> 00:29:08,100

what's going on here are they just

786

00:29:11,930 --> 00:29:09,419

trying to convince us to come back right

787

00:29:13,430 --> 00:29:11,940

right yes you want to really get into

788

00:29:15,830 --> 00:29:13,440

now but there's some really good people

789

00:29:17,029 --> 00:29:15,840

on YouTube that talk about this and I

790

00:29:19,490 --> 00:29:17,039

heard about it I'm like this is really

791

00:29:21,649 --> 00:29:19,500

interesting and it makes sense I don't

792

00:29:23,990 --> 00:29:21,659

know if it's true The Reincarnation part

793

00:29:25,190 --> 00:29:24,000

I think is true but the whole soul trap

794

00:29:28,010 --> 00:29:25,200

I don't know

795

00:29:29,630 --> 00:29:28,020

um it makes sense but if you if if you

796

00:29:31,850 --> 00:29:29,640

struggle with UFOs and you're not into

797

00:29:33,289 --> 00:29:31,860

any of the Woo you're gonna think of

798

00:29:36,710 --> 00:29:33,299

what I'm talking about right now is

799

00:29:38,510 --> 00:29:36,720

ridiculous you can't even if he can't

800

00:29:40,330 --> 00:29:38,520

even handle a sports model for like

801
00:29:42,669 --> 00:29:40,340
saucer just

802
00:29:44,630 --> 00:29:42,679
just forget it

803
00:29:48,169 --> 00:29:44,640
do you think there's a connection

804
00:29:50,990 --> 00:29:48,179
between like uh near-death experiences

805
00:29:53,870 --> 00:29:51,000
and you know some UFO encounters because

806
00:29:56,149 --> 00:29:53,880
something yeah reporting things are

807
00:29:57,590 --> 00:29:56,159
pretty similar like what you know

808
00:30:00,350 --> 00:29:57,600
Euphoria and stuff like that are

809
00:30:03,110 --> 00:30:00,360
reported yeah so people who who talk

810
00:30:04,549 --> 00:30:03,120
about The Reincarnation and near-death

811
00:30:06,169 --> 00:30:04,559
stuff they think there's a connection to

812
00:30:07,549 --> 00:30:06,179
the phenomenon

813
00:30:09,889 --> 00:30:07,559

um and that could be what everything is

814

00:30:11,269 --> 00:30:09,899

about and they're the theory is they're

815

00:30:13,490 --> 00:30:11,279

using us

816

00:30:14,870 --> 00:30:13,500

they feed off of our emotions and that's

817

00:30:16,610 --> 00:30:14,880

where they get their energy and they use

818

00:30:18,889 --> 00:30:16,620

that energy for the simulation that's

819

00:30:21,710 --> 00:30:18,899

one Theory and people are like we give

820

00:30:22,970 --> 00:30:21,720

off energy of like a lot of people have

821

00:30:24,529 --> 00:30:22,980

talked about that

822

00:30:25,850 --> 00:30:24,539

um who knows what we give off in the

823

00:30:28,370 --> 00:30:25,860

non-physical

824

00:30:30,529 --> 00:30:28,380

um right in that book

825

00:30:33,110 --> 00:30:30,539

chains of the chains of the sea which

826

00:30:34,730 --> 00:30:33,120

Lou recommends there's this talk there's

827

00:30:35,570 --> 00:30:34,740

different beings in there that feed off

828

00:30:38,930 --> 00:30:35,580

of

829

00:30:40,430 --> 00:30:38,940

different things from us from cattle

830

00:30:41,630 --> 00:30:40,440

stuff you don't realize I think one of

831

00:30:42,889 --> 00:30:41,640

them was like you don't even they don't

832

00:30:45,590 --> 00:30:42,899

even you don't realize you're even

833

00:30:47,389 --> 00:30:45,600

missing it but they're taking it um

834

00:30:49,010 --> 00:30:47,399

maybe that's just parasitical you know

835

00:30:51,950 --> 00:30:49,020

and I had somebody tell me privately

836

00:30:55,850 --> 00:30:51,960

that part of the uh part of the

837

00:30:57,889 --> 00:30:55,860

phenomenon is parasitical in nature

838

00:30:59,210 --> 00:30:57,899

um some people think it's all parasites

839

00:31:02,029 --> 00:30:59,220

that we're dealing with and they're just

840

00:31:04,430 --> 00:31:02,039

you know that's why or life on Earth is

841

00:31:06,289 --> 00:31:04,440

so chaotic because they're somehow

842

00:31:07,850 --> 00:31:06,299

they're helping it along a little bit

843

00:31:11,169 --> 00:31:07,860

because they feed off of that negative

844

00:31:13,610 --> 00:31:11,179

emotion that's really conspiratory

845

00:31:15,230 --> 00:31:13,620

conspiratorial I know that it's one of

846

00:31:17,570 --> 00:31:15,240

the I first encountered that in the book

847

00:31:19,610 --> 00:31:17,580

gods of Eden

848

00:31:22,730 --> 00:31:19,620

um it wasn't exactly like that but he

849

00:31:25,070 --> 00:31:22,740

would suggest suggesting it was um

850

00:31:26,029 --> 00:31:25,080

who wrote gods of Eden have you ever

851
00:31:30,950 --> 00:31:26,039
read that

852
00:31:32,269 --> 00:31:30,960
no um I can look it up great William I

853
00:31:35,930 --> 00:31:32,279
can't think of his name

854
00:31:37,370 --> 00:31:35,940
etner Bramley Bramley is who wrote it I

855
00:31:38,810 --> 00:31:37,380
think it was William Bramley he might be

856
00:31:40,250 --> 00:31:38,820
wrong in the first name but it's it's

857
00:31:42,289 --> 00:31:40,260
like the first book I read and I'm like

858
00:31:44,090 --> 00:31:42,299
oh this is interesting he's like he was

859
00:31:46,250 --> 00:31:44,100
saying yeah whatever these

860
00:31:48,230 --> 00:31:46,260
extraterrestrials are are making life on

861
00:31:49,610 --> 00:31:48,240
this planet the way it is because they I

862
00:31:50,990 --> 00:31:49,620
don't know what his theory was and then

863
00:31:53,510 --> 00:31:51,000

he talked about I think he was the first

864

00:31:56,269 --> 00:31:53,520

one I ever heard or read where he said

865

00:31:59,570 --> 00:31:56,279

when you die don't go don't go towards

866

00:32:00,889 --> 00:31:59,580

the light being it's a it's some sort of

867

00:32:03,289 --> 00:32:00,899

trick and I've read that other places

868

00:32:04,789 --> 00:32:03,299

and then I and then if you read the if

869

00:32:07,010 --> 00:32:04,799

you listen to The Reincarnation soul

870

00:32:09,049 --> 00:32:07,020

trap they talk about that it's like you

871

00:32:11,750 --> 00:32:09,059

don't need help in the afterlife Sean if

872

00:32:13,310 --> 00:32:11,760

you die you don't need directions you

873

00:32:14,930 --> 00:32:13,320

don't need guidance from your loved ones

874

00:32:16,370 --> 00:32:14,940

you say hey because people are like

875

00:32:17,930 --> 00:32:16,380

they're not really your loved ones it's

876

00:32:19,730 --> 00:32:17,940

just the phenomenon these beings are

877

00:32:21,370 --> 00:32:19,740

pretending because they want to trick

878

00:32:26,570 --> 00:32:21,380

you

879

00:32:28,450 --> 00:32:26,580

need help I don't need directions in the

880

00:32:31,070 --> 00:32:28,460

afterlife I'm good

881

00:32:33,409 --> 00:32:31,080

yeah it'd probably be a dream where I'm

882

00:32:35,389 --> 00:32:33,419

like in the car with my wife and you

883

00:32:36,950 --> 00:32:35,399

know we don't have our cell phones or

884

00:32:39,350 --> 00:32:36,960

Google Maps and

885

00:32:40,510 --> 00:32:39,360

we have to stop at a gas station and ask

886

00:32:45,049 --> 00:32:40,520

for directions

887

00:32:46,730 --> 00:32:45,059

you guys like yeah come in no see that

888

00:32:48,950 --> 00:32:46,740

white light over there just jump into

889

00:32:51,409 --> 00:32:48,960

that white light you'll be fine

890

00:32:54,350 --> 00:32:51,419

there's something you know I've had such

891

00:32:57,049 --> 00:32:54,360

weird dreams where you know there's

892

00:32:59,990 --> 00:32:57,059

you're in one part of like a building

893

00:33:01,370 --> 00:33:00,000

and and you know stuff's happening that

894

00:33:03,889 --> 00:33:01,380

doesn't make sense and then all of a

895

00:33:06,710 --> 00:33:03,899

sudden you leave that building and then

896

00:33:08,710 --> 00:33:06,720

the dream's over so sometimes you know I

897

00:33:11,690 --> 00:33:08,720

wonder if there is some weird kind of

898

00:33:13,970 --> 00:33:11,700

dimensional places that we go when we

899

00:33:17,149 --> 00:33:13,980

die and when we sleep and if you know

900

00:33:18,889 --> 00:33:17,159

those are the same yeah Robert Monroe I

901
00:33:20,450 --> 00:33:18,899
forget which book of his on Out of Body

902
00:33:22,850 --> 00:33:20,460
Experience is talked about basically

903
00:33:25,370 --> 00:33:22,860
yeah during his out-of-body experiences

904
00:33:27,049 --> 00:33:25,380
he was experiencing another parallel

905
00:33:28,970 --> 00:33:27,059
life of his

906
00:33:31,549 --> 00:33:28,980
um I don't even remember my dreams which

907
00:33:33,350 --> 00:33:31,559
really it's been a while I remember I

908
00:33:34,970 --> 00:33:33,360
need to start making an effort to write

909
00:33:36,350 --> 00:33:34,980
them down because that will help you

910
00:33:37,970 --> 00:33:36,360
remember

911
00:33:39,769 --> 00:33:37,980
um yeah it could be you know parallel

912
00:33:41,389 --> 00:33:39,779
lives and when we're sleeping we're

913
00:33:43,190 --> 00:33:41,399

experiencing some of those other Lives

914

00:33:45,529 --> 00:33:43,200

who the heck knows

915

00:33:47,509 --> 00:33:45,539

um I don't know how the general Public's

916

00:33:49,009 --> 00:33:47,519

gonna handle any of this like when I

917

00:33:51,289 --> 00:33:49,019

meet somebody new to the topic I don't

918

00:33:52,909 --> 00:33:51,299

jump into The Reincarnation trap Theory

919

00:33:57,970 --> 00:33:52,919

obviously

920

00:34:05,570 --> 00:34:02,269

yeah yeah I like UFOs and

921

00:34:08,869 --> 00:34:05,580

I just try to avoid the links when I die

922

00:34:10,430 --> 00:34:08,879

and all right right right yeah you know

923

00:34:12,050 --> 00:34:10,440

you know you know the ones who deceive

924

00:34:15,290 --> 00:34:12,060

us you know they're connected to the

925

00:34:17,450 --> 00:34:15,300

UFOs possibly the reptilians and the and

926
00:34:20,510 --> 00:34:17,460
the soul trap and the in the simulation

927
00:34:22,790 --> 00:34:20,520
sucking energy off of our astral bodies

928
00:34:25,930 --> 00:34:22,800
yeah I don't talk about that and when

929
00:34:28,550 --> 00:34:25,940
did Las Vegas uh legalize marijuana

930
00:34:30,770 --> 00:34:28,560
exactly yeah

931
00:34:33,770 --> 00:34:30,780
I got married in Vegas actually oh

932
00:34:36,530 --> 00:34:33,780
really yeah yeah uh my wife and I

933
00:34:38,210 --> 00:34:36,540
decided to have we didn't want to put

934
00:34:40,790 --> 00:34:38,220
together like one of those big crazy

935
00:34:42,710 --> 00:34:40,800
weddings where you just invite everyone

936
00:34:45,770 --> 00:34:42,720
and they wind up complaining about the

937
00:34:47,510 --> 00:34:45,780
food or whatever so we yeah we're like

938
00:34:49,129 --> 00:34:47,520

let's just go to Vegas and let's do

939

00:34:50,570 --> 00:34:49,139

something cliché and we got married by

940

00:34:52,430 --> 00:34:50,580

Elvis at the sign

941

00:34:53,570 --> 00:34:52,440

and we got driven there in a pink

942

00:34:55,909 --> 00:34:53,580

Cadillac

943

00:34:58,130 --> 00:34:55,919

and we got great photos and actually 30

944

00:34:59,329 --> 00:34:58,140

people end up coming out but nice which

945

00:35:01,849 --> 00:34:59,339

place is it

946

00:35:04,190 --> 00:35:01,859

it was like a little chapel I think or

947

00:35:06,230 --> 00:35:04,200

something maybe it was called I don't

948

00:35:08,450 --> 00:35:06,240

know

949

00:35:11,569 --> 00:35:08,460

now my first reality show I shot here

950

00:35:13,430 --> 00:35:11,579

was a wedding shows um oh okay gotcha it

951
00:35:15,770 --> 00:35:13,440
was a wedding a wedding reality show but

952
00:35:21,109 --> 00:35:15,780
yeah the place is a dump but you know

953
00:35:24,050 --> 00:35:21,119
went fine and then we uh went to binions

954
00:35:25,490 --> 00:35:24,060
um and and had a big uh dinner there and

955
00:35:28,130 --> 00:35:25,500
rented out the rooftop there it was

956
00:35:29,810 --> 00:35:28,140
awesome oh nice yeah I've played poker

957
00:35:33,230 --> 00:35:29,820
and minions when I was gambling which I

958
00:35:34,970 --> 00:35:33,240
do not gamble anymore yeah good have you

959
00:35:38,510 --> 00:35:34,980
seen any

960
00:35:41,030 --> 00:35:38,520
uh flag sausages in Vegas or uh UFOs or

961
00:35:43,310 --> 00:35:41,040
have there been any recent reports there

962
00:35:45,170 --> 00:35:43,320
was a recently Port of lights over over

963
00:35:46,010 --> 00:35:45,180

the city um I saw it I don't know what

964

00:35:48,470 --> 00:35:46,020

it was

965

00:35:51,290 --> 00:35:48,480

um damn lights at night they're useless

966

00:35:54,170 --> 00:35:51,300

lights at night are so useless you know

967

00:35:56,329 --> 00:35:54,180

it's like even like what who's putting

968

00:35:58,130 --> 00:35:56,339

flares over City areas and not like

969

00:35:59,750 --> 00:35:58,140

telling anybody about it and it might be

970

00:36:02,329 --> 00:35:59,760

in the distance it might it just made me

971

00:36:04,430 --> 00:36:02,339

looking like it's over the city

972

00:36:06,349 --> 00:36:04,440

um so I don't know

973

00:36:09,050 --> 00:36:06,359

that's true I have you know I've never

974

00:36:11,329 --> 00:36:09,060

seen anything that looks clear as day

975

00:36:14,630 --> 00:36:11,339

something anomalous except for outside

976

00:36:16,670 --> 00:36:14,640

this door I had an orb sighting which

977

00:36:19,970 --> 00:36:16,680

was totally out of the blue it was Dusk

978

00:36:23,150 --> 00:36:19,980

and my dog was growling at this door and

979

00:36:25,370 --> 00:36:23,160

it was like 6 30 7 o'clock and I went

980

00:36:28,609 --> 00:36:25,380

out and looked and from right to left

981

00:36:30,710 --> 00:36:28,619

about it was like this big off-white

982

00:36:33,530 --> 00:36:30,720

close to the ground about 15 feet away

983

00:36:35,150 --> 00:36:33,540

from me just went really that fast it

984

00:36:37,430 --> 00:36:35,160

was so fast

985

00:36:38,510 --> 00:36:37,440

wow and if the dog hadn't growled I

986

00:36:40,490 --> 00:36:38,520

wouldn't have got up and I don't know

987

00:36:42,770 --> 00:36:40,500

what it was you know it wasn't a rabbit

988

00:36:44,569 --> 00:36:42,780

before it was off-white it was it was a

989

00:36:47,150 --> 00:36:44,579

ball it was round I don't know what it

990

00:36:55,329 --> 00:36:49,569

and who knows what it did to you

991

00:37:02,630 --> 00:36:58,849

who claim that stuff is around me but

992

00:37:04,490 --> 00:37:02,640

you know I can't prove it so yeah I have

993

00:37:05,930 --> 00:37:04,500

a great I have a great church story I

994

00:37:07,930 --> 00:37:05,940

don't know if I I've told this I don't

995

00:37:10,730 --> 00:37:07,940

think I told it to you but

996

00:37:12,109 --> 00:37:10,740

my first wife

997

00:37:13,790 --> 00:37:12,119

um

998

00:37:19,250 --> 00:37:13,800

I have one of those

999

00:37:23,210 --> 00:37:21,410

she came with me one day to church to

1000

00:37:26,089 --> 00:37:23,220

see one of my friends who was singing in

1001

00:37:26,930 --> 00:37:26,099

this it was a Baptist Church

1002

00:37:28,550 --> 00:37:26,940

um

1003

00:37:29,810 --> 00:37:28,560

you really didn't want to go she's all

1004

00:37:31,069 --> 00:37:29,820

right I'll go I don't feel well I'm

1005

00:37:33,050 --> 00:37:31,079

gonna go

1006

00:37:34,970 --> 00:37:33,060

so we're sitting there and then

1007

00:37:36,950 --> 00:37:34,980

during this singing and then and then

1008

00:37:39,230 --> 00:37:36,960

the pastor so it's about the pastor

1009

00:37:42,470 --> 00:37:39,240

starts going it starts going into

1010

00:37:44,630 --> 00:37:42,480

uh tithing and donating money I look

1011

00:37:46,490 --> 00:37:44,640

over at her and she's she's got tears

1012

00:37:48,050 --> 00:37:46,500

rolling down her eyes

1013

00:37:49,910 --> 00:37:48,060

um to make a long story short after it

1014

00:37:51,890 --> 00:37:49,920

was over I'm like what happened what's

1015

00:37:53,630 --> 00:37:51,900

going on she's like

1016

00:37:55,430 --> 00:37:53,640

when the pastor was up there he was

1017

00:37:59,329 --> 00:37:55,440

asking for money I looked up and there

1018

00:38:01,370 --> 00:37:59,339

was this really nasty looking being that

1019

00:38:03,829 --> 00:38:01,380

was there and and he was telepathically

1020

00:38:05,089 --> 00:38:03,839

communicating with me saying I know you

1021

00:38:07,130 --> 00:38:05,099

can see me and there's absolutely

1022

00:38:09,589 --> 00:38:07,140

nothing you can do about it and it

1023

00:38:10,910 --> 00:38:09,599

started gliding towards her

1024

00:38:12,950 --> 00:38:10,920

um and then it disappeared into the

1025

00:38:15,530 --> 00:38:12,960

pastor and then he started giving his

1026

00:38:17,569 --> 00:38:15,540

Spiel really strong for money

1027

00:38:19,550 --> 00:38:17,579

so that's the story you know can't prove

1028

00:38:22,250 --> 00:38:19,560

it she had other experiences where there

1029

00:38:24,230 --> 00:38:22,260

was some feedback that suggested she was

1030

00:38:26,089 --> 00:38:24,240

really seeing something that particular

1031

00:38:28,130 --> 00:38:26,099

one no feedback and she would not tell

1032

00:38:29,690 --> 00:38:28,140

anybody that story unless she was really

1033

00:38:31,730 --> 00:38:29,700

comfortable with them because they're

1034

00:38:33,050 --> 00:38:31,740

going to say you're crazy you're seeing

1035

00:38:35,690 --> 00:38:33,060

things

1036

00:38:37,329 --> 00:38:35,700

um you know so well I don't know what to

1037

00:38:40,450 --> 00:38:37,339

make of that

1038

00:38:43,250 --> 00:38:40,460

the church sucks

1039

00:38:45,109 --> 00:38:43,260

you know there's a lot of negative stuff

1040

00:38:47,569 --> 00:38:45,119

because people go to church when they're

1041

00:38:49,310 --> 00:38:47,579

struggling in their lives um yeah I

1042

00:38:52,010 --> 00:38:49,320

don't know good point good point that's

1043

00:38:54,470 --> 00:38:52,020

true yeah oh yeah that's a that's an

1044

00:38:56,690 --> 00:38:54,480

intense Story and there's so many

1045

00:38:59,030 --> 00:38:56,700

different kinds of stories

1046

00:39:01,550 --> 00:38:59,040

in in paranormal stuff that lines up

1047

00:39:03,890 --> 00:39:01,560

with UFO sightings all the time like I

1048

00:39:06,470 --> 00:39:03,900

was just I love looking in the old

1049

00:39:08,990 --> 00:39:06,480

newspaper accounts these days because

1050

00:39:11,030 --> 00:39:09,000

you know I go looking for one thing and

1051

00:39:14,569 --> 00:39:11,040

I wind up looking at something like

1052

00:39:16,130 --> 00:39:14,579

completely bizarre like about uh I just

1053

00:39:18,470 --> 00:39:16,140

recently looked at this newspaper

1054

00:39:21,230 --> 00:39:18,480

article from the 50s about this lady who

1055

00:39:23,210 --> 00:39:21,240

thought she saw uh Superman over Barn

1056

00:39:26,870 --> 00:39:23,220

except it wasn't Superman it was just a

1057

00:39:28,970 --> 00:39:26,880

guy with wings much like uh Mothman and

1058

00:39:32,690 --> 00:39:28,980

and how kill describes that except this

1059

00:39:34,310 --> 00:39:32,700

was in like 1952. this is you know it's

1060

00:39:36,950 --> 00:39:34,320

just crazy all the different stuff that

1061

00:39:39,170 --> 00:39:36,960

exists and and now we have Rocketman

1062

00:39:41,270 --> 00:39:39,180

flying in between Airlines I know it's

1063

00:39:42,589 --> 00:39:41,280

really weird remember the witch I think

1064

00:39:43,970 --> 00:39:42,599

it was South America people were seeing

1065

00:39:46,190 --> 00:39:43,980

like a witch on a broom you ever see

1066

00:39:48,050 --> 00:39:46,200

that video I have it I'll look at it

1067

00:39:49,910 --> 00:39:48,060

really weird it looks like a witch on a

1068

00:39:51,410 --> 00:39:49,920

broom maybe it's just some dummy on I

1069

00:39:53,089 --> 00:39:51,420

don't know what it is it's but that's

1070

00:39:56,329 --> 00:39:53,099

what it looks like it's like what the

1071

00:39:58,190 --> 00:39:56,339

heck yeah there's a there's weird stuff

1072

00:40:00,109 --> 00:39:58,200

like that that doesn't exist but you

1073

00:40:02,450 --> 00:40:00,119

know like what I re what I've come to

1074

00:40:05,210 --> 00:40:02,460

realize that is if it's too it's like

1075

00:40:06,410 --> 00:40:05,220

too weird to be true almost like even if

1076
00:40:07,970 --> 00:40:06,420
it is real

1077
00:40:10,250 --> 00:40:07,980
people would never believe it because

1078
00:40:12,109 --> 00:40:10,260
it's too weird to be true the absurdity

1079
00:40:13,430 --> 00:40:12,119
nature of the phenomenon I know it's

1080
00:40:15,890 --> 00:40:13,440
ridiculous

1081
00:40:19,370 --> 00:40:15,900
um stuff that's going on next week is

1082
00:40:21,589 --> 00:40:19,380
Jay Stratton is going to be on secret of

1083
00:40:23,390 --> 00:40:21,599
Skinwalker Ranch oh which I'm looking

1084
00:40:24,829 --> 00:40:23,400
forward to that because

1085
00:40:28,670 --> 00:40:24,839
um basically he's the guy who ran the

1086
00:40:30,950 --> 00:40:28,680
UAP task force for people who don't know

1087
00:40:34,069 --> 00:40:30,960
sharp guy sharp guy I met him when I

1088
00:40:36,290 --> 00:40:34,079

went to Alabama uh last November I met

1089

00:40:37,849 --> 00:40:36,300

with Eric Davis I met with Jay Stratton

1090

00:40:40,550 --> 00:40:37,859

and I hung out with Michael Vai who I

1091

00:40:43,190 --> 00:40:40,560

interviewed on my show on my channel

1092

00:40:44,630 --> 00:40:43,200

yeah it was it was it was a good trip I

1093

00:40:46,609 --> 00:40:44,640

was actually gonna go down to Florida

1094

00:40:48,530 --> 00:40:46,619

and see will Miller who was part of the

1095

00:40:51,710 --> 00:40:48,540

Wilson Davis documents his letter is in

1096

00:40:53,510 --> 00:40:51,720

there but I didn't he was busy with

1097

00:40:55,910 --> 00:40:53,520

stuff I couldn't see him um but it was a

1098

00:40:59,230 --> 00:40:55,920

good trip and Stratton

1099

00:41:01,970 --> 00:40:59,240

I I think most people realize he is

1100

00:41:03,589 --> 00:41:01,980

Axelrod in skin workers at the Pentagon

1101

00:41:05,690 --> 00:41:03,599

and I think they're gonna cover his

1102

00:41:07,790 --> 00:41:05,700

background with ASAP in the next episode

1103

00:41:10,849 --> 00:41:07,800

I'm not sure but I'm looking forward to

1104

00:41:12,470 --> 00:41:10,859

that next week yeah that'll be great do

1105

00:41:14,270 --> 00:41:12,480

you know anything about that book that

1106

00:41:16,310 --> 00:41:14,280

was remember there was a blurb about a

1107

00:41:18,829 --> 00:41:16,320

book about somebody who and then Lou

1108

00:41:21,650 --> 00:41:18,839

retweeted it right and I forget the

1109

00:41:24,530 --> 00:41:21,660

guy's name but yes he doesn't remember

1110

00:41:26,390 --> 00:41:24,540

it and no I haven't heard anything I

1111

00:41:29,450 --> 00:41:26,400

mean people's trying to speculate who

1112

00:41:30,650 --> 00:41:29,460

that person is I don't know who it is

1113

00:41:35,510 --> 00:41:30,660

um I don't know if that's his real name

1114

00:41:39,290 --> 00:41:37,550

yeah yeah I forget what Lou said he said

1115

00:41:41,569 --> 00:41:39,300

um be prepared I forget what he said but

1116

00:41:44,569 --> 00:41:41,579

it's like he's like I he said it's

1117

00:41:48,109 --> 00:41:46,490

I forget exactly what he said but yeah

1118

00:41:50,510 --> 00:41:48,119

that's I don't know when that's supposed

1119

00:41:52,010 --> 00:41:50,520

to be coming out but that Lou book Lou's

1120

00:41:54,290 --> 00:41:52,020

book is supposed to be coming out by the

1121

00:41:56,329 --> 00:41:54,300

end of the year that should be good I

1122

00:41:58,370 --> 00:41:56,339

mean I would love to get a hold of that

1123

00:42:00,190 --> 00:41:58,380

beforehand just to just prepare I would

1124

00:42:02,990 --> 00:42:00,200

love to do it

1125

00:42:05,690 --> 00:42:03,000

from front to back on there let's go on

1126
00:42:08,030 --> 00:42:05,700
YouTube for like 72 hours and just read

1127
00:42:09,950 --> 00:42:08,040
fall asleep as I'm reading you just

1128
00:42:11,329 --> 00:42:09,960
gotta get like a a group of like eight

1129
00:42:14,150 --> 00:42:11,339
people or something and we'll take

1130
00:42:16,190 --> 00:42:14,160
sleeping breaks and there you go

1131
00:42:17,930 --> 00:42:16,200
do you remember you know I want to say

1132
00:42:20,690 --> 00:42:17,940
something because people

1133
00:42:22,010 --> 00:42:20,700
compare

1134
00:42:25,069 --> 00:42:22,020
um

1135
00:42:26,810 --> 00:42:25,079
who was it somebody said it was Robert

1136
00:42:28,849 --> 00:42:26,820
Salas was being interviewed so Robert

1137
00:42:31,730 --> 00:42:28,859
sells was there when

1138
00:42:33,589 --> 00:42:31,740

the nuclear missiles went offline and

1139

00:42:35,569 --> 00:42:33,599

he's given interviews and he said I

1140

00:42:37,970 --> 00:42:35,579

think we have craft and bodies and I'm

1141

00:42:39,230 --> 00:42:37,980

like and I'm like he said the evidence

1142

00:42:41,450 --> 00:42:39,240

is there and I'm like there really isn't

1143

00:42:43,069 --> 00:42:41,460

evidence it's there's stories but there

1144

00:42:44,870 --> 00:42:43,079

isn't evidence and they go and somebody

1145

00:42:46,430 --> 00:42:44,880

jumped in the app into the evidence for

1146

00:42:48,950 --> 00:42:46,440

UFOs and they said we have all these

1147

00:42:50,990 --> 00:42:48,960

Witnesses I'm like I agree we have tens

1148

00:42:52,849 --> 00:42:51,000

and thousands of witnesses but we don't

1149

00:42:53,630 --> 00:42:52,859

have tens and thousands of witnesses who

1150

00:42:57,050 --> 00:42:53,640

said

1151

00:43:00,170 --> 00:42:57,060

I walked into a vault and I saw a craft

1152

00:43:02,450 --> 00:43:00,180

with people working on it if we had that

1153

00:43:03,710 --> 00:43:02,460

yeah I would say that's impressive we

1154

00:43:06,710 --> 00:43:03,720

don't have that you know we don't have

1155

00:43:08,630 --> 00:43:06,720

one we have stories you know that people

1156

00:43:10,550 --> 00:43:08,640

supposedly went into the crash retrieval

1157

00:43:13,730 --> 00:43:10,560

program put their hand on it General

1158

00:43:16,309 --> 00:43:13,740

Jack Sheehan supposedly

1159

00:43:17,750 --> 00:43:16,319

um and then we have Wilson being denied

1160

00:43:20,390 --> 00:43:17,760

access and

1161

00:43:24,170 --> 00:43:20,400

but we don't hear that those stories go

1162

00:43:26,569 --> 00:43:24,180

back to 1953 I found it and really in a

1163

00:43:28,370 --> 00:43:26,579

blue book document yeah

1164

00:43:31,250 --> 00:43:28,380

um where it

1165

00:43:33,050 --> 00:43:31,260

I forgot his rank but there's some

1166

00:43:35,510 --> 00:43:33,060

Soldier guy or whatever met with this

1167

00:43:38,270 --> 00:43:35,520

guy at a bar it's dude it's like the

1168

00:43:41,450 --> 00:43:38,280

Wilson documents of 1953 almost not

1169

00:43:43,309 --> 00:43:41,460

quite yes show me I missed it yeah and

1170

00:43:46,130 --> 00:43:43,319

he meets this guy in a bar in this kind

1171

00:43:50,270 --> 00:43:46,140

of bar like seems trustworthy and and

1172

00:43:54,050 --> 00:43:50,280

professional and and this guy told them

1173

00:43:56,390 --> 00:43:54,060

about craft at Wright-Patterson and they

1174

00:43:58,630 --> 00:43:56,400

were in Ohio at this meeting craft at

1175

00:44:01,370 --> 00:43:58,640

Ray Patterson embodies

1176

00:44:03,230 --> 00:44:01,380

and he even followed this guy the

1177

00:44:05,210 --> 00:44:03,240

military guy followed this guy from a

1178

00:44:07,910 --> 00:44:05,220

bar to somewhere else found him in the

1179

00:44:10,130 --> 00:44:07,920

bathroom and then he like lost them

1180

00:44:11,750 --> 00:44:10,140

and the the interesting thing is yeah

1181

00:44:14,750 --> 00:44:11,760

you could just throw this away and go uh

1182

00:44:17,270 --> 00:44:14,760

whatever but why did he report it to his

1183

00:44:18,589 --> 00:44:17,280

authorities he must have thought that

1184

00:44:21,349 --> 00:44:18,599

there is some

1185

00:44:22,849 --> 00:44:21,359

you know some validity to it or you must

1186

00:44:25,190 --> 00:44:22,859

have thought it was important to some

1187

00:44:27,109 --> 00:44:25,200

extent so it's it's interesting to see

1188

00:44:29,089 --> 00:44:27,119

that those you know things like that

1189

00:44:30,890 --> 00:44:29,099

have been happening for a while and you

1190

00:44:32,390 --> 00:44:30,900

know some well there's smoke there's

1191

00:44:35,450 --> 00:44:32,400

fire there's got to be something

1192

00:44:38,390 --> 00:44:35,460

whatever it is you know even if it's a

1193

00:44:40,750 --> 00:44:38,400

giant special Access program Psy up

1194

00:44:43,790 --> 00:44:40,760

that's lasted 80 years right

1195

00:44:45,770 --> 00:44:43,800

it's got to be something I said that to

1196

00:44:46,609 --> 00:44:45,780

somebody the other day

1197

00:44:48,829 --> 00:44:46,619

um

1198

00:44:50,450 --> 00:44:48,839

I wouldn't say they're a source but

1199

00:44:52,849 --> 00:44:50,460

somebody kind of in the know and I said

1200

00:44:54,530 --> 00:44:52,859

there's a lot of smoke right now and

1201

00:44:56,569 --> 00:44:54,540

this person said and I said I'll believe

1202

00:44:58,370 --> 00:44:56,579

it when I see it of course and this

1203

00:45:00,470 --> 00:44:58,380

person said yeah there's a lot of smoke

1204

00:45:01,910 --> 00:45:00,480

he goes but there's also a lot of smoke

1205

00:45:04,370 --> 00:45:01,920

and mirrors

1206

00:45:06,050 --> 00:45:04,380

didn't explain what they meant by that

1207

00:45:10,130 --> 00:45:06,060

um oh thanks yeah but we were talking

1208

00:45:12,890 --> 00:45:10,140

crash retrievals and so yeah I mean

1209

00:45:14,870 --> 00:45:12,900

I really want to see it as much as we

1210

00:45:17,390 --> 00:45:14,880

hear the stories and whistleblowers I

1211

00:45:19,730 --> 00:45:17,400

want to see it or at the very first very

1212

00:45:21,650 --> 00:45:19,740

first step is hearing from somebody who

1213

00:45:23,089 --> 00:45:21,660

says they worked in the program or

1214

00:45:25,430 --> 00:45:23,099

looked in the door that's something a

1215

00:45:27,349 --> 00:45:25,440

lot of people missed Jeremy Corbell was

1216

00:45:29,210 --> 00:45:27,359

detailing different whistleblowers he is

1217

00:45:30,950 --> 00:45:29,220

he him and George Knapp have spoken to

1218

00:45:33,109 --> 00:45:30,960

and he's like some of them have just

1219

00:45:34,970 --> 00:45:33,119

glanced in the door and looked other

1220

00:45:36,230 --> 00:45:34,980

people I don't know how far they've

1221

00:45:38,390 --> 00:45:36,240

gotten into the program I need to listen

1222

00:45:41,270 --> 00:45:38,400

to his interview again

1223

00:45:43,010 --> 00:45:41,280

um but I'm not sure what it's gonna take

1224

00:45:44,930 --> 00:45:43,020

aside from

1225

00:45:46,849 --> 00:45:44,940

and I always make this joke I'm

1226

00:45:48,470 --> 00:45:46,859

repetitive but aside from them Wheeling

1227

00:45:50,750 --> 00:45:48,480

the craft down the aisle of

1228

00:45:53,150 --> 00:45:50,760

congressional of a congressional hearing

1229

00:45:55,490 --> 00:45:53,160

like the door is open it just comes in

1230

00:45:57,470 --> 00:45:55,500

and they have another container of

1231

00:45:59,750 --> 00:45:57,480

bodies with Grays in it besides that

1232

00:46:01,550 --> 00:45:59,760

happening I don't know how much we need

1233

00:46:03,530 --> 00:46:01,560

what if they go what if these people go

1234

00:46:05,930 --> 00:46:03,540

on 60 Minutes four people who say yeah

1235

00:46:08,510 --> 00:46:05,940

we worked in the program we touched the

1236

00:46:10,490 --> 00:46:08,520

craft we're pretty sure it's not made by

1237

00:46:12,230 --> 00:46:10,500

human hands is that going to be enough

1238

00:46:14,510 --> 00:46:12,240

for the people for people to accept that

1239

00:46:16,730 --> 00:46:14,520

they're here something is here

1240

00:46:19,670 --> 00:46:16,740

man you would think

1241

00:46:22,630 --> 00:46:19,680

I don't know though I think

1242

00:46:26,210 --> 00:46:22,640

I mean if that happened

1243

00:46:29,030 --> 00:46:26,220

you would probably get a repeat of 2017

1244

00:46:30,950 --> 00:46:29,040

on like steroids I think so too

1245

00:46:32,569 --> 00:46:30,960

everybody's gonna be trying to

1246

00:46:34,550 --> 00:46:32,579

investigate if you're if you're a

1247

00:46:36,109 --> 00:46:34,560

reporter who's into you know

1248

00:46:37,309 --> 00:46:36,119

investigating the biggest story yeah

1249

00:46:38,990 --> 00:46:37,319

eventually the biggest story in the

1250

00:46:41,510 --> 00:46:39,000

history of mankind

1251
00:46:44,870 --> 00:46:41,520
because Bob Lazar was Bob Lazar like

1252
00:46:46,790 --> 00:46:44,880
that was a good a good story and you

1253
00:46:49,130 --> 00:46:46,800
know I think it made some Believers out

1254
00:46:51,589 --> 00:46:49,140
of a lot of people honestly if whether

1255
00:46:53,930 --> 00:46:51,599
they'd admit it or not but a lot of

1256
00:46:56,630 --> 00:46:53,940
people just don't believe it at all but

1257
00:46:59,690 --> 00:46:56,640
you know and which sucks being George

1258
00:47:01,430 --> 00:46:59,700
about this is is that he covers UFOs for

1259
00:47:03,410 --> 00:47:01,440
so long so if he covers the story it's

1260
00:47:06,109 --> 00:47:03,420
like well the UFO guys covering UFO

1261
00:47:07,130 --> 00:47:06,119
stuff right but if these guys are on 60

1262
00:47:09,109 --> 00:47:07,140
Minutes

1263
00:47:10,870 --> 00:47:09,119

you're like kind of forced to take it

1264

00:47:13,609 --> 00:47:10,880

serious almost like

1265

00:47:15,950 --> 00:47:13,619

yeah I really want non-ufo people

1266

00:47:18,170 --> 00:47:15,960

nothing against Leslie king or Ralph

1267

00:47:20,569 --> 00:47:18,180

Blumenthal or George Knapp I want

1268

00:47:23,270 --> 00:47:20,579

and other folks Ross Colta or Ross

1269

00:47:24,950 --> 00:47:23,280

Coulter wasn't a UFO guy um either is

1270

00:47:27,650 --> 00:47:24,960

Tom Rogan

1271

00:47:29,930 --> 00:47:27,660

um but I want nationally nationally

1272

00:47:31,970 --> 00:47:29,940

known investigative reporters to really

1273

00:47:33,230 --> 00:47:31,980

dig into this that's what we need yeah

1274

00:47:35,870 --> 00:47:33,240

because it's always going to be the

1275

00:47:37,069 --> 00:47:35,880

criticism oh Leslie's a UFO reporter

1276

00:47:40,010 --> 00:47:37,079

it's like

1277

00:47:41,390 --> 00:47:40,020

listen if any the New York Times for you

1278

00:47:43,730 --> 00:47:41,400

to get an article in the New York Times

1279

00:47:47,630 --> 00:47:43,740

it has to go through a rigorous process

1280

00:47:49,430 --> 00:47:47,640

even though Senator Reid you know did

1281

00:47:51,170 --> 00:47:49,440

ask for a correction on one of his

1282

00:47:52,910 --> 00:47:51,180

quotes which I know

1283

00:47:54,530 --> 00:47:52,920

I don't think they agreed with but they

1284

00:47:56,930 --> 00:47:54,540

did it for him

1285

00:47:59,210 --> 00:47:56,940

um and they did get the ASAP part of the

1286

00:48:01,010 --> 00:47:59,220

story wrong in right in the New York

1287

00:48:03,290 --> 00:48:01,020

Times I don't know exactly what people

1288

00:48:05,569 --> 00:48:03,300

were telling them with Lou and uh Chris

1289

00:48:07,790 --> 00:48:05,579

Mellon told them but

1290

00:48:09,109 --> 00:48:07,800

um there's some sort of editing process

1291

00:48:10,550 --> 00:48:09,119

that goes in it's really tough I

1292

00:48:12,530 --> 00:48:10,560

remember George saying it's a really

1293

00:48:13,730 --> 00:48:12,540

tough lift when we were when we were

1294

00:48:15,650 --> 00:48:13,740

talking about the crash retrieval

1295

00:48:16,970 --> 00:48:15,660

program he's like whatever makes it into

1296

00:48:18,890 --> 00:48:16,980

the article because there was other

1297

00:48:21,470 --> 00:48:18,900

stuff I was hearing that was supposed to

1298

00:48:23,329 --> 00:48:21,480

be in that article that never made it

1299

00:48:25,190 --> 00:48:23,339

um okay

1300

00:48:26,930 --> 00:48:25,200

yeah I mean you can't just go to the New

1301

00:48:29,809 --> 00:48:26,940

York Times and say okay I got a story

1302

00:48:31,849 --> 00:48:29,819

about uh you know extraterrestrial I was

1303

00:48:32,710 --> 00:48:31,859

in the parts room I touched the craft so

1304

00:48:34,510 --> 00:48:32,720

cool

1305

00:48:38,270 --> 00:48:34,520

yeah

1306

00:48:39,490 --> 00:48:38,280

no we're not you know we're not doing

1307

00:48:42,109 --> 00:48:39,500

choir

1308

00:48:43,730 --> 00:48:42,119

yeah I would think if that of an article

1309

00:48:45,290 --> 00:48:43,740

like that made it into a you know

1310

00:48:47,150 --> 00:48:45,300

another crash retrieval article or

1311

00:48:49,550 --> 00:48:47,160

people working on a program

1312

00:48:51,670 --> 00:48:49,560

they will vet the heck out of that they

1313

00:48:54,050 --> 00:48:51,680

would have to I mean when people forget

1314

00:48:56,390 --> 00:48:54,060

Colleen Cooper

1315

00:48:58,370 --> 00:48:56,400

um helped with that too and she's not

1316

00:48:59,510 --> 00:48:58,380

she was a key part of that article I

1317

00:49:01,010 --> 00:48:59,520

wish she would stay it on I wish he

1318

00:49:03,349 --> 00:49:01,020

would have been on all of them

1319

00:49:05,089 --> 00:49:03,359

you know and she's not a UFO person well

1320

00:49:08,089 --> 00:49:05,099

at least no I don't think she would yeah

1321

00:49:09,950 --> 00:49:08,099

she's National Security or defense right

1322

00:49:12,349 --> 00:49:09,960

I remember talking about her trip on the

1323

00:49:14,150 --> 00:49:12,359

way home after meeting Lou saying

1324

00:49:15,650 --> 00:49:14,160

you know it just sounded all good that I

1325

00:49:17,510 --> 00:49:15,660

got in the subway and I'm like this

1326
00:49:19,609 --> 00:49:17,520
can't be true I mean she was questioning

1327
00:49:21,589 --> 00:49:19,619
everything like a normal person who's

1328
00:49:23,630 --> 00:49:21,599
not into this would do

1329
00:49:26,329 --> 00:49:23,640
um so it's great having people like her

1330
00:49:29,089 --> 00:49:26,339
yeah I think she I love listening to her

1331
00:49:31,130 --> 00:49:29,099
talk about it when she was on she was on

1332
00:49:33,349 --> 00:49:31,140
that UFO special on National Geographic

1333
00:49:35,030 --> 00:49:33,359
the one that was supposed to be on CNN

1334
00:49:37,490 --> 00:49:35,040
she was the highlight for me she talked

1335
00:49:39,230 --> 00:49:37,500
about inside the inside of how that came

1336
00:49:40,430 --> 00:49:39,240
about and how they were rushing they're

1337
00:49:42,109 --> 00:49:40,440
like somebody else is going to beat us

1338
00:49:44,510 --> 00:49:42,119

to the punch we need to publish it now

1339

00:49:45,829 --> 00:49:44,520

publish it publish it publish it and

1340

00:49:48,710 --> 00:49:45,839

they got it out and they beat Everybody

1341

00:49:51,410 --> 00:49:48,720

by a day I think yeah political or

1342

00:49:52,790 --> 00:49:51,420

something right yeah say again yeah I

1343

00:49:56,030 --> 00:49:52,800

think they'd be like political or

1344

00:49:58,130 --> 00:49:56,040

something right yeah yeah

1345

00:50:04,870 --> 00:49:58,140

and man and they didn't even show up in

1346

00:50:08,990 --> 00:50:07,069

I know people are frustrated right now

1347

00:50:11,510 --> 00:50:09,000

with how things how things are going

1348

00:50:13,250 --> 00:50:11,520

slow with Congress but it's like like

1349

00:50:15,589 --> 00:50:13,260

you said earlier they're talking about

1350

00:50:17,510 --> 00:50:15,599

it we're having hearings the problem is

1351

00:50:19,250 --> 00:50:17,520

and I I don't know if I think it might

1352

00:50:21,410 --> 00:50:19,260

have been George or Jeremy who mentioned

1353

00:50:23,089 --> 00:50:21,420

these guys who don't want it out are

1354

00:50:24,470 --> 00:50:23,099

trying to wait it out because they know

1355

00:50:26,630 --> 00:50:24,480

there's going to be an election coming

1356

00:50:28,609 --> 00:50:26,640

up and if if Ruby doesn't Ruby doesn't

1357

00:50:30,829 --> 00:50:28,619

get elected or gillibrand doesn't get

1358

00:50:34,010 --> 00:50:30,839

elected or Warner doesn't get elected or

1359

00:50:35,569 --> 00:50:34,020

or Gallagher who knows if the next

1360

00:50:37,609 --> 00:50:35,579

person that comes into the into that

1361

00:50:40,069 --> 00:50:37,619

office is going to back up another NDA

1362

00:50:42,410 --> 00:50:40,079

you don't know I mean or at least push

1363

00:50:44,510 --> 00:50:42,420

it I mean everybody voted for it but

1364

00:50:46,670 --> 00:50:44,520

will it still get pushed so that's the I

1365

00:50:48,470 --> 00:50:46,680

think that's their their game that's

1366

00:50:50,930 --> 00:50:48,480

people who don't want it out

1367

00:50:53,510 --> 00:50:50,940

that's key what you just said is that

1368

00:50:55,430 --> 00:50:53,520

most people voted for it you know so

1369

00:50:56,870 --> 00:50:55,440

first I think that does show like if you

1370

00:50:59,089 --> 00:50:56,880

have a lot of Replacements or whatever

1371

00:51:00,530 --> 00:50:59,099

it seems like the majority may still go

1372

00:51:03,230 --> 00:51:00,540

for something like that but also like

1373

00:51:04,569 --> 00:51:03,240

why did most people vote for it well

1374

00:51:06,829 --> 00:51:04,579

because evidence

1375

00:51:08,829 --> 00:51:06,839

it wasn't a deal breaker for the whole

1376

00:51:11,870 --> 00:51:08,839

NDA

1377

00:51:14,210 --> 00:51:11,880

it's in there like okay fine

1378

00:51:15,530 --> 00:51:14,220

um the problem is I don't know if if you

1379

00:51:17,270 --> 00:51:15,540

don't have those people leading the way

1380

00:51:18,890 --> 00:51:17,280

if it'll even make it in there in the

1381

00:51:19,910 --> 00:51:18,900

first place you know right right right

1382

00:51:22,190 --> 00:51:19,920

right

1383

00:51:24,530 --> 00:51:22,200

um yeah it depends what evidence they've

1384

00:51:26,750 --> 00:51:24,540

seen if any that was convincing enough

1385

00:51:30,410 --> 00:51:26,760

to you know haven't put in this effort

1386

00:51:32,150 --> 00:51:30,420

as far as I know Congress nobody

1387

00:51:34,730 --> 00:51:32,160

somebody else would do that too you know

1388

00:51:36,829 --> 00:51:34,740

as far as I know there is no

1389

00:51:39,049 --> 00:51:36,839

congressional oversight in the alleged

1390

00:51:41,390 --> 00:51:39,059

crash retrieval program there is

1391

00:51:42,770 --> 00:51:41,400

oversight certain people in the dod I

1392

00:51:45,790 --> 00:51:42,780

don't know how many but they know about

1393

00:51:48,470 --> 00:51:45,800

it but as far as as far as I know but

1394

00:51:50,210 --> 00:51:48,480

Congress no nobody's been allowed in the

1395

00:51:52,849 --> 00:51:50,220

door nobody has gotten access as far as

1396

00:51:54,410 --> 00:51:52,859

I know have any news I said this on

1397

00:51:56,569 --> 00:51:54,420

Twitter I think possibly some new

1398

00:51:58,549 --> 00:51:56,579

scientists have been reading I would

1399

00:51:59,870 --> 00:51:58,559

love to think Eric Davis was right in he

1400

00:52:01,430 --> 00:51:59,880

would deserve it

1401

00:52:03,049 --> 00:52:01,440

um but I don't know that to be a fact

1402

00:52:04,790 --> 00:52:03,059

and he wouldn't tell me if he if he was

1403

00:52:06,890 --> 00:52:04,800

you know he wouldn't say by the way I

1404

00:52:09,230 --> 00:52:06,900

got right in there the first thing you

1405

00:52:12,490 --> 00:52:09,240

do is just tell your buddies hey guess

1406

00:52:15,049 --> 00:52:12,500

what guys crack a beer I made it

1407

00:52:17,630 --> 00:52:15,059

tonight I'm in the crash retrieval

1408

00:52:21,170 --> 00:52:17,640

program I'm gonna tell you all about it

1409

00:52:22,970 --> 00:52:21,180

well he can't even do media so no Gary

1410

00:52:26,329 --> 00:52:22,980

Nolan almost got in I guess that's what

1411

00:52:28,370 --> 00:52:26,339

he said he was touched and I almost was

1412

00:52:30,109 --> 00:52:28,380

able to work on an object and at the

1413

00:52:32,270 --> 00:52:30,119

last minute they pulled some Shenanigans

1414

00:52:34,190 --> 00:52:32,280

and then Eric Weinstein says that's been

1415

00:52:36,049 --> 00:52:34,200

going on forever they did it with me Sam

1416

00:52:37,609 --> 00:52:36,059

Harris and then kit green talked about

1417

00:52:39,890 --> 00:52:37,619

he was supposed to be read in and then

1418

00:52:42,470 --> 00:52:39,900

it didn't happen so Eric Weinstein's

1419

00:52:44,990 --> 00:52:42,480

thinking it's some sort of psyop and

1420

00:52:46,609 --> 00:52:45,000

he's teasing these people well the way

1421

00:52:48,530 --> 00:52:46,619

Gary Nolan describes it seems different

1422

00:52:50,990 --> 00:52:48,540

than what Weinstein went through doesn't

1423

00:52:52,730 --> 00:52:51,000

it I Gary Nolan it seems like he was

1424

00:52:54,650 --> 00:52:52,740

like went through a process and almost

1425

00:52:56,569 --> 00:52:54,660

got approved and then didn't where

1426

00:52:58,010 --> 00:52:56,579

Weinstein seems like for all he knows he

1427

00:52:59,630 --> 00:52:58,020

could have got called from some weird

1428

00:53:02,030 --> 00:52:59,640

stranger kid who got his number and

1429

00:53:03,430 --> 00:53:02,040

pretended to be somebody well he yeah he

1430

00:53:05,990 --> 00:53:03,440

said he knows

1431

00:53:07,970 --> 00:53:06,000

he's just being respectful and not

1432

00:53:10,130 --> 00:53:07,980

naming it I wish he would name that I

1433

00:53:11,630 --> 00:53:10,140

want to know who told him that and why

1434

00:53:12,530 --> 00:53:11,640

it didn't happen

1435

00:53:15,349 --> 00:53:12,540

um

1436

00:53:20,510 --> 00:53:15,359

but yeah I mean kit greens for all we

1437

00:53:24,049 --> 00:53:22,250

I like to have a similar thing and no

1438

00:53:27,410 --> 00:53:24,059

and Kate green never got his access

1439

00:53:29,089 --> 00:53:27,420

either and he was frustrated

1440

00:53:30,410 --> 00:53:29,099

um did he ever get access later on I

1441

00:53:33,589 --> 00:53:30,420

don't know he wouldn't be able to tell

1442

00:53:34,730 --> 00:53:33,599

us you know right who are these freaking

1443

00:53:36,890 --> 00:53:34,740

people man

1444

00:53:38,690 --> 00:53:36,900

somebody just needs to put it out on the

1445

00:53:40,190 --> 00:53:38,700

internet just we're gonna need more

1446

00:53:42,710 --> 00:53:40,200

whistleblowers that just say screw it

1447

00:53:44,750 --> 00:53:42,720

I'm coming out you know um there's a

1448

00:53:47,510 --> 00:53:44,760

process if you're gonna do it do it now

1449

00:53:50,450 --> 00:53:47,520

I know I heard from somebody they said

1450

00:53:52,190 --> 00:53:50,460

that yeah there are people in these

1451
00:53:54,890 --> 00:53:52,200
programs that definitely want it out but

1452
00:53:56,809 --> 00:53:54,900
the people who have control are putting

1453
00:54:00,530 --> 00:53:56,819
their foot down saying no so I don't

1454
00:54:03,109 --> 00:54:00,540
know how it's it's in tooth Sean in 2000

1455
00:54:05,630 --> 00:54:03,119
I called into a public access show where

1456
00:54:08,150 --> 00:54:05,640
will Miller that's the first time I met

1457
00:54:10,309 --> 00:54:08,160
him met him quote unquote will Miller

1458
00:54:12,770 --> 00:54:10,319
was talking about UFOs and I called in

1459
00:54:14,329 --> 00:54:12,780
23 years ago and I said well if these

1460
00:54:16,130 --> 00:54:14,339
programs exist how are we going to get

1461
00:54:19,670 --> 00:54:16,140
access it's like how do we break that

1462
00:54:21,349 --> 00:54:19,680
wall 23 years ago wow 23 years ago now

1463
00:54:23,450 --> 00:54:21,359

we're like still not I mean this

1464

00:54:26,750 --> 00:54:23,460

progress progress but we haven't as far

1465

00:54:28,609 --> 00:54:26,760

as I know gotten in the door and his his

1466

00:54:31,250 --> 00:54:28,619

advice at the time was like

1467

00:54:33,650 --> 00:54:31,260

speak to your your State Attorney

1468

00:54:35,210 --> 00:54:33,660

General something like that which

1469

00:54:37,130 --> 00:54:35,220

yeah that's not good that's not going to

1470

00:54:39,589 --> 00:54:37,140

be enough I don't know and if what if we

1471

00:54:41,390 --> 00:54:39,599

do what if it gets into the courts what

1472

00:54:43,190 --> 00:54:41,400

if it gets in front of a court where the

1473

00:54:45,049 --> 00:54:43,200

government's like

1474

00:54:46,670 --> 00:54:45,059

certain Congressional members like we

1475

00:54:48,049 --> 00:54:46,680

need to get access to these programs or

1476

00:54:50,150 --> 00:54:48,059

not there's no oversight and then the

1477

00:54:53,089 --> 00:54:50,160

dod comes back and says National

1478

00:54:54,410 --> 00:54:53,099

Security and the judge okay because

1479

00:54:56,210 --> 00:54:54,420

that's what happened when people wanted

1480

00:54:58,910 --> 00:54:56,220

to sue Area 51 when they had health

1481

00:55:01,609 --> 00:54:58,920

issues during the Clinton administration

1482

00:55:03,470 --> 00:55:01,619

the judge ruled National Security sorry

1483

00:55:04,870 --> 00:55:03,480

that's what their argument was and I'm

1484

00:55:07,370 --> 00:55:04,880

going to go along with it

1485

00:55:09,290 --> 00:55:07,380

wow we'll never get if that happens

1486

00:55:11,329 --> 00:55:09,300

we'll never find we'll never get we'll

1487

00:55:13,309 --> 00:55:11,339

never get in the door at least you know

1488

00:55:14,930 --> 00:55:13,319

us in Congress will

1489

00:55:17,390 --> 00:55:14,940

you know one of these beings just gonna

1490

00:55:19,069 --> 00:55:17,400

like take charge and say like we're

1491

00:55:20,930 --> 00:55:19,079

gonna do our own thing and show

1492

00:55:22,210 --> 00:55:20,940

ourselves to everybody screw these

1493

00:55:24,710 --> 00:55:22,220

Gatekeepers

1494

00:55:26,210 --> 00:55:24,720

but but if if there's something negative

1495

00:55:28,190 --> 00:55:26,220

going on where they're just using us

1496

00:55:30,589 --> 00:55:28,200

maybe not really negative just matter of

1497

00:55:33,109 --> 00:55:30,599

fact hey we use we're using humans like

1498

00:55:34,730 --> 00:55:33,119

a soul Beach or something yeah something

1499

00:55:36,230 --> 00:55:34,740

whatever in whatever ways if we're

1500

00:55:38,390 --> 00:55:36,240

getting used why would why would they

1501
00:55:40,130 --> 00:55:38,400
want to break the secrecy because right

1502
00:55:42,230 --> 00:55:40,140
no they want to keep doing what benefit

1503
00:55:43,730 --> 00:55:42,240
all right I don't know if that you can't

1504
00:55:45,150 --> 00:55:43,740
do anything about it and it's just

1505
00:55:47,770 --> 00:55:45,160
negative like

1506
00:55:50,450 --> 00:55:47,780
[Music]

1507
00:55:52,190 --> 00:55:50,460
why would you say something yeah and why

1508
00:55:53,750 --> 00:55:52,200
would why would any of these beings want

1509
00:55:55,609 --> 00:55:53,760
to come forward and say here we are

1510
00:55:56,870 --> 00:55:55,619
we're like no I don't want to ruin their

1511
00:55:58,370 --> 00:55:56,880
gig and I don't

1512
00:56:00,349 --> 00:55:58,380
let people know I don't know what's

1513
00:56:02,870 --> 00:56:00,359

going on I have theories I do not know

1514

00:56:06,710 --> 00:56:02,880

what's going on I don't I don't yeah

1515

00:56:08,990 --> 00:56:06,720

I'll remember the speculation Banner of

1516

00:56:11,109 --> 00:56:09,000

I'll be putting that up over the screen

1517

00:56:13,089 --> 00:56:11,119

the whole show

1518

00:56:15,710 --> 00:56:13,099

speculating

1519

00:56:17,990 --> 00:56:15,720

all right Joe I think uh this is pretty

1520

00:56:19,670 --> 00:56:18,000

good thanks for doing this uh yeah no

1521

00:56:20,930 --> 00:56:19,680

problem good conversation with you I

1522

00:56:23,089 --> 00:56:20,940

love speculating with you because I

1523

00:56:25,970 --> 00:56:23,099

don't get to do that very often so I

1524

00:56:27,890 --> 00:56:25,980

love to speculate so thanks for doing
