

1
00:00:13,920 --> 00:00:17,800
foreign

2
00:00:17,810 --> 00:00:27,970
[Music]

3
00:00:35,810 --> 00:00:31,970
for today's episode of what the heck is

4
00:00:39,530 --> 00:00:35,820
that we're gonna go above

5
00:00:44,150 --> 00:00:39,540
and Beyond that's right not only above

6
00:00:48,650 --> 00:00:47,090
what we're first going to do is look at

7
00:00:52,549 --> 00:00:48,660
some

8
00:00:55,850 --> 00:00:52,559
Flair videos well

9
00:00:58,610 --> 00:00:55,860
we're told they're flares are they

10
00:01:02,209 --> 00:00:59,990
possibly

11
00:01:05,210 --> 00:01:02,219
probably

12
00:01:05,220 --> 00:01:08,030
regardless

13
00:01:12,649 --> 00:01:10,010

with all the talk of flares I thought I

14

00:01:14,990 --> 00:01:12,659

would go back and look at

15

00:01:18,230 --> 00:01:15,000

a couple interesting cases that are

16

00:01:21,410 --> 00:01:18,240

somewhat recent of flares

17

00:01:24,890 --> 00:01:21,420

the first of which goes back to June of

18

00:01:28,130 --> 00:01:24,900

last year in San Diego

19

00:01:30,830 --> 00:01:28,140

you'll probably remember on Twitter and

20

00:01:32,090 --> 00:01:30,840

what quite viral

21

00:01:35,630 --> 00:01:32,100

some

22

00:01:40,429 --> 00:01:35,640

Amber lights in the sky seemingly over

23

00:01:44,090 --> 00:01:42,649

it made the news

24

00:01:46,310 --> 00:01:44,100

of course

25

00:01:48,530 --> 00:01:46,320

because newscasters apparently aren't

26
00:01:53,270 --> 00:01:48,540
familiar with what are to be flares

27
00:01:57,530 --> 00:01:55,130
and at first it was reported that nobody

28
00:01:59,510 --> 00:01:57,540
knew what they were but then the San

29
00:02:02,030 --> 00:01:59,520
Diego Police Department

30
00:02:04,969 --> 00:02:02,040
thankfully spoke to

31
00:02:09,529 --> 00:02:04,979
a lifeguard

32
00:02:12,229 --> 00:02:09,539
who told them they were military flares

33
00:02:14,690 --> 00:02:12,239
the news reached out to some military

34
00:02:16,970 --> 00:02:14,700
authorities around the area including

35
00:02:19,010 --> 00:02:16,980
Camp Pendleton

36
00:02:20,869 --> 00:02:19,020
and they had no idea what the lights

37
00:02:23,089 --> 00:02:20,879
were

38
00:02:25,190 --> 00:02:23,099

but a lifeguard told the San Diego

39

00:02:27,530 --> 00:02:25,200

Police Department that they were flares

40

00:02:30,110 --> 00:02:27,540

that they were military flares so

41

00:02:31,430 --> 00:02:30,120

the news are in with that story that it

42

00:02:33,710 --> 00:02:31,440

was all set in stone that they were

43

00:02:35,690 --> 00:02:33,720

flares and by God maybe they are but

44

00:02:40,490 --> 00:02:35,700

still we're taking a lifeguard's word

45

00:02:46,790 --> 00:02:43,550

people reported that these flares

46

00:02:49,250 --> 00:02:46,800

uh were in this guy's stationary for

47

00:02:51,710 --> 00:02:49,260

uh an hour one person reported another

48

00:02:54,949 --> 00:02:51,720

person about half an hour

49

00:03:00,830 --> 00:02:54,959

which are all times that are above the

50

00:03:07,250 --> 00:03:05,089

as chat GPT and it actually said

51
00:03:09,710 --> 00:03:07,260
it depends

52
00:03:11,630 --> 00:03:09,720
on what kind of flare so apparently

53
00:03:14,330 --> 00:03:11,640
there's different types of flares for

54
00:03:16,729 --> 00:03:14,340
different purposes perhaps that can last

55
00:03:19,250 --> 00:03:16,739
upwards of 15 minutes

56
00:03:21,589 --> 00:03:19,260
and it also made the point that we may

57
00:03:24,890 --> 00:03:21,599
not possibly know all the technologies

58
00:03:27,649 --> 00:03:24,900
that are out there for this stuff

59
00:03:32,290 --> 00:03:27,659
so it's possible maybe they do or can

60
00:03:38,809 --> 00:03:34,490
but it's interesting that we get this

61
00:03:41,210 --> 00:03:38,819
testimony and then we get kind of a half

62
00:03:44,330 --> 00:03:41,220
admission from the military

63
00:03:46,070 --> 00:03:44,340

in June of 22 that there were flares why

64

00:03:49,130 --> 00:03:46,080

were they over the city why do they not

65

00:03:51,470 --> 00:03:49,140

have to answer for shooting flares over

66

00:03:54,229 --> 00:03:51,480

the city it looked like it was over the

67

00:03:58,850 --> 00:03:55,789

so anyways that would be that there

68

00:04:02,030 --> 00:03:58,860

would be no more follow-up or or stories

69

00:04:08,509 --> 00:04:04,910

and San Diego would go back to its

70

00:04:11,570 --> 00:04:10,009

until

71

00:04:14,750 --> 00:04:11,580

that's right

72

00:04:17,650 --> 00:04:14,760

it happened again in September

73

00:04:20,930 --> 00:04:17,660

it was 2022 this time over the ocean

74

00:04:25,490 --> 00:04:20,940

seemingly hovering

75

00:04:33,230 --> 00:04:28,550

very interesting formations were had

76

00:04:33,240 --> 00:04:37,370

and this time

77

00:04:41,870 --> 00:04:39,409

there was no answer

78

00:04:45,170 --> 00:04:41,880

not from the military not even a

79

00:04:53,390 --> 00:04:48,890

there's a nice ocean shot of the flares

80

00:04:56,990 --> 00:04:55,490

it's dark out in the water so who knows

81

00:04:58,490 --> 00:04:57,000

but you know you don't see any ships

82

00:05:00,050 --> 00:04:58,500

around it or anything

83

00:05:01,730 --> 00:05:00,060

and there it they look like they're

84

00:05:04,129 --> 00:05:01,740

right above the water

85

00:05:05,689 --> 00:05:04,139

so I don't know again

86

00:05:07,730 --> 00:05:05,699

I'm not saying they're not flares I'm

87

00:05:10,370 --> 00:05:07,740

not gonna go against the grain on this

88

00:05:12,830 --> 00:05:10,380

because I don't have the you know the

89

00:05:15,350 --> 00:05:12,840

education or whatever

90

00:05:17,150 --> 00:05:15,360

to to go against the grain

91

00:05:18,770 --> 00:05:17,160

it's still an interesting story at the

92

00:05:21,290 --> 00:05:18,780

very least regarding how this situation

93

00:05:26,230 --> 00:05:21,300

is handled I mean you have this going

94

00:05:31,010 --> 00:05:28,490

and it's reported that they're

95

00:05:33,890 --> 00:05:31,020

unidentified objects that it goes viral

96

00:05:36,409 --> 00:05:33,900

everyone in the city is taking videos

97

00:05:37,730 --> 00:05:36,419

the news reports it's unidentified and

98

00:05:39,890 --> 00:05:37,740

then the San Diego Police Department

99

00:05:41,510 --> 00:05:39,900

reports that they're flares because they

100

00:05:45,770 --> 00:05:41,520

heard from a lifeguard that they were

101
00:05:48,110 --> 00:05:45,780
military flares that makes no sense

102
00:05:49,790 --> 00:05:48,120
but whatever

103
00:05:52,730 --> 00:05:49,800
it's not about the process right it's

104
00:05:54,830 --> 00:05:52,740
about what the objects actually are and

105
00:05:58,909 --> 00:05:54,840
they're gone it they look like flares

106
00:06:04,730 --> 00:06:01,310
and after all that commotion

107
00:06:10,010 --> 00:06:04,740
that the city went through but also

108
00:06:17,749 --> 00:06:13,790
it happens again September 2022.

109
00:06:23,330 --> 00:06:20,510
no military comment no lifeguard no

110
00:06:25,490 --> 00:06:23,340
Police Department nothing but more

111
00:06:30,050 --> 00:06:25,500
videos

112
00:06:38,629 --> 00:06:32,809
in fact I think most people

113
00:06:44,210 --> 00:06:40,850

so we're going to look at

114

00:06:51,230 --> 00:06:44,220

both of those incidents in what the heck

115

00:06:58,309 --> 00:06:54,110

what seems to be almost the same exact

116

00:07:01,070 --> 00:06:58,319

incident Over Las Vegas Nevada just as

117

00:07:07,010 --> 00:07:04,010

and it's not even June by the way

118

00:07:10,129 --> 00:07:07,020

I think it was in April

119

00:07:10,969 --> 00:07:10,139

and the objects flares whatever you call

120

00:07:13,550 --> 00:07:10,979

them

121

00:07:16,309 --> 00:07:13,560

look exactly the same as the San Diego

122

00:07:22,010 --> 00:07:20,270

so again and there is no word Nellis Air

123

00:07:24,850 --> 00:07:22,020

Force Base apparently said that they had

124

00:07:28,370 --> 00:07:24,860

no idea what they were

125

00:07:29,990 --> 00:07:28,380

I should mention that but here we again

126
00:07:32,749 --> 00:07:30,000
have these

127
00:07:35,210 --> 00:07:32,759
looks to be over a city

128
00:07:37,370 --> 00:07:35,220
Maybe not maybe it looks

129
00:07:39,050 --> 00:07:37,380
like it is but it's farther away quite

130
00:07:41,150 --> 00:07:39,060
possible but it looks like it's over the

131
00:07:43,249 --> 00:07:41,160
city to people taking videos of this it

132
00:07:45,170 --> 00:07:43,259
looks like it's over the city I'm sure

133
00:07:47,809 --> 00:07:45,180
some people were like it's over the city

134
00:07:50,749 --> 00:07:47,819
a UFO

135
00:07:54,050 --> 00:07:50,759
and Las Vegas did not learn from how San

136
00:07:55,850 --> 00:07:54,060
Diego fumbled the ball

137
00:07:57,650 --> 00:07:55,860
because there's no pushback there's no

138
00:07:59,629 --> 00:07:57,660

follow-up reports from the news media

139

00:08:02,089 --> 00:07:59,639

and here it happens again in Las Vegas

140

00:08:04,430 --> 00:08:02,099

and I know it's at this same type of

141

00:08:06,890 --> 00:08:04,440

thing it's happened before in in other

142

00:08:08,629 --> 00:08:06,900

areas but these are recent so I figured

143

00:08:12,710 --> 00:08:08,639

I'd highlight those so we're also going

144

00:08:18,830 --> 00:08:14,210

and you're gonna hear that the person

145

00:08:24,290 --> 00:08:20,990

you know so a lot of people look at

146

00:08:26,450 --> 00:08:24,300

these and think they were UFOs in the

147

00:08:30,650 --> 00:08:26,460

psychology of it is very interesting

148

00:08:34,310 --> 00:08:30,660

whether they are UFOs or not

149

00:08:36,290 --> 00:08:34,320

needs to be answered for sure

150

00:08:40,190 --> 00:08:36,300

you know to really see how interesting

151
00:08:43,670 --> 00:08:42,170
now let's say they are flares all these

152
00:08:45,170 --> 00:08:43,680
people thought they were UFOs this guy

153
00:08:48,650 --> 00:08:45,180
was generally shocked so what does that

154
00:08:54,050 --> 00:08:50,930
at the very least it means that if the

155
00:08:56,210 --> 00:08:54,060
military is going to shoot off flares in

156
00:08:58,790 --> 00:08:56,220
a populated area for everyone to see

157
00:09:01,509 --> 00:08:58,800
they should probably say something

158
00:09:04,610 --> 00:09:01,519
and stop letting people waste their time

159
00:09:06,410 --> 00:09:04,620
watching videos and wondering about what

160
00:09:08,990 --> 00:09:06,420
they are

161
00:09:11,449 --> 00:09:09,000
that is irresponsible

162
00:09:17,389 --> 00:09:11,459
and here we go again with Mr Jeremy

163
00:09:25,130 --> 00:09:20,570

Susan GAO DOD has said she knows nothing

164

00:09:33,889 --> 00:09:27,190

we have testimony from the Marines

165

00:09:39,769 --> 00:09:36,829

Mick West match the flares up

166

00:09:40,970 --> 00:09:39,779

with the pattern of Jimmy corbell's

167

00:09:45,170 --> 00:09:40,980

release

168

00:09:57,949 --> 00:09:48,410

seems like flares but what the hell the

169

00:10:02,750 --> 00:10:00,230

so we have no one

170

00:10:05,269 --> 00:10:02,760

from Camp Wilson or over there that

171

00:10:07,370 --> 00:10:05,279

knows what happened if there were flares

172

00:10:09,889 --> 00:10:07,380

if they weren't flares what's going on

173

00:10:11,630 --> 00:10:09,899

if there was 50 people watching it I'm

174

00:10:14,509 --> 00:10:11,640

sure the higher ups there know about it

175

00:10:16,490 --> 00:10:14,519

so you know again the public really is

176

00:10:19,130 --> 00:10:16,500

just left in the dark but why leave the

177

00:10:21,769 --> 00:10:19,140

public in the dark about flares about

178

00:10:23,509 --> 00:10:21,779

simple flares why would you leave the

179

00:10:26,389 --> 00:10:23,519

public in the dark why would there not

180

00:10:29,150 --> 00:10:26,399

be a statement from Camp Wilson saying

181

00:10:32,690 --> 00:10:29,160

yes those are flares

182

00:10:34,790 --> 00:10:32,700

if 50 people witnessed it somebody there

183

00:10:37,970 --> 00:10:34,800

knows what it was

184

00:10:41,509 --> 00:10:37,980

and we're not told officially by an

185

00:10:43,910 --> 00:10:41,519

authority from that base why

186

00:10:48,470 --> 00:10:43,920

why do they not respond or say anything

187

00:10:52,970 --> 00:10:50,930

to me ever

188

00:10:56,030 --> 00:10:52,980

sure maybe they told the Lifeguard maybe

189

00:11:00,110 --> 00:10:56,040

they didn't I don't know

190

00:11:04,190 --> 00:11:02,509

and again in September nothing Las Vegas

191

00:11:06,530 --> 00:11:04,200

nothing

192

00:11:08,690 --> 00:11:06,540

so what's going on what's up with the

193

00:11:11,509 --> 00:11:08,700

flares

194

00:11:13,910 --> 00:11:11,519

so after we look at those videos

195

00:11:16,730 --> 00:11:13,920

I did find some

196

00:11:19,550 --> 00:11:16,740

more exciting things to look at

197

00:11:21,710 --> 00:11:19,560

than stationary objects in this guy

198

00:11:23,750 --> 00:11:21,720

and we're gonna get after that I think

199

00:11:26,870 --> 00:11:23,760

the videos

200

00:11:28,670 --> 00:11:26,880

the duration of of our what the heck is

201
00:11:30,590 --> 00:11:28,680
that it's just unbelievable today I

202
00:11:32,930 --> 00:11:30,600
think it might even hit 17 minutes I'm

203
00:11:36,590 --> 00:11:32,940
not sure so settle in

204
00:11:42,530 --> 00:11:38,930
let's watch these videos

205
00:11:42,540 --> 00:11:53,830
what

206
00:11:57,910 --> 00:11:55,910
[Music]

207
00:12:10,930 --> 00:11:57,920
uh

208
00:12:17,710 --> 00:12:14,190
bright orange lights

209
00:12:17,720 --> 00:12:21,860
who knows the bottom left

210
00:12:21,870 --> 00:12:42,250
[Music]

211
00:13:00,710 --> 00:12:45,170
thank you

212
00:13:05,290 --> 00:13:03,170
okay that's weird now they're really

213
00:13:07,490 --> 00:13:05,300

close together

214

00:13:11,690 --> 00:13:07,500

whatever it is they sure don't care

215

00:13:11,700 --> 00:13:22,069

the links

216

00:13:59,769 --> 00:13:24,210

foreign

217

00:13:59,779 --> 00:14:05,750

thank you

218

00:14:05,760 --> 00:14:43,449

[Music]

219

00:14:53,190 --> 00:14:45,710

thank you

220

00:15:38,269 --> 00:15:24,100

[Music]

221

00:15:38,279 --> 00:15:42,210

foreign

222

00:15:42,220 --> 00:15:46,380

[Applause]

223

00:16:38,350 --> 00:15:58,189

[Music]

224

00:16:44,870 --> 00:16:39,670

thank you

225

00:17:06,370 --> 00:16:44,880

[Music]

226

00:17:10,669 --> 00:17:08,990

so it was a couple lights and then it

227

00:17:13,189 --> 00:17:10,679

split and then a whole bunch showed up

228

00:17:16,490 --> 00:17:13,199

and then one just disappeared

229

00:17:20,390 --> 00:17:16,500

and that one disappeared

230

00:17:24,710 --> 00:17:23,090

so this video just came in actually I

231

00:17:27,590 --> 00:17:24,720

was talking with a friend of mine who

232

00:17:30,230 --> 00:17:27,600

lives out in Las Vegas and in real time

233

00:17:33,110 --> 00:17:30,240

he started commenting on somebody seeing

234

00:17:35,990 --> 00:17:33,120

this guy trying to describe it to me he

235

00:17:37,510 --> 00:17:36,000

paused our conversation and he captured

236

00:17:41,350 --> 00:17:37,520

this video

237

00:17:44,990 --> 00:17:41,360

uh appears to be strange

238

00:17:47,630 --> 00:17:45,000

Amber like colored dots that appear and

239

00:17:51,169 --> 00:17:47,640

repair in the sky he said they did not

240

00:17:53,690 --> 00:17:51,179

appear to be like standard light bulbs

241

00:17:57,529 --> 00:17:53,700

um they had more of a fire

242

00:17:59,750 --> 00:17:57,539

or a heated look to them with fire

243

00:18:03,950 --> 00:17:59,760

yeah rather than airplane it hasn't

244

00:18:07,370 --> 00:18:03,960

LED or mercury vapor type light

245

00:18:11,330 --> 00:18:07,380

bulbs in appearance anyways and you

246

00:18:21,950 --> 00:18:11,340

don't see any green lights really

247

00:18:21,960 --> 00:18:28,070

esign

248

00:18:28,080 --> 00:18:39,110

I don't know

249

00:18:39,120 --> 00:18:46,560

foreign

250

00:18:46,570 --> 00:19:37,730

[Music]

251
00:20:08,460 --> 00:19:40,669
is

252
00:20:08,470 --> 00:20:21,650
[Music]

253
00:20:21,660 --> 00:20:25,730
attacks

254
00:20:25,740 --> 00:20:47,590
yes

255
00:20:47,600 --> 00:20:58,730
it is a four or four

256
00:20:58,740 --> 00:21:36,970
foreign

257
00:21:39,620 --> 00:21:38,810
maybe there

258
00:21:52,030 --> 00:21:39,630
is

259
00:21:52,040 --> 00:22:06,590
[Music]

260
00:22:11,210 --> 00:22:09,110
we often hear these days that the Tic

261
00:22:16,430 --> 00:22:11,220
Tac case with David fraver Alex Dietrich

262
00:22:19,610 --> 00:22:16,440
and others of the early 2000s was or is

263
00:22:21,830 --> 00:22:19,620

the best UAP case in all of history

264

00:22:23,870 --> 00:22:21,840

if you take the experience of the pilots

265

00:22:25,250 --> 00:22:23,880

and

266

00:22:27,289 --> 00:22:25,260

um the

267

00:22:28,549 --> 00:22:27,299

you know their witness accounts and what

268

00:22:32,029 --> 00:22:28,559

the object did

269

00:22:35,810 --> 00:22:32,039

it's very breathtaking and you get taken

270

00:22:38,750 --> 00:22:35,820

aback quite a bit it's a phenomenal case

271

00:22:41,750 --> 00:22:38,760

but there are very good cases that have

272

00:22:44,029 --> 00:22:41,760

come across uh the desk of the Air Force

273

00:22:46,730 --> 00:22:44,039

in the military before

274

00:22:49,070 --> 00:22:46,740

some military some commercial pilots all

275

00:22:51,890 --> 00:22:49,080

sorts of different cases

276

00:22:52,850 --> 00:22:51,900

but this newspaper clipping is going to

277

00:22:59,510 --> 00:22:52,860

be

278

00:23:03,350 --> 00:23:02,450

it's a perfect example that shows how

279

00:23:05,330 --> 00:23:03,360

long

280

00:23:09,289 --> 00:23:05,340

not only UFO sightings have been going

281

00:23:12,890 --> 00:23:09,299

on but harrowing UFO sightings

282

00:23:15,470 --> 00:23:12,900

where people were left like scared

283

00:23:17,810 --> 00:23:15,480

afraid frightened

284

00:23:20,210 --> 00:23:17,820

and they were sure of what they saw and

285

00:23:23,750 --> 00:23:20,220

this is an example let's take a look

286

00:23:29,210 --> 00:23:23,760

veteran flyer visibly shaken

287

00:23:34,430 --> 00:23:31,490

Honolulu Ubi

288

00:23:36,710 --> 00:23:34,440

a Pan-American Airways pilot reported

289

00:23:39,470 --> 00:23:36,720

that a mysterious object approached his

290

00:23:40,789 --> 00:23:39,480

airliner at inconceivable speed early

291

00:23:44,270 --> 00:23:40,799

yesterday

292

00:23:48,890 --> 00:23:47,510

for other trans-pacific airliner Pilots

293

00:23:52,490 --> 00:23:48,900

reported

294

00:23:54,590 --> 00:23:52,500

citing unidentified objects as well

295

00:23:58,250 --> 00:23:54,600

the pilot who made the first report was

296

00:24:02,330 --> 00:23:58,260

Captain George Wilson 43 years old

297

00:24:05,270 --> 00:24:02,340

of Seattle Washington a 19-year flying

298

00:24:07,909 --> 00:24:05,280

veteran 19 years ago

299

00:24:13,010 --> 00:24:07,919

he was flying a dc-7c from San Francisco

300

00:24:15,409 --> 00:24:13,020

to Honolulu one at 302 am

301
00:24:17,990 --> 00:24:15,419
such a weird time

302
00:24:21,289 --> 00:24:18,000
Hawaii time

303
00:24:24,010 --> 00:24:21,299
8 A.M Central Time

304
00:24:27,770 --> 00:24:24,020
one intensely bright white light

305
00:24:31,190 --> 00:24:27,780
followed by four smaller lights

306
00:24:32,810 --> 00:24:31,200
was seen about 1 000 miles east of

307
00:24:35,750 --> 00:24:32,820
Honolulu

308
00:24:38,390 --> 00:24:35,760
in Clear Skies he said

309
00:24:39,950 --> 00:24:38,400
we were cruising at 20 000 feet with low

310
00:24:42,230 --> 00:24:39,960
clouds

311
00:24:44,450 --> 00:24:42,240
deck below us when the object first

312
00:24:45,570 --> 00:24:44,460
appeared about a thousand feet above us

313
00:24:47,330 --> 00:24:45,580

and to our left

314

00:24:49,789 --> 00:24:47,340

[Music]

315

00:24:53,330 --> 00:24:49,799

I co-pilot

316

00:24:57,110 --> 00:24:53,340

Richard Lorenzen of Los Altos California

317

00:24:58,890 --> 00:24:57,120

and flight engineer Robert Scott

318

00:25:01,669 --> 00:24:58,900

stared open mouth

319

00:25:04,430 --> 00:25:01,679

[Music]

320

00:25:05,910 --> 00:25:04,440

as The Light Came towards us at an

321

00:25:10,390 --> 00:25:05,920

extremely high rate of speed

322

00:25:13,190 --> 00:25:10,400

[Music]

323

00:25:14,570 --> 00:25:13,200

for at least 10 seconds it maintained

324

00:25:18,289 --> 00:25:14,580

its course

325

00:25:20,930 --> 00:25:18,299

which was on an opposite heading to us

326

00:25:24,049 --> 00:25:20,940

and had it been another aircraft

327

00:25:27,409 --> 00:25:24,059

it would have passed well to our left

328

00:25:28,970 --> 00:25:27,419

suddenly the object made a sharp

329

00:25:31,490 --> 00:25:28,980

right turn

330

00:25:32,810 --> 00:25:31,500

at a speed inconceivable of any vehicle

331

00:25:36,840 --> 00:25:32,820

we know of

332

00:25:38,330 --> 00:25:36,850

and the light suddenly disappeared

333

00:25:40,370 --> 00:25:38,340

[Music]

334

00:25:42,350 --> 00:25:40,380

the smaller lights were evenly spaced

335

00:25:44,930 --> 00:25:42,360

and were either part of a mysterious

336

00:25:47,450 --> 00:25:44,940

object or this was an example of a darn

337

00:25:50,510 --> 00:25:47,460

good formation flying

338

00:25:53,630 --> 00:25:50,520

Wilson visibly shaken said he had never

339

00:25:55,850 --> 00:25:53,640

seen anything like that in his 19 years

340

00:25:58,789 --> 00:25:55,860

of flying

341

00:26:01,070 --> 00:25:58,799

he added that he had never believed such

342

00:26:02,990 --> 00:26:01,080

foreign objects existed

343

00:26:05,149 --> 00:26:03,000

I'm a Believer now

344

00:26:07,370 --> 00:26:05,159

he said

345

00:26:09,470 --> 00:26:07,380

four other honolulu-bound airliner

346

00:26:12,110 --> 00:26:09,480

Pilots made similar reports at

347

00:26:13,549 --> 00:26:12,120

approximately the same time let me tell

348

00:26:15,590 --> 00:26:13,559

you this it's just got done going

349

00:26:19,010 --> 00:26:15,600

through a flap of commercial airliner

350

00:26:22,610 --> 00:26:19,020

Pilots seeing these crazy lights

351
00:26:24,350 --> 00:26:22,620
one even on the way to Honolulu

352
00:26:26,330 --> 00:26:24,360
in the Pacific

353
00:26:28,130 --> 00:26:26,340
we've seen and heard of so many

354
00:26:30,169 --> 00:26:28,140
sightings in the Pacific I mean it's a

355
00:26:32,510 --> 00:26:30,179
given at this point and you read things

356
00:26:34,190 --> 00:26:32,520
like this with a right angle turn speeds

357
00:26:36,830 --> 00:26:34,200
tremendous

358
00:26:38,450 --> 00:26:36,840
I mean come on

359
00:26:40,370 --> 00:26:38,460
what kind of information do you need

360
00:26:42,350 --> 00:26:40,380
that this sort of thing has been going

361
00:26:44,810 --> 00:26:42,360
on for a long time this pilot this guy

362
00:26:46,730 --> 00:26:44,820
was a pilot for 19 freaking years man

363
00:26:48,830 --> 00:26:46,740

and said he's never seen anything like

364

00:26:51,409 --> 00:26:48,840

that and he said it made a right angle

365

00:26:56,450 --> 00:26:54,409

and he was scared he was afraid

366

00:26:58,430 --> 00:26:56,460

a 19-year pilot

367

00:27:01,730 --> 00:26:58,440

what would he have to gain

368

00:27:04,730 --> 00:27:01,740

in making that up to go to the paper and

369

00:27:08,090 --> 00:27:04,740

potentially destroy your 19-year

370

00:27:15,529 --> 00:27:11,990

why would you do that it makes no sense

371

00:27:17,990 --> 00:27:15,539

you know this guy obviously saw this

372

00:27:19,250 --> 00:27:18,000

thing do what he says and he believes it

373

00:27:20,810 --> 00:27:19,260

and we should believe him

374

00:27:22,669 --> 00:27:20,820

[Music]

375

00:27:25,430 --> 00:27:22,679

these things are not new

376

00:27:29,090 --> 00:27:25,440

this next newspaper account again comes

377

00:27:31,669 --> 00:27:29,100

from the 50s and although I don't really

378

00:27:33,169 --> 00:27:31,679

like Anonymous sources right and and why

379

00:27:34,450 --> 00:27:33,179

would you you want the source to go on

380

00:27:37,730 --> 00:27:34,460

record because you want more information

381

00:27:40,010 --> 00:27:37,740

makes sense but this is from the 50s and

382

00:27:42,350 --> 00:27:40,020

it's in the newspaper and so I'm sharing

383

00:27:45,350 --> 00:27:42,360

it and reading it because

384

00:27:48,830 --> 00:27:45,360

it's just so intriguing that Anonymous

385

00:27:50,450 --> 00:27:48,840

Air Force pilot or Jet Pilot would tell

386

00:27:52,970 --> 00:27:50,460

a newspaper this

387

00:27:55,490 --> 00:27:52,980

and want his name to be admitted because

388

00:27:58,070 --> 00:27:55,500

he's basically saying that Pilots see

389

00:28:00,230 --> 00:27:58,080

these things at around 45

390

00:28:03,169 --> 00:28:00,240

000 feet all the time

391

00:28:06,409 --> 00:28:03,179

Jet Pilot reports

392

00:28:08,570 --> 00:28:06,419

a talk with an Air Force Jet Pilot it is

393

00:28:12,169 --> 00:28:08,580

Air Force who asked that his name be

394

00:28:14,210 --> 00:28:12,179

omitted revealed that at altitudes of 25

395

00:28:16,610 --> 00:28:14,220

000 feet or more most jet Pilots see

396

00:28:19,250 --> 00:28:16,620

objects in the stratosphere that don't

397

00:28:22,310 --> 00:28:19,260

seem to have Earthly

398

00:28:26,930 --> 00:28:24,950

he said flying a jet plane at forty

399

00:28:28,730 --> 00:28:26,940

thousand feet faster than 600 miles an

400

00:28:31,250 --> 00:28:28,740

hour on several occasions I've had

401
00:28:33,049 --> 00:28:31,260
luminous objects past my plane as if it

402
00:28:37,010 --> 00:28:33,059
were standing still

403
00:28:41,390 --> 00:28:39,350
his way of describing these objects made

404
00:28:44,269 --> 00:28:41,400
sense suppose you were able to walk

405
00:28:44,990 --> 00:28:44,279
around on the bottom of the ocean

406
00:28:47,570 --> 00:28:45,000
um

407
00:28:49,870 --> 00:28:47,580
say about three miles down

408
00:28:52,210 --> 00:28:49,880
what kind of creatures have

409
00:28:54,890 --> 00:28:52,220
oceanographers brought up from the deep

410
00:28:57,950 --> 00:28:54,900
luminous transparent fish with big

411
00:28:59,810 --> 00:28:57,960
cobular eyes and long thin bodies well I

412
00:29:03,169 --> 00:28:59,820
think when a human being gets so high in

413
00:29:05,330 --> 00:29:03,179

the sky the same conditions prevail

414

00:29:08,390 --> 00:29:05,340

solids become transparent

415

00:29:12,909 --> 00:29:08,400

I don't know how but that's how they

416

00:29:17,750 --> 00:29:15,529

then I don't know why this story does

417

00:29:21,049 --> 00:29:17,760

this because it's so weird they talk to

418

00:29:24,110 --> 00:29:21,059

a random person along the Waterfront for

419

00:29:26,269 --> 00:29:24,120

opinion a man along the Waterfront gave

420

00:29:28,190 --> 00:29:26,279

his theory of recent reports these past

421

00:29:31,130 --> 00:29:28,200

two weeks of flying objects in the skies

422

00:29:33,289 --> 00:29:31,140

at night this local Waterfront character

423

00:29:35,330 --> 00:29:33,299

said it's the Russians

424

00:29:37,370 --> 00:29:35,340

they're getting ready to drop atomic

425

00:29:39,649 --> 00:29:37,380

bombs on us didn't you read where the

426

00:29:41,389 --> 00:29:39,659

FBI revealed that Stalin had decided the

427

00:29:43,250 --> 00:29:41,399

only way to beat the United States was

428

00:29:45,769 --> 00:29:43,260

by force

429

00:29:48,350 --> 00:29:45,779

heck those Russians are smart give them

430

00:29:50,630 --> 00:29:48,360

credit for some brains they got know-how

431

00:29:53,149 --> 00:29:50,640

from a lot of German scientists about

432

00:29:54,950 --> 00:29:53,159

how to send bombs thousands of miles

433

00:29:57,470 --> 00:29:54,960

away

434

00:29:59,630 --> 00:29:57,480

the United States got those scientists

435

00:30:01,730 --> 00:29:59,640

as well the Air Force intelligence

436

00:30:03,830 --> 00:30:01,740

service also has a theory they have made

437

00:30:05,810 --> 00:30:03,840

public that most of the flying objects

438

00:30:07,190 --> 00:30:05,820

seen recently in this guy are natural

439

00:30:08,870 --> 00:30:07,200

phenomena

440

00:30:10,250 --> 00:30:08,880

caused by clearer than average

441

00:30:13,130 --> 00:30:10,260

atmosphere

442

00:30:14,930 --> 00:30:13,140

that makes four different theories on

443

00:30:17,500 --> 00:30:14,940

flying saucers

444

00:30:19,850 --> 00:30:17,510

and it makes so much sense

445

00:30:22,370 --> 00:30:19,860

[Music]

446

00:30:25,010 --> 00:30:22,380

you know and it reminds me of how I

447

00:30:27,110 --> 00:30:25,020

enjoy hearing things

448

00:30:30,470 --> 00:30:27,120

I don't want to say Solutions but

449

00:30:32,870 --> 00:30:30,480

theories it's speculation or ideas or

450

00:30:35,990 --> 00:30:32,880

you know descriptions of these things

451
00:30:38,450 --> 00:30:36,000
that aren't always like classic flying

452
00:30:41,450 --> 00:30:38,460
saucers you know

453
00:30:43,789 --> 00:30:41,460
in Gray aliens because what I saw was

454
00:30:45,169 --> 00:30:43,799
neither of those it's not to say it

455
00:30:47,289 --> 00:30:45,179
isn't because I don't know what it is

456
00:30:49,669 --> 00:30:47,299
but that's not what I saw

457
00:30:54,470 --> 00:30:49,679
and it was a you know a moving

458
00:30:58,549 --> 00:30:56,110
you know the flag saucer to me

459
00:31:01,690 --> 00:30:58,559
represents the phenomena it doesn't

460
00:31:04,310 --> 00:31:01,700
necessarily mean that

461
00:31:06,289 --> 00:31:04,320
their actual flying saucers are all

462
00:31:09,049 --> 00:31:06,299
everything's all flank saucers you know

463
00:31:11,269 --> 00:31:09,059

it's more of a a symbol for an

464

00:31:13,490 --> 00:31:11,279

unidentified phenomena so I I

465

00:31:17,149 --> 00:31:13,500

appreciated his description because it

466

00:31:19,549 --> 00:31:17,159

it it kind of aligns a little bit of

467

00:31:22,490 --> 00:31:19,559

with what I saw and also some pictures

468

00:31:24,169 --> 00:31:22,500

I've seen you know like where that

469

00:31:26,330 --> 00:31:24,179

description makes sense for that you

470

00:31:30,190 --> 00:31:26,340

know especially like the mystery wire

471

00:31:34,250 --> 00:31:32,810

you know if I'm not lazy I'll edit in

472

00:31:36,289 --> 00:31:34,260

the picture there so you know what I

473

00:31:38,690 --> 00:31:36,299

mean

474

00:31:40,669 --> 00:31:38,700

so good article who knows who this

475

00:31:42,590 --> 00:31:40,679

person is if it's a real pilot or not

476

00:31:43,850 --> 00:31:42,600

you know how am I supposed to know how

477

00:31:45,409 --> 00:31:43,860

would anyone know especially at this

478

00:31:45,470 --> 00:31:45,419

point but

479

00:31:47,510 --> 00:31:45,480

um

480

00:31:48,510 --> 00:31:47,520

[Music]

481

00:31:49,669 --> 00:31:48,520

thinking

482

00:31:51,350 --> 00:31:49,679

[Music]

483

00:31:53,810 --> 00:31:51,360

and I appreciate that

484

00:31:57,169 --> 00:31:53,820

okay so this next story that I want to

485

00:32:00,350 --> 00:31:57,179

tell comes out of Texas where two uh

486

00:32:02,149 --> 00:32:00,360

Sheriff deputies actually saw a UFO

487

00:32:04,490 --> 00:32:02,159

while they were driving down the road

488

00:32:06,049 --> 00:32:04,500

leaving a football game they were hired

489

00:32:07,909 --> 00:32:06,059

to be like extra security at the

490

00:32:09,529 --> 00:32:07,919

football game and they were leaving and

491

00:32:11,389 --> 00:32:09,539

they saw this purple light off the side

492

00:32:13,010 --> 00:32:11,399

of the road and at first it was kind of

493

00:32:14,630 --> 00:32:13,020

far away then it was right over their

494

00:32:16,549 --> 00:32:14,640

car and they got a clear look at it and

495

00:32:18,350 --> 00:32:16,559

they made some drawings

496

00:32:20,810 --> 00:32:18,360

um so it's definitely interesting story

497

00:32:22,250 --> 00:32:20,820

it's a long story there it was

498

00:32:23,810 --> 00:32:22,260

definitely publicized it was in the

499

00:32:25,010 --> 00:32:23,820

newspaper

500

00:32:27,470 --> 00:32:25,020

um and there's some Blue Book photos

501
00:32:29,389 --> 00:32:27,480
I'll show you on it where you don't see

502
00:32:31,549 --> 00:32:29,399
an object but they just like document

503
00:32:35,029 --> 00:32:31,559
where the sighting happened and

504
00:32:37,070 --> 00:32:35,039
there's some people in the pictures so

505
00:32:39,230 --> 00:32:37,080
um definitely interesting but you know

506
00:32:42,289 --> 00:32:39,240
sometimes I hear about

507
00:32:45,350 --> 00:32:42,299
um or people ask about cases where UFOs

508
00:32:47,570 --> 00:32:45,360
have healed people before and you know I

509
00:32:52,610 --> 00:32:49,789
that's not something I'd I'd come across

510
00:32:54,350 --> 00:32:52,620
in Blue Book stuff obviously because I

511
00:32:57,049 --> 00:32:54,360
don't think well they definitely didn't

512
00:33:00,230 --> 00:32:57,059
document anything that really went

513
00:33:01,909 --> 00:33:00,240

beyond a visual observation you know

514

00:33:03,769 --> 00:33:01,919

there were no follow-ups like how you

515

00:33:05,630 --> 00:33:03,779

feeling or you know do you have

516

00:33:07,549 --> 00:33:05,640

headaches or what's going on with you

517

00:33:08,870 --> 00:33:07,559

you know there is nothing like that it

518

00:33:12,409 --> 00:33:08,880

was like okay we'll just see thanks

519

00:33:14,509 --> 00:33:12,419

moving on next you know if anybody hears

520

00:33:16,430 --> 00:33:14,519

about it tell them it was Venus you know

521

00:33:19,730 --> 00:33:16,440

that kind of thing

522

00:33:22,490 --> 00:33:19,740

uh but I came across this case and of

523

00:33:26,269 --> 00:33:22,500

course there's nothing from the Air

524

00:33:27,710 --> 00:33:26,279

Force in the file about a healing

525

00:33:29,389 --> 00:33:27,720

um

526

00:33:33,230 --> 00:33:29,399

but you know in these Blue Book files

527

00:33:35,149 --> 00:33:33,240

they oh they have constant Snippets of

528

00:33:36,769 --> 00:33:35,159

newspaper they had like a newspaper

529

00:33:38,930 --> 00:33:36,779

clipping service where they got all you

530

00:33:41,330 --> 00:33:38,940

know the UFO articles so they collected

531

00:33:43,610 --> 00:33:41,340

those and those were you know are kind

532

00:33:46,549 --> 00:33:43,620

of intermingled with the files if

533

00:33:48,590 --> 00:33:46,559

they're relevant to the case or or the

534

00:33:50,149 --> 00:33:48,600

year or you know something like of that

535

00:33:53,750 --> 00:33:50,159

sort or maybe it wasn't reported

536

00:33:56,509 --> 00:33:53,760

directly to the Air Force you know they

537

00:33:58,370 --> 00:33:56,519

would still have it on record

538

00:34:00,590 --> 00:33:58,380

um they would often get Publications

539

00:34:03,110 --> 00:34:00,600

from saucer organizations

540

00:34:05,509 --> 00:34:03,120

and those are even in there with their

541

00:34:07,070 --> 00:34:05,519

files too so they were documenting a lot

542

00:34:08,869 --> 00:34:07,080

of these cases even though they didn't

543

00:34:11,329 --> 00:34:08,879

investigate a lot of them this one they

544

00:34:13,369 --> 00:34:11,339

actually investigated but the reason I'm

545

00:34:15,169 --> 00:34:13,379

explaining this is because

546

00:34:16,970 --> 00:34:15,179

where I found out about the healing

547

00:34:20,149 --> 00:34:16,980

aspect of this wasn't

548

00:34:23,329 --> 00:34:20,159

from a blue book or Air Force report

549

00:34:26,089 --> 00:34:23,339

it was a snippet from a newspaper

550

00:34:28,609 --> 00:34:26,099

in the Blue Book files on this case so

551
00:34:30,950 --> 00:34:28,619
and that's you know in Robert colford

552
00:34:32,810 --> 00:34:30,960
actually told me this long time ago if

553
00:34:34,369 --> 00:34:32,820
you're out there shout out Bob

554
00:34:35,869 --> 00:34:34,379
um you got to check the newspaper

555
00:34:37,369 --> 00:34:35,879
reports too because often you get

556
00:34:39,290 --> 00:34:37,379
details

557
00:34:41,270 --> 00:34:39,300
um that you miss in the in the Air Force

558
00:34:43,849 --> 00:34:41,280
files and obviously that makes sense you

559
00:34:46,129 --> 00:34:43,859
got shoddy investigations for you know

560
00:34:48,050 --> 00:34:46,139
nearly 20 years it's a lot of missing

561
00:34:49,490 --> 00:34:48,060
stuff and this is a perfect example of

562
00:34:51,829 --> 00:34:49,500
that

563
00:34:54,589 --> 00:34:51,839

and this is the good stuff and this is

564

00:34:55,790 --> 00:34:54,599

why people you know read Jack valet or

565

00:34:56,869 --> 00:34:55,800

other people

566

00:34:58,849 --> 00:34:56,879

because

567

00:35:00,950 --> 00:34:58,859

you know they want details that really

568

00:35:03,109 --> 00:35:00,960

matter and I think when it comes to like

569

00:35:06,530 --> 00:35:03,119

healings or positive or negative effects

570

00:35:10,010 --> 00:35:06,540

UFOs have on humans I think

571

00:35:12,530 --> 00:35:10,020

you know this is a good place to look

572

00:35:16,730 --> 00:35:12,540

so let's get into it the year is 1965

573

00:35:20,150 --> 00:35:16,740

September Damon Texas

574

00:35:23,030 --> 00:35:20,160

weird UFO incident in Texas on the night

575

00:35:25,370 --> 00:35:23,040

of September 3rd two police officers had

576

00:35:28,609 --> 00:35:25,380

a terrifying encounter with the UFO near

577

00:35:30,950 --> 00:35:28,619

Damon Texas the object 200 feet long and

578

00:35:33,589 --> 00:35:30,960

50 feet in diameter approached so close

579

00:35:36,050 --> 00:35:33,599

to their patrol car that its Eerie light

580

00:35:38,510 --> 00:35:36,060

was visible on the ground

581

00:35:42,170 --> 00:35:38,520

the officers panic and left the area at

582

00:35:43,430 --> 00:35:42,180

speeds in excess of 100 miles per hour

583

00:35:45,950 --> 00:35:43,440

I'm sure they didn't get a speeding

584

00:35:47,270 --> 00:35:45,960

ticket for that later that night they

585

00:35:50,450 --> 00:35:47,280

returned

586

00:35:52,609 --> 00:35:50,460

the same or similar UFO again swooped

587

00:35:54,890 --> 00:35:52,619

down on their car and again they left

588

00:35:58,490 --> 00:35:54,900

the area rapidly

589

00:36:00,170 --> 00:35:58,500

they did not come back for the third try

590

00:36:02,390 --> 00:36:00,180

not surprising

591

00:36:05,390 --> 00:36:02,400

the really unusual aspects of the case

592

00:36:07,910 --> 00:36:05,400

are the following an open soar on one

593

00:36:11,810 --> 00:36:07,920

officer's arm was apparently healed by

594

00:36:16,849 --> 00:36:14,750

the policeman named Bob good had his arm

595

00:36:18,650 --> 00:36:16,859

out of the window of the patrol car

596

00:36:21,050 --> 00:36:18,660

during the sighting and later found that

597

00:36:24,650 --> 00:36:21,060

an infected wound from an alligator bite

598

00:36:26,630 --> 00:36:24,660

healed suddenly who makes that stuff up

599

00:36:28,910 --> 00:36:26,640

you can't make that up

600

00:36:32,030 --> 00:36:28,920

this officer is not going to make up a

601
00:36:36,050 --> 00:36:32,040
UFO spontaneously healed his alligator

602
00:36:38,089 --> 00:36:36,060
bite that is crazy it's amazing

603
00:36:40,790 --> 00:36:38,099
the second weird aspect was the fact

604
00:36:42,950 --> 00:36:40,800
that good was visited by two men shortly

605
00:36:44,990 --> 00:36:42,960
after the incident who told them in

606
00:36:46,849 --> 00:36:45,000
detail about the sighting and advised

607
00:36:49,670 --> 00:36:46,859
him that should he have another such

608
00:36:52,069 --> 00:36:49,680
encounter he should try to cooperate

609
00:36:54,890 --> 00:36:52,079
with any being on board and keep to

610
00:36:57,230 --> 00:36:54,900
himself any conversation he might have

611
00:36:59,630 --> 00:36:57,240
with such beings

612
00:37:02,930 --> 00:36:59,640
the identity of these two mysterious men

613
00:37:05,150 --> 00:37:02,940

is apparently not known

614

00:37:08,510 --> 00:37:05,160

and on the spot Air Force investigation

615

00:37:11,450 --> 00:37:08,520

of the affair failed to solve anything

616

00:37:13,550 --> 00:37:11,460

major Lawrence Leach Jr of nearby

617

00:37:15,950 --> 00:37:13,560

Ellington Air Force Base concluded that

618

00:37:18,890 --> 00:37:15,960

both officers appeared to be intelligent

619

00:37:21,230 --> 00:37:18,900

mature level-headed persons capable of

620

00:37:25,190 --> 00:37:21,240

sound judgment and reasoning

621

00:37:27,410 --> 00:37:25,200

browser sport facts Freeport Texas

622

00:37:29,690 --> 00:37:27,420

and that's the synopsis of the incident

623

00:37:31,670 --> 00:37:29,700

and there's just so many of these good

624

00:37:33,470 --> 00:37:31,680

stories where it doesn't make sense for

625

00:37:36,230 --> 00:37:33,480

the person to be making up what they're

626
00:37:38,270 --> 00:37:36,240
saying even though the story is so

627
00:37:39,950 --> 00:37:38,280
you know spectacular I mean they come

628
00:37:42,710 --> 00:37:39,960
more spectacular than this one but this

629
00:37:46,730 --> 00:37:42,720
is as well like the healing of an

630
00:37:50,030 --> 00:37:48,470
there's got to be pictures of that I'll

631
00:37:54,290 --> 00:37:50,040
have to find out

632
00:37:56,450 --> 00:37:54,300
or look that would be very interesting

633
00:37:58,730 --> 00:37:56,460
um but yeah just a great case quick

634
00:38:01,430 --> 00:37:58,740
synopsis hope you enjoyed it you know he

635
00:38:03,109 --> 00:38:01,440
said heat from dufo like it was

636
00:38:04,730 --> 00:38:03,119
radiating heated or emitting heat and

637
00:38:06,349 --> 00:38:04,740
maybe that had something to do with the

638
00:38:08,270 --> 00:38:06,359

healing

639

00:38:12,170 --> 00:38:08,280

next we're going to go over another case

640

00:38:12,180 --> 00:38:17,030

there is a suggestion of some Heating

641

00:38:17,040 --> 00:38:20,870

and this actually came from a case

642

00:38:20,880 --> 00:38:26,450

that happened in Roswell New Mexico

643

00:38:29,630 --> 00:38:27,890

but I know what you're thinking no not

644

00:38:32,510 --> 00:38:29,640

1947.

645

00:38:34,670 --> 00:38:32,520

and not the crash disk

646

00:38:37,250 --> 00:38:34,680

came in 1949

647

00:38:40,910 --> 00:38:37,260

and there's a picture

648

00:38:49,390 --> 00:38:43,510

we have United States of America

thank you

690

00:40:43,970 --> 00:40:42,359

states that in his opinion it was

691

00:40:46,490 --> 00:40:43,980

improbable that the object photograph

692

00:40:49,370 --> 00:40:46,500

could have been a Celestial body he felt

693

00:40:51,230 --> 00:40:49,380

that possibly it was a recognition or

694

00:40:53,630 --> 00:40:51,240

some light mounted on some man-made

695

00:40:55,310 --> 00:40:53,640

structure in the distance until he

696

00:40:58,370 --> 00:40:55,320

searched the entire area to the

697

00:41:00,710 --> 00:40:58,380

southwest of the position of his camera

698

00:41:03,109 --> 00:41:00,720

the following day and it could not find

699

00:41:05,450 --> 00:41:03,119

anything to Bear out his opinion

700

00:41:08,150 --> 00:41:05,460

he States the distance from him is

701
00:41:10,130 --> 00:41:08,160
unknown by him and that it could have

702
00:41:12,290 --> 00:41:10,140
been one half mile

703
00:41:15,530 --> 00:41:12,300
20 miles or many

704
00:41:18,290 --> 00:41:15,540
or many many miles the camera used was a

705
00:41:21,170 --> 00:41:18,300
speed gaffer camera mounted on a tripod

706
00:41:23,690 --> 00:41:21,180
set on F 4.5 and Infinity with an

707
00:41:25,310 --> 00:41:23,700
exposure of 30 seconds the row of Lights

708
00:41:27,829 --> 00:41:25,320
visible to the left of the unknown

709
00:41:29,750 --> 00:41:27,839
object are set by to have been a car

710
00:41:31,790 --> 00:41:29,760
traveling from right to left before the

711
00:41:34,490 --> 00:41:31,800
camera which is thought by to have been

712
00:41:36,470 --> 00:41:34,500
approximately two blocks in the distance

713
00:41:38,150 --> 00:41:36,480

to his naked eye the unknown object

714

00:41:41,450 --> 00:41:38,160

appeared brighter than the automobile

715

00:41:43,550 --> 00:41:41,460

headlights but definitely much smaller

716

00:41:45,170 --> 00:41:43,560

Jones States the reason those stars are

717

00:41:46,910 --> 00:41:45,180

visible in the picture is that he

718

00:41:49,190 --> 00:41:46,920

developed the print specifically to

719

00:41:52,010 --> 00:41:49,200

bring out the object in question with

720

00:41:54,650 --> 00:41:52,020

reference to the slight fuzziness

721

00:41:57,370 --> 00:41:54,660

appearing from 8 to 12 o'clock and from

722

00:42:01,310 --> 00:41:57,380

two to six o'clock on the edge

723

00:42:06,050 --> 00:42:03,109

he states that his tripod and Camera

724

00:42:08,390 --> 00:42:06,060

were quite securely mounted and he is

725

00:42:09,829 --> 00:42:08,400

certain no movement of the camera would

726

00:42:11,829 --> 00:42:09,839

account for this aforementioned

727

00:42:15,109 --> 00:42:11,839

fuzziness on the image

728

00:42:18,230 --> 00:42:15,119

the base photo officer feels that the

729

00:42:20,990 --> 00:42:18,240

fuzziness may be traceable to heat

730

00:42:23,410 --> 00:42:21,000

emitted

731

00:42:26,150 --> 00:42:23,420

by the object

732

00:42:28,970 --> 00:42:26,160

the only negative and prints made of

733

00:42:31,270 --> 00:42:28,980

this object are here with and closed and

734

00:42:33,890 --> 00:42:31,280

number one on the rear of said Prince

735

00:42:35,690 --> 00:42:33,900

knowing there it to be a bright star in

736

00:42:37,670 --> 00:42:35,700

the sky in that approximate Direction at

737

00:42:39,470 --> 00:42:37,680

that approximate time the writer

738

00:42:42,410 --> 00:42:39,480

requested that Jones make a picture of

739

00:42:46,069 --> 00:42:42,420

this and other stars the night of 24

740

00:42:47,990 --> 00:42:46,079

October 1949. accomplished this in two

741

00:42:50,030 --> 00:42:48,000

negatives with their respective prints

742

00:42:52,790 --> 00:42:50,040

are enclosed here with and the prints

743

00:42:56,030 --> 00:42:52,800

are numbered two and two eight on 25

744

00:42:57,530 --> 00:42:56,040

October 1949 at 1300 hours the writer

745

00:42:59,990 --> 00:42:57,540

accompanied by Sergeant blanket Captain

746

00:43:01,910 --> 00:43:00,000

blank whose debates photography officer

747

00:43:04,790 --> 00:43:01,920

went to the exact location where Jones

748

00:43:07,309 --> 00:43:04,800

had mounted his tripod previously

749

00:43:09,770 --> 00:43:07,319

Mike shot three pictures on

750

00:43:12,650 --> 00:43:09,780

approximately 245 degrees 240 degrees

751
00:43:15,170 --> 00:43:12,660
and 235 degrees respectively

752
00:43:17,630 --> 00:43:15,180
link states that the automobile lights

753
00:43:20,210 --> 00:43:17,640
visible in the picture number one were

754
00:43:21,890 --> 00:43:20,220
moving on a road which runs before the

755
00:43:24,410 --> 00:43:21,900
house is shown in the left part of the

756
00:43:27,230 --> 00:43:24,420
picture number three a and 3B

757
00:43:30,170 --> 00:43:27,240
to ride around 25 October 1949

758
00:43:32,150 --> 00:43:30,180
personally inspected the area from 180

759
00:43:34,030 --> 00:43:32,160
degrees to 270 degrees up to five miles

760
00:43:37,010 --> 00:43:34,040
away from the position of the cameraman

761
00:43:39,290 --> 00:43:37,020
insert said area also with a pair of

762
00:43:41,150 --> 00:43:39,300
binoculars you can find no man-made

763
00:43:43,430 --> 00:43:41,160

structure which would account for this

764

00:43:45,890 --> 00:43:43,440

light appearing in the position and the

765

00:43:48,290 --> 00:43:45,900

angle that it does

766

00:43:50,630 --> 00:43:48,300

the distance of the light above the

767

00:43:52,430 --> 00:43:50,640

automobile headlights appears greater

768

00:43:54,950 --> 00:43:52,440

than would allow it to have been

769

00:43:57,770 --> 00:43:54,960

suspended or attached by any object

770

00:44:00,349 --> 00:43:57,780

attached or anchored to the ground to

771

the southwest and detected by the

772

00:44:07,790 --> 00:44:05,930

this report consists of the reporting of

special inquiry

782

00:44:36,349 --> 00:44:34,200

so there you go the case isn't you know

783

00:44:38,569 --> 00:44:36,359

spectacular but we have a report of

784

00:44:40,790 --> 00:44:38,579

possible heat emitted or at least a

785

00:44:44,030 --> 00:44:40,800

theory that he was emitted and that's

786

00:44:46,069 --> 00:44:44,040

why the object looks like it does

787

00:44:49,430 --> 00:44:46,079

um here are the objects see what you

788

00:44:53,210 --> 00:44:51,349

not much different than what we're used

789

00:44:55,309 --> 00:44:53,220

to seeing and what the heck is that

790

00:44:58,010 --> 00:44:55,319

videos or anything else but the

791

00:45:00,470 --> 00:44:58,020

interesting part is that uh two people

792

00:45:03,170 --> 00:45:00,480

one of which is a master sergeant which

793

00:45:05,390 --> 00:45:03,180

is a pretty big deal uh one out in the

794

00:45:07,130 --> 00:45:05,400

area and searched the field to see where

795

00:45:09,650 --> 00:45:07,140

the light would be coming from and

796

00:45:11,569 --> 00:45:09,660

there was nothing the photographers

797

00:45:15,290 --> 00:45:11,579

searched that night and then again they

798

00:45:17,990 --> 00:45:15,300

searched the next day during daylight so

799

00:45:21,290 --> 00:45:18,000

who knows what happened but it is

800

00:45:23,329 --> 00:45:21,300

interesting and there are photos of you

801
00:45:26,569 --> 00:45:23,339
know military photos that they took of

802
00:45:29,150 --> 00:45:26,579
UFOs and this is just one example

803
00:45:30,970 --> 00:45:29,160
um that I'm showing you now and I've

804
00:45:33,109 --> 00:45:30,980
shown you others

805
00:45:34,960 --> 00:45:33,119
and we'll probably get back to that

806
00:45:46,810 --> 00:45:34,970
again at some point
