

1
00:00:32,089 --> 00:00:01,520
foreign

2
00:00:33,630 --> 00:00:32,099
[Music]

3
00:00:46,630 --> 00:00:33,640
foreign

4
00:00:49,310 --> 00:00:46,640
[Music]

5
00:00:52,010 --> 00:00:49,320
listening to the entire piece the audio

6
00:00:54,049 --> 00:00:52,020
version which I hope you guys enjoyed

7
00:00:55,910 --> 00:00:54,059
that it was totally worth reading it it

8
00:00:58,610 --> 00:00:55,920
was great but the thing is like 20

9
00:01:02,209 --> 00:00:58,620
minutes so I didn't really have time to

10
00:01:04,549 --> 00:01:02,219
digest anything and comment on anything

11
00:01:06,830 --> 00:01:04,559
um so but I did want to do that the the

12
00:01:09,770 --> 00:01:06,840
first thing is

13
00:01:12,410 --> 00:01:09,780

classification and clearance

14

00:01:15,830 --> 00:01:12,420

this thing needs to be figured out

15

00:01:18,590 --> 00:01:15,840

because apparently nobody has the needed

16

00:01:20,870 --> 00:01:18,600

classification clearance

17

00:01:21,770 --> 00:01:20,880

to verify any of this whistleblower's

18

00:01:25,910 --> 00:01:21,780

claims

19

00:01:28,490 --> 00:01:27,710

hopefully more whistleblowers come

20

00:01:30,410 --> 00:01:28,500

forward

21

00:01:32,890 --> 00:01:30,420

maybe even some that have seen this

22

00:01:38,749 --> 00:01:35,990

that have touched it would be great

23

00:01:42,469 --> 00:01:38,759

maybe even flown in it who knows

24

00:01:47,990 --> 00:01:45,050

um but we'll see you know the one thing

25

00:01:49,490 --> 00:01:48,000

I've noticed is everybody has

26

00:01:51,350 --> 00:01:49,500

a lot of people are showing a

27

00:01:53,690 --> 00:01:51,360

misunderstanding of The Whistleblower

28

00:01:55,490 --> 00:01:53,700

and what he's saying in Ross Colt art

29

00:01:57,170 --> 00:01:55,500

and everything else like it needs to be

30

00:01:59,569 --> 00:01:57,180

clear that

31

00:02:01,969 --> 00:01:59,579

um this person has been told this stuff

32

00:02:03,710 --> 00:02:01,979

by various people in the intelligence

33

00:02:06,289 --> 00:02:03,720

community that he knows some of which

34

00:02:08,270 --> 00:02:06,299

he's trusted and worked with is his

35

00:02:10,729 --> 00:02:08,280

whole career

36

00:02:12,890 --> 00:02:10,739

seen documents

37

00:02:14,570 --> 00:02:12,900

all this sort of stuff and he's saying

38

00:02:15,589 --> 00:02:14,580

it's true

39

00:02:18,110 --> 00:02:15,599

right

40

00:02:20,510 --> 00:02:18,120

he's not saying he's seen any of it

41

00:02:22,190 --> 00:02:20,520

so the classification thing I think is

42

00:02:23,869 --> 00:02:22,200

going to be an issue that needs to be

43

00:02:26,089 --> 00:02:23,879

overcome

44

00:02:28,309 --> 00:02:26,099

um something that sticks out to me is in

45

00:02:30,949 --> 00:02:28,319

the article you know he's briefed

46

00:02:32,869 --> 00:02:30,959

somebody in the house over a site

47

00:02:34,970 --> 00:02:32,879

committee I think it was

48

00:02:38,390 --> 00:02:34,980

um but he couldn't show him the relevant

49

00:02:40,130 --> 00:02:38,400

evidence because they didn't have the

50

00:02:42,770 --> 00:02:40,140

right clearance

51

00:02:46,009 --> 00:02:42,780

same with Senate staffers

52

00:02:48,890 --> 00:02:46,019

and other people so what are we going to

53

00:02:50,990 --> 00:02:48,900

do about a person is probably

54

00:02:54,170 --> 00:02:51,000

one of the more if not the most

55

00:02:57,890 --> 00:02:54,180

reputable whistleblower in the history

56

00:02:59,330 --> 00:02:57,900

of the UFO topic so hopefully this goes

57

00:03:00,650 --> 00:02:59,340

forward unfortunately I don't think

58

00:03:03,170 --> 00:03:00,660

anyone's going to believe it no matter

59

00:03:05,210 --> 00:03:03,180

how credentialed this person is unless

60

00:03:09,170 --> 00:03:05,220

some at some sort of evidence comes with

61

00:03:12,770 --> 00:03:09,180

it and I have no idea what that is but

62

00:03:17,030 --> 00:03:12,780

you know this is a really hard

63

00:03:21,110 --> 00:03:18,530

and it needs to come with something like

64

00:03:22,190 --> 00:03:21,120

that now there's a lot coming up there's

65

00:03:24,530 --> 00:03:22,200

going to be a lot more information

66

00:03:27,350 --> 00:03:24,540

coming out more interviews with Ross

67

00:03:30,110 --> 00:03:27,360

coldheart I'm sure this person is going

68

00:03:32,149 --> 00:03:30,120

to be talking a lot more apparently he

69

00:03:33,890 --> 00:03:32,159

went to George Knapp and Jeremy Corbell

70

00:03:35,990 --> 00:03:33,900

first

71

00:03:37,910 --> 00:03:36,000

um but they're not releasing this

72

00:03:41,149 --> 00:03:37,920

information with this person why is that

73

00:03:42,890 --> 00:03:41,159

uh Ralph Blumenthal Leslie Kane Ross

74

00:03:44,509 --> 00:03:42,900

coldheart seemed to be doing this

75

00:03:47,509 --> 00:03:44,519

together which is great love those guys

76

00:03:49,789 --> 00:03:47,519

so hopefully

77

00:03:52,309 --> 00:03:49,799

you know I have a feeling it may be

78

00:03:56,030 --> 00:03:52,319

planned that way

79

00:03:59,570 --> 00:03:57,710

you know because George passed up

80

00:04:02,149 --> 00:03:59,580

apparently the opportunity in the New

81

00:04:04,490 --> 00:04:02,159

York Times thing in 2017. did it back

82

00:04:09,170 --> 00:04:04,500

then because it'd be known as the UFO

83

00:04:12,350 --> 00:04:09,180

guy releases a UFO story so who knows

84

00:04:13,309 --> 00:04:12,360

Ross goldheart is a UFO guy but hasn't

85

00:04:16,009 --> 00:04:13,319

always been

86

00:04:17,930 --> 00:04:16,019

so we'll see and he's got that

87

00:04:20,390 --> 00:04:17,940

Australian accent which everybody loves

88

00:04:22,009 --> 00:04:20,400

and just takes super serious so

89

00:04:24,230 --> 00:04:22,019

um I look super forward to hearing more

90

00:04:26,030 --> 00:04:24,240

one thing that I wanted to discuss that

91

00:04:28,430 --> 00:04:26,040

stood out to me in the article is this

92

00:04:31,070 --> 00:04:28,440

uh Jonathan gray who was mentioned in

93

00:04:33,050 --> 00:04:31,080

here it seems to be some sort of uh

94

00:04:35,689 --> 00:04:33,060

you know

95

00:04:37,430 --> 00:04:35,699

some sort of name that isn't is a real

96

00:04:40,430 --> 00:04:37,440

birth name

97

00:04:41,930 --> 00:04:40,440

so but he's from the National Air uh

98

00:04:44,510 --> 00:04:41,940

intelligence

99

00:04:45,490 --> 00:04:44,520

in Space Center at Rick Patterson Air

100

00:04:49,790 --> 00:04:45,500

Force Base

101

00:04:53,390 --> 00:04:49,800

n-a-i-s-c so it's relevant to track that

102

00:04:56,210 --> 00:04:53,400

group back all the way to the beginning

103

00:04:59,090 --> 00:04:56,220

right because this person is saying uaps

104

00:05:02,390 --> 00:04:59,100

exist some have been confirmed as of

105

00:05:04,450 --> 00:05:02,400

non-human origin we study them here he's

106

00:05:06,530 --> 00:05:04,460

like one of the top uip

107

00:05:08,510 --> 00:05:06,540

analysis people

108

00:05:10,730 --> 00:05:08,520

pretty amazing stuff so let's take this

109

00:05:12,530 --> 00:05:10,740

group n a i s c from Wright-Patterson

110

00:05:15,830 --> 00:05:12,540

Air Force Base and go all the way back

111

00:05:17,810 --> 00:05:15,840

to the beginning it starts in 1947 when

112

00:05:22,310 --> 00:05:17,820

the Air Force first separated from the

113

00:05:24,590 --> 00:05:22,320

Army they started a group called atic

114

00:05:26,570 --> 00:05:24,600

area of technical Intelligence Center I

115

00:05:29,930 --> 00:05:26,580

believe it is or Advanced something like

116

00:05:32,330 --> 00:05:29,940

that but anyways out of this group

117

00:05:34,010 --> 00:05:32,340

is where they studied UFOs starting in

118

00:05:36,890 --> 00:05:34,020

1947.

119

00:05:38,210 --> 00:05:36,900

Project Blue Book Grudge signed it was

120

00:05:42,050 --> 00:05:38,220

all

121

00:05:48,409 --> 00:05:45,950

for their studies inside attic atic

122

00:05:51,409 --> 00:05:48,419

starting in 47.

123

00:05:52,790 --> 00:05:51,419

publicly that we know of

124

00:05:55,249 --> 00:05:52,800

this group

125

00:05:58,070 --> 00:05:55,259

part of their mission was to avoid attic

126

00:06:01,550 --> 00:05:58,080

not Blue Book attic to avoid strategic

127

00:06:06,170 --> 00:06:04,370

you know so what that means is getting

128

00:06:07,969 --> 00:06:06,180

your hands on some of the most advanced

129

00:06:10,310 --> 00:06:07,979

technology that exists and make sure

130

00:06:11,930 --> 00:06:10,320

you're aware of it how it works

131

00:06:14,270 --> 00:06:11,940

how to use it

132

00:06:16,909 --> 00:06:14,280

if we should be afraid if not someone

133

00:06:19,129 --> 00:06:16,919

and so forth

134

00:06:20,689 --> 00:06:19,139

and you can see the records that have

135

00:06:23,510 --> 00:06:20,699

been put up that have been put out

136

00:06:25,610 --> 00:06:23,520

someone recently actually

137

00:06:28,070 --> 00:06:25,620

um some of the Soviet stuff that they

138

00:06:30,050 --> 00:06:28,080

got and looked at and

139

00:06:32,390 --> 00:06:30,060

um full planes that they had at Ray

140

00:06:34,550 --> 00:06:32,400

Patterson and Hangers that they had all

141

00:06:36,770 --> 00:06:34,560

sorts of things like that so you know

142

00:06:37,730 --> 00:06:36,780

the whole story is

143

00:06:40,129 --> 00:06:37,740

um

144

00:06:42,290 --> 00:06:40,139

absolutely true we're just missing that

145

00:06:44,210 --> 00:06:42,300

flag saucer part

146

00:06:46,370 --> 00:06:44,220

which there have been rumors of flanks

147

00:06:48,950 --> 00:06:46,380

officers at Ray pet that we've covered

148

00:06:51,670 --> 00:06:48,960

on the show going back to 1953 that we

149

00:06:55,129 --> 00:06:51,680

take from actual Blue Book documents

150

00:06:59,090 --> 00:06:56,990

and of course there's been many stories

151
00:07:01,969 --> 00:06:59,100
of crashes and stuff but it's important

152
00:07:04,909 --> 00:07:01,979
to know that this n-a-i-s-c started

153
00:07:06,590 --> 00:07:04,919
originally with the investigation of

154
00:07:08,930 --> 00:07:06,600
UFOs

155
00:07:12,290 --> 00:07:08,940
you know

156
00:07:15,469 --> 00:07:12,300
pretty interesting so as that group as

157
00:07:18,050 --> 00:07:15,479
that group progressed atic it eventually

158
00:07:21,110 --> 00:07:18,060
turned into something called foreign

159
00:07:23,450 --> 00:07:21,120
technology division FTD

160
00:07:27,469 --> 00:07:23,460
if you watch this program sometimes I'll

161
00:07:29,629 --> 00:07:27,479
show old Air Force photos of purported

162
00:07:31,790 --> 00:07:29,639
UFOs and on there you can see it says

163
00:07:34,010 --> 00:07:31,800

foreign technology division

164

00:07:35,270 --> 00:07:34,020

someone from attic to foreign technology

165

00:07:37,730 --> 00:07:35,280

division

166

00:07:39,890 --> 00:07:37,740

Colonel Corso the day after Roswell

167

00:07:41,870 --> 00:07:39,900

everybody knows that whistleblower he's

168

00:07:42,650 --> 00:07:41,880

saying kind of almost the same exact

169

00:07:46,490 --> 00:07:42,660

stuff

170

00:07:50,450 --> 00:07:48,710

same idea

171

00:07:51,650 --> 00:07:50,460

he was out of the foreign technology

172

00:07:58,270 --> 00:07:51,660

division

173

00:08:00,589 --> 00:07:58,280

turned into what we now know as his

174

00:08:02,930 --> 00:08:00,599

n-a-i-s-c where this whistleblower is

175

00:08:02,940 --> 00:08:06,409

it's important to know that

176

00:08:12,230 --> 00:08:09,770

because what he's essentially saying is

177

00:08:14,510 --> 00:08:12,240

they've never stopped studying UFOs

178

00:08:16,189 --> 00:08:14,520

they've never stopped recovering UFOs

179

00:08:19,550 --> 00:08:16,199

and they've never stopped trying to

180

00:08:21,710 --> 00:08:19,560

reverse engineer UFOs no matter what the

181

00:08:24,350 --> 00:08:21,720

Condon committee suggested no matter

182

00:08:27,529 --> 00:08:24,360

what the Air Force says about when their

183

00:08:29,450 --> 00:08:27,539

studies ended it's all not true they've

184

00:08:32,209 --> 00:08:29,460

been doing it ever since

185

00:08:34,130 --> 00:08:32,219

the implications of this are huge I mean

186

00:08:35,870 --> 00:08:34,140

I've covered this before all the Air

187

00:08:38,209 --> 00:08:35,880

Force letters that they've sent out to

188

00:08:39,889 --> 00:08:38,219

different people over the years there's

189

00:08:42,769 --> 00:08:39,899

no evidence this there's no evidence

190

00:08:46,370 --> 00:08:42,779

that no evidence this but every freaking

191

00:08:50,870 --> 00:08:46,380

time just like today

192

00:08:54,110 --> 00:08:52,490

origin

193

00:08:56,590 --> 00:08:54,120

no proof

194

00:08:58,910 --> 00:08:56,600

but as I've shown on this program

195

00:09:00,889 --> 00:08:58,920

they've evaluated and looked at many

196

00:09:05,509 --> 00:09:00,899

materials some of which they couldn't

197

00:09:09,710 --> 00:09:07,310

doesn't mean

198

00:09:11,990 --> 00:09:09,720

it's from space

199

00:09:14,150 --> 00:09:12,000

so what if we're talking about

200

00:09:15,769 --> 00:09:14,160

another species that has been here with

201
00:09:16,850 --> 00:09:15,779
us the whole time what if we're talking

202
00:09:18,949 --> 00:09:16,860
about

203
00:09:20,690 --> 00:09:18,959
a civilization that lived here a long

204
00:09:22,610 --> 00:09:20,700
time ago

205
00:09:24,290 --> 00:09:22,620
maybe not losing the Earth

206
00:09:28,790 --> 00:09:24,300
became way more advanced than we ever

207
00:09:34,610 --> 00:09:31,790
or maybe it is extraterrestrial

208
00:09:37,130 --> 00:09:34,620
but there's no solid way to figure out

209
00:09:43,370 --> 00:09:37,140
how to prove

210
00:09:47,570 --> 00:09:45,829
and if you can't

211
00:09:51,050 --> 00:09:47,580
how are you going to have proof that

212
00:09:57,470 --> 00:09:53,570
what we need to pin down is that what it

213
00:09:57,480 --> 00:10:01,550

a non-human intelligence

214

00:10:07,430 --> 00:10:04,550

so when somebody asks Susan GAO about

215

00:10:09,829 --> 00:10:07,440

what this whistleblower says

216

00:10:12,530 --> 00:10:09,839

we shouldn't ask

217

00:10:14,389 --> 00:10:12,540

does Arrow have any evidence of

218

00:10:16,910 --> 00:10:14,399

extraterrestrial materials in their

219

00:10:19,790 --> 00:10:16,920

Holdings we should ask

220

00:10:23,150 --> 00:10:19,800

does Arrow have any evidence

221

00:10:30,050 --> 00:10:25,610

by another intelligent life

222

00:10:30,060 --> 00:10:35,150

any evidence that would suggest that

223

00:10:43,370 --> 00:10:38,389

and I will take witness testimony

224

00:10:46,610 --> 00:10:45,230

blew me away that the guy said yes to

225

00:10:48,829 --> 00:10:46,620

bodies

226

00:10:50,810 --> 00:10:48,839

you know and I watch it with my wife and

227

00:10:52,850 --> 00:10:50,820

we're sitting there and we're that

228

00:10:55,970 --> 00:10:52,860

question comes up and he goes you know

229

00:10:58,610 --> 00:10:55,980

as ridiculous as that sounds

230

00:11:02,290 --> 00:10:58,620

yes it's all true

231

00:11:07,910 --> 00:11:05,150

not too long ago just tell me like it's

232

00:11:13,990 --> 00:11:07,920

dude it's coming it's coming

233

00:11:18,889 --> 00:11:16,370

that's funny man you know I can't help

234

00:11:20,810 --> 00:11:18,899

but think that like why am I here you

235

00:11:23,509 --> 00:11:20,820

know why did I have that sighting why

236

00:11:26,569 --> 00:11:23,519

did I see that thing in

237

00:11:30,230 --> 00:11:26,579

was that for a reason if this is all

238

00:11:32,569 --> 00:11:30,240

true like why was I privileged enough to

239

00:11:33,949 --> 00:11:32,579

have that experience which then

240

00:11:37,009 --> 00:11:33,959

propelled me

241

00:11:39,110 --> 00:11:37,019

to be in this position

242

00:11:40,850 --> 00:11:39,120

which I wouldn't be in without that

243

00:11:45,530 --> 00:11:40,860

experience

244

00:11:49,009 --> 00:11:45,540

really truly is it's put me here

245

00:11:54,590 --> 00:11:51,889

why am I so privileged

246

00:11:59,630 --> 00:11:54,600

when other people just completely

247

00:12:02,750 --> 00:11:59,640

have no clue like I love the the um

248

00:12:04,550 --> 00:12:02,760

the basement dwelling

249

00:12:06,829 --> 00:12:04,560

you know

250

00:12:08,569 --> 00:12:06,839

couch quarterbacks

251

00:12:13,310 --> 00:12:08,579

who

252

00:12:17,630 --> 00:12:13,320

haven't looked at a blue book document

253

00:12:22,430 --> 00:12:19,670

look at the headline of this story on

254

00:12:25,009 --> 00:12:22,440

Twitter retweet it and go well this is

255

00:12:26,990 --> 00:12:25,019

ridiculous that's sad

256

00:12:29,329 --> 00:12:27,000

can't believe people are getting fooled

257

00:12:31,190 --> 00:12:29,339

by this like we're complete idiots like

258

00:12:33,769 --> 00:12:31,200

we haven't thought of all that kind of

259

00:12:36,470 --> 00:12:33,779

stuff already like we haven't like we're

260

00:12:39,350 --> 00:12:36,480

not already thinking like how are we

261

00:12:41,569 --> 00:12:39,360

being scammed in the back of our heads

262

00:12:43,550 --> 00:12:41,579

you know like we're not already thinking

263

00:12:45,170 --> 00:12:43,560

about that stuff like these people who

264

00:12:48,949 --> 00:12:45,180

just throw out these quips like they're

265

00:12:54,350 --> 00:12:52,250

but they need to realize they won't ever

266

00:12:56,750 --> 00:12:54,360

realize that there's very intelligent

267

00:12:58,190 --> 00:12:56,760

people in this field who have taken very

268

00:13:02,569 --> 00:12:58,200

deep looks

269

00:13:07,250 --> 00:13:05,210

and come out with a genuine mystery in

270

00:13:09,710 --> 00:13:07,260

their hands

271

00:13:13,009 --> 00:13:09,720

and it's so disrespectful to people like

272

00:13:17,690 --> 00:13:14,990

it's just ridiculous why do you think

273

00:13:20,150 --> 00:13:17,700

the dod has this Arrow the whole thing's

274

00:13:21,430 --> 00:13:20,160

just misinformation do you have any idea

275

00:13:26,509 --> 00:13:21,440

how

276

00:13:28,910 --> 00:13:26,519

just a legal and terrible that is

277

00:13:30,889 --> 00:13:28,920

like that's theft from American people

278

00:13:32,449 --> 00:13:30,899

like not just like

279

00:13:34,550 --> 00:13:32,459

you know different we have different

280

00:13:36,230 --> 00:13:34,560

policy views like oh you're basically

281

00:13:38,690 --> 00:13:36,240

stealing with that you know that's so

282

00:13:40,730 --> 00:13:38,700

stupid no this is like literal like

283

00:13:44,990 --> 00:13:40,740

deception like a used car salesman

284

00:13:48,190 --> 00:13:45,000

saying here I'm selling you a 2020 Lexus

285

00:13:51,769 --> 00:13:48,200

he gives you the key and sits you down

286

00:13:54,550 --> 00:13:51,779

in a Toyota Camry

287

00:13:56,569 --> 00:13:54,560

you know

288

00:13:58,490 --> 00:13:56,579

which is actually what's kind of

289

00:14:00,530 --> 00:13:58,500

happening so maybe I should say instead

290

00:14:05,769 --> 00:14:00,540

of a Toyota Camry just like a completely

291

00:14:10,190 --> 00:14:08,210

so in the language that passed and was

292

00:14:11,810 --> 00:14:10,200

made laws like you can't get any more

293

00:14:14,030 --> 00:14:11,820

clear than that that wouldn't be made

294

00:14:16,069 --> 00:14:14,040

law if it was just some stupid

295

00:14:18,590 --> 00:14:16,079

Superstition what is wrong with you

296

00:14:20,990 --> 00:14:18,600

people like I know shifting your

297

00:14:23,329 --> 00:14:21,000

Paradigm is tough but you know if you

298

00:14:26,990 --> 00:14:23,339

can't do it just don't watch you know

299

00:14:29,150 --> 00:14:27,000

like a car accident just

300

00:14:30,990 --> 00:14:29,160

you know move on with your life I guess

301
00:14:31,190 --> 00:14:31,000
because you know

302
00:14:32,509 --> 00:14:31,200
[Music]

303
00:14:35,810 --> 00:14:32,519
um

304
00:14:38,930 --> 00:14:35,820
that kind of short-sightedness

305
00:14:40,850 --> 00:14:38,940
lack of any serious

306
00:14:41,870 --> 00:14:40,860
in-depth analysis is quite harmful

307
00:14:43,850 --> 00:14:41,880
something

308
00:14:45,350 --> 00:14:43,860
um The Whistleblower talked about in

309
00:14:47,150 --> 00:14:45,360
this story

310
00:14:49,189 --> 00:14:47,160
is

311
00:14:51,829 --> 00:14:49,199
how

312
00:14:54,650 --> 00:14:51,839
oversight committees in Congress are not

313
00:14:56,569 --> 00:14:54,660

aware of these programs and weren't and

314

00:15:00,009 --> 00:14:56,579

it's been illegally held from them

315

00:15:03,290 --> 00:15:00,019

through seemingly

316

00:15:05,449 --> 00:15:03,300

unclassified projects or saps not

317

00:15:09,829 --> 00:15:05,459

unclassified I should say conventional

318

00:15:12,470 --> 00:15:09,839

saps so you have a conventional

319

00:15:14,269 --> 00:15:12,480

whatever that means special Access

320

00:15:15,889 --> 00:15:14,279

program that gets funded by the

321

00:15:17,509 --> 00:15:15,899

government oversight committee but

322

00:15:19,730 --> 00:15:17,519

within that

323

00:15:24,710 --> 00:15:19,740

they're doing other classified stuff

324

00:15:28,009 --> 00:15:24,720

that is not approved and is not known

325

00:15:34,129 --> 00:15:30,650

freaking ships man made by things that

326

00:15:38,810 --> 00:15:36,530

to give you a detailed example

327

00:15:41,750 --> 00:15:38,820

how this could work we're going to use

328

00:15:43,210 --> 00:15:41,760

an example called Moon dust Moon dust

329

00:15:46,370 --> 00:15:43,220

was a

330

00:15:50,030 --> 00:15:46,380

a group of people within the Air Force

331

00:15:51,350 --> 00:15:50,040

in the 11 27th field activities group at

332

00:15:55,009 --> 00:15:51,360

Fort belv four

333

00:16:00,710 --> 00:15:56,930

and capture

334

00:16:04,730 --> 00:16:02,090

apparently

335

00:16:07,970 --> 00:16:04,740

crash recovery program

336

00:16:09,470 --> 00:16:07,980

in the paperwork that I found

337

00:16:10,970 --> 00:16:09,480

I mean that part of it's clear that's

338

00:16:13,069 --> 00:16:10,980

obvious

339

00:16:15,590 --> 00:16:13,079

but then they have blacked out sections

340

00:16:17,449 --> 00:16:15,600

if you can't see that are classified

341

00:16:19,430 --> 00:16:17,459

and there are records of them going all

342

00:16:21,170 --> 00:16:19,440

over the world and collecting things you

343

00:16:25,189 --> 00:16:21,180

know none of it's ever verified to be

344

00:16:29,449 --> 00:16:27,650

you know those documents exist overseas

345

00:16:32,150 --> 00:16:29,459

hear everything what they worked off of

346

00:16:33,710 --> 00:16:32,160

is space Trek which is really what

347

00:16:35,930 --> 00:16:33,720

turned into what we know now is space

348

00:16:38,150 --> 00:16:35,940

fence

349

00:16:41,509 --> 00:16:38,160

you know it's a radar system

350

00:16:44,509 --> 00:16:41,519

if something comes into our atmosphere

351

00:16:47,629 --> 00:16:44,519

you know re-entry moondust will go try

352

00:16:51,410 --> 00:16:47,639

to capture it bring it back

353

00:16:56,870 --> 00:16:54,230

I believe an unclassified name

354

00:16:58,670 --> 00:16:56,880

yes Moon dust was the unclassified code

355

00:17:03,470 --> 00:16:58,680

name much like

356

00:17:06,470 --> 00:17:03,480

atip was for Boss app apparently

357

00:17:07,610 --> 00:17:06,480

and you know Blue Book for attic all

358

00:17:08,990 --> 00:17:07,620

that kind of you know Congress or

359

00:17:10,850 --> 00:17:09,000

whatever knows about the moon does part

360

00:17:12,230 --> 00:17:10,860

of it and they fund it or whatever but

361

00:17:14,449 --> 00:17:12,240

they don't know that they're also

362

00:17:16,610 --> 00:17:14,459

recovering things of a non-human origin

363

00:17:19,250 --> 00:17:16,620

which could very well be under those

364

00:17:21,530 --> 00:17:19,260

blacked out Parts you know and moon does

365

00:17:25,850 --> 00:17:21,540

just so happened to be the group that

366

00:17:31,210 --> 00:17:29,150

put on some slide that was a part of a

367

00:17:33,530 --> 00:17:31,220

presentation I think to the Canadian

368

00:17:35,870 --> 00:17:33,540

Parliament so

369

00:17:38,870 --> 00:17:35,880

um that could be your ticket

370

00:17:41,750 --> 00:17:38,880

and there's plenty of people that were

371

00:17:44,390 --> 00:17:41,760

on the Moondance roster the 1127 field

372

00:17:48,010 --> 00:17:44,400

activities group that you can look up

373

00:17:50,330 --> 00:17:48,020

and look into as much as you want or can

374

00:17:55,130 --> 00:17:50,340

so that could be a good place to look

375

00:17:58,130 --> 00:17:55,140

for sure Moon dust and more so even the

376

00:18:00,409 --> 00:17:58,140

11 27th field activities group out of

377

00:18:03,470 --> 00:18:00,419

Fort Bel four it all kind of seems to

378

00:18:05,409 --> 00:18:03,480

make sense doesn't it

379

00:18:08,029 --> 00:18:05,419

sure does

380

00:18:10,669 --> 00:18:08,039

Ross is pretty pissed about the the

381

00:18:12,289 --> 00:18:10,679

media and how they're treating this

382

00:18:13,970 --> 00:18:12,299

subject with this whistleblower right

383

00:18:15,409 --> 00:18:13,980

now and how they're completely dropping

384

00:18:17,029 --> 00:18:15,419

the ball and it's because they're

385

00:18:18,770 --> 00:18:17,039

complicit in this whole thing they've

386

00:18:22,370 --> 00:18:18,780

been complicit in

387

00:18:31,669 --> 00:18:27,650

giving these UFOs a name flying saucers

388

00:18:34,010 --> 00:18:31,679

you know off a completely wrong idea

389

00:18:35,930 --> 00:18:34,020

from Kenneth Arnold

390

00:18:38,270 --> 00:18:35,940

you know I've shown you on this show

391

00:18:40,549 --> 00:18:38,280

like lights mystery lights airships

392

00:18:42,529 --> 00:18:40,559

things like that go back for a long time

393

00:18:44,270 --> 00:18:42,539

you know but all of a sudden everything

394

00:18:47,990 --> 00:18:44,280

changed when they were called flying

395

00:18:50,510 --> 00:18:48,000

saucers and it really became a part of

396

00:18:52,669 --> 00:18:50,520

American culture that was dangerous to

397

00:18:55,970 --> 00:18:52,679

the Air Force because it discredited

398

00:18:57,770 --> 00:18:55,980

them it said hey you don't own the skies

399

00:18:59,330 --> 00:18:57,780

you don't know what everything is and

400

00:19:00,770 --> 00:18:59,340

they couldn't admit that so they had to

401
00:19:05,570 --> 00:19:00,780
squash it

402
00:19:05,580 --> 00:19:09,049
the Air Force would kill it

403
00:19:09,059 --> 00:19:14,029
and they would try to discredit people

404
00:19:19,190 --> 00:19:16,909
and make them you know seem like they're

405
00:19:21,950 --> 00:19:19,200
ridiculous or nutty or they're like

406
00:19:25,250 --> 00:19:21,960
George adamsky or they're the contact

407
00:19:27,350 --> 00:19:25,260
the psychological problems well whatever

408
00:19:29,090 --> 00:19:27,360
psychological problem that is we should

409
00:19:32,870 --> 00:19:29,100
probably figure it out because it hasn't

410
00:19:35,570 --> 00:19:33,529
um

411
00:19:38,690 --> 00:19:35,580
so I just wanted to give my thoughts on

412
00:19:40,610 --> 00:19:38,700
kind of the history of n-a-i-s-c

413
00:19:42,529 --> 00:19:40,620

going back to attic

414

00:19:44,810 --> 00:19:42,539

how this is all connected

415

00:19:46,850 --> 00:19:44,820

maybe an example of a group that

416

00:19:49,250 --> 00:19:46,860

retrieved

417

00:19:50,990 --> 00:19:49,260

non-human materials

418

00:19:52,250 --> 00:19:51,000

Moon dust

419

00:19:54,169 --> 00:19:52,260

it just kind of gives you something to

420

00:19:55,370 --> 00:19:54,179

chew on and think about as far as how

421

00:19:57,169 --> 00:19:55,380

that could work as far as the

422

00:19:58,490 --> 00:19:57,179

Whistleblower Ross cold heart I'm

423

00:20:01,190 --> 00:19:58,500

watching I'm excited I'm paying

424

00:20:04,130 --> 00:20:01,200

attention and I can't wait to see what

425

00:20:06,350 --> 00:20:04,140

else comes down the road here I think a

426

00:20:09,289 --> 00:20:06,360

lot more attention is going to be paid

427

00:20:10,909 --> 00:20:09,299

to this by Major media because you just

428

00:20:13,549 --> 00:20:10,919

can't get around

429

00:20:14,990 --> 00:20:13,559

the authenticity and the credentials of

430

00:20:16,789 --> 00:20:15,000

this person

431

00:20:19,010 --> 00:20:16,799

can't get around it

432

00:20:21,710 --> 00:20:19,020

so people are forced to take it

433

00:20:23,150 --> 00:20:21,720

seriously major media has to literally

434

00:20:25,490 --> 00:20:23,160

listen

435

00:20:27,890 --> 00:20:25,500

and they will

436

00:20:30,110 --> 00:20:27,900

and when that happens I hope that we

437

00:20:31,669 --> 00:20:30,120

have some actual proof to provide so

438

00:20:33,529 --> 00:20:31,679

that it doesn't just

439

00:20:35,150 --> 00:20:33,539

disappear again

440

00:20:38,090 --> 00:20:35,160

because it will

441

00:20:40,250 --> 00:20:38,100

that doesn't happen so that being said

442

00:20:43,460 --> 00:20:40,260

I'm your host thanks for watching

443

00:21:24,430 --> 00:21:22,909

[Music]

444

00:21:29,510 --> 00:21:24,440

foreign

445

00:21:31,430 --> 00:21:29,520

[Music]

446

00:21:33,529 --> 00:21:31,440

I had a man say they couldn't put a dam

447

00:21:35,270 --> 00:21:33,539

across Arkansas River now you see the

448

00:21:37,730 --> 00:21:35,280

door nail down

449

00:21:40,010 --> 00:21:37,740

they say well you can't build a barn or

450

00:21:43,250 --> 00:21:40,020

where I'd have built it now you see a

451
00:21:44,210 --> 00:21:43,260
flying saucer well it won't fly yeah it

452
00:21:46,250 --> 00:21:44,220
didn't fly

453
00:21:48,190 --> 00:21:46,260
and when it does it'd be like a elevator

454
00:21:52,669 --> 00:21:48,200
escalator

455
00:21:56,330 --> 00:21:52,679
on Sunday July 7 1952

456
00:21:59,750 --> 00:21:56,340
one Truman bathroom claimed to have been

457
00:22:01,190 --> 00:21:59,760
contacted by a saucer some 300 feet in

458
00:22:03,529 --> 00:22:01,200
diameter

459
00:22:05,990 --> 00:22:03,539
it was commanded by a gorgeous female

460
00:22:09,590 --> 00:22:06,000
named Aura rain

461
00:22:13,610 --> 00:22:09,600
then on November 20th of that year

462
00:22:15,289 --> 00:22:13,620
amateur astronomer George adamski saw a

463
00:22:18,529 --> 00:22:15,299

saucer land

464

00:22:21,409 --> 00:22:18,539

and he met the pilot of Illusion

465

00:22:25,549 --> 00:22:21,419

this is George's description

466

00:22:27,409 --> 00:22:25,559

a man was up there and waving to me so I

467

00:22:30,409 --> 00:22:27,419

come up to this fella and he had a funny

468

00:22:32,570 --> 00:22:30,419

suit on him sort of a ski type suit and

469

00:22:34,190 --> 00:22:32,580

I thought it was one piece where later I

470

00:22:35,510 --> 00:22:34,200

have learned stupids

471

00:22:38,570 --> 00:22:35,520

uh

472

00:22:40,490 --> 00:22:38,580

Georgia damski I wonder if you could

473

00:22:44,270 --> 00:22:40,500

describe

474

00:22:47,570 --> 00:22:44,280

this man in detail to us yeah a man

475

00:22:52,610 --> 00:22:47,580

about a fight with uh a seven to eight

476
00:22:58,070 --> 00:22:52,620
uh inches and I would say around uh 135

477
00:23:01,610 --> 00:22:58,080
pounds of quite delicate hands uh

478
00:23:03,830 --> 00:23:01,620
the tapered fingers and uh beautiful uh

479
00:23:05,930 --> 00:23:03,840
very sharp eyes looked like they looked

480
00:23:07,909 --> 00:23:05,940
right through you sometimes you couldn't

481
00:23:10,430 --> 00:23:07,919
hardly tell whether he was really a man

482
00:23:13,850 --> 00:23:10,440
or a woman and uh

483
00:23:16,850 --> 00:23:13,860
your long hair waving sure resting on

484
00:23:20,570 --> 00:23:16,860
her shoulders he kind of a half away

485
00:23:23,390 --> 00:23:20,580
smile and put his hand out to shake and

486
00:23:25,490 --> 00:23:23,400
it was a pump to pump concept it was I

487
00:23:27,649 --> 00:23:25,500
think it was from outer space but

488
00:23:30,289 --> 00:23:27,659

friendly they were assume that there's

489

00:23:33,830 --> 00:23:30,299

no intelligence equal to ours anywhere

490

00:23:36,049 --> 00:23:33,840

else anywhere else in the universe is uh

491

00:23:38,350 --> 00:23:36,059

to belittle the universe because we

492

00:23:42,610 --> 00:23:38,360

don't show much intelligence obviously

493

00:23:46,909 --> 00:23:42,620

but the likelihood of other planets

494

00:23:49,490 --> 00:23:46,919

elsewhere in other uh planetary systems

495

00:23:52,490 --> 00:23:49,500

and other universes of having and only

496

00:23:54,169 --> 00:23:52,500

what we got but lots more since the

497

00:23:57,289 --> 00:23:54,179

planets might be older their

498

00:23:59,450 --> 00:23:57,299

intelligences could be much more mature

499

00:24:03,049 --> 00:23:59,460

more advanced they could have even

500

00:24:05,630 --> 00:24:03,059

passed through an atomic age long ago or

501
00:24:08,390 --> 00:24:05,640
they could have been so that never were

502
00:24:11,510 --> 00:24:08,400
fouled up like our Adam and Eve and

503
00:24:14,570 --> 00:24:11,520
never went to all this and if there are

504
00:24:17,330 --> 00:24:14,580
perfect Souls elsewhere the thing is

505
00:24:20,090 --> 00:24:17,340
they are not killable they're Immortal

506
00:24:22,430 --> 00:24:20,100
already so the idea of the Air Force

507
00:24:24,470 --> 00:24:22,440
telling them to shoot them down is

508
00:24:27,409 --> 00:24:24,480
idiotic

509
00:24:30,049 --> 00:24:27,419
the expression flying saucers is a

510
00:24:31,970 --> 00:24:30,059
catch-all term for unusual lights

511
00:24:34,490 --> 00:24:31,980
occurring in the sky

512
00:24:37,190 --> 00:24:34,500
it is possible that some of these lights

513
00:24:39,590 --> 00:24:37,200

are caused by masses of electrically

514

00:24:41,090 --> 00:24:39,600

charged particles of Airy

515

00:24:43,850 --> 00:24:41,100

Orange

516

00:24:46,310 --> 00:24:43,860

green and blue

517

00:24:48,950 --> 00:24:46,320

this experiment demonstrates that

518

00:24:52,430 --> 00:24:48,960

charged masses of air can be made to

519

00:24:54,610 --> 00:24:52,440

move in formation change course change

520

00:24:57,590 --> 00:24:54,620

brightness appear

521

00:25:00,169 --> 00:24:57,600

disappear and reappear

522

00:25:03,350 --> 00:25:00,179

these electrified masses of air produce

523

00:25:05,750 --> 00:25:03,360

no sound but can be detected by radar

524

00:25:08,270 --> 00:25:05,760

the atmospheric conditions necessary for

525

00:25:10,730 --> 00:25:08,280

producing this phenomena are certainly

526

00:25:12,770 --> 00:25:10,740

not prevailing conditions that exist in

527

00:25:15,830 --> 00:25:12,780

the upper atmosphere

528

00:25:17,510 --> 00:25:15,840

however it is not altogether improbable

529

00:25:19,789 --> 00:25:17,520

that there may be occasional local

530

00:25:22,789 --> 00:25:19,799

conditions responsible for this glow
